

# **FAQs on Activation of Scenario**

**Version 2.2**

**December 2025**

**Disclaimer:**

*"This document/FAQ has been drafted in order to ease Member's/reader's understanding of the subject matter. The information and/ or content (collectively 'Information') provided herein is general information only and NSE has issued detailed circulars to that effect from time to time. While reasonable care has been exercised to ensure that the Information is adequate and reliable, no representation is made by NSE as to its accuracy or completeness and NSE, its affiliates and subsidiaries accept no liability of whatsoever nature for any direct or consequential loss, including without limitation any loss of profits, arising from reliance on this Information. The readers are expected to undertake their own diligence and are advised not to solely rely on this document. Any such reliance shall be at the reader's own risk. Nothing stated herein shall bind NSE, in any manner whatsoever."*

**Background:**

To provide access to members spread over a wide geographical area, Exchange offers Leased Line Connectivity. Trading Members are required to choose a scenario from the available categories to apply for connectivity.

**1. What is Leased Line?**

The leased line is terrestrial based connectivity which connects members to Exchange trading system via Point of Presences (POP).

**2. What are the connectivity offerings in Lease Line?**

The Exchange Connectivity offering is available at the below mentioned path: <https://nseindia.com> > Trade > Platforms & Services > Connectivity & User id > “Read more about Connectivity Options at NSE”.

**3. What are the charges for Connectivity?**

Members can refer the below path on website for the Exchange levied charges: <https://nseindia.com> > Trade > Platforms & Services > Connectivity & User Id > Connectivity Costing (Non-Colo)

Members are requested to connect with Network Integrator (NI) i.e. Sify, to check other charges.

**4. Which are the different types of Service Providers and their charges?**

The service Providers for POP based Leased Line connectivity under wired and Wireless last mile connectivity would be as below:

- TATA Communications limited (TCL).
- Bharati Airtel Limited.
- MTNL/BSNL.
- Sify Technologies Ltd.
- Tikona Infinet Private Limited. \*
- Microscan Infocommtech Private Limited. \*

*\* Tikona and Microscan are for Self Service Mode Only.*

Members can also get in touch with NI on their email id [nse.servicedesk@sifycorp.com](mailto:nse.servicedesk@sifycorp.com) for information of Service Provider related charges. Additionally, they are requested to refer to circular NSE/MSD/67754 dated April 29, 2025 and latest circular issued in this regard from time to time by the Exchange.

**5. What is POP and where can members find the list of POP locations?**

POP is Point of Presence, established by Exchange at different locations to enable member connectivity to Exchange trading server. Members are requested to refer to circular NSE/MSD/67754 dated April 29, 2025 and latest circular issued in this regard from time to time by the Exchange for the list of various POP locations.

**6. What are the types of POP based Leased Line (LL) connectivity?**

There are two types of POP based Leased Line (LL) connectivity.

- Managed Service Mode
- Self Service Mode

## 7. What is difference between Managed Service Mode and Self-Service Mode?

- **Managed Service (MS)** - Under managed service mode the last mile lease lines shall be owned and procured by NSE. The lease line and router will be managed by the NI.
- **Self Service (SS)** - Under self-service mode the last mile lease lines shall be owned and procured by the member. The lease line and router will be managed by the member. Members are requested to refer to circular NSE/MSD/67754 dated April 29, 2025 and latest circular issued in this regard from time to time by the Exchange regarding detailed description of Managed Service Mode and Self-Service Mode.

## 8. What is the specification of router in case of Self-Service Mode?

Members are requested to refer to 'Annexure 3' of Exchange issued circular Ref No. **NSE/MSD/67754** for router specification for the leased line application under Self-Service mode.

## 9. Which are the types of Offices permitted for Connectivity Installation?

The different types of Offices for Connectivity Installation are as below:

- Branch Office of Trading Member
- Corporate Office of Trading Member
- Registered Office of Trading Member
- Authorized Person's Office of Trading Member
- Third Party Data Center in India

## 10. How can members apply for connectivity with the Exchange?

Members may refer to the below path while applying for connectivity.

Path on ENIT: **ENIT > Membership > TCP IP Scenario > Activation**

## 11. Which documents are to be submitted while applying for connectivity at third party data center?

Member can refer the below table:

Sr. No.	Instance	Document required
1	Member applying for 1st connectivity on third party data center	An Undertaking from the member.
2	Member applying for additional connectivity on same third-party data center	No documents required
3	Member applying for additional connectivity on any other/New third party data center	No documents required

Note -Members will be required to send the hardcopy of the undertaking to Exchange at their Head Office at Mumbai BKC.

## 12. Where can members find the format of the third-party data center documents to be submitted to the Exchange?

Members may refer to the below link for the format.

<https://www.nseindia.com/trade/platform-services-application-formats>

## 13. How will the request for connectivity be processed?

Members are requested to refer to circular section II of circular NSE/MSD/67754 dated April 29, 2025 and latest circular issued in this regard from time to time by the Exchange.

**14. Where will the Member find the status of Scenario Activation request?**

Members are requested to refer REQUEST STATUS REPORT on ENIT.

**Path: ENIT - NEW - TRADE > MEMBERSHIP > TCP IP SCENARIO > REQUEST STATUS REPORT.**

**15. Whom can the member contact for status update of scenario activation request?**

Members are requested to get in touch with NI – SIFY on their email id [nse.servicedesk@sifycorp.com](mailto:nse.servicedesk@sifycorp.com) to check the status update of their request. Members may also refer to the escalation matrix provided in 'Annexure 1' of the Exchange circular no **NSE/MSD/67754**. Members are requested to also refer to any latest circular issued in this regard.

**16. Member has submitted request for activation of connectivity under self-service mode. When shall he receive NOC from the Exchange?**

Member shall receive the NOC on the email id mentioned by them while submitting request in ENIT. Request submitted till 3 PM on a working day will be processed on same day and subsequently, NOC shall be provided by EOD.
