MANAGEMENT DISCUSSION & ANALYSIS REPORT

Industry Structure and Development

In recent years, recycling has gained attention worldwide due to growing focus on sustainability and realisation that natural resources are limited. Now Companies are articulating a vision of using more and more portion of recycled material in their products. The rubber industry is not an exception to this. This envisages tremendous growth pockets of the industry in the years to come as India is far from attaining any saturation level, so far as consumption of rubber products is concerned. End of life tyres are an important source of recycled rubber worldwide and its status has changed from waste to resource. The reclaim rubber industry has been developed around this reality and made India the world's second largest producer of reclaim rubber.

Rubber is a versatile product with multiple usages. It is grown in various countries worldwide and plays a crucial role in the Indian economy too. The use of rubber is widespread, ranging from household to industrial products, entering the production stream at the intermediate stage or as final products. Tyre and tubes are the largest consumers of rubber and synthetic rubber is mainly used for the production of auto tyres and tubes, cycle tyres and tubes and footwear. Other applications for the synthetic variety are camel back, belts etc. The market segmentation includes Auto tyres and tubes 56%, Bicycle tyres and tubes 9%, Footwear 18%, Latex goods 8%, Belts and hoses 4%, Camelback 5%.

The use of rubber in so many applications results in a growing volume of rubber waste. With the increase in demand, the manufacturing and use of rubber and the rubber products has increased tremendously both in the developed and developing countries. End-of-life tyres (ELT) or waste tyres are a chronic environmental issue in western countries and so now in India. As India is riding on robust growth, more and more vehicles are hitting the roads, so are tyres. In the last five fiscals, the tyre industry in the country has grown at a CAGR of 12%. On the flip side, the impressive growth has brought in its wake more challenges to the environment.

Reclaim Rubber is widely used in manufacturing of automobile tyres and tubes as well other rubber products. By adding reclaim rubber with the virgin rubber, it reduces the production cost of the product as well as enhances process ability of compound.

Reclaim Rubber industry has high growth potential for many decades as generation of waste tyres will continue with the rapid increase in vehicle population and also reclaim rubber properties enhancement. Tyre sector though being the largest consumer of reclaim rubber, other products such as belts also offer high volume for its consumption.

Further, sustainability also comes from renewable energy which is generally defined as energy that comes from resources which are naturally replenished, such as sunlight, wind, rain, tides, waves, and geothermal heat etc. Harnessing of renewable energy has resulted in significant energy security, climate change mitigation, and economic benefits. In rural and remote areas, transmission and distribution of energy generated from fossil fuels can be difficult and expensive. Producing renewable energy locally offers a viable alternative.

Wind is a clean source of renewable energy that produces no air or water pollution. At present, wind power farms are in operation around the world. Many wind farms with large numbers of wind turbines have been installed in recent years around the world including India. Industry body Indian Wind Turbine Manufacturers Association (IWTMA) said that the wind power generation capacity in the country has crossed 32 GW so far and there should be at least 6 GW of capacity addition every year to meet the target of having 60 GW by 2022.

However, according to the Central Electricity Authority's (CEA) monthly report for March 2017, the installed wind power generation capacity is around 28.7 GW, lower than the ITWMA estimates. "India set a new record in 2016, and 2017 is likely to be another strong year, but after that things will probably slow a bit as the industry and markets adapt to tendering system which is now being introduced and then pick up again," GWEC had said in its 2016 report.

OPPORTUNITIES AND THREATS

The worldwide economic crisis is leading to surpluses, falling prices and import/export restrictions imposed by countries to protect their own industries. But with an optimistic view towards Indian economy, we can say that amidst the gloomy landscape of unusual volatility in the international economic environment, Indian economy stands as a place of stability and opportunity.

Any new initiative to develop new products and processes takes time to stabilize and costs are incurred in business development. Further, slump in the commodities (scrap, rubber) have affected the Company's revenue. This has impacted the profitability during Financial Year 2016-17. This is our investment for a more robust and strong future. The Company has taken steps for forward integration to make value added end products using present finish product i.e. Reclaim Rubber.

Reclaim rubber manufacturing is not a simple process and it calls for robust management practices to guarantee technical soundness, environmental benefits and lower costs to consumers.

