In view of the above, the Board recommends the Special Resolution set out at Item No. 3 of the Notice for approval by the members.

ITEM NO. 4

Based on the recommendation of the Nomination and Remuneration Committee, the Board of Directors at their meeting held on August 13, 2018, subject to the approval of Members of the Company reappointed Mr. Utkarsh Jain, aged 24 years, as

Whole Time Director of the Company, liable to retire by rotation, for the term of 3 years with effect from October 1, 2018 on the following terms and conditions including remuneration as recommended by the Nomination and Remuneration Committee and approved by the Board:

- a. Consolidated Annual Salary, perquisites, Performance Bonus etc. up to Rs. 36,00,000/- (Rupees Thirty Six Lakhs only) not exceeding the limits specified under Schedule V to the Companies Act, 2013. The perquisites and allowances shall be evaluated, wherever applicable, as per the provisions of Income-tax Act, 1961 or any rules there under or any statutory modification(s) or re-enactment thereof; in the absence of any such rules, perquisites and allowances shall be evaluated at actual cost.
- b. The Company's contribution to provident fund, superannuation or annuity fund, to the extent these singly or together are not taxable under the Income Tax Act, 1961, gratuity payable at a rate not exceeding half month's salary for each completed year of service, and encashment of leave, as per the rules of the Company and to the extent not taxable under the Income Tax law, shall not be included for the purpose of computation of the overall ceiling of remuneration.
- c. Expenses incurred for travelling, boarding and lodging including during business trips and provision of car(s) for use on Company's business and communication expenses at residence along with free mobile phone facility, long Distance personal Calls shall be reimbursed at actual and not considered as perquisites.

Mr. Utkarsh Jain satisfies all the conditions set out in Part-I of Schedule V and Section 196(3) of the Act for being eligible for his re-appointment. He is not disqualified to be a Director of the Company in terms of provisions of Section 164 of the Companies Act, 2013

Further, the brief resume of Mr. Utkarsh Jain giving the nature of his expertise in specific functional area, remuneration paid, number of meeting attended during the year etc. forms of this Notice.

None of the Directors or Key Managerial Personnel of the Company or their relatives except Mr. Sunil Kumar Jain and Mr. Utkarsh Jain is in any way, concerned or interested, financially or otherwise, in passing of the said Resolution.

In compliance with the provisions of Sections 196 and 197 and other applicable provisions of the Act, read with Schedule V of the Act, the terms of re-appointment and remuneration of Mr. Utkarsh Jain as specified above, are now placed before the Members for their approval.

In view of the above, the Board recommends the Special Resolution set out at Item No. 4 of the Notice for approval by the members.

ITEM NO. 5

Mr. Manoj Kumar Jain (DIN: 02573858), aged 52 years, was appointed as an Independent Director of the Company and he holds office as an Independent Director of the Company up to March 31, 2019 ("first term").

The Nomination & Remuneration Committee of the Board of Directors, on the basis of the report of performance evaluation, has recommended re-appointment of Mr. Manoj Kumar Jain as an Independent Director for a second term of 5 (five) consecutive years up to March 31, 2024 on the Board of the Company.

The Board, based on the performance evaluation and as per the recommendation of the Nomination & Remuneration Committee, considers that, according to his background and experience and contributions made by him during his tenure, the continued association of Mr. Manoj Kumar Jain would be beneficial to the Company and it is desirable to continue to avail his services as an Independent Director. Accordingly, it is proposed to re-appoint Mr. Manoj Kumar Jain as an Independent

Director, not liable to retire by rotation, for a second term of 5 (five) consecutive years up to March 31, 2024 on the Board of the Company.

Mr. Manoj Kumar Jain is not disqualified from being appointed as a Director in terms of Section 164 of the Act and has given his consent to act as a Director of the Company.

The Company has also received declaration from Mr. Manoj Kumar Jain that he meets the criteria of independence as prescribed both under Section 149(6) of the Act and under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

In the opinion of the Board, Mr. Manoj Kumar Jain fulfils the conditions for appointment as an Independent Director as specified in the Act and the Listing Regulations. Mr. Manoj Kumar Jain is independent of the management.

A copy of the draft letter of appointment for Independent Directors, setting out the terms and conditions for appointment of Independent Directors is available for inspection by the Members at the registered office of the Company during business hours on any working day and is also available on the website of the Company.

