RESOLUTION PROFESSIONAL'S REPORT ON WORKING & AFFAIRS OF THE COMPANY

(As approved by Resolution Professional appointed pursuant to order dated September 12, 2017 of Hon'ble National Company Law Tribunal)

Dear Shareholders,

Company under Insolvency and Bankruptcy Code 2016 (IBC)

The Corporate Insolvency Resolution Process ("CIRP") against the Educomp Solutions Limited ("Corporate Debtor") was initiated by the Hon'ble National Company Law Tribunal, Principal Bench at New Delhi ("Adjudicating Authority") under Section 10 of the Code vide its order dated 30th May 2017. The Adjudicating Authority vide the order of same date appointed Dr. Sanjeev Aggarwal as the Interim Resolution Professional ("IRP") to conduct the CIRP of the Corporate Debtor. Later, in the third CoC Meeting of the Corporate Debtor held on 12th September 2017, Mr. Mahender Kumar Khandelwal was appointed as the Resolution Professional ("RP") to run the CIRP of the Corporate Debtor.

Pursuant to the appointment, the RP published Expression of Interest ("EoI") in terms of the code and applicable Regulations thereby inviting resolution plans for the revival and restructuring of the Corporate Debtor. Further to the issuance of the EoI, the resolution plans were received from one Ebix Singapore Pte. Ltd. ("Ebix") and one Boundary Holdings SARL SPF. Pursuant to the discussions and deliberations with the CoC, the Resolution plan submitted by the Ebix was put to vote. Ebix's resolution plan, in terms of Section 30(4) of the Code, was finally approved by the CoC with 75.35% majority voting share on 22nd February 2018 including vote of Chhattisgarh State Electricity Board ("CSEB") whose vote was received subsequently due to a technical glitch. Pursuant thereto, the Resolution Professional submitted the Ebix's Resolution Plan for the approval of the Adjudicating Authority by way of an application under Section 30(6) and 31 of the Code (CA 195 of 2018) ("Plan Approval Application").

Around July 2019, while the Plan Approval Application was pending adjudication before the Adjudicating Authority, Ebix filed its first application seeking withdrawal of the Resolution Plan on account of the purported inordinate delay in approval of resolution plan by the Adjudicating Authority, and ongoing investigations into the affairs of the Corporate Debtor. The said application was dismissed by the Adjudicating Authority. Thereafter, Ebix filed another withdrawal application in August 2019 on the similar cause of action. The second application was also dismissed by the Adjudicating Authority. However, the third withdrawal application filed by Ebix (IA 1816 of 2019) after having been heard at length on 25th November 2019 was allowed by the Adjudicating Authority vide its order dated 02nd January 2020 ("Order dated 02 January 2020"). Thereby Ebix was permitted to withdraw its plan despite the same having been approved by the Committee of Creditors of Educomp ("CoC"). The Adjudicating Authority also imposed a cost of Rs. 1 lakh on Ebix and extended the CIRP of the Corporate Debtor by 90 days to begin from 16th November 2019. The Adjudicating Authority directed the Resolution Professional to expedite the possibility of achieving resolution of the stressed assets within such extended period.

As a consequence of the Order dated 02 January 2020 passed by the Adjudicating Authority in third withdrawal application filed by Ebix (IA 1816 of 2019), the Adjudicating Authority dismissed the Plan Approval Application filed by the Resolution Professional vide its another order dated 3rd January 2020 ("Order dated 03 January 2020").

Thereafter, the Committee of Creditors of Educomp ("CoC") challenged the order dated 02 January 2020 passed by the Adjudicating Authority allowing the withdrawal before the Hon'ble National Company Law Appellate Tribunal ("NCLAT") on 28.01.2020 by way of an Appeal bearing number Company Appeal (AT) (Insolvency) No. 203 of 2020 ("First Appeal"). The First Appeal was listed for consideration before the NCLAT on 03.02.2020 wherein, the Appellate Tribunal was pleased to issue notice in the appeal and further stayed the operation of the order dated 2nd January 2020.

On 22nd June 2020, the CoC filed another Appeal i.e. Company Appeal (AT)(Ins) No. 587 of 2020 ("Second Appeal") before the NCLAT against the Order dated 3rd January 2020 passed by the Adjudicating Authority thereby dismissing the application of the RP seeking approval of the Resolution Plan filed by Ebix. It may be noted that the CoC gained the knowledge of the order dated 3rd January 2020 only during the hearing in the First Appeal and therefore, could not challenge the same at an earlier date.

The NCLAT allowed the First Appeal filed by the CoC vide its judgment dated 29th July 2020 and set aside the order dated 2nd January 2020 passed by the Adjudicating Authority inter alia holding that the Adjudicating Authority did not have the power to allow Ebix (RA) to withdraw its resolution plan after it was approved by the CoC.

Thereafter Ebix filed a Civil Appeal No. 3224 of 2020 ("Ebix Appeal/Appeal") before the Hon'ble Supreme Court of India ("Hon'ble Supreme Court") challenging the NCLAT Judgment dated 29.07.2020 passed in the First Appeal on the ground that (a) Ebix is not bound by the Resolution Plan until the same is approved by the Adjudicating Authority; (b) inordinate delay in approval of the application under Section 31 and (c) pending SFIO and CBI investigations into the affairs of Educomp called for withdrawal.

The Hon'ble Supreme Court was pleased to issue notice in the Ebix Appeal on 07th October 2020 and vide the same order stayed the proceedings under Second Appeal before the NCLAT. The question of law involved in Ebix's Appeal was "Whether the withdrawal of Resolution Plan is permitted after it has been approved by the CoC".

The Hon'ble Supreme Court after hearing the parties vide its judgment dated 13th September 2021 dismissed the Appeal on the ground that "The existing insolvency framework in India provides no scope for effecting further modifications or withdrawals of CoC-approved Resolution Plans, at the behest of the Successful Resolution Applicant, once the plan has been submitted to the Adjudicating Authority. The Hon'ble Court further held that "A submitted Resolution Plan is binding and irrevocable as between the CoC and the successful Resolution Applicant in terms of the provisions of the IBC and the CIRP Regulations."

Accordingly, the Hon'ble Supreme Court dismissed Ebix's Appeal.

Consequent to the Supreme Court's order the NCLT allowed the Second appeal, on 12th November 2021, dated against the NCLT Order dated 3rd January 2020, and immediately thereafter the certified copy of NCLAT order dated 12th November 2021 along with the certified copy of Hon'ble Supreme Court Order were filed with the Registry of the NCLT. However, despite filing of the said orders with the NCLT, the NCLT did not list the matter in time. Therefore, to escalate the matter an application for restoration was (RA 39 of 2021) filed. Finally, the RA 39 of 2021 came up before the NCLT on 3rd December 2021, where the Hon'ble NCLT remarked that 'it's a shame that this matter couldn't be taken up on its own' and vide its order dated 03rd December 2021 it was said that there was no requirement of filing restoration application, nevertheless this application has been filed in the deference of the Hon'ble Supreme Court and NCLT Order. The NCLT thereafter listed the Plan Approval Application for hearing on 22nd December 2021.

On 22nd December 2021, the matter was listed for hearing and part argument took place. The matter was then adjourned to 25th January 2022. However, before the matter could be taken up on the said adjourned date i.e., 25th January 2022, an application (IA 187 of 2022) Ex-Director's Application was filed by the Ex-Director- Mr Shantanu Prakash, also the promoter of Corporate Debtor, seeking direction from the NCLT to direct Resolution Professional to take action w.r.t the transaction which concerns the insolvency of Corporate Debtor's subsidiary based out of Singapore. This application is also listed on 01.06.2022 along with Resolution Professional's Plan Approval Application. However, the NCLT has not issued any notice in this application so far.

Thereafter, the application for plan approval was listed for 25th January 2022, but was simpliciter adjourned to 15th March 2022. Meanwhile, the Resolution Applicant filed another application IA 397/2022, which came up for hearing on 27th January 2022, and in the said application the Resolution Applicant sought certain information irrespective of

Information Memorandum from the Resolution Professional regarding the annual returns, financial statement and status of affairs of the Corporate Debtor. RP's Counsel opposed IA 397 of 2022 and also filed a reply to IA 397 of 2022.

On 14th February 2022, IA 397/2022 was listed before the NCLT, however, the reply filed by RP was not available on record. The NCLT on that date granted liberty to RA to file Rejoinder to IA 397 of 2022 and adjourned it to 28th February 2022. On 28th February 2022, IA 397 of 2022 got listed before the Special Bench, therefore, again it was adjourned to 08th March 2022 for it to be heard by the Regular Bench, matter was adjourned to 8th March 2022. The IA 397 of 2022 was finally taken up on 8th March 2022, where the RP Counsel opposed the application extensively and the same was dismissed on the ground of being premature.

On 11th April 2022, fresh application IA 1611 of 2022 was filed by the Resolution Applicant seeking issuance of a direction to the Resolution Professional to take steps to protect the assets owned by Corporate Debtor's Wholly Owned Subsidiary ("EPEL") attached by the Enforcement Directorate which was dismissed by the Adjudicating Authority the same day since the attached asset(s) were owned by EPEL and not the Corporate Debtor. The Adjudicating Authority adjourned the Plan Approval Application for hearing on 19 April 2022.

On 19th April 2022, the Adjudicating Authority directed the Resolution Professional to file the soft copy of the complete order sheets along with the list of dates of events in the form of an Additional Affidavit along with the soft copy of the Order(s) dated 02 January 2020 and 03rd January 2020 as also the judgments passed by the Hon'ble Supreme Court and Hon'ble NCLAT dated 12 November 2021. Thereafter, the matter was adjourned to 06 May 2022 for further hearing.

On 06 May 2022, the NCLAT heard the Co. Appeal (Ins.) No. 507 of 2022 filed by the Resolution Applicant challenging the order dated 08 March 2022 passed by the NCLT dismissing IA 397 of 2022. The NCLAT dismissed the appeal on the direction to RP that on the approval of the Resolution Plan, all of the required information which is available with the Resolution Professional shall be provided to the Resolution Applicant.

On 06 May 2022, the Plan Approval Application was also listed before the Adjudicating Authority for hearing, however, the same could not be taken up due to non-availability of Technical Member constituting the Bench hearing the matter. The matter was adjourned to 24.05.2022 accordingly.

Thereafter on 19 May 2022, Co. Appeal (Ins.) No. 550 of 2022 preferred by Resolution Applicant against order dated 11.04.2022 passed by NCLT in IA 1611 of 2022 was listed. The Hon'ble NCLAT pursuant to the submissions made by respective parties disposed of the appeal by directing the Resolution Professional to share the Provisional Attachment Order passed by Directorate of Enforcement with the Resolution Applicant.

On 24 May 2022, the Plan Approval Application was again listed for hearing before the Adjudicating Authority however, the matter could not be taken up due to non-availability of the Bench to hear the matter post the lunch hours. Accordingly, matter was adjourned to 01 June 2022.

On 01 June 2022, when the Plan Approval Application was taken up, the Judicial Member stated that since both him and the technical member constituting the present Bench are retiring in June 2022, all pending matters would only now be heard in the month of July. Accordingly, a short date of 08 July 2022 was given by the Registry for listing the Plan Approval Application.

It is pertinent to state that at present along with the pending Plan Approval Application, IA 187 of 2022 filed by suspended Director Mr. Shantanu Prakash is also pending adjudication before the Adjudicating Authority and would be listed on 08 July 2022 along with the Plan Approval Application.

The ECB has a term of 8.5 years with a 3 years moratorium and the coupon rate is LIBOR + 4.5%. The ECB has been raised for purposes of redemption of existing FCCB. The said ECB is outstanding at the Financial Year ending on March 31, 2019. The Company has made a default in payment of interest and repayment of these ECBs. In this regard, please note that the Company is under CIRP from May 30, 2017 and a moratorium period is effective since 30th May 2017 wherein no judicial proceedings for recovery, enforcement of security interest, sale or transfer of assets, or termination of essential contracts can be instituted or continued against the Company.

7. MATERIAL CHANGES AND COMMITMENTS

Material Changes affecting the financial position of the Company which have occurred between the FY.2018-19 and the date of this report:

The Corporate Insolvency Resolution Process (“CIRP”) against the Educomp Solutions Limited (“**Corporate Debtor**”) was initiated by the Hon'ble National Company Law Tribunal, Principal Bench at New Delhi (“**Adjudicating Authority**”) under Section 10 of the Code vide its order dated 30th May 2017. The Adjudicating Authority vide its order, appointed Dr. Sanjeev Aggarwal as the Interim Resolution Professional (“IRP”) to conduct the CIRP of the Corporate Debtor. Thereafter, in the third CoC Meeting held on 12th September 2017, the IRP was replaced and Mr. Mahender Kumar Khandelwal was appointed as the Resolution Professional (“RP”) to run the CIRP of the Corporate Debtor.

Subsequently, the RP published Expression of Interest (“Eoi”) \ inviting resolution plans for the revival and restructuring of the Corporate Debtor. Further to the issuance of the Eoi, the resolution plans were received from one Ebix Singapore Pte. Ltd. (“**Ebix**”) and one Boundary Holdings SARL SPF. Pursuant to the discussions and deliberations with the CoC, the Resolution plan submitted by the Ebix was put to vote. Ebix's resolution plan, in terms of Section 30(4) of the Code, was finally approved by the CoC with 75.35% majority voting share on 22nd February 2018 including vote of Chhattisgarh State Electricity Board (“**CSEB**”) whose vote was received subsequently due to a technical glitch. Pursuant thereto, the Resolution Professional submitted the Ebix's Resolution Plan for the approval of the Adjudicating Authority by way of an application under Section 30(6) and 31 of the Code (CA 195 of 2018) (“**Plan Approval Application**”).

Around July 2019, while the Plan Approval Application was pending adjudication before the Adjudicating Authority, Ebix filed its first application seeking withdrawal of the Resolution Plan on account of the purported inordinate delay in approval of resolution plan by the Adjudicating Authority, and ongoing investigations into the affairs of the Corporate Debtor. The said application was dismissed by the Adjudicating Authority. Thereafter, Ebix filed another withdrawal application in August 2019 on the similar cause of action. The second application was also dismissed by the Adjudicating Authority. However, the third withdrawal application filed by Ebix (IA 1816 of 2019) after having been heard at length on 25th November 2019 was allowed by the Adjudicating Authority vide its order dated 02nd January 2020 (“**2nd January Order**”). Thereby Ebix was permitted to withdraw its plan despite the same having been approved by the Committee of Creditors of Educomp (“**CoC**”). The Adjudicating Authority also imposed a cost of Rs. 1 lakh on Ebix and extended the CIRP of the Corporate Debtor by 90 days to begin from 16th November 2019. The Adjudicating Authority directed the Resolution Professional to expedite the possibility of achieving resolution of the stressed assets within such extended period.

As a consequence of the 2nd January Order passed by the Adjudicating Authority in third withdrawal application for filed by Ebix (IA 1816 of 2019), the Adjudicating Authority dismissed the Plan Approval Application filed by the Resolution Professional vide its further order dated 3rd January 2020.

Thereafter, the Committee of Creditors of Educomp (“**CoC**”) challenged the 2nd January Order passed by the Adjudicating Authority allowing the withdrawal before the National Company Law Appellate Tribunal (“**NCLAT**”) on 28.01.2020 by way of an Appeal bearing number Company Appeal (AT) (Insolvency) No. 203 of 2020 (“**First Appeal**”). The First Appeal was listed for consideration before the NCLAT on **03.02.2020** wherein, the Appellate Tribunal was pleased to issue notice in the appeal and further stayed the operation of the 2nd January order.

On 22nd June 2020, the CoC filed another Appeal i.e. Company Appeal (AT)(Ins) No. 587 of 2020 (“**Second Appeal**”) before the NCLAT against the 3rd January order passed by the Adjudicating Authority thereby dismissing the application of the RP seeking approval of the Resolution Plan filed by Ebix. It may be noted that the CoC gained the knowledge of the 3rd January order only during the hearing in the First Appeal and therefore, could not challenge the same at an earlier date.

The NCLAT allowed the First Appeal filed by the CoC vide its judgment dated 29th July 2020 and set aside the 2nd January order passed by the Adjudicating Authority *inter alia* holding that the Adjudicating Authority did not have the power to allow Ebix (RA) to withdraw its resolution plan after it was approved by the CoC.

Thereafter Ebix filed a Civil Appeal No. 3224 of 2020 (“**Ebix Appeal/Appeal**”) before the Hon'ble Supreme Court of

India ("**Hon'ble Supreme Court**") challenging the NCLAT Judgment dated 29.07.2020 passed in the First Appeal on the ground that (a) Ebix is not bound by the Resolution Plan until the same is approved by the Adjudicating Authority; (b) inordinate delay in approval of the application under Section 31 and (c) pending SFIO and CBI investigations into the affairs of Educomp called for withdrawal.

The Hon'ble Supreme Court was pleased to issue notice in the Ebix Appeal on 07th October 2020 and vide the same order stayed the proceedings under Second Appeal before the NCLAT. The question of law involved in Ebix's Appeal was "*Whether the withdrawal of Resolution Plan is permitted after it has been approved by the CoC*".

The Hon'ble Supreme Court after hearing the parties vide its judgment dated 13th September 2021 dismissed the Appeal on the ground that "*The existing insolvency framework in India provides no scope for effecting further modifications or withdrawals of CoC-approved Resolution Plans, at the behest of the Successful Resolution Applicant, once the plan has been submitted to the Adjudicating Authority. The Hon'ble Court further held that "A submitted Resolution Plan is binding and irrevocable as between the CoC and the successful Resolution Applicant in terms of the provisions of the IBC and the CIRP Regulations."*

Accordingly, the Hon'ble Supreme Court dismissed Ebix's Appeal.

Consequent to the Supreme Court's order the NCLT allowed the Second appeal, on 12th November 2021, dated against the NCLT Order dated 3rd January 2020, and immediately thereafter the certified copy of NCLAT order dated 12th November 2021 along with the certified copy of Hon'ble Supreme Court Order were filed with the Registry of the NCLT. However, despite filing of the said orders with the NCLT, the NCLT did not list the matter in time. Therefore, to escalate the matter an application for restoration was (RA 39 of 2021) filed. Finally, the RA 39 of 2021 came up before the NCLT on 3rd December 2021, where the Hon'ble NCLT remarked that 'it's a shame that this matter couldn't be taken up on its own' and vide its order dated 03rd December 2021 it was said that there was no requirement of filing restoration application, nevertheless this application has been filed in the deference of the Hon'ble Supreme Court and NCLT Order. The NCLT thereafter listed the Plan Approval Application for hearing on 22nd December 2021.

On 22nd December 2021, the matter was listed for hearing and part argument took place. The matter was then adjourned to 25th January 2022. However, before the matter could be taken up on the said adjourned date i.e., 25th January 2022, an application (IA 187 of 2022) Ex-Director's Application was filed by the Ex-Director- Mr Shantanu Prakash, also the promoter of Corporate Debtor, seeking direction from the NCLT to direct Resolution Professional to take action w.r.t the transaction which concerns the insolvency of Corporate Debtor's subsidiary based out of Singapore. This application is also listed on 01.06.2022 along with Resolution Professional's Plan Approval Application. However, the NCLT has not issued any notice in this application so far.

Thereafter, the application for plan approval was listed for 25th January 2022, but was simpliciter adjourned to 15th March 2022. Meanwhile, the Resolution Applicant filed another application IA 397/2022, which came up for hearing on 27th January 2022, and in the said application the Resolution Applicant sought certain information irrespective of Information Memorandum from the Resolution Professional regarding the annual returns, financial statement and status of affairs of the Corporate Debtor. RP's Counsel opposed IA 397 of 2022 and also filed a reply to IA 397 of 2022.

On 14th February 2022, IA 397/2022 was listed before the NCLT, however, the reply filed by RP was not available on record. The NCLT on that date granted liberty to RA to file Rejoinder to IA 397 of 2022 and adjourned it to 28th February 2022. On 28th February 2022, IA 397 of 2022 got listed before the Special Bench, therefore, again it was adjourned to 08th March 2022 for it to be heard by the Regular Bench, matter was adjourned to 8th March 2022. The IA 397 of 2022 was finally taken up on 8th March 2022, where the RP Counsel opposed the application extensively and the same was dismissed on the ground of being premature.

On 11th April 2022, fresh application IA 1611 of 2022 was filed by the Resolution Applicant seeking issuance of a

direction to the Resolution Professional to take steps to protect the assets owned by Corporate Debtor's Wholly Owned Subsidiary ("EPEL") attached by the Enforcement Directorate which was dismissed by the Adjudicating authority the same day since the attached asset(s) were owned by EPEL and not the Corporate Debtor. The Adjudicating Authority adjourned the Plan Approval Application for hearing on 19 April 2022.

On 19th April 2022, the Adjudicating Authority directed the Resolution Professional to file the soft copy of the complete order sheets along with the list of dates of events in the form of an Additional Affidavit along with the soft copy of the Order(s) dated 02 January 2020 and 03rd January 2020 as also the judgments passed by the Hon'ble Supreme Court and Hon'ble NCLAT dated 12 November 2021. Thereafter, the matter was adjourned to 06 May 2022 for further hearing.

On 06 May 2022, the NCLAT heard the Co. Appeal (Ins.) No. 507 of 2022 filed by the Resolution Applicant challenging the order dated 08 March 2022 passed by the NCLT dismissing IA 397 of 2022. The NCLAT dismissed the appeal on the direction to RP that on the approval of the Resolution Plan, all of the required information which is available with the Resolution Professional shall be provided to the Resolution Applicant.

On 06 May 2022, the Plan Approval Application was also listed before the Adjudicating Authority for hearing, however, the same could not be taken up due to non-availability of Technical Member constituting the Bench hearing the matter. The matter was adjourned to 24.05.2022 accordingly.

Thereafter on 19 May 2022, Co. Appeal (Ins.) No. 550 of 2022 preferred by Resolution Applicant against order dated 11.04.2022 passed by NCLT in IA 1611 of 2022 was listed. The Hon'ble NCLAT pursuant to the submissions made by respective parties disposed of the appeal by directing the Resolution Professional to share the Provisional Attachment Order passed by Directorate of Enforcement with the Resolution Applicant.

On 24 May 2022, the Plan Approval Application was again listed for hearing before the Adjudicating Authority however, the matter could not be taken up due to non-availability of the Bench to hear the matter post the lunch hours. Accordingly, matter was adjourned to 01 June 2022.

On 01 June 2022, when the Plan Approval Application was taken up, the Judicial Member stated that since both him and the technical member constituting the present Bench are retiring in June 2022, all pending matters would only now be heard in the month of July. Accordingly, a short date of 08 July 2022 was given by the Registry for listing the Plan Approval Application.

It is pertinent to state that at present along with the pending Plan Approval Application, IA 187 of 2022 filed by suspended Director Mr. Shantanu Prakash is also pending adjudication before the Adjudicating Authority and would be listed on 08 July 2022 along with the Plan Approval Application.

Audit Observations and management response

FY 2018-19

S. No.	Audit Observation	Our Remarks
1.	As mentioned in note 3.2 to the Standalone Ind AS Financial Statements, the Management did not conduct physical verification of Property, plant and equipment at certain locations having a net carrying value of Rs. 11.08 million as at March 31, 2019. In absence of the same, we are unable to comment over existence, valuation and the extent of the adjustment, if any, required in respect of these assets as at March 31, 2019 and the resultant possible impact of the same on the loss for the year ended on that date and on the equity as on that date.	The management has physically verified the fixed assets lying only at Corporate Office location Gurgaon on October 23, 2020. The offices at other locations of the company have been shut down due to liquidity and business constraints and the assets lying at these locations, carrying value of Rs. 11.08 million, have been shifted to the warehouse at Mahipalpur (New Delhi) and Chennai which could not be physically verified during the year.

S. No.	Audit Observation	Our Remarks
2.	The Company has not evaluated impairment on its Knowledge Based Content (Other Intangible Assets) having a net block of Rs. 28.91 million (Gross block Rs. 831.85 million, net of accumulated amortization and impairment of Rs. 802.94 million) as at March 31, 2019. In absence of such assessment, we are unable to comment upon the appropriateness of the carrying amount of such asset as at March 31, 2019 and possible impact of the same on the loss for the year ended on that date and on the equity as on that date.	The Company has policy to amortized Knowledge Based Content over the period of four year and its unamortized value of Rs. 28.91 million as at March, 31, 2019. It is the revenue generating assets and the company has continue generating revenue from its.
3.	As regards trade receivable amounting Rs. 2,261.41 million (net of accumulated loss allowance of Rs. 13,840.65 million) as on March 31, 2019, the management is of the view that the same are good and fully recoverable in due course and hence no further loss allowance is required. Out of the above, trade receivables only to the extent of Rs. 294.25 million have subsequently been realized by the Company till September 30, 2021. In absence of appropriate audit evidences including balance confirmations, correspondences from parties and details of subsequent realization post September 30, 2021, we are unable to comment on the recoverability of balance outstanding trade receivables of Rs. 1,967.16million and the possible impact of the same on the loss for the year ended March 31, 2019 and on the equity as on that date.	The Provision has been created on smartclass customers against whom legal action has been initiated and on remaining Customers including ICT (Govt. customers) and retail customers on case to case basis. We are regularly collecting money from these customers. The receivables of Rs. 2,250.61 million are good and recoverable. However due to company being in IBC the auditor had given is qualified opinion. The fact that an amount of Rs. 311 million has been recovered upto March 31, 2022 from these receivables demonstrates that the receivables are good and recoverable. The balance receivables will we collected in the next two years subject to the company keeping their servicing commitments with the customers under these contracts.
4.	As mentioned in Note 25.2 to the Standalone Ind AS Financial Statements, the Company follows Expected Credit loss (ECL) model for measuring impairment loss allowance of its trade receivables. The ECL allowance or loss rate is computed based on a provision matrix which takes into account historical credit loss experience. However, for the computed loss rate as mentioned in Note 25.2 to the Standalone Ind AS Financial Statements, we have not been provided with any underlying workings of such loss rate computed by the Company.	<p>The Company following the provisioning method based on the legal recovery status initiated against the customer. Historically we are following norms as under.</p> <ol style="list-style-type: none"> 1. For the cases closed/ cancelled 100% provision. 2. For the cases arbitration award passed in our favour 60% provision. 3. For the cases under arbitration (award not yet passed) 100% provision. <p>The same clarified in note # 25.2 of our Financial Statement.</p>

S. No.	Audit Observation	Our Remarks
	Further, the Company has not taken effect of aforesaid loss rate in computation of impairment loss allowance, if any on trade receivable over and above the existing provision in the books of account. In absence of relevant workings and other details, we are unable to comment on the appropriateness of the loss rate and the possible impact of non-considering effect of the loss rate in impairment loss allowance on trade receivables balance as on March 31, 2019 and the loss for the year ended on that date and on the equity as on that date.	It is technical qualification based on different view on the adoption of Ind AS.
5.	We have neither got the direct confirmations nor provided with the statements for borrowings from banks and financial institutions amounting to Rs. 11,928.44 million as at March 31, 2019. In absence of sufficient appropriate audit evidence, we are unable to determine any possible impact thereof on the loss for the year ended 31 March 2019 and on the balance of borrowings and equity as at March 31, 2019.	<p>All the loan accounts with lenders were NPA and lenders did not share loan statements with the Company.</p> <p>As audit procedure auditor had sent letters to confirm the balance of loan but lenders hadn't provided balance confirmation.</p> <p>Since the company admitted in IBC on May 30, 2017, lenders had filed their claims. After that date no communication are provided by lenders.</p>
6.	Balance in borrowings account amounting Rs. 1,003.99 million (other than those mentioned in paragraph '5' above) as at March 31, 2019 is subject to direct confirmations. Further, in case of borrowings amounting to Rs. 11,594.77 million wherein we have received confirmations, there are differences amounting Rs. 104.83 million (short in books of accounts) between the amounts reported in the confirmations received and the amounts recorded in the Standalone Ind AS Financial Statements. In absence of reconciliations and other alternative audit evidences, we are unable to comment on any possible impact thereof on the loss for the year ended March 31, 2019 and balance of such borrowings and equity as on that date.	<p>As audit procedure auditor had sent letters to confirm the balance of loan accounts but bankers hadn't provided balance confirmation.</p> <p>Since the company admitted in IBC on May 30, 2017, lenders had filed their claims. After that date no communication are provided by lenders.</p> <p>In some of the cases where the lenders provided the confirmation directly to the auditors without complete loan statement, we are unable to reconcile and comment upon the difference in balance as per books and balance as per confirmations.</p>

S. No.	Audit Observation	Our Remarks
7.	As mentioned in note 12.4 to the Standalone Ind AS Financial Statements, the Company has not accrued interest on borrowing post May 30, 2017, being Corporate Insolvency Resolution Process ("CIRP") commencement date. The amount of such interest not accrued is estimated to be Rs. 2,813.66 million for the year and Rs.4,981.49 million till March 31, 2019. This has resulted in understatement of financial liabilities by Rs. 4,981.49 million as at March 31, 2019; understatement of loss for the year by Rs. 2,813.66 million and overstatement of equity by Rs. 4,981.49 million as on that date.	Post CRP admission, financial creditors has filed their claims which are crystallized and admitted claims are already filed with NCLT post approval of resolution plan by COC. Since post admission of claim no liability can accrue on account of interest, therefore same is not provided.
8.	The Company has not determined the provision for penal interest for defaults on borrowings as per the contractual terms of the underlying agreements. In absence of such assessment, we are unable to comment on the possible impact thereof on the loss for the year ended March 31, 2019 and on the balance of borrowings and equity as on that date	In FY 17 the Company has requested to all its lenders to waive penal interest as company is facing liquidity crunch and not able to generate adequate cash flows to meet its normal debt obligation. Hence company has not computed and provided for penal interest. Post CRP admission, financial creditors has filed their claims which are crystallized and admitted claims are already filed with NCLT post approval of resolution plan by COC. Since post admission of claim no liability can accrue on account of interest, therefore same is not provided.
9.	<p>As disclosed in Note 38 to the Standalone Ind AS Financial Statements, as per the Insolvency Code, the RP has received, verified and admitted the claims submitted by the creditors (Operational and Financial), employees and workmen of the Company aggregating to Rs. 30,437.72 million till May 30, 2017. These claims have been taken into cognizance by Committee of the Creditors (CoC) in its 12th meeting held on February 17, 2018, while approving the Resolution Plan of the Company. The details of such claims have been disclosed in the said note. As represented by the Management/RP, pending approval of the Resolution Plan by Hon'ble NCLT, a reconciliation of the admitted claims vis-à-vis liabilities outstanding as at March 31, 2019 has not been prepared and any impact thereof has not been considered in the preparation of these Standalone Ind AS Financial Statements as at and for the year ended March 31, 2019</p> <p>In absence of the above, we are unable to comment upon appropriateness of carrying value of such liabilities as at March 31, 2019 and any possible impact of the same on the loss for the year ended on that date and equity as at that date.</p>	As per the Insolvency Code, the RP has received, verified and admitted the claims submitted by the creditors (Operational and Financial), employees and workmen of the Company till the approval of resolution plan by the CoC. The RP has received claims of Rs. 31,378.12 millions, verified and admitted claims of Rs. 30,437.72 millions and claims of Rs. 940.41 millions not admitted by RP. These claims have been taken into cognizance by CoC in its 12th meeting held on February 17, 2018, while approving the Resolution Plan of the Company. As represented by the Management/RP, pending approval of the Resolution Plan by Hon'ble NCLT, a reconciliation of the admitted claims vis-à-vis liabilities outstanding as at March 31, 2019 has not been prepared and any impact thereof has not been considered in the preparation of these Standalone Ind AS Financial Statements as at and for the year ended March 31, 2019.

