The Board at its Meeting held on May 30, 2017 has approved the buyback of up to 2,00,000 (Two Lakhs Only) Equity Shares of the Company of the face value of ₹ 10/- each at a price of ₹ 250/- per Equity Share aggregating to ₹ 5,00,00,000/- (Rupees Five Crore only) through the "Tender Offer" route as prescribed under the Securities and Exchange Board of India (Buy-Back of Securities) Regulations, 1998, as amended from time to time, on a proportionate basis, from the shareholders as on the record date i. e. Monday, June 12, 2017), subject to the regulatory approvals and compliances required under applicable laws.

This Buyback offer is in accordance with the provisions of the Companies Act, 2013 (Act), and

the Securities and Exchange Board of India (Buy Back of Securities) Regulations, 1998, and other applicable laws and regulations.

The Board of Directors of the Company is of the view that the proposed buyback will help the Company achieve the objectives to optimize returns to shareholders and to enhance overall shareholders value.

Accordingly, the proposed objectives will be achieved by returning part of surplus cash back to shareholders through the buyback process. This may lead to reduction in outstanding Shares, improvement in EPS and enhanced return on invested capital. Further, the buyback will not in any manner impair the ability of the Company to pursue growth opportunities or meet its cash requirements for business operations.

The offer size of the buyback is within the prescribed limit of 25% of the aggregate of paid up capital and free reserves of the Company, and represents 1.05% of the total issued and paid-up equity share capital of the Company.

Pursuant to the provisions of Regulation 8 (1) of the Securities and Exchange Board of India (Buy Back of Securities) Regulations, 1998 the Company has made Public Announcement (PA) of Buy Back on June 1, 2017 by publishing the same in news papers i. e. Business Standard (English and Hindi) and Navshakti (Marathi).

The Company had fixed Monday, June 12, 2017 as the record date for the purpose of determining the entitlement and the names of the shareholders, who are eligible to participate in the proposed Buy Back offer. For more details of the Buy Back offer, investors may refer to the Public Announcement made available on website of the Company www.renjewellery.com.

Management's Discussion and Analysis

THE LAST DECADE

Renaissance Jewellery Limited started its journey of building relationship with public market investors a decade ago when it got listed on the Indian bourses in December 2007. The Company had recorded a sales turnover of ₹ 445 crores for the year ended March 31, 2007. A decade later we have registered a sales turnover of ₹ 1473 crores for the year ended March 31, 2017. The growth in sales is shown in the chart below:

This decade has witnessed huge volatility across certain asset classes around the Globe. The equity markets had peaked in 2008 and then struggled for major part of this decade. Gold had rallied up to almost 1900\$/ Troy Ounce and has then retraced 40% from these levels. The volatility across these asset classes is given in the chart below:

Source: NSE, Investing.com

A lot of mid sized Indian companies that raised equity money from the markets a decade ago have had serious issues on account of financial stress (being NPAs with banks) on account of the ever changing business environment.

It is in this backdrop of intense volatility that the Company has demonstrated strong resilience and has demonstrated a steady growth through this period. This was coupled with a profitable track record for each of the last ten years.

The word Renaissance often means a revival or rebirth especially of culture and learning.

We have adapted the same in our business to re-orient and re-invent culture into fashion jewellery and innovate ourselves to the ever-changing volatile external business environment. It is with this spirit of re-orientation that has helped us traverse the journey from being primarily a Make in India- Sell in USA company a decade ago to a global company that has a manufacturing base now spread across three countries and sales to customers that are spread across the Globe including USA, Canada, UK, Hong Kong, Australia etc. During the year, the Company has set a footprint of manufacturing gold jewellery in Dubai.

RESPONSIBLE JEWELLERY COUNCIL

The Management believes that the sustainability of any such global business model also stems from doing business in a responsible manner that follows the international best practises. RJL is a certified member of the Responsible Jewellery Council (RJC). Being a RJC member, the Company is committed to and independently audited against the RJC Code of Practices – an international standard on responsible business practices for the Gems and Jewellery industry. The Code of Practices addresses human rights, labour rights, environmental impact, mining practices, product disclosure and many more important topics in the jewellery supply chain. RJC also works with multi-stakeholder initiatives on responsible sourcing and supply chain due diligence.

