Towards building a nation of **homeowners**

Home. A word that lights up a million emotions in our heart. A basic necessity of life, which many in India are deprived of. A paradigm for social and economic development.

For over three decades, DHFL has been fulfilling the dreams of millions of Indians for home ownership. Our focus on providing easy accessible housing finance to the lower and middle income (LMI) groups in semi-urban and rural India, has turned their aspirations into reality.

In this journey, we have gained immense knowledge and consumer insights, that help us design and offer innovative products and services, to meet the emerging financial needs of our customers. As we further our Founding Vision of 'enabling access to home ownership', we envisage playing a significant role towards building a nation of home owners.

OUR VISION

To transform the lives of Indian households by enabling access to home ownership.

The portrait of DHFL's Founder Chairman has been created using signatures of hundreds of customers.

Late Shri Rajesh Kumar Wadhawan

Introducing DHFL

Our Founder, Late Shri Rajesh Kumar Wadhawan believed that every Indian aspires to own a home. And it is the right housing finance that converts the dream of home ownership into a reality, especially for the lower and middle income (LMI) segment. His belief translated into DHFL - an organisation that encouraged home ownership through home loan solutions for every customers.

For more than three decades, we have been serving the home finance segment of India. In the process, we have helped millions in the LMI segment transform their dreams to reality, especially in semi-urban and rural India.

We offer housing loan solutions, insurance services and fixed deposit schemes. With our deep market insights and core competencies, we have grown to become one of the leading housing finance company in India.

We encourage home ownership through 348 locations which includes 181 branches, 146 service centers, 18 circle/cluster offices, 2 disbursement hubs and 1 collection center. We also have overseas representative offices in Dubai and London. At DHFL, all our efforts are concentrated towards building a nation of home owners.

Future Ready. Future Bright

I am proud to say that the vision our Founder Chairman Late Shri Rajesh Kumar Wadhawan laid out three decades ago and DHFL's current business direction are in sync with the Government's larger goal of financial inclusion for the weaker sections of society and dwelling ownership for every Indian. At the centre of our Honourable PM Shri Narendra Modi's clarion call for Sabka Saath Sabka Vikas, is our valued Lower and Middle Income (LMI) customers.

DEAR MEMBERS,

Last year witnessed interesting developments across the global economy. After a long spell of stagnation and de-growth, green shoots of economic upswing are appearing for the world economy. According to the International Monetary Fund, global economic activity led by emerging markets and developing economies should pick up pace in FY 2017 and FY 2018. Asian economies led by India are picking up speed as policy and consumption-led tailwinds have given businesses a positive fillip. Indeed, India with a 7.1% growth rate in FY 2016-17 along with China's growth rate of 6.7% for 2016 and promising to continue the trend into FY 2017-18 will remain the epicentre of action. In India, a fundamental premise of optimism stemmed from its strong socio-economic reforms that were peppered with events that will reset our country's economic direction in a transformational manner. This milieu enabled us to deliver yet another year of sustainable yet profitable growth.

In the face of challenges to domestic growth across countries, doubts on the very concept of globalization have surfaced. This has led to demand for reversing progress towards a barrier free world trade. The new world, however, has come a long way under globalisation and collaboration and have redefined the modern economy. Technology has dropped the barriers irreversibly and disruption through innovation is the norm which is rewriting the very rules of conducting business. Businesses which leverage innovation to deliver the best solution in the ever-changing global arena will triumph.

In this backdrop, relentless pursuit of sustainable and inclusive growth and redistribution of wealth are of critical importance if the destination of a global village that the world embarked under globalisation is to be met. We at DHFL, will remain committed to promoting inclusiveness and sustainability in our business and play a positive role as a corporate citizen.

I am proud to say that the vision our Founder Chairman Late Shri Rajesh Kumar Wadhawan laid out three decades ago and DHFL's current business direction are in sync with the Government's larger goal of financial inclusion for the weaker sections of society and dwelling ownership for every Indian. At the centre of our Honourable PM Shri Narendra Modi's clarion call for Sabka Saath Sabka Vikas, is our valued Lower and Middle Income (LMI) customers. GST, too, will usher in federated revenue collection uniformity and drive India towards a single, formal economy.

DEMONETISATION TO DIGITISATION

Demonetisation has been one of the boldest moves taken by the Government in recent times. I believe it will prove to be a positive development bringing a greater share of financial transactions to the formal system, strengthening credit growth and enabling wider financial inclusion. The financial services sector has a tremendous upside to capture from the move, especially for businesses like DHFL that focuses on providing financial credit to the unbanked. Given DHFL's robust presence in Tier II & Tier III cities and towns and deep network in rural India, we are best suited to service the additional demand from borrowers entering the formal financial system for the first time.

Digitisation initiatives introduced after Demonetisation has had significant benefits; having built a robust proprietary understanding of fiscal creditworthiness of the large underserved segments. Digitisation will ensure that a vast population will step into the official banking circuit. This has opened additional opportunities for DHFL to attract new customers having already established last-mile

The affordable housing finance sector has gained central focus owing to the Government's vision of housing for all by 2022. With the Government granting infrastructure status to companies providing affordable housing, this sector has become an attractive investment opportunity.

connectivity to reach underserved and unbanked Indians both physically and digitally.

A HOME TO OWN FOR EVERY INDIAN- ENABLING LANDSCAPE

The affordable housing finance sector has gained central focus owing to the Government's vision of housing for all by 2022. With the Government granting infrastructure status to companies providing affordable housing, this sector has become an attractive investment opportunity. According to a report, since the Pradhan Mantri Awas Yojana (PMAY) aims to provide 20 million houses in three phases over FY 16-22, this will directly benefit the economy by around INR 15 trillion over a 7-year timeframe; 95% of the total demand deficit is coming from Economically Weaker Sections [EWS] and LIG (Lower Income Group) & MIG segments. Your Company stands to benefit from the Government's Smart City mission that will create additional demand for urban affordable housing loans.

The policy prescriptions of the Government validate our belief and

Founder's vision of building a business on the foundation of social empowerment. According to Government data, PMAY has so far received over 9 lakh applications and I am happy to share with you the fact that a majority of the customers we source will qualify for the government's interest subsidy for affordable home loans. Indeed, DHFL is proud to contribute to nation building in a purposeful yet profitable way.

Besides addressing demand, recent policy decisions strategically reinforce supply side as well. With foreign participation (FDI) made easier in affordable housing, reputed global investors have joined domestic players in evincing interest in this sector. Our investors are now able to participate in India's LMI housing growth story in a meaningful yet sure manner.

Another step of significance in building consumer confidence is the implementation of the Real Estate (Regulation and Development) Act, 2016 (RERA). This has led to a more customer-focused approach and time bound delivery in the housing sector. This will lead to professionalization of the affordable housing sector.

BUILDING A CUSTOMER-CENTRIC, PHYGITAL ORGANISATION

We believe digital disruption in the fintech space is a great opportunity for us. Like a whole generation of Indians who bypassed the land phone and the PC era to leapfrog to mobile Internet, technology-led innovations help us bypass physical infrastructure-led traditional growth models to reach customers. Smart technology will complement our intuitive and inventive organisation culture that drives us to do things differently. At DHFL, we are moving towards becoming a 'Phygital' customer-centric organisation. We are

creating a unique integrated ecosystem of digital and physical consumer touch points for our customers to seamlessly interact with us in their preferred environment.

Our people form the backbone of our business. Today, the DHFL franchise is serving as a common platform for our integrated financial offerings to different segments of our society. In such a scenario, professional talent is crucial to sustain our momentum. During the year, we continued to reinforce and build a healthy leadership pipeline across junior, middle and senior level employees. My belief that an organization is as good as its people will hold good for ever in any fast-changing environment. As we grow – in size, business lines and across geographies – we want to build a unified culture that is customer-centric and conducts itself with simplicity, entrepreneurial zeal and serves the larger cause of the Nation.

For the BFSI sector, fintech driven innovations are a key learning experience. Futuristic technologies like Artificial Intelligence (AI), predictive analytics, bot-based customer services and mobile apps are set to transform traditional business models and customer touch points. Across our various businesses of lending, investments, protection and new business areas a single-customer dataset can help us mine data and reach out to garner a larger share of the customer wallet in a cost-effective yet speedier way.

THE NEXT STEP

We are today not only a leading player among HFCs but also one of the largest in securitisation of home loan portfolios to banks and other financial institutions. We would like to build on the strength of our people, process and technology in the home loan origination and emerge as the largest home loan Originator. We will harness the growing potentials

Today, the DHFL franchise is serving as a common platform for our integrated financial offerings to different segments of our society.

of the affordable home loan segment in this strategy, which is our forte.

PREDICTABLE PERFORMANCE, PURPOSEFUL PROFITS

During the year, DHFL retained CARE's highest AAA (Triple A) credit rating and our asset base is fast growing towards Rs 1 lac crore. Despite various macro-economic challenges, your Company delivered a robust performance with a 21.33% revenue growth of ₹ 1,557.24 crore for the year ending March 31, 2017. Profit before tax and exceptional item stood at ₹ 1,402.39 crore, an increase of 27.24% on a YoY basis. More importantly, our loan portfolio grew at a healthy 20% to ₹ 83,559.92 crore as on March 31, 2017.

UNLOCKING VALUE TO STAKE HOLDERS

Our decision to sell the entire equity stake in the Joint Venture entity DHFL Pramerica Life Insurance Co. Limited to our wholly owned subsidiary was aimed at value creation for all stake holders. It added to DHFL's net worth and book value; and will ensure all our expansion plans are capitalized fairly. The enthusiastic response to the two public issues of Non-Convertible Debenture (NCDs) of ₹ 14,000 crore – oversubscribed on the very first day

across all three segments of Retail, High Networth Individuals (HNI) and Qualified Institutional Buyers (QIB) – is testimony to the trust we enjoy among our stakeholders.

Our strategy has always been to invest in ventures that bear fruit in the long run. DHFL has been consistently investing in avenues which have similar potential to create value. With access to more efficient source of funds, invaluable customer trust, better financial performance and best-in-class management standards, we are building DHFL into a preferred financial services brand. We continue to look for synergies with complementary businesses like micro-finance, asset reconstruction, fintech platforms and similar enablers that will help us expand our retail reach and provide integrated financial solutions to customer segments for a variety of needs under one roof.

Today, we encompass the entire financial life cycle of the consumer and not just part of his personal borrowing journey (lending) for affordable housing. Thus, financial services for protection (insurance), higher studies (education loans), wealth creation (asset management) and entrepreneurship (SME loans) are part of our bouquet

With access to more efficient source of funds, invaluable customer trust, better financial performance and best-in-class management standards, we are building DHFL into a preferred financial services brand.

Our focus is equally on Corporate Social Responsibility (CSR) programmes with clear objectives that deliver sustainable outcomes.

of offerings, this in turn will create significant value for the company.

COLLECTIVE LEADERSHIP THROUGH WGC

DHFL is the flagship Company of the Group with growing ambition in financial services sector domestically and in the global arena. Wadhawan Global Capital Pvt Ltd., our Promoter Group entity is set up to harness our collective business strength and leadership. At a group level we manage around \$18.6 Billion of Assets (AUM) through our lending, Asset Management and Insurance businesses. We have also partnered with leading financial institutions such as International Finance Corporation, Washington and Prudential Financial Inc., United States, in transforming the lives of millions of customers across the world.

INVESTING IN IMPACT-LED CHANGE- THE CSR WAY

With its 'Changing Rules, Changing Lives' motto, DHFL has picked up the gauntlet to impact the lives of the less fortunate. Our focus is equally on Corporate Social Responsibility (CSR) programmes with clear objectives that deliver sustainable social outcomes. Our CSR work in early childhood care, skill development, drought mitigation and

financial literacy is delivering impactful results at the ground level. We are partnering to upgrade the infrastructure at Anganwadis that provide quality pre primary education coupled with nutrition, safe drinking water and sanitation facilities to over 30,000 mothers and children across 1000 units. Our skill development programme is aligned to the Government's Skill India Mission to impart hands-on training in industrial skills to young people. We have enabled gainful access to employment to nearly 1000 youth in BSFI and Construction industries in just one year. We are also involved in drought mitigation efforts to solve the water scarcity problem in rural India. Our CSR efforts remain an integral part of our ethos, fulfilling critical societal needs with measurable outcomes.

TOWARDS FINANCIAL EMPOWERMENT

I would like to thank each one of you for contributing to our Founder's vision and building DHFL into a successful and meaningful entity. With the Government making financial inclusion and housing a priority, your Company will continue to deliver profitable growth and contribute to nation building by aligning to the larger cause of the country. With smart technology, professional business conduct, world class partners and the

resolve to enable financial access to the most vulnerable sections of society, your Company is well poised for future growth.

I firmly believe that the developments of the past year 'will change the way Indians spend and live in the future.' This will lead to an accelerated evolution and a transformational business landscape wherein DHFL will continue its contribution in the country's march towards shared prosperity.

Jai Hind!

CEO's Message

We have performed well during FY 2016-17, and have leveraged market opportunities and insights in our core segment to deliver a robust growth trajectory, with an unwavering goal of providing affordable easy home loans to the lower and middle income (LMI) segment in semi-urban and rural regions.

DEAR MEMBERS,

In what is perhaps India's most seminal year of economic reforms, I present to you good tidings about our Company. I am most delighted to inform you that our brand value has manifested in India's financial market through over-subscription of our maiden public issue of non-convertible debentures (NCD).

We have performed well during FY 2016-17, and have leveraged market opportunities and insights in our core segment to deliver a robust growth trajectory. With an unwavering goal of providing easy home loans to the lower and middle income (LMI) segment in semi-urban and rural regions; we have delivered 26.56% rise in our EBIDTA (and exceptional item) performance vis-à-vis the previous year.

Net Profit for the year increased from ₹ 729.20 crores to ₹ 927.02 crores (excluding exceptional items) showing a healthy growth of 27.13 % as compared to the previous financial year.

While our disbursement grew 18% to ₹ 28,582 crores as on March 31st, 2017, our non-performing assets (NPA) was at 0.94% on the same date.

GOVERNMENT REFORMS INFLUENCING THE HOUSING SECTOR

FY 2016-17 witnessed several key economic reforms, especially directed towards the housing sector. While the Government had already launched the 'Housing for All' scheme; the impact of holistic policy reforms, structural shifts and an increased impetus to the affordable housing segment through various schemes was put forth this year. For housing finance companies (HFCs) this will lead to multi-dimensional prospects.

On the one hand, the Union Budget bestowed affordable housing with the infrastructure status; and on the other hand, the Finance Ministry increased allocation for the Pradhan Mantri Awas Yojana (PMAY) approximately by 53%. This will increase the ambit of affordable housing properties, thereby widening our markets. Other policy and structural reforms, such as Real Estate Regulatory Act (RERA) are also slated to positively influence the housing finance segment. Moreover, the Government is moving India's economy towards greater transparency and digitisation. This is helping create a better credit ecosystem for customers with attractive interest policies.

These changes are set to make major contribution to the lives of our core customer segment – the lower and middle income (LMI) groups.

Besides, the Government impetus has led to the development of a multitude of services through various payment apps and Aadhar Enabled Payment System (AEPS). These will enable faster disbursement of services; and reduce dependence on brick-and-mortar investments.

TOWARDS BUILDING A NATION OF HOME OWNERS

We believe India's development and progress will translate into our aspiration of building a nation of

Our ability to uphold high asset quality and lower-than-benchmark NPAs are due to our credit assessment tools and procedures.

home owners. Towards this, our experience and understanding of the LMI segment customers and their aspirations are shaping our emergence as a comprehensive finance provider. At present, we offer a bouquet of products that fulfils the needs of our core customer segment. Our Company provides mortgage loans, SME loans and project loans, indicating its relationship with clients go beyond merely housing finance.

As a deposit-taking-HFC, we provide good returns to depositors. Our ability to uphold high asset quality and lower-than-benchmark NPAs are due to our sophisticated credit assessment tools and procedures. Besides, our capacity to estimate income and repayment competences, extensive relationship building approach, and deep network within India's interiors help us in creating value for us and all our stakeholders.

In addition, we have developed a well-balanced operational infrastructure leveraging technology. It assists in our decision-making processes, propelling efficient operations for us.

GOING FORWARD

We believe we are moving towards an era of better performance with more speed, efficiency and superior analytical insights. And these will enable better

underwriting of loans and ensure shorter turn-around times (TAT), along with enhanced customer satisfaction and more profitability. Besides, we are well-poised to expand our customer appeal with improved product and service offerings, that meet the needs of various customer segments.

Additionally, we are aware of our social responsibility towards enhancing the quality of life. Thus, we undertake comprehensive interventions through various initiatives in the realm of education, skill development and rural development and contribute to India's development process.

We believe we can make the most of current opportunities in India's financial sector, with our enhanced processes and focus on productivity. Our positive approach and a dynamic business model will help us in creating value for our stakeholders.

DHFL

NURTURING DREAMS OF HOME OWNERSHIP

At DHFL, we understand the significance of home; and have been nurturing dreams of home ownership for over three decades. We believe that a home provides security and safety to individuals and families.

STRONG FOCUS ON HOME LOAN PRODUCTS

For the last three decades, we have been in the business of providing loans to the lower and middle income (LMI) groups in semi-urban and rural India. We prioritise our customers' convenience. Through our strong network of branches and micro-branches, we have been touching customers across interiors of India. Our numerous customer touch-points allow us to cater to the LMI segment in several ways. We disseminate information about financial products and guide in their purchase decision and management.

Our transparent practices have led to a bond of trust between our customers and the Company, which allows us to have deep insights into

our core segment and its market requirements. Empathising with customer aspirations, we design solutions according to their needs, delivering best-in-class customer service, expert credit assessment, financial protection advice and savings options.

Over the years, we have encouraged millions of Indians to own homes by simplifying their access to home loan products, with specialised schemes to suit their needs.

PAVING THE WAY FOR INCLUSIVE GROWTH

Pioneering India's 'affordable housing' movement years ago, it is heartening to see that financial inclusion through home ownership has come to the centre stage. The Government's push is reinforced through various schemes and reforms, making it exciting for the deserving home buyer.

348 CUSTOMER TOUCH POINTS MAINLY IN SMALL TOWNS

India's affordable housing sector is evolving rapidly. The 'Housing for All' scheme will continue to bolster our core market of housing loans to LMI communities in rural and semi-urban rural India. Further, the increased allocations in the Pradhan Mantri Awas Yojana (PMAY), changes in definition of affordable housing projects and other government reforms are set to reinforce our objectives.

These reforms will bring greater number of projects under the ambit of the affordable housing scheme; and for us it will mean fulfilling more dreams of home ownership.

Our understanding of the market segment we have served for over three decades has helped us to position ourselves well in proactively meeting the PMAY target group and enabling them home ownership, through the subsidy benefits of the home ownership scheme. We are committed to championing the cause of this mission and pave the way for inclusive growth.

RAISING THE BAR

DHFL has served to create long-term bonds with all stakeholders. We emphasise on creating shared value and sustainable profitable growth.

COMMITTED TO CUSTOMER CENTRIC PRODUCTS AND PROCESSES

DHFL continues to be an industry leader in the housing finance space because of its ability to read the market well and keep a customer focused product and service bouquet at the best pricing. Transparency in our dealings, proactive communication with existing and new customers, best-in-class technology and processes for enhanced efficiency have all bundled to offer a robust customer centric delivery mechanism. Our powerful communication to engage with potential customers and the community at large has proved effective in seeding the thought of home ownership.

We value our people, who have played a meaningful role as partners in our customers' home ownership journey. Our people understand the aspirations and gaps of our customers and are recognised for their customer friendly approach.

We have raised the bar in the Indian capital markets, with an overwhelming

subscription to the first maiden issue of retail Non-Convertible Debentures (NCDs) and significant oversubscription for a similar corresponding second issue of NCDs.

We, thus, comprehensively strive for excellence in meeting the requirement of our stakeholders, which in turn helps us to raise the bar of our performance and stay ahead in the industry's leadership position.

Giving back to the society

DHFL has been building a strong foundation for a better tomorrow through its Corporate Social Responsibility (CSR) programmes.

As a responsible corporate citizen, we focus on giving back to the society and believe need-based interventions can transform communities and lives around us. We engage in value creation for the society through effective corporate philanthropy guided by the following principles.

We implement programmes with community at the forefront and align with government programmes for impactful outcomes. These programmes are broadly covered in the following four focus areas of initiatives.

- Early Childhood Care and Education (ECCE)
- Skill Development
- Rural Development with focus on Drought Mitigation
- Economic Empowerment through Financial Literacy

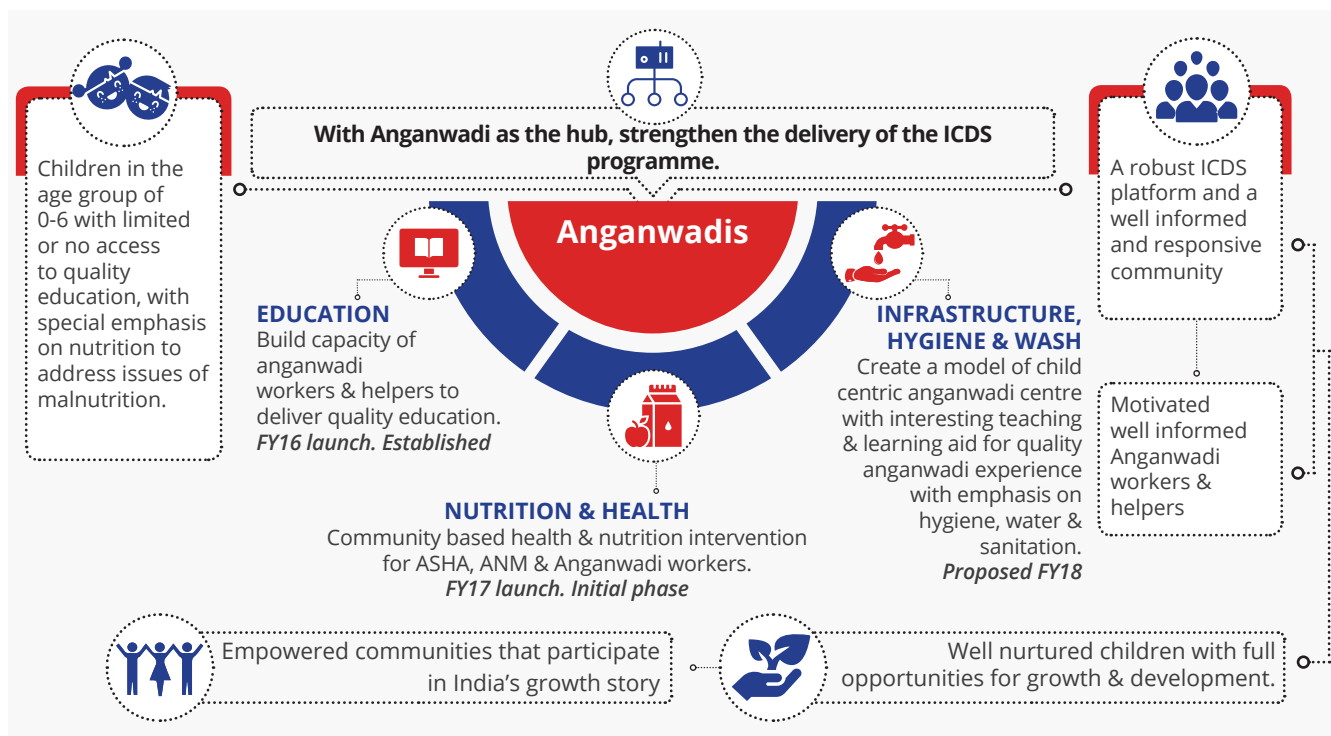

In financial year 2016-17, we deployed ₹ 8.83 crore towards our Corporate Social Responsibility (CSR) programmes including the aforementioned flagship programmes.

