Message From Managing Director's Desk

Dear Shareholders,

It gives me great pleasure to present the Annual Report of **JHS Svendgaard Retail Ventures Limited** for F.Y. 2025-26. The year focused on strengthening our foundations, sharpening our strategic priorities and preparing the Company for sustainable growth.

India's retail sector continues to offer significant opportunities, driven by rising incomes, urbanisation and the growing preference for organised and branded retail. Your Company remains well positioned to participate in this growth through a flexible, asset-light and partnership-driven business model.

During the year, we continued to strengthen our operating platform, deepen brand partnerships and enhance operational efficiencies. Going forward, our focus will remain on selectively expanding our presence across high-growth markets, broadening our brand portfolio and leveraging technology to deliver greater convenience and an enhanced customer experience.

Strong corporate governance, transparency and responsible business practices remain central to our approach. I also extend my sincere appreciation to our employees for their dedication and to our customers, brand partners, bankers, shareholders and all stakeholders for their continued trust and support.

As we move forward, we remain committed to turning opportunities into meaningful growth, aspirations into achievements, and our vision into lasting value for every stakeholder.

A handwritten signature in green ink that reads 'Nikhil Nanda'.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Business Overview

JHS Svendgaard Retail Ventures Limited operates in the organized retail sector with a focused strategy of identifying and securing premium, high-footfall retail spaces across India. The Company primarily seeks to establish a presence at strategically important locations, including high streets, airports, shopping malls and other high-visibility retail destinations, with the objective of enhancing customer reach, brand visibility and revenue potential.

The Company's business strategy is centered on selecting locations that offer strong consumer footfall, accessibility and long-term growth potential. By focusing on strategically located retail spaces and adapting its retail formats to the characteristics of each market, the Company aims to serve a diverse consumer base comprising domestic consumers as well as travellers and other high-frequency retail customers.

The Company continues to evaluate opportunities for expanding its retail footprint across attractive locations in India, while maintaining focus on operational efficiency, customer experience and sustainable growth. Its strategy is supported by evolving consumer preferences, increasing adoption of organized retail and the growing demand for convenient and experience-led shopping environments.

Industry Overview

Retail Sector

The Indian retail sector is one of the most dynamic and fastest-growing markets globally, driven by robust macroeconomic fundamentals, favorable demographics, and evolving consumer preferences. The sector contributes significantly to the country's GDP and employment and has transformed into a key pillar of India's consumption-driven economy.

Several factors continue to fuel the expansion of the retail industry in India:

- Rising disposable incomes and expanding middle class:** Higher income levels, coupled with greater aspirations, are leading to a sharp increase in discretionary spending across product categories.
- Urbanization and organized retail penetration:** The steady migration toward urban centers, along with the development of organized retail formats such as malls, supermarkets, and exclusive brand outlets, has reshaped the shopping landscape.
- Evolving consumer behavior:** Modern consumers increasingly prefer branded, premium, and convenience-led offerings. The demand for quality, variety, and personalized experiences is encouraging retailers to innovate and diversify.
- Technology adoption and digital integration:** The convergence of offline and online channels, driven by e-commerce, omni-channel retailing, and digital payment ecosystems, has further accelerated industry growth.
- Expansion into new geographies:** Retail infrastructure is expanding beyond metropolitan hubs into Tier II and Tier III cities, unlocking significant untapped potential.
- Emergence of niche segments:** Categories such as luxury retail, experiential retail, health & wellness, and value fashion are gaining traction, catering to distinct consumer needs.
- Increasing brand awareness and preference for organized retail:** Growing consumer awareness regarding product quality, authenticity, brand reputation and after-sales service is supporting the shift from traditional retail towards branded and organized formats.
- Growth of omni-channel and experiential retail:** Consumers are increasingly seeking seamless integration between physical and digital shopping experiences. Retailers are therefore focusing on omni-channel capabilities, enhanced in-store experiences and personalized engagement to strengthen customer loyalty and improve overall retail performance.
- Improving retail infrastructure and supply-chain ecosystem:** Continued investments in logistics,

warehousing, technology-enabled supply chains and retail infrastructure are improving product availability and distribution efficiency. These developments are enabling retailers to serve a wider customer base while supporting scalable and efficient business operations.

Post-pandemic, the sector has shown strong resilience, supported by renewed consumer confidence, increasing footfalls across physical retail spaces, and the normalization of supply chains. Retailers are also leveraging technology, data-driven insights, and consumer engagement platforms to deliver differentiated experiences and enhance operational efficiency.

Importantly, the Indian retail industry is not limited to any single format or location. This diversified retail ecosystem provides companies the flexibility to cater to a wide spectrum of consumer segments, ranging from value-conscious buyers to aspirational and luxury-seeking customers.

Company's Business Model and Strategy

The Company's business model is centered around creating a differentiated retail experience by strategically securing spaces at niche and high-potential locations across India. Our approach ensures visibility, accessibility, and engagement with a wide consumer base, while optimizing costs and maximizing returns.

Key Elements of the Business Model

1. Strategic Location Acquisition:

- Focus on identifying and acquiring premium retail spaces in high-footfall areas including malls, airports, metro stations, and key high streets.
- Target Tier I, Tier II, and emerging Tier III markets to achieve a balanced geographical presence.
- Prioritize locations that offer long-term growth potential and align with evolving consumer demographics.

2. Brand Partnerships & Product Mix:

- Curate a mix of renowned national and international brands tailored to customer needs.

- Leverage exclusive tie-ups, franchise models, and partnerships to strengthen brand offerings.

3. Operational Efficiency & Scalability:

- Standardize store operations, supply chain processes, and vendor management to maintain efficiency and cost-effectiveness.
- Establish scalable systems to rapidly expand across new locations while maintaining uniform service quality.

4. Revenue Model:

- The Company follows an asset-light, partnership-driven retail model, under which it provides retail space and a curated platform for brand partners to showcase and market their products under mutually agreed commercial arrangements.
- This model is designed to enable operational efficiency and relatively lower execution risk, with a significant portion of the operating costs associated with the retail format being supported by the respective brand partners.
- In turn, brand partners are able to access ready-to-use, well-located and high-footfall retail spaces without committing to direct real estate investment, making the arrangement mutually beneficial for the Company and its brand partners alike.
- This asset-light structure enables the Company to generate sustainable revenue while maintaining a lean cost structure and efficient utilisation of retail space.
- Going forward, the Company remains focused on enhancing store productivity, strengthening its portfolio of brand partnerships and expanding its retail presence, while maintaining an efficient and scalable operating model.

5. Customer Engagement & Value Proposition:

- Deliver value through location convenience, curated brand offerings, and a differentiated shopping environment.

Market Outlook and Growth Drivers

According to industry reports, the Indian retail market continues to witness healthy growth, supported by

increasing consumer spending, expansion of organized retail, digitalisation and the continued growth of e-commerce. The Indian retail market was valued at approximately USD 1,124.2 billion in 2025 and is projected to grow at a CAGR of approximately 12.8% between 2026 and 2034, reaching approximately USD 3,505.4 billion by 2034. Separately, industry estimates indicate that India's overall retail sector could cross USD 1 trillion to USD 2 trillion by 2030, reflecting continued growth opportunities across the country's evolving organized retail landscape.

The positive growth trajectory of the global and Indian retail sectors is being supported by several structural factors, including:

- Expanding economies, especially in emerging markets like India.
- Increasing urban population density driving demand for modern retail formats.
- Rising foreign direct investment (FDI) in the Indian retail sector.
- Growing consumer preference for organized retail spaces such as supermarkets, hypermarkets, and airport retail outlets.
- Technological advancements in retail operations, including digital payments and supply chain integration.
- Availability of retail finance options facilitating consumer spending.

In addition to these factors, the Indian Government's continued focus on infrastructure development, improving the ease of doing business, strengthening logistics and promoting investment has further enhanced the growth prospects of the retail sector. India's FDI framework remains supportive of foreign investment, with the Government continuing to review

and rationalise its FDI policies to maintain an investor-friendly business environment.

The outlook for the Indian retail industry remains positive, supported by favourable demographics, rising disposable incomes, increasing brand awareness, expansion of organized retail, rapid digital adoption and growing penetration into emerging markets. The continued expansion of retailers across Tier II and Tier III cities, along with the emergence of experience-led, premium and omni-channel retail formats, is expected to provide further avenues for sustainable growth.

Opportunities

The Indian retail industry continues to present significant growth opportunities, driven by structural shifts in consumer behavior, evolving demographics, and supportive policy frameworks.

The following key opportunities are expected to benefit the Company in the medium to long term:

1. Expanding Consumer Base:

- Rising disposable incomes, particularly among the middle class, are leading to increased purchasing power.
- Growing aspirations of young consumers and their preference for branded, organized retail formats create strong demand potential.

2. Urbanization and Infrastructure Growth:

- Rapid urbanization and smart city developments are expanding organized retail markets in Tier II and Tier III cities.
- Enhanced connectivity through metros, airports, and highways is creating new high-footfall retail hubs.

3. Shift Toward Organized Retail:

- The unorganized-to-organized shift in retail is accelerating, supported by better infrastructure, government reforms, and GST implementation.

- Consumers are increasingly preferring organized outlets for convenience, quality assurance, and brand variety.

4. **Digital and Omni-Channel Integration:**

- Growing internet penetration and smartphone adoption are driving omni-channel opportunities.
- Hybrid models that combine offline retail with e-commerce platforms are expected to attract wider consumer segments and increase wallet share.

5. **Global Brand Entry and Collaborations:**

- India continues to be an attractive destination for global retail and lifestyle brands.
- Partnerships, franchising, and licensing models with international players present avenues for expansion and differentiation.

6. **Experiential and Niche Retail Growth:**

- Consumers are seeking experiences beyond traditional shopping—cafés, entertainment, and lifestyle services within retail spaces are gaining popularity.
- Niche retail formats at airports, transit hubs, and luxury malls present high-margin opportunities.

Threats

• **High Operating Costs:**

Operating in premium locations such as airports and high streets involves substantial rental and operational expenditures. Maintaining profitability amidst these high fixed costs while ensuring superior service delivery is an ongoing challenge.

• **Intensifying Competition:**

The organized retail segment, particularly in prime locations like airports, faces increasing competition from domestic retailers and international brands. Sustained growth will depend on continuous product innovation, competitive pricing strategies, and delivering exceptional customer experiences.

• **Macroeconomic and Sectoral Risks:**

The retail sector is sensitive to macroeconomic factors such as inflation, economic slowdowns, fluctuating consumer spending patterns, and disruptions in air travel (e.g., pandemics, geopolitical tensions), all of which could negatively impact sales.

• **Regulatory Environment:**

Changes in regulatory frameworks, including policies from airport authorities, customs regulations, or FDI guidelines, could affect operational flexibility. Proactive compliance and adaptability to evolving regulatory landscapes are essential for uninterrupted business operations.

Key Segments

The Company operates within the **organised retail sector**, with a focus on creating value through a diversified retail presence, strategically selected formats, brand partnerships and evolving consumer offerings. The Company's business can broadly be represented across the following key segments:

1. **Product & Category Segments:**

- **Lifestyle & Fashion:** Apparel, footwear, accessories and other lifestyle products catering to evolving consumer preferences and increasing demand for branded offerings.
- **Personal Care & Wellness:** Beauty, personal care, wellness and related products supported by increasing consumer awareness and spending in these categories.
- **Food & Beverages:** Food and beverage concepts forming part of the broader retail ecosystem and catering to evolving consumption and convenience preferences.
- **Other Consumer Categories:** Other branded consumer products and retail concepts, depending on market opportunities and consumer demand.
- **Digital & E-commerce Retail:** Digital-first retail platforms, e-commerce channels and technology-enabled consumer solutions aimed at enhancing accessibility, convenience and customer engagement.

2. Retail Channels:

- **Physical Retail:** Store-based retail presence across high-street locations, shopping centres, commercial developments and other strategically selected locations.
- **Omnichannel Retail:** Integration of physical retail with digital channels, e-commerce and other technology-enabled platforms to provide consumers with a seamless shopping experience.

3. Brand & Partnership-led Retail:

- **Domestic & International Brands:** Association with established and emerging brands across relevant consumer categories, supporting their expansion and retail presence across selected markets.
- **Franchise & Partner-led Formats:** Retail operations undertaken through appropriate franchise, partnership or other commercial arrangements, enabling efficient expansion and access to new markets.

Market Outlook

The Indian retail market is projected to grow to approximately USD 2 trillion by 2030, at a CAGR of approximately 9-10%. Key drivers for this expected growth include technological advancements in retail operations, increasing application of data analytics for customer insights, and a growing consumer preference for shopping locally and sustainably.

With a focused product strategy, strong operational capabilities, and presence in high-footfall retail locations, JHS Svendgaard Retail Ventures Limited remains well-positioned to capitalize on future market opportunities and deliver sustained growth.

Outlook

The outlook for JHS Svendgaard Retail Ventures Limited remains positive, supported by favorable industry dynamics, rising consumer demand, and the Company's strategic initiatives. The Indian retail sector is poised for sustained growth, driven by increasing disposable incomes, rapid urbanization, changing lifestyle preferences, and the accelerated shift toward organized and omni-channel retail. Expanding opportunities in Tier II and Tier III cities, coupled with the growing influence of digital and experiential retail formats, provide a strong foundation for future growth.

The Company, with its focus on securing niche locations such as high streets, shopping malls, and transit hubs, is well-positioned to capitalize on these

opportunities. By leveraging its brand partnerships, consumer-centric formats, and operational efficiency, the Company aims to strengthen its presence across diverse retail segments and deliver sustainable value to its stakeholders.

The Company remains focused on strengthening its product portfolio by introducing new product categories aligned with evolving consumer preferences, particularly in the natural, wellness, and sustainable product segments. Plans are underway to explore additional opportunities for expanding the retail footprint across more airports in India, ensuring wider brand reach and increased consumer engagement.

In addition to physical expansion, the Company is also actively exploring digital integration to enhance the overall customer experience. Initiatives such as pre-ordering and click-and-collect services at airport outlets are expected to not only contribute to increased sales but also build greater customer loyalty through convenience-driven offerings.

With a robust foundation, a clear strategic direction, and a favorable industry environment, the Company remains optimistic about its growth prospects in the coming years.

Risks and Concerns

While the overall outlook is promising, certain risks and challenges may impact the Company's operations and financial performance:

- **Supply Chain Management:**

Ensuring an uninterrupted supply of products to retail outlets is essential for operational success. Disruptions in the supply chain arising from supplier constraints, transportation delays, or other logistical challenges could lead to product shortages and lost sales opportunities.

- **High Fixed Operating Costs:**

The Company's retail operations involve certain fixed and recurring costs associated with maintaining and operating retail stores, including rentals, utilities, staffing, maintenance and other store-related expenses. While the Company's business model provides for recovery or sharing of certain standard store-related costs from the associated brands, any underperformance of a store, lower-than-expected sales or failure of the associated brand to meet its contractual or financial commitments may impact the Company's ability to adequately absorb or recover such costs, thereby placing pressure on margins and profitability.

The Company seeks to mitigate this risk through careful evaluation of locations and commercial arrangements, monitoring of store-level performance, regular engagement with brand partners and disciplined management of store-related costs.

- **Regulatory and Compliance Risks:**

Operating in airport environments requires strict adherence to regulatory norms and compliance with

various guidelines issued by airport authorities and government agencies. Any non-compliance could result in fines, operational restrictions, or the risk of losing retail licenses at certain locations.

- **Intensifying Competition:**

The organized airport retail space is highly competitive, with several domestic and international brands vying for market share. Continuous product innovation, pricing strategies, and superior customer service will be essential to maintain competitive differentiation.

Internal Control Systems and Their Adequacy

JHS Svendgaard Retail Ventures Limited has in place a robust internal control framework designed to ensure effective risk management, accurate financial reporting, and compliance with applicable laws and regulations. The internal control systems are structured to:

- Safeguard the Company's assets.
- Ensure accuracy and reliability of accounting records.
- Facilitate the efficient conduct of operations.

The internal audit function operates independently and conducts regular reviews of the Company's operational and financial processes. Identified gaps or weaknesses in controls are promptly addressed through corrective measures. Management regularly monitors and evaluates the effectiveness of these internal controls to ensure operational resilience.

