NOTES:

1. An Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 relating to the Special Business to be transacted at the Annual General Meeting (AGM) is annexed hereto.
2. **A MEMBER ENTITLED TO ATTEND AND VOTE AT THE MEETING IS ENTITLED TO APPOINT A PROXY TO ATTEND AND VOTE ON A POLL INSTEAD OF HIMSELF/HERSELF AND SUCH PROXY NEED NOT BE A MEMBER OF THE COMPANY. THE PROXY, IN ORDER TO BE EFFECTIVE, MUST BE RECEIVED BY THE COMPANY NOT LESS THAN 48 HOURS BEFORE THE MEETING. THE BLANK PROXY FORM IS ENCLOSED.**

However, a person can act as proxy on behalf of members not exceeding fifty (50) and holding in the aggregate not more than ten percent of the total share capital of the Company.
3. Corporate members intending to send their authorised representatives to attend the Meeting are requested to send to the Company a certified true copy of the Board Resolution authorising their representative to attend and vote on their behalf at the Meeting.
4. Members are requested to bring their attendance slip along with their copy of Annual Report to the Meeting.
5. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.
6. Subject to the provisions of Section 126 of the Companies Act, 2013 (corresponding to Section 206A of the Companies Act, 1956), dividend as recommended by the Board of Directors, if declared at the meeting, will be dispatched/remitted commencing on or from September 28, 2018.
7. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in Securities Market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN and bank details to the MCS Share Transfer Agent Limited.
8. The Members holding shares in physical mode are requested to notify the change in their address, if any, at the earliest to the Registrar & Transfer Agent/Company. However members, holding shares in electronic mode may notify the change in their address, if any, to their respective Depository Participants.
9. The Securities and Exchange Board of India (SEBI) vide its Notification dated June 8, 2018 has mandated that w.e.f. December 5, 2018, the transfer of shares would be carried out in dematerialized form only, except in case of transmission or transposition of securities. Hence all the shareholders holding shares in physical form are hereby requested to get their physical shares dematerialized.
10. **The Register of Members and the Share Transfer Books of the Company shall remain closed from September 17, 2018 to September 27, 2018 (both days inclusive).**
11. Members of the Company had approved the appointment of M/s. SCV & CO. LLP (Formerly S.C. Vasudeva & Co.) Chartered Accountants (Registration No. 000235N/N500089), as the Statutory Auditors at the 27th AGM of the Company which is valid till 32nd AGM of the Company. In accordance with the Companies (Amendment) Act, 2017, enforced on 7th May, 2018 by Ministry of Corporate Affairs, the appointment of Statutory Auditors is not required to be ratified at every AGM.
12. The information pursuant to Corporate Governance under SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 regarding the Directors seeking appointment/re-appointment in the Annual General Meeting is also being annexed hereto separately and forms part of the Notice. The Directors have furnished the requisite declarations for their appointment/re-appointment.
13. Members desiring any information, as regards Accounts, are requested to write to the Company at its Registered Office at least 10 days before the date of Annual General Meeting so as to enable the Management to keep the information ready.
14. The copies of relevant documents can be inspected at the Registered Office of the Company on any working day between 10.30 A.M. to 12.30 P.M.
15. Members holding shares in the same/identical name(s) under different folios are requested to apply for consolidation of such folios and send relevant share certificates to the Company/Registrar and Transfer Agent.
16. The Ministry of Corporate Affairs, Government of India, has taken a "Green Initiative in Corporate Governance" by allowing paperless compliances by the Companies and has issued circulars allowing Companies to send official documents to their members electronically. In support of the Green Initiative, your Company proposes to send the documents like Notice calling the Annual General Meeting and Annual Report containing Balance sheet, Statement of Profit & Loss and Directors' Report etc. and other communications in electronic form. The Members are requested to support this Green Initiative by registering/ updating their e-mail addresses with the Depository Participant (in case of shares held in dematerialized form) or with Registrar and Transfer Agent, MCS Share Transfer Agent Limited, Kolkata (in case of shares held in physical form).
17. The Results of the resolutions passed at the AGM of the Company will be declared within 48 working hours of conclusion of AGM. The results declared alongwith the Scrutinizer's report shall be placed on the Company's website www.vardhman.com and on the website of CDSL and will be communicated to the stock exchanges.
18. The Annual Report 2017-18 is being sent through electronic mode only to the Members whose email addresses are

registered with the Company/Depository Participant(s), unless any members has requested for a physical copy of the report. For members who have not registered their email addresses, physical copies of the Annual Report 2017-18 are being sent by permitted mode.

19. M/s. B.K. Gupta & Associates, Company Secretaries, have been appointed as the Scrutinizer to scrutinize the e-voting process in a fair and transparent manner (including the ballot forms received from members who do not have access to the e-voting process). The Scrutinizer shall within a period of three working days from the conclusion of e-voting period, unblock the votes in presence of at least two witnesses, not in employment of the Company and make a report of the votes cast in favour or against, if any, forthwith to the Chairman of the Company.

20. In compliance with Section 108 of the Companies Act, 2013, Rule 20 of the Companies (Management and Administration) Rules, 2014, substituted by Companies (Management and Administration) Amendment, Rules 2015, and Regulation 44 of the SEBI (Listing Obligations And Disclosures Requirement) Regulations, 2015, the Company has provided a facility to the members to exercise their votes electronically through the electronic voting service facility arranged by Central Depository Services (India) Limited. The facility for voting, through ballot paper, will also be made available at the AGM and the members attending the AGM who have not already cast their votes by remote e-voting shall be able to exercise their right at the AGM through ballot paper. Members who have cast their votes by remote e-voting prior to the AGM may attend the AGM but shall not be entitled to cast their votes again. The instructions for e-voting are annexed to the Notice.