EARLY CHILDHOOD CARE AND EDUCATION (ECCE)

With Anganwadi or courtyard centres as the hub, this is a transformation initiative covering education, nutrition, health, and infrastructure, among others. Additionally, the programme seeks to empower stakeholders through backward and forward linkages, while creating a safety net for the Anganwadi workers.

DHFL has collaborated with the Department of Women & Child Development, Government of Maharashtra to strengthen the delivery of the Integrated Child Development Scheme (ICDS) services. The programme has been cited on the Department of Women and Child Development, Government of Maharashtra's mobile app as a 'best practice'.

One of the key components of the programme is capacity building of anganwadi workers and providing support structure through a set of 'Programme Supervisors' trained and deployed by us in the programme.

Through mentoring and training, we have been helping build capacity of anganwadi workers and others to deliver quality education. Besides, we provide specially designed learning tools to help make learning easy and fun. The benefits of our efforts include: a) 23% average increase in anganwadi attendance; b) 39% anganwadis have improved teacher-pupil relationship; c) 40% anganwadis follow smaller group exercises; and d) 19% of the anganwadi workers have started creating their own teaching and learning materials (TLM).

Nikita Katle, Programme Supervisor

REACH

Palghar and Vasai talukas, District Palghar, State Maharashtra

50,000+ children 30,000+ women and girls

996 anganwadis (courtyard centres)

OUTCOME

- 23% average increase in anganwadi attendance
- 100% anganwadis covered through the programme has access to Teaching Learning Materials as against 10% at the baseline in June 2016
- 40% of anganwadis follow smaller group exercises as against 6% at the baseline
- 39% anganwadis have an improved teacher-child relationship

SKILL DEVELOPMENT

Our skill development initiatives benefited more than 2000 youth in FY 2016-17 in Maharashtra. We offered training in Banking, Financial Services and Insurance (BFSI) and construction trades through our DHFL Skill Development Centres. More than 80% of students were placed after attending these training programmes that helped raise their family incomes by around 40%. For those opting for self-employment, Mudra loans were facilitated. Our programmes had over 60% women beneficiaries.

DHFL's Skill Development Programme reached out to the State's interiors with 10 Satellite Centres. Our 'live projects' benefited eight institutions and covered 800 beneficiaries across 10 villages.

REACH

DHFL Skill Development Centres in Kolhapur & Chandrapur, Maharashtra 2000+ youth per year

OUTCOMES

- Over 80% placement
- 40% increase in family income
- Mudra loans facilitated
- Over 60% women beneficiaries

RURAL DEVELOPMENT

"Our rural development programme has benefited over 20,000 farmers across five villages in Phulambri block of Aurangabad, Maharashtra. Here, we have transformed village life through strategic interventions in helping the villages manage water security, health, education and skill development and environment. The programme has positively impacted the existing water reservoir capacity and lives of communities in the five villages.

Our programme started as a drought mitigation programme, and has evolved as a holistic 'Village Transformation' programme. With community at the forefront, we aim to transform these villages into sustainable communities."

Jhansi Rani, Programme Coordinator

REACH

20,000+ farmers

Villages – Waghola, Chincholi, Daregaon Dari, Babhulgaon, Nandra in Phulambri block of Aurangabad, State : Maharashtra

OUTCOME

- Farmers shift from dependency on single kharif crop to kharif, rabi and summer crops
- Enhanced cattle health and increased milk production through dedicated fodder areas on farm bunds
- Improved infrastructure for rainwater harvesting; awareness and adoption of micro irrigation techniques
- Community awareness programmes on rainfall patterns and rainwater harvesting for wider impact

**ECONOMIC EMPOWERMENT THROUGH FINANCIAL LITERACY**

Our Financial literacy campaign started in 2016 under 'Sharma ji ke sawal, Vinod ji ke Jawab'. This campaign has evolved into a comprehensive programme to drive financial inclusion and economic empowerment.

The programme originally influenced by the digital literacy campaign of DHFL, has reached out to youth, women and vulnerable sections of the community through community centres and community volunteers, who champion the transformation initiative.

REACH

Jawahar Nagar, Shastri Nagar, Kathputli Nagar in Jaipur, State: Rajasthan

OUTCOME

We have been able to create awareness on savings, security and loan benefits amongst the marginalised sections of the society, through a series of interventions including 'nukkad nataks' or engaging street plays, workshops, counselling sessions and camps. Over 10,000 households have benefited through the programme in Jaipur.

DHFL ALSO SUPPORTS OTHER NGO / SOCIAL PURPOSE ORGANISATIONS, TO ENCOURAGE EDUCATION AMONGST THE CHILDREN FROM THE LESS PRIVILEGED SOCIETIES:

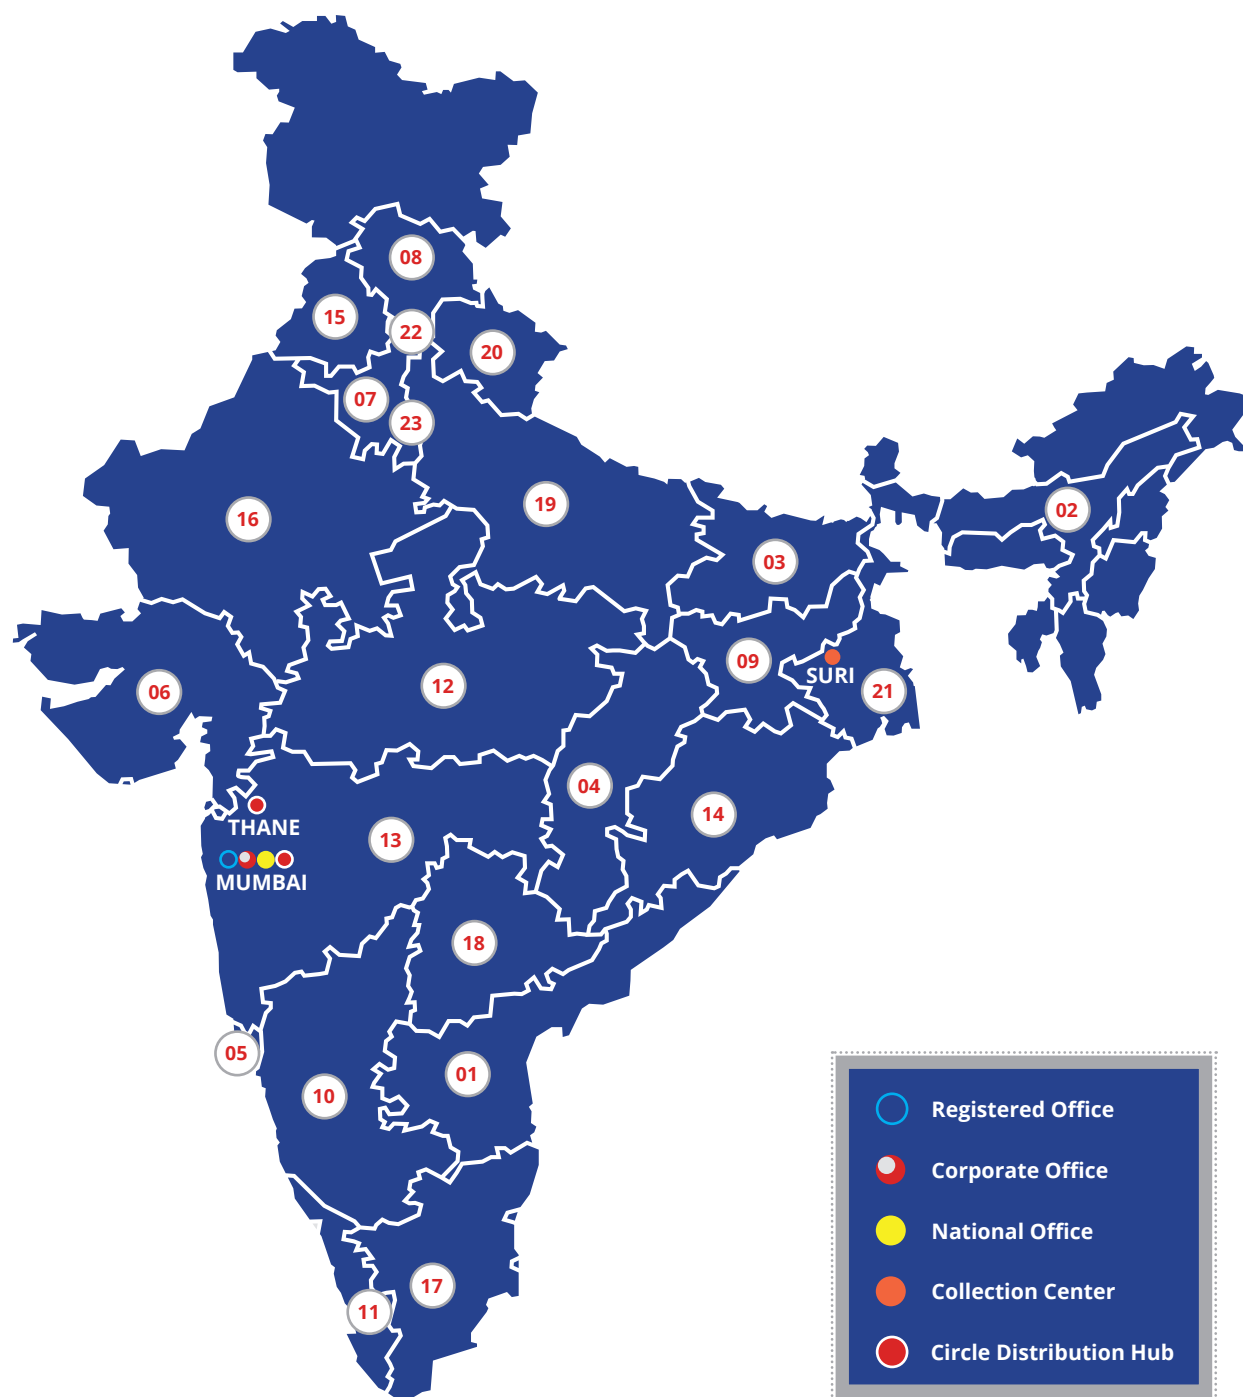

- The Akshay Patra Foundation: This partnership helps us provide nutritious food for more than 20,000 children in 266 schools in Guwahati, Assam.

- AIM for SEVA: An association that helps us provide tribal children with shelter, nutrition, health facilities, value education, and assist in their all-round development. This programme runs in Anaikatti, Tamil Nadu and Nandyal, Andhra Pradesh.
- Connect ED: This project helps to promote quality learning with interactive and technology driven learning solutions. In the year under review, we have enabled 24 schools

in Palghar, Maharashtra to transform classroom learning experience for children. The project is also supported by Government of Maharashtra, under the Ekshiksha Mission.

- Yusuf Meherally Centre: We back this facility to efficiently administrate three schools in Raigad district of Maharashtra. The project benefits around 800 children, mostly tribals, teachers, non-teaching staff of the schools along with a girls' hostel.

Management Discussion & Analysis

The Indian housing finance industry is growing fast. Mortgage lending is a strong driver of growth for both housing demand and construction of houses in the country.

GLOBAL ECONOMIC OVERVIEW

Going by the trend of cyclical recovery in investment, manufacturing and trade, the global economy picked up momentum in the second half of 2016. The positive outlook is expected to sustain with global Gross Domestic Product (GDP) growth rate expected to rise from 3.1% in 2016 to 3.4% in 2017 and 3.6% in 2018 (*Source IMF*). The outcome of two major events, Britain's referendum on withdrawal from the European Union (EU) and the presidential elections in USA, led to increased unpredictability in the global economy, leading to a cautious sentiment in 2017.

Taking a cue from the positive trends in emerging and developing economies due to the partial recovery in commodity prices, economic activity is projected to pick up

significantly in advanced economies. Hence, market sentiment has been quite strong, with notable gains in equity markets, in both advanced and emerging economies.

In the back drop, a larger one undoubtedly are issues leading to challenges faced by the global economy which calls for individual country actions to be supported by multilateral co-operation. Collective action in preserving open trading system, safeguarding global financial stability, achieving equitable tax systems, and mitigating and adapting to climate change, remain critical at this turning point.

Overall, the sentiments have been turning positive and are likely to remain so as the markets look to a moderate but responsible growth keeping disruptive trends under control.

OVERVIEW OF THE INDIAN ECONOMY

Emerging as the world's sixth largest country in manufacturing, from the previous position of ninth, India retained its bright spot in the global economic landscape (*Source PwC – India Budget 2017*). The economic outlook became buoyant with the agrarian and rural economy benefiting from a good monsoon in 2016 after two successive rain-deficient years. The impact of demonetisation seen in the last two months of the calendar year kept diminishing with the quick pace of remonetisation and a series of digitisation initiatives. The financial year 2016 -17 was a momentous year for India, characterised by the passage of Goods and Services Tax (GST) Bill, which is expected to be implemented in financial year 2017-18.

As a result of strong consumer sentiment, India's Consumer Confidence Index stood at 136 in the fourth quarter of 2016, topping the global list of countries on the same parameter (*Nielsen - Market Research Agency*). India's Gross Domestic Product (GDP) grew by 7% year-on-year in Oct-Dec 2016 quarter, the strongest growth among G-20 countries, as per Organization for Economic Co-operation and Development (OECD) Economic Survey of India - 2017.

The 'Make in India' campaign, launched in 2016, is aimed to boost the manufacturing sector in India, to increase the purchasing power of the average Indian consumer, which in turn will further boost demand and hence spur development, in addition to benefiting investors. The another great initiative i.e. 'Digital India', focuses on three core components; to create digital infrastructure, to deliver services digitally and to increase digital literacy.

OVERVIEW OF THE FINANCIAL SERVICES INDUSTRY

India's financial services sector has grown from strength to strength, built on prudential lending practices, robust regulatory environment and sound technology base, and has ably met the aspirations of the vast population and enabled economic activities. While commercial banking stays at the forefront of the financial system, the growing pie of financial services is divided across specialised players extending customised services to different customer segments. The competitive landscape of financial services sector has witnessed rapid growth in the last couple of decades. This movement is taking place on the back of market forces enabling inclusive growth, meeting sectorial thrust, leveraging policy initiatives and the ability to attract cost effective financial resources.

From the point of significance of presence and performance, Non-Banking Finance Companies (NBFCs) and Housing Finance Companies (HFCs) continue to make a major impact on the lending side both in consumer/retail lending and commercial/business lending.

NBFCs SHARE IN SYSTEMIC CREDIT IS GROWING STEADILY

Note: 1. Banks' credit includes outstanding of RRBs and Co-operative banks;
2. Capital market borrowing and ECB includes corporate bond. (*Source: RBI, SEBI, Company Reports, CRISIL Research*)

NBFCs OUTSTANDING GREW AT 20% CAGR SINCE FISCAL 2012

Management Discussion & Analysis (Contd.)

Home Loan by HFCs and Banks last 3 years with CAGR

Housing finance outstanding loans rose at steady pace in 2015-16

Banks followed by provident funds, pension funds and various savings schemes of the Government of India (GoI) retain major presence in the savings mobilisation process of the system.

The financial year 2016-17 has been a significant year for the Mutual Fund Industry. Mutual funds have also made considerable inroads in mobilising household savings and increasing the share of savings allocated directly to equity and debt capital markets. The assets under management of the industry for the quarter January 2017 to March 2017 touched all time high at ₹ 18,29,584 crore. Assets held by individual investors have been growing at a faster pace than assets of institutional investors. Equity funds have been witnessing significant flows for the last 2 years. This year, besides equity funds, income and balanced funds also saw a huge amount of inflows. The balanced fund category more than doubled its assets in 2016-17. Mutual Fund folios have increased by more than 51 Lakhs (~11%) in the 9 months to December 2016. This indicates a significant addition of new investors to the mutual fund industry.

Credit rating, mortgage registration and mortgage backed securitisation are adding strength to the value addition of the system to support growth with appropriate risk management mechanism.

The Government and the Reserve Bank of India (RBI) opened up the banking sector in 2015 after a long gap of over 2 decades to allow differentiated banking in the form of Payment Bank and Small Finance Bank (SFB). While payment banks are allowed to extend savings account benefit of small sum, they are expected to play a major role in connecting with the un-banked population for transaction and act as a distribution channel for micro credit, micro insurance and micro savings schemes. Micro Finance Institutions (MFI) or Small NBFCs which were allowed to convert to Small Finance Banks can extend savings products and retain their focus on lending to priority sector customers. RBI has also announced draft guidelines for on-tap license for banks, but this is yet to take off although there are many aspirants waiting for more clarity and dispensation in rules.

The financial year 2017 also witnessed Indian Postal Payment Bank donning the cap of bank and extending banking services and leveraging its vast network of post offices and superior geographic reach.

Overall, the financial services industry has come a long way in its reach and resilience. Niche market players and product innovations are making a mark in the financial services space.

INDIA'S HOUSING FINANCE INDUSTRY

India's housing finance sector is an important contributor to the entire economy. It is the second-largest loan portfolio for NBFCs after infrastructure and an important employment generating sector, accounting for 5-6% share of India's GDP and capital formation. It is perceived as the third most impactful industry in India in terms of its effects on other industries. The Housing Finance sector directly and indirectly impacts over 250 ancillary industries, comprising of cement, steel, transport, construction, paint, brick, building materials, consumer durables and so on.

The fact that there is shortage of housing in India is not in contention. Clearly, despite a considerable increase in the housing stock, it is the supply of affordable housing that is the biggest challenge in India's urbanisation. The types of housing are broadly classified into Economically Weaker Section (EWS), Low Income Group (LIG), Middle Income Group (MIG) and High Income Group (HIG). As land and housing are state subjects the classification of income group also varies from state to state.

Classification of Income Groups in Maharashtra (Illustration)

Classification	Income
EWS	Up to ₹ 16,000 per month.
LIG	₹ 16,001 to ₹ 40,000 per month
MIG	₹ 40,001 to ₹ 70,000 per month
HIG	Above ₹ 70,001 per month

The EWS and LIG category together accounts for 68% of the housing shortfall in urban India. For LIG, an 'affordable house' would cost (on the higher side) ₹ 25 lakh, approximately 5 times the annual gross income of the LIG income group, making it in fact not very affordable, resulting in increased dependence on either subsidies or government constructions as a means of bridging the ever-increasing affordable housing gap.

The Government has been at the forefront in encouraging housing sector and have taken various initiatives in this regard. The key reforms introduced by the government to boost the housing sector in India which in turn will have a positive impact on the housing finance sector are discussed below:

Housing for All

The Union Cabinet launched the "Housing for All by 2022" project on June 25, 2015, also known as the Pradhan Mantri Awas Yojana ("PMAY"), aimed at urban areas. The key components of PMAY, include:

- benefits for slum redevelopment projects, such as extra floor space index and transferable development rights if required, grant of ₹ 1 lakh per house, "free sale" component for developers;
- assistance of ₹ 1.5 lakh per house for the economically weaker sections, in projects wherein the project has at least 250 houses and 35% houses are reserved for economically weaker sections;
- subsidy @ 6.5% per annum for economically weaker sections and lower income group for loans up to ₹ 6 lakh (calculated at net present value);
- subsidy @ 4% and 3% respectively to Middle Income group as per the pre-defined criteria for loan amount upto ₹ 9 lakh & ₹ 12 lakh respectively (calculated at net present value)
- assistance of ₹ 1.5 lakh for individuals in the economically weaker sections category for the construction of their own house

Management Discussion & Analysis (Contd.)

Indira Awaas Yojana (IAY)

IAY, a flagship scheme of the Ministry of Rural Development (Government of India), aims to provide houses to rural households that fall below the poverty line and belong primarily to the scheduled caste, scheduled tribe and bonded labour categories. Under this scheme, the cost is borne by the Central and State Governments in the proportion of 75:25. An allocation of ₹100 billion had been made under the Union Budget for 2015-16.

Key provisions introduced in the Union Budget, 2017

The 2017 Union Budget extended various benefits to the affordable housing sector, including infrastructure status and increased allocation under the PMAY scheme. The CRISIL Report states that the usage of carpet area instead of built-up area and extension of project completion timeline from three to five years under the profit-linked income tax deduction scheme (80- IBA) for developers, focusing on affordable housing will further widen the sector's scope.

The Real Estate (Regulation and Development) Act

The Real Estate (Regulation and Development) Act, 2016 received the assent of the President on March 25, 2016 ("Real Estate Act"). The Real Estate Act seeks to protect consumer interest, ensure efficiency in all property-related transactions, improve the accountability of developers, enhance transparency, and attract more investments to the sector.

The Real Estate Act will regulate both commercial and residential projects and set up state-level regulatory authorities to monitor real estate activities. It will thus improve buyer confidence and bolster demand for residential real estate. It incorporates mandatory disclosure clauses, which would provide greater clarity on project standards and time lines for completion. For developers, while this Real Estate Act implies stringent regulatory control, it will also translate into better demand, as buyer confidence improves. In terms of supply, delays in handover of projects are likely to decline as clauses mentioned in the Real Estate Act mandates strong commitment from developers to complete projects on schedule.

Other Key growth drivers for the Housing Finance Industry

India's Housing along with Housing Finance Sector has strong growth potential and the key factors that will primarily drive the demand are discussed below:

Housing demand tracks population growth

Housing demand is primarily a function of population growth. Between 2011 and 2021, India's population is projected to increase approximately 10%-12% to 1.3-1.4 billion. Such an event will see housing demand touch 283-287 million. During 2001 to 2011, the population grew nearly 18% to about 1.21 billion, and comprised about 246.7 million households.

