Basis for Opinion

- 3. We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013 (the Act). Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Consolidated Financial Results' section of our report. We are independent of the Group and its associates in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us and other auditors in terms of their reports referred to in sub-paragraph 13 of the 'Other Matters' section below, other than the unaudited interim financial information as certified by Management and referred to in sub-paragraph 14 of the 'Other Matters' section below, is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

- 4. We draw attention to Note 3 to the Consolidated Financial Results relating to the orders passed by the Securities and Exchange Board of India ("SEBI") in relation to preferential access to tick-by-tick data at the Holding Company's Colocation facility, Dark Fiber point-to-point connectivity and governance and conflict of interest matters and the adjudication orders in relation to these matters. The Holding Company has recognised a provision of Rs. 1,307.41 Crores during the period ended December 31, 2025, in addition to an amount of Rs. 100 Crores provided for earlier as mentioned in Note 3 to the Consolidated Financial Results. The future outcome of the above matters is uncertain at this stage. Our opinion is not modified in respect of this matter.

Management's Responsibilities for the Consolidated Financial Results

- 5. These quarterly Consolidated Financial Results as well as the year to date Consolidated Financial Results have been prepared on the basis of the interim consolidated financial statements. The Holding Company's Board of Directors are responsible for the preparation and presentation of these Consolidated Financial Results that give a true and fair view of the net profit and other comprehensive income and other financial information of the Group including associates in accordance with the recognition and measurement principles laid down in Indian Accounting Standard 34, 'Interim Financial Reporting' prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations, 2015. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and its associates and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Results by the Directors of the Holding Company, as aforesaid.
- 6. In preparing the Consolidated Financial Results, the respective Board of Directors of the companies included in the Group and of its associates are responsible for assessing the ability of the Group and of its associates to continue as a going concern, disclosing, as applicable, matters related to going concern.

Price Waterhouse & Co Chartered Accountants LLP

and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Group and its associates or to cease operations, or has no realistic alternative but to do so.

7. The respective Board of Directors of the companies included in the Group and of its associates are responsible for overseeing the financial reporting process the Group and of its associates.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

8. Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Results as a whole are free from material misstatement, whether due to fraud or error, and issue an auditors' report that includes our opinion. Reasonable assurance is a high level assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Results.
9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Consolidated Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Holding Company's internal control.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
 - Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Consolidated Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group and its associates to cease to continue as going concern.
 - Evaluate the overall presentation, structure and content of the Consolidated Financial Results, including the disclosures, and whether the Consolidated Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
 - Obtain sufficient appropriate audit evidence regarding the financial results/financial information of the entities within the Group and its associates to express an opinion on the Consolidated Financial Results. We are responsible for the direction, supervision and performance of the audit of financial information of such entities included in the Consolidated Financial Results of which we are the independent auditors. For the other entities included in the Consolidated Financial Results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
10. We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated Financial Results of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Price Waterhouse & Co Chartered Accountants LLP

11. We also provide those charged with governance with an annual statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
12. We also performed procedures in accordance with the circular issued by the SEBI under Regulation 33(8) of the Listing Regulations, 2015 as amended, to the extent applicable.

Segment Information

(a) Description of segments and principal activities

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker ("CODM") of the Company. The CODM, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Managing Director and CEO of the Parent Company. The Group has identified the following segments i.e. Trading Services, Clearing Services and Others as reporting segments based on the information reviewed by CODM.

1: **Trading Services** : This part of the business offers services related to trading in equity, equity derivatives, debt, currency derivatives and commodity derivatives segments. Revenue includes transaction charges, listing & book building fees, revenue from data centre charges etc.

2: **Clearing Services** : This part of the business offers clearing and settlement of the trades executed in the capital markets, future & options, currency derivatives and commodity derivatives segments.

3: **Others** include results of operations from data feed services, data terminal services, strategic investments and index licensing services.

The above business segments have been identified considering :

- the nature of products and services
- the differing risks
- the internal organisation and management structure, and
- the internal financial reporting systems.

The segment information presented is in accordance with the accounting policies adopted for preparing the consolidated financial statements of the Group. Segment revenues, expenses and results include inter-segment transfers. Such transfers are undertaken either at competitive market prices charged to unaffiliated customers for similar goods and services or at contracted rates. These transfers are eliminated on consolidation.

(b) Segment Revenue :

Transactions between segments are carried out at arms length. Revenue and expenses which relate to the enterprise as a whole and are not allocable to a segment on reasonable basis have been disclosed as unallocable. The CODM primarily uses a measure of profit before tax to assess the performance of the operating segments.

