"SREI HAS STRONGLY WITHSTOOD THE STORMS AND IS WELL ENSCONCED IN ITS RE-ENGINEERED FINANCING ACTIVITIES"

HEMANT KANORIA

Chairman

Dear Shareholders

The year under review has been a very challenging one for the Non Banking Financial Sector in India, especially after the IL&FS episode in September 2018. The infrastructure sector in India has also been facing challenging times. But, your Company has strongly withstood the storms and is well ensconced in its re-engineered financing activities. The Indian economy has slowed down in comparison to the previous years and also there has been a slowdown globally. The General Elections in India just got over, and the National Democratic Alliance (NDA) government is back with a stronger mandate for the next five years which, we all hope, will enable them to build a stronger India in all respects.

Economy and business outlook

During the year under review, protectionism has been on the rise across the globe. Most developed nations are finding it increasingly difficult to propel growth. On top of that, the tariff-related trade tension between the two largest economies has only added to the sense of

uncertainty. Until and unless the leaders of these two super-powers sit across the table to iron out the issues, any escalation in their trade conflict can have far reaching impact on other economies and can drag down global growth further. In fact, the US has not restricted its tariff war against China only, several other trade partners, including India, are now being targeted. This can have a major impact on commodity prices as well. With international funding agencies like the World Bank and International Monetary Fund forecasting slower growth in this year and the next, the only positive fallout from this is perhaps the change in stance amongst the central banks in the developed nations. While they had earlier embarked on a process of unwinding their monetary expansion programmes, the recent developments have made them to pause.

On the domestic front, a marked slowdown is visible in capital goods formation and the manufacturing sector. Lower economic activity is getting reflected in lower tax collections as well. The government, sensing the seriousness of the situation, has

USD **64.4** bn
Total FDI recorded in India
during 2018-19

Rs. **487** cr
Srei's net profit in
2018-19

already initiated discussions with the various stakeholders and we expect swift action to address all the concern areas. An infrastructure-led pump-priming of the economy looks very much on the cards. Right now, creating employment is one of the top priorities for the government, and there can be no better way to do this than by stepping up infrastructure creation. Jobs for the semi-skilled and unskilled people will be created in large numbers.

During the year under review, the sheen on the India Growth Story remained intact. India once again moved up in the World Bank's 'Ease of Doing Business' survey. Progress on the Insolvency & Bankruptcy Code (IBC) has been slower than expected, but it has nonetheless ushered in a healthy credit culture, and this will reap rich dividends in terms of attracting more investments to India. The roll-out of the Goods & Services Tax (GST) has considerably expanded the tax base, formalised larger segments of the economy and heralded a transparent way of doing business. Further rationalisation of the GST tax rates will provide a huge boost to entrepreneurship.

The cumulative impact of all these has been India's rising appeal as an investment destination amidst a scenario of global slowdown. India recorded a total FDI (equity +

re-invested earnings + other capital) of USD 64.4 billion during the year under review, up from USD 61 billion in 2017-18. For the first time, India's total exports (goods and services combined) surpassed the USD 500 billion mark. With a foreign exchange reserve of more than USD 420 billion, India is prepared to weather any probable global turbulence.

The Union Budget 2019-20, to be presented in July, is likely to provide clarity on the direction of reforms that this government will undertake. If the Interim Budget 2019-20 was any indication, we feel this government will focus more on the social sector and, in particular, will aim to uplift the standard of living of the rural masses. Going forward, we foresee a major push in the construction of roads and highways and rural infrastructure. The forecast of a near-normal monsoon and government's steps to spur the rural economy will trigger brisk activity in the agrarian sector.

Company outlook

During the year under review, your Company posted a consolidated income of Rs. 6,470 crore (an increase of 20 per cent over last fiscal's Rs. 5,400 crore) and registered a net profit of Rs. 487 crore (a 29 per cent jump over last year's Rs. 377 crore). Your Company's consolidated disbursements stood at

It was a strategic move on part of the management to go slow on disbursements and to focus more on the credit quality. This conservative approach has rewarded us.

Rs. 21,229 crore, marginally below last year's figure. The consolidated shareholders' fund of your Company stood at Rs. 4,111 crore, while the consolidated assets under management stood at Rs. 47,070 crore. Thus, clearly your Company's performance has remained strong during the year under review.

It is worth noting that the second half of the year under review has been quite challenging. The NBFC sector faced a severe liquidity shortage in the aftermath of the IL&FS episode in September 2018. The flow of funds to NBFCs dried up from institutional sources. However, your Company, because of its prudent risk management practices and foresight, has weathered this crisis well. It was a strategic move on part of the management to go slow on disbursements and to focus more on the credit quality. This conservative approach has rewarded us. While there was some marginal fall in our disbursements and in the assets under management, the growth in income and net profit remained firmly on track. It is also worth noting that your Company is now the only one in its category which is still standing tall. Our sound business model has helped us withstand many a systemic shock in the last 30 years and every time we emerged stronger. This time too it will be no different.

Reserve Bank of India (RBI) acted proactively and introduced a number of steps to help the NBFC sector to deal with the liquidity situation. One such step has enabled your Company to undertake co-lending with banks. This will work out to be a win-win situation for us and our bank-partners. While the banks will provide the bulk of funds for co-lending, we will add value with our excellence in management of economically productive assets. Thus, co-lending will allow your Company to bring down the leverage on the balance sheet and at the same time bring down our cost of capital. From here onwards, we are headed for a more volume-driven game with a focus on improving the return on equity. So far, your Company has tied up with five public sector banks.

Taking note of the fact that technology will be the defining factor behind one's competitiveness in the digital age, the management of your Company has been extensively investing in technology. The Company has built resilient operations and embraced digitalisation. An interactive platform has been introduced which has received encouraging response from our customers and vendor partners. To ensure that digitalisation plays an integral part in our future innovations, your Company is also investing in training to create a smart, future-ready workforce.

The management is also keenly following the developments on the IBC front as we expect several brownfield investment opportunities to open up there. Your Company, with its expertise, experience and skill-sets, is well placed to provide turn around support to some of the stressed infrastructure projects that are under the IBC resolution process.

The Indian economy, despite some signs of stress, is still growing faster than most major economies. Thus, the prospects for your Company remain bright. Equipped with the resources, processes, manpower, technology, and more importantly the experience and expertise gained over the years, your Company is keen to scale new heights in the infrastructure space. We look forward to receiving your continued support in this exciting journey ahead.

Thank you.

HEMANT KANORIA
Chairman

INFRASTRUCTURE IS A LONG-TERM GAME AND LONG-TERM SUSTAINABILITY NEEDS TO BE DERIVED FROM A ROBUST YET-SCALABLE BUSINESS MODEL.

SUNIL KANORIA

Vice Chairman

MESSAGE FROM THE VICE CHAIRMAN

Why India needs infrastructure investment...**1.6**^{bn}

India's expected population, 2040

50%

of India's population will be residing in urban areas, 2030

4.5%

India's GDP 'loss' on account of inadequate infrastructure

3rd

Global size of Indian construction market, 2022

How would you appraise the Company's performance during FY2018-19?

The year under review was one of the most challenging for Srei. In the aftermath of the NBFC crisis that unfolded across India's financial system in September 2018, access to funds virtually disappeared. The result is that consolidated disbursement declined by 23 per cent during second half of the year as against the growth of 13 per cent during the first half compared to corresponding periods of the previous year. In the challenging environment, the Company focused on enhancing liquidity and business sustainability.

This also impacted the Company's performance during the second half of the year. While consolidated total income and PAT grew by 28 per cent and 66 per cent respectively in the first half of the year over the corresponding period in the previous financial year, there was a slowdown in the second half. The Company's topline grew only by 13 per cent and bottomline grew only by 5 per cent during the second half of the year compared to corresponding period of the previous year. However, we still managed a positive growth in net profit for the entire year.

Q: How did the change in scenario affected the Company's fundamentals?

Over the last three decades, we successfully negotiated a number of sectoral downturns on the back of strong fundamentals and focused

approach. The result is that we emerged stronger each time.

For a quick re-cap, in the late

Nineties, NBFC sector growth came to a halt when the sector experienced a shakeout. Srei had responded successfully to this challenge by strengthening its fundamentals seeking global resources. During this toughest phase in the sector's history, the Company responded with speed and aligned its business model in line with the government's development goals and with complete regulatory compliances.

The challenges that the Company is

now facing are different. There is a liquidity crunch, which should not be confused with a solvency challenge. One window of funding may have closed, but the government and regulator, well aware of the problems, intervened proactively to allow NBFCs to enter the co-lending business through a partnership with banks.

The macro-fundamentals remain

strong; the country also now has a strong and stable government re-elected with an overwhelming majority. This indicates that the economy will continue to grow and co-lending will help players like our Company grow our business.

The Company's competence lies in

the management of economically productive assets, and this is the value-addition that we bring to the co-lending exercise, while banks will provide the bulk of funds. Besides, co-lending will allow the Company to moderate the leverage on our Balance Sheet and our cost of capital – a win-win for the Company and the banks. This secure volume-driven approach will strengthen Return on Equity and business sustainability in the coming years.

The Company is also focused on

enhancing the revenue mix where securitisation and co-lending will play a prominent role. In the post-

1997

Srei mobilized funds through international financial institutions

GST environment, leasing will be a key driver in fresh asset creation; the Company is equipped to promote leasing. The message that I need to send out is that the Company is making a greater use of tools to address prevailing realities, entering co-partnering and co-lending programmes, while leveraging securitisation and other solutions.

The result is that we are optimistic of riding through this downtrend as well. On the overall, the Company will continue to build on its strengths to reinforce our position as the country's only pure-play infrastructure financing NBFC.

Q: Why is India's infrastructure sector likely to grow faster?

Although there has been a slowdown in infrastructure investments in the last couple of years, this could be transitory. The strong mandate for the government implies government spending on infrastructure will revive and one can foresee a number of EPC projects in the second successive term of this government.

There are compelling reasons why sustained investments need to be made in Indian infrastructure.

One, India is still largely an under-invested country from an infrastructural perspective. A simple

comparison with the quality and quantum of infrastructure in China indicates how much we still need to cover to achieve a world-class infrastructure standard. This highlights years of sizable investments still to be made.

Two, the question is not just of investments in infrastructure, but of a larger issue of making India globally competitive so that India's low cost manufacturing base can be fully leveraged. It is an open fact that India's infrastructure disadvantage – in terms of relatively low scale and correspondingly high cost – will need to be structurally corrected. In view of this, we believe that increased infrastructure investment is inseparable from India's growth ambitions.

Three, Prime Minister Narendra Modi has set an ambitious target of USD 5 trillion GDP by 2024, from USD 2.7 trillion now. This calls for a commensurate addition to the carrying capacity of our infrastructure.

Each of these realities indicates that the kind of growth that we have seen in the last 30 years is nothing compared to the kind of opportunity that awaits us in the coming years.

What is the size of opportunity that India is looking at?

We, infrastructure professionals, follow a simple formula – if a country's GDP grows at x per cent annually, infrastructure investments need to grow 2x per cent to ensure that the growth momentum sustains. Even if India reports annual GDP growth rate of 6.5-7.0 per cent, we need to grow infrastructure investments by 13-14 per cent annually. Thus, for the world's fastest growing major economy, the infrastructure sector is also likely to grow faster than in any other country.

According to government estimates, infrastructural investments worth USD 4.5 trillion will be needed in investments till 2040 across roads, airports, ports, Smart Cities and affordable housing projects, among others. This could create a powerful ripple in terms of secondary investments, catalysing the growth of the Indian economy.

Keeping these figures in mind, we need to plan for the long-term and configure a corresponding organisational structure and business model to graduate Srei to the next level.

How has Srei stayed relevant in a challenging sector?

We recognise that infrastructure is a long-term game with occasional macroeconomic shocks. In this business, long-term sustainability needs to be derived from a robust-yet-scalable business model that can adapt to economic transitions and respond to sectoral opportunities. The operative words are 'agility' and 'innovation'.

At Srei, we have been fortunate in building a team of experienced professionals whose deep domain knowledge and rich market experience have helped us continuously to innovate in the infrastructure financing space. Our ability to adapt with speed and transform challenges into opportunities has protected our relevance .

How has Srei persisted when a number of its peers have perished?

We believe that the one reason why most infrastructure financing players failed in this sector was a lack of focus. Infrastructure creation is time-consuming with specific risks attached. Across its lifetime of use, the infrastructure property passes through various economic cycles, which warrants patient long-term investing. We have always been patient without losing focus. Besides, we have been fairly conservative in our approach, strengthening our sustainability. .

Srei has consistently been a pure-play infrastructure player across three decades. By focusing on enhancing process efficiency on the one hand and effective risk management on the other, Srei has successfully withstood a number of challenges and emerged stronger.

Has there been any learning for the Company from the recent crisis?

If there is one take-home from the recent crisis, it is that we need to be additionally vigilant in matching our assets with liabilities (a key reason why most players faltered). The result is that even as the market grappled with liquidity issues, Srei continued to repay its liabilities and kept exploring diverse funding sources (PSU banks, external commercial borrowings, bonds and a probable Masala Bond mobilisation).

How bright are prospects in the equipment financing business?

The business reported a commendable performance in the first half of the year owing to a strong investment sentiment. However, as the momentum slowed thereafter, the business was affected by a large scarcity of funds.

We continued to be India's leading player in the construction, mining and allied equipment financing spaces. We continued to enjoy longstanding relationships with major OEMs, strengthening our access to the financing of world-class equipment, which will be needed to shrink construction cycles and enhance site safety. We continued to protect our large customer base, which we believe should enable us to carve out a larger wallet share across the foreseeable future when these customers intend to buy new equipment.

The i-Quippo platform that we partnered leverages technology to enhance the digital edge in our equipment financing business. The interactive nature of this platform and the ease of transaction received an encouraging response from our customers and vendor partners. Going forward, i-Quippo will be a crucial cog in our equipment financing business as digitisation plays a major role in our innovation-driven journey.

What are your plans to generate long-term growth?

We expect our business to take two or three quarters to stabilise before we return to our normalised growth journey. This year will be a year of transition at Srei and we continue to strengthen our processes and redefine our business model, enhancing positive changes for our customers, stakeholders and employees . This could strengthen our preparedness for the long-term.

In the medium to long-term, given the risk quotient within the economy and incidence of Black Swan events, we intend to create a leaner Balance Sheet on the one hand and enhance profitability (Return on Equity) on the other. We will pay deeper attention to revenue and business quality .

In the area of project financing, we will venture more cautiously. Banking on our expertise, we will focus on advisory services. We will explore resolutions for stressed assets. In partnership with other financial institutions and without assuming a larger risk on our Balance Sheet, we will seek to provide innovative financing solutions for infrastructure players. Deleveraging the Balance Sheet and de-risking the business model will be a part of our long-term growth plan.

DIRECTORS' PROFILE

Mr. Hemant Kanoria

Chairman

He holds a bachelor's degree in commerce from the University of Calcutta and has over 39 years of experience in industry, trade and financial services. He is currently serving as Board Member in the Indian Institute of Information Technology, Guwahati, Neotia University and New Delhi Institute of Management and is a member of the advisory board of the Calcutta Business School. He has held several prestigious positions like President of Calcutta Chamber of Commerce, Chairman of the FICCI National Committee on Infrastructure and has served on the Board of Governors of Indian Institute of Management, Calcutta (IIM-C) besides being a past Member of the Regional Direct Taxes Advisory Committee, Government of India.

Mr. Sunil Kanoria

Vice Chairman, Non-Executive Director

He is a chartered accountant with more than 29 years of experience in the financial services industry. He has been the president of the Associated Chambers of Commerce & Industry of India, a former governing body member of the Construction Industry Development Council and is presently a council member of the Institute of Chartered Accountants of India. He is also presently the honorary consul of Spain in Kolkata, with jurisdiction over the State of West Bengal.

Mr. Srinivasachari Rajagopal

Non-Executive & Independent Director

Mr. Srinivasachari Rajagopal has over 41 years of experience in the Banking industry. Mr. Rajagopal is the past Chairman & Managing Director of Bank of India and Indian Bank and has immensely contributed to the Banking and Financial Sector. Having been on the Board of various Corporates and Development Funds in India and abroad, Mr. Rajagopal has in-depth knowledge of Commerce, Industry, Finance and Insurance. Mr. Rajagopal is also an Advocate with specialisation in company matters. Mr. Rajagopal holds Master's Degree in Economics, Degrees in Commerce and Law besides professional qualification from the Indian Institute of Banking and Finance. He is also closely associated with Academics. He was a member of the governing bodies of the Madras School of Economics and Court of Banaras Hindu University.

Mr. Shyamalendu Chatterjee

Non-Executive & Independent Director

A seasoned professional, Mr. Chatterjee has over 45 years of experience in Retail, Commercial, Investment Banking and NBFC. Associated with the State Bank of India for 26 years, he has extensive exposure in the area of International Banking at SBI, London and as the Chief Representative in Washington DC having worked closely with IFC, World Bank and IMF. He was the Executive Director with Axis Bank (formerly UTI Bank) wherein he was instrumental in developing the bank's business model and strong business processes enabling it to evolve into a leading player in the industry. He has been associated with Srei in various capacities for developing business, audit, compliance, HR & IT processes as well as risk management. In addition, he has also served as a Member of the Board of Directors of Nabil Bank, Nepal.

Dr. Punita Kumar Sinha

Non-Executive & Independent Director

Dr. Punita Kumar Sinha has focused on investment management and financial markets during her 27 years plus career. She spearheaded some of the first foreign investments into the Indian equity markets in the early 1990s. Currently, she is the Founder and Managing Partner, Pacific Paradigm Advisors, an independent investment advisory and management firm focused on Asia. She is also a Senior Advisor and serves as an Independent Director for several companies. She is also on the Board of Governors of CFA Institute, USA. Prior to founding Pacific Paradigm Advisors, she was a Senior Managing Director of Blackstone and the Chief Investment Officer of Blackstone Asia Advisors. She is a Doctorate from the Wharton School of University of Pennsylvania. She received her undergraduate degree in chemical engineering with distinction from the Indian Institute of Technology, New Delhi. She is an MBA and also a CFA charter holder. She is a Charter Member and was a Board Member of TIE-Boston. She has been awarded the Distinguished Alumni Award from IIT Delhi. She was also awarded the Best Woman Director 2016 from the Centre of Corporate Governance & Sustainability.

Mr. Ram Krishna Agarwal

Non-Executive & Independent Director

Mr. Ram Krishna Agarwal has over 40 years of experience in various fields like Audit, Taxation, Company Law, Consultancy etc. He has been a Partner with S. R. Batliboi & Co. (Member firm of Ernst & Young in India) since 1978 and was the Managing Partner of the Firm at the time of his retirement in June, 2013. Mr. Agarwal is the past President of The Institute of Internal Auditors, India and was a member of the Central Council of The Institute of Chartered Accountants of India during 1991-97. Mr. Agarwal is connected with various Chambers of Commerce as the Committee Chairman / Executive Committee member, permanent invitee etc. and is a past Chairman of CII (Eastern Region). He was the National Chairman of Direct Tax Sub - Committee of CII in the year 2013-14.

Mr. Malay Mukherjee

Non-Executive & Independent Director

Mr. Mukherjee has over 40 years of experience in the field of Banking and NBFC including Venture Funding, Factoring and Broking. He was the Chief Executive Officer and Managing Director of IFCI Limited and was responsible for the growth and development of the business of IFCI. He also held the position of Chairman in various group Companies of IFCI Limited. As an Executive Director at the Central Bank of India, he looked after portfolios such as Credit, HR, General Administration, IT, Corporate Communications, Publicity, Marketing, Client coverage and New Initiatives. Further, being associated with Indian Bank for 36 years he accrued wide field exposure, having worked in various branches, regions and zones including Assam, Bihar, West Bengal, Karnataka, Maharashtra, Gujarat and New Delhi. He has been the past Chairman of Board of Governors of Management Development Institute (MDI) and Chairman of Institute of Leadership Development, Jaipur. Additionally, he was also a member of the Governing Body of Entrepreneurship Development Institute of India (EDII), Ahmedabad.

Mr. Balaji Viswanathan Swaminathan

Additional Director (Category – Non-Executive & Non-Independent)

Mr. Balaji Swaminathan is a Bachelor of Commerce from St. Xavier's College. Further, he is a Chartered Accountant, Cost & Works Accountant and an alumnus of Harvard Business School. Mr. Swaminathan's professional career spans three decades in various leadership roles in the domain of finance and consultancy. Having played a key role in establishing global consultancy firm KPMG's presence in India, he was actively involved in the listing of various Indian companies on US stock exchanges. As the CFO of ICICI Bank, he had been instrumental in overseeing the merger of ICICI Bank with ICICI Ltd. As head of the corporate banking of ICICI Bank, he spearheaded the bank's transformation from a project finance institution to a commercial bank. Mr. Swaminathan's subsequent stints at Standard Chartered Bank and Bank of America saw him getting active in corporate and investment banking which resulted in expanding the client base of these institutions across geographies in South and South East Asia. As President - International at Westpac Banking Corp. Asia, Mr. Swaminathan has overseen the Bank's footprint expansion across Asia and global markets like Europe and America. In addition, Mr. Swaminathan has been advising different companies across multiple sectors in various capacities. Mr. Swaminathan has also previously served on various boards including JSW Steel Ltd., McLeod Russel India Ltd., Firstsource Solutions Limited etc. He is a Board Mentor to Critical Eye, a US based organization.

Dr. Tamali Sengupta

Additional Director (Category – Non-Executive & Independent)

Dr. Tamali Sengupta has over 32 years of experience in the legal field and is a specialist in transnational legal transactions in media, real estate development, insurance and infrastructure. She is a widely published author and is a Fellow of the Centre of International Legal Studies at Salzburg. She is the Principal of T. Sen Gupta & Associates, a corporate law practice based in New Delhi, which provides advice on corporate law, entertainment law, intellectual property, insurance, project finance, corporate governance and privatization. She also has extensive experience in international joint-ventures, collaboration and licensing agreements, mergers and acquisitions. She has represented Indian companies in joint-ventures overseas and in relation to joint-ventures in India with multinational corporations. Dr. Sengupta has extensive experience in the structure of projects implemented under Project Finance and on foreign participation in the privatization of infrastructure. Sectors worked on include roadways, railways, ports, power and township development, both in India and overseas. She has wide experience in negotiations and drafting documents for privatization projects and has dealt with various forms of contractual agreements for project finance, including inter alia, Concession agreements (BOT, BOOT, BOLT) as well as EPC & O&M Contracts.

DIRECTORS' REPORT

Dear members

Your Directors are pleased to present the Thirty-Fourth Annual Report together with the Audited Accounts of your Company for the financial year ended March 31, 2019. The summarised consolidated and standalone financial performance of your Company is as follows:

FINANCIAL SUMMARY & STATE OF COMPANY AFFAIRS

(Rupees in Lacs)

	Consolidated		Standalone	
	Year ended 31st March, 2019	Year ended 31st March, 2018	Year ended 31st March, 2019	Year ended 31st March, 2018
Total Income	6,46,970	5,39,965	1,88,957	1,90,228
Total Expenses (including impairment on financial instruments, depreciation, etc.)	5,88,267	4,82,355	1,76,696	1,77,400
Profit Before Exceptional Items & Tax	58,703	57,610	12,261	12,828
Exceptional Items	-	-	-	-
Adjustment on disposal /cessation of Subsidiaries and Associate	8,085	33	-	-
Profit Before Tax	66,788	57,643	12,261	12,828
Current Tax	15,158	15,523	-	7,226
Deferred Tax	2,924	2,843	2,794	(3,440)
Profit After Tax but before Loss of Associate	48,706	39,277	9,467	9,042
Share of Profit/ (Loss) of Associate	(28)	(1,548)	-	-
Profit After Tax before adjusting Minority Interest	48,678	37,729	9,467	9,042
Non-Controlling Interest	(7)	(28)	-	-
Profit After Tax after adjusting Minority Interest	48,685	37,757	9,467	9,042
Surplus brought forward from previous year (Retained Earnings)	(1,19,015)	(1,37,354)	11,577	14,231
Other Comprehensive Income (net of tax)	(18)	645	(23)	92
Profit Available for Appropriation	(70,348)	(98,952)	21,021	23,365
Paid up Equity Share Capital	50,324	50,324	50,324	50,324
Amount transferred to Reserves	10,391	17,030	2,445	8,761
Other Equity excluding Revaluation Reserves	3,60,793	3,30,177	2,48,384	2,57,654
Earning Per Share (Rs.)	9.68	7.50	1.88	1.80

Note: The above figures are extracted from the standalone and consolidated financial statements for the financial year ended on March 31, 2019

OPERATIONAL REVIEW

Your Company is one of the leading private sector infrastructure financing institutions in India. Some of the key highlights of your Company's performance during the year under review are:

- The gross profit (before Exceptional Items & Tax) is Rs. 12,261 Lacs as against Rs. 12,828 Lacs in the last year.
- Profit before taxation is Rs. 12,261 Lacs as against Rs. 12,828 Lacs in the last year.

- Net profit after taxation is Rs. 9,467 Lacs as against Rs. 9,042 Lacs in the last year.
- The total assets under management of the Srei Group is Rs. 47,06,969 Lacs as against Rs. 47,48,022 Lacs in the last year.

The Capital to Risk Assets Ratio (CRAR) of your Company stood at 15.57 per cent as on March 31, 2019, well above the regulatory minimum level of 15 per cent prescribed by the Reserve Bank of India for systemically important non-deposit taking NBFCs (NBFCs-ND-SI). Of this, the Tier I CRAR was 10.79 per cent.

Key Financial Ratios (in terms of Schedule V of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015) are as under -

Particulars	2018-19 (%)	2017-18 (%)
Return on Networth*	3.05	2.85
Yield on Average Funds	13.66	13.23
Cost of Funds	10.47	10.01
Gross Interest Spread	3.19	3.22
Return on Average Assets on Books	0.51	0.47

*Return on Networth is higher for the year ended 31st March, 2019 due to higher rate of growth in Profit After Tax.

There is no significant change (i.e. change of 25 per cent or more as compared to the immediately previous financial year) in the key financial ratios.

The Financial Statements of your Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Indian Accounting Standards (IND AS) and the relevant provisions of the Companies Act, 2013 and rules made therein, as applicable and Regulation 48 of the Securities and Exchange

Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as 'SEBI Listing Regulations, 2015'). Accounting policies have been consistently applied except where a newly issued accounting standard, if initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. Management evaluates all recently issued or revised accounting standards on an ongoing basis. Your Company discloses standalone and consolidated unaudited financial results on a quarterly basis, which are subjected to limited review, and standalone and consolidated audited financial results on an annual basis.

Your Company has complied with all the norms prescribed by the Reserve Bank of India (RBI) including the Fair practices, Anti Money Laundering and Know Your Customer (KYC) guidelines.

TRANSFER TO RESERVES

Your Company proposes to transfer an amount of Rs. 1,893 Lacs to Special Reserve (pursuant to Section 451C of the Reserve Bank of India Act, 1934) and Rs. 552 Lacs to Bond / Debenture Redemption Reserve.

CLASSIFICATION AS INFRASTRUCTURE FINANCE COMPANY (IFC) AND PUBLIC FINANCIAL INSTITUTION (PFI)

The Reserve Bank of India (RBI) has classified your Company as an 'Infrastructure Finance Company' within the overall classification of 'Non-Banking Finance Company'. Your Company is also notified as a Public Financial Institution (PFI) by the Ministry of Corporate Affairs (MCA), Government of India.

DIVIDEND

In accordance with Regulation 43A of SEBI Listing Regulations, 2015, a Dividend Distribution Policy is adopted by your Company, covering, inter alia, the parameters for declaration of dividend, utilization of retained earnings, procedure for dividend declaration

etc. The Dividend Distribution Policy is available on your Company's website at <https://www.srei.com/investor/corporate-policies/pdf/dividend-distribution-policy.pdf> and is also set out as an annexure to the Directors' Report and forms part of this Annual Report.

Your Company follows a consistent dividend policy that balances the dual objectives of appropriately rewarding Members through dividends and retaining capital, in order to maintain a healthy capital adequacy ratio to support long term growth of your Company. Consistent with this Policy, your Board on March 08, 2019, approved an Interim Dividend of Re. 0.50 per Equity share (5 per cent) for the financial year 2018-19 to the Members of your Company. The said Interim Dividend was paid to those Members whose names appeared on the Company's Register of Members as on closing hours of March 16, 2019, being the record date fixed for this purpose. Your Board did not recommend a final dividend and therefore total dividend for the year ended March 31, 2019 will be Re. 0.50 per Equity share (5 per cent) of face value of Rs. 10 (ten) each. The dividend together with the dividend distribution tax entailed a cash outflow of Rs. 3,032 Lacs (previous year Rs. 3,032 Lacs).

The dividend payout for the year under review is in accordance with your Company's policy to pay sustainable dividend linked to long-term growth objectives of your Company to be met by internal cash accruals.

PUBLIC DEPOSITS

Your Company decided not to accept any further public deposits or renew such maturing deposits in any manner w.e.f. April 20, 2010 and the entire amount of outstanding public deposits as on April 19, 2010 together with interest promised to the depositors, has been kept in an Escrow Account with a scheduled commercial bank for the purpose of making payment to the depositors as and when they raise the claim. Despite sustained efforts to identify and repay

unclaimed deposits, the amount payable to the depositors as on March 31, 2019 is Rs. 99,889.45.

Being a non-deposit taking Company, your Company has not accepted any deposits from the public/members under Section 73 of the Companies Act, 2013 read with Companies (Acceptance of Deposits) Rules, 2014 during the year and within the meaning of the provisions of the Non-Banking Financial Companies Acceptance of Public Deposits (Reserve Bank) Directions, 2016.

PUBLIC ISSUE OF SECURED AND UNSECURED SUBORDINATED REDEEMABLE NON-CONVERTIBLE DEBENTURES (NCDs)

During the year under review, your Company filed the Tranche 1 Prospectus to access retail public markets pursuant to Shelf Prospectus of Secured and Unsecured Subordinated Redeemable Non-Convertible Debentures (the “Debentures”) of face value of Rs. 1,000 each, as per the details given hereunder:

Date of opening of Issue	Base Issue Size (Rs. in Crores)	Total Issue Size including Green Shoe Option (Rs. in Crores)	Maturity Period	Allotment Date	Amount (Rs. in Crores)
09.04.2019*	100	Upto 500	400 days/3 years/5 years	15.05.2019	105.76

*Issue w.r.t. Tranche 1 Prospectus dated March 29, 2019 of Secured NCDs, read together with Shelf Prospectus dated March 29, 2019.

Debenture Trustee Agreement(s) for the aforesaid issue was duly executed with Catalyst Trusteeship Limited. The said Debentures are listed on the Debt Segment of BSE Limited (BSE). According to the object of the issue, proceeds have been utilised for the purpose of lending/ repayment of existing loans and for general corporate purposes.

The public issue of the said Debentures has not only facilitated diversification of your Company’s sources for mobilising long term resources but has also provided the retail Investors an opportunity to participate in India’s infrastructure development and progress. Through the aforesaid public issue, your Company has acquired nearly 6,300 retail investors. Along with previous issues, your Company now enjoys a retail base of nearly 80,000 investors. The various communication efforts of your Company surrounding the Debentures played a meaningful role in enhancing your Company’s brand image amongst relevant constituencies.

PRIVATE PLACEMENT OF UNSECURED PERPETUAL NON-CONVERTIBLE DEBENTURES (NCDs)

During the year, your Company issued unsecured perpetual Non-Convertible Debentures (NCDs) amounting to 320 Crores on private placement basis in various tranches. The issue proceeds raised through Private Placement of NCDs have been utilized for the purpose of refinancing existing debt or for disbursement and for general business purpose.

PROMOTERS’ GROUP SHAREHOLDING

As on March 31, 2019, the total shareholding of the Promoters’ Group of your Company is 60.7984 per cent and none of the Promoter/Promoters’ Group shareholding is under pledge. Further, in compliance with Regulation 31(2) of SEBI Listing Regulations, 2015, the entire shareholding of promoter(s) and promoter group is in dematerialised form.

As on March 31, 2019, the total shareholding of the Promoters’ Group of your Company is 60.7984 per cent and none of the Promoter / Promoters’ Group shareholding is under pledge.

EXCLUSION OF FUTURES & OPTIONS (F&O) CONTRACTS

Pursuant to the National Stock Exchange of India Limited (NSE) and BSE Limited (BSE) Circular Ref. No. 130/218 dated December 24, 2018 and Notice No. 20181226 dated December 26, 2018, respectively, Futures & Options contracts of the Company have been excluded from Equity Derivatives Segment of the Stock exchanges and subsequently there were no contracts available for trading in the Derivatives segment with effect from March 01, 2019.

VOLUNTARY DELISTING OF EQUITY SHARES FROM THE CALCUTTA STOCK EXCHANGE LIMITED (CSE)

There being no trading in the equity shares of your Company at the Calcutta Stock Exchange Limited (CSE) from considerable time, your Company made an application to CSE for voluntary delisting of equity shares from CSE in terms of the Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009 ("Delisting Regulations"). Subsequently, equity shares of your Company have been delisted from CSE effective July 05, 2018.

COMPOSITE SCHEME OF ARRANGEMENT AND AMALGAMATION

The Board of Directors of your Company, at its meeting held on January 21, 2019 approved a composite Scheme of arrangement and amalgamation amongst your Company, Srei Equipment Finance Limited ("SEFL") and Srei Asset Finance Limited ("Srei Asset") and respective shareholders and creditors ("Scheme") in accordance with Sections 230 to 232 of the Companies Act, 2013 and the rules made thereunder, which inter alia contemplates the following:

- (i) The demerger of the 'Lease Business' of SEFL (the "Demerged

Undertaking 1") into Srei Asset pursuant to which Srei Asset will issue shares to the shareholder of SEFL, i.e. your Company ("Demerger 1"). There will be no change in the shareholding pattern.

- (ii) On completion of Demerger 1, the remaining business undertakings of SEFL (the "Amalgamating Undertaking") will amalgamate with and into your Company ("Amalgamation"). This being an amalgamation of a wholly owned subsidiary into its parent company, there will be no change in the shareholding pattern. On the transfer of the Amalgamating Undertaking becoming effective, SEFL shall stand dissolved without being wound-up.
- (iii) On completion of the Amalgamation, the 'Lease Business', 'Rental Business' and 'Equipment Finance Business' of your Company (the "Demerged Undertaking 2") will demerge into Srei Asset ("Demerger 2"), pursuant to which Srei Asset will issue shares to the shareholders of your Company. Pursuant to this, promoter and public shareholders of your Company shall hold shares in Srei Asset in their existing proportionate shareholding and the existing shareholding of your Company shall be diluted to 22.08 per cent.

The share exchange ratio for the Scheme was approved to be –

- in case of Demerger 1, 10 (ten) fully paid up equity shares of Srei Asset of Rs. 10 each shall be issued for every 21 (twenty one) fully paid up equity shares of Rs. 10 each held in SEFL; and
- in case of Demerger 2, 1 (one) fully paid up equity share of Srei Asset of Rs.10 each shall be issued for every 5 (five) fully paid up equity shares of Rs.10 each held in your Company.

Your Company has filed an application under Regulation 37 of SEBI Listing Regulations, 2015 seeking no objection / observation letters from BSE Limited and National Stock Exchange of India Limited ("Stock Exchanges"). On receipt of no objection letters from the Stock Exchanges, your Company shall file requisite application with the National Company Law Tribunal ("NCLT") to seek its directions for convening meetings of the Shareholders and Creditors of your Company. Subsequent to the receipt of such approvals, your Company shall file a petition with the NCLT for its final approval to the Scheme.

CANCELLATION OF FORFEITED EQUITY SHARES

The Board of Directors of your Company at its Meeting held earlier on March 14, 2000 had approved forfeiture of 4,72,827 (Four Lakh Seventy Two Thousand Eight Hundred Twenty Seven) Equity Shares of your Company for non-payment of arrears of call monies. Since the forfeited shares have not been re-issued and also not been taken or agreed to be taken by any person, the said shares are available for cancellation.

The Board of Directors of your Company have now, subject to shareholders approval, decided to cancel the forfeited Equity Shares and to diminish the paid up value of the said forfeited shares.

Upon cancellation of forfeited shares, the amount of Rs. 15,14,384 (Rupees Fifteen Lakh Fourteen Thousand Three Hundred and Eighty Four only) paid up on these forfeited shares will be dealt with in accordance with applicable Accounting Standards.

Further, the Authorized Share Capital of your Company would not be affected by this cancellation and would remain at Rs. 15,00,00,00,000/- (Rupees Fifteen Hundred Crores only) divided into 1,00,00,00,000 Equity Shares of Rs.

10/- each and 5,00,00,000 Preference Shares of Rs. 100/- each.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

ECONOMIC REVIEW

a. Global Outlook

According to the World Bank, global GDP is projected to grow at 2.9 per cent in 2019, lower than the 3 per cent growth achieved in 2018. World Bank expects global growth to slow down further to 2.8 per cent in 2020. The International Monetary Fund (IMF) global growth forecasts, although slightly better than that of World Bank, indicate a slowdown nonetheless. IMF expects global economy to grow by 3.3 per cent in 2019, which is the weakest since 2009, after an estimated growth of 3.6 per cent in 2018. IMF however predicts global growth to recover to 3.6 per cent in 2020. Global economic growth has been slowing down since the second quarter of 2018 and there are no immediate signs of a pick-up. Growing trade tensions have contributed largely to this global slowdown.

The US economy registered strong growth in 2018, riding on the stimulus provided in terms of tax cuts. However, the positive effects of that stimulus seem to be fading and the US economy can slow down in the second half of 2019. The protectionist stance of the world's biggest economy is causing trade friction. China, Europe, Japan, Mexico, India, and many others stand affected. Some of the affected nations have already started retaliating by imposing higher tariffs on goods exported by US. This, if continued, will have wider ramifications across the entire global supply chain.

There has been a sharp downturn in growth in Europe as well. The 19-nation Euro Area is experiencing a contraction in domestic demand along with a steep drop in industrial production. Germany and France together account for almost half of the Euro Area economy. Germany is experiencing a protracted slump

in manufacturing, while household spending in France has remained virtually stagnant. The other major economy, Italy, is in a recession. In the UK, the uncertainty over Brexit continues to linger, but the possibility of a "hard Brexit" seems to have been averted, with the European Union extending the deadline for UK's departure to 31st October, 2019.

Japan experienced impressive growth in 2017, but thereafter there has been a deceleration in consumer spending, investment and export throughout 2018. With no improvement in the various macroeconomic parameters, growth is likely to remain muted in 2019.

Several of the major emerging market and developing economies (EMDEs) like China, Russia, Brazil and South Africa have slowed down on account of subdued domestic and global demand. A new round of stimulus focusing on infrastructure creation is expected to revive growth in China. But in spite of the relative slowdown, it is the EMDEs which are expected to be the main drivers of global growth in 2019. According to World Bank forecasts, the EMDEs, after registering a 4.2 per cent growth rate in 2018, will clock another 4.2 per cent growth rate in 2019 and thereafter growth rate will strengthen to 4.5 per cent in 2020. Meanwhile, the advanced economies (AEs), after registering a growth of 2.2 per cent growth rate in 2018, are expected to decelerate to 2.0 per cent growth in 2019 and further slow down to 1.6 per cent in 2020.

While the international crude prices have continued to firm up during the year under review, this is unlikely to continue. A global slowdown will adversely impact international commodity prices, especially crude and industrial metals.

One positive development is the change in stance of the main central banks which had earlier started winding down the quantitative easing undertaken in the aftermath of the global financial crisis of 2008. The US Federal Reserve had started raising interest rates since 2015

which continued until last year, but its recent announcements indicate a switch to a more accommodative strategy. Bank of Japan is continuing with its asset purchase agenda and a negative interest rate policy. European Central Bank, after tapering its stimulus, has expressed its intent to keep interest rates low and, if situation demands, is even open to restart its bond purchase programme.

b. Indian Scenario

The Indian economy continues to be a bright spot in the world map. For one more year India has held on to its position of the fastest growing major economy in the world. According to Central Statistics Office (CSO), for 2018-19, India's GDP growth rate has been estimated to be 7.0 per cent, down from the 7.2 per cent achieved in 2017-18. According to IMF, India's GDP growth rate is expected to pick up to 7.3 per cent in 2019 and to 7.5 per cent in 2020. According to estimates by Asian Development Bank (ADB) and the Reserve Bank of India (RBI), the Indian economy will grow at 7.2 per cent in 2019-20. However, it is worth noting that IMF, ADB, RBI and CSO have reduced their growth forecasts for India in the wake of recent developments. In the October-December quarter of 2018, Indian economy grew at 6.6 per cent, its slowest in last five quarters.

Several high frequency indicators are hinting at a slowdown in the economy. In February, 2019, the industrial output growth slowed to a 20-month low of 0.1 per cent, mainly due to contraction in the manufacturing sector. During April-February 2018-19, the Index for Industrial Production (IIP) grew at 4 per cent as against 4.3 per cent in the same period of 2017-18. Capital goods output contracted by 8.8 per cent in February 2019 indicating a major slowdown in investment. Sales of commercial vehicles also contracted during February. Credit flow to micro, small and medium enterprises (MSMEs) remained tepid. While all these may indicate another slow quarterly GDP growth for January-

March 2019, this slowdown may be temporary and can be attributed to the upcoming General Elections. Once there is clarity on the composition of the next government, investments can once again pick up.

During the year under review, the Indian economy overtook France to become the world's sixth largest economy. India also moved up to 77th position in the World Bank's 'Ease of Doing Business' survey, up by 53 places in the last two years. The India growth story has remained attractive to the global investor community. Inflow of foreign direct investment (FDI) has remained steady. After recording a total FDI (equity + re-invested earnings + other capital) inflow of USD 61 billion in 2017-18, India has managed to attract FDI worth USD 46.6 billion during April-December 2018. Another notable achievement for the economy during the year under review is the total exports (goods and services combined) surpassing the USD 500 billion mark for the first time. While India, like many other EMDEs, can get affected by global developments, the foreign exchange reserve of USD 415 billion provides adequate buffer.

The government has been on the forefront of stepping up investment for the infrastructure sector. Private sector participation in infrastructure investment is yet to pick up despite a number of initiatives taken by the government.

Considerable progress has been made on the roll-out of the Goods & Services Tax (GST). Though the GST regime is still evolving, it has been successful in expanding the tax base and in drawing much of the erstwhile informal activity into the formal sector. With further rationalization of tax rates and expanding the coverage of GST to all sectors, entrepreneurship is likely to take off in a big way.

The jurisprudence in Insolvency and Bankruptcy Code (IBC) is still evolving, but it has ushered in a whole new credit culture in the country. The evolving and maturing of the IBC will address

the 'twin balance sheet' problem more comprehensively. However, going forward, this must be followed up with structural reforms in the banking sector in order to improve the process of credit intermediation.

The domestic challenges are not insurmountable. The overall business environment today is much better than what it was during the last few years. The management of your Company is upbeat about India's prospects and is convinced that India will continue to surge ahead of its peers.

NBFCs IN INDIA

In India, the Non Banking Financial Companies (NBFCs) play an active role in meeting the funding needs of those segments of the society who mostly remain unserved by the formal modes of institutional funding. NBFCs are essentially fuelling entrepreneurship by catering to the funding needs of the micro, small and medium enterprises (MSMEs) many of which are involved in the infrastructure sector in services like construction, transportation, etc. Thus, NBFCs are performing a dual role of promoting financial inclusion and nation building.

As on September, 2018, the number of NBFCs registered with the RBI stood at 10,190. Of those, 10,082 are non-deposit taking, which is more than 95 per cent of the total number.

The year under review has been a challenging one for the NBFC sector. Some isolated market events have significantly reduced the flow of funds to NBFCs from the institutional sources. RBI has tried to address the liquidity concerns of NBFCs, but more steps are needed.

The following were some of the important amendments made by the RBI to bolster the regulatory framework of the NBFCs and to provide them relief during the year under review:

- All banks, NBFCs and payment system providers were prohibited from dealing in virtual currencies.

- All exemptions granted to government-owned NBFCs were withdrawn, and as a result, they are also subject to all the regulatory norms as applicable to privately owned NBFCs.

- Systemically Important Non-Deposit Taking Core Investment Companies (CIC-NDSI) were permitted to hold the units of Infrastructure Investment Trust (InvIT) as a sponsor.

- To encourage formalization and growth of MSMEs, banks and NBFCs were temporarily allowed to classify their exposure as per the 180 days past due criteria, to all MSMEs, including those not registered under GST, as a standard asset.

- Co-origination of loans by banks and Systemically Important Non-Deposit Taking NBFCs (NBFC-NDSIs) for lending to the priority sector has been allowed.

- To provide liquidity, single borrower exposure limit for bank funding to NBFCs was increased from 10 per cent to 15 per cent of capital funds up to 31st December, 2018 and further extended to 31st March, 2019.

- Banks were allowed to treat their additional exposure (credit) to NBFCs and Housing Finance Companies (HFCs) as Level-1 high quality liquid assets (HQLA) within the mandatory statutory liquidity ratio (SLR) requirement.

- Securitization guidelines to NBFCs were relaxed, where the Minimum Holding Period (MHP) requirement in respect of loans of original maturity above 5 years, was reduced from 12 months to 6 months.

- Banks were allowed to provide Partial Credit Enhancement (PCE) to bonds issued by NBFC-NDSIs and HFCs.

- External Commercial Borrowings (ECB) framework was substantially relaxed in terms of eligible borrowers, recognized lenders, minimum average maturity period and merging of Tracks I and II as foreign currency

denominated ECB and merging of Track III as rupee denominated ECB. ECB up to USD 750 million permitted under the automatic route.

- One-time restructuring of existing loans to MSMEs without a downgrade in the asset classification.
- With the objective of harmonization of different categories of NBFCs, Asset Finance Companies (NBFC-AFCs), Loan companies (NBFC-LCs) and Investment Companies (NBFC-ICs) have been merged into one new category called Investment and Credit Company (NBFC-ICC).
- NBFC-NDSIs are covered under the Government of India's Interest Subvention Scheme for MSMEs.
- All bank exposures (funding) to all NBFCs except Core Investment Companies (CICs) will be risk weighted as per the ratings assigned by accredited credit rating agencies.

Your Company is continuously monitoring all these developments and is on the lookout for new opportunities. Your Company has been one of the most prestigious NBFCs in the country. Keeping in mind the recent challenges that have surfaced in the NBFC sector, your Company has stepped up its interactions with the government and the regulators.

BUSINESS OUTLOOK AND FUTURE PLANS

During the year under review, the government continued its efforts towards enhancing India's attractiveness as an investment destination which resulted in:

- India climbing up 23 positions (from 100th in 2017 to 77th in 2018 among 190 countries) in the World Bank's Ease of Doing Business Index
- India moving up 5 places (from 63rd in 2017 to 58th in 2018) in the Global Competitiveness Index of the World Economic Forum
- India's rank improving from 60th in 2017 to 57th in 2018 on the Global

Innovation Index of World Intellectual Property Organization.

In order to sustain the growth momentum and to create jobs, the government has been proactively spending on infrastructure creation. According to the Interim Budget 2019-20, the total capital outlay for infrastructure in 2019-20 has been kept at Rs. 4.7 trillion (approximately USD 70 billion). Among infrastructure segments, railways and roads are the biggest beneficiaries for 2019-20.

For 2019-20, the railways are to undertake the highest-ever capital expenditure of Rs. 1.58 trillion (approximately USD 22 billion) which also involves an all-time high budgetary support of Rs. 646 billion (approximately USD 9 billion).

In the Interim Budget, Pradhan Mantri Gram Sadak Yojana (PMGSY), the flagship programme to construct rural roads, has been allocated Rs.19,000 crore (approximately USD 2.7 billion).

Other than these, the Interim Budget mentioned the plan to create one lakh digital villages over the next 5 (five) years and also announced a number of initiatives aimed at bolstering the rural infrastructure that will encourage entrepreneurship. In addition, the decision to exempt levy of notional income on a second property owned by a tax-payer is expected to provide a boost to the housing sector.

The year under review also witnessed several notable developments in the infrastructure sector :

- The average pace of highway construction scaled a new high of 30 km / day, with the average touching a record high of 31.87 km / day in December, 2018. With the HAM (hybrid annuity model) and EPC (engineering-procurement-construction) taking care of most of the construction risk, private sector participation in highway projects is growing. This augurs well for the Bharatmala programme under which

34,800 km of highways are being constructed at a cost of Rs. 5.35 trillion (USD 77 billion).

- The Sagarmala programme, which entails projects involving port modernisation, capacity augmentation, port connectivity (including coastal shipping and inland waterways), port-led industrialisation and development of coastal communities, involves investments of over Rs. 8 trillion (approximately USD 114 billion).
- With rising levels of income and affordability, air traffic is growing fast in India. While 103 airports are operational now, India is expected to require 150-200 airports by 2035. Under the UDAN (Ude Desh ka Aam Nagrik) scheme, India is expected to add 75 airports in the next 3-4 years.

In addition, during the year under review, the government has introduced a National Mineral Policy (for non-fuel and non-coal minerals), a Hydro Power Policy and a National Digital Communication Policy. These, along with some more sector-specific announcements in the Union Budget 2019-20 (once the new government takes office), are likely to set in motion the conceptualization and implementation of more infrastructure projects. Thus, there will be a steady pipeline of infrastructure projects in the years to come.

Demand for infrastructure equipment is expected to multiply as a result of all these. Thus, demand for financing of such assets is also bound to rise. Apart from demand for construction, mining and allied equipment, a spurt in demand for agriculture and healthcare equipment is also expected. All these open up huge opportunities for your Company.

Your Company is actively tracking all these developments and the management is confident that the business scenario will improve significantly during Financial Year 2019-20.

BUSINESS REVIEW

The business activities of your Company are categorised into Fund based and Fee based activities.

I. FUND BASED ACTIVITIES

INFRASTRUCTURE PROJECT FINANCE

Since infrastructure is responsible for propelling growth of other sectors and India's overall development, the Government of India is giving huge impetus for the development of Infrastructure and construction services through focused policies such as open FDI norms, large budget allocation, Smart cities mission, etc. India has become a large market for Infrastructure and Construction activities with the contribution of US \$ 738.5 Billion in FY 2017 and is expected to become 3rd largest market in the world by 2025 (KPMG Infrastructure Report).

Your Company has a diversified fund allocation across various infrastructure segments. Your Company believes that this acts as a hedge against headwinds in a particular industry.

Power

The Government of India has identified power sector as a key sector of focus so as to promote sustained industrial growth. Some initiatives by the Government of India to boost the Indian power sector:

- As of September, 2018, a draft amendment to Electricity Act, 2003 has been introduced. It discusses separation of content & carriage, direct benefit transfer of subsidy, 24*7 Power supply is an obligation, penalisation on violation of PPA, setting up Smart Meter and Prepaid Meters along with regulations related to the same.
- Ujwal Discoms Assurance Yojana (UDAY) was launched by the Government of India to encourage operational and financial turnaround of State-owned Power Distribution Companies (DISCOMS), with an aim

to reduce Aggregate Technical & Commercial (AT&C) losses to 15 per cent by FY19.

- The Government of India approved National Policy on Biofuels – 2018, the expected benefits of this policy are health benefits, cleaner environment, employment generation, reduced import dependency, boost to infrastructural investment in rural areas and additional income to farmers.

The Government of India has released its roadmap to achieve 175 GW capacity in renewable energy by 2022, which includes 100 GW of solar power and 60 GW of wind power. The Union Government of India is preparing a 'rent a roof' policy for supporting its target of generating 40 gigawatts (GW) of power through solar rooftop projects by 2022.

Coal-based power generation capacity in India, which currently stands at 190 GW is expected to reach 330-441 GW by 2040.

Your Company has allocated about 29 per cent of its total allocation to this sector diversified into generation and transmission & distribution.

Roads

India has second largest road network in the world, spanning over a total of 5.5 million kms. The Indian road network carries around 65 per cent of the total freight traffic, while, 90 per cent of the total passenger traffic uses road network to commute.

Road sector has witnessed series of government initiatives to tackle execution woes and resurrect investor confidence over last four years. As per Union Budget 2019-20, the Government of India provided an outlay of Rs. 1.12 trillion (US\$ 15.48 billion) under the Ministry of Road Transport and Highways.

Despite challenging fund raising environment, concerns regarding effective implementation of contractual reforms under Hybrid Annuity Model

India has become a large market for Infrastructure and Construction activities with the contribution of US \$ 738.5 Billion in FY 2017 and is expected to become 3rd largest market in the world by 2025.

