In compliance with the provisions of the Companies Act, 2013 ("Act"), SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and MCA Circulars, the AGM of the Company is being held through VC / OAVM.
2. The explanatory statement setting out the material facts pursuant to Section 102 of the Companies Act, 2013 in respect of special business to be transacted at the meeting under item no. 3 to 8 is annexed hereto.
3. Pursuant to the provisions of the Act, a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his /her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has

been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.

4. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM. However, in pursuance of Section 112 and Section 113 of the Companies Act, 2013 representatives of the members such as the President of India or the Governor of a State or Body Corporate can attend the AGM through VC / OAVM and cast their votes through e-voting.

Corporate members intending to authorize their representatives to participate and vote at the meeting are requested to send a certified copy of the Board resolution / authorization letter to the Company.

5. The Members can join the AGM in the VC / OAVM mode 15 minutes before the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC / OAVM will be made available to atleast 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2%

or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

6. Members attending the AGM through VC / OAVM shall be counted for the purpose of reckoning the quorum under Section 103 of the Act
7. The Register of Members and Share Transfer Books of the Company will remain closed from 24.07.2020 to 30.07.2020 (both days inclusive) for payment of final dividend on equity shares.
8. Final Dividend, as recommended by the Board of Directors, if declared at the meeting shall be paid to those members whose name(s) appear in the Register of Members of the Company as on 23.07.2020. In respect of shares held in Electronic form, the dividend will be paid on the basis of beneficial ownership as per details furnished by the Depositories for this purpose.
9. Members holding shares in demat form are hereby informed that bank particulars registered against their accounts will be used by the Company for payment of Dividend. Changes in bank details are only to be advised to the Depository Participants by the Members. Members who are holding shares in physical form and desirous of registering bank particulars or changing bank particulars already registered against their respective folios are requested to write to the Company or Registrar & Transfer Agents, M/s. Cameo Corporate Services Limited "Subramanian Building", 1 Club House Road, Chennai – 600002.
10. Pursuant to the provisions of Section 124(5) and 125 of the Companies Act, 2013, as amended, dividends declared for the financial year ended 2012-13 from the date of declaration of dividend and thereafter, which remain unclaimed for a period of 7 years will be transferred to the Investor Education and Protection Fund of the Central

Government. Members who have not encashed the dividend warrant(s) so far for the above financial year or any subsequent financial year are requested to make their claim to the Shares Department of the Company at Padi, Chennai - 600 050. All shareholders are requested to claim the dividend.

11. Pursuant to the applicable provisions of the Companies Act, 2013 and IEPF Rules, all such shares in respect of which dividend has not been paid or claimed for seven consecutive years are required to be transferred to the Demat account of the IEPF authority.
12. Members who have not encashed their dividend warrant(s) for any one or more of the financial year ended on 31st March 2013 are requested to immediately make their claims to the Company or its RTA for the same. The due dates for transfer of the aforesaid unpaid / unclaimed dividend to IEPF is 17th September 2020.
13. Pursuant to the aforesaid provisions, during the year under review, the Company has transferred 1305 shares pertaining to the Financial Year 2011-12 to the Demat Account of the IEPF Authority maintained with NSDL, in respect of which dividend had remained unpaid / unclaimed for a consecutive period of seven years.
14. In compliance with the aforesaid provisions of the IEPF Rules, the Company had submitted the corporate action information form of NSDL to its Registrar and Transfer Agents for transfer/ transmission of the aforesaid shares of the Company to the Demat Account of the IEPF Authority, which were subsequently transferred to the Demat Account of the IEPF Authority on execution of the corporate action by the RTA.
15. The Members, whose unclaimed dividends / shares have been transferred to IEPF, may claim the same by making an online application to the IEPF Authority in web Form No. IEPF-5 (as prescribed by MCA) available on the website of IEPF at www.iepf.gov.in and sending the physical copy of the same duly signed (as per the specimen signature recorded with the Company)

along with requisite documents to the Company for verification of the claim.

16. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.
17. The members who have cast their vote by remote e-voting prior to the meeting may also attend the meeting by way of VC / OAVM but shall not be entitled to cast their vote again. The details indicating the process and manner for voting by electronic means, the time, schedule including the time period during which the votes may be cast by remote e-voting, the details of the login ID, the process and manner for generating or receiving the password and for casting of vote in a secure manner are provided to the shareholders.
The procedures and instructions for 'remote e-voting', 'attending the meeting through VC / OAVM' and 'e-voting at the meeting' are furnished as part of this Notice (Please refer pages 17-20)
18. The Board of Directors has appointed M/s S Dhanapal & Associates, Practising Company Secretaries, Chennai, as the Scrutinizer, for conducting the e-voting process in a fair and transparent manner. The Company has engaged the services of Central Depository Services (India) Limited ("CDSL") to provide e-voting facilities enabling the members to cast their vote in a secure manner. It may be

noted that this e-voting facility is optional. The e-voting facility will be available at the link www.evotingindia.com during the following voting period: The e-voting period would commence on 27.07.2020 (Monday) 9:00 A.M (IST) and ends on 29.07.2020 (Wednesday) 5:00 P.M (IST).

19. The Scrutinizer shall, immediately after the conclusion of the Meeting, count the votes cast at the Meeting and thereafter, unblock the votes cast through remote e-voting in presence of atleast two witnesses not in employment of the Company. The Scrutinizer shall submit a Consolidated Scrutinizer's Report of the total votes cast in favour of or against, if any, not later than 48 hours after the conclusion of the Meeting. Thereafter, the Results of remote e-voting and and e-Voting during the 61st AGM. shall be declared by the Chairman or a person authorized by him in writing. Management Discussion and Analysis

The last year, 2019, was a difficult year for the global economy with growth slowing to 2.9%, the lowest level since the global financial crisis in 2009. The momentum in global manufacturing weakened, with geopolitical tensions affecting international trade. The weakening of demand was further affected by the outbreak of covid-19 in early 2020, with a number of large economies in succession enforcing lockdowns in their economies. The global economy is expected to have a negative growth in 2020 affecting trade and commerce, the worst economic prospects in this century.

The Indian economy in 2019-20, saw a slowing down of growth from the second quarter onwards, with the second half of the year seeing the economy growing at 4.2%. The collapse of a few large financial institutions made the lending community more risk averse, limiting the liquidity in the economy. The slowdown in India was broad based affecting the auto and construction sector, in particular. In an attempt to revive the economy and capital formation, the government reduced corporate tax from 34.94% to 25.17% in September 2019. However, the global pandemic, covid-19, resulted in a national lockdown in the latter part of March 2020, bringing economic activity to a standstill.

In the coming year 2020-21, the World Bank forecasts a -3.2% growth in the Indian economy, negative growth for the first time in 60 years, largely due to the impact of covid-19.

The medium and heavy commercial vehicle market started the last financial year with a strong first quarter. However, the slowdown in both the global and Indian

economy affected our customers adversely. The increasing cost of insurance, tolls and drivers affected the domestic truck customer sentiment. The medium and heavy commercial vehicle market saw a decline of around 50% in 2019-20. The decline was most significant in the multi-axle vehicle segment that uses more wheels.

The light commercial and small commercial vehicle markets saw a drop of between a quarter and a third of the previous year's volume. The bus market was stable in the year under review, bolstered by orders from the state transport undertakings.

The tractor market saw the impact of cyclicity, after three years of continued growth. This resulted in the Indian tractor market declining by 13% in 2019-20.