ANNEXURE TO THE NOTICE:

STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013:

(For Item No. 4 to 8)

ITEM NO. 4:

Pursuant to the provisions of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the shareholders in their 27th AGM held on September 22, 2017 had given approval for entering into Related Party Transactions for Financial Year 2018-19.

The Approval of the Shareholders is mandatorily required for entering into all material Related Party Transactions under the SEBI Listing Regulations, 2015 [Regulation 23 (4)].

Transactions are to be considered as material if the transaction/ transactions to be entered into individually or taken together with previous transactions during a Financial Year, exceeds ten percent of the Annual consolidated turnover of the Company as per the last audited financial statements of the Company. The materiality nature of related party transactions being entered by the Company mandates it to seek members approval for such transactions for Financial Year 2019-20.

Accordingly, your approval is solicited on the transactions provided below. The most significant transaction(s) by way of amount(s) and frequency during the year is Sale of Acrylic Fiber to its holding company Vardhman Textiles Ltd (VTXL). VTXL had been consuming Exlan quality of acrylic fiber prior to setting up of your Company as a subsidiary company. As on date, around 30-35% of the fiber produced by the Company is consumed as raw material by VTXL.

The Board of Directors recommends the Ordinary Resolution as set out at Item No. 4 for approval of the Members. Accordingly, your approval is solicited.

MEMORANDUM OF INTEREST:

None of the Directors/Key Managerial Personnel of the Company/ their relatives are, in any way, concerned or interested, financially or otherwise, in the Ordinary Resolution set out at Item No. 4 of the Notice.

ITEM NO. 5:

Pursuant to the provisions of Section 161 of the Companies Act, 2013, the Board of Directors had appointed Ms. Apinder Sodhi as an Additional Director (Independent) of the Company with effect from November 1, 2017. Ms. Apinder Sodhi holds office upto the date of the ensuing AGM of the Company.

The Company has received a notice in writing from a member, along with requisite deposit under Section 160 of the Companies Act, 2013, proposing candidature of Ms. Apinder Sodhi for the office of Independent Director, to be appointed as such under the provisions of Section 149 of the Companies Act, 2013. The Company has received a declaration from Ms. Apinder Sodhi to the effect that she meets the criteria of independence as provided in Section 149(6) of the Companies Act, 2013.

Accordingly, it is proposed to appoint Ms. Apinder Sodhi as an Independent Director of the Company for a term of 3 (three) consecutive years with effect from November 1, 2017 upto October 30, 2020 pursuant to Section 149 and other applicable provisions of the Companies Act, 2013 and the Rules made thereunder.

In the opinion of the Board, Ms. Apinder Sodhi, the Independent Director proposed to be appointed, fulfills the conditions specified in the Companies Act, 2013 and the Rules made thereunder.

A brief profile of Ms. Apinder Sodhi is provided in the Annexure to this Notice.

The Board of Directors recommends the passing of the Ordinary Resolution as set out at Item No. 5 for approval of the Members. Accordingly, your approval is solicited.

Memorandum of Interest:

Except Ms. Apinder Sodhi, none of the Directors and Key Managerial Personnel of the Company or their relatives are concerned or interested financially or otherwise, in the proposed Ordinary resolution set out at Item No. 5 of the Notice.

ITEM NO. 6:

Pursuant to the provisions of the Section 148 of the Companies Act, 2013 read with Companies (Audit and Auditors) Rules, 2014, the Cost Audit is required to be conducted in respect of the Cost records maintained by the Company. Upon the recommendations of Audit Committee, the Board of Directors in its meeting held

2. MANAGEMENT DISCUSSION AND ANALYSIS REPORT:

Management Discussion and Analysis Report for the year under review as stipulated under Regulation 34(2)(e) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015, is presented as under.

A. ACRYLIC FIBER INDUSTRY – GLOBAL AND INDIAN PERSPECTIVE:

The year 2017-18 was quite eventful on energy front. Crude oil prices that were around US\$ 52/barrel in April 2017 touched US\$ 68/barrel by end of March 2018. This could happen because of the production cut agreement between OPEC and Russia continuing rather successfully and geo-political conditions between USA and Iran, Syria & North Korea. Major disruption in Texas and Houston, world's largest Acrylonitrile (major raw material for acrylic fiber) (ACN) production center following hurricane Harvey in

August 2017 and good demand from ABS, Adiponitrile and Acrylamide, the other derivatives of ACN kept rates of ACN at higher level. Availability situation was made worse by shutting down of some production capacity of ACN in China following Chinese Government decisions to implement tighter environment norms. Some of these plants are still shut with no reopening schedule in public domain. A new ACN plant that was scheduled to be commissioned towards end of 2017 in China is still awaiting environmental clearance.

Demand for acrylic fiber in China and globally was practically same to slightly lower as the previous year. However, additional acrylic fiber capacities installed in China in 2015 & 2016 continued to focus on increased exports. Implementation of GST disturbed normal market activities for almost 3-4 month in India. Different segments of market responded differently in adapting to the requirements under GST regime. Market could come largely to terms by December 2017. This caused extreme level of uncertainty in the market and anxiety to acrylic fiber producers.

An increase has been noticed in low cost imports of acrylic fiber from few European, South American and Asian countries since 2016 and the same still continues. It is only adding to the woes of domestic acrylic fiber producers already severally affected by global events. Margins were adversely affected during the year due to combination of these domestic and global reasons.

