Chairman Message

Dear Shareholders,

Greeting

It gives me pleasure to place before you the Annual Report of your Company for the financial year 2017-18. Your Company achieved a total turn-over of INR 8,584 Million (Mn.) as against INR 10,505 Mn. of last year, the lower turnover is on account of erratic global rice market conditions. The rice export value stood at INR 4,609 Mn. as against INR 7,213 Mn. of last year. However, in domestic rice segment your company has registered a growth of 20.45% on YOY basis.

Basmati Rice Export is mainly driven by demand from some of the Middle East Countries like, Iran, Saudi Arabia, Yemen, Iraq, UAE etc. Iran, Yemen, Iraq are facing various problems making it difficult to export and relies sell proceeds from these countries.

As you know we had acquired a new Food Processing Unit in District Sonapat, Haryana in the year 2015-16. On account of growth in demand of our food products in Ready to Eat & Ready to Cook products in the international market, we have increased our in house production capacity to 75,000 ready meals per day from 15,000 ready meals per day during the last year. Our focus would be on product innovation to develop healthy food products from locally available raw material. We will continue to Invest, Innovate and expand our product range offering to add value to our Food Business Operations.

However you will be glad to note that the company has done extremely well in foods exports and registered a Year on Year (YOY) growth of 22.3%.

Our UK operations continue to focus on profitable growth both in Rice and processed food range of products. However Kohinoor Rice exports business grew steadily in markets such as Saudi Arabia, Kuwait, Qatar, Hong Kong & Thailand, in spite of various challenges in the respective countries.

We launched "Monsoon" brand Basmati Rice by creating and developing distributors' network in domestic market and also in international markets, which is well accepted and liked by consumers. In domestic market, introduction of GST Act created some confusion in the marketing network on branded rice in the initial phase. We are focusing to strengthen Monsoon Brand in India in pragmatic manner and we are hopeful that it will become a very powerful and effective brand on the strength of quality product and value for money.

We further inform the members that with an objective to improve the financials of the company, your company is exploring the possibilities such as:

- a. Monetising some of the assets of the company.
- b. Looking for Investor to infuse funds in the company.
- c. Negotiating with the Banks for restructuring of borrowings.

The company is working aggressively on the said lines to improve its financial/business to achieve the seamless working.

With the objective of bringing authentic Indian flavours to the people all over the world, we want your company Kohinoor Foods Ltd. to become a leading name in the food business globally as well. In pursuit of our vision to make Kohinoor the most trusted & preferred food brand in export markets, we would continue to develop products, increase operational efficiency and follow our successful strategies.

I am grateful to the Board of Directors for their unwavering support and guidance. I also take this opportunity to express my gratitude to all our consumers, business partners, employees and stakeholders who have shown their trust in us and have extended their constant support.

With best wishes,

Sincerely

Sd/-

Company – In General

Synonymous with the fine taste of India in its absolute authentic form, the sole objective of Kohinoor Foods Limited, since its inception, has been to make the world experience the true Indian flavor. The Company offers an extensive range that caters to consumers' need in all parts of the world – a wide variety of Basmati Rice, Ready to Eat Curries & Meals, Readymade Gravies, Cooking Pastes, Chutney's, Spices and Seasonings to Frozen Breads, Snacks & Paneer (Indian Cottage Cheese), healthy grains, edible oils. Today, the most powerful brand of the Company "Kohinoor" is a household name in the countries like UK, USA, UAE, Canada, Australia, Middle East, Singapore, Japan, Mauritius & other European countries. As of now, the brand 'Kohinoor' is known worldwide. During the current year the company is promoting its "MONSOON" brand in India as well as worldwide and started selling product under this new brand as well.

Your Directors have pleasure in presenting the 29th Annual Report and the Audited Annual Accounts of the Company for the Financial Year ended 31st March, 2018.

Financial Overview

The financial highlights for the year ending 31st March, 2018 are as under:

Particulars	FY'18	FY'17
Total Turnover	8623.96	10533.35
Profit/(Loss) Before Interest, Depreciation and Tax (PBITD)	274.87	(800.90)
Profit/(Loss) Before Tax	(695.80)	(1908.58)
Less: Tax Expense	14.48	(722.35)
Profit/(Loss) After Tax	(710.28)	(1186.24)
Total Comprehensive income for the year	(709.73)	(1086.27)

The Board's Report shall be prepared based on the stand alone financial statements of the Company.

Operations:

For the financial year under review 2017-18, the company Export stand at INR 5,322 million as against INR 7,797 million in previous year while as the Domestic Sales stood at INR 3,262 million as against INR 2,708 million in the last financial year.

The contribution made by Rice to the Company's business is INR 7531 million as against INR 9063 million in the last financial year, while the Food Business stood at INR 728 million as against INR 587 million in the previous year.

The year saw a decrease of 31.11% in basmati rice exports from India in value terms in comparison to last year sales. Export market was down due to political instability in countries such as Iraq & Syria. During the year under review export realisation price had an upward trend as it is evident from the fact that average sale price was Rs 70987 per MT as compared to Rs 56090 during the last year. These phenomena in the pricing led to the sub-dude sentiment. Focused sales and marketing efforts in all the major basmati rice importing countries of the world viz. UK, Australia, Saudi Arabia, Iran, UAE, Yemen and US were exercised to control the steep debacle in sale of Basmati Rice in international market.

- ★ Launch of new brand of Basmati Rice 'Monsoon' with parallel distribution of 'Monsoon' Brand of basmati Rice that was well accepted in market and distribution was finalized for 6 countries. As on date we are present in 22 countries & hope to increase our presence in rest of the countries by next financial year. We are putting our best efforts to establish our newly launched brand and are also further consolidating our flagship Brand "KOHINOOR" in the international market.
- ★ Acquired business from new countries such as – Australia, Greece, Sweden, USA, New Zealand, Russia, Bangladesh and Togo.
- ★ We have entered domestic market settlement agreement between KSF & KFL. The company is free to sell basmati rice under various brands in the current financial year. In fact we have already launched "MONSOON" brand of Basmati Rice in domestic as well as in the international market.

EXPORT MARKETS

Export- Basmati Rice

This year, in the Export of Basmati Rice, the company did the business of around INR 4,453 million as against INR 6,454 million in the previous financial year.

Export- Food

This year the export of processed & packaged food products has shown an increase in revenues and stood at INR 713 million as against INR 583 million in the previous year. The new food factory has started its operation effectively which improved our production & subsequent revenues.

Subsidiaries / Joint Venture:

U.K Operations

Indo European Foods Limited (IEFL) was incorporated in year 2000 in United Kingdom (UK), as a wholly owned subsidiary of Kohinoor Foods Limited (KFL), India, to cater the markets of UK and Europe.

IEFL Sales show marginal decreases from last year i.e GBP 24.15 Millions in comparison of last year GBP 24.49 Millions. The Profit of this company decreases due to increase in Administration cost and some adjustment in pre period items. This operation continues to focus on profitable growth both in Rice and processed food range of products.

IEFL, has created a wide network of distribution for our Rice & Processed food items in UK market. In Rice market 'Kohinoor' has achieved number "2" position in terms of market share. (Source: The Grocer December-2017.)

IEFL, in recent times has focused more on Kohinoor processed food products and achieved a growth of more than 200%. Kohinoor cooking sauces and ready meals are currently listed and placed with prestigious multiple retail chains like -Tesco, Asda, Sainsburys, Aldi & Bookers etc.