GJEPC AWARD

The Company also believes that growth and best practices always get noticed and acknowledged by customers, competitors and industry forum. The Gem and Jewellery Export Promotion Council (GJEPC) has once again recognised RJL as a

leading manufacturer in India. During the year, Renaissance has received the GJEPC Award for largest exporter in the category of Precious Metal Jewellery – Studded for the year 2015-16. It is an award for felicitating the largest exporter for outstanding performance and contribution in the trade category. This is the sixth time that the Company has won this award since 2006.

OUR BUSINESS

The Company is engaged in the business of design, manufacturing and sales of various types of jewellery comprising silver, gold, platinum jewellery studded with diamonds and other precious and semi-precious stones. The jewellery products include rings, pendants, earrings, bracelets, necklaces and bangles. Categories under which these products are sold are Diamond Fashion, Diamond Bridal and Gemstones. The Company currently has three subsidiaries incorporated in USA, UK, and UAE that help in sales in those regions.

The Company has manufacturing facilities in Mumbai, Bhavnagar (Gujarat) and Bangladesh. The design of these products is centralized in Mumbai. The value addition in the products comes from a workforce comprising of close to 4300 people spread across these locations. The Company believes that these locations provide cost effective skilled workers. The Company has invested in building adequate infrastructure across these locations. These locations are well equipped to manage the rising designing and manufacturing requirements of the Company without incurring substantial capital expenditure. Dubai has been added to the footprint of manufacturing locations during the current financial year.

THE YEAR 16-17 AT A GLANCE

Strategic Initiative: Acquisition of business in Dubai

During the year, Verigold Jewellery DMCC, Dubai; a wholly owned subsidiary of RJL has set up a JV Renaissance Jewellery DMCC (RJDMCC) with a local partner.

RJDMCC has acquired the assets (factory along with plant and machinery), customers and intellectual property rights of Vogue Jewellery DMCC, a manufacturer of Plain Gold Jewellery. The factory has over 75 employees and a manufacturing capacity of 300 kg per month.

The Company has identified The Middle East as a thrust area for the Company for future growth. This acquisition gives RJL a good foothold to penetrate the jewellery market in the Middle East. Based on the traction the business had with its customers prior to the acquisition as well as during the 4 months post acquiring, the Company believe this acquisition will have significant positive impact to our sales. The Company also proposes to generate synergies by selling studded jewellery to the existing clients of the acquired entity.

Consolidated Financial Performance: Key Financial Highlights

- The Company has recorded a Sales turnover of ₹ **1,473.4** crores for the year ended March 31, 2017 as compared to ₹ 1319.6 crores for the year ended March 31, 2016. This reflects a growth of **11.7%**.
- Consolidated EBITDA of the Company for FY17 stands at ₹ **91.2** crores as against ₹ 82.8 crores for the earlier year. EBITDA margins in the jewellery business have increased from 6.2% in FY16 to 6.3% in FY17.

- The PAT of the jewellery business stands at ₹ **53.5** crores reflecting a growth of **11.5%** over the corresponding period of the earlier year.
- The book value of the shares as on March 31, 2017 stands at ₹ **270**.

Key Success Factors

The Success of the Company can be attributed to implementation of the following strategies:

• *Entering New Market:*

Broadbase sales across newer markets. While we have entered new markets we have not lost customers from the existing markets. This clearly has been the key driver to growth.

- **Product Innovation:**

Every geography has a different taste and requirements for jewellery products. Our design teams work closely with our client interaction teams to constantly come out with newer designs across product lines.

- **Efficient Cost Structure:**

Having a manufacturing base that is cost efficient. Investing in manufacturing units outside of Mumbai, i.e. Bhavnagar and Bangladesh have been useful to control the overall cost of manufacturing

- **Raw Material Mix:**

Judicious mix of gold, silver and studded jewellery to suit the tastes of the end customer and providing the consumer with effective value for money

- **Pricing:**

Maintaining product ranges that are seen to be affordable with the consumers. While the average price per piece has been in USD 50-60 \$ the higher end gold jewellery could go up to USD 400 \$ per piece.