The global rubber industry has not remained unaffected by all the events as Terrorist attacks. The price of natural rubber, which was ruling around Rs.200 a kg about four years ago, is now hovering around Rs.100. Similar is the case of most synthetic rubbers. Reclaim rubber, the third source of rubber hydrocarbon, too has been experiencing several challenges, pricing pressure being just one of them.

Hence, with growing interest in developing new technologies for recycling hazardous waste into usable value-added products, recycling of waste tyres too came under focus around the world and manufacturers of rubber products realized the benefits – both economic and technical – that usage of recycled rubber (like reclaim rubber) could bring to their business. Several patents in this area have been registered on this process.

Implementation of GST in FY2018 is expected to give a boost to the organized reclaim rubber sector. At present, about one-third of the Indian reclaim market is with the unorganized sector. Most unorganized players offer reclaim rubber at 20% lower cost over organized players. Post implementation of GST the overall market is likely to see consolidation.

In the recent years, radialisation of commercial vehicle tyres in India has gathered momentum (it currently stands at around 37%, up from just 15% in 2010). This will obviously lead to less and less availability of end-of-life cross ply nylon tyres, the main raw material for the reclaim rubber industry till now. On the other hand, the increased availability of end-of-life steel belted radial tyres will mean that the industry will have to ensure smooth 'switch-over' to this new raw material source – not just from the technological point of view of recycling but also in getting the consuming industry to accept this inevitable change. Key steps required are changing equipment types (currently modeled exclusively for cross ply tyres) and manufacturing processes to handle this transition.

It's quite clear that reclaim rubber manufacturing will no longer be a simple operation that can be managed effectively by a small scale entrepreneur with limited resources and almost no technical support. Robust management practices are imperative to ensure that the finished product is produced from scrap and ever changing raw material; the processes employed have to guarantee a technically sound and standard product similar to other manufactured chemicals and rubbers. Reclaim rubber manufacturers that embrace this change wholeheartedly will survive and can look forward to a good future.

SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

The Company is engaged in two segments viz. generation of energy through non-conventional sources and production of reclaimed rubber. During FY 2016-17, non-conventional energy division has 12.20% and reclaimed rubber division has 87.80% share in total revenue of the Company as under:

Segment Revenue:	Amount in lakhs	
	31-Mar-2017	31-Mar-2016
Non-Convention Energy Division	152.70	181.63
Reclaimed Rubber Division	1098.82	767.38
Total	1251.52	949.01

The Company has succeeded in supplying on regular basis reclaimed rubber products of unparalleled quality parameters in bulk quantities to many customers in various product segments thus surpassing the objectives set during the preceding year. This has been possible due to the systems and processes encompassing raw materials management, various production processes, quality assurance, sales and marketing, maintenance management, human resources management and development, environment, health and safety, etc.

Having established itself as a supplier for crumb rubber for various applications in FY 2014-15, the Company earned the status of preferred vendor for reclaim rubber to customers of repute in different product segments during FY 2016-17.

We employ latest technology and hi-tech equipment to develop a range of rubber reclaim products using eco-friendly production processes. The company has implemented quality and environment management systems for procurement of quality raw materials, efficient manufacturing techniques, testing procedures including research and design for ensuring consistency in quality output. The company emphasizes on training of employees on continual basis for improvement of their skills and create an encouraging atmosphere towards company overall performance.

OUTLOOK

The reclaim rubber industry during this period has been grappling with many challenges. About 3-5 years ago, there was a mushroom growth of pyrolysis plants all across the country to recover cheap aromatic oil from waste tyres. Such oil found lucrative buyers in the grey market. As a result the prices of the waste rubber began to rise sharply and posed major threat to the viability of reclaim rubber manufacturers.

This coupled with intense competition from the new entrants in the reclaim rubber industry led to unhealthy price war. The survival of the fittest has become the norm. Reclaim rubber manufacturers with an established customer base globally have been able to sustain themselves (so far) albeit at wafer-thin margins or with losses.

As a result, the industry has lost its appetite to invest in creating fresh capacities. With virgin rubber available at so low prices, there is lower interest for rubber goods manufacturers to increase usage of reclaim rubber in their formulations, despite several technical and environmental benefits the latter provides.

In this scenario, reclaim rubber manufacturers are being forced to rethink their value proposition to the consuming industries. Moving away from just a cost advantage, focus is being put on further highlighting the technical benefits (better processability, improved tack etc.) and environmental-friendly nature (lower CO2 emissions). These and other benefits make reclaim rubber an indispensable component of rubber compound for a variety of rubber goods, not restricted to just tyres. Reclaim rubber manufacturers will have to convince the consuming industries to give equal weightage to technical, environmental benefits and lower costs.

