Management & Discussion Analysis

Overview

Indian Economy continue to deliver strong growth backed by International Monetary Fund (IMF) projection of India being the world's fastest growing economy poised to grow at 7.4% in this fiscal. India's growth lifted by good performance by sectors like agriculture, construction & manufacturing as well as fading temporary effects of the demonetisation initiative and implementation of Goods and Service Tax (GST). India's structural reform in recent past and implementation of GST will help to reduce internal barriers to trade and will also increase efficiency and tax compliances.

Recent developments in the banking sector, including stricter non-performing loan resolution processes and large-scale fraud scandals in public sector banks, pose a sizeable downside risk to growth. However, Bank recapitalization will also enhance the performance of Banking sector.

Industry Structure and Developments

The Government of India has introduced several reforms to liberalise, regulate and enhance the industries.

India has a diversified financial sector undergoing rapid expansion, both in terms of strong growth of existing financial services firms and new entities entering the market wherein the financial sector in India is predominantly a banking sector with commercial banks accounting for more than 64 per cent of the total assets held by the financial system.

India's equity market capitalisation has increased significantly in recent years. RBI has allowed 100 per cent foreign investment under the automatic route in 'other financial services'. The Government of India has taken various steps to deepen the reforms in the capital markets, including simplification of the Initial Public Offer (IPO) process which allows qualified foreign investors (QFIs) to access the Indian bond markets along with the great opportunity for Indian regulators to make the market attractive for foreign investors.

The Securities and Exchange Board of India (SEBI) has allowed exchanges in India to operate in equity and commodity segments simultaneously, starting from October 2018.

At a time when most economies in the world are on a path of recovery, India, by contrast, is seen as a reforming economy with the prospect of strong long-term with the introduction of reform by way of GST and Demonetisation.

Despite uncertainty in the global economies coupled with domestic challenges pertaining to slow progress on certain crucial reforms and the delay in anticipated economic recovery, the Indian market outperformed the emerging markets.

Opportunities and Threats

The present Government is also supportive of business growth and for the purpose amended many Acts and introduced new laws like The Insolvency and Bankruptcy Code, 2016, amendments in Companies Act, 2013, making effective Goods and Service Tax for doing the business easy in India and thereby attract foreign investment, relaxing FDI in many sectors and other steps to grow the economy by the Government creates optimistic business environment.

However, the management took possible steps to cash in on various opportunities and at times also observed closely which may lead to the erosion of investments.

With intent to optimize the deployment of fund and capital across the core business of the Company and its subsidiaries, will enable your Company to create ongoing incremental value and sustainable business growth.

Performance

The Company operates in single segment which is to invest, deal in securities etc. Consequent to the Composite Scheme of Arrangement sanctioned by the Hon'ble National Company Law Tribunal, Allahabad Bench and after completion of all the formalities with respect to listing of equity shares in BSE Ltd (BSE) and National Stock Exchange Ltd (NSE) as per applicable laws and regulations, the Equity shares of the Company have been listed with BSE and NSE and the trading permission have been received with effect from 28th July, 2017.

The businesses of the Company are carried out by its wholly-owned subsidiaries. The first three being wholly owned subsidiaries of the Company viz: OSM Investment & Trading Company Limited; Champaran Marketing Company Limited; Hargaon Investment & Trading Company Limited and are registered NBFC with RBI and primarily engaged in investment activities and whereas Hargaon Properties Ltd is a step down subsidiary engaged in investment of properties. The other wholly owned subsidiary Allahabad Canning Ltd is engaged in the Food Processing Business thereby producing all types of canned fruits & vegetables, jams, jellies, marmalades, juices, tomato ketchup/puree/sauce, vegetable sauces, squashes, breakfast cereals like cornflakes, chocos, white oats etc.

The Company aims to create sustainable vision to grow the business and make long-term strategic investments in various new ventures promoted by the Company and its subsidiaries.

The financial performance of the Company for the financial year 2017-18 is described in the Directors' Report under the head "Financial Performance"

OUTLOOK

Indian economy remained flexible and showed positive growth in many parameters despite of the disruption due to enactment of demonetization and implementation of Goods & Service Tax. Global growth is showing signs of inching up, and should aid the growth in the Indian economy. The macro economic conditions of India have been the best in recent times and we see the same continuing in 2018, however there may be some challenges along the way.

The potential of Indian Stock market is unlimited. The new measures adopted by Government are positive to the growth of capital market. In the forthcoming year, the Company envisages to identify new avenues of business activities and make use of opportunities available, besides strengthening its present operations.

The stronger rupee reflects the rise in interest from foreign investors. The stock market in India is in great shape for almost 2 years now. Domestic investments beat their overseas counterparts in 2017, the third year in a row. The sizzling share market has lured the average Indian saver as gold and real estate failed to give exciting returns.

Experts believe that in the near future with record FII inflows, soaring investments in mutual fund, low interest rates and a strong rupee against the dollar the outlook in the markets is expected to remain positive.

Risks and Concerns

Your Company follows a risk management process for identification, categorization and prioritization of various risks like operational, financial, legal and other business risks. The Chief Financial Officer aided by the Internal Auditor reviews the effectiveness of the process at regular intervals and reports the same to the Audit Committee and the Board.

The Company has in place a mechanism to identify, assess, monitor and mitigate various risks to key business objectives. Major risks identified by the businesses and functions are systematically addressed through mitigating actions on a continuing basis. The Company is mainly exposed to market risks in the form of reduction in value of its investment and fall in return due to dip in the investee Company's performance. Delay in repayment by the borrower Companies can affect liquidity and redeployment scope. The Company is also exposed to fluctuation of economy and industry cycle.

The Audit Committee periodically reviews the efficacy of Internal Financial Control Systems and risk mitigation process.

Internal Control Systems and Their Adequacy

The Company has an Internal Control System, commensurate with the size, scale and complexity of its operations.

