NOTICE TO SHAREHOLDERS

Notice is hereby given that the **One Hundred and Second Annual General Meeting** of Gammon India Limited will be held on Saturday, 30th day of November, 2024 at 2.30 pm via Video Conferencing ("**VC**") / Other Audio-Visual Means ("**OAVM**") to transact the following business:

ORDINARY BUSINESS:

1. To consider and adopt the Audited Standalone Financial Statements of the Company for the Financial Year ended 31st March, 2024, the Audited Consolidated Financial Statements for the said Financial Year and the Reports of the Board of Directors and Auditors thereon.

SPECIAL BUSINESS:

2. To consider and if thought fit, to pass the following resolution as an Ordinary Resolution:

   "Resolved that, pursuant to Section 149, 152 and other applicable provisions, if any, of Companies Act, 2013 ('Act') and the rules made thereunder read with Schedule IV of the Act and SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (including any statutory modifications or re-enactment thereof and any rules made thereunder, for the time being in force) and as per the recommendation of Nomination & Remuneration Committee which was approved by the Board, Mr. Ramchandra Balkrishna Bhatkar (DIN: 00310037), who meets the criteria for independence as provided in Section 149(6) of the Act, be and is hereby appointed as an Independent Director to hold office for a period of 5 (five) years with effect from 28th October, 2024, not liable to retire by rotation;

   Resolved further that, the Board of Directors, the Chief Executive Officer, the Chief Financial Officer and the Company Secretary be and are hereby severally authorised to do all such acts, deeds, matters and things as may be considered necessary appropriate, expedient or desirable to give effect to above resolution."

3. To consider and if thought fit, to pass the following resolution as an Ordinary Resolution;

   "Resolved that pursuant to Section 148 of the Companies Act, 2013 read with Rule 14 of the Companies (Audit and Auditors) Rules, 2014, the Company hereby ratifies the payment of Rs.70,000/- (Rupees Seventy Thousand only) (exclusive of reimbursement of conveyance expenses at actuals and Service Tax/GST as applicable) as approved by the Board of Directors to Mr. Pradip Damania, Cost Auditor (Regn. No: 101607) appointed by the Board of Directors in order to carry out audit of Company's Cost Records for the Financial Year ending 31st March, 2025."

   Resolved further that the Board of Directors of the Company be and is hereby authorized to do all such acts, deeds, matters and things as may be necessary to give effect to this resolution."

By Order of the Board of Directors
For **Gammon India Limited**

Sandeep Sheth

EXPLANATORY STATEMENT
(Pursuant to Section 102 of the Companies Act, 2013)

Item No. 2

Mr. Ramchandra Balkrishna Bhatkar holds degree of Bachelors of Technology in Civil Engineering from the prestigious Indian Institute of Technology, Bombay (IITB) along with post graduate diploma in Business Management and also fellow member of Institution of Engineers, India. Mr. Bhatkar has more than 40 years rich experience in handling civil, infrastructure and developments projects such as:

1. Excavation & Foundations for Spillway & Approach Channel for Doyang Spillway at Doyang Dist. Wokha, Nagaland (NEEPCO Project)
2. Excavation & Dam and Power House for Kurichu Hydro-Electric Project at Kurichu, Dist. Mongar, East Bhutan (NHPC Project)
3. Cut and Cover Works for Parliament Station for Delhi Metro for M/s. IMCC, New Delhi
4. Construction of Railway Bridges at Villipuram, Tamil Nadu as part of Gange Conversion project for IRCL, Tamil Nadu
5. Construction of roads in Ethopia.

He is currently gracing the Board of DCS Techno Services Private Limited at Managing Director.

Apart from the above, Mr, Bhatkar has also been part of various projects of Government of Goa wherein he was Chief Co-Ordinator in NRI Cell of Government of Goa, Member of Goa State Innovation Cell from 2011 to 2015.

Mr. Bhatkar has also contributed in field of education by being member of Staff Study Pattern of Goa University, Jt Convenor of Advisory Board of Tech Education, Member of Governing Council, Goa Enigeerneing College, Farmgudi Goa, Member of Board of Governors, IIT Bombay and various institutions.

The outstanding achievements and immense knowledge and expertise of Mr. Bhatkar will play an important role in the growth of the Company.

Mr. Bhatkar does not hold any equity shares of the Company.

At the meetings held on 28th October, 2024, the Nomination And Remuneration Committee and the Board of Directors had recommended appointment of Ramchandra Balkrishna Bhatkar (DIN: 00310037) as an Independent Director of the Company at the upcoming Annual General Meeting of the Company.

The Company has received from Mr. Ramchandra Balkrishna Bhatkar, consent in writing to act as director and declaration to the effect that he is not disqualified under Section 164(2) of the Companies Act, 2013 in prescribed Form DIR - 2 and DIR – 8 respectively.

Further, in terms of Sections 149, 152 read with Schedule IV of the Companies Act, 2013, the Board of Directors has reviewed the declaration made by Mr. Ramchandra Balkrishna Bhatkar that he meets the criteria of independence as provided in Section 149(6) of the Companies Act, 2013 and the Board is of opinion that he fulfills the conditions specified in the Companies Act, 2013 and the Rules made thereunder and is independent of the management.

The Board considers that appointment of Mr. Ramchandra Balkrishna Bhatkar would be of immense benefit to the Company in view of his qualifications, expertise and experience as also exposure to the corporate culture and governance. The Board of Directors is of the opinion that he is person of integrity; possess relevant expertise and vast experience. His association as Independent Director will be beneficial and in the best interest of the Company. His presence on the Board of the Company enhances value and gives confidence to the Board in its decisions. Further, his association supports a good balance in the composition of the Board. It is desirable to avail services of Mr. Ramchandra Balkrishna Bhatkar as an Independent Director.

In the opinion of the Board, Mr. Ramchandra Balkrishna Bhatkar fulfils the conditions specified in the Companies Act, 2013 and rules made thereunder for his appointment as an Independent Director of the Company and is independent of the management.

Copy of the letter for appointment of Mr. Ramchandra Balkrishna Bhatkar as an Independent Director setting out the terms and conditions would be available for inspection at the registered office of the Company during normal business hours on any working day, excluding public holidays and Sundays.

Accordingly, your approval by way of a ordinary resolution is being sought for Mr. Ramchandra Balkrishna Bhatkar's appointment as an Independent Director.

Mr. Ramchandra Balkrishna Bhatkar is interested in the resolution pertaining to his appointment as an Independent Director. Relatives of Mr. Ramchandra Balkrishna Bhatkar may be deemed to be concerned or interested in the said resolution to the extent of their shareholding interest, if any, in the Company.

None of the other Directors or key managerial personnel of the Company or their relatives is, in any way, concerned or interested, financially or otherwise, in the said resolution.

Item No. 3

Members are hereby informed that the Board on the recommendation of the Audit Committee appointed Mr. Pradip Damania, Cost Accountant (Membership No. 101607) as the Cost Auditor of the Company for the Financial Year 2024-2025 in order to conduct audit of Cost Accounting Records maintained by the Company in respect of the Company's Civil Engineering, Procurement and Construction business at a remuneration of Rs.70,000/- (Rupees Seventy Thousand only) per annum exclusive of reimbursement of conveyance expenses at actuals and Service Tax/GST as applicable.

Pursuant to Rule 14 of the Companies (Audit and Auditors) Rules, 2014, the remuneration proposed to be paid to the Cost Auditor is required to be ratified by the shareholders.

The Board recommends the passing of the Ordinary Resolution at Item No. 4 of the accompanying Notice for Members approval. None of the Directors and / or Key Managerial Personnel of the Company or their respective relatives are concerned or interested in the passing of the above resolution.

By Order of the Board of Directors

NOTES:

1. VIRTUAL MEETING

In view of circulars issued by the Ministry of Corporate Affairs ("**MCA**") vide General Circular nos. 14/2020, 17/2020, 39/2020, 20/2021, 3/2022 and 09/2023 dated April 8, 2020, April 13, 2020, December 31, 2020, December 8, 2021, May 5, 2022 and September 25, 2023 respectively, the forthcoming Annual General Meeting ('**AGM**') will be held through video conferencing ('**VC**') or other audio visual means ('**OAVM**'). Hence, members can attend and participate in the ensuing AGM through VC / OAVM.

Further, the Securities and Exchange Board of India ("**SEBI**") *vide* its Circular no. SEBI/HO/CFD/CMD2/CIR/P/2022/62 dated May 13, 2022 ("**SEBI Circular**") has granted further relaxations to ensure the AGM is conducted effectively. In compliance with the provisions of the Act, SEBI (Listing Obligations And Disclosure Requirements) Regulations, 2015 ("**SEBI Listing Regulations**") and MCA Circulars, the AGM of the Company is being held through VC/ OAVM.

The deemed venue for the AGM will be place from where the Chairman of the Board conducts the meeting. Since the AGM will be held through VC / OAVM, the route map of the venue of the Meeting is not annexed hereto.

2. ELECTRONIC COPY OF ANNUAL REPORT AND NOTICE OF ANNUAL GENERAL MEETING

a) The AGM has been convened through VC / OAVM in compliance with applicable provisions of the Companies Act, 2013 read with MCA General Circular nos. 14/2020, 17/2020, 39/2020, 20/2021, 3/2022 and 09/2023 dated April 8, 2020, April 13, 2020, December 31, 2020, December 8, 2021, May 5, 2022 and September 25, 2023, respectively. In view of the afore-mentioned general circulars, the Notice of the AGM is being sent to the members of the Company only by email. It is clarified that if a member fails to provide or update relevant e-mail address to the Company or to the depository participant, as the case may be the Company will not be in default for not delivering the notice via e-mail.

b) Members may note that the Notice and Annual Report 2023-24 will also be available on the Company's website www.gammonindia.com and website of Link Intime India Private Limited ("**LIIPL**") i.e. www.instavote.linkintime.co.in.

3. STATEMENT UNDER SECTION 102 OF THE ACT

The Explanatory Statement in terms of the provisions of Section 102(1) of the Act, which sets out details relating to special business to be transacted at the meeting forms part of this notice.

4. PROXY

The AGM is being held pursuant to the MCA Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM. Hence, the Proxy Form and Attendance Slip are not annexed to this Notice.

5. AUTHORISED REPRESENTATIVE

Institutional / Corporate Shareholders (i.e. other than individuals / HUF, NRI, etc.) are required to send a scanned copy (PDF/ JPG Format) of its Board or governing body Resolution/Authorization etc., authorizing its representative to attend the AGM through VC / OAVM on its behalf and to vote through remote e-voting.

The said Resolution / Authorization shall be sent to the Scrutinizer by e-mail through its registered e-mail address to Mr. Mitesh Shah at team@mjshah.com with a copy marked to the Compliance Officer at investors@gammonindia.com, not less than 48 (forty eight) hours before the commencement of the AGM i.e. by 2:30 p.m. on Thursday, 28th November, 2024.

6. DOCUMENTS OPEN FOR INSPECTION

Relevant documents referred to in the accompanying notice and the statement pursuant to Section 102(1) of the Act, are uploaded on the website of the Company at: www.gammonindia.com.

Documents required to be kept open for inspection by the Members at the AGM in terms of the applicable laws, shall be made available on www.instameet.linkintime.co.in.

7. E-VOTING

Pursuant to Section 108 of the Act, rule 20 of the Companies (Management and Administration) Rules, 2014, as amended, Regulation 44 of SEBI Listing Regulations and the MCA Circulars, the Company is pleased to provide the facility to Members to exercise their right to vote, on the resolutions proposed to be passed at AGM, by electronic means.

The Company has engaged the services of LIIPL to provide the remote e-voting facility on InstaVote and the e-voting system on the date of the AGM on InstaMeet.