Pursuant to company's philosophy, Company is focusing on consistent quality, physical properties of reclaim rubber to facilitate its higher loading in compound. The Company continues to supply REACH compliant products by way of revalidation of its certificate and Company's quality and environment management system in compliance with ISO 9001:2008 & ISO 14001: 2004 standards.

SEPL Reclaim Rubber industry intents to save valuable resources for future generations, with a vision to consolidate the existing rubber industry and wind power in the country. The company is committed towards attaining international standards in the quality of its rubber products. After making key efforts in research of reclamation of rubber, Reclaim Rubber has made a place for itself where its users can put the complete reliance on the quality and timely deliveries of our products. Based on this approach, we have been making efforts to grow and effect technological up-gradation and promoting our brand in domestic markets by producing high quality Reclaim Rubber.

REPORT ON CORPORATE GOVERNANCE

Corporate Governance is most often viewed as both the structure and the relationships which determines corporate direction and performance. Corporate Governance is the commitment of an organization to follow ethics, fair practices and transparency in all its dealing with its various stakeholders such as Customers, Employees, Investors, Government and the Society at large. Sound Corporate Governance is the result of external market place commitment and legislation plus a healthy board culture which directs the policies and philosophy of the organization. Our Company is committed to good Corporate Governance in all its activities and processes.

Corporate Governance rightly continues to remain a prevailing area of shareholder focus. At SEPOWER, good governance is an integral part of how we do business. We have a well-established corporate governance framework to facilitate effective and prudent management while supporting the strategic delivery of our objectives. The Board provides clear strategic direction to and oversight management who act within the limits of the authority delegated to them by the Board.

Company's philosophy on Corporate Governance

We at SEPOWER believe that corporate governance is more than compliance to regulatory requirements as there exists a fundamental link with the business of organisation commitment to values. As a responsible organisation, we follow these principles to maintain accountability in all our affairs and employ democratic and open processes. We have evolved guidelines and best practices to ensure timely and accurate disclosure of information regarding our financial performance and corporate governance of the Company.

Our corporate governance philosophy is based on the following principles:

- ✓ Make a clear distinction between personal conveniences and corporate resources.
- ✓ Be transparent and ensure timely and balance disclosure of all material information concerning the Company, to all its stakeholders.
- ✓ Satisfy the spirit of the law and not just the letter of the law.
- ✓ Corporate Governance standards should go beyond the law.
- ✓ Communicate externally, in a truth full manner, about how the Company is running internally.
- ✓ Have a simple and transparent corporate structure driven solely by business needs.
- ✓ The Management is the trustee of the shareholders' capital and is not the owner.

We believe that an active, well-informed and independent Board is necessary to ensure the highest standards of Corporate Governance and Board of Directors of the Company (the Board) understand their duties towards the stakeholders and work in the furtherance of the true spirit of being "Trustees".

New Delhi – 110055

Share Transfer System : Shares sent for transfer in physical form are processed and completed by our Registrar and Share Transfer Agent within a period of 15 days from the date of receipt of application for transfer, provided all the documents are in order. In case of shares in electronic form, the transfer are processed by NSDL/CDSL through respective Depository Participants. Shares under objection are returned within two weeks.

Share Dematerialisation Process : As trading in shares of the Company can be done only in electronic form, it is advisable that the shareholders who have shares in physical form get their shares dematerialised. The process of share dematerialisation is as under:

Step1: Shareholder has to open a demat account with a Depository participant (DP) and obtain an account number.

Step2: Shareholder need to fill in a Demat Request Form (DRF) and submit the same with the physical certificate/s to the depository participants for dematerialization. For each ISIN, a separate DRF has to be used.

Step3: DP would verify that the DRF has been filled correctly.

Step4: DP would setup a demat request on the CDSL or NSDL system and send the same to the Company and the Registrar and Transfer Agent.

Step5: Issuer/ Registrar and Transfer Agent (RTA) would verifies the genuineness of the certificates and confirms the request.

Step6: Once the request has been successfully made, DP would deface and mutilate the physical certificates, generate a Demat Request Number (DRN) and send an electronic communication to the depository and courier the DRF and the share certificate to the company by courier.

