The facility of casting the votes by the members using an electronic voting system from a place other than venue of the AGM ("remote e-voting") will be provided by National Securities Depository Limited (NSDL).
- II. The facility for voting through a polling paper shall be made available at the AGM and the members attending the meeting who have not cast their vote by remote e-voting shall be able to exercise their right at the meeting through polling paper.
- III. The members who have cast their vote by remote e-voting prior to the AGM may also attend the AGM but shall not be entitled to cast their vote again.
- IV. The remote e-voting period commences on 4th August, 2018 (9:00 am) and ends on 6th August, 2018 (5:00 pm). During this period members' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date of 31st July, 2018, may cast their vote by remote e-voting. The remote e-voting module shall be disabled by NSDL for voting thereafter. Once the vote on a resolution is cast by the member, the member shall not be allowed to change it subsequently.
- V. The process and manner for remote e-voting are as under:

How do I vote electronically using NSDL e-Voting system?

The way to vote electronically on NSDL e-Voting system consists of "Two Steps" which are mentioned below:

Step 1 : Log-in to NSDL e-Voting system at <https://www.evoting.nsdl.com/>

Step 2 : Cast your vote electronically on NSDL e-Voting system.

Details on Step 1 is mentioned below:

How to Log-into NSDL e-Voting website?

1. Visit the e-Voting website of NSDL. Open web browser by typing the following URL: <https://www.evoting.nsdl.com/> either on a Personal Computer or on a mobile.
2. Once the home page of e-Voting system is launched, click on the icon "Login" which is available under 'Shareholders' section.
3. A new screen will open. You will have to enter your User ID, your Password and a Verification Code as shown on the screen.

Alternatively, if you are registered for NSDL eservices i.e.

IDEAS, you can log-in at <https://eservices.nsdl.com/> with your existing IDEAS login. Once you log-in to NSDL eservices after using your log-in credentials, click on e-Voting and you can proceed to Step 2 i.e. Cast your vote electronically.

4. Your User ID details are given below :

Manner of holding shares i.e. Demat (NSDL or CDSL) or Physical	Your User ID is:
a) For Members who hold shares in demat account with NSDL.	8 Character DP ID followed by 8 Digit Client ID For example if your DP ID is IN300*** and Client ID is 12***** then your user ID is IN300***12*****.

5. Your password details are given below:

- a) If you are already registered for e-Voting, then you can use your existing password to login and cast your vote.
- b) If you are using NSDL e-Voting system for the first time, you will need to retrieve the 'initial password' which was communicated to you. Once you retrieve your 'initial password', you need to enter the 'initial password' and the system will force you to change your password.
- c) How to retrieve your 'initial password'?
 - (i) If your email ID is registered in your demat account or with the company, your 'initial password' is communicated to you on your email ID. Trace the email sent to you from NSDL from your mailbox. Open the email and open the attachment i.e. a .pdf file. Open the .pdf file. The password to open the .pdf file is your 8 digit client ID for NSDL account, last 8 digits of client ID for CDSL account or folio number for shares held in physical form. The .pdf file contains your 'User ID' and your 'initial password'.
 - (ii) If your email ID is not registered, your 'initial password' is communicated to you on your postal address.
6. If you are unable to retrieve or have not received the "Initial password" or have forgotten your password:
 - a) Click on "Forgot User Details/Password?" (If you are holding shares in your demat account with NSDL or CDSL) option available on www.evoting.nsdl.com.
 - b) "Physical User Reset Password?" (If you are holding shares in physical mode) option available on www.evoting.nsdl.com.
 - c) If you are still unable to get the password by aforesaid two options, you can send a request at evoting@nsdl.co.in mentioning your demat account number/folio number, your PAN, your name and your registered address.
7. After entering your password, tick on Agree to "Terms and Conditions" by selecting on the check box.

8. Now, you will have to click on "Login" button.
9. After you click on the "Login" button, Home page of e-Voting will open.

Details on Step 2 is given below:

How to cast your vote electronically on NSDL e-Voting system?

1. After successful login at Step 1, you will be able to see the Home page of e-Voting. Click on e-Voting. Then, click on Active Voting Cycles.
2. After click on Active Voting Cycles, you will be able to see all the companies "EVEN" in which you are holding shares and whose voting cycle is in active status.
3. Select "EVEN" of company for which you wish to cast your vote.
4. Now you are ready for e-Voting as the Voting page opens.
5. Cast your vote by selecting appropriate options i.e. assent or dissent, verify/modify the number of shares for which you wish to cast your vote and click on "Submit" and also "Confirm" when prompted.
6. Upon confirmation, the message "Vote cast successfully" will be displayed.
7. You can also take the printout of the votes cast by you by clicking on the print option on the confirmation page.
8. Once you confirm your vote on the resolution, you will not be allowed to modify your vote.

General Guidelines for shareholders

EXPLANATORY STATEMENT RELATING TO SPECIAL BUSINESS

(PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013)

ITEM No. 4

Pursuant to provisions of Section 149 of the Companies Act, 2013 and Rules framed thereunder, the Company shall have at least 3 Directors as Independent Directors. However, due to resignation of Mr. Vishnu P. Kamath, the Independent Director on the Board of the Company is reduced to 2. Therefore, it was required to appoint 1 Independent Director.

Hence, in order to comply with these provisions it is proposed to seek shareholders approval to designate Ms. Smita V. Davda as Independent Director of the Company in terms of Section 149 of the Companies Act and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 for a period of 5 consecutive years.

Further the Company has duly received declaration from Ms. Smita V. Davda that she meets with the criteria of Independence provided under Section 149(6) of the Companies Act, 2013 and

SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (as amended from time to time) and in the opinion of the Board she is independent of the management.

