Notes:

1. The financial result have been prepared in accordance with Indian Accounting Standards ('Ind AS') prescribed under section 133 of the Companies Act, 2013 read with relevant rules thereunder and in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and SEBI circular dated 5th July, 2016.

2. The Government of India introduced the Goods and Service Tax (GST) with effect from 1st July, 2017 which subsumes excise duty and various other indirect taxes. As required under Ind AS, revenue for the quarter ended 30th June, 2018 and 31st March, 2018 are reported net of GST. The revenue for quarter ended 30th June, 2017 includes excise duty. Accordingly, income from operations for the quarter ended 30th June, 2018 are not comparable with corresponding previous period.

3. Effective 1st April, 2018, the Company adopted Ind AS 115 "Revenue from Contracts with Customers" using the cumulative retrospective transition method. The effect on adoption of Ind AS 115 was insignificant on the financial results.

4. The Company had received various notices of demand from the National Pharmaceutical Pricing Authority (NPPA), Government of India, on account of alleged overcharging in respect of certain drugs under the Drugs (Prices Control) Orders. The total demand against the Company as stated in NPPA public disclosure amounts to ₹ 2,610.09 Crore.

Out of the above, demand notices pertaining to a set of products being Norfloxacin, Ciprofloxacin, Salbutamol and Theophylline were challenged by the Company (i) in the Hon'ble Bombay High Court on the ground that bulk drugs contained in the said formulations are not amenable to price control, as they cannot be included in the ambit of price control based on the parameters contained in the Drug Policy, 1994 on which the DPCO, 1995 is based and (ii) in the Hon'ble Allahabad High Court on process followed for fixation of pricing norms. These Petitions were decided in favour of the Company and the matters were carried in appeal by the Union of India to the Supreme Court of India. The Supreme Court in its judgment of 1st August, 2003 restored the said writ petitions to the Bombay High Court with directions that the Court will have to consider the petitions afresh, having due regard to the observations made by the Supreme Court in its judgment. On the Union of India filing transfer petitions, the Supreme Court ordered transfer of the said petitions to the Bombay High Court to it for being heard with the appeal filed against the Allahabad High Court order. Subsequently, in its order of 20th July, 2016 the Supreme Court recalled its transfer order and remanded the petitions to Bombay High Court for hearing. While remanding the matter to Bombay High Court, the Hon'ble Supreme Court directed Cipla to deposit 50% of the overcharged amount with the NPPA as stated in its order of 1st August, 2003 which at that point of time was ₹ 350.15 Crore. Complying with the directions passed by the Hon'ble Supreme Court, Cipla has deposited an amount of ₹ 175.08 Crore which has been received and acknowledged by NPPA. Furthermore, the Company has not received any further notices post such transfer of cases to Bombay High Court. Meanwhile, the Hon'ble Supreme Court of India vide its Order and Judgment dated 21st October, 2016, allowed the Appeals filed by the Government against the Judgment and Order of the Hon'ble Allahabad High Court regarding basis of fixation of retail prices. The said order was specific to fixation of retail prices without adhering to the formula/process laid down in DPCO, 1995. However, the grounds relating to inclusion of certain drugs within the span of price control continues to be sub-judice with the Hon'ble Bombay High Court.

During the quarter ended 30th June, 2018, Hon'ble Bombay High Court has directed the Company to file an affidavit showing compliance with the Supreme Court orders dated 1st August, 2003 and 20th July, 2016 before proceeding for final hearing.

The Company has been legally advised that it has a substantially strong case on the merits of the matter, especially under the guidelines/principles of interpretation of the Drug Policy enunciated by the Hon'ble Supreme Court of India. Although, the decision of Hon'ble Supreme Court dated 21st October, 2016 referred above was in favour of Union of India with respect to the appeals preferred by the Government challenging the Hon'ble Allahabad High Court order, basis the facts and legal advice on the matter sub-judice with the Hon'ble Bombay High Court, no provision is considered necessary in respect of the notices of demand received till date aggregating to ₹ 1,736.00 Crore. It may be noted that NPPA in its public disclosure has stated the total demand amount against the Company in relation to the above said molecules to be ₹ 2,272.32 Crore (after adjusting deposit of ₹ 175.08 Crore), however, the Company has not received any further notices beyond an aggregate amount of ₹ 1,736.00 Crore.

For the balance demand (pertaining to set of products not part of the above mentioned writ proceedings in the Hon'ble Bombay High Court), basis the facts and legal advice, the Company carries total provision of ₹ 94.37 Crore as of 30th June, 2018.

5. The paid-up equity share capital stands increased to ₹ 161.04 Crore (805,191,188 equity shares of ₹ 2 each) upon allotment of 72,024 equity shares of ₹ 2 each pursuant to "ESOS 2013-A" during the quarter ended 30th June, 2018.

6. The figures for the quarter ended 31st March, 2018 are the balancing figures between the audited figures in respect of the full financial year and the unaudited published figures up to the nine months ended 31st December, 2017.

7. The figures of the previous year/period have been regrouped/recast to render them comparable with the figures of the current period.