Mr. Manoj Kumar Jain is not related to any other Director and Key Managerial Personnel of the Company.

None of the Directors, Key Managerial Personnel and their relatives, except Mr. Manoj Kumar Jain and his relatives, are in any way, concerned or interested in the said resolution. The resolution as set out in item No. 5 of this Notice is accordingly recommended by approval of Shareholders by way of Special Resolution.

ITEM NO. 6

Mr. Utsav Jain (DIN: 01609344), aged 33 years, was appointed as an Independent Director of the Company and he holds office as an Independent Director of the Company up to March 31, 2019 ("first term").

The Nomination & Remuneration Committee of the Board of Directors, on the basis of the report of performance evaluation, has recommended re-appointment of Mr. Utsav Jain as an Independent Director for a second term of 5 (five) consecutive years up to March 31, 2024 on the Board of the Company.

The Board, based on the performance evaluation and as per the recommendation of the Nomination & Remuneration Committee, considers that, according to his background and experience and contributions made by him during his tenure, the continued association of Mr. Utsav Jain would be beneficial to the Company and it is desirable to continue to avail his services as an Independent Director. REPORT ON CORPORATE GOVERNANCE

Corporate Governance is essentially a system by which Companies are governed and controlled by the management under the direction and supervision of the Board in the best interest of all stakeholders. It is not mere compliance of laws, rules and regulations, but also the application of best management practices and adherence to the highest ethical principles in all its dealings, to achieve the objects of the Company, enhance stakeholder value and discharge its social responsibility.

The Board of Directors is responsible for and committed to sound principles of Corporate Governance in the Company. We, North Eastern Carrying Corporation Limited, meet the requirement on Corporate Governance under Companies Act, 2013 and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and also follows the Secretarial Standards issued by Institute of Company Secretaries of India (ICSI).

KOTAK COMMITTEE ON CORPORATE GOVERNANCE

SEBI had constituted a committee under the chairmanship of Mr. Uday Kotak, to suggest suitable policy and regulatory changes in order to enhance the efficiency of Corporate Governance norms for Indian listed entities. SEBI, in its Board meeting on 28th March 2018 considered the Kotak Committee report and accepted several recommendations made by it, without any modifications and consequently, on 9th May, 2018 the SEBI amended (Listing Obligations and Disclosure Requirements) Regulations, 2015. The Company shall ensure that its governance framework incorporates the amendments introduced in the Listing Regulations and the same are complied with on or before the effective date.

1. COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

Your Company's philosophy on the Code of Governance is based on the belief that effective Corporate Governance practices constitute a strong foundation on which successful commercial enterprises are built to last. Your Company lays great emphasis on a corporate culture of conscience, integrity, fairness, transparency, accountability and responsibility for efficient and ethical conduct of its business. The driving forces of Corporate Governance at North Eastern Carrying Corporation Limited are its core values-belief in people, entrepreneurship, customer orientation and the pursuit of excellence.

NECC Corporate Governance Framework

In spirit and Letter:	Transparency:	Stakeholder relationship:	Corporate structure:	Management as a Trustee:
satisfy both the Spirit of the law and letter of the Law	Ensure transparency and maintain a high level of Disclosure	Communicate, externally and truthfully, about how the Company is running internally	Have a simple and transparent corporate structure driven solely by business needs	Management is the trustee of the Shareholders' capital and not the owner

2. BOARD OF DIRECTORS

The Board of Directors provides leadership and guidance, objective judgment and at the same time monitors the strategic direction of the Company. The Company is headed by an Executive Chairman. It places special emphasis on compliance as also ensuring that the Company operates in the best interests of all its shareholders. NECC firmly believes that Board independence is essential to bring objectivity and transparency in the management of the Company

A. Composition of the Board

The key to good Corporate Governance is the optimum combination of the executive and non-executive Directors on the Board. As on March 31, 2018, the Board at NECC comprised of 6 Directors, out of which 2 were Executive Directors and the other three comprising of half of the Total Board are Independent Directors. One Director is Non-executive Non Independent Women Director. All Directors possess relevant qualifications and experience in general corporate management, finance, banking and other allied fields which enable them to effectively contribute to the Company in their capacity as Directors. All the three Non-Executive Directors are Independent Directors free from any business or other relationship that could materially influence their judgment. All the Independent Directors satisfy the criteria of independence as defined under the Companies Act, 2013 and the Listing Regulations.