- **Efficient Capital Allocation:**

The Company has been reducing the overall working capital cycle by efficient capital allocation. The same is possible by very closely monitoring the entire cycle from placing orders to delivery till the receipt of money.

- **Management Team:**

A very dedicated and long standing management team has made the above possible. Add to this a very great leadership team has made this growth look easy even in difficult times.

WAY FORWARD

With the initiatives undertaken by the Company and the acquisition of the gold jewellery manufacturing unit in UAE, the Company believes that the following benefits will accrue.

Geographical diversification:

USA continues to be the main market for the Company for the jewellery business. Over the last

6 years, sales to USA as a proportion has reduced from about 85% in FY'11 to about 57% in FY'17. Sales in the Middle East will take the second slot and is expected to be more than 25% of the consolidated sales going forward. This is likely to reduce the seasonality in sales to some extent.

Seasonality of business:

The sales so far have been very heavily dependent on certain US festive occasions including Thanksgiving Day, Christmas, Valentine's Day and Mothers' Day. As a result of this the Company's sales in October to December quarter normally accounted for 34%-37% of the total sales of the full year. Q1 and Q2 would have normally given about 19%-21% sales in each of the quarters. On account of the greater geographical diversity in business, the sales is likely to be more evenly spread over the quarters.

Versatile Product Mix:

The Company exported more than 3 million pieces in the last year. The average realisation per piece has risen to more than USD 60 per piece. The mix of silver jewellery and gold jewellery was close to 70:30 in value terms for the last few years. The same will be a more balanced 50:50 as we move into the next year.

Strategic Initiatives:

The journey traversed in the last decade has been adventurous. There was extreme volatility. However, the management team continued to focus on ways to keep growing in a very measured manner. Today, the global environment has started to look up. We believe that the next wave of growth will come from consolidation in the Industry. There are many opportunities to acquire/ partner mid size companies that have created a niche business model and have their own manufacturing base as well as clients. The Company is constantly evaluating these opportunities to grow inorganically. Needless to say, these should make imminent sense from a strategic fit as well as from a return on capital employed.

As mentioned earlier, Renaissance often means a revival or rebirth especially of culture and learning. We reiterate that we will continue to re-orient and re-invent our business to make the same more vibrant and shining...

Independent Auditor's Report

To the Members of

Renaissance Jewellery Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of Renaissance Jewellery Limited ('the Company'), which comprise the balance sheet as at March 31, 2017, the statement of profit and loss and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2017 and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the order.
2. As required by Section 143 (3) of the Act, we report that:

Annexure B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section (3) of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Renaissance Jewellery Limited ("the Company") as of March 31, 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting

was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over

financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. CORPORATE INFORMATION

Renaissance Jewellery Limited (the company) is a public limited company domiciled in India and incorporated under the provisions of the Companies Act, 1956. Its shares are listed on two stock exchanges in India. The company is engaged in the manufacture of diamond studded jewellery which are majorly exported to countries like USA, Hong Kong, etc.

2. BASIS OF PREPARATION

The financial statements of the company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The company has prepared these financial statements to comply in all material respects with the Accounting Standards notified u/s 133 of the Companies Act, 2013 (the Act) read with rule 7 of Companies (Accounts) Rules, 2014 and the relevant provisions of the Act. The financial statements have been prepared under the historical cost convention. The accounting policies adopted in the preparation of financial statements are consistent with those of previous year.

2.1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

a. Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and disclosure of contingent liabilities at the end of the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in the future periods.

b. Tangible fixed assets

Fixed assets are stated at cost, net of accumulated depreciation. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from de recognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

c. Depreciation/Amortization

Depreciation on fixed assets is calculated as per the useful life specified in Schedule II to the Act applying the Written Down Value rates.

Leasehold Land is amortized on a straight line basis over the period of lease i.e. 24 years.

d. Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any. Intangible assets are amortized on a straight line basis over the estimated useful economic life.

