MESSAGE FROM THE **CHAIRMAN'S** DESK

Letter to **Shareholders**

Dear **Shareholders**

The business impact led by COVID-19 reached an inflection point during fiscal 2020-21. The scale of change was unprecedented. Kellton Tech demonstrated its ability to pivot rapidly and enable sustained growth, at a rate above the market average, with growing profitability. Our workforce, one of the greatest and most important assets, delivered on clients' commitments unfailingly and exceeded all expectations, reflecting their passion for achieving performance excellence. We take pride in the team we have built and remain thankful for their steadfast support and contribution in the company's growth, more so in the past year.

At a time when the coronavirus was racing through the globe, triggering a health and financial crisis, Kellton Tech formed the COVID-19 taskforce to provide timely assistance to our employees in need. With our employees and their family facing one of the most harrowing times, we established a plan to ensure a steady supply of resources that they may need to cater to the demands of the crisis. For volunteers in the taskforce, to address queries coming in large numbers was a tall order to meet, but their dedication to supporting the community they

work in was praiseworthy and paid off in a huge way. The sense of empathy and compassion that our COVID-19 taskforce had shown in such staggering times was unmatched and will continue to inspire us for years to come.

We are proud that during fiscal 2020-21, we focused our efforts on gaining knowledge and digital capabilities to build tomorrow's enterprises. From services and solutions that accelerate our clients' digital journeys to incubating next-generation technologies, we worked relentlessly to script an enduring success story. We captured new growth opportunities in cloud, blockchain, AI/ML, security, supply chain, and digital workforce.

As the tide turned with COVID-19, we embraced an agile, transparent, and future-ready architecture to ensure value generation without any hiccups and help our customers turn their transformative visions into reality. We ensured seamless collaboration across various business endpoints and helped our people achieve their

mission-critical right in time. Our employee focus and a flexible operating model were what helped us surmount the challenges and ensure business continuity.

We experienced strong headwinds of disruption in the first two quarters of 2020-21 due to the COVID-19 outbreak and the selling-off of our low-profit-making subsidiaries. A few of our business divisions generated 30% less revenue than what they contributed in the corresponding quarter. However, we emerged stronger from the downturn mainly in the last two quarters, reporting a 45% increase in revenue generation.

THE FINANCIAL HIGHLIGHTS OF FISCAL 2020-21:

Our digital commitments increased by 4.28% on a Y-o-Y basis comprising 79.34% of our overall revenue in FY21.

Our Earnings per share was at INR 7.34 a decline of 4.68% on Y-o-Y basis

We had operating cash flows of INR 794.8 Million that grew at 41% for the year.

During the crisis, we maximized the scale of our capabilities to help our customers build their digital core and generate revenue while adapting to the shifting market scenarios. As COVID-19 struck in our close quarters, we worked together with our solution-finders across geographies to enable our thousands of people to connect and communicate in a remote environment. The

net outcome of our approach was a simplified organizational model—underpinned by leaner operations, an adaptive digital core, scalable data architecture, and cybersecurity—that helped spark agility, resilience, and trust in our working relationships and lead clients' objectives in a frictionless manner. We invested significantly in our people. We strategically spent on training and reskilling our workforce, which was crucial to delivering superior experiences for our customers and us. Besides, our teams were better positioned to leverage and expand our global and local innovation centers to nurture an optimal delivery pipeline for our customers and extend value.

In FY 2020-21, we tapped into the potential of our existing partner ecosystem and were successful in entering new tie-ups with leading technology providers in the industry. We drove outcomes for our clients with our strong and positive working relationships with partners, including **Amazon Web Services (AWS), Google Apigee, SAP, MuleSoft, IBM, Jitterbit, Workato, SoftwareAG, Automation Anywhere,** and many others.

Appreciation and accolades from our customers always corroborate the confidence we have in our digital capabilities. During the fiscal year 2020-21, we won recognition for driving meaningful experiences and leading our clients to their business differentiation. We optimized the workings of the core-critical Physical Access Control Software (PACS) for one of our

leading clients, thus helping them align their approach to product excellence and market expansion. In the words of the client, the impact of our deliverables on their business was much 'palpable' and 'consistent.' Another client—a fast-food giant in South Africa with a strong global footprint—congratulated our team for designing and deploying a Digital Success Routines Platform that helped them improve the quality of restaurant ops dramatically. The client deeply valued the 'extra time' we put in to drive anticipated results and identified us as the 'trusted technology partner' for the future.

FUTURE FORECAST

We view 2021 as a year of growth acceleration. We set the following benchmarks and continue to build a firm foundation that leads us to our objectives:

Fundamentally, a promising pipeline underpins our future. After gaining ground in the US markets, we plan to expand our customer base and revenue size in Europe and the UK.

We are determined to implement new organizational strategies that focus on repurposing, restructuring, and achieving higher, redefined goals.

We aim to reach \$300 million revenue from \$100 million in the present day.

We plan to onboard approximately 400 new talents across all technology realms and reinforce our commitment to diversity and inclusivity.

We are ready for the next disruptive change and stay committed to riding the new technology cycle to build differentiated, solution-centric capabilities that augment our reach as the 'preferred transformation partner' for the customers.

As we close a challenging year, we express our gratitude to all the stakeholders — including clients, partners, employees, and Board of Directors — for placing their faith and confidence in Kellton Tech. We thank you for your continuous support and look forward to a lasting relationship. May we thrive together!

THE WORKFORCE

Our Workforce

The FY 2020-21 caused major disruptions for our workforce. With the overnight shift to the working-from-home ecosystem in the wake of the ongoing pandemic, our workforce underwent a quick settlement into the virtual world. Initially, there were bottlenecks. However, it did not take us long to create a connected and collaborative environment to ensure seamless performance and continuity in operations.

Covid-19 Taskforce

Despite working remotely, our employees efficiently collaborated with clients worldwide and delivered on their work commitments with full responsibility and accountability. The new model helped them address our clients' business challenges and meet expectations with more individual flexibility and shared trust. Ensuring cross-department collaboration was a cause of concern; however, with the right solution-finders spearheading the significant shift to virtual-working environments, we were able to lead our global business teams to work in tandem and make sure that everyone is on the same page about what needs to be done and who's willing to do it.

The COVID-19 pandemic wreaked havoc on the global community and left a trail of destruction and death. The health infrastructure was crippled due to a higher positivity rate, and in the wake of insufficient resources, the chaos of despair was overwhelming. We, in the middle of this, fought back and created the 'Kellton's COVID-19 Taskforce' to help our people find fast and timely assistance. Many of our employees volunteered to join the initiative and successfully arranged the supplies needed to root out infections and sustain life. The most remarkable and unexpected development, however, was the show of solidarity by our people that would continue to inspire us for decades to come.

Our Work Culture

Agility sits at the core of our business ecosystem. We practice a work culture that interweaves flexibility, trust, and satisfaction. The organic working environment encourages our workforce to achieve performance excellence in any given condition. We have always focused on imbibing a work culture that enables our employees to perpetually learn, grow, and exhibit their competence amid the soaring competition.

Sticking to our people-first strategies, we have always ensured that the health and safety of our workforce remain a top priority. Fiscal 2020-21 was mainly about maintaining a balance between performance enablement and personal well-being. We ensured a work culture that helps our employees make equilibrium and emerge victorious at all fronts.

We offered all the possible support to the workforce — including the Taskforce, Doctor-on-Call, Therapist-in-Call, an extension of insurance facilities, and more — ensuring that they work in a cohesive culture to perform efficiently against all odds.

At Kellton Tech, we encourage the workforce to communicate both horizontally and vertically. In fiscal 2020-21 — when only 5% of our employees came to the office — we had an inherent requirement to reinvent how we communicated and interacted. We turned to digital mediums

and ensured there is no communication gap. It essentially helped us in identifying and eliminating the friction points, which is critical to performance enablement and a balanced work environment.

Our work culture is layered by our principles, values, and professional attributes that together make life at Kellton Tech rewarding and our organization among the best places to work.

Talent Acquisition

Experiences related to talent acquisition were completely unconventional in fiscal 2020. In the aftermath of the first wave of COVID-19 and amid the outbreak of the second wave, acquiring new talents was challenging. Though we actively hired talents across departments to meet our organizational goals and stay ahead of the demand curve, the activity remained largely virtual.

COVID-19 accelerated the need for digital transformation, and businesses looked to build solutions on top of AI, cloud, blockchain, analytics, and more. Considering the fact, our talent acquisition team developed robust remote sourcing strategies and gleaned through the top business schools, job portals, references, and other talent sources to find the right match. Besides, we also hired people for the leadership role. They helped us capture a larger market share outside the US and expand our businesses in other geographies, including the UK, and we hope to see such upticks in the future.

Talent Diversity

We believe in creating an equal mix of talent within our organization. We understand that diversity and inclusion are business imperatives that help us thrive with a holistic perspective.

Our faith in providing an equal opportunity to the workforce — irrespective of nationality, gender, and age — has always helped us attract top talents worldwide and drive tangible business benefits. We created opportunities for people with disabilities, talents from different ethnic groups, caste, creeds, and races.