The Composition of Board of Directors as on March 31, 2018 was as follows:-

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

(Pursuant to Regulation 34 read with the Schedule V of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015)

The Management of the Company is pleased to present its report on Industry Scenario including Company performance during the financial year 2017-18.

GLOBAL ECONOMIC OVERVIEW

The Financial year 2017-18 has been favourable for the global economy with broad-based and synchronized growth across most countries. While the developed economies of the USA and Europe witnessed further consolidation, modest growth in Japan, improving realities in Russia and Brazil pushing the global GDP growth rate to 3.7%, some 60 bps higher than the previous year, the emerging economies exhibited resilience, benefitting from global trade and the rebound in commodity prices. China remained buoyant despite tightening of liquidity and slowdown in the booming property as well as financial markets. Crude oil prices increased in 2017, the prices at the beginning of the year being US\$54.13 per barrel, declining to a low of US\$46.78 per barrel in June 2017 and closing the year at US\$61.02 per barrel, the highest since 2013. Global Inflation stayed within control and at relatively modest levels, though some key central banks, including the US Fed, tightened policy rates to sustain robustness in investments and induce industrial activity and international trade.

Although the world economy saw good growth, political discourse leaned towards trade protectionism. There has been rising speculation around rebalancing of trade surpluses, specifically by the USA. The US economy entered its ninth straight year of growth in 2017 (2.3% compared to 1.6% in 2016) catalyzed by the spillover arising out of government spending by the previous administration coupled with US\$1500 billion worth of tax cuts stimulating investments. In 2017, Euro zone grew by 2.4% compared with 1.8% in 2016. The Chinese economy grew faster than expected in the fourth quarter (October to December) of 2017 at 6.8%, aided by a recovery in exports. This helped China celebrate its first annual growth in seven years. GCC countries were affected by the oil price decline (~60% since 2013), resulting in macro-economic instability that affected job creation and growth. Russia seems to have exited a 2 year recession and Brazil grew at 1.1% following a deceleration of 3.5% in 2016. (Source: imf.org (<https://bit.ly/2qitlK7>)).

INDIAN ECONOMIC OVERVIEW

The Financial Year 2017-18 has been a watershed year in the domestic economy with the Government of India affecting a unified tax regime, Goods and Service Tax (GST), from July 2017. The implementation of GST will create a single marketplace enabling supply chain efficiencies over long-term. However, the first year of its implementation, as anticipated, witnessed disruptions in supply chain, working capital constraints and greater compliance responsibility, especially for small and medium enterprises. After registering GDP growth of over 7% for the third year in succession in 2016-17, the Indian economy headed for slower growth estimated at 6.7% in 2017-18. Even with this lower growth for 2017-18, GDP growth averaged 7.3% for the period 2014-15 to 2017-18, achieved through lower inflation, improved current account balance and reduction in fiscal deficit to GDP. The year under review was marked by various structural reforms by the Government. In addition to GST introduction, the year witnessed significant resolution of problems associated with bank non-performing assets, FDI liberalisation, bank recapitalisation and privatisation of coal mines. (Source: CSO, economic survey 2017-18).

The Government firmly pushed ahead its reform agenda with substantial movement on GST, the Indian Bankruptcy Code and implementation of Real Estate Regulations (RERA), among others. Taking note of these developments, Moody's raised India's rating from the lowest investment grade of Baa3 to Baa2 and changed the outlook from stable to positive in November 2017. This was India's first rating upgrade in 14 years.

Ease of doing business

India shot up 30 places to enter in the top 100 of the 'Ease of Doing Business' rankings index released by World Bank.

Attracting Global Investors

Not only did the country witness sustained investments from portfolio investors in debt and equity markets, it also ranked among the top 10 destinations for long-term investments with FDI inflows of almost \$45 billion in 2017. The continuous inflows helped the Indian Rupee post an appreciating trend for most of FY 2017-18, reaching a high of Rs. 63.24 per \$ in January 2018 before closing FY 2017-18 at nearly \$ 65 per dollar.

