RESEARCHING TODAY TO INNOVATE TOMORROW

BGPL Group is continually seeking advancement in its activities as it aspires to improve the quality of life of its customers. The company strives to innovate its products and services to meet specific healthcare needs. BGPL group has been leading in its field and the activities pronounces absolute Quality by design while delivering products with adequate importance in defined packings, innovating products has been our hallmark in our said field.

Bliss GVS Group has worked tirelessly for the last three decades in order to develop a reputation to ensure improved accessibility to all its products and services. We feel honoured and privileged that our line of work helps to contribute extensively in the lives of patients.

This gives the company infinite courage and motivation in persevering and continually expanding its operations in order to create a greater impact in the existing and new markets globally.

Managing Director's Message to Shareholders

Dear Shareholders,

It gives me great pleasure to present our Company's 33rd Annual Report. In a nutshell:

Our consolidated operational revenue for the year FY18 changed from last year of ₹ 8,024 Mn to ₹ 8,151 Mn (an increase of 1.6%). On a yearly basis, EBITDA has gone down from ₹ 2,028 Mn in FY17 to ₹ 1,971 Mn in FY18 (decrease of 2.8% on Y-o-Y basis). Our consolidated PAT for FY18 is ₹ 886 Mn in comparison to ₹ 1,127 Mn in FY17.

Since majority of the company's sales are export driven and are

primarily from the African countries, the decline in Standalone FY18 Sales was due to the economic instability and currency devaluations in those countries.

Major Sub-Saharan African economies have been experiencing economic turbulence and currency re-rating & devaluations, we were able to insulate to a large extent our existing revenues from these markets, however, it did have an impact on the growth rates. We anticipate that as these economies rebound it will help us to bring the sales growth back on track.

In FY18, the board of directors decided to divest their subsidiary company, Bliss GVS Healthcare Ltd. The decision was made to lessen the dependence on tender driven managed healthcare business and give further focus to the growing pharmaceutical business. In return for the divestment of Bliss GVS Healthcare Ltd, the company received a total consideration of USD 12 Mn in April, 2018.

Hence, the company decided to go forward with the divestment and focus on the core pharmaceutical operations of the business.

The net proceeds from this transaction will be used to repay a portion of the company's debt, fund capital expenditure for the expansion of company's manufacturing facility as well as incentivise our shareholders.

During FY18, Kremoint Pharma Pvt. Ltd., India, a 70% subsidiary of BGPL has acquired 60% stake in Echo Rich Cosmetic India Pvt. Ltd., a Mumbai based company engaged in manufacturing of cosmetic, personal & healthcare OTC Pharma products. Their basket of products will further enhance BGPL's product portfolio.

The company's existing business is majorly generated from anti-malarial, anti-fungal & anti-bacterial segments. The existing and upcoming registrations in other therapeutic segments such as antibiotic, anti-inflammatory, anti-diabetic, anti-hypertensive, cough & cold, etc. will help us gain market share.

Bliss GVS has enjoyed a 26% CAGR over the last three years. I strongly believe that this is a direct result of the organization being true to its principles. In response to growing customer demands, we have continuously enhanced our R&D and production capabilities and expanded our product portfolio across dosage forms and therapeutic segments. Today, I am proud to say that our distribution portfolio comprises 250+ products that are consumed across 64 countries. Specifically, we are among the world-leaders in the Suppositories and Pessaries dosage form and our brands are recognized among the leading ones in the generic anti-malarial segment in most African countries. Over the years, we have thus successfully shaped sustainable business relationships across the globe that will provide the backbone for continued future growth.

One of the great privileges of working in the pharmaceutical industry is the opportunity to directly contribute towards the advancement of human quality of life. This has always been our greatest source of purpose in propelling Bliss GVS forward.

Once again, our pharmaceutical business delivered stable results despite a challenging macroeconomic environment in some of our markets. We continue to retain our leadership positions in antimalarials across Sub-Saharan African (SSA) markets – our key brands of Lonart and P-Alaxin delivered strong numbers across the board. Our flagship brands of Funbact and Lofnac are household names in anti-fungal dermatology and pain management respectively across Anglo-West Africa and East African markets and continue to grow in these markets.

Our efforts to grow our business outside SSA markets are also showing healthy signs with encouraging developments in both South-East Asian and CIS regions. The efforts in these regions are largely focused on the suppositories and pessaries segment, where our niche expertise provides a key differentiating factor. The company has recently entered the Phillipines market & also opened offices in Myanmar & Vietnam for registration & marketing of our products.

Our continued investments in R&D will help drive these new initiatives in current and new markets. I am confident that it is well-placed to build on recent investments made in R&D and marketing to expand our presence in existing markets and build a solid business in new markets.

To conclude, I would like to sincerely thank all shareholders, partners and employees for their support over the last year. I believe the organization is well-placed to drive growth in the years to come and look forward to this continuing support from all stakeholders.

Yours sincerely,

S. N. Kamath

Managing Director

Pharmaceuticals

Bliss GVS Pharma is a fast growing pharmaceutical company with a proven track record of developing, manufacturing, and marketing high quality branded formulations at affordable prices.

COUNTRIES

Current Operations

Planned Expansion

BGPL Offices

Brand building is central to BGPL's strategy in Sub-Saharan Africa markets.

BGPL has a leadership position in Anti-Malarial, Anti-Fungal Dermatological, Anti-Inflammatory branded formulations across Sub-Saharan African markets with brands across various dosage forms – tablets, suspensions, suppositories and injections.

It is a world leader in Suppositories and Pessaries dosage forms with one of the largest product portfolios in this segment.

The company's brands such as Lonart, P-Alaxin, Funbact and Lofnac command leadership positions across Sub-Saharan African countries in antimalarial, anti-fungal and anti-inflammatory segments.

Brand leaders in Anti-Malarials

BGPL is a leading player in the anti-malarial branded formulations segment, which is a prized opportunity given the percentage of malaria cases in the African continent with numerous countries, where approximately 90% of global cases of malaria are prevalent. BGPL's anti-malaria Brands Lonart, P-Alaxin are leaders in their segments across east and west of Africa.

Key Achievements in Anti-Malarial Segment

Only company to offer Artesunate across two dosage forms:

- Injections 30/60/120 mg
- 50/100/200 mg

Pioneers in launching:

6 dose Artemether + Lumefantrine combination with "Lonart DS"

First to introduce:

Dihydroartemisinin + Piperaquine combination suspension with "P-Alaxin Suspension", P-Alaxin TS Tabs

Key Brands in Cream and Ointment Segment

- Funbact - A

- Lofnac gel, Suppositories

Pioneers & Leaders in Suppositories & Pessaries

BGPL has three decades of experience, which has enabled the company to gain niche expertise in the development and manufacturing of suppositories. BGPL is the world's largest manufacturer of suppositories and pessaries.

Suppository is a niche dosage form, which is a medication through anal/vaginal route of administration and is a drug delivery system, which is being used to deliver a wide range of therapeutic segments for local as well systemic effect, with less or no side effects. Pessaries are a type of suppository intended for vaginal use. It is most prevalently used in the Europe, Japan, Africa & the US

And as the population ages in the coming decades, there is enormous potential in these largely untapped markets with huge market potential and its major applications are in pediatrics, geriatrics & gynaecology.

It is worth highlighting that we are the only EU-GMP certified suppositories and pessaries manufacturer in India with one of the largest product portfolio in this segment.

The company has the most extensive product offerings in suppositories across various therapeutic categories such as Anti-haemorrhoidal, Laxative, Anti-inflammatory, Anti-emetic, Anti-depressant, etc.

The company's Gsunate brand of Artesunate suppositories is already available in a number of African countries and it is their mission to make it available in all malaria-prone regions.

The Company has expanded its Suppositories and Pessaries footprint into over 60 countries in the last ten years and is an in-license contract-manufacturer for suppositories for leading players like Sanofi, Sun Pharma, Alkem, Mankind and Intas.

BGPL is promoting contraceptive pessaries with its well-known Women's Contraceptive brand, 'Today'.

BGPL is the only EU-GMP certified suppositories and pessaries manufacturer in India with one of the largest product portfolio in this segment.

Voting through Electronic Means:

The Company is pleased to offer e-voting facility to all its members to enable them to cast their vote electronically in terms of Section 108 of the Companies Act, 2013 read with the Companies (Management and Administration) Rules, 2014 and as per listing agreement (including any statutory modification or re-enactment thereof for the time being in force). Accordingly, a member may exercise his vote by electronic means and the Company may pass any resolution by electronic voting system in accordance with the below provisions, through the e- voting services provided by CDSL.

The instructions for shareholders voting electronically are as under:

- (i) The voting period begins on August 21, 2018 at 9.00 a.m. and ends on August 23, 2018 at 5.00 p.m. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of August 17, 2018 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

- (ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.
- (iii) The shareholders should log on to the e-voting website www.evotingindia.com.
- (iv) Now to cast your vote: Click on Shareholders.
- (v) Now Enter your User ID
 - a. For CDSL: 16 digits beneficiary ID,
 - b. For NSDL: 8 Character DP ID followed by 8 Digits Client ID,
 - c. Members holding shares in Physical Form should enter Folio Number registered with the Company.
- (vi) Next enter the Image Verification as displayed and Click on Login.
- (vii) If you are holding shares in demat form and have logged on to www.evotingindia.com and voted on an earlier voting of any company, then your existing password is to be used.

(viii) If you are a first time user follow the steps given below:

	For Members holding shares in Demat Form and Physical Form
PAN	<p>Enter your 10 digit alpha-numeric *PAN issued by Income Tax Department (Applicable for both demat shareholders as well as physical shareholders)</p> <ul style="list-style-type: none"> Members who have not updated their PAN with the Company/Depository Participant are requested to use the first two letters of their name and the 8 digits of the sequence number in the PAN field. In case the sequence number is less than 8 digits enter the applicable number of 0's before the number after the first two characters of the name in CAPITAL letters. Eg. If your name is Ramesh Kumar with sequence number 1 then enter RA00000001 in the PAN field.
Dividend Bank Details OR Date of Birth (DOB)	<p>Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login.</p> <ul style="list-style-type: none"> If both the details are not recorded with the depository or company please enter the member id / Folio number in the Dividend Bank details field as mentioned in instruction (v).

- (ix) After entering these details appropriately, click on "SUBMIT" tab.
- (x) Members holding shares in physical form will then directly reach the Company selection screen. However, members holding shares in demat form will now reach 'Password Creation' menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended not to share your password with any other person and take utmost care to keep your password confidential.
- (xi) For Members holding shares in physical form, the details can be used only for e-voting on the resolutions contained in this Notice.
- (xii) Click on the EVSN for the relevant "BLISS GVS PHARMA LIMITED" on which you choose to vote.
- (xiii) On the voting page, you will see "RESOLUTION DESCRIPTION" and against the same the option "YES/NO" for voting. Select the option YES or NO as desired. The option YES implies that you assent to the Resolution and option NO implies that you dissent to the Resolution.
- (xiv) Click on the "RESOLUTIONS FILE LINK" if you wish to view the entire Resolution details.
- (xv) After selecting the resolution you have decided to vote on, click on "SUBMIT". A confirmation box will be displayed. If you wish to confirm your vote, click on "OK", else to change your vote, click on "CANCEL" and accordingly modify your vote.
- (xvi) Once you "CONFIRM" your vote on the resolution, you will not be allowed to modify your vote.
- (xvii) You can also take a print of the votes cast by clicking on "Click here to print" option on the Voting page.
- (xviii) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.
- (xix) Shareholders can also cast their vote using CDSL's mobile app m-Voting available for android based mobiles. The m-Voting app can be downloaded from Google Play Store. iPhone and Windows phone users can download the app from the App Store and the Windows Phone Store respectively on or after June 30, 2016. Please follow the instructions as prompted by the mobile app while voting on your mobile.
- (xx) Note for Non – Individual Shareholders and Custodians
- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodian are required to log on to www.evotingindia.com and register themselves as Corporates.
 - A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to helpdesk.evoting@cdslindia.com.

- After receiving the login details a Compliance User should be created using the admin login and password. The Compliance User would be able to link the account(s) for which they wish to vote on.
- The list of accounts linked in the login should be mailed to helpdesk.evoting@cdslindia.com and on approval of the accounts they would be able to cast their vote.
- A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.

(xxi) In case you have any queries or issues regarding e-voting, you may refer the Frequently Asked Questions ("FAQs") and e-voting manual available at www.evotingindia.com.

evotingindia.com, under help section or write an email to helpdesk.evoting@cdslindia.com.

(xxii) The Company has appointed M/s. Ramesh Chandra Mishra & Associates, Practicing Company Secretaries (C.P. No. 3987 and FCS No. 5477) as the Scrutinizer for conducting the e-voting process in fair and transparent manner.

(xxiii) A copy of this notice has been placed on the website of the Company and the website of CDSL.

(xxiv) In case of Members who are entitled to vote but have not electronic means, the Chairman of the Company will order a poll on his own motion or on demand at the Meeting in terms of Section 109 of the Companies Act, 2013 for all businesses specified in the accompanying Notice.

YEARLY REVIEW:

The Company has successfully completed 33 years of operations this year. The Company is a fast-growing Pharmaceutical Company with a proven track record of developing, manufacturing and marketing high quality pharmaceutical formulations at affordable prices for the global markets that have reported an encouraging performance for the year ended March 31, 2018.

The Company has disinvested the following subsidiaries -

- Lifeon Labs Private Limited;
- Bliss Indasi Lifescience Private Limited;
- Shree Salespack Private Limited;

and disinvested materially significant step down subsidiary Bliss GVS Healthcare Limited, Nairobi to focus on its core pharmaceutical operations, which have been a steady source of growth after obtaining necessary approval from the members of the Company.

STANDALONE FINANCIAL RESULTS:

BOARD EVALUATION:

SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 mandates that the Board shall monitor and review the Board evaluation framework. The Companies Act, 2013 states that a formal annual evaluation needs to be made by the Board of its own performance and that of its committees and individual directors. The Schedule IV of the Companies Act, 2013 states that the performance evaluation of independent directors should be done by the entire Board of Directors, excluding the director being evaluated.

