Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 (“Act”) forming part of the Notice of the 48th Annual General Meeting of the Company

The following Explanatory statement sets out all material facts relating to the Ordinary Business under Item No. 5 and Special Business under Item Nos. 6, 7, 8, 9 & 10 mentioned in the accompanying Notice dated May 09, 2018.

Item No. 5

1. This explanatory statement is provided though not mandatory under Section 102 of the Companies Act, 2013 (Act).
2. The Members at the 47th Annual General Meeting held on July 25, 2017 appointed P. K. F. Sridhar & Santhanam, LLP, Chartered Accountants, (Firm Reg. No: 003990S/S200018) as auditors of the Company to hold office from the conclusion of 47th Annual General Meeting until the conclusion of the 52nd Annual General Meeting of the Company subject to ratification of the said appointment by Members at every subsequent AGM as required under Section 139(1) of the Act.
3. Subsequently the requirement of ratification of appointment of Auditors at every AGM as provided under Section 139(1) of Act has been omitted by the Companies (Amendment) Act, 2017. In line with the said change, it is proposed to dispense with the requirement of ratification of appointment of Auditors by Members at every AGM for the remaining period during the current term of their appointment.
4. The Board recommends the Resolutions at Item No. 5 of this Notice for approval by the Members.
5. None of the Directors and/or Key Managerial Personnel of the Company and their respective relatives is, in anyway, concerned or interested, in the resolution set out at Item No. 5 of this Notice.

Item No. 6 & 7

1. The Board of Directors based on the recommendation of Nomination and Remuneration Committee appointed Mr. Giridhar Sanjeevi and Mr. Puneet Chhatwal as Non-executive Directors in Casual Vacancy created due to the resignation of Mr. Anil P. Goel and Mr. Rakesh Kumar Sarna with effect from July 25, 2017 and January 23, 2018, respectively.

Business Overview

India continues to be among the world's fastest growing major economies, despite temporary hiccups caused by demonetisation and goods and services tax (GST) implementation. The country's GDP growth is pegged at 6.7% in 2017 and is likely to accelerate to 7.4% in 2018 and 7.8% in 2019 on the back of continued traction in private consumption and gradual easing of the teething issues following the implementation of these reforms.

Robust economic growth and buoyant consumer spending across the world was adequately reflected in the performance of the global travel and tourism industry in 2017. According to the World Travel & Tourism Council (WTTC) estimates, the sector's direct growth stood at 4.6% in the year and outperformed global economic growth for the seventh year in a row.

In India, the Travel & Tourism sector contributed ₹15,239.6 billion (USD 234.0 billion) or 9.4% to India's GDP in 2017. This sector created 41,622,500 jobs or 8% of total employment (direct and indirect) in the country in the year and this metric could rise by 3.1% in 2018. Visitor exports formed 5.8% of total exports, generating exports worth ₹1,777.1 billion (USD 27.3 billion). Investments in the sector stood at ₹2,706.1 billion, representing 6.3% of total investments and can grow by 6.7% in 2018.

Considerable growth in India's travel and tourism sector has percolated to the hospitality sector as well. The industry has witnessed robust growth in recent years on the back of increased traffic of domestic travellers, rising commercial development and foreign tourist arrivals, a growing airline industry and government-led initiatives aiming to stimulate the sector. With a positive outlook of the Indian hospitality sector and the strong brand it is associated with, your company is well positioned to benefit from the growth in this sector.

Dividend

Considering the statutory requirement to maintain the Debenture Redemption Reserve (DRR) to the tune of 25% of value of debentures and the inadequacy of profits to maintain the prescribed DRR as on March 31, 2018, the Board of Directors has not recommended any dividend on equity shares for the financial year ended on March 31, 2018.

Dividend Distribution Policy

Your Company has formulated and adopted a Dividend Distribution Policy as envisaged under Regulation 43A of the SEBI (Listing Obligations and Disclosures) Regulations, 2015 on voluntary basis as part of its corporate governance practices.

The policy is given in the Annexure 3 to this report and is also available on the Company's website, at http://orientalhotels.co.in/wp-content/uploads/2017/05/OHL_Dividend_Distribution_Policy.pdf

Share Capital

The Paid up Equity Share Capital of the Company as on March 31, 2018 was ₹1,786 lakhs comprising of 17,85,99,180 Equity Shares having face value of ₹1 each. The Company has not issued any equity shares during the financial year 2017-18.

Borrowings

The Company's borrowings as at March 31, 2018 on a standalone basis stood at ₹31,326 lakhs as against ₹32,232 lakhs as at March 31, 2017.

Non-Convertible Debentures (NCDs)

As on March 31, 2018, the outstanding NCDs amounts to ₹20,000 lakhs comprising of 1000, 'Series-A Senior Secured Redeemable Non-Convertible Debentures' having face value ₹10 lakhs aggregating to ₹10,000 lakhs with coupon rate of 10.25% per annum and 1000, 'Series-B Senior Secured Redeemable Non-Convertible Debentures' having face value ₹10 lakhs aggregating to ₹10,000 lakhs with coupon rate of 2% at an yield to maturity rate of 10.25% per annum. The NCDs are listed in the Wholesale Debt Market (WDM) segment at National Stock Exchange of India Ltd. During the year the Company has neither issued nor redeemed any NCDs.

Fixed Deposits

The Company does not accept and / or renew fixed deposit from the general public and / or shareholders. Acceptance and renewal of fixed deposits were discontinued by the Company with effect from February 17, 2003 and July 2009 respectively. There were no amount outstanding as unclaimed deposit as on March 31, 2018 as such deposits had been transferred to the Investor Education and Protection Fund (IEPF) on the respective due dates.

Particulars of Loans, Guarantees and Investments of the Company under Section 186 of the Act

The Company has not given any loans or provided any security during the financial year under review. The particulars of existing loans and investments have been disclosed under notes to financial statements.

Subsidiaries, Joint Ventures and Associate Companies

The Consolidated Financial Statements of the Company and its Subsidiary, Associates and Joint Venture are prepared in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Companies (Indian Accounting Standards), Rules, 2015 of the Companies Act, 2013, and form part of the Annual Report.

Board and Committee Meetings

The Board of Directors has met four (4) times during the year and the intervening period between the Meetings was within the period prescribed under the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. Details of the composition of the Board and its Committees and of the meetings held and attendance of the Directors at such Meetings, are provided in the Corporate Governance Report.

Board Effectiveness

The Company has adopted the Governance Guidelines which inter alia, cover aspects related to composition and role of the Board, Chairman and Directors, Board diversity, definition of independence, Director's term, retirement age and Committees of the Board. It also covers aspects relating to nomination, appointment, induction and development of Directors, Director's remuneration, Code of Conduct, Board Effectiveness Review and mandates of Board Committees.

Board Evaluation

The Company has devised a Policy for performance evaluation of the Board, Committees and other individual Directors (including Independent Directors) which include criteria for performance evaluation of Non-executive Directors and Executive Directors. The evaluation process inter alia considers attendance of Directors at Board and committee meetings, acquaintance with business, communicating inter se board members, effective participation, domain knowledge, compliance with code of conduct etc.

In a separate meeting of Independent Directors, performance of Non-Independent Directors, performance of the Board as a whole and performance of the Chairman was evaluated, taking into account the views of executive and non-executive directors.

Remuneration Policy

The Company had adopted a Remuneration Policy for the Directors, KMP and other employees, pursuant to the provisions of the Act and Listing Regulations.

The key principles governing the Company's Remuneration Policy are as follows:

Remuneration for Independent Directors and Non-Independent Non-Executive Directors

- Independent Directors (ID) and Non-Independent Non-Executive Directors (NINED) may be paid sitting fees for attending the meetings of the Board and of Committees of which they may be members, and receive commission within regulatory limits, as recommended by the NRC and approved by the Board.
- Overall remuneration should be reasonable and sufficient to attract, retain and motivate Directors aligned to the requirements of the Company, taking into consideration the challenges faced by the Company and its future growth imperatives.

- Remuneration paid should be reflective of the size of the Company, complexity of the sector/ industry/Company's operations and the Company's capacity to pay the remuneration and be consistent with recognized best practices.
- The aggregate commission payable to all the NEDs and IDs will be recommended by the NRC to the Board based on Company performance, profits, return to investors, shareholder value creation and any other significant qualitative parameters as may be decided by the Board. The NRC will recommend to the Board the quantum of commission for each Director based upon the outcome of the evaluation process which is driven by various factors including attendance and time spent in the Board and Committee Meetings, individual contributions at the meetings and contributions made by Directors other than in meetings.
- The remuneration payable to Directors shall be inclusive of any remuneration payable for services rendered in any other capacity, unless the services rendered are of a professional nature and the NRC is of the opinion that the Director possesses requisite qualification for the practice of the profession.

Remuneration for Managing Director (MD)/ Key Managerial Personnel (KMP)/ rest of the Employees

- The extent of overall remuneration should be sufficient to attract and retain talented and qualified individuals suitable for every role. Hence remuneration should be market competitive, driven by the role played by the individual, reflective of the size of the Company, complexity of the sector/ industry/ Company's operations and the Company's capacity to pay, consistent with recognized best practices and aligned to any regulatory requirements.
- Basic/ fixed salary is provided to all employees to ensure that there is a steady income in line with their skills and experience. In addition, the Company provides employees with certain perquisites, allowances and benefits to enable a certain level of lifestyle and to offer scope for savings. The Company also provides all employees with a social security net subject to limits, by covering medical expenses and hospitalization through re-imbursements or insurance cover and accidental death etc. The Company provides retirement benefits as applicable.
- In addition to the basic / fixed salary, benefits, perquisites and allowances as provided above, the Company provides MD, such remuneration by way of commission, calculated with reference to the net profits of the Company in a particular financial year, as may be determined by the Board, subject to the overall ceilings stipulated in Section 197 of the Act. The specific amount payable to the MD would be based on performance as evaluated by the NRC and approved by the Board.
- The Company provides the management employees a performance linked bonus. The performance linked bonus would be driven by the outcome of the performance appraisal process and the performance of the Company.

It is affirmed that the remuneration paid to Directors, KMP and all other employees is as per the Remuneration Policy of the Company.

Policies

Internal Controls Systems and Adequacy

The Company has an Internal Control System, commensurate with the size, scale and complexity of its operations. The scope and authority of the Internal Audit function is well defined in the organization. To maintain its objectivity and independence, the Internal Audit function reports to the Chairman of the Audit Committee of the Board.

The Internal Audit Department monitors and evaluates the efficacy and adequacy of internal control systems of the Company, its compliance with operating systems, accounting procedures and policies at all locations of the Company. Based on the report of Internal Audit function, process owners undertake corrective action in their respective areas and thereby strengthen the controls. Significant audit observations and corrective actions suggested are presented to the Audit Committee of the Board.

Internal financial controls means the policies and procedures adopted by the Company for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, safeguarding of its assets, prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information. The internal financial controls as laid down are adequate and are operating effectively during the year under review. As required under Section 143 of the Companies Act, 2013, the Statutory Auditors have evaluated and expressed satisfaction in their opinion on the Company's internal financial controls over financial reporting based on an audit.

Audit Committee

The details pertaining to the composition of the Audit Committee are included in the Corporate Governance Report, which is a part of this report.

Auditors and Auditor's Report

(i) Statutory Auditors:

At the AGM held on July 25, 2017, the Members approved the appointment of M/s PKF Sridhar and Santhanam LLP, Chartered Accountants (Firm Registration No.: 003990S/S200018) as statutory auditors for a period of 5 years commencing from the conclusion of Forty-seventh AGM till the conclusion of the Fifty-second AGM subject to the ratification by the Members every year at the Annual General Meeting. As recommended by the Audit Committee, the Board has proposed the ratification of appointment of M/s. PKF Sridhar and Santhanam LLP, Chartered Accountants as statutory auditors for financial year 2018-19. The ratification of appointment by Members is accordingly proposed in the Notice of the ensuing AGM without any further ratification required for the remaining term considering that

the statutory requirement of ratification by members at every AGM has been dispensed with under the Companies (Amendment) Act, 2017.

The notes on financial statement referred to in the Auditor's Report are self-explanatory and do not call for any further comments. The Auditor's Report does not contain any qualification, reservation, adverse remark or disclaimer which requires any explanation from the Board.