IEFL is poised to move to the next level in business growth as after having established the 'Kohinoor' brand in UK for the last 15 years

and attaining the pivotal position of No. 2 in SKU's of 5 kg. segment. We are expecting quantum jump in coming years in its volumes and market share;

IEFL marketing team is also focused in doubling the 'Kohinoor' processed foods, having re-launched the sauces & RTE lines in fresh packaging & refurbished recipes.

USA Operations:

Kohinoor Foods USA Inc. was incorporated in year 2000 in the state of New Jersey, USA, as a wholly owned subsidiary of Kohinoor Foods Limited (KFL), India, to cater to the markets of US & Canada. The brand 'Kohinoor' is well known in USA for its quality rice and food items.

However during the last year the business model of this company is changed to work on commission basis for undertaking and improving sales in USA. The Company however was making losses on account of huge operational cost, the loss in the current year is mainly on account of huge interest payment for its debts. We expect the company will improve its sales in USA and also improve its commission earnings to make it a profitable venture.

With the launch of 'KOHINOOR' Extra Fine (Silver) Rice in the US leading catering wholesalers viz. 'Restaurant Depot', we are expecting large volume sales; in the recent months the marketing team has prepared an aggressive promotional plan for the forthcoming festival seasons in October and November. A new Distributor has also been appointed in Canada for rice and food products launch in 'Walmart'; with all these activities, the next year sales are looking to increase to the levels of highest ever.

UAE Operations

The Rich Rice Raisers Factory LLC, (RRR) is a Joint Venture Company having 25% equity of KFL. The RRR is not doing any business activity since the inception of Al Dahra Kohinoor Joint Venture. As per the terms of the JV agreement with Al-Dahra; Kohinoor Foods Ltd., have already initiated steps to exit from Rich Rice Raisers Factory LLC, Dubai."

During this financial year, the export sale of Rice from Kohinoor Foods Limited to Al Dahra Kohinoor LLC, stood at 22,486 MTs as against 30,094 in last year.

FOOD BUSINESS:

During the year 2017-18, the export of processed & packaged food products has shown an increase in revenues and stood at

INR 713 million as against INR 583 million in the previous year. The new food factory has started its operation effectively which improved our production & subsequent revenues.

UK, Australia, USA, Canada are major markets for our range processed & packaged food products.

Kohinoor has introduced the new packaging of ready to eat curries and simmer sauces to the World market where UK has got the maximum appreciation from the entire mainstream and got listed with top retails of the country such as TESCO, ASDA, COOP & many more...

It's not just stop here strong Research and Development team has gained appreciation from leading retail giants like as ALDI Australia, ALDI UK, Coles, etc by submitting their new developments to these clients and same would definitely go for the launch once their respective procedure will be completed.

Highlights (2017-18)

- Developed new range of Namkeens with improved packaging & product quality to increase our market share
- New Clients added such as Gourmet Foods to cater the Meal Kits requirement of UK Market with all international flavours like as Japanese Katsu Curry, Caribbean Jerk Chicken, Chinese Kung Pao, Indonesian Nasi Goreng & many more...
- Have developed new categories in Institutional business by importing Retorted jars from UK to develop Indian range of products like as Madras Curry, Tikka Masala, Dal Makhani in 2.2 Kg jars to cater the QSR, Restaurants & hotel market.
- Added new market such as Fiji, Thailand for introductions of entire range Namkeens & Simmer Sauces.

CHALLENGES:

- Intermittent supplies from our major business partner resulted in delayed the shipment.
- Export of ready to eat rice to US with respective allowed MRL's limit.
- Major changes in import procedures in markets like Australia, US & UK.

FINANCIAL YEAR (2019-20)

- Kohinoor has obtained 100% Export Oriented Unit (EOU) status for its food processing unit to fetch new businesses from Australia, UK & USA to import all restricted Grains.
- Focus on mainstream private label of world leading retail giants of their respective local product lines which have bigger chunk in the market.
- Further introductions of new range of Ready to eat Curries & Simmer Sauces under Kohinoor brand in UK market.
- Kohinoor Branded Namkeens will be under much focused category this year.
- New Dairy extensions such as Ras Malai, Khoya Butter under Kohinoor brand will be carried out after the success of Kohinoor Fresh & Frozen Paneer in world market.

Overview - Food Processing Industry

According to the data provided by the Department of Industrial Policies and Promotion (DIPP), the food processing sector in India has received around US\$ 7.54 billion worth of Foreign Direct Investment (FDI) during the period April 2000-March 2017. The Confederation of Indian Industry (CII) estimates that the food processing sectors have the potential to attract as much as US\$ 33 billion of investment over the next 10 years and also to generate employment of nine million person-days. The food industry is always looking for the best separation technology to obtain natural compounds of high purity, healthy products of excellent quality with several industrial applications. The Indian market offers a huge potential for the food processing industry - more so because of the fact that it promotes two main growing factors of our Indian Economy - Industry & Agriculture. During the last one decade, India moved from a position of scarcity to surplus in Food. Given the trade in production of food commodities, the Food Processing Industry in India is on an assured track of growth and profitability. It is expected to attract phenomenal investment in capital, human, technological and financial areas. A reason why the Food Processing Industry sector in India has been accorded high priority by the Government of India, with a number of fiscal relief and incentives, to encourage commercialization and value addition. As per a study conducted by McKinsey and Confederation of Indian Industry (CII), the turnover of the total food market is approximately Rs.2,50,000 Crores, out of which

value-added food products comprise Rs.80,000 Crores.

Basmati Rice

In the last couple of decades, there has been considerable rise in disposable income, masses are rushing to the cities, the average age of a worker in India is the lowest in the world i.e. 35 years & the employment opportunities are also improving; all this has resulted in general improvement of life style, including eating habits, which has also brought BASMATI RICE into focus. Rice in past was perceived as low engagement category but with sustained growth in Indian economy and consumer's gradual shift towards branded rice coupled with growth in modern retail have been major contributors. Though still majorly unorganized, but year on year this category is experiencing good number of conversions from unbranded to branded packaged Basmati Rice in terms of consumptions in India. This is mainly due to introduction of branded and package basmati rice in many retail outlets; pertinent to say here in the Indian market context the introduction of GST has helped in improving the sales of branded basmati rice. India's growing middle class has augmented the domestic demand of branded rice. Moreover, introduction of modern food retail formats has also propelled the packaged food market, facilitating the availability, visibility and accessibility of branded products. The domestic branded market in India is expected to grow in double digits as compared to single digit growth for unbranded rice. Eating rice is common habit in most of the Indian households and it is usually a part of one of the 3 meals cooked every day. Geographically, the consumption of Basmati is higher in the Northern & Western part of the country while culturally, its consumption is quite high in the Punjabi & Gujarati families. With the view of serving the best to their customers & employees, Basmati consumption is also higher in well recognized hotels & large institutions. The consumption of branded packaged Basmati Rice is also being driven by the modern retail that allows every consumer to select what they want. Hence, basmati rice requirements shall keep increasing in volumes in India for many years to come.

Ambient Food - Ready Meals

Ready Meals, is a category which is gaining popularity globally though still at a growing stage; but the factors that has so far contributed to sales of Ready Meals have been increasing consumer base of working people who have less time to spend on cooking, Eating out of home becoming a common phenomena on weekends, growth of Modern trade, the Convenience of making exotic vegetarian & non-vegetarian dishes in just a few minutes, etc. As this category grows, an Innovative value addition to products with Health & Nutrition is expected to become an

important aspect of it.