As the economy slowed down in the last financial year and as banks became more risk averse, the passenger vehicle market was adversely affected coming down by 18%. This was also impacted by declining prospects in the job market, with the slowing down of the economy. The year also saw a shift in the market with the sports utility vehicle segment gaining at the expense of the car segment.

Your Company's sales of forged aluminium wheels were stable with increased volumes from the United States offsetting a drop in volume from European customers. The team at Wheels India did a lot of work last year on improving the competitiveness of the product for global markets.

The construction equipment industry in India declined by almost 30% last year, following the slowing down of the economy. The global industry saw a cyclical decline following high volumes in the previous year. The segment of the mining equipment industry that we support saw a decline in volume due to decline in commodity demand from China in the second half of the year.

Your Company's air suspension business for buses had a good year with a healthy flow of orders from

state transport undertakings resulting in offtake of systems by our customers. This was however offset by the decline in the demand for systems for lift axles that bore the brunt of the decline in commercial vehicles.

Wheels India has emerged as a major supplier to windmill manufacturers in India. We saw an increase in our domestic volumes due to increased export of windmill sub-systems by our international customers in India. Further, we started export of parts that were awarded as a result of a global tender of one of our multinational customers. This resulted in considerable growth in our supply of components to windmill manufacturers to the extent of 70% last year.

The year under review also saw substantial growth in our supplies of bogie frames for LHB coaches to Indian Railways as we were able to increase our share of business within the scope of supply.

The declining international trade and slowing down global economy resulted in a 20% decline in export of products by your Company vis-a-vis the previous financial year.

In the last financial year, there was a lag in the reduction of steel prices vis-à-vis scrap prices resulting in lower realization for your Company. While there was an overall reduction in steel prices this lag affected our profitability in the year under review.

There has been considerable fixed capital additions by the Company in 2018-19 and 2019-20. The depreciation and interest from these investments affected the Company in the last financial year as revenues dropped by over 20%. The fixed manpower cost was also exposed when there was considerable drop in the automotive and construction wheel business. These elements resulted in the profit before tax, interest coverage ratio and return on net worth dropping.

The spread of the global pandemic in India resulted in the government imposing a national lockdown that resulted in a stop of your Company's operations in the

latter part of March. While we did enable work at home facilities for our employees where possible, being essentially a manufacturing company, our revenues came to a standstill. The government also advised companies to pay salaries and wages to all employees whether permanent or temporary for the period of the lockdown till May 18th.

The health and safety of our employees are of utmost importance to your Company. We had an internal team put in place various safety and health precautionary systems in place in production and other parts of the plant, prior to the start of operations. The lockdown has been through various phases with some limited activity allowed from the end of April, through May. In our Company during this period we focused on serving export customers. In the second half of May, as domestic customers started operations in a limited manner we started sales to domestic customers. Unfortunately, Tamil Nadu and Maharashtra, two states where we have significant operations were severely affected by the pandemic, and are likely to have limitations on operations in the immediate term.

The impact of the lockdown over most of the first quarter will affect your Company's prospects in the coming year. In addition, both the global and the Indian economy are likely to see a sharp slowdown in FY21. This will have a significant impact on your Company's prospects in the coming year.

The negative growth in the economy will affect demand for commercial vehicles, even after significant de-growth in the previous year. While fuel prices have dropped in the international markets, there has been no pass through of these benefits to truck and bus operators. These end customers are also facing a major shortage of drivers, as many of them have returned to their hometowns. The coming year also sees the introduction of BS VI norms that increases the cost of vehicles. All these factors will continue to depress the demand for medium and heavy commercial vehicles in the coming year, even after the lifting of the national lockdown.

It is expected that due to the fiscal condition of the state governments, there will be limited funds available to state transport undertakings to order new buses. This and the reduction of travel within the country is likely to severely affect demand for buses in the coming year. The slowing economy will also affect demand for small and light commercial vehicles as well.

We expect the forged aluminium business of your Company to maintain at last year's levels despite the decline in the global economy, as new business opportunities make up for drop in demand.

The agricultural economy is expected to do well in the coming year, with the expectations of good monsoons, reasonable ground water levels and with the rural economy less affected by covid-19 than urban India. The government has also committed to increased spend on MNREGA and introduced various schemes for the farm economy post-covid-19. While the national lockdown till the middle of May meant no production of tractors during this period, this segment is expected to see demand at close to the same level as last year.

The slowing global economy will affect demand for construction and mining wheels for your Company in the coming year. The earthmoving equipment industry was already facing headwinds in FY20, and the slowdown will only worsen the situation. There is a positive development in that, customers in this segment are open to change the mix of their global sourcing, and this could open opportunities for us in the coming years.

The air suspension system business of your Company will be adversely affected by the limited buying of buses by state transport undertakings in the current year, given wider deficits at the various state governments. The suspension systems that we supply for lift axles to truck manufacturers is likely to see limited demand in the coming year.

Even as we were not able to manufacture components for windmills in any volume till the middle of May, we

see stable demand from international markets both by way of direct exports as well as manufacture of components for sub-systems that will be exported out of India by multinational windmill manufacturers. We are increasingly being recognized as part of the global supply chain in this industry. A number of the western windmill manufacturers have also stated that de-risking of their sourcing could open future opportunities for us.

The Indian Railway factories had shut down operations till the middle of May and the demand for bogie frames from us is expected to be reasonable in the remaining months of the year.

While demand generation is likely to be a problem in our various industry segments in the coming year, manpower supply and working hour constraints will limit us till the lockdown criteria are eased in our main manufacturing locations. The spread and control of the pandemic within the country and the government actions will govern that.

Your Company has made a significant investment in a cast aluminium wheel plant that should start operations in the second quarter of the coming year. The plant will cater primarily to OEMs and after-market requirements in international markets.

The commencement and continuation of operations at our facilities has only been possible due to the dedication and commitment of the Wheels India team who in these turbulent and uncertain times have committed themselves whole-heartedly towards the Company and ensuring customer requirements are met. At the same time, we are enhancing our quality, health and safety systems to align with the challenging times ahead.

Your Company is and will be taking various steps to improve our cost structure in this most difficult year ahead of us. I am confident that with this effort and the continued support of our customers, bankers, suppliers and communities around our plants that we will strengthen our Company to survive these turbulent

times and be there to make use of opportunities that arise in the future.

WIL Car Wheels Limited (WCWL), your Company's subsidiary had a difficult year with a reduction in demand for passenger vehicles. The higher percentage of sports utility vehicles in the passenger vehicle mix also meant a lower proportion of steel wheels. The drop in sales with a new plant in Gujarat, resulted in low capacity utilization and losses in the year under review. This restrictions on operations imposed by the lockdown has meant that our operations have been and will be severely affected from the latter part of March to the end of the first quarter.

Any improvement in the passenger vehicle market will depend on the easing of the lockdown and any improvement in sentiment post-lockdown. While we are in discussion with the WCWL team and partner on ways to improve our situation, the prospects will be limited in the coming year and dependent on the recovery of the economy.

FORM NO. MR-3
SECRETARIAL AUDIT REPORT
FOR THE FINANCIAL YEAR ENDED 31.03.2020

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No.9 of the Companies
(Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,

The Members,

WHEELS INDIA LIMITED

Chennai

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by M/s. Wheels India Limited, (hereinafter called the Company). Secretarial Audit was conducted based on records made available to us, in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion/understanding thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and made available to us and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we, on strength of those records, and information so provided, hereby report that in our opinion and understandings, the Company, during the audit period covering the financial year ended on March 31, 2020, appears to have complied with the statutory provisions listed hereunder and also in our limited review, that the Company has proper and required Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter.

