Dear Sir/Madam,

**Reg.: 53<sup>rd</sup> Annual Report of the Company for the Financial Year 2025-26 together with the Notice of 53<sup>rd</sup> Annual General Meeting of the Company scheduled to be held on 25<sup>th</sup> September, 2026.**

We submit herewith the 53<sup>rd</sup> Annual Report of the Company for the Financial Year 2025-26 together with the Notice of 53<sup>rd</sup> Annual General Meeting of the Company scheduled to be held on Friday, the 25<sup>th</sup> September, 2026 at 11:30 a.m. through Video Conference (VC) / Other Audio Visual Means (OAVM).

The said Annual Report is also available at:

[https://gacl.com/wp-content/uploads/2026/08/GACL\\_53rd\\_AR\\_2025-26.pdf](https://gacl.com/wp-content/uploads/2026/08/GACL_53rd_AR_2025-26.pdf)

A copy of 53<sup>rd</sup> Annual Report is being sent by email to all the Shareholders of the Company whose e-mail address are registered with the Company or R&T Agent or Depository Participants.

Further, pursuant to Regulation 36(1)(b) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, a letter providing the web-link of the Annual Report, being sent to those members who have not registered their e-mail address, is also attached and available on the Company's website at:

<https://gacl.com/wp-content/uploads/2026/08/Letter-to-Shareholder.pdf>

Kindly take the above on record.

Thanking you,

Yours faithfully,  
For GUJARAT ALKALIES AND CHEMICALS LIMITED

( S S BHATT )  
COMPANY SECRETARY &  
EXECUTIVE DIRECTOR (LEGAL, CC & CSR)

# Catalysing the Future

## Financial Highlights (On Standalone Basis)

- Net External Sales of Rs.4,246.50 Crores during the year 2025-26 as against Rs.3,959.50 Crores in previous year.
- EBITDA has increased by 15.31% to Rs.521.83 Crores during the year 2025-26 from Rs.452.56 Crores in previous year.
- Profit Before Tax (PBT) has increased by 352.37% to Rs.43.97 Crores during the year 2025-26 from Rs.9.72 Crores in previous year.
- Profit After Tax (PAT) has increased by 31.73% to Rs.20.84 Crores during the year 2025-26 from Rs.15.82 Crores in previous year.

## Project Ahvaan: Driving Transformation for Vision 2031

Launched in 2025, Project Ahvaan is GACL's company-wide business transformation programme designed to accelerate growth and achieve Vision 2031, targeting annual revenues of over Rs.10,000 Crores and an EBITDA margin of more than 20% by FY31. The initiative focuses on improving operating efficiency, reducing costs, optimising plant capacity utilisation and increasing the share of green energy. It also emphasises organisational development through talent management, capability enhancement, digital transformation and greater adoption of artificial intelligence. These focused efforts are expected to enhance operational efficiency and strengthen the Company's competitiveness in the short and long term.

## Vision 2047: Building a Future-Ready GACL

Aligned with the Hon'ble Prime Minister's vision of Viksit Bharat 2047, GACL has approved its Vision 2047 to transform the Company into a larger, diversified, sustainable and globally competitive chemical enterprise. GACL aims to achieve annual revenues of more than Rs.40,000 Crores with an EBITDA margin of 20% by 2047. The phased roadmap is built around six growth pillars: Core Growth, Diversification, Operational Excellence, Digital Transformation, Performance-driven Future-ready Organisation, and Sustainability & Net Zero. The Company will focus on specialty chemicals, operational efficiency, capacity utilisation and global expansion, while strengthening its chlor-alkali leadership. Vision 2047 reaffirms GACL's commitment to ethics, innovation and sustainable growth.

## Strategic Expansion that Accelerates Future Growth

GACL continues to strengthen its growth trajectory through strategic capacity expansion and diversification into value-added products. The Company has successfully commissioned its 30 KTPA Chlorotoluene Plant at Dahej, enabling in-house utilization of chlorine for the manufacture of Benzyl Chloride, Benzyl Alcohol and Benzaldehyde. As India's largest integrated facility for these products, the plant has significantly enhanced the Company's export capabilities and contributed to increased foreign exchange earnings. To further strengthen its presence in this value chain, downstream project of Chlorotoluene products is currently under implementation.

To maintain its leadership in the Food Grade Phosphoric Acid segment, the Company has planned installation of an additional 33,870 TPA production facility. In line with the growing demand for specialty chemicals, GACL is also setting up a 5,000 TPA High Purity Hydrogen Peroxide Plant to cater to emerging market requirements. As part of its ongoing capacity enhancement initiatives, the Company is undertaking reallocation of electrolyzers at its Vadodara complex, increasing Potassium Hydroxide (KOH) production capacity from 120 TPD to 200 TPD. During FY 2026–27, the Company plans to commission several key projects, including HCl Synthesis Unit, Chlorotoluene Downstream Plant, Caustic Soda Flaking Plant and the Cell Element Replacement Project.

These initiatives are expected to further strengthen GACL's manufacturing capabilities, improve operational efficiencies and reinforce its long-term commitment to sustainable growth, innovation and value creation.

## Alternative Energy Powering Strategic Growth

For GACL, sustainability has always been an integral part of its growth strategy. Recognising that the future of the chemical industry lies in balancing industrial progress with environment responsibility, the Company continues to expand its renewable energy portfolio. GACL has established 207.87 MW of renewable energy capacity, comprising 171.45 MW of wind and 36.42 MW of solar power, while also securing 37.50 MW of solar power through a group captive arrangement with GIPCL. Renewable energy currently meets around 35% of the Company's power requirement, with a target to increase this share to nearly 80% over the next two to three years. Strategic partnerships with Aditya Birla Renewables SPV 4 Limited for 62.7MW and Clean Max Enviro Energy Solutions Limited for 75.9 MW hybrid renewable energy projects will further accelerate GACL's transition towards cleaner, reliable and sustainable operations.

## ANNEXURE TO THE NOTICE OF THE 53<sup>RD</sup> ANNUAL GENERAL MEETING

### STATEMENT AS REQUIRED UNDER SECTION 102(1) OF THE COMPANIES ACT, 2013

**The following explanatory statement set out all the material facts relating to Special Business mentioned in the Notice:**

#### Item No. 4

The Board of Directors at their Meeting held on 30.05.2024 have, on the recommendation of the Audit Committee, approved the appointment of M/s. Y. S. Thakar & Co., Cost Accountants, Vadodara (Firm Registration No. 000318) as Cost Auditors of the Company to conduct the Audit of the Cost Records of the Company for the Financial year commencing from 01.04.2026 and ending on 31.03.2027 at a remuneration of Rs.3,19,000/- per annum plus applicable GST.

In accordance with the provisions of Section 148 of the Companies Act, 2013 read with the Companies (Audit and Auditors) Rules, 2014, the remuneration payable to M/s. Y. S. Thakar & Co., Cost Auditor, as recommended by the Audit Committee and approved by the Board is required to be ratified by the Members of the Company.

Accordingly, ratification by the Members is sought for the remuneration payable to the Cost Auditor for the Financial year commencing from 01.04.2026 and ending on 31.03.2027 by passing Ordinary Resolution as set out at Item No. 4 of the Notice.

None of the Directors / Key Managerial Personnel of the Company and their relatives is/are, in any way, concerned or interested, financially or otherwise, in the Resolution.

The Board recommends the Resolution at Item No. 4 of the Notice for your approval.

#### Item No. 5

Section 188 and all other applicable provisions, if any, of the Companies Act, 2013 ("Act") read with Rule 15 of the Companies (Meetings of Board and its Powers) Rules, 2014("Rules"), Regulation 2(1)(zb), 2(1)(zc) and 23 of the SEBI Listing Regulations, as amended till date and the Company's Policy on Related Party Transaction(s) (collectively "applicable laws") provide that transactions with Related Party where the aggregate value of transaction(s) exceeds Rs. 1,000 Crore or 10% of the annual consolidated turnover of the Company as per the last audited Financial statements of the Company, whichever is lower, shall be considered as material related party transactions and will require prior approval of the shareholders through ordinary resolution.

As per Joint Venture-cum-Shareholders' Agreement ("JV Agreement") entered into between the Company and National Aluminium Company Limited (NALCO) on June 23, 2015 ("JV Agreement"), GACL-NALCO Alkalies & Chemicals Pvt. Ltd. ("GNAL") was incorporated on December 4, 2015 for

the purpose of setting up 800 TPD Caustic Soda Plant and 130 MW Coal based Power Plant for captive use and to engage in the business of production of Caustic Soda, Chlorine, Hydrogen, Hydrochloric Acid, Power or any other products as agreed under the JV Agreement.

The Company and GNAL have also entered into Agency Agreement, Common Infrastructure Uses Agreement and Manpower Services Agreement and pursuant to these agreements, the Company and GNAL enters into various transactions viz. Sale of Chlorine, Caustic Soda Supply/distribution, Surplus Power supply, Steam Supply, other Utility services, Raw water reservoir, Cooling water plant, Compressed air system, Boiler and its auxiliaries, Electricity distribution system, Nitrogen system, Process water, DM water, Cooling tower, Instrument Air, and Nitrogen etc.

To give the financial stability to the subsidiary Company and being a major promoter & holding Company of GNAL, during the year 2024-25, GACL had provided backstopping support towards repayment of principal and interest of Compulsory Convertible Debentures (CCDs) amounting to Rs. 300 Crores in proportion to the shareholding of the Company in GNAL (60%). Accordingly, during the Financial year 2026-27, Company will also recognize interest liability in the books of GACL, that will be covered under the proposed approval of shareholders of Related Party Transactions (RPT) of Rs. 1000/- Crores between GACL and GNAL.

In compliance with the Industry Standards on "Minimum information to be provided to the Audit Committee and the Shareholders for approval of Related Party Transactions", the Company affirms that:

- a) The information pertaining to the proposed Related Party Transaction (RPT) was placed before the Audit Committee in the format prescribed under Para 4 of the Industry Standards, to the extent applicable.
- b) The Audit Committee and the Board of Directors have redacted certain commercially sensitive information that could adversely affect the competitive position of the Company. However, it is affirmed that the disclosures provided herein contains sufficient information to enable public shareholders to make an informed decision.
- c) Justification as to why the proposed transactions are in the interest of the listed entity:

As the main activities of the Company are manufacturing and marketing of Chemicals, the Company and NALCO had incorporated GNAL for the purpose of setting up 800 TPD Caustic Soda Plant and 130 MW Coal based Power Plant. The proposed material related party transactions between the Company and its subsidiary will significantly benefit the Company by ensuring optimal utilization of the Company's

existing infrastructure and production capacities, thereby achieving economies of scale and operational efficiency. These transactions covering supply/distribution of essential products and utilities like Chlorine, Caustic Soda, steam, power, DM water, and other services will create a stable, assured demand for the Company's output, support the successful operation of GNAL and help to avoid duplication of infrastructure investments. Overall, this strategic integration strengthens GACL's market position, contributes to cost savings and is expected to enhance long-term shareholders value. To maintain the sustainable business of both the organizations and to avail benefit of synergy, the related party transactions are required to be entered.

- d) It is affirmed that the promoters shall not derive any undue benefit from the RPT at the expense of public shareholders.

As per Regulation 23(4) of the SEBI Listing Regulations, all material related party transactions and subsequent material modifications as defined by the Audit Committee under sub-regulation (2) shall require prior approval of the shareholders through ordinary resolution. No related party shall vote to approve such resolution/s, whether the entity is a related party to the particular transaction or not.

The Audit Committee and the Board of Directors of the Company at their Meetings held on 22<sup>nd</sup> July, 2026 and 23<sup>rd</sup> July, 2026 respectively approved the transactions between the Related Parties, subject to approval of the Members of the Company, by way of Ordinary Resolution.

Details of information to be provided to the Members for consideration of Related Party Transaction under the Companies Act and as per SEBI Listing Regulations read with SEBI Circular No. SEBI/HO/49/14/14(7)2025-CFD-POD2/II/3762/2026 dated January 30, 2026 regarding "Industry Standards on Minimum information to be provided for review of the audit committee and shareholders for approval of a related party transaction" are enclosed in [Annexure II](#) which forms part of this notice.

The Board is of the opinion that Resolution stated in the accompanying Notice is pursuant to the JV Agreement, various other agreements and in the best interest of the Company and its Members and hence, recommends the Resolution for approval by the Members of the Company.

None of the Directors / Key Managerial Personnel of the Company and their relatives, is / are, in any way, concerned or interested, financially or otherwise, in the aforesaid Resolution No. 5 of the Notice.

The Board recommends the Resolution at Item No. 5 of the Notice for your approval.

#### Item No. 6

Section 188 and all other applicable provisions, if any, of the Companies Act, 2013 ("Act") read with Rule 15 of the Companies (Meetings of Board and its Powers) Rules, 2014("Rules"), Regulation 2(1)(zc), Regulation 23

of the SEBI Listing Regulations, as amended till date and the Company's Policy on Related Party Transaction(s) (collectively "applicable laws") provide that transactions with Related Party where the aggregate value of transaction(s) exceeds Rs. 1,000 Crore or 10% of the annual consolidated turnover of the Company as per the last audited Financial statements of the Company, whichever is lower, shall be considered material and will require prior approval of the shareholders through ordinary resolution.

As per Joint Venture-cum-Shareholders' Agreement ("JV Agreement") entered into between the Company and National Aluminium Company Limited (NALCO) on June 23, 2015 ("JV Agreement"), GACL-NALCO Alkalies & Chemicals Pvt. Ltd. ("GNAL") was incorporated on December 4, 2015 for the purpose of setting up 800 TPD Caustic Soda Plant and 130 MW Coal based Power Plant for captive use and to engage in the business of production of Caustic Soda, Chlorine, Hydrogen, Hydrochloric Acid, Power or any other products as agreed under the JV Agreement.

Pursuant to the JV Agreement, NALCO shall purchase prescribed quantity of the Caustic Soda produced in the Caustic Soda Plant of GNAL. Accordingly, GNAL and its related party NALCO has entered into Caustic Soda Supply Agreement where the Company is a confirming party to the contract / arrangement.

In view of the above, the transactions between Subsidiary (i.e. GNAL) and its related party i.e. NALCO shall also come within the purview of Related Party Transaction of the Company in terms of Regulation 2(1)(zc) of the SEBI Listing Regulations even though the Company is only a confirming party to that transaction and therefore, transactions under the Caustic Soda Supply Agreement between GNAL and NALCO would be considered as "Related Party Transaction" for the Company.

To give the financial stability and being a promoter of GNAL, during the year 2024-25, NALCO had provided backstopping support towards repayment of principal and interest of Compulsory Convertible Debentures (CCDs) amounting to Rs. 200 Crores in proportion to the shareholding of NALCO in GNAL (40%). Accordingly, during the Financial year 2026-27 NALCO may recognize interest liability, that will be covered under the proposed approval of shareholders of Related Party Transactions (RPT) of Rs. 1000/- Crores between GNAL and NALCO.

In compliance with the Industry Standards on "Minimum information to be provided to the Audit Committee and Shareholders for approval of Related Party Transactions", the Company affirms that:

- The information pertaining to the proposed Related Party Transaction (RPT) was placed before the Audit Committee in the format prescribed under Para 4 of the Industry Standards, to the extent applicable.
- The Audit Committee and the Board of Directors have redacted certain commercially sensitive information that could adversely affect the competitive position of the

Company. However, it is affirmed that the disclosures provided herein contain sufficient information to enable public shareholders to make an informed decision.

- c) Justification as to why the proposed transaction is in the interest of the listed entity.

The transactions between GNAL and NALCO benefits the GNAL to efficiently operate Caustic Soda Plant of GNAL. By selling prescribed quantity of Caustic Soda produced by GNAL to NALCO, the transaction guarantees a stable and assured off-take of products of GNAL, which in turn secures consistent revenue streams and optimizes plant utilization. Additionally, this arrangement strengthens the Company and NALCO, by enhancing operational efficiency, and supports long term growth by leveraging the combined strengths of all the three parties.

- d) It is affirmed that the promoters shall not derive any undue benefit from the RPT at the expense of public shareholders.

As per Regulation 23(4) of the SEBI Listing Regulations, all material related party transactions and subsequent material modifications as defined by the Audit Committee under sub-regulation (2) shall require prior approval of the shareholders through ordinary resolution. No related Party shall vote to approve such resolution/s whether the entity is a related party to the particular transaction or not.

In view of the above, approval of the Shareholders is being sought for transactions between GNAL and NALCO, the related parties in terms of Regulation 2(1)(zb) read with Regulation 2(1)(zc) of the SEBI Listing Regulation because the transactions when entered into under the caustic soda supply agreement between GNAL and NALCO may likely to exceed the threshold limits stipulated under the applicable laws in future.

Therefore, the Audit Committee and the Board of Directors

of the Company at their Meetings held on 22<sup>nd</sup> July, 2026 and 23<sup>rd</sup> July, 2026 respectively approved the transactions between the Related Parties, subject to approval of the Members of the Company, by way of Ordinary Resolution.

Details of information to be provided to the Members for consideration of Related Party Transaction under the Companies Act and as per SEBI Listing Regulations read with SEBI Circular No. SEBI/HO/49/14/14(7)2025-CFD-POD2/1/3762/2026 dated January 30, 2026 regarding "Industry Standards on Minimum information to be provided for review of the Audit Committee and shareholders for approval of a related party transaction" are enclosed in **Annexure III** which forms part of this notice.

The Board is of the opinion that Resolution stated in the accompanying Notice is pursuant to the JV Agreement and in the best interest of the Company and its Members and hence, recommends the Resolution for approval by the Members of the Company.

None of the Directors / Key Managerial Personnel of the Company and their relatives, is / are, in any way, concerned or interested, financially or otherwise, in the aforesaid Resolution No. 6 of the Notice.

The Board recommends the Resolution at Item No. 6 of the Notice for your approval.

& Executive Director (Legal, CC & CSR)

Place : Vadodara

Date : 4<sup>th</sup> August, 2026

**NOTES:**

1. The Ministry of Corporate Affairs ("MCA") has vide its various Circulars including last General Circular Nos. 03/2025 dated September 22, 2025 in relation to "Clarification on holding of Annual General Meeting (AGM) through Video Conferencing (VC) or Other Audio Visual Means (OAVM)", (collectively referred to as "MCA Circulars") permitted the holding of the Annual General Meeting ("AGM") through VC/OAVM, without the physical presence of the Members at a common venue. In accordance with the aforementioned MCA Circulars, provisions of the Companies Act, 2013 ("the Act") and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), as amended from time to time, the 53<sup>rd</sup> AGM of the Company will be held through VC / OAVM. The deemed venue for the AGM shall be Registered Office of the Company.

2. **A Member entitled to attend and vote at the Annual General Meeting ("the meeting") is also entitled to appoint a proxy to attend and vote on a poll instead of himself and a proxy need not be a member of the Company. Since, this AGM is being held pursuant to the MCA Circulars, through VC/OAVM, Physical attendance of Members have been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for AGM and hence the Proxy Form and Attendance Slip are not annexed to this Notice.**

Institutional / Corporate Members are requested to send a scanned copy (PDF / JPEG format) of the Board Resolution authorizing its representatives to attend and vote at the AGM, pursuant to Section 113 of the Companies Act, 2013, at [cossec@gacl.co.in](mailto:cossec@gacl.co.in).

3. In compliance with the MCA Circulars and SEBI's Circulars, Notice of AGM along with Annual Report 2025-26 is being sent only through electronic mode to those Members whose E-mail addresses are registered with the Company/Depositories. Members may note that the Notice along with Annual Report 2025-26 has been uploaded on the website of the Company at [www.gacl.com](http://www.gacl.com) and on the websites of the Stock Exchanges at [www.bseindia.com](http://www.bseindia.com) and [www.nseindia.com](http://www.nseindia.com) and on the website of CDSL at [www.evotingindia.com](http://www.evotingindia.com).

4. Members attending AGM through VC/OAVM shall be counted for the purpose of reckoning quorum under Section 103 of the Companies Act, 2013.

5. Since the AGM will be held through VC/OAVM, the route map of the venue of the meeting is not annexed hereto.

6. A Statement pursuant to Section 102(1) of the Companies Act, 2013, in respect of business under Item No. 4 to 6 is annexed to the Notice.

The particulars of qualification, experience and other Directorships etc. of the Director proposed to be appointed / reappointed are given in the **Annexure - I** forming part of this Notice.

7. The **Record Date** fixed for determining entitlement of Members to final dividend for the Financial year ended March 31, 2026, if approved at the AGM, is Friday, **18<sup>th</sup> September, 2026**. The dividend on equity shares, if declared at the AGM, will be paid on or after 30<sup>th</sup> September, 2026 to the Members, whose names appear in the Register of Members/ List of Beneficial Owners as on Friday, **18<sup>th</sup> September, 2026**.

Effective from April 1, 2024, SEBI has mandated that the shareholders, who hold shares in physical mode and whose folios are not updated with (i) PAN (ii) Contact Details (iii) Mobile Number (iv) Bank Account Details and (v) Signature, shall be eligible to get dividend only in electronic mode. Accordingly, payment of Dividend, subject to approval at the AGM, shall be made to physical holders only after the above details are updated in their folios. Shareholders are requested to complete these details by writing to the Company's RTA, MUFG Intime India Pvt. Ltd. (Formerly known as Link Intime India Pvt. Ltd.) at [investor.helpdesk@in.mpms.mufg.com](mailto:investor.helpdesk@in.mpms.mufg.com). The forms for updating the same are available at <https://web.in.mpms.mufg.com/KYC-downloads.html>. The said forms are also available at the website of the Company at <https://gacl.com/update-register-e-mail-pan-nomination-download-forms/>.

8. (a) Members holding shares in electronic form may note that their bank details as may be furnished to the Company by respective Depositories will only be considered for remittance of dividend through NECS/ECS. Beneficial Owners holding Shares in demat form are requested to get in touch with their Depository Participants (DP) to update / correct their NECS/ ECS details to avoid any rejections and also give instructions regarding change of address, if any, to their DPs. It is requested to attach a photocopy of a cancelled cheque with your instructions to your DP.

(b) The Company has appointed MUFG Intime India Pvt. Ltd. (Formerly known as Link Intime India Pvt. Ltd.) as Registrar and Share-Transfer Agent (R&T Agent). Members are requested to send all future correspondence to the MUFG Intime India Pvt. Ltd. (Formerly known as Link Intime India Pvt. Ltd.). "Geetakunj", 1, Bhakti Nagar Society, Behind ABS Tower, Old Padra Road, Vadodara, Gujarat - 390015. Members holding shares in physical mode are requested to notify immediately any change in their addresses, the Bank mandate or Bank details along with required forms viz. Forms ISR-1, ISR-2, ISR-3 / SH-13 and supporting documents to the R&T Agent of the Company.

(c) Shareholders holding shares in physical form are requested to update/register their PAN, Nomination, Contact Details i.e. Postal address with PIN, Mobile number, E-mail address, Bank Account details and Specimen Signature by providing form ISR-1, ISR-2, ISR-3 / form SH-13 complete in all respects along with other required documents as prescribed in these forms. These forms are

available on the website of the Company at <https://gacl.com/update-register-e-mail-pan-nomination-download-forms/> and also available on the website of Share Transfer Agent viz.

<https://web.in.mpms.mufig.com/KYC-downloads.html>. The said forms can be submitted by any one of the following modes:-

- (i) Sending hard copy of the said forms along with required documents to our RTA, MUFG Intime India Pvt. Ltd. (Formerly known as Link Intime India Pvt. Ltd.) at C-101, 247 Park, L.B.S. Marg, Vikhroli (West), Mumbai - 400083, Unit: Gujarat Alkalies and Chemicals Limited; or
- (ii) In person verification (IPV) of the said forms and required documents at the office of our RTA, MUFG Intime India Pvt. Ltd. (Formerly known as Link Intime India Pvt. Ltd.) at "Geetakunj", 1, Bhakti Nagar Society, Behind ABS Tower, Old Padra Road, Vadodara, Gujarat - 390015; or
- (iii) Through electronic mode, by downloading and filling the said forms with e-sign. The required documents should be uploaded at the website of the RTA of the Company at <https://web.in.mpms.mufig.com/KYC/index.html>. Procedure for uploading is available at the said link.

Shareholders holding shares in dematerialized mode are also requested to update/register their KYC details including email address with the Depository Participants (DP).

9. The payment of unencashed dividend shall be made only after receipt of final list of unclaimed dividend and reconciliation of Dividend Account from Bank. The payment of unclaimed dividend will be made by electronic bank transfer or in case of failure/rejection shareholder has to update the Bank details and after updation, payment will be made through electronic mode.

Pursuant to the Income Tax Act, dividend income is taxable in the hands of shareholders and the Company is required to deduct tax at source on payment of dividend at the prescribed rates. The Shareholders are requested to refer the Income Tax Act and amendments thereof for prescribed rates for various categories of shareholders. Shareholders may submit their forms for non-deduction of tax at source (TDS) viz. Form 121 (erstwhile Form No. 15G /15H/10F) and other relevant documents with RTA of the Company at <https://web.in.mpms.mufig.com/client-downloads.html> latest by 5<sup>th</sup> September, 2026. For any query, shareholder can send an E-mail to [investor.helpdesk@in.mpms.mufig.com](mailto:investor.helpdesk@in.mpms.mufig.com)

10. (a) Pursuant to the provisions of Section 124(5) of the Companies Act, 2013 read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016 as amended (hereinafter referred to as "IEPF Rules"), the Company has transferred the unclaimed dividend under Section

124 (5) of the Act to Investor Education and Protection Fund (IEPF) as detailed below:

| Financial Year | Date of                 |                                      |                     |                          |
|----------------|-------------------------|--------------------------------------|---------------------|--------------------------|
|                | Declaration of Dividend | Transferred to Un-paid Dividend A/c. | Transferred to IEPF | Amount Transferred (Rs.) |
| 2017-18        | 28.09.2018              | 29.10.2018                           | 06.11.2025          | 23,16,873                |

- (b) Attention of the Members is drawn to the provisions of Section 124 (6) of the Act which requires the Company to transfer all Shares in respect of which dividend has not been paid or claimed for seven (07) consecutive years or more to IEPF Authority.

In accordance with the aforesaid provision of the Act read with the Investors Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended, the Company has transferred 33,418 Equity Shares of 397 Shareholders of the Company in respect of which dividend declared for the Financial Year 2017-18 has remained unclaimed or unpaid for a period of seven (07) consecutive years or more through Corporate Actions to the Demat Account of IEPF Authority.

- (c) The Members who have not encashed dividends for the years 2018-19, 2019-20, 2020-21, 2021-22, 2022-23, 2023-24 and 2024-25 are requested to claim payment immediately by registering the PAN, KYC details and nomination with Company's R&T Agent, MUFG Intime India Pvt. Ltd. (Formerly known as Link Intime India Pvt. Ltd.) at the modes specified above. After seven years, unclaimed dividend shall be transferred to the Investor Education and Protection Fund. Pursuant to provisions of the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended, the details of unclaimed dividend amount lying with the Company as on 31.03.2025 has been uploaded on the Company's website [www.gacl.com](http://www.gacl.com) and also filed with the Ministry of Corporate Affairs.

11. Any person, whose unclaimed dividend or shares have been transferred to the IEPF Authority may claim back the same by making an application in Form IEPF 5 to the IEPF Authority, which is available on Website of IEPF Authority at [www.iepf.gov.in](http://www.iepf.gov.in).
12. As on 31.03.2026, Share Certificates for 354 shares of 10 shareholders / allottees (returned undelivered by Post) are lying in Unclaimed Shares Suspense Account with the Stock Holding Corporation of India Ltd. (SHCIL), Vadodara in Demat form. As per SEBI (Listing Obligations and Disclosure Requirements) (Fourth Amendment) Regulations, 2018 and SEBI Circular No. PR No.: 51/2018 dated 3<sup>rd</sup> December, 2018, transfer of shares in physical mode were allowed up to 31.03.2019 and w.e.f. 01.04.2019, transfer of shares of Listed Company can only be affected in the dematerialized form.

SEBI vide its Circular No. [SEBI/HO/MIRSD/MIRSD-PoD/P/CIR/2026/97](#) dated 2 July, 2026 has opened a special window for re-lodgement of transfer deeds, which were lodged prior to the deadline of 1<sup>st</sup> April, 2019 and rejected/returned/not attended due to deficiency in the documents/process/or otherwise, for a period of one year from 5<sup>th</sup> February, 2026 till 4<sup>th</sup> February, 2027, in order to facilitate investors and to secure the rights of investors in the securities which were purchased by them. For more details kindly refer the weblink of the website of the Company <https://gacl.com/wp-content/uploads/2026/06/Newspaper-Advertisements-with-respect-to-Special-Window-for-Transfer-.pdf>

Pursuant to SEBI Circular dated January 25, 2022, the listed companies shall issue the securities in dematerialized form only, for processing any service requests from shareholders viz., issue of duplicate share certificates, endorsement, transmission, transposition, etc. After processing the service request, a letter of confirmation is issued to the shareholders and shall be valid for a period of 120 days, within which the shareholder shall make a request to the Depository Participant for dematerializing those shares. If the shareholders fail to submit the dematerialisation request within 120 days, then the Company shall credit those shares in the Suspense Escrow Demat account held by the Company. As on 31.03.2026, 1161 shares of 9 shareholders are lying in GACL Suspense Escrow Demat Account. Shareholders can claim these shares transferred to Suspense Escrow Demat account on submission of necessary documentation.

13. Pursuant to the provisions of Section 72 of the Companies Act, 2013, Shareholders are entitled to make nomination in respect of the shares held by them in physical form. Shareholders desirous of making nominations are requested to send their requests in Form SH-13 (which is available at [https://gacl.com/wp-content/uploads/2023/12/4b28a\\_form\\_sh\\_13.pdf](https://gacl.com/wp-content/uploads/2023/12/4b28a_form_sh_13.pdf)) to the R&T Agent, MUFG Intime India Pvt. Ltd. (Formerly known as Link Intime India Pvt. Ltd.) at the address given above.
14. **Members who have not registered their E-mail addresses so far are requested to register their e-mail address for receiving all communication including Annual Report, Notices, Circulars, etc. from the Company electronically.**
15. Members who would like to seek any information on any matter to be placed at AGM with regard to Audited Annual Accounts or any other proposed Resolution(s) during the Meeting or would like to express their views, may register themselves as a speaker by sending their request from their registered E-mail address mentioning their name, DPID/Client ID/Folio number, PAN, Mobile Number at [cossec@gacl.co.in](mailto:cossec@gacl.co.in) on or before 14<sup>th</sup> September, 2026. Only those Members who have registered themselves as a speaker will be allowed to express their views/ ask questions during the AGM. The Members who do not wish to speak during the AGM but have queries may send their queries in advance

on or before 14<sup>th</sup> September, 2026 mentioning their name, Demat Account Number/Folio Number, e-mail ID, Mobile Number at [cossec@gacl.co.in](mailto:cossec@gacl.co.in). The Company will reply to these queries suitably.

## Inspection of documents:

All documents referred to in this Notice and Statement u/s. 102 of the Act (except the agreements/contracts entered by the Company with GNAL) will be available for inspection by the Members of the Company from the date of circulation of this Notice upto the date of the AGM. Members seeking to inspect such documents may send an e-mail to [cossec@gacl.co.in](mailto:cossec@gacl.co.in).

16. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form should submit their PAN to the Company / R&T Agent.
17. **Procedure for Remote E-Voting, Attending the AGM through Video Conference/Other Audio-Visual Means (VC/OAVM) and E-Voting facility during the AGM.**

## A. E-Voting facility:

- I. Pursuant to the provisions of Section 108 of the Companies Act, 2013, read with Rule 20 of the Companies (Management and Administration) Rules, 2014 as amended from time to time and Regulation 44 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 read with SEBI Circular on e-Voting facility provided by Listed Entities dated December 09, 2020 and the General Circulars issued by the Ministry of Corporate Affairs dated April 08, 2020, April 13, 2020 and other relevant circulars, including General Circular dated September 22, 2025, the Company is providing facility for voting by electronic means ("e-Voting") and the business in respect of all Shareholders' Resolutions may be transacted through such e-Voting. The facility is provided to the Shareholders to exercise their right to vote by electronic means from a place other than the venue of AGM ("remote e-Voting") as well as e-Voting system on the date of AGM through e-Voting services provided by Central Depository Services (India) Limited (CDSL).

The Members who would have already cast their votes by remote e-Voting prior to the AGM date, may attend the meeting through VC/OAVM but shall not be entitled to cast their votes again.

- II. The Company has fixed Friday, 18<sup>th</sup> September, 2026 as a cut-off date to record the entitlement

of the Shareholders to cast their votes electronically by remote e-Voting as well as by e-Voting system on the date of AGM.

- III. The remote e-Voting period commences on Tuesday, 22<sup>nd</sup> September, 2026 (09:00 a.m.) and ends on Thursday, 24<sup>th</sup> September, 2026 (05:00 p.m.). During this period, Shareholders of the Company, holding shares either in physical form or in dematerialized form as on the cut-off date, i.e., 18<sup>th</sup> September, 2026 may cast their vote electronically. The e-Voting module shall be disabled by CDSL for voting after 5.00 p.m. on 24<sup>th</sup> September, 2026. Once the vote on a resolution is cast by the Member, he/she shall not be allowed to change it subsequently.

- IV. Any person, who becomes the Member of the Company

after dispatch of the Notice of the meeting and holds shares as on the cut-off date i.e. Friday, 18<sup>th</sup> September, 2026 may obtain USER ID and password by following e-Voting instructions which is a part of the Notice and the same is also placed in e-Voting Section of CDSL Website i.e. [www.cdslindia.com](http://www.cdslindia.com) / [www.evotingindia.com](http://www.evotingindia.com) and Company's Website i.e. [www.gacl.com](http://www.gacl.com). For further guidance, Members are requested to send their query by E-mail at [helpdesk.evoting@cdslindia.com](mailto:helpdesk.evoting@cdslindia.com).

- V. In terms of SEBI Circular No. SEBI/HO/CFD/ CMD/ CIR/P/2020/242 dated December 09, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories / Websites of Depositories and Depository Participants. Shareholders are advised to update their mobile number and email ID in their demat accounts in order to access e-Voting facility.

**B. PROCEDURE FOR REMOTE E-VOTING AND FOR JOINING AGM THROUGH VC/OAVM – FOR INDIVIDUAL SHAREHOLDERS HOLDING SECURITIES IN DEMAT MODE:**

| Type of shareholders                                                  | Login Method                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |

- 5) If you are holding shares in demat form and had logged on to [www.evotingindia.com](http://www.evotingindia.com) and voted on an earlier e-Voting of any company, then, your existing password is to be used.
- 6) If you are a first-time user, follow the steps given below:

|                                                     | <b>For Members holding shares in Demat Form other than individual Shareholder and Members holding Shares in Physical Form</b>                                                                                                                                                                                                                                                                              |
|-----------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Permanent Account Number (PAN)</b>               | Enter your 10 digit alpha-numeric PAN issued by Income Tax Department (Applicable for both Shareholders holding shares in demat as well as physical form).<br><br>Members who have not updated their PAN with the Company/Depository Participant are requested to use the 10 Digits Sequence Number. The Sequence Number is communicated by an e-mail indicated in the PAN field or contact Company / RTA. |
| <b>Dividend Bank Details OR Date of Birth (DOB)</b> | Enter the Dividend Bank Details or Date of Birth (in dd/mm/yyyy format) as recorded in your demat account or in the company records in order to login.<br><br>If both the details (i.e. Dividend Bank Details and Date of Birth) are not registered with the Company or Depository, please enter the Member ID / Folio No. in the Dividend Bank details field mentioned in instruction (3) hereinabove.    |

- 7) After entering these details appropriately, click on “SUBMIT” tab.
- 8) Members holding shares in physical form will then directly reach the Company selection screen. However, Members holding shares in demat form will now reach ‘Password Creation’ menu wherein they are required to mandatorily enter their login password in the new password field. Kindly note that this password is to be also used by the demat holders for voting for resolutions of any other company on which they are eligible to vote, provided that company opts for e-voting through CDSL platform. It is strongly recommended, not to share your password with any other person and take utmost care to keep your password confidential.
- 9) For Members holding shares in physical form, the details can be used only for e-Voting on the Resolutions contained in this Notice.
- 10) Click on the **EVSN 260805002 for GUJARAT ALKALIES AND CHEMICALS LIMITED** for which you choose to vote.
- 11) On the voting page, you will see “RESOLUTION DESCRIPTION” and against the same the option “YES/NO” for voting. Select the option YES or NO as desired by you. The option “YES” implies that you assent to the Resolution and option “NO” implies that you dissent to the Resolution.
- 12) Click on the “RESOLUTIONS FILE LINK” if you wish to view the entire Resolution details.
- 13) After selecting the resolution, you have decided to vote on, click on “SUBMIT”. A confirmation box will be displayed. If you wish to confirm your vote, click on “OK”, else to change your vote, click on “CANCEL” and accordingly modify your vote.
- 14) Once you “CONFIRM” your vote on the resolution, you will not be allowed to modify your vote.

- 15) You can also take a print of the votes cast by clicking on “Click here to print” option on the Voting page.
- 16) If a demat account holder has forgotten the login password then Enter the User ID and the image verification code and click on Forgot Password & enter the details as prompted by the system.

**17) Additional facility for Non – Individual Shareholders and Custodians – Remote e-Voting only:**

- Non-Individual shareholders (i.e. other than Individuals, HUF, NRI etc.) and Custodians are required to log on to [www.evotingindia.com](http://www.evotingindia.com) and register themselves in the “Corporates” module.
- A scanned copy of the Registration Form bearing the stamp and sign of the entity should be emailed to [helpdesk.evoting@cdslindia.com](mailto:helpdesk.evoting@cdslindia.com).
- After receiving the login details, a Compliance User will be created using the Admn. Login and Password. The Compliance User would be able to link the account(s) for which they wish to vote on.
- The list of accounts linked in the login should be mailed to [helpdesk.evoting@cdslindia.com](mailto:helpdesk.evoting@cdslindia.com) and on approval of the accounts they would be able to cast their vote.
- A scanned copy of the Board Resolution and Power of Attorney (POA) which they have issued in favour of the Custodian, if any, should be uploaded in PDF format in the system for the scrutinizer to verify the same.
- **Alternatively, Non Individual shareholders are required to send the relevant Board Resolution/ Authority letter etc. together with attested specimen signature of the duly authorized signatory who are authorized to vote, to the Scrutinizer and to the Company at the email address viz : [cosec@gacl.co.in](mailto:cosec@gacl.co.in), if they have voted from individual tab & not uploaded same in the CDSL e-Voting system for the scrutinizer to verify the same.**

You can also update your mobile number and e-mail ID records with R&T Agent/Company (for physical shares) and with Depository Participants (for Demat Shares) before cut-off date i.e. 18<sup>th</sup> September, 2026, for e-Voting.

In case you have any queries or issues regarding e-Voting, you may refer the Frequently Asked Questions (FAQs) and e-Voting manual available at [www.evotingindia.com](http://www.evotingindia.com) under ‘Help Section’ or write an E-mail to [helpdesk.evoting@cdslindia.com](mailto:helpdesk.evoting@cdslindia.com) or contact at toll free no. 1800 210 9911.

All grievances connected with the facility for voting by electronic means may be addressed to Mr. Rakesh Dalvi, Sr. Manager, (CDSL) Central Depository Services (India) Limited, A Wing, 25<sup>th</sup> Floor, Marathon Futurex, Mafatlal Mill Compounds, N M Joshi Marg, Lower Parel (East), Mumbai : 400 013 or you may send an E-mail to [helpdesk.evoting@cdslindia.com](mailto:helpdesk.evoting@cdslindia.com) or call on 1800 210 9911.

**D. Instructions for Shareholders for E-Voting during the AGM:**

1. The procedure for e-Voting on the day of the AGM is same as the instructions mentioned in Points “A”, “B” and “C” above for e-Voting.
2. Only those Shareholders, who are present in the AGM through VC/OAVM facility and have not casted their vote on the Resolutions through remote e-Voting and are otherwise not barred from doing so, shall be eligible to vote through e-Voting system available in the AGM.
3. If any Votes are cast by the Shareholders through the e-Voting available during the AGM and if the same shareholders have not participated in the meeting through VC/OAVM facility, then the votes cast by such shareholders shall be considered invalid as the facility of e-Voting during the meeting is available only to the shareholders participating in the meeting.
4. Shareholders who have voted through Remote e-Voting will be eligible to attend the AGM. However, they will not be eligible to vote at the AGM.
5. The voting rights of shareholders shall be in proportion to their shares of the paid-up equity share capital of the Company as on the cut-off date of **18<sup>th</sup> September, 2026**.
6. M/s. Samdani Shah & Kabra, Practicing Company Secretaries, Vadodara has been appointed as Scrutinizer to scrutinize the remote e-Voting process as well as the e-Voting system on the date of the AGM.
7. The result of the voting will be announced by the Chairman of the meeting within stipulated time as per the Scrutinizer’s Report to be submitted to the Chairman. The results of voting will be communicated to the stock exchanges and will be placed on the CDSL’s Website (under “Notices – Results section”) i.e. [www.evotingindia.com](http://www.evotingindia.com) ; on the Website of the Company i.e. [www.gacl.com](http://www.gacl.com) and also on the notice board of the Company.

**E. Process for those Members whose E-mail IDs / Mobile No. are not registered:**

- i. For Members holding shares in Physical mode - please provide necessary details like Folio No., Name of Members by E-mail to [investor.helpdesk@in.mpms.mufig.com](mailto:investor.helpdesk@in.mpms.mufig.com).

- ii. Members holding shares in Demat mode can get their E-mail ID / Mobile No. registered, which is mandatory while e-Voting and joining AGM through VC/OAVM, by contacting their respective Depository Participant.

**F. Instructions for Members joining the AGM through VC/ OAVM:**

1. The Members can join the AGM through VC/OAVM mode 15 minutes before and after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1,000 Members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.
2. The link for VC/OAVM to attend AGM will be available where the **EVS**N of the Company will be displayed after successful login as per the instructions mentioned in Sr. No. "A", "B" and "C" above for e-Voting.
3. Members are encouraged to join the Meeting through Laptops for better experience.
4. Members will be required to allow Camera and use Internet with a good speed to avoid any disturbance during the meeting.
5. Please note that Participants Connecting from Mobile Devices or Tablets or through Laptop connecting via Mobile Hotspot may experience Audio/Video loss due to fluctuation in their respective network. It is therefore recommended to use Stable Wi-Fi or LAN Connection to mitigate any kind of aforesaid glitches.

| 6. | The percentage of the listed entity's annual consolidated turnover, for the immediately preceding Financial year, that is represented by the value of the proposed transaction (and for a RPT involving a subsidiary, such percentage calculated on the basis of the subsidiary's annual turnover on a standalone basis shall be additionally provided); | 18.65%<br>89.76%                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |
| 7. | Justification as to why the RPT is in the interest of the listed entity                                                                                                                                                                                                                                                                                  | As the main activities of the Company are manufacturing and marketing of Chemicals, the Company and NALCO had incorporated GNAL for the purpose of setting up of 800 TPD Caustic Soda Plant and 130 MW Coal based Power Plant. The proposed material related party transactions between GACL and its subsidiary GNAL will significantly benefit the Company by ensuring optimal utilization of GACL's existing infrastructure and production capacities, thereby achieving economies of scale and operational efficiency. The Company has also established Chloromethane plant and Chlorotoluene plant near this plant of GNAL. These transactions covering supply of essential products like Chlorine, Caustic Soda and utilities like steam, power, DM water, and other services will not only ensure production of GACL's Chloromethane plant and Chlorotoluene plant but also support the successful operation of the GNAL and help to avoid duplication of infrastructure investments. |

|    |                                                                                                                         |                                                                                                                                                                |

| 6. | The percentage of the listed entity's annual consolidated turnover, for the immediately preceding financial year, that is represented by the value of the proposed transaction (and for a RPT involving a subsidiary, such percentage calculated on the basis of the subsidiary's annual turnover on a standalone basis shall be additionally provided); | 18.65%<br>89.76%                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| 7. | Justification as to why the RPT is in the interest of the listed entity                                                                                                                                                                                                                                                                                  | <p>The transactions between GNAL and NALCO benefit GNAL to efficiently operate Caustic Soda Plant of GNAL. The benefit of transaction of purchasing prescribed quantity of caustic soda by NALCO from GNAL guarantees a stable and assured off-take of products to GNAL, which in turn secures consistent revenue streams and optimizes plant utilization. Additionally, this arrangement strengthens GACL and NALCO, by enhancing operational efficiency, and supports long-term growth by leveraging the combined strengths of both parties.</p> <p>Overall, this strategic integration strengthens GACL's market position, contributes to cost savings, and is expected to enhance long-term shareholder's value.</p> |

### SUBSIDIARY, JOINT VENTURE OR ASSOCIATE COMPANY

#### GACL-NALCO Alkalies & Chemicals Pvt. Ltd.

The Company and National Aluminium Company Limited (NALCO), a Government of India Enterprise (a Navratna Company) have jointly incorporated a Joint Venture Company, viz., GACL-NALCO Alkalies & Chemicals Pvt. Ltd. (GNAL) (CIN U24100GJ2015PTC085247) on 4<sup>th</sup> December, 2015 for setting up 2,66,667 MTPA (100%) Caustic Soda Plant and 130 MW Coal based Power Plant at Dahej, Gujarat.

The Company holds 60% and NALCO holds 40% in GNAL. Accordingly, GNAL is a subsidiary of the Company. Effective from 1<sup>st</sup> April, 2024, GNAL has become material subsidiary company of the Company.

The Managing Director of the Company is the Chairperson of GNAL. The Managing Director of the Company does not draw any commission or any remuneration from GNAL or any sitting fees for attending the meetings of the Board of Directors or Committees thereof.

Dr. Chinmay Ghoroi, Independent Director of the Company is also a Director in GNAL.

As per Section 129(3) of the Companies Act, 2013 read with Rule 5 of the Companies (Accounts) Rules, 2014, a

separate statement containing the salient features of Financial statement of the Joint Venture / Subsidiary Company in Form AOC-1 forms part of the Annual Report.

In accordance with the provisions of Section 136 of the Companies Act, 2013, the Annual Report of the Company, containing Standalone and Consolidated Financial Statements of the Company has been placed on the Website of the Company at [www.gacl.com](http://www.gacl.com). Further, the Audited Financial Statements of GNAL for the year ended 31<sup>st</sup> March, 2026 are also placed on the Website of the Company at [www.gacl.com](http://www.gacl.com) and also at Website of GNAL at [www.gnal.co.in](http://www.gnal.co.in).

Interested Shareholders may obtain a physical copy of the audited Financial statements of the Subsidiary Company by sending a request to the Company Secretary at the Company's Registered Office.

GNAL has successfully completed the start-up of all its units, including both the units of 130 MW Power Plant. The Caustic Soda Plant, Flaking Unit and Power plant are consistently operating at higher capacity during 2025-26.

#### **Vadodara Jal Sanchay Pvt. Ltd.**

The Government of Gujarat, vide Gazette Notification dated 28.05.2018, notified the "Policy for Reuse of Treated Waste Water" (TWW). As per the said Policy, Reuse of TWW was mandatory for industries consuming minimum 1 lakh liter per day (100 M<sup>3</sup>/day) of fresh water for non-potable purpose and which are situated within 50 km distance from STP or city limits.

In compliance of the said Policy, the Board of Directors of the Company at its Meeting held on 6<sup>th</sup> February, 2020 had approved formation of Special Purpose Vehicle / Joint Venture Company comprising of Gujarat State Fertilizers & Chemicals Limited (GSFC), Gujarat Alkalies and Chemicals Limited (GACL), Gujarat Industries Power Company Limited (GIPCL) and Vadodara Municipal Corporation (VMC) as its joint venture partners for establishment of a new secondary treated waste water plant (STP) of 50 MLD capacity in the state of Gujarat. Accordingly, a Special Purpose Vehicle / Joint Venture Company in the name of Vadodara Jal Sanchay Private Limited (VJSPL) was incorporated on 22.07.2020 for establishment of new secondary treated waste water plant (STP) of 50 MLD at Vadodara, Gujarat. The Company had subscribed 3,00,000 equity shares of Rs.10/- each (i.e. Rs.30 lakhs) (15%) to the Memorandum of Association (MoA) of VJSPL on 15<sup>th</sup> July, 2020. During the year 2024-25, the Company has participated in the rights issue of Vadodara Jal Sanchay Private Limited by way of further subscribing to equity share capital by contribution of Rs. 3.60 Crores (36 Lakhs equity shares of Rs. 10 each) in the proportion of existing Shareholding (i.e.15%) in Joint Venture Company, Vadodara Jal Sanchay Private Limited for funding the Tertiary Treatment of Waste Water (TTWW) project.

#### **Aditya Birla Renewables SPV 4 Limited.**

The Board of Directors of the Company at its Meeting held on 7<sup>th</sup> November, 2024 had given in-principle approval for setting up 62.7 MW Renewable Hybrid Power Project in Gujarat for 100% captive power usage by the Company. The Board, in the said meeting, had formed Investment Committee of Directors to approve Shareholders' Agreement and Power Consumption Agreement. The Investment Committee of Directors had in its meeting held on 25<sup>th</sup> November, 2024, had granted its approval for execution of the said agreements by the Company with M/s. Aditya Birla Renewables Limited (ABRen). Accordingly, the Company had executed Shareholders' Agreement and Power Consumption Agreement with ABRen on 28<sup>th</sup> December, 2024.

Meanwhile, a Special Purpose Vehicle viz. Aditya Birla Renewables SPV 4 Limited was already incorporated on 14<sup>th</sup> December, 2024 by Aditya Birla Renewables Limited (ABRen). Therefore, the Shareholders' Agreement dated 28.12.2024 was executed amongst of the Company, ABRen and Aditya Birla Renewables SPV 4 Limited. The Power Consumption Agreement was executed between the Company and Aditya Birla Renewables SPV 4 Limited. Thus, during the year 2024-25, the Company had acquired 2,600 equity shares of Rs.10/- each (i.e., Twenty-Six Thousand) (26%) of Aditya Birla Renewables SPV 4 Limited ("SPV Company") on 21<sup>st</sup> February, 2025 from ABRen. The Project for setting up 62.7 MW Renewable Hybrid Power in Gujarat is being executed by Aditya Birla Renewables SPV 4 Limited.

As per the Shareholders Agreement, Shri S S Bhatt, Company Secretary and ED (Legal, CC & CSR) of the Company has been appointed as a Nominee Director of the Company on the Board of Aditya Birla Renewables SPV 4 Limited ("SPV Company") w.e.f. 05.04.2025. He is not holding any share in SPV, Aditya Birla Renewables SPV 4 Limited.

#### **Gujarat Industries Power Company Limited (GIPCL)**

The Company is one of the Promoters of GIPCL. During the year, 2024-25 on 26.03.2025, the Company has participated in the Preferential Issue of Equity Shares on private placement basis of (GIPCL) by equity share capital contribution of Rs. 44,99,99,806 /- for setting up 75 MW AC Solar Power Plant by GIPCL under Group Captive mode (50% share of GACL). The said Solar Power project is now fully operative. This results in a reduction of the Power Cost of the Company.

#### **Clean Max Sphere Energy Private Limited**

The Board of Directors of the Company at its Meeting held on 8<sup>th</sup> August, 2025 had given in-principle approval for setting up 75.9 MW Renewable Hybrid Power Project in Gujarat for 100% captive power usage by the Company. The Board, in the said meeting, had formed Investment

Committee of Directors to approve Shareholders' Agreement and Power Consumption Agreement. The Investment Committee of Directors in its meeting held on 30<sup>th</sup> September, 2025, had granted its approval for execution of the said agreements by the Company with M/s. ## Arrangements of Renewable Power on short-term/ medium term

In addition to the above long-term arrangements, the Company has made short/medium term arrangements for sourcing Renewable Power from M/s. NTPC Vidyut Vyapar

Nigam Limited (NVVNL) (upto Jaunary-2026), M/s. Tata Power (upto October-2026) and M/s. Kreate Energy (from June-2025) and PR Energy (for two months) for supply of renewable power, helping the Company to reduce its power cost.

## INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY

The Company has in place adequate internal Financial controls commensurate with the size and nature of its business. The Company periodically reviews the internal financial controls in the light of new statutes, changes in business models, adoption of new technology solutions and suggestions for improvements received from employees. During the year, such controls were tested and no reportable material weakness in the design or operation was observed.

For all amendments to Indian Accounting Standards (Ind-AS) and the new standards notified, the Company carries out a detailed analysis and presents the impact on accounting policies, financial results including revised disclosures to the Audit Committee. The approach and changes in policies are also validated with the Statutory Auditors.

The Company has well established process and periodicity for physical verification of its inventory and fixed assets. All variances are analyzed and accounted post necessary approvals.

The Company gets its Financial statements reviewed every quarter by its Statutory Auditors. The accounts of GNAL are audited and certified by their Statutory Auditors for consolidation.

None of the auditors of the Company has reported any fraud as specified under second proviso of section 143(12) of the Companies Act, 2013 including any statutory modifications or re-enactments thereof for the time being in force.

## CREDIT RATING

The Company's financial discipline and prudence are reflected in the strong credit rating described by rating agency as per the following particulars:

| Instrument                                         | Rating Agency               | Rating                | Date of Rating                                                              |
|----------------------------------------------------|-----------------------------|-----------------------|-----------------------------------------------------------------------------|
| Long Term Bank Facilities                          | CARE Ratings Limited (CARE) | CARE AA- (Double A-)  | CARE Letter No. CARE/ARO/RL/2026-27/3622 dated 29 <sup>th</sup> July, 2026. |
| Short Term Bank Facilities                         | CARE Ratings Limited (CARE) | CARE A1+ (A One Plus) |                                                                             |
| Commercial Paper Issue aggregating to Rs.100 Crore | CARE Ratings Limited (CARE) | CARE A1+ (A One Plus) | CARE Letter No. CARE/ARO/RL/2026-27/3622 dated 29 <sup>th</sup> July, 2026. |

CARE reaffirmed the credit ratings of Short Term Bank Facilities & Commercial Paper and downgraded the Long Term Bank Facilities that has been informed to the Stock Exchanges (BSE & NSE) vide letter dated 30<sup>th</sup> July, 2026 and the same has also been placed on the Company's Website at [https://gacil.com/wp-content/uploads/2026/07/SELETTER\\_S-1.pdf](https://gacil.com/wp-content/uploads/2026/07/SELETTER_S-1.pdf)

CARE has issued Rationale for the said Ratings that has been informed to the Stock Exchanges (BSE & NSE) vide letter dated 4<sup>th</sup> August, 2026 and the same has also been placed on the Company's Website at [https://gacil.com/wp-content/uploads/2026/08/SELETTER\\_S-1.pdf](https://gacil.com/wp-content/uploads/2026/08/SELETTER_S-1.pdf)

The CARE has also communicated that there is significant volume-driven growth in scale of operations of the Company along with diversification of its operations to other chemical and value-added products thereby insulating itself from the inherent cyclicity of chlor-alkali industry and thus earning healthy PBILDT margin on a sustained basis; along with improvement in consolidated total debt/ PBILDT on a sustained basis. The CARE has also communicated that gaining significant market leadership position in the caustic soda industry while securing significant portion of its power requirement, major cost component of Company through captive low-cost sources and improvement in its return on capital employed (ROCE) on a sustained basis.