We have always made it a point to implement our diversity and inclusion strategy efficiently. Not because we are bound to comply with regulatory protocols defined by governments in different countries, but because we firmly believe it encourages our stakeholders to instill their confidence in us. Besides, diverse teams have been significantly helping us create meaningful values and outperform the competition with full force.

Talent Development

COVID-19 fueled the demand to develop new skills to meet clients' and customers' expectations efficiently. We invested in our workforce's training and skill development to address the demand curves and created high-performance teams with a sense of belonging, common purpose, and a shared identity.

Throughout fiscal 2020-21, we fostered employee learning and development to unleash their capabilities and empower them to strategically and confidently achieve our organizational goals and business objectives. Our R&D lab helped our workforce monitor the trending technologies, explore professional requirements, and build competitive models to help shape their future and achieve their career goals. Moreover, we assigned mentors who enabled special skill development and training relevant to technologies and software.

Our R&D team is continuously involved in identifying possibilities with future technologies and creating POCs with current technologies that help us reinvent our skill development processes, learning approaches, and training frameworks.

As the pandemic continued to take hold, we created training and development models that offer online, remote, and asynchronous learning to our employees across locations, platforms, and devices. Given the circumstances, peer-to-peer learning emerged out to be a successful approach to knowledge sharing. We reasserted our commitment to encouraging our employees to pursue self-development and innovation, sustain social and professional integrity, and fulfill their duties without losing sight of the company's objectives.

HR Policies

Managing the workforce during the COVID-19 had its challenges. But we continuously upgraded our HR policies and guidelines to deploy resilient employee management practices with the utmost efficiency. With agility in our core system, we must say that managing people even in remote locations was not difficult. We adapted quickly to the changing circumstances and ensured a complete satisfactory work environment for our employees.

Undeniably, COVID-19 triggered a massive shift. Our HR team had added responsibilities in fiscal 2020-21, and the way they managed the workforce and other duties was praiseworthy. Our HR team repurposed policies to support seamless performance enablement from running employee engagement programs, recording attendance, enquiring about their health and well-being, processing the payroll, and more.

We have a healthy and connected workplace ecosystem that functions with a collaborative approach. Underpinned by flexible working arrangements and a mobile workforce, we enabled a robust work culture that played a critical role in improving talent sourcing and outreach, attracting and retaining talents across geographies, and simplifying recruitment and selection. Despite adverse market conditions all over the year, we hired over 100 people in 2020. Amid new roles, challenges, and priorities, our

professionals essentially helped the workforce remain hopeful and practice continuous innovation to manage people, processes, and systems seamlessly.

Employee Engagement

With measures such as social distancing and lockdowns — meant to safeguard populations from COVID-19 — we largely continued to work from home the entire fiscal year. Engaging in the COVID-19 world was limited to virtual means facilitated by smart devices, the internet, chatting and video conferencing apps, social media platforms, and more.

In the pandemic-style working, we developed practices and approaches to ensure meaningful engagement with our employees and prospective talents across geographies. Our employee engagement teams, including the HR, PR, and Communications, and even the Taskforce, played their respective roles efficiently to ensure we have a well-connected ecosystem in place to stay engaged by all possible means.

THE
WORKFORCE

Engaging virtually to celebrate festivals, days of national importance, and our success — including Fourth of July, Eid, Holi, Diwali, Halloween, Christmas, and more — was new for us, but stepping beyond convention brought a deluge of excitement. Though it was all virtual, we shared pictures, moments, and emotions and left no stone unturned to feel connected and engaged even while working remotely.

NOTES :

1. An Explanatory Statement under Section 102 (1) of the Companies Act, 2013, in respect of Special Business at the meeting, is annexed hereto and forms part of this notice.
2. The statement of the particulars of Directors seeking Appointment / Re-appointment is enclosed as **Annexure A** as required under sub-regulation (3) of Regulation 36 of the listing regulations. The Directors have furnished the requisite declarations for their appointment/re-appointment.
3. In view of the Covid-19 pandemic, the Ministry of Corporate Affairs ("MCA") has, vide its circular dated 5th May, 2020 and 13th January, 2021 read with other previous circulars issued in that connection (collectively referred to as "MCA Circulars"), permitted the holding of the Annual General Meeting ("AGM") through VC / OAVM and thus physical attendance of Members has been dispensed with. In compliance with the said Circulars, the AGM of the Company is being held through Video Conference (VC) / Other Audio-Visual Mode (OAVM) and as such the route map is not annexed to this Notice.
4. In compliance with the aforesaid circulars, this Notice together with annual report 2020-21 is being sent only through electronic mode to those members whose email addresses are registered with the company / depositories. Copies of the Notice and annual report 2020-21 will also be uploaded on the company's website at www.Kelltontech.com, websites of stock exchanges i.e., BSE Ltd and National Stock Exchange of India Ltd., at www.bseindia.com and www.nseindia.com respectively. The AGM Notice is also disseminated on the website of CDSL (agency for providing the Remote e-Voting facility and e-voting system during the AGM) i.e. www.evotingindia.com.
5. Members of the Company under the category of Institutional Investors are encouraged to attend and vote at the AGM through VC/OAVM. Corporate members intending to authorize their representatives to participate and vote at the meeting are requested to send a certified copy of the Board resolution / authorization letter to the Company through its registered mail id - compliance@kelltontech.com or upload on the VC portal / e-voting portal.
6. The Register of Directors and Key Managerial Personnel and their shareholding, maintained under Section 170 of the Act, and the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, will be available electronically for inspection by the members during the AGM. All documents referred to in the Notice will also be available for electronic inspection without any fee by the members from the date of circulation of this Notice up to the date of AGM, i.e. September 27, 2021. Members seeking to inspect such documents can send an email to compliance@kelltontech.com.
7. Register of Members and Share Transfer Books of the Company shall remain closed from 20th September 2021 to 27th September, 2021 (both days inclusive) for AGM and determining the entitlement of the shareholders for the Dividend for the year 2020-21, if declared, at the AGM.

8. If the Dividend as recommended by the Board of Directors is approved at the AGM, the payment of such dividend shall be made within the timeline as prescribed under the Act, subject to deduction of tax at source, as under:

a) To all those beneficial owners holding shares in electronic form, as per the beneficial ownership data as may be made available to the Company by National Securities Depository Ltd. (NSDL) and Central Depository Services (India) Ltd. (CDSL) as of the close of the business hours as 18th September, 2021 and

b) To all those members holding shares in physical form on or before at the close of business hours on 18th September, 2021.

9. Pursuant to the provisions of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and Regulation 44 of SEBI (Listing Obligations & Disclosure Requirements) Regulations 2015 (as amended), and MCA Circulars dated April 08, 2020, April 13, 2020 and May 05, 2020 the Company is providing facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-Voting's agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM will be provided by CDSL.

10. The Members can join the AGM in the VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available to at least 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

11. The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the quorum under Section 103 of the Companies Act, 2013.

12. Pursuant to MCA Circular No. 14/2020 dated April 08, 2020, the facility to appoint proxy to attend and cast vote for the members is not available for this AGM.

13. The facility for voting during the AGM will also be made available. Members present in the AGM through VC and who have not cast their vote on the resolutions through remote e-voting and are otherwise not barred from doing so, shall be eligible to vote through the e-voting system during the AGM.

14. Members holding shares in physical form should inform the Company's Registrar and Transfer Agents, XL Softech System Limited of any change in their registered address/update of email ID/change in e-mail address. Similarly, Members holding shares in electronic form should inform their Depository Participants (DP) of any change in their registered address, mandate/e-mail address.

15. Members desirous of seeking any information on the accounts or operations of the company are requested to write to the Company at least 15 days prior to the Meeting so that the required information can be made available at the Meeting.

16. As per the provisions of Section 72 of the Act, the facility for making nomination is available for the Members in respect of the shares held by them. Members who have not yet registered their nomination are requested to register the same by submitting Form No. SH-13. The form can be downloaded from the Company's website. Members are requested to submit these details to their DP in case the shares are held by them in electronic form, and to the RTA, in case the shares are held in physical form.

17. SEBI has mandated the submission of the Permanent Account Number (PAN) by every participant in the securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their depository participant(s). Members holding shares in physical form are required to submit their PAN details to the RTA.

18. The equity shares of the Company have been notified for compulsory trading in demat form. The Company has signed a tripartite agreement with National Securities Depository Limited (NSDL), Central Depository Services (India) Limited (CDSL) and M/s. XL Softech System Limited to facilitate dematerialisation of shares. Members are requested to avail of this facility and have their shareholding converted into dematerialised form.

19. With the aim of curbing fraud and manipulation risk in physical transfer of securities, SEBI has notified the SEBI (Listing Obligations and Disclosure Requirements) (Fourth Amendment) Regulations, 2018 on June 8, 2018 to permit transfer of listed securities only in the dematerialized form with a depository. In view of the above and the inherent benefits of holding shares in electronic form, we urge the shareholders holding shares in physical form to opt for dematerialization.

