REVIEW OF OPERATIONS

2021 was a defining year for private equity industry which saw a significant growth in the number of deals and notable secondary transactions and IPOs. Secondary transactions led 60% of the exit value, anchored by a few marquee deals. Further, companies with PE backing accounted for at least five high-profile IPOs during the year in a major shift as the SEBI relaxed IPO norms. Retail investor appetite for tech-led scrips further drove record levels of oversubscription for these IPOs

Global headwinds since early 2022 are likely to affect the funding outlook for the rest of the year. Although investments in 2022 are expected to remain in a similar range as 2021 (driven by existing dry powder), the pace and quality of deals is likely to shift. A few emergent sectors, however, will continue to see interest

At IIML, the team has primarily focussed on divestments. The developments at the IL&FS Group has had a negative impact on IIML and its brand equity. They have significantly impinged on IIML's business plans for revenue growth. The newly constituted IL&FS Board has initiated the process to sell its holding in IIML. Revival of the business will depend on the outcome of the process

On the debt Fund side, IIML, through its subsidiary operates the Infrastructure Debt Fund (IDF). The IDF has closed ended schemes and AUM as of March 31, 2022 was ₹ 13.75 bn

IIML's joint venture with Government of Andhra Pradesh performed very well during the year which is reflected in a significant jump in their revenues. Notwithstanding the Covid related lockdowns, this joint venture managed to bag quite a few new contracts and is implementing a slew of projects in the State of Andhra Pradesh

On a consolidated basis, the Income from Operations of the Company for FY2022 was ₹ 416.54 mn and Other Income was ₹ 157.70 mn. Accordingly, the Total Income on a consolidated basis for FY2022 was ₹ 574.24 mn. The total expenses on consolidated basis were ₹ 421.12. The resultant Profit Before Tax and Exceptional Items on a consolidated basis for FY2022 was ₹ 153.12 mn

On a standalone basis, the Total Income of the Company for FY2022 was ₹ 243.45 mn and the Total Expenses for the year were ₹ 123.05 mn and the resultant Profit after Tax before other comprehensive income for FY2022 was ₹ 124.97 mn

MATERIAL CHANGES FROM THE END OF THE FINANCIAL YEAR

There have been no material changes and commitments affecting the financial position of the Company, which have occurred from the end of the financial year for the Company to which the financial statement relates and till the date of the Directors' Report

DIRECTORS' REPORT

SUBSIDIARIES AND JOINT VENTURES

Your Company has Six Domestic Subsidiaries viz. MANAGEMENT DISCUSSION AND ANALYSIS

(I) Business Overview

1. Global Economy

The outlook for the Global economy has turned negative, primarily because of Russia's invasion of Ukraine. In addition to the war, frequent and wider-ranging lockdowns in China including in key manufacturing hubs have also slowed activity there and could cause new bottlenecks in global supply chains. The anticipated decline in the supply of commodities has already driven their prices up sharply and has led to food and fuel inflation globally

Amid a global inflationary surge, the Fed in USA led a tightening of global monetary conditions. It projects faster rate hikes amid surge in inflation, and consequently slower US growth in 2022. The global real GDP is expected to decelerate to 3% growth in 2022 (from the IMF's 4.4% forecast), as developed economies decelerate to 2% growth and emerging economies to 4%. India's current account deficit is expected to remain unchanged at 1% of GDP in FY2023

2. India Economy

Investors have demonstrated confidence in India as one of the most promising growth economies of the 21st century. IMF estimates value India's economy at around \$3 trillion in 2021 which is expected to increase to \$5 trillion in five years i.e. by FY2027

This growth path is underpinned by the Indian Government efforts to enable a more robust and self-reliant country. India's attraction is also being soundly aided by geopolitical tailwinds, stemming from nervousness about the impact of China's attempt to rein-in capitalism. Multinationals have a large overdependence on the Chinese manufacturing sector. In a time of political tension and supply chain pressure, they are looking to diversify their partners. India is proving a popular choice, offering up a cost effective, reliable and English speaking alternative

The Central Bank (RBI) clearly surprised markets by going for a rather abrupt 40 bps hike in policy rate, signaling withdrawal of accommodation and also hiking the CRR rate by 50bps. Since Apr'22 policies, the major factor which was incorporated to RBI's current reaction function has been the current-Mar'22 inflation. Headline CPI shot up to 7%. The inflation threat is serious and as the economy appears to have settled in a stable state notwithstanding the global disturbances, the high inflation is a bigger challenge to address. High inflation has the potential to affect consumption and in turn investment

Growth in Q4FY22 is expected to be seen from the unlock trade as most states have removed the pandemic related restrictions, but weak rural demand and geopolitical shock due to Russia-Ukraine war may disrupt global growth and supply chains. Impending pass-through of higher oil & gas prices may also act as a dampener for domestic demand sentiment. The pace of consumption growth is expected to soften over the coming quarters, taking into account the real income shock due to energy price hikes and rising inflationary pressures. GDP growth is expected to be slower and below 5% YoY in the Q4FY22 (vs 6.8% average in the previous two quarters)

Even as the government is trying to boost public capex, there is a risk of reallocation of limited resources towards higher subsidies (food, fertilizer, etc.) and the provision of a social safety net to low-income households if commodity prices continue to stay higher for longer. The early signs of a recovery in the residential real estate sector and gradual improvement in capacity utilisation levels are positive

3. Private Equity

PE/VC has been a resilient section within India's growing private market, in spite of COVID-19's outbreak. Deal activity is raging and 2021 was a landmark year for the industry. The sector is benefitting from sooner than-expected business recovery. During the first half of 2021, investments grew 33% year-on-year, with investment flows of \$27.1 billion across 442 deals, compared to \$20.4 billion, across 433 deals during the same period in 2020. The number of fund managers has swelled from around 350 in 2017 to 500 in 2021. Capitals flows have been equally buoyant

The Information Technology (IT), Information Technology Enabled Services (ITeS), Software as a Service (SaaS), Healthcare and Pharmaceutical sectors, each saw a significant portion of new investment flow in 2021. IT, TeS and SaaS have benefitted strongly from the growth of digital adoption, as well as a greater need for digitization on the back of strong consumer shifts during COVID-19. In the wake of the pandemic, India has emerged as the fastest-growing and third-largest fintech ecosystem in the world

For at-home services - consisting of consumer technology, vertical e-commerce, edtech, fintech and foodtech - each attracted significant interest during 2021. With the rise of disposable incomes, focus is increasing on business who serve the Indian consumer, both offline and online. As a result, the logistics sector is anticipating exponential growth, with many new investment targets emerging

On the Real Estate front global institutional investors are increasing their real estate allocations and are looking at opportunistic real estate investment strategies in India. Fuelled by attractive home loan rates and availability of inventory,

MANAGEMENT DISCUSSION AND ANALYSIS

sales are now showing a consistent growth. Private equity investment inflows into the Indian real estate sector stood at \$1.0 billion (₹ 79 billion) during Q1 2022, almost 5x the quantum recorded during Q4 2021. Commercial office assets continued to remain the frontrunner during Q1 2022, garnering more than two-third share of the investment pie

The PE investing momentum was driven by a significant confluence of factors that were several years in the making: maturing digital infrastructure UPI led payment rails, cheap and ubiquitous data access and Aadhaar electronic KYC, increasing depth in the start-up ecosystem and reinvigorated investor confidence as long-held capital saw significant public and secondary exits, and a positive macroeconomic outlook for India

India's economy progress in recent years has allowed the entrepreneurial spirit to sustain by domestic and foreign investors. The market has become mature to a large extent, though there is scope for further development. Annual Capital flow in private equity space in India could rise from the current 2021 run rate of \$48 billion to much higher levels in the years to come

(II) Analysis of Performance for the year ended March 2022

1. Business Review

As in the past, the Fund team continued to focus on undertaking portfolio divestments, thereby enabling return of capital to Fund investors. The Fund teams also successfully furthered the various litigations, paving the path to further divestments during FY2022. This was achieved despite the Covid environment impact divestments across sectors

IIML's joint venture with Government of Andhra Pradesh saw significant progress this year. This joint venture managed to bag quite a few new contracts and is implementing a slew of projects in the State of Andhra Pradesh. This entity is also now exploring the options of venturing outside the state and using its expertise to implement projects outside the state of Andhra Pradesh

2. Financial Performance

The fee earning assets under management (AUM) in relation to existing Funds managed by IIML has been consistently declining on account of divestments undertaken. Developments at IL&FS since October 2018, undertaking new initiatives have been a challenge

On a consolidated basis, the Income from Operations of the Company for FY2022 was ₹ 416.54 mn and Other Income was ₹ 157.70 mn. Accordingly, the Total Income on a consolidated basis for FY2022 was ₹ 574.24 mn. The total expenses on consolidated basis were ₹ 421.12. The resultant Profit Before Tax and Exceptional Items on a consolidated basis for FY2022 was ₹ 153.12 mn

(III) Outlook for the Financial Year 2022-2023

The adverse developments at the IL&FS Group have impacted all IIML's business plans for revenue growth. The newly constituted IL&FS Board has been working on a resolution plan for IL&FS Group. This plan calls for selling identified assets of IL&FS Group. In this regard, IL&FS has initiated the process to sell its holding in IIML. The future plans of the Company will significantly depend on the outcome of the process of IL&FS selling its stake in the Company

(IV) Business Segment and Human Resources

The Company presently operates in one business segment – fund management and related services

The adverse developments at IL&FS have had an adverse impact on employee morale, and the Company has witnessed significant number of employee departures. IIML is in the fiduciary business of managing third party money and therefore human capital is key to monitoring and continuing the business model and further its sustainability

