TEAM SINTERCOM

Sintercom India Limited is one of the leading automotive sintered components manufacturer located in Pune, India.

- The Company specializes in manufacturing medium to high-density sintered components for automotive engines, powertrain, and exhaust systems and also manufactures sensor components that cater to global markets.
- The product portfolio includes drivetrain gears, engine sprockets, pulleys, crankshaft bearing journals, transmission gears, and synchro hubs, as well as ABS rings and Sensor Hego bosses and flanges.
- Sintercom provides its esteemed customers with high-volume, high-precision, and low-cost components, tailored to their specific requirements.

This is ensured by leveraging the integrated manufacturing facility adhering to rigorous quality standards

- The company entered into a strategic tie-up with Miba Sinter with a Joint Venture and technology transfer agreement in 2011, and Miba also invested in Sintercom to become a co-promoter by taking around 26% stake in the company in 2011.
- Together with the technology leader Miba, the company is able to provide their customers with even more competitive solutions with powder metal.
- Sintercom caters to OEMs like Maruti Suzuki Limited, Mahindra & Mahindra Limited, Bajaj Auto Limited, and Fiat India Automobiles Private Limited and the company is a single-source supplier for various products as well.
- An in-house dedicated Research & Development team develops new products used in various applications of engine, transmission, and body chassis for various automotive OEMs and Tier-1 customers

OUR STRENGTHS

Attractive Industry Sector with growing opportunities

1.

Seasoned Management Team and the Board of Directors

2.

Wide Product Range and Customised Product Offering

3.

Proved Track Record of our Technology Partner

4.

Client Retention and Long Standing Relationships with OEM's

5.

Strategic Location of Manufacturing Facility

6.

Technology Driven and Focused Company

7.

Strong Positions with Key OEM Customers

8.

OUR VISION

Our Vision is to be a global leader in sintering business by providing innovative technology solutions and increase sintered components up to 10kgs per vehicle for better efficiency.

Our Mission is to improve awareness about the sintering technology in Indian manufacturing industries and to improve material yield using sintering technology.

OUR
MISSION

2007

Incorporated as a joint venture between BRN industries and Maxtech Manufacturing Inc. as Maxtech Sintered Product Private Limited

2010

Commencement of commercial production

2011

Established a Joint Venture with the Miba Sinter Holding for Equity and Technology transfer

2015

Received an appreciation from Maruti Suzuki India Limited for superior performance in the field of Design and Development

2016

Received Certificate of Appreciation from Bajaj Auto Limited, 15th Manager Kaizen Competition

MILESTONES

2018

The company got listed on NSE Emerge

2019

Appreciation from Maruti for VAVE & received Make in India Award

2020

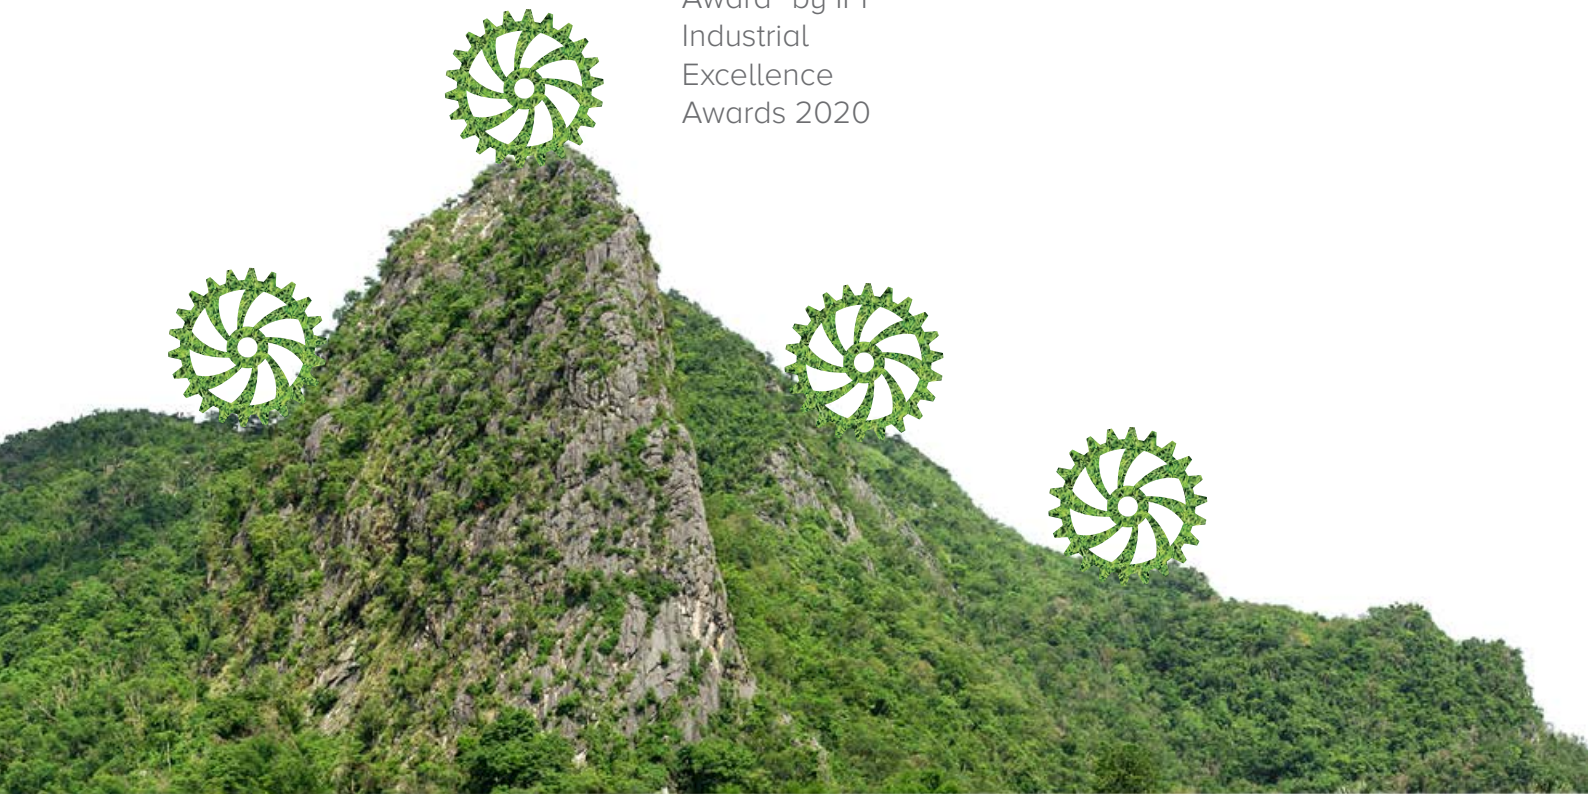

Managing Director Mr. Jignesh Raval has won "Male Entrepreneur of the Year Award" by IPF Industrial Excellence Awards 2020

2021

Successfully developed zero backlash gear

2022

Developed Mass Balancer Assembly and Gears for global supplies

BUSINESS PORTFOLIO

Sintering Technology

Sintering is a heat treatment commonly used to increase the strength and structural integrity of a given material. The temperature used for sintering is below the melting point of the major constituent of the Powder Metallurgy material. After compaction, the neighboring powder particles are held together by cold welds, which give the compact sufficient “green strength” to be handled. At sintering temperature, diffusion processes cause necks to form and grow at these contact points by which a powder compact is transformed to a strong, dense ceramic body upon heating.

It is different from the traditional metal forming processes wherein a solid mass of raw material is shaped into a final shape using chipping, pressing, heating and melting. At the start of the sintering process, highly complex tools are used to compress metal powder mixes.

Compared with other production processes, sinter technology allows maximum material utilization with the

lowest possible energy use. Whether in engines, transmissions, steering systems or for electrification – the properties of sintered components make them ideal for high- quality mechanical components and for systems. The porous spaces between the material’s particles are minimized during the sintering process as the material is squeezed together under high temperature and pressure.

Product Portfolio

Sintercom has been providing superior quality products, engineered with precision.

The product portfolio of our company includes the components for Engine, Transmission and Body/ Chassis. We are manufacturing sintered auto components with the help of powder metallurgy process, using sintering.

Engine

The engine product portfolio includes engine drive gears, chain sprockets, belt pulleys, and engine shaft bearing caps for engines ranging from 10 to 120 hp.

These are manufactured using high compressible metal powders and a multi-stage sintering process including specific heat treatments for superior strength and wear resistance.

Products

Bearing Cap, Cam to Cam Back Lash Gears, Chain Sprockets, Belt Pulleys, Mass Balancer Assembly.

Transmission

Through the technology and engineering process, the company can produce high precision sintered components for transmissions to replace high strength forged components.

These components provide superior value for leading automotive customers through better performance and reduction in weight of the drivetrain.

Products

Synchroniser Hubs, Interlock Finger, Drive Train Gears, Synchro Ring.

Body/Chassis

The company is one of the leading manufacturers of stainless-steel sintered parts for the automotive sector in India. We manufacture exhaust systems, sensor bosses, and sensor parts, such as ABS rings, for a wide range of vehicles. With powder metal, it is possible to contour and mold angles without the use of costly secondary machining procedures. Almost no material is wasted when creating these designs.

Products

Oxygen Sensor Boss, Flange Type Sensor Boss

Industrial Goods Segments

We are happy to announce that with the experience in sintering process, we are catering to the need for the industrial goods segment as well. Sintering technology facilitates lighter and more efficient solutions. The application of powder metal for parts requiring both geometric complexity and economy is ideal

Products

Liquid Dispensing Metering Parts, Synchro Rings

Growing with the time - Electric Vehicle

We are currently in the development stage of manufacturing parts needed for an electric vehicle. We also offers soft magnetic composite components (SMC) and assemblies for modern electric motor applications, as well as powder metal components for sensors. We can provide solutions for every sector, from parts for vehicle electrification to manufacture of parts for fully electric vehicles.

Products

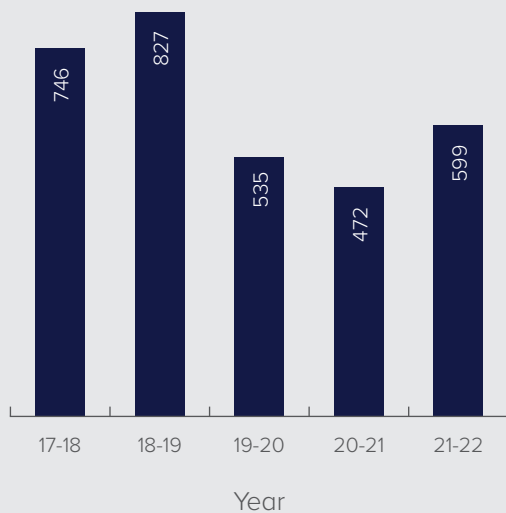

Electric Power Steering, Soft Magnetic Compositers

BRIEF PROFILE OF THE DIRECTORS

Hari Nair – Chairman, Non-Executive Director

Mr. Hari Nair is the Non-Executive Director and Chairman of our Company. Mr. Nair has been on the Board of Directors of our Company since September, 2015. Mr. Nair holds a Bachelor of Science in Engineering from Bradley University, a master's in business administration from the University of Notre Dame and completed the Advanced Management Program at Harvard Business School. Mr. Nair has over 3 decades of work experience in the automotive and commercial vehicle industry. Previously, Mr. Nair has served as the Chief Operating Officer of Tenneco Inc., a global automotive supplier, from 2010 until his retirement in early 2015. Prior to being appointed Chief Operating Officer, Mr. Nair was President of Tenneco's International Group, where Mr. Nair was responsible for managing operations in Europe, Africa, Middle East, South America, Asia and Australia. Mr. Nair offers the board with extensive manufacturing experience, global business experience, strategic planning and executive leadership skills.

Jignesh Raval - Managing Director

Mr. Jignesh Raval is the Promoter and Managing Director of our Company. Mr. Raval has been on the Board of Directors of our Company since June, 2007. Mr. Raval holds a degree in Bachelor of Engineering (Production) from Shivaji University. Mr. Raval has around 20+ years of work experience in the automotive industry which includes 9 years of work experience at Tenneco Automotive India Private Limited as an Executive Director-GSCM. Mr. Raval is currently responsible for developing and executing the Company's business strategies and overseeing the Company's financial performance, investments and other business ventures.

Bernd Badurek - Non-Executive Director

Mr. Bernd Badurek is a Non-Executive Director of our Company. Mr. Badurek is a member of the executive committee of Miba AG and Managing Director & Chief Sales Officer of Miba Sinter Group. Mr. Badurek has more than 20 years of international experience in Corporate Strategy, Global Business Development, Sales, Leadership, Operational Excellence and marketing. Mr. Badurek holds a university degree in business administration from Institut für Management GmbH.

Madan Godse - Independent Director

Mr. Madan Godse is an Independent Director of our Company. Mr. Godse has been on Board of our Company since November, 2017. Mr. Godse holds master's degree in commerce from University of Poona and a master 's degree in arts from Tilak Maharashtra University. Mr. Godse holds membership from the Institute of Company Secretaries of India. Mr. Godse further obtained bachelor 's degree in law from University of Pune and has been enrolled with Bar Council of Maharashtra & Goa. Mr. Godse has over 30 years of work experience in secretarial compliance and law. Mr. Godse has been associated with Cummins India Limited and its subsidiary Cummins Diesel Sales and Service (India) Limited as from November, 1984 to September, 2005 as Company Secretary, Head of Legal Department and subsequently as Vice President – Legal and Company Secretary. Mr. Godse is a practicing advocate and regularly appears before National Company Law Tribunal, Mumbai.

Dara Kalyaniwala – Independent Director

Mr. Dara Kalyaniwala joined as an Independent Director. Mr. Kalyaniwala has worked as Deputy General Manager Corporate Finance & Taxation with Grindwell Norton Limited, Mumbai for a decade. Mr. Kalyaniwala has 27 years' experience in Equity Capital Market, consulted various companies in formulating Business Strategies and managed M&A's, Buybacks, Takeovers & Delisting. Mr. Kalyaniwala worked as Head- Investment Banking with PL Capital Markets Private Limited (Prabhudas Lilladher Group), Mumbai- as an employee from January 2008 to April 2016 and as a contracted professional from April 2016 till date. Mr. Kalyaniwala is also a visiting faculty at the Institute of Chartered Accountants of India, The Institute of Company Secretaries of India; ICFAI Institute, National Institute of Capital Markets, Indo-German Training Institute, and some Trade Organizations.

Madhavi Pandrangi – Independent Director

Ms. Madhavi Pandrangi is the member of The Institute of Chartered Accountants of India. Ms. Pandrangi has over 20 years of work experience in valuation and business advisory. Ms. Pandrangi was a Director in the Valuation team at PwC for around 15 years. Prior to PwC Ms. Pandrangi was the financial advisory services team in Deloitte, specializing in valuation and deals. A Chartered Accountant and also Certified Public Accountancy from State of Colorado & Certified Information Systems Audit, currently practicing professional advising clients on various fields.

“

Sintercom is delivering innovative solutions to our customers that support their top priorities including energy efficiency and sustainability.

THOUGHTS FROM THE CHAIRMAN

Hari Nair, Chairman

Dear Shareholders,

Our most recent fiscal period marked yet another year of extraordinary events during which the world continued to remain under the grip of successive waves of the pandemic. It was further characterised by unexpected supply chain challenges, aggravated by adverse geopolitical situations towards the end of the year. Commodity prices shot up and supply chain pressures, began to rise again. The surge in global commodity prices has exacerbated inflationary pressures across all economies alike, causing a sharp upward revision in inflation projections. India was also severely impacted, where rising inflation continues to be a cause for concern. Despite inflationary pressures weighing on real growth forecasts, the Indian economy continues to rank among the fastest growing economies of the world. However, the threat from Omicron, supply chain disruptions, and an overall subdued sentiment had a broader adverse impact on all industry segments.

Despite a volatile environment, I am extremely proud of what Sintercom was able to accomplish. Our foundational strength and the agility of our operating model, coupled with the unparalleled commitment and support of a resilient workforce, allowed us to finish the year with improved year over year performance. We have strengthened our business model by

business model by focusing on cost and Capex as well as ensuring risk mitigation by ensuring good health and safety of our teams.

In that spirit, we continued our sustained efforts towards making Sintercom the safest place to work in. We achieved 100% vaccination (with both doses) for our entire staff. We also undertook vaccination activities in surrounding communities for their well-being.

The Indian economy is on track to recover to pre-pandemic GDP levels as India has emerged as the fastest-growing major economy in the world and is expected to be one of the top three economic powers globally over the next 10-15 years, backed by its robust democracy and strong fundamentals. The introduction of the Production Linked Incentive (PLI) plan, massive infrastructure boosts - both physical and digital, as well as steps to minimise transaction costs and increased ease of doing business— will all help to further support the economy's recovery. As per the economic survey report, the per day road construction grew by 30.4% during the period from 2019 to 2021, which indicates a continued emphasis by the Government on infrastructure development. Indicators of macroeconomic stability imply that the Indian economy is well positioned to meet the challenges of 2022-23. We, at Sintercom, are well prepared for strong growth in revenues and profitability.

With an absolute focus on driving value for our customers as well as shareholders, we are sharpening our focus on technology and innovation. We will continue to focus on newer and cleaner technologies for a sustainable future. We will continue to diversify and to target new segments of industrial goods, consumer goods and electric motors. We will also continue to strengthen our relationship with our technology partner Miba Sinter Austria to further develop our global strategy to identify and target incremental value creation opportunities.