S. No.	Audit Observation	Our Remarks
10.	As disclosed in Note 29 to the Standalone Ind AS Financial Statements, financial guarantees aggregating Rs. 11,621.69 were issued to banks on behalf of its subsidiaries. As per Ind AS 109 "Financial Instruments", the said financial guarantees are required to be initially measured at fair value and subsequently measured at the higher of (i) the amount of loss allowance in accordance with Expected Credit Loss ("ECL") method and (ii) amount initially recognized less cumulative amount of income recognized in income statement. However, no measurement of financial guarantees at fair value and estimation of loss allowances in accordance with ECL method were performed during the year. In absence of such measurement, we are unable to comment on the resultant impact thereof on the loss for the year ended March 31, 2019 and corresponding liability and equity as on that date.	It is technical qualification on adoption of Ind AS and the liability against corporate guarantees provided by the company towards borrowings of subsidiaries shall only be crystallized upon default and invocation by the lenders. It doesn't have any impact on profit and loss account of the company. Financial guarantees are part of the claims submitted by the lenders, so no provision made.
11.	As explained in Note 35 to the Standalone Ind AS Financial Statements regarding managerial remuneration paid to one of the whole time directors of the Company during the quarter ended June 30, 2015 and during the year ended March 31, 2015 in non-compliance with the requirements of Section 197 and Section 198 read with Schedule V to the Companies Act, 2013, and paid during the year ended March 31, 2014 in non-compliance with the requirements of Section 198, Section 269 and Section 309 read with Schedule XIII to the Companies Act, 1956, for which the Central Government's approval is yet to be obtained.	Due to inadequacy of the profits, managerial remuneration paid by the Company to one of its Whole Time Director during the quarter ended June 30, 2015 and year ended March 31, 2015, was in excess of limits prescribed under Section 197 and 198 read with Schedule V to the Companies Act, 2013. Similarly, managerial remuneration paid during the financial year ended March 31, 2014 to one of its Whole Time Director was also in excess of limits prescribed under Section 198, 269 and 309 read with Schedule XIII of the Companies Act, 1956. The management of the Company had filed an applications to the Central Government to obtain its approval for the waiver/approval of the remuneration so paid in years ended March 31, 2014, March 31, 2015 and quarter ended June 30, 2015. Since the Company had not received any response from the Central Government approving or granting any waiver for the said excess remuneration, pursuant to the provisions of Section 197(9) of the Companies Act, 2013, the Company (through its resolution professional) has sought a refund via email dated December 28, 2020, for the entire excess remuneration paid. The amount is however, yet to be refunded by the Whole Time Director. Further the company had not paid any remuneration to whole time directors after June 30, 2015.
12.	As disclosed in Note 39 to the Standalone Ind AS Financial Statements, the Company is currently subjected to the investigations by Serious Fraud Investigation Office (SFIO) and the Central Bureau of Investigation (CBI). 1211, Padma Tower I, 5 Rajendra Place,
New Delhi- 110008
[CIN: L74999DL1994PLC061353]

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **M/s Educomp Solutions Limited** (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing our opinion thereon.

Please take note that that pursuant to an order passed by the Hon'ble National Company Law Tribunal, Principal Bench ("NCLT") on May 30, 2017 for the initiation of Corporate Insolvency Resolution Process ("CIRP") of the Company as per the provisions of the Insolvency and Bankruptcy Code, 2016 ("IBC"/"Code") and Dr. Sanjeev Agarwal, having IP Registration no. IBBI/IPA-001/IP-00445/2016-17/1339, was appointed as the Interim Resolution Professional ("IRP"). Further, NCLT vide its order dated September 12, 2017 appointed Mr. Mahender Khandelwal having IP Registration no. IBBI/IPA-001/IP-P00033/2016-17/10086 as the Resolution Professional ("RP") of the Company. As per the provisions of the Section 17 and 18 of the IBC, the powers of the Board of Directors and the Management of the Company stand suspended from the date of initiation of the CIRP and vest with the RP.

We report that

- a) Maintenance of secretarial records is the responsibility of the management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.
- b) We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in the secretarial records. We believe that the processes and practices, we followed, provide a reasonable basis for our opinion.
- c) We have not verified the correctness and appropriateness of the financial statements of the Company.
- d) Wherever required, we have not obtained the any Management Representation about the compliances of laws, rules and regulations and happening of events etc. In view of the same the report is based on the basis of information as available and provided by the Resolution Professional.
- e) The compliance of the provisions of the Corporate and other applicable laws, rules, regulation, standards is the responsibility of the management. Our examination was limited to the verification of procedures on test basis.
- f) The Secretarial Audit report is neither an assurance as to the future viability of the company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, *we hereby report that in our opinion, the company has not,*

during the audit period covering the financial year ended on 31st March, 2019 ("Audit Period") properly complied with the statutory provisions listed hereunder and also that the Company has not proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the company for the financial year ended on 31st March, 2019 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;

- (b) The Company has not created Debenture Redemption Reserve in relation to the earlier issue of debentures since the Company is in losses;
- (c) As informed by the Management/RP, as on date of this Report, pursuant to the provisions of the IBC, the Committee of Creditors ("CoC") had approved the resolution plan received from Ebix Singapore Pte. Ltd. ("Resolution Applicant"/ "Ebix"). Accordingly, the Corporate Debtor has submitted the resolution plan for final approval with the Hon'ble NCLT under Section 30(6) of IBC vide application dated March 03, 2018 ("Resolution Plan") and the matter was under consideration before the NCLT. Subsequently, the Resolution Applicant filed an application under Section 60(5) of the IBC seeking withdrawal of its Resolution Plan. Vide NCLT's Order dated January 02, 2020, the withdrawal application of Ebix was allowed, to the extent of granting leave to the said Resolution Applicant to withdraw the Resolution Plan pending approval u/s 30(6) before the NCLT by payment of cost of INR 1 lakh by the Resolution Applicant into the corpus of the Corporate Debtor. Further, Hon'ble NCLT vide the same order also granted 90 days-time commencing from November 16, 2019 to the Resolution Professional and the CoC to seek/expedite the possibility of achieving resolution of the stressed assets of the Corporate Debtor within such time of 90 days. Thereafter, the NCLT vide its Order dated January 03, 2020, dismissed the approval application as infructuous as a consequence of its order dated January 02, 2020 which allowed the withdrawal of the Resolution Plan by Ebix. Thereafter, an appeal under Section 61 of the IBC against the NCLT Order dated January 02, 2020 (allowing withdrawal of Resolution Plan) and Order dated January 03, 2020 was filed with Hon'ble National Company Law Appellate Tribunal ("NCLAT") by the CoC's legal counsel. On July 29, 2020, the Hon'ble NCLAT has allowed the appeal and has set aside the Hon'ble NCLT order dated January 02, 2020 in CA No. 1816(PB)/2019 in C.P.(IB)No. 101 (PB) 2017. Thereafter, Ebix challenged the final order and judgment dated July 29, 2020 before the Hon'ble Supreme Court of India by way of a civil appeal. The Hon'ble Supreme Court after hearing the parties vide its judgment dated 13th September 2021 dismissed the Appeal on the ground that "The existing insolvency framework in India provides no scope for effecting further modifications or withdrawals of CoC-approved Resolution Plans, at the behest of the Successful Resolution Applicant, once the plan has been submitted to the Adjudicating Authority. The Hon'ble Court further held that "A submitted Resolution Plan is binding and irrevocable as between the CoC and the successful Resolution Applicant in terms of the provisions of the IBC and the CIRP Regulations." Accordingly, the Hon'ble Supreme Court dismissed Ebix's Appeal. Presently the petition is pending with the Honorable NCLT as the per the order of Hon'ble NCLAT.
- (d) As on date of this Report, the Company is under investigation by the Serious Fraud Investigation Office ("SFIO") and Central Bureau of Investigation ("CBI")

MANAGEMENT DISCUSSIONS AND ANALYSIS

The Management's Discussion and Analysis ("MDA") focuses on significant factors that affected Educomp Solutions Limited from FY 2018-19 till date. It contains a review and analysis of the financial results for the relevant period, identifies business risks that the Company faces.

The Company had been facing significant challenges in servicing its debt obligations over the years and debt restructuring efforts could not succeed. The Hon'ble NCLT, New Delhi, ("Adjudicating Authority") vide its order dated May 30, 2017, initiated corporate insolvency resolution process ("CIRP") of the Company in accordance with the provisions of the Insolvency and Bankruptcy Code, 2016 ("Code"). Thereafter, in accordance with the provisions of the Code, the powers of the Board stood suspended and Dr. Sanjeev Aggarwal was appointed as interim resolution professional of the Company. The IRP carried out his duties from May 30, 2017 till Mr. Mahender Khandelwal was appointed as Resolution Professional ("RP") vide the order of NCLT dated September 12, 2017 and took over the management of the affairs of the Company. Please refer to the discussion on revival plan of the Company for further details.

a) Industry structure and developments for FY 2018-19.

Indian economy is on the cusp of a major change with a slew of reforms by the Government including Make in India, Digital India, Skill India, rural electrification drive, Smart Cities Mission, impetus on infrastructure, rising disposable income, low inflationary pressures, implementation of the Seventh Pay Commission, recovery in exports and private investments. India has the world's largest higher education system and it ranks second in terms of student enrolment in higher education. India had 37.4 million students enrolled in higher education in 2018-19. Gross Enrolment Ratio in higher education reached 26.3 per cent in 2018-19.

The year started with positive momentum with a number of countries reporting an upswing in their growth and expectations of further acceleration. The global GDP growth rate was expected to improve to 3.9% in both 2018 and 2019 (IMF). However, downside risks materialized during the year, driven by increased protectionism and rising geopolitical tensions. The global GDP growth for 2018 fell to 3.6% and is expected to further slow down to 3.3% in 2019. The economy may pick up in the second half of 2019, supported by significant policy accommodation by major economies, made possible by the absence of inflationary pressures.

Education sector in India is estimated at US\$ 91.7 billion in FY18 and is expected to reach US\$ 101.1 billion in FY19. The country has also become the second largest market for e-learning after the US. The sector is expected to reach US\$ 1.96 billion by 2021 with around 9.5 million users. As of March 2019, internet penetration in India had reached 36 per cent. Increasing internet penetration will help in education delivery. Further, the budget allocation for 2018-19 is, however, less than 4% higher than the revised budget estimate of the current year. The 2017-18 budget estimate had pegged an outlay of Rs79,685.95 crore, which was later revised to Rs81,868 crore. Number of universities in the country has also increased at a fast pace from 621 in 2010-11 to 993 universities in 2018-19. Total number of agricultural universities in the country increased from 35 in 1999 to 75 in 2017. With approximately 28.1% of India's population in the age group of 0-14 years, educational sector in India provides great growth opportunity. With evolving times, the purpose of education

has evolved from imparting knowledge to all-round development of students to groom them to be literate citizens. The schools guide the students to explore their potential and understand their passion while also develop their skills like language, technology, cross-cultural understanding etc. Schools are adopting innovative and practical teaching methods and have brought about a sea change in the teaching methodology with use of technology.

b) Threats, Risks and areas of concerns

Due to financial crisis, as a result of business related issues faced by the Company arising out of the Company's inability to service its customers (schools) spread across the length and breadth of the country because of delinquencies by many customers. This coupled by delays in receiving money under government contracts lead to a situation where the Company was not able to service its debts leading the Bankers to take the Company to Corporate Debt Restructuring (CDR) in July 2013. The CDR of the Company was approved with effect from April 1 2013. However, CDR was not successful and the Company filed application for CIRP under Section 10 of Code on May 12, 2017. Pursuant to said application made by the Company, Adjudicating Authority, vide its order dated 30th May 2017, had ordered the commencement of CIRP in respect of the Company under the provisions of the Code. Thereafter, in accordance with Section 17 of the Code, the powers of the Board stood suspended and Dr. Sanjeev Aggarwal was appointed as interim resolution professional of the Company. The IRP carried out his duties from May 30, 2017 till Mahender Khandelwal was appointed as Resolution Professional ("RP") vide the order of NCLT dated September 12, 2017 and took over the management of the affairs of the Company. Pursuant to CIRP, Ebix Singapore Pte. Ltd. ("Ebix"), Singapore submitted the resolution plan of the Company which was approved by the Committee of Creditors ("CoC"), consisting of all bankers of the Company on February 17, 2018. Subsequent to submission of Resolution Plan with Adjudicating Authority for approval on March 07, 2018, application was filed by Ebix Singapore Pte. Ltd under Section 60(5) of the Code seeking withdrawal of their Resolution Plan. Multiple hearings took place in the said matter before the Adjudicating Authority. The Withdrawal Application matter (briefly explained in point -e) went all the way to Hon'ble Supreme Court the EBIX Appeal against was dismissed. Presently, EBIX's plan approval application is pending before the NCLT.

In the worst case scenario, if the NCLT rejects the EBIX plan approval application and where no resolution is achieved then the Company may be liquidated upon the order of the Adjudicating Authority /Appellate Tribunal/subsequent appellate authority.

The matter was heard at length on November 25, 2019 wherein after duly hearing and recording the submissions made by the Counsel for CoC and Counsel for the Resolution Applicant, the Adjudicating Authority reserved its order on application filed by the Resolution Applicant for the withdrawal of the Resolution Plan. On January 02, 2020, Adjudicating Authority directed that the prayer of Resolution Applicant for withdrawal of Resolution Plan is allowed with cost of Rs. 1 lakh to be paid by the Resolution Applicant into the corpus of the Company. Adjudicating Authority has further granted extension of 90 days from November 16, 2019. Adjudicating Authority directed that RP and the members of CoC to expedite the possibility of achieving resolution of the stressed assets of the Company within the extended period. Thereafter, CoC meeting was called by the RP to discuss the way forward with regard to the Order dated January 02, 2020 passed by the Hon'ble NCLT.

Thereafter, the Committee of Creditors of Educomp ("CoC") challenged the 2nd January Order passed by the

Adjudicating Authority allowing the withdrawal before the National Company Law Appellate Tribunal ("**NCLAT**") on 28.01.2020 by way of an Appeal bearing number Company Appeal (AT) (Insolvency) No. 203 of 2020 ("**First Appeal**"). The First Appeal was listed for consideration before the NCLAT on **03.02.2020** wherein, the Appellate Tribunal was pleased to issue notice in the appeal and further stayed the operation of the 2nd January order.

On 22nd June 2020, the CoC filed another Appeal i.e. Company Appeal (AT)(Ins) No. 587 of 2020 ("**Second Appeal**") before the NCLAT against the 3rd January order passed by the Adjudicating Authority thereby dismissing the application of the RP seeking approval of the Resolution Plan filed by Ebix. It may be noted that the CoC gained the knowledge of the 3rd January order only during the hearing in the First Appeal and therefore, could not challenge the same at an earlier date.

The NCLAT allowed the First Appeal filed by the CoC vide its judgment dated 29th July 2020 and set aside the 2nd January order passed by the Adjudicating Authority *inter alia* holding that the Adjudicating Authority did not have the power to allow Ebix (RA) to withdraw its resolution plan after it was approved by the CoC.

Thereafter Ebix filed a Civil Appeal No. 3224 of 2020 ("**Ebix Appeal/Appeal**") before the Hon'ble Supreme Court of India ("**Hon'ble Supreme Court**") challenging the NCLAT Judgment dated 29.07.2020 passed in the First Appeal on the ground that (a) Ebix is not bound by the Resolution Plan until the same is approved by the Adjudicating Authority; (b) inordinate delay in approval of the application under Section 31 and (c) pending SFIO and CBI investigations into the affairs of Educomp called for withdrawal.

The Hon'ble Supreme Court was pleased to issue notice in the Ebix Appeal on 07th October 2020 and vide the same order stayed the proceedings under Second Appeal before the NCLAT. The question of law involved in Ebix's Appeal was "*Whether the withdrawal of Resolution Plan is permitted after it has been approved by the CoC*".

The Hon'ble Supreme Court after hearing the parties vide its judgment dated 13th September 2021 dismissed the Appeal on the ground that "*The existing insolvency framework in India provides no scope for effecting further modifications or withdrawals of CoC-approved Resolution Plans, at the behest of the Successful Resolution Applicant, once the plan has been submitted to the Adjudicating Authority. The Hon'ble Court further held that "A submitted Resolution Plan is binding and irrevocable as between the CoC and the successful Resolution Applicant in terms of the provisions of the IBC and the CIRP Regulations."*

Accordingly, the Hon'ble Supreme Court dismissed Ebix's Appeal.

The present status of the proceedings is that the Second Appeal challenging the 3rd January order which is pending adjudication before the NCLAT and is scheduled for consideration before the NCLAT on 25th October 2021.

In the event, no resolution is achieved of stressed assets of the Company, the Company may be liquidated upon the order of the Adjudicating Authority /Appellate Tribunal/subsequent appellate authority.

Financial Risk

The large debt burden and rising interest cost caused defaults in payment of its obligations leading to the Company being admitted under the CIRP on 30th May, 2017 vide an order of the Adjudicating Authority. In the event, any resolution of stressed assets of the Company is achieved, the capital structure and the associated risk profile of the Company is expected to significantly change and therefore at the moment, the management is not able to comment on the future

capital structuring of the Company and the resultant change in the risk profile.

c) Opportunities and Outlook

Subject to the adjudication of the Adjudicating Authority and other appellate authorities in relation to the receipt and approval of any resolution plan and with the support of the resolution applicant submitting such resolution plan, the Company may be in a position in terms of capacities, capabilities and customer relationships to capitalise on market opportunities. Approval of any resolution plan would enable the Company to progressively ramp up operations.

However, in the event, no resolution is achieved of stressed assets of the Company, the Company may be liquidated upon the order of the Adjudicating Authority /Appellate Tribunal/subsequent appellate authority. Further, for better explanation refer below to the point (e).

Internal control systems and their adequacy.

The Company has established Internal Financial Control System for ensuring the orderly and efficient conduct of the business including adherence to Company's Policies, the safeguarding of assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable Financial Statements.

As specified above the Company is present under CIRP w.e.f May 30, 2017 and all the powers of the management are vested to the Interim Resolution Professional followed by the Resolution Professional. Resolution Professional, in accordance with the provisions of the code, is performing his best efforts to mitigate all risks associated with the company along with the internal financial control and internal control system.

**CORPORATE GOVERNANCE
REPORT ON CORPORATE GOVERNANCE**

1. Corporate Governance

Corporate Governance is based on the principles of integrity, transparency, accountability and commitment to values. The framework is driven by the objective of enhancing long term stakeholder value without compromising on ethical standards and corporate social responsibilities. The Company believes in transparency, empowerment, accountability and integrity in its operations having duly delegated authority to the various functional heads who are responsible for attaining the corporate plans with the ultimate purpose of enhancement of “stakeholder value”.

A report on compliance with the principles of Corporate Governance as prescribed by SEBI in Chapter IV read with Schedule V of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as “Listing Regulations”) is given below:

2. Corporate Insolvency Resolution Process (CIRP)

The Corporate Insolvency Resolution Process (“CIRP”) against the Educomp Solutions Limited (“**Corporate Debtor**”) was initiated by the Hon'ble National Company Law Tribunal, Principal Bench at New Delhi (“**Adjudicating Authority**”) under Section 10 of the Code vide its order dated 30th May 2017.

The Adjudicating Authority vide the order of same date appointed Dr. Sanjeev Aggarwal as the Interim Resolution Professional (“IRP”) to conduct the CIRP of the Corporate Debtor. Later, in the third CoC Meeting of the Corporate Debtor held on 12th September 2017, Mr. Mahender Kumar Khandelwal was appointed as the Resolution Professional (“RP”) to run the CIRP of the Corporate Debtor.

SPursuant to the appointment, the RP published Expression of Interest (“EoI”) in terms of the code and applicable Regulations thereby inviting resolution plans for the revival and restructuring of the Corporate Debtor. Further to the issuance of the EoI, the resolution plans were received from one Ebix Singapore Pte. Ltd. (“Ebix”) and one Boundary Holdings SARL SPF. Pursuant to the discussions and deliberations with the CoC, the Resolution plan submitted by the Ebix was put to vote. Ebix's resolution plan, in terms of Section 30(4) of the Code, was finally approved by the CoC with 75.35% majority voting share on 22nd February 2018 including vote of Chhattisgarh State Electricity Board (“CSEB”) whose vote was received subsequently due to a technical glitch. Pursuant thereto, the Resolution Professional submitted the Ebix's Resolution Plan for the approval of the Adjudicating Authority by way of an application under Section 30(6) and 31 of the Code (CA 195 of 2018) (“**Plan Approval Application**”).

Around July 2019, while the Plan Approval Application was pending adjudication before the Adjudicating Authority, Ebix filed its first application seeking withdrawal of the Resolution Plan on account of the purported inordinate delay in approval of resolution plan by the Adjudicating Authority, and ongoing investigations into the affairs of the Corporate Debtor. The said application was dismissed by the Adjudicating Authority. Thereafter, Ebix filed another withdrawal application in August 2019 on the similar cause of action. The second application was also dismissed by the Adjudicating Authority. However, the third withdrawal application filed by Ebix (IA 1816 of 2019) after having been heard at length on 25th November 2019 was allowed by the Adjudicating Authority vide its order dated 02nd January 2020 (“**Order dated 02 January 2020**”). Thereby Ebix was permitted to withdraw its plan despite the same having been approved by the Committee of Creditors of Educomp (“CoC”). The Adjudicating Authority also imposed a cost of Rs. 1 lakh on Ebix and extended the CIRP of the Corporate Debtor by 90 days to begin from 16th November 2019. The Adjudicating Authority directed the Resolution Professional to expedite the possibility of achieving resolution of the stressed assets within such extended period.

As a consequence of the Order dated 02 January 2020 passed by the Adjudicating Authority in third withdrawal application filed by Ebix (IA 1816 of 2019), the Adjudicating Authority dismissed the Plan Approval Application

filed by the Resolution Professional vide its another order dated 3rd January 2020 (“**Order dated 03 January 2020**”).

Thereafter, the Committee of Creditors of Educomp (“**CoC**”) challenged the order dated 02 January 2020 passed by the Adjudicating Authority allowing the withdrawal before the Hon'ble National Company Law Appellate Tribunal (“**NCLAT**”) on 28.01.2020 by way of an Appeal bearing number Company Appeal (AT) (Insolvency) No. 203 of 2020 (“**First Appeal**”). The First Appeal was listed for consideration before the NCLAT on 03.02.2020 wherein, the Appellate Tribunal was pleased to issue notice in the appeal and further stayed the operation of the order dated 2nd January 2020.

On 22nd June 2020, the CoC filed another Appeal i.e. Company Appeal (AT)(Ins) No. 587 of 2020 (“**Second Appeal**”) before the NCLAT against the Order dated 3rd January 2020 passed by the Adjudicating Authority thereby dismissing the application of the RP seeking approval of the Resolution Plan filed by Ebix. It may be noted that the CoC gained the knowledge of the order dated 3rd January 2020 only during the hearing in the First Appeal and therefore, could not challenge the same at an earlier date.

The NCLAT allowed the First Appeal filed by the CoC vide its judgment dated 29th July 2020 and set aside the order dated 2nd January 2020 passed by the Adjudicating Authority inter alia holding that the Adjudicating Authority did not have the power to allow Ebix (RA) to withdraw its resolution plan after it was approved by the CoC.

Thereafter Ebix filed a Civil Appeal No. 3224 of 2020 (“**Ebix Appeal/Appeal**”) before the Hon'ble Supreme Court of India (“**Hon'ble Supreme Court**”) challenging the NCLAT Judgment dated 29.07.2020 passed in the First Appeal on the ground that (a) Ebix is not bound by the Resolution Plan until the same is approved by the Adjudicating Authority; (b) inordinate delay in approval of the application under Section 31 and (c) pending SFIO and CBI investigations into the affairs of Educomp called for withdrawal.

The Hon'ble Supreme Court was pleased to issue notice in the Ebix Appeal on 07th October 2020 and vide the same order stayed the proceedings under Second Appeal before the NCLAT. The question of law involved in Ebix's Appeal was “Whether the withdrawal of Resolution Plan is permitted after it has been approved by the CoC”.

The Hon'ble Supreme Court after hearing the parties vide its judgment dated 13th September 2021 dismissed the Appeal on the ground that “The existing insolvency framework in India provides no scope for effecting further modifications or withdrawals of CoC-approved Resolution Plans, at the behest of the Successful Resolution Applicant, once the plan has been submitted to the Adjudicating Authority. The Hon'ble Court further held that “A submitted Resolution Plan is binding and irrevocable as between the CoC and the successful Resolution Applicant in terms of the provisions of the IBC and the CIRP Regulations.”

Accordingly, the Hon'ble Supreme Court dismissed Ebix's Appeal.

Consequent to the Supreme Court's order the NCLT allowed the Second appeal, on 12th November 2021, dated against the NCLT Order dated 3rd January 2020, and immediately thereafter the certified copy of NCLAT order dated 12th November 2021 along with the certified copy of Hon'ble Supreme Court Order were filed with the Registry of the NCLT. However, despite filing of the said orders with the NCLT, the NCLT did not list the matter in time. Therefore, to escalate the matter an application for restoration was (RA 39 of 2021) filed. Finally, the RA 39 of 2021 came up before the NCLT on 3rd December 2021, where the Hon'ble NCLT remarked that 'it's a shame that this matter couldn't be taken up on its own' and vide its order dated 03rd December 2021 it was said that there was no requirement of filing restoration application, nevertheless this application has been filed in the deference of the Hon'ble Supreme Court and NCLT Order. The NCLT thereafter listed the Plan Approval Application for hearing on 22nd December 2021.

On 22nd December 2021, the matter was listed for hearing and part argument took place. The matter was then adjourned to 25th January 2022. However, before the matter could be taken up on the said adjourned date i.e., 25th January 2022, an application (IA 187 of 2022) Ex-Director's Application was filed by the Ex-Director- Mr Shantanu Prakash, also the promoter of Corporate Debtor, seeking direction from the NCLT to direct Resolution

Professional to take action w.r.t the transaction which concerns the insolvency of Corporate Debtor's subsidiary based out of Singapore. This application is also listed on 01.06.2022 along with Resolution Professional's Plan Approval Application. However, the NCLT has not issued any notice in this application so far.

Thereafter, the application for plan approval was listed for 25th January 2022, but was simpliciter adjourned to 15th March 2022. Meanwhile, the Resolution Applicant filed another application IA 397/2022, which came up for hearing on 27th January 2022, and in the said application the Resolution Applicant sought certain information irrespective of Information Memorandum from the Resolution Professional regarding the annual returns, financial statement and status of affairs of the Corporate Debtor. RP's Counsel opposed IA 397 of 2022 and also filed a reply to IA 397 of 2022.

On 14th February 2022, IA 397/2022 was listed before the NCLT, however, the reply filed by RP was not available on record. The NCLT on that date granted liberty to RA to file Rejoinder to IA 397 of 2022 and adjourned it to 28th February 2022. On 28th February 2022, IA 397 of 2022 got listed before the Special Bench, therefore, again it was adjourned to 08th March 2022 for it to be heard by the Regular Bench, matter was adjourned to 8th March 2022. The IA 397 of 2022 was finally taken up on 8th March 2022, where the RP Counsel opposed the application extensively and the same was dismissed on the ground of being premature.

On 11th April 2022, fresh application IA 1611 of 2022 was filed by the Resolution Applicant seeking issuance of a direction to the Resolution Professional to take steps to protect the assets owned by Corporate Debtor's Wholly Owned Subsidiary ("EPEL") attached by the Enforcement Directorate which was dismissed by the Adjudicating Authority the same day since the attached asset(s) were owned by EPEL and not the Corporate Debtor. The Adjudicating Authority adjourned the Plan Approval Application for hearing on 19 April 2022.

On 19th April 2022, the Adjudicating Authority directed the Resolution Professional to file the soft copy of the complete order sheets along with the list of dates of events in the form of an Additional Affidavit along with the soft copy of the Order(s) dated 02 January 2020 and 03rd January 2020 as also the judgments passed by the Hon'ble Supreme Court and Hon'ble NCLAT dated 12 November 2021. Thereafter, the matter was adjourned to 06 May 2022 for further hearing.