Brief profile of Ms. Smita V. Davda as required by SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is forming part to this Notice.

None of the Directors, Key Managerial Personnel and their relatives are in any way, concerned or interested, financially or otherwise, in the aforesaid Special Resolution.

The Board recommends the Special Resolution set out in the Notice for approval by the Members.

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2018

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,

The Members,
WEIZMANN LIMITED
214, Empire House, Dr. D.N. Road,
Ent. AK Nayak Marg, Fort,
Mumbai - 400001

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Weizmann Limited** (hereinafter called the Company). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of the **Weizmann Limited** books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the company has, during the audit period covering the financial year ended on **31st March, 2018**, complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by **Weizmann Limited** ("the Company") for the financial year ended on **31st March, 2018** according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;

MANAGEMENT DISCUSSIONS AND ANALYSIS REPORT

BUSINESS REVIEW

General Economy

The global economy recovered after a few years of slow growth. The advanced as well as emerging economies have started reflecting positive signs of turnaround. One of the worrying factors as is seen from RBI Report is that there is a potential trade wars amongst major economies like US, China, etc. like each one imposing high tariffs on imports from other countries and thus totally discarding the objective of elimination of trade barriers globally for which the World Trade Forum have been striving for decades. The crude oil prices have been rising and reflect high volatility.

As far as Indian economy is concerned, the revised GDP growth is marginally high at 6.6% which is much lower than the figure achieved at 7.1% in 2016-17. Apart from many factors and the various sectors like agriculture, industry and service sector reflected a see-saw movement in growth during 2017-18, the Goods and Services Tax (GST) implementation is having an adverse effect so far on the growth parameters even though it is presumed that it is only a transitional phase. There has been adverse effect on urban consumption through loss of output and employment in the labour intensive unorganized sectors.

The outlook for 2018-19 prima facie appears encouraging due to several factors. It is seen that there are now clearer signs of revival in investment activity as reflected in expansion in capital goods manufacturing and rising imports. Supplementing the same is global demand improving, which could result in boost to Country's exports.

The Union Budget of 2018-19, provides major thrust is on the development & upliftment of rural economy and agricultural sector by strengthening and improving the Infrastructure of the Country. These initiatives will help increase the creation of more employment and thereby providing impetus for growth for the entire economy of the Country.

As a result on an average the GDP growth is expected to touch 7% to 7.2% in 2018-19 from 6.6% in 2017-18.

Company Business

The company continues its focus on both job work and sale of textile products locally and thus catering to the needs of the customers. During the year under review the turnover from each of these main thrust areas have been more or less same with sale of textile products recording a turnover of Rs.42.58 crore as against Rs.38.16 crore in 2016-17. The job work recorded a turnover of Rs.44.50 crore as against Rs.45.71 crore in 2016-17. The total revenue from operations reflected a marginal increase to Rs.89.24 crore as against Rs.85.93 crore in the previous year.

Despite vagaries in the performance of textile units in Ahmedabad, the company's processing unit has been operating to its full capacity garnering repeat orders from many a invaluable customers.

The company continues to be a debt free entity since 2016-17.

Outlook, Opportunities and Threats

Textile plays a major role in the Indian Economy. It contributes about 14% to industrial production and 4% to GDP. The industry is one of the largest source of employment generation in the country and employees above 45 million people. The approximate size of India's textile market is around US\$ 150 billion, which is expected to touch US\$ 250 billion market by 2019, growing at a CAGR of 13.58% between 2009 to 2019.

The central government is planning to finalise and launch the new textile policy in the coming months. The policy aims to achieve US\$ 300 billion worth of textile exports by 2024-2025 and create an additional 35 million jobs.

The future for the Indian textile industry looks promising, buoyed by both strong domestic consumption as well as export demand. With consumerism and disposable income on the rise, the retail sector has experienced a rapid growth in the past decade with the entry of several international players into the Indian market.

Risks and Concerns

Your company has in place a comprehensive Risk Management Policy to assist and mitigate various applicable risks. The company by shifting its focus from exports to job work has virtually eliminated the payment risks as it was earlier predominantly exporting to African countries where availability of foreign exchange was always a perennial problem. The company by ensuring upgradation of machineries periodically, focusing on total quality and ensuring delivery to the customers are as per the promise has facilitated creating confidence of the customers for continuous repeat orders.

INDEPENDENT AUDITOR'S REPORT To The Members of Weizmann Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of Weizmann Limited ('the Company'), which comprise the balance sheet as at 31 March 2018, the statement of profit and loss (including other comprehensive income), the statement of cash flows and the statement of changes in equity for the year then ended and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with relevant rules issued there under.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Standalone financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the Standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the Standalone financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs of the Company as at 31 March, 2018, and its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Other matters

The comparative financial information of the Company for the transition date as at 1st April 2016 and year ended March 31, 2017 included in these standalone Ind AS financial statements are based on the statutory financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2006 audited by the predecessor auditor whose report for the year ended March 31, 2016 and March 31, 2017 dated May 25, 2016 and dated May 24, 2017 respectively expressed an unmodified opinion on those standalone financial statements and have been restated to comply with Ind AS. Adjustments made to the previously issued said financial information prepared in accordance with the Companies (Accounting Standards) Rules, 2006 to comply with Ind AS have been audited by us.

Our opinion is not modified in respect of the above matter.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Weizmann Limited ("the Company") as of 31 March, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2018

Note No : 1 Corporate Information and Significant Accounting Policies, judgments etc.

1.1 CORPORATE INFORMATION

Weizmann Limited ("the Company") is a Company domiciled in India, with its registered office situated at Empire House, 214, D.N. Road, Ent. A.K nayak Marg, Fort, Mumbai 400001. The Company has been incorporated under the provision of Indian Companies Act and its equity shares are listed on National Stock Exchange and Bombay Stock Exchange in India. The company is primarily involved in the business of Textiles.