We are very well positioned to combat the technological shift owing to a change in customer requirements, emerging market trends, and government regulations. Our customers are looking for innovative solutions for their products for the future and we will aim to become a one stop solution provider for all their technological requirements.

I remain very proud of the contribution of the entire talent pool we possess at Sintercom and I want to thank all my colleagues for their strong efforts and engagement.

In the coming years, we will continue to improve our technologies, processes and sustain our commitment towards 'optimal capital allocation' to provide best-in-class quality products to our customers to deliver sustainable profitable growth.

We at Sintercom truly appreciate the support we have received from all our valued stakeholders. With your support, we will step ahead to execute our strategic plans and focus on maximising value-creation. We are also fortunate to have the wealth of experience and strategic guidance provided by our Board members to support Sintercom through this challenging phase as we continue to deploy world class levels of Governance practices at our company.

We remain committed to engage with all our stakeholders to create superior value as we proceed on a very exciting journey together!

My best wishes to everyone to remain safe and healthy,

Hari Nair
Chairman

MESSAGE FROM **THE MD'S DESK**

Jignesh Raval, Managing Director

We are increasingly engaging with our customers in meeting their evolving needs and developing both our products and processes, aligned to their requirements.

To our Shareholders,

The fiscal year 2021-22 was a remarkable period of learning and delivering. The first quarter witnessed the second Covid-19 wave, which shook us personally and professionally followed by supply chain challenges in the second quarter and the tense geo-political developments and consequent elevated commodity prices.

I am pleased to share that Sintercom could deliver above market growth in terms of revenue during our last fiscal year due to several new business opportunity wins. The financial year 2022 ended with 599 million revenues at 8.7% EBITDA margin. It should be noted that we delivered steady improvements throughout the year and delivered ~12.4% EBITDA in the last quarter of FY22. The Company did incur an overall loss during the year due to the underutilization of installed capacity due to lower volumes driven by second wave of the pandemic combined with the supply chain issues, primarily of semiconductor chip shortages during the Q2FY22. This was offset by several costs saving initiatives to mitigate these issues during the year.

Our aim is to be responsive in every aspect of operations, sourcing, sales, and R&D. We are on track to lead the technological shift in national and international markets, while also adding scale, to support our growth initiatives.

FY 2021-22 was a mixed year for the Indian Automotive industry. The passenger car and commercial vehicle segments showed moderate growth, but the 2 & 3-Wheelers

markets continued to remain under stress owing to successive waves of the pandemic and the demand uncertainty in this segment. The passenger car segment was impacted by semi-conductor chip shortages, followed by geopolitical tensions and rising commodity prices. Nevertheless, the demand pipeline for passenger cars looks robust considering the long waiting list for cars at the consumer level.

India is primarily a domestic demand-driven economy, with consumption and investments contributing 70% to the country's economic activity. The Indian automotive industry is one of the key drivers of economic growth in India and contributes ~7.1% of the GDP. The government has opened several opportunities for companies in the auto-industry. Over the years, the Indian government has introduced many initiatives to strengthen the nation's economy. Some of the recent initiatives include roll out of Bharat NCAP (India's own safety assessment program), Atal Mission for Rejuvenation and Urban Transformation to name a few. As also laid down in the Union Budget for the 2022-23, more emphasis is placed on infrastructure development. National Highways would be expanded by 25,000 km in 2022-23 under the Prime Minister's Gati Shakti Plan. Increased government expenditure is expected to attract private investments, with a production-linked incentive scheme providing excellent opportunities. Consistently proactive, graded, and measured policy support is anticipated to boost the Indian economy which in turn will open new opportunities to the various technological solution providers.

I take pride in informing that your Company has successfully developed and implemented a new Gear Rolling Technology to support new programs. We have received all necessary technical approvals from our customer and have started supplies to them since Q3 FY 22. With this, we have successfully localized the scissor gears in India which were previously imported and have this contributed to the Make in India mission as laid down by the Government. Further, we have also successfully started supplies FIP sprocket and is also expected to fully replace imports by Q1 FY23. Our efforts in exploring various global opportunities are heading in a positive direction and we have won business from a major global OEM and Sintercom will now be part of their global supply chain.

Our Company also continues to strengthen its relation with its investors and technology partner Miba Sinter Aurtria. During the year, the Company has completed the conversion of 1st tranche of compulsory convertible debentures (CCD's) into equity shares. Post this conversion, the holding of Miba Sinter Holding GmbH & CO KG (Miba) has reached to 27.98%. The balance of the CCD's to be converted by end of August 2022 as per the terms of the CCD agreement. On fully diluted basis, Miba will hold 30.57% of the expanded equity share capital.

The overall outlook for the next financial year remains strong mainly driven by strong demand for passenger vehicles. We will continue our approach towards diversification of our products into new market segments. We expect supplies for our products into industrial

goods and off highway segment to receive final approvals during the Q2 FY23.

Our idea of building our future with equal care for our planet and society, represents a vision that we strive to fulfill. We are increasingly engaging with our customers in meeting their evolving needs and developing both our products and processes, aligned to their requirements. We will also continue creating value in all our frontline operations and ensure we are on track towards achieving our sustainability targets.

We would like to acknowledge the efforts of our employees who have risen to the challenge of the global pandemic and its aftermath and have delivered results with sincere dedication. I sincerely thank the Chairperson and Board Members for their astute guidance and encouragement during these tough times. We thank our shareholders for their continued trust and support and are glad to share that the results are testimony to their confidence in us. I would also like to acknowledge our senior management team for their adaptability and resilience and their relentless efforts in helping drive our business forward towards achieving with our vision.

We stand committed to delivering sustainable growth and creating value for all our stakeholders.

Jignesh Raval

Managing Director

AGM

NOTICE

AGENDA

Notice is hereby given that the 15th Annual General Meeting of the members of Sintercom India Limited ("the Company") will be held on Friday, 23rd September, 2022 at 5.00 pm (IST) through Video Conferencing ("VC") / Other Audio- Visual Means ("OAVM") to transact following business:

ORDINARY BUSINESS:

1. To receive, consider and adopt the Audited Financial Statements of the Company for the Financial Year ended 31st March, 2022 together with Reports of Board of Directors and Auditors thereon and if thought fit, pass the following resolution as an Ordinary Resolution, with or without modification(s):

"RESOLVED THAT the audited financial statement of the Company for the financial year ended 31st March, 2022 and the reports of the Board of Directors and Auditors thereon, as circulated to the members, be and are hereby considered and adopted"

2. To appoint Mr. Bernd Badurek (DIN 09143201), who retires by rotation as a director and being eligible, offer himself for re-appointment as a director and in this regard to consider and if thought fit, pass the following resolution as an Ordinary Resolution, with or without modification(s):

"RESOLVED THAT in accordance with the provisions of Section 152 and other applicable provisions of the Companies Act, 2013, Mr. Bernd Badurek (DIN 09143201), who retires by rotation at this meeting, be and is hereby appointed as a Non Executive Non-Independent Director of the Company, liable to retire by rotation."

3. To appoint M/s. Patki & Soman, Chartered Accountants as the Statutory Auditors of the Company for a term of 5 years from the conclusion of this Meeting and if thought fit, pass the following resolution as an Ordinary Resolution, with or without modification(s):

"RESOLVED THAT in accordance with the provisions of Section 139, 141 and 142 of the Companies Act, 2013 and rules made thereunder, Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 and other applicable provisions, if any, (including any statutory amendment or modification or re-enactment thereof for the time being in force) and pursuant to the recommendation of the Audit Committee of the Board of Directors and the Board of Directors (hereinafter referred to as "Board"), M/s. Patki & Soman, Chartered Accountants (Firm Registration No. 107830W), be and are hereby appointed as the Statutory Auditor of the Company to hold office for a period of 5 (Five) years i.e. from the conclusion of this Meeting till the conclusion of the 20th Annual General Meeting of the Company, at a remuneration as recommended by the Board and the Audit Committee from time to time."

By Order of the Board of Directors

Anuja Joshi
Company Secretary & Compliance Officer

Pune, 11th August, 2022

EXPLANATORY STATEMENT

The following statement sets out all material facts relating to the businesses mentioned in this notice for the 15th Annual General Meeting of the Members of the Company:

Agenda 3. Appoint M/s. Patki & Soman, Chartered Accountants as the Statutory Auditors of the Company

Present Auditors:

The Members of the Company had approved the re-appointment of M/s. Kirtane & Pandit LLP, Chartered Accountants [ICAI Firm Registration Number 105215W], as the Statutory Auditors of the Company to hold office for a further period of five years i.e., from the conclusion of the 10th AGM [held on 26th September, 2017] until the conclusion of the 15th Annual General Meeting of the Company. M/s. Kirtane & Pandit LLP Chartered Accountants will complete their two consecutive terms of 5 years each at the conclusion of this AGM in terms of the aforesaid and Section 139 of the Companies Act, 2013 ("the Act") read with the Companies (Audit and Auditors) Rules, 2014 and hence are not eligible for re-appointment pursuant to Section 139, 141(3)(g) and 144 of the Act.

Proposed Auditor:

Pursuant to the recommendation of the Audit Committee, the Board of Directors of the Company, recommended for the approval of the Members, the appointment of M/s. Patki & Soman, Chartered Accountants [Firm Registration Number: 107830W], as the Auditors of the Company for a period of 5 (Five) years i.e., from the conclusion of this Meeting till the conclusion of the 20th Annual General Meeting of the Company at a remuneration as recommended by the Board and the Audit Committee from time to time. While considering the candidature of M/s. Patki & Soman, Chartered Accountants, the Audit Committee considered various parameters like capability to serve a diverse and complex business landscape as that of the Company, audit experience in the Company's operating segments, market standing of the firm, clientele served, technical knowledge etc., and found M/s. Patki & Soman Chartered Accountants, to be best suited to handle the scale, diversity and complexity associated with the audit of the financial statements of the Company.

M/s. Patki & Soman Chartered Accountants is registered with ICAI (Firm Registration Number: 107830W):

- A) is primarily engaged in providing audit and assurance services to its clients;
- B) has a valid Peer Review certificate;
- C) has confirmed that the appointment, if made, would be within the limits specified under Section 141(3)(g) of the Act and is not disqualified to be appointed as Statutory Auditor in terms of the provisions of the proviso to Section 139(2) and Section 141 of the Act and the provisions of the Companies (Audit and Auditors) Rules, 2014; and
- D) has provided its eligibility certificate(s) and consent to act as the Statutory Auditor.

None of the directors and/or key managerial personnel of the Company and/or their relatives, are in any way concerned or interested (financially or otherwise), in the proposed ordinary resolution.

The Board recommends the ordinary resolution with respect to the appointment of M/s. Patki & Soman Chartered Accountants, as the Statutory Auditors, as set out in item no. 3 of the notice, for approval of the shareholders.

ANNEXURE A

Details of the directors seeking appointment/ re-appointment (as set out in item no. 2 of this notice)

In terms of Regulations 26(4) and 36 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with Clause 1.2.5 of Secretarial Standards 2 on General Meetings (SS-2)

Name of Director	Mr. Bernd Badurek (DIN: 09143201)
Date of Birth	14-12-1974 (Age: 47)
Date of Appointment on current position	27-05-2021
Qualification	University degree in business administration
Expertise in Specific functional areas	He is a member of the executive committee of Miba AG and Managing Director & Chief Sales Officer of Miba Sinter Group. He has more than 20 years of international experience in sales and marketing. Please refer Company's website www.sintercom.co.in for detailed profile
Terms and Condition of appointment/ Reappointment	Non-Executive Director liable to retire by rotation
Details of remuneration last Drawn (FY 2021-22)	NIL
Details of Proposed remuneration	NIL
List of other Companies in which directorship is held as on 31st March, 2022	NIL
Chairperson/ Membership of the Statutory Committee(s) of Board of Directors of the Company as on 31st March, 2022 *	NIL
Chairperson /Member of the Committee(s) of Board of Directors of other Companies in which Director is a Member / Chairperson *	NIL
No. of Shares Held	NIL
Disclosure of relationship with Directors/ KMP's	NA
No of the Meetings of the Board attended during the year	5 (five)

NOTES FOR MEMBERS ATTENTION

1. Virtual Meeting

The Ministry of Corporate Affairs ("MCA") has vide its General Circular no. 2/2022 dated May 5, 2022* permitted the holding of the Annual General Meeting ("AGM" or "Meeting"), through Video Conferencing ("VC") / Other Audio Visual Means ("OAVM"), without the physical presence of the Members at a common venue. Members participating through the VC / OAVM shall be reckoned for the purpose of quorum under Section 103 of the Companies Act, 2013 ("Act").

Further, the Securities and Exchange Board of India ("SEBI") vide its Circular no. SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 13, 2022** has granted further relaxations to ensure the AGM is conducted effectively. In compliance with the provisions of the Act, Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations") and MCA Circulars, the AGM of the Company is being held through VC / OAVM.

The deemed venue for the AGM will be the Registered Office of the Company. Since the AGM will be held through VC / OAVM, the route map of the venue of the Meeting is not annexed hereto.

2. Electronic copy of Annual Report and Notice of the 15th Annual General Meeting

a) In compliance with the MCA Circulars and SEBI Circulars, Notice of the AGM along with the Annual Report 2021-22 is being sent only through electronic mode to those Members whose e-mail addresses are registered with the Company / Depositories.

b) Members may note that the Notice and Annual Report 2021-22 will also be available on the Company's website www.sintercom.co.in, websites of the Stock Exchanges, i.e. National Stock Exchange of India Limited at www.nseindia.com respectively and website of NSDL (agency for providing the Remote e-Voting facility) i.e. www.evoting.nsdl.com

3. Register to receive communications electronically

Members who have not registered / updated their e-mail address or mobile number with the Company but wish to receive all communication (including Annual Report) from the Company electronically may register / update their e-mail and mobile numbers on by sending email on investor@sintercom.co.in.

Members are also encouraged to register / update their e-mail addresses or mobile number with the relevant Depository Participant.

4. Proxy and Attendance

The AGM is being held pursuant to the MCA Circulars and SEBI Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM.

Since the AGM will be held through VC/OAVM, the route map of the venue of the AGM is not annexed thereto.

The attendance of the Members attending the AGM through VC/OAVM will be counted for the purpose of reckoning the quorum under Section 103 of the Companies Act, 2013.

Hence, the Proxy Form and Attendance Slip are not annexed to this Notice.

5. Directors seeking appointment / re-appointment

Relevant details with respect of Directors seeking appointment / re-appointment at the AGM, in terms of Regulation 36 of the SEBI Listing Regulations and Clause 1.2.5 of Secretarial Standards on General Meetings, are set out in Annexure A, which also form part of this Notice.

6. Authorised Representative

Institutional / Corporate Shareholders (i.e. other than individuals HUF, NRI. etc.) are required to send a scanned copy (PDF / JPG Format) of its Board or governing body Resolution / Authorization etc., authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting.

The said Resolution / Authorization shall be sent to the Scrutinizer by e-mail through its registered e-mail address to Mr. Sunil Nanal at sunil.nanal@kanjcs.com with a copy marked to the Company Secretary at investor@sintercom.co.in

7. Document open for inspection

The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Act, the Register of Contracts or Arrangements in which the directors are interested, maintained under Section 189 of the Act, and the relevant documents referred to in the Notice will be available upon login at NSDL e-voting system at <https://www.evoting.nsdl.com>. during the AGM.

All documents referred to in the Notice will also be available electronically for inspection without any fee by the members from the date of circulation of this Notice up to the date of AGM. Members seeking to inspect such documents can send an email to investor@sintercom.co.in

Members seeking any information with regard to the accounts or any matter to be placed at the AGM, are requested to write to the Company on or before Thursday 16th September, 2021 through email on investor@sintercom.co.in. The same will be replied by the Company suitably.

8. E-voting

Pursuant to Section 108 of the Act, Rule 20 of the Companies (Management and Administration) Rules, 2014, as amended, Regulation 44 of the SEBI Listing Regulations and the MCA Circulars, the Company is pleased to provide the facility to Members to exercise their right to vote, on the Resolutions proposed to be passed at AGM, by electronic means.

The Company has engaged the services of NSDL to provide the remote e-voting facility and the e-voting system on the date of the AGM.

The Company has appointed Mr. Sunil Nanal (Membership No. F5977, C.P. No: 2809), Partner M/s. Kanj & Co. LLP, Practicing Company Secretaries (email id: sunil.nanal@kanjcs.com) address: Aishwarya Sankul, Near Joshi Railway Museum Kothrud, Pune- 411038, to act as the Scrutinizer and to scrutinize the entire e-voting process (i.e. remote e-voting and e-voting at the AGM) in a fair and transparent manner.

BOARD OF DIRECTORS' REPORT

Dear Members,

Your Board of Directors is pleased to present the 15th Annual Report of Sintercom India Limited ("Sintercom" or "Company") together with the audited financial statements for the financial year ended on 31st March 2022. Further, in compliance with the Companies Act, 2013 the Company has made all requisite disclosures in the Board Report with the objective of accountability and transparency in its operations and to make you aware of the performance and future perspective.

1. Financial Results:

The Financial performance of the Company during the financial year ended 31st March 2022 as compared to the previous financial year is summarized in the following table:

(Figures in Rs.)

