Mehul K. Patel - Chairman
(DIN : 01772099)

Explanatory Statement Pursuant to Section 102 of the Companies Act, 2013 / the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations")

Item No. 3

The Board of Directors, in its meeting held on 25.04.2020, in terms of the recommendation of Nomination and Remuneration Committee in its meeting held on 25.04.2020, has approved the appointment of Smt. Ameeta V Manohar (DIN 00903232), as an Additional Director (Non-Executive Independent woman Director) of the Company on the Board of the Company w.e.f 25.04.2020 to hold office up to next Annual General Meeting as an Additional Director and up to 05 years w.e.f. 25.04.2020 subject to approval of members as an Independent Director.

The required details as per the Secretarial Standards ("SS-2") and Regulation 36(3) of the Listing Regulations, is provided at Annexure A of this Notice.

In the opinion of the Board, Smt. Ameeta V Manohar fulfils the conditions specified in the Companies Act, 2013 and rules made thereunder for her appointment as a Non-Executive Independent woman Director of the Company and is independent of the management.

The Board recommends the resolution in relation to appointment of Smt. Ameeta V Manohar as a Non-Executive Independent Director, for the approval by the shareholders of the Company. Smt. Ameeta V Manohar is not holding any Equity Shares of the Company.

None of the other Directors, Key Managerial Personnel(s) and their relatives, except Smt. Ameeta V Manohar, have any concern or interest, financial or otherwise, in the resolutions set out at Item No. 3 of the Notice.

The draft letter of appointment setting out terms and conditions of re-appointment of the said Director shall be open for inspection by the Members at the Registered Office of the Company during its business hours on any working days.

The Board of Directors recommends the Special Resolution set out in Item No. 3 of the accompanying Notice for your approval.

Item No. 4

The Board of Directors, in its meeting held on 11.06.2020, in terms of the recommendation of Nomination and Remuneration Committee Meeting held on 11.06.2020, approved payment of Commission to Smt. Ameeta V Manohar (DIN 00903232) (Non-Executive Independent woman Director) subject to approval by Shareholders.

In view of Sections 149, 197 and any other relevant provisions of the Companies Act, 2013 and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and taking into account the roles and responsibilities of the directors, it is proposed that the Non-Executive Independent Directors other than the Managing Director and the Whole-time Directors be paid for each of the five financial years of the Company commencing from 1st April 2020, a remuneration not exceeding one percent per annum of the net profits of the Company computed in accordance with the provisions of the Companies Act, 2013. This remuneration will be distributed amongst all Non Executive Independent Directors in accordance with the directions given by the Board of Directors and subject to any other applicable requirements under the Companies Act, 2013.

BOARD'S REPORT

To,
The Members of
Banco Products (India) Limited

Your Directors have the pleasure in presenting the 59th Annual Report together with the Audited Financial Statements of Banco Products (India) Limited ("the Company") and its subsidiaries for the financial year ended on 31.03.2020.

At the outset, we hope and pray for the safe health of yours and that of your families. COVID-19 pandemic has caused enormous disruption to human lives. During these unprecedented and uncertain times, your Company's immediate priorities has been a. to safeguard health, safety and well-being of our employees and of communities around, b. to initiate effective measures towards rebooting of our operations and thus ensuring business continuity. Covid 19 has not just affected human health; it has caused devastating impact on the economy and on the society in general. It is impossible for an organization to escape the risks of a crisis with such a magnitude- at least in the short term. The adversities tests an Organization's true character and strength- At Banco, we are doing everything possible- and are confident – we will survive and emerge stronger post the current crisis.

1. Overview of the Company's Performance:

The economic scenario during FY 19-20 remained challenging. Overall, the economic growth in India slowed down considerably during the year under review. Production in the automotive sector- one of the largest users of your Company's products -was unimpressive during the year. Production of Commercial vehicles declined by 33%; while other sectors namely Passenger Cars, Two Wheelers and Agriculture tractors- all saw decline in production by an average of 15%. In the last weeks of March 2020, the sales of the Company were also impacted due to COVID-19 related lockdown.

The challenging economic environment as above has affected your Company's financial performance. After posting healthy growth in business during previous two years (FY 17-18 and FY 18-19), we saw deceleration in our business during FY 19-20.

Total Income from operations during the year for the standalone entity was placed at INR 644.9 crores (previous year INR 819.3 crores). Net profit before tax was lower at INR 100.6 crores (previous year INR 173.9 crores). For the consolidated entity, the total income from operations was placed at INR 1447.2 crores (previous year INR 1577.1 crores) while Net profit before tax declined to INR 111.5 crores (previous year INR 152.5 crores).

The uncertain and challenging business environment also pushed us to deliver our best in terms of our core strength i.e. Innovation. Changes in emission norms to BS-VI in the automotive industry and BS-IV in the construction machinery and off-highway sectors led to large number of new development projects that our engineers managed successfully. The customer expectations in terms of emission norms, thermal efficiency, product compactness-lower weights and lowest possible Total Cost of Ownership (TCO) have been growing like never before.

Our R&D has been successful in responding to these challenges through our Bespoke Engineering approach. By continuously improving, testing and proving the efficiency of cooling elements, we have delivered to our customers, optimized solutions - which are not only efficient but are capable of delivering best in class field performance under challenging operating conditions.

It was thus heartening when two of our Key Customers recognized BANCO for its Innovation capabilities. During the year FY 2019-20 Cummins India recognized BANCO with Best Supplier Innovation Award while JCB also presented us with Best Supplier Award for co-creating the advanced and efficient Engine Cooling Modules suitable for BS-IV norms.

In the export market, the Company's business remained flat during the year. We will continue to focus on expanding our product portfolio in export market while realizing steady progress on growing global OEM business.

Your Company, as a part of its strategy to be best in its class, has always been investing ahead of times towards up gradation of Technology and Capacity Enhancement. During FY 2019-20 we made capital investment of approximately INR 18 crores, mainly in modern plant equipment.

Continuous improvement is at the very core of our Company's culture. During the year our engineers,

implemented a number of de-bottle-necking, Quality improvement and Efficiency improvement projects in our plants successfully. With relentless focus on operational excellence, and costs, we keep our operations flexible and efficient. During the year, your Company's employees won several awards in Quality Circle Competition organized by QCFI (Quality Circle Forum India).

In-terms of cost of raw materials, high depreciation in Indian Rupee was partly compensated by moderate commodity prices. Your Company follows prudent financial practices to manage Cash and Working Capital efficiently

It is yet unclear how the economy, which is currently under strain of the disruption caused by the pandemic, will recover during the year FY 2020-21. Overall, global political and economic scenario is getting very complex, uncertain and volatile; and this does not allow a good and clear visibility into the future... As a Company, we are preparing ourselves for the best and the worst that the coming times may bring. Under our initiative "Resilient BANCO", we are preparing our organization to remain lean and agile in-order to quickly respond to both – the opportunities and the challenges of the future.

In the medium term, we believe that markets will recover and growth will return- We still will have to get prepared to cyclic impact and unknown disruptions. Your Company is preparing itself well to manage its business continuity plans while keeping sight on its long-term strategy of profitable growth on the foundation of Innovation, Technology and People.

ANNEXURE “A” MANAGEMENT DISCUSSION AND ANALYSIS

Introduction:

Banco Products (India) Ltd. is a leading manufacturer and supplier of engine cooling modules and systems for automotive and industrial applications. We combine the power of innovation and commitment to quality to create high - performance solutions for our customers. With over five decades of successful experience, Banco is now India's leading brand in automotive and industrial sectors.

Our Products:

We design, develop and manufacture Engine Cooling Modules such as Radiators, Charged Air Coolers, Fuel Coolers, Oil Coolers and Condensers. We offer both Copper Brass coolers as well as the more contemporary Aluminum coolers .OEM customers increasingly prefer complete multi-cooler assemblies.

Applications

Engine Cooling Modules are considered very critical for efficient performance of Internal Combustion Engines with wide ranging applications such as Passenger Cars, Light Commercial Vehicles, Medium and Heavy Commercial Vehicle, Agricultural Tractors, High Performance Bikes, Harvesters, Construction Machineries, Power Generation Equipment, Traction Rail locomotives, and other similar equipment.

Our Markets:

OEM: We design, develop, and deliver efficient engine cooling modules for OEM customers. With successful record of accomplishment of accomplishments and long-term relationship with our Key Customers, we aim to become the most preferred development partners of our customers.

Aftermarket:

We meet growing service demand in the automotive aftermarket through our extensive network of dealers and distributors pan India.

Exports:

BANCO has developed a comprehensive service range of automotive and tractor engine cooling modules for European, US and other top vehicle applications. We collaborate with leading distribution houses to market our product program globally.

INDUSTRY STRUCTURE AND DEVELOPMENTS:

Trends in user industries have large influence on your company's business.

Automotive industry:

The industry is rapidly changing, in terms of its size and technology. With effect from April 2020, the Indian automotive industry implemented new BS-VI emission norms. BANCO has developed its new “Smart Core” solutions, which help our customers meet BS-VI emission requirements successfully

Off highway sector:

The construction machinery and agriculture tractors of higher hp will undergo change to emission norms of BS-IV/ Trem IV from H2 2020-21. BANCO has been collaborating with its customers to develop BS-IV/ Trem-IV complaint engine cooling modules.

Power Generation:

The Indian Government is in discussion with the Industry to implement new CPCB norms. Here again BANCO has initiated joint development projects with our key customers to develop successful and contemporary solutions well ahead of the emission norms change deadline.

Demand development:

Demand development of your company's products is directly dependent on the development in the user industries.

Automotive:

Developments in Automotive industry, during the last year, have been less impressive compared to estimates. Commercial Vehicle sector was worst affected with sharp decline in production of trucks and buses. Passenger

Car and two wheeler segments- too - have not been able to maintain a growth trend. As it seems now, it is unlikely that automotive industry can regain its pre Covid 19 volumes back this year.