The home loan disbursements by banks and housing finance companies (HFC) rose by close to 17% year-on-year in financial year 2015-16. Demand for individual home loans went up despite high residential prices in major cities as consumer optimism increased after the 2014 Lok Sabha elections. Higher transaction volumes in Tier-II and Tier-III (non-metro) cities, growth in disposable income and fiscal incentives on housing loans, along with more options in the affordable housing segment aided a robust off-take.

As migration continues the share of urban population in the urban-rural mix, which stood at about 31% in 2011, is expected to expand to nearly 35%-37% by 2020. (Source CRISIL Research report on Retail Finance - Housing - Annual Review - August 2016)

Tax incentives

The government has used tax regulations to promote the housing sector, including

- (i) providing interest subsidy of 6.5% for loans up to ₹ 6 lakh, 4% for loans up to ₹ 9 lakh and 3% for loans up to ₹ 12 lakh under Pradhan Mantri Awas Yojana (PMAY).
- (ii) tax incentives for annual interest payments of up to ₹ 2 lakh (₹ 3 lakh for senior citizens) on housing loan.
- (iii) deduction of principal repayment limit of upto ₹ 1.5 lakh on home loan under Section 80C of the Income Tax Act, 1961.
- (iv) holding period for immovable assets, including residential property, reduced from three to two years; for long-term capital gains, indexation year changed from 1981 to 2001 and exemption in capital gains accruing from transfer of residential property, if invested in acquiring/constructing a residential building within 2-3 years.

Growth in government investments towards housing segment in recent Five Year Plans

Over the last decade, the economy has witnessed turbulent cycles including a major slowdown in 2008. While each subsequent Five Year Plan was based on the actual versus budgeted comparison (of the previous plan), the policy directions were linked to the local and global macro-economic scenarios. Over the last three, Five Year Plans, the total allocation/ budgetary outlay has grown by over five times (between the 10th and 12th Five Year Plan). During the same period, the share of housing and urban development has improved from 7% to 10%, clearly highlighting the government's focus on housing and urban development.

External Commercial Borrowings (ECB)

The extant ECB policy permitted infrastructure companies to borrow in foreign currency in the external market but specifically prohibited usage of funds for real estate or onward lending to other entities for use in real estate or purchase of land. With the classification of affordable housing as “infrastructure”, this restriction is removed. For infrastructure and green-field projects, funding up to 50% (through ECB) is allowed. Borrowers can use 25% of the ECB to repay rupee debt and the remaining 75% should be used for new projects. Non-Banking Financial Companies -Infrastructure Finance Companies (NBFC-IFCs) & NBFCs-Asset Finance Companies (NBFC-AFCs), are allowed to raise ECB only for financing infrastructure. ECB limit under the automatic route is 75% of their owned funds, including the outstanding ECBs.

Financing Options

The most significant outcome of the conferred infra status is the access to long-term finance that will be made available. Insurance and pension funds and alternative investment funds (AIFs) will now be able to deploy money into the affordable housing sector. Money raised by way of infrastructure bonds can also be used for financing affordable houses. Builders can now raise money by issuing infrastructure bonds to finance their building costs. Withholding tax for these bonds will now be only 5%.

Focus on Tier-II and Tier-III cities and rural areas

Increase in disbursed economic activities supported by rising access to financial services and the growth of new middle class in these new geographies are collectively expected to support the growth in housing sector and housing finance companies in a sustainable manner. Rising demand for housing from Tier -II and Tier-III cities, and the subsequent surge in construction activity, have resulted in financiers placing greater focus on these geographies. Resultantly, penetration of financial services in urban areas is estimated to have increased to 42.7% in 2015-16 from an estimated 39% in 2011-12 in urban areas, and to 8.95% from 8.20% during the same period in rural areas. CRISIL Research expects finance penetration to increase to 44.5% in urban areas and to 9.4% in rural areas by 2017-18, owing to the drive for affordable housing and rising demand for loans with progressively higher ticket size within this segment.

Rural areas in specific are likely to witness considerable improvement in penetration of financial services, led by the Government's efforts to provide housing for all. However, operational challenges such as lack of customisation of products to suit farming income flow, absence of collection services network, differences in appraisal for self-construction continue to be key hindrances in addressing the distinct needs of rural market as compared with the urban markets. Thus, industry requires greater understanding, customisation and commitment to enable rural expansion. (Source: CRISIL Research report on Retail Finance - Housing - Annual Review - August 2016)

THE ROLE OF HOUSING FINANCE COMPANIES AND THEIR OPPORTUNITY LANDSCAPE

The objectives of Government's project 'Housing for All' by 2022, cannot be met without a robust housing finance sector. Financing for the end consumer must be considered along with financing for affordable houses. In this context, it is pertinent to mention that Housing Finance Companies (HFCs) have played a vital role in the Indian economy over the years, few of them being enumerated below:

- HFCs have been at the forefront in catering to the financial needs of the economically disadvantaged sections of society.
- Over the years, HFCs have gained a significant market share in India's mortgage market.
- HFCs have strong origination skills, focused approach, niche marketing, customer service orientation, diverse channels of sourcing business and last-mile connectivity.

The Indian housing finance industry is growing fast. Mortgage lending is a strong driver of growth. Between 2010-11 and 2015-16, the total outstanding of mid and small HFCs grew at 32% CAGR vis-a-vis CAGR of 23% for large HFCs. Thus, mid-sized HFCs reported 17% market share in 2015-16 from around 7% in 2009-10, propelled by a focus on secured lending and better information availability. Home loan disbursements to record five-year CAGR of 17-18% to reach ₹ 9.0 trillion by 2020-21, aided by higher finance penetration, improving affordability, urbanization and demand for affordable housing. (CRISIL Research on Retail Finance - Housing - Annual Review - August 2016)

Despite strong growth in outstanding housing loans in India in recent years, India's housing finance sector remains relatively under penetrated when compared with other advanced economies. India's Asian peers have also performed much better, with mortgage penetration in India lagging behind its regional peers by almost a decade.

MORTGAGE TO GDP RATIO OF CERTAIN COUNTRIES IN 2016

(Source: CRISIL Report)

The major opportunities in the HFC sector comprise the following:

- Growing urbanisation, along with rising aspirations for a better quality of life;
- Enhanced penetration into Tier-II and Tier-III cities, product-process innovation and regulatory framework giving thrust to supply side;
- Over 470 mn people will reside in Indian cities in 2020, up from 420 mn in 2015 (Source EY Report);
- By 2020, India may be the world's youngest nation, with a median age of 29 years, compared with a median age of 37 years in China during the period;
- Over 70% of national GDP will be generated by urban areas by 2020, up from 65% in 2015 (Source EY Report);
- Social mega trends like nuclearization of families, double-income families because of growing economic empowerment of women and focus on property buying as an additional investment proposition;
- India's large youth population could potentially make India the biggest consumer market and the biggest labour force in the world;
- Government initiatives to drive affordable housing with a well-articulated Vision under 'Housing For All', is a major growth driver for the industry.

Key Challenges for HFCs

Despite the bouquet of opportunities available with housing finance companies, there are few challenges that may be faced by them, the key ones comprise:

- Availability of long-term bulk finance at competitive rates;
- Low absorption of debt market and interest rate risk associated with long-term lending;
- Investment in technology and maintaining a cost-effective delivery model in customer acquisition – particularly in the LMI segment;
- From a demand-for-home-loan point of view, promoting the supply of affordable home construction through appropriate public private partnerships is the need of the hour;
- The legal process for enforcement of mortgaged securities, land records and registration of documents continue to pose hurdles in the rapid growth of mortgage finance industry.

Threats for HFCs

The primary threat to housing finance companies stems from economic downturn and a slowdown in employment or income opportunities. Infrastructure bottlenecks that could slow down progression of urbanisation in newer centres is a close secondary.

Adverse developments in the real estate sector like causing delays and defaults in project completion – may cause a setback to new and existing loans. Similarly, the rising cost of houses acts as a barrier to end-user affordability and demand resistance may trigger inventory build-up and an overall slowdown in the housing sector which in turn will have negative impact on the housing finance companies.

Increasing business-origination costs, coupled with easier option of building book through balance transfer and lower lending yields could impact the profitability indicators of HFCs. Similarly the intensity of competition may also head housing finance companies to relax certain lending norms and take higher risk on their book. This could be in the form of lower loss to value ratio, higher eligibility ratio extended to the borrowers or structuring of new products to give higher loan entitlement.

BUSINESS & OPERATIONAL OVERVIEW

Your Company continues to develop bespoke products that cater to all segments with a focus on the lower and middle income (LMI) segment in various geographical territories of India primarily in Tier II and Tier III cities and towns. Moreover, your Company has recently created separate business verticals for housing loans and non-housing loans to allow each vertical to focus on its core business and use its expertise in underwriting loans. The high level of customer service, business ethics, and values in dealing with customers and the corporate governance principles have significantly contributed towards making your Company a leading financial services provider.

Your Company believes that its experience shows its ability to identify opportunities in housing finance demand, particularly in the LMI segment; and to meet such demand with bespoke products to suit the customers' changing needs. Your Company's existence over the years and its experience has established strong customer awareness of and loyalty to its brand and contributed to new and repeat business through word-of-mouth marketing. Your Company has effectively established a uniform brand identity across a broad spectrum of consumer touch points, from corporate stationary to outdoor advertising.

Your Company believes that its focus on, and experience working with the LMI segment provides it with a significant competitive advantage in the market and it expects to continue to grow; and align itself with the expected general economic and population growth trends and the government's focus on improving the economic standard of this population segment.

- We identify opportunities in the LMI segment;
- We create bespoke products to suit customer needs;
- We have built a strong and loyal brand following, enhancing repeat business;
- We have established a uniform brand identity across broad customer touch points.

Demonetisation was a major development during the period under reporting. An economy with over 68% of all transactions taking place in cash till then, this was a very bold move but a necessary one to put the system in order. Your Company felt the impact of demonetisation in the initial phase due to sudden shortage of liquidity but took well thought out initiatives to bring back normal operations, few of them being narrated below:

- Proactive steps were undertaken to ensure that the default rates and NPA Levels were contained.
- The cash mode customers were identified quickly and more than 96% was collected in November 2016.
- The Pay-nimo- Online payment facility was launched within 20 days.
- Handheld debit card swipe machines was provided to field collections team.

Your Company focuses primarily on the first time buyers & end users; more than 70% of its customer base comprises of individuals from salaried class with stable source of income. Your Company expects a moderate growth in the coming financial years through appropriate strategy directed at the following opportunities and requirements:

- Focus on affordable housing with more reasonable pricing.
- In project lending, focus on local and mid-size developers and sole lending to ensure these projects would not face cash crunch during construction phase. Exposure to be restricted to projects which have started construction and launched sales process.
- Demonetisation move will materially increase the propensity to fund a home purchase with a home loan. Company had always considered the registered price of property to fund home loans and hence the receivable cover will remain stable.

Your Company uses a variety of funding sources to optimise funding costs, protect interest margins and maintain a diverse funding portfolio. This enables it to further achieve funding stability and liquidity, leading to a reduction in average borrowing costs. Besides, your Company has initiated a technology transformation programme in association with leading IT service providers which will help it to integrate with best practices in a technology driven environment, coupled with requirements to support its growth, improve operational efficiency and optimise costs through enhanced technology leverage.

Housing Loans

Your Company offers a range of home loan products to suit borrowing capabilities across different classes of borrowers, namely salaried professionals, self-employed and entrepreneurs with repayment options ranging up to 30 years. Housing loans include finance for the purchase of ready or under-construction housing units, home renovation/extension, self-construction, purchase of plots and composite loan for purchase of plot and self-construction. Special care is taken to enable home loan access to the LMI segment, while designing the product and processes.

Lending to Weaker Sections

To help weaker sections of society, your Company actively participates in NHB's various schemes, such as the Golden Jubilee Rural Housing Refinance scheme and Pradhan Mantri Awas Yojana; and offers products and benefits especially suited to this segment.

Project Loans

Your Company offers loans to developers for the construction and development of predominantly residential and mixed-use projects. The Project Loan vertical provides valuable support to the growth of retail loans under the approved project route; wherein projects financed by your Company are tied up with the developers for funding the buyers under retail home loan. This strategy provides an inventory of low risk and well-developed properties already financed, for onward selling to retail customers with simple procedures and faster processes. Through such linkages, your Company provides a complete and holistic solution to the developer, thus creating business synergies on one side and mitigating the project risk on the other.

SME Funding

The year 2015 saw the introduction of the Micro, Small and Medium Enterprises Development (Amendment) Bill, which is aimed amending the Micro, Small and Medium Enterprises Development Act, 2006. With the strategic intent of enabling financial inclusion for the micro, small and medium enterprises (MSMEs), your Company launched the SME funding vertical in the financial year 2014-15.

During the financial year 2016-17, your Company continued to extend loans, backed by property or revenue generating equipment for growth capital to MSMEs with a turnover of less than ₹ 200 crore. The average LTV (Loan to Value) ratio at origination is sub-45% and your Company's emphasis is to on-board a significant portion under Priority Sector Lending Assets (PSL).

Your Company remains focused towards prudent risk management practices and maintains high underwriting standards. For sourcing, your Company focuses sharply on pre-defined selective target industries and segments. Your Company also undertakes key initiatives to grow the business by way of building existing and new channels, such as signing of MoUs with leading equipment manufacturers, OEMs and distribution agents.

Deposits

Your Company is among the selected housing finance companies with permission to accept public deposits under Section 29A of the National Housing Bank Act, 1987. Your Company has been striving to offer best-in-class deposit products that encourage savings amongst households.

Your Company's Fixed Deposits provide attractive interest rates and are backed by robust technology based processes. DHFL Wealth2Health Deposit is a unique deposit, which not only gives customers the benefits of a normal fixed deposit but also provides for liquidity in case of any health emergency, along with a host of other related benefits.

Your Company's FD programme has a rating of CARE AAA (FD): Stable from CARE and BWR FAAA; Stable from Brickwork Ratings, which indicate the highest degree of safety regarding timely servicing of financial obligations. The tenure of fixed deposits accepted by your Company are in the range of 12 to 120 months and present rate of interest is in the range of 7.40% to 8.00%. As on March 31, 2017, your Company's outstanding Fixed Deposits amount to ₹ 6,768.65 Crore.

Your Company has also launched 'DHFL Corporate Deposits', a deposit programme only for corporates, which is rated CRISIL A1+ by CRISIL Limited, which caters to the short term liquidity management needs of corporates. This is yet another step by your Company to tap into market opportunities for furthering the cost effectiveness of its business.

Value based offerings

Your Company also offers value based products for protection and saving requirements to its home loan borrowers, thus acting as "one stop financial service provider". The Company offers at the discretion of the customer, life insurance products of the joint venture entity i.e. DHFL Pramerica Life Insurance Company Limited for which it acts as a Corporate Agent & group administrator. In addition your Company also acts as Corporate Agent and group administrator for Cholamandalam MS General Insurance Company Limited to offer general insurance products such as property and health Insurance, thus enabling a borrower to ring fence from any eventuality. In addition, apart from your Company's own deposit products, your Company also offer Mutual fund products of its Joint Venture entity i.e. DHFL Pramerica Asset Managers Private Limited. These initiatives have helped your Company to increase its profitability and provide additional opportunities for customer interaction and relationship building.

Effective business model and Credit appraisal process

The business model of your company is a well co-ordinated set up of Sales & Marketing, Credit, Operations, Risk Management, Internal Audit, Collections & Recovery and other support functions. The sales network includes direct selling team which work under the supervision of the Company's sales supervisors and receive a combination of fixed fee and performance linked variable commission, based on the disbursement of loans sourced by them. Majority of loans are sourced through direct selling teams; DSAs and other business referral partners make up for the remaining feet on street strength for mobilising business.

Your Company's reliance on external channels of sourcing and operations is minimal with 64% of the loans sourced through in-house channels and 100% of the loans being underwritten

Management Discussion & Analysis (Contd.)

by in-house credit managers. Your Company has effectively leveraged technology to boost operational productivity and efficiency.

Your Company ensures quick turnaround time to improve customer satisfaction, while maintaining underwriting standards. Your Company services both individual consumers and developers through its end-to-end business model. Your Company relies on its employees to build customer relationships, which it believes translates into better understanding of customer financing requirements and, consequently, improved credit appraisal mechanisms, as well as greater brand awareness.

Under the end-to-end model, your Company's employees are involved throughout the entire loan process and are able to consult with customers from loan origination through disbursement. In majority of the cases, in-house direct selling team originates loans, which allows the employees to gain insight into the customers' specific needs. The in-house underwriting team conducts a credit check and verification procedure on each customer, ensuring consistent quality standards in an effort to minimize future losses. The properties that your Company fund are evaluated by in-house technical experts who are qualified civil engineers. Your Company believes that this model provides customers with the advantage of a one-stop shop, which your Company believes the relatively-inexperienced customers in the LMI segment may prefer in order to obtain a more consistent service experience from a single financial services provider.

Robust and efficient Operations

To manage the geographically diverse business and risk management framework effectively, your Company has a separate operations vertical to run post-sanction, disbursement and loan management processes and address the needs of a growing business. The operations team of your Company processes documents covering legal and technical reviews and handles disbursements and relationships across the transaction life cycle. Your Company has also introduced several checks and processes for achieving procedural discipline as well as exposure limits for several segments and reviews of the local markets and builders on continuous basis as a part of its portfolio monitoring and management framework. Your Company believes that the processes it has developed and its dedicated operations team brings greater efficiencies to its business operations and enhanced productivity.

Customer Service and Grievance Redressal Processes

Your Company has established a robust, multi-level customer query and grievance resolution process for customers to approach through various channels such as through branches, call centres, emails, letters, social media, among others. To protect the interest of the customers, your Company has constituted a Board approved management level committee, to periodically review the grievances as well as to review and address the key causes for the grievances.

At the call centre the customer is authenticated through pre-defined verification parameters before providing transaction related details over phone or emails. All customer interactions are recorded in Customer Relationship Management (CRM) and assigned a unique reference number. This helps in monitoring the customer request and providing the status through any of the channels.

The requests/complaints are then assigned to dedicated customer service (CS) managers appointed at each branch/cluster office. The CS manager and branch operations manager (BOM) ensure timely resolution of the complaints/queries received. Upon resolution of the complaint, the service request is updated with accurate comments. The customer is informed of the resolution and the service request is closed.

Effective Asset Recovery

Your Company has set up a robust collection and recovery machinery which helps it to ensure good collections, minimize

defaults and low NPAs. The key characteristics of the collection & recovery framework are as detailed under:

- EMLs are increasingly linked to Electronic Clearing Mandate thus ensuring prompt collection of dues on the due dates.
- Asset recovery process starts with timely reminders on early stages of default by borrowers, thus building a strong repayment culture.
- Company also engages outsourced collection agencies in few markets. They are governed by ethical recovery practices as mandated by National Housing Bank.
- Actions under the SARFAESI Act followed by auction based disposal of repossessed assets are effectively used as tools to recover delinquent loans.
- One Time settlement offers are also used effectively to resolve defaulting cases where genuine reasons and reasonable settlements are available.

Non-performing Assets

With good underwriting standards, regular monitoring mechanism and strong recovery system in place, your company continues to maintain low level of NPAs.

The amount of Gross Non-Performing Assets (NPA) as at March 31, 2017 was ₹ 678.45 crore, which is equivalent to 0.94% of the loan portfolio of your Company, as against ₹ 573.07 crore i.e. 0.93% of the loan portfolio as at March 31, 2016. The net NPA as at March 31, 2017 was ₹ 419.43 crore i.e. 0.58% of the loan portfolio. The total cumulative provision towards loan and other assets as at March 31, 2017 is ₹ 714.19 crore as against ₹ 583.02 crore in the previous year. During the financial year 2016-17, the Company has written off ₹ 87.49 crore of loans / receivables as against ₹ 21.46 crore during the previous financial year.

Branding & Marketing

Your Company, through concerted branding and marketing efforts continues to strengthen its reach and service to customers, especially in the lower and middle income (LMI) segment in the semi-urban and rural India.

With Shah Rukh Khan as its brand ambassador, your Company launched integrated media campaigns in financial year 2016-17, with fresh messages like 'Home Loan Dil se' and 'Rent se Behetar EMI'. These were in line with the 'Ghar Jaisa Loan' thought, which was penned down in financial year 2015. To further enhance its consumer connect, your Company initiated activities like event sponsorship, mall activations, society activations, hoardings & billboards, business meetings with channel partners and business associates and retail channel tie-ups. Your Company enhanced its social media presence by increasing its engagement with customers via Facebook, Twitter, LinkedIn and YouTube. Your Company and its top management also got extensive PR coverage across leading news channels and newspapers during the year apart from receiving recognition through awards and accolades.

Your Company engages with specialised third-party agencies for various marketing activities like production of advertisement, research, PR, digital, media, on ground activities, etc., which aid the Company's overall marketing initiatives. Your Company creates visibility and customer awareness through various sources like DSAs, online sourcing platform providers, direct sourcing, channel partners, builder tie-ups and advertisements with the objectives of brand building, increasing sales and creating relevance at point of purchase and emerge as the preferred choice for a customer.

Funding Sources

Your Company strives to maintain diverse source of funding to reduce its borrowing costs, maintain adequate interest margins and achieve its liquidity goals. Your Company has successfully diversified its liability portfolio with an array of different institutional units for lines of credit, including banks. During the financial year 2016-17, the Company has successfully opened up new avenues of funding and raised significant amount of funds through two public issues of Non-Convertible Debentures (NCDs) from distinguished domestic investors, which reinforces the Company's financial and operational strengths.

The Company's consistent focus is to reduce the cost of funds. Over the preceding three years, your Company has substantially reduced the borrowing cost from banks and financial institutions. During financial year 2016-17, your Company had made further progress in reducing the cost of funds by diversifying its sources of funds, through increasing the market borrowings by leveraging on upgradation in

ratings. Net Interest Margins (NIM) have been improved from 2.96% in FY 2016 to 2.99% in FY 2017 mainly due to the decline in cost of funds for the Company.

FINANCIAL OVERVIEW

In the financial year ended March 31, 2017, the Company's profits increased every sequential quarter, due to focus on high quality under writing standards of loan portfolio and prudent resource management. The Assets Under Management grew steadily retaining a strong asset quality.

However, no preference shares were issued by the Company during the FY 2016-17.

