# SPINNING THE CHANGE

36<sup>th</sup> ANNUAL REPORT 2015-16

**Vardhman Polytex Ltd**  
An **Oswal Group**® Company

## Message from Chairman & Managing Director

Dear Stakeholders,

I am pleased to share with you performance of your company during the year 2015-16. In the face of global and domestic challenges encountered by the textile industry as a whole, your company was able to maintain quantum of sales and registered net operating revenue of ₹ 848.08 Cr against ₹ 942.41 Cr of the previous year. As a result of low realization, the EBIDTA from textile operations remained at ₹ 68.62 Cr as against ₹ 73.55 Cr in the previous year. However, EBIDTA from all segments together was ₹ 107.17 Cr as against ₹ 82.62 Cr in the previous year.

The textile industry at International level witnessed marginal growth though in retails many big brands suffered drop in sales and even closed down many stores/sales outlets. The sentiment in spinning was subdued on account of demand erosion from Chinese market triggered by uncertainty on disposal of cotton reserves and pricing thereof. Trans Pacific Partnership (TPP) agreement amongst USA and other host of countries, prominently Vietnam, speeded up huge investments by Koreans & Chinese for putting up spinning/weaving capacity in Vietnam, to have access to preferential duty structures/concessions. This all sharpened competition which worked against the economics of Textiles in India.

The Government of India in general has been trying to create positive industrial environment by announcing/implementing various schemes i.e. 'Make in India', 'Start Up Industry', 'Skill Development', 'Transform India' etc. The Government has recently announced a package of ₹ 6,000 Cr for Textile Industry to improve its competitiveness/health and generate employment. Although this package will mainly benefit the down stream Garment Industry, yet the gains will also flow back to the entire supply chain.

The Company was able to fulfill its obligations of bankers/financial institutions by selling entire inventory of project "Vardhman Park" during the year. It also contributed to the profitability of the Company this year.

The uncertainty, volatility and disparity in prices of cotton and yarn shall remain challenging in the current year. The optimism of improvement in Market Scenario will depend largely on world cotton balance sheet and at arrival of new crop. The judicious approach towards productivity, cost optimization, product developments and efficient/ effective resource utilization will be key to improve the margins.

The Company embarked upon the idea of re-branding of its products and push for value added products this year which should help to increase the market reach, creditability and improve top & bottom line of the business.

I express my sincere thanks to all Banks, business associates, employees and all other stakeholders for their continued support.

Sincerely

Ashok Kumar Oswal  
Chairman & Managing Director

## Message from Executive Director

Dear Stakeholders,

***“Taking Possibility Further”.***

*It gives me great pleasure to reach you through this Annual Report. In the past two years, we have taken fundamental and substantive steps to enhance our quality of business but I believe there is a significant potential still to be fully unlocked. It has been our challenge to design a new way forward, to focus and coordinate our efforts in an increasingly competitive environment.*

*In order to sail through turbulent market conditions and insulate its performance in any eventuality, your company has embarked upon a massive drive for up gradation and branding of products both in cotton and polyester cotton. Besides, differentiation and value addition, product diversification within textiles is under active consideration. These initiatives coupled with cost/efficiency optimization measures shall help your company in improving penetration into niche markets and catering to quality conscious customers both inland and overseas, which in turn should lead to better returns.*

*Our business is built on relationships. The investments we are making in technology are based on focus to hold promises for our brands while understanding priorities and preferences of our esteemed business associates. We would like to empower and delight them by honouring the commitments on quality and service. As we work to deepen our relationships with existing customers, the best measure of our strategy's success will be the growth of the Company through our ability to attract new business – which translates into top-line revenue growth.*

*We have talented and engaged people, innovative capabilities, and a strong and trusted brand, all of which differentiate us in the market and significantly strengthen our businesses.*

*I would also like to share with you that all the CDR conditions have been met in this financial year, leading to significant debt reduction.*

*For 2016, we continue to expect modest comparable sales growth and we will build on our 2015 operational performance improvement. Taking into account ongoing macro-economic headwinds and the phasing of costs and sales, we expect improvements in the year to be back-end loaded.*

*On behalf of the entire VPL team I thank you for your continued support and look forward to working for you this year and for many to come.*

Sincerely

Adish Oswal  
Executive Director

The Company has a net profit after tax of ₹ 901.64 lakh during the current year against net loss of ₹ (2,880.20) lakh in the previous year.

### 3. Management Discussion & Analysis Report

#### a) Industry structure and developments

The Indian textiles industry is extremely varied, with the hand-spun and hand-woven textiles sectors at one end of the spectrum, while the capital intensive sophisticated mills sector at the other end of the spectrum. The decentralised power looms/ hosiery and knitting sector form the largest component of the textiles sector with spinning sector playing pivotal role. The close linkage of the textiles industry to agriculture (for raw materials such as cotton) and the ancient culture and traditions of the country in terms of textiles make the Indian textiles sector unique in comparison to the industries of other countries. The Indian textiles industry

has the capacity to produce a wide variety of products suitable to different market segments, both within India and across the world. At present, Indian textiles sector occupies prominent position in the International textile trade.

The Indian textiles industry, currently estimated at around US\$ 108 billion, is expected to reach US\$ 223 billion by 2021. The industry is the second largest employer after agriculture, providing employment to over 45 million people directly and 60 million people indirectly. The Indian textiles industry contributes approximately 5 per cent to India's Gross Domestic Product (GDP), and 14 per cent to overall Index of Industrial Production (IIP). Textiles sector is one of the largest contributors to India's exports with approximately 11 per cent of total exports. The Indian textile industry has the potential to reach US\$ 500 billion in size according to a study by Wazir Advisors and PCI Xylenes & Polyester. The growth implies domestic sales to rise to US\$ 315 billion from currently US\$ 68 billion. At the same time, exports are implied to increase to US\$ 185 billion from approximately US\$ 41 billion currently.