Overall, economic development and growing trend towards personal mobility are some of the factors that can lead to revival of this important sector. To some extent, policy support from Government in terms of a clear vehicle scrappage policy and measures to boost consumption can provide an impetus for growth of this sector during the medium and long term.

Agriculture:

The Indian Government has been supporting accelerated development of agriculture sector. This will lead to steady development of demand from this sector, though the sector is known for cyclic upturns and downturns.

Industrial:

Development of industrial sector is linked with the Government's priorities and investment in infrastructure development projects. Covid crisis has thrown new challenges for these sectors – such as delays and disruption in cash cycle, shortage of labor due to issues related to migrant labor, possibilities of less availability of Government funds for infrastructure due to current priorities for health and social sectors etc. Experts opine that it is unlikely that these sectors will regain their volumes in FY 2020- 2021. In the long term, though, development of Industrial sector is critical for overall economic and infra structural growth. That gives us hope that these sectors will rebound in 2021.

In summary, current trend suggests that volatility and uncertainties in demand across Automotive and Industrial sectors will continue in FY 2020 -21 and the demand rebound is likely in 2021. At Banco, we continue to watch economic and sectoral trends closely to adjust our strategic approach from time to time

Our Bespoke Engineering approach:

With innovation at the core of our strategy, we invest our resources to develop excellent R&D competence. Instead of overemphasizing on standardization, our engineers follow bespoke solution approach. With this approach, we co-create best in class - solutions which are efficient and deliver very reliable performance under challenging operating environment. Our engineers' competence to understand application environment "beyond" the drawings and specifications enables us to proactively respond to field challenges through design innovations. We believe that our competence in designing and delivering customized solutions will be a key differentiator in OEM markets.

Electric Vehicles:

The development of electrical vehicle in India is at nascent stage. In particular, two wheeler industry, passenger car industry and commuter bus industry has shown some progress towards the development of electric vehicles. It is our view that these developments will take long time before necessary ecosystem and infrastructure are available for commercial success of electric vehicles. BANCO's enjoys broad based customer portfolio. The sectors where we have our strengths such as agriculture tractors, construction machineries, and power generation etc. are likely to have only limited impact of EV trend.

At the same time, BANCO has initiated first basic steps towards the development of cooling solutions for electric powertrain.

OPERATIONS:

With our integrated manufacturing strategy, we have invested to develop full depth of production.

We believe that a good engineering solution requires High Quality manufacturing to realize the design goals in the field. That is why; we have been regularly investing in advanced manufacturing technologies that keep us abreast with the best in the world.

As a result our focus on customized solutions, and as a full range provider to the aftermarket, we build and expand a comprehensive product portfolio. This requires a balanced focus between high volume manufacturing and low volume range production in our operations. Our production lines are designed to have the necessary flexibility to deliver this balanced portfolio with good productivity.

Continuous skill upgrading of our work force is another approach that we use to successfully manage complexities in operations.

STRENGTHS:

Our strengths include:

- Over five decade of successful entrepreneurial experience
- Balance customer and product portfolio with presence in OEM, Aftermarket and Exports
- Competent research, design and test capabilities
- Innovative solutions for contemporary emissions norms.
- Integrated manufacturing approach
- Prudent financial management

Your company will continue to invest in R&D and advanced manufacturing technologies to further strengthen the above attributes.

WEAKNESS:

Some of the concerns or areas of relatively less strength include:

- Complexities resulting from large product range
- Low OEM presence in some of the sectors
- Downward trend in Industrial activity or Automotive Sector directly affects the company performance.
- Absence of adjacent product lines.

While it may not be possible to address all the weakness in short term, the company continues its efforts to broad base its customer –product portfolio and focuses on development of superior products to strengthen its market position. We have also initiated a drive to improve operational efficiency

OPPORTUNITIES:**New development projects:**

Growing Indian economy provides several growth opportunities. Growth in automotive industry is characterized by introduction of numerous new platforms. At the same time there is ever increasing demand for higher efficiency and tighter emission control. This provides opportunity for your company to collaborate with our customers and co create efficient engine cooling solutions that take care of future energy efficiency and emission trends.

New Market Sectors:

In addition to BANCO's focus, market sectors there are several other sectors, which may require cooling systems. BANCO will aim to explore and expand business opportunities in new market sectors.

Global OEM Projects:

Banco enjoys good business with several global automotive and industrial MNCs for their business in India. We plan to leverage our capabilities to grow international business with our MNC clients and have initiated some projects in this direction.

Product range extension:

With strong brand name, BANCO has opportunities to extend its product scope in Aftermarket.

Strengthening export business:

Customers globally are looking for efficient and cost effective alternate to their existing suppliers. BANCO will expand its initiatives in the overseas market to realize some of these opportunities.

THREATS:

Dynamic business environment of modern times throws several challenges from time to time. Threats include:

- Growing competition both from domestic and global players
- Preference of some customers towards MNC suppliers over Indian suppliers
- High dependence on imported raw material.
- Volatility in metal prices and fluctuations in Foreign Exchange
- Rising cost of utilities.
- Cyclic demand changes in some market sectors
- Technology disruption in customer's markets- for example- disproportionate expansion of Electric vehicles.

Your company focuses on continual expansion of its products and customer base, while systematically strengthening its quality, innovation and cost competence in order to mitigate the potential impact of some of the above threats.

TECHNOLOGY:

Banco regularly invests to upgrade its technology and processes in order to stay abreast of emerging trends.

We have developed solutions for contemporary emission norms for example- BS-VI for automotive, BS-IV / Trem IV for agriculture machineries/off highway equipment and new CPCB norms for Power Generation equipment.

Keeping with the current trend, we are re-engineering and re-energizing our processes for increased digitalization.

We are also investing in developing competence and capabilities of our people so that they can contribute effectively to the success of the organization while realizing their own full potential.

In general, Banco believes that developing economy like India will continue to offer opportunities for growth. At Banco, we continuously strive to strengthen our competitiveness and thus remain successful and sustainable. We have also implemented processes to identify and mitigate all kinds of risks.

Internal Control and its Adequacy:

The system of internal control designed to provide reasonable maintenance of proper accounting records and the reliability of operational and financial information complying with statutes, safeguarding assets from unauthorized use or losses executing transaction with proper authorization ensuring compliance of corporate policies used with a view to running business. The Company has clearly defined organization structure and lines of authority.

Sufficient control is exercised through monthly, quarterly and annual business review by the Management Review Committee and application of Corporate Governance. An internal audit system is in place. Normal foreseeable risks to the Company's assets are adequately covered by comprehensive insurance.

The Company has, during the year engaged the services of an independent Firm of Chartered Accountants for the services of Internal Audit of operations of the Company for better control and to ensure adequacy and efficacy of the Internal Audit function.

In line with well accepted practices and objectives, the planning and internal audits are oriented towards the review of operational controls in the management risk strengths and opportunities.

(For the Financial year ended on 31st March, 2020)

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule No. 9 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,
The Members,
Banco Products (India) Ltd.
Opp. Bhaili Railway Station,
Bhaili, Dist. Vadodara

Dear Sirs,

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practice by **Banco Products (India) Ltd.** (hereinafter called “the Company”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/ statutory compliances and expressing our opinion thereon.

Based on our verification of the Company’s books, papers, minutes books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on **31st March, 2020**, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company, for the financial year ended on **31st March, 2020**, according to the provisions of:

1. The Companies Act, 2013 (the Act) and the rules made thereunder.
2. The Securities Contracts (Regulation) Act, 1956 (‘SCRA’) and the rules made thereunder.
3. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder.
4. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment (FDI) and Overseas Direct Investment (ODI) and External Commercial Borrowings (ECB). – As reported to us there were no FDI, ODI and ECB transactions in the Company during the financial year under review.
5. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 (‘SEBI Act’).
 - A. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011.
 - B. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015.
 - C. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009. - Not Applicable as the Company did not issue any security during the financial year under review.
 - D. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999. - Not Applicable as the Company has not granted any options to its employees during the financial year under review.
 - E. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008. - Not Applicable as the Company neither issued nor listed any debt securities during the financial year under review.
 - F. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 - The Company is not registered as Registrar to Issue and Share Transfer Agent.
 - G. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009. - Not Applicable as the Company has not delisted its equity shares from any stock exchange during the financial year under review.

INDEPENDENT AUDITORS' REPORT

To,
THE MEMBERS,
BANCO PRODUCTS (INDIA) LIMITED
VADODARA

Report on the audit of the standalone financial statements

Opinion

We have audited the accompanying standalone financial statements of **Banco Products (India) Limited** ("the Company"), which comprise the Balance Sheet as at **31st March, 2020**, the Statement of Profit and Loss (including other comprehensive income) and Cash Flow Statement and Statement of Changes in Equity for the year then ended and a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2020, and its profit, Total Comprehensive Income, changes in equity and its cash flows for the year ended on that date.

Basis for opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter

We draw your attention to Note 2.4 of the Standalone Financial Statements which explains the management's assessment of the financial impact due to the lock-down and other restrictions and conditions related to the COVID – 19 pandemic situation, for which a definitive assessment of the impact in the subsequent period is highly dependent upon circumstances as they evolve.

Our opinion is not modified in respect of this matter.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matters	Auditors' response
Revenue recognition	
The Company recognizes revenues when control of the goods is transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods. In determining the sales price, the Company considers the effects of rebates and	<p>Audit procedures included the following:</p> <ul style="list-style-type: none"> * Considered the adequacy of the Company's revenue recognition policy and its compliance in terms of Ind AS 115 'Revenue from contracts with customers'. * Assessed the design and tested the operating effectiveness of internal controls related to revenue recognition.

