NXTBLOC[®]

AUTOCLAVED AERATED CONCRETE BLOCKS

2nd Annual Report
2016-17

Dear Shareholders,

It gives me immense pleasure to write to you at the end of another landmark year for Bigbloc Construction Limited.

I am pleased to inform you that your company has completed successfully financial year 2016-17 with Net profit after Tax for the year recorded ₹. 292.61 Lakhs.

The Board of Directors of the company has proposed a final dividend of ₹.0.25 per equity share of face value of ₹. 10 each. The board has planned to expand its manufacturing capacity at various geographic region.

We witness the rollout of India's groundbreaking fiscal reform i.e. GST which will transform India into single marketplace. This is good news for organized players like us. The Government in its efforts to preserve the environment has taxed AAC (Autoclaved Aerated Concrete) at 12% which is significantly lower than the earlier tax regime. Traditional bricks which were earlier not taxable are now taxed at 5%. This shall greatly benefit us in the coming future.

Let me brief you the growth outlook of Real Estate/Infrastructure Sector:

Contribution of Real Estate to India's GDP is estimated to increase to about 13% by 2028. Increasing share of real estate in the GDP would be supported by increasing industrial activity, improving income level, and urbanization. Mumbai and Bengaluru have been rated as the top real investment destination in Asia.

With the implementation of the RERA, 2016, the interest of the consumers is going to be protected. RERA is going to make home buying process simpler and easier as well as transparent for the buyers. One can expect an increase in the demand due to this but that will take some time. It all depends on when the government constitutes the RERA."

As of now 90 smart cities have been added to the Centre's programme. Thirty new cities were added to the Centre's Smart Cities Mission and total investment of ₹. 57,393 crore was announced by Union Urban Development Minister M. Venkaiah Naidu, taking the total number of smart cities to 90.

Housing price are likely to fall by up to 5% following the implementation of Goods and Services Tax (GST) after the Centre and states decided to peg the levy at 12% on finished houses or apartments. For a normal houses (up to ₹. 6,000 per sq ft), 12% GST on a finished house or an apartment will be effectively reduced to near zero as the developer will take the credit for taxes he paid on inputs. At the same time, the buyer will not have to pay the service tax 4.5% of the price of the house.

Also, with the government having focus on infrastructure Development and Housing for All, we expect the demand for AAC Blocks to increase multi-fold in the future.

Looking at all the above factors, I am quite sure that the Company's future is very bright. We look forward to continuing along our successful path together with you.

I would like to thank all our consumer, employees, Suppliers who are directly or indirectly associated with the company for their support and commitment, which helped us to reach where we are now.

I would like to thank our shareholders for their trust and encouragement and assure to serve strong, Profitable and Sustainable Growth.

With Warm regards

Mr. Narayan Sitaram Saboo

Chairman

19. STATUTORY AUDITORS:

At the 01st AGM of your Company, the Members approved the appointment of M/s. R.K.M & Co., Chartered Accountant, Surat (Firm Registration Number. 108553W), to hold the office from the conclusion of the 01st Annual General Meeting until the conclusion of 05th AGM of your Company, subject to ratification at every Annual General Meeting. The Company has received a certificate from the auditors to the effect that their re-appointment if made, would be in accordance with the provisions of section 139 and 141 of the Companies Act, 2013. Resolution seeking your approval on these item is included in the Notice convening the AGM.

AUDITORS' REPORT:

Members' attention is invited to the observation made by the Auditors under "Qualified Opinion" appearing in Auditors Reports. The Company has not provided for Long Term Employee Benefits such as Gratuity and Leave Encashment on accrual basis but provides the same as and when they become due for payment. This method of accounting of Long Term Employee Benefits is in deviation with Accounting Standard-15 on Employee Benefits in respect of provision for Long Term Employee Benefit & Defined Benefit plans. As there is no actuarial report or basis of calculation available with the management of such long term employee benefits, the quantum of deviation cannot be determined. If the company had followed the method accounting as per AS - 15, then employee benefit expense would have increased and correspondingly long-term provision would have also increased for such employee benefits.

"The Board is of the opinion that the Provision for the Long term Employees are determined on the basis of actuarial Valuation Method & technique prescribed in the Accounting Standard. The company has decided to pay the Long term benefits as and when it becomes due as the amount is negligible and it is not going to make any impact on the financial Position of the company. Considering the size of the company and negligible liability, the company has not made provisions for Long term employee benefits & Defined benefits plan"

20. SECRETARIAL AUDIT:

In terms of the provisions of Section 204 of the Companies Act, 2013 read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, the Board has appointed Mr. Dhiren R Dave, Surat, Practising Company Secretaries to conduct the secretarial audit of the Company for the financial year 2016-17. The Secretarial Audit Report for FY 2016-17 is annexed as Annexure-4 to the Director's Report.