Textiles spinning sector globally, seems to be quite unpredictable and uncertain for various reasons including stagnant / diminishing demand as against growing supply side, cotton, futures, currency fluctuations and above all increasing competition from some countries like Vietnam, Bangladesh, Cambodia, Thailand, Indonesia etc. Recently, initiatives launched by Government of India envisages inviting FDI which may give impetus to growth in textiles, particularly the fabric and processing which will lead to balance out the demand supply position for spinning sector.

#### b) Opportunities and Threats

##### Opportunities:

- Government initiatives to boost textile industry through skill development.
- Make in India campaign.
- Scope for Automation.
- Demand for value added product.

##### Threats:

- Shortage of skilled manpower.
- Ever increasing input cost i.e. power, finance & logistics.
- Regional imbalance in taxation/ incentives by States.
- Over capacity in spinning sector.

#### c) Segment wise Performance

During the year under review, the Company has two segments i.e. Textile and Real estates. The segment wise performance is given below:

(₹ in Lakh)

Particulars	Segment		Total
	Textile	Real Estate	
Net Revenue	83,837.24	3,970.86	87,808.10
Segment Result	2,090.21	3,854.95	5,945.16

During the year under review, the Company was able to sell the entire inventories related to Vardhman Park, Ludhiana.

**d) Economic Scenario and Outlook**

The World Bank projected that India will grow by a robust above 7 per cent in 2016 & next two years and will be the fastest growing economy in the world in next three years which would outpace China. The slow growth of China shall create potential/opportunity to capture their share in the international market.

In the global exports of textiles, India has improved its ranking. To perform consistently at global level appears to be challenge for the textiles sector due to varied reasons including Indian Government's policy on cotton/fibres, Chinese policy on cotton, erratic demand, currency fluctuations, high conversion & logistic costs and Trans-pacific partnership (TPP) agreement with Vietnam by US & other countries.

Indian textiles industry still has cost advantage atleast on a few input costs, besides having self-sustaining cotton crop. However, this alone may not able to be adequate to survive and grow in the international trade. Hence, Indian mills will have to upgrade/ modernize technologically, innovate on development of products/ services and optimize operational and logistic cost to get a positive bottom line.

**e) Management perception of Risk & concerns**

In today's challenging and competitive environment, strategies for mitigating inherent risks in accomplishing the growth plans of the Company are imperative. The main risks inter alia include strategic risk, operational risk, financial risk and compliances & legal risk. The fast technology obsolescence, high cost of manufacturing and irrational taxation are the major risk/ concerns of the business.

The Company has devised and implemented a mechanism for risk management and has developed a Risk Management Policy. The Policy provides for constitution of a Risk Management Committee, which consist directors and senior management personnel. The Company through a risk management committee oversees the Risk Management process including risk identification, impact assessment, effective implementation of the mitigation plans and risk reporting. The Audit Committee also evaluates risk management system of the Company periodically.

To cover foreign exchange risk, the Company transacts its all exports through secured mode either against LC or partial advance payment and foreign currency is being hedged simultaneously against almost all confirmed contracts. To cover commodity price risk, the orders of finished goods are usually booked in advance as per stock of the raw material inventory. The management procures raw material and sales orders for finished goods are booked forward/ in advance upon proper market analysis, forecasting and information from Internal & external sources.

**f) Internal control system & adequacy**

Your Company has an adequate internal control system. There is a system of continuous Internal Audit which aims at ensuring effectiveness and efficiency of systems and operations. The internal audit is conducted by external agency/professionals together with in-house Internal Audit Department lead by a qualified Chartered Accountant along with sufficient qualified

& experienced staff. The scope of the Internal Audit is not limited to accounts only but includes operations, inventories, costing records, physical verifications of immovable and movable assets etc. on regular basis.

The Audit Committee of the Board of Directors approves and reviews audit plans for the year based on internal risk assessment. Audits are conducted on an on-going basis and significant deviations are brought to the notice of the Audit Committee following which corrective action is recommended for implementation. All these measures facilitate timely detection of any irregularities and early remedial steps.

**g) Financial Performance****Resource utilisation**

The gross fixed assets as at 31<sup>st</sup> March, 2016 were ₹ 59,169.17 lakh against ₹ 58,361.10 lakh in the previous year. The net block of assets as on 31<sup>st</sup> March, 2016 was ₹ 23,867.14 lakh as against ₹ 25,783.85 lakh in the previous year.

Inventory levels as at 31<sup>st</sup> March, 2016 were ₹ 7,301.31 lakh as against ₹ 13,790.03 lakh in the previous year. The trade receivable as at 31<sup>st</sup> March, 2016 were ₹ 7,411.89 lakh as against ₹ 5,251.99 lakh in the previous year. Decrease in current assets is due to sale of entire inventories related to Vardhman Park.

**Financial condition & liquidity**

(₹ in Lakh)		
Particulars	2015-16	2014-15
<b>Cash &amp; cash equivalents</b>		
Beginning of the year	1,282.73	1,437.33
End of the year	907.80	1,282.73

Investing Activities	(686.91)	132.59
Financial Activities	(9,962.62)	(7,911.60)

**h) Human Resources Management**

Your Company gives utmost importance to human resource. It considers "Human Resource as Human Capital" and believes in the development of Human Resource. The Company strongly believes in the Performance Management System and always tries to explore and tap high potential at the Group level to meet new challenges and competition. Our main tool is training and developing talent at various levels. Internal and external trainings are regularly organized for the development of employees.