The Company presently has 23 employees, including 5 sub-staff

(V) Internal Control Systems

The Company has an adequate system of internal controls to ensure accuracy of accounting records, compliance with all laws and regulations and compliance with all rules, processes and guidelines prescribed by the management

An extensive internal audit is carried out by an independent firm of Chartered Accountants. Post audit reviews are also carried out to ensure follow up on the observations made. The scope of the internal audit is determined by the Audit Committee and the internal audit reports are reviewed by the Audit Committee on a regular basis

The Internal Auditors also review all Related Party Transactions of the Company

(2) Composition :

After the resignation of Mr Sunil Mehta with effect from March 19, 2020 there was a vacancy in the Nomination & Remuneration Committee (N&RC) and in the position of the Chairman of N&RC. The vacancy in the N&RC and in the position of the Chairman of N&RC was to be filled with the appointment of an Independent Director. It was challenging for the Company to fill the said vacancy of an Independent Director under present circumstances

However, in view of the challenges faced by IL&FS and its group companies in appointing Independent Directors, the National Company Law Tribunal (NCLT) based on a petition by Infrastructure Leasing & Financial Services Limited (IL&FS) vide its Order dated April 26, 2019, has granted its exemption to IL&FS and its Group Companies from appointing Independent Directors and Woman Directors on the Board of IL&FS and its Group Companies

Notwithstanding the NCLT exemption, the Board of Directors at their meeting held on November 12, 2021 appointed Mr Chitranjan Kahlon, Independent Director as the Chairman of the Nomination and Remuneration Committee of the Company. With the appointment of Mr Chitranjan Kahlon, Independent Director, on the Nomination & Remuneration Committee, the NR&C is adequately constituted and is in complete compliance of the SEBI LODR regulations

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF IL&FS INVESTMENT MANAGERS LIMITED

Report on the audit of the Standalone Ind AS Financial Statements

Qualified Opinion

1. We have audited the accompanying Standalone Ind AS financial statements of IL&FS Investment Managers Limited ("the Company"), which comprise the standalone balance sheet as at 31 March 2022, and the standalone statement of profit and loss (including other comprehensive income), standalone statement of changes in equity and standalone statement of cash flows for the year then ended, and notes to the standalone Ind AS financial statements, including a summary of significant accounting policies and other explanatory information ("the Standalone Ind AS Financial Statements").
2. In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matters described in the 'Basis for Qualified Opinion' paragraph below, the aforesaid Ind AS Financial Statements give the information required by the Companies Act, 2013 ("Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2022, and its profit and other comprehensive income, changes in equity and its cash flows for the year then ended.

Basis for Qualified Opinion

3. Attention is invited to Note no 31 to the Standalone Ind AS Financial Statements which describes the situation faced by the Company in view of the ongoing investigation by Serious Fraud Investigation Office of Ministry of Company Affairs ("SFIO") against Infrastructure Leasing & Financial Services Limited ('IL&FS' or 'the Ultimate Holding Company'), and its subsidiaries (including the Company). Further, the National Company Law Tribunal (NCLT) has ordered re-opening of books of accounts of IL&FS and its two subsidiaries (other than the Company) for the past financial years referred in the note. In view of the aforesaid ongoing investigations of the entire IL&FS Group (including the Company) by the SFIO and re-opening of books of accounts of the Ultimate Holding Company and two of its subsidiaries by the NCLT, we are unable to comment on the consequential impact(s) upon conclusion of the said investigation and re-opening of the books of account on the Standalone Ind AS Financial Statements.
4. We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Standalone Ind AS Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Ind AS Financial Statements under the provisions of the Act, and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the Standalone Ind AS Financial Statements.

Materiality Uncertainty relating to Going Concern

5. Attention is drawn to Note 32 of the Standalone Ind AS Financial Statements regarding reduction in the Company's fee revenue significantly coupled with the lack of any immediate new fund raise resulting in the reduced estimates of future fee revenue, there is material uncertainty of the Company's continuity as going concern. However, considering management's expectations of Company's ability to, at least, meet its obligations over the next 12 months out of its earnings and liquid assets, despite prevailing uncertainty with regard to such stake sale, the management believes that use of the 'going concern' assumption for preparation of the standalone Ind AS Financial Statements is appropriate. Our opinion is not modified in respect of this matter.

Key Audit Matters

6. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Ind AS Financial Statements of the current year. These matters were addressed in the context of our audit of the Standalone Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. In our professional judgment, we have determined that there is no key audit matter to be communicated in our report.

Other Information

7. The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report but does not include the Standalone Ind AS Financial Statements and our auditors' report thereon. The other information is expected to be made available to us after the date of this auditor's report.
8. Our opinion on the Standalone Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.
9. In connection with our audit of the Standalone Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Ind AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. When we read the other Information and if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance as required under SA 720 'The Auditor's Responsibilities Relating to Other Information'.

INDEPENDENT AUDITORS' REPORT

Management's responsibility for the Standalone Ind AS Financial Statements

10. The Company's management and Board of Directors is responsible for the matters stated in section 134(5) of the Act, with respect to the preparation of these Standalone Ind AS Financial Statements that give a true and fair view of the state of affairs, profit and other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian accounting standards ("Ind AS") specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
11. In preparing the Standalone Ind AS Financial Statements, the management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
12. The Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the Standalone Ind AS Financial Statements

13. Our objectives are to obtain reasonable assurance about whether the Standalone Ind AS Financial Statements is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Ind AS Financial Statements.
14. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:
 - 14.1. Identify and assess the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - 14.2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to Standalone Ind AS Financial Statements in place and the operating effectiveness of such controls.
 - 14.3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
 - 14.4. Conclude on the appropriateness of the management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
 - 14.5. Evaluate the overall presentation, structure and content of the Standalone Ind AS Financial Statements, including the disclosures, and whether the Standalone Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
15. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
16. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
17. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Ind AS Financial Statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

INDEPENDENT AUDITORS' REPORT

Report on Other Legal and Regulatory Requirements

18. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
19. As required by Section 143(3) of the Act, we report that:
- 19.1. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - 19.2. Except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph above, in our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
 - 19.3. The standalone balance sheet, the standalone statement of profit and loss including other comprehensive income, the statement of changes in equity and the standalone cash flow statement dealt with by this Report are in agreement with the books of account.
 - 19.4. In our opinion, the aforesaid Standalone Ind AS Financial Statements comply with the Ind AS specified under Section 133 of the Act.
 - 19.5. The matter relating to going concern described under para 5 above and matters relating to investigation by SFIO against IL&FS and its subsidiaries (including the Company) and NCLT order of re-opening of books of accounts of IL&FS and its two subsidiaries (other than the Company) for the past financial years described in paragraph 3 above, in our opinion, may have an adverse effect on the functioning of the Company.
 - 19.6. On the basis of the written representations received from the directors as on 31 March 2022 taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2022 from being appointed as a director in terms of Section 164(2) of the Act.
 - 19.7. With respect to the adequacy of the internal financial controls with reference to Standalone Ind AS Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
 - 19.8. In our opinion and according to the information and explanations given to us, the Company has not paid/provided any remuneration to its directors during the year under report.
20. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- 20.1. There are no pending litigations against the Company;
 - 20.2. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - 20.3. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company;
 - 20.4. The management has represented to us to the best of their knowledge that no funds (which are material either individually or in aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. Based on reasonable audit procedures adopted by us, nothing has come to our notice that such representation contains any material misstatement.
 - 20.5. The management has also represented to us to the best of their knowledge that no funds (which are material either individually or in aggregate) have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries. Based on reasonable audit procedures adopted by us, nothing has come to our notice that such representation contains any material misstatement.
 - 20.6. In our opinion and according to the information and explanations given to us, the dividend declared by the Company is in compliance with Section 123 of the Act. Refer Note no. 33 to the Standalone Ind AS Financial Statements.

Annexure “B” to the Independent Auditors’ report on the Standalone Financial Statements of IL&FS Investment Managers Limited for the year ended 31 March 2022

(Referred to in paragraph “19.7” under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls with reference to the aforesaid Standalone Ind AS Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013.

Opinion

1. We have audited the internal financial controls with reference to the Standalone Ind AS Financial Statements of IL&FS Investment Managers Limited (“the Company”) as at 31 March 2022 in conjunction with our audit of the Standalone Ind AS Financial Statements of the Company for the year ended on that date.
2. In our opinion, the Company has, in all material respects, an adequate internal financial controls with reference to the Standalone Financial Statements and such internal financial controls were operating effectively as at 31 March 2022, based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“the Guidance Note”), and based on verification of process controls matrices and other relevant documents, made available to us for the financial year under report and thereafter.

Management’s responsibility for Internal Financial Controls

3. The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal controls over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s responsibility

4. Our responsibility is to express an opinion on the Company’s internal financial controls with reference to the Standalone Ind AS Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing (“SA”), prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to the Standalone Ind AS Financial Statements. Those SAs and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the Standalone Ind AS Financial Statements were established and maintained and whether such controls operated effectively in all material respects.
5. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to the Standalone Ind AS Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to the Standalone Ind AS Financial Statements included obtaining an understanding of internal financial controls with reference to the Standalone Ind AS Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Standalone Ind AS Financial Statements, whether due to fraud or error.
6. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to the Standalone Ind AS Financial Statements.