Special Economic Zones have attracted total investment of over Rs. 5,00,000 crore and provided employment to over 20,00,000 people as on December, 2018.

(HAM) on ground and increase in time and cost for land acquisition the length of national highways constructed reached 6,715 km at a pace of 24.42 kms per day between April-December 2018.

Increase in pace of award and execution during FY19, acceptability of toll-operate-transfer (TOT) model amongst investors and favorable features of Hybrid Annuity Model (HAM) gave a boost to the investor confidence in the sector.

With various policy initiatives taken in FY19, the Government of India aims to complete 200,000 km national highways by 2022.

During the year, your Company has selectively participated in financing road projects by NHAI and State Authorities. Your Company has allocated about 18 per cent of its total allocation to this sector.

SEZ & Industrial Parks

The Special Economic Zone (SEZ) policy was introduced by the Government of India in year 2000 to overcome the shortcomings of the Export Processing Zones (EPZ) like size, infrastructure constraints, location handicaps and lack of policy framework.

As on March, 2019, formal approvals over 410 have been granted for setting up of Special Economic Zones, out of which around 350 SEZs have been notified and are in various stages of operation. Out of these, more than 230 are operational.

Special Economic Zones have attracted total investment of over Rs. 5,00,000 crore and provided employment to over 20,00,000 people as on December, 2018. Annual exports from Special Economic Zones have exceeded Rs. 50,00,000 crore p.a. since FY 2017.

During the year, your Company has selectively participated in financing projects in this sector. Your Company has allocated over 9 per cent of its total allocation to this sector.

Ports

According to the Ministry of Shipping, around 95 per cent of India's trading by volume and 70 per cent by value is done through maritime transport.

India has 12 major and 205 notified minor and intermediate ports. Under the National Perspective Plan for Sagarmala, six new mega ports will be developed in the Country. The Indian ports and shipping industry plays a vital role in sustaining growth in the country's trade and commerce. India is the sixteenth largest maritime country in the world, with a coastline of about 7,517 km.

Increasing investments and cargo traffic point towards a healthy outlook for the Indian ports sector. Providers of services such as operation and maintenance (O&M), pilotage and harbouring and marine assets such as barges and dredgers are benefiting from these investments.

The capacity addition at ports is expected to grow at a CAGR of 5-6 per cent till 2022, thereby adding 275-325 MT of capacity. Under the Sagarmala Programme, the government has envisioned a total of 189 projects for modernisation of ports involving an investment of Rs 1.42 trillion (US\$ 22 billion) by the year 2035.

Your Company has exposure to this sector by financial participation in a mix of major ports, minor ports and captive ports. The port sector now comprises about 8 per cent of the portfolio.

Water & Sanitation

India accounts for 16 per cent and 15 per cent of global human and livestock population respectively while having access to less than 4 per cent of water resources thereby emphasising the importance and urgent need for investments in the water sector. With current annual investments of US\$ 15bn per annum, largely by government, possibly falling short of the estimated US\$ 291bn required till 2030, there is growing importance of attracting

private financing in the sector. To attract private sector interest and significantly de-risk financing in the sector, projects in the water infrastructure and waste water treatment are increasingly being awarded under the tested and proven Hybrid Annuity Model (HAM).

During the year, your Company has selectively participated in financing projects in this sector. Your Company has allocated around 2 per cent of its total allocation to this sector.

Your Company aims to be a leader in providing advisory and funding solutions to companies that are operating in the infrastructure sector. Your Company continues to improve its capabilities and bring in best in class technology and solution to its customers.

INFRASTRUCTURE EQUIPMENT FINANCE - SREI EQUIPMENT FINANCE LIMITED

Srei Equipment Finance Limited (SEFL), a wholly owned subsidiary of your Company, is registered with the Reserve Bank of India (RBI) as a non-deposit taking NBFC (Category - Asset Finance) and is the leading financier in the Construction, Mining and allied Equipment ("CME") sector in India. In addition to CME, SEFL is also diversified into financing of tippers, IT and allied equipment, medical and allied equipment, farm equipment and other assets. The financial products and services comprise loans for new and used equipment, and leases.

Infrastructure sector has been a key driver for the Indian economy. Government is working towards enhancing India's attractiveness as an investment destination. In order to sustain the growth momentum, government has been spending on infrastructure creation. In the recent years, Indian infrastructure has been enjoying high budgetary allocation, increased number of deals, and participation from the private sector, and greater foreign direct investment (FDI) in the sector.

In the interim Union Budget 2019-20, sectors such as railways, housing and urban affairs, and roads and highways have witnessed increased year-on-year (y-o-y) allocations (excluding Internal and Extra Budgetary Resources (IEBR)) by 21 per cent, 12 per cent, and 6 per cent respectively. The north east sector has received a special focus in the Interim Budget with an allocation of Rs. 58,166 crores, an increase of 21 per cent over the previous budget.

Amid the increased focus of the government in the infrastructure sector, the Indian infrastructure equipment sector is undergoing sweeping changes not just in terms of higher demand, but also due to the digitalization and intelligentization of manufacturing for rolling out highly advanced equipment. In view of the projected growth and government's 'Make in India' initiative, most Original Equipment Manufacturer (OEMs) are upgrading their manufacturing facilities in an intelligent and innovative way by using automation, robotic and advanced technologies and producing high-tech machines that meet global quality standards.

The construction, mining, and allied equipment (CME) industry is estimated to have grown by approximately 10 per cent year-on-year in Fiscal 2019 in terms of unit sales.

During the first half of the year under review, SEFL's disbursement grew to Rs. 8,572 crores compared to Rs. 8,309 crores in the same period in the previous year. The Gross Non-Performing Assets (GNPA) and Net Non-Performing Assets (NNPA) reduced to 3.20 per cent and 1.93 per cent in the first half of the period under review compared to 4.93 per cent and 3.23 per cent, respectively, in the same period last year. In the first half of the year, SEFL's total income and net profit grew by 35 per cent and 86 per cent, respectively, over the corresponding period in the previous financial year.

In the aftermath of the NBFC crisis that unfolded across India's financial

system in September 2018, liquidity was constrained in general across NBFCs. There was a marked slowdown in the second half of the year under review that resulted in a decline in disbursements to Rs. 5,109 crore compared to Rs. 8,680 crore during the same period in the previous year. In this second half of the year under review, there was a growth in SEFL's total income by 21 per cent year-on-year and net profit declined 43 per cent year-on-year.

The consolidated impact of both the halves of the 2018-19 review period led to an increase of profit before tax and profit after tax by 3 per cent and 4 per cent, respectively, to Rs. 457 crores and Rs. 306 crore, respectively. The total Asset under Management (AUM) grew to Rs. 32,226 crores, representing an 8.93 per cent growth over last year. The Capital Adequacy Ratio (CAR) remained compliant at 16.08 per cent. In this challenging environment, SEFL has focused on diversifying the liability portfolio to enhance liquidity for future growth and is re-engineering the business model through multiple stake holder partnerships with an endeavour to make the model sustainable.

In the forthcoming year, SEFL would continue to leverage its growth opportunities through its latest capital light co-lending business model with both, public sector and the private sector banks which will enable SEFL to access enhanced liquidity as well as allow the Company to collaborate and widen its market and customer base, thereby helping it maintain its strong market position. While banks will have access to SEFL's strong customer relationships, OEM relationship and programs, domain expertise, risk prognosis tools arising out of three decades of experience and the Company's tested process and policies; it shall also offer customers a win-win scenario with access to affordable financial solutions and other banking products under one umbrella. This model will also enable SEFL to maximize fee income and maintain cost efficiency, thereby helping it deliver improved

performance matrices. The co-lending arrangement shall operate through a digital platform for loan origination, loan dues collection, auction of equipment, valuation of equipment and several other facilities. Meanwhile, SEFL shall continue to conduct direct lending and leasing business activities with its SME and strategic customers. Further, SEFL will remain focussed on upgrading its existing IT capabilities with automated, digitised and other technologically-enabled platforms.

II. FEE BASED ACTIVITIES

INFRASTRUCTURE PROJECT ADVISORY

The Infrastructure Project Advisory Division of your Company is expanding its spectrum as strategic advisors which provide services from concept to commissioning in different domains in Infrastructure.

In order to provide direct assistance to design, develop, manage and implement Smart City Projects as per Smart City Mission Guidelines of Government of India, your Company has been appointed by Muzaffarpur Smart City Ltd. in Bihar and Bareilly Smart City Ltd. in Uttar Pradesh as Project Management Consultant. Your Company has been providing support to the respective Special Purpose Vehicles (SPVs) in overall project management of Smart City projects, including designing, developing, managing and implementing smart city projects identified by the respective cities on two outputs, viz. Area Based Development and Pan-city Solution.

In order to provide houses to all eligible beneficiaries by 2022 under Housing for All Mission of the Government of India by providing assistance either to construct new houses or enhancement of existing houses, your Company has set up a State Level Technical Cell (SLTC) in West Bengal and deployed Technical Experts for providing strategic, operational, implementation and monitoring support as an extended arm of the State Level

Nodal Agency (SLNA) for efficient transfer of knowledge and resources under the scheme.

Ministry of Housing & Urban Affairs (MoHUA), Government of India has appointed your Company as Independent Review and Monitoring Agency (IRMA) for Rajasthan Cluster to carry out periodic review and monitoring of the projects under Atal Mission for Rejuvenation and Urban Transformation (AMRUT).

Urban Development Department, Government of Tripura has engaged your Company to formulate GIS-based Master Plan for 20 cities in Tripura with an objective to prepare Development Plan documents for the cities/ towns under the Tripura Town & Country Planning Act, 1975 along with Master Plans for Water Supply, Storm Water Drainage and Solid Waste Management.

Your Company continues to assist Government of Jharkhand by preparing Detailed Project Reports and providing Project Management Consultancy for implementation of Housing for All under centrally sponsored Scheme for a Cluster of 8 cities and towns viz., Jamshedpur, Adityapur, Jugsalai, Mango, Seraikela, Chakulia, Chaibasa and Chakradharpur.

For the Ministry of Food Processing Industries, Government of India, your Company has been working as Program Management Agency (PMA)

- for Mega Food Park Scheme to facilitate establishment of Mega Food Parks that will enable fresh investments into the food processing sector, increase realization for farmers and employment generation across the country.
- for the Scheme for creation of infrastructure for Agro Processing Clusters under the Central Sector Scheme – Kisan Sampada Yojana in order to create modern infrastructure for food processing, closer to production areas and to provide integrated and complete supply chain from farm gate to consumers.

- for the Scheme of Creation/ Expansion of Food Processing/ Preservative Capacities (CEFPPC) under the Central Sector Scheme – Scheme for Agro-Marine Produce Processing and Development of Agro Clusters (SAMPADA) with an objective of creating and processing of preservative capacities and modernisation/ expansion of existing units. This will result in higher processing & value addition, leading to reduction of wastage and enhancement of farmers' income.

Your Company has been acting as Independent Engineer & Auditor for Food Corporation of India to oversee/ supervise setting up of Silos on Design, Build, Finance, Own & Operate (DBFOO) basis for storage of food grains at Sangrur in Punjab and Kannauj in Uttar Pradesh.

Your Company continues to work as Project Management Consultant (PMC) for implementation of Sewerage Scheme in Devorlim, Navelim Zone IV, Mandop Area, Porvorim additional sewerage area and trunk main sewer in Bardez Taluk in Goa for Sewerage & Infrastructural Development Corporation of Goa.

During the year under review, your Company has prepared pre-feasibility reports, detailed project reports and tender documents for full coverage of drinking water to rural population in two Packages viz., Ramgarh and Hazaribagh in Jharkhand. Your Company has also prepared Geographical Information System (GIS) based Master Plan as per Atal Mission for Rejuvenation and Urban Transformation (AMRUT) Guidelines of Government of India for Chas and Deoghar Municipal Corporations in Jharkhand.

Your Company has also been working as Transaction Advisor for (i) Madhya Pradesh Intercity Transport Authority to develop and upgrade bus terminals and their appurtenant infrastructure at six locations viz. Bhopal, Gwalior, Indore, Sagar, Rewa & Jabalpur in Madhya Pradesh to international standard on PPP basis and (ii) Madhya Pradesh

Warehousing & Logistic Corporation for development of 'Trucking Hub' at Saikheda (Sagar) and 'Composite Logistics Hub' at Ujjain in Madhya Pradesh through PPP mode.

Due to low growth in the manufacturing sector, major advisory firms operating in the Engineering Consultancy arena have been shifting their focus to Urban Infrastructure. This trend has led to increased competitive intensity and put pressure on revenue potential. Today, Government clients are designing Consultancy & Advisory projects focused on engaging a team of experts capable of providing end-to-end solutions. This has resulted in longer project durations, back-end fee payments and multi-functional team requirements. The opportunity now lies in Urban Infrastructure sectors like Smart City and AMRUT wherein major precincts of urban infrastructure are being clubbed together under one umbrella project. The ticket size of projects has been increasing as it operates on 'clubbing' all segments. To mitigate business risks and to enhance our position, the Advisory division is working to create synergy within the group and with other external specialized agencies.

Leveraging our core competency coupled with strategic planning for sectors like Urban Infrastructure, Tourism, Transportation, Industrial Park, GIS-based Master Plan, etc. your Company is working on initiatives for sustainable growth. It is the start of a new journey which we feel will result in expanding ourselves to new markets, new business precincts, and enrich our group's capacity in delivering complex, multi-faceted advisory assignments.

Looking Forward

The changing market landscape requires a different approach. Your Company will position itself as an Integrated Solutions Provider. Considering its financing and operating experience, your Company endeavours to differentiate itself by providing higher

value added services i.e. advisory services.

The Financial Solutions Group (FSG) advisory leverages your Company's financing and operating experience of around 30 (Thirty) years to provide customised financing solutions. Our unique feature is an integrated offering to our customer base encompassing both financial advisory and capital market services. Additionally, your Company has developed a deep understanding of the Insolvency and Bankruptcy Code (IBC) process through our experienced in-house team and strong relationships with various stakeholders involved in the Corporate Insolvency Resolution Process (CIRP). The advisory services include an array of services ranging from transaction advisory, investment support (debt & equity) and capital market services throughout and subsequent to the CIRP process.

RESOURCES

The Treasury department of your Company has seamlessly managed the available resources at optimum level even during the challenging environment during the second half of last fiscal. The strong & long standing relationship with banks helped your Company to ensure proper asset liability match.

i. Bank Finance

Your Company is funded by a diversified consortium of 26 Indian banks with tied-up fund based working capital limit to Rs. 8,685 crores at the end of financial year. Further, your Company also successfully mobilised Long Term Loans aggregating to Rs. 500 crores during the year.

ii. Bonds / Debentures / Commercial Papers

Your Company has allotted perpetual debentures (Tier I Capital) aggregating to Rs. 320 crores by issue of long term Non-Convertible Debentures (NCDs) during the year under review through Private Placement. Your Company is

Your Company will position itself as an Integrated Solutions Provider.

focussing on diversifying liability mix and hence, going forward, NCDs will be one of the focus areas to augment long term resources. Your Company has also raised Rs. 2,656.85 crores through Commercial Papers during the year under review.

RISK MANAGEMENT

Your Company continues to lay emphasis on risk management, especially in an environment which is characterised by increasing uncertainties. With your Company embarking on a strong business growth trajectory coupled with focus on enhancing shareholders value whilst maintaining high standard of asset quality through optimal asset allocation, risk management holds the key. The strategy of the your Company is based on a clear understanding of various risks, and adherence to well-laid out risk policies and procedures that are benchmarked with best practices prevailing in the industry. Your Company has developed robust systems and embraced adequate practices for identifying, measuring and mitigating various risks – business, strategic, operational, market, credit, liquidity, reputational and process risks and ensuring that they are contained within pre-defined threshold levels.

Governance Structure

The overall risk strategy and direction of your Company is enunciated by the Board of Directors and overseen by the Risk Committee of Board (RCB). Policies approved from time to time by the Board of Directors or the RCB in consultation with other sub-committees of the Board, viz. the Credit Committee (CC) and the Asset Liability Management Committee (ALCO), constitute the governing framework for various types of risk and business activities undertaken within this policy framework. Overall risk management is guided by well-defined procedures appropriate for the assessment and management of individual risk categories viz. credit risk, market risk, operational risk, liquidity

risk, counterparty risk and group risk supplemented by periodic validations of the methods used. Under the guidance of RCB, the Risk department is responsible for assessing and managing risks on a regular and dynamic basis. This entails, as an imperative, garnering adequate knowledge of macroeconomic trends, insights into dynamics of various sectors, understanding of regulatory environment and application of quantitative and qualitative tools facilitating an accurate assessment of risk at all times.

Credit Risk

Credit risk assessment of your Company's borrowers or lessees constitutes a major part of overall risk management strategy. The primary objective of credit risk management is to maximise risk-adjusted rate of return on capital by maintaining a high quality asset portfolio and managing the credit risk inherent at individual and at the portfolio level. Strong emphasis is placed on evaluation and containment of risk at the individual level and analysis of the portfolio behaviour. The contours of credit risk assessment are defined by a comprehensive and well-defined Consolidated Risk Policy which encompasses guidelines for monitoring and mitigating the risks associated with them, structured and standardised credit approval processes through proactive policies which are reviewed regularly and updated at frequent intervals to take into account evolution in the micro and macro economic environments.

Your Company has a strong framework for the appraisal and execution of credit facilities (both fund and non-fund) that involves a detailed evaluation of industry, business, financial, project and management factors including sponsor's financial strength and experience. A team of well qualified and experienced individual examine the proposals at various levels and evaluate all information which are gathered from relevant sources during the assessment

Your Company is funded by a diversified consortium of 26 Indian banks with tied-up fund based working capital limit to Rs. 8,685 crores at the end of financial year.

process to facilitate credit decisions of the Credit Committee. For every proposal, the key risks and mitigating factors are identified. Residual risks are addressed through various mechanisms, which may include creation of adequate security cover by way of debt service reserves, channelling revenues through a trust & retention account and taking additional credit comforts such as corporate or personal guarantees and/or a pledge of equity holding. Besides well defined procedures for credit sanctioning, there are robust mechanisms to monitor and review existing credit exposure at the portfolio and individual level. Portfolio level performance, including delinquency, is tracked very closely at regular intervals with main emphasis on detection of early warning signals of stress. The RCB periodically reviews the adherence to sector, borrower and group exposure limits and impact of the stress scenarios or drop in the asset values in case of secured exposures on the portfolio. Key sectors are analysed in details to suggest strategies considering both risks and opportunities.

Market risk

Market risk is the risk of diminution in the value of investments on account of extraneous market factors like inadequate market liquidity, or volatile interest rates and foreign exchange rates. As an integral part of the overall risk management system, your Company addresses different forms of market risks, viz., liquidity risk, interest rate risk and foreign exchange risk. Your Company has adopted a comprehensive approach for market risk that not only hedges against market risks, but also endeavours to maximise the risk-adjusted rate of return of the portfolio by keeping close track of macro-economic developments including changes and its impact on movement in interest rates, foreign exchange rates and liquidity position in the market.

Your Company's market risk management is guided by well-laid policies, guidelines, processes and systems for the

identification, measurement, monitoring and reporting of exposures against various risk limits set in accordance with the risk appetite of your Company. With a view to limit your Company's exposure to liquidity and interest rate risks, risk limits are specified with the approval of the Board of Directors. Your Company's Asset Liability Management Committee (ALCO) periodically reviews benchmark rates, your Company's borrowing mix and liquidity, funding and currency risk, and monitors the actual risk positions. Based on these requirements, steps are taken to maintain a safe distance from these risks in accordance with the specified levels. Treasury Mid-Office independently monitors the risk limits stipulated in the market risk policy and reports deviations, if any, to the appropriate authorities as laid down in the policy.

Liquidity risk is two-dimensional: risk of being unable to fund portfolio of assets at appropriate maturity and rates (liability dimension) and the risk of being unable to liquidate assets in a timely manner at a reasonable price (asset dimension). The ALCO lays down a broad framework for liquidity risk management to ensure that it is in a position to meet its daily liquidity obligations as well as to withstand a period of liquidity stress from industry, market or a combination of them. The liquidity profile is analyzed on a static as well as on a dynamic basis by using the gap analysis technique supplemented by monitoring of key liquidity ratios and conduct of liquidity stress tests periodically. The Asset Liability Management (ALM) position of your Company is being periodically reported to ALCO, RCB and also to the RBI.

Interest rate risk is the possible change in portfolio value due to interest rate fluctuations. Your Company manages interest rate risk by adopting a floating rate mechanism by linking the lending rate of interest to Srei Benchmark Rate, which is reviewed periodically with changes in your Company's cost of funds.

Foreign exchange risk management becomes an imperative as your Company borrows money in foreign currency and lends in domestic currency. Therefore, in order to optimise the cost of funds and diversify the funding mix, effective hedging strategies are put in place in keeping with the Company's risk appetite; and limits pertaining to an open position are devised. Your Company uses statistical measures like Value at Risk (VaR) method, stress tests, back tests and scenario analyses and continuously monitors the market movements to effectively manage the exchange rate risk.

Operational risk

Operational risk is defined as the risk of loss resulting from inadequate or failed internal processes, people and systems or from external events. Your Company has adopted strict measures towards formulating an effective operational risk management strategy which involves identification, assessment, review, control and reporting of key operational risks.

Your Company has built into its operational process proper segregation of functions, clear reporting structures, well-defined processes, operating manuals, staff training, verification of high value transactions and strong audit trails to control and mitigate operational risks. New product and activity notes prepared by business units are reviewed by all concerned departments including compliance, risk management and legal. Measurement and reporting is also achieved through the various management information systems (MIS), providing easily retrievable information, intertwined with each operational process which are generated and monitored regularly. All concerned departments coordinate and discuss key operational risk issues involving people, process, and technology, external factors etc. so as to minimise them or ensure adequate controls over them.

Your Company has a well-defined approach to identify, measure and

mitigate information technology (IT) risks. Risk registers across various processes are assessed for likelihood and vulnerability of threats, and their acceptability evaluated based on existing controls. Appropriate controls are adopted based on guidance provided by the globally accepted ISO27001:2013 standard. Your Company has been evolving towards a centralised control mechanism for better deployment and management of resources, an increasingly rigorous surveillance and classification of information to ensure a robust IT Risk management system.

Your Company has a well-designed Business Continuity Plan (BCP), whose effectiveness is gauged by proper testing mechanisms and which ensures continuity of business in the unlikely event of business disruption. In order to provide continued and uninterrupted service even during natural disasters, a Disaster Recovery (DR) Site is in place. All IT systems have been certified with the ISO27001:2013 standard, and comprise features like DR, security features covering firewalls, encryption technologies and spam-guards, which provide protection against disruption and modification of information. To further enhance the Standard Operating Procedures and various technological functions, your Company has been investing so as to keep its technological systems constantly updated across the various domain functions.

In addition, to manage operational risk prudently, Know Your Customer (KYC) and Anti-Money Laundering (AML) Policy are in place, which helps to prevent your Company from being used intentionally or unintentionally by criminal elements for money laundering.

Your Company's risk management framework emphasises proper analysing and understanding the underlying risks before undertaking any transactions and changing or implementing processes and systems. This enables a proper assessment of all risks and ensures that the transactions and processes conform to your Company's risk appetite and regulatory requirements. This is facilitated by a robust governance

structure, which includes multi-tiered approval levels for all transactions and processes. This mechanism is aided by a regular review of the portfolio and control mechanisms, undertaking self-assessment programmes and monitoring of key risk indicators.

HUMAN RESOURCES ACTIVITIES

During the year under review, your Company continued with the three pillars of the people strategy that continued from last year. These were focussed on building organization capability, creating process excellence and working on strengthening the collaborative culture.

Your Company has continued to focus on leveraging technology and digitization as a key part of its people strategy, driven by HR.

Your Company partnered with India's premier B-School – XLRI, Jamshedpur, to co-create a M&A Case Study Competition, SREI-XLRI DEALBOOK 2019. The response was overwhelming and a total of 80 colleges, 450+ registrations and 4958 views were received. The plan is to partner with XLRI more on such campus branding activities.

As a part of your Company's Leadership Development initiatives, your Company together with Korn Ferry Hay Group will be working with selected senior leaders in building future-oriented leadership capabilities. Each leader will have an individual development plan which is based on assessments carried out in a Development Centre. The interventions include workshops, coaching, action learning projects, among others, as per individual needs.

Your Company has undertaken several people development interventions over the last year. In order to create "Robust People Bench Strength" across key functions, your Company has undertaken market mapping with NBFCs / Financial Services companies and a white paper on synergies and gaps, talent infusion to provide a blend of "new skills" and "existing skills" to its reservoir; 9 Box Model implementation to ascertain key talents of your Company. Interventions

to build and strengthen people, process and product design in structured credit have also been undertaken.

In order to exponentially increase collaboration, idea sharing and engagement between employees, your Company had earlier launched Srei Sampark, an app based social media platform which also acts as a digital sensor for employee mood and engagement. This has gone from strength to strength. This platform has been used for several major initiatives including engagement activities, Employee Value Proposition (EVP), competitions, surveys etc.

For your Company, all employees form part of an extended family - the Srei Parivar and your Company has continued in its efforts to encourage wellness in mind, body and spirit. Through Swasth Srei, your Company continues to encourage wellness and healthy lifestyles of the employees.

The cloud based Human Resource Management System (HRMS) which was launched in the year 2016 has been extended to cover more areas of HR operations.

The employee count of your Company stands at 124 (One Hundred Twenty Four) as on March 31, 2019.

INFORMATION TECHNOLOGY

Information Technology (IT) in your Company has successfully imbibed new upcoming opportunity opened up in as Co-Lending operating model and thus have been able to grab newer avenues in the market place which will facilitate to retain the industry leadership. During the year your Company has also embarked upon analytics journey leveraging on nearly thirty years of business experience and to create reach data model to automate business acquisition process in the year to come. Major thrust has been given to enhance the ability to scan untapped business opportunities through analytics.

Your Company has been able to implement the requirements as prescribed in the Master Directions - Information Technology Framework for

the NBFC Sector dated June 08, 2017 issued by the Reserve Bank of India (RBI) and continue to take necessary actions accordingly.

Comprehensive security strategies have been framed, and the controls have been designed to mitigate the risk and enhance resistance to cyber-attacks. Your Company has revamped the risk management methodology by putting in place required cyber security risk management processes across all major IT applications through monitoring of logs and effective implementation of Security Operations Center (SOC).

Your Company has taken up initiative to upgrade the major business applications eyeing at enriched operating processes enhanced security features to ensure scalability step up in the technology curve. Your Company's technology plan is now poised to boost up the market penetration program and Go-To-Market strategy focussed at improved customer experience through straight through processing and simplification as well as industrialisation of acquisition process. Your Company's IT strategy has given emphasis on costs associated with IT performance with due understanding at all steps in the new implementation projects.

INTERNAL CONTROL AND AUDIT

Your Company's vision, mission and core values have laid the foundation for internal controls. On the administrative controls side, your Company has a proper reporting structure, oversight committees and rigorous performance appraisal system to ensure checks and balances. On the financial controls side, your Company has in place segregation of duties and reporting mechanism to deter and detect misstatements in financial reporting.

Your Company's Internal Control System is commensurate with the nature of its business and the size and complexity of its operations and ensures compliance with policies and procedures. The Internal Control Systems are being constantly updated with new / revised standard operating procedures.

Further, in accordance with the latest legislation, your Company's Internal Financial Controls (IFC) have been reviewed and actions have been taken to strengthen financial reporting and overall risk management procedures. Further, an Information System (IS) Audit of the internal systems and processes is conducted at least once in a year to assess operational risks faced by your Company.

Your Company has a dedicated and independent Internal Audit Department reporting directly to the Audit Committee of the Board. The purpose, scope, authority and responsibility of the Internal Audit Department are delineated in the Audit Charter approved by the Audit Committee. Internal Audit Department influences and facilitates improvements in the control environment by constantly evaluating the risk management and internal control systems.

Furthermore, the Audit Committee of your Company evaluates and reviews the adequacy and effectiveness of the internal control systems and suggests improvements. Significant deviations are brought to the notice of the Audit Committee and corrective measures are recommended for implementation. Based on the internal audit report, process owners undertake corrective action in their respective areas. All these measures help in maintaining a healthy internal control environment.

ENVIRONMENTAL AND SOCIAL MANAGEMENT SYSTEM

Environmental & Social Management System (ESMS) is followed by your Company as the process of sustainable business practice to adequately meet, respond to and enhance benchmarks in Environmental and Social (E&S) management. E&S risks associated with a proposal considered for investment and its existing portfolio are adequately taken care of by ESMS, which has been adopted to reduce the business risk of its portfolio related to E&S issues and adhere to Sustainable Finance Practice, which has been integrated as

Your Company has revamped the risk management methodology by putting in place required cyber security risk management processes across all major IT applications through monitoring of logs and effective implementation of Security Operations Center (SOC).

a part of overall Credit & Risk Policy. This management system is aimed at properly evaluating, assessing and ensuring customer compliance with relevant Environmental, Social, Health & Safety requirements during construction and operation of infra projects/activities and encourages clients to initiate corrective action & mitigation plans against the identified E&S risks.

The core elements of ESMS of your Company are a self-declared E&S Policy Framework, due-diligence (rapid, sustainability, client risk assessment, project/activity risk categorization and if required site inspection), appraisal (analysis of E&S impacts, suggesting of E&S impacts and client's capacity & commitment to address them), mitigation measures, action plans, monitoring & review of ongoing / invested projects, training & workshop and continuous improvement of the system. By following ESMS practice, your Company has been able to create branding of your Company and awareness in the market regarding relevance of E&S risks and their impacts on the society and the environment.

A full scale E&S due-diligence is carried out in your Company for any business activity as per International Finance Corporation (IFC) Performance Standards, World Bank Environmental & Social Framework (ESF) guidelines and Country's E&S laws, rules & notifications, based on which a 'go' or 'no go' decision is given by ESMS team for a loan proposal. Your Company maintains an international standard exclusion list and your Company neither participates nor invests in the activities and industries which fall under this exclusion list. Your Company only invests in the projects/activities, which comply with the applicable environmental & social norms and laws of the Country.

As a part of sustainability strategy, your Company entered into a Capacity Development Agreement with Nederlandse Financierings-Maatschappij voor Ontwikkelingslanden N.V. (FMO) [Netherlands Development Finance Company] and Oesterreichische Entwicklungsbank AG (OeEB) [Development Bank of Austria] to launch

a corporate roll-out programme for its clients called Environmental & Social Management System - Corporate Rollout Programme (ESMS – CRP). The purpose of the programme is to control the business risk out of different E&S issues from its own and its clients' portfolio, gain control over third party risks and carry out the business with a better E&S risk management. In the process, your Company's brand image in the market is enhanced.

Under this ESMS-CRP, your Company prepared sector specific ESMS policy manual based on IFC PS & Country's E&S Standards for its clients' business and facilitated Health, Safety and Environmental (HSE) training program. In post implementation stages, your Company helped the clients in E&S monitoring and audit of their ESMS performance improvement. Adoption of ESMS-CRP for the clients of your Company has been made mandatory from FY 2016 onwards for any fresh exposure. This programme reduced business risk out of any E&S issues substantially from your Company's portfolio and helped your Company to gain third party control. Your Company implemented ESMS-CRP with 15 (fifteen) Clients and delivered them sector specific ESMS Policy framework and Risk toolkits, HSE trainings and mock sustainability audit for these clients to carry out their business with better understanding & mitigation of E&S risks. To evaluate the impact of the ongoing ESMS practice and implemented ESMS CRP, your Company has appointed a sustainable consultant for total programme audit this FY, which is still under progress.

Over the past years, your Company has been able to successfully manage, reduce and control the E&S risks associated with its portfolio. Your Company has encouraged sustainable development by investing in various renewable energy projects. Your Company monitors & reviews the invested projects on a regular basis whereas shortfalls or misconducts are rectified by framing and implementing E&S action plans for the same. Your Company continuously

updates and upgrades the ESMS policy framework from time to time. Over the past years, your Company has been able to successfully manage, reduce and control the E&S risks associated with its portfolio.

Your Company believes in a Sustainable Finance Business Approach by considering conservation, management & sustainable use of human & natural resources. This endeavour creates a strong & confident long term relationship with all stakeholders for several years.

CORPORATE SOCIAL RESPONSIBILITY (CSR)

The Corporate Social Responsibility (CSR) Committee of your Company has been constituted in line with the provisions of Section 135 of the Companies Act, 2013. During the year, the Board of Directors of your Company at its meeting held on September 05, 2018 designated Mr. Sandeep Lakhotia, Company Secretary, as the Secretary to the Committee in place of Mr. Madhusudan Dutta. The Committee presently comprises Mr. Hemant Kanoria, Chairman, Mr. Sunil Kanoria, Non-Executive Director and Mr. Shyamalendu Chatterjee, Independent Director. Mr. Hemant Kanoria, Chairman of your Company acts as the Chairman of the CSR Committee. Mr. Sandeep Lakhotia, Company Secretary acts as the Secretary to the CSR Committee.

4 (four) meetings of the CSR Committee were held during the year 2018-19 on April 24, 2018, September 03, 2018, November 15, 2018 and March 23, 2019.

The CSR Committee has formulated the CSR Policy which describes the multiple lines around which the CSR activities of your Company are positioned being education and skill development, social and economic welfare, environmental sustainability and such other activities included in Schedule VII of the Companies Act, 2013 as may be identified by the CSR Committee from time to time. The said Policy is available on your Company's website at <https://www.srei.com/investor/corporate-policies/pdf/corporate-social-responsibility-policy.pdf>.

Your Company perceives Corporate Social Responsibility (CSR) as an opportunity to contribute towards uplifting the society at large, empowering individuals, making them self-reliant. The CSR philosophy of your Company is embedded in its commitment to all stakeholders namely consumers, employees, environment and society while your Company's approach extends both to external community as well as to your Company's large and diverse internal employee base and their families. Your Company's sustainable approaches towards practicing humble service to Humanity on a sustainable basis, has enabled it to continue fulfilling its commitment to be a socially responsible corporate citizen.

The total amount available for CSR spending, being 2 (two) per cent of the average net profits of your Company made during the 3 (three) immediately preceding financial years, during the financial year 2018-19 aggregated to approximately Rs. 2.74 Crores.

Recognising its social responsibility, your Company has granted donation of Rs. 1,00,00,000/- (Rupees One Crore only) during the financial year 2018-19 to Srei Foundation, a public charitable trust established with the objective of granting scholarships and other financial assistance to deserving and talented candidates. The Fund also supports setting up of schools, colleges, medical and scientific research institutions. Donations to Srei Foundation qualify for deduction under Section 80G of the Income Tax Act, 1961.

Your Company is fully aware of the fact that as a corporate citizen, it is also entrusted with the responsibility to contribute for the betterment of the society at large. During the year under review, your Company extended support to Sonata Foundation towards operational expenses for smooth running of Animal Mobile Clinics used extensively for welfare of animals, with a sum of Rs. 2,40,000/- (Rupees Two Lacs and Forty Thousand only).

Your Company further supported IISD Edu World, formed with the object of imparting, promoting and spreading

education for underprivileged children and weaker sections of the society, towards sponsorship fees for students, with a contribution of Rs. 50,00,000/- (Rupees Fifty Lacs only) during the year.

Further, contribution of Rs. 1,25,00,000/- (Rupees One Crore and Twenty Five Lacs only) was made to Srihari Global School Foundation towards development of education, healthcare & wellness and social & economic upliftment. Srihari Global School Foundation is a company incorporated and registered under Section 25 of the Companies Act, 1956 (Section 8 of the Companies Act, 2013) and formed with the aim of extending world-class education across India with a vision to create world citizens with 21st century skills to face the challenges of an unpredictable, rapidly-changing world.

During this year, your Company spent an aggregate amount of Rs. 2,77,40,000/- (Rupees Two Crores Seventy Seven Lacs and Forty Thousand only), being 2.03 per cent of the average net profits of last 3 (three) years, towards CSR activities pursuant to CSR Policy of your Company, which is more than the minimum statutory requirement, being 2 (two) per cent of the average net profits of last 3 (three) years being Rs. 2,73,91,002/- (Rupees Two Crores Seventy Three Lacs Ninety One Thousand and Two only). The manner in which the CSR amount was spent during the financial year is set out as an annexure to the Directors' Report and forms part of this Annual Report.

BUSINESS RESPONSIBILITY REPORT

The Business Responsibility (BR) Report as stipulated under Regulation 34(2) (f) of SEBI Listing Regulations, 2015, describing the initiatives taken by your Company from an environmental, social and governance perspective, forms part of the Annual Report.

Further, your Company has formulated a BR Policy approved in line with the provisions of SEBI Listing Regulations, 2015. The policy describes the principles of sustainable business that delivers value for its stakeholders including but not limited to its shareholders,

employees, clients, business partners and the wider community.

SREI WEBSITE

The website of your Company www.srei.com has been developed on the new responsive technology based platform known as 'Drupal', ensuring uniform display across all devices like mobile, tablet, desktop etc. and all the operating systems. The website has an inbuilt sophisticated and customized content management system for easy change in content. A simple, improved navigation system needs a lesser number of clicks to reach the information available in the different sections of the website. The contemporary and smart look of the website ensures a customer centric approach catering to the requirements of prospective customers, investors, employees and other stakeholders. The website of your Company also has 'Live Stock Ticker' with dynamic display of current stock prices in BSE and NSE with respective market caps, along with a link to your Company's YouTube channel. The site carries a comprehensive database of information of interest to the investors including the financial results of your Company, dividend declared, unclaimed dividend list, shareholding pattern, any price sensitive information disclosed to the regulatory authorities from time to time, analysts' reports, investor presentations, standard downloadable forms, media coverage, corporate profile and business activities of your Company and the services rendered by your Company to its investors. Some useful features like Online Resume Management System to pull the best talents and Online NCD Application Form download system as a part of fund raising initiatives are functional in the system. An auto generate functionality with unique form ID for Non-Convertible Debenture (NCD) form was created in 2017. Your Company's integration of the customer portal in the corporate website still enables customers to access their account and download the essential documents directly from the website. By introducing the download facility of MySREIApp mobile application from the website, your Company extends the

digital services and creates an ‘anywhere anytime’ experience like never before. The multiplatform mobile app empowers customers to raise service request, contact relationship managers, send request for new finance etc. The links to different social media i.e. Facebook, YouTube, Twitter, LinkedIn is embedded in the home page of the website to get access of the key initiatives and achievements of your Company.

SUBSIDIARY COMPANIES

The Statement in Form AOC-1 containing the salient features of the financial statement of your Company’s subsidiaries and associates pursuant to first proviso to Section 129(3) of the Companies Act, 2013 (Act) read with Rule 5 of the Companies (Accounts) Rules, 2014, forms part of the Annual Report. Further, in line with Section 129(3) of the Act read with the aforesaid Rules, SEBI Listing Regulations, 2015 and in accordance with (Indian Accounting Standards) Rules, 2015 (IND AS Rules) of Schedule III to the Companies Act, 2013, Consolidated Financial Statements prepared by your Company includes the financial information of its subsidiary and associate companies.

A Report on the performance and financial position of each of the Subsidiaries and Associate Companies included in the Consolidated Financial Statements prepared by your Company as per Rule 8(1) of the Companies (Accounts) Rules, 2014, forms part of the annual accounts of each of the Subsidiary and Associate Companies which have been placed on

the website of your Company www.srei.com and also forms part of Form AOC-1 pursuant to Rule 5 of the Companies (Accounts) Rules, 2014, which is set out as an annexure to the Directors’ Report and forms part of this Annual Report. Members interested in obtaining a copy of the annual accounts of the Subsidiaries and Associate Companies may write to the Company Secretary at your Company’s Registered Office. The said Report is not repeated here for the sake of brevity.

The names of companies which have become or ceased to be subsidiaries, joint ventures or associate companies during the year are given below:

By introducing the download facility of MySREIApp mobile application from the website, your Company extends the digital services and creates an ‘anywhere anytime’ experience like never before.

MATERIAL CHANGES AND COMMITMENTS, IF ANY, AFFECTING THE FINANCIAL POSITION

There is no such material change and commitment affecting the financial position of your Company which have occurred between the end of the financial year of your Company to which the financial statements relate and the date of the Report.

POLICY FOR DETERMINING 'MATERIAL' SUBSIDIARIES

As on March 31, 2019, Srei Equipment Finance Limited (SEFL), a wholly owned subsidiary of your Company is a listed 'material' subsidiary of your Company with its debt securities being listed on the Stock Exchanges in India. However, your Company does not have any material unlisted subsidiary. Your Company has formulated a Policy for determining Material Subsidiaries in accordance with SEBI Listing Regulations, 2015. The said

Policy was last revised on February 04, 2019 and is available on your Company's website at https://www.srei.com/investor/corporate-policies/pdf/Policy_on_determining_Material_Subsidiaries.pdf.

KEY MANAGERIAL PERSONNEL (KMPs)

During the year, 4 (four) senior executives of your Company were voluntarily designated by the Board of Directors as Key Managerial Personnel (KMPs) of your Company w.e.f. April 28, 2018, namely, Mr. Sanjeev Sancheti, Chief Strategy Officer, Mr. Chandrasekhar Mukherjee, Group Chief People Officer, Mr. Debashis Ghosh, Internal Auditor and Mr. Samir Kumar Kejriwal, Senior Vice President of your Company, pursuant to the provisions of Section 2(51) of the Companies Act, 2013 as amended by the Companies (Amendment) Act, 2017. Due to organizational change, the list of additional KMPs was revised by the Board of Directors of your Company

at its meeting held on February 04, 2019 whereby Mr. Sanjeev Sancheti, Chief Strategy Officer, only continued to be designated as the additional KMP of your Company. Subsequently, Mr. Sanjeev Sancheti ceased to be the KMP of your Company w.e.f. May 20, 2019 and Mr. Shashi Bhushan Tiwari, Chief Risk Officer, was additionally designated as KMP of your Company w.e.f. May 20, 2019, with the approval of the Board of Directors at its meeting held on that date.

Mr. Sandeep Kumar Sultania was appointed as the Chief Financial Officer (CFO) of your Company w.e.f. July 05, 2018. Further, Mr. Sameer Sawhney resigned as Chief Executive Officer (CEO) w.e.f. the close of business hours of September 05, 2018 and Mr. Rakesh Kumar Bhutoria was appointed as the CEO of your Company w.e.f. November 16, 2018.

The following directors/executives of your Company are whole-time Key Managerial

Personnel (KMPs) in accordance with the provisions of Section 2(51) read with Section 203 of the Companies Act, 2013 -

Name	Designation
Mr. Hemant Kanoria	Chairman
Mr. Rakesh Kumar Bhutoria	Chief Executive Officer
Mr. Sandeep Kumar Sultania	Chief Financial Officer
Mr. Sandeep Lakhota	Company Secretary
Mr. Shashi Bhushan Tiwari	Chief Risk Officer

NOMINATION AND REMUNERATION COMMITTEE

The Board of Directors of your Company have constituted a Nomination and Remuneration Committee in accordance with the provisions of Section 178 of the Companies Act, 2013 read with Regulation 19 of SEBI Listing Regulations, 2015. The Committee was reconstituted by the Board of Directors of your Company on May 20, 2019 by cessation of Mr. Sunil Kanoria, Non-Executive Director, as Member and induction of Mr. Balaji Viswanathan Swaminathan, Non-Executive Director, as Member of the Committee. The Committee comprises Mr. Shyamalendu Chatterjee, Mr. S. Rajagopal, Independent Directors and Mr. Balaji Viswanathan Swaminathan, Non-Executive Director. Mr. Shyamalendu Chatterjee acts as the Chairman of the Nomination and Remuneration Committee. Mr. Sandeep Lakhota, Company Secretary of your Company acts as the Secretary to the Nomination and Remuneration Committee. The Terms of Reference of the Committee has been provided in the Corporate Governance Section forming part of this Report.

5 (five) meetings of the Nomination and Remuneration Committee of your Company were held during the year 2018-19 on April 28, 2018, June 23,

2018, September 05, 2018, November 16, 2018 and February 04, 2019.

The Committee has formulated the Nomination and Remuneration Policy ('Srei Nomination and Remuneration Policy') which broadly laid down the various principles of remuneration being support for strategic objectives, transparency, internal & external equity, flexibility, performance-driven remuneration, affordability and sustainability and covers the procedure for selection, appointment and compensation structure of Board members, Key Managerial Personnel (KMPs) and Senior Management Personnel (SMPs) of your Company. The said Policy was last revised on February 04, 2019 and is available on your Company's website at https://www.srei.com/investor/corporate-policies/pdf/Srei_Nomination_and_Remuneration_Policy.pdf.

WHISTLE BLOWER POLICY (VIGIL MECHANISM)

Your Company has formulated a codified Whistle Blower Policy incorporating the provisions relating to Vigil Mechanism in terms of Section 177 of the Companies Act, 2013 and Regulation 22 of SEBI Listing Regulations, 2015, in order to encourage Directors and Employees of your Company to escalate to the level of the Audit Committee any issue of concerns impacting and compromising with the interest of your Company and its stakeholders in any way. Your Company is committed to adhere to highest possible standards of ethical, moral and legal business conduct and to open communication and to provide necessary safeguards for protection of employees from reprisals or victimisation, for whistle blowing in good faith. The said Policy was last revised on February 04, 2019 and is available on your Company's website at https://www.srei.com/investor/corporate-policies/pdf/Whistle_Blower_Policy.pdf.

Further, no complaints were reported under the Vigil Mechanism during the year.

POLICY AGAINST SEXUAL AND WORKPLACE HARASSMENT

Your Company is committed to provide and promote a safe, healthy and congenial atmosphere irrespective of gender, caste, creed or social class of the employees. Your Company in its endeavour to provide a safe and healthy work environment for all its employees has developed a policy to ensure zero tolerance towards verbal, physical, psychological conduct of a sexual nature by any employee or stakeholder that directly or indirectly harasses, disrupts or interferes with another employee's work performance or creates an intimidating, offensive or hostile environment such that each employee can realize his / her maximum potential.

Your Company has put in place a 'Policy on Prevention of Sexual Harassment' as per The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013. The Policy is meant to sensitize the employees about their fundamental right to have safe and healthy environment at workplace. As per the Policy, any employee may report his / her complaint to the Internal Complaints Committee constituted for this purpose. The said Policy is available on your Company's website at <https://www.srei.com/investor/corporate-policies/pdf/policy-on-prevention-of-sexual-harassment.pdf>.

Your Company affirms that during the year under review adequate access was provided to any complainant who wished to register a complaint under the Policy and that your Company has complied with the provisions relating to the constitution of Internal Complaints Committee under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

During the year, your Company has not received any complaint on sexual harassment from any of the employees of your Company.

PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS

Your Company is exempted from the applicability of the provisions of Section 186 of the Companies Act, 2013 read with Rule 11 of the Companies (Meetings of Board and its Powers) Rules as your Company is engaged in the business of financing of companies or of providing infrastructural facilities.

PERFORMANCE EVALUATION

The Nomination and Remuneration Committee (NRC) of your Company at its meeting held on February 04, 2019 formulated and laid down the revised criteria and manner for Performance Evaluation of the Board (including Committees) and every Director (including Independent Directors, and Chairman) pursuant to provisions of Section 134, Section 149 read with Code of Independent Directors (Schedule IV) and Section 178 of the Companies Act, 2013 and Regulation 19(4) read with Part D of Schedule II of SEBI Listing Regulations, 2015, covering inter-alia the following parameters namely:

- i) Board Evaluation - degree of fulfillment of key responsibilities; Board culture and dynamics, amongst others.
- ii) Board Committee Evaluation - effectiveness of meetings; Committee dynamics amongst others.
- iii) Individual Director Evaluation (including Chairman and Independent Directors) - Attendance, Contribution at Board Meetings, Guidance/support to management outside Board/ Committee meetings, etc.

Further, the Chairman is additionally evaluated on key aspects of the role which includes inter-alia effective leadership to the Board, adequate guidance to the CEO etc. Independent Directors are additionally evaluated based on fulfillment of Independence

criteria as specified in SEBI Listing Regulations, 2015 and Companies Act, 2013 and their independence from the management.

During the year under review, the Board carried out annual evaluation of its own performance as well as evaluation of the working of various Board Committees viz. Audit Committee, Stakeholders Relationship Committee, Nomination and Remuneration Committee and Corporate Social Responsibility Committee and Individual Directors (including Chairman, Independent Directors and Non Independent Non-Executive Directors). This exercise was carried out through a structured questionnaire prepared separately for Individual Board Members (including the Chairman) and above mentioned Board Committees based on the criteria as formulated by the NRC and in context of the Guidance note dated January 05, 2017 issued by SEBI. The said questionnaire was circulated to the Directors in physical mode and the same was also made available to the Directors on their I-Pads under the 'Diligent Boards' (Diligent) Application to carry out performance evaluation for the Financial Year 2018-19 on the broad parameters as laid down by the NRC.

Based on the above mentioned criteria, the performance of the Board, various Board Committees viz. Audit Committee, Stakeholders Relationship Committee, Nomination and Remuneration Committee and Corporate Social Responsibility Committee, and Individual Directors (including Chairman, Independent Directors and Non Independent Non-Executive Directors) was evaluated and found to be satisfactory. It was also noted that given the changing external environment, there is need for better allocation of time for business reviews, periodic refreshers for the Board on key strategic thrusts.

During the year under review, the Independent Directors of your Company reviewed the performance of Non-Independent Directors, the Board as a whole and Chairperson of your Company,

taking into account the views of Executive Director and Non-Executive Directors.

Further, the Independent Directors hold unanimous opinion that the Non-Independent Directors as well as the Chairman bring to the Board, abundant knowledge in their respective field and are experts in their areas. Besides, they are insightful, convincing, astute, with a keen sense of observation, mature and have a deep knowledge of your Company.

The Board as a whole is an integrated, balanced and cohesive unit where diverse views are expressed and dialogued when required, with each Director bringing professional domain knowledge to the table. All Directors are participative, interactive and communicative.

The Chairman has abundant knowledge, experience, skills and understanding of the Board's functioning, possesses a mind for detail, is meticulous to the core and conducts the Meetings with poise and maturity.

The information flow between your Company's Management and the Board is complete, timely with good quality and sufficient quantity.

FAMILIARISATION PROGRAMME FOR INDEPENDENT DIRECTORS (IDs)

In terms of Regulation 25(7) of SEBI Listing Regulations, 2015, your Company endeavors to familiarize the Independent Directors (IDs) about your Company including nature of industry in which your Company operates, business model of your Company, roles, rights and responsibilities of IDs and any other relevant information.

The details of familiarisation programmes conducted for Independent Directors during the year, are furnished in the Corporate Governance Report and are also available on your Company's website at https://www.srei.com/investor/corporate-policies/pdf/Familiarisation_Programme_for_Independent_Directors.pdf.

In addition to the above, the Board of Directors are continuously encouraged to participate in various external training sessions to ensure that the Board members are kept up to date.

EXTRACT OF ANNUAL RETURN

An extract of Annual Return as on the financial year ended on March 31, 2019 in Form No. MGT-9 as required under Section 92(3) of the Companies Act, 2013 read with Rule 12(1) of the Companies (Management and Administration) Rules, 2014 is set out as an annexure to the Directors' Report and forms part of this Annual Report. Further, the Annual Return of the Company can be accessed at <https://www.srei.com/investor/financial-reports/financial-statement>.

PARTICULARS OF CONTRACTS/ ARRANGEMENTS WITH RELATED PARTIES

All the related party transactions of your Company are entered in the ordinary course of business and are on arm's length basis and are in compliance with the applicable provisions of the Companies Act, 2013 and SEBI Listing Regulations, 2015. There are no materially significant transactions entered into by your Company with Promoters, Directors or Key Managerial Personnel (KMPs), which have potential conflict with the interest of your Company at large. Your Company has not entered into any material related party transactions with any of its related parties during the FY 2018-19. Members may refer to the notes to the financial statements for details of related party transactions.

Since all related party transactions entered into by your Company were in the ordinary course of business and were on an arm's length basis, Form AOC-2 is not applicable to your Company. The related party transactions are entered into based on considerations of various business exigencies, such as synergy

in operations, sectoral specialization and your Company's long-term strategy for sectoral investments, optimization of market share, profitability, legal requirements, liquidity and capital resources of subsidiaries and associates.

In terms of Regulation 23(2) of SEBI Listing Regulations, 2015, your Company obtained prior approval of the Audit Committee for entering into transactions with related parties, as applicable. A statement of all related party transactions is presented before the Audit Committee on a quarterly basis, specifying the nature, value and terms and conditions of the transactions.

