IV. Other Information:

Reason of Loss or inadequate profits

The depressed Ferro Alloys market due to recession in all major Global Economies has impacted the demand and net realization of the Company's products. The adverse movement in the foreign currency has also impacted the Company's liability on account of raw material procurement. Administered price increase for energy including power, coal and fuel has also added to the cost structure which could not be passed to the consumers in depressed business environment. The Company has incurred losses and has been facing liquidity crunch resulting into fall in capacity utilization and also from the prolonged shutdown of Haldia Unit.

Steps taken or proposed to be taken for improvement

The Company has undertaken several steps to lowering the overheads and aligning resources with current level of operations. The Company is focusing on cost competitiveness. The Company was brought under the Corporate Debt Restructuring (CDR) Scheme for nursing it to profitability earlier but the improvements were not marked. As a corrective action plan, the lenders then invoked Strategic Debt Restructuring (SDR) with reference date of 30th November, 2015 which was also withdrawn by the Lenders. The Lenders also made efforts for change in Management after identification of acquirer, however that also was subsequently withdrawn. The Management is trying its best to improve current financial position.

Expected Increase in productivity and profits in measurable terms

The management has adopted focused and aggressive business strategies to improve the sales and profitability of the Company. Considering the present sign of improvement in overall business environment, the Company is expecting an increase in its revenue and to make it profitable. The productivity and profits of the Company are uncertain so its value in measurable terms is not predictable.

Disclosures

The detail of remuneration and other information is given as above. The requisite details of all elements remuneration, service contracts, notice period, stock option etc and all other information of all the Directors shall be included in the Corporate Governance Report, forming part of the Annual Report of the Company for the financial year 2018-19.

Pursuant to the provisions of Section 139 of the Act and the rules framed there under, M/s. R. Kothari & Co., Chartered Accountants (FRN:307069E), were appointed as Statutory Auditors of the Company from conclusion of the 15th AGM held in the year 2015 until the conclusion of the Nineteenth (19th) AGM of the Company.

Based on recommendation of Audit Committee, the Board had re-appointed M/s. R. Kothari & Co, Chartered Accountants in their meeting held on 14th August, 2019 for a further period of 1 years at a remuneration of ₹ 8.00 lacs per annum subject to approval of the shareholders in ensuing Annual General Meeting.

Further, the Company has received consent and a certificate from M/s. R. Kothari & Co, Chartered Accountants confirming their eligibility to continue as Auditors of the Company in terms of the provisions of Section 141 of the Companies Act, 2013 and the Rules framed there under. They have also confirmed that they hold a valid Peer Review Certificate as prescribed under Regulation 33(1)(d) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Observations of the Auditors M/s. R. Kothari & Co, Chartered Accountants, on Standalone Financial Results for the Year ended 31st March, 2019 have been dealt with hereunder:

We draw your attention to Note no.44 of the accompanying financial statements regarding non provision of interest expenses on the borrowing of the Company amounting to ₹ 25,357 Lacs for year ended 31st March, 2019 (cumulative non provision of ₹ 86,546 Lacs) and penal interest and charges thereof (amount remaining unascertained) which is not in accordance with the requirements of Ind AS 23 and Borrowing Costs read with Ind AS 109.

Further, the Company has not provided accrued interest in its books of accounts during the year. The unprovided liability in respect of interest on Borrowings amounted to ₹ 25,357 Lacs for the year under review. The same have consequential impact on the reported figures of this year. Had the aforesaid interest expense been recognized the finance cost would have been ₹ 30,367 Lacs instead reported amount of ₹ 5,010 Lacs for the year under review. The total expenses for the year end 31st March, 2019 would have been ₹ 1,33,519. The Net loss after tax for the year ended 31st March, 2019 would have been ₹ 53,200 Lacs instead of reported amount of ₹ 27,843 Lacs. Total comprehensive Loss for the year ended 31st March, 2019 would have been ₹ 53,215 Lacs instead reported amount of ₹ 27,858 Lacs. Other Equity as on 31st March, 2019 would have been ₹ (2,19,250) Lacs against reported amount of ₹ (1,32,704) Lacs and other current financial liability would have been ₹ 1, 61,495 Lacs instead of reported amount of ₹ 74,949 Lacs as on date.

The Board of Directors comments on the above observations are:

The lenders have stopped charging interest on debts, since the dues from the company have been categorised as Non Performing Asset. The company is in active discussion/ negotiation with it lenders to restructure its debt at a sustainable level. In view of the above, pending finalization of the restructuring plan, the company has not provided accrued interest in its books during the year as the account has been declared Non Performing Asset (NPA) by the respective lenders. The amount of interest not so provided for the quarter ended 31st March, 2019 stands at ₹ 6,656 Lacs and for the twelve months ended 31st March, 2019 at ₹ 25,357 Lacs.

Observations of the Auditors M/s. R. Kothari & Co, Chartered Accountants, on Consolidated Financial Statement of the Company have been dealt with hereunder:

We draw your attention to Note No. 41 of the accompanying statement with regard to non-recognition of interest expense amounting to ₹ 25,670 Lacs on the borrowings of the group for the year ended 31st March, 2019 (cumulative non provision of ₹ 87,119 till 31st March, 2019) and penal interest and charges thereof (amount remaining unascertained) which is not in accordance with the requirements of Ind AS 23: Borrowing Cost read with Ind AS 109: Financial Instruments.

Had the aforesaid interest expenses been recognized, the finance cost for the year ended 31st march, 2019 would have been ₹ 30,680 Lacs instead of reported amount of ₹ 5,010 Lacs. Total expenses for the year ended 31st March, 2019 would have been ₹ 1,34,972 lakhs instead of reported amount of ₹ 1,09,302 Lacs. Net loss after tax for the year ended 31st March, 2019 would have been ₹ 45,344 Lacs instead of reported amount of ₹ 19,674 Lacs. Total comprehensive losses for the year ended 31st March, 2019 would have been ₹ 48,192 lakhs instead of reported amount of ₹ 22,522 Lacs. Other Equity would have been ₹ (2,25,393) Lacs instead of reported amount of ₹ (1,38,274) Lacs. Other current financial liability would have been ₹ 1,65,809 Lacs instead of reported amount of ₹ 78,690 Lacs.

The unprovided liability in respect of interest on long term and short term borrowings as on 31st March, 2019 amounted to ₹ 25,670 Lacs. The same have consequential impact on the reported figures of current financial year as well as earlier periods on finance cost, total expenses, total comprehensive loss etc.

The Board of Directors comments are:

The lenders have stopped charging interest on debts, since the dues from the company have been categorised as Non-Performing Asset. The company is in active discussion/negotiation with it lenders to restructure its debt at a sustainable level. In view of the

Directors' Report

above, pending finalization of the restructuring plan, the company has not provided accrued interest in its books during the year as the account has been declared NPA by the respective lenders.

SECRETARIAL AUDIT REPORT**

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2019

(Pursuant to Section 204 (1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014)

To,
The Members,
M/s. Rohit Ferro-Tech Limited
35, Chittaranjan Avenue,
Kolkata – 700 012

1. We have conducted the Secretarial Audit of M/s. Rohit Ferro-Tech Limited having its registered office at 35, Chittaranjan Avenue, Kolkata – 700012 and (hereinafter called “The Company”), for the Financial Year ended on 31st March, 2019 (“the period under review”). The aforesaid Secretarial Audit has been conducted pursuant to the provisions of Section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, read with the Guidance Note on Secretarial Audit (Release-1.2) of The Institute of Company Secretaries of India, in a manner that provided us a reasonable basis for evaluating the corporate conduct and the process of statutory compliances under various statutes, rules, regulations, guidelines, as indicated herein below in the instant report and as such expressing my opinion thereon.
2. Based on our verification of the Company’s books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period covering the Financial Year ended on 31st March, 2019 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.
3. We have examined the secretarial compliance based on the books, papers, minute books, forms and returns filed and other records maintained by the Company for the Financial Year ended on 31st March, 2019 and as shown to us during our audit, according to the provisions of the following laws:
 - (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
 - (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
 - (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
 - (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment;
 - (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015.
 - c. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - d. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993;
 - e. The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015
 - (vi) Other than the fiscal, labour and environmental laws, which are generally applicable to all manufacturing, trading companies, there is no such law that applies specifically to the Company. The examination and reporting of these laws and rules are limited to whether there are adequate systems and processes in place to monitor and ensure compliance with those laws.
 - (vii) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act') were not applicable to the Company during the period under review:-
 - a. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009;
 - b. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998;

Annexure to the Directors' Report

- c. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
 - d. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008.
4. We have also examined compliance of Secretarial Standards (SS 1 and SS 2) issued by the Institute of Company Secretaries of India.
 5. During the period under review, the Company has complied with the provisions of the Acts, Rules, Regulations, Standards, etc. mentioned above except to the extent as mentioned below:
 - It has been observed that the Company has defaulted in the payment of statutory dues within the prescribed time.
 6. We further report to the best of our understanding that,
 - a) The Board of Directors of the Company is duly constituted as per the provision of Companies Act, 2013 and Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, for the time being. The changes in the Board of Directors during the period under review is fully complied.
 - b) Adequate notice is given to all Directors for the Board and Committee Meetings. Agenda and notes on agenda were sent in advance, and further information and clarifications on the agenda items were provided for meaningful participation at the meeting.
 - c) All decisions at Board Meetings and Committee Meetings are carried out unanimously, as recorded in the minutes of the Meetings of the Board of Directors or Committee of the Board, as the case may be.

We further report that during the year under audit:

1. The accumulated losses of the Company have eroded the entire net worth of the Company indicating the uncertainty about the Company's ability to continue on a Going Concern basis.
2. SEBI vide its circular dated 7th August, 2017 declares 331 companies as Shell company including company without giving any notice and information. Subsequently the both Stock exchanges i.e. NSE and BSE had restricted the trading of the Security of the Company on instruction of SEBI on account of suspect of a Shell Company w.e.f. 8th August, 2017. However, both NSE and BSE has withdrawn the restrictions on the trading of the Security of the Company vide letter dated 31.01.2018 subject to certain audit to be conducted by the NSE in consultation with SEBI. NSE vide its communication dated July 12, 2019 informed us that SEBI had revoked all the actions/ directions/ order/ limitations issued by them in its letter dated August 7, 2017 against the Company. No other strictures or penalty were imposed on the Company by Stock Exchanges or SEBI or any Statutory Authority, on any matter related to capital markets during the last three years.
3. In compliance with the provisions of Sections 124 and 125 of the Companies Act, 2013 read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 ('IEPF Rules') as amended from time to time, the Company has transferred 36923 Equity Shares during the year under review in respect of shares on which dividends remained unpaid or unclaimed for a period of seven consecutive years or more, to the Demat Account of IEPF Authority maintained with National Securities Depository Limited (NSDL).