**i) Safety, Health & Environment**

The Company's top priority is safety, with regard to employment. It encourages safety measures at all operational levels, especially at floor level. Regular training programs are conducted to create awareness about the importance of safety at work. Medical Camps are organized periodically for welfare of employees. Additionally, regular medical facilities are also provided to them.

## 21. Comments on Auditors' Report and Secretarial Auditors' Report

### Auditors' Report

The Statutory Auditors of the Company have submitted Auditors' Report on the Financial Statements of the Company for the financial year ended 31<sup>st</sup> March, 2016. In their reports (standalone and consolidated), they have made certain qualifications/observations. The explanation/comments of the Board on the same are as under:

### Standalone Auditor's Report

- a) During the year ended 31<sup>st</sup> March, 2015, the Company had transferred land used for real estate development from fixed assets into stock in trade explained in note no. 37 of the financial statements. This is at variance with Accounting Standard AS-2 'Valuation of Inventories' and Accounting Standard AS-10 'Accounting for Fixed Assets', specified under Section 133 of the Companies

Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014. This has resulted in overstatement of cost of development by ₹ 2,958.51 lakh and overstating other income by an amount of ₹ 3,050.17 lakh during the year ended March 31, 2016.

We state that due to sale of entire inventories of Vardhman Park during the year, the Company has transferred all the balance lying in capital reserve ₹ 3,050.16 Lakh as on 31<sup>st</sup> March, 2015 to statement of Profit and Loss. Hence, the qualification of the auditors in this respect has been resolved.

- b) No provision has been made on the investment and loans and advances made in one of the subsidiary company F.M. Hammerle Textiles Limited of ₹ 9,126.41 lakhs and ₹ 2,662.93 lakhs respectively whose net worth has been completely eroded and having a loss of ₹ 15,452.51 lakhs against share capital of ₹ 12,386.75 lakh as on 31<sup>st</sup> March, 2016. This is at variance with Accounting Standard AS-13 'Accounting for Investments' specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014. This has resulted in profit for the year ended 31<sup>st</sup> March, 2016 being overstated and investments, loans and advances and reserves and surplus being overstated by the same amount at 31<sup>st</sup> March, 2016.

We state that in view of continuous losses suffered by the company i.e. F.M. Hammerle Textiles Limited which has eroded 100% of the share capital, the said company falls under "Sick Company" under the Sick Industrial and Companies (Special Provisions) Act (SICA) of 1985 and has filed reference to the Board for Industrial and Financial Reconstruction (BIFR).

- (c) In respect to observation specified in point (viii) of Annexure-A of the report, we would like to state that due to certain liquidity stress, the Company has delayed for making the payments to Financial Institution/Bankers. In respect to the repayment for the FCCB, it shall be made on/before 31.12.2016.
- (d) In respect to qualification specified in Annexure-B of the report, we would like to state that the subsidiary F.M. Hammerle Textiles Limited (FMH) has been referred to BIFR, as FMH is unable to meet its borrowing obligations and material delay have happened to the payments to the vendor. However the holding Company, being a major promoter, making all out efforts to support its operation subject to its own liquidity position being non affective. Such financial supportive decisions are being taken by proper discussion and approval of the Management.

### Consolidated Auditor's Report

The qualifications/observations in the consolidated Auditor's Report are similar as stated above as point no. (a) & (d) of the Standalone Auditor's Report. Hence, explanations/Comments of the same are provided above.

Other points of Auditors' Reports on the Accounts of the Company for the year under review are self-explanatory and require no comments.

### Secretarial Auditors' Report

The Secretarial Auditors' report does not contain any qualifications, reservations or adverse remarks. Report of the

secretarial auditors is annexed herewith as 'Annexure II', which forms part of this report.

### 22. Energy conservation, technology absorption and foreign exchange earnings and outgo

The information on conservation of energy, technology absorption and foreign exchange earnings and outgo stipulated under Section 134(3)(m) of the Companies Act, 2013 read with Rule 8 of the Companies (Accounts) Rules, 2014, is annexed herewith as 'Annexure III'.

### 23. Particulars of Employees

The information required under Section 197(12) of the Companies Act, 2013 read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, amended as on date, is annexed herewith as 'Annexure IV'.

### 24. Extract of Annual Return

The details forming part of the extract of the Annual Return in form MGT 9 is annexed herewith as 'Annexure V'.

### 25. Significant and material orders passed by the regulators or courts or tribunals

There are no significant and material orders passed by the Regulators or Courts or Tribunals which would impact the going concern status of the Company.

### 26. Significant changes occurred during the current year

The following significant changes have occurred between the end of the financial year 2015-16 and the date of this report:-

- Adopted new logo & domain alongwith rebranding of Products.
- Changed the name of Ludhiana unit from 'Vinayak Textiles Mills' to 'Vardhman Polytex Limited'.

### 27. Acknowledgements

Your directors are pleased to place on record their sincere gratitude to the Government, Financial Institutions, Bankers and Business Constituents for their continued and valuable co-operation and support to the Company. They also take this opportunity to record their appreciation of the valuable contribution made by the employees in the successful operations of the Company during the year.