Reserves and Surplus

The growth in reserves was achieved through strong profitability despite a challenging business environment. Your Company sold its entire equity stake held in DHFL Pramerica Life Insurance Company Limited (DPLI) (representing 50% equity stake of DPLI) to DHFL Investments Limited (DIL), its wholly owned subsidiary, which added ₹ 1969.43 crore to the Company's network.

Reserves and Surplus as at March 31, 2017 for your Company increased by 67.01% to ₹ 7,682.65 crore as against ₹ 4,600.20 crore in the previous financial year. Your Company has transferred ₹ 580 crore to Special Reserve and Statutory reserve u/s 29C of National Housing Bank Act and an amount of ₹ 200 crore to General Reserve.

Your Company has created a Debenture Redemption Reserve (DRR) of 25% of the total value of debentures issued to public as required under Rule 18, sub-rule 7 of the Companies (Share

Management Discussion & Analysis (Contd.)

Capital and Debentures) Rules, 2014. During the financial year under review, your Company has created Debenture Redemption Reserve of ₹ 1,170 crore on the outstanding amount of NCDs issued by way of public issue. Your Company being a HFC is exempted from the requirement of creating DRR in case of debentures issued on private placement basis.

In accordance with Section 52 of the Companies Act, 2013, during the year under review your Company has utilized Securities Premium Account towards premium on redemption of Zero Coupon Secured Redeemable Non-Convertible Debentures and Securities issue expenses amounting to ₹ 114.65 crore (net of tax of ₹ 60.68 crore) as against ₹ 105.94 crore (net of tax of ₹ 56.06 crore) in the previous financial year.

Dividend

The Board of Directors of your Company recommended a final dividend of ₹ 3/- per equity share of face value of ₹ 10 each for the financial year under review for approval of the Members of the Company at the Annual General Meeting to be held on July, 21, 2017. During the financial year 2016-17, your Company paid one interim dividend of ₹ 1/- per equity share of face value of ₹ 10 each. The total dividend for the financial year shall be ₹ 4/- per share on a face value of ₹ 10 per share.

During the previous financial year, your Company had made a provision for the dividend declared by the Board of Directors as per the requirements of pre-revised Accounting Standard 4 – ‘Contingencies and Events Occurring after the Balance sheet date’ (AS 4). However, as per the requirements of revised AS 4 which is applicable w.e.f April 1, 2016 your Company is not required to provide for dividend proposed/ declared after the Balance Sheet date. Consequently, no provision has been made in respect of the aforesaid dividend proposed by the Board of Directors for the financial year ended March 31, 2017. However, if the Company would have continued with creation of provision for proposed dividend, as at the Balance Sheet date, its Surplus in Statement of Profit and Loss would have been lower by ₹ 113.07 crore and Short Term Provision would have been higher by ₹ 113.07 crore (including dividend distribution tax of ₹ 19.13 crore).

Capital Adequacy

Your Company's Net Worth increased from ₹ 5,017 Crore as of March 31, 2016 to ₹ 7,995.80 Crore as of March 31, 2017, mainly on account of retention of profits for the period. Its capital adequacy in the form of CRAR stood at 19.12% as of March 31, 2017 compared to 16.74% as of March 31, 2016, which is well above the NHB's minimum stipulated requirement of 12%. Company's Tier I CRAR stood at 14.75% as of March 31, 2017.

RISK MANAGEMENT

As a lending entity, your Company is exposed to various risks such as credit risk, market risk, liquidity risk, legal risks, interest rate risk, and operational risk. Your Company emphasises on risk management practices to ensure an appropriate balance between risks and returns. Your Company has put in place a comprehensive risk management policy to identify, assess and monitor various risks.

Risk management is driven by the Board with the overall responsibility of risk management assigned to the Risk Management Committee of the Board of Directors. At the operational level, the Company has set up an independent risk management function that is led by Head – Risk & Collections.

Liquidity risk management

Your Company is susceptible to market-related risks such as liquidity risk, interest rate risk and funding risk. Such risk

management is assigned to the Asset Liability Committee (ALCO) to monitor these risks on an ongoing basis. Liquidity risk arises when there is an asset-liability mismatch caused by the difference in the maturity profile of the assets and liabilities. This risk may arise from the unexpected increases in the cost of funding an asset portfolio at the appropriate maturity and the risk of being unable to liquidate a position in a timely manner at a reasonable price.

HFCs are exposed to liquidity risk in view of the fact that the assets generated by HFCs are of an average tenor of 10 to 12 years while the liabilities contracted are of an average tenor of 7 to 10 years. Your Company actively monitors its liquidity position to ensure that it can meet all requirements of its borrowers, while also meeting the requirements of its lenders and to be able to consider investment opportunities as they arise. The ALCO, comprising of Senior Management Team, lays down policies and quantitative limits and appraises the Risk Management Committee, Audit Committee and the Board periodically.

Your Company seeks diverse sources of liquidity to facilitate flexibility in meeting funding requirements. Its operations are principally funded by borrowings from banks, financial institutions and capital markets, while your Company also obtains refinance from NHBs and funds from public (fixed) deposits.

Interest rate risk management

The borrowings of HFCs such as your Company are largely linked to benchmarks such as the base rate and hence the debt of the Company is mainly floating in nature. This exposes HFCs to fluctuation in the interest rate which is required to be managed appropriately in order to mitigate the risk.

As at March 31, 2017 and March 31, 2016, 98.8% and 98.6% of the Company's assets were floating rate loans and 42.2% and 48.7% of our liabilities were floating rate borrowings. Your Company's business is also impacted by a change in interest rates although the floating rate loans are only re-priced on a periodic basis.

Exposure to fluctuations in interest rates is measured primarily by way of rate sensitive asset-liability gap analysis, providing a static view of the maturity profile of balance sheet positions. An interest rate gap is prepared by classifying all assets and liabilities into various time period categories according to contracted maturities or anticipated re-pricing date. The difference in the amount of assets and liabilities maturing or being repriced in any time period category, would then give an indication of the extent of exposure to the risk of potential changes in the margins on new or re-priced assets and liabilities.

Your Company's strategy is to optimise its borrowings between short-term and long-term debt as well as between floating and fixed-rate instruments. The Company prepares interest rate risk reports periodically and reports to the NHB regarding the same. Your Company follows a prudent policy in respect of managing its assets and liability to ensure that exposure to fluctuations in interest rates is kept within acceptable limits. The Company uses interest rate swaps on a limited basis for the purpose of hedging interest rate mismatches. The ALCO periodically reviews the treasury operations and the pricing of products at specific intervals.

Credit Risk Management

Credit risk is a risk of loss due to failure of a borrower/counterparty to meet the contractual obligation of repaying debt as per the agreed terms, which is also commonly known as a risk of default. Your Company manages credit risk by using a set of credit norms and policies, including a standard credit appraisal policy based on customer credit criteria

approved by the Board. These criteria vary between loan products and typically include factors such as the applicant's income and certain stability factors such as the employment and dependency details, age and educational status and other financial obligations of the applicant and the loan-to-cost ratio. Your Company has a structured and standardised credit approval process including a comprehensive credit risk assessment, which encompasses analysis of relevant quantitative and qualitative information to ascertain the credit worthiness of the borrower.

The credit policy and loan delivery process are put in place by your Company prescribing ideal portfolio configuration in terms of customer profile, such as whether the customer is an individual, a company, or whether such individual is salaried or self-employed. Your Company also consider factors such as exposure limits, segmented net interest margins (interest rates vis-a-vis default propensity in a segment) and its impact on the loan book, risk based pricing based on probability of default, sanctioning powers, appraisal standards and collateral management. Your Company efficiently manage credit risk on both portfolio as well as on a transactional level.

Your Company's credit evaluation and credit portfolio management methodologies are designed to ensure consistent underwriting and early identification of problematic loans using techniques, such as early default analysis, product analysis and probability of default. In order to bring uniformity and to minimise local subjectivities in the credit appraisal and credit delivery processes, the Company's branches act as a sourcing point while the circle/cluster offices act each as a centralised operations centre for a set of branches.

Your Company has developed internal legal and technical evaluation teams with independent functions to make credit decisions more robust and in line to manage collateral risk. Under the end-to-end business model, your Company's employees are involved throughout the entire loan process and are able to consult with customers from loan origination till disbursement. The in-house operations team conducts a credit check and verification procedure on each customer, ensuring consistent quality standards to minimize future losses.

Your Company's independent internal audit team conducts a regular review of credit files on a sample basis to ensure adherence to policies and processes, and its dedicated collection and recovery team manages lifecycle of transactions and monitors the credit quality. Your Company believes that this model is especially valuable in the LMI segment where credit risk may be more difficult to assess.

Management Discussion & Analysis (Contd.)

Operational Risk Management

Operational risk results when any of the factor like people, operations, process, system etc falters from the designed process. To manage this risk your Company has implemented a comprehensive operational risk management policy with a framework to identify, assess and monitor risks, strengthen controls, improve services and minimise operating losses. Your Company attempts to mitigate operational risk by maintaining a system of internal controls, establishing systems and procedures to monitor transactions, maintaining key back-up procedures, undertaking regular contingency planning and providing employees with continuous training.

Moreover, your Company remains exposed to substantial risk when transactions are carried out at multiple locations simultaneously. To have a preventive vigilance and control the transaction risk, Risk containment units have been established at major locations, wherein hind sighting, upfront scrutiny and curbing of malpractices are undertaken. Your company has established the Risk Containment unit in record time of three months in various locations across geographies.

Your Company has strengthened its technology platform across systems and processes and set up a disaster recovery site for retrieval of data to operating units in case of an eventuality or system failure as a part of its business continuity plan. Your Company has set up a data centre in Bengaluru to ensure that all transactions are separately kept on real-time basis. Your Company has formulated the contingency plan to address data recovery in case of a natural disaster. The Management also periodically reviews vigilance and fraud reports, recovery reports and audit reports to detect failures with the objective of systemic remediation. Your Company has in place related risk controls to manage legal risks, compliance risks and risks relating to our reputation and brand name.

INTERNAL CONTROL SYSTEMS

Your Company has an adequate system of internal controls for business processes, operations, financial reporting, fraud control, and compliance with applicable laws and regulations, among others. These internal control and systems are devised as part of the principles of good governance; and are accordingly implemented within the framework of proper check and balances. Your Company ensures that a reasonably effective internal control framework operates throughout the organisation, which provides assurance about safeguarding the assets, reliability of financial and operational information, compliance with applicable statutes, execution of transactions as per the authorisation and compliance with the internal policies of the Company.

The internal audit adopts a risk-based audit approach and conducts regular audits of all the branches/offices of the Company and continuously evaluates the adequacy and effectiveness of the internal control mechanism, adherence to the policies and procedures of the Company as well as the regulatory and legal requirements.

The internal audit department places its findings being outlined in the report to the Audit Committee of Board of Directors at regular intervals. The Audit Committee of the Board of Directors actively reviews the adequacy and effectiveness of internal control systems and suggests improvement for strengthening the existing control system in view of evolving business realities.

HUMAN RESOURCES

Your Company endeavors to offer conducive workplace of a best in class standard. Your Company believes that its experienced workforce is its most important asset. To ensure that an effective and the right resource is selected, your Company endeavors to strengthen its hiring mechanism.

During the financial year under review, an alternate hiring source – trained manpower channel was launched which provides the Company with a role specific pre-trained employees, ensuring that the scope of productivity loss is minimized. This also helps the Company in creating pipeline of nurtured talents. Further, your Company also has tie ups with several talent resourcing firms for recruitment process outsourcing. The Company also has charted out plans for the proper hand holding and induction of the new employees into the system and create connect with frontline staff to ensure that engagement becomes a day one initiative.

Your Company ensures gender diversity and as a responsible partner in the corporate world has furthered this objective and taken a step ahead in building a futuristic, empowered and diverse culture, by launching “Better Together” – Diversity and Inclusion Initiatives, on occasion of International Women’s Day. “Better Together” rolls out various initiatives to empower and create internal environment conducive to women employees comfort, identify and nurture new talents and skills, create awareness and responsibility towards societal

issues; and above all provide an environment that is safe and secure. The overall objective of the forum is to drive 15% strength of women population in its employee base.

Further a career progression path for off-roll employees, namely GATI, has been formally designed, especially for the Business Development Executive [BDE] role across business units. The career path has three levels – BDE, Sr. BDE and Relationship Manager. The Relationship Manager role has been created as a test tank for future Branch sales Manager (BSM) on the Company's rolls, as incumbents of these role will manage a team of two BDE/ Sr. BDE. The career progression path scopes in opportunity for fast track career growth of both on-roll and off-roll employees, supported by learning and developmental initiatives. About 3500 off-roll employees are being covered under this program and an expected 20% population out of this framework will further progress into the Company, establishing off-roll employee force as a ready source of internal talent. This will reduce impact of hiring and training cost while in parallel drive growth for off-roll employees. The framework also scopes in supporting top 10% performing off-roll employees in completing higher education levels that will support them in their career growth.

Your Company also took various initiatives for retention and to control attrition and as a result of these initiatives attrition reflected a downfall of approximately 15% which had a positive impact on business growth continuity.

Your Company is on its way to build a futuristic organization, based on the strengths of its internal team members. For this purpose, your Company has partnered with a renowned name in the Strength Management Industry, Gallup, through their tool, Gallup Clifton Strength's Finder [CSF]. Gallup's Clifton Strengths Finder is an online assessment of personal talent that identifies areas in which an individual has the greatest potential for building strengths. By identifying one's top five strengths, the CSF provides a starting point in the identification of specific personal talents, and the related supporting materials help individuals discover how to build on their talents to develop strengths within their roles. The Gallup CSF report will thus support activities like talent selection, career progression, role elevation and help in building stronger teams within an organization.

During the financial year under review, your Company has as a part of its leadership development initiatives, completed a 360 degree profiling of its senior management team. The reports reflect individual and organization scores in task and relationship versus creative and reactive dimensions. The 360 degree feedback was accumulated from reporting managers, peers, direct reportees and other associated

professional partners. The report feedback was followed by group and individual briefing sessions, wherein each leader had the opportunity to deep dive into individual reports and understand their developmental opportunities.

Your Company has revamped its web presence by building a fresh LinkedIn page inclusive of career and live sections. The career page reflects various available positions and the Company envisage to close 5% of vacancies through this source. The live page helps potential applicants to have a sneak peek into the Company's work life and the ethos of the organization.

Taking a step ahead towards automatization, the process of employee onboarding has been digitized across the HR platform wherein the entire process of manpower requisition, documentation, offer and onboarding has been made online. This has greatly impacted new entrants experience, reduced turnaround time of post joining procedures and also ensures correctness of information at all levels. The installation was completed in the month of December 2016 and till date 298 employees have been on boarded through this e-module.

To build a futuristic organization, it is important that the organization connects with every team member to the last mile. With this objective in focus your Company has initiated building a social intranet platform for inter team communication along with mobile based application for learning and knowledge sharing. On the same line, to ensure the workforce is engaged and happy, your Company has launched its employee engagement platform – SHINE, which encompasses various aspects of work life – wellness, learning, sports, celebrations and work life balance.

Your Company ranked 45th in the Dream Companies to work for by Times Ascent and World HRD Congress.

As on March 31, 2017, your Company's total workforce was 2,881 as against 2,625 as on March 31, 2016. The growth of the employee headcount is in line with your Company's strategy of growing its operations and expanding its geographical reach, especially in Tier II and Tier III cities, towns and peripheral suburbs.

OUTLOOK

India is powering ahead as the world's fastest growing major economy and is urbanizing at a rapid pace. Urban clusters are driving this growth and purchasing power is increasing beyond the metros, particularly in Tier II/III cities. Recognising its strong economic fundamentals, the World Bank Economic Survey has pegged India's GDP growth at 7.6% in 2017-18 and 7.8% in 2018-19. Owing to a shift in consumer behaviour and

Management Discussion & Analysis (Contd.)

expenditure pattern, India is expected to be the third largest consumer economy in the world by 2025, as its consumption is expected to triple to US\$ 4 trillion by 2025.

In view of the huge shortage in urban housing units in the country, the Union government has been providing continued support to make the sector attractive and giving it due recognition. The agenda of 'Housing for all' is a key component of the government's strategy for making Indian cities inclusive and productive. While rapid urbanisation and growing cities provide various opportunities, there is fallout in terms of proliferation of slums, high land prices and building materials, which render houses unaffordable for those at the bottom of the pyramid. The technical committee, constituted by the Ministry of Housing and Urban Poverty Alleviation, has estimated housing shortage at 18.78 million units during the 12th Five Year Plan period; of which over 95% is estimated in the Economically Weaker Sections (EWS) and Low Income Group (LIG) categories.

This recent drive of Government of India's i.e. 'Housing For All by 2022' is expected to widen the opportunity landscape for housing financing companies. It will help create an enabling and supportive environment for expanding credit flow and increasing home ownership.

As remonetisation gathers momentum, housing loan disbursements are likely to grow at a moderate pace of 15-17% CAGR over the next two years (FY 2016-17 to 2017-18) as perception of wealth erosion, coupled with the anticipation of a decline in property prices will delay property purchases.

Your Company continues to view its markets, marketing, and investment plans through the broad lens of addressing the needs of new India that is emerging beyond the metros. Your Company endeavours to keep its focus primarily on Tier-II and Tier III locations where housing demand is expected to be more pronounced.

Your Company envisages good growth on the horizon too as the sectors that it caters to are not only large but growing; and are still reasonably under penetrated from the perspective of

financing. Your Company expects AUM growth to remain in line with the industry average as continuous innovations in terms of product space, leveraging technology and changing consumer behaviour and demographics have opened up new horizons for its growth. To ready itself for this take-off in growth, the Company has put in place robust internal risk-management systems and processes, and supportive technology.

Your Company's experience, strong presence coupled with broad-base resource raising capabilities, aided by AAA credit rating from CARE and Brickwork makes it well positioned to leverage the emerging market opportunities while at the same time contributing to India's socio-economic wellbeing.

PERFORMANCE

Your Company's inception 33 years ago was based on the fundamental necessity of enabling home ownership for customers in the Lower and Middle Income [LMI] and Economically Weaker Sections (EWS) segments. A journey of over three decades and an increasing awareness at national level on the need for promoting affordable housing have together placed your Company in a strong position today. It stands tall as one of India's largest housing finance companies, working towards its mission of reaching out to millions of customers and helping them fulfill their dreams of owning a home.

During the last financial year, the Government of India took several noteworthy steps to build a conducive environment for growth of the affordable housing sector which has created a strong momentum for your Company to fulfill its vision and goals.

Your Company has been swift and agile to leverage these growth enablers and opportunities. During the financial year under review, your Company has reported robust performance, witnessing a steady increase in revenues and profits. A key aspect of your Company's industry position and operating performance has been its emergence as a comprehensive financial services provider and continued efforts to broaden its services bouquet with a range of loan and deposit products while also offering insurance products, third party life and general insurance, for customers within

the LMI, EWS segments to help them de-risk their families and property in case of any eventualities. Being one of the few housing finance companies eligible to mobilize fixed deposits from the public, your Company extends unique fixed deposit schemes tailored to suit the financial needs of various segments.

Your Company continues to expand its extensive network across the country to reach out to every potential customer across Tier II and III towns, cities and its peripheral suburbs. The business vertical strategy adopted for the Company's home loan and non-home loan businesses has achieved the desired objective of greater business focus and leveraging synergies. Your Company's SME loans business continues to thrive and achieve the desired penetration in medical equipment, plant & machinery and property term loans.

Your Company has set a historic trend in the retail debt market through two public Non-Convertible Debentures issuances during the financial year 2016-17 by raising a record of ₹ 14,000 crore within one month. RESOURCE MOBILISATION

Your Company's borrowing policy is under the control of the Board. The Company has vide special resolution passed by means of postal ballot on June 12, 2014, under Section 180(1)(c) of the Companies Act, 2013, authorized the Board of Directors to borrow money upon such terms and conditions as the Board may think fit in excess of the aggregate of paid up share capital and free reserves of the Company upto an amount of ₹ 1,00,000 crore and the total amount so borrowed shall remain within the limits as prescribed by National Housing Bank.

Your Company continued to use a variety of funding sources to optimize funding costs, protect interest margins and maintain a diverse portfolio which further strengthened its funding stability and liquidity needs. Your Company continued to keep tight control over the cost of borrowings through negotiations with lenders and thus, raised resources at competitive rates from its lenders while ensuring proper asset liability match.

The twin NCD issuances have not only established a strong yield curve for your Company's financial instruments in the market but has also repositioned its borrowing portfolio into a more balanced mix of bank borrowings (41.90%), debt market instruments (41.80%), deposits (8.40%), National Housing Bank (4.00%) and External Commercial Borrowings (3.90%) and a better maturity profile.

The weighted average borrowing cost as at March 31, 2017 was 8.83% as against 9.67% in the previous year.

Your Company's total borrowings amounted to ₹ 81,341.24 crore as at March 31, 2017, as against ₹ 61,103.66 crore in the previous year. The Company's Asset-Liability Committee (ALCO), set-up in line with the guidelines issued by NHB, monitors asset-liability mismatches to ensure that there are no imbalances or excessive concentrations on either side of the Balance Sheet. The ALCO lays down policies and quantitative limits that involve assessment of various types of risks and shifts in assets and liabilities to manage such risks and ensures that the liquidity and interest-rate risks are contained within the limits laid down by the Board. Your Company continued to raise longer tenor borrowings in the financial year 2016-17, as well. Another strategy adopted to keep a balanced ALM was to enter into strategic partnership with banks that are keen on good quality assets and assign long tenor receivables to them at mutually beneficial terms.

ANNUAL REPORT ON CORPORATE SOCIAL RESPONSIBILITY (CSR) ACTIVITIES FOR FINANCIAL YEAR 2016-17

1. A brief outline of the Company's CSR Policy, including overview of projects or programmes proposed to be undertaken and a reference to the web-link to the CSR Policy and Programmes/ Projects.

The Company's Corporate Social Responsibility Policy, initially formulated in October 2012, and last revised and approved on April 30, 2014 by the Company's Board of Directors, aligns with the provisions of Corporate Social Responsibility under Section 135 of the Companies Act, 2013 read with Companies (Corporate Social Responsibility Policy) Rules, 2014 and Schedule VII of the Companies Act, 2013.

The Policy encompasses the Company's philosophy for delineating its responsibility as a Corporate Citizen and offers guidelines and mechanisms for undertaking socially useful programmes, for the welfare and sustainable development of the community and society at large. The Company is determined to undertake CSR activities strategically, systematically and more thoughtfully and encourage community development as against institutional building. The Company believes in delivering impactful solutions in collaboration with the community, government, like-minded corporate entities and social purpose organisations.