Particulars	For the year ended on 31st March, 2022	For the year ended on 31st March, 2021
Net Revenue	598,881,326	471,986,697
Profit before Interest and depreciation	54,047,316	39,035,407
Finance Charges	28,839,975	38,658,586
Depreciation and amortization expense	70,780,871	62,300,253
Profit / (loss) before Taxation (PBT)	(45,573,530)	(61,923,431)
Tax adjustments	7,165,293	14,877,534
Balance of (Loss)/Profit brought forward	(38,408,237)	(47,045,896)
Total other comprehensive income	662,614	168,775
Balance available for appropriation	(37,745,623)	(46,877,121)
Proposed Dividend on Equity Shares	-	-
Tax on proposed Dividend	-	-
Transfer to General Reserve	-	-
Amount carried to Balance Sheet	(37,745,623)	(46,877,121)

2. Operational Performance of the Company:

This year was full of challenges and new learnings for the Company, mainly due to COVID-19 second wave which affected the industry in Q1 FY22 in the month of May-2021 and first two weeks of June-2021, where mostly all the customers announced the shut down due to COVID-19 and secondly restriction on the use of industrial oxygen during the period by the government which negatively impacted the sales for the Q1FY22. Further, company also suffered loss of revenue during Q2FY 22 due to the global shortages of the semi conductor chips which disturbed the production at the customer level thereby adversely impacting schedules of the Company during Q2FY22. In spite of these challenging times, the company was able to register above market growth due to approval of the various new programs during the year.

The Company successfully developed and implemented gear rolling technology during the year. Your Company takes pride in mentioning that the Company is first mover of this technology in India and has successfully started supplies to one of the leading auto OEM.

During the period, your Company focused hard on cost optimization, employees training across all functions including the shop floor, a heightened focus on customers & new product development, converting fixed cost into variable cost and various cost restructuring exercise were carried out by your Company.

In the Financial year 2021-22, your Company has recorded net sales of Rs. 598.88 million as against Rs. 471.99 million in the previous year and thereby recorded an increase of 26.89% in net sales. For the financial year 2021-2022, the Company incurred a loss before tax of Rs. 45.57 million as against the loss of Rs. 61.92 million for the previous financial year. This was mainly due to the underutilization of the capacities due to lower volumes due to second wave of the pandemic combined with the supply chain issues of semi conductor chip shortages during the Q2FY22. The loss would have been higher but for the various costs saving initiatives taken by the Company during the previous year.

3. Industry Update & Future Outlook:

After the second wave of COVID, that peaked in May 2021, the market recovery gained momentum and GDP was projected to grow at 8.9% in fiscal year 2021-22 before reverting to 7.5% in financial year 2022-23 which can in turn peak up to 8% in financial year 2023-24. Inflation has remained close to the upper band but should ebb as supply chain disruptions are overcome. Financial markets remain strong and capital inflows support the build-up in reserves. The appearance of a new virus variant, especially if combined with a relaxation of attitudes, is the major downside risk, together with a less supportive global economic and financial environment. However, we are now foreseeing a gain in performance of automobile industry and in turn auto component industry.

We worked on cost reduction initiatives in financial year 2021-22 and posted an improved performance on top line and a lower loss on the bottom line. We will continue our efforts for cost reduction this year also. Other key focus areas remain improved productivity, upgrading of technology, talent retention and improved skilling.

Indian Automotive Components Sector Overview:

The Indian automotive industry is one of the key drivers of economic growth in India and contributes ~7.1% of the GDP. India enjoys a strong position in the global heavy vehicles market as it is the largest tractor producer, second-largest bus manufacturer, and third-largest heavy trucks manufacturer in the world. Due to its deep integration with other industrial sectors, it is a major driver of exports and employment. The India passenger car market was valued at US\$ 32.70 billion in 2021, and it is expected to reach a value of US\$ 54.84 billion by 2027, while registering a CAGR of over 9% between 2022-27. India could be a leader in shared mobility by 2030, providing opportunities for electric and autonomous vehicles. In September 2021, the Indian government issued notification regarding a PLI scheme for automobile and auto components worth Rs. 25,938 crore (US\$ 3.49 billion). This scheme is expected to bring investments of over Rs. 42,500 (US\$ 5.74 billion) by 2026, and create 7.5 lakh jobs in India. In February 2022, 20 carmakers, including Tata Motors Ltd, Suzuki Motor Gujarat, Mahindra and Mahindra, Hyundai and Kia India Pvt. Ltd, were chosen to receive production-linked incentives (PLI) as part of the government's plan to increase local vehicle manufacturing and attract new investment. The 20 automobile companies have proposed a total investment of around Rs. 45,000 crore (US\$ 5.95 billion).

The Indian auto-components industry has experienced healthy growth over the last few years. The auto-components industry expanded by a CAGR of 3.28% from FY16 to FY20 to reach US\$ 45.90 billion in FY21. The industry is expected to reach US\$ 200 billion by FY26. Due to high development prospects in all segments of the vehicle industry, the auto component sector is expected to rise by double digits in FY22. The industry can be broadly classified into organised and unorganised sectors. The organised sector caters to original equipment manufacturers (OEMs) and consist of high-value precision instruments while the unorganised sector comprises low-valued products and caters mostly to the aftermarket category. Strong international demand and resurgence in the local original equipment and aftermarket segments are predicted to help the Indian auto component industry grow by 20-23% in FY22. The Government of India's Automotive Mission Plan (AMP) 2006-2026 has come a long way in ensuring growth for the sector. Indian Automobile industry is expected to achieve a turnover of US\$ 300 billion by 2026 and will grow at a CAGR of 15% from its current revenue of US\$ 74 billion. The Indian auto-components industry is set to become the third largest in the world by 2025. Indian auto-component makers are well positioned to benefit from the globalisation of the sector as export potential could be increased by up to US\$ 30 billion by 2021E.

12. Board Meetings & Committee Meetings:

The Board meets at regular intervals to discuss and decide on Company/business policy and strategy apart from other items of business. The Board exhibits strong operational oversight with regular presentations by business heads to the Board. The Board and committee meetings are prescheduled, and a tentative annual calendar of Board and committee meetings is circulated to the directors well in advance to help them plan their schedule and to ensure meaningful participation at the meetings.

Total 5 (five) Board Meetings were held during the financial year 2021-22 as required u/s 173 (1) of the Companies Act, 2013 and rules made thereunder. The intervening gap between the two Board meetings was within the period prescribed under the Companies Act, 2013 and as per Secretarial Standard-1. The details of meetings of the Board of Directors are provided in the Report on Corporate Governance that forms part of this Annual Report.

Committees:

Presently, the Board has four (4) Committees i.e. Audit Committee, Nomination & Remuneration Committee, Stakeholder Relationship Committee, and Corporate Social Responsibility Committee which have been established as a part of better corporate governance practices and is in compliance with the requirements of the relevant provisions of the applicable laws and statutes. The details of meetings of committees are provided in the Report on Corporate Governance that forms part of this Annual Report.

Audit Committee:

The Audit Committee was constituted in compliance with the provision of Section 177 of the Companies Act, 2013 and Regulation 18 of SEBI (Listing Obligations & Disclosure Requirements) Regulation, 2015.

During the year under review, 5 (Five) Audit Committee meetings were held.

The details of meetings of the Audit Committee are provided in the Report on Corporate Governance that forms part of this Annual Report.

Nomination and Remuneration Committee:

The Nomination and Remuneration Committee was constituted in compliance with the provision of Section 178 of the Companies Act, 2013 and Regulation 19 of SEBI (Listing Obligations & Disclosure Requirements) Regulation, 2015.

During the year under review, 2 (Two) meetings of the Nomination and Remuneration Committee were held the details of which are provided in the Report on Corporate Governance that forms part of this Annual report.

The salient features of the policy of the Nomination & Remuneration Committee have been disclosed under **Annexure VI**.

The policy is available on <https://sintercom.co.in/wp-content/uploads/2022/06/Nomination-and-Remuneration-Policy.pdf>

Stakeholder Relationship Committee:

The Stakeholder Relationship Committee was constituted in compliance with the provision of Section 178 of the Companies Act, 2013 and Regulation 20 of SEBI (Listing Obligations & Disclosure Requirements) Regulation, 2015.

During the year under review, 1 (One) meeting of Stakeholder Relationship Committee was held the details of which are provided in the Report on Corporate Governance that forms part of the Annual report.

Corporate Social Responsibility Committee:

The Corporate Social Responsibility Committee was constituted in compliance with the provision of Section 135 of the Companies Act, 2013.

During the year under review, 2 (two) meetings of the Corporate Social Responsibility Committee meeting were held, the details of which are provided in the Report on Corporate Governance that forms part of the Annual report.

Meeting of Independent Directors:

Additionally, during the financial year ended 31st March, 2022 the Independent Directors held a separate meeting on 18th February, 2022 in Compliance with the requirement of Schedule IV of the Companies Act, 2013 and Regulation 25 (3) of the SEBI (Listing Obligations & Disclosure Requirements). The said meeting was attended by all the Independent Directors.

13. Evaluation of Board of Directors, Committees, and Individual Director:

The Nomination & Remuneration Committee has set up a formal mechanism to evaluate the performance of the Board of Directors as well as that of the Committee's and individual Directors, including Chairperson of the Board, Key Managerial Personnel/ Senior Management, etc. The exercise was carried out through an evaluation process covering aspects such as the composition of the Board, experience competencies, government issues, attendances, specific duties, etc.

The performance of each of the non-independent directors (including the chairperson) was also evaluated by the independent directors at the separate meeting held by the Independent Directors of the Company.

14. Familiarisation Programme:

The Company regularly provides orientation and business overview to its directors by way of detailed presentations by the various business and functional heads at Board meetings and through other interactive programs. Such meetings/programs include briefings on the domestic and global business of the Company. Besides this, the Directors are regularly updated about Company's new projects, R&D initiatives, changes in the regulatory environment and strategic direction.

The Board members are also provided relevant documents, reports and internal policies to facilitate familiarization with the Company's procedures and practices, from time to time.

The details of programmes for familiarisation for Independent Directors are posted on the website of the Company and can be accessed at <https://sintercom.co.in/wp-content/uploads/2022/06/Details-of-Familisation-program.pdf>

15. Disclosure by Directors:

The Board of Directors have submitted a notice of interest in Form MBP 1 under Section 184(1) as well as intimation by directors in Form DIR 8 under Section 164(2) and declaration as to the compliance with the Code of Conduct of the Company.

16. Declaration from Independent Directors:

During the year under review, all Independent Directors have given declaration that they meet the criteria of independence as laid down under Section 149 of the Companies Act, 2013 and that the Independent Directors have complied with the Code for Independent Directors prescribed in Schedule IV to the Act and Regulation 16 & 25 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Further, the Company has received confirmation from Mr. Madan Godse, Mr. Dara Kalyaniwala, and Ms. Madhavi Pandrangi, Independent Directors that they have registered their name in the Independent Director's Database.

None of the Independent Directors serve as an Independent Director in more than the maximum permissible number of directorships and also have not crossed the maximum tenure of Independent Director. The Board confirms that all the Independent directors are proficient and performing their duties with integrity.

17. Code of Conduct for Prohibition of Insider Trading:

Based on the requirements under SEBI (Prohibition of Insider Trading) Regulations, 2015, as amended from time to time, the code of conduct for prevention of insider trading and the code for corporate disclosures ("Code"), as approved by the Board from time to time, are in force at the Company. The objective of this Code is to protect the interest of shareholders at large, to prevent misuse of any price-sensitive information, and to prevent any insider trading activity by dealing in shares of the Company by its Directors, designated employees, connected persons, and other employees. The Company also adopts the concept of Trading Window Closure, to prevent its Directors, Officers, designated employees, connected persons and other employees from trading in the shares of the company at the time when unpublished price sensitive information is available.

The Policy is available on the website of the Company <https://sintercom.co.in/corporate-policies/>

18. Corporate Governance:

The Company is committed to maintaining the highest standards of Corporate Governance and adheres to the Corporate Governance requirements set out by the Securities and Exchange Board of India ("SEBI"). The Company has also implemented several best governance practices. The report on Corporate Governance as stipulated under the Listing Regulations forms part of the Annual Report. Certificate from the Auditors of the Company confirming compliance with the conditions of Corporate Governance is attached to the report on Corporate Governance. For sake of brevity, the items covered in Board's Report are not repeated in the Corporate Governance Report and vice versa

The Corporate Governance Report is annexed as **Annexure II**.

19. Management Discussion and Analysis Report:

Management Discussion & Analysis report for the year under review as stipulated under Regulation 34(2) (e) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 is annexed hereto as **Annexure I** and forms part of this Report. For sake of brevity, the items covered in Board's Report are not repeated in the Management Discussion and Analysis Report and vice versa.

20. Code of Conduct:

The Board has also laid down a Code of Conduct for Independent Directors pursuant to Section 149(8) and Schedule IV to the Companies Act, 2013 via terms and conditions for appointment of Independent Directors, which is a guide to professional conduct for Independent Directors and has been uploaded on the website of the Company at following web link:

<https://sintercom.co.in/wp-content/uploads/2ssss022/02/Code-of-conduct-for-board-members-and-senior-management-personnel.pdf>

21. Particulars of Employee and Remuneration

Disclosures of the ratio of the remuneration of each director to the median employee's remuneration and other details as required pursuant to Section 197(12) of the Companies Act, 2013 read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 as amended from time to time, are provided as **"Annexure V"**.

The information required pursuant to Section 197 read with Rule 5 of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, in respect of employees of the Company, will be provided upon request. In terms of Section 136 of the Act, the Report and financial statements are being sent to Members and others entitled thereto, excluding the information on employees' particulars which will be available for inspection in electronic mode up to the date of AGM. Members can inspect the same by sending an email to investor@sintercom.co.in

During the financial year 2021-2022, no employee, whether employed for whole or part of the year, was drawing remuneration in excess of the limits mentioned under Section 197(12) of the Act read with Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014.

22. Risk Management:

The Company is a supplier of various automobile parts and is therefore exposed to risks associated with the automotive industry in particulars. The Company has in place a mechanism to identify, assess, monitor, and mitigate various risks to key business set for the Company. As a part of Risk Management policy, the relevant parameters for the protection of the environment, the safety of operations and the health of people at work are monitored regularly.

As a part of regular risk management assessment, the Company is actively pursuing opportunities for diversifying its business portfolio into non- automotive segment like consumer goods, off highway equipment's, industrial goods and oil & gas. The Company has been awarded with components from some of these segment's and is exploring many more opportunities.

The successful management of opportunities and risks is part of operating a business and is the primary task of all management personnel. During the regular management meetings at all management levels, opportunities, risks and optimization measures are reviewed in detail. Any exceptional situations having potential risks are identified and treated at the early stage to minimize their impact on financial and income positions.

23. Deposits:

The Company has not accepted any deposits under the provisions of Section 73 of the Companies Act, 2013 read with Companies (Acceptance of Deposit) Rules, 2014 as amended from time to time, during the year under review and therefore details mentioned in Rule 8(5) (v) & (vi) of Companies (Accounts) Rules, 2014 relating to deposits, covered under Chapter V of the Act is not required to be given.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

FORWARD LOOKING STATEMENT

The report contains forward-looking statements, identified by words like 'plans', 'expects', 'will', 'anticipates', 'believes', 'intends', 'projects', 'estimates' and so on. All statements that address expectations or projections about the future, but not limited to the Company's strategy for growth, product development, market position, expenditures and financial results, are forward-looking statements. Since these are based on certain assumptions and expectations of future events, the Company cannot guarantee that these are accurate or will be realized. The Company's actual results, performance or achievements could thus differ from those projected in any forward-looking statements. The Company assumes no responsibility to publicly amend, modify or revise any such statements on the basis of subsequent developments, information or events. The Company disclaims any obligation to update these forward-looking statements, except as may be required by law.

GLOBAL ECONOMY OVERVIEW

2021 has been another difficult year owing to the continuing and pervasive impact of COVID-19, especially with the advent of new variants causing increased uncertainties. The year was also marked by supply side disruptions and the onset of a super cycle of commodity price increases. Global growth is expected to moderate from 5.9 in 2021 to 4.4 percent in 2022—half a percentage point lower for 2022 than in the October World Economic Outlook (WEO). A tentative recovery in 2021 has been followed by increasingly gloomy developments in 2022 as risks began to materialize. Global output contracted in the second quarter of this year, owing to downturns in China and Russia, while US consumer spending undershot expectations. Several shocks have hit a world economy already weakened by the pandemic: higher-than-expected inflation worldwide—especially in the United States and major European economies—triggering tighter financial conditions; a worse-than-anticipated slowdown in China, reflecting COVID-19 outbreaks and lockdowns; and further negative spillovers from the war in Ukraine. The risks to the outlook are overwhelmingly tilted to the downside. The war in Ukraine could lead to a sudden stop of European gas imports from Russia; inflation could be harder to bring down than anticipated either if labor markets are tighter than expected or inflation expectations unanchor; tighter global financial conditions could induce debt distress in emerging market and developing economies. (Source: <https://www.imf.org/en/Publications/WEO/Issues/2022/07/26/world-economic-outlook-update-july-2022>).

S&P Global Mobility (formerly the automotive team at IHS markit) has projected that the shortage hindering global vehicle production is poised to persist into 2022 before the supply chain demand catches up with demand in 2023. As a result, it has downgraded the global light vehicle production forecast for 2022 and 2023 by 2.6 million units for both the years. The escalation in the geo-political tension has also led to increased financial volatility. Central banks proposed an array of measures to ensure credit was available to businesses and individuals.