B. FINANCIAL ANALYSIS AND REVIEW OF OPERATIONS:

● PRODUCTION & SALES REVIEW:

During the year under review, your Company has registered Revenue from Operations of ₹ 32,696.66 Lakhs as compared to ₹ 36,842.96 Lakhs in the previous year. The production of the Company increased from 19,743 MT to 20,674 MT during the year 2017-18 showing an increase of 4.71%.

● PROFITABILITY:

The Company earned profit before depreciation, interest and tax of ₹ 5,204.85 Lakhs as against ₹ 6,211.08 Lakhs in the previous year. After providing for depreciation of ₹ 472.64 Lakhs (Previous Year ₹ 460.62 Lakhs), interest of ₹ 73.06 Lakhs (Previous Year ₹ 36.13 Lakhs), provision for current tax ₹ 1,449.17 Lakhs (Previous Year ₹ 1,632.29 Lakhs), deferred tax ₹ (647.26) Lakhs [Previous Year ₹ (28.48) Lakhs], the net profit from operations worked out to ₹ 3,857.24 Lakhs as compared to ₹ 4,110.52 Lakhs in the previous year.

The Reserves available for payment of Dividend was ₹ 18,557.49 Lakhs. Out of these reserves, Dividend @ ₹ 1.50 per equity share amounting to ₹ 1,205.46 Lakhs and Dividend Distribution Tax of ₹ 245.40 Lakhs was paid.

● **RESOURCES UTILISATION:**

a) **Fixed Assets:**

The Net Block as at 31st March, 2018 was ₹ 5,472.40 Lakhs as compared to ₹ 5,768.76 Lakhs in the previous year.

b) **Current Assets:**

The current assets as on 31st March, 2018 were ₹ 22,716.44 Lakhs as against ₹ 34,173.39 Lakhs in the previous year. Inventory level was at ₹ 5,246.52 Lakhs as compared to the previous year level of ₹ 7,943.79 Lakhs.

● **FINANCIAL CONDITIONS & LIQUIDITY:**

The Company enjoys a rating of "AA/Stable" from Credit Rating Information Services of India (CRISIL) for long term borrowings and "A1+" for short term borrowings respectively. Management believes that the Company's liquidity and capital resources should be sufficient to meet its expected working capital needs and other anticipated cash requirements.

The position of liquidity and capital resources of the Company is given below:-

	(₹ in Lakhs)	
PARTICULARS	2017-18	2016-17
Cash and Cash equivalents:		
Beginning of the year	905.95	56.84
End of the year	409.30	905.95
Net cash provided (used) by:		
Operating Activities	293.66	4,216.36
Investing Activities	669.60	2,962.72
Financial Activities	(1459.91)	(6,329.97)

C. **BUSINESS OUTLOOK:**

Industry and businesses seem to have adapted to GST. India clocked a GDP growth of 6.6-6.7% in 2017-18. This is a very healthy number when compared with 6.9% for China and 3.8% for world in 2017 despite the expected initial disturbance due to GST implementation in this fiscal. Forecasted GDP growth for India for FY 2018-19 is 7.3% by World Bank, 7.4% by IMF and 7.4% by RBI. It is higher than that for China at 6.6% and 3.9% for World in 2018. Consumer price inflation in India has steadily come down to 4.28%. Manufacturing and services sectors have already started showing good growth in last few months. Increase in domestic demand is likely to spur investments in manufacturing sector in the country. At macro level, uncertainty on account of global economic factors like US interest rates still remain.

Emphasis of the Government on increasing rural incomes is a positive for acrylic fiber industry in medium and long term.

However, high crude oil prices especially any further increase from current level can adversely affect the disposable income of large part of country's population and in turn impact acrylic fiber demand like many other products with relatively elastic demand. Cheap imports from few countries as already mentioned above and from some other countries despite imposition of Anti-Dumping Duty are a big concern as they are affecting both volume and margins of Indian acrylic fiber producers.

D. **MANAGEMENT PERCEPTION OF RISK & CONCERNS:**

High input cost mainly due to higher crude oil prices, competition from overseas acrylic fiber suppliers who are facing declining demand in their own countries or losing export markets to competitors, substitution by cheaper products like polyester though not equivalent in quality and functional terms but a lot cheaper are the risks that Indian AF industry is currently faced with or anticipates. Inflation is under check and is in favour of acrylic fiber consumption. A good monsoon can give impetus to acrylic fiber demand and poor monsoon work against it. Depreciation of Indian Rupee will make acrylic fiber expensive.

E. **INTERNAL CONTROL SYSTEMS AND ITS ADEQUACY:**

The Company has adopted a strong and well-designed Internal Audit to review all systems, processes and controls of the Company to ensure following best industry practices, compliance with internal systems & procedures and statutory requirements. This is supplemented by Statutory Audits as well as Self Audits done periodically. Senior management of your company is committed to make the operations system driven and transparent so as to minimise chances of deviations and timely action.

F. **INTERNAL FINANCIAL CONTROL:**

The Company has in place requisite and adequate controls for financial matters to ensure all compliances - internal as well as statutory. The systems related to these matters are regularly reviewed and updated to keep them in sync with changing times. During the year, no reportable material weakness in the design or operation was observed.