The Company in accordance with this policy and its business motto of 'Changing Rules, Changing Lives' has extended its philosophy to the social commitments by implementing programmes that promote education and create livelihood opportunities amongst marginalised communities, to uplift their lives. Financial Literacy and Inclusive Growth remain integral to all programmes and is included appropriately as a part of implementation of each programme. In alignment with this, the CSR Committee of the Board approved 4 core areas for identification of programmes/ projects amongst other programmes like environment protection, extension of medical facilities, health awareness etc, as detailed hereunder:

i. Early Childhood Care and Education (ECCE)

ECCE covers programmes for kids from prenatal to six years of age; and caters to their needs in all domains of development i.e. physical, motor, language, cognitive, socio- emotional, and creative and aesthetic appreciation, and ensures synergy with health and nutrition. This programme is delivered through Anganwadi centres (courtyard centres) as a part of the Integrated Child Development Services (ICDS) by the Ministry of Women and Child Development.

The Company has undertaken a transformation initiative to enhance the outcome of ECCE programme, through Anganwadis (courtyard centres), covering education, nutrition & health (RMNCH+A), infrastructure & WASH.

The programme, further supports stakeholder empowerment with forward & backward linkages and safety net for Anganwadi Workers through Self Help Group formations.

The Company has implemented this programme in partnership with the Department of Women and Child Development (WCD), Government of Maharashtra, through adoption of 996 Anganwadi centres in Palghar & Vasai Talukas of Palghar District, Maharashtra. The Programme impacts 50,000+ children and 30,000+ women and girls in these locations.

The ECCE programme has the below three components:

- **Education:** Build the capacity of Child Development Project Officers (CDPO), Supervisors, Anganwadi Workers and Sevikas to deliver pre-school education
- **Nutrition & Health (RMNCH+A):** Supplement government's nutritional efforts basis

gap analysis and cater to the health care requirements of children, pregnant mothers, lactating mothers and adolescent girls in the community.

- **Infrastructure & Wash:** Undertake repairs and renovation of Anganwadis, provision of safe drinking water facility, toilets, etc. and establish a replicable 'model' of Anganwadi centre.

ii. Skill Development

The Company delivers skilled programmes to youth from vulnerable populations, to empower them and create an ecosystem ensuring sustainable livelihoods. The programme is delivered through DHFL Skill Development Centres, in Kolhapur and Chandrapur.

This programme aims to train youth in the following traits:

- Business Correspondent – 500
- Loan Approval Officer – 500
- Mason – 250
- Carpenter – 250
- Electrician – 250
- Plumber – 250

The Centres are equipped to train 2000+ youth per year in the above trades.

The programme includes on-job trainings (OJTs) and ensures a minimum of 70% placement of the trained youth and post placement assistance for 6 months. The programme also creates linkages to various government welfare schemes like Mudra loans for self-employment.

The programme is deepening its impact through collaborations with gram panchayats, industrial bodies, corporate entities and developers for placement and up-skilling.

iii. Village Transformation with focus on Drought mitigation

This is a holistic programme for water conservation and prevention of soil erosion, enabling village transformation, through supporting initiatives in multi cropping, village infrastructure development and environment issues.

The programme aims to address short term and long term measures to mitigate the cause and effects of drought, thus alleviating poverty and implementing a comprehensive rural development programme. The Company has adopted five villages namely Babhulgaon,

Chincholi, Daregaon Dari, Nandra and Waghola for a three-year intervention, covering following key areas:

- Soil and Water Conservation
- Livestock Management
- Sustainable agriculture practices
- Sustainable community groups – Self Help Groups, Farmer Producing Organisations etc.
- Health and Sanitation in community 20,000+ farmers / villagers are impacted through this programme.

iv. Financial Literacy & Inclusive Growth

The Company has conceptualised and implemented a comprehensive programme to facilitate the journey from being 'financially illiterate' to 'financially sustainable', also aiding transition of informal settlements to formal housing, promoting Pradhan Mantri Awas Yojana.

This programme focuses on building community capacity through help centers & volunteers and facilitating skill development, livelihood linkages & linkages to various government welfare schemes; impacting 10,000 lives till August 2017 in urban slums of Jaipur, Rajasthan.

The Company has appointed a professional Project Management Unit named Samhita Social Ventures Ltd to undertake programme identification and evaluation, identification and diligence of implementation partners and enabling online monitoring tools to track progress of each programme at defined stages.

The CSR Policy of the Company has been outlined and uploaded on the Company's website and can be accessed at URL- <http://www.dhfl.com/about-us/corporate-social-responsibility/csr-policy/>. 6. The reasons for not spending the amount and proposed initiatives

The Company has been conceptualizing and implementing CSR programmes that are impactful and sustainable, through a collaborative approach. All programmes are aligned to meet community needs and address issues of national interest which require a long term strategic approach. The Company has identified four flagship areas of work as detailed in the earlier sections of this report. Each programme has been launched after a successful prototype and is now into its expansion phase into newer geographies.

The Early Childhood Care & Education (ECCE) programme in 2 talukas of Palghar district of Maharashtra has been recognized as 'best practice' in the Department of Women & Child Development, Government of Maharashtra's mobile app. The Company plans to extend to 4 more talukas within Palghar, to deliver a comprehensive programme covering education, nutrition & health and infrastructure upgrade. The programme during the next three years will cover 3000 Anganwadi centres, as against the 996 Anganwadi centres covered in financial year 2015-16 and financial year 2016-17.

Similarly, the Skill Development programme in Chandrapur & Kolhapur, Maharashtra will scale to cover other geographies and reach out to 1 lakh youth in the next three to five years, in association with the National Skills Development Corporation (NSDC). The Company further aims to focus on skilling & empowering women through specialised programmes.

The Company's financial literacy and inclusive growth programme has evolved as a comprehensive programme for economic empowerment to the vulnerable sections of the society since its inception in 2016. Based on its philosophy of enabling sustainable transformation of communities, the Company will take the programme to newer locations to aid transition from informal to formal housing and support the 'Housing for All by 2022' agenda and 'Skill India Mission', apart from facilitating 'financial sustainability' for households.

The Company's CSR spends are thus formed as per the programmes, spreading over 2-3 years. Hence, the expenses are planned for absorption on the life cycle of the programme. The CSR budgets for current year will thus be utilized over a span of the next year or two with an incremental addition to the budget year-on-year. Over the next 3-5 years, the Company is committed to making a significant investment through CSR, thus building communities that could actively participate in India's growth story.

7. A responsibility statement of the CSR Committee that the implementation and monitoring of CSR policy, is in compliance with CSR objectives and Policy of the Company.

The CSR Committee confirms that the CSR Policy as approved by the Board has been duly implemented and that the CSR Committee monitors the implementation of various projects and activities and the same is in compliance with the CSR objectives and policy of the Company.

DIVIDEND DISTRIBUTION POLICY

I. Preamble

Pursuant to the provisions of Regulation 43A of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended by Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) (Second Amendment) Regulations, 2016, ["Listing Regulations"] vide circular no. SEBI/LAD-NRO/GN/2016-17/008 dated July 8, 2016, the Board of Directors of the Company at its meeting held on October 17, 2016, have approved and adopted the Dividend Distribution Policy ["Policy"] of the Company.

Regulation 43A of the Listing Regulations makes it mandatory for the top five hundred listed entities based on their market capitalization calculated as on March 31 of every financial year to formulate Dividend Distribution Policy.

The Company being one of the top five hundred listed companies as per the market capitalization as on the last day of the immediately preceding financial year, i.e. March 31, 2016, frames this Policy to comply with the requirements of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

II. Objective

This Policy aims to ensure that the Company makes rationale decision with regard to the amount to be distributed to the equity and preference shareholders as dividend after retaining sufficient funds for the Company's growth, to meet its long-term objective and other purposes.

This Policy lays down various parameters which shall be considered by the Board of Directors of the Company before recommendation/ declaration of Dividend to its shareholders.

III. Definitions

- a. "Act" means the Companies Act, 2013 and rules made thereunder [including any amendments or re-enactments thereof]
- b. "Applicable laws" shall mean to include Companies Act 2013 and rules made thereunder, [including any amendments or re-enactments thereof], Securities

and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, [including any amendments or re-enactments thereof], Rules/guidelines/notifications/circulars issued by National Housing Bank and any other regulation, rules, acts, guidelines as may be applicable to the distribution of dividend.

- c. "Board" or "Board of Directors" shall mean Board of Directors of the Company, as constituted from time to time.
- d. "Company" shall mean Dewan Housing Finance Corporation Limited.
- e. "Dividend" includes any interim dividend; which is in conformity with Section 2(35) of the Companies Act, 2013 read with Companies (Declaration and Payment of Dividend) Rules, 2014.
- f. "Financial year" shall mean the period starting from 1st day of April and ending on the 31st day of March every year,
- g. "Free reserves" shall mean the free reserves as defined under Section 2 (43) of the Act.

IV. Parameters Governing the Distribution of Dividend

1. Factors for recommendation/ declaration of Dividend.

a. Internal factors (Financial Parameters)

The Board shall consider the below mentioned financial parameters for the purpose of recommendation/declaration of dividend:

- i. Current year's net operating profit
- ii. Capital expenditure and working capital requirements
- iii. Financial commitments w.r.t. the outstanding borrowings and interest thereon.
- iv. Financial requirement for business expansion and/or diversification, acquisition. etc. of new businesses.
- v. Provisioning for financial implications arising out of unforeseen events and/or contingencies.
- vi. Past dividend trend

b. External Factors

The Board shall also consider the below mentioned external factors at the time of taking a decision w.r.t recommendation/declaration of dividend:

- i. Applicable laws and Regulations including taxation laws.
- ii. Economic conditions
- iii. Prevalent market practices

2. Circumstances under which the shareholders of the Company may or may not expect dividend.

The decision to recommend/declare the dividend by the Board of Directors shall primarily depend on the factors listed out at point no. 1 above. However, the shareholders of the Company may not expect dividend in the below mentioned circumstances:

- i. In the event of a growth opportunity where the Company may be required to allocate a significant amount of capital.
- ii. In the event of higher working capital requirement for business operations or otherwise.
- iii. In the event of inadequacy of cashflow available for distribution.
- iv. In the event of inadequacy or absence of profits.

3. Manner of utilisation of Retained Earnings.

The Board of Directors of the Company may recommend/declare dividend out of the profits of the Company or out of the profits for any previous year or years or out of free reserves available for distribution of dividend, after consideration of the factors as stated at point no. 1 above. The Company shall ensure compliance with the requirements in this respect as laid down under the provisions of Section 123 of the Act and other applicable laws.

4. Other factors to be considered with regard to various classes of shares.

Pursuant to the approval of the Board of Directors at its meetings held on January 16, 2017, and the shareholders of the Company through postal ballot resolution dated February 22, 2017, the Company reclassified its authorized share capital. At present, the authorised share capital of the Company comprises of Equity and Preference shares.

Presently, the issued share capital of the Company comprises of only one class of equity shares of ₹10 each which rank pari passu with respect to all their rights. In the event the Company issues preference shares, equity dividend shall stand second in priority after payment of dividend to the preference shareholders.

In the event of the Company issuing any other class(es) of shares, it shall consider and specify the other parameters to be adopted w.r.t. such class(es) of shares.

V. General

- i) Pursuant to the provisions of Section 123 of the Act, Articles of Association of the Company and this Policy, the Board of Directors shall recommend the final dividend, which shall be declared by the Shareholders of the Company at the Annual General Meeting. The Board may also, from time to time, declare interim dividend which shall be subject to confirmation by the Shareholders at the Annual General Meeting.
- ii) The Company shall ensure compliance with the Applicable laws w.r.t. payment of dividend to the shareholders. It shall ensure that the amount of the dividend, including interim dividend, is deposited by the Company in a Scheduled bank in a separate account within five days from the date of declaration of such dividend.
- iii) Due regard shall be given to the restrictions/covenants contained in any agreement entered into with the lenders of the Company or any other financial covenant as may be specified under any other arrangement/ agreement, if any, before recommending or distributing dividend to the shareholders.

VI. Disclosures

The Company shall make appropriate disclosures in compliance with the provisions of the Listing Regulations, in particular the disclosures required to be made in the annual report and on the website (www.dhfl.com) of the Company.

In case, the Company proposes to declare dividend on the basis of the parameters in addition to those as specified in this Policy and/or proposes to change any of the parameters, the Company shall disclose such changes alongwith the rationale in the annual report and on its website.

VII. Review

The Board of Directors shall have the right to modify, amend or change any or all clauses of this Policy in accordance with the provisions of the Applicable laws/ Acts /Regulations or otherwise.

In case of any amendment(s), clarification(s), circular(s) etc. issued under any Applicable laws/ Regulations, which is not consistent with any of the provisions of this Policy, then such amendment(s), clarification(s), circular(s) etc. shall prevail upon the provisions hereunder and this Policy shall be deemed to be amended accordingly from the effective date as laid down under such amendment(s), clarification(s), circular(s) etc.

a. Name(s) of the related party and nature of relationship:

- i. DHFL Investments Limited [DIL], a wholly owned subsidiary of the Company wherein Mr. Kapil Wadhawan (Promoter and Chairman & Managing Director), Mr. G. P. Kohli (Independent Director) and Mr. V. K. Chopra (Independent Director) are Directors who are common to the Company and DIL.
- ii. Wadhawan Global Capital Private Limited [WGC], an entity forming part of the promoter group of the Company wherein Mr. Kapil Wadhawan (Promoter and Chairman & Managing Director), Mr. Dheeraj Wadhawan (Promoter and Non- Executive Director) and Mrs. Aruna Wadhawan, are promoters of WGC. Mr. Kapil Wadhawan, Mr. Dheeraj Wadhawan and Mr. G.P. Kohli (Independent Director) are directors who are common to the Company and WGC.
- iii. Mrs. Aruna Wadhawan is the mother of Mr. Kapil Wadhawan and Mr. Dheeraj Wadhawan and forms part of the promoter group of the Company.

b. Nature of contracts/ arrangements/ transactions

The Company entered into a transaction with its related parties i.e. WGC and DIL for sale of 100% of the shares held by the Company in DHFL Pramerica Life Insurance Company Limited (DPLI) [representing 50% of the paid up share capital of DPLI] at a fair market value ascertained by an internationally reputed actuarial consultants, to DIL. The subject transaction was undertaken in accordance with the provisions of Section 188 of Companies Act, 2013, Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and as per the approval of the Members of the Company.

The applicable regulatory approvals for the aforesaid transaction was also obtained from Competition Commission of India, Reserve Bank of India and Insurance Regulatory and Development Authority of India.

c. Duration of the contracts / arrangements/ transactions

The subject transaction was approved by the Members of the Company by way of a resolution passed through postal ballot on March 17, 2017. The Company transferred/sold its entire equity stake held in DPLI to DIL on March 31, 2017.

d. Salient terms of the contracts or arrangements or transactions including the value, if any

The Company acquired 50% of the equity share capital of DHFL Pramerica Life Insurance Company Limited (erstwhile DLF Pramerica Life Insurance Company Limited) ("DPLI") from DLF Limited in December, 2013, and entered into a joint venture

with Prudential International Insurance Holdings Limited ("Prudential"). Prudential currently holds 49% of the paid up equity share capital of DPLI and the balance 1% is held by Yardstick Developers Private Limited.

The Company's investment in DPLI (including the original cost of acquisition) was approximately ₹ 31,06,89,296 (Rupees thirty one crore six lakh eighty nine thousand two hundred and ninety six). In order to unlock the value of the Company's investment in DPLI, the Company transferred its entire shareholding in DPLI to DIL by way of Share Purchase Agreement at a fair market value.

An internationally reputed actuarial consultant, had set out the fair market value for the aforesaid transfer, as ₹2000.50 crore (Rupees two thousand crore and fifty lakh), which was within the preliminary range indicated in the Postal Ballot notice, dated February 14, 2017.

The Company made an investment of ₹ 100.05 crore (Rupees one hundred crore and five lakh) by way of subscription to 10,00,50,000 equity shares of ₹ 10 each of DIL.

In order to fund such acquisition DIL issued and allotted 190,10,00,000 (One Hundred Ninety Crore and ten lakh) non-redeemable, non-participating, fully, mandatorily and compulsorily convertible debentures of face value of ₹10 (Rupees ten) each ("CCDs") to WGC. The aforesaid CCDs would convert into equity shares of DIL after the expiry of 100 months and not later than 110 months, from the

date on which the CCDs were issued, in accordance with their terms. WGC would, post conversion of the CCDs, own a majority of the issued and paid-up share capital of DIL.

WGC funded the acquisition of the CCDs through its internal accruals and through market borrowings. The CCDs issued by DIL was pledged by WGC as collateral in favour of the lenders. In connection with its market borrowings, as per the agreements entered into with the Company, certain options may be exercised requiring the CCDs to be transferred to the Company in order to ensure that the underlying shares of DPLI remain within the group.

The subject transaction consummated on March 31, 2017.

e. Date(s) of approval by the Board, if any.

Prior approval of the Audit Committee and Board of Directors of the Company was obtained for entering into the aforesaid transaction on February 14, 2017.

f. Amount paid as advances, if any.

AUDITOR'S CERTIFICATE ON COMPLIANCE OF CONDITIONS OF CORPORATE GOVERNANCE

To
The Members,
Dewan Housing Finance Corporation Limited

1. We have examined the compliance of conditions of Corporate Governance by Dewan Housing Finance Corporation Limited ("the Company") for the year ended on March 31, 2017, as stipulated in Chapter IV of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").
2. The compliance of conditions of Corporate Governance is the responsibility of the Management. Our examination was limited to review the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
3. We have examined the relevant records of the Company in accordance with the Generally Accepted Auditing Standards in India, to the extent relevant, and as per the Guidance Note on Certification of Corporate Governance issued by the Institute of the Chartered Accountants of India.
4. In our opinion and to the best of our information and according to our examination of the relevant records and the explanations given to us and the representations made by the Directors and the Management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in applicable provisions of Listing Regulations during the year ended March 31, 2017.
5. We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Remuneration Policy

The Company has a duly formulated Nomination (including Board Diversity), Remuneration and Evaluation Policy (NRE Policy) as per the provisions of Companies Act, 2013 and the SEBI Listing Regulations which, inter-alia, lays down the approach to diversity of the Board, the criteria for identifying the persons who are qualified to be appointed as Directors and such persons who may be appointed as Senior Management Personnel of the Company and also lays down the criteria for determining the remuneration of the Directors, Key Managerial Personnel (KMP) and other employees and the process of their evaluation. During the year 2016-17, NRE Policy was amended on March 12, 2017 to align with the requirements of Policy on fit and proper criteria for the Directors. The said policy is available on the website of the Company at the URL: <http://www.dhfl.com/wp-content/uploads/2017/06/Nomination-Remuneration-Evaluation-Policy-Revised.pdf>

The attributes for appointment, components of the remuneration and the process of performance evaluation relating to the Directors, Key Managerial Personnel (KMP) and employees of the Company is explained below:

a. Appointment criteria, remuneration terms and performance evaluation of the Executive Director/Whole Time Director:

- The Executive Director/ Whole Time Director is appointed as per the applicable provisions of Companies Act, 2013 and rules made there under. The person to be appointed/ re-appointed as Executive Director/Whole Time Director is assessed against a range of personal attributes and

criteria which includes but is not limited to qualifications, skills, industry experience, and background. etc.

- The remuneration being paid to the Executive Director/ Whole Time Director carries a balance between fixed and incentive pay (commission, bonus. etc.) based on the performance objectives in relation to the operations of the Company. The Compensation (fixed salaries) paid to Executive Director/ Whole Time Director is competitive and reflects the individual's role, responsibility and experience in relation to performance of business operations of the Company. This includes salary, allowances and other statutory/non-statutory benefits. The remuneration paid to the Executive Director/ Whole Time Director also includes a variable component which is determined by the Committee/Board, based on the performance against pre-determined financial and non-financial parameters. The total managerial remuneration payable by the Company to the Executive Director/ Whole Time Director is within the limits prescribed under the Companies Act, 2013.

- The Executive Director/Whole Time Director is evaluated on the basis of his present performance (financial/non-financial) and his achievements against various key performance parameters as defined by the Board of Directors of the Company. The performance evaluation of the Executive Director/ Whole Time Directors is carried out by the Nomination and Remuneration Committee, the Independent Directors in a separate meeting, and by the Board of the Company without the presence of the Executive Director/ Whole Time Director being evaluated. The re-appointment of the Executive Director/ Whole Time Director is on the basis of the report of his performance evaluation.

b. Appointment criteria, remuneration terms and performance evaluation of the Non - Executive Director(s)/ Independent Directors:

- The NRE policy of the Company aims at promoting diversity on the Board. The Nomination and Remuneration Committee ensures that the Board at all times represents an optimum combination of Executive and Non-Executive Directors as well as Independent Directors with atleast one woman Director and not less than fifty percent of the Board comprising of Independent Directors. The selection of suitable candidate(s) for the directorship of the Company is based on various criteria viz. educational and professional background, personal achievements, experience, skills. etc.
- The Non - Executive Director is appointed as per the applicable provisions of the Companies Act, 2013 and rules made thereunder and assessed on various parameters such as qualification, relevant experience

and expertise, integrity, skill sets. etc. The appointment of Independent Directors is made in accordance with the provisions of Companies Act, 2013 and SEBI Listing Regulations. A formal letter of appointment is also issued to the Independent Directors upon their appointment. Independent Directors of the Company are not entitled to stock options.