We have examined the books, papers, minutes' book, forms and returns filed and other records maintained by the Company and made available to us for the financial year ended on March 31, 2020 according to the applicable provisions of:

- i) The Companies Act, 2013 (the Act) and the rules made thereunder and the Companies Act, 1956 and the rules made thereunder as applicable;
- ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings to the extent applicable;
- v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992('SEBI ACT') to the extent applicable during the year:-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009 as substituted by the Securities and Exchange Board of India (Issue of Capital And Disclosure Requirements) Regulations, 2018;

- d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
- e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008;
- f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
- g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; and
- h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998 as substituted by the Securities and Exchange Board of India (Buy-Back of Securities) Regulations, 2018.

We have also examined compliance with the applicable clauses of the following:

- i) Secretarial Standards issued by The Institute of Company Secretaries of India with respect to Meetings of Board of Directors (SS-1) and General Meetings (SS-2).
- ii) The Listing Agreements entered into by the Company with National Stock Exchange of India Limited and The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the period under review, the Company has complied in accordance with the requirements to be met with the applicable provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above to the extent applicable during the year.

It is represented to us that the company has initiated measures, wherever required, to address issues raised by the statutory authorities and letters/notices received by the Company during the financial year under various enactments as applicable to the company.

We further report that, subject to the above, the related documents that we have come across depict that:

The Board of Directors of the Company is constituted as applicable with proper balance of Executive Directors, Non-Executive Directors and Independent Directors and the changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

Majority decision is carried through while the dissenting members' views are captured and recorded as part of the minutes.

We further report that based on our limited review of the compliance mechanism established by the Company, there appear adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period, the Company has sought the approval of its members for following major events other than transaction of ordinary business at the Annual General Meeting:

- a. Ratification of remuneration of Cost Auditor M/s. Geeyes & Co. for audit of the Cost records of the Company for the year ending 31.03.2020 at a remuneration of Rs. 7 lakhs per annum excluding service tax and travel and reimbursement of out-of-pocket expenses;
- b. Re-appointment of Mr. S Prasad as Independent Director for a further term of five years w.e.f 08.09.2019
- c. Re-appointment of Mr. Aroon Raman as Independent Director for a further term of five years w.e.f 08.09.2019

-
- d. Appointment of Mr. Raghuttama Rao as Independent Director for a term of five years w.e.f 13.11.2018
 - e. Appointment of Mrs. Sumithra Gomatam as Independent Director for a term of five years w.e.f 24.04.2019
 - f. Payment of Commission to Mr. S. Ram, Chairman and Non – Executive Director for the financial year ending 31.03.2020.

It was observed by us during the Audit that few forms were filed with delay during the year which the management replied as occurred on account of some technical issues in the Regulator's website in filing of the forms.

We further report that our Audit was subjected only to verifying adequacy of systems and procedures that are in place for ensuring proper compliance by the Company and we are not responsible for any lapses in those compliances on the part of the Company.

Conservation of Energy

Your Company has implemented various energy conservation activities across all plant locations. Energy saving projects have been implemented on the following themes.

There is a continuous focus on pneumatic systems within plants to identify and eliminate leakage points, and also to reduce compressed air consumption. Your Company has substituted pneumatic hoists with electric hoists to reduce energy consumption. There is an increased usage of variable speed drives for motors, energy efficient motors, and energy efficient water pumps. This combined with the use of energy efficient lighting systems and increase of natural lighting during daytime, has lowered the electricity consumption.

Your Company extensively uses renewable energy sources to power its factories. For Tamil Nadu plants, approximately 50% of the energy is powered by wind energy. There is also use of solar thermal energy and briquettes to fuel paint plant processes. Your Company has started replacing diesel forklifts with electric forklifts and has reduced the dependence on furnace oil in plants located in Tamil Nadu and Uttar Pradesh to improve air quality. There are also extensive efforts to reduce water consumption across the plants.

Technology Absorption

In Year 2019-20, your Company uses a scientific approach for launching new wheel and non-wheel products. Based on the effort the Research & Development teams have put in, your Company has

applied for 12 patents on successful development of new and innovative products. Development of the new products for both the domestic and global markets, and for continuous improvement of existing products are streamlined by 5 stage project management approach. The new process that was formulated, leverages a structured approach in the product development system which ensured seamless product and process design, resulted in well-timed implementation of the new concepts to reality products. This has made to improve on the implementation timeline and first time right products. In the Year 2019- 2020, your Company has developed a total of 252 new products.

Your Company has leveraged its state-of-the-art R&D testing facility for material and product development to develop market-leading products including a slew of value engineering concepts to customers. These concepts optimize the product for cost and performance and ensure they meet or exceed the requirements of customers. The Research and Development test center and Material Test Laboratory is equipped with globally-accepted testing facilities which is capable of validating wheels, suspension systems, and fabricated parts and also characterization of materials and coating systems. The test facility and systems comply with all domestic and international standards. The Material Testing Laboratory is accredited by NABL for ISO/IEC 17025 system for mechanical and chemical testing of materials, which provides the world class reports. A big focus on the field data management system and correlation of field data to lab results has helped the team build a better simulation environment and improve the design performance at a lower cost. This

helps your Company reduce the development time, reduce the development cost and meet the customer's product requirements.

Your Company continues to excel in the development of air suspension assembly, lift axle assembly, energy equipment parts for wind energy, and railway components with the introduction of new products that are designed with lean manufacturing and DFMA concepts. Given the competitive nature of the businesses we serve, your Company is focusing on developing new designs and technologies that are applicable for the market conditions. Your Company has become a major supplier of parts to the wind energy segment in an effort to widen the scope of supply to the wind energy segment.

SECTION E: PRINCIPLE WISE PERFORMANCE

Principle 1: Businesses should conduct and govern themselves with Ethics, Transparency and Accountability

1. Does the policy relating to ethics, bribery and corruption cover only the Company? Yes / No. Does it extend to the Group / Joint Ventures / Suppliers / Contractors / NGOs / Others?

Yes, the policy covers the Company and its subsidiary.

2. How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so.

From	Received and Resolved during the year 2019-20
Shareholders	Nil
Depositors	Nil
Customers	Received 125 complaints across all types of Products, all of which have been resolved

Principle 2: Businesses should provide goods and services that are safe and contribute to sustainability throughout their life cycle

1. List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and / or opportunities.

The Company is growing and continuously improving its products to meet customer requirements. The Company is committed to be an environmental friendly organization and has a dedicated environmental policy across all its plants.

There are three products whose design has incorporated social or environmental concerns, risks and opportunities:

- a) Parts for Railway bogies
- b) Aluminium wheels
- c) Earth mover wheels

2. For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product (optional):

- i) Reduction during sourcing / production / distribution achieved since the previous year throughout the value chain?
- ii) Reduction during usage by consumers (energy, water) has been achieved since the previous year?
 - a) Earth mover wheels – Adopted environmentally friendly paint from International source. Reduced weight of parts by using new innovative process
 - b) Railway parts – Efficient usage of Raw material (steel) by using technologically advance nesting software.
 - c) Forged Aluminium Wheel – Recycling and reuse of swarf in a major portion by way of converting them in to ingots and subsequently cast as billets for forging.