The Company has appointed Mr. Mitesh Shah, Company Secretaries (FCS No. 10070), to act as the Scrutinizer and to scrutinize the entire e-voting process (i.e. remote e-voting and e-voting at the AGM) in a fair and transparent manner.

8. TRANSFER OF UNPAID / UNCLAIMED DIVIDEND AND RELATED SHARES TO IEPF

The Company did not pay any amount as dividend since the financial year 2012-13 onwards. Hence there is no pending dividend which is outstanding to be transferred to IEPF authorities pursuant to the provisions of Section 124 of the Companies Act, 2013.

ABOUT GAMMON GROUP

Gammon India Ltd., has been established in the Construction field and well known Engineering Contractors since 1922 covering a broad spectrum of activities throughout India and abroad and has executed throughout the last 101 years. These include structures like Gateway of India to modern Reactor Building at Kalpakkam projects, Water carrying Malabar Hill tunnel to a large size tunnel for Hydro Electric projects at Rampur, from small span bridge in the remote area in the country to over 5 km long bridge across the mighty Brahmaputra like Bogibeel Bridge etc.

Gammon's contribution to the Nation building in every field like Power Sector, Transportation, Ports, Hydro Electric projects, Industrial projects etc. is across the length and breadth of the Company. Gammon had believed in Atma Nirbar Bharat since its inception and brought all the present day technology to the country towards Nation building.

Every Industry/Sector has its ups and downs. Gammon is also subject to such vulnerability and it has affected its performance post 2013 due to economic recession and certain shift in policies. The Company had posted major losses for the 1st time after nearly 80 years and giving constant dividend for approx. 40 years to shareholders. Pursuant to the inability of Gammon to repay its lenders the Company was admitted to the Corporate Debt Restructuring ('CDR'). Thereafter in November 2015, lenders approved the scheme of corporate realignment and SDR. Under SDR, a part of debt was converted into equity thereby giving lenders approx. 62% equity stake in GIL. Further pursuant to RBI Circular dated 7th June, 2019, all the lenders of the Company executed an Inter-creditor Agreement (ICA) in 2019. Post execution of the ICA the Company submitted its draft resolution plan to the lenders including restructuring and change in ownership. The resolution plan is in its advanced stages and the company is confident to receive the majority sanction of the consortium of lenders shortly. With the new investor investing further funds in the company, the company will soon revive as an EPC Company. The Company has been making every effort in settling the outstanding Secured lenders dues. Under severe financial conditions, Gammon continued to operate in Irrigation, Metro and Water Supply projects.

Gammon holds 10% stake in Italy-based Sofinter Group. The Group is engaged in the engineering, procurement and construction of steam and power generation boilers, water and waste treatment and flameless combustion technology with application in oil & gas, power generation and industrial sector. Sofinter S.p.A., A.C. Boilers S.p.A (for Ansaldo Calaie S.p.A)., ITEA and Europower are some companies under the Group. The Company has a substantial stake in Puma Oil Block in the Oriente basin in Eucador Prevailing cash flow constraints has affected international business too.

At present the Company's main focus is to meet the Bank obligations so that it can bounce back in the field of:

- Transportation (highways, railways, ports, bridges & flyovers).
- Power Generation (thermal, industrial and cogeneration plants, nuclear and hydro energy, cooling towers and chimneys)
- Environmental engineering
- Irrigation and water supply
- Oil Exploration and Production
- Real Estate Development

EXECUTIVE DIRECTOR'S STATEMENT:

I am pleased to present the 102nd Annual Report of Gammon India Limited for the Financial Year ended 31st March 2024.

The previous financial year 2023-24 was challenging for the entire industry specifically for your Company. Your Company continued to remain NPA and struggling to get required sanctions from the consortium of banks/lenders for the Resolution Plan.

The Company's operations have been affected in the last few years by various factors including liquidity crunch, unavailability of resources on timely basis, delays in execution of projects, delays in land acquisition, operational issues etc. The Company's overseas operations are characterized due to weak order booking, paucity of working capital and uncertain business environment. The facilities of the Company with the Secured lenders are presently marked as NPA since June 2017. The liquidity crunch has resulted in several winding up petitions being filed against the Company by various stakeholders for recovery of the debts which the Company has been settling as per the mutually agreed repayment terms. The liquidity crunch is affecting the Company's operation with increasing severity. The Secured lenders have recalled the various facilities, initiated recovery suits in the Debt Recovery Tribunals as well as filing a winding up petition with the National Company Law Tribunal, Mumbai bench under the Insolvency and Bankruptcy code. However the secured lenders who had invoked winding up petition has withdrawn the said petition from the Hon'ble National Company Law Tribunal, Mumbai Bench.

Going Forward

The Company is in its advanced stage of resolution process and is confident to receive the majority sanction of the consortium of lenders shortly. Further post sanction of resolution plan and subsequent to the investor infusing further funds in the Company, the Company is sure to revive as an EPC Company. Although realization of the arbitration awards continues to remain a big challenge to the company and its management strives its best to obtain the awards proceeds expeditiously to enable the lenders and its other customer endevour its faith back in the company.

Performance review

The year under review is a period of 12 (twelve) months commencing from 1st April, 2023 to 31st March. 2024. During the Financial Year under review the Turnover of the Company on a Standalone basis stood at Rs.39.25 crores, as compared to Rs.101.48 crores during the previous F.Y. ended 31st March, 2023. The Company posted a Net Loss after Tax of Rs.1,963.00 crores during the year ended 31st March, 2024, as against a Net Loss after Tax of Rs.1,540.08 crores during the previous FY ended 31st March, 2023.

On a Consolidated basis, the Turnover of Gammon Group during the year under review stood at Rs.71.74 crores as compared to Rs.115.05 crores for the previous financial year ended 31st March, 2023. The Group posted a Net Loss after Tax of Rs. 1,968.56 crores during the F.Y. ended 31st March 2024, as against a Net Loss after Tax of Rs.897.18 crores during the previous F.Y. ended 31st March, 2023. Interest and finance costs continue to be high. The turnover/income is from the residual EPC business, post carve out of the operating business. During the year under review the finance cost which includes the interest costs was Rs.916.65 crores. The loss was primarily due to the provisions and write off made in claims and receivables based on Independent Valuer's Report.

ACKNOWLEDGEMENTS

I would like to extend my heartfelt gratitude to all our stakeholders, our lenders and bankers, suppliers, employees, and shareholders for their continued support and the faith reposed in us.

We look forward to better times ahead and will continue to focus on achieving our stated goals with sincerity and dedication.

With Best Wishes

Sandeep Sheth

Executive Director

MANAGEMENT DISCUSSION AND ANALYSIS

The last decade of century of Gammon India Ltd was a roller coaster ride. It has witnessed Tsunami, Economic slowdown, change of policies, hiving of the core business, covid pandemic and many other challenges. The organization resilience and Management's will power has kept the Company going. From the tag of Builders to the Nation, the Company's focus restricted to resolve the stake holders issues. From a handful expertise of 5000 people based, the Company has now shrunk to its root level and mitigating the challenges encountered by the Company.

Those past experiences of technical innovations, land mark structures, bridging mighty rivers etc. are the back bone and knowledge bases for the new beginning for the next century. The basic four pillars of the organization namely Customers, Stake Holders, Technology Innovation and Human Resources will be the guiding principles for the future. The past learning has thought us "Cash is the King" and it will remain the main focus for the future.

The primary task remains to maximize recovery to repay Residual debt left in the Company after addressing 75% of debt by hiving of the main business,

CUSTOMER FOCUS

Unlike manufacturing facilities, we sell the products before making it. As a result we become more responsible for the delivery which satisfies the customers. We have witnessed in the last century that it is one of the best marketing tool for the growth of the organization. We will remain very much focus in meeting the challenging requirement of the Customers. We have demonstrated in the past that in majority of the cases, we have never deserted even in the worst natural calamities as well as in worst man made situation

FOCUS ON STAKE HOLDERS

Without satisfying stake holders we cannot survive, be it Bankers, Creditors, Share Holders, Associates, individuals or Institutes. Our focus will remain to satisfy all the stake holders. In past couple of years, the Company has demonstrated it by hiving of business, monetizing of assets etc. just to meet the Lenders' requirement. Repeated partial approved Resolution process is not serving the purpose. Proposal of OTS to lenders is foreseen and is to be acted upon.This remains the main action point as of now.

FOCUS ON TECHNOLOGY AND INNOVATION

Many of Gammon's first of the last century needs to be re-written in the current century with help of Revolution in Information Technology. During last decade, rapid transformation in Indian Infrastructure took place. Gammon will catch up with those transformation. Gammon will upgrade its knowledge base and adopt modern technology and innovate further to meet the Indian conditions. Such adoption and innovation is the integral part of Gammon DNA.

HUMAN RESOURCES

Human Resources is the biggest assets of any organization. They are not just employees but they are the part of the Gammon family. Having shrunk to the bases level after the turbulent years of crisis, the Company is ready to build its strength by employing dedicated staff. During those crisis years, it is the never die spirit of those few Gammonites, which has helped the Company to meets it all obligations.

CASH IS KING

To survive in this severe competition amongst adverse adversities, it is most important to have proper cash management. This is achieved with optimum operational efficiency such as better inventory management, vigorous follow up for the receivables and optimizing wastages.

INDIAN ECONOMY

India is heading towards 3rd largest economy of the world under dynamic leadership. The Construction Industries will play a major role in meeting the targets. The Government's initiative for infrastructures, public utility, manufacturing sectors etc. has opened a lot many opportunities for the Construction sectors in the country. A timely delivery with optimum cost will give the age to the Company. The Government budget provides trillion of rupees for the Infrastructure structures under various schemes announced by the Hon. Prime Minister. The Hon. Minister has always maintained that there is no dirt of funds for the Infrastructure projects and his target of National grid covering all the districts remain very much in action. The Company will definitely have his share of the work in all those projects once its Resolution plan gets approval from the Lenders.

OPERATION OF THE COMPANY

The Company is in the last leg of its resolution plan which had a setback due to pandemic, the Company is trying its best to come out of the setback and the liquidity crunch faced in the last couple of years. The Company's main focus continues to be regularizing their accounts along with progress of the current project.

Arbitration process persists at a slow pace. However, the Company remains focused to ensure timely proceedings of the on-going arbitration matters. As an austerity measure, the Company has substantially scaled down its establishment and man power cost and adopted a lean and thin organization structure. The Company is in the process of gearing up to accept the opportunities thrown open by the Government of India.

REVIEW OF THE FINANCIAL PERFORMANCE

During the Financial Year under review the Turnover of the Company on a Standalone basis stood at Rs.39.25 crores, as compared to Rs.101.48 crores during the previous F.Y. ended 31st March, 2023. The Company posted a Net Loss after Tax of Rs.1,963.00 crores during the year ended 31st March, 2024, as against a Net Loss after Tax of Rs.1,540.08 crores during the previous FY ended 31st March, 2023.

On a Consolidated basis, the Turnover of Gammon Group during the year under review stood at Rs.71.74 crores as compared to Rs.115.05 crores for the previous financial year ended 31st March, 2023. The Group posted a Net Loss after Tax of Rs. 1,968.56 crores during the F.Y. ended 31st March 2024, as against a Net Loss after Tax of Rs.897.18 crores during the previous F.Y. ended 31st March, 2023. Interest and finance costs continue to be high. The turnover/income is from the residual EPC business, post carve out of the operating business. During the year under review the finance cost which includes the interest costs was Rs.916.65 crores. The loss was primarily due to the provisions and write off made in claims and receivables based on Independent Valuer's Report.

MANAGING RISK

The Construction Industry in general has risk on many accounts such as:

1) Right of way
2) Geological condition variance
3) Law and Order Situation of the Location
4) Lack of fund allocation and subsequent delay in collection
5) Time overrun due to force majeure conditions
6) Increased working capital cycle due to above
7) Delay in dispute resolution with the client etc.