Meaning of Internal Financial Controls with reference to the Standalone Ind AS Financial Statements

7. A company’s internal financial controls with reference to the Standalone Ind AS Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Standalone Ind AS Financial Statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial controls with reference to the Standalone Ind AS Financial Statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Ind AS Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide

Annexure 2 to the Independent Auditors' Report to the members of IL&FS Investment Managers Limited

reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the Standalone Ind AS Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to the Standalone Ind AS Financial Statements

8. Because of the inherent limitations of internal financial controls with reference to the Standalone Ind AS Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the Standalone Ind AS Financial Statements to future periods are subject to the risk that the internal financial controls with reference to the Standalone Ind AS Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

NOTES Forming part of Financial Statements for the year ended 31st March, 2022

1) Corporate Information :

IL&FS Investment Managers Limited (IIML) is a Public Limited Company domiciled in India and its registered office is situated at The IL&FS Financial Centre, Plot No. C-22, G Block, Bandra-Kurla Complex, Bandra (East), Mumbai 400 051. The Company has been incorporated under the Companies Act, 1956 on February 10, 1986 and is a domestic private equity fund management company which manages funds on behalf of leading Indian and International Institutions.

As at March 31, 2022, Infrastructure Leasing & Financial Services Limited, the holding company owned 50.42% of the Company's equity share capital.

2) Significant accounting policies :

(a) Statement of compliance

These financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") as per the Companies (Indian Accounting Standards) Rules 2015 notified under Section 133 of the Companies Act, 2013 (CA 2013) and other relevant provisions of the CA 2013 as amended from time to time. These financial statements were approved by the Board of Directors and authorised for issue on May 30, 2022.

(b) Basis of preparation and presentation

The financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities that are measured at fair value.

(c) Fair Value Measurement

Measurement of fair values

A number of the Company's accounting policies and disclosures require measurement of fair values, for both financial and non-financial assets and liabilities.

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows :

- Level 1 : quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 : inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 : inputs for the asset or liability that are not based on observable market data (unobservable inputs).

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement.

Further information about the assumptions made in measuring fair values is included in the note 27(b) – financial instruments.

(d) Financial instruments

(i) Recognition and initial measurement

- Trade receivables are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Company becomes a party to the contractual provisions of the instrument.
- A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss ("FVTPL"), transaction costs that are directly attributable to its acquisition or issue.

(ii) Classification and subsequent measurement

Financial assets

On initial recognition, a financial asset is classified and measured at amortised cost :

- fair value through other comprehensive income ("FVOCI")
- FVTPL

NOTES Forming part of Financial Statements for the year ended 31st March, 2022

Financial assets are not reclassified subsequent to their initial recognition except if in the period the Company changes its business model for managing the financial assets.

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL :

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

A financial asset is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL :

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL

Subsequent measurement and gains and losses are recognised as :

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss.
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss.

(iii) Financial liabilities: Classification, subsequent measurement and gains and losses

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held- for- trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss.

(iv) Derecognition

- Financial Asset

The Company derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Company neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

If the Company enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised.

- Financial Liabilities

The Group derecognises a financial liability when its contractual obligations are discharged or cancelled, or expired.

The Group also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss.

NOTES Forming part of Financial Statements for the year ended 31st March, 2022

(v) Offsetting

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Group currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously.

(vi) Cash and cash equivalents

Cash comprises of demand deposits with banks. Cash equivalents are short-term balances, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term balance, as defined above as they are considered an integral part of the Company cash management.

(e) Property, Plant and Equipment

Property, plant and equipment acquired by the Company are reported at acquisition cost, with deductions for accumulated depreciation and impairment losses, if any.

The acquisition cost includes the purchase price (excluding refundable taxes) and expenses, directly attributable to bringing the asset to the site and in working condition for its intended use.

Intangible Assets are reported at acquisition value with deductions for accumulated amortisation and impairment losses, if any.

Depreciation on asset is provided pro-rata from the date on which asset is ready to be put to use for its intended purpose on Straight-Line Method based on the estimated useful life of the assets, which are as follows :

Category of Asset	Estimated Useful Life (in years)
Assets :	
Furniture and Fixtures	5
Data Processing Equipments (Servers & Networking)	4
Data Processing Equipments (Others)	3
Office Equipments	4
Vehicles	4
Lease hold improvement	Over the Lease Period
Asset given to employees	3
Intangible Assets :	
Computer Software	3

As per CA 2013, depreciation of assets is required to be provided based on estimated useful life as per Schedule II of the CA 2013. However, there are certain categories of assets where the useful life of assets have been assessed as under, taking into consideration the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, the past history of replacement, anticipated technological changes etc. Pursuant to the foregoing, it is proposed to continue with the existing policy of accelerated depreciation on following category of assets :

- Mobile Phones and iPad/Tablets 100% depreciated during the year of capitalisation due to extensive usage and technological obsolescence.
- Vehicles as per the current policy of 4 years as against the useful life of 8 years provided in the CA 2013.
- Furniture and Fixtures as per current policy of 5 years as against the useful life of 10 years provided in the CA 2013.
- Office Equipment as per current policy of 4 years as against the useful life of 5 years provided in the CA 2013.
- Data Processing Equipment - Servers & Networking as per current policy of 4 years as against the useful life of 6 years provided in the CA 2013.
- Assets provided to Employees as perquisites would be depreciated over a period of 3 years in line with the rules set in the Employee Hand Book.
- Individual assets costing ₹ 5,000/- or less in the year of capitalisation shall be depreciated 100% for all the categories of assets.

NOTES Forming part of Financial Statements for the year ended 31st March, 2022

Residual value of all assets is retained at ₹ 1/- till they are disposed/written off.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying of the asset and is recognised in profit or loss.

(f) Revenue recognition

(i) Rendering of services

The Company recognises revenue from contracts with customers based on a five step model as set out in Ind AS 115, Revenue from Contracts with Customers to determine when to recognise revenue and at what amount.

Revenue is measured based on the consideration specified in the contract with a customer. Revenue from contracts with customers is recognised when services are provided and it is highly probable that a significant reversal of revenue is not expected to occur.

If the consideration promised in a contract includes a variable amount, the Company estimates the amount of consideration to which it will be entitled in exchange for rendering the promised services to a customer. The amount of consideration can vary because of discounts, rebates, refunds, credits, price concessions, incentives, performance bonuses, or other similar items. The promised consideration can also vary if an entitlement to the consideration is contingent on the occurrence or non-occurrence of a future event.

The Company principally generates revenue by providing investment management/ advisory services to various funds

Services	Nature, timing of satisfaction of performance obligations and significant payment terms
Investment Management/Advisory Services	<p>The Company provides investment management/ advisory services to various funds over the life of those funds and is entitled to management/ advisory fees. Management/advisory fees are calculated on the applicable rates and bases as stipulated in the investment management/ advisory agreement between the Company and the funds. As the services are to be provided over the life of the funds, this implies that performance obligation is satisfied over time.</p> <p>The transaction price of the management/ advisory fees is based on the disposition proceeds, Net invested capital, Net capital commitment, and outstanding capital as applicable (variable consideration-based), however, this is not constrained since it can easily and accurately be calculated.</p> <p>The Company determines that it can allocate the entire amount of management/advisory fees because the management/advisory fees relate specifically to the service provided during life of the funds.</p> <p>Therefore, revenue in the form of management/ advisory fees is recognised over time.</p>

(ii) Recognition of dividend income, interest income from financial instruments

- Dividend income is recognised in the Statement of Profit and Loss on the date on which the Company's right to receive dividend is established.
- Interest income or expense is recognised using the effective interest rate method.

(g) Income Tax

Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income.

(i) Current tax

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date.

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously.

NOTES Forming part of Financial Statements for the year ended 31st March, 2022

(ii) Deferred tax

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes.

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The Company recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised/reduced to the extent that it is probable/no longer probable respectively that the related tax benefit will be realised.

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date.

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Company expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities.

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously.

(h) Foreign Currencies

The Company's financial statements are presented in INR, which is also the Company's functional currency.

In preparing the financial statements of Company, transactions in currencies other than the Company's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Foreign exchange gains and losses resulting from settlement of such transactions are generally recognised in the profit and loss.

Non-monetary foreign currency items are carried at cost.

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item. (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively).

(i) Provisions (other than for employee benefits), contingent liabilities, contingent assets and commitments

A provision is recognised if, as a result of a past event, the Company has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost. Expected future operating losses are not provided for.

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made.

A contingent asset is not recognised but disclosed in the financial statements where an inflow of economic benefit is probable.

Commitments includes the amount of purchase order (net of advance) issued to counterparties for supplying/development of assets and amounts pertaining to Investments which have been committed but not called for.

Provisions, contingent assets, contingent liabilities and commitments are reviewed at each balance sheet date.

NOTES Forming part of Financial Statements for the year ended 31st March, 2022

(j) Impairment of financial assets

In accordance with Ind AS 109, the Company applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure :

Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive (i.e. all cash shortfalls), discounted at the original Effective Interest Rate (EIR). ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/expense in the statement of profit and loss.

(k) Employee benefits

(i) Short Term Obligations : Liabilities for wages and salaries, including nonmonetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting and are measured at the amounts expected to be paid when the liabilities are settled.

(ii) Retirement benefit costs and termination benefits : Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions. The Company has no obligation, other than the contribution payable to the provident fund.

The Company provides for gratuity, a defined benefit plan. Incremental liability for gratuity based on actuarial valuation/ management estimates as per the projected unit credit method as at the reporting date, is charged as expenses in the Statement of Profit and Loss. Actuarial gains and losses arising from changes in actuarial/management assumptions are recognised in other comprehensive income and shall not be reclassified to the Statement of Profit and Loss in a subsequent period.

(iii) Leave Encashments : The Company provides for the encashment of leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits, for future encashment/availment. The liability is provided based on the actual number of days of unutilised leave at each Balance Sheet date on the basis of a management estimate/independent actuarial valuation.