The Secretarial Audit Report does not contain any qualification, reservation or adverse remark.

21. PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS MADE:

Loans, Guarantees and Investments covered under Section 186 of the Companies Act, 2013 form part of the notes to the financial statements provided in this Annual Report.

22. CONTRACTS AND ARRANGEMENTS WITH RELATED PARTIES:

All transactions entered with Related Parties for the year under review were on arm's length basis and in the ordinary course of business and that, the provisions of Section 188 of the Companies Act, 2013 and the Rules made thereunder are not attracted. Thus, disclosure in form AOC-2 in terms of Section 134 of the Companies Act, 2013 is not required. Further, there are no material related party transactions during the year under review with the Promoters, Directors or Key Managerial Personnel. All Related Party Transactions were placed before the Audit Committee as also to the Board for approval. Omnibus approval was obtained for the transactions, which are of repetitive nature. The policy on Related Party Transactions as approved by the Audit Committee and Board of Directors has been uploaded on the website of the Company. The web-link of the same has been provided in the Corporate Governance Report. None of the Directors has any pecuniary relationship or transactions vis-à-vis the Company.

23. DEVELOPMENT AND IMPLEMENTATION OF A RISK MANAGEMENT POLICY:

The company has laid down procedures to inform board members about the risk assessment and minimization procedures. These procedures are periodically reviewed to ensure that executive management controls risk through means of properly defined framework. The company has also devised a Risk Management Policy for identification of elements of risks and procedures for reporting the same to the Board.

24. MATERIAL CHANGES AND COMMITMENTS, IF ANY AFFECTING THE FINANCIAL POSITION OF THE COMPANY OCCURRED BETWEEN THE END OF THE FINANCIAL YEAR TO WHICH THESE FINANCIAL STATEMENTS RELATE AND THE DATE OF THE REPORT:

MANAGEMENT DISCUSSION & ANALYSIS REPORT

MACROECONOMIC REVIEW

Since the onset of global financial crisis, global economy is still struggling to revive and grow at a healthy rate. A large number of political and economic disturbances have been witnessed over the past one year, from uprisings in the Middle East, economic turmoil in Euro Area and Brexit. Volatility in commodity prices and general uncertainty has impacted business environment across the globe and recovery pace in both mature and emerging markets.

While the global economies continued to witness slow growth during the current year as well, the Indian economy on a macro basis stayed fairly robust. India's per capita income in real terms in 2016-17 also slowed to a growth pace of 5.7% to ₹ 82,296 (\$1,276) against 6.8% growth last year. India, however, was one of the faster growing large economies in the world, with a currency that performed better than most other emerging market currencies.

There was a significant upturn in commodity prices after a year of deflation. Consumer spending remained subdued during the early part of the year impacted by two years of drought. The gradual recovery of the market was temporarily impacted by adverse liquidity conditions post demonetisation and especially in the December quarter. The construction sector shrank 3.7% in the March quarter, compared with a 3.4% growth in the preceding quarter. The announcement that a real estate regulator will be appointed to ensure higher accountability in the sector may have also contributed to the slowdown.

The year was marked by two major domestic policy developments: passage of the Constitutional amendment which paved way for implementing the transformational Goods and Service Tax (GST), and the action to demonetize the ₹ 500 and ₹ 1,000 bank notes in the country. The GST will create a common Indian market, improve tax compliance and governance, and boost investment and growth. It is also a bold new experiment in the governance of India's cooperative federalism.

Your Company's performance for the year 2016-17 has to be viewed in the context of aforesaid economic and market environment.

AAC (AUTO-CLAVE AERATED CONCRETE) BLOCKS BUSINESS

INDUSTRY STRUCTURE & DEVELOPMENT

Infrastructure sector is a key driver for the Indian economy. The sector is highly responsible for propelling India's overall development and enjoys intense focus from Government for initiating policies that would ensure time-bound creation of world class infrastructure in the country. Mr Nitin Gadkari, Minister of Road Transport and Highways, and Shipping, has announced the government's target of ₹ 25 trillion (US\$ 376.53 billion) investment in infrastructure over a period of three years, which will include Rs 8 trillion (US\$ 120.49 billion) for developing 27 industrial clusters and an additional ₹ 5 trillion (US\$ 75.30 billion) for road, railway and port connectivity projects.

