Chairman's Statement

D.P. JINDAL

Chairman

Dear Shareholders,

The upstream oil sector continues to suffer and affect our drilling business for the fourth year in a row. JDIL commenced a three year contract with ONGC for another rig in May 2018 though at a low day rate. Despite various difficulties, we have maintained required industry safety standards and obtained all certification on time.

Several measures including tough negotiations with vendors to reduce costs of spare parts, services and restructuring of employee remuneration have been implemented and continue to be pursued in our sustained efforts to keep the business profitable.

There has been a renewed interest in jack up rig engagements outside India for short term contracts and the Company is actively campaigning to get more rigs employed during the course of this year. Tender for multiple jack-up rigs in India are also expected anytime now and we look forward to operate more rigs in service of the nation.

Even though the directional drilling business saw a sharp dip in revenue on completion of contracts, the mud logging business is set to expand 100% from 11 to 22 units on award of a 5 year long term contract from ONGC.

Our employees continue to hold our hands in these testing times and the Company is thankful to them for their understanding and efforts.

I would also like to extend my sincere gratitude to all board members and our stakeholders for their valuable contributions.

Thanking you,

D. P. JINDAL

ANNUAL REPORT ON CORPORATE SOCIAL RESPONSIBILITY (CSR) ACTIVITIES

[Pursuant to clause (o) of sub-section (3) of Section 134 of the Companies Act, 2013 and Rule 9 of the Companies (Corporate Social Responsibility) Rules, 2014]

1. A brief outline of the Company's CSR policy, including overview of projects or programs proposed to be undertaken and a reference to the web-link to the CSR policy and projects or programs.

The Board of Directors, on recommendation of the Corporate Social Responsibility Committee framed a Corporate Social Responsibility Policy which is posted on the Company's website. The Company proposes to adopt projects or programmes under one or more of the activities as prescribed under Schedule VII of the Companies Act, 2013, as recommended from time to time.

The Corporate Social Responsibility Policy is posted on the Company's Website [www.jindal.com](http://www.jindal.com/jdil/pdf/CSR%20Policy%20JDIL.pdf) on the following link <http://www.jindal.com/jdil/pdf/CSR%20Policy%20JDIL.pdf>.

2. **The Composition of the CSR Committee.** The Company has a CSR Committee of Directors comprising of Shri Raghav Jindal, Chairman of the Committee and Shri K. K. Khandelwal and Shri Vijay Kaushik as its other members.

3. **Average net profit of the Company for last three financial years - ₹ 4300.56 Lakhs**

4. **Prescribed CSR Expenditure (two per cent of the amount as in item 3 above) – ₹ 86.01 Lakhs**

5. **Details of CSR spent during the financial year**

(a) Total amount to be spent for the financial year – ₹ 86.01 Lakhs

(b) Amount unspent, if any – ₹ 41.01 Lakhs

(c) Manner in which the amount spent during the financial year is detailed below:

S. No.	CSR Project or Activity identified	Sector in which the project is covered	Projects or programs (1) Local area or other (2) Specify the State and district where projects or programs was undertaken.	Amount Outlay (Budget) project or programs wise (₹)	Amount spent on the projects or programs subheads : (1) Direct Expenditure (2) Overheads (₹)	Cumulative Expenditure upto the reporting period (₹)	Amount Spent : Direct or through implementing agency

SECRETARIAL AUDIT REPORT**FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2018**

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,
Jindal Drilling and Industries Ltd.
(CIN: L27201MH1983PLC233813)
Pipe Nagar, Village Sukeli,
NH 17, BKG Road, Taluka Roha,
District Raigad-402126
Maharashtra

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Jindal Drilling and Industries Ltd. (hereinafter called 'the Company'). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2018 (Audit Period), complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2018 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014- (Not applicable to the Company during the Audit Period);
 - (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008- (Not applicable to the Company during the Audit Period);
 - (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009- (Not applicable to the Company during the Audit Period)
 - (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; (Not applicable to the Company during the Audit Period and;
 - (i) The Securities and Exchange Board of India (Listing Obligations and Disclosures Requirements) Regulations, 2015.
- (vi) Management has, in its Representation Letter, identified and confirmed the applicability and compliance of all laws as being specifically applicable to the company, relating to Labour/ Pollution/Environment/Production process etc, apart from other general laws.

I have also examined compliance with the applicable clauses of the Mandatory Secretarial Standards issued by the Institute of Company Secretaries of India and the Listing Agreements entered into by the Company with Stock Exchanges.

During the period under review, the Company has generally complied with the provisions of the Acts, Rules, Regulations, Guidelines, Standards, etc. mentioned above. CSR spend during the audit period fell short.

I further report that:

During the year the Board of Directors of the Company was duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with provisions of the Act. On resignation of the WTD, a new CEO/KMP was appointed in terms of Section 203 of the Act.

Adequate Notice is given to all directors at least seven days in advance to schedule the Board meetings. Agenda and detailed notes on agenda are also sent in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the Meeting.

All decisions at Board Meetings and Committee Meetings are carried out unanimously as recorded in the Minutes of the Meetings of the Board of Directors or Committee of the Board, as the case may be.

I further report that, based on review of compliance mechanism established by the Company and on the basis of compliance certificates issued by the Company Executives and taken on record by the Board of Directors and Audit Committee at their meetings, there are adequate systems and processes in the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines. Legal compliance mechanism, however, needs strengthening and streamlining to commensurate with company's size and operations.