Additionally, the Company places significant emphasis on ethical conduct, strong corporate governance, and regulatory compliance. Regular training sessions are conducted across all levels of the organization to reinforce awareness of internal policies, legal obligations, and the importance of maintaining the highest standards of integrity in business practices. Through these systems, the Company remains committed to ensuring that its operations remain resilient, efficient, and compliant with all applicable regulatory requirements.

Material Developments in Human Resources

The Company has always had a focus on introducing new benefits & policies that would help a culture of diversity, equity and inclusion to thrive while ensuring the well-being of the employees.

The human capital has always been the driving force behind Company success. A strategic transformation was undertaken by the HR department, aligning its efforts with the company's long-term business objectives. This revamped approach prioritized attracting and retaining top talent through enhanced recruitment and retention strategies.

The HR strategy focused on maximizing employee potential and aligning individual contributions with the company's overarching purpose, vision, mission and values. The Company understands that engaged employees, who feel valued and connected, are more likely to support its success. The total number of employees as on March 31, 2026 were 180.

CORPORATE GOVERNANCE REPORT

CORPORATE GOVERNANCE REPORT

1. Company's Philosophy on Code of Corporate Governance

At **JHS Svendgaard Retail Ventures Limited** ("Company" or "RETAIL"), Corporate Governance is an integral part of our business philosophy and is fundamental to the way we conduct our retail operations. As a retail-focused organisation with a presence across retail outlets, including stores at airports, we recognise that responsible governance is essential to maintaining the trust of our customers, shareholders, employees, business partners, regulatory authorities and other stakeholders.

The Company is committed to conducting its business with integrity, transparency, accountability, fairness and professionalism. These principles guide our approach to retail operations and customer service and form the foundation of our efforts towards sustainable growth and long-term value creation.

Our governance framework is designed to support effective oversight of the Company's business, prudent risk management, regulatory compliance and responsible decision-making. Given the nature of our retail operations, including airport retail stores, the Company places particular emphasis on operational discipline, customer experience, statutory and regulatory compliance, safety and security requirements, and adherence to applicable operational standards.

The Board of Directors provides strategic direction, guidance and oversight to the Company's affairs and is committed to ensuring that the business is conducted in an ethical, transparent and responsible manner. The Board, supported by its committees and the management team, seeks to foster a culture of accountability, compliance and continuous improvement across the Company's retail operations.

The Company continuously reviews and strengthens its governance practices in line with evolving regulatory requirements, industry developments and emerging best practices in the retail sector. Through effective internal controls, robust compliance mechanisms,

transparent disclosures and responsible business practices, the Company strives to enhance operational efficiency, strengthen stakeholder confidence and deliver a consistent and responsible retail experience.

The Company complies with the applicable provisions of the Companies Act, 2013 and the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI (LODR) Regulations, 2015") relating to Corporate Governance.

The Company remains committed to maintaining high standards of corporate governance that support customer-centric retail operations, operational excellence, regulatory compliance, responsible corporate conduct and sustainable value creation for all stakeholders.

g) Familiarisation Programmes of the Independent Directors

The Company has an orientation process/familiarization program for its directors (including Independent Directors), which includes sessions on various business and functional matters and strategy sessions. The Company ensures induction and training programs are conducted for newly appointed Directors. New Directors are taken through a detailed induction and familiarization program, including briefing on their role, responsibilities, duties, and obligations, the nature of the business and business

model, matters relating to Corporate Governance, Code of Business Conduct, Risk Management, Compliance Programs, Internal Audit, etc.

In FY 2025-26, Independent Directors were educated on various aspects of the Company's business and operations.

The specifics of the familiarization programs provided to the Independent Directors are available on the Company's website and can be accessed at <https://jhsretail.com/b-familiarization-programme/>.

Role of Independent Directors and their Terms and Conditions of Appointment

Independent Directors of the Company play a key role in the Board's decision-making process and bring diverse experience, expertise and knowledge in providing oversight of the Company's performance and overall strategy.

Their objective and focused inputs add significant value. They remain committed and devote adequate time to the Company.

The Policy on Appointment and Removal of Directors, can be accessed at <https://jhsretail.com/wp-content/uploads/2024/codes-and-policy/> sets out, inter alia, the NRC's criteria for determining the independence of Directors, as well as the role and capabilities expected of Independent Directors.

Meetings of Independent Directors

In compliance with Regulation 25 (3) of the SEBI (LODR) Regulations, 2015 and Schedule IV to the Companies Act, a separate meeting of Independent Directors was convened on February 13, 2026. The meeting was held without the presence of Non-Independent Directors and members of the management.

The objective of the meeting was to review the performance of Non-Independent Directors and the Board as a whole, assess the performance of the Chairman of the Company and evaluate the quality, quantity & timeliness of the flow of information between the Company management and the Board.

The Independent Directors discussed matters pertaining to the Company's affairs and presented their collective views to the Board of Directors.

Board Evaluation

The Board Evaluation is an essential part of the Company's commitment to good corporate governance. By conducting an annual evaluation of its Board, Committees and individual Directors, the Company demonstrates its commitment to transparency, accountability and effective governance. It enables the Board to identify areas where it can improve its performance and ensures that the Company's governance practices remain in line with best practices.

The Company's governance guidelines require an annual evaluation of all Board Members, the Board as a whole and its mandatory Committees. These mandatory Committees include the Audit Committee, Nomination and Remuneration Committee, Stakeholders' Relationship Committee. The purpose of the evaluation is to assess the performance of the Board and its Committees and identify areas for improvement.

During FY 2025-26, the Board, its Committees and Individual Directors, including the Chairman, underwent a comprehensive performance evaluation process.

Process of Evaluation

To evaluate the performance of the Board, its committees, and Individual Directors, the Nomination and Remuneration Committee (NRC) led an internal evaluation process in accordance with the Companies Act, SEBI (LODR) Regulations, 2015 and the governance guidelines of the Company. To facilitate the evaluation process, questionnaire was developed largely based on the Guidance Note on Board Evaluation issued by the Securities and Exchange Board of India on January 5, 2017, and sent to all Directors to solicit feedback on the functioning of the Board and the Committees of which they were a member or Chairperson as well as self-assessment by individual directors including Chairman.

The Board and the NRC reviewed the performance of individual Directors based on criteria such as the contribution of the individual Director to the Board and Committee meetings including preparedness on the issues to be discussed, meaningful & constructive contributions and inputs in meetings etc.

Evaluation of the Board

The Nomination and Remuneration Committee took the lead in evaluating the performance and effective functioning of the Board. The evaluation process was designed to assess the Board's overall performance and included the use of a questionnaire to gather feedback from all Directors based on qualitative parameters and ratings.

Evaluation of the Statutory Committees

The Board undertook an evaluation of its Statutory Committees to assess their effectiveness in fulfilling their obligations. The evaluation process was conducted using a questionnaire that gathered feedback based on qualitative parameters and ratings. The criteria used to evaluate the Committees included the independence and effectiveness of each Committee, the structure of the Committee and its meetings, the time allocated for discussions at meetings, the functioning of Board Committees and their contribution to the decisions made by the Board.

The evaluation process was important to ensure that the Committees were functioning optimally and contributing effectively to the overall governance of the Company. The independence and effectiveness of each Committee were evaluated to determine whether they were able to carry out their responsibilities without undue influence. The evaluation process provided valuable insights into the Committees' effectiveness and identified areas for improvement.

Evaluation of Directors (including Chairman of the Board)

The Company conducted a thorough evaluation of its directors, including the Chairman of the Board, to assess their performance against several criteria. These criteria included the Directors' knowledge & competency, their fulfilment of functions, their guidance & support to management outside of Board and Committee meetings, their degree of fulfilment of key responsibilities, the effectiveness of meetings, their participation & contribution in Board and Committee meetings and their integrity & independence.

The evaluation process was conducted separately for Independent Directors and Non-Independent

Directors. The performance evaluation of Independent Directors was carried out by the entire Board, excluding the Directors being evaluated. This ensured an unbiased evaluation of their performance. On the other hand, the performance evaluation of the Chairman and Non-Independent Directors was carried out by the Independent Directors.

The evaluation process was critical to ensuring that the Directors were performing their duties effectively and contributing to the overall success of the Company. By evaluating the Directors against several criteria, the Company was able to identify areas for improvement and provide feedback to help them enhance their performance.

The Board, Nomination and Remuneration Committee and the Independent Directors discussed the evaluation report and various suggestions received in the evaluation process in FY 2025-26.

Outcome of the Board Evaluation for FY 2025-26

The Board evaluation revealed a well-balanced and effective composition, with members demonstrating

strong performance across all key areas. Directors expressed satisfaction with the quality of agenda notes and the depth of discussions during meetings. Additionally, the management's receptiveness to suggestions and feedback from both the Board and Committees was highly appreciated, fostering a productive environment. Overall, the evaluation highlighted the Board's commitment to maintaining high standards of governance and continuous improvement.

i) Confirmation of Independence

The definition of 'Independence' of Directors is derived from Section 149(6) of the Companies Act 2013 and Regulation 16 of the SEBI(LODR) Regulations, 2015. The Independent Directors have confirmed that they meet the criteria of Independence laid down under the Act and Regulation 16 (1) (b) of the SEBI(LODR) Regulations, 2015. At the time of appointment and thereafter at the beginning of each financial year, the Independent Directors submit self-declaration, confirming their independence and compliance with various eligibility criteria laid down by the Company, among other disclosures and the Company also ensures that its directors meet the above eligibility criteria. All such declarations were placed before the Board for information. In the opinion of the Board of Directors, the independent directors fulfill the conditions specified in these regulations and independent of the management of the Company.

j) Resignation of Independent Director

During the financial year 2025-26, no Independent Director resigned before the expiry of his/her tenure. Accordingly, the requirement to disclose the detailed reasons for resignation along with the confirmation from the Independent Director that there are no other material reasons other than those provided, as prescribed under the SEBI (LODR) Regulations, 2015, is not applicable to the Company.

Further, Dr. Deepali Bhardwaj resigned from the position of Independent Director of the Company with effect from August 12, 2026 on account of pre-occupation and other commitments. She has confirmed that there is no material reason for her resignation other than the reason stated above.

Committees of the Board

The Board has constituted various Committees to assist it in the effective discharge of its responsibilities and to provide focused attention to specific areas of governance, oversight and decision-making. Each Committee functions within the framework of its terms of reference approved by the Board and operates in

accordance with the applicable provisions of the Companies Act, 2013, the SEBI (LODR) Regulations, 2015 and other applicable laws. The Committees meet at regular intervals or as and when required to discharge their responsibilities effectively.

The Board has four statutory committees to focus effectively on the issues and ensure expedient resolution for diverse matters namely:

- Audit Committee
- Stakeholders' Relationship Committee
- Nomination and Remuneration Committee

STANDALONE FINANCIAL REPORT

INDEPENDENT AUDITOR'S REPORT

Opinion

We have audited the accompanying Standalone Financial Statements, of JHS Svendgaard Retail Ventures Limited (the "Company"), which comprise the Balance Sheet as at March 31, 2026, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year ended on that date and notes to financial statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as the "Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements, give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2026 and its loss, total comprehensive loss, changes in equity and its cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Standalone Financial Statements in accordance with the Standards on Auditing ("SA's) specified under section 143(10) of the Act. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for

the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI") together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Emphasis of Matter

We draw attention to note no 32 of Standalone Financial statements regarding evaluation of the implications arising from New Labour Code and the detailed implementation framework. Company has disclosed the estimated exposure presently assessed, as contingent liability, pending final assessment and crystallisation of the incremental liability, if any.

Our opinion on the standalone financial statement is not modified in respect of above matter.

Key Audit Matter

We have determined the matter described below to be the key audit matter to be communicated in our report. Our opinion on the standalone financial statement is not modified in respect of said matter

Description	Key Audit Matter	How our audit addressed the Key audit Matter
Business/Commission arrangement with BECIL	The Company is providing manpower services to one of its customers. In lieu of the latest guidelines as per New Labour Code, there is a liability upon the Principal Employer for payment of Gratuity for personnels employed for a duration of more than 1 year.	Our audit procedures in relation to this matter included, but not limited to the following: • Gratuity liability rests with customer: The Company does not have any contractual assurance or arrangement with such customer for reimbursement of such gratuity liability. • Payroll Management:

		While the Company is managing the payroll on behalf of the customer and the said employees are employed by the end customer only. While there are ongoing discussions with the customer in this regard, but as there is no final written agreement for reimbursement of such modified cost, if applicable, there is a commercial exposure that the Company is facing in this regard as against the annual income earned from such customer while providing the services. • As at the reporting date, the Company has considered gratuity liability of ₹41.5 lakhs as contingent liability.

Information Other than the Standalone Financial Statements and Auditor's Report Thereon

The Company's Board of Directors is responsible for the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report, including Annexures to the Board's Report, Business Responsibility and Sustainability Report, Corporate Governance and Shareholders' Information, but does not include the Standalone Financial Statements and our auditor's report thereon.

Our opinion on the Standalone Financial Statements does not cover the other information, and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether such other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained during the course of our audit, or otherwise appears to be materially misstated.

When we read such other information, as and when made available to us, and if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect

to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards ("Ind AS") specified under Section 133 of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records relevant to the preparation and presentation of the Standalone Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the Standalone Financial Statements, the management and Board of Directors are responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Company's Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Act will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with the SAs specified under Section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Standalone Financial Statements, whether due to fraud or error; design and perform audit procedures responsive to those risks; and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- Obtain an understanding of internal financial control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to the Standalone Financial Statements in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of the accounting policies used and the reasonableness of

accounting estimates and related disclosures made by the Board of Directors.

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, determine whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Standalone Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the Standalone Financial Statements, including the disclosures, and whether the Standalone Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the Standalone Financial Statements that, individually or in the aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Standalone Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in:

- (i) planning the scope of our audit work and in evaluating the results of our work; and
- (ii) evaluating the effect of any identified misstatements in the Standalone Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and communicate with them all relationships and other matters that may reasonably be thought to bear on our

independence and, where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters.

We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit, we report that:

a) We have sought and obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit.

b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.

c) The Standalone Balance Sheet, the Standalone Statement of Profit and Loss including Other Comprehensive Income, the Standalone Statement of Changes in Equity and the Standalone Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

d) In our opinion, the aforesaid Standalone Financial Statements comply with the Indian Accounting Standards ("Ind AS") specified under Section 133 of the Act, read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

e) On the basis of the written representations received from the directors as on March 31, 2026, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2026, from being appointed as a director in terms of Section 164(2) of the Act.

f) With respect to the adequacy of the internal financial controls with reference to Standalone Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure A". Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Standalone Financial Statements.

g) With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of Section 197(16) of the Act, as amended, in our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.

h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has no pending litigations which would impact its financial position in its Standalone Financial Statements.

ii. The Company did not have any long-term contracts, including derivative contracts, for which there were any material foreseeable losses.

iii. There was no amount which was required to be transferred to the Investor Education and Protection Fund by the Company.

iv. (a) The Management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the Standalone Financial Statements, no funds (which are material either individually or in the aggregate) have been advanced, loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Company to or in any other person or entity, including foreign entities ("Intermediaries"), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The Management has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Company from any person or entity, including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clauses (a) and (b) above contain any material misstatement.

v. The Company has not declared or paid any dividend during the year.

vi. Based on our examination, which included test checks, the Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2026, which has a feature of recording audit trail (edit log) facility. The same has operated throughout the year for all relevant transactions recorded in the software, and the audit trail has been preserved by the Company as per the statutory requirements for record retention. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with.

Additionally, the audit trail of relevant prior years has been preserved by the Company as per the statutory requirements for record retention.

2. As required by the Companies (Auditor’s Report) Order, 2020 (the “Order”) issued by the Central Government in terms of Section 143(11) of the Act, we give in “Annexure B” a statement on the matters specified in paragraphs 3 and 4 of the Order.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(f) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of JHS Svendgaard Retail Ventures Limited of even date)

Report on the Internal Financial Controls with reference to Standalone Financial Statements under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

We have audited the internal financial controls with reference to Standalone Financial Statements of JHS Svendgaard Retail Ventures Limited (the “Company”) as of March 31, 2026 in conjunction with our audit of the Standalone Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The Company’s Management is responsible for establishing and maintaining internal financial controls with reference to Standalone Financial Statements based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “ICAI”). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls with reference to Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with

reference to Standalone Financial Statements. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Standalone Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Standalone Financial Statements included obtaining an understanding of internal financial controls with reference to Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained, is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls with reference to Standalone Financial Statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A company’s internal financial control with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control with reference to Standalone Financial Statements includes those policies and procedures that:

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of

financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone Financial Statements to future periods are subject to the that the

internal financial control with reference to Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial control with reference to Standalone Financial Statements and such internal financial controls with reference to Standalone Financial Statements were operating effectively as at March 31, 2026, based on the criteria for internal financial control with reference to Standalone Financial Statements established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of JHS Svendgaard Retail Ventures Limited)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, we state that:

i. In respect of the Company's property, plant and equipment, right-of-use assets and intangible assets:

a) (A) The Company has maintained proper records showing full particulars, including quantitative details and situation of property, plant and equipment and relevant details of right-of-use assets.

