Dear Shareholders,

On behalf of the Board of Directors of the Company, I welcome you all to the 5th Annual General Meeting of your Company 'SAB Events & Governance Now Media Limited'. The journey of five years has been tremendous with all your support and confidence in us.

This year, in the second quarter, the business suffered due to the external factors. Despite this, your company has continued to perform well, benefiting from its continuing delivery of high-quality editorial content and conferences.

Your company is taking further steps to improve the profitability and continued progress.

Performance highlights

This year has taken your publication 'Governance Now' again to new heights. It has created new benchmarks in the editorial foresight with critical policy and governance areas. Despite all the odds and fluctuations in the market, your Company has taken its magazine and conferences to the new milestone engaging the centre and state government and public sector actively involved with us. As we promised last year that we will take its conferences to the next level with new issues, formats, partnerships and experts associations with us. This year we have done new partnerships and alliances.

Corporate Governance is one of the critical areas where as a company we lay stress on and also to strengthen the economy, your company has created an exclusive platform to raise key issues and solutions for improving corporate governance along with the government of India.

Kailasnath Adhikari
Managing Director

Last year, Governance Now launched the PSU IT Casebook for the digital transformation of PSUs, which was launched by the key ministers and secretaries at the centre and well received by the Prime Minister of India, Shri Narendra Modi. Continuing this flagship initiative, we launched the second in the series- The Financial Inclusion Casebook. The Coffee-table book on models and ideas for fostering financial inclusion in the country featuring case studies of more than 40 banks and financial organisations. The book was well received by the BFSI stakeholders and central ministers and secretaries.

The prestigious award in its 5th year honoured the efforts of Public Sector Undertakings (PSUs) that have been key to India's overall economic growth of the country. Key ministers from centre felicitated the Public Sector Enterprises.

New Projects and Outlook:

In the current year, your Company will expand its footprints in the global markets through its conference and other initiatives. Additionally, I am pleased to share with you that your Company will also be venturing into new areas and one of which is 'Research' with a continued focus on our core strengths. The brand has now observing massive audience with the digital outreach initiative. The upcoming year has a lot to unfold which will be beneficial for your Company and, you.

On behalf of the Board of Directors and the Management, I would like to place on record your Company's sincere appreciation of the support extended by the partners, Central and State Government and their agencies, bankers and the continuing patronage and support of all stakeholders.

With warm regards,

Kailasnath Adhikari
Managing Director

MANAGEMENT DISCUSSION AND ANALYSIS

COMPANY OVERVIEW:

SAB Events & Governance Now Media Limited carried out the business of publication and MICE. 'Governance Now', the fortnightly magazine of the Company is a multi-media initiative for participatory reportage and analyses related to governance of all institutions and processes that are vital to public life in India. Our editorial team comprises of highly experienced senior journalists and guest writers from diverse disciplines and professional background. Currently, the magazines are also available on "www.governancenow.com" in the digital format.

INDIAN MACRO ECONOMICS SCENARIO

As per the advance estimates released by the Central Statistics Office, GDP growth at constant market prices for FY 2016-17 is placed at 7.1%, as against 7.6% in FY 2015-16. It is expected to return to normal in FY 2017-18, as adequate new currency notes fill the demand-supply gap in the markets, and follow-up actions to demonetisation take effect. It is likely that the Indian economy will register 6.75%-7.5% growth in F.Y. 2017-18.

India will remain the world's fastest-growing major economy despite demonetization. The Indian economy is expected to grow at 7.2 per cent in FY 2017-18, as per the forecast by the World Bank Report. The fundamentals of the Indian economy remain strong, with robust economic growth, strong fiscal consolidation, low current account deficit, higher agricultural output, growing FDI, low inflation and higher wages in rural areas. Goods and Services Tax (GST) is implemented in the second quarter of the fiscal year, and is expected to yield substantial growth dividends from higher efficiencies, and raise more revenues in the long term; it is also a bold new experiment in the governance of India's cooperative federalism.

INDUSTRY OVERVIEW:

The Indian Media and Entertainment (M&E) industry is a sunrise sector for the economy and is making high growth strides. Proving its resilience to the world, the Indian M&E industry is on the cusp of a strong phase of growth, backed by rising consumer demand and improving advertising revenues. Media content creation, access and consumption have gone through enormous changes and we expect the shifts to be more dramatic over the next five years.

The industry has been largely driven by increasing digitisation and higher internet usage over the last decade. Internet has almost become a mainstream media for entertainment for most of the people.

