Honorable Securities Appellate Tribunal (SAT) has passed an order on August 30, 2016 in matter of appeal, challenging order of SEBI dated March 11, 2016, filed by the Company. SEBI issued said order in the matter of alleged irregularities in Initial Public Offer of the Company in the period August 2011 to September 2011.

However vide above said order Tribunal has reduced the period of debarment from the securities market of ten years imposed upon the Company and promoter Directors, to seven years and has stated that the Company shall be at liberty to use the money lying in the escrow account for the objects of the IPO as per law. Further Hon'ble SAT has not found merit in the allegations of PFUTP Regulations by the Company and its directors, However certain charges of Non-disclosure were upheld by Hon'ble SAT.

24. MATERIAL CHANGE & COMMITMENT OCCURRED BETWEEN END OF FINANCIAL YEAR & THE DATE OF REPORT:

There has been no change and commitment affecting the financial position of the Company between 31st March 2017 and date of this report except following:-

An adjudication order dated August 2, 2017 has been passed by Adjudicating officer (AO) of SEBI in the matter of alleged irregularities in Initial Public Offer of the Company in the period August 2011 to September 2011 for issue of 57,45,000 equity shares of face value 10/- each through 100% book building process.

In this matter a show cause Notice dated September 11, 2013 was issued under rule 4 of SEBI (Procedure for holding inquiry and imposing penalties by Adjudicating Officer) Rules 1995 read with section 15I(2) of SEBI Act 1992. SEBI initiated adjudication proceedings under the Act to inquire into and adjudge the alleged violations of certain provisions/Section/regulation of the SEBI Act, 1992; SEBI (Prohibition of Fraudulent and Unfair Trade Practices relating to Securities Market) Regulation, 2003 (PFUTP Regulations); SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2009 (ICDR Regulations) by the Company and its directors namely, Mr. Promod Gupta, Mr. Anurag Gupta, Mr. Vishal Gupta and Mr. Vikas Gupta.

Now, vide order dated August 2, 2017 Adjudicating officer of SEBI has imposed monetary penalties of Rupees One Crore on the Company and Rupees One Crore on each of four directors (mentioned in above paragraph) for the violation of ICDR Regulations. AO has also imposed penalty on 26 entities for violation of the provisions of Section 11C(2) and (3) of the SEBI Act, 1992, they are not related to PG Electroplast Limited. As regards the violation of the provisions of PFUTP Regulations by the Company and its directors, AO find that the Hon'ble SAT (Order dated August 30, 2016) has not found any merit in the said allegations.

The Company has significantly expanded its production capacity during the Financial Year 2016-17. It has also expanded factory area in Unit 1, 3 & Unit 4 and installed several new machines.

The Company derives its revenue primarily from the sale of Plastic parts of consumer durable products, home appliances & automotive parts.

2. Industry structure & development

Electronics industry is among the largest and fastest growing manufacturing Industry in the world. According to a research, the total Electronics Equipment Production of the world during the year 2014 was estimated to be around US\$ 2.0 trillion. Out of which production of communication equipment was 21.7 % and Consumer Electronics was 12.6 %. Over the years, production bases of Consumer electronics/durables goods have shifted from United State of America and European union to Asia and the latter's share in global production has increased to over 60%.

Currently India's share in the world production in this industry is very low. Furthermore, OEM [Original Equipment Manufacturing] and local component suppliers are still in infancy in India. Most of the OEM is confined to last-mile assembly indicating that the industry remains in the early stages of development. On the other hand India is set to become one of top ten largest consumer durables market in the world. Increasing product awareness, affordable pricing, innovative products and the high disposable incomes

have aided in the strong growth in the consumer electronics market in India. Replacement cycle for consumer Electronics/durable goods is also observed as key factor for sustained demand in urban areas. The existing low penetration rates and the increasing usage of consumer durables have catapulted rural areas to the high demand generating segment. This situation presents immense opportunity for the growth of the domestic industry.