Global logistics industry overview

Logistics is a large global sector with a market value of >US\$ 4000 billion in 2017. The global express market is estimated to be ~US\$ 198 billion in 2016. The market posted a CAGR of 4% between 2014 and 2016. The global logistics market, in terms of revenue, is set to expand from US\$8100 billion in 2015 to US\$15500 billion by 2023, registering a CAGR of 7.5% between 2015 and 2024. In volume terms, the market is expected to clock a CAGR of 6% between 2016 and 2024. The growth of the global logistics market is directly correlated to the development of international trade flow and the current global economic environment. (Source: PRNewswire, Deloitte)

The Company has an integrated logistics solutions provider with presence pan India, Nepal and with an operational set up in Bhutan and Bangladesh. The Company has capabilities in Part Truck Load (PTL) and rail logistics for all types of materials:

Indian logistics industry overview

The country's logistics industry was worth ~US\$160 billion during FY2017-18. In 2016, India was ranked 35th on the World Bank's Logistics Performance Index, moving up from the 54th spot in 2014. India spends ~14.4% of its GDP on logistics and transportation as compared to countries such as the US (9.5%) and Germany (8%). The Indian logistics industry provides employment to 22 million people and has been growing at a CAGR of 7.8% between 2013 and 2018. The result is that India's logistics sector now finds a place in the harmonized master list of the infrastructure sub-sectors. This inclusion is set to benefit the logistics industry by providing access to cheaper long-term credit. Such a move will also lead to simplification of the approval process for the construction of multimodal logistics parks.

Outlook

The Indian logistics sector is set to touch the US\$215-billion-mark in revenues by 2020, growing at a CAGR of 10.5%, following the implementation of GST. India expects to sustain exports growth. India intends to make a more efficient use of its coastline and river network (cost for coastal shipping is Rs.0.15-0.2 per tonne per kilometre compared to Rs.1.5 for railways and Rs.2.5 for roadways). Addressing these anomalies alone should lower logistics costs by Rs. 21,000-27,000 crore by 2025. India's logistics sector is expected to grow at 1-1.5x GDP growth and at a CAGR of 16% between 2016 and 2020. (Source: Financial Express, NITI Aayog)

Warehousing and storage segments

Containers: Total installed container capacity in India stood at 21 million twenty-foot equivalent units in 2017. Container handling at the non-major ports grew at a CAGR of 22% (2015-2017), outpacing growth at major ports. Container traffic grew at a CAGR of 9% (2015-17).

Cold storages: Cold storage capacity in India 2017 stood at 36.6 million tonnes across an area of 42.3 million square feet.

Challenges

In 2016, India was ranked 35th in The World Bank LPI Index, moving up from 54th in 2014. However, multiple challenges of infrastructure deficiency, lack of integration amongst stakeholders, lack of skilled manpower and slow adoption of technology affect its growth.

Who carries India's freight?	
Shipping	12 Major and 187 non-major ports handle about 95% of the country's foreign trade by volume and 70% by value Inland waterways carry only 0.15% of the cargo transported within India
Roads	3.83 million Km long, 2nd largest in the world Carries 85% of passenger traffic and 65% of freight
Railways	Carries about 1.1 billion tonnes of freight annually It accounts for 26% of total freight
Aviation	Air freight accounts for 2% of logistics movement in terms of volume, and 30% in terms of value
Warehousing	It accounts for 5% of Indian logistics market (excluding inventory carrying costs)

OPPORTUNITIES & EMERGING TRENDS

Emerging markets: With the rising awareness about the need of logistics in a country and how transport and logistics sector are fundamental to the development of a country, new market opportunities are emerging.

Infrastructure status: The Central Government granted infrastructure status to the logistics sector, enhancing access to infrastructure lending at easier terms with enhanced limits, larger amounts of funds as external commercial borrowings and longer tenure funds from insurance companies and pension funds.

Incoming investments: The country's transport and logistics sector took the third and fourth spots, respectively, with US\$528 million and US\$271 million in funding. The logistics startups received >US\$271 million funding across 18 deals in the first half of 2017.

E-commerce boom: E-commerce aims towards making life easier for people and making goods and services easily available and accessible to the masses.

Demonetization impact: The logistics sector comprised 80% players from the unorganized sector who were affected by demonetization. Thereafter, there was a paradigm shift with vendors and customers embracing digital ways of making payments resulting in better transparency, regulation and governance.