The evaluation of all the directors and the Board as a whole was conducted based on the criteria and framework adopted by the Board. The Board approved the evaluation results alongwith evaluation done by the Nomination and Remuneration Committee.

PERFORMANCE OF THE BOARD AND COMMITTEES:

During the year under review, the performance of the Board & Committees and Individual Director(s) based on the below parameters was satisfactory:

- (i) All Directors had attended the Board meetings;
- (ii) The remunerations paid to Executive Directors are strictly as per the Companies Act, 2013 and industry policy.

- (iii) The Independent Directors only received sitting fees.
- (iv) The Independent Directors contributed significantly in the Board and committee deliberation and business and operations of the Company and subsidiaries based on their experience and knowledge and Independent views.
- (v) The Credit Policy, Loan Policy and compliances were reviewed periodically;
- (vi) Risk Management Policy was implemented at all critical levels and monitored by the Internal Audit team who places report with the Audit committee and Board.

MEETING OF INDEPENDENT DIRECTORS:

Pursuant of the provision of Section 149 (8) of the Companies Act, 2013 read with Schedule IV and Regulation 25 of SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015, the Independent Directors of the Company held their meeting on March 27, 2018 reviewed the performance of non- independent directors and the Board as a whole including the Chairperson of the Company, views expressed by the executive directors and non-executive directors at various level, and quantified the quality, quantity and timeliness of flow of information between the Company, management and expressed their satisfaction.

POLICY ON DIRECTORS APPOINTMENT AND REMUNERATION:

The current policy is to have an appropriate mix of executive and independent directors to maintain the independence of the Board and separate its functions of governance and management. As on March 31, 2018, the Board consists of 7 members. Out of which one is the Managing Director, two are Whole Time Directors. The Whole time Directors are Women Director's.

The policy of the Company on directors appointment and remuneration, including criteria for determining qualifications, positive attributes, independence of a director and other matters provided under Sub section (3) of Section 178 of the Companies Act, 2013, adopted by the Board and are stated in this Board report. We affirm that the remuneration paid to the directors is as per the terms laid out in the nomination and remuneration policy of the Company.

FAMILIARIZATION PROGRAMME FOR INDEPENDENT DIRECTORS:

The Company keeps its Directors informed of the activities of the Company, its management and operations and provides an overall industry perspective as well as issues being faced by the industry in a proactive manner.

COMMITTEES OF THE BOARD:

Currently, the Board has Six Committees: 1) Audit Committee, 2) Nomination and Remuneration Committee, 3) Stakeholders Relationship Committee, 4) Shares Transfer Committee, 5) Corporate Social Responsibility Committee and 6) Health and Safety Committee.

A detailed note on the Board and its Committees is provided under the Corporate Governance Report that forms part of this Annual Report.

NOMINATION AND REMUNERATION COMMITTEE AND STAKEHOLDERS RELATIONSHIP COMMITTEE:

Pursuant to the Section 178 of the Companies Act, 2013, the Company has set up a Nomination and Remuneration and Stakeholders Relationship Committee. A detailed note on the composition of the Committees is provided in the corporate governance report section of this Annual Report.

The Key Features of the Policy of the said committee are as follows:

- a. Any person who is between the age of 25 years and below 75 years eligible to become Independent Director(ID);
- b. He has to fulfill the requirements as per section 149 of the Companies Act, 2013 read with Regulation 25 of SEBI (Listing Obligations and Disclosures Requirements) Regulations, 2015 ;
- c. Adhere to the code of conduct as per Schedule IV to the Companies Act, 2013;
- d. Strictly adhere to the Insider Trading Regulation of the SEBI and Insider Trading policy of the Company;
- e. Independent Director should have adequate knowledge and reasonably able to contribute to the growth of the Company and stakeholders;
- f. Independent Director should be able to devote time for the Board and other meetings of the Company;
- g. Entitled for sitting fees and reasonable conveyance to attend the meetings; and
- h. Able to review the policy, participate in the meeting with all the stakeholders of the company at the Annual General Meeting.

CORPORATE SOCIAL RESPONSIBILITY:

Bliss GVS being a pharmaceutical Company is committed to improve the health of the general public at large and the Company is well known for its Quality and Reliability for over

three decades. The present CSR initiatives focuses on recognized activities mentioned in Schedule VII of the Companies Act, 2013 in areas of Eradicating hunger, poverty and malnutrition, Education & Skill Development, Health care including preventive health care and various Women Empowerment activities. The CSR policy is available on the website of the Company and the Annual Report on Corporate Social Responsibility (CSR) activities as required under Section 135 of the Companies Act 2013 is annexed as *Annexure- III* to this Report. The Company would also undertake other need based initiatives in compliance with Schedule VII to the Companies Act 2013.

Over the years, we have been striving to achieve a fine balance of economic, environmental and social, while also paying attention to the needs and expectations of our internal as well as external stakeholders. Our corporate social responsibility is not limited to philanthropy, but encompasses holistic community development, institution building and sustainability related initiatives.

DIRECTORS' RESPONSIBILITY STATEMENT:

Pursuant to the Section 134(3) (c) and Section 134 (5) of the Companies Act, 2013, the Board of Directors of the Company hereby confirm:

- (i) That in the preparation of the accounts for the financial year ended March 31, 2018, the applicable accounting standards have been followed along with proper explanation relating to material departures;
- (ii) That the Directors have selected such accounting policies and applied them consistently and made judgments and estimates that were reasonable and prudent so as to give a true and fair view of the state of affairs of the Company at the end of the financial year and of the profit and loss of the Company for the year under review;
- (iii) That the Directors have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Companies Act, 2013 for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- (iv) That the Directors have prepared the accounts for the financial year ended March 31, 2018 on a 'going concern' basis.
- (v) The internal financial controls are laid and have been followed by the Company and that such controls are adequate and are operating effectively. Such controls means controls and policies and procedures adopted and adhered

by the Company for orderly and efficient conduct of the business for safeguarding assets, prevention and detection of frauds and errors and maintenance of accounting records and timely preparation of financial statements and review its efficiency.

- (vi) The Directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

RISK MANAGEMENT POLICY:

The Company has developed Risk Management Policy mainly covering the following areas of concerns:

1. On the international currencies front, volatility of exchange rate is a matter of concern for a Company because major sales are in the form of exports worldwide besides corresponding imports in foreign currency for key raw materials. However, the risk associated with currency fluctuation has been mitigated by effective forex management policy.
2. Lack of clarity on future Government policies abroad continues to be an area of major concern for the industry. The exact impact of this cannot be assessed until the proposed changes are actually introduced and implemented.
3. In line with the overall growth objective and strengthening of infrastructure base, the Company had invested in Information Technology (IT) viz. SAP Enterprising Resource Planning system for leveraging its business values.

VIGIL MECHANISM / WHISTLE BLOWER POLICY:

In terms of the provisions of Section 177(9) of the Companies Act, 2013, the Company has implemented a vigil mechanism named Whistle Blower Policy to deal with instance of fraud and mismanagement, if any, in staying true to our values of Strength, Performance and Passion and in line with our vision of being one of the most respected companies in India, the Company is committed to the high standards of Corporate Governance and stakeholder responsibility.

A high level Committee has been constituted which looks into the complaints raised. The Committee reports to the Audit Committee and the Board. The Whistle Blower Policy ensures that strict confidentiality is maintained whilst dealing with concerns and also that no discrimination will be meted out to any person for a genuinely raised concern.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Board has adopted the policies and procedures for ensuring the orderly and efficient conduct of its business, including

adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial disclosures.

The Company has an Internal Control System, commensurate with the size, scale and complexity of its operations. To maintain its objectivity and independence, the Internal Audit function reports to the Chairman of the Audit Committee.

The Internal Audit Department monitors and evaluates the efficacy and adequacy of internal control system in the Company, its compliance with operating systems, accounting procedures and policies at all locations of the Company.

Based on the report of internal audit function, process owners undertake corrective action in their respective areas and thereby strengthen the controls. Significant audit observations and recommendations along with corrective actions thereon are presented to Board.

M/s. Narendra Dighe & Co. – Chartered Accountants are the Internal Auditor of the Company.

STATUTORY AUDITORS:

At the Annual General Meeting held on September 26, 2017, M/s. Kalyaniwalla & Mistry LLP (Chartered Accountants) were appointed as statutory auditors of the Company to hold office till the conclusion of the Annual General Meeting to be held in the calendar year 2022.

In terms of the first proviso to Section 139 of the Companies Act, 2013, the appointment of the auditors shall be placed for ratification at every Annual General Meeting upto 2022. Accordingly, the appointment of M/s. Kalyaniwalla & Mistry LLP, Chartered Accountants, as statutory auditors of the Company, is placed before the shareholders for ratification.

In this regard, the Company has received a certificate from the auditors to the effect that if they are re-appointed, it would be in accordance with the provisions of Section 141 of the Companies Act, 2013.

AUDITORS REPORT:

The Auditors have not made any qualification to the financial statement. Their reports on relevant notes on accounts are self-explanatory and do not call for any comments under section 134 of the companies Act, 2013.

ANNEXURE – II

Management's Discussion and Analysis Report

GLOBAL ECONOMY OVERVIEW

The acceleration in global activity that started in 2016 gathered steam in 2017, reflecting firmer domestic demand growth in advanced economies and improved performance in other large emerging market economies. Global growth is expected to sustain for the next couple of years and has also accelerated mainly in the emerging market and developing economies due to the commodity exporters. Global growth is set to be just over 3.5% in this calendar year 2018, the fastest for seven years, with improved outcomes in both advanced economies and the Emerging Market Economies. The US taxation policy has stimulated the growth in the country primarily driven by increase in investments in USA due to favourable corporate tax rate. Although the global economy has grown at a seven year high in the near term it is expected that the economy will see a sharp turn over the long term horizon and is subjected to substantial downside risk mainly due to increased protectionist policies, possibility of financial stress and rising geo political tensions.

Confidence measures and levels of new orders for businesses have remained strong. This long awaited lift to global growth, supported by policy stimulus, is being accompanied by solid employment gains, a moderate upturn in investment and a pick-up in trade growth. The continued expansion depends on robust global growth and governments' support for right trade policies. However, there are signs that escalating trade tensions may already be affecting business confidence and investment decisions, which could compromise the current outlook.

(Source: IMF, IRENA & WORLD BANK)

INDIAN ECONOMY OVERVIEW

Indian economic growth is giving a positive signal for the current and future scenario. It is projected to strengthen to above 7%, gradually recovering from the transitory adverse impact of rolling out the Goods and Services Tax (GST) and measures to choke off the black economy, including demonetization. India's GDP grew 7.2% in the third quarter of 2018, surpassing expectations and wresting back the mantle of fastest growing economy from China on the back of a rebound in industrial activity, especially manufacturing and construction, and an expansion in agriculture. Reserve Bank of India has estimated GDP growth in a range from

7.4% to 7.9% for the Financial Year 2019-2020. (Source: OECD and Economic Times)

The biggest challenges for 2018 are as to how the economy can maintain its recovery in the face of increasing inflationary pressures, coupled with a higher fiscal deficit as well as an increasing debt burden. The key to this conundrum lies in the revival of consumer demand and private investment.

Fiscal deficit for 2017-18 is revised to INR 5.95 lakh Cr at 3.5% of the GDP which is approximately the same as 2016-17 in spite of transformation in the economy. In addition to initiatives like; 'Make in India', 'Housing for All', 'Digital India', the Government has also introduced 'Sagarmala' and 'Bharat Mala' initiatives, which is expected to boost the domestic growth of the country.

(Source: IBEF and Trading Economics)

GLOBAL PHARMACEUTICAL INDUSTRY

According to Statista, it is expected that the pharmaceutical market in the so-called pharmerging markets will have a compound annual growth rate of 6 to 9 percent between 2016 and 2020.

Whereas Middle East North Africa (MENA) region's pharmaceutical market to post a CAGR of 8.3% between 2016 and 2019 with the Middle East sub-region posting a 8.2% CAGR and the North Africa sub-region experiencing a 8.5% CAGR in the same period.

In comparison, the African market is the second fastest growing pharmaceuticals market in the world growing at 10.6% CAGR & expected to reach a market size of 2.9 Trillion by 2020. The Sub-Saharan Africa (SSA) region's pharmaceutical market is projected to post a CAGR of 6.9% between 2016 and 2019 with the West Africa sub-region posting a 7.3% CAGR and the East and Central Africa sub-region posting a 8.4% CAGR in the same period.

INDIAN PHARMACEUTICAL INDUSTRY

The Indian pharmaceutical sector was valued at USD 33 billion in 2017. The country's pharmaceutical industry is expected to expand at a CAGR of 22.4 per cent over 2015-20 to reach USD 55 billion. In March 2018, the market grew at 9.5 per cent year-on-year with sales of INR 10,029 crore (USD 1.56 billion). The Indian pharmaceutical market (IPM) accounts for ~1.5% of the global pharmaceutical industry in value terms and 20% in volume terms.

India's pharmaceutical exports stood at USD 17.27 billion in 2017-18 and are expected to reach USD 20 billion by 2020. Within exports, entry barriers are significantly higher in the regulated markets as compared to semi-regulated markets due to stringent regulatory norms in the regulated market.

Going forward, better growth in domestic sales would also depend on the ability of companies to align their product portfolio towards chronic therapies for diseases such as cardiovascular, anti-diabetes, anti-depressants and anti-cancers that are on the rise.

The Indian government has taken many steps to reduce costs and bring down healthcare expenses. Speedy introduction of generic drugs into the market has remained in focus and is expected to benefit the Indian pharmaceutical companies. In addition, the thrust on rural health programmes, life saving drugs and preventive vaccines also augurs well for the pharmaceutical companies.

The domestic market is concentrated at the top with the top ten players controlling about 38 per cent of the total formulations sales. The market is dominated majorly by branded generics, which constitutes nearly 70% of the overall market. Over the counter (OTC) medicines and patented drugs constitute 21% and 9% respectively. By 2020, India is likely to be among the top three pharmaceutical markets by incremental growth and 6th largest market globally in absolute size.