In recent years, specifically after “Make in India” initiatives, several branded companies operating and selling products under their respective brands in these segments have increasingly outsourced the manufacturing of their products to EMS providers in India. Favorable Government policies & fiscal reforms initiatives in recent years along with the changing dynamics in global manufacturing landscape have shifted the focus onto India for being a preferred destination for electronics manufacturing investments.

Implementation of GST may bring benefits for domestic manufacturers of electronic components as cost of manufacturing will be brought down. Moreover with implementation of GST, multiple taxes and cascading effects of taxes will be eliminated. Further Industry will also be saving expenses incurred in warehousing and logistics which stood at approximately 5-8% of operational cost. However there are a few cases of inverted duty structure which may be detrimental to local component industry.

3. Opportunities and threats:

With the “Make in India” initiative of Government and shifting of manufacturing base to India, Our Country has the potential to emerge as the manufacturing destination in the future and with the right impetus, the consumer durables sector can repeat the success of Indian IT companies. Government has taken several initiatives to assist electronics industry in India. Viz certain tax and tariff concessions applying to specific products; Miscellaneous schemes to promote domestic industry:-Modified Special Incentive Package Scheme (MSIPS), Electronic Manufacturing Clusters (EMCs), Investment allowances and deductions (Additional depreciation);Schemes to promote innovation and Schemes aimed at skill development etc. Opportunities for this industry are bright because of rapid urbanization, unexploited rural market, increase in purchasing power of consumer, Easy availability of Finance.

For Our Company being services EMS provider for OEMs, Investment by Foreign OEMs as well Domestic OEMs in India in this sector may prove a major growth factor.

However Indian EMS market comprises of global EMS companies with operations in India, large Indian EMS companies and mid/small Indian EMS companies. Moderate competition is increasing among a few top companies. Competition from Local vendors & effect of Imports on Finished Goods Manufactures demands for more cost optimization & innovation/acquisition of updated technologies.

4. Product wise performance:

The Company always aims to enrich its product mix with different products across different customers & industries. Because of this strategy, the Company is in process of diversifying its portfolio. A summary on performance of different portfolios is as follows:

- a. Plastic parts of Consumer Electronics Goods: Plastic parts of Consumer Electronics Goods (Air Conditioners, Light, Washing Machines, Refrigerator, Air Cooler, ceiling Fan parts etc.) comprises of 65.32% of the product portfolio. Sale volume of such product has recorded & increase of 34.78% in comparison to FY 2015-16.
- b. Plastic parts of Automotive: Plastic parts of Automotive comprises of 11.03% of the product portfolio. This product has recorded increase in sale volume of 35.65% in comparison to FY 2015-16.

- c. Plastic parts of Bathroom Fittings: Plastic parts of Bathroom Fittings comprises of 4.53% of the product portfolio. This product has recorded increase in Sale volume of 156.58% in comparison to FY 2015-16.
- d. Air Cooler: Air Cooler comprises of 3.88% of the product portfolio. The sale of Cooler has also grown.
- e. Set Top Boxes: Set Top Boxes comprises of 3.42% of the product portfolio. This product has recorded increase in Sale volume of 66.47% in comparison to FY 2015-16.
- f. Tube Light Patti: This product comprises of 4.40% of product portfolio. This product has recorded increase in Sale volume of 84.27% in comparison to FY 2015-16. but now company has stopped manufacturing of this product.
- g. Mobile Handset: The Company has started production of mobile handset. Sale volume of this product

comprise of 2.1% of product portfolio.

h. Other Consumer Electronic Goods: The Company also manufacture/ assemble finished goods like Solar Light, Water Purifier, Kitchen appliances (JMG, Chopper etc) etc. Such product comprises of 5.32% of product portfolio.

5. Outlook

For the medium to long term, the outlook is positive for Industry, considering the rise in affordability levels (combination of increasing disposable incomes and the reduction in prices), and the existing low household penetration base for consumer durables. The growth prospects for individual items would, however, depend on specific demand drivers. This industry is characterized by rapidly changing technologies, continuous improvement in products and demand supply equation.

Thus for Company use of technological developments and cost effectiveness would be an important factor for future development. The company has been providing end-to-end support to its OEMs beyond contract manufacturing for some products. It is sign of progressive growth of the Company. Further the Company always strives to enhance its product mix and client base to diversify risks.