- 1 The above Consolidated Statement Financial Results for the quarter and nine months ended December 31, 2025, have been reviewed by the Audit Committee and approved by the Board of Directors in their meeting held on February 6, 2026.
- 2 On November 21, 2025, The Government of India notified the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020, collectively referred to as the 'New Labour Codes', consolidating 29 existing labour laws. Consequently, NSE has reassessed the existing employee benefit obligations. Considering the impact arising out of an enactment of the new legislation is an event of non-recurring nature, NSE has presented incremental provision for Gratuity on account of past service cost of Rs. 126.44 Crores as "Impact of New Labour Codes" under "Exceptional Item" in the financial results for the quarter and nine months ended December 31, 2025. NSE continues to monitor the finalisation of Central and State Rules in relation to the New Labour Codes and would provide appropriate accounting effect on the basis of such developments and any revisions to NSE's staff emoluments from time to time, as needed.
- 3 NSE had received three separate Show Cause Notices (SCN) from Securities and Exchange Board of India ("SEBI") on May 22, 2017, July 03, 2018, and July 31, 2018, against NSE and some of its former employees, in respect of NSE's Colocation facility ("Colocation"), Dark Fibre ("Dark Fibre") and Governance and conflict of interest related matters ("Governance and COI"). SEBI WTM passed orders in respect of all the three SCNs vide its letter dated April 30, 2019.

SEBI WTM vide its order dated April 30, 2019 directed NSE inter-alia to disgorge an amount of Rs. 624.89 Crores along with interest at the rate of 12% per annum from April 01, 2014, till the actual date of payment and certain non-monetary and restrictive directions including prohibiting NSE from accessing securities market, for a period of six months from the date of the order ("Colocation WTM Order"). SEBI Adjudicating Officer ("AO") had also passed an order dated February 10, 2021 ("Colocation AO Order") covering the above issues pertaining to Colocation and levied a monetary penalty of Rs. 1 Crore on NSE. NSE preferred appeals before the Hon'ble Securities Appellate Tribunal (SAT) against the Colocation WTM Order and the Colocation AO Order.

SAT vide its order dated January 23, 2023, upheld the non-monetary directives under the Colocation WTM Order but set aside SEBI's direction for disgorgement and directed to pay a sum of Rs. 100 Crores to be deposited in Investor Education & Protection Fund for lack of due diligence by NSE. Further, SAT vide its order dated July 12, 2023 set aside the Colocation AO Order.

SEBI has appealed against both the SAT Orders related to Colocation matter before the Supreme Court. Both the appeals are pending for final hearing and disposal. The Supreme Court vide an interim order dated March 20, 2023, directed SEBI to refund Rs.300 Crores to NSE in the Colocation WTM appeal.

SEBI WTM vide its order dated April 30, 2019 directed NSE to deposit a sum of Rs. 62.58 Crores along with interest at the rate of 12% p.a. from September 11, 2015, till the actual date of payment along with certain non-monetary and restrictive directions ("Dark Fibre WTM Order"). SEBI Adjudicating Officer ("AO") had also passed an order dated June 28, 2022 ("Dark Fibre AO Order") covering the above issues pertaining to Dark Fibre and levied a monetary penalty of Rs. 7 Crores on NSE. NSE preferred appeals before SAT against the Dark Fibre WTM Order and the Dark Fibre AO Order.

SAT vide its order dated August 9, 2023, allowed the appeal to the extent that the Dark Fibre WTM order for disgorgement was reversed. Further, SAT vide its order dated December 14, 2023 set aside the Dark Fibre AO Order.

SEBI has appealed against both the SAT Orders related to Dark Fibre matter before the Supreme Court. Both the Appeals are pending for final hearing and disposal. Supreme Court vide an interim order dated October 17, 2023, directed SEBI to refund Rs. 31 Crores to NSE in the Dark fibre WTM Appeal.

Basis the SAT Colocation WTM order dated January 23, 2023, SEBI's WTM issued another SCN dated May 17, 2023, to consider the charge of connivance and collusion of OPG Securities ("OPG") and its directors with NSE employees. NSE had filed a detailed response on August 3, 2023. SEBI vide its order dated September 13, 2024, held that there was no sufficient material evidence / objective facts on record to produce enough justification for establishment of collusion / connivance between OPG and its directors with NSE and its employees and disposed the SCN dated May 17, 2023, without any direction.