Gains or losses arising from de-recognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Notes to the Financial Statements

for the year ended March 31, 2017

e. Impairment of tangible and intangible assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.

f. Leases

Company is the lessee

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased items, are classified as operating leases. Operating lease payments are recognized as an expense in the Profit and Loss account on a straight-line basis over the lease term.

g. Investments

Investments that are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Current investments are carried in the financial statements at lower of cost and fair value determined on category of investment. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

h. Inventories

Cut & Polished Diamonds	Polished diamonds are valued at lower of cost or net realizable value. Cost is ascertained on lot-wise weighted average basis.
Finished Goods of Jewellery	Finished goods are valued at lower of cost or net realizable value.
Raw materials	Lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on specific identification basis. Cost of raw materials comprises of cost of purchase and other cost in bringing the inventory to their present location and condition excluding refundable taxes and duties.
Work-in-progress and Finished goods	Lower of cost and net realizable value. Cost includes direct materials, labor and proportionately all other cost related to converting them into finished goods. Cost is determined on specific identification basis.
Stores and spares	Stores and spares are valued at lower of cost or net realizable value. The cost is computed on moving weighted average.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

i. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Notes to the Financial Statements

for the year ended March 31, 2017

Sale of Goods

Revenue is recognized when the significant risks and rewards of ownership of the goods have passed to the buyer. The company collects sales taxes and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue.

Interest

Revenue is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable. Interest income is included under the head "other income" in the statement of profit and loss.

Dividends

Revenue is recognized when the shareholders' right to receive payment is established by the reporting date.

j. Borrowing Cost

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

k. Foreign currency translation

Foreign currency transactions and balances

a. Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

b. Conversion

Foreign currency monetary items are reported using the closing rate.

c. Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting such monetary items of company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

d. Forward Contracts

The premium or discount arising at the inception of forward exchange contracts is amortized as expense or income over the life of the contract. Exchange differences on such contracts are recognized in the statement of profit and loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognized as income or as expense for the year.

e. Hedge Accounting

The Company designates its forward contract as hedge instrument to hedge its foreign currency risk of its firm commitment and highly probable or forecasted revenue transaction to be accounted as cash flow hedge. The unrealized exchange gains or losses on transactions related to foreign currency borrowing which qualify as effective hedge are recognized in the Hedging Reserve Account.

Notes to the Financial Statements

for the year ended March 31, 2017

l. Retirement and other employee benefits

A retirement benefit in the form of Provident Fund is a defined contribution scheme and the contributions are charged to the Profit and Loss Account of the year when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the respective funds.

Gratuity liability is a defined benefit obligation. The cost of providing benefits under this plan is determined on the basis of actuarial valuation at each year-end using the projected unit credit method.

Actuarial gains and losses for defined benefit plans are recognized in full in the period in which they occur in the statement of profit and loss

Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date

m. Income taxes

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India.

The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

In the situations where the company is entitled to a tax holiday under the Income-tax Act, 1961 enacted in India or tax laws prevailing in the respective tax jurisdictions where it operates, no deferred tax (asset or liability) is recognized in respect of timing differences which reverse during the tax holiday period, to the extent the company's gross total income is subject to the deduction during the tax holiday period. Deferred tax in respect of timing differences which reverse after the tax holiday period is recognized in the year in which the timing differences originate. However, the company restricts recognition of deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized. For recognition of deferred taxes, the timing differences which originate first are considered to reverse first.

At each reporting date, the company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Notes to the Financial Statements

for the year ended March 31, 2017

n. Segment Reporting Policies

The company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the company as a whole.

o. Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

p. Provisions

A provision is recognised when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

q. Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

r. Cash and Cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

s. Measurement of EBITDA

As permitted by the Guidance Note on the Revised Schedule VI to the Companies Act, 1956, the company has elected to present earnings before interest, tax, depreciation and amortization (EBITDA) as a separate line item on the face of the statement of profit and loss. The company measures EBITDA on the basis of profit/ (loss) from continuing operations. In its measurement, the company does not include depreciation and amortization expense, finance costs and tax expense.