India's print media industry witnessed many ups and downs in 2016. On the positive side, while steady revival of the consumption cycle driven by good monsoons, the Seventh Pay Commission pay-out, and productive festive season boosted the industry, the currency reform of demonetisation countered this growth in the end of the year. As per the M&E Industry Report 2017 prepared by KPMG and FICCI, the Indian print media industry grew at a robust rate of 7.02%, from Rs. 283 billion in 2015 to Rs. 303 billion in 2016. It is expected to grow at a CAGR of 7.3% for the period CY 2016-2021. While print media's advertising revenue grew at 6.4% and reached Rs. 201 billion, its revenue from circulation grew at 8.4% and touched Rs. 102 billion. Of this, the dedicated revenue growth of the newspapers vertical stood at 7.8% to touch Rs. 290 billion.

Growth Outlook:

The Indian Print Industry has witnessed many ebbs and flows in 2016. While factors such as steady revival of the consumption cycle driven by better monsoons, the 7th Pay Commission Payout and productive festive season gave the industry much needed impetus, this growth was counterpoised by demonetization towards the end of the year. Digital Advertising is expected to continue to be the fastest growing advertising segment for the media industry in the foreseeable future. (Source: KPMG in India's analysis 2016-17).

The consistent growth of the Print Industry is a testament to the importance of small town and rural markets. Amidst competition from digital media, the Indian print industry, unlike its western counterparts, is growing on the back of demand from the Tier II and Tier III markets.

In 2016, magazine segment accounted for 4.4 percent of the India print industry as compared to 5.1 percent in 2015. The magazine segment continues to compete with other mediums as most of the content is always available on the television or internet. However, niche magazines continue to attract readers based on factors similar to those driving regional newspapers.

The increase in affluence and consumption levels in regional markets has been the key growth driver for print over the last decade. This trend is likely to sustain with increase in literacy as well as emergence of a younger generation that is more aspirational. This has attracted the attention of both advertisers as well as content creators across all media types – cinema, television, print, radio, etc.

Governance Now India Banking Reforms Conclave, 2017 14 July 2017 | Mumbai

In a complex and demanding scenario, banks must transform to deliver world class customer service, simplify operations, and execute a holistic strategy. Reform measures especially on governance have achieved traction and attained some level of maturity. The need of now is to accelerate this process on the lines as covered in various preceding points. Continuing with the journey, Governance Now 2nd India Banking Reforms, 2017 year deliberated on innovation and collaboration opportunities for banks to further financial inclusion in the country.

Governance Now Financial Inclusion Casebook 19 January 2018 | Mumbai

Governance Now launched its second casebook- The Financial Inclusion Casebook. With cash still being the preferred mode of transaction for a large section of Indians, there is a greater need to popularise the cashless transaction model in a big way. Financial inclusion is providing access to a wide range of financial services, not just bank accounts, at a reasonable cost to unbanked and under-banked. Under PMJDY, accounts have been opened but what about access to insurance, credit and pension facilities and channelling of all government benefits directly into the beneficiaries' bank accounts? Post demonetization there are many cashless models that have come for the fast-tracking cashless transaction in the country. But which is the best model to adopt? How should the bank go for digital inclusion to financially excluded segments? What are the most effective ways in creating awareness and giving access to financial services to them?

Governance Now 5th PSU Awards Summit – 27 February 2018 | New Delhi

At the Governance Now 5th PSU Awards, we built a holistic approach towards assessing the PSUs not just financially, but from their approach towards national goals as well. Importantly we used a broad framework set up by Moody's to assess the financial health, and a vastly evolved questionnaire to assess the intangible institution and nation building role of the PSUs. Innovations were carried out in the Financial Metrics as well as non Financial Metrics to bring out aspects of a PSU's journey that is not often necessarily assessed for private sector companies.

Governance Now Conclave on Corporate Governance 28 February 2018 | New Delhi

To strengthen corporate governance in the country, Governance Now has organised an interaction with Shri PP Chaudhary, Hon'ble Union Minister of State, Ministry of Law and Justice, and Corporate Affairs, Government of India. The last decade has seen multiple corporate meltdowns due to governance failure, which has affected the trust of the investors, and economy. In the panel discussion experts discussed the current challenges and solutions to reinforce the culture of good corporate governance, and regulations to reassure the effective implementation of policies and laws.

OPPORTUNITIES AND THREAT

Opportunities

Learning Curve: The immense experience of the promoters in the media industry has proved to be an added advantage in understanding the taste of audience and producing differentiated contents.

