II ALIVE IN OUR MEMORIES FOREVER II

KARMA YOGI M. M. KOTHARI
Our Founder Chairman
(25th July 1925 – 27th November 2015)

“The soul never takes birth and never dies at any time nor does it come into being again when the body is created. The soul is birth less, eternal, imperishable and timeless and is never destroyed when the body is destroyed.”

Chairman's Message

Dear Fellow Share Owners,

I always feel honoured to be amongst the annual stake holder's meeting of the Company and thank you all for being part of our journey for last more than three decades.

In this journey we have witnessed several ups & downs and remained patient and together, surely it will continue.

Remembering the passage of such a illustrious journey together, sometimes, I feel very nostalgic and emotional.

During the period under review, as anticipated the economic environment was quite eventful at the International and Domestic theatre.

Several developments in the global arena including US-China Trade relations, un-resolved issue of Brexit and other geo political uncertainties resulted in Global Economic slowdown particularly in the second half

of last year, reflecting a confluence of factors affecting major economies. This may continue for some more time and immediate future is relatively un-predictable.

The Economic Survey of India for 2018-19 has reaffirmed the slowdown in the domestic economy and has indicated a marginal and gradual revival. With the huge mandate the Govt. at the Centre is in the process of consolidating and stream lining the economic process of the Country with an objective of over-all growth in all the sectors. This pragmatic approach is starting to give the fruits to the Society.

In view of the above, the Domestic Industry is growing slowly at the moment and International Trade remained under pressure both in terms of value and margins which would also be a great challenge to your Company. Your Company is quite aware of the situation and exploring new Business Models and aligning in to this evolving economic scenario. The Management is optimistic to leverage itself to this new economic regime.

Over more than 3 decades, your Company has continued to grow and evolve, creating value for the share owner and we are sure that we will continue to strive ahead.

In the end, I would like to place on record my sincere thanks to all the stake holders and having deep satisfaction of what your Company is today. Way forward, ushering in to the new challenges, new business environment, it is time to look for the new ideas with fresh vigour and zeal. Therefore, it is imperative to give way to the Genext, which is quite mature and have talent in abundance. Wishing you all be always with the Company which is bound to grow in future.

With lots of Thanks,

Deepak Kothari

MANAGEMENT DISCUSSION & ANALYSIS REPORT

The information, as required under SEBI (Listing Obligations & Disclosures Requirements) Regulations, 2015 is as under:-

a) INDUSTRY STRUCTURE AND DEVELOPMENTS

As per World Economic Outlook released by IMF in April 2019, after strong growth in 2017 and early 2018, global economic activity slowed notably in the second half of last year, reflecting a confluence of factors affecting major economies.

There have been several developments in the global arena with the US-China trade wars being at the forefront. Prima facie it looks like that there could be something positive for India. The issue of Brexit is also to be resolved and in these uncertain times there is also discussion on whether or not India will be able to leverage any collateral gains from any of these changes so as to enhance growth in exports. The government has highlighted exports as a focal area and hence both headwinds and tailwinds operating from the outside world which will impact the future course of our trade.

The Economic Survey for 2018-19 has reaffirmed the slowdown in the domestic economy and has indicated a marginal and gradual pick up in the ongoing financial year (2019-20), contingent on a pick-up in private investments and consumption. Domestic political stability is seen as providing an impetus to future economic activity.

In view of aforesaid the domestic industry may grow but the international trade would be under pressure both in terms of value and margins, which would also be a great challenge to your Company.

b) OPPORTUNITIES & THREATS

The Union Budget 2019-20 laid out the strategic blue print to make India a USD 5 Trillion economy in next few years. By focusing broadly on infrastructure, affordable housing, recapitalization of PSU banks and supporting NBFCs and agriculture sector, government has shown intent to revitalize the economy. However the prospects for the export sector are not projected to see an improvement owing to global trade tensions and political uncertainties which could impact economic growth. Moreover the trading industry may face the risk of imposition of higher tariffs on import/export of certain commodities by the government of some countries. The same may also result in price war among key competitors.

As the Company deals in international trade, it is exposed to foreign currency risks but fluctuation risk is minimized to the great extent by natural hedging. Company also has in house treasury with well-defined hedging policy through which company monitors its currency exposure on continuous basis and employs various hedging tools like forward cover, options etc.

Company does have comprehensive risk management system in place which includes internal controls which are commensurate to the size and nature of the inherent risks of company's businesses. These Risk Management system and processes enable the company in identifying and managing the risks appropriately.

c) SEGMENT-WISE PERFORMANCE

In trading division company's emphasis is on consolidation and diversification instead of expansion. **Company has surrendered its credit facilities under consortium banking arrangements as it was not getting desired benefits / support from banking channels, which has affected the trading sector performance.** The revenue of the Trading division during the year under review has been ₹ 325701 Lacs as compared to ₹ 422178 Lacs during the previous year and that of the Real Estate etc., has been ₹ 3930 Lacs as compared to ₹ 2059 Lacs during the previous year. The profit before tax and interest from both the aforesaid division is at ₹ 1484 Lacs and ₹ 3524 Lacs respectively as compared to previous year figures of ₹ 6474 Lacs & ₹ 1198 Lacs respectively.

d) OUTLOOK:

As a result of these developments, global growth is now projected to slow down and with trade tensions increasingly taking a toll on business confidence internationally, so, financial market sentiment is sluggish and the outlook for the International Trade for your Company looks challenging.