Bliss GVS is a leading player in the antimalarial branded formulations segment which is a prized opportunity given the percentage of malaria cases in the African continent, where approximately 90% of global cases of malaria are prevalent.

The market size of suppositories would be around 3-5% of the pharmaceutical industry & suppository has gained popularity as a dosage form to best address a variety of challenges with the delivery of medicine with major benefit of suppositories being the rapid absorption of the drug from the drug product. It is most prevalently used in the Europe, Japan, Africa & the US. And as the population ages in the coming decades, there is enormous potential in these largely untapped markets with huge market potential & its major applications are in pediatrics, geriatrics & gynaecology.

Consolidated			
Operational Income	8,151	8,024	1.6%
EBITDA	1,971	2,028	(2.8)%
EBITDA Margin	24.18%	25.27%	(109)Bps
Net Profit	886	1,127	(21.38)%

Company Wise Financial Performance

Our consolidated revenue for the year FY18 changed from last year of INR 8,024 Mn to INR 8,151 Mn an increase of 1.6%. On a yearly basis, EBITDA has gone from INR 2,028 MN in FY17 to 1,971 Mn INR in FY18 (decrease of 2.8% on Y-o-Y basis). Our consolidated PAT for the FY18 is INR 886 Mn in comparison to INR 1,127 Mn in FY17.

Revenue Breakup of therapeutic segments (FY18)

For FY18 the revenue share from therapeutic segment of anti-malarial was the highest at 29%, following behind it were the therapeutic segments, which contributed significantly. They were antifungal and antibacterial at 19%, anti-inflammatory at 10%, antibiotic at 9% and other therapeutic segments sharing about 24%.

RESEARCH AND DEVELOPMENT

BGPL has dedicated the R&D Centre for development of Suppositories, Semi Solids and Oral Solids with an experienced Team of 50+ Scientists for formulation development and analytical method development and certified by the Department of Scientific & Industrial Research (DSIR), Government of India. The R&D Centre follows stringent guidelines based on Good Laboratory Practices and is well equipped with all the required instruments like Particle Size Analyser, Gas Chromatography, High-Performance Liquid Chromatography, Dissolution Tester, Stability Chambers and Lab Scale Manufacturing machines. The company is further increasing their manpower for R&D with a sole purpose of innovating & going global.

CHALLENGES

The endlessly changing global regulations proved to be the biggest hurdle faced by pharmaceutical companies. Bliss GVS Ltd, an export-oriented company, had to stay updated with the changing regulations across more than 60 markets to ensure an efficient deliverance of products and services. The company gives value to its teams, who are stringently overseeing regulatory affairs and quality control, while being constantly updated with the latest guidelines. This in turn minimizes risks while operating in the pharmaceutical industry.

The company also faced additional challenges while exporting to nations experiencing currency devaluations. Such fluctuations create a varied impact on the revenue of any pharmaceutical company and thus persists in being a critical risk factor for all such enterprises to monitor.

As regulatory demands continue to increase, maintaining lower costs prove to be yet another challenge faced by pharmaceutical companies.

OPPORTUNITIES & FUTURE OUTLOOK

The company's established brand operations in existing markets provide an ideal platform to extend Bliss GVS product portfolio & build new revenue streams. The ultimate focus of the company is creating & building brands in the finished formulations space and enjoy a strong leadership position in the sub-shaharan African markets.

Bliss GVS's three decades of expertise in the development, manufacturing and marketing suppositories and pessaries is a key area of strength that the firm continues to capitalise on and due to increased awareness about safety & efficacy of suppositories, there is a continuous increase in demand in the international as

well as domestic markets and the overall market for this dosage form will continue to grow at a faster pace.

In order to achieve this goal, the company is committed to increasing our global reach whilst incorporating efficiency throughout our production and supply chain processes. Efforts are currently underway to adapt and expand our product distribution across Europe, South America, Asia-Pacific, Russia & CIS countries. They are scaling-up their capabilities across all functions including R&D to facilitate this expansion.

INTERNAL CONTROL SYSTEM AND ADEQUACY

The internal control systems provide for well-defined policies, guidelines and authorizations and approval procedures. The Company has imbibed internal control procedures commensurate operations and capacities. These business procedures ensure optimum use and protection of the resources, to ensure that all assets are safeguarded against loss from unauthorized use or disposition, compliance with the requisite policies, procedures and statutes. Audits are conducted on an on-going basis and significant deviations are brought to the notice of Audit Committee and Board of Directors following which corrective action is recommended for implementation.

The Audit Committee of the Board of Directors approves and reviews audit plans for the year based on internal risk assessment. All these measures facilitate timely detection of any irregularities and proactive remedial steps.

The prime objective of internal audit is to test the adequacy and effectiveness of the internal controls laid down by management and to suggest constructive improvements in a time bound manner.

ANNEXURE - III TO DIRECTOR'S REPORT

Annual Report On Corporate Social Responsibility (CSR) Activities For The Financial Year 2017-2018

ANNEXURE - IV

Secretarial Audit Report

for the financial year ended March 31, 2018

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,

The Members,

Bliss GVS Pharma Limited

Mumbai

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Bliss GVS Pharma Limited (hereinafter called "the Company").

Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing my opinion thereon.

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2018 according to the provisions of:

1. The Companies Act, 2013 (the Act) and the rules made thereunder;
2. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
3. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
4. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings.

The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):

5. The Securities and Exchange Board of India (Listing Obligations and Disclosures Requirements) Regulations, 2015;
6. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
7. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992 and 2015;

8. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
9. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 - Not Applicable to the Company during the Audit Period;

Other laws applicable specifically to the Company namely:

10. Foods and Drug Administration;
11. Food Safety and Standard Act, 2006;
12. Drugs and Cosmetics Act, 1940;
13. Drugs and Magic Remedies (Objectionable Advertisement) Act, 1954;
14. Drugs Pricing Control Order, 2013;
15. Pharmacy Act, 1948;
16. Narcotic Drugs and Psychotropic Substances Act, 1985;
17. Information Technology Act, 2000 and the rules made thereunder ;
18. The Payment of Gratuity Act, 1972;
19. The Factories Act, 1948.

We have also examined compliance with the applicable clauses of the followings:

20. Secretarial Standard issued by The Institute of Company Secretaries of India.
21. The Listing Agreements/Regulations entered into by the Company with BSE Limited and National Stock Exchange of India Limited.

We report that, during the year under review, the Company has complied with the provisions of the Acts, rules, regulations and guidelines mentioned above.

We further report that, there were no actions / events in pursuance of:

1. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
2. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
3. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
4. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998, requiring compliance thereof by the Company during the financial year.

Further based on verification, we noticed that the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the course and conduct of Secretarial Audit, We hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on March 31, 2018 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner as required under the various provisions of Companies Act, 2013, SEBI Act, 1992 and all other laws and applicable provisions there under.

We further report that, based on the information provided by the Company, its officers and authorized representatives during the conduct of the audit, and also on the review of quarterly compliance reports by respective department heads taken on record by the Board of Directors of the Company, in our opinion, adequate systems and processes and control mechanism exist in the Company to monitor and ensure compliance with applicable general laws like Labour Laws.

We further report, that the compliance by the Company of applicable financial laws, like direct and indirect tax laws, has not been reviewed in this Audit since the same have been subject to review by statutory financial audit and other designated professionals.

We further report that, the Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance to all Directors, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

As per the minutes of the meetings duly recorded and signed by the Chairman, the decisions of the Board were unanimous and no dissenting views have been recorded.

We further report that, there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

SUBSIDIARY COMPANIES:

The Company has 4 subsidiaries out of which 3 are wholly owned subsidiaries alongwith 2 step down subsidiaries and 1 partly owned subsidiary alongwith 2 step down subsidiary. During the year, the Board of Directors reviewed the affairs of the subsidiaries. The Company has disinvested the following subsidiaries -

- Lifeon Labs Private Limited;
- Bliss Indasi Lifescience Private Limited;
- Shree Salespack Private Limited;

and disinvested materially significant step down subsidiary Bliss GVS Healthcare Limited, Nairobi to align with the long term strategy, the Board has considered the Audit Committee recommendation pursuant to terms of reference as authorized to Audit Committee to consider the disinvestment of step down subsidiary of the Company, Bliss GVS Healthcare Limited, Nairobi after obtaining necessary approval from the members to concentrate more on core business of the Company.

The Company has thus chosen to exit the competitive tender-based model of managed healthcare services and realign its focus on its core pharmaceutical operations, which have been a steady source of growth.

BGPL commands a leadership position in the anti-malarial and anti-fungal dermatology segments across most Sub-Saharan African (SSA) markets. It is also one of the world's largest manufacturers of suppositories and pessaries. The Company's objective going forward is to strengthen its presence in the current SSA markets and leverage on its niche expertise in the development and manufacturing of suppositories and pessaries to enter new markets of Europ, Russia & CIS, USA.

Net proceeds from this transaction will be used to repay a portion of the Company's debt, fund capital expenditure for the brownfield expansion of Company's manufacturing facility as well as incentivise its shareholders.

The minutes of the Board Meetings of the subsidiary companies along with the details of significant transactions and arrangements entered into by the subsidiary companies are shared with the Board of Directors. The Company does not have a material subsidiary as on the date of this report, having a net worth exceeding 20% of the consolidated net worth or income of 20% of the consolidated income of your Company.

DISCLOSURES:

1. RELATED PARTY DISCLOSURES:

CERTIFICATE OF COMPLIANCE WITH THE CORPORATE GOVERNANCE

To,

The Members of

Bliss GVS Pharma Limited

We have examined the compliance of conditions of corporate governance by Bliss GVS Pharma Limited ('the Company') for the year ended March 31, 2018 as stipulated in regulations 17 to 27, clauses (b) to (i) of sub-regulation (2) of regulation 46 and paragraph C, D and E of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") with Stock Exchanges in India.

The compliance of conditions of Corporate Governance is the responsibility of the Company's management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing regulations.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Independent Auditor's Report

TO THE MEMBERS OF BLISS GVS PHARMA LIMITED

Report on the Standalone Ind AS Financial Statements

We have audited the accompanying standalone Ind AS financial statements of BLISS GVS PHARMA LIMITED ("the Company"), which comprise the Balance Sheet as at March 31, 2018, and the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards

require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Ind AS, of the state of affairs (financial position) of the Company as at March 31, 2018, and its profit (financial performance, including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Emphasis of Matters

- i. We draw attention to Note No. 3, 11 and 37 (Related party) to the Standalone Ind AS financial statements in respect of our reliance on the management representation in respect of the recoverability of the Company's investments in and loans to two of its subsidiaries (net of the amount realisable/receivable on disposal of a step down subsidiary) aggregating to ₹ 4,603.39 Lakhs.

Our opinion is not modified in respect of these matters.

Other Matter

The comparative financial information of the Company for the year ended March 31, 2017 and the transition date opening balance sheet as at April 1, 2016 included in these standalone Ind AS financial statements, are based on the previously issued statutory financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2006 audited by the predecessor auditor whose report for the year ended March 31, 2017 and March 31, 2016 dated May 16, 2017 and May 24, 2016 respectively expressed an unmodified opinion on those standalone financial statements, as adjusted for the differences in the accounting principles adopted by the Company on transition to the Ind AS, which have been audited by us and on which we have issued separate auditor's reports, to the Board of Directors dated May 17, 2018.

Our opinion is not modified in respect of this matter.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. The Company was required under Section 124(6) of the Act to transfer its equity shares, where the dividend is not claimed for last seven years to the Investor Education and Protection Fund (Rule 6 of Investor Education and Protection Fund (IEPF) Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 effective from September 7, 2016 as amended from time to time.) by November 30, 2017 (including grace period of 30 days). The Company is under process of completing the said process as on date.

Our opinion is not modified in respect of this matter.

3. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid standalone Ind AS financial statements comply with the Indian Accounting Standards prescribed under section 133 of the Act.

- e) On the basis of the written representations received from the directors as on 31st March, 2018 taken on record by the Board of Directors, none of the directors is disqualified as at March 31, 2018 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its standalone Ind AS financial statements – Refer Note 35 to the standalone Ind AS financial statements
 - ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts.
 - iii. Following are the instances of delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company:

Sr No	Dividend Amount	Particulars	Due Date of transfer	Date of Transfer	Delay in days
1	15,53,605	Final Dividend for Year 2009 – 10	September 10, 2017	December 13, 2017	94
2	9,64,244	Interim Dividend for Year 2010 - 11	January 7, 2018	March 7, 2018	58

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in in Para 1 'Report on Other Legal and Regulatory Requirements' in our Independent Auditors' Report to the members of the Company on the standalone financial statements for the year ended March 31, 2018.