GST impact: The GST aims to remove the cascading effect of tax and unite everything under one single tax. India's logistics sector would gain the most from the goods and services tax as costs would fall by 20%. The average speed of freight transportation has increased from 20-25 kilometers per hour to 40 kilometres per hour. GST will make most transactions transparent and attract investments in warehousing, supply chain management and third party logistics. The introduction of E-way bill will ensure accountability and easier verification. Recording of every stock transfer and sale will be done through the system linkages to physical movement of trucks and storage in warehouses, enhancing transparency across transactions.

Technology adoption The Indian logistics sector is adopting new-age technologies (cold chain logistics, warehousing etc) and digitalization in addressing challenges. Digital transformation possesses the potential to have far-reaching payoffs for a leaner and smarter logistics by ensuring smoother interface among logistics stakeholders for seamless delivery. Digital transformation of the logistics sector could translate into value of US\$1500 billion for players in the logistics sector and an additional US\$2400 billion worth of societal benefits by 2025. (Source: World Economic forum report)

Government initiatives

Infrastructure status granted to logistics parks: In a bid to develop an integrated logistics framework in the country including industrial parks, cold chains and warehousing facilities, the Central Government has granted infrastructure status to the logistics sector, enabling the industry to access cheaper finances. The Central Government has defined 'logistics infrastructure' to include a multimodal logistics parks comprising inland container depots with a minimum investment of Rs.5000 lakhs and minimum area of 10 acres, a cold chain facility with a minimum investment of Rs.15 crore and minimum area of 20,000 square feet and a warehousing facility with a minimum investment of Rs.2500 lakhs and a minimum area of 100,000 square feet. (Source: ibef.org, Hindu Businessline, Livemint)

Digital India: The Central Government has doubled the budgetary allocation towards Digital India to Rs.3,07,300 lakhs. The Central Government will be encouraging investment, training, and skilling in robotics, digital manufacturing, big data analytics and IoT, led by the NITI Aayog, launching a nationwide programme in the realm of AI. These investments strongly will lend a boost to the logistics industry by catalysing the adoption of cutting-edge technologies.

Sagarmala: The Sagarmala project aims at doubling the share of seaways in the transport mix over the next decade by executing multiple projects related to the expansion and modernization of various ports.

E-way bill: The Central Board of Excise and Customs has released a revised draft policy on the generation of e-way bills. The Central Government has made amendments and relaxed conditions which will address concerns of logistics companies, express cargo companies and LTL operators. The Central Government targets to increase jobs in logistics sector to 40 million by 2019, from 22 million and bring down the logistics cost from 14% to 10% of the GDP. (Source: NITI aayog , Economics Times.)

Union Budget allocations: For the upcoming financial year, the Ministry of Civil Aviation, the Ministry of Railways, the Ministry of Road Transport and Highways, and the Ministry of Shipping have been collectively allocated approximately Rs.2.76 lakh crore — comprising 46.3 per cent of the total capital outlay on infrastructure. Of this, the Government has allocated approximately Rs.1.2 lakh crore for the Ministry of Road Transport and Highways, which comprises an investment of Rs.91,663 crore in National Highways Authority of India (NHAI) and Rs.29, 76,200 lakhs in roads and bridges. (Source: Economic Times, KPMG Report)

SAARC and SAFTA: Establishment SAPTA and SAFTA framework embarked the beginning of a dynamic association with a further stimulated intra-regional trade and integration. SAARC empowered the ease of trade among its members marked by reasonable tax rates and lenient policies towards each other. This has brought down the logistics costs and has helped in timely delivery of goods and services across the countries. Furthermore, this has promoted trade among the countries and accounted for growth in logistics industry for all the member countries characterized by free flow of goods and reasonable costs.

RISK MANAGEMENT AND CONCERNS

Internal Control Systems and their adequacy

The Company has an effective and reliable internal control system commensurate with the size of its operations which are constantly assessed. The efficacy of the internal checks and control systems is validated by internal as well as statutory auditors. The Audit Committee reviews the internal audit plan, adequacy and effectiveness of the internal control system. It also reviews functioning of the Whistle Blower mechanism and monitors the action taken on the cases reported. The Audit Committee of the Board of Directors, Statutory Auditors and the Business Heads are periodically apprised of the internal audit findings and corrective actions taken. To maintain its objectivity and independence, the Internal Audit function reports to the Chairman of the Audit Committee.