SEBI WTM vide its order dated April 30, 2019 passed certain non-monetary and remedial directions against NSE ("Governance WTM Order"). SEBI Adjudicating Officer ("AO") had also passed an order dated June 30, 2022 ("Governance AO Order") covering the above issues pertaining to Governance and conflict of interest and levied a monetary penalty of Rs. 1 Crore on NSE. NSE filed separate appeals before the SAT against the Governance WTM and Governance AO orders. NSE withdrew the said appeals on July 24, 2024. On July 29, 2024 NSE has paid the monetary penalty of Rs. 1 crore along with interest under the Governance AO Order and has updated SEBI about the status of the compliances of the non-monetary directions of the Governance WTM Order.

On June 20, 2025, NSE filed two separate settlement applications for a cumulative amount of Rs. 1,387.39 crores with SEBI under SEBI (Settlement Regulations) 2018 for settlement of:

- a) Colocation WTM Order and Colocation AO Order; and
- b) Dark Fibre WTM Order and Dark Fibre AO Order.

The Settlement applications are pending with SEBI, the future outcome of which is uncertain at this stage.

In the light of pending outcomes of the above settlement applications, during the period ended December 31, 2025, the Board of Directors have considered deferment of other legal proceedings in this regard. Consequently, NSE has recognised a provision of Rs. 1,307.41 crores, including interest, during the period ended December 31, 2025. This is in addition to Rs.100 Crores imposed by the Hon'ble SAT in the Colocation WTM Appeal which had been duly adjusted against the amount deposited by NSE with SEBI during the year ended March 31, 2023.

The said provision, after netting off deposit lying with SEBI, is shown under current provision.

- 4 In respect of Trading Access Point (TAP) matter, SEBI vide its email dated September 20, 2024, issued a Notice of Demand for Rs. 643.05 crores in response to the Revised Settlement Terms filed by NSE as consolidated settlement amount. NSE has paid the said amount of Rs.643.05 crores on September 25, 2024 and the same is included in other expenses for nine months ended December 31, 2024 and year ended March 31, 2025. The Settlement Order in this regard was passed by SEBI on October 4, 2024.
- 5 The Board of Directors of NSE in their meeting held on March 23, 2023, approved the voluntary contribution at 2% of the transaction charges earned to the Core Settlement Guarantee Fund (Core SGF) to maintain the corpus of the said Fund based on the assessment of the current trends in volumes and overall increase in market activities. Further, SEBI vide its letter no. SEBI/HO/MRD-PoD-2/P/OW/2024/15969/1 N/2024/15969/1 dated May 3, 2024, advised NSE to augment Core SGF of F&O segment of NSE Clearing Ltd (NCL) to Rs.10,500 crores.

Accordingly, NSE continued voluntary contribution at 2% of the transaction charges earned to the Core SGF in the financial results for the quarter and nine months ended December 31, 2024. Further as, the desired corpus of Core SGF had reached the stipulated level, to be maintained by NCL, the Board of Directors of NSE in their meeting held on February 4, 2025, approved discontinuation of voluntary contribution at 2% of the transaction charges to the Core SGF effective January 1, 2025.

6 As per Regulation 22 of the SEBI (Depositories and Participants) Regulations, 2018 (DP Regulations), NSE was required to bring down its shareholding in National Securities Depository Limited (NSDL) from 24% to 15% within five years from the date of commencement of the DP Regulations i.e by October 03, 2023, against which extension was taken by the NSE. During the quarter ended September 30, 2025, NSE has sold 9% stake in NSDL through offer for sale which resulted in a pre-tax gain of Rs. 1,200.94 crores, which is shown as an exceptional items in the financial results.

Emphasis of Matter

4. We draw attention to Note 4 to the Standalone Financial Results relating to the orders passed by the Securities and Exchange Board of India ("SEBI") in relation to preferential access to tick-by-tick data at the Company's Colocation facility, Dark Fiber point-to-point connectivity and governance and conflict of interest matters and the adjudication orders in relation to these matters. The Company has recognised a provision of Rs. 1,307.41 Crores during the period ended December 31, 2025, in addition to an amount of Rs. 100 Crores provided for earlier as mentioned in Note 4 to the Standalone Financial Results. The future outcome of the above matters is uncertain at this stage. Our opinion is not modified in respect of this matter.