On 06 May 2022, the NCLAT heard the Co. Appeal (Ins.) No. 507 of 2022 filed by the Resolution Applicant challenging the order dated 08 March 2022 passed by the NCLT dismissing IA 397 of 2022. The NCLAT dismissed the appeal on the direction to RP that on the approval of the Resolution Plan, all of the required information which is available with the Resolution Professional shall be provided to the Resolution Applicant.

On 06 May 2022, the Plan Approval Application was also listed before the Adjudicating Authority for hearing, however, the same could not be taken up due to non-availability of Technical Member constituting the Bench hearing the matter. The matter was adjourned to 24.05.2022 accordingly.

Thereafter on 19 May 2022, Co. Appeal (Ins.) No. 550 of 2022 preferred by Resolution Applicant against order dated 11.04.2022 passed by NCLT in IA 1611 of 2022 was listed. The Hon'ble NCLAT pursuant to the submissions made by respective parties disposed of the appeal by directing the Resolution Professional to share the Provisional Attachment Order passed by Directorate of Enforcement with the Resolution Applicant.

On 24 May 2022, the Plan Approval Application was again listed for hearing before the Adjudicating Authority however, the matter could not be taken up due to non-availability of the Bench to hear the matter post the lunch hours. Accordingly, matter was adjourned to 01 June 2022.

On 01 June 2022, when the Plan Approval Application was taken up, the Judicial Member stated that since both him and the technical member constituting the present Bench are retiring in June 2022, all pending matters would only now be heard in the month of July. Accordingly, a short date of 08 July 2022 was given by the Registry for listing the Plan Approval Application.

It is pertinent to state that at present along with the pending Plan Approval Application, IA 187 of 2022 filed by suspended Director Mr. Shantanu Prakash is also pending adjudication before the Adjudicating Authority and would be listed on 08 July 2022 along with the Plan Approval Application.

The members are further apprised that in terms of the provisions of Regulation 15(2A) & (2B) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (the “SEBI LODR Regulations or Listing Regulations 2015”), provisions of Regulation 17,18,19,20 and 21 are not applicable to the Company during insolvency resolution process period. Further, this Corporate Governance Report has been prepared by the Resolution Professional on the best efforts basis based on whatever information available and provided to him since the Company is under IBC and most of the employees has left the organization.

Sir,

We have examined the compliance of conditions of applicable statutory provisions and the adherence to the good Corporate Governance practices by **Educomp Solutions Limited** ("the Company") on the basis of limited information and documents available, for the financial year ended March 31, 2019 as stipulated under Regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) and Para C, D and E of Schedule V to the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations").

Please take note that pursuant to an order passed by the Hon'ble National Company Law Tribunal, Principal Bench ("NCLT") on May 30, 2017 for the initiation of Corporate Insolvency Resolution Process ("CIRP") of the Company as per the provision of the Insolvency and Bankruptcy Code, 2016 ("Code"), NCLT vide its order dated September 12, 2017 appointed Mr. Mahendrer Khandelwal having IP Registration No IBBI/IPA-001/IP-P00033/2016-17/10086 as Resolution Professional ("RP") of the Company. As per the provision of the section 17 and 18 of the Code, the powers of the Board of Directors and the Management of the Company stands remain suspended from the date of initiation of the CIRP and vest with the RP.

The compliance of conditions of Corporate Governance is the responsibility of the management / RP of the Company. Our examination was limited to procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company. Further, since the Company is in CIRP, this certificate is being issued on the request of Resolution Professional and on the basis of very limited information/documents provided.

In our opinion and to the best of our information and according to the explanations given to us, *we hereby certify that the company has not during the period covering the financial year ended on 31st March, 2019, properly complied with the statutory provisions of the SEBI (LODR) 2015 listed hereunder, in the manner and subject to the reporting made hereinafter-*

i. As per sub-regulation 2A & 2B of Regulation 15 of SEBI (LODR) Regulation 2015, Regulation 17, 18, 19, 20 and 21 of the SEBI (LODR) 2015 were not applicable during the insolvency resolution process. The powers, role and responsibilities of Board of Directors and committees thereof remain suspended from the date of commencement of CIRP. The powers, role and responsibilities of the Board of Directors & Committees thereof specified in the respective regulations were fulfilled by the aforesaid Resolution Professional in respect of the *conditions of Corporate Governance as stipulated under Regulations 17 to 27 and clauses (b) to (i) of Regulation 46(2) and Para C, D and E of Schedule V to the Listing Regulations except the following:*

INDEPENDENT AUDITOR'S REPORT**To the Members of Educomp Solutions Limited****Report on the Audit of the Standalone Ind AS Financial Statements****Adverse Opinion**

We have audited the accompanying Standalone Ind AS Financial Statements of **Educomp Solutions Limited** ("the Company"), which comprise the Balance Sheet as at March 31, 2019, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the Standalone Ind AS Financial Statements including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "Standalone Ind AS Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, because of the significance of the matters discussed in the Basis for Adverse Opinion section of our report, the aforesaid Standalone Ind AS Financial Statements do not give the information required by the Companies Act, 2013 ("the Act") in the manner so required and also do not give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards ("Ind AS") prescribed under section 133 of the Act, of the state of affairs of the Company as at March 31, 2019, its loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Adverse Opinion

1. As mentioned in note 3.2 to the Standalone Ind AS Financial Statements, the Management did not conduct physical verification of Property, plant and equipment at certain locations having a net carrying value of Rs. 11.08 million as at March 31, 2019. In absence of the same, we are unable to comment over existence, valuation and the extent of the adjustment, if any, required in respect of these assets as at March 31, 2019 and the resultant possible impact of the same on the loss for the year ended on that date and on the equity as on that date.
2. The Company has not evaluated impairment on its Knowledge Based Content (Other Intangible Assets) having a net block of Rs. 28.91 million (Gross block Rs. 831.85 million, net of accumulated amortization and impairment of Rs. 802.94 million) as at March 31, 2019. In absence of such assessment, we are unable to comment upon the appropriateness of the carrying amount of such asset as at March 31, 2019 and possible impact of the same on the loss for the year ended on that date and on the equity as on that date.
3. As regards trade receivable amounting Rs. 2,261.41 million (net of accumulated loss allowance of Rs. 13,840.65 million) as on March 31, 2019, the management is of the view that the same are good and fully recoverable in due course and hence no further loss allowance is required. Out of the above, trade receivables only to the extent of Rs. 294.25 million have subsequently been realized by the Company till September 30, 2021. In absence of appropriate audit evidences including balance confirmations, correspondences from parties and details of subsequent realization post September 30, 2021, we are unable to comment on the recoverability of balance outstanding trade receivables of Rs. 1,967.16 million and the possible impact of the same on the loss for the year ended March 31, 2019 and on the equity as on that date.
4. As mentioned in Note 25.2 to the Standalone Ind AS Financial Statements, the Company follows Expected Credit Loss (ECL) model for measuring impairment loss allowance of its trade receivables. The ECL allowance or loss rate is computed based on a provision matrix which takes into account historical credit loss experience. However, for the computed loss rate as mentioned in Note 25.2 to the Standalone Ind AS Financial Statements, we have not been provided with any underlying workings of such loss rate computed by the Company.

Further, the Company has not taken effect of aforesaid loss rate in computation of impairment loss allowance, if any on trade receivables over and above the existing provision in the books of account. In absence of relevant workings and other details, we are unable to comment on the appropriateness of the loss rate and the possible impact of not considering the effect of the loss rate in impairment loss allowance on the trade receivables balance as at March 31, 2019 and the loss for the year ended on that date and on the equity as on that date.

5. We have neither got the direct confirmations nor provided with the statements for borrowings from banks and financial institutions amounting to Rs. 11,928.44 million as at March 31, 2019. In absence of sufficient appropriate audit evidence, we are unable to determine any possible impact thereof on the loss for the year ended 31 March 2019 and on the balance of borrowings and equity as at March 31, 2019.
6. Balance in borrowings account amounting Rs. 1,003.99 million (other than those mentioned in paragraph '5' above) as at March 31, 2019 is subject to direct confirmations. Further, in case of borrowings amounting to Rs. 11,594.77 million wherein we have received confirmations, there are differences amounting Rs. 104.83 million (short in books of accounts) between the amounts reported in the confirmations received and the amounts recorded in the Standalone Ind AS Financial Statements. In absence of reconciliations and other alternative audit evidences, we are unable to comment on any possible impact thereof on the loss for the year ended March 31, 2019 and balance of such borrowings and equity as on that date.
7. As mentioned in note 12.4 to the Standalone Ind AS Financial Statements, the Company has not accrued interest on borrowing post May 30, 2017, being Corporate Insolvency Resolution Process ("CIRP") commencement date. The amount of such interest not accrued is estimated to be Rs. 2,813.66 million for the year and Rs.4,981.49 million till March 31, 2019. This has resulted in understatement of financial liabilities by Rs.4,981.49 million as at March 31, 2019; understatement of loss for the year by Rs. 2,813.66 million and overstatement of equity by Rs. 4,981.49 million as on that date.
8. The Company has not determined the provision for penal interest for defaults on borrowings as per the contractual terms of the underlying agreements. In absence of such assessment, we are unable to comment on the possible impact thereof on the loss for the year ended March 31, 2019 and on the balance of borrowings and equity as on that date.
9. As disclosed in Note 38 to the Standalone Ind AS Financial Statements, as per the Insolvency Code, the RP has received, verified and admitted the claims submitted by the creditors (Operational and Financial), employees and workmen of the Company aggregating to Rs. 30,437.72 million till May 30, 2017. These claims have been taken into cognizance by Committee of the Creditors (CoC) in its 12th meeting held on February 17, 2018, while approving the Resolution Plan of the Company. The details of such claims have been disclosed in the said note. As represented by the Management/RP, pending approval of the Resolution Plan by Hon'ble NCLT, a reconciliation of the admitted claims vis-à-vis liabilities outstanding as at March 31, 2019 has not been prepared and any impact thereof has not been considered in the preparation of these Standalone Ind AS Financial Statements as at and for the year ended March 31, 2019.

In absence of the above, we are unable to comment upon appropriateness of carrying value of such liabilities as at March 31, 2019 and any possible impact of the same on the loss for the year ended on that date and equity as at that date.

10. As disclosed in Note 29 to the Standalone Ind AS Financial Statements, financial guarantees aggregating Rs. 11,621.69 were issued to banks on behalf of its subsidiaries. As per Ind AS 109 "Financial Instruments", the said financial guarantees are required to be initially measured at fair value and subsequently measured at the higher of (i) the amount of loss allowance in accordance with Expected Credit Loss ("ECL") method and (ii) amount initially recognized less cumulative amount of income recognized in income statement. However, no measurement of financial guarantees at fair value and estimation of loss allowances in accordance with ECL method were performed during the year. In absence of such measurement, we are

unable to comment on the resultant impact thereof on the loss for the year ended March 31, 2019 and corresponding liability and equity as on that date.

11. As explained in Note 35 to the Standalone Ind AS Financial Statements regarding managerial remuneration paid to one of the whole time directors of the Company during the quarter ended June 30, 2015 and during the year ended March 31, 2015 in non-compliance with the requirements of Section 197 and Section 198 read with Schedule V to the Companies Act, 2013, and paid during the year ended March 31, 2014 in non-compliance with the requirements of Section 198, Section 269 and Section 309 read with Schedule XIII to the Companies Act, 1956, for which the Central Government's approval is yet to be obtained.
12. As disclosed in Note 39 to the Standalone Ind AS Financial Statements, the Company is currently subjected to the investigations by Serious Fraud Investigation Office (SFIO) and the Central Bureau of Investigation (CBI). As further explained to us, certain information have been requested by them from the Company and the investigations are currently underway and the Company is yet to get any orders or directions in this respect from the said Authorities till the date of signing this report. In absence of pending final outcome of the investigations, we are unable to comment on the consequential impact of these matters on these Standalone Ind AS Financial Statements as at and for the year ended March 31, 2019.
13. As disclosed in Note 40 to the Standalone Ind AS Financial Statements, the Company did not have any internal audit conducted during the year as required under section 138 of the Act. The impact of the non-compliance on the accompanying Standalone Ind AS Financial Statements is presently not ascertainable.
14. As disclosed in Note 41 to the Standalone Ind AS Financial Statements, the Company did not have a full time company secretary as on the date of approval of these Standalone Ind AS Financial Statements. Consequently, these standalone Ind AS Financial Statements could not be authenticated by a company secretary ensuring compliance with all applicable provisions of the Act. Also, the impact of this non-compliance on the accompanying Standalone Ind AS Financial Statements is presently not ascertainable.
15. As disclosed in Note 42 to the Standalone Ind AS Financial Statements, these Standalone Ind AS Financial Statements are not approved by the Chief Financial Officer of the Company which is not in compliance with section 134 (1) of the Act. The impact of this non-compliance on the accompanying Standalone Ind AS Financial Statements is presently not ascertainable.
16. As disclosed in Note 43 to the Standalone Ind AS Financial Statements, the Company has not been in compliance with various other provisions of the Companies Act 2013, SEBI LODR Regulations, 2015, RBI circulars and Foreign Exchange Management Act, 1999. The financial or other impact of these non-compliances on these Standalone Ind AS Financial Statements is presently not ascertainable.

We had similarly issued an adverse opinion in our Independent Auditor's Report on the Standalone Ind AS Financial Statements for the year ended March 31, 2018 in respect of all the above matters, except paragraph 2.

We conducted our audit in accordance with Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Ind AS Financial Statements under the provisions of the Act and Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse opinion on the Standalone Ind AS Financial Statements.

Material Uncertainty Related to Going Concern

We draw attention to Note 2A(c) to the Standalone Ind AS Financial Statements, which indicates that the Company

has incurred substantial losses during the year, its net worth has been completely eroded, has defaulted in repayment of its loans and related interest, and has negative working capital. Further, currently the Company is under the CIRP process. These conditions indicate that a material uncertainty exists that may cast significant doubt about the Company's ability to continue as a going concern. However, these Standalone Ind AS Financial Statements have been prepared on a going concern basis as the management is of the view that the Company has been able to discharge its operational liabilities from its internal accrual of funds till the date of this balance sheet and is also confident that the Company is having sufficient fund balance to continue as going concern as stated in the said note.

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Ind AS Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Except for the matters described in the Basis for Adverse Opinion section and Material Uncertainty Related to Going Concern section, we have determined that there are no other key audit matters to communicate in our report.

Emphasis of Matter

We draw attention to the following matters in the notes to the Standalone Ind AS Financial Statements:

- a) Note 2A(a) to the Standalone Ind AS Financial Statements, wherein it is stated that CIRP has been initiated in case of the Company vide an order of the principal bench of the NCLT dated May 30, 2017 under the provisions of the Insolvency Code. Pursuant to the order, the management of the affairs of the Company and powers of board of directors of the Company are now vested with the Resolution Professional (RP), who is appointed by the CoC. Accordingly, these Standalone Ind AS Financial Statements have been prepared and approved by the RP.
- b) Note 29 and note 1(c) to the Standalone Ind AS Financial Statements, considering the moratorium period, status of Contingent liabilities has been updated only uptill the date of approval of insolvency application of the Company under the Insolvency Code i.e. till May 30, 2017.

Our opinion is not modified in respect of these matters.

Other Information

In view of ongoing CIRP, the Resolution Professional (RP) is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report, Report on Corporate Governance and Annexures to Board's Report, but does not include the Standalone Ind AS Financial Statements, Consolidated Ind AS Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Ind AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Board's Report, Report on Corporate Governance and Annexures to Board's Report are not made available to us as at the date of this auditor's report. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Ind AS Financial Statements

The Resolution Professional of the Company, Mr. Mahender Khandelwal ("RP") appointed by the Committee of Creditors ("CoC") pursuant to the order passed by the Hon'ble National Company Law Tribunal ("NCLT"), with whom

the management of the affairs of the Company and the powers of the Board of Directors of the Company are now vested after the commencement of CIRP w.e.f. May 30, 2017 under the provisions of Insolvency & Bankruptcy Code, 2016 ("Insolvency Code"), are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these Standalone Ind AS Financial Statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including Ind AS specified under section 133 of the Act, read with relevant rules issued thereunder. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Further, as per Section 134 of the Act, the Standalone Ind AS Financial Statements of a company is required to be authenticated by the Chairperson of the Board of Directors, where authorised by the Board or at least two Directors, of which one shall be the Managing Director or the CEO (being a Director), the CFO and the Company Secretary where they are appointed. In view of the pendency of CIRP, as per the Insolvency Code, and pursuant to the order passed by the Hon'ble NCLT, the powers of the Board of Directors are now vested with the RP. Accordingly, these Standalone Ind AS Financial Statements are approved by the RP [refer note 2A(a) of the Standalone Ind AS Financial Statements and paragraph (a) under Emphasis of Matter].

In preparing the Standalone Ind AS Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this Standalone Ind AS Financial Statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls with reference to Standalone Ind AS Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Company's Directors/management/RP (refer note 2A(a) of the Standalone Ind AS Financial Statements and paragraph "(a)" under Emphasis of Matter paragraph).

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Ind AS Financial Statements, including the disclosures, and whether the Standalone Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Ind AS Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

- (1) As required by the Companies (Auditor's Report) Order, 2016 ("the Order") issued by the Central Government of India in terms of section 143(11) of the Act, we give in "Annexure 1", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
- (2) As required by section 143(3) of the Act, we report that:
 - a. We have sought and except for the matters described in the Basis for Adverse Opinion section of our report, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - b. Except for the possible effects of the matters described in the Basis for Adverse Opinion section of our report, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c. The Balance Sheet, the Statement of Profit and Loss, the Statement of Changes in Equity and the Statement of Cash Flows dealt with by this report are in agreement with the books of account;
 - d. Except for the possible effects of the matters described in the Basis for Adverse Opinion section of our report, in our opinion, the aforesaid Standalone Ind AS Financial Statements comply with the Indian Accounting Standards specified under section 133 of the Act read with relevant rules issued thereunder;
 - e. The matters described under the Basis for Adverse Opinion and Material Uncertainty Related to Going Concern section of our report, in our opinion, may have an adverse effect on the functioning of the Company;

- f. We have not received written representation from none of the director of the company as on March 31, 2019. In the absence of written representation received, we are unable to comment whether the director is disqualified as on March 31, 2019 from being appointed as a director in terms of section 164(2) of the Act.
- g. The qualification/reservation/adverse remarks relating to the maintenance of accounts and other matters connected therewith are as stated in the Basis for Adverse Opinion section of our report.
- h. With respect to the adequacy of the internal financial controls with reference to Standalone Ind AS Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate report in "Annexure 2". Our report expresses a Disclaimer of Opinion on the Company's internal financial controls with reference to Standalone Ind AS Financial Statements for the reasons stated therein;
- j. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended;

In our opinion and to the best of our information and according to the explanations given to us, no remuneration has been paid by the Company to its directors during the year and accordingly the provisions of section 197 of the Act are not applicable.

- k. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i. Except for the matters described in the Basis for Adverse Opinion paragraph above, the Company has disclosed the impact of pending litigations on its financial position in its Standalone Ind AS Financial Statements – Refer Note 29 to the Standalone Ind AS Financial Statements. Also refer paragraph "(b)" under Emphasis of Matter paragraph on Contingent Liabilities;
 - ii. Except for the possible effects of matters described under Basis of Adverse Opinion paragraph, the Company has made provision, as required under the applicable law or accounting standards, for material foreseeable losses, if any, on long-term contracts and derivative contracts if any; and
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE 1 TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the members of Educomp Solutions Limited on the Standalone Ind AS Financial Statements for the year ended March 31, 2019]

- (i) a) The Company has not maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- b) During the year, the fixed assets of the Company have not been physically verified by the management and hence, we cannot comment on material discrepancies existing, if any.
- c) The title deeds of immovable properties recorded as fixed assets in the books of account of the Company are held in the name of the Company, except the below:

Land/Building	Total number of cases	Leasehold/ Freehold	Gross Block as on March 31, 2019 (In Rs. millions)	Net Block as on March 31, 2019 (In Rs.millions)
Land at Gujarat	1	Freehold land	0.70	0.70

- (ii) The inventory has been physically verified by the management during the year. In our opinion, the frequency of verification is reasonable. As informed, no material discrepancies were noticed on physical verification carried out during the year.
- (iii) During the year, the Company has not granted any loans, secured or unsecured to companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Act. Accordingly, paragraph 3 (iii)(a), 3 (iii)(b) and 3 (iii)(c) of the Order are not applicable to the Company.
- (iv) In respect of loans, investments, guarantees, and securities, the Company has complied with the provisions of Section 185 and 186 of the Act, except as detailed below:

Nature of non-compliance	Name of Company/party	Amount granted during the year	Balance as at March 31, 2019
Interest free Loan given*	Edu Smart Services Private Limited (ESSPL)	Nil	Rs. 258.19 million

*Being amount recoverable from ESSPL on invocation of guarantee.

- (v) In our opinion, the Company has not accepted any deposits from the public within the provisions of Sections 73 to 76 of the Act and the rules framed there under. Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- (vi) The maintenance of cost records has been specified by the Central Government under sub-section (1) of section 148 of the Act and rules thereunder. We have broadly reviewed such records and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- (vii) (a) The Company is generally regular in depositing with appropriate authorities, undisputed statutory dues in respect of provident fund, employees' state insurance, income tax, sales tax, service tax, value added tax, customs duty, excise duty, cess and other material statutory dues applicable to it though there have been slight delays in few cases. However, the Company has not been regular in depositing the undisputed statutory dues in respect of goods and service tax (GST) and the delays in deposit have been serious.

No undisputed amounts payable in respect of provident fund, employees' state insurance, income tax, sales tax, service tax, GST customs duty, excise duty, cess and any other material statutory dues applicable to it were outstanding, at the year end, for a period of more than six months from the date they became payable.

However, undisputed dues in respect of value added tax which were outstanding, at the year-end for a period of more than six months from the date they became payable are as follows:

Name of the statute	Nature of the dues	Amount	Period to which the amount relates	Due Date	Date of Payment
Punjab Value Added Tax Act, 2005 (PVAT)	Works Contract Tax	Rs. 0.83 million	FY 16-17	Various	Not paid

- (b) There are no dues outstanding with respect to, income tax, sales tax, service tax, value added tax, GST, customs duty or excise duty on account of any dispute except the details below:

EDUCOMP SOLUTIONS LIMITED

Name of the statute	Nature of the dues	Amount Disputed	Amount paid under protest	Period to which the amount relates	Forum where dispute is pending
Bihar Value Added Tax Act, 2005 (BVAT)	Central Sales Tax	Rs. 0.34 million	Rs. 0.07 million	FY 11-12	The Assistant Commissioner of Commercial taxes, Patna

(viii) The Company has defaulted in repayment of loans or borrowings to financial institutions, banks and dues to debenture holders as per details set out in Appendix "A" attached herewith. The amounts of defaults stated in the Appendix are as per contractual terms. The Company has not taken any loan or borrowing from the governments.

Refer our matters stated in our "Independent Auditor's Report - Basis of adverse opinion" paragraph "(5)" wherein we have not been able to obtain bank statement or direct confirmation, paragraph "(6)" wherein we have not been able to get confirmations of borrowing accounts and wherein we have received confirmations, there are reconciliation differences and paragraph "(9)" with regards to the claims received by the RP which are in process. In reference to the same we are unable to comment on the possible impact of such matters on the defaults as reported under this clause.

(ix) The Company has neither raised money by way of public issue offer nor has obtained any term loans during the year. Therefore, paragraph 3(ix) of the Order is not applicable to the Company.

(x) Based on the information and explanations provided to us by the Management, the Company is currently subjected to the investigations by Serious Fraud Investigation Office (SFIO) and the Central Bureau of Investigation (CBI). As further explained to us, certain information have been requested by them from the Company and the investigations are currently underway and the Company is yet to get any orders or directions in this respect from the said Authorities till the date of signing this report.

(xi) No managerial remuneration has been paid / provided by the Company during the current year. Accordingly, paragraph 3(xi) of the Order is not applicable to the Company.

Also refer our comment in paragraph 11 of the "Independent Auditors Report - Basis of adverse opinion" regarding managerial remuneration paid to one of the whole time director of the Company during the quarter ended June 30, 2015, year ended March 31, 2015 and year ended March 31, 2014 for which Central Government's approval is yet to be obtained by the Company.

(xii) In our opinion, the Company is not a Nidhi Company. Therefore, paragraph 3(xii) of the Order is not applicable to the Company.

(xiii) The transactions with the related parties during the year were not approved by the Audit Committee as required under section 177 of the Act as the Company did not have an audit committee during the year. Also refer our comment in paragraph 16 of the "Independent Auditors Report - Basis of adverse opinion" regarding non-compliance of various other provisions of the Companies Act 2013.

In our opinion and based on the information and explanations provided to us by the Management, the details have been disclosed in the Standalone Ind AS Financial Statements etc., as required by the applicable accounting standards.

(xiv) The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Therefore, paragraph 3(xiv) of the Order is not applicable to the Company.

(xv) The Company has not entered into any non-cash transactions with directors or persons connected with him during the year.

(xvi) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.

ANNEXURE 2 TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph 2(h) under 'Report on Other Legal and Regulatory Requirements' in the Independent Auditor's Report of even date to the members of Educomp Solutions Limited on the standalone Ind AS financial statements for the year ended March 31, 2019]

Report on the Internal Financial Controls with reference to Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We were engaged to audit the internal financial controls with reference to financial statements of **Educomp Solutions Limited** ("the Company") as of March 31, 2019 in conjunction with our audit of the standalone Ind AS financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to financial statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the ICAI.

Because of the matter described in Disclaimer of Opinion paragraph below, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Disclaimer of Opinion

According to the information and explanation given to us, the Company has not established its internal financial

controls with reference to financial statements on criteria based on or considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Because of this reason, we are unable to obtain sufficient appropriate audit evidence to provide a basis for our opinion whether the Company had adequate internal financial controls with reference to financial statements and whether such internal financial controls were operating effectively as at March 31, 2019.

We have considered the disclaimer reported above in determining the nature, timing, and extent of audit tests applied in our audit of the standalone Ind AS financial statements of the Company, and the disclaimer does not affect our opinion on the standalone Ind AS financial statements of the Company.

Notes to the Standalone Ind AS Financial Statements for the year ended March 31, 2019
1. Background

(a) Educomp Solutions Limited (the Company) was founded in September, 1994. The Company is engaged in providing end-to-end solutions in the education technology domain through licensing of digital content, solutions for bridging the digital divide (a government initiative to enhance computer literacy), professional development and retail & consulting initiatives. The Company's business can be categorized into four strategic business units namely School Learning Solutions (comprising of Smart Class & Edureach (ICT) business), K-12 Schools (comprising preschools & high schools), Higher Learning Solutions (comprising of vocational, higher education and professional development) and Online, Supplemental & Global business (comprising of internet based educational services and coaching) spreading education ecosystem. The Company is listed on the BSE and the NSE Stock Exchanges.

(b) On May 30, 2017, the Company's application for Corporate Insolvency Resolution Process ("CIRP") under the provisions of Insolvency & Bankruptcy Code, 2016 ("IBC"), has been approved by the Hon'ble National Company Law Tribunal ("NCLT"), and accordingly CIRP proceedings have been initiated (for details refer note 2(a)). As per the provisions of the IBC, under CIRP, the RP is required to manage the operations of the Company as a going concern and accordingly, a resolution plan needs to be presented to and approved by the Committee of Creditors ("CoC") by a requisite majority (as per applicable provisions of the IBC at that time), and thereafter submission of the duly approved Resolution Plan to the Hon'ble NCLT for its approval.

Pursuant to initiation of CIRP, Ebix Singapore Pte. Ltd., submitted the resolution plan which was approved by the CoC consisting of all bankers of the Company on February 17, 2018 and accordingly the same was submitted with Hon'ble NCLT on March 07, 2018.

Subsequently, Ebix filed an application under Section 60(5) of IBC seeking withdrawal of its Resolution Plan. After multiple hearings, the application seeking withdrawal of Ebix's resolution plan was listed before the Principal Bench, the Hon'ble NCLT for the pronouncement of order on January 02, 2020. Vide Order dated January 02, 2020 passed by the Hon'ble NCLT, the withdrawal application of Ebix was allowed to the extent of granting leave to Resolution Applicant to withdraw the Resolution Plan pending approval u/s 30(6) before the Hon'ble NCLT with cost of Rs. 1 lakh to be paid by the Resolution Applicant into the corpus of the Corporate Debtor. Further, the Hon'ble NCLT, vide the same order, also granted 90 days-time commencing from November 16, 2019 to the RP and CoC to seek/expedite the possibility of achieving resolution of the stressed assets of the Corporate Debtor within such time of 90 days. Thereafter, the Hon'ble NCLT vide its Order dated January 03, 2020, dismissed the approval application as infructuous as a consequence of its order dated January 02, 2020 which allowed the withdrawal of the Resolution Plan by Ebix.

Thereafter, after discussions and deliberation in the CoC meetings, an appeal under Section 61 of Insolvency and Bankruptcy Code, 2016 against the Order of the Hon'ble NCLT dated January 02, 2020 (allowing withdrawal of Resolution Plan) and Order dated January 03, 2020 was filed with the Hon'ble National Company Law Appellate Tribunal ("NCLAT") by CoC's legal Counsel. Multiple hearings took place in the Hon'ble NCLAT in the said matter. Further, due to lockdowns imposed by government authorities in view of the prevailing situation due to Covid-19, the Courts remained suspended till the month of May, 2020. The appeal was heard by the Hon'ble NCLAT on June 15, 2020 wherein the arguments made by CoC Counsel were heard in part and thereafter, the matter was adjourned to June 22, 2020 wherein the remaining submissions were made by the respective parties. On July 29, 2020, the appeal filed by CoC was listed before Hon'ble NCLAT for the pronouncement of order. The Hon'ble NCLAT has allowed the appeal and has set aside the Hon'ble NCLT order dated January 02, 2020 vide CA No. 1816(PB)/2019 in C.P.(IB)No. 101(PB) 2017.