20. The Board has appointed Mr. N.V.S.S. Suryanarayana Rao, Practicing Company Secretaries, as the Scrutinizer to scrutinize the e-voting in a fair and transparent manner.

21. The Scrutinizer will submit his report to the Chairman of the Company ('the Chairman') or to any other person authorized by the Chairman after the completion of the scrutiny of the e-voting (votes casted during the AGM and votes casted through remote e-voting), not later than 48 hours from the conclusion of the AGM. The result declared along with the Scrutinizer's report shall be communicated to the stock exchanges, NSDL, and RTA and will also be displayed on the Company's website <https://www.kelltontech.com/investors/reports-and-filings>.

THE INTRUCTIONS OF SHAREHOLDERS FOR E-VOTING AND JOINING VIRTUAL MEETINGS ARE AS UNDER:

(i) The voting period begins on Friday, September 24, 2021 at 9:00 AM (IST) and ends on Sunday, September 26, 2021 at 5:00 P.M. (IST). During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. 20.09.2021 may cast their vote electronically. The e-voting module shall be disabled by CDSL for voting thereafter.

(ii) Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

(iii) Pursuant to SEBI Circular No. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

(iv) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Management Discussion and Analysis Report

1. INDUSTRY OVERVIEW

The COVID-19 pandemic continued to cripple the world economies throughout 2020. Signs of recovery started becoming visible with vaccination drives in full force. But, the optimism was short-lived. The outbreak of more virulent strains of the coronavirus did wreak havoc on the global community and impacted millions of lives worldwide.

That said, the role of technology in ensuring continuity and bringing progress back on its track can't be overstated. The International Monetary Fund (IMF), in its report on World Economic Outlook released in January 2021, forecasted that the global economy is expected to grow by 5.5% in 2021 and 4.4% in 2022, indicating a vaccine-powered recovery. In another estimate by the Congressional Budget Office (CBO), the US GDP is expected to rise 3.7% in 2021 after a period of tumbling growth at 2.5% in 2020. Speaking of the additional policy support, the \$1.9 Trillion COVID-19 relief bill will likely supplement economic growth and bring the economy back on its feet.

According to the economic forecast by the European Commission Winter 2021, the euro area economy is expected to grow by 3.8% in both 2021 and 2022. Notably, after a few months of reporting strong growth, the economic activity across

the UK and Europe shrunk again in the backdrop of an increase in the COVID positivity rate. A series of new containment measures were brought in place, triggering a slowdown. A few predict that the economic growth of the euro area is expected to resume in the spring and pick steam at the onset of summer with vaccination drives boosting up and containment measures being eased. In another forecast by the commission, inflation in the euro area is anticipated to rise from 0.3% in 2020 to 1.4% in 2021.

Cut to India, the country's economic output is believed to have declined by 8% Y-o-Y in FY21, which is the biggest contraction since 1952. When COVID-19 made its first ripples, a nationwide lockdown was imposed to break the chain of infections. Only a couple of essential services were allowed to operate. The Government of India made efforts to uplift the weaker sections of the society and announced a variety of measures to ensure livelihood for all. The Prime Minister of India, Shri Narendra Modi, announced three economic stimulus packages to support the floundering economy. It is owing to these robust initiatives that India is exhibiting a broad V-shaped recovery. In FY22, an uptick in income levels and livelihood opportunities is expected to be seen as economic recovery gathers momentum and vaccination continues to cover a large portion of the population.

2. STRATEGY AND EXECUTION

Kellton Tech takes the pole position as a digital transformation and integration company by mastering the application of leading-edge technologies across multiple domains. We undertake strategic investments in our people and processes to build a durable foundation for growth and help our clients transform their businesses in relevant ways. Our industry-focused offerings resonate extremely well with our clients and live out the value proposition. Result? Increased sales pipeline and breakthrough profitability!

The COVID-19 pandemic disrupted our business and compelled us to make tidal shifts in how we work and interact. We enabled IT to move at the speed of drastic changes that were witnessed, leveraged emerging technologies, and bolstered our competencies in continuous delivery to spur innovation. We take pride in the fact that even in such unprecedented times, we were able to support the digital initiatives of our clients with thorough execution. In FY22, we plan to build on our business momentum and craft a cutting-edge and calculated strategy that delivers impactful outcomes as we continue to battle one of the most challenging times in world history.

This year, we aligned our business core with the 'Rise with SAP' strategy to address business transformation, cloud migration and operations requirements of global customers. We combined SAP value with our innovative abilities to deliver faster time to market and flexibility to thrive in the digital age. The formula behind our winning SAP strategy and roadmap was our focus on a 'guided journey.' Not only did we help clients pinpoint the best starting point for SAP-led transformation, but also benchmarked them against industry stan-

dards to offer tailored recommendations. This led our clients to cut the right chord and hack success in no time. During the coming quarters, we aim to leverage the SAP suite of solutions holistically to amplify business transformations and offer next-level customer delight while also ensuring a long and enduring partnership with SAP.

We actively invested in people and technologies across the US market to drive a strong delivery pipeline and build world-class experiences for our customers. We powered our innovation capabilities in domains such as blockchain, cryptocurrency, and NFTs to lead our clients to the next shores of digital transformation. We see umpteen potential in these technologies and want our clients to make transition to these with minimal disruption. With our centers in Poland, India, and Dublin—coupled with offices in the US—we ensured that we take the guesswork out from outsourcing. We incubated a new-age, intelligent portfolio of services and provided an impetus to innovative application development in microservices and containerization for agility and scalability. We effectively doubled down on our agnostic API management capabilities with hybrid and data integration to drive rapid adoption of SaaS, agile development, IoT and DevOps. As we move ahead, we will continue to reinforce our investments in frontier segments of the US market and consolidate our position as a trusted technology partner. We will continue to shape seamless experiences where our company works as an extended arm and deliver services our customers can value and trust.

Expanding to new horizons remains an important cornerstone of our success. As the future unfolds, we plan to branch our business out in the US Midwest and West Coast and gain more ground as a digital company. Besides, we are eyeing invest-

ments and striving to build on-a-par capabilities to target growth possibilities in the public sector and public services in the middle market segment of the United States. Blueprints to capture the Northeast and Midwest markets are in the place where we are experiencing strong demand for our IoT, IIoT, and Hybrid Integration solutions. Moreover, we plan to expand our footprint in the Southeast and West regions in the US, where the theme will be intelligent automation and cloud application development.

Cut to Europe, we are in the process of architecting an expansion roadmap to Continental Europe and sharpen our competitive edge. Besides, we are looking to incubate more technical capacity to build and deploy comprehensive offerings for SMBs and niche solutions to our customers. Our partnerships with shape-shifters of the industry, including Qlik, Microsoft Cloud, and AWS, will help us innovate faster and lead closer to our objectives. Flanked by industry collaborations like these, combined with industry knowledge and a passion for innovation, we aspire to establish process excellence as we grow to new heights and elevate business sustainability standards end-to-end.

3. FINANCIALS

During the year under review, Kellton Tech pushed the envelope and demonstrated remarkable resilience to the market upheaval. Since COVID-19 jolted the world as we know it - and triggered game-changing business shifts - it became imperative to change the course of action and adapt to the dynamics of the new world to sustain. We stepped up, enabled new models of work rather quickly, and remained strong, focused, and flexible.

We delivered sustainable financial performance mapped across several parameters that include revenue, cash flow, and client wins. Our unabating enthusiasm and conviction to perform, come what may, have been foundational in helping us maintain our revenue and profitability margins. We achieved a total revenue of INR 7,803 Mn a growth of 0.7% on Y-O-Y basis. The numbers are resounding and represent the growth gained across geographies while also serving as a reminder of our ability to create a superior brand resonance through technology, investments, and partnerships.

4. DIGITAL ACCELERATION

We are committed to developing leading-edge solutions for our clients by applying the right mix of human and machine intelligence. During the year under review, we pushed strategic investments in enhancing our intelligent automation and RPA capabilities. We created meaningful capacity to innovate through our alliances with SAP and UiPath to help our clients interweave automation across their systems at scale.

Alongside, we took a long hard look at our cybersecurity capabilities and made relevant transitions to manage risks, more so in the current time when the COVID-19 pandemic has upended every aspect of life and hastened a rise in remote working. We reinvented our Information Security Management System to tighten policies and protocols and nip cyber crime in the bud. Besides, we made sure that the governance and management of security compliance and risk is reviewed at regular intervals.

We expended our Emerging Technologies Practice towards enabling cloud ecosystems for global enterprises and developing a new portfolio for digital strategy services. With these services, our SMEs

were able to deliver digital technology strategies and adoption roadmaps, align value chains to cost benefits, develop architecture blueprints, and lay down a path for seamless cloud enablement.

In FY 2020-21, we consistently strengthened our innovation architecture, exemplifying the fact that Kellton Tech is committed to remaining at the forefront of digital transformation. These investments were strategically laid out and focused on nurturing and augmenting next-generation platforms. Our initiative will not only help us efficiently cater to our clients' ever-expanding needs, but will also give us an opportunity to digital transform them with a differentiated value proposition. During this journey, we also ensured that the systems and software we create are resilient and underpinned by the highest level of security. We will continue to invest in future-ready technology and be an incubator of excellent intellectual properties, so that we are equipped to address our clients' varying needs at the pace of their preference.