1.2 BASIS OF PREPARATIONS AND SIGNIFICANT ACCOUNTING POLICIES

A Basis of preparation and presentation

i) Statement of Compliance

The financial statements of the Company have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013.

Upto the year ended March 31, 2017, the Company has prepared its financial statements in accordance with the requirement of Indian Generally Accepted Accounting Principles (GAAP), which includes Standards notified under the Companies (Accounting Standards) Rules, 2006 and considered as "Previous GAAP".

The accounts have been compiled on an accrual system based on principle of going concern.

These financial statements are the Company's first Ind AS standalone financial statements.

The Standalone financial statements were authorised for issue by the Company's Board of Directors on 29th May 2018

ii) Functional and Presentation Currency

Company's financial statements are presented in Indian Rupees, which is also its functional currency. All amounts have been rounded off to 2 decimal places to the nearest lakh and unless otherwise indicated

iii) Basis of measurement

The financial statements have been prepared on the historical cost basis except for following assets and liabilities which have been measured at fair value amount:

- i Certain financial assets and liabilities,
- ii Defined benefit plans - plan assets/liabilities

B Summary of significant accounting policies

a i) Property, plant and equipment

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use.

Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre - operative expenses and disclosed under Capital Work - in - Progress.

ii) Depreciation

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the straight-line method and is recognised in the statement of profit and loss

The estimated useful lives of items of property, plant and equipment for the current and comparative periods are as follows:

Assets	Management estimate of useful life	Useful life as per Schedule II of the Companies Act, 2013
Plant and machinery	15 Years	15 Years
Building	30 Years	30 Years
Office equipment's	5 Years	5 Years
Furniture and fixtures	10 Years	10 Years
Vehicles	8 Years	8 Years

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate. Based on internal assessment and consequent advice, the management believes that its estimates of useful lives as given above best represent the period over which management expects to use these assets

Depreciation on additions/disposals is provided on a pro-rata basis i.e. from up to the date on which asset is ready for use/disposed off.

b Leases

Assets held under leases that do not transfer to the Company substantially all the risks and rewards of ownership (i.e. operating leases) are not recognized in the Company's Balance Sheet

Payments made under operating leases are generally recognized in profit or loss on a straight-line basis over the term of the lease unless such payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

As a lessee

Leases of property, plant and equipment where the Company, as lessee, has substantially all the risks and rewards of ownership been classified as finance leases. Finance leases are capitalised at the lease's inception at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

As a lessor

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflation.

c Borrowing Cost

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

d Inventories

Items of inventories are measured at lower of cost and net

realisable value after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition.

Cost of raw materials, chemicals, packing Materials, components, stores and spares and other products are determined on FIFO basis.

e Impairment of non-financial assets

The Company assesses at each reporting date as to whether there is any indication that any asset or group of assets, called cash generating units may be impaired. If any such indication exists the recoverable amount of an asset or cash generating units is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash generating units to which the asset belongs.

If the carrying amount of assets exceeds the recoverable amount on the reporting date, the carrying amount is reduced to the recoverable amount. The recoverable amount is measured as the higher of the net selling price and the value in use determined by the present value of estimated future cash flows.

f Provisions and Contingent liabilities

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assumptions of the time value of money and the risks specific to the liability. The unwinding of discount is recognized as finance cost.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

A provision for onerous contract is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract.

Contingent liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote.

g Employee Benefits Expense

Short Term Employee Benefits : The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

Post-Employment Benefits :

Defined Contribution Plans - A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

Defined Benefit Plans - The Company pays gratuity to the employees whoever has completed five years of service with the Company at the time of resignation / superannuation. The gratuity is paid @15 days salary for every completed year of service as per the Payment of Gratuity Act 1972 or otherwise contractually agreed with the employees.

The gratuity liability amount is contributed to the approved gratuity fund formed (LIC) exclusively for gratuity payment to the employees. The gratuity fund has been approved by Income Tax authorities.

The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

h Tax Expenses

Income tax comprises of current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date

Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used

Deferred tax assets recognised or unrecognised are reviewed at each reporting date and are recognised / reduced to the extent that it is probable / no longer probable respectively that the related tax benefit will be realised

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities

The Company offsets, the current tax assets and liabilities (on a year on year basis) and deferred tax assets and liabilities, where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis

i Foreign currencies transactions

Transactions in foreign currencies are initially recorded by the company at their functional currency spot rates at the date of the transaction. Monetary assets and liabilities denominated in foreign currency are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of the Company's monetary items at the closing rates are recognised as income or expenses in the period in which they arise. Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rates at the

date of transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined

j Revenue recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment.

Revenue from sale of goods is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Revenue from rendering of service is recognised when the performance of agreed contractual task has been completed.

Interest Income - Interest income is recognised using Effective Interest Rate (EIR) method.

Income on Inter Corporate Deposits is accounted for on time accrual basis

It is the policy of the company to provide for all income and expenses on accrual basis.

Dividend Income - Revenue is recognised when the Company's right to receive the payment has been established.

k Financial instruments

i) Financial Assets

a Recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

A Financial asset is measured at amortized cost if it is held with objective to hold the asset in order to collect contractual cash flows as and when due.

A financial assets is measured at FVTOCI if it is held with an objective to achieve collecting contractual cash flows as and when due and selling financial assets.

A financial assets which is not classified under any of the above categories are measured at FVTPL.

b Investment in Associates

The Company has accounted for its investments in associates at cost.

c Other Equity Investments

All other equity investments and equity instruments held for trading are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

d Investment in Bonds

The Company has accounted for its investments in Bonds at amortised cost.