### 28. Cautionary Statement

Certain statements made in the Management Discussion and Analysis Report relating to the Company's objectives, projections, outlook, expectations, estimates and others may constitute 'forward looking statements' within the meaning of applicable laws and regulations. Actual results may differ from such expectations whether expressed or implied. Several factors could make significant difference to the Company's operations. These include climatic and economic conditions affecting demand and supply, government regulations & taxation and natural calamities over which the Company does not have any direct control.

## CERTIFICATE OF COMPLIANCE FROM AUDITORS

To The Members,  
Vardhman Polytex Limited

We have examined the compliance of conditions of Corporate Governance by **Vardhman Polytex Limited ("the Company")** for the year ended March 31, 2016, as stipulated in Chapter IV of Securities and Exchange Board of India (Listing Obligations & Disclosure Requirements) Regulations, 2015 (erstwhile clause 49 of the Listing Agreement) with the documents and records maintained by the Company and the report on corporate governance as adopted by the Board of Directors.

The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us and the representations made by the Directors and the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Regulations.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

## INDEPENDENT AUDITORS' REPORT

**To The Members of  
Vardhman Polytex Limited**

### **Report on the Standalone Financial Statements**

We have audited the accompanying standalone financial statements of **Vardhman Polytex Limited** ("the Company"), which comprise the balance sheet as at March 31, 2016, the statement of profit and loss and cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

### **Management's Responsibility for the Standalone Financial Statements**

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

### **Auditor's Responsibility**

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's

judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### **Basis for Qualified Opinion**

1. *During the year ended March 31, 2015, the Company had transferred land used for real estate development from fixed assets into stock in trade as explained in note 37 of the financial statements. This is at variance with Accounting Standard AS-2 'Valuation of Inventories' and Accounting Standard AS-10 'Accounting for Fixed Assets', specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This has resulted in overstatement of cost of development by ₹2,958.51 lakh and overstating other income by an amount of ₹3,050.17 lakh during the year ended March 31, 2016.*
2. *No provision has been made on the investment and loans and advances made in one of the subsidiary company F.M. Hammerle Textiles Limited of ₹ 9,126.41 lakh and ₹ 2,662.93 lakh respectively whose net worth has been completely eroded and having a loss of ₹ 15,452.51 lakh against share capital of ₹ 12,386.75 lakh as on March 31, 2016. This is at variance with Accounting Standard AS-13 'Accounting for Investments' specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This has resulted in profit for the year ended March 31, 2016 being overstated and investments, loans and advances and reserves and surplus being overstated by the same amount at March 31, 2016.*

### **Qualified Opinion**

In our opinion and to the best of our information and according to the explanations given to us, *except for the matter described in the basis for Qualified Opinion paragraph above*, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2016, and its profit and its cash flows for the year ended on that date.

## Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of section 143(11) of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
  - a. We have sought and, except for the possible effect of the matters described in the Basis for Qualified Opinion paragraph above, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid standalone financial statements;
  - b. In our opinion, except for the effect of the matters described in the Basis for Qualified Opinion paragraph above, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
  - c. The balance sheet, the statement of profit and loss, and the cash flow statement dealt with by this Report are in agreement with the books of account;
  - d. In our opinion, except for the effect of the matters described in the Basis for Qualified Opinion paragraph above, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
  - e. On the basis of written representations received from the directors as on March 31, 2016 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016 from being appointed as a director in terms of Section 164 (2) of the Act;
  - f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B";
  - g. The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Qualified Opinion paragraph above;
  - h. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations as at March 31, 2016 on its financial position in its standalone financial statements – Refer Note 28 & 29 to the standalone financial statements;
- ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

## **Annexure A to the Independent Auditor's Report to the members of Vardhman Polytex Limited on its standalone financial statements dated May 30, 2016**

### **Report on the matters specified in paragraph 3 of the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Companies Act, 2013 ("the Act") as referred to in paragraph 1 of 'Report on Other Legal and Regulatory Requirements' section**

- i. (a) The Company has maintained proper records showing full particulars including quantitative details and situation of fixed assets.
- (b) All fixed assets have not been physically verified by the management during the year but there is a regular program of verification which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) According to the information and explanations given by the management, the title deeds of immovable properties included in property, plant and equipment/ fixed assets are held in the name of the company except for one case of immovable property of leasehold land costing ₹ 136.77 lakh out of ₹ 1,969.35 lakh (freehold/leasehold) as at March 31, 2016 for which during the year, Maharashtra Industrial Development Corporation has asked the Company to surrender and vacate the possession of this land, as the management has decided not to set up the factory on such land.