Notes to the Standalone Ind AS Financial Statements for the year ended March 31, 2019

Thereafter, Ebix challenged the NCLAT's final order and judgment dated July 29, 2020 before the Hon'ble Supreme Court of India by way of a civil appeal.

The question of law involved in Ebix's appeal is "Whether the withdrawal of Resolution Plan is permitted after it has been approved by the CoC". Considering the issues similar to those involved in Ebix's Appeal have also been raised in the matters of Gujarat Urja Vikas Nigam Ltd vs. Amit Gupta and Ors. (Civil Appeal No. 9241 of 2020) and Kundan Care Products Limited vs. Amit Gupta (Civil Appeal No. 3560 of 2020), all the three matters have been kept together for hearing. The Gujarat Urja Vikas Nigam Ltd. matter was being heard first and arguments in the said matter (to be followed by the other two matters) which were part-heard as on February 03, 2021, February 04, 2021 and February 9, 2021. Subsequently, on February 10, 2021, the Hon'ble Court heard the Gujarat Urja Vikas Nigam Ltd. matter and wherein the order was pronounced on March 08, 2021 in the Gujarat Urja matter. Later, the Hon'ble Supreme Court vide order dated September 13, 2021, dismissed the civil appeal preferred by Ebix.

The second appeal was further listed before the Hon'ble NCLT's, Principal Bench at New Delhi ("Bench") on January 25, 2021 and the Hon'ble Bench reserved the Second appeal for orders.

The CoC's Appeal bearing No. 587 of 2020 assailing NCLT's order dated January 3, 2020 (in IA 195 of 2018) was further listed for pronouncement of the judgment before the Hon'ble National Company Law Appellate Tribunal, Bench-III at New Delhi ("Bench") on November 12, 2021 allowing the CoC's appeal and setting aside the Impugned Order. The Hon'ble Bench also directed the Adjudicating Authority to restore CA No. 195(PB)/2018 and proceed in accordance with law.

On November 29, 2021, an application for the restoration of Plan Approval Application has been filed by before the NCLT, Principal Bench at New Delhi. The Restoration Application has been registered as RA 39 of 2021 and the case is listed for March 15, 2022.

The Ebix, on January 20, 2022, has also filed an interim application before the Hon'ble NCLT's Bench seeking certain information from the RP for which the next date of hearing is scheduled on February 14, 2022.

(c) Moratorium period

The Hon'ble NCLT vide its letter dated May 30, 2017 has declared the moratorium period as per the provision of section 13 (1) (a) of the Insolvency and Bankruptcy Code, 2016 ("Insolvency Code") which is further extended to February 24, 2018. As the Resolution Plan is under consideration by Hon'ble NCLT therefore the moratorium period continue to be in effect till conclusion of the CIRP process.

As per section 14 of the IBC, under the moratorium period, the Company ("Corporate debtor") is prohibited for the following activities:

(a) the institution of suits or continuation of pending suits or proceedings against the corporate debtor including execution of any judgment, decree or order in any court of law, tribunal, arbitration panel or other authority; (b) transferring, encumbering, alienating or disposing of by the corporate debtor any of its assets or any legal right or beneficial interest therein; (c) any action to foreclose, recover or enforce any security interest created by the corporate debtor in respect of its property including any action under the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002; (d) the recovery of any property by an owner or lessor where such property is occupied by or in the possession of the corporate debtor.

2A. Basis for preparation**(a) Statement of compliance**

The standalone Ind AS financial statements (“financial statements”) of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, (“the Act”) and other relevant provisions of the Act.

These financial statements for the year ended 31 March 2019 are the financial statements that are prepared in accordance with Ind AS.

A corporate insolvency resolution process (“CIRP”) has been initiated in case of the Company vide an Order of the Principal Bench of the National Company Law Tribunal (“NCLT”) dated May 30, 2017 under the provisions of the Insolvency Code. (for details refer note 1(b)). Pursuant to the Order, the management of the affairs of the Company and powers of board of directors of the Company are now vested with the Resolution Professional (“RP”), who is appointed by the Committee of Creditors (“CoC”). These standalone financial statements for the year ended March 31, 2019 have been prepared by the RP and his team. In view of the legal opinion received by the RP from a legal firm, the Financial Statements have been approved by the RP and presented to the auditors for their report thereon. The relevant extract of the opinion given by the legal firm is reproduced below:

“..... the RP in the present matter may sign the financial statements of the Corporate Debtor in terms of the provisions of the Code, Companies Act, 2013 and the Circular. However, we suggest that a disclaimer be inserted by the RP while signing the financial statements of the Corporate Debtor expressly stating that since the powers of the board of directors have been suspended and there is no CFO or Company Secretary appointed by the Corporate Debtor, therefore, the financial statements are being prepared and signed by the RP in terms of his duties as envisaged under Section 17 of the Code. “

The erstwhile CMD Mr Shantanu Prakash has also sought an opinion from DSK Legal which is reproduced below:

“As regards signing the financial statements, it is pertinent to note that the financial statements are signed **“on behalf of the Board of Directors”**. Since, during a CIRP, the Board of Directors stands suspended, therefore, there can be no signing on behalf of the board of directors. However, the RP being vested with the powers of the Board of Directors can himself sign the financial statements of the Corporate Debtor “

In view of the above opinion, and the fact that the Company Secretary and of the Company is not in place on the date of signing of these Financial Statements, the RP has relied upon the assistance provided by the members of the erstwhile board of directors and the employees of the Company, and certification, representation and statements made by the erstwhile management of the Company in relation to preparation of these financial statements.

Accordingly, these standalone financial statements of the Company for the year ended March 31, 2019 have been approved by the RP on February 11, 2022 on the basis of and relying on the aforesaid certifications, representations and statements of the erstwhile management of the Company.

(b) Historical cost convention

The financial statements have been prepared under the historical cost convention on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below.

(c) The Company, has incurred substantial losses, its net worth has been completely eroded, has defaulted in repayment of its loans and related interest, has negative working capital and has applied under the IBC for CIRP. All these conditions has raised substantial doubt about the Company's ability to continue as a going concern.

The management is of the view that the Company has been able to fund its operational liabilities from its internal accrual of funds till the date of this balance sheet and is also confident that the Company would have sufficient fund balance to continue as going concern. Further, the management is also confident to agree on a resolution plan/business revival plan for the Company during this ongoing CIRP process. Accordingly, the financial statements have been prepared on a going concern basis and do not include any adjustments relating to the recoverability and classification of recorded assets, or to amounts and classification of liabilities that may be necessary if the entity is unable to continue as a going concern.

(d) Functional currency:

The financial statements are presented in Indian Rupees (INR), which is also the functional currency of the Company as functional currency is the currency of the primary economic environment in which the entity operates.

(e) Rounding off

All the amounts have been rounded off to nearest millions or decimal thereof, unless otherwise indicated. The sign '0.00' in these financial statements indicates that the amounts involved are below INR ten thousand and the sign '-' indicates that amounts are nil.

(f) Current/Non-current classification of assets/liabilities

All assets and liabilities have been classified as current or non-current as per the criteria set out in the Schedule III to the Companies Act, 2013. The Company has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities.

2B. Summary of significant accounting policies

a) Segment reporting

Identification of segments:

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The Company's operating businesses are organized and managed separately in according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Company operate.

The board of directors of the Company through RP assesses the financial performance and position of the Company, and makes strategic decisions. The RP been identified as being the chief operating decision maker.

Intersegment transfers:

The Company generally accounts for intersegment sales and transfers at cost plus appropriate margins.

Allocation of common cost

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

Unallocated items

Unallocated items include general corporate income and expense items which are not allocated to any business segment and include interest expense and income tax.

Segment accounting policy

The Company prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the company as a whole.

b) Property, Plant and Equipment

Freehold land is carried at historical cost. Other property, plant and equipment are stated at cost of acquisition net of recoverable taxes (wherever applicable), less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price and any cost attributable to bringing the assets to its working condition for its intended use.

Where cost of a part of the asset is significant to the total cost of the asset and the useful life of the part is different from the remaining asset, then useful life of that part is determined separately and accounted as separate component.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the statement of profit and loss during the reporting period in which they are incurred.

Losses arising from the retirement of, and gain or losses arising from disposal of tangible asset are determined as the difference between the net disposal proceeds and the carrying amount of asset and recognised as income or expense in the Statement of Profit and Loss.

c) Intangible assets

An intangible asset is recognized, where it is probable that the future economic benefits attributable to the asset will flow to the enterprise and where its cost can be reliably measured.

Cost of an internally generated asset comprises of all expenditure that can be directly attributed, or allocated on a reasonable and consistent basis, to create, produce and make the asset ready for its intended use.

Losses arising from the retirement of, and gain or losses arising from disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of asset and recognised as income or expense in the Statement of Profit and Loss.

Intangible assets are stated at cost of acquisition less accumulated amortization and impairment loss.

d) Capital work-in-progress

Capital work-in-progress represents expenditure incurred in respect of capital projects are carried at cost. Cost includes related acquisition expenses, development costs, borrowing costs (wherever applicable) and other direct expenditure.

e) Depreciation and amortization methods, estimated useful lives and residual value

Depreciation on all property, plant and equipment is charged to the statement of profit and loss on a straight line basis, except certain items of PPE which are depreciated using diminishing basis. The depreciation is charged upto 95% of the total cost of the asset over the useful life of assets as estimated by the management.

Pursuant to the notification of Schedule II of the Companies Act, 2013, by the Ministry of Corporate Affairs, effective 1 April 2014, the management has reassessed and revised, wherever necessary, the useful lives of the assets, so as to align them with the ones prescribed under schedule II of the Companies Act, 2013.

Management reviews the method and estimations of residual values at each financial yearend.

The useful lives estimated by the management are as follows:

Particulars	Useful life (years)
Building*	60
Furniture and fixtures	5-10
Office equipment	5
Vehicle	8
Computer equipment	3
Computer software	6

*The Management has assessed the estimate of useful life of the Electrical and External work 24 year and 15 year respectively.

Depreciation on addition to PPE is provided on pro-rata basis from the date the assets are ready to use. Depreciation on sale / deduction from assets is provided for upto the date of sale, deduction, discernment as the case may be.

Cost of leasehold improvements depreciation on a straight line basis over the period of lease or useful life of the underlying assets, whichever is shorter.

Amortization on the intangible assets is provided on pro-rata basis on straight-line method based on management's estimate of useful life, i.e. 3 years for software and 4 years for knowledge-based content. Licensed intangible assets are amortised over the period of license or expected useful life, whichever is shorter.

Depreciation and amortization methods, useful lives and residual values are reviewed at the end of each reporting period and adjusted if appropriate.

f) Revenue recognition

Effective April 1, 2018, the Company has applied Ind AS 115 which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognized. The Standard requires apportioning revenue earned from contracts to individual promises, or performance obligations, on a relative stand-alone selling price basis, using a five step model. Ind AS 115 replaces Ind AS 18 Revenue and Ind AS 11 Construction Contract. The Company has adopted Ind AS 115 using the cumulative effect method. The effect of initially applying this standard is recognized at the date of initial application (i.e. April 1, 2018) and the comparative information in the statement of profit and loss is not restated – i.e. the comparative information continues to be reported under Ind AS 18.

Refer note 2B(f) – Significant accounting policies – Revenue recognition in the Annual report of the Company for the year ended March 31, 2018, for the revenue recognition policy as per Ind AS 18.

Revenue is recognised to the extent that it is probable that the economic benefit will flow to the company and revenue can be reliably measured.

The Company derives its revenue from sale, supply and installation of educational products and rendering of educational services.

Revenue from sale of educational products including technology equipments are recognised as and when significant risk and rewards of the ownership of goods get transferred to the buyer.

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of returns, trade allowances, rebates, taxes and amounts collected on behalf of third parties, if any.

Revenue under Build, Own, Operate and Transfer ("BOOT model") contracts is recognized on upfront basis in the statement of profit and loss on the initiation of the contracts. These contracts are considered and evaluated as per Appendix "C" to IND AS 17. Also, refer note 2B.I of the significant accounting policies.

Revenue from educational support services are recognised in the accounting period in which services are rendered.

Interest income

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

g) Investment and other financial assets

g.1. Classification

The Company classifies its financial assets in the following measurement categories:

- i. those to be measured at fair value (either through other comprehensive income, or through profit or loss),
- ii. those measured at amortized cost; and
- iii. Investment in equity of subsidiaries, joint ventures and associates are accounted and carried at cost less impairment in accordance with Ind AS 27.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

g.2. Initial Measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the statement of profit and loss.

g.3. Subsequent Measurement:

g.3.1 Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

Amortised cost:

Assets that are held for collection of contractual cash flows with specified dates and where those cash flows represent solely payments of principal and interest are measured at amortised cost using the effective interest rate method. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in the statement of profit and loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

Fair value through other comprehensive income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the statement of profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to the statement of profit and loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit or loss (FVTPL):

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through statement of profit and loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in the statement of profit and loss and presented net in the statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

g.3.2 Equity instruments

All equity investments in scope of Ind AS 109 are measured at fair value. For equity instruments, the Company may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Company makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Company decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to the Statement of Profit and Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity. Equity instruments included within the FVPL category are measured at fair value with all changes recognised in the Statement of Profit and Loss.

Investments in subsidiaries/ joint ventures/associates

Investments are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments, the difference between net disposal proceeds and the carrying amounts are recognised in the Statement of Profit and Loss.

g.4. Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets

carries at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 25 details how the Company determines whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Company has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

g.5. Derecognition of financial asset

A financial asset is derecognised only when the Company has transferred the rights to receive cash flows from the financial asset or retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

h) Financial Liabilities

Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the statement of profit and loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan.

The fair value of the liability portion of optionally convertible bonds is determined using a market interest rate for equivalent non-convertible bonds. This amount is recorded as a liability on an amortised cost basis until extinguished on conversion or redemption of the bonds. The remainder of the proceeds is attributable to the equity portion of the compound instrument. This is recognised and included in shareholders' equity, net of income tax effects, and not subsequently remeasured.

Borrowings, where there is a change in the terms of the agreements whether monetary, non-monetary or both shall be accounted for as a modification or an extinguishment of the original financial liability and the recognition of a new liability. The difference between the carrying amount of a financial liability (or part of a financial liability) extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, shall be recognised in the statement of profit and loss.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within the operating cycle of the business. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method, if any.

Financial Guarantee Contracts

Financial guarantee contracts issued by the group are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of impairment loss allowance determined as per impairment requirements of Ind-AS 109 and the amount recognised less cumulative amortisation.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit or loss.

i) Inventories

Inventories are valued at cost or net realisable value, whichever is lower. Cost of inventories comprises all cost of purchases inclusive of custom duty (except the refundable component) and other incidental expenses incurred in bringing such inventories to their present location and condition. In determining the cost, moving weighted average cost method is used. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale. The comparison of cost and net realizable value is made on item by item basis.

j) Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

k) Income taxes

Income tax expense for the year comprises of current tax and deferred tax. Income tax is recognized in the Statement of Profit and Loss except to the extent that it relates to items recognized in 'Other comprehensive income' or directly in equity and Regulatory Assets, in which case the tax is recognized in 'Other comprehensive income' or directly in equity, respectively.

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities arising on the temporary differences and to unused tax losses.

Current tax

Calculation of current tax is based on tax rates applicable for the respective years on the basis of tax law enacted or substantially enacted at the end of the reporting period. Current income tax assets and/or liabilities comprise those obligations to, or claims from, fiscal authorities relating to the current or prior reporting periods, that are unpaid/un-recovered at the reporting date. Current tax is payable on taxable

profit, which differs from the profit or loss in the financial statements. Current tax is charged to statement of profit and loss. Provision for current tax is made after taking in to consideration benefits admissible under Income Tax Act, 1961.

Deferred taxes

Deferred income taxes are calculated, without discounting using the balance sheet method on temporary differences between the carrying amounts of assets and liabilities and their tax bases using the tax laws that have been enacted or substantively enacted by the reporting date. However, deferred tax is not provided on the initial recognition of an asset or liability unless the related transaction is a business combination or affects tax or accounting profit. Tax losses available to be carried forward and other income tax credits available to the entity are assessed for recognition as deferred tax assets.

Deferred tax liabilities are always provided for in full. Deferred tax assets are recognised to the extent that it is probable that they will be able to be utilized against future taxable income. Deferred tax arising during the holiday period is not recognised to the extent that the management expects its reversal during holiday period.

Deferred tax assets are recognised to the extent that it is probable that the underlying tax loss or deductible temporary difference will be utilised against future taxable income. This is assessed based on the Company's forecast of future operating income at each reporting date.

Deferred tax assets and liabilities are offset only when the entity has a right and intention to set off current tax assets and liabilities from the same taxation authority.

Minimum Alternative Tax (MAT)

Minimum alternate tax credit entitlement paid in accordance with tax laws, which gives rise to future economic benefit in form of adjustment to future tax liability, is considered as an asset to the extent management estimates its recovery in future years.

I) Leases**Operating lease**

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases.

Where the Company is lessee:

Lease rentals in respect of operating lease arrangements including assets taken on operating lease are recognized as an expense in the Statement of Profit and Loss on straight line basis over the lease term.

Where the Company is lessor:

Lease income on an operating lease arrangement is recognized in the Statement of Profit and Loss on straight line basis over the lease term.

Finance lease**Where the Company is lessee**

Finance leases, which effectively transfer to the Company substantially all the risks and benefits incidental to ownership of the leased item, are capitalized at the inception of the lease term at the lower of the fair value of the leased property and present value of minimum lease payments. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised as finance costs in

the Statement of Profit and Loss. Lease management fees, legal charges and other initial direct costs of lease are capitalised.

A leased asset is depreciated on a straight-line basis over the useful life of the asset as determined by the management or the useful life envisaged in Schedule II to the Act, whichever is lower. However, if there is no reasonable certainty that the Company will obtain the ownership by the end of the lease term, the capitalized asset is depreciated on a straight-line basis over the shorter of the estimated useful life of the asset, the lease term and the useful life envisaged in Schedule II to the Act.

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognised as an expense in the Statement of Profit and Loss on a straight-line basis over the lease term.

Where the Company is the lessor:

Leases in which the Company transfers substantially all the risks and benefits of ownership of the asset are classified as finance leases. Assets given under finance lease are recognised as a receivable at an amount equal to the net investment in the lease. After initial recognition, the Company apportions lease rentals between the principal repayment and interest income so as to achieve a constant periodic rate of return on the net investment outstanding in respect of the finance lease. The interest income is recognised in the Statement of Profit and Loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognised immediately in the Statement of Profit and Loss.

m) Foreign exchange transactions

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of transaction.

Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary item, which are measured in terms of historical cost denomination in a foreign currency, are reported using the exchange rate at the date of transaction. Except for non-monetary items measured at fair value which are translated using the exchange rates at the date when fair value was determined.

Monetary assets and liabilities outstanding as at Balance Sheet date are restated at the rate of exchange ruling at the reporting date.

Exchange difference

Exchange differences arising on the settlement of monetary items or on restatement of the Company's monetary items at rates different from those at which they were initially recorded during the year or reported in previous Financial Statements (other than those relating to fixed assets and other long term monetary assets) are recognised as income or as expenses in the year in which they arise.

n) Impairment of non-financial assets

Assessment for impairment is done at each Balance Sheet date as to whether there is any indication that a non-financial asset may be impaired. Indefinite-life intangibles are subject to a review for impairment annually or more frequently if events or circumstances indicate that it is necessary.

For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or group of

assets is considered as a cash generating unit. Goodwill acquired in a business combination is, from the acquisition date, allocated to each of the company's cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units.

If any indication of impairment exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made. Asset/cash generating unit whose carrying value exceeds their recoverable amount are written down to the recoverable amount by recognizing the impairment loss as an expense in the Statement of Profit and Loss. The impairment loss is allocated first to reduce the carrying amount of any goodwill (if any) allocated to the cash generating unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Recoverable amount is higher of an asset's or cash generating unit's fair value less cost of disposal and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset or cash generating unit and from its disposal at the end of its useful life. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the assets carrying amount does not exceed the carrying amount that would have been determined, net of depreciation and amortization, if no impairment loss had been recognized. An impairment loss recognized for goodwill is not reversed in subsequent periods.

o) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

p) Share-based payment

The Company operates equity-settled share-based remuneration plans for its employees, where persons are rewarded using share-based payments, the fair values of services rendered by employees and others are determined indirectly by reference to the fair value of the equity instruments granted. This fair value is appraised using the Black Scholes model.

In the case of employees and others providing similar services, the fair value is measured at the grant date. In the case of franchisees, consultants and investors the fair value is determined as services are received, using average fair values during each year. The fair value excludes the impact of non-market vesting conditions.

If vesting periods or other vesting conditions apply, the expense is allocated over the vesting period, based on the best available estimate of the number of share options expected to vest. Non-market vesting conditions are included in assumptions about the number of options that are expected to become exercisable.

Upon exercise of share options, the proceeds received up to the nominal value of the shares issued are allocated to share capital with any excess being recorded as additional paid-in capital.

q) Borrowing Cost

Borrowing cost includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings. Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset that necessarily takes a substantial period of time to get ready for its

intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

r) Contingent liabilities, contingent assets and provisions

Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the Financial Statements.

Contingent Assets

Possible inflows of economic benefits to the entity that do not yet meet the recognition criteria of an asset are considered contingent assets.

Provisions

A provision is recognized when the Company has a present obligation or constructive obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

All repairs and maintenance cost of hardware sold under the contracts during the remaining contract period is borne by the Company on the basis of experience of actual cost incurred in servicing such hardware during the previous financial year. Provision are not recognised for future operating losses.

Provisions are discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Where the Company expects some or all of a provision to be reimbursed, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain and the amount of recovery can be measured reliably. The expense relating to any provision is presented in the Statement of Profit and Loss net of any reimbursement.

s) Equity and Reserves

Share capital represents the nominal value of shares that have been issued.

Proceeds received in addition to the nominal value of the shares issued during the year have been included in "additional paid-in capital".

t) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders after tax by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the period, are adjusted for events of bonus issued to existing shareholders.

For the purpose of calculating diluted earnings per share, the net profit or loss attributable to equity shareholders and the weighted average number of shares outstanding are adjusted for the effects of all dilutive potential equity shares, if any.

u) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

v) Employee benefits

Short term employee benefits

Short term benefits comprise of employee costs such as salaries, bonuses, and accumulated absents are accrued in the year in which the associated services are rendered by employees of the Company and are measured at the amounts expected to be paid when the liabilities are settled.

The liabilities are presented as current employee benefit obligations in the balance sheet.

Other long term employee benefits

The liabilities for accumulated absents are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields of Indian Government at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the statement of profit and loss.

Post-employment obligations

The Company operates the following post-employment schemes:

- (a) defined benefit plans such as gratuity, pension, post-employment medical plans; and
- (b) defined contribution plans such as provident fund.

Pension and gratuity obligations

The liability or asset recognised in the balance sheet in respect of defined benefit pension and gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in the statement of profit and loss as past service cost.

Defined contribution plan

A defined contribution plan is a plan under which the Company pays fixed contributions into an independent fund administered by the government. The entity has no legal or constructive obligations to pay further contributions after its payment of the fixed contribution.

Contributions to Provident Fund, Labour Welfare Fund and Employee State Insurance are deposited with the appropriate authorities and charged to the Statement of Profit and Loss on accrual basis. The Company has no further obligations under these plans beyond its monthly contributions.

w) Exceptional items

Items of income or expense from ordinary activities which are of such size, nature or incidence that, their disclosure is relevant to explain the performance of the enterprises for the period, are disclosed separately in the Statement of Profit and Loss.

x) Measurement of fair values

A number of the accounting policies and disclosures require measurement of fair values, for both financial and non-financial assets and liabilities. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The Company has an established control framework with respect to the measurement of fair values. This includes a finance team that has overall responsibility for overseeing all significant fair value measurements, including Level 3 fair values.

The finance team regularly reviews significant unobservable inputs and valuation adjustments. If third party information is used to measure fair values, then the finance team assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Company recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred. Further information about the assumptions made in measuring fair values used in preparing these financial statements is included in the respective notes.

y) Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA"), through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified the following new and amendments to Ind AS which the Company has not applied as they are effective from annual periods beginning on or after April 1, 2019:

Ind AS – 116

On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 116, Leases. Ind AS 116 will replace the existing leases Standard, Ind AS 17 Leases, and related interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a

contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the statement of profit & loss. The Standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17.

The Company is evaluating the requirements of Ind AS 116 and has not yet determined its impact on the financial statements.

Ind AS – 12 Appendix C, Uncertainty over Income Tax treatments:

On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatment which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to Appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, when determining tax profit (tax loss), tax bases, unused tax losses, unused tax credit and tax rates.

The standard permits two possible methods of transition- i) Full retrospective approach- Under this approach, Appendix C will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 – Accounting Policies, Change in Accounting Estimates and Errors, without using hindsight and ii) retrospectively with cumulative effect of initially applying Appendix C recognized by adjusting equity on initial application without adjusting comparatives.

The Company will adopt the standard from April 1, 2019 and has decided to adjust the cumulative effects in equity on the date of initial application i.e. April 1, 2019 without adjusting comparatives.

The effect of adoption of Ind AS 12 Appendix C would be insignificant in the financial statements.

Amendment to Ind AS 12- Income Taxes

On March 30, 2019, Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, “Income Taxes”, in connection with accounting for dividend distribution taxes.

The amendment clarifies that an entity shall recognize the income tax consequences of dividend in profit or loss, other comprehensive income or equity according to where the entity originally recognized those past transactions or events.

The Company does not expect any impact from this amendment.

Amendment to Ind AS 19- Plan amendment, curtailment or settlement

On March 30, 2019, Ministry of Corporate Affairs issued amendments to Ind AS 19, “Employee benefits”, in connection with accounting for plan amendments, curtailments and settlements.

The amendment requires an entity:

- to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and
- to recognize in profit or loss as a part of past service cost, or a gain or loss on settlement, any reduction in surplus, even if that surplus was not previously recognized because of the impact of the asset ceiling.
- The Company does not expect any impact from this amendment.

Amendment in Ind AS 23 – Borrowing Costs

The amendments clarify that if any specific borrowing remains outstanding after the related asset are ready for its intended use or sale, that borrowing becomes part of the funds that an entity borrows generally when calculating the capitalization rate on general borrowings.

The Company does not expect any impact from this amendment.

aa) Critical estimates and judgments

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

Critical estimates and judgments

The areas involving critical estimates or judgments are:

■ **Estimated useful life of property, plant and equipment and intangible asset**

The estimated useful life of property, plant and equipment is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

The Company reviews, at the end of each reporting date, the useful life of property, plant and equipment and intangible asset and changes, if any, are adjusted prospectively, if appropriate

■ **Recoverable amount of property, plant and equipment**

The recoverable amount of plant and equipment is based on estimates and assumptions regarding in particular the expected market outlook and future cash flows. Any changes in these assumptions may have a material impact on the measurement of the recoverable amount and could result in impairment.

■ **Estimation of defined benefit obligation**

Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, the rate of salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate and documented. However, any changes in these assumptions may have a material impact on the resulting calculations.

■ **Recognition of deferred tax assets for carried forward tax losses and current tax expenses**

The Company review carrying amount of deferred tax assets and Liabilities at the end of each reporting period. The policy for the same has been explained under Note No 2(k).

■ **Going concern**

When preparing financial statements, management make an assessment of an entity's ability to continue as a going concern. Financial statements prepared on a going concern basis unless management either intends to liquidate the entity or to cease trading, or has no realistic alternative

but to do so. When management is aware, in making its assessment, of material uncertainties related to events or conditions that may cast significant doubt upon the entity's ability to continue as a going concern, those uncertainties shall be disclosed.

■ **Impairment of trade receivables**

The Company review carrying amount of Trade receivable at the end of each reporting period and Provide for Expected Credit Loss. The policy for the same explained in the Note No.2 (g) (4).

■ **Fair value measurement**

Management uses valuation techniques in measuring the fair value of financial instruments where active market quotes are not available. Details of the assumptions used are given in the notes regarding financial assets and liabilities. In applying the valuation techniques, management makes maximum use of market inputs and uses estimates and assumptions that are, as far as possible, consistent with observable data that market participants would use in pricing the instrument. Where applicable data is not observable, management uses its best estimate about the assumptions that market participants would make. These estimates may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

Notes to the Ind AS financial statements for the year ended March 31, 2019

- 5.1 Capital work-in-progress represent expenditure incurred in respect of capital projects and carried at cost.
- 5.2 The balance amount of CWIP as of March 31, 2019, pertains to the work performed on the basis of a contract with the Chhattisgarh government. The Company has completed the work on certain schools but progress payment has not been received as per the Contract. The Company has initiated arbitration proceedings against the Directorate of Public Instruction, Government of Chhattisgarh, Raipur by appointing an Arbitrator invoking arbitration clause of Agreement dated January 27, 2011. The claim filed by the Company before the Arbitrator was to recover the due amount along with the revocation of Bank Guarantee. After completion of Arbitration proceedings, the award was passed in favour of the Company vide order dated March 21, 2017.
- In order to execute the award, the Company has filed an execution case under section 36 of the Arbitration Act before a commercial court. The Directorate of Public Instruction, Government of Chhattisgarh, Raipur appeared before the court and is contesting the case. The Hon'ble Judge of the commercial court has held the mandate of the arbitral tribunal as null and void ab-initio and all the proceedings held by the arbitral tribunal have been quashed and consequently the company has fully provided the balance amount of CWIP. The Management of the Company is in the process of appealing the verdict of the commercial court.

6.1.2 Shares are earmarked as per terms of Master Restructuring Agreement (MRA) pursuant to CDR. (Refer note 12 (1)(e)(x)).

6.1.3 51% shares are pledge to FCCB & ECB lenders and balance shares earmarked to CDR lenders of EISML. (Refer note 12 (I)).