<p>discounts (variable consideration). The terms of arrangements in case of domestic and exports sales, including the timing of transfer of control, the nature of discount and rebates arrangements, delivery specifications including incoterms, create complexity and judgment in determining sales revenues.</p> <p>The risk is, therefore, that revenue is not recognized in the correct period in accordance with terms of Ind AS 115 'Revenue from contracts with customers', and accordingly, it was determined to be a key audit matter in our audit of the Standalone Ind AS financial statements.</p>	<ul style="list-style-type: none"> * Performed sample tests of individual sales transaction and traced to sales invoices and other related documents. In respect of the samples selected, tested that the revenue has been recognized as per the incoterms in accordance with Ind AS 115. * Selected sample of sales transactions made pre and post-year end, agreed the period of revenue recognition to underlying supporting documents. * Assessed the relevant disclosures made in the Standalone Ind AS financial statements.
Litigations and claims provisions and contingent liabilities	
<p>As disclosed in Note 32 [Capital Commitments and Contingent Liabilities] to the standalone financial statements, the Company is involved in direct and indirect tax litigations amounting to ₹ 1182.72 lakhs that are pending with various tax authorities.</p> <p>Whether a liability is recognized or disclosed as a contingent liability in the standalone financial statements is inherently judgmental and dependent on a number of significant assumptions and assessments. These include assumptions relating to the likelihood and/or timing of the cash outflows from the business and the interpretation of local laws and pending assessments at various levels of the statute. We placed specific focus on the judgments in respect to these demands against the Company.</p> <p>Determining the amount, if any, to be recognized or disclosed in the standalone financial statements, is inherently subjective. The amounts involved are potentially significant and due to the range of possible outcomes and considerable uncertainty around the various claims the determination of the need for creating a provision in the standalone financial statements is inherently subjective and therefore is considered to be a key audit matter in the current year.</p>	<p>Our procedures included, but were not limited to, the following:</p> <ul style="list-style-type: none"> * Obtained an understanding from the management with respect to process and controls followed by the Company for identification and monitoring of significant developments in relation to the litigations, including completeness thereof. * Obtained the list of litigations from the management and reviewed their assessment of the likelihood of outflow of economic resources being probable, possible or remote in respect of the litigations. This involved assessing the probability of an unfavorable outcome of a given proceeding and the reliability of estimates of related amounts * Performed substantive procedures including tracing from underlying documents / communications from the tax authorities and re-computation of the amounts involved. * Assessed management's conclusions through discussions held with the in house legal counsel and understanding precedents in similar cases; * Obtained and evaluated the independent confirmations from the consultants representing the Company before the various authorities. * Engaged auditor's experts, who obtained an understanding of the current status of the litigations, conducted discussions with the management, reviewed independent legal advice received by the Company, if any and considered relevant legal provisions and available precedents to validate the conclusions made by the management. * Assessed and validated the adequacy and appropriateness of the disclosures made by the management in the standalone financial statements.

Information other than the financial statements and auditor's report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises Board's Report, Business Responsibility Report, Report on Corporate Governance, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone

financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the financial statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is responsible for overseeing the Company's financial reporting process.

Auditors' responsibility

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also,

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be

influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on other legal and regulatory requirements

1. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of Section 143(11) of the Act, we give in the "**Annexure-A**", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - (c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - (d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - (e) On the basis of the written representations received from the directors as on 31st March, 2020 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
 - (f) With respect to adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate report in "**Annexure- B**" attached herewith.
 - (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigation on its financial position in its standalone financial statement. Refer Note 32 of the Standalone Financial Statements;
 - ii. The Company did not have any long-term contracts including derivative contracts; for which there were any material foreseeable losses; and
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE – “A” TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph 2 under “report on other legal and regulatory requirements of the independent auditors’ report of even date)

On the basis of such checks as we considered appropriate and in terms of the information and explanations given to us, we state that:-

- I. (a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- (b) The Company has a regular programme of physical verification of its fixed assets by which fixed assets are verified in a phased manner over a period of three years. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. No material discrepancies were noticed on such verification.
- (c) In our opinion and according to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties are held in the name of the Company.
- II. The inventory, except goods-in-transit and stock lying with third parties, have been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable. For stock lying with the third parties at the year end, written confirmations have been obtained. The discrepancies noticed on verification between the physical stock and book records were not material and have been properly dealt with in books of account.
- III. According to the information and explanations given to us, the Company has not granted any loans Secured or unsecured to companies, firm, Limited liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013 ‘the Act’.
- IV. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of section 185 and 186 of the Act, with respect to the loans, investments, guarantees and security as applicable.
- V. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public in accordance with the provisions of section 73 to 76 or any other relevant provision of the act and the rules framed there under. Accordingly, Paragraph 3(v) of the order is not applicable to the Company.
- VI. We have broadly reviewed the books of accounts maintained by the Company pursuant to the rules prescribe by the central government for the maintenance of cost records under section 148(1) of the Act and are of the opinion that prime facie, the prescribed accounts and records have been made and maintained. We have not, however, made detailed examination of the records with a view to determine whether they are accurate or complete.
- VII. (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted/ accrued in the books of account in respect of undisputed statutory dues including provident fund, income-tax, sales tax/value added tax, goods and service tax, duty of customs, duty of excise, service tax, cess and other material statutory dues have been regularly deposited during the year by the Company with the appropriate authorities. According to the information and explanations given to us, no undisputed amounts payable in respect of provident fund, income tax, sales tax, value added tax, goods and service tax, duty of customs, duty of excise, service tax, cess and other material statutory dues were in arrears as at 31st March, 2020 for a period of more than six months from the date they became payable
- (b) According to the information and explanations given to us, dues that have not been deposited by the Company on account of disputes are as follows:

Name of the Statute	Nature of Dues	Amount ₹ in Lakhs	Period to which the amount relates	Forum where dispute is pending
Central Excise Act, 1944	Excise Duty, Service Tax and Custom Duty	1090.71	F.Y. 2006-07 till F.Y. 2018-19	- ₹ 246.99 lakhs pending with CESTAT, Ahmedabad. - ₹ 24.43 lakhs pending CESTAT, Mumbai. - ₹ 593.68 lakhs pending with Commisioner, Central Excise and Custom (Appeal). - ₹ 0.21 lakhs pending with Superintendent, Central Excise and Custom (Appeal). - ₹ 11.78 lakhs pending with Commisioner (Appeal) Customs, Mumbai. - ₹ 213.62 lakhs pending with High Court (Gujarat).
Sales Tax Act	VAT/CST	80.92	F.Y. 2008-09 till 2012-13	- ₹ 50.83 lakhs pending with Apellate Tribunal, Ahmedabad. - ₹ 29.35 lakhs pending with Commissioner (Appeal), Ranchi. - ₹ 0.74 lakhs pending with Deputy Commissioner

Income Tax Act, 1961	Income Tax	9.30	F.Y. 2011-12 (i.e. A.Y. 2012-13)	CIT (Appeal).

- VIII. In our opinion and according to the information and explanations given to us, the Company has not defaulted during the year in repayment of dues to the financial institution, banks and government. The Company did not have any outstanding debentures during the year.
- IX. The Company did not raise any money by way of initial public offer or further public offer (including debt instruments) and term loans during the year.
- X. According to the information and explanations given to us, no material fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.
- XI. According to the information and explanations give to us and based on our examination of the records of the Company, the Company has paid/provided for managerial remuneration in accordance with the requisite approvals mandated by the provisions of section 197 read with Schedule V to the Act.
- XII. According to the information and explanations given to us, the Company is not a Nidhi Company as prescribed under section 406 of the Act. Accordingly, Paragraph 3(xii) of the Order is not applicable.
- XIII. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable Indian accounting standards.
- XIV. According to the information and explanations given to us, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review and therefore, the provisions of Section 42 of the Companies Act, 2013 are not applicable to the Company.
- XV. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into any non-cash transactions with directors or persons connected with them.
- XVI. According to the information and explanations give to us The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, Paragraph 3(xvi) of the order is not applicable to the Company.

ANNEXURE - "B" TO INDEPENDENT AUDITORS' REPORT

Report on the internal financial controls over financial reporting under clause (i) of sub-section 3 of section 143 of the companies act, 2013 ("the act")

We have audited the internal financial controls over the financial reporting of **Banco Products (India) Limited** ("the Company"), as on 31st March, 2020 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management's responsibility for internal financial controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy, and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") issued by ICAI and the Standards on Auditing issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Notes require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control systems over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of internal financial controls over financial reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of inherent limitations of internal financial controls over financial reporting, including the possibility of

collusion or improper managements override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

1. CORPORATE INFORMATION

Banco Products (India) Limited is a Public limited Company domiciled in India and incorporated under the Indian Companies Act, 1956. Equity shares of the Company are listed on two stock exchanges in India. The Company is engaged in manufacturing and selling of Heat Exchangers / Cooling Systems. The Company caters to both domestic and international market. The Registered Office of the Company is located at Bil, Near Bhaili Railway Station, Padra Road, Dist. Vadodara, 391410.

2. SIGNIFICANT ACCOUNTING POLICIES

2.1 Statement of compliance

Standalone Financial Statements have been prepared in accordance with the accounting principles generally accepted in India including Indian Accounting Standards (Ind AS) prescribed under the Section 133 of the Companies Act, 2013 read with rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 as amended and relevant provisions of the Companies Act, 2013

Accordingly, the Company has prepared these Standalone Financial Statements which comprise the Balance Sheet as at 31 March, 2020, the Statement of Profit and Loss for the year ended 31 March 2020, the Statement of Cash Flows for the year ended 31 March 2020 and the Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information (together hereinafter referred to as 'Standalone Financial Statements' or 'financial statements').

These financial statements are approved for issue by the Board of Directors on 11th June 2020.

2.2 Basis of preparation of financial statements

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind-AS), under the historical cost convention on the accrual basis as per the provisions of Companies Act, 2013, except for certain financial Assets and liabilities that are measured at fair value at the end of each reporting period set out below.

The Accounting Policy has been applied consistently over all the periods reported in these Financial Statements, except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The Standalone Financial Statements have been presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded off to the nearest two decimals of Lakhs, unless otherwise stated.

2.3 Significant accounting judgments, estimates and assumptions

In preparing these financial statements in conformity with Ind-AS, the Management is required to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates.

This note provides an overview of the areas where there is a higher degree of judgment or complexity. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation.

