**TIMES NEWS NETWORK**

**Bengaluru:** India's largest stock exchange NSE crossed a milestone of 3 crore registered after it attracted 30 lakh new investors in 2019.

NSE said the growth in new investor registrations has largely been driven

from non-metro cities. With cities beyond the top 100, accounting for 33.7% of new investor registrations and cities beyond the top 50 contributing to 48% of new registrations. Mumbai topped fresh additions with 7.7% of total new investors. Followed by Delhi NCR (7.4%), Bengaluru (2.7%), Pune (2.6%), Ahmedabad (2.3%), Surat (1.7%), Hyd-

erabad (1.5%), Jaipur (1.4%), K.V. Rangareddy (1.2%) and Kolkata (1.0%).

Vikram Limaye, MD & CEO, NSE said, "It is a positive sign for the country's economy that household savings are being channelized into markets thereby aiding the capital formation process." He also credited NSE's 10,000 plus investor awareness programs with heightening awareness.

Western India accounted for 33% of new investor registrations closely followed by North India with 32%; with South and East India accounting for 25% and 10% of new investor registrations respectively.

## Bourse adds 3 million investors in 2019

The NSE added 3 million clients in 2019, an increase of 4.5 per cent over the previous year. The increase was below the previous 5-year annual growth of 11 per cent. Volatility in the markets is a possible factor behind the decline in client addition. Last year, the Nifty rose 12 per cent but the broader indices Nifty MidCap100 and Nifty SmallCap 100 had declined 4.3 per cent and 9.5 per cent, respectively. "We should be looking to touch the 50-million investor mark over the next three years," said Vikram Limaye, MD and CEO of the NSE. At present, the exchange has 30 million clients. To achieve the target, its client base will have to grow at over 18 per cent annually.

## At 30 lakh, NSE added 4.5% to new-investor count in 2019

**PRESS TRUST OF INDIA**

New Delhi, February 11

The National Stock Exchange on Tuesday said that it has added 30 lakh new investors in 2019, a growth of 4.5 per cent over the previous year.

The exchange also crossed the milestone of three crore registered investors in January 2020, it said in a statement.

The NSE said it witnessed more than 1.2 crore new investor registrations in the last five years, growing at a compounded annual growth rate of 11 per cent.

Going ahead, NSE MD & CEO Vikram Limaye said the bourse should be looking at touching the 5-crore investor mark over the next three years.

"It is heartening to see that a large number of investors are showing an interest in participating in the equity markets. The

milestone achieved is the culmination of efforts put in by all stakeholders with simplified client onboarding processes set up by SEBI and untiring efforts by NSE and its trading members.

"It is a positive sign for the country's economy that the household savings are being channelised into markets thereby aiding the capital formation process," he said.

### Non-metro cities

The growth in investor registrations has largely been driven from non-metro cities.

The cities beyond the top 100 accounted for 33.7 per cent of new investor registrations, while the cities beyond the top 50, contributed to 48 per cent, indicating growing interest in the equity markets, is not restricted to the metros and a few Tier 1 cities, the NSE said.

## ‘एनएसई’ कइउन ३० लाख नवगुंतवणूकदारांची भर

लोकसत्ता व्यापार प्रतिनिधी

**मुंबई :** देशातील सर्वात मोठा भांडवली बाजार असलेल्या राष्ट्रीय शेअर बाजार अर्थात ‘एनएसई’ने जानेवारी २०२० मध्ये पहिल्यांदाच तीन कोटी गुंतवणूकदारांचा टप्पा गाठला आहे.

सरलेल्या, २०१९ सालात बाजारात ३० लाख नव्या गुंतवणूकदारांची भर पडली असून वार्षिक तुलनेत ही वाढ ४.५ टक्के नोंदली गेली आहे. वार्षिक ११ टक्के वेगाने बाजाराने गेल्या पाच वर्षात १.२० कोटी नवीन गुंतवणूकदार जोडले असल्याची माहिती मंगळवारी जाहीर करण्यात आली.

यानिमित्ताने, बाजाराने येत्या तीन

एकूण सक्रिय गुंतवणूकदारांचा तीन कोटींचा टप्पा पार

मुंबई-महाराष्ट्राचा टक्का सर्वाधिक

नवीन गुंतवणूकदार जोडले जाण्यामध्ये देशातील १० राज्ये आघाडीवर राहिली आहेत. त्यात महाराष्ट्राचा वाटा सर्वाधिक, १८.३ टक्के नोंदला गेला आहे. पाठोपाठ असलेल्या गुजरात, उत्तर प्रदेश, दिल्ली, तमिळनाडू, कर्नाटक, राजस्थानचा हिस्सा एकेरी अंकाचा राहिला आहे. पश्चिम बंगाल, तेलंगण व आंध्र प्रदेशचा हिस्सा ५ टक्क्यांच्याही खाली राहिला आहे. नव-गुंतवणूकदारांमध्ये शहर म्हणून मुंबईचा हिस्सा अर्थातच अधिक, ७.७ टक्के आहे. सर्वात कमी, एक टक्का हिस्सा हा कोलकाता शहराचा आहे.

वर्षात ५ कोटी गुंतवणूकदार जोडण्याचे लक्ष्य जाहीर केले असल्याचे राष्ट्रीय शेअर बाजाराचे व्यवस्थापकीय संचालक व मुख्य

कार्यकारी अधिकारी विक्रम लिमिये यांनी सांगितले. भांडवली बाजाराचे निवामक ‘सेबी’द्वारे सुलभ होत असलेल्या

प्रक्रियेमुळे गुंतवणूकदारांचा कल वाढत असून पारंपरिक पर्यायांव्यतिरिक्त भांडवली बाजारासाठी गुंतवणूकदारांकडून

अंगिकारले जात असल्याचे लिमिये म्हणाले.