Frozen Food - Ready Meals

Though Frozen Food as a category constitutes many products, majority of it being the frozen unprocessed non-vegetarian food, but within this segment vegetarian Frozen Ready Meals, snacks too is growing at significant rate. Frozen Meals considered very close to Fresh Meals after re-constitution and hence preferred a lot by consumers. With various types of value added frozen products that are now being offered by food processors, this food category is growing a higher rate.

Risks & Concerns

The Banks have classified the Company's Accounts as Non Performing Asset and served Notice under section 13(2) of The Securitization and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002, in the month of July 2018. The Company is in the process of preparing reply of said notices and negotiating with different workable options.

The observations of the Auditor with regard to the management assessment of the company's ability to continue as going concern in view of the liquidity problems/decrease in business. The management of the company believes that they can continue to retain as going concern, based on the Resolution plan submitted to the Banks by company and the interest shown by prospective investors in the company.

Macro-economic factors like recession, subdued demand and political uncertainty may affect the business of the Company and the industry at large as well. The Company is aware that uncertainties in business offer opportunities as well as downside risks and thus has identified and put in place mitigation tools for the same. Some key risk areas are:

Procurement risk:

In a country like India, where more than 60 per cent of the area under cultivation is not irrigated, farm production is highly vulnerable to fluctuations in rainfall. Beside production risk, Indian farmers also face high market risk. Farm harvest prices in the country show high inter and intra year volatility. Price variation is quite pronounced in the regions and commodities where price support mechanism is not operative. Further adequate availability of key raw materials at the right prices is crucial for the Company. Being a generic natural product with low yield concentrated in a small region of the World, production of Basmati depends on the vagaries of nature. Therefore, any disruption in the supply due to a

natural or other calamity or violent changes in the cost structure could adversely affect the Company's ability to reach its consumers with the right value proposition. However, we are ready with plans that might help us at such times. However, the Company's long term relationship with farmers built on trust ensures constant supply and thus over the years it has not faced any procurement problems. Also, adequacy of irrigation facilities in the Basmati producing regions mitigates these uncertainties.

High working capital requirement: Basmati rice requires to be aged for 9-12 months before selling, leading to huge working capital requirements. This results in low ROCE for the industry. Combating this risk, efficient working capital management system has been set in place by the Company and cash flow is monitored on daily basis.

Intense competition from unorganized sector: Another characteristic of this industry is the presence of unorganized sector offering basmati in loose unbranded form which intensifies competition. The Company is moving towards branded products and has invested significantly in building a strong brand which helps in differentiating their product.

Dividend

Your Directors do not recommend any dividend for the financial year 2017-18.

Re-Appointment / Resignation of Directors

In accordance with the provisions of the Companies Act, 2013, Mr. Jugal Kishore Arora (holding DIN – 00010704), Director of the Company retires by rotation at the ensuing Annual General Meeting and being eligible offers himself for reappointment. Your Directors recommend this resolution for approval of the members.

This is to further inform that earlier Mr. Kamal Deep Chawla was designated as General Manager, Finance of the Company and was handling all Finance functions of the Company since October, 2009.

This is to further inform that Mr. Prabhat Kumar (Ex-CFO) of the Company has attained retirement age and consequently offered to retire from full time service as CFO of the Company and hence resigned from the Company with effect from 28th February, 2018.

Re-Valuation of Property, Plant and Equipment

The Company has adopted revaluation model for Land & Building. All the assets belonging to these classes of assets are carried at revalued amount being its fair value at the date of revaluation less subsequent depreciation. The company shall carry out the revaluation of these assets periodically after every 3 to 5 years.

Property, Plant & Equipment under all other classes are stated at cost of acquisition/installation inclusive of freight, duties, and taxes and all incidental expenses and net of accumulated depreciation. In respect of major projects involving construction, related pre-operational expenses form part of the value of assets capitalized. Expenses capitalized also include applicable borrowing costs. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital

work-in-progress" and stated at the amount spent up to the date of balance sheet.

Intangible assets are stated at their cost of acquisition.

Subsidiary, Joint Ventures and Associate Companies

The Company has no material subsidiary in accordance with the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015.

In accordance with section 129(3) of the Companies Act, 2013, we have prepared consolidated financial statements of the Company and all its subsidiaries, which form part of the Annual Report. The statement provides the details of performance, financial positions of each of the subsidiaries.

Further these Financial Statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. These financial statements for the year ended March 31, 2018 are prepared under Ind AS for the first time. For all periods up to and including the year ended March 31, 2017, the financial statements were prepared in accordance with the accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (hereinafter referred to as 'Previous GAAP') used for its statutory reporting requirement in India immediately before adopting Ind AS. The financial statements for the year ended March 31, 2017 and the opening Balance Sheet as at April 01, 2016 have been restated in accordance with Ind AS for comparative information.

The Financial Statements have been prepared on the historical cost convention on going concern basis and on accruals basis unless otherwise stated.

The accounting policies are applied consistently to all the periods presented in the financial statements, including the preparation of the opening Ind AS Balance Sheet as at April 01, 2016 being the 'date of transition to Ind AS'.

The financial statements of Kohinoor Foods Limited ("Holding Company of KFL") together with its subsidiaries (hereinafter collectively referred to as "Group") are consolidated to form Consolidated Financial Statements (CFS). Consolidated Financial Statements consolidate the financial statements of KFL

and its Wholly Owned Subsidiaries.

The parent company has not received audited financial statement from its Joint venture Company, Rich Rice Raisers LLC and Associate companies Al Dahra Kohinoor LLC and Al Dahra Kohinoor Industries LLC. The Management considers that the parent company is not in position to exercise control over these entities. Hence the results of Joint Venture Company and associate companies have not been considered in the Consolidated Financial Statements.

Rich Rice Raisers LLC, in which, KFL hold 25% shareholding, has closed its operation. KFL holds 20% share in each of its associates companies. Auditors Report

The Company has received the Auditors Report duly signed by M/s Rajender Kumar Singal & Associates LLP, Chartered Accountants, New Delhi, and took note on the same. Further as mentioned in the Auditors Report, attention is drawn (Emphasis of Matters) to notes to the Financial Statements, the same has not been reproduced for the sake of brevity, however the Board Discussed the same in details and the remarks given by the Directors is mentioned herein below:

As stated in Note 4 to the standalone financial statements, the company has adjusted the value of inventories by Rs 24445.09 Lacs as at the date of transition i.e. April 1, 2016, by reducing the amount of borrowing cost included in the value of inventories, due to applicability of IndAS.

As stated in Note 6 (C) to the standalone financial statements, regarding company's investment in its wholly owned subsidiary, Kohinoor Foods USA Inc., amounting to Rs 3978.45 Lacs. This subsidiary company has been incurring continuous losses and its net worth is fully eroded. However, based on factors regarding future business plan, growth prospects of subsidiary as described in the said note, Management believes that the realizable value is higher than the carrying value of the investment due to which

Investments are recognised at carrying value.

As stated in Note 41 to the standalone financial statements and further as per advice received from legal experts and on the basis of merit of the case, there is a high probability that the income tax order will be set aside and the demand will be quashed. Accordingly, management is of the view that no provision in respect of the above demand is required to be made in the books of accounts.

As stated in Note 44 of standalone financial statement, as per information and explanation given to us, the company has not paid interest to banks and its outstanding balance in loan accounts has exceeded its drawing power since February, 2018.