Statement on Matters specified in paragraphs 3 & 4 of the Companies (Auditor's Report) Order, 2016:

- i. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) As explained to us, the Fixed Assets are physically verified by the management according to a phased programme designed to cover all the items over a period of three years which, the frequency of which in our opinion, is reasonable having regard to the size of the Company and nature of its assets. Pursuant to the programme the fixed assets of the Company have been physically verified by the management. The discrepancies noticed on such verification were not material and have been properly dealt with in the books of account.
- (c) According to the information and explanations given to us and on the basis of examination of the records of the company, the title deeds of immovable properties are held in the name of the Company.
- ii. The inventory including stocks with certain third parties have been physically verified by the management during the year. Confirmations have been obtained for other inventories lying with third parties. The discrepancies noticed on physical verification of inventory as compared to book records were not material and have been properly dealt in the books of account.
- iii. According to the information and explanations given to us and to the best of our knowledge and belief, the Company has granted unsecured loans, to companies, covered in the Register maintained under section 189 of the Act aggregating to Rs. 9329.19 Lakhs as at March 31, 2018.
 - (a) The aforesaid loans have been made to its subsidiaries. According to the information and explanations given to us and having regards to the management's representation that the loans are to these subsidiaries of the Company in the interest of the Company's business, the rate of interest and other terms and conditions of such loans are not prima facie prejudicial to the interest of the Company.
 - (b) According to the information and explanations given to us and to the best of our knowledge no schedule of repayment of principal and payment of interest has been stipulated in respect of loan and hence it is not possible to comment on the regularity of payment of principal and interest.
 - (c) In respect of these loans, in view of no specific stipulation as to payment of principal and interest, we are unable to comment on the overdue amount, if any, on such loans.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Companies Act, 2013, and the Rules framed thereunder in respect of loans to investments in guarantees and other securities given by the Company.
- v. In our opinion and according to the information and explanations given to us, the Company has not accepted any Deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Rules framed there under are not applicable.
- vi. The Central Government of India has not specified the maintenance of cost records under sub-section (1) of Section 148 of the Act for any of the products of the Company. Accordingly, the provisions of para 3(vi) of the Order are not applicable to the Company.
- vii. (a) According to the information and explanations given to us and the records examined by us, the Company is generally regular in depositing undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise, Value Added Tax, Cess and other material statutory dues with the appropriate authorities. According to the information and explanations given to us, there are no arrears of outstanding statutory dues in respect of above as on the last day of the financial year for a period of more than six months from the date they became payable.
- (b) According to the information and explanation given to us and the records examined by us, there are no material dues of Income Tax, Sales Tax, Service Tax, Duty of Customs, Duty of Excise and Value added tax and cess which have not been deposited on account of any dispute.

- viii. According to information and explanation given to us and based on examination of the records, the Company has not defaulted in repayment of loans or borrowings to any financial Institution and banks during the year. The Company does not have any loans or borrowings from government or debenture holders. The Company has not issued any debentures.
- ix. The Company has not raised money through initial public offer or further public offer (including debt instruments). In our opinion and according to the information and explanations given to us and based on the documents and records examined by us on an overall basis, the term loans obtained by the Company were applied for the purpose for which the loans were obtained.
- x. During the course of our examination of the books of account and records of the Company, and according to the information and explanation given to us and representations made by the Management, no material fraud by or on the Company by its officers or employees, has been noticed or reported during the year, nor have we been informed of any such case by the management.
- xi. According to the information and explanation given to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- xii. In our opinion and according to the information and explanation given to us, the Company is not a Nidhi Company. Accordingly, provisions of paragraph 3(xii) of the Order are not applicable.
- xiii. According to the information and explanation given to us and based on our examination of the records of the Company, transactions with related parties are in compliance with sections 177 and 188 of the Act, where applicable, and details of such transactions have been disclosed in the financial statements as required by the applicable accounting standards.
- xiv. According to the information and explanation given to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year.

- xv. According to the information and explanation given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with the directors or persons connected with him. Hence the provisions of Section 192 of the Act are not applicable.
- xvi. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934, hence the provisions of paragraph 3 (xvi) of the Order are not applicable.

ANNEXURE B TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in Para 3 (f) 'Report on Other Legal and Regulatory Requirements' in our Independent Auditor's Report to the members of the Company on the standalone Ind AS financial statements for the year ended March 31, 2018.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **BLISS GVS PHARMA LIMITED** ("the Company") as of March 31, 2018 in conjunction with our audit of the Standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and

maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the "Institute of Chartered Accountants of India".

Company Secretary

Notes to the Financial Statements

as at and for the year ended March 31, 2018

Note 1

Statement of Significant Accounting Policies:

IA. Background:

The Company is a Public limited Company, incorporated under the Companies Act, 1956, having its registered office in Mumbai, Maharashtra and is listed on Bombay Stock Exchange Ltd and the National Stock Exchange of India Ltd. The Company is engaged in manufacturing, marketing, trading and export of pharmaceutical products. The Company has its own manufacturing facility at Palghar.

IB. Method of Accounting:

a) Basis of Preparation:

The separate financial statements have been prepared to comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Rule 4 of the [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act.

The financial statements up to year ended March 31, 2017 were prepared in accordance with the accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (hereinafter referred to as 'IGAAP').

These financial statements are the first financial statements of the Company under Ind AS. As per the principal of Ind AS 101 the date of transition to Ind AS is April 1, 2016 and hence the comparatives for the previous year ended 31st March, 2017 and balance as on 1st April, 2016 have been restated as per principles of Ind AS Refer Note.44 for the details of significant exemptions availed by the Company on first-time adoption of Ind AS and for an explanation of how the transition from previous GAAP to Ind AS has affected the Company's financial position, financial performance and cash flows. Accounting policies have been applied consistently to all periods presented in these financial statements.

The financial statements are prepared and presented in the form set out in Schedule III of the Act, so far as they are applicable thereto. All assets and liabilities have been classified as current / noncurrent as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature

of services and their realisation in cash and cash equivalents, the company has ascertained its operating cycle as twelve months for the purpose of current / noncurrent classification of assets and liabilities.

b) Basis of Measurement:

The financial statements have been prepared under the historical cost convention, on the accrual basis of accounting except for certain financial assets and liabilities measured at fair value and assets held for sale- measured at fair value less cost to sell and defined benefit plan assets measured at fair value.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if the market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value measurement and/or disclosure purposes in the financial statements is determined on such a basis except for leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- I) Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- II) Level 2 inputs are inputs, other than quoted prices included in Level 1, that are observable for the asset or liability, either directly or indirectly; and
- III) Level 3 inputs are unobservable inputs for the asset or liability.

Notes to the financial statements as at and for the year ended March 31, 2018

c) Use of Estimates:

The preparation of financial statements in conformity with Indian Accounting Standards (Ind AS) requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities at the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements, which in management's opinion are prudent and reasonable. Actual results may differ from the estimates used in preparing the accompanying financial statements. Any revision to accounting estimates is recognised prospectively in current and future periods.

Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the accounting policies:

- Measurement of defined benefit obligations
- Measurement and likelihood of occurrence of provisions and contingencies
- Recognition of deferred tax assets
- Useful lives of property, plant, equipment and Intangibles
- Impairment of Intangibles
- Impairment of financial assets

d) Functional and presentation currency:

The financial statements are presented in Indian Rupees, the currency of the primary economic environment in which the Company operates. All the amounts are stated as rupee in lakhs.

II. Property, plant and equipment:

Property, plant and equipment are stated at their original cost (net of CENVAT/ Value Added Tax/Goods and Service Tax wherever applicable) including freight, non-refundable taxes, duties, customs and other incidental expenses relating to acquisition and installation less accumulated depreciation and impairment loss. Interest and other finance charges paid on loans for the acquisition of tangible qualifying assets are apportioned to the cost of fixed assets till they are ready for use.

Expenditure incurred during the period of construction is carried as capital work-in-progress and on completion the costs are allocated to the respective fixed assets.

When major items of property, plant and equipment have different useful lives, they are accounted for as separate items of property, plant and equipment. The cost of replacement of any property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefit associated with the item will flow to the Company and its cost can be measured reliably.

Pre-operative expenditure comprising of revenue expenses incurred in connection with project implementation during the period up to commencement of commercial production are treated as part of the project costs and are capitalized. Such expenses are capitalized only if the project to which they relate, involve substantial expansion of capacity or upgradation.

When an asset is scrapped or otherwise disposed of, the cost and related depreciation are removed from the books of account and resultant profit (including capital profit) or loss, if any, is reflected in the Statement of Profit and Loss.

Freehold land is carried at historical cost. Depreciation on tangible assets is provided on straight line method over the useful life of asset prescribed in Part C of schedule II of the Companies Act, 2013 in order to reflect the actual usages of the assets.

III. Intangible Assets:

Identifiable intangible assets are recognised when it is probable that future economic benefits attributed to the asset will flow to the Company and the cost of the asset can be reliably measured.

All Intangible Assets are measured at cost and amortized so as to reflect the pattern in which the assets economic benefits are consumed. Brands are amortized over the estimated period of benefit, not exceeding five years. Software capitalised is amortised over useful life of three to five years equally commencing from the year in which, the software is put to use.

The estimated useful life of amortizable intangibles is reviewed at the end of each reporting period and change in estimates if any are accounted for on a prospective basis.

Notes to the financial statements as at and for the year ended March 31, 2018

IV. Investment Properties:

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

Though the Company measures investment properties using cost based measurement, the fair value of investment property is disclosed in the notes.

Investment properties are derecognised either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in statement of profit and loss in the period of derecognition.

V. Financial Instruments:

Classification

On initial recognition the Company classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities measured at fair value through profit or loss

Initial recognition and measurement

All financial assets (not measured subsequently at fair value through profit or loss) are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Financial assets and liability at amortised cost

A 'financial asset' is measured at the amortised cost if both the following conditions are met:

- i) the asset is held within a business model whose objective is to hold assets/liability for collecting/paying contractual cash flows,

and

- ii) contractual terms of the asset/liability give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets/liability are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income/expense in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss.

V.1 Investments:

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments.

Investments in subsidiaries and associates are accounted at cost in accordance with Ind AS 27 – Separate financial statements.

The Company has made an irrevocable election to present subsequent changes in the fair value of equity investments, not held for trading, in other comprehensive income.

V.2 Derivative financial instruments and hedge accounting:

The Company enters into derivative financial instruments to manage its foreign exchange rate risk. Derivatives are initially recognized at fair value at the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. The resulting gain or loss is recognized in statement of profit and loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in statement of profit and loss depends on the nature of the hedging relationship and nature of hedged items.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated or exercised or no longer qualifies for hedge accounting.

V.3. Cash and cash equivalents:

Cash and cash equivalents consists of cash on hand, short demand deposits and highly liquid investments that are

Notes to the financial statements as at and for the year ended March 31, 2018

readily convertible into known amounts of cash and which are subject to an insignificant risk of change in value. Short term means investments with original maturities / holding period of three months or less from the date of investments. Bank overdrafts that are repayable on demand and form an integral part of the Company's cash management are included as a component of cash and cash equivalent for the purpose of statement of cash flow and are shown within borrowing in current liabilities in the balance sheet.

V.4. Trade receivables:

Trade receivables are amounts due from customers for sale of goods or services performed in the ordinary course of business. Trade receivables are initially recognized at its transaction price which is considered to be its fair value and are classified as current assets as it is expected to be received within the normal operating cycle of the business.

V.5. Borrowings:

Borrowings are initially recorded at fair value and subsequently measured at amortized costs using effective interest method. Transaction costs are charged to statement of profit and loss as financial expenses over the term of borrowing.

V.6. Trade payables:

Trade payables are amounts due to vendors for purchase of goods or services acquired in the ordinary course of business and are classified as current liabilities to the extent it is expected to be paid within the normal operating cycle of the business.

V.7. Other financial assets and liabilities:

Other non-derivative financial instruments are initially recognized at fair value and subsequently measured at amortized costs using the effective interest method.

V.8. De-recognition of financial assets and liabilities:

The Company derecognizes a financial asset when the contractual right to the cash flows from the asset expires or it transfers the rights to receive the contractual cash flows on the financial asset in a transaction which has substantially all the risk and rewards of ownership of the financial asset are transferred. If the Company retains substantially all the risk and rewards of ownership of a transferred financial asset, the Company continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

The Company derecognizes a financial liability when its contractual obligations are discharged, cancelled or expired; the difference between the carrying amount of derecognized financial liability and the consideration paid is recognized as profit or loss.

VI. Inventories:

Raw material and packing material inventory is valued at cost.

Inventories of finished goods and work in progress are valued at cost or net realizable value, whichever is lower. Cost of raw materials includes all costs of purchase, conversion and other direct attributable costs (net of CENVAT and VAT, GST set-off), incurred for bringing the items to their present location and condition and is determined using the weighted average cost method. However, materials and other items held for use in the production of inventories are not written down below cost if the finished goods in which they will be incorporated are expected to be sold at or above cost.

Cost is determined on the moving weighted average method. Finished goods and Work in Progress is computed based on respective moving weighted average price of procured material and appropriate share of labour and other manufacturing overheads. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

VII. Impairment of assets:

Financial assets:

At each balance sheet date, the Company assesses whether a financial asset is to be impaired. Ind AS 109 requires expected credit losses to be measured through loss allowance. The Company measures the loss allowance for financial assets at an amount equal to lifetime expected credit losses if the credit risk on that financial asset has increased significantly since initial recognition. If the credit risk on a financial asset has not increased significantly since initial recognition, the Company measures the loss allowance for financial assets at an amount equal to 12-month expected credit losses. The Company uses both forward-looking and historical information to determine whether a significant increase in credit risk has occurred.

Notes to the financial statements as at and for the year ended March 31, 2018

Non-financial assets:

Tangible and intangible assets

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized in the statement of profit and loss to such extent. When an impairment loss subsequently reverses, the carrying amount of the asset (or a CGU) is increased to the revised estimate of its recoverable amount, such that the increase in the carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or CGU) in prior years. A reversal of an impairment loss is recognised immediately in statement of profit and loss.

The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

VIII. Foreign Currency Transactions:

- a) Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of transaction. Foreign currency monetary assets and liabilities are translated at year-end exchange rates. Exchange difference arising on settlement of transactions and translation of monetary items are recognised as income or expense in the year in which they arise.
- b) Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of

non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

IX. Revenue Recognition:

Revenue is measured at the fair value of consideration received or receivable. Revenue is recognised only when it can be reliably measured and it is probable that future economic benefits will flow to the company.

Revenue from operations includes sales of goods, services, scrap, commission, export incentives. Revenue includes excise duty wherever charged from the customer but excludes service tax and sales tax / value added taxes, Goods and Service Tax amounts collected on behalf of third parties.

Sales of Goods:

1. Revenue from sale of goods is recognized on transfer of all significant risks and rewards of ownership to the buyer as per the terms of sale.

Sales of Services:

2. Income from job work is recognised in accordance with terms of contract on completion and is included in sales.

Other Operating Income:

3. Income in respect of export benefits is recognized to the extent the company is reasonably certain of its ultimate realization.

