Management Discussion and Analysis Report :

The Indian Textile Industry has a pre-eminent position in the Indian economy with an aggregate turnover of \$ 110 billions with exports of \$ 40 billion. India is the second largest exporter of textiles in the world & Textile industry is the 2nd largest employer after agriculture & contributes over 4% of GDP. The industry has potential for creation of employment especially in semi urban & rural areas both in organized and unorganized sector. It provides employment also to semi skilled labor and employees women in large segment of operations. The industry is self reliant and has very little to import, thus contributes in accretion of foreign exchange.

Spentex has integrated Cotton, Polyester & blended Yarn manufacturing facilities in India with stable customer base with long term mutually beneficial business relationship both in India and abroad. The company has presence across the entire value chain of cotton and polyester yarn with ability to offer varied products as required by the Indian and global markets.

The operations of the Company during the year were adversely impacted due to shortage of working capital, demand & supply gap and slow off take in internal market and overall subdued sentiments in the business world. The Company's Exports have also failed to cheer us up due to the tariff disadvantage created by FTAs of our competitors with the big buying nations. A huge disparity between spot cotton prices and yarn prices affected the margins of the company. As a result, there has been significant decline in EBIDTA levels which have resulted in huge financial strain on the Company.

However, with due strategic focus on efficient plant operations and day to day supervision of operations by management and other administrative and operational initiatives taken by the company, the EBITA levels have slightly improved as compared to previous year. Keeping in view the market trends and the emerging business scenario, Spentex is confident of improvement in its operational performance in near future.

Management Perception on Opportunities, Risks, Concern & Outlook

The weakening Indian Rupee, as compared to U.S Dollar and other European currencies provides an opportunity to the textile industry to optimize its sales volumes and margins respectively in exports. Spentex will continue to offer market driven quality product mix for progressively improving its operations and output. The Indian textile sector is also facing the challenges of outdated technology especially in weaving and processing resulting into lower productivity thus impacting the competitiveness of the industry. High power tariffs in India are impacting the viability of the industry.

Due to fluctuating prices and uncertainties in the foreign exchange market, increase in power cost and lack of adequate working capital, the EBITA levels may remain stagnant during the year. Management is keeping a close watch on various threats/risks facing the company and taking all appropriate steps to improve the performance of the Company. The Indian Textile industry is expected to become strong & vibrant through various support measures announced by the Government of India, especially technology up gradation fund and a package for apparel Industry.

Another key challenge presently is the Fiber/Raw Material cost, which has increased abruptly and increase is not fully absorbed in the yarn prices and accordingly yarn spinners are hit the most in the entire textile chain. However, your directors and management would take all

necessary measures to hedge this risk and increase the EBITA levels in coming quarters.

Quarter 3 & 4 of the financial year 2015-16 witnessed an increase in demand of cotton yarn in domestic as well as foreign market. With the strong domestic consumption trend and initiatives formulated by the Company with regard to product mix, waste management control & other related issues, your directors are confident that sales volumes would reasonably shore up with consequent strengthening of the margins in due course.

Financial Analysis and Performance Review

During the financial year 2015-16 the Company's operations were adversely impacted due to increase in Fiber/Raw Material cost which is not fully absorbed in the yarn prices, high power tariff, and constraints of working capital leading to non optimal utilization of plant capacities and consequent decrease in EBITDA.

The financial performance of the Company has been presented in two parts, as under:

- i) Spentex Industries Limited (Standalone) excluding the performance of its subsidiaries and step-down subsidiaries.

Annexure 2 to Independent Auditors' Report of even date on standalone Financial Statement of Spentex Industries Limited

Referred to in paragraph 2 (g) of the Independent Auditors' Report of even date under the heading "Report on Other Legal and Regulatory Requirements" to the members of Spentex Industries Limited on the standalone financial statements as of and for the year ended March 31, 2016.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **Spentex Industries Limited** ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by The Institute of Chartered Accountants of India and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles.

A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified in the operating effectiveness of the Company's internal financial controls over financial reporting as at March 31, 2016.

The company did not have an appropriate internal control system for obtaining confirmation from certain parties included under the head trade receivables, trade payables, loans & advances and other current liabilities and its reconciliation/consequential adjustments, if any. Further, the company's internal financial controls over recovery of certain long outstanding trade receivable, claim receivables and advance balances are not adequate.

The company's internal financial controls were not operating effectively in respect of the above which may potentially impact the results of the company.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, **except for the possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria**, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2016 standalone financial statements of the Company, and these material weaknesses have affected our opinion on the standalone financial statements of the Company and we have accordingly issued a qualified opinion on the standalone financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditor in terms of their report referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our qualified audit opinion on the consolidated financial statements.

Basis for Qualified Opinion

We draw attention to:

- (a) Note No. 30(b) of the consolidated financial statements, wherein, the company has not considered the financial statements of a step down subsidiary Schoeller Litvino k. s. in preparing the consolidated financial statements for the reason stated therein. This is in contrary to the Accounting Standard 21 "Consolidated Financial Statements" in respect of Section 133 of the Companies Act, 2013 Further we are unable to determine the extent of provision that may be required for diminution in the value of long term investment amounting to Rs.216,024,025/- in above subsidiary.
- (b) Note No. 43 of the consolidated financial statements, wherein, we are unable to determine the extent of provision that may be required for diminution in the value of long term investment amounting to Rs.2,383,796,543/- in Spentex Tashkent Toytepa LLC, step down subsidiary of the company. Uncertainties exist in relation to the recoverability of Rs.439,953,729/- due from above subsidiary.
- (c) Note No. 43 of the consolidated financial statements wherein, the company has not charged to consolidated statement of profit & loss Rs.70,012,404/- due from its step down subsidiary, Spentex Tashkant Toyetpa LLC, shown as trade receivable under the head "Other Non Current Assets" in the consolidated financial statements.
- (d) Note No. 42 of the consolidated financial statements wherein, the company has not charged to consolidated statement of profit & loss Rs.15,276,144/- in respect of dues receivable from MSEB shown as claim receivable under the head "Other Non Current Assets" in the consolidated financial statements.
- (e) Note No. 44 of the consolidated financial statements, wherein, the company has not charged to statement of profit and loss Rs. 10,135,376 and Rs. 2,695,093 shown as claim receivable and export incentive respectively under the head "Other Non Current Assets" in the consolidated financial statements.
- (f) Note No. 45 of the consolidated financial statements wherein, we are unable to comment on the recoverability of amounts relating to certain parties aggregating to Rs.44,489,435/- and Rs.11,493,145/- shown as advance against expenses and advance to trade payable respectively under the head " Long Term Loan & Advances" for which no

provision has been made in the books of amounts.

- (g) Note No. 47 of the consolidated financial statements wherein, the company has not charged to statement of profit & loss penal interest and other charges, if any, in respect of delay in repayment of borrowings from banks. Therefore, we are unable to comment on the adequacy of interest and other charges provided for in the statement of profit & loss.

We further report that, without considering the impact of paragraph (a), (b) and (g) above the effect of which could not be determined, had the observation made by us in paragraph (c), (d), (e) and (f) above been considered, the loss before tax for the year would have been Rs.1,201,822,955/- (as against the reported figure of Rs.1,047,721,358/-), Reserves and Surplus would have been negative Rs.6,021,124,019/- (as against negative reported figure Rs.5,867,022,422/-), Trade Receivable under the head "Other Non Current Assets" would have been Rs. Nil (as against the reported figure of Rs.70,012,404/-), Export Incentive under the head "Other Non Current Assets" would have been Rs. Emphasis of Matter

Without qualifying our opinion, we draw attention to:

- Note No. 4 of the consolidated financial statement, wherein, the Company has not allotted shares against the share application amount of Rs. 110,950,000/- which was brought in by the promoters in more than one installments under restructuring scheme approved by the Bankers. However, the company has not complied with the provisions of Section 42 of the Companies Act, 2013 for the reasons stated in the said Note.
- Note No. 46 of the consolidated financial statements which indicates that the Group has accumulated losses and its net worth has been fully eroded, the Group has incurred a net cash loss during the current and previous year(s) and, the Group's current liabilities exceeded its current assets as at the balance sheet date. Further majority of the banks have categorized borrowing of the company as Non performing Assets (NPA) during the year. These conditions, along with other matters set forth in Note No. 45, indicate the existence of a material uncertainty that may cast significant doubt about the Group's ability to continue as a going concern. However, the financial statements of the Group have been prepared on a going concern basis for the reasons stated in the said Note.
- Note No. 44 of the standalone financial statements regarding balance recoverable of Rs.18,410,722/- included under the head "Long Term Loans & Advance" of the standalone financial statements which has been considered good by the management in view of the reasons stated therein. We have relied upon the assertions given by the management as to the recoverability of the said amounts.
- Note No. 49 of the consolidated financial statements requiring deposit/invest a sum of at least 15% of the amount of its debentures maturing during the financial year 2016-17 in one or more of the prescribed methods vide circular no. 04/2013 dated February 11, 2013 issued by Ministry of Corporate Affairs. However, the company has not complied with the requirement of the said circular.
- Note No. 50 of the consolidated financial statements regarding balances of parties under the head trade receivables, trade payables and loans & advances which are subject to confirmation, reconciliation and consequential adjustments, if any.

Our opinion is not modified in respect of the above matters.

Other Matters

ANNEXURE 1 TO THE INDEPENDENT AUDITORS' REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF SPENTEX INDUSTRIES LIMITED

Referred to in paragraph 1 (h) of the Independent Auditors' Report of even date under the heading "Report on Other Legal and Regulatory Requirements" to the members of Spentex Industries Limited on the consolidated financial statements as of and for the year ended March 31, 2016

Report on the Internal Financial Controls under Clauses (i) of Sub-section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2016, we have audited the internal financial controls over financial reporting of Spentex Industries Limited (herein after referred to as "the Holding Company") and its subsidiary company incorporated in India, as of that date

Management's Responsibility for Internal Financial controls

The respective board of directors of the Holding company and its subsidiary company, which is company incorporated in India, are responsible for establishing and maintaining internal financial controls based on, "the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)". These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls

operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their report referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified in the operating effectiveness of the Company's internal financial controls over financial reporting as at March 31, 2016.

The company did not have an appropriate internal control system for obtaining confirmation from certain parties included under the head trade receivables, trade payables, loans & advances and other current liabilities and its reconciliation/consequential adjustments, if any. Further, the company's internal financial controls over recovery of certain long outstanding trade receivable, claim receivables and advance balances are not adequate.

The company's internal financial controls were not operating effectively in respect of the above which may potentially impact the results of the company.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, **except for the possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria**, the Holding Company and its subsidiary company, which is company incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on "the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial controls Over Financial Reporting issued by the Institute of Chartered Accountants of India" as it appears from our examination of the books and records of the Holding Company and the report of the other auditors in respect of entities audited by them.

We have considered the material weaknesses identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2016 and based on the report of other auditors, and these material weaknesses have affected our opinion on the consolidated financial statements of the Company and we have accordingly issued a qualified opinion on the consolidated financial statements.

Other Matters

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to audited subsidiary company incorporated in India, is based on the report of the auditors of such company incorporated in India. Our opinion is not qualified in respect of this matter.