Step7: On receiving confirmation, depository will credit an equivalent number of securities in the demat account of the BO maintained with CDSL or NSDL.

Step8: The depository will electronically download the details of the demat request and communicate the same to the electronic registry maintained by the Registrar of Companies.

Dematerialization process take approximately 10-15 days from the receipt of dematerialization request form. Details of Shareholding as on 31st March, 2017

SECRETARIAL AUDIT REPORT

Form No. MR-3

For The Financial Year Ended 31st March, 2017

[Pursuant to Section 204(1) of the Companies Act, 2013 and rules made thereunder]

To,
The Members,
S. E. Power Limited,
Survey No. 54/B, Pratapnagar Jarod-Savli Road,
Samlaya, Vadodara- 391520 (Gujarat)

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s S. E. Power Limited [CIN: L40106GJ2010PLC091880] (hereinafter called the Company). The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and produced to me and also the information provided by the Company, its officers and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2017 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2017 according to the provisions of:

1. The Companies Act, 2013 (the Act) and the rules made thereunder;

**INDEPENDENT AUDITOR'S REPORT
AND FINANCIAL STATEMENTS
(STANDALONE & CONSOLIDATED)**

INDEPENDENT AUDITOR'S REPORT

**TO
THE MEMBERS OF
M/s S. E. POWER LIMITED
VADODARA**

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of M/s S. E. POWER LIMITED ("the Company") which comprise the Balance Sheet as at 31st March 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

1. In the case of the Balance Sheet, of the “State of Affairs” of the Company as at 31st March 2017;
2. In the case of the Statement of Profit and Loss, of the “Loss” for the year ended on that date; and
3. In the case of the Cash Flow Statement, of the “Cash Flows” for the year ended on that date;

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 (“the Order”), issued by the Central Government of India in terms of sub-Section (11) of Section 143 of the Companies Act, 2013, we give in Annexure 'A' a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The audit of all the branch offices of the Company has been conducted by us, hence section 143(8) is not applicable;
 - d. The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account;
 - e. In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - f. On the basis of written representations received from the directors as on 31st March, 2017 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2017, from being appointed as a director in terms of Section 164(2) of the Act;
 - g. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in “Annexure B”; and
 - h. With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company does not have any pending litigations which would impact its financial position.
 - ii) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Report on the Internal Financial Controls Under Clause (i) of Sub – Section 3 of Section 143 of the Companies Act, 2013

We have audited the internal financial controls over financial reporting of M/s S. E. POWER LIMITED as of 31st March 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility For Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records

that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ACCOUNTING POLICIES FORMING INTEGRAL PART OF THE FINANCIAL STATEMENTS

A. Basis of Preparation of Financial Statements

The financial statements have been prepared under the historical cost convention method, in accordance with the generally accepted accounting principles and the provisions of the Companies Act, 2013, as adopted consistently by the Company. The Company has followed Mercantile System of Accounting and the accounts have been made consistently on accrual basis as a going concern.

The Company complies with the relevant provisions of the Companies Act, 2013 and applicable accounting Standards prescribed by the Companies (Accounting Standards) Rules, 2006 issued by the Central Government of India and the guidelines issued by the Securities and Exchange Board of India (SEBI) to the extent applicable.

The financial statements are presented in Indian rupees rounded off to the nearest rupee.

B. Stock in Trade

Inventories are stated at the lower of cost or net realizable value after providing for obsolescence, if any. Cost of Inventories comprises of cost of purchase, cost of conversion and other cost incurred in bringing them to their respective present location and condition.

C. Cash Flow Statement

As required by Accounting Standard-3 “Cash Flow Statement” issued by “The Institute of Chartered Accountants of India” the Cash Flow for the period is reported using indirect method. The Cash and Cash Equivalent of the Company comprises of Cash in hand and Current account with Scheduled Banks.

D. Depreciation

Depreciation for current financial year has been provided on straight-line method in the manner and as per the useful lives of the Assets specified in Schedule II to the Companies Act, 2013 and on pro rata basis from the date of installation till the date the assets are sold or disposed off.

E. Revenue Recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured:

- a) Sales are recognized on generation of sale bill or clearance of goods from factory whichever is earlier and are recorded exclusive of excise duty, service tax and sales tax.
- b) Export benefits are recognized on accrual basis.
- c) Scrap, salvaged/waste materials and sweepings are recognized on actual realization basis.

