This presentation has been prepared by Indian Bank (the "Bank") solely for information purposes, without regard to any specific objectives, financial situations or informational needs of any particular person.

Except for the historical information contained herein, statements in this release which contain words or phrases such as "will", "aim", "will likely result", "would", "believe", "may", "expect", "will continue", "anticipate", "estimate", "intend", "plan", "contemplate", "seek to", "future", "objective", "goal", "strategy", "philosophy", "project", "should", "will pursue" and similar expressions or variations of such expressions may constitute "forward-looking statements".

These forward-looking statements involve a number of risks, uncertainties and other factors that could cause actual results to differ materially from those suggested by the forward-looking statements. These risks and uncertainties include, but are not limited to our ability to successfully implement our strategy, future levels of non-performing loans, our growth and expansion, the adequacy of our allowance for credit losses, our provisioning policies, technological changes, investment income, cash flow projections, our exposure to market risks as well as other risks. Indian Bank undertakes no obligation to update the forward-looking statements to reflect events or circumstances after the date thereof.

Note: All financial numbers in the presentation are from Audited Financials or Limited Reviewed financials or based on Management estimates.