Infrastructure sector includes power, bridges, dams, roads and urban infrastructure development. In 2016, India jumped 19 places in World Bank's Logistics Performance Index (LPI) 2016, to rank 35th amongst 160 countries. A total of 6,604 km out of the 15,000 km of target set for national highways in 2016-17 has been constructed by the end of February 2017, according to the Minister of State for Road, Transport & Highways, Government of India.

- The Government of India is taking every possible initiative to boost the infrastructure sector. Some of the steps taken in the recent past are being discussed hereafter. In the Union Budget 2017-18, the Government of India has taken the following measures for the development of infrastructure.
 - ✧ Increased total infrastructure outlay and defense capital expenditure by 10 per cent and 20.6 per cent to ₹ 3,96,135 crore (US\$ 59.18 billion) and ₹ 86,488 crore (US\$ 13.1 billion) respectively, over FY17 revised estimate.
 - ✧ Railway expenditure allocation has increased by 8 per cent to ₹ 1,31,000 crore (US\$ 19.58 billion) for laying down 3,500 km of railway lines in 2017-18.
 - ✧ Affordable housing has been given infrastructure status.
 - ✧ Lock-in period for long-term capital gains on land and buildings has been reduced from three to two years.
- The Government of India has laid out a roadmap to complete 23 Priority-I projects by 2016-17, 31 Priority-II projects by 2017-18 and balance 45 Priority-III projects by December 2019 under the Prime Minister Krishi Sinchayee Yojana (PMKSY) and Accelerated Irrigation Benefits Programme (AIBP).
- The Ministry Of Urban Development has approved investment of ₹ 2,863 crore (US\$ 433 million) in six states under the Atal Mission for Rejuvenation and Urban Transformation (AMRUT) scheme, for improving basic urban infrastructure over FY 2017-20.
- Airports Authority of India (AAI) plans to increase its capital expenditure for 2017-18 by 25 per cent to ₹ 2,500 crore (US\$ 0.37 billion), primarily to expand capacity at 12 airports to accommodate increase air traffic, as per the Chairman of AAI.
- The Government of India has earmarked ₹ 50,000 crore (US\$ 7.34 billion) to develop 100 smart cities across the country, etc.

AAC INDUSTRY IN INDIA "AN ECO-FRIENDLY INITIATIVE FOR THE CONSTRUCTION INDUSTRY"

AAC became much popular gradually all over the world. Now AAC is one of the most ideal and environment friendly building materials.

For environmentally conscious AAC Blocks means eco-friendly products and for those who occupy buildings built with AAC blocks it means better safety and lower energy costs for cooling or heating.

There is a central government gadget notification mandating government departments and CPWD to use 100% AAC Blocks in their all constructions directly or through contractor. This factor will help the marketability of AAC product immensely. Fly Ash generated by a power plant should be provided free of cost to a consumer within a radius of 100 kms.

Government Thrust on Affordable Housing: The government of India has taken many initiatives to make affordable housing scheme "Housing for All by 2022" a reality:

- **Credit Linked Subsidy Scheme (CLSS) for MIG:** The Hon'ble Prime Minister of India, in his address to the Nation on 31st December, 2016 announced the government interest subsidy scheme for addressing the housing needs of the Middle Income Group (MIG) segment of society in view of the projected growth of urbanization in India and the consequent housing demands.
- **Infrastructure Status given to Affordable Housing:** The Union Minister for Finance and Corporate Affairs, Shri Arun Jaitley while presenting the General Budget 2017-18 in Parliament said that affordable housing will now be given infrastructure status, which will enable these projects to avail the associated benefits. The National Housing Bank (NHB) will refinance individual housing loans of about ₹ 20,000 crore in 2017-18.
- **Benefits to Affordable Housing Developers:** Infrastructure status to affordable housing will ensure easier access to institutional credit and help in reducing developers' cost of borrowing for affordable projects. The approval process for affordable projects will be simplified; it will create clear guidelines and increase transparency in the segment. Affordable housing promoters will also get more time for project completion. The deadline will increase to five years, up from the current three year
- Construction developers should strictly follow eco-friendly development technologies. Many other initiatives were taken for affordable housing scheme, which will increase demand for our company's product.

GST has been implemented from 01st July, 2017 in India, completely overhauling the indirect tax regime. GST is set to improve ease of doing business in India and reducing tax burden by eliminating or integrating many of the tax codes. With the implementation of GST, flat 12% GST is leviable on your company's product, instead of Excise duty @ 12.5%, VAT/CST @ 2%-5% and Octroi @ 5.5%. Thus, GST has proven to be beneficial for your company, as the tax rate has been reduced from 20%-25% to flat 12% on final product.