The company is in the last leg of salvaging its value and restarting core business. At this stage the risk are mitigated by:

1) Sub-letting the projects on back to back basis
2) Restricting the role to Project Management only
3) Early contractual and legal actions for all contract related matters
4) Periodic structured review of the projects on on-going basis to identify the challenges and the risks and to find the possible solution to mitigate the losses.

On the occasion of beginning of new century, we take this opportunity to thank our esteemed customers, associates and partners, bankers, vendors and subcontractors, friends, well-wishers and our large fraternity of Gammonites for their untiring support bestowed upon us.

STATEMENT CAUTIONARY

Statements made in the Management Discussions and Analysis describing the Company's objectives, projections, estimates, expectations may be 'forward looking statement' within the meaning of applicable securities laws and regulations. Actual results could differ from those expressed or implied.

Important factors that could make a difference to the Company's operation include economic conditions affecting demand-supply and price conditions in the domestic and overseas markets in which the Company operates, changes in the government regulations, tax law and other statutes and other incidental factors.

- *The Financial Statements for the year ended 31st March, 2024 have been restated in accordance with Ind-AS for comparative information.*
- *The Financial Statements are in compliance with Ind-AS, notified by the Ministry of Corporate Affairs under Section 133 of the Companies Act, 2013, read with the relevant rules issued thereunder and other accounting principles generally accepted in India.*

During the Financial Year the Turnover of the Company on a Standalone basis stood at Rs. 39.25 crores, as compared to Rs. 101.48 crores during the previous F.Y. ended 31st March, 2023. The Company posted a Net Loss after Tax of Rs 1963.00 crores during the year ended 31st March, 2024, as against a Net Loss after Tax of Rs 1540.08 crores during the previous FY ended 31st March, 2023.

On a Consolidated basis, the Turnover of Gammon Group during the Financial Year stood at Rs. 71.74 crores as compared to Rs.115.05 crores for the previous financial year ended 31st March, 2023. The Group posted a Net Loss after Tax of Rs 1968.56 crores during the Current Financial Year, as against a Net Loss after Tax of Rs.897.18 crores during the previous F.Y. ended 31st March, 2023. Interest and finance costs continue to be high. The turnover/income is from the residual EPC business, post carve out of the operating business. During the year under review the finance cost which includes the interest costs was Rs. 916.65 crores. The loss was primarily due to the provisions and write off made in claims and receivables based on the Independent Valuer's Report.

GAMMON

THE BATTLE FOR SURVIVAL & TO RISE

Brief History

100 years ago Mr. J.C. Gammon a Mathematical Scholar and Civil Engineer was assigned a job to construct the Gateway of India while he was employed as an Assistant Engineer in the Public Work Department. He left his current employment and formed M/s. J.C. Gammon to carry out the task of the 1st Monument Structure the 'Gateway of India' and thus the Company was formed. He had a vision and foresight for the need of the country. Mr. Gammon an excellent Engineer, Innovator and Entrepreneur responsible for solid foundation of the great Institute which was later known as Gammon India Ltd.

Most of the Architectural structures in the fort area of Mumbai City were the early landmark achievements of Gammon India Ltd. The work which was accomplished by the pre-casting concrete was introduced by Gammon in the country, due to which the Company was aptly called the Sculptor of Concrete in India.

The reign of the Company gradually fell in the hands of Indian, Late Dr. T.N. Subba Rao, a Legend in the Civil Engineering who has carried forward technology and the innovation in civil engineering and gave Gammon a very respectable place in the history of Indian Construction Industry in 70s.

Around 1990 a young Entrepreneur of around 30 years, Mr. Abhijit Rajan took the reigns of Gammon in his professional hands. Realizing the potential of the Company and understanding the magnitude, he carried forward aggressively the expansion of the Company. Till the time Mr. Rajan commenced the Company's concentration was only on Civil Engineering projects. Post Mr. Rajan acquiring the command, the Company expanded in the field of manufacturing, transmission, oil business and cross country pipeline in addition to core civil engineering business.

By 2000, the Company's CAGR exceeded 25% and ROCE by 20% and resulted in Gammon being the only Company with a consistent dividend payout for over 30 years. By 2008, Gammon was among the largest infrastructure companies in India with a revenue of over Rs 2500 crore, net worth of over Rs 1000 crore, a debt/equity ratio of just 0.39:1 and a market cap of more than Rs. 4200 crores.

Gammon was looking at opportunities to expand its presence in burgeoning Indian power sector. Gammon had a strong legacy of credentials in power sector across thermal, hydro and nuclear power plants in the field of civil work including tunnels, intake well, dams, and specialized work like cooling towers, chimneys, etc., Gammon decided to become a "one stop energy shop" in power sector by expanding presence across entire energy value chain. This was done by combining existing civil EPC capability in power with manufacturing and supply of power equipment, transmission & distribution and operations and maintenance capabilities across thermal, hydro, nuclear and non-conventional forms of energy. By doing this Gammon would become eligible for bidding and executing mega turnkey projects in rapidly growing and large supercritical thermal power projects.

Gammon had a footprint in Civil Engineering projects in all types of structures like bridges, tunnels, roads, jetties, ports, dams, canals, all types of power plants, chimneys, silos, water towers, residential projects, industrial projects like cement and steel plants, cooling towers, religious structures etc.

Gammon has completed over 2000 projects of small, medium and large scale covering majority states and districts of the country in its first 100 years. Gammon has delivered 20 projects Building the Nation in its each first 100 years. Many of the Companies during the period have achieved such record in their entire existence. It has successfully completed projects internationally as well. It is Gammon which has acquired the title of *'Builders to the Nation'* by developing all types of infrastructure projects from Kashmir to Kanyakumari and Kutch to Arunachal Pradesh.

Slowdown of Economy and its effects on Gammon

During FY2012 and FY2013, Gammon's financial performance suffered on account of slowdown in the economy, delay in award of new projects and project execution delays. The working capital cycle of Gammon was also stretched due to non-achievement of milestones and delayed recovery of receivables. Gammon also invested in overseas subsidiaries and non-core assets by way of loans and advances or equity. The subdued market conditions could not yield the desired returns on overseas investments and the interest cost on acquisitions added to the stress of Gammon. GIL was not able to meet its debt obligations to its lenders. Hence, GIL referred itself under the aegis of CDR Cell for restructuring of its debt in March 2013.

As the planned cash flow could not materialize and on proposed CDR failing, the Company hived off its two main businesses to service lenders dues. By doing so, the Company have resolved 75% of the lenders dues.

The residual Company's operations have been affected in the last few years by various factors including liquidity crunch, unavailability of resources on timely basis, delays in execution of projects, delays in land acquisition, operational issues etc. The Company's overseas operations are characterized due to weak order booking, paucity of working capital and uncertain business environment. Also the Company's current liabilities exceed the current assets by Rs. 10,189.79 Crore as at March 31, 2024. The facilities of the Company with the Secured lenders are presently marked as NPA since June 2017. The liquidity

crunch has resulted in several winding up petitions being filed against the Company by various stakeholders for recovery of the debts which the Company has been settling as per the mutually agreed repayment terms. The liquidity crunch is affecting the Company's operation with increasing severity. The Secured lenders have recalled the various facilities, initiated recovery suits in the Debt Recovery Tribunals as well as filing a winding up petition with the National Company Law Tribunal, Mumbai bench under the Insolvency and Bankruptcy code

The Companies Proposal for restructuring have undergone multiple iterations with the many of the Lenders approving while other not according their approval.

Revival Plan

Pursuant to the execution of the ICA the lenders appointed M/s Deloitte Touche Tohmatsu India LLP as Process Advisory (PA) in the resolution process of the Company. Subsequent to the abovementioned appointment the representatives of Deloitte attended one of the Joint Lenders Meeting held on 13th January, 2020, wherein the plans regarding the way forward on the resolution process were presented. Subsequently on the recommendation by Deloitte the Company signed an engagement letter with Duff and Phelps (D&P) to carry out the valuation of the Company and estimation on the recoverability of arbitration claims of the Company and on such terms and conditions as directed by IDBI Bank.

In furtherance to the execution of the ICA, the Company submitted a draft resolution plan to the consortium of lenders. Pursuant to the submission of the resolution plan, Seven lenders including the lead monitoring institution provided their in-principle sanction to the company. Due to delay in approval of resolution plan by other Bankers the fund through which Everstone (Investor) was intended to invest was closed.

Due to time constraint, Gammon has proposed an alternate investor with the same terms and conditions for the revival of the Company which is accepted by the Bankers. The lenders discussed the above matter at the Joint Lenders meeting dated 5th March 2022 The top Management of few lenders were not in agreement for the time period proposed in the resolution.

The Company presently has submitted a revised proposal to the lead bankers for which a joint lender meeting is planned in the near future. The management is hopeful of obtaining approval of all the lenders.

During initial years of second century, Gammon has spent its energy on salvaging all possible value of the Company to bounce back afresh for its second century. The core DNA of Gammon namely Customer Focus, Technology, Innovation, Human Resources and focus on Interest of Stake Holders will help Gammon to rise against all adversities.

OVERSEAS SUBSIDIARIES

Sofinter Group, Italy Established in 1979, Group Sofinter, Italy comprises four principal Companies viz. Sofinter S.p.A., A.C. Boilers S.p.A (formerly AnsaldoCaldaie S.p.A), Europower SpA, ITEA SpA. The Group is engaged in the manufacture/ EPC of packaged industrial boilers/utility/ power generation boilers respectively, catering to the oil and gas industry, industrial manufacturing and power utility plants worldwide. The Group has modern manufacturing facilities in Italy, Romania and India and a dedicated R&D facility in Italy.

Sofinter SpA, the holding company of the Group Sofinter, also has Macchi as the main manufacturing division. Macchi is a world leader and original equipment manufacturer of packaged industrial boilers and Heat Recovery Steam Generators with applications in Oil and Gas refineries, petro chemical plants, industrial manufacturing units and co-generation plants. Till date Macchi has over 1,000 units installed world-wide to its credit which is backed by a strong after sales service unit to cater to their needs.

AC Boilers S.p.A., is the market leader in design, supply, manufacturing and installation of utility power boilers and original equipment manufacturer of HRSGs upto 260 MWe for CCP plants. With 150 years of experience in steam generation and burner technology field, the company has an installed base of over 80,000 MWe and 1,000 units. It also provides rehabilitation, fuel conversion and after-sales services for existing boilers, with a strong foothold in Egypt (ACBE – 98%) and India (Ansaldo Caldaie Boilers, India – 26%). The Advance Combustion Research Centre of the company offers specialized services to customers, even as its products are qualified for Super Critical Applications.

Europower S.p.A, is active in EPC of waste-to-energy turnkey plants, including CHP for refinery, petrochemical and chemical industry, CCPP for power plants, district heating and cooling plants. It is also engaged in operations and maintenance of power and industrial plants.

ITEA S.p.A Established in 2002, ITEA is the R&D division dedicated to development and patenting of zero-emission Isotherm PWR Flameless Oxy- combustion technology (Isotherm PWR*) to be used in industrial and utility Power Plants. The flameless pressured oxy-combustion technology uses high temperatures, oxygen-enriched air and pressurization in an innovative manner to meet future environmental challenges in energy and waste segments. Industrial waste treatment, municipal solid urban waste and low-grade coal are other applications of the cost-effective clean technology.

ITEA S.p.A is set to commercially roll out this technology in select applications in the coming years. Group Sofinters' Consolidated Financial Statements include the financial statements of Sofinter S.p.A (the parent of the companies over which it exercises control directly or indirectly, from the date on which control was acquired upto the date on which it ceases.