Other Income:

4. Income in respect of insurance claims is recognized to the extent the company is reasonably certain of its ultimate realization.
5. Dividend income is recognized when the right to receive the payment is established.
6. Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

Notes to the financial statements as at and for the year ended March 31, 2018

X. Expenses:

Expenses are accounted for on accrual basis.

XI. Research & Development:

Equipment purchased and cost of construction of assets used for research and development is capitalised when commissioned and included in the fixed assets. Revenue expenditure on research and development is charged in the period in which it is incurred.

XII. Leases:

1. Leases where the lessor effectively retains substantially all the risk and benefits of ownership of the leased terms are classified as operating lease.
2. Lease income of operating leases is recognized in the statement of profit and loss on a straight-line basis over the lease period unless the payments are structured to increase in line with the expected general inflation so as to compensate for the lessor's expected inflationary cost increases.

XIII. Employee Benefits:

a) Short Term Employee benefits:

All employee benefits expected to be settled wholly within twelve months after the end of annual reporting period are classified as short-term employee benefits. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognized as an expense during the period. Benefits such as salaries and wages, etc. and the expected cost of the bonus / ex-gratia are recognized in the period in which the employee renders the related service.

Compensated absences are accounted similar to the short term employee benefits as it is expected to be settled wholly within twelve months after the end of annual reporting period.

b) Defined contribution plan :

The Company has a statutory scheme of Provident Fund with the Regional Provident Fund Commissioner and contributions of the company are charged to the Statement of Profit and Loss on accrual basis.

c) Defined benefit Plan:

1. Gratuity:

The Company's liability towards gratuity to its employees is covered by a group gratuity policy

with an insurance company. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. Liability towards gratuity is provided on the basis of an actuarial valuation using the Projected Unit Credit method and the current service cost and interest on the net defined benefit liability / (asset) is recognized in the statement of profit and loss. Past service cost are immediately recognized in the statement of profit and loss. Actuarial gains and losses net of deferred taxes arising from experience adjustment and changes in actuarial assumptions are recognized in other comprehensive income in the period in which they arise.

2. Termination Benefits:-

Termination benefits are recognized in the statement of profit and loss as and when incurred.

XIV Borrowing Costs:-

Borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of cost of such asset till such time as the asset is ready for its intended use. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use. All other borrowing costs are recognised as an expense in the period in which they are incurred. Arrangement Fees in respect of long Term Borrowings are amortised over the period of loan.

XV Taxes on Income: -

Tax Expense comprises of current and deferred tax.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period.

Deferred taxes arising from deductible and taxable temporary differences between the tax base of assets and liabilities and their carrying amount in the financial statements are recognized using substantively enacted tax rates and laws expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled. The deferred tax arising from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor

Notes to the financial statements as at and for the year ended March 31, 2018

taxable profit or loss at the time of the transaction are not recognized.

Deferred tax asset for all deductible temporary differences and unused tax losses are recognized only to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax assets to be utilized.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date.

Dividend distribution tax arising out of payment of dividends to shareholders under the Indian Income Tax Act regulation are recognized in statement of changes in equity as part of associated dividend payment.

XVI. Provision & Contingencies:

As provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate. Unwinding of the discount is recognised in the statement of profit and loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the

control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are neither recognized nor disclosed in the financial statements. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

XVII. Earnings per share:

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed using the net profit for the year attributable to the shareholder' and weighted average number of equity and potential equity shares outstanding during the year including share options, convertible preference shares and debentures, except where the result would be anti-dilutive. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.

XVIII. Off-setting Financial Assets and Liabilities:

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable rights to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable rights must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or counterparty.

Notes to the financial statements as at and for the year ended March 31, 2018

Fair value hierarchy

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the company has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. The company doesn't have investment in equity instruments that have quoted price.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2. Instruments in the level 2 category for the company include forward exchange contract derivatives.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in this level. Instruments in level 3 category for the company include unquoted equity shares.

Financial assets and liabilities measured at fair value at each reporting date:

(₹ in Lakhs)

Particulars	As at 31.03.2018			As at 31.03.2017			As at 01.04.2016		
	Level 1	Level 2	Level 3	Level 1	Level 2	Level 3	Level 1	Level 2	Level 3
Financial Instrument (Other than investment in subsidiaries)									
Derivative Financial Asset	-	85.62	-	-	-	-	-	1,774.67	-

Fair value for assets measured at amortised cost:

During the years mentioned above, there have been no transfers amongst the levels of hierarchy.

The carrying amounts of trade receivables, cash and cash equivalents, and other bank balances, current loans, other current financial assets, current borrowings, trade payables and other financial liabilities are considered to be approximately equal to the fair value.

The fair values disclosed above are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs.

Valuation process

The Company evaluates the fair value of financial assets and financial liabilities on periodic basis using the best and most relevant data available. Also, the Company internally evaluates the valuation process and obtains independent price validation for certain instruments wherever necessary.

33. Financial risk management:

The company is exposed to credit risk, liquidity risk and Market risk.

A. Credit risk management

Credit risk arises from cash and bank balances, current and non-current loans, trade receivables and other financial assets measured at amortised cost.

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed.

The company is exposed to credit risk from loans to group companies, bank balances, security deposits, investments measured at amortised cost, trade receivables and other current financial assets.

Notes to the financial statements as at and for the year ended March 31, 2018

The Company periodically assesses the financial reliability of the counter party, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual limits are set accordingly. Investments at amortised Cost are strategic investments in associated lines of business activity, the company closely monitors the performance of these Companies.

Bank deposits are placed with reputed banks / financial institutions. Hence, there is no significant credit risk on such fixed deposits.

Loans and other deposits are mostly placed with group companies and government authorities hence the risk of credit loss is negligible. Loans to group companies are reassessed at every reporting dates. The loans are extended for genuine business activities.

Trade Receivable: The Company trades with recognized and credit worthy third parties. It is the Company's policy that all customers who wish to trade on credit terms are subject to credit verification procedures. In addition, receivable balances are monitored on an on-going basis with the result that the Company's exposure to bad debts is not significant. Also the company does not enter into sales transaction with customers having credit loss history. There are no significant credit risks with related parties of the Company. The Company is exposed to credit risk in the event of non-payment by customers. Also credit risk in some of cases are mitigated by letter of credit/Advances from the customer.

The history of trade receivables shows a negligible allowance for bad and doubtful debts.

B. Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. For the Company, liquidity risk arises from obligations on account of financial liabilities

- borrowings, trade payables and other financial liabilities.

Liquidity risk management

The company manages its liquidity risk by regularly monitoring its rolling cash flow forecasts. The company's operations provide a natural liquidity of receivables against payments due to creditors. Borrowings are managed through credit facilities agreed with the Banks, internal accruals and realisation of liquid assets. In the event of cash shortfalls, the company approaches the lenders for a suitable term extension.

Maturities of financial liabilities

(₹ in Lakhs)

As at 31.03.2018	Due before Year 1	Due in Year 1 to 2	Due in Year 3 to 5	Due after Year 5	Total

E. Price risk management:

The company holds investments in equity for strategic management purposes and classified in the balance sheet at amortised cost. The company evaluates the performance of its investments on a periodic basis. Also, the investments have been placed for a long term objective and any deterioration for a temporary period is not taken into account while evaluating the performance of its investments.

F. Capital risk management:-

For the purpose of Company's capital management, capital includes issued capital, all other equity reserves and debts. The primary objective of the Company's capital management is to maximise shareholders value. The Company manages its capital structure and makes adjustments in the light of changes in economic environment and the requirements of the financial covenants.

The Company monitors capital using gearing ratio, which is total borrowing divided by total capital (equity plus net debt). Total borrowing are non-current and current borrowing. Equity comprises all components including other comprehensive income.

Notes to the financial statements as at and for the year ended March 31, 2018

The capital composition is as follows:

(₹ in Lakhs)

Valuation is done during the financial year 17-18 so it is assumed to be consistent till the end of the year and will be done on a yearly basis.

Notes to the financial statements as at and for the year ended March 31, 2018

44. Explanation of transition to Ind AS:

These financial statements are the first financial statements of the Company under Ind AS. The date of transition to Ind AS is April 1, 2016. The transition is carried out from Indian GAAP (previous GAAP) to Ind AS, notified under Section 133 of the Companies Act, 2013 [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act. The Company has applied exceptions and exemptions in accordance with Ind AS 101 "First-time Adoption of Indian Accounting Standards".

Optional exemptions available:

1. Investment in subsidiaries, associates and joint ventures:

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its investments in subsidiaries, associates and joint ventures as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition.

Accordingly, the company has elected to measure all of its investments in subsidiaries, associates and joint ventures at their previous GAAP carrying value.

2. Deemed Cost:

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for de-commissioning liabilities. This exemption can also be used for intangible assets covered by Ind AS 38 Intangible Assets and investment property covered by Ind AS 40 Investment Properties.

Accordingly, the company has elected to measure all of its property, plant and equipment, intangible assets and investment property at their previous GAAP carrying value.

3. Designation of previously recognised financial instruments :

The Company has classified investment in equity instruments at fair value through other comprehensive income and financial liability of derivative instruments at fair value through profit or loss.

Mandatory exceptions applied:

1. Estimates:

An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error.

Ind AS estimates as at 1st April 2016 are consistent with the estimates as at the same date made in conformity with previous GAAP except where Ind AS required a different basis for estimates as compared to the previous GAAP.

2. De-recognition of financial assets and liabilities:

Ind AS 101 requires a first-time adopter to apply the de-recognition provisions of Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS. However, Ind AS 101 allows a first-time adopter to apply the de-recognition requirements in Ind AS 109 retrospectively from a date of the entity's choosing, provided that the information needed to apply Ind AS 109 to financial assets and financial liabilities derecognised as a result of past transactions was obtained at the time of initially accounting for those transactions.

The company has applied the de-recognition provisions of Ind AS 109 prospectively from the date of transition to Ind AS.

3. Classification and measurement of financial assets and liabilities:

Ind AS 101 requires an entity to assess classification and measurement of financial assets (investment in debt instruments) and financial liabilities on the basis of the facts and circumstances that exist at the date of transition to Ind AS.

Notes to the financial statements as at and for the year ended March 31, 2018

4. Impairment of financial assets :

The Company has applied impairment requirements of Ind AS 109 prospectively to financial instruments the Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history of collections, customer's credit-worthiness, existing market conditions as well as forward looking estimates at the end of each reporting period.

45. Notes to reconciliations between previous GAAP and Ind AS :

Reconciliations of Other equity reported under previous GAAP to equity under Ind AS

(₹ in Lakhs)			
Particulars	Note	As at 31.03.2017	As at 01.04.2016
Other Equity as reported under previous GAAP		48,097.85	42,175.96

Other Equity as reported under Ind AS		48,132.54	42,846.19

Reconciliation of profit reported under previous GAAP to profit under Ind AS

(₹ in Lakhs)		
Particulars	Note	Year Ended 31.03.2017
Profit after Tax as reported under previous GAAP		6,260.18
Fair Valuation of Forward Exchange Contracts	(B)	(48.30)
Recomputation of depreciation		22.15
Fair Value of corporate guarantee given to subsidiary	(C)	0.58
Actuarial gain / (loss) in respect of defined benefit plan recognised in Other Comprehensive Income	(E)	13.62
Others	(D)	(1.03)
Reclassification of foreign exchange loss and gain on long term monetary item to profit and loss account	(F)	(338.26)
Deferred Tax Impact on the above items, etc.		4.48
Profit after Tax as reported under Ind- AS		5,913.42

(A) Proposed dividend including dividend distribution tax:

Under Ind AS, dividend payable and dividend distribution tax is recognised as a liability in the period in which it is declared and approved by the shareholders. Under previous GAAP, dividend payable and dividend distribution tax was recorded as a liability in the period to which it relates. This difference has resulted in increase in equity under Ind AS by ₹ 618.16 Lakhs as at April 01, 2016.

(B) Derivative financial instruments:

Under Ind AS, derivative financial instruments are measured at fair value. Under previous GAAP, in case of forward contracts covered under AS 11, difference between forward rate and spot rate was recognised in profit or loss over the term of contract. This difference has resulted in increase of equity under Ind AS by ₹ 48.30 Lakhs as at April 01, 2016 and decrease in profit by ₹ 48.30 for the year ended March 2017.

(C) Financial Guarantee:

Guarantee in relation to loan to subsidiaries are provided for no compensation the fair value are accounted as contribution and recognised as part of investment and the amount pertaining to the same is classified as non-current financial liability and amortised

Notes to the financial statements as at and for the year ended March 31, 2018

over loan tenure. This difference has resulted in increase of equity under Ind AS by ₹ 7.99 Lakhs as at March 31, 2017 (₹ 7.40 Lakhs as at April 01, 2016) and increase in profit by ₹ 0.59 Lakhs for the year ended March 2017.

(D) Deposits and Advances at amortised cost:

Under Ind AS, long-term deposits are carried at amortised cost. Under previous GAAP, the deposits and advances were carried at their historical cost.

(E) Remeasurement of gratuity recognised in other comprehensive income:

Under Ind AS, the actuarial gains and losses form part of Remeasurement of the net defined benefit liability / asset and are recognised in other comprehensive income. Under previous GAAP, actuarial gains and losses were recognised in statement of profit and loss. There is no impact on the total equity but profit has increased by ₹13.62 Lakhs for the year ended March 2017 as a result of this adjustment.

(F) Foreign currency translation on long term monetary item:

Under Ind AS, foreign currency fluctuation on long term loan are recognised in profit and loss account. Under previous GAAP foreign currency fluctuation on long term loan are recognised in foreign currency translation reserve on long term monetary item. There is no impact on the total equity but profit has decreased by ₹ 338.26 Lakhs for the year ended March 2017 as a result of this adjustment.

(G) Investment Property:

Under the previous GAAP, certain investment properties were presented as part of property, plant and equipment. Under Ind AS, investment properties are required to be separately presented on the face of the balance sheet. There is no impact on the total equity or profit as a result of this adjustment.

46. During the year the Company has incurred CSR Expenses of ₹ 190.00 Lakhs (₹137.65 Lakhs) which represented donations/ contributions to Charitable Trust which are engaged in the CSR activities eligible under section 135 of the Companies Act as specified in Schedule VII.