Further Amount of interest paid to the banks over previous years needs to be recalculated based on actual entitlement of interest by the Banks and are to be verified and these figures may get reduced. Disputes with the banks over the rate of interest charged and calculated are pending, as such these cannot be treated as an admission of any fact qua the Banks.

As stated in Note No. 5 of standalone financial statement, the management has upwardly revalued the carrying amount of fixed assets by Rs 15885.18 Lakhs as at the date of transition i.e. April 1, 2016, which consequently resulted in increase of revaluation reserve.

Further your attention to clause (ii) of Annexure-A to the auditor's report, that the auditors did not have occasion to overview the physical stock taking done by the management during the financial year 2017-18 and have relied on the information and explanations provided to them by the management.

Subsidiary, Joint Ventures and Associate Companies

The Company has two Wholly Owned foreign Subsidiaries, namely M/s Kohinoor Foods USA, Inc. (USA) and Indo European Foods Limited (UK), situated outside India and one Indian Wholly Owned Subsidiary in the name of Sachdeva Brothers Pvt. Ltd.

The company has no material subsidiary in accordance with the SEBI (Listing Obligation and Disclosure Requirements) Regulations, 2015.

In accordance with section 129(3) of the Companies Act, 2013, we have prepared consolidated financial statements of the Company and all its subsidiaries, which form part of the Annual Report. The statement provides the details of performance, financial positions of each of the subsidiaries.

Further these Financial Statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. These financial statements for the year ended March 31, 2018 are prepared under Ind AS for the first time. For all periods up to and including the year ended March 31, 2017, the financial statements were prepared in accordance with the accounting

standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (hereinafter referred to as 'Previous GAAP') used for its statutory reporting requirement in India immediately before adopting Ind AS. The financial statements for the year ended March 31, 2017 and the opening Balance Sheet as at April 01, 2016 have been restated in accordance with Ind AS for comparative information.

The Financial Statements have been prepared on the historical cost convention on going concern basis and on accruals basis unless otherwise stated.

The accounting policies are applied consistently to all the periods presented in the financial statements, including the preparation of the opening Ind AS Balance Sheet as at April 01, 2016 being the 'date of transition to Ind AS'.

The financial statements of Kohinoor Foods Limited ("Holding Company or KFL") together with its subsidiaries (hereinafter collectively referred to as "Group") are consolidated to form Consolidated Financial Statements (CFS). Consolidated Financial Statements consolidate the financial statements of KFL and its Wholly Owned Subsidiaries.

The parent Company has not received audited financial statement from its Joint venture Company, Rich Rice Raisers LLC and Associate companies, Al Dahra Kohinoor LLC and Al Dahra Kohinoor Industries LLC. The Management considers that the parent company is not in position to exercise control over these entities. Hence the results of Joint Venture Company and associate companies have not been considered in the Consolidated Financial Statements.

Rich Rice Raisers LLC, in which, KFL hold 25% shareholding, has closed its operation. KFL holds 20% share in each of its associates companies. Al Dahra Kohinoor LLC has exercised the call option, which KFL has accepted. Upon completion of the formalities the shareholding of the parent company in both of these associates will reduce to NIL.

During the year the Board of Directors of the Company had reviewed the affairs of the subsidiaries and a statement containing the salient features of the financial statement of our subsidiaries in the prescribed format AOC-1 is enclosed as Annexure to the Financial Statement and hence not repeated here for the sake of brevity.

In accordance with Section 136 of the Companies Act, 2013, the audited financial statement, including the consolidated financial statements and related information of the Company and audited accounts of each of its subsidiaries, are available on our website www.kohinoorfoods.in/investor. These documents will also be available for inspection during business hours at our Registered Office.

Further the Policy for determining material subsidiaries as approved by the Board may be accessed on the Company's website at the link: www.kohinoorfoods.in/investor

A. Conservation of Energy

Improvement of methods of Energy Conservation and optimal utilization of Energy in all operations, continued to receive close attention. Company is always conscious to conserve energy through improved methods of operations and design. In this regard the Company has introduced energy saving features in the systems and monitors by which the user saves the power consumption to a considerable extent. The company's efforts towards energy conservation resulted in reduction in power and fuel expenses by 45% from Rs. 7.48 crores last year to Rs. 5.12 crores during the current year.

B. Research & Development (R & D)

i) Specific areas in which R&D carried out by the Company and benefits derived as a result of R&D

Research & Development has always been a focus area at Kohinoor Foods Ltd. during the year the Company has put special efforts in research and development. As the company had also started production in its new food factory at Sonapat, which has state of art R & D facility The R&D team of the Company has worked on a number of areas, more specifically in the areas of frozen foods. This has resulted in the Company being able to launch a range of products in the Kohinoor 'Ghee' and introduction of new range product variants e.g. Rice Bran Oil, Dry Fruits, Healthy grain, in both Ready to Eat & Ready to Cook segments. We expect to notch up good numbers in the next financial year through some exciting product launches and expanding & streamlining the distribution network. The company is also perusing R & D activities in the organic food product. During the year there is an decrease of 51.20% in R & D expenditure by the company, amounting to Rs. 28.21 lakhs against the last year amount of Rs. 57.81 lakhs.

ii) **Future plan of action**

Steps are continuously being taken to promote the branded sales in overseas market. During the year the company launched Monsoon brand basmati rice in domestic as well as in International Market. The Company is continuously making efforts to provide best of quality products to its customers.

iii) **Expenditure on R&D**

a) Capital	:	Nil
b) Recurring	:	Rs. 2,821,930/-
c) Total	:	Rs. 2,821,930/-

Total R&D expenditure is 0.05% of Turnover.

C) **Technology Absorption, Adaptation and Innovation**

Technology Absorption, Adaptation and Innovation had always been the key strength of the Company. The Company plans to be a leading player in technology introduction through innovative products.

D) **Foreign Exchange Earnings and Outgo**

a) **Total Foreign Exchange earned and used.**

Foreign Exchange Earnings of the Company amounted to Rs. 52904.72 Lacs as against Foreign Exchange Outgo of Rs. 1912.83 Lacs during the year under review.

b) Activities related to exports, initiative taken to increase exports, development of new export markets for products.

During the year, Kohinoor Foods has put in a lot of emphasis to increase exports of value added food products, in International Market, from the country, namely, the following:

- Ready to Eat-Pasta/Salad
- Frozen Butter
- Indian Sweets
- Paneer
- Rice Bran Oil
- Healthy grain
- Organic Food Products
- Namkeen
- Processed Foods (value added culinary products using basmati rice, and other vegetables)

With its traditional strength in the exports of basmati gathered over the years, Kohinoor Foods has yet again put special efforts to increase the exports of value added food products in the last year. The Company having two subsidiaries in UK and USA, has been able to provide renewed impetus to the growth of exports of various agro commodities, produced in India.

It has now made substantial inroads in the overseas markets, particularly in Italy, Kuwait, New Zealand, Russia, Reunion & Saudi Arabia. Kohinoor Foods has concentrated in marketing of valued added food products and basmati rice in order to maximise selling under its own brand names even in the overseas markets

Independent Auditors' Report

TO THE MEMBERS OF KOHINOOR FOODS LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying Standalone financial statements of Kohinoor Foods Limited ("the company"), which comprises the Balance Sheet as at 31st March, 2018, the Statement of Profit and Loss (including Other Comprehensive Income), the Cash Flow Statement and the Statement of Change in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), cash flows and change in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ("IndAS") specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

In our opinion, based upon information and explanation given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Ind AS specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at 31st March, 2018, and its losses (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Emphasis of Matters

Annexure – B to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Kohinoor Foods Limited ("the Company") as of 31st March, 2018 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

1. Company Information

Kohinoor Foods Limited was incorporated in 1989. It is a Public Limited company listed on the stock exchanges, BSE and NSE. The Company is a leading Basmati Rice player and has a Rice mill situated at Murthal, Sonapat. It also owns a Food Factory situated at Bahalgarh, Sonapat. The products of the company are known for superior quality and sell in more than 60 countries.

