Item No. 5

Shreno Limited is a 'Related Party' within the meaning of Regulation 2(1)(zb) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirement) Regulations, 2015 ('SEBI Listing Regulations, 2015') and Section 2(76) of the Companies Act, 2013 ('Act'). Hence, the contracts, agreements, arrangements and transactions with Shreno Limited falls under the category of Related Party Transactions ('RPT') in terms of the Regulation 23 of SEBI Listing Regulations, 2015 and provisions of Section 188 of the Act and rules framed thereunder.

The Company and Shreno Limited own land parcels at certain locations in Vadodara, Gujarat adjoining / in close vicinity to each other. Hence in order to achieve judicious mixed used development on such land parcels, it would be expedient for both the entities to carry out development in mutual consultation / co-ordination on such land parcels with joint approvals from any regulatory authorities as may be required from time to time. Hence, the Company may enter into various contracts, arrangements, agreements and transactions from time to time in the ordinary course of business and on arm's length basis with Shreno Limited inter-alia for (i) buying or selling or leasing immovable property; (ii) entering into Agreements for Transfer of Development Right / Floor Space Index (FSI); (iii) entering into Agreements for joint development of projects on revenue sharing / area sharing / profit sharing basis; (iv) entering into Project Management Consultancy Agreement; (v) granting of loans, advances and providing guarantee; (vi) availing or rendering of services; and (vii) reimbursement of expenses.

In accordance with the provisions of Regulation 23(1) of SEBI Listing Regulations, 2015, a transaction with a related party shall be considered material, if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceeds ₹ 1,000 Crore or 10% of the annual consolidated turnover of the listed entity as per the last audited financial statements of the listed entity, whichever is lower. Ten percent of the annual consolidated turnover of the Company as per its latest audited financial statements for the financial year 2021-22 is ₹ 7.82 crores. Further, in terms of Regulation 23(4) of SEBI Listing Regulations, 2015, effective from 1st April, 2022, all Material Related Party Transaction shall require prior approval of shareholders by means of an ordinary resolution. The approval of the shareholders under Regulation 23 of the SEBI Listing Regulations, 2015 is required even if the transactions are in the ordinary course of business and at an arm's length basis.

The details of transactions entered into by the Company with Shreno Limited during the previous two financial years i.e. F.Y. 2021-22 and F.Y. 2020-21, is given below:

(₹ in Lacs)

Sr. No.	Nature of transactions	F.Y. 2021-22	F.Y. 2020-21
1.	Rendering of Services	519.48	272.28
2.	Purchase of Goods	1.08	-
	TOTAL	520.56	272.28

Since the transactions entered into / proposed to be entered into with Shreno Limited may exceed the threshold of 10% of the annual consolidated turnover of the Company, it will be classified as a material related party transaction and hence approval of the Members is sought as per the requirements of Regulation 23 of the SEBI Listing Regulations, 2015.

Notice

None of the other Directors and Key Managerial Personnel or their relatives other than Mr. Chirayu Amin, Mrs. Malika Amin and Mr. Udit Amin are in any way concerned or interested in the resolution. However, in accordance with the provisions of Regulation 23(4) of the SEBI Listing Regulations, 2015, the resolution above, being a resolution for approval of material related party transaction, all related parties (including the above) shall not vote to approve such resolution.

Item No. 6

Alembic Pharmaceuticals Limited ('APL') is a listed company and an associate company of Alembic Limited and a related party within the meaning of Regulation 2(1)(zb) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirement) Regulations, 2015 ('SEBI Listing Regulations, 2015') and Section 2(76) of Companies Act, 2013 ('Act'). Hence, the contracts, arrangements, agreements and transactions with APL falls under the category of Related Party Transactions ('RPT') in terms of the Regulation 23 of SEBI Listing Regulations, 2015 and provisions of Section 188 of the Act and rules framed thereunder.

The Company had entered into various contracts, arrangements, agreements and transactions from time to time in the ordinary course of business and on arm's length basis with APL as per the Act and Regulation 23 of SEBI Listing Regulations, 2015 and in compliance with the Company's Policy on Related Party Transactions and Manner of Dealing with Related Party Transactions ("RPT Policy") inter-alia for supply / job work / purchase of goods including active pharmaceutical ingredients ('API'), excipients and spent solvents, providing various premises on leave and license / lease basis, receipt of dividend from investment in securities of APL and reimbursement of expenses.

In accordance with the provisions of Regulation 23(1) of SEBI Listing Regulations, 2015, a transaction with a related party shall be considered material, if the transaction(s) to be entered into individually or taken together with previous transactions during a financial year, exceeds ₹ 1,000 Crore or 10% of the annual consolidated turnover of the listed entity as per the last audited financial statements of the listed entity, whichever is lower. Ten percent of the annual consolidated turnover of the Company as per its latest audited financial statements for the financial year 2021-22 is ₹ 7.82 crores. Further, in terms of Regulation 23(4) of SEBI Listing Regulations, 2015, effective from 1st April, 2022, all Material Related Party Transaction shall require prior approval of shareholders by means of an ordinary resolution. The approval of the shareholders under Regulation 23 of the SEBI Listing Regulations, 2015 is required even if the transactions are in the ordinary course of business and at an arm's length basis.

The details of transactions entered into by the Company with APL during the previous two financial years i.e. F.Y. 2021-22 and F.Y. 2020-21, are given below:

(₹ in Lacs)

Sr. No.	Nature of transactions	F.Y. 2021-22	F.Y. 2020-21
1.	Supply / job work / purchase of goods including active pharmaceutical ingredients ('API'), excipients and spent solvents	2,394.11	2,498.81
2.	Providing various premises on leave and license/lease basis	1,006.14	925.58
3.	Receipt of dividend from investment in securities of APL	7,817.11	-
4.	Reimbursement of expenses	89.91	334.74
	TOTAL	11,307.27	3,759.13

The Company had earlier obtained approval of the Members by way of Postal Ballot on 21st March, 2019 for a duration of 5 years. However, the Securities Exchange Board of India vide its circular no. SEBI/HO/CFD/CMD1/CIR/P/2022/47 dated 8th April, 2022 ('SEBI Circular'), provided that in case of omnibus approval for material related party transactions obtained from shareholders in general meeting other than Annual General Meeting ('AGM'), the validity of such approval shall not exceed one year. In order to comply with SEBI Listing Regulations, 2015, SEBI Circular, the Act, rules made thereunder and the policy of the Company in this regard, the material related party transaction entered into / to be entered into with APL till the date of next AGM will require approval of Audit Committee and Board of Directors.

Notice

Details of the proposed transactions (including information required to be provided in terms of the SEBI circular dated 22nd November, 2021) are as follows:

I. Details of Summary of information provided by the management to the Audit Committee and the Board		
a.	Name of the related party and its relationship with the listed entity or its subsidiary, including nature of its concern or interest (financial or otherwise)	Alembic Pharmaceuticals Limited is an Associate of the Company in which Mr. Chirayu Amin is Chairman & CEO and holds majority shareholding jointly with other family members and other promoter group entities.
b.	Type of transaction	<p>i. supply / job work / purchase of goods including active pharmaceutical ingredients ('API'), excipients and spent solvents (not exceeding ₹ 40 Crores);</p> <p>ii. providing various premises on leave and license/lease basis (not exceeding ₹ 15 Crores);</p> <p>iii. receipt of dividend* from investment in securities of APL (As may be decided by the Board and shareholders of APL); and</p> <p>iv. reimbursement of expenses (not exceeding ₹ 8 Crores).</p> <p>* Receipt of dividend from investments held in APL, is a non-discretionary transaction for the Company. Dividend is recommended and declared by APL for all its shareholders, including the Company and the Company and its Board has no role in the matter. However, since the definition of RPT includes transfer of resources, the same has been put up for member's approval.</p>
c.	Material terms and particulars of the proposed transaction	The Company has entered / proposes to enter into contracts / arrangements / agreements / transactions with APL for the above mentioned purpose for a cumulative value not exceeding ₹ 63 Crore p.a. excluding dividend receipt which is not in the control of the Company. The value / consideration for each transaction shall be determined mutually between the parties depending upon the process / product involved / location of premises and shall be on arm's length basis considering the prevailing market conditions and in the ordinary course of business.
d.	Tenure of the proposed transaction	Approval is sought for material RPTs undertaken / proposed to be undertaken till the date of next AGM.
e.	Value of the proposed transaction	The cumulative value of all transactions with APL shall not exceed ₹ 63 Crore p.a. excluding dividend receipt which is not in the control of the Company.
f.	The percentage of the listed entity's annual consolidated turnover, for the immediately preceding financial year, that is represented by the value of the proposed transaction	80.54 %