- Commission, if any, paid to the Non-Executive Directors and the Independent Directors is within the monetary limits approved by the Members of the Company, subject to the overall ceiling of 1% of the net profits of the Company computed as per the applicable provisions of Companies Act, 2013. The sitting fees is paid to the Non-Executive Directors and the Independent Directors within the limits as prescribed under Companies Act, 2013. The Company also reimburses the expenses for attending the Board and other Committee meetings including travelling, boarding and lodging expenses to the Non-Executive Directors and the Independent Directors. The performance evaluation of the Non-Executive Directors and the Independent Directors is carried out by the Nomination and Remuneration Committee and the Board of the Directors excluding the director being evaluated. The performance evaluation of the Non-Executive Director is also carried out by the Independent Directors in a separate meeting. Re-appointment of a Director is based on the report of performance evaluation.

c. Appointment criteria, remuneration terms and performance evaluation of the Senior Management Personnel and other employees:

- The Company appoints KMP i.e. Whole Time Director, Chief Executive Officer, Chief Financial Officer, Company Secretary of the Company as per the provisions of Section 203 of the Companies Act, 2013. The Company recruits individuals with appropriate mix of skills, experience and personal attributes. For the appointment of employees, the criteria such as qualifications, skills, regional and industry experience, background and other qualities required to operate successfully in the respective position and the extent to which the appointee is likely to contribute to the overall effectiveness of the organization, work constructively with the existing team and enhance the efficiencies of the Company is considered.
- The remuneration for the Chief Executive Officer, Chief Financial Officer and Company Secretary at the time of the appointment is approved by the Board and any subsequent increments is approved by the Chairman & Managing Director of the Company as per the HR & NRE policy of the Company and the same is placed

before the Nomination and Remuneration Committee and the Board. The remuneration of the employees is determined, after considering the key factors like:

- i) The level and composition of remuneration should be reasonable and sufficient to attract, retain and motivate directors/executives and should be in line with the industry practice aimed at promoting the short term and long term interests and performance of the company.
 - ii) Relationship of remuneration to performance is clear and meets appropriate performance benchmarks.
 - iii) Remuneration will involve a balance between fixed and incentive pay reflecting short and long-term performance objectives appropriate to the working of the company and its goals.
- The performance of the other employees is evaluated on annual basis as per Company's and individual employees performance and contribution to the overall goals / objectives of the Company.

Details of the Evaluation Process

During the year 2016-17, the Nomination and Remuneration Committee in terms of the SEBI "Guidance Note on Board Evaluation" revised the evaluation/assessment parameters for the Directors (including the Independent Directors) of the Company and the Board as a whole (including the Board Committees) at its meeting held on January 16, 2017.

As per the provisions of Companies Act 2013 and SEBI Listing Regulations, the Nomination and Remuneration Committee carried out the evaluation of the performance of each Director of the Company at its meeting held on May 2, 2017. As a part of the performance evaluation process, self –assessment was also carried out by all the Directors (including the Independent Directors).

Pursuant to the report/feedback on the evaluation as carried out by the Nomination and Remuneration Committee and the Independent Directors in a separate meeting, the Board conducted the formal annual evaluation of its own performance, its Committees and the individual directors (without the presence of the director being evaluated) at its meeting held on May 3, 2017. Basis the said evaluation, the Nomination and Remuneration Committee made recommendations for the re-appointment of Mr. Kapil Wadhawan.

Criteria for evaluation of Board and its Committees

The evaluation of the Board and its committees were based on the criteria, inter-alia, covering various assessment parameters like structure and composition, frequency & duration of meetings, its processes and procedures, effectiveness of the Board/ committees, its financial reporting process including internal controls, review of compliances under various regulations, adequate discharge of responsibilities entrusted under various regulations and/ or terms of reference of the committees etc.

Criteria for evaluation of Individual Directors

The criteria for evaluation of performance of the individual Directors included various parameters viz. attendance & participation during the meetings, their active contribution & independent judgment, cohesiveness, discussions/ deliberations on important matters, understanding of the Company, etc. The Chairman and Managing Director, in addition to the above, was also evaluated on his achievements against various key performance parameters (financial / non-financial) for the financial year 2016-17.

9. OTHER DISCLOSURES

i. Disclosures on materially significant related party transactions that may have potential conflict with the interests of the Company at large.

During the year 2016-17, the Company entered into one material related party transaction in terms of applicable provisions of Companies Act, 2013, SEBI Listing Regulations and Related Party Transaction Policy of the Company.

The Members of the Company approved entering into a related party transaction with Wadhawan Global Capital Private Limited (WGC), a promoter group entity and DHFL Investments Limited ["DIL"], a wholly owned subsidiary of the Company, by way of an ordinary resolution, with the requisite majority on March 17, 2017.

Pursuant to the necessary approvals, on March 31, 2017, the Company transferred/sold its entire equity stake held in the Joint Venture Company namely DHFL Pramerica Life Insurance Company Limited ["DPLI"] (representing 50% of the paid up equity share capital of DPLI) at a fair market value of ₹ 2000.50 crore, ascertained by an internationally reputed actuarial consultant, to DIL.

WGC funded the acquisition of the Compulsorily Convertible Debentures [CCDs] issued by DIL through its internal accruals and through market borrowings. The CCDs issued by DIL was pledged by WGC as collateral in favour of the lenders. In connection with its market borrowings, as per the agreements entered into with the Company, certain options may be exercised requiring the CCDs to be transferred to the Company in order to ensure that the underlying shares of DPLI remain within the group.

However, the above related party transaction did not have any potential conflict with the interests of the Company at large.

All other related party transactions entered by the Company were largely in the ordinary course of business and on an arm's length pricing basis. The disclosure as per the requirements of Accounting Standard 18 and SEBI Listing Regulations are disclosed at Note No. 36 of the Notes forming part of the audited (standalone) financial statements forming part of this Annual Report.

The approval of the Board of Directors, as applicable, is obtained by the Company before entering into any related party transaction. However, prior approval of the

Audit Committee is obtained for entering into all related party transactions. A quarterly update is also given to the Audit Committee and the Board of Directors on the related party transactions undertaken by the Company with their respective approvals, for their review and consideration.

Pursuant to the Housing Finance Companies – Corporate Governance (National Housing Bank) Directions, 2016, Related Party Transaction Policy is being made part of this Annual Report as an Annexure to the Board's Report. The Policy has also been uploaded on the Company's website and is available at URL: <http://www.dhfl.com/wp-content/uploads/2017/05/Related-Party-Transaction-Policy.pdf>

ii. Details of non-compliance by the Company, penalties and strictures imposed on the Company by Stock Exchanges or SEBI or any statutory authority, on any matter related to capital markets, during the last three years.

The Company has a duly adopted Whistle Blower Policy and established a vigil mechanism in line with the provisions of SEBI Listing Regulations and Companies Act, 2013, which aims to provide a mechanism to the employees and directors of the Company to report instances of unethical behavior, actual or suspected fraud or violation of the Company's code of conduct or ethics policy. It also provides for adequate safeguards against victimization of Directors and employees who avail the mechanism and provides for direct access to the Chairman of the Audit Committee, in exceptional cases.

It is affirmed that no personnel has been denied access to the Chairman of the Audit Committee during the financial year 2016-17.

iv. Code of Conduct for the Board of Directors and Senior Management Personnel

The Company has a duly approved Code of Conduct for the Board of Directors and Senior Management

Personnel ["Code"] of the Company in place in terms of the requirements of SEBI Listing Regulations. The subject Code identifies and lists out various elements of commitment, duties and responsibilities that serves as a basis for taking ethical decision-making in the conduct of day to day professional work. The Code requires the Directors and employees to act honestly, ethically and with integrity and in a professional and respectful manner.

During the year, in light of the SEBI (Listing Obligations and Disclosure Requirements) (Third Amendment) Regulations, 2016, the Code was amended by the Board of Directors at their meeting held on January 16, 2017 to include a new clause which required every employee including Senior Management Personnel, Key Managerial Persons, Directors and Promoters of the Company to obtain a prior approval of the Board of Directors of the Company and Shareholders at the general meeting of the Company, before entering into any agreement for themselves or on behalf of any other person, with any shareholder or any other third party with regard to compensation or profit sharing in connection with dealings in the securities of the Company.

The Board of Directors and Senior management personnel have provided their affirmation to the compliance with this code. A declaration regarding compliance by the Board of Directors and the Senior Management Personnel with the said Code of Conduct duly signed by the Chief Executive Officer forms part of this Annual Report.

The said code has been posted on the Company's website and is available at URL: <http://www.dhfl.com/wp-content/uploads/2017/01/Code-of-Conduct-for-the-Board-and-the-Senior-Mgmt-Personnel.pdf>

v. CEO /CFO Certification

Business Responsibility Report

INTRODUCTION

The Securities and Exchange Board of India (SEBI) in 2012 mandated the top 100, and later in 2015 the top 500 listed entities on National Stock Exchange of India Limited and BSE Limited to prepare a 'Business Responsibility Report' as part of the Annual Report. This is as per clause (f) of sub regulation (2) of Regulation 34 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The report outlines the organization's performance from the environmental, social and governance perspective.

Dewan Housing Finance Corporation Limited ("DHFL") being part of the top 500 listed entities has developed this Business Responsibility Report based on the suggested framework of SEBI, strengthening its commitment towards transparent disclosure of its environmental and social performance.

Recognizing the prevalent sentiment attached to having one's own home, DHFL set out on a mission to help the citizens fulfill their dreams and was thus established with the objective of providing affordable housing and housing-loans to people from all strata of society. With a focus on the Lower & Middle Income (LMI) segments, DHFL is ushering a new wave of financial inclusion by enabling access to affordable housing finance in semi-urban and rural parts of India.

Continuing on the Company's mission to tackle social issues, DHFL is committed to monitor and report on its other social and environmental performance with the aim of providing a clear picture to the stakeholders and investors.

Section E: Principle-wise performance

Principle 1 (P1): Businesses should conduct and govern themselves with Ethics, Transparency and Accountability

The long term growth and success of DHFL depends on maintaining the highest standards of ethical behavior both within and outside the organization. The Company is committed to ensuring that the employees, directors and business associates adhere to compliance with the law and exercise professionalism in every sphere of business.

To drive the spirit of ethical behavior in the organization, the Company has in place the Code of Business Ethics (COBE) which aims at promoting moral behavior, acts as a guideline for ethical decision-making, enhances reputation, prevents negative legal consequences, encourages positive relationships, and prevents discrimination or harassment.

The Company's COBE is essentially a summary of certain policies which is expected to be adhered to by all employees, failure of which can result in disciplinary action up to and including termination.

Some of the key policies in this code are:

- Maintaining accurate books and records
- Business use of equipment, data, and software
- Protecting confidential information
- Avoiding conflict of interest
- Maintaining a drug-free workplace
- Equal opportunity for employment
- Employee conduct and standards
- Prevention of sexual harassment
- Prevention of insider trading
- Release of financial information

1 Does the policy relating to ethics, bribery and corruption cover only the company? Yes/ No. Does it extend to the Group/Joint Ventures/ Suppliers/Contractors/NGOs / Others?

The reputation of the Company, the quality of the Company's work-place experience, and the satisfaction of its obligations to the shareholders depend on each of the employees, directors, and business associates respecting and abiding by the various policies as outlined in the COBE.

2 How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so.

During the reporting period, the Company received 965 complaints 45 Complaints w.r.t. Equity Shares, 892 w.r.t.

Public Issue of Secured Redeemable Non-Convertible Debentures and 28 w.r.t. Fixed Deposits, and all have been resolved satisfactorily. It is the Company's endeavor to provide the best service to all stakeholders and resolve any complaints that may arise at the earliest.

Principle 2 (P2): Businesses should provide goods and services that are safe and contribute to sustainability throughout their life cycle

Sustainable products and services are those that provide environmental, social and economic benefits while protecting public health and environment over the complete life cycle. Being a pioneer in providing housing loans for the LMI segment, the Company's journey towards sustainable development centers around societal improvement through making affordable housing available to all sections of society. By considering the hardships felt by members from LMI segments, DHFL has tailor-made products that specifically cater to their needs and address their concerns.

1 List up to 3 products or services whose design has incorporated social or environmental concerns, risks, and/or opportunities.

DHFL was created on the principles of social inclusion and welfare, when its founder Chairman Late Shri Rajesh Wadhawan dreamt of housing for all in 1984. Since inception, the core focus segment for lending has been the lower and middle income segment of the society. Even today, majority of its home loan portfolio is below ₹ 30 Lac ticket size. This essentially describes the Company's vow to serve the weaker section of the society and in doing so contribute towards the cause of social upliftment and inclusion.

Under the Government of India's initiative - 'Pradhan Mantri Awas Yojana', the Company has also introduced 'Jan Awas Home Loans' exclusively for economically weaker sections of society, under the Credit Linked Subsidy Scheme (CLSS). This scheme is in-line with the Government's initiative "Housing for all by 2022" and aims at making the dream of owning a house a reality for thousands of Indians.

2 For each product, provide the following details in respect of resources (energy, water, raw material etc.) per unit of product (optional)

As a financial services organization, the Company is not directly involved in the building process, post the disbursement of loans. However, it endeavors to identify projects which are planned for green building certification by the Indian Green Building Council (IGBC) and Green Rating for Integrated Habitat Assessment (GRIHA).

3 Does the company have procedures in place for sustainable sourcing (including transportation)?

In its business operations, the Company has taken noteworthy initiatives like making use of online/digital platforms for the application process thus saving paper on a large scale. Further to this, it also introduced e-board meetings which are conducted in a completely paperless manner thus making significant efforts to reduce the consumption of resources, specifically paper, wherever it can.

4 What percentage of the inputs were sourced sustainably?

As the Company is in the business of providing financial services and is not involved in any manufacturing activities, there were no significant inputs that can be sourced sustainably.

5 Has the company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work?

As the Company is in the business of providing financial services and work predominantly out of offices, the scope for procurement of goods from local and small producers is very limited.

6 Does the company have mechanism to recycle products and waste? If yes, what is the percentage of recycling waste and products?

The Company is in the process of moving its National office to a new IGBC Certified Green Building that will provide a comfortable and conducive environment for the employees while also providing intangible benefits like enhanced air quality, excellent daylighting, improved health & well-being of the occupants, safety benefits and conservation of national resources.

The Green Building will ensure that during construction, most of the resulting construction waste will be recycled and reclaimed as much as possible while the rest will be sent to facilities that will dispose of them without contaminating the environment. Similarly, post construction, effective solid waste management will ensure that whatever waste is generated will be disposed of in a responsible manner.

Principle 3 (P3): Businesses should promote the wellbeing of all employees

The Company's business success is directly related to the performance of its employees. Especially in a service-oriented industry, the key assets - its employees, are significant in driving business growth.

To ensure that DHFL has motivated and high-performing employees, it takes numerous steps towards improving working conditions, providing a safe workplace, protecting their interests & human rights, and developing their skillset both on a personal and professional level to continue to keep them engaged and productive.

The Human Resources team continues to look after the wellbeing of employees and addresses their concerns to ensure they continue to deliver at the highest level, thus sustaining the business in the long run.

Workforce

1 Please indicate the Total number of employees.

As on March 31, 2017, there were 2,881 permanent employees in the Company.

2 Please indicate the Total number of employees hired on temporary/contractual/casual basis.

There are no employees hired on temporary/casual basis. However, the Company does have 4,457 number of outsourced employees, majority being employed in sales and non-sales functions of the Company

3 Please indicate the Number of permanent women employees.

There were 248 women employed in the Company as on March 31, 2017.

4 Please indicate the Number of permanent employees with disabilities

There are currently 2 employees with disabilities.

5 Do you have an employee association that is recognized by management?

No such associations exist

6 What percentage of your permanent employees is members of this recognized employee association?

This is not applicable.

Employee grievance handling mechanism

An effective grievance handling mechanism ensures a cordial work environment as it redresses the grievance to mutual satisfaction of both the employees and the management. It also helps the management in framing policies and procedures acceptable to the employees. Thus, it becomes an effective medium for the employees to express their feelings, discontent and dissatisfaction openly and formally and guarantees a resolution or response to their concerns. The Company's current grievance handling process requires employees to email their concerns. The Company is in the

process of transitioning to a system where the employees can make use of the intranet to disclose their grievances. The Company has also formulated a Policy on Prevention, Prohibition & Redressal of Sexual Harassment of Women at Workplace and an Internal Committee has been constituted thereunder to resolve any grievances relating thereto.

The Company also has in place a Whistle Blower Policy, which provides for a vigil mechanism that encourages and

supports its Directors and employees to report instances of illegal activities, unethical behavior, actual or suspected, fraud or violation of the Company's Code of Conduct and Code of Business Ethics. It also provides for adequate safeguards against victimization of persons who use this mechanism and direct access to the Chairman of the Audit Committee in exceptional cases.

- 7 Please indicate the Number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and pending, as on the end of the financial year.

S. No.	Category	No of Complaints filed during the financial year	No of complaints pending as on end of this financial year
1	Child labour/forced labour/involuntary labour	NIL	NIL
2	Sexual harassment	1	NIL
3	Discriminatory employment	NIL	NIL

Training and Development

Employees who receive the necessary and frequent training become more aware of the best practices and appropriate procedures for work-related tasks. The trainings provided may also build employees' confidence as they will possess a stronger understanding of the industry and the responsibilities of their job. This confidence may push them to perform even better and think of new ideas that will help them excel in their professional lives. Continuous training also helps to keep employees on the cutting edge of industry developments. Employees who are competent and on top of changing industry standards will also help DHFL hold its position as a leader and remain a strong competitor within the industry. The Company provides a number of skill-based trainings along with mandatory trainings on KYC& AML and also COBE, and Anti-Fraud and Ethics as part of the employee induction program.

- 8 What percentage of your under mentioned employees were given safety & skill up-gradation training in the last year?

Category	Skill-upgradation Training	Safety Training
Permanent employees	95.27%	100%
Permanent employees with Disability	100%	100%

Principle 4 (P4): Businesses should respect the interests of, and be responsive to the needs of all stakeholders, especially those who are disadvantaged, vulnerable, and marginalized.

DHFL's stakeholders both internal and external are critical to the success and growth of the organization. Along with identifying them, DHFL understands the importance of engaging and communicating with them. This helps the Company in recognizing their concerns and catering to their needs. The investor relations department looks after retail and institutional investors and frequently connects with them through periodic earning calls as well as impromptu calls as and when needed.

The Company also engages with different banks to promote and offer affordable housing banking schemes to stakeholders coming from economically weaker sections of society. In doing so it strives for easier processing of loans which addresses the primary concern of customers from LMI segments who are generally not that familiar and confident with formal banking mechanisms.

- 1 Has the company mapped its internal and external stakeholders?

Yes, the Company has identified and mapped its internal and external stakeholders.

2 Out of the above has the company identified the disadvantaged, vulnerable, and marginalized stakeholders?

The Company has identified the people from low income sections of society as those stakeholders who are in most need of intervention and support. On these lines the Company has designed its efforts along the focus areas of:

- Women empowerment and skilling
- Early childhood care & education
- Village development through awareness and resource efficient practices

3 Are there any special initiatives taken by the company to engage with the disadvantaged, vulnerable and marginalized stakeholders? If so, provide details thereof, in about 50 words or so.

For the development of villages in rural areas, the Company has taken on the challenge of increasing the water level through water conservation activities which have resulted in saving 30 crore liters in 6 months, since its intervention.

The Company has recognized that a majority of the villagers rely on wood as their primary source of fuel for domestic purposes. This not only results in fumes that are harmful to the environment, but could also result in medical complications for the villagers. To discourage the use of wood as fuel, the Company has introduced smokeless chulhas in the villages and given instructions as well as training to the members on how to use these chulhas which would benefit them greatly.

The Company also leveraged its relationship with the banking fraternity to facilitate micro-financing for customers from economically weak sections of society i.e. priority sector lending

Principle 5 (P5): Businesses should respect and promote human rights

Protecting human rights is closely linked to advancing the long-term, sustainable development of the organization. This is instrumental to achieving the Company's goals of employee satisfaction, increased productivity, and economic growth. As a responsible organization DHFL is committed to protecting the rights of the employees as well as business associates. The Company strives to incorporate human rights considerations in all relevant business decisions and take appropriate steps to ensure no discrimination takes place either during the recruitment process or in the due course of employment at DHFL. It is committed to provide equal opportunities to all employees and all qualified applicants for employment,

without consideration to their race, caste, religion, color, ancestry, marital status, sex, age, nationality, disability and veteran status. The Company ensures that its employees are treated with dignity to maintain a work environment free of harassment, whether physical, verbal or psychological.

DHFL is also committed to providing easy access to grievance reporting mechanisms for the stakeholders in the event of any adverse impacts that occur during the business operations.

1 Does the policy of the company on human rights cover only the company or extend to the Group/Joint Ventures/Suppliers/Contractors/NGOs/Others?

DHFL's human rights policy is based on valuing and protecting human rights. The Company adheres to all statutes which embodies the principles of human rights such as prevention of child labour, woman empowerment etc. It also promotes awareness of the importance of human rights within the value chain and discourages instances of any abuse among the business partners.

2 How many stakeholder complaints have been received in the past financial year and what percent was satisfactorily resolved by the management?

The Company takes its stakeholders' concerns very seriously and makes every effort to resolve all the complaints it receives. It was ensured that all of the stakeholder complaints received in the reporting year were resolved satisfactorily.

Principle 6 (P6): Businesses should respect, protect, and make efforts to restore the environment

Businesses today are under constant scrutiny with regards to their impact on the environment, both positive and negative. Stakeholders today are aware of the harmful effects of climate-change and environmental degradation. A responsible business is one where the risks posed to the environment are identified at an early stage and mitigated by employing innovative and efficient technology, utilizing renewable sources of energy, and minimizing the generation of waste.

Looking after environmental health is crucial to ensuring that the current and future generations, can all live without concern for health and wellbeing arising due to the effects of climate-change.

1 Does the policy related to Principle 6 cover only the company or extend to the Group/Joint Ventures/Suppliers/Contractors/NGOs/Others?

While working to serve the needs of its customers the Company is also aware of its responsibilities towards

protecting the environment. The Company's Sustainable Development policy provides guidance for its activities to ensure that the harm caused to the environment is minimized. It also outlines the expectations from the external business associates on similar lines.

2 Does the company have strategies/ initiatives to address global environmental issues such as climate change, global warming, etc.?

Protecting the environment is important to DHFL. While the Company's direct impact on the environment may not be very significant due to the nature of the business, it still has a role to play in ensuring that the indirect results of its activities do not harm the environment. The Company is aware of the rising concerns of climate change, and global environmental issues. These issues are not only of concern to the community but also to the Company's long-term growth and sustainability.

DHFL places special focus for tackling environmental issues related to societal upliftment, and during the appraisal of its projects for lending, only such projects are considered which ensure total compliance towards environmental clearances.

DHFL constantly looks to associate with builders who are involved in constructing buildings following Green Building criteria. These buildings are designed to reduce the overall impact on the environment by efficiently using energy, water and other resources.

3 Does the company identify and assess potential environmental risks?

As part of the Company's risk evaluation criteria, DHFL takes into consideration the environmental risks and impacts of the projects in the evaluation phase. It does not sanction loans for projects that do not have the requisite Environmental Clearance certificates. The Company is also careful when it comes to providing loans for properties that pose an environmental risk or are not eco-friendly as per existing evaluation criteria.

In this manner, it fulfills its responsibilities to ensure that the Company is not associated with any projects that could have adverse effects on the environment.

4 Does the company have any project related to Clean Development Mechanism? If so, provide details thereof in about 50 words or so. Also, if Yes, whether environmental compliance report is filed?