The Company is taking various proactive actions to reduce overall cost and the Company is committed to strengthening its operational and financial performance and maintaining a sound financial position. The same has been reflected in Financial Result of Quarter-1 of the Company for the FY 2026-27.

#### **RISK MANAGEMENT-CUM-SAFETY**

The Company has constituted Risk Management-cum-Safety Committee of Directors w.e.f. 11<sup>th</sup> February, 2016. Shri Nitin Shukla had been appointed as the Chairman of the said Committee w.e.f. 3<sup>rd</sup> February, 2024. As on 31<sup>st</sup> March, 2026, below are the Members of the Risk Management Committee:

1. Shri Nitin Shukla, Chairman;
2. Dr. Chinmay Ghoroi;
3. Shri Sanjay Joshi; and
4. Smt. Avantika Singh, IAS.

The Company has also constituted Internal Risk Management Committee comprising of Senior Executives of the Company who are heading respective departments viz. Finance, Manufacturing, Marketing, Purchase, Project, Safety, Information Technology, HR, Secretarial and Legal functions. The Managing Director is the Chairperson of the Internal Risk Management Committee. The Internal Risk Management Committee reports to the Managing Director and the risks identified by the said Committee along with proposed mitigation measures / actions are discussed periodically

on monthly basis with the Managing Director. Out of the various risks identified by the Internal Risk Management Committee, the Audit Committee has identified certain critical risks, which are reviewed by the Risk Management-cum-Safety Committee, the Audit Committee and by the Board of Directors periodically. A Report on the steps taken to mitigate those critical risks is also submitted to the Risk Management-cum-Safety Committee, Audit Committee and the Board of Directors.

Pursuant to the provisions of Regulations 17 & 21 of SEBI Listing Regulations and Sections 134 & 177 of the Companies Act, 2013 ("the Act") and other applicable provisions, if any, of the SEBI Listing Regulations, the Board of Directors of the Company have also approved and framed "Risk Management Policy" of the Company.

[https://gacil.com/wp-content/uploads/2024/11/Policy-on-RISK-Management-\\_Amended.pdf](https://gacil.com/wp-content/uploads/2024/11/Policy-on-RISK-Management-_Amended.pdf)

#### **VIGIL MECHANISM / WHISTLE BLOWER POLICY**

The Company has formulated a Vigil Mechanism-cum-Whistle Blower Policy ("Policy") as per the requirements of Section 177 of the Companies Act, 2013 and Regulation 22 of the SEBI Listing Regulations. The Policy is applicable to all Directors and Employees of the Company.

As per the Policy, a whistle blower can make protected disclosures to the Chairman of the Audit Committee. During the Financial Year 2025-26, no unethical and/or improper practice or any other wrongful conduct in the Company by any person was reported under the said Policy.

The Vigil Mechanism-cum-Whistle Blower Policy may be accessed on the Company's Website at the weblink:

[https://gacil.com/wp-content/uploads/2024/04/VIGIL\\_MECHANISM\\_CUM\\_WHISTLE\\_BLOWER\\_POLICY-AS-PER-SEBI-LODR.pdf](https://gacil.com/wp-content/uploads/2024/04/VIGIL_MECHANISM_CUM_WHISTLE_BLOWER_POLICY-AS-PER-SEBI-LODR.pdf)

#### **Corporate Social Responsibility (CSR), ESG & Sustainability Committee (earlier CSR Committee)**

As per the provision of Section 135 read with Schedule VII of the Companies Act, 2013 and the Companies (Corporate Social Responsibility Policy) Rules 2014, the Company has constituted Corporate Social Responsibility (CSR) Committee and formulated Corporate Social Responsibility Policy (CSR Policy). The Board of Directors of the Company at its Meeting held on 6<sup>th</sup> February, 2026 had approved the merger of existing Environmental, Social and Governance (ESG) and Sustainability Committee into Corporate Social Responsibility (CSR) Committee with a new name, Corporate Social Responsibility (CSR), ESG & Sustainability Committee. The composition of Corporate Social Responsibility (CSR), ESG & Sustainability Committee is given in the Corporate Governance Report.

The Corporate Social Responsibility (CSR), ESG & Sustainability Committee (earlier CSR Committee) has formulated and recommended to the Board, CSR Policy

identifying the activities to be carried out by the Company and the CSR Policy was approved by the Board of Directors at their Meeting held on 23.07.2014. The Board of Directors at their Meeting held on 26.05.2015 and 18.05.2021 had approved some modifications in the CSR Policy including to undertake CSR activities through GACL Foundation Trust (GFT). GFT is a Society registered under the Societies Registration Act, 1860 and under the Bombay Public Trust Act, 1950 and registered under Section 12A and 80G of the Income Tax Act, 1961. GACL Foundation Trust (GFT) has also filed Form CSR-1 and got the required registration number from MCA in pursuance of the applicable provisions of Companies (CSR) Rules, 2014. The Charity Commission, Vadodara issued order on 22.11.2023 for merger/amalgamation of GACL Education Society (GES) and GACL Foundation Trust (GFT) and the name of the trust should be GACL Foundation Trust (GFT).

The details about various activities carried out by the Company under CSR through GFT as well as directly by the Company are given in the Management Discussion and Analysis which forms part of the Annual Report.

The CSR Policy may be accessed on the Company's Website at the weblink:

[https://gac.com/wp-content/uploads/2023/12/CSR\\_POLICY-1.pdf](https://gac.com/wp-content/uploads/2023/12/CSR_POLICY-1.pdf)

As per the provisions of Section 135 of the Companies Act, 2013, the statutory amount (i.e. 2% of the average net profits of the last three Financial Years) that was required to be spent by the Company for various CSR activities during the Financial Year 2025-26 was Rs. 390.00 Lakhs. The Company has spent Rs. 133.61 Lakhs towards various CSR activities during the Financial Year 2025-26. The unspent amount of Rs. 256.39 Lakhs towards various ongoing CSR projects was transferred to "GACL Unspent Corporate Social Responsibility Account 2025-26" within 30 days from the close of Financial Year 2025-26. The unspent amount transferred to such account will be utilized for the ongoing projects in next three Financial Years. The Company shall transfer unspent amount, if any, lying in this account at the end of third Financial Year to Fund(s) specified in Schedule VII, within statutory time limit, in accordance with the Companies (Corporate Social Responsibility Policy) Rules, 2014. Thus, the Company has met its obligation under section 135 of the Companies Act, 2013.

The Annual Report on CSR activities for the Financial Year 2025-26 is annexed herewith as [Annexure-2](#).

## COMPOSITION OF AUDIT COMMITTEE AND OTHER COMMITTEES

Details regarding composition and meetings of the Audit Committee and other Committees of the Board and attendance of Committee Members in respective Committee meetings are mentioned in the Corporate Governance Report forming part of this Annual Report

## DIRECTORS, KEY MANAGERIAL PERSONNEL AND SENIOR MANAGEMENT

### A. Appointment / Reappointment / Cessation of Directors, Key Managerial Personnel and Senior Management

The Company had sought approval of Shareholders for Appointment of Shri S J Haider, IAS as a Director of the Company through Postal Ballot Notice dated 31.05.2025 by means of electronic voting (remote e-voting). The said Resolution contained in Postal Ballot Notice dated 31.05.2025 was approved by requisite majority of Members through remote e-voting. Accordingly, the Resolution was declared to be passed on 05.07.2025.

The Board of Directors at its Meeting held on 7<sup>th</sup> November, 2025 noted completion of tenure of Shri Rajiv Lochan Jain (DIN: 00161022) as an Independent Director of the Company with effect from 31.12.2025. The Board places on record its sincere appreciations and pays rich tributes for the valuable services rendered and contributions made by Shri Rajiv Lochan Jain, as an Independent Director of the Company during his tenure as Director of the Company.

The Board of Directors at its Meeting held on 6<sup>th</sup> February, 2026 noted resignation of Shri S. J. Haider, IAS (DIN: 02879522) as Director of the Company effective from 31.12.2025. The Board places on record its sincere appreciations and pays rich tributes for the valuable services rendered and contributions made by Shri S. J. Haider, IAS as Director of the Company during his tenure as Director of the Company.

As recommended by the Nomination-cum-Remuneration Committee and pursuant to Article 7 of the Articles of Association of the Company, the Board of Directors appointed Shri Sanjay Joshi (DIN: 01656787) as an Additional and Non-Executive Director of the Company for 5 (five) consecutive years, with effect from 01.01.2026. The Company had sought approval of Shareholders for Appointment of Shri Sanjay Joshi (DIN: 01656787) as an Independent Director of the Company through Postal Ballot Notice dated 12.02.2026 by means of electronic voting (remote e-voting). The said Resolution contained in Postal Ballot Notice dated 12.02.2026 was approved by requisite majority

of Members through remote e-voting. Accordingly, the Resolution was declared to be passed on 21.03.2026.

Dr. T. Natarajan, IAS (DIN: 00396367), Director will retire by rotation at this Annual General Meeting, and being eligible, has offered himself for re-appointment. The Board recommends his re-appointment as Director of the Company.

Brief profile of Dr. T. Natarajan, IAS (DIN: 00396367) Director is forming part of the Notice of this Annual General Meeting.

Pursuant to the provisions of Section 203 of the Companies Act, 2013, Smt. Avantika Singh, IAS on her appointment as Managing Director was also appointed as Key Managerial Personnel of the Company effective from 03.02.2025. Shri Sanjay S Bhatt, Company Secretary and Shri Shailesh Damani, Chief Financial Officer, are the Key Managerial Personnel of the Company effective from 14.05.2014 and 08.08.2024, respectively.

Particulars of Senior Management Personnel (SMP) including changes therein as on 31<sup>st</sup> March, 2026, are given in the Corporate Governance Report forming part of this Annual Report.

## B. Independent Directors

### Attributes, Qualifications & Independence of Directors and their Appointment

The Nomination-cum-Remuneration Committee adopted the criteria for determining qualifications, positive attributes and independence of Directors, including Independent Directors, pursuant to the Act and the Rules made thereunder and the SEBI Listing Regulations. The brief particulars of the Directors are provided in the 'Report on Corporate Governance' forming part of this Annual Report.

The Company has received declarations from the Independent Directors confirming that (a) they meet the criteria of Independence as prescribed under Section 149 of the Act and Regulation 16 of the SEBI Listing Regulations; (b) they are not aware of any circumstance or situation, which could impair or impact their ability to discharge duties with an objective independent judgement and without any external influence; and (c) they have registered/renewed their names in the Independent Directors' Databank, pursuant to the provisions of the Companies Act, 2013 and Rules made thereunder. Further, in the opinion of the Board, the Independent Directors fulfill the conditions prescribed under the SEBI Listing Regulations and are independent of the management of the Company.

## C. Board Evaluation

Pursuant to applicable provisions of the Companies Act, 2013 and the SEBI Listing Regulations, the Board

carried out an annual performance evaluation of the Board, its Committees, Individual Directors, Managing Director and Chairperson. The manner in which the evaluation is carried out has been explained in the Corporate Governance Report.

## D. Nomination and Remuneration Policy

The Board has on the recommendation of the Nomination-cum-Remuneration Committee, formulated a Nomination & Remuneration-cum-Board Diversity Policy for selection, appointment of Directors and Senior Management and their remuneration.

Information about the Policy is provided in the Corporate Governance Report and the said Policy may be accessed on the Company's Website at the weblink:

<https://gacil.com/wp-content/uploads/2023/12/Nomination-Remuneration-Cum-Board-Diversity-Policy.pdf>

During the year, Five (05) Board Meetings and Five (05) Audit Committee Meetings were held. The details of which are given in the Corporate Governance Report. The intervening gap between the Meetings held was within the period prescribed under the Companies Act, 2013 and SEBI Listing Regulations. Further, the composition and terms of reference of Audit Committee and other Committees are given in the Corporate Governance Report.

During the year under review, all recommendations of Audit Committee were accepted by the Board.

## AUDITORS

### A. Internal Auditors

Tenure of M/s. Parikh Mehta & Associates, Chartered Accountants, Vadodara as Internal Auditors for conducting Internal Audit of the Company was completed on 30<sup>th</sup> June, 2025.

As per the recommendation of the Audit Committee, the Board of Directors of the Company at its Meeting held on 15<sup>th</sup> May, 2025 appointed M/s Talati & Talati LLP, Vadodara as Internal Auditors for conducting Internal Audit of the Company for one year commencing from 01.07.2025 to 30.06.2026.

Further, as per the recommendation of the Audit Committee, the Board of Directors of the Company at its Meeting held on 7<sup>th</sup> November, 2025 appointed M/s Talati & Talati LLP, Vadodara as Internal Auditors for conducting Internal Audit of the Company for two years commencing from 01.07.2026 to 30.06.2028.

The Internal Auditors independently evaluate the internal controls, adherence to and compliance with the procedures, guidelines and statutory requirements. The Audit Committee of Directors periodically reviews the reports of the Internal Auditors and the corrective actions if any, are taken by the Management.

## B. Statutory Auditors

M/s. Prakash Chandra Jain & Co., Chartered Accountants, Vadodara (Firm Registration No. 002438C) were appointed as the Statutory Auditors of the Company for a period of five years i.e., from the conclusion of 51<sup>st</sup> Annual General Meeting till the conclusion of 56<sup>th</sup> Annual General Meeting.

As per Companies Amendment Act, 2017, the provision of Section 139(1) of the Companies Act, 2013 with respect to ratification of the appointment of Statutory Auditors by the members at every Annual General Meeting is omitted.

The Auditor's Report to the Members for the year under review does not contain any qualification, reservation or adverse remark or disclaimer.

## C. Cost Auditors

The Board of Directors of the Company at its Meeting held on 30<sup>th</sup> May, 2024 has approved the appointment of M/s. Y. S. Thakar & Co., Cost Accountant in practice, Vadodara (Firm Registration No. 000318) as Cost Auditors for the three Financial years i.e. F.Y. 2024-25, 2025-26 & 2026-27 as per the provisions of the Companies Act, 2013, subject to the approval of shareholders of the Company, to conduct the audit of Cost Records maintained by the Company at annual remuneration of Rs. 3,19,000/- plus applicable GST.

As per the provisions of the Companies Act, 2013, your Directors propose the Resolution in the Notice in respect of remuneration payable to the Cost Auditors for the Financial year 2026-27 for your ratification and approval.

The Company maintains necessary cost records as specified by the Central Government under sub-section (1) of Section 148 of the Companies Act, 2013 read with the Companies (Cost Records and Audit) Rules, 2014.

## D. Secretarial Auditors

M/s. Samdani Shah & Kabra, Practicing Company Secretaries, was appointed as the Secretarial Auditors of the Company for five years from 01.04.2025 to 31.03.2030, at the 52<sup>nd</sup> AGM held on 26.09.2025 for conducting Secretarial Audit of the Company and to issue Secretarial Compliance Certificate. The Report of the Secretarial Auditors is annexed herewith as [Annexure - 3](#). The Report does not contain any qualification, reservation or adverse remark or disclaimer.

The Company has complied with Regulation 24A of the Listing Regulations. GNAL has got Secretarial Audit carried out by Practicing Company Secretary. Copy of Secretarial Audit Report of GNAL is annexed at [Annexure - 4](#) and is also available on the website of

the Company. The Secretarial Audit Report of GNAL does not contain any qualification, reservation, adverse remark or disclaimer.

As per SEBI Circular No. CIR/CFD/CMD1/27/2019 dated 8<sup>th</sup> February, 2019 read with Regulation 24A of the Listing Regulations, Annual Secretarial Compliance Report for the year ended on 31<sup>st</sup> March, 2026 given by M/s. Samdani Shah & Kabra, Practicing Company Secretaries, Secretarial Auditors was submitted to Stock Exchanges (BSE & NSE) within prescribed time limit.

## INVESTOR EDUCATION AND PROTECTION FUND (IEPF)

### Transfer of Dividend and corresponding Equity Shares to the Investor Education and Protection Fund

During the Financial Year 2025-26, unclaimed dividend for the Financial Year 2017-18 aggregating Rs. 23,16,873/- has been transferred to Investor Education and Protection Fund (IEPF).

The Company has also transferred Rs. 54,36,734.40/- (Net of Tax) to the bank account of the IEPF towards dividend declared by the Company for the Financial Year 2024-25, for such shares which were transferred to the IEPF earlier.

During the Financial Year 2025-26, the Company has also transferred 33,418 Equity Shares to the IEPF in respect of which dividends remained unclaimed for seven consecutive years, pursuant to the provisions of Section 124 of the Companies Act, 2013 read with the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended.

Shareholders may claim their unclaimed dividend for the years prior to and including the Financial Year 2017-18 and the corresponding shares, if any, from the IEPF Authority by applying in the prescribed Form No. IEPF-5.

This form can be downloaded from the Website of the IEPF Authority at [www.iepf.gov.in](http://www.iepf.gov.in). The access link of which is also available on the Company's Website at [www.gacl.com](http://www.gacl.com) under the section 'Investors'.

Attention of the Members is drawn that the unclaimed dividend for the Financial Year 2018-19 and the corresponding shares will be due for transfer to the IEPF on 29<sup>th</sup> October, 2026 for which purpose communication has been sent to all the concerned Shareholders advising them to claim their dividends, failing which the said shares will be transferred to IEPF Authority within 30 days from the said due date. Notices in this regard have also been published in newspapers. Details of such shares are available on the Company's Website under the section 'Investors'.

### Details of Nodal Officer

In accordance with Rule 7(2A) of Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, the details of Nodal Officer of the Company, for the purpose of coordination with Investor

Education and Protection Fund Authority are as under:

Name : Shri Sanjay S Bhatt

Designation : Company Secretary &  
ED (Legal, CC & CSR)

Postal Address : PO : Ranoli : 391 350,  
Dist.: Vadodara (Gujarat)

Telephone No. : 0265-6111453 / 0265-6111000

Mobile No. : 7069053850

E-mail ID : [cossec@gacl.co.in](mailto:cossec@gacl.co.in)

The Company has also displayed the above details of Nodal Officer at its Website at [www.gacl.com](http://www.gacl.com).

### CORPORATE GOVERNANCE

The Company has been following the principles and practices of good Corporate Governance and has ensured compliance of all the requirements stipulated under the SEBI Listing Regulations.

A detailed report on Corporate Governance for the year under review along with Certificate issued by Practicing Company Secretary in terms of provisions of the SEBI Listing Regulations is attached herewith forming part of this Annual Report.

### BUSINESS RESPONSIBILITY AND SUSTAINABILITY REPORT

As per the provisions of the SEBI Listing Regulations, the Business Responsibility and Sustainability Report (BRSR) containing initiatives taken by the Company from environmental, social and governance perspective is annexed herewith as [Annexure - 5](#) as part of this Annual Report.

### PARTICULARS OF EMPLOYEES

The information pertaining to remuneration and other details of employees as required pursuant to Section 197 of the Companies Act, 2013 read with Rule 5(1) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014, as amended, are provided in the [Annexure – 6](#), forming part of this Report. Details of top ten employees in terms of employee remuneration drawn and other particulars as required under the provisions of Section 197 of the Act and Rule 5(2) and 5(3) of the Rules form part of this report and are available to any Shareholder for inspection.

Further, there was no employee holding 2% or more of the Equity Shares of the Company during the Financial Year 2025-26.

Having regard to the provisions of the second proviso to Section 136(1) of the Act, the Annual Report excluding the aforesaid information is being sent to the members of the Company. Any member interested in obtaining such information may address their email to [investor\\_relations@gacl.co.in](mailto:investor_relations@gacl.co.in).

### COMPLIANCE UNDER THE MATERNITY BENEFIT ACT, 1961

The Company confirms that it has complied with the provisions of the Maternity Benefit Act, 1961, including provision of maternity leave and other related benefits, wherever applicable.

### PARTICULARS OF CONTRACTS OR ARRANGEMENTS WITH RELATED PARTIES

The Audit Committee of Directors at its Meeting held on 6<sup>th</sup> February, 2026 has accorded omnibus approval to execute transactions with related parties up to the value of Rs.1 Crore. The Company has also obtained omnibus approval to execute transactions with related parties of its subsidiary GACL-NALCO Alkalies & Chemicals Private Limited (GNAL). During the Financial Year, the transactions entered into by the Company with Related Parties were in the ordinary course of business and at arm's length price. The Company has proposed resolutions for approval of material transactions by the Shareholders in accordance with Section 188 of the Act read with the Companies (Meetings of Board and its Powers) Rules, 2014 and SEBI (LODR) Regulations, 2015. The Audit Committee and Board recommend the said resolutions for your approval.

The Company has been entering into related party transactions with GNAL, a subsidiary of the Company. GNAL has also been entering into related party transactions with NALCO, a related party of GNAL. During the year 2026-27, the threshold limit of material related party transactions between GACL & GNAL and GNAL & NALCO may exceed, therefore Company seeks approval of shareholders of the Company in 53<sup>rd</sup> AGM of the Company for the year 2025-26.

Since, all the contracts / arrangements / transactions with Related Parties during the year were in the ordinary course of business and/or the same were at arm's length as well as under the special omnibus approval route and not being material transaction as defined under the Act / Rules, disclosure in Form AOC-2 under Section 134(3)(h) of the Act read with Rule 8(2) of the Companies (Accounts) Rules, 2014 is not required.

Policies may be accessed on the Company's Website at the weblinks:

<https://gacl.com/wp-content/uploads/2025/05/Related-Party-Transactions-Policy-1.pdf> and

<https://gacl.com/wp-content/uploads/2023/12/Policy-On-Material-Subsidiaries.pdf>

Your Directors draw attention of the Members to Note No. 39 to the Financial Statements which sets out Related Party disclosures.

### LOANS, GUARANTEES AND INVESTMENTS

Details of Loans, Guarantees and Investments covered under the provisions of Section 186 of the Companies Act, 2013 are given in the Note Nos. 5,6,7,8,44(i)(g) & 45 of the Notes to the Financial Statements.

## INSURANCE

The Company has taken adequate insurance for all its properties. The Company has also taken necessary insurance cover as required under the Public Liability Insurance Act, 1991.

The Company has D & O Liability Insurance Policy which is reviewed in terms of the quantum and risk coverage as per the Regulation 25(10) of the SEBI Listing Regulations.

## LISTING REGULATIONS COMPLIANCE

The Company's Equity Shares are listed on BSE Ltd. (BSE) and National Stock Exchange of India Ltd. (NSE) and their listing fees for the Financial Years 2025-26 and 2026-27 have been paid and the provisions of the SEBI Listing Regulations have been complied with.

## ANNUAL RETURN

The Draft Annual Return of the Company as on March 31, 2026 (2025-26) is available on the Company's Website and can be accessed at weblink:

<https://gacl.com/wp-content/uploads/2026/08/Draft-MGT-7-31.03.2026.pdf>

The Annual Return of 2024-25 in prescribed Form No. MGT-7, as required under Section 92(1) of the Companies Act, 2013 read with Rule 11 of the Companies (Management and Administration) Rules, 2014 has been placed on the Company's Website at weblink:

[https://gacl.com/wp-content/uploads/2025/12/AB9903376\\_NEW-MGT-7\\_16.12.2025\\_FINAL.pdf](https://gacl.com/wp-content/uploads/2025/12/AB9903376_NEW-MGT-7_16.12.2025_FINAL.pdf)

The same was filed with the Registrar of Companies, Gujarat (ROC) on Ministry of Corporate Affairs (MCA) portal within prescribed time limit.

## DIVIDEND DISTRIBUTION POLICY

The Board of Directors of the Company at its Meeting held on 26<sup>th</sup> May, 2017 has adopted "Dividend Distribution Policy" effective from 26<sup>th</sup> May, 2017. The Company has further amended its "Dividend Distribution Policy" approved by the Board of Directors on 29<sup>th</sup> May, 2026 which is applicable with effect from 29<sup>th</sup> May, 2026 is available on the Company's Website at the weblink:

<https://gacl.com/wp-content/uploads/2023/12/Dividend-Distribution-Policy.pdf>

The dividend recommended by the Board for the year ended 31<sup>st</sup> March, 2026 is in accordance with the said Dividend Distribution Policy.

## GENERAL INFORMATION

Your Directors state that no disclosure or reporting is required in respect of the following items since there were no transactions in these matters and/or they are not applicable to the Company during the year under review:

1. Details relating to deposits covered under Chapter V of the Act.

2. Issue of equity shares with differential rights as to dividend, voting or otherwise.
3. Issue of shares (including sweat equity shares) to employees of the Company under ESOP.
4. Issue of shares, issue of debentures, warrants, bonds, other convertible securities or any non-convertible securities.
5. No significant or material orders were passed by the Regulators / Courts or Tribunals which would impact the going concern status of the Company and its future operations and no application made or proceeding pending under the Insolvency and Bankruptcy Code, 2016 (31 of 2016).
6. No fraud has been reported by the Auditors to the Audit Committee or the Board.
7. There has been no change in the nature of business of the Company.
8. There was no instance of one-time settlement with any Bank or Financial Institution.

Internal Complaints Committee (ICC) has been set up to redress complaints received regarding sexual harassment. All employees (permanent, contractual, temporary, trainees) are covered under this policy.

Internal Complaints Committee (ICC) consists of

|    |                      |                            |                    |
|----|----------------------|----------------------------|--------------------|
| 1. | Ms. Tamanna Patel    | Chief Manager (Finance)    | Chairperson        |
| 2. | Ms. Dhvani Bhanvadia | Manager (Finance)          | Member - Secretary |
| 3. | Ms. Prerana Pandya   | Sr. Officer (Sec. & Legal) | Member             |
| 4. | Ms. Riddhi Patel     | Sr. Officer – HR&A (Dahej) | Member             |
| 5. | Ms. Krusha Dave      | Sr. Manager (Instrument)   | Member             |
| 6. | Mr. Ajay Sharma      | Chief Manager (HR&A)       | Member             |
| 7. | Ms. Kamini Kansara   | Representative from NGO    | Member             |
| 8. | Ms. Shital Chavda    | Assistant (HR&A)           | Member             |

The following is a summary of sexual harassment complaints received and disposed of during the year 2025-26.

- (a) Number of complaints pending at the beginning of the

year: Nil

(b) Number of complaints received during the year: Nil

(c) Number of complaints disposed off during the year: Nil

(d) Number of cases pending at the end of the year: Nil

#### SECRETARIAL STANDARDS

During the year under review, the Company has complied with the applicable Secretarial Standards issued by the Institute of Company Secretaries of India and approved by the Central Government under Section 118(10) of the Act.

#### DIRECTORS' RESPONSIBILITY STATEMENT

Your Directors state that:

- a) in the preparation of the Annual Accounts for the Financial Year ended 31<sup>st</sup> March, 2026, the applicable accounting standards have been followed;
- b) the Directors had selected such accounting policies and applied them consistently and made judgments and estimates that are reasonable and prudent so as to give a true and fair view of the state of affairs of the Company as at 31<sup>st</sup> March, 2026 and of the profit of the Company for the year ended on that date;
- c) the Directors had taken proper and sufficient care for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting fraud and other irregularities;
- d) the Directors have prepared the annual accounts on a going concern basis;
- e) the Directors have laid down internal financial controls to be followed by the Company and that such internal financial controls are adequate and are operating effectively; and
- f) the Directors have devised proper systems to ensure compliance with the provisions of all applicable laws

and that such systems are adequate and operating effectively.

#### MANAGEMENT DISCUSSION AND ANALYSIS

A report on Management Discussion and Analysis forms part of the Board's Report and it deals inter-alia with the Business, Operations & Financial Performance, Research & Development, Expansion & Diversification, Risk Management, Outlook, Safety & Environment, Corporate Social Responsibility, Material Development in Human Resources etc. as stipulated under the SEBI Listing Regulations.

#### ACKNOWLEDGEMENTS

The Board expresses its gratitude and appreciation to the Government of India, Government of Gujarat, Financial Institutions, Insurance Companies, Banks, Other Business Associates, Promoters, Shareholders and Employees of the Company for their continued support. The Directors also gratefully acknowledge all stakeholders of the Company viz.: customers, members, dealers, vendors, banks and other business partners for the excellent support received from them during the year.

The Directors place on record their sincere appreciation to all employees of the Company for their unstinted commitments and continued contribution to the Company.

For and on behalf of the Board

## ANNEXURE – 1 to Board's Report

**Particulars of Energy Conservation, Technology Absorption and Foreign Exchange Earnings and Outgo required under Section 134(3)(m) of the Companies Act, 2013 read with Rule 8(3) of the Companies (Accounts) Rules, 2014:**

### A. CONSERVATION OF ENERGY:

#### (i) Steps taken or impact on conservation of energy:

1. Recoating & Remembraning of 16 Nos. 4<sup>th</sup> Gen Elements

Re-coating of 16 cell elements at the CSL Plant was completed to improve process efficiency, resulting in estimated annual energy savings of 3.142 lakh kWh.

2. Installation of VFD for Hydrogenator feed pump-B in H<sub>2</sub>O<sub>2</sub> plant

A Variable Frequency Drive (VFD) was installed on Hydrogenator Feed Pump-B to optimize its operating speed, achieving annual electricity savings of approximately 3.930 lakh kWh.

3. Installation of VFD in CLM process water pumps

A Variable Frequency Drive (VFD) was installed on CLM process water Pumps to optimize its operating speed, achieving annual electricity savings of approximately 43,200 kWh.

4. Coating of cooling water pump impeller and casing to reduce friction loss

Surface coating of the HCI Plant cooling water pump was carried out to reduce friction losses, resulting in estimated annual electricity savings of 86,400 kWh per annum.

5. Installation of standby mode logic in Nitrogen PSA system.

A standby mode logic was implemented in the Nitrogen PSA system, resulting in estimated annual electricity savings of 2.24 lakh kWh.

6. Upgradation of Electrolyzer Elements at Caustic Soda Plant

Electrolyzer IJKL elements were upgraded from 4<sup>th</sup> Generation to 6<sup>th</sup> Generation (B+) elements at the Caustic Soda Plant. This initiative has resulted in an estimated energy saving of 327.25 lakh kWh per annum, corresponding to a reduction in specific energy consumption of approximately 340 kWh per MT of Caustic Soda Production (CSP).

7. Re-Coating of Cell Elements at SCP Plant

Re-coating of 20 cell elements was carried out at the SCP Plant, resulting in an estimated energy saving of 6.369 lakh kWh per annum.

8. Optimization of Effluent Transfer System at PPA Plant

Effluent from all sections has been rerouted directly to the PPA Plant Effluent Receiving Tank by bypassing the common receiving tank. Consequently, the operation of Pump PC-79001 A/B and Agitator AG-79001 has been eliminated, resulting in an estimated energy saving of 1.01 lakh kWh per annum.

9. Implementation of VRF Air Conditioning System at CPP Plant

The existing CDU-based air conditioning and ventilation system in the Main Control Room of the CPP Plant was replaced with a Variable Refrigerant Flow (VRF) Air Conditioning System. This modification has resulted in an estimated energy saving of 1.46 lakh kWh per annum.

- (ii) Steps taken by the Company for utilizing alternate sources of energy:

The Company has made substantial progress in enhancing its renewable energy portfolio. The Company has already installed various Wind Mills having total Wind Power capacity of 171.45 MW. In addition, to fulfil Solar Renewable Purchase Obligations (RPO), the Company has also installed and commissioned 35 MW Solar Power Plant. Further, solar rooftop initiatives include the installation of a 563 KW Solar Rooftop Power Plant at the Vadodara Complex, 220 KW Solar Rooftop Power Plant and 640 KW Floating Solar Power Plant at the Dahej Complex. Installed 37.5 MW solar capacity in collaboration with GIPCL under a Group Captive arrangement. To ensure consistent and cost-effective access to long-term renewable power, the Company has initiated key projects such as the development of a 62.7 MW hybrid power project with M/s Aditya Birla Renewable Energy (ABRen) under a Special Purpose Vehicle (SPV) arrangement and the development of 75.9 MW hybrid power project with M/s CleanMax under Special Purpose Vehicle (SPV) arrangement. As part of its short-term / medium-term power procurement strategy, the Company has purchased 59.32 Million Units of solar power from M/s NVVNL and 28.17 Million Units of solar power from M/s TATA, 89.76 Million units for solar power from M/s Kreate energy and 4.4 MU from M/s P R Energy at Dahej Complex also 65.20 Million Units from M/s Tata Power and 33.7 Million Units from M/s Kreate at Vadodara Complex. Over all, during F.Y. 2025-26, the Company has consumed total 590 million units of Renewable Power which is 35.7 % of total Power consumption at GACL as a whole.

- (iii) The Capital Investment on Energy Conservation Equipments:

The company has invested Rs. 83.35 Lakhs as capital investment on Energy conservation equipments and during the F.Y. 2025-26, saving of Rs. 46.88 Lakhs have been achieved at Vadodara complex.

Further savings would be achieved during current and subsequent financial years.

The Company has invested Rs. 10,350 Lakhs towards energy conservation initiatives and equipments. During the F.Y. 2025-26, these measures have collectively

resulted in estimated savings of Rs. 2,686.17 Lakhs at Dahej Complex-I.

## B. TECHNOLOGY ABSORPTION

### (i) Major efforts made towards technology absorption

For the production of Caustic Soda through electrolysis process, the Company has adopted Membrane Cell technology for which Electrolysers were imported from ThyssenKrupp, Germany. As a part of modernization/upgradation, the Company continues to upgrade the old generation Electrolysers with the latest generation Electrolysers, which has given benefit of lower power consumption & thereby reduction in manufacturing cost. During the year, the Company also placed an order for replacement of 590 Nos. of old generation 4B Cell Elements with energy-efficient 6B+ new generation Cell Elements. Further, the Company has undertaken installation of a latest technology Flaker Unit for conversion of Caustic Soda from liquid to solid form with a view to enhancing its export potential. The Company has absorbed technologies imported for other plants also.

### (ii) Research and Development

The R&D Centre continues to play a vital role in driving innovation, process improvement, sustainability, and cost optimization across the organization. Through continuous technical support and process enhancement initiatives, the Centre contributes significantly towards improving operational efficiency, product quality, and environmental performance.

During the year, alternate sources for key raw materials such as rock phosphate and amyl alcohol were successfully identified and implemented, providing commercial and operational benefits. The Centre is actively engaged in strategic development projects involving chlorine, hydrazine hydrate, chlorotoluene derivatives, and specialty chemicals. Current development activities include products such as dibenzyl ether, Mono Potassium Phosphate (MKP), Di-Potassium Phosphate (DKP), Tri-Potassium Phosphate (TKP), benzyl acetate, sodium benzoate, and benzyl salicylate have successfully progressed to the pilot scale stage.

Collaborative research initiatives with reputed institutions including BITS Pilani Goa Campus, CSMCRI, and NACL Industries Limited are focused on waste utilization, sustainable technologies, and development of value-added products.

In-house developed cooling water treatment formulations are being effectively utilized in operations, contributing to water conservation, corrosion control, improved heat transfer efficiency, and enhanced equipment life.

The R&D Centre remains committed to supporting the Company's growth through innovation, import substitution, process optimization, waste utilization, and sustainable development initiatives.

### (iii) Information regarding imported technology (imported during last three years)

| Details of Technology Imported                                                                            | Technology Imported from                                                                         | Year of Import | Status                        |
|-----------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------|----------------|-------------------------------|
| Purified Phosphoric Acid at Dahej                                                                         | Tenova Advanced Technology, Israel                                                               | September 2016 | Commissioned in April'2023    |
| Replacement of 590 4B Old Generation Cell Elements with energy efficient 6B+ new generation cell elements | German Technology through their Indian associate – M/s ThyssenKrupp Nucera India Private Limited | April 2026     | Implementation under progress |
| Flaking Unit                                                                                              | Bertrams Chemical Plants, Switzerland                                                            | May 2026       | Implementation under progress |

### (iv) Expenditure incurred on Research & Development

| Sr. No. | Particulars        | Amount (Rs. in Lakhs) |
|---------|--------------------|-----------------------|
| (a)     | Capital            | 0.09                  |
| (b)     | Revenue            | 352.15                |
|         | <b>Total (a+b)</b> | <b>352.24</b>         |

Total R & D Expenditure as a percentage of turnover is 0.08%

## C. FOREIGN EXCHANGE EARNINGS AND OUTGO

### 1. Activities relating to export, initiatives to increase exports, Development of New export markets for Products and Services and Export Plan.

The Company has continued to maintain focus and availed export opportunities based on market conditions. During the year under review, the Company has exported goods worth Rs. 91,999.24 Lakhs (FOB Value).

The Company experienced a quantum leap in Export capabilities. The Company has achieved ever-highest Exports of Rs.946 Crores, surpassing all previous records and with GNAL, our total Exports turnover reached at Rs.1242 Crores.

### 2. Total Foreign Exchange Earned and Used during the Financial Year 2025-26 (including Merchant Exports)

(Rs. in Lakhs)

|                                                    |           |
|----------------------------------------------------|-----------|
| Foreign Exchange earned in terms of Actual Inflow  | 91,999.24 |
| Foreign Exchange outgo in terms of Actual Outflows | 52,177.71 |

## ANNEXURE – 2 to Board's Report

### ANNUAL REPORT ON CSR ACTIVITIES FOR THE FINANCIAL YEAR 2025-26

#### 1. A brief outline on CSR Policy of the Company:

As a responsible Company, it is proud to undertake various Corporate Social Responsibility (CSR) initiatives. As a conscious corporate citizen, it has been serving communities around its business locations since its inception, well before CSR was formally incorporated into the legal framework through the Companies Act, 2013. Over the years, the Company has initiated a wide range of community development programs aligned with the Sustainable Development Goals (SDGs) and focused on addressing national priority issues.

The CSR Policy of the Company was formed with a noble objective to ensure an increased commitment at all levels in the organization towards CSR, to operate its business in an economically, socially and environmentally sustainable manner, while recognizing the interests of all its stakeholders. The Company has aligned with the vision of the Company, through its CSR initiatives enhanced value creation in the society and in the community in which it operates. The CSR Policy, pursuant to Section 135 read with Schedule VII to the Companies Act, 2013 and the Companies (Corporate Social Responsibility Policy) Rules, 2014 as amended, directs the Company,

inter-alia, towards conducting CSR initiatives in the core focus areas of promoting education, including special education, enhancing vocational skills especially among differently-abled children, promoting health care including preventive health care and sanitation, nutrition, hygiene and generating livelihoods for people in rural areas, promoting and preserving traditional art, culture and heritage and conserving water and ensuring environmental sustainability. The Company also encourages employee volunteering through Employee Engagement Program. The CSR Policy of the Company may be accessed on the Company's Website at the Weblink:

[https://gacil.com/wp-content/uploads/2023/12/CSR\\_POLICY-1.pdf](https://gacil.com/wp-content/uploads/2023/12/CSR_POLICY-1.pdf)

GACL Foundation Trust (GFT) (erstwhile known as GACL Education Society (GES)) is our CSR arm, through which various CSR initiatives of the Company are implemented. The Company also implements CSR projects directly and in partnerships with NGOs, Civil Society Organizations and various Government bodies in line with its CSR Policy.

Detailed projects/programs can be accessed on GFT Website: <https://gacilfoundationtrust.org/>

#### 2. The Composition of the Corporate Social responsibility (CSR), Environmental, Social and Governance (ESG) and Sustainability Committee:

| Sr. No. | Name of Director                           | Designation / Nature of Directorship    | Number of Meetings of CSR Committee held during the year | Number of Meetings of CSR Committee attended during the year |

**4. Provide the executive summary along with web-link(s) of Impact Assessment of CSR Projects carried out in pursuance of sub-rule (3) of Rule 8, if applicable.**

As part of its Corporate Social Responsibility (CSR) commitment towards promoting sports, youth development and community well-being, Gujarat Alkalies and Chemicals Limited (GACL), through GACL Foundation Trust (GFT), supported the refurbishment of the badminton courts at Sama Sports Complex, Vadodara, managed by the VMC Sports Promotion Foundation (VSPF). To evaluate the effectiveness and long-term impact of this CSR intervention, an independent impact assessment was conducted by Elixir Social Ventures Pvt. Ltd. (SIAO Registration Number: ISAI/SIAO-03).

The project was undertaken to enhance the quality of sports infrastructure, improve player safety and accessibility, promote greater participation in badminton, and strengthen the sports ecosystem in Vadodara. The intervention involved replacement of the existing PVC flooring with international-standard wooden flooring incorporating shock absorption technology, anti-termite treatment, improvement of allied infrastructure and expansion of the facility from 10 to 12 badminton courts. With a CSR investment of Rs. 1.12 Crores, the project has created an excellent sporting facility capable of supporting recreational, competitive and professional badminton while nurturing emerging sporting talent.

To evaluate the effectiveness, outcomes and long-term value created through the intervention, an independent impact assessment was undertaken using a mixed-method research design, integrating both quantitative and qualitative approaches. The assessment adopted a descriptive and evaluative framework comprising structured surveys with beneficiaries, key informant interviews with coaches and representatives of the VMC Sports Promotion Foundation (VSPF), field observations, beneficiary case studies and review of project and operational records.

The project was evaluated using the internationally recognised OECD-DAC Evaluation Framework, covering the parameters of Relevance, Coherence, Effectiveness, Efficiency, Impact and Sustainability. Further, a Social Return on Investment (SROI) analysis was conducted using a conservative approach to quantify the social value generated through the project. The assessment also examined the project's alignment with the Sustainable Development Goals (SDGs) and the provisions of Schedule VII of the Companies Act, 2013.

**Major Outcomes of the Project**

**Enhanced Sports Infrastructure:** The project transformed the existing facility into an international-standard badminton complex with wooden courts featuring shock absorption technology, improved safety standards and increased playing capacity from 10 to 12 courts, enabling greater access to quality sports infrastructure.

**Significant Growth in Participation:** Annual utilisation of the facility increased substantially, with the number of registered users rising from 2,805 to 6,041, representing a 115% increase following the refurbishment.

**Improved Training Environment:** Players and coaches reported significant improvements in court quality, playing conditions and overall training environment. The upgraded flooring has enhanced comfort, reduced the risk of sports-related injuries and enabled players to train more effectively.

**Promotion of Competitive Sports:** The improved infrastructure enabled the facility to host 27 badminton tournaments, compared to 12 tournaments prior to refurbishment, including national-level competitions, thereby enhancing Vadodara's standing as an emerging badminton destination.

**Improved Financial Sustainability:** Increased utilisation of the facility contributed to higher operational revenues, with annual sports fee collections increasing by 52.5% and court rental income increasing by 159%, strengthening the long-term sustainability of the sports complex.

**Positive Social Outcomes:** Regular participation in badminton has contributed to improved physical fitness, self-confidence, discipline, teamwork, healthier lifestyles and greater community engagement among beneficiaries, particularly children and youth.

**Inclusive Sports Development:** The upgraded infrastructure has expanded opportunities for participation across different age groups, including women, youth and senior citizens, while creating a platform for nurturing sporting talent and encouraging wider community participation.

**High Developmental Impact :** The project received High ratings under the OECD-DAC evaluation criteria for Coherence, Effectiveness, Impact and Sustainability, indicating that the intervention has generated substantial and sustainable developmental outcomes.

**Strong Social Return on Investment:** The independent assessment estimated an SROI ratio of 5.20:1, demonstrating that every Rs. 1 invested by GACL generated approximately Rs. 5.20 of social value over a five-year period through improved health outcomes, increased sports participation, stronger community engagement and enhanced sports infrastructure.

The assessment established that the project has significantly enhanced the quality and utilisation of sports infrastructure in Vadodara. Beneficiaries reported improved playing conditions, greater satisfaction with the upgraded facilities and enhanced opportunities to participate in organised sports. Coaches unanimously acknowledged the positive transformation in the training environment, while the increased number of tournaments has improved competitive exposure for local players and strengthened Vadodara's position within the state's sports ecosystem.

The intervention contributes directly towards the achievement of several United Nations Sustainable Development Goals (SDGs), particularly SDG 3 (Good Health and Well-being), SDG 4 (Quality Education), SDG 5 (Gender Equality), SDG 10 (Reduced Inequalities), SDG 11 (Sustainable Cities and Communities) and SDG 17 (Partnerships for the Goals) by improving access to quality sports infrastructure, promoting inclusive participation and fostering partnerships between the corporate sector, public institutions and the community.

Overall, the independent assessment concludes that the refurbishment of the badminton courts at Sama Sports Complex represents a high-impact, sustainable and value-driven CSR intervention.

The detailed report will be available on: <https://gacil.com/wp-content/uploads/2026/08/Impact-Assessment-Report-FY-2025-26.pdf>

## ANNEXURE – 3 to Board's Report

### Form MR-3 SECRETARIAL AUDIT REPORT

For the Financial Year ended March 31, 2026  
[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule 9 of  
the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 and  
Regulation 24A of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015]

To,  
The Members,  
**Gujarat Alkalies and Chemicals Limited**  
P.O.: Ranoli – 391 350,  
District: Vadodara.  
Gujarat, India

We have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **Gujarat Alkalies and Chemicals Limited** ("Company"). Secretarial Audit was conducted in a manner that provided us a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing our opinion thereon.

Based on our verification of the Company's Books, Papers, Minute Books, Forms and Returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that, in our opinion, the Company has, during the audit period covering the Financial Year ended on March 31, 2026 ("review period"), complied with the statutory provisions listed hereunder and also that the Company has proper Board-Processes and Compliance-Mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the Books, Papers, Minute Books, Forms and Returns filed and other records maintained by the Company for the review period, according to the provisions of:

- i. The Companies Act, 2013 ("Act") and the rules made thereunder;
- ii. The Securities Contracts (Regulation) Act, 1956 and the rules made thereunder;
- iii. The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder;
- iv. Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings;
- v. The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India ("SEBI") Act, 1992: -
  - a. SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018; However, there were no actions / events pursuant to these regulations, hence not applicable.
  - b. SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
  - c. SEBI (Buy-back of Securities) Regulations, 2018; However, there were no actions / events pursuant to these regulations, hence not applicable.
  - d. SEBI (Share Based Employee Benefits and Sweat Equity) Regulations, 2021; However, there were no actions / events pursuant to these regulations, hence not applicable.
  - e. SEBI (Prohibition of Insider Trading) Regulations, 2015;
  - f. SEBI (Registrars to an Issue and Share Transfer Agents) Regulations, 1993, regarding the Act and dealing with client;
  - g. SEBI (Delisting of Equity Shares) Regulations, 2021; However, there were no actions / events pursuant to these regulations, hence not applicable;
  - h. SEBI (Depositories and Participants) Regulations, 2018;
  - i. SEBI (Issue and Listing of Non-Convertible Securities) Regulations, 2021; However, there were no actions / events pursuant to these regulations, hence not applicable;
  - j. SEBI (Debenture Trustees) Regulations, 1993; However, there were no actions / events pursuant to these regulations, hence not applicable.

We have also examined compliance with the applicable clauses / regulations of the following: -

- i. Secretarial Standards ("Standards") issued by The Institute of Company Secretaries of India; and
- ii. Listing Agreements entered into by the Company with BSE Limited and National Stock Exchange of India Limited, read with SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

During the review period, the Company has complied with the provisions of the applicable Acts, Rules, Regulations, Guidelines, Standards, etc. as mentioned above.

**We further report that;**

- A. The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the review period were carried out in compliance with the provisions of the Act;
- B. Adequate notice is given to all the Directors to schedule Board Meetings, Agenda and detailed Notes on Agenda were sent at least seven days in advance and a system exists for seeking and obtaining further information and clarification on the agenda items before the meeting and for meaningful participation at the meeting;
- C. As per the minutes of the meetings duly recorded and signed by the Chairman, the decisions of the Board and Committees were unanimous and no dissenting views have been recorded;
- D. There are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with all the applicable Laws, Rules, Regulations and Guidelines;
- E. During the review period, there were no specific instances / actions in the Company in pursuance of the above referred Laws, Rules, Regulations, Guidelines, Standards etc. having major bearing on the Company's affairs.

## Appendix - A

The Members,

**Gujarat Alkalies and Chemicals Limited**

P.O.: Ranoli – 391 350,

District: Vadodara

Gujarat, India

Our Secretarial Audit Report of even date is to be read along with this letter, that:

- i. Maintenance of secretarial records and compliance of the provisions of Corporate and other applicable Laws, Rules, Regulations, Standards is the responsibility of the management of the Company. Our examination was limited to the verification and audit of procedures and records on test basis. Our responsibility is to express an opinion on these secretarial records and compliances based on such verification and audit.
- ii. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records and we believe that the processes and practices we followed provide a reasonable basis for our opinion.
- iii. Wherever required, we have obtained the management representations about the Compliance of Laws, Rules and Regulations, happening of events, etc.
- iv. The Secretarial Audit Report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the Company's affairs.

## ANNEXURE – 4 to Board's Report

### FORM NO. MR – 3

### SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED MARCH 31, 2026

[Pursuant to Section 204(1) of the Companies Act, 2013 and Rule No. 9 of The Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014]

To,  
The Members,  
**GACL-NALCO Alkalies & Chemicals Private Limited**  
CIN: U24100GJ2015PTC085247  
GACL Corporate Building P.O. Ranoli,  
Vadodara - 391350, Gujarat, India

I have conducted the Secretarial Audit of the compliance of applicable statutory provisions and the adherence to good corporate governance practices by **GACL-NALCO ALKALIES & CHEMICALS PRIVATE LIMITED** (hereinafter called "the Company"). The Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts / statutory compliances and expressing my opinion thereon.

Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in my opinion, the Company has, during the audit period covering the financial year ended on March 31, 2026, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on March 31, 2026, according to the provisions of:

- 1] The Companies Act, 2013 ("the Act") and the rules made thereunder, as amended and applicable;
- 2] The Companies (Share Capital and Debentures) Rules, 2014, as amended and applicable.
- 3] The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder, as amended and applicable;
- 4] The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder, as amended and applicable;
- 5] The Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial Borrowings, as amended and applicable;
- 6] The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'), wherever applicable:-
  - a. The Securities and Exchange Board of India (Registrars to an Issue and Share Transfer Agents) Regulations, 1993, regarding the Companies Act and dealing with client;
  - b. The Securities and Exchange Board of India (Depository and Participants) Regulations, 2018;
- 7] The Environment Protection Act, 1986 and other environmental laws;
- 8] The Explosives Act, 1864;
- 9] The Labour Laws;
- 10] The Public Liability Insurance Act, 1991; and
- 11] The Electricity Act, 2003 and the Rules and Regulations notified thereunder;

I have further relied on the management representation that the Company has maintained adequate systems to monitor the compliance of the following with specific reference and applicability to a Company engaged in the business of hazardous Chemicals for the financial year ended on March 31, 2026, including but not limited to following :-

The Company is not listed on any Stock Exchange; hence, other Rules and Regulations under the SEBI Act are not applicable to the Company except as mentioned in this report.

I have also examined compliance with the applicable clauses of the following: -

- i) The Secretarial Standards issued by The Institute of Company Secretaries of India, as amended; and
- ii) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

The Company is not a listed entity, but the Company became a material subsidiary of Gujarat Alkalies and Chemicals Limited (hereinafter referred to as 'GACL'), a listed Company, w.e.f. 1st April, 2020 and continued to be so as per Regulations 16 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015. As the income or net worth of the Company as on 31st March, 2025 did not exceed 10% of the consolidated income or net worth of GACL as on 31st March, 2025, the Company was material subsidiary for Financial Year 2025-26.

#### I further report that –

The Board of Directors of the Company is duly constituted. All the Directors of the Company are Non-Executive Directors. The changes in the composition of the Board of Directors / appointment / re-appointments of Directors that took place during

the period under review were carried out in compliance with the provisions of the Act.

The Company is not required to appoint any Independent Director as per Rule 4(2) of the Companies (Appointment and Qualifications of Directors) Rules, 2014 and the explanation given under Regulation 24 (1) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015.

Adequate notice is given to all Directors to schedule the Board Meetings, agenda and detailed notes on agenda were sent in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting. Majority decision is carried through while the dissenting members' views, if any, are captured and recorded as part of the minutes, as required. Recording of meetings held by video conferencing, if any, are maintained by the Company. No sitting fees were paid to any of the Non-Executive Directors of the Company during the period under review.

**I further report that –**

There are adequate systems and processes in the Company commensurate with the size and operations of the Company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

**I further report that-**

I have relied on the representations made by the Company and its officers in respect of the systems and processes and mechanism formed for compliances under the applicable laws.

**I further report that during the period under review-**

1. The Company had not made any issue of equity shares during the period under review.
2. The Company has duly held its 10<sup>th</sup> Annual General Meeting (AGM) for the F.Y. 2024-25 on Thursday, 25<sup>th</sup> September, 2025 through video conferencing (OAVM), at its registered office situated at Ranoli (deemed venue of AGM) and documented the proceedings as per the applicable rules and regulations. The Company has sought members approval by way of Ordinary Resolution at the 10<sup>th</sup> AGM, 2025, for the following agenda items :-
  - (A) Ordinary businesses :
    - (i) Received, considered and adopted Audited Financial Statements of the Company for the Financial Year ended March 31, 2025;
    - (ii) Reappointment of Shri Srimanta Panda (DIN: 10238137) as Director (Nominee) who retired by rotation;
  - (B) Special Businesses :
    - (iii) Appointment of Shri Nagarajan Ravi (DIN: 10693626) as Director (Nominee), liable to retire by rotation;
    - (iv) Appointment of Shri Girija Shankar Paliwal (DIN: 06929759) as Director, liable to retire by rotation;
    - (v) Appointment of Smt. Avantika Singh Aulakh - IAS (DIN: 07549438) as Director (Nominee) and Chairperson, liable to retire by rotation.
    - (vi) Appointment of Shri Dr. Chinmay Ghoroi (DIN: 10697793) as Director (Nominee), liable to retire by rotation, consequent to his appointment dtd 20<sup>th</sup> June, 2025;
    - (vii) Ratification of remuneration payable to M/s. Y S Thakar & Co., Cost Accountants, Vadodara, the Cost Auditor of the Company.
3. The Company held its 7<sup>th</sup> Extra Ordinary General Meeting (EOGM) on 2<sup>nd</sup> July, 2025 through video conferencing (OAVM), at its registered office situated at Ranoli (deemed venue of AGM) and documented the proceedings as per the applicable rules and regulations. The Company sought members approval by way of Ordinary Resolution at the EOGM, for the following agenda items :-
  - (i) Appointment of M/s. CNK and Associates LLP (FRN: 101961W/W100036) as Statutory Auditors of the Company to fill the casual vacancy caused due to resignation of M/s. Talati and Talati LLP (FRN: 110758W/W100377), effective from 2<sup>nd</sup> July, 2025 till the conclusion of ensuing 10<sup>th</sup> AGM.
4. Smt. Tamanna Kirankumar Patel (DIN: 10130223) ceased to be a Director (Nominee) of the Company w.e.f. 20<sup>th</sup> June, 2025.
5. Shri Nikhil Bhargava has been appointed as a Chief Executive Officer of the Company w.e.f. 1<sup>st</sup> August, 2025.
6. Shri Shailendra Tiwari was ceased to be a Chief Executive Officer of the Company w.e.f. 30<sup>th</sup> July, 2025.
7. Ms. Prachi Mayur Agrawal, the Member of Institute of Company Secretaries of India, having Membership No. A26953, was appointed as a Company Secretary of the Company w.e.f. 30<sup>th</sup> July, 2025.
8. There were no instances of (a) Merger / amalgamation / reconstruction etc.; and (b) Foreign technical collaborations for the period under review.
9. No instances of non-compliance of statutory submissions at the Office of ROC were noted under the Companies Act, 2013, except one submission with additional fees.