I further report that, during the audit period, there is no major event having bearing on the company's affairs, except the company transferred its 35801 equity shares to Investor Education and Protection Fund.

I further state that this report is to be read alongwith the following-

1. Maintenance of secretarial record is the responsibility of the management of the company. My responsibility is to express an opinion on these secretarial records based on my audit.
2. I have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the Secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. I believe that the processes and practices, I followed provide a reasonable basis for my opinion.
3. I have not verified the correctness and appropriateness of financial records and Books of Accounts of the company.
4. Where ever required, I have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
5. The compliance of the provisions of Corporate and other applicable laws, rules, regulations, standards is the responsibility of management. My examination was limited to the verification of procedures on test basis.
6. The Secretarial Audit report is neither an assurance as to the future viability of the company nor of the efficacy or effectiveness with which the management has conducted the affairs of the company.

MANAGEMENT DISCUSSION AND ANALYSIS

FORWARD LOOKING STATEMENT

The statements in the Directors' Report and Management Discussion and Analysis Report contains "forward-looking statements" about the business, financial performance, skills and prospects of the Company. Statements about the plans, intentions, expectations, beliefs, estimates, predictions or similar expression for future are forward-looking statements.

Forward-looking statements should be viewed in the context of many risk issues, and events that could cause the actual performance to be different from that contemplated in the Directors' Report and Management Discussion and Analysis Report, including but not limited to, risks arising from uncertainties as to future Oil & Gas prices and their impact on investment programs by oil & gas companies and domestic, economic and political conditions. We cannot assure that outcome of the forward looking statement will be realized and disclaim any duty to update any information in the same.

OIL INDUSTRY BRIEF

After a highly volatile period, oil prices have restored to reasonable levels. Oil markets switched into a cooling phase after the oil cartel's intervention a short while ago. The intended impact of the decision was met with temporary resistance due to supply disruption in Libya and a stricter stance of US towards their sanctions on Iran bidding prices near the USD 80/barrel range again. These concerns have more than corrected with growth divergence across the globe and escalating trade wars resurrecting demand concerns, and Saudi Arabia and Russia ramping up production.

The recent political developments have led to the view that the current price levels are one that establish a common ground between consumers who are relieved from the relatively higher price levels of USD 80/barrel and producers who find these levels lucrative enough to sustain production and investment without any fears of demand destruction. The world's top three consumers have raised concerns of higher prices with the US considering using its strategic petroleum reserves and signalling its repudiation to allow higher prices especially before the mid-term elections in November 2018.

Your Company continues to understand the vagaries of this market and will expand its growth in this industry. As the lowest cost supplier of drilling services, your Company continues to move forward in the oil industry.

REVIEW OF OPERATIONS

Your Company's performance is directly influenced by the activities in the oil & gas sector. However, in spite of difficult market conditions, the core operations of your Company remains profitable (without considering claims paid). Your Company has used this as an opportunity to become more efficient and conducted detailed internal reviews to weed out any inefficiencies. Short term bank borrowings are restricted to need based capital requirements. Operational surpluses continue to be invested to earn reasonable returns with a high degree of safety. We have also continued our sharpened focus on working capital efficiency.

Your Company continues to perform in an excellent manner in 2 ONGC contracts for rigs 'Jindal Supreme' and 'Jindal Explorer' and for all directional drilling contracts. These rigs commenced operations in May 2016 and May 2018 respectively. Both rigs have excellent operational efficiency (in excess of 98.50%) similar to the other rigs that your Company has previously taken on charter-hire. The performance of your Company has also been significantly driven by the directional drilling and your Company is expected to perform on a larger scale in this segment.

Summary of operating performance (including claims):

Particulars	FY 2017-18	FY 2016-17
Revenue from Operations (₹ in lakhs.)	14,894	37,160
Profit before tax (₹ in lakhs.)	(2,783)	2,369
Earnings per share (₹)	(5.21)	5.49

HUMAN RESOURCES

Your Company recognises that its people are the primary source of its competitiveness and firmly believe that its Human Resources are one of the biggest strengths and major driving force behind its success and growth. We strive continuously to foster a climate of openness, discipline, trust and team work. We reiterate our focus on encouraging investments in people through merit oriented pay revisions and differential pay reviews.

Your Company's management firmly believes that strong and stable industrial relations are essential for the success of any organisation. Over the years the management has made sincere and continued efforts for the development of an atmosphere of mutual cooperation, confidence and respect duly recognising rights of all workers.

We also strive for empowerment and safety of women. As a responsible employer, we have laid down strict guidelines for the prevention of sexual harassment of women at work place providing them with a forum for grievance redressal (if any).

We review policies and practices with a view to make them contemporary and uniform in application. We implement new activities to ensure our employees are engaged and motivated. For better control and improved productivity, pioneering steps and measures are taken constantly.

The commitment and passion of our people is one of the key factor that has sustained us in this difficult period.

RISK MANAGEMENT – RISKS & CONCERNS

Risk management is an integral part of the way your Company works. Your Company's business activities are subject to various risk and threats associated to its business and the industry in which it operates. Your Company recognises that these risks need to be managed to protect its customers, employees, shareholders and other stakeholders to achieve its business objectives and enable sustainable growth. Effective identification, assessment and management of all these risks is of prime importance to the Company.