The Secretarial Audit Report is attached as **Annexure 4**. The Secretarial Audit Report does not contain any qualification, reservation, adverse remark or disclaimer.

Risk Management

The policy framework enables the Company to identify and evaluate risks and opportunities. This framework seeks to create transparency, minimize adverse impact on business objective and enhance the Company's competitive advantage. The risk framework defines the risk management approach across the Company at various levels including documentation and reporting.

The Policy framework enables the Company to evaluate risks, appropriately rate these risks and grade the same in accordance with their potential impact and likelihood. The two key components of risks are the probability (likelihood) of occurrence and the impact (consequence) of occurrence, if the risk occurs. Risk is analyzed by combining estimates of probability and impact in the context of existing control measures.

The Company has laid down procedures to inform Audit Committee as well as the Board of Directors about the risk assessment and management procedures and status. These procedures are periodically reviewed to ensure that the executive management monitors and controls risks.

Vigil Mechanism / Whistle Blower Policy

The Company has adopted a Whistle Blower Policy to provide a mechanism for the Directors and employees to report genuine concerns about any unethical behaviour, actual or suspected fraud or violation of the Company's Code of Conduct. The provisions of this policy are in line with the provisions of Section 177 (9) of the Act and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. The whistle blower policy can be accessed on the Company's website at the link: <http://orientalhotels.co.in/wp-content/uploads/2017/01/WHISTLE-BLOWER-POLICY-AND-VIGIL-MECHANISM.pdf>

Annexure – 3**Dividend Distribution Policy****1. Objective and Philosophy**

The Dividend Distribution Policy ("the policy") establishes the principles to ascertain amounts that can be distributed to equity shareholders as dividend by the Company as well as enable the Company strike balance between pay-out and retained earnings, in order to address future needs of the Company.

The objective of this Policy is to reward its shareholders by returning a portion of its profits after retaining sufficient funds for growth of the Company thus maximizing shareholders' value.

The Policy set forth's the broad principles for guiding the Board and the Management in matters concerning declaration and distribution of dividend, with a view to ensure fairness, transparency, sustainability and consistency in the decision for distributing profits to shareholders.

The Company believes that driving growth creates maximum shareholder value. Thus, the Company would first utilise its profits for working capital requirements, capital expenditure to meet expansion needs, reducing debt from its books of accounts, earmarking reserves for growth opportunities and thereafter distributing the surplus profits in the form of dividend to the shareholders.

The Policy shall broadly specify the external and internal factors including financial parameters that shall be considered while declaring dividend and the circumstances under which the shareholders of the Company may or may not expect dividend and how the retained earnings shall be utilized, etc.

2. Regulatory Framework

The Securities Exchange Board of India on July 8, 2016 inserted Regulation 43A in SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, which requires top five hundred listed companies (based on market capitalization of every financial year) to formulate a Dividend Distribution Policy, which shall be disclosed in their annual reports and on their website. Further, the listed entities other than top five hundred listed entities based on market capitalization may disclose their dividend distribution policies on a voluntary basis in their annual report and on their websites.

To ensure the highest standards of corporate governance and in line with policy adopted by the Taj Group Companies, Oriental Hotels Limited has adopted this policy on voluntary basis.

This Policy shall be effective and applicable for dividend, if any, declared for the Financial Year 2016-17 and onwards.

3. Parameters for declaration of Dividend

Dividends will generally be recommended by the Board once a year, after the announcement of the full year results and before the Annual General Meeting (AGM) of the shareholders, as may be permitted by the Companies Act, 2013 (the Act). The Board may also declare interim dividends as may be permitted by the Act.

As in the past, subject to the provisions of the applicable law, the Company's dividend pay-out will be determined based on available financial resources, investment requirements and taking into account optimal shareholder return.

Dividend pay-out would also be subject to profitability under Standalone Financial Statements and while determining the nature and quantum of the dividend pay-out, the Board would take into account the following factors:

Financial parameters and Internal Factors:

- Operating cash flow of the Company
- Profit after Tax during the year and Earnings Per Share (EPS)
- Working capital requirements
- Capital expenditure requirement
- Business expansion and growth
- Likelihood of crystallization of contingent liabilities, if any
- Additional investment in subsidiaries and associates of the company
- Upgradation of technology and physical infrastructure
- Debt levels and cost of borrowings
- Past dividend pay-out ratio / trends

External Factors:

- Industry Outlook and Economic environment
- Capital markets
- Global conditions
- Statutory provisions and guidelines
- Dividend pay-out ratio of competitors

4. Circumstances under which the shareholders of the Company may or may not expect dividend

The shareholders of the Company may not expect dividend in the following circumstances, subject to discretion of the Board of Directors:

- Proposed expansion plans requiring higher capital allocation
- Decision to undertake any acquisitions, amalgamation, merger, joint ventures, new product launches etc. which requires significant capital outflow
- Requirement of higher working capital for the purpose of business of the Company
- Proposal for buy-back of securities
- In the event of loss or inadequacy of profit

5. Utilization of Retained Earnings

The Board may retain its earnings in order to make better use of the available funds and increase the value of the stakeholders in the long run. The decision of utilization of the retained earnings of the Company shall be based on the following factors:

- Market expansion plans
- Declaration of dividend
- Repayment of Debt
- Diversification of business
- Long term strategic plans for growth
- Replacement of capital assets
- Such other criterionss as the Board may deem fit from time to time.

6. Parameters to be adopted with regard to various classes of shares

Since the Company has issued only one class of equity shares with equal voting rights, all the members of the Company are entitled to receive the same amount of dividend per share. The Policy shall be suitably revisited at the time of issue of any new class of shares depending upon the nature and guidelines thereof.

7. Disclosures

The Dividend Distribution Policy shall be disclosed in the Annual Report and on the website of the Company i.e. at http://orientalhotels.co.in/wp-content/uploads/2017/05/OHL_Dividend_Distribution_Policy.pdf

8. Policy review and amendments

The Board may review, amend, abrogate, modify or revise any or all provisions of this Policy from time to time. However, amendments in the Act or in the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 shall be deemed to be incorporated in this Policy and shall be binding.

Annexure – 5**- Conservation of Energy**

The Company continued to use green energy to its potential through a group captivity scheme and saved considerable cost on power. Apart from the above, the hotel unit(s) reduced the consumption of power (electricity) through alternative energy resources and has also reduced the consumption of fossil fuel by reducing the usage of electricity generators. The Company for effective utilization of alternative energy resource has invested ₹31.65 lakhs as on March 31, 2018 under group captivity scheme in the equity share capital of private power producing companies. Solar lighting and heating panels are being installed by a few hotel units to reduce the consumption of power. Hot water is being generated through heat recovery process from AC plants and Automatic Power factor control panels through Screw chiller and De-super heater are being used to reduce power consumption. The units are using CFL & LED lightings instead of conventional lightings, which also reduced the consumption of energy.

- Water and Waste Management

The water used by the guests and in other areas is recycled by in-house treatment plants and the recycled water is being used for gardening. Rainwater harvesting system is adopted to recharge the wells within unit premises. Wastes are segregated at source, such as de-gradable, non-gradable, hazardous wastages and disposed off through authorized vendors. A few units have a compost yard, converting the wet garbage and horticultural waste into manure and have also installed bio-mass cooking application. Effective water management gadgets are in place to minimize the usage of water in toilets and other places.

- Environmental Initiatives

Given the relatively low ecological footprint of the hospitality industry vis-à-vis other larger industries, the Group's key objective in environmental responsibility is to increase the sustainability of its hotels & tourism operations and optimize resource efficiency. The Group's internal EARTH vision, which outlines its commitment to renewing and regenerating the environment, conserving natural resources and endeavoring to extend these actions to products, services, partners, associates, vendors and communities. Your Company focuses on implementing responsible energy management practices aimed at reducing its direct and indirect emissions, increasing use of renewable energy in the overall energy mix being used, water conservation through rain water harvesting, recycling & reuse of water and responsible waste management through composting food & horticulture waste as well as ensuring responsible disposal of hazardous & e waste.

Annexure – 6

The information as required under Section 197 of the Companies Act, 2013 read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014

1. The ratio of the remuneration of each Director to the median remuneration of the Employees of the Company for the financial Year:

(Explanation: (i) the expression "median" means the numerical value separating the higher half of a population from the lower half and the median of a finite list of numbers may be found by arranging all the observations from lowest value to highest value and picking the middle one; (ii) if there is an even number of observations, the median shall be the average of the two middle values)

The ratio of remuneration of Managing Director to the Median Remuneration of all employees who were on the payroll of the Company during the financial year 2017-18 is given below:

Managing Director	Ratio to median remuneration
Mr. Pramod Ranjan	17.45:1

Even though the Managing Director is entitled for a performance linked incentive and Non-executive Directors are eligible for a profit linked commission as remuneration, they have opted not to receive the same considering the inability of the board to recommend dividend due to inadequate profits. Non-executive directors other than those representing The Indian Hotels Company Ltd., were paid sitting fee for attending the Board/Committee meetings which was not considered as remuneration.

2. The percentage increase in remuneration of each Director, Chief Financial Officer, Company Secretary, if any in the financial year:

The percentage increase in remuneration of the Managing Director, Chief Financial Officer, Company Secretary during the financial year 2017-18 is given below:

Name - Designation	Percentage Increase in Remuneration
Mr. Pramod Ranjan – Managing Director	30.81%
Mr. Rajneesh Jain – Chief Financial Officer	Not Applicable*
Mr. Tom Antony – Company Secretary	16.59%

**Percentage increase is not provided as employment is for part of the period in the previous year.*

3. The percentage increase in the median remuneration of employees in the financial year: 12.70%

4. The number of permanent employees on the rolls of Company: 990

5. Average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration:

The average increase in the salaries of employees other than the managerial personnel during the last financial year was around 7%. The increment given to each individual employee is based on the employees' potential, experience as also their performance and contribution to the Company's progress over a period of time and also industry trend.

6. Affirmation that the remuneration is as per the Remuneration Policy of the Company:

It is affirmed that the remuneration paid is as per the Remuneration Policy of the Company.

Any Information required under Section 197(12) of the Companies Act, 2013 read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 are available for inspection at the registered office of your Company during working hours and any member interested in obtaining such information may write to the Company Secretary.

MANAGEMENT DISCUSSION AND ANALYSIS

Your Company has been reporting consolidated results taking into account the results of its subsidiaries, joint ventures and associates. This discussion, therefore, covers the financial results of the Company during April, 2017 to March, 2018. Your Company being part of the Taj Group (Group), this section also includes important developments and initiatives undertaken during the above period at the Group level which has a bearing on the performance and business of your Company. Some statements in this discussion describing the projections, estimates, expectations or outlook may be forward looking. Actual results may, however, differ materially from those stated, on account of various factors such as changes in government regulations, tax regimes, economic developments within India and the countries within which your Company conducts its business, exchange rates and interest rates fluctuations, impact of competition, demand and supply constraints, etc.

GLOBAL ECONOMIC ENVIRONMENT AND OUTLOOK

The year 2017 witnessed the highest growth pace in the economies across geographies since 2011, owing to broad-based improvement in most countries belonging to the advanced and emerging world. According to estimates of the International Monetary Fund (IMF), global economy grew 3.8% in 2017, which was ½% point higher, compared to 2016. Although Europe and Asia witnessed commendable economic expansion during the year, growth in emerging and developed economies, too, exceeded IMF's forecasts marginally.

Revival in investment spends in advanced economies and stabilising investments in select commodity-exporting economies were major catalysts behind this broad-based improvement. Improving investment spends in advanced economies were encouraging, given the weak sentiment since 2008 – 09.

Global economic growth is likely to be healthy in 2018 and 2019, despite unpredictable headwinds. IMF raised its estimates for global growth to 3.9% in each of these two years.

Emerging Asia will play a pivotal role in sculpting global growth and is estimated to grow by 6.5% during 2018 – 19. As the world's second largest economy, China, undergoes transformation from being investment-driven to being driven by private consumption; and from industries to services, its growth could witness slight moderation. IMF estimates peg China's growth at 6.9% in 2017, 6.6% in 2018 and 6.4% in 2019.