A Related Party Policy has been formulated by your Company for determining the materiality of transactions with related parties and dealings with them. The said Policy was last revised on February 04, 2019 and is available on your Company's website at https://www.srei.com/investor/corporate-policies/pdf/Related_Party_Transactions_Policy.pdf.

PARTICULARS OF EMPLOYEES

The prescribed particulars of remuneration of employees pursuant to Section 197(12) read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, are set out as annexures to the Directors' Report and forms part of this Annual Report.

PARTICULARS OF CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION, FOREIGN EXCHANGE EARNINGS AND OUTFLOW

Your Company has no activity relating to Conservation of Energy and Technology Absorption as stipulated in Rule 8(3) of Companies (Accounts) Rules, 2014. However, your Company uses information technology extensively in its operations and also continues

Your Company has not entered into any material related party transactions with any of its related parties during the FY 2018-19.

its endeavour to improve energy conservation and utilisation, safety and environment.

During the year under review, the total foreign exchange earnings and expenditure of your Company was NIL and Rs. 6,228 Lacs, respectively (previous year Rs. NIL and Rs. 6,383 Lacs, respectively).

AUDIT COMMITTEE

The Audit Committee of your Company has been constituted in line with the provisions of Section 177 of the Companies Act, 2013 read with Regulation 18 of SEBI Listing Regulations, 2015. During the year, the Audit Committee was reconstituted by induction of Mr. Ram Krishna Agarwal and Mr. Malay Mukherjee, Independent Directors, as Members of the Committee by the Board of Directors at its meetings held on September 05, 2018 and February 04, 2019, respectively. The Audit Committee presently comprises Mr. Shyamalendu Chatterjee, Mr. Srinivasachari Rajagopal, Mr. Ram Krishna Agarwal, Mr. Malay Mukherjee, Independent Directors and Mr. Sunil Kanoria, Non-Executive Director. Mr. Shyamalendu Chatterjee, Independent Director of your Company is the Chairman of the Audit Committee.

The Company Secretary of your Company acts as the Secretary to the Audit Committee. The Terms of Reference of the Audit Committee has been provided in the Corporate Governance Section forming part of this Report.

6 (six) meetings of the Audit Committee were held during the year 2018-19 on April 28, 2018, June 23, 2018, September 05, 2018, November 16, 2018, January 21, 2019 and February 04, 2019.

During the year under review, there were no such instances wherein the Board had not accepted any recommendation of the Audit Committee.

AUDITORS

At the 30th Annual General Meeting (AGM) of your Company held on

August 01, 2015, Haribhakti & Co. LLP, Chartered Accountants, having Firm Registration No. 103523W / W100048 allotted by The Institute of Chartered Accountants of India (ICAI), were appointed as Statutory Auditors of your Company to hold office for a term of 5 (Five) years from the conclusion of 30th AGM (subject to ratification of such appointment by the Members at every AGM) till the conclusion of the 35th AGM of your Company. The requirement of seeking ratification of the Members for continuance of their appointment has been withdrawn consequent upon the changes made by the Companies (Amendment) Act, 2017 effective from May 07, 2018. Hence, the resolution seeking ratification of the Members for their appointment is not being placed at the ensuing Annual General Meeting (AGM). The Statutory Auditors hold a valid peer review certificate as prescribed under Regulation 33(1)(d) of SEBI Listing Regulations, 2015.

The Auditors' Report does not contain any qualification, reservation or adverse remark or disclaimer. Further, the Statutory Auditors have not reported any incident of fraud during the year under review to the Audit Committee of your Company.

SECRETARIAL AUDIT REPORT

Your Company appointed Dr. K. R. Chandratre, Practising Company Secretary, holding membership of The Institute of Company Secretaries of India (Membership No. FCS 1370; Certificate of Practice No. 5144) as the Secretarial Auditor of your Company for FY 2018-19 to conduct the Secretarial Audit pursuant to Section 204 of the Companies Act, 2013 read with the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014.

The Secretarial Audit Report confirms that your Company has complied inter alia with all the applicable provisions of the Companies Act, 2013 and the Rules made thereunder, the Securities Contracts (Regulation) Act, 1956 and

Rules made thereunder, Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder, Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Secretarial Standards issued by The Institute of Company Secretaries of India (Secretarial Standards with respect to Meetings of Board of Directors (SS-1) and General Meetings (SS-2) issued by The Institute of Company Secretaries of India), Securities Contracts (Regulation) Act, 1956 and all the Regulations and Guidelines of the Securities and Exchange Board of India (SEBI) as applicable to the Company, including the SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011, SEBI (Prohibition of Insider Trading) Regulations, 2015, the SEBI (Issue and Listing of Debt Securities) Regulations, 2008, the SEBI (Registrars to an Issue and Share Transfer Agents) Regulations, 1993, SEBI (Delisting of Equity Shares) Regulations, 2009 and the Reserve Bank of India Directions, Guidelines and Circulars applicable to Systemically Important Non-Deposit Accepting or Holding NBFCs (NBFC – ND – SI).

The Secretarial Audit Report for the financial year ended March 31, 2019 does not contain any qualification, reservation or adverse remark or disclaimer and the same forms part of the Annual Report.

CORPORATE POLICIES

The details of Policies adopted by your Company along with salient features and summary of key changes, if any, during the year are provided as annexure to the Directors' Report and forms part of this Annual Report.

CORPORATE GOVERNANCE

Your Company has always practised sound corporate governance and takes necessary actions at appropriate times

for enhancing and meeting stakeholders' expectations while continuing to comply with the mandatory provisions of Corporate Governance.

As required under Regulation 34(3) read with Schedule V of SEBI Listing Regulations, 2015, a separate section on Corporate Governance and a Certificate from the Auditors of your Company confirming compliance with the requirements of Corporate Governance, forms part of the Annual Report.

MEETINGS OF THE BOARD

The Board meets at regular intervals to discuss and decide on policy and strategy apart from other Board business. However, in case of a special and urgent business need, the Board's approval is taken by passing resolutions through circulation, as permitted by law, which are confirmed in the subsequent Board meeting.

6 (six) Board meetings were held during the year 2018-19 on April 28, 2018, June 23, 2018, September 05, 2018, November 16, 2018, January 21, 2019 and February 04, 2019. The maximum time gap between any two consecutive meetings did not exceed 120 (one hundred twenty) days.

DIRECTORS

During the year under review, your Company appointed Mr. Malay Mukherjee (DIN 02272425) as an Independent Director of your Company to hold office for a period of 5 (five) consecutive years from the date of the Thirty-Third Annual General Meeting (AGM) of your Company held on July 21, 2018. Your Company further re-designated Mr. Ram Krishna Agarwal (DIN 00416964) as Independent Director of your Company to hold office for a period of 5 (five) consecutive years from the date of the Thirty-Third AGM of your Company held on July 21, 2018. In this regard, your Company issued formal letter of appointment to the Independent Directors stating inter alia the terms and conditions of their appointment and the

same is also hosted on the website of your Company www.srei.com.

The Board of Directors of your Company, based on recommendation of the Nomination and Remuneration Committee, appointed Mr. Balaji Viswanathan Swaminathan (DIN 01794148) as an Additional Director (Category – Non Executive and Non Independent Director) of your Company, liable to retire by rotation, with effect from September 05, 2018 to hold office as such upto the date of 34th (Thirty-Fourth) Annual General Meeting (AGM) of your Company. The Board recommends appointment of Mr. Balaji Swaminathan as Non Executive Director of your Company subject to approval of Members at the ensuing Annual General Meeting (AGM) of your Company.

Based on recommendation of the Nomination and Remuneration Committee, the Board of Directors of your Company further appointed Dr. Tamali Sengupta (DIN 00358658) as an Additional Director (Category – Non Executive and Independent Director) of your Company with effect from February 04, 2019 to hold office as such upto the date of 34th (Thirty-Fourth) Annual General Meeting (AGM) of your Company. Subject to approval of the Members of your Company, the Board recommends appointment of Dr. Tamali Sengupta as Non Executive and Independent Director of your Company for a period of 5 (five) consecutive years from the date of the 34th (Thirty-Fourth) AGM of your Company.

Your Company has received individual notices from Members pursuant to Section 160 of the Companies Act, 2013, signifying their intention to propose the candidatures of Mr. Balaji Viswanathan Swaminathan and Dr. Tamali Sengupta, for the office of Directors.

The Board of Directors of your Company appointed Mr. Hemant Kanoria (DIN 00193015) as the Chairman of your Company, in whole time capacity, for a period of 5 (five) years w.e.f. April 01, 2019, liable to retire by rotation, on

existing terms and conditions based on the recommendation of the Nomination and Remuneration Committee of your Company and subject to approval of Members at the ensuing Annual General Meeting (AGM) of your Company.

Pursuant to Regulation 17(1A) as inserted vide SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018 effective from April 01, 2019, no listed entity shall appoint a person or continue the directorship of any person as a non-executive director who has attained the age of 75 (seventy five) years unless a special resolution is passed to that effect, in which case the explanatory statement annexed to the notice for such motion shall indicate the justification for appointing such a person.

Mr. Srinivasachari Rajagopal (DIN 00022609), was appointed as an Independent Director of your Company for a period of 5 (five) consecutive years from the date of the 29th (Twenty-Ninth) Annual General Meeting (AGM) of your Company held on August 02, 2014 till August 01, 2019. Mr. Rajagopal has already attained the age of 75 years. Therefore, approval of the Members was sought through Postal Ballot for continuance of the directorship of Mr. Rajagopal in your Company for his present tenure expiring on August 01, 2019, which was approved vide Special resolution dated March 21, 2019.

Based on recommendation of the Nomination and Remuneration Committee and subject to approval of the Members of your Company, the Board of Directors of your Company further recommend re-appointment of Mr. Shyamalendu Chatterjee (DIN: 00048249), Mr. Srinivasachari Rajagopal (DIN: 00022609) and Dr. Punita Kumar Sinha (DIN: 05229262), as Independent Directors of your Company, not liable to retire by rotation to hold office for a second term of 5 (five) consecutive years from the date of the 34th (Thirty-Fourth) Annual General Meeting (AGM) of your Company.

Your Company has received individual notices from Members pursuant to Section 160 of the Companies Act, 2013, signifying their intention to propose the candidatures of Mr. Shyamalendu Chatterjee, Mr. Srinivasachari Rajagopal and Dr. Punita Kumar Sinha, for the office of Independent Directors for a second term of 5 (five) consecutive years.

In accordance with the provisions of Section 152 of the Companies Act, 2013 (Act) and the relevant Rules and your Company's Articles of Association, Mr. Sunil Kanoria (DIN 00421564) retires by rotation at the ensuing AGM and being eligible, offers himself for re-appointment.

The brief resume / details relating to Directors who are proposed to be appointed / re-appointed are furnished in the Notice of the ensuing AGM. The Board of Directors of your Company recommends the appointment / re-appointment of the above Directors.

Your Company has received declaration from each of the Independent Directors under Section 149(7) of the Companies Act, 2013 that he/she meets the criteria of independence laid down in Section 149(6) of the Companies Act, 2013 and Regulation 16 of SEBI Listing Regulations, 2015 and that he/she is not aware of any circumstance or situation, which exist or may be reasonably anticipated, that could impair or impact his/her ability to discharge his/her duties with an objective independent judgment and without any external influence. All requisite declarations were placed before the Board.

In terms of SEBI Listing Regulations, 2015, your Company identified the list of core skills/expertise/competencies as is required in the context of the Company's business(es) and sector(s) for it to function effectively and those which are actually available with the Board and mapped such skills to the Individual Directors of your Company. Details of such skills/expertise/competencies identified are furnished in the Corporate

Governance Report and forms part of this Annual Report.

Pursuant to Regulation 16(b) of SEBI Listing Regulations, 2015 and Section 197 of the Act read with the Rules framed thereunder, your Company has approved payment of remuneration of Rs. 48 (Forty Eight) Lacs by way of commission on net profits computed under Section 198 of the Act to Non-Executive Directors and Independent Directors of your Company for the financial year 2018-19. The payment is within the limit of 1 (One) per cent of the net profits of your Company for the financial year 2018-19 as approved by the Members of your Company at the AGM held on August 02, 2014 and in accordance with the applicable provisions of SEBI Listing Regulations, 2015 and the Act read with the Rules framed thereunder.

Further, Mr. Hemant Kanoria, Chairman and Mr. Sunil Kanoria, Vice Chairman of your Company, are also the managerial personnel of Srei Equipment Finance Limited (SEFL), a wholly owned subsidiary of your Company and are in receipt of remuneration (including commission) for the Financial Year 2018-19 from SEFL as per the details given below:

Name of Director	Remuneration (Rs. in Lacs)
Hemant Kanoria	756.58
Sunil Kanoria	761.45

Further, Mr. Shyamalendu Chatterjee, Independent Director of your Company, is the Chairman (Non – Executive) of Srei Capital Markets Limited, wholly owned subsidiary of your Company and is in receipt of sitting fees from the said subsidiary company. Mr. Balaji Swaminathan, Non Executive Non Independent Director of your Company, is also associated with your Company in the capacity of Strategic Advisor and is being paid Advisory Fees by your Company.

Further, during the year, Mr. Shyamalendu Chatterjee was also an Independent Director of SEFL and was

in receipt of sitting fees of Rs. 1.25 Lacs from SEFL. Mr. Chatterjee thereafter resigned as an Independent Director of SEFL w.e.f. May 17, 2019.

Apart from the above, none of the Directors of your Company have received any remuneration or commission from any of your Company's subsidiaries or holding company during the Financial Year 2018-19.

DETAILS OF SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS / COURTS / TRIBUNALS IMPACTING THE GOING CONCERN STATUS AND YOUR COMPANY'S OPERATIONS IN FUTURE

There are no such orders passed by the regulators / courts / tribunals impacting the going concern status and your Company's operations in future.

DIRECTORS' RESPONSIBILITY STATEMENT

In terms of provisions of Section 134(5) of the Companies Act, 2013 (Act), your Board of Directors to the best of their knowledge and ability confirm that:

- in the preparation of the annual accounts for the financial year ended March 31, 2019, the applicable accounting standards have been followed along with proper explanation relating to material departures;
- they have selected such accounting policies and applied them consistently and made judgements and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of your Company at the end of the financial year and of the profit of your Company for the year;
- they have taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of

the Act for safeguarding the assets of your Company and for preventing and detecting fraud and other irregularities;

- (iv) they have prepared the annual accounts for the financial year ended March 31, 2019 on a going concern basis;
- (v) they have laid down internal financial controls to be followed by your Company and that such internal financial controls are adequate and are operating effectively;
- (vi) they have devised proper systems to ensure compliance with the provisions of all applicable laws to your Company and the systems are adequate and operating effectively.

Your Company has complied with all applicable provisions of the Secretarial Standards issued by The Institute of Company Secretaries of India (ICSI) on Board Meetings and General Meetings.

GENERAL DISCLOSURES

Your Directors state that no disclosure or reporting is required in respect of the following items as there were no

transactions on these items during the year under review:

- Issue of equity shares with differential rights as to dividend, voting or otherwise
- Issue of sweat equity shares
- Your Company does not have any scheme of provision of money for the purchase of its own shares by employees or by trustees for the benefit of employees
- There was no revision in the Financial Statements
- There was no change in the nature of business
- Maintenance of Cost records is not applicable to your Company.

AWARDS AND RECOGNITION

During the year, your Company has completed the assessment conducted by Great Place to Work Institute, India and has been certified as a “Great Place to Work” for the period March, 2019 to February, 2020. Further, your Company has won the “West Bengal – Best Employer Brand” award in October, 2018.

ACKNOWLEDGEMENT

Your Directors would like to express their grateful appreciation for the excellent support and co-operation received from the Financial Institutions, Banks, Central & State Government Authorities, RBI, SEBI, MCA, Stock Exchanges, Depositories, Credit Rating Agencies, Customers, Manufacturers, Vendors, Suppliers, Business Associates, Members, Debenture holders, Debenture Trustees and other Stakeholders during the year under review. Your Directors also place on record their deep appreciation for the valuable contribution of the employees for the progress of your Company during the year and look forward to their continued co-operation in realisation of the corporate goals in the years ahead.

On behalf of the Board of Directors

Hemant Kanoria
Chairman
DIN 00193015

Kolkata, May 25, 2019

3. Governance related to BR

(a) Indicate the frequency with which the Board of Directors, Committee of the Board or CEO meet to assess the BR performance of the Company. Within 3 months, 3-6 months, Annually, More than 1 year.

Periodically. The Business Responsibility Committee (BR Committee) meets at least once in a year or more often, if required to review and decide on any matter concerning applicability, interpretation, operation and implementation of the BR Policy. The BR Committee recommends amendments, if any to the BR Policy and also approves the BR Report which forms part of the Annual Report of the Company.

(b) Does the Company publish a BR or a Sustainability Report? What is the hyperlink for viewing this report? How frequently it is published?

Pursuant to the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirement) Regulations, 2015 (SEBI LODR) read together with SEBI notification dated 22nd December, 2015, the Annual Report of the top 500 listed entity based on market capitalization (calculated as on March 31 of every year) shall contain the Business Responsibility Report (BR Report) describing the initiative taken by them from an

environmental, social and governance perspective, in the prescribed format from time to time.

Therefore, the Company as it featured in the top 500 list (based on market capitalization calculated as on 31st March, 2018), published its BR Report along with its Annual Report for the financial year 2017-18, in compliance with the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulation, 2015 (SEBI Listing Regulations). Further, although the Company is not falling under the list of top 500 listed entity based on market capitalization (calculated as on 31st March, 2019), the BR Report for the Financial Year 2018-19 is voluntarily being submitted, to form part of the Annual Report of the Company for the Financial Year ended on 31st March, 2019.

SECTION E: PRINCIPLE-WISE PERFORMANCE

Principle 1: Businesses should conduct and govern themselves with Ethics, Transparency and Accountability

The Company is committed to acting professionally, fairly and with integrity in all its dealings. The Company has adopted a 'zero-tolerance' approach to bribery and corruption. The Srei Code of Conduct which captures the behavioural and ethical standards along with 'zero tolerance' towards bribery

is applicable, inter alia, to directors and employees of the Company. The Company also has in place a Know Your Customer (KYC) and Anti-Money Laundering (AML) policy which states that statutory and regulatory obligations to prevent money laundering are to be met in full. The Company also has a Fraud Prevention & Detection Policy to facilitate the development of controls which will aid in the prevention, detection and reporting of fraud against the Company.

The Company's philosophy on Corporate Governance, inter alia, is aimed at enhancing long term shareholder value, achieving transparency and professionalism in all decisions and activities of the Company and achieving excellence in corporate governance.

The Company has developed good governance structure and formulated procedures and practices that ensure ethical conduct at all levels of the organization. The Company continuously reviews and upgrades the procedures and practices. The Company does not engage in any practice that is abusive and corrupt.

Further, the Directors, Management and Employees at all level ensure good governance, ethical practices, transparency and accountability in conducting affairs of the Company and dealing with stakeholders of the Company. The Company also conducts programs to familiarize the Directors with changes in regulatory and business environment.

The Company promptly posts on its website information regarding quarterly, half yearly and annual financial results/statements (standalone as well as consolidated) of the Company and its subsidiaries, Notices of general meetings, Intimations of 'Record-date', Annual Reports, Shareholding patterns, Prospectus, profile of Board of Directors and other information as per the SEBI Listing Regulations and provisions of the Companies Act, 2013 such that the same is easily accessible to the holders of the listed securities. The website is regularly updated from time to time.

The Company has prepared and published a Shareholders Referencer, a handbook for shareholders, which is available on the website of the Company under the head 'Investor Zone'. It serves as an easy guide for the investor's share and dividend related queries and inter-alia covers the shareholders' grievance redressal mechanism and their duties & responsibilities.

The Company has also prepared a Corporate Governance (CG) Manual which is a consolidation of key aspects from various policies set out by the Company as required by the Companies Act, 2013 and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and also sets out various practices followed by the Company at different levels, especially the Board of Directors of the Company and vindicates the Company's principles of integrity, ethics, fairness and accountability.

To ensure that these principles translate into consistent practice, the below enablers lead the Company towards high standards of business conduct.

Board of Directors

Our Board of Directors lead the Company towards a sustainable growth path based on integrity, fairness and responsibility. The Board members bring to the table, a wealth of experience, the strength of entrepreneurship and the breadth of global perspective.

The Company conducted familiarisation programme for the independent directors. The Company has deployed the practice of separating the roles of the Chairman of the Board and CEO to ensure the right focus to governance.

Board Committees

Dedicated Board committees are formed to oversee important functions to increase the efficacy of governance. These comprise of Audit Committee, Nomination & Remuneration Committee, Stakeholders Relationship Committee, Corporate Social Responsibility Committee, Risk Committee, Committee of Directors, Asset Liability Management Committee, Credit Committee, Investment Committee, Business Responsibility Committee, IT Strategy Committee and Governance Committee.

Code of Conduct & Policy

Our code of conduct encourages and enables our employees to succeed by embracing fair practices. In addition to the code of conduct, various policies have also been designed to address specific purposes.

Principle 2: Businesses should provide goods and services that are safe and contribute to sustainability throughout their life cycle

The Company is primarily engaged in the business of Infrastructure Finance. Taking cognizance of the macroeconomic scenario, the Company has consciously adopted a cautious approach and exercised extreme prudence in its disbursements. The quality of loan portfolio has been consistently improving and stressed clients are being closely monitored towards prudent recovery.

The Company also ensures that its activities comply with applicable statutes and regulations. The Company works towards ensuring that services are provided in an ethical manner and in consideration of occupational health, safety & environment. Further, the Company adopts Environmental & Social Management System (ESMS) in order to reduce the business risk of its portfolio related to E&S issues and adhere to sustainable Finance practices.

Principle 3: Businesses should promote well-being of employees

Spirituality and well-being at work place are 2 necessary components. The Company believes that well-being is the key for sustenance for both, the Company and the Employees. A healthy workforce is in the Company's best interest and serves as a strategic asset and hence the Company endeavours to keep its people well.

The intent of Swasth Srei is to create a "culture of wellness" that fosters a long term commitment to healthy lifestyles and the reduction of health risks amongst the employees. We have been able to incorporate Yoga sessions as a mark of concentration & healing of specific disease. The Company believes that healthy employees tend to experience a better quality of life and higher personal productivity and those who discover health problems early tend to get well faster and spend less on medical care. The Company's strategy is to make every employee active and informed participants as far as their health is concerned. The mission of Swasth Srei underscores that wellness is a partnership between the employer and employee to support each other in creating a healthy workforce with high morale and positivity. The Company therefore believes that "Effective health coaching is essential to improving health behaviours" and therefore continuously organizes various health coaching sessions for the employees.

The Company also believes that employees are its most valuable asset and greatest strength. With this firm belief, the Company considers wellness, safe and healthy living of its employees as one of the important aspects of work culture. The Company has an extremely strong Employee benefit scheme supported by various insurance programs like Health, Health top-up, Personal Accident, Term life, Voluntary term life, EDLI etc. In order to boost the employee morale, the Company has introduced various innovative measures under its insurance platform like continuity of health cover post retirement, availing of continuity benefit post separation with the Company etc. Further, the Health plans were suitably amended time to time to keep pace with the technology advancement and global standards.

The Company has also invested heavily into preventive wellness for its employees. The range of services includes on-site complimentary health check-ups, health camps, discounted health check-up plans etc. To generate awareness among the employees, the Company keeps on organising health talks / shows where eminent medical stalwarts are invited to share from their rich experience. Srei Group, an award holder of Gold category and Platinum category for consecutive two years, has elevated itself to be recognised on the Global platform of Arogya, A Clinton Global Initiative of Healthy Workplace.

The Company has also participated in the areas of employee benefits such as Adult vaccination for employees & their families for Hepatitis B, Influenza, Swine Flu and Cervical

Cancer. Further, project "Vendigo" has been installed by the Company at few branches, which is a sanitary napkin vending machine. Human Gene Analysis, Awareness & Utility of Stem Cells with specialised packages for both Employees & their nearest Kin. All these efforts have led the Company being conferred with the "Accreditation of Global Centre for Healthy Workplace" which is valid till 2020.

During the year, the Company continued to take various initiatives for employee welfare such as encouraging employees towards a healthy lifestyle and supported various health initiatives such as Marathons, Yoga and promoted Sports Clubs for cricket, football, badminton and table tennis.

The Company provides equal opportunity to all employees starting from their recruitment irrespective of their caste, creed, gender, race, religion, language, disability or sexual orientation. Further, in order to prevent sexual harassment of women employees, the Company has Internal Complaint Redressal Committees at various workplaces.

For enhancing the reach and ease of recognition, the Company has 'Srei Shabash' in the digital platform of the Company called 'Srei Sampark'. Under Srei Sampark, the Company has various modules to connect with employees like Query Bytes, Feedback Central and Idea Hub.

Further, for the smooth assimilation of new recruits in the Company, Design for Success programme was rolled out which encompassed support to the new entrants. An Engagement Calendar with the various Fun at work events planned for the entire year is captured. The Company makes celebrations a joyful experience for the employees. With all such initiatives, the organization has received certification for being a Great Place to Work.

Principle 4: Businesses should respect the interests of, and be responsive towards all stakeholders, especially those who are disadvantaged, vulnerable and marginalized

The stakeholders consist of customers, investors and market intermediaries, lenders, employees, society and government authorities. The Investors comprise of shareholders (including Institutional Investors) and Debenture holders. The lenders comprise of banks, financial institutions and public.

As an Infrastructure Finance Company, the liquidity and ongoing profitability are, in large part, dependent upon our timely raising of capital and the costs associated therewith. The funding requirements historically have been met from a combination of term loans from banks and financial institutions, issuance of debt securities etc.

The Company supports education institutions and provide opportunities to deserving students (from marginalized sections of society) through various channels. The Company also ensures and promotes a culture of healthy workforce by

creating awareness and raising consciousness among people. The Company also supports the cause of building social institutions by advancing financial grant towards construction of houses, girl marriage and other social essentialities to the underserved.

1. Customers

The Company focuses on reaching closer to the grassroots and making the Company a preferred choice for providing holistic infrastructure financial solutions. The Company makes infrastructure financing solutions available to all qualified applicants without discrimination and the Company treats all customers consistently and fairly. The Company communicates to its customers in transparent manner about the terms and conditions of the finance, including interest rates and mechanism for redressal of customer's grievances, etc. in accordance with regulations stipulated by the Reserve Bank of India (RBI).

The Company ensures that while dealing with customers, the employees follow Srei Fair Practices Code. All customer grievances are effectively resolved through mechanism laid down in the Code. The Fair Practices Code is displayed on website of the Company at www.srei.com.

2. Investors and Lenders

The Company has consistent track record of payment of dividend for past several years. The Company is regular in payment of interest and repayment of credit facilities availed from Banks and Financial Institutions & Bondholders of the Company. The track record has enabled the Company to obtain credit ratings from the Credit Rating Agencies. This enables smooth raising of funds from investors. The Company believes that it enjoys good reputation, goodwill and standing in the financial markets. The Company has formulated a Dividend Distribution Policy which is available on the website of the Company at www.srei.com. The said Policy encapsulates inter alia, the parameters for declaration of dividend, utilization of retained earnings, procedure for dividend declaration etc.

3. Society

The Company works towards creation of value for the society in a manner which is sustainable, scalable and replicable. As a part of Corporate Social Responsibility (CSR), the Company is actively engaged in deliberating and practicing humble service to Humanity on a sustainable basis. The Company perceives CSR as a strategic social investment aimed at uplifting the society at large, empowering individuals, making them self-reliant. The CSR philosophy is embedded in its commitment to all stakeholders namely consumers, employees, environment and society while the Company's approach extends both to external community as well as to the Company's large and diverse internal employee base and their families. The Company has formulated a CSR Policy which is available on the website of the Company at www.srei.com. The said Policy encapsulates

inter alia, the Company's CSR Vision and Mission, approach to CSR, CSR thrust areas etc. For further details, please refer to the Annual Report of the Company for the financial year 2018-19.

Principle 5: Businesses should respect and promote human rights

As a good corporate citizen, the Company respects the human rights of those who it engages with. The Company pays fair wages to its employees and does not discriminate between male and female employees. They are treated equally with dignity and are given equal opportunities, rights and benefits. The Company complies and adheres to all the human rights laws and guidelines.

The Company has developed a Human Resource Manual (HR Manual) titled "Srei Niti" which encompasses the Company's core values such as Customer partnership, Respect for people, Integrity, Stakeholder's value enhancement, Professional entrepreneurship & Passion for excellence and aims to provide employees with information on HR policies, practices, and operating procedures that will be applicable in the Organization. The same is available on the Intranet of the Company.

Principle 6: Businesses should respect, protect and make efforts to restore the environment

The Company has formulated an Environmental & Social Management System (ESMS) which reduces the business risk of its portfolio related to E&S issues and enables adherence to sustainable finance practices. The Company continues to create awareness about environment protection. The Company is continuously making appeal to its shareholders to participate in the 'Green initiative' to reduce use of paper by converting their holding of physical shares into electronic shareholding by dematerialization, receiving soft copies of annual reports using internet facilities, receiving dividend by direct credit to their bank accounts instead of physical dividend warrants etc.

The Company also spreads awareness about conservation and optimum utilization of resources across all levels of the organization as well as in all branch offices spread across the Country. As a part of Green initiative for paperless office, the Company uses electronic methods of communication within and outside its offices and avoids use of paper as far as possible to contribute to green environment as much as possible.

For payment of Interest, dividend, maturity amount of debentures etc. as far as possible, the Company use methods of electronic remittances such as NACH, NEFT, RTGS which also ensures faster credit of money to the bank accounts of the investors, avoids use of paper for dividend warrants, interest warrants, cheques. Our objective is to achieve highest level of paperless office by adopting practices, methods and modern techniques in our internal and external communication with all stakeholders.

Principle 7: Businesses, when engaged in influencing public and regulatory policy, should do so in a responsible manner

In order to address various policy and regulatory issues that have an adverse impact on the different businesses, the Company believes in adopting a consultative approach with the Ministries and various Regulatory Agencies. The aim is to provide constructive feedback to the Government so that the business climate can be improved which, in turn, enhances India's attractiveness as an investment destination to investors around the world.

Principle 8: Businesses should support inclusive growth and equitable development

The Company understands the impact of its businesses on social and economic development and responds through appropriate action to minimize the negative impacts. The Company also makes efforts to complement and support the development priorities at local and national levels. The Company aims at financing business and/or projects in the regions that are underdeveloped and would be sensitive to local

concerns. The Company accordingly, promotes the 'financial inclusion' which is the focus point of all welfare initiatives of the Government.

The Company has formulated a CSR Policy which is available on the website of the Company at www.srei.com. Please refer the Annual Report of the Company for the Financial Year 2018–19 containing details of Company's CSR activities undertaken for the benefit of financially weaker and vulnerable sections of the society.

Principle 9: Businesses should engage with and provide value to their customers and consumers in a responsible manner

The Company has track record of loyal customers who have achieved advancement, progress, growth of their business through long term relationship with us. The Company strives hard to provide best possible services to its customers. The Company has effectively implemented the Fair Practices Code for redressal of customer grievances.

The Company does not restrict the freedom of choice and free competition in any manner while engaging in business activities.

DIN: 00048249

Chairman - Business Responsibility Committee

Secretarial Audit Report

FOR THE FINANCIAL YEAR ENDED 31st MARCH, 2019

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To:

The Members,

Srei Infrastructure Finance Limited

Vishwakarma, 86C, Topsia Road (South)

Kolkata – 700 046

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Srei Infrastructure Finance Limited (hereinafter called “the Company”). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on 31 March 2019 (‘Audit Period’) complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31 March 2019 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (‘SEBI Act’): —
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

- (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
- (c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 and 2018 (**Not applicable to the Company during the Audit Period**);
- (d) The Securities and Exchange Board of India (Share Based Employee Benefits) Regulations, 2014 (**Not applicable to the Company during the Audit Period**);
- (e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- (f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- (g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
- (h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 and 2018 (**Not applicable to the Company during the Audit Period**).

(vi) **I further report that**, having regard to the compliance system prevailing in the Company and on examination of the relevant documents and records in pursuance thereof on test-check basis, the Company has complied with the following laws applicable specifically to the Company:

- (a) Reserve Bank of India (RBI) Directions, Guidelines and Circulars applicable to Systemically Important Non-Deposit Accepting or Holding NBFCs (NBFC – ND – SI).

I have also examined compliance with the applicable clauses of the following:

- (i) Secretarial Standards (SS-1 and SS-2) issued by The Institute of Company Secretaries of India; and
- (ii) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above.

I further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors

and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All decisions at Board Meetings and Committee Meetings were carried out unanimously as recorded in the minutes of the meetings of the Board of Directors or Committees of the Board, as the case may be.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report that during the audit period,:

- (i) The Board has approved, subject to other applicable permissions/approvals, a composite scheme of arrangement and amalgamation amongst the Srei Infrastructure Finance Limited ("Company"), Srei Equipment Finance Limited (a wholly owned subsidiary of the Company), Srei Asset Finance Limited [formerly known as Srei Asset

Reconstruction Private Limited] (a wholly owned subsidiary of the Company) and their respective shareholders and creditors under Sections 230 to 232 and other applicable provisions of the Companies Act, 2013, Companies (Compromises, Arrangements and Amalgamations) Rules, 2016 and other rules and regulations framed thereunder ("Scheme").

FCS No. 1370, C P No. 5144

This report is to be read with my letter of even date which is annexed as Annexure and forms an integral part of this report.

Annexure to the Secretarial Audit Report

To:

The Members,

Srei Infrastructure Finance Limited

Vishwakarma, 86C, Topsia Road (South)

Kolkata – 700 046

My report of even date is to be read along with this letter:

1. Maintenance of secretarial records is the responsibility of the management of the Company. My responsibility is to express an opinion on these secretarial records based on my audit.
2. I have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test-check basis to ensure that correct facts are reflected in secretarial records. I believe that the process and practices, I followed provide a reasonable basis for my opinion.

3. I have not verified the correctness and appropriateness of financial records and books of accounts of the Company.
4. Wherever required, I have obtained Management Representation about the compliance of laws, rules and regulations and happening of events, etc.
5. The compliance of the provisions of corporate and other applicable laws, rules, regulations, standards is the responsibility of management. My examination was limited to the verification of procedures on test-check basis.
6. The Secretarial Audit report is neither an assurance as to future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

*Remuneration includes sitting fees

**Re-designated as Independent Director w.e.f. 21st July, 2018

***Appointed w.e.f. 4th February, 2019

****Appointed w.e.f. 5th September, 2018

##Appointed w.e.f. 16th November, 2018

###Appointed w.e.f. 5th July, 2018

####Resigned w.e.f. 5th September, 2018

Notes:

- (a) The Non-Executive Directors of the Company are paid commission on an annual basis based on the recommendation of Nomination and Remuneration Committee and approval of the Board in accordance with Nomination and Remuneration Policy and within the approved statutory limit of the 1% of the net profits of the Company pursuant to Section 197 of the Companies Act, 2013 read with Rules thereto.

- (b) Dr. Tamali Sengupta was in office only for part of the previous year and was paid remuneration (sitting fees) of Rs. 2,25,000 for the Financial Year 2017-18. Dr. Sengupta was again appointed as a Director in the current Financial Year w.e.f. 4th February, 2019. Accordingly, the percentage of increase of remuneration in her case is not comparable with that of the previous year.
- (c) Mr. Balaji Viswanathan Swaminathan was appointed in the current Financial Year (w.e.f. 5th September, 2018), and hence the percentage of increase of remuneration in his case is not comparable with that of the previous year.
- (d) Mr. Rakesh Kumar Bhutoria was appointed in the current Financial Year (w.e.f. 16th November, 2018), and hence the percentage of increase of remuneration in his case is not comparable with that of the previous year.
- (e) Mr. Sandeep Kumar Sultania was appointed in the current Financial Year (w.e.f. 5th July, 2018), and hence the percentage of increase of remuneration in his case is not comparable with that of the previous year.
- (f) Mr. Sameer Sawhney was in office only for part of the current year (Resigned w.e.f. close of business hours on 5th September, 2018), and hence the percentage of increase of remuneration in his case is not comparable with that of the previous year.

The remuneration of the Key Managerial Personnel (KMPs) is linked to the market and is commensurate with their diverse responsibilities and experience.

III. The percentage increase in the median remuneration of employees in the financial year:

Median remuneration of previous year (Rs.)	Median remuneration of current year (Rs.)	% increase
14,86,820	12,21,616	(17.84)

IV. The number of permanent employees on the rolls of Company:

There were 124 employees as on 31st March, 2019 as against 99 employees as on 31st March 2018.

V. Average percentile increase already made in the salaries of employees other than the managerial personnel in the last financial year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration:

Sl. No.	Particulars	Average % increase
1	Increase in salary of Managerial Personnel	9
2	Increase in salary of employee (other than Managerial Personnel)	5

VI. Affirmation that the remuneration is as per the remuneration policy of the Company:

Yes, it is confirmed.

**INDEPENDENT AUDITOR'S CERTIFICATE ON COMPLIANCE WITH THE CORPORATE GOVERNANCE REQUIREMENTS
UNDER SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015**

To
The Members,
Srei Infrastructure Finance Limited

1. This Certificate is issued in accordance with the terms of our engagement letter dated August 01, 2018.
2. We have examined the compliance of conditions of Corporate Governance by Srei Infrastructure Finance Limited ('the Company'), for the year ended on March 31, 2019, as stipulated in Regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) and paragraphs C, D and E of Schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

Management's Responsibility

3. The Management is responsible for ensuring that the Company complies with the conditions of Corporate Governance. This responsibility also includes the design, implementation and maintenance of internal controls and procedures to ensure compliance with the conditions of the Corporate Governance stipulated in the Listing Regulations.

Auditor's Responsibility

4. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
5. We have examined the books of account and other relevant records and documents maintained by the Company for the purpose of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.
6. We conducted our examination in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of the Chartered Accountants of India ("ICAI"), the Standards on Auditing specified under Section 143(10) of the Companies Act, 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes issued by the ICAI which requires that we comply with the ethical requirements of the Code of Ethics issued by the ICAI.
7. We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, "Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements" issued by the ICAI.

Opinion

8. Based on our examination, as above, and to the best of the information and explanations given to us and representations provided by the management, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in Regulations 17 to 27 and clauses (b) to (i) of Regulation 46 (2) and paragraphs C, D and E of Schedule V of the Listing Regulations during the year ended March 31, 2019.
9. We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

Restriction on Use

10. The certificate is addressed and provided to the members of the Company solely for the purpose to enable the Company to comply with the requirement of the Listing Regulations, and it should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care for any other purpose or to any other person to whom this certificate is shown or into whose hands it may come without our prior consent in writing. We have no responsibility to update this certificate for any event or circumstances occurring after the date of this certificate.

REPORT ON CORPORATE GOVERNANCE

Good Corporate Governance is not simply a phrase but the hallmark of every global organisation that enthrals shareholders, stakeholders and the likes. Combined with multi-disciplinary practices, efficient business functions, codes of ethics and legal compliance, an organisation's strengths grow from pillar to pillar owing to effective control and management ultimately leading to sustainable increased value and growth. Corporate governance plays a very imperative role in assisting the differentiation between a good organisation and an extraordinary organisation because legal compliance is mandatory and stipulated whereas sound corporate governance is rare skillset.

At Srei, our focus remains in our incessant attempts to congregate our shareholders with their expectations through organisational goals. For more than three decades now, our trait continues to be transparency and disclosure. Srei is committed to the adherence of global standards of Corporate Governance practices year on year. We strongly believe that the management is merely the trustee of the shareholders' capital and not the owner and therefore, prime significance is given to shareholder interests in all our policies.

Corporate Governance is not a destination but a journey for constantly improving sustainable value creation along with legal compliance, which Srei firmly believes in. It is due to this rationale that in addition to complying with mandatory statutory requirements, Srei implements effective governance practices which are continuously helping improve transparency, disclosures, internal controls and promotion of ethics at work place.

The Company's Equity shares are presently listed on BSE Limited (BSE) and National Stock Exchange of India Limited (NSE). The Company was also listed on the Calcutta Stock Exchange Limited (CSE), however, owing to no trading in the equity shares of the Company on the same for a considerable amount of time, the Company effected voluntary delisting w.e.f. July 05, 2018 as per the Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009.

The Company is in compliance with the Corporate Governance Code as required under the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"). Details of compliances pursuant to the Listing Regulations for the year ended March 31, 2019 are provided below:

A. MANDATORY REQUIREMENTS

1. Company's philosophy on Code of Governance

Srei's primary objectives as well as goals are transparency, accountability and integrity. In order to enhance stakeholder's value, the Company ensures optimum utilisation of its available resources in most ethical manner. The Company has endeavoured to benchmark itself against global standards in all areas, including Corporate Governance. The Company enhances value for its stakeholders by focusing on growth and profitability, managing risks and contributing to the society.

2. Board of Directors

■ Composition

As on March 31, 2019, the Board comprised of 9 (Nine) Directors with an

optimal combination of Executive, Non-Executive and Independent Directors, including Women Directors. 2 (Two) Directors are Non-Executive Directors including Vice Chairman, 1 (One) Director is Executive Director (Chairman & Managing Director) and 6 (Six) Directors are Independent Directors involving 2 (Two) Independent Women Directors. Majority of the Board is comprised of Independent Directors. The Board's actions and decisions are aligned with best interests of the Company.

The Company recognises and embraces the benefits of having a diverse Board that possesses a balance of skills, experience, expertise and diversity of perspectives appropriate to the requirements of the businesses of the Company. The Company sees increasing diversity at Board level as an essential element in maintaining a competitive advantage. A truly diverse Board will include and make good use of differences in the skills, regional and industry experience, background, race, gender and other distinctions between Directors. These differences will be considered in determining the optimum composition of the Board and when possible should be balanced appropriately. The Company has framed a Policy on Board Diversity which sets out the approach to diversity on the Board of Directors of the Company. The said Policy is available on the Company's website at <https://www.srei.com/investor/corporate-policies/pdf/policy-on-board-diversity.pdf>.

During the year, a majority of the Board comprised of Independent Directors. Independent Directors play a crucial role in imparting balance to the Board processes by bringing independent judgement on issues of strategy, performance, resources, technology, finance, standards of the Company, conduct, etc.

None of the Directors on the Board serve as a Director in more than 8 (Eight) listed entities. Further, none of the Directors on the Board serve as an Independent Director of more than 7 (Seven) listed entities across all entities in which he/she is a Director. Further, none of the Director on the Board who is serving as a whole time Director / Managing Director in any listed entity is serving as an Independent Director of more than 3 (Three) listed entities across all entities in which he/she is a Director. The Company does not have any alternate Director on its Board for any Independent Director in accordance with Regulation 25(1) of SEBI Listing Regulations, 2015. Further, in compliance with Regulation 26 of SEBI Listing Regulations, 2015, none of the Directors on the Board is a member of more than 10 (Ten) committees or Chairman of more than 5 (Five) committees across all public limited companies (whether listed or not) in which he/she is a Director. For assessment of these criteria, the membership/chairmanship of the Audit Committee and the Stakeholders Relationship Committee alone has been considered. Further, in compliance with Section 165 of the Companies Act, 2013, none of the Directors on the Board hold directorship in more than 20 (Twenty) companies at the same time with the directorship in public companies not exceeding 10 (Ten). All the Directors have made necessary disclosures regarding directorship/committee positions

occupied by them in other listed entities / public limited companies (whether listed or not) in accordance with SEBI Listing Regulations, 2015 and the Companies Act, 2013.

Pursuant to the Non-Banking Financial Company – Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 dated September 01, 2016 issued by the Reserve Bank of India (RBI), all applicable NBFCs shall frame their internal guidelines on corporate governance with the approval of the Board of Directors, enhancing the scope of the guidelines without sacrificing the spirit underlying the above guidelines and it shall be published on the company's website, if any, for the information of various stakeholders. Accordingly, the Board of Directors of the Company have approved and adopted the Corporate Governance Framework for the Company in accordance with the RBI Directions. The said Framework was last revised on February 04, 2019. Further, a Certificate confirming compliance w.r.t. conformity with Corporate Governance Standards as envisaged in the said Directions is placed before the Board for noting. The Company's Corporate Governance Framework is available on the Company's website at https://www.srei.com/investor/corporate-policies/pdf/Corporate_Governance_Framework.pdf.

Further, relevant declarations and undertakings have been obtained from the

Directors pursuant to the Non-Banking Financial Company – Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 dated September 01, 2016. The Company has also executed a Deed of Covenant individually with all the Directors in accordance with the said RBI Directions. The Deed of Covenant lays down acknowledgement by the Director that his/her appointment as Director on the Board of the Company is subject to applicable laws and regulations including Memorandum and Articles of Association of the Company and the provisions of the Deed of Covenant. The Deed of Covenant also inter alia lays down the duties of the Director as well as disclosures to be made by the Company to the Directors etc.

The Company has in place a Directors' and Officers' Liability Insurance Policy for an amount of Rs. 40,00,00,000/- (Rupees Forty Crores only) in order to safeguard and protect the interests of the Directors and Executives from any contingent liabilities. The said Policy is renewed annually.

The Composition of the Board of Directors as on March 31, 2019 is in conformity with the provisions of Section 149 of the Companies Act, 2013 and Regulation 17 of SEBI Listing Regulations, 2015. The details of the Board of Directors as on March 31, 2019 are as under:

Sl. No.	Directors	DIN	Category
1.	Mr. Hemant Kanoria (Chairman & Managing Director)	00193015	Executive (Promoter)
2.	Mr. Sunil Kanoria (Vice Chairman)	00421564	Non Executive

4.	Mr. Shyamalendu Chatterjee	00048249	Independent
5.	Dr. Punita Kumar Sinha	05229262	Independent
6.	Mr. Ram Krishna Agarwal*	00416964	Independent
7.	Mr. Malay Mukherjee	02272425	Independent
8.	Mr. Balaji Viswanathan Swaminathan**	01794148	Non Executive
9.	Dr. Tamali Sengupta***	00358658	Independent

*Re-designated as Independent Director to hold office for a period of 5 (Five) consecutive years from the date of the 33rd Annual General Meeting (AGM) held on July 21, 2018

**Appointed as an Additional Director (Category: Non-Executive) w.e.f. September 05, 2018

***Appointed as an Additional Director (Category: Independent) w.e.f. February 04, 2019

Except Mr. Hemant Kanoria and Mr. Sunil Kanoria (being brothers), no Director of the Company is related to any other Director on the Board.

Shareholding of Directors & Key Managerial Personnel (KMPs)

Mr. Hemant Kanoria (Promoter) and Mr. Sunil Kanoria hold 3,80,000 and 18,02,714 Equity shares in the Company, respectively, as on March 31, 2019. None of the other Directors hold any Equity shares in the Company.

As on March 31, 2019, Mr. Hemant Kanoria, Chairman & Managing Director (CMD), Mr. Rakesh Kumar Bhutoria, Chief Executive Officer (CEO), Mr. Sandeep Kumar Sultania, Chief Financial Officer (CFO), Mr. Sandeep Lakhotia, Company Secretary and Mr. Sanjeev Sancheti, Chief Strategy Officer of the Company are the Whole-time Key Managerial Personnel (KMPs) of the Company in accordance with Section 2(51) read with Section 203 of the Companies Act, 2013. Mr. Hemant Kanoria, Mr. Sandeep Lakhotia and Mr. Sanjeev Sancheti hold 3,80,000, 3,35,993 and 2,69,703 Equity shares in the Company, respectively, as on March 31, 2019.

Appointment of Directors

The Board has formulated the Nomination and Remuneration Policy of Directors, Key Managerial Personnel (KMPs) and other employees in terms of the provisions of the Companies Act, 2013 and SEBI Listing Regulations, 2015. The said Policy inter alia outlines the appointment criteria and qualifications, the term / tenure of the Directors on the Board of the Company and the matters related to their remuneration. The said Policy was last revised on February 04, 2019. The Nomination and Remuneration Policy is available on the Company's website at https://www.srei.com/investor/corporate-policies/pdf/Srei_Nomination_and_Remuneration_Policy.pdf.

Based on the recommendation of the Nomination and Remuneration Committee of the Company, the Board has approved a policy on Fit and Proper

Criteria of Directors in accordance with the RBI Directions for the purposes of determining whether a Director is fit and proper to hold such position.

Succession Policy

The Company recognises the importance of effective executive leadership to its success and has initiated requisite steps to put in place a Succession Plan for appointments to the Board and to the Senior Management. The Nomination and Remuneration Committee of the Company is entrusted with the responsibility to oversee succession planning for the Board and the Senior Management.

The Board constantly evaluates the contribution of its members and recommends to shareholders their re-appointment periodically as per the statute.

Executive Directors are appointed by the shareholders for a maximum period of 5 (Five) years at a time, but are eligible for re-appointment upon completion of their term.

Independent Directors are also appointed by the shareholders for a maximum period of 5 (Five) years at a time, but are eligible for re-appointment upon completion of their term. No independent director shall hold office for more than two consecutive terms of 5 (Five) years unless a cooling off period of 3 (Three) years elapses.

Non-Independent, Non-Executive Directors do not have any term, but retire by rotation as per the law.

Responsibilities

The Board looks at strategic planning and policy formulation. The Board meets at least once in every quarter to review the Company's operations and the maximum time gap between any two meetings is not more than 120 (One Hundred Twenty) days.

The Whole time Director is responsible for corporate strategy, planning, external contacts and Board matters. The senior management personnel heading respective divisions are responsible for all day-to-day operations-related issues,

profitability, productivity, recruitment and employee retention for their divisions.

■ Independent Directors (IDs)

As on March 31, 2019, the Company has 6 (Six) Independent Directors on its Board out of the total strength of 9 (Nine) Directors.

All the Independent Directors of the Company furnish a declaration at the time of their appointment as also annually that they qualify the tests of their being independent as laid down under Section 149(6) of the Companies Act, 2013 and Regulation 16(1)(b) of SEBI Listing Regulations, 2015. All requisite declarations were placed before the Board. In the opinion of the Board, all the existing Independent Directors as well as those who are proposed to be appointed as such at the ensuing Annual General Meeting (AGM) of the Company, fulfill the conditions specified in SEBI Listing Regulations and are independent of the management.

Meeting of Independent Directors (IDs)

The Independent Directors (IDs) met on April 28, 2018 and February 04, 2019 without the presence of Non-Independent Directors and the Management Team. The meetings were attended by all the Independent Directors and enabled them to discuss various matters pertaining to the Company's affairs and thereafter put forth their combined views to the Board. The IDs reviewed the quality, quantity and timeliness of flow of information between the Company management and the Board that is necessary for the Board to effectively and reasonably perform their duties. The IDs also evaluated the performance of Chairperson, Non-Independent Directors and the Board as a whole.

Familiarisation Programme for IDs

In terms of Regulation 25(7) of SEBI Listing Regulations, 2015, the Company is required to conduct Familiarisation Programme for Independent Directors (IDs) to familiarise them about the Company including nature of industry in

which the Company operates, business model of the Company, roles, rights and responsibilities of IDs and any other relevant information. Further, pursuant to Regulation 46 of SEBI Listing Regulations, 2015, the Company is required to disseminate on its website, details of familiarisation programme imparted to IDs including the details of i) number of programmes attended by IDs (during the year and on a cumulative basis till date), ii) number of hours spent by IDs in such programmes (during the year and on a cumulative basis till date), and iii) other relevant details.

3 (Three) such specific familiarisation programmes were conducted on April 28, 2018 and February 04, 2019. As a part of the first programme held on April 28, 2018, synopsis of the recommendations of Kotak Committee on Corporate Governance was circulated to the Independent Directors and was also deliberated upon.

As a part of the second programme held on February 04, 2019, presentation was circulated to the Independent Directors pertaining to Overview & Regulatory Framework of Non-Banking Financial Companies (NBFCs) and was also deliberated upon.

As a part of the third programme held on February 04, 2019, summary on relevant amendments pertaining to Independent Directors (IDs) issued by SEBI vide SEBI (Listing Obligations and Disclosure Requirements) (Amendment) Regulations, 2018 notifying implementation of certain recommendations of Kotak Committee on Corporate Governance was circulated to the Independent Directors and was also deliberated upon. Further, specific provisions applicable to Independent Directors were also highlighted for ease of convenience.

All Directors attend the familiarisation programmes as these are scheduled to coincide with the Board meeting calendar to give them an opportunity to attend.