6.1.4 During the year, the board of directors of Vidya Mandir Classes Private Limited approved issue of additional equity shares by way of a right issue to existing shareholders in the ratio of 1:15. The Company did not subscribe to the right issue, leading in reduction of its shareholding to 14.1% and ceasing it to be a subsidiary. Accordingly, the same has been disclosed as an investment in 'others'. Also refer note 22.2.

6.1.5 The Company had a controlling power on Edu Smart Services Private Limited by virtue of Ind AS 110. The difference between the coupon rate and the market rate has been considered as investment in equity and is being valued at cost by virtue of Ind AS 27. The Company has valued the debt component in the investments at amortised cost as per Ind AS 109. Also refer note 6.1.7.

6.1.6 These investments are pledged against loan taken by the subsidiary companies.

6.1.7 Three subsidiaries namely Edu Smart Services Private Limited (ESSPL) (a subsidiary through potential voting rights), Educomp Asia Pacific Pte Limited (EAPL) and Educomp Infrastructure & School Management Limited (EISML) have filed for insolvency consequent to which Resolution Professionals (RP) have been appointed in the respective companies and all the powers to direct the state of affairs of these companies rests with the respective RP's. Accordingly, the Company has lost its controlling power over the above mentioned subsidiaries and hence the same has been disclosed as an investment in others.

6.1.8 As per MRA, the Company shall not sell any of its investments save and except Identified Assets and Shares as permitted in terms of approved CDR Package, without prior recommendation of Monitoring Committee and approval of CDR-Empowerment Group. However, the Company may sell its non-core assets including investments, wherever applicable with prior approval of the Asset Sale Monitoring Committee.

(x) Corporate debt restructuring scheme

The Company executed the Master Restructuring Agreement (MRA)/other definitive documents on March 26, 2014 with the majority of its lenders banks, consequent to approval from Corporate Debt Restructuring Empowered Group (CDR-EG) to re-structure Company's existing debt obligations, including interest, additional funding and other terms (hereafter referred to as "the CDR Scheme").

As a part of the CDR Scheme, the promoters were required to contribute funds in accordance with letter of approval. As a consequence, the Company has received a contribution from its promoter amounting to Rs. 614.65 million as at March 31, 2019 (As at March 31, 2018 Rs. 614.65 million). The same has been received as interest free unsecured loan. Refer above loan from others - unsecured (c).

The MRA has been signed by all the lender banks and the Company has complied with all necessary conditions precedent. From April 01, 2013 (the "cut-off date"), the interest on the restructured debts has been recomputed and provided at the effective interest rates as per the CDR scheme on the balances as appearing in the books of account pending confirmations from various lenders. Accordingly, the interest payable to these banks has been recalculated in accordance with the CDR scheme. Considering the MRA have been signed by all the lender banks, the Company had accounted for CDR scheme (reclassifications and interest calculations) in the books during the year ended March 31, 2016 and March 31, 2015 as follows:-

- (i) The rate of interest was changed and reduced to 11% with effect from April 01, 2013. The interest due with effect from April 01, 2013 till March 31, 2016 at revised rates amounting to Rs. 919.62 million in March 31, 2016 and Rs. 886.60 million in April 01, 2015 was converted into Funded Interest Term Loan (FITL (a)).
- (ii) The moratorium period for principle amount after restructure shall be 30 months from the cut off date of April 01, 2013.
- (iii) The CDR scheme envisages monetization of certain assets of the Company and its subsidiaries.
- (iv) The revised charge in favour of lenders as per the terms of MRA, is pending registration.

Pursuant to approved CDR scheme and in terms of Master Restructuring Agreement, the Company had acquired trade receivable of Edu Smart Services Private Limited (ESSPL). To acquire these receivables the Company had been granted loan by the CDR lenders. These receivables accrue to Edu Smart Services Private Limited under Tripartite agreement between, the Company, ESSPL and Schools/trust wherein in substance, the Company was key service provider. Towards settlement of rest of the consideration, the Company has adjusted its receivable from ESSPL. The Company took over these receivables to improve the recoverability and to provide uninterrupted services to these schools in future.

Pursuant to implementation of approved Corporate Debt Restructuring Scheme (CDR scheme), certain lenders have disbursed fresh corporate loans to the Company and corresponding trade receivables were bought from Edu Smart Services Private Limited (ESSPL) together with future business relating to this customers, as explained above. Due to this restructuring, the remaining receivables in ESSPL may not yield adequate surplus to discharge its liability towards the Company for trade receivables and redemption of redeemable non convertible preference shares. However, the approved CDR Scheme has mandated merger of ESSPL with the company and accordingly, the company has initiated the process and has taken the approval of Board of Directors in the board meeting held on January 13, 2015.

Pursuant to MRA, the Company had committed default in payment or repayment of installments of principal amounts of the Restructured Loans, Corporate loans and/or the Additional Rupee Loan or interest thereon or any combination thereof, accordingly CDR Lenders, Corporate loan lenders and/or the Additional Rupee Lenders, at their discretion, have the right to convert at their option the whole of the outstanding amount or part of the defaulted amount into fully paid-up equity shares of the Company, but the lenders have not exercised the rights as at balance sheet date.

(All amount in Rs. million, unless otherwise stated)

Particulars	# of shares to be transferred	Consideration in Rs. Millions	Referred in the agreement as
On closing 1 i.e. execution date	9,688	163.39	Tranche A Shares
On or before March 31, 2019 (closing 2)	39,088	742.26	Tranche B Shares
Total	48,776	905.65	

As per clause 2.3 of the agreement which is reproduced here:

"The Sellers hereby acknowledge and understand that the Purchaser has agreed to purchase the sale shares on the basis of representation that all of sale Share shall be available to the Purchaser to acquire upto March 31, 2019. The Purchaser accordingly and based on its cash flows, has agreed to purchase all of Sale Shares in two tranches. It is clarified that though sale of all shares would be consummated in two tranches, interest of purchaser has been created in all sale shares no sooner Closing 1 takes place in terms of clause 8 below."

Based on terms and condition of SPA, an unconditional interest of Purchaser has been created in all the shares upon transfer of tranche A shares. Further, all the nominee directors of the Holding Company on the board of VMC were replaced by the nominees of the buyers to protect its "interest" created pursuant to this agreement.

The Purchaser has not exercised such rights till the exercise lapse date i.e. March 31, 2019. Accordingly, the transaction is not enforceable now. Consequently, the transaction of sale of Tranche B shares (53.69% shareholding) recorded in previous year has been reinstated during the previous year and the related consideration of Rs. 602.43 million shown as recoverable as at March 31, 2017 has been reversed. Also, profit recognised during the financial year 2016-17 on such transaction of Rs. 324.46 million has also been reversed during the previous year.

a) The carrying amounts of trade and other payables, working capital borrowings, current loans and cash and cash equivalents are considered to be the same as their fair values, due to their short-term nature. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

b) The carrying amounts of trade receivables, loans, security deposits and investment in preference shares were calculated based on contractual cash flows, discounted using a current lending rate and the amortised values are considered to be the same as their fair values, as their is no change in the current and the previous year lending rates. These are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk.

c) The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.

d) As all the financial instruments has been fair valued using amortised cost accounting considering the unobservable inputs as explained in the note b) and c) above therefore all the financial assets and financial liabilities would fall into level 3 in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk, own credit risk, contractual cash flows and lending rates.

Note 25 FINANCIAL RISK MANAGEMENT
Risk management objectives and policies

The Company is exposed to various risks in relation to financial instruments. The Company's financial assets and liabilities by category are summarised in Note 24. The main types of risks are market risk, credit risk and liquidity risk.

The Company's risk management is coordinated by its board of directors through RP, and focuses on actively securing the Company's short to medium-term cash flows by minimising the exposure to volatile financial markets.

The Company does not actively engage in the trading of financial assets for speculative purposes nor does it write options. The most significant financial risks to which the Company is exposed to, are described below:

25.1 Market risk

Market risk is the risk that changes in market prices will have an effect on Company's income or value of the financial assets and liabilities. The Company is exposed to various types of market risks which result from its operating and investing activities. The most significant financial risks to which the Company is exposed are described below:

25.1(a) Foreign currency risk

The Company is exposed to exchange rate fluctuations as it undertakes transaction in various currencies. Various operating and investing activities during the year, in currencies other than functional currency of the Company, resulted in foreign currency financial assets and liabilities as on each reporting date.

As the company is currently undergoing CIRP process (refer note 1(a)), Accordingly, a moratorium has been declared under section 14 of the Code. All the foreign currency liabilities have been crystallised into INR as on May 30, 2017. Accordingly, there is no foreign currency risk till the completion of CIRP.

The following table presents non-derivative instruments which are exposed to currency risk and are unhedged as at March 31, 2019 and March 31, 2018 :

Particulars	Foreign currency	As at March 31, 2019		As at March 31, 2018	
		Foreign currency	Amount	Foreign currency	Amount
Trade payable	US\$	12.87	891.44	12.87	837.51
	Euro	0.01	0.78	0.01	0.80
Trade receivable	US\$	0.35	23.90	0.34	22.37
	Canadian \$ (CAD)	0.11	5.67	0.11	5.49
Loans payable	US\$	80.00	5,772.17	80.00	5,419.72
Interest accrued and due	US\$	14.94	1,032.23	14.94	971.92

To mitigate the Company's exposure to foreign exchange risk, cash flows in foreign currencies are monitored and net cash flows are managed in accordance with Company's risk management policies. Generally, the Company's risk management procedures distinguish short term foreign currency cash flows (due within 6 months) from longer term cash flows (due after 6 months). Where the amounts to be paid and received in a specific currency are expected to largely offset one another, no hedging activity is undertaken.

The following table gives the volatility in exchange rates for the respective reporting years for major currencies:

Currencies	Year Ended March 31, 2019	Year Ended March 31, 2018
INR/USD	7%	5%
INR/EURO	8%	8%
INR/CAD	9%	5%

These percentages have been determined based on the average market volatility in exchange rates in the previous 12 months. The sensitivity analysis given in the table below is based on the Company's foreign currency financial instruments held at each reporting date.

Sensitivity analysis for entities with foreign currency balances in INR

The following tables illustrate the sensitivity of profit/loss and equity in regards to the Company's financial assets and financial liabilities and the movement of exchange rates of respective functional currencies' against INR, assuming 'all other things being equal'.

If the respective functional currencies had strengthened/weakened against the INR by the afore mentioned percentage of market volatility, then this would have had the following impact on profit/loss:

March 31, 2019		Profit and loss		Other Components of equity	
	Movement	Strengthening	Weakening	Strengthening	Weakening
USD Sensitivity	7%	136.33	(136.33)	404.05	(404.05)
EURO Sensitivity	8%	0.06	(0.06)	-	-
CAD Sensitivity	9%	0.51	(0.51)	-	-

March 31, 2018		Profit and loss		Other Components of equity	
	Movement	Strengthening	Weakening	Strengthening	Weakening
USD Sensitivity	5%	91.59	(91.59)	270.99	(270.99)
EURO Sensitivity	8%	0.06	(0.06)	-	-
CAD Sensitivity	5%	0.27	(0.27)	-	-

25.1(b) Price risk sensitivity

The Company does not have any financial asset or liability exposed to price risk as at reporting date.

25.1(c) Interest rate sensitivity

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company's exposure to the risk of changes in market interest rates relates primarily to the Company's long-term debt obligations with floating interest rates.

The Company's policy is to minimise interest rate cash flow risk exposure on long-term financing. At March 31, 2019, the Company is exposed to changes in market interest rates majorly through ECB borrowings and borrowings restructured under MRA (refer note 12.1).

As the company is currently undergoing CIRP process (refer note 1(a)), Accordingly, a moratorium has been declared under section 14 of the Code. The debt liabilities have been crystallised as on May 30, 2017. Accordingly, there is no interest rate risk on the debt liabilities till the completion of CIRP.

The interest rate profile of the Company's interest-bearing financial instruments as reported to the management of the Company is as follows:

The following table provides a break-up of the Company's fixed and floating rate borrowings:

	As at March 31, 2019	As at March 31, 2018
Fixed-rate borrowings (Refer note below)	3,406.19	3,349.86
Floating rate borrowings (Refer note below)	22,129.85	21,833.73
Total borrowings	25,536.04	25,183.59

Note: The above amounts reflect the contractual undiscounted cash flows, which may differ from the carrying values of the liabilities at the reporting date.

The following table illustrates the sensitivity of profit or loss and other components of equity to a reasonably possible change in interest rates of +/- 1% (March 31, 2017: +/- 1%). These changes are considered to be reasonably possible based on observation of current market conditions. The calculations are based on a change in the LIBOR rate for each year, and the financial instruments held as at end of reporting year that are sensitive to changes in interest rates, all other variables held constant.

25.2 CREDIT RISK

Credit risk is the risk that a counterparty fails to discharge an obligation to the Company. The Company is exposed to this risk for various financial instruments, for example by granting loans and receivables to customers, placing deposits etc. The Company's maximum exposure to credit risk is limited to the carrying amount of financial assets recognised at different reporting dates.

The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls. The Company's policy is to deal only with creditworthy counterparties only.

In respect of trade and other receivables, the Company follows simplified approach that does not require the Company to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. However, the Company records full credit loss on the receivables for which the Company had filed litigation.

Lifetime ECL is the expected credit loss resulting from all possible default events over the expected life of a financial instrument.

The Company uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historically observed default rates are updated and changes in the forward-looking estimates are analysed. On that basis, the Company estimates the following provision matrix at the reporting date.

	0-180 days	180-365 days	more than 360 days
Default rate	6%	9%	38%

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

The credit risk for cash and cash equivalents and other financial instruments is considered negligible and no impairment has been recorded by the Company.

Reconciliation of loss allowance provision – Trade receivables

Particulars	Amount
Loss allowance on 1 April 2017	6,829.81
Changes in loss allowance	6,896.79
Loss allowance on 1 April 2018	13,726.60
Changes in loss allowance	114.05
Loss allowance on 31 March 2019	13,840.65

Significant estimates and judgements

Impairment of financial assets

The impairment provisions for financial assets disclosed above are based on assumptions about risk of default and expected loss rates. The Company uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

25.3 Liquidity risk

Liquidity risk is the risk that the Company might not be able to meet its obligations. The Company manages its liquidity needs by monitoring scheduled debt servicing payments for long-term financial liabilities as well as forecast cash inflows and outflows due in day-to-day business. The data used for analysing these cash flows is consistent with that used in the contractual maturity analysis below. Liquidity needs are monitored in various time bands, on a day-to-day and week-to-week basis, as well as on the basis of a rolling 30-day projection. Long-term liquidity needs for a 180-day and a 360-day lookout period are identified monthly. Net cash requirements are compared to available borrowing facilities in order to determine headroom or any shortfalls. This analysis shows that available borrowing facilities are expected to be sufficient over the lookout period.

As the company is currently undergoing CIRP process (refer note 1(a)), the current liquidity risk management is therefore restricted to the management of current assets and liabilities and the day to day cash flows of the company.

As at end of reporting year, the Company's financial liabilities have contractual maturities* as summarised below :

	March 31, 2019				
	Upto 1 year	1 to 3 years	3 to 5 year	Above 5 years	Total
Borrowings	24,921.39	-	-	614.65	25,536.04
Trade payables	1,322.55	-	-	-	1,322.55
Other financial liabilities	4,214.83	-	-	-	4,214.83
Total	30,458.77	-	-	614.65	31,073.42

	March 31, 2018				
	Upto 1 year	1 to 3 years	3 to 5 year	Above 5 years	Total

Trade payables	1,256.28	-	-	-	1,256.28
Other financial liabilities	4,172.89	-	-	-	4,172.89
Total	29,998.11	-	-	614.65	30,612.76

*The above amounts reflect the contractual undiscounted cash flows, which may differ from the carrying values of the liabilities at the reporting date.

Further Current maturities of long term loans have been reclassified from other financial liabilities to borrowings to reflect the maturity profile of borrowings in a better manner. Pursuant to delays in repayment of loan/interest payments and ongoing CIRP process (refer note 1(a)), the future contractual interest payments has not been considered in above table.

The Company did not have access to any undrawn borrowing facilities at the end of the reporting period.

Note 26 Capital management

(a) Risk Management

The Company's capital management objectives are to ensure the Company's ability to continue as a going concern as well as provide an adequate return to shareholders by pricing products and services commensurately with the level of risk.

In determining its capital structure, Company considers the robustness of future cash flows and to maintain an optimal structure to reduce the cost of capital.

The Company monitors gearing ratio i.e. Net debt in proportion to its overall financing structure, i.e. equity and debt. Equity comprises of all the components of equity (i.e. share capital, additional paid in capital, retained earnings etc.). Net debt comprises of total borrowings less cash and cash equivalents of the Company. In order to maintain or adjust the capital structure, the Company may adjust the amount by issue of new shares or sell assets to reduce the debt. However, in view of certain adverse factors and liquidity problems faced by the Company, the net worth of the Company has been fully eroded and the Company is presently under CIRP process and thereby continue to operate as a going concern.

Note 35. Due to inadequacy of the profits, managerial remuneration paid by the Company to one of its Whole Time Director during the quarter ended June 30, 2015 and year ended March 31, 2015, was in excess of limits prescribed under Section 197 and 198 read with Schedule V to the Companies Act, 2013. Similarly, managerial remuneration paid during the financial year ended March 31, 2014 to one of its Whole Time Director was also in excess of limits prescribed under Section 198, 269 and 309 read with Schedule XIII of the Companies Act, 1956. The management of the Company had filed an applications to the Central Government to obtain its approval for the waiver/approval of the remuneration so paid in years ended March 31, 2014, March 31, 2015 and quarter ended June 30, 2015.

Since the Company had not received any response from the Central Government approving or granting any waiver for the said excess remuneration, pursuant to the provisions of Section 197(9) of the Companies Act, 2013, the Company (through its resolution professional) has sought a refund via email dated December 28, 2020, for the entire excess remuneration paid. The amount is however, yet to be refunded by the Whole Time Director.

Note 36. The Company could not hold the Annual General Meeting, and lay the financial statements for the year ended 31 March 2019 before the shareholders within the stipulated time due to delay in compiling information for preparation of the financial statements and completion of audit and accordingly could not ensure prescribed compliance under the provisions of sections 92, 96, 129(2) and 137 of the Companies Act. The company now proposes to immediately hold the Annual General Meeting and lay the audited financial statements before the shareholders and initiate appropriate steps to ensure due compliances as required under Act.

Note 37. The Company has filed a legal case against one former employee for recovery of certain damages amounting to Rs. 15 million arising from stealing of Company's intellectual property right. The Company is hopeful of favourable outcome of such proceedings/case. However, the amount likely to be realized on settlement of such proceedings/case is currently not ascertainable realistically. The Company does not expect any adverse impact on the financial position as a consequence of these proceedings/case. The Company has recorded all expenses pertaining to legal & professional charges in respect of all such proceedings/case.

Note 38. In accordance with the provisions of the Insolvency and Bankruptcy Code (Insolvency Code), public announcement was made for submission of proof of claims against the Company from financial creditors, operational creditors and employees and workmen. As per the Insolvency Code, the Resolution Professional (RP) has to receive, collate and admit all the claims submitted against the Company. Such claims can be submitted to the RP during the Corporate Insolvency Resolution Process

INDEPENDENT AUDITOR'S REPORT**To the Members of Educomp Solutions Limited****Report on the Audit of the Consolidated Ind AS Financial Statements****Adverse Opinion**

We have audited the accompanying consolidated Ind AS financial statements of Educomp Solutions Limited (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group") and its associate, comprising of the Consolidated Balance Sheet as at March 31, 2019, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated Ind AS financial statements including a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the consolidated Ind AS financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate Ind AS financial statements and on the other financial information of the subsidiaries and associate, because of the significance of the matters discussed in the Basis for Adverse Opinion section of our report, the aforesaid consolidated Ind AS financial statements do not give the information required by the Companies Act, 2013 ("the Act") in the manner so required and also do not give a true and fair view in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards ("Ind AS"), of the consolidated state of affairs of the Group and its associate as at March 31, 2019, their consolidated loss (including other comprehensive income), consolidated changes in equity and their consolidated cash flows for the year ended on that date.

Basis for Adverse Opinion

1. As fully explained in Note 40A.3(ii) to the Consolidated Ind AS financial Statements, the Management of Holding Company, on the basis of their assessment, has concluded that the Group no longer controls 5 of the subsidiaries, incorporated outside India, namely Edumatics Corporation Inc. USA, Savvica Inc., Canada, Educomp IntelliProp Ventures Pte. Ltd, Educomp Global Holding WLL, Bahrain and Educomp Global FZE and accordingly, has not consolidated financial statements of these subsidiaries as at and for the year ended March 31, 2019. We have not however, been provided with the management's assessment of loss of control in respect of these subsidiaries. In absence of such assessment, we are unable to comment on the appropriateness of the assessment of loss of control and consequential impact of non-consolidation of financial statement of these 5 subsidiaries, on the Consolidated Ind AS financial statements, if any.
2. We draw attention to Note 40A.3 to the Consolidated Ind AS Financial Statements, which explains that as per Ind AS 110 "Consolidated Financial Statements", the Group was required to derecognise assets and liabilities of the subsidiaries on the date when the control was lost. As represented by the management of Holding Company, since the financial statements of above 5 subsidiaries as on the date of loss of control are not prepared/available with the management, loss of control accounting has been done on the basis of last available unaudited financial statements i.e. for the year ended March 31, 2016 in respect of 1 subsidiary namely Savvica Inc., Canada; and based on the last available audited financial information i.e. for the year ended March 31, 2017 in respect of 4 subsidiaries namely Edumatics Corporation Inc. USA, Educomp IntelliProp Ventures Pte. Ltd, Educomp Global Holding WLL, Bahrain and Educomp Global FZE. In absence of the financial statements on the date of loss of control, we are unable to comment upon any possible impact of the same on the consolidated statement of profit and loss for the year ended March 31, 2019 and on the consolidated financial position and the Equity as on that date.
3. The Financial Statements of 6 subsidiaries and 1 associate as considered in these Consolidated Ind AS Financial Statements (refer paragraph (a) of Other Matter below), have been audited by other auditors and whose reports have been furnished to us by the management of the Holding Company. In line with the requirement of SA 600 - "Using the Work of another Auditor", we issued detailed questionnaire to the auditors of these subsidiaries and associate. We however, did not receive any response from the auditors of such subsidiaries and associate. In the

absence of such response, we are unable to obtain sufficient appropriate audit evidence as required under SA 600 "Using the Work of Another Auditor" with respect to scope and timing of their work on financial information and their findings, if any; and SA 560 - "Subsequent Events" for events occurred between the date of auditor reports' issued by those auditors and date of this Report. Hence, we are unable to comment whether this may lead to any possible adjustment or disclosure in these Consolidated Ind AS Financial Statements had these procedures been performed.

4. We draw attention to Note 3.5 to the Consolidated Ind AS Financial Statements, which states that the Financial Statements of EPEL for March 31, 2019 include an exceptional item (expense) of Rs. 674.55 million charged to the Statement of profit and loss with a corresponding reduction in the land in the Balance Sheet. Neither the XBRL Financial Statements disclose the exact nature and purpose of the transaction nor could the management of the Holding Company provide any information or documentation in support of this transaction. In absence of sufficient and appropriate audit evidence, we are unable to comment upon the purpose and the appropriateness of such transaction and the resultant impact on the Consolidated Ind AS Financial Statements, if any.
5. We draw attention to Note 3.6 to the Consolidated Ind AS Financial Statements, which states that the Directorate of Enforcement vide its order dated March 28, 2022 has provisionally attached the land of EPEL measuring 23 acres and 18 guntas situated at district Ranga Reddy, Andhra Pradesh under the Prevention of Money Laundering Act, 2002, along with rent of Rs. 0.19 Million and Rs. 2.12 million available in a Bank account and deposited with Delhi High Court. The carrying value of the said land as at March 31, 2019 was Rs. 231.20 Million (gross value: Rs. 905.75 million; net of reduction of Rs. 674.55 million as referred in paragraph 4 above). The management has not made any adjustment has been made in these Consolidated Ind AS Financial Statement in respect of this provisional attachment made by the Directorate of Enforcement. As the investigation is still under progress as on the date of signing this report, we are unable to comment on the consequential impact of the said attachment on these consolidated Ind AS financial statements as at and for the year ended March 31, 2019.
6. The Financial statement of the Educomp Software Limited, a step-down Subsidiary, as considered in these Consolidated Ind AS Financial Statements (refer paragraph (b) of Other Matter below), have been unaudited and furnished by the management of the Holding Company. On review of the aforesaid financial statements and enquiries with the Management of the Holding Company, we noted that the Subsidiary has a bank borrowing of Rs. 153 million outstanding for last several years, in respect of which the management of the Holding Company did neither have any underlying documents like bank statement nor they provided any satisfactory explanation to us regarding completeness of this balance. In absence of that, we are unable to determine any possible impact thereof on the loss for the year ended March 31, 2019 and on the balance of borrowings and equity as on that date.
7. As disclosed in Note 56 to the Consolidated Ind AS Financial Statements, the Educomp Software Limited, did not have any Director on the board during the year resulting in non-compliance with various provisions of the Companies Act 2013 and potential non-compliances with various other statutes. The financial or other impact of these non-compliances on these Consolidated Ind AS Financial Statements is presently not ascertainable.
8. The Holding Company did not perform an impairment assessment of its Knowledge Based Content (Other Intangible Assets) having a net block of Rs. 28.91 million (Gross block Rs. 831.85 million, net of accumulated amortization of Rs. 802.94 million) as at March 31, 2019. In absence of such assessment, we are unable to comment upon the appropriateness of the carrying amount of such asset as at March 31, 2019 and possible impact of the same, on the loss for the year ended on that date and on the equity as on that date.
9. As mentioned in note 3.8 to the Consolidated Ind AS Financial Statements, the Management of the Holding Company did not conduct physical verification of property, plant and equipment at certain locations having a net carrying value of Rs. 11.08 million as at March 31, 2019. In absence of the same, we are unable to comment over existence, valuation and the extent of the adjustment, if any, required in respect of these assets as at March 31, 2019 and the resultant possible impact of the same on the loss for the year ended on that date and on the equity as on that date.
10. As regards trade receivable of the Holding Company amounting to Rs. 2,261.41 million (net of accumulated loss

allowance of Rs. 13,840.65 million) as on March 31, 2019, the management of the Holding Company is of the view that the same are good and fully recoverable in due course and hence no further loss allowance is required. Out of the above, trade receivables only to the extent of Rs. 294.25 million have subsequently been realized till September 30, 2021, being the date of subsequent realisation testing for the purpose of audit of standalone financial statements. In absence of sufficient appropriate audit evidences including balance confirmations, correspondences from parties, we are unable to comment on the recoverability of balance outstanding trade receivables of Rs. 1,967.16 million and the possible impact of the same on the loss for the year ended March 31, 2019 and on the equity as on that date.

11. As mentioned in Note 34.2 to the Consolidated Ind AS Financial Statements, the Group follows Expected Credit Loss (ECL) model for measuring impairment loss allowance of its trade receivables. The ECL allowance or loss rate is computed based on a provision matrix which takes into account historical credit loss experience. However, for the computed loss rate as mentioned in Note 34.2 to the Consolidated Ind AS Financial Statements, we have not been provided with any underlying workings of such loss rate computed.

Further, the Group has not taken effect of aforesaid loss rate in computation of impairment loss allowance, if any on trade receivables over and above the existing provision in the books of account. In absence of relevant workings and other details, we are unable to comment on the appropriateness of the loss rate and the possible impact of not considering the effect of the loss rate in impairment loss allowance on the trade receivables balance as at March 31, 2019 and the loss for the year ended on that date and on the equity as on that date.

12. We have neither got any direct confirmations nor we been provided with the statements for borrowings from banks and financial institutions by the Holding Company amounting to Rs. 11,928.44 million as at March 31, 2019. In absence of sufficient appropriate audit evidence, we are unable to determine any possible impact thereof on the loss for the year ended March 31, 2019 and on the balance of borrowings and equity as on that date.
13. Balance in borrowings account in the books of accounts of the Holding Company amounting Rs. 1,003.99 million (other than those mentioned in paragraph 12 above) as at March 31, 2019 is subject to direct confirmations. Further, in case of borrowings amounting to Rs. 11,594.77 million where confirmations were received, there are differences amounting Rs. 104.83 million (short in books of accounts of the Holding Company) between the amounts reported in the confirmations received and the amounts recorded in the books of accounts of the Holding Company. In absence of reconciliations and other alternative audit evidences, we are unable to comment on any possible impact thereof on the loss for the year ended March 31, 2019 and on the balance of Borrowings and Equity as on that date.
14. As mentioned in note 20.1 to the Consolidated Ind AS Financial Statements, the Holding Company has not accrued interest on borrowing post May 30, 2017, being Corporate Insolvency Resolution Process ("CIRP") commencement date. The amount of such interest not accrued is estimated to be Rs. 2,813.66 million for the year ended and Rs. 4,981.49 million as at March 31, 2019. This has resulted in understatement of financial liabilities by Rs. 4,981.49 million as at March 31, 2019; understatement of loss for the year by Rs. 2,813.66 million and overstatement of equity by Rs. 4,981.49 million as on that date.
15. The Holding Company has not determined the provision for penal interest for defaults on borrowings as per the contractual terms of the underlying agreements. In absence of such assessment, we are unable to comment on the possible impact thereof on the loss for the year ended March 31, 2019 and on the balance of borrowings and equity as on that date.
16. As disclosed in Note 47 to the Consolidated Ind AS Financial Statements, as per the Insolvency and bankruptcy Code, 2016 (Insolvency Code), the Resolution Professional (RP) of the Holding Company has received, verified and admitted the claims submitted by the creditors (Operational and Financial), employees and workmen of the Company aggregating to Rs. 30,437.72 million till May 30, 2017. These claims have been taken into cognizance by Committee of the Creditors ("CoC") in its 12th meeting held on February 17, 2018, while approving the Resolution Plan of the Holding Company. The details of such claims have been disclosed in the said note. As represented by the Management/RP of the Holding Company, pending approval of the Resolution Plan by the Hon'ble National

Company Law Tribunal (“NCLT”), a reconciliation of the admitted claims vis-à-vis liabilities outstanding as at March 31, 2019 has not been prepared and any impact thereof has not been considered in the preparation of these Consolidated Ind AS Financial Statements as at and for the year ended March 31, 2019.

