NSE Symbol: **STYRENIX**

Sub: **Intimation under regulation 30(4) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 - Update on Proposed Capacity Expansion of ABS and Polystyrene.**

Dear Sir / Madam,

In continuation of intimation letter dated October 21, 2023, and in accordance with Regulation 30 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company had earlier intimated to the Stock Exchanges its plan to enhance the annual manufacturing capacity of ABS and Polystyrene in a phased manner, as part of its growth and expansion strategy.

The Company wishes to update that the proposed capacity enhancement of ABS is going on and with respect to the Polystyrene, the Company has successfully enhanced its annual manufacturing capacity from 66 KT to 100 KT through debottlenecking. Considering the prevailing market conditions and demand outlook, the Company believes that the enhanced capacity of 100 KT is sufficient to meet the current and foreseeable market requirements. Accordingly, the Company has decided to delay further capacity expansion of Polystyrene looking to market conditions in future.

You are requested to kindly take the same on record.

Thanking You.

Yours faithfully,
For Styrenix Performance Materials Limited