Notice

2.	Justification as to why the RPT is in the interest of the Company	<p>The Company and APL have legacy transactions and inter dependencies as the APL was formed as result from demerger from the Company.</p> <p>The Company has entered into various related party transactions with APL on regular basis and all such transactions are on arm's length basis and in the ordinary course of business.</p> <p>Transactions like receipt of dividend are non-discretionary transactions as dividend is declared by APL for all its shareholders, including the Company.</p> <p>The Company had taken approval of the members of the Company by way of Postal Ballot on 21st March, 2019 for a duration of 5 years. However, considering the recent amendments from SEBI which provided that in case of omnibus approval for material related party transactions obtained from shareholders in general meeting other than Annual General Meeting ('AGM'), the validity of such approval shall not exceed one year, the Company is required to take fresh approval from the members in the ensuing AGM.</p> <p>Therefore, the said related party transactions are in the interest of the Company.</p>
3.	If the transaction relates to any loans, intercorporate deposits, advances or investments made or given by the listed entity or its subsidiary	Not Applicable
4.	Percentage of the counter-party's annual consolidated turnover that is represented by the value of the proposed RPT on a voluntary basis;	1.19%
5.	Any other information that may be relevant	Not Applicable

The Audit Committee and the Board of Directors of the Company in their respective meetings held on 10th August, 2022, accorded their approval for seeking an enabling approval of the members to the proposed material related party transactions as set out in the resolution at Item No. 6 of this Notice.

The Board of Directors recommends the resolution at Item No. 6 of this Notice for your approval.

None of the other Directors and Key Managerial Personnel or their relatives other than Mr. Chirayu Amin, Mrs. Malika Amin and Mr. Udit Amin are in any way concerned or interested in the resolution. However, in accordance with the provisions of Regulation 23(4) of the SEBI Listing Regulations, 2015 the resolution above, being a resolution for approval of material related party transaction, all related parties (including the above) shall not vote to approve such resolution.

Item No. 7 & 8

The Company had obtained approval from its members by way of a Special Resolution passed at the 111th AGM held on 7th August, 2018 enabling the Board of Directors to pay commission of upto 3% (three percent) of the net profits of the Company, computed in accordance with the mechanism provided under Section 198 of the Act to Mr. Udit Amin, (DIN: 00244235), Non-Executive Director for a period of 5 years w.e.f. the financial year ending 31st March, 2018 and upto the financial year ending 31st March, 2022.

Pursuant to Regulation 17(6)(ca) of the SEBI Listing Regulations, 2015, the Company is also required to obtain approval of shareholders by way of a special resolution, for approving the payment of Commission to Mr. Udit Amin for the financial year 2021-22 as the annual remuneration payable to a single non-executive director exceeds fifty per cent of the total annual remuneration payable to all non-executive directors.

Notice

Mr. Udit Amin's substantial involvement, expertise and experience across a wide spectrum of functional areas has contributed significantly to the growth of the Company. In order to remunerate Mr. Udit Amin for the responsibilities entrusted upon him, upon recommendation of the Nomination and Remuneration Committee, it was proposed by the Board of Directors to obtain approval from the members for payment of commission for a further period of five years commencing from financial year 2022-23 upto financial year 2026-27 in the manner given hereunder.

Therefore, the Board of Directors at its meeting held on 5th May, 2022, on the recommendation of Nomination and Remuneration Committee, has approved the payment of commission of upto 3% (three percent) of the net profits of the Company, computed in accordance with the mechanism provided under Section 198 of the Act to Mr. Udit Amin, for a period of 5 years commencing from financial year 2022-23 upto and including the financial year 2026-27.

Section 197 of the Act provides that a Non-Executive Director may be paid remuneration in excess of the limits of 1% (one percent) of the net profits, if the Company by special resolution, authorizes such remuneration.

The overall total remuneration payable to the Executive and Non-Executive Directors cumulatively shall not exceed the overall ceiling of 11% (eleven percent) of the net profits of the Company stipulated under Section 197 and 198 of the Act.

The Board of Directors recommends the resolution at Item No. 7 & 8 of this Notice for your approval.

None of the Directors, Key Managerial Personnel and relatives thereof, other than Mr. Chirayu Amin, Mrs. Malika Amin, Mr. Udit Amin and their relatives have any concern or interest, financial or otherwise, in the resolution at Item No. 7 & 8 of this Notice.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Industry Perspective vis-à-vis Company

The Company operates primarily in the manufacture of Bulk Drugs and Real Estate Business.

(A) Segment-wise Performance, Industry structure and Developments, Outlook and Opportunities & Concerns, Risk and Threat:

a) Bulk Drugs Business:

The Company continues to do bulk production on job work basis.

However, the manufacturing business will continue to remain under pressure due to limited scale, competitive business scenario and the ever increasing need for capital intensive asset modernization. The business faces an uncertain future, despite our sincere efforts.

b) Real Estate Business:

The outlook for the Real Estate sector turned positive, after the decline in Covid cases, largely on the back of a long low-base period and improved customer sentiment driven by favourable interest rate scenario and favourable terms offered by developers. While demand for housing was pushed upwards due to low interest rates, healthy wage growth, better affordability levels and the waning fear of pandemic, the demand for commercial spaces was resurgent on account of demand for warehousing, data-centres and office spaces for select industries like BFSI, technology and research. The demand for flex-offices also grew better than the industry in various towns.

While most Tier-I cities witnessed alike growth in demand for residential and commercial spaces, Tier-II and Tier-III cities did not mirror the same sentiments. Further, the sector is heavily constrained by the micro-market where it operates and hence the demand and supply for a residential or commercial project is driven by the factors governing such micro-market like public amenities in the vicinity, distance from available public transportation, locality & surroundings, etc.

Real estate as an industry is highly labour oriented and the increasing cost of labour coupled with other inflationary pressures have put developers in a fix. This coupled with the unprecedented rise in prices of key construction materials like cement and steel in the last couple of months, will eventually put pressure on pricing of the residential units, making them less-affordable for home-buyer, albeit adverse repercussions for developers. The risk of small developers defaulting on timely delivery also cannot be ruled out. Industry bodies have requested for government intervention and support.

Despite the various challenges thrust by Covid, the Company has moved ahead on its construction schedule and has completed close to 46% of the construction on its residential project 'Veda-II', and is in course to deliver the homes on schedule. Veda-II takes pride in having the tallest residential tower in Vadodara. Close to the end of the year, we soft-launched two niche premium residential projects.

The Company focuses on leasing of commercial spaces for having consistent income and with this intent continues to add commercial and retail spaces into its portfolio in an organic manner. The Company has upgraded its campus Alembic City, by improving infrastructure, landscape and roads and is targeting to be a prime mixed-use destination in the city. Alembic Art District has been launched as a city center destination for the city and we are in process of leasing more assets and increasing rental revenues from this unique experiential retail space. The Company believes and is focusing on developing commercial rental assets for long term and desires to grow it as an important vertical for Alembic Real Estate.

(B) Finance:

The gross revenue of the Company was ₹ 7,597.28 Lakhs for the year under review as compared to ₹ 7,230.00 Lakhs for the previous year ended 31st March, 2021. The Company registered a net profit of ₹ 8,567.79 Lakhs as compared to net profit of ₹ 1,336.40 Lakhs for the previous year ended 31st March, 2021.

(C) Key Financial Ratios:

Key financial ratios are provided in the Notes to Financial Statements at Note no. 34(U), with the reasons for major variations, if any.

(D) Internal Control Systems and Adequacy:

The Company maintains a system of well-established policies and procedures for internal control of operations and activities.