Digital, yet to Impact household leadership: While the youth population might have shifted to the digital media, the age group of 35 years and above still prefer a physical copy. Easy accessibility, door-to-door delivery, affordability, comfort, the habit of reading a physical copy etc. are some factors that have kept the print players afloat in this digital era.

Print Advertising: In the midst of all different types of technological innovations the print media still plays a vital role as many advertisers have begun to resort to print media to advertise their products as it directly reach the consumers.

Challenges and Threats

Digitization: internet penetration is bound to grow exponentially in the near future. Vast plethora's of channels are available at viewer's disposal which has given rise to increased competition. Across the world, the print industry is adapting itself to opportunities presented by digital disruption and resulting economic shifts.

Consistency: Consistency of content quality is essential to maintain targeted revenues.

Critical accounting policies

The principles of revenue recognition are as under:

The Company earns its revenue in the form of subscription, advertisement, distribution and sponsorship. Subscription Income is recognized on straight line basis over a period of subscription. Other revenues are recognized when related event occurs upto the reporting date.

Segment wise Performance

The Company is operating in single primary business segment i.e. Publication & MICE. Accordingly, no segment reporting as per Accounting Standard – 17 has been reported.

Internal Controls and Adequacy of those controls

Adequate systems of internal controls that commensurate with the size of operation and the nature of business of the Company have been implemented. Risks and controls are regularly viewed by senior and responsible officers of the company that assure strict adherence to budgets and effective use of resources. The internal control systems are implemented to safeguard Company's assets from unauthorized use or disposition, to provide constant check on cost structure, to provide financial and accounting controls and implement accounting standards.

Human Resources

Human capital is a very important asset in a media Company. The Company has built up a human resource structure, which has enabled the Company to grow and take up challenges. The Company has a qualified team of professionals.

As on 31st March, 2018, the Company had 31 permanent employees on its payroll.

Business Risks**Change in Consumer Preference Risks**

The Content published by the Company need not appeal the target audience always as the target audience preferences are bound to change. The level of creativity required for the audience targeted varies with the available options to the consumers.

Revenue Risks

The Company earns revenue by selling its published copies across India which is a combination of advertising and media content. Any change in the quality of the content or the ratio of advertisements vis-à-vis the article published in the magazine can affect the revenues generated from both.

Technological Risks

With broadband and smart phones penetrating the markets rapidly, there is an increase in usage of online availability of news and hence, the Company aims at improving the content displayed on its website [HYPERLINK "http://www.governancenow.com" www.governancenow.com](http://www.governancenow.com) and also on digital course as such YouTube to compete with other publication houses.

Regulatory Matters

The business may have a positive or a negative impact on the revenues in future due to changes in the regulatory framework and tax laws as compared to the current scenario. Management continuously monitors and makes efforts to arrest decline or adverse output on any of these factors.

Outlook

With the growing importance of digital media, e-magazines, smart phones and the convergence of media and technology, we are aiming at monetizing the Company's content through induction of emerging technology platforms and improvements, so as to offer next generation features on multiple-media including the digital media, web, smart phones, tablets, and other digital devices and e-commerce business. The Company is proactively planning to place its readers and advertisers at the cutting edge of technology.

The industry is undergoing transformation, driven by digital technologies, opportunities for further penetration of the billion strong markets, and an enabling regulatory framework. At the same time, it remains sensitive to the economic situation, and a lot will depend on its ability to manage the risks of continued shortage of skilled manpower, and ability to spur end user pricing across segments. The Company is proactively planning to place its readers and advertisers at the cutting edge of technology.

Cautionary Statement

Statements in the Management Discussion and Analysis Report describing the Company's objectives, projections, estimates, expectations may be "forward- looking statement" within the meaning of applicable securities laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting demand/ supply and price conditions in the domestic and overseas markets in which the Company operates, changes in the Government regulations, tax laws and other statutes and other incidental factors.

INDEPENDENT AUDITORS' REPORT

To,
**The Members,
SAB Events & Governance Now Media Limited**

Report on the Standalone Ind AS Financial Statements

We have audited the accompanying standalone Ind AS financial statements of SAB Events and Governance Now Media Limited ("the Company"), which comprise the Balance Sheet as at 31st March, 2018 the Statement of Profit and Loss (including Other Comprehensive Income), the statement of Cash Flows and the Statement of changes in equity for the year ended, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "standalone Ind AS financial statements")

Management's Responsibility for the Standalone Ind AS Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under Section 133 of the Act, Companies (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone Ind AS financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made there under.

