Business Update

Talbros Automotive Components receives multi-year orders worth ~Rs. 420 crores

- **Includes an EV Order for ~Rs. 160 crores from a leading domestic OEM**

Haryana, 2nd December 2022

Talbros Automotive Components Limited has received new multi years orders worth Rs. 420 crores from both, domestic and overseas customers across its business divisions, product segments and JVs. These orders are to be executed over a period of next 5 years covering the company's product lines – gaskets, heat shields, forgings and chassis.

- Orders received from a leading established domestic OEM for the Electric Vehicles (EV) for over Rs. 160 crores over 5 years
- Received orders from new customers for multiple auto parts for multiple applications
- Received orders from new OEM customers in the non-automotive segment for export markets
- These order span across new technologies such as heat shields for which we have secured new customers in the Domestic PV space and exports

These orders will help us increase our share with existing customers and new customers across geographies which will help us grow and gain market share in the coming years.