The Audit Committee periodically reviews the efficacy of Internal Financial Control Systems and risk mitigation process. Your Board believes that appropriate procedures, controls and monitoring assessment procedures are in place and considered adequate.

The Company has an Internal Control System, commensurate with the size and nature of its business. The Company has an adequate system of internal control implemented by the management towards achieving efficiency in operations, optimum utilization of resources and effective monitoring thereof and compliance with applicable laws. The Internal Audit Division develops an annual audit plan based on the risk profile of business activities of the organization, which were approved by the Audit Committee. The adequacy of the internal control system is reviewed by the Audit Committee of the Board of Directors. The efficacy of the internal checks and control systems are verified by the Internal Auditors as well as the Statutory Auditors. The Audit Committee reviews the internal audit plan, adequacy and effectiveness of the internal control system, significant audit observations and monitors the sustainability of remedial measures.

Your Board believes that appropriate procedures, controls and monitoring assessment procedures are in place and considered adequate.

Human Resources

Steps have been taken to inculcate a performance-oriented culture by focusing and laying more emphasis on the performance management system. It has been Company's endeavour to attract talent from the most reputed institutions to meet the requirements of various functions. The Company will strengthen its operative staffs as and when need arises.

Cautionary Statement

Statements in this Management Discussion and Analysis describing the Company's outlook, objectives, projections, estimates and expectations

may be 'forward looking statement' within the meaning of applicable laws or regulations. Actual results may differ from those expressed or implied. Important factors that could make a difference to the Company's operations include changes in Government regulations and tax-regime, economic developments within India and abroad, financial markets, etc. The Company assumes no responsibility in respect of forward-looking statements that may be revised or modified in future on the basis of subsequent developments, information or events. The financial statements are prepared under historical cost convention, on accrual basis of accounting, and in accordance with the provisions of the Companies Act, 2013 (the Act) and comply with the Accounting Standards notified under Section 133 of the Act read with the Companies (Accounting Standards) Rules, 2006. The management has used estimates and judgments relating to the financial statements on a prudent and reasonable basis, in order that the financial statements reflect in a true and fair manner, the state of affairs and profit/ loss for the year. The narrative on our financial condition and result of operations should be read together with our audited consolidated financial statements and the notes to these statements included in the annual report.

Report on Corporate Governance

1. Company's Philosophy on Corporate Governance

Palash Securities Limited (PSL), a part of K K Birla Group of Sugar Industries, firmly believes that Corporate Governance helps to serve corporate purposes by providing a framework within which stakeholders can pursue the objective of the organization most effectively and efficiently. Corporate Governance in fact denotes acceptance by the management of the inalienable rights of the shareholders as true owners of the organization and of their own role as trustees on behalf of the shareholders.

By harnessing ethical values with business acumen the executive functions of PSL is structured to institutionalize policies and practices that enhance the efficacy of the Board, Key Managerial Personnel and the Senior Management of the Company and inculcate a culture of accountability, transparency and integrity across the Company as a whole. PSL has a strong legacy of fair, transparent and ethical Governance practices and procedures and through these pages renews its commitment to uphold and nurture the core values of integrity, passion, responsibility, quality and respect in dealing with its customers, cane growers and other stakeholders of the Company. The other enablers for the Company are 'team work' and 'adherence' to professionalism.

PSL is also in compliance with the mandatory requirements of the guidelines on Corporate Governance stipulated under Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('the Listing Regulations').

2. Board of Directors

- i) The Company has in all 6 Directors with considerable professional experience in divergent areas connected with corporate functioning. Out of these 6 directors, 3 (50%) are Independent Directors. The composition of the Board is in conformity with the Listing Regulations.. The Board is headed by the Non-Executive Chairperson Mr. Chandra Shekhar Nopany.
- ii) The Independent Directors take part in the proceedings of the Board and Committee meetings which enables qualitative decision-making. They receive sitting fees for attending the meetings and do not have any other material or pecuniary relationship or transaction with the Company, its promoters, its directors, management, subsidiaries or associates.
- iii) As per the disclosure received by the Company from the Directors, none of them is member in more than ten committees, nor as Chairman of more than five committees across all Companies in which they are Directors, in compliance with Regulation 26 of the Listing Regulations. The Directors intimate the Company about the committee positions they occupy in other Companies and also notify changes from time to time.
- iv) The Independent Directors have confirmed that they satisfy the 'criteria of independence' as stipulated in Sec 149(7) of the Companies Act, 2013. Independent Directors do not serve in more than 7 listed companies.
- v) No Director is related to any other Director on the Board in terms of the definition of 'relative' given under the Companies Act, 2013 except for Mr Chandra Shekhar Nopany, the Chairperson of the Company and Mrs Shalini Nopany, Director of the Company who are related to each other.
- vi) The Board looks at strategic planning and policy formulation. The Board meets at least once in every quarter to review the Company's operations and the maximum time gap between any two meetings is not more than 120 (One Hundred Twenty) days.
- vii) The Independent Directors (IDs) met on 3rd November, 2017 without the presence of the Chairperson, Managing Director, the Non-Executive Non-Independent Directors and the Management Team. The meeting was attended by all the Independent Directors and enabled them to discuss various matters pertaining to the Company's affairs and thereafter put forth their combined views to the Board. The IDs reviewed the quality, quantity and timeliness of flow of information between the Company management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

Familiarisation Programme

In terms of Regulation 25(7) of Listing Regulations, the Company is required to conduct Familiarisation Programme for Independent Directors (IDs) to familiarise them about the Company including nature of industry in which the Company operates, business model of the Company, roles, rights and responsibilities of IDs and any other relevant information. One such specific familiarisation programme was conducted. As a part of the programme, presentation was made to the Independent Directors giving a brief overview of roles, responsibilities and liabilities of Independent Directors under Corporate Governance norms with focus on constitution of various Committees under the Companies Act, 2013.