The oil and gas industry is high risk industry and needs special focus on the safety of operations. Operations of JDIL have been very safe due to meticulous safety checks and following recommended maintenance schedules. In the present scenario of the industry getting sustainable operating rates and long duration contracts is the area of concern to one and all.

OPPORTUNITIES AND THREATS

The volatility in international oil prices over the past few years have resulted in steep downward trends in rig deployment opportunities as exploration programmes have been shelved. This has continued to stacking of more rigs and affected the new construction as rentals have fallen.

However, there has been a gradual improvement in available opportunities in this sector as compared to previous years and your Company is actively working on them.

INTERNAL CONTROL SYSTEM

Your Company has a robust system of internal controls for all major processes to ensure reliability of reporting. The system also helps management to have timely data and feedback on various operational parameters for effective review. It also ensures proper safeguarding of assets. The internal control system of your Company is commensurate with its size, scale and complexity of its operations. The systems and controls are periodically reviewed and modified based on the requirement.

Scope of internal audit is prepared on basis of the internal control framework. Audit Committee critically reviews the observations of the internal audit report and acts to ensure compliance is completed. This control system also provides comfort to the management of your Company.

ENVIRONMENT, CORPORATE SUSTAINABILITY AND SOCIAL RESPONSIBILITY

Your Company believes that a clean environment fosters health and prosperity for the individual and the community at large. We ensure that best environment engineering controls are adopted at our various locations. These controls aim to prevent accidents and stop any hazards to health. The policies of your Company give highest priority to safety, environment protection and well being of its employees.

As a responsible corporate citizen, your Company is a strong believer in giving back to the society. CSR initiatives help elevate the quality of life of the people by promoting healthcare, education and employment opportunities. Your Company has undertaken numerous initiatives aimed at developing local community and aims to continue its efforts to build on its tradition of social responsibility to empower communities.

STANDALONE FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

To the Members of

Jindal Drilling & Industries Limited

Report on the Standalone Ind AS Financial Statements

We have audited the accompanying standalone Ind AS financial statements of Jindal Drilling & Industries Limited ('the Company'), which comprise the Balance Sheet as at 31 March 2018, the Statement of Profit and Loss (including other comprehensive income), the Statement of Cash Flows and the Statement of Changes in Equity for the year then ended and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'standalone Ind AS financial statements').

Management's Responsibility for the Standalone Financial Statements

This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the Auditors' judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

Annexure - B to the Auditor's Report**Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

We have audited the internal financial controls over financial reporting of Jindal Drilling & Industries Limited ('the Company') as of 31 March 2018 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of the management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES FORMING PART OF FINANCIAL STATEMENTS

Corporate Information

Jindal Drilling & Industries Limited (JDIL) is a company limited by shares, incorporated on 17th October, 1983 under the Companies Act, 1956 and has its registered office at Raigad (Maharashtra) and head office at Delhi. JDIL's shares are listed on National Stock Exchange (NSE) and Bombay Stock Exchange (BSE). JDIL is engaged in providing services to entities involved in exploration of Oil & Gas.

Note 1: Significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these standalone financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated. The financial statements are for Jindal Drilling & Industries Limited.

a) Basis of preparation & presentation

The financial statements have been prepared on a historical cost basis which has been consistently applied, except for the following asset and liabilities which have been measured at fair value amount:

- Certain financial assets and liabilities (including derivative instruments),
- Defined benefit plans – plan assets

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended by the Companies (Indian Accounting Standards) (Amendment), Rules, 2016.

Company's financial statements are presented in Indian Rupees, which is also its functional currency.

b) Property, plant and equipment

Property, plant and equipment are stated at historical cost less accumulated depreciation and impairment loss. Historical Cost comprises the cost of acquisition / purchase price inclusive of duties, not recoverable taxes, incidental expenses, erection /commissioning expenses, borrowing cost etc. up to the date the asset is ready for its intended use. Credit of duty, if availed, is adjusted in the acquisition cost of the respective assets. Capital Works-in-Progress is carried at cost, comprising direct cost, related incidental expenses and interest on borrowings to the extent attributed to them.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

On transition to Ind AS, the company has elected to continue with the carrying value of all of its property, plant and equipment recognised as at 1st April, 2015 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Depreciation on property, plant and equipment acquired / capitalized on or before 31st March, 2007 is provided using written down value (WDV) method and thereafter assets acquired / capitalized is provided using straight line method (SLM). Depreciation on property, plant and equipment is provided on pro-rata basis, based on the useful life as per Schedule II of the Companies Act 2013 except in respect of the following assets, where useful life is different than those prescribed in Schedule II.

Particulars	Depreciation
Cost of Leasehold land	Over the period of lease term
Assets cost less than ₹ 10000/-	100%

The residual values, useful lives and methods of depreciation of property, plant and equipment are reviewed at each financial year end and adjusted prospectively, if appropriate.

Gain or losses arising from derecognition of a property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the assets and are recognised in the Statement of Profit and Loss when the asset is derecognised.

c) Intangible Assets

Intangible assets are stated at cost less accumulated amortization / depletion and impairment loss. Cost comprises the cost of acquisition / purchase price inclusive of duties, taxes, incidental expenses, erection /commissioning expenses, borrowing cost etc. up to the date the asset is ready for its intended use. Credit of duty, if availed, is adjusted in the acquisition cost of the respective assets.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the company and the cost of the item can be measured reliably.

Gain or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the assets and are recognised in the Statement of Profit and Loss when the asset is derecognised.