E Impairment of financial assets

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

f Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the right to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial assets are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

ii) Financial liabilities

Recognition and measurement - All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Derecognition

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and a new financial liability with modified terms is recognised in the statement of profit and loss.

iii) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or realise the asset and settle the liability simultaneously

I Cash and Cash Equivalents

Cash and Cash Equivalents consist of cash on hand, cash at banks, demand deposits from banks and short term, highly liquid instruments.

m Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share are computed by dividing the profit after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares.

n Classification of current / non current assets and liabilities

All assets and liabilities are presented as current or non current as per the Company's normal operation cycle and other criteria set out in Schedule III of the Companies Act, 2013 and Ind AS 1 Presentation of financial statements. Based on the nature of products and the time between the acquisition of assets for processing and their realisation, the Company has ascertained its operating cycle as 12 months for the purpose of current/non current classification of assets and liabilities.

o Measurement of fair values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial assets and liabilities

The Company has an established control framework with respect to the measurement of fair values

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred

p Cash flow statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated. The company considers all highly liquid investments that are readily convertible to known amounts of cash to be cash equivalents.

1.3 ACCOUNTING JUDGEMENTS AND ESTIMATION OF UNCERTAINTY

a Depreciation and useful lives of property plant and equipment

Property, plant and equipment are depreciated over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets. The depreciation for future periods is revised if there are significant changes from previous estimates.

b Recoverability of trade receivable

Judgements are applied in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required.

c Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

d Defined benefit obligations

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial

assumptions include discount rate, trends in salary escalation, actuarial rates and life expectancy. The discount rate is determined by reference to market yields at the end of the reporting period on government bonds. The period to maturity of the underlying bonds correspond to the probable maturity of the post-employment benefit obligations.

1.4 FIRST TIME ADOPTION OF IND AS

The Company has adopted Ind AS with effect from 1st April 2017 with comparatives being restated. Accordingly the impact of transition has been provided in the Opening Reserves as at 1st April 2016. The figures for the previous period have been restated, regrouped and reclassified wherever required to comply with the requirement of Ind AS and Schedule III.

Exemptions from retrospective application

i Business combination exemption

The Company has applied the exemption as provided in Ind AS 101 on non-application of Ind AS 103, "Business Combinations" to business combinations consummated prior to April 1, 2016 (the "Transition Date"), pursuant to which goodwill / capital reserve arising from a business combination has been stated at the carrying amount prior to the date of transition under Indian GAAP. The Company has also applied the exemption for past business combinations to acquisitions of investments in associates consummated prior to the Transition Date.

ii Deemed cost exemption for Property, Plant and Equipment

The Company has elected to measure items of property, plant and equipment at its carrying value at the transition date.

iii Investments in associates

The Company has elected to measure investment in at cost

1.5 Standards issued/amended but not yet effective

"Ind AS 115- Revenue from Contract with Customers:

On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018. In which, it has notified the Ind AS 115, Revenue from Contract with Customers. The objective of this Standard is to establish the principles that an entity shall apply to report useful information to users of financial statements about the nature, amount, timing and uncertainty of revenue and cash flows arising from a contract with a customer. The core principle of this Standard is that an entity shall recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

This standard has come into force from April 1, 2018. The management of the company is under process of evaluating the effect on adoption of Ind AS 115 on the financial statements of next reporting date.

Appendix B to Ind AS 21, Foreign currency transactions and advance consideration:

On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018. In which, it has notified Appendix B to Ind AS 21, Foreign currency transactions and advance consideration, which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency."

The amendment has come into force from April 1, 2018. As per the evaluation of the management of the company, the effect of this amendment is not material to the company.

The financial instruments are categorised into two levels based on the inputs used to arrive at fair value of measurements as described below :

Level 1 : Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2 : The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2. The mutual funds are valued using the closing NAV.

Level 3 : If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

c) Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk;
- Liquidity risk; and
- Market risk

i risk management framework

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations. The audit committee oversees how management monitors compliance with the company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

ii. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investments in debts. The carrying amount of following financial assets represents the maximum credit exposure:

Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and country in which

customers operate.

The Company establishes an allowance for impairment that represents its estimate of expected losses in respect of trade and other receivables.

At 31 March 2018, the Company is involved only in domestic sales and has no export sales. Hence, there is no credit risk exposure outside India.

iii Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments.

iv Market risk

Market risk is the risk that changes in market prices – such as interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments.

v Currency risk -

The Company is not exposed to currency risk on account of its borrowings and other payables in foreign currency. The functional currency of the Company is Indian Rupees. The Company does not use derivative financial instruments for trading or speculative purposes.

vi Interest risk -

At the reporting date the interest rate profile of the Company's interest-bearing financial instruments was as follows

₹ in lakh

Particulars	As at 31st March 2018	As at 31st March 2017
Fixed rate instruments		
Financial Liabilities		
Car Loan	69.92	14.43
Total	69.92	14.43

The company is not exposed to financial interest risk as the Company's borrowings are in fixed rate instruments.

Vii Price Risk

The company's investments in equity instruments held for trading and other investments carried at fair value through profit and loss are subject to price risk which may affect the profit and loss of the company.

To manage its price risk, the company diversifies its portfolio. Diversification of the portfolio is done based on internal review and limits decided by the management from time to time.

1 Note: Fair Valuation for Financial Assets-

The Company has valued financial assets (other than investment in Associates which are accounted at cost), at fair value. Impact of fair value changes as on date of transition, is recognised in opening reserves and changes thereafter are recognised in Statement of profit and Loss or other Comprehensive income, as the case may be.