The areas involving critical estimates or judgments are:

- Fair value of unlisted equity securities – Note 4
- Defined benefit obligation – Note 33
- Measurement of contingent liabilities– Note 32
- Current tax expense and current tax payable – Note 6
- Deferred tax assets– Note 6

Estimates and underlying assumptions are reviewed on an ongoing basis. Estimates are based on historical experience and other factors, including futuristic reasonable information that may have a financial impact on the Company. Any change in these estimates and assumptions will generally be reflected in the financial

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

statements in current period or prospectively, unless they are required to be treated retrospectively under relevant accounting standards.

2.4 Estimation of uncertainties relating to the global health pandemic from COVID-19

The Plants of the Company in India were closed in 24th March, 2020 following countrywide lockdown due to COVID-19. The Company has since obtained required permission and restarted its manufacturing facilities in the second fortnight of April 2020.

The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of property, plant and equipment, its investments and other assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Company, as at the date of approval of these financial results has used internal and external sources on the expected future performance of the Company and its subsidiaries. The Company has performed sensitivity analysis on the assumptions used and based on current indicators of future economic conditions, the Company expects the carrying amount of these assets will be recovered and sufficient liquidity is available to fund the business operations for at least another 12 months.

Further, based on the immediate assessment of the impact of COVID-19 on the operation of the Company, discussions with customers, vendors and services providers, the Company is positive of serving customer orders and obtaining regular supply of raw materials and logistics services after resumption of the operations. In assessing recoverability of trade receivables, the Company has considered subsequent recoveries, past trends, credit risks profile of customers based on their industry, macroeconomic forecasts and internal and external information available up to the date of issuance of these results.

In assessing recoverability of inventories, the Company has considered the latest selling prices, customer orders on hand and margins. Based on the above assessment, the group is of the view that carrying amounts of trade receivables and inventories are expected to be realizable. The impact of COVID-19 may be different from that estimated as at the date of approval of these financial results, and the Company will continue to closely monitor the developments. In the case of inventory, Management has performed during the year comprehensive inventory verification at each of its locations and again at a date subsequent to the lifting of the lockdown the stock was taken again for key items of inventory to obtain comfort over the existence and condition of Inventories as at 31st March, 2020 including roll-back procedures etc.

2.5 Classification of current/non-current assets and liabilities

All assets and liabilities are presented as Current or Non-Current as per the Company's normal operating cycle and the other criteria set out in Schedule III of the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization, the Company has ascertained its operating cycle as 12 months for the purpose of Current/Non-Current classification of assets/liabilities.

2.6 Standards issued but not effective *(based on Exposure drafts available as on date)*

The amendments are proposed to be effective for reporting periods beginning on or after 1 April 2020.

Amendments to existing standards

Ministry of Corporate Affairs has carried out amendments of the following accounting standards:

1. Ind AS 103 – Business Combination
2. Ind AS 1, Presentation of Financial Statements and Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors
3. Ind AS 40 – Investment Property

The Company is in the process of evaluating the impact of the new amendments issued but not yet effective.

2.7 Property, plant and equipment

Property, Plant and Equipment except freehold land is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

The cost of property, plant and equipment comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use, including relevant borrowing costs for qualifying assets and any expected costs of decommissioning. Expenditure incurred after the property, plant and equipment have been put into operation, such as repairs and maintenance, are charged to the Statement of Profit and Loss in the year in which the costs are incurred. It includes professional fees and, for qualifying assets, borrowing costs capitalised in accordance with the Company's accounting policy based on Ind AS 23 – Borrowing costs. Such properties are classified to the appropriate categories of PPE when completed and ready for intended use. Items such as Spare Parts, Standby Equipments and Service Equipments that meet definition of PPE are capitalized at cost.

The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the statement of profit and loss. Assets to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.

Capital work-in-progress

Assets in the course of construction are capitalised in the Capital Work in Progress account. At the point when an asset is operating at management's intended use, the cost of construction is transferred to the appropriate category of property, plant and equipment and depreciation commences.

2.8 Intangible assets

Intangible assets with finite useful life that are acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment loss, if any.

2.9 Depreciation / amortisation

Depreciation is calculated on a straight-line basis or written down value as per the specified life of the assets as provided in schedule II to the Companies Act, 2013. The useful life of Item of PPE are mentioned below.

Class of assets	Range of useful life (in years)
Factory buildings	30
Plant and equipments	10-15
Furniture & fixtures	10
Vehicles	8-10
Office equipment	5
Computer hardware	3-6
Intangible assets - software	3-6

The management, based on internal technical evaluation, believes that the useful lives as given above best represent the period over which the assets are expected to be used.

Depreciation methods, useful lives and residual values are reviewed periodically, including at each financial year end.

2.10 Impairment of assets

The carrying amounts of assets are reviewed at balance sheet date to check if there is any indication of impairment based on internal or external factors. An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the statement of profit and loss in the year in which an asset is identified as impaired. The impairment loss, if any, recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020
2.11 Leases
The Company as a lessee

The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) The contract involves the use of an identified asset
- (ii) The Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) The Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

Transition

Effective 1st April, 2019, the Company adopted Ind AS 116 "Leases" and applied the standard to all lease contracts existing on 1st April, 2019. Accordingly, the Company has re-classified Leasehold Land from Property, Plant & Equipment to Right of Use Asset. The leasehold land is already fully paid and hence already stated at its present value. The same is being amortized over the period of lease (including the period renewable at the option of the Company.)

All other lease contracts of the Company are for lease tenure below 12 months and the Company has accordingly applied the exemption not to recognize right of use assets for such leases.

The Company as a lessor

Lease income from operating leases where the Company is a lessor is recognised in income on a straight-

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

line basis over the lease term. The respective leased assets are included in the balance sheet based on their nature.

Arrangements in the nature of lease

The Company enters into agreements, comprising a transaction or series of related transactions that does not take the legal form of a lease but conveys the right to use the asset in return for a payment or series of payments. In case of such arrangements, the Company applies the requirements of Ind AS 116 – Leases to the lease element of the arrangement. For the purpose of applying the requirements under Ind AS 116 – Leases, payments and other consideration required by the arrangement are separated at the inception of the arrangement into those for lease and those for other elements.

2.12 Revenue recognition

Revenue is measured based on the consideration specified in a contract with a customer.

Sale of goods

The principal activity from which the Company generates revenue is the supply of products to customers from its various manufacturing sites and warehouses. Products are supplied under a variety of standard terms and conditions, and in each case, revenue is recognized when contractual performance obligations between the Company and the customer are satisfied and control of product has been transferred to the Customer. This will typically be on dispatch or delivery. When sales discount and rebate arrangements result in variable consideration, appropriate provisions are recognized as a deduction from revenue at the point of sale (to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue will not be required). The Company typically uses the expected value method for estimating variable consideration, reflecting that such contracts have similar characteristics and a range of possible outcomes.

Sale of services

Revenues for services are recognised when the service rendered has been completed.

Royalties and profit-sharing arrangements

Revenues are recognized when performance obligations between the Company and the customer are satisfied in accordance with the substance of the underlying contract.

Interest and dividend income

Interest income is recognized on a time-proportion basis using the effective interest method. Dividend income is recognized when the right to receive payment is established.

2.13 Inventories

- (i) Raw materials, stores and spares, packing materials, work-in-process and finished goods are valued at lower of cost and net realizable value. Damaged, unserviceable and inert stocks are suitably depreciated.
- (ii) In determining cost of raw materials, stores and spares (except machinery spares which meet the definition of PPE) and packing materials, weighted average cost method is used. Cost of inventory comprises all costs of purchase, duties and taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventory to their present location and condition.
- (iii) Cost of finished products and work-in-process include the cost of raw materials, packing materials, and an appropriate share of fixed and variable production overheads and other costs incurred in bringing the inventories to their present location and condition.

2.14 Financial instruments

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument.

a. Financial assets

(i) Initial recognition and measurement

The Company recognizes financial assets when it becomes a party to the contractual provisions of the instrument. All financial assets are recognized at fair value on initial recognition, except for

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition of financial assets, that are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way trade of financial assets are accounted for at trade date.

(ii) Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

Financial assets at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, debt instruments at amortised cost are subsequently measured at amortised cost using the effective interest rate method, less impairment, if any.

Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Company has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model.

Financial assets at fair value through profit or loss

Financial assets which are not classified in any of the above categories are subsequently fair valued through profit or loss.

Investment in subsidiaries

Investment in subsidiaries is carried at cost in the financial statements.

(iii) Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognized (i.e. removed from the Company's Balance Sheet) when any of the following occurs:

- i. The contractual rights to cash flows from the financial asset expires;
- ii. The Company transfers its contractual rights to receive cash flows of the financial asset and has substantially transferred all the risks and rewards of ownership of the financial asset;
- iii. The Company retains the contractual rights to receive cash flows but assumes a contractual obligation to pay the cash flows without material delay to one or more recipients under a 'pass-through' arrangement (thereby substantially transferring all the risks and rewards of ownership of the financial asset);
- iv. The Company neither transfers nor retains substantially all risk and rewards of ownership and does not retain control over the financial asset.

b. Financial liabilities
(i) Initial recognition and measurement

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts. Financial liabilities are classified, at initial recognition, at fair value through profit and loss or as those measured at amortised cost.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020
(ii) Subsequent measurement

The subsequent measurement of financial liabilities depends on their classification as follows:

Financial liabilities at fair value through profit and loss

Financial liabilities at fair value through profit and loss include financial liabilities held for trading. The Company has not designated any financial liabilities upon initial recognition at fair value through profit and loss.

Financial liabilities measured at amortised cost

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate method.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

c. Fair value

The Company measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for asset or liability or
- In the absence of principal market, in the most advantageous market for the assets or liability

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs).

Level 1 - quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 - inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3 - inputs that are unobservable for the asset or liability

For assets and liabilities that are recognized in the financial statements at fair value on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period and discloses the same.

2.15 Foreign exchange transactions

The functional currency of the Company is Indian Rupees which represents the currency of the primary economic environment in which it operates.