The company has two 100% wholly owned subsidiaries –Indo European Foods Limited, in UK and Kohinoor Foods USA Inc in USA.

2. Significant Accounting Policies

(a) Basis of Preparation

These Financial Statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. These financial statements for the year ended March 31, 2018 are prepared by the company under Ind AS for the first time. For all periods up to and including the year ended March 31, 2017, the Company prepared its financial statements in accordance with the accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (hereinafter referred to as 'Previous GAAP') used for its statutory reporting requirement in India immediately before adopting Ind AS. The financial statements for the year ended March 31, 2017 and the opening Balance Sheet as at April 01, 2016 have been restated in accordance with Ind AS for comparative information.

The Financial Statements have been prepared on the historical cost convention on going concern basis and on accruals basis unless otherwise stated.

The accounting policies are applied consistently to all the periods presented in the financial statements, including the preparation of the opening Ind AS Balance Sheet as at April 01, 2016 being the 'date of transition to Ind AS'.

(b) Use of Estimates and Judgments

The preparation of Financial Statements requires management to make certain assumptions and estimates that affect the reported amount, the Financial Statements and Notes thereto. Difference between actual results and estimates are recognized in the period in which they materialize.

(c) Property, Plant and Equipment

The Company has adopted revaluation model for land & building. All the assets belonging to these classes of assets are carried at revalued amount being its fair value at the date of revaluation less subsequent depreciation. The Company shall carry out the revaluation of these assets periodically after every 3 to 5 years.

Property, Plant & Equipment under all other classes are stated at cost of acquisition/installation inclusive of freight, duties, and taxes and all incidental expenses and net of accumulated depreciation. In respect of major projects involving construction, related pre-operational expenses form part of the value of assets capitalized. Expenses capitalized also include applicable borrowing costs. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress" and stated at the amount spent up to the date of balance sheet.

Intangible assets are stated at their cost of acquisition.

(d) Depreciation

Depreciation on Property, Plant & Equipment is provided on written down value method, in terms of useful life of the Assets as prescribed in Schedule II to the Companies Act 2013. The depreciation rates which are different from the principal rates specified

in Schedule-II are as follows: -

Tarpaulin	100% p.a.
Wooden & Plastic Crates	100% p.a.

(e) Financial Instruments

(1) Financial Assets

Initial recognition and measurement

All financial assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

Subsequent measurement

i) Financial assets carried at amortised cost

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

Investment in Subsidiaries, Associates and Joint Ventures

The Company has accounted for its investments in Subsidiaries, Associates and Joint Venture at cost.

Other Equity Investments

All other equity investments are measured at fair value. Investments which are not held for trading purposes and where the Company has exercised the option to classify the investment as Fair Value through other comprehensive income ('FVTOCI'), all fair value changes on the investment are recognised in OCI.

(2) Financial liabilities

Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(3) Derivative financial instruments

Derivative financial instruments such as forward contracts, option contracts and cross currency swaps, to hedge its foreign

currency risks are initially recognised at fair value on the date a derivative contract is entered into and are subsequently remeasured at their fair value with changes in fair value recognised in the Statement of Profit and Loss in the period when they arise.

(f) Fair value measurement

The Company classifies the fair value of its financial instruments, FVTPL and FVTOCI, in the following hierarchy, based on the inputs used in their valuation:

- i) Level 1 - The fair value of financial instruments quoted in active markets is based on their quoted closing price at the balance sheet date.
- ii) Level 2 - The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques using observable market data. Such valuation techniques include discounted cash flows, standard valuation models based on market parameters for interest rates, yield curves or foreign exchange rates, dealer quotes for similar instruments and use of comparable arm's length transactions.
- iii) Level 3 - The fair value of financial instruments that are measured on the basis of entity specific valuations using inputs that are not based on observable market data (unobservable inputs).

(g) Dividend to Equity Shareholders

Dividend to Equity Shareholders is recognised as a liability and deducted from shareholders' equity, in the period in which the dividends are approved by the equity shareholders in the general meeting.

(h) Inventories

Raw materials, traded and finished goods are stated at the lower of cost and net realisable value. Stores and spares are carried at cost.

Cost is determined on FIFO (First in First out) basis for raw material, and on weighted average method for all other categories of inventories. Cost comprises expenditure incurred in the normal course of business in bringing such inventories to its present location and condition, where applicable, include appropriate overheads based on normal level of activity.

(i) Cash and Cash Equivalents

Cash and cash equivalents are short-term, highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

(j) Revenue Recognition

Revenue is measured at fair value of the consideration received or receivable, net of discount, rebate, returns and value added taxes. The Company recognizes revenue when the amount of revenue can be reliably measured; when it is probable that future economic benefits will flow to the entity; and when specific criteria have been met for each of the Company activities.

Revenue from sale of goods is recognised when all the significant risk and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract, there is no continuing managerial involvement with the goods and the amount of revenue can be measured reliably. On recognition of revenue the Company retains no effective control of the goods transferred to a degree usually associated with ownership and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods.

Interest income is recognized using the effective interest method. Revenue in respect of Insurance / others claims, Commission, etc. is recognized only when it is reasonably certain that the ultimate collection will be made.

Revenue in respect of sale of licenses, duty drawback and other incentives is recognized on realization basis.

(k) Research and Development

Research expenditure is recognised in the statement of profit and loss as incurred. Development expenditure is capitalised only if the costs can be reliably measured, future economic benefits are probable, the product is technically feasible and the Company has the intent and the resources to complete the project. Development assets are amortised based on the estimated useful life, as appropriate.

(l) Employee Benefits

Contributions to defined provident fund are charged to the statement of profit and loss on accrual basis. Present liability for future payment of gratuity is determined on the basis of actuarial valuation at the balance sheet date and the expenses is charged to the statement of profit and loss.

(m) Foreign Currency Transactions

Transactions in foreign currencies are recognized at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognized in the Statement of Profit and Loss.

Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

(n) Government Grant

Grants from the government are recognised when there is reasonable assurance that the grant will be received and the Company will comply with all attached conditions. Grant received from government towards property, plant & equipment's acquired/constructed by the Company is deducted out of gross value of the asset acquired/ constructed and depreciation is charged accordingly.

(o) Borrowing Costs

Borrowing costs consist of interest, ancillary and other costs that the Company incurs in connection with the borrowing of funds and interest relating to other financial liabilities. Borrowing costs also include exchange differences to the extent regarded as an adjustment to the borrowing costs.

Interest and other borrowing costs attributable to qualifying assets are capitalised as a part of such assets till such time the assets are ready for use. Other interest and borrowing costs are charged to Statement of Profit and Loss.

(p) Income tax

Current Income Tax:

Current Income Tax is measured at the amount expected to be paid to the tax authorities in accordance with Income Tax Act, 1961.

