NOTES:

1. The Explanatory Statement pursuant to the provisions of Section 102 of the Companies Act, 2013 and rules made thereunder, relating to the Special business to be transacted at the Meeting is annexed hereto. The relevant details of Directors seeking appointment/re-appointment at this Annual General Meeting ("AGM") of the Company are also annexed.
2. **A member entitled to attend and vote at the Annual General Meeting is entitled to appoint a proxy to attend and vote on a poll instead of himself/ herself and the proxy so appointed need not be a member of the Company. The instrument of Proxy in order to be effective, must be deposited at the Registered Office of the Company, duly completed and signed, not less than 48 hours before the commencement of the AGM. A Proxy form for the "AGM" is enclosed.**
A person can act as a proxy on behalf of the members not exceeding fifty and holding in the aggregate not more than ten percent of the total share capital of the Company carrying voting rights. A member holding more than ten percent of the total share capital of the Company carrying voting rights may appoint a single person as proxy and such person shall not act as a proxy for any other person or shareholder.
During the period beginning 24 hours before the time fixed for the commencement of the meeting and ending with the conclusion of the meeting, a member would be entitled to inspect the proxies lodged at any time during the business hours of the Company, provided that not less than three days of notice in writing is given to the Company.
3. Corporate Members intending to send their authorized representative to attend the meeting are requested to send to the Company, a certified copy of the Board resolution authorizing their representative to attend and vote on their behalf at the meeting.
4. Members / proxies / authorized representatives should bring the duly filled Attendance Slip enclosed herewith to attend the meeting.
5. In case of joint holders attending the meeting, only such joint holder who is higher in the order of the names will be entitled to vote.
6. The Register of Members and Share Transfer Books of the Company will remain closed from **22.09.2017 to 28.09.2017** (both days inclusive) for the purpose of Annual General Meeting and for determining the names of members entitled to dividend, if declared at this meeting.
7. The dividend, as recommended by the Board of Directors, if declared at this Annual General Meeting will be paid within a period of 30 days from the date of declaration, to those members whose name will appear on the register of members/depository records as at the closing hours of business on **21.09.2017**.
8. Reserve Bank of India has introduced National Electronic Clearing Service (NECS) to facilitate credit of dividend directly to the shareholder's bank account. This facility eliminates loss of dividend warrants sent by post due to pilferage in transit, delay in receipt of dividend warrants and ensures quick credit of the dividend. Members holding shares in electronic form may note that the bank particulars registered against their respective depository accounts will be used by the Company for payment of dividend. The Company or its Registrar and Transfer Agents cannot act on any request received directly from the members holding shares in electronic form for any change of bank particulars or bank mandates. Such changes are to be advised only to the Depository Participant of the members. Members holding shares in physical form and desirous of either registering bank particulars or changing bank particulars already

STEEL STRIPS WHEELS LIMITED

registered against their respective folios for payment of dividend are requested to write to Company/ Registrar and Transfer Agents of the Company.

9. Members holding shares in electronic form are requested to intimate immediately any change in their address to their Depository Participants with whom they are maintaining their De-mat accounts. Members holding shares in physical form are requested to advise any change in their address along with Pin code number immediately to the Company/ Registrar and Transfer Agents of the Company.

The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit the PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company/Registrar and Share Transfer Agent.

Electronic copy of the Annual Report for 2016-17 is being sent to all the members whose email IDs are registered with the Company/Depository Participant(s) unless any member has requested for a physical copy of the report. For members who have not registered their email address, physical copies of the Annual Report for 2016-17 are being sent by the permitted mode.

Members who have not registered their e-mail addresses so far are requested to register their e-mail addresses with Registrar and Share Transfer Agents of the Company/ Depository Participant (s), for receiving all communication including Annual Report, Notices, Circulars, etc from the Company electronically.

Members may also note that the Notice of the 31st Annual General Meeting and the Annual Report for 2016-17 will also be available on the Company's website www.sswlindia.com for their download. The physical copies of the aforesaid documents will also be available at the Company's Registered Office for inspection during normal business hours (9.00 am to 5.00 pm) on working days.

10. The Company is maintaining the "INVESTORS SERVICE CELL" at its Head Office at SCO 49-50, Sector 26, Madhya Marg, Chandigarh 160019.
11. Members having any queries relating to Annual Report are requested to send their queries at least seven days before the date of the Meeting.
12. Members can inspect the register of directors and key managerial personnel and their shareholding, required to be maintained under Section 170 of the Companies Act, 2013 and register of contracts or arrangements in which the directors are interested, to be maintained under Section 189 of the Companies Act, 2013 during the course of the meeting at the venue.
13. This year the Unpaid/Unclaimed Dividend for the financial year 2009-10 shall be transferred to the "INVESTORS EDUCATION AND PROTECTION FUND" (IEPF). The due date of such transfer is 5th November, 2017. Members who have not encashed their dividends are requested to claim the dividend from the Company immediately.

As per Section 124(6) of the Act read with the IEPF Rules as amended, all the shares in respect of which dividend has remained unpaid/unclaimed for seven consecutive years or more are required to be transferred to Demat Account of IEPF Authority. The Company has sent notice to all the members whose Dividends are lying unpaid / unclaimed against their name for seven consecutive years or more. Members are requested to claim the same on or before 4th November, 2017. In case the dividends are not claimed by the said date, necessary steps will be initiated by the Company to transfer shares held by the members to IEPF without further notice. Please note that no claim shall lie against the Company in respect of the shares so transferred to IEPF. In the event of transfer of shares and the unclaimed dividends to IEPF, members are entitled to claim the same from IEPF by submitting an online application in the prescribed Form IEPF-5 available on the website www.iepf.gov.in and sending a physical copy of the same duly signed to the Company along with the requisite documents enumerated in the Form IEPF- 5. Members can file only one consolidated claim in a financial year as per the IEPF Rules.

Pursuant to the provisions of Investor Education and Protection Fund (Uploading of Information regarding unpaid and unclaimed amounts lying with companies) Rules 2012, the company has uploaded the details of unpaid and unclaimed amounts lying with the company as on 30th September, 2016 (date of Last Annual General Meeting) on the website of the Company (www.sswlindia.com) and also on the website of the Ministry of Corporate Affairs.

14. M/s Link Intime India Pvt. Limited, at 44 Community Center, 2nd Floor, Naraina Industrial Area, Phase-I , Near PVR Naraina, New Delhi – 110028 are acting as the common agency to carry out the Dematerialization and physical transfer of shares. The shareholders are requested to send the shares for transfer at the above-mentioned address of the Registrar.

15. **Voting through electronic means**

In compliance with the provisions of Section 108 of the Companies Act, 2013 and Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended from time to time and as per Regulation 44 of the SEBI (Listing Obligations And Disclosure Requirements) Regulations, 2015 and any amendment thereto, the Company is pleased to provide members, a facility to exercise their right to vote on the resolutions proposed to be passed in the 31st Annual General Meeting (AGM) by electronic means through remote e-voting services provided by Central Depository (Services) India Limited (CDSL). It may be noted that this e-voting facility is optional.

Since the Company is providing the facility of remote e-voting to the shareholders, there shall be no voting by show of hands at the said meeting. The facility for voting through polling paper shall be made available at the AGM and the members attending the Meeting who have not cast their vote by remote e-voting shall be able to vote at the Meeting through polling paper. The shareholders can opt for only

one mode of voting i.e. remote e-voting or physical polling at the meeting. In case of voting by both the modes, votes casted through remote e-voting will be considered final and voting through physical ballot will not be considered. The members who have cast their votes by remote e-voting may also attend the Meeting but shall not be entitled to cast their vote again.

Steps for remote e-voting

- (i) **The remote e-voting period begins on September 25, 2017 at 9.00 a.m. and will end on September 27, 2017 at 5.00 p.m.** During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as **on the cut-off date i.e. September 21, 2017**, may cast their vote electronically. EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013.