F. Fixed Assets

All assets held with the intention of being used for the purpose of producing goods or providing services and not for sale in the normal course of business are recognized as Fixed Assets and are stated at cost less accumulated depreciation after considering lease adjustment account. All costs including finance cost attributable to fixed assets till assets are ready for intended use are capitalized.

G. Investments

Investments are recognized as recommended in AS 13. Accordingly following policies have been adopted in respect of Investments made:

- i) Investments that are readily realizable and are intended not to be held for more than one year from the date of acquisition are classified as current investments. All other investments are classified as Long term investments.

- ii) The Company values its Investments based on the Accounting Standard- 13 “Accounting for Investment” issued by the Institute of Chartered Accountants of India:
- a) Investment held as long-term investments are valued at cost. Provision for diminution in value is made only if there is a permanent decline in their net realizable value.
- b) Current investments are valued at lower of cost or net realizable value.

H. Employee Retirement Benefits

Contributions to Provident Fund made during the year, are charged to Statement of Profit and Loss for the period.

The Company has taken Workmen Compensation Policy to meet the requirement in case of any accident or death of the worker. This contribution to the said plan is charged to Profit & Loss account. The company has no further obligation beyond its contribution to plan.

I. Borrowing Costs

- i) Borrowing costs, which are directly attributable to the acquisition /construction of fixed assets, till the time such assets are ready for intended use, are capitalized as a part of the cost of assets.
- ii) All borrowing costs other than mentioned above are expensed in the period they are incurred. In case unamortized identified borrowing cost is outstanding at the year end, it is classified under loans and advances as unamortized cost of borrowings.
- iii) In case any loan is prepaid/ cancelled then the unamortized borrowing cost, if any, is fully expensed off on the date of prepayment/cancellation.

J. Related Parties

Parties are considered to be related if at any time during the reporting period one party has the ability to control the other party or exercise significant influence over the other party in making financial and/or operating decisions.

As required by AS-18 “Related Party Disclosure” only following related party relationships are covered:

- (a) Enterprises that directly, or indirectly through one or more intermediaries, control, or are controlled by, or are under common control with, the reporting enterprise (this includes holding Companies, subsidiaries and fellow subsidiaries);
- (b) Associates and joint ventures of the reporting enterprise and the investing party or venture in respect of which the reporting enterprise is an associate or a joint venture;
- (c) Individuals owning, directly or indirectly, an interest in the voting power of the reporting enterprise that gives them control or significant influence over the enterprise, and relatives of any such individual;
- (d) Key management personnel (KMP) and relatives of such personnel; and
- (e) Enterprises over which any person described in (c) or (d) is able to exercise significant influence.

K. Lease Assets

Assets taken on lease are accounted for in accordance with AS-19 “Accounting for Lease” issued by “The Institute of Chartered Accountants of India”.

L. Earning Per Share

The Earning per Share (Basic as well as Diluted) is calculated based on the net profit or loss for the period attributable to equity shareholders i.e. the net profit or loss for the period after deducting Proposed Preference Dividend and any attributable tax thereto.

For the purpose of calculating (Basic and Diluted EPS), the number of equity shares taken are the weighted average number of equity shares outstanding during the period.

M. Segment Reporting

The Segment report of the Company has been prepared in accordance with the Accounting Standard-17 “Segment Reporting” issued by The Institute of Chartered Accountants of India.

N. Intangible Assets

Intangible assets are recognized only when four of below mentioned criteria are fulfilled:

- a) Asset is identifiable.
- b) Control of the enterprise over that asset.
- c) It is probable that future economic benefits attributable to the asset will flow to the enterprise.
- d) Cost of the asset can be measured reliably.

If any of the above four criteria is not fulfilled the expenditure incurred to acquire the asset is recognized as an expense, in the year in which it is incurred.

Intangible assets are initially measured at cost, after initial recognition the intangible asset is carried at its carrying value i.e. cost less any accumulated amortization and accumulated impairment losses.

O. Impairment of Assets

An asset is treated as impaired, when carrying cost of asset exceeds its recoverable amount.

At each Balance Sheet Date, it is seen that whether there is any indication that an asset may be impaired, if any such indication exist, the recoverable amount of the asset is estimated in order to determine the extent of impairment loss; if any. Such impairment loss is charged to the profit and loss account in the year in which an asset is identified as impaired.