In absence of the above, we are unable to comment on appropriateness of carrying value of such liabilities as at March 31, 2019 and any possible impact of the same on the loss for the year ended on that date and equity as at that date.

17. As disclosed in Note 38.1 to the Consolidated Ind AS Financial Statements, financial guarantees aggregating Rs. 11,621.69 Million were issued to banks on behalf of its erstwhile subsidiaries. As per Ind AS 109 “Financial Instruments”, the said financial guarantees are required to be initially measured at fair value and subsequently measured at the higher of (i) the amount of loss allowance in accordance with Expected Credit Loss (“ECL”) method and (ii) amount initially recognized less cumulative amount of income recognized in income statement. However, no measurement of financial guarantees at fair value and estimation of loss allowances in accordance with ECL method were performed during the year. In absence of such measurement, we are unable to comment on the resultant impact thereof on the loss for the year ended March 31, 2019 and on the corresponding liability and equity as on that date.
18. The Holding Company has not performed any evaluation for impairment of goodwill on consolidation in respect of its investment in subsidiaries. In absence of such assessment, we are unable to comment upon the appropriateness of carrying amount of such goodwill as at March 31, 2019 and on the resultant impact of the same on the loss for the year ended on that date and equity as on that date.
19. As explained in Note 46 to the Consolidated Ind AS Financial Statements regarding managerial remuneration paid to one of the whole time directors of the Holding Company during the quarter ended June 30, 2015 and the year ended March 31, 2015 in non-compliance with the requirements of Section 197 and Section 198 read with Schedule V to the Companies Act, 2013; and paid during the year ended March 31, 2014 in non-compliance with the requirements of Section 198, Section 269 and Section 309 read with Schedule XIII to the Companies Act, 1956, for which the Central Government's approval is yet to be obtained.
20. As disclosed in Note 51 to the Consolidated Ind AS Financial Statements, the Holding Company is currently subject to the investigations by Serious Fraud Investigation Office (SFIO), the Central Bureau of Investigation (CBI) and SEBI. As explained by the Management of the Holding Company, certain information have been requested by them from the Holding Company and the investigations are currently underway. As explained further, the Management (the Resolution Professional) is yet to get any orders or directions in this respect from the said Authorities till the date of signing this report. In absence of pending final outcome of the investigations, we are unable to comment on the consequential impact of these matters on these consolidated Ind AS financial statements as at and for the year ended March 31, 2019.
21. As disclosed in Note 52 to the Consolidated Ind AS Financial Statements, the Holding Company did not have any internal audit conducted during the year as required under section 138 of the Act. The impact of the non-compliance on the accompanying Consolidated Ind AS financial statements is presently not ascertainable.
22. As disclosed in Note 53 to the Consolidated Ind AS Financial Statements, the Holding Company did not have a full time company secretary as on the date of approval of these consolidated Ind AS Financial Statements. Consequently, these Consolidated Ind AS Financial Statements could not be authenticated by a company secretary ensuring compliance with all applicable provisions of the Act. Also, the impact of this non-compliance on the accompanying Consolidated Ind AS financial statements is presently not ascertainable.
23. As disclosed in Note 54 to the Consolidated Ind AS Financial Statements, these Consolidated Ind AS Financial Statements are not authenticated by the Chief Financial Officer of the Company which is not in compliance with section 134 (1) of the Act. The impact of this non-compliance on the accompanying Consolidated Ind AS Financial Statements is presently not ascertainable.
24. As disclosed in Note 55 to the Consolidated Ind AS Financial Statements, the Holding Company has not potentially been in compliance with various other provisions of the Companies Act 2013, SEBI LODR Regulations, 2015, RBI

circulars and Foreign Exchange Management Act, 1999. The financial or other impact of these potentially non-compliances on these Consolidated Ind AS Financial Statements is presently not ascertainable.

25. Following mandatory disclosure are not given in these Consolidated Ind AS Financial Statements, as the complete information is not available with the management of the Holding Company/RP:

- i. disclosure with regard to goodwill and its impairment testing as required under paragraphs 126 to 136 of Ind AS 36 "Impairment of Assets", as applicable;
- ii. disclosure with regard to income tax as required under paragraphs 81 and 82, of Ind AS 12 "Income Taxes", as applicable;
- iii. disclosure with regard to defined benefit plans as required under paragraph 135, of Ind AS 19 "Employee Benefits", as applicable;
- iv. disclosure with regard to employee stock plans as required under paragraph 45, of Ind AS 102 "Share based payments", as applicable;
- v. disclosure with regard to financial risk management as required under paragraph 33 to 35, of Ind AS 107 "Financial Instruments: Disclosures" as applicable; and
- vi. disclosure with regard to financial liability – defaults and breaches as required under paragraphs 18 and 19 of Ind AS 107 "Financial Instruments - Disclosures", as applicable.

The Group has not been in compliance with the disclosures requirements of Indian Accounting Standards notified under the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of the Act to the extent of above disclosures.

We had similarly issued an adverse opinion in our Independent Auditor's Report on the Consolidated Ind AS Financial Statements for the year ended March 31, 2018 in respect of all the matters, except paragraph 1, 2 and 4 to 8 above.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements section of our report. We are independent of the Group and its associate in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the consolidated Ind AS financial statements under the provisions of the Act and Rules thereunder and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our adverse opinion.

Material Uncertainty Related to Going Concern

In respect of Holding Company

We draw attention to Note 2A(c) to the Consolidated Ind AS Financial Statements, which indicates that the Holding Company has incurred substantial losses during the year, its net worth has been completely eroded, has defaulted in repayment of its loans and related interest, and has negative working capital. Further, currently the Holding Company is under the CIRP process. These conditions indicate that a material uncertainty exists that may cast significant doubt about the Holding Company's ability to continue as a going concern. However, these Consolidated Ind AS Financial Statements have been prepared on a going concern basis as the management of the Holding Company is of the view that the Holding Company has been able to discharge its operational liabilities from its internal accrual of funds till the date of this balance sheet and is also confident that the Holding Company is having sufficient fund balance to continue as going concern as stated in the said note.

Our opinion is not modified in respect of this matter.

In respect of Wheatstone Productions Private Limited (WPPL):

The auditor of WPPL, one of the subsidiary, in their audit report dated September 5, 2019, have included a matter of emphasis drawing attention to the matter related to going concern, that in opinion of the management, despite

incurring substantial losses during the current financial year and erosion of net worth as at March 31, 2019, the financial statement of the Subsidiary have been prepared on a going concern basis in view of the matters more fully explained in the concerned note of subsidiary's financial statement.

The opinion of the subsidiary auditor was not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated Ind AS financial statements of the current period. These matters were addressed in the context of our audit of the consolidated Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Except for the matters described in the Basis for Adverse Opinion section and Material Uncertainty Related to Going Concern section, we have determined that there are no other key audit matters to communicate in our report.

Emphasis of Matter

We draw attention to the following matters in respect of Holding Company:

- (a) Note 2A(a) to Consolidated Ind AS Financial Statements, wherein it is stated that CIRP has been initiated in the name of the Holding company vide an order of the principal bench of the Hon'ble NCLT dated May 30, 2017 under the provision of insolvency code. Pursuant to the order, the management of the affairs of the Holding company and powers of board of directors of the Holding company are now vested with the Resolution Professional (RP), who is appointed by the CoC. Accordingly, these consolidated Ind AS financial statement have been prepared and approved by RP.
- (b) Note 38.1 and Note 1(b) to the consolidated Ind AS Financial Statements, considering the moratorium period, status of contingent liabilities has been updated till the date of approval of insolvency application of the Holding company under the insolvency code i.e., till May 30, 2017.
- (c) Note 40A.3 of the Consolidated Financial Statements in relation to non-consolidation of financial statements of one of its direct subsidiary namely Educomp Infrastructure & School Management Limited ("EISML") and twenty-four of its step down subsidiaries (subsidiaries of EISML) based on the Holding Company management's assessment of non-existence of the control over these entities by virtue of appointment of resolution professional consequent to initiation of corporate insolvency resolution process of EISML on April 25, 2018. We have relied upon the Holding Company management's representation in this respect.

Our opinion is not modified in respect of the above matters (a) to (c).

We draw attention to the following matter which is included by the statutory auditor of the concerned subsidiary in Emphasis of Matter paragraph in their Audit report:

In respect of Educomp School Management Limited ("ESML"):

- (d) The auditor of ESML, one of the subsidiary, in their audit report dated September 6, 2019, have included a matter of emphasis drawing attention to the matter related to aged inventories (as included in Note 12.1 to the Consolidated Financial statements), that despite the Inventory amounting to Rs. 17.80 million being more than three years old, the ESML has not made any provision for obsolescence as these are curriculum books and ESML estimates its net realizable value to be more than its cost.

The opinion of the subsidiary auditor is not modified in respect of the above matter.

Other Information

In view of ongoing CIRP, the Resolution Professional ("the RP or the management of the Holding Company") is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report, Report on Corporate Governance and Annexures to Board's Report, but does not include the Standalone Ind AS Financial Statements, Consolidated Ind AS Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Ind AS Financial Statements does not cover the other information and we do not

express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Ind AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

Board's Report, Report on Corporate Governance and Annexures to Board's Report are not made available to us as at the date of this auditor's report. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Ind AS Financial Statements

The Resolution Professional of the Holding Company, Mr. Mahender Khandelwal ("the RP or the management of the Holding Company") appointed by the CoC pursuant to the order passed by the Hon'ble NCLT, with whom the management of the affairs of the Holding Company and the powers of the Board of Directors of the Holding Company are now vested after the commencement of Corporate Insolvency Resolution Process ("CIRP") w.e.f. May 30, 2017 under the provisions of Insolvency & Bankruptcy Code, 2016 ("Insolvency Code"), are responsible for the preparation and presentation of these consolidated Ind AS financial statements in terms of the requirements of the Act that give a true and fair view of the consolidated financial position, consolidated financial performance (including other comprehensive income), consolidated changes in equity and consolidated cash flows of the Group including its associate in accordance with the accounting principles generally accepted in India, including Ind AS specified under section 133 of the Act, read with relevant rules issued thereunder. The respective Board of Directors of the companies included in the Group and of its associate, are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated Ind AS financial statements by the RP or the management of the Holding Company, as aforesaid.

Further, as per section 134 of the Act, the Consolidated Ind AS Financial Statements of a company are required to be authenticated by the chairperson of the Board of Directors, where authorised by the Board or at least two Directors, of which one shall be the Managing Director or the CEO (being a Director), the CFO and the Company Secretary where they are appointed. In view of the pendency of CIRP, as per the Insolvency Code, and pursuant to the order passed by the Hon'ble NCLT, the powers of the Board of the Directors are now vested with the RP. Accordingly, these Consolidated Ind AS Financial Statements are approved by the RP [refer note 2A (a) of the Consolidated Ind AS Financial Statements and paragraph (a) under Emphasis of Matter].

In preparing the consolidated Ind AS financial statements, RP of the Holding Company and the respective Board of Directors of the companies included in the Group and of its associate are responsible for assessing the ability of the Group and of its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group and of its associate are responsible for overseeing the financial reporting process of the Group and of its associate.

Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated Ind AS financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the

economic decisions of users taken on the basis of these consolidated Ind AS financial statements. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated Ind AS financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company, its subsidiaries and its associate, which are companies incorporated in India, have adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors/management/RP (refer note 2A(a) of the Consolidated Ind AS Financial Statements and paragraph "(a)" under Emphasis of Matter paragraph).
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated Ind AS financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated Ind AS financial statements, including the disclosures, and whether the consolidated Ind AS financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate to express an opinion on the consolidated Ind AS financial statements. We are responsible for the direction, supervision and performance of the audit of the Ind AS financial statements of such entities included in the consolidated Ind AS financial statements of which we are the independent auditors. For the other entities included in the consolidated Ind AS financial statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Holding Company and such other entities included in the consolidated Ind AS financial statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated Ind AS financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

- (a) We did not audit the Ind AS financial statements of 6 subsidiaries, whose Ind AS financial statements reflects total assets of Rs. 389.81 million and net assets of Rs. 258.44 million as at March 31, 2019, total revenues of Rs. 3.34 million and net cash outflow amounting to Rs. 0.49 million for the year ended on that date, as considered in the consolidated Ind AS financial statements. The consolidated Ind AS financial statements also include Group's share of net profit of Rs. 16.99 million for the year ended March 31, 2019, as considered in the consolidated Ind AS financial statements, in respect of 1 associate, whose Ind AS financial statement have not been audited by us. These Ind AS financial statements/financial information have been audited by other auditors whose reports have been furnished to us by the management of the Holding Company and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associate, and our report in terms of section 143(3) of the Act, in so far as it relates to the aforesaid subsidiaries and associate, is based solely on the reports of the other auditors.
- (b) We did not audit the Ind AS financial statements of 1 subsidiary, whose Ind AS financial statements reflects total assets of Rs. 13.72 million and net liability of Rs. 141.31 million as at March 31, 2019, total revenues of Rs. Nil and net cash outflow amounting to Rs. 5.15 million for the year ended on that date, as considered in the consolidated Ind AS financial statements. The aforesaid Ind AS financial statement are unaudited and have been furnished to us by the Holding Company management and our opinion on the consolidated Ind AS financial statements, in so far as it relates to the amounts and disclosures included in respect of the aforesaid subsidiary, and our report in terms of section 143(3) of the Act, in so far as it relates to the aforesaid subsidiary, is based solely on such unaudited Ind AS financial statement. In our opinion and according to the information and explanations given to us by the management of the Holding Company, the aforesaid Ind AS financial statements are not material to the Group.

Our opinion on the consolidated Ind AS financial statements and our report on the Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors and the Ind AS financial statements/financial information certified by the management.

Report on Other Legal and Regulatory Requirements

As required by section 143(3) of the Act, we report, to the extent applicable, that:

- a. We have sought and, except for the matters described in the Basis for Adverse Opinion section of our report, obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated Ind AS financial statements;
- b. Except for the matters described in the Basis for Adverse Opinion section of our report, in our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated Ind AS financial statements have been kept so far as it appears from our examination of those books and the reports of the other auditors;
- c. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated Ind AS financial statements;
- d. In our opinion, except for the matters described in the Basis for Adverse Opinion section of our report, the aforesaid consolidated Ind AS financial statements comply with the Indian Accounting Standards specified under section 133 of the Act read with relevant rules issued thereunder;
- e. The matters described in the Material Uncertainty Related to Going Concern / Basis for Adverse Opinion section of our report, in our opinion, may have an adverse effect on the functioning of the Group including its associate;
- f. In respect of Holding Company, we have not received written representation from any of the directors of the Holding Company as on March 31, 2019. In the absence of written representation received, we are unable to comment whether the directors are disqualified as on March 31, 2019 from being appointed as a director in terms

of sub-section (2) of section 164 of the Act.

Further, except for the matter described in paragraph '3' of the Basis for Adverse Opinion paragraph above, on the basis of the reports of the statutory auditors of subsidiary companies and associate company incorporated in India, none of the directors of the subsidiary companies and associate companies incorporated in India is disqualified as on March 31, 2019 from being appointed as a director in terms of Section 164 (2) of the Act;

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph (h) under 'Report on Other Legal and Regulatory Requirements' section in our Independent Auditor's Report of even date to the members of Educomp Solutions Limited on the consolidated Ind AS financial statements for the year ended March 31, 2019]

Report on the Internal Financial Controls with reference to Financial Statements under clause (i) of sub-section 3 of section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated Ind AS financial statements of Educomp Solutions Limited ("Holding Company") as of and for the year ended March 31, 2019, we were engaged to audit the internal financial controls with reference to financial statements of the Holding Company and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), and its associate, which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The RP of the Holding Company and the respective Board of Directors, its subsidiary companies and its associate company, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control with reference to the financial statements criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting with reference to the financial statements of Holding Company, its subsidiary companies and its associate company, which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing, to the extent applicable to an audit of internal financial controls, both issued by the ICAI.

Because of the matter described in Disclaimer of Opinion paragraph below, we were not able to obtain sufficient appropriate audit evidence to provide a basis for an audit opinion on internal financial controls with reference to financial statements of the Holding Company, its subsidiary Companies and its associate company, which are companies incorporated in India.

Meaning of Internal Financial Controls with reference to Financial Statements

A company's internal financial control with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Disclaimer of Opinion**In respect of the Holding Company**

According to the information and explanation given to us and based on our audit, the Holding Company has not established its internal financial control over financial reporting on criteria based on or considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Because of this reason, we are unable to obtain sufficient appropriate audit evidence to provide a basis for our opinion whether the Holding Company had adequate internal financial controls over financial reporting and whether such internal financial controls were operating effectively as at March 31, 2019.

In respect of Subsidiary and Associate Company

- i) In respect of 6 subsidiary companies and 1 associate company, as mentioned in paragraph (a) of 'Other Matters' below, which are companies incorporated in India, we considered the reporting of other auditors, which state that the respective subsidiaries and associate have, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls with reference to financial statements were operating effectively as at March 31, 2019.

We however, did not receive any response to our detailed questionnaire issued to the respective auditors of the subsidiary and associate companies as mentioned in paragraph (a) of 'Other Matters' below, with respect to the adequacy and operating effectiveness of the internal financial controls over financial reporting. In absence of any response from the auditors of such subsidiaries and associate with respect to scope and timing of their work on the internal financial controls, and their findings, if any; we are unable to comment on the adequacy and operating effectiveness of the internal financial controls over financial reporting in respect of these 6 subsidiary companies and the 1 associate company as at March 31, 2019.

- ii) In respect of 1 subsidiary company, as mentioned in paragraph (b) of 'Other Matters' below, which is a company incorporated in India and whose financial statements have not been audited; in absence of any evidences provided by the management of the Holding Company with respect to establishment of an internal financial control over financial reporting on criteria based on or considering the essential components of internal control stated in the Guidance Note issued by ICAI, we are unable to comment on the adequacy and operating effectiveness of the internal financial controls over financial reporting in respect of such subsidiary as at March 31, 2019.

We have considered the disclaimer reported above in determining the nature, timing, and extent of audit tests applied in our audit of the consolidated Ind AS financial statements of the Group and its associate, and resultant effect of it on our opinion on the consolidated Ind AS financial statements of the Group and its associate.

Other Matters

Our aforesaid reports under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting in so far as it relates to:

- a) 6 subsidiary companies and 1 associate, which are companies incorporated in India, have been audited by other auditors and whose reports have been furnished to us by the management/RP of the Holding Company; and
- b) 1 subsidiary company, which is a company incorporated in India and whose financial statements have not been audited and have been furnished to us by the Management.

1. Background

(a) Educomp Solutions Limited (the Holding Company) and its subsidiaries and associates (collectively referred to as “the Group”) are engaged in providing end-to-end solutions in the education technology domain through licensing of digital content, solutions for bridging the digital divide (a government initiative to enhance computer literacy), professional development and retail & consulting initiatives. The Group's business can be categorised into four strategic business units namely School Learning Solutions (comprising of Smart Class & Edureach (ICT) business), K-12 Schools (comprising preschools & high schools), Higher Learning Solutions (comprising of vocational, higher education and professional development) and Online, Supplemental & Global business (comprising of internet based educational services and coaching) spreading education ecosystem. The Holding Company was incorporated on September 7, 1994 under the erstwhile Companies Act, 1956. The Holding Company is domiciled in India having its registered office at 1211, Padma Tower-1, 5, Rajendra place, New Delhi-110008.

The Holding Company is listed on the Bombay Stock Exchange Limited (BSE) and the National Stock Exchange) NSE in India.

(b) In respect of the Holding Company:

On May 30, 2017, the Holding Company's application for Corporate Insolvency Resolution Process (“CIRP”) under the provisions of Insolvency & Bankruptcy Code, 2016 (“IBC”), has been approved by the Hon'ble National Company Law Tribunal (“NCLT”), and accordingly CIRP proceedings have been initiated (for details refer note 2(a)). As per the provisions of the IBC, under CIRP, the RP is required to manage the operations of the Holding Company as a going concern and accordingly, a resolution plan needs to be presented to and approved by the Committee of Creditors (“CoC”) by a requisite majority (as per applicable provisions of the IBC at that time), and thereafter submission of the duly approved Resolution Plan to the Hon'ble NCLT for its approval.

Pursuant to initiation of CIRP, Ebix Singapore Pte. Ltd., submitted the resolution plan which was approved by the CoC consisting of all bankers of the Holding Company on February 17, 2018 and accordingly the same was submitted with Hon'ble NCLT on March 07, 2018.

Subsequently, Ebix filed an application under Section 60(5) of IBC seeking withdrawal of its Resolution Plan. After multiple hearings, the application seeking withdrawal of Ebix's resolution plan was listed before the Principal Bench, the Hon'ble NCLT for the pronouncement of order on January 02, 2020. Vide Order dated January 02, 2020 passed by the Hon'ble NCLT, the withdrawal application of Ebix was allowed to the extent of granting leave to Resolution Applicant to withdraw the Resolution Plan pending approval u/s 30(6) before the Hon'ble NCLT with cost of Rs. 1 lakh to be paid by the Resolution Applicant into the corpus of the Corporate Debtor. Further, the Hon'ble NCLT, vide the same order, also granted 90 days-time commencing from November 16, 2019 to the RP and CoC to seek/expedite the possibility of achieving resolution of the stressed assets of the Corporate Debtor within such time of 90 days. Thereafter, the Hon'ble NCLT vide its Order dated January 03, 2020, dismissed the approval application as infructuous as a consequence of its order dated January 02, 2020 which allowed the withdrawal of the Resolution Plan by Ebix.

Thereafter, after discussions and deliberation in the CoC meetings, an appeal under Section 61 of Insolvency and Bankruptcy Code, 2016 against the Order of the Hon'ble NCLT dated January 02, 2020 (allowing withdrawal of Resolution Plan) and Order dated January 03, 2020 was filed with the Hon'ble National Company Law Appellate Tribunal (“NCLAT”) by CoC's legal Counsel. Multiple hearings took place in the Hon'ble NCLAT in the said matter. The appeal was heard by the Hon'ble NCLAT on June 15, 2020 wherein the arguments made by CoC Counsel were heard in part and thereafter, the matter was adjourned to June 22, 2020 wherein the remaining submissions were made by the respective parties. On July 29, 2020, the appeal filed by CoC was listed before Hon'ble NCLAT for the pronouncement of order. The Hon'ble NCLAT has allowed the appeal and has set aside the Hon'ble NCLT order dated January 02, 2020 vide CA No. 1816(PB)/2019 in C.P.(IB)No. 101 (PB) 2017.

Thereafter, Ebix challenged the NCLAT's final order and judgment dated July 29, 2020 before the Hon'ble Supreme Court of India by way of a civil appeal.

The question of law involved in Ebix's appeal is "Whether the withdrawal of Resolution Plan is permitted after it has been approved by the CoC". Considering the issues similar to those involved in Ebix's Appeal have also been raised in the matters of Gujarat Urja Vikas Nigam Ltd vs. Amit Gupta and Ors. (Civil Appeal No. 9241 of 2020) and Kundan Care Products Limited vs. Amit Gupta (Civil Appeal No. 3560 of 2020), all the three matters have been kept together for hearing. The Gujarat Urja Vikas Nigam Ltd. matter was being heard first and arguments in the said matter (to be followed by the other two matters) which were part-heard as on February 03, 2021, February 04, 2021 and February 9, 2021. Subsequently, on February 10, 2021, the Hon'ble Court heard the Gujarat Urja Vikas Nigam Ltd. matter and wherein the order was pronounced on March 08, 2021 in the Gujarat Urja matter. Later, the Hon'ble Supreme Court vide order dated September 13, 2021, dismissed the civil appeal preferred by Ebix.

The second appeal was further listed before the Hon'ble NCLT's, Principal Bench at New Delhi ("Bench") on January 25, 2021 and the Hon'ble Bench reserved the Second appeal for orders.

The CoC's Appeal bearing No. 587 of 2020 assailing NCLT's order dated January 3, 2020 (in IA 195 of 2018) was further listed for pronouncement of the judgment before the Hon'ble National Company Law Appellate Tribunal, Bench-III at New Delhi ("Bench") on November 12, 2021 allowing the CoC's appeal and setting aside the Impugned Order. The Hon'ble Bench also directed the Adjudicating Authority to restore CA No. 195(PB)/2018 and proceed in accordance with law.

On November 29, 2021, an application for the restoration of Plan Approval Application has been filed by RP before the NCLT, Principal Bench at New Delhi. The Restoration Application has been registered as RA 39 of 2021 and the next date of hearing is scheduled on August 08, 2022.

The Ebix, on January 20, 2022, has also filed an interim application before the Hon'ble NCLT's Bench seeking certain information from the RP for which the Appeal is dismissed on May 06, 2022.

(c) Moratorium period

The Hon'ble NCLT vide its letter dated May 30, 2017 has declared the moratorium period as per the provision of section 13 (1) (a) of the Insolvency and Bankruptcy Code, 2016 ("Insolvency Code") which is further extended to February 24, 2018. As the Resolution Plan is under consideration by Hon'ble NCLT therefore, the moratorium period continues to be in effect till conclusion of the CIRP process.

As per section 14 of the IBC, under the moratorium period, the Holding Company ("Corporate debtor") is prohibited for the following activities:

(a) the institution of suits or continuation of pending suits or proceedings against the corporate debtor including execution of any judgment, decree or order in any court of law, tribunal, arbitration panel or other authority; (b) transferring, encumbering, alienating or disposing of by the corporate debtor any of its assets or any legal right or beneficial interest therein; (c) any action to foreclose, recover or enforce any security interest created by the corporate debtor in respect of its property including any action under the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act, 2002; (d) the recovery of any property by an owner or lessor where such property is occupied by or in the possession of the corporate debtor.

2A. Basis for preparation

(a) Statement of compliance

These Consolidated Ind AS financial statements ("financial statements") of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under the Companies (Indian Accounting Standards) Rules, 2015 notified under Section 133 of Companies Act, 2013, ("the Act") and other relevant provisions of the Act.

These financial statements for the year ended March 31, 2019 are the financial statements that are prepared in accordance with Ind AS.

A corporate insolvency resolution process ("CIRP") has been initiated in case of the Holding Company vide an Order of the Principal Bench of the National Company Law Tribunal ("NCLT") dated May 30, 2017 under the

provisions of the Insolvency Code. (for details refer note 1(b)). Pursuant to the Order, the management of the affairs of the Holding Company and powers of board of directors of the Holding Company are now vested with the Resolution Professional ("RP"), who is appointed by the Committee of Creditors ("CoC"). These Consolidated financial statements for the year ended March 31, 2019 have been prepared by the RP and his team. In view of the legal opinion received by the RP from a legal firm, the Financial Statements have been approved by the RP and presented to the auditors for their report thereon. The relevant extract of the opinion given by the legal firm is reproduced below:

"..... the RP in the present matter may sign the financial statements of the Corporate Debtor in terms of the provisions of the Code, Companies Act, 2013 and the Circular. However, we suggest that a disclaimer be inserted by the RP while signing the financial statements of the Corporate Debtor expressly stating that since the powers of the board of directors have been suspended and there is no CFO or Company Secretary appointed by the Corporate Debtor, therefore, the financial statements are being prepared and signed by the RP in terms of his duties as envisaged under Section 17 of the Code."

The erstwhile CMD Mr Shantanu Prakash has also sought an opinion from DSK Legal which is reproduced below:

*"As regards signing the financial statements, it is pertinent to note that the financial statements are signed **"on behalf of the Board of Directors"**. Since, during a CIRP, the Board of Directors stands suspended, therefore, there can be no signing on behalf of the board of directors. However, the RP being vested with the powers of the Board of Directors can himself sign the financial statements of the Corporate Debtor"*

In view of the above opinion, and the fact that the Company Secretary of the Holding Company is not in place and the Chief Financial Officer is not willing to sign these Consolidated Financial Statements, the RP has relied upon the assistance provided by the members of the erstwhile board of directors and the employees of the Holding Company, and certification, representation and statements made by the erstwhile management of the Holding Company in relation to preparation of these Consolidated financial statements.

Accordingly, these consolidated financial statements of the Group for the year ended March 31, 2019 have been approved by the RP of the Holding Company on July , 2022 on the basis of and relying on the aforesaid certifications, representations and statements of the erstwhile management of the Holding Company.

(b) Historical cost convention

The consolidated financial statements have been prepared under the historical cost convention on the accrual basis of accounting except for certain financial assets and financial liabilities that are measured at fair values at the end of each reporting period, as stated in the accounting policies set out below.

(c) Going Concern

In respect of ESL, the Holding Company

The Holding Company, has incurred substantial losses, its net worth has been completely eroded, has defaulted in repayment of its loans and related interest, has negative working capital and has applied under the IBC for CIRP. All these conditions has raised substantial doubt about the Holding Company's ability to continue as a going concern.

The management is of the view that the Holding Company has been able to fund its operational liabilities from its internal accrual of funds till the date of this balance sheet and is also confident that the Holding Company is having sufficient fund balance to continue as going concern till foreseeable future. Further, the management is also confident to agree on a resolution plan/business revival plan for the Holding Company during this ongoing CIRP process. Accordingly, the financial statements have been prepared on a going concern basis and do not include any adjustments relating to the recoverability and classification of recorded assets, or to amounts and classification of liabilities that may be necessary if the entity is unable to continue as a going

concern.

(d) Principles of consolidation

Subsidiaries

The Holding Company determines the basis of control in line with the requirements of Ind AS 110, Consolidated Financial Statements.