ITEM NO. 4

This explanatory statement is provided though strictly not required as per Section 102 of the Companies Act, 2013.

The Companies Act, 2013("Act") was notified effective 1st April, 2014. Section 139 of the Act lays down the criteria for appointment and mandatory rotation of statutory auditors. As per the provisions of Section 139 of the Act and the Rules made thereunder, it is mandatory to rotate the statutory auditors on completion of two terms of five consecutive years. The Rules also lay down the transitional period that can be served by the existing auditors depending on the number of consecutive years for which an audit firm has been functioning as auditor in the same company. The incumbent auditors, M/s S. C. Dewan & Co., Chartered Accountants (Firm Registration No. 000934N), have served the Company for over 10 years before the Act was notified and will be completing the maximum number of transitional period 3 years at the ensuing 31st Annual General Meeting.

The Board of Directors has, based on the recommendation of the Audit Committee, at its meeting held on 11th August, 2017, proposed the

appointment of M/s AKR & Associates., Chartered Accountants (Firm Registration No. 021179N) as the Statutory Auditors of the Company for a period of 5 years, to hold office from the conclusion of this 31st AGM till the conclusion of the 36th AGM to be held in the year 2022 (subject to ratification of their appointment at every AGM, if so required under the Act). M/s AKR & Associates have consented to their appointment as Statutory Auditors and have confirmed that if appointed, their appointment will be in accordance with Section 139 read with Section 141 of the Act.

The Board recommends the Resolution mentioned at item No. 4 of the accompanying Notice, for the approval of Shareholders of the company as an ordinary resolution.

None of the Directors or Key Managerial Personnel (KMP) of the company or their respective relatives are concerned or interested, financially or otherwise in the Resolution mentioned at item no. 4 of the accompanying Notice.

ITEM NO. 5

At the 29th Annual General Meeting held on 30th September, 2015, Members of the Company had appointed Ms. Jaspreet Takhar (DIN:00318883), as an Independent Director of the Company not liable to retire by rotation. Her current term as Independent Director shall expire on 30.09.2017. As per Section 149(10) of the Companies Act, 2013 ("Act") an Independent Director shall be eligible for re-appointment for a second term of up to 5 years on passing a Special Resolution by the shareholders of the Company.

Since her current term of appointment as an Independent Director will expire on 30th day of September, 2017, your Board, based on the recommendation of Nomination and Remuneration Committee and her performance evaluation and after reviewing confirmation of Independence received from her, recommends the re-appointment of Ms. Jaspreet Takhar for a second term of three years commencing from 01.10.2017 to 30.09.2020. The notice in writing proposing her re-appointment as Independent Director of the Company along with the deposit of requisite amount under Section 160 of the Act, have been received from the members of the Company. The Company has already received requisite consent from the said Director pursuant to the provisions of Section 152 of the Companies Act, 2013.

She has given a declaration to the Board that she meets the criteria of independence as provided under section 149 (6) of the Act. In the opinion of the Board, Ms. Jaspreet Takhar, who is proposed to be appointed for the second term as Independent Director of the Company for a period of 3 years commencing from 01.10.2017 to 30.09.2020, fulfill all the conditions specified in the Act and Rules framed thereunder for appointment as Independent Director and she is independent of the Management. She is not disqualified from being appointed as Director in terms of section 164 of the Companies Act, 2013 and she has given her consent to act as a Director.

The terms and conditions of re-appointment of the above Director along with the performance evaluation report shall be open for inspection by the Members at the registered office of the Company during normal business hours on any working day.

Your Board recommends the Special Resolution as set out in Item No. 5 for your approval.

None of the Directors and/or Key Managerial Personnel of the Company or their relatives, except Ms. Jaspreet Takhar (whose re-appointment is proposed in the resolution) is in any way concerned or interested, financially or otherwise in the resolution mentioned at Item No.5 of the accompanying notice.

ITEM NO. 6 & 7

Members of the Company in their Annual General Meeting held on 30th September, 2014, authorized the Board of Directors of the company to borrow any sum or sums of money, from time to time, for the purpose of the business of the Company, from any Indian or Foreign Bank (s), Financial Institution (s) and/or any other Indian or foreign lending institutions or Persons, firms, bodies corporate, or any other person on such terms and conditions and with or without security as the Board of Directors may in its discretion think fit, for an amount not exceeding Rs.1000.00 Crore (Indian Rupees One Thousand Crore Only). However in view of the company's business expansion, the Company would require, from time to time, additional funds to meet the existing and future financial requirements of the Company. It is therefore proposed that the existing borrowing limits of INR Rs. 1000.00 Crore (Indian Rupees One Thousand Crore Only) be increased to INR 2000.00 Crore (Indian Rupees Two thousand Crore Only).

Pursuant to the provisions of Section 180(1)(c) of the Companies Act, 2013 the Board of Directors of a Company cannot, except with the consent of Members of the Company in the General Meeting by way of a special resolution, borrow any sum or sums of money from time to time for the purposes of business of the Company, if the monies already borrowed by the Company (apart from temporary loans obtained from the Company's bankers in ordinary course of business) exceeds the aggregate of the Paid-up Share Capital of the Company and its Free Reserves.

Since the proposed borrowing powers exceed the limit of aggregate of paid up capital and free reserves of the Company, the approval of shareholders of the Company is required, in compliance with the provisions of Section 180(1)(c) of the Companies Act, 2013.

To secure such borrowings, the Company would have to mortgage/charge/ hypothecate the assets and properties of the Company, both present and future, as may be required by lenders etc., which requires shareholders' approval under section 180 (1)(a) of the Companies Act, 2013.

Therefore your Board recommends the resolutions as set out in Item No. 's 6 & 7 as Special Resolutions for your approval.

None of the Directors or the Key Managerial Personnel of the Company or their relatives is in any way concerned or interested, financially or otherwise in the resolutions mentioned at Item Nos. 6 & 7 at the accompanying notice.

SECRETARIAL

AUDIT REPORT

FORM NO. MR-3

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2017

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No.9 of The Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
**The Members,
Steel Strips Wheels Limited**

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Steel Strips Wheels Limited (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended 31 March, 2017, complied with the statutory provisions listed hereunder and also that the Company has proper Board - processes and compliance mechanism in place to the extent, in the manner and subject to other reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31 March, 2017 according to the provisions of:

- 1) The Companies Act, 2013 (the Act) and the rules made thereunder;
- 2) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- 3) The Depositories Act, 1996 and the Regulations and bye-laws framed thereunder;
- 4) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- 5) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - d) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - e) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014;
 - f) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; **(Not applicable to the Company during the audit period)**
 - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; **(Not applicable to the Company during the audit period) and**
 - h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; **(Not applicable to the Company during the audit period)**
- (6) Apprentices Act, 1961 (7) Employment Exchange (Compulsory Notification of Vacancies Act, 1959) (8) Industrial Employment (Standing Orders) Act, 1956 (9) Minimum Wages Act, 1948 (10) Payment of Bonus Act, 1965 (11) Payment of Wages Act, 1936 (12) Motor Vehicle Act, 1988 (13) The Water (Prevention & Control of Pollution) Act, 1974 (14) The Water (Prevention & Control of Pollution) Cess Act, 1977 (15) The Central Excise Act, 1944 (16) Employees' State Insurance Act, 1948 (17) Employees' Provident Fund & Misc. - (vii) **Disclosure on Commodity price risk or foreign exchange risk and hedging activities:**

The Company is in the business of manufacture of Steel Wheel rims and steel being the primary raw material is the key to Company's profitability. Presently the Company imports some of the raw material and that impacts the profitability due to adverse currency movement. Company is already taking steps to indigenize the imported raw material by developing it with Indian vendors and de-risking the business model.

