To enable professionals to upskill and gain knowledge, NSE Academy Limited (NAL) has signed an agreement with IIM Sirmaur to offer joint certification programmes to them.

Under the collaboration, the first joint certification programme titled 'Executive Programme in Quantitative Finance and Risk Mitigation', will be offered to working professionals. Further certification programmes will be offered under the domain of finance and allied technologies. Programme lectures will be delivered by faculty members and industry mentors from IIM Sirmaur and NAL, a wholly owned subsidiary of the National Stock Exchange of India Limited (NSE).

Speaking on the occasion, Prafulla Agnihotri, director, IIM Sirmaur said, "This collaboration will enable participants to gain specialised skills and knowledge, empowering them to succeed in their respective fields."

NSE and IIM-S will be working closely to introduce many more offerings in the near future.

IIM Sirmaur, an institution of national importance, and NSE Academy, the education and training arm of the National Stock Exchange of India, are delighted to announce their collaboration through the signing of a Memorandum of Understanding (MoU) for joint certification programmes. The MoU signing ceremony took place on July 18, 2023, at the picturesque location of Paonta Sahib, Himachal Pradesh, IIM Sirmaur campus.

This strategic partnership between IIM Sirmaur and NSE Academy aims to merge academic excellence with industry relevance, providing participants with comprehensive certification

programmes in various domains. The collaboration brings together the wealth of knowledge, resources, and experience of both organizations, ensuring participants receive world-class management education and training.

The MoU signing ceremony witnessed the esteemed presence of Prof. Agnihotri, the Director of IIM Sirmaur, Mr. Abhilash Misra, CEO of NSE Academy, along with his colleague, Senior consultant Dr. Selvanathan, and faculty members of IIM Sirmaur. Their participation signifies the commitment and enthusiasm of NSE Academy in this collaboration, fostering a strong bond between academia and industry.

Prof. Agnihotri, the Director of IIM Sirmaur, expressed his enthusiasm for this collaboration, stating, "IIM Sirmaur is honored to partner with NSE Academy for joint certification programmes. This collaboration will enable participants to gain specialized skills and knowledge, empowering them to succeed in their respective fields."

Mr. Abhilash Misra, CEO of NSE Academy, expressed his excitement about the collaboration, stating, "We are delighted to join hands with IIM Sirmaur to offer industry-relevant certification programmes. This collaboration reflects our commitment to equipping professionals with the necessary competencies to thrive in the dynamic business landscape."

The joint certification programmes offered through this collaboration will cater to professionals and executives seeking to enhance their expertise in areas such as risk management, finance, and other relevant domains. The meticulously crafted curriculum will combine academic rigor with practical insights from industry experts, ensuring participants acquire the skills demanded by today's business environment.

NSE Academy Limited collaborates with IIM Sirmaur for Executive Education Programs

Sunvilla News : Ahmedabad

NSE Academy Limited (NAL), a wholly owned subsidiary of the National Stock Exchange of India Limited (NSE) has signed an agreement with IIM Sirmaur to offer joint certification programs for professionals. The strategic alliance aims to offer specialized certification courses that cater to the evolving demands of the professional landscape. Under the collaboration, the first joint certification program titled 'Executive Program in Quantitative Finance and Risk Mitigation', will be offered to working professionals. Further certification programs will be offered under the

domain of finance and allied technologies. Program lectures will be delivered by esteemed faculty members and industry mentors from IIM Sirmaur and NSE Academy Limited who collectively bring decades of experience and industry insights to the course. Speaking on the occasion, Dr. Prafulla Agnihotri, Director of IIM Sirmaur said, "IIM Sirmaur is honored to partner with NSE Academy Limited for joint certification programmes. This collaboration will enable participants to gain specialized skills and knowledge, empowering them to succeed in their respective fields." Speaking on the occasion, Shri Abhilash Misra, CEO, NSE Academy Limited said.

In order to offer collaborative certification programmes for professionals, NSE Academy Limited (NAL), a fully owned subsidiary of the National Stock Exchange of India Limited (NSE), recently formed an arrangement with IIM Sirmaur.

Strategic Alliance

The strategic alliance seeks to provide specific certification programmes that address the changing needs of the business world. The first joint certification programme, called "Executive Programme in Quantitative Finance and Risk Mitigation," will be made available to working professionals as part of the collaboration.

There will be more certification programmes available in the area of finance and related technology. IIM Sirmaur and NSE Academy Limited's eminent faculty members and industry mentors, who collectively contribute decades of experience and industry insights to the course, will present programme lectures.

Official Statement

Dr. Prafulla Agnihotri, the director of IIM Sirmaur, gave a speech at the event and stated, "IIM Sirmaur is honoured to partner with NSE Academy Limited for joint certification programmes. Participants will be able to develop specialised knowledge and abilities through this collaboration, enabling them to be successful in their particular industries.

Speaking at the event, Shri Abhilash Misra, CEO of NSE Academy Limited, said, "It is an honour to partner with IIM Sirmaur to deliver future-ready capabilities for industry professionals through our collaborative Executive Education programmes. "Executive Programme in Quantitative Finance and Risk Mitigation" is our initial offering and we're thrilled about it. We're also hard at work on introducing many more original programmes in the near future.