- ii. The inventory has been physically verified by the management during the year. In our opinion, the frequency of verification is reasonable. No material discrepancies were noticed on such physical verification. In respect of inventories lying with third parties we have relied on the confirmations given by such parties as at year end and no material discrepancies were noticed in respect of such confirmations.
- iii. (a) The Company has granted loan to one of its subsidiary company covered in the register maintained under section 189 of the Act. In our opinion and according to the information and explanations given to us, the terms and conditions of this loan is not prejudicial to the Company's interest.
- (b) The above loan is re-payable on demand as agreed. In respect of this loan, we are informed that the company has not demanded repayment of such loan, thus there is no default on repayment of such loan. In respect of interest on such loan, the company has charged interest for the period 1<sup>st</sup> April 2015 to 30<sup>th</sup> June 2016 and waived interest for the balance period up to 31<sup>st</sup> March 2016 as approved vide its Board Meeting dated May 30, 2016.
- (c) As the above loan is repayable on demand therefore this loan is not outstanding for more than ninety days.
- iv. As per the information and explanations given to us and on the basis of our examination of the records, the Company has complied with provision of section 185 and 186 of the Act, except for a loan given to its subsidiary covered under section 186 of the Act, where interest has been charged for part of the year from 1<sup>st</sup> April 2015 to 30<sup>th</sup> June 2015 and waived for the balance period up to 31<sup>st</sup> March, 2016 as approved vide its Board Meeting dated May 30, 2016.
- v. As the Company has not accepted deposits, the directives issued by the Reserve Bank of India and the provisions of section 73 to 76 or any other relevant provisions of the Act and the rules framed there under, are not applicable.
- vi. We have broadly reviewed the books of account maintained by the Company pursuant to the rules made by the Central Government for the maintenance of cost records under section 148(1) of the Act and are of the opinion that prima facie, the specified accounts and records have been made and maintained by the Company. However, we are not required to make a detailed examination of such accounts and records.
- vii. (a) According to the information and explanations given to us, undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, wealth-tax, service tax, customs duty, excise duty, value added tax, cess and other material statutory dues have generally been regularly deposited with the appropriate authorities.
- (b) According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, employees' state insurance, income-tax, wealth-tax, service tax, sales-tax, customs duty, excise duty, value added tax, cess and other material statutory dues were outstanding, at the year end, for a period of more than six months from the date they became payable.
- (c) According to the information and explanations given to us and the records of the company examined by us, there are no dues of duty of customs and value added tax which have not been deposited on account of any dispute except the following dues of income-tax, sales-tax, wealth-tax, service tax and excise duty along with the forum where the dispute is pending:

**Annexure B to the Independent Auditor's Report to the Members of Vardhman Polytex Limited ('the Company') on its standalone financial statements dated May 30, 2016**

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

We have audited the internal financial controls over financial reporting of **Vardhman Polytex Limited** ('the Company') as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

**Management's Responsibility for Internal Financial Controls**

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These

responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

**Auditor's Responsibility**

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

An audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the internal financial controls over financial reporting.

**Meaning of Internal Financial Controls over Financial Reporting**

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in

accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## **Inherent Limitations of Internal Financial Controls over Financial Reporting**

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## **Qualified Opinion**

*According to the information and explanations given to us and based on our audit, the following material weakness has been identified in the operating effectiveness of the Company's internal financial controls over financial reporting as at March 31, 2016.*

*The Company's internal financial controls over evaluation and assessment of recoverability including any provision to be made there against in respect of investments made in subsidiaries and loans/advances given to subsidiaries were*

*not operating effectively which could potentially result in the Company not recognizing sufficient provision there against.*

*A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company's annual or interim financial statements will not be prevented or detected on a timely basis.*

*In our opinion, the Company has, in all material respects, maintained adequate internal financial controls over financial reporting as of March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India, and except for the possible effects of the material weakness described above on the achievement of the objectives of the control criteria, the Company's internal financial controls over financial reporting were operating effectively as of March 31, 2016.*

- c) The Company developed residential and commercial colony/project named as 'Vardhman Park' situated at Chandigarh Road, Ludhiana -141123.
- d) These financial statements are presented in Indian Rupees (₹).

### 2 SIGNIFICANT ACCOUNTING POLICIES

#### a) BASIS OF PREPARATION

The financial statements of the Company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The Company has prepared these financial statements to comply in all material respects with the accounting standards notified under section 133 of the Companies Act, 2013, read together with Rule 7 of the Companies (Accounts) Rules, 2014. The financial statements have been prepared on an accrual basis and under the historical cost convention.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

#### b) USE OF ESTIMATES

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

#### c) REVENUE RECOGNITION

##### SALE OF GOODS

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

- i. Revenue is recognized in respect of export sales on the basis of bill of lading.
- ii. Inter unit sales comprising of sale of yarn from spinning unit to dyeing unit is reduced from gross turnover in deriving net turnover.
- iii. Income and export incentives / benefits are accounted for on accrual basis and as per principles given under AS-9 – Revenue recognition.

##### REVENUE FROM REAL ESTATE ACTIVITY

Revenue from real estate activity ("the project") is recognised on the transfer of all significant risks and rewards of ownership to the customers and it is not unreasonable to expect ultimate collection and no significant uncertainty exists regarding the amount of consideration.

The freehold land under real estate development planned for sale, is converted from fixed assets into stock-in-trade at the rate as assessed by the management of the Company. The difference between the rate as assessed and cost of that part of freehold land is credited to capital reserve and is released to the Statement of Profit and Loss in the proportion of revenue recognized under the percentage of completion method on entering into an agreement/ contract for sale.

Revenue from real estate development activity where the Company still has obligations to perform substantial acts even after the transfer of all significant risks and rewards, is recognised on the "Percentage of Completion Method". Revenue is recognised in relation to the sold areas, on the basis of percentage of actual cost incurred, including land, development and construction costs as against the total estimated cost of project. Revenue is recognised, if the cost incurred is in excess of 25% of the total estimated cost and the outcome of the project can be reliably ascertained. The company recognize revenue in accordance with the Revised Guidance Note issued by the Institute of Chartered Accountants of India on "Accounting for Real Estate transactions (Revised 2012)".

Cost of construction/development (including cost of land) incurred is charged to the statement of profit and loss proportionate to area sold and the balance cost is carried over under Inventory as part of development work-in- progress. Cost of construction/development includes all costs directly related to the Project and other expenditure as identified by the management which are reasonably allocable to the project.