As regards foreign exchange risk, a significant portion of the Company's inflows and outflows are in foreign currency, the exchange rate fluctuations between the Indian rupee and the foreign currency affects the company's results of operation. Therefore keeping in view the position of rupee vis-à-vis foreign currency, the Company has been assertive in taking forward cover for exports and imports.

6. AMENDMENT(S) TO THE NOMINATION AND REMUNERATION POLICY

Any amendment(s) thereto can be reviewed or done by the Board of Directors on its own and/or as per the recommendations of Nomination and Remuneration Committee, as deemed fit from time to time. In case of any modifications, amendments or inconsistencies with the Act, the provisions of the Act and the rules made thereunder would prevail over the Policy.

MANAGEMENT

DISCUSSION & ANALYSIS

Management Discussion & Analysis

Economic growth of around 7½% makes India the fastest-growing G20 economy. The acceleration of structural reforms, the move towards a rule-based policy framework and low commodity prices have provided a strong growth impetus. Recent deregulation measures and efforts to improve the ease of doing business have boosted foreign investment. A comprehensive tax reform would promote inclusive growth. Timely and effective implementation of the Goods and Services Tax would support competitiveness, investment and economic growth. Government's plans to reduce the corporate income tax rate and broaden the base will serve the same objectives. These two on-going reforms have been designed to be revenue-neutral while India needs to raise additional tax revenue to meet social and physical infrastructure needs. Property and personal income taxes, which are paid by very few people, could be reformed to raise more revenue, promote social justice and empower sub-national governments to better respond to local needs. Ensuring clarity and certainty in tax legislation and employing more skilled tax officers would strengthen the tax administration and make the system fairer and more effective.

The main driving forces for growth in FY18 are listed below:

- Increased government spending in infrastructure
- Pick up in private investment
- Good monsoon
- Expected surge in consumer spending with pent up demand being satiated
- The Goods and Services Tax (GST)

The economic outlook of the Indian economy looks positive with the country expected to grow at more than 7.5% in FY18 before moving past the 8% trajectory in FY19. Certain threats, however, prevail in terms of upside risk to inflation, increasing global commodity prices especially crude oil prices, slower growth in investment and credit, rising bad loans issue and uncertain trade prospects with appreciating rupee and uncertain global economic conditions. Globally, protectionism adopted by the US and higher interest rates by the Fed, revival in European countries and higher growth in China causing diversion of funds from India could counter the prospective growth story of the country, going ahead. Bypassing the risk of slowdown post-demonetization, the Indian economy is estimated to grow at 7.1% in FY17 according to the CSO. This number would be met in our view if there is no revision in the growth number for 9M-FY17 put out by the CSO at around 7% as Q4 growth would be in the same range. However, this growth rate would still be lower compared with the impressive 7.9% growth recorded in FY16. The GDP growth of FY17 is expected to be supported by the agriculture growth of 4.4% vis-à-vis 0.8% growth in FY16 and capped by estimated subdued growth in industry (5.8% as against 8.2% in FY16) and services (7.9% compared to 9.8% growth in FY16)

Auto Industry & Segment Analysis

The Indian auto industry is one of the largest in the world. The industry accounts for 7.1% of the country's Gross Domestic Product (GDP). The Two Wheelers segment (2W) with 81% market share is the leader of the Indian Automobile market owing to a growing middle class and young population. Moreover, the growing interest of the companies in exploring the rural markets further aided the growth of the sector. The overall Passenger Vehicle (PV) segment has 13% market share.

In addition, several initiatives by the Government of India and the major automobile players in the Indian market are expected to make India a leader in the 2W and Four Wheeler (4W) market in the world by 2020.

The Indian auto industry is expected to be the world's third largest by 2018 behind China and the US and will account for more than 5% of global vehicle sales as per global research. It is also expected to become the fourth largest automobiles producer globally by 2020 after China, US and Japan (India is currently world's second largest two-wheeler manufacturer)

The automobile industry plays a significant role as it has employed 9 million people and includes approximately 5% of world's total employment in manufacturing unit. Production of world's automobile industry has spread across three major regions that includes North America, Europe and Asia. World's automobile Industry has undergone major restructuring and India has become a leading player along with nations like China, South Korea, beside the giant Japan.

Policy Initiatives

The Government of India encourages foreign investment in the automobile sector and allows 100 per cent FDI under the automatic route.

Some of the major initiatives taken by the Government of India are:

- The Government of India plans to introduce a new Green Urban Transport Scheme with a central assistance of about Rs 25,000 crore (US\$ 3.75 billion), aimed at boosting the growth of urban transport along low carbon path for substantial reduction in pollution, and providing a framework for funding urban mobility projects at National, State and City level with minimum recourse to budgetary support by encouraging innovative financing of projects.
- Government of India aims to make automobiles manufacturing the main driver of 'Make in India' initiative, as it expects passenger vehicles market to triple to 9.4 million units by 2026, as highlighted in the Auto Mission Plan (AMP) 2016-26.
- The Government plans to promote eco-friendly cars in the country i.e. CNG based vehicle, hybrid vehicle, and electric vehicle and also made mandatory of 5 per cent ethanol blending in petrol.
- The government has formulated a Scheme for Faster Adoption and Manufacturing of Electric and Hybrid Vehicles in India, under the National Electric Mobility Mission 2020 to encourage the progressive induction of reliable, affordable and efficient electric and hybrid vehicles in the country.

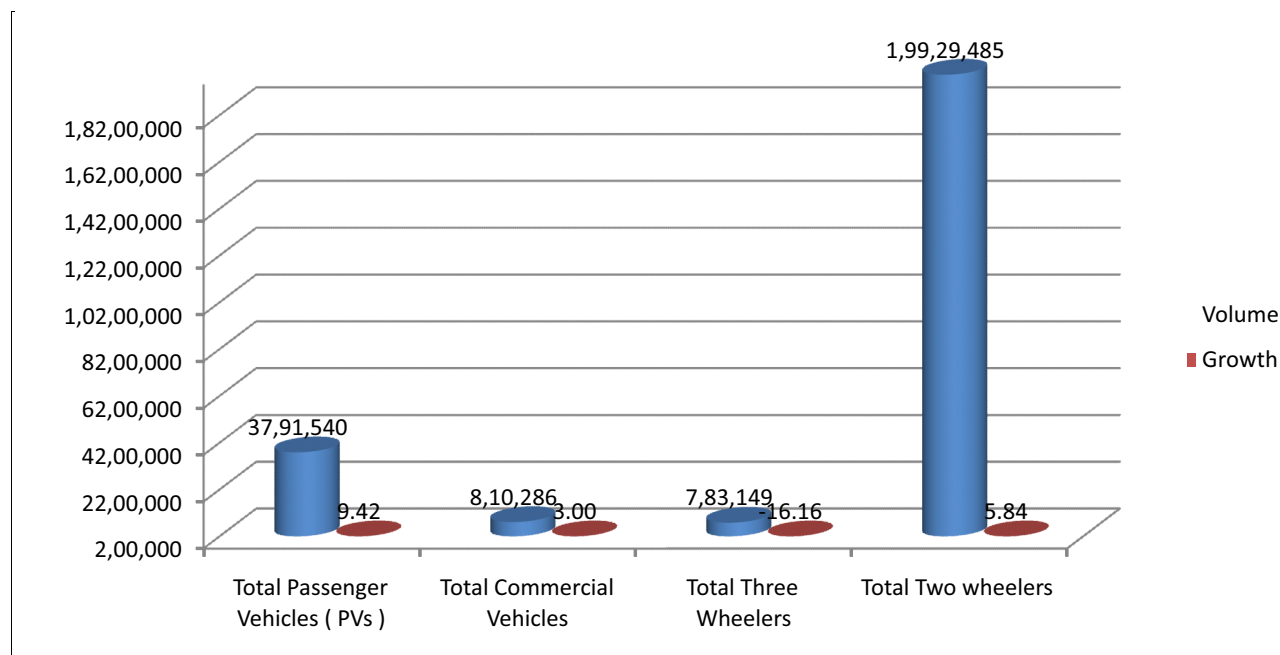

KEY HIGH GROWTH POTENTIAL FOR SSWL

Your company has taken extremely balanced view to extend the commercial vehicle wheel & enter into Alloy wheel segment with both the new plants starting to give output in FY 17-18. The growth matrix for alloy wheel segment is huge with revenue potential of close to Rs.500 Crore in first phase and additional Rs.300 Crore in the second phase. The company has done a foreign collaboration to take advantage of the leading technology to compete and offer best in class product to customer to ensure we make similar inroads as we have benchmarked in steel wheel business. The passenger car alloy wheel will have a revenue potential of close to Rs.2500-3000 Crore in FY19-20 and the setup being engaged by SSWL is ripe to take advantage of the growth and transitional shift in wheel industry.