Despite the impact of the pandemic, the unprecedented collective policy efforts by governments and central banks, paired with the resilience and innovations of private enterprises, have helped minimize lasting economic and physical damage across the world. While the direction of crisis between European countries remains uncertain, its impact on the global economy will remain. Moreover, largescale vaccination drives around the world, coupled with accommodative policy measures, boosted economic recovery.

INDIAN ECONOMY OVERVIEW

India has emerged as the fastest-growing major economy in the world and is expected to be one of the top three economic powers globally over the next 10-15 years, backed by its robust democracy and strong partnerships. The Indian economy has fully recovered to the pre-pandemic real GDP level of 2019-20, according to the provisional estimates of GDP released on May 31, 2022. Real GDP growth in FY 2021-22 stands at 8.7%, which is 1.5% higher than the real GDP in FY 2019-20. (Source: <https://www.ibef.org/economy/indian-economy-overview>). These figures are associated with stronger growth momentum, indicating increased economic demand. The investment rate in the fourth quarter increased to its highest level in the previous nine quarters. Moreover, capacity utilisation in the manufacturing sector rose in the fourth quarter, as against the third quarter, implying a build-up in demand, which is consistent with the growth objectives of the Indian economy.

India is primarily a domestic demand-driven economy, with consumption and investments contributing 70% to the country's economic activity. With the economic scenario improving on recovering from the COVID-19 pandemic shock, several investments and developments have been made across various sectors of the economy. According to World Bank, India must continue to prioritise lowering inequality while also launching growth-oriented policies to boost the economy. In view of this, the country witnessed many developments in the recent past, some of which are mentioned below.

- As of July 15, 2022, India's foreign exchange reserves reached US\$ 572.71 billion.
- Private equity-venture capital (PE-VC) sector investments stood at US\$ 34.1 billion, up 28% YoY, across 711 deals through January-June 2022.
- India's merchandise exports stood at US\$ 676.2 billion in FY22. In June 2022, India's merchandise exports stood at US\$ 37.9 billion, recording the highest ever exports in June 2022.
- PMI Services was at 58.9 in May 2022 compared to 57.9 in April 2022.
- According to the Department for Promotion of Industry and Internal Trade (DPIIT), FDI equity inflow in India stood at US\$ 588.53 billion between April 2000-March 2022.
- In May 2022, the Index of Industrial Production (IIP) stood at 137.7 driven by mining, manufacturing and electricity sectors.
- Consumer Price Index (CPI) inflation stood at 7.01% in June 2022 compared to 7.04% in May 2022.
- In July 2022 (until 21 July 2022), Foreign Portfolio Investment (FPI) outflows stood at Rs. 228,862 crore (US\$ 28.65 billion)

Over the years, the Indian government has introduced many initiatives to strengthen the nation's economy. The government has been effective in developing policies and programmes that are not only beneficial for citizens to improve their financial stability but also for the overall growth of the economy. Over the recent decade, India's rapid economic growth has led to a substantial increase in demand for exports. Moreover, many of the government's flagship programmes, including Make in India, Atmanirbhar Bharat, Start-up India, Digital India, the Smart City Mission and the Atal Mission for Rejuvenation and Urban Transformation, are aimed at creating immense opportunities in India. (Source: <https://www.ibef.org/economy/indian-economy-overview>)

Recent Government measures on controlling inflationary pressure: Tense geopolitical situation and the consequent elevated commodity and global food prices are imparting considerable uncertainty to domestic inflation outlook and hence RBI in June 2022 has revised inflation projection upwards by 100 bps to 6.7% in FY23 from 5.7% estimated earlier in April 2022. Recent fiscal measures like ban on domestic wheat exports, reduction in excise duty on petrol and diesel and lifting ban on edible oil by global suppliers will help in offsetting some inflationary risk. To control the surge in inflation which are beyond the comfort zone of RBI, the stance of RBI is now focused on withdrawal of accommodative policy. In line with the shift in priority to control inflation overgrowth RBI has increased the policy rates.

AUTOMOBILE SECTOR INDUSTRY

The Indian automotive industry is one of the key drivers of economic growth in India and contributes ~71% of the GDP. India enjoys a strong position in the global heavy vehicles market as it is the largest tractor producer, second-largest bus manufacturer, and third-largest heavy trucks manufacturer in the world. Due to its deep integration with other industrial sectors, it is a major driver of exports and employment. The India passenger car market was valued at US\$ 32.70 billion in 2021, and it is expected to reach a value of US\$ 54.84 billion by 2027, while registering a CAGR of over 9% between 2022-27. India could be a leader in shared mobility by 2030, providing opportunities for electric and autonomous vehicles. In September 2021, the Indian government issued notification regarding a PLI scheme for automobile and auto components worth Rs. 25,938 crore (US\$ 3.49 billion). This scheme is expected to bring investments of over Rs. 42,500 (US\$ 5.74 billion) by 2026, and create 7.5 lakh jobs in India. In February 2022, 20 carmakers, including Tata Motors Ltd, Suzuki Motor Gujarat, Mahindra and Mahindra, Hyundai and Kia India Pvt. Ltd, were chosen to receive production-linked incentives (PLI) as part of the government's plan to increase local vehicle manufacturing and attract new investment. The 20 automobile companies have proposed a total investment of around Rs. 45,000 crore (US\$ 5.95 billion).

The Government of India encourages foreign investment in the automobile sector and has allowed 100% FDI under the automatic route.

Some of the recent initiatives taken by the Government of India are:

- In February 2022, Mr. Nitin Gadkari, Minister of Road Transport and Highways, revealed plans to roll out Bharat NCAP, India's own vehicle safety assessment program.
- In the Union Budget 2022-23, the government laid out the following initiatives:
 - o The government introduced a battery-swapping policy, which will allow drained batteries to be swapped with charged ones at designated charging stations, thus making EV's more viable for potential customers.
 - o India's National Highways would be expanded by 25,000 km in 2022-23 under the Prime Minister's Gati Shakti Plan.
- In November 2021, the Union Government added >100 advanced technologies, including alternate fuel systems such as compressed natural gas (CNG), Bharat Stage VI compliant flex fuel engines, electronic control units (ECU) for safety, advanced driver assist systems and e-quadracycles, under the PLI scheme for automobiles.
- In September 2021, Minister of Road Transport and Highways, Mr. Nitin Gadkari, announced that government is planning to make it mandatory for car manufacturers to produce flex-fuel engines after getting the required permissions from the Supreme Court of India.
- In September 2021, the Indian government issued notification regarding a PLI scheme for automobile and auto components worth Rs. 25,938 crore (US\$ 3.49 billion).
- In August 2021, Prime Minister Mr. Narendra Modi launched the Vehicle Scrappage Policy, which aims to phase out old polluting vehicles in an environmentally safe manner.

(Source: <https://www.ibef.org/industry/india-automobiles>)

AUTO COMPONENTS INDUSTRY

The Indian auto-components industry has experienced healthy growth over the last few years. The auto-components industry expanded by a CAGR of 3.28% from FY16 to FY20 to reach US\$ 45.90 billion in FY21. The industry is expected to reach US\$ 200

caters to original equipment manufacturers (OEMs) and consist of high-value precision instruments while the unorganised sector comprises low-valued products and caters mostly to the aftermarket category. Strong international demand and resurgence in the local original equipment and aftermarket segments are predicted to help the Indian auto component industry grow by 20-23% in FY22. The Government of India's Automotive Mission Plan (AMP) 2006-2026 has come a long way in ensuring growth for the sector. Indian Automobile industry is expected to achieve a turnover of US\$ 300 billion by 2026 and will grow at a CAGR of 15% from its current revenue of US\$ 74 billion. The Indian auto-components industry is set to become the third largest in the world by 2025. Indian auto-component makers are well positioned to benefit from the globalisation of the sector as export potential could be increased by up to US\$ 30 billion by 2021E.

(Source: <https://www.ibef.org/industry/autocomponents-india>)

COMPANY AND PERFORMANCE OVERVIEW:

This year was full of challenges and new learnings for the Company, mainly due to COVID-19 second wave which affected the industry in Q1 FY22 in the month of May-2021 and first two weeks of June-2021, where mostly all the customers announced the shut down due to COVID-19 and secondly restriction on the use of industrial oxygen during the period by the government which negatively impacted the sales for the Q1FY22. Further, company also suffered loss of revenue during Q2FY 22 due to the global shortages of the semi conductor chips which disturbed the production at the customer level thereby adversely impacting schedules of the Company during Q2FY22. In spite of these challenging times, the company was able to register above market growth due to approval of the various new programs during the year.

The Company successfully developed and implemented gear rolling technology during the year. Your Company takes pride in mentioning that the Company is first mover of this technology in India and has successfully started supplies to one of the leading auto OEM.

During the period, your Company focused hard on cost optimization, employees training across all functions including the shop floor, a heightened focus on customers & new product development, converting fixed cost into variable cost and various cost restructuring exercise were carried out by your Company.

In the Financial year 2021-22, your Company has recorded net sales of Rs. 598.88 million as against Rs. 471.99 million in the previous year and thereby recorded an increase of 26.89% in net sales. For the financial year 2021-2022, the Company incurred a loss before tax of Rs. 45.57 million as against the loss of Rs. 61.92 million for the previous financial year. This was mainly due to the underutilization of the capacities due to lower volumes due to second wave of the pandemic combined with the supply chain issues of semi conductor chip shortages during the Q2FY22. The loss would have been higher but for the various costs saving initiatives taken by the Company during the previous year.

OPPORTUNITIES AND THREATS:

a) Opportunities

- Increasing demand for sintered products in non-automotive segment (industrial goods, consumer goods) to open new opportunities for the company products.
- Increasing demand for lightweight sintered components in vehicles to meet CAFÉ II standards
- De-risking of global supply chain from one geographical country to multiple countries could open further opportunities in Global market.

b) Threats

- Tense geopolitical situation and the consequent elevated commodity and global food prices can have adverse impact on the margins in short term.
- An ensuing negative consumer sentiment due to higher inflation could moderate spending thus reducing the demand.
- Increase in borrowing cost and Inflation in prices has led to the increase in the cost of production of vehicles which may further increase the cost of vehicles, result in demand slow down and erosion in margins.

RISKS AND CONCERNS:

In accordance with the SEBI Listing Regulations, the Board of Directors of the Company is responsible for framing, implementing and monitoring the risk management plans of the Company. The Company does identify risks associated with the Company, assess its impact and take appropriate corrective steps to minimize the risks that may threaten the existence of the Company from time to time.

Annual risk assessment exercise is conducted in line with the framework, existing risks, their mitigation actions are evaluated and new risks are identified. The Audit Committee has additional oversight over financial risks and controls. During the year under review, the Directors reviewed the potential impact of COVID-19 on the Company's critical areas like health & safety, customer, supplier, manufacturing, liquidity risk, etc. It also reviewed the mitigating factor and action initiated by the management to minimize the impact on the Company.

Risk Mitigation

To mitigate various risks significant to its business, your Company took several strategic initiatives during the year, such as:

- Putting in place monitoring and control mechanism to ensure availability of critical resources like manpower, material and power
- Focused on manufacturing cost reduction
- Diversification of business portfolio into non-automotive segments like industrial goods, consumer goods.
- Formation of a special task force to develop alternative sources for its critical supplies

These initiatives have helped minimize the impact of uncertainties and helped the Company achieve its planned business objectives during the year.

SEGMENT WISE OR PRODUCT WISE PERFORMANCE

The Company works only in one segment i.e. manufacturing of sintered auto components.

IN ACCORDANCE WITH THE SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) (AMENDMENT) REGULATIONS, 2018, THE COMPANY IS REQUIRED TO GIVE DETAILS OF SIGNIFICANT CHANGES (CHANGE OF 25% OR MORE AS COMPARED TO THE IMMEDIATELY PREVIOUS FINANCIAL YEAR) IN KEY FINANCIAL RATIOS

Sr. No.	Particulars	Basis	Year Ended		Variance %
			March 31, 2022	March 31, 2021	
1	Current ratio	Current Assets/Current Liabilities	1.29	1.50	-14%
2	Debt - Equity ratio	Total Debt/Equity	0.27	0.23	19%
3	Debt Service coverage ratio	Earnings for Debt Service*/Debt Service	0.66	0.38	74%
4	Return on Equity ratio	Profit after tax/Shareholders Equity	-0.04	-0.05	-15%
5	Inventory Turnover ratio	Costs of Goods Sold**/Average Inventory	3.83	3.70	4%
6	Trade Receivables turnover ratio	Revenue from Operations/Average Trade Receivables	2.24	1.91	17%
7	Trade Payables Turnover	Costs of Goods Sold**/Average Trade Payables	3.36	2.97	13%
8	Net Capital Turnover	Revenue from Operations/Working Capital#	4.50	2.60	73%
9	Net Profit/(loss) Margin	Net Profit/(loss) after tax/Revenue from operations	-6.41%	-9.97%	-36%
10	Return in Capital Employed	Earnings before Interest and Tax##/ Capital Employed\$	4.60%	3.27%	41%

*Earnings for Debt Service = Earnings before finance costs, depreciation and amortization, exceptional items and tax (EBIDTA)/ (Finance cost for the year + Principal repayment of long-term debt liabilities.)

**Cost of Good sold = Cost of materials consumed + Changes in inventories of finished goods, stock-intrade, work-in-progress + Manufacturing and operating expenses

#Working Capital = Current Assets - Current Liabilities

##Earnings before Interest and Tax = Profit after exceptional item and before tax + Finance costs (recognized)

\$Capital Employed = Average of equity and total borrowings

Details of significant changes are as below -

- Debt Service coverage ratio (times):** Increase in the ratio by 74% is mainly on account of increase in EBIDTA margin in current year FY 21-22 and reduction in finance charges, as compared to previous year
- Net Capital Turnover (times):** Increase in the ratio by 73% is mainly on account of increase in net sales during the year and lower net working capital due to increase in the current liabilities, as compared to previous year.
- Net Profit/(Loss) Margin (%):** Decrease by 36% in the current year due to improvement in profitability which in the previous year was affected mainly due to Covid-19 pandemic.
- Return on Capital employed (%):** Increase in the ratio is on account of the increase in the EBITDA margin during the current year FY21-22 as compared to the previous year.

MATERIAL DEVELOPMENTS IN HUMAN RESOURCES/INDUSTRIAL RELATIONS FRONT, INCLUDING NUMBER OF PEOPLE EMPLOYED:

The Company believes and recognizes that its employees are important resource in its growth and to give competitive advantage in the present business scenario. Ensuring business operations, employee safety and welfare became the foremost concerns for the Company.

During the year under review, while the pandemic posed several challenges, the company ensured to keep the safety and the wellbeing of its employees as its topmost priorities. Even in the work-from-home scenario, the company took appropriate measures by making human resource management more technology driven to seamlessly carry out virtual working experience. The Company has total 80 employees as on March 31, 2022. The company continued with its focus on an efficiently recruiting employees with the right talent and groom them to build a strong leadership pipeline. The diversity and inclusiveness in the workforce remained a strong fundamental to the company, in line with it the company continued to bring in more women employees at senior roles. The Company has well-thought-out and employee-friendly HR policies which it has led to a positive working relationship with its employees.

The Company has not had any work stoppages or cessations owing to labour disputes. The Company continues to lay great emphasis on Safety and Security. To ensure adherence to safety protocols, the company follows stringent procedures to safeguard and protect its workforce. The company also keeps prescribing policies and procedures while imparting training to its workforce. It has a system in place that promotes a positive work environment free of all forms of harassment.

Internal Control Systems and their Adequacy

The Company's internal control systems are commensurate with the nature of its business and the size and complexity of its operations. Given the changing needs, the Company has deepened the focus on the function and enhanced the scope of the internal audit department and included areas establishing corporate governance policy, internal control framework, conducting internal audits, management audits, IT audits, drafting and implementing policies and procedures, complying with environmental laws, reviewing and reporting of statutory compliances

DISCLOSURE OF ACCOUNTING TREATMENT

The Company has followed all the treatments in the Financial Statements as per the prescribed Accounting Standards.

Note:

For sake of brevity the items covered in Board's Report are not repeated in the Management Discussion and Analysis Report.

Cautionary Statement:

Certain Statements in the Management Discussion and Analysis describing the company's objectives, projections, estimates and expectation or predictions may be forward looking statements within the meaning of applicable laws and regulations. It cannot be guaranteed that these assumptions and expectations are accurate or will be realized. Actual results could differ from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting demand/supply and price conditions in the domestic markets, changes in the Government Regulations, tax laws and other statutes and incidental factors.

ANNEXURE II

CORPORATE GOVERNANCE REPORT

1. PHILOSOPHY ON CODE OF GOVERNANCE:

Sintercom believes that effective Corporate Governance Practices constitute a strong foundation on which successful commercial enterprises are built to last. Company's philosophy on corporate governance oversees business strategies and ensures fiscal accountability, ethical corporate behavior and fairness to all the stakeholders comprising of regulators, employees, customers, vendors, investors and the society at large.

Our corporate governance practices reflect our value system. Corporate Governance establishes procedures and systems to be fully compliant with the statutory requirements. Periodic review of the procedures and systems are done in order to ensure continued relevance, effectiveness and responsiveness to the needs of the Shareholders.

