NSE Academy collaborates with Deloitte Learning Academy to advance future-ready finance and risk leadership in India

NSE Academy Limited (NAL), a wholly owned subsidiary of the National Stock Exchange of India Ltd., has collaborated with Deloitte Touche Tohmatsu India LLP (Deloitte India), to offer joint certificate courses and bootcamps focussed on workforce readiness and workforce development to equip the BFSI sector with skilled talent while upskilling the current workforce at scale.

This collaboration will deliver high-impact, industry-aligned bootcamps covering key areas such as Banking, NBFCs, Insurance, Asset Management, Treasury Operations, and specialized modules in Cybersecurity and Risk Management. The bootcamps, led by senior practitioners at Deloitte, are designed to equip learners with practical knowledge, regulatory insights, and digital competencies essential for navigating the evolving financial landscape.

These programs will be delivered through blended learning formats, including live sessions by Deloitte subject-matter experts, real-world case studies, and access to curated content from global best practices. Participants will gain actionable insights and peer learning opportunities to stay ahead in a disruptive, regulated environment.

In addition, this partnership between NSE Academy and Deloitte Learning Academy (DLA) will offer jointly certified digital courses on a range of topics, including but not limited to Banking, Finance, Insurance, and Treasury Operations, among various other fields.

Mr. Prakhar Tripathi, Partner at Deloitte India, shared: “Banking and Financial Services has seen a lot of changes in a very short period of time. This calls to enable, energise and empower the talent that aspires to become a skilled BFSI professional. Together with NSE Academy, we aim to bridge the current gap in skilling at scale, capability enhancement at speed and create a holistic learning experience.”

Mr. Abhilash Misra, CEO of NSE Academy Limited, said: “We are excited to partner with Deloitte as this initiative aligns to our mission of building future-ready talent for India’s financial ecosystem. Our objective is to provide an industry-driven learning experience that includes practical training, thereby offering talent solutions to the BFSI sector and financial institutions. Additionally, we seek to equip professionals with the necessary skills to succeed in the dynamic and technology-oriented financial landscape of today.”
