The Board commends the Special Business set out at Item No.6 of the Notice for approval by the shareholders.

Item No.7

Mr. Chukka Siva Satya Srinivas (DIN: 07177166) was appointed as an Additional Independent Director of the Company with effect from May 23, 2019 by the Board of Directors. In terms of Section 161(1) of the Companies Act, 2013, Mr. Chukka Siva Satya Srinivas holds office upto the date of this Annual General Meeting but is eligible for the appointment as a Director. The Company has received a Notice from a Member in writing along with requisite deposit under Section 160 of the Act, proposing his candidature for the office of Director.

Mr. Chukka Siva Satya Srinivas has given a declaration to the Board that he meets the criteria of independence as provided under Section 149(6) of the Act.

Mr. Chukka Siva Satya Srinivas, aged 51 years, has more than 25 years of experience in MIS and risk Management. Accordingly, the Board recommends the passing of the Ordinary Resolution set out in the Item no.7 of the Notice for appointment of Mr. Chukka Siva Satya Srinivas, as a Director. A statement containing his profile is given as per Annexure 1.

Except Mr. Chukka Siva Satya Srinivas, being an appointee, none of the Directors and Key Managerial Personnel of the Company and their relatives is concerned or interested, financial or otherwise, in the resolution set out at Item No.7

Item No. 8**Transactions with Related parties under Section 188 of the Companies Act, 2013:**

The provisions of Section 188 of the Companies Act, 2013 that govern the related party transactions require a company to obtain prior approval of the Board of Directors and in case the paid up share capital of the Company is Rs.10 Crore or more, the prior approval of shareholders by way of special resolution. Though, the Paid-up Share Capital of the company is less than Rs.10 Crores, the company would like to obtain the approval of the members. Also Section 188 of the Act and the applicable Rules framed thereunder provide that any Related Party Transaction will require prior approval of shareholders through ordinary resolution, if the aggregate value of transaction(s) amounts to 10% or more of the annual turnover of the Company as per last audited financial statements of the Company.

Since the proposed transactions are between the holding and Associate companies which fall under the ambit of related party as per Section 2(76) of the Companies Act, 2013 the company seeks the consent of members for proceeding to transact with the companies mentioned in Item No.6 of the resolution.

Your Company being a Associate company of the companies referred to in resolution at item no.6 and hence a related party and therefore may be deemed to be concerned in the said resolution. It comes within the meaning of Related Party transaction(s) in terms of provisions of the Act, applicable Rules framed thereunder read with the Listing Regulations. Hence, approval of the shareholders is being sought for the said Related Party Transaction(s) proposed to be entered into by your Company with TSL in the financial year 2019-20.

None of the directors or Key Managerial Persons are concerned or interested, financial or otherwise in the resolution except to the extent of their shareholding in the said Associate companies.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The World Bank forecasts global economic growth to edge up to 3.1 percent in 2018 after a much stronger-than-expected 2017, as the recovery in investment, manufacturing, and trade continues, and as commodity-exporting developing economies benefit from firming commodity prices.

Growth in advanced economies is expected to moderate slightly to 2.2 percent in 2018, as central banks gradually remove their post-crisis accommodation and as an upturn in investment levels off. Growth in emerging market and developing economies as a whole is projected to strengthen to 4.5 percent in 2018, as activity in commodity exporters continues to recover.

The slowdown in potential growth is the result of years of softening productivity growth, weak investment, and the aging of the global labor force. The deceleration is widespread, affecting economies that account for more than 65 percent of global GDP. Without efforts to revitalize potential growth, the decline may extend into the next decade, and could slow average global growth by a quarter percentage point and average growth in emerging market and developing economies by half a percentage point over that period.

Overview of developments in India during 2018-19

India has become the world's sixth-biggest economy according to updated World Bank figures for 2017. It is the world's seventh-largest economy by nominal GDP and the third-largest by purchasing power parity (PPP). After the 1991 economic liberalisation, India achieved 6%-7% average GDP growth annually. In FY 2015 and 2018 India's economy became the world's fastest growing major economy, surpassing China. India's gross domestic product (GDP) amounted to \$2.597 trillion at the end of last year.