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the standalone Ind AS financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the standalone Ind AS financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the standalone Ind AS financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the standalone Ind AS financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2018 and its loss, total comprehensive income, its cash flows and the changes in equity for the year ended on that date.

ANNEXURE B TO INDEPENDENT AUDITORS' REPORT

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of SAB Events and Governance Now Media Limited ("the Company") as of March 31, 2018 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2018, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

SIGNIFICANT ACCOUNTING POLICIES NOTES TO THE FINANCIAL STATEMENTS

1. Significant Accounting Policies

1.1 General

The financial statements of the Company comprising of Balance Sheet, Statement of Profit and Loss, Statement of changes in Equity and Cash Flow Statement together with the notes have been prepared in accordance with Indian Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015 ("Ind AS") as amended.

These financial statements for the year ended 31st March 2018 are the first financials with comparatives, prepared under Ind AS. For all previous periods including the year ended 31st March, 2017, the Company had prepared its financial statements in accordance with the accounting standards notified under the section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP).

The accounting policies are applied consistently to all the periods presented in the financial statements, including the preparation of the opening Ind AS Balance Sheet as at 1st April, 2016 being the date of transition to Ind AS. Reconciliations and descriptions of the effect of the transition have been summarized in Note no.30

These financial statements have been prepared and presented under the historical cost convention, on the accrual basis of accounting except for certain financial assets and liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies stated out below.

1.2 Use of Estimates

The preparation of financial statements requires management to exercise judgment in applying the Company's accounting policies. It also requires the use of estimates and assumptions that affect the reported amounts of assets, liabilities, income and expenses and the accompanying disclosures including disclosure of contingent liabilities. Actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis, with revisions recognised in the period in which the estimates are revised and in any future periods affected.

1.3 Provisions, contingent liabilities and Contingents Assets

A provision is recognized when the company has a present obligation as a result of past event and it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. If the effect of time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not require an outflow of resources embodying economic benefits or the amount of such obligation cannot be measured reliably. When there is a possible obligation or a present obligation in respect of which likelihood of outflow of resources embodying economic benefits is remote, no provision or disclosure is made.

Contingent assets are not recognised in the financial statements, however they are disclosed where the inflow of economic benefits is probable. When the realisation of income is virtually certain, then the related asset is no longer a contingent asset and is recognised as an asset.

1.4 Fixed Assets

Property, Plant and Equipment

Property, Plant and Equipment are stated at cost of acquisition as reduced by accumulated depreciation and impairment losses, if any. Cost comprises the purchase price and attributable cost for bringing the asset to its working condition for its intended use.

Intangible Assets

Intangible Fixed Assets are carried at cost less accumulated amortisation and impairment losses, if any. The Cost of

NOTES TO THE FINANCIAL STATEMENTS

intangible assets comprises of cost of purchase, production cost and any attributable expenditure on making the asset ready for its intended use.

1.5 Depreciation/Amortisation

Property, Plant and Equipment

Depreciation on Property, Plant and Equipment has been provided on a straight line basis based on the useful life as follows:

No.	Category	Estimated Useful Life
1	Computer	6 years
2	Furniture and Fixtures	10 Years
3	Plant and Machinery	15 Years
4	Vehicles	8 years

Intangible Fixed Assets

Software is amortised over a period of 3 years on pro-rata basis

Goodwill on Demerger

Goodwill on Demerger is amortised over a period of 10 years on pro-rata basis from the date of creation.

1.6 Revenue Recognition

The Company earns its revenue in the form of subscription, advertisement, distribution and sponsorship. Subscription Income is recognized on straight line basis over a period of subscription. Other revenues are recognised when the related event occurs.

1.7 Employee Benefits

Defined Benefit Plan

Long term Employee benefits for Defined benefit schemes, such as leave encashment and gratuity, are provided on the basis of actuarial valuation taken at the end of each year.

All expenses represented by current service cost, past service cost, if any, and net interest on the defined benefit liability/ (asset) are recognized in the Statement of Profit and Loss. Remeasurements of the net defined benefit liability/ (asset) comprising actuarial gains and losses (excluding interest on the net defined benefit liability/ (asset)) are recognised in Other Comprehensive Income (OCI). Such remeasurements are not reclassified to the statement of profit and loss, in the subsequent periods.

Other short-term employee benefits are charged to profit & loss account on accrual basis.

1.8 Borrowing Cost

Borrowings are initially recognised at net of transaction costs incurred and measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the EIR.