The Company has appointed Internal Auditors for the Bulk Drugs division and Real Estate Division to ensure proper system of Internal Control and its adequacy. Further, the real estate business has concurrent auditors for joint measurement verifications and quality audit.

The reports of Internal Auditors are presented on regular basis before the Audit Committee and their recommendations are implemented.

(E) Human Resource Intervention

The Company has optimized the manpower to the right-size. The Company has drawn a strategic plan for leadership development by engaging the reputed agencies and carries

ANNEXURE A

out developmental programs in line with the plan. The annual employee comfort survey done internally continues to give assuring results which is reflective of the efforts put in by the management towards employee engagement. The Company has given the flexibility of work from home to all those who can productively work from home to make a right balance between safety and productivity. This has ensured that teams work with high motivation levels and optimum efficiencies.

(F) Health, Safety, Security and Environment

Health, Safety, Security and Environment is always looked at with its due seriousness along with our business activities and all employees are adequately trained for taking up their individual job accountability. Alembic's operations are well-resourced & they comply with the required norms of Health, Safety, Security and Environment.

Safety audits are carried out regularly by independent government approved consultants. Environmental audits were also carried out and the statutory reports of our compliances are submitted to regulators periodically for their review and inputs. Efforts are made at all levels to conserve energy and resources.

Report on Corporate Governance

Corporate Governance Compliance Certificate

*[For the Financial Year ended March 31, 2022 pursuant to Schedule V –
Part E of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015]*

The Members

Alembic Limited

We have examined the compliance of the conditions of Corporate Governance by Alembic Limited (“Company”) for the Financial Year ended March 31, 2022 (“review period”), as per the relevant provisions of Securities and Exchange Board of India (SEBI) (Listing Obligations and Disclosure Requirements) Regulations, 2015 (“Listing Regulations”).

The Compliance of conditions of Corporate Governance is the responsibility of the Company’s Management. Our examination was limited to the procedures and implementation thereof, adopted by the Company for ensuring the compliance of the conditions of Corporate Governance. It is neither an audit nor an expression of an opinion on the Financial Statements of the Company.

In our opinion and to the best of our information and according to the explanations given to us, we certify that the Company has complied with the conditions of Corporate Governance as stipulated in the above mentioned Listing Regulations.

We state that in respect of investor grievances received during the review period, no such grievance is pending against the Company, as per the records maintained by the Company and presented to the Stakeholders’ Relationship Committee.

We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.

No. The policy relating to ethics, bribery and corruption covers the entire Alembic Group.

- How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management? If so, provide details thereof, in about 50 words or so:

During the year under review, the Company did not receive any such complaint.

Principle 2: Product Sustainability

- List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.

Business Responsibility Report

We strive to incorporate social and/or environmental concerns in our products/services which includes API Manufacturing and Real Estate.

2. For each such product, provide the following details in respect of resource used (energy, water, raw material etc.) per unit of production (optional):
 - (a) Reduction during sourcing/production/distribution achieved since previous year throughout the value chain?
The Company manufactures APIs. As consumption per unit depends on the process efficiency, there are no specific standards to ascertain reduction achieved at product level. In Real Estate business, the Company ensures that the majority of materials used in all our projects are sourced locally.
 - (b) Reduction during usage by consumers (energy, water) has been achieved since the previous year?
In API, the Company's products do not have any broad-based impact on energy and water consumption by consumers. However, the Company has taken several measures to reduce the consumption of energy and water.

In Real Estate, it is difficult to quantify the exact quantity in terms of reduction achieved in energy and water usage by the customers. However, there are STPs installed in our projects and the STP water is used for landscaping, flushing, etc. and thus reducing the usage of fresh water.
3. Does the Company have procedures in place for sustainable sourcing (including transportation)?
If yes, what percentage of your inputs was sourced sustainably? Also, provide details thereof, in about 50 words or so.
The Company has formulated an operating procedure to approve vendors. Materials are procured from approved vendors. The quality assurance team of the Company conducts periodic audit of the vendors, especially those who supply key materials. The Company has longstanding business relations with regular vendors. The Company continues to receive sustained support from its vendors.
4. Has the Company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work?
 - (a) If yes, what steps have been taken to improve their capacity and capability of local and small vendors?
The Company procures goods and avail services from local and small vendors, particularly those located around its manufacturing/construction site/locations and from within the State. As a result of procurement of goods from local vendors, the Company saves on transportation as also on inventory carrying costs.
5. Does the Company have a mechanism to recycle products and waste? If yes what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%). Also, provide details thereof, in about 50 words or so.
Yes. The Company has mechanism for recycling of product as well as waste. Around 5-10% of total effluent generation is recycled, recovered and reused for gardening and general purpose applications. About 80-85% solvent inputs are redistilled and recovered for recycling purpose. Further, around 45% condensate water is recycled back to boiler for producing steam. In Real Estate, construction waste is reused on site for backfilling or levelling purpose.

Independent Auditor's Report

TO THE MEMBERS OF ALEMBIC LIMITED

Report on the Audit of the Standalone Financial Statements

Opinion

We have audited the accompanying Standalone Financial Statements of **Alembic Limited** ("the Company"), which comprise the Balance Sheet as at 31st March, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended and notes to the Standalone Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2022, its profit and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the independence requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Standalone Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone Financial Statements of the current period. These matters were addressed in the context of our audit of the Standalone Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr no	Key Audit Matter	Auditor's Response
1.	<p>Litigations, Provisions and contingent liabilities</p> <p>The Company has several litigations which also include matters under dispute which involves significant management judgement and estimates on the possible outcome of the litigations and consequent provisioning thereof or disclosure as contingent liabilities.</p> <p>Refer Note 25 and 34(B) to the Standalone Financial Statements.</p>	<p><u>Principal Audit Procedures</u></p> <p>As part of the audit process, we obtained from the management details of matters under disputes including ongoing and completed tax assessments, demands and other litigations.</p> <p>Our audit approach for the above consists of the following audit procedures:</p> <ul style="list-style-type: none"> Evaluation and testing of the design of internal controls followed by the Company relating to litigations and open tax positions for direct and indirect taxes and process followed to decide provisioning or disclosure as Contingent Liabilities; Discussed with Company's legal team and taxation team for sufficient understanding of on-going and potential legal matters impacting the Company. We involved our internal expert to evaluate the management's underlying judgements in making their estimates with regard to such matters.

Information other than the Standalone Financial Statement and Auditor's Report thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in Board's Report including Annexures to that Board's Report, Corporate Governance and Shareholder's Information, but does not include the Standalone Financial Statements and our auditor's report thereon.

Independent Auditor's Report

Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India, including the accounting Standards specified under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error;

In preparing the Standalone Financial Statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so;

The Board of Directors are also responsible for overseeing the company's financial reporting process.

Auditor's Responsibilities for the Audit of Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation;

Independent Auditor's Report

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit;

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards;

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the **"Annexure A"**, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
 - (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;

Annexure “A” to the Independent Auditor’s Report

Referred to in Para I ‘Report on Other Legal and Regulatory Requirements’ in our Independent Auditor’s Report to the members of the Company on the Standalone Financial Statements for the year ended 31st March, 2022.