The Company discloses information regarding its financial position, performance and other vital matters with transparency, fairness and accountability on a timely basis.

2. BOARD OF DIRECTORS

The Board meets at regular intervals to discuss and decide on strategies, policies and reviews the financial performance of the Company.

Annual Calendar: The meetings of the Board & Committees are pre-scheduled. A tentative annual calendar of the meetings is circulated to the Directors well in advance to facilitate them to plan their schedules.

Meetings at shorter notice & Circular Resolutions: In case of business exigencies, the Board's approval is taken either by holding meetings at shorter notice or through circular resolutions, which are noted at the subsequent meeting of the Board and/or Committees.

Information placed / provided:

Following information is provided to the Board (including Committees thereof), adequately in advance, of its Meetings, as per regulatory timelines, to enable them to take well informed decisions:

- a) The notice and detailed agenda along with relevant explanatory notes;
- b) Material information, to the extent applicable and relevant;
- c) Presentations on various functional and operational areas of the Company and other business development activities as well as on major projects, financial highlights, etc.

Any information which involves unpublished price sensitive information and in exceptional cases, certain additional matters are tabled at the meeting with the approval of the Chairperson and the Board, more particularly the Independent Directors. Code of Conduct for Directors and Senior Management Personnel

All Directors and members of the Senior Management have affirmed their compliance with the Code of Conduct for Board of Directors and Senior Management Personnel (SMP) as on 31st March, 2022 and a declaration to that effect, signed by the Managing Director & CEO is enclosed and forms part of this report. The Code of Conduct for Board of Directors and SMP has also been posted on the website of the Company at <https://sintercom.co.in/wp-content/uploads/2022/02/Code-of-conduct-for-board-members-and-senior-management-personnel.pdf>

3. COMMITTEES OF THE BOARD

The constitution, terms of reference and the functioning of the existing Committees of the Board is explained below. Each of these Committees demonstrates the highest levels of integrity and has the requisite expertise to handle issues relevant to their field.

A. Audit Committee

The Company has constituted Audit committee in line with provisions of Regulation 18 of the Securities and Exchange Board of India(Listing Obligations and Disclosure Requirements) Regulations, 2015 ("Listing Regulations") and Section 177 of the Companies Act, 2013.

The Audit Committee assists the Board in discharging of its responsibility to oversee the quality and integrity of the accounting, auditing and reporting practices of the Company and its compliance with the legal and regulatory requirements. The Committee's purpose is to oversee the accounting and financial reporting statements, the appointment, independence, performance and remuneration of the Statutory Auditors, the performance of Internal Auditors of the Company.

All the members of the Audit Committee possess accounting, economic, legal and financial management expertise.

Meetings

During the financial year ended 31st March, 2022, 5 (five) audit committee meetings were held on 27th May, 2021, 10th August, 2021, 12th November 2021, 11th February 2022 and 30th March, 2022 respectively.

The Annual General Meeting (AGM) held Thursday, 23rd September, 2021, however Chairperson of audit committee Mr. Madan Godse was not able to attend the AGM due to personal emergency, however member of Audit Committee Ms. Madhavi Pandrangi was present in AGM, to answer shareholders' queries, if any.

The meetings of the Audit Committee are also attended by the Managing Director, Independent Directors, Chief Financial Officer, Statutory Auditors and Internal Auditor.

The Company Secretary acts as the Secretary to the Audit Committee.

The composition and attendance of the Committee meetings are as follows:

Name of Director	Status in Committee	Meeting held	Meeting attended
Ms. Madhavi Pandrangi (Independent Director)	Chairperson	5	5
Mr. Jignesh Raval (Managing Director)	Member	5	5
Mr. Madan Godse (Independent Director)	Member	5	5

Mr. Madan Godse, who was the Chairperson of the Audit Committee at the beginning of the financial year, expressed his desire to step down from the Chairpersonship in the meeting of the Audit Committee held on 12th November, 2021 and recommended the name of Ms. Madhavi Pandrangi for the post of Chairperson of the Audit Committee.

The same was unanimously approved by the Board of Directors of your company in the meeting held on 12th November, 2021.

The primary role/ responsibility of the Audit Committee:

- Oversight of the Company's financial reporting process and the disclosure of its financial information to ensure that the financial statement is correct, sufficient and credible;
- Recommendation for appointment, remuneration and terms of appointment of Auditors of the Company;
- Approval of payment of remuneration to Statutory Auditors for any other services rendered by the Statutory Auditors;
- Reviewing, with the management, the Annual Financial Statements and Auditor's Report thereon before submission to the Board for approval; and
- Reviewing, with the management, the quarterly Financial Statements before submission to the Board for approval/ the statement of uses/application of funds raised through an issue/ Approval or any subsequent modification of transactions of the Company with related parties.

The role/terms of reference of the Audit Committee are in conformity with the SEBI Listing Regulations read in conjunction with Section 177 of the Companies Act, 2013.

B. Nomination & Remuneration Committee

The Company has constituted Nomination and Remuneration committee in line with the provisions of Regulation 19 of the Listing Regulations and Section 178 of the Act.

Meetings

During the financial year ended 31st March, 2022, two (2) nomination & remuneration committee meetings were held on 26th May, 2021 and 28th July, 2021 respectively.

The Annual General Meeting (AGM) held on Thursday, 23rd September, 2021 was attended by the Chairperson of the Committee, Mr. Dara Kalyaniwala, to answer shareholders' queries, if any.

The Company Secretary acts as the Secretary to the Nomination & Remuneration Committee.

The composition and attendance of the Committee meetings are as follows:

Name of Director	Status in Committee	Meeting held	Meeting attended
Mr. Dara Kalyaniwala (Independent Director)	Chairperson	2	2
Mr. Madan Godse (Independent Director)	Member	2	2
Mr. Hari Nair* (Non-Executive Director)	Member	2	2
Mr. Bernd Badeurek** (Non-Executive Director)	Member	2	0

**Mr. Hari Nair expressed his desire to resign from the membership of Nomination and Remuneration Committee in the meeting of Board of Directors held on 30th March, 2022 citing personal reasons. The Board took note of the same and accepted his resignation with a vote of appreciation for his service.*

*** Mr. Bernd Badurek was appointed as member of Nomination & Remuneration Committee w.e.f. 12th November, 2021. The Board believes that his expertise will help your company in meeting the global standards of remuneration.*

The primary role/ responsibilities of the Nomination and Remuneration Committee are:-

- a) To formulate the criteria for determining qualifications, positive attributes and independence of a Director and recommend to the Board a remuneration policy, for the Directors, Key Managerial Personnel and other employees;
- b) To identify qualified persons to become Directors and Senior Management in accordance with the criteria laid down, recommend to the Board their appointment and removal and to carry out evaluation of every Director's performance;
- c) To extend or continue the term of appointment of the Independent Director based on the performance report of Independent Director;
- d) To formulate a criteria for evaluation of performance of the Independent Directors and Board of Directors; and
- e) To device a policy on diversity of Board of Directors.

Performance Evaluation Criteria for Directors

The Nomination and Remuneration Committee has devised criteria for evaluation of the performance of the Directors including Independent Directors. The said criteria provide certain parameters like attendance, acquaintance with business, communicate inter se with board members, effective participation, compliance with Code of Conduct etc. which is compliance with applicable laws, regulations and guidelines.

Policy on Director's appointment and remuneration

The Nomination and Remuneration Policy of the Company has been formulated in accordance with the Act and Listing Regulations. The Policy is designed to guide the Board in relation to appointment, removal of Directors, Key Managerial Personnel and Senior Management and recommend to the Board on remuneration payable to them. Policy enables the Company to retain, motivate and promote talent and to ensure long term sustainability of talented managerial persons and create competitive advantage.

The current policy along with the terms of reference of the committee is available on Company's website: <https://sintercom.co.in/wp-content/uploads/2022/06/Nomination-and-Remuneration-Policy.pdf>

Remuneration of Directors

Details of Remuneration paid/payable to the Directors for the year ended 31st March, 2022, are as follows:

Name of Director	Salary & Performance Bonus	Perquisites & Other benefits	Sitting Fees	Total
Executive Director				
Mr. Jignesh Raval	12,796,714	1,893,414	-	14,690,128
Non-Executive Directors				
Mr. Hari Nair	-	-	-	-
Mr. Bernd Badurek*	-	-	-	-
Mr. Madan Godse	-	-	300,000	300,000
Mr. Dara Kalyaniwala	-	-	200,000	200,000
Ms. Madhavi Pandrangi	-	-	300,000	300,000

The sitting fee paid to the Non-executive Directors is towards attending the Board, Audit Committee meetings, Nomination & Remuneration Committee Meeting, Corporate Social Responsibility Committee and Stakeholder Relationship Committee Meeting held during the year.

* Mr. Harald Neubert resigned from the position of Non-Executive Director on 27th May, 2021 due to personal reason.

* Mr. Bernd Badurek appointed as Non-Executive Non-Independent Director w.e.f. 27th May, 2021

Note:

The Executive Directors of the Company have been appointed on a contractual basis. According to the contract, the notice period is three months.

Payment of remuneration to the Executive Directors of the Company is governed by the terms and conditions of their appointment as recommended by the Nomination and Remuneration Committee and approved by the Board, subject to the approval of the Shareholders.

The remunerations to Executive Director are additionally evaluated against the Key Performance Indicators (hereinafter referred as 'KPIs') set at the beginning of the financial year, which, inter alia, includes both long-term and short-term financial performance parameters including inter-alia performance targets on revenue, EBITDA, PAT, cost reduction, market share, economy, etc.

The Company has adopted Compensation Policy for performance evaluation: <https://sintercom.co.in/wp-content/uploads/2022/06/Compensation-Policy-for-KMP.pdf>

Non-Executive/Independent Directors of the Company receive remuneration by way of fees for attending meetings of the Board or Committee thereof as approved by the Board from time to time within the prescribed limits.

Shareholding of Non-executive Directors

Name of Director	No. of Shares held as on 31st March, 2022
Mr. Dara Kalyaniwala	2000 Shares

Apart from the above, there was no pecuniary relationship or transactions between the Company and Non-executive Directors.

The performance criteria for the payment of remuneration to the Directors are in line with the Nomination and Remuneration Policy of the Company.

Board Membership Criteria and list of core skills/ expertise/ competencies identified in the context of the business:

Areas of Expertise required	Description
Leadership	Extended leadership experience for a significant enterprise, resulting in a practical understanding of organizations, processes, strategic planning, and risk management. Demonstrated strengths in developing talent, planning succession, and driving change and long-term growth

Mr. Dara Kalyaniwala	✓	✓		✓	✓	
Mr. Madan Godse	✓	✓		✓	✓	
Ms. Madhavi Pandrangi	✓	✓		✓	✓	

C. Stakeholders Relationship Committee

The Company has constituted Stakeholder's relationship committee in line with the provisions of Regulation 20 of the Listing Regulations and Section 178 of the Act.

Meetings

During the financial year ended 31st March, 2022, one (1) stakeholder relationship committee meeting was held on 23rd March, 2022.

The Annual General Meeting (AGM) held on Thursday, 23rd September 2021 was attended by the Chairperson of the Committee, Mr. Hari Nair, to answer shareholders' queries, if any.

The Company Secretary & Compliance Officer Ms. Anuja Joshi acts as the Secretary to the Stakeholder's relationship committee.

The composition and attendance of the Committee meetings are as follows:

Name of Director	Status in Committee	Meeting held	Meeting attended
Mr. Hari Nair (Non-executive Director)	Chairperson	1	1
Mr. Jignesh Raval (Managing Director)	Member	1	1
Mr. Dara Kalyaniwala (Independent Director)	Member	1	1

The terms of reference of the Stakeholders Relationship Committee includes, inter alia, the following:

- Resolving grievances of security holders of the Company including complaints related to transfer/transmission of shares, non-receipt of the annual report, non-receipt of declared dividends, issue of new/duplicate certificates, general meetings, etc;
- Review of measures taken for the effective exercise of voting rights by shareholders;
- Review of adherence to service standards adopted by the Company in respect of various services being rendered by R&TA;
- Review of the various measures and initiatives taken by the Company for reducing the quantum of unclaimed dividends and ensuring timely receipt of dividend warrants/annual reports/statutory notices by the Shareholders of the Company.

Investor Grievance Redressal Mechanism

During the financial year ended 31st March, 2022, the Company has received **NIL** complaints from shareholders:

Number of complaints pending at the beginning of the financial year 2021-22	NIL
Number of complaints received during the financial year 2021-22	NIL
Number of complaints redressed during the financial year 2021-22	NIL
Number of complaints pending redressal at the end of the financial year 2021-22	NIL
Number of complaints not solved to the satisfaction of shareholders at the end of the financial year 2021-22	NIL
Number of pending share transfers as at March 31, 2022	NIL

D. Risk Management Committee:

Your Company does not fall under top 1000 listed entities as per Market Capitalization. Hence, requirements as mentioned under Regulation 21 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 is not applicable to the Company.

As on 31st March, 2022, our Company ranked 1333rd as per Market Capitalization on the Main Board of the National Stock Exchange of India Limited.

E. Corporate Social Responsibility Committee

The Company has constituted Corporate Social Responsibility Committee in line with the provisions of Section 135 of the Act.

The composition and attendance of the Committee meetings are as follows:

Name of Director	Status in Committee	Meeting held	Meeting attended
Ms. Madhavi Pandrangi (Independent Director)	Chairperson	2	2
Mr. Jignesh Raval (Managing Director)	Member	2	2
Mr. Hari Nair (Non-Executive Director)	Member	2	2
Mr. Bernd Badurek* (Non-Executive Director)	Member	2	0

* Mr. Bernd Badurek was appointed as member of Corporate Social Responsibility Committee w.e.f. 12th November, 2021.

The Corporate Social Responsibility (CSR) Committee is responsible for:

- (i) Formulating the CSR Policy and proposing revisions as and when required subject to the approval of the Board of Directors;
- (ii) Recommending CSR projects in appropriation with the thematic areas in pursuance and as specified in Schedule VII and investments to be incurred thereof;
- (iii) Identifying and recommending CSR project life cycle management process including identification and recommendation of appropriate implementation agency, as applicable;
- (iv) Institutionalizing transparent and effective monitoring mechanism;
- (v) Monitor progress of the CSR projects on a regular basis;
- (vi) Identify the need and review outcomes of such impact assessment studies;
- (vii) Formulate, recommend and modify/ alter whenever necessary, the Annual Action Plan;
- (viii) Report to the Board, the status of CSR activities and contributions made etc.; and
- (ix) Any other activity(ies)/functions, as may be assigned by the Board.

The CSR Policy is available on Company's website <https://sintercom.co.in/wp-content/uploads/2022/02/CSR-Policy.pdf>

F. Independent Directors and Meeting of Independent Directors

Independent Directors play a significant role in the governance processes of the Board by enriching the Board's decision making and also preventing possible conflicts of interest that may emerge in such decision making. The terms and conditions of appointment of the Independent Directors are disclosed on the website of the Company: <https://sintercom.co.in/wp-content/uploads/2022/02/Terms-and-conditions-for-appointment-as-an-Independent-Director-of-Sintercom-India-Limited.pdf>

The Company has appointed Independent Directors as per the requirements of the Companies Act, 2013 ("Act") and Securities & Exchange Board of India (Listing Obligations & Disclosure Requirements) Regulations, 2015, (hereinafter referred to as "SEBI Listing Regulations).

None of the existing Independent Directors serves as Independent Director in more than seven listed companies in line with the requirements of SEBI Listing Regulations. The said Independent Directors have also confirmed that they meet the criteria of independence as laid down in the Act and SEBI Listing Regulations, as amended and they are not aware of any circumstance or situation, which exist or may be reasonably anticipated, that could impair or impact their ability to discharge their duties with an objective independent judgment and without any external influence. In the opinion of the Board, the Independent Directors fulfill the conditions specified in the SEBI Listing Regulations and are independent of management.

In compliance with rule 6(1) of the Companies (Appointment and Qualification of Directors) Rules, 2014, the Independent Directors have also registered themselves on the independent director's data bank maintained by the Indian Institute of Corporate Affairs.

During the year under review, the Independent Directors met once on 18th February, 2022, inter alia, to discuss:

- 1) Evaluation of the performance of Non-independent Directors and the Board of Directors as a whole.
- 2) Evaluation of the performance of the Chairperson of the Company, taking into account the views of the Executive and Non-executive Directors;
- 3) Assess the quality, quantity and timeliness of flow of information between the company management and the Board that is necessary for the Board to effectively and reasonably perform their duties.

All the Independent Directors were present at the said meeting.

Familiarization Programs:

The Company regularly provides orientation and business overview to its directors by way of detailed presentations by the various business and functional heads at Board meetings and through other interactive programs. Such meetings/programs include briefings on the domestic and global business of the Company. Besides this, the Directors are regularly updated about Company's new projects, R&D initiatives, changes in the regulatory environment and strategic direction.

The Board members are also provided relevant documents, reports and internal policies to facilitate familiarization with the Company's procedures and practices, from time to time.

The details of programs for familiarization for Independent Directors are posted on the website of the Company and can be accessed at <https://sintercom.co.in/wp-content/uploads/2022/06/Details-of-Familisation-program.pdf>

Postal Ballot and Extra Ordinary General Meeting

During the year under review, no resolution was passed through postal ballot and as on the date of this report no special resolution is proposed to be conducted through postal ballot.