Transactions in foreign currencies are initially recorded by the Company at the rate of exchange prevailing on the date of the transaction. Monetary assets and monetary liabilities denominated in foreign currencies remaining unsettled at the end of the year are converted at the exchange rate prevailing on the reporting date.

Differences arising on settlement or conversion of monetary items are recognised in statement of profit or loss. Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction

2.16 Trade receivables

Trade Receivables are stated after writing off debts considered as bad. Adequate provision is made for Expected Credit Losses. Discounts due yet to be quantified at the customer level are netted off from Trade Receivables.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020
2.17 Borrowing costs

- (i) Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.
- (ii) Borrowing costs, if any, directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized. All other borrowing costs are expensed in the period they occur.

2.18 Provisions, contingent liabilities and contingent assets
(a) Provisions

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss.

(b) Contingent liabilities

Contingent liabilities are disclosed for

- (i) Possible obligations which will be confirmed only by the future events not wholly within the control of the Company or
- (ii) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

(c) Contingent assets

Contingent Assets are not recognised in the financial statements. Contingent Assets if any, are disclosed in the notes to the financial statements.

2.19 Taxes

Tax expense is the aggregate amount included in the determination of profit or loss for the period in respect of current tax and deferred tax.

Current tax

Current tax is the amount of income taxes payable in respect of taxable profit for a period. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible under the Income Tax Act, 1961.

Current tax is measured using tax rates that have been enacted by the end of reporting period for the amounts expected to be recovered from or paid to the taxation authorities.

Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit under Income Tax Act, 1961.

Deferred tax liabilities are generally recognized for all taxable temporary differences. However, in case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax liabilities are not recognized. Deferred tax assets are generally recognized for all deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary difference can be utilized. In case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax assets are not recognized.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow the benefits of part or all of such deferred tax assets to be utilized.

Deferred tax assets and liabilities are measured at the tax rates that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

Minimum alternate tax (MAT)

Deferred tax assets include Minimum Alternate Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably, and it is probable that the future economic benefit associated with asset will be realised.

Presentation of current and deferred tax

Current and deferred tax are recognized as income or an expense in the Statement of Profit and Loss, except when they relate to items that are recognized in Other Comprehensive Income, in which case, the current and deferred tax income/ expense are recognized in Other Comprehensive Income.

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. In case of deferred tax assets and deferred tax liabilities, the same are offset if the Company has a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Company.

2.20 Research and development

- (i) All revenue expenses related to research and development including expenses in relation to development of product/processes which does not meet the criteria for recognition as an intangible Assets, are charged to the statement of profit and loss in the year in which it is incurred.
- (ii) Items of property, plant and equipment and acquired Intangible Assets utilized for Research and Development are capitalized and depreciated in accordance with the policies stated for Property, Plant and Equipment and Intangible Assets.

2.21 Employees benefits

- (i) Provident fund is a defined contribution scheme and the contribution as required by the statute paid to government provident fund and it is charged to the statement of profit and loss.
- (ii) Gratuity liability is a defined benefit obligation and is funded through a gratuity fund administered by trustees and managed by the Life Insurance Corporation of India. The Company accounts for liability for future gratuity benefits based on actuarial valuation carried out as at the end of each financial year, using the projected unit credit method. Actuarial gain and/or losses are recognised in the statement of other comprehensive income.
- (iii) The Company provides for the encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits, for future encashment. The liability is provided based on the number of days of unutilized leave at each balance sheet date on the basis of an independent actuarial valuation carried out as at the end of each financial year, using the projected unit credit method. Actuarial gain and/or losses are recognised in the statement of profit and loss.

2.22 Cash and cash equivalents

Cash and cash equivalents for the purpose of cash flow statement comprise cash and cheques in hand, bank balances, demand deposits with banks and other short term highly liquid investments where the original maturity is three months or less.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020**2.23 Earnings per share**

Basic earnings per equity share are computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

2.24 Government grants

Government grants (including export incentives and incentives on specified goods manufactured in the eligible unit) are recognized only when there is reasonable assurance that the Company will comply with the conditions attached to them and the grants will be received.

Government grants relating to income are recognized in profit or loss on a systematic basis over the periods in which the Company recognizes as expenses, the related costs for which the grants are intended to compensate

2.25 Exceptional item

When items of income and expense within statement of profit and loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such material items are disclosed separately as exceptional items

2.26 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM) of the Company. The Chief Operating Decision Maker (CODM) is responsible for allocating resources and assessing performance of the operating segments of the Company.

The Company has opted to provide segment information in its consolidated Ind AS financial statements in accordance with para 4 of Ind AS 108 - Operating Segments.

(ii) Financial instrument measured at amortised cost

The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

The Company's financial liabilities comprise mainly of borrowings, trade payables and other payables. The Company's financial assets comprise mainly of investments, cash and cash equivalents, other balances with banks, trade receivables and other receivables.

41(C) CAPITAL MANAGEMENT

For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Company. The primary objective of the Company when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximize shareholder value.

As at 31st March, 2020, the Company has only one class of equity shares and has low debt. Consequent to such capital structure, there are no externally imposed capital requirements. In order to maintain or achieve an optimal capital structure, the Company allocates its capital for distribution as dividend or re-investment into business based on its long term financial plans.

41(D) FINANCIAL RISK MANAGEMENT - OBJECTIVES AND POLICIES

The Company's activities expose it to a variety of financial risks Market risk, credit risk, liquidity risk. The Company has a risk management policy which covers risks associated with the financial assets and liabilities. The risk management policy is approved by the Board of Directors. The focus of the policy is to assess the unpredictability of the financial environment and to mitigate potential adverse effects on the financial performance of the Company.

1. Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks: interest rate risk, currency risk and other price risk.

(a) Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. Since the Company has insignificant interest bearing borrowings, the exposure to risk of changes in market interest rates is minimal. The Company has not used any interest rate derivatives.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020**(b) Foreign currency risk**

The Company operates internationally and portion of the business is transacted in several currencies and consequently the Company is exposed to foreign exchange risk through its sales and services in overseas markets and purchases from overseas suppliers in various foreign currencies. Foreign currency exchange rate exposure is partly balanced by purchasing of goods, commodities and services in the respective currencies.

Particulars of unhedged foreign currency exposures as at the reporting date are given as part of Note 34.

The below table demonstrates the sensitivity to a 5% increase or decrease in the Foreign Currency against INR, with all other variables held constant. The sensitivity analysis is prepared on the net unhedged exposure of the Company as at the reporting date. 5% represents management's assessment of reasonably possible change in foreign exchange rate.

	(₹ in Lakhs)			
	2019-20		2018-19	
	5% Increase	5% Decrease	5% Increase	5% Decrease
USD	76.25	(76.25)	72.11	(72.11)

Increase/ (decrease) in profit and loss	265.55	(265.55)	147.16	(147.16)

(c) Other price risk

Other price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded price. Other price risk arises from the financial assets such as investments in equity instruments. The Company is exposed to price risk arising mainly from investments in equity instruments recognised at FVTOCI. As at 31st March, 2020, the carrying value of such equity instruments recognised at FVTOCI amounts to ₹ 843.31 lakhs (P.Y. ₹ 1780.22 lakhs). The details of such investments in equity instruments are given in Note 4

The Company is mainly exposed to change in market rates of its investments in equity investments recognised at FVTOCI. A sensitivity analysis demonstrating the impact of change in market prices of these instruments from the prices existing as at the reporting date is given below :

If the equity prices had been higher/lower by 10% from the market prices existing as at 31st March 2020, Other Comprehensive Income for the Period ended 31st March 2020 would increase/decrease by ₹ 84.33 lakhs (P.Y. ₹ 178.02 lakhs) with a corresponding increase/decrease in Total Equity of the Company as at 31st March 2020. 10% represents management's assessment of reasonably possible change in equity prices.

2. Credit risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and investment securities. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Company assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. The Company's exposure are continuously monitored.

NOTES TO STANDALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020
3. Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.

The Company consistently generates sufficient cash flow from operations to meet its financial obligations as and when they fall due.

Our responsibilities under those Standards are further described in the *Auditors' Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Company in accordance with the *Code of Ethics* issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Emphasis of matter

We draw your attention to Note 2.5 to the Financial Results which explains the management's assessment of the financial impact due to the lock-down and other restrictions and conditions related to the COVID – 19 pandemic situation, for which a definitive assessment of the impact in the subsequent period is highly dependent upon circumstances as they evolve.

Our opinion is not modified in respect of this matter.

Key audit matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Key audit matters	Auditors' response
Revenue recognition	
The Group recognizes revenues when control of the goods is transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods. In determining the sales price, the Group considers the effects of rebates and discounts	<p>Audit procedures included the following:</p> <ul style="list-style-type: none"> Considered the adequacy of the Group's revenue recognition policy and its compliance in terms of Ind AS 115 'Revenue from contracts with customers'. Litigations and claims: provisions and contingent liabilities

This involved assessing the probability of an unfavorable outcome of a given proceeding and the reliability of estimates of related amounts * Performed substantive procedures including tracing from underlying documents / communications from the tax authorities and re-computation of the amounts involved. * Assessed management's conclusions through discussions held with the in house legal counsel and understanding precedents in similar cases; * Obtained and evaluated the independent confirmations from the consultants representing the Group before the various authorities. * Engaged auditor's experts, who obtained an understanding of the current status of the litigations, conducted discussions with the management, reviewed independent legal advice received by the Group, if any and considered relevant legal provisions and available precedents to validate the conclusions made by the management. * Assessed and validated the adequacy and appropriateness of the disclosures made by the management in the standalone financial statements.

Information other than the consolidated financial statements and auditors' report thereon

The Holding Company's Management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding company's Annual Report, but does not include the Financial Statement, Board's Report including Annexure to Board's Report, Corporate Governance and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the

consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Management's responsibility for the consolidated financial statements

The Holding Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting standards and other accounting principles generally accepted in India. The Respective Board of Directors of the companies included in the Group for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statement by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, The respective Board of Director of the company included in the Group are responsible for assessing the ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditors' responsibility

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also,

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors. For the other entities or business activities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced.