Independent Auditor's Report

To the Members of
Renaissance Jewellery Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Renaissance Jewellery Limited ("the Holding Company") and its subsidiaries (collectively referred to as the "Company" or "the RJL Group"), comprising of the Consolidated Balance Sheet as at March 31, 2017, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the RJL Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act read with Rule 7 of the Companies (Accounts) Rule, 2014. The Board of Directors of the Company are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act or otherwise for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal controls and checks relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the principles and procedures followed, accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the

information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the RJL Group, as at March 31, 2017 and their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matters

We did not audit the financial statements / financial information of three subsidiaries, whose financial statements / financial information reflect total assets of ₹ 17,740.92 Lakhs as at March 31, 2017, total revenues of ₹ 46,005.32 Lakhs and net cash inflows amount to ₹ 3,603.64 Lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements / financial information have been prepared in accordance with accounting policies generally accepted in their respective countries and audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-sections (3) of Section 143 of the Act, to the extent applicable or considered as applicable, insofar as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors.

We did not audit the financial statements / financial information of a subsidiary, whose financial statements / financial information reflect total assets of ₹ 41,113.53 Lakhs as at March 31, 2017, total revenues of ₹ 65,451.62 Lakhs and net cash inflows amount to ₹ 311.36 Lakhs for the year ended on that date as considered in the consolidated financial statements. These financial statements / financial information have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of this subsidiary and our report in terms of sub-sections (3) of Section 143 of the Act to the extent applicable or considered as applicable in so far as it relates to the aforesaid subsidiaries is based solely on management certified financial statements / financial information.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the

above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been made so far as it appears from our examination of those books.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the books of account relevant for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the applicable Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 to the extent applicable.
- (e) On the basis of written representations received from the directors of the Holding Company and the subsidiary companies incorporated in India as on March 31, 2017 and taken on record by the respective Board of Directors of the Holding Company and subsidiary companies incorporated in India, none of the directors thereof is disqualified as on March 31, 2017 from being appointed as a director in terms of section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the RJL group and operating effectiveness of such controls, refer to our separate report in Annexure A, and
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014,

in our opinion and to the best of our information and according to the explanations given to us:

- (i) the consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the RJL Group, Refer Note 30 to the consolidated financial statements;
- (ii) the Group did not have any material foreseeable losses on long-term contracts including derivative contracts;
- (iii) there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company incorporated in India; and
- (iv) the company has provided requisite disclosures in its standalone financial

statements as to holdings as well as dealings in Specified Bank Notes during the period from November 8, 2016 to December 30, 2016 and these are in accordance with the books of accounts maintained by the company. Refer Note 36 to the financial statement.

Annexure A to the Auditors' Report

Annexure – A to the Independent Auditors' Report of even date on the Consolidated Financial Statements of Renaissance Jewellery Limited

(referred to in paragraph (g) under the Report on other legal and regulatory requirements)

Report on the Internal Financial Controls under Clause (i) of Sub-section (3) of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Financial Statement of the Company as of and for the year ended March 31, 2017, we have audited the internal financial controls over financial reporting of Renaissance Jewellery Limited (hereinafter referred to as "the holding Company") and its subsidiaries, which are the companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The management of the Holding company and its subsidiary companies, which are incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with

ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were

operating effectively as at March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

for the year ended March 31, 2017

- iv. The Consolidated Financial statements are prepared by adopting uniform accounting policies for like transactions and other events in similar circumstances and are presented, to the extent possible, in the same manner as the Company's separate financial statements except otherwise stated elsewhere in this Notes.

The activities of the foreign subsidiaries are not an integral part of those of the Holding Company and hence, these have been considered to be Non-Integral foreign operations in terms of Accounting Standard 11 – "The Effects of Changes in Foreign Exchange Rates". Consequently, the assets and liabilities, both monetary and non-monetary, of such subsidiaries have been translated at the closing rates of exchange of the respective currencies as at March 31, 2017; income and expenses have been translated at average rate of exchange which approximates the actual exchange rate and Exchange Difference arising on translation of financial statements as above is recognized in the Foreign Currency Translation Reserve.

All inter-company transactions, balances and unrealized surpluses and deficits on transactions between group companies are eliminated.

The financial statements of the subsidiaries used for the purpose of consolidation are drawn upto the same reporting date as that of the Holding Company i.e. March 31, 2017.