Unbilled revenue, if any, disclosed under other non-current assets represents revenue recognized over and above amount due as per payment plans agreed with the customers. Progress billings which exceed the costs and recognized profits to date on projects under construction are disclosed as advance received from customers under other current liabilities. Any billed amount that has not been collected is disclosed under trade receivables.

The estimates of saleable area and cost of construction are revised periodically by the management. The effect of such changes to estimates is recognised in the period such changes are determined. The estimated cost of construction as determined is based on management's estimate of the cost expected to be incurred till the final completion and includes cost of materials, services and other related overheads. Unbilled costs are carried as real estate development work in progress.

Determination of revenues under the percentage of completion method necessarily involves making estimates by the Company, some of which are of a technical nature, concerning, where relevant, the percentages of completion, costs to completion, the expected revenues from the project/ activity and the foreseeable losses to completion.

## DIVIDENDS

Revenue in respect of dividends is recognized when the shareholders' right to receive payment is established by the balance sheet date.

## INTEREST

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate. Interest income is included under the head 'other income' in statement of profit and loss.

## INSURANCE CLAIM

Claims with insurance companies are accounted on accrual basis to the extent, these are measurable and ultimate collection is reasonably certain.

## d) INVENTORIES

- i. Finished goods and work in progress are valued at lower of historical cost or net realizable value. Cost of inventories comprises of cost of purchase, cost of conversion and other costs incurred in bringing them to their respective present location and condition. By products are valued at net realizable value.
- ii. Stores, spares and raw materials are valued at lower of historical cost or net realizable value. However materials & other items held for use in the production of inventories are not written below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.
- iii. Cost is determined on the basis of weighted average method.
- iv. Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

## e) INVESTMENTS

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value. Long-term investments are carried at cost individually. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments in case of long term investments.

## f) FIXED ASSETS

### Tangible assets

Fixed assets are stated at historical cost less accumulated depreciation and impairment loss if any. Historical cost comprises the purchase price (net of centvat / duty credits wherever applicable) and all direct costs attributable to bringing the asset to its working condition for intended use.

### Intangible assets

Capital expenditure on purchase and development of identifiable non-monetary assets without physical substance is recognized as intangible assets in accordance with principles given under AS-26 – Intangible assets. These are grouped and separately shown under the schedule of fixed assets. These are amortized over their respective expected useful lives.

## g) DEPRECIATION & AMORTIZATION

Depreciation on fixed assets is provided on the basis of useful life of assets prescribed in Schedule II to the Companies Act, 2013. All assets costing ₹ 5,000 or below are fully depreciated in the year of addition.

Asset description	Useful Life (Years)
Plant & machinery	
- continuous process	25
- others	7.50 -15
Other equipment	5 - 10
Computers and equipments	3 - 6
Vehicle	8
Factory building	3 - 30
Other than factory building	60
Furniture & fixtures	10

However in some of the assets the company has reassessed the estimated useful life of its fixed assets through an independent Chartered Engineers. In such cases the company has not opted for the rates as given by the schedule II of the Companies Act, 2013. Intangible assets are amortized over a period not exceeding ten years on a straight-line basis.

Land on lease is amortized over the period of the lease.

#### h) **IMPAIRMENT OF ASSETS**

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/ external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

Previously recognised impairment losses are reversed to the extent the recoverable amount exceeds the carrying amount.

#### i) **FOREIGN EXCHANGE TRANSACTIONS/TRANSLATION**

##### i. **Initial recognition**

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

##### ii. **Conversion**

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

##### iii. **Exchange Differences**

Exchange differences arising on a monetary item that, in substance, form part of the company's net investment in a non-integral foreign operation is accumulated in a foreign currency translation reserve in the financial statements until the disposal of the net investment, at which time they are recognized as income or as an expense.

Exchange differences arising on the settlement of monetary items not covered above, or on reporting such monetary items of company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

##### iv. **Forward exchange contracts not intended for trading or speculation purposes**

The premium or discount arising at the inception of forward exchange contracts is amortized as expense or income over the life of the contract. Exchange differences on such contracts are recognized in the statement of profit and loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognized as income or as expense for the year.

#### j) **RESEARCH AND DEVELOPMENT**

Revenue expenditure on research and development including salaries, consumables and power & fuel is charged to statement of profit and loss under respective heads of expenditure. Capital expenditure is shown as addition to fixed assets.

#### k) **EMPLOYEE BENEFITS**

Expenses and liabilities in respect of employee benefits are recorded in accordance with Accounting Standard 15 – Employee benefits.

##### i. **Provident Fund & ESI**

The company makes contribution to Statutory Provident Fund and Employee State Insurance in accordance with Employees Provident Fund and Miscellaneous Provisions Act, 1952 and Employee State Insurance Act, 1948 which is a defined contribution plan and contribution paid or payable is recognized as an expense in the period in which services are rendered by the employee.

##### ii. **Gratuity**

Gratuity is a post employment benefit and is in the nature of a defined benefit plan. The liability recognised in the balance sheet in respect of gratuity is the present value of the defined benefit/obligation at the balance sheet date less the fair value of plan assets, together with adjustment for unrecognized actuarial gains or losses and past service costs. The defined benefit/ obligation is calculated at or near the balance sheet date by an independent actuary using the projected unit credit method. Actuarial gains and losses arising from past experience and changes in actuarial assumptions are charged or credited to the statement of profit and loss in the year to which such gains or losses relate.

##### iii. **Leave encashment**

Liability in respect of leave encashment becoming due or expected after the balance sheet date is estimated on the basis of an actuarial valuation performed by an independent actuary using the projected unit credit method.