(l) Leases

Effective April 1, 2019, the Company has adopted Ind AS 116 - Leases. At the inception of a contract, assessment is being done by Company whether the contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. The Company reassesses whether a contract is, or contains, a lease only if the terms and conditions of the contract are changed .

As a Lessor :

A lessor shall classify each of its leases as either an operating lease or a finance lease.

As a Lessee :

At the commencement date, a lessee shall recognise a right-of-use ("ROU") asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. The nature of expenses would be depreciation charge for ROU assets and interest expense on lease liabilities.

The Company in the capacity of lessee has classified each of its leases as short term leases (having a lease term of 12 months or lower) and has recognised the lease payments as an expense on either a straight-line basis over the lease term or another systematic basis. The related cash flows are classified as Operating activities in the Statement of Cash Flows.

(m) Earnings Per Share

In determining earnings per share, the Company considers the profit attributable to the owners of the company. The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares. The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share, and also the weighted average number of additional equity shares that could have been issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the year, unless issued at a later date.

NOTES Forming part of Financial Statements for the year ended 31st March, 2022

(n) Cash flow Statements

Cash flows are reported using the indirect method, whereby profit/(loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information.

(o) Segment reporting

An operating segment is a component of a Company that engages in business activities from which it may earn revenue and incur expenses, including revenue and expenses that relates to transactions with any of the Company's other components, for which discrete financial information is available, and such information is regularly reviewed by the Company's Chief Operating Decision Maker (CODM) to make key decision on operations of the segments and assess its performance. The Company operates in one reportable business segment i.e. "Asset Management and other related service".

(p) Goods and Services Tax

Goods and Services Tax ("GST") is accounted for in the books in the period in which the underlying service received is accounted and when there is reasonable certainty in availing the credits.

(q) Operating Cycle

Based on the nature of activities of the Company and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Company has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current.

(r) Use of estimates and judgements

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively.

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ending March 31, 2022 is included in the following notes :

- (i) Note 28 Impairment of financial assets (including trade receivable).
- (ii) Note 13 Estimation of defined benefit obligations.
- (iii) Note 32 Estimation for preparation of financials under going concern assumption.

(s) Rounding off

All amounts disclosed in the financial statement and notes have been rounded off to the nearest Lakhs, unless otherwise stated.

a) Defined-Contribution Plans :

The Company has recognised ₹ 30.11 Lakhs (Previous year – ₹ 30.29 Lakhs) as expense in the Statement of Profit and Loss under Company's Contribution to Provident Fund, which is maintained with the office of Regional Provident Fund Commissioner and ₹ 15.54 Lakhs (Previous year ₹ 15.71 Lakhs) as Company's contribution to Superannuation Fund maintained with Life Insurance Corporation of India.

There has been a Supreme Court of India judgement dated February 28, 2019 relating to components of salary structure that need to be taken into account while computing the contribution to provident fund under the EPF Act. There are interpretative aspects related to the Judgement including the effective date of application. The Company has deducted provident fund as per Supreme Court judgement with effect from 01 April 2019. But in the absence of any notification from PF Authorities, the Company has not deducted additional provident fund of previous years yet. The Company will continue to assess any further developments in this matter for the implications on financial statements, if any.

NOTES Forming part of Financial Statements for the year ended 31st March, 2022

Capital Management

The Company manages its capital to ensure that it will be able to continue as a going concern while maximising the return to stakeholders through the optimisation of the debt and equity balance. As part of its capital risk management policies, the Company reviews the capital structure to ensure that it has an appropriate portion of net debt to equity. Net financial debt is defined as current and non-current financial liabilities less cash and cash equivalents and short-term investments. The debt equity ratio highlights the ability of a business to repay its debts. The Net financial debt position of the Company as on March 31, 2022 and March 31, 2021 is negative which signifies the Company has more than sufficient cash to pay off its liabilities

29) Segment Reporting :

31) The Ministry of Corporate Affairs (MCA), Government of India, has vide its letter dated October 1, 2018 initiated investigation by Serious Fraud Investigation Office (SFIO) against IL&FS, the Holding Company and its subsidiaries (including the Company) under Section 212(1) of the Companies Act, 2013. As a part of its investigation, SFIO has been seeking information from the Company on an ongoing basis. The investigation is in progress and the Company is fully cooperating with the investigation agencies. On December 3, 2018, MCA on the directions of the National Company Law Tribunal, Mumbai (NCLT) has impleaded various Group Companies of IL&FS (which includes the Company) as Respondents to the Petition filed by them on October 1, 2018. Further based on another petition of the MCA under section 130 (1) of the Companies Act, 2013, the NCLT has, on January 1, 2019, ordered re-opening of books of accounts for the past financial year 2012-13 to financial year 2017-18 of IL&FS, IL&FS Financial Services Limited ('IFIN' a fellow subsidiary) and IL&FS Transportation Networks Limited ('ITNL' a fellow subsidiary). While the Company, based on its current understanding, believes that the above would not have a material impact on the financial results, the implications, if any, arising from the aforesaid developments would be known only after the aforesaid matters are concluded and hence are not determinable at this stage

NOTES Forming part of Financial Statements for the year ended 31st March, 2022

- 32) The term of most of the existing funds being managed / advised by the Company has already been over. Other funds being managed/advised by the company are approaching end of their term in near future which has resulted in significant reduction in the Company's fee revenue. Management expects that its future income from existing funds being managed/advised together with liquid assets held by the Company as at March 31, 2022 will be adequately sufficient to meet the Company's existing and future obligations arising over the next 12 months

Meanwhile, the IL&FS Board has been working on a resolution plan, with a view to enable value preservation for stakeholders of IL&FS Group. The resolution plan, inter alia, involves sale of assets/businesses/companies owned by IL&FS. And in this regard, the IL&FS Board has on December 21, 2018 and September 27, 2019 invited a public Expression of Interest (EoI) for sale of its entire stake in the Company. Accordingly, the Company's plans for new fund raise have been kept on hold pending completion of the stake sale. Further, with the outbreak of the pandemic the timelines for the sale process have got delayed and while there is material uncertainty with regard to the stake sale, management believes that use of the going concern assumption for preparation of these financial results is appropriate

- 33) The Board of Directors, in their meeting held on May 30, 2022 have proposed a final dividend of ₹ 0.40 per equity share amounting to ₹ 1,256.13 Lakhs partly out of general reserve. The proposal is subject to the approval of shareholders at the Annual General Meeting

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF IL&FS INVESTMENT MANAGERS LIMITED

Report on the audit of the Consolidated Ind AS Financial Statements

Qualified Opinion

1. We have audited the accompanying consolidated Ind AS financial statements of IL&FS Managers Limited ("the Holding Company") and its subsidiaries (Holding Company and its subsidiaries together referred to as "the Group"), and its joint ventures which comprise the consolidated balance sheet as at 31 March 2022 and the consolidated statement of profit or loss (including other comprehensive income), the consolidated statement of changes in equity and consolidated statement of cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies and other explanatory information ("the Consolidated Ind AS Financial Statements").
2. In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of reports of other auditors on separate financial statements of such subsidiaries, and joint ventures as were audited by the other auditors, except for the possible impacts of the matters described in the 'Basis for Qualified Opinion' paragraph below, the aforesaid Consolidated Ind AS Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, and its joint ventures as at 31 March 2022, and its consolidated profit and other comprehensive income, consolidated changes in equity and its consolidated cash flows for the year then ended.

Basis for Qualified Opinion

3. Attention is drawn to Note 33 of the Consolidated Ind AS Financial Statements which describes the situation faced by the Group in view of the ongoing investigation by Serious Fraud Investigation Office of Ministry of Company Affairs ("SFIO") against Infrastructure Leasing & Financial Services Limited ("IL&FS" or "the Ultimate Holding Company"), and its subsidiaries (including the Group). Further, the National Company Law Tribunal ("NCLT") has ordered re-opening of books of accounts of IL&FS and its two subsidiaries (other than the Group and its joint ventures) for the past financial years as referred to in the note. In view of the aforesaid ongoing investigations of the entire IL&FS Group (including the Group) by the SFIO and re-opening of books of accounts of the Ultimate Holding Company and two of its subsidiaries by the NCLT, we are unable to comment on the consequential impact(s) upon conclusion of the said investigation and re-opening of the books of account on these on the consolidated Ind AS financial statements.
4. We conducted our audit in accordance with the Standards on Auditing ("SAs") specified under section 143(10) of the Act. Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Ind AS Financial Statements section of our report. We are independent of the Group and its joint ventures in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Consolidated Ind AS Financial Statements under the provisions of the Act, and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained along with the consideration of audit reports of the other auditors referred to in the "Other Matters" paragraph below is sufficient and appropriate to provide a basis for our opinion on the Consolidated Ind AS Financial Statements.

Materiality Uncertainty relating to Going Concern

5. Attention is drawn to Note 34 of the Consolidated Ind AS Financial Statements regarding reduction in the Group's fee revenue significantly coupled with the lack of any immediate new fund raise resulting in the reduced estimates of future fee revenue, there is material uncertainty of the Group's ability to continue as going concern. However, considering management's expectations of Group's ability to, at least, meet its obligations over the next 12 months out of its earnings and liquid assets, despite prevailing uncertainty with regard to its stake sale, the management believes that use of the 'going concern' assumption for preparation of the Consolidated Ind AS Financial Statements is appropriate. Our opinion is not modified in respect of this matter.