We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other matters

We did not audit the financial statements/consolidated financial information of subsidiary Companies, whose financial statements/ consolidated financial information reflect total assets of ₹ 67,395.97 Lakhs as at 31st March, 2020, total revenues of ₹ 89,135.64 Lakhs, total net profit after tax of ₹ 3,279.51 Lakhs and total comprehensive income of ₹ 0.54 Lakhs for the year ended 31st March, 2020 and net cash inflows amounting to ₹ 208.16 Lakhs for the year ended on that date, as considered in the Consolidated Financial Statements. These financial statements/ Consolidated Financial Statements/consolidated financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and our report in terms of sub-section (3) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries is based solely on the reports of the other auditors.

Our opinion on the Consolidated Financial Statements above, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditors and the financial statements and Other Financial Statements and other information certified by the management.

Report on other legal and regulatory requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of the reports of other auditors on separate Financial Statements of the Subsidiary Company incorporated in India, referred to in "Other Matters" above, we report that:
 - (a) We have obtained all the information and explanations which to the best of our Knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements.

- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books and reports of the other auditors.
- (c) The Consolidated Balance Sheet, the Consolidated Profit and Loss Statement including consolidated Other Comprehensive Income, consolidated Statement of changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
- (d) In our opinion, the aforesaid consolidated Ind AS financial statements comply with the Ind AS specified under Section 133 of the Act.
- (e) On the basis of the written representations received from the directors of the company as on 31st March, 2020 taken on record by the Board of Directors of the company and its subsidiaries incorporated in India and the reports of the statutory auditors of its subsidiary companies incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on 31st March, 2020 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate Report in “**Annexure A**” which is based on the auditor’s reports of the Holding Company and its subsidiary companies incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial control over financial reporting of those companies, for reasons stated therein.
- (g) With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended:
In our opinion and to the best of our information and according to the explanations given to us, the Remuneration paid by the Holding Company to its director during the year is in accordance with the provisions of section 197 of the Act.
- (h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The consolidated financial statements disclose impact of pending litigations on the consolidated financial position of the group.
 - ii. The Group did not have any long-term contracts including derivative contracts; for which any there were any material foreseeable losses.
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary company incorporated in India.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

Report on the Internal financial Controls over Financial Reporting under Clause (i) of Sub-Section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended 31st March, 2020, we have audited the internal financial controls over financial reporting of **Banco Products (India) Limited** (hereinafter referred to as “the Holding Company”) and its subsidiary companies, which are companies incorporated in India, as of that date.

Management’s responsibility for internal financial controls

The respective Board of Directors of the Holding company and its subsidiaries which are incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Holding company and its subsidiaries which are incorporated in India, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy, and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company and its subsidiaries which are incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) issued by ICAI and the Standards on Auditing issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Notes require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial control systems over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment including the assessment of the risk of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of internal financial controls over financial reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that:

- (1) Pertain to maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
- (3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent limitations of internal financial controls over financial reporting

Because of inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper managements override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its subsidiary companies, which are companies incorporated in India have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2020, based on the criteria for internal financial control over financial reporting established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

1. CORPORATE INFORMATION

Banco Products (India) Limited is a Public limited company domiciled in India and incorporated under the Indian Companies Act, 1956. Equity shares of the company are listed on two stock exchanges in India. The Company is engaged in manufacturing and selling of Heat Exchangers / Cooling Systems. The company caters to both domestic and international market. The Registered Office of the Company is located at Bil, Near Bhaili Railway Station, Padra Road, Dist. Vadodara, 391410.

The Consolidated Financial Statements comprise Financial Statements of Banco Products (India) Limited and its subsidiaries (Collectively referred to as "The Group").

2. SIGNIFICANT ACCOUNTING POLICIES

2.1 Statement of compliance

The Consolidated Financial Statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Act to be read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Amendment Rules, 2016 for Indian Company.

Accordingly, the Company has prepared these Consolidated Financial Statements which comprise the Balance Sheet as at 31 March, 2020, the Statement of Profit and Loss for the year ended 31 March 2020, the Statement of Cash Flows for the year ended 31 March 2020 and the Statement of Changes in Equity for the year ended as on that date, and accounting policies and other explanatory information (together hereinafter referred to as 'Consolidated Financial Statements' or 'financial statements').

These financial statements are approved for issue by the Board of Directors on 11th June 2020.

2.2 Basis of preparation of financial statements

These Consolidated Financial Statements have been prepared on a historical cost convention on the accrual basis except for certain financial Assets and liabilities that are measured at fair value at the end of each reporting period set out below.

The Accounting Policy has been applied consistently over all the periods reported in these Financial Statements, except where a newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The Consolidated financial statements have been presented in Indian Rupees (INR), which is the Company's functional currency. All financial information presented in INR has been rounded off to the nearest two decimals of Lakhs, unless otherwise stated.

2.3 Principles of consolidation

The consolidated financial statements relate to Banco Products (India) Limited ('the Company') and its subsidiary companies. The consolidated financial statements have been prepared on the following basis:

- (i) The Audited Financial Statements of the subsidiary companies used in the consolidation are drawn up to the same reporting date as that of the company i.e., 31st March 2020.
- (ii) The financial statements of the company and its subsidiary companies are combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses, after eliminating intra-group balances and intra-group transactions in accordance with IND AS 27 – "Consolidated and Separate Financial Statements" specified under section 133 of the Companies Act 2013 read with Companies (Accounts) Rules, 2015.
- (iii) The difference between the cost of investment in the subsidiary companies over the net assets at the time of acquisition of shares in the subsidiary companies is recognized in the financial statements as goodwill or capital reserve as the case may be.
- (iv) The Consolidated Financial Statements have been prepared using uniform accounting policies for the like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Parent Company's financial statements.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

- (v) The audited financial statements of subsidiary companies have been prepared in accordance with the generally accepted accounting principal (GAAP) of its country of incorporation. The difference between accounting policies of the company and its subsidiary companies are not material.
- (vi) The following subsidiaries have been considered in the preparation of these consolidated financial statements:

2.4 Significant accounting judgments, estimates and assumptions

In preparing these Consolidated Financial Statements, management has made judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates.

This note provides an overview of the areas where there is a higher degree of judgment or complexity. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation.

The areas involving critical estimates or judgments are:

- Fair value of unlisted equity securities – Note 4
- Defined benefit obligation – Note 33
- Measurement of contingent liabilities– Note 32
- Current tax expense and current tax payable – Note 7
- Deferred tax assets– Note 6

Estimates and underlying assumptions are reviewed on an ongoing basis. Estimates are based on historical experience and other factors, including futuristic reasonable information that may have a financial impact on the Group. Any change in these estimates and assumptions will generally be reflected in the financial statements in current period or prospectively, unless they are required to be treated retrospectively under relevant accounting standards.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

2.5 Estimation of uncertainties relating to the global health pandemic from COVID-19

The Plants of the Group in India were closed in 24th March, 2020 following countrywide lockdown due to COVID-19. The Company has since obtained required permission and restarted its manufacturing facilities in the second fortnight of April 2020. On account of various measures taken by Government of respective countries, the business of the Company were affected in the months of March, 2020 and April, 2020.

The Group has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of property, plant and equipment, its investments and other assets. In developing the assumptions relating to the possible future uncertainties in the global economic conditions because of this pandemic, the Group, as at the date of approval of these financial results has used internal and external sources on the expected future performance of the Company and its subsidiaries. The Group has performed sensitivity analysis on the assumptions used and based on current indicators of future economic conditions, the Group expects the carrying amount of these assets will be recovered and sufficient liquidity is available to fund the business operations for at least another 12 months.

Further, based on the immediate assessment of the impact of COVID-19 on the operation of the Group, discussions with customers, vendors and services providers, the Group is positive of serving customer orders and obtaining regular supply of raw materials and logistics services after resumption of the operations. In assessing recoverability of trade receivables, the Group has considered subsequent recoveries, past trends, credit risks profile of customers based on their industry, macroeconomic forecasts and internal and external information available up to the date of issuance of these results.

In assessing recoverability of inventories, the Group has considered the latest selling prices, customer orders on hand and margins. Based on the above assessment, the group is of the view that carrying amounts of trade receivables and inventories are expected to be realizable. The impact of COVID-19 may be different from that estimated as at the date of approval of these financial results, and the Group will continue to closely monitor the developments.

2.6 Classification of current/non current assets and liabilities

All assets and liabilities are presented as Current or Non Current as per the Group's normal operating cycle and the other criteria set out in Schedule III of the Companies Act, 2013. Based on the nature of products and the time between the acquisition of assets for processing and their realization, the Group has ascertained its operating cycle as 12 months for the purpose of Current/Non Current classification of assets/liabilities.

2.7 Standards issued but not effective (based on exposure drafts available as on date)

The amendments are proposed to be effective for reporting periods beginning on or after 1 April 2020.

Amendments to existing standards

Ministry of Corporate Affairs has carried out amendments of the following accounting standards:

1. Ind AS 103 – Business Combination
2. Ind AS 1, Presentation of Financial Statements and Ind AS 8, Accounting Policies, Changes in Accounting Estimates and Errors
3. Ind AS 40 – Investment Property

The Group is in the process of evaluating the impact of the new amendments issued but not yet effective.

2.8 Property, plant and equipment

Property, Plant and Equipment is stated at cost, net of accumulated depreciation and accumulated impairment losses, if any. Cost comprises of the purchase price net of Cenvat, Service Tax, Value Added Tax, Goods and Service Tax and any attributable cost of bringing the assets to its working condition for its intended use, including the cost of replacing parts, borrowing costs for long-term construction projects if the recognition criteria are met. Items such as Spare Parts, Standby Equipments and Service Equipments that meet definition of PPE are capitalized at cost.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the statement of profit and loss. Assets to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.