In addition to the above, the Directors are continuously encouraged to participate

in various external training sessions to ensure that the Board members are kept up to date.

At the time of appointment, a new Director is welcomed to the Board of Directors of the Company by sharing an Induction Kit containing inter-alia the Organization Chart, brief profile of all Directors and Key Managerial Personnel (KMPs), Policy Compendium, Investor Presentation, Investor call transcripts amongst others.

Further, the management of the Company makes various presentations to the Independent Directors on an ongoing basis which inter-alia includes Company overview, various business verticals, latest key business highlights, financial statements, evolution as well as business model of the various business of the Company, as part of the familiarisation programme for Independent Directors.

Significant Statutory updates are circulated on a quarterly basis as a part of the agenda of the Board Meetings through which Directors are made aware of the significant new developments and highlights from various regulatory authorities viz. Reserve Bank of India (RBI), Securities and Exchange Board of India (SEBI), Ministry of Corporate Affairs (MCA), etc.

The Company Secretary also regularly apprises the Board about their roles, rights and responsibilities in the Company from time to time as per the requirements of SEBI Listing Regulations, 2015, Companies Act, 2013 read together with the Rules and Schedules thereunder and the RBI Directions.

The Board has open channels of communication with executive management which allows free flow of communication among Directors in terms of raising query, seeking clarifications and other related information. Directors are also informed of the various developments in the Company through e-mails, newsletters, internal magazines, etc. The same is made available on their I-Pads as well.

As a part of e-initiatives adopted by the Company, latest news and events including regulatory alerts are made available through, a smartphone knowledge application “Srei Chanakya”. This app also serves as a means to enhance compliance awareness and contains detailed do’s and don’ts, FAQ’s for Insider Trading, presentations on SEBI Listing Regulations, 2015, NBFC Compliance Dashboard & other relevant matters.

The details of familiarisation programmes imparted to Independent Directors, as required under Regulation 46 of SEBI Listing Regulations, 2015, are available on the Company’s website at https://www.srei.com/investor/corporate-policies/pdf/Familiarisation_Programme_for_Independent_Directors.pdf.

Performance Evaluation

The Nomination and Remuneration Committee (NRC) of the Company at its meeting held on February 04, 2019 formulated and laid down the revised criteria and manner for Performance Evaluation of the Board (including Committees) and every Director (including Independent Directors and Chairman) pursuant to provisions of Section 134, Section 149 read with Code of Independent Directors (Schedule IV) and Section 178 of the Companies Act, 2013 and Regulation 19(4) read with Part D of Schedule II of SEBI Listing Regulations, 2015, covering inter-alia the following parameters namely:

- i) For Board Evaluation - degree of fulfillment of key responsibilities; Board culture and dynamics, amongst others.
- ii) Board Committee Evaluation - effectiveness of meetings; Committee dynamics, amongst others.
- iii) Individual Director Evaluation (including Chairman and Independent Directors) – Attendance, Contribution at Board Meetings, Guidance/support to management outside Board/Committee meetings, etc.

Further, the Chairman is additionally evaluated on key aspects of his role which includes inter-alia effective leadership to the Board, adequate guidance to the CEOs, etc. Independent Directors are additionally evaluated based on fulfillment of Independence criteria as specified in SEBI Listing Regulations, 2015 and Companies Act, 2013 and their independence from the management.

During the year under review, the Board carried out annual evaluation of its own performance as well as evaluation of the working of various Board Committees viz. Audit Committee, Stakeholders Relationship Committee, Nomination and Remuneration Committee and Corporate Social Responsibility Committee and Individual Directors (including Chairman, Independent Directors and Non Independent Non-Executive Directors). This exercise was carried out through a structured questionnaire prepared separately for Individual Board Members (including the Chairman) and above Board Committees based on the criteria as formulated by the NRC and in context of the Guidance note dated January 05, 2017 issued by SEBI. The said questionnaire was circulated to the Directors in physical mode and the same was also made available to the Directors on their I-Pads under the 'Diligent Boards' (Diligent) Application to carry out performance evaluation for the Financial

Year 2018-19 on the broad parameters as laid down by the NRC.

Based on the above criteria, the performance of the Board, various Board Committees viz. Audit Committee, Stakeholders Relationship Committee, Nomination and Remuneration Committee and Corporate Social Responsibility Committee, and Individual Directors (including Chairman, Independent Directors and Non Independent Non-Executive Directors) was evaluated and found to be satisfactory. It was also noted that given the changing external environment, there is need for better allocation of time for business reviews, periodic refreshers for the Board on key strategic thrusts.

During the year under review, the Independent Directors of the Company reviewed the performance of Non-Independent Directors, the Board as a whole and of the Chairperson of the Company, taking into account the views of Executive Director and Non-Executive Directors.

Further, the Independent Directors hold unanimous opinion that the Non-Independent Directors including the Chairman bring to the Board, abundant knowledge in their respective field and are experts in their areas. Besides, they are insightful, convincing, astute, with a keen sense of observation, mature and have a deep knowledge of the Company.

The Board as a, whole is an integrated, balanced and cohesive unit where diverse views are expressed and dialogued when required with each Director bringing professional domain knowledge to the table. All Directors are participative, interactive and communicative.

The Chairman has abundant knowledge, experience, skills and understanding of the Board's functioning, possesses a mind for detail, is meticulous to the core and conducts the Meetings with poise and maturity.

The information flow between the Company's Management and the Board is complete, timely with good quality and sufficient quantity.

Key skills/expertise/competence of the Board of Directors

The Board of Directors of the Company comprises qualified members who bring in the required skills, expertise, and competence to allow them to make effective contribution to the Board and its Committees. The Board members are committed to ensuring that the Board is in well compliance with the highest standards of corporate governance.

In terms of SEBI Listing Regulations, 2015, the Company identified the following list of core skills/expertise/competencies as is required in the context of the Company's business(es) and sector(s) for it to function effectively and those which are actually available with the Board:

Skills/Expertise/Competencies	Details
Behavioral	Fulfilling a director's duties and responsibilities, putting the organisation's interests before personal interests, acting ethically, active contributor, collaborative, performance oriented and professional.

■ Meetings

6 (Six) Board meetings were held during the year 2018-19 on April 28, 2018, June 23, 2018, September 05, 2018, November 16, 2018, January 21, 2019 and February 04, 2019. The maximum time gap between any two consecutive meetings did not exceed 120 (One Hundred Twenty) days. Further, a resolution was passed by circulation by the Board of Directors of the Company on March 08, 2019 approving declaration of Interim Dividend for the Financial Year 2018-19.

The tentative annual calendar of the Board meetings for the forthcoming year are decided well in advance and published as part of the Annual Report.

The Board meets at least once a quarter to review the quarterly results and other items of the agenda. Whenever necessary, additional meetings are held. In case of business exigencies or urgency of matters, resolutions are passed by circulation. Meetings are governed by structured agenda and all major agenda items are backed by comprehensive background information to enable the Board to take informed decisions. The Company effectively uses video conferencing facility, whenever necessary, to enable the participation of Directors who could not

attend the same due to exigencies. Every Board Member is free to suggest items for inclusion in the Agenda.

Further, in compliance with the Secretarial Standard – 1 on ‘Meetings of the Board of Directors’ (SS-1) issued by The Institute of Company Secretaries of India (ICSI), any item not included in the Agenda is taken up for consideration before the Board with the permission of the Chairman and with the consent of majority of Directors present in the meeting.

The Directors have instant access to important information on their respective I-Pads, through ‘Diligent Boards’ (Diligent) application an International product for Board I-pads which gives the Directors instant access to important information on their respective I-Pads, allows log in through highly secured means, enables secured data on the device, enables the Directors to make private notes and comments ahead of the meeting, enables easy browsing and accessing of documents on online and offline mode; amongst many other advanced features.

In order to assist the Board Members and Senior Management to keep pace with the ever-changing laws and to apply them prudently in their respective area of activities, a Regulatory Landscape Handbook containing the regulatory

changes carried out by the various Regulators is circulated on monthly, half yearly and annual basis. Important regulatory alerts are circulated on a real-time basis through a mobile application ‘Srei Chanakya’ which can be downloaded on Android and iOS devices. This application also serves as a means to create awareness pertaining to insider trading as it contains the detailed list of compliances under Srei Insider Code, FAQ’s on Insider Trading and do’s and don’ts for insider trading. Also, a Compliance Dashboard encompassing various compliances which are required to be adhered to by the Company being a Non-Banking Financial Institution (NBFC) is circulated to the Board Members and Senior Management on half yearly basis to ensure that all applicable laws for the Company as a NBFC are being complied with. Power point presentations, notes, impact analysis, compliance status checklist are shared from time to time on various rules, regulations and guidelines issued by various regulators with the Directors and Senior Management. A comprehensive Booklet on various Codes and Policies of the Company was compiled during the year under review and circulated as a ready reckoner to all the Directors and Senior Management of the Company.

As a measure to consolidate all the Corporate Governance practices of the Company at one place, a Corporate Governance Manual (CG Manual) has been adopted by the Board of Directors of the Company. The CG Manual is a consolidation of key aspects from various policies set out by the Company as required by the Companies Act, 2013, SEBI Listing Regulations, 2015 and Corporate Governance Directions issued by the Reserve Bank of India (RBI) and also sets out various practices followed by the Company at different levels, especially the Board of Directors of the Company, which vindicates the

Company's principles of integrity, ethics, fairness and accountability.

The information as specified in Part A of Schedule II read with Regulation 17(7) of SEBI Listing Regulations, 2015 is regularly made available to the Board, whenever applicable, for discussion and consideration. Considerable time is spent by the Directors on discussions and deliberations at the Board Meetings.

The important decisions taken at the Board/Committee(s) meetings are promptly communicated to the concerned departments/executives. The Company Secretary and / or Secretary to Committee records minutes of proceedings of each Board and Committee meeting. Draft

minutes are circulated to the Board/Committee members within 15 (Fifteen) days from the date of conclusion of the meeting for their comments and the minutes are entered in the Minutes Book within 30 (Thirty) days from the date of conclusion of the meeting in compliance with Secretarial Standard – 1 on 'Meetings of Board of Directors' (SS-1) issued by The Institute of Company Secretaries of India (ICSI). Action Taken Report on the decisions of the previous meeting(s) is placed at the immediately succeeding meeting of the Board/Committee(s) for information and review by the Board/Committee(s).

■ Board Committees

The Board has constituted various Committees consisting of Executive and Non-Executive Directors to focus on the critical functions of the Company.

The Board Committees play a crucial role in the governance structure of the Company and are being set out to deal with specific areas/activities which concern the

Company and need a closer review. They are set up under the formal approval of the Board, to carry out the clearly defined role which is considered to be performed by Members of the Board, as a part of good Corporate Governance practice. The Board supervises the execution of its responsibilities by the Committees and is responsible for their action.

The Board has various Committees viz. Audit Committee, Stakeholders Relationship Committee, Nomination and Remuneration Committee, Committee of Directors, Risk Committee, Credit Committee, Investment Committee, Corporate Social Responsibility Committee, Asset Liability Management Committee, Business Responsibility Committee, IT Strategy Committee and

Governance Committee as on March 31, 2019 in addition to few internal Committees. All observations, recommendations and decisions of the Committees are placed before the Board for information or for approval, as the case may be. Further, minutes of proceedings of the Committees are circulated to the Members and are placed before the Board for noting thereat. Further, during the year, the Board of Directors of the Company has accepted all recommendations received from its Board Committees.

The Terms of Reference for various Committees including their roles and powers is in accordance with the relevant provisions of Companies Act, 2013, SEBI Listing Regulations, 2015 and other applicable rules and regulations issued by the concerned Regulators from time to time.

Each of the Committees has the authority to engage outside experts, advisors and counsels to the extent it considers appropriate to assist in its function.

3. Remuneration of Directors

■ Details of remuneration paid/payable to Directors for the year ended March 31, 2019 are as follows:

(Amount in Rs.)

Directors	Sitting Fees ¹	Salary & Perquisites ²	Commission ³	Total
Mr. Hemant Kanoria (Chairman & Managing Director)	-	2,46,60,000	-	2,46,60,000

Mr. Srinivasachari Rajagopal	8,50,000	-	8,00,000	16,50,000
Mr. Shyamalendu Chatterjee	13,40,000	-	8,00,000	21,40,000
Dr. Punita Kumar Sinha	7,50,000	-	8,00,000	15,50,000
Mr. Ram Krishna Agarwal*	7,20,000	-	8,00,000	15,20,000
Mr. Malay Mukherjee	7,65,000	-	8,00,000	15,65,000
Mr. Balaji Viswanathan Swaminathan**	3,50,000	-	-	3,50,000
Dr. Tamali Sengupta***	1,25,000	-	-	1,25,000

*Re-designated as Independent Director to hold office for a period of 5 (Five) consecutive years from the date of the 33rd Annual General Meeting (AGM) held on 21.07.2018

**Appointed as an Additional Director (Category: Non-Executive) w.e.f. 05.09.2018. In addition, he is also being paid Advisory fees for rendering advisory services to the Company

***Appointed as an Additional Director (Category: Independent) w.e.f. 04.02.2019

¹Includes sitting fees paid to Non-Executive Directors for various Board and Committee meetings

²Includes basic salary, incentives, allowances, contribution to provident fund, leave encashment and other perquisites

³The Commission for the year ended March 31, 2019 will be paid, subject to deduction of tax, after adoption of the accounts by the Members at the ensuing Annual General Meeting. Further, Mr. Hemant Kanoria, Chairman has decided to forego the commission for the financial year 2018-19, in view of present difficult environment for NBFCs. Therefore, no commission is payable to him for the year.

■ The appointment of Whole time Director is governed by resolution passed by the Nomination and Remuneration Committee, Board of Directors and the Shareholders of the Company, which covers the terms and conditions of such appointment including remuneration. Further, payment of remuneration to Whole time Director is also governed by the agreement executed between him and the Company, and approval of Shareholders, wherever applicable. The tenure of office of Mr. Hemant

Kanoria is for 5 (Five) years effective from April 01, 2015 and can be terminated by giving 3 (Three) months notice in writing. There is no separate provision for payment of severance fees. Mr. Hemant Kanoria is presently liable to retirement by rotation. Further, the Board of Directors of the Company at its meeting held on February 04, 2019 approved appointment of Mr. Hemant Kanoria as the Chairman of the Company in whole time capacity, liable to retire by rotation, for a period of 5 (Five)

years with effect from April 01, 2019 till March 31, 2024 on the existing terms and conditions including remuneration, subject to approval of the Members of the Company.

Further, Mr. Hemant Kanoria, Chairman and Managing Director (CMD) and Mr. Sunil Kanoria, Vice Chairman (Non-Executive Director) of the Company, are also the Chairman and Vice Chairman (Executive), respectively, of Srei Equipment Finance Limited (SEFL), a wholly owned subsidiary of the Company

and are in receipt of remuneration (including commission) for the Financial Year 2018-19 from SEFL as per the details given below:

Name of Director	Remuneration (Rs. in Lacs)
Hemant Kanoria	756.58
Sunil Kanoria	761.45

Further, Mr. Shyamalendu Chatterjee, Independent Director of the Company is also an Independent Director of Srei Equipment Finance Limited (SEFL) and a Non – Executive Director of Srei Capital Markets Limited, both wholly owned subsidiaries of the Company and is in receipt of sitting fees from the said subsidiary companies.

Apart from the above, Mr. Hemant Kanoria, Mr. Sunil Kanoria and Mr. Shyamalendu Chatterjee have not received any remuneration or commission from any of the Company's subsidiaries or holding company during the Financial Year 2018-19.

The remuneration of Executive Directors is divided into two components viz. fixed component of salaries, perquisites and retirement benefits and variable component of performance based incentive. The remuneration including annual increment and performance incentive is decided based on the criticality of the roles and responsibilities, the Company's performance vis-à-vis the annual budget achievement, individual's performance vis-à-vis key result areas, industry benchmark and current compensation trends in the market.

- The Non-Executive Directors are paid remuneration by way of sitting fees for each meeting of the Board or any Committee thereof attended by them and reimbursement of out-of-pocket expenses incurred, wherever applicable, for attending such meetings. The sitting fees as determined by the Board are presently Rs. 1,00,000/- for attending each meeting of the Board, Rs. 25,000/- for

attending each meeting of the Audit Committee, Investment Committee, Risk Committee and Separate Meeting of Independent Directors and Rs. 10,000/- for attending each meeting of other Committees. The aforesaid payment is well within the limits prescribed under the Companies Act, 2013 and rules made therein.

Further, the Members of the Company at their meeting held on August 02, 2014 approved payment of commission to Non-Executive Directors of the Company annually for each of the 5 (Five) financial years of the Company commencing from Financial Year 2014-15, an amount not exceeding 1 (One) per cent of the net profits of the Company payable in one financial year, to be divided amongst Non-Executive Directors in such amounts or proportions and in such manner as may be determined by the Board from time to time and in default of such determination equally and the above commission shall be in addition to the sitting fees payable to such Directors for attending meetings of the Board and/or Committee(s) thereof or for any other purpose whatsoever as may be decided by the Board and reimbursement of expenses for participation in the Board and/or Committee meetings. The Company has approved payment of remuneration of Rs. 48 (Forty Eight) Lacs by way of commission on net profits calculated under Section 198 of the Companies Act, 2013 and the Rules framed thereunder to Non-Executive Directors of the Company for the financial year 2018-19.

The remuneration by way of commission to the Non-Executive Directors is recommended by the Nomination and Remuneration Committee and approved by the Board of Directors and distributed to them equally based on their attendance and contribution at the Board and certain Committee meetings as well as time spent on operational matters other than at the meetings.

No pecuniary transactions have been entered into by the Company with any of the Non-Executive Directors of the Company, except the payment of sitting fees and commission to them. However, Mr. Balaji Viswanathan Swaminathan, Non Executive Non Independent Director of the Company is also associated with the Company in the capacity of Strategic Advisor and is being paid Advisory fees of Rs. 10,00,000 (Rupees Ten Lacs only) per month plus applicable taxes by the Company in compliance with Section 197 of the Companies Act, 2013.

4. Code of Conduct for Directors and Senior Management

A Code of Conduct as applicable to the Board of Directors and Senior Management (Vice Presidents and above) as approved by the Board, has been displayed on the Company's website www.srei.com. The Board Members and Senior Management have affirmed their compliance with the Code and a Declaration signed by the Chief Executive Officer (CEO) and Chairman pursuant to Regulation 34(3) read with Schedule V of SEBI Listing Regulations, 2015 is given below:

It is hereby declared that the Company has obtained from all the Board Members and Senior Management an affirmation that they have complied with the Code of Conduct for the financial year 2018-19.

Rakesh Kumar Bhutoria **Hemant Kanoria**
Chief Executive Officer Chairman
DIN 00193015

Further, pursuant to Regulation 26(5) of SEBI Listing Regulations, 2015, Senior Management of the Company have affirmed that they have not entered into any material, financial and commercial transactions during the year in which they had personal interest, that may have potential conflict of interest with the Company.

5. Audit Committee

■ Terms of Reference, Composition, Name of Members and Chairman

The Audit Committee has been constituted in line with the provisions of Section 177 of the Companies Act, 2013 read with Regulation 18 of SEBI Listing Regulations, 2015. The Audit Committee comprises Mr. Shyamalendu Chatterjee, Mr. Srinivasachari Rajagopal, Mr. Ram Krishna Agarwal and Mr. Malay Mukherjee, Independent Directors and Mr. Sunil Kanoria, Non-Executive Director. Mr. Shyamalendu Chatterjee, Independent Director of the Company is the Chairman of the Audit Committee. All the Members of the Audit Committee are financially literate and have accounting or related financial management expertise. The Head of Internal Audit Department, the Chief Financial Officer (CFO) and the Chief Executive Officer (CEO) attend the meetings of the Audit Committee and the Company Secretary acts as the Secretary to the Audit Committee. The Statutory Auditors of the Company are invited to attend the Audit Committee meetings. The Committee also invites senior executives, as it considers appropriate, to be present at the meetings of the Committee. The Terms of Reference of this Committee includes oversight of the Company's financial reporting process and the disclosure of its financial information to ensure that the financial statement is correct, sufficient and credible, recommending appointment, remuneration and terms of appointment of auditors, reviewing/

examining quarterly and annual financial statements and auditor's report thereon before submission to the Board for approval, evaluate Company's internal financial controls and risk management systems, reviewing performance of statutory and internal auditors and adequacy of internal control systems, reviewing the functioning of the Whistle Blower Mechanism and other matters specified for Audit Committee in Section 177 of the Companies Act, 2013, Companies (Meetings of Board and its Powers) Rules, 2014 and SEBI Listing Regulations, 2015.

At the 30th Annual General Meeting (AGM) of the Company held on August 01, 2015, Haribhakti & Co. LLP, Chartered Accountants, having registration No. 103523W / W100048 allotted by The Institute of Chartered Accountants of India (ICAI), were appointed as Statutory Auditors of the Company to hold office for a term of 5 (Five) years from the conclusion of 30th AGM till the conclusion of the 35th AGM of the Company. Further, in compliance with the Non-Banking Financial Company – Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016 issued by RBI, the Company is required to rotate the partner of the Chartered Accountant firm conducting the audit, every 3 (Three) years so that same partner does not conduct audit of the Company continuously for more than a period of 3 (Three) years. However, the partner so rotated will

be eligible for conducting the audit of the Company after an interval of 3 (Three) years, if the Company, so decides. Appropriate terms, in this regard, are incorporated in the letter of appointment furnished by the Company to the Auditors to ensure its compliance.

Details of total fees for all services paid by the Company and its subsidiaries, on a consolidated basis, to the Statutory Auditor (including all entities in the network firm/network entity of which the Statutory Auditor is a part) during the Financial Year 2018-19, are as follows:

(Rupees in Lacs)	
Particulars	2018-19
Audit Fees	88.83
Tax Fees	39.51
Others	3.17
TOTAL	131.51

■ Meetings and attendance during the year

6 (Six) meetings of the Audit Committee were held during the year 2018-19 on April 28, 2018, June 23, 2018, September 05, 2018, November 16, 2018, January 21, 2019 and February 04, 2019. The maximum time gap between any two consecutive meetings did not exceed 120 (One Hundred Twenty) days. Moreover, the requisite quorum as required by SEBI Listing Regulations, 2015, was present in all the meetings of the Audit Committee held during the year.

The attendance of each member of the Committee is given below:

Members	No. of Meetings during the tenure of Members	
	Held	Attended
Mr. Shyamalendu Chatterjee	6	6
Mr. Sunil Kanoria	6	4
Mr. Srinivasachari Rajagopal	6	6
Mr. Ram Krishna Agarwal*	3	3
Mr. Malay Mukherjee**	-	-

*Inducted as Member w.e.f. 05.09.2018

**Inducted as Member w.e.f. 04.02.2019

■ The Company has an Internal Audit Department and the Head of the Department reports to the Audit Committee from time to time. The Company's system of internal controls covering financial and operational activities, compliances, IT applications, etc. are reviewed by the Internal Audit Department and presentations are made to the Audit Committee on the findings of such reviews. Further, in compliance with Section 177(4) (vii) of the Companies Act, 2013 and the RBI Directions, the Audit Committee maintains and evaluates the effectiveness of internal control systems of the Company pertaining to financial reporting, compliance with applicable Accounting Standards, and looks after overall financial activities under applicable laws and regulations governing the Company. Further, an Information System (IS) Audit of the internal systems and processes is conducted at least once in a year to assess operational risks faced by the Company. The Company has also appointed external agencies to undertake the Internal Financial Controls (IFC) implementation at

the Company and for review, control and monitoring Internal Financial Controls as well as for the purpose of Information System (IS) Audit of the internal systems and processes of the Company.

6. Stakeholders Relationship Committee

■ Terms of Reference, Composition, Name of Members and Chairman

The Stakeholders Relationship Committee has been constituted in line with the provisions of Section 178 of the Companies Act, 2013 read with Regulation 20 of SEBI Listing Regulations, 2015. The Stakeholders Relationship Committee comprises Mr. Hemant Kanoria, Chairman & Managing Director (Category - Executive), Mr. Sunil Kanoria, Vice Chairman (Category - Non-Executive) and Mr. Shyamalendu Chatterjee, Independent Director of the Company. Mr. Shyamalendu Chatterjee is the Chairman of the Stakeholders Relationship Committee. Mr. Sandeep Lakhotia, Company Secretary of the Company acts as the Secretary to the

Stakeholders Relationship Committee and is assigned with the responsibilities of overseeing investor grievances. The Committee oversees and reviews redressal of shareholder and investor grievances, transfer & transmission of shares, issue of duplicate share certificates, exchange of new design share certificates, recording dematerialisation & rematerialisation of shares, deal with matters relating to Srei Code of Conduct for Prohibition of Insider Trading (Srei Insider Code) framed in line with the Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 and related matters. The Stakeholders Relationship Committee meets at regular intervals to take note of share transfer and other matters.

■ Meetings and attendance during the year

*Subsequently resolved

BSE Limited (BSE) and National Stock Exchange of India Limited (NSE) have furnished separate confirmations that there are no investor complaints pending against the Company as on March 31, 2019.

Further, pursuant to Regulation 13(3) read with Regulation 13(4) of SEBI Listing Regulations, 2015, Statements of investor complaints as received from the Registrar & Share Transfer Agents, Karvy Fintech Private Limited, each for Equity shares and Bonds/Debentures were filed with the Stock Exchanges on a quarterly basis and the said Statements were also placed before the Board of Directors for information and noting.

It has been a constant endeavour of the Company to send regular emails to the shareholders keeping them abreast of all the latest events, press releases and corporate announcements that are made by the Company from time to time. Emails to new shareholders on weekly basis intimating corporate profile, annual reports and investor presentation and emails to all shareholders on quarterly basis intimating financial results are being sent to those shareholders who have registered their email addresses with their respective Depository Participants.

Shareholders have been given reminder to encash their dividends. Further, to constantly render effective and reliable services to Investors and to scale it up on a regular basis, the Company has taken an initiative to conduct a survey to assess the requirement and satisfaction of valuable shareholders of the Company. For the said survey, emails were sent to the shareholders with the link to access the Members' Feedback Form and the same was also made available on the website of the Company www.srei.com for electronic submission. In the wake of electronic regime being the order of the day, all shareholders are requested to update their email addresses to enable the Company to serve them better.

The Securities and Exchange Board of India (SEBI) vide its Circular no. SEBI/HO/MIRSD/DOP1/CIR/P/2018/73 dated April 20, 2018 introduced guidelines to streamline and strengthen the procedures and processes with regard to handling and maintenance of records, transfer of securities and payment of dividend/ interest/redemption by the RTAs, Issuer Companies and Bankers to Issue.

SEBI vide the above mentioned Circular advised Issuer Companies to take special efforts through their RTAs to collect copy of PAN, and bank

account details of all securities holders holding securities in physical form. Accordingly, in compliance with the said Circular, letters were sent by Karvy Fintech Private Limited, Registrar and Share Transfer Agents (RTA) of the Company to the concerned shareholders / debenture holders seeking PAN, and bank account details.

The above Circular also required RTAs and Issuer Companies to frame a written policy and maintain strict control on stationery including blank certificates, dividend / interest / redemption warrants. Accordingly, the Stakeholders Relationship Committee at its meeting held on January 25, 2019, recommended a Policy on Control and Maintenance of Stationery to the Board for approval and adoption. Subsequently, the said Policy was approved and adopted by the Board of Directors of the Company at their meeting held on February 04, 2019.

7. Nomination and Remuneration Committee

- Terms of Reference, Composition, Name of Members and Chairman

The Nomination and Remuneration Committee has been constituted in line with the provisions of Section 178 of the Companies Act, 2013 read with Regulation 19 of SEBI Listing

Regulations, 2015. The Nomination and Remuneration Committee comprises Mr. Shyamalendu Chatterjee, Mr. S. Rajagopal, Independent Directors and Mr. Sunil Kanoria, Non-Executive Director. Mr. Shyamalendu Chatterjee acts as the Chairman of the Nomination and Remuneration Committee. Mr. Sandeep Lakhotia, Company Secretary of the Company acts as the Secretary to the Nomination and Remuneration Committee. The Committee evaluates the composition and organization of the Board and its Committees in light of requirements established by any regulatory body or any other applicable statutes, rules and regulations which the Committee deems relevant, makes

recommendations to the Board of Directors in respect to the appointment, re-appointment and resignation of Independent, Executive and Non-Executive Directors of the Company, ensures 'fit and proper' status of the existing/proposed Directors of the Company in accordance with Non-Banking Financial Company – Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016, identifies the persons who are qualified to become Directors and who may be appointed in senior management in accordance with the criteria laid down, recommends to the Board their appointment and

removal and other matters specified for Nomination and Remuneration Committee in Section 178 of the Companies Act, 2013, Companies (Meetings of Board and its Powers) Rules, 2014 and under SEBI Listing Regulations, 2015.

■ Meetings and attendance during the year

Members	No. of Meetings during the tenure of Members	
	Held	Attended
Mr. Shyamalendu Chatterjee	5	5
Mr. Sunil Kanoria	5	4
Mr. S. Rajagopal	5	5

The Nomination and Remuneration Committee at its said meetings discussed and approved various matters delineated in its Terms of Reference including revision of the Nomination and Remuneration Policy, revision of Performance Evaluation Criteria and laying down the manner for performance evaluation, Succession Planning etc. The Nomination and Remuneration Policy was last revised on February 04, 2019 and is available on the Company's website at https://www.srei.com/investor/corporate-policies/pdf/Srei_Nomination_and_Remuneration_Policy.pdf.

8. Subsidiary Companies' Monitoring Framework

All subsidiary companies are Board managed with their Boards having the rights and obligations to manage such companies in the best interest of their stakeholders. The Company does not have any material unlisted subsidiary, and hence, is not required to nominate an Independent Director of the Company on the Board of any subsidiary. However, Srei Equipment Finance Limited (SEFL), wholly owned subsidiary of the Company, is a 'listed material subsidiary' of the

Company with its debt securities listed on Stock Exchanges. The Company monitors performance of subsidiary companies, inter alia, by the following means:

- Financial statements, in particular investments made by unlisted subsidiary companies, are reviewed quarterly by the Company's Audit Committee.
- Minutes of Board meetings of unlisted subsidiary companies are placed before the Company's Board regularly.
- A statement containing all significant transactions and arrangements entered into by unlisted subsidiary companies is placed before the Company's Board.

In addition to the above, the Company has formulated a Policy for determining 'Material' Subsidiaries in accordance with SEBI Listing Regulations, 2015. The said Policy was last revised on February 04, 2019 and is available on the Company's website at https://www.srei.com/investor/corporate-policies/pdf/Policy_on_determining_Material_Subsiidiaries.pdf.

Mr. Shyamalendu Chatterjee, an Independent Director of the Company, is the Chairman (Non-Executive) of Srei

Capital Markets Limited and Independent Director of SEFL, both wholly owned subsidiaries of the Company.

As on March 31, 2019, Srei Equipment Finance Limited (SEFL) is a material Subsidiary of the Company.

9. Corporate Social Responsibility Committee

- Terms of Reference, Composition, Name of Members and Chairman

The Corporate Social Responsibility Committee has been constituted in line with the provisions of Section 135 of the Companies Act, 2013. The Corporate Social Responsibility Committee comprises Mr. Hemant Kanoria, Chairman & Managing Director, Mr. Sunil Kanoria, Non-Executive Director and Mr. Shyamalendu Chatterjee, Non-Executive & Independent Director. Mr. Hemant Kanoria, Chairman & Managing Director of the Company acts as the Chairman of the Corporate Social Responsibility Committee. Mr. Sandeep Lakhotia, Company Secretary of the Company acts as the Secretary to the Committee. The Committee is responsible for

monitoring the Corporate Social Responsibility Policy (CSR Policy) of the Company from time to time, instituting a transparent monitoring mechanism for implementation of the CSR projects or programs or activities undertaken by the Company etc. The Company's CSR Policy is available on

Note: The aforesaid resolution was passed with requisite majority on Sunday, December 10, 2017.

Procedure for Postal ballot

The Company conducted the postal ballot in accordance with the provisions of Section 110 of the Act read with Rule 22 of the Companies (Management & Administration) Rules, 2014 ("Rules"). The Company had completed the despatch of the Postal Ballot Notice dated October

26, 2017 along with the Explanatory Statement, postal ballot form and self-addressed postage pre-paid envelope on November 10, 2017 to all Members whose names appeared on the Register of Members/List of Beneficial Owners as on November 03, 2017. The Notice was sent through electronic mode to those Members, whose e-mail

addresses were registered with the Depository Participants and/or the Registrar and Share Transfer Agents and through physical mode along with a self-addressed postage pre-paid envelope to those Members whose email ids were not so registered.

The Company also published a notice in the newspaper declaring the details

of completion of despatch and other requirements as mandated under the provisions of the Act and Rules framed thereunder. In compliance with the provisions of Sections 108 and 110 of the Act and Rules 20 and 22 of the Rules read with Regulation 44 of SEBI Listing Regulations, the Company had offered the facility of e-voting to its members to enable them to cast their vote electronically. The voting under the postal ballot was kept open from November 11, 2017 (9.00 a.m. IST) to December 10, 2017 (5.00 p.m. IST). Upon completion of scrutiny of the postal ballot forms and votes cast through evoting in a fair and

transparent manner, the scrutinizer i.e. Mr. Mohan Ram Goenka submitted his report to the Company and the results of the postal ballot were announced by the Company on December 12, 2017. The voting results were sent to the Stock Exchanges and also displayed on the Company's website www.srei.com and on the website of Karvy Fintech Private Limited (Karvy), <https://evoting.karvy.com>.

■ Financial Year 2018-19

During the Financial Year 2018-19, the Company sought the approval of the shareholders by way of a Special Resolution through notice of postal

ballot dated February 04, 2019 for continuation of Directorship of Mr. Srinivasachari Rajagopal (DIN: 00022609) as a Non Executive & Independent Director for his present term expiring on 1st August, 2019 notwithstanding that he has attained the age of 75 (seventy five) years, the results of which were announced on March 22, 2019. Mr. Mohan Ram Goenka, Practising Company Secretary, Kolkata (FCS No. 4515, CP No. 2551) was appointed as the Scrutinizer to conduct the Postal Ballot and e-voting process in a fair and transparent manner.

Details of Voting Pattern are as under:

Note: The aforesaid resolution was passed with requisite majority on Thursday, March 21, 2019.

■ Procedure for Postal ballot

The Company conducted the postal ballot in accordance with the provisions of Section 110 of the Act read with Rule 22 of the Companies (Management & Administration) Rules, 2014 ("Rules"). The Company had completed the despatch of the Postal Ballot Notice dated February 04, 2019 along with the Explanatory Statement, postal

ballot form and self-addressed postage pre-paid business reply envelope on February 19, 2019 to all Members whose names appeared on the Register of Members/List of Beneficial Owners as on February 08, 2019. The Notice was sent through electronic mode to those Members, whose e-mail addresses were registered with the Depository Participants and/or the

Registrar and Share Transfer Agents and through physical mode along with a self-addressed postage pre-paid business reply envelope to those Members whose email ids were not so registered.

The Company also published a notice in the newspaper declaring the details of completion of despatch and other requirements as mandated under the

provisions of the Act and Rules framed thereunder. In compliance with the provisions of Sections 108 and 110 of the Act and Rules 20 and 22 of the Rules read with Regulation 44 of SEBI Listing Regulations, the Company had offered the facility of e-voting to its members to enable them to cast their vote electronically. The voting under the postal ballot was kept open from February 20, 2019 (9.00 a.m. IST) to March 21, 2019 (5.00 p.m. IST). Upon completion of scrutiny of the postal ballot forms and votes cast through evoting in a fair and transparent manner, the scrutinizer i.e. Mr. Mohan Ram Goenka submitted his report to the Company and the results of the postal ballot were announced by the Company on March 22, 2019. The voting results were sent to the Stock Exchanges and also displayed on the Company's website www.srei.com and on the website of Karvy Fintech Private Limited (Karvy), <https://evoting.karvy.com>.

No Resolution requiring a postal ballot was placed before the last AGM of the Company held on July 21, 2018.

The Company may seek to pass Special Resolution(s) in Financial Year 2019-20 through Postal Ballot, as and when required, subject to applicable Acts and Rules. Pursuant to the provisions of the Companies Act, 2013, in view of the e-voting facilities provided by the Company, none of the businesses proposed to be transacted at the ensuing AGM require passing a resolution through postal ballot.

19. Disclosures

■ Disclosures on materially significant related party transactions that may have potential conflict with the interests of Company at large

Transactions effected with the related parties are disclosed under Note No. 39 in 'Notes to the Financial Statements' in the Annual Report, in accordance with the requirements of IND AS 24

as notified by the Companies (Indian Accounting Standards) Rules, 2015.

A Statement in summary form of the transactions with related parties is periodically placed before the Audit Committee for review and approval and thereafter recommendation to the Board for their approval, wherever required.

The Company's related party transactions, during the year, are primarily with the subsidiaries and associates of the Company. All these transactions are in the normal course of business and have no potential conflict with the interest of the Company at large and are generally carried out on an arm's length basis. The related party transactions are entered into based on considerations of various business exigencies, such as synergy in operations, sectoral specialization and the Company's long-term strategy for sectoral investments, optimization of market share, profitability, legal requirements, liquidity and capital resources of subsidiaries and associates.

Besides the transactions reported in the Annual Report as aforesaid, no transaction of material nature has been entered into by the Company with its Directors or Key Managerial Personnel (KMPs) and their relatives that may have a potential conflict with the interests of the Company at large. The Company has not entered into any material related party transactions with any of its related parties during the financial year 2018-19. The Register of Contracts containing transactions, if any, in which Directors are interested, is placed before the Board regularly.

The Company has formulated Related Party Transactions (RPT) Policy which provides a framework to regulate transactions between the Company and its related parties based on the laws and regulations applicable to the Company. The said Policy was last revised on February 04, 2019 and is available on the Company's website

at https://www.srei.com/investor/corporate-policies/pdf/Related_Party_Transactions_Policy.pdf.

Prior approval of Audit Committee is obtained for all Related Party Transactions (RPTs), wherever applicable, except for the Related Party Transactions (RPTs) for which omnibus approval is granted by the Audit Committee from time to time.

■ Details of non-compliance by the Company, penalties, strictures imposed on the Company by Stock Exchange(s) or SEBI or any statutory authority, on any matter related to capital markets, during the last three years

During the last 3 (Three) years, there were no strictures or penalties imposed by either Stock Exchanges or Securities and Exchange Board of India (SEBI) or any statutory authority for non-compliance of any matter related to the capital markets.

In regard to the Application under Section 633 of the Companies Act, 1956 filed on November 26, 2008 in the Hon'ble Calcutta High Court by the Directors and Company Secretary of the Company, the Ad-interim order of injunction restraining the Regional Director and the Registrar of Companies, West Bengal from instituting or causing to be instituted any proceedings against the Directors and Company Secretary of the Company is still continuing.

■ Insider Trading Code

In accordance with the SEBI (Prohibition of Insider Trading) Regulations, 2015 (PIT Regulations, 2015), the Board of Directors of the Company adopted the Code of Conduct for Prohibition of Insider Trading (Srei Insider Code) for prohibition of Insider Trading by the Designated Employees and their immediate relatives as well as Promoter and Promoter Group of the Company. Further, awareness emails are circulated to all the Designated Employees of the

Company on a monthly basis for increasing awareness, highlighting the compliance requirements arising out of the Srei Insider Code including FAQs and the Do's and Don'ts on insider trading. Further, "Srei Chanakya", a smartphone knowledge application, which can be freely downloaded on Android and iOS devices also serves as a means to create insider trading awareness through the detailed list of compliances under Srei Insider Code, FAQ's on Insider Trading and Do's and Don'ts for insider trading. Further, initiatives have been taken by the Company to spread insider trading awareness by sending bulk SMS to all the Designated Employees of the Company intimating them about the closure of Trading Window and flashing the Do's and Don'ts as screen savers on the desktops / laptops of the Designated Employees.

The Board, at its meeting held on February 04, 2019, has revised the Srei Insider Code effective from April 01, 2019 in line with regulatory changes.

Further, with the sole objective of increasing awareness on Srei Insider Code in an easy and simple manner, an Insider Trading Module, a webinar course on Lead Srei Online, is made available for Designated Employees of the Company.

Mr. Sandeep Lakhota, Company Secretary is the Compliance Officer for monitoring adherence to the Regulations for the preservation of price sensitive information, pre-clearance of trades and implementation of the Srei Insider Code.

■ Fair Disclosure Code

Pursuant to Regulation 8 read with Schedule A of the PIT Regulations, 2015, the Board of Directors of the Company adopted the Code of Practices and Procedures for Fair Disclosure of Unpublished Price Sensitive Information (UPSI) (Srei Fair Disclosure Code) which lays down principles and practices to be followed by the Company pertaining to universal

disclosure of UPSI. The said Code was last revised on February 04, 2019.

Mr. Sanjeev Sancheti, Chief Strategy Officer, also designated as Chief Investor Relations Officer, is authorised to deal with dissemination of information and disclosure of UPSI in a fair and unbiased manner. A quarterly certificate, affirming compliance with the Srei Fair Disclosure Code is placed before the Stakeholders Relationship Committee for noting. The said Code is available on the Company's website at https://www.srei.com/investor/corporate-policies/pdf/Code_of_Practices_and_Procedures_for_Fair_Disclosure_of_UPSI_.pdf.

■ Disclosure of events or information pursuant to SEBI Listing Regulations, 2015

Pursuant to Regulation 30(1) of SEBI Listing Regulations, 2015, the Board of Directors of the Company adopted the Policy for determination of Materiality of any event/information for the purpose of proper, sufficient and timely disclosure of the same to the stock exchange(s). The Policy for determination of Materiality of any event/information was last revised on February 04, 2019 and the said Policy is available on the Company's website at https://www.srei.com/investor/corporate-policies/pdf/Policy_for_determination_of_Materiality_of_any_Event_or_Information.pdf.

The Committee of Key Executives for the determination of Materiality of events/information comprises:

Name	Designation
Mr. Hemant Kanoria	Chairman & Managing Director
Mr. Rakesh Bhutoria*	Chief Executive Officer (CEO)
Mr. Sanjeev Sancheti	Chief Strategy Officer
Mr. Sandeep Kumar Sultania**	Chief Financial Officer (CFO)

*Inducted as Member w.e.f. 16.11.2018

**Inducted as Member w.e.f. 05.07.2018

Further, Mr. Sandeep Lakhota, Company Secretary of the Company

acts as the coordinator and liaison officer for dissemination of material events/information to the Stock Exchanges(s) in terms of SEBI Listing Regulations, 2015 and Company's Policy.

Further, in compliance with Regulation 30(8) of SEBI Listing Regulations, 2015, all such events or information which has been disclosed to Stock Exchanges under the said regulation has been disclosed on the website of the Company www.srei.com.

Further, with the objective of increasing awareness on disclosure requirements arising under Regulation 30 of SEBI Listing Regulations, 2015, the SEBI Listing Regulations Module, a webinar course on Lead Srei Online, is made available for Senior Employees of the Company.

■ Whistle Blower Policy (Vigil Mechanism)

The Company has formulated a codified Whistle Blower Policy in order to encourage Directors and employees of the Company to escalate to the level of the Audit Committee any issue of concerns impacting and compromising with the interest of the Company and its stakeholders in any way. The Company is committed to adhere to highest possible standards of ethical, moral and legal business conduct and to open communication and to provide necessary safeguards for protection of employees from reprisals or victimisation, for whistle blowing in good faith. The said Policy was last revised on February 04, 2019 and is available on the Company's website at https://www.srei.com/investor/corporate-policies/pdf/Whistle_Blower_Policy.pdf.

The Company affirms that none of the employees have been denied access to the Audit Committee. Quarterly report with number of complaints received, if any, under the Whistle Blower Policy and their outcome is placed before the Audit Committee of the Company at quarterly intervals.

Further, no complaints were received during the year under the Whistle Blower Policy.

■ Policy against Sexual and Workplace Harassment

The Company is committed to provide and promote a safe, healthy and congenial atmosphere irrespective of gender, caste, creed or social class of the employees. The Company in its endeavour to provide a safe and healthy work environment for all its employees has developed a policy to ensure zero tolerance towards verbal, physical, psychological conduct of a sexual nature by any employee or stakeholder that directly or indirectly harasses, disrupts or interferes with another's work performance or creates

an intimidating, offensive or hostile environment such that each employee can realize his / her maximum potential. Further, the Company has created an online module for the employees which will help the learner to understand the costs of sexual harassment at workplace and the importance of prevention of sexual harassment. Further, the module will familiarise the employees not just about the legal requirements but also the moral and ethical reasons why organisations must promote healthy workplace.

The Company has put in place a 'Policy on Prevention of Sexual Harassment' as per The Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act,

2013 ('Act'). The Policy is meant to sensitize the employees about their fundamental right to have safe and healthy environment at workplace. As per the Policy, any employee may report his / her complaint to the Internal Complaint Committee formed for this purpose. The Company affirms that during the year under review adequate access was provided to any complainant who wished to register a complaint under the Policy.

The details of complaints during the Financial Year 2018-19 pursuant to Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 and Company's Policy on Prevention of Sexual Harassment is as under:

FY 2018-19

Number of complaints filed	Number of complaints disposed off	Number of complaints pending
NIL	NIL	Nil

20. Means of Communication

The Company regularly interacts with the shareholders through the multiple channels of communication such as publication of results, Annual Report, Press Release and the Company's website. The Company also informs the Stock Exchanges in a prompt manner,

all price sensitive information as well as all such other material and relevant matters which in its opinion are material and relevant for the shareholders. The Company effectively uses NEAPS (NSE Electronic Application Processing System) and BSE Corporate Compliance & Listing Centre, a web based application designed

by National Stock Exchange of India Limited and BSE Limited, respectively, for filing of shareholding pattern, corporate governance report, financial statements and significant corporate announcements thereby saving time, cost and ensuring operational efficiency.

■ Quarterly results	The Quarterly results of the Company are published in prominent English Newspaper having nationwide circulation as well as Bengali Newspaper and regularly hosted on Company's website. Further, pursuant to Regulation 47 read with Regulation 33 of SEBI Listing Regulations, 2015, extract of the Consolidated Results were published as per the prescribed format.
■ Newspapers in which results are normally published	Business Standard, HT Mint, Hindu Business Line, Financial Express and Ek Din.
■ Any website, where displayed	Yes, at the Company's website www.srei.com
■ Whether it also displays official news releases	Yes
■ The presentations made to institutional investors or to the analysts	Yes Pursuant to Para A of Part A of Schedule III read with Regulation 30 of SEBI Listing Regulations, 2015, schedule of analyst or institutional investor meet and presentations on financial results made by the Company to analysts or institutional Investors, if any, has been duly disclosed by the Company to the Stock Exchanges and the same has also been simultaneously disseminated on the Company's website www.srei.com pursuant to Regulation 46(2) of the said Regulations.
■ Whether MD & A is a part of Annual Report or not	Yes

21. General Shareholders' Information

A section on Shareholders' Information is separately provided in the Annual Report.

B. DISCRETIONARY REQUIREMENTS

(Regulation 27 of SEBI Listing Regulations, 2015)

a) Chairman of the Board Whether Non-Executive Chairman is entitled to maintain a Chairman's office at the Company's expense and also allowed reimbursement of expenses incurred in performance of his duties	Not Applicable as the Company has an Executive Chairman.
b) Shareholder rights A half-yearly declaration of financial performance including summary of the significant events in last six-months, may be sent to each household of shareholders	<p>Since quarterly, half-yearly and annual results of the Company are published in a leading English daily newspaper having a nationwide circulation and a Bengali daily newspaper (having circulation in Kolkata) and regularly hosted on Company's website, these are not sent individually to the shareholders of the Company. There is no declaration/publication of second half yearly results as the audited annual results are taken on record by the Board and then communicated to the shareholders through the Annual Report. However, emails are sent on a quarterly basis to the shareholders of the Company having e-mail ids giving financial highlights of the Company.</p> <p>The Annual Report of the Company for the financial year 2018-19 shall be emailed to the Members whose email addresses are available with the depositories or are obtained directly from the Members, as per Section 136 of the Companies Act, 2013 and Rule 11 of the Companies (Accounts) Rules, 2014. For other Members, who have not registered their email addresses, the Annual Report shall be sent at their registered address. If any Member wishes to get a duly printed copy of the Annual Report, the Company shall send the same, free of cost, upon receipt of request from the Member.</p> <p>The Company communicates with shareholders through e-mail, telephone and one on one meetings either in shareholder's conferences, Company visits or on road shows.</p>
c) Modified opinion(s) in audit report Company may move towards a regime of unmodified financial statements	It is always the Company's endeavour to present unmodified financial statements. There is no audit modification in the Company's financial statements for the year ended on March 31, 2019.
d) Separate posts of Chairman and CEO The Company may appoint separate persons to the post of Chairman and Managing Director / CEO	The positions of Chairman and Chief Executive Officer (CEO) are separate. The Chairman of the Company is an Executive Director and his position is separate from that of the CEO.
e) Reporting of Internal Auditor The Internal Auditor may report directly to the Audit Committee	The Internal Auditor of the Company is a permanent invitee to the Audit Committee Meetings and regularly attends the Meetings for reporting audit findings to the Audit Committee.

Perpetual NCDs	-	BWR AA-

There has been no revision in any of the credit ratings assigned by the credit rating agencies during the Financial Year 2018-19.

20. Commodity Price risk, Foreign Exchange risk and Hedging activities

The Company does not deal in any commodity and hence is not exposed to any commodity price risk. Further, as an integral part of the overall risk management system, the Company addresses different forms of market risks, viz., liquidity risk, interest rate risk and foreign exchange risk. The Company has adopted a comprehensive approach for market risk that not only hedges against market risks, but also endeavours to maximise the risk-adjusted rate of return of the portfolio by keeping close track of macro-economic developments including changes and its impact on movement in interest rates, foreign exchange rates and liquidity position in the market.

Foreign exchange risk management becomes an imperative as the Company also borrows money in foreign currency while lending is in domestic currency. Therefore, in order to optimise the cost of funds and diversify the funding mix, effective hedging strategies are put in place in keeping with the Company's risk appetite; and limits pertaining to an open position are devised.

21. Measures adopted to protect the interests of the Shareholders

a. Share Transfer Processing

Requests for share transfers are registered and share certificates or receipts or advices, as applicable, of transfers are issued or any valid objection or intimation to the transferee or transferor, as the case may be, are issued within a time period of 15 (Fifteen) days from the date of receipt subject to the documents being valid and complete in all respects in accordance with the requirements of Regulation 40(3) of SEBI Listing Regulations, 2015. Further, with the aim of curbing fraud and manipulation in risk associated with physical transfers, SEBI on June 08, 2018, notified the SEBI (LODR) (Fourth Amendment) Regulations, 2018 stating that except in the case of transmission or transposition of securities, requests for the transfer of listed securities shall not be processed unless the securities are held in the dematerialized form with a depository w.e.f. December 05, 2018. The deadline was further extended by SEBI to April 01, 2019. Necessary intimations in this regard were sent to the concerned Shareholders by the Company.

The amendment does not prohibit the shareholders from holding the shares in physical form. Shareholder has the option of holding shares in physical form even after April 01, 2019. However, any shareholder who is desirous of transferring shares (which are held in physical form) after April 01, 2019 can do so only after the shares are dematerialized. In view of the above and the inherent benefits of holding shares in electronic form, the shareholders holding shares in physical form are advised to opt for dematerialization at the earliest.

The Stakeholders Relationship Committee meets at regular intervals. During the year 2018-19, the Stakeholders Relationship Committee met 4 (Four) times. Total number of shares physically transferred during the year 2018-19 was 5,744 Equity shares. There are no legal cases relating to transfer of shares.

The Company obtains from a Company Secretary in Practice half-yearly certificate of compliance pertaining to share transfer formalities as required under Regulation 40(9) of SEBI Listing Regulations, 2015 and files a copy of the certificate with the Stock Exchanges.

b. Redressal of Grievances

Investor servicing is one of the key ingredient of good Corporate Governance practices to enhance stakeholders' confidence. Necessary system has been put in place in order to attend with promptness any grievances or queries by the Shareholders. Personal calls and proactive follow-ups have only enhanced stakeholders' confidence which has enabled retaining NIL investor grievances status month on month.