राष्ट्रीय शेअर बाजाराने गेल्या तीन वर्षात १० हजारांहून अधिक गुंतवणूक जनजागृतीचे कार्यक्रम आयोजित केले. या माध्यमातून ५.२५ लाख उत्सुक गुंतवणूकदारांशी संपर्क साधण्यात आला. १० हजार कार्यक्रमांपैकी तब्बल ७५ टक्के कार्यक्रम हे मोठ्या महानगरांव्यतिरिक्त अन्य शहरांमध्ये होते, असे एनएसईने म्हटले आहे.

भांडवली बाजारातील गुंतवणूकदारांच्या वाढत्या कलाची पुष्टी करणारी आकडेवारीही

बाजारमंचाने जाहीर केली आहे. यानुसार, १०० शहरांव्यतिरिक्त अन्य शहरांमधील नव्या गुंतवणूकदारांचा हिस्सा ३३.७ टक्के राहिला आहे. तर मोठ्या ५० शहरांपलिकडील अन्य शहरांमधील गुंतवणूकदारांचा हिस्सा ४८ टक्के नोंदला गेला आहे. यातून भांडवली बाजारातील गुंतवणूकदार वर्गाला सखोलता मिळत असल्याचे दिसून येते.

नवीन गुंतवणूकदार जोडणीमध्ये देशाची आर्थिक राजधानी व राष्ट्रीय शेअर बाजाराचे मुख्यालय, मुंबईचा समावेश असलेल्या देशाच्या पश्चिम विभागाचे प्रमाण ३३ टक्के राहिले आहे. तर देशाच्या उत्तर, दक्षिण व पूर्व विभागांचा हिस्सा अनुक्रमे ३२, २५ व १० टक्के असा नोंदला गेला आहे.

### NSE adds 30 lakh new investors in 2019

The NSE said it witnessed more than 1.2 crore new investor registrations in the last 5 years, growing at a compounded annual growth rate of 11 per cent.

PTI|12 February 2020

The National Stock Exchange (NSE) on Tuesday said it has added 30 lakh new investors in 2019, a growth of 4.5 per cent over the previous year. The exchange also crossed the milestone of three crore registered investors in January 2020, it said in a statement.

The NSE said it witnessed more than 1.2 crore new investor registrations in the last 5 years, growing at a compounded annual growth rate of 11 per cent.

Going ahead, NSE MD and CEO Vikram Limaye said the bourse should be looking at touching the 5 crore investor mark over the next 3 years.

"It is heartening to see that a large number of investors are showing an interest in participating in the equity markets. The milestone achieved is the culmination of efforts put in by all stakeholders with simplified client onboarding processes set up by Sebi and untiring efforts by NSE and its trading members.

"It is a positive sign for the country's economy that the household savings are being channelized into markets thereby aiding the capital formation process," he said.

The growth in investor registrations has largely been driven from non-metro cities. The cities beyond the top 100 accounted for 33.7 per cent of new investor registrations, while the cities beyond the top 50, contributed to 48 per cent, indicating growing interest in the equity markets, is not restricted to the metros and a few tier-I cities, the NSE said.

### **NSE adds 30 lakh new investors in CY2019**

News Desk | 11 February 2020

National Stock Exchange of India Ltd (NSE) witnessed more than 1.2 crore new investor registrations in the last 5 years, growing at a compounded annual growth rate of 11%. In 2019 alone, the Exchange on-boarded close to 30 lakh clients, up 4.5%, over the previous year.

NSE also crossed the milestone of three crore registered investors in January 2020. Mr Vikram Limaye, MD & CEO, NSE said, “It is heartening to see that a large number of investors are showing an interest in participating in the equity markets. The milestone achieved is the culmination of efforts put in by all stakeholders with simplified client onboarding processes set up by SEBI and untiring efforts by NSE and its trading members. It is a positive sign for the country’s economy that the household savings are being channelized into markets thereby aiding the capital formation process. I am sure with the focused efforts of all stakeholders, we should be looking at touching the 5 crore investor mark over the next 3 years.”

The growth in investor registrations has largely been driven from non-metro cities. The cities beyond the top 100 accounted for 33.7% of new investor registrations, while the cities beyond the top 50, contributed to 48%, indicating a growing interest in the equity markets, is not restricted to the metros and a few tier 1 cities.

NSE has conducted more than 10,000 investor awareness programs in the last 3 years, touching more than 5.25 lakh individuals across the country with more than 75% of the programs conducted in non-tier 1 cities.

Western India accounted for 33% of new investor registrations closely followed by North India with 32%. Southern and Eastern regions in India accounted for 25% and 10% of new investor registrations respectively.

The top 10 states accounted for 75% of new investor registrations – Maharashtra 18.3%, Gujarat 9.9%, Uttar Pradesh 7.7%, Delhi 7.3%, Tamil Nadu 6.6%, Karnataka 6.2%, Rajasthan 5.3%, West Bengal 4.9%, Telangana 4.8% and Andhra Pradesh 4.7%.

The top 10 cities accounting for 29.5% of new investor registrations are – Mumbai (including Thane and Raigad) 7.7%, Delhi (including NCR) 7.4%, Bengaluru 2.7%, Pune 2.6%, Ahmedabad 2.3%, Surat 1.7%, Hyderabad 1.5%, Jaipur 1.4%, K.V. Rangareddy 1.2% and Kolkata 1.0%.