Operations in 2023 continued to remain challenging due to the knock-on effect of the continuing conflicts and uncertainties in supply chains.Execution of Macchi units was robust and exceeded the budget but Projects of AC Boilers continued to fall behind due to internal and external factors impacting timely execution and resulting in cost overruns.The consolidated revenues of the Group were Euro226 Million resulting in a consolidated loss of Euro13.7 Million.Due to losses for the third year running,the net worth of the Group has further eroded causing severe curtailment of banking facilities from the Group of Banks in Italy.

As stated in the Annual Report of the previous year an investor search was initiated by KPMG Italy and Axia Capital Italy resulting in the signing of a Term Sheet.This resulted in the execution on April 22nd,2024,of an investment agreement (the "**Investment Agreement**") and a Shareholders Agreement by (i) the Company, in its quality as corporate guarantor of Gammon Holding (Mauritius) Ltd and Gammon International B. V. , (ii) Gammon Holding (Mauritius) Ltd (iii) Gammon International, B.V. (iv) Sofinter and (v) the Investor(Nova Energy Holding s.r.l)whose corporate capital is owned by Mutares Holding-64 GMBH Germany and Axiom Partners 12 S.A'R.L.Luxembourg with a holding of 51% and 49%, respectively.Gammon companies obtained approvals of ICICI,Canada/UK and Export-Import Bank of India prior to execution of these documents under the terms of the pledge agreements.

The main provisions/obligations under this transaction are:

(i) the Investor's commitment to subscribe and pay-in,in full, the increase in Sofinter's share capital reserved for it for a total amount of €12 million for a post-infusion holding of 90% in Sofinter S.p.A.on the date of closing.

(ii) the investor's commitment to obtain restructuring of the existing Bank liabilities of Sofinter Group through a haircut and an additional medium term loan guaranteed by it from Illimiity Bank Italy for an amount of approximately €35 million towards working capital needs on the date of closing.

(iii) Gammon International Bv will continue to hold 78682127 shares and Gammon Holdings Mauritius Ltd.will continue to hold 84734598 shares for an aggregate holding of 10% of the share capital in Sofinter S.p.A. post-infusion.

(iv) These 10% shares will be pledged wholly in favor of ICICI/Exim Bank on the date of closing.

(v) a graded waterfall mechanism depending on the valuation at exit agreed between the Parties, with an exit for Gammon equal to €34 Million at a valuation of €135million.The exit is foreseen in 4 years after closing.

(vi) Representations & Warranties given by Gammon with a cap at 1 euro, except in case of willful misconduct as defined in the Investment Agreement.

As a minority shareholder the following protections for Gammon have been provided:

(i) right to designate one BoD member of Gammon on the Board of Sofinter.

(ii) veto rights, within the Company's shareholders' meeting, concerning

(a) any amendments to the by-laws materially affecting Gammon's rights (except for those mandatorily required by applicable law), and

(b) any material amendments/transaction having the effect of substantially modifying the Company's corporate purpose or the Company's business.

(iii) information rights on a quarterly basis with reference to management, operation and financial performance of the Company and the Group Companies;

(iv) tag-along right concerning all Gammon's shares in case of transfer by the Investor of more than 50% of the Company's corporate capital;

(v) indirect tag-along right concerning all Gammon's shares in case of Mutares' ceasing to be the controlling shareholder of the Investor;

(vi) 10% anti-dilution protection in case of potential combination between the Company and any of the Investor's Affiliates except in case of injection mandatorily required pursuant to Italian law (articles 2446-2447 of the Italian civil code) or requested by regulatory or banking requirements.

The capital infusion of €12 million as well as restructuring of existing bank debts and the additional working capital funding cited above have been duly received on the closing date i.e. April 22nd , 2024. Furthermore, pledge on the Gammon shareholding in Sofinter has been duly completed and recorded on that date. Other required compliances with the regulatory authorities in India are duly completed.

Franco Tosi Meccanica S.p.A. (In Extraordinary Administration)

As pointed out in the previous years, with the transfer of the operational assets in all respects having been completed to Bruno Presezzi S.p.A, the Commissioner has started the second phase of disposing of the non-core assets of the Company. These primarily comprise of approx 60 acres of land in Legnano, Milan, buildings and some equipment within. Even piece-meal sale of the land is proving to be a challenge in light of continuing limitations in the Italian economy in general. During the year 2023,the Commissioner for Liquidation of FTM obtained from the local civic authority in charge of land, a change in the end usage of this land possibly to improve its overall sale potential and price. The impact of the same will be known in the coming years. Meanwhile creditors in order of ranking and their dues continue to be negotiated by the administrator and are paid off to the extent of amounts received from the disposal of the assets as and when these materialize. This process of creditor pay-outs will continue till such time all the land is sold in the coming years.

Campo Puma Oriente S.A.(Puma Oil Block)

The Puma Oil Block is located in Ecuador's Oriente Basin in the Orellana Province east of Quito with an area of 162 square Kms. The Block was part of the second international marginal field bidding round and the contract was signed in March 2008 for a 20 year term with Consorcio Pegaso comprising two Companies, namely Campo Puma Oriente S.A. (CPO) with 90% share and Joshi Technologies Inc. with the balance 10%. Gammon India Limited has a 73.80% share in CPO corresponding to 66.40% share in Consorcio Pegaso. Initially, the contract was production sharing, but in February, 2011, it was changed to a service contract for an 18 year term. The remaining oil recovery from the existing Puma field is approximately 14.3 million barrels, excluding probable and possible reserves. There are 11 operational wells in the Puma Block. However, as reported in the previous years, the field remains closed as all wells continue to be capped due to the inability to perform much needed interventions including water injections, artificial lift etc. as also additional CAPEX. In the absence of executing these procedures due to the impossibility to fund the same on account of the on-going restructuring being undertaken in Gammon there has been no progress in this direction prompting the Ministry of Hydrocarbons, Ecuador to invoke various stringent provisions under the Contract citing breaches and seeking termination.

2. Dividend

In view of the losses the Board of Directors do not recommend any dividend on the Equity Shares of the Company for the Financial Year ended March 31, 2024.

3. Reserves

No amount was transferred to Reserves for the Financial Year ended March 31, 2024.

4. Finance

During the year under review the Company did not raise any capital from the capital markets either by way of issue of equity shares, ADR/ GDR or any debt by way of Debentures.

The standalone residual CDR Principal debt of Rs. 5168.23 crores (amount as on 31st March 2024) (including an amount of Rs. 1232.84 crores pertaining to recalled facility of the SPV's) has become a Non Performing Asset with the lenders as on 30th June, 2017.

5. Debentures

As on March 31, 2024 the Company had an outstanding principal balance of NCD's amounting to Rs. 2,87,97,06,471 Also the FITL outstanding on the NCD's was Rs. 45,36,063 which makes the total principal outstanding to Rs.28,84,123,768. The said debentures and interest thereon continue to remain unpaid for more than a year. Repayment of debentures is also part of the settlement proposal as mentioned above, subject to the approval of the lenders to the proposal.

6. Public Deposits

The Company has no fixed deposits under Chapter V of the Companies Act, 2013, and did not accept any further deposits during the Financial Year 2023-24.

7. Transfer of Unclaimed Dividend and Unclaimed Equity Shares to Investor Education and Protection Fund

The Company did not pay any amount as dividend since the financial year 2012-13 onwards. Hence there is no pending dividend on shares which are outstanding to be transferred to IEPF authorities pursuant to the provisions of Section 124 of the Companies Act, 2013.

8. Material Changes and Commitments, if any, affecting the Financial Position of the Company which have occurred between the end of the Financial Year of the Company to which the Financial Statements relates and the date of the Report.

There has been no material changes and commitments, affecting the financial position of the Company which have occurred between the end of the Financial Year of the Company to which the Financial Statements relate and the date of the Report.

9. Change in Nature of Business

There has been no change in the nature of business as the Company continues to carry on its retained Civil EPC business.

10. Details Of Significant And Material Orders Passed By The Regulators Or Courts Or Tribunals Impacting The Going Concern Status And Company's Operations In Future

- **NCLT matters:**

  The Company's operations have been affected in the last few years by various factors including liquidity crunch, unavailability of resources on timely basis, delays in execution of projects, delays in land acquisition, operational issues etc. The Company's overseas operations are characterized due to weak order booking, paucity of working capital and uncertain business environment. Also the Company's current liabilities exceed the current assets by Rs.10,442.51 Crore as at March 31, 2024. The facilities of the Company with the CDR lenders are presently marked as NPA since June 2017. The liquidity crunch has resulted in several winding up petitions being filed against the Company by various stakeholders for recovery of the debts which the Company has been settling as per the mutually agreed repayment terms. The liquidity crunch is affecting the Company's operation with increasing severity. The CDR lenders have recalled the various facilities, initiated recovery suits in the Debt Recovery Tribunals as well as filing a winding up petition with the National Company Law Tribunal, Mumbai bench under the Insolvency and Bankruptcy code.

  The Company has been making every effort in settling the outstanding CDR dues

  There are many cases against the Company pending before the Hon'ble National Company Law Tribunal (NCLT), Mumbai Bench as on 31st March, 2024.

- **Delisting of Shares by Bombay Stock Exchange (BSE) and National Stock Exchange (NSE):**

  i. The Delisting Committee of BSE Ltd vide order dated 05.01.2024 under Regulation 22 (2) of the Delisting Regulations had directed the company Complete the pending compliances and formalities for revocation of suspension including payment of processing fees, Annual Listing Fees and Re instatement fees within 4 months from the date of receipt of this Order by the Company.

  ii. Due to non-compliance of aforesaid order, BSE had compulsorily delisted the shares of the company w.e.f 08.05.2024 and NSE **vide letter dated 10.05.2024**.

  iii. It is to be noted that in pursuance of said order, company had complied all the compliances till 31.12.2023, however compliances for the quarter ended 31.03.2024 could not completed with stipulated time as due to NPA status of company bank accounts of the company are freezed and cash flow is handled by the lenders of the Company. Due to the above-mentioned reasons, there have been delays in other payments including payments to the exchanges. The payment to the exchanges and the revocation of suspension of trading is on the Company's priority list and the Company is pursuing the treasury account holder Bank to allocate funds for those outstanding dues at the earliest. Accordingly, the company had prayed to BSE and NSE to list its shares again, however no positive result was obtained.

  iv. Aggrieved by the said order, company had appeal before Securities Appellate Tribunal, Mumbai vide Appeal No.462 and 463 of 2024 against BSE and NSE respectively which is pending for disposal. The company is expecting the positive relief from the said Tribunal.

11. Directors' Responsibility Statement

The Audit Committee has been formed in compliance with the provisions of Section 177 of the Companies Act, 2013 and Regulation 18 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015.

During the financial year Financial Year the Audit Committee met 4 (Four) times, i.e. on 21st July, 2024, 27th December, 2024, 28th October and 20th February, 2024.

The Audit Committee consists of the following members viz., (1) Mr. Soumendra Nath Sanyal (ceased w,e,f 31.03.2024); (2) Mr. Ulhas Dharmadhikari (ceased w,e,f 16.04.2024); (3) Mr. Kashi Nath Chatterjee; (4) Ms. Vinath Hegde – Independent Directors and (5) Mr. Sandeep Sheth, Executive Director.

26. Vigil Mechanism / Whistle Blower Policy

A vigil mechanism as per the provisions of Section 177 of the Act and Regulation 22 of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 has been established by adoption of “Whistle Blower Policy” for Directors and Employees to report to the management about suspected or actual frauds, unethical behaviour or violation of the Company’s code. The Whistle Blower Policy is uploaded on the company’s website at www.gammonindia.com under the Investors Section.

27. Particulars of Loans, Guarantees or Investments

Details of loans, guarantees and investments are given in the Notes to the Standalone Financial Statements, forming a part of this Annual Report.

28. Particulars of Contracts/Arrangements with Related Parties

All contracts/arrangements/transactions entered into by the Company during the Financial Year ended 31st March, 2024 with the Related Parties were in the ordinary course of business and at arm’s length basis.