Other accounting policies

a) Use of estimates

The preparation of financial statements in conformity with Indian GAAP requires management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and disclosure of contingent liabilities at the end of the reporting period. Although these estimates are based upon management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in the future periods.

b) Tangible fixed assets

Fixed assets are stated at cost, net of accumulated depreciation. The cost comprises purchase price, borrowing costs if capitalization criteria are met and directly attributable cost of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from de recognition of fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

c) Depreciation/Amortization

Depreciation is provided based on the estimated useful life of the asset which has been determined by the management which coincides with those prescribed under the Schedule II to the Companies Act, 2013 by applying written down value rates.

The group uses the same rates of depreciation for all the subsidiaries except as follows:

Sr. No.	Name of the Company and Description of Assets	Method	Useful Life of Assets/ Depreciation rates	Proportion of Gross Bock
1	Renaissance Jewelry New York Inc. Leasehold Improvements Furniture and Fittings Safe Office Equipment Computers Security System Telephone & Mobile	S.L.M. S.L.M. S.L.M. S.L.M. S.L.M. S.L.M. S.L.M.	64 months 7 years 5 years 5 years 5 years 5 years 5 years	10.38%

Further in respect of assets built on leasehold land or leasehold premises, if the life as per Schedule II is more than the balance period of lease as per lease term the asset shall be written off over the balance period of lease.

Leasehold Land is amortized on a straight line basis over the period of lease.

d) Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Intangible assets are amortized on a straight line basis over the estimated useful economic life.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

A summary of amortization policies applied to the company's intangible assets is as below:

Name of Company	Nature of Intangible asset	Method	Useful Life of Assets/ Depreciation rates
Renaissance Jewellery Limited	Computer Software	S.L.M	20%
Renaissance Jewellery New York Inc.	Goodwill / Customer Rights	S.L.M	15 years

e) Impairment of tangible and intangible assets

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.

f) Leases

Company is the lessee

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item,

Consolidated Notes to the Financial Statements

for the year ended March 31, 2017

are classified as operating leases. Operating lease payments are recognized as an expense in the Profit and Loss account on a straight-line basis over the lease term

g) Investments

Investments that are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Current investments are carried in the financial statements at lower of cost and fair value determined on category of investment. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

On disposal of an investment, the difference between its carrying amount and net disposal proceeds is charged or credited to the statement of profit and loss.

h) Inventories

Cut & Polished Diamonds	Polished diamonds are valued at lower of cost or net realizable value. Cost is ascertained on lot-wise weighted average basis.
Finished Goods of Jewellery	Finished goods are valued at lower of cost or net realizable value.
Raw materials	Lower of cost and net realizable value. However, materials and other items held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost is determined on specific identification basis. Cost of raw materials comprises of cost of purchase and other cost in bringing the inventory to their present location and condition excluding refundable taxes and duties.
Work-in-progress and Finished goods	Lower of cost and net realizable value. Cost includes direct materials, labor and proportionately all other cost related to converting them into finished goods. Cost is determined on specific identification basis.
Stores and spares	Stores and spares are valued at lower of cost or net realizable value. The cost is computed on moving weighted average.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

Housefull International Limited

Closing stock includes traded goods like furniture and accessories. Such finished goods are valued at lower of cost and net realizable value. Cost of finished goods is determined on a weighted average basis. Net realizable value is the estimated selling price in the ordinary course of business, less estimated cost of completion and estimated costs necessarily to make the sale.

Renaissance Jewellery New York Inc.,

Inventories are stated at the lower of cost (average cost method) or market (net realizable value).

Renaissance Jewellery Bangladesh Pvt Ltd

Inventory consisting of silver grains, gold and silver findings, diamonds, precious and semi precious stones, etc. are valued at lower of market value and carrying amount of items. Besides this, other accessories items are included as consumables in inventory.

i) Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Sale of Goods

Revenue is recognized when the significant risks and rewards of ownership of the goods have passed to the buyer. The company collects sales taxes and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the company. Hence, they are excluded from revenue.

Consolidated Notes to the Financial Statements

for the year ended March 31, 2017

Housefull International Limited

Revenue is recognized when the property in the goods, agreed to be sold, is transferred i.e. when billing is done, accepted and the entire amount is collected. The Company collects sales taxes and value added taxes (VAT) on behalf of the government and, therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenue.