Preference shares, which are mandatorily redeemable on a specific date are classified as liabilities. The dividend on these preference shares is recognised as finance costs in the Statement of Profit and Loss.

Borrowing costs directly attributable to development of qualifying asset are capitalized till the date qualifying asset is

NOTES TO THE FINANCIAL STATEMENTS

ready for put to use for its intended purpose. All other Borrowing costs are recognized as expense and charged to profit & loss account.

1.9 Leases

Finance lease

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Operating Lease

Lease of assets under which all the risks and rewards of ownership are effectively retained by the lessor are classified as operating leases. Operating Lease payments / revenue are recognised on straight line basis over the lease period in the statement of profit and loss account unless increase is on account of inflation.

1.10 Financial Instruments

l) Financial Assets

a Initial recognition and measurement

All financial assets are initially recognized at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets, which are not at fair value through profit or loss, are adjusted to the fair value on initial recognition. Purchase and sale of financial assets are recognised using trade date accounting.

b Subsequent Measurement

Financial assets carried at amortised cost (AC)

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through other comprehensive income (FVTOCI)

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets at fair value through profit or loss (FVTPL)

A financial asset which is not classified in any of the above categories are measured at FVTPL.

d Impairment of financial assets

In accordance with Ind AS 109, the Company uses 'Expected Credit Loss' (ECL) model, for evaluating impairment of financial assets other than those measured at fair value through profit and loss (FVTPL).

Expected credit losses are measured through a loss allowance at an amount equal to:

- i) The 12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- ii) Full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument)

NOTES TO THE FINANCIAL STATEMENTS

For trade receivables Company applies 'simplified approach' which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company uses historical default rates to determine impairment loss on the portfolio of trade receivables. At every reporting date these historical default rates are reviewed and changes in the forward looking estimates are analysed.

For other assets, the Company uses 12 month ECL to provide for impairment loss where there is no significant increase in credit risk. If there is significant increase in credit risk full lifetime ECL is used.

e De-recognition of financial instruments

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109. A financial liability (or a part of a financial liability) is de-recognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

II) Financial Liabilities

a Initial Recognition and Measurement

All Financial Liabilities are recognized at fair value and in case of borrowings, net of directly attributable cost, Fee of recurring nature are directly recognized in the Statement of Profit and Loss as finance cost.

- b For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments.

1.11 Taxes on Income

Tax expense comprises both current and deferred taxes. Current Tax provision as per Income Tax Act, 1961, is made based on the tax liability computed after considering tax allowances and exemptions at the balance sheet date.

Deferred income taxes reflect the impact of current year timing differences between taxable income and accounting income for the year and reversal of timing differences of earlier years. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the balance sheet date.

Deferred tax asset is recognized only to the extent that there is reasonable certainty that sufficient future taxable income will be available against which such deferred tax assets can be realized. Deferred tax assets are recognized on carry forward of unabsorbed depreciation and tax losses only if there is virtual certainty that such deferred tax assets can be realized against future taxable profits.

The carrying amount of Deferred Tax Assets are reviewed at each balance sheet date and written down or written up, to reflect the amount that is reasonably / virtually certain, as the case may be, to be realized.

1.12 Earning Per Share

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period. For the purpose of calculation diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

1.13 Impairment of Assets

The carrying values of assets / cash generating units at each Balance Sheet date are reviewed for impairment. If any indication of impairment exists, the recoverable amount of such assets is estimated and impairment is recognised, if the carrying amount of these assets exceeds their recoverable amount. The recoverable amount is the greater of the net selling price and their value in use. Value in use is arrived at by discounting the future cash flows to their present value based on an appropriate discount factor.

NOTES TO THE FINANCIAL STATEMENTS

27 Fair Values

Set out below, is a comparison by class of the carrying amounts and fair value of the Company's financial instruments, other than those with carrying amounts that are reasonable approximations of fair values:

Particulars	Carrying Values			Fair Values		
	As at March 31, 2018	As at March 31, 2017	As at March 31, 2016	As at March 31, 2018	As at March 31, 2017	As at March 31, 2016
Financial Liabilities						
Borrowings	5,41,902	13,69,408	7,83,357	5,41,902	13,69,408	7,83,357
	5,41,902	13,69,408	7,83,357	5,41,902	13,69,408	7,83,357

The management assessed that fair value of cash and cash equivalents, trade receivables, other financial assets, trade payables and other financial liabilities approximate their carrying amounts largely due to the short-term maturities of these instruments.