However your Company, with the stable government at the centre and make in India initiative, sees improvement in domestic trade and real estate business. The period of crisis and uncertainty in the markets seem to be short lived which we feel your company will be able to tide over properly and shall also embark upon other trade prospects including diversification.

e) RISKS AND CONCERNS:

These aspects have been mentioned under the Heading "Opportunities and Threats"

f) DETAILS OF SIGNIFICANT CHANGES (I.E. CHANGE OF 25% OR MORE COMPARED TO THE IMMEDIATE PREVIOUS FINANCIAL YEAR)

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (SAs), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the 'Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements' section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone Ind AS financial statements.

KEY AUDIT MATTERS

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone Ind AS financial statements for the financial year ended March 31, 2019. These matters were addressed in the context of our audit of the standalone Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the standalone Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the standalone Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying standalone Ind AS financial statements.

Increase in Inter corporate deposits and utilization thereof-

The company's short term borrowings have increased by ₹ 399.63 crores during the year and there is no corresponding increase in the property, plant and equipment or other assets of the company or volume of trading activity of the company. This has also resulted in increased burden of finance costs on the company. The increase in loans was primarily by way of borrowings from persons/parties who are related entities in terms of Ind-AS 24. In view of the above, verification of the end use of the funds and compliances of reporting requirements in respect of the same involved extensive procedures and also judgements with respect to proper classification, terms and conditions of the loans etc.

How our audit addressed the key audit matter

For the matter referred to above, our procedures included, among others, verification of the funds flow and bank transactions of the company, type of relationship between the company and the lending party, the statutory records and filings done by the company with the Registrar of Companies and filings done by the lending parties, the loan agreements executed between the parties etc.

EMPHASIS OF MATTER

Reference is invited towards Note No.21 describing the fact that an amount of ₹ 874.42 lakhs, being demand of Income Tax, recovered by the Department, though is subject to Appeal and is in the nature of a deposit under protest, has not been carried as

a receivable/recoverable balance in the Financial Statements. The Management has charged the said amount to its Other Equity following the principle of conservatism. Our opinion is not modified in respect of the said matter.

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the standalone Ind AS financial statements and our auditor's report thereon.

Our opinion on the standalone Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITIES OF MANAGEMENT AND THOSE CHARGED WITH GOVERNANCE FOR THE STANDALONE IND AS FINANCIAL STATEMENTS

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone Ind AS financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies. (Indian Accounting Standards) Rules, 2015, as amended. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone Ind AS financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are also responsible for overseeing the Company's financial reporting process.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE STANDALONE IND AS FINANCIAL STATEMENTS

Our objectives are to obtain reasonable assurance about whether the standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- A. Identify and assess the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- B. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- C. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- D. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are

inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- E. Evaluate the overall presentation, structure and content of the standalone Ind AS financial statements, including the disclosures, and whether the standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone Ind AS financial statements for the financial year ended March 31, 2019 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in Para 2(f) under ‘Report on Other legal and Regulatory Requirements’ section of our report of even date REPORT ON THE INTERNAL FINANCIAL CONTROLS UNDER SECTION 143(3)(I) OF THE COMPANIES ACT, 2013 (“THE ACT”))

We have audited the internal financial controls with reference to financial statements of Kothari Products Limited (“the Company”) as of March 31, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Opinion

In our opinion, to the best of our information, and according to the explanations given to us, the company has, in all material aspects, an adequate internal financial controls’ system over financial reporting and such internal financial controls with reference to financial statements were operating effectively as at March 31st 2019, based on the internal control over financial reporting criteria established by the company considering the essential components of internal control stated in Guidance Note of Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal financial controls with reference to financial statements (the “Guidance Note”) and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system with reference to financial statements.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

INFORMATION OTHER THAN THE FINANCIAL STATEMENTS AND AUDITOR'S REPORT THEREON

The Holding Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Annual report, but does not include the consolidated Ind AS financial statements and our auditor's report thereon. Our opinion on the consolidated Ind AS financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated Ind AS financial statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

RESPONSIBILITIES OF MANAGEMENT FOR THE CONSOLIDATED IND AS FINANCIAL STATEMENTS

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated Ind AS financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated cashflows and consolidated statement of changes in equity of the Group including its associates in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and of its associates and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group and of its associates are responsible for assessing the ability of the Group and of its associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so. Those respective Board of Directors of the companies included in the Group and of its associates are also responsible for overseeing the financial reporting process of the Group and of its associates.

AUDITOR'S RESPONSIBILITIES FOR THE AUDIT OF THE CONSOLIDATED IND AS FINANCIAL STATEMENTS.

Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material

if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary Companies which are companies incorporated in India has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associates to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the consolidated Ind AS financial statements, including the disclosures, and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associates of which we are the independent auditors and whose financial information we have audited, to express an opinion on the consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities included in the consolidated financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated Ind AS financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements for the financial year ended March 31, 2019 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.