Capital work-in-progress

Assets in the course of construction are capitalised in the Capital Work in Progress account. At the point when an asset is operating at management's intended use, the cost of construction is transferred to the appropriate category of property, plant and equipment and depreciation commences.

2.9 Intangible assets

Intangible assets with finite useful life that are acquired separately are measured on initial recognition at cost. Following initial recognition, intangible assets are carried at cost less accumulated amortization and accumulated impairment loss, if any. Research & Development expenditure is capitalized only if certain recognition criteria are demonstrated. The same are amortized on a straight line basis over their estimated useful life.

2.10 Depreciation / amortisation

- (i) In respect of Banco Products (India) Limited, depreciation is calculated on a straight-line basis or Written Down Value as per the specified life of the assets as provided in schedule II to the Companies Act, 2013. The useful life of Item of PPE are mentioned below.

Class of Assets	Range of useful life (In Years)
Factory buildings	30
Plant and equipments	10-15
Furniture & fixtures	10
Vehicles	8-10
Office equipment	5
Computer hardware	3-6
Software	3-6

The management, based on internal technical evaluation, believes that the useful lives as given above best represent the period over which the assets are expected to be used.

Depreciation methods, useful lives and residual values are reviewed periodically, including at each financial year end.

- (ii) In respect of Banco Gaskets (India) limited

Depreciation on property, plant and equipment except plant and machinery has been provided on written down value method over the useful lives of the assets as provided in schedule II to the Companies Act, 2013. Depreciation on plant and machinery is provided on straight line method over the useful lives of the assets as provided in schedule II to the Companies Act, 2013.

The useful life of Item of PPE are mentioned below.

Class of Assets	Range of useful life (In Years)
Factory buildings	30
Plant and equipments	10-15
Furniture & fixtures	10
Vehicles	8-10
Office equipment	5
Computer hardware	3-6
Software	3-6

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

- (iii) In respect of Nederlandse Radiatoren Fabriek B.V.,

The annual depreciation rates are as follows:

Buildings	:	2.50%
Plant & machinery	:	10%-20%
Other operating fixed assets	:	20%-33.1/3%

- (iv) In respect of Kilimanjaro Biochem Limited, (Upto 02/02/2019)

The annual depreciation rates are as follows:

Buildings	:	5%
Plant & machinery	:	10%
Motor vehicles	:	25%
Office equipments	:	25%
Furniture & fixtures	:	25%
IT equipments	:	25%

2.11 Impairment of assets

The carrying amounts of assets are reviewed at balance sheet date to check if there is any indication of impairment based on internal or external factors. An asset is treated as impaired when the carrying cost of assets exceeds its recoverable value. An impairment loss is charged to the statement of profit and loss in the year in which an asset is identified as impaired. The impairment loss, if any, recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

2.12 Leases

The group as a lessee

The Group's lease asset classes primarily consist of leases for land and buildings. The Group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) The contract involves the use of an identified asset
- (ii) The Company has substantially all of the economic benefits from use of the asset through the period of the lease and
- (iii) The Group has the right to direct the use of the asset.

At the date of commencement of the lease, the Group recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Group changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

Transition

Effective 1st April, 2019, the Company adopted Ind AS 116 “Leases” and applied the standard to all lease contracts existing on 1st April, 2019. Accordingly, the Company has re-classified Leasehold Land from Property, Plant & Equipment to Right of Use Asset. The leasehold land is already fully paid and hence already stated at its present value. The same is being amortized over the period of lease (including the period renewable at the option of the Company.)

All other lease contracts of the Company are for lease tenure below 12 months and the Company has accordingly applied the exemption not to recognize right of use assets for such leases.

The company as a lessor

Lease income from operating leases where the Group is a lessor is recognised in income on a straight-line basis over the lease term. The respective leased assets are included in the balance sheet based on their nature.

Arrangements in the nature of lease

The Company enters into agreements, comprising a transaction or series of related transactions that does not take the legal form of a lease but conveys the right to use the asset in return for a payment or series of payments. In case of such arrangements, the Company applies the requirements of Ind AS 116 – Leases to the lease element of the arrangement. For the purpose of applying the requirements under Ind AS 116 – Leases, payments and other consideration required by the arrangement are separated at the inception of the arrangement into those for lease and those for other elements.

2.13 Revenue recognition

Revenue is measured based on the consideration specified in a contract with a customer.

Sale of goods

The principal activity from which the Group generates revenue is the supply of products to customers from its various manufacturing sites and warehouses. Products are supplied under a variety of standard terms and conditions, and in each case, revenue is recognized when contractual performance obligations between the Group and the customer are satisfied. This will typically be on dispatch or delivery. When sales discount and rebate arrangements result in variable consideration, appropriate provisions are recognized as a deduction from revenue at the point of sale (to the extent that it is highly probable that a significant reversal in the amount of cumulative revenue will not be required). The Group typically uses the expected value method for estimating variable consideration, reflecting that such contracts have similar characteristics and a range of possible outcomes.

Sale of services

Revenues for services are recognised when the service rendered has been completed.

Royalties and profit-sharing arrangements

Revenues are recognized when performance obligations between the Group and the customer are satisfied in accordance with the substance of the underlying contract.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

Interest and dividend income

Interest income is recognized on a time-proportion basis using the effective interest method. Dividend income is recognized when the right to receive payment is established.

2.14 Inventories

- (i) Raw materials, stores and spares, packing materials, work-in-process and finished goods are valued at lower of cost and net realizable value. Damaged, unserviceable and inert stocks are suitably depreciated.
- (ii) In determining cost of raw materials, stores and spares (except machinery spares which meet the definition of PPE) and packing materials, weighted average cost method is used. Cost of inventory comprises all costs of purchase, duties and taxes (other than those subsequently recoverable from tax authorities) and all other costs incurred in bringing the inventory to their present location and condition.
- (iii) Cost of finished products and work-in-process include the cost of raw materials, packing materials, and an appropriate share of fixed and variable production overheads and other costs incurred in bringing the inventories to their present location and condition.

2.15 Financial instruments

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument.

a. Financial assets

(i) Initial recognition and measurement

The Group recognizes financial assets when it becomes a party to the contractual provisions of the instrument. All financial assets are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition of financial assets, that are not at fair value through profit or loss, are added to the fair value on initial recognition. Regular way trade of financial assets are accounted for at trade date.

(ii) Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in four categories:

Financial assets at amortised cost

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, debt instruments at amortised cost are subsequently measured at amortised cost using the effective interest rate method, less impairment, if any.

Financial assets at fair value through other comprehensive income

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

The Group has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in other comprehensive income based on its business model.

Financial assets at fair value through profit or loss

Financial assets which are not classified in any of the above categories are subsequently fair valued through profit or loss.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020
(iii) Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is derecognized (i.e. removed from the Group's Balance Sheet) when any of the following occurs:

- i. The contractual rights to cash flows from the financial asset expires;
- ii. The Group transfers its contractual rights to receive cash flows of the financial asset and has substantially transferred all the risks and rewards of ownership of the financial asset;
- iii. The Group retains the contractual rights to receive cash flows but assumes a contractual obligation to pay the cash flows without material delay to one or more recipients under a 'pass-through' arrangement (thereby substantially transferring all the risks and rewards of ownership of the financial asset);
- iv. The Group neither transfers nor retains substantially all risk and rewards of ownership and does not retain control over the financial asset.

b. Financial liabilities
(i) Initial recognition and measurement

The Group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts. Financial liabilities are classified, at initial recognition, at fair value through profit and loss or as those measured at amortised cost.

(ii) Subsequent measurement

The subsequent measurement of financial liabilities depends on their classification as follows:

Financial liabilities at fair value through profit and loss

Financial liabilities at fair value through profit and loss include financial liabilities held for trading.

The Group has not designated any financial liabilities upon initial recognition at fair value through profit and loss.

Financial liabilities measured at amortised cost

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate method.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires.

c. Fair value

The Group measures financial instruments at fair value in accordance with the accounting policies mentioned above. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for asset or liability or
- In the absence of principal market, in the most advantageous market for the assets or liability

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy that categorizes into three levels, described as follows, the inputs to valuation techniques used to measure value. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1 inputs) and the lowest priority to unobservable inputs (Level 3 inputs).

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

Level 1 – quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 – inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly

Level 3 – inputs that are unobservable for the asset or liability

For assets and liabilities that are recognized in the financial statements at fair value on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization at the end of each reporting period and discloses the same.

2.16 Foreign exchange transactions

Transactions in foreign currencies are initially recorded by the Group at the rate of exchange prevailing on the date of the transaction. Monetary assets and monetary liabilities denominated in foreign currencies remaining unsettled at the end of the year are converted at the exchange rate prevailing on the reporting date.

Differences arising on settlement or conversion of monetary items are recognised in statement of profit or loss. Non-monetary items that are measured in terms of historical cost in a foreign currency are recorded using the exchange rates at the date of the transaction

2.17 Trade receivable

Trade Receivables are stated after writing off debts considered as bad. Adequate provision is made for Expected Credit Losses. Discounts due yet to be quantified at the customer level are netted off from Trade Receivables.

2.18 Borrowing costs

- (i) Borrowing cost includes interest, amortization of ancillary costs incurred in connection with the arrangement of borrowings and exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.
- (ii) Borrowing costs, if any, directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized. All other borrowing costs are expensed in the period they occur.

2.19 Provisions, contingent liabilities and contingent assets

a. Provisions

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. The expense relating to a provision is presented in the statement of profit and loss.

b. Contingent liabilities

Contingent liability is disclosed for

- (i) Possible obligations which will be confirmed only by the future events not wholly within the control of the company or
- (ii) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

c. Contingent assets

Contingent Assets are not recognised in the financial statements. Contingent Assets if any, are disclosed in the notes to the financial statements.

2.20 Taxes

Tax expense is the aggregate amount included in the determination of profit or loss for the period in respect of current tax and deferred tax.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020
Current tax

Current tax is the amount of income taxes payable in respect of taxable profit for a period. Taxable profit differs from 'profit before tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible under the applicable Tax Laws.