28 Financial Risk Management

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risks and credit risk. The Company's senior management has the overall responsibility for establishing and governing the Company's risk management framework. The Company has constituted a core Management Committee, which is responsible for developing and monitoring the Company's risk management policies. The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review the changes in market conditions and reflect the changes in the policy accordingly. The key risks and mitigating actions are also placed before the Audit Committee of the Company.

A) Liquidity risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities when due without incurring unacceptable losses.

The Company maintained a cautious liquidity strategy, with a positive cash balance throughout the year ended 31st March, 2018 and 31st March, 2017. Cash flow from operating activities provides the funds to service the financial liabilities on a day-to-day basis. The Company regularly monitors the rolling forecasts to ensure it has sufficient cash on an on-going basis to meet operational needs. Any short term surplus cash generated, over and above the amount required for working capital management and other operational requirements, is retained as cash and cash equivalents (to the extent required) and any excess is invested in interest bearing term deposits and other highly marketable debt investments with appropriate maturities to optimise the cash returns on investments while ensuring sufficient liquidity to meet its liabilities.

B) Market Risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk. Financial instruments affected by market risk include loans and borrowings and deposits.

Interest Rate Risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. This risk exist mainly on account of borrowings of the Company. However, all these borrowings are at fixed interest rate and hence the exposure to change in interest rate is insignificant.

NOTES TO THE FINANCIAL STATEMENTS

Foreign Currency Risk

Foreign currency risk is the risk that the fair value or future cash flows of an exposure will fluctuate because of changes in foreign exchange rates. The Company is not exposed to significant foreign currency risk as at the respective reporting dates.

C) Credit Risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities (primarily trade receivables) and other financial assets.

I) Trade Receivables

Customer credit risk is managed by each business unit subject to the Company's established policy, procedures and control relating to customer credit risk management. An impairment analysis is performed at each reporting date on an individual basis for major trade receivables.

II) Other Financial Assets

Credit risk from balances with banks and financial institutions is managed by the Company in accordance with the Company's policy.

D) Excessive Risk Concentration

Concentrations arise when a number of counterparties are engaged in similar business activities, or activities in the same geographical region, or have economic features that would cause their ability to meet contractual obligations to be similarly affected by changes in economic, political or other conditions. Concentrations indicate the relative sensitivity of the Company's performance to developments affecting a particular industry.

In order to avoid excessive concentrations of risk, the Company's policies and procedures include specific guidelines to focus on the maintenance of a diversified portfolio. Identified concentrations of credit risks are controlled and managed accordingly.

29 First Time Adoption of Ind AS

The Company has adopted Indian Accounting Standards (Ind AS) as notified by the Ministry of Corporate Affairs with effect from 1st April, 2017, with a transiting date of 1st April, 2016. These financial statements for the year ended 31st March, 2018 are the first financial statements the Company has prepared its financial statements in accordance with the accounting standards notified under the section 133 of the Companies Act, 2013, read together with rule 7 of the Companies (Accounts) Rules, 2014 (Previous GAAP)

The Company has prepared opening Balance Sheet as per Ind AS as of 1st April, 2016 (transition date) by recognizing all assets and liabilities whose recognition is required by Ind AS, derecognizing items of assets or liabilities which are not permitted to be recognised by Ind AS, reclassifying items from Previous GAAP to Ind AS as required, and applying Ind AS to measure the recognised assets and liabilities. The optional exemptions availed by the Company under Ind AS 101 is as follows:

I) Business Combination

The Company has elected to apply Ind AS 103 Business Combinations prospectively from 1 April, 2016

II) Deemed cost of property, plant and equipment

The Company has elected to continue with the carrying value determined in accordance with Previous GAAP for all of its property, plant and equipment recognised as of 1st April, 2016 (transition date) and use that carrying value as deemed cost of such assets as of transiting date.

NOTES TO THE FINANCIAL STATEMENTS

III) Estimates

An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies), unless there is objective evidence that those estimates were in error.

IV) Classification and measurement of financial assets

Ind AS 101 requires an entity to assess classification and measurement of financial assets (investment in debt instruments) on the basis of the facts and circumstances that exist at the date of transition to Ind AS.

30 First Time Ind AS adoption Reconciliations

For all periods upto and including the year ended 31 March 2016, the Company had prepared its financial statements in accordance with the Accounting Standards notified under Section 133 of the Companies Act, 2013, read together with Rule 7 of the Companies (Accounts) Rules, 2014 (Previous GAAP). This note explains the principal adjustments made by the Company in restating its financial statements prepared under Previous GAAP.