Ministry of Civil Aviation (MOCA), GOI has given approval for the development of Greenfield airport at the Navi Mumbai and subsequently the State Cabinet, GOM has also approved the development of Navi Mumbai International Airport. This will lead to development of huge infrastructure in the area ranging from Ghodbunder to Lonavala. Thus, demand for AAC blocks is expected to rise in this region in near future.

OPPORTUNITY & STRENGTH

- Reduction of GHG Emission or Earning of Carbon Credit
- High Demand in Future as Green product
- Conserves natural resources and decreases air pollution as well as Earthquake Resistance
- Use of Fly ash – Industrial Waste- as an ingredient of building material and No Generation of Waste in atmosphere.
- Better Quality employment creation and Reduction of Dependence on fossil fuels.
- Demand for world-class infrastructure in India.
- "Make in India" initiative would demand good infrastructure specifically roads, railways, etc thus increase in demand for AAC blocks.
- Government's "100 smart cities" initiative.
- Higher budgetary allocation for infrastructure sector.
- Housing for all by 2022

RISK AND CONCERN

- High transportation Cost
- High Finance Cost and Investment cost
- Lack of entry barrier attracting new entrant into line of business

BUSINESS OUTLOOK

Your Company has Autoclaved Aerated Concrete (AAC) blocks manufacturing unit of capacity 300,000 m³/annum in Umargaon, Gujarat. Your Company's AAC Blocks are marketing in Brand Name of "NXTBLOC". The market Characteristic shows the demand for AAC Blocks as green product increase due to its various advantages like natural lightweight, earthquake and fire resistance attracts more customers in future. Sixty-Five percent of the AAC block by weight is fly ash, which is a by-product of coal combustion. Therefore, AAC makes productive use of recycled industrial wastage. It is also a raw material that is obtained at almost no cost.

The AAC Block industry is only viable if the manufacturing facilities are located within 250 kms from the client place/ construction. Our manufacturing facilities are strategically located at Umargaon, which caters to Mumbai, Pune & Surat where the major construction activities take place. Our current capacity to produce AAC stands at 3,00,000 m³/annum. Our plant can produce 35 truckloads/enough AAC blocks required for a 10 storey building in a day.

New Nargol port, which is just 6kms from our plant, is to be commissioned soon leading to savings in transportation costs. Additionally it will lead to increase in demand due to new industrial and commercial set ups, construction of ports will also require AAC blocks in huge quantity. As per research Mumbai and Bengaluru have been rated as the top real investment destinations in Asia.

INDEPENDENT AUDITOR'S REPORT

To,

The Members of

BIGBLOC CONSTRUCTION LIMITED

Report of the Financial Statements

We have audited the accompanying financial statements of Bigbloc Construction Limited ("the Company"), which comprise the balance sheet as at 31 March 2017, the statement of profit and loss and the cash flow statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Basis of Qualified Opinion

The company has not provided for Long Term Employee Benefits such as Gratuity and Leave Encashment on accrual basis but provides the same as and when they become due for payment. This method of accounting of Long Term Employee Benefits is in deviation with Accounting Standard-15 on Employee Benefits in respect of provision for Long Term Employee Benefit & Defined Benefit plans. As there is no actuarial report or basis of calculation available with the management of such long term employee benefits, the quantum of deviation cannot be determined. If the company had followed the method accounting as per AS - 15, then employee benefit expense would have increased and correspondingly long term provision would have also increased for such employee benefits.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of matter described in the 'Basis of Qualified Opinion' Paragraph above, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March 2017 and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in the paragraph 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:-
 - a) We have sought & obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

- b) In our opinion proper books of accounts as required by law have been kept by the company so far as appears from our examination of such books.
- c) The Balance Sheet, Statement of Profit & Loss Account and cash flow statement dealt with by this report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 except for Accounting Standard-15 on Employee Benefits in respect of provision for Long Term Employee Benefit & Defined Benefit plans.
- e) On the basis of the written representations received from the directors as on 31st March, 2017 and taken on record by the board of directors, none of the directors is disqualified as on 31st March, 2017 from being appointed as a directors in terms of section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B"; and
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- the Company has disclosed the impact of pending litigations on its financial position in its financial statements – Refer Note 24 (i) to the financial statements;
 - the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.
 - The company has provided requisite disclosures in its financial statements as to holdings as well as dealings in Specified Bank Notes during the period from 8th November, 2016 to 30th December, 2016. Based on audit procedures and relying on the management representation, we report that the disclosures are in accordance with the books of accounts maintained by the Company (Refer Note 34 to the financial statements).