Current tax is measured using tax rates that have been enacted by the end of reporting period for the amounts expected to be recovered from or paid to the taxation authorities.

Deferred tax

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit under the applicable Tax Laws.

Deferred tax liabilities are generally recognized for all taxable temporary differences. However, in case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax liabilities are not recognized. Deferred tax assets are generally recognized for all deductible temporary differences to the extent it is probable that taxable profits will be available against which those deductible temporary difference can be utilized. In case of temporary differences that arise from initial recognition of assets or liabilities in a transaction (other than business combination) that affect neither the taxable profit nor the accounting profit, deferred tax assets are not recognized.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow the benefits of part or all of such deferred tax assets to be utilized.

Deferred tax assets and liabilities are measured at the tax rates that have been enacted or substantively enacted by the Balance Sheet date and are expected to apply to taxable income in the years in which those temporary differences are expected to be recovered or settled.

Minimum alternate tax (MAT)

Deferred tax assets in case of the Holding Company and Subsidiaries incorporated in India include Minimum Alternative Tax (MAT) paid in accordance with the tax laws in India, which is likely to give future economic benefits in the form of availability of set off against future income tax liability. Accordingly, MAT is recognised as deferred tax asset in the balance sheet when the asset can be measured reliably, and it is probable that the future economic benefit associated with asset will be realised.

Presentation of current and deferred tax

Current and deferred tax are recognized as income or an expense in the Statement of Profit and Loss, except when they relate to items that are recognized in Other Comprehensive Income, in which case, the current and deferred tax income/ expense are recognized in Other Comprehensive Income.

The Group offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously. In case of deferred tax assets and deferred tax liabilities, the same are offset if the Group has a legally enforceable right to set off corresponding current tax assets against current tax liabilities and the deferred tax assets and deferred tax liabilities relate to income taxes levied by the same tax authority on the Group.

2.21 Research and development

- (i) All revenue expenses related to research and development including expenses in relation to development of product/processes which does not meet the criteria for recognition as an intangible Assets, are charged to the statement of profit and loss in the year in which it is incurred.
- (ii) Items of property, plant and equipment and acquired Intangible Assets utilized for Research and Development are capitalized and depreciated in accordance with the policies stated for Property, Plant and Equipment and Intangible Assets.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020

2.22 Employees benefits

- (i) In case of the Holding Company and subsidiary company incorporated in India, Provident fund is a defined contribution scheme and the contribution as required by the statute paid to government provident fund and it is charged to the statement of profit and loss.
- (ii) In case of the Holding Company and subsidiary company incorporated in India, Gratuity liability is a defined benefit obligation and is funded through a gratuity fund administered by trustees and managed by the Life Insurance Corporation of India. The Company accounts for liability for future gratuity benefits based on actuarial valuation carried out as at the end of each financial year, using the projected unit credit method. Actuarial gain and/or losses are recognised in the statement of other comprehensive income.
- (iii) In case of the Holding Company and subsidiary company incorporated in India, The Group provides for the encashment of leave or leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits, for future encashment. The liability is provided based on the number of days of unutilized leave at each balance sheet date on the basis of an independent actuarial valuation carried out as at the end of each financial year, using the projected unit credit method. Actuarial gain and/or losses are recognised in the statement of profit and loss.
- (iv) The companies NRF UK and NRF B.V., have a pension plan in place that qualifies as a defined contribution plan. The company's sole obligation is payment of the accrual contribution to the insurance company of branch pension fund(PME). The coverage ratio at the end of March 2020 amounts to 99%. The company does not form a provision for any future increase in the contribution.

2.23 Cash and cash equivalents

Cash and cash equivalents for the purpose of cash flow statement comprise cash and cheques in hand, bank balances, demand deposits with banks and other short term highly liquid investments where the original maturity is three months or less.

2.24 Earnings per share

Basic earnings per equity share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

2.25 Government grants

Government grants (including export incentives and incentives on specified goods manufactured in the eligible unit) are recognized only when there is reasonable assurance that the Company will comply with the conditions attached to them and the grants will be received.

Government grants relating to income are recognized in profit or loss on a systematic basis over the periods in which the Company recognizes as expenses, the related costs for which the grants are intended to compensate.

2.26 Exceptional item

When items of income and expense within statement of profit and loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such material items are disclosed separately as exceptional items

2.27 Segment reporting

Operating segments are reported in a manner consistent with the internal reporting provided to the Chief Operating Decision Maker (CODM) of the Company. The Chief Operating Decision Maker (CODM) is responsible for allocating resources and assessing performance of the operating segments of the Company.

(a) Defined contribution plan

The Parent and Indian Subsidiary Company makes contribution towards recognized provident fund to defined contribution retirement benefit plan for qualifying employee. Under the plan, the company is required to contribute a specified percentage of payroll cost to the retirement benefit plan to fund the benefit.

The Parent and Indian Subsidiary Company has recognized an amount of ₹ 197.23 lakhs (P.Y. - ₹ 184.82 lakhs) as expense under the defined contribution plan in the statement of Profit and Loss for the year.

(b) Defined benefit plan

The Parent and Indian Subsidiary Company makes annual contributions to Employees Group Gratuity with LIC, a funded defined benefit plan for employees of the company.

Actuarial value of plan Assets and the present value of the defined benefit obligations for gratuity were carried out as on 31st March every year. The present value of the defined benefit obligations and the related current service cost and past service cost were measured using the Projected Unit Credit Method, which recognizes each period of service as giving rise to additional unit of benefit entitlement and measures each unit separately to build up the final obligation.

- (ii) Financial instrument measured at amortised cost

The carrying amount of financial assets and financial liabilities measured at amortised cost in the financial statements are a reasonable approximation of their fair values since the Company does not anticipate that the carrying amounts would be significantly different from the values that would eventually be received or settled.

The Company's financial liabilities comprise mainly of borrowings, trade payables and other payables. The Company's financial assets comprise mainly of investments, cash and cash equivalents, other balances with banks, trade receivables and other receivables.

39(A) CAPITAL MANAGEMENT

For the purpose of the Company's capital management, capital includes issued capital and all other equity reserves attributable to the equity shareholders of the Company. The primary objective of the Company when managing capital is to safeguard its ability to continue as a going concern and to maintain an optimal capital structure so as to maximize shareholder value. As at 31st March, 2020, the Company has only one class of equity shares and has low debt. Consequent to such capital structure, there are no externally imposed capital requirements. In order to maintain or achieve an optimal capital structure, the Company allocates its capital for distribution as dividend or re-investment into business based on its long term financial plans.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020
39(B) FINANCIAL RISK MANAGEMENT - OBJECTIVES AND POLICIES

The Group's activities expose it to a variety of financial risks: Market risk, credit risk, liquidity risk. The Group has a risk management policy which covers risks associated with the financial assets and liabilities. The risk management policy is approved by the Board of Directors. The focus of the policy is to assess the unpredictability of the financial environment and to mitigate potential adverse effects on the financial performance of the group.

1. Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risks: interest rate risk, currency risk and other price risk. Financial instruments affected by market risk include borrowings, investments, trade payables, trade receivables and loans.

(a) Interest rate risk

Interest rate risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group is exposed to interest rate risk through the impact of rate changes on interest-bearing liabilities and assets. The Group manages its interest rate risk by monitoring the movements in the market interest rates closely.

The sensitivity analysis below have been determined based on the exposure to interest rates for financial instruments at the end of the reporting year and the stipulated change taking place at the beginning of the financial year and held constant throughout the reporting period in the case of instruments that have floating rates. A 50 basis point increase or decrease is used when reporting interest rate risk internally to key management personnel and represents management's assessment of the reasonably possible change in interest rates.

If interest rates had been 50 basis points higher or lower and all other variables were held constant, the Group's profit before tax for the year ended 31st March, 2020 would decrease/increase by ₹ 43.01 Lakhs (P.Y. ₹ 18.55 Lakhs).

(b) Foreign currency risk

The Group operates internationally and portion of the business is transacted in several currencies and consequently the group is exposed to foreign exchange risk through its sales and services in overseas and purchases from overseas suppliers in various foreign currencies. Foreign currency exchange rate exposure is partly balanced by purchasing of goods, commodities and services in the respective currencies.

(c) Other price risk

Other price risk is the risk that the fair value of a financial instrument will fluctuate due to changes in market traded price. Other price risk arises from the financial assets such as investments in equity instruments. The Parent Company is exposed to price risk arising mainly from investments in equity instruments recognised at FVTOCI. As at 31st March, 2020, the carrying value of such equity instruments recognised at FVTOCI amounts to ₹ 921.42 lakhs (P.Y. ₹ 1852.77 lakhs). The details of such investments in equity instruments are given in Note 4.

The Company is mainly exposed to change in market rates of its investments in equity investments recognised at FVTOCI. A sensitivity analysis demonstrating the impact of change in market prices of these instruments from the prices existing as at the reporting date is given below.

If the equity prices had been higher/lower by 10% from the market prices existing as at 31st March 2020, Other Comprehensive Income for the Period ended 31st March 2020 would increase/decrease by ₹ 92.14 lakhs (P.Y. ₹ 185.27 lakhs) with a corresponding increase/decrease in Total Equity of the Company as at 31st March 2020. 10% represents management's assessment of reasonably possible change in equity prices.

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2020**2. Credit risk**

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's receivables from customers and investment securities. Credit risk arises from cash held with banks and financial institutions, as well as credit exposure to clients, including outstanding accounts receivable. The maximum exposure to credit risk is equal to the carrying value of the financial assets. The objective of managing counterparty credit risk is to prevent losses in financial assets. The Group assesses the credit quality of the counterparties, taking into account their financial position, past experience and other factors.

The Group's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The demographics of the customer, including the default risk of the industry and country in which the customer operates, also has an influence on credit risk assessment. The exposure are continuously monitored.

3. Liquidity risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.

The Company consistently generates sufficient cash flow from operations to meet its financial obligations as and when they fall due.