Independent Auditors' Report

To
The Members of
Vardhman Acrylics Limited

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of Vardhman Acrylics Limited ('the Company'), which comprise the balance sheet as at 31 March 2018, the statement of profit and loss (including other comprehensive income), the statement of changes in equity and the statement of cash flows for the year then ended and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the order issued under section 143(11) of the Act.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone financial statements. The procedures selected depend on the auditor's

judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Board of Directors, as well as evaluating the overall presentation of the standalone financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company, as at 31 March 2018, and its profit, total comprehensive income, the changes in equity and the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's report) Order, 2016 ("the order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A", which forms a part of this report, a statement on the matters specified in the paragraph 3 and 4 of the order.
2. As required by Section 143(3) of the Act, based on our audit, we report, that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - (c) The balance sheet, the statement of profit and loss (including other comprehensive income), the statement of cash flows and statement of changes in equity dealt with by this Report are in agreement with the books of account;
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Indian Accounting Standards prescribed under Section 133 of the Act, read with relevant rules issued thereunder;
 - (e) On the basis of the written representations received from the directors of the Company as on 31st March 2018 taken on record by the Board of Directors, none of the Directors is disqualified as on 31st March 2018 from being appointed as a Director in terms of Section 164(2) of the Act;

Vardhman Acrylics Limited

- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the company's internal financial controls over financial reporting and;
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
- The company has disclosed the impact of pending litigations on its financial position in its Standalone financial statements. Refer Note 33A to the standalone financial statements.

ANNEXURE - B TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Vardhman Acrylics Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financials control over financial reporting of Vardhman Acrylics Limited ("the Company") as of 31st March 2018 in conjunction with our audit of standalone financial statements of company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting

Vardhman Acrylics Limited

records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Financial Statements

1. CORPORATE AND GENERAL INFORMATION

Vardhman Acrylics Limited ("the Company") is a public limited company, incorporated and has its registered office at Vardhman Premises, Chandigarh Road, Ludhiana, Punjab, India. The company has its listing on National Stock Exchange of India Limited.

The Company is a leading manufacturer and supplier of Acrylic Fibre and Tow with manufacturing facility in Gujarat, India.

The financial statements are approved by board of directors of the Company on May 03, 2018.

2. SIGNIFICANT ACCOUNTING POLICIES :

(a) Basis of preparation of financial statements

These financial statements are prepared in accordance with Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The Ind AS are prescribed under Section 133 of the Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued there after.

The following assets and liabilities which have been measured at fair value:

- Derivative financial instruments
- Certain financial assets and liabilities measured at fair value.

Effective April 1, 2016, the company has adopted all the Ind AS standards and the adoption was carried out in accordance with Ind AS 101 First time adoption of Indian Accounting Standards with April 1, 2015 as transition date.

This transition was carried out from Indian Accounting principles generally accepted in India as prescribed, under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rule 2014 (IGAAP), which was the previous (GAAP)

The Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

Amounts for the year ended and as at March 31, 2017 were audited by previous auditors, S.S. Kothari Mehta & Co.

(b) Use of Estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgments and assumptions. These estimates, judgments and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. The application of accounting policies that require critical accounting estimates involving complex and subjective judgements and use of assumptions in these financial statements have been disclosed in notes. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and, if material, their effects are disclosed in the notes to the financial statements.

(c) Revenue Recognition

i. Sale of goods

Revenue from the sale of goods is recognised on transfer of significant risks and rewards of ownership and effective control to the buyer, as per terms of the contracts and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sales of goods. Revenue is measured at fair value of the consideration received or receivable net of returns (if any), trade discounts and rebates.

Sales are presented gross of excise duty and net of Goods and Service Tax (GST) / Value Added Tax (VAT), wherever applicable.

In accordance with Ind AS 18 on "Revenue" and Schedule III of the Companies Act, 2013, Sales for the previous year ended 31 March 2017 and for the period 1 April to 30 June 2017 were reported gross of Excise Duty and Net of Value Added Tax. Excise Duty was reported as a separate expense line item.

Consequent to the introduction of Goods and Services Tax (GST) with effect from 1 July 2017, VAT/Sales Tax, Excise Duty etc. have been subsumed into GST and accordingly the same is not recognised as part of sales as per the requirements of Ind AS 18.

ii. Interest income

Interest income is recognized using effective interest rate (EIR).

iii. Dividend income

Dividend income is recognized when the right to receive the payment is established.

iv. Insurance and Other Claims

Revenue in respect of claims is recognized when no significant uncertainty exists with regard to the amount to be realized and the ultimate collection thereof.

(d) Employee Benefits

i. Short term Employee Benefits :

Short Term Employee Benefits are recognized as an expense on an undiscounted basis in the statement of profit and loss of the year in which the related service is rendered.

ii. Provident Fund

Employees receive benefit in the form of provident fund which is a defined contribution plan. The Company has no obligation, other than the contribution payable to the provident fund. The Company recognizes contribution payable to the provident fund scheme as an expense, when an employee renders the related service.

iii. Superannuation

Certain employees of the Company are participants in a defined contribution plan. The Company has no further obligations to the Plan beyond its monthly contributions which are periodically contributed to a trust fund, the corpus of which is invested with the Life Insurance Corporation of India.

iv. Gratuity

The Company provides for gratuity, a defined benefit retirement plan ('the Gratuity Plan') covering eligible employees of the Company. The Gratuity Plan provides a lump-sum payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's salary and the tenure of employment with the Company.

Liabilities with regard to the Gratuity Plan are determined by actuarial valuation, performed by an independent actuary, at each balance sheet date using the projected unit credit method. The company fully contributes all ascertained liabilities to the Vardhman Acrylics Limited Gratuity Fund Trust (the Trust). Trustees administer contributions made to the Trusts and contributions are invested in the schemes as permitted by Indian Law.

The Company recognizes the net obligation of a defined benefit plan in its balance sheet as an asset or liability. Gain and losses through re-measurements of the net defined benefit liability / asset are recognised in other comprehensive income and are not reclassified to profit and loss in subsequent periods.