To the best of our information and according to the explanations provided to us by the company and the books of account and records examined by us in the normal course of audit, we state that:

- I. In respect of the Company’s Property, Plant and Equipment and Intangible Assets:
 - a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant and Equipment;
 - (B) The Company does not hold any intangible assets and accordingly, the requirements under paragraph 3(i)(a)(B) of the Companies (Auditor’s Report) Order, 2020 (“the Order”) are not applicable to the Company;
 - b) The Company has formulated a phased programme for physical verification of fixed assets, designed to cover all items over a period of three years. According to the programme, the company has during the year, physically verified the relevant assets. In our opinion, the frequency of the verification is reasonable having regard to the size of the company and the nature of its assets. According to the information and explanations given to us, no material discrepancies were noticed on such verification;
 - c) On the basis of our examination of the records of the Company, the title deeds of all the immovable properties (other than properties where the company is the lessee and the lease agreements are duly executed in favour of the lessee) as disclosed in the financial statements, are held in the name of the Company as at the Balance Sheet date;
 - d) The company has not revalued its Property, Plant and Equipment during the year;
 - e) The Company does not have any proceedings initiated or pending for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder. Hence the requirements under paragraph 3(i)(e) of the Companies (Auditor’s Report) Order, 2020 (“the Order”) are not applicable to the Company;
- II. (a) The inventory have been physically verified by the Management at reasonable intervals. Considering the size of the Company, the frequency of verification is reasonable and the procedures are adequate. No discrepancies have been noticed on such verification;
- (b) The Company has working capital limits sanctioned from banks or financial institutions exceeding ₹ 5 crores during the year and the quarterly returns / statements filed by the Company are generally in agreement with the books of accounts and no material discrepancy was observed;
- III. The Company has made investments in, companies, firms, Limited Liability Partnerships and granted unsecured loans to other parties, during the year, in respect of which:
 - (a) The Company has provided unsecured loan to one party with aggregate amount granted/provided during the year is ₹ 500.00 lakhs during the year and where balance outstanding as at Balance Sheet date is ₹ 504.44 lakhs.
 The company has also provided Corporate Guarantee to its wholly owned subsidiary with aggregate amount granted/provided during the year ₹ 46.74 lakhs during the year and where balance outstanding as at Balance Sheet date is ₹ 46.74 lakhs.
 Further, as informed to us, the company has also given a temporary advance to one of its related party with aggregate amount granted/provided during the year ₹ 176.00 lakhs during the year and where balance outstanding as at Balance Sheet date is ₹ 176.00 lakhs;
 - (b) In our opinion, the investments made and the terms and conditions of the grant of loans, during the year are, prima facie, not prejudicial to the Company’s interest;
 - (c) The repayment of principal and payment of interest is as stipulated and the same are regular;
 - (d) In respect of the aforesaid loan, there is no amount which is overdue for more than ninety days;
 - (e) No loan granted by the Company which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties;
 - (f) The Company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(f) is not applicable;

Annexure “A” to the Independent Auditor’s Report

- IV. The Company has complied with the provisions of sections 185 and 186 of the Companies Act 2013 in respect of loans granted, investment made, and guarantee and securities provided, as applicable;
- V. The Company has not accepted any deposits or amounts which are deemed to be deposits within the provisions of sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and the rules framed there under, therefore, the provisions of paragraph 3(v) of the Order are not applicable to the Company;
- VI. We have broadly reviewed the books of accounts maintained by the Company pursuant to the rules prescribed by the Central Government for the maintenance of cost records under Section 148(1) of the Act and are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. However, we have not made a detailed examination of the cost records with a view to determine whether they are accurate or complete;
- VII. In respect of statutory dues:

- a) In our opinion, the Company is regular in depositing with appropriate authorities undisputed statutory dues including Goods and Service tax, Provident Fund, Employee's State Insurance, Income-Tax, Sales-Tax, Service Tax, duty of Customs, duty of Excise, Value Added Tax, Cess and any other material statutory dues applicable to it;

According to the information and explanations given to us, no undisputed amounts payable in respect of the aforesaid dues, were outstanding, as on 31st March 2022, for a period of more than six months from the date they became payable;

- b) Details of statutory dues referred to above which have not been deposited as on March 31, 2022 on account of disputes are given below:

Name of the statute	Nature of dues	Amounts (₹)	Period to which the amounts relates	Forum where dispute is pending
Central Sales Tax Act	Central Sales Tax (Including interest and penalty thereon)	80,16,782	2000-01	Joint commissioner Appeals
Central Sales Tax Act	Central Sales Tax(Including interest and penalty thereon)	14,42,264	2011-12	Joint commissioner Appeals
Central Sales Tax Act	Central Sales Tax (Including interest and penalty thereon)	17,30,797	2012-13	Joint commissioner Appeals
Central Excise Act, 1944	Excise duty (Including interest and penalty thereon)	16,97,843	2005-09	CESTAT

- VIII. Company has no transactions which were not recorded in the books of account, have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961;
- IX. (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender;
- (b) The Company is not declared wilful defaulter by any bank or financial institution or other lender;
- (c) The Company has not taken any term loan during the year and there are no outstanding term loans at the beginning of the year and hence, reporting under clause 3(ix)(c) of the Order is not applicable;
- (d) We report that no funds raised on short-term basis have been used for long-term purposes by the Company;
- (e) The company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures;
- (f) We report that the company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies;
- X. (a) The Company has not raised moneys by way of initial public offer or further public offer (including debt instruments) during the year hence reporting under this clause is not applicable;
- (b) The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Therefore, the provisions of paragraph 3(x)(b) of the Order are not applicable;

Annexure “A” to the Independent Auditor’s Report

- XI. (a) No fraud by the Company and no material fraud on the company has been noticed or reported during the year;
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government, during the year and up to the date of this report;
- (c) As represented to us by the management, there are no whistle blower complaints received by the company during the year;
- XII. The Company is not a nidhi company and hence the reporting under clause 3(xii) of the order is not applicable to the Company;
- XIII. The Company is in compliance with Section 177 and 188 of the Companies Act where applicable, for all transactions with the related parties and the details of related party transactions have been disclosed in the Financial Statements as required by the applicable accounting standards;
- XIV. (a) In our opinion, the company has an internal audit system commensurate with the size and nature of its business;
- (b) We have considered report of the internal auditors for the period under audit; issued to the company during the year and till date, in determining the nature, timing and extent of our audit procedures;
- XV. The Company has not entered into any non-cash transactions with its directors or persons connected with him. Therefore, the provisions of paragraph 3(xv) of the Order are not applicable;
- XVI. (a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934 and therefore, the provisions of paragraph 3(xvi) (a), (b) and (c) of the Order are not applicable;
- (b) In our opinion and as represented by the management, there is no core investment company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016) and accordingly reporting under clause 3(xvi)(d) of the Order is not applicable;
- XVII. The Company has not incurred any cash losses in the financial year and in the immediately preceding financial year;
- XVIII. There has been no resignation of the statutory auditors during the year and accordingly the reporting under clause 3(xviii) is not applicable;
- XIX. On the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements and our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report indicating that Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date;
- We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due;
- XX. (a) The company is not required to transfer unspent amount to a fund specified in Schedule VII to the Companies Act for other than ongoing projects. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year;
- (b) The company has not spent amount towards Corporate Social Responsibility (CSR) on ongoing project. Accordingly, reporting under clause 3(xx)(b) of the Order is not applicable for the year.

Annexure “B” to the Independent Auditor’s Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **ALEMBIC LIMITED** (“the Company”) as of 31st March, 2022 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Board of Directors of the company is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls with reference to financial statements of the Company that were operating effectively for ensuring the orderly and efficient conduct of its business, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013;

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements of the company were established and maintained and if such controls operated effectively in all material respects;

Our audit involves performing procedures to obtain audit evidence about the internal financial controls with reference to financial statements of the company and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error;

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting;

Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company’s assets that could have a material effect on the financial statements;

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate;

Annexure “B” to the Independent Auditor’s Report

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an internal financial controls with reference to financial statements of the Company and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

I Company Overview and Significant Accounting Policies:

I.1 Description of Business

The Company is a Public Limited Company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its shares are listed on two recognised stock exchanges in India. The registered office of the Company is located at Alembic Road, Vadodara 390003, Gujarat. The Company is dealing in Active Pharmaceutical Ingredient (API) Business and Real Estate Business.

I.2 Basis of Preparation

The Financial statements of the Company have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Act to be read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the relevant amendment rules issued thereafter.

I.3 Composition of Financial Statements

The financial statements are drawn up in Indian Rupees, the functional currency of the Company, and in accordance with Ind AS presentation. The financial statements comprise:

- Balance Sheet
- Statement of Profit and Loss
- Statement of Changes in Equity
- Statement of Cash Flow
- Notes to Financial Statements

I.4 Key Accounting Judgments, Estimates and Assumptions

In preparing these financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expense. Actual results may differ from these estimates.

Estimates and underlying assumptions are reviewed on an ongoing basis. Any change in these estimates and assumptions will generally be reflected in the financial statements in current period or prospectively, unless they are required to be treated retrospectively under relevant accounting standards.