The company has in place adequate internal financial controls with reference to financial statements. During the year, such controls were tested and no reportable material weakness in the design or operation was observed

Risk Management

Your Company believes that managing risks helps in maximizing returns. The Company's approach to addressing business risks is comprehensive and includes periodic review of such risks and a framework for mitigating controls and reporting mechanism of such risks. The risk management framework is reviewed periodically by the Board and the Audit Committee.

The Company however faces the following risks:

- **Competition Risk:** This risk arises from more players wanting a share in the same pie. Like in most other industries, opportunity brings with itself competition. We face different levels of competition in each segment, from domestic as well as multinational players. However, NECC has established strong brand goodwill in the market and a strong foothold in the entire logistics value spectrum.
- **Regulatory Risk:** If we are unable to obtain required approvals and licenses in a timely manner, our business and operations may be adversely affected. However, the Government has come up with a number of initiatives to boost the logistics sector and has planned massive investments in the infrastructure sector. As all industry predictions suggest that this will be the trend in the future as well and given our own experience in obtaining such permissions, we do not expect this risk to affect us materially in the coming years.
- **Liability Risk:** This risk refers to our liability arising from any damage to cargo, equipment, life and third parties which may adversely affect our business. The Company attempts to mitigate this risk through contractual obligations and insurance policies.

As a diversified enterprise, your Company continues to focus on a system-based approach to business risk management. A strong and independent Internal Audit function at the corporate level carries out risk focused audits across all businesses, enabling identification of areas where risk management processes may need to be strengthened. Businesses are required to confirm periodically that all relevant risks have been identified, assessed, evaluated and that appropriate mitigation systems have been implemented. The Audit Committee is also updated on the effectiveness of your Company's risk management systems and policies.

Independent Auditor's Report

To
The Members of
North Eastern Carrying Corporation Limited

Report on the Financial Statements

We have audited the accompanying financial statements of **NORTH EASTERN CARRYING CORPORATION LIMITED** ("the Company") which comprise the Balance Sheet as at March 31, 2018, the Statement of Profit and Loss, Statement of changes in equity and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there-under.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2018, and its Profit and Changes in equity and its Cash Flow for the year ended on that date.

NORTH EASTERN CARRYING CORPORATION LIMITED

Annexure B to the Independent Auditor's Report of even date on the Financial Statements of North Eastern Carrying Corporation Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of North Eastern Carrying Corporation Limited ("the Company") as of March 31, 2018 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of

management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Auditor's Certificate:

The above Cash Flow Statement has been prepared under the Indirect method as set out in Indian Accounting Standard (IND AS-7). The amendments to Ind AS 7 requires the entities to provide disclosures that enable users of financial statements to evaluate changes in liabilities arising from financing activities, including both changes arising from cash flows and non-cash changes, suggesting inclusion of a reconciliation between the opening and closing balances in the Balance Sheet for liabilities arising from financing activities, to meet the disclosure requirement. The adoption of amendment did not have any material impact upon on the financial statements of the Company. Previous year figures have been re-grouped/re-arranged wherever considered necessary.

NORTH EASTERN CARRYING CORPORATION LIMITED
Notes to the financial statements for the year ended March 31, 2018

1. Corporate information

North Eastern Carrying Corporation Limited is a Limited Company incorporated under the provisions of the Companies Act, 1956. The company is engaged in the business of transportation.

2. Basis of preparation of Financial Statements

(i) Statement of compliance:

The financial statements of the Company for the year ended 31 March 2018 are prepared in all material aspects in accordance with Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Companies Act, 2013 read with Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 and relevant provisions of the Companies Act, 2013.

(ii) Basis of Preparation:

Effective April 1, 2017, the Company has adopted all the Ind AS standards and the adoption was carried out in accordance with Ind AS 101 First time adoption of Indian Accounting Standards, with April 1, 2016 as the transition date. The transition was carried out from Indian Accounting Principles generally accepted in India as prescribed under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (IGAAP), which was the previous GAAP.