Performance Evaluation

The Nomination and Remuneration Committee (NRC) of the Company formulated and laid down criteria for Performance Evaluation of the Board (including Committees) and every Director (including Independent Directors and Chairperson & Managing Director) pursuant to provisions of Section 134, Section 149 read with Code of Independent Directors (Schedule IV) and Section 178 of the Companies Act, 2013 and Regulation 19(4) read with Part D of Schedule II of the Listing Regulations covering inter-alia the following parameters namely:

- i) For Board Evaluation - degree of fulfillment of key responsibilities; Board culture and dynamics.
- ii) Board Committee Evaluation - effectiveness of meetings; Committee dynamics.
- iii) Individual Director Evaluation (including IDs) - contribution at Board Meetings.

Further, the performance of Chairperson is evaluated on key aspects of his role which includes inter- alia effective leadership to the Board and adequate guidance to the senior officers.

During the year under review, the Board carried out annual evaluation of its own performance as well as evaluation of the working of various Board Committees viz. Audit Committee, Stakeholders' Relationship Committee, Nomination and Remuneration Committee. This exercise was carried out through a structured questionnaire prepared separately for Individual Board Member and Board Committees based on the criteria as formulated by the Nomination & Remuneration Committee and in context of the Guidance note dated January 05, 2017 issued by SEBI.

Based on these criteria, the performance of the Board, various Board Committees viz. Audit Committee, Stakeholders' Relationship Committee, Nomination and Remuneration Committee, and Individual Directors (including Independent Directors) was evaluated and found to be satisfactory.

During the year under review, the Independent Directors of the Company reviewed the performance of Non- Independent Directors, the Board as a whole and of the Chairperson of the Company, taking into account the views of Executive Director and Non- Executive Directors.

Further, the Independent Directors hold unanimous opinion that the Non- Independent Directors including the Chairperson bring to the Board, abundant knowledge in their respective field and are experts in their areas. Besides, they are insightful, convincing, astute, with a keen sense of observation, mature and have a deep knowledge of the Company.

Board Meetings

10. Identify the persons who are qualified to become Directors and who may be appointed in senior management in accordance with the criteria laid down, recommend to the Board their appointment and removal;
11. Deal with such matters as may be referred to by the Board of Directors from time to time;

PART – B

Policy for Appointment and Removal of Director, Key Managerial Personnel and Senior Management

Guiding principles

The guiding principle is that while determining qualification, positive attributes and other criteria's, the remuneration and the other terms of employment shall be competitive in order to ensure that the Company can attract and retain competent Executives.

- When determining the remuneration policy and arrangements for Executive Directors/ KMP's and Senior Management personnel, the Remuneration Committee considers pay and employment conditions with peers / elsewhere in the competitive market to ensure that pay structures are appropriately aligned and that levels of remuneration remain appropriate in this context.
- The Committee while designing the remuneration package considers the level and composition of remuneration to be reasonable and sufficient to attract, retain and motivate the person to ensure the quality required to run the company successfully.

- The Committee while considering a remuneration package must ensure a balance between fixed and incentive pay reflecting short and long term performance objectives appropriate to the working of the company and its goals.
- The Committee considers that a successful remuneration policy must ensure that a significant part of the remuneration package is linked to the achievement of corporate performance targets and a strong alignment of interest with stakeholders.

Appointment Criteria and Qualifications:

1. The Committee shall identify and ascertain the integrity, qualification, expertise and experience of the person for appointment as Director, KMP or at Senior Management level and recommend to the Board his / her appointment.
2. The Committee, along with the Board, shall review on an annual basis, appropriate skills, characteristics and experience required of a Board Member. The objective is to have a Board with diverse background and experience in business, government, academics, technology and in areas that are relevant for the Company's operations.
3. A person should possess adequate qualification, expertise and experience for the position he / she is considered for appointment. The Committee has discretion to decide whether qualification, expertise and experience including general understanding of the Company's business dynamics, global business and social perspective, educational and professional background and personal achievements possessed by a person is sufficient / satisfactory for the concerned position.
4. The Company shall not appoint or continue the employment of any person as Whole-time Director who has attained the age of seventy years. Provided that the term of the person holding this position may be extended beyond the age of seventy years with the approval of shareholders by passing a special resolution based on the explanatory statement annexed to the notice for such motion indicating the justification for extension of appointment beyond seventy years.

Term / Tenure:

1 Managing Director/Whole-time Director:

The Company shall appoint or re-appoint any person as its Executive Chairman/Chairperson, Managing Director or Executive Director or Whole-time Director for a term not exceeding five years at a time. No re-appointment shall be made earlier than one year before the expiry of term.

2. Independent Director:

An Independent Director shall hold office for a term as per the applicable laws prevailing from time to time. In accordance with the Companies Act, 2013 and SEBI (LODR) Regulations, 2015 an Independent Director shall hold office for a term up to five consecutive years on the Board of the Company and will be eligible for re-appointment on passing of a special resolution by the Company and disclosure of such appointment in the Board's report.

No Independent Director shall hold office for more than two consecutive terms, but such Independent Director shall be eligible for appointment after expiry of three years of ceasing to become an Independent Director. Provided that an Independent Director shall not, during the said period of three years, be appointed in or be associated with the Company in any other capacity, either directly or indirectly.

At the time of appointment of Independent Director it should be ensured that number of Boards on which such Independent Director serves is restricted to seven listed companies as an Independent Director and three listed companies as an Independent Director in case such person is serving as a Whole-time Director of a listed company.

Evaluation:

The Committee shall carry out evaluation of performance of every Director, KMP and Senior Management Personnel at regular interval.

The Committee may also consider the report of evaluation carried out only by Independent Directors while reviewing the performance of non-independent directors and the board as whole.