(B) According to the information and explanations given to us, there are no intangible assets in the name of the Company and accordingly, the reporting requirements under this sub-clause are not applicable.

b) The Company has a programme of physical verification of property, plant and equipment and right-of-use assets so as to cover all the assets once every three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. Pursuant to the programme, certain property, plant and equipment and right-of-use assets were due for verification during the year and were physically verified by the Management during the year. According to the information and explanations given to us, no material discrepancies were noticed on such verification.

c) In our opinion and according to the information and explanations given to us, there are no immovable properties held in the name of the Company. Accordingly, the provisions of clause 3(i)(c) of the Order are not applicable to the Company.

d) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not revalued any of its property, plant and equipment (including right-of-use assets) during the year.

e) According to the information and explanations given to us and on the basis of our examination of the records of the Company, there are no proceedings which have been initiated or are pending against the Company for holding any benami property under the

Benami Transactions (Prohibition) Act, 1988 (as amended in 2016) and the rules made thereunder.

ii. A) In our opinion, the Management has conducted physical verification of inventory at reasonable intervals during the year. According to the information and explanations given to us and based on the audit procedures performed by us, we are of the opinion that the coverage and procedure of such verification by the Management is appropriate.

According to the information and explanations given to us, no material discrepancies of 10% or more in the aggregate for each class of inventory between the physical inventory and book records were noticed on physical verification.

B) The Company has not been sanctioned working capital limits in excess of Rs. 5 crore, in aggregate, at any point of time during the year, from banks or financial institutions on the basis of security of current assets and hence reporting under clause 3(ii)(b) of the Order is not applicable.

iii. The Company has made investments in, and given unsecured loans to its subsidiary and associate companies during the year, in respect of which:

(a) As per the information and explanations given to us, the Company has provided loans during the year to its subsidiary company amounting to Rs. 448.76 lakhs. The balance outstanding as at March 31, 2026 in respect thereof amounts to Rs. 448.76 lakhs.

(b) Since the Company has not provided any loans or advances in the nature of loans, or stood guarantee, or provided security to parties other than its subsidiary, the relevant clause is not applicable.

(c) According to the information and explanations given to us and based on the audit procedures performed by us, we are of the opinion that the investments made and the terms and conditions of loans provided by the Company are, prima facie, not prejudicial to the Company's interest.

(d) According to the information and explanations given to us and based on the audit procedures

performed by us, we are of the opinion that, in respect of loans, the schedule of repayment of principal has not been stipulated and payment of interest and the receipts of interest are regular, wherever due.

(e) According to the information and explanations given to us and based on the audit procedures performed by us, no amount of loan is overdue for a period of more than 90 days.

According to the information and explanations given to us and based on the audit procedures performed by us, we are of the opinion that no loan or advance in the nature of loan granted which has fallen due during the year has been renewed or fresh loans granted to settle the overdue of existing loans given to the same parties.

(f) According to the information and explanations given to us and based on the audit procedures performed, the Company has granted unsecured loans to its subsidiary amounting to Rs. 448.76 lakhs, repayable on demand, which is approximately 78.9% of the loans granted by the Company during the year and amounts to 97.8% of the total loans granted to related parties.

iv. According to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Companies Act, 2013 in respect of loans, investments, guarantees and security granted during the year.

v. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits during the period under audit. Consequently, the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 of the Act and the rules framed thereunder are not applicable. Hence, reporting under clause 3(v) of the Order is not applicable.

No order has been passed with respect to Sections 73 to 76 by the Company Law Board or the National Company Law Tribunal or the Reserve Bank of India or any Court or any other Tribunal.

vi. According to the information and explanations given to us, reporting under clause 3(vi) of the Order, relating to the maintenance of cost records, is not applicable.

vii. (a) According to the information and explanations given to us and based on the records of the Company examined by us, the Company is generally regular in depositing the undisputed statutory dues including

income-tax, goods and services tax, duty of customs, cess and any other material statutory dues, as applicable, with the appropriate authorities in India. According to the information and explanations given to us, there are no undisputed amounts in respect of the aforesaid statutory dues which were in arrears as at March 31, 2026 for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us, there are no applicable statutory dues which have not been deposited on account of any dispute.

viii. According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has not surrendered or disclosed any transactions, previously unrecorded as income in the books of account, in the tax assessments under Section 43 of the Income-tax Act, 1961 as income during the year. Accordingly, the provisions of clause 3(viii) of the Order are not applicable.

ix. A) In our opinion and according to the information and explanations given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.

B) According to the information and explanations given to us and on the basis of our audit procedures, we report that the Company has not been declared a wilful defaulter by any bank or financial institution or other lender.

C) In our opinion and according to the information and explanations given to us, the Company has applied the term loans for the purpose for which they were raised.

D) According to the information and explanations given to us and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that no funds raised on a short-term basis have been used for long-term purposes by the Company.

E) According to the information and explanations given to us, the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiary.

F) According to the information and explanations given to us, the Company has not raised loans during the year on the pledge of securities held in its subsidiary.

x. A) The Company has not raised any money by way of initial public offer or further public offer (including debt instruments). Accordingly, clause 3(x)(a) of the Order is not applicable.

B) According to the information and explanations given to us and on the basis of our examination of the records of the Company, the Company has made preferential allotment and approved preferential allotment of shares/warrants convertible into equity shares during the year and no partly or fully convertible debentures were issued during the year.

xi. A) Based on the audit procedures performed by us for the purpose of reporting the true and fair view of the Standalone Financial Statements and as per the information and explanations given to us by the Management, we report that we have neither come across any instance of fraud by the Company or on the Company by its officers or employees, noticed or reported during the year, nor have we been informed of any such case by the Management.

B) The filing of a report under sub-section (12) of Section 143 of the Companies Act, 2013 by the auditors in Form ADT-4 is not applicable.

C) During the financial year 2025–26, based on the information provided by the Company and our observations during the assessment of the nature, timing and extent of the audit procedures, no whistle-blower complaints were received by the Company.

xii. The Company is not a Nidhi Company and hence the reporting requirements under clause 3(xii) of the Order are not applicable.

xiii. According to the information and explanations given to us, all transactions entered into by the Company with related parties are in compliance with Sections 177 and 188 of the Act, where applicable, and the details thereof have been disclosed in the financial statements as required by the applicable accounting standards.

xiv. A) In our opinion, the Company has an internal audit system commensurate with the size and nature of its business.

B) We have considered the internal audit reports of the Company issued till date for the period under audit.

xv. As per the information and explanations provided to us, the Company has not entered into any non-cash transactions with directors or persons connected with them.

xvi. A) In our opinion and according to the information and explanations given to us, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the provisions of clause 3(xvi)(a) of the Order are not applicable.

B) According to the information and explanations provided to us, the Company has not conducted any Non-Banking Financial or Housing Finance activities and, therefore, the Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934. Accordingly, the provisions of clause 3(xvi)(b) of the Order are not applicable.

C) The Company is not a Core Investment Company (CIC) as defined in the regulations made by the Reserve Bank of India. Accordingly, the provisions of clause 3(xvi)(c) of the Order are not applicable.

D) According to the audit reports shared by the Management of entities forming part of the Group, and as per the information and explanations given to us by the Management, in our opinion, there is no Core Investment Company within the Group (as defined in the Core Investment Companies (Reserve Bank) Directions, 2016). Accordingly, the provisions of clause 3(xvi)(d) of the Order are not applicable.

xvii. Based on our examination of the books and records of the Company, the Company has not incurred cash losses in the financial year and in the immediately preceding financial year. Accordingly, the provisions of clause 3(xvii) of the Order are not applicable.

xviii. There has been no resignation of the statutory auditors during the year. Accordingly, clause 3(xviii) of the Order is not applicable.

xix. According to the information and explanations given to us and on the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the Standalone Financial

Statements, our knowledge of the Board of Directors and Management plans and based on our examination of the evidence supporting the assumptions, nothing has come to our attention which causes us to believe that any material uncertainty exists as on the date of the audit report that the Company is not capable of meeting its liabilities existing at the date of the Balance Sheet as and when they fall due within a period of one year from the Balance Sheet date.

We, however, state that this is not an assurance as to the future viability of the Company. We further state

that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the Balance Sheet date will get discharged by the Company as and when they fall due.

xx. As per the information and explanations given to us, the provisions of sub-section (5) of Section 135 of the Companies Act, 2013 are not applicable to the Company. Accordingly, the provisions of clauses 3(xx)(a) and 3(xx)(b) of the Order are not applicable to the Company.

1. Basis of preparation

a) Compliance with Indian Accounting Standard

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Rules, 2016 and other relevant provisions of the Act.

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Division II IND AS Schedule III, unless otherwise stated.

These financial statements were approved by the Board of Directors on 28 May 2026.

b) Basis of Measurement

The Financial Statements have been prepared under the historical cost convention on an accrual basis, unless otherwise stated.

c) Critical Estimates and Judgments

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also

needs to exercise judgment in applying the Company's accounting policies.

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in the relevant notes, together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates and judgments are:

i. Useful life of property, plant and equipment

The estimated useful life of property, plant and equipment is based on a number of factors, including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

The Company reviews, at the end of each reporting date, the useful life of property, plant and equipment and changes, if any, are adjusted prospectively, if appropriate.

ii. Recoverable amount of property, plant and equipment

The recoverable amount of plant and equipment is based on estimates and assumptions regarding, in particular, the expected market outlook and future cash flows. Any changes in these assumptions may have a material impact on the measurement of the recoverable amount and could result in impairment.

iii. Estimation of defined benefit obligation

Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates, as well as assumptions concerning future developments in discount rates, the rate of salary increases and the inflation rate. The Company considers that the assumptions used to

measure its obligations are appropriate and documented. However, any changes in these assumptions may have a material impact on the resulting calculations.

iv. Estimation of deferred tax assets for carry forward losses and current tax expenses

The Company reviews the carrying amount of deferred tax assets and liabilities at the end of each reporting period. The policy for the same has been explained under Note No. 2(d).

v. Impairment of trade receivables

The Company reviews the carrying amount of trade receivables at the end of each reporting period and provides for Expected Credit Loss based on estimates.

vi. Fair value measurement

Management uses valuation techniques in measuring the fair value of financial instruments where active market quotes are not available. Details of the assumptions used are given in the notes regarding financial assets and liabilities. In applying the valuation techniques, management makes maximum use of market inputs and uses estimates and assumptions that are, as far as possible, consistent with observable data that market participants would use in pricing the instrument. Where applicable data is not observable, management uses its best estimate about the assumptions that market participants would make. These estimates may vary from actual prices that would be achieved in an arm's length transaction at the reporting date.

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

d) Others

The Financial Statements have been prepared on a going concern basis in accordance with the applicable accounting standards prescribed in the Companies (Indian Accounting Standards) Rules, 2015 issued by the Ministry of Corporate Affairs.

e) Current versus non-current classification

The Company presents assets and liabilities in the Financial Statements based on current/non-current classification.

An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in the normal operating cycle;
- Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in the normal operating cycle;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

f) Foreign currency translation

i) Functional and presentation currency

Items included in the Financial Statements are measured using the currency of the primary economic environment in which the entity operates, i.e., 'the functional currency'. The Financial Statements are presented in Indian Rupees (INR), which is the Company's functional and presentation currency.

ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using exchange rates at the date of the transaction. Foreign exchange gains and losses from settlement of such transactions and from translation of monetary assets and liabilities denominated in foreign currency at the reporting date exchange rates are recognized in the Statement of

Profit and Loss. Foreign exchange gains and losses are presented in the Statement of Profit and Loss on a net basis within other income/expenses.

2. Summary of Material Accounting Policies

a) Revenue Recognition

JHS Svendgaard Retail Ventures Limited specializes in the retail business, operating stores across diverse product categories in various sales formats. These formats include locations such as airports, shopping malls, and standalone stores throughout India.

Sale of goods

For sale of goods, revenue is recognised when control of the goods has transferred at a point in time, i.e., when the goods have been dispatched to the location of the customer. Following dispatch, the customer has full discretion over the responsibility, manner of distribution, price to sell the goods and bears the risks of obsolescence and loss in relation to the goods. A receivable is recognised by the Company when the goods are dispatched to the customer as this represents the point in time at which the right to consideration becomes unconditional, as only the passage of time is required before payment is due. Payment is due within 45–60 days. The Company considers the effects of variable consideration, non-cash consideration, and consideration payable to the customer, if any.

Variable consideration

If the consideration in a contract includes a variable amount, the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved. The Company recognizes changes in the estimated amount of variable consideration in the period in which the change occurs. Some contracts for the sale of goods provide customers with volume rebates and pricing incentives, which give rise to variable consideration.

Rebates are offset against amounts payable by the customer. To estimate the variable consideration for the expected future rebates, the Company applies the most likely amount method for contracts with a single-volume threshold. The selected method that best predicts the amount of variable consideration is primarily driven by the number of volume thresholds contained in the contract. The Company then applies the requirements on constraining estimates of variable consideration and recognises a refund liability for the expected future rebates.

Contract balances

Trade receivables

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer to the accounting policies of financial assets in Note No. 2(i) – Financial assets: initial recognition and subsequent measurement.

Contract liabilities (which the Company refers to as advances from customers)

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due, whichever is earlier. Contract liabilities are recognised as revenue when the Company performs under the contract.

The Company presents revenues net of indirect taxes in its Statement of Profit and Loss.

Cost to obtain a contract

The Company pays sales commission to its selling agents for each contract that they obtain for the Company. The Company has elected to apply the optional practical expedient for costs to obtain a contract, which allows the Company to immediately expense sales commissions (included in 'Commission on Sales' under other expenses) because the amortization period of the asset that the Company otherwise would have used is one year or less.

Costs to fulfil a contract, i.e., freight, insurance and other selling expenses, are recognized as an expense in the period in which the related revenue is recognised.

Financing components

The Company does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, the Company does not adjust any of the transaction prices for the time value of money.

Rendering of services

Service income includes job work and its revenue is recognised when the performance obligations to render the services are completed as per contractually agreed terms.

b) Other Revenue Streams

Interest income

Interest income from debt instruments is recognised using the effective interest rate (EIR) method. EIR is the rate which exactly discounts the estimated future cash receipts over the expected life of the financial instrument to the gross carrying amount of the financial asset. When calculating the EIR, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayments, extensions, call and similar options) but does not consider the expected credit losses.

Dividend income

Dividends are recognised in the Statement of Profit and Loss only when the Company's right to receive the payment is established.

c) Income Taxes

Income tax expense for the year comprises current tax and deferred tax. Income tax is recognized in the Statement of Profit and Loss except to the extent that it relates to an item which is recognised in other comprehensive income or directly in equity, in which case the tax is recognized in 'Other Comprehensive Income' or directly in equity, respectively.

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction, adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Current tax

Current tax is based on tax rates applicable for respective years on the basis of tax law enacted or substantively enacted at the end of the reporting period. The Company establishes provisions, where appropriate, on the basis of amounts expected to be paid to the tax authorities. Current tax is payable on taxable profit, which differs from profit or loss in the financial statements. Current tax is charged to the Statement of Profit and Loss. Provision for current tax is made after taking into consideration benefits admissible under the Income Tax Act, 1961.

Deferred tax

Deferred income taxes are calculated, without discounting, on the temporary differences between the carrying amounts of assets and liabilities and their tax base using the tax laws that have been enacted or substantively enacted by the reporting date. However, deferred tax is not provided on the initial recognition of assets and liabilities unless the related transaction is a business combination or affects tax or accounting profit. Tax losses available to be carried forward and other income tax credits available to the entity are assessed for recognition as deferred tax assets.