My report of even date is to be read along with the following :

1. Maintenance of secretarial and statutory records is the responsibility of the management of the Company. Our responsibility is to express an opinion on these secretarial records based on my audit.
2. I have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of secretarial and statutory records. The verification was done on test basis, on the records and documents provided by the Management of the Company, to ensure that correct facts are reflected in secretarial and statutory records. I believe that the processes and practices followed, provide a reasonable basis for my opinion.
3. I have relied on the registers and records required for audit along with a declaration from the CEO/COO, CFO and Company Secretary regarding completeness and correctness of the records and registers so provided by the Company, for the purpose of the Secretarial Audit Report for the year 2025-26.
4. I have not verified the correctness and appropriateness of financial records and books of accounts of the Company.
5. The compliances of the provision of corporate and other applicable laws, rules, regulations, standards are the responsibility of management. Our examination was limited to verification of procedures and compliances on test basis.
6. Wherever required, I have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
7. The Secretarial Audit report is neither an assurance as to the future viability of the Company nor the efficacy or effectiveness with which the management has conducted the affairs of the Company.

| *Other than MD as on 31.03.2026.         |           |                               |           |

##### 22. Turnover rate for permanent employees and workers

|                     | FY 2025-26<br>(Turnover rate in current FY) |        |       | FY 2024-25<br>(Turnover rate in previous FY) |        |       | FY 2023-24<br>(Turnover rate in Year prior to previous FY) |        |       |
|---------------------|---------------------------------------------|--------|-------|----------------------------------------------|--------|-------|------------------------------------------------------------|--------|-------|
|                     | Male                                        | Female | Total | Male                                         | Female | Total | Male                                                       | Female | Total |
| Permanent Employees | 5.88%                                       | 4.26%  | 5.83% | 8.68%                                        | 9.09%  | 8.69% | 9.28%                                                      | 15.00% | 9.46% |
| Permanent Workers*  | 4.74%                                       | 5.13%  | 4.75% | 3.98%                                        | 0.00%  | 3.29% | 0.86%                                                      | 5.26%  | 0.97% |

\*Note: FY 2025-26 recorded an increase in retirements within the permanent workers category, hence the turnover rate for Permanent workers has increased from the previous financial year.

## V. Holding, Subsidiary and Associate Companies (including joint ventures)

### 23. a. Names of holding / subsidiary / associate companies / joint ventures

| S. No. | Name of the holding / Subsidiary / associate companies/ joint ventures (A) | Indicate whether holding/ Subsidiary/ Associate/ Joint Venture | % of shares held by listed entity | Does the entity indicated at column A, participate in the Business Responsibility initiatives of the listed entity? (Yes/No) |
|--------|----------------------------------------------------------------------------|----------------------------------------------------------------|-----------------------------------|------------------------------------------------------------------------------------------------------------------------------|
| 1      | GACL-NALCO Alkalies and Chemicals Private Limited                          | Subsidiary                                                     | 60%                               | Yes                                                                                                                          |
| 2      | Vadodara Jal Sanchay Private Limited*                                      | Joint Venture                                                  | 15%                               | No*                                                                                                                          |
| 3      | Aditya Birla Renewables SPV 4 Limited*                                     | Joint Venture                                                  | 26%                               | No*                                                                                                                          |
| 4      | Clean Max Sphere Energy Private Limited*                                   | Joint Venture                                                  | 26%                               | No*                                                                                                                          |

\*The JV companies are yet to start their operations. Therefore, there is no direct participation by the JV in the BR initiatives of the Company at present.

Reporting is standalone; however, aforementioned entities are part of consolidated reporting.

## VI. CSR Details

|                                                                              |                    |
|------------------------------------------------------------------------------|--------------------|
| 24. (i) Whether CSR is applicable as per section 135 of Companies Act, 2013: | Yes                |
| (ii) Turnover (in Rs.)                                                       | INR 4,24,650 Lakhs |
| (iii) Net worth (in Rs.)                                                     | INR 4,46,914 Lakhs |

## VII. Transparency and Disclosures Compliances

### 25. Complaints/Grievances on any of the principles (Principles 1 to 9) under the National Guidelines on Responsible Business Conduct:

\* Note: The number of complaints on for employees and workers on health & safety for FY 2024-25 data has been restated following enhancements to the Company's injury recording and reporting system, resulting in improved accuracy and completeness of data capture.

#### 26. Overview of the entity's material responsible business conduct issues.

Please indicate material responsible business conduct and sustainability issues pertaining to environmental and social matters that present a risk or an opportunity to your business, rationale for identifying the same, approach to adapt or mitigate the risk alongwith its financial implications, as per the following format.

| S. No. | Material issue identified | Indicate whether risk or opportunity (R/O) | Rationale for identifying the risk / opportunity                                                                                                                                                                                                                                                                          | In case of risk, approach to adapt or mitigate                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             | Financial implications of the risk or opportunity (Indicate positive or negative implications) |
|--------|---------------------------|--------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------|
| 1      | Climate Change            | Risk                                       | The Company may face significant environmental risks arising from climate change, including water scarcity and increased frequency of extreme weather events.                                                                                                                                                             | The Company has adopted climate resilient infrastructure and implemented robust strategies to ensure business continuity. It has also participated in initiatives such as Vadodara Jal Sanchay and introduced measures like desalination at its Dahej facility to support sustainable water management. Furthermore, the Company has demonstrated a strong commitment to renewable energy adoption.                                                                                                                                                                                                                                                                                                                                                                                                        | Negative                                                                                       |
| 2      | Energy Consumption        | Risk                                       | Higher energy consumption poses significant environmental and financial risks to the organisation. It contributes to increased greenhouse gas emissions, potentially affecting the organisation's environmental reputation. Additionally, it can hinder efficient energy management and lead to higher operational costs. | The Company has implemented robust controls and procedures to monitor and manage energy consumption across its operations, with regular tracking to enhance efficiency.<br><br>The Company has adopted several energy efficient and sustainable initiatives to enhance operational efficiency and reduce its environmental footprint. It utilises advanced Membrane Cell Technology for caustic soda production, which is recognised for its superior energy efficiency and lower environmental impact compared to conventional technologies. Additionally, the Company has installed Back Pressure Turbines (BPTs) to recover energy from high-pressure steam and generate electricity, thereby optimising energy utilisation within the plant. Further strengthening its commitment to renewable energy, | Negative                                                                                       |

|   |                                        |             |                                                                                                                                                                                               |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                 |          |
|---|----------------------------------------|-------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------|
|   |                                        |             |                                                                                                                                                                                               | <p>the Company has demonstrated a strong commitment to renewable energy adoption and energy efficiency through significant investments in clean power generation and energy recovery systems. The Company has installed 171.45 MW of wind power capacity, 35 MW of ground-mounted solar power capacity, 640 kW of floating solar power capacity, and 783 kW of rooftop solar power capacity across its Vadodara and Dahej complexes. In addition, the Company has commissioned back-pressure turbines with capacities of 6.5 MW and 275 kW at the Dahej and Vadodara complexes, respectively, enabling the recovery of energy from high-pressure steam and its conversion into electricity. These initiatives have reduced dependence on conventional energy sources, improved energy efficiency, and lowered greenhouse gas emissions, thereby supporting the Company's overall sustainability objectives.</p> |          |
| 3 | GHG & Air Emission                     | Risk        | <p>Higher carbon emissions significantly contribute to air pollution and broader environmental degradation, posing substantial regulatory and reputational risks to the organisation.</p>     | <p>The Company has initiated a transition toward renewable energy sources as part of its commitment to reducing carbon emissions and minimising its environmental impact. In addition, it has implemented the Carbon Credit Trading Scheme (CCTS), demonstrating its proactive approach to greenhouse gas (GHG) emission management and climate responsibility. Participation in the scheme reflects the Company's efforts to improve energy efficiency, reduce carbon intensity, and contribute to broader sustainability and decarbonisation goals.</p>                                                                                                                                                                                                                                                                                                                                                       | Negative |
| 4 | Renewable Energy                       | Opportunity | <p>The Company is gradually shifting towards renewable energy, which will help reduce operating costs, increase profitability, and meet regulatory compliances through reduced emissions.</p> | -                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               | Positive |
| 5 | Water Consumption and Waste Generation | Risk        | <p>Excessive water consumption poses a significant risk for the organisation, particularly in the chemical industry.</p>                                                                      | <p>The Company has undertaken significant initiatives to promote water conservation, wastewater recycling, and sustainable water management. The Company has planned to utilise treated sewage water from the Vadodara Municipal Corporation (VMC) for industrial operations, thereby reducing its dependence on freshwater resources. To facilitate this initiative, a Special Purpose</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     | Negative |

|   |                                                               |      |                                                                                                                                                                                                                                                                                                                                                                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |          |

|   |                                                               |      | <p>It can strain local water resources, leading to water scarcity and increased dependence on limited supplies. This may result in environmental concerns, reputational damage, and potential cost escalation.</p> <p>Additionally, waste generation presents risks related to regulatory compliance and can lead to increased operational costs if not effectively managed.</p> | <p>Vehicle (SPV) and Joint Venture Company, Vadodara Jal Sanchay Private Limited (VJSPL), was incorporated in collaboration with Gujarat Alkalies and Chemicals Limited (GACL), Gujarat State Fertilizers &amp; Chemicals Limited (GSFC), Gujarat Industries Power Company Limited (GIPCL) and Vadodara Municipal Corporation (VMC). The joint venture is establishing a 50 MLD Secondary Treated Wastewater Plant (STP) at Vadodara, Gujarat, with the objective of supplying treated wastewater for industrial use.</p> <p>Further strengthening its water stewardship efforts, the Company has installed a Reverse Osmosis (RO) plant that converts approximately 300 m<sup>3</sup> of wastewater per day into reusable water, which is recycled back into plant operations. At the Vadodara complex, a dedicated wastewater recycling RO plant is in operation, enabling the recovery and reuse of treated effluent.</p> <p>During FY 2025-26, the Company successfully recycled 4,49,202 KL of water, demonstrating its commitment to circular water management, resource conservation, and environmental sustainability.</p> |          |
| 6 | Compliance Management                                         | Risk | Any non-compliance to the statutory requirements by the Company may result into disruptions in operations, penalties and loss of reputation.                                                                                                                                                                                                                                     | <p>The Company has implemented a system to track and manage all statutory compliances, utilising a Compliance Management System. The Company submits quarterly compliance reports to the Board for review.</p> <p>In FY 2025-26, the Company has been 100% compliant with all the statutory requirements.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      | Negative |
| 7 | Labour Standard, Human Rights Grievances & Working Conditions | Risk | Reported incidents of human rights breach, unethical labour practices within the Company leads to disruptions in operations, fine, penalties and reputational risk.                                                                                                                                                                                                              | <p>In FY 25-26, there have been no instances of any human rights breach.</p> <p>The Company has implemented policies to ensure compliance with labor laws, respect human rights, and maintain healthy working conditions. The Company has established mechanisms to address the needs of the workforce and effectively handle employee and worker grievances.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                  | Negative |

| <b>Principle 6</b> | <p><b>Waste</b></p> <ul style="list-style-type: none"> <li>Adopt 4R strategy (Reduce, Reuse, Recycle and Recovery) for managing non-hazardous and hazardous waste across our operations.</li> </ul> <p><b>Water</b></p> <ul style="list-style-type: none"> <li>Engage with communities' water stewardship program.</li> </ul> <p><b>Energy &amp; Emission</b></p> <ul style="list-style-type: none"> <li>Invest in renewable sources of energy across all the operations.</li> </ul> | <p><b>Waste</b></p> <ul style="list-style-type: none"> <li>The Company is committed to minimising waste by co-processing which can be used as input or others. We intend to collaborate with premier institutes for exploring reuse of brine sludge and under discussion with few of them.</li> </ul> <p><b>Water</b></p> <ul style="list-style-type: none"> <li>The Company is committed to reducing our water footprint and across our operations. We have conducted water study and are in process to implement observations / suggestions mentioned in the report. The Company is committed to use recycled water and desalinated water in its processes. Vadodara Complex is targeting to reduce fresh water/freshwater consumption by 40%, 70 % &amp; 90 % by end of FY 28, FY 29 and FY 30 respectively by using tertiary treated wastewater from Vadodara Jal Sanchay Private Limited (VJSPL).</li> </ul> <p><b>Energy &amp; Emission</b></p> <ul style="list-style-type: none"> <li>The Company is committed to reducing GHG emissions in operations by creating GHG inventory of scope 1 and 2 emissions. The Company has attained a 35% share of renewable energy in its power mix, with a target to increase this to 45% by FY 2026-27 and 80% beyond FY 2028-29.</li> </ul> |
| <b>Principle 7</b> | <ul style="list-style-type: none"> <li>Ensure to participate more with public and regulatory policy, in a manner that is responsible and transparent.</li> </ul>                                                                                                                                                                                                                                                                                                                     | <ul style="list-style-type: none"> <li>The Company is committed to enabling more initiative to participate more with various trade representation for this purpose in a responsible and transparent manner. The Company interacts with various government departments for formulation of policies as well for public policy advocacy.</li> </ul>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
| <b>Principle 8</b> | <ul style="list-style-type: none"> <li>Ensure enhancement in inclusive growth and equitable development.</li> </ul>                                                                                                                                                                                                                                                                                                                                                                  | <ul style="list-style-type: none"> <li>The Company is committed to enabling initiatives towards community development.</li> </ul>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |
| <b>Principle 9</b> | <ul style="list-style-type: none"> <li>Ensure enhancement in value addition to the consumers.</li> </ul>                                                                                                                                                                                                                                                                                                                                                                             | <ul style="list-style-type: none"> <li>The Company is committed to enhance value to its customers by periodically engaging with them to identify their needs and expectations.</li> </ul>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                |

### Governance, Leadership and Oversight

7. Statement by director responsible for the business responsibility report, highlighting ESG related challenges, targets and achievements (listed entity has flexibility regarding the placement of this disclosure)

#### Managing Director's Statement for BRSR

#### Responsible Growth and Long-Term Value Creation

Established in 1973, Gujarat Alkalies and Chemicals Limited has completed 53 years of productive growth, emerging as one of the leading companies in India's chemical manufacturing sector. Over the years, the Company has consistently demonstrated operational excellence, business resilience and a strong commitment to building a sustainable future.

The Company's growth journey has been anchored in its core values of integrity, quality, safety, innovation and responsibility. With a continued focus on the well-being of people and the protection of the planet, the Company has sustained its operations in a competitive business environment while creating long-term value for stakeholders.

From an initial aggregate capacity of 37,425 TPA of caustic soda in 1976, the Company has grown significantly to an aggregate capacity of 8,73,750 MTPA (including GNAL) TPA of caustic soda, establishing itself as one of the leaders in the chemical manufacturing segments. This growth reflects the Company's consistent focus on capacity expansion, operational efficiency, technology adoption, process excellence and market responsiveness.

The Company remains deeply committed to integrating Environmental, Social and Governance principles into its core business operations. The Company prioritises ethical conduct, maintains rigorous standards for product quality and process safety, and continuously seeks opportunities to improve resource efficiency, conserve natural resources and reduce its environmental footprint.

#### **Strengthening Credibility Through Global Sustainability Assessment**

The Company's commitment to responsible business practices and ESG integration has also been recognised through external sustainability assessment. In its latest EcoVadis assessment, the Company has been awarded an outstanding score of 71/100, placing it in the 87<sup>th</sup> percentile and earning the prestigious Silver Medal rating. This achievement reflects Company's continued progress across key sustainability parameters, including environment, labour and human rights, ethics, and sustainable procurement. Further, it reinforces the Company's commitment to transparent ESG performance, responsible supply chain practices, ethical business conduct and continuous improvement in sustainability management systems.

#### **Ethics, Transparency and Accountable Leadership**

Strong governance continues to be the foundation of the Company's business resilience and stakeholder confidence. The Company conducts its business with integrity, transparency, accountability and respect for all stakeholders, including employees, customers, suppliers, regulators, communities and investors.

During FY 2025–26, the Company continued to reinforce its governance framework through robust compliance systems, ethical decision-making, policy-driven conduct, internal controls and responsible leadership. The Company maintained its focus on regulatory compliance, anti-corruption practices, conflict-of-interest prevention, transparent disclosures and responsible business conduct.

In line with its commitment to ethical conduct, Company reported zero cases of corruption and of conflict of interest during FY 2025–26. Where applicable, all reported concerns were addressed through established grievance redressal and compliance mechanisms. The Company has also conducted awareness programmes covering business ethics, integrity, compliance and responsible conduct during the year.

#### **Innovation-Led Growth**

Continuous learning, research and innovation remain the key drivers of sustainable business growth for the Company. The Company's commitment to learning and development has enabled the integration of new technologies across operations, resulting in improved process efficiencies, reduced waste generation and a more environmentally responsible approach to manufacturing. These initiatives have also contributed to operational cost optimisation while strengthening Company's ability to respond to evolving market requirements and sustainability expectations. A major milestone was achieved through the establishment of GACL-NALCO Alkalies & Chemicals Pvt. Ltd. (GNAL), a joint venture with National Aluminium Company Limited (NALCO), a Navratna Public Sector Enterprise. The venture has enabled the creation of a state-of-the-art manufacturing facility at Dahej, Gujarat, comprising a 266,667 MTPA Caustic Soda Plant and a 130 MW Captive Power Plant, strengthening production capabilities, enhancing operational reliability, and supporting long-term growth in the chemicals business.

The Company continues to strengthen its growth trajectory through strategic capacity expansion, enhanced in-house chlorine utilisation and diversification into value-added products. The Company successfully commissioned its 30 KTPA Chlorotoluenes Plant at Dahej, enabling the in-house utilisation of chlorine for the manufacture of Benzyl Chloride, Benzyl Alcohol and Benzaldehyde. As India's largest integrated facility for these products, the plant has strengthened GACL's position in the value-added chemicals segment, while significantly enhancing its export capabilities and contributing to increased foreign exchange earnings. To further strengthen its presence across the value chain, the Chlorotoluene Downstream Project is currently under implementation.

In line with its focus on capacity enhancement and strengthening its position in key product segments, the Company has planned the installation of an additional 33,870 TPA Food Grade Phosphoric Acid production facility, reinforcing its leadership in the segment. The Company is also setting up a 5,000 TPA High Purity Hydrogen Peroxide Plant to address the growing demand for specialty chemicals and emerging market requirements.

As part of its ongoing efforts to optimise assets and enhance manufacturing capabilities, GACL is undertaking the reallocation of electrolyzers at its Vadodara complex, which will increase the production capacity of Potassium Hydroxide (KOH) from 120 TPD to 200 TPD.

During FY 2026–27, the Company plans to commission several key projects, including the HCl Synthesis Unit, Chlorotoluene Downstream Plant, Caustic Soda Flaking Plant and Cell Element Replacement Project. These

initiatives are expected to further strengthen GACL's manufacturing capabilities through chlorine utilisation, improve operational efficiencies, enhance product diversification and reinforce the Company's long-term commitment to sustainable growth, innovation and value creation.

During the year, the R&D team has also worked towards enhancing process efficiency, improving cost competitiveness and strengthening supply reliability by identifying alternate sources for critical raw materials and supporting import substitution initiatives. Our strategic development efforts remained focused on areas such as chlorine utilisation, hydrazine hydrate, chlorotoluene derivatives and specialty chemicals.

The team has also made significant progress in developing value-added products, with products such as Dibenzyl Ether, Mono Potassium Phosphate (MKP), Di-Potassium Phosphate (DKP), Tri-Potassium Phosphate (TKP), Benzyl Acetate, Sodium Benzoate and Benzyl Salicylate successfully progressing to the pilot scale stage.

Through continuous innovation, process optimisation, development of new products, water treatment initiatives, efficient effluent management and sustainable resource utilisation, our R&D Centre continues to strengthen GACL's product portfolio, enhance operational excellence and create long-term value for the Company and its stakeholders.

#### **Ethical, Local and Resilient Sourcing**

Responsible supply chain management is an integral part of the Company's sustainability approach. The Company is committed to working with suppliers and business partners who uphold ethical, environmental and social standards aligned with the Company's values and long-term ESG commitments.

The Company expects its suppliers to adhere to the Company's Supplier Code of Conduct, which integrates key Environmental, Social and Governance principles across the supply chain. This includes compliance with applicable environmental and social regulations, commitment to occupational health and safety, respect for human rights, adherence to fair labour practices, and responsible business conduct. The Company continues to support domestic and local sourcing wherever feasible, including procurement of essential raw materials from Indian Micro, Small and Medium Enterprises. The Company's engagement with nearby salt producers strengthens local economic participation while ensuring a reliable supply of critical raw materials. These collaborations also help promote improved quality of salt production, thereby reducing the need for extensive chemical purification and supporting more efficient manufacturing processes.

#### **Renewable Energy, Green Cover and Carbon Reduction**

Environmental stewardship remains central to the Company's operations and continues to guide the Company's efforts to reduce its ecological footprint and promote responsible resource management. Through renewable energy adoption, responsible manufacturing practices, green cover development and carbon reduction initiatives, the Company remains committed to safeguarding the environment while supporting long-term sustainable growth.

The Company has demonstrated a strong commitment to renewable energy adoption and energy efficiency through significant investments in clean power generation and energy recovery systems. The Company has installed 171.45 MW of wind power capacity, 35 MW of ground-mounted solar power capacity, 640 kW of floating solar power capacity, and 783 kW of rooftop solar power capacity across its Vadodara and Dahej complexes. In addition, the Company has commissioned back-pressure turbines with capacities of 6.5 MW and 275 kW at the Dahej and Vadodara complexes, respectively, enabling the recovery of energy from high-pressure steam and its conversion into electricity. These initiatives have reduced dependence on conventional energy sources, improved energy efficiency, and lowered greenhouse gas emissions, thereby supporting the Company's overall sustainability objectives.

The Company is further advancing its renewable energy roadmap through the development of a 75 MW Group Captive Solar Power Plant in collaboration with GIPCL and GSFC. The project was commissioned in two phases: 25 MW (Phase I) on April 24, 2025, and the remaining 50 MW (Phase II) on June 26, 2025. The Company holds a 37.5 MW (50%) share in the total 75 MW project.

In addition, the Company has formed a Special Purpose Vehicle (SPV) with Aditya Birla Renewable Energy to secure 62.7 MW of hybrid renewable power for captive consumption, which is expected to become operational by October 2026. The Company has also established another SPV with Clean Max Enviro to secure 75.9 MW of hybrid renewable power for captive use. This project will be commissioned in phases, with Phase I (16.5 MW) expected to become operational by October 2026 and Phase II (59.4 MW) by March 2027.

The Company is also evaluating proposals from reputed renewable energy developers for the development of up to 100 MW (min. 40 MW max. 100 MW) hybrid renewable power plant under the SPV model, with agreements expected to be finalised during the second quarter of FY 2026–27. Furthermore, an MoU has been signed with GMDC to explore the development of an additional 40–60 MW renewable energy project under the SPV model, further reinforcing the Company's commitment to accelerating its transition towards sustainable and clean energy. The Company has also strengthened its renewable energy portfolio through short- and medium-term arrangements for sourcing green power from NTPC Vidyut Vyapar Nigam Limited (NVVNL), Tata Power, Krete Energy, and

PR Energy. These initiatives increased the share of renewable energy in the power mix, supported sustainability objectives, and contributed to a reduction in overall power costs, enhancing operational efficiency and competitiveness. The Company has achieved a 35% share of renewable energy in its power mix and is targeting an increase to 80% and beyond, by FY 2028-29. These initiatives are expected to strengthen the Company's energy security, reduce dependence on conventional power sources and support its long-term decarbonisation journey.

As a part of its environmental conservation efforts, the Company continues to maintain and develop green cover across its operating locations. At the Vadodara Complex, the Company has 13,724 trees, comprising 12,243 trees within the plant premises and 1,481 trees outside the plant under CSR initiatives. At the Dahej Complex, the Company has developed and maintained 57,000 trees, contributing to environmental protection, biodiversity support and ecological balance around its operations.

The Company is also contributing to carbon reduction through process-linked carbon capture. The Company produces Potassium Carbonate by capturing carbon dioxide from flue gas. During FY 2025–26, the Company captured 4,471 MT of CO<sub>2</sub> for the production of Potassium Carbonate. This initiative reflects the Company's practical approach to integrating carbon utilisation within its manufacturing process and supports its commitment to resource efficiency and lower-carbon operations.

The Company continues to promote energy efficiency and decarbonisation within its operations and across the chlor-alkali sector. As part of this commitment, the Company hosted a sectoral workshop on “Best Practices in Energy Efficiency in the Chlor-Alkali Sector: A Path for Decarbonisation” at its Dahej Complex.

#### **Water Stewardship, Circularity and Value-Added Growth**

Responsible water management is a key pillar of the Company's sustainability strategy. As a chemical manufacturing company, the Company recognises the critical importance of conserving natural resources, reducing dependence on freshwater resources, and enhancing water circularity across its operations. Through focused water stewardship initiatives, the Company strives to improve resource efficiency, strengthen operational resilience, and support sustainable water use in the communities and ecosystems in which it operates.

The Company has developed in-house formulations such as Scalewins and Biowins to manage scale, corrosion, fouling and biological growth in cooling water systems. These tailor-made solutions help improve cooling system performance and enable a higher Cycle of Concentration, thereby contributing to significant water conservation.

At the Dahej Complex, the Company has invested in a joint desalination water plant to meet a major portion of its water requirement. This initiative supports conservation of surface water and groundwater resources for agricultural and community use, while strengthening operational water security.

In line with this commitment, Company has undertaken significant initiatives to strengthen water conservation and wastewater reuse. The Company's equity participation in Vadodara Jal Sanchay Private Limited supports the funding of the Tertiary Treatment of Wastewater (TTWW) project, reflecting our long-term approach towards responsible water stewardship and sustainable industrial water management.

The project is in advance stage and expected to be completed by December 2027. Vadodara complex freshwater consumption will reduced by 40 %, 70 % & 90 % by end of 31.12.2028, 31.12.2029 & 31.12.2030 respectively by using tertiary treated wastewater from Vadodara Jal Sanchay Private Limited (VJSPL).

At the Vadodara Complex, the Company is operating a wastewater recycling RO plant, which enables the treatment and reuse of wastewater within operations. During FY 2025–26, the Company has recycled 4,49,202 KL of water, thereby reducing dependence on freshwater sources and contributing to improved resource efficiency.

#### **Safety, Health and Responsible Operations**

The health and safety of employees, contractors, and surrounding communities remain fundamental to responsible business operations. As a chemical manufacturing company, the Company recognises the inherent risks associated with the handling, processing, and transportation of chemicals. Accordingly, it maintains a strong focus on occupational health and safety, process safety, emergency preparedness, and environmental protection. Through robust management systems, risk mitigation measures, and continuous improvement initiatives, the Company strives to ensure the well-being of its workforce, safeguard surrounding communities, and minimise environmental impact across its operations. The Company rigorously follows applicable safety protocols, statutory requirements, operating procedures, and internal control systems to prevent incidents and minimise operational risks. The Company continues to invest in safety infrastructure, advanced safety equipment, workplace monitoring systems, and comprehensive training programmes to strengthen safe working practices across its facilities.

During the year, the Company reinforced its safety culture through regular training, audits, inspections, emergency response drills, and awareness sessions. These initiatives are aimed at building a proactive safety mindset among employees and contractors, ensuring that safety remains a shared responsibility at every level of the organisation.

The Company's continued commitment to occupational health and safety was further recognised at the national

level, with the Vadodara Complex receiving the “Certificate of Merit” from the National Safety Council in Group B - Manufacturing Sector during the 39<sup>th</sup> APOSHO International Conference. This recognition reflects the Company’s strong performance and sustained achievements in Occupational Safety and Health during the period 2022–2024, based on its 2025 Award Application.

As of March 31, 2026, Company demonstrated strong safety performance across its operating locations, with the Vadodara Complex achieving 1,341 accident-free days, while Dahej Complex-1 and Dahej Complex-2 recorded 1,019 and 325 accident-free days, respectively. This performance highlights the Company’s continued emphasis on operational discipline, preventive safety practices, and continuous improvement in health and safety management.

#### **Inclusive Growth and Community Development**

Community development is regarded as an essential pillar of sustainable business growth. The Company firmly believes that the progress of society and the long-term success of business are deeply interconnected. Guided by this belief, the Company continues to implement meaningful CSR initiatives that contribute to inclusive development, social upliftment and improved quality of life for communities around its areas of operation.

During FY 2025–26, the Company continued to focus its CSR efforts on key areas such as education, healthcare, nutrition, hygiene and sanitation, sustainable livelihoods, skill development, support for differently abled children, water conservation, environmental sustainability, and the promotion of art, culture and heritage. These initiatives reflect the Company’s commitment to creating long-term positive impact and strengthening community resilience.

In the area of education, the Company undertook interventions aimed at improving access to quality learning and strengthening rural education infrastructure. The Company supports initiatives such as remedial coaching, educational support, improvement of school facilities, construction and refurbishment of Anganwadis, and support for mid-day meal programmes. These efforts are designed to address critical gaps in early childhood care, school readiness, learning outcomes and overall educational development.

The Company also places strong emphasis on healthcare, nutrition, hygiene and sanitation as important enablers of community well-being. Through targeted CSR programmes, the Company supports initiatives that improve access to basic healthcare, promote nutrition, encourage hygiene practices and contribute to healthier living conditions. The Company also extends support to institutions working for mentally differently abled children and special children, reinforcing its commitment to inclusion and care for vulnerable groups.

The Company continues to work closely with various departments of the Government of Gujarat, including departments related to Education, Women and Child Development, Health, Rural Development and other development priorities. The Company also engages with aspirational districts and relevant implementing partners to support need-based and high-impact community development projects. This collaborative approach enables the Company to align its CSR interventions with local development priorities and enhance the effectiveness of its social investments.

With the objective of emerging as a model organisation in the field of social development, the Company remains committed to holistic and sustainable community development. The Company’s CSR approach is focused not only on addressing immediate community needs but also on contributing to long-term social progress, improved human development outcomes and inclusive growth.

In addition to its social initiatives, the Company continues to nurture the environment through CSR interventions such as green belt development, prevention of soil erosion, rainwater harvesting, water conservation and installation of renewable energy sources. These initiatives support environmental sustainability while creating lasting benefits for local communities.

The Company remains committed to advancing business growth while making meaningful contributions to the progress and upliftment of all stakeholders. With sustainability at the core of its vision, the Company will continue to pursue initiatives that create shared value for society, protect the environment and contribute to a more inclusive and resilient future.

#### **8. Details of the highest authority responsible for implementation and oversight of the Business Responsibility policy (ies).**

Smt. Avantika Singh, IAS  
Managing Director  
DIN: 07549438

The Managing Director, Company Secretary and Chief Financial Officer of the Company are jointly and severally responsible for implementing the Business Responsibility and Sustainability Policy. The Managing Director of GACL is the Head of Business Responsibility and Sustainability and will oversee the implementation of the Policy.

**9. Does the entity have a specified Committee of the Board/ Director responsible for decision making on sustainability related issues? (Yes / No). If yes, provide details.**

Yes. The Board of Directors of the Company have constituted the Corporate Social Responsibility (CSR), ESG & Sustainability Committee. The said Committee is responsible for reviewing and approving the action plan formulated by the Company to carry out its Business Responsibility and Sustainability Report (BRSR) and Environmental, Social, and Governance (ESG) obligations and to recommend the same to the Board, from time to time. Composition for Corporate Social Responsibility (CSR), ESG & Sustainability Committee is given below:

- |                                                                                |                                                                   |

| Imprisonment | Nil             | Nil                                                                | Nil               | No                                     |
| Punishment   | Nil             | Nil                                                                | Nil               | No                                     |

**Note :** The Company has not received any fines, penalties, punishment, awards, or compounding fees during the reporting period.

3. Of the instances disclosed in Question 2 above, details of the Appeal/ Revision preferred in cases where monetary or non-monetary action has been appealed.

| Case Details | Name of the regulatory/ enforcement agencies/ judicial institutions |
|--------------|---------------------------------------------------------------------|
|--------------|---------------------------------------------------------------------|

Not applicable. The Company has not received any form of fines, penalties, punishment, awards, or compounding fees during the reporting period against any of the NGRBC principles.

4. Does the entity have an anti-corruption or anti-bribery policy? If yes, provide details in brief and if available, provide a web-link to the policy.

Yes, the Company has instituted an Anti-Bribery policy applicable to employees and business partners, including consultants and contractors, to establish proper procedures to prevent and address bribery and corruption within the Company. This policy is hosted on the Company's website:

<https://gacl.com/wp-content/uploads/2023/12/Anti-Bribery-Anti-Corruption-Policy.pdf>

5. Number of Directors/KMPs/employees/workers against whom disciplinary action was taken by any law enforcement agency for the charges of bribery/ corruption:

|           | FY 2025-26<br>(Current Financial Year) | FY 2024-25<br>(Previous Financial Year) |
|-----------|----------------------------------------|-----------------------------------------|
| Directors | Nil                                    | Nil                                     |
| KMPs      | Nil                                    | Nil                                     |
| Employees | Nil                                    | Nil                                     |
| Workers   | Nil                                    | Nil                                     |

6. Details of complaints with regard to conflict of interest:

|                                                                                              | FY 2025-26<br>(Current Financial Year) |         | FY 2024-25<br>(Previous Financial Year) |         |
|----------------------------------------------------------------------------------------------|----------------------------------------|---------|-----------------------------------------|---------|
|                                                                                              | Number                                 | Remarks | Number                                  | Remarks |
| Number of complaints received in relation to issues of Conflict of Interest of the Directors | Nil                                    | Nil     | Nil                                     | Nil     |
| Number of complaints received in relation to issues of Conflict of Interest of the KMPs      | Nil                                    | Nil     | Nil                                     | Nil     |

7. Provide details of any corrective action taken or underway on issues related to fines / penalties / action taken by regulators/ law enforcement agencies/ judicial institutions, on cases of corruption and conflicts of interest.

Not applicable. During the financial year 2025-26, the Company has not incurred any penalties in connection with any of the National Guidelines on Responsible Business Conduct (NGRBC) principles.

8. Number of days of accounts payables ((Accounts payable \*365) / Cost of goods/services procured) in the following format:

|                                     | FY 2025-26<br>(Current Financial Year) | FY 2024-25<br>(Previous Financial Year) |
|-------------------------------------|----------------------------------------|-----------------------------------------|
| Number of days of accounts payables | 52.05                                  | 46.83                                   |

9. Open-ness of business

Provide details of concentration of purchases and sales with trading houses, dealers, and related parties along-with loans and advances & investments, with related parties, in the following format:

| Parameter                  | Metrics                                                                             | FY 2025-26<br>(Current Financial Year) | FY 2024-25<br>(Previous Financial Year) |
|----------------------------|-------------------------------------------------------------------------------------|----------------------------------------|-----------------------------------------|
| Concentration of Purchases | a. Purchases from trading houses as % of total purchases                            | 40.56%                                 | 20.22%                                  |
|                            | b. Number of trading houses where purchases are made from                           | 351                                    | 74                                      |
|                            | c. Purchases from top 10 trading houses as % of total purchases from trading houses | 85.34%                                 | 88.11%                                  |

|                        |                                                                                          |        |        |
|------------------------|------------------------------------------------------------------------------------------|--------|--------|
| Concentration of Sales | a. Sales to dealers / distributors as % of total sales                                   | 56.03% | 62.22% |
|                        | b. Number of dealers / distributors to whom sales are made                               | 50     | 50     |
|                        | c. Sales to top 10 dealers / distributors as % of total sales to dealers / distributors  | 79.67% | 76.19% |
| Share of RPTs in       | a. Purchases (Purchases with related parties / Total Purchases)                          | 12.57% | 11.54% |
|                        | b. Sales (Sales to related parties / Total Sales)                                        | 5.55%  | 2.26%  |
|                        | c. Loans & advances (Loans & advances given to related parties / Total loans & advances) | Nil    | Nil    |
|                        | d. Investments (Investments in related parties / Total Investments made)                 | 100%   | 100%   |

#### LEADERSHIP INDICATORS

| 1. Awareness programmes conducted for value chain partners on any of the Principles during the financial year:                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                                                                                                                                                                                                                                                                                                                                                                                                                      |                                                                                                                     |

| <p>During the financial year, the Company conducted awareness and engagement sessions for its value chain partners through various forums, including one-to-one meetings and virtual conferences with imported material suppliers and packaging material vendors. These sessions focused on key topics such as business ethics, environmental, health and safety (EHS) practices, sustainability, regulatory compliance, and responsible business conduct. The initiatives were designed to strengthen partners' alignment with the Company's values, standards, and sustainability goals, while fostering responsible and compliant practices across the supply chain.</p> |                                                                                                                                                                                                                                                                                                                                                                                                                      |                                                                                                                     |

| R&D*                                                                                                                                                                                                                                    | 81.11%                                 | -                                       | <p>*Our customized cooling tower treatment contributes to environmental sustainability by significantly reducing freshwater consumption through optimized water recirculation. It also prevents insulating scale formation, thereby enhancing heat transfer efficiency, reducing electricity consumption, and lowering associated greenhouse gas emissions. Additionally, the treatment formulation incorporates environmentally friendly components, helping ensure that wastewater discharge has minimal impact on local aquatic ecosystems.</p> <p>**The capital expenditure (CAPEX) relates to a range of initiatives aimed at generating environmental and social impact. Environmental investments primarily focus on energy-efficiency and energy-consumption reduction initiatives. Social investments include expenditures on occupational health and safety measures and employee welfare facilities. In addition, investments made through Corporate Social Responsibility (CSR) initiatives support activities such as promoting education, including special education; enhancing vocational skills, particularly among differently abled children; providing mid-day meals; promoting healthcare, preventive healthcare, sanitation, nutrition and hygiene; generating livelihood opportunities in rural areas; preserving traditional art, culture and heritage; conserving water resources; and advancing environmental sustainability.</p> |

| <p>Yes. The Company follows a sustainable sourcing approach through well-defined procurement policies and procedures that incorporate quality standards, regulatory compliance, environmental, health and safety (EHS) requirements, ethical business conduct, and responsible supply chain practices. Supplier selection and evaluation processes are designed to ensure that vendors align with the Company's sustainability objectives and operational requirements. Through these measures, the Company promotes responsible procurement, mitigates supply chain risks, and fosters long-term partnerships with suppliers that uphold environmental, social, and governance (ESG) principles.</p> <p>The policy is available at <a href="https://gacl.com/wp-content/uploads/2024/02/86543_supply_chain.pdf">https://gacl.com/wp-content/uploads/2024/02/86543_supply_chain.pdf</a></p> |  |
| 2 b. If yes, what percentage of inputs were sourced sustainably?                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                            |  |
| <p>43.99% of our inputs were sourced sustainably.</p> <p>We carry out sustainable procurement with a base of potential suppliers who hold certification such as ISO, ECOVADIS, REACH and Responsible Care Registration. These suppliers meet our material requirements from both the Indian and Overseas regions. The Company is committed to further optimizing our sources of supply through sustainable sourcing practice.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                           |  |

3. Describe the processes in place to safely reclaim your products for reusing, recycling and disposing at the end of life, for (a) Plastics (including packaging) (b) E-waste (c) Hazardous waste and (d) other waste.

The Company manufactures industrial bulk chemicals used by downstream industries as process inputs. As these products are consumed or transformed during customers' manufacturing processes, they cannot be reclaimed after use.

4. Whether Extended Producer Responsibility (EPR) is applicable to the entity's activities (Yes / No). If yes, whether the waste collection plan is in line with the Extended Producer Responsibility (EPR) plan submitted to Pollution Control Boards? If not, provide steps taken to address the same.

Yes, EPR is applicable as the Company is registered as an importer of chemicals with plastic packaging. In line with the targets set by the Central Pollution Control Board (CPCB), the Company obtains EPR credit from authorised plastic waste processors for the plastic waste that is generated from the packaging materials of imported chemicals.

#### LEADERSHIP INDICATORS

1. Has the entity conducted Life Cycle Perspective / Assessments (LCA) for any of its products (for manufacturing industry) or for its services (for service industry)? If yes, provide details in the following format?

| NIC Code | Product/Service                   | % of total Turnover contributed | Boundary for which the Life Cycle Perspective / Assessment was conducted | Whether conducted by independent external agency (Yes/No) | Results communicated in public domain (Yes/No)<br>If yes, provide the web-link. |

| Female                                                   | 117                     | 117              | 100%    | 117                | 100%    | 117                | 100%    | 0                  | 0%      | 0                   | 0%      |
| Total                                                    | 3,597                   | 3,597            | 100%    | 3,597              | 100%    | 117                | 3.25%   | 0                  | 0%      | 0                   | 0%      |

| 1. c. Spending on measures towards well-being of employees and workers (including permanent and other than permanent) in the following format: |  |  |  |  |  |            |  |  |            |  |  |
|------------------------------------------------------------------------------------------------------------------------------------------------|--|--|--|--|--|------------|--|--|------------|--|--|
|                                                                                                                                                |  |  |  |  |  | FY 2025-26 |  |  | FY 2024-25 |  |  |
| Cost incurred on well-being measures as a % of total revenue of the company                                                                    |  |  |  |  |  | 0.20%      |  |  | 0.28%      |  |  |

**\*Note:** The cost incurred on employee wellbeing measures as a percentage of the Company's total revenue decreased from 0.28% to 0.20% during the year. This reduction was primarily driven by lower medical expenses, indicating an overall improvement in the health and wellbeing of employees and their dependent family members, coupled with an increase in the Company's revenue during the year.

The cost of wellbeing measures includes expenditure on medical facilities for employees and their dependent family members, mediclaim policy reimbursement for contractual employees, sports and annual day events, and the provision of safety shoes and helmets. In addition to the above, the Company also provides reimbursement of mediclaim policy premiums to retired employees and their spouses, resulting in a financial outgo of approximately Rs. 1.36 crore during FY 2025-26. If this expenditure is also considered as part of the total wellbeing cost, the indicator would increase from 0.20% to 0.23%.

**2. Details of retirement benefits, for Current Financial Year and Previous Financial Year.**

| Benefits                | FY 2025-26                                         |                                                |                                                      | FY 2024-25                                         |                                                |                                                      |

| Others – please specify | -                                                  | -                                              | -                                                    | -                                                  | -                                              | -                                                    |

**Note:** The Company provides gratuity benefits that exceed the statutory requirement of 4.81%, demonstrating its commitment to employee welfare and long-term financial security. Under the Company's gratuity policy, employees are entitled to enhanced benefits based on their length of service, as outlined below:

7 to 10 years of service: 7.21%

10 years and above: 9.62%

These enhanced gratuity benefits underscore the Company's commitment to providing employee benefits that go beyond statutory obligations, recognizing and rewarding long-term service and employee loyalty.

**3. Accessibility of workplaces**

Are the premises / offices of the entity accessible to differently abled employees and workers, as per the requirements of the Rights of Persons with Disabilities Act, 2016? If not, whether any steps are being taken by the entity in this regard.

Yes, the premises of the Company are accessible to differently abled employees and workers.

**4. Does the entity have an equal opportunity policy as per the Rights of Persons with Disabilities Act, 2016? If so, provide a web-link to the policy.**

Yes, the Company is strongly committed to offering equal opportunities for everyone. This dedication is clearly communicated on the Company's website with every recruitment initiative. The Company's BRSR policy explicitly states, the Company is committed to ensuring and maintaining equal opportunities throughout the recruitment process and employment tenure, regardless of caste, creed, gender, race, religion, disability, or sexual orientation. This policy is hosted on Company's website. <https://gacl.com/wp-content/uploads/2023/12/Business-Responsibility-And-Sustainability-Policy.pdf>

**5. Return to work and Retention rates of permanent employees and workers that took parental leave.**

| Gender       | Permanent Employees     |                    | Permanent Workers       |                    |
|--------------|-------------------------|--------------------|-------------------------|--------------------|
|              | Return to work rate (%) | Retention rate (%) | Return to work rate (%) | Retention rate (%) |
| Male         | 100%                    | 100%               | NA                      | NA                 |
| Female       | 100%                    | 100%               | 100%                    | 100%               |
| <b>Total</b> | 100%                    | 100%               | 100%                    | 100%               |

**6. Is there a mechanism available to receive and redress grievances for the following categories of employees and worker? If yes, give details of the mechanism in brief.**

|                   | Yes/No (If Yes, then give details of the mechanism in brief)                                                                                                                                                                                                                                                                                                                                                                                                                  |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Permanent Workers | Yes. The Company has implemented a grievance redressal system, which includes an Industrial Relation Committee comprising Senior Executives and Representatives of Permanent Workers. The Grievance Handling Committee is tasked with probing grievances, engaging with stakeholders, and devising solutions and actions to address any issues. Grievances are initially received by HR, and the Grievance Handling Committee acknowledges these within five days of receipt. |

|                                |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                          |
|--------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Other than Permanent Workers   | The committee is tasked with investigating these matters in cooperation with the employees involved and communicating with relevant stakeholders to resolve the complaint. During the financial year 2025-26, the Company has not received any grievances. The Company's Grievance Redressal Procedure is accessible to all stakeholders and can be found on the Company's website:<br><a href="https://gacl.com/wp-content/uploads/2023/12/Grievance-Handling-Policy.pdf">https://gacl.com/wp-content/uploads/2023/12/Grievance-Handling-Policy.pdf</a> |

**Note:** Only permanent employees and workers are covered for the details of performance and career development reviews

**10. Health and safety management system:**

a. Whether an occupational health and safety management system has been implemented by the entity? (Yes/ No). If yes, the coverage such system?

Yes. The Company has established an Occupational Health and Safety Management System in accordance with the requirements of ISO 45001:2018. All business units are certified with ISO 45001:2018.

The Company has also adopted a QHSEEn policy <https://gacl.com/wp-content/uploads/2025/09/QHSEEn-Policy-English.pdf> to ensure that its daily operations are carried out in compliance with all applicable legal and regulatory requirements relating to occupational health and safety. To support effective implementation of the health and safety management system, Company conducts regular health and safety training for employees, including contract workers.

Safety trainings are conducted for employees and workers on a monthly basis, while toolbox talks are organised as and when required, based on operational needs and site-specific risks. The Company has implemented an Emergency Response Plan, and relevant training is provided to employees and workers to ensure preparedness for emergency situations.

Further, the Company has formed a Safety Committee, comprising representatives from both management and non-management categories. The committee meets on a quarterly basis to review safety performance, discuss workplace safety concerns, and recommend corrective or preventive actions.

Appropriate safety measures are implemented across the site, including mandatory use of Personal Protective Equipment (PPE) and adherence to established safety procedures.

b. What are the processes used to identify work-related hazards and assess risks on a routine and non-routine basis by the entity?

The Company has implemented a Hazard Identification and Risk Assessment (HIRA) framework in accordance with relevant ISO standards. The HIRA process is undertaken at the departmental level and covers both routine and non-routine activities. The assessment enables identification of workplace hazards, evaluation of associated risks, and implementation of suitable control measures. The HIRA process is reviewed on an annual basis to ensure its continued effectiveness and alignment with operational changes.

Further, Company conducts Job Safety Analysis (JSA) through a cross-functional team comprising personnel from the safety department, process team, and other relevant department concerned. JSA is undertaken to assess job-specific hazards and define appropriate mitigation measures prior to execution of work. At present, records related to HIRA and JSA are maintained manually.

The Company has established a formal mechanism for incident reporting and investigation. In case of an incident, workers are required to report the incident to the Plant Head. A formal investigation is subsequently conducted to determine the root cause of the incident. Based on the outcome of the investigation, corrective and preventive actions are identified and implemented to prevent recurrence and improve overall occupational health and safety performance.

**c. Whether you have processes for workers to report the work-related hazards and to remove themselves from such risks. (Y/N)**

Yes. The Company has established mechanisms to encourage workers to report work-related hazards, unsafe conditions, and near-miss incidents. Workers are empowered to remove themselves from unsafe working conditions and report such situations to their superiors without fear of retaliation. Upon reporting, a system-based notification is generated to enable timely review, corrective action, and mitigation or elimination of the identified work-related hazards.

The Company actively encourages reporting of near-miss incidents as a preventive safety measure to reduce the occurrence of work-related accidents and incidents. This proactive reporting culture helps identify potential hazards at an early stage and supports continuous improvement in occupational health and safety performance.

**d. Do the employees/ worker of the entity have access to non-occupational medical and healthcare services? (Yes/ No)**

Yes, the Company ensures that its employees, permanent workers, and their dependent family members have access to non-occupational medical and healthcare services at affiliated hospitals and healthcare centers, or they can receive a Medclaim premium reimbursement up to a specified limit. Non-permanent workers are covered under the Employees State Insurance Scheme and Workmen Compensation Policy for non-occupational medical assistance. Additionally, the Company offers Medclaim insurance premium reimbursement up to a capped amount for all retired employees and surviving spouses.

**11. Details of safety related incidents, in the following format:**

| Safety Incident/Number                                                        | Category  | FY 2025-26<br>(Current Financial<br>Year) | FY 2024-25<br>(Previous Financial<br>Year) |
|-------------------------------------------------------------------------------|-----------|-------------------------------------------|--------------------------------------------|
| Lost Time Injury Frequency Rate (LTIFR) (per one million-person hours worked) | Employees | 0                                         | 0                                          |
|                                                                               | Workers   | 0.10                                      | 0                                          |
| Total recordable work-related injuries*                                       | Employees | 2                                         | 3                                          |
|                                                                               | Workers   | 7                                         | 7                                          |
| No. of fatalities                                                             | Employees | 0                                         | 0                                          |
|                                                                               | Workers   | 0                                         | 0                                          |
| High consequence work-related injury or ill-health (excluding fatalities)     | Employees | 0                                         | 0                                          |
|                                                                               | Workers   | 0                                         | 0                                          |

**\*Note:** The FY 2024-25 recordable injury data has been restated following enhancements to the Company's injury recording and reporting system, resulting in improved accuracy and completeness of data capture.

**12. Describe the measures taken by the entity to ensure a safe and healthy workplace.**

The Company has adopted a systematic approach to occupational health and safety management by implementing preventive, participative, and risk-based safety measures across its operations. The Company ensures to provide a safe and healthy workplace for employees, contract workers, contractors, and visitors through structured systems for hazard identification and risk assessment, incident reporting, worker participation, training, and emergency preparedness.

The Company has implemented Hazard Identification and Risk Assessment (HIRA) process for identifying hazards and assessing risks associated with routine and non-routine activities. The HIRA process is reviewed annually to ensure its continued effectiveness and alignment with changes in operations and workplace conditions.

Further, Job Safety Analysis (JSA) is carried out to identify job-specific hazards and define suitable control measures prior to the commencement of work. The Safety Team, along with the departments concerned, undertakes these assessments, and the findings are manually documented for monitoring and continual improvement.

The Company has also established a formal incident reporting mechanism. Reported incidents are investigated to determine root causes, and corrective and preventive actions are implemented to prevent recurrence. The Plant Head is kept informed during the reporting and investigation process.

Workers are encouraged to report work-related hazards, unsafe acts, unsafe conditions, and near-miss incidents. They are also empowered to remove themselves from unsafe working conditions and report such situations to supervisors or Safety Officers, including during daily plant rounds. This supports proactive hazard identification and enhances worker participation in safety management.

The Company has implemented a robust Permit-to-Work system for high-risk activities to ensure that adequate safeguards, approvals, and precautions are in place before work is initiated. In addition, regular safety training and awareness programmes are conducted on chemical safety, fire safety, emergency response, toolbox talks, and safe work practices.

These initiatives collectively support Company's commitment to maintaining a safe and healthy workplace and continuously improving its occupational health and safety performance.

### 13. Number of Complaints on the following made by employees and workers:

|                    | FY 2025-26<br>(Current Financial Year) |                                       |         | FY 2024-25<br>(Previous Financial Year) |                                       |         |
|--------------------|----------------------------------------|---------------------------------------|---------|-----------------------------------------|---------------------------------------|---------|
|                    | Filed during the year                  | Pending resolution at the end of year | Remarks | Filed during the year                   | Pending resolution at the end of year | Remarks |
| Working Conditions | Nil                                    | Nil                                   | NA      | Nil                                     | Nil                                   | NA      |
| Health & Safety*   | 16                                     | Nil                                   | Nil     | 17                                      | Nil                                   | NA      |

**\*Note:** The number of complaints on Health & Safety for FY 2024-25 data has been restated following enhancements to the Company's injury recording and reporting system, resulting in improved accuracy and completeness of the data capture.

### 14. Assessments for the year:

|                             | % Of your plants and offices that were assessed (by entity or statutory authorities or third parties) |
|-----------------------------|-------------------------------------------------------------------------------------------------------|
| Health and safety practices | 100%                                                                                                  |
| Working Conditions          | 100%                                                                                                  |

### 15. Provide details of any corrective action taken or underway to address safety-related incidents (if any) and on significant risks / concerns arising from assessments of health & safety practices and working conditions.

The Company has adopted a proactive and systematic approach towards occupational health and safety management. The Company is committed to providing a safe and healthy working environment and undertakes appropriate measures to address safety-related incidents and mitigate significant risks identified through hazard identification, risk assessments, job safety analyses, inspections, and incident investigations.

A formal mechanism is in place for reporting incidents, unsafe acts, unsafe conditions, and near-miss cases. Workers are encouraged to promptly report such matters to the Plant Head, Safety Officers, or relevant supervisors. For each reported incident or near-miss, a detailed investigation is carried out to ascertain the root cause and identify contributing factors. Based on the investigation outcomes, corrective and preventive actions are implemented. These actions may include changes to processes or work methods, implementation of engineering controls, strengthening of administrative controls, improved supervision, refresher training, and reinforcement of safe operating procedures.