Interest

Revenue is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable. Interest income is included under the head "other income" in the statement of profit and loss.

Dividends

Revenue is recognised when the shareholders' right to receive payment is established by the reporting date.

j) Borrowing Cost

Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

k) Foreign currency translation

Foreign currency transactions and balances

a) Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

b) Conversion

Foreign currency monetary items are reported using the closing rate.

c) Exchange Differences

Exchange differences arising on the settlement of monetary items or on reporting such monetary items of company at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

d) Forward Contracts

The premium or discount arising at the inception of forward exchange contracts is amortised as expense or income over the life of the contract. Exchange differences on such contracts are recognised in the statement of profit and loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognised as income or as expense for the year.

e) Hedge Accounting

The Company designates its forward contract as hedge instrument to hedge its foreign currency risk of its firm commitment and highly probable or forecasted revenue transaction to be accounted as cash flow hedge. The unrealized exchange gains or losses on transactions related to foreign currency borrowing which qualify as effective hedge are recognized in the Hedging Reserve Account.

l) Retirement and other employee benefits

Parent Company / Indian Subsidiaries

- Retirement benefits in the form of Provident Fund is a defined contribution scheme and the contributions are charged to the Profit and Loss Account of the year when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the respective funds.
- Gratuity liability is a defined benefit obligation. The costs of providing benefits under this plan is determined on the basis of actuarial valuation at each year-end using the projected unit credit method.
- Actuarial gains and losses for defined benefit plans are recognized in full in the period in which they occur in the statement of profit and loss.

Consolidated Notes to the Financial Statements for the year ended March 31, 2017

- d) Accumulated leave, which is expected to be utilized within the next 12 months, is treated as short-term employee benefit. The company measures the expected cost of such absences as the additional amount that it expects to pay as a result of the unused entitlement that has accumulated at the reporting date.

The company treats accumulated leave expected to be carried forward beyond twelve months, as long-term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the year-end. Actuarial gains/losses are immediately taken to the statement of profit and loss and are not deferred. The company presents the entire leave as a current liability in the balance sheet, since it does not have an unconditional right to defer its settlement for 12 months after the reporting date.

Renaissance Jewellery New York, Inc

The company, since incorporated in the USA, has followed the law of that country and has established a 401(k) saving plan (the 'Plan'). At the discretion of the company, the Plan provides for the company's contributions based on eligible amounts contributed to the Plan by its participants. For the year ended March 31, 2017, the company did not make any contribution to this Plan.

Renaissance Jewellery Bangladesh Pvt Ltd

- i) Provident Fund

The Company operates a recognized provident fund scheme with equal contribution @ 8.33% of basic salary by the employees and also by the Company. The fund is administered by the Board of Trustees.

- ii) Compensation/Gratuity scheme

The Company introduced an unfunded gratuity scheme for its all eligible permanent staffs from 1 April 2015. Provision for gratuity has been made in the the financial statement according to company's gratuity policy in the year from April 2015 to March 2016 for the staff completing one year of service from the date of joining. Gratuity is payable to the staff after completion of minimum five years continued service in the company.

m) Income taxes

Parent Company / Indian Subsidiaries

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India.

The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred income taxes reflects the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

In the situations where the company is entitled to a tax holiday under the Income-tax Act, 1961 enacted in India or tax laws prevailing in the respective tax jurisdictions where it operates, no deferred tax (asset or liability) is recognized in respect of timing differences which reverse during the tax holiday period, to the extent the company's gross total income is subject to the deduction during the tax holiday period. Deferred tax in respect of timing differences which reverse after the tax holiday period is recognized in the year in which the timing differences originate. However, the company restricts recognition of deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized. For recognition of deferred taxes, the timing differences which originate first are considered to reverse first.