We further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable Laws, Rules, Regulations and Guidelines.

It is stated that the compliance of all the applicable provisions of the Companies Act, 2013 and other laws is the responsibility of the management. We have relied on the representation made by the Company and its Officers for systems and mechanism set-up by the Company for compliance under applicable laws. Our examination, on a test-check basis, was limited to procedures followed by the Company for ensuring the compliance with the said provisions. We state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted its affairs. We further state that this is neither an audit nor an expression of opinion on the financial activities / statements of the Company. Moreover, we have not covered any matter related to any other law which may be applicable to the Company except the aforementioned corporate laws of the Union of India.

Management Discussion and Analysis Report

Economic Overview

Global growth of economy was remained steady at 3.6 % in 2018 and growth is expected to remain steady for the coming years.

The India's GDP growth for Financial year 2019-20 is expected to be 6%, boosted by conducive policy reforms and a credit rebound. The nation is currently experiencing a favourable phase of growth based on strong macro fundamentals of the economy, making growth prospects sustainable. Growth is expected to pick up in the second half of 2019. India also has an opportunity to strengthen its recent economic gains by initiating more integration in the global value chain. Factors such as a young working population, improving business climate and renewed focus on export expansion would support this opportunity.

Ferro Alloys Industry

Ferro chrome is an alloy of chrome and iron which is primarily used in manufacturing stainless steel.

Ferro-alloys are critical additives in the production of Iron & Steel and the fortune of Ferro Alloys Industry is directly linked with the growth of Iron & Steel Industry. The Company produces Ferro chrome and Manganese based alloys.

Indian Ferro Chrome Industry

The Indian Ferro chrome production is gradually on increasing track in the Year 2019 as compared to the growth of the Year 2018. The country's exports of annual Ferro chrome is also showing a gradual and significant value.

The demand for Ferro Chrome is expected to remain on increasing trend in the near future. Due to slowly revival of world economy high demand of infrastructure projects are expected to raise demand for Stainless Steel and Ferro Chrome.

The industry is expected to see substantial consolidations which will drive market discipline and cut down inefficiencies in the production capacity. India holds a lot of promise with government initiatives easing mining operations for consolidated Ferro Alloys producers

Steel Industry

The growth in the Indian steel sector has been driven by domestic availability of raw materials such as iron ore and cost-effective labour.

Government of India's focus on infrastructure and undertaking road projects is aiding the boost in demand for steel.

Stainless Steel Industry

India's per capita consumption for stainless steel products is continue to be below the world average which may cause a massive unrealised potential for steel demand growth. There is an ongoing thrust for infrastructure development which will further boost the demand for stainless steel in the country. The growth in the Indian steel sector has been driven by domestic availability of raw materials such as iron ore and cost-effective labour. Moreover, growing urbanisation and disposable income will also enhance demand of stainless steel. Consequently, the steel sector has been a major contributor to India's manufacturing output.

Outlook

The steel sector has been a major contributor to India's manufacturing output which in turn depends on increase in automotive production and the development of construction sector.

The proportion of use of Ferro chrome depends upon the grade of stainless steel being produced which can be upto 30% of the total input of production. The demand for Ferro chrome is expected to increase gradually in future. Rising investment in the infrastructure and real estate sectors and increase in number of construction activities are promising a slow but gradually demand for stainless steel products.

Rohit Ferro is the one of the significant manufactures Ferro chrome in Eastern India. The Company currently operates two manufacturing complexes at Jajpur in Odisha and Bishnupur in west Bengal and has an integrated management system that encompasses quality, environment and occupational health and safety certification.

Details of Significant change in Key Financial Ratio:

The significant changes in the financial ratios of the Company, which are more than 25% as Compared to the previous year are summarised below:

Ratio	F.Y.2018-19	F.Y. 2017-18	Change (%)	Reason for change

Current Ratio (X)	0.31	0.41	(25.37)	Decrease in trade receivables, Loans and Advances and increase in current borrowings

Management Discussion and Analysis Report

Ratio	F.Y.2018-19	F.Y. 2017-18	Change (%)	Reason for change
Interest Coverage Ratio (X)	(2.70)	(5.37)	49.69	Increase in sales realisation and cost control
Debtors Turnover Ratio (X)	1.91	1.29	48.57	Provisioning of debtors, Increase in realisation and turnover
Inventory Turnover Ratio (X)	8.34	3.00	177.78	Lower stock level maintained and Just-In-Time approach

Risk, Opportunities and Threats

The Company manufactures ferro alloys as well as stainless steel. In Financial Year 2018-19 the overall growth of stainless steel business was satisfactory with slower increase in demand. Though increase of demand in year under review was satisfactory, the business was severely impacted by the increase in cost of raw material and oversupply by China. The domestic consumption of steel is likely to increase 2019-20 due to Government initiatives like make in India, building Smart Cities, focus on sanitation facilities, and development in areas of roads and railways etc.

Further, the electrical energy is one of the major inputs in production of ferro alloys and high power tariff is a great threat for the Ferro alloys industry. High power cost has already impacted us severely and that led to suspension of our plant at Haldia since 1st July, 2015.

The Company has a Risk Management framework in place which is designed to identify, assess and monitor various risks related to key business and strategic objectives. All identified risks are categorised based on a matrix of likelihood of occurrence and impact thereof and a mitigation plan is worked out to extent possible

The government has already initiated so many steps for the betterment of Indian economy and has also undertaken two large initiatives viz. putting more money into the rural economy especially after demonetisation and putting a renewed focus on infrastructure development and this would certainly enable the ferro alloys and steel producers to survive and grow in the markets.

Segment-wise performance

Ferro Alloys

During the year under review the Company has produced 63749 MT of Ferro Alloys against 57150 MT of Ferro Alloys in previous year registering an increase of 11.55% over previous year.

Iron & Steel

During the year under review, the Company has produced 57818 MT of Stainless Steel against 48205 MT in previous year registering an increase of 19.94% over previous year.

The secondary segment details identified as the geographical segment based on the location of customers within India and outside India is given in notes no. 37 to the Annual Accounts.

Health, Safety and Environment

The Company is committed to conducting its activities in a manner that promotes the health and safety of its employees, assets and the public, as well as protection of the environment. The Company's Integrated Management System comprises of quality, environment and occupational health and safety certification. New employees are being given intensive safety induction training and are being issued with "Safety Passports" related to their work area. All the statutory requirements related to safety, health and environment are being complied with.

Requirements of environmental acts and regulations are complied with. Monitoring and analysis of water, stack emissions and ambient air quality etc., are undertaken periodically to verify whether the level of environmental parameters are maintained and are well within the specified limits.

Internal Controls Systems and their adequacy

Your Company maintains adequate Internal Control Systems in all areas of operation. Services of Internal and External Auditors are utilized from time to time, as also in-house expertise and resources. The Company continuously upgrade these systems in line with the best available practices. An independent Audit Committee of the Board reviews the adequacy of Internal Control. Some significant features of Internal Control Systems are :

- Adequate documentation of policies, guidelines, authorities and approval procedures covering all important functions.
- Deployment of an ERP system which covers most operations and is supported by a defined on-line authorisation protocol.
- Ensuring complete compliance with laws, regulations, standards, and internal procedures and systems.

Management Discussion and Analysis Report

- Ensuring the integrity of the accounting system; the properly authorised recording and reporting of all transactions.
- Ensuring a reliability of all financial and operational information.

The Company has an Audit Committee with majority of independent directors as members. The committee periodically reviews significant audit findings, adequacy of internal control and compliance with Accounting Standards, amongst others. The Internal Audit Reports are placed before the Audit Committee for consideration. The management duly considers and takes appropriate action on the recommendations made by the Statutory Auditors, Internal Auditors and the independent Audit Committee of the Board of Directors. The Company also takes quarterly compliance certificate in respect of various applicable laws from the concerned departmental heads and place the same before the board.

Industrial relations and Human Resources

Human Resource management is not only important but also a critical asset for a Company's growth. The Company's human capital comprises a prudent mix of youth and experience. The Company employs contract labour in its manufacturing facilities. The Company partners with its employees to ensure a highly engaged and motivated workforce dedicated to achieving the Company's goals. We ensure a safe work environment for all our women employees. We also promote gender equality. Abiding by the Sexual Harassment Policy, we have a Complaint Committee which addresses any complaint from women employees in this relation and take necessary action. The Policy is being reframed as per the provision of Sexual Harassment of Women at the Work Place (Prevention, Prohibition & Redressal) Act, 2013. During the year the Company has not received any complaints of sexual harassment. As on date of this report, the Company has 339 employees on its payroll.

Cautionary Statement

Certain statements in the Management Discussion and Analysis Report describing the Company's objective and predictions may be "forward-looking statements" within the meaning of applicable laws and regulations. Actual results may vary significantly from the forward looking statements contained in this document due to various risks and uncertainties. These risks and uncertainties include the effect of economic and political conditions in India, volatility in interest rates new regulations and government policies that may impact the Company's business as well as its ability to implement the strategy. The Company doesn't undertake to update the statements.

Corporate Governance Report

COMPANY'S PHILOSOPHY ON CORPORATE GOVERNANCE

AUDITORS' CERTIFICATE ON CORPORATE GOVERNANCE

To
The Members of
Rohit Ferro-Tech Limited

We have examined the compliance of conditions of Corporate Governance by Rohit Ferro-Tech Limited ('the Company'), for the year ended on 31st March, 2019, as stipulated in Chapter IV of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (Listing Regulations), of the said Company with Stock Exchanges.

The compliance of conditions of Corporate Governance is the responsibility of the management. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the Financial Statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Regulations, as applicable.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company.