47. Impairment of financial assets:

Debtors outstanding are classified among regions as debtors of Africa, India and Global excluding Africa for last 5 year on quarterly basis into buckets on the basis of due dates as follows: 0-90 days; 90-180days; 180-365 days;>365days and than proportion of amount in each bucket to total debtors is worked out. Average of entire 5 year of each bucket than two years avg of the 5 year average is calculated. Probability of debtors in each bucket shifting to next bucket is calculated. Average of all the probability of all 5 year is calculated and multiplied to the total debtors of that region. Likewise expected credit loss is worked out for all three regions mentioned above and aggregate of all three is recognised as expected credit loss in profit and loss account.

48. The standalone financial statements were authorised for issue in accordance with resolution passed by the Board of Directors on May 17, 2018.

49. The figures as on the transition date and previous year have been rearranged and regrouped wherever necessary and/or practicable to make them comparable with those of the current year.

Independent Auditor's Report

TO THE MEMBERS OF BLISS GVS PHARMA LIMITED

Report on the Consolidated Indian Accounting Standard (Ind AS) Financial Statements

We have audited the accompanying consolidated Ind AS financial statements of BLISS GVS PHARMA LIMITED (hereinafter referred to as "the Holding Company") and its Subsidiaries (The Holding Company and its subsidiaries together referred to as "the Group") comprising of the Consolidated Balance Sheet as at March 31, 2018, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated Ind AS financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance (including Other Comprehensive Income), consolidated cash flows and consolidated changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act.

The respective Board of Directors of the Companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which has been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required

to be included in the consolidated audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit of the consolidated Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by other auditors in terms of their reports referred to in the Other Matters Para below, other than the unaudited Ind AS financial statements as certified by the management and referred to in the Other Matters Para below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Ind AS, of the consolidated state of affairs (financial position) of the Group as at March 31, 2018, and the consolidated profit (financial performance including other comprehensive income), their consolidated cash flows and consolidated changes in equity for the year ended on that date.

Emphasis of Matter

We draw attention to Note 45 to the consolidated financial statements, whereby the Subsidiary Company i.e. Bliss GVS Clinic Healthcare Pte. Limited has transferred the 5,10,000 equity shares of

Face Value 100 KES each in Bliss GVS healthcare Limited to Mayfair Healthcare Holdings Limited. The transfer has been authorized by Board of Directors and the shareholders of the Company at a price of USD 12 Million. The net worth of the entity in the books of account of the Company was Rs. 17087.60 lakhs. Had the investment not been transferred the consolidated profit for the year would have been higher by Rs.3,419.88 lakhs and retained earnings would have been higher by the same amount. Our report is not modified in respect of this matter.

Other Matters

- a) The comparative financial information of the Holding Company for the year ended March 31, 2017 and the transition date opening balance sheet as at April 1, 2016 included in these consolidated Ind AS financial statements, are based on the previously issued statutory financial statements prepared in accordance with the Companies (Accounting Standards) Rules, 2006 audited by the predecessor auditor whose report for the year ended March 31, 2017 and March 31, 2016 dated May 16, 2017 and May 24, 2016 respectively expressed an unmodified opinion on those consolidated financial statements, as adjusted for the differences in the accounting principles adopted by the Holding Company on transition to the Ind AS, which have been audited by us on which we have issued separate auditor's report to the Board of Directors dated May 17, 2018.
- b) We did not audit the financial statements of the nine subsidiaries included in the consolidated Ind AS financial statements, whose financial statements reflect total assets (before consolidation adjustments) of ₹ 34,548.34 lakhs as at March 31, 2018, total revenues (before consolidation adjustments) of ₹ 52,788.06 lakhs and net cash flows (before consolidation adjustments) amounting to ₹ (1,942.61) lakhs and Changes in Equity (before consolidation adjustments) amounting to ₹ 9,086.79 lakhs for the year ended on that date, as considered in the consolidated Ind AS financial statements. The Ind AS financial statement of these subsidiaries have been audited by other auditor whose reports have been furnished to us by the Management, and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of sub-section (3) of 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the report of the other auditors.
- c) We did not audit the financial statements of the three subsidiaries included in the consolidated Ind AS financial statements, whose financial statements reflect total assets (before consolidation adjustments) of NIL as at March 31, 2018, total revenues (before consolidation adjustments) of ₹ 596.03 lakhs and net cash flows (before consolidation adjustments) amounting to NIL and Changes in Equity (before consolidation adjustments) amounting to NIL for the year ended on that date, as considered

in the consolidated Ind AS financial statements. These Ind AS financial statements have not been audited and have been furnished to us by the Management, and our opinion on the consolidated Ind AS financial statements, in so far as it related to the amounts and disclosures included in respect of these subsidiaries is based solely on such unaudited Ind AS financial statements as certified by the Management. In our opinion and according to the information and explanations given to us by the Management, these Ind AS financial statements are not material to the Group.

Our Opinion on the consolidated Ind AS financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of (b) and (c) above with respect to our reliance on the work done and the reports of the other auditors and the Ind AS financial statements certified by the Management.

Report on Other Legal and Regulatory Requirements

1. The Holding Company was required under Section 124(6) of the Act to transfer its equity shares, where the dividend is not claimed for last seven years to the demat account of Investor Education and Protection Fund (Rule 6 of Investor Education and Protection Fund (IEPF) Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 effective from September 7, 2016 as amended from time to time.) by November 30, 2017 (including grace period of 30 days). The Company is under process of completing the said process as on date.

Our opinion is not modified in respect of this matter.

2. As required by Section 143(3) of the Act, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and records of Holding Company and the reports of the other auditors.
 - c) The consolidated Balance Sheet, the consolidated Statement of Profit and Loss (including other comprehensive income), the consolidated Cash Flow Statement and the consolidated Statement of Changes in Equity dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements.

- d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors of the Holding Company as on March 31, 2018 and taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Holding Company and subsidiary companies incorporated in India is disqualified as on March 31, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Holding Company and its subsidiary companies and the operating effectiveness of such controls, refer to our separate report in "Annexure A"; and
- g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- The consolidated Ind AS financial statements disclose the impact of pending litigations on the consolidated financial position of the Group – Refer 33 to the consolidated Ind AS financial statements.
 - Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standard, for material foreseeable losses, if any, on long term contracts including derivative contracts as at March 31, 2018
 - Following are the instances of delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company:

Sr No	Dividend Amount	Particulars	Due Date of transfer	Date of Transfer	Delay in days
1	15,53,605	Final Dividend for Year 2009 – 10	September 10, 2017	December 13, 2017	94
2	9,64,244	Interim Dividend for Year 2010 - 11	January 7, 2018	March 7, 2018	58

ANNEXURE A TO THE INDEPENDENT AUDITOR'S REPORT

Referred to in Para 2 (f) of 'Report on Other Legal and Regulatory Requirements' in our Independent Auditor's Report to the members of the Holding Company on the consolidated Ind AS financial statements for the year ended March 31, 2018.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated Ind AS financial statements of the Group as of and for the year ended March 31, 2018, we have audited the internal financial controls over financial reporting of **BLISS GVS PHARMA LIMITED** (hereinafter refer to as the "Holding Company") and have consolidated the reporting of its subsidiary companies incorporated in India (Indian subsidiary companies) which have been audited by other auditors whose reports have been furnished to us by the management for reporting on consolidation as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, and its subsidiaries which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their report referred to in the Other Matters Paragraph below is sufficient and appropriate to provide a basis for our audit opinion on the Holding Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated Ind AS financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that ;

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated Ind AS financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated Ind AS financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper

management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiaries, which are incorporated in India, have in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other matter

Our aforesaid report under Section 143(3) (i) of the Act, on the adequacy and operating effective ness of the internal financial controls over financial reporting:

- 1) in so far as it relates to the nine subsidiary companies, for the companies which are incorporated in India, is based on the corresponding reports of the auditors of such companies.
- 2) in so far as it relates to three subsidiary companies disposed off during the year, namely Bliss Indasi Lifescience Private Ltd, Life-on Labs Private Ltd and Shree Sales-pack Private Ltd, these Companies are exented vide notification no. G.S.R. 583(e) dated Jun 13, 2017.

Notes to the Financial Statements

as at and for the year ended March 31, 2018

Note 1

Statement of Significant Accounting Policies:

IA Background:

The consolidated financial statements comprise the financial statements of Bliss GVS Pharma Limited ("the Company") and its subsidiaries (the Company and its subsidiaries are collectively, hereinafter referred to as "the Group") for the year ended March 31, 2018. The Company is a public company incorporated in India.

IB. Statement of Significant Accounting Policies:

Method of Accounting:

a) Basis of Preparation:

The consolidated financial statements have been prepared in accordance with Indian Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015 (Ind AS).

For all periods up to year ended March 31, 2017, the Group prepared its consolidated financial statements in accordance with accounting standards notified under the Section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP). These consolidated financial statements for the year ended March 31, 2018 are the first consolidated financial statements, the Group has prepared in accordance with Ind AS.

These financial statements are the first financial statements of the Group under Ind AS. As per the principal of Ind AS 101 the date of transition to Ind AS is April 1, 2016 and hence the comparatives for the previous year ended 31st March, 2017 and balance as on 1st April, 2016 have been restated as per principles of Ind AS refer Note 41 for the details of significant exemptions availed by the Group on first-time adoption of Ind AS and for an explanation of how the transition from previous GAAP to Ind AS has affected the Group's financial position, financial performance and cash flows

The financial statements are prepared and presented in the form set out in Schedule III of the Act, so far as they are applicable thereto. All assets and liabilities have been classified as current / noncurrent as per the Group's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of services and their realisation in cash and cash equivalents, the Group

has ascertained its operating cycle as twelve months for the purpose of current / noncurrent classification of assets and liabilities.

Consolidation procedure:

Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries. For this purpose, income and expenses of the subsidiary are based on the amounts of the assets and liabilities recognised in the consolidated financial statements at the acquisition date.

Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary. The difference between the cost of investment in the subsidiaries and the Parent's share of net assets at the time of acquisition of control in the subsidiaries is recognised in the consolidated financial statement as goodwill. (However, resultant gain (bargain purchase) is recognized in other comprehensive income on the acquisition date and accumulated to capital reserve in equity).

Intra-Group balances and transactions, and any unrealized income and expenses arising from intra Group transactions, are eliminated in preparing the consolidated financial statements.

In the case of foreign subsidiaries, being non-integral foreign operations, revenue items are consolidated at the average exchange rates prevailing during the year. All assets and liabilities are converted at rates prevailing at the end of the year. Components of equity are translated at closing rate. Any gain / (Loss) on exchange difference arising on consolidation is recognized in the Foreign Currency Translation Reserve (FCTR) through OCI.

Consolidated statement of profit or loss and each component of OCI are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance.

Interest in associates are consolidated using equity method as per Ind AS 28 – 'Investment in Associates and Joint Ventures'. The investment in associates is initially recognised at cost. Subsequently, under the equity method,

Notes to the financial statements as at and for the year ended March 31, 2018

post-acquisition attributable profit/losses and other comprehensive income are adjusted in the carrying value of investment to the extent of the Group's investment in the associates. Goodwill relating to the associate is included in the carrying amount of the investment and is not tested for impairment individually.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If an entity of the group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group member's financial statements in preparing the consolidated financial statements to ensure conformity with the Group's accounting policies.

Consolidated financial statements of all entities used for the purpose of consolidation are drawn up to same reporting date as that of the parent company, i.e., year ended on 31st March. When the end of the reporting period of the parent is different from that of a subsidiary, if any, the subsidiary prepares, for consolidation purposes, additional financial information as of the same date as the consolidated financial statements of the parent to enable the parent to consolidate the financial information of the subsidiary, unless it is impracticable to do so.

Business Combinations and goodwill:

Business combinations are accounted for using the acquisition method. The cost of an acquisition is measured as the aggregate of the consideration transferred measured at acquisition date fair value and the amount of any non-controlling interests in the acquire. For each business combination, the Group elects whether to measure the non-controlling interests in the acquiree at fair value or at the proportionate share of the acquiree's identifiable net assets. Acquisition related costs are expensed as incurred.

At the acquisition date, the identifiable assets acquired and the liabilities assumed are recognised at their acquisition date fair values, except certain assets and liabilities required to be measured as per the applicable standard. For this purpose, the liabilities assumed include contingent liabilities representing present obligation and they are measured at their acquisition fair values irrespective of the fact that outflow of resources embodying economic benefits is not probable.

After initial recognition, goodwill is measured at cost less any accumulated impairment losses. For the purpose of impairment testing, goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Group's cash-generating units that are expected to benefit from the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units. A cash generating unit to which goodwill has been allocated is tested for impairment annually, or more frequently when there is an indication that the unit may be impaired. If the recoverable amount of the cash generating unit is less than its carrying amount, the impairment loss is allocated first to reduce the carrying amount of any goodwill allocated to the unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Any impairment loss for goodwill is recognised in consolidated statement of profit or loss. An impairment loss recognised for goodwill is not reversed in subsequent periods.

The operation of the Company's subsidiaries are considered as non-integral operations for the purpose of consolidation.

b) Basis of Measurement:

The financial statements have been prepared under the historical cost convention, on the accrual basis of accounting except for certain financial assets and liabilities measured at fair value and assets held for sale- measured at fair value less cost to sell and defined benefit plan assets measured at fair value.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date, regardless of whether that price is directly observable or estimated using another valuation technique. In estimating the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if the market participants would take those characteristics into account when pricing the asset or liability at the measurement date. Fair value measurement and/or disclosure purposes in the financial statements is determined on such a basis except for leasing transactions that are within the scope of Ind AS 17, and measurements that have some similarities to fair value but are not fair value, such as net realisable value in Ind AS 2 or value in use in Ind AS 36.