Amortization of intangible assets acquired / capitalized on or before 31st March 2007 is provided using written down value (WDV) method and thereafter assets acquired / capitalized is provided using straight line method (SLM).

A summary of amortization policies applied to the companies intangible assets to the extent of depreciable amount is, as follows;

Particulars	Depreciation
Computer Software	Over a period of 5 Years
Drilling RIG Software	Over the period of 10 Years

d) Investment Property

Property that is held for long-term rental yield or for capital appreciation or both, and that is not occupied by the company, is classified as investment property. Investment property is measured initially at its cost, including related transaction cost and where applicable borrowing costs. Subsequent expenditure is capitalised to the assets carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the company and the cost of the item can be measured reliably. All other repair and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognised.

The company adopt the cost model as its accounting policy to measure all of its investment property. The fair value model is not allowed but only disclosure of fair value of investment property is required even though the cost model is followed.

Investment properties are depreciated using the straight line method over their estimated useful lives. Investment properties generally have useful lives of 30 years except lease hold property which is depreciated over its period of lease.

e) Foreign currency transaction

i) Functional and presentation currency

Items included in the financial statements of the company are measured using the currency of the primary economic environment in which the company operates ('the functional currency'). The standalone financial statements are presented in Indian rupee (INR), which is company's functional and presentation currency.

ii) Translations and balances

Foreign currency transactions are translated into the functional currency using the exchange rates at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation of monetary assets and liabilities denominated in foreign currencies at year end exchange rates are generally recognised in profit or loss.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the statement of profit and loss, within finance costs. All other foreign exchange gains and losses are presented in the statement of profit and loss on a net basis within other gains/(losses).

Exchange difference arising on reporting / settlement of long term foreign currency monetary items (other than depreciable non-current assets) at rates different from those at which they are initially recorded during the period which were earlier being recognised in the statement of profit & loss are now being accumulated in "Foreign Exchange transaction Reserve" and would be accounted for in the statement of profit & loss in the year in which transaction is complete.

f) Revenue recognition

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of service taxes and amounts collected on behalf of third parties. Revenue is recognized on the basis of rendering of services to customers in accordance with the respective Contracts / Agreements.

Interest income

Interest income from loans / debt instruments is recognised using the effective interest rate method.

Dividends

Dividends are recognised in profit or loss only when the right to receive payment is established, it is probable that the economic benefits associated with the dividend will flow to the company, and the amount of the dividend can be measured reliably.

g) Income Tax

Current Tax:

Provision for Taxation is ascertained on the basis of assessable profit computed in accordance with the provisions of Income Tax Act, 1961 & tax advices, wherever considered necessary.

Deferred Tax:

Deferred Tax is recognised, subject to the consideration of prudence, as the tax effect of timing difference between the taxable income & accounting income computed for the current accounting year and reversal of earlier years' timing difference. Deferred Tax Assets are recognised and carried forward to the extent that there is a reasonable certainty, except arising from unabsorbed depreciation and carry forward losses, which are recognised to the extent that there is virtual certainty, that sufficient future taxable income will be available against which such deferred tax assets can be realised.

h) Leases

Offices Premises taken on lease under which, all risks and rewards of ownership are effectively retained by the lessor are classified as operating lease. Lease payments under operating lease are recognized as expense on accrual basis in accordance with the respective lease agreements.

i) Impairment of Assets

At each balance sheet date, the Company assesses whether there is any indication that an asset is impaired. If any such indication exists, the Company estimates the recoverable amount. If the carrying amount of the asset exceeds its recoverable amount, an impairment loss is recognized in the statement of profit and loss to the extent the carrying amount exceeds recoverable amount.

j) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

k) Trade receivables

Trade receivables are recognised initially at carrying value and subsequently re-measured at amount that would actually be received.

l) Inventories

Stores, Spares and other items required for operation are treated as consumed as and when sent to Drilling Rig. Stocks in hand are valued at cost or net realisable value, whichever is lower. Cost in respect of Stores & Spares is determined on FIFO basis.

m) Investments and other financial assets

Classification

The company classifies its financial assets in the following measurement categories:

- Those to be measured subsequently at fair value (either through other comprehensive income, or through profit or loss), and
- Those measured at amortised cost.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

Measurement

At initial recognition, the company measures a financial asset at its fair value. If financial asset not measured at fair value, the transaction costs that are directly attributable to the acquisition of the financial asset will be added to cost of financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

Equity instruments

The company subsequently measures all equity investments at fair value. Where the company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to profit or loss. Dividends from such investments are recognised in profit or loss as other income when the company's right to receive payments is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognised in other gain/ (losses) in the statement of profit and loss. Impairment losses (and reversal of impairment losses) on equity investments measured at FVOCI are not reported separately from other changes in fair value.

Impairment of financial assets

The company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables.

Derecognition of financial assets

A financial asset is derecognised only when

- The company has transferred the rights to receive cash flows from the financial asset or
- retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the company has transferred an asset, the company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the company has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the company has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the company has not retained control of the financial asset. Where the company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Financial Liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through profit or loss, loans and borrowings or payables or as derivatives designated as hedging instruments in an effective hedge, as appropriate.

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs. The financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and derivative financial instruments.

Subsequent measurement

The measurement of financial liabilities depends on their classification as described below:

A financial liability except derivative financial instrument measured at fair value through profit or loss. Derivative financial instruments are designated as hedging instruments in hedge relationships and measured at fair value through other comprehensive income. All changes in the fair value of such liability are recognized in the statement of profit and loss.