Independent Auditors' Report

To
The Members of
M/s. Rohit Ferro-Tech Limited

Report on the Standalone Financial Statements

Qualified Opinion

We have audited the accompanying Standalone Financial Statements of **ROHIT FERRO-TECH LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, **except for the possible effect of the matter described in the basis for qualified opinion section of our report**, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March, 2019, the loss and total comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

*We draw your attention to **Note No. 45** of the accompanying standalone Financial Statements regarding non provision of interest expense on the borrowings of the Company amounting to ₹ 25,357 Lacs for the year ended 31st March, 2019 (cumulative non provision of ₹ 86,546 till 31.03.2019) and penal interest and charges thereof (amount remaining unascertained) which is not in accordance with the requirements of Ind AS 23: Borrowing Costs read with Ind AS 109: Financial Instruments.*

Had the aforesaid interest expense been recognized, the finance cost for the year ended 31st March, 2019 would have been ₹ 30,367 Lacs instead of reported amount of ₹ 5,010 Lacs. The total expenses for the year ended 31st March, 2019 would have been ₹ 1,33,519 Lacs instead of ₹ 1,08,162 Lacs. The Net Loss after tax for the year ended 31st March, 2019 would have been ₹ 53,200 Lacs instead of reported amount of ₹ 27,843 Lacs. Total comprehensive Loss for the year ended 31st March, 2019 would have been ₹ 53,215 Lacs instead of reported amount of ₹ 27,858 Lacs. Other equity as on 31st March, 2019 would have been ₹ 2,19,250 Lacs instead of reported amount of ₹ 1,32,704 Lacs and Other Current Financial Liability as on 31st March, 2019 would have been ₹ 1,61,495 Lacs instead of reported amount of ₹ 74,949 Lacs.

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Material Uncertainty Relating to Going Concern

*We draw your attention to **Note No. 44** of the financial statements regarding preparation of the financial statements on going concern basis, for the reason mentioned therein. The Company has incurred losses during the year ended 31.03.2019 and has accumulated losses as on 31st March, 2019. As on date the Company's current liabilities are substantially higher than its current assets and net worth has also been fully eroded. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the Company's ability to continue as going concern. The appropriateness of assumption of going concern is critically dependent upon the Company's ability to raise requisite finance, generation of cash flows in future to meet its obligation and to earn profit in future.*

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Independent Auditors' Report

Sl.	Key Audit Matter	How our audit addressed the key Audit Matter
1	<p>Accuracy of recognition, measurement, presentation and disclosures of revenues and other related balances in view of adoption of Ind AS 115 "Revenue from Contracts with Customers" (new revenue accounting (standard) w.e.f 01.04..2018</p> <p>The application of the new revenue accounting standard involves certain key judgements relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognized over a period.</p> <p>Additionally, new revenue accounting standard contains disclosures which involves collation of information in respect of disaggregated revenue and periods over which the remaining performance obligations will be satisfied subsequent to the balance sheet date.</p>	<p>Our audit procedures included the following:</p> <p>We have assessed the Company's process to identify the impact of adoption of the new revenue accounting standard. Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows :</p> <ul style="list-style-type: none"> • Evaluated the design of internal controls relating to recording of efforts incurred and estimation of efforts required to complete the performance obligations. • Selected a sample of contracts and through inspection of evidence of performance of these controls, tested the operating effectiveness of the internal controls relating to efforts incurred and estimated.
2	<p>Claim and exposure relating to taxation and litigation</p> <p>The Company has material uncertain tax positions including matters in respect of disputed claims/levies under various taxes and legal matters.</p> <p>The taxes and litigation exposures have been identified as key audit matter due to:</p> <ol style="list-style-type: none"> Litigation cases require significant judgement due to complexity of the case and involvement of various authorities. These involve significant management judgment to determine the possible outcome of the uncertain tax positions. 	<p>Our audit procedures included the following:</p> <p>Our audit procedures include the following substantive procedures:</p> <ul style="list-style-type: none"> • Obtained understanding of key uncertain tax positions; • We have reviewed and analysed key correspondences relating to dispute; • We have discussed the matter for key uncertain tax positions with appropriate senior management; • We have evaluated management's underlying key assumptions in estimating the tax provisions; and Assessed management's estimate of the possible outcome of the disputed cases;

Independent Auditors' Report

Emphasis of Matter

*As referred in **Note No. 34** of the Standalone Financial Statements, the balance of sundry debtors, advances, creditors etc. includes balances remaining outstanding for a substantial period. The balances are subject to confirmations and reconciliation. The reported financials might have consequential impact which remains unascertained.*

Our report is not modified in these matters.

Information other than the Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for other information. The other information comprises the information included in the Company's Annual Return but does not include the Standalone Financial Statements and our Auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of the Management for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 with respect to the preparation of these Standalone financial statements that give a true and fair view of the financial position and financial performance and cash flow of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate implementation and maintenance of accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of the material misstatement of the financial statement, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related

disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our Auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Financial Statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- I. As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government Of India in terms of sub-section(11) of Section 143 of the Companies Act, 2013, we give in the **Annexure A**, a Statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- II. As required by Section 143(3) of the Act, we report that:
 - a) ***Except for the possible effect of the matter described in the basis for qualified opinion section of our report, we have sought, and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.***
 - b) ***Except for the possible effect of the matter described in the basis for qualified opinion section of our report, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.***
 - c) The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the cash flow statement and the statement of changes in equity dealt with by this Report are in agreement with the books of accounts.
 - d) ***Except for the possible effect of the matter described in the basis for qualified opinion section of our report, in our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.***
 - e) ***The matter described in the basis for qualified opinion section of our report, may have adverse effect on the functioning of the Company.***
 - f) On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
 - g) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure B**".

- h) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended :

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

- i) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

a) The Company has disclosed the impact of pending litigations on the financial position in the Standalone Financial Statements. **Refer Note 32** to its standalone financial statements.

b) The Company did not have any long term contracts including derivative contracts for which there were any material foreseeable losses;

During the year, the Company has transferred an amount of ₹ **1.46 Lacs** to Investor Education and Protection Fund pertaining to unpaid dividend for the year 2010-11.

"Annexure A" to the Independent Auditors' Report

The Annexure A referred to in paragraph 1 under the heading 'Report on Other Legal & Regulatory Requirements' of our report of even date to the financial statements of the Company for the year ended March 31, 2019, we report that:

- (i) (a) The Company is maintaining proper records showing full particulars, including quantitative details and situation, of property, plant and equipment.
- (b) The Property, plant and equipment of the Company have been physically verified by the management during the year and no material discrepancies were noticed on such verification. In our opinion, the periodicity of physical verification is reasonable having regard to the size of the Company and nature of its assets.
- (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- (ii) The inventory has been physically verified by the management during the year at reasonable intervals. In our opinion the frequency of such verification is reasonable. The discrepancies noticed on verification between the physical stocks and the book records were not material having regard to the size of the operation of the Company and the same have been properly dealt with in the books of account.
- (iii) The Company has not granted any loans, secured or unsecured, to companies, firms, or other parties covered in the register maintained under section 189 of the Companies Act 2013. Therefore the reporting under Paragraph 3(iii) is not applicable to the Company.
- (iv) In our opinion and according to the information and explanation given to us, the Company has complied with the provisions of section 185 and 186 of the Companies Act, 2013 in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
- (v) The Company has not accepted any deposits from the public and consequently, the directives issued by Reserve Bank of India and provisions of Section 73 to Section 76 or any other relevant provisions of the Companies Act 2013 and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable to the Company.
- (vi) We have broadly reviewed the books of account maintained by the Company in respect of manufacture of Ferro alloys & Minerals and Iron & steel pursuant to the Rules made by the Central Government for the maintenance of cost records under Section 148(1) of the Companies Act, 2013, and we are of the opinion that prima facie, the records have been maintained. We have however not made a detailed examination of the records with a view to determining whether they are accurate and complete.
- (vii) (a) According to the information and explanation given to us and on the basis of our examination of the books of account, the Company has generally delayed in depositing undisputed statutory dues including Provident Fund, Income tax, sales tax, Service Tax, Duty of customs, value added tax, GST, cess and other statutory dues during the year with appropriate authorities.

According to the information and explanation given to us, no undisputed amounts payable in respect of the above were in arrears as at March 31, 2019 for a period of more than six months from the date on when they become payable except the following :

Statutory Liabilities unpaid for a period exceeding six months as on 31.03.2019

"Annexure B" to the Independent Auditors' Report

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of M/s. ROHIT FERRO-TECH LIMITED ("the Company") as of 31st March, 2019 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing issued by ICAI and prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk

"Annexure B" to the Independent Auditors' Report

that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Notes on Financial Statements for the year ended 31st March, 2019

1. Company Overview

Rohit Ferro-Tech Limited ("the Company") is a well-differentiated player in the Ferro Alloy manufacturing sector. Since its inception, the Company has come a long way to position itself as one of the leading producer of High Carbon Ferro Chrome. The company has accreditation like ISO 9001:2000, a Two Star Export House Status, award for Export Excellence by EEPC, Membership of ICDA (International Chrome Development Association), IMNI (International Manganese Institute) etc. The company is listed with the two major stock exchanges of India – National Stock Exchange of India and Bombay Stock Exchange Limited.

The Company is a public company incorporated in India on 7th April, 2000. The address of its registered office is 35, Chittaranjan Avenue, Kolkata - 700012.

2. Basis of preparation of Financial Statements

a) Statement of Compliance

These Financial Statements are prepared in accordance with the provisions of the Companies Act, 2013 ('Act') (to the extent notified) and Indian Accounting Standards (Ind AS) under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values. The Ind AS are prescribed under section 133 of the Act read with rule 3 of the Companies (Indian Accounting Standards) rules, 2015 (as amended).

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or a revision to an existing standard requires a change in the accounting policy hitherto in use.

b) Functional and presentation currency

The financial statements are presented in Indian Rupees ('₹') which is Company's presentation currency. The functional currency of the Company is also Indian Rupees ('₹').

c) Basis of measurement

The financial statements have been prepared on historical cost convention on the accrual basis, except for the following items:

- (i) Certain financial assets and financial liabilities measured at fair value;
- (ii) Employee's defined benefit plan as per actuarial valuation.

Fair value is the price that would be received on the sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions, regardless of whether that price is directly observable or estimated using another valuation technique. In determining the fair value of an asset or a liability, the Company takes into account the characteristics of the asset or liability if market participants would take those characteristics into account when pricing the asset or liability at the measurement date.

d) Use of judgments and estimates

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized prospectively.