India continues to be among the world's fastest growing major economies, despite temporary hiccups caused by demonetisation and goods and services tax (GST) implementation. The country's GDP growth is pegged at 6.7% in 2017; and is likely to accelerate to 7.4% in 2018 and 7.8% in 2019 on the back of continued traction in private consumption and gradual easing of the teething issues following the implementation of these reforms.

GST implementation may help reduce internal barriers to trade, enhance efficiency, and improve tax compliance over the medium term. The Government of India's continued emphasis on wide-ranging reforms is aimed at improving productivity and incentivising private investments. Going forward, these initiatives will be among the prominent growth enablers for India. Lowering constraints on job creation by liberalising labour market norms, reducing infrastructure bottlenecks and strengthening the educational framework are key enablers to drive India's inclusive growth.

Indian economy though will continue to witness gradual improvement, amid increasing output. Other commodity importing economies could also witness healthy traction in this period.

OVERVIEW OF THE GLOBAL & INDIAN TOURISM INDUSTRY

Robust economic growth and buoyant consumer spending across the world was adequately reflected in the performance of the global travel and tourism industry in 2017. According to the World Travel & Tourism Council (WTTC) estimates, the sector's direct growth stood at 4.6% in the year and outperformed global economic growth for the seventh year in a row.

Continuing the momentum seen in recent years, Asia was at the forefront of the sector growth in 2017 as well. The Travel and Tourism sector is estimated to be 10.4% of global GDP and 9.9% of total employment (313 million jobs) in 2017. The sector thus continued to play a crucial role in creating jobs, fuelling exports and fostering prosperity around the world.

Going forward, the demand for international tourists is estimated to grow at the fastest pace for Africa, Asia and the Pacific and is pegged at 5-7% and 5-6%, respectively. In India, the Travel & Tourism sector contributed ₹15,239.6 billion (USD 234.0 billion) or 9.4% to India's GDP in 2017. This sector created 41,622,500 jobs or 8% of total employment (direct and indirect) in the country in the year and this could rise by 3.1% in 2018. Visitor exports formed 5.8% of total exports, generating exports worth ₹1,777.1 billion (USD 27.3 billion). Investments in the sector stood at ₹2,706.1 billion, representing 6.3% of total investments and could grow by 6.7% in 2018.

Over the next decade ending 2028, investments in the sector are expected to grow at a compounded annual growth rate (CAGR) of 6.7% to USD 85.2 billion. Foreign tourist arrivals as well as the proportion of domestic travellers grew significantly during financial year 2017 – 18. According to the Ministry of Tourism, India's foreign tourist arrivals grew 15.6% over the preceding year to 101.77 lakh tourists.

Rising influx of foreign visitors via the e-visa facility was a key growth enabler. Implementation of a host of measures like extension of e-visa facility to 173 countries from 161 countries earlier, increase in the window for application of e-visa from 30 days to 120 days, increase in duration of stay on e-visa from 30 days to 60 days and allowing of double entry on e-tourist and e-business visa and triple entry on e-medical visa propelled this segment significantly.

These developments reflect the improving prospects and start of the upcycle and will bolster prospects of the Travel and Tourism sector in India. The Company is looking at various revenue enhancement and cost containment measures so that it can take advantage of the upswing, as the business and economy recovers and the demand supply imbalance gets corrected.

Future Trends

The following are considered as some of the future trends in the hospitality industry:

1. *Higher focus on customer-centricity*
Over the recent years, the term customer-centricity has assumed a whole new meaning. Hotels are doing everything they can to improve customer experiences and delight their customers. These moves are aimed not just at customer acquisition, but also to achieve higher customer loyalty.
2. *Rising role of online platforms*
Online travel booking and hotel selection websites, apps that help travellers plan their entire tour, and similar platforms are gaining prominence among customers. From booking flight tickets to selecting the hotels and planning the entire tour, these platforms deliver benefits like convenience and best deals to customers. A new generation of passionate, millennial travellers and increasing competitive intensity are changing the rules of the industry rapidly.
3. *Making rooms more tech-savvy*
Enhanced use of technologies like IoT, voice-activation, wi-fi, among others are acting as the key differentiators for hotels. Hotels are also looking to provide apps that will allow guests to adjust their room lighting, temperature and other features from their smartphones. Most leading hotels are looking to make their rooms tech-savvy to drive customer convenience and experiences.
4. *Localising customer experiences*
Hotels now design destination-specific experiences to enhance customer delight.

INDIAN HOSPITALITY INDUSTRY LANDSCAPE AND OUTLOOK

India's vast population offers a considerable growth potential for the hospitality industry. The travel and tourism industry is a major contributor to the country's economic growth and employment generation. A growing middle class, rising disposable incomes and shift from foreign to domestic tourism are few macro growth enablers for the industry. The industry contributed 8% of the total employment (both direct and indirect) in 2017; and was the fastest growing among the G20 countries, growing by 9.4% in 2017.

Considerable growth in India's travel and tourism sector has percolated to the hospitality sector as well. The industry has witnessed robust growth in recent years on the back of increased traffic of domestic travellers, rising commercial

development and foreign tourist arrivals, a growing airline industry and government-led initiatives aiming to stimulate the sector.

In 2017, rooms supply (existing rooms) grew 6.8% over 2016 to total 1,19,219 rooms (Source: HVS – Trends & Opportunities Report 2017 & BW Hotelier.com). With the merger of Marriott International and Starwood Hotels and Resorts, Marriott has outpaced Taj Hotels Palaces Resorts Safaris (including Ginger) to claim the number one rank of the largest inventory in the country. Consequently, Carlson Rezidor Hotel Group slipped to third place, while Accor Hotels has surpassed ITC Hotels (including Fortune) to occupy the fourth position this year.

With multiple demand enablers, firmly in place, there is an adequate unaccommodated industry demand, being addressed by unorganised hotel players. In the preceding few years, the mid-market and budget segments have gained prominence in India on the back of thriving hotel aggregators in these segments. Such aggregators have consolidated the significant and unorganised hotel market.

According to a recent report by Deutsche Bank, gross hotel bookings are poised to grow from \$7.2 billion to \$10.9 billion by 2020 in 2016. It expects the percentage of online bookings to increase from 19% to 28% in this period. As per the report, around 78% of the overall online hotel bookings will be routed through online travel agents (OTAs). It has the potential to generate about \$2.3 billion in gross bookings by 2020 for OTAs such as MakeMyTrip Ltd, Yatra.com and Cleartrip.com.

With a positive outlook of the Indian hospitality sector your Company is well poised to make its presence felt by cater to some of the growing requirements of the modern traveler and benefit from the growing prospects of hospitality business in India.

STRATEGY

Your Company's strategic initiatives are guided by the Group's Strategy. In FY 2017 – 18, Taj Group articulated 'Aspiration 2022', a five-year plan targeted at improving EBITDA margins. Under the plan – 'Aspiration 2022', the Taj Group will restructure its operations and re-engineer its processes in a larger effort to re-imagine its engagement with all its stakeholders, leading to all-round improved profitability; and market leadership in each of the segments it operates in.

The portfolio of brands will continue to be the differentiator, delighting our guests, consistently offering unmatched experiences. Going into the future, there will be concerted efforts to raise the guest experience across all our hotels and achieve excellence in service delivery. Further, applying business intelligence and analytics, we can increase its personalization and customer need anticipation manifolds to achieve even higher degrees of service excellence. The service ethos, epitomised by what we call 'Taj-ness', will continue to be the Company's soul. The experience we will curate for the guests shall reflect "Tajness" in everything we do through a high level of personalized offerings unique to the Indian hospitality philosophy. The "Tajness" would be an all pervasive theme at every guest touch point, from the rooms, F&B outlets and service quality.

Improved Return on Invested Capital

Your Company's strategy is to create and deliver profitable growth for all its stakeholders. Your Company's ability to deliver improved returns on capital would be driven through rigorous asset management, revenue maximization, cost control and reduced leverage and exit from non-core underperforming assets.

Human Capital

Your Company's employees are its most valuable asset who deliver a level of service that is among the highest in the hospitality industry. Your Company's culture and reputation as a leader in the hospitality industry will drive the effort to attract and retain the best available talent through a combination of talent management strategy combined with a robust and transparent performance management system which leads to an attractive long term compensation philosophy.

In the preceding year, the key focus of human capital initiatives has continued to be on building capability; and creating a performance-oriented culture to support and accelerate business performance.

Some of the key initiatives rolled out by the Group towards business promotion include:

Cohort II of the General Manager Development Programme, was conducted for 30 general managers to build their capability and groom them for future leadership roles. The participants from Cohort I continue to work on their Action Learning Projects (ALPs), which have generated significant ROI for their hotels and for the organisation, apart from fostering an environment of continuous learning and improvement. The ALPs revolved on themes like Financial Management, Guest & Employee Centricity, Gender Diversity, Reduction of Carbon Footprint, Shared Services and Heritage Management.

Learning & Development Portal (TajLEAD) continues to provide world-class learning content to our senior executives across a wide range of operational and functional topics. The managers have access to courses that are created by 50+ thought leaders from leading business schools such as Stanford University, Harvard Business School, INSEAD and many more.

Taj Group also launched the Training Enablement & Development (TREND) Programmes, spanning 48+ hotels across the organisation, ensuring consistent roll-out of mandatory programmes on behaviours, knowledge and skills.

Hotelier Development Programme (HDP) and Golden Threshold Programme (GTP) launched by the Group helps the Company to create a talent pipeline for hotels and build future leaders for the brand by selecting the right fit of the best available talent in India. A tie-up with TISS (Tata Institute of Social Sciences) was done by the Group to initiate the Golden Threshold Programme (GTP) to create a pipeline of frontline Talent for Taj and also for the industry.

Tata Business Excellence Model

Two focus areas were identified under the guidelines of the Tata Business Excellence Model and in partnership with Tata Quality Managements Services, specially identified teams worked on the following:

1. **Human Resources:** A deep-dive on the Performance Management System. The existing performance management system was revisited and aligned to more sharply drive overall business performance across all locations through systematic implementation.
2. **Customer:** A “Voice of Customer Study” (Qualitative) was conducted for select top accounts of Taj to understand the various elements on how to serve the Customers (Key accounts) better.

Brand Standards and Mystery Shopper Audits

Keeping the guest experience uppermost in mind, your company has given a deep focus to brand standards through continuous improvement. Competition benchmarks are used effectively to measure performance against best in class hotel brands. Audit mechanisms have been improved to ensure better feedback to hotels.

RISKS & CONCERNS

Industry Risk

General Economic Conditions

The hospitality industry is prone to the impact of changes in global and domestic economies, local market conditions, hotel room supply, international or local demand for hotel rooms and associated services, competition in the industry, Government policies and regulations, fluctuation in interest rates and foreign exchange rates and other social factors. Demand for hotels is affected by global economic sentiments; and therefore, any change impacting the other segments / industries / geographies will invariably impact the hotel industry too.

Socio-political Risks

In addition to economic risks, your Company faces risks from the socio-political environment nationally and internationally. It is affected by events like political instability, conflict between nations, threat of terrorist activities, occurrence of infectious diseases, extreme weather conditions and natural calamities. These may affect travel and business activity.

Company’s specific Risks

The following are considered as risks specific to the Company:-

ORIENTAL HOTELS LIMITED

MANAGEMENT DISCUSSION AND ANALYSIS

Heavy Dependence on India

A significant portion of your Company's revenues are realised from its Indian operations, making it susceptible to domestic, socio-political and economic conditions. Moreover, within India, the operations and earnings are primarily concentrated in South India with key properties located in Chennai.

Competition from Global Hotel Chains

The Indian subcontinent, Southeast Asia and Asia Pacific, with high growth rates have become the focus area of major international chains. Several of these chains have announced their plans to establish hotels in such markets to take advantage of the demand-supply imbalance. These entrants are expected to intensify the competitive environment, which may include consolidations and mergers.

The success of the Taj Group of Hotels will be dependent upon its ability to compete in areas such as room rates, quality of accommodation, brand pull, service standards, convenience of location and to a lesser extent, the quality and scope of other amenities. These amenities include food and beverage facilities, along with cost-reduction ability.