3. Does the Company have procedures in place for sustainable sourcing (including transportation)?

- i) If yes, what percentage of your inputs was sourced sustainably? Also, provide details thereof, in about 50 words or so.

Yes, the Company is certified under IATF -16949-2016 and under Environmental Management Systems (EMS 14001-2015). It has procedures in place to support sustainable sourcing activities. These procedures are followed during vendor evaluation and applicable for suppliers to select few customers of WIL as per audit plan and procedure. Approximately ~10% of products / services are sourced in a sustainable manner.

- a) Optimized transportation of incoming material and returnable packaging / bio-degradable material packaging solutions for incoming and inter-plant transfers
- b) Partner with Government approved agencies in dealing with storage, handling and disposal of hazardous chemicals

4. Has the Company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work?

If yes, what steps have been taken to improve their capacity and capability of local and small vendors?

Yes, the Company procures goods and services from MSME's (Micro, Small and Medium Enterprises). The Company assesses their capability on a regular basis and provides technical and financial assistance to improve their capability and capacity wherever required. The Company continuously sources a variety of products and services that include:

- a) Purchase of Product stores.
- b) Indigenization of spare parts for machines
- c) Outsourcing of manufacturing processes (e.g., part machining, tool building etc.)
- d) Machinery for construction and plant engineering

5. Does the Company have a mechanism to recycle products and waste? If yes, what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%). Also, provide details thereof, in about 50 words or so.

- a) The Company has a culture of continuously recycling products and waste. Wheels are typically transported using returnable / reusable materials and are often used for several years. However, when wooden / corrugated packing materials are used, they are recycled. The value of such items may be <5 % of overall procurement. Disposal of lead waste and battery waste are done through authorized recyclers. Paint sludge is being recycled through patented process and only a very small quantity is sent to cement manufacturers, to use as fuel for their processes.
- b) Steel scraps generated are being sold to casting industries, re-rollers and to other industries as an input into their processes
- c) Aluminium scrap is being sent to smelting unit and is recycled into Aluminium ingots / billets for further use within our factories.
- d) Industrial water waste in ETP is treated and recycled back to the manufacturing process as feed water to DM water plant (>10%). Domestic waste water in STP is treated and reused for gardening and toilet use. Thinner from paint sludge is extracted and reused for spray gun washing in paint plants (<5%).

INDEPENDENT AUDITOR'S REPORT

To the Members of Wheels India Limited

Report on the Audit of the Standalone Financial Statements

1. Opinion

We have audited the Ind AS financial statements of Wheels India Limited ("the Company"), which comprise the Balance Sheet as at 31st March 2020, and the statement of Profit and Loss, statement of changes in Equity and statement of Cash Flows for the year then ended, and notes to the Ind AS Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Ind AS Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2020, and Profit, changes in Equity and its Cash Flows for the year ended on that date.

2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We

believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

3. Emphasis of Matter

We draw attention to Note 48 of the Statement wherein the Company has disclosed its Assessment of the Covid-19 pandemic. As mentioned therein, the assessment of the Management does not indicate any material effect on the carrying value of its assets and liabilities of the Company on the reporting date or any adverse change in the ability of the Company to continue as a Going Concern. The assessment of the Management is dependent on the circumstances as they evolve considering the uncertainties prevailing in the economic situation.

Our opinion is not modified in respect of this matter.

4. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report.

5. Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and

Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance Report and Shareholder's Information, but does not include the Ind AS financial statements and our auditor's report thereon.

Our opinion on the Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Ind AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

6. Responsibility of Management for Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Ind AS Financial Statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and

other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Those Board of Directors are also responsible for overseeing the company's financial reporting process.

7. Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Ind AS Financial Statements.

As part of an audit in accordance with Standards on Auditing, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required

to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- e) Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

8. Report on Other Legal and Regulatory Requirements

- i) As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "Annexure A" to this report a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ii) As required by Section 143(3) of the Act, we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- c) The Balance Sheet, the Statement of Profit and Loss, and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters to be included in the Auditor's Report in accordance with the

requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

“Annexure - B” to the Auditors’ Report Referred to in Paragraph 8 of Our Report of Even Date

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Wheels India Limited (“the Company”) as of 31 March 2020 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (“the Act”).

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing,

issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Ind AS financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting

and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial

controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

A. SIGNIFICANT ACCOUNTING POLICIES

a) Basis of Preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as 'Ind AS') notified under Companies (Indian Accounting Standards) Rules 2015.

The financial Statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently for all the periods presented in the financial statements.

The preparation of the financial statements, in conformity with generally accepted accounting principles, requires the use of estimates and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amounts of revenues and expenses during the period and disclosure of contingent liabilities as at that date. The estimates and assumptions used in these financial statements are based upon the management's evaluation of the relevant facts and circumstances as of the date of the financial statements.

The Assets and Liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. The Company's normal operating cycle has been ascertained as 12 months based on the nature of products and the time between acquisition of assets for processing and their realisation in cash or cash equivalents.

b) These financial statements are prepared under the historical cost convention unless otherwise indicated.

c) Property, Plant and Equipment

- a) Property, plant and equipment is stated at acquisition cost net of GST credits as reduced by accumulated depreciation and accumulated impairment losses, if any.
- b) Depreciation on Property, Plant and Equipment has been provided under the Straight Line Method in accordance with Schedule II of the Companies Act, 2013.
- c) Leasehold Land: Premium paid on Leasehold Land is amortised over the lease period.
- d) The expenditure during construction period relating to the new project till the commencement of commercial production is capitalised and allocated to the relevant equipments.
- e) In accordance with IndAS 23, the borrowing costs attributable to the qualifying assets that necessarily takes substantial period to get ready for its intended use are capitalised.
- f) Grants received for Investment in Property Plant & Equipment are recognized in Statement of Profit or Loss on a systematic basis over the useful life of the asset.
- g) The cost of software relating to ERP is amortised over the estimated useful life viz., 5 years. The cost of other intangible assets are amortised over the estimated useful life viz., 3 years.
- h) Upon first time adoption of IndAS, the carrying value of all the assets as at Transition date i.e. 01st April 2016 has been considered as its Deemed cost.

d) Investments in Subsidiaries and Associates

Investments in subsidiaries and associates are carried at cost less accumulated impairment losses if any.

e) Inventories

The stock of raw materials, stores, loose tools and goods in transit are valued at cost (net of GST credits) on weighted average basis. The stock of finished goods and work-in-progress are valued at cost (net of GST credits including appropriate overheads) or net realisable value whichever is lower.

f) Financial instruments

i) Financial assets:

Financial asset is recognised at fair value. In case of financial assets which are recognised at fair value through profit and loss, its transaction cost is recognised in the Statement of profit and loss. In other cases, the acquisition cost of the financial assets is net of the attributable transaction cost. Financial assets are subsequently classified and measured at:

- i) Amortised cost or
- ii) Fair Value through profit and loss (FVTPL)
- iii) Fair Value through other comprehensive income (FVTOCI)

Trade receivables and Loans:

Trade receivables and Loans are initially recognised at fair value. Subsequently, these assets are held at amortised cost, using Effective Interest Rate method net of any expected credit losses. The Effective Interest Rate is the rate that discounts estimated future cash receipts through the expected life of financial instrument.