Road A Head:

Spacenet Enterprises India Ltd exploring new business avenue and ventured in to Commodity trading segment which includes both Agri & non Agri commodities like metals, Energy.

The commodity market in India, especially agri-commodities, is on the cusp of transformation. The three biggest bottlenecks – storage, logistics and financing infrastructure inadequacies – that plagued the sector and resulted in colossal harvest and post-harvest losses are finally being eliminated with a synergistic combination of technology, physical infrastructure and stronger regulation.

Historical context

During the pre-Independence era, India had a flourishing market for commodities such as cotton, edible oils, etc. In 1952, futures' trading in most commodities was banned due to shortages of essential commodities, which resulted from wars and natural calamities. The ban was lifted in 2002 and several national level electronic exchanges and regional exchanges for trading commodity derivatives sprung up, including the Multi Commodity Exchange (MCXNSE 4.71 %)

Further technology in fusion

Despite these tech-savvy exchanges, not much changed at the ground level. The physical sale of agricultural produce was still administered by states, with each state following its own regulations. Further, within each state there were several market areas and every area had its Agricultural Produce Marketing Committee (APMC), which dictated regulations, fees, etc. This structure tends to compartmentalize markets and inhibit the free flow of commodities.

Warehousing solutions

The government has also been actively incentivising private investments in warehousing by including agri-warehousing under the priority sector lending. In addition to various subsidy schemes and tax sops to attract investor companies, it has promulgated the Warehousing Act, 2007, which seeks to encourage the regulation and development of warehouses. Under the purview of the Warehousing Development and Regulatory Authority (WDRA), a new breed of storage infrastructure is upcoming.

Regulation and reform

While the Forward Markets Commission regulated the commodity markets since the early 1950s, it was perceived as lacking the power to control wild fluctuations in prices and other irregularities.

Accordingly, in 2015, Sebi - which carried the reputation being superior in terms of surveillance, risk-monitoring and enforcement mechanisms, was merged with the FMC, creating a more robust regulatory body for the sector.

Subsequently, Sebi implemented a slew of advancements within the commodity market space. These include allowing stock brokers to deal in commodity derivatives, common broking businesses for equities and commodities, permitting the NSE and BSE to bring commodity derivatives onto their trading platform, introducing option contracts in commodities trading, permitting FPIs to participate in commodity derivatives contracts traded in stock exchanges subject to certain stipulations, allowing certain categories of foreign ..

Future of Commodities.

Looking ahead, it appears that the Indian commodity markets, especially the agri-commodities segment is headed for better days. Not only will it become more efficient, in terms of warehousing, storage and physical trades, but it is expected to become more broad-based, vibrant and deep due to the facilitation it has been receiving from Sebi and the stock and commodity exchanges.

Cautionary Statement

Statements in the Management Discussions and Analysis describing the Company's projections, estimates, and expectations may be "forward looking statements" within the meaning of applicable laws and regulations. Actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting demand/ supply and price conditions in the domestic and overseas markets in which the Company operates, changes in Government regulations/policies, tax laws, other statutes and other incidental factors.

**To the Members of
Spacenet Enterprises India Limited
Report on Audit of the Standalone Financial Statements**

Opinion

We have audited the standalone Ind AS financial statements of Spacenet Enterprises India Limited (“the Company”), which comprise the Balance Sheet as at 31st March, 2019, and the Statement of Profit and Loss, including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and a summary of the significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India including the state of affairs (financial position) of the Company as at 31st March, 2019, and its profit/(loss) (financial performance including other comprehensive income), its cash flows and the changes in equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone Ind AS financial statements in accordance with the Standards on Auditing (Sas), as specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the ‘Auditor’s Responsibilities for the Audit of the Standalone Ind AS Financial Statements’ section of our report. We are independent of the Company in accordance with the ‘Code of Ethics’ issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Ind AS financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Except for the matter described in the Material Uncertainty Related to Going Concern section, no other KAM needs to be addressed in our report.