Critical accounting judgements and key sources of estimation uncertainty: Key assumptions-

(i) Useful lives of Property, plant and equipment

The Company reviews the estimated useful lives and residual values of property, plant and equipment at the end of each reporting period. During the current Financial Year, the management determined that there were no changes to the useful lives and residual values of the property, plant and equipment.

(ii) Allowances for doubtful debts

The Company makes allowances for doubtful debts based on an assessment of the recoverability of trade and other receivables. The identification of doubtful debts requires use of judgement and estimates. Where the expectation is different from the original estimate, such difference will impact the carrying value of the trade and other receivables and doubtful debts expenses in the period in which such estimate has been changed.

(iii) Allowances for inventories

Management reviews the inventory age listing on a periodic basis. This review involves comparison of the carrying value of the aged inventory items with the respective net realisable value. The purpose is to ascertain whether an allowance is required to be made in the Financial Statements for any obsolete and slow-moving

Notes on Financial Statements for the year ended 31st March, 2019

items.

(iv) Fair value measurement of financial instruments

When the fair values of financial assets and financial liabilities recorded in the balance sheet cannot be measured based on quoted prices in active markets, their fair value is measured using certain valuation techniques. The inputs to these models are taken from observable markets where possible, but where this is not feasible, a degree of judgement is required in establishing fair values. Judgements include considerations of inputs such as liquidity risk, credit risk and volatility.

(v) Defined benefit plans

The cost of the defined benefit plan includes gratuity and the present value of the gratuity obligation are determined using actuarial valuations using projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

(vi) Recognition and measurement of provisions and contingencies

The certain key assumptions about the likelihood and magnitude of an outflow of resources. Provision is towards known contractual obligation, litigation cases and pending assessments in respect of taxes, duties and other levies, if any, in respect of which management believes that there are present obligations and the settlement of such obligations are expected to result in outflow of resources, to the extent provided for.

e) Measurement of fair values

A number of the Company's accounting policies and disclosures require the measurement of fair values, for both financial and non-financial assets and liabilities.

The Company has an established control framework with respect to the measurement of fair values. The management regularly reviews significant unobservable inputs and valuation adjustments.

Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

f) Recent Accounting Development: Standard issued but not yet effective Standard issued but not yet effective Ind AS 116 – “Leases”

Ind AS 116 Leases: On 30th March, 2019, Ministry of Corporate Affairs has notified Ind AS 116, Leases. Ind AS 116 will replace the existing leases Standard, Ind AS 17 Leases, and related Interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognise assets and liabilities for all leases with a term of more than twelve months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the Statement of Profit and Loss.

The Standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17.

The effective date for adoption of Ind AS 116 is annual periods beginning on or after 1st April, 2019. The Company is evaluating the impact of Ind AS 116 on the financial statements.

Amendment to Ind AS 12 – Income taxes

Amendment to Ind AS 12 – Income taxes : On 30th March, 2019, Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, 'Income Taxes', in connection with accounting for dividend distribution taxes. The amendment clarifies that an entity shall recognise the income tax consequences of dividends in profit or loss, other

Notes on Financial Statements for the year ended 31st March, 2019

comprehensive income or equity according to where the entity originally recognised those past transactions or events. Effective date for application of this amendment is annual period beginning on or after 1st April, 2019. The amendment is not likely to have any impact on the financial statements of the Company. There are no other amendments which have been notified, that are likely to have any material impact on the financial statements of the Company.

Amendment to Ind AS 19 – plan amendment, curtailment or settlement

Ministry of Corporate Affairs issued amendments to Ind AS 19, 'Employee Benefits', on 30th March 2019, in connection with accounting for plan amendments, curtailments and settlements. The Company does not have any impact on account of this amendment.

Ind AS 23 – Borrowing Costs

The amendments clarify that if any specific borrowing remains outstanding after the related asset is ready for its intended use or sale, that borrowing becomes part of the funds that an entity borrows generally when calculating the capitalisation rate on general borrowings. The Company does not expect any significant impact from this amendment.

Ind AS 103 – Business Combinations and Ind AS 111 – Joint Arrangements

The amendments to Ind AS 103 relating to re-measurement clarify that when an entity obtains control of a business that is a joint operation, it re-measures previously held interests in that business. The amendments to Ind AS 111 clarify that when an entity obtains joint control of a business that is a joint operation, the entity does not re-measure previously held interests in that business. This amendment is currently not applicable to the Company.

Ind AS 109 – Prepayment Features with Negative Compensation

The amendments relate to the existing requirements in Ind AS 109 regarding termination rights in order to allow measurement at amortised cost (or, depending on the business model, at fair value through other comprehensive income) even in the case of negative compensation payments. Company does not expect this amendment to have any impact on its standalone financial statements.

3. Significant accounting policies

a) Operating Cycle

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013 and Ind AS 1 – Presentation of Financial Statements based on the nature of products and the time between the acquisition of assets for processing and their realisation in cash and cash equivalents.

b) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

i. Financial Assets

Initial recognition and measurement

All financial assets are recognised initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Trade receivables are initially measured at transaction price. Regular way purchase and sale of financial assets are accounted for at trade date.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

- Amortised cost
- Fair value through other comprehensive income (FVTOCI)
- Fair value through profit or loss (FVTPL)

Financial assets are not reclassified subsequent to their initial recognition, except if and in the period the Company changes its business model for managing financial assets.

Financial assets at amortised cost

A financial asset is measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Notes on Financial Statements for the year ended 31st March, 2019

The effective interest rate (EIR) amortisation is included in finance income in the profit or loss.

Financial assets at FVTOCI

A financial asset is measured at FVTOCI if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Financial assets included within the FVTOCI category are measured initially as well as at each reporting date at fair value. Fair value movements are recognized in the other comprehensive income (OCI).

Financial assets at FVTPL

A financial asset which is not classified in any of the above categories are measured at FVTPL.

Financial assets included within the FVTPL category are measured at fair value with all changes recognised in the Statement of Profit & Loss.

Investment in Subsidiary

The Company has accounted for its investments in its subsidiary at cost/deemed cost.

Other equity investments

All other equity investments are measured at fair value, with value changes recognised in Statement of Profit and Loss, except for those equity investments for which the Company has elected to present the value changes in 'Other Comprehensive Income'.

Derecognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109.

ii. Financial liability

Initial recognition and measurement

Financial liabilities are initially recognised at fair value plus any transaction cost that are attributable to the acquisition of the financial liabilities except financial liabilities at fair value through profit or loss which are initially measured at fair value.

Subsequent measurement

For purposes of subsequent measurement, financial liabilities are classified in following categories:

- Financial liabilities through profit or loss (FVTPL)
- Financial liabilities at amortised cost

Financial liabilities through FVTPL

A financial liability is classified as at FVTPL if it is classified as held-for-trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss.

Financial liabilities at amortised cost

Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

Interest bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. Gains and losses are recognised in profit or loss when the liabilities are derecognised as well as through the EIR amortisation process. For trade and other payables maturing within one year from the balance sheet date, the carrying amounts approximates fair value due to the short maturity of these instruments.

Derivative financial instruments and Hedge Accounting

The Company uses various derivative financial instruments to mitigate the risk of changes in interest rates, exchange rates and commodity prices. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are also subsequently measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to Statement of Profit and Loss, except for the effective portion of cash flow hedges which is recognised in Other Comprehensive

Notes on Financial Statements for the year ended 31st March, 2019

Income and later to Statement of Profit and Loss when the hedged item affects profit or loss or treated as basis adjustment if a hedged forecast transaction subsequently results in the recognition of a non-financial assets or non-financial liability.

Cash flow hedge

The Company designates derivative contracts or non derivative financial assets / liabilities as hedging instruments to mitigate the risk of movement in interest rates and foreign exchange rates for foreign exchange exposure on highly probable future cash flows attributable to a recognised asset or liability or forecast cash transactions. When a derivative is designated as a cash flow hedging instrument, the effective portion of changes in the fair value of the derivative is recognized in the cash flow hedging reserve being part of other comprehensive income. Any ineffective portion of changes in the fair value of the derivative is recognized immediately in the Statement of Profit and Loss. If the hedging relationship no longer meets the criteria for hedge accounting, then hedge accounting is discontinued prospectively. If the hedging instrument expires or is sold, terminated or exercised, the cumulative gain or loss on the hedging instrument recognized in cash flow hedging reserve till the period the hedge was effective remains in cash flow hedging reserve until the underlying transaction occurs. The cumulative gain or loss previously recognized in the cash flow hedging reserve is transferred to the Statement of Profit and Loss upon the occurrence of the underlying transaction. If the forecasted transaction is no longer expected to occur, then the amount accumulated in cash flow hedging reserve is reclassified in the Statement of Profit and Loss.

Derecognition

A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

An exchange between an existing borrower and lender of debt instruments with substantially different terms shall be accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability. Similarly, a substantial modification of the terms of an existing financial liability or a part of it (whether or not attributable to the financial difficulty of the debtor) shall be accounted for as an extinguishment of the original financial liability and the recognition of a new financial liability.

The difference between the carrying amount of a financial liability (or part of a financial liability) extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, shall be recognised in profit or loss.

iii. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Company currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

c) Property, plant and equipment

i. Recognition and measurement

Items of property, plant and equipment are measured at cost, which includes capitalised borrowing costs, less accumulated depreciation and accumulated impairment losses, if any. The cost of an item of property, plant and equipment comprises its purchase price, including import duties and non-refundable purchase taxes, after deducting trade discounts and rebates, any directly attributable cost of bringing the item to its working condition for its intended use and estimated costs of dismantling and removing the item and restoring the site on which it is located. Borrowing costs directly attributable to the acquisition or construction of those qualifying property, plant and equipment, which necessarily take a substantial period of time to get ready for their intended use, are capitalised.