Emphasis of Matter

6. Attention is drawn to Note 37 of the Consolidated Ind AS Financial Statements which describes that three entities of the Group being consolidated have ceased their operations and their respective standalone financial statements are not prepared on 'going concern' basis but on realisable value basis. Our opinion is not modified in respect of this matter.

INDEPENDENT AUDITORS' REPORT

Key Audit Matters

7. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Ind AS Financial Statements of the current year. These matters were addressed in the context of our audit of the Consolidated Ind AS Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Key Audit Matter	How the matter was addressed in our report
The below Key Audit Matter has been reported by the auditor of Andhra Pradesh Urban Infrastructure Asset Management Limited, a subsidiary of the Holding Company vide its report dated 26 May 2022 is reproduced:

Other Information

8. The Holding Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Holding Company's annual report but does not include the Consolidated Ind AS Financial Statements and our auditors' report thereon. The Other Information is expected to be made available to us after the date of this auditor's report.
9. Our opinion on the Consolidated Ind AS Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.
10. In connection with our audit of the Consolidated Ind AS Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Ind AS Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed and based on the work done / audit report of other auditors, we conclude that there is a material misstatement of this other information, we are required to report that fact.

INDEPENDENT AUDITORS' REPORT

Management's responsibility for the Consolidated Ind AS Financial Statements

11. The Holding Company's management and Board of Directors are responsible for the preparation and presentation of these Consolidated Ind AS Financial Statements, that give a true and fair view of the consolidated state of affairs, consolidated profit and other comprehensive income, consolidated changes in equity and consolidated cash flows of the Group and its joint ventures in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ("Ind AS") specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group and its joint ventures are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and its joint ventures and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Ind AS Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Ind AS Financial Statements by the Directors of the Holding Company, as aforesaid.
12. In preparing the Consolidated Ind AS Financial Statements, the respective Board of Directors of the companies included in the Group and of its joint ventures are responsible for assessing the ability of each company to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
13. The respective Board of Directors of the companies included in the Group and its joint ventures are responsible for overseeing the financial reporting process of the Group and its joint venture.

Auditor's responsibilities for the audit of the Consolidated Ind AS Financial Statements

14. Our objectives are to obtain reasonable assurance about whether the Consolidated Ind AS Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Ind AS Financial Statements.
15. As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
 - 15.1. Identify and assess the risks of material misstatement of the Consolidated Ind AS Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
 - 15.2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to the Consolidated Ind AS Financial Statements and the operating effectiveness of such controls.
 - 15.3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the management.
 - 15.4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its joint ventures to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Ind AS Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its joint ventures to cease to continue as a going concern.

INDEPENDENT AUDITORS' REPORT

- 15.5. Evaluate the overall presentation, structure and content of the Consolidated Ind AS Financial Statements, including the disclosures, and whether the Consolidated Ind AS Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 15.6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its joint ventures to express an opinion on the Consolidated Ind AS Financial Statements. We are responsible for the direction, supervision and performance of the audit of financial statements of such entities included in the Consolidated Ind AS Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Ind AS Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.
16. We communicate with those charged with governance of the Holding Company and such other entities included in the Consolidated Ind AS Financial Statements of which we are the independent auditors regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
17. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.
18. From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Ind AS Financial Statements of the current year and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

19. We did not audit the financial statements of three subsidiaries, incorporated in India, whose financial statements reflect total assets of Rs. 9,109.29 lakhs as at 31 March 2022, total revenues of Rs. 3,983.93 lakhs, total net profit after tax of Rs. 1,605.67 lakhs, total comprehensive income of Rs. 1,605.89 lakhs and net cash outflows amounting to Rs. 4,240.31 lakhs for the year ended on that date, as considered in the Consolidated Ind AS Financial Statements. The Consolidated Ind AS Financial Statements also include the Group's share of net loss after tax of Rs. 4.80 lakhs for the year ended 31 March 2022 in respect of one joint venture, incorporated in India, not audited by us. These financial statements have been audited by other auditors whose reports have been furnished to us by the management and our opinion on the Consolidated Ind AS Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, and joint venture, and our report in terms of section 143(3) of the Act, in so far as it relates to the aforesaid subsidiaries and joint ventures is based solely on the reports of the other auditors.
20. Further, we did not audit the financial statements of three subsidiary companies, incorporated outside India, whose financial statements reflect total assets of Rs. 8,413.50 lakhs as at 31 March 2022, total revenue of Rs. 157.31 lakhs, total net loss after tax of Rs. 91.52 lakhs, total comprehensive loss of Rs. 91.52 lakhs and net cash inflows of Rs. 2,675.47 lakhs for the year ended on that date as considered in the Consolidated Ind AS Financial Statement. These financial statements have been audited by the other auditors as per the requirements of the applicable reporting framework of those countries / jurisdictions and have been converted as per the requirements of Ind AS by the management of the Holding Company. Our opinion, in so far as it relates to the amounts and disclosures included in respect of these entities and our report in terms of provisions of Section 143 of the Act, in so far as it relates to the aforesaid entities, is based solely on the reports of the other auditors and the conversion adjustments prepared by the management of the Holding Company.
21. Our opinion on the Consolidated Ind AS Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done by and the reports of the other auditors and the financial statements certified by the management.

Report on Other Legal and Regulatory Requirements

22. As required by section 143(3) of the Act, based on our audit and on the consideration of audit reports of the other auditors on separate financial statements of such subsidiaries and joint ventures as were audited by other auditors, as noted in the 'Other Matters' paragraph, we report, to the extent applicable, that:

INDEPENDENT AUDITORS' REPORT

- 22.1. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Ind AS Financial Statements.
- 22.2. Except for the possible effects of the matters described in the Basis for Qualified Opinion paragraph above, in our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Ind AS Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.
- 22.3. The consolidated balance sheet, the consolidated statement of profit and loss (including other comprehensive income), the consolidated statement of changes in equity and the consolidated statement of cash flow dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Ind AS Financial Statements.
- 22.4. In our opinion, the aforesaid Consolidated Ind AS Financial Statements comply with the Ind AS specified under Section 133 of the Act.
- 22.5. The matter relating to going concern described under para 5 above and matters relating to investigation by SFIO against IL&FS and its subsidiaries (including the Group) and NCLT order of re opening of books of accounts of IL&FS and its two subsidiaries (other than the Group and its Joint Ventures) for the past financial years as described in para 3 above, in our opinion, may have an adverse effect on the functioning of the Group depending on final outcome of these matters.
- 22.6. On the basis of the written representations received from the directors of the Holding Company as on 31 March 2022, taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary companies and joint ventures incorporated in India, none of the directors of the Group companies, and its joint ventures incorporated in India are disqualified as on 31 March 2022 from being appointed as a director in terms of Section 164(2) of the Act.
- 22.7. With respect to the adequacy of internal financial controls with reference to the Consolidated Ind AS Financial Statements of the Holding Company, its subsidiary companies, and joint venture incorporated in India and the operating effectiveness of such controls, refer to our separate report in "Annexure A".
- 22.8. In our opinion and according to the information and explanations given to us and based on the reports of the statutory auditors of such subsidiary companies, and joint venture incorporated in India which were not audited by us, the remuneration paid during the current year by the Holding Company, its subsidiary companies, and joint venture incorporated in India to its directors is in accordance with the provisions of Section 197 of the Act except in case of a subsidiary where remuneration to Directors is paid in excess by Rs. 27.89 Lakhs compared to the limits laid down under the Act; which is subject to the approval of shareholders, by special resolution, in its ensuing Annual General Meeting.
23. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of audit reports of the other auditors on separate financial statements of such subsidiaries, and joint venture as noted in the 'Other Matters' paragraph:
- 23.1. The Consolidated Ind AS Financial Statements disclose the impact of pending litigations as at 31 March 2022 on the consolidated financial position of the Group and its joint venture – Refer Note 16 to the Consolidated Ind AS Financial Statements.
- 23.2. The Group and its joint ventures did not have any material foreseeable losses on long-term contracts including derivative contracts during the year ended March 31, 2022.
- 23.3. There has been no delay in transferring amounts required to be transferred, to the Investor Education and Protection Fund by the Holding Company and/or its subsidiary companies and joint venture incorporated in India during the year ended 31 March 2022.
- 23.4. The respective Managements of the Company and its subsidiaries have represented to us and based on the reports of auditors of such subsidiaries which are referred to in para 19 above respectively, that no funds (which are material either individually or in aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Group to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether,

(Referred to in paragraph “22.7” under ‘Report on Other Legal and Regulatory Requirements’ section of our report of even date)

Report on the Internal Financial Controls with reference to the aforesaid Consolidated Ind AS Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

Opinion

1. In conjunction with our audit of the Consolidated Ind AS Financial Statements of IL&FS Investment Managers Limited as of and for the year ended 31 March 2022, we have audited the internal financial controls with reference to the Consolidated Ind AS Financial Statements of IL&FS Investment Managers Limited (“the Holding Company”), its subsidiary companies and joint venture, which are companies incorporated in India, as of that date.
2. In our opinion, the Holding Company, its subsidiary companies and joint venture, which are companies incorporated in India, have, in all material respects, an adequate internal financial controls with reference to the Consolidated Ind AS Financial Statements and such internal financial controls were operating effectively as at 31 March 2022, based on the internal controls over financial reporting criteria established by the respective companies considering the essential components of such internal controls stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (“the Guidance Note”).