Other Information

The Company’s Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company’s annual report, but does not include the financial statements and our auditors’ report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors are responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the state of affairs (financial position), profit or loss (financial performance including other comprehensive income), cash flows and changes in equity of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, Management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(If the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Ind AS financial statements, including the disclosures, and whether the Standalone Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Ind AS financial statements for the financial year ended March 31, 2019 and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, the Cash Flow Statement and Statement of Changes in Equity dealt with by this Report are in agreement with the books of account.

- d) In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards Specified under Section 133 of the Act, read with Companies (Indian Accounting Standards) Rules, 2015, as amended.
- e) On the basis of the written representations received from the directors as on 31st March, 2019 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2019 from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure B”.
- g) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

Annexure “B” to the Independent Auditor’s Report of even date on the Financial Statements of Spacenet Enterprises India Limited**Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)**

We have audited the internal financial controls over financial reporting of Spacenet Enterprises India Limited (“the Company”) as of March 31, 2019 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2019, based on the internal financial controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

*** Accounting and Corporate Regulatory Authority (ACRA), Singapore has been approved for strike off the companies

(a) Basis of preparation & compliance with IND AS

The financial statements of the Company have been prepared in accordance with the Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (“the Act”) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act. The financial statements have been prepared on the historical cost basis except for certain financial liabilities, which are measured at fair value.

The financial Statements of the company have been prepared in accordance with Indian Accounting Standards (Ind AS) as notified by Ministry of corporate affairs pursuant to Section 133 of the Companies Act 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and subsequent amendments through Companies (Indian Accounting Standards) Amendment Rules there under.

The Financial statements have been prepared on accrual and going concern basis .the accounting policies are applied consistently to all the periods presented in the financial statements.

(b) Use of estimates

The preparation of these financial statements in conformity with the recognition and measurement principles of Ind AS requires the management of the Company to make estimates and judgments that affect the reported balances of assets and liabilities, disclosures relating to contingent liabilities as at the date of the financial statements and the reported amounts of income and expense for the periods presented. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and future periods are affected.

1. Significant Accounting Policies continued...

Key sources of estimation of uncertainty at the date of the financial statements, which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, is in respect of impairment of investments, useful lives of property, plant and equipment, valuation of deferred tax assets, provisions and contingent liabilities and fair value measurement of financial instruments have been discussed below. Key source of estimation of uncertainty in respect of revenue recognition and employee benefits have been discussed in their respective policies.

(c) Current–non-current classification

All assets and liabilities are classified into current and non-current.

Assets

An asset is classified as current when it satisfies any of the following criteria:

- a.** it is expected to be realised in, or is intended for sale or consumption in, the Company's normal operating cycle; or
- b.** it is held primarily for the purpose of being traded; or
- c.** it is expected to be realised within 12 months after the reporting date; or
- d.** it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

Liabilities

A liability is classified as current when it satisfies any of the following criteria:

- a.** it is expected to be settled in the Company's normal operating cycle; or
- b.** it is held primarily for the purpose of being traded; or
- c.** it is due to be settled within 12 months after the reporting date; or
- d.** the Company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date. Terms of a liability that could, at the option of the counter party, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include current portion of non-current financial liabilities. All other liabilities are classified as non-current.

(d) Depreciation and amortization

Depreciation is provided on all property, plant and equipment on straight-line method in the manner and useful life prescribed in Schedule II of the Companies Act, 2013. Depreciation on additions/deletion is provided on pro-rata basis with reference to the date of addition/deletion as the case may be.

On transition to Ind AS, the Company has elected to continue with the carrying value of all of its property, plant and equipment recognized as at 01 April 2016 measured as per the previous GAAP and use that carrying value as the deemed cost of the property, plant and equipment.