Deferred tax liabilities are always provided for in full. Deferred tax assets are recognized to the extent it is probable that they will be able to be utilized against future taxable income. Deferred tax assets are recognised to the extent that it is probable that the underlying tax loss or deductible temporary differences will be utilized against future taxable income. This is assessed based on the Company's forecast of future operating income at each reporting date.

Deferred tax assets and liabilities are offset where the entity has a right and intention to set off current tax assets and liabilities from the same taxation authority.

Minimum Alternate Tax (MAT)

Minimum Alternate Tax credit entitlement paid in accordance with tax laws, which gives rise to future economic benefit in the form of adjustment to future tax liability, is considered as an asset to the extent management estimates its recovery in future years.

d) Leases

The determination of whether an arrangement is, or contains, a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

As a lessee

The Company's lease asset classes primarily consist of leases for buildings. The Company assesses whether a contract contains a lease at the inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves the use of an identified asset;
- (ii) the Company has substantially all of the economic benefits from the use of the asset throughout the period of the lease; and
- (iii) the Company has the right to direct the use of the asset.

At the commencement date of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low-value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities include these

options when it is reasonably certain that they will be exercised.

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date, plus any initial direct costs, less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and the useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable.

For the purpose of impairment testing, the recoverable amount, i.e., the higher of fair value less cost to sell and value in use, is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rate.

Lease liabilities are remeasured with a corresponding adjustment to the related ROU asset if the Company changes its assessment of whether it will exercise an extension or termination option.

Lease liabilities and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

As a lessor

Lease income from operating leases where the Company is a lessor is recognised in the Statement of Profit and Loss on a straight-line basis over the lease term.

e) Impairment of non-financial assets

Assessment for impairment is done at each Balance Sheet date as to whether there is any indication that a

non-financial asset may be impaired. Indefinite-life intangibles are subject to a review for impairment annually or more frequently if events or circumstances indicate that it is necessary.

For the purpose of assessing impairment, the smallest identifiable group of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or groups of assets is considered as a cash generating unit.

If any indication of impairment exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made. Assets/cash generating units whose carrying value exceeds their recoverable amount are written down to the recoverable amount by recognizing the impairment loss as an expense in the Statement of Profit and Loss.

The recoverable amount is the higher of an asset's or cash generating unit's fair value less cost of disposal and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset or cash generating unit and from its disposal at the end of its useful life.

Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the asset's carrying amount does not exceed the carrying amount that would have been determined, net of depreciation and amortization, if no impairment loss had been recognized. An impairment loss recognized for goodwill is not reversed in subsequent periods.

f) Cash and cash equivalents

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents include cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown

within borrowings in current liabilities in the Balance Sheet.

g) Inventories

(i) Traded goods are valued at the lower of cost and net realizable value. Cost of traded goods is determined on the FIFO basis and comprises direct material, cost of conversion and other costs incurred in bringing these inventories to their present location and condition.

(ii) Provision for obsolescence on inventories is made on the basis of management's estimate based on demand and market conditions.

(iii) Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.

(iv) The comparison of cost and net realizable value is made on an item-by-item basis.

h) Financial Assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- Those to be measured subsequently at fair value, either through other comprehensive income or through profit or loss; and
- Those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in the Statement of Profit and Loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

(ii) Initial measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

(iii) Subsequent measurement

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

- **Amortized cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized cost and is not part of a hedging relationship is recognised in the Statement of Profit and Loss when the asset is derecognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

- **Fair Value through Other Comprehensive Income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses, which are recognized in profit or loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit or loss and recognized in other gains/(losses). Interest income from these financial assets is included in other income using the effective interest rate method. At present, no financial assets fulfil this condition.

- **Fair Value Through Profit or Loss (FVTPL):** Assets that do not meet the criteria for amortized cost or FVOCI are measured at FVTPL. A gain or loss on a debt investment that is subsequently measured at fair value

through profit or loss and is not part of a hedging relationship is recognized in the Statement of Profit and Loss and presented net within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Equity instruments

All equity investments in the scope of Ind AS 109 are measured at fair value. Equity instruments held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present subsequent changes in fair value in other comprehensive income. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to the Statement of Profit and Loss, even on sale of the investment. Dividends from such investments are recognized in the Statement of Profit and Loss as other income when the Company's right to receive payment is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognized in other gains/(losses) in the Statement of Profit and Loss. Impairment losses and reversal of impairment losses on equity investments measured at FVOCI are not reported separately from other changes in fair value.

(iv) Impairment of financial assets

For all financial assets with contractual cash flows other than trade receivables, Expected Credit Losses (ECLs) are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition, in which case they are measured at lifetime ECL. The amount of ECLs, or reversal thereof, for the period is recognised as an expense/income in the Statement of Profit and Loss.

(v) Derecognition of financial assets

A financial asset is derecognized only when:

- The Company has transferred the rights to receive cash flows from the financial asset; or

- The Company retains the contractual rights to receive the cash flows of the financial asset but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized.

Where the entity has neither transferred a financial asset nor retained substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognized if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

i) Financial liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans, borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

Financial liabilities at amortized cost

After initial measurement, such financial liabilities are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance costs in the Statement of Profit and Loss.

Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. The amounts are unsecured and are usually paid within the operating cycle of the business. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortized cost using the effective interest method.

Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds, net of transaction costs, and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan.

Borrowings are removed from the Balance Sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in the Statement of Profit and Loss as other gains/(losses).

Where the terms of a financial liability are renegotiated and the Company issues equity instruments to a creditor to extinguish all or part of the liability (debt-for-equity swap), a gain or loss is recognised in the Statement of Profit and Loss, measured as the difference between the carrying amount of the financial liability and the fair value of the equity instruments issued.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged, cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in

the respective carrying amounts is recognized in the Statement of Profit and Loss.

j) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

k) Property, Plant and Equipment

Freehold land is carried at historical cost. Other property, plant and equipment are stated at the historical cost of acquisition, net of recoverable taxes (wherever applicable), less accumulated depreciation and amortization, if any. Cost comprises the purchase price, any cost attributable to bringing the assets to their working condition for their intended use, and the initial estimate of costs of dismantling and removing the item and restoring the site, if any.

Where the cost of a part of an asset is significant in relation to the total cost of the asset and the useful life of that part is different from the remaining asset, the useful life of that part is determined separately and accounted for as a separate component.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

An asset's carrying amount is written down to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

An item of property, plant and equipment and any significant part initially recognised is derecognized upon disposal or when no future economic benefits are

expected from its use or disposal. Any gain or loss arising on derecognition of the asset, calculated as the difference between the net disposal proceeds and the carrying amount of the asset, is included in the Statement of Profit or Loss when the asset is derecognized.

l) Intangible Assets

An intangible asset is recognised when it is probable that the future economic benefits attributable to the asset will flow to the enterprise and where its cost can be reliably measured. Intangible assets are stated at the cost of acquisition less accumulated amortization and impairment losses, if any. Cost comprises the purchase price and any cost attributable to bringing the assets to their working condition for their intended use.

The cost of an internally generated asset comprises all expenditure that can be directly attributed, or allocated on a reasonable and consistent basis, to create, produce and make the asset ready for its intended use.

Losses arising from retirement of, and gains or losses on disposal of, intangible assets are determined as the difference between net disposal proceeds and the carrying amount of the assets and are recognised as income or expenses in the Statement of Profit and Loss.

The Company has elected to continue with the carrying value for all of its intangible assets as recognised in the financial statements on transition to Ind AS, measured as per the previous GAAP, and use that as its deemed cost as at the date of transition.

m) Capital Work-in-Progress / Intangible Assets under Development

Capital work-in-progress and intangible assets under development represent expenditure incurred in respect of capital projects and intangible assets under development and are carried at cost. Cost includes related acquisition expenses, development costs, borrowing costs (wherever applicable) and other direct expenditures.

The Company has elected to continue with the carrying value for all of its capital work-in-progress and intangible assets under development as recognised in

the financial statements on transition to Ind AS, measured as per the previous GAAP, and use that as its deemed cost as at the date of transition.

n) Depreciation and Amortization

Depreciation on property, plant and equipment has been provided on the straight-line method in accordance with the provisions of Part C of Schedule II of the Companies Act, 2013. The Management believes that the estimated useful lives as per the provisions of Schedule II to the Companies Act, 2013, except for moulds and dies, are realistic and reflect a fair approximation of the period over which the assets are likely to be used.

Based on internal assessment and technical evaluation, the Management has assessed the useful life of moulds and dies as five years, which is different from the useful life prescribed under Part C of Schedule II of the Companies Act, 2013.

Depreciation and amortization on additions to property, plant and equipment are provided on a pro rata basis from the date the assets are ready for use. Depreciation and amortization on sale, deduction or discardment of property, plant and equipment are provided up to the date of such sale, deduction or discardment, as the case may be.

The residual values, useful lives and methods of depreciation of property, plant and equipment and intangible assets are reviewed at the end of each financial year and adjusted prospectively, if appropriate.

All assets costing Rs. 5,000 or below are depreciated/amortized by a one-time depreciation/amortization charge in the year of purchase.

Description	Useful lives (upto)
Computer	3 years
Furniture & Fixture	10 years
Office Equipment	5 years
Leasehold Improvements	8 years
Electronic Equipment	8 years

o) Borrowing Costs

Borrowing costs include interest calculated using the effective interest rate method and amortization of

ancillary costs incurred in connection with the arrangement of borrowings. General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

All other borrowing costs are expensed in the period in which they are incurred.

p) Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are possible obligations that arise from past events and whose existence will only be confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Contingent liabilities are disclosed on the basis of the judgment of management/independent experts. These are reviewed at each Balance Sheet date and are adjusted to reflect the current management estimate.

q) Employee Benefits

(i) Short-term obligations

Short-term benefits comprise employee costs such as salaries and bonuses, including non-monetary benefits, that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. These are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

The liabilities are presented as current employee benefit obligations in the Balance Sheet.

(ii) Post-employment obligations

Defined benefit plans

Gratuity obligations

The Company provides retirement benefits in the form of gratuity. The liability or asset recognised in the Balance Sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets.

The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in Other Comprehensive Income. They are included in retained earnings in the Statement of Changes in Equity and in the Balance Sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are

recognised immediately in the Statement of Profit and Loss as past service cost.

Defined contribution plans

Provident Fund

All employees of the Company are entitled to receive benefits under the Provident Fund, which is a defined contribution plan. Both the employee and the employer make monthly contributions to the plan at a predetermined rate as per the provisions of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952. These contributions are made to the fund administered and managed by the Government of India.

Employee State Insurance

Employees whose wages/salary are within the prescribed limit in accordance with the Employees' State Insurance Act, 1948, are covered under this scheme. These contributions are made to the fund administered and managed by the Government of India. The Company's contributions to these schemes are expensed in the Statement of Profit and Loss. The Company has no further obligations under the plan beyond its monthly contributions.

(iii) Other long-term employee benefit obligations

Leave encashment

The liabilities for accumulated absences are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are, therefore, measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method.

The benefits are discounted using the market yields at the end of the reporting period that have terms approximating the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss.

The obligations are presented as current liabilities in the Balance Sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

Share-Based Payments

The Company recognises the goods or services received or acquired in a share-based payment transaction when it obtains the goods or as the services are received, with a corresponding increase in equity if the goods or services were received in an equity-settled share-based payment transaction, or a liability if the goods or services were acquired in a cash-settled share-based payment transaction.

When the goods or services received or acquired do not qualify for recognition as assets, they are recognised as expenses.

For equity-settled share-based payment transactions, the Company measures the goods or services received, and the corresponding increase in equity, directly at the fair value of the goods or services received, unless that fair value cannot be estimated reliably. If the Company cannot reliably estimate the fair value of the goods or services received, the Company measures their value, and the corresponding increase in equity, indirectly by reference to the fair value of the equity instruments granted.

If the equity instruments granted vest immediately, on the grant date the Company recognises the services received in full, with a corresponding increase in equity.

r) Contributed Equity

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

s) Earnings Per Share

Basic earnings per equity share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the financial year. The weighted average number of equity shares outstanding during the period is adjusted for events of bonus issues to existing shareholders.

For the purpose of calculating diluted earnings per share, the net profit or loss attributable to equity shareholders and the weighted average number of shares outstanding are adjusted for the effects of all dilutive potential equity shares, if any.

t) Segment Reporting

In line with the provisions of Ind AS 108 – Operating Segments, and on the basis of the review of operations by the Chief Operating Decision Maker (CODM), the operations of the Company fall under retail operations, which are considered to be the only reportable segment.

u) Measurement of Fair Values

A number of the accounting policies and disclosures require measurement of fair values for both financial and non-financial assets and liabilities. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques, as follows:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The Company has an established control framework with respect to the measurement of fair values. This includes a finance team that has overall responsibility for overseeing all significant fair value measurements, including Level 3 fair values.

The finance team regularly reviews significant unobservable inputs and valuation adjustments. If third-party information is used to measure fair values, the finance team assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest-level input that is significant to the entire measurement.

The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred. Further information about the assumptions made in measuring fair values used in preparing these financial statements is included in the respective notes.

v) Assets Held for Sale

Non-current assets or disposal groups comprising assets and liabilities are classified as held for sale if their carrying amount is intended to be recovered principally through a sale rather than through continuing use, when the asset or disposal group is available for immediate sale in its present condition subject only to terms that are usual and customary for the sale of such asset or disposal group, and the sale is

highly probable and is expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-current assets or disposal groups comprising assets and liabilities classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell. Non-current assets held for sale are not depreciated or amortised.

w) Exceptional Items

An item of income or expense which, by its size, type or incidence, requires separate disclosure in order to improve an understanding of the performance of the Company is treated as an exceptional item and the same is disclosed in the notes to accounts

The accompanying notes are an integral part of these financial statements

b. Defined benefit plans

- Gratuity

Gratuity is payable to eligible employees as per the Company's policy and The Payment of Gratuity Act, 1972. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit (PUC) method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligations.

Liability with respect to the gratuity is determined based on an actuarial valuation done by an independent actuary at the year end and is charged to Statement of Profit and Loss.

Actuarial gains and losses comprise experience adjustments and the effects of changes in actuarial assumptions and are recognized immediately in the Other Comprehensive Income as income or expense.

Actuarial valuation for gratuity has been carried out during the current financial year and the resulting liability has been appropriately recognized and recorded in the books of account.

Description of Risk Exposures:

Risks associated with the plan provisions are actuarial risks. These risks are:- (i) investment risk, (ii) interest risk (discount rate risk), (iii) mortality risk and (iv) salary risk.

i) Investment Risk- The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to Government bonds yield. If plan liability is funded and return on plan assets is below this rate, it will create a plan deficit.

ii) Interest Risk (discount rate risk) – A decrease in the bond interest rate (discount rate) will increase the plan liability.

iii) Mortality Risk - The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants. For this report we have used Indian Assured Lives Mortality (2012-14) ultimate table. A change in mortality rate will have a bearing on the plan's liability.

iv) Salary Risk – The present value of the defined benefit plan liability is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

Fair valuation of financial assets and liabilities with short term maturities is considered as approximate to respective carrying amount due to the short term maturities of these instruments.

- Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

- Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

- Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. The fair value of financial assets and liabilities included in Level 3 is determined in accordance with generally accepted pricing models based on discounted cash flow analysis using prices from observable current market transactions and dealer quotes of similar instruments.

38 Financial risk management

Risk management objectives and policies

The Company is exposed to various risks in relation to financial instruments. The Company's financial assets and liabilities by category are summarised in Note 37. The main types of risks are market risk, credit risk and liquidity risk.

The Company's risk management is coordinated by its board of directors, and focuses on actively securing the Company's short to medium-term cash flows by minimising the exposure to volatile financial markets.

The Company does not actively engage in the trading of financial assets for speculative purposes nor does it write options. The most significant financial risks to which the Company is exposed to, are described below:

1 Market risk

Market risk is the risk that changes in market prices will have an effect on Company's income or value of the financial assets and liabilities. The Company is exposed to various types of market risks which result from its operating and investing activities. The most significant financial risks to which the Company is exposed are described below:

(a) Foreign currency risk

There are no unhedged foreign currency exposure relating to financial instruments.

(b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk because interest rates are fluctuating in nature. In order to balance the Company's position with regards to interest expense and to manage the interest rate risk, treasury performs comprehensive interest rate risk management. As the Company does not

have any significant amount of debt, the exposure to interest rate risk from the perspective of Financial Liabilities is negligible.