Property, plant & equipment is eliminated from the financial statements on disposal or when no further benefit is expected from its use and disposal. Any gain or loss on disposal of an item of property, plant and equipment is recognised in profit or loss. Cost of the tangible assets not ready for their intended use at the Balance Sheet date together with all related expenses are shown as Capital Work-in-Progress.

ii. Subsequent expenditure

Subsequent expenditure is capitalized only when it is probable that the future economic benefits associated with the expenditure will flow to the Company. Ongoing repairs and maintenance are expensed as incurred.

iii. Depreciation and amortisation

Depreciation and amortisation for the year is recognised in the Statement of Profit and Loss. Depreciation on Property, Plant & Equipment are provided on straight line method over the useful lives of assets, at the rates

Notes on Financial Statements for the year ended 31st March, 2019

and in the manner specified in Part C of Schedule II of the Act. The rates of depreciation as prescribed in Part C of Schedule II of the Act are considered as the minimum rates. Freehold land is not depreciated. Leasehold land (includes development cost) is amortised on a straight line basis over the period of respective lease, except land acquired on perpetual lease. Depreciation methods, useful lives and residual values are reviewed at each financial year end and adjusted as appropriate.

iv. Leases

Leases of property, plant and equipment that transfer to the Company substantially all the risks and rewards of ownership are classified as finance leases. The leased assets are measured initially at an amount equal to the lower of their fair value and the present value of the minimum lease payments. The minimum lease payments are apportioned between finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised in the Statement of Profit and Loss. Assets held under leases that do not transfer to the Company substantially all the risks and rewards of ownership (i.e. operating leases) are not recognised in the Company's Balance Sheet. Payments made under operating leases are recognized in the Statement of Profit or Loss on a straight-line basis over the term of the lease unless the payments to the lessor are structured to increase in line with general inflation.

d) Inventories

Inventories are valued at lower of cost and net realisable value. Cost of inventories comprises material cost on FIFO basis, labour and manufacturing overheads incurred in bringing the inventories to their present location and condition. Cost of finished goods includes excise duty. The cost of Work-In-Progress and finished goods includes the cost of labour, material and a proportion of manufacturing overheads.

e) Impairment

i. Impairment of financial instruments: financial assets

Expected credit losses are recognized for all financial assets subsequent to initial recognition other than financial assets in FVTPL category.

For financial assets other than trade receivables, as per Ind AS 109, the Company recognises 12 month expected credit losses for all originated or acquired financial assets if at the reporting date the credit risk of the financial asset has not increased significantly since its initial recognition. The expected credit losses are measured as lifetime expected credit losses if the credit risk on financial asset increases significantly since its initial recognition. The Company's trade receivables do not contain significant financing component and loss allowance on trade receivables is measured at an amount equal to life time expected losses i.e. expected cash shortfall.

The impairment losses and reversals are recognised in Statement of Profit and Loss.

ii. Impairment of non-financial assets

The Company's non-financial assets are reviewed at each reporting date to determine whether there is any indication of impairment. For impairment testing, assets that do not generate independent cash inflows are grouped together into cash-generating units (CGUs). Each CGU represents the smallest Company of assets that generates cash inflows that are largely independent of the cash inflows of other assets or CGUs. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

f) Foreign Currency Transactions

(a) Initial Recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Notes on Financial Statements for the year ended 31st March, 2019

(b) Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in foreign currency are reported using the exchange rate at the date of the transaction.

(c) Exchange Differences

Exchange differences arising on the settlement of monetary items are recognised as income or as expense in the year in which they arise.

(d) Forward Exchange Contracts

Forward Exchange Contracts outstanding as at the year end on account of firm commitment transactions are translated at period end exchange rates and the resultant gains and losses as well as the gains and losses on cancellation of such contracts are recognised in the Statement of Profit and Loss.

g) Government grants

Government grants are recognized where there is reasonable assurance that the grant will be received and all attached conditions will be complied with. When the grant relates to an expense item, it is recognized as income on a systematic basis over the periods that the related costs, for which it is intended to compensate, are expensed. When the grant relates to an asset, it is recognized as income in equal amounts over the expected useful life of the related asset.

h) Employee Benefits

i. Short-term employee benefits

The undiscounted amount of short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

ii. Defined contribution plans

Contributions as per the Employees' Provident Funds and Miscellaneous Provisions Act, 1952 towards provident fund and family pension fund are charged to the Statement of Profit and Loss for the year when the contributions to the respective funds are due. There is no other obligation other than the contribution payable to the respective funds.

iii. Defined benefit plans

The Company has an Employees Gratuity Fund managed by the Life Insurance Corporation of India.

The liability in respect of gratuity and other post-employment benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

Re-measurement of defined benefit plans in respect of post-employment are charged to the Other Comprehensive Income.

Short-Term Compensated Absences are provided for based on estimates.

i) Provisions (other than for employee benefits)

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

j) Revenue Recognition

i) Revenue is recognised to the extent it is probable that the economic benefits will flow to the company and the revenue can be reliably measured, regardless of when the payment is being made. Revenue is measured at the fair value of the consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duties collected on behalf of the government. Revenue from sales of goods is recognised when all significant risks and rewards of ownership of goods are transferred to the customer, which generally coincides with delivery.

ii) Revenue from rendering of services is recognised in the periods in which the services are rendered.

Notes on Financial Statements for the year ended 31st March, 2019

- iii) Export entitlements in the form of Duty Drawback and MEIS scheme are recognised in the Statement of Profit and Loss Account when right to receive credit as per the terms of the scheme is established in respect of exports made and when there is no significant uncertainty regarding the ultimate collection of the relevant exports proceeds.
- iv) Interest Income is recognised using the effective interest rate method. Dividend Income is recognised only when the right to receive payment is established, provided it is probable that the economic benefits associated with the dividend will flow to the Group, and the amount of the dividend can be measured reliably.
- k) **Recognition of interest income or expense**

Interest income or expense is recognised using the effective interest method.
- l) **Income tax**

Income tax expense comprises of current and deferred tax. Current tax and deferred tax is recognized in the statement of profit or loss except to the extent that it relates to a business combination, or items recognized directly in equity or in OCI.

 - i. **Current tax**

Current tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities, based on tax rates and laws that are enacted or substantively enacted at the Balance sheet date.
 - ii. **Deferred tax**

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period. The carrying amount of Deferred tax liabilities and assets are reviewed at the end of each reporting period.
- m) **Research and Development Expenses**

Revenue expenditure on Research and Development is charged as an expense through the normal heads of account in the year in which the same is incurred. Capital expenditure incurred on equipment and facilities that are acquired for research and development activities is capitalised and is depreciated according to the policies followed by the Company.
- n) **Borrowing costs**

Borrowing costs are interest and other costs incurred in connection with the borrowing of funds. Borrowing costs directly attributable to acquisition or construction of an asset which necessarily take a substantial period of time to get ready for their intended use are capitalised as part of the cost of that asset. Other borrowing costs are recognised as an expense in the period in which they are incurred.

Where there is an unrealised exchange loss which is treated as an adjustment to interest and subsequently there is a realised or unrealised gain in respect of the settlement or translation of the same borrowing, the gain to the extent of the loss previously recognised as an adjustment is recognised as an adjustment to interest.
- o) **Earnings per Share**

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the period.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.
- p) **Expenditure on new projects & substantial expansion**

Preliminary project expenditure, capital expenditure, indirect expenditure incidental and related to construction/ implementation, interest on term loans to finance fixed assets and expenditure on start-up of the project are capitalised upto the date of commissioning of project to the cost of the respective assets.

30 CORPORATE DEBT RESTRUCTURING

During the year 2013-14, at the request of the Company, the Corporate Debt Restructuring Proposal (CDR Proposal) was referred to CDR Empowered Group (CDR EG) by the consortium of lenders led by State Bank of India (SBI). The CDR Proposal as recommended by SBI was approved by CDR EG on 24th March, 2014 and communicated vide Letter of Approval dated 28th March, 2014, as amended / modified from time to time. Under CDR package, the Company's debts were restructured / rescheduled and additional credit facilities have been sanctioned as set out in the said Letter of Approval. The cut off date for CDR package was 30th September, 2013 and upon implementation, the financial effect thereof has been duly taken into accounts.

The CDR Package includes reliefs / measures such as reduction in interest rates, funding of interest, rearrangement of securities etc. The key features of the CDR Proposal are as follows:

- (i) Repayment of Rupee Term Loans (RTL) (except term loan for Captive Power Plant of the Company) after moratorium of 2 years from the cut-off date in 32 structured quarterly installments commencing from 31st December, 2015 to 30th September, 2023.
- (ii) Repayment of Rupee Term Loans for Captive Power Plant of the Company after moratorium of 2 years from the cut-off date in 38 structured quarterly installments commencing from 31st December, 2015 to 31st March, 2025.
- (iii) Conversion of various irregular/outstanding/devolved financial facilities into Working Capital Term Loan ('WCTL'). Repayment of WCTL after moratorium period of 2 years from cut-off date in 32 structured quarterly installments commencing from 31st December, 2015 to 30th September, 2023.
- (iv) Restructuring of existing fund based and non fund based financial facilities.
- (v) Interest on RTL and WCTL during the moratorium period of 2 years from cut-off date and interest on Cash Credit limit for a period of 9 months from the cut-off date shall be converted to FITL. Repayment of FITL would be done in 18 equal quarterly installments commencing from 31st December, 2015 to 31st March, 2020.
- (vi) The rate of interest on RTL, WCTL, FITL and Fund Based Working Capital Facilities shall be 11% (linked to the base rate of SBI) with the right to reset the rate of the Term loan(s) and FITL every year with the approval of CDR-EG.
- (vii) Waiver of penal interest for irregularities in the Cash Credit accounts for the period from cut-off date to the date of implementation of the package.
- (viii) Contribution of ₹ 5,664 lacs in the Company by the promoters in lieu of bank sacrifices and ₹ 8,577 lacs to meet the additional cost over run towards the Captive Power plant project of the Company. The contribution is to be brought initially in the form of unsecured loan by 30th September, 2014 and the same is to be converted into equity by 30th June, 2015.
- (ix) The CDR Package as well as the provisions of the Master Circular on Corporate Debt Restructuring issued by the Reserve Bank of India, gives a right to the CDR Lenders to get a recompense of their waivers and sacrifices made as part of the CDR Proposal. The recompense payable by the Company is contingent on various factors, the outcome of which currently is materially uncertain and hence the proportionate amount payable as recompense has been treated as a contingent liability. The aggregate present value of the outstanding sacrifice made/ to be made by CDR Lenders as per the CDR package is approximately ₹ 69,987 lacs.