6. Risks & concerns

- Outcome of litigations: Conclusion of the litigation pending against the company/Promoters can have a critical bearing on its operation going forward. Updates on litigation pending before SEBI, have been provided in 23 and 23 of Director's Report.
- Dependence on key customers: We are dependent on certain key customers for a substantial portion of our revenue. Adverse relationship with any of these key customers may affect our operations. Thus Company has dependence on business plans and performance of its key customers . However, The Company has been putting efforts towards diversification of its product portfolio across industry segments and customers.

- **Changing Consumer Demands:** The Company need to be customer focused. Demand has a tendency to fluctuate rapidly. Additionally, demand can fluctuate cyclically and with economic volatility. The success and profitability of the Company is heavily dependent on how effective it is at addressing the changing demands of customers.
- **Shrinking Operating Margins:** With global competition, companies are faced with the challenge of meeting global price points. This creates additional pressure, as manufacturers need to ensure the delivery of high quality products while finding innovative ways to cut costs.
- Being EMS, Company's Key customers continuously seek to reduce cost. Therefore, our ability to be cost efficient is a critical factor in being preferred by our customers.

7. Internal Control System and their adequacy:

The Company has implemented ERP software for better and effective management of planning, purchase, store, production, sale, dispatch, accounting & finance. This will also help the management to have necessary internal Check systems in place. The internal Audit also helps the management in identifying the weaknesses in the existing systems.

8. Financial Performance & Operational Performance:

The Company's revenue from operation in FY 2016-17 increased by 40.26% from Rupees 260.25 crore to Rupees 367.10 Crore primarily due to increase in sales volume by 41.56%. Compared to the previous year, Depreciation and amortization (including losses on disposals) increased by 5.81% to Rs. 10.28 Crore, reflecting higher capital expenditure during the year. Cost of Raw Material & Components consumed increased by 43.51% proportionate to hike in Revenue from Operations by 41.56%. Other Income has decreased by 25.77% and other expenditure increased by 28.73%.

The Company has adopted "Process Excellence approach" to focus on process improvement, ongoing business process management and continuous improvement in overall operations. The Management understands that business processes are fundamental to every company's performance and its ability to successfully execute their business strategy. Thus during the year, special focus were emphasized on installation of several New Machines with upgraded technologies, retention of right people, Proper supporting structures etc.

Further Key Performance Indicators (KPIs) reporting set up by the Company help it to measure how effectively the Company is achieving its business objectives and optimizing Company's most valuable asset and major expense.

9. Material development in Human Resources/Industrial Relations front, including number of people employed.

The Company's management believes human resources are its biggest asset. The Company continuously reviews HR policies and practices and carries out necessary improvements to attract and retain best talent and build intellectual capital. Continuous nurturing of talent and helping employees in their career aspirations is one of the biggest challenges addressed through several discussions, which has resulted in people being respected, their performance being rewarded and aiding employees in realising their potential. The Company continued to enjoy healthy industrial relations during the year.

INDEPENDENT AUDITOR'S REPORT

To the Members of
PG ELECTROPLAST LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **PG ELECTROPLAST LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there-under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- (a) in the case of the Balance Sheet, of the state of affairs of the company as at March 31, 2017;
- (b) in the case of the Statement of Profit and Loss Account, of the profit for the year ended on that date; and
- (c) in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section(11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the order.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

Annexure - B to the Independent Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of PG ELECTROPLAST LIMITED ("the Company") as of 31 March 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI').

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the

company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to the financial statements for the year ended 31 March 2017**1 Background**

PG Electroplast Limited is an Electronic Manufacturing Services (EMS) provider for original Equipment Manufacturers (OEMs) of consumer electronic products in India. The Company manufacture and / or assemble a comprehensive range of consumer electronic components and finished products such as Kitchen Appliances, air conditioners (ACs) sub- assemblies, water purifiers and compact Fluorescent Lamps (CFL), Solar Lantern, Washing Machine for third parties. As backward integration, the company also do plastic injection moulding and manufacture Printed Circuit Boards (PCB) assemblies for CTVs, LCD & LED and CFL.