2 Significant Accounting Policies and Other Explanatory Notes:

I Significant Accounting Policies

a) Revenue Recognition

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services.

Revenue from the sale of goods is recognized at the point in time when control of the asset is transferred to the customer, generally on the delivery of the goods.

On the basis of the contractual terms with customers for real estate projects, Revenue from project is recognised at a point in time or over time, based on satisfaction of performance obligation/s upon transfer of control of promised products or services to customers.

Revenue is recognisable to the extent of the amount that reflects the consideration (i.e. the transaction price) to which the Company is expected to be entitled in exchange for those goods or services excluding any amount received on behalf of third party (such as indirect taxes). The transaction price is determined on the basis of agreement or letter of allotment entered into with the customer.

The Company satisfies the performance obligation and recognises revenue over time, if one of the criteria prescribed under Ind AS 115 - "Revenue from Contracts with Customers" is satisfied. If a performance obligation is not satisfied over time, then revenue is recognised at a point in time at which the performance obligation is satisfied.

The Company recognises revenue for performance obligation satisfied over time only if it can reasonably measure its progress towards complete satisfaction of the performance obligation. The Company would not be able to reasonably measure its progress towards complete satisfaction of a performance obligation if it lacks reliable information that would be required to apply an appropriate method of measuring progress. In those circumstances, the Company recognises revenue only to the extent of cost incurred until it can reasonably measure outcome of the performance obligation.

Notes

NOTES FORMING PART OF FINANCIAL STATEMENTS

The Company uses cost based input method for measuring progress for performance obligation satisfied over time. Under this method, the Company recognises revenue in proportion to the actual project cost incurred (excluding land cost) as against the total estimated project cost (excluding land cost).

The management reviews and revises its measure of progress periodically and revisions, if any, are considered as change in estimates and accordingly, the effect of such changes in estimates is recognised prospectively in the period in which such changes are determined.

The Company considers whether there are other promises in the contract that are separate performance obligations to which a portion of the transaction price needs to be allocated. In determining the transaction price, the Company considers the effects of variable consideration, the existence of significant financing component and consideration payable to the customer like return and trade discounts.

Sales are disclosed excluding net of sales returns and Goods and Service Tax (GST).

Income from operations includes revenue earned on account of job work income which is accounted as per the terms agreed with the customers. Export benefits available under prevalent schemes are accounted to the extent considered receivable.

Revenue from Project Management and Consultancy services is recognized based on the terms and conditions set out in the agreement executed with the service receiver. The revenue is based on one or both of the following components; i.e., at a fixed percentage of total invoicing done by the service receiver and a fixed percentage of the total direct and indirect expenses incurred by the service receiver.

Income from Sale of Wind Operated Power is accounted on accrual basis on confirmation of units generated and supplied to the State Electricity Board as per the agreement.

Other income is comprised primarily of interest income, dividend income, gain / loss on investments and exchange gain/loss on foreign currency transactions. Interest income is recognized using the effective interest method. Dividend income is recognized (gross of tax deducted at source, if any) when the right to receive payment is established.

b) Foreign Currency Transactions

Transactions in foreign currencies are initially recorded by the Company at the rate of exchange prevailing on the date of the transaction.

Monetary assets and monetary liabilities denominated in foreign currencies remaining unsettled at the end of the year are converted at the exchange rate prevailing on the reporting date.

Differences arising on settlement or conversion of monetary items are recognised in Statement of Profit or Loss.

Foreign exchange differences regarded as an adjustment to borrowing costs are presented in the Statement of Profit and Loss, within finance costs. All other foreign exchange gains and losses are presented in the Statement of Profit and Loss on a net basis within other gains/(losses).

c) Employee Benefits

(i) Defined Benefit Obligation Plans:

Gratuity

The Company operates a defined benefit gratuity plan which requires contributions to be made to a separately administered fund by the Life Insurance Corporation of India (LIC) and HDFC Life Insurance Company Limited.

The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

The service cost and the net interest cost are charged to the Statement of Profit and Loss. Actuarial gains and losses arise due to remeasurement as result of the actual experience and the assumed parameters and changes in the assumptions used for valuation are recognised in the Other Comprehensive Income (OCI).

Provident Fund

The Company's contribution to provident fund, administered through a Company managed trust, is recognised as an expense in the Statement of Profit and Loss.

Compensated absences

The Company has a policy to allow accumulation of leave by employees up to certain days. The excess leave will either be encashed or funded by the Company to LIC for and on behalf of employees. Accordingly, the excess leave liability is discharged by the Company upon such funding to LIC. Remaining accumulated leave liability as at the year- end is provided as per actuarial valuation.

Notes

NOTES FORMING PART OF FINANCIAL STATEMENTS

The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method.

Actuarial gains and losses arise due to difference in the actual experience and the assumed parameters and also due to changes in the assumptions used for valuation. The Company recognizes these actuarial gains and losses in the Statement of Profit and Loss, as income or expense.

(ii) Defined Contribution Plan:

Superannuation fund is administered by the HDFC Life Insurance Company Limited. The contribution to Superannuation fund, Contribution to pension fund, ESIC and Labour Welfare Fund are recognised as an expense in the Statement of Profit and Loss.

d) Inventories

All Inventories are valued at the lower of cost and net realisable value.

Raw materials, Stores and Spares and Packing Materials are valued at lower of cost determined on weighted average basis and net realisable value.

Work in process is valued at cost plus appropriate share of labour and manufacturing overheads.

Finished Goods are valued at cost plus appropriate share of labour and manufacturing overheads.

Construction work in progress is valued at cost and net realisable value whichever is lower. The cost is determined considering proportionate, cost of value of land, direct construction cost, development expenses and attributable indirect expenses.

e) Property, Plant and Equipments (PPE)

PPE are recorded at cost of acquisition / construction less accumulated depreciation and impairment losses, if any. Cost comprises of the purchase price net of indirect taxes, if any, and any attributable cost of bringing the assets to its working condition for its intended use.

Spare parts are treated as capital assets when they meet the definition of PPE. Otherwise, such items are classified as inventory.

Any gains or losses on their disposal, determined by comparing sales proceeds with carrying amount, are recognised in the Statement of Profit or Loss.

f) Assets held for sale

Assets held for sale are measured at the lower of carrying amount or fair value less costs to sell. The determination of fair value less costs to sell includes use of management estimates and assumptions. The fair value of the assets held for sale has been estimated using valuation techniques which includes unobservable inputs.

g) Investment Properties

Property that is held for long-term rental yields or for capital appreciation or both, is classified as investment property. Investment property is measured initially at its cost, including related transaction costs and where applicable borrowing costs. Subsequent expenditure is capitalised to the asset's carrying amount only when it is probable that future economic benefits associated with the expenditure will flow to the Company and the cost of the item can be measured reliably. All other repairs and maintenance costs are expensed when incurred. When part of an investment property is replaced, the carrying amount of the replaced part is derecognised. Investment properties are depreciated using the straight-line method over their estimated useful lives. Though the Company measures investment property using cost based measurement, the fair value of investment property is disclosed in the notes. The Company has used government registration rates for the purpose of determining fair value of Land and Buildings.

h) Depreciation / Amortisation on PPE and Investment Properties

Depreciation on PPE and investment properties is provided on Straight Line Basis as per the useful life prescribed in schedule II of the Companies Act 2013 except for Building where the life of 30-60 years is considered based on internal technical estimates. Depreciation on these assets have been provided on the net restated book value prospectively over the remaining useful life as per Schedule II of Companies Act 2013. Freehold land is not depreciated.

i) Capital Work-in-Progress (CWIP)

Projects under construction wherein assets are not ready for use in the manner as intended by the management are shown as Capital Work-In-Progress.

j) Leases

A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

Notes

NOTES FORMING PART OF FINANCIAL STATEMENTS

Company as a lessee

(A) Lease Liability

At the commencement date, the Company measures the lease liability at the present value of the lease payments that are not paid at that date. The lease payments shall be discounted using incremental borrowing rate.

(B) Right-of-use assets

Initially recognised at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives.