The effectiveness of corrective actions is monitored to prevent recurrence and strengthen workplace safety systems. This approach supports continual improvement in Company's occupational health and safety performance and promotes a culture of prevention and accountability.

### LEADERSHIP INDICATORS

#### 1. Does the entity extend any life insurance or any compensatory package in the event of death of (A) Employees (Y/N) (B) Workers (Y/N).

A. Yes – permanent employees

B. Yes – permanent workers

## 2. Provide the measures undertaken by the entity to ensure that statutory dues have been deducted and deposited by the value chain partners.

The Company ensures compliance with all applicable statutory and regulatory requirements through a robust supplier and contractor management framework. Compliance obligations are incorporated into contractual agreements, and necessary statutory registrations, licenses, declarations, and supporting documents are obtained and verified during the onboarding and engagement process. The Company also conducts periodic reviews and assessments of suppliers, contractors, and service providers to monitor adherence to applicable laws and regulations. Additionally, documentary evidence of statutory payments and compliances is obtained and verified, wherever applicable, to ensure transparency, accountability, and compliance across the supply chain ecosystem.

## 3. Provide the number of employees / workers having suffered high consequence work-related injury / ill-health / fatalities (as reported in Q11 of Essential Indicators above), who have been are rehabilitated and placed in suitable employment or whose family members have been placed in suitable employment:

|           | Total no. of affected employees/workers |            | No. of employees/workers that are rehabilitated and placed in suitable employment or whose family members have been placed in suitable employment |            |
|-----------|-----------------------------------------|------------|---------------------------------------------------------------------------------------------------------------------------------------------------|------------|
|           | FY 2025-26                              | FY 2024-25 | FY 2025-26                                                                                                                                        | FY 2024-25 |
| Employees | -                                       | -          | -                                                                                                                                                 | -          |
| Workers   | -                                       | -          | -                                                                                                                                                 | -          |

## 4. Does the entity provide transition assistance programs to facilitate continued employability and the management of career endings resulting from retirement or termination of employment? (Yes/ No)

Yes

## 5. Details on assessment of value chain partners:

|                                    | % of value chain partners (by value of business done with such partners) that were assessed |
|------------------------------------|---------------------------------------------------------------------------------------------|
| <b>Health and safety practices</b> | 100% health checkup for on-site contractors                                                 |
| <b>Working Conditions</b>          | 100% working condition checkup of on-site contractors                                       |

## 6. Provide details of any corrective actions taken or underway to address significant risks / concerns arising from assessments of health and safety practices and working conditions of value chain partners.

No significant risks, concerns, or non-compliances requiring major corrective actions were identified during the assessment of value chain partners. The Company maintains a proactive approach to supplier and contractor oversight through regular evaluations and engagement mechanisms. Any minor observations identified during the assessment process were effectively addressed through supplier engagement initiatives, awareness programmes, capacity-building efforts, and periodic follow-up reviews. These measures helped ensure continued adherence to the Company's standards, responsible business practices, and applicable statutory and regulatory requirements across the value chain.

# PRINCIPLE 4: BUSINESSES SHOULD RESPECT THE INTERESTS OF AND BE RESPONSIVE TO ALL ITS STAKEHOLDERS.

## ESSENTIAL INDICATORS

### 1. Describe the processes for identifying key stakeholder groups of the entity.

The Company recognises stakeholders as individuals or groups whose interests are affected, or may be affected, by its business activities. Accordingly, the Company has classified its stakeholders into internal and external categories. The Company believes in maintaining regular and meaningful engagement with its stakeholders to understand their expectations, concerns, and feedback, and to address them in an effective and timely manner. Based on this approach, the Company has identified the following key stakeholder groups:

| S.No. | Stakeholder Group                    | Importance                                                                                                                                                                                                                                                                                                                                        |
|-------|--------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1     | Shareholders, Investors and Analysts | Shareholders and investors contribute to the Company's overall business growth by providing capital investment.                                                                                                                                                                                                                                   |
| 2     | Customers                            | Customers form the foundation of a Company's growth. Their satisfaction is crucial to our success, as negative feedback can lead to reputational damage. Positive and impactful feedback from customers is essential for gradual growth.                                                                                                          |
| 3     | Employees and Contractual Workforce  | Employees and the contractual workforce are essential for the smooth functioning of the Company's day to day operations. They contribute by bringing innovative ideas and diverse perspectives, which drive the development of new products and processes. This, in turn, results in sustainable growth and enhances the Company's profitability. |
| 4     | Family Members of Employees          | The Organisation actively engages with the family members of its employees and encourages their participation in plant visits and various programmes organised by the Organisation. It also undertakes initiatives such as scholarship programmes for employees' children to support their education and overall development.                     |
| 5     | Regulatory Bodies                    | Regular engagement with regulatory bodies enables the Company to stay compliant with the latest rules and regulations, as well as gain access to guidance and protocols for the safe management of chemicals produced at Company sites.                                                                                                           |
| 6     | NGOs & Local Communities             | NGOs assist the Company in effectively implementing social and environmental initiatives within local communities and in reaching the last mile through various CSR activities. Engagement with local communities provides the Company with the social license to operate.                                                                        |
| 7     | Contractors (who provide manpower)   | Contractors provide contract workers, offering the flexibility needed to scale operations up or down as required.                                                                                                                                                                                                                                 |
| 8     | Suppliers                            | Suppliers and service providers assist in sourcing high-quality raw materials, producing high-quality finished goods, and ensuring timely distribution to end users in compliance with all applicable regulations.                                                                                                                                |
| 9     | Logistics Partners                   | Logistics partners facilitate the uninterrupted transportation of raw materials and final products.                                                                                                                                                                                                                                               |

**2. List stakeholder groups identified as key for your entity and the frequency of engagement with each stakeholder group.**

| Stakeholder group        | Whether identified as Vulnerable & Marginalized Group (Yes/ No) | Channels of communication (Emails, SMS, Newspapers, Pamphlets, Advertisement, Community meetings, Notices Board, Website)                               | Frequency of engagement (Annually/ Half yearly/ Quarterly/ others)-Please specify | Purpose and scope of engagement including key topics and concerns raised during such engagements                                                                                                                        |
|--------------------------|-----------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|

#### LEADERSHIP INDICATORS

1. Provide the processes for consultation between stakeholders and the Board on economic, environmental, and social topics or if consultation is delegated, how is feedback from such consultations provided to the Board.

Corporate Social Responsibility (CSR), ESG & Sustainability Committee of Directors collects the feedback from various stakeholder groups through their identified SPOCs and submits the information to the Board.

2. Whether stakeholder consultation is used to support the identification and management of environmental, and social topics (Yes / No). If so, provide details of instances as to how the inputs received from stakeholders on these topics were incorporated into policies and activities of the entity.

Yes, after receiving input from various stakeholders ESG committee (now Corporate Social Responsibility (CSR), ESG & Sustainability Committee) of Directors initiates appropriate amendments in the policies. The feedback received during the periodic stakeholder consultation is communicated to the management and the Board for appropriate changes in the policies.

For instance:

- The feedback received from the logistic partners on reducing the turnaround time by optimising the waiting time for vehicles within the premises. Furthermore, resting zones and adequate sanitary facility have been provided to the logistic partners.

- The paternity leaves were already introduced in FY 24-25 after receiving the feedback from young male employees.
- The target beneficiaries of CSR projects are being routinely reviewed and revised based on the need assessment carried out with the CSR stakeholders.

3. Provide details of instances of engagement with, and actions taken to, address the concerns of vulnerable/marginalized stakeholder groups.

-

## PRINCIPLE 5 - BUSINESSES SHOULD RESPECT AND PROMOTE HUMAN RIGHTS.

### ESSENTIAL INDICATORS

1. Employees and workers who have been provided training on human rights issues and policy(ies) of the entity, in the following format:

| Category               | FY 2025-26<br>(Current Financial Year) |                                          |             | FY 2024-25<br>(Previous Financial Year) |                                          |             |

| Wages                             | Nil                                    | Nil                                       | Nil     | Nil                                     | Nil                                       | Nil     |
| Other human rights related issues | Nil                                    | Nil                                       | Nil     | Nil                                     | Nil                                       | Nil     |

**7. Complaints filed under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013, in the following format:**

|                                                                                                                                     | <b>FY 2025-26<br/>(Current Financial Year)</b> | <b>FY 2024-25<br/>(Previous Financial Year)</b> |
|-------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------|-------------------------------------------------|
| Total Complaints reported under Sexual Harassment on of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013 (POSH) | Nil                                            | Nil                                             |
| Complaints on POSH as a % of female employees / workers                                                                             | Nil                                            | Nil                                             |
| Complaints on POSH upheld                                                                                                           | Nil                                            | Nil                                             |

**8. Mechanisms to prevent adverse consequences to the complainant in discrimination and harassment cases.**

The Company has implemented a Whistle Blower Policy, providing a platform for employees to voice their concerns without fear or hesitation. At each project site and office, a suggestion box is available, allowing employees to express concerns anonymously. Additionally, the Company has established a POSH Policy, and for female employees and workers, SHE boxes are placed on office premises to anonymously report any grievances. The Whistle Blower Policy can be accessed at:

<https://gacl.com/wp-content/uploads/2025/09/QHSEn-Policy-English.pdf>

**9. Do human rights requirements form part of your business agreements and contracts? (Yes/No)**

Yes, the Supplier Code of Conduct and other business agreements have human rights requirements.

**10. Assessments for the year:**

|                                   | <b>% of your plants and offices that were assessed (by entity or statutory authorities or third parties)</b> |
|-----------------------------------|--------------------------------------------------------------------------------------------------------------|
| Sexual Harassment                 | 100%                                                                                                         |
| Discrimination at workplace       | 100%                                                                                                         |
| Child Labour                      | 100%                                                                                                         |
| Forced Labour/ Involuntary Labour | 100%                                                                                                         |
| Wages                             | 100%                                                                                                         |
| Others – please specify           | -                                                                                                            |

\*PPP conversion rate 2026 – 20.34, PPP conversion rate 2025 – 20.66 (Source: International Monetary Fund- Implied PPP conversion rate – India) <https://www.imf.org/external/datamapper/PPPEX@WEO/OEMDC/IND>

Note: The FY 2024-25 disclosures have been recalculated to reflect the inclusion of the Company's plants within the reporting boundary and to align with the FY 2025-26 methodology, thereby improving comparability across reporting periods.

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

No independent assessment/ evaluation/assurance has been carried out by an external agency.

**2. Does the entity have any sites / facilities identified as designated consumers (DCs) under the Performance, Achieve and Trade (PAT) Scheme of the Government of India? (Y/N) If yes, disclose whether targets set under the PAT scheme have been achieved. In case targets have not been achieved, provide the remedial action taken, if any.**

Yes.

The PAT framework applicable to Dahej Complex-I had already concluded in FY 2024-25 and the targets were achieved. From FY 2025-26, the applicable framework is the Carbon Credit Trading Scheme (CCTS), and the assessment and audit process for FY 2025-26 is presently underway.

However, the PAT target for Cycle VII for Vadodara could not be achieved due to the aging of the element coating and membrane, which affected overall plant performance. To address this issue and improve operational efficiency, recoating and remembraning activities have been planned to restore performance levels and support achievement of the PAT target.

**3. Provide details of the following disclosures related to water, in the following format:**

| Parameter                                                                                                                                                               | FY 2025-26<br>(Current Financial Year) | FY 2024-25<br>(Previous Financial Year) |

PPP conversation rate 2026 – 20.34, PPP conversation rate 2025 – 20.66 (Source: International Monetary Fund- Implied PPP conversion rate – India) <https://www.imf.org/external/datamapper/PPPEX@WEO/OEMDC/IND>

The FY 2024-25 disclosures have been recalculated to reflect the inclusion of the Company's plants within the reporting boundary and to align with the FY 2025-26 methodology, thereby improving comparability across reporting periods.

The higher water consumption in FY 2025-26 is due to increase in production in FY 2025-26 as compared to 2024-25.

\*The total water consumption for FY 2024–25 has been revised in accordance with the SEBI Guidance Note dated 30 January 2026, using the formula: Water Consumption = Water Withdrawal – Water Discharge.

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

No independent assessment/ evaluation/assurance has been carried out by an external agency.

| 4. Provide the following details related to water discharged:         |                                        |                                         |

|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 5. Has the entity implemented a mechanism for Zero Liquid Discharge? If yes, provide details of its coverage and implementation.                                                                                                                                                                                 |
| Plot DII/9 at the Dahej site maintained its Zero Liquid Discharge (ZLD) status through FY 2024-25. However, in FY 2025-26, the implementation of a new manufacturing process resulted in the discharge of wastewater outside the facility premises, leading to the plant no longer qualifying as a ZLD facility. |

The FY 2024-25 disclosures have been recalculated to reflect the inclusion of the Company's plants within the reporting boundary and to align with the FY 2025-26 methodology, thereby improving comparability across reporting periods.

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

No independent assessment/ evaluation/assurance has been carried out by an external agency.

**8. Does the entity have any project related to reducing Green House Gas emission? If Yes, then provide details.**

The Company has undertaken a mangrove conservation and restoration project near the coastal stretch of Paniyadra village in 50 Hectares of area. The Company has initiated a transition toward renewable energy sources as part of its commitment to reducing carbon emissions and minimising its environmental impact. In addition, it has implemented the Carbon Credit Trading Scheme (CCTS), demonstrating its proactive approach to Green House Gas (GHG) emission management and climate responsibility. Participation in the scheme reflects the Company's efforts to improve energy efficiency, reduce carbon intensity, and contribute to broader sustainability and decarbonisation goals

**9. Provide details related to waste management by the entity, in the following format:**

| Parameter                                                                                                                                                             | FY 2025-26<br>(Current Financial Year) | FY 2024-25<br>(Previous Financial Year) |

PPP conversation rate 2026 – 20.34, PPP conversation rate 2025 – 20.66 (Source: International Monetary Fund-Implied PPP conversion rate – India) <https://www.imf.org/external/datamapper/PPPEX@WEO/OEMDC/IND>

The FY 2024-25 disclosures have been recalculated to reflect the inclusion of the Company's plants within the reporting boundary and to align with the FY 2025-26 methodology, thereby improving comparability across reporting periods.

The higher waste generation in FY 2025-26 is due to increase in production in FY 2025-26 as compared to 2024-25. One of the product produced at Dahej is generating solid waste by design / chemistry.

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

No independent assessment/ evaluation/assurance has been carried out by an external agency.

**10. Briefly describe the waste management practices adopted in your establishments. Describe the strategy adopted by your company to reduce usage of hazardous and toxic chemicals in your products and processes and the practices adopted to manage such wastes.**

The Company implements robust waste management practices across all its locations in compliance with the consent conditions stipulated by the Gujarat Pollution Control Board (GPCB). High-volume boiler waste generated during operations is sent to authorised pre-processing facilities for further treatment. Wastes falling under Rule 9 are disposed of through authorised end-users in accordance with regulatory requirements, while other process waste is safely disposed of in designated landfills.

**11. If the entity has operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.) where environmental approvals / clearances are required, please specify details in the following format:**

Not Applicable. The Company has no operations/offices in/around ecologically sensitive areas (such as national parks, wildlife sanctuaries, biosphere reserves, wetlands, biodiversity hotspots, forests, coastal regulation zones etc.)

**12. Details of environmental impact assessments of projects undertaken by the entity based on applicable laws, in the current financial year:**

| Name and brief details of project | EIA Notification No. | Date | Whether conducted by independent external agency (Yes / No) | Results communicated in public domain (Yes / No) | Relevant Web link |
|-----------------------------------|----------------------|------|-------------------------------------------------------------|--------------------------------------------------|-------------------|
|-----------------------------------|----------------------|------|-------------------------------------------------------------|--------------------------------------------------|-------------------|

Environmental Impact Assessment (EIA) has not been conducted for any of the projects for this reporting period.

**13. Is the entity compliant with the applicable environmental law/ regulations/ guidelines in India; such as the Water (Prevention and Control of Pollution) Act, Air (Prevention and Control of Pollution) Act, Environment protection act and rules thereunder (Y/N). If not, provide details of all such non-compliances, in the following format:**

| S.No. | Specify the law / regulation / guidelines which was not complied with | Provide details of the non-compliance | Any fines / penalties / action taken by regulatory agencies such as pollution control boards or by courts | Corrective action taken if any |
|-------|-----------------------------------------------------------------------|---------------------------------------|-----------------------------------------------------------------------------------------------------------|--------------------------------|
|-------|-----------------------------------------------------------------------|---------------------------------------|-----------------------------------------------------------------------------------------------------------|--------------------------------|

Yes, the Company is compliant with applicable environmental laws and regulations.

### LEADERSHIP INDICATORS

1. Water withdrawal, consumption and discharge in areas of water stress (in kilolitres): For each facility / plant located in areas of water stress, provide the following information:

(i) Name of the area

There are no operations in water-stressed areas.

(ii) Nature of operations

There are no operations in water-stressed areas.

(iii) Water withdrawal, consumption and discharge in the following format:

| Parameter                                                                            | FY 2025-26<br>(Current Financial Year) | FY 2024-25<br>(Previous Financial Year) |
|--------------------------------------------------------------------------------------|----------------------------------------|-----------------------------------------|
| <b>Water withdrawal by source (in kilolitres)</b>                                    |                                        |                                         |
| (i) Surface water                                                                    | -                                      | -                                       |
| (ii) Groundwater                                                                     | -                                      | -                                       |
| (iii) Third party water                                                              | -                                      | -                                       |

| Category 2   | Capital Goods                            | 15,520.00                                                                    | Not Included                    |
| Category 3   | Energy & Fuel Related Activities         | 4,53,152.00                                                                  | Not Included                    |
| Category 6   | Business Travel                          | 61.48                                                                        | Not Included                    |
| <b>Total</b> | <b>Scope 3 Emissions</b>                 | <b>11,73,398.37</b>                                                          | <b>8,756.43</b>                 |

The Company recorded an 18.5% reduction in emissions from employee commuting (Category 7) compared to FY 2024-25. Furthermore, in FY 2024-25, approximately 77.1% of total Scope 3 emissions originated from Category 4, 22.3% from Category 7, and 0.6% from Category 9. As Category 4 was not quantified in FY 2025-26 and several new high-impact categories (Categories 1, 2, and 3) were incorporated into the inventory, the year-on-year change in total Scope 3 emissions is primarily attributable to changes in the inventory boundary and category coverage rather than underlying operational performance.

Note: Indicate if any independent assessment/ evaluation/assurance has been carried out by an external agency? (Y/N) If yes, name of the external agency.

No independent assessment/ evaluation/assurance has been carried out by an external agency.

**3. With respect to the ecologically sensitive areas reported at Question 11 of Essential Indicators above, provide details of significant direct & indirect impact of the entity on biodiversity in such areas along-with prevention and remediation activities.**

The Company does not have any operational sites in ecologically sensitive areas. Hence, there were no direct or indirect impacts on biodiversity.

4. If the entity has undertaken any specific initiatives or used innovative technology or solutions to improve resource efficiency, or reduce impact due to emissions / effluent discharge / waste generated, please provide details of the same as well as outcome of such initiatives, as per the following format:

| S. No. | Initiative undertaken                                | Details of the initiative (Web-link, if any, may be provided along-with summary)                                                                                                                                                                                                                                                                                                                                                                                        | Outcome of the initiative                                                                                                                                                     |
|--------|------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| 1      | Adoption of Membrane Cell Technology                 | Implemented Membrane Cell Technology for Caustic Soda production, which is recognised as a highly energy-efficient process compared to conventional technologies.                                                                                                                                                                                                                                                                                                       | Reduced energy consumption in the manufacturing process, resulting in improved operational efficiency and lower carbon emissions.                                             |
| 2      | Installation of Back Pressure Turbines (BPT)         | Installed Back Pressure Turbines to recover energy from high-pressure steam and convert it into electrical power for plant operations.                                                                                                                                                                                                                                                                                                                                  | Enhanced energy recovery and reduced dependence on external power sources, leading to cost savings and lower greenhouse gas emissions.                                        |
| 3      | Participation in Carbon Credit Trading Scheme (CCTS) | Successfully implemented initiatives under the Carbon Credit Trading Scheme (CCTS) through reduction of greenhouse gas emissions.                                                                                                                                                                                                                                                                                                                                       | Earned carbon credits while contributing to climate change mitigation and supporting the organisation's sustainability goals.                                                 |
| 4      | Wastewater Recycling through RO Plant                | Installed a Reverse Osmosis (RO) Plant that converts approximately 300 m <sup>3</sup> of wastewater per day into reusable water, which is recycled back into plant operations.                                                                                                                                                                                                                                                                                          | Reduced freshwater consumption, improved water resource utilisation, and enhanced environmental sustainability through water recycling.                                       |
| 5      | Installation of Rooftop Solar Power System           | Established a rooftop solar photovoltaic system to generate renewable energy for plant requirements.                                                                                                                                                                                                                                                                                                                                                                    | Increased use of clean energy, reduced dependence on conventional power sources, and lowered the overall carbon footprint.                                                    |
| 6      | Energy Efficiency Improvement Projects               | Undertaken multiple energy conservation measures including remembraning of cell elements, installation of Variable Frequency Drives (VFDs) in CLM process water pumps and Hydrogenator feed pumps in the H <sub>2</sub> O <sub>2</sub> plant, implementation of standby logic in Nitrogen PSA, and coating of cooling water pumps.                                                                                                                                      | Improved equipment efficiency, reduced energy consumption, optimised process performance, and achieved operational cost savings.                                              |
| 7      | Resource Recovery and Water Conservation Initiatives | Installed a sulphate recovery system to reduce sludge generation. Additionally, through Vadodara Jal Sanchay Private Limited (VJSPL), a joint venture with Gujarat State Fertilizers & Chemicals Limited (GSFC), Gujarat Alkalies and Chemicals Limited (GACL), Gujarat Industries Power Company Limited (GIPCL) and Vadodara Municipal Corporation (VMC), planned utilisation of 50 MLD of treated sewage water from a new STP for industrial use in plant operations. | Reduced waste generation and disposal requirements, promoted resource recovery, and enhanced sustainable water management by substituting freshwater with treated wastewater. |

5. Does the entity have a business continuity and disaster management plan? Give details in 100 words/ web link.

Yes, the Company has implemented a Disaster Management Plan that includes an Onsite Emergency Plan in accordance with regulatory guidelines. This plan outlines mechanisms to manage potential environmental and social risks and provides a mitigation strategy, details on various emergency levels, and designated assembly points. Furthermore, it defines roles and responsibilities during emergencies and offers guidance on firefighting measures, communication procedures, and emergency preparedness.

6. Disclose any significant adverse impact to the environment, arising from the value chain of the entity. What mitigation or adaptation measures have been taken by the entity in this regard.

—

7. Percentage of value chain partners (by value of business done with such partners) that were assessed for environmental impacts.

—

8. How many Green Credits have been generated or procured:

a. By the listed entity

b. By the top ten (in terms of value of purchases and sales, respectively) value chain partners"

—

## PRINCIPLE 7 BUSINESSES, WHEN ENGAGING IN INFLUENCING PUBLIC AND REGULATORY POLICY, SHOULD DO SO IN A MANNER THAT IS RESPONSIBLE AND TRANSPARENT.

### ESSENTIAL INDICATORS

1. a. Number of affiliations with trade and industry chambers/ associations.

There are 12 affiliations with trade and industry chambers/associations.

b. List the top 10 trade and industry chambers/ associations (determined based on the total members of such body) the entity is a member of/ affiliated to.

| S. No. | Name of the trade and industry chambers/ associations                                                                                      | Reach of trade and industry chambers/ associations (State/National) |

2. Provide details of corrective action taken or underway on any issues related to anti-competitive conduct by the entity, based on adverse orders from regulatory authorities.

| Name of authority                                                                                | Brief of the case | Corrective action taken |
|--------------------------------------------------------------------------------------------------|-------------------|-------------------------|
| Nil. There were no such issues reported on anti-competitive conduct from regulatory authorities. |                   |                         |

#### LEADERSHIP INDICATORS

1. Details of public policy positions advocated by the entity:

| S.No. | Public policy advocated | Method resorted for such advocacy | Whether information available in public domain? (Yes/No) | Frequency of Review by Board<br>(Annually/ Half yearly/ Quarterly / Others – please specify) | Web Link, if available |
|-------|-------------------------|-----------------------------------|----------------------------------------------------------|----------------------------------------------------------------------------------------------|------------------------|
| -     | -                       | -                                 | -                                                        | -                                                                                            | -                      |
| -     | -                       | -                                 | -                                                        | -                                                                                            | -                      |

### PRINCIPLE 8 BUSINESSES SHOULD PROMOTE INCLUSIVE GROWTH AND EQUITABLE DEVELOPMENT.

#### ESSENTIAL INDICATORS

1. Details of Social Impact Assessments (SIA) of projects undertaken by the entity based on applicable laws, in the current financial year.

| Name and brief details of project | SIA Notification No. | Date of notification | Whether conducted by independent external agency (Yes/No) | Results communicated in public domain (Yes/No) | Relevant web link |
|-----------------------------------|----------------------|----------------------|-----------------------------------------------------------|------------------------------------------------|-------------------|
|-----------------------------------|----------------------|----------------------|-----------------------------------------------------------|------------------------------------------------|-------------------|

The Company did not conduct any Social Impact Assessment during FY 2025–26, as it was not applicable for the reporting period.

2. Provide information on project(s) for which ongoing Rehabilitation and Resettlement (R&R) is being undertaken by your entity, in the following format:

| S. No. | Name of project for which R&R is ongoing | State | District | No. of projects affected Families (PAFs) | % of PAFs covered by R&R | Amounts paid to PAFs in the FY (in INR) |
|--------|------------------------------------------|-------|----------|------------------------------------------|--------------------------|-----------------------------------------|
|--------|------------------------------------------|-------|----------|------------------------------------------|--------------------------|-----------------------------------------|

No projects requiring Rehabilitation and Resettlement (R&R) were undertaken by the Company during FY 2025–26. Therefore, this disclosure is not applicable.

3. Describe the mechanisms to receive and redress grievances of the community.

Yes, the Company has established a Grievance Redressal Procedure applicable to all stakeholders, including the community. A Grievance Handling Committee is in place, tasked with investigating grievances, collaborating with stakeholders to develop solutions, and taking actions to address the identified issues. The policy is hosted on Company's website. Furthermore, the grievance redressal mechanisms stated in Principle 3 – Question E 6 is applied to redress grievances from the community.

| 4. Percentage of input material (inputs to total inputs by value) sourced from suppliers: |                                        |                                         |
|-------------------------------------------------------------------------------------------|----------------------------------------|-----------------------------------------|
|                                                                                           | FY 2025-26<br>(Current Financial Year) | FY 2024-25<br>(Previous Financial Year) |
| Directly sourced from MSMEs/ small producers                                              | 19.08%                                 | 15.67%                                  |
| Directly from within India                                                                | 61.34%                                 | 61.57%                                  |

| 5. Job creation in smaller towns – Disclose wages paid to persons employed (including employees or workers employed on a permanent or non-permanent / on contract basis) in the following locations, as % of total wage cost: |                                        |                                         |
|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------|-----------------------------------------|
| Location                                                                                                                                                                                                                      | FY 2025-26<br>(Current Financial Year) | FY 2024-25<br>(Previous Financial Year) |

## PRINCIPLE 9 BUSINESSES SHOULD ENGAGE WITH AND PROVIDE VALUE TO THEIR CONSUMERS IN A RESPONSIBLE MANNER

### ESSENTIAL INDICATORS

#### 1. Describe the mechanisms in place to receive and respond to consumer complaints and feedback.

Yes. The Company has established a structured mechanism for addressing customer complaints. Complaints received by the Product Manager are forwarded to the concerned Plant In-charge and Quality In-charge for investigation and resolution. A cross-functional committee comprising representatives from Quality, Plant Operations, and Marketing reviews the complaint, undertakes necessary investigation, identifies the root cause, and implements suitable corrective and preventive actions. The Company aims to resolve customer complaints within 48 hours of receipt. The Company has implemented a Grievance Redressal Procedure for all stakeholders, including community members. This procedure is accessible on our website at: GACL Grievance Handling Policy.

#### 2. Turnover of products and/ services as a percentage of turnover from all products/service that carry information about:

|                                                             | As a percentage to total turnover |
|-------------------------------------------------------------|-----------------------------------|
| Environmental and social parameters relevant to the product | 100%                              |
| Safe and responsible usage                                  |                                   |
| Recycling and/or safe disposal                              |                                   |

#### 3. Number of consumer complaints in respect of the following:

|                                | FY 2025-26<br>(Current Financial Year) |                                   |                                                                                         | FY 2024-25<br>(Previous Financial Year) |                                   |         |
|--------------------------------|----------------------------------------|-----------------------------------|-----------------------------------------------------------------------------------------|-----------------------------------------|-----------------------------------|---------|
|                                | Received during the year               | Pending resolution at end of year | Remarks                                                                                 | Received during the year                | Pending resolution at end of year | Remarks |
| Data privacy                   | Nil                                    | Nil                               | NA                                                                                      | Nil                                     | Nil                               | NA      |
| Advertising                    | Nil                                    | Nil                               | NA                                                                                      | Nil                                     | Nil                               | NA      |
| Cyber-security                 | Nil                                    | Nil                               | NA                                                                                      | Nil                                     | Nil                               | NA      |
| Delivery of essential services | Nil                                    | Nil                               | NA                                                                                      | Nil                                     | Nil                               | NA      |
| Restrictive Trade Practices    | Nil                                    | Nil                               | NA                                                                                      | Nil                                     | Nil                               | NA      |
| Unfair Trade Practices         | Nil                                    | Nil                               | NA                                                                                      | Nil                                     | Nil                               | NA      |
| Other – Quality Control        | 2                                      | Nil                               | “Malfunction occurred during product transit due to driver-related operational issues.” | Nil                                     | Nil                               | NA      |

#### 4. Details of instances of product recalls on account of safety issues:

|                   | Number | Reasons for recall |
|-------------------|--------|--------------------|
| Voluntary recalls | Nil    | Nil                |
| Forced recalls    | Nil    | Nil                |

#### 5. Does the entity have a framework/ policy on cyber security and risks related to data privacy? (Yes/No) If available, provide a web-link of the policy.

Yes. The Company's approach to cyber security is included in its Cyber Security Policy and the same is available on the website. The policy can be accessed here:

<https://gacl.com/wp-content/uploads/2023/12/Information-Technology-Cyber-Security-Policy.pdf>

6. Provide details of any corrective actions taken or underway on issues relating to advertising, and delivery of essential services; cyber security and data privacy of customers; re-occurrence of instances of product recalls; penalty / action taken by regulatory authorities on safety of products / services.

Nil incidents were reported concerning cybersecurity or customer data privacy. Customer complaints received during FY 2025–26 were thoroughly investigated through root cause analysis, and appropriate corrective and preventive actions were implemented. These actions included strengthening process controls, enhancing quality checks, improving packaging and transportation practices, and conducting employee training to prevent recurrence.

7. Provide the following information relating to data breaches:

a. Number of instances of data breaches

None

b. Percentage of data breaches involving personally identifiable information of customers

Not Applicable

c. Impact, if any, of the data breaches

Not Applicable

No incidents involving the compromise of customers' personally identifiable information were reported during FY 2025-26.

### LEADERSHIP INDICATORS

1. Channels / platforms where information on products and services of the entity can be accessed (provide web link, if available).

Information relating to all products of the Company is available on the Company's website. All details can be accessed at the given link: <https://gacl.com/>

2. Steps taken to inform and educate consumers about safe and responsible usage of products and/or services.

The Company is dedicated to ensuring that consumers are well-informed about the safe and responsible use of its products. We provide Transport Emergency Cards (TREM cards) and Material Safety Data Sheets (MSDS) to all consumers, containing essential information for proper product handling.

The Company organises training for the consumers for safe handling of the product (such as, chlorine).

To further support our customers, Company operates a Central Control Room that is available 24/7, with the contact number prominently displayed on our website for easy access. Additionally, we regularly share relevant product information, including guidelines for safe and responsible usage, with our consumers through frequent mailers.

3. Mechanisms in place to inform consumers of any risk of disruption/discontinuation of essential services.

The Company uses a systematic approach to keep consumers informed about any changes in plant operations. When a plant shutdown is scheduled, we notify customers well in advance about the unavailability of materials. In the event of unforeseen plant malfunctions, we promptly alert customers.

4. Does the entity display product information on the product over and above what is mandated as per local laws? (Yes/No/Not Applicable) If yes, provide details in brief. Did your entity carry out any survey with regard to consumer satisfaction relating to the major products / services of the entity, significant locations of operation of the entity or the entity as a whole? (Yes/No)

Yes, the Company adheres to all applicable laws and regulations to ensure compliance. We display product information in accordance with mandated requirements. Details such as product net weight, material description, and safe handling instructions are clearly marked on the product packaging. Additionally, Transport Emergency Cards, Certificates of Analysis, BIS Standards certification, MSDS, and Hazardous Chemical Panels are also provided with the product.

Yes, the Company organises periodic dealers meet about once a year where insights from customers are obtained through the dealers and corrective actions on the same are taken to enhance customer satisfaction. Besides Company routinely ensures its presence at various trade exhibitions where customers have opportunity to visit and interact with senior officials of the Company.

**Note:** In case of any deviation/ difference of data presented in the XBRL and this report, the data presented in this report should be considered as final.

## ANNEXURE – 6 to Board's Report

### STATEMENT OF DISCLOSURE OF REMUNERATION PURSUANT TO SECTION 197 OF THE COMPANIES ACT, 2013 AND RULE 5(1) OF THE COMPANIES (APPOINTMENT AND REMUNERATION OF MANAGERIAL PERSONNEL) RULES, 2014.

| Sr. No. | Requirement                                                                                                                                   | Details                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |                          |              |                                   |

| 1.      | Ratio of remuneration of each Director to the median remuneration of the employees of the Company.                                            | <p>Non-Executive Directors are paid remuneration by way of Sitting Fees only for attending the Meetings of the Board of Directors and various Committees of the Company.</p> <p>Appointment of Managing Director (MD) (Executive Director) is made by the Board of Directors as per the direction of Government of Gujarat (GoG) and he/she is usually a Senior IAS Officer. MD is paid remuneration as per the terms and conditions prescribed and notified by GoG and as determined by the Board of Directors in accordance with the Articles of Association of the Company, the Companies Act, 2013 (the Act) and the relevant Rules framed thereunder as amended from time to time and subject to the approval of Shareholders.</p> <p>Smt. Avantika Singh, IAS, has been nominated as Government Director on the Board of the Company with effect from 3<sup>rd</sup> February, 2025. She is holding additional charge as Managing Director of the Company and therefore she does not draw any regular remuneration from the Company. The Company has received Order No. AIS-45.2025-4791-G dated 9<sup>th</sup> September, 2025 &amp; 11<sup>th</sup> March, 2026 From General Administration Department, Government of Gujarat, Gandhinagar sanctioning Special Pay/Charge Allowance payable at 5% of the Basic Pay as per Seventh Pay Commission to Smt. Avantika Singh, IAS as the Managing Director of the Company w.e.f 03.02.2025 to 31.07.2025 &amp; 01.08.2025 to 31.01.2026 respectively. Such Payment of Special pay / Charge allowance will be subject to the ceiling of not exceeding the limit specified in Schedule-V the Companies Act, 2013.</p> <p>In view of the above, ratio of remuneration of each Director to median remuneration of the employees is not comparable and hence details are not furnished under this column.</p> |                          |              |                                   |
| 2.      | Percentage increase in remuneration of each Director, Chief Financial Officer, Chief Executive Officer, Company Secretary or Manager, if any. | <b>Sr. No.</b>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              | <b>Director/KMP</b>      | <b>Title</b> | <b>% increase in remuneration</b> |

Senior Management (level M-0 to M-4A) : Annual increment of 5% of Base Pay or Rs. 2500/- whichever is higher.</li> <li>2. Middle Management (level M-4B to M-7) : Annual increment of 4% of Base Pay or Rs. 2500/- whichever is higher.</li> <li>3. Junior Management (level M-08 to M-10A) : Annual increment of 3% of Base Pay or Rs. 2500/- whichever is higher.</li> </ol> <ul style="list-style-type: none"> <li>• KMPs (CS &amp; CFO) are covered under Senior Management Category.</li> </ul> <p>In addition to the normal annual increments, the management personnel are eligible to get performance pay which is part of CTC (10% of CTC). Based on the per individual ratings and organization's performance rating, the performance pay is paid annually.</p> <p>For Non-Management Staff members, the annual increments are based on pre-defined scales as decided under long Term Settlement with GAC Employees Union.</p> <p>In addition to the normal annual increments, the non-management staff members are also eligible for payment of bonus &amp; ex-gratia based on the formula of organization's performance.</p> |
| 4. | Number of permanent employees on the rolls of Company at the end of the year.                                                                                                                                                                                                                                                                        | 1541                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
| 5. | Average percentile increases already made in the salaries of employees other than the managerial personnel in the last Financial Year and its comparison with the percentile increase in the managerial remuneration and justification thereof and point out if there are any exceptional circumstances for increase in the managerial remuneration. | <p>The remuneration of Management and Non-Management personnel is subject to revision every four years other than annual increments. Therefore, there is no direct relationship between performance of the Company and remuneration of employees except that in case of performance pay to management employees &amp; bonus/ ex-gratia to non-management employees. In addition to this, during the periodical revision of remuneration at every four years, the performance of the Company is considered.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| 6. | Affirmation that the remuneration is as per the remuneration policy of the Company.                                                                                                                                                                                                                                                                  | <p>Yes, the remuneration is as per the remuneration policy of the Company. The remuneration paid to the Managing Director is as per the terms and conditions prescribed and notified by GoG with requisite approval of Board of Directors and members of the Company under Law. The Company has in place different remuneration bands for Senior Management Employees. There is a Cost-to-Company(CTC) concept adopted by the Company in which 10% of the CTC is payable based on the Performance criteria fixed by the Company. KMPs being senior management employees are eligible for Performance based pay as a part of CTC. The remuneration of non-management staff members is as per the settlement arrived at with GAC Employees Union at every four years.</p>                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    |

## MANAGEMENT DISCUSSION AND ANALYSIS

### AN OVERVIEW OF ECONOMY - INDUSTRY STRUCTURE AND DEVELOPMENTS

#### GLOBAL ECONOMY#

As per IMF's World Economic Outlook (WEO) July 2026, global economy would grow at 3.0 percent in 2026 and 3.4 percent in 2027. Growth in advanced economies is projected at 1.7 percent in 2026 and 1.8 percent in 2027. In emerging market and developing economies, growth is projected to slow to 3.8 percent in 2026 before recovering to 4.5 percent in 2027. Global inflation is expected to pause its steady decline. Headline inflation is projected to rise from 4.1 percent in 2025 to 4.7 percent in 2026 before easing to 3.9 percent in 2027, with the increase for 2026 driven mainly by higher energy and food prices. The global economy is at a critical juncture, with significant internal and external imbalances and vulnerabilities.

#### INDIAN ECONOMY##

India's journey toward becoming a developed nation by 2047 coinciding with 100 years of its independence is powered by the bold national vision of Viksit Bharat@2047 announced by Hon'ble Prime Minister of India Shri Narendrabhai Modi.

The overarching vision of Viksit Bharat is to transform India into a developed entity characterized by economic prosperity, social advancement, environmental sustainability, and effective governance. This vision aspires for India to emerge as a leading global power, offering its citizens high standards of living and ensuring equitable growth for all. The initiative places a strong emphasis on building a self-reliant nation with a robust and prosperous economy.

The Hon'ble Prime Minister of India has vision for year 2047 for our nation when India is going to complete 100 years of Independence. **"Viksit Bharat 2047"** vision is a long-term national development roadmap aimed at transforming India into a developed nation by the centenary of its independence in 2047. The vision targets building a US\$30–35 trillion economy, significantly increasing per capita income, creating world-class infrastructure, promoting innovation and manufacturing, strengthening digital and green economies, and ensuring inclusive and sustainable development. The strategy is anchored on four key pillars—**Youth, Women, Farmers, and the Poor**—with a strong emphasis on employment generation, ease of doing business, technological advancement, and positioning India as a leading global economic powerhouse.

Accordingly, the Board of Directors of the Company at its meeting held on 23<sup>rd</sup> July, 2026 approved the **"Vision**

**2047"** for GACL in line with the **"Viksit Bharat 2047"** vision. The Company has set a target to achieve revenue of Rs. 40,000 Crores by 2047 with 20% EBITDA margin. The Company has set a vision to continue to be identified and recognised as a dynamic, to modern and eco-friendly chemical Company with enduring ethics and values.

India remains among the fastest growing major economies, with growth projected at 6.4 percent, supported by strong momentum in private consumption and services activity. Amid ongoing conflicts such as Middle-East, geopolitical disturbance, the trade headwinds remaining strong. India's growth projections are 7.0 percent for 2026 and 6.4 percent for 2027 based on calendar years. It is likely to face challenges arising from geopolitical tensions, trade uncertainties, and potential commodity price shocks. India's GDP is expected to reach the \$4.15 trillion mark by 2026, reinforcing its position as the sixth largest economy in the world.

India's growth story continues to draw global attention, backed by strong fundamentals and consistent performance. Real GDP, which measures the economy's output after removing the effects of inflation, expanded by 7.7% in 2025 - 26.

India remains the bright spot in a challenging global economy, on course to be the fastest growing major economy in 2026, powered by resilient domestic demand and strategic investment. United Nations (UN) projected a growth rate of 6.6 percent this year for india! despite global uncertainty.

India holds a strong position in exports and imports of chemicals at a global level and ranks 14<sup>th</sup> in exports and 8<sup>th</sup> in imports at the global level. Covering more than 80,000 commercial products, India's chemical industry is extremely diversified and can be broadly classified into bulk chemicals, specialty chemicals, agrochemicals, petrochemicals, polymers, and fertilisers.

Chemicals and petrochemicals demand in India is expected to nearly triple and reach US\$ 1 trillion by 2040. The Indian chemical industry is expected to reach US\$ 300 billion by 2028 and US\$ 1 trillion by 2040. This industry remains an active hub of opportunities, even in an environment of global uncertainty.

The Indian chemical industry is expected to further grow with a CAGR of 11-12% by 2027.

The global chemical industry is undergoing a major transformation, driven by shifting supply chains, demand for specialty and green chemicals, and heightened focus on innovation and sustainability. India's chemical sector,

<https://india.un.org/>

while significant in size and GDP contribution, remains fragmented and constrained by infrastructure gaps, regulatory inefficiencies and low R&D intensity.

The global chemical industry is undergoing a major transformation, driven by shifting supply chains, demand for specialty and green chemicals, and heightened focus on innovation and sustainability. India's chemical sector, while significant in size and GDP contribution, infrastructure gaps, regulatory inefficiencies and low R&D intensity.

#### INDIAN ALKALI INDUSTRY AT A GLANCE

The installed capacity of Caustic Soda in the country is about 64.11 Lakhs MTPA as on 31.3.2026 as compared to 64.03 Lakhs MTPA as on 31.03.2025. Now, all the medium & large-scale Chlor-Alkali units have converted their plants to Membrane Cell Technology. The Membrane Cell process is energy efficient, as the power requirement is much less i.e. in the range of 2150-2200 kwh/MT, as compared to Mercury Cell Technology, where it is around 3150-3300 kwh/MT.

The additional capacity expansion during FY 2025-26 was approx. 0.07 Lakhs MTPA in India, by new start-up as well as expansion of existing Plants (Source: AMAI).

The products of Chlor-Alkali industry are the basic raw materials for various industries like Alumina, Paper & Pulp, Soap & Detergents, Dyes, Pharmaceuticals, Water Treatment Chemicals, Pesticides and other Agrochemicals, etc.

#### THE CAUSTIC SODA MARKET SCENARIO

At present, there are 36 active Chlor-Alkali Units in India. The production of Caustic Soda during the FY 2025-26 has been about 53.32 Lakhs MT as against the total installed capacity of 64.11 Lakhs MTPA (as on 31.03.2026) i.e., capacity utilization is approx. 83%. As against this, during the same period, GACL has produced 7.69 Lakhs MT against the installed capacity of 8.50 Lakhs MTPA and achieved capacity utilization of 91% (including GNAL).

Out of total 36 active Chlor-Alkali Units in India, GACL stands at third largest in the country with a market share of about 15% having capacity utilization of 91% (including GNAL). GACL is the second largest Seller on "Merchant Sales" basis, during the FY 2025-26, among all Chlor-Alkali Players.

Out of India's total Caustic Soda capacity of 64.11 Lakhs MTPA as on 31.03.2026, West Zone alone has 41.12 Lakhs MTPA i.e. 64.14% while East Zone has 4.63 Lakhs MTPA i.e. 7.22%, North Zone has 5.28 Lakhs MTPA i.e. 8.24% and South Zone has 13.08 Lakhs MTPA i.e. 20.40%.

During FY 2025-26, the Caustic Soda (CSL, CSF & CSP) Exports were about 6.96 Lakhs MT as compared to 5.63 Lakhs MT in FY 2024-25, i.e. an increase of about 23.62%.

During FY 2025-26, the Caustic Soda (CSL & CSF) Imports were about 0.70 Lakhs MT as compared to 1.52 Lakhs MT in FY 2024-25 i.e. a decrease of about 53.95%.

Throughout the FY 2025-26, the prices of Chlor-Alkali

products have been under pressure due to various geographical issues as well as moderate demand from all the key segments. However, the Caustic Soda segment improved and recovered from US\$ 380 to 430 PMT, in rupee terms, it is now Rs.44000/MT from Rs.34000/MT or lower at end of financial year.

As GACL is a multi-product Company, having more than 36 products in the basket, yet the major revenues are coming from Caustic Soda group and therefore market scenario of Caustic Soda and Chlorine market is of utmost importance to GACL.

Looking to the market scenario, decent growth is expected in coming years, from all the key segments of Caustic Soda.

#### ABOUT THE COMPANY

The Company was established in 1973 and over a period of time, it has emerged as one of the largest producers of Caustic Soda in India with present installed production capacity of 8,73,750 MTPA (including GNAL) of Caustic Soda as on 31<sup>st</sup> March, 2026 and enjoys the economies of scale. The Company has about 15% share in the domestic Caustic Soda market.

The Company has implemented elaborate Environment Management System (EMS), Quality Management System (QMS), Occupational Health & Safety management System (OH&S) & Energy Management System (EnMS) and has embarked on continual improvement. The Company has achieved ISO 9001:2015, ISO 14001:2015, 45001:2018 and ISO 50001:2018 Integrated Management System Certificates.

The Quality Policy of the Company reflects its emphasis and commitments. Since inception, the Company has from time to time, expanded its operations in Chlor-Alkali Sector and also diversified into several higher end products, through forward & backward integrations. GACL was the first Indian Company to replace the Mercury Cell Technology with environment friendly and energy efficient Membrane Technology way back in the year 1989.

GACL has always ensured upgrading and adapting to eco-friendly & green technologies while it ensured the optimum capacity utilization during the FY 2025-26 at Vadodara Complex. The Company has achieved capacity utilization of 95% and in some other products viz. Chloromethanes (87%), Hydrogen Peroxide (104%), Phosphoric Acid (92%), Sodium Chlorate (106%), Poly Aluminium Chloride (88%), Potassium Carbonate (106%) & Anhydrous Aluminum Chloride (76%). Being a chemical manufacturing Company, GACL carries its passion for protecting the environment at every stage of its operations, keeping in view the interests of Customers, Shareholders, Employees, Society, other Stakeholders and Mother Nature.

The Company's products basket comprises of Caustic Soda (Lye, Flakes, Prills), Chloromethanes, Liquid Chlorine, Hydrochloric Acid, Hydrogen Peroxide, Anhydrous Aluminium Chloride, Caustic Potash (Lye & Flakes), Potassium Carbonate (Granules & Powder), Aluminium Chloride, Phosphoric Acid, Food Grade Phosphoric Acid, Chlorinated

Paraffin, Poly Aluminium Chloride (various grades), Chlorotoluene, Sodium Chlorate, Hydrazine Hydrate etc. The major revenues are derived from Caustic Soda Group and therefore, Caustic Soda and Chlorine market scenario has a wide impact on your Company's performance.

The Company's products are used by various industries like Textiles, Pulp & Paper, Alumina, Soaps & Detergents, Water Treatment, Petroleum, Plastics, Fertilizers, Pharmaceuticals, Agrochemicals, Plant Protection, Dyes & Dyes Intermediates, Refrigeration Gases, Epoxy etc. and it has marked its presence across the globe even against stiff international competition by exporting its world class products viz. Caustic Soda Flakes, Caustic Soda Prills, Potassium Carbonate, Potassium Hydroxide Flakes, Hydrogen Peroxide, Liquid Chlorine, Phosphoric Acid, Aluminium Chloride, PAC, Hydrochloric Acid and CPW to Europe, West Asia, South East Asia, Africa, Middle East/Far East, SAARC countries etc.

### **BUSINESS, OPERATIONS & FINANCIAL PERFORMANCE**

The total production (excluding power generation) has increased by 3.03% to 21,75,302 MT during the Financial Year 2025-26 from 21,11,229 MT in previous year.

The Production of Caustic Soda Lye, Caustic Soda Prills, Potassium Hydroxide, Potassium Carbonate, Phosphoric Acid, Purified Phosphoric Acid, and Chlorotoluene has increased during the Financial Year 2025-26 as compared to the previous year.

However, the production of Caustic Soda Flakes, Chloromethanes, Caustic Potash Flakes, Hydrogen Peroxide, Aluminium Chloride, Poly Aluminium Chloride, Stable Bleaching Powder and Sodium Chlorate has decreased during the Financial Year 2025-26 as compared to the previous year.

During the Financial Year 2025-26, the Company on standalone basis has achieved Net External Sales of Rs.4,246.50 Crores as against Rs.3,959.50 Crores in the previous year.

The Other Operating Income, for the financial year 2025-26 was Rs.111.58 Crores as against Rs.113.41 Crores in the previous year and the Other Income increased to Rs.116.62 Crores from Rs.92.14 Crores in the previous year. The Other income includes interest income of Rs.17.95 Crores, Dividend income of Rs.30.90 Crores, Insurance claim of Rs.24.07 Crores and Govt. Incentives of Rs.31.61 Crores.

The Earning Per Share was Rs.2.84 for FY 2025-26, as compared to Rs.2.15 for FY 2024-25. Cash Earning Per Share was Rs.62.43 for FY 2025-26, as compared to Rs.54.74 for FY 2024-25. Book value of Share has decreased to Rs.608.57 per share for FY 2025-26, as compared to Rs.626.02 per share for FY 2024-25. The Return on Capital Employed was at 1.87% for FY 2025-26, as compared to 1.02% for FY 2024-25.

During the year, total debt level has increased to Rs.567.63 Crores as on 31.03.2026 as compared to Rs.551.57 Crores

as on 31.03.2025, which resulted into Debt : Equity ratio to 0.13 : 1 as on 31.03.2026, as compared to 0.12 : 1 as on 31.03.2025.

The overall Raw Material consumption has decreased to Rs.1,564.38 Crores during the financial year as compared to Rs.1,638.75 Crores for the previous year, mainly due to decrease in consumption of Natural Gas on account of stoppage of Turbines operations in power plant at Dahej complex to economize on power and steam cost. Net External Electricity charges have increased by 7.96% to Rs.1,044.75 Crores during the financial year from Rs.967.69 Crores in the previous Financial year mainly due to higher consumption of purchased power on account of increase in production and stoppage of Turbines operations in power plant at Dahej complex.

The cost of Fuel, Natural Gas and Water charges increased to Rs.310.57 Crores during the financial year from Rs.251.39 Crores. Employees' remuneration has increased to Rs.370.47 Crores during the financial year from Rs.284.13 Crores in the previous Financial year mainly due to wages & pay revision of employees in the current year and provisioning requirements for past service liability towards Gratuity and Leave. Depreciation and amortization expense has increased to Rs.414.48 Crores during the Financial year from Rs.392.30 Crores in the previous year due to depreciation on routine capex and newly commissioned project viz Chlorotoluene. Other expenses have increased by 3.51% to Rs.612.44 Crores during the financial year from Rs.591.65 Crores in the previous financial year. The Finance cost has increased to Rs.63.38 Crores during the financial year from Rs.50.54 Crores in the previous financial year mainly due to increase in interest on short term loan and recognition of unwinding interest and Financial Guarantee commission on CCD issued by Joint Venture company.

EBITDA has increased to Rs.521.83 Crores in Financial Year 2025-26 from Rs.452.56 Crores in the previous year.

The Profit after finance cost but before depreciation and amortization (Cash Profit) has increased to Rs.458.44 Crores in Financial Year 2025-26 from Rs.402.02 Crores in the previous year.

Profit before tax (PBT) has increased to Rs.43.97 Crores during the year 2025-26 from Rs.9.72 Crores in previous year.

Profit After Tax (PAT) has increased to Rs.20.84 Crores during the year 2025-26 as compared to Rs.15.82 Crores in previous year.

At Consolidated Level, EBITDA has increased by 34.16% to Rs.498.58 Crores during the year 2025-26 from Rs.371.62 Crores in previous year.

Profit before tax has increased by 129.09% to Rs.20.72 Crores during the year 2025-26 from negative Rs.71.22 Crores in previous year.

Loss after tax has decreased by 96.30% to Rs.2.41 Crores during the year 2025-26 from Rs.65.12 Crores in previous year.

### KEY FINANCIAL RATIOS

Key Financial Ratios (Standalone) for the Financial Year ended 31<sup>st</sup> March, 2026, are provided here-below:

| Ratio                   | Unit  | FY<br>2025-26 | FY<br>2024-25 | % Inc. /<br>(Dec.) |
|-------------------------|-------|---------------|---------------|--------------------|
| Debtors Turnover        | Times | 12.67         | 17.97         | (29.49)            |
| Inventory Turnover      | Times | 8.09          | 7.90          | 2.41               |
| Interest Coverage       | Times | 8.23          | 8.95          | (8.04)             |
| Current Ratio           | Times | 1.19          | 1.13          | 5.31               |
| Debt Equity Ratio       | Times | 0.13          | 0.12          | 8.33               |
| Operating Profit Margin | %     | 12.29         | 11.43         | 0.86               |
| Net Profit Margin       | %     | 0.49          | 0.40          | 0.09               |
| Return on Net Worth     | %     | 0.46          | 0.34          | 0.12               |

Explanation for significant changes (i.e. more than 25%) in above mentioned ratios as compared to previous year

- Debtors Turnover ratio has decreased by 29.49% mainly due to increase in debtors.

Explanation for Change in Return on Net Worth as compared to previous year

- Return on Net Worth has increased by 0.12% mainly due to increase in profit during current financial year.