2 Note: Deferred Tax-

The impact of transaction adjustments together with Ind AS mandate of using balance sheet approach (against profit and loss approach in the previous GAAP) for the computation of deferred taxes has resulted in changes to the reserves, on the date of transition, with consequential impact to the statement of profit and loss for the Subsequent periods.

3 Note: Remeasurements of post-employment benefit obligation

Under Previous GAAP the Company recognised actuarial gains and losses in the Statement of Profit and Loss. Under Ind AS, re-measurements, i.e., actuarial gains and losses, the return on plan assets excluding amounts included in net interest on the net defined benefit liability are recognised in Other Comprehensive Income instead of Statements of Profit and Loss.

4 Note: Dividend and Dividend Distribution Tax

The company pursuant to Amendment to Accounting Standard 4 – “Contingencies and Events occurring after the Balance Sheet date” effective from 30.03.2016 and in accordance with INDAS 10 – Events after the Reporting Period have recorded the dividend amount for year ended March 31, 2017 approved by the Shareholders at the Annual General Meeting held in F.Y. 2017-18, in the Reserves and Surplus of the Financial Statements for F.Y. 2017-18.

5 Note: Other Adjustments

To comply with the Companies (Accounting Standard) Rules, 2006, certain account balances have been regrouped as per the format prescribed under Division II of Schedule III to the Act.

Note No: 45

During the year, the amount required to be spent on Corporate Social Responsibility activities amounted to Rs. 8.47 lakhs in accordance with Section 135 of the Companies Act, 2013. The Amounts were spent during current year for Education and Skill Development.

INDEPENDENT AUDITOR'S REPORT To The Members of Weizmann Limited

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Weizmann Limited ("the Holding Company" or "the Group") and its one associate, which comprise the consolidated balance sheet as at 31 March 2018, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of cash flows and the consolidated statement of changes in equity for the year then ended and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with relevant rules issued thereunder.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the consolidated financial position of the Group, as at 31 March, 2018 and its consolidated profit including other comprehensive income, its consolidated cash flows and the consolidated changes in equity for the year then ended.

Other Matters

We did not audit the group's share of net profit of Rs.3077.18 lakhs in respect of one associate entity. These financial statements have been prepared in accordance with the accounting standards prescribed under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (hereinafter referred to as "Previous GAAP") and have been audited by other auditors whose report has been furnished to us. For the purpose of consolidation, the management of the said associate has restated these financial statements in accordance with Companies (Indian Accounting Standards) Rules, 2015 (Ind AS) and are reviewed by us so far as it related to conversion adjustments from Previous GAAP to Ind AS. Our opinion on the consolidated financial statements, in so far as it relates to this associate is based on the aforesaid audit report of other auditor and our review of the said conversion adjustments.

The comparative financial information of the Group and its associate for the transition date as at 1st April 2016 and year ended March 31, 2017 included in these consolidated Ind AS financial statements are based on the consolidated financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2006 audited by the predecessor auditor whose report for the year ended March 31, 2016 and March 31, 2017 dated May 25, 2016 and dated May 24, 2017 respectively expressed an unmodified opinion on those Consolidated financial statements and have been restated to comply with Ind AS. Adjustments made to the previously issued said financial information prepared in accordance with the Companies (Accounting Standards) Rules, 2006 to comply with Ind AS have been audited by us.

Our opinion on the consolidated financial statements and our report on other Legal and Regulatory requirements below, is not modified in respect of the above mentioned other matters with respect to our reliance on the work done and the report of the other auditor.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, we report, that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements.
- (b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books.
- (c) The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of cash flows and consolidated statement of changes in equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act, read with relevant rules issued thereunder.
- (e) On the basis of the written representations received from the Directors of the Holding Company as on 31 March, 2018 taken on record by the Board of Directors of the Holding Company and the report of the statutory auditor of its associate company none of the Directors of the Group are disqualified as on 31 March, 2018 from being appointed as a Director of that company in terms of Section 164(2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure A"; and
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated Ind AS financial statements disclose the impact of pending litigations on the consolidated financial position of the Group; (refer note 34)
 - ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its associate.

Annexure - A to the Auditors' Report**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")**

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31 March 2018, we have audited the internal financial controls over financial reporting of Weizmann Limited ("the Company") and its associate as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Company and its associate are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's and its associate's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143 (10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company and its associate has in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

Other matters

Our aforesaid reports under Section 143 (3) (i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to the associate is based on the corresponding report of the auditor of the associate. Our opinion is not modified in respect of these matters.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31.03.2018

Note No : 1 Corporate Information and Significant Accounting Policies, judgments etc.

1.1 CORPORATE INFORMATION

Weizmann Limited ("the Company") is a Company domiciled in India, with its registered office situated at Empire House, 214, D.N. Road, Ent. A.K nayak Marg, Fort, Mumbai 400001. The Company has been incorporated under the provision of Indian companies Act and its equity shares are listed on National Stock Exchange and Bombay Stock Exchange in India. The company is primarily involved in the business of Textiles. The Consolidated financial statements comprise the company and its interest in Associates (referred to collectively as the Group).

1.2 BASIS OF PREPARATIONS AND SIGNIFICANT ACCOUNTING POLICIES

A Basis of preparation and presentation

i) Statement of Compliance

The Consolidated financial statements of the Company have been prepared to comply with the Indian Accounting standards ('Ind AS'), including the rules notified under the relevant provisions of the Companies Act, 2013.

Upto the year ended March 31, 2017, the Company has prepared its Consolidated financial statements in accordance with the requirement of Indian Generally Accepted Accounting Principles (GAAP), which includes Standards notified under the Companies (Accounting Standards) Rules, 2006 and considered as "Previous GAAP".

The accounts have been compiled on an accrual system based on principle of going concern.