The extension of commercial wheel segment will cater to Domestic as well as a global CV market which has an annual revenue potential of close to Rs.400 Crore. This gives us opportunity to gain large wallet share of existing customers based upon our past track record. SSWL sees itself the leader in domestic CV segment wheel supplies by FY 18-19 and will explore all global opportunities to make its mark. The global revenue potential of CV wheel market is \$ 2Bn annually and this will remain the focus area to target better and sustainable financial goals for your company.

Auto sector grew modestly in FY 16-17 based a huge new launches and had a good year with passenger car segment growth of 9.4%. The segment has various hits and misses among the large player which was dominated by the factor of new launches to keep the customer with the brand. The FY 17-18 brings in fresh challenges due the factor of base but the steady income growth and best interest rates in last 5 years for borrowing and funding the vehicle has made the purchase much more affordable. The segment is expected to show a growth of high single digit with base case of close to 8% growth in FY 17-18.

The Commercial vehicle segment ended with a 3% growth in FY 16-17 with a major change of BS-III to BS-IV technology implementation happening in FY 17-18. There can be initial glitches for adoption of technology but eventually the infrastructure driven growth in the country can give a decent 5-7% growth in FY 17-18 for the segment. A major policy push of removing the old trucks of more than 15 years old life will give a big boost to replacement demand and can easily give growth potential of 12-15% if made mandatory with slew of incentives to revive the fleet.

The two & three wheeler market had a decent year of growth given the large impact of demonetization. 2 wheeler segment is at a very high bases but still managed to claw a growth of 5.8% for the FY 16-17. We expect this segment to give mid single digit growth rate due to now

becoming a mature market. The penetration is still low given the poor income bracket of India. Government push on self employment and growing employment opportunities in rural area will aid growth to the sector in coming years.

Exports of the automobiles had a bad year as a whole in FY 16-17 when the segment saw a decline in export volumes of 4.5%. The passenger car saw excellent growth of 16% with a lot of manufacturing bases of international players shifting to India and this is setting up base for a very large play for global players to continue to move manufacturing business to India. The commercial vehicle segment saw growth of 5% in export shipments with leading players making the reach of domestic products globally to compete in emerging markets. 2&3 wheelers had bad year for export shipments with a contraction of volumes to the tune of 6% & 33%. Both segments are not able to generate global interest due to limited product range due to focus on mass market concept.

Sectoral Outlook

- **Passenger Vehicle Segment:**

The year has begun with heavy reform in FY 16-17 and a factor of GST implementation in the country. The policy framework makes the system efficient and brings in productivity led gains for the country. The GST implementation has the potential to generate huge employment opportunity among the field of finance and can generate multi layered growth scenario for the country and increasing visibility of car OEMs will ensure the depth of markets are being explored and AUTO majors are putting best foot forward to target. We expect auto industry's to consolidate further in FY 17-18 and we expect the volume growth to pick up meaningfully in FY17 backed by a) decline in ownership cost (fuel price drop and interest cost reduction), b) benign inflation, c) pick-up in economic activities and d) big thrust on infrastructure investment. We estimate these factors to drive domestic passenger vehicle and commercial vehicle volume CAGR of 14% and 19% over the next three years.

- **Commercial Vehicle Segment:**

We expect M&HCV (goods) volume and tonnage CAGR of 15% over the next three years due to infrastructure spending push, better freighter profitability, GST-led warehousing rejig, pick-up in construction trucks demand (coal/bauxite mining and RMC trucks), obsolescence of old trucks due to rising entry restrictions in major cities and customer-driven switch to younger fleet. We also expect buses volume CAGR of 15% on renewed focus on urban transportation by entire country. Current shift to higher tonnage vehicle and fast replacement demand is expected to continue and is driven by poor operating economics of old trucks and lower tonnage vehicle. Replacement demand is also aided by the restriction imposed by large customers and enforcement of entry norms in New Delhi (population of 60k trucks) on vehicle age to improve the supply chain efficiency and city's air quality respectively.

- **Tractor Segment**

Top eight states of India contributing 75% of the domestic tractor volume is down by >25% since the last seven months cumulatively, impacted by hail storm, deficient monsoon in 2014 and lower farm profitability on agri commodity price drop. Since all these uncertain events bunched up in FY 2015 and impacted industry tractor volume. Early signs of normal monsoon will most likely to revive the demand from 2HFY17. Further, revival of non-farm usage segment and replacement cycle (purchased in FY08-10) is likely to bring volume back with a vengeance in FY18. We expect 10% tractor segment CAGR for all the players for coming 3 three years.

Export Outlook

India's exports grew at its fastest pace in five years by 4.7% to \$274.65 billion during the financial year 2016-17, despite the demonetization drive that slowed domestic economic activity since November. In March, exports grew a whopping 27.6% to \$29.23 billion after clocking a 17.5% jump in February. Shipment of petroleum products jumped 69% while engineering goods were up 47%. Imports grew even faster at 45.3% to \$39.67 billion in March as crude oil imports doubled while gold imports grew a eye-popping 329%. Exports last grew at a brisk pace of 21.8% in 2011-12, but shipments were down in three out of four years till 2015-16. If we believe the pace of March 2017, the exports may reach at \$ 330-360Billion. We expect the Indian export competitiveness to improve with a lot of international manufacturers setting up India as a manufacturing hub and India will gain popularity amongst global manufacturing leads to make a space for itself.

During the last fiscal year, automotive manufacturers in India cumulatively shipped out 7,58, 830 cars to various international markets. This figure marks a year-on-year growth rate of 16%, as compared to the corresponding figure of 6,53,053 units shipped in FY 2015-16. Motorcycle exports, however, declined in 2016-17 at 20,25,529 units as against 22,10,615 units in 2015-16, down 8.37 percent.

Your company achieved a volume of 13.94 lacs wheels in FY 16-17 as against a volume of 15.13 lacs wheels in FY 15-16. The main driver for contraction was the impact of Russian currency on export competitiveness. Your company is focusing in major EU markets to gain hold of this part of the world to target sustainable 10% growth model. We are expecting the alloy wheel exports to give push to the export revenue and the same will start from H2 for in FY 17-18. The export order book is firmly in place with close to 30% booking of the capacity. We are extremely confident that FY 17-18, the export segment will turnaround the contraction phase. The new commercial wheel plant will also give a lot of thrust to the segment where your company was not present due to capacity constraints. The FY 17-18 will be flat in terms of exports and we are expecting 17-20% revenue growth in exports segment from FY 18-19 being guided by Alloy & commercial wheel segment.