Management’s responsibility for Internal Financial Controls

3. The respective management and Board of Directors of the Holding Company, its subsidiary companies, and joint venture which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls with reference to Consolidated Ind AS Financial Statements based on the internal controls over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s responsibility

4. Our responsibility is to express an opinion on the Holding Company, its subsidiaries and joint venture, which are companies incorporated in India, internal financial controls with reference to the Consolidated Ind AS Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note and the Standards on Auditing (“SA”), prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to the Consolidated Ind AS Financial Statements. Those SAs and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to the Consolidated Ind AS Financial Statements were established and maintained and if such controls operated effectively in all material respects.
5. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to the Consolidated Ind AS Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to the Consolidated Ind AS Financial Statements included obtaining an understanding of internal financial controls with reference to the Consolidated Ind AS Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of the internal controls based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Consolidated Ind AS Financial Statements, whether due to fraud or error.
6. We believe that the audit evidence we have obtained, and the audit evidence obtained by the other auditors in terms of their reports referred to in the ‘Other Matters’ paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to the Consolidated Ind AS Financial Statements.

Meaning of Internal Financial controls with reference to the Consolidated Ind AS Financial Statements

7. A company’s internal financial controls with reference to the Consolidated Ind AS Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial controls with reference to the Consolidated Ind AS Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide

Annexure “A” to the Independent Auditors’ report on the Consolidated Ind AS Financial Statements of IL&FS Investment Managers Limited for the year ended 31 March 2022

reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to the consolidated Ind AS Financial Statements

8. Because of the inherent limitations of internal financial controls with reference to the Consolidated Ind AS Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to the Consolidated Ind AS Financial Statements to future periods are subject to the risk that the internal financial controls with reference to the Consolidated Ind AS Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Other Matters

9. Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls system with reference to the Consolidated Ind AS Financial Statements in so far as it relates to subsidiary companies, and joint venture, which are companies incorporated in India, is based on the corresponding reports of the auditors of the said entities.

Notes Forming part of The Consolidated Financial Statements for the year ended 31st March, 2022

1) Corporate Information

IL&FS Investment Managers Limited (IIML) is a Public Limited Group domiciled in India and its registered office is situated at The IL&FS Financial Centre, Plot No. C-22, G Block, Bandra-Kurla Complex, Bandra (East), Mumbai 400051. The Group has been incorporated under the Companies Act, 1956 on February 10, 1986 and is a domestic private equity fund management Group which manages funds on behalf of leading Indian and International Institutions

As at March 31, 2022, Infrastructure Leasing & Financial Services Limited, the holding Group owned 50.42% of the Group's equity share capital

2) Significant Accounting Policies

(a) Statement of compliance :

These consolidated financial statements have been prepared in accordance with the Indian Accounting Standards (referred to as "Ind AS") prescribed under Section 133 of the Companies Act, 2013 (CA 2013) read with the Companies (Indian Accounting Standards) Rules as amended from time to time. These consolidated financial statements were approved by the Board of Directors and authorised for issue on May 30, 2022

(b) Basis of preparation and presentation :

The consolidated financial statements have been prepared on a historical cost basis, except for certain financial assets and liabilities that are measured at fair value. The financial statements of its subsidiary IIML Fund Managers (Singapore) Pte Ltd and its Joint Ventures IL&FS Milestone Realty Advisors Private Limited and Standard Chartered IL&FS Management (Singapore) Pte Ltd have been prepared on the basis that it does not continue as a going concern and consequently, the assets were measured at the net realisable value and liabilities at the cost to settle

(c) Basis of Consolidation :

The Consolidated financial statements incorporate the financial statements of the Group controlled by the Group and its subsidiaries. Control is achieved when the Group :

- has power over the investee;
- is exposed, or has rights, to variable returns from its involvement with the investee; and
- has the ability to use its power to affect its returns

The Group reassesses whether or not it controls an investee if facts and circumstances indicate that there are changes to one or more of the three elements of control listed above

The Group combines the consolidated financial statements of the parent and its subsidiaries line by line adding together like items of assets, liabilities, equity, income and expenses. Inter Group transactions, balances and unrealised gains on transactions between Group companies are eliminated

(d) Investments in Joint Ventures :

Interests in joint ventures are accounted for using the equity method, after initially being recognised at cost in the consolidated balance sheet. Under the equity method of accounting, the investments are initially recognised at cost and adjusted thereafter to recognise the Group's share of the post-acquisition profits or losses of the investee in consolidated profit and loss, and the Group's share of other comprehensive income of the investee in consolidated other comprehensive income. Dividends received or receivable from joint ventures are recognised as a reduction in the carrying amount of the investment. When the Group's share of losses in an equity accounted investment equals or exceeds its interest in the entity, including any other unsecured long-term receivables, the Group does not recognise further losses, unless it has incurred obligations or made payments on behalf of the other entity

(e) Fair Value Measurement :

Measurement of fair values

A number of the Group's accounting policies and disclosures require measurement of fair values, for both financial and non-financial assets and liabilities

Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows :

- Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.

Notes Forming part of The Consolidated Financial Statements for the year ended 31st March, 2022

- Level 2: inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3: inputs for the asset or liability that are not based on observable market data (unobservable inputs)

When measuring the fair value of an asset or a liability, the Group uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement

Further information about the assumptions made in measuring fair values is included in the following notes

(f) Financial instruments :

(i) Recognition and initial measurement :

Trade receivables are initially recognised when they are originated. All other financial assets and financial liabilities are initially recognised when the Group becomes a party to the contractual provisions of the instrument

A financial asset or financial liability is initially measured at fair value plus, for an item not at fair value through profit and loss ("FVTPL"), transaction costs that are directly attributable to its acquisition or issue

(ii) Classification and subsequent measurement :

Financial assets

On initial recognition, a financial asset is classified and measured at

- amortised cost;
- fair value through other comprehensive income ("FVOCI")
- FVTPL

Financial assets are not reclassified subsequent to their initial recognition except if in the period the Group changes its business model for managing the financial assets

A financial asset is measured at amortised cost if it meets both of the following conditions and is not designated as at FVTPL :

- the asset is held within a business model whose objective is to hold assets to collect contractual cash flows; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

A financial asset is measured at FVOCI if it meets both of the following conditions and is not designated as at FVTPL :

- the asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets; and
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

All financial assets not classified as measured at amortised cost or FVOCI as described above are measured at FVTPL

Subsequent measurement and gains and losses are recognised as :

Financial assets at FVTPL	These assets are subsequently measured at fair value. Net gains and losses, including any interest or dividend income, are recognised in profit or loss
Financial assets at amortised cost	These assets are subsequently measured at amortised cost using the effective interest method. The amortised cost is reduced by impairment losses. Interest income, foreign exchange gains and losses and impairment are recognised in profit or loss. Any gain or loss on derecognition is recognised in profit or loss

Notes Forming part of The Consolidated Financial Statements for the year ended 31st March, 2022

(iii) **Financial liabilities: Classification, subsequent measurement and gains and losses :**

Financial liabilities are classified as measured at amortised cost or FVTPL. A financial liability is classified as at FVTPL if it is classified as held- for- trading, or it is a derivative or it is designated as such on initial recognition. Financial liabilities at FVTPL are measured at fair value and net gains and losses, including any interest expense, are recognised in profit or loss. Other financial liabilities are subsequently measured at amortised cost using the effective interest method. Interest expense and foreign exchange gains and losses are recognised in profit or loss. Any gain or loss on derecognition is also recognised in profit or loss

(iv) **Derecognition :**

(a) **Financial Asset**

The Group derecognises a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the Group neither transfers nor retains substantially all of the risks and rewards of ownership and does not retain control of the financial asset

If the Group enters into transactions whereby it transfers assets recognised on its balance sheet, but retains either all or substantially all of the risks and rewards of the transferred assets, the transferred assets are not derecognised

(b) **Financial Liabilities :**

The Group derecognises a financial liability when its contractual obligations are discharged or cancelled, or expire

The Group also derecognises a financial liability when its terms are modified and the cash flows under the modified terms are substantially different. In this case, a new financial liability based on the modified terms is recognised at fair value. The difference between the carrying amount of the financial liability extinguished and the new financial liability with modified terms is recognised in profit or loss

(v) **Offsetting :**

Financial assets and financial liabilities are offset and the net amount presented in the balance sheet when, and only when, the Group currently has a legally enforceable right to set off the amounts and it intends either to settle them on a net basis or to realise the asset and settle the liability simultaneously

(vi) **Cash and cash equivalents :**

Cash comprises of demand deposits with banks. Cash equivalents are short-term balances, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value. For the purpose of the statement of cash flows, cash and cash equivalents consist of cash and short-term balance, as defined above as they are considered an integral part of the Group cash management

(g) **Property, plant and equipment :**

Property, plant and equipment acquired by the Group are reported at acquisition cost, with deductions for accumulated depreciation and impairment losses, if any

The acquisition cost includes the purchase price (excluding refundable taxes) and expenses, directly attributable to bringing the asset to the site and in working condition for its intended use

Intangible Assets are reported at acquisition value with deductions for accumulated amortisation and impairment losses, if any

Depreciation on asset is provided pro-rata from the date on which asset is ready to be put to use for its intended purpose on Straight-Line Method based on the estimated useful life of the assets, which are as follows :

Notes Forming part of The Consolidated Financial Statements for the year ended 31st March, 2022

Category of Asset	Estimated Useful Life (in years)
Assets :	
Furniture and Fixtures	5
Data Processing Equipments (Servers & Networking)	4
Data Processing Equipments (Others)	3
Office Equipments	4
Vehicles	4
Lease hold improvement	Over the lease period
Asset given to employees	3
Intangible Assets :	
Computer Software	3

As per CA 2013, depreciation of assets is required to be provided based on estimated useful life as per Schedule II of the CA 2013. However, there are certain categories of assets where the useful life of assets have been assessed as under, taking into consideration the nature of the asset, the estimated usage of the asset, the operating conditions of the asset, the past history of replacement, anticipated technological changes etc. Pursuant to the foregoing, it is proposed to continue with the existing policy of accelerated depreciation on following category of assets :