(iii) Basis of Measurement

The financial statements have been prepared under the historical cost convention except for the following which have been measured at fair value:

- Financial assets and liabilities except borrowings carried at amortised cost

3. Significant accounting policies:

i) Property, plant and equipment:

Property, plant and equipment are stated at original cost net of tax /duty credit availed, less accumulated depreciation and accumulated impairment Losses, if any, Cost includes all incidental expenses relating to acquisition and installation of Property, plant and equipment.

Depreciation on computers and related equipment is provided on the written down value method except on Lorry & Trucks on which depreciation is provided on straight line method over their useful lives and in the manner prescribed under Schedule II of the Companies Act, 2013.

An Item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset is recognized in profit or loss.

The assets residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

ii) Cash and cash equivalents:

Cash and cash equivalents comprise cash on hand and demand deposits with banks which are short-term, highly liquid investments that are ready convertible into known amounts of cash and which are subject to insignificant risk of change in value.

iii) Employees Benefits:

a) Short term employee benefits

All employees' benefits payable wholly within twelve months rendering services are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives etc., and the expected cost of bonus, ex-gratia are recognised during the period in which the employee renders related service.

b) Post-employment benefits

The Company makes specified monthly contribution towards employee provident fund to the Government. The minimum interest payable by the Government to the beneficiaries every year is notified by the government.

The Company's gratuity scheme is a defined benefit plan. The present value of the obligation under such defined benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method, which recognises each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately

to build up the final obligation. The obligation is measured at the present value of the estimated future cash flows. The discount rates used for determining the present value of the obligation under defined benefit plans, is based on the market yields on Government securities as at the balance sheet date.

Termination benefits:

Termination benefits are recognised as an expense in the period in which they are incurred.

iv) Foreign currency transactions:

(a) Functional and presentation Currency

The Company's financial statements are presented in INR, which is also the Company's functional and presentation currency.

(b) Transaction and Balance

Exchange differences arising on foreign exchange transactions settled during the year are recognised in the Statement of profit and loss of the year.

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date are translated at the closing exchange rates on that date. The resultant exchange differences are recognised in the Statement of profit and loss.

Non-Monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transactions.

v) Revenue recognition:

Revenue is recognised to the extent that it is possible that the economic benefits will flow to the company and the revenue can be reliably measured.

vi) Provisions and contingencies

(a) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate of the amount of the obligation. Provisions are reviewed at each reporting period and are adjusted to reflect the current best estimate.

(b) Contingencies

A disclosure for contingent liability is made when there is possible obligation arising from past event the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle or a reliable estimate of the amount cannot be made.

A disclosure for contingent assets is also made when there is possibility of an inflow of economic benefits to the entity which arise from unplanned or other unexpected events.

Contingent liabilities and contingent assets are reviewed at each balance sheet date.

vii) Earnings per share:

Basic earnings per share are computed using the net profit for the year attributable to the shareholders' and weighted average number of shares outstanding during the year.

viii) Income Taxes:

Income tax comprises current tax (including MAT) and deferred tax. Income tax expenses is recognized in net profit in statement of Profit and loss extent to the extent that it relates to items recognised directly in other comprehensive income/equity, in which case it is recognized in other comprehensive income/equity.

Current Tax is the amount of tax payable on the estimated taxable income for the current year as per the provisions of Income Tax Act, 1961. Current tax asset and liabilities are offset when company has a legally enforceable right to set off the recognized amount and also intends to settle on net basis.

Deferred income tax assets and liabilities are recognised for deductible and taxable temporary difference arises between the tax bases of assets and liabilities and their carrying amount in the financial statement

Deferred tax assets are recognized for all deductible temporary differences to the extent that it is probable that sufficient taxable profit will be available against which those deductible temporary differences can be utilised. Deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognised deferred tax

assets are reassessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax is measured at the tax rates and tax law that have been enacted or substantively enacted by the balance sheet date and are expected to apply to taxable income in the year in which those temporary difference is expected to be recovered or settled.

ix) Financial instruments:

Initial measurement

Financial instrument is recognised as soon as the company become a party to the contractual provision of the instruments. All Financial assets and financial liabilities are measured at fair value on initial recognition, except for trade receivable which are initially measured at transaction price. Transaction cost that are directly attributable to the acquisition or issue of financial instrument (other than financial measured at fair value through profit or loss) are added or deducted from the value of the financial instrument, as appropriate, on initial recognition.