Subsidiaries are all entities (including structured entities) over which the Group has control. The Group controls an entity when the Group is exposed to, or has rights to, variable returns from its involvement with the entity and has the ability to affect those returns through its power to direct the relevant activities of the entity. Subsidiaries are fully consolidated from the date on which control is transferred to the Group.

The Group combines the financial statements of the Holding Company and its subsidiaries on a line-by-line basis by adding the book values of like items of assets, liabilities, income and expenses after eliminating intra-group balances/ transactions and unrealized profits in full. Unrealized losses are also eliminated unless the transaction provides evidence of an impairment of the transferred asset. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the Group.

Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet respectively. Even if this results in the non-controlling interests having a deficit balance.

Associates

Associates are all entities over which the Group has significant influence but not control or joint control. This is generally the case where the group holds between 20% and 50% of the voting rights. Investments in associates are accounted for using the equity method of accounting, mentioned below, after initially being recognized at cost.

Equity method

Under the equity method of accounting, the investments are initially recognized at cost and adjusted thereafter to recognize the Company's share of the post-acquisition profits or losses of the investee in profit and loss, and the Company's share of other comprehensive income of the investee in other comprehensive income. Dividends received or receivable from associates are recognized as a reduction in the carrying amount of the investment.

When the Company's share of loss in an equity-accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the Company does not recognize further losses, unless it has incurred obligations or made payments on behalf of the other shareholder(s).

Unrealized gains on transactions between the Company and its associates are eliminated to the extent of the Company's interest in these entities. Unrealized losses are also estimated unless the transaction provides evidence of an impairment of the asset transferred. Accounting policies of equity accounted investees have been changed where necessary to ensure consistency with the policies adopted by the Company.

The carrying amounts of investments in associates are reduced to recognized impairment, if any, when there is objective evidence of impairment.

The Consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Companies separate financial statements.

Loss of control

The Group treats transactions with non-controlling interests that do not result in a loss of control as

transaction with equity owners of the Group. A change in the ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognized within equity.

When the Group ceases to consolidate or equity account for an investment because of a loss of control, joint control or significant influence, any retained interest in the entity is re-measured to its fair value with the change in carrying amount recognized in profit or loss. This fair value becomes the initial carrying amount for the purposes of subsequently accounting for the retained interest as an associate, joint venture or financial asset. In addition, any amounts previously recognized in other comprehensive income in respect of that entity are accounted for as if the Group had directly disposed of the related assets or liabilities. This may mean that amounts previously recognized in other comprehensive income are reclassified to profit or loss. If the ownership interest in a joint venture or an associate is reduced but joint control or significant influence is retained, only a proportionate share of the amounts previously recognized in other comprehensive income are reclassified to profit or loss where appropriate.

(e) Functional currency:

The consolidated financial statements are presented in Indian Rupees (INR), which is also the functional currency of the Holding Company as Functional currency is the currency of the primary economic environment in which the entity operates.

(f) Rounding off

All the amounts have been rounded off to nearest millions or decimal thereof, unless otherwise indicated. The sign '0.00' in these consolidated financial statements indicates that the amounts involved are below INR ten thousand and the sign '-' indicates that amounts are nil.

(g) Current/Non-current classification of assets/liabilities

All assets and liabilities have been classified as current or non-current as per the criteria set out in the Schedule III to The Companies Act, 2013. The Group has ascertained its operating cycle as 12 months for the purpose of current/non-current classification of assets and liabilities. However, operating cycle for the business activities of the Group covers the duration of the specific project/contract/product line/service and extends up to the realisation of receivables within the agreed credit period normally applicable to the respective lines of business.

2B. Summary of significant accounting policies

a) Segment reporting

Identification of segments:

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker. The Group's operating businesses are organized and managed separately in according to the nature of products and services provided, with each segment representing a strategic business unit that offers different products and serves different markets. The analysis of geographical segments is based on the areas in which major operating divisions of the Group operate.

The board of directors of the Holding Company through RP assesses the financial performance and position of the Group, and makes strategic decisions. The RP have been identified as being the chief operating decision maker.

Intersegment transfers:

The Group generally accounts for inter-segment sales and transfers at cost plus appropriate margins.

Allocation of common cost

Common allocable costs are allocated to each segment according to the relative contribution of each segment to the total common costs.

Unallocated items

Unallocated items include general corporate income and expense items which are not allocated to any business segment and include interest expense and income tax.

Segment accounting policy

The Group prepares its segment information in conformity with the accounting policies adopted for preparing and presenting the financial statements of the group as a whole.

b) Property, Plant and Equipment

Freehold land is carried at historical cost. Other property, plant and equipment are stated at cost of acquisition net of recoverable taxes (wherever applicable), less accumulated depreciation and impairment losses, if any. Cost comprises the purchase price and any cost attributable to bringing the assets to its working condition for its intended use.

Where cost of a part of the asset is significant to the total cost of the asset and the useful life of the part is different from the remaining asset, then useful life of that part is determined separately and accounted as separate component.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Group and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to the statement of profit and loss during the reporting period in which they are incurred.

Losses arising from the retirement of, and gain or losses arising from disposal of tangible asset are determined as the difference between the net disposal proceeds and the carrying amount of asset and recognised as income or expense in the Consolidated Statement of Profit and Loss.

c) Intangible assets

An intangible asset is recognized, where it is probable that the future economic benefits attributable to the asset will flow to the enterprise and where its cost can be reliably measured.

Cost of an internally generated asset comprises of all expenditure that can be directly attributed, or allocated on a reasonable and consistent basis, to create, produce and make the asset ready for its intended use.

Losses arising from the retirement of, and gain or losses arising from disposal of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of asset and recognised as income or expense in the Consolidated Statement of Profit and Loss.

Intangible assets are stated at cost of acquisition less accumulated amortization and impairment loss.

d) Capital work-in-progress

Capital work-in-progress represents expenditure incurred in respect of capital projects are carried at cost. Cost includes related acquisition expenses, development costs, borrowing costs (wherever applicable) and other direct expenditure.

e) Depreciation and amortization methods, estimated useful lives and residual value

Depreciation on all property, plant and equipment is charged to income on a straight line and diminishing basis upto 95% of the total cost of the asset over the useful life of assets as estimated by the management.

Pursuant to the notification of Schedule II of the Companies Act, 2013, by the Ministry of Corporate Affairs, effective 1 April 2014, the management has reassessed and revised wherever necessary the useful lives of the

assets, so as to align them with the ones prescribed under schedule II of the Companies Act, 2013. Management reviews the method and estimations of residual values at each financial year end.

The useful lives estimated by the management are as follows:

Particulars	Useful life (years)
Building*	60
Building on Leasehold Land (In case of ELPL)	15
Furniture and fixtures	5-10
Office equipment	5
Vehicle	8
Computer equipment	3
Computer software	6

*The Management has assessed the estimate of useful life of the Electrical and External work as 24 years and 15 years respectively.

Depreciation on addition to PPE is provided on pro-rata basis from the date the assets are ready to use. Depreciation on sale / deduction of fixed assets is provided for upto the date of sale, deduction, discernment as the case may be.

Cost of leasehold improvements is charged to income on a straight line basis over the period of lease and the useful life of leasehold improvements, whichever is shorter.

Amortization on the intangible assets is provided on pro-rata basis on the straight-line method based on management's estimate of useful life, i.e. 3 years for software and 4 years for knowledge-based content. Licensed intangible assets are amortised over the period of license or expected useful life, whichever is shorter.

Depreciation and amortization methods, useful lives and residual values are reviewed at the end of each reporting period and adjusted if appropriate.

f) Revenue recognition

Effective April 1, 2018, the Group has applied Ind AS 115 which establishes a comprehensive framework for determining whether, how much and when revenue is to be recognized. The Standard requires apportioning revenue earned from contracts to individual promises, or performance obligations, on a relative stand-alone selling price basis, using a five step model. Ind AS 115 replaces Ind AS 18 Revenue and Ind AS 11 Construction Contract. The Group has adopted Ind AS 115 using the cumulative effect method. The effect of initially applying this standard is recognized at the date of initial application (i.e. April 1, 2018) and the comparative information in the statement of profit and loss is not restated – i.e. the comparative information continues to be reported under Ind AS 18.

Refer note 2B(f) – Significant accounting policies – Revenue recognition in the Annual report of the Company for the year ended March 31, 2018, for the revenue recognition policy as per Ind AS 18.

Revenue is recognised to the extent that it is probable that the economic benefit will flow to the group and revenue can be reliably measured.

The Group derives its revenue from sale, supply and installation of educational products & rendering of educational services and leasing out infrastructure facilities.

Revenue from sale of educational products including technology equipments are recognised as and when

significant risk and rewards of the ownership of goods gets transferred to the buyer.

Revenue is measured at the fair value of the consideration received or receivable. Amounts disclosed as revenue are net of returns, trade allowances, rebates, taxes and amounts collected on behalf of third parties, if any.

Revenue under Build, Own, Operate and Transfer ("BOOT model") contracts is recognized on upfront basis in the statement of profit and loss on the initiation of the contracts. These contracts are considered and evaluated as per Appendix "C" to IND AS 17. Also, refer note 2B.I of the significant accounting policies.

Revenue from educational support services are recognised in the accounting period in which services are rendered.

Interest income

Interest income from debt instruments is recognised using the effective interest rate method. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the gross carrying amount of a financial asset. When calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses.

g) Investment and other financial assets

g.1.Classification

The Group classifies its financial assets in the following measurement categories:

- i. those to be measured at fair value (either through other comprehensive income, or through profit or loss),
- ii. those measured at amortized cost; and
- iii. Investment in equity of subsidiaries and associates are accounted and carried at cost less impairment in accordance with Ind AS 27.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in profit or loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Group has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Group reclassifies debt investments when and only when its business model for managing those assets changes.

g.2. Initial Measurement

At initial recognition, the Group measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in the consolidated statement of profit and loss.

g.3. Subsequent Measurement:

g.3.1 Debt instruments

Subsequent measurement of debt instruments depends on the Group's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the

Group classifies its debt instruments:

Amortised cost:

Assets that are held for collection of contractual cash flows with specified dates and where those cash flows represent solely payments of principal and interest are measured at amortised cost using the effective interest rate method. A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of a hedging relationship is recognised in the consolidated statement of profit and loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

Fair value through other comprehensive income (FVOCI):

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at fair value through other comprehensive income (FVOCI). Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses which are recognised in the consolidated statement of profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to the consolidated statement of profit and loss and recognised in other gains/ (losses). Interest income from these financial assets is included in other income using the effective interest rate method.

Fair value through profit or loss (FVTPL):

Assets that do not meet the criteria for amortised cost or FVOCI are measured at fair value through consolidated statement of profit and loss. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognised in the consolidated statement of profit and loss and presented net in the consolidated statement of profit and loss within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

g.3.2 Equity instruments

All equity investments in scope of Ind AS 109 are measured at fair value. For equity instruments, the Group may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Group makes such election on an instrument by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the Group decides to classify an equity instrument as at FVOCI, then all fair value changes on the instrument, excluding dividends, are recognised in the OCI. There is no recycling of the amounts from OCI to the Consolidated Statement of Profit and Loss, even on sale of investment. However, the Group may transfer the cumulative gain or loss within equity. Equity instruments included within the FVPL category are measured at fair value with all changes recognised in the Consolidated Statement of Profit and Loss.

Investments in associates

Investments are carried at cost less accumulated impairment losses, if any. Where an indication of impairment exists, the carrying amount of the investment is assessed and written down immediately to its recoverable amount. On disposal of investments, the difference between net disposal proceeds and the carrying amounts are recognised in the Consolidated Statement of Profit and Loss.

g.4. Impairment of financial assets

The Group assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk. Note 34 details how the Group determines whether there has been a significant increase in credit risk.

For trade receivables only, the Group applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognised from initial recognition of the receivables. The Group has used a practical expedient as permitted under Ind AS 109. This expected credit loss allowance is computed based on a provision matrix which takes into account historical credit loss experience and adjusted for forward-looking information.

g.5. Derecognition of financial asset

A financial asset is derecognised only when the Group has transferred the rights to receive cash flows from the financial asset or retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Group evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised.

Where the entity has neither transferred a financial asset nor retains substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Group has not retained control of the financial asset. Where the Group retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

h) Financial Liabilities

Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in the consolidated statement of profit and loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan.

The fair value of the liability portion of optionally convertible bonds is determined using a market interest rate for equivalent non-convertible bonds. This amount is recorded as a liability on an amortised cost basis until extinguished on conversion or redemption of the bonds. The remainder of the proceeds is attributable to the equity portion of the compound instrument. This is recognised and included in shareholders' equity, net of income tax effects, and not subsequently remeasured.

Borrowings, where there is a change in the terms of the agreements whether monetary, non-monetary or both shall be accounted for as an modification or an extinguishment of the original financial liability and the recognition of a new liability. The difference between the carrying amount of a financial liability (or part of a financial liability) extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, shall be recognised in the consolidated statement of profit and loss.

Borrowings are classified as current liabilities unless the Group has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

Trade and other payables

These amounts represent liabilities for goods and services provided to the Group prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within the operating cycle of the business. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method, if any.

Financial Guarantee Contracts

Financial guarantee contracts issued by the group are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of impairment loss allowance determined as per impairment requirements of Ind-AS 109 and the amount recognised less cumulative amortisation.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the consolidated statement of profit or loss.

i) Inventories

Inventories are valued at cost or net realisable value, whichever is lower. Cost of inventories comprises all cost of purchases inclusive of duties (except the refundable component) and other incidental expenses incurred in bringing such inventories to their present location and condition. In determining the cost, moving weighted average cost method is used. Net realisable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale. The comparison of cost and net realizable value is made on item by item basis.

j) Trade receivables

Trade receivables are recognised initially at fair value and subsequently measured at amortised cost using the effective interest method, less provision for impairment.

k) Income taxes

Income tax expense for the year comprises of current tax and deferred tax. Income tax is recognized in the Consolidated Statement of Profit and Loss except to the extent that it relates to items recognized in 'Other comprehensive income' or directly in equity, in which case the tax is recognized in 'Other comprehensive income' or directly in equity, respectively.

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate adjusted by changes in deferred tax assets and liabilities arising on the temporary differences and to unused tax losses.

Current tax

Calculation of current tax is based on tax rates applicable for the respective years on the basis of tax law enacted or substantially enacted at the end of the reporting period. Current income tax assets and/or liabilities comprise those obligations to, or claims from, fiscal authorities relating to the current or prior reporting periods, that are unpaid/un-recovered at the reporting date. Current tax is payable on taxable profit, which differs from the profit or loss in the financial statements. Current tax is charged to consolidated statement of profit and loss. Provision for current tax is made after taking in to consideration benefits admissible under Income Tax Act, 1961.

Deferred taxes

Deferred income taxes are calculated, without discounting using the balance sheet method on temporary differences between the carrying amounts of assets and liabilities and their tax bases using the tax laws that have been enacted or substantively enacted by the reporting date. However, deferred tax is not provided on

the initial recognition of an asset or liability unless the related transaction is a business combination or affects tax or accounting profit. Tax losses available to be carried forward and other income tax credits available to the entity are assessed for recognition as deferred tax assets.

Deferred tax liabilities are always provided for in full. Deferred tax assets are recognised to the extent that it is probable that they will be able to be utilized against future taxable income.

Deferred tax assets are recognised to the extent that it is probable that the underlying tax loss or deductible temporary difference will be utilised against future taxable income. This is assessed based on the Group's forecast of future operating income at each reporting date.

Deferred tax assets and liabilities are offset only when the entity has a right and intention to set off current tax assets and liabilities from the same taxation authority.

Minimum Alternative Tax (MAT)

Minimum alternate tax credit entitlement paid in accordance with tax laws, which gives rise to future economic benefit in form of adjustment to future tax liability, is considered as an asset to the extent management estimates its recovery in future years.

I) Leases

Operating lease

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases.

Where the Group is lessee:

Lease rentals in respect of operating lease arrangements including assets taken on operating lease are recognized as an expense in the Consolidated Statement of Profit and Loss on straight line basis over the lease term.

Where the Group is lessor:

Lease income on an operating lease arrangement is recognized in the Consolidated Statement of Profit and Loss on straight line basis over the lease term.

Finance lease

Where the Group is lessee

Finance leases, which effectively transfer to the Group substantially all the risks and benefits incidental to ownership of the leased item, are capitalized at the inception of the lease term at the lower of the fair value of the leased property and present value of minimum lease payments. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are recognised as finance costs in the Consolidated Statement of Profit and Loss. Lease management fees, legal charges and other initial direct costs of lease are capitalised.

A leased asset is depreciated on a straight-line basis over the useful life of the asset as determined by the management or the useful life envisaged in Schedule II to the Act, whichever is lower. However, if there is no reasonable certainty that the Group will obtain the ownership by the end of the lease term, the capitalized asset is depreciated on a straight-line basis over the shorter of the estimated useful life of the asset, the lease term and the useful life envisaged in Schedule II to the Act.

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item, are classified as operating leases. Operating lease payments are recognised as an expense in the Consolidated Statement of Profit and Loss on a straight-line basis over the lease term.

Where the Group is the lessor:

Leases in which the Group transfers substantially all the risks and benefits of ownership of the asset are classified as finance leases. Assets given under finance lease are recognised as a receivable at an amount equal to the net investment in the lease. After initial recognition, the Group apportions lease rentals between the principal repayment and interest income so as to achieve a constant periodic rate of return on the net investment outstanding in respect of the finance lease. The interest income is recognised in the Consolidated Statement of Profit and Loss. Initial direct costs such as legal costs, brokerage costs, etc. are recognised immediately in the Consolidated Statement of Profit and Loss.

m) Foreign exchange transactions

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of transaction.

Conversion

Foreign currency monetary items are retranslated using the exchange rate prevailing at the reporting date. Non-monetary item, which are measured in terms of historical cost denomination in a foreign currency, are reported using the exchange rate at the date of transaction. Except for non-monetary items measured at fair value which are translated using the exchange rates at the date when fair value was determined.

Monetary assets and liabilities outstanding as at Balance Sheet date are restated at the rate of exchange ruling at the reporting date.

Exchange difference

Exchange differences arising on the settlement of monetary items or on restatement of the Group's monetary items at rates different from those at which they were initially recorded during the year or reported in previous Financial Statements (other than those relating to fixed assets and other long term monetary assets) are recognised as income or as expenses in the year in which they arise.

n) Impairment of non-financial assets

Assessment for impairment is done at each Balance Sheet date as to whether there is any indication that a non-financial asset may be impaired. Indefinite-life intangibles are subject to a review for impairment annually or more frequently if events or circumstances indicate that it is necessary.

For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or group of assets is considered as a cash generating unit. Goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Group's cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the acquiree are assigned to those units.

If any indication of impairment exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made. Asset/cash generating unit whose carrying value exceeds their recoverable amount are written down to the recoverable amount by recognizing the impairment loss as an expense in the Consolidated Statement of Profit and Loss. The impairment loss is allocated first to reduce the carrying amount of any goodwill (if any) allocated to the cash generating unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Recoverable amount is higher of an asset's or cash generating unit's fair value less cost of disposal and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset or cash generating unit and from its disposal at the end of its useful life. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the assets

carrying amount does not exceed the carrying amount that would have been determined, net of depreciation and amortization, if no impairment loss had been recognized. An impairment loss recognized for goodwill is not reversed in subsequent periods.

o) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Group or the counterparty.

p) Share-based payment

The Group operates equity-settled share-based remuneration plans for its employees, where persons are rewarded using share-based payments, the fair values of services rendered by employees and others are determined indirectly by reference to the fair value of the equity instruments granted. This fair value is appraised using the Black Scholes model.

In the case of employees and others providing similar services, the fair value is measured at the grant date. In the case of franchisees, consultants and investors the fair value is determined as services are received, using average fair values during each year. The fair value excludes the impact of non-market vesting conditions.

If vesting periods or other vesting conditions apply, the expense is allocated over the vesting period, based on the best available estimate of the number of share options expected to vest. Non-market vesting conditions are included in assumptions about the number of options that are expected to become exercisable.

Upon exercise of share options, the proceeds received up to the nominal value of the shares issued are allocated to share capital with any excess being recorded as additional paid-in capital.

q) Borrowing Cost

Borrowing cost includes interest and amortization of ancillary costs incurred in connection with the arrangement of borrowings. Borrowing costs directly attributable to the acquisition, construction or production of a qualifying asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as part of the cost of the respective asset. All other borrowing costs are expensed in the period they occur.

r) Contingent liabilities, contingent assets and provisions

Contingent liabilities

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Group or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognized because it cannot be measured reliably. The Group does not recognize a contingent liability but discloses its existence in the Consolidated Financial Statements.

Contingent Assets

Possible inflows of economic benefits to the entity that do not yet meet the recognition criteria of an asset are considered contingent assets.

Provisions

A provision is recognized when the Group has a present obligation or constructive obligation as a result of past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

All repairs and maintenance cost of hardware sold under the contracts during the remaining contract period is borne by the Group on the basis of experience of actual cost incurred in servicing such hardware during the previous financial year. Provision are not recognised for future operating losses.

Provisions are discounted to their present value and are determined based on the best estimate required to settle the obligation at the reporting date. These estimates are reviewed at each reporting date and adjusted to reflect the current best estimates.

Where the Group expects some or all of a provision to be reimbursed, the reimbursement is recognized as a separate asset but only when the reimbursement is virtually certain and the amount of recovery can be measured reliably. The expense relating to any provision is presented in the Consolidated Statement of Profit and Loss net of any reimbursement.

s) Equity and Reserves

Share capital represents the nominal value of shares that have been issued.

Proceeds received in addition to the nominal value of the shares issued during the year have been included in "additional paid-in capital".

t) Earnings per share

Basic earnings per share is calculated by dividing the net profit or loss for the year attributable to equity shareholders after tax by the weighted average number of equity shares outstanding during the year. The weighted average number of equity shares outstanding during the period, are adjusted for events of bonus issued to existing shareholders.

For the purpose of calculating diluted earnings per share, the net profit or loss attributable to equity shareholders and the weighted average number of shares outstanding are adjusted for the effects of all dilutive potential equity shares, if any.

u) Cash and cash equivalents

For the purpose of presentation in the statement of cash flows, cash and cash equivalents includes cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the balance sheet.

v) Employee benefits

Short term employee benefits

Short term benefits comprise of employee costs such as salaries, bonuses, and accumulated absences are accrued in the year in which the associated services are rendered by employees of the Group and are measured at the amounts expected to be paid when the liabilities are settled.

The liabilities are presented as current employee benefit obligations in the balance sheet.

Other long term employee benefits

The liabilities for accumulated absences are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method. The benefits are discounted using the market yields of Indian Government at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the consolidated statement of profit and loss.

Post-employment obligations

The Group operates the following post-employment schemes:

- (a) defined benefit plans such as gratuity, pension, post-employment medical plans; and
- (b) defined contribution plans such as provident fund.

Pension and gratuity obligations

The liability or asset recognised in the consolidated balance sheet in respect of defined benefit pension and gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the consolidated statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the consolidated statement of changes in equity and in the consolidated balance sheet.

Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in the consolidated statement of profit and loss as past service cost.

Defined contribution plan

A defined contribution plan is a plan under which the Group pays fixed contributions into an independent fund administered by the government. The entity has no legal or constructive obligations to pay further contributions after its payment of the fixed contribution.

Contributions to Provident Fund, Labour Welfare Fund and Employee State Insurance are deposited with the appropriate authorities and charged to the Consolidated Statement of Profit and Loss on accrual basis. The Group has no further obligations under these plans beyond its monthly contributions.

w) Exceptional items

Items of income or expense from ordinary activities which are of such size, nature or incidence that, their disclosure is relevant to explain the performance of the enterprises for the period, are disclosed separately in the Consolidated Statement of Profit and Loss.

x) Measurement of fair values

A number of the accounting policies and disclosures require measurement of fair values, for both financial and non-financial assets and liabilities. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows:

Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).

Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The Group has an established control framework with respect to the measurement of fair values. This includes a finance team that has overall responsibility for overseeing all significant fair value measurements, including Level 3 fair values.

The finance team regularly reviews significant unobservable inputs and valuation adjustments. If third party information is used to measure fair values, then the finance team assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified.

When measuring the fair value of an asset or a liability, the Group uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

The Group recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred. Further information about the assumptions made in measuring fair values used in preparing these consolidated financial statements is included in the respective notes.

y) Recent accounting pronouncements

Ministry of Corporate Affairs ("MCA"), through Companies (Indian Accounting Standards) Amendment Rules, 2019 and Companies (Indian Accounting Standards) Second Amendment Rules, has notified the following new and amendments to Ind AS which the Group has not applied as they are effective from annual periods beginning on or after April 1, 2019:

Ind AS – 116

On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 116, Leases. Ind AS 116 will replace the existing leases Standard, Ind AS 17 Leases, and related interpretations. The Standard sets out the principles for the recognition, measurement, presentation and disclosure of leases for both parties to a contract i.e., the lessee and the lessor. Ind AS 116 introduces a single lessee accounting model and requires a lessee to recognize assets and liabilities for all leases with a term of more than 12 months, unless the underlying asset is of low value. Currently, operating lease expenses are charged to the statement of profit & loss. The Standard also contains enhanced disclosure requirements for lessees. Ind AS 116 substantially carries forward the lessor accounting requirements in Ind AS 17.

The Group is evaluating the requirements of Ind AS 116 and has not yet determined its impact on the financial statements.

Ind AS – 12 Appendix C, Uncertainty over Income Tax treatments:

On March 30, 2019, Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatment which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to Appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, when determining tax profit (tax loss), tax bases, unused tax losses, unused tax credit and tax rates.

The standard permits two possible methods of transition- i) Full retrospective approach- Under this approach, Appendix C will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 – Accounting Policies, Change in Accounting Estimates and Errors, without using hindsight and ii) retrospectively with cumulative effect of initially applying Appendix C recognized by adjusting equity on initial application without adjusting comparatives.

The Group will adopt the standard from April 1, 2019 and has decided to adjust the cumulative effects in equity on the date of initial application i.e. April 1, 2019 without adjusting comparatives.

The effect of adoption of Ind AS 12 Appendix C would be insignificant in the financial statements.

Amendment to Ind AS 12- Income Taxes

On March 30, 2019, Ministry of Corporate Affairs issued amendments to the guidance in Ind AS 12, "Income

Taxes”, in connection with accounting for dividend distribution taxes.

The amendment clarifies that an entity shall recognize the income tax consequences of dividend in profit or loss, other comprehensive income or equity according to where the entity originally recognized those past transactions or events.

The Group does not expect any impact from this amendment.

Amendment to Ind AS 19- Plan amendment, curtailment or settlement

On March 30, 2019, Ministry of Corporate Affairs issued amendments to Ind AS 19, “Employee benefits”, in connection with accounting for plan amendments, curtailments and settlements.

The amendment requires an entity:

- to use updated assumptions to determine current service cost and net interest for the remainder of the period after a plan amendment, curtailment or settlement; and
- to recognize in profit or loss as a part of past service cost, or a gain or loss on settlement, any reduction in surplus, even if that surplus was not previously recognized because of the impact of the asset ceiling.

The Group does not expect any impact from this amendment.

Amendment in Ind AS 23 – Borrowing Costs

The amendments clarify that if any specific borrowing remains outstanding after the related asset are ready for its intended use or sale, that borrowing becomes part of the funds that an entity borrows generally when calculating the capitalization rate on general borrowings.

The Group does not expect any impact from this amendment.

z) Critical estimates and judgments

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgement in applying the Group's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the consolidated financial statements.

Critical estimates and judgments

The areas involving critical estimates or judgments are:

- **Estimated useful life of property, plant and equipment and intangible asset**
The estimated useful life of property, plant and equipment is based on a number of factors including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.
The Group reviews, at the end of each reporting date, the useful life of property, plant and equipment and intangible asset and changes, if any, are adjusted prospectively, if appropriate
- **Recoverable amount of property, plant and equipment**
The recoverable amount of plant and equipment is based on estimates and assumptions regarding in particular the expected market outlook and future cash flows. Any changes in these assumptions may have a material impact on the measurement of the recoverable amount and could result in impairment.

- Estimation of defined benefit obligation

Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates as well as assumptions concerning future developments in discount rates, the rate of salary increases and the inflation rate. The Group considers that the assumptions used to measure its obligations are appropriate and documented. However, any changes in these assumptions may have a material impact on the resulting calculations.

- Recognition of deferred tax assets for carried forward tax losses and current tax expenses

The Group review carrying amount of deferred tax assets and Liabilities at the end of each reporting period. The policy for the same has been explained under Note No 2(k).

- Going concern

When preparing consolidated financial statements, management make an assessment of an entity's ability to continue as a going concern. Financial statements prepared on a going concern basis unless management either intends to liquidate the entity or to cease trading, or has no realistic alternative but to do so. When management is aware, in making its assessment, of material uncertainties related to events or conditions that may cast significant doubt upon the entity's ability to continue as a going concern, those uncertainties shall be disclosed.

- Impairment of trade receivables

The Group review carrying amount of Trade receivable at the end of each reporting period and Provide for Expected Credit Loss. The policy for the same explained in the Note No.2 (g) (4).

- Fair value measurement

Management uses valuation techniques in measuring the fair value of financial instruments where active market quotes are not available. Details of the assumptions used are given in the notes regarding financial assets and liabilities. In applying the valuation techniques, management makes maximum use of market inputs and uses estimates and assumptions that are, as far as possible, consistent with observable data that market participants would use in pricing the instrument. Where applicable data is not observable, management uses its best estimate about the assumptions that market participants would make. These estimates may vary from the actual prices that would be achieved in an arm's length transaction at the reporting date.

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Group and that are believed to be reasonable under the circumstances.

- (x) Term loans (l), (m) and (s), reflecting in previous year ended March 31, 2018 pertains to Educomp Infrastructure and School Management Ltd (EISML) and one of its subsidiary Educomp Knowledge Vista Limited respectively. As the Holding company has lost control over such subsidiaries during the year, such subsidiaries have not been considered for consolidation in preparing these consolidated financial statements. Therefore, the same has not been carried forward during the current year. Also refer note 40(A).3.