All such Related Party Transactions, were placed before the Audit Committee and also the Board for its approval/noting, wherever required. No omnibus approvals were taken during the period under review.

The Company has framed a policy on Related Party Transactions for the purpose of identification and monitoring of such transactions. Details of Related Party Transactions entered into by the Company are more particularly given in the Notes to the Standalone Financial Statements.

The policy on the Related Party Transactions as approved by the Board is hosted on the Company’s website i.e. www.gammonindia.com.

During the Financial Year, there were no Related Party Transactions of the Company with its Directors and Key Managerial Personnel or their relatives, its holding, subsidiary or associate companies as prescribed under Section 188 of the Companies Act, 2013 and the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 and which were required to be reported in Form AOC-2 and therefore the Company is not required to report any transaction under the prescribed Form AOC-2 and the same does not form a part of this report.

None of the Directors/ KMPs or their relatives has any pecuniary relationships or transactions vis-à-vis the Company, other than their remuneration and their shareholding, if any, in the Company.

29. Board Evaluation

Pursuant to the provisions of Section 149 of the Companies Act, 2013 read with Schedule IV and Regulation 17 and 25 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015, the Independent Directors evaluated the performance of the Executive Director, each Board member evaluated the performance of the Board as a whole, each Board Committee member evaluated the performance of the Board Committees and Independent Directors evaluated the performance of the other Non-Executive and Non-Independent Directors. Independent Directors were also evaluated by Board members on the functioning, participation and contribution made by each Independent Director to the Board and Committee processes. A Report of the evaluation has been forwarded to the Nomination and Remuneration Committee to maintain confidentiality of the Report and to improve the Board dynamics, and enhancing Board's overall performance in the challenging environment.

30. Risk Management Policy

The Company is exposed to inherent uncertainties owing to the sector in which it operates. A key factor in determining a Company's capacity to create sustainable value is the ability and willingness of the Company to take risks and manage them effectively and efficiently. In order to evaluate, identify and mitigate these business risks, the Company's risk management framework embodies the management's approach and the initiatives taken to mitigate business and industry risks and redefining processes to create transparency, and thereby minimize the adverse impact on the business objectives and enhance the Company's competitive advantage. Further details of the same are set out in the MDA which forms a part of this Annual Report.

31. Internal Financial Controls

The Company has devised and implemented internal control systems as are required in its business processes. The internal controls have been designed to provide assurance with regard to recording and providing reliable financial and operational information, complying with the applicable statutes, safeguarding assets, executing transactions with proper authorization and ensuring compliance with corporate policies.

However its implementation and effectiveness in certain areas are affected due to manpower and liquidity issues.

32. Particulars of Frauds, if any reported under Sub-Section (12) of Section 143 other than those which are reportable to the Central Government

No frauds have been reported under sub-section (12) of Section 143 of the Companies Act, 2013.

33. Particulars of Employees -

Information required pursuant to Rule 5(2) of the Companies (Appointment and Remuneration of Managerial Personnel) Rules, 2014 for the year under review is enclosed as "***Annexure E***" to this Report.

34. Conservation of Energy, Technology Absorption and Foreign Exchange Earnings & Outgo

Pursuant to the provisions of Section 134(3)(m) of the Companies Act, 2013 read with Companies (Accounts) Rules, 2014 the information on conservation of energy, technology absorption and foreign exchange earnings and outgo is enclosed as "***Annexure F***" to this report.

35. Prevention of Sexual Harassment of Women at Workplace

During the year under review, no complaints were received with regard to Sexual Harassment under the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

36. Acknowledgement

The Board thanks all its valued customers and various Central and State Governments as well as other Stakeholders connected with the business of the Company including Contractors and Consultants and also Banks, Financial Institutions, Shareholders and Employees of the Company for their continued support and encouragement.

For and on behalf of the Board of Directors

SECRETARIAL AUDIT REPORT

FOR THE FINANCIAL YEAR ENDED 31ST MARCH, 2024

[Pursuant to section 204(1) of the Companies Act, 2013 and rule 9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

To,

The Members,

GAMMON INDIA LIMITED

We have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by **GAMMON INDIA LIMITED** (hereinafter called "the Company"). Secretarial Audit was conducted in a manner that provided me/us a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon.

Based on our verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the Company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of Secretarial Audit, we hereby report that in our opinion, the Company has, during the audit period covering the financial year from 01st April, 2023 to 31st March, 2024, complied with the statutory provisions listed hereunder and also that the Company has proper Board processes and compliance mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

We have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2024 according to the provisions of:

(i) The Companies Act, 2013 (the Act) and the rules made thereunder;

(ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;

(iii) The Depositories Act, 1996 and the Regulations and Bye-laws Framed thereunder;

(iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to extent of Foreign Direct Investment, Overseas Direct Investment and External Commercial borrowings;

(v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'): -

  (a) The Securities and Exchange Board of India (Substantial Acquisition of Shares and Takeovers) Regulations, 2011 as amended from time to time;

  (b) The Securities and Exchange Board of India (Prohibition of Insider Trading) Regulations, 2015 as amended from time to time;

  (c) Securities and Exchange Board of India (Depositories and Participants) Regulations, 2018 and amendments from time to time;

  (d) The Listing Agreements entered into by the Company with the Bombay Stock Exchange Limited and the National Stock Exchange of India Limited.

We have also examined compliance with the applicable clauses of the following:

(i) Secretarial Standards-1 & Secretarial Standards-2 issued by the Institute of Company Secretaries of India, and

(ii) The Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015. ("SEBI LODR")

During the period under review the Company has complied with the provisions of Act, Rules, Regulations, Guidelines etc. mentioned above subject to the following observations:

1. As per Regulation 33 of SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 the listed entity shall submit quarterly and yearly standalone financial results to the stock exchange within forty-five days of end of each quarter, (other than last quarter) along with Limited Review Report or Audit Report as applicable.

   The Company delayed submitting the financial statements for the quarters ending June 30, 2023, September 30, 2023, and December 31, 2023, which were submitted on February 21, 2024. However, the financial statements for the year ending March 31, 2024, have not yet been submitted.

2. As per Regulation 74(5) of SEBI (Depositories and Participants) Regulations, 2018 the listed Entity shall submit a quarterly compliance report on surrender of certificate of security within fifteen days from the end of the Quarter.

   However, the Company has not submitted, as per regulation 74(5) of SEBI (Depositories and Participants) Regulations, 2018, from the Fourth quarter ended on March, 2024.

3. Secretarial Standards (SS - 1, SS - 2, SS - 3 and SS - 4) issued by the Institute of the Company Secretaries of India (ICSI) was compiled to the extent possible.

   Except- The Company has not complied with Para 8.8.1 of SS-1 of Secretarial Standards issued by ICSI, i.e., Preservation of Minutes and other Records: Minutes of all Meetings shall be preserved permanently in physical or in electronic form with Timestamp.

4. As per Regulation 98 (1) of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015; the listed entity or any other person thereof who contravenes any of the provisions of these regulations, shall, in addition to liability for action in terms of the securities laws, be liable for the following actions by the respective stock exchanges), in the manner specified in circulars or guidelines issued by the Board: (a) holding of designated securities, as may be applicable, in coordination with depositories***.***

   The Company's trading has been suspended due to penal reasons.

5. As per the provisions of Section 371 of the Companies Act, 2013 all the Companies limited by Share Capital are required to alter its Memorandum of Association & Article of Association as per Table F in Schedule I of the Companies Act, 2013.

   However, the Company has not altered its Memorandum of Association & Article of Association in lines with the Companies Act, 2013.

6. As per Regulation 76 of SEBI (Depositories and Participants) Regulation, 2018 shall report to the stock exchange the Reconciliation of share capital audit report Within 30 days from the end of the quarter

   However, the Company has not complied Regulation 76 of SEBI (Depositories and Participants) Regulation, 2018

7. As per Regulation 23 (9) of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 the listed entity shall submit to the stock exchanges disclosures of related party transactions and such disclosures every six months within fifteen days from the date of publication of its standalone and consolidated financial results

   However, the Company has delayed in filing as per regulation 23(9) of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015.

8. As per Regulation 7 (3) of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015 the listed entity shall submit a compliance certificate to the exchange, duly signed by both the compliance officer of the listed entity and the authorised representative of the share transfer agent, wherever applicable, within thirty days from the] end of the financial year, certifying compliance with the requirements of Regulation 7 (2) of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015

   However, the Company has delayed in filing for 31.03.2023 on 29.05.2023. However, for 31st March, 2024 was not submitted, because shares of the company are delisted, as per regulation 7 (3) of SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015.

9. The company has received For Compulsory Delisting Under The Securities And Exchange Board Of India (Delisting Of Equity Shares) Regulations, 2009, Securities Contracts (Regulation) Act, 1956 R/W Securities Contracts (Regulation) Rules, 1957 And Rules, Bye-Laws And Regulations Of BSE Ltd on January 05, 2024

   However, that the Company has applied to SEBI for re-considering the order and the outcome of the hearing is still pending.

We further report that

The Board of Directors of the Company is duly constituted with proper balance of Executive Directors, Non-Executive Directors and Independent Directors. The changes in the composition of the Board of Directors that took place during the period under review were carried out in compliance with the provisions of the Act and SEBI LODR.

Adequate notice is given to all directors to schedule the Board / Committee Meetings, however the agenda and detailed notes on agenda were not sent at least seven days in advance, and a system exists for seeking and obtaining further information and clarifications on the agenda items before the meeting and for meaningful participation at the meeting.

During the period, all the decisions in the Board Meetings were passed with requisite majority.

We further report that there are adequate systems and processes in the company commensurate with the size and operations of the company to monitor and ensure compliance with applicable laws, rules, regulations and guidelines.

We further report that during the audit period the company has not undergone any specific events/actions that may have a major impact on the Company's affairs.

Annexure A to Form MR-3

To,

The Members,

GAMMON INDIA LIMITED

Our report of even date is to be read along with this letter.

1. Maintenance of secretarial record is the responsibility of the management of the Company. Our responsibility is to express an opinion on these secretarial records based on our audit.
2. We have followed the audit practices and processes as were appropriate to obtain reasonable assurance about the correctness of the contents of the secretarial records. The verification was done on test basis to ensure that correct facts are reflected in secretarial records. We believe that the processes and practices we followed provide a reasonable basis for our opinion.
3. We have not verified the correctness and appropriateness of financial records and Books of Accounts of the Company.
4. Wherever required, we have obtained the Management representation about the compliance of laws, rules and regulations and happening of events etc.
5. The compliance of the provisions of corporate laws, rules, regulations, standards is the responsibility of management. Our examination was limited to the verification of procedures on test basis.
6. As regard the books, papers, forms, reports and returns filed by the Company under the provisions referred to in our Secretarial Audit Report in Form MR-3 the adherence and compliance to the requirements of the said regulations is the responsibility of management. Our examination was limited to checking the execution and timeliness of the filing of various forms, reports, returns and documents that need to be filed by the Company with various authorities under the said regulations. We have not verified the correctness and coverage of the contents of such forms, reports, returns and documents.
7. The secretarial audit report is neither an assurance as to the future viability of the Company nor of the efficacy or effectiveness with which the management has conducted the affairs of the Company.