36 EMPLOYEE BENEFITS

a. Defined benefits - Gratuity

The Company's gratuity benefit scheme for its employees in India is a defined benefit plan (unfunded).

The Company provides for gratuity from employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of 5 years are eligible for gratuity. The amount of gratuity payable on retirement/ termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of completed service.

The present value of obligation is determined based on the actuarial valuation using the Projected Unit Credit Method as on 31st March, 2019 which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation. The Company's gratuity expense is recognized under the head – "Employee Benefit Expense" in Note 27.

These defined benefit plans expose the Company to actuarial risks, such as interest rate risk, liquidity risk, salary escalation risk and regulatory risk.

37 OPERATING SEGMENTS

A. Basis of segmentation

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Company's other components, and for which discrete financial information is available. All operating segments' operating results are reviewed regularly by the Company's management to make decisions about resources to be allocated to the segments and assess their performance.

The Company has two reportable segments, as described below, which is the Company's strategic business units. These business units are managed separately because they require different technology and marketing strategies. For these business units, the Company's management reviews internal reports on at least a quarterly basis.

The following summary describes the operations in each of the Company's reportable segments:

Reportable segment	Operations
Ferro Alloys and Minerals	Manufacturing
Iron and Steel	Manufacturing

B. Information about reportable segments

Information regarding the results of each reportable segment is included below. Performance is measured based on segment profit (before tax), as included in the internal management reports that are reviewed by the Company's CEO. Segment profit is used to measure performance as management believes that such information is the most relevant in evaluating the results of certain segments relative to other entities that operate within these industries. Inter-segment pricing is determined on an arm's length basis.

42 The most of the lenders had communicated to go for change in management by indentifying an investor who will acquire the shares held by the promoters in RFTL. A Deed of Undertaking had been executed by RFTL and its promoters in this regard. On Execution of the Deed of Undertaking, the Lenders had invited bids from prospective investors by way of sale of equity stake held by the promoters of the Company and the same was in process. The matter has since been dismissed off by the Honourable High Court in view of the revocation of the letter of intent for change in management by the Bank.

43 The Company's Factory at Haldia (West Bengal) is suspended since 1st July, 2015 on account of depressed domestic and global market conditions in steel industry and excess procurement cost of Electricity. Robbery/Damages to certain properties had occurred in the year 2016-17 and the Company had filed insurance claim of ₹ 2,603 Lacs which is under process and additionally the Company has also filed an application in the consumer forum for expediting the insurance claim process. Pending claim settlement, the financial impact of such insurance claim (Burglary/Robbery) on the reported financial year remains unascertained and unquantified.

44 The operation of the Company was severely impacted by weak steel industry scenario and lack of demand for Company's finished products. The Company has incurred loss of ₹ 27,859 Lacs for the year ended 31st March, 2019 and accumulated loss as on 31st March, 2019 is ₹ 1,75,685 Lacs which is in excess of the entire net worth of the Company. The Company has continuous support from the promoters and has put in place measures for revival and cost reduction. Considering the initiative of the Company and given the emerging scenario of steel industry in India, the management is of the view

48.2 Fair value measurement

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchange in a current transaction between willing parties, other than in forced or liquidation sale.

The Company has established the following fair value hierarchy that categories the value into 3 levels. The inputs to valuation techniques used to measure fair value of financial instruments are:

Level 1: The hierarchy uses quoted (adjusted) prices in active markets for identical assets or liabilities. The fair value of all bonds which are traded in the stock exchanges is valued using the closing price or dealer quotations as at the reporting date.

Level 2: The fair value of financial instruments that are not traded in an active market (for example traded bonds, over the counter derivatives) is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on company specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in Level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in Level 3.

48.3 Financial risk management

The Company has exposure to the following risks arising from financial instruments:

- (i) Credit risk
- (ii) Liquidity risk
- (iii) Market risk

Risk management framework

The Company's principal financial liabilities comprises of borrowings, and trade and other payables. The main purpose of these financial liabilities is to finance the Company operations. The Company's principal financial assets include trade and other receivables, investments and cash and cash equivalents that derive directly from its operations.

Notes on Financial Statements for the year ended 31st March, 2019

NOTE - 48.3 Financial risk management (Contd.)

The Company's activities expose it to a variety of financial risks, including market risk, credit risk and liquidity risk. The Company's primary risk management focus is to minimise potential adverse effects of market risk on its financial performance. The Company uses derivative financial instruments to mitigate foreign exchange related risk exposures. The Company's exposure to credit risk is influenced mainly by the individual characteristic of each customer and the concentration of risk from the top few customers. The Company's risk management assessment and policies and processes are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls, and to monitor such risks and compliance with the same. Risk assessment and management policies and processes are reviewed regularly to reflect changes in market conditions and the Company's activities.

This note presents information about the Company's exposure to each of the above risks, the Company's objectives, policies and processes for measuring and managing risk.

(i) Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and loans. In addition, credit risk arises from finance guarantees.

Company's credit risk arises principally from the trade receivables and cash & cash equivalents.

Customer credit risk is managed centrally by the company through credit approvals establishing credit limits and continuously monitoring the credit worthiness of the customers to whom the credit is extended in the normal course of business. The concentration of credit risk is limited due to the fact that the customer base is large and unrelated. The company estimates the Expected Credit Losses on the basis of its evaluation of each case. Provision is being made where the outstanding period exceeds 4 years @50% followed by further provision on year to year basis based on the management evaluation of each case. Credit risks from balances with banks are managed in accordance with the Company's policy.

Exposure to credit risks

The carrying amount of financial assets represents the Company's maximum exposure to credit risk. The maximum exposure to credit risk as of 31st March, 2019 and 31st March, 2018 are as follows:

(₹ in lacs)

Particulars	31-03-2019	31-03-2018
Cash and cash equivalents	120.06	1,027.07
Other Bank balances	44.85	17.18
Loans and other receivables	9,185.57	18,760.44
Trade accounts and notes receivable, net	41,904.83	51,460.71
Total	51,255.31	71,265.40

The ageing of trade accounts and notes receivable as of 31st March, 2019 and 31st March, 2018 are as follows:

Particulars	31-03-2019	31-03-2018
Not Due	-	-
Over due but less than 3 month	691.82	19,133.62
3 months - 12 months	665.95	942.83
over 12 months	47,421.71	31,384.27

Trade receivables are primarily unsecured and are derived from revenue earned from customers. Credit risk is managed through credit approvals, establishing credit limits and by continuously monitoring the creditworthiness of customers to which the Company grants credit terms in the normal course of business. As per simplified approach, the Company makes provision of expected credit loss on trade receivables using a provision matrix to mitigate the risk of default payments and makes appropriate provisions at each reporting date whenever is for longer period and involves higher risk.

NOTE - 48.3 Financial risk management (Contd.)

Movement in impairment loss account is as follows:

Particulars	31-03-2019	31-03-2018
Balance at the beginning	4,104.28	2,657.95
Impairment loss recognised/ reversed	2,770.37	1,446.33
Amounts written-back	-	-
Balance at the end	6,874.65	4,104.28

(ii) Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at reasonable price. Prudent liquidity risk management implies maintaining sufficient cash and marketable securities and the availability of funding through an adequate amount of credit facilities to meet obligations when due. The Company's finance team is responsible for liquidity, funding as well as settlement management. In addition, Processes and policies related to such risks are overseen by senior management. Management monitors the Company's liquidity position through rolling forecasts on the basis of expected cash flows. The Company's approach to managing liquidity is to ensure, as far as possible, that it will always have sufficient liquidity, subject to its restructuring proposals, to meet its liabilities when due, under both normal and stressed conditions.

In the opinion of the management, the company's cash flow from business, borrowing or financing would be sufficient to meet the cash requirements for its operation with support of its lenders.

Exposure to liquidity risk

The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments.

(iii) Market risk

Market risk is the risk of loss of future earnings, fair value or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, commodity prices, equity prices and other market changes that effect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and borrowings. The goal of market risk management is optimization of profit and controlling the exposure to market risk within acceptable limits.

(a) Currency risk

Foreign currency risk is the risk impact related to fair value or future cash flows of an exposure in foreign currency, which fluctuate due to changes in foreign exchange rates. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the import of raw materials and spare parts, and exports of finished goods.

Sensitivity analysis

A reasonably possible strengthening (weakening) of the USD against Indian rupee at 31 March would have affected the measurement of financial instruments denominated in a foreign currency and affected equity and profit or loss by the amount shown below. This analysis assumes that all other variables, in particular interest rates, remain constant and ignores any impact of forecast sales and purchases.

Particulars	Profit or loss		Equity, net of tax	
	Strengthening	Weakening	Strengthening	Weakening
31st March, 2019				
USD (5% Movement)	(133.29)	133.29	(92.10)	92.10
31st March, 2018				
USD (5% Movement)	(128.88)	128.88	(89.06)	89.06

(b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company exposure to the risk of changes in market interest rates related primarily to the Company's short term borrowing with floating interest rates. The Company constantly monitors the credit markets and rebalances its financing strategies to achieve an optimal maturity profile and financing cost.

Notes on Financial Statements for the year ended 31st March, 2019

NOTE - 48.3 Financial risk management (Contd.)

Exposure to interest rate risk

The interest rate profile of the Company's interest bearing financial instruments at the end of the reporting period are as follows:

(₹ in lacs)

Particulars	31-03-2019	31-03-2018
Fixed rate instruments		
Financial assets	-	-
Financial liabilities	-	-
	-	-
Variable rate instruments		
Financial assets	2,50,288	2,51,630
Financial liabilities	2,50,288	2,51,630

Sensitivity analysis

Fixed rate instruments that are carried at amortised cost are not subject to interest rate risk for the purpose of sensitive analysis.

Cash flow sensitivity analysis for variable rate instruments

A reasonably possible change of 100 basis points in variable rate instruments at the reporting dates would have increased or decreased profit or loss by the amounts shown below.

(₹ in lacs)

Particulars	Profit or loss		Equity, net of tax	
	Strengthening	Weakening	Strengthening	Weakening
31st March, 2019				
Variable rate instruments	2,503	(2,503)	1,729	(1,729)

Cash flow sensitivity (net)	2,516	(2,516)	1,739	(1,739)

(c) Equity price risks

The Company is not exposed to equity risks arising from equity investments. Equity investments are held for strategic rather than trading purposes. The Company does not actively trade these investments.

