3 Sundry Debtors include export receivables aggregating to Rs. 894.60 Crores as at June 30, 2014. On account of the economic slowdown and consequent recessionary conditions in the global market there have been delays in recovery of such amounts. Given the fact that the amounts are recoverable from customers with whom the Company has a long standing relationship, the Management is confident of realizing the amounts due and no provisions are required on these accounts at this stage, notwithstanding the "disclaimer" by the Auditors in their report for the period ended June 30, 2014. Consequently, Management believes that the recognition of revenue and the corresponding foreign exchange translation gain/(loss) to the extent of Rs.97.64 Lakhs for the quarter ended June 30, 2014, is appropriate, as there is no uncertainty regarding recovery of the corresponding outstanding amount with respect to receivables.

4 The Company was awarded the "AapkeDwar" Project in 2009 by the Municipal Corporation of Delhi (MCD). The project envisages setting up of 2000 kiosks in the city of Delhi for providing various Government to Citizen (G2C) Services. As at the quarter ended dated June 30, 2014 – 300 kiosks have been constructed and for the balance 1,700 Kiosks, allotment of clear sites by MCD is awaited. In view of the unseemly delays in the allocation of sites by the MCD, the company has filed a petition in the HighCourt of Delhi which has initiated the process of arbitration. The management is confident of arriving at an amicable solution shortly.

5 The number of investor complaints pending at the beginning of the quarter NIL, received during the quarter NIL disposed of during the quarter NIL and pending unresolved at the end of the quarter NIL