Management's Responsibilities for the Standalone Financial Results

5. These quarterly and year to date Standalone Financial Results have been prepared on the basis of the interim standalone financial statements. The Company's Board of Directors are responsible for the preparation of these Standalone Financial Results that give a true and fair view of the net profit and other comprehensive income and other financial information in accordance with the recognition and measurement principles laid down in Indian Accounting Standard (Ind AS) 34, 'Interim Financial Reporting' prescribed under Section 133 of the Act read with relevant rules issued thereunder and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulations, 2015. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Results that give a true and fair view and are free from material misstatement, whether due to fraud or error.
6. In preparing the Standalone Financial Results, the Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
7. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Results

8. Our objectives are to obtain reasonable assurance about whether the Standalone Financial Results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Results.
9. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - Identify and assess the risks of material misstatement of the Standalone Financial Results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Price Waterhouse & Co Chartered Accountants LLP

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the company's internal control.
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
 - Conclude on the appropriateness of the Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - Evaluate the overall presentation, structure and content of the Standalone Financial Results, including the disclosures, and whether the Standalone Financial Results represent the underlying transactions and events in a manner that achieves fair presentation.
10. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
11. We also provide those charged with governance with an annual statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Notes :

- 1 The above Standalone Statement of Audited Financial Results for the quarter and nine months ended December 31, 2025, have been reviewed by the Audit Committee and approved by the Board of Directors in their meeting held on February 6, 2026.
- 2 Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker ("CODM") of the Company. The CODM, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the Managing Director and Chief Executive Officer (CEO) of the Company. The Company operates only in one Business Segment i.e. facilitating trading in securities and the activities incidental thereto within India, hence does not have any reportable Segments as per Indian Accounting Standard 108 "Operating Segments". The Company while presenting the consolidated financial results has disclosed the segment information as required under Indian Accounting Standard 108 "Operating Segments".
- 3 On November 21, 2025, The Government of India notified the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020, and the Occupational Safety, Health and Working Conditions Code, 2020, collectively referred to as the 'New Labour Codes', consolidating 29 existing labour laws. Consequently, the Company has reassessed the existing employee benefit obligations. Considering the impact arising out of an enactment of the new legislation is an event of non-recurring nature, the Company has presented incremental provision for Gratuity on account of past service cost of Rs. 90.07 Crores as "Impact of New Labour Codes" under "Exceptional Item" in the financial results for the quarter and nine months ended December 31, 2025. The Company continues to monitor the finalisation of Central and State Rules in relation to the New Labour Codes and would provide appropriate accounting effect on the basis of such developments and any revisions to the Company's staff emoluments from time to time, as needed.
- 4 The Company had received three separate Show Cause Notices (SCN) from Securities and Exchange Board of India ("SEBI") on May 22, 2017, July 03, 2018, and July 31, 2018, against the Company and some of its former employees, in respect of Company's Colocation facility ("Colocation"), Dark Fibre ("Dark Fibre") and Governance and conflict of interest related matters ("Governance and COI"). SEBI WTM passed orders in respect of all the three SCNs vide its letter dated April 30, 2019.

SEBI WTM vide its order dated April 30, 2019 directed the Company inter-alia to disgorge an amount of Rs. 624.89 Crores along with interest at the rate of 12% per annum from April 01, 2014, till the actual date of payment and certain non-monetary and restrictive directions including prohibiting the Company from accessing securities market, for a period of six months from the date of the order ("Colocation WTM Order"). SEBI Adjudicating Officer ("AO") had also passed an order dated February 10, 2021 ("Colocation AO Order") covering the above issues pertaining to Colocation and levied a monetary penalty of Rs. 1 Crore on the Company. The Company preferred appeals before the Hon'ble Securities Appellate Tribunal (SAT) against the Colocation WTM Order and the Colocation AO Order.

SAT vide its order dated January 23, 2023, upheld the non-monetary directives under the Colocation WTM Order but set aside SEBI's direction for disgorgement and directed to pay a sum of Rs. 100 Crores to be deposited in Investor Education & Protection Fund for lack of due diligence by NSE. Further, SAT vide its order dated July 12, 2023 set aside the Colocation AO Order.

SEBI has appealed against both the SAT Orders related to Colocation matter before the Supreme Court. Both the appeals are pending for final hearing and disposal. The Supreme Court vide an interim order dated March 20, 2023, directed SEBI to refund Rs.300 Crores to the Company in the Colocation WTM appeal.

SEBI WTM vide its order dated April 30, 2019 directed the Company to deposit a sum of Rs. 62.58 Crores along with interest at the rate of 12% p.a. from September 11, 2015, till the actual date of payment along with certain non-monetary and restrictive directions ("Dark Fibre WTM Order"). SEBI Adjudicating Officer ("AO") had also passed an order dated June 28, 2022 ("Dark Fibre AO Order") covering the above issues pertaining to Dark Fibre and levied a monetary penalty of Rs. 7 Crores on the Company. The Company preferred appeals before SAT against the Dark Fibre WTM Order and the Dark Fibre AO Order.