Cash flow hedge

The Company designates derivative contracts or non-derivative financial assets / liabilities as hedging instruments to mitigate the risk of movement in interest rates and foreign exchange rates for foreign exchange exposure on highly probable future cash flows attributable to a recognised asset or liability or forecast cash transactions. When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in the fair value of the derivative is recognized in the cash flow hedging reserve being part of other comprehensive income. Any ineffective portion of changes in the fair value of the derivative is recognized immediately in the Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, then hedge accounting is discontinued prospectively. If the hedging instrument expires or is sold, terminated or exercised, the cumulative gain or loss on the hedging instrument recognized in cash flow hedging reserve till the period the hedge was effective remains in cash flow hedging reserve until the underlying transaction occurs. The cumulative gain or loss previously recognized in the cash flow hedging reserve is transferred to the Statement of Profit and Loss upon the occurrence of the underlying transaction. If the forecasted transaction is no longer expected to occur, then the amount accumulated in cash flow hedging reserve is reclassified in the Statement of Profit and Loss.

De-recognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

n) Trade and other payables

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their carrying value and subsequently measured at amortised cost using the effective interest method.

o) Borrowing cost

Borrowing costs directly attributable to the acquisition or construction of the qualifying assets are capitalised as a part of the cost of asset up to the date when such asset is ready for its intended use. Other borrowing costs are recognised as an expense in the period in which they are incurred.

p) Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Liabilities which are material, and whose future outcome cannot be ascertained with reasonable certainty, are treated as contingent, and disclosed by way of notes to the accounts.

Contingent Assets are neither recognized nor disclosed in the financial statement. Provisions, Contingent Liabilities and Contingent Assets are reviewed at each Balance Sheet date.

q) Employee Benefits

Short Term Employee Benefits

Short term employee benefits are recognised as an expense at the undiscounted amount in the statement of profit and loss of the year in which the related service is rendered.

Post-Employment Benefits

Defined Contribution Plans

A defined contribution plan is a post-employment benefit plan under which the Company pays specified contributions to a separate entity. The Company makes specified monthly contributions towards Provident Fund and Pension Scheme. The Company's contribution is recognised as an expense in the Statement of Profit and Loss during the period in which the employee renders the related service. Payment to defined contribution retirement benefit scheme, if any, is charged as expenses as they fall due.

Defined Benefit Plans

The Company pays gratuity to the employees whoever has completed five years of service with the Company at the time of resignation/superannuation. The gratuity is paid @ 15 days salary for every completed year of service as per the Payment of Gratuity Act 1972. The gratuity liability amount is contributed to the approved scheme of LIC formed exclusively for gratuity payment to the employees. The gratuity fund has been approved by respective IT authorities.

The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

r) Earnings per share

Basic earnings per share are calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of equity shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

s) Claims Recoverable

The claims in respect of fixed assets lost during the process of drilling (lost in hole) are recognised on the basis of invoices raised and correspondingly the depreciated value of the fixed assets lost in hole is charged off. Any deductions made from the claims raised are recognised on receipt of intimation in respect of the same.

t) Prepaid Expenses

Prepaid expense is not recognised in cases where total amount spent is ₹10,000/- or less. Such expenses are charged to statement of profit and loss.

u) Event Occurring after the Balance Sheet Date

Events occurring after the Balance Sheet Date and till the date on which the Financial Statement are approved, which are material in the nature and indicate the need for adjustments are considered in the financial statement.

v) Rounding of amounts

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Schedule III, unless otherwise stated.

Note 2: Estimates

The presentations of financial statements is in conformity with the generally accepted accounting principles which requires estimates and assumptions to be made that affect the reportable amount of assets and liabilities on the date of financial statements and the reportable amount of revenue and expenses during the reporting period. Differences between the actual results and estimates are recognised in the year in which the results are known / materialized.

Fair Value Techniques:

The fair value of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

- Fair value of cash and short term deposits, trade receivables, trade payables, non-current loans, other current financial assets, short term borrowings and other current financial liabilities approximate to their carrying amount largely due to the short term maturities of these instruments.
- Long term fixed rate and variable rate receivables / borrowings are evaluated by the Company based on parameters such as interest rate, specific country risk factors, credit risk and other risk characteristics. Fair value of variable interest rate borrowings approximates their carrying values. For fixed interest rate borrowings fair value is determined by using Discounted Cash Flow (DCF) method using discount rate that reflects the issuer's borrowings rate. Risk of non-performance for the company is considered to be insignificant in valuation.
- The fair value of derivatives are estimated by using pricing models, where the inputs to those models are based on readily observable market parameters basis contractual terms, period to maturity and market parameters such as interest rates, foreign exchange rates and volatility. These models do not contain a high level of subjectivity as the valuation techniques used do not require significant judgement and inputs thereto are readily observable from actively quoted market prices. Management has evaluated the credit and non-performance risks associated with its derivatives counterparties and believe them to be significant and warranting a credit adjustment.

Fair Value Hierarchy

The following table provides the fair value measurement hierarchy of Company's asset and liabilities grouped into Level 1 to Level 3 as described below:

Quoted prices / published Net Asset Value (NAV) in an active markets (Level 1): This level of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities and financial instruments like mutual funds for which NAV is published by mutual funds. This category consist mutual fund investments and equity share instrument of other companies / JV's.