During the year under review, there was no extraordinary general meeting conducted.

5. DISCLOSURES

A) Related-Party Transactions

All transactions entered with the related parties during the financial year ended 31st March, 2022 were in the ordinary course of business and on an arm's length basis and without any conflict of interest in accordance with the provisions of the Companies Act, 2013 and SEBI Listing Regulations.

Moreover, there were no materially significant related party transactions entered into by the Company with promoters, directors, key managerial personnel or other persons which may have a potential conflict with the interest of the Company. Suitable disclosures as prescribed under the applicable Accounting Standard have been made in the notes to the Financial Statements.

The policy for related party transactions has been uploaded on the Company's website. In the meeting held on 30th March, 2022, the Company has revised its related Transactions Policy. The web-link is <https://sintercom.co.in/wp-content/uploads/2022/06/Related-Party-Transactions-Policy.pdf>

B) Details of non-compliance by the Company, penalties, strictures imposed on the Company by the stock exchanges or SEBI or any statutory authority on any matter related to capital markets during the last three years.

There was no such instance of non-compliance during the last three years.

C) Whistle-Blower Policy/Vigil Mechanism

In accordance with the provisions of the Companies Act, 2013, read with the Companies (Meeting of Board and its Powers) Rules, 2014 and SEBI Listing Regulations, every listed Company is required to have a vigil mechanism for the directors, employees and stakeholders to report their genuine concerns and grievances. Sintercom has a whistle-blower policy in place, and it is available on the Company's website. The Audit Committee of Directors is entrusted with the responsibility to oversee the vigil mechanism. During the year, no person was denied access to the Audit Committee.

The Whistle-Blower Policy can be seen on the Company's website under the following weblink <https://sintercom.co.in/wp-content/uploads/2022/02/Whistleblower-Policy.pdf>

D) Policy on Material Subsidiaries

In accordance with the requirements of Regulation 16(1) (c) of SEBI Listing Regulations, this is to inform that the Company does not have subsidiary.

E) As required under the provisions of the law, all other policies and disclosures are uploaded on the website of the Company at <https://sintercom.co.in>. Investors are encouraged to visit the Company's website to access such documents.

F) All mandatory requirements have been appropriately complied with and the non-mandatory requirements are dealt with at the end of the report.

G) Risk management:

The Company is the supplier of various automobile parts and is therefore exposed to risks associated with the automotive industry in particulars. The Company has in place a mechanism to identify, assess, monitor, and mitigate various risks to key business set for the Company. As a part of Risk Management policy, the relevant parameters for the protection of the environment, the safety of operations and the health of people at work are monitored regularly.

The successful management of opportunities and risks is part of operating a business and is the primary task of all management personnel. During the regular management meetings at all management levels, opportunities, risks and optimization measures are reviewed in detail. Any exceptional situations having potential risks are identified and treated at the early stage to minimize their impact on financial and income positions.

H) Commodity Price Risk/Foreign Exchange Risk and Hedging activities

Foreign currency risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rate. Company transacts business in its functional currency, INR and in different foreign currencies. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities, where revenue or expense is denominated in a foreign currency. As exposure to the foreign exchange risk is not significant, the Company has decided not to manage it separately.

I) CEO/MD and CFO Certification

The Managing Director and the Chief Financial Officer of the Company give annual certifications on financial reporting and internal controls to the Board in terms of Regulation 17 read with Part B of Schedule II of Listing Regulations. The said Certificate is annexed and forms part of the Annual Report. The Chairperson and Managing Director and the Chief Financial Officer also give quarterly certification on financial results, while placing the financial results before the Board in terms of Regulation 33(2) of the Listing Regulations, the same is annexed as **Annexure IX**

J) Certificate from Practicing Company Secretary

The Company has obtained a Certificate from the Practicing Company Secretary stating that none of the Directors on the Board of the Company have been debarred or disqualified from being appointed or continuing as Directors of Companies by Securities and Exchange Board of India, Ministry of Corporate Affairs or any such Authority, the same is annexed as **Annexure IX**

K) Code of Conduct

The Company has adopted a Code of Conduct ("the Code") for Directors and Senior Management of the Company and the same is available on the Company's website at the link <https://sintercom.co.in/wp-content/uploads/2022/02/Code-of-conduct-for-board-members-and-senior-management-personnel.pdf>

The Board members and Senior Management personnel have affirmed their compliance with the code. A declaration to this effect signed by the Managing Director of the Company is contained in this Annual Report.

L) Complaints pertaining to sexual harassment

In relation to Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, the Company has not received any complaints pertaining to sexual harassment during the financial year 2021-2022.

- a) number of complaints filed during the financial year : NIL
- b) number of complaints disposed of during the financial year: NIL
- c) number of complaints pending as on end of the financial year.: NIL

M) Details of total fees paid to Statutory Auditors

The total fees for all services paid by the Company to the Statutory Auditors is Rs.11,37,100/-

N) It is confirmed that the disclosures on corporate governance as required under Regulation 17 to 27 and Clause (b) to (i) of sub regulation (2) of Regulation 46 of the Listing Regulations have been adhered and complied with.

O) Procedure at Committee Meetings

The Company's guidelines relating to the Board meetings are applicable to the Committee meetings. The composition and terms of reference of all the Committees are in compliance with the Companies Act, 2013 and the Listing Regulations, as applicable.

During the year, all the recommendations made by the respective Committees were accepted by the Board. Minutes of the proceedings of Committee meetings are circulated to the respective Committee members and placed before the Board meetings for noting. The composition of all the Committees is given in this Report.

P) Utilisation of funds raised through issue of Preferential Issue of equity shares and Non- Convertible Debentures.

In the Financial year 2020-2021, the Company had issued and allotted the following securities to Miba Sinter Holding GmbH & Co KG ("Miba"), promoter of the Company, by way of preferential allotment:

- 1) 1,350,000 (One Million Three Hundred Fifty Thousand) equity shares ("Equity Shares") having a face value of Rs. 10 (Rupees Ten only) for the per-share price of Rs. 67/- (Rupees Sixty-Seven only) amounting to Rs. 90,450,000 (Rupees Ninety million four hundred fifty thousand only) ; and
- 2) 1,975,000 (One Million Nine Hundred Seventy-Five Thousand) 4% unsecured compulsorily convertible debentures ("CCDs") for the per CCD price of Rs. 67 (Rupees Sixty- Seven only) amounting to Rs. 132,325,000/- (One hundred thirty-two million three hundred twenty-five thousand only)

The funds raised by the Company through preferential allotment were for the purpose of working capital, towards repayment of certain borrowings and future investments. As on the date of the Board's report the funds are fully utilised by the Company.

The funds raised by the Company through preferential allotment were for working capital requirements and for acquisition of capital goods and machinery. Of the total proceeds, an amount equal to INR 90,000,000 (Indian Rupees Ninety Million only) is allocated towards the acquisition of capital goods & machinery by the Company"

(Amount in million)			
Mode	Object	Amount allocated	Amount utilised
Preferential issue of Equity shares and CCD's Issue	Working capital, and for acquisition of capital goods and machineries	Rs. 222.78	Rs. 222.78

As on the date of this report there has been no deviation in the use of proceeds of the Preferential Issue from the objects stated in the Offer document as per Regulation 32 of SEBI Listing Regulations.

The Audit committee and the Board is reviewing on quarterly basis the utilisation of funds raised from Preferential Issue and same is filed with the Stock Exchange on a quarterly basis.

ANNEXURE III

SECRETARIAL AUDIT REPORT

FORM NO. MR-3 SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31st March 2022

[Pursuant to section 204(1) of the Companies Act, 2013 and Rule 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

**To,
The Members,
Sintercom India Limited**

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Sintercom India Limited** (hereinafter called “the Company”). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of Sintercom India Limited's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, We hereby report that in our opinion, the Company has, during the audit period covering the financial year ended on 31st March, 2022 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2022 according to the provisions of:

- 1) The Companies Act, 2013 (the Act) and the rules made thereunder;
- 2) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- 3) The Depositories Act, 2018 and the Regulations and Bye-laws framed thereunder;
- 4) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- 5) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 1992;
 - c) The Securities and Exchange Board of India (Issue of Capital and Disclosure Requirements) Regulations, 2009;
 - d) The Securities and Exchange Board of India (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999; (Not Applicable)
 - e) The Securities and Exchange Board of India (Issue and Listing of Debt Securities) Regulations, 2008; (Not Applicable)
 - f) The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993 regarding the Companies Act and dealing with client;
 - g) The Securities and Exchange Board of India (Delisting of Equity Shares) Regulations, 2009; (Not Applicable)

- h) The Securities and Exchange Board of India (Buyback of Securities) Regulations, 1998; (Not Applicable) and;
- i) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

We have also examined compliance with the applicable clauses of the following:

- i) Secretarial Standards issued by The Institute of Company Secretaries of India;
- ii) The Listing Agreements entered into by the Company with National Stock Exchange(s), if applicable

During the period under review the Company has complied with the provisions of the Act, Rules, Regulations, Guidelines, Standards, etc. mentioned above subject to the following observations:

1) SEBI (LISTING OBLIGATIONS AND DISCLOSURE REQUIREMENTS) REGULATIONS, 2015

- a) *The Chairman of the Audit Committee was not present at the Annual General Meeting held for FY 2020-21 on 23rd September, 2021, and to that extent the Company has not complied Regulation 18(1)(d) of SEBI LODR.*

We further report that subject to our observations:

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act.

Adequate notice is given to all directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. In our opinion, the Company should have better mechanism for circulation of draft minutes to the Board.

All decisions at Board Meetings and Committee Meetings were carried out unanimously. As per the records available in the said minutes there were no dissenting views expressed by any director in the meetings.

The Company has duly filled the E-Forms with the Registrar of Companies, Ministry of Corporate Affairs, except for a few instances, where the forms were filed beyond prescribed time with payment of additional fees.

We further report that during the audit period:

- 1) The Company had made allotment of 9,87,500 Equity Shares of Rs. 10/- each pursuant to conversion of Compulsory Convertible Debentures to MIBA Sinter Holding GmbH & Co KG on 30th March 2022.
- 2) During the audit period the company has not initiated any actions such as Public/Right of shares /debentures sweat equity, etc., Redemption / buy-back of securities, decisions taken by the members in pursuance to section 180 of the Companies Act, 2013, Merger / amalgamation/ reconstruction, etc. and Foreign technical collaborations having a major bearing on the company's affairs in pursuance of the above referred laws, rules, regulations, guidelines, standards, etc. referred to above).

ANNEXURE VI

REMUNERATION/COMPENSATION POLICY

In accordance with the provisions of Section 178(3) of the Act and the SEBI Listing Regulations, Sintercom has a Nomination & Remuneration policy in place.

The objectives and key features of this Policy are:

- (a) Formulation of the criteria for determining qualifications, positive attributes of directors, Key Managerial Personnel (KMP) and also independence of independent directors
- (b) Aligning the remuneration of directors and KMPs with the Company's financial position, remuneration paid by its industry peers, etc.
- (c) Performance evaluation of the board, its committees and directors including independent directors
- (d) Ensuring board diversity
- (e) Identifying persons who are qualified to become directors and who may be appointed in senior management in accordance with the criteria laid down
- (f) Directors' induction and continued training.

The Nomination & Remuneration Committee Meeting held on 28th July, 2021 adopted the new set of Remuneration/ Compensation Policy. The remuneration policy is in consonance with existing industry practice and the policy has been simplified and made easy for the members and the Company.

The Nomination & Remuneration Policy is available on the Company's website on <https://sintercom.co.in/wp-content/uploads/2022/06/Nomination-and-Remuneration-Policy.pdf>

9. In case of creation or acquisition of capital asset, furnish the details relating to the asset so created or acquired through CSR spent in the financial year: Not Applicable**10. Specify the reason(s), if the company has failed to spend two percent of the average net profit as per Section 135(5):**

The Company needs to mandatorily spend an amount of Rs. NIL towards CSR activities during the financial year 2021-2022. However, Rs. 1.88 Million as unspent CSR amount from last few years, due to the unprecedented pandemic of COVID-19 which resulted in persistent lockdowns and restrictions on mobility, your Company was unable to execute projects as planned. Hence, the unspent amount of Rs. 1.88 million to ongoing projects has been transferred to Unspent CSR Account and the total unspent amount of Rs. 1.88 million approx. is kept aside by the company, for the planned long-term projects of rural development. Sintercom considers social responsibility as an integral part of its business activities and endeavors to utilize allocable CSR budgets for the benefit of society.

ANNEXURE IX

AUDITOR'S CERTIFICATE ON CORPORATE GOVERNANCE

INDEPENDENT AUDITOR'S CERTIFICATE ON CORPORATE GOVERNANCE

The Members of Sintercom India Limited

Gat No. 127, At Post Mangrul,
Taq- Maval, Talegaon Dabhade
Pune - 410507

1. We have examined the compliance of conditions of corporate governance by Sintercom India limited ('the Company') for the year ended 31st March, 2022 as stipulated in regulations 17 to 27 and clauses (b) to (i) of regulation 46(2) and Para C, D and E of schedule V of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 ('the Listing Regulations').
2. The compliance of conditions of Corporate Governance is the responsibility of the Management. This responsibility includes the design, implementation and maintenance of internal control and procedures to ensure compliance with the conditions of the Corporate Governance stipulated in the Listing Regulations.
3. Our responsibility is limited to examining the procedures and implementation thereof, adopted by the Company for ensuring compliance with the conditions of the Corporate Governance. It is neither an audit nor an expression of opinion on the financial statements of the Company.
4. We have examined the books of account and other relevant records and documents maintained by the Company for the purposes of providing reasonable assurance on the compliance with Corporate Governance requirements by the Company.
5. We have carried out an examination of the relevant records of the Company in accordance with the Guidance Note on Certification of Corporate Governance issued by the Institute of the Chartered Accountants of India (the ICAI), the Standards on Auditing specified under Section 143(10) of the Companies Act, 2013, in so far as applicable for the purpose of this certificate and as per the Guidance Note on Reports or Certificates for Special Purposes (Revised 2016) issued by the ICAI.
6. Based on our examination of the relevant records and according to the best of our information and explanations provided to us, we certify that the Company has complied with the conditions of regulations of Corporate Governance as stipulated in the above-mentioned Listing Regulations.
7. We further state that such compliance is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the Management has conducted the affairs of the Company.
8. The certificate is issued solely for the purpose of complying with the aforesaid SEBI Listing Regulations and may not be suitable for any other purpose.

CERTIFICATE

TO THE BOARD OF DIRECTORS OF SINTERCOM INDIA LIMITED
CERTIFICATE BY MANAGING DIRECTOR AND CHIEF FINANCIAL OFFICER CERTIFICATE OF THE COMPANY
 (Under Regulation 17 (8) read with Para B of Schedule II of SEBI (Listing Obligations and Disclosures Requirements), 2015)

We, the undersigned, in our respective capacities as Managing Director and Chief Financial Officer of Sintercom India Limited ("the Company") to the best of our knowledge and belief, certify that:

- A. We have reviewed the financial statements and the Cash flow statement for the year ended on 31st March, 2022, and to the best of our knowledge and belief:
 1. these statements do not contain any materially untrue statement or omit any material fact or contain statements that might be misleading;
 2. these statements together present a true and fair view of the Company's affairs and comply with existing accounting standards, applicable laws, and regulations;
- B. To the best of our knowledge and belief, no transactions entered into by the listed entity during the year are fraudulent, illegal, or violate the Company's code of conduct.
- C. We accept responsibility for establishing and maintaining internal controls for financial reporting and that we have evaluated the effectiveness of the internal control systems of the Company pertaining to financial reporting and have disclosed to the Auditors and the Audit Committee, deficiencies in the design or operation of such internal controls, if any, of which we are aware and the steps we have taken or propose to take to rectify these deficiencies.
- D. We have indicated to the auditors and the Audit Committee that:
 1. there are no significant changes in internal control over financial reporting during the year;
 2. there are no significant changes in accounting policies during the year;
 3. there are no instances of significant fraud of which we have become aware;

INDEPENDENT AUDITOR'S REPORT

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF SINTERCOM INDIA LIMITED

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of Sintercom India Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2022, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date, and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022, its loss and total comprehensive income, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the financial statements in accordance with the Standards on Auditing specified under section 143(10) of the Act (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. We have determined that there are no key audit matters to communicate in our report.