The actual return of portfolio of plan assets in excess of the yields computed by applying the discount rate used to measure the defined benefit obligation is recognised in other comprehensive income.

v. Compensated absences

The Company has a policy on compensated absences which are both accumulating and non-accumulating in nature. The expected cost of accumulating compensated absences is determined by actuarial valuation performed by an independent actuary at each balance sheet date using projected unit credit method. Expense on non-accumulating compensated absences is recognized in the period in which the absences occur.

(e) Property, Plant and Equipment

Property, plant and equipment are stated at cost, less accumulated depreciation and impairment, if any. Costs directly attributable to acquisition are capitalized until the property, plant and equipment are ready for use, as intended by management. The company depreciates property, plant and equipment over their estimated useful lives using the straight-line method. The estimated useful lives of assets as prescribed under Part C of Schedule II of the Companies Act 2013 except the assets costing ₹ 5000/- or below on which deprecation is charged @ 100% per annum on proportionate basis, are as follows:

Building - 30-60 years.
 Plant and Machinery - 10-25 years.
 Office Equipment - 5 Years
 Computer Equipment - 3 years.
 Furniture and fittings - 10 years
 Vehicles excluding Motor cycles- 08 years.
 Motor cycles – 10 years.

Advances paid towards the acquisition of property, plant and equipment outstanding at each balance sheet date is classified as capital advances under other 'non-current assets' and the cost of assets not put to use before such date are disclosed under 'Capital work-in-progress'.

Subsequent expenditures relating to property, plant and equipment is capitalized only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably.

Repairs and maintenance costs are recognized in net profit in the Statement of Profit and Loss when incurred.

The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss.

Depreciation methods, useful lives and residual values are reviewed periodically, including at each financial year end.

(f) Intangible Assets

Intangible assets are stated at cost less accumulated amortization and impairment if any. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date that they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence etc. Amortization method and useful lives and residual values are reviewed periodically, including at each financial year end.

(g) Inventories

Inventories of raw materials, stores and spares, trading goods, work-in-progress and finished goods are valued at cost or net realisable value, whichever is lower. However, materials and other items held for use in the production of Inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost. The cost in respect of the aforesaid items of inventory is computed as under:

- In case of raw materials, at weighted average cost plus direct expenses.
- In case of stores and spares, at weighted average cost plus direct expenses.
- In case of work-in-progress, at raw material cost plus conversion cost depending upon the stage of completion.
- In case of finished goods, at raw material cost plus conversion cost, packing cost and other overheads incurred to bring the goods to their present condition and location.

(h) Borrowing Costs

Borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized as part of the cost of the asset. Other borrowing costs are recognized as an expense in the period in which they are incurred. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent recorded as an adjustment to the borrowing costs.

(i) Earnings per Share

Basic earnings per equity share is computed by dividing the net profit for the period attributable to the equity share holders of the company by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit for the period attributable to the equity shareholders is divided by the weighted average number of equity shares outstanding during the period after adjusting for the effects of all dilutive potential equity shares, if any.

(j) Taxes on Income

Income tax expense comprises of current and deferred income tax. Income tax expense is recognized in net profit in the statement of profit and loss except to the extent that it relates to items recognized directly in equity, in which case it is recognized in other comprehensive income.

Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date.

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred income tax assets and liabilities are measured using tax rates and tax laws that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled. The effect of changes in tax rates on deferred income tax assets and liabilities is recognized as income or expense in the period that includes the enactment or the substantive enactment date. A deferred income tax asset is recognized to the extent that it is probable that future taxable profit will be available against which the deductible temporary differences and tax losses can be utilized. Deferred tax assets are reviewed at each reporting date and are reduced to the extent that it is no longer probable that the related tax benefit will be realized.

The company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

(k) Government Grants

- i. The government grants are recognized only when there is reasonable assurance that the conditions attached to them shall be complied with, and the grants will be received.
- ii. Government grants in relation to fixed assets are treated as deferred income and are recognized in the statement of profit and loss on a systematic and rational basis over the useful life of the asset.
- iii. Government grants related to revenue are recognized on a systematic basis in the statement of profit and loss over the periods necessary to match them with the related costs which they are intended to compensate.

(l) Foreign Currency Transactions

(i) Functional and Presentation currency

The functional currency of the company is Indian rupee. These financial statements are presented in Indian rupees (rounded off to ₹ Lakhs).

(ii) Transaction and balances

The foreign currency transactions are recorded, on initial recognition in the functional currency, by applying to the foreign currency amount the spot exchange rate between the functional currency and the foreign currency at the date of the transaction.

The monetary items denominated in foreign currency are translated using the closing rate at the end of each reporting period. Non-monetary items that are measured in terms of historical cost in a foreign currency is translated using the exchange rate at the date of the transaction.

Exchange differences arising on the settlement of monetary items or on reporting of monetary items at rates different from rates at which these were translated on initial recognition during the period or reported in previous financial statements as recognised in the statement of profit or loss in the period in which they arise.

Foreign exchange differences recorded as an adjustment to borrowing costs are presented in the statements of profit and loss, within finance cost. All other foreign exchange gains and losses are presented in the statement of profit and loss on net basis.

(m) Dividends

Final dividends on shares are recorded as a liability on the date of approval by the shareholders and interim dividends are recorded as a liability on the date of declaration by the company's Board of Directors.

(n) Leases

Leases under which the company assumes substantially all the risks and rewards of ownership are classified as finance leases. When acquired, such assets are capitalized at fair value or present value of the minimum lease payments at the inception of the lease, whichever is lower.