### RESEARCH AND DEVELOPMENT

The R&D Centre continues to play a pivotal role in driving innovation, process improvement, sustainability, and cost optimization across the organization. Through focused technical support and continuous process enhancement initiatives, the team contributes significantly towards improving operational efficiency, maintaining product quality, reducing production costs, and strengthening environmental performance.

During the year, the R&D team successfully identified and implemented alternate sources for critical raw materials such as rock phosphate and solvents including amyl alcohol, resulting in improved supply reliability and commercial benefits. Continuous efforts are also underway for import substitution and identification of alternative raw materials and auxiliary chemicals used across various manufacturing plants.

The Centre is actively engaged in strategic development projects involving chlorine, hydrazine hydrate, chlorotoluene derivatives, and specialty chemicals. Current development activities include products such as Dibenzyl Ether, Mono Potassium Phosphate (MKP), Di-Potassium Phosphate (DKP), Tri-Potassium Phosphate (TKP), Benzyl Acetate, Sodium Benzoate and Benzyl Salicylate have successfully progressed to the pilot scale stage.

In line with the Company's sustainability objectives, collaborative research programs have been undertaken

with reputed institutions such as BITS Pilani Goa Campus, CSMCRI, and NACL Industries Limited. These collaborations are focused on waste minimization, solid waste utilization, development of value-added products, and environmentally sustainable technologies.

The in-house developed cooling water treatment formulations are being effectively utilized in plant operations, contributing to higher cycles of concentration (COC), water conservation, corrosion control, improved heat transfer efficiency, and enhanced equipment life.

The R&D Centre remains committed to advancing innovation and supporting the Company's long-term growth through new product development, process optimization, effluent management, water treatment solutions, and sustainable resource utilization.

### EXPANSION AND DIVERSIFICATION

The Company continues to pursue a structured growth strategy focused on portfolio diversification, value addition to its chlorine chain, enhancement of captive consumption, and operational flexibility across its manufacturing operations.

During FY 2025-26, the Chlorotoluenes plant at Dahej witnessed a significant ramp-up in operations, achieving capacity utilization of approximately 80%. The facility has strengthened the Company's downstream specialty chemicals portfolio while contributing towards higher captive consumption of chlorine. The plant is expected to operate at full capacity during FY 2026-27.

The Hydrazine Hydrate Plant is under stabilization phase, with all required efforts being put to improve production levels gradually.

As part of its long-term strategy to increase value addition and enhance chlorine integration, the Company is implementing a 40 TPD Chlorotoluenes Downstream Project at Dahej for the manufacture of 2 downstream products. The project is expected to further strengthen the Company's presence in specialty chemical value chains while increasing captive utilization of chlorine. Out of 3 products envisaged earlier the Company is implementing 2 products in phase-I. The 3rd plant product will not be produced.

To enhance market flexibility and strengthen downstream integration, the Company is also undertaking installation of a 200 TPD Caustic Soda Flaking Unit and a 120 TPD Hydrochloric Acid Synthesis Unit. These projects are expected to be commissioned by the end of FY 2026-27 and will support both market development and improved in-house chlorine utilization.

In line with its commitment towards operational efficiency and cost competitiveness, the Company has planned investments in a new boiler facility and replacement of selected existing electrolyser cell elements with next-generation energy-efficient cell technology. These initiatives are expected to contribute towards optimization of energy consumption and reduction in manufacturing costs.

Building upon the successful operation of its existing Food

Grade Phosphoric Acid facility, the Company has initiated plans for setting up an additional Food Grade Phosphoric Acid plant at Dahej. The proposed expansion is expected to strengthen the Company's position in the food and specialty chemicals segment while creating a significant avenue for additional chlorine consumption.

As part of its diversification strategy, the Company has also approved enhancement of Caustic Potash production capacity at Vadodara through conversion of existing caustic soda manufacturing cells. This initiative will enable the Company to cater to the growing market demand for Caustic Potash and further diversify its product portfolio.

The Company has also initiated plans to establish an Electronic Grade Hydrogen Peroxide (E-Grade  $H_2O_2$ ) manufacturing facility to cater to the growing demand from the semiconductor, electronics and high-purity chemical sectors. The proposed project is aligned with the Company's strategy of expanding into high-value specialty chemicals and emerging technology-driven markets.

#### PROJECT "AHVAAN"

Project "Ahvaan", the Company's flagship transformation programme, continued to drive enterprise-wide performance improvement initiatives during FY 2025-26. The programme is focused on enhancing profitability, operational excellence, organizational effectiveness and long-term growth readiness through a structured and data-driven approach.

Implemented across procurement, manufacturing, commercial operations, supply chain, energy management and support functions, the programme has enabled the identification and execution of multiple value-creation initiatives. During the year, significant progress was achieved in areas such as energy and utility cost reduction, manufacturing efficiency improvement, procurement optimization and organizational effectiveness.

The initiatives implemented under Project Ahvaan generated an estimated annualized value creation potential of approximately Rs. 100 Crore during FY 2025-26 are under various stages of implementation.

The programme also supported the development of the Company's long-term strategic roadmap, digital transformation agenda and future-ready organizational framework, thereby strengthening the foundation for sustainable growth and value creation.

Project Ahvaan is being implemented with the support of management consulting firm A.T. Kearney and remains a key pillar of the Company's transformation journey towards achieving its long-term aspiration of becoming a larger, more profitable and globally competitive chemical enterprise.

#### SHORT TERM / LONG TERM POWER ARRANGEMENTS

The Company, due to its power intensive operations, has taken up a drive to optimize its power cost. As a part of these initiatives: (a) A Group Captive 75 MW Solar Power Plant with GIPCL and GSFC started last year.

which is providing low cost renewable power for reducing power cost. (b) The Company has made arrangements for sourcing Renewable Power in short / medium terms from M/s. NTPC Vidhyut Vyapar Nigam Limited (NVVNL), M/s. Tata Power and M/s. Kreate Energy for supply of solar power helping the Company to reduce its power cost. (c) The Company has formed an SPV with M/s Aditya Birla Renewable Energy for sourcing 62.7 MW hybrid power for captive use. The project is expected to be commissioned by Q2 of FY 26-27. (d) The Company had also invited Expression of Interest from reputed RE developers for installation of 75 MW hybrid Power Plant in SPV mode for captive use. Subsequently, the Requests for Proposal were sent to qualified interested parties. After techno-commercial evaluation, the Company is developing 75.9 MW Hybrid power project with M/s. CleanMax under a Special purpose Vehicle Arrangement. Out of this 75.9 MW Capacity, 16.5 MW capacity is expected to be commissioned tentatively by October, 2026 and remaining by March-2027. (e) The Company is further working on sourcing additional renewable energy for which an MOU has been signed with GMDC for exploring the possibility of putting up more renewable assets in SPV mode. Additionally, efforts are being made for optimizing the steam cost for the Company. The Company is also in discussion with RE developers to tie-up RE projects.

#### SEGMENT-WISE OR PRODUCT-WISE PERFORMANCE

The operations of the Company are under one segment only i.e. Chemical Manufacturing. The total production (excluding power generation) of the Company has increased by 3.03% to 21,75,303 MT during the FY 2025-26 from 21,11,229 MT in previous FY 2024-25. Product-wise production details are given on back side of the cover page of the Annual Report. Further, the quantitative product-wise data relating to production and sales for last ten years are also given in the Annual Report.

#### OPPORTUNITIES & THREATS, RISKS & CONCERNS

The strengths of the Company are economies of scale, state of the art eco-friendly technologies, extensive usage of renewable energy, integrated downstream plants, strong network for Marketing and Distribution, In-house Research and Development facilities, proximity to major raw material source and markets, etc. During the year under review, the Company has been able to reduce the weighted average power cost to some extent by increasing the share of cheaper renewable energy in the energy mix. However, higher fuel cost (natural gas & coal) and major dependence on grid power sourced from DISCOMs make availability of economic power supply a major area of concern. The Company is taking all the necessary actions to add further renewable power in the energy mix to overcome these concerns.

There is a potential business risk of proposed addition of large new capacity of Caustic Soda by two big business houses of the India and as a good risk management practice followed by your Company, the Company has

already started taking various steps such as optimizing chlorine integration for better operating rate, steps to increase export of solid caustic soda products, focus on new usages for Caustic soda etc. to mitigate this risk as major portion of Company's revenue is coming from Caustic Soda group products.

#### **DISPUTE WITH DELHI JAL BOARD**

An investigation was conducted by the Director General of the Competition Commission of India (CCI) against the Company, for alleged contravention of the provisions of Section 3(1) read with 3(3)(d) of the Competition Act, 2002, in respect of sales of chemical products to Delhi Jal Board (DJB). The Competition Commission of India vide its order dated 05.10.2017 imposed penalty of Rs.1.88 Crores. The Company had filed an Appeal before the NCLAT, challenging the order of the CCI. The Hon'ble NCLAT through its order dated 04.12.2017 granted stay on the operation of the impugned order of the CCI subject to a deposit of 10% of the penalty amount. The Delhi Jal Board has filed its Reply to the Appeal. The Company has also filed its Rejoinder to the Reply of the DJB. The Company had submitted convenience compilation and Note of Submission before NCLAT. The Delhi Jal Board had also submitted their Note of Submission. The matter is at the stage of final arguments. The Company will strongly defend the case. The Company believes that it had not indulged in any such activity.

#### **EXTERNAL COMMERCIAL BORROWING (ECB) LOAN**

To part finance the cost of the expansion, the Company has from time to time availed financial assistance by way of External Commercial Borrowing (ECB) of USD 68.70 Million. The said ECB had a moratorium of 2 years and repayment in equal ten half yearly installments thereafter. The Company has made pre-payment of ECB Loan of USD 34.35 Million along with the half yearly installment of USD 6.87 Million due to high currency fluctuations.

To repay the ECB Loan, the Company has availed Term Loan from HDFC Bank of Rs. 313.29 Crores. The term loan is secured against the assets of CLM plant, at Dahej. Necessary documents have been executed for creation of charge. The said loan will be repaid in five half yearly installments, first instalment on 17<sup>th</sup> March 2026 and last date of repayment will be 17<sup>th</sup> March 2028.

#### **RISK MANAGEMENT**

The Board of Directors of the Company at its Meeting held on 11.02.2016 had constituted Risk Management Committee of Directors. The Board at its Meeting held on 10.11.2016 has renamed "Risk Management Committee" as "Risk Management-cum-Safety Committee" as recommended by the Audit Committee.

The Company has constituted Internal Risk Management Committee comprising of Senior Executives of the Company who are heading respective departments viz. Finance,

Manufacturing, Marketing, Purchase, Project, Safety, Information Technology, HR, Secretarial and Legal functions etc. The Managing Director is the Chairman of the Internal Risk Management Committee. The Internal Risk Management Committee reports to the Managing Director and the risks identified by the said Committee along with proposed mitigation measures / actions are discussed periodically on quarterly basis with the Managing Director. Out of the various risks identified by the Internal Risk Management Committee, the Audit Committee has identified certain critical risks, which are reviewed by the Risk Management-cum-Safety Committee, the Audit Committee and by the Board of Directors periodically. A Report on the steps taken to mitigate those critical risks is also submitted to the Risk Management-cum-Safety Committee, Audit Committee and the Board of Directors.

Pursuant to provisions of Regulations 17 & 21 of Listing Regulations and Sections 134 & 177 of the Companies Act, 2013 ("the Act") and other applicable provisions, if any, of the Listing Regulations and the Act, the Board of Directors of the Company at its meeting held on 2<sup>nd</sup> November, 2018 has framed and approved "Risk Management Policy" of the Company. The Company has further amended its Risk Management Policy in line with amendments under SEBI (Listing Obligations and Disclosure Requirements) (Second Amendment) Regulations, 2021.

As on 31<sup>st</sup> March, 2026, below were the Members of the Risk Management Committee:

1. Shri Nitin Shukla, Chairman;
2. Dr. Chinmay Ghoroi;
3. Shri Sanjay Joshi; and
4. Smt Avantika Singh, IAS.

#### **INTERNAL CONTROL SYSTEM AND THEIR ADEQUACY**

The Company has adequate internal financial controls in place commensurate with the size and nature of its business. The Company periodically reviews the internal financial controls in the light of new statutes, changes in business models, adoption of new technology solutions and suggestions for improvements received from employees. During the year, such controls were reviewed and tested and no reportable material weakness in the design or operation was observed.

For all amendments to Indian Accounting Standards (Ind AS) and the new standards notified, the Company carries out a detailed analysis and presents the impact on accounting policies, financial results including revised disclosures to the Audit Committee. The approach and changes in policies are also validated with the Statutory Auditors.

The Company has a stated process and periodicity for physical verification of its inventory and fixed assets. Any variances are analysed and accounted post necessary approvals.

The Company gets its financial statements reviewed every quarter by its Statutory Auditors. The accounts of GNAL are audited and certified by their Statutory Auditors for consolidation.

None of the auditors of the Company have reported any fraud as specified under second proviso of section 143 (12) of the Companies Act, 2013 including any statutory modifications or re-enactments thereof for the time being in force.

## OUTLOOK

The Company deals in marketing of Caustic Soda (Lye, Flakes/ Prills), Chloromethanes, Liquid Chlorine, Hydrochloric Acid, Hydrogen Peroxide, Anhydrous Aluminium Chloride, Caustic Potash (Lye & Flakes), Potassium Carbonate (Granules & Powder), Aluminium Chloride, Phosphoric Acid, Food Grade Phosphoric Acid, Chlorinated Paraffin, Poly Aluminium Chloride (various grades), Chlorotoluene, Sodium Chlorate, Hydrazine Hydrate etc.

Plants are integrated in such a way that, part of finished product of one plant is being consumed as raw material in other plant to produce further value added products.

The company thus takes advantage of its forward integration philosophy.

As more than 60% of the total production capacity of India is located in Western region, it has been observed that there is 22-23% surplus supply available than the actual current demand in the region.

In order to cater all regions, we used to cater the market of Eastern India. Accordingly, we have successfully executed supplies of CS Lye to M/s. National Aluminium Company Ltd. (NALCO), M/s. Vedanta Ltd. and M/s. Utkal Alumina International Ltd. as well as M/s. Hindalco Industries Ltd. in the tune of approx. 207173 MT i.e. 201915 MT through Rail Racks and 5258 MT through Ship/Coastal (including GNAL).

In addition to this, we have executed CSL Bulk Exports of about 30973 MT FY 2025-26, as compared to 27585 MT during FY 2024-25.

Out of total eight active Chloromethanes manufacturers in India, GACL is the market leader with a market share of about 19.65%, having capacity utilization of 87% i.e. 1.36 Lakhs MT of Chloromethanes produced during the FY 2025-26, as against the total installed capacity of 1.56 Lakhs MTPA.

India has successfully transitioned into a net exporter with the commissioning of GACL new Chloromethanes capacity. GACL is exporting Methylene Chloride (MDC) to more than 20 countries, and within a short period, we have achieved remarkable sales growth. This accomplishment highlights India's expanding presence in the global market and the Company's success in capitalizing new opportunities by consistently supplying quality products.

In addition to this, captive consumption of Hydrogen Gas

is maximized through expanded Hydrogen Peroxide plant, which is also fetching additional revenue. GACL is one of the largest sellers of Hydrogen Gas to domestic and SEZ markets.

Further, the company has successfully optimized its Sodium Chlorate plant at Dahej, which is the first & only manufacturing plant in India, which finds applications primarily in Pulp & Paper Industry for "Elemental Chlorine Free Bleaching of Pulp & Paper".

New Food Grade Phosphoric Acid plant is running at 100% capacity and is consuming large quantity of HCL, especially when HCL is one of the concerns for its disposal.

GACL has successfully commissioned "Hydrazine Hydrate" plant at Dahej under the mission of "Make in India", which finds applications primarily in Agrochemicals, as Oxygen, Scavenger etc.

The Hydrazine Hydrate Plant is under stabilization phase, which is area of concern. However, we are taking all required actions to improve the performance of HH Plant.

As a value addition to Hydrochloric Acid (HCL), we had commissioned Poly Aluminium Chloride (PAC) at our Vadodara (Coelho) Complex and are able to capture sizable domestic market for various grades of PAC. The physical Exports of PAC (Powder) has also been increased, wherein realizations are promising.

Gujarat is predominantly an industrial state, which contains a number of large, medium & small business units in the Chemical, Petrochemical, Plastics, Textile, Fertilizer and other Industries.

As part of market development, the emphasis is to interact with customers and develop new market for the products. Providing prompt after sales service as & when required is part of this strategy and this helps the company to increase its volume especially for new products.

GACL is also exporting many of its products viz. Caustic Soda Lye, Flakes, Prills, Potassium Carbonate, Caustic Potash Flakes, Hydrogen Peroxide, Phosphoric Acid, liquid Chlorine, Aluminum Chloride, PAC (Powder), Stable Bleaching Powder, Benzyl Alcohol, Benzyl Chloride, Hydrochloric Acid and CPW to Europe, West Asia, South-East Asia, Africa, Middle-East/Far East, SAARC countries etc.

The Company is facing import threat and dumping of various products at low prices, which affects capacity utilization, prices etc. and is pro-actively taking corrective action for imposition of Antidumping Duty within the WTO guidelines.

GACL has introduced hybrid - "Channel Financing/Advance Payment" for our existing authorized Dealers. Hence, there is adequate Credit Control in place.

GACL has successfully launched "Digital Product Booking Platform" effective from Mar-2024, to book products through Online Portal to make system more transparent and to explore market price.

## FOREIGN EXCHANGE EARNINGS AND OUTGO

GACL has consistently embraced a proactive approach in undertaking various activities to sustainably export volume, boost revenues, and explore new export market for both existing and new products. This proactive stances showcase dedication to continue growth and the expansion of global presence.

The Company has expanded its presence across globe and added another 4 countries in our stride and now GACL is exporting its products to total 65 Countries, as on 31.03.2026.

GACL has experienced a quantum leap in Export capabilities. Company has achieved ever-highest Exports of Rs.946 Crores, surpassing all previous records and with GNAL, our total Exports turnover reached at Rs.1242 Crores.

The company has accomplished a significant increase in foreign currency earnings, soaring from USD 52.92 Million to USD 56.43 Million, reflecting a growth of 6.63%.

In the current financial year also, the Company targets at wider markets for Exports of various products with the help of company's accreditation of IS/ISO 9001, 14001, 18001 & 50001 and having registration of Benzyl Alcohol and Aluminium Chloride with 'REACH' while for Poly Aluminium Chloride and Caustic Soda registration have been made with NSF International, USA and Halal India.

## SAFETY & ENVIRONMENT

Our commitment to safety and preservation of environment has been encompassed in our Quality, Health, Safety, Environment and Energy (HSE En) Policy. This policy serves as foundation for a safer and sustainable workplace for all. Management is responsible for educating, training and motivating employees and contractors to understand and comply with the GACL commitment to Safety and Health and relevant laws. This policy also requires employees and contractor workforces to report any work-related hazards and hazardous situations as a condition of their engagement in the company. To accomplish this, we encourage open and proactive communication between the contractor workforces and their line management.

The Company has implemented elaborate Environment Management System (EMS), Quality Management System (QMS), Occupational Health & Safety Management System (OH&S) and Energy Management System (EnMS) based on plan-do-check-act ensures that we embark on continual improvement. The systems provide us with processes to identify and evaluate hazards and risks associated with our manufacturing processes and the associated activities. TUV NORD(GmbH) has granted ISO 9001: 2015, ISO 14001: 2015, ISO 45001: 2018 and ISO 50001: 2018 Integrated Management System Certificates to the Company.

The Company has continued its emphasis on safety awareness not only for its employees and contractor workforce but also for customers handling our products

and community in close vicinity of our plants. Proactive, highly engaged participation of employees and contractor workforce, involving communities and schools, across all businesses of GACL, ensured increasing awareness for HSE and guaranteed focus on Safety. The Company has also adopted a unique concept of Plant Healthiness Check-up to identify and address areas for improvement of the manufacturing facility.

As Contractors are the backbone of the Company's operations, the focus on Contractor Safety is of utmost importance. To enhance risk awareness related to their activities and to boost knowledge and competence, the awareness training sessions for the contractor staff were improvised, which helped them familiarisation with work-related risks and their mitigation measures.

The Company organizes campaigns on the occasion of celebrating National Safety Day as well observing National Fire Services Day and Chemical Disaster Prevention Day. These campaigns reaffirm our dedication to promoting a workplace safety framework, reinforce best practices, and instill a collective commitment to safeguarding every individual within the workforce.

The Company has its Emergency Response and Contingency Plan (ERCP) in place to combat and minimize likely effect of any emergency situations. GACL conducts trainings, table top exercises and mock drills at periodic intervals as a part of its Emergency Response and Contingency Plan. These trainings enhance team co-ordination, communication and readiness to handle crises effectively. The ERCP is also reviewed and updated by considering various Maximum Credible Scenarios

Preparedness and response to this ERCP is evaluated periodically by conducting different levels of Mock-Drills on emergency scenario.

EHS hazards are identified and risk assessment are performed in a collaborative manner by cross-functional teams. The Company also conducts third-party Safety Audit and allows fresh eyes and a different approach to assess, review, and analyse company's safety management programs of prevention of an incident.

Safety First is always our primary goal and hence we strive to benchmark ourselves against industry best practices, and update our processes to have best Safety and Health standards. Our senior leaders and EHS personnel review our company-wide EHS performance at periodical interval that covers leading and lagging matrices of Safety and Health.

This year we implemented an initiative across the complexes "Daily Safety Contact". This initiative set the tone of Safety is first priority. It also encourages active participation and responsibility for Safety.

As on 31.03.2026, the Vadodara Complex of the Company has completed 1341 reportable accident-free days, and Dahej Complex-1 and Dahej Complex-2 have completed 1019 and 325 reportable accident-free days respectively.

Adequate steps have been taken for Pollution Control, Green Belt Development etc. besides due compliance with statutory requirements for the protection of environment.

At Vadodara Complex, green belt has been developed and maintained in 25 out of total 29 acres of land having various varieties of total 7,000 trees like teak, bamboo neem, babul, etc. at TSDF site. Company has also developed and maintained about 24000 sq. mts. area of green patches having 1,700 trees and lawns, shrubs etc. inside the Caustic Soda & Coelho complex.

At Vadodara Complex, we have total 8,700 nos. of trees being planted & maintained. Also, we have developed vertical garden by way of plantation in 550 big pots, on vertical peripheral area of our corporate office building. The canteen and garden waste is being converted into the best organic manure through in-house vermicomposting facility on regular basis at both the Complexes.

Our comprehensive water management practices include partnership in desalination, rainwater harvesting, wastewater treatment and carbon intensity footprint. We have implemented effective waste management systems to minimize environmental impact.

GACL has developed a comprehensive roadmap outlining key strategies and milestones to reduce its carbon intensity footprint. The approach is multi-faceted, focusing on operational efficiency, renewable energy for decarbonization.

In the field of water conservation, the Company has installed wastewater recycling RO System for converting wastewater into reusable water. Daily 400 to 500 M<sup>3</sup> of wastewater is treated and converted to reusable water which is recycled back to the Plant.

In Dahej Complex, large area has been covered by development and maintenance of green belt, landscaping, flora & fauna, rainwater harvesting through earthen ponds.

The Company has undertaken water conservation by channelizing cooling tower water spillage, treated sewage and drip irrigation. Nearly 24,000 nos. of trees have been planted and 50 hectares of mangroves has been cultivated nearby Paniyadra village.

The Company regularly sends hazardous waste for co-processing to cement industry through third party pre-processing facilities for utilisation of wastes as AFR (Alternate Fuel and Raw Material). The canteen and garden waste are being converted into organic manure through in-house vermicomposting facility on regular basis at both the Complexes.

The Company is one of the promoters of Vadodara Enviro Channel Limited (VECL). VECL was formed by various nearby industries for the purpose of safe discharge of treated effluent in sea. Thus, entire treated liquid effluents of Caustic Soda & Coelho Complex are being discharged through VECL. VECL has valid Consolidated Consent and Authorisation (CC&A) until June 30, 2029.

## CORPORATE SOCIAL RESPONSIBILITY

During the year under review, the Company has continued to fulfill its Corporate Social Responsibilities to enhance Human Development Index (HDI) and contributed to achieve Sustainable Development Goals (SDGs) by undertaking thematic activities viz. (a) Promotion of Education and its related activities (b) Care for Special Children (c) Healthcare, Nutrition, Hygiene and Sanitation (d) Sustainable Livelihood and Skill Development activities (e) Art, Culture and Heritage and (f) Environment related activities.

Promoting inclusive and sustainable growth has been a priority for GACL from both a social and business perspective. The Company strives to make a difference to its customers, to the society and to the nation's development directly through its products and services, as well as through its development initiatives and community outreach.

During the Financial Year 2025-26, the Company had carried out various CSR activities. Kindly refer [Annexure-2](#) of Board's Report i.e. Annual Report on CSR activities for more details on various CSR activities.

## MATERIAL DEVELOPMENT IN HUMAN RESOURCES

At Gujarat Alkalies and Chemicals Limited (GACL), we recognize that our people are the foundation of our success. With a strong focus on capability building, employee engagement, and organizational excellence, we continued to strengthen our workforce and foster a culture of growth, innovation, and collaboration.

During FY 2025-26, Learning & Development remained a key priority. A range of structured training programmes was conducted to enhance technical, functional, and leadership competencies across the organization. Our collaboration with IIM Ahmedabad enabled the development of high-potential employees through specialized leadership programmes, while the partnership with IIT Gandhinagar provided advanced technical training to engineers at the Vadodara and Dahej plants. In addition, Outbound Development Programmes offered experiential learning opportunities that strengthened teamwork, leadership and problem-solving skills. Moreover, as a part of cordial industrial relation integrated with learning, a collaborative outbound training program consisting of the senior executives and union representatives was organized.

Employee and family engagement continued to be an important focus area during the year. "GACL Master Stroke" was organized for children of GACL employees studying in Standards IX, X, XI, and XII to help them to enhance their study skills, improve focus, manage academic stress, and develop confidence during their crucial academic years. Complementing this initiative, "GACL Shakti" was launched for the female spouses of GACL employees with the objective of promoting family harmony, emotional well-being, and supportive communication. Family Plant Visit Programmes - "Aapdu GACL, Aapdo Parivaar" also provided family members with an opportunity to gain firsthand exposure to GACL's operations and work culture, fostering

a deeper sense of pride, belonging, and connection with the organization. Additionally, our flagship “Vadil Hovano Vaibhav” session was organized for our retiring employees, helping them prepare for a fulfilling and meaningful post-retirement journey.

For the upcoming FY 2026-27, we shall be coming up with various initiatives in Talent Management.

We remained committed to promoting an inclusive and respectful workplace where every employee feels valued and empowered. Through continuous awareness initiatives and open communication, we reinforced a culture built on trust, mutual respect and equal opportunity.

At GACL, we remain committed to nurturing talent, encouraging continuous learning and creating an environment where employees and their families can grow together while contributing to the Company's sustainable growth and future success.

#### **AWARDS AND RECOGNITIONS**

The company has adopted a constant pursuit of growth and prosperity. In an effort to do so, it is important to acknowledge the company's achievements and recognitions. This not only boosts the employees' confidence and zeal but also enables the company to push its limits and aim higher always. GACL continued its impressive run and added new awards and recognitions.

Our Vadodara complex has been awarded the prestigious “Certificate of Merit” by the National Safety Council in Group B (Manufacturing Sector) at the national level during the 39<sup>th</sup> APOSHO International Conference held at Yashobhoomi, Dwarka, New Delhi. This recognition reflects our commendable achievements in Occupational Safety and Health during 2022–2024.

This accomplishment is based on our 2025 Award Application, in which fifty-seven HSE-related elements were evaluated. These elements broadly cover our safety performance, including accident-free man-days/hours, safety management systems, top management's commitment to safe plant operations, worker participation in safety initiatives, existing safety practices & adopted standards, training and awareness efforts, corporate social responsibility, fire prevention & protection systems and environmental management systems.

Our continued participation demonstrates our commitment to strengthening workplace safety standards and fostering a proactive safety culture across all levels of the organisation.

#### **INFORMATION TECHNOLOGY**

The Company continues to advance its digital transformation journey with a clear focus on enhancing efficiency, productivity, and system resilience. During the year, a comprehensive Digital Strategy has been designed to drive adoption of digital technologies and artificial intelligence, enabling improved operational effectiveness and data-driven decision-making.

Under this strategy, initiatives are being undertaken to strengthen digital capabilities, streamline processes, and embed intelligent tools across business operations. A structured approach is being followed to drive AI awareness, adoption, and use case development, with the objective of integrating digital intelligence into routine processes.

In parallel, the Company is progressing with planning and preparatory activities for ERP migration to modernize enterprise systems and support scalable, integrated operations. The Company has also made progress in digitalization of plant infrastructure, including initiatives to enable extraction and use of operational data from plant systems to improve visibility, monitoring, and process optimization.

The Company continues to strengthen its cybersecurity posture through enhanced monitoring, preventive controls, and risk mitigation measures across IT and OT environments. Initiatives are also underway towards implementation planning for the Digital Personal Data Protection (DPDP) framework, ensuring strengthened data governance, privacy and regulatory compliance.

Measures have been initiated to establish appropriate governance frameworks for responsible use of artificial intelligence, including awareness of associated risks, ethical considerations, and implementation of necessary safeguards.

Business continuity and disaster recovery systems are periodically tested through mock drills to ensure availability of critical systems. Employee awareness programs, phishing simulations, and continuous training initiatives are conducted to promote a strong cybersecurity culture and responsible usage of emerging technologies. Periodic system upgrades, vulnerability assessments, and penetration testing (VAPT) are carried out to proactively address risks.

The Company continues to strengthen its Information Security Management System (ISMS) in line with ISO 27001:2022 standards through ongoing monitoring, risk assessment, and process improvements.

The Company remains committed to sustained investments in Information Technology and Digital Transformation to support smart operations, enhance competitiveness, and drive innovation-led growth.

#### **CAUTIONARY STATEMENT:**

The Company assumes no responsibility in respect of forward-looking statements, expectations and assumptions herein which may undergo changes in future on the basis of subsequent development, information, or unforeseen circumstances or force majeure events. This shall not be considered as investment guidance or advice or invitation. The readers are advised to make their own independent assessment and judgement.

## CORPORATE GOVERNANCE REPORT

The disclosure report on compliance of Corporate Governance in accordance with the provisions contained in Regulations 17 to 27 and clauses (b) to (i) of sub-regulation (2) of Regulation 46, 34(3) and Schedule V Para C, D, E and other relevant provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred as "Listing Regulations") is set out below:

### A. MANDATORY REQUIREMENTS

#### 1. COMPANY'S PHILOSOPHY ON CODE OF GOVERNANCE:

At the Company, the Corporate Governance philosophy stems from the belief that good and sound Corporate Governance practices are necessary for sustainable business that aims at generating long-term value for all the stakeholders. As a value-driven organization, the Company has adopted a transparent, ethical and robust Governance framework, which helps enhance efficiency as an important catalyst in driving business growth across all parameters and boost stakeholders' confidence. Our Corporate Governance principles are fairness, transparency, ethical processes and good practices. The core values of the organization include Safety & Environment, Quality, Trust, Social Responsibility, Leadership and Excellence.

The Company recognizes the importance of transparency and integrity in dealing at all levels. The Company believes that the goodwill resulting from implementing a code of business ethics will, in perpetuity, translate into economic gains. Stakeholders rate on higher scale those companies that are managed properly and have better Corporate Governance, which ensures the optimum usage of the human, physical and financial resources of an enterprise. We have integrated ethics into our corporate culture and we concentrate on putting appropriate Corporate Governance mechanisms in place. The Company has intertwined the ethical and social elements with its operating philosophy business model. The Corporate Social Responsibility of the Company is the unmistakable inclusion of public interest into corporate decision making and honoring the Mother Nature besides the interests of the other stakeholders. The Company achieves its objective of being socially responsible through sustainable business practices, by meeting or exceeding the expectations of all its stakeholders, including neighboring villages.

#### 2. BOARD OF DIRECTORS:

##### COMPOSITION OF THE BOARD:

The Company has an optimum combination of Executive and Non-Executive Directors which is in conformity with Regulation 17 of the SEBI Listing Regulations read with Sections 149 and 152 of the Act. The Board periodically evaluates the need for change in its composition and size. Detailed profile of the Directors is available on the Company's website at <https://gacl.com/governing-body/>

##### 2.1 Dr. Hasmukh Adhia, IAS (Retd.), Chairman, Non-Executive Nominee Director (DIN: 00093974):

Dr. Hasmukh Adhia is an Officer of Indian Administrative Service, who retired on 30<sup>th</sup> November, 2018 as Union Finance Secretary & Revenue Secretary in Government of India. At present he is the Principal Advisor to the Chief Minister of Gujarat since January 2023. He is the Chairman of Gujarat Administrative Reforms Commission.

Dr. Adhia is a Non-Executive Chairman of two State owned companies. These companies are Gujarat Alkalies and Chemicals Ltd (GACL) and Gujarat Mineral Development Corporation Ltd (GMDC).

He is associated with number of educational institutions including Central University of Gujarat (CUG) as Chancellor, Indian Institute of Management Bangalore (IIMB) as a member of Board of Governors, and with School of Ultimate Leadership (SOUL) as Vice-Chairman.

Dr. Adhia has a post-Graduate degree in Accountancy. He is a gold medalist from the Indian Institute of Management, Bangalore and holds a Ph.D. in Yoga from Swami Vivekanand Yoga University, Bangalore.

As Finance and Revenue Secretary, he was credited with the successful implementation of GST in India. On his superannuation in November 2018, Late Shri Arun Jaitley, the then Finance Minister of India praised Dr. Adhia's contribution in a Facebook post. He said, "Dr. Adhia was unquestionably a highly competent, disciplined, no-nonsense civil servant and of course, with impeccable integrity." The Board of Directors of the Company, pursuant to Letter No. MIS/11-2016/1765/E dated 19<sup>th</sup> June, 2023 issued by Energy & Petrochemicals Department, Government of Gujarat and as recommended by Nomination-cum-Remuneration Committee, had appointed Dr. Hasmukh Adhia, IAS (Retd.) (DIN: 00093974) as Director and Chairman w.e.f. 20.06.2023, subject to the approval of Shareholders of the Company. The Shareholders

of the Company had approved his appointment on 13<sup>th</sup> September, 2023 through Postal Ballot dated 8<sup>th</sup> August, 2023.

Directorships in other Listed Companies as on 31.03.2026:

Natarajan, IAS (DIN: 00396367) as Director w.e.f. 11.09.2024, subject to the approval of shareholders of the Company. The Shareholders of the Company had approved his appointment on 26<sup>th</sup> September, 2024 at 51<sup>st</sup> Annual General Meeting.

Directorships in other Listed Companies as on 31.03.2026:

| Sr. No. | Name of the Company                                    | Position          |
|---------|--------------------------------------------------------|-------------------|
| 1.      | Gujarat Narmada Valley Fertilizers & Chemicals Limited | Managing Director |
| 2.      | Gujarat State Fertilizers & Chemicals Limited          | Director          |
| 3.      | Gujarat Energy Limited*                                | Director          |

\* Pursuant to the composite Scheme of arrangement, Gujarat Gas Limited changed it's name to Gujarat Energy Limited w.e.f 1<sup>st</sup> May, 2026

- 2.3 Shri Bimal Julka, IAS (Retd.), Independent Director (Non-Executive) (DIN: 03172733):** Shri Bimal Julka is an IAS Officer of 1979 batch of Madhya Pradesh cadre. He completed his B.A. Hons in Industrial & Organizational Psychology from Delhi University in 1975, followed by M.A. in Psychology. Mr. Julka has the University of Oxford, Queen Elizabeth Fellowship for Government interventions in the SME Sector.

Shri Bimal Julka, IAS (Retd.), held key positions in the Ministries of Defense and Finance. At the pinnacle of his career, he became Secretary to Government of India in the Ministry of I&B. From accomplishing a near impossible task as a young officer in charge of relief during the Bhopal Gas tragedy to successfully conducting FM radio auctions as Secretary, Mr. Julka, is known to be a true "Karmayogi". Dealing with inconsistencies at bureaucratic levels with a firm hand and to use the principals of good governance for the larger interest of public good have been his forte. A hard hitting negotiator along with a truly democratic style of functioning has made him one of the most respected civil servants.

He has served as a Nominee Director in various Companies such as The New India Assurance Company Limited, Oil and Natural Gas Corporation Limited, IDFC Limited, National Skill Development Corporation,

Security Printing and Minting Corporation of India Limited and as an Independent Director in Reliance Power Limited, One 97 Communications Limited and Paytm Payments Bank Limited. He also worked as a Chief Information Commissioner, Government of India.

The Board of Directors of the Company, pursuant to Letter No. EPCD/0304/06/2024, dated 2<sup>nd</sup> July, 2024 received from the Government of Gujarat and as recommended by Nomination-cum-Remuneration Committee, had appointed Shri Bimal Julka, IAS (Retd.), as an Independent Director w.e.f. 11.07.2024, subject to the approval of shareholders of the Company. The Shareholders of the Company had approved his appointment on 26<sup>th</sup> September, 2024 at 51<sup>st</sup> Annual General Meeting.

- 2.4 Shri Nitin Shukla, Independent Director (Non-Executive) (DIN: 00041433):** Shri Nitin Shukla holds a Bachelor's degree in Mechanical Engineering and brings with him over four decades of rich and diverse experience in the Energy and Infrastructure sectors. He has served for over 19 years in leadership roles as a Managing Director and CEO of joint ventures of multinational corporations in India.

He retired from the Shell Group in September 2016 as Managing Director & CEO of Hazira LNG Pvt. Ltd. and Hazira Port Pvt. Ltd. He led the business from the time Shell took its Final Investment Decision (FID) in December 2001. Under his leadership, the Hazira LNG terminal was successfully developed using an innovative spot cargo model, later transitioning to a service-provider-based structure combined with spot and short-term contracts. He also played a key role in the development of Non-LNG cargo operations at Hazira Port through a sub-concession route awarded via international competitive bidding.

Prior to his association with Shell, Shri Nitin Shukla served as a Managing Director of Gujarat Powergen Energy Corporation Ltd. (a PowerGen UK group company) from July 1999 to February 2002. He also served as an Executive Director of Gujarat Torrent Energy Corporation Ltd. (GTEC) from December 1997 to July 1999, where he was instrumental in the successful implementation of a 655 MW dual-fuel gas-based power project, completed on schedule and within budget. Earlier in his career, he worked with Engineers India Ltd. on large and complex projects and was associated with the initial stages of Nirma Ltd.'s soda ash and linear alkyl benzene projects.

Shri Nitin Shukla has been actively involved with various industry and academic bodies. He has held positions such as: Chairman, CII Gujarat; Member, National Hydrocarbon Council (CII and FICCI); Member, Advisory Council, CSIR-NEERI; Member, Advisory Committee to Gujarat Electricity Regulatory Commission; Member, Gujarat Energy Research & Management Institute; Member, Standing Committee & Audit Committee, Pandit Deendayal Energy University (PDEU); Chairman, Gujarat Grassroots Innovation Augmentation Network (GIAN).

He has served as a Director on the boards of several prominent companies, including Shell India Pvt. Ltd., Shell Hazira Gas Pvt. Ltd., Shell India Markets Pvt. Ltd., Gujarat Mineral Development Corporation Ltd., Dahej SEZ Ltd., Gujarat Foundation for Entrepreneurial Excellence (iCreate), Cotton Connect (South Asia) Pvt. Ltd.

In the not-for-profit sector, he serves as a Trustee of Gujarat Vishwakosh Trust, Sabarmati Ashram Preservation and Memorial Trust (Gandhi Ashram), Darshak Itihas Nidhi, and as a Director of Anuvad Academy and Research Foundation.

His appointment as an Independent Director was approved by the shareholders via postal ballot dated 24<sup>th</sup> March, 2022.

Directorships in other Listed Companies as on 31.03.2026:

| Sr. No. | Name of the Company                      | Position             |
|---------|------------------------------------------|----------------------|
| 1.      | Gujarat Industries Power Company Limited | Independent Director |
| 2.      | ACC Limited                              | Independent Director |
| 3.      | AIA Engineering Limited                  | Independent Director |

- 2.5 Smt. Shridevi Shukla, Independent Director (Non-Executive) (DIN: 02028225):** Smt. Shridevi Shukla has done B.A. in Economics. She has wide administrative and corporate experience. Prior to her retirement, she held various senior level positions in various Departments of Government of Gujarat viz., Industries and Mines, Finance, Science and Technology and General Administration etc. Subsequent to her retirement, she was appointed as an Officer on Special Duty (Industries and Mines) and Appellate Authority (Mines), Industries and Mines Department from September, 2010 to February, 2014. Thereafter,

she was appointed as State Information Commissioner, Gujarat from May, 2014 to February, 2015. She has also served as an Independent Director in Other Government Companies. Smt. Shridevi Shukla is also a member in India- Brazil Business Council (WICCI).

Smt. Shridevi Shukla was appointed as an Independent Director of the Company w.e.f. 12<sup>th</sup> May, 2022.

The Shareholders of the Company had approved her appointment on 30<sup>th</sup> July, 2022 through Postal Ballot dated 6<sup>th</sup> June, 2022.

- 2.6 Dr. Chinmay Ghoroi, Independent Director (Non-Executive) (DIN: 10697793):** Dr. Chinmay Ghoroi is B. S. Gelot Chair Professor in the Department of Chemical Engineering, Associated Faculty in Dr. Kiran C. Patel Centre for Sustainable Development and Coordinator of Centre for Safety Engineering at IIT Gandhinagar. He completed his PhD from IIT Bombay. He was a Research Associate at the New Jersey Institute of Technology (NJIT) and Visiting Scholar at Texas A&M University. Dr. Ghoroi also worked in the Process Industry and Simulation Industry for few years before moving to IIT Gandhinagar.

He has established a Common Research & Technology Development Hub (CRTDH) at IIT Gandhinagar for MSME. Dr. Ghoroi is also the Associate Editor of Particulate Science and Technology and serving in several committees of Gujarat Pollution Control Board (GPCB), Member of multiple committees of National Green Tribunal (NGT) and Expert Committee Member of Hydrogen Safety Committee of Ministry of New and Renewable Energy (MNRE).

He has received several Excellence Awards such as Excellence in Research Award, Excellence in Institution Building Award, Excellence in Outreach Activities Award at IIT Gandhinagar, R.G. Manudhane PhD Excellence Award for best PhD thesis from Chemical Engineering, IIT Bombay, and the Employee Excellence Award from Invensys Process System, HITEC City, Hyderabad.

He holds Directorship in GACL-NALCO Alkalies & Chemicals Private Limited.

The Board of Directors of the Company, pursuant to Letter No. EPCD/0304/06/2024, dated 2<sup>nd</sup> July, 2024 received from the Government of Gujarat and as recommended by Nomination-cum-Remuneration Committee, had appointed Dr. Chinmay Ghoroi as an Independent Director w.e.f. 11.07.2024, subject to the approval of shareholders of the Company. The Shareholders of the Company had approved his appointment on 26<sup>th</sup> September, 2024 at 51<sup>st</sup> Annual General Meeting.

- 2.7 Shri Sanjay Joshi, Independent Director (Non-Executive) (DIN: 01656787):** Mr. Sanjay Joshi is a Chemical Engineer and brings over four decades of diverse professional experience in leadership roles across multiple industries. He has global exposure in engineering and project management, with a focus on oil and gas, refining, petrochemicals, chemical projects and energy transition. He played a key role to expand Aker Solutions' business in the upstream oil and gas sector. Also, he established India as execution centre across the value chain of oil and gas industry to serve subsea, greenfield, brownfield projects in the North Sea.

Beginning his career in 1980 after graduating in Chemical Engineering, Mr. Joshi has held a variety of positions at both working and leadership levels with leading Engineering companies in India, Oman, Abu Dhabi and the United Kingdom. In recognition of his outstanding contributions to the engineering sector in India, he was honoured with the "Business Leader of the Year in Engineering Services" award by the ChemTECH Foundation in 2015.

He holds Directorships in Ion Exchange (India) Ltd., Ion Exchange Engineering and Projects Limited and SLB Capturi India Pvt. Ltd. (formerly Aker Carbon Capture India Private Limited).

His appointment as an Independent Director was approved by the shareholders via Postal Ballot dated 12<sup>th</sup> February, 2026.

Directorships in other Listed Company as on 31.03.2026:

| Sr. No. | Name of the Company          | Position             |
|---------|------------------------------|----------------------|
| 1.      | Ion Exchange (India) Limited | Independent Director |

- 2.8 Smt. Avantika Singh, IAS, Managing Director (Executive) (DIN: 07549438):** Smt. Avantika Singh, IAS, is a Senior Officer of 2003 batch. She has done B.E. (Instrumentation & Control Engg.) from Netaji Subhas Institute of Technology, Delhi and Masters in Public Administration from Harvard University's John F. Kennedy School of Government.

Throughout her two-decade long career in Civil Services, she has held various crucial administrative positions in the Government of Gujarat. She has served as District Collector in multiple districts including

Ahmedabad, Vadodara, Bharuch and Anand. She has been accorded the Best District Collector award for Vadodara district (2015-16) and Bharuch district (2012-13) by the State Government. She has also served as a District Development Officer in Anand, Gandhinagar districts and as a Deputy Secretary, Energy and Petrochemicals Dept. and Director of Petroleum in the State Government.

She received the National Award for Best Electoral Practices in 2012 and 2017 from the Election Commission of India. As a Collector of Ahmedabad, she also received the National Level Beti Bachao Beti Padhao Scheme award from Government of India in 2018.

Her diverse experience includes serving as Vice Chairman & CEO of Gujarat Maritime Board, CEO of Gujarat Infrastructure Development Board, MD of Gujarat Rail Infrastructure Development Corporation Limited and Director of Technical Education, reflecting her versatility in handling both infrastructure development and educational initiatives. She has enhanced her expertise through numerous specialized training programs in fiscal policy, public-private partnerships and project management.

She has held directorial positions on the boards of several prominent companies, including Gujarat Pipavav Port Limited, Dholera International Airport Company Limited, Gujarat Industries Power Company Limited and Gujarat Chemical Port Limited etc.

She is holding Managing Directorship position in Gujarat Alkalies and Chemicals Ltd and Gujarat Energy Limited.

She is Chairperson of Sabarmati Gas Limited & GACL- NALCO Alkalies & Chemicals Pvt. Ltd and Vice Chairperson of GSPC LNG Limited & GSPL Transmission Limited.

She holds other directorship position in various companies like: Petronet LNG Limited, GSPL India Gasnet Limited, GSPL India Transco Limited and Gujarat Metro Rail Corporation (GMRC) Limited.

She is also Chairperson of GACL Foundation Trust.

The Board of Directors of the Company, pursuant to Letter No. AIS/35.2025/11/G dated 1<sup>st</sup> February, 2025 ("GoG Order") dated 1<sup>st</sup> February, 2025 of General Administration Department, Government of Gujarat and as recommended by Nomination-cum-Remuneration Committee, had appointed Smt. Avantika Singh, IAS (DIN: 07549438) as Managing Director w.e.f. 03.02.2025, subject to the approval of Shareholders of the Company. During the year, Shri S. J. Haider, IAS, (DIN: 02879522) ceased to be a Non-Executive Director of the Company w.e.f. 31<sup>st</sup> December, 2025 vide Notification No. AIS/13.2025 /3885/c issued by Government of Gujarat, General Administrative Department (GAD), Sachivalaya, Gandhinagar.

Shri Rajiv Lochan Jain, (DIN: 00161022) ceased to be the Independent Director of the Company, on completion of his Second term with effect from close of business hours on 31<sup>st</sup> December, 2025 and consequently ceased to be a Chairman of the Audit Committee, Member of Nomination-cum-Remuneration Committee, Risk Management-cum-Safety Committee, Environmental, and Social and Governance (ESG) and Sustainability Committee.

The Board of Directors of the Company had appointed Shri Sanjay Joshi (DIN: 01656787) as an Additional Director of the Company w.e.f. 1<sup>st</sup> January, 2026 subject to the approval of shareholders of the Company. The Shareholders of the Company had approved his appointment on 21<sup>st</sup> March, 2026 through Postal Ballot and consequently appointed as a Member of the Risk Management-cum-Safety Committee and Project Committee.

#### Information placed before the Board

The Company places all the required information before the Board, as required under Regulation 17(7) read with Part A of Schedule II of the Listing Regulations.

#### Appointment of Independent Directors

Appointment of Independent Directors are made as per letter received from the Government of Gujarat and in accordance with the provisions of the Companies Act, 2013 read with the Rules framed there under and the Listing Regulations. Pursuant to the said provisions, the Letters of Appointment to the Independent Directors were issued by the Company. The terms and conditions of the appointment of the Independent Directors are available on the Website of the Company.

(Weblink:<https://gacl.com/wp-content/uploads/2023/12/Terms-Of-Appointment-Of-Independent-Directors.pdf>)

Further, the Independent Directors have in terms of Section 150 of the Act read with Rule 6 of the Companies (Appointment & Qualification of Directors) Rules, 2014, as amended, confirmed that they have enrolled themselves in the Independent Directors' Databank maintained with the Indian Institute of Corporate Affairs ('IICA'). Annual declarations submitted by the Independent Directors pursuant to Regulation 25(8) of the Listing Regulations, confirming their compliance with the independence criteria.

In the opinion of the Board, the Independent Directors fulfil the conditions specified in Listing Regulations and they are independent of the Management.

#### Familiarization Programme

The Company has formulated policy on Familiarization Program to familiarize the Independent Directors with the Company, their roles, rights, responsibilities in the Company, nature of the industry in which the Company operates, business model of the Company etc. through various programmes from time to time. The said Policy along with the details of familiarization programmes is available on the Website of the Company. (Weblink: <https://gacl.com/wp-content/uploads/2026/03/familirisation-programme-2025-26-1.pdf>)

During the year, additional programs are also arranged for Directors in addition to the familiarization

programs being conducted at the time of induction of Director at the time of his/her appointment. Shri Nitin Shukla, Independent Director of the Company visited the Dahej Plants of the Company and GNAL plant of the subsidiary of the Company during 15.05.2026 and 16.05.2026. During his visit, discussions were held on projects under implementation, commissioned plants, ongoing plants, Power plant, ongoing Renewal Energy (RE) projects etc.

Separate meetings of the Independent Directors and of the Non-Independent Directors are convened to familiarize them with Company's operations wherein presentation is made covering details about the organizational set up of the Company, its promoters, shareholding pattern, Directors on the Board, accreditations / recognitions received by the Company, the nature of industry in which it operates, details about its plant operations like installed capacity v/s production achieved, production capacity in Chlor-Alkali industries, financial highlights of Company's performance, market share of major products, export share of major products, strategic advantages etc.

The Company also arranges plant visit(s) for the Directors upon their appointments.

Further, on appointment of an Independent Director, a formal letter of appointment is issued, which inter-alia explains the role, function, duties and responsibilities of the Independent Director under the provisions of the Companies Act, 2013 and other applicable laws. Directors are also issued Introduction Kit on their appointment, which covers the following:

- List of existing Board of Directors of the Company;
- List of existing Committees of Directors of the Company;
- Details of past and present Chairman / Chairperson;
- Details of past and present Managing Director;
- Code of Conduct for the Directors and Vigil Mechanism-cum-Whistle Blower Policy approved by the Board of Directors of the Company;
- Statement of Unaudited / Audited Financial Results of the latest period;
- Shareholding Pattern of the Company of the latest period;
- Annual Reports of the Company for the last 3 financial years immediately preceding the date of appointment of the Director;
- Memorandum and Articles of Association of the Company;
- Company's Product Profile / Brochure and Corporate Film;
- A book - "Salt of the Earth - the GACL Saga" which has documented story of the Company for benefit of general public and other stakeholders.
- Corporate presentation.
- SS-1 & SS-2 and guidance notes issued by ICSI (Institute of Company Secretaries of India).

#### **MEETING OF INDEPENDENT DIRECTORS**

As required under Schedule IV to the Act (Code for Independent Directors) and as per Regulation 25 of the Listing Regulations and under the provisions of the Companies Act, 2013, the Independent Directors shall hold at least one meeting in a financial year without the presence of Non-Independent Directors and Management representatives. Separate Meetings of the Independent Directors were held on 15th May, 2025 and 6th February, 2026 inter-alia, to review the performance of Non-Independent Directors, Chairperson, Managing Director and the Board as a whole and to assess quality, quantity and timeliness of flow of information between Management and the Board for ensuring effective participation by the Board Members. Shri Bimal Julka, IAS (Retd.), Shri Rajiv Lochan Jain (attended meeting on 15th May, 2025), Shri Nitin Shukla, Smt. Shridevi Shukla, Dr. Chinmay Ghoroi and Shri Sanjay Joshi (attended meeting on 6th February, 2026), Independent Directors were present at the Meeting. Shri Bimal Julka, IAS (Retd.) and Smt. Shridevi Shukla were unanimously elected as Chairperson of the Meetings of the Independent Directors held on 15th May, 2025 and 6th February, 2026 respectively.

#### **CODE OF CONDUCT**

The Board of Directors of the Company on 29th December, 2005, has approved and adopted 'Code of Conduct' for the Directors as well as Senior Management Personnel of the Company. The 'Code of Conduct' for the Directors was further amended to include the Code for Independent Directors along with their duties pursuant to Schedule IV of the Companies Act, 2013 by the Board at its Meeting held on 5th February, 2015.

The Code of Conduct for the Directors and Senior Management Personnel is available on the Company's Website. (weblinks: <https://gacl.com/wp-content/uploads/2023/12/For-Directors.pdf> and <https://gacl.com/wp-content/uploads/2023/12/For-Executives.pdf> )

All the Board Members and the Senior Management Personnel have affirmed compliance with the 'Code of Conduct' during the Financial Year 2025-26. A declaration by the Managing Director/ Chief Executive Officer to this effect is provided at **Annexure 'I'** which forms part of this Annual Report.

## **BRIEF RESUME OF DIRECTOR UNDER APPOINTMENT / REAPPOINTMENT:**

The brief resume as required under Regulation 36(3) of the Listing Regulations covering details about the nature of expertise, directorships and the membership of the Committees of the Board held by them on the Board on their appointment / reappointment are given in the Annexure attached with the Notice convening 53<sup>rd</sup> Annual General Meeting of the Company, forming part of this Annual Report.

## **RELATIONSHIPS BETWEEN DIRECTORS INTER-SE:**

The Directors of the Company are not inter-se related as defined under the provisions of the Companies Act, 2013 and the Listing Regulations.