Notes to the financial statements as at and for the year ended March 31, 2018

In addition, for financial reporting purposes, fair value measurements are categorized into Level 1, 2 or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are described as follows:

- I) Level 1 inputs are quoted prices (unadjusted) in active markets for identical assets or liabilities that the entity can access at the measurement date;
- II) Level 2 inputs are inputs, other than quoted prices included in Level 1, that are observable for the asset or liability, either directly or indirectly; and
- III) Level 3 inputs are unobservable inputs for the asset or liability.

c) Use of Estimates:

The preparation of financial statements in conformity with Indian Accounting Standards (Ind AS) requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities at the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements, which in management's opinion are prudent and reasonable. Actual results may differ from the estimates used in preparing the accompanying financial statements. Any revision to accounting estimates is recognised prospectively in current and future periods.

Information about critical judgments in applying accounting policies, as well as estimates and assumptions that have the most significant effect to the carrying amounts of assets and liabilities within the next financial year, are included in the accounting policies:

- Measurement of defined benefit obligations
- Measurement and likelihood of occurrence of provisions and contingencies
- Recognition of deferred tax assets
- Useful lives of property, plant, equipment and Intangibles
- Impairment of Intangibles
- Impairment of financial assets

d) Functional and presentation currency:

The financial statements are presented in Indian Rupees, the currency of the primary economic environment in which the Company operates. All the amounts are stated rupees in lakhs.

II Property, plant and equipment:

Property, plant and equipment are stated at their original cost (net of CENVAT/ Value Added Tax/Goods and Service Tax wherever applicable) including freight, non-refundable taxes, duties, customs and other incidental expenses relating to acquisition and installation less accumulated depreciation and impairment loss. Interest and other finance charges paid on loans for the acquisition of tangible qualifying assets are apportioned to the cost of fixed assets till they are ready for use.

Expenditure incurred during the period of construction is carried as capital work-in-progress and on completion the costs are allocated to the respective fixed assets.

When major items of property, plant and equipment have different useful lives, they are accounted for as separate items of property, plant and equipment. The cost of replacement of any property, plant and equipment is recognized in the carrying amount of the item if it is probable that the future economic benefit associated with the item will flow to the Company and its cost can be measured reliably.

Pre-operative expenditure comprising of revenue expenses incurred in connection with project implementation during the period up to commencement of commercial production are treated as part of the project costs and are capitalized. Such expenses are capitalized only if the project to which they relate, involve substantial expansion of capacity or upgradation.

When an asset is scrapped or otherwise disposed of, the cost and related depreciation are removed from the books of account and resultant profit (including capital profit) or loss, if any, is reflected in the Statement of Profit and Loss.

Freehold land is carried at historical cost. Depreciation on tangible assets is provided on straight line method over the useful life of asset prescribed in Part C of schedule II of the Companies Act, 2013 in order to reflect the actual usages of the assets.

Notes to the financial statements as at and for the year ended March 31, 2018

III Intangible Assets:

Identifiable intangible assets are recognised when it is probable that future economic benefits attributed to the asset will flow to the group and the cost of the asset can be reliably measured.

All intangible Assets are measured at cost and amortized so as to reflect the pattern in which the assets economic benefits are consumed. Brands are amortized over the estimated period of benefit, not exceeding five years. Software capitalised is amortised over useful life of three to five years equally commencing from the year in which, the software is put to use.

The estimated useful life of amortizable intangibles is reviewed at the end of each reporting period and change in estimates if any are accounted for on a prospective basis.

IV Investment Properties:

Investment properties are measured initially at cost, including transaction costs. Subsequent to initial recognition, investment properties are stated at cost less accumulated depreciation and accumulated impairment loss, if any.

Though the group measures investment properties using cost based measurement, the fair value of investment property is disclosed in the notes.

Investment properties are derecognised either when they have been disposed off or when they are permanently withdrawn from use and no future economic benefit is expected from their disposal. The difference between the net disposal proceeds and the carrying amount of the asset is recognised in statement of profit and loss in the period of derecognition.

V Financial Instruments:

Classification

On initial recognition the group classifies financial assets as subsequently measured at amortised cost, fair value through other comprehensive income or fair value through profit or loss on the basis of its business model for managing the financial assets and the contractual cash flow characteristics of the financial asset.

The group classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities measured at fair value through profit or loss

Initial recognition and measurement

All financial assets (not measured subsequently at fair value through profit or loss) are recognised initially at fair value plus transaction costs that are attributable to the acquisition of the financial asset.

All financial liabilities are recognised initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

Financial assets and liability at amortised cost

A 'financial asset' is measured at the amortised cost if both the following conditions are met:

- i) the asset is held within a business model whose objective is to hold assets/liability for collecting/paying contractual cash flows,
- and
- ii) contractual terms of the asset/liability give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

After initial measurement, such financial assets/liability are subsequently measured at amortised cost using the effective interest rate (EIR) method. Amortised cost is calculated by taking into account any discount or premium and fees or costs that are an integral part of the EIR. The EIR amortisation is included in finance income/expense in the Statement of Profit and Loss. The losses arising from impairment are recognised in the Statement of Profit and Loss.

V.1 Investments:

Investments that are readily realizable and intended to be held for not more than a year are classified as current investments.

The group has made an irrevocable election to present subsequent changes in the fair value of equity investments, not held for trading, in other comprehensive income.

V.2 Derivative financial instruments and hedge accounting

The group enters into derivative financial instruments to manage its foreign exchange rate risk. Derivatives are initially recognized at fair value at the date a derivative contract is entered into and are subsequently re-measured to their fair value at the end of each reporting period. The resulting gain or

Notes to the financial statements as at and for the year ended March 31, 2018

loss is recognized in statement of profit and loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in statement of profit and loss depends on the nature of the hedging relationship and nature of hedged items.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated or exercised or no longer qualifies for hedge accounting.

V.3 Cash and cash equivalents

Cash and cash equivalents consists of cash on hand, short demand deposits and highly liquid investments that are readily convertible into known amounts of cash and which are subject to an insignificant risk of change in value. Short term means investments with original maturities / holding period of three months or less from the date of investments.

V.4 Trade receivables:

Trade receivables are amounts due from customers for sale of goods or services performed in the ordinary course of business. Trade receivables are initially recognized at its transaction price which is considered to be its fair value and are classified as current assets as it is expected to be received within the normal operating cycle of the business.

V.5 Borrowings:

Borrowings are initially recorded at fair value and subsequently measured at amortized costs using effective interest method. Transaction costs are charged to statement of profit and loss as financial expenses over the term of borrowing.

V.6 Trade payables:

Trade payables are amounts due to vendors for purchase of goods or services acquired in the ordinary course of business and are classified as current liabilities to the extent it is expected to be paid within the normal operating cycle of the business.

V.7 Other financial assets and liabilities:

Other non-derivative financial instruments are initially recognized at fair value and subsequently measured at amortized costs using the effective interest method.

V.8 De-recognition of financial assets and liabilities

The group derecognizes a financial asset when the contractual right to the cash flows from the asset expires or it transfers the rights to receive the contractual cash flows

on the financial asset in a transaction which has substantially all the risk and rewards of ownership of the financial asset are transferred. If the group retains substantially all the risk and rewards of ownership of a transferred financial asset, the group continues to recognize the financial asset and also recognizes a collateralized borrowing for the proceeds received.

The group derecognizes a financial liability when its contractual obligations are discharged, cancelled or expired; the difference between the carrying amount of derecognized financial liability and the consideration paid is recognized as profit or loss.

VI Inventories:

Raw Material and Packing Material inventory is valued at cost.

Inventories of finished goods and work in progress are valued at cost or net realizable value, whichever is lower. Cost of raw materials includes all costs of purchase, conversion and other direct attributable costs (net of CENVAT and VAT, GST set-off), incurred for bringing the items to their present location and condition and is determined using the weighted average cost method. However, materials and other items held for use in the production of inventories are not written down below cost if the finished goods in which they will be incorporated are expected to be sold at or above cost.

Cost is determined on the moving weighted average method. Finished goods and Work in Progress is computed based on respective moving weighted average price of procured material and appropriate share of labour and other manufacturing overheads. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

VII Impairment of assets:

Financial assets

At each balance sheet date, the group assesses whether a financial asset is to be impaired. Ind AS 109 requires expected credit losses to be measured through loss allowance. The group measures the loss allowance for financial assets at an amount equal to lifetime expected credit losses if the credit risk on that financial asset has increased significantly since initial recognition. If the credit risk on a financial asset

Notes to the financial statements as at and for the year ended March 31, 2018

has not increased significantly since initial recognition, the group measures the loss allowance for financial assets at an amount equal to 12-month expected credit losses. The group uses both forward-looking and historical information to determine whether a significant increase in credit risk has occurred.

Non-financial assets

Tangible and intangible assets

Property, plant and equipment and intangible assets with finite life are evaluated for recoverability whenever there is any indication that their carrying amounts may not be recoverable. If any such indication exists, the recoverable amount (i.e. higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit (CGU) to which the asset belongs.

If the recoverable amount of an asset (or CGU) is estimated to be less than its carrying amount, the carrying amount of the asset (or CGU) is reduced to its recoverable amount. An impairment loss is recognized in the statement of profit and loss to such extent. When an impairment loss subsequently reverses, the carrying amount of the asset (or a CGU) is increased to the revised estimate of its recoverable amount, such that the increase in the carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or CGU) in prior years. A reversal of an impairment loss is recognised immediately in statement of profit and loss.

The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

VIII Foreign Currency Transactions:

- a) Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of transaction. Foreign currency monetary assets and liabilities are translated at year-end exchange rates. Exchange difference arising on settlement of transactions and translation of monetary items are recognised as income or expense in the year in which they arise.

- b) Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

IX Revenue Recognition:

Revenue is measured at the fair value of consideration received or receivable. Revenue is recognised only when it can be reliably measured and it is probable that future economic benefits will flow to the Group.

Revenue from operations includes sales of goods, services, scrap, commission, export incentives. Revenue includes excise duty wherever charged from the customer but excludes service tax and sales tax / value added taxes, Goods and Service Tax amounts collected on behalf of third parties.

Sales of Goods :

1. Revenue from sale of goods is recognized on transfer of all significant risks and rewards of ownership to the buyer as per the terms of sale.

Sales of Services :

2. Income from job work is recognised in accordance with terms of contract on completion and is included in sales.

Other Operating Income:-

3. Income in respect of export benefits is recognized to the extent the group is reasonably certain of its ultimate realization.

Other Income:-

4. Income in respect of insurance claims is recognized to the extent the group is reasonably certain of its ultimate realization.
5. Dividend income is recognized when the right to receive the payment is established.
6. Interest income from a financial asset is recognised when it is probable that the economic benefits will

Notes to the financial statements as at and for the year ended March 31, 2018

flow to the group and the amount of income can be measured reliably. Interest income is accrued on a time basis, by reference to the principal outstanding and at the effective interest rate applicable, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to that asset's net carrying amount on initial recognition.

X Expenses:-

Expenses are accounted for on accrual basis.

XI Research & Development:

Equipment purchased and cost of construction of assets used for research and development is capitalised when commissioned and included in the fixed assets. Revenue expenditure on research and development is charged in the period in which it is incurred.

XII Leases:

1. Leases where the lessor effectively retains substantially all the risk and benefits of ownership of the leased terms are classified as operating lease.
2. Lease income of operating leases is recognized in the statement of profit and loss on a straight-line basis over the lease period unless the payments are structured to increase in line with the expected general inflation so as to compensate for the lessor's expected inflationary cost increases.

XIII Employee Benefits:-

a) Short Term Employee benefits:

All employee benefits expected to be settled wholly within twelve months after the end of annual reporting period are classified as short-term employee benefits. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognized as an expense during the period. Benefits such as salaries and wages, etc. and the expected cost of the bonus / ex-gratia are recognized in the period in which the employee renders the related service.

Compensated absences are accounted similar to the short term employee benefits as it is expected to be settled wholly within twelve months after the end of annual reporting period.

b) Defined contribution plan:

The group has a statutory scheme of Provident Fund with the

Regional Provident Fund Commissioner and contributions of the company are charged to the Statement of Profit and Loss on accrual basis.

c) Defined benefit Plan:

1. Gratuity :

The Company's liability towards gratuity to its employees is covered by a group gratuity policy with an insurance company. The Gratuity Plan provides a lump sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment. Liability towards gratuity is provided on the basis of an actuarial valuation using the Projected Unit Credit method and the current service cost and interest on the net defined benefit liability / (asset) is recognized in the statement of profit and loss. Past service cost are immediately recognized in the statement of profit and loss. Actuarial gains and losses net of deferred taxes arising from experience adjustment and changes in actuarial assumptions are recognized in other comprehensive income in the period in which they arise.

2. Termination Benefits:-

Termination benefits are recognized in the statement of profit and loss as and when incurred.

XIV Borrowing Costs :

Borrowing costs that are attributable to the acquisition, construction or production of a qualifying asset are capitalised as part of cost of such asset till such time as the asset is ready for its intended use. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use. All other borrowing costs are recognised as an expense in the period in which they are incurred. Arrangement Fees in respect of long Term Borrowings are amortised over the period of loan.

XV Taxes on Income:

Tax Expense comprises of current and deferred tax.

The current income tax charge is calculated on the basis of the tax laws enacted or substantively enacted at the end of the reporting period .

Deferred taxes arising from deductible and taxable temporary differences between the tax base of assets and liabilities

Notes to the financial statements as at and for the year ended March 31, 2018

and their carrying amount in the financial statements are recognized using substantively enacted tax rates and laws expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled. The deferred tax arising from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profit or loss at the time of the transaction are not recognized.

Deferred tax asset for all deductible temporary differences and unused tax losses are recognized only to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences can be utilized. The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax assets to be utilized.

Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date.

Dividend distribution tax arising out of payment of dividends to shareholders under the Indian Income Tax Act regulation are recognized in statement of changes in equity as part of associated dividend payment.