Lease under which the risks and rewards incidental to ownership are not transferred to lessee is classified as operating lease. Lease payments under operating leases are recognized as an expense on a straight line basis in net profit in the statement of profit and loss over the lease term.

(o) Financial Instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i. Initial Recognition and measurement

All financial assets and liabilities are recognized at fair value plus or minus transaction cost that are directly attributable to the acquisition or issue of financial asset or financial liability on initial recognition except for trade receivables which are initially recognized at transaction price.

Transaction cost that are directly attributable to the acquisition or issue of financial assets and financial liabilities, that are carried at fair value through profit or loss are immediately recognized in the statement of profit or loss.

ii. Subsequent measurement

➤ **Non-derivative financial instruments**

1. Financial assets carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

2. Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The company has made an irrevocable election for its investment which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model. Further, in cases where the company has made an irrevocable election based on its business model, for its investment which are classified as equity instruments, the subsequent changes in fair value are recognized in other comprehensive income.

3. Financial assets at fair value through profit or loss

A financial asset which is not classified in any of the above categories is subsequently measured at fair value through profit or loss.

4. Financial liabilities

The financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

➤ Derivative financial instruments

The Company holds derivative financial instruments such as foreign exchange forward and option contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counterparty for these contracts is generally a bank.

➤ Financial assets or financial liability at fair value through Profit or Loss

This category has financial assets or liabilities which are not designated as hedges.

Although the Company believes that these derivatives constitute hedges from an economic perspective, they may not qualify for hedge accounting under Ind AS 109, Financial Instruments. Any derivative that is either not designated a hedge, or is so designated but is ineffective as per Ind AS 109, is categorized as a financial asset or financial liability, at fair value through profit or loss.

Derivatives not designated as hedges are recognized initially at fair value and attributable transaction costs are recognized in net profit in the statement of profit and loss when incurred. Subsequent to initial recognition, these derivatives are measured at fair value through profit or loss and the resulting exchange gains or losses are included in other income. Assets/ liabilities in this category are presented as current assets/current liabilities if they are either held for trading or are expected to be realized within 12 months after the balance sheet date.

➤ Cash Flow Hedge

The Company has not designated derivative financial instruments as cash flow hedges.

➤ Equity Share capital

Equity Shares

Equity shares issued by the company are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares and share options are recognized as a deduction from equity, net of any tax effects.

Derecognition of financial instruments

A financial asset is derecognized when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109.

A financial liability is derecognized when the obligation specified in the contract is discharged or cancelled or expires.

Fair value of financial instruments

The fair value of financial instruments is determined using the valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

Based on the three level fair value hierarchy, the methods used to determine the fair value of financial assets and liabilities include quoted market price, discounted cash flow analysis and valuation certified by the external valuer.

In case of financial instruments where the carrying amount approximates fair value due to the short maturity of those instruments, carrying amount is considered as fair value.

(p) Impairment of assets**i) Financial assets**

The company recognizes loss allowances using the expected credit loss (ECL) model for the financial assets which are not fair valued through profit or loss.

Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is recognized as an impairment gain or loss in statement of profit or loss.

ii) Impairment of property, plant and equipment

Property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU (Cash Generating unit) to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the statement of profit and loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the statement of profit and loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated depreciation) had no impairment loss been recognized for the asset in prior years.

(q) Cash and cash equivalents

Cash and cash equivalents for the purpose of statement of cash flows include bank balances, where the original maturity is three months or less. Other short term highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value. Bank overdraft are included as a component of cash and cash equivalent for the purpose of statement of cash flow.

(r) Cash flow statement

The cash flow statement is prepared in accordance with the Indian Accounting Standard (Ind AS) - 7 "Statement of Cash flows" using the indirect method for operating activities.

(s) Provisions and Contingent liabilities:

A provision is recognized if, as a result of past event, the company has a present obligation (legal or constructive) and on management judgement that is reasonably estimable, and it is probable that an outflow of economic benefits will be required to settle the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as finance cost.

Contingent liability is disclosed in the case of:

- Ø A present obligation arising from past events, when it is not probable that an outflow of resources will be required to settle the obligation;
- Ø A present obligation arising from past events, when no reliable estimate is possible;
- Ø A possible obligation arising from past events, unless the probability of outflow of resources is remote.

Commitments include the amount of purchase order (net of advances) issued to parties for completion of assets.

Provisions, contingent liabilities, contingent assets and commitments are reviewed at each balance sheet date.

Environment Obligations

Provisions for environment obligations represent liabilities towards costs expected to be incurred to treat contaminated soil/effluents at its manufacturing locations, wherever required by local laws.

(t) Critical accounting estimatesUseful lives of property, plant and equipment

The estimated useful lives of property, plant and equipment are based on a number of factors including the effects of obsolescence, internal assessment of user experience and other economic factors (such as the stability of the industry, and known technological advances) and the level of maintenance expenditure required to obtain the expected future cash flows from the asset.

The Company reviews the useful life of property, plant and equipment at the end of each reporting date.

Recoverable amount of property, plant and equipment

The recoverable amount of property plant and equipment is based on estimates and assumptions regarding the expected market outlook and expected future cash flows. Any changes in these assumptions may have a material impact on the measurement of the recoverable amount and could result in impairment.

Post-retirement benefit plans

Employee benefit obligations are measured on the basis of actuarial assumptions including any changes in these assumptions that may have a material impact on the resulting calculations.

Recognition of deferred tax assets

Recognition of deferred tax assets depends upon the availability of future profits against which tax losses carried forward can be used.