Removal:

Due to reasons for any disqualification mentioned in the Companies Act, 2013, rules made thereunder or under any other applicable Act, rules and regulations, the Committee may recommend, to the Board with reasons recorded in writing, removal of a Director, KMP or Senior Management Personnel subject to the provisions and compliance of the said Act, rules and regulations.

Retirement:

The Director, KMP and Senior Management Personnel shall retire as per the applicable provisions of the Companies Act, 2013 and the prevailing policy of the Company. The Board will have the discretion to retain the Director, KMP, Senior Management Personnel in the same position / remuneration or otherwise even after attaining the retirement age, for the benefit of the Company.

PART – C

Policy Relating to the Remuneration for the Whole-Time Director, Kmp and Senior Management Personnel

General:

1. The remuneration / compensation / commission etc. to the Managing/Whole-time Director, KMP and Senior Management Personnel will be determined by the Committee and recommended to the Board for approval. The remuneration / compensation / commission etc. shall be subject to the prior/post approval of the shareholders of the Company and Central Government, wherever required.
2. The remuneration and commission to be paid to the Managing Director/Whole-time Director shall be in accordance with the percentage / slabs / conditions laid down in the Articles of Association of the Company and as per the provisions of the Companies Act, 2013, and the rules made thereunder.
3. Increments to the existing remuneration / compensation structure may be recommended by the Committee to the Board which should be within the slabs approved by the Shareholders in the case of Whole-time Director, wherever required.
4. Where any insurance is taken by the Company on behalf of its Managing/Whole-time Director, Chief Executive Officer, Chief Financial Officer, the Company Secretary and any other employees for indemnifying them against any liability, the premium paid on such insurance shall not be treated as part of the remuneration payable to any such personnel. Provided that if such person is proved to be guilty, the premium paid on such insurance shall be treated as part of the remuneration.
5. Remuneration packages will be designed to attract high-calibre executives in a competitive global market and remunerate executives fairly and responsibly. The remuneration shall be competitive and based on the individual responsibilities and performance.
6. Remuneration is designed to motivate delivery of company's key business strategies, create a strong performance-orientated environment and reward achievement of meaningful targets over the short- and long-term.
7. The Executives may be entitled to customary non-monetary benefits such as company cars and company health care, telephone etc. In addition thereto in individual cases company housing and other benefits may also be offered.

Remuneration to Whole-Time / Executive / Managing Director, Key Managerial Personnel and Senior Management Personnel:

1. Fixed pay:

The Managing/Whole-time Director / Key Managerial Personnel and Senior Management Personnel shall be eligible for a monthly remuneration as may be approved by the Board on the recommendation of the Committee. The break-up of the pay scale and quantum of perquisites including, employer's contribution to P.F, pension scheme, medical expenses, club fees etc. shall be decided and approved by the Board on the recommendation of the Committee and approved by the shareholders and Central Government, wherever required.

2. Minimum Remuneration:

If, in any financial year, the Company has no profits or its profits are inadequate, the Company shall pay remuneration to its Managing/Whole-time Director in accordance with the applicable provisions of the Companies Act, 2013 and if it is not able to comply with such provisions, with the previous approval of the Central Government.

3. Provisions for excess remuneration:

If any Managing/Whole-time Director draws or receives, directly or indirectly by way of remuneration any such sums in excess of the limits prescribed under the Companies Act, 2013 or without the prior sanction of the Central Government, where required, he / she shall refund such sums to the Company and until such sum is refunded, hold it in trust for the Company. The Company shall not waive recovery of such sum refundable to it unless permitted by the Central Government.

Remuneration to Non- Executive / Independent Director:

1. Remuneration / Commission:

The remuneration / commission shall be fixed as per the slabs and conditions mentioned in the Articles of Association of the Company and the Companies Act, 2013 and the rules made thereunder.

2. Sitting Fees:

The Non- Executive / Independent Director may receive remuneration by way of fees for attending meetings of Board or Committee thereof in terms of applicable provisions of the Companies Act, 2013.

3. Commission:

Commission may be paid within the monetary limit approved by shareholders, subject to the limit not exceeding 1% of the profits of the Company computed as per the applicable provisions of the Companies Act, 2013.

Interpretation

In any circumstance where the terms of this policy differs from any existing or newly enacted law, rule, regulation or standard governing the Company, the law, rule, regulation or standard will take precedence over these policies and procedures until such time this policy is changed / amended to conform to the law, rule, regulation and standard.

Disclosure

Information on the total remuneration of members of the Company's Board of Directors, Executive Board of Management and senior management may be disclosed in the Company's annual financial statements. This includes any deferred payments and extraordinary contracts during the preceding financial year.

Dissemination

The Company's Nomination and Remuneration Policy shall be published on its website.

Independent Auditors' Report

To the Members of

Palash Securities Limited

Report on the Financial Statements

We have audited the accompanying financial statements of **Palash Securities Limited** (the "Company"), which comprise the Balance Sheet as at **31st March 2018**, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information, which we have signed under the reference to this report.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of Companies (Accounts) Rule, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditors consider internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statement.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2018, and its Loss and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditors' Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act, 2013 we give in the "Annexure A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
- b. In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
- c. The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this report are in agreement with the books of account.
- d. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e. On the basis of the written representation received from the directors taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
- f. With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure B".
- g. With respect to the other matters to be included in the Auditors' report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanation given to us:
 - i. There are no pending litigations and hence, the disclosure relating to the impact of pending litigations on its financial position in its financial statements does not arise.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. The Company is not required to transfer any amounts to the Investor Education and Protection Fund.

Annexure B to the Independent Auditors' Report on the Financial Statements of Palash Securities Limited as on 31st March 2018

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section our report of even date addressed to the members of Palash Securities Limited on the financial statements as on 31 March, 2018).