High Operating Leverage

The industry in general has a high operating leverage, which has further increased with on-going renovations, increased staff costs and cost of light, power and fuel. However, your Company has been able to earn higher revenues with acceptance of its products and improved RevPAR (revenue per available room) in the markets it operates in.

Risk Mitigation Initiatives

Your Company employs various policies, processes and methods to counter these risks effectively. By extensively improving its service standards, as also progressively renovating its properties, across the multi-brand portfolio, your Company counters the risk from growing competition and new supply.

Internal Control Systems and their Adequacy

Your Company has in place an adequate framework of internal controls, with documented procedures covering all corporate functions and hotel operating units. Systems of internal controls are designed to provide reasonable assurance regarding the effectiveness and efficiency of operations, the adequacy of safeguards for assets, the reliability of financial controls, and compliance with applicable laws and regulations.

Adequate internal control measures are in the form of various policies and procedures issued by the Management covering all critical and important activities viz., Revenue Management, Hotel Operations, Purchase, Finance, Human Resources, Safety, etc. These policies and procedures are updated from time to time and compliance is monitored by Group Internal Audit. The Company continues its efforts to align all its processes and controls with global best practices.

The internal audit process, through its unique 'Taj Positive Assurance Model', which is an objective methodology of providing a positive assurance based on the audits of operating units and corporate functions, is a convergence of Process Framework, Risk and Control Matrix and a Scoring Matrix. A framework developed for each functional area identified on the basis of an assessment of risk and control as also providing a score, allowing the Unit to improve on high risk areas.

The effectiveness of internal controls is reviewed through the internal audit process, which is undertaken for every operational unit and all major corporate functions under the direction of the Group Internal Audit Department. The focus of these reviews is as follows:

- Identify weaknesses and areas of improvement
- Compliance with defined policies and processes
- Safeguarding of tangible and intangible assets
- Management of business and operational risks
- Compliance with applicable statutes
- Compliance with the Tata Code of Conduct

INDEPENDENT AUDITOR'S REPORT

INDEPENDENT AUDITOR'S REPORT

To The Members of Oriental Hotels Limited

Report on the Indian Accounting Standards (Ind AS) Standalone Financial Statements

We have audited the accompanying standalone financial statements of **ORIENTAL HOTELS LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements to give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rules, 2015 (as amended) under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act and the Rules made thereunder including the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order issued under Section 143(11) of the Act.

We conducted our audit of the Ind AS standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act and other applicable authoritative pronouncements issued by the Institute of Chartered Accountants of India. Those Standards and pronouncements require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Ind AS standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Ind AS standalone financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the Ind AS standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Ind AS standalone financial statements that give a true and fair view, in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Ind AS standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018, and its profit (including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Other Matter

The comparative financial information of the Company for the year ended March 31st, 2017 prepared in accordance with Ind AS included in this Statement has been audited by the predecessor auditor. The report of the predecessor auditor on this comparative financial information dated May 12th, 2017 expressed an unmodified opinion.

Our report is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143 (3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss (including other comprehensive income), the Cash Flow Statement and the Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Ind AS standalone financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
 - e) On the basis of the written representations received from the directors as on 31st March, 2018 taken on record by the Board of Directors, none of the directors are disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
 - g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The company has disclosed the impact of pending litigations as at March 31, 2018 on its financial position in its standalone financial statements at Note No. 28.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at March 31, 2018.

ORIENTAL HOTELS LIMITED

INDEPENDENT AUDITOR'S REPORT

ANNEXURE B TO INDEPENDENT AUDITOR'S REPORT

Referred to in paragraph 2(f) of the Independent Auditor's Report of even date to the members of Oriental Hotels Limited on the Ind AS Standalone financial statements for the year ended March 31, 2018

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **ORIENTAL HOTELS LIMITED** ("the Company") as of March 31, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has maintained, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Financial Statements for the year ended March 31, 2018**Note 1. Corporate Information**

Oriental Hotels Limited (the "Company"), is a listed public limited company incorporated and domiciled in India and has its registered office at No. 37 Taj Coromandel Mahatma Gandhi Road, Nungambakkam Chennai – 600 034. The Company is primarily engaged in the business of owning, operating & managing hotels, palaces and resorts.

The company's business operation is mainly in India.

The Company has primary listing in Bombay Stock Exchange and National Stock Exchange. The GDR's are listed in Luxembourg Stock Exchange.

Note 2. Significant Accounting Policies**(a) Statement of compliance:**

In accordance with the notification dated 16th February, 2015, issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as "Ind AS") issued under Section 133 of the Companies Act, 2013 and notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) with effect from April 1, 2016.

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards ("Ind AS") issued under Section 133 of the Companies Act, 2013 notified under the Companies (Indian Accounting Standards) Rules, 2015 and amendment with Companies (Amendment rules) 2016. The accounting policies as set out below have been applied consistently to all years presented in these financial statements.

(b) Basis of preparation and presentation:

These financial statements have been prepared on a historical cost basis, except for certain financial instruments and defined benefit plans that are measured at fair value at the end of each reporting period, as explained in the accounting policies below.

As the operating cycle cannot be identified in normal course due to the special nature of industry, the same has been assumed to have duration of 12 months. Accordingly, all assets and liabilities have been classified as current or non-current as per the Company's operating cycle and other criteria set out in Ind AS-1 'Presentation of Financial Statements' and Schedule III to the Companies Act, 2013.

The Financial Statements are presented in Indian Rupees Lakhs, and all values are rounded off to the nearest two decimals except when otherwise stated.

(c) Use of estimates and judgements:

The preparation of the financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, disclosures of contingent liabilities at the date of the financial statements and the reported amounts of revenue and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements pertain to:

- **Useful lives of property, plant and equipment and intangible assets:** The Company has estimated useful life of each class of assets based on the nature of assets, the estimated usage of the asset, the operating condition of the asset, past history of replacement, anticipated technological changes, etc. The Company reviews the carrying amount of property, plant and equipment and Intangible assets at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

ORIENTAL HOTELS LIMITED

NOTES TO FINANCIAL STATEMENTS

- **Impairment testing:** Property, plant and equipment and Intangible assets are tested for impairment when events occur or changes in circumstances indicate that the recoverable amount of the cash generating unit is less than its carrying value. The recoverable amount of cash generating units is higher of value-in-use and fair value less cost to sell. The calculation involves use of significant estimates and assumptions which includes turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, future economic and market conditions.
- **Impairment of investments:** The Company reviews its carrying value of investments carried at cost or amortised cost annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.
- **Income Taxes:** Deferred tax assets are recognized to the extent that it is regarded as probable that deductible temporary differences can be realized. The Company estimates deferred tax assets and liabilities based on current tax laws and rates and in certain cases, business plans, including management's expectations regarding the manner and timing of recovery of the related assets. Changes in these estimates may affect the amount of deferred tax liabilities or the valuation of deferred tax assets and the tax charge in the statement of profit or loss.

Provision for tax liabilities require judgements on the interpretation of tax legislation, developments in case law and the potential outcomes of tax audits and appeals which may be subject to significant uncertainty. Therefore the actual results may vary from expectations resulting in adjustments to provisions, the valuation of deferred tax assets, cash tax settlements and therefore the tax charge in the statement of profit or loss.

- **Loyalty program:** The Company estimates the fair value of points awarded under the Loyalty Program by applying statistical techniques. Inputs include making assumptions about expected breakages, the mix of products that will be available for redemption in the future and customer preferences, redemption at own hotels and other participating hotels.
- **Fair value measurement of derivative and other financial instruments:** The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques. This involves significant judgements to select a variety of methods and make assumptions that are mainly based on market conditions existing at the end of each reporting period.
- **Litigation:** From time to time, the Company is subject to legal proceedings the ultimate outcome of each being always subject to many uncertainties inherent in litigation. A provision for litigation is made when it is considered probable that a payment will be made and the amount of the loss can be reasonably estimated. Significant judgement is made when evaluating, among other factors, the probability of unfavorable outcome and the ability to make a reasonable estimate of the amount of potential loss. Litigation provisions are reviewed at each accounting period and revisions made for the changes in facts and circumstances.
- **Defined benefit plans:** The cost of the defined benefit plans and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(d) Revenue recognition :

Revenue comprises sale of rooms, food and beverages and allied services relating to hotel operations, including management fees.

Revenue is recognised upon rendering of the service, provided pervasive evidence of an arrangement exists, tariff / rates are fixed or are determinable and collectability is reasonably certain. Revenue from sales of goods or rendering of services is net of Indirect taxes, allowances and discounts.

Management fees earned from hotels managed by the Company are usually under long-term contracts with the hotel owner and is recognised when earned in accordance with the terms of the contract.

Interest

Interest income from financial asset is recognised when it is probable that the economic benefit will flow to the Company and the amount of income can be measured reliably.

Interest income is accrued on a time basis by reference to principal outstanding using the effective interest rate method.

Dividend

Dividend income is recognized when the Company's right to receive the amount is established.

(e) Employee Benefits (other than for persons engaged through contractors):**i. Provident Fund**

The eligible employees of the Company are entitled to receive benefits under the provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary (currently 12% of employees' salary), which is recognised as an expense in the Statement of Profit and Loss during the year. The contributions as specified under the law are paid to the respective Regional Provident Fund Commissioner.

ii. Gratuity Fund

The Company makes annual contributions to gratuity funds administered by the trustees for amounts notified by the funds. The Gratuity plan provides for lump sum payment to vested employees on retirement, death or termination of employment of an amount based on the respective employee's last drawn salary and tenure of employment. The Company accounts for the net present value of its obligations for gratuity benefits, based on an independent actuarial valuation, determined on the basis of the projected unit credit method, carried out as at the Balance Sheet date. Actuarial gains and losses are recognised immediately in the other comprehensive income and reflected in retained earnings and will not be reclassified to the statement of profit and loss.

iii. Post-Retirement Pension Scheme and Medical Benefits

The net present value of the Company's obligation towards post retirement pension scheme for certain retired directors and their dependents and Post employment medical benefits to qualifying persons is actuarially determined, based on the projected unit credit method. Actuarial gains and losses are recognized immediately in the Other Comprehensive Income and reflected immediately in retained earnings and will not be reclassified to the statement of profit and loss.

iv. Compensated Absences

The Company has a scheme for compensated absences for employees, the liability for which is determined on the basis of an independent actuarial valuation using the projected unit credit method, carried out at the Balance Sheet date.

v. Long Service Awards

The Company has a scheme for long service awards for employees, the liability for which is determined on the basis of an independent actuarial valuation using the projected unit credit method, carried out at the Balance Sheet date.

vi. Other employee termination benefits

Payment to employees on termination along with the additional liability towards retirement benefits arising pursuant to termination are charged off in the Statement of Profit and Loss in the year it is incurred.

vii. Other Employee Benefits

Other benefits, comprising of Leave Travel Allowances, are determined on an undiscounted basis and recognised based on the entitlement thereof.

(f) Property, Plant and Equipment:

The Company had elected to continue with the carrying value of all of its Property, Plant and Equipment recognised as of April 1, 2015 (transition date) measured as per the Previous GAAP and used that carrying value as its deemed cost as of the transition date.

ORIENTAL HOTELS LIMITED

NOTES TO FINANCIAL STATEMENTS

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any.

All property, plant and equipment are initially recorded at cost. Cost includes the acquisition cost or the cost of construction, including duties and taxes (other than those refundable), expenses directly related to the location of assets and making them operational for their intended use and, in the case of qualifying assets, the attributable borrowing costs. Initial estimate shall also include costs of dismantling and removing the item and restoring the site on which it is located.

Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably.

An assets' carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Depreciation is charged to profit or loss so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight line method, as per the useful life prescribed in Schedule II to the Companies Act, 2013 except in respect of the following categories of assets, in whose case the life of the assets had been re-assessed as under based on technical evaluation made at the group level, taking into account the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, past history of replacement, anticipated technological changes, manufacturers' warranties and maintenance support, etc.

The estimated useful lives, residual values and depreciation method are reviewed at the Balance Sheet date, with the effect of any changes in estimate accounted for on a prospective basis.

