NSE Cautions Against Assured Returns Scheme

PTI

New Delhi: The National Stock Exchange (NSE) on Monday asked the investors not to put their money in any assured returns-scheme offered by two individuals. The advisory comes after the exchange found that the two individuals — Ravi and Nisha — were offering such schemes.

The bourse, in a statement, said the two individuals are not registered either as members or aut-

horised persons with any registered member of the NSE.

Cautioning the investors, NSE asked them not to subscribe to any such scheme or product offered by any person offering indicative/assured/guaranteed returns in the stock market as the same is prohibited by law.

“Participation in such prohibited schemes is at investors’ own risk, cost and consequences as such schemes are neither approved nor endorsed by the exchange,” it said.