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Palash Securities Limited ("the Company") as of 31 March 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes to Financial Statements as at and for the year ended 31 March 2018

1. Corporate Information

Palash Securities Limited (the Company) was incorporated on 23rd March, 2015 as a Subsidiary Company of The Oudh Sugar Mills Limited (OSML). With the objective of business realignment of OSML and Upper Ganges Sugar & Industries Limited (UGSIL), a composite scheme of arrangement had been filed with the Hon'ble High Court of Allahabad to transfer the Food Processing and Investment business undertaking of OSML to the Company and thereafter to transfer the Food Processing business undertaking of the Company to Allahabad Canning Limited (ACL) from the appointed date i.e. 1st April, 2015, which has been approved by the National Company Law Tribunal.

The main object of the Company is to invest, deal etc. in securities mainly of group companies and in immovable properties. The Company acts as a Core Investment Company (CIC) as per RBI guidelines.

2. Basis of Preparation

The financial statements of the Company have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The Company has prepared the financial statements to comply in all material respects with the Accounting Standards notified under Section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016 under the historical cost convention except for impact of Scheme of Arrangement taken at fair value as detailed in Note 2(ii) below and on an accrual basis.

The accounting policies adopted in the preparation of financial statements are consistent with those of previous year except for the change in accounting policies explained below.

3. Scheme of Arrangement

- a) As per the Composite Scheme of Arrangement ("the scheme") approved by the National Company Law Tribunal, all the assets and liabilities of the food processing and investment business undertakings of OSML had been transferred to and vested in the Company at their respective book values and thereafter the food processing business undertaking of the Company present in the state of Uttar Pradesh had been transferred to and vested in ACL at their respective book values as on 1st April, 2015 on a going concern basis from appointed date i.e. 1st April, 2015.

As per the scheme, appointed date as approved by the National Company Law Tribunal was 1st April, 2015 and effective date is 23rd March, 2017 being the date on which the certified copy of the order sanctioning the said scheme was filed with the Registrar of Companies, Kanpur, Uttar Pradesh and Uttarakhand in accordance with the Companies Act, 1956 and applicable provisions of Companies Act, 2013. Accordingly, all related adjustments thereof had been given effect to in the accounts during the previous financial year ended 31st March 2017.

- b) Pursuant to the scheme above, in the previous financial year, the Company had issued 1,00,03,102 fully paid up equity shares of ₹10 each to the shareholders of OSML as per Record date 23.03.2017, aggregating to ₹ 1,000.31 lakhs, in the ratio of 27 equity shares of the face value of ₹10 each of the Company for every 70 equity shares of the face value of ₹10 each held in OSML.

Further, the Company had issued 13,00,000 fully paid up 8.5% Non-Convertible Cumulative Redeemable Preference Shares of ₹ 10 each to the preference shareholders of OSML, aggregating to ₹ 130 lakhs on the same terms and conditions.

Further the Company had received 1,09,34,588 fully paid up equity shares of ₹10 each from ACL, aggregating to ₹ 1,093.46 lakhs, as consideration for the transfer of food processing business undertaking. The aforesaid shares of ACL have been shown as Non-current Investment in the Balance Sheet.

4. Summary of Significant Accounting Policies

a) Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period and the results from operations during the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

b) Tangible Fixed Assets

Fixed Assets are stated at cost less accumulated depreciation and impairment losses determined, if any. The cost comprises the purchase

Notes to Financial Statements as at and for the year ended 31 March 2018 (Contd.)

price inclusive of duties, taxes, incidental expenses, erection / commissioning expenses and borrowing costs if capitalisation criteria are met and directly attributable cost of bringing the assets to its working condition for the intended use. Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately. This applies mainly to components for machinery. When significant parts of fixed assets are required to be replaced at intervals, the company recognizes such parts as individual assets with specific useful lives and depreciates them accordingly.

Subsequent expenditure related to an item of fixed asset is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on an existing fixed asset, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from derecognition of tangible fixed assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Machinery spares which can be used only in connection with an item of fixed asset and whose use as per technical assessment is expected to be irregular, are capitalised and depreciated over the residual life of the respective assets.

c) Depreciation on Tangible Fixed Assets

The classification of plant and machinery into continuous and non-continuous process is done as per technical certification and depreciation thereon is provided accordingly.

Depreciation on fixed assets is provided under Straight Line basis using the rates arrived at based on the useful lives estimated by the management. The Company has used the following rates to provide depreciation on its fixed assets.

Class of Assets	Useful Lives estimated by the management (Years)
Non-factory Buildings	5 to 60
Plant and Equipments	15
Computer and Data Processing Equipments	3 to 6
Furniture and Fixtures	10
Vehicles	8 to 10
Office Equipments	5

Depreciation on fixed assets added / disposed off during the year is provided on pro-rata basis with reference to the date of addition / disposal.

d) Leases

Operating Lease

Leases where the lessor effectively retains substantially all the risks and benefits of the ownership of the leased assets are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on straight line basis over the lease term.

Finance Lease

Assets acquired under lease agreements which effectively transfer to the Company substantially all the risks and benefits incidental to ownership of the leased items, are capitalized at the lower of the fair value of the leased property and present value of minimum lease payment at the inception of the lease term and disclosed as leased assets. Lease payments are apportioned between the finance charges and the reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of their liability. Finance charges are charged directly to the expenses account.

e) Borrowing Costs

Borrowing cost includes interest, amortisation of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs directly attributable to the acquisition or construction of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

Notes to Financial Statements as at and for the year ended 31 March 2018 (Contd.)

f) Impairment of Fixed Assets

The carrying amounts of assets are reviewed at each balance sheet date to determine, if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount which is the greater of the asset's net selling price and value in use. In assessing the value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.

Depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

g) Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

h) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate.