Subsequent measurement

(A) Lease Liability

Company measure the lease liability by (a) increasing the carrying amount to reflect interest on the lease liability; (b) reducing the carrying amount to reflect the lease payments made; and (c) remeasuring the carrying amount to reflect any reassessment or lease modifications.

(B) Right-of-use assets

Subsequently measured at cost less accumulated depreciation and impairment losses. Right-of-use assets are depreciated from the commencement date on a straight line basis over the shorter of the lease term and useful life of the underlying asset.

Impairment

Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

Short term Lease:

Short term lease is that, at the commencement date, has a lease term of 12 months or less. A lease that contains a purchase option is not a short-term lease. If the company elected to apply short term lease, the lessee shall recognise the lease payments associated with those leases as an expense on either a straight-line basis over the lease term or another systematic basis. The lessee shall apply another systematic basis if that basis is more representative of the pattern of the lessee's benefit.

As a lessor

Leases for which the company is a lessor is classified as a finance or operating lease. Whenever, the terms of the lease transfers substantially all the risks and rewards of ownership to the lessee, the contract is classified as a finance lease. All other leases are classified as operating leases.

Lease income is recognised in the statement of profit and loss on straight line basis over the lease term.

k) Fair Value Measurement

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

l) Impairment of Non-Current Assets

Non-financial assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the CGU to which the asset belongs.

If such assets are considered to be impaired, the impairment to be recognized in the Statement of Profit and Loss is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount.

Notes

NOTES FORMING PART OF FINANCIAL STATEMENTS

The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years.

m) Cash and Cash equivalents

Cash and cash equivalents include cash at bank and cash in hand and highly liquid interest-bearing securities with maturities of three months or less from the date of inception/acquisition.

Cash flow statement

Cash flows are reported using the indirect method, whereby profit for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from the operating, investing and financing activities of the Company are segregated.

In the cash-flow statement, cash and cash equivalents are shown net of bank overdrafts, which are included as current borrowings in liabilities on the balance sheet.

n) Borrowing Costs

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortised cost. Any difference between the proceeds (net of transaction costs) and the redemption amount is recognised in profit or loss over the period of the borrowings using the effective interest method.

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

o) Taxation

i) Current Income Tax

Income tax expense comprises of current tax and deferred tax. Income tax expense is recognized in the statement of profit and loss except to the extent that it relates to items recognized directly in equity/OCI, in which case it is recognized in other comprehensive income. Current income tax for current and prior periods is recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted on the reporting date.

The Company offsets current tax assets and current tax liabilities, where it has a legally enforceable right to set off the recognized amounts and where it intends either to settle on a net basis, or to realize the asset and settle the liability simultaneously.

ii) Deferred Tax

Deferred income tax assets and liabilities are recognized for all temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements.

Deferred income tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward unused tax losses can be utilised.

The carrying amount of deferred income tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred income tax asset to be utilised.

Deferred tax assets and liabilities are measured using substantively enacted tax rates expected to apply to taxable income in the years in which the temporary differences are expected to be received or settled.

p) Financial Instruments

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument.

(i) Financial Assets

(a) Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset. Purchases or sales of financial assets that

Notes

NOTES FORMING PART OF FINANCIAL STATEMENTS

require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date i.e, the date that the Company commits to purchase or sell the asset.

(b) Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in three categories:

- **Financials Assets at Amortised Cost:**

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

After initial measurement, debt instruments at amortised cost are subsequently measured at amortised cost using the effective interest rate method, less impairment, if any.

- **Financial assets at fair value through Other Comprehensive Income (FVOCI)**

A financial asset is subsequently measured at fair value through other comprehensive income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

- **Financial assets at fair value through Profit or Loss (FVTPL)**

Financial assets which are not classified in any of the above categories are subsequently fair valued through profit or loss.

(c) De-recognition

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for de-recognition under Ind AS 109.

(d) Impairment

The Company recognizes loss allowances using the Expected Credit Loss (ECL) model for the financial assets which are not fair valued through Profit and Loss / OCI. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised is treated as an impairment gain or loss in Statement of Profit and Loss.

(ii) Financial Liabilities

(a) Initial recognition and measurement

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, financial guarantee contracts and derivative financial instruments.

Financial liabilities are classified, at initial recognition, as at fair value through profit and loss or as those measured at amortised cost.

(b) Subsequent measurement

The subsequent measurement of financial liabilities depends on their classification as follows:

- **Financial liabilities at fair value through Profit and Loss**

Financial liabilities at fair value through profit and loss include financial liabilities held for trading. The Company has not designated any financial liabilities upon initial recognition at fair value through profit and loss.

- **Financial liabilities measured at Amortised Cost**

After initial recognition, interest bearing loans and borrowings are subsequently measured at amortised cost using the effective interest rate method except for those designated in an effective hedging relationship.

(c) De-recognition

A financial liability (or a part of a financial liability) is derecognized from the Company's balance sheet when the obligation specified in the contract is discharged or cancelled or expires.

Notes

NOTES FORMING PART OF FINANCIAL STATEMENTS

q) Segment reporting

Operating Segments are identified based on monitoring of operating results by the Chief Operating Decision Maker (CODM) separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on profit or loss and is measured consistently with profit or loss of the Company.

r) Provisions, Contingent liabilities and Assets**(i) Provisions**

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed, for example, under an insurance contract, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

(ii) Contingent Liabilities

Contingent liability is disclosed for (i) Possible obligations which will be confirmed only by the future events not wholly within the control of the company or (ii) Present obligations arising from past events where it is not probable that an outflow of resources will be required to settle the obligation or a reliable estimate of the amount of the obligation cannot be made.

(iii) Contingent Assets

Contingent Assets are not recognised but are disclosed in the notes to the financial statements.

s) Earnings Per Share

Basic earnings per equity share are computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares outstanding during the period. Diluted earnings per equity share are computed by dividing the net profit attributable to the equity holders of the Company by the weighted average number of equity shares considered for deriving basic earnings per equity share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares. The dilutive potential equity shares are adjusted for the proceeds receivable had the equity shares been actually issued at fair value (i.e. the average market value of the outstanding equity shares). Dilutive potential equity shares are deemed converted as of the beginning of the period, unless issued at a later date. Dilutive potential equity shares are determined independently for each period presented.

The number of equity shares and potentially dilutive equity shares are adjusted retrospectively for all periods presented for any share splits and bonus shares issues including for changes effected prior to the approval of the financial statements by the Board of Directors.

3 Recent pronouncements

The following standards / amendments to standards have been issued and will be effective from 1st April 2022. The Company is evaluating the requirements of these standards, improvements and amendments and has not yet determined the impact on the financial statements.

- Indian Accounting Standard (Ind AS) 103 – Business Combinations – Qualifications prescribed for recognition of the identifiable assets acquired and liabilities assumed, as part of applying the acquisition method – should meet the definition of assets and liabilities in the Conceptual Framework for Financial Reporting under Ind AS (Conceptual Framework) issued by the ICAI at the acquisition date Modification to the exceptions to recognition principle relating to contingent liabilities and contingent assets acquired in a business combination at the acquisition date.
- Indian Accounting Standard (Ind AS) 109 – Financial Instruments – Modification in accounting treatment of certain costs incurred on derecognition of financial liabilities.
- Indian Accounting Standard (Ind AS) 16 - Property, Plant and Equipment – Modification in treatment of excess of net sale proceeds of items produced over the cost of testing as part of cost of an item of property, plant, and equipment.
- Indian Accounting Standard (Ind AS) 37 - Provisions, Contingent Liabilities and Contingent Assets – Modifications in application of recognition and measurement principles relating to onerous contracts.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

There are no transfers between levels 1 and 2 during the year.

The Company's policy is to recognise transfers into and transfers out of fair value hierarchy levels at the end of the reporting period.

ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments.
- the fair value of the remaining financial instruments is determined using discounted analysis.

Notes

NOTES FORMING PART OF FINANCIAL STATEMENTS

iii) Valuation Processes

Valuation of unquoted equity shares is done by an external valuation agency.

The main level 3 inputs for unlisted equity securities used by the Company are derived and evaluated as follows:

Discount rates are determined using a capital asset pricing model to calculate a pre-tax rate that reflects current market assessments of the time value of money and the risk specific to the asset.