BOARDS' EXPLANATION ON AUDITORS QUALIFICATION ON FINANCIAL STATEMENTS

a) Board's explanation on Statutory Auditor's qualifications in their Report on Standalone Financial Statements

Relevant Para Nos. of The Auditors Report on the Standalone Financials	Details of Audit Qualifications	Boards Explanation/ Remarks
Clause a of Basis of Qualified Opinion	We invite attention to note no. 7(a) of the financial results, where the Company has during the year evaluated its existing claims in respect of on-going, completed and terminated contracts recognised in the earlier periods. Based on opinion of independent expert in the field of claims and arbitration who had assessed the likely number of claims being settled in favour of the Company, the Company has retained claims amounting to Rs. 30.00 crore as at March 31, 2024 as good and receivable. In respect of the above claims , due to prolonged elapse of time and non-crystallization of matter with the counterpart, we are unable to comment upon the amounts recognised, its realisation and the consequent effect on the financial statements for the year ended March 31, 2024.	The management believes that they have strong case for the claim lodged against the client. This has been validated by independent techno legal consultant. The Board therefore has decided to account the claims.
Clause b of Basis of Qualified Opinion	We invite attention to note no. 5(viii) of the financial results relating to exposure of Rs.28.95 crores in respect of amounts due from a subsidiary. The said subsidiary has a project which is in limbo and the recovery of the amounts are pending on that account. Pending the conclusion of the matters we are unable to state whether any provisions would be required against the Company's exposure.	The Company is pursuing legal recourse / negotiations for addressing the disputes in favour of the Company and is of the opinion that it has a good case in the matter hence does not require any provision considering the claims of the Company against the Clients.
Clause c of Basis of Qualified Opinion	We invite attention to note no 27 (i) of the financial results relating to penal interest and charges of Rs 262.91 crores during the year charged by the lenders on its facilities. Cumulative amount of such penal interest and charges amounts to Rs. 678.67 Crores up to March 31, 2024. The same has not been debited to profit and loss account as management is disputing the same and is in discussion with the lenders for reversal of the said penal interest and charges. In the absence of conclusion of the aforesaid discussion, we are unable to state whether any provision is required to be made against such penal interest and charges.	The management is disputing the same and has not accepted the debit of interest in its books. They have also requested the lenders to reverse the charges.

b) Board's explanation on Statutory Auditor's qualifications in their Report on Consolidated Financial Statements

Relevant Para Nos. of The Auditors Report on the Standalone Financials	Details of Audit Qualifications	Boards Explanation/ Remarks
Clause a of Basis of Qualified Opinion	We invite attention to note no. 4(a) of the Consolidated Financial Results, where the Company has during the year evaluated its existing claims in respect of on-going, completed and terminated contracts recognised in the earlier periods. Based on opinion of independent expert in the field of claims and arbitration who had assessed the likely number of claims being settled in favour of the Company, the Company has retained amounts of Rs. 30.00 crore as at March 31, 2024 as good and receivable. In respect of the above claims, due to prolonged elapse of time and non-crystallization of matter with the counterpart, we are unable to comment upon the amounts recognised, its realisation and the consequent effect on the financial statements for the year ended March 31, 2024.	The management believes that they have strong case for each of the claims lodged against the client. This has been validated by independent techno legal consultant. The Board therefore has decided to account the claims.
Clause b of Basis of Qualified Opinion	We invite attention to note no 4 (b) of the financial statement relating to penal interest and charges of Rs 262.91 crores during the year charged by the lenders on the Holding Company's facilities. Cumulative amount of such penal interest and charges amounts to Rs. 678.67 Crores up to March 31, 2024. The same has not been debited to profit and loss account as management is disputing the same and is in discussion with the lenders for reversal of the said penal interest and charges. In the absence of conclusion of the aforesaid discussion, we are unable to state whether any provision is required to be made against such penal interest and charges which are disclosed as contingent liability in these Consolidated Financial Statements.	The management is disputing the same and has not accepted the debit of interest in its books. They have also requested the lenders to reverse the charges.
Clause c of Basis of Qualified Opinion	We invite attention to note no 4 (c) of financial statements, following material Joint Ventures are not consolidated in these Consolidated Financial Statements. i. M/s Campo Puma Oriente S.A, Panama, a Joint Venture of the Company whose financials statement post December 31, 2019 are not available for consolidation, and the last audited financial statements was available till December 31, 2012, and the management accounts was available till December 31, 2019. ii. M/s Gammon OJSC Mosmetrostroy, a Joint Venture of the group. whose unaudited financial statement for past f years has been incorporated in these consolidated financial statements however the same are not audited for the last three years (Mar 2021 to Mar 2023). For the current financial year the audited or unaudited financial statements were not available and hence not consolidated. Since the Joint Ventures mentioned above are material, the Assets, Revenue and Cash Flow represented in those financial statements are subject to audit and consequent effect, if any	The audit could not be completed due to various reasons for the above entities. Based on the discussions with the respective managements, we do not foresee any material impacts arising out of audit in the aforesaid financials statements.

Relevant Para Nos. of The Auditors Report on the Standalone Financials	Details of Audit Qualifications	Boards Explanation/ Remarks

NOMINATION AND REMUNERATION POLICY

1. PREAMBLE:

The Selection and Remuneration Committee ("Committee") of Gammon India Limited ("the Company") was constituted by the Company's Board of Directors on 6th May 2009.

In order to align the duties and responsibilities of the Committee with the provisions of the Companies Act, 2013 and the Listing Agreement, the Board of Directors (the "Board") at its meeting held on 3rd April 2014 renamed the "Selection and Remuneration Committee" as "Nomination and Remuneration Committee" (the "Committee"). The Nomination and Remuneration Committee and this Policy is in compliance with Section 178 of the Companies Act, 2013 read with the applicable rules thereto and in line with the provisions of the SEBI (Listing Obligations and Disclosure Requirements), Regulations, 2015.

As on 31st March, 2024, the Committee comprised of three (3) Non-Executive Independent Directors viz. (1) Mr. Soumendra Nath Sanyal (Chairman), (2) Ulhas Dharmadhikari & (3) Ms. Vinath Hegde.

2. DEFINITIONS:

a) **Board** means the Board of Directors of Gammon India Limited.

b) **Committee** means the Nomination and Remuneration Committee constituted by the Board of Gammon India Limited.

c) **Company** means Gammon India Limited.

d) **Key** Managerial Personnel means:

i. Chief Executive Officer or the Managing Director or the Manager;

ii. Company Secretary,

iii. Whole-time Director;

iv. Chief Financial Officer; and

v. such other officer as may be prescribed by the Companies Act, 2013 or the rules made thereunder.

e) **Senior Management** means employees of the Company who are members of the Company's core management team excluding the Board. This would also include all members of management one level below the Executive Directors and all the functional heads.

3. CHARTER:

a) To identify persons who are qualified to become Directors and who may be appointed in Senior Management as well as devising a policy on Board diversity;

b) To lay down criteria for such appointments;

c) Recommend to the Board their appointment and renewal; and

d) To evaluate performance of every Director including the Independent Directors.

e) To recommend to the Board remuneration payable to the Directors, Key Managerial Personnel and Senior Management.

4. DUTIES & RESPONSIBILITIES OF THE COMMITTEE:

A. Identification of persons qualified to become Directors or occupy senior management positions and devising a policy on Board diversity:

While appointing new director(s) on the Company's Board, Key Managerial Personnel and Senior management the Committee shall implement a process to identify and evaluate suitable candidates in line based on the following guidelines;

a. Well considered Organogram of the Company must be made and reviewed from time to time so that the vacancy slots, seniority and position in the Company are well defined and clear before the selection process is initiated.

b. The incumbents must have qualifications and experience in the field that has relevance to the Company's functions and working. The incumbents should have personal attributes such as personality, seniority, articulation, decision making, team building, management skills, leadership skills and ability to participate in meetings with peers and seniors.

c. Such appointments may be made after considering recommendations from reliable and knowledgeable sources and/or outcome of a selection process which could be based on Head Hunters' short listings or direct recruitment and advertisements, and/or promotions of the present cadre of managerial personnel.

d. There should be a proper mix of technical skills, financial acumen and expertise such as in the fields of HR and commercial laws fairly represented at the Board level.

e. The Managing Director shall report to the Board. The Key Managerial Personnel other than the Managing Director shall report to the Managing Director on day to day operations. However on all the matters, which in the opinion of the Key Managerial Personnel are important and critical or are required to be reported to the Board to comply with the prevailing laws and statutes, the Key Managerial Personnel shall report to the Board.

B. Fixing Remuneration of the Directors and Key Managerial personnel and Senior management:

a. The level and composition of the remuneration should be reasonable and sufficient to attract, retain and motivate the incumbent.

b. The Committee shall ensure that amount of remuneration is commensurate with the roles assigned to the Directors, Key Managerial Personnel and Senior Management and that the relationship between remuneration and performance is clear and meets appropriate performance benchmarks.

c. Committee's recommendations to the Board or the Management, as the case may be, must include remuneration based on age, experience and qualification of the incumbent.

d. Remuneration should have two components, one Fixed and the other Variable. The Fixed Component should be well defined and Variable Component, as far as feasible, should be based on factors such as growth and performance of the Company without considering exceptional items, interest and depreciation and or as my be advised by NRC and decided by the Board. The Board should have full discretion in the matter. Such Variable Component should be based either on the performance of the incumbent and/or the performance/growth of the Company. Contracts should be made in a manner that a deterrent clause is included to restrict employees leaving the organization from joining a competitor.

e. The balance between the Fixed and Variable component can vary from time to time and from office to office.

C. Renewal of Contracts and evaluation of Directors and Senior Personnel:

Evaluation process must precede renewal of contracts. Self-evaluation is not recommended. Directors' performance, including that of independent Directors, must be evaluated by the Chairman of the Board who may seek advice from other Board members before making a recommendation.

D. Other duties & responsibilities:

The Committee's duties and responsibilities will, *inter alia*, include the following:

- to make recommendations to the Board concerning any matters relating to the Appointment and Removal of any Director at any time including the suspension or termination of services of an Executive Director as an employee of the Company subject to the provision of the law and their service contract;
- to recommend to the Board the appointment and removal of Senior Management employee based on the criteria mentioned in this Policy.
- to recommend a succession plan for the Board and to regularly review the plan;
- to review this policy atleast periodically to make suitable changes required either pursuant to any applicable laws or by virtue of any other changes within the Company.

5. COMPOSITION:

a) The Committee shall consists of a minimum of three (3) non-executive directors with all of them being independent.

b) Minimum two (2) members shall constitute a quorum for the Committee meeting.

c) Membership of the Committee shall be disclosed in the Annual Report.

d) The term of the Committee shall continue unless terminated by the Board.

6. CHAIRMAN:

The Chairman of the Committee shall be an Independent Director. In the absence of the Chairman, the Committee members present may nominate any one amongst them as the Chairman of the meeting.

7. COMMITTEE MEETINGS:

a) The meeting of the Committee shall be held at such regular intervals as may be required.

b) The Chairman of the Committee will report to the Board (at the next Board meeting) on the proceedings of each Committee meeting, bringing forward all Committee recommendations requiring Board approval.

8. COMMITTEE MEMBERS' CONFLICT OF INTEREST:

a) A member of the Committee is not entitled to be present when his or her own remuneration is discussed at a meeting or when his or her performance is being evaluated.

9. DUTIES OF THE COMPANY SECRETARY:

The Company Secretary shall:

a) in coordination with the Chairman of the Committee finalize agenda and arrange for the Committee meetings;

b) provide agenda and supporting documents to Committee members sufficiently in advance so as to enable the Committee members to prepare for the meeting;

c) circulate minutes of each meeting to Committee members; and

d) circulate copies of the minutes of the Committee meeting to the remaining Board members upon request

"ANNEXURE E"

Disclosures pursuant to Section 197 of the Companies Act, 2013 read with Rule 5 of Companies (Appointment and Remuneration of Managerial personnel), Rules, 2014

"Annexure F"

CONSERVATION OF ENERGY, TECHNOLOGY ABSORPTION AND FOREIGN EXCHANGE EARNINGS AND OUTGO

SECTION 134(3)(m) OF THE COMPANIES ACT, 2013 READ WITH RULE 8(3) OF THE COMPANIES (ACCOUNTS) RULES, 2014 IS FORMING PART OF THE BOARD´S REPORT FOR THE FINANCIAL YEAR 2023-24

A. Conservation of Energy

In over 100 years of its operation, Gammon is committed to - *Make In India - Make for India* initiative of Honourable Prime Minister. The technologies are based on Socio-Economic condition of region. The concept of pre-stressed precast concrete, Hyperbola Cooling Tower, Tapered Slip form, Segmental Construction for bridges etc. are a few examples where Gammon has absorbed those technology from Europe and indigenised for our country. Gammon believed and has always worked considering socio economic requirement of the country for technology absorption.