Valuation techniques with observable inputs (Level 2): This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Valuation techniques with significant unobservable inputs (Level 3): This level of hierarchy includes financial assets and liabilities measured using inputs that are not based on observable market data (that is, unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumption that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The following table provides the fair value measurement hierarchy of Company's asset and liabilities grouped into Level 1 to Level 3 as described below:

Note 43: Financial Risk Management Objectives and Policies

The company's activities expose it to market risk, liquidity risk and credit risk. In order to minimise any adverse effects on the financial performance of the company, derivative financial instruments, such as foreign exchange forward contracts are entered to hedge certain foreign currency risk exposures to hedge variable interest rate exposures. Derivatives are used exclusively for hedging purposes and not as trading or speculative instruments. This note explains the sources of risk which the entity is exposed to and how the entity manages the risk and the impact of hedge accounting in the financial statements.

Risk	Exposure arising from	Measurement	Management
Credit Risk	Cash and cash equivalents, trade receivables, derivative financial instruments, financial assets measured at amortised cost	Aging analysis Credit ratings	Diversification of bank deposits, credit limits and letters of credit
Liquidity Risk	Borrowings and other liabilities	Rolling cash flow forecasts	Availability of committed credit lines and borrowing facilities
Market risk – foreign exchange	Future commercial transactions Recognised financial assets and liabilities not denominated in Indian rupee (INR)	Cash flow forecasting Sensitivity analysis	Forward foreign exchange contracts
Market risk – security prices	Investments in equity securities	Sensitivity analysis	Portfolio diversification

The company's risk management is carried out by a treasury department under policies approved by the board of directors. Company treasury identifies, evaluates and hedges financial risks in close co-operation with the company's operating units. The board provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk and credit risk, use of derivative financial instruments and non-derivative financial instruments, and investment of excess liquidity.

Credit risk

Credit risk is the risk that the counter party will not meet its obligation under a financial instruments or customer contract, leading to a financial loss. The Company is exposed to credit risk from its cash and cash equivalents, loans, investments at amortised cost and deposits with banks and financial institutions, as well as credit exposures to customers including outstanding receivables.

Credit Risk Management

Credit risk for banks and financial institutions, only high rated banks/institutions are accepted.

For other financial assets, the company assesses and manages credit risk based on internal credit rating system. The finance function consists of a team who assess and maintain an internal credit rating system. The company assigns the following credit ratings to each class of financial assets based on the assumptions, inputs and factors specific to the class of financial assets.

Provision for expected credit losses

		Basis for recognition of expected credit loss provision			
Internal rating	Category	Description of category	Investments	Loans and deposits	Trade receivables
VL 1	High quality assets, negligible credit risk	Assets where the counter-party has strong capacity to meet the obligations and where the risk of default is negligible or nil	12-month expected credit losses	12-month expected credit losses	Life-time expected credit losses (simplified approach)
VL 2	Quality assets, low credit risk	Assets where there is low risk of default and where the counter-party has sufficient capacity to meet the obligations and where there has been low frequency of defaults in the past			
VL 3	Standard assets, moderate credit risk	Assets where the probability of default is considered moderate, counter-party where the capacity to meet the obligations is not strong			
VL 4	Substandard assets, relatively high credit risk	Assets where there has been a significant increase in credit risk since initial recognition. Assets where the payments are more than 45 days past due	Life-time expected credit losses	Life-time expected credit losses	
VL 5	Low quality assets, very high credit risk	Assets where there is a high probability of default. In general, assets where contractual payments are more than 90 days past due are categorised as low quality assets. Also includes assets where the credit risk of counter-party has increased significantly though payments may not be more than 90 days past due			
VL 6	Doubtful assets, credit-impaired	Assets are written off when there is no reasonable expectation of recovery, such as a debtor declaring bankruptcy or failing to engage in a repayment plan with the company. The company categorises a loan or receivable for write off when a debtor fails to make contractual payments greater than 180 days past due. Where loans or receivables have been written off, the company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.	Assets is written

Liquidity risk

Liquidity risk is the risk that the company may not be able to meet its present and future cash and collateral obligations without incurring unacceptable losses.

The Company monitors its risk to a shortage of funds using a recurring liquidity planning tool. This tool considers the maturity of both its financial investments and financial assets (i.e. trade receivables, other financial assets) and projected cash flows from operations. The Company's objective is to maintain a balance between continuity of funding and flexibility through the use of working capital loans, letter of credit facility, bank loans and credit purchases.

Financing arrangements

The company had access to the following undrawn borrowing facilities at the end of the reporting period:

Market risk and sensitivity

Market risk is the risk that the fair value or future cash flow of a financial instrument will fluctuate because of changes in market prices. Market risk comprises two types of risk: currency rate risk and interest rate risk. Financial instruments affected by market risk include loans and borrowings, deposits, investments and derivatives financial instruments. Foreign currency risk is the risk that the fair value or future cash flows of financial instrument will fluctuate because of changes in foreign exchange rates. Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This is based on the financial assets and liabilities held as at 31.03.2018 and 31.03.2017.

Foreign currency risk exposure

The company exposure to foreign currency risk at the end of the reporting period expressed in INR, are as follows;

CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

To the Members of

Jindal Drilling & Industries Limited

Report on the Consolidated Ind AS Financial Statements

We have audited the accompanying consolidated Ind AS financial statements of Jindal Drilling & Industries Limited ('the Venturer Company') and its Joint Venture Companies (collectively referred to as 'the Company' or 'the Group'), which comprise the Consolidated Balance Sheet as at 31 March 2018, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Cash Flows and the Consolidated Statement of Changes in Equity for the year then ended and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as 'the consolidated Ind AS financial statements').