Total borrowings (gross of transaction cost)	154.10	132.07

Note: Fixed Deposits amounting Rs. 35.00 lakhs has been pledged against the above mentioned Term Loan.

2 CREDIT RISK

Credit risk arises from cash and cash equivalent, investments in mutual funds, deposits with the banks, as well as credit exposure to customers including outstanding receivables.

Credit risk management

For Bank and Financial Institutions, only high rated banks/ institutions are accepted.

For other counter parties, the Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of account receivables. Individual risk limits are set accordingly. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls. The Company's policy is to deal only with creditworthy counterparties only.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. The Company considers reasonable and supportive forward-looking information.

The credit risk for cash and cash equivalents and other financial instruments is considered negligible and no impairment has been recorded by the Company.

Significant estimates and judgments

Impairment of financial assets

The impairment provisions for financial assets disclosed above are based on assumptions about risk of default and expected loss rates. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

3 Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company's is responsible for managing the short term and long term liquidity requirements. Short term liquidity situation is reviewed daily. Longer term liquidity position is reviewed on a regular basis by the Board of Directors and appropriate decisions are taken according to the situation.

CONSOLIDATED FINANCIAL REPORT

INDEPENDENT AUDITOR'S REPORT

Opinion

We have audited the accompanying Consolidated Financial Statements of **JHS Svendgaard Retail Ventures Limited** (the "Company") and its subsidiary, **PJHS Entertainment Private Limited** (the Holding Company and its subsidiary together referred to as "the Group"), which comprise the Consolidated Balance Sheet as at March 31, 2026, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows for the year ended on that date, and Notes to the Consolidated Financial Statements, including a summary of material accounting policies and other explanatory information (hereinafter referred to as the "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditor on the separate audited financial statements of the subsidiary, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013 (the "Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended ("Ind AS"), and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at March 31, 2026, and its consolidated loss, consolidated total comprehensive loss, consolidated changes in equity and consolidated cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit of the Consolidated Financial Statements in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements** section of our report.

We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("ICAI"), together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditor in terms of their report referred to in subparagraph (i) of the **Other Matters** section below is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Emphasis of Matter

We draw attention to Note No. 31 of the Consolidated Financial Statements regarding evaluation of the implications arising from the New Labour Code and the detailed implementation framework. The Company has disclosed the estimated exposure presently assessed as a contingent liability, pending final assessment and crystallisation of the incremental liability, if any.

Description	Key Audit Matter	How our audit addressed the Key audit Matter
Business/Commission arrangement with BECIL	The Company is providing manpower services to one of its customers. In lieu of the latest guidelines as per New Labour Code, there is a liability upon the Principal Employer for payment of Gratuity for personnels employed for a duration of more than 1 year.	Our audit procedures in relation to this matter included, but not limited to the following: • Gratuity liability rests with customer: The Company does not have any contractual assurance or arrangement with such customer for reimbursement of such gratuity liability.

		• Payroll Management: While the Company is managing the payroll on behalf of the customer and the said employees are employed by the end customer only. While there are ongoing discussions with the customer in this regard, but as there is no final written agreement for reimbursement of such modified cost, if applicable, there is a commercial exposure that the Company is facing in this regard as against the annual income earned from such customer while providing the services. • As at the reporting date, the Company has considered gratuity liability of ₹41.5 lakhs as contingent liability.

Information Other than the Financial Statements and Auditor's Report Thereon

The Holding Company's Board of Directors is responsible for the preparation of the other information. The other information comprises the information included in the Management Discussion and Analysis, Board's Report including Annexures to the Board's Report, Business Responsibility and Sustainability Report, Corporate Governance and Shareholders' Information, but does not include the Consolidated Financial Statements and our auditor's report thereon. The above-referred information is expected to be made available to us after the date of this audit report.

Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information, when it is made available to us, and compare it with the Consolidated Financial Statements and, to the extent it relates to the subsidiary audited by the other auditor, with the financial statements/financial information of such subsidiary. In doing so, we place reliance on the work of the other auditor and consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated. The other information, insofar as it relates to the subsidiary, is traced from its financial

statements/financial information audited by the other auditor. The Annual Report has not been made available to us as at the date of this auditor's report.

When we read such other information, as and when made available to us, and if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Act with respect to the preparation of these Consolidated Financial Statements that give a true and fair view of the financial position, financial performance, including other comprehensive income, changes in equity and cash flows of the Group in accordance with accounting principles generally accepted in India, including Ind AS specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate

internal financial controls that were operating effectively for ensuring the accuracy and completeness of the accounting records relevant to the preparation and presentation of the Consolidated Financial Statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the Consolidated Financial Statements by the Board of Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Management and Board of Directors of the companies included in the Group are responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing ("SAs") specified under Section 143(10) of the Act will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs specified under Section 143(10) of the Act, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- **Identify and assess** the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal control.
- **Obtain an understanding** of internal financial controls relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to Consolidated Financial Statements in place and the operating effectiveness of such controls.
- **Evaluate** the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the Board of Directors.
- **Conclude** on the appropriateness of Management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- **Evaluate** the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the

underlying transactions and events in a manner that achieves fair presentation.

- **Obtain sufficient appropriate audit evidence** regarding the financial information of the entities or business activities within the Group to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the financial statements of the Holding Company included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. Our responsibilities in this regard are further described in paragraph (i) of the section titled “Other Matters” in this audit report.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in:

- (i) planning the scope of our audit work and in evaluating the results of our work; and
- (ii) evaluating the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence and communicate with them all relationships and other matters that may reasonably be thought to bear on our independence and, where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the

Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditor’s report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

(i) The Consolidated Financial Statements include the audited financial information of one subsidiary whose financial information reflects total assets and liabilities of ₹447.77 lakhs and ₹467.55 lakhs, respectively, as at March 31, 2026; total revenue of ₹2.59 lakhs and ₹14.58 lakhs and total expenses of ₹18.30 lakhs and ₹32.10 lakhs; and total net loss after tax of ₹15.71 lakhs and ₹17.52 lakhs and total comprehensive loss of ₹15.71 lakhs and ₹17.52 lakhs for the quarter and year ended March 31, 2026, respectively, as considered in the Consolidated Financial Statements.

The financial information of the subsidiary has been audited by its other auditor. The independent auditor’s report on the financial information of this entity has been furnished to us by the Management and our opinion on the Consolidated Financial Statements, insofar as it relates to the amounts and disclosures included in respect of this entity, is based solely on the report of such other auditor and the procedures performed by us as stated in the paragraph above.

The Consolidated Financial Statements include the results for the quarter ended March 31, 2026, being the balancing figures between the audited figures in respect of the full financial year ended March 31, 2026 and the published year-to-date figures up to the end of the third quarter of the relevant financial year, which were subject to limited review, as required under the Listing Regulations.

Our opinion on the Consolidated Financial Statements is not modified in respect of the above matter.

Report on Other Legal and Regulatory Requirements

1. As required by Section 143(3) of the Act, based on our audit and consideration of the report of the other auditor of the subsidiary, we report that:

a) We have sought and obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.

b) In our opinion, proper books of account as required by law have been kept by the Group, so far as it appears from our examination of those books and the reports of the other auditor.

c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss including Other Comprehensive Income, the Consolidated Statement of Changes in Equity and the Consolidated Statement of Cash Flows dealt with by this Report are in agreement with the books of account maintained for the purpose of preparation of the Consolidated Financial Statements.

d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Ind AS specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, and other accounting principles generally accepted in India.

e) On the basis of the written representations received from the directors of the Holding Company as on April 1, 2026, taken on record by the Board of Directors of the Holding Company, none of the directors of the Group is disqualified as on March 31, 2026 from being appointed as a director in terms of Section 164(2) of the Act.

f) The observations relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph 1(b) above on reporting under Section 143(3)(b) and paragraph 1(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014.

g) With respect to the adequacy of the internal financial controls with reference to Consolidated Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in “Annexure A”, which is based on our audit of the Holding Company and consideration of the audit report of the subsidiary company. Our report expresses an unmodified opinion on the adequacy and operating effectiveness of the Company’s internal

financial controls with reference to Consolidated Financial Statements.

h) With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditor and other financial information of the subsidiary, as noted in the ‘Other Matters’ paragraph of the report:

i. The Consolidated Financial Statements disclose the impact of pending litigations on the consolidated financial position of the Group. Refer Note 31 to the Consolidated Financial Statements.

ii. The Group did not have any long-term contracts, including derivative contracts, for which there were any material foreseeable losses.

iii. There was no amount which was required to be transferred to the Investor Education and Protection Fund by the Company.

iv. (a) The respective Management of the Holding Company and subsidiary company has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the Consolidated Financial Statements, no funds (which are material either individually or in the aggregate) have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the Holding Company or its subsidiary to or in any other person or entity, including foreign entities (“Intermediaries”), with the understanding, whether recorded in writing or otherwise, that the Intermediary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company or its subsidiary (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(b) The respective Management of the Holding Company and subsidiary company has represented that, to the best of its knowledge and belief, no funds (which are material either individually or in the aggregate) have been received by the Holding Company or its subsidiary from any person or entity, including foreign entities (“Funding Parties”), with the

understanding, whether recorded in writing or otherwise, that the Holding Company or its subsidiary shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on the audit procedures that have been considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clauses (a) and (b) above contain any material misstatement.

v. The Holding Company and its subsidiary have not declared or paid any dividend during the year.

vi. Based on the representations and examination of the records of the Holding Company and based on our examination, which included test checks, the Holding Company has used accounting software for maintaining its books of account for the financial year ended March 31, 2026, which has a feature of

recording audit trail (edit log) facility. The same has operated throughout the year for all relevant transactions recorded in the software and the audit trail has been preserved by the Company as per the statutory requirements for record retention. Further, during the course of our audit, we did not come across any instance of the audit trail feature being tampered with.

Additionally, the audit trail of relevant prior years has been preserved for record retention and recorded in those respective years by the Company as per the statutory requirements for record retention.

2. As required by the Companies (Auditor's Report) Order, 2020 (the "Order") issued by the Central Government in terms of Section 143(11) of the Act, we give in "Annexure B" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1(g) under ‘Report on Other Legal and Regulatory Requirements’ section of our report to the Members of JHS Svendgaard Retail Ventures Limited of even date)

Report on the Internal Financial Controls with reference to Consolidated Financial Statements under Clause (i) of sub-section 3 of Section 143 of the Companies Act, 2013 (the “Act”)

We have audited the internal financial controls with reference to Consolidated Financial Statements of **JHS Svendgaard Retail Ventures Limited** (the “Holding Company”) and its subsidiary as of March 31, 2026, in conjunction with our audit of the Consolidated Financial Statements of the Company for the year ended on that date.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary company are responsible for establishing and maintaining internal financial controls with reference to Consolidated Financial Statements based on the internal control over financial reporting criteria established by the respective companies, considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the “ICAI”).

These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of their respective businesses, including adherence to the respective companies’ policies, the safeguarding of their assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records and the timely preparation of reliable financial information, as required under the Act.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to Consolidated Financial Statements of the Holding Company based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of

Internal Financial Controls Over Financial Reporting (the “Guidance Note”) issued by the ICAI and the Standards on Auditing prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to Consolidated Financial Statements.

Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Consolidated Financial Statements were established and maintained and whether such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to Consolidated Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Consolidated Financial Statements included obtaining an understanding of internal financial controls with reference to Consolidated Financial Statements, assessing the risk that a material weakness exists and testing and evaluating the design and operating effectiveness of internal controls based on the assessed risk.

The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditor of the subsidiary, to the extent applicable, is sufficient and appropriate to provide a basis for our audit opinion on the Group’s internal financial controls with reference to Consolidated Financial Statements.

Meaning of Internal Financial Controls with reference to Consolidated Financial Statements

A company’s internal financial control with reference to Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation

of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Consolidated Financial Statements includes those policies and procedures that:

(1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company;

(2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and

(3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements

Because of the inherent limitations of internal financial controls over financial reporting, including the

possibility of collusion or improper Management override of controls, material misstatements due to error or fraud may occur and not be detected.

Also, projections of any evaluation of the internal financial controls with reference to Consolidated Financial Statements to future periods are subject to the risk that the internal financial control with reference to Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Holding Company and its subsidiary have, in all material respects, adequate internal financial controls with reference to Consolidated Financial Statements and such internal financial controls were operating effectively as at March 31, 2026, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the ICAI.

ANNEXURE 'B' TO THE INDEPENDENT AUDITOR'S REPORT

(Referred to in paragraph 2 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of JHS Svendgaard Retail Ventures Limited)

With respect to the matters specified in clause (xxi) of paragraph 3 and paragraph 4 of the Companies (Auditor's Report) Order, 2020 ("CARO") issued by the Central Government in terms of Section 143(11) of the Act, according to the information and explanations given to us, and based on the CARO reports issued by us and the auditor of subsidiary company included in the Consolidated Financial Statements, to which reporting under CARO is applicable, as provided to us by the Management of the Holding company, we report that in respect of those companies where audits have been completed under Section 143 of the Act, there are no qualifications or adverse remarks by the respective auditor in the CARO report of the said company included in the Consolidated Financial Statements.

NOTES TO FINANCIAL STATEMENT AS AT 31 MARCH 2026

Background

JHS Svendgaard Retail Ventures Limited incorporated on 15 February 2007 is a public company and is domiciled in India. It is classified as Non-govt company and is registered in the state of Haryana. Its authorized share capital is Rs. 20,00,00,000 and its paid up capital is Rs. 680,46,000. It is involved in Non-specialized retail trade in stores. The Company's shares are listed for trading on the National Stock Exchange of India Limited and the BSE Limited.

JHS Svendgaard Retail Ventures Limited's Corporate Identification Number (CIN) L52100HR2007PLC093324 and its registration number is 093324. Its Email address is cs@jhsretail.com and its registered address is Fifth Floor, Plot No 107, Sector-44 Institutional Area, Gurugram Haryana 122001 (India).

During the current financial year JHS Svendgaard Retail Ventures Limited (Holding Company) has acquired Subsidiary Company namely PJHS Entertainment Private Limited by investing 50.01% shares and has significant control over it.

The consolidated financial statements comprise financial statements of JHS Svendgaard Retail Ventures Limited and its subsidiary (collectively referred to as "Group") for the year ended 31 March 2026.

1. Basis of preparation

a) Compliance with Indian Accounting Standard

These financial statements have been prepared in accordance with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and Companies (Indian Accounting Standards) Rules, 2016 and other relevant provisions of the Act.

All amounts disclosed in the financial statements and notes have been rounded off to the nearest lakhs as per the requirement of Division II IND AS Schedule III, unless otherwise stated.

These financial statements were approved by the Board of Directors on 28 May 2026.

b) (i) Principles of Consolidation

The consolidated financial statements comprises the financial statement of the Group, and the entities controlled by the Group including its subsidiaries as at 31 March 2026. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee.

Specifically, the Group controls an investee if and only if the Group has:

- (i) Power over the investee (i.e. existing rights that give it the current ability to direct the relevant activities of the investee)
- (ii) Exposure, or rights, to variable returns from its involvement with the investee, and
- (iii) The ability to use its power over the investee to affect its returns.

Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. If a member of the Group uses accounting policies other than those adopted in the consolidated financial statements for like transactions and events in similar circumstances, appropriate adjustments are made to that Group member's financial statements in preparing the consolidated financial statements to ensure conformity with the Group's accounting policies. The financial statements of the entities used for the purpose of consolidation are drawn up to the same reporting date as that of the Group.

- (ii) (i) Combine like items of assets, liabilities, equity, income, expenses and cash flows of the parent with those of its subsidiaries.
- (ii) Offset (eliminate) the carrying amount of the parent's investment in each subsidiary and the parent's portion of equity of each subsidiary.
- (iii) Eliminate in full, intragroup assets and liabilities, equity, income, expenses and cash flows relating to transactions between entities of the Group (profits or losses resulting from intragroup transactions that are recognised in assets, such as inventory and fixed

assets, are eliminated in full). Intragroup losses may indicate an impairment that requires recognition in the consolidated financial statements. Ind AS 12 “Income Taxes” applies to temporary differences that arise from the elimination of profits and losses resulting from intragroup transactions.

Profit or loss and each component of other comprehensive income (OCI) are attributed to the equity holders of the parent of the Group and to the non-controlling interests, even if this results in the non-controlling interests having a deficit balance. Non-controlling interest in the results and the equity of subsidiaries are shown separately in the Consolidated Statement of Profit and Loss, Consolidated Statement of Changes in Equity and Consolidated Balance Sheet.