Company has adopted cost model for all class of items of fixed assets.

1. Significant Accounting Policies continued...

(e) Property, Plant and Equipment

a. Tangible fixed assets

Fixed assets are carried at cost less accumulated depreciation and impairment losses, if any. The cost of fixed assets includes interest on borrowings attributable to acquisition of qualifying fixed assets up to the date the asset is ready for its intended use and other incidental expenses incurred up to that date. Exchange differences arising on restatement / settlement of long-term foreign currency borrowings relating to acquisition of depreciable fixed assets are adjusted to the cost of the respective assets and depreciated over the remaining useful life of such assets. Subsequent expenditure relating to fixed assets is capitalized only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

Fixed assets retired from active use and held for sale are stated at the lower of their net book value and net realisable value and are disclosed separately in the balance sheet.

Advances paid towards the acquisition of fixed assets outstanding at each balance sheet date and the cost of fixed assets not ready for their intended use before such date, are disclosed as capital advances.

b. Intangible assets

Intangible assets are carried at cost less accumulated amortisation and impairment losses, if any. The cost of an intangible asset comprises its purchase price, including any import duties and other taxes (other than those subsequently recoverable from the taxing authorities), and any directly attributable expenditure on making the asset ready for its intended use and net of any trade discounts and rebates. Subsequent expenditure on an intangible asset after its purchase / completion is recognised as an expense when incurred unless it is probable that such expenditure will enable the asset to generate future economic benefits in excess of its originally assessed standards of performance and such expenditure can be measured and attributed to the asset reliably, in which case such expenditure is added to the cost of the asset.

(f) Investments

Investments that are readily realisable and intended to be held for not more than a year are classified as current investments. All other investments are classified as long term investments.

Long-term investments are carried at cost less any other-than-temporary diminution in value, determined separately for each individual investment. Current investments are carried at the lower of cost and fair value. The comparison of cost and fair value is done separately in respect of each category of investment.

(g) Foreign exchange transactions

Foreign currency transactions during the year are recorded at the rates of exchange prevailing on the dates of the respective transactions. Exchange differences arising on foreign currency transactions settled during the year are recognised in the statement profit and loss of the year.

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date are translated at the closing exchange rates on that date, the resultant exchange differences are recognised in the statement of profit and loss. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction.

1. Significant Accounting Policies continued...

(h) Revenue recognition

Revenue is recognised to the extent it is probable that the economic benefits will flow to the Company and the revenue can be reliably measured.

The revenue from sale of commodities is recognised when all significant risks and rewards of ownership of goods are passed to the buyer (ie. On Physical Delivery), in accordance with the terms and conditions of the contracts entered into by the Company with customers.

Dividend income is recognised when the unconditional right to receive the income is established. Interest on bank deposits and loans to subsidiaries are recognised on the time proportion method using the underlying interest rates.

(I) Employee benefits

Provision for gratuity, which is a defined benefit scheme, is accrued based on actuarial valuation at the balance sheet date, carried out by an independent actuary. The Company recognises the net obligation of the gratuity plan in the balance sheet as an asset or liability respectively in accordance with AS-15 “Employee Benefits”.

Long term compensated absences is accrued based on actuarial valuation at the balance sheet date, carried out by an independent actuary.

Contributions to the employees’ provident fund are charged to the statement of profit and loss. Such contributions are made to the authorities administering the fund.

(j) Employee stock option schemes

In accordance with the Securities and Exchange Board of India guidelines (“the Guidelines”), the excess of the market price of shares, at the date of grant of options under the Employee stock option schemes, over the exercise price is treated as employee stock compensation and amortised over the vesting period.