Deferred Tax:

Deferred tax is provided using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date. The tax rates and tax laws used to compute the tax are those that are enacted or substantively enacted at the reporting date.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

Current and Deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity.

Minimum Alternate Tax:

According to section 115JAA of the Income Tax Act, 1961, Minimum Alternative Tax ('MAT') paid over and above the normal income tax in a subject year is eligible for carry forward for fifteen succeeding assessment years for set-off against normal income tax liability. The MAT credit asset is assessed against the Company's normal income tax during the specified period.

(q) Leases

Lease of assets, where the Company, as a lessee, has substantially assumed all the risks and rewards of ownership are classified as finance leases. Assets acquired on finance lease are capitalised and depreciated as per Company's policy on Property, Plant and Equipment. Finance lease are measured at the lease's inception at the lower of fair value of the leased property and the present value of the minimum lease payments. The corresponding lease rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the statement of profit and loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each year.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to statement of profit and loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

(r) Provisions, Contingent Liability and Contingent Assets

The Company creates a provision when there is a present obligation as a result of past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. A disclosure of contingent liability is made when there is a possible obligation or a present obligation that will probably not require outflow of resources or where a reliable estimate of the obligation cannot be made. Contingent Assets are neither recognised nor disclosed in the Financial Statements.

(s) Impairment of Financial Assets

Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financials assets in FVTPL category.

(t) Impairment of Non-Financial Assets

The Company assesses at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such Indication exists; the Company estimates the recoverable amount of assets. If such recoverable amount of the assets or the recoverable amount of the cash generating unit to which the assets belong is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of Profit & Loss. If at the Balance Sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the assets is reflected at recoverable amount.

(u) Exceptional Items

Exceptional items are disclosed separately in the financial statements where it is necessary to do so to provide further understanding of the financial performance of the company. These are material items of income or expense that have to be

shown separately due to their nature or incidence.

(v) Earnings per share

The Company presents basic and diluted earnings per share data for its ordinary shares. Basic earnings per share is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year. Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares.

(w) Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue.

Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

3. First time adoption of Ind AS

The Company has adopted Indian Accounting Standards (Ind AS) as notified by the Ministry of Corporate Affairs with effect from April 01, 2017, with a transition date of April 01, 2016. These financial statements for the year ended March 31, 2018 are the first financial statements the Company has prepared under Ind AS. For all periods up to and including the year ended March 31, 2017, the Company prepared its financial statements in accordance with the accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 ('Previous GAAP').

The adoption of Ind AS has been carried out in accordance with Ind AS 101, First-time Adoption of Indian Accounting Standards. Ind AS 101 requires that all Ind AS standards and interpretations that are issued and effective for the first Ind AS financial statements be applied retrospectively and consistently for all financial years presented. Accordingly, the Company has prepared financial statements which comply with Ind AS for year ended March 31, 2018, together with the comparative information as at and for the year ended March 31, 2017 and the opening Ind AS Balance Sheet as at April 01, 2016, the date of transition to Ind AS.

In preparing these Ind AS financial statements, the Company has availed certain exemptions in accordance with Ind AS 101, as explained below. The resulting difference between the carrying values of the assets and liabilities in the financial statements as at the transition date under Ind AS and Previous GAAP have been recognised directly in retained earnings.

Exemptions availed on First Time Adoption

(i) Investments in subsidiaries, joint ventures and associates

The Company has elected to adopt the carrying value under previous GAAP as on the date of transition i.e. April 1, 2016 in its separate financial statements.

(ii) Property, Plant and Equipment

The Company has elected to adopt the carrying value under previous GAAP as deemed costs as on the date of transition i.e. April 1, 2016 except the Land & Building for which the company has elected to adopt revaluation model.

(iii) Estimates

On transition, the company did not revise the estimates previously made under IGAAP except where required by Ind AS.

Report on the Consolidated Financial Statements We have audited the accompanying consolidated financial statements of Kohinoor Foods Limited ("the Holding Company") its subsidiaries (the holding company and its subsidiaries together referred to as "the group") its associate and its joint venture, which comprise the Consolidated Balance Sheet as at 31st March, 2018, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Cash Flow Statement and the Consolidate Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income and consolidated cash flows and consolidate statement of change in equity of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) prescribed under Section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in sub-paragraph (a) of the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Basis of Qualified Opinion

We have not been provided the financial statements/ financial information of two associates companies (1) Al Dhara Kohinoor Industries LLC, (2) Al Dhara Kohinoor LLC and one jointly controlled entity 'Rich Rice Raisers Factory LLC'. Therefore, we are unable to comment about any possible effect of these associates and joint venture companies in consolidated financial statement for the period ended 31st March 2018.

Opinion

In our opinion, based upon information and explanation given to us and except for the possible effect of the matter described in the basis for qualified opinion paragraph, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including Ind AS specified under Section 133 of the Act, of the state of affairs (financial position) of the Company as at 31st March, 2018, and its losses (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Emphasis of Matter

We draw attention to the following matters in the Notes to the financial statements:

- (1) As stated in Note 4 to the consolidated financial statements, the holding company has adjusted the value of inventories by Rs 24445.09 Lacs as at the date of transition i.e. April 1, 2016, by reducing the amount of Borrowing cost included in the value of inventories. Further amount of Rs 2947.73 Lacs has been written off from the value of inventories of as prior year adjustment in the books of subsidiary company M/s Indo European Foods Ltd.
- (2) As stated in Note 38 to the consolidated financial statements, the holding company has not made Provision for the demand raised by various authorities as the matters are pending before various Appelatte forum.
- (3) As stated in Note 41 of consolidated financial statement, as per information and explanation given to us, the holding company has not paid interest to banks and its outstanding balance in loan accounts has exceeded its drawing power since February, 2018.
- (4) As stated in Note No. 42 of consolidated financial statement, balances of debtors, creditors, loan and advances are subject to confirmation.
- (5) As stated in Note No.5 of consolidated financial statement, the management of holding company has upwardly revalued the carrying amount of Fixed assets by Rs 15885.18 Lacs as at the date of transition i.e. April 1, 2016, and amount of Rs 779.15 Lacs has upwardly revalued the carrying amount of Fixed assets by subsidiary company Indo European Foods Limited during the financial year 2017-18, which consequently resulted in increase of revaluation reserve.
- (6) We draw attention to the fact that, we did not have occasions to overview physical stock taking done by management of holding company during the financial year 2017-18 and have relied on the information and explanations provided to us by the management.
- (7) The independent auditor of Sachdeva Brothers Private Limited a subsidiaries company, in its audit report on the financial statements for the year ended 31 st March, 2018 have drawn emphasis of matter paragraphs reproduced by us as under:

"Attention is invited regarding the financial statement being prepared on a going concern basis, notwithstanding the fact that the company's net worth is eroded (Net worth as at 31 st March 2018 minus Rs 4,26,443/-). These events cast significant doubt on the ability of the company to continue as going concern."

Our opinion is not modified in respect of these matters.

Other Matters

We did not audit the financial statements / financial information of three subsidiaries, whose financial statements / financial information reflect total assets of Rs. 7390.01 Lacs as at 31st March, 2018, total revenues of Rs.16009.76 Lacs and net cash flows decrease amounting to Rs 128.30 Lacs for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements include the Group's share of net loss of Rs 204.15 Lacs for the year ended 2018, as considered in the consolidated financial statements, in respect of subsidiaries. These financial statements/financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries is based solely on the reports of the other auditors.