In respect of Leasehold Buildings, depreciation on buildings on leased properties is based on the tenure which is lower of the life of the buildings or the expected lease period. Improvements to buildings are depreciated on the basis of their estimated useful lives or expected lease period whichever is lower.

The estimated useful lives of the depreciable assets are as follows:

<u>Class of Assets</u>	<u>Estimated Useful Life</u>
Buildings	60 to 80 years
Plant and Equipment	10 to 20 years
Electrical Installation and Equipment	20 years
Hotel Wooden Furniture	15 years
End User devices – Computers, Laptops etc.	6 years
Operating supplies (issued on opening of a new hotel property)	2 to 3 years
Assets costing less than ₹5000	4 years

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

For transition to Ind AS, the Company had elected to continue with carrying value of all of its tangible assets recognized as of April 1, 2015 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

Capital work in progress represents projects under which the property, plant and equipment's are not yet ready for their intended use and are carried at cost determined as aforesaid.

(g) Intangible Fixed Assets:

Intangible assets include cost of acquired software. Intangible assets are initially measured at acquisition cost including any directly attributable costs of preparing the asset for its intended use.

Intangible assets with finite lives are amortized over their estimated useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation periods are reviewed and impairment is done only if indicators of impairment exist.

<u>Class of Asset</u>	<u>Estimated Useful Life</u>
Software and Licences	6 years

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use of disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognized in the Statement of Profit and Loss when the asset is derecognized.

For transition to Ind AS, the Company had elected to continue with carrying value of all of its intangible assets recognized as of April 1, 2015 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

(h) Impairment of Property plant and equipment and intangible assets:

Assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment. Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in the Statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in Statement of Profit and Loss.

(i) Foreign Currency Translation :

The functional currency of the Company is Indian rupee (₹).

Initial Recognition

On initial recognition, all foreign currency transactions are recorded by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Subsequent Recognition

As at the reporting date, non-monetary items which are carried at historical cost and denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were the fair value measured.

ORIENTAL HOTELS LIMITED

NOTES TO FINANCIAL STATEMENTS

All monetary assets and liabilities in foreign currency are restated at the end of accounting period. Exchange differences on restatement of all monetary items are recognised in the Statement of Profit and Loss.

(j) Non-current assets held for sale:

Non-current assets and disposal groups are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the asset (or disposal group) is available for immediate sale in its present condition subject only to terms that are usual and customary for sales of such asset (or disposal group) and its sale is highly probable and expected to be completed within one year from the date of classification.

Non-current assets (and disposal groups) classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell.

(k) Assets taken on lease:

The Company applies Appendix C of Ind AS 17 'Leases' for determining whether an arrangement contains a Lease. Leases are classified as finance lease whenever the terms of the lease transfer substantially all the risk and rewards of ownership to the lessee. All the other leases are classified as operating leases.

Operating lease payments are recognized as expenditure in the Statement of Profit and Loss on a straight-line basis, unless another basis is more representative of the time pattern of benefits received from the use of the assets taken on lease or the payments of lease rentals are in line with the expected general inflation compensating the lessor for expected inflationary cost. Contingent rentals arising under operating leases are recognized as an expense in the period in which they are incurred.

Assets held under finance lease are capitalised at the inception of the lease, with corresponding liability being recognised for the fair value of the leased assets or, if lower, the present value of the minimum lease payments. Lease payments are apportioned between the reduction of the lease liability and finance charges in the statement of Profit or Loss so as to achieve a constant rate of interest on the remaining balance of the liability. Assets held under finance leases are depreciated over the shorter of the estimated useful life of the asset and the lease term.

For leases which include both land and building elements, basis of classification of each element was assessed on the date of transition, April 1, 2015, in accordance with Ind AS 101 First-time Adoption of Indian Accounting Standard.

(l) Inventories:

Stock of food and beverages and stores and operating supplies are carried at the lower of cost (computed on a Weighted Average basis) or net realisable value. Cost include the cost of purchase including duties and taxes (other than those refundable), inward freight, and other expenditure directly attributable to the purchase. Trade discounts and rebates are deducted in determining the cost of purchase.

(m) Government Grants:

Government grants are recognised in the period to which they relate when there is reasonable assurance that the grant will be received and that the Company will comply with the attached conditions.

Government grants are recognised in the Statement of Profit and Loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the grants are intended to compensate.

(n) Income Taxes:

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

(i) Current tax:

Current Tax expenses are accounted in the same period to which the revenue and expenses relate. Provision for current income tax is made for the tax liability payable on taxable income after considering tax allowances,

deductions and exemptions determined in accordance with the applicable tax rates and the prevailing tax laws.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

(ii) Deferred tax:

Deferred income tax is recognised using the balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred income tax arises from the initial recognition of goodwill, an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction.

Deferred income tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

Deferred tax liabilities are generally recognized for all taxable temporary differences except in respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures where the timing of the reversal of the temporary difference can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting date.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

Minimum Alternative Tax ("MAT") credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

(o) Accounting for Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognized, when there is a present legal or constructive obligation as a result of a past event, it is probable that an outflow of resources will be required to settle the obligation, and when a reliable estimate of the amount of the obligation can be made. If the effect of the time value of money is material, the provision is discounted using a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the obligation and the unwinding of the discount is recognised as interest expense.

Contingent liabilities are recognized only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent assets are disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

ORIENTAL HOTELS LIMITED

NOTES TO FINANCIAL STATEMENTS

(p) Borrowing Costs:

General and specific borrowing costs directly attributable to the acquisition or construction of qualifying assets that necessarily takes a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Borrowing costs consist of interest and other costs that the company incurs in connection with the borrowing of funds.

Interest income earned on temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. Borrowing costs that are not directly attributable to a qualifying asset are recognised in the Statement of Profit or Loss using the effective interest method.

(q) Cash and Cash Equivalent (for the purpose of cash flow statements):

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

(r) Cash Flow Statement:

Cash flows are reported using the indirect method, whereby profit/ (loss) before tax is adjusted for the effects of transactions of non cash nature and any deferrals or accruals of past or future cash receipts or payments. Cash flows for the year are classified by operating, investing and financing activities.

(s) Share capital:

Ordinary Shares

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares and share options are recognized as a deduction from equity, net of any tax effects.

(t) Dividends:

Final dividends on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

(u) Earnings Per Share:

Basic earnings per share are computed by dividing the profit / (loss) after tax by the weighted average number of equity shares outstanding during the year including potential equity shares on compulsory convertible debentures. Diluted earnings per share is computed by dividing the profit / (loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

(v) Segment Reporting:

The Company identifies operating segments based on the internal reporting provided to the chief operating decision-maker.

The chief operating decision-maker, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the committee that makes strategic decisions.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment.

Inter-segment revenue is accounted on the basis of transactions which are primarily determined based on market/ fair value factors. Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on reasonable basis have been included under "unallocated revenue/expenses/assets/liabilities".

(w) Financial Instruments:**Financial Assets:**Classification

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial Recognition and measurement

All financial assets (not measured subsequently at fair value through profit or loss) are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Debt instruments at amortised cost

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are Solely Payments of Principal and Interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to loans and advances, deposits, trade and other receivables.

Debt instruments included within the Fair Value Through Profit and Loss (FVTPL) category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Equity investments

All equity investments in scope of Ind-AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at Fair Value Through Other Comprehensive Income (FVTOCI) or FVTPL. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

For equity instruments classified as FVTOCI, all fair value changes on the instrument, excluding dividends, are recognized in Other Comprehensive Income (OCI). There is no recycling of the amounts from OCI to the Statement of Profit and Loss, even on sale of such investments.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:
 - (a) the Company has transferred substantially all the risks and rewards of the asset, or
 - (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

ORIENTAL HOTELS LIMITED

NOTES TO FINANCIAL STATEMENTS

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial assets

In accordance with Ind-AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.
- b) Trade receivables.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables which do not contain a significant financing component.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Financial Liabilities

Classification

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind-AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in Ind-AS 109 are satisfied. For liabilities designated as FVTPL,

fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/loss are not subsequently transferred to the Statement of Profit and Loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the Statement of Profit and Loss. The Company has not designated any financial liability as at fair value through profit or loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

This category generally applies to interest-bearing loans and borrowings.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Derivative financial instruments

The Company uses derivative financial instruments, such as cross currency swaps, interest rate swaps, etc. to manage its exposure to interest rate and foreign exchange risks. Although the company believes that these derivatives constitute hedges from an economic perspective, they may not qualify for hedge accounting under Ind-AS 109, Financial Instruments. Any derivative that is either not designated a hedge, or is so designated but is ineffective as per Ind-AS 109, is categorized as a financial asset or financial liability, at fair value through profit or loss. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value through profit or loss and the resulting exchange gains or losses are included in Exceptional items. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. Assets/ liabilities in this category are presented as current assets/current liabilities if they are either held for trading or are expected to be realized within 12 months after the balance sheet date.

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognized at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognized and deducted directly in equity. No gain or loss is recognized in Statement of Profit and Loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

(x) Financial guarantee contracts:

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

ORIENTAL HOTELS LIMITED

NOTES TO FINANCIAL STATEMENTS

Financial guarantee contracts issued by the Company are measured at their fair values and recognised as income in the statement of profit and loss account.

(y) Recent Accounting Pronouncements:

Standards issued but not yet effective

Ministry of Corporate Affairs ("MCA"), on March 28, 2018, through Companies (Indian Accounting Standards) Amendment Rules, 2018 has notified the new standard for revenue recognition and amended certain existing Ind-ASs which are effective for annual periods beginning on or after April 1, 2018.

Ind-AS 115- Revenue from Contract with Customers:

Ind-AS115 will supersede the existing revenue recognition standard 'Ind-AS18 – Revenue'. The core principle of the new standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Further the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The Company has completed its preliminary evaluation of the possible impact of Ind-AS 115 and will adopt it retrospectively with the cumulative effect of initially applying this standard recognised as an adjustment to the opening balance of retained earnings at the date of initial application i.e. April 1, 2018 and accordingly comparatives for the year ended March 31, 2018 will not be retrospectively adjusted. This standard is applied retrospectively only to the contracts that are not completed contracts at the date of initial application. The Company does not expect the impact of the adoption of new standard to be material on its retained earnings and to its net income on an ongoing basis.

Ind-AS 21 – The effect of changes in Foreign Exchange rates (Appendix B)

The amendment clarifies on the accounting of transactions that include the receipt or payment of advance consideration in a foreign currency. The appendix explains that the date of the transaction, for the purpose of determining the exchange rate, is the date of initial recognition of the non-monetary asset or non-monetary liability arising from the payment or receipt of advance consideration.

The amendment will come into force from April 1, 2018. The Company does not expect the effect of this on the financial statements to be material based on preliminary evaluation.

Other changes include principle for transfer of asset to, or from, Investment Property (Amendment to Ind-AS 40), segregation of deductible temporary differences in accordance with tax laws and assessing them on that basis to recognise deferred tax asset (Amendment to Ind-AS 12), and Applicability of disclosure requirements to interests classified as held for sale or as discontinued operation (Amendment to Ind-AS 112).

None of these amendments are expected to have any material effect on the company's financial statements.

34 Financial risk management

The Company has exposure to the following risks arising from financial instruments:

Credit risk
Liquidity risk
Market risk
Currency risk
Interest rate risk

ORIENTAL HOTELS LIMITED

NOTES TO FINANCIAL STATEMENTS

i. Risk management framework

The Oriental Hotels Limited is exposed primarily to fluctuations in foreign currency exchange rates, credit, liquidity and interest rate risks, which may adversely impact the fair value of its financial instruments. The Group has a risk management policy which covers risks associated with the financial assets and liabilities. The risk management policy is approved by the Board of Directors. The focus of the risk management committee is to assess the unpredictability of the financial environment and to mitigate potential adverse effects on the financial performance of the Group.

i. Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates, credit, liquidity and other market changes. The Group's exposure to market risk is primarily on account of foreign currency exchange rate risk.

ii. Credit Risk

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks.

Financial instruments that are subject to concentrations of credit risk principally consist of investments classified as loans and receivables, trade receivables, loans and advances, derivative financial instruments, cash and cash equivalents, bank deposits and other financial assets. None of the other financial instruments of the Group result in material concentration of credit risk.