STEEL STRIPS WHEELS LIMITED

Financial Analysis

Gross revenues stood at Rs. 15013.38 million in FY 2016-17 as compared to Rs. 13386.35 million in FY 2015-16. The company performed in line with industry standards and we are expecting the growth in revenue to be on track for 15-20% growth. The volume growth for the company stood life high and we are expecting this trend to continue and the 2 new plants add a lot of performance muscle for the company. We are expecting great advantage with the new plants to make in roads to global locations. The Profit after Tax for FY 2016-17 stood at is Rs.710.35 million as compared to Rs.611.81 million this trend is expected to continue with addition of newer platforms to the company.

Performance analysis

In FY 16-17, the automobile industry stabilized itself from the policy changes of demonetization and handled the policy changes bravely to end the year in growth. Various segment of automobile industry had to witness wild swings due to policy changes but the industry took shorter than expected time period to revive from demonetization impact of broad automobile sector.

The passenger car segment for the industry grew at 10% in FY 16-17 on the back of record new variants coming into market to grab the market share. The industry saw some blips during demonetization and grew smartly after the impact got absorbed in a quarter and is going is strong since then. SSWL grew 6% in car segment with growth lagging the industry factor due to transformation into alloy wheels and SSWL is not geared up to cater to both segments to maintain high single digit volume growth.

The commercial vehicle segment grew slowly at 3% pace due to the major change of BS III to BS IV changeover which had major changes in production plans of all the large automotive players. The industry is going through transition and it will take 1-2 quarter to get back on rails to catch up the replacement demand of the industry. SSWL grew 5.3% for the segment and we expect a lot of out performance in this segment due to a lot of development coming to mass production and getting converted into volumes there by giving a push to market share of the company.

The 3 wheeler industry faced severe competition from E rickshaw, which is extremely unorganized and unregulated. The sector de-grew by 16%. We expect this trend to continue but the rate of slowdown may decelerate as base has fallen to lower levels. This has opened up opportunities for us for catering to E-Rickshaw players gain volume access.

The 2 wheeler industry grew at close to 5% as base is increasing and the user base is also saturating and now replacement demand will also cater growth at mid single digit rates. SSWL grew by 7% there by outperforming the industry with greater penetration into individual customer. SSWL is trying to add 2 major customers to the portfolio in FY 17-18 to give push to the growth factor in this segment.

The tractor industry grew at 18% in FY 16-17 with a push from normal rainfalls push the acreage sowing and government push for infrastructure pushing the alternate use of the tractor. SSWL grew at 30% during the year there by outperforming the industry by grabbing better market share. We are expecting 2 more orders from existing customers to reinforce larger market share in FY 17-18. The consistent performance is giving SSWL an edge to grab larger market share.

Domestic Sales Forecast for FY 2017-2018 by SIAM

The Society of Indian Automotive Manufacturers (SIAM) forecast a 7 to 9% growth for the domestic passenger vehicle sales in the financial year 2017-18, expecting support from 7th pay commission payout and better rabi output. The normal monsoon will ensure steady rural income supporting the 2&3 wheeler segment. In the two-wheeler segment, SIAM expects motorcycles sales to grow moderately in 2017-18 with demand in economy and executive sub-segments likely to revive gradually once the cash situation improves. The overall commercial vehicle segment is expected to grow by 4-6% while that of three-wheeler sales is likely to post a low single digit growth. Overall, while ease in borrowing cost, remonetisation and much improvement in general sentiment are positives for 2017-18. The key concerns are increasing commodity prices, high vehicle finance rates and ad-hoc changes in policy environment that could affect profitability of OEMs.

As your company is moving forward in this year with 2 new plants to capture Alloy wheel and higher share of business in commercial wheel segment. The situation is ripe for capturing growing opportunity and SSWL will be able to take full advantage of technical expertise to penetrate more and successfully prove our strength in both the segments. As a strategy the company has decided to go aggressively toward export territories for its Alloy and commercial wheel segment we are extremely hopeful that we put minimum 40-50% utilization in first year of mass production in the month of March 2018 run rate.

RISK MANAGEMENT FRAMEWORK

As a growing entity, SSWL is exposed to risks as well as opportunities in equal measure. Recognizing this, the Company has a robust Risk Management framework, that allows the organization to take certain risks in order to be competitive and to mitigate other risks to drive sustainable results.

By identifying and proactively addressing risks and opportunities, stakeholder value is protected at all times.

The following table gives the key risk faced by Company:

Risks Type	Key Risks	Impact on SSWL	Mitigation
Strategic Risk	Global Economic Scenario	Vehicle purchase across different segment has strong correlations with GDP growth. The decision to purchase a passenger vehicle comes under customers' discretionary spending (Passenger Vehicle) which is linked to their perception of business outlook. Depressed economic outlook can impact this spending and thereby constrain the Company's growth potential.	Diversified product mix, segment mix and customer mix. Target newer market segments which might provide counter-cyclical support.
	Long term growth dependent on of capacity expansion	Capacities utilization across all the plants are inching up gradually and with business environment turning favorable growth in long term will be dependent on Capacity addition.	De-bottle necking exercise across all the facilities are being carried every quarter. Optimum scheduling of production across different products thereby improving yield. Possibility of setting up new lines wherein company has project management expertise.
Operation Risk	Supply chain disruption.	The raw material (Steel) accounts for 60-65% of the cost, poses a key risk as it may be subject to supply disruption and market price volatility.	The Company maintains significant integration of raw materials for its Operations. To achieve greater raw material security, company enters into long term MOU with suppliers. Development of alternate sources for uninterrupted supply of key raw material.
	Employee Productivity and retention	Employee involvement and productivity is one of the key factors to be competitive in industry. Being a labour intensive sector employee welfare assumes significance.	Company has strong commitment towards creating and providing safe working environment for its employee and stakeholders. Focussed approach to retain key talent through multiple initiatives including providing cross functional access and experience. Focus on employee engagement. Increased focus on offering learning opportunities with allocation of funds for training requirements.
Financial Risk	Currency Volatility	Volatility in currency exchange movements resulting in transaction and translation exposure.	Board approved Currency hedging policies and practices in place. Close monitoring of hedging strategy by risk management committee. Quarterly assessment of foreign exchange exposure by Board.
	Debt Burden	The Company's outstanding indebtedness in an adverse environment can have significant impact on financial flexibility and business as a whole.	Close monitoring of debt profile and continuous effort to bring the cost in line with industry. Continuous effort to maintain the impeccable credit history. Quarterly review of financial leverage and efforts are on to move towards industry benchmark.
	Credit Rating	Failure to maintain credit ratings could adversely affect cost of funds.	Regular exchange of information and updates with agency. Focussed approach to work on area's of improvement and to build upon area's of strength. Close monitoring of triggers highlighted in rating rationale.
	Social costs	SSWL's assumptions while estimating social cost like gratuity funding are subject to capital market and actuarial risks and any shortfall could put pressure on financial performance.	A framework to manage social cost risks has been deployed to ensure that obligations remain affordable and sustainable, whilst protecting the asset market exposure.
	Credit Risk	Customer default can pose a significant challenge and impact the bottom line of the Company.	Systems are in place to assess the credit worthiness of new as well as existing customers. Appropriate recovery management.
	Financial Fraud	Financial fraud can challenge the reputation as well existence of the Company besides denting the confidence on the systems in place. Adequate Internal financial control system in place.	Adequate accounting records are in place to safeguard the assets of Company and for preventing and detecting frauds. Vigil Mechanism in place that provides a formal mechanism for all Directors, employees and vendors of the Company to approach the Ethics Counsellor/Chairman of the Audit Committee of the Board and make protective disclosures about the unethical behaviour, actual or suspected fraud.
Legal Risk	Regulatory environment & compliance	The Company is subject to numerous laws, regulations and contractual commitments. Any failure to comply with same may impact the adversely.	The Company has policies, systems and procedures in place with a strong commitment from the Board and the Executive Committee towards compliance.