The Group treats transactions with noncontrolling interests that do not result in a loss of control as transactions with equity owners

of the Group. A change in ownership interest results in an adjustment between the carrying amounts of the controlling and non-controlling interests to reflect their relative interests in the subsidiary. Any difference between the amount of the adjustment to non-controlling interests and any consideration paid or received is recognised within equity.

The interest of non-controlling shareholders may be initially measured either at fair value or at the non-controlling interests’ proportionate share of the fair value of the acquiree’s identifiable net assets. The choice of measurement basis is made on an acquisition-by-acquisition basis. Subsequent to acquisition, the carrying amount of noncontrolling interests is the amount of those interests at initial recognition plus the non-controlling interests’ share of subsequent changes in equity. Total comprehensive income is attributed to non-controlling interests even if it results in the non-controlling interest having a deficit balance.

b) Basis of Measurement

The Financial Statements have been prepared under the historical cost convention on an accrual basis, unless otherwise stated.

c) Critical Estimates and Judgments

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgment in applying the Company’s accounting policies.

This note provides an overview of the areas that involved a higher degree of judgment or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgments is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates and judgments are:

i. Useful life of property, plant and equipment

The estimated useful life of property, plant and equipment is based on a number of factors, including the effects of obsolescence, demand, competition and other economic factors (such as the stability of the industry and known technological advances) and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

The Company reviews, at the end of each reporting date, the useful life of property, plant and equipment and changes, if any, are adjusted prospectively, if appropriate.

ii. Recoverable amount of property, plant and equipment

The recoverable amount of plant and equipment is based on estimates and assumptions regarding, in particular, the expected market outlook and future cash flows. Any changes in these assumptions may have a material impact on the measurement of the recoverable amount and could result in impairment.

iii. Estimation of defined benefit obligation

Employee benefit obligations are measured on the basis of actuarial assumptions which include mortality and withdrawal rates, as well as assumptions concerning future developments in discount rates, the

rate of salary increases and the inflation rate. The Company considers that the assumptions used to measure its obligations are appropriate and documented. However, any changes in these assumptions may have a material impact on the resulting calculations.

iv. Estimation of deferred tax assets for carry forward losses and current tax expenses

The Company reviews the carrying amount of deferred tax assets and liabilities at the end of each reporting period. The policy for the same has been explained under Note No. 2(d).

v. Impairment of trade receivables

The Company reviews the carrying amount of trade receivables at the end of each reporting period and provides for Expected Credit Loss based on estimates.

vi. Fair value measurement

Management uses valuation techniques in measuring the fair value of financial instrument where active market codes are not available. Details of assumption used are given in the notes regarding financial assets and liabilities. In applying the valuation techniques management makes maximum use of market inputs and uses estimates and assumptions that are, as fast as possible, consistent with observable data that market participant would use in pricing the instrument where application data is not observable, management uses its best estimate about the assumption that market participant would make. These estimates may vary from actual prices that would be achieved in an arm's length transaction at the reporting date.

Estimates and judgments are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

d) Others

The Financial Statements have been prepared on a going concern basis in accordance with the applicable accounting standards prescribed in the Companies (Indian Accounting Standards) Rules, 2015 issued by the Ministry of Corporate Affairs.

e) Current versus non-current classification

The Company presents assets and liabilities in the Financial Statements based on current/non-current classification.

An asset is treated as current when it is:

- Expected to be realized or intended to be sold or consumed in the normal operating cycle;
- Expected to be realized within twelve months after the reporting period; or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period.

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in the normal operating cycle;
- It is due to be settled within twelve months after the reporting period; or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period.

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

f) Foreign currency translation

i) Functional and presentation currency

Items included in the Financial Statements are measured using the currency of the primary economic environment in which the entity operates, i.e., 'the functional currency'. The Financial Statements are presented in Indian Rupees (INR), which is the Company's functional and presentation currency.

ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using exchange rates at the date of the transaction. Foreign exchange gains and losses from settlement of such transactions and from translation of monetary assets and liabilities denominated in foreign currency at the reporting date exchange rates are recognized in the Statement of

Profit and Loss. Foreign exchange gains and losses are presented in the Statement of Profit and Loss on a net basis within other income/expenses.

2. Summary of Material Accounting Policies

a) Revenue Recognition

JHS Svendgaard Retail Ventures Limited specializes in the retail business, operating stores across diverse product categories in various sales formats. These formats include locations such as airports, shopping malls, and standalone stores throughout India.

Sale of goods

For sale of goods, revenue is recognised when control of the goods has transferred at a point in time, i.e., when the goods have been dispatched to the location of the customer. Following dispatch, the customer has full discretion over the responsibility, manner of distribution, price to sell the goods and bears the risks of obsolescence and loss in relation to the goods. A receivable is recognised by the Company when the goods are dispatched to the customer as this represents the point in time at which the right to consideration becomes unconditional, as only the passage of time is required before payment is due. Payment is due within 45–60 days. The Company considers the effects of variable consideration, non-cash consideration, and consideration payable to the customer, if any.

Variable consideration

If the consideration in a contract includes a variable amount, the Company estimates the amount of consideration to which it will be entitled in exchange for transferring the goods to the customer. The variable consideration is estimated at contract inception and constrained until it is highly probable that a significant revenue reversal in the amount of cumulative revenue recognised will not occur when the associated uncertainty with the variable consideration is subsequently resolved. The Company recognizes changes in the estimated amount of variable consideration in the period in which the change occurs. Some contracts for the sale of goods provide customers with volume rebates and pricing incentives, which give rise to variable consideration.

Rebates are offset against amounts payable by the customer. To estimate the variable consideration for the expected future rebates, the Company applies the most likely amount method for contracts with a single-volume threshold. The selected method that best predicts the amount of variable consideration is primarily driven by the number of volume thresholds contained in the contract. The Company then applies the requirements on constraining estimates of variable consideration and recognises a refund liability for the expected future rebates.

Contract balances

Trade receivables

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer to the accounting policies of financial assets in Note No. 2(i) – Financial assets: initial recognition and subsequent measurement.

Contract liabilities (which the Company refers to as advances from customers)

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received consideration (or an amount of consideration is due) from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the payment is made or the payment is due, whichever is earlier. Contract liabilities are recognised as revenue when the Company performs under the contract.

The Company presents revenues net of indirect taxes in its Statement of Profit and Loss.

Cost to obtain a contract

The Company pays sales commission to its selling agents for each contract that they obtain for the Company. The Company has elected to apply the optional practical expedient for costs to obtain a contract, which allows the Company to immediately expense sales commissions (included in 'Commission on Sales' under other expenses) because the amortization period of the asset that the Company otherwise would have used is one year or less.

Costs to fulfil a contract, i.e., freight, insurance and other selling expenses, are recognized as an expense in the period in which the related revenue is recognised.

Financing components

The Company does not expect to have any contracts where the period between the transfer of the promised goods or services to the customer and payment by the customer exceeds one year. As a consequence, the Company does not adjust any of the transaction prices for the time value of money.

Rendering of services

Service income includes job work and its revenue is recognised when the performance obligations to render the services are completed as per contractually agreed terms.

b) Other Revenue Streams

Interest income

Interest income from debt instruments is recognised using the effective interest rate (EIR) method. EIR is the rate which exactly discounts the estimated future cash receipts over the expected life of the financial instrument to the gross carrying amount of the financial asset. When calculating the EIR, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayments, extensions, call and similar options) but does not consider the expected credit losses.

Dividend income

Dividends are recognised in the Statement of Profit and Loss only when the Company's right to receive the payment is established.

c) Income Taxes

Income tax expense for the year comprises current tax and deferred tax. Income tax is recognized in the Statement of Profit and Loss except to the extent that it relates to an item which is recognised in other comprehensive income or directly in equity, in which case the tax is recognized in 'Other Comprehensive Income' or directly in equity, respectively.

The income tax expense or credit for the period is the tax payable on the current period's taxable income based on the applicable income tax rate for each jurisdiction, adjusted by changes in deferred tax assets and liabilities attributable to temporary differences and to unused tax losses.

Current tax

Current tax is based on tax rates applicable for respective years on the basis of tax law enacted or substantively enacted at the end of the reporting period. The Company establishes provisions, where appropriate, on the basis of amounts expected to be paid to the tax authorities. Current tax is payable on taxable profit, which differs from profit or loss in the financial statements. Current tax is charged to the Statement of Profit and Loss. Provision for current tax is made after taking into consideration benefits admissible under the Income Tax Act, 1961.

Deferred tax

Deferred income taxes are calculated, without discounting, on the temporary differences between the carrying amounts of assets and liabilities and their tax base using the tax laws that have been enacted or substantively enacted by the reporting date. However, deferred tax is not provided on the initial recognition of assets and liabilities unless the related transaction is a business combination or affects tax or accounting profit. Tax losses available to be carried forward and other income tax credits available to the entity are assessed for recognition as deferred tax assets.

Deferred tax liabilities are always provided for in full. Deferred tax assets are recognized to the extent it is probable that they will be able to be utilized against future taxable income. Deferred tax assets are recognised to the extent that it is probable that the underlying tax loss or deductible temporary differences will be utilized against future taxable income. This is assessed based on the Company's forecast of future operating income at each reporting date.

Deferred tax assets and liabilities are offset where the entity has a right and intention to set off current tax assets and liabilities from the same taxation authority.

Minimum Alternate Tax (MAT)

Minimum Alternate Tax credit entitlement paid in accordance with tax laws, which gives rise to future economic benefit in the form of adjustment to future tax liability, is considered as an asset to the extent management estimates its recovery in future years.

d) Leases

The determination of whether an arrangement is, or contains, a lease is based on the substance of the arrangement at the inception of the lease. The arrangement is, or contains, a lease if fulfilment of the arrangement is dependent on the use of a specific asset or assets and the arrangement conveys a right to use the asset or assets, even if that right is not explicitly specified in an arrangement.

As a lessee

The Company's lease asset classes primarily consist of leases for buildings. The Company assesses whether a contract contains a lease at the inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration.

To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether:

- (i) the contract involves the use of an identified asset;
- (ii) the Company has substantially all of the economic benefits from the use of the asset throughout the period of the lease; and
- (iii) the Company has the right to direct the use of the asset.

At the commencement date of the lease, the Company recognizes a right-of-use (ROU) asset and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of 12 months or less (short-term leases) and low-value leases. For these short-term and low-value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements include options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities include these

options when it is reasonably certain that they will be exercised.

The ROU assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date, plus any initial direct costs, less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

ROU assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and the useful life of the underlying asset. ROU assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable.

For the purpose of impairment testing, the recoverable amount, i.e., the higher of fair value less cost to sell and value in use, is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rate.

Lease liabilities are remeasured with a corresponding adjustment to the related ROU asset if the Company changes its assessment of whether it will exercise an extension or termination option.

Lease liabilities and ROU assets have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

As a lessor

Lease income from operating leases where the Company is a lessor is recognised in the Statement of Profit and Loss on a straight-line basis over the lease term.

e) Impairment of non-financial assets

Assessment for impairment is done at each Balance Sheet date as to whether there is any indication that a

non-financial asset may be impaired. Indefinite-life intangibles are subject to a review for impairment annually or more frequently if events or circumstances indicate that it is necessary.

For the purpose of assessing impairment, the smallest identifiable Company of assets that generates cash inflows from continuing use that are largely independent of the cash inflows from other assets or Company of assets is considered as a cash generating unit. Goodwill acquired in a business combination is, from the acquisition date, allocated to each of the Company's cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the acquire are assigned to those units.

If any indication of impairment exists, an estimate of the recoverable amount of the individual asset/cash generating unit is made. Asset/cash generating unit whose carrying value exceeds their recoverable amount are written down to the recoverable amount by recognizing the impairment loss as an expense in the Statement of Profit and Loss. The impairment loss is allocated first to reduce the carrying amount of any goodwill (if any) allocated to the cash generating unit and then to the other assets of the unit pro rata based on the carrying amount of each asset in the unit. Recoverable amount is higher of an asset's or cash generating unit's fair value less cost of disposal and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset or cash generating unit and from its disposal at the end of its useful life. Assessment is also done at each Balance Sheet date as to whether there is any indication that an impairment loss recognized for an asset in prior accounting periods may no longer exist or may have decreased. An impairment loss is reversed if there has been a change in the estimates used to determine the recoverable amount. An impairment loss is reversed only to the extent that the assets carrying amount does not exceed the carrying amount that would have been determined, net of depreciation and amortization, if no impairment loss had been recognized. An impairment loss recognized for goodwill is not reversed in subsequent periods.

f) Cash and cash equivalents

For the purpose of presentation in the Statement of Cash Flows, cash and cash equivalents include cash on hand, deposits held at call with financial institutions, other short-term, highly liquid investments with original maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities in the Balance Sheet.

g) Inventories

- (i) Traded goods are valued at the lower of cost and net realizable value. Cost of traded goods is determined on the FIFO basis and comprises direct material, cost of conversion and other costs incurred in bringing these inventories to their present location and condition.
- (ii) Provision for obsolescence on inventories is made on the basis of management's estimate based on demand and market conditions.
- (iii) Net realizable value is the estimated selling price in the ordinary course of business, less the estimated costs of completion and the estimated costs necessary to make the sale.
- (iv) The comparison of cost and net realizable value is made on an item-by-item basis.

h) Financial Assets

(i) Classification

The Company classifies its financial assets in the following measurement categories:

- Those to be measured subsequently at fair value, either through other comprehensive income or through profit or loss; and
- Those measured at amortized cost.

The classification depends on the entity's business model for managing the financial assets and the contractual terms of the cash flows.

For assets measured at fair value, gains and losses will either be recorded in the Statement of Profit and Loss or other comprehensive income. For investments in debt instruments, this will depend on the business model in which the investment is held. For investments in equity instruments, this will depend on whether the Company has made an irrevocable election at the time

of initial recognition to account for the equity investment at fair value through other comprehensive income.

The Company reclassifies debt investments when and only when its business model for managing those assets changes.

(ii) Initial measurement

At initial recognition, the Company measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs that are directly attributable to the acquisition of the financial asset. Transaction costs of financial assets carried at fair value through profit or loss are expensed in profit or loss.

(iii) Subsequent measurement

Debt instruments

Subsequent measurement of debt instruments depends on the Company's business model for managing the asset and the cash flow characteristics of the asset. There are three measurement categories into which the Company classifies its debt instruments:

- **Amortized cost:** Assets that are held for collection of contractual cash flows where those cash flows represent solely payments of principal and interest are measured at amortized cost. A gain or loss on a debt investment that is subsequently measured at amortized cost and is not part of a hedging relationship is recognised in the Statement of Profit and Loss when the asset is derecognized or impaired. Interest income from these financial assets is included in finance income using the effective interest rate method.

- **Fair Value through Other Comprehensive Income (FVOCI):** Assets that are held for collection of contractual cash flows and for selling the financial assets, where the assets' cash flows represent solely payments of principal and interest, are measured at FVOCI. Movements in the carrying amount are taken through OCI, except for the recognition of impairment gains or losses, interest revenue and foreign exchange gains and losses, which are recognized in profit or loss. When the financial asset is derecognized, the cumulative gain or loss previously recognized in OCI is reclassified from equity to profit or loss and recognized in other gains/(losses). Interest income from these

financial assets is included in other income using the effective interest rate method. At present, no financial assets fulfil this condition.

- **Fair Value Through Profit or Loss (FVTPL):** Assets that do not meet the criteria for amortized cost or FVOCI are measured at FVTPL. A gain or loss on a debt investment that is subsequently measured at fair value through profit or loss and is not part of a hedging relationship is recognized in the Statement of Profit and Loss and presented net within other gains/(losses) in the period in which it arises. Interest income from these financial assets is included in other income.

Equity instruments

All equity investments in the scope of Ind AS 109 are measured at fair value. Equity instruments held for trading are classified as at FVTPL. For all other equity instruments, the Company may make an irrevocable election to present subsequent changes in fair value in other comprehensive income. The Company makes such election on an instrument-by-instrument basis. The classification is made on initial recognition and is irrevocable.

