Chairman speech

Dear Shareholders,

I take pleasure in presenting the Eighteenth Annual Report of your Company. I use this opportunity to present the financial performance of the Company in the year and what we see for the future. After the sale of business in October 2013, the Company has invested into Palred Online Technologies Private Limited which owns and operates www.LatestOne.com and Palred Technology Services Private Limited, a Software Solutions Company focused on e-commerce solutions.

LatestOne.com launched in October 2014 is India's only e-tailer specialized in tech and mobile accessories such as Bluetooth devices, mobile covers, tablet accessories, cables, power banks, Android TVs, headsets, smart watches, CCTV's etc. It stocks over 10,000 different products in its inventory and operates through its own fulfillment centers in Delhi and Mumbai. It attracts more than 1,25,000 visitors per day and has already served more than 1.5 million unique customers.

LatestOne.com has emerged as No.1 etailer for Tech & Mobile Accessories in 2 years since its launch. By combination of superior technology, fulfillment centers and digital marketing skills LatestOne.com has scaled up from 100 orders per day to almost 5,000 orders in a day. LatestOne.com has reduced its losses by 60% while revenue has grown by 8%. It was also direct cost profitable for full financial year.

Ecommerce industry faced several challenges last year. Even in these difficult situations we have been able to raise funding from prominent existing and new investors. We will use funding for international expansion and to introduce more product categories.

As always we will update the stake holders, investors, employees, customers, vendors and also keep them posted about the developments from time to time. Your Company has always been actively contributing to social causes as a part of its Corporate Social Responsibility.

On behalf of Management and staff, I would like to thank every shareholder of Palred Technologies Limited, for your continued commitment, support and confidence. We look forward to your continued support and encouragement in future as well.

**AnnexureB to the Independent Auditor's Report of even date to the members of Palred Technologies Limited,
on the standalone financial statements for the year ended 31 March 2017**

**Independent Auditor's report on the Internal Financial Controls under Clause (i) of Sub-section 3
of Section 143 of the Companies Act, 2013 ('the Act')**

1. In conjunction with our audit of the standalone financial statements of Palred Technologies Limited ('the Company') as of and for the year ended 31 March 2017, we have audited the internal financial controls over financial reporting (IFCoFR) of the Company as of that date.

Management's Responsibility for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the Company's IFCoFR based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of IFCoFR, and the Guidance Note issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's IFCoFR.

Meaning of Internal Financial Controls over Financial Reporting

6. A company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

2. Summary of significant accounting policies

(a) Basis of preparation of standalone financial statements

The standalone financial statements are prepared under historical cost convention on an accrual basis in accordance with the generally accepted accounting principles in India ("Indian GAAP") and comply in all material respects with the Accounting Standards specified under Section 133 of the Companies Act, 2013 ('the Act'), read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended), and the relevant provisions of the Act, pronouncements of The Institute of Chartered Accountants of India ('ICAI'). The accounting policies applied by the Company are consistent with those used in the previous year.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act. Based on the nature of business, the Company has ascertained its operating cycle as up to twelve months for the purpose of current and non-current classification of assets and liabilities.

(b) Use of estimates

The preparation of standalone financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure relating to contingent liabilities at the reporting date of the standalone financial statements and the reported amounts of revenues and expenses during the reporting year. Examples of such estimates include estimated useful life of tangible and intangible assets, future obligation under employee benefit plans, income taxes, recognition of deferred tax assets, and classification of assets and liabilities into current and non-current.

Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from these estimates. Any revision to accounting estimates is recognized prospectively in the current and future periods.

(c) Tangible assets

Tangible assets are stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises the purchase price and any directly attributable cost of bringing the asset to its working condition for its intended use. Subsequent expenditure on tangible assets after its purchase / completion is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance. Assets retired from active use and held for disposal are stated at their estimated net realisable values or net book values, whichever is lower.

Gains or losses arising from de-recognition of a tangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the Statement of Profit and Loss when the asset is de-recognized.

(d) Depreciation on tangible assets

Depreciation is provided using the written down value method based on useful lives of the assets as estimated by the management which coincides with the useful lives prescribed under Schedule II to the Act, except for leasehold improvements which are amortized over the lower of the lease period and the useful lives prescribed under the Schedule II to the Act.

(e) Intangible assets

Intangible assets acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost of acquisition, less accumulated amortization and accumulated impairment losses, if any.