Investments:

All investments in equity instruments (other than in Subsidiaries and Associates covered under (d) above) classified under financial assets, are initially measured at fair value. Fair Value changes on an Equity instruments is recognised in the Statement of Profit and Loss or Other Comprehensive Income, as the case may be. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

ii) Financial liabilities:

Financial liabilities are initially measured at amortised cost. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost using Effective Interest Rate method.

g) Provisions and Contingent liabilities:

Provisions are recognised when the Company has a present obligation as a result of an event and is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligations. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either

not probable that a outflow of resources will be required to settle the obligation or the amount of obligation cannot be measured with sufficient reliability.

h) Revenue recognition:

Revenue from the sale of goods is recognised when the control over the goods have been transferred to customers. Service income is recognised once the obligations are performed. Interest income is recognised at Effective Interest Rate method. Dividend income is recognised when right to receive the payment is established. Export incentives are recognised as revenue as and when exports are made.

i) Employee Benefits

Provident Fund:

Eligible employees receive benefits from Provident Fund which is defined contribution plan. Both, the employees and the Company make monthly contributions to the regional provident fund authorities/ Company's Employees Provident Fund Trust. The Company has an obligation to make good the shortfall, if any between the return from the investments made from the trust and the notified interest rate accrued to the employees account.

Gratuity:

The gratuity plan provides for a lump sum payment to vested employees eligible for gratuity at the time of retirement, death, incapacity or termination of employment. Liabilities with regard to the gratuity plan are determined by actuarial valuation as at the Balance Sheet date based upon which the Company contributes all the ascertained liabilities to LIC, which is the administrator of the plan.

Unencashed Leave Salary:

Unencashed leave salary is accounted on actuarial valuation and the Company contributes part of the ascertained liabilities to SBI Life Insurance Company Limited, which is the administrator of the plan.

Others:

Contributions to defined contribution schemes such as Employees State Insurance, Superannuation are charged as expenses based on the amount of contribution required to be made. These benefits are classified as defined contribution schemes as the Company has no obligation beyond what has been recognised as expense in the Statement of profit and loss.

j) Research & Development expenses:

Revenue expenditure on Research & Development is charged to profit & loss account in the year in which it is incurred.

k) Leases:

The Company has applied IND AS 116 using modified retrospective approach. The Lease liability is initially measured at the present value of remaining payments as at the commencement date discounted using the lessee's incremental borrowing rate. The cost of Right of Use Assets shall comprise of amount of initial measurement of lease liability adjusted for any payments made after or before the commencement of lease term less any lease incentive received. The Leased Assets are depreciated on straight line basis over the period of lease.

IND AS 17 (for Previous Years)

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased assets are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss as per the lease terms.

l) Foreign Currency Transactions

Transactions in Foreign currencies are accounted at the rates of exchange prevailing as on the date of the transaction. Exchange differences arising on the settlement of such transactions are recognised in the Statement of Profit and Loss. Monetary assets and liabilities denominated in foreign currency are reinstated at the rate of exchange prevailing on the reporting date.

m) Derivative contracts:

Forward contracts are entered to hedge the foreign currency risk. The profit/ loss arising on these contracts is accounted for as income/ expenditure on the date of settlement of the contract.

The outstanding contracts are Marked to Market on the reporting date and the net loss/ gain arising therefrom is recognised in the Statement of Profit and Loss.

n) Earnings per share:

Earnings per share (EPS) is computed by dividing the net profit/ (loss) after tax for the year attributable to the equity shareholders by weighted average number of equity shares outstanding during the year

o) Income taxes

Current tax is the amount of tax payable on the taxable income for the year and is determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognised using the Balance sheet approach. Deferred tax assets and liabilities are recognised for temporary differences arising between the tax base of assets and liabilities and their carrying amount.

Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Other deferred tax assets are recognised if there is reasonable certainty that there will be sufficient future taxable income available to realise such assets.

Deferred tax assets and liabilities are measured at the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred liability is settled.

- v) Trade Receivables, Trade Payables, Cash and Cash Equivalents and Other Financial Assets and Liabilities are stated at amortized cost which approximates their fair value.

Financial risk management

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risk and credit risk. The Risk management policies have been established to identify and analyse the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review and reflect the changes in the policy accordingly.

a) Management of Liquidity risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities. In doing this, management considers both normal and stressed conditions.

The Company regularly monitors the rolling forecasts and the actual cash flows to service the financial liabilities on a day-to-day basis through cash generation from business and by having adequate banking facilities.

The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows along with its carrying value as at the Balance sheet date.

Rs. In Crores

	Payable within one year	More than one year	Total
As at 31st March, 2020			
Non-Derivative Liabilities

Borrowings	224.71	178.03	402.74
Other Financial Liabilities	94.90	—	94.90
Derivative Liabilities			
Forward exchange contracts	—	—	—

b) Management of market risk:

The Company is exposed to the following market risks which affects the value of the Financial instruments:

1. Currency risk
2. Interest rate risk

i) Foreign currency risk

Foreign currency risk is the risk that the fair value of or future cash flows of an exposure will fluctuate because of the changes in foreign exchange rates. As at 31st March, 2020, the net un-hedged exposure to the Company on holding such financial assets and liabilities amounts to Rs.76.81 Crores.

The Company manages currency exposures by continuously monitoring the Foreign currency rates with the transaction rate and takes steps to mitigate the risk using Forward/ Derivative contracts.

Sensitivity to risk

A 5% strengthening of the INR against foreign currencies to which the Company is exposed (net of hedge) would have led to approximately an additional Gain of Rs. 3.84 Crores in the Statement of Profit and Loss. A 5% weakening of the INR against these currencies would have led to an equal impact but with opposite effect.

The Foreign exchange forward contracts as at 31st March, 2020 is "3"(No of sell Contracts - 3) (31st March,2019 - 6 buy contracts)

ii) Interest rate Risk

Interest rate is the risk that the Fair value of future cash flows of a financial instruments will fluctuate because of changes in market interest rates. The Company has Rs. 408.31 crores Borrowings at Floating rate of Interest as at 31st March, 2020 (previous year Rs. 314.55 crores).

Sensitivity to risk

An increase in interest rate of 1% will likely to affect the profit negatively by Rs. 4.08 crores and a decrease of 1% would have led to an equal impact but with opposite effect.

c) Management of credit risk

Credit risk is the risk of financial loss to the Company if the other party to the financial assets fails to meet its contractual obligations.

i) Trade Receivables:

Concentration of credit risk with respect to trade receivables are limited as the customers are predominantly Original Equipment manufacturers (OEs). All trade receivables are reviewed and assessed for default on a quarterly basis. Our historical experience of collecting receivables is that credit risk is low. Hence, trade receivables are considered to be a single class of financial assets. Refer Note (f) for accounting policy on Financial Instruments.

ii) Other Financial Assets:

The Company has exposure in Cash and cash equivalents and term deposits with banks. The Company's maximum exposure to credit risk as at 31st March 2020 is the carrying value of each class of financial assets as on that date.