Information Other than the Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to Board's Report, Corporate Governance and Shareholder's Information, but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required

to report that fact. We have nothing to report in this regard.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity and cash flows of the Company in accordance with the Ind AS and other accounting principles generally accepted in India. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine

that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Statement of Cash Flow dealt with by this Report are in agreement with the relevant books of account.
 - d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act.
 - f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in **"Annexure A"**. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls over financial reporting.
2. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of section 197 of the Act. The remuneration paid to any director is not in excess of the limit laid down under Section 197 of the Act. The Ministry of Corporate Affairs has not prescribed other details under Section 197(16) which are required to be commented upon by us.
3. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us:
 - i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements.
 - ii. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses;
 - iii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
4. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in **"Annexure B"** a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Sintercom India Limited of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **Sintercom India Limited** (“the Company”) as of March 31, 2022 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s management and Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Company.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 4 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of SINTERCOM INDIA LIMITED of even date)

- i. In respect of the Company's Fixed Assets;
 - (a)
 - (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment.
 - (B) The Company has maintained proper records showing full particulars of Intangible assets.
 - (b) The Company has a program of verification to cover all the items of Property, plant and equipment in a phased manner which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the program, Property, plant and equipment were physically verified by the management during the previous year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the title deeds of immovable properties (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company) disclosed in the financial statements are held in the name of the Company.
 - (d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued its property, plant and equipment (including Right-of-use assets) or Intangible assets or both during the year
 - (e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings initiated or pending against the Company for holding any benami property under the Prohibition of Benami Property Transactions Act, 1988 (as amended in 2016) and rules made thereunder
- ii. According to the information and explanations given to us and on the basis of our examination of the records of the Company;
 - (a) The inventory has been physically verified by the management during the year. In our opinion, the frequency of such verification is reasonable and procedures and coverage as followed by management were appropriate. No discrepancies were noticed on verification between the physical stocks and the book records that were 10% or more in the aggregate for each class of inventory.
 - (b) The Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks on the basis of security of current assets. In our opinion, the quarterly returns or statements filed by the Company with such banks are in agreement with the books of account of the Company.
- iii. The Company has not granted any loans, secured or unsecured, to Companies, Firms, Limited Liability Partnerships or other parties covered in the register maintained under Section 189 of the Companies Act. Accordingly, paragraph 3(iii) of the Order is not applicable.
- iv. In our opinion and according to the information and explanations given to us, the Company has not given loans, made investments, given guarantees and provided securities which are covered by the provisions of Section 185 and 186 of the Act. Accordingly, paragraph 3(iv) of the Order is not applicable.
- v. The Company has not accepted any deposits or amounts which are deemed to be deposits from the public. Accordingly, clause 3(v) of the Order is not applicable
- vi. The Central Government has specified maintenance of cost records under Sub-Section (1) of Section 148 of the Act and we are of the opinion that prima facie such accounts and records are made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- vii. According to the information and explanations given to us, in respect of statutory dues:
 - (a) The Company has generally been regular in depositing undisputed statutory dues, including Goods and Service Tax, Provident Fund, Employees' State Insurance, Customs Duty, Cess, and other material statutory dues applicable to it with the appropriate authorities except for Income Tax.
 - (b) There were no undisputed amounts payable in respect of Goods and Service Tax, Provident Fund, Employees' State Insurance, Customs Duty, Cess and other material statutory dues in arrears as at March 31, 2021 for a period of more than six months from the date they became payable except for Income Tax.

Statement of Arrears of Statutory Dues Outstanding for More than Six Months:

Name of the Statute	Nature of the Dues	Amount (Rs.)	Period to which the amount pertains	Due Date
Income tax Act, 1961	TDS on Salaries, Contract & Professional Fees	29,66,292	FY 2021-22	7th of Next month

- (c) There were no disputed amounts payable in respect of Goods and Services Tax, provident fund, employees' state insurance, income-tax, sales-tax, service tax, duty of customs, duty of excise, value added tax, cess and any other statutory dues as at March 31, 2022 except as follows;

Name of the statute	Nature of the dues	Amount under dispute (Rs.)	Period(s) to which the amount relate	Forum where such dispute is pending
Income Tax Act 1961	Scrutiny Assessment u/s 143(3)	1,46,920	2017-18	Office Of the Assistant Commissioner of Income Tax (It) Circle 1, Pune
Income Tax Act 1961	Interest of excess return u/s 234D	17,628	2017-18	Office Of the Assistant Commissioner of Income Tax (It) Circle 1, Pune

- viii. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under the Income-tax Act, 1961 as income during the year.
- ix. According to the information and explanations given to us and on the basis of our examination of the records of the Company;
- (a) The Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender during the year.
- (b) The Company has not been declared a willful defaulter by any bank or financial institution or government or government authority.
- (c) Term loans applied by the company were utilized for the purpose for which the loans were obtained.
- (d) We report that funds raised on short term basis have not been utilised for long term purposes.
- (e) We report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries as defined under the Companies Act, 2013.
- (f) We report that the Company has not raised loans during the year on the pledge of securities held in its subsidiaries as defined under the Companies Act, 2013.
- x. According to the information and explanations given to us and on the basis of our examination of the records of the Company;
- a. The Company has not raised any moneys by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.
- b. The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, clause 3(x)(b) of the Order is not applicable.
- xi. According to the information and explanations given to us and on the basis of our examination of the records of the Company;
- a. No fraud by the Company or on the Company by its officers or employees has been noticed or reported during the year.
- b. No report under sub-section (12) of Section 143 of the Companies Act, 2013 has been filed by the auditors in Form ADT-4 as prescribed under Rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government.
- c. As represented to us by the Management, no whistleblower complaints have been received by the Company during the year.
- xii. According to the information and explanations given to us, the Company is not a Nidhi Company. Accordingly, clause 3(xii) of the Order is not applicable.
- xiii. In our opinion and according to the information and explanations given to us, the transactions with related parties are in compliance with Sections 177 and 188 of the Companies Act, 2013, where applicable, and the details of the related party transactions have been disclosed in the financial statements as required by the applicable Indian Accounting Standards.
- xiv. According to the information and explanations given to us and on the basis of our examination of the records of the Company;

- a. In our opinion, the Company has an internal audit system commensurate with the size and nature of its business.
- b. We have considered the internal audit reports of the Company issued till date for the period under audit.
- xv. In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected to its directors and hence, provisions of Section 192 of the Companies Act, 2013 are not applicable to the Company.
- xvi. According to the information and explanations given to us and on the basis of our examination of the records of the Company:
 - a. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(a) of the Order is not applicable.
 - b. The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, clause 3(xvi)(b) of the Order is not applicable.
 - c. The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, clause 3(xvi)(c) of the Order is not applicable.
 - d. According to the information and explanations provided to us during the course of audit, the Group does not have any CIC. Accordingly, the requirements of clause 3(xvi)(d) are not applicable.
- xvii. The Company has not incurred cash losses in the current and in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realisation of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.
- xx. According to the information provided to us, due to losses incurred, the conditions and requirements of section 135 of the act are not applicable. Accordingly, clause 3(xx) of the Order is not applicable.
- xxi. According to the information provided to us, the Company has no subsidiary. Accordingly, clause 3(xxi) of the Order is not applicable.

Pune, May 27, 2022

Pune, May 27, 2022

NOTES TO ACCOUNTS

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31ST MARCH, 2022

(All amounts are in rupees unless otherwise stated)

1) THE CORPORATE OVERVIEW

Sintercom India Limited is engaged in manufacturing of sintered metal components and auto components. The Company is into manufacture of various auto components required in various automobile applications and is supplying to various Auto Original Equipment Manufacturers (OEM's). The Company has its manufacturing plant in Talegaon Dabhade.

2) BASIS OF PREPARATION

The financial statements of the Company have been prepared in accordance with Indian Accounting Standards ("Ind AS") notified under Section 133 of the Companies Act, 2013 [the Companies (Indian Accounting Standards) Rules, 2015, as amended from time to time] and other relevant provisions of the Act.

The Financial Statements up to the year ended 31 March, 2020 were prepared in accordance with the Accounting Standards notified under the Companies (Accounting Standard) Rules, 2006 (as amended) and other relevant provisions of the Act ("Previous GAAP"). The Company prepared the financial statements in accordance with Ind AS from the year ended 31 March 2021 onwards.

a) Basis of measurement

The financial statements have been prepared on a historical cost basis, except for the following items, which are measured on an alternative basis at the end of each reporting period.

- Certain financial assets and liabilities (including derivative instruments) are measured at fair value.
- Defined benefit plans – plan assets are measured at fair value.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

b) Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current and non-current classification.

An asset is classified as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months from the reporting, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months from the date of reporting.

All other assets are classified as non-current.

A liability is classified as current when it is:

- Expected to be settled in normal operating cycle
- Held primarily for the purpose of trading
- Due to be settled within twelve months from the date of reporting, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months from the date of reporting.
- Current liabilities include the current portion of long-term financial liabilities.

The Company classifies all other liabilities as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

c) Rounding of amounts

All amounts disclosed in the Financial Statements including notes have been rounded off to the nearest Indian Rupee (INR) as per the requirements of Schedule III of the Companies Act, 2013; unless otherwise indicated.

3) SIGNIFICANT ACCOUNTING POLICIES

This note provides a list of the significant accounting policies adopted in the preparation of these financial statements. These policies have been consistently applied to all the years presented, unless otherwise stated.

a) Property, plant and equipment

• **Recognition and measurement**

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at cost less accumulated depreciation and accumulated impairment loss, if any. Cost comprises of purchase price and any directly attributable costs of bringing the asset to its working condition for the intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

Borrowing costs that are directly attributable to acquisition, construction & production of a qualifying asset for the period up to the date, the asset is ready for its intended use or sale are included in the cost of the asset to which they relate.

Capital work-in-progress comprises of the cost of property, plant and equipment that are not yet ready for their intended use as at the balance sheet date.

Advances paid towards the acquisition of property, plant and equipment outstanding at each reporting date are disclosed under "Other non-current assets".

• **Subsequent costs**

The cost of replacing a part of an item of property, plant and equipment is recognised in the carrying amount of the item if it is probable that the future economic benefits embodied within the part will flow to the company and its cost can be measured reliably. The carrying amount of the replaced part is derecognised. The costs of the day-to-day servicing of property, plant and equipment are recognised in the statement of profit and loss as incurred.

• **Derecognition**

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gains and losses on disposal of an item of property, plant and equipment are determined by comparing the proceeds from disposal with the carrying amount of property, plant and equipment, and are recognised net and disclosed within other income or expenses in the statement of profit and loss.

• **Depreciation methods, estimated useful lives and residual value**

Depreciation is calculated over the depreciable amount, which is the cost of an asset, or other amount substituted for cost, less its residual value. Depreciation is recognised in the statement of profit and loss on a straight-line basis over the estimated useful lives of each part of an item of property, plant and equipment as prescribed in Schedule II of the Companies Act 2013, as assessed by the management of the company based on technical evaluation except in the case of following assets:

Description	Useful life considered	Justification for deviation
Building	45 Years	Based on past history of usage and supported by technical evaluation report.
Plant & Machinery (Including electrical installations)	20 Years	
Office Equipment	10 years	

Freehold land is not depreciated.

b) Intangible assets

• **Recognition and measurement**

Intangible assets are recognised when the asset is identifiable, is within the control of the company, and is probable that the future economic benefits that are attributable to the asset will flow to the company and cost of the asset can be reliably measured.

Intangible assets acquired by the company that have finite useful lives are measured at cost less accumulated amortisation and any accumulated impairment losses. Internally generated intangible assets

are not capitalized & the related expenditure is recognized in the statement of profit & loss when incurred.

- **Transition to Ind AS**

The Company has elected to continue with the carrying value of all of its intangible assets, measured as per the Indian GAAP as at 31 March 2019 and use those carrying values as deemed cost as at the date of transition to Ind AS i.e 1 April 2019.

- **Derecognition**

An item of intangible asset is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gains and losses on disposal of intangible asset are determined by comparing the proceeds from disposal with the carrying amount of intangible asset and are recognised net and disclosed within other income or expenses in the statement of profit and loss.

- **Amortisation**

Amortisation is calculated over the cost of the asset, or other amount substituted for cost. Amortisation is recognised in statement of profit and loss on a straight-line basis over the estimated useful lives of intangible assets from the date that they are available for use, since this most closely reflects the expected pattern of consumption of the future economic benefits embodied in the asset.

c) Leases

- **Company as a lessee**

Leases where the lessor effectively retains substantially all the risks and benefits of ownership of the leased item are classified as operating leases. Payments under operating leases are recognised in the statement of profit and loss generally on straight line basis.

- **Company as lessor**

Leases in which the Company does not transfer substantially all the risks and benefits of ownership of the asset are classified as operating leases. Assets subject to operating leases are included in fixed assets. Lease income on an operating lease is recognised in the statement of profit and loss on straight line basis.

d) Impairment of non-financial assets

The Company assesses at each balance sheet date whether there is any indication that an asset or cash generating unit (CGU) may be impaired. If any such indication exists, the company estimates the recoverable amount of the asset. The recoverable amount is the higher of an asset's or CGU's fair value less costs of disposal or its value in use. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are considered.

Impairment losses are recognised in the statement of profit and loss. They are allocated first to reduce the carrying amount of any goodwill allocated to the CGU, and then to reduce the carrying amounts of the other assets in the CGU on a pro rata basis.

- **Reversal of impairment loss**

An impairment loss in respect of goodwill is not reversed. For other assets, an impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation or amortisation, if no impairment loss had been recognised.

e) Inventories

Raw materials, stores and spares are valued at lower of cost and net realizable value. Cost is determined using weighted average method.

Work in process and finished goods other than by-products are valued at lower of cost and net realizable value. Cost includes direct material and labour and a proportion of manufacturing overhead based on normal operating capacity, but excluding borrowing costs. Cost is arrived at by absorption cost method.

By-products are valued at net realisable value.

Necessary provisions are made for obsolete and non-moving inventories as per the policy framed by the management and the value of inventory is net of such provision.

Net realizable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

f) Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at banks and cash on hand and short-term deposits

with an original maturity of three months or less, which are subject to an insignificant risk of changes in value.

g) Revenue recognition

Revenue from sale of goods is recognised when all significant risks and rewards of ownership of the goods are passed on to the buyer, recovery of the consideration is probable, the associated costs can be estimated reliably, there is no continuing effective control over, or managerial involvement with, the goods, and the amount of revenue can be measured reliably. It excludes Goods and Service tax (GST). Sales are stated net of discounts, rebates and returns.

h) Other income

- **Interest income**

Interest income from financial asset is recognized when it is probable that the economic benefits will flow to the company & the amount of income can be measured reliably.

Interest income from debt instruments is recognised using Effective Interest Rate method (EIR). EIR is the rate that exactly discounts the estimated future cash receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset.

- **Any other incomes are accounted for on accrual basis.**

i) Borrowing costs

Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences arising from foreign currency borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs that are not directly attributable to the acquisition, construction or production of a qualifying asset, are expensed in the period in which they are incurred.

j) Foreign currency transactions and balances

Transactions in foreign currency are recorded at exchange rates prevailing at the date of transactions. Exchange differences arising on foreign exchange transactions settled during the year are recognised in the statement of profit and loss of the year.

Monetary assets and liabilities denominated in foreign currencies which are outstanding, as at the reporting period are translated at the closing exchange rates and the resultant exchange differences are recognised in the statement of profit and loss.

Non-monetary assets and liabilities denominated in foreign currencies that are measured in terms of historical cost are translated using the exchange rate at the date of the initial transaction.

k) Employee Benefits

- **Short-term employee benefits**

All employee benefits payable wholly within twelve months of rendering the services are classified as short-term employee benefits. Benefits such as salaries, wages, expected cost of bonus and short-term compensated absences, ex-gratia, performance pay etc. are recognised in the period in which the employee renders the related service.

- **Post-employment benefits**

Defined contribution plans

Provident fund scheme is a defined contribution plan. The company has no further payment obligations once the contributions have been paid. The contributions are recognised as employee benefit expenses when they are due. The Company has a policy of accounting gratuity on actuarial basis & leave encashment liability on actual basis.

Defined benefit plans

The Company do not have any Defined Benefit Obligation plan.

l) Income tax

Income tax expense comprises of current tax and net change in the deferred tax asset & deferred tax liability during the year. It is recognised in the statement of profit and loss except to the extent that it relates to the items recognised directly in OCI.

- **Current income tax**

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities based on the taxable profits computed for the current accounting period. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted, at the end of the reporting date.

- **Deferred tax**

Deferred tax is provided using the balance sheet method on temporary differences between the tax base of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities are recognised for all taxable temporary differences, except when the deferred tax liability arises from the initial recognition of goodwill or an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

Deferred tax assets are recognised for all deductible temporary differences, the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised, except when the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Un-recognized deferred tax assets are re-assessed at each reporting date and are recognised to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

m) Provisions and contingencies

A provision is recognised when the company has a present obligation (legal or constructive) as a result of a past event, and is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

When the company expects some or all of a provision to be reimbursed, the reimbursement is recognised as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the statement of profit and loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost in the statement of profit and loss.

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognized because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises where there is a liability that cannot be recognized because it cannot be measured reliably. The Company does not recognize a contingent liability but discloses its existence in the financial statements.

Contingent assets are not recognised in financial statements, unless they are virtually certain. However, contingent assets are disclosed where inflow of economic benefits are probable.

Provisions, contingent liabilities and contingent assets are reviewed at each balance sheet date.

n) Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

- Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

- Level 3 — Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the company has determined classes of assets and liabilities based on the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

o) Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

- **Initial recognition and measurement**

Financial instruments are initially recognised when the entity becomes party to the contractual provisions of the instrument

Financial instruments are measured initially at fair value adjusted for transaction costs that are directly attributable to the origination of the financial instrument where financial instruments not classified at fair value through profit or loss. Transaction costs of financial instruments which are classified as fair value through profit or loss are expensed in the statement of profit and loss.

- **Subsequent measurement of financial assets**

For the purposes of subsequent measurement, the financial assets are classified in the following categories based on the company's business model for managing the financial assets and the contractual terms of cash flows:

- those to be measured subsequently at fair value; either through OCI or through profit or loss
- those measured at amortised cost

For assets measured at fair value, changes in fair value will either be recorded in the statement of profit and loss or OCI. For investments in debt instruments, this will depend on the business model in which investment is held. For investments in equity instruments, this will depend on whether the company has made an irrevocable election at the time of initial recognition to account for equity investment at fair value through OCI.