Every electrical unit saved is as good as generated. Understanding the importance of energy conservation Gammon has installed fuel efficient plant and machinery at the project site and the extensive use of LED lights in place of regular lights. Conservations of water by adopting steam curing or curing compound, recycling of waste material at sites, encouraging electronic media over the print media, pulling methods for transportation of staff and set up a bench mark for the wastage limits are the few examples of initiative towards Conservation of energy.

B. Technology Absorbtion

Gammon is committed towards technology driven innovation and inculcating an innovation driven culture within the organisation.

Gammon has absorbed all required technology considering the socio economic factors and developed/implemented those technologies in the field of Civil Engineering. The concept of pre-stressed precast concrete, Hyperbola Cooling Tower, Tapper Slip form, Segmental concrete for bridges, Cable Stayed Bridge etc. are a few examples where Gammon has absorbed these technologies from Europe and indigenised for our country. Gammon believed and has always worked considering socio economic requirement of the country.

C. Foreign Exchange Earnings and Outgo

Foreign Exchange earnings and outgo during the year under review are as follows:

(Rs. in crores)

Total Foreign Exchange Earned and Outgo	For the Financial Year ended 31st March, 2024	For the Financial Year ended 31st March, 2023
Foreign Currency Receivables	Nil	0.08
Foreign Exchange Payables	--	--

STANDALONE FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

To

The Members of

Gammon India Limited

Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the accompanying Standalone Financial Statements of Gammon India Limited ("the Company"), which comprise the Balance Sheet as at March 31, 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Changes in Equity and the Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of Material Accounting Policy Information and other explanatory information (hereinafter referred to as "the Standalone Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in Basis of Qualified Opinion paragraph, the aforesaid Standalone Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2024, and its loss (including other comprehensive income), the changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

a) We invite attention to note no. 7(a) of the financial statement, where the Company has during the year evaluated its existing claims in respect of on-going, completed and terminated contracts recognised in the earlier periods. Based on opinion of independent expert in the field of claims and arbitration who had assessed the likely number of claims being settled in favour of the Company, the Company has retained amounts to Rs. 30.00 crore as at March 31, 2024 as good and receivable.

   In respect of the above claims , due to prolonged elapse of time and non-crystallization of matter with the counterpart, we are unable to comment upon the amounts recognised, its realisation and the consequent effect on the financial statements for the year ended March 31, 2024.

b) We invite attention to note no. 5(viii) of the financial statement relating exposure of Rs. 28.95 crores in respect of one subsidiary. The said subsidiary has a project which is in limbo and the recovery of the amounts are pending on that account. Pending the conclusion of the matters we are unable to state whether any provisions would be required against the Company's exposure.

c) We invite attention to note no 27 (i) of the financial statement relating to penal interest and charges of Rs 262.91 crores during the year charged by the lenders on its facilities. Cumulative amount of such penal interest and charges amounts to Rs. 678.67 Crores up to March 31, 2024. The same has not been debited to profit and loss account as management is disputing the same and is in discussion with the lenders for reversal of the said penal interest and charges. In the absence of conclusion of the aforesaid discussion, we are unable to state whether any provision is required to be made against such penal interest and charges which are disclosed as contingent liability in these Standalone Financial Statements.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Standalone Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion on the Standalone Financial Statements.

Material Uncertainty relating to Going Concern.

We invite attention to note no. 37 of the financials statement relating to the present financial situation of the Company detailing

the Material Uncertainties Relating to Going Concern and the Going Concern assumptions. The lenders had in the previous years recalled all the loans and facilities and also the Company's current liabilities exceeds current assets by Rs 10,442.54 Crore as at March 31, 2024. The Company is finding it difficult to meet its financial obligations and the resolution plan is under consideration by lenders since a very long time. The liquidity crunch is affecting the Company's operation with increasing severity. The trading in equity shares of the Company is presently suspended. Some of the creditors have filed for winding up petitions against the Company. Some of the bankers have initiated action for recovering by putting on embargo on the Company's assets as detailed in the aforesaid note. The company has severe manpower issues and is defaulting on its statutory and regulatory obligations. The Company's resolution plan is under consideration by the lenders as detailed in the aforesaid note but the final approval of all lenders and the execution of the plan and its success involves material uncertainties that may cast significant doubt about the Going Concern Assumption. Our report is not qualified on this account.

Emphasis of Matter

Without qualifying our conclusion, we draw attention to the following matters;

a) We draw attention to Note no 4(a)(i) of the Financial Statement relating to recoverability of an amount of Rs.286.20 crores as at March 31, 2024 under trade receivables in respect of contract revenue where the Company has received arbitration awards in its favour in respect of which the client has preferred an appeal for setting aside the said arbitration awards, where the Company is confident of recovery for the said awards. The recoverability is dependent upon the final outcome of the appeals & negotiations getting resolved in favour of the company.

b) We draw attention to Note no 4(a)(ii) of the Financial Statement relating to accounting effects of the CMRL award resulting in a net impact of reduction of Rs. 324.00 Crores on the profit before tax as explained in the said note.

c) We draw attention to Note no 29(b) of the Financial Statement. During the year, the Company has carried out detailed evaluation and assessment of Awards, Claims and Other exposures with the help of an independent expert in the field of claims and arbitration who had assessed the likely amount of award and claims being settled in favour of the Company. Considering the expert opinion and the long elapse of time in respect of these claims, the Company has provided for its exposure towards such awards, claims, work done but not billed, trade receivable (net of advances) along with other receivables not connected with projects amounting to Rs. 577.44 Crores (including CMRL impact discussed above) in the statement of profit and loss.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Standalone financial statements of the current period. These matters were addressed in the context of our audit of the Standalone financial statements as a whole, and in forming our opinion thereon, we do not provide a separate opinion on these matters.

Apart from what is mentioned in our paragraph titled Basis of Qualified Opinion and paragraph titled Material Uncertainty related to Going Concern along with matters described in our emphasis of matters paragraph there are no other matters described to be the key audit matters to be communicated in our report.

Information Other than the Standalone Financial Statements and Auditor's Report thereon

The Company's Board of Directors is responsible for the Other Information. The other information comprises the information included in the Company's Annual Report but does not include the Standalone and Consolidated Financial Statements and our Independent Auditors' Report thereon. We have read the Director's Report and Management Discussion and Analysis forming part of the Annual Report and found the same to be in order. However, the other contents of the Annual Report are expected to be made available to us after the date of this report.

Our opinion on the Standalone Financial Statements does not cover the Other Information and we do not and will not express any form of assurance or conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the Other Information identified above and, in doing so, consider whether the Other Information is materially inconsistent with the Standalone Financial Statements, or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

The Other Information has not been made available to us till the date of this report. We will read the Other Information as and when it is made available to us and if conclude that there is a material misstatement, we are required to communicate the matter with those charged with governance and take necessary steps as may be required thereafter.

Responsibilities of Management and those Charged with Governance for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of "the Act" with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance (including other comprehensive income), changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act and relevant provisions of the Act.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the standalone financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Standalone Financial Statements

Our objectives are to obtain reasonable assurance about whether the Standalone Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Standalone Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system with reference to Standalone Financial Statements in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, make it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statement.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the standalone financial statements of the current year and are therefore the Key Audit Matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure "A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that

   a. Except for the matters described in our basis of qualified opinion, We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.

   b. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except for the possible effects of the matter described in the Basis of Qualified Opinion paragraph and for the matter stated in paragraph 2(j)(vi) below relating to reporting under rule 11(g) of the Companies (Audit and Auditors) Rule 2014.

   c. The Balance Sheet, the Statement of Profit and Loss (including Other Comprehensive Income), Statement of Changes in Equity and the Statement of Cash Flows dealt with by this Report are in agreement with the books of account.

   d. In our opinion, except for the possible effects of the matter described in Basis of Qualified Opinion paragraph the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

   e. The matters described in paragraphs under the Basis for Qualified Opinion and the Material Uncertainty related to Going Concern paragraph, in our opinion, may have an adverse effect on the functioning of the Company.

   f. With reference to maintenance of accounts and other matter therewith, reference is invited to paragraph 2(b) above on reporting under section 143(3)(b) and para 2(i)(vi) below relating to reporting under rule 11(g) of the Companies (Audit and Auditors) Rule 2014, as amended.

   g. On the basis of the written representations received from the directors as on March 31, 2023, taken on record by the Board of Directors, except one all the directors are disqualified as on March 31, 2024, from being appointed as a director in terms of Section 164 (2) of the Act.

   h. With respect to the adequacy of the internal financial controls with reference to Standalone Financial Statements of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B". Our report expresses a modified opinion on the adequacy and operating effectiveness of the Company's internal financial controls with reference to Standalone Financial Statements.

   i. With respect to the other matters to be included in the Auditor's Report in accordance with the requirements of section 197(16) of the Act, as amended:

In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of Section 197 of the Act.

j. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:

i. The Company has disclosed the impact of pending litigations on its financial position in its standalone financial statements – Refer Note 33 to the standalone financial statements,

ii. The Company did not have any long-term contracts including derivative contracts for which there were material foreseeable losses,

iii. The amount of Rs 0.58 Crores is pending to be transferred to the Investor Education and Protection Fund.

iv. (a) The management has represented that, to the best of their knowledge and belief other than as disclosed in the notes to the financial statements, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person(s) or entity(ies), including foreign entities ("intermediaries") with the understanding whether recorded in writing or otherwise, that the intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company ("Ultimate Beneficiaries") or provide any guarantee, security, or the like on behalf of the Ultimate Beneficiaries.

(b) The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies) including foreign entities ("Funding Parties"), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ("Ultimate Beneficiaries") or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

(c) Based on such audit procedures considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (iv(a.)) and (iv(b.)) above contain any material misstatement.

v. The Company has neither declared nor paid dividends during the year.

vi. Based on our examination which included test checks, the Company, in respect of financial year commencing on April 1, 2023, has used Tally software for its accounting purposes, which has an audit trail (edit log) feature. However, the Company has not enabled the audit trail feature in the Tally software used for financial statements both at application and at database.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 01, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024. However, in view of what is stated above the preservation of audit trail for future references will not be possible.

Annexure A to the Independent Auditors' Report

(Referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Gammon India Limited of even date)

To the best of our information and according to the explanations provided to us by the Company and the books of account and records examined by us in the normal course of audit, and to the best of our knowledge and belief, we state that:

(i) a. (A) The Company has generally maintained proper records showing full particulars including quantitative details and situation of its Property, Plant and Equipment.

(B) The company does not have any intangible asset therefore clause 3(i)(a)(B) is not applicable.

b. Property, Plant and Equipment have been physically verified by the management at reasonable intervals and no material discrepancies were noticed on such verification except assets at some of their terminated sites where the access to the assets are presently restrained and the matter is under dispute. The total carrying value of assets at such sites is Rs. 1.53 crores.

c. We are informed by the management that all the title deeds of immovable properties are in custody of IDBI trusteeship Services Limited as part of Corporate Debt Restructuring norms with the lenders. We have therefore not verified the physical documents of immovable property and relied on the management representation for the same.

d. The company has not revalued its Property, Plant and Equipment (including Right of Use assets) or intangible assets or both during the year.

e. There are no proceedings initiated during the year or are pending against the Company as at March 31, 2024 for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 and rules made thereunder.