(d) Hedge accounting

Currency risk-Transactions in foreign currency

The Company is exposed to transactional foreign currency risk to the extent that there is a mismatch between the currencies in which sales and interest rate exposures are denominated. The currencies in which these transactions are primarily denominated are US dollars. The Company buys and sells derivatives, and also incurs financial liabilities, in order to manage market risks. All such transactions are carried out as per the risk management policy of the Company.

The Company holds derivative financial instruments such as foreign currency forward to mitigate the risk of changes in exchange rates on foreign currency exposures. The Company's risk management policy is to hedge its foreign currency exposure in respect of firm commitments and highly probable forecasted transactions and interest rate risks. The counterparty for these contracts is generally a bank or a financial institution.

The Company determines the existence of an economic relationship between the hedging instrument and hedged item based on the currency, amount and timing of their respective cash flows. The Company assesses whether the derivative designated in each hedging relationship is expected to be and has been effective in offsetting changes in cash flows of the hedged item. In order to designate a derivative contract as an effective hedge, the management objectively evaluates and evidence with appropriate underlying documents of each contract whether the contract is effective in offsetting cash flow attributable to the hedged risk.

Notes on Financial Statements for the year ended 31st March, 2019

In these hedging relationships, the main sources of ineffectiveness are :

- the effect of the counterparty and the Company's own credit risk on the fair value of the forward exchange contracts, which is not reflected in the change in the fair value of the hedged cash flows attributable to the change in exchange rates; and
- changes in the timing of the hedged transactions.

Interest rate risk

The Company adopts a policy of hedging its certain interest rate risk exposure is at a fixed rate. This is achieved partly by entering into fixed-rate instruments and partly by borrowing at a floating rate.

The Company determines the existence of an economic relationship between the hedging instrument and hedged item based on the reference interest rates, tenors, repricing dates and maturities and the notional of hedging instruments or par amounts of hedged items.

49. Capital Management (Ind AS-1)

The fundamental goals of capital management are to:

- safeguard their ability to continue as a going concern, subject to note no. 30 so that they can continue to provide returns for shareholders and benefits for other stakeholders, and
- maintain an optimal capital structure to reduce the cost of capital.

The Board of Directors has the primary responsibility to maintain a strong capital base and reduce the cost of capital through prudent management of deployed funds and leveraging opportunities in domestic and international financial markets so as to maintain investor, creditor and market confidence and to sustain future development of the business.

For the purpose of Company's capital management, capital includes issued capital and all other equity reserves. The Company manages its capital structure in light of changes in the economic and regulatory environment and the requirements of the financial covenants. The Company applied the same capital risk management strategy that was applied in the previous period.

The Company manages its capital on the basis of net debt to equity ratio which is net debt (total borrowings net of cash and cash equivalents) divided by total equity.

(₹ in Lacs)

Particulars	31-03-2019	31-03-2018
Debt (i)	2,50,288	2,51,630
Cash and bank balances	165	1,044

THE MEMBERS OF

ROHIT FERRO-TECH LIMITED

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

We have audited the accompanying Consolidated Financial Statements(CFS) of **Rohit Ferro-Tech Limited** ("hereinafter referred to as the Holding Company"), and its two Subsidiary Companies (the Holding Company and its Subsidiaries collectively referred to as "the Group"), which comprise the Consolidated Balance Sheet as at 31st March 2019, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and Consolidated Statement of Cash Flows for the year ended and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, ***except for the possible effect of the matter described in the basis for qualified opinion section of our report***, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the Consolidated State of Affairs of the Group as at 31st March 2019, the Consolidated Loss, Consolidated Other Comprehensive Loss, Consolidated Changes in Equity and its Consolidated Cash Flows for the year ended on that date.

Basis for Qualified Opinion

We draw your attention to **Note No. 41** of the accompanying statement with regard to non-recognition of interest expense amounting to ₹ **25,670 Lacs** on the borrowings of the group for the year ended 31st March, 2019 (cumulative non provision of ₹ **87,119 Lacs** till 31.03.2019) and penal interest and charges thereof (amount remaining unascertained) which is not in accordance with the requirements of Ind AS 23: Borrowing Cost read with Ind AS 109: Financial Instruments.

Had the aforesaid interest expenses been recognized, the finance cost for the year ended 31st March, 2019 would have been ₹ **30,680 Lacs**, instead of reported amount of ₹ **5,010 Lacs**. Total expenses for the year ended 31st March, 2019 would have been ₹ **1,34,972 Lacs** instead of reported amount of ₹ **1,09,302 Lacs**. Net loss after tax for the year ended 31st March, 2019 would have been ₹ **45,344 Lacs** instead of reported amount of ₹ **19,674 Lacs**. Total comprehensive losses for the year ended 31st March, 2019 would have been ₹ **48,192 Lacs** instead of reported amount of ₹ **22,522 Lacs**. Other Equity would have been ₹ **(2,25,393) Lacs** instead of reported amount of ₹ **(1,38,274) Lacs**. Other current financial liability would have been ₹ **1,65,809 Lacs** instead of reported amount of ₹ **78,690 Lacs**.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules there under, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Material Uncertainty Relating to Going Concern

Note 40 to the CFS Statement regarding the preparation of the CFS Statement on going concern basis, for the reason stated therein. The Holding Company has incurred losses during the year ended March 31, 2019 and has accumulated losses as on 31st March, 2019. As on date, the Holding Company's current liabilities are substantially higher than its current assets and the Holding Company's net worth has also been fully eroded. These conditions indicate the existence of a material uncertainty that may cast significant doubt on the company's ability to continue as going concern. The appropriateness of assumption of going concern is critically dependent upon the debt resolution of the company which is under process, the company's ability to raise requisite finance, generation of cash flows in future to meet its obligation and to earn profit in future.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report in respect of holding company.

Independent Auditors' Report

Sl. No.	Key Audit Matter of holding Company	How our audit addressed the key Audit Matter of holding Company
1	Accuracy of recognition, measurement, presentation and disclosures of revenues and other related balances in view of adoption of INDAS-115 "Revenue from Contracts with Customers" (new revenue accounting (standard) w.e.f 01.04.2018)	Our audit procedures included the following:
	The application of the new revenue accounting standard involves certain key judgements relating to identification of distinct performance obligations, determination of transaction price of the identified performance obligations, the appropriateness of the basis used to measure revenue recognized over a period. Additionally, new revenue accounting standard contains disclosures which involves collation of information in respect of disaggregated revenue and periods over which the remaining performance obligations will be satisfied subsequent to the Balance Sheet date.	<p>We have assessed the holding Company's process to identify the impact of adoption of the new revenue accounting standard. Our audit approach consisted testing of the design and operating effectiveness of the internal controls and substantive testing as follows :</p> <ul style="list-style-type: none"> • Evaluated the design of internal controls relating to recording of efforts incurred and estimation of efforts required to complete the performance obligations. • Selected a sample of contracts and through inspection of evidence of performance of these controls, tested the operating effectiveness of the internal controls relating to efforts incurred and estimated.
2	Claim and exposure relating to taxation and litigation	Our audit procedures included the following:
	<p>The holding Company has material uncertain tax positions including matters in respect of disputed claims /levies under various taxes and legal matters.</p> <p>The taxes and litigation exposures have been identified as key audit matter due to:</p> <p>i. Litigation cases require significant judgement due to complexity of the case and involvement of various authorities.</p> <p>ii. These involve significant management judgment to determine the possible outcome of the uncertain tax positions.</p>	<p>Our audit procedures include the following substantive procedures:</p> <ul style="list-style-type: none"> • Obtained understanding of key uncertain tax positions; • We have reviewed and analysed key correspondences relating to dispute; • We have discussed the matter for key uncertain tax positions with appropriate senior management; • We have evaluated management's underlying key assumptions in estimating the tax provisions; and Assessed management's estimate of the possible outcome of the disputed cases;

Emphasis of Matter

- As referred in **Note No. 42** of the Consolidated Financial Statement, the balance of sundry debtors, advances, creditors etc. includes balances remaining outstanding for a substantial period. The balances are subject to confirmations and reconciliation. The reported financials might have consequential impact which remains unascertained.
- In the case of the Company's subsidiary SKP Overseas Pte Ltd., as per last available audit report for the year 2016-17 their auditor has pointed out matter of emphasis that the company's total liabilities exceeded its total assets by **US \$ 1,38,59,332 (INR 8986.20 Lacs)**. The appropriateness of the going concern assumption on which the financial statements of the company are prepared is dependent on the continued financial support from its directors. The directors have agreed to continue providing financial support to the company and not recall the amount until such time when the company is financially solvent and also confirmed that if and when required additional funds will be made available to the company in order for it to meet all its liabilities which may fall due.

Our report is not modified in these matters.

Other Matter

We did not audit the Financial Statements of Subsidiaries, whose Financial Statements /financial information reflect total assets of **₹ 6,232 Lacs** as at 31st March, 2019, total revenue of Rs. Nil & total comprehensive loss **₹ 2,136 Lacs** for the year ended on that date, as considered in the Consolidated Financial Statements. The financial statement / financial information of subsidiaries

Independent Auditors' Report

are unaudited and have been furnished to us by the management and our opinion on the Consolidated Financial Statements in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of Sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on such Unaudited Financial Statements as certified by the Management.

Our opinion on the consolidated annual financial results is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Information other than the Financial Statements and Auditor's Report Thereon

1. The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexure to Board's Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

2. The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the Consolidated Financial Position, Consolidated Financial Performance, Consolidated Changes in Equity and Consolidated Cash Flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with relevant rules issued there under.

The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities, selection and application of appropriate implementation and maintenance of accounting policies, making judgments and estimates that are reasonable and prudent and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of the preparation of the Consolidated Financial Statement by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group is also responsible for overseeing the Company's financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicated with those charged with governance of the Holding Company and such other entities included in the Consolidated Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- I. As required by Section 143(3) of the Act, we report that:
 - a. ***Except for the possible effect of the matter described in the basis for qualified opinion section of our report, we have sought, and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements;***
 - b. ***Except for the possible effect of the matter described in the basis for qualified opinion section of our report, in our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept by the Company so far as it appears from our examination of those books.***
 - c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flow dealt with by this Report are in agreement with the books of account.
 - d. ***Except for the possible effect of the matter described in the basis for qualified opinion section of our report, in our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.***
 - e. ***The matter described in the basis for qualified opinion section of our report, may have adverse effect on the functioning of the company.***
 - f. On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors of the holding Company and subsidiaries incorporated in India, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164 (2) of the Act.
 - g. With respect to the adequacy of the internal financial controls over financial reporting of the Group and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**".