5. RISKS AND CONCERNS

As a global company, our risks are multifarious and always evolving. In FY 2020-21, however, we propelled our risk management techniques forward to survive in the turbulent times posed by COVID-19 and fluctuating global economic conditions. We navigated increasing severity of business disruptions with an all-hands-on-deck approach and positioned ourselves as a strategic and trusted business partner. During the year under review, we saw the severity of several risks, including:

Business risks including changing margins and market demand.

Operational risks posed by the shortage of talent and the right resources in niche technology areas. Cyber and IT risks posed by several target mechanisms, including ransomware and phishing.

6. ALLIANCES AND PARTNERSHIPS

Resilience was the watchword of our global partnership outlook this year. Technology waves are continuously fueled by advancements across domains, including cloud, 5G, Edge, and AI/ML. Factors such as evolving customer expectations and intense market competition have made course correction a business imperative. Against this backdrop, it is critical that we, as a forward-thinking digital company, reinvent ourselves not only by building resilient new software but also by partnering with the best in the business. Bearing so in mind, we formed allies with industry-leading service providers to deepen innovation and drive tangible value for our clients.

OUR KEY PARTNERSHIPS

SOFTWAREAG

As a proud SoftwareAG partner, we tap into the potential of Cumulocity, webMethods, and webMethods.io to help our clients embed integration into the core of their business. Our core excellence in implementing and integrating SoftwareAG's suite of products has led the C-suite to unify its diverse business processes and break down data silos for always-on experiences. We have successfully achieved disruptive competencies in enterprise-level integration, API management, and multi-speed strategy underpinned by SoftwareAG's world-class resources and expansive knowledge base. Over the years, we have become one of their most sought-after implementers and resellers of Cumulocity, webMethods, and webMethods.io software.

AUTOMATION ANYWHERE

Through our partnership with Automation Anywhere, we have facilitated the expansion of our robotic process automation (RPA) and intelligent process automation (IPA) capabilities. Together, we act as enablers to automated processes and redefined customer experiences with the power of contextual bots and digital workforce. Kellton Tech has always remained steadfast in its mission to accelerate digital journeys with automation. The partnership with Automation Anywhere, which we plan to maximize further, strengthens the full spectrum of our automation offerings and does empower clients with limitless opportunities.

GOOGLE CLOUD APIGEE

We expanded our partnership with Google Cloud Apigee as a part of our objective to transform digital user experiences as more agile and efficient. Through this partnership, we have gained deeper cloud and analytics expertise and driven API integration and modernization, legacy system remediation, and full application lifecycle services. Kellton Tech has an unwavering commitment to exploring infinite capabilities with technology. We take pride in being the preferred Google Apigee partner and break new grounds of innovation through cloud-based transformations.

7. MATERIAL DEVELOPMENT IN HUMAN RESOURCES

Employees are one of our biggest formative forces. We believe any investment in our human capital can help us excel in performance and achieve a competitive advantage. We are persistent in our approach to improving and nurturing our employees' skills, all while encouraging the development of new ones. We focus on imbuing a work culture that allows our employees to learn, grow, and demonstrate value incrementally.

As of March 31, 2021, we had a total workforce of 1582 employees. We take great pride in the ethnic and cultural diversity of our human resources. We prioritize women's participation and have reforms in place to ensure gender parity. Currently, our workforce consists of 290 women employees.

On the recruitment front, we hired from top-grade universities across the country. We fostered a strong culture of constant learning and development to help the recruits build relevant skill sets and unleash their potential for supporting Kellton Tech in its growth mission. We added several batches of interns and enabled opportunities for them to work on projects with our top talent. They were also provided with supervised on-the-job training and mentorship from an accomplished class of professionals at the company.

At Kellton Tech, the growth, development, and welfare of our employees are paramount. We are determined to cultivate a culture that inspires learning, inclusivity, and a strong desire to challenge the status quo and fuel innovation to see beyond conventions. We are committed to raising the workforce of tomorrow.

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2021

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,
The Members,
KELLTON TECH SOLUTIONS LIMITED,
Plot No 1367, Road No- 45, Jubilee Hills,
Hyderabad- 500033,
Telangana.

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by KELLTON TECH SOLUTIONS LIMITED, (hereinafter called the "Company"). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, audit (and due to lockdown on account of novel covid-19 pandemic and restriction imposed by the Central and State Governments such verification is carried out through the electronic means only), I hereby report that in my opinion, the company has, during the audit period covering the financial year ended on 31.03.2021, ("Audit Period") complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter: I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2021 according to the provisions of:

I. The Companies Act, 2013 (the "Act") and the rules made there under and other applicable provisions of the Companies Act, 1956 which are still in force;

II. The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made there under (Not Applicable to the Company during the year under review)

III. The Depositories Act, 1996 and the Regulations and Bye-laws framed under that Act;

IV. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;

V. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ("SEBI Act");

1. The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

2. The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;

3. The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;

4. The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999;
 5. The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (Not Applicable to the Company during the year under review)
 6. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 7. The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; (Not Applicable to the Company during the year under review) and
 8. The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; (Not Applicable to the Company during the year under review)
 9. The Securities and Exchange Board of India (Listing and Obligations and Disclosure requirements) Regulations, 2015.
- (i) Other laws applicable to the Company.

I have also examined compliance with the applicable clauses of the following:
Secretarial Standard-1 and Secretarial Standard-2, with respect to Board and General Meetings respectively, issued by The Institute of Company Secretaries of India.

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observations:

1. As per regulation 31 there was a delay of 7 days in one trench and 13 days in another trench about the intimation of creation on charge on the promoter shares as per Regulation 31 of SEBI(SAST) Regulation, 2011.
2. Company could not submit the report as per SEBI Circular CIR/CFD/CMD1/27/2019 for the financial year ended 31st March, 2020

I further report that:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The change in the composition of the Board of Directors that took place during the period under review was carried out in compliance with the provisions of the Act. Adequate notice is given to all Directors to schedule the Board Meetings and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

All the decisions are carried out unanimously and are captured and recorded as part of the minutes.

I further report that there are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

I further report the following events occurred during the audit period under review:

1. Company has passed the special resolution for issue of warrants on 28th September, 2020, however company was unable to apply for pre-listing application with the stock exchange nor allotted warrants within 15 days from date of passing special resolution as per SEBI(Issue of Capital and Disclosure Requirements) Regulations, 2018.
2. During the period under review, company has filed revised Shareholding pattern for the quarter ended 31st March, 2020
3. Company has clerical mistaken the date of board meeting as 19.06.2020 instead of 16.06.2020 in Corporate Governance Report filed for the quarter ended 30th September, 2020.
4. Company has filed few forms under the Company Fresh Start Scheme, 2020 (CFSS) of Ministry of Corporate Affairs during the period under review.

Report of Independent Auditor on Standalone Financial Statement

INDEPENDENT AUDITOR'S REPORT

**To The Members of
Kellton Tech Solutions Limited**

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of KELLTON TECH SOLUTIONS LIMITED ('the Company'), which comprise the Balance Sheet as at March 31, 2021, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and a summary of the significant accounting policies and other explanatory information. ("hereinafter referred to as the "standalone financial statements")

In our opinion and to the best of our information and according to the explanations given to us, the afore-said standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India,

- a) in the case of Balance Sheet, of the state of affairs of the Company as at 31st March, 2021 ;
- b) in the case of Statement of Profit and Loss, of the Profit for the year then ended ;
- c) in the case of Cash Flow Statement, of the cash flows of the Company for the year ;
- d) in the case of Statement of Changes in Equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

SI No	Key Audit Matter	Auditor's Response
	Fixed price contracts using the percentage of completion method Fixed price maintenance revenue is recognized either on a straight-line basis when services are performed through an indefinite number of repetitive acts over a specified period or using percentage of completion method when the pattern of benefits from services rendered to the customer and Company's costs to fulfil the contract is not even through the period of contract because the services are generally discrete in nature and not repetitive. Revenue from other fixed-price, fixed-timeframe contracts, where the performance obligations are satisfied over time has been recognized using the percentage-of-completion method. Use of the percentage-of-completion method requires the Company to determine the actual efforts or costs expended to date as a proportion of the estimated total efforts or costs to be incurred. Efforts or costs expended have been used to measure progress towards completion as there is a direct relationship between input and productivity. The estimation of total efforts or costs involves significant judgement and is assessed throughout the period of the contract to reflect any changes based on the latest available information. Provisions for estimated losses, if any, on uncompleted contracts are recorded in the period in which such losses become probable based on the estimated efforts or costs to complete the contract. We identified the estimate of total efforts or efforts to complete fixed price contracts measured using the percentage of completion method as a key audit matter as the estimation of efforts or costs involves significant judgement throughout the period of the contract and is subject to revision as the contract progresses based on the latest available information. This estimate has a high inherent uncertainty and requires consideration of progress of the contract, efforts or costs incurred to-date and estimates of efforts or costs required to complete the remaining contract performance obligations over the lives of the contract	Principal Audit Procedures Our audit procedures related to estimates of total expected costs or efforts to complete for fixed-price contracts included the following, among others: We tested the effectiveness of controls relating to (1) recording of efforts or costs incurred and estimation of efforts or costs required to complete the remaining contract performance obligations and (2) access and application controls pertaining to time recording, allocation and budgeting systems which prevents unauthorized changes to recording of efforts incurred. We selected a sample of fixed price contracts with customers accounted using percentage-of completion method and performed the following: • Compared efforts or costs incurred with Company's estimate of efforts or costs incurred to date to identify significant variations and evaluate whether those variations have been considered appropriately in estimating the remaining costs or efforts to complete the contract. • Tested the estimate for consistency with the status of delivery of milestones and customer acceptances and sign off from customers to identify possible delays in achieving milestones, which require changes in estimated costs or efforts to complete the remaining performance obligations.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate,

they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the relevant books of account.

d) In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.

e) On the basis of the written representations received from the directors as on March 31, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.

g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended: In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements.

ii. The Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts including derivative contracts;

iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company and its subsidiary companies incorporated in India.