Dividend income is recognized when the shareholders' right to receive the payment is established by the reporting date.

i) Income taxes

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to tax authorities in accordance with Income Tax Act, 1961 enacted in India. Deferred income tax reflects the impact of current year timing differences between taxable income and accounting income for the period and reversal of timing differences of earlier years.

The deferred tax for timing differences between the book and tax profit for the period is accounted for using the tax rates and laws that have been enacted or substantively enacted as of the reporting date. Deferred tax asset is recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax asset can be realized. If the Company has carry forward unabsorbed depreciation and tax losses, deferred tax asset is recognized only to the extent that there is virtual certainty supported by convincing evidence that sufficient taxable income will be available in future against which such deferred tax asset can be realized.

The carrying amount of deferred tax assets is reviewed at each reporting date. The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient taxable income will be available in future.

At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

j) Earnings Per Share

Basic Earning per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earning per share, net profit or loss for the period attributable to equity share holders and the weighted average number of shares outstanding during the period are adjusted for the effect of all dilutive potential equity shares.

k) Cash and Cash Equivalents

Cash and cash equivalents in the cash flow statement comprise of cash at bank and on hand and short-term investments with an original maturity of three months or less.

Notes to Financial Statements as at and for the year ended 31 March 2018 (Contd.)

l) Provisions

A provision is recognized when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions made in terms of Accounting Standard 29 are not discounted to its present value and are determined based on the best estimate required to settle the obligation, at the reporting date. These are reviewed at each reporting date and adjusted to reflect the current management estimates.

m) Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Independent Auditors' Report

To the Members of
Palash Securities Limited.

Report on the Consolidated Financial Statements

We have audited the accompanying consolidated financial statements of Palash Securities Limited (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding and its subsidiaries together referred to as "the Group") comprising the Consolidated Balance Sheet as at 31st March, 2018, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement for the year ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated financial statements")

Management's Responsibility for the Consolidated Financial Statements

The Holding company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act read with Rule 7 of Companies (Accounts) Rule, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. In conducting our audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and other auditors in term of their reports, referred to in paragraph on "Other Matter" is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements of the subsidiaries referred to below in the Other Matters paragraph, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2018, and of their consolidated profits and their consolidated cash flows for the year ended on that date.

Other Matter Paragraph

We did not audit the financial statements of four subsidiaries (except Champaran Marketing Company Limited), whose financial statements reflect total assets of Rs 4092.17 Lakhs as at 31st March 2018, total revenue of Rs 4118.00 Lakhs and net cash inflows amounting to Rs 64.78 Lakhs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements above, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of other auditors.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, based on our audit and on the consideration of the report of other auditors on separate financial statements and the other financial information of subsidiaries, as noted in the "Other Matter" paragraph, we report to the extent applicable that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.
- (b) In our opinion, proper books of accounts as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and report of other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of accounts maintained for the purpose of preparation of the consolidated financial statements.
- (d) In our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards prescribed under Section 133 of the Act, read with Rule 7 of Companies (Accounts) Rule 2014.
- (e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2018 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies, incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on 31st March, 2018 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls refer to our separate Report in "Annexure A".
- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated Financial Statements disclose the impact of pending litigation of the financial position of the Group.
 - ii. The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary companies incorporated in India.

Annexure 'A' To the Independent Auditor's Report of Even Date on the Consolidated Financial Statements of Palash Securities Ltd.

Report on the Internal Financial Controls under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of Palash Securities Limited as of and for the year ended March 31, 2018 we have audited the internal financial controls over financial reporting of Palash Securities Ltd (hereinafter referred to as the "Holding Company") and its subsidiary companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary companies which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on auditing, both, issued by Institute of Chartered Accountants of India, and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note required that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company, (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company, and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial control over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the holding company and its subsidiary companies which are companies incorporated in India, have, in all material respects, maintained in generally adequate internal financial controls over financial reporting as of March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of Internal Financial Controls Over Financial Reporting in so far it relates to its five subsidiaries which are companies incorporated in Republic of India, is based on the corresponding report of such company incorporated in Republic of India. Our opinion is not modified in respect of above matters.

Notes to consolidated financial statements as at and for the year ended 31 March 2018

1. Principles of consolidated financial statements

The consolidated financial statements of Palash Securities Limited ("Company") and its subsidiary companies (collectively referred as "Group") have been prepared on the following basis :

- The financial statements of the Company and its subsidiaries are combined on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenditure, after fully eliminating intra group balances, intra group transactions and any unrealized profit/loss included therein in accordance with Accounting Standard (AS-21) "Consolidated Financial Statements".
- The consolidated financial statements have been prepared using uniform accounting policies, except stated otherwise, for like transactions and are prepared, to the extent possible, in the same manner as the Company's separate financial statements.
- The difference between the cost of the Company's investments in the subsidiaries and their respective equity as on the date of investment is treated as Goodwill / Capital Reserve, as the case may be, in the consolidated financial statements.
- The Subsidiary Companies, being subsidiary pursuant to the composite scheme of arrangement became effective, considered in the financial statements are as follows:

Name	Country of Incorporation	% of voting power / ownership as on	
		31/03/18	31/03/17
Allahabad Canning Limited	India	100	100
Hargaon Investment & Trading Company Limited	India	100	100
OSM Investment & Trading Company Limited	India	100	100
Champaran Marketing Company Limited	India	100	100
Hargaon Properties Limited	India	100	100

2. Basis of Preparation

The consolidated financial statements of the Group have been prepared in accordance with generally accepted accounting principles in India (Indian GAAP). The Company has prepared the financial statements to comply in all material respects with the Accounting Standards notified under Section 133 of the Companies Act, 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 and the Companies (Accounting Standards) Amendment Rules, 2016 on an accrual basis under the historical cost convention.