Various initiatives undertaken to closely monitor the grievances / correspondences of Equity shareholders are as follows:

- A designated e-mail ID 'investor.relations@srei.com' is available to address the Investor Grievances on a day to day basis;
- Weekly e-mails are sent to those shareholders whose e-mail IDs are registered with the Company/RTA, intimating brief highlights of the latest publicly available financial results;
- Shareholders' Referencer, a handbook for shareholders is available on the Company's website at <https://www.srei.com/sites/default/files/shareholders-referencer.pdf>. It serves as an easy guide for the investor's share and dividend related queries and inter-alia covers the shareholders' grievance redressal mechanism and their duties & responsibilities.

Further, with the issue of Non-Convertible Debentures (NCDs), serving Debenture holders / Bond holders has also become equally important. Daily tracker on NCD grievances mechanism is available to closely monitor the movements and ensure faster deliverables. Various initiatives undertaken by the Company to closely monitor the grievances / correspondences of the Bond Holders are as follows:

- A login based and password protected online portal i.e., Srei First Account has been developed for the bond holders to help them keep track on their investments in NCDs/ bonds online;
- A designated e-mail ID 'connect@sreibonds.com' is available to address the grievances of bond holders on a day to day basis;
- A toll free number +180 04197734 is readily available for the bond holders to address their grievances.

In addition to the above, a comprehensive Investor Grievance Redressal Policy has been formulated and put in place by the Company.

The investor complaints are processed in a centralised web-based complaints redress system called SEBI Complaints Redress System (SCORES). The salient features of this system are: Centralised database of all complaints, online upload of Action Taken Reports (ATRs) by concerned Companies and online viewing by investors of actions taken on the complaint and its current status. The Company had obtained SCORES authentication in June, 2011, when the said concept was introduced by SEBI and the Company has maintained a track record of resolving the grievances of investors received on SCORES within the stipulated time period specified by SEBI.

The Securities and Exchange Board of India (SEBI) issued Circular No. CIR/OIAE/1/2014 dated December 18, 2014 on SCORES consolidating all the earlier Circulars issued relating to SCORES. The said Circular provides that failure by listed companies and SEBI registered intermediaries to file Action Taken Report under SCORES within 30 (Thirty) days of date of receipt of the grievance shall not only be treated as failure to furnish information to SEBI but shall also be deemed to constitute non-redressal of investor grievance. Further, SEBI vide its Circular No. SEBI/HO/OIAE/IGRD/CIR/P/2018/58 dated March 26, 2018 has permitted investors to directly approach listed companies / registered intermediary for redressal of their complaints via SCORES Platform w.e.f. August 01, 2018. The entity is required to redress the grievance within 30 (thirty) days, failing which the complaint shall be registered in SCORES.

There are no pending investor grievances lying unresolved as per the data available on SCORES as on March 31, 2019.

c. Prevention of Fraudulent Transfers

A locking provision is in existence whereby, whenever any intimation is received from the shareholders regarding loss of shares or of any legal dispute, the shares are immediately kept locked so that fraudulent transfer is stalled.

d. Dematerialisation of Shares and Liquidity

Based on a SEBI directive, the Equity shares of the Company are permitted to be traded only in dematerialised form and are available for demat under both the Depositories in India - National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL).

As on March 31, 2019, a total of 50,03,06,056 Equity shares of the Company representing 99.45% of the total Equity Share Capital were held in dematerialised form. The entire Promoters' Group shareholding of the Company is in dematerialised form.

The bifurcation of shares held in Physical and Demat form as on March 31, 2019 is given below –

Physical / Electronic	No. of Holders*	No. of Shares	%
Physical	3,088	27,80,277	0.55
NSDL	40,966	16,38,34,863	32.57
CDSL	30,916	33,64,71,193	66.88
Total	74,970	50,30,86,333	100.00

*based on no. of folios

For any assistance in converting physical shares in electronic form, investors may approach Karvy Fintech Private Limited or the Company Secretary of the Company.

The Equity shares of the Company are actively traded on the Stock Exchanges.

f. Registrar and Share Transfer Agents (RTA)	<p>The share transfer and shareholder related activities of the Company are attended and processed by the Registrar and Share Transfer Agents (RTA) of the Company. It is the responsibility of the RTA, inter alia, to register share transfers, coordinate with the depositories and to look after the redressal of shareholders' and Investors' complaints. The complaints / queries received from Investors relating to transfer of shares, non-receipt of annual reports, dividends, share certificates etc. and also the complaints / queries received through SEBI, MCA and the Stock Exchanges are being attended to by the RTA on priority basis.</p> <p>Karvy Fintech Private Limited (Karvy), Karvy Selenium Tower B, Plot 31-32, Financial District, Nanakramguda, Serilingampally Mondal, Hyderabad – 500 032, India, is the Registrar and Share Transfer Agents (RTA) of the Company for Equity Shares.</p> <p>Karvy also acts as the Registrar to Various Public Issues of Non-Convertible Debt securities (NCD's) issued by the Company from time to time.</p>	
g. Fund Raising	<p>During the year, the Company issued unsecured perpetual Non-Convertible Debentures (NCDs) amounting to 320 Crores on private placement basis in various tranches. The issue proceeds raised through private placement of NCDs have been utilized for the purpose of refinancing existing debt or for disbursement and for general business purpose.</p> <p>Karvy Fintech Private Limited (Karvy) is the Registrar to the aforesaid NCDs issued by the Company on private placement basis.</p>	
h. Investor Relations	<p>Global macro and business environment has been very dynamic in the past year with implications on Company's business and financial performance. In this context, the Company recognises the imperatives to maintain continuous dialogue with the investor community. This is done with the objective to abreast the Investors of all the significant developments that may likely impact the Company's performance. This translates into feeding timely, accurate and relevant information that helps investors in taking informed investment decisions.</p> <p>The Company focuses to build Investor Relations on pillars of trust and transparency. The Company's proactive approach has enabled global investor community to better understand the management objectives, corporate strategies and overall performance of the Company over a period of time.</p> <p>To deliver an effective communication, the Investor Relations Department of the Company effectively deploys tools like Annual Report, Quarterly Earnings, Investor Release, Conference Calls, one on one Investor Meets, General Meetings and Internet (Company website) to serve as a link to stay connected with the Investors. In order to enable the Company to serve better, the Members are requested to update their database with the Company by filling in and returning to the Company the Shareholders Information Form available on the Company's website at https://www.srei.com/sites/default/files/Shareholder_Information_Form.pdf or by e-mailing the information at investor.relations@srei.com.</p>	

i. Investor Feedbacks	<p>It is the constant endeavour of the Company to improve the standard of its Investor services. The Company has stipulated internal timeframes for responding to Investors' correspondence and adherence thereof is monitored by the Stakeholders Relationship Committee.</p> <p>In pursuit of excellence in Corporate Governance and to constantly improve standards of service, communication and disclosures, the Company conducted a preliminary survey during the year to assess the requirement and satisfaction of valuable Investors on following broad parameters:</p> <ol style="list-style-type: none"> 1. Timely receipt of Annual Reports, Dividend and other documents / correspondence. 2. Quality and contents of Annual Report. 3. Dissemination of information about the Company through shareholder communication, Annual Reports, Newspapers / Press, Company's website, e-mails, earnings conference call transcripts. 4. Response time and satisfaction level experienced in transfer / transmission of shares, sub-division of shares, issue of duplicate share certificates, change of address, revalidation of dividend warrants, exchange with new share certificates, registration of nomination etc. 5. Interaction with Company officials. 6. Interaction with Registrar and Share Transfer Agents. 7. Investor services section of the Company's website. 8. Annual General Meeting w.r.t. overall arrangements, attendance facilities, voting on i-pads, Chairman's communication. 9. Overall rating of Company's Investor services. <p>The Investors have expressed their satisfaction on the quality of services rendered by the Company. The Company is constantly in the process of enhancing the service levels based on feedbacks received from the Investors.</p>
22. Address for Shareholders' correspondence	<p>The Company Secretary Srei Infrastructure Finance Limited 'Vishwakarma', 86C, Topsia Road (South) Kolkata – 700 046 Email : secretarial@srei.com, investor.relations@srei.com</p>
23. Transfers to the Investor Education and Protection Fund (IEPF)	<p>a. Unpaid Dividend on Equity shares</p> <p>Pursuant to Section 124(5) of the Companies Act, 2013, dividends that are unpaid / unclaimed for a period of 7 (Seven) years from the date they became due for payment are required to be transferred by the Company to the Investor Education and Protection Fund (IEPF) administered by the Central Government.</p> <p>During the year under review, the Company has credited a sum of Rs. 6,31,629 to the Investor Education and Protection Fund pursuant to Section 124(5) of the Companies Act, 2013, being the dividend amount pertaining to the financial year ended on March 31, 2011, which was due & payable and remained unclaimed and unpaid for a period of 7 (Seven) years. Cumulatively, the aggregate dividend amount transferred to the said Fund upto March 31, 2019 stands at Rs. 64,27,322.69.</p> <p>The dates of declaration of dividend and corresponding dates when unpaid / unclaimed dividends are due for transfer to IEPF are as follows:</p>

Financial Year	Date of Declaration of Dividend	Due Date of Transfer to IEPF
2011 – 12	August 10, 2012	September 15, 2019
2012 – 13	August 14, 2013	September 19, 2020
2013 – 14	August 02, 2014	September 07, 2021
2014 – 15	August 01, 2015	September 06, 2022
2015 – 16	August 06, 2016	September 11, 2023
2016 – 17	July 22, 2017	August 27, 2024
2017 – 18	July 21, 2018	August 20, 2025
2018 – 19	March 08, 2019*	April 11, 2026

*Interim Dividend

The shareholders are regularly advised to claim the un-encashed dividends lying in the unpaid dividend accounts of the Company before the due dates for crediting the same to the Investor Education and Protection Fund. Further, the details of dividend unclaimed by the Members for the past years which have not yet been transferred to the Central Government are readily available for view by the Members on the website of the Company www.srei.com. Further, the Members are advised to glance through the database and lodge their claim with the Company's Registrar and Share Transfer Agents for dividend which have remained unclaimed.

b. Unpaid Deposits and Interests thereon

During the year under review, the Company transferred a sum of Rs. 33,302 (Rupees Thirty Three Thousand Three Hundred and Two only) to IEPF, being the unpaid amount of unpaid deposits and interests thereon, as provided in Section 125 of the Companies Act, 2013 read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016.

c. Equity shares in respect of which dividend has not been paid / claimed for 7 (seven) consecutive years or more

During the year under review, the Company transferred 1,75,395 Equity shares to IEPF in accordance with the provisions of Section 124(6) and 125 of the Companies Act, 2013 read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 after sending letters to shareholders holding those shares and also making an advertisement in the newspapers in this regard. Details of the shares transferred to IEPF are available on the Company's website under the link <https://www.srei.com/sites/default/files/details-of-shares-transferred-to-iepf.pdf>.

Total number of Equity shares lying in IEPF account as on March 31, 2019 aggregates to 3,27,002 shares.

The Company will issue letters to those shareholders whose shares are eligible to be transferred to IEPF during the financial year 2019-20 by giving them at least 3 (three) months' notice and also informing them through an appropriate advertisement in the newspapers.

Further, pursuant to the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, the voting rights on shares transferred to the IEPF shall remain frozen until the rightful owner claims the shares. However, for the purpose of the Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011, the shares which have been transferred to the Authority shall not be excluded while calculating the total voting rights.

The shares transferred to IEPF, including all benefits accruing on such shares, if any, can be claimed back by the Shareholders from the IEPF Authority after following the procedure prescribed under the Rules. Guidelines for Shareholders to file claim in respect of the unclaimed dividend and / or shares transferred to IEPF is available on the Company's website under the weblink <https://www.srei.com/investor/srei-shareholders/transfer-of-shares-to-iepf>.

d. Dividend on Equity shares which have been transferred to IEPF

Rule 6(12) of the Investor Education and Protection Fund (Accounting, Audit, Transfer and Refund) Rules, 2016 provides that any further dividend received on shares transferred to IEPF shall be credited to the Fund and a separate ledger account shall be maintained for such proceeds.

During the year under review, the Company declared a dividend of Re. 0.50 per Equity share (5 per cent) for the financial year 2017-18 to the Members of the Company, as approved by the shareholders at the Annual General Meeting (AGM) of the Company held on July 21, 2018. The Company further declared an interim dividend of Re. 0.50 per Equity share (5 per cent) for the financial year 2018-19 to the Members.

In compliance with the aforesaid rule, the Company transferred dividend of Rs. 2,39,304.50 (Rupees Two Lacs Thirty Nine Thousand Three Hundred and Four and Fifty Paise only) on the equity shares which were lying in IEPF Demat Account as on the record date for payment of such dividends, to IEPF.

24. Nomination

Individual shareholders holding shares singly or jointly in physical form can nominate a person in whose name the shares shall be transferable in case of death of the registered shareholder(s). Nomination forms can be obtained from the Company's Registrar and Share Transfer Agents or can be downloaded from the Company's website at <https://www.srei.com/investor/srei-shareholders/shareholders-information/feedback-forms>. Nomination facility in respect of shares held in electronic form is available with the Depository Participants as per bye-laws and business rules applicable to NSDL and CDSL.

25. Payment of Dividend etc. in electronic mode

Pursuant to Regulation 12 of SEBI Listing Regulations, 2015, listed entity shall use any of the electronic modes of payment facility approved by the Reserve Bank of India (RBI) in the manner specified in Schedule I of SEBI Listing Regulations, 2015, for making payments of dividend, interest, redemption or repayment amounts etc. However, where it is not possible to use electronic mode of payment, 'payable at-par' warrants or cheques may be issued. Further, where the amounts payable as dividend exceeds R. 1,500 (Rupees One Thousand and Five Hundred only), the 'payable at-par' warrants or cheques shall be sent by speed post.

The Company is using various RBI approved electronic mode of payment for making payments such as dividend, etc. to the investors, failing which the bank details available with the depository participants and the Company's Registrar and Share Transfer Agents (RTA) are printed on the physical payment instruments.

Payment of dividend and other benefits through electronic mode is beneficial to the Members since the risks associated with receiving payment through dividend warrants and other instruments such as loss in transit/misplacement/revalidation etc. can be easily mitigated.

Members who wish to avail of the electronic facility of remittance, may update their bank details with the depository participants for shares held in demat form and Members holding securities of the Company in physical form are requested to update their bank details with the Company or its RTA by sending a duly filled and signed National Automated Clearing House (NACH) Mandate Form available on the website of the Company www.srei.com.

The Company is using NACH mandate for remittance of dividend either through NACH or other electronic modes failing which the bank details available with the depository participants and the Company's RTA are printed on the dividend warrant. All the arrangements are subject to RBI guidelines, issued from time to time.

Members who wish to receive dividend in a bank account other than the one registered with the depository participants for shares held in demat form and with the Company's RTA for shares held in physical form, may notify their depository participants and the Company or its RTA, respectively, about any change in the bank account details.

Further, pursuant to Regulation 43A of SEBI Listing Regulations, 2015, a Dividend Distribution Policy was adopted by the Company covering, inter alia, the parameters for declaration of dividend, utilization of retained earnings, procedure for dividend declaration etc. The Company's Dividend Distribution Policy is available on the Company's website at <https://www.srei.com/investor/corporate-policies/pdf/dividend-distribution-policy.pdf>.

26. Reconciliation of Share Capital Audit	As stipulated by SEBI, a qualified practicing Company Secretary carries out an audit to reconcile the total admitted capital with National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) and the total issued and listed capital. This audit is carried out every quarter and the Report thereon is submitted to the concerned Stock Exchanges. The audit confirms that the total Listed and Paid-up Capital is in agreement with the aggregate of the total number of shares in dematerialized form (held with NSDL and CDSL) and total number of shares in physical form.
27. Secretarial Standards issued by The Institute of Company Secretaries of India (ICSI)	The Institute of Company Secretaries of India (ICSI), one of the premier professional bodies in India, has issued Secretarial Standards on Board Meetings and General Meetings. Further, pursuant to Section 118(10) of the Companies Act, 2013, every company shall observe secretarial standards specified by ICSI with respect to Board and General Meetings. The Company confirms that it has duly adhered to the said Secretarial Standards.
28. Secretarial Audit	The Secretarial Auditor appointed by the Company undertook the Secretarial Audit of records and documents in accordance with Section 204 of the Companies Act, 2013 and the Rules made thereunder. The Secretarial Audit Report confirms that the Company has complied inter alia with all the applicable provisions of the Companies Act, 2013 and the Rules made thereunder, the Securities Contracts (Regulation) Act, 1956 and Rules made thereunder, Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder, Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings, SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, Secretarial Standards issued by The Institute of Company Secretaries of India (Secretarial Standards with respect to Meetings of Board of Directors (SS-1) and General Meetings (SS-2) issued by The Institute of Company Secretaries of India), Securities Contracts (Regulation) Act, 1956 and all the Regulations and Guidelines of the Securities and Exchange Board of India (SEBI) as applicable to the Company, including the SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011, SEBI (Prohibition of Insider Trading) Regulations, 2015, the SEBI (Issue and Listing of Debt Securities) Regulations, 2008, the SEBI (Registrars to an Issue and Share Transfer Agents) Regulations, 1993, SEBI (Delisting of Equity Shares) Regulations, 2009 and the Reserve Bank of India Directions, Guidelines and Circulars applicable to Systemically Important Non-Deposit Accepting or Holding NBFCs (NBFC – ND – SI). The Secretarial Audit Report for the financial year ended March 31, 2019 is provided in the Annual Report.
29. Compliance Officer	Mr. Sandeep Lakhotia Company Secretary FCS 7671 'Vishwakarma', 86C, Topsia Road (South) Kolkata – 700 046 Tel : 91-33-6160 7734 Fax : 91-33-2285 7542 / 8501 Email : secretarial@srei.com , investor.relations@srei.com

30. Role of Company Secretary in overall governance process	<p>The Company Secretary plays a key role in ensuring that the Board procedures are followed and regularly reviewed. He assists and advises the Board in ensuring good corporate governance as well as in complying with the corporate governance requirements. The Company Secretary ensures that all relevant information, details and documents are made available to the Directors and senior management for effective decision making at the meetings. The Company Secretary is primarily responsible to ensure compliance with applicable statutory requirements and in accordance under Section 205 of the Companies Act, 2013 reports to the Board regarding compliance with the provisions of the Companies Act, 2013, the rules made thereunder and other laws applicable to the Company. He is also the interface between the management and regulatory authorities for governance matters. All the Directors of the Company have access to the advice and services of the Company Secretary.</p>
31. Certification regarding non-disqualification or non-debarment of Directors	<p>The Company has obtained a certificate from Mr. Mohan Ram Goenka (Membership No. FCS 4515, Certificate of Practise No. 2551) certifying that none of the Directors on the Board of the Company have been debarred or disqualified from being appointed or continuing as directors of companies by the Securities and Exchange Board of India (SEBI) /Ministry of Corporate Affairs (MCA) or any such statutory authority. A copy of the said certificate is set out as an annexure to the Corporate Governance Report and forms part of this Annual Report.</p>

DIVIDEND DISTRIBUTION POLICY

[Pursuant to Regulation 43A of the Securities and Exchange Board of India
(Listing Obligations and Disclosure Requirements) Regulations, 2015]

1. PREAMBLE

The Securities Exchange Board of India (SEBI) vide Notification dated 8th July, 2016 amended the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (by inserting Regulation 43A, which mandates top 500 Listed Companies, based on market capitalization (calculated as on March 31 of every financial year)) ("Listing Regulations") to formulate a Dividend Distribution Policy, which shall be disclosed in their Annual Reports and on their websites.

2. OBJECTIVE

In Compliance with Regulation 43A of the Listing Regulations, the Board of Directors ("the Board") of Srei Infrastructure Finance Limited ("the Company") endeavors to have a consistent dividend policy that balances the dual objectives of appropriately rewarding the shareholders of the Company through dividends and retaining capital, in order to support future growth.

The Philosophy of the Company is to maximize the Shareholders' wealth in the Company through various means.

3. DEFINITIONS

- 3.1 **"Act"** shall mean the Companies Act, 2013 and Rules made thereunder, including any modification(s) or amendment(s) thereof.
- 3.2 **"The Company" or "Srei"** shall mean Srei Infrastructure Finance Limited.
- 3.3 **"Board" or "Board of Directors"** shall mean Board of Directors of the Company.
- 3.4 **"Dividend"** shall mean Dividend as defined under Companies Act, 2013.

3.5 **"Policy or this Policy"** shall mean the Dividend Distribution Policy.

3.6 **"Listing Regulations"** shall mean the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 together with the circulars etc. issued thereunder, including any statutory modification(s) or re-enactment(s) thereof for the time being in force.

3.7 Words and expressions used and not defined in this Policy but defined in Companies Act, 2013 or rules made thereunder or Securities and Exchange Board of India Act, 1992 or regulations made thereunder or Depositories Act, 1996 shall have the meanings respectively assigned to them in those Acts, Rules and Regulations.

4. PARAMETERS FOR DECLARATION OF DIVIDEND

The Board of Directors of the Company shall, inter alia, consider the following parameters for recommendation / declaration of Dividend:

4.1 External Factors

The Board of Directors of the Company would, inter alia, consider the following external factors before declaring or recommending dividend to Shareholders:

- Prevailing legal requirements, regulatory conditions or restrictions laid down under the Companies Act, 2013, the Companies (Declaration and Payment of Dividend) Rules, 2014, Reserve Bank of India (RBI) prudential norms and regulations, including

but not limited to Capital Adequacy requirements and tax laws, if any;

- Mandatory transfer of certain portion of profits to specific reserves such as Debenture Redemption Reserve, RBI Special Reserve or any other Special Reserve etc.
- Economic environment in which the Company operates;
- Prevailing state of the capital markets.

4.2 Financial Parameters / Internal Factors

The Board of Directors of the Company would, inter alia, consider the following financial parameters before declaring or recommending dividend to shareholders:

- Stability of earnings;
- Plough back of profits for future capital expenditure programme and growth plans;
- Likelihood of crystallization of contingent liabilities, if any;
- Fund requirement for unforeseen events and contingencies;
- Restriction(s) and Covenant(s) contained in the Agreements with Lending Institutions / Debenture Trustees;
- Cash Flow to meet business expenditures;
- Outstanding borrowings;
- Past Dividend trends including Dividend Payout Ratio;
- Resources required to fund acquisitions and/or new businesses;
- Any other strategic priorities / initiatives.

4.3 Circumstances under which the shareholders may or may not expect Dividend

The Board shall consider the factors mentioned herein above before determination of any dividend payout, and after analyzing the prospective opportunities and threats, viability of the options of dividend payout or retention etc. While the dividend payout shall be based majorly on the aforesaid factors, the interest of the shareholders shall be considered.

Declaration of dividend on the basis of parameters in addition to the elements of this Policy or resulting in amendment of any element or the Policy will be regarded as deviation. Any such deviation on elements of this Policy in extraordinary circumstances, when deemed necessary in the interests of the Company, along with the rationale will be disclosed in the Annual Report.

5. UTILIZATION OF RETAINED EARNINGS

Any approved Dividend shall be paid out of the profits of the Company for that year or out of the profits of the Company for any previous year or years arrived at after providing for depreciation for the year and previous years as per the law or out of both or out of any other funds as may be permitted by law, after having due regard to the parameters laid down in this Policy.

6. PARAMETERS ADOPTED WITH REGARD TO VARIOUS CLASSES OF SHARES

- 6.1 Presently, the Authorised Share Capital of the Company is divided into 1,00,00,00,000 equity shares of Rs. 10/- each and 5,00,00,000 Preference shares of Rs. 100/- each. At present, the issued and paid-up share capital of the Company comprises only equity shares.
- 6.2 The Company shall first declare dividend on outstanding preference shares, if any, at the rate of dividend fixed at the time of issue of preference shares and thereafter, the dividend would be declared on equity shares.
- 6.3 As and when the Company issues other kind of shares, the Board of Directors may suitably amend this Policy.

7. PROCEDURE

- 7.1 The Chief Financial Officer (CFO) in consultation with the Chairman and Managing Director (CMD) of the Company shall recommend any amount to be declared/ recommended as Dividend to the Board of Directors of the Company.
- 7.2 Pursuant to the provisions of applicable laws and this Policy, interim Dividend approved by the Board of Directors will be confirmed by the shareholders and final Dividend, if any, recommended by the Board of Directors, will be subject

to shareholders approval, at the ensuing Annual General Meeting of the Company.

- 7.3 The Company shall ensure compliance of provisions of Applicable Laws and this Policy in relation to Dividends declared by the Company.
- 7.4 The Company shall make appropriate disclosures as required under the SEBI Regulations.

8. DISCLOSURE

The Company shall disclose the Policy on the Company's website and a web link thereto shall be provided in the Annual Report.

9. REVIEW

This Policy has been approved by the Board of Directors of the Company. The Board, however, may review this Policy as and when it deems appropriate. This Policy is being formulated keeping in mind the applicable laws, rules, regulations and standards in India. If there is an amendment in such laws, rules, regulations and standards, allowing or relaxing what was previously not allowed under any laws, rule, regulation and standards, then this Policy shall be deemed to have been amended to the extent of such amendment. Also, if due to subsequent amendment in the laws, this Policy or any part hereof becomes inconsistent with the law, the provisions of law shall prevail and this Policy shall be deemed to be amended to that extent.

Date: 05.11.2016

Place: KOLKATA

This Policy has been reviewed and approved by the Board of Directors at its meeting held on 05.11.2016 and will become applicable from the Financial Year ending 31st March, 2017 onwards.

INDEPENDENT AUDITOR'S REPORT

To the Members of Srei Infrastructure Finance Limited

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of Srei Infrastructure Finance Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the Standalone Financial Statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards ("Ind AS"), of the state of affairs of the Company as at March 31, 2019, its total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing ('SAs') specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Standalone Financial Statements* section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the

matters described below to be the key audit matters to be communicated in our report.

1. Transition to Ind AS

The Company has adopted Ind AS notified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 from April 01, 2018 and the effective date of such transition is April 01, 2017. Ind AS are new and complex accounting standards which require considerable judgment and interpretation in their implementation. Further, Ind AS 101 ("First-time Adoption of Indian Accounting Standards") allows two categories of exceptions to the first-time adopters, which mainly includes prohibition to retrospective application of certain requirements of Ind AS and exemption from some requirements of Ind AS. We consider this transition and the required disclosures to be a key audit matter because new accounting policies have been adopted by the Company to comply with these standards. Note No. 1(b) "Significant Accounting Policies", Note No. 32 "First time Adoption" and Note No. 35 "Financial Instruments and Related Disclosures" to the Standalone Financial Statements provide detailed information on the significant policies, critical judgment and estimation along with details of exemptions applied from certain requirements under Ind AS, based on which these Standalone Financial Statements are prepared.

Principal Audit Procedures:

We have performed the following audit procedures in order to obtain sufficient audit evidence:

- Assessed the Company's process to identify the impact of adoption and transition to the new accounting standards.
- Evaluated the design of internal controls and tested the operating effectiveness of key internal controls around the process of preparation of the Standalone Financial Statements;
- Reviewed the exemptions availed by the Company from certain requirements under Ind AS;
- Obtained an understanding of the determination of key judgments;
- Evaluated and tested the key assumptions and judgments adopted by management;
- Assessed the disclosures made against the relevant Ind AS; and
- Determined the appropriateness of the methodologies and models used along with the reasonability of the outputs.

2. Impairment loss allowance of loans and advances

Impairment loss allowance of loans and advances ("Impairment loss allowance") is a key audit matter as the Company has significant credit risk exposure. The value of loans and advances on the balance sheet is significant and there is a high degree of complexity and judgment involved for the Company in estimating individual and collective credit impairment provisions and write-offs against these loans. The Company's model to calculate expected credit loss ("ECL") is inherently complex and judgment is applied in determining the three-stage impairment model ("ECL Model"), including the selection and input of forward-looking information. ECL provision calculations require the use of large volumes of data. The completeness and reliability of data can significantly impact the accuracy of the modelled impairment provisions. The accuracy of data flows and the implementation of related controls are critical for the integrity of the estimated impairment provisions.

Principal Audit Procedures:

We started our audit procedures with the understanding of the internal control environment related to Impairment loss allowance. Our procedures over internal controls focused on recognition and measurement of impairment loss allowance. We assessed the design and tested the operating effectiveness of the selected key controls implemented by the Company.

We also assessed whether the impairment methodology used by the Company is in line with the requirements of Ind AS 109, "Financial instruments". More particularly, we assessed the approach of the Company regarding the definition of default, Probability of Default, Loss Given Default and incorporation of forward-looking information for the calculation of ECL.

For loans and advances which are assessed for impairment on a portfolio basis, we performed particularly the following procedures:

- tested the reliability of key data inputs and related management controls;
- checked the stage classification as at the balance sheet date as per definition of default;
- validated the ECL model and calculation by involving our Information Technology Expert;
- calculated the ECL provision manually for a selected sample; and
- assessed the assumptions made by the Company in making accelerated provision, considering forward looking information and based on the status of a particular industry as on the reporting date.

For loans and advances which are written off during the year

under audit, we read and understood the methodology and policy laid down and implemented by the Company in this regard along with its compliance on sample basis.

3. Valuation of unquoted financial assets held at fair value

The valuation of the Company's unquoted financial assets held at fair value is a key audit matter due to the significance of the amount and complexity involved in the valuation process.

Management makes significant judgements because of the complexity of the techniques and assumptions used in valuing some of the level 3 investment securities given the limited external evidence and unobservable market data available to support the Company's valuations.

The valuation of the level 3 investment securities are dependent on market conditions and key assumptions made. The determination of these assumptions is complex and requires the exercise of management judgement.

Principal Audit Procedures:

- assessed the valuation methodologies including evaluation of independent external valuers' competence, capability and objectivity.
- assessed the reasonableness of key assumptions based on our knowledge of the business and industry.
- checked, on a sample basis, the accuracy and relevance of the input data used.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the Report on Corporate Governance (but does not include the standalone financial statements and our auditor's report thereon), which we obtained prior to the date of this auditor's report, and the Directors' Report including Annexures to Directors' Report, which are expected to be made available to us after that date.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS specified under section 133 of the Act, read with the relevant rules issued thereunder and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures

responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3) (i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- (1) As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in "Annexure 1", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- (2) As required by section 143(3) of the Act, we report that:
 - a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
 - c. The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account;
 - d. In our opinion, the aforesaid Standalone Financial Statements comply with the Indian Accounting Standards specified under section 133 of the Act read with the relevant rules issued thereunder;
 - e. On the basis of the written representations received from the directors as on March 31, 2019 and taken on record by the Board of Directors,

none of the directors is disqualified as on March 31, 2019 from being appointed as a director in terms of section 164(2) of the Act;

- f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Company and the operating effectiveness of such controls, we give our separate report in "Annexure 2".
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The Company has disclosed the impact of pending litigations on its financial position in its Standalone Financial Statements – Refer Note Nos. 9 and 31 to the Standalone Financial Statements;
 - (ii) The Company did not have any material foreseeable losses in long term contracts including derivative contracts during the year ended March 31, 2019;
 - (iii) There has been no delay in transferring amounts required to be transferred to the Investor Education and Protection Fund by the Company.
- (3) As required by Section 197(16) of the Act, we report that in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.

ANNEXURE 1 TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' in our Independent Auditor's Report of even date, to the members of the Company on the standalone financial statements for the year ended March 31, 2019]

- (i) (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) According to the information and explanations given to us, the Company has a programme of verification of fixed assets to cover all the items in a phased manner over a period of three years

which, in our opinion, is reasonable having regard to the size of the Company and the nature of its fixed assets. Pursuant to the programme, certain fixed assets were physically verified by the Company's Management ("management") during the year. As informed and explained to us by the management, no material discrepancies were noticed on such verification.

- (c) The title deeds of immovable properties recorded as fixed assets in the books of account of the Company are held in the name of the Company, except as detailed herein below :-

Land/ Buildings	Total number of cases	Leasehold/ Freehold	Gross Block as at March 31, 2019 (₹ In Lacs)	Net Block as at March 31, 2019 (₹ In Lacs)	Remarks
Buildings	2	Freehold	8,792.72	8,425.95	Conveyance is pending

- (ii) The Company does not have any inventory and hence reporting under clause 3(ii) of the Order is not applicable to the Company.
- (iii) According to the information and explanations given to us and on the basis of our examination of the books of account, the Company has not granted any loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Act.
- (iv) According to the information and explanations given to us in respect of loans, investments, guarantees and security, the Company has complied with the provisions of Sections 185 and 186 of the Act, wherever applicable.
- (v) In our opinion and according to the information and explanations given to us, the Company has complied with the directives issued by the Reserve Bank of India and the provisions of sections 73 to 76 or any other relevant provisions of the Act and the rules framed thereunder with regard to the acceptance of deposits. Further, as informed, no Order has been passed by the Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or any other Tribunal on the Company in respect of the aforesaid deposits.

- (vi) Being a Non-Banking Financial Company, the provisions of clause 3(vi) of the Order with regard to the maintenance of cost records are not applicable to the Company.

- (vii) (a) According to the records of the Company, amounts deducted/accrued in the books of account in respect of undisputed statutory dues including provident fund, employees' state insurance, income-tax, sales tax, service tax, duty of customs, duty of excise, value added tax, goods and services tax, cess and any other material statutory dues have generally been regularly deposited with the appropriate authorities.

According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues were in arrears as at March 31, 2019 for a period of more than six months from the date they became payable.

- (b) According to the information and explanations given to us, the dues as at March 31, 2019 of income-tax, sales tax, service tax, duty of customs, duty of excise, value added tax and goods and services tax, which have not been deposited on account of any dispute, are as follows

Name of the Statute	Nature of dues	Amount (₹ In Lacs)	Period to which the amount relates (Financial Year)	Forum where dispute is pending
Income Tax Act,1961	Income Tax	471	2005-06 and 2006-07	Supreme Court of India
Income Tax Act,1961	Income Tax	125	2006-07 and 2007-08	CIT(Appeals), Kolkata

Central Sales Tax Act, 1956	Central Sales Tax	47	2013-14	West Bengal Sales Tax Appellate and Revisional Board
Central Sales Tax Act, 1956	Central Sales Tax	18	2016-17	1 st Appellate Authority, West Bengal Commercial Taxes

- (viii) Based on our audit procedures and as per the information and explanations given to us by the management, we are of the opinion that during the year the Company has not defaulted in repayment of loans or borrowings to a financial institution, bank, Government or dues to debenture holders.
- (ix) In our opinion and according to the information and explanations given to us, moneys raised by way of initial public offer or further public offer (including debt instruments) and term loans were prima facie applied during the year for the purposes for which those were raised.
- (x) Based upon the audit procedures performed for the purpose of reporting the true and fair view of the standalone financial statements and as per the information and explanations given to us by the management, we report that we have neither come across any instance of fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the management.
- (xi) According to the information and explanations given to us, managerial remuneration has been paid / provided in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.
- (xii) The Company is not a Nidhi Company.
- (xiii) According to the information and explanations given to us, all transactions entered into by the Company with the related parties are in compliance with Sections 177 and 188 of the Act where applicable and the details have been disclosed in the standalone financial statements as required by the applicable accounting standards.
- (xiv) The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review.
- (xv) As per the information and explanations given to us, the Company has not entered into any non-cash transactions during the year with directors or persons connected with them.
- (xvi) (The Company is required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934 and the registration has been obtained.

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph (2)f under 'Report on Other Legal and Regulatory Requirements' in our Independent Auditor's Report of even date, to the members of the Company on the standalone financial statements for the year ended March 31, 2019]

Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to financial statements of the Company as March 31, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Board of Directors is responsible for establishing and maintaining internal financial controls, based on the internal control with reference to financial statements criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any

evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2019, based on the internal control with reference to financial statements criteria established by the

Company, considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

	Net Increase / (Decrease) in Cash and Cash Equivalents	(22,054)	3,442
	Cash & Cash Equivalents at the beginning of the year	31,154	27,712
	Cash and Cash Equivalents at the end of the year (refer Note No. 2)	9,100	31,154
	Net Cash (Used in) / Generated from Operating Activities includes:		
	Interest Received	1,49,762	1,62,653
	Interest Paid	1,43,907	1,34,056
	Dividend Received	84	92

(₹ in Lacs)

Components of cash and cash equivalents:	As at 31st March 2019	As at 31st March 2018
Cash and cash equivalents at the end of the year		
(a) Cash on hand	-	3
(b) Balances with Banks - in Current Account	9,100	9,025
(c) Cheques on Hand	-	22,126
	9,100	31,154

Explanations:

1. The above Statement of Cash Flows has been prepared under the Indirect Method as set out in the Ind AS 7 'Statement of Cash Flows'.

2. Previous year figures have been rearranged/ regrouped wherever necessary to conform to the current year's classification.

This is the Cash Flow Statement referred to in our report of even date.

Significant Accounting Policies and Notes to Financial Statements

1 (a) Corporate Information

Srei Infrastructure Finance Limited (the 'Company') is a public limited Company domiciled in India and incorporated under the provisions of the Companies Act, 1956. The Company is also a Public Financial Institution (PFI) notified under section 4A of the Companies Act, 1956. The Company's shares are listed on National Stock Exchange of India Limited and BSE Limited. The Company received a certificate of registration from the Reserve Bank of India (RBI) on 1st August, 1998 to commence/ carry on the business of Non- Banking Financial Institution (NBFI) and was subsequently classified as Infrastructure Finance Company vide certificate of registration dated 11th May, 2010. The registration details are as follows:

RBI	B-05.02773
Corporate Identity Number (CIN)	L29219WB1985PLC055352

The registered office of the Company and the principal place of business is 'Viswakarma' 86C Topsia Road (South), Kolkata – 700046.

The financial statements of the Company for the year ended 31st March, 2019 were approved for issue in accordance with the resolution of the Board of Directors on 25th May, 2019.

1 (b) Significant Accounting Policies

1.1 Statement of compliance

In accordance with the notification issued by the Ministry of Corporate Affairs ("the MCA"), the Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under Section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, from 1st April, 2018 and the effective date of such transition is 1st April, 2017. Such transition has been carried out from the erstwhile Accounting Standards notified under the Act, read with relevant rules issued thereunder and guidelines issued by the Reserve Bank of India ("the RBI"), (collectively referred to as "the Previous GAAP").

Previous period numbers in the financial statements have been restated to Ind AS. In accordance with Ind AS 101 First-time Adoption of Indian Accounting Standard, the Company has presented a reconciliation from Previous GAAP to Ind AS of Other equity as at 1st April, 2017 and 31st March, 2018 and of the Total Comprehensive Income for the period ended 31st March 2018. Refer Note No. 1.20 for the details of first-time adoption exemptions availed by the Company and Note No. 32 for Reconciliation of Equity and Total Comprehensive Income for numbers reported under Previous GAAP to Ind AS.

1.2 Basis of preparation and presentation

The financial statements have been prepared on the historical cost basis except for the following:

- certain financial instruments that are measured at fair values at the end of each reporting period;
- defined benefit plans - plan assets measured at fair value; and
- assets acquired in satisfaction of debt - at the lower of their carrying amount of debt and fair value less costs to sell of the asset acquired.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services.

The preparation of financial statements require the use of certain significant accounting estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses and disclosed amount of contingent liabilities.

Areas involving a higher degree of judgement or complexity or areas where assumptions are significant to the Company are discussed in Note No. 1.21 - Significant accounting judgements, estimates and assumptions.

The management believes that the estimates used in preparation of financial statements are prudent and reasonable. Actual results could differ from those estimates and the differences between the actual results and the estimates would be recognised in the periods in which the results are known / materialised.

The financial statements are presented in Indian Rupees (INR) and all values are rounded to the nearest Lakh, except otherwise indicated.

Significant Accounting Policies (Contd.)

Comparative information has been restated to accord with changes in presentations made in the current year, except where otherwise stated.

The accounting policies for some specific items are disclosed in the respective notes to the financial statements. Other significant accounting policies and details of significant accounting assumptions and estimates are set out below in Note No. 1.3 to 1.21.

The financial statements of the Company are presented as per Schedule III (Division III) of the Companies Act, 2013 applicable to NBFCs, as notified by the Ministry of Corporate Affairs (MCA).

1.3 Investments in Subsidiaries and Associates

A subsidiary is an entity controlled by the Company. Control exists when the Company has power over the entity, is exposed, or has rights to variable returns from its involvement with the entity and has the ability to affect those returns by using its power over the entity.

Power is demonstrated through existing rights that give the ability to direct relevant activities, those which significantly affect the entity's returns.

An associate is an entity over which the Company has significant influence. Significant influence is the power to participate in the financial and operating policy decisions of the investee but is not control or joint control over those policies.

The Company has accounted for its equity instruments in Subsidiaries and Associates at cost, less accumulated impairment, if any. The cost comprises price paid to acquire investment and directly attributable cost.

1.4 Revenue recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

Revenue from Operations is recognised in the statement of Profit and Loss on an accrual basis as stated herein below:

- (a) Interest income from financial assets is recognised by applying the Effective Interest Rate ('EIR') to the gross carrying amount of financial assets, other than credit-impaired assets and those classified as measured at Fair Value through Profit or Loss (FVTPL) or Fair Value through Other Comprehensive Income (FVOCI). The basis of computation of EIR is discussed in Note No. 1.16.3.

Any subsequent changes in the estimation of the future cash flows having impact on EIR are recognised as interest income with the corresponding adjustment to the carrying amount of the assets.

- (b) Income or net gain on fair value changes for financial assets classified as measured at FVTPL and FVTOCI is recognised as discussed in Note No. 1.16.3.
- (c) Interest Income on credit impaired financial assets is recognised by applying the effective interest rate to the net amortised cost (net of provision) of the financial asset.
- (d) Rental income arising from non-cancellable operating leases is recognised on a straight-line basis over the lease term unless another systematic basis is more representative of the time pattern of the users benefit. In cases where the increase is in line with expected general inflation rental income is recognised as per the contractual terms.
- (e) Interest income on fixed deposits is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

- (f) **Revenue from Contract with Customers:**

Fees and Commission Income are recognised when transfer of control of promised services to customers in an amount that reflects that the consideration the Company expects to receive in exchange for those services. Revenue is recognised from management and consultancy services as and when related services are rendered and performance obligation is satisfied which is based on a five-step model as set out below, unless included in the effective interest calculation:

Step 1: Identify contract(s) with a customer: A contract is defined as an agreement between two or more parties

Significant Accounting Policies (Contd.)

that creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

Step 2: Identify performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

Step 3: Determine the transaction price: The transaction price is the amount of consideration to which the Company expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4: Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the Company allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Company expects to be entitled in exchange for satisfying each performance obligation.

Step 5: Recognise revenue when (or as) the Company satisfies a performance obligation.

Revenues in excess of invoicing are classified as contract assets (which we refer to as unbilled revenue) while invoicing in excess of revenues are classified as contract liabilities (which we refer to as unearned revenues).

Applying the practical expedient as given in Ind AS 115, the Company has not disclosed the remaining performance obligation related disclosures for contracts where the revenue recognised corresponds directly with the value to the customer of the entity's performance completed to date, typically those contracts where invoicing is on time and material basis.

- (g) Income from dividend is recognised when the Company's right to receive such dividend is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.

1.5 Leasing

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

1.5.1 The Company as lessor

Amounts due from lessees under finance leases are recognised as receivables at the amount of the Company's net investment in the leases. Assets given on operating leases are included in Property Plant and Equipment.

Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised on a straight-line basis over the lease term.

For the revenue recognition policy on Lease Contracts, refer Note No. 1.4.

1.5.2 The Company as lessee

Assets held under finance leases are initially recognised as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation. Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately in the statement of Profit and Loss, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the Company's general policy on borrowing costs (refer Note No. 1.7). Contingent rentals are recognised as expenses in the periods in which they are incurred.

Operating lease payments are recognised as an expense on a straight-line basis over the lease term, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed or the payments to the lessor are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases. Contingent rentals arising under operating leases are recognised as an expense in the period in which they are incurred. In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefit of incentives is recognised as a reduction of rental expense on a straight-line basis, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

Significant Accounting Policies (Contd.)

1.6 Foreign currency translation

(i) Functional and presentational currency

The financial statements are presented in Indian Rupee (INR) in lacs, the functional currency of the Company. Functional currency is the currency of the primary economic environment in which the Company operates.

(ii) Transactions and balances

Initial recognition:

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

Conversion:

Monetary assets and liabilities denominated in foreign currency, which are outstanding as at the reporting date, are translated at the reporting date at the closing exchange rate and the resultant exchange differences are recognised in the statement of Profit and Loss except for those which are designated as hedging instruments in a hedging relationship.

Non-monetary items that are measured at historical cost in a foreign currency are translated using the spot exchange rates as at the date of recognition. Foreign currency changes for non-monetary items measured at FVTOCI are recognised in other comprehensive income.

1.7 Borrowing cost

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds including interest expense calculated using the effective interest method, finance charges in respect of assets acquired on finance lease. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Other income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Interest expense includes origination costs that are initially recognised as part of the carrying value of the financial liability and amortized over the expected life using the EIR. It also include expenses related to borrowing which are not part of effective interest as not directly related to loan origination.

1.8 Employee Benefits

1.8.1 Retirement benefit costs and other employee benefits

(A) Defined Contribution Plans:

Contributions to Provident Fund, Pension Fund and Employee State Insurance are considered as defined contribution plans and are recognised as expenditure when an employee renders related services.

(B) Defined Benefit Plans:

Gratuity Liability is defined benefit plan. The cost of providing benefits is determined in accordance with the advice of independent, professionally qualified actuaries, using the projected unit credit method.

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected in the balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected under retained earnings and is not reclassified to the statement of Profit & Loss.

Significant Accounting Policies (Contd.)

(C) Short-term and other long-term employee benefits:

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period in which related service is rendered.

Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Company in respect of services provided by employees up to the reporting date.

1.9 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

Current Tax is determined at the amount of tax payable in respect of taxable profit for the year as per the Income-tax Act, 1961. Taxable profit differs from 'profit before tax' as reported in the statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The current tax is calculated using tax rates that have been enacted or substantially enacted at the reporting period.

MAT credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the statement of Profit and Loss and shown as MAT credit entitlement. The Company reviews the same at each balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that the Company will pay normal income tax during the specified period.

Deferred tax

The Company's deferred tax is calculated using tax rate that are substantively enacted by the end of the reporting period.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Current and deferred tax for the year

Current and deferred tax are recognised in the statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

1.10 Property, Plant and Equipment

Property, plant and equipment shown in the balance sheet consists of assets used in the provision of services or for administrative purposes, and include assets leased by the Company as lessor under operating leases.

Initial and subsequent recognition

Property, plant and equipment are initially recognised at cost together with borrowing cost capitalized for qualifying assets. Cost comprises the purchase price and any directly attributable cost of bringing the asset to its working condition for its intended use.

Subsequent to initial recognition, property, plant and equipment are measured at cost less accumulated depreciation and impairment, if any.

Significant Accounting Policies (Contd.)

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that the future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is de-recognised when replaced. All other repairs and maintenance are charged to the statement of Profit and Loss during the reporting period in which they are incurred.

De-recognition

An item of property, plant and equipment is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the statement of Profit and Loss. The date of disposal of an item of property, plant and equipment is the date the recipient obtains control of that item in accordance with the requirements for determining when a performance obligation is satisfied in Ind AS 115.

Depreciation

Depreciation commences when the assets are ready for their intended use. It is recognised to write down the cost of assets less their residual values over their useful lives, using the straight-line basis. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

The Company has adopted the useful life as specified in Schedule II to the Companies Act, 2013.

Leasehold assets including improvements are amortised over the period of the lease.

Depreciation on assets purchased / sold during the period is recognised on a pro-rata basis.

1.11 Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any. Amortisation is recognised on a straight-line basis over 2-6 years, which reflects the managements estimate.

The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

An intangible asset is de-recognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in the statement of Profit and Loss when the asset is de-recognised.

1.12 Impairment of Non-Financial Assets

Tangible and intangible assets

At the end of each reporting period, the Company reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment on an annual basis, and on a shorter period whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

Significant Accounting Policies (Contd.)

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the statement of Profit and Loss.

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the statement of Profit and Loss.

Investment in Subsidiaries and Associates

The carrying amount of the investment is tested for impairment in accordance with Ind AS 36 Impairment of Assets as a single asset by comparing its recoverable amount (higher of value in use and fair value less costs of disposal) with its carrying amount. Any impairment loss recognised forms part of the carrying amount of the investment. Any reversal of that impairment loss is recognised in accordance with Ind AS 36 to the extent that the recoverable amount of the investment subsequently increases.

1.13 Provisions, Contingent Liabilities and Contingent Assets

Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that the Company will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

A provision for onerous contracts is recognised when the expected benefits to be derived by the Company from a contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract.

In case of litigations, provision is recognised once it has been established that the Company has a present obligation based on information available up to the date on which the Company's financial statements are finalised and may in some cases entail seeking expert advice in making the determination on whether there is a present obligation.

Contingent Liabilities

Contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. Company does not recognise contingent liability but discloses its existence in the financial statements.

Contingent Assets

Contingent assets are not recognised in the financial statements, but are disclosed where an inflow of economic benefits is probable.

1.14 Cash and cash equivalents

Cash and cash equivalents comprise of cash on hand, balances with banks, cheques on hand, remittances in transit and short-term investments with an original maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Significant Accounting Policies (Contd.)

1.15 Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker (CODM). The CODM assess the financial performance and position of the Company and makes strategic decisions.

The Company is predominantly engaged in a single reportable segment of 'Financial Services' as per the Ind AS 108 - Segment Reporting.

1.16 Financial Instruments

(i) Classification of financial instruments

The Company classifies its financial assets into the following measurement categories:

1. Financial assets to be measured at amortised cost
2. Financial assets to be measured at fair value through other comprehensive income
3. Financial assets to be measured at fair value through profit or loss account

The classification depends on the contractual terms of the financial assets' cash flows and the Company's business model for managing financial assets which are explained below:

Business model assessment

The Company determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective. The Company's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios and is based on observable factors.

The business model assessment is based on reasonably expected scenarios without taking 'worst case' or 'stress case' scenarios into account. If cash flows after initial recognition are realised in a way that is different from the Company's original expectations, the Company does not change the classification of the remaining financial assets held in that business model, but incorporates such information when assessing newly originated or newly purchased financial assets going forward.

The Solely Payments of Principal and Interest (SPPI) test

As a second step of its classification process the Company assesses the contractual terms of financial assets to identify whether they meet the SPPI test.

'Principal' for the purpose of this test is defined as the fair value of the financial asset at initial recognition and may change over the life of the financial asset.

In making this assessment, the Company considers whether the contractual cash flows are consistent with a basic lending arrangement i.e. interest includes only consideration for the time value of money, credit risk, other basic lending risks and a profit margin that is consistent with a basic lending arrangement. Where the contractual terms introduce exposure to risk or volatility that are inconsistent with a basic lending arrangement, the related financial asset is classified and measured at fair value through profit or loss.

The Company classifies its financial liabilities at amortised costs unless it has designated liabilities at fair value through the statement of Profit and Loss account or is required to measure liabilities at fair value through profit or loss such as derivative liabilities.

1.16.1 Recognition of Financial Instruments:

Financial assets and financial liabilities are recognised when entity becomes a party to the contractual provisions of the instruments. Loans & advances and all other regular way purchases or sales of financial assets are recognised and derecognised on the trade date basis.

1.16.2 Initial Measurement of Financial Instruments:

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities

Significant Accounting Policies (Contd.)

at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the statement of Profit and Loss.

1.16.3 Subsequent Measurement:

(A) Financial Assets

Financial Assets carried at Amortised Cost (AC):

These financial assets comprise bank balances, Loans, Trade receivables, Other receivables, investments and other financial assets.

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial Assets at Fair Value through Other Comprehensive Income (FVTOCI):

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Investment in equity instruments that are neither held for trading nor contingent consideration recognised by the Company in a business combination to which Ind AS 103 'Business Combination' applies, are measured at FVTOCI, where an irrevocable election has been made by management on an instrument-by-instrument basis. These investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the reserves. The cumulative gain or loss is not reclassified to the statement of Profit and Loss on disposal of the investments. Dividends on such investments are recognised in the statement of Profit and Loss unless the dividend clearly represents a recovery of part of the cost of the investment.

Debt investments measured at FVTOCI are subsequently measured at fair value. Interest income under effective interest method, foreign exchange gains and losses and impairment are recognised in the statement of Profit and Loss. Other net gains and losses are recognised in Other Comprehensive Income (OCI). On derecognition, gains and losses accumulated in OCI are reclassified to the statement of Profit and Loss.