2. As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "**Annexure B**" a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE 'A' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Kellton Tech Solutions Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

We have audited the internal financial controls over financial reporting of Kellton Tech Solutions Limited ('the Company') as of March 31, 2021 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Board of Directors of the Company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the 'Guidance Note') issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of the management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Kellton Tech Solutions Limited of even date)

On the basis of such checks as we considered appropriate and according to the information and explanations given to us during the course of our audit, we report that:

i. In respect of the Company's fixed assets :

a. The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.

b. The Company has a program of verification to cover all the items of fixed assets in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, certain fixed assets were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.

c. According to the information and explanations given to us, the records examined by us and based on the examination of the conveyance deeds provided to us, we report that, the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the Balance Sheet date. In respect of immovable properties of land and building that have been taken on lease and disclosed as fixed assets in the standalone financial statements, the lease agreements are in the name of the Company.

ii. The Company is in the business of providing software services and has physical inventories. As explained to us, physical verification of inventories has been conducted by the Management at reasonable intervals during the year. No material discrepancies were noticed.

iii. According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured to companies, firms, Limited Liability Partnerships or other parties covered in the register maintained under section 189 of the Companies Act, 2013.

iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.

v. The Company has not accepted deposits during the year and does not have any unclaimed deposits as at March 31, 2021 and therefore, the provisions of the clause 3 (v) of the Order are not applicable to the Company.

vi. The maintenance of cost records has not been specified by the Central Government under Section 148(1) of the Companies Act, 2013 for the business activities carried out by the Company. Thus reporting under Clause 3(vi) of the order is not applicable to the Company.

vii. According to the information and explanations given to us, in respect of statutory dues :

a. The Company by and large is regular in depositing undisputed statutory dues, including Provident Fund, Income Tax, Sales Tax, Service Tax, Goods and Service Tax, Value Added Tax, Customs Duty, Excise Duty, Cess and other material statutory dues applicable to it with the appropriate authorities. According to information and explanation given to us the company is not registered under the provisions of Employees State Insurance Act, 1948.

b. There were no undisputed amounts payable in respect of Provident Fund, Income Tax, Sales Tax, Service Tax, Value Added Tax, Goods and Service Tax, Customs Duty, Excise Duty, Cess and other material statutory dues in arrears as at March 31, 2021 for a period of more than six months from the date they became payable.

c. According to information and explanation given to us the dues of Income Tax which have not been deposited as on 31st March, 2021, on account of disputes is as follow:

Name of the Statute	Nature of Dues	Amount involved (in Rs. Lakhs)	Amount deposited (in Rs. Lakhs)	Balance (in Rs. Lakhs)	Period to which the amount relates	Forum where dispute is pending
Income Tax Act 1961	Demand u/s 143(3)	907.00	NILL	907.00	AY 2018-19	CIT (Appeals)

viii. According to the information and explanations given to us and based on the records of the company examined by us, the Company has availed loans or borrowings from multiple Banks, the repayments of which during the year have been prompt, without any default.

ix. The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) or term loans and hence reporting under Clause 3 (ix) of the Order is not applicable to the Company.

x. To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no material fraud on the Company by its officers or employees has been noticed or reported during the year.

xi. In our opinion and according to the information and explanations given to us, the Company has paid/provided managerial remuneration in accordance with the requisite approvals mandated by the provisions of Section 197 read with Schedule V to the Act.

xii. The Company is not a nidhi company and hence, reporting under Clause 3 (xii) of the Order is not applicable to the Company.

xiii. In our opinion and according to the information and explanations given to us, the Company is in compliance with Section 177 and 188 of the Companies Act, 2013 where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the standalone financial statements as required by the applicable accounting standards.

xiv. During the year, the Company has not made any preferential allotment or private placement of shares or fully or partly paid convertible debentures and hence, reporting under Clause 3 (xiv) of the Order is not applicable to the Company.

xv. In our opinion and according to the information and explanations given to us, during the year the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.

xvi. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

NOTES FORMING PART OF STANDALONE FINANCIAL STATEMENTS ACCOUNTING POLICIES FOR STANDALONE STATEMENTS 31ST -MARCH 2021

1) Corporate Information

Kellton Tech Solutions Limited ("the Company") is a public limited company domiciled in India and incorporated under the provisions of Companies Act, 1956. The shares of the Company are listed on Bombay Stock Exchange and National Stock Exchange. The Company is global company and offers services in digital transformation, ERP and other IT services.

2) Basis of preparation

a) The financial statements are prepared under the historical cost convention and in accordance with the applicable accounting standards issued by the institute of chartered accountants of India and requirements of the Companies Act 2013 and on a going concern concept other than Share based payment transactions and Defined benefit and other long-term employee benefits.

b) The company follows the mercantile system of accounting and recognizes income and expenditure on accrual basis.

c) Statement of compliance

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, ("the Act") and other relevant provisions of the Act.

3) Use of Estimates

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements is included in the following notes

a) Revenue recognition

Effective April 1, 2018, the Company adopted Ind AS 115 "Revenue from Contracts with Customers" using the cumulative effect method. The standard is applied retrospectively only to contracts that are not completed as at the date of the initial application and the comparative information is not restated in the condensed consolidated interim statement of profit and loss. The effect on adoption of the said standard was insignificant on these financial statements.

b) Income tax

The Company's tax jurisdictions are India. Significant judgments are involved in determining the provision for income taxes, including the amount expected to be paid or recovered in connection with uncertain tax positions.

c) Other estimates

The preparation of financial statements involves estimates and assumptions that affect the reported amount of assets, liabilities, disclosure of contingent liabilities at the date of financial statements and the reported amount of revenues and expenses for the reporting period. Specifically, the Company estimates the probability of collection of accounts receivable by analyzing historical payment patterns, customer concentrations, customer credit-worthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required. The stock compensation expense is determined based on the Company's estimate of equity instruments that will eventually vest.

4) Summary of significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which these entities operate (i.e. the "functional currency"). The financial statements are presented in Indian Rupee, the national currency of India, which is the functional currency of the Company.

b) Foreign currency transactions and balances

i. Initial Recognition

Foreign currency transactions are recorded at the rates prevailing date of transactions.

ii. Exchange Differences

Exchange differences arising on settlement of transaction and translation of monetary items are recognized as income or expense.

iii. Conversion

Foreign currency monetary items are reported using the exchange rate prevailing at the reporting date. Nonmonetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction.

iv. Translational

Any exchange gain/loss consequent to translating financial statements from functional currency to presentation currency the resultant exchange difference is recognized in OCI and part of foreign currency translation reserve until eventual disposal of investment.

c) Investments

Long term and unquoted current investments are stated at cost and quoted current investments at lower of cost or market value. Provision for diminution in value of long-term investments is made only if such a decline is other than temporary in the opinion of the management.

d) Financial instruments

Company does not has any financial instruments

e) Inventories

Inventories are valued at lower of the cost or net realizable value whichever is lower on weighted average basis.

f) Property, plant and equipment

Property, Plant and Equipment are stated at cost, less accumulated depreciation and accumulated impairment losses, if any. The cost comprises the purchase price and directly attributable costs of bringing the asset to its working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Capital work-in-progress includes cost of Property, Plant and Equipment that are not ready to be put to use.

Subsequent expenditure related to an item of Property, Plant and Equipment is added to its book value only if it is probable that future economic benefits associated with the item will flow to the Company. All other expenses on existing Property, Plant and Equipment, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the year during which such expenses are incurred.

Gains or losses arising from disposal of Property, Plant and Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss.

g) Intangible Assets

The Intangible assets are recognized when it is probable that the future economic benefit that are attributable to the assets will flow to the enterprise and the cost of the assets can be measured reliably.

Software licenses of enduring nature and contractual rights acquired separately are measured on initial recognition at cost. Following initial recognition intangible assets are carried at cost less accumulated amortization.