XVI Provision & Contingencies:

As provisions are recognised when there is a present obligation as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and there is a reliable estimate of the amount of the obligation. . If the effect of the time value of money is material, provisions are discounted using equivalent period government securities interest rate. Unwinding of the discount is recognised in the statement of profit and loss as a finance cost. Provisions are reviewed at each balance sheet date and are adjusted to reflect the current best estimate.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

Contingent assets are neither recognized nor disclosed in the financial statements. However, when the realisation of income is virtually certain, then the related asset is no longer a contingent asset, but it is recognised as an asset.

XVII Earnings per share:

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

Diluted earnings per share is computed using the net profit for the year attributable to the shareholder' and weighted average number of equity and potential equity shares outstanding during the year including share options, convertible preference shares and debentures, except where the result would be anti-dilutive. Potential equity shares that are converted during the year are included in the calculation of diluted earnings per share, from the beginning of the year or date of issuance of such potential equity shares, to the date of conversion.

XVIII Off-setting Financial Assets and Liabilities:

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable rights to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable rights must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Group or counterparty.

Notes to the Consolidated Financial Statements as at and for the year ended March 31, 2018

Fair value hierarchy

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

This section explains the judgements and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the Group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. The Group doesn't have investment in equity instruments that have quoted price.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2. Instruments in the level 2 category for the Group include forward exchange contract derivatives.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in this level. Instruments in level 3 category for the Group include unquoted equity shares.

Financial assets and liabilities measured at fair value at each reporting date:

(₹ in Lakhs)

Fair value for assets measured at amortised cost:

During the years mentioned above, there have been no transfers amongst the levels of hierarchy.

The carrying amounts of trade receivables, cash and cash equivalents, and other bank balances, current loans, other current financial assets, current borrowings, trade payables and other financial liabilities are considered to be approximately equal to the fair value.

The fair values disclosed above are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs.

Valuation process

The Group evaluates the fair value of financial assets and financial liabilities on periodic basis using the best and most relevant data available. Also, the Group internally evaluates the valuation process and obtains independent price validation for certain instruments wherever necessary.

32. Financial risk management

The Group is exposed to credit risk, liquidity risk and Market risk.

A. Credit risk management:

Credit risk arises from cash and bank balances, current and non-current loans, trade receivables and other financial assets measured at amortised cost.. Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed.

The Group is exposed to credit risk from loans to group companies, bank balances, security deposits, investments measured at amortised cost, trade receivables and other current financial assets.

The Group periodically assesses the financial reliability of the counter party, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual limits are set accordingly.

Notes to the Consolidated Financial Statements as at and for the year ended March 31, 2018

Investments at Amortised Cost are strategic investments in associated lines of business activity, the Group closely monitors the performance of these Companies.

Bank deposits are placed with reputed banks / financial institutions. Hence, there is no significant credit risk on such fixed deposits.

Loans and other deposits are mostly placed with group companies and government authorities hence the risk of credit loss is negligible. Loans to group companies are reassessed at every reporting dates. The loans are extended for genuine business activities.

Trade Receivable: The Group trades with recognized and credit worthy third parties. It is the Group's policy that all customers who wish to trade on credit terms are subject to credit verification procedures. In addition, receivable balances are monitored on an on-going basis with the result that the Group's exposure to bad debts is not significant. Also the Group does not enter into sales transaction with customers having credit loss history. There are no significant credit risks with related parties of the Group. The Group is exposed to credit risk in the event of non-payment by customers. Also credit risk in some of cases are mitigated by letter of credit/Advances from the customer.

B. Liquidity risk:

Liquidity risk is defined as the risk that the Group will not be able to settle or meet its obligations on time or at a reasonable price. For the Group, liquidity risk arises from obligations on account of financial liabilities

- borrowings , trade payables and other financial liabilities.

Liquidity risk management

The Group manages its liquidity risk by regularly monitoring its rolling cash flow forecasts. The Group's operations provide a natural liquidity of receivables against payments due to creditors. Borrowings are managed through credit facilities agreed with the Banks, internal accruals and realisation of liquid assets. In the event of cash shortfalls, the Group approaches the lenders for a suitable term extension.

Decrease by 1%	(216.85)	(171.28)	(227.57)

E. Price risk management:

The Group holds investments in equity for strategic management purposes and classified in the balance sheet at amortised cost. The Group evaluates the performance of its investments on a periodic basis. Also, the investments have been placed for a long term objective and any deterioration for a temporary period is not taken into account while evaluating the performance of its investments.

F. Capital Risk Management:

For the purpose of Group's capital management, capital includes issued capital, all other equity reserves and debts. The primary objective of the Group's capital management is to maximise shareholders value. The Group manages its capital structure and makes adjustments in the light of changes in economic environment and the requirements of the financial covenants.

The Group monitors capital using gearing ratio, which is total borrowing divided by total capital (equity plus net debt). Total borrowing are non-current and current borrowing. Equity comprises all components including other comprehensive income.

The capital composition is as follows:

(₹ in Lakhs)

Particulars	As at 31.03.2018	As at 31.03.2017	As at 01.04.2016
Total Borrowing	1,1157.15	21,305.16	16,996.87

Notes to the Consolidated Financial Statements as at and for the year ended March 31, 2018

41. Explanation of transition to Ind AS.

These financial statements are the first financial statements of the Group under Ind AS. The date of transition to Ind AS is April 1, 2016. The transition is carried out from Indian GAAP (previous GAAP) to Ind AS, notified under Section 133 of the Companies Act, 2013 [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act. The Group has applied exceptions and exemptions in accordance with Ind AS 101 "First-time Adoption of Indian Accounting Standards".

Optional exemptions availed:

Investment in subsidiaries:

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its investments in subsidiaries, associates and joint ventures as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition.

Accordingly, the Group has elected to measure all of its investments in subsidiaries at their previous GAAP carrying value.

1. Deemed Cost:

Ind AS 101 permits a first-time adopter to elect to continue with the carrying value for all of its property, plant and equipment as recognised in the financial statements as at the date of transition to Ind AS, measured as per the previous GAAP and use that as its deemed cost as at the date of transition after making necessary adjustments for de-commissioning liabilities. This exemption can also be used for intangible assets covered by Ind AS 38 Intangible Assets and investment property covered by Ind AS 40 Investment Properties.

Accordingly, the Group has elected to measure all of its property, plant and equipment, intangible assets and investment property at their previous GAAP carrying value.

2. Designation of previously recognised financial instruments :

The Group has classified investment in equity instruments at fair value through other comprehensive income and financial liability of derivative instruments at fair value through profit or loss.

Mandatory exceptions applied:

1. Estimates:

An entity's estimates in accordance with Ind ASs at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error.

Ind AS estimates as at 1st April 2016 are consistent with the estimates as at the same date made in conformity with previous GAAP except where Ind AS required a different basis for estimates as compared to the previous GAAP.

2. De-recognition of financial assets and liabilities:

Ind AS 101 requires a first-time adopter to apply the de-recognition provisions of Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS. However, Ind AS 101 allows a first-time adopter to apply the de-recognition requirements in Ind AS 109 retrospectively from a date of the entity's choosing, provided that the information needed to apply Ind AS 109 to financial assets and financial liabilities derecognised as a result of past transactions was obtained at the time of initially accounting for those transactions.

The Group has applied the de-recognition provisions of Ind AS 109 prospectively from the date of transition to Ind AS.

3. Classification and measurement of financial assets and liabilities:

Ind AS 101 requires an entity to assess classification and measurement of financial assets (investment in debt instruments) and financial liabilities on the basis of the facts and circumstances that exist at the date of transition to Ind AS.

Notes to the Consolidated Financial Statements as at and for the year ended March 31, 2018

4. Impairment of financial assets :

The Group has applied impairment requirements of Ind AS 109 prospectively to financial instruments the Group uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the Group's past history of collections, customer's credit-worthiness, existing market conditions as well as forward looking estimates at the end of each reporting period.

5. Cumulative translation difference:

IND AS 101 permits cumulative translation gains and losses to be reset to zero at the transition date. This provides relief from determining cumulative currency translation difference in accordance with IND AS 21 from date a subsidiary was formed or acquired. The group elected to reset all cumulative translation gains and losses to zero by transferring it to opening retained earnings at its transition date.

6. Business combinations :

The Group has not applied Ind AS 103 Business Combinations retrospectively for the business combinations consummated before 01-Apr-2016.

7. Deficit balance in Non- controlling Interest

Under Ind AS 110, consolidated statement of profit or loss and each component of OCI are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance.

IND AS 101 permits application of the above prospectively and thereby the Group has applied Ind AS 110 prospectively.

42. Notes to reconciliations between previous GAAP and Ind AS.

Reconciliation of the other equity on account of transition from previous GAAP to Ind- AS as at March 31, 2017 and April 01, 2016 is as under :

(₹ in Lakhs)			
Particulars	Note	As at 31.03.2017	As at 01.04.2016
		Audited	Audited

Proposed Dividend	(A)	-	528.33
Tax on Proposed Dividend		-	104.99
Fair Valuation of Forward Exchange Contracts	(B)	-	48.30
Recomputation of depreciation		46.09	23.94
Fair Value of corporate guarantee given to subsidiary	(C)	7.99	7.40
Others	(D)	(0.55)	1.47
Fair Value of Deposits		22.80	7.09
Foreign Currency Fluctuation		(1.57)	0.04
Debit balance/Correction of Minority Interest	(G)	(131.02)	(4.70)
Deferred tax Impact on the above items, etc.		16.62	(22.81)
Deferred tax Impact on Foreign Currency Translation		379.13	-
Other Equity as reported under Ind AS		47,630.57	40,924.82

Notes to the Consolidated Financial Statements as at and for the year ended March 31, 2018

Reconciliation of the Net Profit on account of transition from previous GAAP to Ind- AS year ended 31st March, 2017 is as under:

(₹ in Lakhs)

Particulars	Note	For the year ended 31.03.2017
Profit after Tax as reported under previous GAAP		11,633.82
Fair Valuation of Forward Exchange Contracts	(B)	48.30
Recomputation of depreciation		(2.52)
Fair Value of corporate guarantee given to subsidiary	(C)	0.58
Actuarial gain / (loss) in respect of defined benefit plan recognised in Other Comprehensive Income	(E)	13.13
Others		2.03
Reclassification of foreign exchange loss and gain on long term monetary item to profit and loss account	(F)	(338.26)
Deferred tax impact on the above items, etc.		12.00
Profit after Tax as reported under Ind- AS		11,268.42

(A) Proposed dividend including dividend distribution tax

Under Ind AS, dividend payable and dividend distribution tax is recognised as a liability in the period in which it is declared and approved by the shareholders. Under previous GAAP, dividend payable and dividend distribution tax was recorded as a liability in the period to which it relates. This difference has resulted in increase in equity under Ind AS by ₹ 633.32 Lakhs as at April 01, 2016.

(B) Derivative financial instruments

Under Ind AS, derivative financial instruments are measured at fair value. Under previous GAAP, in case of forward contracts covered under AS 11, difference between forward rate and spot rate was recognised in profit or loss over the term of contract. This difference has resulted in increase of equity under Ind AS by ₹ 48.30 Lakhs as at April 01, 2016 and decrease in profit by ₹ 48.30 for the year ended March 2017.

(C) Financial Guarantee

Guarantee in relation to loan to subsidiaries are provided for no compensation the fair value are accounted as contribution and recognised as part of investment and the amount pertaining to the same is classified as non-current financial liability and amortised over loan tenure. This difference has resulted in increase of equity under Ind AS by ₹ 7.99 Lakhs as at March 31, 2017 (₹ 7.40 Lakhs as at April 01, 2016) and increase in profit by ₹ 0.59 Lakhs for the year ended March 2017.

(D) Deposits and Advances at amortised cost

Under Ind AS, long-term deposits are carried at amortised cost. Under previous GAAP, the deposits and advances were carried at their historical cost.

(E) Remeasurement of gratuity recognised in other comprehensive income

Under Ind AS, the actuarial gains and losses form part of Remeasurement of the net defined benefit liability / asset and are recognised in other comprehensive income. Under previous GAAP, actuarial gains and losses were recognised in statement of profit and loss. There is no impact on the total equity but profit has increased by ₹ 13.13 Lakhs for the year ended March 2017 as a result of this adjustment.

(F) Foreign currency translation on long term monetary item

Under Ind AS, foreign currency fluctuation on long term loan are recognised in profit and loss account. Under previous GAAP foreign currency fluctuation on long term loan are recognised in foreign currency translation reserve on long term monetary item. There is no impact on the total equity but profit has decreased by ₹ 338.26 Lakhs for the year ended March 2017 as a result of this adjustment.

Notes to the Consolidated Financial Statements as at and for the year ended March 31, 2018

(G) Deficit balance in Non- controlling Interest

Under Ind AS 110, consolidated statement of profit or loss and each component of OCI are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. IND AS 101 permits application of the above prospectively and thereby the Group has applied Ind AS 110 prospectively.

(H) Investment Property

Under the previous GAAP, certain investment properties were presented as part of property, plant and equipment. Under Ind AS, investment properties are required to be separately presented on the face of the balance sheet. There is no impact on the total equity or profit as a result of this adjustment.

- 43.** During the year the Group has incurred CSR Expenses of ₹ 190.00 Lakhs (Previous year ₹ 137.65 Lakhs) which represented donations / contributions to Charitable Trust which are engaged in the CSR activities eligible under section 135 of the Companies Act as specified in Schedule VII.

44. Impairment of assets:

Bliss GVS Pharma Limited

Debtors outstanding are classified among regions as debtors of Africa, India and Global excluding Africa for last 5 year on quarterly basis into buckets on the basis of due dates as follows: 0-90 days; 90-180 days; and then proportion of amount in each bucket to total debtors is worked out. Average of entire 5 year of each bucket then two years avg of the 5 year average is calculated. Probability of debtors in each bucket shifting to next bucket is calculated. Average of all the probability of all 5 year is calculated and multiplied to the total debtors of that region. Likewise expected credit loss is worked out for all three regions mentioned above and aggregate of all three is recognised as expected credit loss in profit and loss account.

45. Summarised Financial Information of the Subsidiaries as at and for the year ended March 31, 2018:

(₹ in Lakhs)