Financial Assets at Fair Value through Profit or Loss (FVTPL):

A financial asset which is not classified as AC or FVTOCI is measured at FVTPL. A financial asset that meets the amortised cost criteria or debt instruments that meet the FVTOCI criteria may be designated as at FVTPL upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets or liabilities or recognising the gains and losses on them on different bases. The Company has not designated any debt instrument as at FVTPL.

Any differences between the fair values of financial assets classified as FVTPL and held by the Company on the balance sheet date is recognised in the statement of Profit and Loss. In cases there is a net gain in the aggregate, the same is recognised in "Net gains on fair value changes" under Revenue from operations and if there is a net loss the same is disclosed under "Expenses" in the statement of Profit and Loss.

Effective Interest Rate (EIR) Method:

The EIR is a method of calculating the amortized cost of a debt instrument and of allocating interest income or expense over the relevant period. The EIR is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial asset or financial liability to the gross carrying amount of a financial asset or to the amortised cost of a financial liability on initial recognition.

Significant Accounting Policies (Contd.)

The EIR for financial assets or financial liability is computed

- a. By considering all the contractual terms of the financial instrument in estimating the cash flows.
- b. Including fees and transaction costs that are integral part of EIR.

Impairment of Financial Assets:

Loss allowance for expected credit losses is recognised for financial assets measured at amortised cost and FVTOCI at each reporting date based on evidence or information that is available without undue cost or effort.

The Company measures the loss allowance for a financial asset at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial asset has not increased significantly since initial recognition, the Company measures the loss allowance for that financial asset at an amount equal to 12-month expected credit losses.

In case of debt instruments measured at FVTOCI, the loss allowance shall be recognised in other comprehensive income with a corresponding effect to the profit or loss and not reduced from the carrying amount of the financial asset in the balance sheet. In case of such instrument, amount recognised in the statement of Profit and Loss are the same as the amount would have been recognised in case the debt instrument is measured at amortised cost.

No Expected credit losses are recognised on equity investments.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115, the Company measures the loss allowance at an amount equal to lifetime expected credit losses taking into account historical credit loss experience and adjusted for forward-looking information.

Derecognition of Financial Assets:

The Company derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset accounted under Ind AS 109 in its entirety:

- a) for financial assets measured at amortised cost, the gain or loss is recognised in the statement of Profit and Loss.
- b) for financial assets measured at fair value through other comprehensive income, the cumulative fair value adjustments previously taken to reserves are reclassified to the statement of Profit and Loss unless the asset represents an equity investment in which case the cumulative fair value adjustments previously taken to reserves may be reclassified within equity.

If the transferred asset is part of a larger financial asset and the part transferred qualifies for derecognition in its entirety, the previous carrying amount of the larger financial asset shall be allocated between the part that continues to be recognised and the part that is derecognised, on the basis of the relative fair values of those parts on the date of the transfer.

If the Company neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, it recognises its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Company retains substantially all the risks and rewards of ownership of a transferred financial asset, it continues to recognise the financial asset and also recognises a liability for the proceeds received.

Modification/ revision in estimates of cash flows of financial assets:

When the contractual cash flows of a financial asset are renegotiated or otherwise modified and the renegotiation or modification does not result in the derecognition of that financial asset in accordance with Ind AS 109, the Company recalculates the gross carrying amount of the financial asset and recognises a modification gain or loss in the statement of Profit and Loss.

Significant Accounting Policies (Contd.)

(B) Financial Liabilities and Equity Instruments:

Classification as debt or equity:

Financial liabilities and equity instruments issued are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity Instruments

An Equity Instrument is any contract that evidences a residual interest in the assets of the Company after deducting all of its liabilities. Repurchase of the Company's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in the statement of Profit and Loss on the purchase, sale, issue or cancellation of the Company's own equity instruments.

Financial Liabilities

The Company classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading, if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109 - "Financial Instruments".

Financial liabilities measured at amortised cost

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the EIR method except for those designated in an effective hedging relationship.

Amortised cost is calculated by taking into account any discount or premium and fee or costs that are an integral part of the EIR. The EIR amortisation is included in finance costs in the statement of Profit and Loss. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the EIR method.

Trade and other payables

A payable is classified as 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year, which are unpaid. They are recognised initially at their fair value and subsequently measured at amortised cost.

Financial Guarantee Contracts

Financial guarantees issued by the Company are those guarantees that require a payment to be made to reimburse the holder of the guarantee for a loss incurred by the holder because the specified debtor fails to make a payment, when due, to the holder in accordance with the terms of a debt instrument. Financial guarantees are recognised initially as a liability at fair value, adjusted for transactions costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

Derecognition of financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the statement of Profit and Loss.

Significant Accounting Policies (Contd.)

1.16.4 Off-setting of financial instruments

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously backed by past practice.

1.16.5 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a) In the principal market for the asset or liability, or
- b) In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are as follows:

Level 1 financial instruments: Those where the inputs used in the valuation are unadjusted quoted prices from active markets for identical assets or liabilities that the Company has access to at the measurement date. The Company considers markets as active only if there are sufficient trading activities with regards to the volume and liquidity of the identical assets or liabilities and when there are binding and exercisable price quotes available on the balance sheet date.

Level 2 financial instruments: Those where the inputs that are used for valuation and are significant, are derived from directly or indirectly observable market data available over the entire period of the instrument's life. Such inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical instruments in inactive markets and observable inputs other than quoted prices such as interest rates and yield curves, implied volatilities, and credit spreads. In addition, adjustments may be required for the condition or location of the asset or the extent to which it relates to items that are comparable to the valued instrument. However, if such adjustments are based on unobservable inputs which are significant to the entire measurement, the Company will classify the instruments as Level 3.

Level 3 financial instruments: Those that include one or more unobservable input that is significant to the measurement as whole.

1.16.6 Overview of the Expected Credit Loss (ECL) principles

Expected credit loss (ECL) is the probability-weighted estimate of credit losses (i.e., the present value of all cash shortfalls) over the expected life of the financial instrument. A cash shortfall is the difference between scheduled or contractual cash flows and actual expected cash flows. Consequently, ECL subsumes both the amount and timing of payments. It also incorporates available information which is relevant to the assessment, including information about past events, current conditions and reasonable and supportable information about future events and economic conditions at the reporting date.

For portfolio of exposures, ECL is modelled as the product of the probability of default (PD), the loss given default (LGD) and the exposure at default (EAD).

Significant Accounting Policies (Contd.)

In case of assets identified to be significantly credit-impaired to the extent that default has happened or seems to be a certainty rather than probability, ECL would be determined by directly estimating the receipt of cash flows and timing thereof.

Staging:

The loan portfolio would be classified into three stage-wise buckets – Stage 1, Stage 2 and Stage 3 – corresponding to the contracts assessed as performing, under-performing and non-performing, in accordance with the IND-AS guidelines. The key parameter used for stage-wise classification would be days past due (DPDs).

Stage 1: Ongoing exposures with DPD (days past due) up to 60 days

Stage 2: Ongoing exposures with DPD (days past due) between 61 and 90 days

Stage 3: Ongoing exposures with DPD (days past due) of 91 days or more, and any other contracts identified from time to time by the management.

While the presumption for inter-stage threshold for Stage 1 is 30 days, the Company has rebutted the presumption and has considered 60 days as the threshold. As the borrowers are typically operating in infrastructure sector, where receivables tend to be stretched, notwithstanding whether the principals are government/quasi-government entities or private sector entities. As per current market practice, NBFCs typically tend to be paid later than banks by borrowers since banks control their working capital financing.

Methodology:

The basis of the ECL calculations are outlined below which is intended to be more forward-looking. Key elements of ECL are, as follows:

Probability of Default (PD) is an estimate of the likelihood of default over a given time horizon. A default may only happen at a certain time over the assessed period, if the facility has not been previously derecognised and is still in the portfolio.

Exposure at Default (EAD) is an estimate of the exposure at a future default date, taking into account expected changes in the exposure after the reporting date, including repayments of principal and interest, whether scheduled by contract or otherwise, expected drawdowns on committed facilities, and accrued interest from missed payments.

Loss Given Default (LGD) is an estimate of the loss arising in the case where a default occurs at a given time. It is based on the difference between the contractual cash flows due and those that the lender would expect to receive, including from the realisation of any collateral. It is usually expressed as a percentage of the EAD.

The key tenets of Company's methodology are as under:

Past performance as basis for ECL discovery: Company's ECL methodology is based on discovery of the relevant parameters – namely EAD, PD and LGD – from the Company's actual performance of past portfolios.

Unsegmented portfolio for ECL

Company's financing is restricted to a large extent to the infrastructure sectors. Consequently, its loan originations every year have been limited in count over the past years. Considering the limitations of count, ECL is computed on an unsegmented portfolio basis. In some infrastructure sectors, higher LGD is also considered.

Life Cycle Determination

Since the Company is engaged primarily in lending to infrastructure sector, a significant portion of the advances is long term in nature. Based on maturity pattern on the Company's advances in past years, the average life cycle has been considered as 5 years.

The management will continue to monitor the loan cases on an ongoing basis, and have the discretion to make higher provisions on the basis expected recovery of the individual accounts wherever considered necessary.

Significant Accounting Policies (Contd.)

1.17 Derivative financial instruments

The Company enters into a variety of derivative financial instruments to manage its exposure to interest rate and foreign exchange rate risks, including foreign exchange forward contracts, interest rate swaps and cross currency swaps. Further details of derivative financial instruments are disclosed in note to the financial statements.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently re-measured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the statement of Profit and Loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in the statement of Profit and Loss depends on the nature of the hedging relationship and the nature of the hedged item.

1.17.1 Embedded derivatives

Derivatives embedded in non-derivative host contracts that are not financial assets within the scope of Ind AS 109 are treated as separate derivatives when their risks and characteristics are not closely related to those of the host contracts and the host contracts are not measured at FVTPL.

1.18 Hedge Accounting

The Company complies with the principles of hedge accounting where derivative contracts are designated as hedging instruments. At the inception of the hedge relationship, the Company documents the relationship between the hedging instrument and the hedged item, along with the risk management objectives and its strategy for undertaking hedge transaction, which can be a fair value hedge or a cash flow hedge. Furthermore, on an ongoing basis, the Company documents whether the hedging instrument is highly effective in offsetting changes in fair values or cash flows of the hedged item attributable to the hedged risk.

1.18.1 Fair Value hedges

Changes in fair value of the designated portion of derivatives that qualify as fair value hedges are recognised in the statement of Profit or Loss immediately, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk. The change in the fair value of the designated portion of hedging instrument and the change in fair value of the hedged item attributable to the hedged risk are recognised in statement of Profit and Loss in the line item relating to the hedged item.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. The fair value adjustment to the carrying amount of the hedged item arising from the hedged risk is amortised to profit or loss from that date.

1.18.2 Cash flow hedges

The effective portion of changes in the fair value of the designated portion of derivatives that qualify as cash flow hedges is recognised in other comprehensive income and accumulated as 'Cash Flow Hedge Reserve'. The gain or loss relating to the ineffective portion is recognised immediately in the statement of Profit and Loss.

Amounts previously recognised and accumulated in other comprehensive income are reclassified to the statement of Profit and Loss in the periods when the hedged item affects the statement of Profit and Loss.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. Any gain or loss recognised in other comprehensive income and accumulated in equity at that time remains in equity and is recognised when the underlying transaction is ultimately recognised in the statement of Profit and Loss. When an underlying transaction is no longer expected to occur, the gain or loss accumulated in equity is recognised immediately in the statement of Profit and Loss.

1.19 Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is included in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

Significant Accounting Policies (Contd.)

1.20 First time adoption

These financial statements, for the year ended 31st March, 2019 are the first financial statements the Company has prepared in accordance with Ind AS. For periods up to and including the year ended 31st March, 2018 the Company prepared its financial statements in accordance with Accounting Standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP or previous GAAP).

Accordingly, the Company has prepared financial statements which comply with Ind AS applicable for periods ending on 31st March, 2019 together with the comparative period data as at and for the year ended 31st March, 2018 as described in the summary of significant accounting policies. In preparing these financial statements, the Company's opening balance sheet was prepared as at 1st April, 2017 the Company's date of transition to Ind AS. This note explains the principal adjustments made by the Company in restating its Indian GAAP financial statements, including the balance sheet as at 1st April, 2017 and the financial statements as at and for the year ended 31st March, 2018.

1.20.1 Derecognition of financial assets and financial liabilities

As per Ind AS 101 – An entity shall apply the exception to the retrospective application in case of “derecognition of financial assets and financial liabilities” wherein a first-time adopter shall apply the derecognition requirements in Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS. For example, if a first-time adopter derecognised non-derivative financial assets or non-derivative financial liabilities in accordance with its previous GAAP as a result of a transaction that occurred before the date of transition to Ind AS, it shall not recognise those assets and liabilities in accordance with Ind AS (unless they qualify for recognition as a result of a later transaction or event). The Company has opted not to re-evaluate financial assets derecognised in the past and to apply the derecognition requirements prospectively for transactions occurring on or after the transition date.

1.20.2 Classification of debt instruments

The Company has determined the classification of debt instruments in terms of whether they meet the amortised cost criteria or the FVTOCI criteria based on the facts and circumstances that existed as of the transition date.

1.20.3 Impairment of financial assets

The Company has applied the impairment requirements of Ind AS 109 retrospectively; however, as permitted by Ind AS 101, it has used reasonable and supportable information that is available without undue cost or effort to determine the credit risk at the date that financial instruments were initially recognised in order to compare it with the credit risk at the transition date. Further, the Company has not undertaken an exhaustive search for information when determining, at the date of transition to Ind AS, whether there have been significant increases in credit risk since initial recognition, as permitted by Ind AS 101.

1.20.4 Assessment of embedded derivatives

The Company has assessed whether an embedded derivative is required to be separated from the host contract and accounted for as a derivative on the basis of the conditions that existed at the later of the date it first became a party to the contract and the date when there has been a change in the terms of the contract that significantly modifies the cash flows that otherwise would be required under the contract.

1.20.5 Deemed cost for property, plant and equipment and intangible assets

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment and intangible assets as at 31st March, 2017 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment and intangible assets as on 1st April, 2017.

1.20.6 Determining whether an arrangement contains a lease

Appendix C to Ind AS 17 requires entity to assess whether contract or arrangement contains a lease. In accordance with same, this assessment should be carried out at the inception of arrangement. However, the Company has used exemption under Ind AS 101 and assessed all arrangements based on conditions in place as on transition date.

Significant Accounting Policies (Contd.)

1.20.7 Deemed cost for investments in Subsidiaries and Associates

Ind AS 101 permits a first time adopter to measure its investment, at the date of transition, at cost determined in accordance with Ind AS 27, or deemed cost. The Company has selected fair value as on transition date as deemed cost for few investment in Subsidiaries and Associates.

Accordingly, the Company has considered fair value as deemed cost for its investments held in subsidiaries and associates identified on individual basis.

1.20.8 Mandatory Exceptions

Following mandatory exceptions are applicable to the Company:

Estimates

An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies).

Classification and measurement of financial assets

Ind AS 101 requires an entity to assess classification and measurement of financial assets (investment in debt instruments) on the basis of the facts and circumstances that existed at the date of transition to Ind AS.

1.21 Significant accounting judgements, estimates and assumptions

The preparation of financial statements in conformity with the Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosure and the disclosure of contingent liabilities, at the end of the reporting period. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements is included in the following notes:

1.21.1 Impairment charges on loans and advances

The measurement of impairment losses requires judgement, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These are based on the assumptions which are driven by a number of factors resulting in future changes to the impairment allowance.

A collective assessment of impairment takes into account data from the loan portfolio (such as credit quality, nature of assets underlying assets financed, levels of arrears, credit utilization, loan to collateral ratios etc.), and the concentration of risk and economic data (including levels of unemployment, country risk and performance of different individual groups). These significant assumptions have been applied consistently to all period presented.

The impairment loss on loans and advances is disclosed in more detail in Note No. 1.16.6 Overview of ECL principles.

1.21.2 Business Model Assessment

Classification and measurement of financial assets depends on the results of the SPPI and the business model test. The Company determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. The Company monitors financial assets measured at amortised cost or fair value through other comprehensive income that are derecognised prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Company's continuous assessment of whether the business model for which

Significant Accounting Policies (Contd.)

the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those assets.

1.21.3 Provisions other than loan impairment

Provisions are held in respect of a range of future obligations such as employee entitlements, litigation provisions, etc. Some of the provisions involve significant judgement about the likely outcome of various events and estimated future cash flows. The measurement of these provisions involves the exercise of management judgements about the ultimate outcomes of the transactions.

1.21.4 Fair Value measurement

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using various valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of financial instruments.

1.21.5 Defined employee benefit assets and liabilities

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate; future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed annually.

1.21.6 EIR method

The Company's EIR methodology, recognises interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected behavioural life of loans given / taken and recognises the effect of potentially different interest rates at various stages and other characteristics of the product life cycle (including prepayments and penalty interest and charges).

This estimation, by nature, requires an element of judgement regarding the expected behaviour and life-cycle of the instruments, as well expected changes to India's base rate and other fee income/expense that are integral parts of the instrument.

1.21.7 Other estimates

These include contingent liabilities, useful lives of tangible and intangible assets etc.

1.22 Recent accounting pronouncements

The Standards that are issued, but not yet effective, are disclosed below. The Company intends to adopt these standards when they became effective:

Ind AS 116, Leases

Ind AS 116, Leases was notified on 30th March, 2019 and it replaces Ind AS 17 on Leases. Ind AS 116 is effective for annual periods beginning on or after 1st April, 2019. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on-balance sheet model similar to the accounting for finance leases under Ind AS 17. The standard includes two recognition exemptions for lessees – leases of 'low-value' assets and short-term leases (i.e., leases with a lease term of 12 months or less). At the commencement date of a lease, a lessee will recognise a liability to make lease payments (i.e., the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e., the right-of-use asset). Lessees will be required to separately recognise the interest expense on the lease liability and the depreciation expense on the right-of-use asset. As the Company does not have any material leases, the adoption of this standard is not likely to have a material impact in its Financial Statements.

Significant Accounting Policies (Contd.)

Amendment to Ind AS 12 'Income Taxes'

The amendment clarifies that an entity shall recognize income tax consequences of dividends in statement of Profit and Loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events. The amendment will come into force for accounting periods beginning on or after April 1, 2019.

Appendix C to Ind AS 12, Uncertainty over Income Tax Treatments

The Appendix clarifies how to apply the recognition and measurement principles while recognizing current tax, deferred tax, taxable profits (losses), tax bases, unused tax losses, unused tax credits and tax rates when there is uncertainty over tax treatments under Ind AS 12. As per the Appendix, the Company needs to assess whether it is probable that a tax authority will accept an uncertain tax treatment used or a treatment which is being proposed to be used in its income tax filings. The Appendix will be applied retrospectively with the cumulative effect of its initial application on the opening balance sheet as on 1 April 2019.

Amendment to Ind AS 19 'Employee Benefits'

On March 30, 2019, the Ministry of Corporate Affairs has notified limited amendments to Ind AS 19 'Employee Benefits' in connection with accounting for plan amendments, curtailments and settlements. The amendments require an entity to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement and to recognise in statement of Profit and Loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling. The amendment will come into force for accounting periods beginning on or after April 1, 2019, though early application is permitted.

Notes to Financial Statements (Contd.)

2. Cash and Cash Equivalents

(₹ in Lacs)

Particulars	As at 31st March, 2019	As at 31st March, 2018	As at 1st April, 2017

Notes to Financial Statements (Contd.)

5.1 Trade Receivables:

(₹ in Lacs)

Particulars	As at 31st March, 2019	As at 31st March, 2018	As at 1st April, 2017
(a) Considered good - Secured; Less: Allowance for impairment loss allowance	- -	- -	- -
(b) Considered good - Unsecured; Less: Allowance for impairment loss allowance	17,112 155	2,210 5	1,519 -
	16,957	2,205	1,519
(c) Significant increase in credit risk Less: Allowance for impairment loss allowance	- -	- -	- -
(d) Credit impaired Less: Allowance for impairment loss allowance	1,665 1,665	1,580 1,580	1,398 1,398
	-	-	-
Total (a+b+c+d)	16,957	2,205	1,519

- i. In determining the allowances for credit losses, the Company has used a practical expedient by computing the expected credit loss allowance based on a provision matrix. The provision matrix takes into account historical credit loss experience. The expected credit loss allowance is based on the ageing of the receivables that are due and rates used in the provision matrix.

- ii. Movements in Expected Credit Losses Allowance is as below:

(₹ in Lacs)

Particulars	As at 31st March, 2019	As at 31st March, 2018
Balance at the beginning of the year	1,585	1,398
Charge in Statement of Profit and Loss	235	187
Utilized during the year	-	-
Balance at the end of the year	1,820	1,585

- iii. Ageing of Trade Receivables and Credit Risk arising therefrom is as below:

(₹ in Lacs)

Particulars	As at 31st March, 2019		
	Gross carrying amount	Allowance for credit loss	Net carrying amount
Due till three months	16,712	24	16,688

	Gross carrying amount	Allowance for credit loss	Net carrying amount
Due till three months	1,280	-	1,280
Due between three to six months	61	-	61
Due between six months to one year	178	-	178
More than 1 year due	1,398	1,398	-
	2,917	1,398	1,519

5.2 Other Receivables:

(₹ in Lacs)

Particulars	As at 31st March, 2019	As at 31st March, 2018	As at 1st April, 2017
(a) Secured, considered good; Less: Allowance for impairment loss allowance	- -	- -	- -
(b) Unsecured considered good; and Less: Allowance for impairment loss allowance	- -	- -	9,561 648
(c) Significant increase in credit risk Less: Allowance for impairment loss allowance	- -	- -	8,913 -
(d) Credit impaired Less: Allowance for impairment loss allowance	- -	- -	2,356 2,356
	-	-	-
Total (a+b+c+d)	-	-	8,913

- i In determining the allowances for credit losses, the Company has used a practical expedient by computing the expected credit loss allowance based on a provision matrix. The provision matrix takes into account historical credit loss experience. The expected credit loss allowance is based on the ageing of the receivables that are due and rates used in the provision matrix.
- ii. Movements in Expected Credit Losses Allowance is as below:

(₹ in Lacs)

Particulars	As at 31st March, 2019	As at 31st March, 2018
Balance at the beginning of the year	-	3,004
Credited in Statement of Profit and Loss	-	902
Utilized during the year	-	2,102
Balance at the end of the year	-	-

Notes to Financial Statements (Contd.)

iii. Ageing of Other Receivables and Credit Risk arising therefrom is as below:

(₹ in Lacs)

Particulars	As at 31st March, 2019		
	Gross carrying amount	Allowance for credit loss	Net carrying amount
Due till three months	-	-	-
Due between three to six months	-	-	-
Due between six months to one year	-	-	-
More than 1 year due	-	-	-
	-	-	-

(₹ in Lacs)

Particulars	As at 31st March, 2018		
	Gross carrying amount	Allowance for credit loss	Net carrying amount
Due till three months	-	-	-
Due between three to six months	-	-	-
Due between six months to one year	-	-	-
More than 1 year due	-	-	-
	-	-	-

(₹ in Lacs)

Particulars	As at 1st April, 2017		
	Gross carrying amount	Allowance for credit loss	Net carrying amount
Due till three months	7,396	-	7,396
Due between three to six months	619	-	619
Due between six months to one year	1,546	648	898
More than 1 year due	2,356	2,356	-
	11,917	3,004	8,913

The change in Expected Credit Loss Allowance of Receivables was driven by a change in the outstanding amount and movements between age buckets.

*Secured by underlying assets and in certain cases are additionally secured by immovable properties and / or pledge of equity shares of the borrowers by way of collateral security. Exposures which are secured by a charge over future toll revenue/ cash flows / receivables etc. have been considered as secured.

(a) In terms of an Order from DRT-I, Kolkata dated 24 December, 2014, Deccan Chronicle Holding Limited (DCHL), one of the borrowers of the Company, had in the financial year 2014-15 allotted to the Company 66,037,735 equity shares in DCHL pursuant to conversion of a portion of loan into equity shares by virtue of the Company's rights under the financial documents. However, during the corporate insolvency resolution process under the Insolvency and Bankruptcy Code, 2016 of DCHL, the Company has come to know that the said allotment of 66,037,735 equity shares by DCHL was contrary to law and therefore, void and ineffective. Since DCHL failed to give effect to such conversion, the Company has irrevocably and unconditionally withdrawn its right of conversion of loan into equity shares of DCHL vide its letter dated 23 April, 2018 to Resolution Professional of DCHL.

i. Working capital facilities from banks, including working capital demand loans earmarked against such facilities, are secured by hypothecation of underlying assets (short-term as well as long-term loan assets) covered by hypothecation loan and operating lease agreements with customers and receivables arising therefrom, ranking pari passu (excluding assets specifically charged to others). As per the prevalent practice, these facilities are renewed on a year-to-year basis and therefore, are revolving in nature.

ii. Face value of Commercial Paper outstanding as at 31 March, 2019 is ₹ 51,950 Lacs (as at March 31, 2018 ₹ 81,910 Lacs). Face value of maximum outstanding at any time during the year was ₹ 1,29,605 Lacs (As at March 31, 2018 ₹ 1,39,830 Lacs. As at April 1, 2017 ₹ 1,22,940 Lacs). Face value of Commercial Paper repayable within one year is ₹ 51,950 Lacs (As at March 31, 2018 ₹ 81,910 Lacs, as at April 1, 2017 ₹ 38,410 Lacs).

iii. The above foreign currency buyer's credit from banks are repayable by bullet payment and have tenure of upto 1 year. These loans are secured by import documents covering title to capital goods and extension of pari passu charge towards working capital facilities.

Notes to Financial Statements (Contd.)

21.2 Rights, preferences and restrictions in respect of each class of shares

The Company's authorised capital consists of two classes of shares, referred to as Equity Shares and Preference Shares having par value of ₹ 10/- and ₹ 100/- each respectively. Each holder of equity shares is entitled to one vote per share. Preference Shareholder has a preferential right over equity share holders, in respect of repayment of capital and payment of dividend. However, no such preference shares have been issued by the Company during the year ended 31st March, 2019 and 31st March, 2018.

The Company declares and pays dividend in Indian rupees. The dividend, if any, proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting.

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive any of the remaining assets of the Company, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

21.3 Shares allotted as fully paid-up without payment being received in cash/by way of bonus shares (during 5 years preceding 31st March, 2019)

The Company has not issued any shares without payment being received in cash/ by way of bonus shares since 2013-14.

21.4 Details of Shareholders holding more than 5% of the equity shares each, are set out below:

Notes to Financial Statements (Contd.)

(i) Special Reserve:

Transfer of 20% of the profit after tax before re-measurement adjustments on transition to Ind AS, if any, to the statutory reserves in accordance with the provision of Section 45-IC of the RBI Act, 1934.

The conditions and restrictions for distribution attached to Special Reserve is as follows:

No appropriation of any sum from the reserve fund shall be made by the Company except for the purpose as may be specified by the RBI from time to time and every such appropriation shall be reported to the RBI within twenty-one days from the date of such withdrawal. RBI may, in any particular case and for sufficient cause being shown, extend the period of twenty one days by such further period as it thinks fit or condone any delay in making such report.

(ii) Income Tax Special Reserve:

This reserve has been created pursuant to Section 36(1)(viii) of the Income Tax Act, 1961 and any withdrawal from same will be taxable as per provisions of the Income Tax Act, 1961.

(iii) Capital Reserve:

This reserve represents capital investment subsidy received and amount forfeited towards warrant subscription.

(iv) Securities Premium:

This reserve represents the premium on issue of shares and can be utilised in accordance with the provisions of the Companies Act, 2013.

(v) Bond/Debenture Redemption Reserve:

In accordance with Rule 18(7)(b)(ii) of the Companies (Share Capital and Debentures) Rules, 2014 read with Section 71(4) of the Companies Act, 2013 the Company has created DRR only for redemption of public issue of Non-Convertible debentures (NCDs).

(vi) General Reserve:

This reserve include amount transferred from net profit as per provisions of erstwhile Companies Act, 1956 and Reserves created on Amalgamation.

(vii) Equity Instruments through Other Comprehensive Income:

This Reserve represents the cumulative gains (net of losses) arising on the changes in Fair Value of Equity Instruments measured at Fair Value through Other Comprehensive Income, net of amounts reclassified, if any, to Retained Earnings when those instruments are disposed off.

(viii) Retained Earnings:

This reserve represents the cumulative profits of the Company. This can be utilised in accordance with the provisions of the Companies Act, 2013.

* Under Ind AS 109, a hedging relationship only qualifies for hedge accounting if a number of restrictive criteria are satisfied, including appropriate designation and documentation of effectiveness at inception of the hedge. A hedging relationship will only qualify for hedge accounting at the date of transition if the hedging relationship has been fully designated and documented as effective in accordance with Ind AS 109 on or before the date of transition and is of a type that qualifies for hedge accounting under Ind AS 109. Designation of a hedging relationship cannot be made retrospectively. Hence, all derivatives entered prior to 01.04.2018 has been classified as undesignated derivative.

32. First Time Adoption

Ind AS 101 "First-time Adoption of Indian Accounting Standards" provides a suitable starting point for accounting in accordance with Ind AS and is required to be mandatorily followed by first-time adopters. The Company has prepared the Opening Balance Sheet as per Ind AS as of 1st April, 2017 (the transition date) by recognising all assets and liabilities whose recognition is required by Ind AS, not recognising items of assets or liabilities which are not permitted by Ind AS, reclassifying items from previous GAAP to Ind AS as required under Ind AS and applying Ind AS in measurement of recognised assets and liabilities. However, this principle is subject to certain mandatory exceptions and optional exemptions out of which the ones which are relevant for the Company are as detailed below :

Mandatory exceptions to the retrospective application of Ind AS

(i) Estimates

The estimates at 1st April, 2017 and at 31st March, 2018 are consistent with those made for the same dates in accordance with Previous GAAP (after adjustments to reflect any differences in accounting policies).

The estimates used by the Company to present these amounts in accordance with Ind AS reflect conditions at 1st April, 2017, the date of transition to Ind AS and as of 31st March, 2018.

(ii) Classification and Measurement of Financial Assets

Ind AS 101 requires an entity to assess classification of financial assets on the basis of the facts and circumstances existing as on the date of transition and the Company has complied accordingly.

As per Ind AS 101, for financial assets or financial liabilities classified as at amortised cost, if it is impracticable for the Company to apply retrospectively the effective interest method as mentioned in Ind AS 109, the fair value of the financial assets or financial liabilities at the date of transition to Ind AS shall be the new gross carrying amount of that financial asset or financial liability at the date of transition to Ind AS. For financial assets and financial liabilities classified as at amortised cost, measurement has been done retrospectively by the Company.

Notes to Financial Statements (Contd.)

Voluntary exemptions availed

(i) Deemed cost for Property, Plant and Equipment and Intangible Assets

Company has elected to use the carrying amount of items of property, plant and equipments under previous GAAP on the date of transition to Ind AS as deemed cost for Ind AS.

(ii) Investment in Subsidiaries and Associates

Company has elected to continue with the carrying value of its investment in Subsidiaries and Associates recognised as at 1st April, 2017 (transition date) measured as per the Previous GAAP or fair value at transition date as its deemed cost.

(iii) Determining whether an arrangement contains a lease

Appendix C to Ind AS 17 requires entity to assess whether contract or arrangement contains a lease. In accordance with same, this assessment should be carried out at the inception of arrangement. However, the Company has used exemption under Ind AS 101 and assessed all arrangements based on conditions in place as on transition date.

(iv) Assessment of embedded derivatives

The Company has assessed whether an embedded derivative is required to be separated from the host contract and accounted for as a derivative on the basis of the conditions that existed at the later of the date it first became a party to the contract and the date when there has been a change in the terms of the contract that significantly modifies the cash flows that otherwise would be required under the contract.

(v) Derecognition of financial assets and financial liabilities

As per Ind AS 101 – An entity shall apply the exception to the retrospective application in case of “derecognition of financial assets and financial liabilities” wherein a first-time adopter shall apply the derecognition requirements in Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind ASs. For example, if a first-time adopter derecognised non-derivative financial assets or non-derivative financial liabilities in accordance with its previous GAAP as a result of a transaction that occurred before the date of transition to Ind ASs, it shall not recognise those assets and liabilities in accordance with Ind ASs (unless they qualify for recognition as a result of a later transaction or event). The Company has opted not to re-evaluate financial assets derecognised in the past and to apply the derecognition requirements prospectively for transactions occurring on or after the transition date.

(vi) Classification of debt instruments

The Company has determined the classification of debt instruments in terms of whether they meet the amortised cost criteria or the FVTOCI criteria based on the facts and circumstances that existed as of the transition date.

(vii) Impairment of financial assets

The Company has applied the impairment requirements of Ind AS 109 retrospectively; however, as permitted by Ind AS 101, it has used reasonable and supportable information that is available without undue cost or effort to determine the credit risk at the date that financial instruments were initially recognized in order to compare it with the credit risk at the transition date. Further, the Company has not undertaken an exhaustive search for information when determining, at the date of transition to Ind ASs, whether there have been significant increases in credit risk since initial recognition, as permitted by Ind AS 101.

Notes to Financial Statements (Contd.)

(i) Reconciliation of Equity as previously reported under Previous GAAP to Ind AS

Total Comprehensive Income as reported under Ind AS		4,255

Footnotes to the reconciliation of equity as at 1st April, 2017 and 31st March, 2018 and Total Comprehensive Income for the year ended 31st March, 2018.

(i) Interest income and expenses recognition using EIR method on financial assets and liabilities at amortized cost

Under Previous GAAP, all financial assets and financial liabilities were carried at cost. Under Ind AS, certain financial assets and financial liabilities are subsequently measured at amortised cost which involves the application of effective interest method. In applying the effective interest method, an entity identifies fees that are an integral part of the effective interest rate of a financial instrument. The effective interest rate is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial asset or financial liability to the gross carrying amount of the financial asset or financial liability.

(ii) Fair valuation of Investment and other financial instruments

Under Previous GAAP, the Company accounted for long term investments in unquoted and quoted equity shares as investment measured at cost less provision for other than temporary diminution in the value of investments. Under Ind AS, the Group has designated such investments as FVOCI/ FVTPL investments. Ind AS requires FVOCI/FVTPL investments to be measured at fair value.

Notes to Financial Statements (Contd.)

Further, the Company has adopted fair value in few investments in Subsidiaries and Associates as deemed cost as at the transition date and subsequently the same investments are measured at cost.

(iii) Recognition of Expected Credit Loss in line with Ind-AS 109

Under Previous GAAP, the impairment provisioning in respect of a NBFC-ND-SI is governed by the principles as prescribed by the RBI through NBFC-SI Directions.

"Under Ind AS, a loss allowance for expected credit losses is recognised on financial assets carried at amortised cost.

General Approach (Financial Assets containing financing component)

Under General Approach, Expected credit losses (with the exception of purchased or original credit-impaired financial assets) are required to be measured through a loss allowance at an amount equal to the 12 month expected credit losses; or Lifetime expected credit losses; if credit risk has increased significantly since initial recognition of the financial instrument.

Simplified Approach (Financial Assets not containing financing component)

Under Simplified Approach, Expected credit losses are required to be measured through a loss allowance at an amount equal to the Lifetime expected credit losses for all financial assets."

(iv) Fair Valuation of Derivatives

The Company uses derivative financial instruments, such as currency forwards, options and swaps to hedge its foreign currency risks. Under previous GAAP, the net mark to market losses or gains on the outstanding portfolios of such instruments were recognised in the profit or loss.

The Company uses derivative financial instruments, such as cross currency swaps and interest Rate Swaps for hedging the interest rate risk. Under previous GAAP, as per Guidance Note on Accounting for Derivative Contracts issued by ICAI, the net mark to market losses or gains on the outstanding portfolios of such instruments were recognised directly in cash flow hedges.

Under Ind AS, changes in the fair value of derivatives on adoption date has been routed through retained earnings. The changes in fair value of derivative financial instruments, after adoption date, which are designated as cash flow hedges are recognised in equity. Amounts deferred in equity are transferred to the Statement of Profit and Loss in line with the hedged transaction.

(v) Actuarial gains/(losses) on employee benefit plans

Under previous GAAP, actuarial gains and losses related to the defined benefit schemes for gratuity and liabilities towards employee leave encashment were recognised in profit or loss. Under Ind AS, the actuarial gains and losses form part of remeasurement of the net defined benefit liability/asset which is recognised in OCI. Consequently, the tax effect of the same has also been recognised in OCI instead of profit or loss.

(vi) Deferred Tax impact on above

Under Previous GAAP, deferred tax was accounted using the income statement approach on the timing differences between the taxable profit and accounting profits for the period. Under Ind AS, deferred tax is recognised following balance sheet approach on the temporary differences between the carrying amount of assets or liabilities in the balance sheet and its tax base. In addition, various transitional adjustments has also led to recognition of deferred taxes on new temporary differences.

Notes to Financial Statements (Contd.)

33. Capital Management

The primary objectives of the Company's capital management policy are to ensure that the Company complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios in order to support its business and to maximise shareholder value.

The Company manages its capital structure and makes adjustments to it according to changes in economic conditions and the risk characteristics of its activities. In order to maintain or adjust the capital structure, the Company may adjust the amount of dividend payment to shareholders, return capital to shareholders or issue capital securities. No changes have been made to the objectives, policies and processes from the previous years. However, they are under constant review by the Board.

34. Regulatory Capital (Capital Adequacy Ratio)

(₹ in Lacs)

Particulars	As at 31st March, 2019	As at 31st March, 2018	As at 1st April, 2017
Tier I capital	1,43,602	2,38,030	2,27,803
Tier II capital	63,632	67,544	84,614
Total capital	2,07,234	3,05,574	3,12,417
Risk Weighted Assets	13,31,383	17,36,499	16,49,315
Tier I Ratio (%)	10.79	13.71	13.81
Tier II Ratio (%)	4.78	3.89	5.13

Regulatory capital consists of Tier I capital, which comprises share capital, share premium, retained earnings including current year profit, statutory reserves and other free reserves less deferred revenue expenditure and intangible assets. The other component of regulatory capital is Tier II Capital Instruments, which includes subordinate bonds, deposits and loans.

The aforesaid figures on regulatory capital are as per RBI Master Direction - Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016, as amended, and are not as per Ind AS.

35. Financial Instruments and Related Disclosures

This section gives an overview of the significance of financial instruments for the Company and provides additional information on balance sheet items that contain financial instruments.

The details of significant accounting policies, including the criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised in respect of each class of Financial Asset, Financial Liability and Equity Instrument are disclosed in Note No. 1.16 to the financial statements.

Notes to Financial Statements (Contd.)

A) Categories of Financial Instruments

Set out below, is a comparison by class of the carrying amounts and fair value of the Company's financial instruments:

*Exclude investment in subsidiaries and associates amounting to ₹ 218,038 lacs (31st March, 2018 - ₹ 218,415 lacs, 1st April, 2017 - ₹ 218,451 lacs) measured at cost.

Notes to Financial Statements (Contd.)

Below are the methodologies and assumptions used to determine fair values for the above financial instruments which are not recorded and measured at fair value in the Company's financial statements. These fair values were calculated for disclosure purposes only. The below methodologies and assumptions relate only to the instruments in the above tables

Loans measured at amortised cost

The fair values of loan assets are estimated using a discounted cash flow model based on observable future cash flows based on terms, discounted at the average lending rate of the Company.

Other financial assets measured at amortised cost

Other financial assets have assets with short-term maturity (less than twelve months) as on balance sheet date and therefore, the carrying amounts, which are net of impairment, are a reasonable approximation of their fair value.

Debt Securities, Subordinated Liabilities and Other Borrowings measured at amortised cost

The fair values of debts are estimated using a discounted cash flow model based on observable future cash flows based on terms, discounted at the average borrowing rate of the Company.

Other financial liabilities measured at amortised cost

Other financial liabilities have liability with short-term maturity (less than twelve months) as on balance sheet date and therefore, the carrying amounts are a reasonable approximation of their fair value.

B) Fair Value Hierarchy

The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Level 1 to Level 3, as described below:

Quoted prices in an active market (Level 1): Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Valuation techniques with observable inputs (Level 2): The fair value of financial instruments that are not traded in an active market (for example over-the counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Valuation techniques with significant unobservable inputs (Level 3): If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities and Loan Assets carried at FVTPL included in level 3.

(i) Mark-to-Market

Fair value of the asset and liability has been estimated using the current market price, or price for similar assets and liabilities as applicable.

(ii) Income Approach.

The discounted cash flow method was used to capture the present value of the expected future benefits to be derived from the underlying Assets.

Notes to Financial Statements (Contd.)

(iii) Quoted Prices.

Quoted bid prices of an active market was used.

(iv) Other Inputs

(a) Market Multiple Method: Relevant information from companies operating in similar economic environment and industry was used.

(b) Discounted Cash Flow Method: Present value of the expected future benefits to be derived from the underlying Assets.

(c) Net Asset Valuation Method: Value of the underlying net assets of the business.

(v) Discount rate, determined using the average cost of borrowing of the Company + spread and contract yield rates.

(vi) Estimated future cash flows.

Reconciliation of Level 3 fair value measurements

(₹ in Lacs)

Sensitivity of fair value measurements to changes in unobservable market data

The table below describes the effect of changing the significant unobservable inputs to reasonable possible alternatives. Sensitivity data are calculated using a number of techniques, including analysing price dispersion of different price sources, adjusting model inputs to reasonable changes within the fair value methodology.

The ranges are not comparable or symmetrical as the model inputs are usually not in the middle of the favourable/unfavourable range.

(₹ in Lacs)

Reconciliation	As at 31st March, 2019		As at 31st March, 2018	
	Favourable Changes	Unfavourable Changes	Favourable Changes	Unfavourable Changes

C) Financial risk management objectives

The Company's activities expose it to market risk, liquidity risk and credit risk.

The Company has an independent and dedicated Enterprise Risk Management (ERM) system to identify, manage and mitigate business risks

Board has approved the Asset Liability Management Policy and the formation of Asset Liability Management Committee (ALCO). The ALCO includes the Company's senior management. It defines the strategy for managing liquidity and interest rate risks in the business.

Notes to Financial Statements (Contd.)

a) Market risk

The Company's Financial Instruments are exposed to market changes. The Company is exposed to the following significant market risk:

- i. Foreign Currency Risk
- ii. Interest Rate Risk
- iii. Other Price Risk

i. Foreign currency risk

The Company undertakes transactions denominated in foreign currency which results in exchange rate fluctuations. Such exchange rate risk primarily arises from transactions made in foreign exchange and reinstatement risks arising from recognised assets and liabilities, which are not in the Company's functional currency (Indian Rupees).

Foreign Currency Exposure

(₹ in lacs)

	EUR	22,673	26,893	25,681

Foreign currency sensitivity

Foreign Currency Sensitivities (impact on increase in 2%)

(₹ in Lacs)

Currency	As at 31st March, 2019	As at 31st March, 2018	As at 1st April, 2017
USD	(415)	(510)	(983)
EUR	(453)	(538)	(509)

The Company has entered into Spots, Forwards and Currency Swaps to manage its foreign currency risk. Hence, the Company's profit and loss and equity is not exposed to such foreign currency sensitivity.

Note: If the rate is decreased by 2%, profit of the Company will increase by an equal amount.

ii. Interest rate risk

The Company is exposed to interest rate risk as the Company borrows funds at both fixed and floating interest rates. The Company manages the risk by maintaining an appropriate mix between fixed and floating rate borrowings, and by use of interest rate swaps and cross currency interest rate swaps. Hedging activities are evaluated to align with interest rate views and defined risk appetite, to deploy the most cost effective hedging strategies.

Notes to Financial Statements (Contd.)

The Company is further exposed to interest rate risk as the Company lends funds at floating interest rates.

Interest Rate Exposure

(₹ in lacs)

As at 31st March, 2019	INR	Euro	USD	Total
Financial Assets				
Loans	7,76,389	-	-	7,76,389
Financial Liabilities				
Borrowings (Other than Debt Securities)	8,40,071	22,673	20,745	8,83,489
Subordinated Liabilities	10,000	-	-	10,000
As at 31st March, 2018	INR	Euro	USD	Total
Financial Assets				
Loans	8,32,125	-	-	8,32,125
Financial Liabilities				
Borrowings (Other than Debt Securities)	9,57,774	26,893	25,525	10,10,192
Subordinated Liabilities	10,000	-	-	10,000
As at 1st April, 2017	INR	Euro	USD	Total
Financial Assets				
Loans	9,10,739	242	-	9,10,981
Financial Liabilities				
Borrowings (Other than Debt Securities)	8,81,701	25,681	49,171	9,56,553
Subordinated Liabilities	10,000	-	-	10,000

The following table demonstrates the sensitivity to a reasonably possible change in interest rates (all other variables being constant) of the Company's statement of profit and loss and equity.

Interest Rate Sensitivities for outstanding exposure (impact on increase in 2%)

Currency	As at 31st March, 2019	As at 31st March, 2018	As at 1st April, 2017
INR	(1,074)	(2,313)	781
EURO	(453)	(538)	(509)
USD	(415)	(511)	(983)

Figures in brackets indicate decrease in profit

In some cases, the Company has entered into cross currency swap and interest rate swaps to manage its interest rate risk. The Company's profit and loss and equity is not exposed to interest rate sensitivity to that extent.

The sensitivity analysis above has been determined based on the exposure to interest rates for assets and liabilities at the end of the reporting period. For floating rate assets and liabilities, the analysis is prepared assuming the amount of the liabilities/assets outstanding at the end of the reporting period was outstanding for the whole year and the rates are reset as per the applicable reset dates.

Note: If the rate is decreased by 2%, profit of the Company will increase by an equal amount.

iii. Price risk

Equity price risk is related to change in market reference price of investments in equity securities held by the Company. The fair value of quoted investments held by the Company exposes the Company to equity price risks. In general, these investments are not held for trading purposes. The fair value of quoted investments in equity, classified as fair value through Profit & Loss/ fair value through Other Comprehensive Income as at 31st March, 2019 is ₹ 23,092 Lacs (31st March, 2018: ₹ 39,564 Lacs, 1st April, 2017: ₹ 13,818 Lacs)

A 10% change in equity prices of such securities held as at 31st March, 2019, 31st March, 2018 and 1st April, 2017, would result in an impact of ₹ 2,309 Lacs, ₹ 3,956 Lacs and ₹ 1,382 Lacs respectively.

Notes to Financial Statements (Contd.)

b) Liquidity risk

Liquidity risk is the risk that the Company does not have sufficient financial resources to meet its obligations as they fall due, or will have to do so at an excessive cost. This risk arises from mismatches in the timing of cash flows which is inherent in all finance driven organisations and can be affected by a range of Company-specific and market-wide events.

Liquidity risk management (based on commercial terms):

Notes to Financial Statements (Contd.)

c) Credit risk

Credit risk is the risk that the Company will incur a loss because its customers or counterparties fail to discharge their contractual obligations.

Credit risk is monitored by the credit risk department of the Company's independent Risk Controlling Unit. It is their responsibility to review and manage credit risk, including environmental and social risk for all types of counterparties. Credit risk consists of line credit risk managers who are responsible for their business lines and manage specific portfolios and experts who support both the line credit risk manager, as well as the business with tools like credit risk systems, policies, models and reporting.

The Company conducts an industry analysis to determine the risk level of each industry which the Company is exposed to. The Company also performs portfolio analysis to analyze the correlations between different exposures, assess risk at an overall portfolio, and assess concentration risks in the portfolio. The Company also conducts stress testing at portfolio level to assess the impact on stress situations on the Company's portfolio. The corrective action taken by the Company includes obtaining collaterals which are easy to liquidate, which have high marketability and re-sale value.

d) Risk concentrations

The principal business of the Company is to provide financing in the form of loans to its clients for various infrastructure and allied purposes. Credit Risk is the risk of default of the counterparty to repay its obligations in a timely manner resulting in financial loss. Credit risk encompasses both the direct risk of default and the risk of deterioration of creditworthiness as well as concentration risks. The Company has credit policies approved by the Board which lays down the credit evaluation and approval process in compliance with regulatory guidelines.

The Company uses the Expected Credit Loss (ECL) Methodology to assess the impairment on loan assets. The Probability of Default and Loss Given Default (LGD) is derived based on historical data on an unsegmented portfolio basis due to limitation of counts in past. The combination of the PD and LGD is applied on the Exposure at Default to compute the ECL, which is further adjusted for forward looking information, if any. Additionally, the Company reviews its large exposures on quarterly basis to identify cases where the expected credit loss is expected to be higher than that derived from the model and recognises such impairments additionally.

In order to avoid excessive concentrations of risk, the Company's policies and procedures include specific guidelines to focus on maintaining a diversified portfolio. Identified concentrations of credit risks are controlled and managed accordingly.

Analysis of risk concentration

(₹ in Lacs)

Particulars	As at 31st March, 2019			As at 31st March, 2018			As at 1st April, 2017

36. Transfers of financial assets

Transfers of financial assets that are not derecognised in their entirety :

Assignment of Non-Performing Loan Assets to Asset Reconstruction Company (ARC):

The Company has carried out an assignment transaction wherein it has assigned Non-Performing Loan Accounts to an Asset Reconstruction Company by transferring the loan assets to a Special Purpose Entity and subscribed to 85% of the total value of security receipts issued by the Trust. Even though the loan assets have been assigned, the Company still holds the right (legal as well as contractual) to recover the entire overdue balance in respect of these loan assets. Further, the returns from the Security Receipts are dependent on the realisation from the assigned loan assets, leading to Company bearing the risk of non-realisation from the pool to the extent of its investment in Security Receipts.

Notes to Financial Statements (Contd.)

The table below outlines the carrying amounts and fair values of all financial assets transferred that are not derecognised in their entirety and associated liabilities.

Particulars	As at 31st March, 2019	As at 31st March, 2018	As at 1st April, 2017
Carrying amount of assets	20,400	85	*
Carrying amount of associated liabilities	-	-	*
Fair value of assets	20,400	85	*
Fair value of associated liabilities	-	-	*

* The Company has chosen to apply the de-recognition requirements of Ind AS - 109 prospectively by choosing the first-time exemptions provided by Ind AS - 101.

37. Assets obtained by taking possession of collateral

The Company obtained the following non-financial assets during the year by taking possession of assets held as security against loans or third party security and held at the year end. The Company's policy is to determine whether such asset can be best used for its internal operations or should be sold. Assets determined to be useful for the internal operations are transferred to their relevant asset category at the lower of their repossessed value or the carrying value of the original secured asset. Assets for which selling is determined to be a better option are transferred to assets acquired in satisfaction of debt at their fair value or carrying value, whichever is lower. The Company's policy is to realise collateral on a timely basis.

The table below outlines the nature and values of assets acquired in satisfaction of debt obtained during the year.

Particulars	(₹ in Lacs)	
	2018-19	2017-18
Land	-	78,603
Property	-	21,312
Total assets obtained by taking possession of collateral	-	99,915

38. Disclosure pursuant to Ind AS 19 - Employee Benefits

Defined contribution plans

The Company has recognised, in Statement of Profit and Loss for the year ended 31st March, 2019 an amount of ₹ 166 Lacs (Previous year ₹ 173 Lacs) as expenses under defined contribution plans.

Defined benefit plans

(A) Gratuity Fund :-

The Company makes contributions to Defined Benefit Plans for qualifying employees. The scheme is funded by way of separate irrevocable trust. The fund is managed internally by the Company. These Plans are administered through approved Trusts, which operate in accordance with the Trust Deeds, Rules and applicable Statutes. The concerned Trusts are managed by Trustees who provide strategic guidance with regard to the management of their investments and liabilities and also periodically review their performance. The Trustees of the gratuity scheme for the employees of the Company have interested the administration of the scheme to the Life Insurance Corporation of India (LIC).

The liabilities arising in the Defined Benefit Schemes are determined in accordance with the advice of independent, professionally qualified actuaries, using the projected unit credit method. The Company makes regular contributions to these Employee Benefit Plans. Additional contributions are made to these plans as and when required based on actuarial valuation. Some Group companies also participate in these Plans. These participating Group companies make contributions to the Plans for their respective employees on a uniform basis and each entity ascertains their obligation through actuarial valuation. The net Defined benefit cost is recognised by these companies in their respective Financial Statements.

Notes to Financial Statements (Contd.)

Under the Gratuity plan, every employee is entitled to gratuity, being higher of the amount, calculated under the Company's plan (based on last monthly salary and number of years of service) or calculations as laid down under the Payment of Gratuity Act, 1972. Gratuity is payable on death / retirement / termination and the benefit vests after 5 year of continuous service.