Annexure - A to the Auditors' Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2018, we have audited the internal financial controls over financial reporting of Kohinoor Foods Limited ("the Holding Company") and its subsidiary companies which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Respective Board of Directors of the Holding Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its Subsidiary Companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

1. Basis of Preparation of Consolidated Financial Statement

These Financial Statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as the 'Ind AS') as notified by Ministry of Corporate Affairs pursuant to section 133 of the Companies Act, 2013 read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016. These financial statements for the year ended March 31, 2018 are prepared under Ind AS for the first time. For all periods up to and including the year ended March 31, 2017, the financial statements were prepared in accordance with the accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (hereinafter referred to as 'Previous GAAP') used for its statutory reporting requirement in India immediately before adopting Ind AS. The financial statements for the year ended March 31, 2017 and the opening Balance Sheet as at April 01, 2016 have been restated in accordance with Ind AS for comparative information.

The Financial Statements have been prepared on the historical cost convention on going concern basis and on accruals basis unless otherwise stated.

The accounting policies are applied consistently to all the periods presented in the financial statements, including the preparation of the opening Ind AS Balance Sheet as at April 01, 2016 being the 'date of transition to Ind AS'.

The financial statements of Kohinoor Foods Limited ("Holding Company of KFL") together with its subsidiaries (hereinafter collectively referred to as "Group") are consolidated to form Consolidated Financial Statements (CFS). Consolidated Financial Statements consolidate the financial statements of KFL and its Wholly Owned Subsidiaries listed below

Wholly Owned Subsidiary(WOS)	Country of Incorporation
Sachdeva Brothers Pvt Ltd	India
Indo European Food Ltd	United Kingdom
Kohinoor Foods USA Inc.	USA

The parent company has not received audited financial statement from its Joint venture company, Rich Rice Raisers LLC and Associate companies AL-Dahra Kohinoor LLC and Al Dahra Kohinoor Industries LLC. The Management considers that the parent company is not in position to exercise control over these entities. Hence the results of Joint venture company and associate companies are not considered in the Consolidated Financial Statements.

Rich Rice Raisers LLC has closed its operations. KFL has 25% shareholding in this Joint Venture

KFL holds 20% share in each of its associates companies. Al-Dahra Kohinoor LLC has exercised the call option which the KFL has accepted. Upon completion of the formalities the shareholding of the parent company in both of these associates will reduce to NIL.

2. Significant Accounting Policies

(a) Principles of Consolidation:

The financial statements of the parent company and its subsidiary companies are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after fully eliminating intra-group balances and intra-group transactions in accordance with Accounting Standard (AS)21 "Consolidated Financial Statements".

The results and financial position of all the Group companies are translated into the reporting currency as follows:

- (i) Current Assets and Liabilities for each balance sheet presented are translated at the closing rate at the date of that balance sheet;
- (ii) Income and expenses for each income statement are translated at average exchange rates.
- (iii) All resulting exchange differences are accumulated in foreign currency translation reserve until the disposal of net investment.

(b) Use of Estimates and Judgments

The preparation of Financial Statements requires management to make certain assumptions and estimates that affect the reported amount, the Financial Statements and Notes thereto. Difference between actual results and estimates are recognized in the period in which they materialize.

(c) Property, Plant and Equipment

The Group has adopted revaluation model for land & building. All the assets belonging to these classes of assets are carried at revalued amount being its fair value at the date of revaluation less subsequent depreciation. The Group shall carry out the revaluation of these assets periodically after every 3 to 5 years.

Property, Plant & Equipment under all other classes are stated at cost of acquisition/installation inclusive of freight, duties, and taxes and all incidental expenses and net of accumulated depreciation. In respect of major projects involving construction, related pre-operational expenses form part of the value of assets capitalized. Expenses capitalized also include applicable borrowing costs. Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost can be measured reliably.

Property, plant and equipment which are not ready for intended use as on the date of Balance Sheet are disclosed as "Capital work-in-progress" and stated at the amount spent up to the date of balance sheet.

Intangible assets are stated at their cost of acquisition.

(d) Depreciation

Depreciation on Property, Plant & Equipment is provided on written down value method, in terms of useful life of the Assets as prescribed in Schedule II to the Companies Act 2013. The depreciation rates which are different from the principal rates specified in Schedule-II are as follows: -

Tarpaulin	100% p.a.
-----------	-----------

Wooden & Plastic Crates	100% p.a.
-------------------------	-----------

The subsidiaries, IEFL provides the depreciation on following basis: -

Depreciation is calculated as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that assets as follows:

Freehold Property	2% p.a. straight line basis
-------------------	-----------------------------

Plant and Machinery	Up to 25 Years
---------------------	----------------

Fixtures and Fittings	15% p.a. reducing balance basis
-----------------------	---------------------------------

Motor Vehicles	20% p.a. reducing balance basis
----------------	---------------------------------

Computer Equipment & Software

20% p.a straight line basis

(e) Financial Instruments

(1) Financial Assets

Initial recognition and measurement

All financial assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition.

Subsequent measurement

i) Financial assets carried at amortised cost

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

ii) Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

iii) Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

Other Equity Investments

Equity investments are measured at fair value. Investments which are not held for trading purposes and where the Company has exercised the option to classify the investment as Fair Value through other comprehensive income ('FVTOCI'), all fair value changes on the investment are recognised in OCI.

(2) Financial liabilities

Initial recognition and measurement

All financial liabilities are recognized at fair value and in case of loans, net of directly attributable cost. Fees of recurring nature are directly recognised in the Statement of Profit and Loss as finance cost.

Subsequent measurement

Financial liabilities are carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

(3) Derivative financial instruments

Derivative financial instruments such as forward contracts, option contracts and cross currency swaps, to hedge its foreign currency risks are initially recognised at fair value on the date a derivative contract is entered into and are subsequently remeasured at their fair value with changes in fair value recognised in the Statement of Profit and Loss in the period when they

arise.

(f) Fair value measurement

The Group classifies the fair value of its financial instruments, FVTPL and FVTOCI, in the following hierarchy, based on the inputs used in their valuation:

- i) Level 1 - The fair value of financial instruments quoted in active markets is based on their quoted closing price at the balance sheet date.
- ii) Level 2 - The fair value of financial instruments that are not traded in an active market is determined by using valuation techniques using observable market data. Such valuation techniques include discounted cash flows, standard valuation models based on market parameters for interest rates, yield curves or foreign exchange rates, dealer quotes for similar instruments and use of comparable arm's length transactions.
- iii) Level 3 - The fair value of financial instruments that are measured on the basis of entity specific valuations using inputs that are not based on observable market data (unobservable inputs).

(g) Dividend to Equity Shareholders

Dividend to Equity Shareholders is recognised as a liability and deducted from shareholders' equity, in the period in which the dividends are approved by the equity shareholders in the general meeting.

(h) Inventories

Raw materials, traded and finished goods are stated at the lower of cost and net realisable value. Stores and spares are carried at cost.

Cost is determined on FIFO (First in First out) basis for raw material, and on weighted average method for all other categories of inventories. Cost comprises expenditure incurred in the normal course of business in bringing such inventories to its present location and condition, where applicable, include appropriate overheads based on normal level of activity.

(i) Cash and Cash Equivalents

Cash and cash equivalents are short-term, highly liquid investments that are readily convertible into cash and which are subject to an insignificant risk of changes in value.

(j) Revenue Recognition

Revenue is measured at fair value of the consideration received or receivable, net of discount, rebate, returns and value added taxes. The revenue is recognized when the amount of revenue can be reliably measured; when it is probable that future economic benefits will flow to the entity; and when specific criteria have been met for each of the activities.