These financial statements are the Company's first Ind AS Consolidated financial statements.

The Consolidated financial statements were authorised for issue by the company's board of directors on 29th May 2018

ii) Functional and Presentation Currency

Company's financial statements are presented in Indian Rupees, which is also its functional currency. All amounts have been rounded off to 2 decimal places to the nearest lakh and unless otherwise indicated

iii) Basis of measurement

The financial statements have been prepared on the historical cost basis except for following assets and liabilities which have been measured at fair value amount:

- Certain financial assets and liabilities,
- Defined benefit plans - plan assets/liabilities

B Basis of Consolidation

i) Associates

Associates are entity over which the group has significant influence but not control or joint control over the financial and operating policies

Interest in associates are accounted for using the equity method. They are initially recognised at cost which includes transaction cost. Subsequent to initial recognition, the consolidated financial statement include the group's share of profit or loss and other comprehensive income of equity accounted investees until the date on which significant influence cease.

ii) Equity Method

Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the group's share of the post acquisition profit or losses of the investee in profit and losses and the group's share of other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from associates are recognised as a reduction in the carrying amount of the investments.

When the group's share of losses in an equity debts accounted investment equals or exceeds its interest in the entity, including any other unsecured long term receivables, the group does not recognise further losses, unless it has

incurred obligations or made payments on behalf of the other entity.

iii) Transactions eliminated on consolidation

Intra-group balances and transactions, and any unrealised income and expenses arising from intra group transactions, are eliminated. Unrealised gains arising from transactions with equity accounted investees are eliminated against the investments to the extent of the groups interest in the investee. Unrealised losses are eliminated in the same way as unrealised gains but only to the extent that there is no evidence of impairment.

iv) Associate Company considered in the consolidated financial statements

Name of the Entity	Country of Incorporation	Ownership Interest %
Windia Infrastructure Finance Limited	India	23.62

v) Principles of Consolidation

The Consolidated financial statements relate to Weizmann Limited and its Associate Company.

The Consolidated financial statements have been prepared on the following basis -

Investment in Associates has been accounted under the equity method as per Ind AS 28 Investments in Associate and Joint Ventures.

C Summary of significant accounting policies

a i) Property, plant and equipment

Property, plant and equipment are stated at cost, net of recoverable taxes, trade discount and rebates less accumulated depreciation and impairment losses, if any. Such cost includes purchase price, borrowing cost and any cost directly attributable to bringing the assets to its working condition for its intended use.

Expenses incurred relating to project, net of income earned during the project development stage prior to its intended use, are considered as pre - operative expenses and disclosed under Capital Work - in - Progress.

ii) Depreciation

Depreciation is calculated on cost of items of property, plant and equipment less their estimated residual values over their estimated useful lives using the straight-line method and is recognised in the statement of profit and loss

The estimated useful lives of items of property, plant and equipment for the current and comparative periods are as follows:

Assets	Management estimate of useful life	Useful life as per Schedule II of the Companies Act, 2013
Plant and machinery	15 Years	15 Years
Building	30 Years	30 Years
Office equipment's	5 Years	5 Years
Furniture and fixtures	10 Years	10 Years
Vehicles	8 Years	8 Years

Depreciation method, useful lives and residual values are reviewed at each financial year-end and adjusted if appropriate. Based on internal assessment and consequent advice, the management believes that its estimates of useful lives as given above best represent the period over which management expects to use these assets

Depreciation on additions/disposals is provided on a pro-rata basis i.e. from/up to the date on which asset is ready for use/disposed off.

b Leases

Assets held under leases that do not transfer to the Company substantially all the risks and rewards of ownership (i.e. operating leases) are not recognized in the Company's Balance Sheet

Payments made under operating leases are generally recognized in profit or loss on a straight-line basis over the term of the lease unless such payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost

increases.

As a lessee

Leases of property, plant and equipment where the Company, as lessee, has substantially all the risks and rewards of ownership been classified as finance leases. Finance leases are capitalised at the lease's inception at the fair value of the leased property or, if lower, the present value of the minimum lease payments. The corresponding rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the profit or loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to profit or loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

As a lessor

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-line basis over the lease term unless the receipts are structured to increase in line with expected general inflation to compensate for the expected inflation.

c Borrowing Cost

Borrowing costs that are directly attributable to the acquisition or construction of qualifying assets are capitalised as part of the cost of such assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for its intended use.

All other borrowing costs are charged to the Statement of Profit and Loss for the period for which they are incurred.

d Inventories

Items of inventories are measured at lower of cost and net realisable value after providing for obsolescence, if any. Cost of inventories comprises of cost of purchase, cost of conversion and other costs including manufacturing overheads net of recoverable taxes incurred in bringing them to their respective present location and condition.

Cost of raw materials, chemicals, packing Materials, components, stores and spares and other products are determined on FIFO basis.

e Impairment of non-financial assets

The Company assesses at each reporting date as to whether there is any indication that any asset or group of assets, called cash generating units may be impaired. If any such indication exists the recoverable amount of an asset or cash generating units is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash generating units to which the asset belongs.

If the carrying amount of assets exceeds the recoverable amount on the reporting date, the carrying amount is reduced to the recoverable amount. The recoverable amount is measured as the higher of the net selling price and the value in use determined by the present value of estimated future cash flows.

f Provisions and Contingent liabilities

A provision is recognized if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assumptions of the time value of money and the risks specific to the liability. The unwinding of discount is recognized as finance cost.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at reporting date, taking into account the risks and uncertainties surrounding the obligation

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, the receivable is recognized as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

A provision for onerous contract is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract.

Contingent liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote

g Employee Benefits

Short Term Employee Benefits :

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

Post-Employment Benefits :

Defined Contribution Plans - A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service.