- (i) Mobile Phones and iPad/Tablets 100% depreciated during the year of capitalisation due to extensive usage and technological obsolescence
- (ii) Vehicles as per the current policy of 4 years as against the useful life of 8 years provided in the CA 2013
- (iii) Furniture and Fixtures as per current policy of 5 years as against the useful life of 10 years provided in the CA 2013
- (iv) Office Equipment as per current policy of 4 years as against the useful life of 5 years provided in the CA 2013
- (v) Data Processing Equipment - Servers & Networking as per current policy of 4 years as against the useful life of 6 years provided in the CA 2013
- (vi) Assets provided to Employees as perquisites would be depreciated over a period of 3 years in line with the rules set in the Employee Hand Book
- (vii) Individual assets costing ₹ 5,000/- or less in the year of capitalisation shall be depreciated 100% for all the categories of assets

Residual value of all assets is retained at ₹ 1/-

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected to arise from the continued use of the asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in profit or loss

(h) Revenue recognition :

(i) Rendering of services :

The Group recognises revenue from contracts with customers based on a five step model as set out in Ind AS 115, Revenue from Contracts with Customers to determine when to recognise revenue and at what amount

Revenue is measured based on the consideration specified in the contract with a customer. Revenue from contracts with customers is recognised when services are provided and it is highly probable that a significant reversal of revenue is not expected to occur

If the consideration promised in a contract includes a variable amount, the Group estimates the amount of consideration to which it will be entitled in exchange for rendering the promised services to a customer. The amount of consideration can vary because of discounts, rebates, refunds, credits, price concessions, incentives, performance bonuses, or other similar items. The promised consideration can also vary if an entitlement to the consideration is contingent on the occurrence or non-occurrence of a future event

Notes Forming part of The Consolidated Financial Statements for the year ended 31st March, 2022

The Group principally generates revenue by providing investment management/advisory services to various funds

Services	Nature, timing of satisfaction of performance obligations and significant payment terms
Investment Management/ Advisory Services	<p>The Group provides investment management/advisory services to various funds over the life of those funds and is entitled to management/advisory fees. Management/ advisory fees are calculated on the applicable rates and bases as stipulated in the investment management/ advisory agreement between the Group and the funds. As the services are to be provided over the life of the funds, this implies that performance obligation is satisfied over time</p> <p>The transaction price of the management/advisory fees is based on the disposition proceeds, Net invested capital, Net capital commitment and outstanding capital as applicable (variable consideration-based), however, this is not constrained since it can easily and accurately be calculated</p> <p>The Group determines that it can allocate the entire amount of management/advisory fees because the management/ advisory fees relate specifically to the service provided during life of the funds. Therefore, revenue in the form of management/advisory fees is recognised over time</p>

- (ii) Recognition of dividend income, interest income from financial instruments :

Dividend income is recognised in the Statement of Profit and Loss on the date on which the Group's right to receive dividend is established

Interest income or expense is recognised using the effective interest rate method

- (iii) Other Services :

- Income from upfront fee is recognised at rates agreed upon with borrowers on execution of loan documents between PMDO lenders and its borrower
- Asset Management Fee is recognised when it is reasonably certain that the revenue will flow to the Group at rates agreed upon with borrowers / banks of PMDO Facility on the outstanding loan balance over the term of funding
- Consultancy fee and Professional fee are recognised when it is reasonably certain that the revenue will flow to the Group at the rates agreed upon

(i) Income Tax :

Income tax comprises current and deferred tax. It is recognised in profit or loss except to the extent that it relates to a business combination or to an item recognised directly in equity or in other comprehensive income

(i) Current tax :

Current tax comprises the expected tax payable or receivable on the taxable income or loss for the year and any adjustment to the tax payable or receivable in respect of previous years. The amount of current tax reflects the best estimate of the tax amount expected to be paid or received after considering the uncertainty, if any, related to income taxes. It is measured using tax rates (and tax laws) enacted or substantively enacted by the reporting date

Current tax assets and current tax liabilities are offset only if there is a legally enforceable right to set off the recognised amounts, and it is intended to realise the asset and settle the liability on a net basis or simultaneously

(ii) Deferred tax :

Deferred tax is recognised in respect of temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the corresponding amounts used for taxation purposes

Deferred tax assets are recognised to the extent that it is probable that future taxable profits will be available against which they can be used. The Group recognises a deferred tax asset only to the extent that it has sufficient taxable temporary differences or there is convincing other evidence that sufficient taxable profit will be available against which such deferred tax asset can be realised. Deferred tax assets – unrecognised or recognised, are reviewed at each reporting date and are recognised/reduced to the extent that it is probable/no longer probable respectively that the related tax benefit will be realised

Deferred tax is measured at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on the laws that have been enacted or substantively enacted by the reporting date

Notes Forming part of The Consolidated Financial Statements for the year ended 31st March, 2022

The measurement of deferred tax reflects the tax consequences that would follow from the manner in which the Group expects, at the reporting date, to recover or settle the carrying amount of its assets and liabilities

Deferred tax assets and liabilities are offset if there is a legally enforceable right to offset current tax liabilities and assets, and they relate to income taxes levied by the same tax authority on the same taxable entity, or on different tax entities, but they intend to settle current tax liabilities and assets on a net basis or their tax assets and liabilities will be realised simultaneously

(j) Foreign Currencies :

The Group's consolidated financial statements are presented in INR, which is also the Group's functional currency

In preparing the consolidated financial statements of Group, transactions in currencies other than the Group's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are retranslated at the rates prevailing at that date. Foreign exchange gains and losses resulting from settlement of such transactions are generally recognised in the profit and loss

Non-monetary foreign currency items are carried at cost

Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items measured at fair value is treated in line with the recognition of the gain or loss on the change in fair value of the item (i.e., translation differences on items whose fair value gain or loss is recognised in OCI or profit or loss are also recognised in OCI or profit or loss, respectively)

(k) Provisions (other than for employee benefits), contingent liabilities, contingent assets and commitments :

A provision is recognised if, as a result of a past event, the Group has a present legal or constructive obligation that can be estimated reliably, and it is probable that an outflow of economic benefits will be required to settle the obligation. Provisions are determined by discounting the expected future cash flows (representing the best estimate of the expenditure required to settle the present obligation at the balance sheet date) at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The unwinding of the discount is recognised as finance cost. Expected future operating losses are not provided for

Contingent liabilities are disclosed when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount cannot be made

A contingent asset is not recognised but disclosed in the financial statements where an inflow of economic benefit is probable

Commitments includes the amount of purchase order (net of advance) issued to counterparties for supplying/development of assets and amounts pertaining to Investments which have been committed but not called for

Provisions, contingent assets, contingent liabilities and commitments are reviewed at each balance sheet date

(l) Impairment of financial assets :

In accordance with Ind AS 109, the Group applies expected credit loss (ECL) model for measurement and recognition of impairment loss on the following financial assets and credit risk exposure :

Trade receivables or any contractual right to receive cash or another financial asset that result from transactions that are within the scope of Ind AS 115

ECL is the difference between all contractual cash flows that are due to the Group in accordance with the contract and all the cash flows that the entity expects to receive (i.e., all cash shortfalls), discounted at the original Effective Interest Rate (EIR). ECL impairment loss allowance (or reversal) recognised during the period is recognised as income/expense in the statement of profit and loss

(m) Employee benefits :

- (i) Short Term Obligations : Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service

Notes Forming part of The Consolidated Financial Statements for the year ended 31st March, 2022

are recognised in respect of employees' services up to the end of the reporting and are measured at the amounts expected to be paid when the liabilities are settled

- (ii) **Retirement benefit costs and termination benefits :** Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions. The Group has no obligation, other than the contribution payable to the provident fund

The Group provides for gratuity, a defined benefit plan (unfunded). Incremental liability for gratuity based on actuarial valuation/management estimates as per the projected unit credit method as at the reporting date, is charged as expenses in the Statement of Profit and Loss. Actuarial gains and losses arising from changes in actuarial/management assumptions are recognised in other comprehensive income and shall not be reclassified to the Statement of Profit and Loss in a subsequent period

- (iii) **Leave Encashments :** The Group provides for the encashment of leave with pay subject to certain rules. The employees are entitled to accumulate leave subject to certain limits, for future encashment/ availment. The liability is provided based on the actual number of days of unutilised leave at each Balance Sheet date on the basis of a management estimate/ independent actuarial valuation

(n) **Leases :**

Effective April 1, 2019, the Group has adopted Ind AS 116 - Leases. At the inception of a contract, assessment is being done whether the contract is, or contains, a lease. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. The Group reassesses whether a contract is, or contains, a lease only if the terms and conditions of the contract are changed

As a Lessor :

A lessor shall classify each of its leases as either an operating lease or a finance lease

As a Lessee :

At the commencement date, a lessee shall recognise a right-of-use ("ROU") asset representing its right to use the underlying asset and a lease liability representing its obligation to make lease payments. The nature of expenses would be depreciation charge for ROU assets and interest expense on lease liabilities

The Group in the capacity of lessee has classified each of its leases as short term leases (having a lease term of 12 months or lower) and has recognised the lease payments as an expense on either a straight-line basis over the lease term or another systematic basis. The related cash flows are classified as Operating activities in the Statement of Cash Flows

(o) **Earnings Per Share :**

In determining earnings per share, the Group considers the profit attributable to the owners of the Group. The number of shares used in computing basic earnings per share is the weighted average number of shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares. The number of shares used in computing diluted earnings per share comprises the weighted average shares considered for deriving basic earnings per share, and also the weighted average number of additional equity shares that could have been issued on the conversion of all dilutive potential equity shares. Dilutive potential equity shares are deemed converted as of the beginning of the year, unless issued at a later date