Revenue from sale of goods is recognised when all the significant risk and rewards of ownership in the goods are transferred to the buyer as per the terms of the contract, there is no continuing managerial involvement with the goods and the amount of revenue can be measured reliably. On recognition of revenue the Company retains no effective control of the goods transferred to a degree usually associated with ownership and no significant uncertainty exists regarding the amount of the consideration that will be derived from the sale of goods.

Interest income is recognized using the effective interest method. Revenue in respect of Insurance / others claims, Commission, etc. is recognized only when it is reasonably certain that the ultimate collection will be made.

Revenue in respect of sale of licenses, duty drawback and other incentives is recognized on realization basis.

(k) Research and Development

Research expenditure is recognised in the statement of profit and loss as incurred. Development expenditure is capitalised only if the costs can be reliably measured, future economic benefits are probable, the product is technically feasible and the Company has the intent and the resources to complete the project. Development assets are amortised based on the estimated useful life, as appropriate.

(l) Employee Benefits

Contributions to defined contribution plans are charged to the statement of profit and loss on accrual basis. Present liability for future payment of gratuity is determined on the basis of actuarial valuation at the balance sheet date and the expenses is charged to the statement of profit and loss.

(m) Foreign Currency Transactions

Transactions in foreign currencies are recognized at the prevailing exchange rates on the transaction dates. Realised gains and losses on settlement of foreign currency transactions are recognised in the Statement of Profit and Loss.

Monetary foreign currency assets and liabilities at the year-end are translated at the year-end exchange rates and the resultant exchange differences are recognized in the Statement of Profit and Loss.

Non-monetary assets and liabilities denominated in a foreign currency and measured at historical cost are translated at the exchange rate prevalent at the date of transaction.

(n) Government Grant

Grants from the government are recognised when there is reasonable assurance that the grant will be received and the Company will comply with all attached conditions. Grant received from government towards property, plant & equipment's acquired/constructed by the Company is deducted out of gross value of the asset acquired/ constructed and depreciation is charged accordingly.

(o) Borrowing Costs

Borrowing costs consist of interest, ancillary and other costs that the group incurs in connection with the borrowing of funds and interest relating to other financial liabilities. Borrowing costs also include exchange differences to the extent regarded as an adjustment to the borrowing costs.

Interest and other borrowing costs attributable to qualifying assets are capitalised as a part of such assets till such time the assets are ready for use. Other interest and borrowing costs are charged to Statement of Profit and Loss.

(p) Income tax

Current Income Tax:

Current Income Tax is measured at the amount expected to be paid to the tax authorities in accordance with applicable Income Tax law.

Deferred Tax:

Deferred tax is provided using the balance sheet approach on temporary differences between the tax bases of assets and

liabilities and their carrying amounts for financial reporting purposes at the reporting date. The tax rates and tax laws used to compute the tax are those that are enacted or substantively enacted at the reporting date.

Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised.

Current and Deferred tax is recognised in the Statement of Profit and Loss, except to the extent that it relates to items recognised in other comprehensive income or directly in equity. In this case, the tax is also recognised in other comprehensive income or directly in equity.

(q) Leases

Lease of assets, where the Company, as a lessee, has substantially assumed all the risks and rewards of ownership are classified as finance leases. Assets acquired on finance lease are capitalised and depreciated as per the policy on Property, Plant and Equipment. Finance lease are measured at the lease's inception at the lower of fair value of the leased property and the present value of the minimum lease payments. The corresponding lease rental obligations, net of finance charges, are included in borrowings or other financial liabilities as appropriate. Each lease payment is allocated between the liability and finance cost. The finance cost is charged to the statement of profit and loss over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each year.

Leases in which a significant portion of the risks and rewards of ownership are not transferred to the Company as lessee are classified as operating leases. Payments made under operating leases (net of any incentives received from the lessor) are charged to statement of profit and loss on a straight-line basis over the period of the lease unless the payments are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases.

(r) Provisions, Contingent Liability and Contingent Assets

A provision is created when there is a present obligation as a result of past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of obligation. A disclosure of contingent liability is made when there is a possible obligation or a present obligation that will probably not require outflow of resources or where a reliable estimate of the obligation cannot be made. Contingent Assets are neither recognised nor disclosed in the Financial Statements.

(s) Impairment of Financial Assets

Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financials assets in FVTPL category.

(t) Impairment of Non-Financial Assets

An assessment is made at each Balance Sheet date whether there is any indication that an asset may be impaired. If any such Indication exists; the Company estimates the recoverable amount of assets. If such recoverable amount of the assets or the recoverable amount of the cash generating unit to which the assets belong is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of Profit & Loss. If at the Balance Sheet date there is an indication that if a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the assets is reflected at recoverable amount.

(u) Exceptional Items

Exceptional items are disclosed separately in the financial statements where it is necessary to do so to provide further

understanding of the financial performance of the company. These are material items of income or expense that have to be shown separately due to their nature or incidence.

(v) Earnings per share

The Consolidated statement of Profit and Loss presents basic and diluted earnings per share data for the ordinary shares of parent company. Basic earnings per share is calculated by dividing the profit or loss attributable to ordinary shareholders of the Company by the weighted average number of ordinary shares outstanding during the year. Diluted earnings per share is determined by adjusting the profit or loss attributable to ordinary shareholders and the weighted average number of ordinary shares outstanding, adjusted for own shares held, for the effects of all dilutive potential ordinary shares.

(w) Events after the reporting period

Adjusting events are events that provide further evidence of conditions that existed at the end of the reporting period. The financial statements are adjusted for such events before authorisation for issue.

Non-adjusting events are events that are indicative of conditions that arose after the end of the reporting period. Non-adjusting events after the reporting date are not accounted, but disclosed.

3. First time adoption of Ind AS

The Group has adopted Indian Accounting Standards (Ind AS) as notified by the Ministry of Corporate Affairs with effect from April 01, 2017, with a transition date of April 01, 2016. These consolidated financial statements for the year ended March 31, 2018 are the first financial statements, prepared under Ind AS. For all periods up to and including the year ended March 31, 2017, the Company prepared consolidated financial statements in accordance with the accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 ('Previous GAAP').

The adoption of Ind AS has been carried out in accordance with Ind AS 101, First-time Adoption of Indian Accounting Standards. Ind AS 101 requires that all Ind AS standards and interpretations that are issued and effective for the first Ind AS financial statements be applied retrospectively and consistently for all financial years presented. Accordingly, the Company has prepared Consolidated financial statements which comply with Ind AS for year ended March 31, 2018, together with the comparative information as at and for the year ended March 31, 2017 and the opening Ind AS Balance Sheet as at April 01, 2016, the date of transition to Ind AS.

In preparing these Ind AS Consolidated financial statements, the Group has availed certain exemptions in accordance with Ind AS 101, as explained below. The resulting difference between the carrying values of the assets and liabilities in the financial statements as at the transition date under Ind AS and Previous GAAP have been recognised directly in retained earnings.

Exemptions availed on First Time Adoption

(i) Property, Plant and Equipment

The Group has elected to adopt the carrying value under previous GAAP as deemed costs as on the date of transition i.e. April 1, 2016 except the Land & Building for which the group has elected to adopt revaluation model.

(ii) Estimates

On transition, the group did not revise the estimates previously made under IGAAP except where required by Ind AS.