- xiv. According to the information and explanations give to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.
- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- xvi. The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act 1934.

Annexure "B" to the Independent Auditor's Report of Even date on the Financial Statements of Bigbloc Construction Limited for year ended on 31st March, 2017

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Bigbloc Construction Limited ("the Company") as of 31 March 2017 in conjunction with our audit of financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our Qualified opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

According to the information and explanations given us and based on our audit, the following material weakness has been identified as at March 31, 2017:

- i) The Company did not have an appropriate internal control system for inventory with regard to purchase and consumption of Flyash (which is one of main Raw Materials), Stores & Spares and other consumables. The physical verification of inventory is carried out by the management at reasonable interval but quantitative records of inventory of purchase and consumption of Flyash, Stores & Spares and other consumables are not maintained by the company. This could potentially result in discrepancy in inventory not prevented or detected in timely manner.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, considering the nature of business, size of operation and organizational structure of the entity, except for possible effects of the material weakness described above on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as of March 31, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the March 31, 2017 financial statements of the Company, and the material weakness does not affect our opinion on the financial statements of the Company.

Notes Forming Part of Financial Statements for the year ended 31st March, 2017**1 SIGNIFICANT ACCOUNTING POLICIES****A. BASIS OF PRESENTATION OF FINANCIAL STATEMENTS**

The financial statements have been prepared under the Historical Cost Convention in accordance with the generally accepted accounting principles in India and the provisions of the Companies Act, 2013.

B. USE OF ESTIMATES

The preparation of financial statements in confirmation with GAAP requires the management to make estimates and assumptions considered in reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The management believes that estimates used in preparation of financial statements are prudent and reasonable. Future results could differ due to these estimates and the difference between actual results and the estimates are recognised in the periods in which these gets materialized.

C. INVENTORIES

Closing stocks are valued at lower of cost or estimated realisable value. Cost of inventories comprise Cost of Purchase, Cost of Conversion and other costs incurred in bringing them to their respective present location and condition. The cost has been calculated on FIFO basis.

D. DEPRECIATION & AMORTIZATION

I) Depreciation on fixed assets has been charged on straight line method (SLM) on useful life of assets as prescribed in Schedule II of the Companies Act, 2013 except for intangible assets.

II) Depreciation on all assets are charged at rates of Single Shift.

III) Depreciation on addition has been provided from the date of putting the assets into use.

IV) Cost of Software capitalized is amortized over period of five year.

E. EMPLOYEE BENEFITS

(a) All the Short Term Employee Benefits are accounted for on the basis of services rendered by the employees of the company.

(b) Company contributes towards Provident Fund which is Defined Contribution schemes. Liability in respect thereof is determined on basis of contribution required to be made as per statutes/ rules.

(c) No provision has been made for Long Term Employee Benefits such as Gratuity and Leave Encashment on accrual basis but same are accounted for as and when they become due for payment.

F. FIXED ASSETS

Fixed Assets are stated at Cost, Less Accumulated Depreciation. All Costs, including Financing Cost till the asset is put to use are included in Total cost and accordingly capitalised in Fixed Assets. Capital Work In Progress includes Capital Items not installed or Building construction not completed.

G. REVENUE RECOGNITION**Sale of Goods**

Sales of goods are recognised, net of returns, on transfer of significant risks and rewards of ownership to the buyer which generally coincides with the delivery of goods.

H. BORROWING COST

Borrowing Costs that are attributable to the acquisition, construction or production of qualifying assets are capitalized as part of Cost of such assets. A qualifying asset is one that necessarily takes a substantial period of time to get ready for its intended use. All other borrowing costs are charged to revenue.

I. CENVAT and VALUE ADDED TAX (VAT):-

CENVAT and VAT credit received on purchases is reduced from respective item of purchases. Excise Duty & VAT on Sales is credited to Payable account and differential amount, if any, is paid. Thus, the company has followed exclusive method of accounting whereby purchases, sales and stock is shown exclusive of Cenvat & VAT and accounted for in separate Account.

J. TAXES ON INCOME

Tax Expenses comprises of both current and deferred tax at the applicable enacted rates. Current tax represents the amount of income tax payable in respect of taxable income for the reporting period.

Deferred tax represents the effect of timing differences between taxable income and accounting income for the reporting period that originate in one period and are capable of reversal in one or more subsequent periods. MAT credit available on current tax is recognised as asset. MAT credit is recognised if there is convincing evidence of realization of the same.