(u) Recent Accounting pronouncements:**Appendix B to Ind AS 21, Foreign currency transactions and advance consideration:**

On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 containing Appendix B to Ind AS 21, "Foreign Currency Transactions and Advance Consideration" which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income is the date on which an entity initially recognises the non-monetary asset or non-monetary liability arising from the payment or receipt of advance consideration.

The amendment is applicable for annual reporting periods beginning on or after April 1, 2018. The Company is evaluating the impact of this amendment on its financial statements.

Ind AS 115- Revenue from Contract with Customers:

On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Ind AS 115, Revenue from Contract with Customers. The core principle of the new standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services.

Specifically, the standard introduces a 5-step approach to revenue recognition:

- Step 1: Identify the contract(s) with a customer
- Step 2: Identify the performance obligation in contract
- Step 3: Determine the transaction price
- Step 4: Allocate the transaction price to the performance obligations in the contract
- Step 5: Recognise revenue when (or as) the entity satisfies a performance obligation

Under Ind AS 115, an entity recognises revenue when (or as) a performance obligation is satisfied, i.e. when 'control' of the goods or services underlying the particular performance obligation is transferred to the customer.

Further the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The effective date for adoption of Ind AS 115 is financial periods beginning on or after April 1, 2018.

40. Financial Risk Management

The financial assets of the company include investments, loans, trade and other receivables, and cash and bank balances that derive directly from its operations.

The financial liabilities of the company, other than derivatives, include loans and borrowings, trade and other payables and the main purpose of these financial liabilities is to finance the day to day operations of the company.

The company is mainly exposed to the following risks that arise from financial instruments:

- (i) Market risk
- (ii) Liquidity risk
- (iii) Credit risk

The Company's senior management oversees the management of these risks and that advises on financial risks and the appropriate financial risk governance framework for the Company.

This note explains the risks which the company is exposed to and policies and framework adopted by the company to manage these risks:

(i) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market prices comprise two types of risk: interest rate risk, foreign currency risk.

(a) Foreign currency risk

The company imports certain assets and material from outside India. The exchange rate between the Indian rupee and foreign currencies has changed substantially in recent years and may fluctuate substantially in the future. Consequently the company is exposed to foreign currency risk and the results of the company may be affected as the rupee appreciates/ depreciates against foreign currencies. Foreign exchange risk arises from the future probable transactions and recognized assets and liabilities denominated in a currency other than company's functional currency.

The company measures the risk through a forecast of highly probable foreign currency cash flows and manages its foreign currency risk by hedging appropriately. The Company uses foreign exchange forward contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The Company's exposure to foreign currency risk was based on the following amounts as at the reporting dates:

Excess forwards bought against pending purchase order shipment

The following significant exchange rates applied during the year:

Particulars	2017-18 (Average exchange rate)	2016-17 (Average exchange rate)	2017-18 (Year end rates)	2016-17 (Year end rates)
INR/USD	64.46	65.55	65.18	64.86
INR/EURO	75.45	72.20	80.84	69.31

Foreign currency sensitivity analysis

Any changes in the exchange rate of EURO and USD against INR is not expected to have significant impact on the Company's profit due to the less exposure of these currencies. Accordingly, a 10% appreciation/depreciation of the INR as indicated below, against the EURO and USD would have increased/reduced profit by the amounts shown below. This analysis is based on the foreign currency exchange rate variances that the Company considered to be reasonably possible at the end of the reporting period. The analysis assumes that all other variable remains constant:

Particulars	(₹ in Lakhs)	
	As at 31 March 2018	As at 31 March 2017
10% Strengthening/weakening of USD against INR	1.37	11.42
10% Strengthening/weakening of EURO against INR	-	0.07

The following table gives details in respect of outstanding foreign currency forward held by the company to mitigate the risk of changes in exchange rates on foreign currency exposures.

(b) Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates.

As the Company has no significant interest-bearing assets, the income and operating cash flows are substantially independent of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's debt obligations with floating interest rates, which are included in interest bearing loans and borrowings in these financial statements. The company's fixed rate borrowings are carried at amortised cost. They are therefore not subject to interest rate risk, since neither the carrying amount nor the future cash flows will fluctuate because of a change in market interest rates.

At the reporting date the interest rate profile of the Company's interest bearing financial instrument is at its fair value:

Particulars	Carrying amount (₹ in Lakhs)	
	Financial Year 2017-18	Financial Year 2016-17
Variable rate instruments		
Long term borrowings	-	-
Current maturities of long term debt	-	-
Short term borrowings	132.81	88.30

Cash flow sensitivity analysis for variable rate instruments

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. A change of 100 basis points in interest rates for variable rate instruments at the reporting date would have increased/(decreased) profit or loss for the below years by the amounts shown below. With all other variables held constant, the Company's profit before tax is affected through the impact on floating rate borrowings, as follows :

Particulars	Financial Year 2017-18	Financial Year 2016-17
Increase/ (decrease) in 100 basis point (₹ in Lakhs)	1.33	0.88

(ii) Liquidity Risk

The financial liabilities of the company, other than derivatives, include loans and borrowings, trade and other payables. The company's principal sources of liquidity are cash and cash equivalents and the cash flow that is generated from operations.

The company monitors its risk of shortage of funds to meet the financial liabilities using a liquidity planning tool. The company plans to maintain sufficient cash and marketable securities to meet the obligations as and when falls due.