42 Borrowing Costs in accordance with IndAS 23:

46 Disclosures relating to leases in accordance with Ind AS116:

The Company has applied Ind AS 116 retrospectively with the cumulative effect of initially applying the standard at the date of initial application. The lessee shall recognise the cumulative effect of applying this standard as an adjustment to the opening balance of retained earnings. The comparative information in the financial statement would not be restated and will be presented as per Accounting Standard Ind AS 17. As at the date of transition, as a practical expedient, the Company has not reassessed whether a contract is, or contains a lease as per the option given in the standard. The Lease liability is initially measured at the present value of remaining payments as at the commencement date discounted using the lessee's incremental borrowing rate. The cost of Right of Use Assets shall comprise of amount of initial measurement of lease liability adjusted for any payments made after or before the commencement of lease term less any lease incentive received. The Company has not applied the requirements of Ind AS 116 to leases for which remaining lease period is less than 12 months. Accordingly they are classified as short term leases. The Company has recognised lease liability at present value of remaining payments at Rs. 1.84 crores discounted at incremental borrowing rate of 9.30%. The Company has measured Right of Use Assets at an amount equal to the lease liability as provided by Ind AS 116.

- 48** The spread of COVID - 19 has impacted global economic activity as has been witnessed in several countries. There have been severe disruptions in businesses in India during the Lock down period. The Company has resumed production and export and domestic sales are picking up. The situation is evolving and the assessment of impact due to COVID-19 is a continuous process, given the uncertainties.

Management has conducted the possible impact of known events arising from COVID -19 pandemic in the preparation of these financial statements and has analysed events post Balance Sheet date and believes that there will not be any material effect on the carrying values of the assets and liabilities of the Company on the reporting date and there is no change in its ability to continue as a Going Concern.

- 49** Previous year's figures have been regrouped wherever necessary to conform to this year's classification.

**CONSOLIDATED
FINANCIAL STATEMENTS
2019-2020**

INDEPENDENT AUDITOR'S REPORT

To the Members of Wheels India Limited

Report on the Audit of the Consolidated Ind AS financial statements

1. Opinion

We have audited the accompanying Consolidated Ind AS financial statements of Wheels India Limited("the Holding Company") ,its subsidiary (together referred as "Group") and its associate which comprise the Consolidated Balance Sheet as at March 31, 2020, and the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Cash Flow statement and the statement of changes in Equity for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Ind AS financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of their consolidated state of affairs of the Company as at March 31, 2020, of consolidated profit, consolidated changes in equity and its consolidated cash flows for the year then ended.

2. Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS financial statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by Institute of Chartered Accountants of

India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

3. Emphasis of Matter

We draw attention to Note 50 of the Statement wherein the Company has disclosed its Assessment of the Covid-19 pandemic. As mentioned therein, the assessment of the Management does not indicate any material effect on the carrying value of its assets and liabilities of the Company on the reporting date or any adverse change in the ability of the Company to continue as a Going Concern. The assessment of the Management is dependent on the circumstances as they evolve considering the uncertainties prevailing in the economic situation.

Our opinion is not modified in respect of this matter.

4. Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to be communicated in our report in respect of Wheels India Limited.

5. Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance Report and Shareholder's Information, but does not include the Consolidated Ind AS financial statements and our auditor's report thereon.

Our opinion on the Consolidated Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Ind AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

6. Responsibilities of Management for the Consolidated Ind AS financial statements

The Holding Company's Board of Directors is responsible for the preparation and presentation of these consolidated Ind AS financial statements in term of the requirements of the Companies Act, 2013 that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its Associates in accordance

with the accounting principles generally accepted in India, including the Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and of its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated Ind AS financial statements, the respective Board of Directors of the companies included in the Group and of its associate are responsible for assessing the ability of the Group and of its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate are responsible for overseeing the financial reporting process of the Group and of its associate.

7. Auditor's Responsibilities for the Audit of the Consolidated Ind AS financial statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- a) Identify and assess the risks of material misstatement of the Consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- b) Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible

for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

- c) Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- d) Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associates and to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
- e) Evaluate the overall presentation, structure and content of the Consolidated Ind AS financial statements, including the disclosures, and whether the Consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- f) Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate to express an opinion on the

Consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Ind AS financial statements of which we are the independent auditors. For the other entities included in the Consolidated Ind AS financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated Ind AS financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless

law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

8. Other Matters

We did not audit the financial statements of the subsidiary, whose financial statements reflect total assets of Rs. 227.99 Crores as at 31st March, 2020, total revenues of Rs. 301.32 crores and net cash inflow amounting to Rs. 0.01 crores for the year ended on that date, as considered in the Consolidated Ind AS financial statements. The Consolidated Ind AS financial statements also include the Holding company's share of net loss of Rs. 0.07 crores for the year ended 31st March, 2020, in respect of one associate, whose financial statements have not been audited by us. These financial statements of the subsidiary and associate companies have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of the subsidiary and associate, and our report in terms of sub-sections (3) of Section 143 of the Act, insofar as it relates to the aforesaid subsidiary and associate, is based solely on the reports of the other auditors.

Our opinion on the Consolidated Ind AS financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

9. Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report, to the extent applicable, that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Ind AS financial statements.
- b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements.
- d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Accounting Standards specified under Section 133 of the Act.
- e) On the basis of the written representations received from the directors of the Holding Company as on 31st March, 2020 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary company and associate company incorporated in India, none of the directors of the Group companies and its associate company incorporated in India is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- f) With respect to the adequacy of internal financial controls over financial reporting of

the Group and the operating effectiveness of such controls, refer to our separate report in "Annexure A".

- g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Group to its directors during the year is in accordance with the provisions of section 197 of the Act.

- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- (i) The Group has disclosed the impact of pending litigations on its financial position in its Consolidated Ind AS financial statements – Refer Note 28(i)(b) to the Consolidated Ind AS financial statements.
- (ii) The Group did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
- (iii) There has been no delay in transferring the amounts required to be transferred to the Investor Education and Protection Fund by the Company.

“Annexure - A” to the Auditors’ Report

Referred to in Paragraph 9 of Our Report of Even Date

Report on the Internal Financial Controls under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the Consolidated Ind AS financial statements of the Company as of and for the year ended March 31, 2020, we have audited the internal financial controls over financial reporting of Wheels India Limited (hereinafter referred to as “the Holding Company”) and its subsidiary company, which are companies incorporated in India, as of that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding company, its subsidiary companies, its associate companies which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (ICAI)”. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial

reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s

internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are

subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary company, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2020, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to one subsidiary company and one associate company which are incorporated in India, is based on the corresponding report of the auditors of such company incorporated in India.

Consolidated - Notes on Accounts

A. Principles of Consolidation

The Consolidated Financial Statements (CFS) relate to Wheels India Limited ('the Company) and the Company's subsidiary and the share of profit in its associate (jointly considered as "Group" hereinafter). The CFS have been prepared on the following basis:

a) Subsidiaries

Subsidiaries are entities controlled by the Group. The Group controls an entity when it is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power over the entity.

The financial statements of subsidiaries are included in the CFS from the date on which control is acquired until the date on which control ceases to exist. The acquisition method of accounting is used to account for business combinations by the Group.

The Group combines the financial statements of the Parent (WIL) and its Subsidiary line by line adding together like items of assets, liabilities, equity, income and expenses. Inter-Group transactions, balances and unrealised gains on transactions between Group Companies are eliminated. Unrealised losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the Consolidated Statement of profit and loss, Consolidated statement of changes in equity and balance sheet respectively.

b) Associates

The CFS include the Share of profit of an associate company which have been accounted for using equity method as per "Accounting Standard (IndAS) 28 Investments in Associates and Joint Ventures" in CFS. Accordingly, the share of profit of the associate company has been added to the cost of investments.