Risk Management

The Defined Benefit Plans expose the Company to risk of actuarial deficit arising out of interest rate risk, salary inflation risk and demographic risk.

- (a) Interest rate risk: The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.
- (b) Salary Inflation risk: Higher than expected increase in salary will increase the defined benefit obligation.
- (c) Demographic Risk : This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these on the defined benefit obligation is not straight forward and depends upon the combination of salary increase , discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis the retirement benefit of short career employee typically costs less per year as compared to long service employee.

The most recent actuarial valuation of plan assets and the present value of the defined benefit obligation was carried out as at 31st March, 2019.

38.1 Particulars in respect of employee benefits of the Company are as follows :-

Total	100%	100%	100%			

Notes to Financial Statements (Contd.)

38.3 Principal Assumptions used are as follows:

Discount rate per annum	7.50%	7.60%	7.15%	7.50%	7.60%	7.15%
Salary escalation rate per annum	10.00%	10.00%	10.00%	10.00%	10.00%	10.00%

38.4 The estimate of future salary increase, considered in actuarial valuation, takes account of inflation, seniority, promotion and other relevant factors such as supply and demand in the employee market.

38.5 Sensitivity Analysis

The Sensitivity Analysis below has been determined based on reasonably possible change of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant. These sensitivities show the hypothetical impact of a change in each of the listed assumptions in isolation. While each of these sensitivities holds all other assumptions constant, in practice such assumptions rarely change in isolation and the asset value changes may offset the impact to some extent. For presenting the sensitivities, the present value of the Defined Benefit Obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the Defined Benefit Obligation presented above. There was no change in the methods and assumptions used in the preparation of the Sensitivity Analysis from previous year.

41. LEASES

a. In the capacity of Lessee

- (i) The Company has certain cancellable operating lease arrangements for office premises and equipments, which range between 11 months to 15 years and are usually renewable by mutual consent, on mutually agreeable terms. Some of these lease agreements have rent escalation upto 5% p.a. or 10% p.a. on renewals. Lease payments charged to the Statement of Profit and Loss with respect to such leasing arrangements aggregate to ₹ 957 Lacs (Previous Year: ₹ 866 Lacs).

Contingent rent recognised for agreements which stipulate rent payment based on usage is ₹ Nil (Previous year ₹ Nil).

- (ii) Further, the Company had certain non-cancellable operating lease arrangements for office premises, which was of 21 years and was renewable by mutual consent on mutually agreeable terms. Based on mutual understanding between parties, the agreement was terminated during the previous year. In respect of such arrangements, lease payments for the previous year aggregating to ₹ Nil (Previous year ₹ 4 Lacs) have been recognised in the Statement of Profit and Loss.

The future lease payments in respect of the above non-cancellable operating leases are as follows:

(₹ in Lacs)

Particulars	As at 31st March, 2019	As at 31st March, 2018	As at 1st April, 2017
Not later than 1 year	-	-	8
Later than 1 year but not later than 5 years	-	-	34
Later than 5 years	-	-	61
Total	-	-	103

- (iii) Sub lease payments received (or receivable) recognised in the Statement of Profit and Loss for the year is ₹ 1,474 Lacs (Previous year ₹ 1,333 Lacs). Future minimum sublease payments expected to be received under non-cancellable subleases is ₹ Nil (Previous year ₹ 875 Lacs).

Notes to Financial Statements (Contd.)

b. In the capacity of Lessor

- (i) The Company has given assets on Operating lease (refer Note No. 12) for periods ranging between 5 to 15 years. Some of these lease agreements stipulate rental computation on the basis of earnings of the Lessee. Such contingent rent recognised during the year is ₹ 850 Lacs (Previous year ₹ 3,173 Lacs).

The future minimum lease receivables in respect of non-cancellable operating leases are as follows:

(₹ in Lacs)

Particulars	As at 31st March, 2019	As at 31st March, 2018	As at 1st April, 2017
Not later than 1 year	-	213	213
Later than 1 year but not later than 5 years	-	61	274
Later than 5 years	-	-	-
Total	-	274	487

- (ii) The Company also has cancellable operating lease arrangements for office premises, which range between 1 to 3 years and are usually renewable by mutual consent on mutually agreeable terms. Further, the Company had non-cancellable arrangement which is of 3 years and was renewable by mutual consent on mutually agreeable terms. In respect of non-cancellable arrangements, lease earning for the year aggregating to ₹ 1 Lacs (Previous year ₹ 2 Lacs) have been recognised in the Statement of Profit and Loss.

The future minimum lease receivables in respect of non-cancellable operating leases are as follows:

(₹ in Lacs)

14 Disclosures on Risk Exposure in Derivatives

(i) Qualitative Disclosure

The structure and organization for management of risk in derivatives trading, is not applicable since the Company is not engaged in derivative trading.

Besides other market risks / core functions, Asset Liability Committee (ALCO) manages the Foreign Currency and Interest Rate Risks also. The Company has put in place the policies for hedging / mitigating risks / strategies and processes for continuous monitoring of risks, which will enable the Company to quantify risk, both on account of Foreign Currency and Interest Rate Risks. Apart from ALCO there is a Risk Committee of the Board which guides the Company in these risks.

The Board has delegated authority to Company officials in the Forex Treasury department for entering into Generic derivative products besides Forward Contracts, on behalf of the Company, to hedge the Foreign Currency and Interest Rate Risk exposures.

The Company has a Market Risk Policy which paves the way for risk reporting and risk monitoring systems. The marked-to-market values are obtained from the banks with whom the hedge deals are done.

INDEPENDENT AUDITOR'S REPORT

To the Members of

Srei Infrastructure Finance Limited

Report on the Consolidated Financial Statements

Opinion

We have audited the accompanying consolidated financial statements of Srei Infrastructure Finance Limited ("the Company") and its subsidiaries (the Company and its subsidiaries together referred to as "the Group"), its associates and trust, which comprise the Consolidated Balance Sheet as at March 31, 2019, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements and on the other financial information of the subsidiaries, associates and trust, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards ("Ind AS"), of the consolidated state of affairs of the Group, its associates and trust as at March 31, 2019, their consolidated profit (including other comprehensive income), consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the consolidated financial statements in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Group, its associates and trust in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with

the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the "Other Matters" paragraph hereinbelow, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

1. Transition to Ind AS

The Company has adopted Ind AS notified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015 from April 1, 2018 and the effective date of such transition is April 1, 2017. Ind AS are new and complex accounting standards which require considerable judgment and interpretation in their implementation. Further, Ind AS 101 ("First-time Adoption of Indian Accounting Standards") allows two categories of exceptions to the first-time adopters, which mainly includes prohibition to retrospective application of certain requirements of (Ind AS) and exemption from some requirements of Ind AS. We consider this transition and the required disclosures to be a key audit matter because new accounting policies have been adopted by the Company to comply with these standards. Note No.1 "Significant Accounting Policies", Note No.34 "First Time Adoption" and Note No.37 "Financial Instruments and Related Disclosures" to the consolidated financial statements provide detailed information on the significant policies, critical judgment and estimation along with details of exemptions applied from certain requirements under (Ind AS), based on which these consolidated financial statements are prepared.

Principal Audit Procedures:

We have performed the following audit procedures in order to obtain sufficient audit evidence:

- Assessed the Company's process to identify the impact of adoption and transition to the new accounting standards;
- Evaluated the design of internal controls and tested the operating effectiveness of key internal controls around the process of preparation of the consolidated financial statements;
- Reviewed the exemptions availed by the Company from certain requirements under Ind AS;
- Obtained an understanding of the determination of key judgments;
- Evaluated and tested the key assumptions and judgments adopted by management;
- Assessed the disclosures made against the relevant Ind AS; and
- Determined the appropriateness of the methodologies and models used along with the reasonability of the outputs.

2. Impairment loss allowance of loans and advances- reported by us and the auditor of Srei Equipment Finance Limited

Impairment loss allowance of loans and advances ("Impairment loss allowance") is a key audit matter as the Company and the subsidiary has significant credit risk exposure. The value of loans and advances on the balance sheet is significant and there is a high degree of complexity and judgment involved for the Company and the subsidiary in estimating individual and collective credit impairment provisions and write-offs against these loans. The Company and the subsidiary's model to calculate expected credit loss ("ECL") is inherently complex and judgment is applied in determining the three-stage impairment model ("ECL Model"), including the selection and input of forward-looking information. ECL provision calculations require the use of large volumes of data. The completeness and reliability of data can significantly impact the accuracy of the modelled impairment provisions. The accuracy of data flows and the implementation of related controls are critical for the integrity of the estimated impairment provisions.

Principal Audit Procedures:

The audit procedures followed by us and the principal audit procedure reported by the Component Auditor is given below:

- Obtained an understanding of the internal control environment related to Impairment loss allowance. The procedures over internal controls focused on recognition and measurement of impairment loss allowance. Assessed the design and tested the operating effectiveness of the selected key controls implemented by the Company and the subsidiary.
- Assessed whether the impairment methodology used by the Company and the subsidiary is in line with the requirements of Ind AS 109, "Financial instruments". More particularly, assessed the approach of the Company and the subsidiary regarding the definition of default, Probability of Default, Loss Given Default and incorporation of forward-looking information for the calculation of ECL.

For loans and advances which are assessed for impairment on a portfolio basis, particularly the following procedures were performed:

- tested the reliability of key data inputs and related management controls;
- checked the stage classification as at the balance sheet date as per definition of default;
- validated the ECL model and calculation by involving our Information Technology Expert;
- calculated the ECL provision manually for a selected sample; and
- assessed the assumptions made by the Company in making accelerated provision, considering forward looking information and based on the status of a particular industry as on the reporting date.

For loans and advances which are written off during the year under audit, we read and understood the methodology and policy laid down and implemented by the Company in this regard along with its compliance on sample basis.

For loss allowances, the component auditor had independently assessed the appropriateness of provisioning methodologies and policies for a sample of loans selected

across the portfolio. An independent view was formed on the levels of provisioning based on the detailed loan and counterparty information available. This also included review of Specific Provision Review Committee minutes and discussion with senior management including the Chief Executive Officer, Chief Financial Officer, Chief Risk Officer and Chief Credit Officer.

3. Valuation of unquoted financial assets held at fair value

The valuation of the Company's unquoted financial assets held at fair value is a key audit matter due to the significance of the amount and complexity involved in the valuation process.

Management makes significant judgments because of the complexity of the techniques and assumptions used in valuing some of the level 3 investment securities given the limited external evidence and unobservable market data available to support the Company's valuations.

The valuation of the level 3 investment securities are dependent on market conditions and key assumptions made. The determination of these assumptions is complex and requires the exercise of management judgment.

Principal Audit Procedures:

We have performed the following audit procedures in order to obtain sufficient audit evidence:

- assessed the valuation methodologies including evaluation of independent external valuers' competence, capability and objectivity.
- assessed the reasonableness of key assumptions based on our knowledge of the business and industry.
- checked, on a sample basis, the accuracy and relevance of the input data used.

4. Fair Valuation of Claims Receivables:(as reported by the auditor of Srei Equipment Finance Limited)

Claims Receivables amounts to ₹. 21,022 lacs as at March 31,2019 and has been recognized as financial assets measured at Fair Value through Profit and Loss in the Subsidiary Company's financial statements.

Determination of fair value and recoverability of the Claims Receivables has been identified as a Key Audit Matter, by the component auditor, as the same is based on unobservable inputs and subjective assumptions.

Principal Audit Procedures:

The Principal Auditors have used the work of Component Auditor. The Component Auditor has reported that they have performed the following procedures:

- Obtaining audit evidence in respect of key controls over the management judgments and the assumptions-setting processes including judgments regarding expected realization date and value.
- Assessing the underlying legal due diligence reports, examining the underlying agreements and assessing the progress of the claims during the period.
- Obtaining independent confirmation from lawyers regarding the legal status of the underlying claims and opinion regarding their assessment on the recoverability of the claims.
- Evaluating the competencies, capabilities and objectivity of the external legal counsels.

5. Key Information Technology (IT) systems which impact financial reporting process: (as reported by the auditor of Srei Equipment Finance Limited)

The IT system within the Company form a critical component of the Subsidiary Company's financial reporting activities and impact all account balances. Certain key operational and financial processes of the Subsidiary Company like origination of loans, revenue recognition etc. are highly dependent on IT systems due to large volume of transactions that are processed daily.

IT controls, in the context of our scope for the financial audit, primarily relate to access security and change control. The purpose of such controls is to prevent inappropriate changes being made to IT systems in relation to application functionality, transactional processing and direct changes to underlying data.

Principal Audit Procedures:

The Principal Auditors have used the work of Component Auditor. The Component Auditor has reported that they have performed the following procedures:

Involved our IT specialist to obtain an understanding of the entity's IT related control environment. Furthermore, we conducted a risk assessment and identified IT applications, databases and operating systems that are relevant to their audit.

For the key IT systems relevant to financial reporting, our areas of audit focus included Access Security (including controls over privileged access) and Program Change controls. In particular:

- Identified the IT risks for each IT system based on our understanding of the flows of transactions and the IT environment.
- Determined whether each general IT control, individually or in combination with other controls, is appropriately designed to address the associated IT risk.
- Tested the design, implementation and operating effectiveness of the relevant general IT controls.

Other Information

The Company's Board of Directors is responsible for the other information. The other information comprises the Report on Corporate Governance and does not include the financial statements and our auditor's report thereon, which we obtained prior to the date of this auditor's report, and the Directors' Report including Annexures to Directors' Report, which are expected to be made available to us after that date.

Our opinion on the consolidated financial statements does not cover the other information and we do not and will not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed on the other information that we obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated changes in equity and consolidated cash flows of the Group, its associates and

trust in accordance with the Ind AS specified under section 133 of the Act, read with the relevant rules issued thereunder and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group and its associates and the trustees of the trust are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act/other relevant regulations applicable, for safeguarding of the assets of the Group, its associates and trust and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and its associates and the trustees of the trust are responsible for assessing the ability of the Group, its associates and the trust to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and its associates and the trustees of the trust are also responsible for overseeing the financial reporting process of the Group, its associates and trust.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements. As part of an audit in accordance

with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company, its subsidiaries and its associates, which are companies incorporated in India, have adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group, its associates and trust to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group, its associates and trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group, its associates and trust to express an opinion on the consolidated financial

statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- (a) We did not audit the financial statements of eleven subsidiaries, whose financial statements reflect total assets of ₹ 26,67,772 lacs as at March 31, 2019, total revenues of ₹ 4,39,295 lacs and net cash inflows

amounting to ₹ 18,962 lacs for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net loss(including other comprehensive income) of Rs. Nil for the year ended March 31, 2019, as considered in the consolidated financial statements, in respect of one associate, whose financial statements have not been audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management of the Company and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associate and our report in terms of section 143(3) of the Act, in so far as it relates to the aforesaid subsidiaries and associate, is based solely on the reports of the other auditors.

- (b) We did not audit the financial statements of the trust, whose financial statements reflect total assets of ₹ 1 Lakh as at March 31, 2019, total revenues of Rs. Nil and net cash inflows/outflows amounting to Rs. Nil for the year ended on that date, as considered in the consolidated financial statements. The consolidated financial statements also include the Group's share of net loss of Rs. 28 lacs for the year ended March 31, 2019, as considered in the consolidated financial statements, in respect of one associate, whose financial statements have not been audited by us. These financial statements are unaudited, have been certified by the trustees of the trust /management of the associate and furnished to us by the Management of the Company and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of the trust and the associate and our report in terms of section 143(3) of the Act, in so far as it relates to the aforesaid trust and the associate is based solely on such unaudited financial statements. In our opinion and according to the information and explanations given to us by the Management of the Company, these unaudited financial statements are not material to the consolidated financial statements.

The financial statements of a foreign associate company of the Company has been prepared as per IFRS, generally followed in the country of incorporation of the foreign associate company. As explained by the Management of the Company in Note No. 48 of the consolidated financial statements, since there are no material differences between such financial statements as per IFRS and as per Ind AS, no adjustments have

been considered necessary and it has been relied upon by us.

Our opinion on the consolidated financial statements and our report on the Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done by and the reports of the other auditors and the unaudited financial statements certified by the trustees/management of the respective entities.

Report on Other Legal and Regulatory Requirements

- (1) As required by section 143(3) of the Act, we report, to the extent applicable, that:
- a. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements;
 - b. In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
 - d. In our opinion, the aforesaid consolidated financial statements comply with the Indian Accounting Standards specified under section 133 of the Act, read with the relevant rules issued thereunder;
 - e. On the basis of the written representations received from the directors of the Company as on March 31, 2019 taken on record by the Board of Directors of the Company, the reports of the statutory auditors of its subsidiary companies and associate company incorporated in India, none of the directors of the Group companies and its associate company incorporated in India is disqualified as on March 31, 2019 from being appointed as a director in terms of section 164(2) of the Act;

- f. With respect to the adequacy of the internal financial controls with reference to financial statements of the Group and its associate company incorporated in India and the operating effectiveness of such controls, we give our separate report in the "Annexure".
- g. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - (i) The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group, its associates and trust– Refer Note Nos. 9 and 33 to the consolidated financial statements;
 - (ii) Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;
 - (iii) There has been no delay in transferring amounts, required to be transferred to the Investor Education and Protection Fund by

the Company, its subsidiary companies and its associate company incorporated in India.

- (2) As required by section 197(16) of the Act, we report that in our opinion and to the best of our information and according to the explanations given to us by the Company and based on our reading of the reports of the statutory auditors of its subsidiary companies and associate company incorporated in India, the remuneration paid/provided by the Company, its subsidiary companies and associate company incorporated in India to their directors during the year is in accordance with the provisions of section 197 of the Act.

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph (1)f under 'Report on Other Legal and Regulatory Requirements' in our Independent Auditor's Report of even date, to the members of the Company on the consolidated financial statements for the year ended March 31, 2019]

Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2019, we have audited the internal financial controls with reference to financial statements of the Group and its associates, in respect of companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the entities of the Group and its associates which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of business, including adherence to the respective Company's policies, the safeguarding of assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements of the entities of the Group and its associates, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing specified under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls with reference to financial statements, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the 'Other Matters' paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to financial statements.

Meaning of Internal Financial Controls with reference to Financial Statements

A Company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Group and its associates, in respect of companies incorporated in India, have, in all material respects, an adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2019, based on the internal control with reference to financial statements criteria established by the Company, considering the essential components of internal control stated in the Guidance Note issued by the ICAI.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements, in so far as it relates to eleven subsidiaries and one associates of the Company which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

Significant Accounting Policies and Notes to Consolidated Financial Statements

1 Significant Accounting Policies

1.1 Basis of preparation

The Consolidated financial statements relates to M/s. Srei Infrastructure Finance Limited (the "Company") and its subsidiary (together hereinafter referred to as "Group"), associates and Trust. The Consolidated financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended from time to time). The Consolidated financial statements have been prepared under the historical cost convention, as modified by the application of fair value measurements required or allowed by relevant Accounting Standards.

Accounting policies have been consistently applied to all periods presented, unless otherwise stated.

The preparation of financial statements requires the use of certain critical accounting estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses and the disclosed amount of contingent liabilities. Areas involving a higher degree of judgement or complexity, or areas where assumptions are significant to the Group are discussed in Note 1.23 -Significant accounting judgements, estimates and assumptions. The management believes that the estimates used in preparation of consolidated financial statements are prudent and reasonable. Actual results could differ from those estimates and the differences between the actual results and the estimates would be recognised in the periods in which the results are known / materialised.

The Consolidated financial statements are presented in Indian Rupees (INR) and all values are rounded to the nearest lakh, except when otherwise indicated.

Comparative information has been restated to accord with changes in presentations made in the current year, except where otherwise stated.

1.2 Basis of Consolidation

- (i) The consolidated financial statements incorporate the financial statements of the Company and entities controlled by the Company i.e. its subsidiaries. It also includes the Group's share of profits in associates and interest in trust that are consolidated in a manner as explained below.

Control is achieved when the Company is exposed to, or has rights to the variable returns of the entity and the ability to affect those returns through its power over the entity. The results of subsidiaries and associates acquired or disposed off during the year are included in the consolidated statement of profit and loss from the effective date of acquisition or up to the effective date of disposal, as appropriate.

- (i) The financial statements of the subsidiary companies, associate companies and Trust used in the consolidation are drawn up to the same reporting date as of the Company i.e. year ended March 31, 2019 and are prepared based on the accounting policies consistent with those used by the Company.
- (ii) The financial statements of the Group have been prepared in accordance with the Ind AS 110- 'Consolidated Financial Statements' as per the Companies (Indian Accounting Standards) Rules, 2015 as amended and notified under Section 133 of the Companies Act, 2013 and the other relevant provisions of the Act.
- (iii) The consolidated financial statements have been prepared on the following basis:
 - a) The financial statements of the Company and its subsidiary company and trust has been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses. The intra-group balances and intra-group transactions have been fully eliminated except where losses are realised.
 - b) The excess of cost to the Company of its investments in the subsidiary company and trust over its share of equity/corpus of the subsidiary company/trust, at the dates on which the investments is made, is recognised as 'Goodwill' being an asset in the consolidated financial statements. Alternatively, where the share of equity/corpus as on the date of investment is in excess of cost of investment of the Company, it is recognised under 'Other Equity', in the consolidated financial statements.

Significant Accounting Policies (Contd.)

- c) The difference between the proceeds from disposal of investment in subsidiary/Trust and the carrying amount of its assets and liabilities as of the date of disposal is recognised in the Statement of Profit and Loss as profit or loss on disposal of subsidiary.
- d) Minority interest, if any, in the net assets of consolidated subsidiary consists of the amount of equity attributable to the minority shareholders at the dates on which investments are made by the Company in the subsidiary company and further movements in their share in the equity, subsequent to the dates of investments as stated above.
- e) Investment made by the Company in an associate company is accounted under the equity method, in accordance with the Indian Accounting Standard 28 on 'Investments in Associates and Joint Ventures'.

(iv) The subsidiary/associate companies considered in the consolidated financial statements are as below:

Subsidiaries & Step-down Subsidiaries	Country of Origin	Share of ownership interest as at 31st March, 2019 (%)	Share of ownership interest as at 31st March, 2018 (%)	Share of ownership interest as at 1st April, 2017 (%)

The accounting policies for some specific items are disclosed in the respective notes to the financial statements. Other significant accounting policies and details of significant accounting assumptions and estimates are set out below in Note No. 1.3 to 1.23.

1.3 Presentation of Financial Statements

The Consolidated financial statements of the Group, associates and trust are presented as per Schedule III (Division III) of the Companies Act, 2013 applicable to NBFCs, as notified by the Ministry of Corporate Affairs (MCA). Financial assets and financial liabilities are generally reported on a gross basis except when, there is an unconditional legally enforceable right to offset the recognised amounts without being contingent on a future event and the parties intend to settle on a net basis in the following circumstances:

- The normal course of business
- The event of default
- The event of insolvency or bankruptcy of the Group and/or its counterparties

Derivative assets and liabilities with master netting arrangements (e.g. International Swaps and Derivative Association Arrangements) are presented net if all the above criteria are met.

These financial statements were approved for issue in accordance with the resolution of the Board of Directors on 25th May, 2019.

1.4 Statement of Compliance

In accordance with the notification issued by the Ministry of Corporate Affairs ("the MCA"), the Group has adopted Indian Accounting Standards (referred to as "Ind AS") notified under Section 133 of the Companies Act, 2013 ("the Act") read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, from 1st April, 2018 and the effective date of such transition is 1st April, 2017. Such transition has been carried out from the erstwhile Accounting Standards notified under the Act, read with relevant rules issued thereunder and guidelines issued by the Reserve Bank of India ("the RBI"), (collectively referred to as "the Previous GAAP").

Previous period numbers in the financial statements have been restated to Ind AS. In accordance with Ind AS 101 First-time Adoption of Indian Accounting Standard, the Group has presented a reconciliation from Previous GAAP to Ind AS of Other equity as at 1st April, 2017 and 31st March, 2018 and of the Total Comprehensive Income for the

Significant Accounting Policies (Contd.)

period ended 31st March, 2018. Refer Note No. 1.22 for the details of first-time adoption exemptions availed by the Group and Note No. 34 for Reconciliation of Equity and Total Comprehensive Income for numbers reported under Previous GAAP to Ind AS.

1.5 Goodwill

Goodwill arising on the acquisition of a subsidiary represents the excess of the consideration transferred in the business combination over the Group's interest in the net fair value of the identifiable assets acquired, liabilities assumed and contingent liabilities recognised at the date of acquisition. Goodwill is initially recognised as an asset at cost and is subsequently measured at cost less any accumulated impairment losses.

For the purpose of impairment testing, goodwill is allocated to each of the Group's cash-generating units or groups of cash-generating units that are expected to benefit from the synergies of the combination. Cash-generating units to which goodwill has been allocated are tested for impairment annually. If the recoverable amount of the cash-generating unit is less than the carrying value of the unit, the impairment loss is allocated first to reduce the carrying value of any goodwill allocated to the unit and then to the other assets of the unit in proportion to the carrying value of each asset in the unit.

An impairment loss recognised for goodwill is not reversed in a subsequent period. On disposal of a subsidiary, the attributable amount of goodwill is included in the determination of profit or loss on disposal.

1.6 Revenue recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured.

Revenue from Operations is recognised in the consolidated statement of Profit and Loss on an accrual basis as stated herein below:

- (a) Interest income from financial assets is recognised by applying the Effective Interest Rate ('EIR') to the gross carrying amount of financial assets, other than credit-impaired assets and those classified as measured at Fair Value through Profit or Loss (FVTPL) or Fair Value through Other Comprehensive Income (FVOCI). The basis of computation of EIR is discussed in Note No. 1.18.3.

Any subsequent changes in the estimation of the future cash flows having impact on EIR are recognised as interest income with the corresponding adjustment to the carrying amount of the assets.

- (b) Income or net gain on fair value changes for financial assets classified as measured at FVTPL and FVTOCI is recognised as discussed in Note No. 1.18.3.
- (c) Interest Income on credit impaired financial assets is recognised by applying the effective interest rate to the net amortised cost (net of provision) of the financial asset.
- (d) Rental income arising from non-cancellable operating leases is recognised on a straight-line basis over the lease term unless another systematic basis is more representative of the time pattern of the users benefit. In cases where the increase is in line with expected general inflation rental income is recognised as per the contractual terms.
- (e) Interest income on fixed deposits/margin money is recognized on a time proportion basis taking into account the amount outstanding and the rate applicable.

(f) Revenue from Contract with Customers:

Revenue is recognised when transfer of control of promised goods or services to customers in an amount that reflects that the consideration the Group expects to receive in exchange for those goods or services. Revenue is recognised when related services are rendered and performance obligation is satisfied which is based on a five-step model as set out below, unless included in the effective interest calculation:

Step 1: Identify contract(s) with a customer: A contract is defined as an agreement between two or more parties that

Significant Accounting Policies (Contd.)

creates enforceable rights and obligations and sets out the criteria for every contract that must be met.

Step 2: Identify performance obligations in the contract: A performance obligation is a promise in a contract with a customer to transfer a good or service to the customer.

Step 3: Determine the transaction price: The transaction price is the amount of consideration to which the Group expects to be entitled in exchange for transferring promised goods or services to a customer, excluding amounts collected on behalf of third parties.

Step 4: Allocate the transaction price to the performance obligations in the contract: For a contract that has more than one performance obligation, the Group allocates the transaction price to each performance obligation in an amount that depicts the amount of consideration to which the Group expects to be entitled in exchange for satisfying each performance obligation.

Step 5: Recognise revenue when (or as) the performance obligation is satisfied.

Revenues in excess of invoicing are classified as contract assets (which we refer to as unbilled revenue) while invoicing in excess of revenues are classified as contract liabilities (which we refer to as unearned revenues).

Applying the practical expedient as given in Ind AS 115, the Group has not disclosed the remaining performance obligation related disclosures for contracts where the revenue recognised corresponds directly with the value to the customer of the entity's performance completed to date, typically those contracts where invoicing is on time and material basis.

- (g) Income from dividend is recognised when the right to receive such dividend is established, it is probable that the economic benefits associated with the dividend will flow to the entity, the dividend does not represent a recovery of part of cost of the investment and the amount of dividend can be measured reliably.
- (h) Finance lease income is allocated to accounting period so as to reflect a constant periodic rate of return on the Group's net investment outstanding in respect of the leases.
- (i) Referral income and others income is recognized when it becomes due under the term of relevant mutually agreed arrangement.
- (j) Revenue from sale of power is recognised to the extent of the Group's share of income of the jointly controlled operations arising out of sale of units generated as per the terms of the respective power purchase agreements with the State Electricity Boards.

1.7 Leasing

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

The Group as lessor

Amounts due from lessees under finance leases are recognised as receivables at the amount of the Group's net investment in the leases. Assets given on operating leases are included in Property Plant and Equipment.

Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised on a straight-line basis over the lease term.

For the revenue recognition policy on Lease Contracts, refer Note No. 1.6.

The Group as lessee

Assets held under finance leases are initially recognised as assets of the Group at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet as a finance lease obligation. Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately in the consolidated statement of Profit and Loss, unless

Significant Accounting Policies (Contd.)

they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the Group's general policy on borrowing costs (refer Note No. 1.9). Contingent rentals are recognised as expenses in the periods in which they are incurred.

Operating lease payments are recognised as an expense on a straight-line basis over the lease term, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed or the payments to the lessor are structured to increase in line with expected general inflation to compensate for the lessor's expected inflationary cost increases. Contingent rentals arising under operating leases are recognised as an expense in the period in which they are incurred. In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefit of incentives is recognised as a reduction of rental expense on a straight-line basis, except where another systematic basis is more representative of the time pattern in which economic benefits from the leased asset are consumed.

1.8 Foreign currency translation

(i) Functional and presentational currency

The consolidated financial statements are presented in Indian Rupee (INR) in lacs, the functional currency of the Group. Functional currency is the currency of the primary economic environment in which the Group operates.

(ii) Transactions and balances

Initial recognition:

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions.

Conversion:

Monetary assets and liabilities denominated in foreign currency, which are outstanding as at the reporting date, are translated at the reporting date at the closing exchange rate and the resultant exchange differences are recognised in the consolidated statement of Profit and Loss except for those which are designated as hedging instruments in a hedging relationship.

Non-monetary items that are measured at historical cost in a foreign currency are translated using the spot exchange rates as at the date of recognition. Foreign currency changes for non-monetary items measured at FVTOCI are recognised in other comprehensive income.

1.9 Borrowing cost

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds including interest expense calculated using the effective interest method, finance charges in respect of assets acquired on finance lease. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

Borrowing costs directly attributable to the acquisition, construction or production of qualifying assets, which are assets that necessarily take a substantial period of time to get ready for their intended use or sale, are added to the cost of those assets, until such time as the assets are substantially ready for their intended use or sale.

Other income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation.

Interest expense includes origination costs that are initially recognised as part of the carrying value of the financial liability and amortized over the expected life using the EIR. It also include expenses related to borrowing which are not part of effective interest as not directly related to loan origination.

Significant Accounting Policies (Contd.)

1.10 Employee Benefits

Retirement benefit costs and other employee benefits

(A) Defined Contribution Plans:

Contributions to Provident Fund, Pension Fund and Employee State Insurance are considered as defined contribution plans and are recognised as expenditure when an employee renders related services.

(B) Defined Benefit Plans:

Gratuity Liability and Long Term compensated absences are defined benefit plan. The cost of providing benefits is determined in accordance with the advice of independent, professionally qualified actuaries, using the projected unit credit method.

Re-measurement, comprising actuarial gains and losses, the effect of the changes to the asset ceiling (if applicable) and the return on plan assets (excluding net interest), is reflected on the consolidated balance sheet with a charge or credit recognised in other comprehensive income in the period in which they occur. Re-measurement recognised in other comprehensive income is reflected under retained earnings and is not reclassified to the consolidated statement of Profit & Loss.

(C) Short-term and other long-term employee benefits:

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave and sick leave in the period in which related service is rendered.

Liabilities recognised in respect of short-term employee benefits are measured at the undiscounted amount of the benefits expected to be paid in exchange for the related service.

Liabilities recognised in respect of other long-term employee benefits are measured at the present value of the estimated future cash outflows expected to be made by the Group in respect of services provided by employees up to the reporting date.

1.11 Taxation

Income tax expense represents the sum of the tax currently payable and deferred tax.

Current tax

Current Tax is determined at the amount of tax payable in respect of taxable profit for the year as per the Income-tax Act, 1961. Taxable profit differs from 'profit before tax' as reported in the consolidated statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible. The Group's current tax is calculated using tax rates that have been enacted or substantially enacted at the reporting period.

MAT credit is recognised as an asset only when and to the extent there is convincing evidence that the Company and its subsidiaries will pay normal income tax during the specified period. In the year in which the MAT credit becomes eligible to be recognised as an asset, the said asset is created by way of a credit to the consolidated statement of Profit and Loss and shown as MAT credit entitlement. The Company reviews the same at each consolidated balance sheet date and writes down the carrying amount of MAT credit entitlement to the extent there is no longer convincing evidence to the effect that the Group will pay normal income tax during the specified period.

Deferred tax

The Group's deferred tax is calculated using tax rate that are substantively enacted by the end of the reporting period.

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilised. Such deferred tax assets and liabilities are not recognised if

Significant Accounting Policies (Contd.)

the temporary difference arises from the initial recognition of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the asset to be recovered.

Current and deferred tax for the year

Current and deferred tax are recognised in the consolidated statement of Profit and Loss, except when they relate to items that are recognised in other comprehensive income or directly in equity, in which case, the current and deferred tax are also recognised in other comprehensive income or directly in equity respectively.

1.12 Property, Plant and Equipment

Property, plant and equipment shown in the consolidated balance sheet consists of assets used in provision of services or for administrative purposes, and include assets leased by the Group as lessor under operating leases.

Initial and subsequent recognition

Property, plant and equipment are initially recognised at cost together with borrowing cost capitalized for qualifying assets. Cost comprises the purchase price and any directly attributable cost of bringing the asset to its working condition for its intended use.

Subsequent to initial recognition, property, plant and equipment are measured at cost less accumulated depreciation and impairment, if any.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that the future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is de-recognised when replaced. All other repairs and maintenance are charged to the consolidated statement of Profit and Loss during the reporting period in which they are incurred.

De-recognition

An item of property, plant and equipment is de-recognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the consolidated statement of Profit and Loss.

Depreciation

Depreciation commences when the assets are ready for their intended use. It is recognised to write down the cost of assets less their residual values over their useful lives, using the straight-line basis. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis.

Average useful life of the assets determined is as under:

Own Use Assets:

Assets description as per Note No. 14	Useful Life as per the Companies Act 2013	Useful Life as followed by the Group
Buildings	60 years	60 years
Furniture and Fixtures	10 years	10 years
Computer Equipment	3, 6 years	3,5,6 years
Motor Vehicles	8 years	7, 8 years
Office Equipment	5 years	5 years
Plant and Machinery	15, 22 years	8,15, 22 years

Significant Accounting Policies (Contd.)

Operating lease Assets:

Assets description as per Note No. 14	Useful Life as per the Companies Act 2013	Useful Life as followed by the Group
Computers Equipment	3, 6 years	5 years
Earth Moving Equipment	9 years	7 years
Motor Vehicles	8 years	7 years
Plant and Machinery	15, 30 years	8,15,22,30 years
Windmill	22 years	20 years

Assets held under finance leases are depreciated over their expected useful lives on the same basis as owned assets. However, when there is no reasonable certainty that ownership will be obtained by the end of the lease term, assets are depreciated over the shorter of the lease term and their useful lives.

Leasehold assets including improvements are amortised over estimated useful life or the period of the lease, whichever is lower.

Depreciation on assets purchased / sold during the period is recognised on a pro-rata basis.

1.13. Intangible Assets

Intangible assets acquired separately are measured on initial recognition at cost. The cost of intangible assets acquired in a business combination is their fair value at the date of acquisition. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and accumulated impairment losses, if any. Amortisation is recognised on a straight-line basis over 2-6 years, which reflects the managements estimate.

The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis.

An intangible asset is de-recognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from de-recognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset, are recognised in the consolidated statement of Profit and Loss when the asset is de-recognised.

1.14. Impairment of Non-Financial Assets

Tangible and intangible assets

At the end of each reporting period, the Group reviews the carrying amounts of its tangible and intangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Group estimates the recoverable amount of the cash-generating unit to which the asset belongs.

Intangible assets with indefinite useful lives and intangible assets not yet available for use are tested for impairment on an annual basis, and on a shorter period whenever there is an indication that the asset may be impaired.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If the recoverable amount of an asset (or cash-generating unit) is estimated to be less than its carrying amount, the carrying amount of the asset (or cash-generating unit) is reduced to its recoverable amount. An impairment loss is recognised immediately in the consolidated statement of Profit and Loss.

Significant Accounting Policies (Contd.)

When an impairment loss subsequently reverses, the carrying amount of the asset (or a cash-generating unit) is increased to the revised estimate of its recoverable amount, but so that the increased carrying amount does not exceed the carrying amount that would have been determined had no impairment loss been recognised for the asset (or cash-generating unit) in prior years. A reversal of an impairment loss is recognised immediately in the consolidated statement of Profit and Loss.

1.15. Provisions, Contingent Liabilities and Contingent Assets

Provisions

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that the Group will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

When some or all of the economic benefits required to settle a provision are expected to be recovered from a third party, a receivable is recognised as an asset if it is virtually certain that reimbursement will be received and the amount of the receivable can be measured reliably.

A provision for onerous contracts is recognised when the expected benefits to be derived by the Group from a contract are lower than the unavoidable cost of meeting its obligations under the contract. The provision is measured at the present value of the lower of the expected cost of terminating the contract and the expected net cost of continuing with the contract.

In case of litigations, provision is recognised once it has been established that the Group has a present obligation based on information available up to the date on which the Group's consolidated financial statements are finalised and may in some cases entail seeking expert advice in making the determination on whether there is a present obligation.

Contingent Liabilities

Contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. Group does not recognize contingent liability but discloses its existence in the consolidated financial statements.

Contingent Assets

Contingent assets are not recognised in the consolidated financial statements, but are disclosed where an inflow of economic benefits is probable.

1.16. Cash and cash equivalents

Cash and cash equivalents comprise of cash on hand, balances with banks, cheques on hand, remittances in transit and short-term investments with an original maturity of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

Significant Accounting Policies (Contd.)

1.17. Segment Reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision-maker (CODM). The CODM assess the financial performance and position of the Group and makes strategic decisions.

Segments are organised based on business which have similar economic characteristics as well as exhibit similarities in nature of services offered.

1.18. Financial Instruments

Classification of financial instruments

The Group classifies its financial assets into the following measurement categories:

1. Financial assets to be measured at amortised cost
2. Financial assets to be measured at fair value through other comprehensive income
3. Financial assets to be measured at fair value through profit or loss account

The classification depends on the contractual terms of the financial assets' cash flows and the Group's business model for managing financial assets which are explained below:

Business model assessment

The Group determines its business model at the level that best reflects how it manages groups of financial assets to achieve its business objective. The Group's business model is not assessed on an instrument-by-instrument basis, but at a higher level of aggregated portfolios and is based on observable factors.

The business model assessment is based on reasonably expected scenarios without taking 'worst case' or 'stress case' scenarios into account. If cash flows after initial recognition are realised in a way that is different from the Group's original expectations, the Group does not change the classification of the remaining financial assets held in that business model, but incorporates such information when assessing newly originated or newly purchased financial assets going forward.

The Solely Payments of Principal and Interest (SPPI) test

As a second step of its classification process is to assess the contractual terms of financial assets to identify whether they meet the SPPI test.

'Principal' for the purpose of this test is defined as the fair value of the financial asset at initial recognition and may change over the life of the financial asset.

In making this assessment, it is considered whether the contractual cash flows are consistent with a basic lending arrangement i.e. interest includes only consideration for the time value of money, credit risk, other basic lending risks and a profit margin that is consistent with a basic lending arrangement. Where the contractual terms introduce exposure to risk or volatility that are inconsistent with a basic lending arrangement, the related financial asset is classified and measured at fair value through profit or loss.

The Group classifies its financial liabilities at amortised costs unless it has designated liabilities at fair value through the consolidated statement of Profit and Loss account or is required to measure liabilities at fair value through profit or loss such as derivative liabilities.

1.18.1 Recognition of Financial Instruments:

Financial assets and financial liabilities are recognised when entity becomes a party to the contractual provisions of the instruments. Loans & advances and all other regular way purchases or sales of financial assets are recognised and derecognised on the trade date basis.

Significant Accounting Policies (Contd.)

1.18.2 Initial Measurement of Financial Instruments:

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in the consolidated statement of Profit and Loss.

1.18.3 Subsequent Measurement:

(A) Financial Assets

Financial Assets carried at Amortised Cost (AC):

These financial assets comprise bank balances, Loans, Trade receivables, Other receivables, investments and other financial assets.

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial Assets at Fair Value through Other Comprehensive Income (FVTOCI):

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Investment in equity instruments that are neither held for trading nor contingent consideration recognised by the Group in a business combination to which Ind AS 103 'Business Combination' applies, are measured at FVTOCI, where an irrevocable election has been made by management on an instrument-by-instrument basis. These investments are initially measured at fair value plus transaction costs. Subsequently, they are measured at fair value with gains and losses arising from changes in fair value recognised in other comprehensive income and accumulated in the reserves. The cumulative gain or loss is not reclassified to the consolidated statement of Profit and Loss on disposal of the investments. Dividends on such investments are recognised in the consolidated statement of Profit and Loss unless the dividend clearly represents a recovery of part of the cost of the investment.

Debt investments measured at FVTOCI are subsequently measured at fair value. Interest income under effective interest method, foreign exchange gains and losses and impairment are recognised in the consolidated statement of Profit and Loss. Other net gains and losses are recognised in Other Comprehensive Income (OCI). On derecognition, gains and losses accumulated in OCI are reclassified to the consolidated statement of Profit and Loss.

Financial Assets at Fair Value through Profit or Loss (FVTPL):

A financial asset which is not classified as AC or FVTOCI is measured at FVTPL. A financial asset that meets the amortised cost criteria or debt instruments that meet the FVTOCI criteria may be designated as at FVTPL upon initial recognition if such designation eliminates or significantly reduces a measurement or recognition inconsistency that would arise from measuring assets or liabilities or recognising the gains and losses on them on different bases. The Group has not designated any debt instrument as at FVTPL.

Any differences between the fair values of financial assets classified as FVTPL and held by the Group on the balance sheet date is recognised in the consolidated statement of Profit and Loss. In cases there is a net gain in the aggregate, the same is recognised in "Net gains on fair value changes" under Revenue from operations and if there is a net loss the same is disclosed under "Expenses" in the consolidated statement of Profit and Loss.

Significant Accounting Policies (Contd.)

Effective Interest Rate (EIR) Method:

The EIR is a method of calculating the amortized cost of a debt instrument and of allocating interest income or expense over the relevant period. The EIR is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial asset or financial liability to the gross carrying amount of a financial asset or to the amortised cost of a financial liability on initial recognition.

The EIR for financial assets or financial liability is computed

- a. By considering all the contractual terms of the financial instrument in estimating the cash flows.
- b. Including fees and transaction costs that are integral part of EIR.

Impairment of Financial Assets:

Loss allowance for expected credit losses is recognised for financial assets measured at amortised cost and FVTOCI at each reporting date based on evidence or information that is available without undue cost or effort.

The Group measures the loss allowance for a financial asset at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial asset has not increased significantly since initial recognition, the Group measures the loss allowance for that financial asset at an amount equal to 12-month expected credit losses.

In case of debt instruments measured at FVTOCI, the loss allowance shall be recognised in other comprehensive income with a corresponding effect to the profit or loss and not reduced from the carrying amount of the financial asset in the consolidated balance sheet. In case of such instrument, amount recognised in the consolidated statement of Profit and Loss are the same as the amount would have been recognised in case the debt instrument is measured at amortised cost.

No Expected credit losses are recognised on equity investments.

For trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115, the Group measures the loss allowance at an amount equal to lifetime expected credit losses taking into account historical credit loss experience and adjusted for forward-looking information.

Derecognition of Financial Assets:

The Group derecognises a financial asset when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On derecognition of a financial asset accounted under Ind AS 109 in its entirety:

- a) for financial assets measured at amortised cost, the gain or loss is recognised in the statement of Profit and Loss.
- b) for financial assets measured at fair value through other comprehensive income, the cumulative fair value adjustments previously taken to reserves are reclassified to the consolidated statement of Profit and Loss unless the asset represents an equity investment in which case the cumulative fair value adjustments previously taken to reserves may be reclassified within equity.

If the transferred asset is part of a larger financial asset and the part transferred qualifies for derecognition in its entirety, the previous carrying amount of the larger financial asset shall be allocated between the part that continues to be recognised and the part that is derecognised, on the basis of the relative fair values of those parts on the date of the transfer.

If the Group neither transfers nor retains substantially all the risks and rewards of ownership and continues to control the transferred asset, it recognises its retained interest in the assets and an associated liability for amounts it may have to pay.

If the Group retains substantially all the risks and rewards of ownership of a transferred financial asset, it continues to recognise the financial asset and also recognises a liability for the proceeds received.

Significant Accounting Policies (Contd.)

Modification/ revision in estimates of cash flows of financial assets:

When the contractual cash flows of a financial asset are renegotiated or otherwise modified and the renegotiation or modification does not result in the derecognition of that financial asset in accordance with Ind AS 109, the Group recalculates the gross carrying amount of the financial asset and recognises a modification gain or loss in the consolidated statement of Profit and Loss.

(B) Financial Liabilities and Equity Instruments:

Classification as debt or equity:

Financial liabilities and equity instruments issued are classified according to the substance of the contractual arrangements entered into and the definitions of a financial liability and an equity instrument.

Equity Instruments

An Equity Instrument is any contract that evidences a residual interest in the assets of the Group after deducting all of its liabilities. Repurchase of the Group's own equity instruments is recognised and deducted directly in equity. No gain or loss is recognised in the consolidated statement of Profit and Loss on the purchase, sale, issue or cancellation of the Group's own equity instruments.

Financial Liabilities

The Group classifies all financial liabilities as subsequently measured at amortised cost, except for financial liabilities at fair value through profit or loss. Such liabilities, including derivatives that are liabilities, shall be subsequently measured at fair value.

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss. Financial liabilities are classified as held for trading, if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109 - "Financial Instruments".

Financial liabilities measured at amortised cost

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the EIR method except for those designated in an effective hedging relationship.

Amortised cost is calculated by taking into account any discount or premium and fee or costs that are an integral part of the EIR. The EIR amortisation is included in finance costs in the consolidated statement of Profit and Loss. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the EIR method.

Trade and other payables

A payable is classified as 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Group prior to the end of financial year, which are unpaid. They are recognised initially at their fair value and subsequently measured at amortised cost.

Financial Guarantee Contracts

Financial guarantees issued by the Group are those guarantees that require a payment to be made to reimburse the holder of the guarantee for a loss incurred by the holder because the specified debtor fails to make a payment, when due, to the holder in accordance with the terms of a debt instrument. Financial guarantees are recognised initially as a liability at fair value, adjusted for transactions costs that are directly attributable to the issuance of the guarantee.

Significant Accounting Policies (Contd.)

Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognised less cumulative amortisation.

Derecognition of financial liabilities

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference between the carrying amount of the financial liability derecognised and the consideration paid and payable is recognised in the consolidated statement of Profit and Loss.

1.18.4 Off-setting of financial instruments

Financial assets and liabilities are offset and the net amount is reported in the Consolidated Balance Sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously backed by past practice.

1.18.5 Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- a) In the principal market for the asset or liability, or
- b) In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the consolidated financial statements are categorised into Level 1, 2, or 3 based on the degree to which the inputs to the fair value measurements are observable and the significance of the inputs to the fair value measurement in its entirety, which are as follows:

Level 1 financial instruments: Those where the inputs used in the valuation are unadjusted quoted prices from active markets for identical assets or liabilities that the Group has access to at the measurement date. The Group considers markets as active only if there are sufficient trading activities with regards to the volume and liquidity of the identical assets or liabilities and when there are binding and exercisable price quotes available on the consolidated balance sheet date.

Level 2 financial instruments: Those where the inputs that are used for valuation and are significant, are derived from directly or indirectly observable market data available over the entire period of the instrument's life. Such inputs include quoted prices for similar assets or liabilities in active markets, quoted prices for identical instruments in inactive markets and observable inputs other than quoted prices such as interest rates and yield curves, implied volatilities, and credit spreads. In addition, adjustments may be required for the condition or location of the asset or the extent to which it relates to items that are comparable to the valued instrument. However, if such adjustments are based on unobservable inputs which are significant to the entire measurement, the Group will classify the instruments as Level 3.

Level 3 financial instruments: Those that include one or more unobservable input that is significant to the measurement as whole.

Significant Accounting Policies (Contd.)

1.18.6 Overview of the Expected Credit Loss (ECL) principles

Expected credit loss (ECL) is the probability-weighted estimate of credit losses (i.e., the present value of all cash shortfalls) over the expected life of the financial instrument. A cash shortfall is the difference between scheduled or contractual cash flows and actual expected cash flows. Consequently, ECL subsumes both the amount and timing of payments. It also incorporates available information which is relevant to the assessment, including information about past events, current conditions and reasonable and supportable information about future events and economic conditions at the reporting date.

For portfolio of exposures, ECL is modelled as the product of the probability of default (PD), the loss given default (LGD) and the exposure at default (EAD).

In case of assets identified to be significantly credit-impaired to the extent that default has happened or seems to be a certainty rather than probability, ECL would be determined by directly estimating the receipt of cash flows and timing thereof.

Staging:

The loan portfolio would be classified into three stage-wise buckets – Stage 1, Stage 2 and Stage 3 – corresponding to the contracts assessed as performing, under-performing and non-performing, in accordance with the IND-AS guidelines. The key parameter used for stage-wise classification would be days past due (DPDs).

Stage 1: Ongoing exposures with DPD (days past due) up to 60 days

Stage 2: Ongoing exposures with DPD (days past due) between 61 and 90 days

Stage 3: Ongoing exposures with DPD (days past due) of 91 days or more, and any other contracts identified from time to time by the management.

While the presumption for inter-stage threshold for Stage 1 is 30 days, the group has rebutted the presumption and has considered 60 days as the threshold. As the borrowers are typically operating in infrastructure sector, where receivables tend to be stretched, notwithstanding whether the principals are government/quasi-government entities or private sector entities. As per current market practice, NBFCs typically tend to be paid later than banks by borrowers since banks control their working capital financing.

Methodology:

The basis of the ECL calculations are outlined below which is intended to be more forward-looking. Key elements of ECL are, as follows:

Probability of Default (PD) is an estimate of the likelihood of default over a given time horizon. A default may only happen at a certain time over the assessed period, if the facility has not been previously derecognised and is still in the portfolio.

Exposure at Default (EAD) is an estimate of the exposure at a future default date, taking into account expected changes in the exposure after the reporting date, including repayments of principal and interest, whether scheduled by contract or otherwise, expected drawdowns on committed facilities, and accrued interest from missed payments.

Loss Given Default (LGD) is an estimate of the loss arising in the case where a default occurs at a given time. It is based on the difference between the contractual cash flows due and those that the lender would expect to receive, including from the realisation of any collateral. It is usually expressed as a percentage of the EAD.

The key tenets of Group's methodology are as under:

Past performance as basis for ECL discovery: Group's ECL methodology is based on discovery of the relevant parameters – namely EAD, PD and LGD – from the actual performance of past portfolios.

The management will continue to monitor the loan cases on an ongoing basis, and have the discretion to make higher provisions on the basis expected recovery of the individual accounts wherever considered necessary.

Significant Accounting Policies (Contd.)

1.19. Derivative financial instruments

The Group enters into a variety of derivative financial instruments to manage its exposure to interest rate and foreign exchange rate risks, including foreign exchange forward contracts, interest rate swaps and cross currency swaps. Further details of derivative financial instruments are disclosed in note to the financial statements.

Derivatives are initially recognised at fair value at the date the derivative contracts are entered into and are subsequently re-measured to their fair value at the end of each reporting period. The resulting gain or loss is recognised in the consolidated statement of Profit and Loss immediately unless the derivative is designated and effective as a hedging instrument, in which event the timing of the recognition in the consolidated statement of Profit and Loss depends on the nature of the hedging relationship and the nature of the hedged item.