##### iv. **Superannuation benefit**

The Company makes contribution to superannuation fund which is a post employment benefit in the nature of a defined contribution plan & contribution paid or payable is recognized as an expense in the period in which services are rendered by the employee.

**v. Other short term benefits**

Expense in respect of other short term benefits is recognized on the basis of the amount paid or payable for the period during which services are rendered by the employee.

**l) LEASES**

Finance leases, which transfer to the Company substantially all the risks and benefits incidental to ownership of the leased item, are capitalised at the inception of the lease at the fair value of the leased asset or, if lower, at the present value of the minimum lease payments. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly against income.

Leases where the lessor retains substantially all the risks and benefits of ownership of the asset are classified as operating leases. Operating lease payments are recognised as an expense in the income statement on a straight-line basis over the lease term.

**m) TAXES ON INCOME**

Tax expense comprises of current and deferred. Tax provision for current tax is made in accordance with the provisions of Income Tax Act, 1961.

In accordance with Accounting Standard (AS-22) 'Accounting for Taxes on Income' as notified by Companies (Accounting Standards) Rules, 2006 deferred tax liability/ asset arising from timing differences between book and income tax profits is accounted for at the current rate of tax to the extent these differences are expected to crystallize in later years. However, deferred tax assets are recognized only if there is a reasonable/ virtual certainty of realization thereof. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date.

**n) GOVERNMENT GRANTS AND SUBSIDIES**

Grants and subsidies from the Government are recognized when there is reasonable assurance that the grant/subsidy will be received and all attaching conditions will be complied with.

When the grant or subsidy relates to an expense item, it is recognized as income over the periods necessary to match them on a systematic basis to the costs, which it is intended to compensate.

Where the grant or subsidy relates to an asset, its value is deducted from the gross value of the asset concerned in arriving at the carrying amount of the related asset.

**o) BORROWING COST**

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

**p) PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS**

A provision is recognized when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation. A contingent liability is recognized for:

- i. a present obligation that arises from past events but is not recognized as a provision because either the possibility that an outflow of resources embodying economic benefits will be required to settle the obligation is remote or a reliable estimate of the amount of the obligation cannot be made; and
- ii. a possible obligation that arises from past events and the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company. Contingent assets are neither accounted for nor disclosed in the financial statements.

**q) EARNING PER SHARE**

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders (after deducting preference dividends and attributable taxes) by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they were entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for events of bonus issue, bonus element in a rights issue to existing shareholders, share split, and reverse share split (consolidation of shares).

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

**r) CASH AND CASH EQUIVALENTS**

Cash and cash equivalents include cash in hand, demand deposits with banks, other short-term highly liquid investments with original maturities of three months or less.

a) The Company's right on leasehold land has been forfeited by Maharashtra Industrial Development Corporation (MIDC), due to non compliance of the terms of allotment. The land was allotted for a period of 95 years. Management of the Company feels that the amount of ₹ 136.77 lakh (Previous year ₹ 136.77 lakh) is fully recoverable as at balance sheet date and accordingly no provision for impairment has been provided in the books of accounts.

b) During previous year, pursuant to provisions prescribed in Schedule II to the Companies Act, 2013, where the remaining useful life of the asset was determined to be nil as on April 1, 2014, the Company has fully depreciated net carrying value as on April 1, 2014 net of residual value and has adjusted an amount of ₹ 500.52 lakh (net of deferred tax) against the opening retained earnings under the head 'Reserves and surplus'. However in some of the assets the company has reassessed the estimated useful life of its fixed assets through an independent Chartered Engineers. In such cases the company has not opted for the rates as given by the schedule II of the Companies Act, 2013.

## INDEPENDENT AUDITORS' REPORT

### To The Members of Vardhman Polytex Limited

#### Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Vardhman Polytex Limited (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") comprising of the consolidated balance sheet as at 31<sup>st</sup> March, 2016, the consolidated statement of profit and loss and the consolidated cash flow statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

#### Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

#### Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing issued by Institute of Chartered Accountants of India, as specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit

evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

#### Basis for Qualified Opinion

*During the year ended March 31, 2015, the Holding Company had transferred land used for real estate development from fixed assets into stock in trade as explained in note 41 of the consolidated financial statements. This is at variance with Accounting Standard AS-2 'Valuation of Inventories' and Accounting Standard AS-10 'Accounting for Fixed Assets', specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014. This has resulted in overstatement of cost of development by ₹ 2,958.51 lakh and overstating other income by an amount of ₹ 3,050.16 lakh during the year ended March 31, 2016.*

#### Opinion

In our opinion and to the best of our information and according to the explanations given to us, *except for the effects of the matter described in the Basis for Qualified Opinion paragraph above*, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2016, and their consolidated loss and their consolidated cash flows for the year ended on that date.

#### Emphasis of matter

We draw attention to Note 2(v) to the consolidated financial statements relating to 'Going Concern' of one of its subsidiary company, F.M. Hammerle Textiles Ltd. (Formerly known as Oswal F.M. Hammerle Textiles Limited). The subsidiary company as on the date of the balance sheet has accumulated losses of ₹ 15,452.51 lakh which has eroded 100% of the share capital of the subsidiary. These conditions raise doubt about the subsidiary company's ability to continue as a going concern. Management's plans and views in regard to this are also described in Note 2(v). In view of this, the accompanying consolidated financial statements do not include any adjustments that might result from the outcome of these uncertainties, to the recoverability and classification of assets carrying amounts or the amount and classification

of liabilities that might be necessary should the subsidiary be unable to continue as a going concern.

Our opinion is not qualified in respect of this matter.