Where the Company's management has elected to present fair value gains and losses on equity investments in other comprehensive income, there is no subsequent reclassification of fair value gains and losses to the Statement of Profit and Loss, even on sale of the investment. Dividends from such investments are recognized in the Statement of Profit and Loss as other income when the Company's right to receive payment is established.

Changes in the fair value of financial assets at fair value through profit or loss are recognized in other gains/(losses) in the Statement of Profit and Loss. Impairment losses and reversal of impairment losses on equity investments measured at FVOCI are not reported separately from other changes in fair value.

(iv) Impairment of financial assets

For all financial assets with contractual cash flows other than trade receivables, Expected Credit Losses (ECLs) are measured at an amount equal to the 12-month ECL, unless there has been a significant increase in credit risk from initial recognition, in which case they are measured at lifetime ECL. The amount of ECLs, or

reversal thereof, for the period is recognised as an expense/income in the Statement of Profit and Loss.

(v) Derecognition of financial assets

A financial asset is derecognized only when:

- The Company has transferred the rights to receive cash flows from the financial asset; or
- The Company retains the contractual rights to receive the cash flows of the financial asset but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognized.

Where the entity has neither transferred a financial asset nor retained substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognized if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

i) Financial liabilities

Initial recognition and measurement

All financial liabilities are recognised initially at fair value and, in the case of loans, borrowings and payables, net of directly attributable transaction costs.

Subsequent measurement

Financial liabilities at amortized cost

After initial measurement, such financial liabilities are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance costs in the Statement of Profit and Loss.

Trade and other payables

These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. The amounts are

unsecured and are usually paid within the operating cycle of the business. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortized cost using the effective interest method.

Borrowings

Borrowings are initially recognised at fair value, net of transaction costs incurred. Borrowings are subsequently measured at amortized cost. Any difference between the proceeds, net of transaction costs, and the redemption amount is recognised in the Statement of Profit and Loss over the period of the borrowings using the effective interest method. Fees paid on the establishment of loan facilities are recognised as transaction costs of the loan.

Borrowings are removed from the Balance Sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognised in the Statement of Profit and Loss as other gains/(losses).

Where the terms of a financial liability are renegotiated and the Company issues equity instruments to a creditor to extinguish all or part of the liability (debt-for-equity swap), a gain or loss is recognised in the Statement of Profit and Loss, measured as the difference between the carrying amount of the financial liability and the fair value of the equity instruments issued.

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged, cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such exchange or modification is treated as the derecognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

j) Offsetting financial instruments

Financial assets and liabilities are offset and the net amount is reported in the Balance Sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realize the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

k) Property, Plant and Equipment

Freehold land is carried at historical cost. Other property, plant and equipment are stated at the historical cost of acquisition, net of recoverable taxes (wherever applicable), less accumulated depreciation and amortization, if any. Cost comprises the purchase price, any cost attributable to bringing the assets to their working condition for their intended use, and the initial estimate of costs of dismantling and removing the item and restoring the site, if any.

Where the cost of a part of an asset is significant in relation to the total cost of the asset and the useful life of that part is different from the remaining asset, the useful life of that part is determined separately and accounted for as a separate component.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured

reliably. The carrying amount of any component accounted for as a separate asset is derecognized when replaced. All other repairs and maintenance are charged to the Statement of Profit and Loss during the reporting period in which they are incurred.

An asset's carrying amount is written down to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

An item of property, plant and equipment and any significant part initially recognised is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset, calculated as the difference between the net disposal proceeds and the carrying amount of the asset, is included in the Statement of Profit or Loss when the asset is derecognized.

l) Intangible Assets

An intangible asset is recognised when it is probable that the future economic benefits attributable to the asset will flow to the enterprise and where its cost can be reliably measured. Intangible assets are stated at the cost of acquisition less accumulated amortization and impairment losses, if any. Cost comprises the purchase price and any cost attributable to bringing the assets to their working condition for their intended use.

The cost of an internally generated asset comprises all expenditure that can be directly attributed, or allocated on a reasonable and consistent basis, to create, produce and make the asset ready for its intended use.

Losses arising from retirement of, and gains or losses on disposal of, intangible assets are determined as the difference between net disposal proceeds and the carrying amount of the assets and are recognised as income or expenses in the Statement of Profit and Loss.

The Company has elected to continue with the carrying value for all of its intangible assets as recognised in the financial statements on transition to Ind AS, measured

as per the previous GAAP, and use that as its deemed cost as at the date of transition.

m) Capital Work-in-Progress / Intangible Assets under Development

Capital work-in-progress and intangible assets under development represent expenditure incurred in respect of capital projects and intangible assets under development and are carried at cost. Cost includes related acquisition expenses, development costs, borrowing costs (wherever applicable) and other direct expenditures.

The Company has elected to continue with the carrying value for all of its capital work-in-progress and intangible assets under development as recognised in the financial statements on transition to Ind AS, measured as per the previous GAAP, and use that as its deemed cost as at the date of transition.

n) Depreciation and Amortization

Depreciation on property, plant and equipment has been provided on the straight-line method in accordance with the provisions of Part C of Schedule II of the Companies Act, 2013. The Management believes that the estimated useful lives as per the provisions of Schedule II to the Companies Act, 2013, except for moulds and dies, are realistic and reflect a fair approximation of the period over which the assets are likely to be used.

Based on internal assessment and technical evaluation, the Management has assessed the useful life of moulds and dies as five years, which is different from the useful life prescribed under Part C of Schedule II of the Companies Act, 2013.

Depreciation and amortization on additions to property, plant and equipment are provided on a pro rata basis from the date the assets are ready for use. Depreciation and amortization on sale, deduction or discardment of property, plant and equipment are provided up to the date of such sale, deduction or discardment, as the case may be.

The residual values, useful lives and methods of depreciation of property, plant and equipment and intangible assets are reviewed at the end of each financial year and adjusted prospectively, if appropriate.

All assets costing Rs. 5,000 or below are depreciated/amortized by a one-time depreciation/amortization charge in the year of purchase.

Description	Useful lives (upto)
Computer	3 years
Furniture & Fixture	10 years
Office Equipment	5 years
Leasehold Improvements	8 years
Electronic Equipment	8 years

o) Borrowing Costs

Borrowing costs include interest calculated using the effective interest rate method and amortization of ancillary costs incurred in connection with the arrangement of borrowings. General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalized during the period of time required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale.

All other borrowing costs are expensed in the period in which they are incurred.

p) Provisions, Contingent Liabilities and Contingent Assets

A provision is recognised when the Company has a present legal or constructive obligation as a result of past events, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation, and the amount can be reliably estimated. Provisions are not recognised for future operating losses.

Provisions are measured at the present value of management's best estimate of the expenditure required to settle the present obligation at the end of the reporting period. If the effect of the time value of money is material, provisions are determined by discounting the expected future cash flows at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability. The increase in the provision due to the passage of time is recognised as interest expense.

Contingent liabilities are possible obligations that arise from past events and whose existence will only be

confirmed by the occurrence or non-occurrence of one or more future events not wholly within the control of the Company. Where it is not probable that an outflow of economic benefits will be required, or the amount cannot be estimated reliably, the obligation is disclosed as a contingent liability, unless the probability of outflow of economic benefits is remote. Contingent liabilities are disclosed on the basis of the judgment of management/independent experts. These are reviewed at each Balance Sheet date and are adjusted to reflect the current management estimate.

q) Employee Benefits

(i) Short-term obligations

Short-term benefits comprise employee costs such as salaries and bonuses, including non-monetary benefits, that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. These are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled.

The liabilities are presented as current employee benefit obligations in the Balance Sheet.

(ii) Post-employment obligations

Defined benefit plans

Gratuity obligations

The Company provides retirement benefits in the form of gratuity. The liability or asset recognised in the Balance Sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets.

The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. The present value of the defined benefit obligation denominated in INR is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is

included in employee benefit expense in the Statement of Profit and Loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in Other Comprehensive Income. They are included in retained earnings in the Statement of Changes in Equity and in the Balance Sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in the Statement of Profit and Loss as past service cost.

Defined contribution plans

Provident Fund

All employees of the Company are entitled to receive benefits under the Provident Fund, which is a defined contribution plan. Both the employee and the employer make monthly contributions to the plan at a predetermined rate as per the provisions of the Employees' Provident Funds and Miscellaneous Provisions Act, 1952. These contributions are made to the fund administered and managed by the Government of India.

Employee State Insurance

Employees whose wages/salary are within the prescribed limit in accordance with the Employees' State Insurance Act, 1948, are covered under this scheme. These contributions are made to the fund administered and managed by the Government of India. The Company's contributions to these schemes are expensed in the Statement of Profit and Loss. The Company has no further obligations under the plan beyond its monthly contributions.

(iii) Other long-term employee benefit obligations

Leave encashment

The liabilities for accumulated absences are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are, therefore, measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period using the projected unit credit method.

The benefits are discounted using the market yields at the end of the reporting period that have terms approximating the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognised in the Statement of Profit and Loss.

The obligations are presented as current liabilities in the Balance Sheet if the entity does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

Share-Based Payments

The Company recognises the goods or services received or acquired in a share-based payment transaction when it obtains the goods or as the services are received, with a corresponding increase in equity if the goods or services were received in an equity-settled share-based payment transaction, or a liability if the goods or services were acquired in a cash-settled share-based payment transaction.

When the goods or services received or acquired do not qualify for recognition as assets, they are recognised as expenses.

For equity-settled share-based payment transactions, the Company measures the goods or services received, and the corresponding increase in equity, directly at the fair value of the goods or services received, unless that fair value cannot be estimated reliably. If the Company cannot reliably estimate the fair value of the goods or services received, the Company measures their value, and the corresponding increase in equity, indirectly by reference to the fair value of the equity instruments granted.

If the equity instruments granted vest immediately, on the grant date the Company recognises the services received in full, with a corresponding increase in equity.

r) Contributed Equity

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as a deduction, net of tax, from the proceeds.

s) Earnings Per Share

Basic earnings per equity share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the financial year. The weighted average number of equity shares outstanding during the period is adjusted for events of bonus issues to existing shareholders.

For the purpose of calculating diluted earnings per share, the net profit or loss attributable to equity shareholders and the weighted average number of shares outstanding are adjusted for the effects of all dilutive potential equity shares, if any.

t) Segment Reporting

In line with the provisions of Ind AS 108 – Operating Segments, and on the basis of the review of operations by the Chief Operating Decision Maker (CODM), the operations of the Company fall under retail operations, which are considered to be the only reportable segment.

u) Measurement of Fair Values

A number of the accounting policies and disclosures require measurement of fair values for both financial and non-financial assets and liabilities. Fair values are categorized into different levels in a fair value hierarchy based on the inputs used in the valuation techniques, as follows:

Level 1: Quoted prices (unadjusted) in active markets for identical assets or liabilities.

Level 2: Inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e., as prices) or indirectly (i.e., derived from prices).

Level 3: Inputs for the asset or liability that are not based on observable market data (unobservable inputs).

The Company has an established control framework with respect to the measurement of fair values. This includes a finance team that has overall responsibility for overseeing all significant fair value measurements, including Level 3 fair values.

The finance team regularly reviews significant unobservable inputs and valuation adjustments. If third-party information is used to measure fair values,

the finance team assesses the evidence obtained from the third parties to support the conclusion that these valuations meet the requirements of Ind AS, including the level in the fair value hierarchy in which the valuations should be classified.

When measuring the fair value of an asset or a liability, the Company uses observable market data as far as The Company recognizes transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred. Further information about the assumptions made in measuring fair values used in preparing these financial statements is included in the respective notes.

v) Assets Held for Sale

Non-current assets or disposal groups comprising assets and liabilities are classified as held for sale if their carrying amount is intended to be recovered principally through a sale rather than through continuing use, when the asset or disposal group is available for immediate sale in its present condition subject only to terms that are usual and customary for the sale of such asset or disposal group, and the sale is

possible. If the inputs used to measure the fair value of an asset or a liability fall into different levels of the fair value hierarchy, the fair value measurement is categorized in its entirety in the same level of the fair value hierarchy as the lowest-level input that is significant to the entire measurement.

highly probable and is expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-current assets or disposal groups comprising assets and liabilities classified as held for sale are measured at the lower of their carrying amount and fair value less costs to sell. Non-current assets held for sale are not depreciated or amortised.

w) Exceptional Items

An item of income or expense which, by its size, type or incidence, requires separate disclosure in order to improve an understanding of the performance of the Company is treated as an exceptional item and the same is disclosed in the notes to accounts

d) Terms / rights attached to equity shares

The Company has only one class of equity shares having a par value of ₹10/- per share referred to herein as equity share. Each holder of equity shares is entitled to one vote per share held.

The Company declares and pays dividends in Indian rupees. The dividend proposed by the Board of Directors is subject to the approval of the shareholders in the ensuing Annual General Meeting except in the case where interim dividend is distributed. During the year ended 31 March, 2026 and 31 March, 2025, no dividend has been declared by the Company.

In the event of liquidation of the Company, the holders of equity shares will be entitled to receive all of the remaining assets of the Company, after distribution of all preferential amounts, if any. Such distribution amount will be in proportion to the number of equity shares held by the shareholders.

e) Aggregate number of shares issued for consideration other than cash during the period of five years immediately preceding the reporting date:

b. Defined benefit plans

- Gratuity

Gratuity is payable to eligible employees as per the Company's policy and The Payment of Gratuity Act, 1972. The present value of obligation is determined based on actuarial valuation using the Projected Unit Credit (PUC) method, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligations.

Liability with respect to the gratuity is determined based on an actuarial valuation done by an independent actuary at the year end and is charged to Statement of Profit and Loss.

Actuarial gains and losses comprise experience adjustments and the effects of changes in actuarial assumptions and are recognized immediately in the Other Comprehensive Income as income or expense.

Actuarial valuation for gratuity has been carried out during the current financial year and the resulting liability has been appropriately recognized and recorded in the books of account.

Description of Risk Exposures:

Risks associated with the plan provisions are actuarial risks. These risks are:- (i) investment risk, (ii) interest risk (discount rate risk), (iii) mortality risk and (iv) salary risk.

i) Investment Risk- The present value of the defined benefit plan liability is calculated using a discount rate determined by reference to Government bonds yield. If plan liability is funded and return on plan assets is below this rate, it will create a plan deficit.

ii) Interest Risk (discount rate risk) – A decrease in the bond interest rate (discount rate) will increase the plan liability.

iii) Mortality Risk - The present value of the defined benefit plan liability is calculated by reference to the best estimate of the mortality of plan participants. For this report we have used Indian Assured Lives Mortality (2012-14) ultimate table. A change in mortality rate will have a bearing on the plan's liability.

iv) Salary Risk – The present value of the defined benefit plan liability is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

Fair valuation of financial assets and liabilities with short term maturities is considered as approximate to respective carrying amount due to the short term maturities of these instruments.

- Level 1: Level 1 hierarchy includes financial instruments measured using quoted prices.

- Level 2: The fair value of financial instruments that are not traded in an active market is determined using valuation techniques which maximize the use of observable market data and rely as little as possible on entity specific estimates. If all significant inputs required to fair value an instrument are observable, the instrument is included in level 2.

- Level 3: If one or more of the significant inputs is not based on observable market data, the instrument is included in level 3. The fair value of financial assets and liabilities included in Level 3 is determined in accordance with generally accepted pricing models based on discounted cash flow analysis using prices from observable current market transactions and dealer quotes of similar instruments.

37 Financial risk management

Risk management objectives and policies

The Company is exposed to various risks in relation to financial instruments. The Company's financial assets and liabilities by category are summarised in Note 37. The main types of risks are market risk, credit risk and liquidity risk.

The Company's risk management is coordinated by its board of directors, and focuses on actively securing the Company's short to medium-term cash flows by minimising the exposure to volatile financial markets.

The Company does not actively engage in the trading of financial assets for speculative purposes nor does it write options. The most significant financial risks to which the Company is exposed to, are described below:

1 Market risk

Market risk is the risk that changes in market prices will have an effect on Company's income or value of the financial assets and liabilities. The Company is exposed to various types of market risks which result from its operating and investing activities. The most significant financial risks to which the Company is exposed are described below:

(a) Foreign currency risk

There are no unhedged foreign currency exposure relating to financial instruments.

(b) Interest rate risk

Interest rate risk is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in market interest rates. The Company is exposed to interest rate risk because interest rates are fluctuating in nature. In order to balance the Company's position with regards to interest expense and to manage the interest rate risk, treasury performs comprehensive interest rate risk management. As the Company does not have any significant amount of debt, the exposure to interest rate risk from the perspective of Financial Liabilities is negligible.