The difference between the cost of investments in the associate and the share of net assets at the time of acquisition of shares in the associate is identified in the CFS as Goodwill or Capital Reserve as the case may be.

The financial statements of an Associate and Subsidiary used in the CFS are drawn upto the same reporting date as that of the Company i.e. 31st March, 2020.

The CFS have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's separate financial statements.

Following entities have been considered in the preparation of the Consolidated Financial Statements:

Name of the Entity	Relationship	Country of Incorporation	% of Holding and Voting power
WIL Car Wheels Limited	Subsidiary	India	74.00%
Axles India Limited *	Associate	India	9.51%

* By virtue of Articles of Association of Axles India Limited

B. SIGNIFICANT ACCOUNTING POLICIES

a) Basis of Preparation

These financial statements have been prepared in accordance with the Indian Accounting Standards (hereinafter referred to as 'Ind AS') notified under Companies (Indian Accounting Standards) Rules 2015.

The financial Statements have been prepared on accrual and going concern basis. The accounting policies are applied consistently for all the periods presented in the financial statements.

The preparation of the financial statements, in conformity with generally accepted accounting principles, requires the use of estimates and assumptions that affect the reported amount of assets and liabilities as at the Balance Sheet date, reported amounts of revenues and expenses during the period and disclosure of contingent liabilities as at that date. The estimates and assumptions used in these financial statements are based upon the management's evaluation of the relevant facts and circumstances as of the date of the financial statements.

The Assets and Liabilities have been classified as current or non-current as per the Group's normal operating cycle and other criteria as set out in the Division II of Schedule III to the Companies Act, 2013. The Group's normal operating cycle has been ascertained as 12 months based on the nature of products and the time between acquisition of assets for processing and their realisation in cash or cash equivalents.

b) These financial statements are prepared under the historical cost convention unless otherwise indicated.

c) Property, Plant and Equipment

- a) Property, plant and equipment is stated at acquisition cost net of GST credits as reduced by accumulated depreciation and accumulated impairment losses, if any.
- b) Depreciation on Property, Plant and Equipment has been provided under the Straight Line Method in accordance with Schedule II of the Companies Act, 2013.
- c) Leasehold Land: Premium paid on Leasehold Land is amortised over the lease period.
- d) The expenditure during construction period relating to the new project till the commencement of commercial production is capitalised and allocated to the relevant equipments.
- e) In accordance with IndAS 23, the borrowing costs attributable to the qualifying assets that necessarily takes substantial period to get ready for its intended use are capitalised.
- f) Grants received for Investment in Property Plant & Equipment are recognized in Statement of Profit or Loss on a systematic basis over the useful life of the asset.
- g) The cost of software relating to ERP is amortised over the estimated useful life viz., 5 years. The cost of other intangible assets are amortised over the estimated useful life viz., 3 years.
- h) Upon first time adoption of IndAS, the carrying value of all the assets as at Transition date i.e. 01st April 2016 has been considered as its Deemed cost.

**d) Inventories**

The stock of raw materials, stores, loose tools and goods in transit are valued at cost (net of GST credits) on weighted average basis. The stock of finished goods and work-in-progress are valued at cost (net of GST credits including appropriate overheads) or net realisable value whichever is lower.

e) Financial instruments**i) Financial assets:**

Financial asset is recognised at fair value. In case of financial assets which are recognised at fair value through profit and loss, its transaction cost is recognised in the Statement of profit and loss. In other cases, the acquisition cost of the financial assets is net of the attributable transaction cost.

Financial assets are subsequently classified and measured at:

- i) Amortised cost or
- ii) Fair Value through profit and loss (FVTPL)
- iii) Fair Value through other comprehensive income (FVTOCI)

Trade receivables and Loans:

Trade receivables and Loans are initially recognised at fair value. Subsequently, these assets are held at amortised cost, using Effective Interest Rate method net of any expected credit losses. The Effective Interest Rate is the rate that discounts estimated future cash receipts through the expected life of financial instrument.

Investments:

All investments in equity instruments (other than in Subsidiaries and Associates covered under (d) above) classified under financial assets, are initially measured at fair value. Fair Value changes on an Equity instruments is recognised in the Statement of Profit and Loss or Other Comprehensive Income, as the case may be. Dividend income on the investments in equity instruments are recognised as 'other income' in the Statement of Profit and Loss.

ii) Financial liabilities:

Financial liabilities are initially measured at amortised cost. In case of trade payables, they are initially recognised at fair value and subsequently, these liabilities are held at amortised cost using Effective Interest Rate method.

f) Provisions and Contingent liabilities:

Provisions are recognised when the Group has a present obligation as a result of an event and is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligations. Provisions are measured at the best estimate of the expenditure required to settle the present obligation at the Balance Sheet date.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not

wholly within the control of the Group or a present obligation that arises from past events where it is either not probable that a outflow of resources will be required to settle the obligation or the amount of obligation cannot be measured with sufficient reliability.

g) Revenue recognition:

Revenue from the sale of goods is recognised when the control over the goods have been transferred to customers. Service income is recognised once the obligations are performed. Interest income is recognised at Effective Interest Rate method. Dividend income is recognised when right to receive the payment is established. Export incentives are recognised as revenue as and when exports are made.

h) Employee Benefits

Provident Fund:

Eligible employees receive benefits from Provident Fund which is defined contribution plan. Both, the employees and the Group make monthly contributions to the regional provident fund authorities/ Wheels India Employees Provident Fund Trust. The Group has an obligation to make good the shortfall, if any between the return from the investments made from the trust and the notified interest rate accrued to the employees account.

Gratuity:

The gratuity plan provides for a lump sum payment to vested employees eligible for gratuity at the time of retirement, death, incapacity or termination of employment. Liabilities with regard to the gratuity plan are determined by actuarial valuation as at the Balance Sheet date based upon which the Group contributes all the ascertained liabilities to LIC, which is the administrator of the plan.

Unencashed Leave Salary:

Unencashed leave salary is accounted on actuarial valuation and the Group contributes part of the ascertained liabilities to SBI Life Insurance Group Limited, which is the administrator of the plan.

Others:

Contributions to defined contribution schemes such as Employees State Insurance, Superannuation are charged as expenses based on the amount of contribution required to be made. These benefits are classified as defined contribution schemes as the Group has no obligation beyond what has been recognised as expense in the Statement of profit and loss.

i) Research & Development expenses:

Revenue expenditure on Research & Development is charged to profit & loss account in the year in which it is incurred.

j) Operating Leases:

The Group has applied IND AS 116 using modified retrospective approach. The Lease liability is initially measured at the present value of remaining payments as at the commencement date discounted using

the lessee's incremental borrowing rate. The cost of Right of Use Assets shall comprise of amount of initial measurement of lease liability adjusted for any payments made after or before the commencement of lease term less any lease incentive received. The Leased Assets are depreciated on straight line basis over the period of lease.

IND AS 17 (for Previous Years)

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased assets are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss as per the lease terms.

k) Foreign Currency Transactions

Transactions in Foreign currencies are accounted at the rates of exchange prevailing as on the date of the transaction. Exchange differences arising on the settlement of such transactions are recognised in the Statement of Profit and Loss. Monetary assets and liabilities denominated in foreign currency are reinstated at the rate of exchange prevailing on the reporting date.

l) Derivative contracts:

Forward contracts are entered to hedge the foreign currency risk. The profit/loss arising on these contracts is accounted for as income/expenditure on the date of settlement of the contract.