Earnings growth factor for unlisted equity securities are estimated based on market information for similar types of companies.

Changes in level 2 and 3 fair values are analysed at the end of each reporting period.

R Financial Risk Management:

The Company has exposure to credit risk, liquidity risk and market risk arising from financial instruments.

The Company's risk management policies are established to identify and analyse the risks faced by the Company, to set appropriate risk limits and controls and to monitor risks. Risk management policies and systems are reviewed periodically to reflect changes in market conditions and the Company's activities.

The Company monitors compliance with the Company's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Company.

a. Credit Risk

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers, loans and investments. Credit risk is managed through continuous monitoring of receivables and follow up for overdues.

Investments

The Company limits its exposure to credit risk by generally investing in liquid securities and only with counterparties that have a good credit rating. The Company does not expect any losses from non-performance by these counter parties, and does not have any significant concentration of exposures to specific industry sector or specific country risks.

Trade Receivables

The Company has used Expected Credit Loss (ECL) model for assessing the impairment loss. For the purpose, the Company uses a provision matrix to compute the expected credit loss amount. The provision matrix takes into account external and internal risk factors and historical data to credit losses from various customers.

Other than trade and other receivables, the Company has no other financial assets that are past due but not impaired.

b. Liquidity Risk

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they fall due. The Company ensures that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions.

Maturities of Financial Liabilities

The table herewith analyse the Company's Financial Liabilities into relevant maturity groupings based on there contractual maturities for:

The amount disclosed in the table are the contractual undiscounted cash flows. Balance dues within the 12 months equal there carrying balances as the impact of discounting is not significant.

c. **Market Risk**1. **Price Risk**

The Company is mainly exposed to the price risk due its investment in equity instruments and equity and debt mutual fund. The price risk arises due to unascertainty about the future market value of these investments.

Management Policy

The Company maintains its portfolio in accordance with framework set by risk management policies.

2. **Currency Risk**

The Company has no significant exposure to export revenue and import of raw material and property, plant and equipments so the Company is not subject to significant risk that changes in foreign currency value impact.

S **Capital Management:****Risk management**

For the purpose of Company's Capital Management, equity includes equity share capital and all other equity reserves attributable to the equity holders of the Company. The Company manages its capital to optimise returns to the share holders and make adjustments to it in light of changes in economic conditions or its business requirements. The Company's objective is to safe guard continuity, maintain a strong credit rating and healthy capital ratios in order to support its business and provide adequate return to share holders through continuing growth and maximise the share holders value. The Company funds its operations through internal accruals. The Management and Board of Directors monitor the return of capital as well as the level of dividend to share holders.

Independent Auditor's Report

TO THE MEMBERS OF ALEMBIC LIMITED

Report on the Audit of the Consolidated Financial Statements

Opinion

We have audited the accompanying Consolidated Financial Statements of Alembic Limited ("the Company"), its subsidiary company (the Company and its subsidiary together referred to as "the Group"), and its associate which comprise the Consolidated Balance Sheet as at 31st March, 2022, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date and notes to the Consolidated Financial Statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associate as at 31st March, 2022, the consolidated profit and consolidated total comprehensive income, consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group and its associate in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the Consolidated Financial Statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgement, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

Sr no	Key Audit Matter	Auditor's Response
1.	Litigations, Provisions and contingent liabilities The Group has several litigations which also include matters under dispute which involves significant management judgement and estimates on the possible outcome of the litigations and consequent provisioning thereof or disclosure as contingent liabilities. Refer Note 25 and 34(C) to the Consolidated Financial Statements.	Principal Audit Procedures As part of the audit process, we obtained from the management details of matters under disputes including ongoing and completed tax assessments, demands and other litigations. Our audit approach for the above consists of the following audit procedures: <ul style="list-style-type: none"> • Evaluation and testing of the design of internal controls followed by the Group relating to litigations and open tax positions for direct and indirect taxes and process followed to decide provisioning or disclosure as Contingent Liabilities; • Discussed with Company's legal team and taxation team for sufficient understanding of on-going and potential legal matters impacting the Company. • We involved our internal expert to evaluate the management's underlying judgements in making their estimates with regard to such matters.

Key Audit Matters

(As mentioned in the audit report of Alembic Pharmaceuticals Limited ("APL"), an associate company)

Sr no	Key Audit Matter	Auditor's Response
1.	Provision for return of non-saleable goods (Expiry, Breakage and Spoilage) in the market in India: The Company, under the prevailing trade practice, has an obligation to accept returns of expiry, breakage and spoilage (EBS) products, from the customers in India. This results in deductions to gross amounts invoiced. The methodology and assumptions used to estimate the accruals of EBS are monitored and adjusted regularly by the management in the light of the obligations, historical trends, past experience and prevailing market conditions. This is considered as key audit matter in view of significant estimates and judgements made by the management for recognition and measurement for the same.	Principal Audit Procedures Our audit procedures consisted of following: <ol style="list-style-type: none"> 1. Assessed the appropriateness of the accounting policy in respect of recognition of provision for accrual of EBS estimated in future out of the sales affected during the current period. 2. Tested the operating effectiveness of controls over Company's review of recognition of provision for accrual of EBS. 3. Obtained management's calculations for accruals and assessed management analysis of the historical pattern of accruals to validate management's assumption for creation of such provisions. 4. Examined the historical trend of the Company's estimates to assess the assumptions and judgements used by the Company in accrual of provisions. Conclusion: We found that the calculation and estimates to assess the assumptions and Judgements used by the company are appropriate.

Independent Auditor's Report

2.	<p>Impairment testing of “Intangible Assets under development”</p> <p>The company is developing various Generic products. The eligible cost related to above are included under “Intangible assets under development”. The above “Intangible assets under development” are tested for Impairments.</p> <p>This is a key audit matter because there is use of significant estimates and judgements by the management which are required for testing the same for impairments.</p>	<p><u>Principal Audit Procedure:</u></p> <ul style="list-style-type: none"> • We have assessed the company's valuation methodology to ensure the recoverable value of Intangible assets under development: • We have considered the recoverable value based on value in use derived from discounted cash flows working provided by the management and certified by the independent external valuer. • We have evaluated the assumptions applied to key inputs such as discount rates, sales volume and prices, long term growth rates and terminal values. • We discussed potential changes in key drivers as compared to previous year / actual performance with management to evaluate whether the inputs and assumptions used in the cash flow forecasts were suitable. • We have verified the application made by the company to external agencies for approval of its various products and also the approval received by the company for some of the products.

Information other than the Consolidated Financial Statement and Auditor's Report thereon

The Holding Company's Board of Directors is responsible for other information. The other information comprises the information included Board's Report including Annexures to that Board's Report, Corporate Governance and Shareholder's Information, but does not include the Consolidated Financial Statements and our auditor's report thereon.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the consolidated financial position, consolidated financial performance total comprehensive income, consolidated changes in equity and consolidated cash flows of the Group in accordance with the Ind AS and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group and its associate are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error;

In preparing the Consolidated Financial Statements, the respective Board of Directors of the companies included in the Group and its associate are responsible for assessing the ability of the Group and its associate to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate their respective entities or to cease operations, or has no realistic alternative but to do so;

The respective Board of Directors of the companies included in the Group and of its associate are responsible for overseeing the financial reporting process of the Group and of its associate.

Auditor's Responsibilities for the Audit of Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

Independent Auditor's Report

As part of an audit in accordance with SAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the Group and its associate has adequate internal financial controls system in place and the operating effectiveness of such controls;
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group and its associate to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and its associate to cease to continue as a going concern;
- Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation;
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its associate to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of such entities included in the Consolidated Financial Statements of which we are the independent auditor. For the other entities included in the Consolidated Financial Statements, which have been audited by the other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion;

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements;

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit;

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards;

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

We did not audit the financial statements of one subsidiary company, whose financial statements reflect total assets of ₹ 6,471.84 Lakhs as at 31st March 2022, total revenues of ₹ 922.38 Lakhs, total loss after tax of ₹ 131.60 Lakhs, total comprehensive loss of ₹ 131.62 Lakhs and net cash inflow of ₹ 14.27 Lakhs for the year then ended, as considered in the Consolidated Financial Statements. The Consolidated Financial Statements also include group's share of total comprehensive income [comprising of profit/(loss) and other comprehensive income] of ₹ 13,626.26 Lakhs (after adjusting impact of qualified opinion in the audit report on consolidated financial statements) for the year ended 31st March, 2022, as considered in the consolidated financial results, of one associate, whose financial statements have not been audited by us;

Independent Auditor's Report

These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our report on the consolidated financial results, in so far as it relates to the aforesaid subsidiary and associate is based solely on the report of the other auditors;

Our opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the report of the other auditors.