Defined Benefit Plans - The Company pays gratuity to the employees who ever has completed five years of service with the Company at the time of resignation / superannuation. The gratuity is paid @15 days salary for every completed year of service as per the Payment of Gratuity Act 1972 or otherwise contractually agreed with the employees.

The gratuity liability amount is contributed to the approved gratuity fund formed (LIC) exclusively for gratuity payment to the employees. The gratuity fund has been approved by Income Tax authorities.

The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

h Tax Expenses

Income tax comprises of current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income

Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date

Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes. Deferred tax is also recognised in respect of carried forward tax losses and tax credits.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used

Deferred tax assets recognised or unrecognised are reviewed at each reporting date and are recognised / reduced to the extent that it is probable / no longer probable respectively that the related tax benefit will be realised

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities

The Company offsets, the current tax assets and liabilities (on a year on year basis) and deferred tax assets and liabilities, where it has a legally enforceable right and where it intends to settle such assets and liabilities on a net basis

i Foreign currencies transactions

Transactions in foreign currencies are initially recorded by the company at their functional currency spot rates at the date of the transaction. Monetary assets and liabilities denominated in foreign currency are translated at the functional currency spot rates of exchange at the reporting date. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of the Company's monetary items at the closing rates are recognised as income or expenses in the period in which they arise. Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rates at the date of transaction. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined

j Revenue recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment.

Revenue from sale of goods is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government.

Revenue from rendering of service is recognised when the performance of agreed contractual task has been completed.

Interest Income - Interest income is recognised using Effective Interest Rate (EIR) method.

Income on Inter Corporate Deposits is accounted for on time accrual basis

It is the policy of the company to provide for all income and expenses on accrual basis.

Dividend Income - Revenue is recognised when the Company's right to receive the payment has been established.

k Financial instruments

i) Financial Assets

a Recognition and measurement

All financial assets and liabilities are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

A Financial asset is measured at amortized cost if it is held with objective to hold the asset in order to collect contractual cash flows as and when due.

A financial assets is measured at FVTOCI if it is held with an objective to achieve collecting contractual cash flows as and when due and selling financial assets.

A financial assets which is not classified under any of the above categories are measured at FVTPL.

b Investment in Associates

The Company has accounted for its investments in associates at cost.

c Other Equity Investments

All other equity investments and equity instruments held for trading are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

d Investment in Bonds

The Company has accounted for its investments in Bonds at amortised cost.

e Impairment of financial assets

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

f Derecognition

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the right to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial assets are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

ii) Financial liabilities

Recognition and measurement - All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

Derecognition

The Company derecognises a financial liability when its contractual obligations are discharged or cancelled or expire.

The Company also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and a new financial liability with modified terms is recognised in the statement of profit and loss.

iii) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or realise the asset and settle the liability simultaneously

I Cash and Cash Equivalents

Cash and Cash Equivalents consist of cash on hand, cash at banks, demand deposits from banks and short term, highly liquid instruments.

m Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share are computed by dividing the profit after tax as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on conversion of all dilutive potential equity shares.

n Classification of current/ non current assets and liabilities

All assets and liabilities are presented as current or non current as per the Company's normal operating cycle and other criteria set out in Schedule III of the Companies Act, 2013 and Ind AS 1 Presentation of financial statements. Based on the nature of products and the time between the acquisition of assets for processing and their realisation, the Company has ascertained its operating cycle as 12 months for the purpose of current/non current classification of assets and liabilities.

o Measurement of fair values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial assets and liabilities

The Company has an established control framework with respect to the measurement of fair values

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred

p Cash flow statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated. The company considers all highly liquid investments that are readily convertible to known amounts of cash to be cash equivalents.

1.3 ACCOUNTING JUDGEMENTS AND ESTIMATION OF UNCERTAINTY

a Depreciation and useful lives of property plant and equipment

Property, plant and equipment are depreciated over their estimated useful lives, after taking into account estimated residual value. Management reviews the estimated useful lives and residual values of the assets annually in order to determine the amount of depreciation to be recorded during any reporting period. The useful lives and residual values are based on the Company's historical experience with similar assets. The depreciation for future periods is revised if there are significant changes from previous estimates.

b Recoverability of trade receivable

Judgements are applied in assessing the recoverability of overdue trade receivables and determining whether a provision against those receivables is required.

c Provisions

Provisions and liabilities are recognized in the period when it becomes probable that there will be a future outflow of funds resulting from past operations or events and the amount of cash outflow can be reliably estimated. The carrying amounts of provisions and liabilities are reviewed regularly and revised to take account of changing facts and circumstances.

d Defined benefit obligations

The obligation arising from defined benefit plan is determined on the basis of actuarial assumptions. Key actuarial assumptions include discount rate, trends in salary escalation, actuarial rates and life expectancy. The discount rate is determined by reference to market yields at the end of the reporting period on government bonds. The period to maturity of the underlying bonds correspond to the probable maturity of the post-employment benefit obligations.

1.4 FIRST TIME ADOPTION OF IND AS

The Company has adopted Ind AS with effect from 1st April 2017 with comparatives being restated. Accordingly the impact of transition has been provided in the Opening Reserves as at 1st April 2016. The figures for the previous period have been restated, regrouped and reclassified wherever required to comply with the requirement of Ind AS and Schedule III.