At each reporting date, the company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

Consolidated Notes to the Financial Statements

for the year ended March 31, 2017

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Foreign Subsidiaries

Tax expenses have been accounted for on the basis of tax laws prevailing in respective countries of incorporation.

n) Segment Reporting Policies

The company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the company as a whole.

o) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. Partly paid equity shares are treated as a fraction of an equity share to the extent that they are entitled to participate in dividends relative to a fully paid equity share during the reporting period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

p) Provisions

A provision is recognised when an enterprise has a present obligation as a result of past event; it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates.

q) Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The company does not recognize a contingent liability but discloses its existence in the financial statements.

r) Cash and Cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise cash at bank and in hand and short-term investments with an original maturity of three months or less.

s) Employee Stock Purchase Plan

The Company records employee share purchase plan in accordance with the Guidance Note on Accounting for Employee Share based Payment issued by ICAI. The shares as per the scheme are issued at market price and hence there is no employee compensation expense.

t) Measurement of EBITDA

As permitted by the *Guidance Note on the Revised Schedule VI to the Companies Act, 1956*, the company has elected to present earnings before interest, tax, depreciation and amortization (EBITDA) as a separate line item on the face of the statement of profit and loss. The company measures EBITDA on the basis of profit/ (loss) from continuing operations. In its measurement, the company does not include depreciation and amortization expense, finance costs and tax expense.

21. HEDGE		

The Company has recognised exchange differences arising on translation of Forward contract by following an appropriate hedge accounting policy and applying the principles set out for hedge accounting in Guidance notes on accounting for derivative contracts issued by Institute of Chartered Accountants of India. The Company has designated Forward contract as hedge instrument to hedge its foreign currency risks of highly probable forecast transaction (of revenue streams) to be accounted as cash flow hedge. During the current year ended March 31, 2017, the net exchange difference gain on Forward contract amounting to ₹ 2,220.41 Lakhs (March 31, 2016: ₹ 764.96) has been recognized in Hedging Reserve Account.

Consolidated Notes to the Financial Statements

22. HOUSEFULL INTERNATIONAL LIMITED

The company sells its goods at various retail outlets including e-commerce. Upon customer's selection it offers sale and delivery thereof. On acceptance of offer for sale, the price is invoiced and the sale consideration is fully collected. The relevant goods are marked for that customer. The delivery of the sold product is effected or deferred at the customer's request. The company recognises such invoices (where amount is fully collected) as sales, though the delivery is deferred at the customer's request, in terms of legal advice and applicable Accounting Standard that the sale is complete when goods are appropriated and identified upon payment.

24. EMPLOYEE BENEFITS

General Description of Defined Benefit plan

Gratuity

The Company operates single type of Gratuity plans wherein every employee is entitled to the benefit equivalent to fifteen days salary last drawn for each completed year of service depending on the date of joining and eligibility terms. The same is payable on termination of service or retirement whichever is earlier. The benefit vests after five years of continuous service.

The following tables summaries the components of net benefit expense recognised in the statement of profit and loss account and the funded status and amounts recognised in the balance sheet for the respective plans.

Consolidated Notes to the Financial Statements

for the year ended March 31, 2017

The major category of plan assets as a percentage of the fair value of total plan assets are as follows:

Insurance Policy	Gratuity	
	March 31, 2017 ₹ In Lakhs	March 31, 2016 ₹ In Lakhs
Renaissance Jewellery Limited	100%	100%
Housefull International Limited	0%	0%

The principal assumptions used in determining gratuity for the Company's plans are shown below:

	Gratuity (Unfunded)		Gratuity (Funded)	
	Mar 31, 2017 ₹ In Lakhs	Mar 31, 2016 ₹ In Lakhs	Mar 31, 2017 ₹ In Lakhs	Mar 31, 2016 ₹ In Lakhs
Discount rate	6.69%	7.46%	7.28%	7.72%
Expected rate of return on assets	NA	NA	7.28%	7.72%
Age of Retirement	58	58	60 Years	60
Annual increase in salary cost	4.00%	4.00%	5.00%	5.00%

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

The over all expected rate of return on assets is determined based on the market prices prevailing as on that date, applicable to the period over which the obligation is expected to be settled. There has been change in expected rate of return on assets due to change in the market scenario.

Amounts for the current and previous four period are as follows:

	March 31, 2017 ₹ In Lakhs	March 31, 2016 ₹ In Lakhs	March 31, 2015 ₹ In Lakhs	March 31, 2014 ₹ In Lakhs	March 31, 2013 ₹ In Lakhs