Financial Instrument stated as financial assets or financial liabilities are generally not offset, and they are only offset when a legal right to set off exist at that and settlement on a net basis is intended.

Subsequent measurement

Financial assets:

Subsequent measurement of financial assets depends on their classification as follows: -

(a) Financial asset carried at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within business model whose objective is to hold the asset in order to collect contractual cash flow and the contractual term of the asset give rise on specified dates to cash flow that are solely payment of principal and interest on the principal amount outstanding.

(b) Financial asset carried at Fair Value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flow and selling financial asset the contractual term of the asset give rise on specified dates to cash flow that are solely payment of principal and interest on the principal amount outstanding.

For all other equity instrument, the company make irrevocable election to present in other comprehensive income subsequent change in fair value. The company makes such election on an instrument- to- instrument basis.

(c) Financial asset carried at Fair Value through Profit and loss

A financial asset which is not classified in any of the above category is subsequently measured at fair value through profit and loss.

Financial liabilities and equity instruments:

Debts and equity instrument issued by a company are classified as either financial liabilities or as equity in accordance with the substance of the contractual arrangement and the definition of a financial liability and an equity instruments.

a) Equity Instruments

An equity instrument is any contract that an evidence and residual interest in the assets of the company after deducting all of its liabilities. Equity instruments issued by the company are recognized at the proceeds received, net of direct issue costs.

b) Financial Liabilities

All Financial liabilities are subsequently measured at amortised cost using the Effective interest method.

De-recognition of financial Instrument: -

A financial asset is primarily derecognized when the contractual right to the cash flow from the financial asset expires and it transfers the financial asset.

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

(x) Impairment

A) Financial Asset

The Company measures the expected credit loss associated with its assets based on historical trend, industry practices and the business environment in which the entity operates or any other appropriate basis. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

B) Non-Financial Asset

(a) Property, plant and equipment and Intangible asset

The carrying amounts of the Company's assets are reviewed at each balance sheet date to determine whether there is any indication of impairment. If any such indication exists, the assets' recoverable amount is estimated as higher of its net selling price and value in use. An impairment loss is recognized whenever the carrying amount of an asset or its cash generating unit exceeds its recoverable amount. Impairment losses are recognized in the statement of profit and loss.

An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined net of depreciation or amortization, had no impairment loss been recognized.

Post Impairment, depreciation/amortisation is provided on the revised carrying value of the impaired assets over its remaining useful life.

Critical accounting estimates, assumptions and judgments

In the process of applying the Company's accounting policies, management has made the following estimates, assumptions and judgments, which have significant effect on the amounts recognised in the financial statement. Uncertainty about these assumptions and estimates could result in outcome that require a material adjustment to assets or liabilities affected in future periods.

i) Property, plant and equipment

Property, Plant and equipment represent at proportion of the asset base of the company. The useful lives and residual value of the company's asset are determined by the management at the time the asset is acquired and reviewed at each reporting date.

ii) Income taxes

The Company's tax jurisdiction is India. Significant judgements are involved in estimating budgeted profits for the purpose of paying advance tax, determining the provision for income taxes, including amount expected to be paid/recovered for uncertain tax positions

iii) Contingencies

Management judgement is required for estimating the possible outflow of resources, if any, in respect of contingencies/claim/litigations against the Company as it is not possible to predict the outcome of pending matters with accuracy.

iv) Allowance for uncollected accounts receivable and advances

Trade receivables do not carry any interest and are stated at their normal value as reduced by appropriate allowances for estimated irrecoverable amounts. Individual trade receivables and advances are written off when management deems them not to be collectible. Impairment is made on the expected credit losses, which are the present value of the cash shortfall over the expected life of the financial assets.

v) Impairment of non-financial assets

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the assets's recoverable amount. An assets's recoverable amount is the higher of an assets's or CGU's fair value less costs of disposal and its value in use. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

vi) Impairment of financial assets

The impairment provisions for financial assets are based on assumptions about risk of default and expected loss rates. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

vii) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the Balance Sheet cannot be measured based on quoted prices in active markets, their fair value is measured using valuation techniques, including the discounted cash flow model, which involve various judgments and assumptions.