2 Statement of Significant Accounting Policies**i) Basis of Preparation**

The financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on accrual basis. GAAP comprises mandatory accounting standards as prescribed by the Companies (Accounting Standards) Rules, 2006, which continue to apply under Section 133 of the Companies Act, 2013, ('the Act') read with Rule 7 of the Companies (Accounts) Rules, 2014 and other relevant provisions of the Companies Act, 1956, to the extent applicable and guidelines issued by the Securities and Exchange Board of India (SEBI).

ii) Use of Estimates

The preparation of financial statements in conformity with GAAP requires the management to make judgements, estimates and assumptions that affect the reported amounts of revenue and expenses, assets and liabilities and the disclosures relating to contingent liabilities as of the date of the financial statements. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

All assets and liabilities have been classified as Current or Non-Current as per the criteria set out in the Schedule III to Companies Act, 2013.

iii) Revenue Recognition

- (a) Sale of goods: Sales are recognised when the substantial risks and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract and are recognised net of trade discounts, rebates and sales tax/ value added tax. The excise duty recovered is presented as a reduction from gross turnover. Sales returns are recognised on receipt of finished goods in the factory.
- (b) Sale of Services: In contracts involving the rendering of services, revenue is measured using the proportionate completion method and are recognised net of service tax.
- (c) Interest income is recognized on accrual basis.

iv) Tangible Fixed Assets and Depreciation

- (a) Tangible Assets are stated at acquisition cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost includes financing cost relating to borrowed funds attributable to the construction or acquisition of qualifying fixed assets upto the date the assets are ready for use. Where the acquisition of fixed assets are financed through long term foreign currency loans (having a term of 12 months or more at the time of their origination) the exchange differences on such loans are added to or subtracted from the cost of such fixed assets. In respect of new projects, all cost including borrowing cost incurred upto the date of commencement of commercial production or when related asset is put to use are capitalised.
- (b) Subsequent expenditures related to an item of fixed asset are added to its book value only if they increase the future benefits from the existing asset beyond its previously assessed standard of performance.
- (c) Losses arising from the retirement of, and gains or losses arising from disposal of fixed assets are recognised in the Statement of Profit and Loss.

v) Depreciation

- (a) The depreciation on assets acquired/sold/discarded/demolished during the year is provided from/upto the month the asset is commissioned/sold or discarded.
- (b) Depreciation on Tangible Fixed Assets has been provided on Straight Line Method(SLM) based on useful life of the assets prescribed in Schedule II of the Companies Act , 2013 except in respect of major Plant & machinery, where useful life has been taken as 25 years ,as technically assessed.
- (c) Lease hold land is amortized over the period of Lease.

vi) Intangible Assets

- (a) Intangible assets are recognised as per the criteria specified in the Accounting Standard (AS) 26 "Intangible Assets" and are amortised on straight line basis as follows:

	Period of Amortisation
Computer Software	6 year
Product Development	10 year

vii) Inventories

Raw material, components, stores and spares are valued at lower of cost and net realisable value. However, materials and other items held for use in production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. Cost of raw materials , components and stores and spares is determined using the first-in, first-out (FIFO) method.

Work-in-progress and finished goods are valued at lower of cost and net realisable value. Cost includes direct materials, labour and related production overheads.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated cost of completion and estimated cost necessary to make the sale.

viii) Investments

Investments that are readily realisable and are intended to be held for not more than one year from the date, on which such investments are made, are classified as current investments. All other investments are classified as long term investments. Current investments are carried at cost or fair value, whichever is lower. Long-term investments are carried at cost. However, provision is made for diminution in value, if such diminution is, in the opinion of the management, other than temporary in nature.

ix) Borrowing Costs

Borrowing costs that are directly attributable to the acquisition, construction or Production of qualifying assets are capitalized as part of the cost of such assets. A Qualifying assets is one that necessarily taken substantial period time to get ready for its intended use.

x) Employee Benefits

(a) Short Term Employee Benefits

All employee benefits payable within twelve months after the end of the period in which the employee render the related services are classified as short term employee benefits and are recognised as expense in the period in which the employee renders the related service. The company recognises the undiscounted amount of short term employee benefits expected to be paid in exchange of services rendered as a liability.