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk was ₹ 2,662.20 lakhs and ₹3,184.50 lakhs as of March 31, 2018 and March 31, 2017, respectively, being the total of the carrying amount of balances with banks, bank deposits, trade receivables, unbilled revenue, other financial assets and investments excluding equity and preference investments.

Oriental Hotels Limited exposure to customers is diversified and no single customer contributes to more than 10% of outstanding accounts receivable and unbilled revenue as of March 31, 2018 and March 31, 2017.

Trade and other receivables:-

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and country in which customers operate.

The Company does not require collateral in respect of trade and other receivables.

The Company establishes an allowance for impairment that represents its estimate of expected losses in respect of trade and other receivables.

Cash and bank balance:

The Company held cash and bank balance of ₹642.27 Lakhs at March 31, 2018 (March 31, 2017: ₹1295.80 lakhs). The cash and bank balances are held with bank and financial institution counterparties.

Derivatives

The derivatives are entered into with bank and financial institution counterparties.

iii. Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

iv. Market Risk

Market risk is the risk that changes in market prices – such as foreign exchange rates, interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and the market value of our investments. Thus Company's exposure to market risk is a fund, on of investing and borrowing activities and revenue generating and operating activities in foreign currency. The objective of market risk management is to avoid excessive exposure in our foreign currency revenues and costs.

v. Currency Risk

The Company is exposed to currency risk on account of its borrowings and other payables in foreign currency. The functional currency of the Company is Indian Rupee. The foreign exchange loan is covered by a derivative and the amount of other payables is not material and hence Company does not perceive any major foreign currency risk.

ORIENTAL HOTELS LIMITED

NOTES TO FINANCIAL STATEMENTS

35 Following is the derivative financial instruments to hedge the foreign exchange rate risk as of March 31, 2018:

The company uses forward exchange contracts, interest rate swaps, currency swaps and options to hedge its exposure in foreign currency and interest rates. The information on derivative instruments is as follows:

	₹ in Lakhs	
	March 31, 2018	March 31, 2017
i) Derivative instruments that are outstanding		
- Principle only swaps – in US\$	-	25.90

Outstanding – in US\$		
– in ₹	72.13	(91.96)

36 Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regard to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

37 Exposure to Interest Rate Risk

Company's interest rate risk arises from borrowings and finance lease obligations. Borrowings issued at fixed rates and finance lease obligations are exposed to fair value interest rate risk. The interest rate profile of the Company's interest-bearing financial instruments as reported to the management of the Company is as follows.

Particulars	Interest Rate
Debentures	
1000 Series A Debentures	10.25%
1000 Series B Debentures with YTM rate of 10.25%	2.00%
Rupee Term Loan	
Kotak Mahindra Bank Limited	8.35%
WCDL Loan from HDFC	8.25%

38 Capital Management

The Company monitors capital using a ratio of 'adjusted net debt' to 'adjusted equity'. For this purpose, adjusted net debt is defined as total liabilities, comprising interest-bearing loans and borrowings and obligations under finance leases, less cash and bank balance.

Adjusted equity comprises all components of equity other than amounts accumulated in the hedging reserve.

The Company's policy is to keep the ratio below 1.5. The Company's adjusted gearing ratio at March 31, 2018 was as follows.

Particulars	March 31, 2018	March 31, 2017
Loans and Borrowings	31,325.99	32,231.93
Less: Cash and bank balance	527.68	1,162.92

AUDITOR'S REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

Independent Auditor's Report to the Members of
Oriental Hotels Limited on the Consolidated Financial Statements

INDEPENDENT AUDITOR'S REPORT**To the Members of Oriental Hotels Limited****Report on the Consolidated Financial Statements**

We have audited the accompanying consolidated financial statements of Oriental Hotels Limited (hereinafter referred to as "the Holding Company") and its subsidiary (the Holding Company and its subsidiary together referred to as "the Group"), its associates and joint venture, comprising the Consolidated Balance Sheet as at 31st March 2018, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated cash flows and consolidated statement of changes in equity of the Group including its associates and joint venture in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

AUDITOR'S REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the Ind AS and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group, its associates and joint venture as at 31st March 2018, and their consolidated profit (including other comprehensive income), their consolidated cash flows and their consolidated statement of changes in equity for the year ended on that date.

Other Matters

We did not audit the financial statements of one subsidiary, whose financial statements reflect total assets of ₹17091.30 lakhs as at 31st March, 2018, total revenues of ₹544.35 lakhs, total profit after tax of ₹698.84 lakhs, total comprehensive income of ₹2501.73 lakhs and net cash outflows amounting to ₹24.40 lakhs for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net profit of ₹678.73 lakhs for the year ended 31st March, 2018, as considered in the consolidated financial statements, in respect of one associate and one joint venture, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of subsidiary, associate and joint venture, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiary, associate and joint venture, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
 - (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
 - (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Cash Flow Statement and the Consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of accounts maintained for the purpose of preparation of the consolidated financial statements.
 - (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act.
 - (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2018 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its associate company incorporated in India, none of the directors of the Group companies, and its associate company incorporated in India are disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.

AUDITOR'S REPORT ON CONSOLIDATED FINANCIAL STATEMENTS

- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Group, its associates and joint venture entity excluding companies incorporated outside India and the operating effectiveness of such controls, refer to our separate Report in "Annexure A".
- (g) With respect to the other matters to be included in the Auditor's Report on Consolidated Financial Statements in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, its associates and joint venture – Refer Note 28 to the consolidated financial statements.
 - ii. The Group, its associates and joint venture did not have any material foreseeable losses on long-term contracts including derivative contracts.
 - iii. Unclaimed dividend for the year 2009-10 was transferred to the Investor Education and Protection Fund by the Company after a delay of 12 days in the current year by the Holding Company. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the associate company incorporated in India.

ANNEXURE A

Referred to in paragraph 1(f) on 'Report on Other Legal and Regulatory Requirements' of our report of even date on the consolidated financial statements of Oriental Hotels Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2018, we have audited the internal financial controls over financial reporting of Oriental Hotels Limited (hereinafter referred to as "the Holding Company") and its associate company, which is a company incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, and its associate company, which is a company incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Holding company's internal financial controls over financial reporting based on our audit and on its associate company, a company incorporated in India based on the report of its auditor. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor in terms of their report referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external

ORIENTAL HOTELS LIMITED

ANNEXURE TO AUDITOR'S REPORT

purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company, its associate company, which is a company incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Holding Company and its associate company incorporated in India considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to its associate company, which is a company incorporated in India, is based on the corresponding report of the auditor of such company incorporated in India.

Note 2. Significant Accounting Policies

(a) Statement of compliance:

In accordance with the notification dated 16th February, 2015, issued by the Ministry of Corporate Affairs, the Company has adopted Indian Accounting Standards (referred to as “Ind AS”) issued under Section 133 of the Companies Act, 2013 and notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) with effect from April 1, 2016.

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (“Ind AS”) notified under the Companies (Indian Accounting Standards) Rules, 2015 and amendment with Companies (Amendment Rules), 2016. The accounting policies as set out below have been applied consistently to all years presented in these financial statements.

All amounts included in financial statements are reported in India Rupees except Share and has been rounded off to nearest lakhs

(b) Basis of preparation and presentation:

These financial statements have been prepared on a historical cost basis, except for certain financial instruments and defined benefit plans that are measured at fair value at the end of each reporting period, as explained in the accounting policies below.

As the operating cycle cannot be identified in normal course due to the special nature of industry, the same has been assumed to have duration of 12 months. Accordingly, all assets and liabilities have been classified as current or non-current as per the Company’s operating cycle and other criteria set out in Ind AS-1 ‘Presentation of Financial Statements’ and Schedule III to the Companies Act, 2013.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

The Financial Statements are presented in Indian Rupees Lakhs, and all values are rounded off to the nearest two decimals except when otherwise stated.

(c) Principles of Consolidation and equity accounting

i. Subsidiaries

Subsidiaries are all entities (including structured entities) over which the group has control. The group controls an entity when the group is exposed to, or has rights to variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the group. They are deconsolidated from the date that control ceases.

The group combines the financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Intercompany transactions balances and unrealized gains on transactions between group companies are eliminated. Unrealized losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the group.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively.

ii. Associates

Associates are all entities over which the group has significant influence but not control or joint control. This is generally the case where the group holds between 20% and 50% of the voting rights. Investments in associates are accounted for using the equity method of accounting after initially being recognised at cost.

iii. Joint Venture

Interest in Joint Venture are accounted for using the equity method after initially being recognized at cost in the consolidated balance sheet.

iv. Equity method

Under the equity method of accounting, the investments are initially recognized at cost and adjusted thereafter to recognize the group's share of the post-acquisition profits or losses of the investee in profit and loss, and the group's share of other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from associates and Joint Venture are recognized as a reduction in the carrying amount of the investment.

When the group's share of losses in an equity-accounted investments equals or exceeds its interest in the entity including any other unsecured long-term receivables, the group does not recognize further losses, unless it has incurred obligations or made payments on behalf of other entity.

Unrealized gains on transactions between the group and its associates and Joint Venture are eliminated to the extent of the group's interest in these entities. Unrealized losses are also eliminated unless the transactions provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the group.

v. Change in ownership interest

The group treats transactions with non-controlling interest that do not result in a loss of control as transactions with equity owners of the group. A change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interest to reflect their relative interest in the subsidiary. Any difference between the amount of the adjustments to non-controlling interest and any considerations paid or received is recognized within equity.

When the group ceases to consolidate or equity account for an investment because of a loss of control, joint control or significant influence, any retained interest in the entity is remeasured to its fair value with the

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

change in carrying amount recognized in profit or loss. This fair value becomes the initial carrying amount for the purpose of subsequently accounting for the retained interest as an associate, joint venture or financial asset. In addition, any amounts previously recognized in other comprehensive income in respect of that entity are accounted for as if the group had directly disposed of the related assets or liabilities. This may mean that amounts previously recognized in other comprehensive income are reclassified to profit or loss.

If the ownership interest in a joint venture or an associate is reduced but joint control or significant influence is retained, only a proportionate share of the amounts previously recognized in other comprehensive income is reclassified to profit or loss where appropriate.

(d) Use of estimates and judgements

The preparation of financial statements in conformity with Ind AS requires management to make judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, disclosures of contingent liabilities at the date of the financial statements and the reported amounts of revenue and expenses for the years presented. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements pertain to:

- **Useful lives of property, plant and equipment and intangible assets:** The Company has estimated useful life of each class of assets based on the nature of assets, the estimated usage of the asset, the operating condition of the asset, past history of replacement, anticipated technological changes, etc. The Company reviews the carrying amount of property, plant and equipment and Intangible assets at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.
- **Impairment testing:** Property, plant and equipment and intangible assets are tested for impairment when events occur or changes in circumstances indicate that the recoverable amount of the cash generating unit is less than its carrying value. The recoverable amount of cash generating units is higher of value-in-use and fair value less cost to sell. The calculation involves use of significant estimates and assumptions which includes turnover and earnings multiples, growth rates and net margins used to calculate projected future cash flows, risk-adjusted discount rate, future economic and market conditions.
- **Impairment of investments:** The Company reviews its carrying value of investments carried at cost or amortised cost annually, or more frequently when there is indication for impairment. If the recoverable amount is less than its carrying amount, the impairment loss is accounted for.
- **Income Taxes:** Deferred tax assets are recognized to the extent that it is regarded as probable that deductible temporary differences can be realized. The Company estimates deferred tax assets and liabilities based on current tax laws and rates and in certain cases, business plans, including management's expectations regarding the manner and timing of recovery of the related assets. Changes in these estimates may affect the amount of deferred tax liabilities or the valuation of deferred tax assets and there the tax charge in the statement of profit or loss.

Provision for tax liabilities require judgements on the interpretation of tax legislation, developments in case law and the potential outcomes of tax audits and appeals which may be subject to significant uncertainty. Therefore the actual results may vary from expectations resulting in adjustments to provisions, the valuation of deferred tax assets, cash tax settlements and therefore the tax charge in the statement of profit or loss.