When an impairment loss is subsequently reversed, the carrying amount of the asset is increased to its revised estimate of its recoverable amount. However this increased amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for that asset in prior period. A reversal of an impairment loss is recognized as income immediately in the Profit & Loss Account.

P. Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is present obligation as a result of past events and it is probable that there will be outflow of resources. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date and are not discounted to its present value. Contingent liabilities are not recognized but are disclosed in the notes on accounts. Contingent assets are neither recognized nor disclosed in the financial statements and will be recognize only when its realization is virtually certain.

Q. Use of Estimates and Judgements

The preparation of financial statements requires the management to make estimates and assumptions considered in the reported amount of assets and liabilities (including contingent liabilities) as on the date of the financial statements and the reported income and expenses during the reporting period. Management believes that the estimates used in the preparation of the financial statements are prudent and reasonable. Actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in current and future periods.

R. Foreign Currency Transactions

As prescribed in Accounting Standard 11 (AS- 11)- "The effect of changes in foreign exchange rates", Transactions in foreign currency are recorded at the rates of exchange prevalent on the date of transaction. Exchange differences, if any arising from foreign currency transactions are dealt in the statement of profit and loss at year end rates.

INDEPENDENT AUDITOR'S REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

**TO
THE MEMBERS OF
M/S S. E. POWER LIMITED
VADODARA**

REPORT ON THE CONSOLIDATED FINANCIAL STATEMENTS

We have audited the accompanying Consolidated financial statements of M/s S. E. POWER LIMITED (hereinafter referred to as “the Holding Company”) and its wholly owned subsidiary M/s Shubham Electrochem Limited (the Holding Company and its subsidiary together referred to as “the Group”) which comprise of the Consolidated Balance Sheet as at 31st March 2017, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

MANAGEMENT'S RESPONSIBILITY FOR THE CONSOLIDATED FINANCIAL STATEMENTS

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as “the Act”) that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on these financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Companies Act, 2013. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for

the purpose of expressing an opinion on whether the Holding Company has an adequate internal financial controls system over financial reporting in place and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

OPINION

We believe that our audit provides a reasonable basis for our opinion:

1. We report that the Consolidated Financial Statements have been prepared by the company's management in accordance with requirements of Accounting Standard 21 issued by the ICAI, "Consolidated Financial Statements".
2. In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:
 - a. In the case of the Consolidated Balance Sheet, of the State of Affairs of the Company as at 31st March 2017;
 - b. In the case of the Consolidated Statement of Profit and Loss, of the Loss for the year ended on that date; and
 - c. In the case of the Consolidated Cash Flow Statement, of the Cash Flows for the year ended on that date;
3. As required by section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The audit of all the branch offices of the Group has been conducted by us, hence section 143(8) is not applicable;
 - d. The Consolidated Balance Sheet, Consolidated Statement of Profit and Loss and Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
 - e. In our opinion, the aforesaid Consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
 - f. On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2017 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary company incorporated in India, none of the directors of the Group companies, is disqualified as on 31st March, 2017 from being appointed as a director in terms of Section 164 (2) of the Act;
 - g. With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure A"; and
 - h. With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i) There were no pending litigations which would impact the consolidated financial position of the Group.
- ii) The Group did not have any material foreseeable losses on long-term contracts including derivative contracts.
- iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary company, incorporated in India.
- iv) The Group has provided requisite disclosures in the Consolidated Financial Statements as to holdings as well as dealings in Specified Bank Notes (SBN) during the period from 8th November, 2016 to 30th December, 2016, these disclosures are in accordance with books of accounts maintained by the Group.

**ANNEXURE 'A' TO THE INDEPENDENT
AUDITOR'S REPORT OF
M/S S. E. POWER LIMITED
(Referred to in our Report of even date for F. Y. 2016-17)**

**REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER CLAUSE (I) OF SUB –
SECTION 3 OF SECTION 143 OF THE COMPANIES ACT, 2013**

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2017, We have audited the internal financial controls over financial reporting of M/s S. E. POWER LIMITED (hereinafter referred to as “the Holding Company”) and its subsidiary company, which are companies incorporated in India, as of that date.

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The respective Board of Directors of the of the Holding company, its subsidiary company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

AUDITOR'S RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT OF M/S S. E. POWER LIMITED (Referred to in our Report of even date for F. Y. 2016-17)

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

INHERENT LIMITATIONS OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

OPINION

In our opinion, the Holding Company, its subsidiary company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.