Gains or losses arising from disposal of intangible assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss.

Goodwill is subject to impairment testing on an annual basis. However, if indicators of impairment are present, the company will review goodwill for impairment when such indicators arise. The company performs an annual review and no impairment was recorded. Key assumptions used by management to determine the fair value of the goodwill include industry earnings multiples and earnings multiples from previous company acquisitions

h) Depreciation

Depreciation on fixed assets [Tangible and Intangible assets] is provided on Straight line method on pro-rata basis at the rates prescribed in schedule XIV of the Companies Act, 2013 as amended from time to time.

i) Impairment of Assets:

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors.

Preliminary expenditure: To write off preliminary expenses in ten equal yearly installments.

j) Borrowing Cost

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessary takes substantial period of time to get ready for intended use. All other borrowing costs are charged in statement of profit and loss.

k) Leases

Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. Company uses significant judgement in assessing the lease term and the applicable discount rate.

Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the company is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. Company revises the lease term if there is a change in the non-cancellable period of a lease.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

l) Revenue Recognition

i. Revenue from time and material engagements is recognized on time proportion basis as and when the services are rendered in accordance with the terms of the contracts with customers.

ii. Revenue from fixed-price contracts, where the performance obligations are satisfied over time and where there is no uncertainty as to measurement or collectability of consideration, is recognized as per the percentage-of-completion method.

iii. Revenue from maintenance contracts and subscription is recognized on a pro-rata basis over the period of the contract.

iv. Unbilled revenue represents revenue recognized in relation to work done on time and material projects and fixed price projects until the balance sheet date for which billing has not taken place.

v. Interest income is recognized on a time proportion basis taking into account the carrying amount and the effective interest rate. Interest income is included under the head 'Other income' in the statement of profit and loss.

m) Employee Benefits

The Company has the following employee benefit plans:

i. Provident fund

Provident fund is a defined contribution plan covering eligible employees. The Company and the eligible employees make a monthly contribution to the provident fund maintained by the Regional Provident Fund Commissioner equal to the specified percentage of the basic salary. The contributions to the provident fund are charged to the statement of profit and loss for the year when the contributions are due. The Company has no obligation, other than the contribution payable to the provident fund.

ii. Gratuity

The Company has a scheme for payment of gratuity to all its employees as per provisions of the Payment of Gratuity Act 1972. The Company provides for period end liability using the projected unit credit method as per the actuarial valuation carried out by the Independent actuary. The cost of providing benefit under gratuity plan are charged to the statement of profit and loss, except for the remeasurements, comprising of actuarial gains and losses which are recognized in full in the statement of other comprehensive income in the reporting period in which they occur.

iii. Leave encashment.

Leave encashment claims are settled on year to year basis.

n) Share based payments

In accordance with Ind AS 102 –“Share Based Payments”, Employees of the Company receive remuneration in the form of equity settled instruments, for rendering services over a defined vesting period. Equity instruments granted are measured by reference to the fair value of the instrument at the date of grant.

The expense is recognized in the statement of profit and loss with a corresponding increase to the share based payment reserve, a component of equity.

The equity instruments generally vest in a graded manner over the vesting period. The fair value determined at the grant date is expensed over the vesting period of the respective tranches of such grants (accelerated amortization). The stock compensation expense is determined based on the Company's estimate of equity instruments that will eventually vest.

o) Income Tax

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income

i. Current Income tax

Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for the period. The tax rates and tax laws used to compute the current tax amount are those that are enacted or substantively enacted by the reporting date and applicable for the period. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realize the asset and liability simultaneously.

ii. Deferred Income Tax

Deferred income taxes reflect the impact of temporary differences between tax base of assets and liabilities and their carrying amounts. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred income tax asset is recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. MAT credit available is recognized as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

p) Segment reporting

The Group prepares its segment information in conformity with accounting policies adopted for preparing and presenting the financial statements of the Group as a whole.

q) Earnings Per Share

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit and loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit and loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares. The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares, as appropriate.

r) Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

s) Contingent Liabilities

Subject to IND AS 109, contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation.

t) Cash and cash equivalents

Cash and cash equivalent comprise cash at banks and on hand and short-term deposits with an original, which are subject to an insignificant risk of changes in value.

u) Cash flow statement

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

v) Borrowing cost:

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessary takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

w) Related parties Transactions:

Related party transactions including purchases, services, fund and non-fund-based agreements are disclosed separately.

Note No 35. Financial risk management

The Company has exposure to the following risks arising from the financial instruments

Market Risk
Liquidity Risk
Credit Risk

i) Risk management framework

The Company's risk management is carried out by the treasury department under policies approved by the Board of Directors. The Board provides written principles for overall risk management, as well as policies covering specific areas, such as foreign exchange risk, interest rate risk, credit risk, use of financial instruments and investment of excess liquidity.

ii) Market Risk

Market risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market prices.

a) Foreign currency risk

The Company has export revenue and is exposed to foreign currency rate risk through operating activities. The foreign currency risks from financial instruments are as follows:

As at 31-March 2021	USD	GBP	EURO	CAD
Trade Receivable	33,88,550	27,946	3,04,217	-

Financial liabilities	-	-	-	-
Financial Guarantee	34,08,714	-	-	-
Trade payable	-	-	-	-

b) Liquidity Risk

The Company requires funds both for short-term operational needs as well as for long-term investment programmers mainly in growth projects. The Company generates sufficient cash flows from the current operations which together with the available cash and cash equivalents and short-term investments provide liquidity both in the short-term as well as in the long-term.

The Company remains committed to maintaining a healthy liquidity, gearing ratio, deleveraging and strengthening balance sheet

(c) Credit Risk

Credit risk is the risk that the counterparty will not meet its obligation under a financial instrument or customer contract, leading to financial loss. The credit risk arises principally from its operating activities (primarily trade receivables) and from its financing activities, including deposits with banks and financial institutions and other financial instruments.

The customer's credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management

Credit quality of a customer is assessed based on the individual credit limits are defined in accordance with the assessment and outstanding customer receivables are regularly monitored.

On account of adoption of Ind AS 109, the Company uses expected credit loss model to assess the impairment loss. The Company uses a provisioning policy approved by the Board of Directors to compute the expected credit loss allowance for trade receivables. The policy takes into account available external and internal credit risk factors and the Company's historical experience for customers.

Note No 36. Leases

The Company's lease asset classes primarily consist of leases for land and buildings. At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related ROU asset if the Company changes its assessment of whether it will exercise an extension or a termination option. Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

Transition: Effective April 1, 2019, the Company adopted Ind AS 116, Leases and applied the standard to all lease contracts existing on April 1, 2019 using the modified retrospective method and has taken the cumulative adjustment to retained earnings, on the date of initial application. Consequently, the Company recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate and the ROU asset at its carrying amount as if the standard had been applied since the commencement date of the lease, but discounted at the Company's incremental borrowing rate at the date of initial application. Comparatives as at and for the year ended March 31, 2019 have not been retrospectively adjusted and therefore will continue to be reported under the accounting policies. On transition, the adoption of the new standard resulted in recognition of 'Right of Use' asset of Rs.1,029.46 Lacs' and a lease liability of Rs.1,235.66 Lacs'. The cumulative effect of applying the standard, amounting to Rs.206.20 Lacs was debited to retained earnings, net of taxes. The effect of this adoption is insignificant on the profit before tax, profit for the period and earnings per share. Ind AS 116 has resulted in an increase in cash inflows from operating activities and an increase in cash outflows from financing activities on account of lease payments.

The changes in the carrying value of ROU assets for the year ended are as follows

(Amount in Lacs)

Particulars	31-Mar-2021	31-Mar-2020

Independent Auditors' Report To The Members of Kellton Tech Solutions Limited

Report on the Consolidated Financial Statements

We have audited the accompanying Consolidated financial statements of KELLTON TECH SOLUTIONS LIMITED ('the Company'), and its subsidiaries (the Company and its subsidiaries together referred to as 'the Group') which comprise the Consolidated Balance Sheet as at March 31, 2021, and the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and a summary of significant accounting policies and other explanatory information (hereinafter referred to as the "consolidated financial statements")

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements, give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended and other accounting principles generally accepted in India,

- a) in the case of Consolidated Balance Sheet, of the state of affairs of the Company as at 31st March, 2021 ;
- b) in the case of Consolidated Statement of Profit and Loss, of the Profit for the year then ended ;
- c) in the case of Consolidated Cash Flow Statement, of the cash flows of the Company for the year ;
- d) in the case of Consolidated Statement of Changes in Equity for the year ended on that date.

Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing ("SA"s) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the standalone financial

statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

SI No	Key Audit Matter	Auditor's Response
	Fixed price contracts using the percentage of completion method Fixed price maintenance revenue is recognized either on a straight-line basis when services are performed through an indefinite number of repetitive acts over a specified period or using percentage of completion method when the pattern of benefits from services rendered to the customer and Group's costs to fulfil the contract is not even through the period of contract because the services are generally discrete in nature and not repetitive Revenue from other fixed-price, fixed-timeframe contracts, where the performance obligations are satisfied over time has been recognized using the percentage-of-completion method. Use of the percentage-of-completion method requires the Group to determine the actual efforts or costs expended to date as a proportion of the estimated total efforts or costs to be incurred. Efforts or costs expended have been used to measure progress towards completion as there is a direct relationship between input and productivity. The estimation of total efforts or costs involves significant judgement and is assessed throughout the period of the contract to reflect any changes based on the latest available information. Provisions for estimated losses, if any, on uncompleted contracts are recorded in the period in which such losses become probable based on the estimated efforts or costs to complete the contract. We identified the estimate of total efforts or efforts to complete fixed price contracts measured using the percentage of completion method as a key audit matter as the estimation of efforts or costs involves significant judgment throughout the period of the contract and is subject to revision as the contract progresses based on the latest available information. This estimate has a high inherent uncertainty and requires consideration of progress of the contract, efforts or costs incurred to-date and estimates of efforts or costs required to complete the remaining contract performance obligations over the lives of the contracts.	Principal Audit Procedures Our audit procedures related to estimates of total expected costs or efforts to complete for fixed-price contracts included the following, among others: We tested the effectiveness of controls relating to (1) recording of efforts or costs incurred and estimation of efforts or costs required to complete the remaining contract performance obligations and (2) access and application controls pertaining to time recording, allocation and budgeting systems which prevents unauthorised changes to recording of efforts incurred. We selected a sample of fixed price contracts with customers accounted using percentage-of-completion method and performed the following: • Compared efforts or costs incurred with Group's estimate of efforts or costs incurred to date to identify significant variations and evaluate whether those variations have been considered appropriately in estimating the remaining costs or efforts to complete the contract. • Tested the estimate for consistency with the status of delivery of milestones and customer acceptances and sign off from customers to identify possible delays in achieving milestones, which require changes in estimated costs or efforts to complete the remaining performance obligations.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Re-

port including Annexures to Board's Report, Business Responsibility Report, Corporate Governance and Shareholder's Information, but does not include the consolidated financial statements, standalone financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance including other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the IndAS and other accounting principles generally accepted in India. The respective Boards of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the consolidated financial statements, the respective Boards of Directors of the companies included in the Group are responsible for assessing the ability of the respective entities to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Boards of Directors either intend to liquidate their respective entities or to cease operations, or have no realistic alternative but to do so.

The respective Boards of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from

fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company and its subsidiary companies which are companies incorporated in India, has adequate internal financial controls system in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial information of the entities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the consolidated financial statements of which we are the independent auditors.

Materiality is the magnitude of misstatements in the consolidated financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the consolidated financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the consolidated financial statements.

We communicate with those charged with governance of the Company and such other entities included in the consolidated financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements / financial information of 4 subsidiaries, for the year ended on that date, as considered in the consolidated financial statements. As disclosed in Note No.45 forming part of accounts, these financial statements / financial information pertaining to 3 subsidiaries which are unaudited and 1 subsidiary which is audited by other auditors have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the aforesaid subsidiaries, is based solely on such financial statements / financial information given to us by the Management.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the financial statements / financial information certified by the Management.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:

- a)** We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of aforesaid consolidated financial statements.

- e)** On the basis of the written representations received from the Directors of the Company as on March 31, 2021 taken on record by the Board of Directors of the Company and its subsidiary incorporated in India and the reports of the statutory auditor of its subsidiary company incorporated in India, none of the directors of the Group companies incorporated in India is disqualified as on March 31, 2021 from being appointed as a director in terms of Section 164(2) of the Act.

f) With respect to the adequacy of the internal financial controls over financial reporting and the operating effectiveness of such controls, refer to our separate report in 'Annexure A' which is based on the auditor's reports of the Company and its subsidiary company incorporated in India. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the internal financial controls over financial reporting of those companies, for the reasons stated therein.

g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended :

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 of the Act.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us :

- i. The consolidated financial statements disclose the impact of pending litigations on the consolidated financial position of the Group.
- ii. Provision has been made in the consolidated financial statements, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts.
- iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company and its subsidiary company incorporated in India.

ANNEXURE 'A' TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the members of Kellton Tech Solutions Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

In conjunction with our audit of the consolidated financial statements of the Company as of and for the year ended March 31, 2021, we have audited the internal financial controls over financial reporting of Kellton Tech Solutions Limited (hereinafter referred to as the "Company") and its subsidiary companies, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The Boards of Directors of the Company and its subsidiary companies, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the respective Companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI") and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk.

The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company and its subsidiary companies, which are companies incorporated in India

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the Company and its subsidiary companies, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2021, based on the internal financial control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS ACCOUNTING POLICIES FOR CONSOLIDATED STATEMENTS 31ST-MARCH 2021

1) Corporate Information

Kellton Tech Solutions Limited ("the Company") is a public limited company domiciled in India and incorporated under the provisions of Companies Act, 1956. The shares of the Company are listed on Bombay Stock Exchange and National Stock Exchange. The Company is global company and offers services in digital transformation, ERP and other IT services.

2) Basis of preparation

a) The financial statements are prepared under the historical cost convention and in accordance with the applicable accounting standards issued by the institute of chartered accountants of India and requirements of the Companies Act 2013 and on a going concern concept other than Share based payment transactions and Defined benefit and other long-term employee benefits.

b) The company follows the mercantile system of accounting and recognizes income and expenditure on accrual basis.

Statement of compliance

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as per the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, ("the Act") and other relevant provisions of the Act.

3) Principles of consolidation

The consolidated financial statements of the Company and its subsidiaries ("the Group") for the year ended March 31, 2018 are prepared in accordance with generally accepted accounting principles applicable in India, and the Indian Accounting Standard 110 (Ind AS 110) on 'Consolidated Financial Statements', notified by Companies (Accounting Standards) Rules, 2015, ("Indian Accounting Standards") by and to the extent possible in the same format as that adopted by the Company for its separate financial statements.

The financial statements of the Company and its subsidiary companies have been combined on line by line basis by adding together, the book values of like items of assets and liabilities, income and expenses after eliminating intra group balances and intra group transactions except where cost cannot be recovered. The unrealized profits or losses resulting from the intra group transactions and balances have been eliminated.

The excess of the cost to the Company of its investment in a subsidiary and the Company's portion of equity of subsidiary on the date at which investment in the subsidiary is made, is described as goodwill and recognized separately as an asset in the consolidated financial statements. The excess of the Company's portion of equity of the subsidiary over the cost of investment in the subsidiary is treated as capital reserve in the consolidated financial statements

4) Use of Estimates

The preparation of financial statements in conformity with Ind AS requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognized in the period in which the estimates are revised and in any future periods affected. In particular, information about significant areas of estimation, uncertainty and critical judgments in applying accounting policies that have the most significant effect on the amounts recognized in the financial statements is included in the following notes

a) Revenue recognition

Effective April 1, 2018, the Company adopted Ind AS 115 "Revenue from Contracts with Customers" using the cumulative effect method. The standard is applied retrospectively only to contracts that are not completed as at the date of the initial application and the comparative information is not restated in the condensed consolidated interim statement of profit and loss. The effect on adoption of the said standard was insignificant on these financial statements.

b) Income tax

The Company's tax jurisdictions are India. Significant judgments are involved in determining the provision for income taxes, including the amount expected to be paid or recovered in connection with uncertain tax positions

c) Other estimates

The preparation of financial statements involves estimates and assumptions that affect the reported amount of assets, liabilities, disclosure of contingent liabilities at the date of financial statements and the reported amount of revenues and expenses for the reporting period. Specifically, the Company estimates the probability of collection of accounts receivable by analyzing historical payment patterns, customer concentrations, customer credit-worthiness and current economic trends. If the financial condition of a customer deteriorates, additional allowances may be required. The stock compensation expense is determined based on the Company's estimate of equity instruments that will eventually vest.

d) Intangible assets and contingent consideration in business combinations

Business combinations are accounted for using Ind AS 103, Business Combinations. Ind AS 103 requires the identifiable intangible assets and contingent consideration to be fair valued in order to ascertain the net fair value of identifiable assets, liabilities and contingent liabilities of the acquire. Significant estimates are required to be made in determining the value of contingent consideration and intangible assets. These valuations are conducted by independent valuation experts.