Report on Other Legal and Regulatory Requirements

- I. As required by Section 143(3) of the Act, we report, to the extent applicable, that:

Annexure “A” to the Independent Auditor’s Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **ALEMBIC LIMITED** (“the Company”) and in respect of its subsidiary and associate companies wherein such audit of internal financial controls over financial reporting was carried out by other Auditors whose reports have been forwarded to us and have been appropriately dealt with by us in making this report as on 31st March, 2022 in conjunction with our audit of the Consolidated Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Company and its subsidiary company, associate company, which are companies incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of internal financial controls with reference to financial statements of the Company that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether internal financial controls with reference to financial statements of the Company were established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the internal financial controls with reference to financial statements of the company and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Annexure “A” to the Independent Auditor’s Report

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company, its subsidiary company and its associate company has, in all material respects, an internal financial controls with reference to financial statements of the Company and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Other Matters

Our aforesaid reports under section 143(3)(i) of the Act on the adequacy and the operating effectiveness of the internal financial controls over financial reporting in so far as it relates to subsidiary company and associate companies, which are incorporated in India, are based on the corresponding reports of the auditors of such companies incorporated in India.

Our Opinion is not modified in respect of above matter.

I Group Overview and Significant Accounting Policies:

I.1 Description of Business

Alembic Limited ('the Company') is a Public Limited Company domiciled in India and is incorporated under the provisions of the Companies Act applicable in India. Its shares are listed on two recognised stock exchanges in India. The registered office of the Company is located at Alembic Road, Vadodara 390003, Gujarat. The Company is dealing in Active Pharmaceutical Ingredient (API) Business and Real Estate Business.

Alembic Limited ('the Company'), its subsidiary and its associate collectively referred to as "Group".

I.2 Basis of Preparation

- (a) The Financial Statement of the subsidiary and associate used in the consolidation are drawn up to the same reporting date as that of the Alembic Limited ("the Company"), i.e. 31st March, 2022.

The Financial Statements of the Group have been prepared in accordance with Indian Accounting Standards (Ind AS) as prescribed under Section 133 of the Act to be read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and the relevant amendment rules issued thereafter.

- (b) **Principles of Consolidation**

The Consolidated Financial Statements consist of Alembic Limited ("the Company") and its subsidiary and associate (collectively referred to as "the Group"). The Consolidated Financial Statements have been prepared on the following basis:

The Financial Statements of the Company and its subsidiary have been consolidated on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after eliminating intra-group balances and intra-group transactions resulting in unrealised profits or losses.

Investment and share of profit of associate has been consolidated as per the equity method as per Ind AS 28 – "Investments in Associates" specified under Section 133 of the Companies Act 2013 read with Companies (Accounts) Rules 2015 and relevant amendment rules issued thereafter.

Associates are entities over which the Group has significant influence but not control. Investments in associate is accounted for using the equity method of accounting. The investment is initially recognized at cost, and the carrying amount is increased or decreased to recognize the investor's share of the profit or loss of the investee after the acquisition date.

Goodwill on Consolidation

The excess of cost of investment in the subsidiary, over group's share in the net assets at the date of acquisition of shares / stake in the subsidiary is recognised as Goodwill in the consolidated financial statements.

I.3 Composition of Financial Statements

The financial statements are drawn up in Indian Rupees, the functional currency of the Group, and in accordance with Ind AS presentation. The financial statements comprise:

- Balance Sheet
- Statement of Profit and Loss
- Statement of Changes in Equity
- Statement of Cash Flow
- Notes to Financial Statements

2 Significant Accounting Policies:

The Significant Accounting Policies of the Company and that of its subsidiary and associate are similar – Refer Note No. 2 and 3 of Standalone Financial Statements.

Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices. This includes listed equity instruments and mutual funds that have quoted price. The fair value of all equity instruments which are traded in the stock exchanges is valued using the closing price as at the reporting period. The mutual funds are valued using the closing NAV.

Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximise the use of observable market data and rely as little as possible on entity-specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3.

There are no transfers between levels 1 and 2 during the year.

The Group's policy is to recognise transfers into and transfers out of fair value hierarchy levels at the end of the reporting period.

ii) Valuation technique used to determine fair value

Specific valuation techniques used to value financial instruments include:

- the use of quoted market prices or dealer quotes for similar instruments
- the fair value of the remaining financial instruments is determined using discounted analysis

Notes

NOTES FORMING PART OF CONSOLIDATED FINANCIAL STATEMENTS

iii) Valuation Processes

Valuation of unquoted equity shares/preference shares is done by an external valuation agency.

The main level 3 inputs for unlisted equity securities used by the Group are derived and evaluated as follows:

Discount rates are determined using a capital asset pricing model to calculate a pre-tax rate that reflects current market assessments of the time value of money and the risk specific to the asset.

Earnings growth factor for unlisted equity securities are estimated based on market information for similar types of companies.

Changes in level 2 and 3 fair values are analysed at the end of each reporting period.

O Financial Risk Management

The Group has exposure to credit risk, liquidity risk and market risk arising from financial instruments.

The Group's risk management policies are established to identify and analyse the risks faced by the Group, to set appropriate risk limits and controls and to monitor risks. Risk management policies and systems are reviewed periodically to reflect changes in market conditions and the Group's activities.

The Group monitors compliance with the Group's risk management policies and procedures, and reviews the adequacy of the risk management framework in relation to the risks faced by the Group.

a. Credit Risk

Credit risk is the risk of financial loss to the Group if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Group's receivables from customers, loans and investments. Credit risk is managed through continuous monitoring of receivables and follow up for overdues.

Investments

The Group limits its exposure to credit risk by generally investing in liquid securities and only with counterparties that have a good credit rating. The Group does not expect any losses from non-performance by these counter parties, and does not have any significant concentration of exposures to specific industry sector or specific country risks.

Trade Receivables

The Group has used expected credit loss (ECL) model for assessing the impairment loss. For the purpose, the Group uses a provision matrix to compute the expected credit loss amount. The provision matrix takes into account external and internal risk factors and historical data to credit losses from various customers.

Other than trade and other receivables, the Group has no other financial assets that are past due but not impaired.

b. Liquidity Risk

Liquidity risk is the risk that the Group will not be able to meet its financial obligations as they fall due. The Group ensures that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions.

Maturities of Financial Liabilities

The table herewith analyse the Group's Financial Liabilities into relevant maturity groupings based on there contractual maturities for:

The amount disclosed in the table are the contractual undiscounted cash flows. Balance dues within the 12 months equal there carrying balances as the impact of discounting is not significant.

c. Market Risk**1. Price Risk**

The Group is mainly exposed to the price risk due its investment in equity instruments and equity and debt mutual fund. The price risk arises due to unascertainty about the future market value of these investments.

Management Policy

The Group maintains its portfolio in accordance with framework set by risk management policies.

2. Currency Risk

The Group has no significant exposure to export revenue and import of raw material and property, plant and equipments so the Group is not subject to significant risk that changes in foreign currency value impact.

P Capital Management**Risk management**

For the purpose of Group's Capital Management, equity includes equity share capital and all other equity reserves attributable to the equity holders of the Group. The Group manages its capital to optimise returns to the share holders and make adjustments to it in light of changes in economic conditions or its business requirements. The Group's objective is to safe guard continuity, maintain a strong credit rating and healthy capital ratios in order to support its business and provide adequate return to share holders through continuing growth and maximise the share holders value. The Group funds its operations through internal accruals. The Management and Board of Directors monitor the return of capital as well as the level of dividend to share holders.