The outstanding contracts are Marked to Market on the reporting date and the net loss/gain arising therefrom is recognised in the Statement of Profit and Loss.

m) Earnings per share:

Earnings per share (EPS) is computed by dividing the net profit / (loss) after tax for the year attributable to the equity shareholders by weighted average number of equity shares outstanding during the year

n) Income taxes

Current tax is the amount of tax payable on the taxable income for the year and is determined in accordance with the provisions of the Income Tax Act, 1961.

Deferred tax is recognised using the Balance sheet approach. Deferred tax assets and liabilities are recognised for temporary differences arising between the tax base of assets and liabilities and their carrying amount.

Deferred tax assets in respect of unabsorbed depreciation and carry forward of losses are recognised only if there is virtual certainty that there will be sufficient future taxable income available to realise such assets. Other deferred tax assets are recognised if there is reasonable certainty that there will be sufficient future taxable income available to realise such assets.

Deferred tax assets and liabilities are measured at the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period and are expected to apply when the related deferred tax asset is realised or the deferred liability is settled.

B. Fair value hierarchy

The fair value hierarchy is based on inputs to valuation techniques that are used to measure fair value that are either observable or unobservable and consists of the following three levels:

Level 1 hierarchy - Includes Financial Instruments measured using quoted prices in the active market.

Level 2 hierarchy - The Fair value of Financial Instruments that are not traded in an active market, is determined using valuation techniques which maximise the use of observable market data.

Level 3 hierarchy - Includes Financial Instruments for which one or more of the significant inputs are not based on observable market data. This is applicable for unlisted securities.

As at March 31, 2020	Level 1	Level 2	Level 3

i) The Fair value of an Equity Instruments classified as at Fair value through profit or loss included under Level 3 Investments is determined using Cost approach.

ii) The Fair value of an Equity Instrument classified as at Fair value through Other Comprehensive Income included under Level 3 Investments is determined using Discounted Cash flow technique.

iii) Valuation inputs for Discounted Cash flow technique are as follows:

For the year ended

Significant Unobservable Input:	31.03.2020	31.03.2019
a) Risk adjusted discount rate	11.52%	10.04%
b) Earnings Growth rate	2.00%	2.00%

iv) There are no transfers between Level 2 and Level 3 during the year.

v) Trade Receivables, Trade Payables, Cash and Cash Equivalents and Other Financial Assets and Liabilities are stated at amortized cost which approximates their fair value.

C. Financial risk management

The Company's business activities are exposed to a variety of financial risks, namely liquidity risk, market risk and credit risk. The Risk management policies have been established to identify and analyse the risks faced by the Company, to set and monitor appropriate risk limits and controls, periodically review and reflect the changes in the policy accordingly.

a) Management of Liquidity risk

Liquidity risk is the risk that the Company will face in meeting its obligations associated with its financial liabilities. The Company's approach in managing liquidity is to ensure that it will have sufficient funds to meet its liabilities. In doing this, management considers both normal and stressed conditions.

The Company regularly monitors the rolling forecasts and the actual cash flows to service the financial liabilities on a day-to-day basis through cash generation from business and by having adequate banking facilities.

The following table shows the maturity analysis of the Company's financial liabilities based on contractually agreed undiscounted cash flows along with its carrying value as at the Balance sheet date.

Other Financial liabilities	104.08	—	104.08
Derivative liabilities			
Forward exchange contracts	—	—	—

**b) Management of Market risk:**

The Company is exposed to the following market risks which affects the value of the Financial instruments:

1. Currency risk;
2. Interest rate risk

i) Foreign currency risk

Foreign currency risk is the risk that the fair value of or future cash flows of an exposure will fluctuate because of the changes in foreign exchange rates. As at 31st March, 2020, the net un-hedged exposure to the Company on holding such financial assets and liabilities amounts to Rs. 77.04 crores. (Previous Year - Rs. 135.25 crores).

The Company manages currency exposures by continuously monitoring the Foreign currency rates with the transaction rate and takes steps to mitigate the risk using Forward/ Derivative contracts.

Sensitivity to risk

A 5% strengthening of the INR against foreign currencies to which the Company is exposed (net of hedge) would have led to approximately an additional Gain of Rs. 3.85 Crores in the Statement of Profit and Loss. A 5% weakening of the INR against these currencies would have led to an equal impact but with opposite effect.

The Foreign exchange forward contracts as at 31st March, 2020 is "3"(No. of Sell Contracts - 3) (31st March, 2019 - No. of Buy Contracts - 6)

ii) Interest rate Risk

Interest rate is the risk that the Fair value of future cash flows of a financial instruments will fluctuate because of changes in market interest rates. The Company has Rs. 408.31 crores Borrowings at Floating rate of Interest as at 31st March, 2020 (previous year Rs. 314.55 crores).

Sensitivity to risk

An increase in interest rate of 1% will likely to affect the profit negatively by Rs. 4.08 crores and a decrease of 1% would have led to an equal impact but with opposite effect.

c) Management of Credit risk

Credit risk is the risk of financial loss to the Company if the other party to the financial assets fails to meet its contractual obligations.

i) Trade receivables:

Concentration of credit risk with respect to trade receivables are limited as the customers are predominantly original equipment manufacturers (OEs). All trade receivables are reviewed and assessed for default on a quarterly basis. Our historical experience of collecting receivables is that credit risk is low. Hence, trade receivables are considered to be a single class of financial assets. Refer Note (f) for accounting policy on Financial Instruments.

ii) Other financial assets:

The Company has exposure in Cash and cash equivalents and term deposits with banks. The Company's maximum exposure to credit risk as at 31st March, 2020 is the carrying value of each class of financial assets as on that date.

47 Disclosures relating to leases in accordance with IndAS116 :

The Group has applied Ind AS 116 retrospectively with the cumulative effect of initially applying the standard at the date of initial application. The lessee shall recognise the cumulative effect of applying this standard as an adjustment to the opening balance of retained earnings. The comparative information in the financial statement would not be restated and will be presented as per Accounting Standard Ind AS 17. As at the date of transition, as a practical expedient, the Company has not reassessed whether a contract is, or contains a lease as per the option given in the standard. The Lease liability is initially measured at the present value of remaining payments as at the commencement date discounted using the lessee's incremental borrowing rate. The cost of Right of Use Assets shall comprise of amount of initial measurement of lease liability adjusted for any payments made after or before the commencement of lease term less any lease incentive received. The Group has not applied the requirements of Ind AS 116 to leases for which remaining lease period is less than 12 months. Accordingly they are classified as short term leases. The Group has recognised lease liability at present value of remaining payments at Rs. 1.84 crores discounted at incremental borrowing rate of 9.30% . The Group has measured Right of Use Assets at an amount equal to the lease liability as provided by Ind AS 116.

50 The spread of COVID-19 has impacted global economic activity as has been witnessed in several countries. There have been severe disruptions in businesses in India during the Lock down period. The Company has resumed production and export and domestic sales are picking up. The situation is evolving and the assessment of impact due to COVID-19 is a continuous process, given the uncertainties.

Management has conducted the possible impact of known events arising from COVID-19 pandemic in the preparation of these financial statements and has analysed events post Balance Sheet date and believes that there will not be any material effect on the carrying values of the assets and liabilities of the Company on the reporting date and there is no change in its ability to continue as a Going Concern.

51 Previous year's figures have been regrouped wherever necessary to conform to this year's classification.