SAT vide its order dated August 9, 2023, allowed the appeal to the extent that the Dark Fibre WTM order for disgorgement was reversed. Further, SAT vide its order dated December 14, 2023 set aside the Dark Fibre AO Order.

SEBI has appealed against both the SAT Orders related to Dark Fibre matter before the Supreme Court. Both the Appeals are pending for final hearing and disposal. Supreme Court vide an interim order dated October 17, 2023, directed SEBI to refund Rs. 31 Crores to the Company in the Dark fibre WTM Appeal.

Basis the SAT Colocation WTM order dated January 23, 2023, SEBI's WTM issued another SCN dated May 17, 2023, to consider the charge of connivance and collusion of OPG Securities ('OPG') and its directors with NSE employees. NSE had filed a detailed response on August 3, 2023. SEBI vide its order dated September 13, 2024, held that there was no sufficient material evidence / objective facts on record to produce enough justification for establishment of collusion / connivance between OPG and its directors with NSE and its employees and disposed the SCN dated May 17, 2023, without any direction.

SEBI WTM vide its order dated April 30, 2019 passed certain non-monetary and remedial directions against the Company ("Governance WTM Order"). SEBI Adjudicating Officer ("AO") had also passed an order dated June 30, 2022 ("Governance AO Order") covering the above issues pertaining to Governance and conflict of interest and levied a monetary penalty of Rs. 1 Crore on the Company. The Company filed separate appeals before the SAT against the Governance WTM and Governance AO orders. The Company withdrew the said appeals on July 24, 2024. On July 29, 2024 the Company has paid the monetary penalty of Rs. 1 crore along with interest under the Governance AO Order and has updated SEBI about the status of the compliances of the non-monetary directions of the Governance WTM Order.

On June 20, 2025, the Company filed two separate settlement applications for a cumulative amount of Rs. 1,387.39 crores with SEBI under SEBI (Settlement Regulations) 2018 for settlement of:

- a) Colocation WTM Order and Colocation AO Order; and
- b) Dark Fibre WTM Order and Dark Fibre AO Order.

The Settlement applications are pending with SEBI, the future outcome of which is uncertain at this stage.

In the light of pending outcomes of the above settlement applications, during the period ended December 31, 2025, the Board of Directors have considered deferment of other legal proceedings in this regard. Consequently, the Company has recognised a provision of Rs. 1,307.41 crores, including interest, during the period ended December 31, 2025. This is in addition to Rs. 100 Crores imposed by the Hon'ble SAT in the Colocation WTM Appeal which had been duly adjusted against the amount deposited by the Company with SEBI during the year ended March 31, 2023.

The said provision, after netting off deposit lying with SEBI, is shown under current provision.

- 5 In respect of Trading Access Point (TAP) matter, SEBI vide its email dated September 20, 2024, issued a Notice of Demand for Rs. 643.05 crores in response to the Revised Settlement Terms filed by the Company as consolidated settlement amount. The Company has paid the said amount of Rs.643.05 crores on September 25, 2024 and the same is included in other expenses for nine months ended December 31, 2024 and year ended March 31, 2025. The Settlement Order in this regard was passed by SEBI on October 4, 2024.
 - 6 The Board of Directors of NSE in their meeting held on March 23, 2023, approved the voluntary contribution at 2% of the transaction charges earned to the Core Settlement Guarantee Fund (Core SGF) to maintain the corpus of the said Fund based on the assessment of the current trends in volumes and overall increase in market activities. Further, SEBI vide its letter no. SEBI/HO/MRD-PoD-2/P/OW/2024/15969/1 N/2024/15969/1 dated May 3, 2024, advised NSE to augment Core SGF of F&O segment of NSE Clearing Ltd (NCL) to Rs.10,500 crores.
- Accordingly, NSE continued voluntary contribution at 2% of the transaction charges earned to the Core SGF in the financial results for the quarter and nine months ended December 31, 2024. Further as, the desired corpus of Core SGF had reached the stipulated level, to be maintained by NCL, the Board of Directors of NSE in their meeting held on February 4, 2025, approved discontinuation of voluntary contribution at 2% of the transaction charges to the Core SGF effective January 1, 2025.
- 7 As per Regulation 22 of the SEBI (Depositories and Participants) Regulations, 2018 (DP Regulations), the Company was required to bring down its shareholding in National Securities Depository Limited (NSDL) from 24% to 15% within five years from the date of commencement of the DP Regulations i.e by October 03, 2023, against which extension was taken by the NSE. During the quarter ended September 30, 2025, the Company has sold 9% stake in NSDL through offer for sale which resulted in a pre-tax gain of Rs. 1,362.57 crores, which is shown as an exceptional items in the financial results.