Intangible assets are amortized on a straight-line method based on the estimated useful life of five years.

(f) Impairment

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the assets net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital.

After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

(h) Investments

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value, if any is made to recognize a decline other than temporary in the value of the investments.

(i) Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

A retirement benefit in the form of provident fund scheme is a defined contribution and the contribution is charged to the Statement of Profit and Loss of the year when the contribution to the respective fund is due. There are no other obligations other than the contribution payable to the respective fund.

Defined benefit plans

Gratuity is a post-employment benefit and is a defined benefit obligation. The liability recognized in the Balance Sheet represents the present value of the defined benefit obligation at the balance sheet date less the fair value of plan assets, together with adjustments for unrecognized actuarial gains or losses and past service costs. Independent actuary using the projected unit credit method calculated the defined benefit obligations annually.

Actuarial gains or losses arising from experience adjustments and changes in actuarial assumptions are credited or charged to the Statement of Profit and Loss in the year in which such gains or losses arises.

Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years.

Palred Technologies Limited**Summary of significant accounting policies and other explanatory information**

(All amounts in ₹, unless otherwise stated)

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date. Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to the taxes on income levied by same governing taxation laws. Deferred tax assets are recognized only to the extent there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. If the Company has carry forward of unabsorbed depreciation and tax losses, deferred tax assets are recognized only if there is virtual certainty, supported by convincing evidence, that all such deferred tax assets can be realized against future taxable profits.

At each balance sheet date the Company re-assesses unrecognized deferred tax assets of earlier periods and recognized to the extent that it has become reasonably certain or virtually certain, as the case may be, that future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each balance sheet date. The company writes-down the carrying amount of a deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

(m) Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise of cash at bank and on hand and include short-term investments with an original maturity of three months or less.

(n) Earnings per equity share

Basic earnings per equity share are calculated by dividing the net profit for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per equity share, the net profit for the year attributable to equity shareholders and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares. In computing the dilutive earnings per share, only potential equity shares that are dilutive and that either reduces the earnings per share or increases loss per share are included.

(o) Provisions and contingent liabilities

A provision is recognized when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to its present value and are determined based on management estimate required to settle the obligation at the balance sheet date. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Where there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

Annexure A to the Independent Auditor's Report of even date to the members of Palred Technologies Limited, on the consolidated financial statements for the year ended 31 March 2017

Independent Auditor's report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the consolidated financial statements of the Palred Technologies Limited ('the Holding Company') and its subsidiaries, (the Holding Company and its subsidiaries together referred to as 'the Group'), as of and for the year ended 31 March 2017, we have audited the internal financial controls over financial reporting (IFCoFR) of the Holding Company, its subsidiary companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

2. The respective Board of Directors of the Holding Company, its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the company's business, including adherence to the company's policies, the safeguarding of the company's assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the IFCoFR of the Holding Company, its subsidiary companies as aforesaid, based on our audit. We conducted our audit in accordance with the Standards on Auditing, issued by the ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of IFCoFR and the Guidance Note, issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate IFCoFR were established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the IFCoFR and their operating effectiveness. Our audit of IFCoFR included obtaining an understanding of IFCoFR, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the IFCoFR of the Holding Company, its subsidiary companies as aforesaid.

Meaning of Internal Financial Controls over Financial Reporting

6. A Company's IFCoFR is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's IFCoFR includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

7. Because of the inherent limitations of IFCoFR, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the IFCoFR to future periods are subject to the risk that the IFCoFR may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matters

9. We did not audit the IFCoFR insofar as it relates to one subsidiary company, which is incorporated in India, whose financial information reflect total assets (after eliminating intra-group transactions) of ₹ 68,392 as at 31 March 2017, total revenues (after eliminating intra-group transactions) of ₹ 235,000 and net cash outflows amounting to ₹ 23,666 for the year ended on that date, in respect of which, the Group's share of net profit of ₹ 211,334 for the year ended 31 March 2017 has been considered in the consolidated financial statements. Our report on the adequacy and operating effectiveness of the IFCoFR for the Holding Company and its subsidiary companies, which are companies incorporated in India, under Section 143(3)(i) of the Act insofar as it relates to the aforesaid subsidiary, which is company incorporated in India, is solely based on the management certification of adequacy of internal financial controls over financial reporting and operating effectiveness of such internal financial controls over financial reporting. In our opinion and according to the information and explanations given to us by the management, these financial information are not material to the Group.