(b) Long Term Employee Benefits

Defined Contribution Plan

Defined contribution plans are retirement benefit plans under which the Company Pays fixed contribution to separate entities (funds) or financial institutions or state managed benefit schemes. The Company's contribution to defined contribution plans is recognized in the Profit & Loss account in the financial year to which they relate.

(c) Defined benefit plan

Defined benefit plans are retirement benefit plans under which the Company pays certain defined benefits to the employees at the time of their retirement/resignation/death based on rules framed for such schemes. Company operates following defined benefit plans:

- **Gratuity**

The Company provides for gratuity obligations through a defined benefit retirement plans (the 'Gratuity Plan'). The Gratuity Plan provides a lump sum payment to vested employees at retirement or termination of employment based on the respective employee salary and years of employment with the Company. The company provides for its liability under the Gratuity Plan based on actuarial valuation.

- **Earned Leaves**

The Company provides for the liability at year end on account of unavailed accumulated leaves on the basis of actuarial valuation

xi) Foreign Currency Transactions**Initial Recognition**

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Subsequent Recognition

All monetary assets and liabilities in foreign currency are restated using the exchange rate prevailing at reporting date.

Exchange Differences

The Company has opted to avail the choice provided under paragraph 46A of AS-11 "The Effect of Changes in Foreign Exchange Rates" inserted vide Notification dated December 29, 2011. Consequently, Exchange differences arising on long-term foreign currency monetary items related to acquisition of depreciable capital asset added to or deducted from the cost of the asset and depreciated over the remaining useful life of the asset. For this purpose, the company treats a foreign monetary item as "long-term foreign currency monetary item", if it has a term of 12 months or more at the date of its origination.

All other exchange differences are recognised as income or expenses in the period in which they arise.

xii) Government Grants

The Company is entitled to various incentives from government authorities in respect of manufacturing units located in developing regions. The Company accounts for its entitlement on accrual basis.

Government Grants receivable in nature of promoter's contribution i.e. by way of its contribution towards total capital outlay under a government scheme, such grants are credited to Capital Reserve and treated as a part of Shareholder's funds.

xiii) Current and deferred tax

- (a) Tax expense for the period, comprising current tax and deferred tax, are included in the determination of the net profit or loss for the period. Current Tax on income is determined on the basis of taxable income computed in accordance with the applicable provisions of the Income Tax Act, 1961.

- (b) Deferred tax is recognised for all the timing differences, subject to the consideration of prudence in respect of deferred tax assets. Deferred tax assets are recognised and carried forward only to the extent that there is a reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realised except in case of unabsorbed depreciation or carry forward of losses under Income Tax Act, 1961, deferred tax asset is recognised only to the extent that there is virtual certainty supported by convincing evidence that sufficient future taxable income will be available against which such deferred tax asset can be realised. Deferred tax assets and liabilities are measured using the tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet date. At each Balance Sheet date, the company reassesses unrecognised deferred tax assets, if any.

xiv) Lease Accounting

Operating lease payments are recognized as an expense in the Profit and Loss account on accrual basis.

xv) Impairment of Assets

Impairment of individual assets / cash generating unit (a group of assets that generates identified independent cash flows) is identified using external and internal sources of information and impairment loss if any, is determined and recognised in accordance with the Accounting Standard (AS) 28 "Impairment of Assets".

xvi) Segment Reporting

The company operates in a single segment of Electronics goods and components and therefore the disclosure requirements as per Accounting Standard 17 "Segment Reporting" is not applicable to the company.

xvii) Provisions, Contingent liabilities and Contingent Assets

Provisions: Provisions are recognised when there is a present obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance sheet date.

Contingent Liabilities: Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made, is termed as a contingent liability.

