NSE EMERGE achieves 700th SME listing milestone

National Stock Exchange of India Limited (NSE), India's leading stock exchange achieved the milestone of crossing 700 listings of SME companies on its NSE EMERGE platform on 24th December 2025.

As of today, 700 companies from various sectors are listed on NSE Emerge platform and have collectively raised over INR 21,252 Cr. The total market capitalisation of these companies was approximately INR 2,22,338 Cr.

On the achievement of milestone of 700th listing on the EMERGE platform, NSE Chief Business Development Officer, Mr. Sriram Krishnan mentioned "We had the 600th listing on 19th Feb 2025 and now the 700th listing have both happened within the same year which highlights the resilience of SME IPO platform. The modifications undertaken by market regulator SEBI in March 2025, our stringent evaluation criteria and focus on good corporate governance practices have played a pivotal role in taking this market to a mature phase."

About National Stock Exchange of India Limited (NSE):

National Stock Exchange of India (NSE) was the first exchange in India to implement electronic or screen-based trading. It began operations in 1994 and is ranked as the largest stock exchange in India in terms of total and average daily turnover for equity shares every year since 1995, based on SEBI data. NSE has a fully integrated business model comprising exchange listings, trading services, clearing and settlement services, indices, market data feeds, technology solutions and financial education offerings. NSE also oversees compliance by trading, clearing members and listed companies with the rules and regulations of SEBI and the exchange. NSE is a pioneer in technology and ensures the reliability and performance of its systems through a culture of innovation and investment in technology. NSE is the world's largest derivatives exchange by trading volume (contracts) as per the statistics maintained by Futures Industry Association (FIA) for calendar year 2023. NSE is ranked 3rd in the world in equity segment by number of trades (electronic order book) in 2023, as per the statistics maintained by World Federation of Exchanges (WFE).