INTERNAL CONTROLS AND THEIR ADEQUACY

The Company has a robust internal control and audit system to provide adequate assurance regarding the effectiveness and efficiency of its systems and operations. The controls are commensurate to the needs of the organization given its size and complexity of operations. The standard operating procedures ensure compliance to local regulation and statutes as applicable to the Company. The Company strictly ensures adherence to all internal control policies and procedures as well as compliance with all regulatory guidelines.

SEGMENT REPORTING

The Company is primarily engaged in the manufacturing business of steel wheel rims catering to different segment of automobile industry. The inherent nature of activities is governed by the same set of risk and returns; hence these have been grouped as a single segment. The said treatment is in accordance with the principle enunciated in the Accounting Standard on Segment Reporting (AS 17).

Annexure A to the Independent Auditors' Report of even date to the members of Steel Strips Wheels Limited, on the financial statements for the year ended 31st March 2017

Based on the audit procedures performed for the purpose of reporting a true and fair view on the financial statements of the Company and taking into consideration the information and explanations given to us and the books of account and other records examined by us in the normal course of audit, we report that:

- (i) (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) All fixed assets were physically verified by the management in the previous year in accordance with a planned programme of verifying them once in three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) The title deeds of immovable properties are held in the name of the company.
- (ii) The management has conducted physical verification of inventory at reasonable intervals during the year and no material discrepancies between physical inventory and book records were noticed on physical verification.
- (iii) The Company has not granted any loan, secured or unsecured to companies, firms or other parties covered in the register maintained under Section 189 of the Act. Accordingly, the provisions of clauses 3(iii)(a), 3(iii)(b) and 3(iii)(c) of the said Order are not applicable to the company.
- (iv) The Company has not granted any loan or made any investments, or provided any guarantees or security to the parties covered under section 185 and 186. Therefore, the provisions of clauses 3(iv) of the said Order are not applicable to the company.
- (v) The Company has not accepted any deposits within the meaning of Sections 73 to 76 of the Act and the Companies (Acceptance of Deposits) Rules, 2014 (as amended). Accordingly, the provisions of clause 3(v) of the said Order are not applicable to the company.
- (vi) To the best of our knowledge and belief, the Central Government has not specified maintenance of cost records under sub-section (1) of Section 148 of the Act, in respect of Company's products. Accordingly, the provisions of clause 3(vi) of the Order are not applicable.
- (vii) (a) The Company is regular in depositing undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales-tax, wealth tax, service tax, duty of customs, duty of excise, value added tax, cess and other material statutory dues, as applicable, with the appropriate authorities. Further, no undisputed amounts payable in respect thereof were outstanding at the year-end for a period of more than six months from the date they become payable.
- (b) The dues outstanding in respect of income-tax, sales-tax, wealth tax, service tax, duty of customs, duty of excise, value added tax and cess on account of any dispute, are as follows:

Name of the statute	Nature of dues	Amount (Rs)	Amount Paid Under Protest (Rs)	Period to which the amount relates	Forum where dispute is pending

Annexure B to Independent Auditors' Report

Referred to in paragraph 10 (f) of the Independent Auditor's Report of even date to the members of Steel Strips Wheels Limited on the standalone financial statements for the year ended 31st March, 2017

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Act

1. We have audited the internal financial controls over financial reporting of Steel Strips Wheels Limited ("the company") as of March 31st 2017 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of Frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the act.

Auditors' Responsibility

3. Our responsibility is to express an opinion on the company's internal financial control over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on audit of internal financial control over financial reporting (the "Guidance Notes") and the standards on auditing deemed to be prescribed under section 143(10) of the act to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those standards and the guidance notes require that we comply with ethical requirements and planned and performed the audit to obtain reasonable assurance about whether adequate internal financial control over financial reporting was established and maintained and if such controls operated effectively in all material respects.
4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls system over financial reporting included obtaining an understanding of internal financial controls system over financial reporting, assessing the risks that material weakness exists, and testing and evaluating the design and operating effectiveness of the internal control based on the assessed risk. The procedure selected depend on the auditor's judgement, including the assessment of the risks of material misstatements of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained in our audits is sufficient and appropriate to provide a basis for our audit opinion on the company's internal financial controls system over financial reporting.

Meaning of Internal financial controls over financial reporting

6. A company's internal financial controls over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls over financial reporting includes those policies and procedures that:
- (1.) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company
 - (2.) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditure of the company are being made only in accordance with authorization of management and directors of the company ; and
 - (3.) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitation of Internal financial controls over financial reporting

7. Because of the Inherent limitation of internal financial controls over financial reporting, including the possibility of collusion or improper management over-ride of controls, material misstatements due to error or fraud may occur and not be detected. Also, projection of any evaluations of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the company has, in all material respects, an adequate internal financial controls over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017 based on the internal financial controls over financial reporting criteria established by the company considering the essential components of internal control stated in the guidance note on audit of internal financial controls over financial reporting issued by the Institute of Chartered Accountants of India.

Explanatory paragraph

9. We also have audited, in accordance with the Standards on Auditing issued by the Institute of Chartered accountants of India, as specified under Section 143(10) of the Act, the financial statements of STEEL STRIPS WHEELS LIMITED, which comprise the balance Sheet as at March 31st, 2017, and the related Statement of Profit and Loss and Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information, and our report dated 29th May 2017 expressed an unqualified opinion.

150000 No. of options exercisable into equivalent nos of equity shares of the face value of Rs 10/- per share was granted under ESOS Scheme in FY 2014-15. The date of grant was 02.03.2015. Out of these options, 50000 options have been forfeited during FY 2015-16. Accordingly proportionate shares expenses have been booked for the period as Expenses.

The Company has a defined benefit gratuity and Earned Leave plan. Every employee who has completed five years or more of service gets a gratuity on departure at 15 days salary (last drawn salary) for each completed year of service and accumulation of EL for Staff is upto 60days and for Workers is 90 Days.

The Employee's gratuity fund scheme managed by a Trust (Life insurance corporation of India) is defined benefit plan. The Present Value of obligation is determined based on actuarial valuation using the projected unit credit method which recognises each period of service as giving rise to additional unit of employee benefits entitlement and measures each unit separately to build up the final obligation. The obligation for leave encashment is recognised in the same manner as gratuity.

Net employee benefit expenses (recognised in Employee Cost).

The following tables summarize the components of net benefit expense recognised in the Profit and Loss Account and the amounts recognised in the balance sheet.

Notes on Financial Statement for the year ended 31st March 2017.

NOTE 28 (1) & (2). Significant Accounting Policies

1) CORPORATE INFORMATION

Steel Strips Wheels Limited (the Company) is a public limited Company registered in India under the Companies Act 2013 (Erstwhile Companies Act 1956). Its Shares are listed on both BSE Limited and National Stock Exchange of India Limited. The Company is a leading manufacturer of Automotive Wheel rims.

2) BASIS OF PREPARATION

The financial statements have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP) and mandatory Accounting Standards of Companies Act, 2013 as amended from time to time. Further, the guidance notes/announcements issued by the Institute of Chartered Accountants of India (ICAI) are also considered wherever applicable except to the extent where compliance with other statutory promulgations overrides the same requiring a different treatment. The financial statements have been prepared under the historical cost convention on accrual basis.

The accounting policies have been consistently applied by the Company and except for the changes in accounting policy discussed more fully below, are consistent with those used in the previous year.

Note 28(2)

SIGNIFICANT ACCOUNTING POLICIES

1) USE OF ESTIMATES

The preparation of financial statements in conformity with Indian GAAP requires the management to make estimates and assumptions that affect the reported amounts of revenue, expenses, assets and liabilities and disclosure of contingent liabilities, as at the date of the financial statements. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from those estimates. Uncertainties about these estimates and assumptions could result in the outcomes requiring a material adjustment to the carrying amount of assets or liabilities in the future periods.