## **NUMBER OF BOARD MEETINGS HELD AND DATES THEREOF:**

During the Financial Year 2025-26, five (5) Board Meetings were held, as per the following details:

| <b>Quarter</b>                                                 | <b>Date(s) of Meeting</b>                                     |

### (A) AUDIT COMMITTEE:

#### (i) BROAD TERMS OF REFERENCE

The scope of the functions and broad terms of reference of the Audit Committee are commensurate with the provisions of Section 177 of the Companies Act, 2013 and Regulation 18 of the Listing Regulations. It includes review of the reports and performance of Internal Auditors, actions taken by concerned departments on report of internal auditors, review of outstanding position, review of the Corporate Budget, review of the Cost Audit Report with the Cost Auditors, review of the Quarterly and Annual Financial Results with the Statutory Auditors, review of adequacy of internal control system and procedures with the Internal Auditors, evaluation of financial controls and risk management systems including functioning of whistle blower mechanism, approval of the Related Party Transactions (RPTs), reviewing utilization of loans, advances or investments by the Company in its subsidiary and recommendation of the same for necessary approval, recommendation of appointment of Statutory Auditors, Cost Auditors and Internal Auditors for approval of the Board etc. The Statutory Auditors, Internal Auditors and other Senior Management personnel are invited to attend the meetings of Audit Committee.

#### (ii) COMPOSITION

As at 31.03.2026, the Audit Committee comprised of four (4) Members viz. Shri Nitin Shukla as the Chairman of the Committee and Smt. Shridevi Shukla, Dr. Chinmay Ghoroi and Smt. Avantika Singh, IAS as members of the Committee.

The Company Secretary acts as the Secretary to the Audit Committee.

#### (iii) MEETINGS AND ATTENDANCE

During the Financial Year 2025-26, five (5) Meetings of Audit Committee were held, i.e., on 15.05.2025, 07.08.2025, 07.11.2025, 06.02.2026 & 16.03.2026. The number of Meetings attended by Directors are as under:

| Name                                                   | Category of Directorship              | No. of Meetings attended |
|--------------------------------------------------------|---------------------------------------|--------------------------|
| Shri Rajiv Lochan Jain*<br>Chairman (up to 31.12.2025) | Non-Executive<br>Independent Director | 3                        |
| Shri Nitin Shukla #<br>Chairman (from 01.01.2026)      | Non-Executive<br>Independent Director | 5                        |
| Smt. Shridevi Shukla                                   | Non-Executive<br>Independent Director | 5                        |
| Dr. Chinmay Ghoroi                                     | Non-Executive<br>Independent Director | 5                        |
| Smt. Avantika Singh, IAS*                              | Executive Director                    | 5                        |

\* Shri Rajiv Lochan Jain ceased to be a Director w.e.f. 31.12.2025.

# The Audit Committee was reconstituted by the Board of Directors of the Company at its Meeting held on 07.11.2025 and 06.02.2026 and Shri Nitin Shukla was appointed as the Chairman of this Committee w.e.f. 01.01.2026.

**(B) NOMINATION-CUM-REMUNERATION COMMITTEE:**

The scope of the functions and broad terms of reference of the Nomination-cum-Remuneration Committee are commensurate with provisions of Section 178 of the Companies Act, 2013 and Regulation 19 of the Listing Regulations.

**(i) BROAD TERMS OF REFERENCE**

The role of Nomination-cum-Remuneration Committee would broadly encompass the following:

- (1) to formulate the criteria for determining qualifications, positive attributes and independence of a Director and to recommend to the Board a policy relating to the remuneration of Directors, Key Managerial Personnel (KMP) and other employees;
- (2) to formulate criteria for evaluation of Directors including Independent Directors and the Board;
- (3) to devise a policy on Board diversity;
- (4) to identify persons who are qualified to become Directors and who may be appointed in Senior Management in accordance with the criteria laid down;
- (5) to recommend to the Board, appointment and removal of Director, KMP and Senior Management Personnel; and all remuneration in whatever form, payable to senior management;
- (6) to extend or continue the term of appointment of Independent Director, on the basis of the report of performance evaluation of Independent Directors.

Accordingly, to enable the Committee to execute its role and responsibilities, the Committee had formulated "Nomination & Remuneration-cum-Board Diversity Policy" and the said Policy was approved by the Board. The said policy was further amended on 26.05.2016, 21.07.2021, 07.02.2023 and on 08.04.2025 to align with the provisions of the Listing Regulations and the same is available on Company's Website at weblink:

<https://gacl.com/wp-content/uploads/2025/04/Nomination-Remuneration-cum-Board-Diversity-Policy.pdf>

**(ii) COMPOSITION**

As at 31.03.2026, the Committee comprised of three (3) Members viz. Shri Nitin Shukla as the Chairman of the Committee & Shri Bimal Julka, IAS (Retd.) and Smt. Shridevi Shukla as members of the Committee.

**(iii) MEETINGS AND ATTENDANCE**

During the Financial Year 2025-26, four (4) Meetings of the Committee were held i.e. on 15.05.2025, 07.08.2025, 07.11.2025 and 06.02.2026.

The number of Meetings attended by Directors are as under:

| Name                                          | Category of Directorship               | No. of Meetings attended |
|-----------------------------------------------|----------------------------------------|--------------------------|
| Shri Nitin Shukla, Chairman                   | Non-Executive Independent Director     | 4                        |
| Shri Rajiv Lochan Jain*<br>(up to 31.12.2025) | Non-Executive Independent Director     | 3                        |
| Shri Bimal Julka, IAS (Retd.)                 | Non-Executive Independent Director     | 4                        |
| Smt. Shridevi Shukla                          | Non-Executive Non-Independent Director | 4                        |

\* Shri Rajiv Lochan Jain ceased to be a Director w.e.f. 31.12.2025;

The Nomination-cum-Remuneration Committee was reconstituted by the Board of Directors of the Company at its Meeting held on 07.11.2025 and 06.02.2026.

**(iv) BOARD EVALUATION**

The Nomination & Remuneration-cum-Board Diversity Policy lays down criteria for performance evaluation of the Directors. The relevant extract of the Nomination & Remuneration-cum-Board Diversity Policy is reproduced below:

**Criteria for Performance Evaluation**

Following are the criteria for evaluation of performance of Directors and the Board:

**(A) Executive Directors**

The Executive Directors shall be evaluated on the basis of targets / criteria given to Executive Directors by the Board from time to time.

**(B) Non-Executive Directors including Independent Directors**

The Non-Executive Directors including Independent Directors shall be evaluated on the basis of the following criteria, i.e. whether they:

- (a) act objectively and constructively while exercising their duties;
- (b) exercise their responsibilities in a bona fide manner in the interest of the Company;
- (c) devote sufficient time and attention to their professional obligations for informed and balanced decision making;
- (d) do not abuse their position to the detriment of the Company or its Shareholders or for the purpose of gaining direct or indirect personal advantage or advantage for any associated person;
- (e) refrain from any action that would lead to loss of his/her independence;
- (f) inform the Board immediately when they lose their independence;
- (g) assist the Company in implementing the best Corporate Governance practices;
- (h) strive to attend all meetings of the Board of Directors and the Committees;
- (i) participate constructively and actively in the committees of the Board in which they are chairpersons or members;
- (j) strive to attend the general meetings of the Company;
- (k) keep themselves well informed about the Company and the external environment in which it operates;
- (l) do not unfairly obstruct the functioning of a proper Board or Committee of the Board;
- (m) moderate and arbitrate in the interest of the Company as a whole, in situations of conflict between management and member's interest;
- (n) abide by Company's Memorandum and Articles of Association, Company's policies and procedures including code of conduct, insider trading guidelines etc.

The Nomination-cum-Remuneration Committee adopted specific formats in the form of checklists for performance evaluation of Executive & Non-Executive Directors, evaluation of Board and its various Committees and the Chairman. The said checklists were circulated to all the Board members for their feedbacks. The performance evaluation of the individual Director was done by all Directors excluding the Director being evaluated and performance evaluation of the Board and its Committees was done by all the members of Board.

**(v) REMUNERATION POLICY**

The Board of Directors of the Company amended the "Nomination & Remuneration-cum-Board Diversity Policy" in line with SEBI (Listing Obligations and Disclosure Requirements) (Third Amendment) Regulations, 2021.

**(vi) DETAILS OF REMUNERATION PAID TO DIRECTORS****EXECUTIVE DIRECTOR**

Pursuant to the Articles of Association of the Company, the Managing Director is nominated and appointed by the Government of Gujarat. He/She is being paid remuneration as per the terms and conditions prescribed by the Government and approval accorded by the Members of the Company.

The Government of Gujarat (GoG) in exercise of the powers vested in it under the Articles 11 and 14-A of the Articles of Association of the Company has vide its Order No. AIS/35.2025/11/G dated 1<sup>st</sup> February, 2025 ("GoG Order") communicated to the Company that Smt. Avantika Singh, IAS (DIN: 07549438) would hold charge of the post of Managing Director of the Company, until further orders, vice Shri Swaroop P., IAS, (DIN: 08103838) transferred. Smt. Avantika Singh, IAS assumed the charge of Managing Director of the Company w.e.f. 03.02.2025. Thus, she is nominated as Government Director on the Board of the Company with effect from 03.02.2025.

In pursuance with the provisions of Section 203 of the Companies Act, 2013 ("the Act"), GoG Order and as recommended by the Nomination-cum-Remuneration Committee held on 10<sup>th</sup> February, 2025, the Board of Directors of the Company had in its Meeting held on 11<sup>th</sup> February, 2025 unanimously appointed Smt. Avantika Singh, IAS (DIN: 07549438) as Managing Director of the Company with effect from 3<sup>rd</sup> February, 2025. The Shareholders have approved the appointment and remuneration payable to Smt. Avantika Singh, IAS on 22nd April, 2025 through Postal Ballot.

The remuneration payable to the Managing Director is decided by the Government of Gujarat. Such remuneration is fixed as per the Government's Rules and is not linked with the performance criteria of the Company.

#### NON-EXECUTIVE DIRECTORS

##### CRITERIA FOR PAYMENT TO NON-EXECUTIVE DIRECTORS

\* Sitting Fees deposited in Government Treasury.

\*\* The sitting fees shown above are gross payment, out of which, TDS @ 10% was deducted.

None of the Non-Executive Directors has any other pecuniary relationship or transactions with the Company during Financial Year 2025-26.

##### SERVICE CONTRACTS, SEVERANCE FEE AND NOTICE PERIOD

The appointment of the Executive Director and Non-Executive Non-Independent Directors is governed by the Articles of Association of the Company, resolutions passed by the Board and the Shareholders of the Company, which covers the terms and conditions of such appointments. No separate Service Contract inter-alia containing details of notice period and severance fees is entered into by the Company with these Executive and Non-Executive Non-Independent Directors.

There is no provision for payment of severance fee governing the appointment of Executive Director. The statutory provisions will, however, apply.

The Company did not have any Stock Option Scheme as on 31.03.2026.

**(D) CORPORATE SOCIAL RESPONSIBILITY (CSR), (ESG) AND SUSTAINABILITY COMMITTEE:**

The Board of Directors of the Company at its Meeting held on 06.02.2026 had merged existing Environmental, Social and Governance (ESG) and Sustainability Committee into Corporate Social Responsibility (CSR) Committee with a new name Corporate Social Responsibility (CSR), ESG & Sustainability Committee and scope of both the Committees also merged.

In accordance with the provisions of Section 135 of the Companies Act, 2013, the Board has formed the Corporate Social Responsibility Committee named as Corporate Social Responsibility (CSR), ESG & Sustainability Committee. The Composition and terms of reference of the Committee are in conformity with the said provisions.

**(i) BROAD TERMS OF REFERENCE**

The role of Corporate Social Responsibility (CSR), (ESG) and Sustainability Committee mainly covers:

- (1) to formulate and recommend to the Board a CSR Policy indicating activities proposed to be carried out;
- (2) to recommend the amount of expenditure to be incurred for CSR activities;
- (3) to monitor periodically, the CSR Policy and its implementation;
- (4) to formulate and recommend to the Board, an annual action plan / budget in pursuance of the CSR Policy;

- (5) To review and approve the action plan formulated by the Company to carry out its Business Responsibility and Sustainability Report (BRSR) and Environmental, Social, and Governance (ESG) obligations and to recommend the same to the Board, from time to time;
- (6) To review and monitor on periodical basis the implementation of BRSR and ESG obligations to be carried out by the Company as approved by the Committee and to inform the same to the Board, from time to time;
- (7) To review and monitor the other compliances with respect to BRSR and ESG obligations to be made by the Company;
- (8) To oversee the implementation of policies contained in the Business Responsibility and Sustainability requirements and to make any changes / modifications, as may be required from time to time and to review and recommend the Business Responsibility and Sustainability Report (BRSR) to the Board; and
- (9) To exercise such powers as the Committee may be required to exercise under the applicable laws to ensure that BRSR and ESG obligations of the Company are carried out in accordance with the applicable laws.

## (ii) COMPOSITION

As at 31.03.2026, the Committee comprised of five (5) Members viz. Shri Bimal Julka, IAS (Retd.), as the Chairman of the Committee & Shri Nitin Shukla, Smt. Shridevi Shukla, Dr. Chinmay Ghoroi, and Smt. Avantika Singh, IAS as members of the Committee.

The Company Secretary acts as Secretary of Corporate Social Responsibility (CSR), ESG & Sustainability Committee.

## (iii) MEETINGS AND ATTENDANCE

During the Financial Year 2025-26, two (2) Meetings of the Corporate Social Responsibility (CSR) Committee were held on 16.05.2025 and 06.02.2026 and two (2) Meetings of Environmental, Social and Governance (ESG) and Sustainability Committee were held on 07.08.2025 and 06.02.2026.

The number of Meetings attended by Directors are as under:

| Name                                                               | Category of Directorship                   | No. of Meetings attended |

| Smt. Avantika Singh, IAS                                           | Executive Director                         | 3                        |

# The Corporate Social Responsibility Committee was merged with Environmental, Social and Governance (ESG) and Sustainability Committee and named as Corporate Social Responsibility (CSR), ESG & Sustainability Committee by the Board of Directors of the Company at its Meeting held on 06.02.2026 and Shri Bimal Julka, IAS (Retd.) was appointed as the Chairman of this Committee w.e.f. 01.01.2026 vice Dr. Hasmukh Adhia, IAS (Retd.) Chairman.

\* Shri Nitin Shukla & Dr. Chinmay Ghoroi were appointed as member of this Committee and Shri Rajiv Lochan Jain ceased to be a Director w.e.f. 31.12.2025.

**(E) RISK MANAGEMENT-CUM-SAFETY COMMITTEE:**

The Board of Directors of the Company at its Meeting held on 11.02.2016 had constituted Risk Management Committee of Directors.

The Company has constituted Internal Risk Management Committee comprising of Senior Executives of the Company who are heading respective departments viz. Finance, Manufacturing, Marketing, Purchase, Project, Safety, Information Technology, HR, Secretarial and Legal functions etc. The Managing Director is the Chairman of the Internal Risk Management Committee. The Internal Risk Management Committee reports to the Managing Director and the risks identified by the said Committee along with proposed mitigation actions are discussed periodically on quarterly basis with the Managing Director. Out of the various risks identified by the Internal Risk Management Committee, the Audit Committee has identified certain critical risks, which are reviewed by the Risk Management-Cum-Safety Committee, the Audit Committee and by the Board of Directors periodically. A Report on the steps taken to mitigate those critical risks is also submitted to the Risk Management-Cum-Safety Committee, Audit Committee and the Board of Directors.

Pursuant to the provisions of Regulations 17 & 21 of Listing Regulations and Sections 134 & 177 of the Companies Act, 2013 ("the Act") and other applicable provisions, if any, of the Listing Regulations and the Act, the Board of Directors of the Company at its meeting held on 2<sup>nd</sup> November, 2018 has framed and approved "Risk Management Policy" of the Company. The Company has further amended its Risk Management Policy in line with amendments under SEBI (Listing Obligations and Disclosure Requirements) (Second Amendment) Regulations, 2021.

**(i) BROAD TERMS OF REFERENCE**

The scope of the Committee includes to review and monitor various risks and safety hazards concerning the Company in particular including financial, operational, sectoral, information, cyber security risks or any other risk as may be determined by the Committee and its mitigation plan and such other functions as required under the regulations or other applicable laws, as amended from time to time.

**(ii) COMPOSITION**

As at 31.03.2026, the Committee comprised of four (4) Members viz. Shri Nitin Shukla, as the Chairman of the Committee & Dr. Chinmay Ghoroi, Shri Sanjay Joshi and Smt. Avantika Singh, IAS, Managing Director as members of the Committee.

The Company Secretary acts as Secretary of Risk Management-Cum-Safety Committee.

**(iii) MEETINGS AND ATTENDANCE**

During the Financial Year 2025-26, two (2) Meetings of the Committee were held on 15.05.2025 and 07.11.2025. The number of Meetings attended by Directors are as under:

| Name                                           | Category of Directorship               | No. of Meetings attended |
|------------------------------------------------|----------------------------------------|--------------------------|
| Shri Nitin Shukla<br>Chairman                  | Non- Executive<br>Independent Director | 2                        |

## POSTAL BALLOT

During the Financial Year 2025-26, the Company has passed the following Resolutions by Postal Ballot.

- Postal Ballot Notice Dated 12<sup>th</sup> February, 2026 - Appointment of Shri Sanjay Joshi (Din: 01656787) as an Independent Director of the Company (Ordinary Resolution).

### Procedure adopted for Postal Ballot:

The Board of Directors had approved the appointment of Shri. Samdani Shah & Kabra Practicing Company Secretary to act as Scrutinizer for conducting Postal Ballot process including scrutinizing the remote E-voting process to be provided to the Shareholders to cast their votes on the Resolutions proposed in the Postal Ballot Notice and also approved appointment of Central Depository Services (India) Limited ("CDSL") for facilitating remote e-voting to enable the Shareholders to cast their votes electronically.

Pursuant to and in Compliance with Sections 108 and 110 and other applicable provisions, if any, of the Companies Act, 2013, ("the Act"), read with the Companies (Management and Administration) Rules, 2014 ("Rules") and further read with General Circulars No.14/2020 dated April 8, 2020 and No.17/2020 dated April 13, 2020 and other relevant circulars, including General Circular No. 03/2025 dated September 22, 2025 issued by the Ministry of Corporate Affairs ("MCA Circulars"); Regulation 44 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI Listing Regulations"), Secretarial Standard issued by the Institute of Company Secretaries of India ("ICSI") on General Meetings ("SS-2") and other applicable laws, Rules, Regulations (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force and as amended from time to time) ("applicable laws"), the Postal Ballot Notice dated 12<sup>th</sup> February, 2026 ("the Notice") together with the Explanatory Statement seeking approval of the Members of the Company for the aforementioned Resolution by way of Postal Ballot through remote e-voting was dispatched and circulated on 18<sup>th</sup> February, 2026 through e-mail. The Notice was submitted to the Stock Exchanges and uploaded on the websites of the Company and CDSL on 18<sup>th</sup> February, 2026.

The Notice was sent to the Shareholders who already had their email address registered with the Company/ Depositories and whose names appeared in the Register of Shareholders/List of Beneficial Owners as received from Depositories i.e. National Securities Depository Limited ("NSDL")/ Central Depository Services (India) Limited ("CDSL") as on Friday, February 13, 2026 ("cut-off date").

Intimation regarding completion of dispatch of Postal Ballot through email and details of e-voting were published

in newspapers on 19<sup>th</sup> February, 2026 in Financial Express, all India Editions (in English) and Financial Express, Gujarat Edition (in Gujarati) newspapers.

Electronic voting (Remote e-Voting) by Members of the Company commenced on Friday, February 20, 2026 (9:00 a.m. IST) and ended on Saturday, March 21, 2026 (5:00 p.m. IST).

Samdani Shah & Kabra, Scrutinizer had carried out scrutiny of e-votes received up to Saturday, March 21, 2026 (5:00 p.m. IST) being the last day of e-voting and prepared a Scrutinizer's Report on the basis of data / reports received by him.

Thereafter, the Scrutinizer had submitted his Report dated 23<sup>rd</sup> March, 2026. In accordance with Regulation 44 (3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company submitted voting results for the Resolution under the Postal Ballot Notice dated 12<sup>th</sup> February, 2026 in the prescribed format along with the Scrutinizer's Report dated 23<sup>rd</sup> March, 2026 to the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited on 23<sup>rd</sup> March, 2026, uploaded the same on the websites of the Company and CDSL and also published on the e-Notice Board of the Company.

The Resolution contained in the Notice dated 12<sup>th</sup> February, 2026 of the above Postal Ballot was approved by requisite majority of Members through remote e-Voting. Accordingly, the Resolution was declared to be passed on 21<sup>st</sup> March 2026. Details of Voting Patterns are provided below:

| Reso. No.                | Resolutions                                                                                                                 | No. & % votes in favour | No. & % votes against | No. of votes invalid/ abstained |

- c) Postal Ballot Notice dated 17<sup>th</sup> March, 2025 – Appointment of Smt. Avantika Singh Aulakh, IAS (Din.:07549438) as a Managing Director of the company (Ordinary Resolution).

### Procedure adopted for Postal Ballot:

The Board of Directors had approved the appointment of Shri. Niraj Trivedi, Practicing Company Secretary to act as Scrutinizer for conducting Postal Ballot process including scrutinizing the remote E-voting process to be provided to the Shareholders to cast their votes on the Resolutions proposed in the Postal Ballot Notice and also approved appointment of Central Depository Services (India) Limited (CDSL) for facilitating remote e-voting to enable the Shareholders to cast their votes electronically. Pursuant to Sections 108 and 110 and other applicable provisions, if any, of the Companies Act, 2013, ( the Act ), read with the Companies (Management and Administration) Rules, 2014 (Rules) and further read with General Circulars No.14/2020 dated April 8, 2020 and No.17/2020 dated April 13, 2020 and other relevant circulars, including No.22/2020 dated June 15, 2020 No. 33/2020 dated September 28, 2020 No.39/2020 dated December 31, 2020, No.10/2021 dated June 23, 2021, No.20/2021 dated December 8, 2021, No. 3/2022 dated May 5, 2022, No. 11/2022 dated December 28, 2022, No. 09/2023 dated September 25, 2023 and 09/2024 dated September 19, 2024 issued by the Ministry of Corporate Affairs (MCA Circulars) Regulation 44 of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (SEBI Listing Regulations), Secretarial Standard issued by the Institute of Company Secretaries of India ( ICSI ) on General Meetings (SS-2) and other applicable laws, Rules, Regulations (including any statutory modification(s) or re-enactment(s) thereof, for the time being in force and as amended from time to time) (applicable laws), the Postal Ballot Notice dated 17<sup>th</sup> March, 2025 ( the Notice) together with the Explanatory Statement seeking approval of the Members of the Company for the aforementioned Resolution by way of Postal Ballot through remote e-voting was dispatched and circulated on 20<sup>th</sup> March, 2025 through e-mail. The Notice was submitted to the Stock Exchanges and uploaded on the websites of the Company and CDSL on 20<sup>th</sup> March, 2025. The Notice was sent to the Shareholders who already had their email address registered with the Company/ Depositories and whose names appeared in the Register of Shareholders/List of Beneficial Owners as received from Depositories i.e. National Securities Depository Limited (NSDL)/ Central Depository Services (India) Limited (CDSL) as on Monday, March 17, 2025 (cut-off date). Intimation regarding completion of dispatch of Postal Ballot through email and details of e-voting were published in newspapers on 21<sup>st</sup> March, 2025 in Financial Express, all India Editions (in English) and Financial Express, Gujarat Edition (in Gujarati) newspapers. Electronic voting (Remote e-Voting)

by Members of the Company commenced on Monday, March 24, 2025 (9:00 a.m. IST) and ended on Tuesday, April 22, 2025 (5:00 p.m. IST). Shri Niraj Trivedi, Scrutinizer had carried out scrutiny of e-votes received up to Tuesday, April 22, 2025 (5:00 p.m. IST) being the last day of e-voting and prepared a Scrutinizer's Report on the basis of data / reports received by him. Thereafter, the Scrutinizer had submitted his Report dated 23<sup>rd</sup> April, 2025. In accordance with Regulation 44 (3) of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Company submitted voting results for the Resolution under the Postal Ballot Notice dated 17<sup>th</sup> March, 2025 in the prescribed format along with the Scrutinizer's Report dated 23<sup>rd</sup> April, 2025 to the Stock Exchanges i.e. BSE Limited and National Stock Exchange of India Limited on 23<sup>rd</sup> April, 2025, uploaded the same on the websites of the Company and CDSL and also published on the e-Notice Board of the Company.

The Resolution contained in the Notice dated 17<sup>th</sup> March, 2025 of the above Postal Ballot was approved by requisite majority of Members through remote e-Voting. Accordingly, the Resolution was declared to be passed on 22<sup>nd</sup> April, 2025. Details of Voting Patterns are provided below:

#### 5. DEMAT SUSPENSE ACCOUNT / UNCLAIMED SUSPENSE ACCOUNT:

SEBI vide Circular No.: CIR/CFD/DIL/10/2010 dated 16.12.2010 has amended Clause 5A of the Listing Agreement to provide that Shares held physically which may have remained unclaimed by Shareholders due to insufficient/ incorrect information or for any other reason should be transferred in demat mode to one folio in the name of "Unclaimed Suspense Account" with one of the Depository Participants. Accordingly, as approved by the Board at its Meeting held on 05.08.2013, the Company had opened "GACL – Unclaimed Shares Suspense Account" with Stock Holding Corporation of India Ltd., Vadodara (SHCIL) and transferred therein 8,021 unclaimed Shares of Rs.10/- each representing 262 Shareholders. During the financial year 2025–26, the Investor Education and Protection Fund Authority (IEPFA) has approved the claim of one claimant, and accordingly 3 equity shares were transferred/credited to the claimant in accordance with the applicable provisions from Unclaimed Shares Suspense Account.

Pursuant to the provisions of Section 124 of the Companies Act, 2013 and Rule 6 of the Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, as amended, the Company had transferred 33,418 Equity Shares of 397 Shareholders of the Company, in respect of which Dividend has remained unclaimed or unpaid for a period of seven consecutive years or more through Corporate Actions to the demat Account of IEPF Authority with Central Depository Services (India) Ltd. and the Corporate Actions were completed on 13.11.2025.

The balance of Unclaimed Shares lying in the said Suspense Account with SHCIL (in demat mode) as on 31.03.2026 is as under:

| Particulars                                                                                                             | Shareholders (Nos.) | Outstanding Shares (Nos.) |
|-------------------------------------------------------------------------------------------------------------------------|---------------------|---------------------------|
| Aggregate number of shareholders and the outstanding shares lying in the suspense account at the beginning of the year. | 10                  | 354                       |
| Number of shareholders who approached listed entity for transfer of shares from suspense account during the year.       | --                  | --                        |
| Number of shareholders to whom shares were transferred from suspense account during the year.                           | --                  | --                        |
| Aggregate number of shareholders and the outstanding shares lying in the suspense account at the end of the year.       | 10                  | 354                       |

The voting rights on the said 354 Shares shall remain frozen till the rightful owner of such shares claims the shares.

The Company endeavors to trace the current address of the shareholders (whose share certificates are unclaimed). The share certificates are released on receipt of their claim along with KYC documents like copy of PAN Card and residence proof etc.

Pursuant to SEBI Circular dated January 25, 2022, the listed companies shall issue the securities in dematerialized form only, for processing any service requests from shareholders viz., issue of duplicate share certificates, endorsement, transmission, transposition, etc. After processing the service request, a letter of confirmation is issued to the shareholders and shall be valid for a period of 120 days, within which the shareholder shall make a request to the Depository Participant for dematerializing those shares. If the shareholders fail to submit the dematerialisation request within 120 days, then the Company shall credit those shares in the Suspense Escrow Demat account held by the Company. As on 31.03.2026, 1161 shares of 9 shareholders are laying in GACL Suspense Escrow Demat Account. Shareholders can claim these shares transferred to Suspense Escrow Demat account on submission of necessary documentation.

## 6. QUARTERLY COMPLIANCE REPORT:

The Company has submitted Corporate Governance Compliance Report in the prescribed format for each quarter during the Financial Year 2025-26 to BSE Limited and National Stock Exchange of India Limited, where the Company's Securities are listed, within thirty days (30) days from the close of respective quarters.

## 8. DISCLOSURE OF ACCOUNTING TREATMENT:

The financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as notified under Section 133 of the Companies Act, 2013 read with the Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act as amended from time to time.

## 9. INSIDER TRADING:

Pursuant to the requirements of the SEBI (Prohibition of Insider Trading) Regulations, 2015 ("PIT Regulations"), the Board of Directors at its Meeting held on 26<sup>th</sup> May, 2015 had adopted the Code of Conduct to Regulate, Monitor and Report Trading by Insiders and Code of Practices and Procedures for Fair Disclosure of Unpublished Price Sensitive Information.

SEBI has vide it's various notifications further amended the PIT Regulations. As per the amended provisions of the PIT Regulations, the Board of Directors amended the Policies viz. 1. Code of Conduct to Regulate, Monitor and Report Trading by Insiders and 2. The Code of Practices and Procedures of Fair Disclosure of Unpublished

Price Sensitive Information (UPSI). The Board also formulated Whistle Blower Policy in case of leak or suspected leak of UPSI and Policy for determination of legitimate purposes which are part of 1 and 2 Policies referred above. The said Policies are available on the Website of the Company at Weblink:

[https://gacil.com/wp-content/uploads/2026/03/2.-Code-of-Conduct\\_Insiders-06.02.2026.pdf](https://gacil.com/wp-content/uploads/2026/03/2.-Code-of-Conduct_Insiders-06.02.2026.pdf) and

<https://gacil.com/wp-content/uploads/2023/12/CODE-OF-PRACTICES-AND-PROCEDURES-FOR-FAIR-DISCLOSURE-OF-UNPUBLISHED-PRICE-SENSITIVE-INFORMATION.pdf>

The Closure of Trading Window starts immediately on close of the quarter till 48 hours (Forty-Eight Hours) after the declaration of financial results.

The Company had communicated Do's and Don'ts for prohibition of Insider Trading to all the designated persons for creating awareness on the PIT Regulations so that designated persons can comply with various requirements before doing trading in the securities of the Company. The same is also placed on Intranet (an e-portal of employees of the Company) under Notice Board section.

During the year 2025-26, on 28.11.2025, the Company has organized one (1) induction programme for new designated employees for creating awareness of provisions of Prohibition of Insider Trading regulations and various requirements therein.

The Company has conducted a quiz on Prohibition of Insider Trading in questionnaire form for Designated Employees to create awareness. The Designated employee had to get minimum 80% marks to qualify the quiz. All the Designated Employees have completed the same.

The Company has made aware to all the designated persons about recent amendments in the definition of Connected Person, deemed to be Connected Person and expansion of the scope of definition of Unpublished Price Sensitive Information (UPSI) under SEBI (Prohibition of Insider Trading) Regulations, 2015 ("PIT Regulations").

The Company has developed its Learning Management System [LMS] portal for engagement of Employees of the Company to empower themselves by using LMS portal and getting updated through learning. The Company had also made available the Presentation on Prohibition of Insider Trading on LMS portal for easy availability to its Employees.

The Company Secretary & Executive Director (Legal, CC & CSR) is designated as the Compliance Officer for this purpose.

#### 10. DISCLOSURE OF MATERIAL TRANSACTIONS TO THE BOARD BY SENIOR MANAGEMENT:

The senior management personnel gave disclosure on annual basis to the Board for all material financial and commercial transactions, where they have personal interest that may have a potential conflict with the interest of the Company at large. As per the disclosures received, no such transaction has taken place during the Financial Year 2025-26.

#### 11. MEANS OF COMMUNICATION:

The Company maintains effective communication with its stakeholders and investors, ensuring timely sharing of information on its business performance, strategy, and future plans. It utilizes various means of communication to keep its shareholders and stakeholders informed of its financial performance, events & updates and takes various measures to engage with its stakeholders and strives to maintain transparency and compliance in all its operations. The Company has a dedicated "Investors" section on its website wherein any person can access the corporate policies, board committee charters, annual reports, financial results, investor presentation and shareholding details etc.

Financial Results of the Company are published in the following newspapers:

| Period                                                                                                 | Date of approval by the Board | Date of Publication | Newspapers                                                                                              |

## 11. REGISTRAR & SHARE TRANSFER AGENT:

MUFG Intime India Private Limited, Vadodara is the Registrar & Share Transfer Agent (R & T Agent) of the Company. The contact details of R&T Agent are given as under :

MUFG Intime India Private Limited ("Formerly known as "LINK INTIME INDIA PRIVATE LIMITED) (UNIT: GACL) "Geetakunj" 1, Bhakti Nagar Society, Behind ABS Tower, Old Padra Road, Vadodara, Gujarat 390 015 Phone : (0265) 3566768 E-mail : [investor.helpdesk@in.mpms.mufg.com](mailto:investor.helpdesk@in.mpms.mufg.com) Website : <https://in.mpms.mufg.com/> <https://in.mpms.mufg.com>

Shareholders holding shares in Physical mode should communicate to the said R&T Agent of the Company at the above address for Transmission, Transposition, Deletion of Name, Consolidation, Sub-division, Issue of Duplicate Share Certificates, Nomination, Change of Address & Bank details etc.

## 12. Share Transfer System:

As per SEBI (Listing Obligations and Disclosure Requirements) (Fourth Amendment) Regulations, 2018 and SEBI circular no. PR No.: 51/2018 dated 3<sup>rd</sup> December, 2018 transfer of shares in physical mode were allowed up to 31.03.2019 and w.e.f. 01.04.2019, in terms of Regulation 40(1) of SEBI Listing Regulations, as amended from time to time, transfer, transmission and transposition of securities shall be affected only in dematerialized form.

Hence, the R&T Agent of the Company has stopped accepting any fresh lodgement of transfer of shares in physical form. Shareholders holding shares in physical form are advised to avail the facility of dematerialisation.

Special Window for Re-lodgement of Transfer Requests of Physical Shares:

To facilitate ease of investing for investors and to secure their rights in the securities purchased by them SEBI, vide Circular No. SEBI/HO/MIRSD/MIRSD-PoD/P/ CIR/2025/97 dated July 2, 2025, had permitted opening of a special window to facilitate re-lodgement of transfer requests in respect of physical share certificates. This facility is available to shareholders who had originally lodged their transfer deeds prior to April 1, 2019, and whose requests were rejected or returned due to deficiencies in documentation. Eligible shareholders may re-lodge such transfer requests with the Company's RTA during the specified period. This window was operational from July 7, 2025 to January 6, 2026. SEBI opened another special window for a period of one year, from February 5, 2026 to February 4, 2027 for transfers effected under this facility with shares to be credited only in dematerialized form to the account of the transferee. Such securities will be subject to a mandatory lock-in of one year from the date of registration of transfer, during which they cannot be transferred, lien-marked or pledged. The RTA will process only those cases that are complete in all respects and compliant with SEBI guidelines.

Shareholders are advised to refer the latest SEBI guidelines/ circular issued for all the holder holding securities in listed companies in physical form from time to time and keep their KYC detail updated at all times to avoid freezing of their folios, as prescribed by SEBI.

Pursuant to SEBI Circular dated January 25, 2022, the listed companies shall issue the securities in dematerialized form only, for processing any service requests from shareholders viz., issue of duplicate share certificates, endorsement, transmission, transposition, etc. After processing the service request, a letter of confirmation will be issued to the shareholders and shall be valid for a period of 120 days, within which the shareholder shall make a request to the Depository Participant for dematerializing those shares. If the shareholders fail to submit the dematerialisation request within 120 days, then the Company shall credit those shares in the Suspense Escrow Demat account held by the Company. Shareholders can claim these shares transferred to Suspense Escrow Demat account on submission of necessary documentation.

Requests for transmission or deletion of name or change in name etc. in case of physical share certificates are processed by the R&T Agent of the Company and are approved by the approving authority as per the powers delegated by the Stakeholders' Relationship-cum-Investors' Grievance Committee of Directors of the Company. The service requests of such nature are generally processed within a period of fifteen (15) days from the date of receipt of the relevant documents by the R&T Agent of the Company.

During the Financial Year 2025-26, Nil equity shares were transferred (lodged prior to deadline i.e. 01.04.2019 and returned due to deficiency in the document and re-lodged after deadline). 66,562 equity shares were dematerialized (including 27,235 physical shares transferred to IEPF through Corporate Action). No equity shares were rematerialized.

### 13. SUSPENSE ESCROW DEMAT ACCOUNT (SEDA)

As per the Circular(s) issued by SEBI, after due verification of the investor service requests received from the Shareholders/Claimants, LOCs are issued in lieu of physical share certificate(s) by Companies/RTAs. The validity of such LOCs is 120 days from the date of issuance, within which the Shareholder/Claimant is required to make a request to the Depository Participant (DP) for dematerialising the shares covered by the LOC. In case the demat request is not submitted within the aforesaid timeline of 120 days, companies are required to transfer such shares to SEDA opened by companies for this purpose.

Shareholders/Claimants can claim back their shares from SEDA by submitting the required documents to the Company's RTA as per SEBI Advisory dated 30<sup>th</sup> December, 2022, as amended.

Details of shares transferred to / released from SEDA during the Financial year 2025-26 are as under:

| Particulars                                                 | No. of Shareholders/<br>Claimants | No. of shares |
|-------------------------------------------------------------|-----------------------------------|---------------|
| Shares lying in SEDA as on 1 <sup>st</sup> April, 2025      | --                                | --            |
| Shares transferred to SEDA during financial year 2025-26    | 9                                 | 1161          |
| Shares claimed back from SEDA during financial year 2025-26 | --                                | --            |
| Shares lying in SEDA as on 31 <sup>st</sup> March, 2026     | 9                                 | 1161          |

The voting rights on these shares shall remain frozen till the rightful owner of the shares claims the shares.

### 14. (A) Distribution of Shareholding as on 31<sup>st</sup> March, 2026.

### (B) Summary of Shareholders & Shares held in Physical and Demat mode as on 31<sup>st</sup> March, 2026:

| PARTICULARS               | PHYSICAL | DEMAT    |          | TOTAL    |
|---------------------------|----------|----------|----------|----------|
|                           |          | NSDL     | CDSL     |          |
| Total Shareholders (Nos.) | 4921     | 29174    | 41221    | 75316    |
| Percentage (%)            | 6.5338   | 38.7355  | 54.7307  | 100.00   |
| Total Shares (Nos.)       | 493489   | 41635793 | 31307646 | 73436928 |
| Percentage (%)            | 0.6719   | 56.6959  | 42.6320  | 100.00   |

A qualified Practicing Company Secretary, as per Regulation 76 of the SEBI (Depositories and Participants) Regulations, 2018, carried out on quarterly basis, a Reconciliation of Share Capital Audit (RSCA) to reconcile the total dematted Share Capital with National Securities Depository Limited (NSDL) and Central Depository Services (India) Limited (CDSL) and physical share capital with the total issued and listed share capital. The RSCA Report confirms that the total Issued / Paid up Share Capital is in agreement with the total number of shares in Physical form and the total number of Dematerialized shares held with NSDL and CDSL. The report provided by Practicing Company Secretary was filed with the Stock Exchanges within stipulated timeline for each quarter.

#### 16. Outstanding Global Depository Receipts (GDR) or American Depository Receipts (ADR) or warrants or any convertible instruments, conversion date and likely impact on equity: NIL / NOT APPLICABLE

#### 17. Commodity Price Risk or Foreign Exchange Risk and Hedging Activities:

Risk Management Policy of the listed entity with respect to commodities including through hedging:

During the year ended March 31, 2026, the Company has not hedged the Foreign Currency. In order to mitigate the Forex Risk, the Company has opened Exchange Earners' Foreign Currency Account (EEFC) US Dollar account as per RBI Guidelines to deposit the export earnings in the said account and to utilize the same for making US

Dollar repayments towards interest and principal amount of ECB Loans. This mitigates the risk of volatility of INR vis-à-vis USD. The Company strives to increase USD exports, so as to generate sufficient reserves of USD in this account to meet repayment obligations.

The Company has adequate risk assessment and minimization system in place including for commodities. The Company does not have material exposure of any commodity and accordingly, no hedging activities for the same are carried out. Therefore, there is no disclosure for offer in terms of SEBI circular no. SEBI/HO/CFD/CMD1/CIR/P/2018/0000000141 dated November 15, 2018.

Details of foreign currency transactions are disclosed in Note Nos. 2.4,18.2,38.5 and 43 to the Financial Statements.

#### 18. CREDIT RATINGS :

The Company's Financial discipline and prudence is reflected in the strong Credit Rating described by Rating Agency viz. M/s. CARE Ratings Limited (CARE) as per the following particulars:

| Instrument                                         | Rating Agency               | Rating                | Date of Rating                               |

### CERTIFICATE OF NON-DISQUALIFICATION OF DIRECTORS

(Pursuant to Regulation 34(3) and Schedule V Para C clause (10)(i) of the SEBI  
(Listing Obligations and Disclosure Requirements) Regulations, 2015)

To,  
The Members of  
GUJARAT ALKALIES AND CHEMICALS LIMITED  
(CIN: L24110GJ1973PLC002247)  
P.O.: RANOLI  
DIST.: VADODARA -391350

Dear Sir / Madam,

I have examined the relevant registers, records, forms, returns and disclosures received from the Directors of **GUJARAT ALKALIES AND CHEMICALS LIMITED** having CIN - L24110GJ1973PLC002247, having registered office at P.O. Ranoli : 391 350, Dist.: Vadodara (hereinafter referred to as 'the Company'), produced before me by the Company for the purpose of issuing this Certificate, in accordance with Regulation 34(3) read with Schedule V Para-C Sub Clause 10(i) of the Securities Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015.

In my opinion and to the best of my information and according to the verifications (including Directors Identification Number (DIN) status at the portal [www.mca.gov.in](http://www.mca.gov.in)) as considered necessary and explanations furnished to me by the Company and its officers and considering the relaxation granted by the Ministry of Corporate Affairs and Securities and Exchange Board of India, I hereby certify that none of the Directors on the Board of the Company as stated below for the Financial Year ending on 31<sup>st</sup> March, 2026 have been debarred or disqualified from being appointed or continuing as Directors of Companies by the Securities and Exchange Board of India (SEBI), Ministry of Corporate Affairs (MCA) or any such other Statutory Authority.

| Sr. No. | Name of Director                 | DIN      | Date of Appointment in Company* |

## CERTIFICATE ON CORPORATE GOVERNANCE

(Pursuant to Regulation 34(3) and Schedule V Para E of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015)

To,  
The Members of  
GUJARAT ALKALIES AND CHEMICALS LIMITED  
(CIN: L24110GJ1973PLC002247)  
P.O.: RANOLI - 391350, DIST.: VADODARA

Dear Sir / Madam,

I have examined the compliance of the conditions of Corporate Governance by **Gujarat Alkalies and Chemicals Limited (CIN:- L24110GJ1973PLC002247)**, having its Registered Office at P. O. Ranoli – 391 350, Dist. : Vadodara (hereinafter referred to as “the Company”) for the Financial Year ended March 31, 2025 as stipulated in Regulation 17 to 27 and clause (b) to (i) and (t) of sub-regulation (2) of Regulation 46 and para C, D and E of Schedule V of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, (collectively referred to as “SEBI Listing Regulations, 2015”).

The compliance of conditions of Corporate Governance is the responsibility of the Company's Management. My examination was limited to the review of procedures and implementation thereof, as adopted by the Company for ensuring the compliance of the conditions of Corporate Governance.

It is neither an audit nor an expression of an opinion on the Financial statements of the Company.

In my opinion and to the best of our information and according to the explanations given to me, and representation made by the management and considering the relaxation granted by the Ministry of Corporate Affairs (“MCA”) and Securities and Exchange Board of India (“SEBI”), I certify that the Company, to the extent applicable, has complied with the conditions of Corporate Governance as stipulated in the above-mentioned SEBI Listing Regulations, 2015 for the year ended on March 31, 2026.

I further state that such compliance is neither an assurance as to the future viability of the Company nor efficiency or effectiveness with which the Management has conducted the affairs of the Company.

## CERTIFICATION BY MANAGING DIRECTOR AND CFO TO THE BOARD OF DIRECTORS

- a) We have reviewed the Balance Sheet and Statement of Profit and Loss and Notes on Accounts as well as the Cash Flow Statement for the year ended on 31<sup>st</sup> March, 2026 and certify that to the best of our knowledge and belief:
- i) these statements do not contain any materially untrue statement or omit any material fact nor contain statement that might be misleading;
  - ii) these statements together present a true and fair view of the Company's affairs and are in compliance with the existing accounting standards, applicable laws and regulations.
- b) There are, to the best of our knowledge and belief, no transactions entered into by the Company during the year which are fraudulent, illegal or violative to the Company's code of conduct.
- c) We accept responsibility for establishing and maintaining internal controls for Financial reporting and that we have evaluated the effectiveness of internal control systems of the Company pertaining to Financial reporting and that we have disclosed to the auditors and the Audit Committee, deficiencies in the design or operation of which such internal controls, if any, of which we are aware, and the steps we have taken or proposed to take to rectify these deficiencies.
- d) We have indicated to the auditors and the Audit Committee:
- i) significant changes in internal controls over Financial reporting during the year;
  - ii) significant changes in the accounting policies during the year and that the same have been disclosed in the notes to the Financial statements; and
  - iii) instances of significant fraud of which we have become aware and the involvement therein, if any, of the management or an employee having a significant role in the Company's internal control system over Financial reporting.

# INDEPENDENT AUDITORS' REPORT

To The Members of  
Gujarat Alkalies and Chemicals Limited

## Report on the Audit of the Standalone Financial Statements

### Opinion

We have audited the accompanying standalone financial statements of Gujarat Alkalies and Chemicals Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss including Other Comprehensive Income, the Statement of Changes in Equity, and the Statement of Cash Flows for the year then ended, and notes to the standalone financial statements, including material accounting policy information and other explanatory information (hereinafter referred to as "the standalone financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS"), and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026, and its total comprehensive income (comprising loss and other comprehensive income), changes in equity, and its cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described

in the **Auditors' Responsibilities for the Audit of the Standalone Financial Statements** section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

### Emphasis of Matter

We draw attention to Note no. 7.1 to the standalone annual financial statements, which states the fact that The Hon'ble Ministry of Corporate Affairs, New Delhi (MCA) vide an order dated 8th April, 2026 has sanctioned the Composite Scheme of Amalgamation and Arrangement. The consequential effect of the said scheme has been accounted in the books of accounts as at March 31st, 2026.

Our opinion is not modified in respect of this matter.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of these standalone financial statements of the current period. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, we do not provide a separate opinion on these matters. We have determined the matters described below to be the key audit matters to be communicated in our report.

| Sr. No. | Key Audit Matters                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        | Audit procedure                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                           |

|         | <p>Standalone Financial Statements or is considered as remote, is dependent on a number of significant assumptions and judgments made by the management. The amounts involved are potentially significant and determining the amount, if any, to be recognized or disclosed in the financial statements, is inherently subjective.</p> <p>We have considered litigations &amp; claims as key Audit Matters because the estimates on which these amounts are based involve a significant degree of management judgment, including accounting estimates that involves high estimation uncertainty.</p> |                 |

### Information Other than the Standalone Financial Statements and Auditors' Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report, including Annexures to the Board's Report, Management Discussion and Analysis, Corporate Governance Report, Business Responsibility and Sustainability Report, and Shareholder's Information but does not include the standalone financial statements and our auditors' report thereon. The above-referred information is expected to be made available to us after the date of this audit report.

Our opinion on the standalone financial statements does not cover the other information, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate actions necessitated by the circumstances and the applicable laws and regulations.

### Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance, total comprehensive income, changes in equity, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and

for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation, and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

### Auditors' Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence

that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure, and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matters or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing

so would reasonably be expected to outweigh the public interest benefits of such communication.

### Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in Annexure "A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
  - a. We have sought and obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit.
  - b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except for the matters stated in paragraph (i) (vi) below on reporting under rule 11(g).
  - c. The Balance Sheet, the Statement of Profit and Loss including other comprehensive income, the Statement of Changes in Equity, and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.
  - d. In our opinion, the aforesaid standalone financial statements comply with the Ind AS specified under Section 133 of the Act.
  - e. On the basis of the written representations received from the directors as on March 31, 2026, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of Section 164(2) of the Act.
  - f. The observation relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph (b) above on reporting under Section 143(3)(b) and paragraph (i) (vi) below on reporting under Rule 11(g).
  - g. With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company and the operating effectiveness of such controls, refer to our separate report in **Annexure "B"**.
  - h. With respect to the other matters to be included in the Auditors' Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, remuneration paid by the Company to its directors during the year in accordance with the provisions of section 197 of the Act.

The other matters to be included in the Auditors' Report

in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

- i. The Company did not have any long-term contracts including derivative contracts for which there were material foreseeable losses as at March 31, 2026.
- ii. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.
- iii.
  - a. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - b. The management has represented that, to the best of its knowledge and belief, no funds have been received by the Company from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.
  - c. Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- iv. Based on our examination of books and the information and explanation given by management:
  - a. The final dividend proposed in the previous year, declared and paid by the Company during the year is in accordance with section 123 of the Act, as applicable.
  - b. The Board of Directors of the Company has proposed a final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend proposed is in accordance with section 123 of the Act to the extent it applies to the declaration of dividend.
- v. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility, and the same has operated throughout the year for all relevant transactions recorded in the accounting software at the application level. However, the Company has not enabled the audit trail (edit log) feature at the database level in the accounting software. We did not come across any instance of the audit trail feature being tampered with at the application level. Additionally, the audit trail has been preserved by the company as per the statutory requirements for record retention.

## ANNEXURE “A” TO THE INDEPENDENT AUDITORS’ REPORT

The annexure referred to in our Independent Auditors’ Report to the members of Gujarat Alkalies and Chemicals Limited (“the Company”) on the standalone financial statements for the year ended March 31, 2026, we report that:

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

i. In respect of the Company’s property, plant and equipment, right-of-use assets and intangible assets:

(a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, Plant, and Equipment (“PPE”) and relevant details of right-of-use assets.

(B) The Company has maintained proper records showing full particulars of intangible assets.

(b) The Company has a program of physical verification of PPE and right-of-use assets so to cover all the assets once every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. According to the information and explanations given to us, no material discrepancies were noticed on such verification.

(c) According to the information and explanations given to us and the records examined by us and based on the examination of the registered sale deed / transfer deed / conveyance deed provided to us, we report that the title deeds, comprising all the immovable properties of land and buildings which are freehold, are held in the name of the Company as at the balance sheet date. In respect of immovable properties of land and buildings that have been taken on lease and disclosed as PPE in the financial statements, the lease agreements are in the name of the Company, where the Company is the lessee in the agreement.

(d) The Company has not revalued its PPE (including Right of Use Assets) or intangible assets or both during the year, and hence reporting under this clause of the Order is not applicable to the Company.

(e) According to the information and explanations given to us, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.

ii. (a) The inventories, except for goods-in-transit, have been physically verified by the

management during the year, and in our opinion, the coverage and procedure for such verification are reasonable. As explained to us, there were no discrepancies of 10% or more in the aggregate for each class of inventory on physical verification of inventory as compared to the book records.

(b) According to the information and explanations given to us, the Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks on the basis of security of current assets, and the quarterly returns or statements filed by the Company with such banks are in agreement with the books of account of the Company.

iii. During the year the Company has made investments in Companies but has not invested in Firms and Limited Liability Partnerships or given unsecured loans. The Company has also granted loan to employees. Company has also provided guarantee to JV in respect of which:

(a) The Company has not provided loans or advances to Companies in the nature of loans during the year. But the Company has provided guarantee or security by providing backstop support towards repayment of principal and interest on Compulsory Convertible Debentures (CCDs) amounting to Rs.30,000.00 lakhs (Previous year Rs.30,000 lakhs) in proportion to the share holding of Company in Joint Venture, GACL-NALCO Alkalies and Chemicals Private Ltd. (GNAL) (60%) during the year. ( refer note no. 45)

(b) The investments made and guarantees provided during the year and the terms and conditions of the grant of such guarantees are prima facie not prejudicial to the company’s interest.

(c) Company has granted loans to employees, where schedule of repayment of principal and payment of interest has been stipulated and the repayments of principal amounts and receipts of interest are generally regular as per stipulation.

(d) In respect of loans granted by the Company to employees, there is no overdue amount remaining outstanding as at the balance sheet date.

(e) Company has not granted any loans, except as stated in clause (c ), which has fallen due during the year. During the year loans have not been renewed or extended or fresh loans granted to settle the overdue of existing loans given to the same employees.

(f) The Company has not granted any loans or advances in the nature of loans either repayable

on demand or without specifying any terms or period of repayment during the year. Hence, reporting under clause 3(iii)(f) is not applicable.

- iv. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not given any loans, or provided any guarantee or security as specified under Section 185 and 186 of the Companies Act, 2013. In respect of the investments made by the Company in earlier years, in our opinion, the provisions of Section 186 of the Act have been complied with.
- v. According to the information and explanations given to us, the Company has not accepted any deposits or amounts which are deemed to be deposits during the year from the public or under the directives issued by the Reserve Bank of India, therefore, the provisions of sections 73 to 76 of the Act and rules framed thereunder are not applicable to the Company.
- vi. We have broadly reviewed the records maintained by the Company pursuant to the rules prescribed by the Central Government for the maintenance of

cost records under sub-section (1) of section 148 of the Companies Act, 2013, and are of the opinion that prima facie the prescribed records have been made and maintained. We have, however, not made a detailed examination of the records with a view to determining whether they are accurate or complete.

- vii. (a) According to the information and explanations given to us, the Company has been regular in depositing with appropriate authorities undisputed statutory dues, including Goods and Services Tax, provident fund, employee's state insurance, income-tax, value-added tax, cess, and other material statutory dues applicable to it. Further, no undisputed amounts payable in respect of Goods and Services Tax, provident fund, employee's state insurance, income tax, value-added tax, cess, and any other statutory dues were in arrears, as at March 31, 2026, for a period of more than six months from the date they became payable.
- (b) Statutory dues which have not been deposited on account of any dispute as on March 31, 2026, are as follows:

| Name of Statute             | Nature of Dues                                         | Forum where Dispute is Pending                    | Period to which the Amount Relates    | Amount Involved (in Lakhs) | Amount Unpaid (in Lakhs) |
|-----------------------------|--------------------------------------------------------|---------------------------------------------------|---------------------------------------|----------------------------|--------------------------|
| Gujarat Sales Tax Act, 1969 | Sales Tax Liability (Including Purchase Tax Liability) | Joint Commissioner of Appeals                     | 2000-01 to 2005-06                    | 20,431.56                  | 20,431.56                |

- viii. According to the information and explanations given to us, no unrecorded transactions in the books of account have been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).
- ix. (a) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of loans or other

borrowings or in the payment of interest thereon to any lender.

- (b) The Company has not been declared a wilful defaulter by any bank or financial institution or government or any government authority.
- (c) In our opinion and according to the information and explanations given to us, the Company has availed term loan at the beginning and during

the year too. The same were utilized for the purpose the same were obtained.