Contingent Assets : Contingent assets are neither recognised nor disclosed.

xviii) Cash and Cash Equivalents

Cash and cash equivalents for the purpose of Cash Flow Statement comprise cash and cheques in hand, bank balances, fixed deposits and other short term highly liquid investments where the original maturity is three months or less that readily convertible into known amount of cash and which are subject to an insignificant risk of change in value.

xix) Earnings Per Share

i) Excise department has issued show cause notice dated 22nd Dec., 2011 for Rs 7,65,73,219 /- in respect of CTV sold to ELCOT, Tamilnadu (a Govt. of Tamil Nadu undertaking) during the period Feb 09 to Oct 2011 for free distribution by the state Govt to poor section of the people by paying excise duty on the basis of value determined under section 4A instead of determining the value under section 4 of the Central Excise Act, 1944. The department has the contention that sale is institutional sale & valuation based on MRP under Section 4A is not applicable to the sale to ELCOT. The appeal made by the Company was allowed by the CESTAT ,New Delhi vide order dated 12th March, 2014. However the excise department has filed the appeal with Supreme Court, which has been admitted by the Supreme Court on 5th Jan., 2015 by condoning the delay in filing the appeal. Case is pending before Supreme Court for decision.

ii) The Directorate of Revenue Intelligence (Delhi Zonal Unit), New Delhi of Custom Department had conducted a search on 8.03.2011 and issued show cause notice (SCN) no. 29/2015 dated 29.05.2015 (received on 2.06.2015) mentioning why Anti-Dumping Duty of Rs 7,38,54,123 excluding interest & penalty should not be levied in respect of import of Colour Picture Tubes (CPT) from M/s Chungwa Picture Tubes, Malaysia during the period of May 2010 to Dec 2010. The Company has deposited Rs 145,00,000 during the year 2010-11 & 2011-12 under protest. The Delhi High court has quashed the show cause notices in similar cases named as Mangli Impex Ltd & others. Accordingly the Company has filed the writ Petition before Delhi High Court to quash the show cause notice. Delhi High Court has directed the matter to Principal Commissioner ,Custom, Dadri to adjudicate the matter in the light of judgment given in Mangli Impex Ltd. The Delhi High court order has been stayed by Supreme Court. Accordingly ,the Principal Commissioner Customs has confirmed the demand of Rs 738,54,123 along with interest and penalty. The company is in process of filing the appeal before CESTAT Allahabad.

iii) The company was under process of investigation, as per SEBI ad-Interim Order No. WTM/PS/IVD-ID5/42/2011/DEC dated 28-12-2011, in exercise of powers conferred upon SEBI under section 19 of the Securities and Exchange Board of India Act, 1992 read with section 11(1), 11(4), 11A and 11B of the said Act, SEBI has issued certain directions for the company/ directors/ other entities to comply with. Subsequently, the company has received the final order dated 11.03.2014 and in exercise of powers conferred under section 11(1), 11(4), 11(B) and 11(A) of the SEBI Act. On appeal, with Securities Appellate Tribunal (SAT), the SAT has passed the order dated 30.08.2016 and modified the order of whole time member by reducing the ban period from ten to seven years, allowing the use of escrow funds as per objects of the IPO and exonerating various charges of Prohibition of Fraudulent & Unfair Trade Practices (PFUTP) and disclosures.

The company has received show cause notice dated 11.09.2013 under rule 4 of SEBI (Procedure for holding Inquiry and Imposing penalties by Adjudicating officer) Rule 1995 read with Section 15-I of the SEBI Act, 1992 for imposing penalty under section 15HA & 15HB. The company has filed the reply on 16.12.2013 and personal hearing was held on 6.10.2015 and 1.12.2016. Order is awaited. In view of the uncertainty of the ultimate outcome, the impact, if any, cannot be presently ascertained.

The estimates of future salary increases, considered in actuarial valuation, take account of inflation, seniority, promotion and other relevant factors, such as supply and demand in the employment market.

The rate used to discount post employment benefit obligations (both funded and unfunded) should be determined by reference to market yields at the balance sheet date on government bonds. The currency and term of the government bonds should be consistent with the currency and estimated term of the post employment benefit obligations.