5) Summary of significant accounting policies

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Functional and presentation currency

Items included in the financial statements of the Company are measured using the currency of the primary economic environment in which these entities operate (i.e. the "functional currency"). The financial statements are presented in Indian Rupee, the national currency of India, which is the functional currency of the Company.

b) Foreign currency transactions and balances

i) Initial Recognition

Foreign currency transactions are recorded at the rates prevailing date of transactions.

ii) Exchange Differences

Exchange differences arising on settlement of transaction and translation of monetary items are recognized as income or expense.

iii) Conversion

Foreign currency monetary items are reported using the exchange rate prevailing at the reporting date. Nonmonetary items, which are measured in terms of historical cost denominated in a foreign currency, are reported using the exchange rate at the date of the transaction.

iv) The foreign exchange differences arising from the translation of financial statements of foreign operations with functional currency other than Indian rupees is recognized in other comprehensive income and is presented under equity in the foreign currency translation reserve.

c) Investments

Long term and unquoted current investments are stated at cost and quoted current investments at lower of cost or market value. Provision for diminution in value of long-term investments is made only if such a decline is other than temporary in the opinion of the management.

d) Financial instruments

Company does not has any financial instruments

e) Inventories

Inventories are valued at lower of the cost or net realizable value whichever is lower on weighted average basis.

f) Property, plant and equipment

Property, Plant and Equipment are stated at cost, less accumulated depreciation and accumulated impairment losses, if any. The cost comprises the purchase price and directly attributable costs of bringing the asset to its working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Capital work-in-progress includes cost of Property, Plant and Equipment that are not ready to be put to use.

Subsequent expenditure related to an item of Property, Plant and Equipment is added to its book value only if it is probable that future economic benefits associated with the item will flow to the Company. All other expenses on existing Property, Plant and Equipment, including day-to-day repair and maintenance expenditure and cost of replacing parts, are charged to the statement of profit and loss for the year during which such expenses are incurred.

Gains or losses arising from disposal of Property, Plant and Equipment are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss.

g) Intangible Assets

The Intangible assets are recognized when it is probable that the future economic benefit that are attributable to the assets will flow to the enterprise and the cost of the assets can be measured reliably.

Software licenses of enduring nature and contractual rights acquired separately are measured on initial recognition at cost. Following initial recognition intangible assets are carried at cost less accumulated amortization.

Gains or losses arising from disposal of intangible assets are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss.

Goodwill is subject to impairment testing on an annual basis. However, if indicators of impairment are present, the company will review goodwill for impairment when such indicators arise. The company performs an annual review and no impairment was recorded. Key assumptions used by management to determine the fair value of the goodwill include industry earnings multiples and earnings multiples from previous company acquisitions

h) Depreciation

Depreciation on fixed assets [Tangible and Intangible assets] is provided on Straight line method on pro-rata basis at the rates prescribed in schedule XIV of the Companies Act, 2013 as amended from time to time.

i) Impairment of Assets:

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors.

Preliminary expenditure: To write off preliminary expenses in ten equal yearly installments.

j) Borrowing Cost

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets. A qualifying asset is one that necessary takes substantial period of time to get ready for intended use. All other borrowing costs are charged in statement of profit and loss.

k) Leases

The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgment. The Group uses significant judgement in assessing the lease term and the applicable discount rate.

The Group determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Group is reasonably certain to exercise that option; and periods covered by an option to terminate the lease if the Group is reasonably certain not to exercise that option. In assessing whether the Group is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Group to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The Group revises the lease term if there is a change in the non-cancellable period of a lease.

The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

l) Revenue Recognition

i) Revenue from time and material engagements is recognized on time proportion basis as and when the services are rendered in accordance with the terms of the contracts with customers.

ii) In case of fixed price contracts, revenue is recognized based on the milestones achieved as specified in the contracts, on proportionate completion basis.

iii) Revenue from maintenance contracts and subscription is recognized on a pro-rata basis over the period of the contract.

iv) Unbilled revenue represents revenue recognized in relation to work done on time and material projects and fixed price projects until the balance sheet date for which billing has not taken place.

v) Interest income is recognized on a time proportion basis taking into account the carrying amount and the effective interest rate. Interest income is included under the head 'Other income' in the statement of profit and loss.

m) Employee Benefits

The Company has the following employee benefit plans:

i) Provident fund

Provident fund is a defined contribution plan covering eligible employees. The Company and the eligible employees make a monthly contribution to the provident fund maintained by the Regional Provident Fund Commissioner equal to the specified percentage of the basic salary. The contributions to the provident fund are charged to the statement of profit and loss for the year when the contributions are due. The Company has no obligation, other than the contribution payable to the provident fund.

ii) Gratuity

The Company has a scheme for payment of gratuity to all its employees as per provisions of the Payment of Gratuity Act 1972. The Company provides for period end liability using the projected unit credit method as per the actuarial valuation carried out by the Independent actuary. The cost of providing benefit under gratuity plan are charged to the statement of profit and loss, except for the remeasurements, comprising of actuarial gains and losses which are recognized in full in the statement of other comprehensive income in the reporting period in which they occur.

iii) Leave encashment.

Leave encashment claims are settled on year to year basis.

n) Share based payments

In accordance with Ind AS 102 – “Share Based Payments”, Employees of the Company receive remuneration in the form of equity settled instruments, for rendering services over a defined vesting period. Equity instruments granted are measured by reference to the fair value of the instrument at the date of grant.

The expense is recognized in the statement of profit and loss with a corresponding increase to the share-based payment reserve, a component of equity.

The equity instruments generally vest in a graded manner over the vesting period. The fair value determined at the grant date is expensed over the vesting period of the respective tranches of such grants (accelerated amortization). The stock compensation expense is determined based on the Company's estimate of equity instruments that will eventually vest.

o) Income Tax

Income tax comprises current and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent it relates to items directly recognized in equity or in other comprehensive income

i) Current Income tax

Current income tax for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable income for the period. The tax rates and tax laws used to compute the current tax amount are those that are enacted or substantively enacted by the reporting date and applicable for the period. The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis or to realize the asset and liability simultaneously.

ii) Deferred Income Tax

Deferred income taxes reflect the impact of temporary differences between tax base of assets and liabilities and their carrying amounts. Deferred tax is measured based on the tax rates and the tax laws enacted or substantively enacted at the reporting date. Deferred income tax asset are recognized to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilized.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilized.

Minimum alternate tax (MAT) paid in a year is charged to the statement of profit and loss as current tax. MAT credit available is recognized as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the period, i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of Minimum Alternative Tax under the Income-tax Act, 1961, the said asset is created by way of credit to the statement of profit and loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT credit entitlement" asset at each reporting date and writes down the asset to the extent the Company does not have convincing evidence that it will pay normal tax during the specified period.

p) Segment reporting

The Group prepares its segment information in conformity with accounting policies adopted for preparing and presenting the financial statements of the Group as a whole.

q) Earnings Per Share

The Company presents basic and diluted earnings per share ("EPS") data for its equity shares. Basic EPS is calculated by dividing the profit and loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period. Diluted EPS is determined by adjusting the profit and loss attributable to equity shareholders and the weighted average number of equity shares outstanding for the effects of all dilutive potential equity shares. The number of equity shares and potentially dilutive equity shares are adjusted for bonus shares, as appropriate.

r) Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

s) Contingent Liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation

t) Cash and cash equivalents

Cash and cash equivalent comprise cash at banks and on hand and short-term deposits with an original, which are subject to an insignificant risk of changes in value.

u) Cash flow statement

Cash flows are reported using indirect method as set out in Ind AS -7 "Statement of Cash Flows", whereby profit / (loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

v) Borrowing cost:

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of the cost of such assets.

A qualifying asset is one that necessary takes substantial period of time to get ready for intended use. All other borrowing costs are charged to revenue.

w) Related parties Transactions:

Related party transactions including purchases, services, fund and non-fund-based agreements are disclosed separately.

a) Gratuity

Liabilities with regard to the Gratuity Plan are determined by actuarial valuation, performed by an Independent actuary, at each balance sheet date using the projected unit credit method. The discount rate assumed is 6.89% (31-March-2021-6.89% and 31-March-2020-6.78%). The retirement age has been considered at 58 years

The following tables summarize the components of net benefit expense recognized in the statement of profit and loss and amounts recognized in the Balance Sheet for the respective plans.

b) Leave Encashment:-

Since leave encashment claims are settled on year to year basis, no actuarial valuation needs to be obtained.

Note No 36. Leases

The Company's lease asset classes primarily consist of leases for land and buildings. At the date of commencement of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease. Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related ROU asset if the Company changes its assessment of whether it will exercise an extension or a termination option. Lease liability and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

Transition: Effective April 1, 2019, the Company adopted Ind AS 116, Leases and applied the standard to all lease contracts existing on April 1, 2019 using the modified retrospective method and has taken the cumulative adjustment to retained earnings, on the date of initial application. Consequently, the Company recorded the lease liability at the present value of the lease payments discounted at the incremental borrowing rate and the ROU asset at its carrying amount as if the standard had been applied since the commencement date of the lease, but discounted at the Company's incremental borrowing rate at the date of initial application. Comparatives as at and for the year ended March 31, 2019 have not been retrospectively adjusted and therefore will continue to be reported under the accounting policies. On transition, the adoption of the new standard resulted in recognition of 'Right of Use' asset of `1,759.78 Lacs' and a lease liability of `2,075.92 Lacs'. The cumulative effect of applying the standard, amounting to `316.14 Lacs' was debited to retained earnings, net of taxes. The effect of this adoption is insignificant on the profit before tax, profit for the period and earnings per share. Ind AS 116 has resulted in an increase in cash inflows from operating activities and an increase in cash outflows from financing activities on account of lease payments.

The changes in the carrying value of ROU assets for the year ended are as follows