Details of borrowings including current maturities		
- Term Loan	43.99	-
- Cash Credit	110.11	-
Total borrowings (gross of transaction cost)	154.10	-

Note: Fixed Deposits amounting Rs. 35.00 lakhs has been pledged against the above mentioned Term Loan.

2 CREDIT RISK

Credit risk arises from cash and cash equivalent, investments in mutual funds, deposits with the banks, as well as credit exposure to customers including outstanding receivables.

Credit risk management

For Bank and Financial Institutions, only high rated banks/ institutions are accepted.

For other counter parties, the Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of account receivables. Individual risk limits are set accordingly. The Company continuously monitors defaults of customers and other counterparties and incorporates this information into its credit risk controls. The Company's policy is to deal only with creditworthy counterparties only.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the Company compares the risk of default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. The Company considers reasonable and supportive forward-looking information.

The credit risk for cash and cash equivalents and other financial instruments is considered negligible and no impairment has been recorded by the Company.

Significant estimates and judgments

Impairment of financial assets

The impairment provisions for financial assets disclosed above are based on assumptions about risk of default and expected loss rates. The Company uses judgment in making these assumptions and selecting the inputs to the impairment calculation, based on the Company's past history, existing market conditions as well as forward looking estimates at the end of each reporting period.

3 Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in meeting the obligations associated with its financial liabilities that are settled by delivering cash or another financial asset. The Company's approach to managing liquidity is to ensure, as far as possible, that it will have sufficient liquidity to meet its liabilities when they are due, under both normal and stressed conditions, without incurring unacceptable losses or risking damage to the Company's reputation.

The Company's is responsible for managing the short term and long term liquidity requirements. Short term liquidity situation is reviewed daily. Longer term liquidity position is reviewed on a regular basis by the Board of Directors and appropriate decisions are taken according to the situation.

Please note that registration of e-mail address and mobile number is now mandatory while voting electronically and joining virtual meetings.

Members, who are holding shares in physical/electronic form and their e-mail addresses are not registered with the Company/their respective Depository Participants, are requested to register their e-mail addresses at the earliest by sending scanned

copy of a duly signed letter by the Member(s) mentioning their name, complete address, folio number, number of shares held with the Company along with self-attested scanned copy of the PAN Card and self-attested scanned copy of any one of the following documents viz., Aadhar Card, Driving Licence, Election Card, Passport, utility bill or any other Govt. document in support of the address proof of the Member as registered with the Company for receiving the Intergrated Annual Report 2025-26 along with AGM Notice by email to cs@jhsretail.com Members holding shares in demat form can update their email address with their Depository Participants.

14. Please note that the updation/registration of email addresses on the basis of the above scanned documents will be only for the purpose of sending the notice of 19th AGM and Annual Report for 2025-26 and thereafter shall be disabled from the records of the RTA immediately after the 19th AGM. The Member(s) will therefore be required to send the email ID updation request along with hard copies of the aforesaid documents to RTA for actual registration in the records to receive all the future communications including Annual Reports, Notices, Circulars, etc. from the Company electronically.

15. Members who have questions or are seeking clarifications on the Annual Report or on the proposals as contained in this Notice, are requested to send email to the Company on cs@jhsretail.com on or before 5:00 p.m. on September, 22nd 2026. This would enable the Company to compile the information and provide the replies at the meeting. The Company will be able to answer only those questions at the meeting which are received in advance as per the above process. The Company will allot time for members to express their views or give comments during the meeting. The Members who wish to register themselves as a speaker by sending an e-mail from their registered e-mail ID mentioning their name, DP ID and Client ID/Folio number and Mobile number, on e-mail ID, cs@jhsretail.com on or before 5:00 p.m. on Tuesday, 22nd September, 2026. Depending on the availability of time, the Company reserves the right to restrict the number of speakers at the meeting.

16. As per the provisions of Section 72 of the Act and

relevant SEBI Circulars, the facility for making nomination is available to the Members in respect of the shares held by them. Members who have not yet registered their nominations are requested to register the same by submitting Form SH-13. Further, all new Members are mandatorily required to provide the choice of nomination for their demat accounts (except for jointly held demat accounts).

If a member desires to opt-out or cancel the earlier nomination and record a fresh nomination, the Member may submit the requisite application in Form ISR-3 or Form SH-14, as the case may be. The said forms can be downloaded from the Company's website at <https://jhsretail.com/index.html#investor-query>.

- Members are requested to submit the said form to their respective DPs in case the shares are held in electronic form, and to the RTA in case the shares are held in physical form.
- Members who are holding physical shares in identical order of names in more than one folio are requested to send to the Company's Share Transfer Agent the details of such folios together with the share certificates for consolidating their holding in one folio.
- Non-Resident Indian members are requested to inform RTA / respective DPs, immediately of:
 - i. Change in their residential status on return to India for permanent settlement.
 - ii. Particulars of their bank account maintained in India with complete name, branch, account type, account number and address of the bank with pin code number, if not furnished earlier.

17. In accordance with Regulation 40 of the Listing Regulations, as amended, any fresh transfer requests for securities shall be processed in demat/electronic form only. Members holding shares of the Company in physical form are requested to kindly get their shares converted into demat/electronic form to get inherent benefits of dematerialisation. Letter of Confirmation will not be issued with effect from April 2, 2026 and the RTA will directly credit the shares to the Member's demat account. Members must provide a Client Master List, not older than 2 months, attested by their DP.

Further, Members may please note that SEBI has mandated listed companies to issue securities in demat form only while processing any service requests viz. issue of duplicate securities certificate; claim from Unclaimed Suspense Account; renewal/exchange of securities certificate; endorsement; sub-division/splitting of securities certificate; consolidation of securities certificates/ folios; transmission and transposition. Accordingly, Members are requested to make service requests by submitting a duly filled and signed Form ISR-4 (duplicate of share certificate)/ISR-5 (transmission), the format of which is available on Company's website at <https://jhsretail.com/index.html#investor-query> and RTA at www.alankit.com/registrar-and-share-transfer-agent. It may be noted that any service request or complaint can be processed only after the folio is KYC compliant. Members holding shares in physical form may raise a service request to the Company/RTA for any assistance

relating to the shares of the Company.

18. Members who had submitted transfer deeds for physical shares before April 1, 2019, and whose requests were rejected, returned, or remained unprocessed due to deficiencies, have been provided a special re-lodgement window till February 4, 2027, to re-lodge the transfer requests. Transfers would be approved, if all the requisite documents are in place. The transfer under this window will be credited only in dematerialised form and will carry a one-year lock-in period from the date of transfer registration. Members can contact the Company/RTA, for assistance in this regard.
19. SEBI has simplified the process for issuance of duplicate share certificates. The value threshold for documentation has been increased from 5 lakh to 10 lakh and the documentation requirements have been standardized as under:

Value	Particulars
Up to 10,000	Undertaking on plain paper (no notarisation required)
Above 10,000 and up to 10,00,000	Single Affidavit-cum-Indemnity Bond
Above 10,00,000	Affidavit-cum-Indemnity Bond along with FIR/Police Complaint and Newspaper Advertisement

20. SEBI has established a common Online Dispute Resolution Portal (ODR Portal) for resolution of disputes arising in the Indian Securities Market. Post exhausting the option to resolve their grievance with the RTA/Company directly and/or through the SEBI SCORES platform, the investors can initiate dispute resolution through the ODR Portal (www.smartodr.in/login) and the same can also be accessed through the Company's website at www.jhsretail.com/index.html#investor-query. Members can use this mechanism only after they have lodged their grievance with the Company and SCORES and are not satisfied with the outcome of the redressal.
21. Pursuant to the relevant SEBI Circulars, dividends to security holders holding shares in physical mode shall be paid only in electronic mode, provided the folio is KYC-compliant, as payment through dividend warrants or cheques has been discontinued. A folio will be

considered as KYC compliant on registration of all details viz. full address with pin code, mobile no., email address, bank details, valid PAN linked to Aadhaar of all holders in the folio, specimen signature, nomination, etc. Relevant FAQs have been published by SEBI in this regard which can be viewed at https://www.sebi.gov.in/sebi_data/faqfiles/jan-2026/1767611333081. The forms for updation of PAN, KYC, Bank details and Nomination viz. Forms ISR-1, ISR-2, ISR-3 and SH-13 are available on www.jhsretail.com/. In view of the above, we urge Members holding shares in physical form to submit the required forms duly filled up and signed, along with the supporting documents at the earliest to the Company/RTA. In this regard, the Company has sent communication to shareholders holding shares in physical form. Further, Members who hold shares in dematerialised form and wish to update their PAN, KYC, Bank details and Nomination, are requested to

contact their respective DPs.

22. The Members can join the AGM in the VC/OAVM 30 minutes before and within 15 minutes after the scheduled time of the commencement of the Meeting by following the procedure mentioned in the Notice. The facility of participation at the AGM through VC/OAVM will be made available for 1000 members on first come first served basis. This will not include large Shareholders (Shareholders holding 2% or more shareholding), Promoters, Institutional Investors, Directors, Key Managerial Personnel, the Chairpersons of the Audit Committee, Nomination and Remuneration Committee and Stakeholders Relationship Committee, Auditors etc. who are allowed to attend the AGM without restriction on account of first come first served basis.

Listing Regulations, has mandated that for making dividend payments, companies whose securities are listed on the stock exchanges shall use electronic clearing services (local, regional or national), direct credit, real time gross settlement, national electronic funds transfer etc. The companies and the registrar and share transfer agents are required to seek relevant bank details of shareholders from depositories/ investors for making payment of dividends in electronic mode. It is also mandatory to print the bank details on the physical instrument if the payment is made in physical mode. Accordingly, shareholders are requested to provide or update (as the case may be) their bank details with the respective depository participant for the shares held in dematerialised form and with the registrar and share transfer agent in respect of shares held in physical form. For further details about registration process, please contact your depository/ R&TA of the Company at rtale@alankit.com.

23. Members are requested to note that dividends, if not encashed for a consecutive period of 7 years from the date of transfer to Unpaid Dividend Account of the Company, are liable to be transferred to the Investor Education and Protection Fund (IEPF). Further, the shares in respect of such unclaimed dividends are also liable to be transferred to the demat account of the

IEPF Authority. In view of this, Members/Claimants are requested to claim their dividends from the Company within the stipulated timeline. The Members whose unclaimed dividends/shares have been transferred to IEPF, may claim the same by making an application to the IEPF Authority, in e-Form/web form No. IEPF-5 available on www.iepf.gov.in.

Further, pursuant to the provisions of the Companies Act, 2013 and Investor Education and Protection Fund Authority (Accounting, Audit, Transfer and Refund) Rules, 2016, the requisite details of unpaid and unclaimed amounts lying with the Company has been uploaded on Company's website www.jhsretail.com.

24. To prevent fraudulent transactions, shareholders are advised to exercise due diligence and notify the Company of any change in address or demise of any member as soon as possible. Members are also advised not to leave their demat account(s) dormant for long. Periodic statement of holdings should be obtained from the concerned Depository Participant and holdings should be verified.
25. Members who wish to inspect the Register of Directors and Key Managerial Personnel and their shareholding (as per Section 170 of the Act), the Register of Contracts or Arrangements in which the Directors are interested (as per Section 189 of the Act), and other relevant documents referred to in the Notice or Explanatory Statement, may do so electronically during the AGM. ITEM NO. 4 To approve for waiver of interest receivable from Purple Rock Infra Private Limited.

The Company had extended financial assistance/investment in Purple Rock Infra Private Limited ("Issuer Company") by way of unsecured debentures aggregating to ₹13.50 crore. The said financial arrangement carries interest at the rate of 7% per annum.

The Issuer Company is a related party of the Company within the meaning of the applicable provisions of the

Companies Act, 2013 and the SEBI LODR Regulations.

The Issuer Company has requested the Company to waive the interest payable in respect of the aforesaid financial arrangement. After considering the financial position and circumstances of the Issuer Company, the nature of the underlying financial arrangement, the overall relationship between the parties and the long-term interests of the Company, the Board of Directors, subject to the requisite approvals, considers the proposed waiver to be commercially and strategically appropriate and in the interest of the Company.

Nature and extent of the proposed waiver

The proposed waiver is intended to be a complete and final waiver of the entire interest obligation arising in respect of the aforesaid financial arrangement.

Accordingly, the proposed waiver will cover:

- interest accrued and remaining unpaid up to the effective date of the waiver;
- interest accrued but not due as on the effective date;
- interest otherwise becoming payable in respect of any period up to the effective date; and
- all interest that would otherwise accrue or become payable in the future on the outstanding principal amount.

Upon the waiver becoming effective, no further interest shall accrue or become payable by the Issuer Company, and the Company shall not claim, demand or recover any interest in respect of the said financial arrangement for any future period.

The proposed waiver is limited to the interest component and does not involve any waiver of the principal amount outstanding from the Issuer Company.

Rationale of the proposed transaction

The proposed waiver is being considered after taking into account the circumstances of the Issuer Company, the outstanding financial arrangement and the Company's overall commercial and strategic interests.

The waiver is intended to facilitate an appropriate resolution and regularisation of the outstanding financial arrangement, avoid further accumulation of interest and enable the Company to protect its long-term economic and strategic interests.

The Board is of the view that the proposed complete waiver of interest, while preserving the Company's rights in respect of the principal amount, is in the overall interest of the Company.

The Audit Committee of the Company has considered/recommended the proposed transaction and the Board of Directors, after taking into account the recommendation of the Audit Committee, has approved the proposal, subject to the approval of the Members.

ITEM NO. 5 & 6

To Appoint Mrs. Richa Sood (DIN: 11816645) and Mr. Mukul Pathak (DIN: 00051534), as an Independent Director.

Based on the recommendation of the Nomination and Remuneration Committee, the Board of Directors, at its Meeting held on 13 August, 2026, appointed Mrs. Richa Sood (DIN: 11816645) Mr. Mukul pathak (DIN: 00051534) as an Additional Director - Non-Executive Independent Director, not liable to retire by the rotation, for a term of five years commencing from 13 August, 2026, subject to approval of the Members by Special Resolution. In terms of Regulation 17(1C) (a) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 (SEBI Listing Regulations), the Company is required to obtain the approval of Members for appointment of a director at the next General Meeting or within a period of three months from the date of appointment, whichever is earlier. The Company has received a notice from a Member under Section 160(1) of the Act proposing their candidature for the office of Director of the Company. The Company has received from Mrs. Richa Sood and Mr. Mukul Pathak (i) Consent to act as Director in Form DIR-2 pursuant to Rule 8 of the Companies (Appointment and Qualifications of Directors) Rules, 2014 ('Rules'); (ii) Intimation in Form DIR-8 in terms of the Rules to the effect that they are not disqualified under the provisions of Section 164(2) of the Act; (iii) Declaration to the effect that they meets the criteria of independence as provided in Section 149(6) of the Act read with Regulation 16(1)(b) of the SEBI Listing Regulations; (iv) Confirmation in terms of Regulation 25(8) of the SEBI Listing Regulations that they are not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact they ability to discharge her duties and (v) Declaration pursuant to BSE Limited Circular No. LIST/COMP/14/2018-19 and National Stock Exchange of India Limited Circular No. NSE/ML/2018/24 dated June 20, 2018, that they have not been debarred from holding office of a Director by virtue of any order passed by Securities and Exchange Board of India or any other such authority. Mrs. Richa Sood and Mr. Mukul Pathak have also confirmed that they are in compliance with Rules 6(1) and 6(2) of the Rules, with respect to the registration with the data bank of Independent Directors maintained by the Indian Institute of Corporate Affairs.

In the opinion of the Board, Mr. Mukul Pathak and Mrs. Richa Sood fulfills the conditions specified under the Act read with Rules thereunder and the SEBI Listing Regulations for their appointment as Independent Non-Executive Director of the Company and is independent of the Management. Having regard to the qualifications, skill, experience, capabilities and knowledge, the Board considers that their association would be of immense benefit to the Company and hence, it is desirable to appoint them as an Independent Director. The terms and conditions of appointment of Mr. Mukul Pathak and Mrs. Richa Sood as an Independent Director are uploaded on the website of the Company at www.jhsretail.com and would also be made available for inspection to the Members without any fee, on all working days, until the last date of remote e-voting.