8. The above results for the quarter ended 30th June, 2018, have been reviewed and recommended to the Board of Directors by the Audit Committee, which were approved by the Board of Directors at its meeting held on 8th August, 2018. These results have been subjected to limited review by the statutory auditors.

To the Board of Directors of Cipla Limited

1. We have reviewed the accompanying statement of unaudited standalone financial results ('Statement') of Cipla Limited ('the Company') for the quarter ended 30 June 2018, being submitted by the Company pursuant to the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on the Statement based on our review.

2. We conducted our review in accordance with the Standard on Review Engagement (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. We have not performed an audit and accordingly, we do not express an audit opinion.

3. Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with applicable Indian Accounting Standards specified under Section 133 of the Companies Act, 2013 and SEBI Circulars CIR/CFD/CMD/15/2015 dated 30 November 2015 and CIR/CFD/FAC/62/2016 dated 5 July 2016, and other recognised accounting practices and policies has not disclosed the information required to be disclosed in accordance with the requirements of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, including the manner in which it is to be disclosed, or that it contains any material misstatement.

4. Attention is drawn to Note 6 to the financial results regarding the figures for the quarter ended 31 March 2018 as reported in these financial results, which are the balancing figures between audited figures in respect of the full financial year and the unaudited published year to date figures up to the end of nine months ended 31 December 2017.

Segment assets and liabilities

As some of the assets and liabilities are deployed interchangeably across segments, it is not practically possible to allocate those assets and liabilities to each segment. Hence, the details of assets and liabilities have not been disclosed in the above table.

Notes:

1. The financial results have been prepared in accordance with Indian Accounting Standards ('Ind AS') prescribed under section 133 of the Companies Act, 2013 read with relevant rules thereunder and in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and SEBI circular dated 5th July, 2016.

2. The Government of India introduced the Goods and Service Tax (GST) with effect from 1st July, 2017 which subsumes excise duty and various other indirect taxes. As required under Ind AS, revenue for the quarter ended 30th June, 2018 and 31st March, 2018 are reported net of GST. The revenue for quarter ended 30th June, 2017 includes excise duty. Accordingly, income from operations for the quarter ended 30th June, 2018 are not comparable with corresponding previous period.

3. Effective 1st April, 2018, the Company adopted Ind AS 115 " Revenue from Contracts with Customers" using the cumulative retrospective transition method. The effect on adoption of Ind AS 115 was insignificant on the financial results.

4. The Company had received various notices of demand from the National Pharmaceutical Pricing Authority (NPPA), Government of India, on account of alleged overcharging in respect of certain drugs under the Drugs (Prices Control) Orders. The total demand against the Company as stated in NPPA public disclosure amounts to ₹ 2,610.09 Crore.

Out of the above, demand notices pertaining to a set of products being Norfloxacin, Ciprofloxacin, Salbutamol and Theophylline were challenged by the Company (i) in the Hon'ble Bombay High Court on the ground that bulk drugs contained in the said formulations are not amenable to price control, as they cannot be included in the ambit of price control based on the parameters contained in the Drug Policy, 1994 on which the DPCO, 1995 is based and (ii) in the Hon'ble Allahabad High Court on process followed for fixation of pricing norms. These Petitions were decided in favour of the Company and the matters were carried in appeal by the Union of India to the Supreme Court of India. The Supreme Court in its judgment of 1st August, 2003 restored the said writ petitions to the Bombay High Court with directions that the Court will have to consider the petitions afresh, having due regard to the observations made by the Supreme Court in its judgment. On the Union of India filing transfer petitions, the Supreme Court ordered transfer of the said petitions to the Bombay High Court to it for being heard with the appeal filed against the Allahabad High Court order. Subsequently, in its order of 20th July, 2016 the Supreme Court recalled its transfer order and remanded the petitions to Bombay High Court for hearing. While remanding the matter to Bombay High Court, the Hon'ble Supreme Court directed Cipla to deposit 50% of the overcharged amount with the NPPA as stated in its order of 1st August, 2003 which at that point of time was ₹ 350.15 Crore. Complying with the directions passed by the Hon'ble Supreme Court, Cipla has deposited an amount of ₹ 175.08 Crore which has been received and acknowledged by NPPA. Furthermore, the Company has not received any further notices post such transfer of cases to Bombay High Court. Meanwhile, the Hon'ble Supreme Court of India vide its Order and Judgment dated 21st October, 2016, allowed the Appeals filed by the Government against the Judgment and Order of the Hon'ble Allahabad High Court regarding basis of fixation of retail prices. The said order was specific to fixation of retail prices without adhering to the formula/process laid down in DPCO, 1995. However, the grounds relating to inclusion of certain drugs within the span of price control continues to be sub-judice with the Hon'ble Bombay High Court.

During the quarter ended 30th June, 2018, Hon'ble Bombay High Court has directed the Company to file an affidavit showing compliance with the Supreme Court orders dated 1st August, 2003 and 20th July, 2016 before proceeding for final hearing.

The Company has been legally advised that it has a substantially strong case on the merits of the matter, especially under the guidelines/principles of interpretation of the Drug Policy enunciated by the Hon'ble Supreme Court of India.