3. Scheme of Arrangement

As per the Composite Scheme of Arrangement ("the Scheme") approved by the National Company Law Tribunal, all the assets and liabilities of the food processing and investment business undertakings of OSML have been transferred to and vested in the Company at their respective book values and thereafter the food processing business undertaking of the Company present in the state of Uttar Pradesh have been transferred to and vested in Allahabad Canning Limited (ACL) at their respective book values as on 1st April, 2015 on a going concern basis from appointed date i.e. 1st April, 2015.

As per the scheme, appointed date as approved by the National Company Law Tribunal was 1st April, 2015 and effective date was 23rd March, 2017 being the date on which the certified copy of the order sanctioning the said scheme was filed with the Registrar of Companies, Kanpur in accordance with the Companies Act, 1956 and applicable provisions of Companies Act, 2013. Accordingly, all related adjustments thereof has been given effect to accounts during the previous financial year 2016-17.

4. Summary of Significant Accounting Policies

a) Use of Estimates

The preparation of financial statements in conformity with Indian GAAP requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the disclosure of contingent liabilities, at the end of the reporting period and the results from operations during the reporting period. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

Notes to consolidated financial statements as at and for the year ended 31 March 2018 (Contd.)

b) Property, plant and equipment

Property, plant and equipment are stated at cost less accumulated depreciation and impairment losses determined, if any. The cost comprises the purchase price inclusive of duties, taxes, incidental expenses, erection / commissioning expenses and borrowing costs if capitalisation criteria are met and directly attributable cost of bringing the assets to its working condition for the intended use. Each part of an item of property, plant and equipment with a cost that is significant in relation to the total cost of the item is depreciated separately. This applies mainly to components for machinery. When significant parts of Property, plant and equipment are required to be replaced at intervals, the company recognizes such parts as individual assets with specific useful lives and depreciates them accordingly.

Subsequent expenditure related to an item of property, plant and equipment is added to its book value only if it increases the future benefits from the existing assets beyond its previously assessed standard of performance. All other expenses on an existing Property, plant and equipment, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the period during which such expenses are incurred.

Gains or losses arising from derecognition of property, plant and equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

Items of spares & stores that meet the definition of property, plant and equipment are capitalised at cost and depreciated over the useful life.

c) Depreciation on Property, Plant and Equipments

The classification of plant and machinery into continuous and non-continuous process is done as per technical certification and depreciation thereon is provided accordingly.

Depreciation on Property, plant and equipment is provided under Straight Line basis using the rates arrived at based on the useful lives estimated by the management. The Company has used the following rates to provide depreciation on its Property, plant and equipment.

Class of Assets	Useful Lives estimated by the management (Years)
Non-factory Buildings	5 to 60
Plant and Equipments	15
Computer and Data Processing Equipments	3 to 6
Furniture and Fixtures	10
Vehicles	8 to 10
Office Equipments	5

Depreciation on Property, plant and equipment added / disposed off during the year is provided on pro-rata basis with reference to the date of addition / disposal.

d) Leases

Operating Lease

Leases where the lessor effectively retains substantially all the risks and benefits of the ownership of the leased assets are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on straight line basis over the lease term.

Finance Lease

Assets acquired under lease agreements which effectively transfer to the Company substantially all the risks and benefits incidental to ownership of the leased items, are capitalized at the lower of the fair value of the leased property and present value of minimum lease payment at the inception of the lease term and disclosed as leased assets. Lease payments are apportioned between the finance charges and the reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of their liability. Finance charges are charged directly to the expenses account.

e) Borrowing Costs

Borrowing cost includes interest and amortisation of ancillary costs incurred in connection with the arrangement of borrowings.

Notes to consolidated financial statements as at and for the year ended 31 March 2018 (Contd.)

Borrowing costs directly attributable to the acquisition or construction of an asset that necessarily takes a substantial period of time to get ready for its intended use are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

f) Impairment of Fixed Assets

The carrying amounts of assets are reviewed at each balance sheet date to determine if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount which is the greater of the asset's net selling price and value in use. In assessing the value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and risks specific to the asset.

Depreciation is provided on the revised carrying amount of the assets over its remaining useful life.

g) Investments

Investments, which are readily realizable and intended to be held for not more than one year from the date on which such investments are made, are classified as current investments. All other investments are classified as long-term investments.

On initial recognition, all investments are measured at cost. The cost comprises purchase price and directly attributable acquisition charges such as brokerage, fees and duties.

Current investments are carried in the financial statements at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of the investments.

h) Inventories

Raw Materials, stores and spares are valued at lower of cost and net realizable value. However, these items are considered to be realizable at cost if the finished products, in which they will be used, are expected to be sold at or above cost. Cost of raw materials and stores and spares is determined on annual weighted average method / moving average method.

Goods under process, Finished goods and Standing crop are valued at lower of cost and net realizable value. Goods under process and Finished goods include cost of conversion and other costs incurred in bringing the inventories to their present location and condition based on normal operating capacity. Cost is determined on weighted average basis.

By products, Country crop and Saleable scraps, whose cost is not identifiable, are valued at estimated net realizable value.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and estimated costs necessary to make the sale.

i) Revenue Recognition

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, which usually coincides with delivery of the goods. The Group collects Sales Tax(s) and Value Added Taxes (VAT) on behalf of the government and, therefore, these not being economic benefits flowing to the Group, they are excluded from revenue. Excise duty and Cess deducted from revenue (gross) is the amount that is included in the revenue (gross) and not the entire amount of liability arising during the period.

Interest income is recognized on a time proportion basis taking into account the amount outstanding and the applicable interest rate.

Dividend income is recognized when the shareholders' right to receive the payment is established by the reporting date.