(xi) Corporate debt restructuring scheme- ESL

The Holding Company executed the Master Restructuring Agreement (MRA)/other definitive documents on March 26, 2014 with the majority of its lenders banks, consequent to approval from Corporate Debt Restructuring Empowered Group (CDR-EG) to re-structure Company's existing debt obligations, including interest, additional funding and other terms (hereafter referred to as "the CDR Scheme"). As a part of the CDR Scheme, the promoters were required to contribute funds in accordance with letter of approval. As a consequence, the Holding Company has received a contribution from its promoter amounting to Rs. 614.65 million as at March 31, 2019 (As at March 31, 2018 Rs. 614.65 million). The same has been received as interest free unsecured loan. Refer above loan from others - unsecured (c). The MRA has been signed by all the lender banks and the Holding Company has complied with all necessary conditions precedent. From April 01, 2013 (the "cut-off date"), the interest on the restructured debts has been recomputed and provided at the effective interest rates as per the CDR scheme on the balances as appearing in the books of account pending confirmations from various lenders. Accordingly, the interest payable to these banks has been recalculated in accordance with the CDR scheme. Considering the MRA have been signed by all the lender banks, the Holding Company had accounted for CDR scheme (reclassifications and interest calculations) in the books during the year ended March 31, 2016 and March 31, 2015 as follows:

- (i) The rate of interest was changed and reduced to 11% with effect from April 01, 2013. The interest due with effect from April 01, 2013 till March 31, 2016 at revised rates amounting to Rs. 919.62 million in March 31, 2016 and Rs. 886.60 million in April 01, 2015 was converted into Funded Interest Term Loan (FITL (a)).
- (ii) The moratorium period for principle amount after restructure shall be 30 months from the cut off date of April 01, 2013.
- (iii) The CDR scheme envisages monetization of certain assets of the Company and its subsidiaries.
- (iv) The revised charge in favour of lenders as per the terms of MRA, is pending registration.

Pursuant to approved CDR scheme and in terms of Master Restructuring Agreement, the Holding Company had acquired trade receivable of Edu Smart Services Private Limited (ESSPL). To acquire these receivables the Holding Company had been granted loan by the CDR lenders. These receivables accrue to Edu Smart Services Private Limited under Tripartite agreement between, the Company, ESSPL and Schools/trust wherein in substance, the Company was key service provider. Towards settlement of rest of the consideration, the Holding Company has adjusted its receivable from ESSPL. The Holding Company took over these receivables to improve the recoverability and to provide

(All amount in Rs. million, unless otherwise stated)

uninterrupted services to these schools in future. Pursuant to implementation of approved Corporate Debt Restructuring Scheme (CDR scheme), certain lenders have disbursed fresh corporate loans to the Holding Company and corresponding trade receivables were bought from Edu Smart Services Private Limited (ESSPL) together with future business relating to this customers, as explained above. Due to this restructuring, the remaining receivables in ESSPL may not yield adequate surplus to discharge its liability towards the Holding Company for trade receivables and redemption of redeemable non convertible preference shares. However, the approved CDR Scheme has mandated merger of ESSPL with the Holding Company and accordingly, the Holding Company has initiated the process and has taken the approval of Board of Directors in the board meeting held on January 13, 2015. Pursuant to MRA, the Holding Company had committed default in payment or repayment of installments of principal amounts of the Restructured Loans, Corporate loans and/or the Additional Rupee Loan or interest thereon or any combination thereof, accordingly CDR Lenders, Corporate loan lenders and/or the Additional Rupee Lenders, at their discretion, have the right to convert at their option the whole of the outstanding amount or part of the defaulted amount into fully paid-up equity shares of the Holding Company, but the lenders have not exercised the rights as at balance sheet date. Corporate debt restructuring scheme- EISML

The Company had executed the Master Restructuring Agreement (MRA) / other definitive documents on December 28, 2013 with the lending banks, consequent to approval from Corporate Debt Restructuring Empowered Group (CDR-EG) to re-structure Company's existing debt obligations, including interest, additional funding and other terms (hereafter referred to as "the CDR Scheme"). During the year 2016-17, the Company has entered into "Flexi Scheme 5-25" with its lenders and repayment of the loan is restructured.

31.1 During the year ended March 31, 2018, EISML had recorded an additional provision of Rs. 495.43 million. Certain vendors had filed legal action against Educomp Infrastructure School & Management Limited (EISML), an erstwhile subsidiary towards claim for their services provided in relation to land aggregation. These claims were adjudicated against EISML.

31.2a) During the year ended March 31, 2017, pursuant to a negotiated settlement entered with ICICI Bank, the Holding Company had divested its entire holding of 48,776 number of equity shares comprising 67% shareholding in Vidya Mandir Classes Limited (VMCL), a subsidiary of the Holding Company and conditional sale of Educomp Learning Hour Private Limited (ELHPL), a step down subsidiary of the Holding Company. As per clause 2.2 of "Share Purchase Agreement" (SPA) executed on July 25, 2016 with KB Educational Society ("KBES" or "the Purchaser"), purchase and sale of shares shall be completed in two tranches in the following manner:

Notes to Consolidated Ind AS Financial Statements for the year ended March 31, 2019

(All amount in Rs. million, unless otherwise stated)

Particulars	No. of shares to be transferred	Consideration (in Rs. Millions)	Referred in the agreement as
On closing 1 i.e. execution date	9,688	163.39	Tranche A Shares
On or before March 31, 2019 (closing 2)	39,088	742.26	Tranche B Shares
Total	48,776	905.65	

As per clause 2.3 of the agreement is reproduced here:

"The Sellers hereby acknowledge and understand that the Purchaser has agreed to purchase the sale shares on the basis of representation that all of sale Share shall be available to the Purchaser to acquire upto March 31, 2019. The Purchaser accordingly and based on its cash flows, has agreed to purchase all of Sale Shares in two tranches. It is clarified that though sale of all shares would be consummated in two tranches, interest of purchaser has been created in all sale shares no sooner Closing 1 takes place in terms of clause 8."

Based on terms and condition of SPA, an unconditional interest of Purchaser has been created in all the shares upon transfer of tranche A shares. Further, all the nominee directors of the Holding Company on the board of VMC were replaced by the nominees of the buyers to protect its "interest" created pursuant to this agreement.

The Purchaser has not exercised such rights till the exercise lapse date i.e. March 31, 2019. Accordingly, the transaction is not enforceable. Consequently, the transaction of sale of Tranche B shares (53.69% shareholding) recorded during F.Y. 2016-17 was reinstated during the F.Y. 2017-18 and the related consideration of Rs. 602.43 million shown as recoverable as at March 31, 2017 was reversed. Also, profit recognised during the financial year 2016-17 on such transaction of Rs. 324.46 million was also reversed during the F.Y. 2017-18.

- 31.3** During the year ended March 31, 2018, two subsidiaries namely Educomp Asia Pacific Pte. Ltd. (EAPL) and Edu Smart Services Private Limited (ESSPL) have filed for insolvency on June 30, 2017 and June 27, 2017 respectively and Resolution Professionals (RP) have been appointed in the respective companies and have gained the control over such subsidiaries. Therefore as per Ind AS 110 "Consolidated Financial Statements", the Holding company has lost control over these subsidiaries. Accordingly during the year ended March 31, 2018, the retained investment in the above mentioned subsidiaries were fair valued and the resultant difference amounting to Rs. 342.99 million was recognised as an exceptional item.

- a) The carrying amounts of trade and other payables, working capital borrowings, current loans and cash and cash equivalents are considered to be the same as their fair values, due to their short-term nature. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.
- b) The carrying amounts of trade receivables, loans, security deposits and investment in preference shares were calculated based on contractual cash flows, discounted using a current lending rate and the amortised values are considered to be the same as their fair values, as there is no change in the current and the previous year lending rates. These are classified as level 3 fair values in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk.
- c) The fair values of non-current borrowings are based on discounted cash flows using a current borrowing rate. They are classified as level 3 fair values in the fair value hierarchy due to the use of unobservable inputs, including own credit risk.
- d) As all the financial instruments have been fair valued using amortised cost accounting considering the unobservable inputs as explained in the note b) and c) above therefore all the financial assets and financial liabilities would fall into level 3 in the fair value hierarchy due to the inclusion of unobservable inputs including counterparty credit risk, own credit risk, contractual cash flows and lending rates.

Note 34 Financial Risk Management

Risk management objectives and policies

The Group is exposed to various risks in relation to financial instruments. The Group's financial assets and liabilities by category are summarised in Note 33.

The main types of risks are market risk, credit risk and liquidity risk.

The Group's risk management is coordinated by its board of directors through Resolution Professional, and focuses on actively securing the Group's short to medium-term cash flows by minimising the exposure to volatile financial markets.

The Group does not actively engage in the trading of financial assets for speculative purposes nor does it write options. The most significant financial risks to which the Group is exposed to, are described below:

34.1 Market risk

Market risk is the risk that changes in market prices will have an effect on Group's income or value of the financial assets and liabilities. The Group is exposed to various types of market risks which result from its operating and investing activities. The most significant financial risks to which the Group is exposed are described below:

(a) Foreign currency risk

The Group is exposed to exchange rate fluctuations as it undertakes transaction in various currencies. Various operating and investing activities during the year, in currencies other than functional currency of the Group, resulted in foreign currency financial assets and liabilities as on each reporting date.

As the Holding Company is currently undergoing CIRP process (refer note 1), Accordingly, a moratorium has been declared under section 14 of the code. All the foreign currency liabilities have been crystallised into INR as on May 30, 2017. Accordingly, there is no foreign currency risk till completion of CIRP.

(b) Price risk sensitivity

The Group does not have any financial asset or liability exposed to price risk as at reporting date.

(c) Interest rate sensitivity

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Group's exposure to the risk of changes in market interest rates relates primarily to the Group's long-term debt obligations with floating interest rates.

The Group's policy is to minimise interest rate cash flow risk exposure on long-term financing.

The interest rate profile of the Group's interest-bearing financial instruments as reported to the management of the Group is as follows:

The following table provides a break-up of the Group's fixed and floating rate borrowings:

Particulars	As at March 31, 2019	As at March 31, 2018
Fixed-rate borrowings (Refer note below)	3,406.19	3,490.40
Floating rate borrowings (Refer note below)	22,281.53	29,856.61
Total borrowings	25,687.72	33,347.01

Note: The above amounts reflect the contractual undiscounted cash flows, which may differ from the carrying values of the liabilities at the reporting date.

The following table illustrates the sensitivity of profit or loss and other components of equity to a reasonably possible change in interest rates of +/- 1% (March 31, 2018: +/- 1%). These changes are considered to be reasonably possible based on observation of current market conditions. The calculations are based on a change in the LIBOR rate for each year, and the financial instruments held as at end of reporting year that are sensitive to changes in interest rates, all other variables held constant.

Notes to Consolidated Ind AS Financial Statements for the year ended March 31, 2019 (All amount in Rs. million, unless otherwise stated)

34.2 CREDIT RISK

Credit risk is the risk that a counterparty fails to discharge an obligation to the Group. The Group is exposed to this risk for various financial assets, for example, by granting loans and receivables to customers, placing deposits, loans etc. the group's maximum exposure to credit risk is limited to the carrying amount of financial assets recognised at different reporting dates.

The Group continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls. The Group's policy is to deal only with creditworthy counterparties only.

In respect of trade and other receivables, the Group follows simplified approach which does not require the Group to track changes in credit risk. Rather, it recognises impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition. However, the Group records full credit loss on the receivables for which the Group had filed litigation.

Lifetime ECL is the expected credit loss resulting from all possible default events over the expected life of a financial asset.

The Group uses a provision matrix to determine impairment loss allowance on portfolio of its trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivables and is adjusted for forward-looking estimates. At every reporting date, the historically observed default rates are updated and changes in the forward-looking estimates are analysed. On that basis, the Group estimates the following provision matrix at the reporting date:

	0-180 days	180-365 days	more than 360 days
Default rate	6%	9%	38%

For recognition of impairment loss on other financial assets and risk exposure, the Group determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-month ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the entity reverts to recognising impairment loss allowance based on 12-month ECL.

The 12-month ECL is a portion of the lifetime ECL which results from default events that are possible within 12 months after the reporting date.

The credit risk for cash and cash equivalents and other financial instruments is considered negligible and no impairment has been recorded by the Group.

Significant estimates and judgements

Impairment of financial assets

The impairment provisions for financial assets disclosed above are based on assumptions about risk of default and expected loss rates. The Group uses judgement in making these assumptions and selecting the inputs to the impairment calculation, based on the Group's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

34.3 Liquidity risk

Liquidity risk is the risk that the Group might not be able to meet its obligations. The Group manages its liquidity needs by monitoring scheduled debt servicing payments for long-term financial liabilities as well as forecast cash inflows and outflows due in day-to-day business. The data used for analysing these cash flows is consistent with that used in the contractual maturity analysis below. Liquidity needs are monitored in various time bands, on a day-to-day and week-to-week basis, as well as on the basis of a rolling 30-day projection. Long-term liquidity needs for a 180-day and a 360-day lookout period are identified monthly. Net cash requirements are compared to available borrowing facilities in order to determine headroom or any shortfalls. This analysis shows that available borrowing facilities are expected to be sufficient over the lookout period.

The Group's objective is to maintain sufficient cash and marketable securities to meet its liquidity requirements for 30-day periods at a minimum.

As the Holding Company is currently undergoing CIRP process (refer note 1(a)), the current liquidity risk management is therefore restricted to the management of current assets and liabilities and the day to day cash flows of the Holding Company.

Notes to Consolidated Ind AS Financial Statements for the year ended March 31, 2019

(All amount in Rs. million, unless otherwise stated)

As at end of reporting year, the Group's financial liabilities have contractual maturities* as summarised below :

March 31, 2019				
Particulars	Upto 1 year	1 to 3 years	Above 3 years	Total
Borrowings	25,073.07	-	614.65	25,687.72
Trade payables	1,328.51	-	-	1,328.51
Other financial liabilities	4,234.80	-	-	4,234.80
Total	30,636.38	-	614.65	31,251.03

March 31, 2018				
Particulars	Upto 1 year	1 to 3 years	Above 3 years	Total
Borrowings	32,732.36	-	614.65	33,347.01
Trade payables	1,286.98	-	-	1,286.98
Other financial liabilities	5,223.82	-	-	5,223.82
Total	39,243.16	-	614.65	39,857.81

*The above amounts reflect the contractual undiscounted cash flows, which may differ from the carrying values of the liabilities at the reporting date. Further Current maturities of long term loans have been reclassified from other financial liabilities to borrowings to reflect the maturity profile of borrowings in a better manner. Pursuant to delays in repayment of loan/interest payments and ongoing CIRP process of the Holding Company (refer note 1(a)), the future contractual interest payments in respect of Holding Company has not been considered in above table.

The Group did not have access to any undrawn borrowing facilities at the end of the reporting period.

Note 35 Capital management

(a) Risk Management

The Group's capital management objectives are to ensure the Group's ability to continue as a going concern as well as provide an adequate return to shareholders by pricing products and services commensurately with the level of risk.

In determining its capital structure, Group considers the robustness of future cash flows and to maintain an optimal structure to reduce the cost of capital.

The Group monitors gearing ratio i.e. Net debt in proportion to its overall financing structure, i.e. equity and debt. Equity comprises of all the components of equity (i.e. share capital, additional paid in capital, retained earnings etc.). Net debt comprises of total borrowings less cash and cash equivalents of the Group. In order to maintain or adjust the capital structure, the Group may adjust the amount by issue of new shares or sell assets to reduce the debt. However, in view of certain adverse factors and liquidity problems faced by the Holding Company, the net worth of the Holding Company has been fully eroded and the Holding Company is presently under CIRP process and however, continues to operate as a going concern.

	As at March 31, 2019	As at March 31, 2018
Net debt	25,173.56	32,632.59
Equity	(27,941.15)	(22,574.29)
Net Debt to equity ratio	(0.90)	(1.45)

(i) Loan covenants

Under the terms of the master restructuring agreement, the Group is required to comply with the following financial covenants:

- Without the prior approval of CDR Lenders/Monitoring Institutions the group shall not issue any debentures, raise any Loans, deposits from public, issue equity or preference capital, Change its capital structure or charge on its assets including its cashflow or give any guarantees save and except Permitted indebtedness.
- Without the prior approval of CDR Lenders/Monitoring Institutions the Group shall not recognise or register any transfer of shares in the borrowers' capital made or to be made by Promoter, their friends or associates except as may be specified

Greycells18 Media Private Limited (Refer note 40A.4)	India	10.31%	25.78%	Providing education through TV channel and Electronic Media.		

40A.1 These represents EISML and it's subsidiaries. They are engaged in the business of construction of school buildings to let out the same to educational institutions. They also provides maintenance and transportation facilities, management services, content and brand licensing and other services to educational institutions. Due to loss of control in EISML, subsidiaries of EISML has also not been consolidated during the year. (refer note 40A.3).

40A.2 These represents EOSSL and it's subsidiaries. They are engaged in providing internet based educational services and coaching.

40A.3 Educomp - Raffles Higher Education Limited is primarily engaged in the business of setting up and running professional, technical and vocational education institute in India. 40A.3 Loss of control:

- (i) During the year ended March 31, 2019, 1 subsidiary namely Educomp infrastructure and school management limited (EISML) has filed for insolvency on April 25, 2018 consequent to which Resolution Professionals (RP) have been appointed in the company and all the powers to direct the state of affairs of the company rests with the RP. Accordingly, by virtue of provisions of Ind AS 110 Consolidated Financial Statement, the Holding Company has lost its controlling power over the EISML and its 24 step-down subsidiaries (EISML group) and have not been consolidated in current year.
- (ii) In absence of financial or other information from the overseas subsidiaries since beginning of CIRP period despite best efforts, it has been determined by the management of the holding company, that the Group has lost control over 5 overseas subsidiaries namely Edumatics Corporation Inc. USA, Savvica Inc., Canada, Educomp IntelProp Ventures Pte Limited, Educomp Global Holding FZE and Educomp Global WLL, during the year.

Further, According to Ind AS 110 "Consolidated Financial Statements", the Group was required to derecognised assets and liabilities of the subsidiaries on the date when the control was lost. Since the financial statements of these subsidiaries as on the date of loss of control are not prepared/available with the management, loss of control accounting, has been done on the basis the unaudited financial statements for the year ended March 31, 2016 in respect of 1 subsidiary namely Savicca Inc., Canada, and based on the audited financial information for the year ended March 31, 2017 in respect of 4 subsidiaries namely Edumatics Corporation Inc. USA, Educomp IntelliProp Ventures Pte Ltd, Educomp Global Holding WLL- Bahrain and Educomp Global FZE and for the year ended March 31, 2018 in respect of EISML including its step-down subsidiaries.

40A.4 An associate company namely Greycells 18 Media Limited ("Greycells") has issued fresh equity shares on November 01, 2018 and accordingly % of the holding in the Greycells has been declined from 25.78% to 10.30%. Resultant, the said associate ceased to be an associate of the Group from the aforesaid date. Accordingly, the Group discontinued to use of the equity method from the date when its investment ceases to be an associate. Since the financial statements of Greycells as on the date of cessation of associate is not prepared/available with the management, accounting for the said discontinuation, has been done on the basis of the last available audited financial statements for the year ended March 31, 2018.

40A.5 The true signed copy of the Financial statements of Educomp Professional Education Limited (EPEL), one of the subsidiary could not be fetched by the Group Management (the Resolution Professional and the team) despite their best efforts to contact the erstwhile Group Management and the subsidiary auditors M/s. Dinesh Kararia & Associates. Accordingly, as a last resort, the Group Management downloaded the XBRL Forms (Form AOC-4) from the Ministry of Corporate Affairs (MCA) site and considered the same for preparation of these Consolidated Ind AS financial Statements. The Group Management believes that the XBRL Financial Statements, as downloaded from the MCA site are reliable despite certain inconsistencies noticed therein.

Note 45. The Holding Company has filed a legal case against one former employee for recovery of certain damages amounting to Rs. 15 million arising from stealing of Holding Company's intellectual property right. The Management of Holding Company is hopeful of favourable outcome of such proceedings/case. However, the amount likely to be realized on settlement of such proceedings/case is currently not ascertainable realistically. The Holding Company does not expect any adverse impact on the financial position as a consequence of these proceedings/case. The Holding Company has recorded all expenses pertaining to legal & professional charges in respect of all such proceedings/case.

Note 46. Managerial Remuneration:

Due to inadequacy of the profits, managerial remuneration paid by the Holding Company to one of its Whole Time Director during the quarter ended June 30, 2015 and year ended March 31, 2015, was in excess of limits prescribed under Section 197 and 198 read with Schedule V to the Companies Act, 2013. Similarly, managerial remuneration paid during the financial year ended March 31, 2014 to one of its Whole Time Director was also in excess of limits prescribed under Section 198, 269 and 309 read with Schedule XIII of the Companies Act, 1956. The management of the Holding Company had filed an applications to the Central Government to obtain its approval for the waiver/approval of the remuneration so paid in years ended March 31, 2014, March 31, 2015 and quarter ended June 30, 2015.

Since the Holding Company has not received any response from the Central Government approving or granting any waiver for the said excess remuneration, pursuant to the provisions of Section 197(9) of the Companies Act, 2013, the Holding Company (through its resolution professional) has sought a refund via email dated December 28, 2020, for the entire excess remuneration paid. The amount is however, yet to be refunded by the Whole Time Director.

Note 47. In accordance with the provisions of the Insolvency and Bankruptcy Code (Insolvency Code), public announcement has been made for submission of proof of claims against the Holding Company from financial creditors, operational creditors and employees and workmen. As per the Insolvency Code, the Resolution Professional (RP) has to receive, collate and admit all the claims submitted against the Holding Company. Such claims can be submitted to the RP during the Corporate Insolvency Resolution Process (CIRP), till the approval of a resolution plan by Committee of Creditors (CoC).

Figures pertaining to the subsidiary companies have been reclassified wherever necessary to bring them in line with the group financial statements

49.1 The financial statement as at March 31, 2018, of Edumatics Corporation Inc. USA, Educomp IntelProp Ventures Pte Limited, Educomp Global Holding, Educomp Global FZE and Savvica Inc., Canada (Savvica), were not available with the Group Management/RP. These consolidated financial statements were prepared based on last available audited financial statements for the year ended March 31, 2017 in respect of Edumatics Corporation Inc. USA, Educomp IntelProp Ventures Pte Limited, Educomp Global Holding, Educomp Global FZE and unaudited financials for the year ended March 31, 2016 in respect of Savvica Inc., Canada (Savvica). During the year, the Group has lost control over the aforesaid subsidiaries. Refer note 40A.3

Notes to Consolidated Ind AS Financial Statements for the year ended March 31, 2019

(All amount in Rs. million, unless otherwise stated)

Note 50. As the holding company has lost control over EISML and its 24 step-down subsidiaries, consequent to which EISML and its subsidiaries (EISML group) were not consolidated during the year. Therefore, following disclosures related to EISML which were given in previous year financials have not been furnished in the current year:

50.1 Share reserved under contract/commitments under share Warrants

Pursuant to shareholders resolution dated July 20, 2010, EISML had issued, on July 26, 2010, 800,000 share warrants of Rs. 10 each on preferential basis to be converted into 800,000 equity shares of Rs. 10 each at a premium of Rs. 676 per share at the option of the holder after a period of one year from the date of issue, subject to maximum period of ten year from the date of issuance and payment of the issue price (including premium) of the equity shares. After period of ten years, the unissued share warrants shall stand forfeited.

50.2 Hitherto, EISML has been charging annual variable license fee based on applicable agreements for the land and/or building on mutual consent. During the year, some of the licensees who were paying variable license fee, apparently carried out fair valuations to substantiate the variable license fee, being charged by the EISML, to their respective regulatory authorities. Based on valuation reports, they disputed such fees charged by EISML. EISML has not agreed to the claims of the licensees where the variable license fee has been reduced as compared to the last year. However in some cases the variable license fee, based on these valuation reports, is higher than that charged in previous year. For the purpose of the financial statements being prepared on prudent accounting principles, EISML has recognized revenue only to the extent of fair valuation reports and has not recognised the revenue to the extent of Rs. 139.21 millions.

50.3 Managerial Remuneration:

Due to inadequacy of the profits during the financial year ended March 31, 2014, managerial remuneration paid/recorded, by EISML to its managing directors during financial year ended March 31, 2014, was in excess of the limits provided under section 198, 269, 309 read with schedule XIII of the Companies Act, 1956.

The Management of EISML has submitted an application to the Central Government to obtain its approval for the waiver of remuneration pertaining upto the year ended March 31, 2014.

50.4 In accordance with the provisions of the Insolvency and Bankruptcy Code (Insolvency Code), public announcement has been made for submission of proof of claims against EISML from financial creditors, operational creditors and employees and workmen. As per the Insolvency Code, the Resolution Professional (RP) has to receive, collate and admit all the claims submitted against EISML. Such claims can be submitted to the RP during the Corporate Insolvency Resolution Process (CIRP), till the approval of a resolution plan by Committee of Creditors (CoC). Subsequent to the signing of consolidated financial statements of EISML the National Company Law Tribunal (NCLT) has approved the resolution plan for EISML vide its order dated December 14, 2020.

Till the date of approval of resolution plan by NCLT, following claims have been filed against EISML by its creditors (financial and operational), employees and workmen.

Particulars	Claimed Amount	Admitted Amount	Not Admitted
Creditors (financial)	11,982.60	9,049.40	2,933.20
Creditors (operational)	68.10	49.60	18.50
Workmen and employees	1.30	1.10	0.20
	12,052.00	9,100.10	2,951.90

50.5 The ability of EISML to service its debt was significantly impaired due to inability of its tenants to pay their dues due to significant changes in the regulatory framework applicable to tenants/school. However EISML has initiated legal action to recover its dues from these tenants. In the meantime EISML has filed application under section 10 of Insolvency and Bankruptcy code, 2016 on January 11, 2018 to resolve its debt position.

50.6 Knowledge Vistas Limited (KVL), a subsidiary of EISML, has taken land from Lavasa Corporation Limited on lease vide lease agreement dated June 30, 2009 for a period of 999 years to construct an international residential school. Further, KVL has entered into a sublease agreement with Gyan Kunj Educational Trust (GKET) to sublease the school building. As per the sub lease agreement, GKET shall be liable to pay lease rental to KVL from the year in which it has cash surplus. GKET has started its operation in Academic session 2011-12, but due to environmental matters, GKET has decided to suspend its operation and waiting for favourable business opportunities.

On the basis of the valuation report from an Independent valuer, the carrying cost of the EISML Group's asset is not less than it's realisable value. Hence, the management of EISML doesn't anticipate any asset impairment. Accordingly the consolidated financial statements of EISML have been prepared on a going concern basis and do not include any adjustments relating to the recoverability

and classification of recorded assets, or to amounts and classification of liabilities that may be necessary if the entity is unable to continue as a going concern.

50.7. As per the terms of MRA and approved CDR scheme of EISML, there are certain assets of the EISML & its subsidiaries (EISML Group) which have been identified for sale in a time bound manner. The lead bank carried out a valuation of these assets which are indicative in nature. Market valuations have not been carried out by the EISML Group as some of these assets are not ready for sale due to pending regulatory approvals/permissions.

Based on recent firm offers and latest valuation reports, the management believes that the market value of investments is higher than as considered under the indicative valuation reports and differences, if any, are temporary only. Therefore, no adjustment is required to the carrying value of these investments.

EISML has incurred losses and its debt related obligation in form of Funded Interest Term Loan has been converted into 0.1% Cumulative Compulsory Convertible Preference Shares during the year. Based on projected cash flows, it shall have sufficient funds to run its operations in foreseeable future. As regards availability of requisite funds to meet its debt related obligations overdue and including those falling due in year 2017-18 as per the CDR package executed with lenders, it intends to monetize its assets identified for sale to meet the necessary obligations. The Company is also taking several measures to improve operational efficiencies and other avenues of raising funds.

EISML management is confident that with the above measures and continuous efforts to improve the business, it would be able to generate sustainable cash flow to discharge its short-term and long term liabilities and recover & recoup the erosion in its net worth through profitable operations and continue as a going concern. Accordingly, the consolidated Ind As financial results of EISML Group have been prepared considering its financial statement on a going concern basis and do not include any adjustments relating to the recoverability and classification of recorded assets, or to amounts and classification of liabilities that may be necessary if EISML is unable to continue as a going concern.

50.8 Due to non maintenance of Escrow arrangements/water fall mechanism and breach of various other documents executed by customers/trust with the lenders of the EISML, the EISML had initiated legal proceedings against these customers/trusts. Due to uncertainty of the outcome of legal proceedings recovery from outstanding trade receivable is uncertain, Therefore, out of the amount receivable from various trusts/schools aggregating to Rs 2,241.97 million (including loan), comprising of:

Particulars	Balance as on March 31, 2018	Provision during the year	Balance as on March 31, 2018
Fixed Rental	614.64	602.66	11.98
Variable Rental	423.61	421.38	2.23
Services and others	608.37	607.98	0.39
Total	1,646.62	1,632.02	14.60
Loan	483.50	117.87	365.63
Interest on loan	538.32	308.61	229.71
Total	1,021.82	426.48	595.34

EISML has provided the amount outstanding trade receivable for more than a year from these customers/trust as doubtful of recovery and recorded a provision of Rs 1,632.02 million (2017 - Nil) against trade receivable and a provision against loan given to trust amounting of Rs 117.87 million (2017- Nil) and interest thereon of Rs 308.61 million (2017 - Nil).

50.9 The EISML is currently subjected to the investigations by Serious Fraud Investigation Office (SFIO) and the Central Bureau of Investigation (CBI). Certain information have been requested by them from EISML and the investigations are currently underway. The EISML is yet to get any orders or directions in this respect from the said Authorities.