The Company, currently, does not have any projects related to Clean Development Mechanism.

5 Has the company undertaken any other initiatives on – clean technology, energy efficiency, renewable energy, etc.? Y/N. If yes, please give hyperlink for web page etc.

DHFL is currently in the process of moving its National office to a new building which is a Green Building certified by IGBC. Moving to this new building will help the Company minimize and eliminate negative impacts to the environment. It will also help in reducing the waste generated and curbing pollution.

In the business operations, the Company has moved to a paperless processes both within the business through e-meetings, as well as with the customers through app and web-based applications for loans. By minimizing the use of paper, the Company is able to reduce its dependency on this resource.

6 Are the Emissions/Waste generated by the company within the permissible limits given by CPCB/SPCB for the financial year being reported?

While the Company currently does not have mechanisms for measuring the waste generated, it is proactive in its efforts to minimize the amount of waste generated in the offices.

7 Number of show cause/ legal notices received from CPCB/SPCB which are pending (i.e. not resolved to satisfaction) as on end of Financial Year.

The Company has not received any show cause notices from either CPCB or SPCB in the reporting year.

Principle 7 (P7): Businesses, when engaged in influencing public and regulatory policy, should do so in a responsible manner

Organizations play a vital role in the development and implementation of public policy to promote a well-informed and empowered society. By effectively using memberships in associations and trade chambers, DHFL can be closer to the real problems of the people. Effective advocacy develops the Company's capacity to achieve the greatest good for the greatest number of people and communities it serves. The Company's active participation in important national level initiatives and associations are a testimony to the commitment towards responsible development.

1 Is your company a member of any trade and chamber or association? If Yes, Name only those major ones that your business deals with:

Yes, DHFL holds active memberships in associations

where it can influence policies for development of public good. The Company is a member of the following associations where it actively participates in consultations and discussions for driving changes.

- ASSOCHAM (Associated Chambers of Commerce of India)
- IAMAI (Internet and Mobile Association of India)
- CII (Confederation of Indian Industry)
- NAREDCO (National Real Estate Development Council)
- Indian Merchants' Chambers.

- 2 Have you advocated/lobbied through above associations for the advancement or improvement of public good? Yes/No; if yes specify the broad areas (Governance and Administration, Economic Reforms, Inclusive Development Policies, Energy security, Water, Food Security, Sustainable Business Principles, Others)
- DHFL's memberships in the above associations have helped in exchanging ideas/views and understanding the other industry practices on regulatory platforms. Through collaborative discussions and consultations, the Company is able to engage in activities and decision making that is in the interest of customers and community in general.

Principle 8 (P8): Businesses should support inclusive growth and equitable development.

Rapid economic growth in the country often fails to tackle the overarching elements of poverty, unemployment and inequality. Therefore, there is a need to address the quality and inclusiveness of economic growth with the aim of creating shared value for organizations as well as the society.

As one of India's leading financial institutions, DHFL has been instrumental in enabling access to home ownership amongst the lower and middle income (LMI) segment for over three decades, with a belief that one's own home, is synonymous with hope and aspiration.

This underscores the Company's business ethos of 'Changing Rules. Changing Lives.' and also influences its CSR initiatives across education, skill development, rural development and financial literacy & inclusive growth.

- 1 Does the company have specified programmes/ initiatives/projects in pursuit of the policy related to Principle 8? If yes details thereof.

'Sharmaji ke Sawal. Vinodji ke Jawab.'

'Sharmaji ke Sawal. Vinodji ke Jawab', DHFL's flagship program is a comprehensive one, conceptualized and implemented under its CSR arm, to facilitate the journey from being 'financially illiterate' to 'financially sustainable', while also aiding transition of informal settlements to formal housing. This programme is aligned with the vision of the Pradhan Mantri Awas Yojana.

This programme is designed on three pillars:

- 1 Building community capacity through help centres and volunteers
- 2 Facilitating skill development and livelihood linkages
- 3 Enabling linkages to various government welfare schemes

This programme identifies and nurtures local field officers from each community, and equips them by handholding for twelve months, to lead/function as Independent Financial Advisors/ DSAs/ Channel Partners/ Referral Partners/ Real Estate Brokers. This creates a lasting and sustainable legacy within the community.

The programme also supports the Government's affordable housing mission, "Housing for All 2022", which aims to see every Indian family in a pukka house by 2022, thereby, setting low-income households on a path to financial sustainability.

- 2 Are the programmes/projects undertaken through in-house team/own foundation/external NGO/ government structures/any other organization?

'Sharmaji ke Sawal. Vinodji ke Jawab' is implemented with the help of Saath Livelihoods, the social enterprise arm of SAATH charitable trust. However, DHFL has considerable expertise towards implementing successful programmes within financial literacy and affordable housing for poor, urban communities and vulnerable populations and understands the need of low-income communities. Various programs/projects are undertaken primarily by the in-house teams of the Company with the assistance of the implementing partners as and when required.

- 3 Have you done any impact assessment of your initiative?

The programme has been implemented in Jaipur and

Rajasthan, since September 2016 and initial engagement has been very strong with the community, especially amongst women. Quarterly reporting for tracking the programmes performance is being done against key indicators and an annual report in September 2017 will take a first look at both the qualitative and quantitative outcomes.

- 5 **Have you taken steps to ensure that this community development initiative is successfully adopted by the community? Please explain in 50 words, or so.**

DHFL is keen on ensuring the adaptability of projects in the communities and thus it plans the exit timelines before beginning the project. In doing so, it is able to set a measurable timeline to fully execute the activities while being confident of the project being able to sustain even after it leaves the community. The Company has ensured that a group of trained, local individuals (field officers) from the community itself would be able to provide continued support to the program even after the end of its direct intervention.

Principle 9 (P9): Businesses should engage with and provide value to their customers and consumers in a responsible manner.

At DHFL, customer engagement involves actively building, nurturing, and managing the relationships with its customers. Everything the Company does is centered on providing the best of services and products to the customers coming from all sections of society. The Company's efforts towards responsible business include providing affordable housing solutions to customers and promoting environmentally friendly projects. The Company considers the feedback and opinion of the customers as critical keys to its growth and every effort is taken to address all concerns and findings from these interactions.

- 1 **What percentage of customer complaints/consumer cases are pending as on the end of financial year?**

As on end of the financial year, the Company received 720 complaints from the customers (borrowers) and has satisfactorily resolved 99% of these complaints. It aims to achieve a 100% resolution rate to show its commitment to each and every stakeholder and assure them of excellent service.

- 2 **Does the company display product information on the product label, over and above what is mandated as per local laws? Yes/No/N.A. /Remarks (additional information)**

As DHFL is in the business of providing housing & other loans, it does not have any product labels as such. The advertising is made as transparent as possible and carries

all relevant information and instructions for customers to make an informed decision.

- 3 **Is there any case filed by any stakeholder against the company regarding unfair trade practices, irresponsible advertising and/or anti-competitive behavior during the last five years and pending as on end of financial year. If so, provide details thereof, in about 50 words or so.**

There are no complaints filed against the Company regarding unfair trade practices, irresponsible advertising and/or anti-competitive behavior during the last 5 years.

- 4 **Did your company carry out any consumer survey/ consumer satisfaction trends?**

The activity of carrying out the customer satisfaction survey is approved by the CEO, legal and compliance heads. For the same, the Company employs a Third Party Agency (TPA) and the process is as follows:

The consumer satisfaction survey is carried out to understand the feedback of our customers (HL and FD) regarding their experience in dealing with DHFL. This exercise is carried out on a periodic basis (monthly). An appropriate monthly sample size is decided in advance and customers are selected randomly to achieve those numbers. A topline report is generated every month which gives scores on multiple service related parameters. In this manner the Company is able to gauge the satisfaction levels of its customers and work towards improving their experience.

Independent Auditors' Report

To the Members of Dewan Housing Finance Corporation Limited

REPORT ON THE STANDALONE FINANCIAL STATEMENTS

We have audited the accompanying standalone financial statements of Dewan Housing Finance Corporation Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2017, and the Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information, in which are incorporated the Returns for the year ended on that date audited by the branch auditors of the Company's branches/offices at 241 locations.

MANAGEMENT'S RESPONSIBILITY FOR THE STANDALONE FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provision of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of the appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and fair presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the standalone financial statements. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

OPINION

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2017, and its profit and its cash flows for the year ended on that date.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government

of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.

2. As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books and proper returns adequate for the purpose of our audit have been received from branches not visited by us;
- c) The reports on the accounts of the branch offices of the Company audited under Section 143 (8) of the Act by branch auditors have been sent to us and have been properly dealt with by us in preparing this report;
- d) The Balance Sheet, Statement of Profit and Loss and Cash Flow Statement dealt with by this report are in agreement with the books of account and with the returns received from branches not visited by us;
- e) In our opinion, the aforesaid standalone financial statements comply with the accounting standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- f) On the basis of written representations received from the directors as on March 31, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2017, from being appointed as a director in terms of Section 164(2) of the Act;
- g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting;

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rules 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

- i) The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements as referred to in Note 30 to the standalone financial statements;
- ii) The Company has no material foreseeable losses on long-term contracts including derivative contracts, as required under the applicable law or accounting standards.
- iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company, except that the amount of ₹705/- payable for the month of March 2017, has been transferred to IEPF in the month of April, 2017.
- iv) The Company has provided requisite disclosures in the standalone financial statements as to holdings as well as dealings in Specified Bank Notes during the period from November 8, 2016 to December 30, 2016. Based on audit procedures and relying on the management representation, we report that the disclosures are in accordance with books of account maintained by the Company and as produced to us by the Management as referred to in Note 40 to the standalone financial statements.

Annexure B to the Independent Auditors' Report

"Annexure B" to Independent Auditors' Report referred to in paragraph 2(f) under the heading "Report on other legal and regulatory requirements" of our report of even date.

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the Internal Financial Control over financial reporting of **Dewan Housing Finance Corporation Limited** ("the Company") as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year then ended.

MANAGEMENT RESPONSIBILITY FOR THE INTERNAL FINANCIAL CONTROLS

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether

adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the standalone financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

The Company is deposit taking Housing Finance Company registered with National Housing Bank (NHB) under Section 29A of the National Housing Bank Act, 1987.

2 SIGNIFICANT ACCOUNTING POLICIES:

2.1 Basis of preparation of financial statements :

- a) These financial statements are prepared and presented in accordance with the Generally Accepted Accounting Principles (GAAP) under historical cost convention on accrual basis of accounting and comply with the Accounting Standards as prescribed under Section 133 of the Companies Act, 2013 and the guidelines issued by the National Housing Bank.
- b) The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities (including contingent liabilities) on the date of financial statements and the reported amount of revenues and expenses during the reporting period. Management believes that the estimates used in preparation of the financial statement are prudent and reasonable. The future results could differ due to these estimates and the differences between the actual results and estimates are recognised in the periods in which the results are known / materialise.
- c) Based on the nature of its activities, the Company has determined its operating cycle as 12 months for the purpose of classification of its Assets and Liabilities as current and non-current.

- d) Amounts in the financial statements are presented in ₹ Lakh, except for per share data and as otherwise stated.

2.2 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. In addition, the following criterias must also be met before revenue is recognised:

- a) **Interest on housing loans and other assets:**
Repayment of housing loans is by way of Equated Monthly Installments (EMI) comprising principal and interest. Interest is calculated each period on the outstanding balance at the beginning of the Company's financial year or on monthly reducing balance in terms of financing scheme opted by the borrower. EMI generally commences once the entire loan is disbursed. Pending commencement of EMI, pre-EMI monthly interest is payable.

Interest on performing assets comprising of fixed deposits, Certificate of Deposits, Debentures etc. are recognised on accrual basis and on non-performing assets on realisation basis as per the guidelines prescribed by the National Housing Bank.

- b) Dividend income on investments is recognised when the right to receive the same is established. In term of Housing Finance Companies (NHB) Direction 2010 Dividend Income on units of Mutual Funds held by the Company are recognised on Cash Basis.
- c) Processing fees and other loan related charges are recognised when it is reasonable to expect ultimate collection which is generally at the time of Login/disbursement of the loan.

Notes

forming part of the financial statements for the year ended March 31, 2017

- d) Additional / Overdue /penal interest / charges on delayed EMI/PEMI are recognised only when it is reasonably certain that the ultimate collection will be made.
- e) Income from services including trade mark license fees is recognised after the service is rendered and to the extent it is probable that the economic benefits will flow to the Company and that the revenue can be reliably measured.

2.3 Interest & Ancillary Financial Cost :

Interest and other related financial charges are recognised as an expense in the period for which they relate as specified in Accounting Standard (AS 16) on "Borrowing Costs". Ancillary costs in connection with the borrowings and deposit are amortised to Statement of Profit and Loss over the tenure of loan/deposit. Brokerage on deposits taken is amortised over the period of deposit.

Share / debenture issues expenses and premium / discount on issue of debentures (net of tax) are adjusted against the Securities premium account as permissible under the Companies Act, 2013 over the tenure of securities.

Interest accrued on cumulative fixed deposits and payable at the time of maturity is clubbed with the principal amount on the date of periodical rest when interest is credited in Fixed Deposit account in accordance with the particular deposit scheme.

2.4 Foreign Exchange Transactions :

Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of transaction.

Monetary Assets and liabilities in foreign currencies are converted at the rates of exchange prevailing on the date of the financial statement. The net gain or loss on account of exchange differences either on settlement or on translation are recognised in the Statement of Profit and Loss.

In respect of Forward Exchange Contracts, the premium or discount arising at the inception of forward exchange contracts is amortised as expense or income over the life of the contract. Exchange differences on such contracts on reporting dates are recognised in the Statement of Profit and Loss. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognised as income or as an expense in that year.

Derivative Transactions:

As a part of its risk management strategy, the Company has entered into derivatives like Interest Rate Swap, Cross Currency Swaps and Forward Contracts having the same notional amount and maturity as the underlying borrowings which are designated as fair value/cash flow hedge as applicable, as per Guidance Note on Derivatives (2015) issued by Institute of Chartered Accountants of India. All outstanding derivative contracts are marked-to-market as at the year end. The changes in fair value of hedges are recorded in income statement together with change in the fair value of underlying liability. Any profit/loss arising on cancellation/unwinding of derivative contracts are recognised as income or expenses.

2.5 Provision for Contingencies :

The Company makes provision towards Non Performing Assets and Standard Assets as per the Prudential Norms prescribed by the National Housing Bank. The Company also makes assessment of its portfolio and creates additional provision to meet unforeseen contingencies.

A loan is recognised as sub-standard Assets or Doubtful or Loss Assets based on the period for which the repayment installment or interest has remained in arrears as prescribed under NHB Guidelines.

2.6 Investments :

Investments are accounted at cost inclusive of brokerage, fees and stamp charges and are classified into two categories, viz. Current or Long-Term based on management's intention at the time of purchase.

Notes

forming part of the financial statements for the year ended March 31, 2017

Current investments are carried category wise, at the lower of cost and fair value, whereas Long-Term investments are carried at cost less provision for diminution, other than temporary, in the value of such investments. Unquoted current investment in units of Mutual Funds are valued as per NAV of the Plan.

Provision for diminution in the value of investments is made in accordance with the guidelines issued by the National Housing Bank and the Accounting Standard on 'Accounting for Investments' (AS 13) and is recognised through the Provision for Contingencies Account.

2.7 Property, Plant & Equipment :

Tangible Fixed Assets are stated at cost less accumulated depreciation and impaired losses, if any. All directly attributable costs including borrowing cost, net of cenvat credit, till the asset is put to use is shown as capital work-in-progress and is capitalised thereafter.

Depreciation on fixed assets is provided on straight-line method by considering useful lives of assets which are same as specified in part 'C' of schedule II to the Companies Act, 2013.

2.8 Intangible Assets and Amortisation :

Intangible assets comprising of system software are stated at cost less accumulated amortisation.

Intangible assets are amortised over their estimated useful life of 3 to 6 years on straight-line method.

2.9 Impairment of Assets :

Impairment losses (if any) on Assets are recognised in accordance with the Accounting Standard 28 "Impairment of Assets". The Company assesses at each Balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the assets. An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value

2.10 Leases:

Operating Leases

Lease rentals in respect of assets taken on "Operating Leases" are charged to the Statement of Profit and Loss on straight-line basis over the lease term.

Finance Leases

Finance leases, which effectively transfer to the Company substantially all the risks and rewards incidental to ownership of the leased item, are capitalised at the lower of the fair value and present value of the minimum lease payments at the inception of the lease and are accordingly disclosed. The capital element of the leasing commitments is shown as Secured liabilities. Lease payments are apportioned between the finance charges and reduction of the corresponding liability based on the implicit rate of return.

2.11 Statutory / Special Reserve :

The Company creates Statutory / Special Reserve every year out of its profits in terms of Section 36(1) (viii) of the Income Tax Act, 1961 read with Section 29C of the National Housing Bank Act, 1987.

2.12 Prepaid Expenses :

Financial & Other Expenses incurred during the year which relates to future accounting years and brokerage paid on long-term fixed deposits has been treated as revenue expense only for the period relating to the current year and balance is treated as prepaid expenses to be adjusted on pro-rata time basis of respective instrument in the future accounting years.

2.13 Employee Benefits :

- a) Company's contribution in respect of Employees' Provident Fund made to Government is considered as defined contribution plan and is charged to the Statement of Profit & Loss.
- b) Gratuity Fund Scheme is considered as defined benefit plan. The Company's liability is determined on the basis of an actuarial valuation using the Projected Unit Credit Method as at Balance Sheet date. Actuarial gains and losses

Notes

forming part of the financial statements for the year ended March 31, 2017

comprise experience adjustments and the effects of changes in actuarial assumptions and are recognised in the Statement of Profit and Loss as Income or Expenses, as applicable in the period in which they occur.

- c) Compensated Absences are accounted for on the basis of actuarial valuation at the year end using the projected Unit Credit Method. Actuarial gains/losses are recognised in the Statement of Profit & Loss in the period in which they occur.

- d) **Short-term employee benefits:**

The undiscounted amount of short-term employee benefits expected to be paid in respect of services rendered by employees are recognised during the year when the employees render the service.

- e) Company has introduced the Employee Stock Option Scheme ('the Scheme') which provides the grant of options to acquire equity shares of the Company to its employees. The options granted to employees vest in a graded manner and these may be exercised by the employees within a specified period.

The Company follows the intrinsic value method to account for its stock-based employee compensation plans. Compensation cost is measured by the excess, if any, of the market price of the underlying stock over the exercise price as determined under the option plan. The market price is the closing price on the stock exchange where there is highest trading volume on the working day immediately preceding the date of grant. Compensation cost, if any, is amortised over the vesting period.

The Company has also approved the grant of Employee Stock Appreciation Rights (SARs) to the eligible employees of the Company. The said SARs shall carry the right to apply for number

of equity shares of the Company, equivalent to Appreciation in those rights, over the grant price.

The Company follows the intrinsic value method to account for its Employee Stock Appreciation Rights (SARs). Compensation cost is measured by the excess, if any, of the market price of the underlying stock over the exercise price as determined under the option plan. The market price is the closing price on the stock exchange where there is highest trading volume on the working day immediately preceding the date of grant. Compensation cost, if any, is amortised over the vesting period.

2.14 Earnings per share :

The Basic earning per share and diluted earning per share have been computed in accordance with Accounting Standard (AS-20) on "Earnings Per Share" and is also shown in the Statement of Profit and Loss.

Basic earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit after tax relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares which are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Company also discloses EPS- both basic and diluted- for the accounting period, had the Fair value method being used for compensation cost for ESOS/ESARs.

2.15 Taxes on Income :

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961.

Notes

forming part of the financial statements for the year ended March 31, 2017

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which during the specified period gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

Deferred tax arising on account of timing differences and which are capable of reversal in one or more subsequent periods is recognised using the tax rates and tax laws that have been enacted or substantially enacted as at the reporting date. Deferred tax assets are recognised for timing differences, only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. In the event of existence of carry forward of losses and unabsorbed depreciation, deferred tax assets are recognised to the extent there are virtual certainties supported by convincing evidence that they would be realised in future.

Deferred Tax liability on deduction claimed in earlier years u/s 36 (1)(viii) of the Income Tax Act, 1961 has been provided in terms of National Housing Bank (NHB) policy circular.

2.16 Provisions, Contingent Liability and Contingent Assets :

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

Contingent Liabilities are not recognised but are disclosed in the notes. Contingent Assets are neither recognised nor disclosed in the financial statements

2.17 Housing and Other Loans :

Housing Loans include outstanding amount of Housing Loans disbursed directly or indirectly to individual, project loans for residential buildings and other borrowers. Other loans include mortgage loan, non-residential property loan, plot loan for self construction where construction has not begun in last three years and loan against the lease rental income from properties in accordance with directions of National Housing Bank (NHB). Other loans also include loans granted to Small & Medium Enterprise (SME) and certain part thereof are unsecured in terms of the particular scheme. EMI and PEMI installments due from borrowers against the housing loans receivable for less than equal to three months, are treated as trade receivables and are shown as current assets.

2.18 Securitised Assets :

Securitised and Assigned Assets are derecognised in the books of the Company based on the principle of transfer of ownership interest over the assets.

2.19 Cash Flow Statement :

Cash flows are reported using the indirect method set out in Accounting Standard (AS 3) on Cash Flow Statement. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

Cash and cash equivalents for the purpose of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

2.20 Assets acquired under SARFAESI Act :

Assets acquired under SARFAESI Act are part of NPA Portfolio of loans for which necessary provisions are being made and such assets are to be disposed off at the earliest, subject to legal formalities. Losses/gains, if any, are being booked at the time of sales realisation of such assets.

4.1 During the year, the Company has paid interim dividend on Equity Shares @ ₹ 1/- (₹ 6/-) per share.

The Board of Directors, have recommended final dividend of ₹ 3/- per equity share to the equity shareholders. The dividend will be paid after the approval of shareholders at the ensuing Annual General Meeting. During the previous year, the Company had made a provision for the dividend declared by the Board of Directors as per the requirements of pre-revised Accounting Standard 4 – 'Contingencies and Events Occurring after the Balance sheet date' (AS 4). However, as per the requirements of revised AS 4 which is applicable w.e.f April 1, 2016 the Company is not required to provide for dividend proposed after the Balance Sheet date. Consequently, no provision has been made in respect of the aforesaid dividend proposed by the Board of Directors for the year ended March 31, 2017. Had the Company continued with creation of provision for proposed dividend, as at the Balance Sheet date, its Surplus in Statement of Profit and Loss would have been lower by ₹ 11,307 Lakh and Short-Term Provision would have been higher by ₹ 11,307 Lakh (including dividend distribution tax of ₹ 1,913 Lakh).