(p) **Segment reporting :**

An operating segment is a component of a Group that engages in business activities from which it may earn revenue and incur expenses, including revenue and expenses that relates to transactions with any of the Group's other components, for which discrete financial information is available, and such information is regularly reviewed by the Group's Chief Operating Decision Maker (CODM) to make key decision on operations of the segments and assess its performance. The Group operates in one reportable business segment i.e. "Asset Management and other related service"

(q) **Goods and Services Tax :**

Goods and Services Tax ("GST") is accounted for in the books in the period in which the underlying service received is accounted and when there is reasonable certainty in availing the credits

(r) **Operating Cycle :**

Based on the nature of activities of the Group and the normal time between acquisition of assets and their realisation in cash or cash equivalents, the Group has determined its operating cycle as 12 months for the purpose of classification of its assets and liabilities as current and non-current

Notes Forming part of The Consolidated Financial Statements for the year ended 31st March, 2022

(s) Use of estimates and judgements :

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. Actual results may differ from these estimates

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised prospectively

Information about assumptions and estimation uncertainties that have a significant risk of resulting in a material adjustment in the year ending March 31, 2022 is included in the following notes :

- (i) Note 31 Impairment of financial assets (including trade receivable)
- (ii) Note 13 Estimation of defined benefit obligations
- (iii) Note 34 Estimation for preparation of financials under going concern assumption

(t) Cash Flow Statement :

Cash flows are reported using the indirect method, whereby profit/(loss) before tax is adjusted for the effects of transactions of non-cash nature and any deferrals or accruals of past or future cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated based on the available information

(u) Rounding Off :

All amounts disclosed in the financial statement and notes have been rounded off to the nearest Lakhs, unless otherwise stated

Notes Forming part of The Consolidated Financial Statements for the year ended 31st March, 2022

Company Ltd (EDWPCL) and RDF Power Projects Ltd (RDFPPL) was sold to investors. Since the sale consideration offered by investors was lesser than the liquidation value of these companies, entire consideration was distributed to secured financial creditors only and the group, being a secured operational creditor, did not get any share

Total AMC fees due from these Companies amounted to ₹ 272.89 Lakhs (Comprising of IEISL- ₹ 64.94 Lakhs, EDWPCL- ₹ 89.48 Lakhs and RDFPPL - ₹ 118.46 Lakhs. Considering the uncertainty in recovery, the Group had already made 100% provision against these dues as at March 31, 2020. Currently, based on the above facts, entire dues from IEISL, EDWPCL and RDFPPL amounting to ₹ 272.89 Lakhs has been written off during the year ended March 31, 2021

The following methods and assumptions were used to estimate the fair values :

The fair values of the units of mutual fund schemes are based on net asset value at the reporting date. The fair value of Venture Capital Funds is valued using discounted cash flow analysis and inputs based on information about market participants assumptions and other data that are available. The discount rates used is based on management estimates

The financial instruments are categorised into three levels based on the inputs used to arrive at fair value measurements as described in Note 2 (e) of the financial statement

31) Financial Risk Management

The Group has exposure to the following risks from financial instruments :

1. Credit risk
2. Liquidity risk
3. Market risk

Risk management framework

The Group has a system of controls in place to create an acceptable balance between the cost of risks occurring and the cost of managing the risks. Management continually monitors the risk management process to ensure adherence to appropriate risk limits and controls are set in place

The Board of Directors oversees how management monitors compliance with the Group's risk management process and procedures and reviews the adequacy of the risk management framework in relation to the risks faced by the Group

Credit risk

Credit risk refers to the risk that counterparty will default on its contractual obligations resulting in financial loss to the Group. Interest rate risk

The Group is not exposed to interest rate risk as the Group has fixed interest bearing financial assets

Price risk

The Group has invested in the Mutual Funds and Equity shares

Mutual Fund and Equity shares Net Asset Values (NAVs) are impacted by a number of factors like interest rate risk, credit risk, liquidity risk, market risk in addition to other factors

A movement of 5% in NAV mutual funds on either side can lead to a gain/loss of ₹ 115.69 Lakhs and ₹ 160.74 Lakhs on the overall portfolio as at March 31, 2022 and March 31, 2021 respectively

A movement of 5% in NAV Equity shares on either side can lead to a gain/loss of ₹ 43.72 Lakhs and ₹ 45.88 Lakhs, on the overall portfolio as at March 31, 2022 and March 31, 2021 respectively

Capital Management

The Group manages its capital to ensure that it will be able to continue as a going concern while maximising the return to stakeholders through the optimisation of the debt and equity balance. As part of its capital risk management policies, the Group reviews the capital structure to ensure that it has an appropriate portion of net debt to equity. Net financial debt is defined as current and non-current financial liabilities less cash and cash equivalents and short-term investments. The debt equity ratio highlights the ability of a business to repay its debts. The net financial debt position of the Group as on March 31, 2022 and March 31, 2021 is negative which signifies the Group has more than sufficient cash to pay off its liabilities

- 33) The Ministry of Corporate Affairs (MCA), Government of India, has vide its letter dated October 1, 2018 initiated investigation by Serious Fraud Investigation Office (SFIO) against Infrastructure Leasing & Financial Services Limited (IL&FS), the Holding Company and its subsidiaries (including the Group) under Section 212(1) of the Companies Act, 2013. As a part of its investigation, SFIO and Enforcement Directorate (ED) have been seeking information from the Group on an ongoing basis. The investigation is in progress and the Group is fully cooperating with the investigation agencies. On December 3, 2018, MCA on the directions of the National Company Law Tribunal, Mumbai (NCLT) has impleaded various Group Companies of IL&FS (which includes the Group) as Respondents to the Petition filed by them on October 1, 2018. Further based on another petition of the MCA under Section 130 (1) of the Companies Act, 2013, the NCLT has, on January 1, 2019, ordered re-opening of books of accounts for the past financial year 2012-13 to financial year 2017-18 of 'IL&FS' ('the Ultimate Holding Company'), IL&FS Financial Services Limited ('IFIN' a fellow subsidiary) and IL&FS Transportation Networks Limited ('ITNL' a fellow subsidiary). While the Group, based on its current understanding, believes that the above would not have a material impact on the financial results, the implications, if any, arising from the aforesaid developments would be known only after the aforesaid matters are concluded and hence are not determinable at this stage.
- 34) The term of most of the existing funds being managed/advised by the Group has already been over. Other funds being managed/ advised by the Group are approaching end of their term in near future which has resulted in significant reduction in the Group's fee revenue. Management expects that its future income from existing funds being managed/advised together with liquid assets held by the Group as at March 31, 2022 will be adequately sufficient to meet the Group's existing and future obligations arising over the next 12 months.
- Meanwhile, the IL&FS Board has been working on a resolution plan, with a view to enable value preservation for stakeholders of IL&FS Group. The resolution plan, inter alia, involves sale of assets/businesses/companies owned by IL&FS. And in this regard, the IL&FS Board has on December 21, 2018 and September 27, 2019 invited a public Expression of Interest (Eoi) for sale of its entire stake in the Company. Accordingly, the Company's plans for new fund raise have been kept on hold pending completion of the stake sale. Further, with the outbreak of the pandemic the timelines for the sale process have got delayed and while there is material uncertainty with regard to the stake sale, management believes that use of the going concern assumption for preparation of these financial results is appropriate.
- 35) Group's share of losses in a Joint venture Standard Chartered IL&FS Management (Singapore) Pte Ltd for FY 2021-22 amounts to \$ 0.30 Lakh (₹ 22.29 Lakh as at March 31, 2022). These losses exceed the investment value in the consolidated books of the company. Hence the carrying value of investment in consolidated books of the Group is written down to Nil. The total unabsorbed loss of \$ 5.58 Lakh (₹ 410.71 Lakh when converted at closing rate as at March 31, 2022) remains unrecognised as at March 31, 2022.

Notes Forming part of The Consolidated Financial Statements for the year ended 31st March, 2022

- 36) The Group has considered the possible effects that may arise as a result of the COVID-19 pandemic on its financial statements and business as a whole. The Group is a zero debt Group and also has sufficient cash reserves to tide over this global crisis. There is no impact of COVID-19 on the financial results for the period ended March 31, 2022
- 37) The financial statements of its subsidiary IIML Fund Managers (Singapore) Pte Ltd and its Joint Ventures IL&FS Milestone Realty Advisors Private Limited and Standard Chartered IL&FS Management (Singapore) Pte Ltd have been prepared on the basis that it does not continue as a going concern
- 38) The Board of Directors, in their meeting held on May 30, 2022 have proposed a final dividend of ₹ 0.40 per equity share amounting to ₹ 1,256.13 Lakhs partly out of general reserve. The proposal is subject to the approval of shareholders at the Annual General Meeting
- 39) The Board of Directors of the Company at its meeting held on February 14, 2022 approved a Scheme of Amalgamation of its two wholly owned subsidiaries IL&FS Asian Infrastructure Managers Limited and IIML Asset Advisors Limited with the Company, subject to approval of shareholders and/or creditors of the respective companies and necessary regulatory approvals. The Appointed Date for the said Scheme of Amalgamation is scheduled to be April 1, 2022
- 40) The Group did not have any material transactions with companies struck off under Section 248 of the Companies Act, 2013 or Section 560 of Companies Act, 1956 during the financial year except as disclosed below. The dividend payment was made to shareholders during the year who are struck off Companies as under :