Embedded derivatives

Derivatives embedded in non-derivative host contracts that are not financial assets within the scope of Ind AS 109 are treated as separate derivatives when their risks and characteristics are not closely related to those of the host contracts and the host contracts are not measured at FVTPL.

1.20. Hedge Accounting

The Group complies with the principles of hedge accounting where derivative contracts are designated as hedging instruments. At the inception of the hedge relationship, the documentation is done for the relationship between the hedging instrument and the hedged item, along with the risk management objectives and its strategy for undertaking hedge transaction, which can be a fair value hedge or a cash flow hedge. Furthermore, on an ongoing basis, the Group documents whether the hedging instrument is highly effective in offsetting changes in fair values or cash flows of the hedged item attributable to the hedged risk.

Fair Value hedges

Changes in fair value of the designated portion of derivatives that qualify as fair value hedges are recognised in the consolidated statement of Profit or Loss immediately, together with any changes in the fair value of the hedged asset or liability that are attributable to the hedged risk. The change in the fair value of the designated portion of hedging instrument and the change in fair value of the hedged item attributable to the hedged risk are recognised in consolidated statement of Profit and Loss in the line item relating to the hedged item.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. The fair value adjustment to the carrying amount of the hedged item arising from the hedged risk is amortised to profit or loss from that date.

Cash flow hedges

The effective portion of changes in the fair value of the designated portion of derivatives that qualify as cash flow hedges is recognised in other comprehensive income and accumulated as 'Cash Flow Hedge Reserve'. The gain or loss relating to the ineffective portion is recognised immediately in the consolidated statement of Profit and Loss.

Amounts previously recognised and accumulated in other comprehensive income are reclassified to the consolidated statement of Profit and Loss in the periods when the hedged item affects the consolidated statement of Profit and Loss.

Hedge accounting is discontinued when the hedging instrument expires or is sold, terminated, or exercised, or when it no longer qualifies for hedge accounting. Any gain or loss recognised in other comprehensive income and accumulated in equity at that time remains in equity and is recognised when the underlying transaction is ultimately recognised in the consolidated statement of Profit and Loss. When an underlying transaction is no longer expected to occur, the gain or loss accumulated in equity is recognised immediately in the consolidated statement of Profit and Loss.

Significant Accounting Policies (Contd.)

1.21. Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is included in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

1.22 First time adoption

These consolidated financial statements, for the year ended 31st March, 2019 are the first consolidated financial statements the Group has prepared in accordance with Ind AS. For periods up to and including the year ended 31st March, 2018 the Group prepared its financial statements in accordance with Accounting Standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP or previous GAAP).

Accordingly, the Group has prepared financial statements which comply with Ind AS applicable for periods ending on 31st March, 2019 together with the comparative period data as at and for the year ended 31st March, 2018 as described in the summary of significant accounting policies. In preparing these consolidated financial statements, the Group's opening balance sheet was prepared as at 1st April, 2017 the Group's date of transition to Ind AS. This note explains the principal adjustments made by the Group in restating its Indian GAAP consolidated financial statements, including the balance sheet as at 1st April, 2017 and the consolidated financial statements as at and for the year ended 31st March, 2018.

1.22.1 Derecognition of financial assets and financial liabilities

As per Ind AS 101 – An entity shall apply the exception to the retrospective application in case of "derecognition of financial assets and financial liabilities" wherein a first-time adopter shall apply the derecognition requirements in Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS. For example, if a first-time adopter derecognised non-derivative financial assets or non-derivative financial liabilities in accordance with its previous GAAP as a result of a transaction that occurred before the date of transition to Ind AS, it shall not recognise those assets and liabilities in accordance with Ind AS (unless they qualify for recognition as a result of a later transaction or event). The Group has opted not to re-evaluate financial assets derecognised in the past and to apply the derecognition requirements prospectively for transactions occurring on or after the transition date.

1.22.2 Classification of debt instruments

The Group has determined the classification of debt instruments in terms of whether they meet the amortised cost criteria or the FVTOCI criteria based on the facts and circumstances that existed as of the transition date.

1.22.3 Impairment of financial assets

The Group has applied the impairment requirements of Ind AS 109 retrospectively; however, as permitted by Ind AS 101, it has used reasonable and supportable information that is available without undue cost or effort to determine the credit risk at the date that financial instruments were initially recognised in order to compare it with the credit risk at the transition date. Further, the Group has not undertaken an exhaustive search for information when determining, at the date of transition to Ind AS, whether there have been significant increases in credit risk since initial recognition, as permitted by Ind AS 101.

1.22.4 Assessment of embedded derivatives

The Group has assessed whether an embedded derivative is required to be separated from the host contract and accounted for as a derivative on the basis of the conditions that existed at the later of the date it first became a party to the contract and the date when there has been a change in the terms of the contract that significantly modifies the cash flows that otherwise would be required under the contract.

Significant Accounting Policies (Contd.)

1.22.5 Deemed cost for property, plant and equipment and intangible assets

On transition to Ind AS, the Group has elected to continue with the carrying value of all of its property, plant and equipment and intangible assets as at 31st March, 2017 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment and intangible assets as on 1st April, 2017.

1.22.6 Determining whether an arrangement contains a lease

Appendix C to Ind AS 17 requires entity to assess whether contract or arrangement contains a lease. In accordance with same, this assessment should be carried out at the inception of arrangement. However, the Group has used exemption under Ind AS 101 and assessed all arrangements based on conditions in place as on transition date.

1.22.7 Business Combinations

The Group has elected to apply Ind AS accounting for business combinations prospectively from 1st April, 2017. As such, previous GAAP balances relating to business combinations entered into before that date have been carried forward as at the date of transition to Ind AS.

1.22.8 Mandatory Exceptions

Following mandatory exceptions are applicable to the Group:

Estimates

An entity's estimates in accordance with Ind AS at the date of transition to Ind AS shall be consistent with estimates made for the same date in accordance with previous GAAP (after adjustments to reflect any difference in accounting policies).

Classification and measurement of financial assets

Ind AS 101 requires an entity to assess classification and measurement of financial assets (investment in debt instruments) on the basis of the facts and circumstances that existed at the date of transition to Ind AS.

1.23. Significant accounting judgements, estimates and assumptions

The preparation of financial statements in conformity with the Ind AS requires the management to make judgments, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities and the accompanying disclosure and the disclosure of contingent liabilities, at the end of the reporting period. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected. Although these estimates are based on the management's best knowledge of current events and actions, uncertainty about these assumptions and estimates could result in the outcomes requiring a material adjustment to the carrying amounts of assets or liabilities in future periods.

In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognised in the financial statements is included in the following notes:

1.23.1 Impairment charges on loans and advances

The measurement of impairment losses requires judgement, in particular, the estimation of the amount and timing of future cash flows and collateral values when determining impairment losses and the assessment of a significant increase in credit risk. These are based on the assumptions which are driven by a number of factors resulting in future changes to the impairment allowance.

A collective assessment of impairment takes into account data from the loan portfolio (such as credit quality, nature of assets underlying assets financed, levels of arrears, credit utilization, loan to collateral ratios etc.), and

Significant Accounting Policies (Contd.)

the concentration of risk and economic data (including levels of unemployment, country risk and performance of different individual groups). These significant assumptions have been applied consistently to all period presented.

The impairment loss on loans and advances is disclosed in more detail in Note No. 1.18.6 Overview of ECL principles.

1.23.2 Business Model Assessment

Classification and measurement of financial assets depends on the results of the SPPI and the business model test. The Group determines the business model at a level that reflects how groups of financial assets are managed together to achieve a particular business objective. The Group monitors financial assets measured at amortised cost or fair value through other comprehensive income that are derecognised prior to their maturity to understand the reason for their disposal and whether the reasons are consistent with the objective of the business for which the asset was held. Monitoring is part of the Group's continuous assessment of whether the business model for which the remaining financial assets are held continues to be appropriate and if it is not appropriate whether there has been a change in business model and so a prospective change to the classification of those assets.

1.23.3 Provisions other than loan impairment

Provisions are held in respect of a range of future obligations such as employee entitlements, litigation provisions, etc. Some of the provisions involve significant judgement about the likely outcome of various events and estimated future cash flows. The measurement of these provisions involves the exercise of management judgements about the ultimate outcomes of the transactions.

1.23.4 Fair Value measurement

When the fair values of financial assets and financial liabilities recorded in the consolidated balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using various valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgment is required in establishing fair values. Judgments include considerations of inputs such as liquidity risk, credit risk and volatility. Changes in assumptions about these factors could affect the reported fair value of consolidated financial instruments.

1.23.5 Defined employee benefit assets and liabilities

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate; future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed annually.

1.23.6 EIR method

The Group's EIR methodology, recognises interest income / expense using a rate of return that represents the best estimate of a constant rate of return over the expected behavioural life of loans given / taken and recognises the effect of potentially different interest rates at various stages and other characteristics of the product life cycle (including prepayments and penalty interest and charges).

This estimation, by nature, requires an element of judgement regarding the expected behaviour and life-cycle of the instruments, as well expected changes to India's base rate and other fee income/expense that are integral parts of the instrument.

1.23.7 Other estimates

These include contingent liabilities, useful lives of tangible and intangible assets etc.

Significant Accounting Policies (Contd.)

1.24. Recent accounting pronouncements

The Standards that are issued, but not yet effective, are disclosed below. The Group intends to adopt these standards when they became effective:

Ind AS 116, Leases

Ind AS 116, Leases was notified on 30th March, 2019 and it replaces Ind AS 17 on Leases. Ind AS 116 is effective for annual periods beginning on or after 1st April, 2019. Ind AS 116 sets out the principles for the recognition, measurement, presentation and disclosure of leases and requires lessees to account for all leases under a single on-balance sheet model similar to the accounting for finance leases under Ind AS 17. The standard includes two recognition exemptions for lessees – leases of 'low-value' assets and short-term leases (i.e., leases with a lease term of 12 months or less). At the commencement date of a lease, a lessee will recognise a liability to make lease payments (i.e., the lease liability) and an asset representing the right to use the underlying asset during the lease term (i.e., the right-of-use asset). Lessees will be required to separately recognise the interest expense on the lease liability and the depreciation expense on the right-of-use asset. As the Group does not have any material leases, the adoption of this standard is not likely to have a material impact in its Consolidated Financial Statements.

Amendment to Ind AS 12 'Income Taxes'

The amendment clarifies that an entity shall recognize income tax consequences of dividends in consolidated statement of Profit and Loss, other comprehensive income or equity according to where the entity originally recognised those past transactions or events. The amendment will come into force for accounting periods beginning on or after April 1, 2019.

Appendix C to Ind AS 12, Uncertainty over Income Tax Treatments

The Appendix clarifies how to apply the recognition and measurement principles while recognizing current tax, deferred tax, taxable profits (losses), tax bases, unused tax losses, unused tax credits and tax rates when there is uncertainty over tax treatments under Ind AS 12. As per the Appendix, the Group needs to assess whether it is probable that a tax authority will accept an uncertain tax treatment used or a treatment which is being proposed to be used in its income tax filings. The Appendix will be applied retrospectively with the cumulative effect of its initial application on the opening balance sheet as on 1 April 2019.

Amendment to Ind AS 19 'Employee Benefits'

On March 30, 2019, the Ministry of Corporate Affairs has notified limited amendments to Ind AS 19 'Employee Benefits' in connection with accounting for plan amendments, curtailments and settlements. The amendments require an entity to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement and to recognise in consolidated statement of Profit and Loss as part of past service cost, or a gain or loss on settlement, any reduction in a surplus, even if that surplus was not previously recognised because of the impact of the asset ceiling. The amendment will come into force for accounting periods beginning on or after April 1, 2019, though early application is permitted.

Notes to Consolidated Financial Statements

2. Cash and Cash Equivalents

The Group's risk management strategy and how it is applied to manage risk are explained in Note No. 37.

Notes to Consolidated Financial Statements (Contd.)

4.1 The Group has entered into Options/Swaps/Forward contracts (being derivative instruments) which are not intended for trading or speculation, for the purpose of hedging currency and interest rate related risks. Options, Swaps and Forward contracts outstanding are as follows:

(Amount in lacs)

Category	Currency	As at 31st March, 2019	As at 31st March, 2018	As at 1st April, 2017
		Amount in Foreign Currency	Amount in Foreign Currency	Amount in Foreign Currency
Options /Swaps	USD/INR	USD 2,882	USD 2,797	USD 1,705
Options /Swaps	EUR/INR	EUR 1,286	EUR 676	EUR 586
Options /Swaps	SGD/USD	-	-	SGD 42
Forwards	USD/INR	USD 96	USD 226	USD 505
Forwards	EUR/INR	EUR 142	EUR 505	EUR 275
Forwards	EUR/USD	EUR 11	-	EUR 8
Forwards	GBP/INR	-	GBP 2	GBP 2
Forwards	AUD/INR	AUD 3	-	-
Interest Rate Swaps	USD/INR	USD 240	USD 630	USD 779

5.1. Trade Receivables:

(₹ in lacs)

Particulars	As at 31st March, 2019	As at 31st March, 2018	As at 1st April, 2017
(a) Considered good - Secured;	-	-	-
Less: Allowance for impairment loss allowance	-	-	-
	-	-	-
(b) Considered good - Unsecured;	40,004	13,829	8,492
Less: Allowance for impairment loss allowance	11,768	8	22
	28,236	13,821	8,470
(c) Significant increase in credit risk	-	-	-
Less: Allowance for impairment loss allowance	-	-	-
	-	-	-
(d) Credit impaired	1,665	13,790	14,911
Less: Allowance for impairment loss allowance	1,665	12,302	13,520
	-	1,488	1,391
Total (a+b+c+d)	28,236	15,309	9,861

i. In determining the allowances for credit losses, the Group has used a practical expedient by computing the expected credit loss allowance based on a provision matrix. The provision matrix takes into account historical credit loss experience. The expected credit loss allowance is based on the ageing of the receivables that are due and rates used in the provision matrix.

ii. Movements in Expected Credit Losses Allowance is as below:

(₹ in lacs)

Particulars	As at 31st March, 2019	As at 31st March, 2018
Balance at the beginning of the year	12,310	13,542
Charge in Consolidated Statement of Profit and Loss	3,656	1,492
Disposal of entity under control	(942)	(243)
Utilized during the year	(1,591)	(2,481)
Balance at the end of the year	13,433	12,310

Notes to Consolidated Financial Statements (Contd.)

iii. Ageing of Trade Receivables and Credit Risk arising therefrom is as below:

(₹ in lacs)

Particulars	As at 31st March, 2019		
	Gross carrying amount	Allowance for credit loss	Net carrying amount
Due till three months	27,243	417	26,826
Due between three to six months	372	212	160
Due between six months to one year	1,272	938	334
More than 1 year due	12,782	11,866	916
	41,669	13,433	28,236

(₹ in lacs)

Particulars	As at 31st March, 2018		
	Gross carrying amount	Allowance for credit loss	Net carrying amount

	27,619	12,310	15,309

(₹ in lacs)

Particulars	As at 1st April, 2017		
	Gross carrying amount	Allowance for credit loss	Net carrying amount
Not due	877	-	877
Due till three months	6,997	3	6,994
Due between three to six months	1,043	2	1,041
Due between six months to one year	591	28	563
More than 1 year due	13,895	13,509	386
	23,403	13,542	9,861

Notes to Consolidated Financial Statements (Contd.)

5.2 Other Receivables

(₹ in lacs)

Particulars	As at 31st March, 2019	As at 31st March, 2018	As at 1st April, 2017
(a) Secured, considered good;	-	-	-
Less: Allowance for impairment loss allowance	-	-	-
	-	-	-
(b) Unsecured considered good; and	-	-	9,561
Less: Allowance for impairment loss allowance	-	-	648
	-	-	8,913
(c) Significant increase in credit risk	-	-	-
Less: Allowance for impairment loss allowance	-	-	-
	-	-	-
(d) Credit impaired	-	-	2,356
Less: Allowance for impairment loss allowance	-	-	2,356
	-	-	-
Total (a+b+c+d)	-	-	8,913

i. In determining the allowances for credit losses, the Group has used a practical expedient by computing the expected credit loss allowance based on a provision matrix. The provision matrix takes into account historical credit loss experience. The expected credit loss allowance is based on the ageing of the receivables that are due and rates used in the provision matrix.

ii. Movements in Expected Credit Losses Allowance is as below:

(₹ in lacs)

Particulars	As at 31st March, 2019	As at 31st March, 2018
Balance at the beginning of the year	-	3,004
Credited in Statement of Profit and Loss	-	902
Utilized during the year	-	2,102
Balance at the end of the year	-	-

iii. Ageing of Other Receivables and Credit Risk arising therefrom is as below:

(₹ in lacs)

Particulars	As at 31st March, 2019		
	Gross carrying amount	Allowance for credit loss	Net carrying amount
Due till three months	-	-	-
Due between three to six months	-	-	-
Due between six months to one year	-	-	-
More than 1 year due	-	-	-
	-	-	-

Notes to Consolidated Financial Statements (Contd.)

(₹ in lacs)

Particulars	As at 31st March, 2018		
	Gross carrying amount	Allowance for credit loss	Net carrying amount
Due till three months	-	-	-
Due between three to six months	-	-	-
Due between six months to one year	-	-	-
More than 1 year due	-	-	-
	-	-	-

(₹ in lacs)

Particulars	As at 1st April, 2017		
	Gross carrying amount	Allowance for credit loss	Net carrying amount
Due till three months	7,396	-	7,396
Due between three to six months	619	-	619
Due between six months to one year	1,546	648	898
More than 1 year due	2,356	2,356	-
	11,917	3,004	8,913

The change in Expected Credit Loss Allowance of Receivables was driven by a change in the outstanding amount and movements between age buckets.

*Secured by underlying assets and in certain cases are additionally secured by immovable properties and / or pledge of equity shares of the borrowers by way of collateral security. Exposures which are secured by a charge over future toll revenue/ cash flows / receivables etc. have been considered as secured.

(a) In terms of an Order from DRT-I, Kolkata dated 24 December, 2014, Deccan Chronicle Holding Limited (DCHL), one of the borrowers of the Company, had in the financial year 2014-15 allotted to the Company 6,60,37,735 equity shares in DCHL pursuant to conversion of a portion of loan into equity shares by virtue of the Company's rights under the financial documents. However, during the corporate insolvency resolution process under the Insolvency and Bankruptcy Code, 2016 of DCHL, the Company has come to know that the said allotment of 6,60,37,735 equity shares by DCHL was contrary to law and therefore, void and ineffective. Since DCHL failed to give effect to such conversion, the Company has irrevocably and unconditionally withdrawn its right of conversion of loan into equity shares of DCHL vide its letter dated 23 April, 2018 to Resolution Professional of DCHL.

Notes to Consolidated Financial Statements (Contd.)

i. An analysis of changes in the gross carrying amount and the corresponding ECL allowances is, as follows:

	As at 31st March, 2019					As at 31st March, 2018					(₹ in lacs)

Add: Issued during the year	-	-	-	-	-	-
At the end of the year	503086333	50,309	503086333	50,309	503086333	50,309

23.2 Rights, preferences and restrictions in respect of each class of shares

The Group's authorised capital consists of two classes of shares, referred to as Equity Shares and Preference Shares having par value of ₹ 10/- and ₹ 100/- each respectively. Each holder of equity shares is entitled to one vote per share. Preference Shareholder has a preferential right over equity share holders, in respect of repayment of capital and payment of dividend. However, no such preference shares have been issued by the Group during the year ended 31st March, 2019 and 31st March, 2018.

In the event of liquidation of the Group, the holders of equity shares will be entitled to receive any of the remaining assets of the Group, after distribution of all preferential amounts. The distribution will be in proportion to the number of equity shares held by the shareholders.

23.3 Shares allotted as fully paid-up without payment being received in cash/by way of bonus shares (during 5 years preceding 31st March, 2019)

The Group has not issued any shares without payment being received in cash/ by way of bonus shares since 2013-14.

Notes to Consolidated Financial Statements (Contd.)

Notes to Consolidated Financial Statements (Contd.)

(i) Special Reserve:

Transfer of 20% of the profit after tax before re-measurement adjustments on transition to Ind AS, if any, to the statutory reserves in accordance with the provision of Section 45-IC of the RBI Act, 1934.

The conditions and restrictions for distribution attached to Special Reserve is as follows:

No appropriation of any sum from the reserve fund shall be made by the Group except for the purpose as may be specified by the RBI from time to time and every such appropriation shall be reported to the RBI within twenty-one days from the date of such withdrawal. RBI may, in any particular case and for sufficient cause being shown, extend the period of twenty one days by such further period as it thinks fit or condone any delay in making such report.

(ii) Income Tax Special Reserve:

This reserve has been created pursuant to Section 36(1)(viii) of the Income Tax Act, 1961 and any withdrawal from same will be taxable as per provisions of the Income Tax Act, 1961.

(iii) Capital Reserve:

This reserve represents capital investment subsidy received and amount forfeited towards warrant subscription.

(iv) Securities Premium:

This reserve represents the premium on issue of shares and can be utilised in accordance with the provisions of the Companies Act, 2013.

(v) Bond/Debenture Redemption Reserve:

In accordance with Rule 18(7)(b)(ii) of the Companies (Share Capital and Debentures) Rules, 2014 read with Section 71(4) of the Companies Act, 2013 the Group has created DRR only for redemption of public issue of Non-Convertible debentures (NCDs).

(vi) General Reserve:

This reserve include amount transferred from net profit as per provisions of erstwhile Companies Act, 1956 and Reserves created on Amalgamation.

(vii) Equity Instruments through Other Comprehensive Income:

This Reserve represents the cumulative gains (net of losses) arising on the changes in Fair Value of Equity Instruments measured at Fair Value through Other Comprehensive Income, net of amounts reclassified, if any, to Retained Earnings when those instruments are disposed off.

(viii) Foreign Currency Translation Reserve

Exchange differences arising on translation of a foreign associate are recognised in Other Comprehensive Income and accumulated in a separate reserve within equity. The cumulative amount is reclassified to Profit or Loss when the investment is disposed-off.

(ix) Fair valuation of loans through Other Comprehensive Income:

Financial assets measured at FVTOCI are subsequently measured at fair value. Interest income under effective interest method, foreign exchange gains and losses and impairment are recognised in the statement of profit and loss. Other net gains and losses are recognised in Other Comprehensive Income (OCI). On derecognition, gains and losses accumulated in OCI are reclassified to the statement of profit and loss.

(x) Effective portion of Cash Flow Hedges:

For designated and qualifying cash flow hedges, the effective portion of the cumulative gain or loss on the hedging instrument is initially recognised directly in OCI within equity (cash flow hedge reserve). When the hedged cash flow affects the statement of profit and loss, the effective portion of the gain or loss on the hedging instrument is recorded in the corresponding income or expense line of the statement of profit and loss.

(xi) Retained Earnings:

This reserve represents the cumulative profits of the Group. This can be utilised in accordance with the provisions of the Companies Act, 2013.

34. First Time Adoption

Ind AS 101 "First-time Adoption of Indian Accounting Standards" provides a suitable starting point for accounting in accordance with Ind AS and is required to be mandatorily followed by first-time adopters. The Group has prepared the Opening Consolidated Balance Sheet as per Ind AS as of 1st April, 2017 (the transition date) by recognising all assets and liabilities whose recognition is required by Ind AS, not recognising items of assets or liabilities which are not permitted by Ind AS, reclassifying items from previous GAAP to Ind AS as required under Ind AS and applying Ind AS in measurement of recognised assets and liabilities. However, this principle is subject to certain mandatory exceptions and optional exemptions out of which the ones which are relevant for the Group are as detailed below:

Mandatory exceptions to the retrospective application of Ind AS

(i) Estimates

The estimates at 1st April, 2017 and at 31st March, 2018 are consistent with those made for the same dates in accordance with Previous GAAP (after adjustments to reflect any differences in accounting policies).

The estimates used by the Group to present these amounts in accordance with Ind AS reflect conditions at 1st April 2017, the date of transition to Ind AS and as of 31st March, 2018.

(ii) Classification and Measurement of Financial Assets

Ind AS 101 requires an entity to assess classification of financial assets on the basis of the facts and circumstances existing as on the date of transition and the Group has complied accordingly.

As per Ind AS 101, for financial assets or financial liabilities classified as at amortised cost, if it is impracticable for the Group to apply retrospectively the effective interest method as mentioned in Ind AS 109, the fair value of the financial assets or financial liabilities at the date of transition to Ind AS shall be the new gross carrying amount of that financial

Notes to Consolidated Financial Statements (Contd.)

asset or financial liability at the date of transition to Ind AS. For financial assets and financial liabilities classified as at amortised cost, measurement has been done retrospectively by the Group.

Voluntary exemptions availed

(i) Deemed cost for Property, Plant and Equipment and Intangible Assets

Group has elected to use the carrying amount of items of property, plant and equipments under previous GAAP on the date of transition to Ind AS as deemed cost for Ind AS.

(ii) Business Combinations

The Group has elected to apply Ind AS accounting for business combinations prospectively from 1st April, 2017. As such, previous GAAP balances relating to business combinations entered into before that date have been carried forward as at the date of transition to Ind AS.

(iii) Determining whether an arrangement contains a lease

Appendix C to Ind AS 17 requires entity to assess whether contract or arrangement contains a lease. In accordance with same, this assessment should be carried out at the inception of arrangement. However, the Group has used exemption under Ind AS 101 and assessed all arrangements based on conditions in place as on transition date.

(iv) Assessment of embedded derivatives

The Group has assessed whether an embedded derivative is required to be separated from the host contract and accounted for as a derivative on the basis of the conditions that existed at the later of the date it first became a party to the contract and the date when there has been a change in the terms of the contract that significantly modifies the cash flows that otherwise would be required under the contract.

(v) Derecognition of financial assets and financial liabilities

As per Ind AS 101 – An entity shall apply the exception to the retrospective application in case of “derecognition of financial assets and financial liabilities” wherein a first-time adopter shall apply the derecognition requirements in Ind AS 109 prospectively for transactions occurring on or after the date of transition to Ind AS. For example, if a first-time adopter derecognised non-derivative financial assets or non-derivative financial liabilities in accordance with its previous GAAP as a result of a transaction that occurred before the date of transition to Ind AS, it shall not recognise those assets and liabilities in accordance with Ind AS (unless they qualify for recognition as a result of a later transaction or event). The Group has opted not to re-evaluate financial assets derecognised in the past and to apply the derecognition requirements prospectively for transactions occurring on or after the transition date.

(vi) Classification of debt instruments

The Group has determined the classification of debt instruments in terms of whether they meet the amortised cost criteria or the FVTOCI criteria based on the facts and circumstances that existed as of the transition date.

(vii) Impairment of financial assets

The Group has applied the impairment requirements of Ind AS 109 retrospectively; however, as permitted by Ind AS 101, it has used reasonable and supportable information that is available without undue cost or effort to determine the credit risk at the date that financial instruments were initially recognized in order to compare it with the credit risk at the transition date. Further, the Group has not undertaken an exhaustive search for information when determining, at the date of transition to Ind AS, whether there have been significant increases in credit risk since initial recognition, as permitted by Ind AS 101.

Notes to Consolidated Financial Statements (Contd.)

(i) Reconciliation of Equity as previously reported under Previous GAAP to Ind AS

(₹ in lacs)

Particulars	Note	As at 31st March, 2019	As at 31st March, 2018
Equity as reported under previous GAAP		5,26,864	4,91,933
Re-measurements on transition to Ind AS			
(1) Interest income and expenses recognition using EIR method on financial assets and liabilities at amortized cost	(i)	(3,372)	(7,185)

(5) Deferred tax on above adjustments	(viii)	(852)
Total Comprehensive Income as reported under Ind AS		35,375

Notes to Consolidated Financial Statements (Contd.)

Footnotes to the reconciliation of equity as at 1st April, 2017 and 31st March, 2018 and Total Comprehensive Income for the year ended 31st March, 2018.

(i) Interest income and expenses recognition using EIR method on financial assets and liabilities at amortised cost

Under Previous GAAP, all financial assets and financial liabilities were carried at cost. Under Ind AS, certain financial assets and financial liabilities are subsequently measured at amortised cost which involves the application of effective interest method. In applying the effective interest method, an entity identifies fees that are an integral part of the effective interest rate of a financial instrument. The effective interest rate is the rate that exactly discounts estimated future cash payments or receipts through the expected life of the financial asset or financial liability to the gross carrying amount of the financial asset or financial liability.

(ii) Fair valuation of Investment and other financial instruments

Under Previous GAAP, the Group accounted for long term investments in unquoted and quoted equity shares as investment measured at cost less provision for other than temporary diminution in the value of investments. Under Ind AS, the Group has designated such investments as FVTOCI/ FVTPL investments. Ind AS requires FVTOCI/FVTPL investments to be measured at fair value.

Further, the Group has adopted fair value in few investments in Subsidiaries and Associates as deemed cost as at the transition date and subsequently the same investments are measured at cost.

(iii) Recognition of Expected Credit Loss in line with Ind-AS 109

Under Previous GAAP, the impairment provisioning in respect of a NBFC-ND-SI is governed by the principles as prescribed by the RBI through NBFC-SI Directions.

Under Ind AS, a loss allowance for expected credit losses is recognised on financial assets carried at amortised cost.

General Approach (Financial Assets containing financing component)

Under General Approach, Expected credit losses (with the exception of purchased or original credit-impaired financial assets) are required to be measured through a loss allowance at an amount equal to the 12 month expected credit losses; or Lifetime expected credit losses if credit risk has increased significantly since initial recognition of the financial instrument.

Simplified Approach (Financial Assets not containing financing component)

Under Simplified Approach, Expected credit losses are required to be measured through a loss allowance at an amount equal to the Lifetime expected credit losses for all financial assets.

(iv) Fair Valuation of Derivatives

The Group uses derivative financial instruments, such as currency forwards, options and swaps to hedge its foreign currency risks. Under previous GAAP, the net mark to market losses or gains on the outstanding portfolios of such instruments were recognised in the profit or loss.

The Group uses derivative financial instruments, such as cross currency swaps and interest rate swaps for hedging the interest rate risk. Under previous GAAP, as per Guidance Note on Accounting for Derivative Contracts issued by the ICAI, the net mark to market losses or gains on the outstanding portfolios of such instruments were recognised directly in cash flow hedges.

Under Ind AS, changes in the fair value of derivatives on adoption date has been routed through retained earnings. The changes in fair value of derivative financial instruments, after adoption date, which are designated as cash flow hedges are recognised in equity. Amounts deferred in equity are transferred to the Consolidated Statement of Profit and Loss in line with the hedged transaction.

Notes to Consolidated Financial Statements (Contd.)

(v) Actuarial gains/(losses) on employee benefit plans

Under previous GAAP, actuarial gains and losses related to the defined benefit schemes for gratuity and liabilities towards employee leave encashment were recognised in profit or loss. Under Ind AS, the actuarial gains and losses form part of remeasurement of the net defined benefit liability/asset which is recognised in OCI. Consequently, the tax effect of the same has also been recognised in OCI instead of profit or loss.

(vi) Gain from excess interest spread on assignment transactions

Under previous GAAP, since the assignment transaction were carried out at book value of the loan assets with no upfront cash profit/loss, no gain/loss on the said transaction has been recognised on the same. Under Ind AS, gains from excess interest spread is recognised upfront.

(vii) Share Warrants reclassified as equity instrument

Under previous GAAP, Share Warrant issued by the Group to its shareholders was accounted as part of shareholders' fund. Under Ind AS, the same has been reclassified as equity instrument forming part of Other Equity in line with requirement of Ind-AS 32, "Financial Instruments: Presentation".

(viii) Deferred Tax impact on above

Under Previous GAAP, deferred tax was accounted using the income statement approach on the timing differences between the taxable profit and accounting profits for the period. Under Ind AS, deferred tax is recognised following balance sheet approach on the temporary differences between the carrying amount of assets or liabilities in the consolidated balance sheet and its tax base. In addition, various transitional adjustments has also led to recognition of deferred taxes on new temporary differences.

(ix) Exchange difference in translating the financial statements of a Foreign Operation

Under previous GAAP, the exchange difference in translating the financial statements of a foreign operation were recognised directly in reserves. Under Ind AS, the movement in these exchange differences are recognised in Other Comprehensive Income.

(x) Effective portion of gains and losses on hedging instruments in a cash flow hedge

Under previous GAAP, the net mark to market gains and losses on the outstanding portfolios of various derivatives financial instruments were recognised directly in reserves. Under Ind AS, these hedges are designated as cash flow hedge and the movement in the fair value of these derivatives are recognised in Other Comprehensive Income.

35. Capital Management

The primary objectives of the Group's capital management policy are to ensure that the Group complies with externally imposed capital requirements and maintains strong credit ratings and healthy capital ratios in order to support its business and to maximise shareholder value.

The Group manages its capital structure and makes adjustments to it according to changes in economic conditions and the risk characteristics of its activities. In order to maintain or adjust the capital structure, the Group may adjust the amount of dividend payment to shareholders, return capital to shareholders or issue capital securities. No changes have been made to the objectives, policies and processes from the previous years. However, they are under constant review by the Board of the Company.

Notes to Consolidated Financial Statements (Contd.)

36. Regulatory Capital (Capital Adequacy Ratio)

(₹ in lacs)

Particulars	As at 31st March, 2019	As at 31st March, 2018	As at 1st April, 2017
Tier I capital	1,43,602	2,38,030	2,27,803
Tier II capital	63,632	67,544	84,614
Total capital	2,07,234	3,05,574	3,12,417
Risk weighted assets	13,31,383	17,36,499	16,49,315
Tier I Ratio (%)	10.79	13.71	13.81
Tier II Ratio (%)	4.78	3.89	5.13

Regulatory capital consists of Tier I capital, which comprises share capital, share premium, retained earnings including current year profit, statutory reserves and other free reserves less deferred revenue expenditure and intangible assets. The other component of regulatory capital is Tier II Capital Instruments, which includes subordinate bonds, deposits and loans.

The aforesaid figures on regulatory capital are as per RBI Master Direction - Non-Banking Financial Company - Systemically Important Non-Deposit taking Company and Deposit taking Company (Reserve Bank) Directions, 2016, as amended, and are not as per Ind AS.

37 Financial Instruments and Related Disclosures

This section gives an overview of the significance of financial instruments for the Group and provides additional information on consolidated balance sheet items that contain financial instruments.

The details of significant accounting policies, including the criteria for recognition, the basis of measurement and the basis on which income and expenses are recognised in respect of each class of Financial Asset, Financial Liability and Equity Instrument are disclosed in Note No. 1.18 to the financial statements.

Notes to Consolidated Financial Statements (Contd.)

A) Categories of Financial Instruments

Set out below, is a comparison by class of the carrying amounts and fair value of the Group's financial instruments:

(₹ in lacs)

Particulars	As at 31st March, 2019		As at 31st March, 2018		As at 1st April, 2017

Notes to Consolidated Financial Statements (Contd.)

Below are the methodologies and assumptions used to determine fair values for the above financial instruments which are not recorded and measured at fair value in the Group's financial statements. These fair values were calculated for disclosure purposes only. The below methodologies and assumptions relate only to the instruments in the above tables

Loans measured at amortised cost

The fair values of loan assets are estimated using a discounted cash flow model based on observable future cash flows based on terms, discounted at the average lending rate of the group.

Other financial assets measured at amortised cost

Other financial assets have assets with short-term maturity (less than twelve months) as on consolidated balance sheet date and therefore, the carrying amounts, which are net of impairment, are a reasonable approximation of their fair value.

Debt Securities, Subordinated Liabilities and Other Borrowings measured at amortised cost

The fair values of debts are estimated using a discounted cash flow model based on observable future cash flows based on terms, discounted at the average borrowing rate of the group.

Other financial liabilities measured at amortised cost

Other financial liabilities have liability with short-term maturity (less than twelve months) as on consolidated balance sheet date and therefore, the carrying amounts are a reasonable approximation of their fair value.

B) Fair value hierarchy

The following table provides an analysis of financial instruments that are measured subsequent to initial recognition at fair value, grouped into Level 1 to Level 3, as described below:

Quoted prices in an active market (Level 1): Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period.

Valuation techniques with observable inputs (Level 2): The fair value of financial instruments that are not traded in an active market (for example over-the counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Valuation techniques with significant unobservable inputs (Level 3): If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. This is the case for unlisted equity securities and Loan Assets carried at FVTPL.

Notes to Consolidated Financial Statements (Contd.)

(i) Mark-to-Market

Fair value of the asset and liability has been estimated using the current market price, or price for similar assets and liabilities as applicable.

(ii) Income Approach.

The discounted cash flow method was used to capture the present value of the expected future benefits to be derived from the underlying Assets.

(iii) Quoted Prices.

Quoted bid prices of an active market was used.

(iv) Comparable Company Method

Relevant information from companies operating in similar economic environment and industry was used.

(v) Price to Revenue/Earnings Multiple Method

Price was derived as a multiple of revenue/earnings.

(vi) Other Inputs

(a) Market Multiple Method: Relevant information from companies operating in similar economic environment and industry was used.

(b) Discounted Cash Flow Method: Present value of the expected future benefits to be derived from the underlying Assets.

(c) Net Asset Valuation Method: Value of the underlying net assets of the business.

(vii) Discount rate, determined using the average cost of borrowing + spread and contract yield rates.

(viii) Estimated future cash flows.

Reconciliation of Level 3 fair value measurements

Closing Balance	2,92,681	5,44,510	1,57,073	1,37,127	21,022	39,209

Sensitivity of fair value measurements to changes in unobservable market data

The table below describes the effect of changing the significant unobservable inputs to reasonable possible alternatives. Sensitivity data are calculated using a number of techniques, including analysing price dispersion of different price sources, adjusting model inputs to reasonable changes within the fair value methodology.

The ranges are not comparable or symmetrical as the model inputs are usually not in the middle of the favourable/unfavourable range.

Notes to Consolidated Financial Statements (Contd.)

(₹ in lacs)

Reconciliation	31st March, 2019		31st March, 2018	
	Favourable Changes	Unfavourable Changes	Favourable Changes	Unfavourable Changes
Loans	8,562	(8,170)	17,895	(12,431)
Investments	2,250	2,227	2,982	2,239
Other Financial Assets	1,473	112	2,418	953
Total	12,285	(5,831)	23,295	(9,239)

C) Financial risk management objectives

The Group's activities expose it to market risk, liquidity risk and credit risk.

The Group has an independent and dedicated Enterprise Risk Management (ERM) system to identify, manage and mitigate business risks.

Board has approved the Asset Liability Management Policy and the formation of Asset Liability Management Committee (ALCO). The ALCO includes the Group's senior management. It defines the strategy for managing liquidity and interest rate risks in the business.

a) Market risk

The Group's Financial Instruments are exposed to market changes. The Group is exposed to the following significant market risk:

- i. Foreign Currency Risk
- ii. Interest Rate Risk
- iii. Other Price Risk

i. Foreign currency risk

The Group undertakes transactions denominated in foreign currency which results in exchange rate fluctuations. Such exchange rate risk primarily arises from transactions made in foreign exchange and reinstatement risks arising from recognised assets and liabilities, which are not in the Group's functional currency (Indian Rupees).

Notes to Consolidated Financial Statements (Contd.)

Notes to Consolidated Financial Statements (Contd.)

The Group has entered into Spots, Forwards and Currency Swaps to manage its foreign currency risk. Hence, the Group's profit and loss and equity is not exposed to such foreign currency sensitivity.

Note: If the rate is decreased by 2%, profit of the group will increase by an equal amount.

ii. Interest rate risk

The Group is exposed to interest rate risk as the Group borrows funds at both fixed and floating interest rates. The Group manages the risk by maintaining an appropriate mix between fixed and floating rate borrowings, and by use of interest rate swaps and cross currency interest rate swaps. Hedging activities are evaluated to align with interest rate views and defined risk appetite, to deploy the most cost effective hedging strategies.

The group is further exposed to interest rate risk as the group lends funds at floating interest rates.

The following table demonstrates the sensitivity to a reasonably possible change in interest rates (all other variables being constant) of the Group's consolidated statement of profit and loss and equity.

Notes to Consolidated Financial Statements (Contd.)

Interest Rate Sensitivities for outstanding exposure (impact on increase in 2%)

(₹ in lacs)

Currency	As at 31st March, 2019	As at 31st March, 2018	As at 1st April, 2017
INR	2,771	(2,000)	(390)
EUR	(453)	(538)	(509)
USD	(3,505)	(3,518)	(2,412)
Others#	(1,356)	(547)	(334)

Others primarily include EUR-EURO, GBP-Great Britain Pound and SGD-Singapore Dollar

Figures in brackets indicate decrease in profit

In some cases, the Group has entered into cross currency swap and interest rate swaps to manage its interest rate risk. The Group's profit and loss and equity is not exposed to interest rate sensitivity to that extent.

The sensitivity analysis above has been determined based on the exposure to interest rates for assets and liabilities at the end of the reporting period. For floating rate assets and liabilities, the analysis is prepared assuming the amount of the liabilities/assets outstanding at the end of the reporting period was outstanding for the whole year and the rates are reset as per the applicable reset dates.

Note: If the rate is decreased by 2%, profit of the group will increase by an equal amount.

iii. Price risk

Equity price risk is related to change in market reference price of investments in equity securities held by the Group. The fair value of quoted investments held by the Group exposes the Group to equity price risks. In general, these investments are not held for trading purposes. The fair value of quoted investments in equity, classified as fair value through Profit and Loss/ fair value through Other Comprehensive Income as at 31st March, 2019 is ₹ 23,389 lacs (31st March, 2018: ₹ 40,523 lacs, 1st April, 2017: ₹ 15,144 lacs)

A 10% change in equity prices of such securities held as at 31st March, 2019, 31st March, 2018 and 1st April, 2017, would result in an impact of ₹ 2,339 lacs in 31st March, 2019 (31st March, 2018 ₹ 4,052 lacs, 1st April, 2017 ₹ 1,515 lacs).

Notes to Consolidated Financial Statements (Contd.)

b) Liquidity risk

Liquidity risk is the risk that the Group does not have sufficient financial resources to meet its obligations as they fall due, or will have to do so at an excessive cost. This risk arises from mismatches in the timing of cash flows which is inherent in all finance driven organisations and can be affected by a range of Group-specific and market-wide events.

Liquidity risk management :

	-	95,404	1,11,827	1,58,601	3,65,832	-	-	-	-	-	-	-

c) Credit risk

Credit risk is the risk that the Group will incur a loss because its customers or counterparties fail to discharge their contractual obligations.

Credit risk is monitored by the credit risk department of the Group's independent Risk Controlling Unit. It is their responsibility to review and manage credit risk, including environmental and social risk for all types of counterparties. Credit risk consists of line credit risk managers who are responsible for their business lines and manage specific portfolios and experts who support both the line credit risk manager, as well as the business with tools like credit risk systems, policies, models and reporting.

The Group conducts an industry analysis to determine the risk level of each industry which the Group is exposed to. The Group also performs portfolio analysis to analyze the correlations between different exposures, assess risk at an overall portfolio, and assess concentration risks in the portfolio. The Group also conducts stress testing at portfolio level to assess the impact on stress situations on the Group's portfolio. The corrective action taken by the Group includes obtaining collaterals which are easy to liquidate, which have high marketability and re-sale value.

Notes to Consolidated Financial Statements (Contd.)

38. Transfers of financial assets

Transfers of financial assets that are not derecognised in their entirety :

Assignment of Non-Performing Loan Assets to Asset Reconstruction Company (ARC):

The group has carried out an assignment transaction wherein it has assigned Non-Performing Loan Accounts to an Asset Reconstruction Company by transferring the loan assets to a Special Purpose Entity and subscribed to 85% of the total value of security receipts issued by the Trust. Even though the loan assets have been assigned, the group still holds the right (legal as well as contractual) to recover the entire overdue balance in respect of these loan assets. Further, the returns from the Security Receipts are dependent on the realisation from the assigned loan assets, leading to group bearing the risk of non-realisation from the pool to the extent of its investment in Security Receipts.

The group has also carried out securitisation transactions wherein it has securitised loans. Even though the loan assets have been securitised, the Company still holds the right (legal as well as contractual) to recover the entire overdue balance in respect of these loan assets. Further, the returns are dependent on the realisation from the securitised loan assets, leading to company bearing the risk of non-realisation from the pool.

The table below outlines the carrying amounts and fair values of all financial assets transferred that are not derecognised in their entirety and associated liabilities.

(₹ in lacs)

Particulars	As at 31st March, 2019	As at 31st March, 2018	As at 1st April, 2017
Carrying amount of assets	1,39,179	74,721	*
Carrying amount of associated liabilities	1,23,033	79,111	*
Fair value of assets	1,40,731	75,791	*
Fair value of associated liabilities	1,21,552	76,647	*

* The group has chosen to apply the de-recognition requirements of Ind AS - 109 prospectively by choosing the first-time exemptions provided by Ind AS - 101.

39. Assets obtained by taking possession of collateral

The Group obtained the following non-financial assets during the year by taking possession of assets held as security against loans or third party security and held at the year end. The Group's policy is to determine whether such asset can be best used for its internal operations or should be sold. Assets determined to be useful for the internal operations are transferred to their relevant asset category at the lower of their repossessed value or the carrying value of the original secured asset. Assets for which selling is determined to be a better option are transferred to assets acquired in satisfaction of debt at their fair value or carrying value, whichever is lower. The Group's policy is to realise collateral on a timely basis.

The table below outlines the nature and values of assets acquired in satisfaction of debt obtained during the year.

(₹ in lacs)

Land	2,265	78,603
Property	-	23,330
Others	15,391	6,483
Total assets obtained by taking possession of collateral	17,656	1,08,416

40. Disclosure pursuant to Ind AS 19 - Employee Benefits

Defined contribution plans

The Group has recognised, in Consolidated Statement of Profit and Loss for the year ended 31st March, 2019 an amount of ₹ 26,035 lacs (Previous year ₹ 24,947 lacs) as expenses under defined contribution plans.

Notes to Consolidated Financial Statements (Contd.)

Defined benefit plans

(A) Gratuity Fund :-

The Group makes contributions to Defined Benefit Plans for qualifying employees. The scheme is funded by way of separate irrevocable trust. The fund is managed internally by the Group. These Plans are administered through approved Trusts, which operate in accordance with the Trust Deeds, Rules and applicable Statutes. The concerned Trusts are managed by Trustees who provide strategic guidance with regard to the management of their investments and liabilities and also periodically review their performance. The Trustees of the gratuity scheme for the employees of the Group have interested the administration of the scheme to the Life Insurance Corporation of India (LIC).

The liabilities arising in the Defined Benefit Schemes are determined in accordance with the advice of independent, professionally qualified actuaries, using the projected unit credit method. The Group makes regular contributions to these Employee Benefit Plans. Additional contributions are made to these plans as and when required based on actuarial valuation. Some Group companies also participate in these Plans. These participating Group companies make contributions to the Plans for their respective employees on a uniform basis and each entity ascertains their obligation through actuarial valuation. The net Defined benefit cost is recognised by these companies in their respective Financial Statements.

Under the Gratuity plan, every employee is entitled to gratuity, being higher of the amount, calculated under the Group's plan (based on last monthly salary and number of years of service) or calculations as laid down under the Payment of Gratuity Act, 1972. Gratuity is payable on death / retirement / termination and the benefit vests after 5 year of continuous service.

Risk Management

The Defined Benefit Plans expose the Group to risk of actuarial deficit arising out of interest rate risk, salary inflation risk and demographic risk.

(a) Interest rate risk: The defined benefit obligation calculated uses a discount rate based on government bonds. If bond yields fall, the defined benefit obligation will tend to increase.

(b) Salary Inflation risk: Higher than expected increase in salary will increase the defined benefit obligation.

(c) Demographic Risk : This is the risk of variability of results due to unsystematic nature of decrements that include mortality, withdrawal, disability and retirement. The effect of these on the defined benefit obligation is not straight forward and depends upon the combination of salary increase, discount rate and vesting criteria. It is important not to overstate withdrawals because in the financial analysis the retirement benefit of short career employee typically costs less per year as compared to long service employee.

The most recent actuarial valuation of plan assets and the present value of the defined benefit obligation was carried out as at 31st March, 2019.

Notes to Consolidated Financial Statements (Contd.)

Schemes of insurance- conventional products	100%	100%	100%	Not Applicable		
Total	100%	100%	100%			

40.3 Principal Assumptions used are as follows:

Discount rate per annum	7.50%	7.60%	7.15%	7.50%	7.60%	7.15%
Salary escalation rate per annum	10.00%	10.00%	10.00%	10.00%	10.00%	10.00%

40.4 The estimate of future salary increase, considered in actuarial valuation, takes account of inflation, seniority, promotion and other relevant factors such as supply and demand in the employee market.

40.5 Sensitivity Analysis

The Sensitivity Analysis below has been determined based on reasonably possible change of the respective assumptions occurring at the end of the reporting period, while holding all other assumptions constant. These sensitivities show the hypothetical impact of a change in each of the listed assumptions in isolation. While each of these sensitivities holds all other assumptions constant, in practice such assumptions rarely change in isolation and the asset value changes may offset the impact to some extent. For presenting the sensitivities, the present value of the Defined Benefit Obligation has been calculated using the projected unit credit method at the end of the reporting period, which is the same as that applied in calculating the Defined Benefit Obligation presented above. There was no change in the methods and assumptions used in the preparation of the Sensitivity Analysis from previous year.

42. Leases

a. In the capacity of Lessee

- (i) The Group has certain cancellable operating lease arrangements for office premises and equipments, which range between 11 months to 15 years and are usually renewable by mutual consent, on mutually agreeable terms. Some of these lease agreements have rent escalation upto 5% p.a. or 10% p.a. on renewals. Lease payments charged to the Consolidated Statement of Profit and Loss with respect to such leasing arrangements aggregate to ₹ 4,048 lacs (Previous year: ₹ 8,355 lacs).

Contingent rent recognised for agreements which stipulate rent payment based on usage is Nil (Previous year Nil).

- (ii) Further, the Group had certain non-cancellable operating lease arrangements for office premises, which ranges between 11 months to 21 years and was renewable by mutual consent on mutually agreeable terms. In respect of such arrangements, lease payments for the previous year aggregating to ₹ 115 lacs (Previous year ₹ 95 lacs) have been recognised in the Consolidated Statement of Profit and Loss.

The future lease payments in respect of the above non-cancellable operating leases are as follows:

(₹ in lacs)

Particulars	As at 31st March, 2019	As at 31st March, 2019	As at 1st April, 2017
Not later than 1 year	152	71	106
Later than 1 year but not later than 5 years	16	30	115
Later than 5 years	-	-	61
Total	168	101	282

- (iii) Sub lease payments received (or receivable) recognised in the Consolidated Statement of Profit and Loss for the year is ₹ 1,474 lacs (Previous year ₹ 1,333 lacs). Future minimum sublease payments expected to be received under non-cancellable subleases is Nil (Previous year: ₹ 875 lacs).

b. In the capacity of Lessor

- (i) The Group has given assets on Operating lease (refer Note No. 14) for periods ranging between 1 to 15 years. Some of these lease agreements stipulate rental computation on the basis of earnings of the Lessee. Such contingent rent recognised during the year is ₹ 1,745 lacs (Previous year ₹ 5,499 lacs).

The future minimum lease receivables in respect of non-cancellable operating leases are as follows:

(₹ in lacs)

Particulars	As at 31st March, 2019	As at 31st March, 2018	As at 1st April, 2017
Not later than 1 year	1,28,158	1,16,512	49,565
Later than 1 year but not later than 5 years	2,42,918	2,59,756	1,22,424
Later than 5 years	2,843	5,345	10,612
Total	3,73,919	3,81,613	1,82,601

Notes to Consolidated Financial Statements (Contd.)

- (ii) The Group also has cancellable operating lease arrangements for office premises, which range between 1 to 3 years and are usually renewable by mutual consent on mutually agreeable terms. Further, the Group had non-cancellable arrangement which is of 3 years and was renewable by mutual consent on mutually agreeable terms. In respect of non-cancellable arrangements, lease earning for the year aggregating to ₹ 1 Lakh (Previous year ₹ 2 lacs) has been recognised in the Consolidated Statement of Profit and Loss.

The future minimum lease receivables in respect of non-cancellable operating leases are as follows:

(₹ in lacs)

Particulars	As at 31st March, 2019	As at 31st March, 2018	As at 1st April, 2017
Not later than 1 year	-	1	1
Later than 1 year but not later than 5 years	-	-	1
Later than 5 years	-	-	-
Total	-	1	2

Notes to Consolidated Financial Statements (Contd.)