The below is the detail of contractual maturities of the financial liabilities of the company at the end of each reporting period:

Particulars	(₹ in Lakhs)	
	Financial Year 2017-18	Financial Year 2016-17
Borrowings		
0-3 months	132.81	88.30
3-12 months	-	-
1-2 years	-	-
2-5 years	-	-

Trade Payables		
0-3 months	4,076.70	6,455.36
3-12 months	-	-
1-2 years	-	-
2-5 years	-	-
More than 5 years	-	-
Other Financial liabilities		
0-3 months	608.29	744.88
3-12 months	-	-
1-2 years	-	-
2-5 years	-	-
More than 5 years	-	-

(iii) Credit Risk

Credit risk refers to the risk of default on its obligation by the counterparty resulting in a financial loss. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables which are typically unsecured. Credit risk on cash and bank balances is limited as the company generally invests in deposits with banks and financial institutions with high credit ratings assigned by credit rating agencies.

The company assesses the creditworthiness of the customers internally to whom goods are sold on credit terms in the normal course of business. The credit limit of each customer is defined in accordance with this assessment

The impairment analysis is performed on client to client basis for the debtors that are past due at the end of each reporting date. The company has not considered an allowance for doubtful debts in case of Trade receivables that are past due but there has not been a significant change in the credit quality and the amounts are still considered recoverable.

The following is the detail of revenues generated from top five customers of the company and allowance for lifetime expected credit loss:

Particulars	(₹ in Lakhs)	
	Financial Year 2017-18	Financial Year 2016-17
(a) Revenue from top five customers		
- Amount of sales	17,318.36	22,216.84
- % of total sales	52.97%	60.30%
(b) Allowance for doubtful debt		
- Balance at the beginning of the period	-	-
- Impairment loss recognized	-	-
- Amount written off	-	-
- Balance at the end of the period	-	-

Write off policy

The financials assets are written off in case there is no reasonable expectation of recovering from the financial asset.

41. Capital Management

The capital includes issued equity capital, share premium and all other equity reserves attributable to the equity holders of the company. The primary objective of the company's capital management is to maintain optimum capital structure to reduce cost of capital and to maximize the shareholder value.

The company manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants which otherwise would permit the banks to immediately call loans and borrowings. In order to maintain or adjust the capital structure, the company may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares.

The Company monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The Company's gearing ratio was as follows:

Particulars	(₹ in Lakhs)	
	Financial Year 2017-18	Financial Year 2016-17
Borrowings	132.81	88.30
Less: Cash and cash equivalent	409.30	905.95
Net debt	(276.49)	(817.65)
Total equity	31,938.19	29,541.49
Capital and Net debt	31,661.70	28,723.84
Gearing ratio	-	-

Further, there have been no breaches in the financial covenants of any interest-bearing loans and borrowing in the current period.

There were no changes in the objectives, policies or processes for managing capital during the year ended 31 March 2018 and 31 March 2017.

42. In accordance with the Ind AS-36 on Impairment of Assets, the Company has assessed as on the balance sheet date, whether there are any indications with regard to the impairment of any of the assets. Based on such assessment it has been ascertained that no potential loss is present and therefore, formal estimate of recoverable amount has not been made. Accordingly no impairment loss has been provided in the books of account.
43. The details of amounts outstanding to Micro, Small and Medium Enterprises under the Micro, Small and Medium Enterprises Development Act, 2006 (MSMED Act), based on the available information with the Company are as under:

Sr. No.	Particulars	(₹ in Lakhs)	
		As at 31.03.2018	As at 31.03.2017
(i)	Principal amount remaining unpaid	39.69	49.93
(ii)	Interest due thereon remaining unpaid	-	-
(iii)	Interest paid by the Company in terms of Section 16 of the Micro, Small and Medium Enterprises Development Act, 2006, along-with the amount of payment made to the supplier beyond the appointed day during the period	-	-
(iv)	Interest due and payable for the period of delay in making payment (which have been paid but beyond the appointed day during the period) but without adding interest specified under the Micro, Small and Medium Enterprises Act, 2006.	-	-
(v)	Interest accrued and remaining unpaid	-	-
(vi)	Interest remaining due and payable even in the succeeding years, until such date when the interest dues as above are actually paid to the small enterprises	-	-

44. Expenditure incurred on Corporate Social Responsibility.

As per section 135 of the Companies Act, 2013, a company meeting the applicable threshold, need to spend atleast 2% of the average net profit for the immediate preceeding three financial years on CSR activities as defined in Schedule-VII of the Companies Act 2013.

(a) Gross amount required to be spent by the company during the year ₹ 61.61 Lakhs Previous year (₹ 45.98 Lakhs).

(b) Amount spent during the year:

Particulars	(₹ in Lakhs)	
	Year ended March 31, 2018	Year ended March 31, 2017
(i) Construction/ acquisition of any assets	-	-
(ii) On purpose other than (i) above	34.11	51.43
Total	34.11	51.43

45. In accordance with Ind AS 18 on "Revenue" and Schedule III to the Companies Act, 2013, Sales for the previous year ended 31 March 2017 and for the period 1 April to 30 June 2017 were reported gross of Excise Duty and net of VAT/ CST. Excise Duty was reported as a separate expense line item. Consequent to the introduction of Goods and Services Tax (GST) with effect from 1 July 2017, VAT/CST, Excise Duty etc. have been subsumed into GST and accordingly the same is not recognised as part of sales as per the requirements of Ind AS 18. This has resulted in lower reported sales in the current year in comparison to the sales reported under the pre-GST structure of indirect taxes. With the change in structure of indirect taxes, certain expenses where credit of GST is available are also being reported net of taxes.

46. Previous Year figures have been regrouped/ reclassified wherever considered necessary.
