

PRESS RELEASE

Mumbai, 10th September 2025

A Landmark Achievement!

We are delighted to share that NSE India has successfully processed over 15 lakh mutual fund transactions, highest ever in a single day (10th Sept 2025) on our newly migrated NSE MF Invest Platform.

This milestone would not have been possible without the trust and support of our Members and Distributors. Your cooperation during the transition phase has been invaluable in achieving this success.

We look forward to your continued feedback, suggestions, and inputs at dl-MFR@nse.co.in, as we remain committed to enhancing your experience and strengthening our services evident from multiple enhancements already incorporated and communicated based upon feedback, suggestions, and inputs received so far.

Thank you for being an integral part of this journey!"

About National Stock Exchange of India Limited (NSE):

National Stock Exchange of India (NSE) was the first exchange in India to implement electronic or screen-based trading. It began operations in 1994 and is ranked as the largest stock exchange in India in terms of total and average daily turnover for equity shares every year since 1995, based on SEBI data. NSE has a fully integrated business model comprising exchange listings, trading services, clearing and settlement services, indices, market data feeds, technology solutions and financial education offerings. NSE also oversees compliance by trading, clearing members and listed companies with the rules and regulations of SEBI and the exchange. NSE is a pioneer in technology and ensures the reliability and performance of its systems through a culture of innovation and investment in technology. NSE is the world's largest derivatives exchange by trading volume (contracts) as per the statistics maintained by Futures Industry Association (FIA) for calendar year 2024. NSE is ranked 2nd in the world in equity segment by number of trades (electronic order book) in 2024, as per the statistics maintained by World Federation of Exchanges (WFE).