2) PRESENTATION OF FINANCIAL STATEMENTS

The Balance Sheet and Statement of Profit and Loss are prepared and presented in the format prescribed in the schedule III of the Companies Act, 2013("the Act"). The disclosure requirements are presented as per the Companies (Accounting Standards) rules 2006, read with the General Circular 15/2013 dated 13th September 2013 of the Ministry of Corporate Affairs in respect of section 133 of Companies Act, 2013.

3) REVENUE RECOGNITION

Revenue is recognized to the extent that it is probable that economic benefits will flow to the Company and the revenue can be reliably measured.

A. SALE OF GOODS

Revenue from sale of goods is recognized when the significant risks and rewards of ownership in the goods are transferred to the buyer of goods as per the terms of contracts, the Company retains no effective control of the goods transferred to a degree usually associated with the ownership and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods. The Company collects Central Sales tax and value added taxes(VAT) on the behalf of the Government and therefore these are not economic flowing to the Company. Hence they are excluded from Revenue. Excise duty deducted from revenue (Gross) is the amount that is included in the revenue(Gross) and not the entire amount of liability arising during the year.

B. INTEREST INCOME

Interest from bank is recognized on time proportion basis taking into account the amount outstanding and applicable interest rate. Interest income is included under the head "other income" in the statement of profit and loss account.

C. OTHER INCOME

(i) Dividend Income is accounted in the period in which the right to receive the same is established.

(ii) Insurance claim is recognized on acceptance of claim by Insurance Company.

STEEL STRIPS WHEELS LIMITED

E. Stores and Spares have been valued at weight average cost.

(Net realizable value is the estimated selling price in the ordinary course of business less estimated costs of completion and estimated cost necessary to make the sale)

7) TANGIBLE FIXED ASSETS

Fixed assets are stated at original cost net of tax/duty credit availed, if any, less accumulated depreciation and cumulative impairment and those which have been revaluated are stated at the values determined by the valuers less accumulated depreciation and cumulative impairment. Cost of acquisition is inclusive of freight and other incidental expenses and interest on loan taken for the acquisition of qualifying assets up to the date of commissioning of assets.

Subsequent expenditure related to item of fixed asset is added to its book value only if it increases the future benefits from the existing assets beyond its previously assessed standard of performance. All other expenses on existing fixed assets, including day to day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gain or losses arising from de-recognition of fixed assets are measured as the difference between the net disposable proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

The exchange differences arising on reporting of long term foreign currency monetary items at rates different from those at which they were initially recorded during the period, or reported in previous financial statements, in so far as they relate to the acquisition of a depreciable capital asset, have been added to or deducted from the cost of the asset and shall be depreciated over the balance useful life of the asset.

Die Tooling, developed in-house, includes cost of material and other direct/ incidental expense on in-house development.

Tangible Assets not ready for the intended use on the date of the balance Sheet are disclosed as "capital work in progress". (Also refer to policy on leases, borrowing costs, impairment of assets and foreign currency transactions infra.)

8) DEPRECIATION / AMORTIZATION ON TANGIBLE FIXED ASSETS

Depreciation is the systematic allocation of the depreciable amount of an asset over useful life. The depreciable amount of an asset is the cost of an asset or other amount substituted for cost, less its residual value.

A. OWNED ASSETS

- (i) Pursuant to applicability of Schedule II, of Companies Act 2013, with effect from 1st April 2014, Management has reassessed the useful life of tangible assets based on the internal and external technical evaluation. The Depreciation on fixed assets is provided on straight line method in accordance with applicable Schedule of the Companies Act, 2013.
- (ii) Depreciation for addition to/deductions from, owned assets is calculated on pro-rata basis from the date of such addition or, as the case may be, up to the date on which such asset has been sold, discarded, demolished or destroyed.
- (iii) Residual values of assets have been considered at 5% of the original cost of the assets.
- (iv) Difference of Exchange Rate fluctuation on imported plant and machineries procured out of long term foreign currency loans is amortized over the residual life of relevant plant and machineries.
- (v) Depreciation on assets carried at carrying amount as on 01.04.2014 and is depreciated as per Straight line method over the remaining useful life of the assets. Further the assets whose remaining useful life are nil, has been recognized in the opening balance of retained earnings. Refer the same as transitional provision
- (vi) The depreciation calculation is based on the balance useful lives of assets and shift working. Depreciation on assets used on double shift basis have been increase by 50% for that period and Depreciation on assets used in triple shift basis have been calculated on the basis of 100% for that period, Except for assets in respect of which no extra shift depreciation is permitted (indicated by NESD in Part C of the schedule).
- (vii) Management has reassessed the useful life of plant and machineries based on the internal and external technical evaluation which is different from useful life prescribed under the act. The reassessed useful life is tabulated as:

Location	Useful Life as per Act (in Years)	Average useful life (in years)	Balance Avg. useful Life as on 01/04/2014
Dappar	15.00	23.85	17.11
Chennai	15.00	23.29	19.72
JSR	15.00	24.96	23.17
Seraikella	15.00	15.00	15.00

B. LEASED ASSETS

Land acquired under long term lease is classified under "Tangible Assets" and is amortized over the period of lease.

9) INTANGIBLE ASSETS AND AMORTIZATION

Intangible assets are stated at original cost net of tax/duty credit availed, if any, less accumulated amortization and cumulative impairment. Intangible assets are recognized when it is probable that the future economic benefits are attributable to the asset will flow to the enterprise and the cost of asset can be measured reliably. Intangible assets are amortized over their useful life.

Intangible Assets not ready for the intended use on the date of balance sheet are disclosed as "intangible assets under development"

10) IMPAIRMENT OF ASSETS

- A. At each Balance Sheet date, the carrying amount of assets is tested based on internal/external factors, for impairment so as to determine:
 - (i) The provision for impairment loss, if any; and
 - (ii) The reversal of impairment loss recognized in previous periods, if any,
- B. Impairment loss is recognized when the carrying amount of an asset exceeds its recoverable amount. Recoverable amount is determined:
 - (i) In the case of an individual asset, higher of the net selling price and the value in use.
 - (ii) In the case of a cash generating unit (a group of assets that generates identified, independent cash flows), at the higher of the cash generating unit's net selling price and the value in use.

(Value in use is determined as the present value of estimated future cash flows discounted to their present value at the weighted average cost of Capital, from the continuing use of an asset and from its disposal at the end of its useful life).

Post impairment, depreciation is provided on the revised carrying value of the asset over its remaining useful life.

11) TRANSACTIONS IN FOREIGN CURRENCY

A. INITIAL RECOGNITION

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the applicable exchange rate on date of the transaction.

B. CONVERSION

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

C. EXCHANGE DIFFERENCES

Exchange differences arising on the settlement of monetary items or on reporting company's monetary items at rates different from those at which they were initially recorded during the year, or reported in previous financial statements, are recognized as income or as expenses in the year in which they arise.

Exchange differences relating to acquisition of imported fixed assets are adjusted in the carrying cost of the respective Fixed Assets.

D. FORWARD EXCHANGE CONTRACTS NOT INTENDED FOR TRADING OR SPECULATION PURPOSES

The premium or discount arising at the inception of forward exchange contracts is amortized as expense or income over the life of the contract. Exchange differences on such contracts are recognized in the statement of profit and loss in the year in which the exchange rates change. Any profit or loss arising on cancellation or renewal of forward exchange contract is recognized as income or as expense for the year.

Gain or loss on contracts relating to acquisition of imported Fixed Assets is adjusted to the carrying cost of Fixed Assets.

12) BORROWING COST

Borrowing costs that are attributable to acquisition or construction of a qualifying asset are capitalized/inventories as part of cost of such assets till such time the asset is ready for its intended use/or sale. Qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

All other borrowing costs are recognized as expenses in the period in which they are incurred.