Insurance and other claims, Interest on doubtful loans and advances to cane growers and Compensation receivable in respect of land surrendered to / acquired by the Government due to uncertainty in realisation, are accounted for on acceptance basis.

j) Retirement and other Employee Benefits

Retirement benefits in the form of Provident and Pension Funds are defined contribution schemes and are charged to the statement of profit and loss of the period when the contributions to the respective funds are due. The Group has no obligation other than contributions

Notes to consolidated financial statements as at and for the year ended 31 March 2018 (Contd.)

to the respective funds. The Group recognises contribution payable to the provident fund scheme as an expenditure, when an employee renders the selected service.

Gratuity liability being a defined benefit obligation is provided for on the basis of actuarial valuation on projected unit credit method done at the end of each financial year.

Short term compensated absences are provided for based on estimates.

The Group treats accumulated leave expected to be carried forward beyond twelve months, as long term employee benefit for measurement purposes. Such long-term compensated absences are provided for based on the actuarial valuation using the projected unit credit method at the end of each financial year. The Group does not have an unconditional right to defer its settlement for the period beyond 12 months and accordingly entire leave liability is shown as current liability.

Actuarial gains / losses are immediately taken to the statement of profit and loss and are not deferred.

k) Income taxes

Tax expense comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to tax authorities in accordance with Income Tax Act, 1961 enacted in India. Deferred income tax reflects the impact of current year timing differences between taxable income and accounting income for the period and reversal of timing differences of earlier years.

The deferred tax for timing differences between the book and tax profit for the period is accounted for using the tax rates and laws that have been enacted or substantively enacted as of the reporting date. Deferred tax asset is recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax asset can be realized. If the Company has carry forward unabsorbed depreciation and tax losses, deferred tax asset is recognized only to the extent that there is virtual certainty supported by convincing evidence that sufficient taxable income will be available in future against which such deferred tax asset can be realized.

The carrying amount of deferred tax assets is reviewed at each reporting date. The Company writes-down the carrying amount of deferred tax asset to the extent that it is no longer reasonably certain or virtually certain, as the case may be, that sufficient future taxable income will be available against which deferred tax asset can be realised. Any such write-down is reversed to the extent that it becomes reasonably certain or virtually certain, as the case may be, that sufficient taxable income will be available in future.

At each reporting date, the Company re-assesses unrecognized deferred tax assets. It recognizes unrecognized deferred tax assets to the extent that it has become reasonably certain or virtually certain, as the case may be that sufficient future taxable income will be available against which such deferred tax assets can be realized.

l) Segment Reporting

Identification of segments

The Group has identified that its operating segments are the primary segments. The Group's operating businesses are organized and managed separately according to the nature of products, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which the customers of the Group are located.

Allocation of common costs

Common allocable costs are allocated to each segment on case to case basis applying the ratio, appropriate to each relevant case. Revenue and expenses which relate to the enterprise as a whole and are not allocable to segments on a reasonable basis are included under the head "Unallocated".

Unallocated items

Unallocated items include general corporate income and expense items which are not allocated to any business segment.

Segment accounting policies

The Group prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the Company as a whole.

Notes to consolidated financial statements as at and for the year ended 31 March 2018 (Contd.)

m) Earnings Per Share

Basic Earning per Share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earning per share, net profit or loss for the period attributable to equity share holders and the weighted average number of shares outstanding during the period are adjusted for the effect of all dilutive potential equity shares.

n) Cash and Cash Equivalents

Cash and cash equivalents in the cash flow statement comprise of cash at bank and on hand and short-term investments with an original maturity of three months or less.

o) Provisions

A provision is recognized when the Company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions made in terms of Accounting Standard 29 are not discounted to its present value and are determined based on the best estimate required to settle the obligation, at the reporting date. These are reviewed at each reporting date and adjusted to reflect the current management estimates.

p) Foreign Currency Transactions and Derivatives

- a) Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of transaction. Monetary assets and liabilities relating to foreign currency transactions are translated at year end exchange rates. The difference in translation and realised gains/losses are recognised in Statement of Profit and Loss.
- b) In respect of items covered by foreign exchange contracts, the premium or discount arising at the date of inception of such a forward exchange contract is amortised as expenses or income over the life of the contract. Any profit or loss arising on cancellation or renewal of such a forward exchange contract is recognised in Statement of Profit and Loss.

q) Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

r) Proposed Dividend

Dividend recommended/declared after the Balance Sheet Date but before the Financial Statements are approved by Shareholders in the General Meeting are not recognized as a liability at the Balance Sheet Date because no obligation exists at the Balance Sheet Date. Such Dividend is disclosed in the Notes.

(b) Terms / rights attached to Equity Shares

The Company has only one class of equity shares having a par value of ₹ 10 per share. Each holder of equity shares is entitled to one vote per share.

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive remaining assets of the Company, after distribution of all preferential amounts. The distribution to equity shareholders will be in proportion to the amount paid on the shares held by them.

(c) Terms of redemption of Preference Shares

The Non-Convertible Cumulative Redeemable Preference Shares (NCCRPS) carries dividend @ 8.50% per annum.

NCCRPS shall be redeemable at par on 2 August 2023 being twelve years and one day from the date of the original allotment i.e. 1 August 2011 with a right vested to the Board of Directors to redeem it earlier, subject to consent of the lender.

The Dividend is payable at the time of redemption of the NCCRPS. However, the Board reserves the right to pay dividend earlier subject to the availability of the profit.

29. Segment information

The primary segment reporting format is determined to be business segments as the company's risks and rates of return are affected predominantly by differences in the products produced. Secondary information is reported geographically. The operating businesses are organized and managed separately according to the nature of the products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. Accordingly, the Company has identified "Food Processing Products" and "Investments" as the operating segments :

Food Processing Products - Consists of Canned Fruits and Vegetables, Jams Jellies, Squashes and Juices.

Investments - Consists of Interest income from loans and Dividend income from investments in shares & securities.

The Company primarily operates in India and therefore the analysis of geographical segments is demarcated into its Indian and Overseas Operations.