Independent Auditors' Report

To the Members of Dewan Housing Finance Corporation Limited

REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS

We have audited the accompanying consolidated financial statements of Dewan Housing Finance Corporation Limited ("the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), its associates and jointly controlled entities, comprising of the Consolidated Balance Sheet as at March 31, 2017, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information, in which are incorporated the Returns for the year ended on that date audited by the branch auditors of the Company's branches/offices at 241 locations (hereinafter referred to as "the consolidated financial statements").

MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its Associates and Jointly controlled entities in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

The respective Board of Directors of the companies included in the Group and of its associates and jointly controlled entities are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and

presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

OPINION

In our opinion and to the best of our information and according to the explanations given to us, and based on the consideration of reports of other auditors, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associates and jointly controlled entities as at March 31, 2017, and their consolidated profit and their consolidated cash flows for the year ended on that date.

OTHER MATTERS

1. We did not audit the financial statements of a subsidiary whose financial statements reflect total assets of ₹ 30,007 Lakh as at March 31, 2017, total revenues of ₹ 5 Lakh and net cash outflows of ₹ 7,500 Lakh for the year then ended on that date, three joint ventures whose financial statements include Holding's company proportionate share of assets of ₹ 7,725 Lakh, share of revenue of ₹ 75,837 Lakh and net cash outflows of ₹ 16 Lakh for the year ended on that date, as considered in the consolidated financial statements, whose financial statements have not been audited by us. The consolidated financial statements also include the Group's share of net profit of ₹ 907 Lakh for the year ended March 31, 2017, as considered in the consolidated financial statements, in respect of two associates, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial results, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, joint ventures and associates, is based solely on the reports of the other auditors.

These financial statements and other financial information have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, jointly controlled entities and associates, and our report in terms of sub-sections (3) of Section 143 of the Act, insofar as it relates to the

aforesaid subsidiaries, jointly controlled entities and associates, is based solely on the reports of the other auditors.

2. In respect of a joint venture company (JV Company), the Actuarial valuation of liabilities for life policies in force is the responsibility of the Company's Appointed Actuary ('the Appointed Actuary'). The Actuarial valuation of these liabilities as at March, 31, 2017 has been certified by the appointed Actuary, and in his opinion, the assumptions for such valuation are in accordance with the guidelines and norms issued by the Insurance Regulatory and Development Authority of India (IRDA) and the Institute of Actuaries of India in concurrence with the IRDAI. The auditor of the above JV Company have relied upon the Appointed Actuary's certificate in the regard for forming of their opinion on the Financial Statements of the JV Company.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

REPORT ON OTHER LEGAL AND REGULATORY REQUIREMENTS

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books, proper returns adequate for the purpose of our audit have been received from branches not visited by us and the reports of the other auditors;

- c) The reports on the accounts of the branch offices of the Company audited under section 143 (8) of the Act by branch auditors have been sent to us and have been properly dealt with by us in preparing this report;
- d) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements and with the returns received from branches not visited by us;
- e) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- f) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2017 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies, associate companies and jointly controlled companies incorporated in India, none of the directors of these entities is disqualified as on March 31, 2017 from being appointed as a director in terms of Section 164 (2) of the Act;
- g) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our Report in "Annexure A", which is based on the auditors' reports of the Holding company, subsidiary companies, associate companies and jointly controlled companies incorporated in India;
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, its subsidiary companies, associates and jointly controlled entities as referred to in Note 32 to the consolidated financial statements.
- ii. The Group has no material foreseeable losses on long-term contracts including derivative contracts, as required under the applicable law or accounting standards.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies, associate and jointly controlled companies incorporated in India except that the amount of ₹ 705/- payable by the Holding Company for the month of March 2017, has been transferred to IEPF in the month of April, 2017.
- iv. The Holding Company and its subsidiary companies and jointly controlled companies incorporated in India have provided requisite disclosures in the financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8th November, 2016 to 30th December, 2016. Based on audit procedures and relying on the management representation we report that the disclosures are in accordance with books of account maintained by these entities and as produced to us by the Management as referred to in Note 35 to the consolidated financial statements.

Annexure A to Independent Auditors' Report on the Consolidated Financial Statements of Dewan Housing Finance Corporation Limited

Referred to in paragraph 2(g) under the heading "Report on other legal and regulatory requirements" of our report of even date)

REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB-SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013 ("THE ACT")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2017, we have audited the internal financial controls over financial reporting of Dewan Housing Finance Corporation Limited (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), its associates and jointly controlled entities incorporated in India, as of that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROL

The respective Board of Directors of the of the Holding company, its subsidiary companies, associates and jointly controlled entities, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Holding Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance

with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing issued by ICAI prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately

and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors, as referred to in the Other Matters paragraph, the Holding Company, its subsidiaries, associates, and jointly controlled entities which are incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal

financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by these entities, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

OTHER MATTERS

Our aforesaid reports under Section 143(3) (i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to a subsidiary company, two associate companies and three jointly controlled entities, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies.

Notes

Forming part of consolidated financial statements for the year ended March 31, 2017

1 SIGNIFICANT ACCOUNTING POLICIES:

1.1 Basis of preparation of financial statements :

a) i. Other than Insurance Companies

These financial statements are prepared and presented in accordance with the Generally Accepted Accounting Principles (GAAP) under historical cost convention on accrual basis of accounting and comply with the Accounting Standards as prescribed under section 133 of the Companies Act, 2013 and the guidelines issued by the National Housing Bank.

ii. Insurance Companies

The financial statements are prepared under the historical cost convention on the accrual basis of accounting, in accordance with the accounting principles and framework prescribed by the Insurance Regulatory and Development Authority of India (Preparation of Financial Statements and Auditor's Report of Insurance Companies) Regulations, 2002, the Accounting Standards specified under Section 133 of Companies Act, 2013 read with Rule 7 of the Companies (Accounts) Rules, 2014, to the extent applicable and the requirements of the Insurance Act 1938 as amended by Insurance (Amendment) Act, 2015, Insurance Regulatory and Development Authority Act, 1999, and various circulars issued there under and the practices prevailing within the insurance industry in India. The accounting policies have been consistently applied by the Company.

- b) The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities (including contingent liabilities) on the date of financial statements and the reported amount of revenues and expenses during the reporting period. Management believes that the estimates used in preparation of the financial

statement are prudent and reasonable. The future results could differ due to these estimates and the differences between the actual results and estimates are recognised in the periods in which the results are known / materialise.

- c) Based on the nature of its activities, the Company has determined its operating cycle as 12 months for the purpose of classification of its Assets and Liabilities as current and non current.
- d) Amounts in the financial statements are presented in ₹ Lakh, except for per share data and as otherwise stated.

1.2 Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. In addition, the following criterias must also be met before revenue is recognised:

a) Interest on housing loans / other assets:

Repayment of housing loans is by way of Equated Monthly Installments (EMI) comprising principal and interest. Interest is calculated each period on the outstanding balance at the beginning of the Company's financial year or on monthly reducing balance in terms of financing scheme opted by the borrower. EMI generally commences once the entire loan is disbursed. Pending commencement of EMI, pre-EMI monthly interest is payable. Interest on performing assets comprising of fixed deposits, Certificate of Deposits, Debentures etc. are recognized on accrual basis and on non-performing assets on realisation basis as per the guidelines prescribed by the National Housing Bank.

b) Premium Income form Life Insurance Business :

Premium is recognized as income when due. Premium on lapsed policies is recognized as income in the year in which they are reinstated. For linked business, premium income is recognized when the associated units are created.

Notes

Forming part of consolidated financial statements for the year ended March 31, 2017

Top-up premiums (i.e. premium paid in excess of annual target premium as per policy contract) are recognized as single premium income when associated units are created.

Premium ceded is accounted at the time of recognition of the premium income in accordance with the treaty or in-principle arrangement with the reinsurers.

- c) In case of linked policies of insurance business, charges recovered from the fund by deduction of units are recognized as income when associated units are cancelled. Fund Management charges recovered from NAV of ULIP Funds are accounted for on accrual basis.
- d) Dividend income on investments is recognised when the right to receive the same is established. In term of Housing Finance Companies (NHB) Direction 2010 Dividend Income on units of Mutual Funds held by the Company are recognised on Cash Basis.
- e) Processing fees and other loan related charges are recognized when it is reasonable to expect ultimate collection which is generally at the time of Loan / disbursement of the loan.
- f) Additional / Overdue / penal interest / charges on delayed EMI/PEMI are recognised only when it is reasonably certain that the ultimate collection will be made.
- g) Income from services including trade mark license fees is recognized after the service is rendered and to the extent it is probable that the economic benefits will flow to the Company and that the revenue can be reliably measured.
- h) Management and Trusteeship Fees - Mutual Fund
 - i. Management and Trusteeship Fees are accrued at agreed rates on the daily net assets of the Mutual Fund Schemes using proportionate completion method.

- ii. Portfolio Management fees are recognised on an accrual basis in accordance with portfolio management agreement entered with respective client using proportionate completion method.

i) Amortisation of Discount/Premium

Accretion of discount or amortization of premium to the face value in respect of debt securities, for funds other than linked funds, is recognized over the remaining period to maturity/holding period on straight line basis. In case of discounted instruments, the difference between the redemption value and book value is accreted over the life of the instrument, on straight line basis.

1.3 Interest & Ancillary Financial Cost :

Interest and other related financial charges are recognized as an expense in the period for which they relate as specified in Accounting Standard (AS 16) on "Borrowing Costs". Ancillary costs in connection with the borrowings and deposit are amortized to Statement of Profit and Loss over the tenure of loan / deposit. Brokerage on deposits taken is amortized over the period of deposit. Share / debenture issues expenses and premium / discount on issue of debentures (net of tax) are adjusted against the Securities premium account as permissible under the Companies Act, 2013 over the tenure of securities.

Interest accrued on cumulative fixed deposits and payable at the time of maturity is clubbed with the principal amount on the date of periodical rest when interest is credited in Fixed Deposit account in accordance with the particular deposit scheme.

1.4 Claims paid and other expenses pertaining to life insurance business :

Benefits paid consist of the policy benefit amount and specific claim settlement costs, wherever applicable. Death, Surrender and other claims are recognized as expense when intimated to the Company. Withdrawals and surrenders under linked policies are accounted in the respective schemes when the associated units are cancelled /redeemed. Maturity claims are recognized

Notes

Forming part of consolidated financial statements for the year ended March 31, 2017

when due for payment. An additional provision is made for the benefits which are incurred but not reported to the Company. Repudiated claims disputed before judicial authorities are provided for based on management prudence considering the facts and evidences available in respect of such claims. Reinsurance recoverable, where applicable, is recognized in the same period as of the claim and netted off against claim expense incurred.

Acquisition costs are those costs that vary with and are primarily related to the acquisition of new and renewal insurance contracts. The most essential test is the obligatory relationship between costs and the execution of insurance contracts (i.e. commencement of risk). Acquisition costs are expenses incurred to solicit and underwrite insurance contract including commission and are expensed in the year in which they are incurred. Claw back of first year commission paid will be accounted in the year in which it is recovered

1.5 Foreign Exchange Transactions :

Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of transaction. Monetary Assets and liabilities in foreign currencies are converted at the rates of exchange prevailing on the date of the financial statement. The net gain or loss on account of exchange differences either on settlement or on translation are recognized in the Statement of Profit and Loss.

In respect of Forward Exchange Contracts, the premium or discount arising at the inception of forward exchange contracts is amortized as expense or income over the life of the contract. Exchange differences on such contracts on reporting dates are recognized in the Statement of Profit and Loss. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognized as income or as an expense in that year.

Derivative Transactions:

As a part of its risk management strategy, the Company has entered into derivatives like Interest Rate Swap, Cross Currency Swaps and Forward Contracts having the same notional amount and maturity as the underlying borrowings which are designated as fair value / cash flow hedge as applicable, as per Guidance Note on

Derivatives (2015) issued by Institute of Chartered Accountants of India. All outstanding derivative contracts are marked-to-market as at the year end. The changes in fair value of hedges are recorded in income statement together with change in the fair value of underlying liability. Any profit/loss arising on cancellation/unwinding of derivative contracts are recognised as income or expenses.

1.6 Provision for Contingencies :

The Company makes provision towards Non Performing Assets and Standard Assets as per the Prudential Norms prescribed by the National Housing Bank. The Company also makes assessment of its portfolio and creates additional provision to meet unforeseen contingencies. A loan is recognized as Sub Standard Assets or Doubtful or Loss Assets based on the period for which the repayment installment or interest has remained in arrears as prescribed under NHB Guidelines.

1.7 Investments :

i. Other than Insurance Business

Investments are accounted at cost inclusive of brokerage, fees and stamp charges and are classified into two categories, viz. Current or Long-Term based on management's intention at the time of purchase. Current investments are carried category wise, at the lower of cost and fair value, whereas Long-Term investments are carried at cost less provision for diminution, other than temporary, in the value of such investments. Unquoted current investment in units of Mutual Funds are valued as per NAV of the Plan. Provision for diminution in the value of investments is made in accordance with the guidelines issued by the National Housing Bank and the Accounting Standard on 'Accounting for Investments' (AS 13) and is recognised through the Provision for Contingencies Account.

ii. Insurance Business

Investments are made in accordance with the provisions of the Insurance Act, 1938, as amended by Insurance Amendment Act 2015 and the Insurance Regulatory and Development

Notes

Forming part of consolidated financial statements for the year ended March 31, 2017

Authority (Investment) Regulations, 2000 as amended from time to time and various other circulars/notifications issued by the IRDA in this context from time to time. Investments are recorded at cost on the date of purchase, which includes brokerage and statutory levies, however excludes interest paid (i.e. interest accrued since the previous coupon date), if any.

1.8 Property, Plant & Equipment :

Tangible Fixed Assets are stated at cost less accumulated depreciation and impaired losses, if any. All directly attributable costs including borrowing cost, net of cenvat credit, till the asset is put to use is shown as capital work in progress and is capitalised thereafter. Depreciation on fixed assets is provided on straight-line method by considering useful lives of assets which are same as specified in part 'C' of schedule II to the Companies Act, 2013.

1.9 Intangible Assets and Amortization:

Intangible assets comprising of system software are stated at cost less accumulated amortization. Intangible assets are amortised over their estimated useful life of 3 to 6 years on straight line method.

1.10 Impairment of Assets :

Impairment losses (if any) on Assets are recognized in accordance with the Accounting Standard 28 "Impairment of Assets". The Company assesses at each Balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the assets. An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value.

1.11 Leases:

Operating Leases

Lease rentals in respect of assets taken on "Operating Leases" are charged to the Statement of Profit and Loss on straight line basis over the lease term.

Finance Leases

Finance leases, which effectively transfer to the Company substantially all the risks and rewards incidental to ownership of the leased item, are capitalized at

the lower of the fair value and present value of the minimum lease payments at the inception of the lease and are accordingly disclosed. The capital element of the leasing commitments is shown as Secured liabilities. Lease payments are apportioned between the finance charges and reduction of the corresponding liability based on the implicit rate of return.

1.12 Statutory / Special Reserve :

The Company creates Statutory / Special Reserve every year out of its profits in terms of Sec 36(1) (viii) of the Income Tax Act, 1961 read with Sec 29C of the National Housing Bank Act, 1987.

1.13 Prepaid Expenses :

Financial & Other Expenses incurred during the year which relates to future accounting years and brokerage paid on long term fixed deposits has been treated as revenue expense only for the period relating to the current year and balance is treated as prepaid expenses to be adjusted on pro-rata time basis of respective instrument in the future accounting years.

1.14 Mutual Fund Expenses

- i) Annual recurring expenses related to the schemes of mutual fund which are in excess of internal expense limits are borne by the Company.
- ii) The Company also absorbs the expenses relating to the launch of the schemes of Pramerica Mutual Fund.
- iii) Upfront brokerage on close ended fixed tenure schemes is amortised over the tenure of the respective scheme and in case of Equity Linked Saving Scheme (ELSS), upfront brokerage is amortised over three years. The unamortized portion of the brokerage is carried forward as prepaid expense. Any other brokerage is charged to Statement of Profit and Loss in the year in which it is incurred.

1.15 Employee Benefits :

- a) Company's contribution in respect of Employees' Provident Fund made to Government is

Notes

Forming part of consolidated financial statements for the year ended March 31, 2017

considered as defined contribution plan and is charged to the Statement of Profit & Loss.

- b) Gratuity Fund Scheme is considered as defined benefit plan. The Company's liability is determined on the basis of an actuarial valuation using the Projected Unit Credit Method as at Balance Sheet date. Actuarial gains and losses comprise experience adjustments and the effects of changes in actuarial assumptions and are recognised in the Statement of Profit and Loss as Income or Expenses, as applicable in the period in which they occur.
- c) Compensated Absences are accounted for on the basis of actuarial valuation at the year end using the projected Unit Credit Method. Actuarial gains / losses are recognized in the Statement of Profit & Loss in the period in which they occur.
- d) **Short-term employee benefits:**
The undiscounted amount of short-term employee benefits expected to be paid in respect of services rendered by employees are recognised during the year when the employees render the service.
- e) Company has introduced the Employee Stock Option Scheme ('the Scheme') which provides the grant of options to acquire equity shares of the Company to its employees. The options granted to employees vest in a graded manner and these may be exercised by the employees within a specified period.

The Company follows the intrinsic value method to account for its stock-based employee compensation plans. Compensation cost is measured by the excess, if any, of the market price of the underlying stock over the exercise price as determined under the option plan. The market price is the closing price on the stock exchange where there is highest trading volume on the working day immediately preceding the date of grant. Compensation cost, if any, is amortised over the vesting period.

The Company has also approved the grant of Employee Stock Appreciation Rights (SARs) to the eligible employees of the Company. The said SARs shall carry the right to apply for number of equity shares of the Company, equivalent to Appreciation in those rights, over the grant price.

The Company follows the intrinsic value method to account for its Employee Stock Appreciation Rights (SARs). Compensation cost is measured by the excess, if any, of the market price of the underlying stock over the exercise price as determined under the option plan. The market price is the closing price on the stock exchange where there is highest trading volume on the working day immediately preceding the date of grant. Compensation cost, if any, is amortised over the vesting period.

1.16 Earnings per share :

The Basic earning per share and diluted earning per share have been computed in accordance with Accounting Standard (AS-20) on "Earnings Per Share" and is also shown in the Statement of Profit and Loss. Basic earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit after tax relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares which are deemed to be dilutive only if their conversion to equity shares would decrease the net profit per share from continuing ordinary operations. Company also discloses EPS- both basic and diluted- for the accounting period, had the Fair value method being used for compensation cost for ESOS/ SARs.

1.17 Taxes on Income:

Current tax is the amount of tax payable on the taxable income for the year as determined in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961.

Notes

Forming part of consolidated financial statements for the year ended March 31, 2017

Minimum Alternate Tax (MAT) paid in accordance with the tax laws, which during the specified period gives future economic benefits in the form of adjustment to future income tax liability, is considered as an asset if there is convincing evidence that the Company will pay normal income tax. Accordingly, MAT is recognised as an asset in the Balance Sheet when it is highly probable that future economic benefit associated with it will flow to the Company.

Deferred tax arising on account of timing differences and which are capable of reversal in one or more subsequent periods is recognized using the tax rates and tax laws that have been enacted or substantially enacted as at the reporting date. Deferred tax assets are recognised for timing differences, only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. In the event of existence of carry forward of losses and unabsorbed depreciation, deferred tax assets are recognized to the extent there are virtual certainties supported by convincing evidence that they would be realized in future. Deferred Tax liability on deduction claimed in earlier years u/s 36 (1)(viii) of the Income Tax Act 1961 has been provided in terms of National Housing Bank (NHB) policy circular.

1.18 Provisions, Contingent Liability and Contingent Assets:

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent Liabilities are not recognised but are disclosed in the notes. Contingent Assets are neither recognised nor disclosed in the financial statements

1.19 Housing and Other Loans :

Housing Loans include outstanding amount of Housing Loans disbursed directly or indirectly to individual,

project loans for residential buildings and other borrowers. Other loans include mortgage loan, non residential property loan, plot loan for self construction where construction has not begun in last three years and loan against the lease rental income from properties in accordance with directions of National Housing Bank (NHB). Other loans also include loans granted to Small & Medium Enterprise (SME) and certain part thereof are unsecured in terms of the particular scheme. EMI and PEMI installments due from borrowers against the housing loans receivable for less than equal to three months, are treated as trade receivables and are shown as current assets.

1.20 Securitised Assets :

Securitised and Assigned Assets are derecognised in the books of the Company based on the principle of transfer of ownership interest over the assets.

1.21 Cash Flow Statement :

Cash flows are reported using the indirect method set out in Accounting Standard (AS 3) on Cash Flow Statement. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information. Cash and cash equivalents for the purpose of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

1.22 Assets acquired under SARFAESI Act :

Assets acquired under SARFAESI Act are part of NPA Portfolio of loans for which necessary provisions are being made and such assets are to be disposed off at the earliest, subject to legal formalities. Losses/gains, if any, are being booked at the time of sales realisation of such assets.

2 The consolidated financial statements relate to Dewan Housing Finance Corporation Ltd ("DHFL Ltd." or "the Company"), its subsidiaries, jointly controlled entities and Company's share of profit/loss in its associates as on March 31, 2017 and for the year ended on that date. The consolidated financial statements have been prepared on the following basis:

- 4.1 During the year, the Company has paid interim dividend on Equity Shares @ ₹ 1/- (₹ 6/-) per share. The Board of Directors, have recommended final dividend of ₹ 3/- per equity share to the equity shareholders. The dividend will be paid after the approval of shareholders at the ensuing Annual General Meeting. During the previous year, the Company had made a provision for the dividend declared by the Board of Directors as per the requirements of pre-revised Accounting Standard 4 – 'Contingencies and Events Occurring after the Balance sheet date' (AS 4). However, as per the requirements of revised AS 4 which is applicable w.e.f April 1, 2016 the Company is not required to provide for dividend proposed after the Balance Sheet date. Consequently, no provision has been made in respect of the aforesaid dividend proposed by the Board of Directors for the year ended March 31, 2017. Had the Company continued with creation of provision for proposed dividend, as at the Balance Sheet date, its Surplus in Statement of Profit and Loss would have been lower by ₹ 11,307 Lakh and Short Term Provision would have been higher by ₹ 11,307 Lakh (including dividend distribution tax of ₹ 1,913 Lakh).