- h. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended :

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Group to its directors during the year is in accordance with the provisions of section 197 of the Act.

- i. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- a. The Consolidated Financial Statement has disclosed the impact of pending litigations on the consolidated financial position of the Group. **Refer Note 34** to its consolidated financial statements.
 - b. The Group did not have any long term contracts including derivative contracts for which there were any material foreseeable losses;
 - c. During the year, the Group has transferred an amount of ₹ **1.46 Lacs** to Investor Education and Protection Fund pertaining to unpaid dividend for the year 2010-11.

"Annexure A" to the Independent Auditors' Report

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Financial Statements of the Company as of and for the year ended 31 March 2019, we have audited the internal financial controls over financial reporting of ROHIT FERRO-TECH LIMITED ("the Holding Company") for the year ended on that date. (All subsidiary companies are incorporated outside India, hence audit of the internal financial controls over financial reporting of them is not applicable).

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Holding Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the holding Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing issued by ICAI and prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on internal financial controls system over financial reporting of the holding company incorporated in India.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the consolidated financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the holding company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2019, based on the internal control over financial reporting criteria established by the Company considering the essential components of

30 CORPORATE DEBT RESTRUCTURING

During the year 2013-14, at the request of the Company, the Corporate Debt Restructuring Proposal (CDR Proposal) was referred to CDR Empowered Group (CDR EG) by the consortium of lenders led by State Bank of India (SBI). The CDR Proposal as recommended by SBI was approved by CDR EG on March 24, 2014 and communicated vide Letter of Approval dated 28th March, 2014, as amended / modified from time to time. Under CDR package, the Company's debts were re-structured / rescheduled and additional credit facilities have been sanctioned as set out in the said Letter of Approval. The cut off date for CDR package was September 30, 2013 and upon implementation, the financial effect thereof has been duly taken into accounts.

The CDR Package includes reliefs / measures such as reduction in interest rates, funding of interest, rearrangement of securities etc. The key features of the CDR Proposal are as follows:

- Repayment of Rupee Term Loans (RTL) (except term loan for Captive Power Plant of the Company) after moratorium of 2 years from the cut-off date in 32 structured quarterly installments commencing from December 31, 2015 to September 30, 2023.
- Repayment of Rupee Term Loans for Captive Power Plant of the Company after moratorium of 2 years from the cut-off date in 38 structured quarterly installments commencing from December 31, 2015 to March 31, 2025.
- Conversion of various irregular/outstanding/devolved financial facilities into Working Capital Term Loan ('WCTL'). Repayment of WCTL after moratorium period of 2 years from cut-off date in 32 structured quarterly installments commencing from December 31, 2015 to September 30, 2023.
- Restructuring of existing fund based and non fund based financial facilities.
- Interest on RTL and WCTL during the moratorium period of 2 years from cut-off date and interest on Cash Credit limit for a period of 9 months from the cut-off date shall be converted to FITL. Repayment of FITL would be done in 18 equal quarterly installments commencing from December 31, 2015 to March 31, 2020.
- The rate of interest on RTL, WCTL, FITL and Fund Based Working Capital Facilities shall be 11% (linked to the base rate of SBI) with the right to reset the rate of the Term loan(s) and FITL every year with the approval of CDR-EG.
- Waiver of penal interest for irregularities in the Cash Credit accounts for the period from cut-off date to the date of implementation of the package.
- Contribution of ₹5,664 lacs in the Company by the promoters in lieu of bank sacrifices and ₹8,577 lacs to meet the additional cost over run towards the Captive Power plant project of the Company. The contribution is to be brought initially in the form of unsecured loan by September 30, 2014 and the same is to be converted into equity by June 30, 2015.
- The CDR Package as well as the provisions of the Master Circular on Corporate Debt Restructuring issued by the Reserve Bank of India, gives a right to the CDR Lenders to get a recompense of their waivers and sacrifices made as part of the CDR Proposal. The recompense payable by the Company is contingent on various factors, the outcome of which currently is materially uncertain and hence the proportionate amount payable as recompense has been

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

treated as a contingent liability. The aggregate present value of the outstanding sacrifice made/ to be made by CDR Lenders as per the CDR package is approximately ₹69,987 lacs.

- 32** Notes to these consolidated financial statements are intended to serve as a means of informative disclosure and a guide to better understanding of the consolidated position of the companies. Recognising this purpose, the Company has disclosed only such notes from the individual financial statements, which fairly present the needed disclosures.
- 33** The accounting policies, notes and disclosures made by the parent are best viewed in its standalone financial statements to which these consolidated financial statements are attached. Accounting policies specifically related to consolidated financial statements are mentioned in note 1. Differences in accounting policies followed by the other entities consolidated have been reviewed and no adjustments have been made, since the impact of these differences is not significant.
- 34** Consolidated contingent liability is same as contingent liability of standalone Rohit Ferro Tech Ltd.
- 35** Consolidated capital commitments are same as capital commitments of standalone Rohit Ferro Tech Ltd.
- 36** Consolidated related party transactions are same as related party transactions of standalone Rohit Ferro Tech Ltd.
- 37 OPERATING SEGMENTS**

A. Basis of segmentation

An operating segment is a component of the Company that engages in business activities from which it may earn revenues and incur expenses, including revenues and expenses that relate to transactions with any of the Company's other components, and for which discrete financial information is available. All operating segments' operating results are reviewed regularly by the Company's management to make decisions about resources to be allocated to the segments and assess their performance.

The Company has two reportable segments, as described below, which is the Company's strategic business units. These business units are managed separately because they require different technology and marketing strategies. For these business units, the Company's management reviews internal reports on at least a quarterly basis.

The following summary describes the operations in each of the Company's reportable segments:

Reportable segment	Operations
Ferro Alloys and Minerals	Manufacturing
Iron and Steel	Manufacturing

B. Information about reportable segments

Information regarding the results of each reportable segment is included below. Performance is measured based on segment profit (before tax), as included in the internal management reports that are reviewed by the Company's CEO. Segment profit is used to measure performance as management believes that such information is the most relevant in evaluating the results of certain segments relative to other entities that operate within these industries. Inter-segment pricing is determined on an arm's length basis.

NOTES ON CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2019

- 38 The lenders had communicated to go for change in management by indentifying an investor who will acquire the shares held by the promoters in RFTL. A Deed of Undertaking had been executed by RFTL and its promoters in this regard. On Execution of the Deed of Undertaking, the Lenders had invited bids from prospective investors by way of sale of equity stake held by the promoters of the Company and the same was in process. The matter has since been dismissed off by the Honourable High Court in view of the revocation of the letter of intent for change in management by the Bank.
- 39 The Company's Factory at Haldia (West Bengal) is suspended since 01st July, 2015 on account of depressed domestic and global market conditions in steel industry and excess procurement cost of Electricity. Robbery/Damages to certain properties had occurred in the year 2016-17 and the Company had filed insurance claim of ₹ 2,603 Lacs which is under process and additionally the Company has also filed an application in the consumer forum for expediting the insurance claim process. Pending claim settlement, the financial impact of such insurance claim (Buglary/Robbery) on the reported financial year remains unascertained and unquantified.
- 40 The operation of the Company was severely impacted by weak steel industry scenario and lack of demand for Company's finished products. The Company has incurred loss of ₹ 22,086 Lacs for the year ended 31st March 2019 and accumulated loss as on 31st March, 2019 is ₹ 1,81,255 Lacs which is in excess of the entire net worth of the Company. The Company has continuous support from the promoters and has put in place measures for revival and cost reduction. Considering the initiative of the Company and given the emerging scenario of steel industry in India, the management is of the view of foreseeable future about the operations of the Company and accordingly the financial statements have been prepared under 'Going Concern' basis.
- 41 The lenders have stopped charging interest on debts, since the dues from the company have been categorised as Non Performing Asset. Pending finalization of the restructuring plan, the company has not provided accrued interest in its books as the account has been declared NPA by the respective lenders. The amount of interest not so provided for the year ended 31st March 2019 stands at ₹ 25,670 Lacs. Penal interest and charges thereof (amount remaining unassettained) has not been provided for. The unprovided liability in respect of interest on long term and short term borrowings as on 31st March 2019 amounted to ₹ 87,119 Lacs. The same have consequential impact on the reported figures.
- 42 In the opinion of the management current and non current assets have a value of realisation in the ordinary course of business at least equal to the amount at which they are stated in the accounts. Certain balances of the sundry creditors, sundry debtors, unsecured loans and advances are subject to confirmations and reconciliation. The reported financials might have consequential impact once the reconciliation is completed, the quantum where of remains unascertained. Advance from Parties includes ₹ 80.35 lacs (P.Y.: ₹ 198.62 lacs) being certain receipts lying under suspense account in absence of information as to the credits in the bank account.
- 43 The investments and advances of SKP Overseas PTE Limited (Singapore), a wholly owned subsidiary of the company, in the step down subsidiary namely PT Bara Prima Mandiri (Indonesia) was written off in the last available audited financial statements. Accordingly, the company had diminished the value of its investments, receivables, loans & advances etc. in the wholly owned subsidiary totalling to ₹ 9,309 Lacs. Appropriateness of the going concern assumption on which the financial statements of the SKP Overseas Pte Ltd. are prepared is dependent on the continued financial support from its director and the operations of Indonesia coal mine being restarted. Accordingly the financial statement of SKP Overseas Pte Ltd. has been prepared on 'Going Concern' basis.
- 44 The total comprehensive income has been attributed to the owner of the parent and to the non-controlling interest even if this results in the non-controlling interest having deficit balance. Hence, the non-controlling interest are restated and reclassified as per the requirements of Ind-AS.
- 45 The Consolidated Financial Statement includes the financial statements of the Parent Company, its wholly-owned subsidiary, SKP Overseas Pte. Ltd., incorporated in Singapore and its step down subsidiary, PT. Bara Prima Mandiri., incorporated in Indonesia. Subsidiaries are consolidated from the date on which effective control is acquired and are excluded from the date of transfer/disposal.