- **Loyalty program:** The Company estimates the fair value of points awarded under the Loyalty Program by applying statistical techniques. Inputs include making assumptions about expected breakages, the mix of products that will be available for redemption in the future and customer preferences, redemption at own hotels and other participating hotels.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

- **Fair value measurement of derivative and other financial instruments:** The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques. This involves significant judgements to select a variety of methods and make assumptions that are mainly based on market conditions existing at the end of each reporting period.
- **Litigation:** From time to time, the Company is subject to legal proceedings the ultimate outcome of each being always subject to many uncertainties inherent in litigation. A provision for litigation is made when it is considered probable that a payment will be made and the amount of the loss can be reasonably estimated. Significant judgement is made when evaluating, among other factors, the probability of unfavorable outcome and the ability to make a reasonable estimate of the amount of potential loss. Litigation provisions are reviewed at each accounting period and revisions made for the changes in facts and circumstances.
- **Defined benefit plans:** The cost of the defined benefit plans and the present value of the defined benefit obligation are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

All assets and liabilities are classified into current and non-current generally on the criteria of realization / settlement within 12 months period from balance sheet date.

(e) Revenue recognition :

Revenue comprises sale of rooms, food and beverages and allied services relating to hotel operations, including management fees.

Revenue is recognised upon rendering of the service, provided pervasive evidence of an arrangement exists, tariff / rates are fixed or are determinable and collectability is reasonably certain. Revenue from sales of goods or rendering of services is net of indirect taxes, allowances and discounts.

Management fees earned from hotels managed by the Company are usually under long-term contracts with the hotel owners and is recognised when earned in accordance with the terms of the contract.

Interest

Interest income from financial asset is recognised when it is probable that the economic benefit will flow to the Company and the amount of income can be measured reliably.

Interest income is accrued on a time basis by reference to principal outstanding using the effective interest rate method.

Dividend

Dividend income is recognized when the Company's right to receive the amount is established.

(f) Employee Benefits (other than for persons engaged through contractors):

- i. **Provident Fund:** The eligible employees of the Company are entitled to receive benefits under the provident fund, a defined contribution plan, in which both employees and the Company make monthly contributions at a specified percentage of the covered employees' salary (currently 12% of employees' salary), which is recognised as an expense in the Statement of Profit and Loss during the year. The contributions as specified under the law are paid to the respective Regional Provident Fund Commissioner.

- ii. **Gratuity Fund**

The Company makes annual contributions to gratuity funds administered by the trustees for amounts notified by the funds. The Gratuity plan provides for lump sum payment to vested employees on retirement, death or termination of employment of an amount based on the respective employee's last drawn salary and tenure of employment. The Company accounts for the net present value of its obligations for gratuity benefits, based on an independent actuarial valuation, determined on the basis of the projected unit credit

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

method, carried out as at the Balance Sheet date. Actuarial gains and losses are recognised immediately in the other comprehensive income and reflected in retained earnings and will not be reclassified to the statement of profit and loss.

iii. Post-Retirement Pension Scheme and Medical Benefits

The net present value of the Company's obligation towards post retirement pension scheme for certain retired directors and their dependents and Post employment medical benefits to qualifying persons is actuarially determined, based on the projected unit credit method. Actuarial gains and losses are recognized immediately in the Other Comprehensive Income and reflected immediately in retained earnings and will not be reclassified to the statement of profit and loss.

iv. Compensated Absences

The Company has a scheme for compensated absences for employees, the liability for which is determined on the basis of an independent actuarial valuation using the projected unit credit method, carried out at the Balance Sheet date.

v. Long Service Awards

The Company has a scheme for long service awards for employees, the liability for which is determined on the basis of an independent actuarial valuation using the projected unit credit method, carried out at the Balance Sheet date.

vi. Other employee termination benefits

Payment to employees on termination along with the additional liability towards retirement benefits arising pursuant to termination are charged off in the Statement of Profit and Loss in the year it is incurred.

vii. Other Employee Benefits

Other benefits, comprising of Leave Travel Allowances, are determined on an undiscounted basis and recognised based on the entitlement thereof.

(g) Property, Plant and Equipment:

The Company had elected to continue with the carrying value of all of its Property, Plant and Equipment recognised as of April 1, 2015 (transition date) measured as per the Previous GAAP and used that carrying value as its deemed cost as of the transition date.

Property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment losses, if any.

All property, plant and equipment are initially recorded at cost. Cost includes the acquisition cost or the cost of construction, including duties and taxes (other than those refundable), expenses directly related to the location of assets and making them operational for their intended use and, in the case of qualifying assets, the attributable borrowing costs. Initial estimate shall also include costs of dismantling and removing the item and restoring the site on which it is located.

Subsequent expenditure relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably.

An assets' carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Depreciation is charged to profit or loss so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

In respect of Leasehold Buildings, depreciation on buildings on leased properties is based on the tenure which is lower of the life of the buildings or the expected lease period. Improvements to buildings are depreciated on the basis of their estimated useful lives or expected lease period whichever is lower.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

The estimated useful lives of the depreciable assets are as follows:

<u>Class of Assets</u>	<u>Estimated Useful Life</u>
Buildings	60 to 80 years
Plant and Equipment	10 to 20 years
Electrical Installation and Equipment	20 years
Hotel Wooden Furniture	15 years
End User devices – Computers, Laptops etc.	6 years
Operating supplies (issued on opening of a new hotel property)	2 to 3 years
Assets costing less than ₹ 5000	4 years

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

Capital work in progress represents projects under which the property, plant and equipments are not yet ready for their intended use and are carried at cost determined as aforesaid.

(h) Intangible Fixed Assets:

For transition to Ind AS, the Company has elected to continue with carrying value of all of its intangible assets recognized as of April 1, 2015 (transition date) measured as per the previous GAAP and use that carrying value as its deemed cost as of the transition date.

Intangible assets include cost of acquired software. Intangible assets are initially measured at acquisition cost including any directly attributable costs of preparing the asset for its intended use.

Intangible assets with finite lives are amortized over their estimated useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired. The amortisation periods are reviewed and impairment is done only if indicators of impairment exist.

<u>Class of Asset</u>	<u>Estimated Useful Life</u>
Software and Licences	6 years

An intangible asset is derecognized on disposal, or when no future economic benefits are expected from use of disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, and are recognized in the Statement of Profit and Loss when the asset is derecognized.

(i) Impairment of Property plant and equipment and intangible assets:

Assets that have an indefinite useful life are not subject to amortisation and are tested annually for impairment. Assets that are subject to amortisation are reviewed for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognised for the amount by which the asset's carrying amount exceeds its recoverable amount.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognized immediately in the Statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognized for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognized immediately in Statement of Profit and Loss.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

(j) Foreign Currency Translation :**i. Functional and presentation currency.**

Items included in the financial statements of each of the group's entities are measured using the currency of the primary economic environment in which the entity operates (the functional currency). The consolidated financial statement are prepared in Indian rupees (INR), which is Oriental Hotels Limited's functional and presentation currency.

ii. Initial Recognition

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of transactions.

iii. Subsequent Recognition

As at the reporting date, non-monetary items which are carried at historical cost and denominated in a foreign currency are reported using the exchange rate at the date of the transaction. All non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were the fair value measured.

All monetary assets and liabilities in foreign currency are restated at the end of accounting period. Exchange differences on restatement of other monetary items are recognised in the Statement of Profit and Loss.

iv. Group Companies

The results and financial position of foreign operations (None of which has the currency of a hyperinflationary economy) that have a functional currency different from the presentation currency are translated into the presentation currency as follows.

Assets and liabilities are translated at the closing rate at the date of that balance sheet.

Income and expenses are translated at average exchange rates and all resulting exchange differences are recognized in other comprehensive income.

v. Cumulative Translation Differences

INDAs allow cumulative translation gain and losses to be reset to zero at the transition date. The group elected to reset all cumulative transition gain and losses to zero by transferring it to opening retained earnings at its transition date.

(k) Non-current assets held for sale:

Non-current assets and disposal groups are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the asset (or disposal group) is available for immediate sale in its present condition subject only to terms that are usual and customary for sales of such asset (or disposal group) and its sale is highly probable and expected to be completed within one year from the date of classification.

Non-current assets (and disposal groups) classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell.

(l) Assets taken on lease:

Leases are classified as finance lease whenever the terms of the lease transfer substantially all the risk and rewards of ownership to the lessee. All the other leases are classified as operating leases.

Operating lease payments are recognized as expenditure in the Statement of Profit and Loss on a straight-line basis, unless another basis is more representative of the time pattern of benefits received from the use of the assets taken on lease or the payments of lease rentals are in line with the expected general inflation compensating the lessor for expected inflationary cost. Contingent rentals arising under operating leases are recognized as an expense in the period in which they are incurred.

Assets held under finance lease are capitalised at the inception of the lease, with corresponding liability being recognised for the fair value of the leased assets or, if lower, the present value of the minimum lease payments.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Lease payments are apportioned between the reduction of the lease liability and finance charges in the statement of Profit or Loss so as to achieve a constant rate of interest on the remaining balance of the liability. Assets held under finance leases are depreciated over the shorter of the estimated useful life of the asset and the lease term.

For leases which include both land and building elements, basis of classification of each element is assessed on the date of transition, April 1, 2015, in accordance with Ind AS 101 First-time Adoption of Indian Accounting Standard.

(m) Inventories:

Stock of food and beverages and stores and operating supplies are carried at the lower of cost (computed on a Weighted Average basis) or net realisable value. Cost include the cost of purchase including duties and taxes (other than those refundable), inward freight, and other expenditure directly attributable to the purchase. Trade discounts and rebates are deducted in determining the cost of purchase.

(n) Government Grants:

Government grants are recognised in the period to which they relate when there is reasonable assurance that the grant will be received and that the Company will comply with the attached conditions.

Government grants are recognised in the Statement of Profit and Loss on a systematic basis over the periods in which the Company recognises as expenses the related costs for which the grants are intended to compensate.

(o) Income Taxes:

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred tax are recognised in profit or loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity, respectively.

(i) Current tax:

Current Tax expenses are accounted in the same period to which the revenue and expenses relate. Provision for current income tax is made for the tax liability payable on taxable income after considering tax allowances, deductions and exemptions determined in accordance with the applicable tax rates and the prevailing tax laws.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

(ii) Deferred tax :

Deferred income tax is recognised using the balance sheet approach. Deferred income tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred income tax arises from the initial recognition of goodwill, an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction.

Deferred income tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

Deferred tax liabilities are generally recognized for all taxable temporary differences except in respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint venture where the timing of the reversal of the temporary difference can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.

The carrying amount of deferred tax assets is reviewed at the end of each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred income tax asset to be utilised.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting date.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

Minimum Alternative Tax ("MAT") credit is recognized as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a convincing evidence to the effect that the Company will pay normal income tax during the specified period.

(p) Accounting for Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognized, when there is a present legal or constructive obligation as a result of a past event, it is probable that an outflow of resources will be required to settle the obligation, and when a reliable estimate of the amount of the obligation can be made. If the effect of the time value of money is material, the provision is discounted using a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the obligation and the unwinding of the discount is recognised as interest expense.

Contingent liabilities are recognized only when there is a possible obligation arising from past events, due to occurrence or non-occurrence of one or more uncertain future events, not wholly within the control of the Company, or where any present obligation cannot be measured in terms of future outflow of resources, or where a reliable estimate of the obligation cannot be made. Obligations are assessed on an ongoing basis and only those having a largely probable outflow of resources are provided for.

Contingent assets are not recognized in the financial statements.

(q) Borrowing Costs:

General and specific borrowing costs directly attributable to the acquisition or construction of qualifying assets that necessarily takes a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale. Borrowing costs consist of interest and other costs that the company incurs in connection with the borrowing of funds.

Interest income earned on temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalization. Borrowing costs that are not directly attributable to a qualifying asset are recognised in the Statement of Profit or Loss using the effective interest method.

(r) Cash and Cash Equivalents (for the purpose of cash flow statements):

Cash comprises cash on hand and demand deposits with banks. Cash equivalents are short-term balances (with an original maturity of three months or less from the date of acquisition), highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

(s) Cash Flow Statement:

Cash flows are reported using the indirect method, whereby profit/ (loss) before tax is adjusted for the effects of transactions of no cash nature and any deferrals or accruals of past or future cash receipts or payments. Cash flow for the year are classified by operating, investing and financing activities.