(k) Earnings per share

The basic earnings per share (“EPS”) is computed by dividing the net profit after tax for the year by the weighted average number of equity shares outstanding during the year. For the purpose of calculating diluted earnings per share, net profit after tax (including post tax effect of any extraordinary items) for the year and the weighted average number of shares outstanding during the year are adjusted for the effects of all dilutive potential equity shares, unless they are anti-dilutive. The dilutive potential equity shares are deemed converted as of the beginning of the period, unless they have been issued at a later date. The diluted potential equity shares arising out of employee stock options are issued have been adjusted for the proceeds receivable had the shares been actually issued at fair value (i.e. the average market value of the outstanding shares).

(l) Taxes on income

Income tax expense comprise of current tax and deferred tax.

Current tax

The current charge for the income taxes is calculated in accordance with the relevant tax laws applicable to the Company.

1. Significant Accounting Policies continued...

Deferred tax

Deferred tax charge or benefit reflects the tax effects of timing differences between accounting income and taxable income, which originate during the year but reverse after the tax holiday period. The deferred tax charge or benefit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantially enacted by the balance sheet date. Deferred tax assets are recognised only to the extent there is reasonable certainty that the assets can be realised in future; however, where there is unabsorbed depreciation or carry forward of losses, deferred tax assets are recognised only if there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed at each balance sheet date and written-down or written-up to reflect the amount that is reasonably / virtually certain to be realised. The break-up of the major components of the deferred tax assets and liabilities as at balance sheet date has been arrived at after setting off deferred tax assets and liabilities where the Company has a legally enforceable right to set-off assets against liabilities and where such assets and liabilities relate to taxes on income levied by the same governing taxation laws.

(m) Provisions and contingent liabilities

The Company recognises a provision when there is a present obligation as a result of an obligating event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. Where there is a possible obligation or a present obligation that the likelihood of outflow of resources is remote, no provision or disclosure is made.

Provisions for onerous contracts are recognised when the expected benefits to be derived by the Company from a contract are lower than the unavoidable costs of meeting the future obligations under the contract. The provision is measured at lower of the expected cost of terminating the contract and the expected net cost of fulfilling the contract.

(n) Impairment of assets

The Company assesses at each balance sheet date whether there is any indication that any assets may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset or the recoverable amount of the cash generating unit to which the asset belongs to is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss. If at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the reassessed recoverable amount subject to a maximum of depreciated historical cost.

(o) Leases

Lease payments (excluding cost for services and maintenance) on operating leases, are recognised as an expense in the statement of profit and loss on a straight line basis over the lease term. The lease term is the non- cancellable period for which the lessee has agreed to take on lease the asset together with any further periods for which the lessee has the option to continue the lease of the asset, with or without further payment and the exercise of such option at the inception of the lease is reasonably certain.

1. Significant Accounting Policies continued...**(p) Cash flow statement**

Cash flows are reported using the indirect method, whereby net profit before tax is adjusted for the effects of transactions of non-cash nature, any deferrals, or accruals of past or future operating cash receipts or payments and item of expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

(r) Standards issued but not yet effective

These financial statements, for the year ended 31 March 2019, are the first financial statements the company has prepared in accordance with Ind AS. For periods up to and including the year ended 31 March 2017, the company prepared its financial statements in accordance with accounting standards notified under section 133 of the Companies Act 2013, read together with paragraph 7 of the Companies (Accounts) Rules, 2014 (Indian GAAP). Accordingly, the company has prepared financial statements which comply with Ind AS applicable for periods ending on 31 March 2019, together with the comparative period data as at and for the year ended 31 March 2018, as described in the summary of significant accounting policies. In preparing these financial statements, the company's opening balance sheet was prepared as at 1 April 2017, the company's date of transition to Ind AS. This note explains the principal adjustments made by the company in restating its Indian GAAP financial statements, including the balance sheet as at 1 April 2017 and the financial statements as at and for the year ended 31 March 2018.

(s) Foreign currency transactions

The functional currency of the Company is Indian Rupees (INR).

Foreign currency transactions are recorded at exchange rates prevailing on the date of the transaction. Gains and losses arising on settlement are included in the profit or loss.