## Other Matters

## Annexure A to the Independent Auditor's Report to the Members of Vardhman Polytex Limited dated May 30, 2016 on its consolidated financial statements

**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act") as referred to in paragraph 2(f) of 'Report on Other Legal and Regulatory Requirements' section**

**Our reporting on the internal financial controls over financial reporting is not applicable in respect of one subsidiary incorporated outside India**

In conjunction with our audit of the consolidated financial statements of **Vardhman Polytex Limited** as of and for the year ended March 31, 2016, we have audited the Internal Financial Controls Over Financial Reporting of Vardhman Polytex Limited (hereinafter referred to as "the Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group"), all incorporated in India, as of that date.

## Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary company which is company incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (the Act).

## Auditors' Responsibility

Our responsibility is to express an opinion on the Group internal financial controls over financial reporting based on our audit.

We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

## Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- a) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

- b) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and
- c) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

## Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

## Qualified Opinion

*According to the information and explanations given to us and based on our audit, the following material weakness has been identified in the operating effectiveness of the Holding Company's internal financial controls over financial reporting as at March 31, 2016.*

*The Holding Company's internal financial controls over evaluation and assessment of recoverability including any provision to be made there against in respect of investments made in subsidiaries and loans/advances given to subsidiaries were not operating effectively which could potentially result in the Company not recognising sufficient provision there against.*

*A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the Company's annual or interim financial statements will not be prevented or detected on a timely basis.*

*In our opinion, the Holding Company and its subsidiary company, which are companies incorporated in India, have, in all material respects, maintained adequate internal financial controls over financial reporting as of March 31, 2016, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India, and except for the possible effects of the material weakness described above on the achievement of the objectives of the control criteria, the Company's internal financial controls over financial reporting were operating effectively in the Holding Company and its subsidiary company, which is company incorporated in India as of March 31, 2016.*

### In case of Holding Company:-

- The Company's right on leasehold land has been forfeited by Maharashtra Industrial Development Corporation (MIDC), due to non compliance of the terms of allotment. The land was allotted for a period of 95 years. Management of the Company feels that the amount of ₹ 136.77 lakh (P.Y. ₹ 136.77 lakh) is fully recoverable as at balance sheet date and accordingly no provision for impairment has been provided in the books of accounts.
- During previous year, pursuant to provisions prescribed in Schedule II to the Companies Act, 2013, where the remaining useful life of the asset was determined to be nil as on April 1, 2014, the Company has fully depreciated net carrying value as on April 1, 2014 net of residual value and has adjusted an amount of ₹ 500.52 lakh (net of deferred tax) against the opening retained earnings under the head 'Reserves and surplus'. However in some of the assets the company has reassessed the estimated useful life of its fixed assets through an independent Chartered Engineers. In such cases the company has not opted for the rates as given by the schedule II of the Companies Act, 2013.

### In case of Subsidiary Company i.e. F.M. Hammerle Textiles Limited (Formerly Known as Oswal F.M. Hammerle Textiles Ltd.):

- \*Land is leased for a period of 95 years from MIDC, Kolhapur (Maharashtra).

## REQUEST FOR DEMATERIALIZATION (DEMAT) OF SHARES

Dear Shareholder,

As you may be aware that the shares of Vardhman Polytex Limited can be held in Electronic mode by getting them dematerialized through any of the Depository Participant (DP) registered with Securities and Exchange Board of India (SEBI). Dematerialization is a process by which shares held in physical form (Share Certificates) are converted to an equivalent number of securities/shares in electronic form. Some of the advantages of holding shares in dematerialized (Demat) mode are as under:-

1. A safe and convenient way of holding securities.
2. Immediate transfer of securities.
3. No stamp duty on transfer of securities.
4. No chances of counterfeit certificates, forgery and signature mismatch etc.
5. No risk of loss, mutilation or theft of certificates.
6. Online trading facility.
7. Faster settlement cycle.
8. No odd lot problem, even one security/ share can be traded.
9. Change in address recorded with DP gets electronically registered with all the Companies in which investor holds securities. Thereby, eliminating the need to correspond with each of them separately.
10. Regular accounts status updates available from the DP at any point of time.
11. Faster disbursement of cash and non cash benefits like dividend, bonus securities etc.

The shares of our Company are compulsorily traded in Demat mode and more than 90% of our equity shares have already been dematerialized by the shareholders.

In view of the above mentioned advantages, you may like to get your shareholding in Vardhman Polytex Limited's shares dematerialized through any of the DPs located in your area.

As a special offer, Geojit BNP Paribas Financial Services Limited (GBNPP) has offered to render services towards opening of regular Demat and trading account to our shareholders. You can open a demat account with them and for this purpose, Account opening charges will not be levied. Also, Annual Maintenance charges (AMC) on such DP account would be waived off till 31<sup>st</sup> March, 2017 and conversion of the shares from physical to electronic form will be performed without any charges.

For any assistance with respect to the opening of Demat account, please feel free to contact Geojit BNP Paribas Financial Services Limited (GBNPP), at their toll free numbers 1800 425 5501/1800 103 5501 or any of the GBNPP branches. Alternatively, you can also mail us at [secretarial@vpl.in](mailto:secretarial@vpl.in)

We would like to mention here that any action on your part pursuant to this letter is completely voluntary. The Company has no business association with Geojit BNP Paribas Financial Services Ltd. in any manner whatsoever. The Company shall not be in any way responsible for your dealings with Geojit BNP Paribas Financial Services Ltd. You are free to open Demat account with any other Depository Participant of your own choice.

With regards