(t) Share capital:

Ordinary Shares

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares and share options are recognized as a deduction from equity, net of any tax effects.

(u) Dividends:

Final dividends on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the Company's Board of Directors.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

(v) Earnings Per Share:

Basic earnings per share is computed by dividing the profit /(loss) after tax by the weighted average number of equity shares outstanding during the year including potential equity shares on compulsory convertible debentures. Diluted earnings per share is computed by dividing the profit /(loss) after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

(w) Segment Reporting:

The Company identifies operating segments based on the internal reporting provided to the chief operating decision-maker.

The chief operating decision-maker, who is responsible for allocating resources and assessing performance of the operating segments, has been identified as the committee that makes strategic decisions.

The accounting policies adopted for segment reporting are in line with the accounting policies of the Company. Segment revenue, segment expenses, segment assets and segment liabilities have been identified to segments on the basis of their relationship to the operating activities of the segment.

Inter-segment revenue is accounted on the basis of transactions which are primarily determined based on market / fair value factors. Revenue, expenses, assets and liabilities which relate to the Company as a whole and are not allocable to segments on reasonable basis have been included under “unallocated revenue /expenses /assets/ liabilities”.

(x) Financial Instruments:

Financial Assets:

Classification:

The Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

Initial Recognition and measurement:

All financial assets (not measured subsequently at fair value through profit or loss) are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

Debt instruments at amortised cost:

A 'debt instrument' is measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss. This category generally applies to loans and advances, deposits, trade and other receivables.

Debt instruments included within the Fair Value Through Profit and Loss (FVTPL) category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Equity investments:

All equity investments in scope of Ind-AS 109 are measured at fair value. Equity instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the Company decides to classify the same either as at Fair Value Through Other Comprehensive Income (FVTOCI) or FVTPL. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

For equity instruments classified as FVTOCI, all fair value changes on the instrument, excluding dividends, are recognized in Other Comprehensive Income (OCI). There is no recycling of the amounts from OCI to the Statement of Profit and Loss, even on sale of such investments.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

Derecognition:

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognised (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either:
 - (a) the Company has transferred substantially all the risks and rewards of the asset, or
 - (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognise the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognises an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

Impairment of financial assets:

In accordance with Ind-AS 109, the Company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure:

- a) Financial assets that are debt instruments, and are measured at amortised cost e.g., loans, debt securities, deposits, and bank balance.
- b) Trade receivables.

The Company follows 'simplified approach' for recognition of impairment loss allowance on trade receivables which do not contain a significant financing component.

The application of simplified approach does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

Financial Liabilities:Classification

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings, payables, or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind-AS 109. Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognised in the Statement of Profit and Loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in Ind-AS 109 are satisfied. For liabilities designated as FVTPL, fair value gains/ losses attributable to changes in own credit risk are recognized in OCI. These gains/loss are not subsequently transferred to the Statement of Profit and Loss. However, the Company may transfer the cumulative gain or loss within equity. All other changes in fair value of such liability are recognised in the Statement of Profit and Loss. The Company has not designated any financial liability as at fair value through profit or loss.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Gains and losses are recognised in the Statement of Profit and Loss when the liabilities are derecognised.

Amortised cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortisation is included as finance costs in the Statement of Profit and Loss.

This category generally applies to interest-bearing loans and borrowings.

Derecognition

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognised amounts and there is an intention to settle on a net basis, to realise the assets and settle the liabilities simultaneously.

Derivative financial instruments

The Company uses derivative financial instruments, such as cross currency swaps, interest rate swaps, etc. to manage its exposure to interest rate and foreign exchange risks. Although the company believes that these derivatives constitute hedges from an economic perspective, they may not qualify for hedge accounting under Ind-AS 109, Financial Instruments. Any derivative that is either not designated a hedge, or is so designated but is ineffective as per Ind-AS 109, is categorized as a financial asset or financial liability, at fair value through profit or loss. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value through profit or loss and the resulting exchange gains or losses are included in Exceptional items. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative. Assets/ liabilities in this category are presented as current assets/current liabilities if they are either held for trading or are expected to be realized within 12 months after the balance sheet date.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

Equity instruments

An equity instrument is any contract that evidences a residual interest in the assets of an entity after deducting all of its liabilities. Equity instruments issued by the Company are recognized at the proceeds received, net of direct issue costs.

Repurchase of the Company's own equity instruments is recognized and deducted directly in equity. No gain or loss is recognized in Statement of Profit and Loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

(y) Financial guarantee contracts:

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payments when due in accordance with the terms of a debt instrument.

Financial guarantee contracts issued by the Company are measured at their fair values and recognised as income in the statement of profit and loss account.

(z) Recent Accounting Pronouncements:

Standards issued but not yet effective

Ministry of Corporate Affairs ("MCA"), on March 28, 2018, through Companies (Indian Accounting Standards) Amendment Rules, 2018 has notified the new standard for revenue recognition and amended certain existing Ind ASs which are effective for annual periods beginning on or after April 1, 2018.

Ind-AS 115 – Revenue from Contract with Customers:

Ind-AS 115 will supersede the existing revenue recognition standard 'Ind-AS 18 – Revenue'. The core principle of the new standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Further the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The Company has completed its preliminary evaluation of the possible impact of Ind-AS 115 and will adopt it retrospectively with the cumulative effect of initially applying this standard recognised as an adjustment to the opening balance of retained earnings at the date of initial application i.e. April 1, 2018 and accordingly comparatives for the year ended March 31, 2018 will not be retrospectively adjusted. This standard is applied retrospectively only to the contracts that are not completed contracts at the date of initial application. The Company does not expect the impact of the adoption of new standard to be material on its retained earnings and to its net income on an ongoing basis.

Ind-AS 21 – The effect of changes in Foreign Exchange rates (Appendix B)

The amendment clarifies on the accounting of transactions that include the receipt or payment of advance consideration in a foreign currency. The appendix explains that the date of the transaction, for the purpose of determining the exchange rate, is the date of initial recognition of the non-monetary asset or non-monetary liability arising from the payment or receipt of advance consideration.

The amendment will come into force from April 1, 2018. The Company does not expect the effect of this on the financial statements to be material based on preliminary evaluation.

Other changes include principle for transfer of asset to, or from, Investment Property (Amendment to Ind-AS 40), segregation of deductible temporary differences in accordance with tax laws and assessing them on that basis to recognise deferred tax asset (Amendment to Ind-AS 12), and Applicability of disclosure requirements to interests classified as held for sale or as discontinued operation (Amendment to Ind-AS 112).

None of these amendments are expected to have any material effect on the company's financial statements.

33 Financial risk management

The Company has exposure to the following risks arising from financial instruments:

Credit risk
Liquidity risk
Market risk
Currency risk
Interest rate risk

i. Risk management framework

The Oriental Hotels Limited is exposed primarily to fluctuations in foreign currency exchange rates, credit, liquidity and interest rate risks, which may adversely impact the fair value of its financial instruments. The Group has a risk management policy which covers risks associated with the financial assets and liabilities. The risk management policy is approved by the Board of Directors. The focus of the risk management committee is to assess the unpredictability of the financial environment and to mitigate potential adverse effects on the financial performance of the Group.

ORIENTAL HOTELS LIMITED

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS

ii. Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices. Such changes in the values of financial instruments may result from changes in the foreign currency exchange rates, interest rates, credit, liquidity and other market changes. The Group's exposure to market risk is primarily on account of foreign currency exchange rate risk.

iii. Credit Risk

Credit risk is the risk of financial loss arising from counterparty failure to repay or service debt according to the contractual terms or obligations. Credit risk encompasses both, the direct risk of default and the risk of deterioration of creditworthiness as well as concentration of risks.

Financial instruments that are subject to concentrations of credit risk principally consist of investments classified as loans and receivables, trade receivables, loans and advances, derivative financial instruments, cash and cash equivalents, bank deposits and other financial assets. None of the other financial instruments of the Group result in material concentration of credit risk.

The carrying amount of financial assets represents the maximum credit exposure. The maximum exposure to credit risk was ₹2,883.55 lakhs and ₹3,354.17 lakhs as of March 31, 2018 and March 31, 2017, respectively, being the total of the carrying amount of balances with banks, bank deposits, trade receivables, unbilled revenue, other financial assets and investments excluding equity and preference investments.

Oriental Hotels Limited exposure to customers is diversified and no single customer contributes to more than 10% of outstanding accounts receivable and unbilled revenue as of March 31, 2018 and March 31, 2017.

Trade and other receivables:

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and country in which customers operate.

The Company does not require collateral in respect of trade and other receivables.

The Company establishes an allowance for impairment that represents its estimate of expected losses in respect of trade and other receivables.

Cash and bank balance:

The Company held cash and bank balance of ₹668.25 Lakhs at March 31, 2018 (March 31, 2017: ₹1346.24 lakhs). The cash and bank balances are held with bank and financial institution counterparties.

Derivatives

The derivatives are entered into with bank and financial institution counterparties.

iv. Liquidity Risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

v. **Market Risk**

Market risk is the risk that changes in market prices - such as foreign exchange rates, interest rates and equity prices - will affect the Company's income or the value of its holdings of financial instruments. Market risk is attributable to all market risk sensitive financial instruments including foreign currency receivables and payables and long term debt. The Company is exposed to market risk primarily related to foreign exchange rate risk, interest rate risk and the market value of our investments. Thus Company's exposure to market risk is a fund, on of investing and borrowing activities and revenue generating and operating activities in foreign currency. The objective of market risk management is to avoid excessive exposure in our foreign currency revenues and costs.

vi. **Currency Risk**

The Company is exposed to currency risk on account of its borrowings and other payables in foreign currency. The functional currency of the Company is Indian Rupee. The foreign exchange loan is covered by a derivative and the amount of other payables is not material and hence Company does not perceive any major foreign currency risk.

34 **Following is the derivative financial instruments to hedge the foreign exchange rate risk as of March 31, 2018:**

The company uses forward exchange contracts, interest rate swaps, currency swaps and options to hedge its exposure in foreign currency and interest rates. The information on derivative instruments is as follows:

35 Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. In order to optimize the Company's position with regard to interest income and interest expenses and to manage the interest rate risk, treasury performs a comprehensive corporate interest rate risk management by balancing the proportion of fixed rate and floating rate financial instruments in its total portfolio.

36 Exposure to Interest Rate Risk

Company's interest rate risk arises from borrowings and finance lease obligations. Borrowings issued at fixed rates and finance lease obligations are exposed to fair value interest rate risk. The interest rate profile of the Company's interest-bearing financial instruments as reported to the management of the Company is as follows.

Particulars	Interest Rate
Debentures	
1000 Series A Debentures	10.25%
1000 Series B Debentures with YTM rate of 10.25%	2.00%
Rupee Term Loan	
Kotak Mahindra Bank Limited	8.35%
WCDL Loan from HDFC	8.25%

37 Capital Management

The Company monitors capital using a ratio of 'adjusted net debt' to 'adjusted equity'. For this purpose, adjusted net debt is defined as total liabilities, comprising interest-bearing loans and borrowings and obligations under finance leases, less cash and bank balance.

Adjusted equity comprises all components of equity other than amounts accumulated in the hedging reserve.

The Company's policy is to keep the ratio below 1.50. The Company's adjusted gearing ratio at March 31, 2018 was as follows.

Particulars	March 31, 2018	March 31, 2017
Loans and Borrowings	31,325.99	32,231.93
Less: Cash and bank balance	553.66	1,213.36
Net Debt	30,772.33	31,018.57
Equity	44,155.73	41,229.25
Gearing Ratio	0.70	0.75

38 Fair value Sensitivity Analysis for fixed-rate instruments

A change of 100 basis points in interest rates would have increased or decreased equity by ₹54.19 lakhs after tax (March 31, 2017 ₹68.52 lakhs).

39 Asset held for sale represents free hold lands which Company has decided to dispose off and has entered in to a Memorandum of Understanding with the prospective buyer for sale of the property. The transaction could not be completed in the current year due to unforeseen circumstances. The Company is confident of completing the sale in the near future.