The company reclassifies debt investments when and only when its business model for managing those assets changes.

- **Debt instruments at amortised cost**

A 'debt instrument' is measured at the amortised cost if both the following conditions are satisfied:

- The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- The contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

A gain or loss on a debt investment that is subsequently measured at amortised cost and is not part of hedging relationship is recognised in the statement of profit and loss when the asset is derecognised or impaired. Interest income from these financial assets is included in finance income using effective interest rate (EIR) method.

Debt instruments at fair value through other comprehensive income (FVTOCI)

Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent SPPI, are measured at FVTOCI. The movements in the carrying amount are recognised through OCI, except for the recognition of impairment gains and losses, interest revenue and foreign exchange gain or losses which are recognised in the statement of profit and loss. When the financial asset is derecognised, the cumulative gain or loss previously recognised in OCI is reclassified from equity to the statement of profit and loss and recognised in other gains/ losses. Interest income from these financial assets is included in other income using EIR method.

Debt instruments at fair value through profit or loss (FVTPL)

Assets that do not meet the criteria for amortised cost or FVTOCI are measured at FVTPL. A gain or loss on debt instrument that is subsequently measured at FVTPL and is not a part of hedging relationship is recognised in the statement of profit and loss within other gains/ losses in the period in which it arises. Interest income from these financial assets is included in other income.

Equity investments

All equity investments in the scope of Ind AS 109 Financial Instruments are measured at fair value. Equity

instruments which are held for trading are classified as at FVTPL. For all other equity instruments, the company may make an irrevocable election to recognise subsequent changes in the fair value in OCI. The company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

If the company decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in OCI. There is no recycling of the amounts from OCI to the statement of profit and loss, even on sale of equity instrument.

Equity instruments included within the FVTPL category are measured at fair value with all changes recognised in the statement of profit and loss.

- **Subsequent measurement of financial liabilities**

For the purposes of subsequent measurement, the financial liabilities are classified in the following categories:

- those to be measured subsequently at fair value through profit or loss (FVTPL)
- those measured at amortised cost

Following financial liabilities will be classified under FVTPL:

- Financial liabilities held for trading
- Derivative financial liabilities
- Liability designated to be measured under FVTPL

All other financial liabilities are classified at amortised cost.

For financial liabilities measured at fair value, changes in fair value will be recorded in the statement of profit and loss except for the fair value changes on account of own credit risk are recognised in Other Comprehensive Income (OCI).

Interest expense on financial liabilities classified under amortised cost category are measured using effective interest rate (EIR) method and are recognised in statement of profit or loss.

- **Derecognition of financial instruments**

The company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire, or it transfers the rights to receive the contractual cash flows in a transaction in which substantially all of the risks and rewards of ownership of the financial asset are transferred or in which the company neither transfers nor retain substantially all of the risks and rewards of ownership and does not retain control of the financial asset.

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognised in the statement of profit or loss.

- **Impairment of financial assets**

The company applies Expected Credit Loss (ECL) model for measurement and recognition of impairment loss on the financial assets mentioned below:

- Financial assets that are debt instrument and are measured at amortised cost
- Financial assets that are debt instruments and are measured as at FVOCI
- Trade receivables under Ind AS 18

The impairment methodology applied depends on whether there has been a significant increase in credit risk. Details how the company determines whether there has been a significant increase in credit risk is explained in the respective notes.

For impairment of trade receivables, the company chooses to apply practical expedient of providing expected credit loss based on provision matrix and does not require the Company to track changes in credit risk. Percentage of ECL under provision matrix is determined based on historical data as well as futuristic information.

- **Derivative financial instruments**

Initial measurement and subsequent measurement

The company uses derivative financial instruments, such as forward currency contracts to hedge foreign currency risks. Such derivative financial instruments are initially recognised at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial

liabilities when the fair value is negative. Any gains or losses arising from changes in the fair value of derivatives are taken directly to profit or loss.

p) Cash dividend

The company recognises a liability to make cash distributions to equity holders when the distribution is authorised and approved by the shareholders. A corresponding amount is recognised directly in equity.

q) Earnings per share (EPS)

Basic & diluted earnings per share is reported in accordance with Ind AS-33- Earnings Per Share. Basic EPS is calculated by dividing the profit for the year attributable to equity holders of the company by the weighted average number of equity shares outstanding during the financial year, adjusted for bonus elements in equity shares issued during the year and excluding treasury shares.

Diluted EPS adjust the figures used in the determination of basic EPS to consider

- The after-income tax effect of interest and other financing costs associated with dilutive potential equity shares, and
- The weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

r) Operating reporting

Identification of Segments

The Company's operating business predominantly relates to manufacture of iron castings.

4) SIGNIFICANT ACCOUNTING JUDGMENTS, ESTIMATES AND ASSUMPTIONS

The preparation of the financial statements in conformity with the recognition & measurement principles of Ind AS, requires the management to make judgments, estimates and assumptions that affect the amounts of revenue, expenses, current assets, non-current assets, current liabilities, non-current liabilities, disclosure of the contingent liabilities and notes to accounts at the end of each reporting period. Actual results may differ from these estimates.

Judgments

In the process of applying the Company's accounting policies, management have made the following judgements, which have the most significant effect on the amounts recognised in the financial statements:

Operating segment

Ind AS 108 Operating Segments requires Management to determine the reportable segments for the purpose of disclosure in financial statements based on the internal reporting reviewed by the Managing Director being the Chief Operating Decision Maker (CODM) to assess performance and allocate resources. The standard also requires Management to make judgments with respect to recognition of segments. Accordingly, the Company recognizes Iron Castings as its sole Segment.

Contingent liability

The Company has received various orders and notices from different Government authorities and tax authorities in respect of direct taxes and indirect taxes. The outcome of these matters may have a material effect on the financial position, results of operations or cash flows. Management regularly analyses current information about these matters and discloses the information relating to contingent liability. In making the decision regarding the need for creating loss provision, management considers the degree of probability of an unfavorable outcome and the ability to make a sufficiently reliable estimate of the amount of loss. The filing of a suit or formal assertion of a claim against the Company or the disclosure of any such suit or assertions, does not automatically indicate that a provision of a loss may be appropriate.

Estimates and assumptions

The key assumptions concerning the future and other key sources of estimation uncertainty at the reporting date, that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are described below. The Company based its estimates and assumptions on parameters available when the financial statements are prepared. Existing circumstances and assumptions about future developments, however, may change due to market conditions or circumstances arising that are beyond the control of the Company. Such changes are reflected in the assumptions when they occur.

Deferred Tax

Deferred tax assets are recognised for all deductible temporary differences including the carry forward of unused tax credits and any unused tax losses. Deferred tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits are unused tax losses can be utilized.

Estimation and underlying assumptions are reviewed on ongoing basis. Revisions to estimates are recognised prospectively.

34 Disclosure pursuant to Ind-AS 19 Employee Benefits:**Defined contribution plans****Provident fund:-**

Contribution towards provident fund for certain employees is made to the regulatory authorities, same is in line with the Provident Fund and Miscellaneous Provisions Act, 1952. The plan guarantees interest at the rate notified by the provident fund authorities. The contribution by the employer and employee together with the interest accumulated thereon are payable to employees at the time of their separation from the Company or retirement, whichever is earlier. The benefits vest immediately on rendering of the services by the employee.

Defined benefit plans**Gratuity:**

The Company provides for gratuity for employees in India as per the Payment of Gratuity Act, 1972. Employees who are in continuous service for a period of five years are eligible for gratuity. The amount of gratuity payable on retirement/termination is the employees last drawn basic salary per month computed proportionately for 15 days salary multiplied for the number of years of service.

As per Actuarial Valuation as on 31st March, 2022 and 31st March, 2021 amounts recognised in the financial statements in respect of Employee Benefit Schemes are as follows:

36 Ratio Analysis and its elements

Sr. No.	Particulars	Basis	Year Ended		Variance %
			March 31, 2022	March 31, 2021	
1	Current ratio	Current Assets/Current Liabilities	1.29	1.50	-14%
2	Debt - Equity ratio	Total Debt/Equity	0.27	0.23	19%
3	Debt Service coverage ratio	Earnings for Debt Service*/Debt Service	0.66	0.38	74%
4	Return on Equity ratio	Profit after tax/Shareholders Equity	-0.04	-0.05	-15%
5	Inventory Turnover ratio	Costs of Goods Sold**/Average Inventory	3.83	3.70	4%
6	Trade Receivables turnover ratio	Revenue from Operations/Average Trade Receivables	2.24	1.91	17%
7	Trade Payables Turnover	Costs of Goods Sold**/Average Trade Payables	3.36	2.97	13%
8	Net Capital Turnover	Revenue from Operations/Working Capital	4.50	2.60	73%
9	Net Profit/(loss) Margin	Net Profit/(loss) after tax/Revenue from operations	-6.41%	-9.97%	-36%
10	Return in Capital Employed	Earnings before Interest and Tax ^{##} /Capital Employed [§]	4.60%	3.27%	41%

*Earnings for Debt Service = Earnings before finance costs, depreciation and amortisation, exceptional items and tax (EBIDTA)/ (Finance cost for the year + Principal repayment of long-term debt liabilities within one year)

**Cost of Good sold = Cost of materials consumed + Changes in inventories of finished goods, stock-in trade, work-in-progress + Manufacturing and operating expenses

[#]Working Capital = Current Assets - Current Liabilities

^{##}Earnings before Interest and Tax = Profit after exceptional item and before tax + Finance costs (recognised)

[§]Capital Employed = Average of equity and total borrowings

- a **Debt Service coverage ratio (times):** Increase in the ratio by 74% is mainly on account of increase in EBIDTA margin in current year FY 21-22 and reduction in finance charges, as compared to previous year
- b **Net Capital Turnover (times):** Increase in the ratio by 73% is mainly on account of increase in net sales during the year and lower net working capital due to increase in the current liabilities, as compared to previous year
- c **Net Profit/(Loss) Margin (%):** Decrease by 36% in the current year due to improvement in profitability which in the previous year was affected mainly due to Covid-19 pandemic
- d **Return on Capital employed (%):** Increase in the ratio is on account of the increase in the EBITDA margin during the current year FY21-22 as compared to the previous year.

37 Earnings/(loss) per share

Basic EPS amounts are calculated by dividing the profit for the year attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the year.
Diluted EPS amounts are calculated by dividing the profit attributable to equity holders of the Company by the weighted average number of equity shares outstanding during the year plus the weighted average number of equity shares that would be issued on conversion of 4% Compulsory Convertible Debentures.

The following reflects the income and share data used in the basic and diluted EPS computations:

Sr. No	Particulars	March 31, 2022	March 31, 2021
		₹	₹
a.	Net Profit after tax considered for the calculation of	(38,408,237)	(47,045,896)
b.	Number of equity shares outstanding at the end of year	26,540,322	25,552,822
c.	Weighted average number of equity shares used in computing earnings per equity share	26,545,733	24,310,082
d.	Effects of dilution		
	4% compulsory convertible debentures	987,500	1,975,000
e.	Weighted average number of equity shares adjusted for the effect of dilution	26,545,733	26,285,082
f.	Earnings/(loss) per share		
	Basic (Rs.)	(1.45)	(1.79)
	Diluted (Rs.)	(1.45)	(1.79)
g.	Face value per equity share (Rs.)	10.00	10.00

38 Capital management

For the purpose of the Company’s capital management, capital includes issued equity capital and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Company’s capital management is to ensure that it maintains a strong credit rating and healthy capital ratios in order to support its business and maximise shareholder value.

The Company manages its capital structure and makes adjustments to it in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, during the previous year March 2021, the Company has carried out preferential issue of 13,50,000 Equity Shares & 19,75,000 4% Compulsorily Convertible Debentures.

No changes were made in the objectives, policies or processes for managing capital during the years ended 31 March, 2022.

Fair value hierarchy

The following table presents the fair value measurement hierarchy of financial assets and liabilities measured at fair value on a recurring basis as at 31 March 2022, 31 March 2021.

Quantitative disclosures fair value measurement

Particulars	Amount	Fair value measurement using		
		Quoted prices in active markets (Level 1)	Significant observable inputs (Level 2)	Significant unobservable inputs (Level 3)
Financial assets/(liability) measured at fair value through profit or loss				
Derivative Asset (Liability) on account of forward exchange contracts				
Date of Valuation				
As at 31 March 2021		-	-	-
As at 31 March 2020		-	-	-
As at 1 April 2019		-	-	-

Fair value of financial assets and financial liabilities measured at amortised cost :

The management believes that the fair values of non-current financial assets (e.g. loans and others), current financial assets (e.g., cash and cash equivalents, trade receivables, loans) and current financial liabilities (e.g. trade payables and other payables) approximate their carrying amounts.

40 Balance confirmations

In respect of the balance confirmations sought for by the Company from its debtors and creditors, few parties have responded to the request. As such, balances in the accounts of debtors, creditors, advances and deposits are taken as appearing in the accounts and subject to confirmation and reconciliations if any.

41 MAT Credit Entitlement:-

Section 115JAA of the Income Tax Act, 1961 provides for tax credit in respect of MAT paid under section 115JA (hereinafter referred to as 'MAT Credit') which could be carried forward for set-off for fifteen succeeding years, in accordance with the provisions of the Income Tax Act 1961. The amount of MAT credit would be equal to the excess of MAT over normal income tax for the assessment year for which MAT is paid. The said MAT credit can be set off only in the year in which the Company is liable to pay tax as per the normal provisions of the act and such tax is in excess of MAT for that year.

The Company has paid MAT over and above normal tax assessment & such credit of Rs. 3,62,29,826 has been recognised as an asset in the books.

42 Financial instruments risk management objectives and policies

The Company's activities expose it to market risks, credit risks and liquidity risks. This note explains the source of risk which the entity is exposed to and how entity manages the risk in the financial statements

Risk	Exposure arising from	Management
Credit risk	Cash and cash equivalents, trade receivables, derivative financial instruments, financial assets measured at amortised cost	Diversification of bank deposits, credit limits and letter of credits
Liquidity risk	Borrowings and other liabilities	Availability of funded and non funded borrowing
Market risk - Foreign exchange	Payables denominated in foreign currency, receivables denominated in foreign currency, firm commitments in foreign currency.	As exposure to the Foreign exchange risk is not significant, the Company has decided not to manage it separately.
Market risk - Interest rate risk	Borrowings	As exposure to the interest rate risk is not significant, the Company has decided not to

A. Market risk

Market risk is the risk that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. Market risk comprises three types of risk interest rate risk, currency risk and other price risk such as equity price risk and commodity risk. Financial instruments affected by market risk include borrowings, trade and other payables, security deposit, trade and other receivables, deposits with banks.

The sensitivity analysis in the following sections relate to the position as at 31 March 2022 and 31 March 2021. The sensitivity of the relevant income statement item is the effect of the assumed changes in respective market risks. The analyses exclude the impact of movements in market variables on: the carrying values of gratuity and other post retirement obligations and provisions.

Company's activities expose it to variety of market risks, including effect of changes in foreign currency exchange rate and interest rate.

I) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. At the reporting date the interest rate profile of the Company's interest bearing financial instruments are follows:

Particulars	March 31, 2022	March 31, 2021
Fixed rate borrowings		
Term loan from banks/FI	83,858,526	120,393,049
Variable rate borrowings		
Loans repayable on demand	160,948,164	95,376,084

Particulars	March 31, 2022	March 31, 2021
Impact on profit before tax or equity		
Increase by 50 basis points	(1,224,033)	(1,078,846)
Decrease by 50 basis points	1,224,033	1,078,846

II) Foreign currency risk

Foreign currency risk is the risk that fair value or future cash flows of a financial instrument will fluctuate because of changes in foreign exchange rate. Company transacts business in its functional currency, INR and in different foreign currencies. The Company's exposure to the risk of changes in foreign exchange rates relates primarily to the Company's operating activities, where revenue or expense is denominated in a foreign currency. As exposure to the Foreign exchange risk is not significant, the Company has decided not to manage it separately.

Details of foreign currency exposures:

B. Credit risk

Credit risk is the risk that counterparty will not meet its obligations under a financial instrument or customer contract, leading to a financial loss. The Company is exposed to credit risk from its operating activities such as primarily trade receivables and from its investing activities, including deposits with banks and financial institutions, cash and cash equivalent and other financial instruments.

Trade receivables

Customer credit risk is managed by the Company's established policy, procedures and control relating to customer credit risk management. Credit exposure risk is mainly influenced by class or type of customers, depending upon their characteristics. Credit risk is managed through credit approval process by establishing credit limits along with continuous monitoring of credit worthiness of customers to whom credit terms are granted. Outstanding customer receivables are regularly monitored.

Financial instruments and cash deposits

Credit risk from balances with banks and financial institutions is managed by the Company in accordance with Company's policy.

Liquidity risk

Liquidity risk is the risk that the Company may not be able to meet its present and future cash flow and collateral obligations without incurring unacceptable losses. Company's objective is to, at all time maintain optimum levels of liquidity to meet its cash and collateral requirements. Company closely monitors its liquidity position and deploys a robust cash management system. It maintains adequate sources of financing including overdraft & debt from domestic at optimised cost.

The table below summarises the maturity profile of the Company's financial liabilities based on contractual undiscounted payments.

(A) Maturity patterns of borrowings -