Management's Responsibility for the Consolidated Ind AS Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated Ind AS financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as 'the Act') that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cash flows and consolidated changes in equity of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards (Ind AS) prescribed under Section 133 of the Act read with relevant rules issued thereunder. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error; which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated Ind AS financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated Ind AS financial statements.

We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the consolidated Ind AS financial statements.

Annexure - A to the Auditor's Report**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')**

In conjunction with our audit of the consolidated Ind AS financial statements of the Company as of and for the year ended 31 March 2018, we have audited the internal financial controls over financial reporting of Jindal Drilling & Industries Limited ('the Venturer Company') and its Joint Venture companies which is company incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Venturer Company, which is company incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting ('the Guidance Note') issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

Reporting entity

Jindal Drilling & Industries Limited (the “Company”) is a company limited by shares, incorporated on 17th October 1983 under the companies Act 1956 and has its registered office at Raigad (Maharashtra) and head office at Delhi. JDIL’s shares are listed on National Stock Exchange (NSE) and Bombay Stock Exchange (BSE). JDIL is engaged in providing services to entities involved in exploration of Oil & Gas. These consolidated financial statements comprising the Company and its foreign joint ventures (referred collectively as “Group”).

These consolidated financial statements are prepared in Indian rupees (INR) which is also the company’s functional currency. All amounts have been rounded off to the nearest lakhs unless otherwise indicated.

Note 1: Basis of preparation

i) Compliance with Ind AS

The consolidated financial statements of the group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015, as amended by the Companies (Indian Accounting Standards) (Amendment), Rules, 2016 .

ii) Principal of consolidation and equity accounting

Joint Ventures

Interests in joint ventures are accounted for using the equity method, after initially being recognised at cost in the consolidated balance sheet.

Equity method

Under the equity method, the investment in a joint venture is recognised at cost and the carrying amount is increased or decreased to recognise the investor’s share of the Profit or loss of the investee after the date of acquisition. The investor’s share of the investee’s profit or loss is recognised in the investor’s profit or loss. Distributions received from an investee reduce the carrying amount of the investment. Adjustments to the carrying amount may also be necessary for a change in the investor’s proportionate interest in the investee arising from changes in the investee’s other comprehensive income. Such changes include those arising from the revaluation in property, plant and equipment and from foreign exchange translation differences. The investor’s share of those changes is recognised in the investor’s other comprehensive income. Unrealised gains on the transactions between the company and its joint ventures are eliminated unless the transaction provides evidence of an impairment of the asset transferred. The carrying amounts of equity accounted investments are tested for impairment in accordance with the policy.

Note 2: Other significant accounting policies

These are set out under “Significant Accounting Policies” as detailed in the Company’s standalone financial statement.

Fair Value Techniques:

The fair value of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

The following methods and assumptions were used to estimate the fair values:

- Fair value of cash and short term deposits, trade receivables, trade payables, non-current loans, other current financial assets, short term borrowings and other current financial liabilities approximate to their carrying amount largely due to the short term maturities of these instruments.
- Long term fixed rate and variable rate receivables / borrowings are evaluated by the Company based on parameters such as interest rate, specific country risk factors, credit risk and other risk characteristics. Fair value of variable interest rate borrowings approximates their carrying values. For fixed interest rate borrowings fair value is determined by using Discounted Cash Flow (DCF) method using discount rate that reflects the issuer's borrowings rate. Risk of non- performance for the company is considered to be insignificant in valuation.
- The fair value of derivatives are estimated by using pricing models, where the inputs to those models are based on readily observable market parameters basis contractual terms, period to maturity and market parameters such as interest rates, foreign exchange rates and volatility. These models do not contain a high level of subjectivity as the valuation techniques used do not require significant judgement and inputs thereto are readily observable from actively quoted market prices. Management has evaluated the credit and non-performance risks associated with its derivatives counterparties and believe them to be significant and warranting a credit adjustment.

Fair Value Hierarchy

The following table provides the fair value measurement hierarchy of Company's asset and liabilities grouped into Level 1 to Level 3 as described below:

Quoted prices / published Net Asset Value (NAV) in an active markets (Level 1): This level of hierarchy includes financial assets that are measured by reference to quoted prices (unadjusted) in active markets for identical assets or liabilities and financial instruments like mutual funds for which NAV is published by mutual funds. This category consist mutual fund investments and equity share instrument of other companies / JV's.

Valuation techniques with observable inputs (Level 2): This level of hierarchy includes financial assets and liabilities, measured using inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Valuation techniques with significant unobservable inputs (Level 3): This level of hierarchy includes financial assets and liabilities measured using inputs that are not based on observable market data (that is, unobservable inputs). Fair values are determined in whole or in part, using a valuation model based on assumption that are neither supported by prices from observable current market transactions in the same instrument nor are they based on available market data.

The following table provides the fair value measurement hierarchy of Company's asset and liabilities grouped into Level 1 to Level 3 as described below:

Assets and Liabilities Measured at Fair Value (Accounted)

During the year ended 31.03.2018 and 31.03.2017, there were no transfers between Level 1 and level 2 fair value measurements and no transfer into and out of Level 3 fair value measurements. There is no transaction/balance under level 3.