Exemptions from retrospective application

i Business combination exemption

The Company has applied the exemption as provided in Ind AS 101 on non-application of Ind AS 103, "Business Combinations" to business combinations consummated prior to April 1, 2016 (the "Transition Date"), pursuant to which goodwill / capital reserve arising from a business combination has been stated at the carrying amount prior to the date of transition under Indian GAAP. The Company has also applied the exemption for past business combinations to acquisitions of investments in associates consummated prior to the Transition Date.

ii Deemed cost exemption for Property, Plant and Equipment

The Company has elected to measure items of property, plant and equipment at its carrying value at the transition date.

iii Investments in associates

The Company has elected to measure investment in at cost

1.5 Standards issued/amended but not yet effective

Ind AS 115- Revenue from Contract with Customers: On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018. In which, it has notified the Ind AS 115, Revenue from Contract with Customers. The objective of this Standard is to establish the principles that an entity shall apply to report useful information to users of financial statements about the nature, amount, timing and uncertainty of revenue and cash flows arising from a contract with a customer. The core principle of this Standard is that an entity shall recognise revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

This standard has come into force from April 1, 2018. The management of the company is under process of evaluating the effect on adoption of Ind AS 115 on the financial statements of next reporting date.

Appendix B to Ind AS 21, Foreign currency transactions and advance consideration:

On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018. In which, it has notified Appendix B to Ind AS 21, Foreign currency transactions and advance consideration, which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency.

The amendment has come into force from April 1, 2018. As per the evaluation of the management of the company, the effect of this amendment is not material to the company.

Equity Instruments held for Trading	108.80	-	-	99.12	-	-	93.12		-

The financial instruments are categorised into two levels based on the inputs used to arrive at fair value of measurements as described below :

Level 1 : Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments, traded bonds and mutual funds that have quoted price. The fair value of all equity instruments (including bonds) which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Level 2 : The fair value of financial instruments that are not traded in an active market (for example, traded bonds, over-the-counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2. The mutual funds are valued using the closing NAV.

Level 3 : If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities, contingent consideration and indemnification asset included in level 3.

c) Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- Credit risk;
- Liquidity risk; and
- Market risk

i risk management framework

The Company's Board of Directors has overall responsibility for the establishment and oversight of the Company's risk management framework. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks and adherence to limits. Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Company's activities. The Company, through its training and management standards and procedures, aims to maintain a disciplined and constructive control environment in which all employees understand their roles and obligations. The audit committee oversees how management monitors compliance with the company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company. The audit committee is assisted in its oversight role by internal audit. Internal audit undertakes both regular and ad hoc reviews of risk management controls and procedures, the results of which are reported to the audit committee.

ii Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investments in debts. The carrying amount of following financial assets represents the maximum credit exposure:

Trade and other receivables

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. However, management also considers the factors that may influence the credit risk of its customer base, including the default risk of the industry and country in which customers operate.

The Company establishes an allowance for impairment that represents its estimate of expected losses in respect of trade and other receivables.

At 31 March 2018, the Company is involved only in domestic sales and has no export sales. Hence, there is no credit risk exposure outside India.

iii Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

Exposure to liquidity risk

The following are the remaining contractual maturities of financial liabilities at the reporting date. The amounts are gross and undiscounted, and include estimated interest payments.

v Market risk

Market risk is the risk that changes in market prices – such as interest rates and equity prices – will affect the Company's income or the value of its holdings of financial instruments.

V Currency risk -

The Company is not exposed to currency risk on account of its borrowings and other payables in foreign currency. The functional currency of the Company is Indian Rupees. The Company does not use derivative financial instruments for trading or speculative purposes.

vi Interest risk -

At the reporting date the interest rate profile of the Company's interest-bearing financial instruments was as follows

₹ in lakh

Particulars	As at 31st March 2018	As at 31st March 2017
Fixed rate instruments		
Financial Liabilities		
Car Loan	69.92	14.43
Total	69.92	14.43

The company is not exposed to financial interest risk as the Company's borrowings are in fixed rate instruments.

Vii Price Risk

The company's investments in equity instruments held for trading and other investments carried at fair value through profit and loss are subject to price risk which may affect the profit and loss of the company.

To manage its price risk, the company diversifies its portfolio. Diversification of the portfolio is done based on internal review and limits decided by the management from time to time.

Reversal of revaluation reserve utilised in profit and loss account	(9.28)
Tax effect on Above	(2.11)
Net profit as per Ind AS	351.27

1 Note: Fair Valuation for Financial Assets-

The Company has valued financial assets (other than investment in Associates which are accounted at cost), at fair value. Impact of fair value changes as on date of transition, is recognised in opening reserves and changes thereafter are recognised in Statement of profit and Loss or other Comprehensive income, as the case may be.

2 Note: Deferred Tax-

The impact of transaction adjustments together with Ind AS mandate of using balance sheet approach (against profit and loss approach in the previous GAAP) for the computation of deferred taxes has resulted in changes to the reserves, on the date of transition, with consequential impact to the statement of profit and loss for the Subsequent periods.

3 Note: Remeasurements of post-employment benefit obligation

Under Previous GAAP the Company recognised actuarial gains and losses in the Statement of Profit and Loss. Under Ind AS, re-measurements, i.e., actuarial gains and losses, the return on plan assets excluding amounts included in net interest on the net defined benefit liability are recognised in Other Comprehensive Income instead of Statements of Profit and Loss.

4 Note: Dividend and Dividend Distribution Tax

The company pursuant to Amendment to Accounting Standard 4 – “Contingencies and Events occurring after the Balance Sheet date” effective from 30.03.2016 and in accordance with INDAS 10 – Events after the Reporting Period have recorded the dividend amount for year ended March 31, 2017 approved by the Shareholders at the Annual General Meeting held in F.Y. 2017-18, in the Reserves and Surplus of the Financial Statements for F.Y. 2017-18.

5 Note: Other Adjustments

To comply with the Companies (Accounting Standard) Rules, 2006, certain account balances have been regrouped as per the format prescribed under Division II of Schedule III to the Act.