- (d) On an overall examination of the financial statements of the Company, funds raised on a short-term basis have, prima facie, not been used during the year for long-term purposes by the Company.
- (e) On an overall examination of the financial statements of the Company, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its joint venture and associates. The Company does not have any subsidiary.
- (f) The Company has not raised any loans on the pledge of securities held in its joint venture and Associates, and hence reporting under clause 3(ix)(f) of the Order is not applicable to the Company.
- x. (a) According to the information and explanations given to us, the Company has not raised any money by way of an initial public offer or further public offer (including debt instruments) during the year, and hence reporting under clause 3(x)(a) of the Order is not applicable to the Company.
- (b) During the year, the Company has not made any preferential allotment or private placement of shares or convertible debentures (fully or partly or optionally), and hence reporting under clause 3(x)(b) of the Order is not applicable to the Company.
- xi. (a) To the best of our knowledge and according to the information and explanations given to us, no material fraud by the Company or on the Company has been noticed or reported during the year.
- (b) No report under sub-section (12) of section 143 of the Companies Act has been filed in Form ADT-4 as prescribed under rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year and up to the date of this report.
- (c) As represented to us by the management, there are no whistle blower complaints received by the Company during the year.
- xii. The Company is not a Nidhi company, and therefore, reporting under clause (xii) of the Order is not applicable to the Company.
- xiii. In our opinion and according to the information and explanations given to us and based on our examination of the records of the Company, all transactions with the related parties are in compliance with Sections 177 and 188 of the Act where applicable, and the details have been disclosed in the financial statements as required by the applicable Indian Accounting Standards.
- xiv. (a) In our opinion and based on our examination, the Company has an adequate internal audit

system commensurate with the size and nature of its business.

- (b) We have considered the internal audit reports for the year under audit, issued to the Company during the year and till date, in determining the nature, timing, and extent of our audit procedures.
- xv. In our opinion and according to the information and explanations given to us, the Company has not entered into any non-cash transactions with its directors or persons connected with directors, therefore, reporting under clause (xv) of the Order is not applicable to the Company.
- xvi. In our opinion and according to the information and explanations given to us:
  - (a) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934.
  - (b) The Company has not conducted any Non-Banking Financial or Housing Finance activities during the year as covered under the requirements of the Reserve Bank of India Act, 1934.
  - (c) The Company is not a Core Investment Company as defined in the regulations made by the Reserve Bank of India.
  - (d) The Company does not have any Core Investment Companies which are part of the Group.
- xvii. The Company has not incurred cash losses during the financial year covered by our audit and the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year, and therefore, reporting under this clause of the Order is not applicable to the Company.
- xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing, and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans, and based on our examination of the evidence supporting the assumptions, nothing has come to our attention, which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of the balance sheet as and when they fall due within a period of one year from the balance sheet date. We, however, state that this is not an assurance as to the future viability of the Company. We further state that our reporting is based on the facts up to the date of the audit report, and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date will get discharged by the Company as and when they fall due.
- xx. (a) There are no unspent amounts towards Corporate Social Responsibility on other than

ongoing projects requiring a transfer to a fund specified in Schedule VII to the Companies Act in compliance with the second proviso to sub-section (5) of Section 135 of the said Act. Accordingly, reporting under clause 3(xx)(a) of the Order is not applicable for the year.

- (b) In respect of ongoing projects, the Company has transferred unspent Corporate Social Responsibility amount as at the end of the balance sheet date to a special account within a period of 30 days from the end of the said financial year in

compliance with the provision of sub-section (6) of section 135 of the said Act.

## ANNEXURE “B” TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph 2(g) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Gujarat Alkalies and Chemicals Limited on the standalone financial statements of even date)

### **Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act**

We have audited the internal financial controls with reference to standalone financial statements of Gujarat Alkalies and Chemicals Limited (“the Company”) as of March 31, 2026, in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

### **Management’s Responsibility for Internal Financial Controls**

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation, and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and if such

controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements included obtaining an understanding of internal financial controls with reference to standalone financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors’ judgment, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to standalone financial statements.

### **Meaning of Internal Financial Controls with reference to Standalone Financial Statements**

A Company’s internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial controls with reference to standalone financial statements includes those policies and procedures that:

1. Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
2. Provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and
3. Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company’s assets that could have a material effect on the standalone financial statements.

**Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements**

Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial control with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such internal financial

controls with reference to standalone financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS

### Notes forming part of the Financial Statements

#### 1. GENERAL INFORMATION

Gujarat Alkalies and Chemicals Limited ("the Company") is a public limited company (CIN L24110GJ1973PLC002247 ) incorporated and domiciled in India and has its Registered Office at P. O. Ranoli – 391350, District Vadodara, Gujarat, India. The equity shares of the Company are listed on the BSE Limited and National Stock Exchange of India Limited.

The Company is manufacturing chemicals and is one of the leading manufacturer of Caustic Soda Lye.

##### 1.1. Statement of Compliance

The standalone financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as notified under Section 133 of The Companies Act, 2013 (the "Act") read with Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act as amended from time to time.

##### 1.2. Recent pronouncements / New Accounting Standards

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During the year, MCA has issued a notification dated 10th March, 2026 which, has no impact on the financials of the Company.

##### 1.3. Basis of Preparation of financial statements

The standalone financial statements have been prepared on going concern basis on the historical cost convention using accrual system of accounting except for certain assets and liabilities which are measured at fair value/amortized cost/ net present value at the end of each reporting period as explained in the accounting policies.

Accounting policies have been consistently applied except where a newly issued Ind AS is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. The methods used to measure fair values are disclosed in notes to the financial statements.

The functional currency of the Company is the Indian rupee. These financial statements are presented in Indian rupees (rounded off to lakhs).

##### 1.4. Current/Non-Current Classification:

As the operating cycle cannot be identified in normal

course due to the special nature of industry, the same has been assumed to have duration of 12 months and all assets and liabilities have been classified as current or non-current accordingly.

#### 1.5. Use of estimates

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgements, and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgements and the use of assumptions in these financial statements have been disclosed in notes below. Accounting estimates could change from period to period. Actual results could differ from these estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and if material, then effects are disclosed in the notes to the financial statements.

#### 2. MATERIAL ACCOUNTING POLICIES

##### 2.1. Revenue and Income recognition:

##### 2.1.a. Revenue from Contracts with Customers :

The Company derives Revenue primarily from sale of manufactured and traded products being "Chemicals".

Revenue from the sale of products is recognised on satisfaction of performance obligation upon transfer of control of promised products to customers in an amount that reflects the consideration the Company expects to receive in exchange of those products.

In determining the transaction price for the sale of goods, the company also considers the effects of variable consideration, the existence of significant financing components and consideration payable to the customer (if any).

The performance obligation to transfer each distinct product consists of supplying the product to a named destination, handling charges and packing charges.

The Company accounts for discounts and incentives to customers as a reduction of revenue based on the proportionate allocation of the discounts /

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS

incentives to each of the underlying performance obligation that corresponds to the progress by the customer towards earning the discount / incentive. Also, when the level of discount varies with increase in level of revenue transactions, the Company recognizes the liability based on its estimate of the customer's future purchases. If it is probable that the criteria for the discount will not be met, or if the amount thereof cannot be estimated reliably, then discount is not recognized until the payment is probable and the amount can be estimated reliably. The Company recognizes changes in the estimated amount of obligations for discounts in the period in which the change occurs.

The Company does not expect to have any contracts where the period between the transfer of the promised goods to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction price for the time value of money.

Sale of products excludes amounts of indirect taxes on sales.

### 2.1.b. Other income:

Dividend income from investments is recognised when the shareholder's right to receive the payment has been established.

Interest income from a financial asset is recognised when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on time basis, by reference to the principal outstanding and at the effective interest rate applicable.

Revenue with respect to Other Operating Income and Other Income including insurance and other claims are recognised when a reasonable certainty as to its realisation exists.

### 2.2. Lease Liabilities and Right-of-Use Assets

The Company assesses whether a contract contains a lease, at inception of the contract. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves use of an identified asset;
- (ii) the Company obtains substantially all of the economic benefits from the use of the asset through the period of the lease and
- (iii) the Company has the right to direct the use of the asset.

#### Short-term leases and leases of low-value assets:

The Company applies the short-term lease recognition exemption to its short-term leases of

Property, Plant and Equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered of low value and is not intended for sublease. Lease payments on short-term leases and leases of low-value assets are recognized as expense on a straight-line basis over the lease term or other systematic basis.

#### The Company as a Lessee:

The Company's lease asset class primarily consist of leases for immovable properties. The company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if there is an explicit or implicit identified asset in the contract and Customer controls the use of an identified asset for a period of time in exchange for consideration.

At the date of commencement of the lease, the company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that the option to extend the lease will be exercised/option to terminate the lease will not be exercised.

The lease liability is initially measured at present value of the future lease payments over the reasonably certain lease term. The lease payments are discounted using the interest rate implicit in the lease, if it not readily determinable, using the incremental borrowing rate. For leases with similar characteristics, the Company, on a lease by lease basis, applies either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole.

Lease liabilities are remeasured with a corresponding adjustment to the related right-of-use asset if the Company changes its assessment regarding extension or termination option.

The right-of-use assets are initially recognized at cost, which comprises the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the inception date of the lease along with any initial direct costs, restoration obligations and lease incentives received.

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS

Subsequently, the right-of-use assets is measured at cost less any accumulated depreciation and accumulated impairment losses, if any. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use assets.

The interest cost on lease liability (computed using effective interest method), is expensed in the statement of profit and loss, unless eligible for capitalization as per accounting policy on Borrowing costs.

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract in accordance with Ind AS 116 Leases and allocates the consideration in the contract to each lease component on the basis of the relative standalone price of the lease component and the aggregate stand-alone price of the non-lease components.

### 2.3. Foreign Currencies - Transactions and translations:

Transactions in currencies other than the Company's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are translated using FEDAI exchange rate prevailing on the last day of the reporting period.

Exchange differences on monetary items are recognised in the Statement of Profit and Loss in the period in which they arise.

Non-monetary items denominated in foreign currency which are measured in terms of historical cost are recorded using the exchange rate at the date of the transaction.

### 2.4. Borrowing Costs

Borrowing costs including finance cost on lease liability specifically identified to the acquisition or construction of qualifying assets is capitalized as part of such assets till the date of cessation of activities related to qualifying assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to the Statement of Profit and Loss. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

Borrowing cost also includes exchange differences

arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs i.e., equivalent to the extent to which the exchange loss does not exceed the difference between the cost of borrowing in functional currency when compared to the cost of borrowing in a foreign currency.

When there is an unrealised exchange loss which is treated as an adjustment to interest and subsequently there is a realised or unrealised gain in respect of the settlement or translation of the same borrowing, the gain to the extent of the loss previously recognised as an adjustment is recognised as an adjustment to interest.

### 2.5. Employee Benefits

#### 2.5.a. Short term Employee Benefits:

All employee benefits payable wholly within twelve months of rendering the services are classified as short term employee benefits. Benefits such as salaries, wages, etc. and the expected cost of bonus, Ex-gratia, Leave Travel Allowance, Reimbursement of Medical Expenses, Personal Accident Policy, Deposit Linked Insurance Policy are recognised, undiscounted in the period in which the employee renders the related services.

#### 2.5.b. Post-Employment Benefits

##### 2.5.b.1. Defined Contribution Plan:

The Company's contribution paid /payable during the year to Provident Fund, Superannuation Fund and other welfare funds are considered as defined contribution plans. The Contribution paid/ payable under these plans are recognised in the Statement of Profit and Loss during the period in which the employee renders the services. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions.

##### 2.5.b.2. Defined Benefit Plans:

The Gratuity Scheme managed by Life Insurance Corporation of India through a Trust is considered as defined benefit plan. The present value of the obligation is determined based on actuarial valuation being carried out at each reporting date using the Projected Unit Credit Method.

Actuarial gains and losses are recognised immediately in other comprehensive income.

Gains or losses on the curtailment or settlement of any defined benefit plan are recognised when the curtailment or settlement occurs.

Past service cost is recognized immediately to the extent that the benefits are already vested and

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS

otherwise it is amortized on straight-line basis over the remaining average period until the benefits become vested.

Interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets.

The defined retirement benefit obligation recognised in the balance sheet represents the present value of the defined benefit obligation as reduced by plan assets.

### 2.5.b.3. Long term Employee Benefits:

The obligation for long term employee benefits such as long term compensated absences, long service awards, etc. is recognised in the same manner as in the case of defined benefit plans as mentioned in 2.5.b.2 above except that the actuarial gains and losses are recognised immediately in the Statement of Profit and Loss.

### 2.6. Income Taxes

Income tax expense represents the sum of current tax and deferred tax.

#### 2.6.a. Current Tax:

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'Profit Before Tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible in accordance with applicable tax laws. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

#### 2.6.b. Deferred Tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences, the carry forward of unused tax losses and the carry forward of unused tax credits to the extent that it is probable that taxable profits will be available against which these can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary difference arises from the initial recognition of

goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

#### 2.6.c. Current and Deferred Tax for the Year:

Current and deferred tax are recognised in the statement of profit and loss, except when they relate to items that are recognised in Other Comprehensive Income or directly in equity, in which case, the current and deferred tax are also recognised in Other Comprehensive Income or directly in equity respectively.

### 2.7. Property, Plant and Equipment

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less accumulated depreciation and accumulated impairment losses, if any.

The cost of PPE comprises of its purchase price or its construction cost (net of applicable tax credit, trade discount and rebate if any), Exchange rate variations attributable to the assets and any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended by the management and initial estimate of decommissioning costs. Direct costs are capitalized until the asset is ready for use and includes borrowing cost capitalised in accordance with the Company's accounting policy. The assets valued below Rs.1.00 lakh each is charged to Statement of Profit and Loss in the year of purchase.

#### Depreciation method, Estimated Useful lives and residual value

The Company depreciates property, plant and equipment over their estimated useful lives using the straight line method. The estimated useful lives of the assets are as follows :

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS

| Asset                 | Useful Life |
|-----------------------|-------------|
| Buildings             | 10-60 years |
| Plant and Equipment   | 10-40 Years |
| Computer Equipments   | 3-7 years   |
| Furniture and Fixture | 3-10 years  |
| Office Equipment      | 3-10 years  |
| Vehicles              | 8-15 years  |

Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis. The useful life as prescribed under Schedule II of the Companies Act, 2013 have been followed except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating condition of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.:

- Remembraning of Membrane cell elements-4 years
- Recoating of Anode and Cathode membrane cell elements- 8-10 years
- Leasehold land and equipment is amortised over the duration of the lease.

Advances paid towards the acquisition of property, plant and equipment outstanding at each Balance Sheet date is classified as capital advances under Other Non-Current Assets and the cost of the assets not ready for intended use before such date are disclosed under 'Capital work-in-progress'. Subsequent expenditures relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the Statement of Profit and Loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses which are measured as the difference between the net disposal proceeds and the carrying amount of the asset are recognised in the Statement of Profit and

Loss when the asset is derecognised. Assets to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.

### 2.8. Intangible Assets

#### Intangible Assets acquired separately:

Intangible assets with finite useful life acquired separately, are recognized only if it is probable that future economic benefits that are attributable to the assets will flow to the enterprise and the cost of assets can be measured reliably. The intangible assets are recorded at cost and are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Amortisation is recognised on a straight-line basis over their estimated useful lives from the date they are available for use. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

Subsequent expenditures are capitalised only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably.

Intangible assets are derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset, and recognised in the Statement of Profit and Loss when the asset is derecognised.

### RESEARCH AND DEVELOPMENT

Expenditure on research is recognised as an expense when it is incurred. Expenditure on development which does not meet the criteria for recognition as an intangible asset is recognised as an expense when it is incurred.

#### Useful Lives of Intangible Assets:

Estimated Useful lives of the Intangible assets are as follows:

| Intangible Asset  | Useful Life  |
|-------------------|--------------|
| Computer Software | 8 - 10 Years |

### 2.9 Impairment of Tangible and Intangible Assets

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS

carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If such assets are considered to be impaired, the impairment is recognized in the Statement of Profit and Loss and is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years. After a reversal, the depreciation charge is adjusted in future periods to allocate the asset's revised carrying amount, less any residual value, on a systematic basis over its remaining useful life.

### 2.10. Inventories

Inventories are stated at the lower of cost and net realisable value after providing for obsolescence, if any. Net realisable value represents the estimated selling price for inventories in the ordinary course of business less all estimated costs of completion and estimated costs necessary to make the sale. Cost of inventories comprises of cost of purchase (net of recoverable taxes), cost of conversion and other costs including manufacturing overheads incurred in bringing them to their respective present location and condition. Raw materials and other supplies held for use in production of finished products are not written down below cost except in cases where material prices have declined and it is estimated that the cost of the finished products will exceed their net realizable value.

Inventory cost formula is as under

| Inventories                           | Basis of Valuation and Cost Formula                                                                                                     |
|---------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Raw material                          | Landed cost at weighted average basis                                                                                                   |
| Raw Material (Goods in transit)       | At Cost on Basic Price                                                                                                                  |
| Work in Progress                      | Raw material, labour and appropriate proportion of manufacturing expenses and overheads as per stage of completion at weighted average. |
| Finished Goods (Including in Transit) | Raw material, labour and appropriate proportion of manufacturing expenses and overheads at weighted average.                            |
| Stores, spares, packing materials     | Landed Cost Weighted average basis                                                                                                      |
| Scrap                                 | At lower of cost or Net realizable value                                                                                                |

### 2.11. Provisions, Contingent Liabilities and Contingent Assets

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material. If the time value of money is material, Provisions are discounted using pre-tax discount rate and when discounting is used, increase in the provision with the passage of time is recognised as a finance cost in the statement of Profit and Loss account.

A contingent liability is (a) a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS

not wholly within the control of the entity or (b) a present obligation that arises from past events but is not recognised because (i) it is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation or (ii) the amount of the obligation can not be measured with sufficient reliability.

Contingent liabilities are disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

A contingent asset is a possible asset that arises from the past events and whose existence will be confirmed only by the occurrence or non- occurrence of one or more of uncertain future events not wholly within the control of the entity.

Contingent assets are disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

### 2.12. Financial Instruments

The Company determines the classification of its financial assets and liabilities at initial recognition. The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

#### Initial Recognition and Measurement:

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss, are added to or deducted from the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

#### Effective interest method

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

#### Subsequent Measurement

### 2.12.a. Non-derivative financial instruments

#### 2.12.a.1. Cash and Cash equivalents:

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

#### 2.12.a.2. Financial assets carried at amortised cost:

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

#### 2.12.a.3. Financial assets at fair value through Other Comprehensive Income (FVTOCI) :

A financial asset is subsequently measured at fair value through Other Comprehensive Income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in Other Comprehensive Income based on its business model.

On derecognition of such Financial assets, cumulative gain or loss previously recognised in Other Comprehensive Income is not reclassified from the equity to statement of Profit and Loss.

#### 2.12.a.4. Financial assets at fair value through profit or loss (FVTPL) :

A financial asset which is not classified in any of the above categories are subsequently measured at fair value through profit or loss.

#### 2.12.a.5. Investment in Joint Venture:

A joint venture is a joint arrangement whereby the parties that have joint control of the arrangement have rights to the net assets of the joint arrangement. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require unanimous consent of the parties sharing control.

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS

The Company accounts for its investment in joint venture at cost.

Financial liability is recognized at fair value with a corresponding debit to deemed investment, where the Company is a sponsor in respect of Compulsory Convertible Debentures issued by joint ventures and is mandatorily required to purchase such debentures. Financial liability is subsequently measured at amortized cost. The deemed investment is added to the carrying amount of investment in joint ventures and carried at cost.

### 2.12.a.6. Financial liabilities:

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments. Interest bearing issued debt are initially measured at fair value and are subsequently measured at amortised cost using the effective interest rate method.

### 2.12.a.7. Derivative Financial Instruments and Hedge Accounting

The Company uses various derivative financial instruments in forward contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. At the inception of a hedge relationship, the Company formally designates and documents the hedge relationship to which the Company wishes to apply hedge accounting and the risk management objective and strategy for undertaking the hedge.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to Statement of Profit and Loss, except for the effective portion of cash flow hedge which is recognised in Other Comprehensive Income and later to Statement of Profit and Loss.

### 2.12.a.8. Derecognition of financial instruments:

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. On derecognition of Financial assets (except as mentioned in 2.17.a.3), the difference between the carrying amount and the consideration received is recognised in the statement of Profit and Loss account. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation

specified in the contract is discharged or cancelled or expires.

### 2.12.a.9. Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is presented in the Balance Sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

### 2.13. Share capital

#### Ordinary Shares :

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares are recognized as a deduction from equity, net of any tax effects.

### 2.14. Fair Value Measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, which gives highest priority to quoted prices in active markets and the lowest priority to unobservable inputs.

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS

Level 2 — Valuation techniques for inputs other than quoted prices included within Level 1 that are observable for the asset or Liability either directly or indirectly.

Level 3 — Valuation techniques for inputs that are unobservable for the asset or liability.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

### 2.15. Impairment of Financial Assets

The Company recognizes loss allowances using the Expected Credit Loss (ECL) model for the financial assets which are not measured at fair value through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised as an impairment gain or loss in the statement of profit and loss.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive, discounted at the effective interest rate.

ECL are measured taking into account the time value of money and other reasonable information available as a result of past events, current conditions and forecasts of future economic conditions.

For Trade receivables, the Company uses a provision matrix to measure lifetime ECL on its portion of trade receivables. The provision matrix is prepared based on historically observed default rates over the expected life of trade receivables and is adjusted for forward looking estimates.

### 2.16. Earnings per share

Basic earnings per share is computed by dividing the profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share is computed by dividing

the profit after tax by the weighted average number of equity shares considered for deriving the basic earnings per share and the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

### 2.17. Operating Segments

Operating segments are identified and reported taking into account the different risks and returns, the organization structure and the internal reporting systems. The Company operates in one reportable business segments i.e. “Chemicals”.

### 2.18. Statement of cash flows

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities.

### 2.19. Government Grant

Government grants are recognised when there is reasonable assurance that the grant will be received, and the company will comply with conditions attached to the grant.

Government grants relating to income are recognised in profit or loss on a systematic basis over the periods in which the Company recognises as expenses, the related costs for which the grants are intended to compensate. Grant relating to assets are netted off against the acquisition cost of the asset.

### 2.20. Critical accounting judgements, assumptions and Key sources of estimation uncertainty:

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities at the date of the financial statements. Estimates and assumptions are continuously evaluated and are based on management's experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS

Key source of judgments, assumptions and estimates in the preparation of the Financial Statements which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are in respect of useful lives of Property, Plant and Equipment, impairment, employee benefit obligations, provisions, provision for income tax, measurement of deferred tax assets and contingent assets & liabilities., Stores & Spares Written off.

### 2.20.a. Critical judgments in applying accounting policies

The following are the critical judgements, apart from those involving estimations (Refer note 2.20.b), that the Management have made in the process of applying the Company's accounting policies and that have the significant effect on the amounts recognized in the Financial Statements.

#### 2.20.a.1. Determining whether an arrangement contain leases and classification of leases

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

### 2.20.b. Key sources of estimates and assumptions

Information about estimates and assumptions that have the significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may differ from these estimates.

#### 2.20.b.1. Defined benefit obligation (DBO) :

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations being carried out at reporting date. An actuarial valuation involves making various assumptions that may differ from

actual developments in the future. These include the determination of the discount rate, Salary escalation rate, expected rate of return on asset and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation. The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates for the respective countries.

#### 2.20.b.2. Contingent Liabilities and Assets:

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company, including legal, contractor, land access and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgment and the use of estimates regarding the outcome of future events.

#### 2.20.b.3. Allowance for impairment of trade receivables:

The expected credit loss is mainly based on the ageing of the receivable balances and historical experience. The receivables are assessed on an individual basis assessed for impairment collectively, depending on their significance. Moreover, trade receivables are written off on a case-to-case basis if deemed not to be collectible on the assessment of the underlying facts and circumstances.

#### 2.20.b.4. Impairment of non-financial assets:

Evaluation for impairment requires use of judgment, estimates and assumptions.

The evaluation of applicability of indicators of impairment of assets requires assessment of external factors (significant decline in asset's value, significant changes in the technological, market, economic or legal environment, market interest rates etc.) and internal factors (obsolescence or physical damage of an asset, poor economic performance of the

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS

asset etc.) which could result in significant change in recoverable amount of the Property, Plant and Equipment.

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or CGU's fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded subsidiaries or other available fair value indicators.

### 2.20.b.5. Income taxes:

Significant judgements are involved in determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions.

### 2.20.b.6. Recognition of Deferred tax assets:

Deferred Tax Assets (DTA) are recognized for the unused tax losses/ credits to the extent that it is

probable that taxable profit will be available against which the losses will be utilized. Management judgement is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

### 2.20.b.7. Useful lives and residual value of property, plant and equipment:

The Company reviews the useful life and residual value of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

### 2.20.b.8. Dismantling cost of property, plant and equipment:

The company estimates assets retirement obligation on estimate basis for property, plant and equipment. Estimation is done by the management considering size of the asset and its useful life in line with industry practices.

### 2.20.b.9. Stores and spares inventories:

The Company's manufacturing process is continuous and highly mechanic with wide range of different types of plant and machineries. The Company keeps stores and spares as standby to continue the operations without any disruption. Considering wide range of stores and spares and long lead time for procurement of it and based on criticality of spares, the Company believes that net realizable value would be more than cost.

### 2.20.b.10. Fair value of investments:

The Company has invested in the equity instruments of various companies. The valuation exercise of unquoted equity instruments carried out by the Company with the help of an independent valuer, etc. has estimated fair value at each reporting period based on available historical annual reports and other information in the public domain.

|-------------------------------------------|-----------------------------------------------|--------------------------------------------------------|------------------------------------------------------------------------|------------------|
|                                           |                                               |                                                        | As at 31.03.2026                                                       | As at 31.03.2025 |
| GACL-NALCO Alkalies & Chemicals Pvt. Ltd. | Manufacture and Sale of Chlor-Alkali Products | India                                                  | 60%                                                                    | 60%              |

For Method of Accounting Refer Note- 2.12.a.5

- 5.1** Fair value of deemed Investment is Rs.25,702.58 lakhs (As at March 31, 2025 Rs.24,596.58 lakhs). Fair value of Financial Obligation is Rs.23,369.91 Lakhs (As at March 31, 2025 Rs.21,786.74 lakhs) and fair value of Financial Guarantee Obligation is Rs.3,609.58 Lakhs (As at March 31, 2025 Rs.3,233.98 lakhs) against the said CCDs as at March 31, 2026.
- 5.2** In view of the losses of Rs.3,862.33 Lakhs incurred by Joint Venture Company ("JV") during the year and accumulated losses of Rs. 63,330.82 Lakhs as at March 31, 2026, the Company, through external expert, has carried out impairment review of its Investment of Rs. 41,400 Lakhs in 41,40,00,000 equity shares of Rs. 10/- each in its JV. As per external expert's assessment, the fair value of above-referred Equity Investment in its JV exceeds its carrying value and consequently, it has been determined that no impairment provision needs to be recognised against carrying value of its Equity Investment held in its JV as of March 31, 2026.

13.1 Refer Note No. 39 for related party receivable.

13.2 Trade Receivables include overdue outstanding from various parties aggregating to Rs.1,322.36 lakhs, (Previous Year Rs.1,460.67 lakhs), for which the Company has taken legal steps for recovery of the outstanding dues and the management is hopeful of the recovery. However, cumulative provision of Rs.1,322.36 lakhs (Previous Year Rs.1,460.67 lakhs) exists for such doubtful debts as on 31.03.2026.

The average credit period on sale of goods is 34 days. However, no interest is charged on Trade Receivables for delay in payment beyond 34 days from the date of the Invoice.

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS

### 13 TRADE RECEIVABLES (Contd.)

The credit limits for customers are set based on security deposits and bank guarantees. Limits attributed to customers are reviewed periodically.

The Company has used a practical expedient by computing the expected credit loss allowance for Trade Receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the days the receivables are due and the rates are given in the provision matrix. The provision matrix at the end of the Reporting Period is as follows. :

| Ageing :                   |  | Expected Credit Loss |
|----------------------------|--|----------------------|
| Particulars                |  | As at<br>31.03.2026  |
| Within the Credit Period   |  | 0.14%                |
| 1-60 days past due         |  | 0.19%                |
| 61-180 days past due       |  | 0.27%                |
| 181 days -2 years past due |  | 0.39%                |
| 2-5 years past due         |  | 0.49%                |
| Above 5 years past due     |  | 100.00%              |

| Age of Receivables :       |  | [Rs. in Lakhs]      |                     |

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS

### 17 OTHER EQUITY (Contd.)

#### a. General Reserve

The General Reserve is used from time to time to transfer profits from Retained Earnings for appropriation purpose. As General Reserve is created by a transfer from one component of Equity to another and is not an item of other comprehensive income, items included in the General Reserve will not be reclassified subsequently to profit or loss.

#### b. Securities Premium

Securities premium is used to record the premium received on issue of shares. It is utilised in accordance with the provisions of the Companies Act, 2013.

#### c. Capital Reserve

As per Companies Act, 2013, capital redemption reserve is created when company purchases its own shares out of free reserves or securities premium. A sum equal to the nominal value of the shares so purchased is transferred to capital redemption reserve. The reserve is utilised in accordance with the provisions of section 69 of the Companies Act, 2013.

#### d. Other Comprehensive Income

This reserve comprises (i) cumulative gains and losses on equity instruments designated at FVOCI, and (ii) changes in fair value of the forward element of forward contracts designated in cash flow hedges (cost of hedging), recognised in other comprehensive income."

#### e. Retained Earnings

This reserve represents undistributed accumulated earnings of the Company as on the balance sheet date.

| (iii) The amount of interest paid along with the amounts of the payment made to the supplier beyond the appointed day                                                                                                | -                   | -                   |
| (iv) The amount of interest due and payable for the year                                                                                                                                                             | -                   | -                   |
| (v) The amount of interest accrued and remaining unpaid at the end of the accounting year                                                                                                                            | -                   | -                   |
| (vi) The amount of further interest due and payable even in the succeeding year, until such date when the interest dues as above are actually paid                                                                   | -                   | -                   |
| Dues to Micro, Small and Medium Enterprises have been determined to the extent such parties have been identified on the basis of information collected by the Management. This has been relied upon by the Auditors. |                     |                     |

The Company has made payments to Micro and Small suppliers within the stipulated payment period as prescribed under Micro and Small enterprises Development Act, 2006 (MSMED Act, 2006). Accordingly, no interest is payable to such suppliers. The Company has financial risk management policies in place to ensure that all payables are paid within the pre-agreed credit terms.

#### Note :

The Government of India has notified the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020 and the Occupational Safety, Health and Working Conditions Code, 2020 (collectively, "Labour Codes") with effect from 21 November 2025, subsuming existing labour laws. Based on an actuarial assessment and ICAI guidance, the Company has evaluated the impact of the Labour Codes. The effect, if any, is not material to the financial statements for the year ended 31 March 2026.

The related rules are yet to be fully notified. The Company will assess and account for the impact, if any, in accordance with applicable Indian Accounting Standards in the period of such notification.

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS

### 38 FINANCIAL INSTRUMENTS

#### 38.1 Capital Management

The Company manages its capital to ensure that it will be able to continue as a Going Concern while maximising the return to stakeholders through optimisation of the Debt and Equity Balance.

The Company is subject to externally imposed capital requirements as part of its debt covenants such as maintaining a Interest Coverage ratio of 2.75 times, a Debt Service Coverage ratio of 1.5 times and Fixed asset Coverage ratio 1.25 times.

The Company manages its capital structure and makes adjustments to it in light of changes in economic conditions and the requirements of the financial covenants. The Company monitors capital by computing the above ratios on an annual basis and ensuring that the same is in Compliance with the requirements of the Financial Covenants.

The Total interest coverage ratio at the end of the reporting period was as follows :

| [Rs. in Lakhs]           |                          |                          |

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS

### 38 FINANCIAL INSTRUMENTS (Contd.)

#### 38.3 Financial Risk Management Objectives

The Company's Corporate Treasury Function provides services to the business, co-ordinates access to domestic and international financial markets, monitors and manages the financial risks relating to the operations of the Company through internal risk reports which analyse exposures by degree and magnitude of risks. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

Compliance with policies and exposure limits is reviewed internally on a continuous basis. The Corporate Treasury does not enter into any trade financial instruments, including derivative financial instruments and relies on natural hedge.

The Corporate Treasury Function monitors risks and policies implemented to mitigate risk exposures on a periodical basis.

#### 38.4 Market Risk

The Company is exposed to risks from fluctuations in foreign currency exchange rates and interest rates. As at the reporting date, the Company does not have any outstanding External Commercial Borrowings (ECBs) and hence no related exposure. The Company evaluates foreign currency risk, including for potential future exposures, and may use natural hedging mechanisms such as EEFC balances, where applicable.

The Company's investments in listed and non-listed equity securities are susceptible to price risk arising from uncertainties about future value of the investment securities. The Company's non-current investment in equity shares are strategic investments and hence are considered as Fair Value through Other Comprehensive Income. The Company's Board of Directors reviews and approves all equity investment decisions.

#### 38.5 Foreign Currency Risk Management

The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. Exchange rate exposures are managed within approved policy parameters. Further, the Company parks its earnings in foreign currency in Exchange Earners Foreign Currency (EEFC) account and discharges its obligations in case of foreign currency loans and towards import obligations out of the said account.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities are restated at the end of each quarter. The same at the end of the reporting period are as follows :

[Amount in INR in Lakhs]

\* Trade payables denominated in foreign currencies (EUR 15,00,000; USD 11,57,664.80; CHF 6,87,750) are hedged using derivative instruments to mitigate exchange rate risk. These hedges are undertaken in line with the Company's risk management framework to reduce volatility in settlement cash flows.

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS

### 38 FINANCIAL INSTRUMENTS (Contd.)

#### 38.5 Foreign Currency Risk Management (Contd.)

##### Foreign Currency Sensitivity Analysis

The Company is mainly exposed to US Dollar.

The following table details the Company's sensitivity to a 5% increase and decrease in the Rupee against the relevant foreign currencies. 5% is a sensitivity rate used when reporting foreign currency internally to the key management personnel and represents management's assessment of the reasonably possible changes in the foreign exchange rates. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 5% change in the foreign currency rates. A positive number below indicates an increase in profit or equity where the Rupee strengthens by 5% against the relevant currency. For a 5% weakening of the Rupee against the relevant currency, there would be a comparable impact on the profit or equity, and the balances below would be negative.

[Rs. in Lakhs]

| Currency | Impact on profit or loss for the year |          | Impact on total equity as at the end of the reporting period |          |
|----------|---------------------------------------|----------|--------------------------------------------------------------|----------|
|          | 2025-26                               | 2024-25  | 2025-26                                                      | 2024-25  |
| USD      | (278.78)                              | 1,742.84 | (181.23)                                                     | 1,132.95 |
| GBP      | (17.82)                               | (25.71)  | (11.58)                                                      | (16.71)  |
| EUR      | 1.16                                  | 2.71     | 0.75                                                         | 1.77     |
| CHF      | (38.65)                               | (0.16)   | (25.13)                                                      | (0.10)   |
| JPY      | -                                     | (2.01)   | -                                                            | (1.31)   |

#### 38.6 Interest Rate Risk Management

The Company is exposed to interest rate risk because the Company borrows funds at floating interest rates. The risk is managed by the Company by monitoring the exchange rate on regular basis and also parking the export proceeds in the EEFC account which also provides a natural hedge for the outflows in foreign currency. Further, the Company performs an impact analysis of not hedging its ECBs. This has been done by comparing the actual cash outflows related to ECBs under current unhedged conditions in the past vis-a-vis the scenario of complete hedging of individual ECB on the disbursement day through quotes provided by the banks.

##### Interest Rate Sensitivity Analysis

The sensitivity analysis below have been determined based on the exposure to interest rates for instruments at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year.

If the interest rates had been 50 basis points higher / lower and all other variables were held constant, the Company's profit before tax for the year ended would be impacted to the extent of Rs.71.72 Lakhs (Rs.223.81 lakhs for the year 2024-25).

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS

### 38 FINANCIAL INSTRUMENTS (Contd.)

#### 38.7 Credit Risk Management

Credit risk refers to the risk that the counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company is operating through network of dealers based at different locations. In order to ensure the security of receivables, the Marketing Department computes an exposure ratio for every dealer based on his past turnover, track record, etc. The same is overseen and approved by the Board. Further, the Company also collects bank guarantees / security deposits from the respective dealers. Regular monitoring of the receivables is undertaken by the Marketing Department and in case the limits are exceeded, an auto lock system is in place in the SAP system of the Company to stop further supplies to the concerned dealer till the amount outstanding is recovered. In case of new customers, the goods are supplied only against advance receipts. For the export made by the Company, the sales are backed by letters of credit or advance receipts. The internal risk management committee of the Company meets regularly to discuss the dealers and credit risks, measures taken to address them and the status and level of risk after the measures taken.

Domestic & Export trade receivables are secured to the extent of interest free security deposits and bank guarantees / letter of credit received from the customers amounting to Rs.6327.18 Lakhs and Rs.1,851.88 Lakhs as at 31st March, 2026 and 31st March, 2025 respectively. (Refer Note No. 13 for Trade Receivables outstanding).

#### 38.8 Liquidity Risk Management

Ultimate responsibility for liquidity risk management rests with the Board of Directors, which has established an appropriate liquidity risk management framework for the management of the Company's short-term, medium-term and long-term funding and liquidity management requirements. The Company manages its funds mainly from internal accruals. The liquidity risk is managed by maintaining adequate reserves and banking facilities, by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

##### Liquidity and interest risk tables

The following tables detail the Company's remaining contractual maturity for its non derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

| Particulars                        | Weighted average effective interest rate (%) |                  | Carrying Value | Upto 1 year | 1-5 years | 5+ years | Total     |

#### 38.9 Fair Value Measurements

This note provides information about how the Company determines fair values of various financial assets and financial liabilities.

##### 38.9.1 Fair value of the Company's financial assets and financial liabilities that are measured at fair value on a recurring basis

Some of the Company's financial assets and financial liabilities are measured at fair value at the end of each reporting period. The following table gives information about how the fair values of financial assets and financial liabilities are determined (in particular, the valuation technique(s) and inputs used).

| Financial assets /<br>financial liabilities                | Fair value as at                                                                                                                                       |                                                                                                                                                        | Fair Value<br>hierarchy | Valuation<br>technique(s) and<br>key input(s) |

| Note - 38.9.1.1 - Discounted Free Cash flow method has been used to arrive at the enterprise value of the gas marketing business of the investee and the exploration and production assets are valued using price of recent investment / transaction (PORI) method and reserve multiple approach. Under DCF technique, the projected free cash flows from gas marketing business of the Company are discounted at the weighted average cost of capital and the sum of the present value of such free cash flows would represent the value of business. Under the reserve multiple method past transaction multiples of oil and gas companies is used to arrive at the valuation. The investee has various investments in subsidiaries / Other investments. Each of these subsidiary and Other investments have been separately valued using market price method, DCF method, CCM method and book value (NAV) method and applied the investee's stake percentage to arrive at the fair value of investee's investment. Under the market price method, the valuation is derived from the quoted market price of the share of the Company as at the valuation date. Under CCM Method, peer multiple for one or more comparable Companies is used. Under the NAV method, the valuation is derived by calculating the net assets value of the investee as at the valuation date. |                                                                                                                                                                               |                                                                                                                                                                             |                      |                                                                                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                                                                                                       |

38.9.1.2 The Company has invested in the equity instruments of various companies. However, the percentage of shareholding of the Company in such investee companies is very low and hence, it has not been provided with future projections including projected profit and loss account by those investee companies. Hence, the independent valuer appointed by the Company has estimated fair value based on available historical Annual Reports of such companies and other information as available in the public domain and is being relied upon. Since the future projections are not available, discounted cashflow approach for fair value determination has not been followed.

38.9.1.3 In case of some companies, there are no comparable companies valuations available. In light of no information available for future projections, capacity utilisation, commencement of operations, etc., the valuation is based on cost approach.

## NOTES TO THE STANDALONE FINANCIAL STATEMENTS

### 38 FINANCIAL INSTRUMENTS (Contd.)

#### 38.9.2 Fair value of the Company's financial assets and financial liabilities that are not measured at fair value (but fair value disclosures are required)

Except as detailed in the following table, the Company considers that the carrying amounts of financial assets and financial liabilities recognised in the financial statements approximate their fair values.

##### Fair Value Hierarchy as at 31.03.2026

[Rs. in Lakhs]

| Particulars                  | Level 1 | Level 2 | Level 3   | Total     |
|------------------------------|---------|---------|-----------|-----------|
| <b>Financial Liabilities</b> |         |         |           |           |
| Long Term Borrowings         | -       | -       | 24,006.48 | 24,006.48 |

##### Fair Value Hierarchy as at 31.03.2025

[Rs. in Lakhs]

| Particulars                  | Level 1 | Level 2 | Level 3   | Total     |
|------------------------------|---------|---------|-----------|-----------|
| <b>Financial Liabilities</b> |         |         |           |           |
| Long Term Borrowings         | -       | -       | 42,956.63 | 42,956.63 |

#### 37.9.3 Reconciliation of Level 3 fair value measurements

[Rs. in Lakhs]

# INDEPENDENT AUDITORS' REPORT

To The Members of  
Gujarat Alkalies and Chemicals Limited

## Report on the Audit of the Consolidated financial statements

### Opinion

We have audited the accompanying Consolidated financial statements of Gujarat Alkalies and Chemicals Limited ("the Company"), its Joint Venture Company and Associates, which comprise the Consolidated Balance Sheet as at March 31, 2026, the Consolidated Statement of Profit and Loss including other comprehensive income, the Consolidated Statement of Changes in Equity, and the Consolidated Statement of Cash Flows for the year then ended, and notes to the Consolidated financial statements, including material accounting policy information and other explanatory information (hereinafter referred to as "the consolidated financial statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of other auditor on separate financial statements of and on the other financial information of the Joint Venture Company and Associates as referred to in the "Other Matter" paragraph, the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards specified under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ('Ind AS') and other accounting principles generally accepted in India, of the consolidated state of affairs of the Company, Joint Venture Company and Associates as at March 31, 2026, of consolidated net loss, consolidated total comprehensive loss, consolidated changes in equity, and their consolidated cash flows for the year ended on that date.

### Basis for Opinion

We conducted our audit of the Consolidated financial statements in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditors' Responsibilities for the Audit

### KEY AUDIT MATTERS OF THE HOLDING COMPANY

of the Consolidated Financial Statements section of our report. We are independent of the Company, its Joint Venture Company and Associates in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated financial statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained, and the audit evidence obtained by other auditor in terms of their audit reports referred into the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

### Emphasis of Matter

We draw attention to Note no. 7.1 to the consolidated annual financial statements, which states the fact that The Hon'ble Ministry of Corporate Affairs, New Delhi (Hon'ble MCA) vide an order dated 8th April, 2026 has sanctioned the Composite Scheme of Amalgamation and Arrangement and the consequential effect in books of accounts has been accounted for as at March 31st, 2026.

Our opinion is not modified in respect of this matter.

### Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of these Consolidated financial statements for the period ended March 31, 2026. These matters were addressed in the context of our audit of the Consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, description of how the matter has addressed in our audit is provided in that context. Considering the requirement of Standard on Auditing (SA 600) on 'Using the work of Another Auditor' including materiality, below Key Audit Matters have been reproduced from the Independent Auditors' report on the audit of Consolidated Financial Statements of the Company and its joint venture. We have determined the matters described below to be the key audit matters to be communicated in our report.

| Sr. No. | Key Audit Matters                                                                                                                                                                                                                                                                                        | Audit Procedure                                                                                                                                                                                                                                       |

## KEY AUDIT MATTERS OF THE HOLDING COMPANY

| Sr. No. | Key Audit Matters                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | Audit Procedure                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                       |
|---------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|         | <p>In the normal course of business, financial interests or exposures may arise from pending legal/regulatory proceedings and from above referred claims not acknowledged as debt by the company. Whether a claim needs to be recognized as liability or disclosed as a contingent liability in the Consolidated Financial Statements or is considered as remote, is dependent on a number of significant assumptions and judgments made by the management. The amounts involved are potentially significant and determining the amount, if any, to be recognized or disclosed in the financial statements, is inherently subjective.</p> <p>We have considered Litigations and claims as Key Audit Matter because the estimates on which these amounts are based involve a significant degree of management judgment, including accounting estimates that involves high estimation uncertainty.</p> | <p>Discussed pending matters with the Company's personnel with respect to status of cases of litigation and claims.</p> <p>Assessed management's conclusions through understanding precedents set in similar cases, reviewed the recommendations of the internal committee specially formed by the management, placed reliance upon the expert opinions, wherever obtained by the management.</p> <p><b>Conclusion:</b></p> <p>We have assessed the adequacy and appropriateness of recognition, measurement, presentation and disclosure of the Contingent liabilities in the Consolidated Financial Statements.</p> |

Our opinion on the Consolidated Financial Statement for the year ended March 31, 2026 is not modified in respect of the above matter with respect to our reliance on the work done and the report of auditor of joint venture and Associates.

### Information Other than the Consolidated Financial Statements and Auditors' Report Thereon

The Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report, including Annexures to the Board's Report, Management Discussion and Analysis, Corporate Governance Report, Business Responsibility and Sustainability Report, and Shareholder's Information but does not include the Consolidated financial statements and our auditors' report thereon. The above-referred information is expected to be made available to us after the date of this audit report.

Our opinion on the Consolidated financial statements does not cover the other information, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated financial statements, our responsibility is to read the other information identified above and, in doing so, consider whether the other information is materially inconsistent with the Consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated.

When we read the information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate actions necessitated by the circumstances and the applicable laws and regulations.

### Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Act with respect to the presentation and preparation of these Consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance, consolidated total comprehensive income, consolidated changes in equity, and consolidated cash flows of the Company, its Joint Venture Company and Associates in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards (Ind AS) specified under section 133 of the Act.

The Board of Directors of the company is responsible for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company, its Joint Venture Company and Associates and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation, and maintenance of adequate internal financial controls, that were operating effectively for ensuring accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Company, as aforesaid.

In preparing the consolidated financial statements, the respective Management and Board of Directors of the Companies are responsible for assessing the ability of the Company, its Joint Venture Company and Associates to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either

intends to liquidate the Company/Joint Venture Company/ Associates or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies are also responsible for overseeing the financial reporting process of the Company, its Joint Venture Company and Associates.

### **Auditors' Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken based on these consolidated financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company, its Joint Venture Company and Associates have adequate internal financial controls with reference to Consolidated financial statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability, its Joint Venture Company and Associates to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the Consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or

conditions may cause the Company, its Joint Venture Company and Associates to cease to continue as a going concern.

- Evaluate the overall presentation, structure, and content of the Consolidated financial statements, including the disclosures, and whether the Consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the Company, its Joint Venture Company and Associates to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision, and performance of the audit of financial information of the Company included in the consolidated financial statements, which have been audited by us. For the Joint Venture and Associates included in the Consolidated Financial Statements, which have been audited by other auditor, such other auditor remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

We communicate with those charged with governance of the Company regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matters or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### **Other Matter**

- 1) The Consolidated Financial Statements include the Company's proportionate share in assets of Rs. 29104.09 lakhs (including CCD equity and liability component in JV) as at 31st March, 2026, share of net loss after tax of Rs. 2321.23 lakhs and total comprehensive loss of Rs. 2317.40 lakhs for the year ended 31st March 2026, relating to the joint venture company, as considered in the consolidated financial statements, whose financial statements have been audited by another auditor.
2. The Consolidated Financial Statements also include the Company's proportionate share in assets of Rs. 1938.83 lakhs as at 31st March, 2026, share of net

loss after tax of Rs. 3.77 lakhs and total comprehensive loss of Rs. 3.77 lakhs for the year ended 31st March 2026, relating to the Associates of the company, as considered in the consolidated financial statements, whose financial statements have been audited by other auditors.

Our opinion on consolidated financial results is not modified in respect of these matters.

## Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and on the consideration of the report of other auditor on separate financial statements and on the other financial information of the Joint Venture Company and Associates, as noted in the "Other Matter" paragraph, to the extent applicable, we report that:

- a. we have sought and obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements;
- b. in our opinion, proper books of account as required by law relating to preparation of aforesaid Consolidated Financial Statements have been kept by the company so far as it appears from our examination of those books, except for the matters stated in paragraph (i) (vi) below on reporting under rule 11(g);
- c. the Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including other comprehensive income), the Consolidated Statement of Changes in Equity, and the Statement of Cash Flows dealt with by this Report agree with the books of account and records maintained for the purpose of preparation of the Consolidated financial statements;
- d. in our opinion, the aforesaid Consolidated financial statements comply with the Ind AS specified under Section 133 of the Act;
- e. based on the written representations received from the directors as on March 31, 2026, and taken on record by the Board of Directors of the Company and the audit report of the Joint Venture Company and Associates incorporated in India, none of the directors of the Company, its Joint Venture Company and Associates are disqualified as on March 31, 2026, from being appointed as a director in terms of Section 164(2) of the Act;
- f. the observation relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph (b) above on reporting under Section 143(3)(b) and paragraph (i) (vi) below on reporting under Rule 11(g).
- g. with respect to the adequacy of the internal financial controls with reference to Consolidated financial statements of the Company, its Joint

Venture Company and Associates and the operating effectiveness of such controls, refer to our separate report in Annexure "A";

- h. with respect to the other matters to be included in the Auditors' Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, remuneration paid by the Company, its Joint Venture Company and Associates incorporated in India to whom section 197 is applicable, to its directors during the year is in accordance with the provisions of section 197 of the Act; and

- i. with respect to the other matters to be included in the Auditors' Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
  - i. the consolidated financial statements disclosed the impact of pending litigations as at March 31, 2026 on the consolidated financial position of the Company, its Joint Venture Company and Associates - Refer Note No. 44 to the consolidated financial statements;
  - ii. the Company, its Joint Venture Company and Associates did not have any long-term contracts including derivative contracts for which there were material foreseeable losses as at March 31, 2026;
  - iii. there has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company, its Joint Venture Company and Associates incorporated in India.
  - iv. (a) the respective management of the Company, its Joint Venture Company and Associates which are companies incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of such joint venture and Associates respectively that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company or its Joint Venture Company and Associates to or in any other person(s) or entity(ies), including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries;

- (b) the respective management of the Company, its Joint Venture Company and Associates incorporated in India whose financial statements have been audited under the Act have represented to us and the other auditors of joint venture and Associates respectively have represented, that, to the best of its knowledge and belief, no funds have been received by the Company, its Joint Venture Company and Associates from any person(s) or entity(ies), including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that Company, its Joint Venture Company and Associates shall, whether, directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
- (c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances performed by us on the Company and performed by the other auditor in respect of Joint Venture and Associates which are companies incorporated in India whose financial statements have been audited under the Act, nothing has come to our or other auditor notice that has caused us or other auditor to believe that the representations under sub-clause (i) and (ii) of Rule 11(e), as provided under (a) and (b) above, contain any material misstatement.
- v. Based on our examination of books and the information and explanation given by management:
- (a) The final dividend proposed in the previous year, declared, and paid by the Company during the year is in accordance with section 123 of the Act, as applicable;
- (b) The Board of Directors of the Company has proposed a final dividend for the year which is subject to the approval of the members at the ensuing Annual General Meeting. The dividend proposed is in accordance with section 123 of the Act to the extent it applies to the declaration of dividend.
- vi. Based on our examination, which included test checks, the Company and its Joint Venture has used accounting software for maintaining its books of account which has a feature of recording audit trail (edit log) facility, and the same has operated throughout the year for all relevant transactions recorded in the accounting software at the application level. However, the Company, Joint Venture and Associates have not enabled the audit trail (edit log) feature at the database level in the accounting software. We did not come across any instance of the audit trail feature being tampered with at the application level and the audit trail has been preserved by the Company as per the statutory requirements for record retention.
2. With respect to the matters specified in paragraph 3(xxi) and 4 of the Companies (Auditor's Report) Order, 2020 (the "Order"/ "CARO") issued by the Central Government in terms of Section 143(11) of the Act, to be included in the Auditor's report, according to the information and explanations given to us, and based on the CARO report issued by us on the Company and by other auditor on its Joint Venture Company and Associates included in these consolidated financial statements, to which reporting under CARO is applicable, we report that there are no qualifications or adverse remarks in these CARO reports except as stated below:

| Sr. No | Name                                              | CIN                    | Company / Jointly controlled entity | Clause number of the CARO report which is qualified or adverse |

## ANNEXURE “A” TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in paragraph 1(g) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of Gujarat Alkalies and Chemicals Limited on the Consolidated financial statements of even date)

### **Report on the Internal Financial Controls with reference to Consolidated financial statements under Clause (i) of Sub-section 3 of Section 143 of the Act.**

We have audited the internal financial controls with reference to Consolidated financial statements of **Gujarat Alkalies and Chemicals Limited** (“the Company”), its Joint Venture Company and Associates as of March 31, 2026, in conjunction with our audit of the Consolidated financial statements of the Company for the year ended on that date.

### **Management’s Responsibility for Internal Financial Controls**

The respective Board of Directors of the Company, its Joint Venture Company and Associates, which are companies incorporated in India, are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company, its Joint Venture Company and Associates which are companies incorporated in India, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“ICAI”). These responsibilities include the design, implementation, and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

### **Auditors’ Responsibility**

Our responsibility is to express an opinion on the Company’s, its Joint Venture Company’s and Associates which are companies incorporated in India, internal financial controls with reference to Consolidated financial statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated financial statements were established

and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Consolidated financial statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated financial statements included obtaining an understanding of internal financial controls with reference to Consolidated financial statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditors’ judgment, including the assessment of the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to Consolidated financial statements.

We believe that the audit evidence we have obtained, and the audit evidence obtained by the other auditors in terms of report issued on IFC, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to financial statements of the Company, joint venture Company and Associates, which are incorporated in India.

### **Meaning of Internal Financial Controls with reference to Consolidated Financial Statements**

A Company’s internal financial controls with reference to consolidated financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A Company’s internal financial controls with reference to consolidated financial statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorizations of management and directors of the Company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the Company’s assets that could have a material effect on the consolidated

financial statements.

**Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements**

Because of the inherent limitations of internal financial controls with reference to Consolidated financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Consolidated financial statements to future periods are subject to the risk that the internal financial control with reference to Consolidated financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

**Opinion**

In our opinion and based on the audit report of its Joint Venture Company and Associates made available to us on which we have placed reliance, Company, its Joint Venture Company and Associates, which are companies incorporated

in India, have, in all material respects, adequate internal financial controls with reference to Consolidated financial statements in place, and such internal financial controls with reference to Consolidated financial statements were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

### Notes forming part of the Financial Statements

#### 1. GENERAL INFORMATION

Gujarat Alkalies and Chemicals Limited ("the Company") is a public limited company (CIN L24110GJ1973PLC002247 ) incorporated and domiciled in India and has its Registered Office at P. O. Ranoli – 391 350, District Vadodara, Gujarat, India. The equity shares of the Company are listed on the BSE Limited and National Stock Exchange of India Limited.

The Company is manufacturing chemicals and is one of the leading manufacturer of Caustic Soda Lye.

The consolidated financial statements comprise financial statements of Gujarat Alkalies and Chemicals Limited , Joint Venture Company and Associate Companies for the year ended March 31, 2026.

**1.1.a.** GACL-NALCO Alkalies and Chemicals Private Limited is a Joint Venture Company, having CIN U24100GJ2015PTC085247, incorporated and domiciled in India, having registered office at GACL Corporate Building, PO: Ranoli – 391 350.

**1.1.b.** Aditya Birla Renewables SPV 4 Limited is a Associate Company, having CIN U35106MH2024PLC36449, incorporated and domiciled in India, having registered office at A-2, Adityda Birla Centre, S. K. Ahire Marg, Mumbai – 400 030.

**1.1.c.** Clean Max Sphere Energy Private Limited is a Associate Company, having CIN U40300MH2020-PTC340577, incorporated and domiciled in India, having registered office at 13 A, Floor 13, Plot-400, The Peregrine Apartment, Kishmat Cinema, Prabhadevi, Mumbai – 400025.

#### 1.2. Statement of Compliance

The consolidated financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) as notified under Section 133 of The Companies Act, 2013 (the "Act") read with Companies (Indian Accounting Standards) Rules, 2015 as amended and other relevant provisions of the Act as amended from time to time.

#### 1.3. Recent pronouncements

Ministry of Corporate Affairs ("MCA") notifies new standards or amendments to the existing standards under Companies (Indian Accounting Standards) Rules as issued from time to time. During the year, MCA has issued a notification dated 10th March, 2026 which, has no impact on the financials of the Company.

#### 1.4. Basis of Preparation of financial statements

The consolidated financial statements have been prepared on going concern basis on the historical cost convention using accrual system of accounting except for certain assets and liabilities which are measured at fair value/amortized cost/ net present value at the end of each reporting period as explained in the accounting policies .

Accounting policies have been consistently applied except where a newly issued Ind AS is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use. The methods used to measure fair values are disclosed in notes to the financial statements.

The functional currency of the Company is the Indian rupee. These financial statements are presented in Indian rupees (rounded off to lakhs).

#### 1.5. Principles of Consolidation

**1.5.a.** The financial statements of the Joint Venture Company and Associate Companies used in the consolidation is drawn up to the same reporting date as that of the company.

**1.5.b.** Interest in Joint Venture Company and Associate Companies is accounted for using equity method, after initially recognising at cost in the consolidated balance sheet.

**1.5.c.** Under equity method, investments are initially recognised at cost and adjusted thereafter to recognise the Company's share of the post - acquisition profit or loss of the investee in the statement of profit and loss, and the Company's share of other comprehensive income of the investee in other comprehensive income. Dividend received or receivable from Joint Venture company and Associate Companies is recognised as a reduction in the carrying amount of investment.

**1.5.d.** As far as possible, the consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and appropriate adjustments are made to the financial statements of Joint Venture Company and Associate Companies when they are used in preparing the consolidated financial statements that are presented in same manner as the company.

**1.5.e.** The Consolidated Financial Statements has been prepared in accordance with Ind AS-110 "Consolidated Financial Statement" and Ind AS-28

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

"Investment in Associates and Joint Venture".

**1.5.f.** The Consolidated Financial Statements include company's share of Profit / loss in Joint Venture company and Associate Companies.

**1.5.g.** The carrying amount of equity accounted investments are tested for impairment on reporting date.

### **1.6. Use of estimates**

The preparation of the financial statements in conformity with Ind AS requires management to make estimates, judgements and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of the financial statements and reported amounts of revenues and expenses during the period. Application of accounting policies that require critical accounting estimates involving complex and subjective judgements and the use of assumptions in these financial statements have been disclosed in notes below. Accounting estimates could change from period to period. Actual results could differ from these estimates. Appropriate changes in estimates are made as management becomes aware of changes in circumstances surrounding the estimates. Changes in estimates are reflected in the financial statements in the period in which changes are made and if material, then effects are disclosed in the notes to the financial statements.

## **2. MATERIAL ACCOUNTING POLICIES**

### **2.1. Revenue and Income Recognition:**

#### **2.1.a. Revenue from Contracts with Customers:**

The Company derives Revenue primarily from sale of manufactured and traded products being "Chemicals".

Revenue from the sale of products is recognised on satisfaction of performance obligation upon transfer of control of promised products to customers in an amount that reflects the consideration the Company expects to receive in exchange of those products.

In determining the transaction price for the sale of goods, the company also considers the effects of variable consideration, the existence of significant financing components and consideration payable to the customer (if any).

The performance obligation to transfer each distinct product consists of supplying the product to a named destination, handling charges and packing charges.

The Company accounts for discounts and incentives to customers as a reduction of revenue based

on the proportionate allocation of the discounts / incentives to each of the underlying performance obligation that corresponds to the progress by the customer towards earning the discount / incentive. Also, when the level of discount varies with increase in level of revenue transactions, the Company recognizes the liability based on its estimate of the customer's future purchases. If it is probable that the criteria for the discount will not be met, or if the amount thereof cannot be estimated reliably, then discount is not recognized until the payment is probable and the amount can be estimated reliably. The Company recognizes changes in the estimated amount of obligations for discounts in the period in which the change occurs.

The Company does not expect to have any contracts where the period between the transfer of the promised goods to the customer and payment by the customer exceeds one year. As a consequence, it does not adjust any of the transaction price for the time value of money.

Sale of products excludes amounts of indirect taxes on sales.

#### **2.1.b. Other Income :**

Dividend income from investments is recognized when the shareholder's right to receive the payment has been established.

Interest income from a financial asset is recognized when it is probable that the economic benefits will flow to the Company and the amount of income can be measured reliably. Interest income is accrued on time basis, by reference to the principal outstanding and at the effective interest rate applicable.

Revenue with respect to Other Operating Income and Other Income including insurance and other claims are recognized when a reasonable certainty as to its realization exists.

### **2.2. Lease Liabilities and Right-of-Use Assets**

The Company assesses whether a contract contains a lease, at inception of the contract. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves use of an identified asset;
- (ii) the Company obtains substantially all of the economic benefits from the use of the asset through the period of the lease and
- (iii) the Company has the right to direct the use of the asset.

#### **Short-term leases and leases of low-value assets:**

The Company applies the short-term lease recognition

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

exemption to its short-term leases of Property, Plant and Equipment (i.e., those leases that have a lease term of 12 months or less from the commencement date and do not contain a purchase option). It also applies the lease of low-value assets recognition exemption to leases that are considered of low value and is not intended for sublease. Lease payments on short-term leases and leases of low-value assets are recognized as expense on a straight-line basis over the lease term or other systematic basis.

### **The Company as a Lessee:**

The Company's lease asset class primarily consist of leases for immovable properties. The company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if there is an explicit or implicit identified asset in the contract and Customer controls the use of an identified asset for a period of time in exchange for consideration.

At the date of commencement of the lease, the company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases.

Certain lease arrangements include the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that the option to extend the lease will be exercised/option to terminate the lease will not be exercised.

The lease liability is initially measured at present value of the future lease payments over the reasonably certain lease term. The lease payments are discounted using the interest rate implicit in the lease, if it not readily determinable, using the incremental borrowing rate. For leases with similar characteristics, the Company, on a lease-by-lease basis, applies either the incremental borrowing rate specific to the lease or the incremental borrowing rate for the portfolio as a whole.

Lease liabilities are remeasured with a corresponding adjustment to the related right-of-use asset if the Company changes its assessment regarding extension or termination option.

The right-of-use assets are initially recognized at cost, which comprises the amount of the initial measurement of the lease liability adjusted for any lease payments made at or before the inception date of the lease along with any initial direct costs, restoration obligations and lease incentives

received.

Subsequently, the right-of-use assets is measured at cost less any accumulated depreciation and accumulated impairment losses, if any. The right-of-use assets is depreciated using the straight-line method from the commencement date over the shorter of lease term or useful life of right-of-use assets.

The interest cost on lease liability (computed using effective interest method), is expensed in the statement of profit and loss, unless eligible for capitalization as per accounting policy on Borrowing costs.

The Company accounts for each lease component within the contract as a lease separately from non-lease components of the contract in accordance with Ind AS 116 Leases and allocates the consideration in the contract to each lease component on the basis of the relative standalone price of the lease component and the aggregate stand-alone price of the non-lease components.

### **2.3. Foreign Currencies - Transactions and translations:**

Transactions in currencies other than the Company's functional currency (foreign currencies) are recognised at the rates of exchange prevailing at the dates of the transactions. At the end of each reporting period, monetary items denominated in foreign currencies are translated using FEDAI exchange rate prevailing on the last day of the reporting period.

Exchange differences on monetary items are recognised in the Statement of Profit and Loss in the period in which they arise.

Non-monetary items denominated in foreign currency which are measured in terms of historical cost are recorded using the exchange rate at the date of the transaction.

### **2.4. Borrowing Costs:**

Borrowing costs including finance cost on lease liability specifically identified to the acquisition or construction of qualifying assets is capitalized as part of such assets till the date of cessation of activities related to qualifying assets. A qualifying asset is one that necessarily takes substantial period of time to get ready for intended use. All other borrowing costs are charged to the Statement of Profit and Loss. Capitalisation of borrowing costs is suspended and charged to the Statement of Profit and Loss during extended periods when active development activity on the qualifying assets is interrupted.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

Borrowing cost also includes exchange differences arising from foreign currency borrowings to the extent that they are regarded as an adjustment to interest costs i.e., equivalent to the extent to which the exchange loss does not exceed the difference between the cost of borrowing in functional currency when compared to the cost of borrowing in a foreign currency.

When there is an unrealised exchange loss which is treated as an adjustment to interest and subsequently there is a realised or unrealised gain in respect of the settlement or translation of the same borrowing, the gain to the extent of the loss previously recognised as an adjustment is recognised as an adjustment to interest.

### 2.5. Employee Benefits:

#### 2.5.a. Short-term Employee Benefits:

All employee benefits payable wholly within twelve months of rendering the services are classified as short-term employee benefits. Benefits such as salaries, wages, etc. and the expected cost of bonus, Ex-gratia, Leave Travel Allowance, Reimbursement of Medical Expenses, Personal Accident Policy, Deposit Linked Insurance Policy are recognised, undiscounted in the period in which the employee renders the related services.

#### 2.5.b. Post-Employment Benefits:

##### 2.5.b.1. Defined Contribution Plan:

The Company's contribution paid /payable during the year to Provident Fund, Superannuation Fund and other welfare funds are considered as defined contribution plans. The Contribution paid/ payable under these plans are recognised in the Statement of Profit and Loss during the period in which the employee renders the services. The above benefits are classified as Defined Contribution Schemes as the Company has no further defined obligations beyond the monthly contributions.

##### 2.5.b.2. Defined Benefit Plans:

The Gratuity Scheme managed by Life Insurance Corporation of India through a Trust is considered as defined benefit plan. The present value of the obligation is determined based on actuarial valuation being carried out at each reporting date using the Projected Unit Credit Method.

Actuarial gains and losses are recognised immediately in other comprehensive income.

Gains or losses on the curtailment or settlement of any defined benefit plan are recognised when the curtailment or settlement occurs.

Past service cost is recognized immediately to the

extent that the benefits are already vested and otherwise it is amortized on straight-line basis over the remaining average period until the benefits become vested.

Interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets.

The defined retirement benefit obligation recognised in the balance sheet represents the present value of the defined benefit obligation as reduced by plan assets.

#### 2.5.b.3. Long term Employee Benefits:

The obligation for long term employee benefits such as long term compensated absences, long service awards, etc. is recognised in the same manner as in the case of defined benefit plans as mentioned in 2.5.b.2 above except that the actuarial gains and losses are recognised immediately in the Statement of Profit and Loss.

### 2.6. Income Taxes

Income tax expense represents the sum of current tax and deferred tax.

#### 2.6.a. Current Tax:

The tax currently payable is based on taxable profit for the year. Taxable profit differs from 'Profit Before Tax' as reported in the Statement of Profit and Loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible in accordance with applicable tax laws. The Company's current tax is calculated using tax rates that have been enacted or substantively enacted by the end of the reporting period.

#### 2.6.b. Deferred Tax:

Deferred tax is recognised on temporary differences between the carrying amounts of assets and liabilities in the financial statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognised for all taxable temporary differences. Deferred tax assets are generally recognised for all deductible temporary differences, the carry forward of unused tax losses and the carry forward of unused tax credits to the extent that it is probable that taxable profits will be available against which these can be utilised. Such deferred tax assets and liabilities are not recognised if the temporary difference arises from the initial recognition (other than in a business combination) of assets and liabilities in a transaction that affects neither the taxable profit nor the accounting profit. In addition, deferred tax liabilities are not recognised if the temporary

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

difference arises from the initial recognition of goodwill.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be recovered.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The measurement of deferred tax liabilities and assets reflects the tax consequences that would follow from the manner in which the Company expects, at the end of the reporting period, to recover or settle the carrying amount of its assets and liabilities.

### 2.6.c. Current and Deferred Tax for the Year:

Current and deferred tax are recognised in the statement of profit and loss, except when they relate to items that are recognised in Other Comprehensive Income or directly in equity, in which case, the current and deferred tax are also recognised in Other Comprehensive Income or directly in equity respectively.

### 2.7. Property, Plant and Equipment:

Freehold land is carried at historical cost. All other items of property, plant and equipment are stated at historical cost less accumulated depreciation and accumulated impairment losses, if any.

The cost of PPE comprises of its purchase price or its construction cost (net of applicable tax credit, trade discount and rebate if any), Exchange rate variations attributable to the assets and any cost directly attributable to bring the asset into the location and condition necessary for it to be capable of operating in the manner intended by the management and initial estimate of decommissioning costs. Direct costs are capitalized until the asset is ready for use and includes borrowing cost capitalised in accordance with the Company's accounting policy. The assets valued below Rs.1.00 lakh each is charged to Statement of Profit and Loss in the year of purchase.

#### Depreciation method, Estimated Useful lives and residual value

The Company depreciates property, plant and equipment over their estimated useful lives using the straight line method. The estimated useful lives

of the assets are as follows :

| Asset                 | Useful Life |
|-----------------------|-------------|
| Buildings             | 10-60 years |
| Plant and Equipment   | 10-40 Years |
| Computer Equipments   | 3-7 years   |
| Furniture and Fixture | 3-10 years  |
| Office Equipment      | 3-10 years  |
| Vehicles              | 8-15 years  |

Depreciation is recognised so as to write off the cost of assets (other than freehold land and properties under construction) less their residual values over their useful lives, using the straight-line method. The estimated useful lives, residual values and depreciation method are reviewed at the end of each reporting period, with the effect of any changes in estimate accounted for on a prospective basis. The useful life as prescribed under Schedule II of the Companies Act, 2013 have been followed except in respect of the following categories of assets, in whose case the life of the assets has been assessed as under based on technical advice, taking into account the nature of the asset, the estimated usage of the asset, the operating condition of the asset, past history of replacement, anticipated technological changes, manufacturers warranties and maintenance support, etc.:

- Remembraning of Membrane cell elements-4 years
- Recoating of Anode and Cathode membrane cell elements- 8-10 years
- Leasehold land and equipment is amortised over the duration of the lease.

Advances paid towards the acquisition of property, plant and equipment outstanding at each Balance Sheet date is classified as capital advances under Other Non-Current Assets and the cost of the assets not ready for intended use before such date are disclosed under 'Capital work-in-progress'. Subsequent expenditures relating to property, plant and equipment is capitalised only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably. Repairs and maintenance costs are recognized in the Statement of Profit and Loss when incurred. The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses which are measured as the difference between the net disposal proceeds and the carrying amount of the

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

asset are recognised in the Statement of Profit and Loss when the asset is derecognised. Assets to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.

### 2.8. Intangible Assets:

#### Intangible Assets acquired separately:

Intangible assets with finite useful life acquired separately, are recognized only if it is probable that future economic benefits that are attributable to the assets will flow to the enterprise and the cost of assets can be measured reliably. The intangible assets are recorded at cost and are carried at cost less accumulated amortization and accumulated impairment losses, if any.

Amortisation is recognised on a straight-line basis over their estimated useful lives from the date they are available for use. The estimated useful life and amortisation method are reviewed at the end of each reporting period, with the effect of any changes in estimate being accounted for on a prospective basis. Intangible assets with indefinite useful lives that are acquired separately are carried at cost less accumulated impairment losses.

Subsequent expenditures are capitalised only when it is probable that future economic benefits associated with these will flow to the Company and the cost of the item can be measured reliably.

Intangible assets are derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset are determined as the difference between the net disposal proceeds and the carrying amount of the asset, and recognised in the Statement of Profit and Loss when the asset is derecognised.

#### RESEARCH AND DEVELOPMENT

Expenditure on research is recognised as an expense when it is incurred. Expenditure on development which does not meet the criteria for recognition as an intangible asset is recognised as an expense when it is incurred.

#### Useful Lives of Intangible Assets :

Estimated Useful lives of the Intangible assets are as follows

| Intangible Asset  | Useful Life |
|-------------------|-------------|
| Computer Software | 8-10 Years  |

### 2.9. Impairment of Tangible and Intangible Assets:

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For

the purpose of impairment testing, the recoverable amount is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit to which the asset belongs.

Recoverable amount is the higher of fair value less costs of disposal and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset for which the estimates of future cash flows have not been adjusted.

If such assets are considered to be impaired, the impairment is recognized in the Statement of Profit and Loss and is measured by the amount by which the carrying value of the assets exceeds the estimated recoverable amount of the asset. An impairment loss is reversed in the Statement of Profit and Loss if there has been a change in the estimates used to determine the recoverable amount. The carrying amount of the asset is increased to its revised recoverable amount, provided that this amount does not exceed the carrying amount that would have been determined (net of any accumulated amortization or depreciation) had no impairment loss been recognized for the asset in prior years. After a reversal, the depreciation charge is adjusted in future periods to allocate the asset's revised carrying amount, less any residual value, on a systematic basis over its remaining useful life.

### 2.10. Inventories:

Inventories are stated at the lower of cost and net realisable value after providing for obsolescence, if any. Net realisable value represents the estimated selling price for inventories in the ordinary course of business less all estimated costs of completion and estimated costs necessary to make the sale.

Cost of inventories comprises of cost of purchase (net of recoverable taxes), cost of conversion and other costs including manufacturing overheads incurred in bringing them to their respective present location and condition. Raw materials and other supplies held for use in production of finished products are not written down below cost except in cases where material prices have declined and it is estimated that the cost of the finished products will exceed their net realizable value.

Inventory cost formula is as under:

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

| Inventories                           | Basis of Valuation and Cost Formula                                                                                                     |
|---------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------|
| Raw material                          | Landed cost at weighted average basis                                                                                                   |
| Raw Material (Goods in transit)       | At Cost on Basic Price                                                                                                                  |
| Work in Progress                      | Raw material, labour and appropriate proportion of manufacturing expenses and overheads as per stage of completion at weighted average. |
| Finished Goods (Including in Transit) | Raw material, labour and appropriate proportion of manufacturing expenses and overheads at weighted average.                            |
| Stores, spares, packing materials     | Landed Cost Weighted average basis                                                                                                      |
| Scrap                                 | At lower of cost or Net realizable value                                                                                                |

### 2.11. Provisions, Contingent Liabilities and Contingent Assets:

Provisions are recognised when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and a reliable estimate can be made of the amount of the obligation.

The amount recognised as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation. When a provision is measured using the cash flows estimated to settle the present obligation, its carrying amount is the present value of those cash flows (when the effect of the time value of money is material. If the time value of money is material, Provisions are discounted using pre-tax discount rate and when discounting is used, increase in the provision with the passage of time is recognised as a finance cost in the statement of Profit and Loss account.

A contingent liability is (a) a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the entity or (b) a present obligation that arises from past events but is not recognised because (i) it is not probable

that an outflow of resources embodying economic benefits will be required to settle the obligation or (ii) the amount of the obligation can not be measured with sufficient reliability.

Contingent liabilities are disclosed in the Financial Statements by way of notes to accounts, unless possibility of an outflow of resources embodying economic benefit is remote.

A contingent asset is a possible asset that arises from the past events and whose existence will be confirmed only by the occurrence or non- occurrence of one or more of uncertain future events not wholly within the control of the entity.

Contingent assets are disclosed in the Financial Statements by way of notes to accounts when an inflow of economic benefits is probable.

### 2.12. Financial Instruments:

The Company determines the classification of its financial assets and liabilities at initial recognition. The classification depends on the Company's business model for managing the financial assets and the contractual terms of the cash flows.

#### Initial Recognition and Measurement:

The Company recognizes financial assets and financial liabilities when it becomes a party to the contractual provisions of the instrument. All financial assets and liabilities are recognized at fair value on initial recognition, except for trade receivables which are initially measured at transaction price. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities that are not at fair value through profit or loss, are added to or deducted from the fair value on initial recognition. Regular way purchase and sale of financial assets are accounted for at trade date.

#### Effective interest method:

The effective interest method is a method of calculating the amortised cost of a financial instrument and of allocating interest income or expense over the relevant period. The effective interest rate is the rate that exactly discounts future cash receipts or payments through the expected life of the financial instrument, or where appropriate, a shorter period.

#### Subsequent Measurement

### 2.12.a. Non-derivative financial instruments:

#### 2.12.a.1. Cash and Cash equivalents:

The Company considers all highly liquid financial instruments, which are readily convertible into known amounts of cash that are subject to an insignificant risk of change in value and having

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

original maturities of three months or less from the date of purchase, to be cash equivalents. Cash and cash equivalents consist of balances with banks which are unrestricted for withdrawal and usage.

### 2.12.a.2. Financial assets carried at amortised cost:

A financial asset is subsequently measured at amortised cost if it is held within a business model whose objective is to hold the asset in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

### 2.12.a.3. Financial assets at fair value through Other Comprehensive Income (FVTOCI):

A financial asset is subsequently measured at fair value through Other Comprehensive Income if it is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. The Company has made an irrevocable election for its investments which are classified as equity instruments to present the subsequent changes in fair value in Other Comprehensive Income based on its business model.

On derecognition of such Financial assets, cumulative gain or loss previously recognised in Other Comprehensive Income is not reclassified from the equity to statement of Profit and Loss.

### 2.12.a.4. Financial assets at fair value through profit or loss (FVTPL):

A financial asset which is not classified in any of the above categories are subsequently measured at fair value through profit or loss.

### 2.12.a.5. Financial liabilities:

Financial liabilities are subsequently carried at amortized cost using the effective interest method. For trade and other payables maturing within one year from the Balance Sheet date, the carrying amounts approximate fair value due to the short maturity of these instruments. Interest bearing issued debt are initially measured at fair value and are subsequently measured at amortised cost using the effective interest rate method.

### 2.12.a.6. Derivative Financial Instruments and Hedge Accounting

The Company uses various derivative financial instruments in forward contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. At the inception of a hedge relationship, the Company formally designates and

documents the hedge relationship to which the Company wishes to apply hedge accounting and the risk management objective and strategy for undertaking the hedge.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to Statement of Profit and Loss, except for the effective portion of cash flow hedge which is recognised in Other Comprehensive Income and later to Statement of Profit and Loss.

### 2.12.a.7. Derecognition of financial instruments:

The Company derecognizes a financial asset when the contractual rights to the cash flows from the financial asset expire or it transfers the financial asset and the transfer qualifies for derecognition under Ind AS 109. On derecognition of Financial assets (except as mentioned in 2.17.a.3), the difference between the carrying amount and the consideration received is recognised in the statement of Profit and Loss account. A financial liability (or a part of a financial liability) is derecognized from the Company's Balance Sheet when the obligation specified in the contract is discharged or cancelled or expires.

### 2.12.a.8. Offsetting Financial Instruments:

Financial assets and liabilities are offset and the net amount is presented in the Balance Sheet when there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously.

### 2.13. Share capital: Ordinary Shares :

Ordinary shares are classified as equity. Incremental costs directly attributable to the issuance of new ordinary shares are recognized as a deduction from equity, net of any tax effects.

### 2.14. Fair Value Measurement:

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

that market participants act in their best economic interest.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, which gives highest priority to quoted prices in active markets and the lowest priority to unobservable inputs.

Level 1 — Quoted (unadjusted) market prices in active markets for identical assets or liabilities.

Level 2 — Valuation techniques for inputs other than quoted prices included within Level 1 that are observable for the asset or Liability either directly or indirectly.

Level 3 — Valuation techniques for inputs that are unobservable for the asset or liability.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

### 2.15. Impairment of Financial Assets:

The Company recognizes loss allowances using the Expected Credit Loss (ECL) model for the financial assets which are not measured at fair value through profit or loss. Loss allowance for trade receivables with no significant financing component is measured at an amount equal to lifetime ECL. For all other financial assets, expected credit losses are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition in which case those are measured at lifetime ECL. The amount of expected credit losses (or reversal) that is required to adjust the loss allowance at the reporting date to the amount that is required to be recognised as an impairment gain or loss in the statement of profit and loss.

ECL is the difference between all contractual cash flows that are due to the Company in accordance with the contract and all the cash flows that the entity expects to receive, discounted at the effective interest rate.

ECL are measured taking into account the time value of money and other reasonable information available as a result of past events, current conditions and forecasts of future economic conditions.

For Trade receivables, the Company uses a

provision matrix to measure lifetime ECL on its portion of trade receivables. The provision matrix is prepared based on historically observed default rates over the expected life of trade receivables and is adjusted for forward looking estimates.

### 2.16. Earnings per share:

Basic earnings per share is computed by dividing the profit or loss attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period.

Diluted earnings per share is computed by dividing the profit after tax by the weighted average number of equity shares considered for deriving the basic earnings per share and the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

### 2.17. Operating Segments:

Operating segments are identified and reported taking into account the different risks and returns, the organization structure and the internal reporting systems. The Company operates in one reportable business segments i.e. "Chemicals".

### 2.18. Statement of Cash Flows:

Cash flows are reported using the indirect method, whereby profit before tax is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows are segregated into operating, investing and financing activities.

### 2.19. Current/non current classification:

The Company presents assets and liabilities in the balance sheet based on current/ non-current classification. An asset is treated as current if it satisfies any of the following conditions:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Held primarily for the purpose of trading
- Expected to be realised within twelve months after the reporting period
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current if it satisfies any of the following conditions:

- Expected to be settled in normal operating cycle
- Held primarily for the purpose of trading
- is due to be settled within twelve months after the reporting period

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

The company classifies all other liabilities as non-current.

The operating cycle is the time between the acquisition of assets for processing and their realisation in cash and cash Equivalents. The Company has identified twelve months as its operating cycle.

### 2.20. Government Grant:

Government grants are recognised when there is reasonable assurance that the grant will be received, and the company will comply with conditions attached to the grant.

Government grants relating to income are recognised in profit or loss on a systematic basis over the periods in which the Company recognises as expenses, the related costs for which the grants are intended to compensate. Grant relating to assets are netted off against the acquisition cost of the asset.

### 2.21. Critical accounting judgements, assumptions and Key sources of estimation uncertainty:

The preparation of the Company's financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the accompanying disclosures, and the disclosure of contingent liabilities at the date of the financial statements. Estimates and assumptions are continuously evaluated and are based on management's experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances. Uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of assets or liabilities affected in future periods.

Key source of judgments, assumptions and estimates in the preparation of the Financial Statements which may cause a material adjustment to the carrying amounts of assets and liabilities within the next financial year, are in respect of useful lives of Property, Plant and Equipment, impairment, employee benefit obligations, provisions, provision for income tax, measurement of deferred tax assets and contingent assets & liabilities., Stores & Spares Written off.

### 2.21.a. Critical judgments in applying accounting policies:

The following are the critical judgements, apart from those involving estimations that the Management have made in the process of applying the Company's

accounting policies and that have the significant effect on the amounts recognized in the Financial Statements.

### 2.21.a.1. Determining whether an arrangement contain leases and classification of leases:

Ind AS 116 requires lessees to determine the lease term as the non-cancellable period of a lease adjusted with any option to extend or terminate the lease, if the use of such option is reasonably certain. The company makes an assessment on the expected lease term on a lease-by-lease basis and thereby assesses whether it is reasonably certain that any options to extend or terminate the contract will be exercised. In evaluating the lease term, the Company considers factors such as any significant leasehold improvements undertaken over the lease term, costs relating to the termination of the lease and the importance of the underlying asset to operations taking into account the location of the underlying asset and the availability of suitable alternatives. The lease term in future periods is reassessed to ensure that the lease term reflects the current economic circumstances.

### 2.21.b. Key sources of estimates and assumptions:

Information about estimates and assumptions that have the significant effect on recognition and measurement of assets, liabilities, income and expenses is provided below. Actual results may differ from these estimates.

### 2.21.b.1. Defined benefit obligation (DBO):

The cost of the defined benefit gratuity plan and the present value of the gratuity obligation are determined using actuarial valuations being carried out at reporting date. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, Salary escalation rate, expected rate of return on asset and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The parameter most subject to change is the discount rate. In determining the appropriate discount rate, the management considers the interest rates of government bonds in currencies consistent with the currencies of the post-employment benefit obligation. The mortality rate is based on publicly available mortality tables for the specific countries. Those mortality tables tend to change only at interval in response to demographic changes. Future salary increases and gratuity increases are based on expected future inflation rates for the respective countries.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

---

### 2.21.b.2. Contingent Liabilities and Assets:

Contingent liabilities may arise from the ordinary course of business in relation to claims against the Company, including legal, contractor, land access and other claims. By their nature, contingencies will be resolved only when one or more uncertain future events occur or fail to occur. The assessment of the existence, and potential quantum, of contingencies inherently involves the exercise of significant judgment and the use of estimates regarding the outcome of future events.

### 2.21.b.3. Allowance for impairment of trade receivables:

The expected credit loss is mainly based on the ageing of the receivable balances and historical experience. The receivables are assessed on an individual basis assessed for impairment collectively, depending on their significance. Moreover, trade receivables are written off on a case-to-case basis if deemed not to be collectible on the assessment of the underlying facts and circumstances.

### 2.21.b.4. Impairment of non-financial assets:

Evaluation for impairment requires use of judgment, estimates and assumptions.

The evaluation of applicability of indicators of impairment of assets requires assessment of external factors (significant decline in asset's value, significant changes in the technological, market, economic or legal environment, market interest rates etc.) and internal factors (obsolescence or physical damage of an asset, poor economic performance of the asset etc.) which could result in significant change in recoverable amount of the Property, Plant and Equipment.

The Company assesses at each reporting date whether there is an indication that an asset may be impaired. If any indication exists, or when annual impairment testing for an asset is required, the Company estimates the asset's recoverable amount. An asset's recoverable amount is the higher of an asset's or CGU's fair value less costs of disposal and its value in use. It is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or CGU exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

In assessing value in use, the estimated future cash flows are discounted to their present value using a pre-tax discount rate that reflects current market assessments of the time value of money and the risks specific to the asset. In determining fair value

less costs of disposal, recent market transactions are taken into account. If no such transactions can be identified, an appropriate valuation model is used. These calculations are corroborated by valuation multiples, quoted share prices for publicly traded subsidiaries or other available fair value indicators.

### 2.21.b.5. Income taxes:

Significant judgements are involved in determining the provision for income taxes, including amount expected to be paid / recovered for uncertain tax positions.

### 2.21.b.6. Recognition of Deferred tax assets:

Deferred Tax Assets (DTA) are recognized for the unused tax losses/ credits to the extent that it is probable that taxable profit will be available against which the losses will be utilized. Management judgement is required to determine the amount of deferred tax assets that can be recognized, based upon the likely timing and the level of future taxable profits together with future tax planning strategies.

### 2.21.b.7. Useful lives and residual value of property, plant and equipment:

The Company reviews the useful life and residual value of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods.

### 2.21.b.8. Dismantling cost of property, plant and equipment:

The company estimates assets retirement obligation on estimate basis for property, plant and equipment. Estimation is done by the management considering size of the asset and its useful life in line with industry practices.

### 2.21.b.9. Stores and spares inventories:

The Company's manufacturing process is continuous and highly mechanic with wide range of different types of plant and machineries. The Company keeps stores and spares as standby to continue the operations without any disruption. Considering wide range of stores and spares and long lead time for procurement of it and based on criticality of spares, the Company believes that net realizable value would be more than cost.

### 2.21.b.10. Fair Value of investments:

The Company has invested in the equity instruments of various companies. The valuation exercise of unquoted equity instruments carried out by the Company with the help of an independent valuer, etc. has estimated fair value at each reporting period based on available historical annual reports and other information in the public domain.

The Group accounts for its investments in associates using the equity method in accordance with Ind AS 28. During the year, the associates incurred losses, and the Group has recognised its share of such losses in the Statement of Profit and Loss to the extent of the carrying amount of the respective investments.

#### Recognition of losses:

In respect of Aditya Birla Renewable SPV 4 Ltd., the Group has discontinued recognising its share of further losses as the carrying amount of the investment has been reduced to Nil.

In respect of Clean Max Sphere Energy Private Limited, the Group has recognised its entire share of loss during the year, as the carrying amount of the investment remains positive.

#### Unrecognised losses:

As at 31 March 2026, the cumulative unrecognised share of losses in Aditya Birla Renewable SPV 4 Ltd. amounts to ₹27.08 lakhs. No losses remain unrecognised in respect of Clean Max Sphere Energy Private Limited. These losses have not been recognised as the Group does not have any legal or constructive obligation to make payments on behalf of the associate.

#### Future profit recognition:

The Group will resume recognising its share of profits from Aditya Birla Renewable SPV 4 Ltd. only after its share of profits equals the cumulative share of losses not recognised. For Clean Max Sphere Energy Private Limited, the Group will continue to recognise its share of profits or losses in accordance with the equity method.

| <b>Total :</b>                                     | <b>40,727.39</b>    | <b>26,301.12</b>    |

13.1 Refer Note No. 39 for related party receivable.

13.2 Trade Receivables include overdue outstanding from various parties aggregating to **Rs.1,322.36** lakhs, (Previous Year Rs.1,460.67 lakhs), for which the Company has taken legal steps for recovery of the outstanding dues and the management is hopeful of the recovery. However, cumulative provision of **Rs.1,322.36** lakhs (Previous Year Rs.1,460.67 lakhs) exists for such doubtful debts as on 31.03.2026.

The average credit period on sale of goods is 34 days. However, no interest is charged on Trade Receivables for delay in payment beyond 34 days from the date of the Invoice.

The credit limits for customers are set based on security deposits and bank guarantees. Limits attributed to customers are reviewed periodically.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

### 13 TRADE RECEIVABLES (Contd.)

The Company has used a practical expedient by computing the expected credit loss allowance for Trade Receivables based on a provision matrix. The provision matrix takes into account historical credit loss experience and adjusted for forward looking information. The expected credit loss allowance is based on the ageing of the days the receivables are due and the rates are given in the provision matrix. The provision matrix at the end of the Reporting Period is as follows. :

| Ageing :                   |  | Expected Credit Loss |
|----------------------------|--|----------------------|
| Particulars                |  | As at<br>31.03.2026  |
| Within the Credit Period   |  | 0.14%                |
| 1-60 days past due         |  | 0.19%                |
| 61-180 days past due       |  | 0.27%                |
| 181 days -2 years past due |  | 0.39%                |
| 2-5 years past due         |  | 0.49%                |
| Above 5 years past due     |  | 100.00%              |

| Age of Receivables :       |  | [Rs. in Lakhs]      |                     |
|----------------------------|--|---------------------|---------------------|
| Particulars                |  | As at<br>31.03.2026 | As at<br>31.03.2025 |

#### a. General Reserve

The General Reserve is used from time to time to transfer profits from Retained Earnings for appropriation purpose. As General Reserve is created by a transfer from one component of Equity to another and is not an item of other comprehensive income, items included in the General Reserve will not be reclassified subsequently to profit or loss.

#### b. Securities Premium

Securities premium is used to record the premium received on issue of shares. It is utilised in accordance with the provisions of the Companies Act, 2013.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

### 17 OTHER EQUITY (Contd.)

#### c. Capital Reserve

As per Companies Act, 2013, capital redemption reserve is created when company purchases its own shares out of free reserves or securities premium. A sum equal to the nominal value of the shares so purchased is transferred to capital redemption reserve. The reserve is utilised in accordance with the provisions of section 69 of the Companies Act, 2013.

#### d. Other comprehensive income

This reserve comprises (i) cumulative gains and losses on equity instruments designated at FVOCI, and (ii) changes in fair value of the forward element of forward contracts designated in cash flow hedges (cost of hedging), recognised in other comprehensive income.

#### e. Retained Earnings

This reserve represents undistributed accumulated earnings of the Company as on the balance sheet date.

| (iv) The amount of interest due and payable for the year                                                                                                                                                             | -                   | -                   |
| (v) The amount of interest accrued and remaining unpaid at the end of the accounting year                                                                                                                            | -                   | -                   |
| (vi) The amount of further interest due and payable even in the succeeding year, until such date when the interest dues as above are actually paid                                                                   | -                   | -                   |
| Dues to Micro, Small and Medium Enterprises have been determined to the extent such parties have been identified on the basis of information collected by the Management. This has been relied upon by the Auditors. |                     |                     |

The Company has made payments to Micro and Small suppliers within the stipulated payment period as prescribed under Micro and Small enterprises Development Act, 2006 (MSMED Act, 2006). Accordingly, no interest is payable to such suppliers. The Company has financial risk management policies in place to ensure that all payables are paid within the pre-agreed credit terms.

#### Note :

The Government of India has notified the Code on Wages, 2019, the Industrial Relations Code, 2020, the Code on Social Security, 2020 and the Occupational Safety, Health and Working Conditions Code, 2020 (collectively, "Labour Codes") with effect from 21 November 2025, subsuming existing labour laws. Based on an actuarial assessment and ICAI guidance, the Company has evaluated the impact of the Labour Codes. The effect, if any, is not material to the financial statements for the year ended 31 March 2026.

The related rules are yet to be fully notified. The Company will assess and account for the impact, if any, in accordance with applicable Indian Accounting Standards in the period of such notification.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

### 38 FINANCIAL INSTRUMENTS

#### 38.1 Capital Management

The Company manages its capital to ensure that it will be able to continue as a Going Concern while maximising the return to stakeholders through optimisation of the Debt and Equity Balance.

The Company is subject to externally imposed capital requirements as part of its debt covenants such as maintaining a Interest Coverage ratio of 2.75 times, a Debt Service Coverage ratio of 1.5 times and Fixed asset Coverage ratio 1.25 times.

The Company manages its capital structure and makes adjustments to it in light of changes in economic conditions and the requirements of the financial covenants. The Company monitors capital by computing the above ratios on an annual basis and ensuring that the same is in Compliance with the requirements of the Financial Covenants.

The Total interest coverage ratio at the end of the reporting period was as follows :

| [Rs. in Lakhs]           |                          |                          |

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

### 38 FINANCIAL INSTRUMENTS (Contd.)

#### 38.3 Financial Risk Management Objectives

The Company's Corporate Treasury Function provides services to the business, co-ordinates access to domestic and international financial markets, monitors and manages the financial risks relating to the operations of the Company through internal risk reports which analyse exposures by degree and magnitude of risks. These risks include market risk (including currency risk, interest rate risk and other price risk), credit risk and liquidity risk.

Compliance with policies and exposure limits is reviewed internally on a continuous basis. The Corporate Treasury does not enter into any trade financial instruments, including derivative financial instruments and relies on natural hedge.

The Corporate Treasury Function monitors risks and policies implemented to mitigate risk exposures on a periodical basis.

#### 38.4 Market Risk

The Company is exposed to risks from fluctuations in foreign currency exchange rates and interest rates. As at the reporting date, the Company does not have any outstanding External Commercial Borrowings (ECBs) and hence no related exposure. The Company evaluates foreign currency risk, including for potential future exposures, and may use natural hedging mechanisms such as EEFC balances, where applicable.

The Company's investments in listed and non-listed equity securities are susceptible to price risk arising from uncertainties about future value of the investment securities. The Company's non-current investment in equity shares are strategic investments and hence are considered as Fair Value through Other Comprehensive Income. The Company's Board of Directors reviews and approves all equity investment decisions.

#### 38.5 Foreign Currency Risk Management

The Company undertakes transactions denominated in foreign currencies; consequently, exposures to exchange rate fluctuations arise. Exchange rate exposures are managed within approved policy parameters. Further, the Company parks its earnings in foreign currency in Exchange Earners Foreign Currency (EEFC) account and discharges its obligations in case of foreign currency loans and towards import obligations out of the said account.

The carrying amounts of the Company's foreign currency denominated monetary assets and monetary liabilities are restated at the end of each quarter. The same at the end of the reporting period are as follows :

\* Trade payables denominated in foreign currencies (EUR 15,00,000; USD 11,57,664.80; CHF 6,87,750) are hedged using derivative instruments to mitigate exchange rate risk. These hedges are undertaken in line with the Company's risk management framework to reduce volatility in settlement cash flows.

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

### 38 FINANCIAL INSTRUMENTS (Contd.)

#### 38.5 Foreign Currency Risk Management (Contd.)

##### Foreign Currency Sensitivity Analysis

The Company is mainly exposed to US Dollar.

The following table details the Company's sensitivity to a 5% increase and decrease in the Rupee against the relevant foreign currencies. 5% is a sensitivity rate used when reporting foreign currency internally to the key management personnel and represents management's assessment of the reasonably possible changes in the foreign exchange rates. The sensitivity analysis includes only outstanding foreign currency denominated monetary items and adjusts their translation at the period end for a 5% change in the foreign currency rates. A positive number below indicates an increase in profit or equity where the Rupee strengthens by 5% against the relevant currency. For a 5% weakening of the Rupee against the relevant currency, there would be a comparable impact on the profit or equity, and the balances below would be negative.

[Rs. in Lakhs]

| Currency | Impact on profit or loss for the year |          | Impact on total equity as at the end of the reporting period |          |
|----------|---------------------------------------|----------|--------------------------------------------------------------|----------|
|          | 2025-26                               | 2024-25  | 2025-26                                                      | 2024-25  |
| USD      | (278.78)                              | 1,742.84 | (181.23)                                                     | 1,132.95 |
| GBP      | (17.82)                               | (25.71)  | (11.58)                                                      | (16.71)  |
| EUR      | 1.16                                  | 2.71     | 0.75                                                         | 1.77     |
| CHF      | (38.65)                               | (0.16)   | (25.13)                                                      | (0.10)   |
| JPY      | -                                     | (2.01)   | -                                                            | (1.31)   |

#### 38.6 Interest Rate Risk Management

The Company is exposed to interest rate risk because the Company borrows funds at floating interest rates. The risk is managed by the Company by monitoring the exchange rate on regular basis and also parking the export proceeds in the EEFC account which also provides a natural hedge for the outflows in foreign currency. Further, the Company performs an impact analysis of not hedging its ECBs. This has been done by comparing the actual cash outflows related to ECBs under current unhedged conditions in the past vis-a-vis the scenario of complete hedging of individual ECB on the disbursement day through quotes provided by the banks.

##### Interest Rate Sensitivity Analysis

The sensitivity analysis below have been determined based on the exposure to interest rates for instruments at the end of the reporting period. For floating rate liabilities, the analysis is prepared assuming the amount of the liability outstanding at the end of the reporting period was outstanding for the whole year.

If the interest rates had been 50 basis points higher / lower and all other variables were held constant, the Company's profit before tax for the year ended would be impacted to the extent of Rs.71.72 Lakhs (Rs.223.81 lakhs for the year 2024-25).

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

### 38 FINANCIAL INSTRUMENTS (Contd.)

#### 38.7 Credit Risk Management

Credit risk refers to the risk that the counterparty will default on its contractual obligations resulting in financial loss to the Company. The Company is operating through network of dealers based at different locations. In order to ensure the security of receivables, the Marketing Department computes an exposure ratio for every dealer based on his past turnover, track record, etc. The same is overseen and approved by the Board. Further, the Company also collects bank guarantees / security deposits from the respective dealers. Regular monitoring of the receivables is undertaken by the Marketing Department and in case the limits are exceeded, an auto lock system is in place in the SAP system of the Company to stop further supplies to the concerned dealer till the amount outstanding is recovered. In case of new customers, the goods are supplied only against advance receipts. For the export made by the Company, the sales are backed by letters of credit or advance receipts. The internal risk management committee of the Company meets regularly to discuss the dealers and credit risks, measures taken to address them and the status and level of risk after the measures taken.

Domestic & Export trade receivables are secured to the extent of interest free security deposits and bank guarantees / letter of credit received from the customers amounting to Rs.6,327.18 Lakhs and Rs.1,851.88 Lakhs as at 31st March, 2026 and 31st March, 2025 respectively. (Refer Note No. 13 for Trade Receivables outstanding).

#### 38.8 Liquidity Risk Management

Ultimate responsibility for liquidity risk management rests with the Board of Directors, which has established an appropriate liquidity risk management framework for the management of the Company's short-term, medium-term and long-term funding and liquidity management requirements. The Company manages its funds mainly from internal accruals. The liquidity risk is managed by maintaining adequate reserves and banking facilities, by continuously monitoring forecast and actual cash flows and by matching the maturity profiles of financial assets and liabilities.

##### Liquidity and interest risk tables

The following tables detail the Company's remaining contractual maturity for its non derivative financial liabilities with agreed repayment periods. The tables have been drawn up based on the undiscounted cash flows of financial liabilities based on the earliest date on which the Company can be required to pay.

| Particulars                        | Weighted average effective interest rate (%) |                  | Carrying Value | Upto 1 year | 1-5 years | 5+ years | Total     |

#### 38.9 Fair Value Measurements

This note provides information about how the Company determines fair values of various financial assets and financial liabilities.

##### 38.9.1 Fair value of the Company's financial assets and financial liabilities that are measured at fair value on a recurring basis

Some of the Company's financial assets and financial liabilities are measured at fair value at the end of each reporting period. The following table gives information about how the fair values of financial assets and financial liabilities are determined (in particular, the valuation technique(s) and inputs used).

[Rs. in Lakhs]

| Financial assets /<br>financial liabilities                      | Fair value as at                                                                                                                                                         |                                                                                                                                                                          | Fair<br>Value<br>hierar-<br>chy | Valuation<br>technique(s) and<br>key input(s) |

| Note - 38.9.1.1 - Discounted Free Cash flow method has been used to arrive at the enterprise value of the gas marketing business of the investee and the exploration and production assets are valued using price of recent investment / transaction (PORI) method and reserve multiple approach. Under DCF technique, the projected free cash flows from gas marketing business of the Company are discounted at the weighted average cost of capital and the sum of the present value of such free cash flows would represent the value of business. Under the reserve multiple method past transaction multiples of oil and gas companies is used to arrive at the valuation. The investee has various investments in subsidiaries / Other investments. Each of these subsidiary and Other investments have been separately valued using market price method, DCF method, CCM method and book value (NAV) method and applied the investee's stake percentage to arrive at the fair value of investee's investment. Under the market price method, the valuation is derived from the quoted market price of the share of the Company as at the valuation date. Under CCM Method, peer multiple for one or more comparable Companies is used. Under the NAV method, the valuation is derived by calculating the net assets value of the investee as at the valuation date. |                                                                                                                                                                                 |                                                                                                                                                                               |                      |                                                                                                                                                                                                                                                                                                                                     |                                                                                                                                                                                                        |                                                                                                                                                                                                                                                                                                                                                     |

## NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS

### 38 FINANCIAL INSTRUMENTS (Contd.)

#### 38.9 Fair Value Measurements (Contd.)

38.9.1.2 The Company has invested in the equity instruments of various companies. However, the percentage of shareholding of the Company in such investee companies is very low and hence, it has not been provided with future projections including projected profit and loss account by those investee companies. Hence, the independent valuer appointed by the Company has estimated fair value based on available historical Annual Reports of such companies and other information as available in the public domain and is being relied upon. Since the future projections are not available, discounted cashflow approach for fair value determination has not been followed.

38.9.1.3 In case of some companies, there are no comparable companies valuations available. In light of no information available for future projections, capacity utilisation, commencement of operations, etc., the valuation is based on cost approach.

#### 38.9.2 Fair value of the Company's financial assets and financial liabilities that are not measured at fair value (but fair value disclosures are required)

Except as detailed in the following table, the Company considers that the carrying amounts of financial assets and financial liabilities recognised in the financial statements approximate their fair values.

##### Fair Value Hierarchy as at 31.03.2026

[Rs. in Lakhs]

| Particulars                  | Level 1 | Level 2 | Level 3   | Total     |
|------------------------------|---------|---------|-----------|-----------|
| <b>Financial Liabilities</b> |         |         |           |           |
| Long Term Borrowings         | -       | -       | 24,006.48 | 24,006.48 |

##### Fair Value Hierarchy as at 31.03.2025

[Rs. in Lakhs]

| Particulars                  | Level 1 | Level 2 | Level 3   | Total     |
|------------------------------|---------|---------|-----------|-----------|
| <b>Financial Liabilities</b> |         |         |           |           |
| Long Term Borrowings         | -       | -       | 42,956.63 | 42,956.63 |

#### 38.9.3 Reconciliation of Level 3 fair value measurements

[Rs. in Lakhs]

# Make in India Excellence for the Nation's Food Industry

## GACL Food Grade Phosphoric Acid

Unlocking a New Era of Excellence in Chemical Manufacturing! GACL proudly presents its latest innovation - Food Grade Phosphoric Acid (85%). Our 33,870 MTA capacity state-of-the-art plant at Dahej stands as a beacon of self-reliance, catering to the diverse needs of industries such as Sugar Refining, Edible Oil Refining, Beverages and Pharmaceuticals. Embrace 'Make in India' and 'Aatmanirbhar Bharat' initiatives with GACL's Food Grade Phosphoric Acid, a testament to our dedication to national progress.

With an unwavering commitment to quality and innovation, GACL has attained Food Grade certification from the esteemed Food Safety and Standards Authority of India (FSSAI). Experience the Difference. Choose GACL for Unmatched Quality and Reliability.

### Products

Caustic soda lye  
Hydrochloric acid  
Liquid chlorine  
Caustic soda flakes  
Caustic soda prills  
Compressed hydrogen gas  
Anhydrous sodium sulphate

Sodium hypochlorite  
Methyl chloride  
Methylene chloride  
Chloroform  
Carbon tetrachloride  
Hydrogen peroxide  
Sodium chlorate

Hydrazine Hydrate  
Phosphoric Acid (Technical Grade)  
Phosphoric Acid (Food Grade)  
Anhydrous aluminium chloride  
Poly aluminium chloride  
Stable bleaching powder  
Caustic potash lye

Dilute sulphuric acid  
Caustic potash flakes  
Potassium carbonate  
Potassium Hydroxide  
Benzyl Chloride  
Benzyl Alcohol  
Benzaldehyde  
Dibenzyl Ether

## Technology that Enables Sustainable Growth

A pioneer in adopting eco-friendly Membrane Cell Technology for caustic soda production, the Company is further improving energy efficiency through cell element replacement at Dahej Complex and remembraning & recoating of VB+ cell elements at its Vadodara Complex, reducing power consumption and supporting the Government of India's Perform, Achieve and Trade (PAT) programme. The installation of biofuel/coal-fired boilers at Vadodara and Dahej will optimise steam generation, produce 12 MW of power and lower production costs. GACL is also advancing digital transformation through AI initiatives and migration to RISE with SAP S/4HANA. At Dahej, over 10,000 m<sup>3</sup>/day of desalinated and recycled water meets nearly 90% of water demand, while as part of its decarbonisation strategy, captures CO<sub>2</sub> from flue gases to produce Potassium Carbonate and eco-friendly sourcing of over 80% of raw materials reinforce a greener manufacturing ecosystem.

## Research and Innovation Driving Tomorrow's Growth

GACL's Research & Development Centre continues to drive innovation, operational excellence and sustainable growth through focused research and technology-driven solutions. During the year, the team enhanced process efficiency and cost competitiveness by identifying alternate sources for critical raw materials, improving supply reliability and advancing import substitution initiatives. Strategic development efforts remained focused on chlorine, hydrazine hydrate, chlorotoluene derivatives and specialty chemicals. Several value-added products, including Dibenzyl Ether, Mono Potassium Phosphate (MKP), Di-Potassium Phosphate (DKP), Tri-Potassium Phosphate (TKP), Benzyl Acetate, Sodium Benzoate and Benzyl Salicylate, successfully progressed to the pilot scale stage. Through continuous process optimisation, new product development, water treatment, effluent management and sustainable resource utilisation, the R&D Centre continues to strengthen GACL's product portfolio, improve operational performance and create long-term value for stakeholders.

## Embedding Safety in Every Step

Safety remains a core value at GACL, driven by a strong commitment to protecting employees, contractors and all stakeholders. Through continuous education, training and awareness programmes, the Company fosters a proactive safety culture that encourages hazard identification, open communication and strict compliance with safety standards and regulatory requirements. During the year, GACL further strengthened this commitment by introducing the Daily Safety Contact initiative across all complexes, reinforcing that safety is everyone's responsibility and the first priority in every activity. The Company also observed National Safety Day, National Fire Services Day and Chemical Disaster Prevention Day through dedicated campaigns promoting safe work practices. As on 31 March 2026, Vadodara Complex achieved 1,341 reportable accident-free days, while Dahej Complex-I & II recorded 1,019 & 325 reportable accident-free days, respectively, reflecting GACL's continued focus on operational excellence through safety.

## Empowering Communities, Enriching Lives

Guided by its commitment to inclusive and sustainable development, GACL continued to create meaningful social impact through focused CSR initiatives during FY 2025–26. Education remained a key priority, benefiting over 3,300 schoolchildren through the Mid-Day Meal Programme and with the Akshay Patra Foundation proposed establishment of centralised kitchen in Bharuch to serve nearly 50,000 children daily. Science education, self-defence training and support for children of saltpan workers strengthened learning opportunities for thousands of students. Healthcare and nutrition initiatives reached more than 13,000 adolescent girls while the Home for Mentally Differently Abled Children continued providing holistic care and rehabilitation to special children, livelihood, environment and infrastructure initiatives empowered farmers, enhanced community well-being and improved rural connectivity, reaffirming GACL's commitment to creating lasting value through responsible partnerships and sustainable community development.

## Our Cherishable Memories