The fair values of the financial assets and financial liabilities included in the level 2 categories above have been determined in accordance with generally accepted pricing models based on a discounted cash flow analysis, with the most significant inputs being the discount rate that reflects the credit risk of counterparties. Following table describes the valuation techniques used and key inputs to valuation for level 2 of the fair value hierarchy as at 31.03.2018 and 31.03.2017;

EXPLANATORY STATEMENT PURSUANT TO SECTION 102 OF THE COMPANIES ACT, 2013**Item No.4**

The Board of Directors of the Company has appointed Shri Raghav Jindal as Managing Director of the Company for a period of 5 years w.e.f. 13th August, 2018 on the terms and conditions, set out in the resolution.

Shri Raghav Jindal is also Managing Director in Jindal Pipes Ltd.

As per provisions of the Companies Act, 2013 it is necessary to obtain approval of the members for appointment and payment of remuneration to Shri Raghav Jindal as Managing Director of the Company.

Except Shri Raghav Jindal himself and Shri D P Jindal and his relatives, none of the Directors, Key Managerial Personnel and their relatives are concerned or interested financially or otherwise in the resolution.

The Board commends the resolution as set out in Item no. 4 of this Notice for your approval.

Item No. 5

The Securities and Exchange Board of India (SEBI) vide its notification number SEBI/LAD-NRO/GN/2018/10 dated 9th May, 2018 has inserted a new sub-clause (1A) in the Regulation 17 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 effective from 1st April, 2019, which reads as follows:

1A. No listed entity shall appoint a person or continue the directorship of any person as a Non-Executive Director who has attained the age of seventy five years unless a special resolution is passed to that effect, in which case the explanatory statement annexed to the notice for such motion shall indicate the justification for appointing such a person.

Mr. Krishna Kumar Khandelwal, who was appointed as Independent Director of the Company for a period of five years from the date of 30th Annual General Meeting of the Company held on 26th September, 2014, has attained the age of over seventy five years. Therefore in view of the aforesaid notification it is necessary to pass a special resolution by the Members of the Company to continue his directorship in the Company.

Mr. Krishna Kumar Khandelwal was veteran banker having over four decades of experience in finance, banking and administration. He held various senior positions in the Banking sector and last being the Managing Director of State Bank of Hyderabad.

The Board considers that his continued association would be of immense benefit to the Company and it is desirable to continue to avail the services of Mr. Krishna Kumar Khandelwal as a Non-Executive Director of the Company. Accordingly, the Board recommends passing of the resolution as set at Item No. 5 of the Notice as a Special Resolution.

Except Mr. Krishna Kumar Khandelwal, none of the Director or Key Managerial Personnel of the Company or their relatives are concerned or interested financially or otherwise in the said resolution.

Item No. 6

In compliance with provisions of the Companies Act, 2013 it is proposed to modify heading of Clause III (B) to read as 'Matters which are necessary for furtherance of the Objects specified in Clause III(A) and delete the existing 'Clause III (C) - Other Objects' of its Memorandum of Association.

Copy of the Memorandum of Association with proposed alterations has been uploaded on the Company's website www.jindal.com for inspection of the members and shall also be available for inspection at the Registered Office of the Company during business hours on all working days, except Saturdays, Sundays and holidays, from the date of dispatch of the Notice, upto the date of meeting.

Pursuant to the provisions of Section 13 of the Companies Act, 2013, approval of the members of the Company by special resolution is required for proposed amendments in the Memorandum of Association of the Company.

None of the Directors, Key Managerial Personnel or their relatives are, in any way, concerned or interested, financially or otherwise, in the resolutions.

The Board commends the resolutions as set out at item number 6 in the Notice for your approval.

Item No. 7

With the enactment of new Companies Act, 2013, it is considered expedient to alter the Liability Clause of Memorandum of Association of the Company in order to be in conformity with the provisions of the Companies Act, 2013.

Pursuant to the provisions of Section 13 of the Act, approval of the members of the Company by special resolution is required for proposed amendments in the Memorandum of Association of the Company.

None of the Directors, Key Managerial Personnel or their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution.

The Board commends the resolution as set out in item No. 7 of this Notice for approval of members.

Item No. 8

The existing Articles of Association (AOA) of the Company are based on the provisions of the Companies Act, 1956. Upon enactment of the Companies Act, 2013 (the Act), various provisions of the Companies Act, 1956 have been repealed and in view of the same the Articles of Association of the Company needs to be re-aligned as per the provisions of the Companies Act, 2013.

It is therefore considered desirable to adopt a new set of Articles of Association of the Company in substitution of and to the exclusion of the existing Articles of Association.

Pursuant to the provisions of Section 14 of the Act, approval of the shareholders of the Company by special resolution is required for the adoption of the new AOA to replace the existing AOA and accordingly the approval of the members is being sought for the adoption of the new Articles.

The proposed draft Articles of Association has been uploaded on the Company's website www.jindal.com for perusal by the members and shall also be available for inspection at the Registered Office of the Company during business hours on all working days except Saturdays, Sundays and holidays, from the date of dispatch of the Notice, upto the date of meeting.

None of the Directors, Key Managerial Personnel or their relatives are, in any way, concerned or interested, financially or otherwise, in the resolution.

The Board commends the resolutions as set out in item No. 8 of this Notice for approval of members.