13) EMPLOYEE BENEFITS

A. SHORT TERM EMPLOYEE BENEFITS

All employee benefits falling due wholly within twelve months of rendering the services are classified as short term employee benefits. The benefit likes salaries, wages, short term compensated absence etc. and the expected cost of bonus, and ex-gratia is recognized in the period in which the employee renders the related services.

B. POST EMPLOYMENT BENEFITS

(i) DEFINED CONTRIBUTION PLANS

(Provident fund, family pension fund and employee state insurance scheme)

STEEL STRIPS WHEELS LIMITED

As per the employee Provident funds and misc provisions Act 1952, all employee of the Company are entitled to receive benefits under the provident fund and family pension fund which is defined contribution plan. These contributions are made to the funds administrated and managed by Government of India. In addition some employee of the Company are covered under employee state insurance scheme Act 1948 which is also defined contribution schemes recognized and administered by Government of India.

The Company's contributions to these schemes are recognized as expense in profit and loss account during the period in which the employee renders the related service

(ii) DEFINED BENEFIT PLANS

a) GRATUITY

The company provides for gratuity obligations through a defined benefits retirement plan ('The Gratuity Plan') covering all employees. The present value of the obligation under such Defined benefits plan is determined based on actuarial valuation using the Project Unit Credit method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measure each unit separately to build up final obligation. The obligation is measured at the present value of the estimated cash flows. The discount rate used for determining the present value of the defined obligation under defined benefit plan, is based on the market yields on Government securities as at the balance sheet date. Actuarial gains and losses are recognized in profit and loss account as and when determined.

The company makes annual contribution to LIC for the gratuity plan in respect of all the employees' liability on the basis of actuarial valuation done by the LIC. The company also provides for additional liability, in case of excess contribution, determined by the independent actuary based on actuarial valuation using the Project Unit Credit method as compared to actuarial valuation determined by LIC and vice versa

b) LEAVE LIABILITY

The Company provides for the liability at the year end on account of unavailed earned leave as per the actuarial valuation.

The leave encashment liability is covered through a policy taken from Life Insurance Corporation of India. The contribution towards premium of the policy is charged to revenue every year.

Actuarial gain or losses are recognized immediately in the statement of profit and loss.

The interest element in the actuarial valuation of defined benefits plans, which comprises the implicit interest cost and the impact of the changes in discount rate, is classified under finance costs. The balance charge is recognized as employee benefit expenses in the statement of profit and loss account

C. LONG TERM EMPLOYEE BENEFITS

The obligation for long term employee benefits such as long term compensated absences, long service award etc are recognized in the similar manner as in the case of defined benefit plans as mention in (ii).

D. EMPLOYEE TERMINATION BENEFITS

Termination benefits such as compensation under voluntary retirement cum pension scheme are recognized as expense in the period in which they are incurred.

14) INVESTMENTS

A. CURRENT INVESTMENTS

Investments, which are readily realizable and are intended to be held for not more than one year from the date of acquisition, are classified as current investments. All other investments are classified as long term investments.

B. LONG TERM INVESTMENTS

Long-term investments including unquoted shares are carried at cost after providing diminution in value, if such diminution is other than temporary in nature. However mutual funds investments are valued at its net realizable value.

Purchase and sale of investments are recognized based on the trade date accounting.

15) LEASES

A. FINANCE LEASE

Assets acquired under leases where the Company has substantially all the risks and rewards of ownership are classified as finance leases. Such assets are capitalized at the inception of the lease at the lower of the fair value or the present value of minimum lease payments and a liability is created for an equivalent amount. Each lease rental paid is allocated between the liability and the interest cost, so as to obtain a constant periodic rate of interest on the outstanding liability for each period.

B. OPERATING LEASE

Assets acquired on leases where a significant portion of the risks and rewards of ownership are retained by the lessor are classified as operating leases. Lease rentals are charged to the Statement of Profit and Loss on accrual basis.

16) SEGMENT REPORTING

A. IDENTIFICATION OF SEGMENTS

The Company's operating businesses are organized and managed separately according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

B. SEGMENT ACCOUNTING POLICIES

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

17) ACCOUNTING FOR TAXES ON INCOME

Tax expense comprises current and deferred tax. Current income-tax is measured at the amount expected to be paid to the tax authorities in accordance with the Income-tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdictions where the company operates. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the reporting date.

Deferred income taxes reflect the impact of timing differences between taxable income and accounting income originating during the current year and reversal of timing differences for the earlier years. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted at the reporting date.

Deferred tax liabilities are recognized for all taxable timing differences. Deferred tax assets are recognized for deductible timing differences only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. In situations where the company has unabsorbed depreciation or carry forward tax losses, all deferred tax assets are recognized only if there is virtual certainty supported by convincing evidence that they can be realized against future taxable profits.

At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax asset to the extent that it has become reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which such deferred tax assets can be realized.

The carrying amount of deferred tax assets are reviewed at each reporting date. The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realized. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set-off current tax assets against current tax liabilities and the deferred tax assets and deferred taxes relate to the same taxable entity and the same taxation authority.

MAT credit is recognized as an asset only when and to the extent there is convincing evidence that the company will pay normal income tax during the specified period. In the year in which the Minimum Alternative tax (MAT) credit becomes eligible to be recognized as an asset in accordance with the recommendations contained in guidance Note issued by the Institute of Chartered Accountants of India, the said asset is created by way of a credit to the profit and loss account and shown as MAT Credit Entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent there is no longer convincing evidence to the effect that Company will pay normal Income Tax during the specified period.

18) PROVISIONS, CONTINGENT LIABILITIES AND CONTINGENT ASSETS

Provisions for expenses are recognized for liabilities that can be measured only by using a substantial degree of estimation, if

- (i) The Company has a present obligation as a result of a past event
- (ii) A probable outflow of resources is expected to settle the obligation and
- (iii) The amount of the obligation can be reliably estimated.

Contingent liability is disclosed in case of

- (i) A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation.
- (ii) A present obligation arising from past events, when no reliable estimate is possible.
- (iii) A possible obligation arising from past events where the probability of outflow of resources is not remote.

However contingent assets are neither recognized, nor disclosed.

Provisions, contingent liabilities and contingent assets are reviewed at each Balance Sheet date and adjusted to reflect the correct management estimates.

STEEL STRIPS WHEELS LIMITED

19) EARNING PER SHARE

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders (after deducting attributable taxes and dividend on cumulative preference shares for the year) by the weighted average number of equity shares outstanding during the year. Partly paid equity shares are treated as a fraction of an equity share to the extent that they were entitled to participate in dividends relative to a fully paid equity share during the reporting period. The weighted average number of equity shares outstanding during the period is adjusted for event of bonus issue/right issue etc; bonus element in a rights issue to existing shareholders; share split; and reverse share split (consolidation of shares).

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

20) CASH AND CASH EQUIVALENTS

Cash and cash equivalents balances include cash in hand, fixed deposits, margin money deposits, earmarked balances with banks and other bank balances such as dividend accounts, which have restrictions on repatriation.

21) EMPLOYEE STOCK OPTION SCHEME.

Stock Options granted to employee under the Stock option scheme are accounted at intrinsic value as per the accounting treatment prescribed by the Securities and Exchange Board of India (Employee stock Option scheme and Employee Stock purchase Scheme) Guidelines 1999 and Guidance Note on Accounting for Employee Share-based Payments, issued by the Institute of Chartered Accountants of India. Accordingly the excess of market price, determined as per the guidelines and guidance note, of underlying equity shares (market value), over the exercise price of the options is recognized as deferred stock compensation expenses as is charged to the statement of profit and loss account on straight line basis over the vesting period of the options. The amortized portion of the cost is shown under share holder funds.