(ii) (a) The management has conducted physical verification of inventory at reasonable intervals during the year, the frequency of such verification is reasonable. On the basis of examination of records, we are of the opinion that the coverage and procedure of such verification is appropriate and discrepancy noted were not in excess of 10% in aggregate for each class of inventory and have been properly dealt with in the books of accounts of the Company.

(b) The Company has been sanctioned working capital limits in excess of five crore rupees, in aggregate, from banks or financial institutions on the basis of security of current assets. However, the company has not filed quarterly returns or statements of current assets with banks or financial institutions as the entire facilities from the lenders have become Non Performing Assets in the month June'17 and the Lenders have recalled all the loans and during the year no new working capital limit was sanctioned.

(iii) (a) During the year, the Company has not made any investment in companies, firms, Limited Liability Partnerships. The Company has not provided any guarantee or security or granted any loans or advances in the nature of loans, secured or unsecured, to companies, firms, Limited Liability Partnerships or any other parties during the year, hence Clause 3(iii) (a) and 3(iii)(b) of the Companies (Auditor's Report) Order, 2020 are not applicable to the Company.

(b) In respect of the loans and advances in the nature of loans, the schedule of repayment of principal and payment of interest have not been stipulated, hence we are unable to comment on the repayment of principal and interest outstanding.

(c) Since there are no stipulated repayments schedule for loans and advances, we are unable to opinion that no amount is overdue for more than ninety days. However most of the loans have been provided for as doubtful of recovery.

(d) No loan or advance in the nature of loan granted which has fallen due during the year, has been renewed or extended or fresh loans granted to settle the overdues of existing loans given to the same parties.

(e) The company has not granted any loans or advances in the nature of loans either repayable on demand or without specifying any terms or period of repayment, except as under:

(Rs. In Crores)

	All Parties	Promoters	Related Parties
Aggregate amount of loans/ advances in nature of loans			
- Repayable on demand (A)	-	-	-
- Agreement does not specify any terms or period of repayment (B)	Rs. 3,329.36	-	Rs. 3,329.36
Total (A+B)	**Rs. 3,329.36**	**-**	**Rs. 3,329.36**
Percentage of loans/ advances in nature of loans to the total loans	98.57%		98.57%

(iv) The company has complied with the provisions of section 185 and 186 of the Act with respect of loans granted, investments made, guarantees and security given to the extent applicable.

(v) The Company has not accepted deposits from the public or amounts that are deemed to be deposits pursuant to sections 73 to 76 or any other relevant provisions of the Companies Act, 2013 and rules framed thereunder. Accordingly, para 3(v) of the Order is not applicable. We are informed by the management, that no order that has been passed by Company Law Board or National Company Law Tribunal or Reserve Bank of India or any Court or any other tribunal in respect of the said sections.

(vi) The maintenance of the cost records under the sub-section (1) of section 148 of the Act has been prescribed and we are of the opinion that prima facie, the prescribed accounts and records have been made and maintained. We have not, however, carried out a detailed examination of the records to ascertain whether they are accurate or complete.

(vii) (a) The Company is not regular in depositing undisputed statutory dues including Goods and Services Act, Provident fund, Employees State Insurance, Income Tax, Sales Tax, Service Tax, duty of Customs, duty of Excise, Value Added Tax, Cess and other statutory dues to the appropriate authorities during the year.

On the basis of the audit procedures followed, test checks of the transaction and the representation from the Management there are no undisputed amount which were outstanding as at March 31, 2024 for a period of more than six months from the date they became payable except as given below, which is unpaid till date.

Provident Fund	Provident fund demand of Rs 2.56 crores (pertaining to job of the Company) for the earlier years, for which amount paid under protest is Rs 3.73 crores) by the Company.			

** Balances with values below the rounding off norm adopted by the Company have been reflected as “0.00”

The amount is net of Rs. 0.04 Lacs paid under protest shown as paid under protest.

(viii) There are no transactions relating to previously unrecorded income that were not recorded in the books of account, and which has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 (43 of 1961).

(ix) (a) The company has defaulted in servicing interest and principal repayment due to debenture holders, financial institutions and banks. The borrowings have become Non-Performing Assets (NPA) and lenders have recalled all the loans. The total amount of recalled debts are disclosed as current liabilities aggregating to Rs. 3935.39 Crores. Details are disclosed in statement 1. The amounts of delays in interest servicing amounting to Rs. 2,561.31 Cores in respect of facilities availed by the company are shown in statement 2.

(b) The company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

(c) During the company has not borrowed term loan during the year and therefore clause 3(ix)(c) of the Companies (Auditor’s Report) Order, 2020 is not applicable to the Company.

(d) On an overall examination of the Standalone Financial Statements of the Company, we report that funds raised on short term basis to the extent of Rs. 10,417.99 Crores have been used for long term purposes.

(e) The company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.

(f) The company has not raised loans during the year on the pledge of securities held in its subsidiaries, joint ventures or associate companies. Accordingly, paragraph 3(ix)(f) of the Companies (Auditor’s Report) Order, 2020 is not applicable to the Company.

(x) (a) The Company has not raised monies by way of Initial Public Offer or Further Public Offer (including debt instruments) during the year. Hence, paragraph 3(x)(a) of the Companies (Auditor’s Report) Order, 2020 is not applicable to the Company.

(b) The Company has not made any preferential allotment or private placement of shares or convertible debentures fully or partly or optionally during the year under audit. Hence, paragraph 3(x)(b) of the Companies (Auditor’s Report) Order, 2020 is not applicable to the Company.

(xi) (a) No fraud by the Company and no material fraud on the Company has been noticed or reported during the year.

(b) No report under sub-section (12) of section 143 of the Companies Act has been filed by us in Form ADT-4 as prescribed under rule 13 of Companies (Audit and Auditors) Rules, 2014 with the Central Government during the year and upto the date of this report and hence clause 3(xi)(b) of the Companies (Auditors Report) Order 2020 is not applicable to the company.

(c) No whistle-blower complaints have been received during the year by the company.

(xii) The Company is not a Nidhi Company and hence clauses 3(xii)(a), 3(xii) (b) and 3(xii)(c) of the Companies (Auditors Report) Order 2020 is not applicable to the Company.

(xiii) All transactions with the related parties are in compliance with sections 177 and 188 of the Companies Act, 2013 in so far as our examination of the proceedings of the meetings of the Audit Committee and Board of Directors are concerned. The details of related party transactions have been disclosed in the Financial Statements as required by the applicable Accounting Standards.

(xiv) (a) The company's internal audit system is not commensurate with the size and nature of its business.

(b) We have considered the internal audit reports for the year under audit, issued to the company by the in-house internal audit department during the year and till the date of the report, in determining the nature, timing and extent of our audit procedures.

(xv) The company has not entered into any non-cash transactions with its directors or persons connected with its directors and hence clause 3(xv) of the Companies (Auditor's Report) Order, 2020 is not applicable to the Company.

(xvi) a) The nature of business and the activities of the Company are such that the Company is not required to obtain registration under section 45-IA of the Reserve Bank of India Act 1934 and hence sub-clause 3(xvi)(a), 3(xvi)(b) and 3(xvi)(c) of the Companies (Auditors Report) Order, 2020 is not applicable to the company.

b) The Group does not have any CICs as part of the Group.

(xvii) The Company has incurred cash losses of Rs. 864.86 Crores in current financial year and Rs. 839.12 Crores in the immediate previous financial year.

(xviii) There has been no resignation of the statutory auditors during the year and accordingly clause (3)(xviii) Companies (Auditors Report) Order 2020 is not applicable to the Company.

(xix) On the basis of the financial ratios, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions and also our paragraph on material uncertainty relating to going concern casting significant doubts, we are of the opinion that there exists material uncertainties in the management assumptions relating to the company's capability of meeting the financial liabilities existing as at the Balance sheet date as and when they fall due within next 12 months which casts significant doubts on the management ability to meet the liabilities as and when they fall due.

(xx) The Company not required to spend towards Corporate Social Responsibility (CSR) for the year under audit and hence sub-clauses (3)(xx)(a) and 3(xx)(b) of The Companies (Auditors Report) Order 2020 is not applicable to the Company.

Annexure - B to the Auditors' Report

(Referred to in paragraph 2(h) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of Gammon India Limited of even date)

Report on the Internal Financial Controls with reference to Standalone Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls with reference to Standalone Financial Statements of Gammon India Limited ("the Company") as of March 31, 2024, in conjunction with our audit of the Standalone Financial Statement of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control with reference to Standalone Financial Statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls with reference to Standalone Financial Statements based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Standalone Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Standalone Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Standalone Financial Statements included obtaining an understanding of internal financial controls with reference to Standalone Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system with reference to Standalone Financial Statements.

Meaning of Internal Financial Controls with reference to Standalone Financial Statements

A company's internal financial control with reference to Standalone Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Standalone Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Standalone Financial Statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the Standalone Financial Statements.

Inherent Limitations of Internal Financial Controls with reference to Standalone Financial Statements.

Because of the inherent limitations of Internal Financial controls with reference to Standalone Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Standalone Financial Statements to future periods are subject to the risk that the internal financial controls with reference to Standalone Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

In view of what is stated in our basis of Qualified Opinion we cannot state that the Company has, in all material respects, an adequate internal financial controls system with reference to Standalone Financial Statements and such internal financial controls with reference to Standalone Financial Statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

Basis of Qualified Opinion

a) The Company has laid down internal financial controls with reference to Standalone Financial Statements, however, its implementation and effectiveness are affected due to severe manpower issues affecting timely preparation of Standalone Financial Statements.

b) Our test of transactions revealed instances of control weaknesses which have inter-alia resulted from manpower and liquidity issues.

c) Internal Audit carried out by the Company was not adequate considering the size and operations of the Company and was required to be more extensive with timely follow up and actions to correct the issues promptly. The internal audit has also revealed weaknesses in the systems and processes.

(a) General Reserve

The General Reserve is created to comply with The Companies (Transfer of Profit to Reserve) Rules 1975.

(b) Securities premium reserve

Securities premium is used to record the premium on issue of shares or debentures. The reserve will be utilised in accordance with the provisions of the Act.

(c) Debenture Redemption Reserve

In accordance with Circular issued by Ministry of Corporate Affairs No. 04/2013 dated 11.02.2013 the Company is maintaining the Debenture Redemption Reserve to the extent of 25% of the outstanding debentures. In accordance with the Companies (Share Capital and Debenture) Rules, 2014 the Company is maintaining the Debenture Redemption Reserve to the extent of 25% of the outstanding debentures. The Company has however not set aside or earmarked liquid assets of ₹ 43.25 crores (PY: ₹ 43.25 crore) being 15% of the amount of Debenture due for redemption as at March 2022 as required by the aforesaid Circular in view of the financial crunch faced by the Company. Since the entire facility is recalled by the lenders the entire amount of Non Convertable Debenture is considered as current and 15% of earmarked fund is calculated on the entire amount.

(d) Capital Reserve

Pursuant to a Scheme of Arrangement between the company, Transrail Lighting Limited (TLL) and their respective shareholders and creditors pursuant to Sections 391 to 394 read with sections 100 to 103 of the Companies Act, 1956 for transfer of the retained Transmission and Distribution Undertaking (as defined in the scheme) of GIL and in accordance with the directions of the National Company Law Tribunal ("NCLT") the company has recorded the fair value of the consideration received from TLL by way of 725,000 Equity Shares issued by TLL as Non-Current Investments and has derecognised book values of the assets and liabilities of retained T&D Undertaking transferred to TLL. The resultant difference of Rs 11.52 crore has been credited to Capital reserve account.

(e) Promoters Contribution

The Company had pursuant to the Shareholders approval in May, 2015, received Rs. 100 Crore to issue Unsecured Zero Coupon Compulsorily Convertible Debentures ("CCD's") to the promoters against their contribution made to the Company's Corporate Debt Restructuring ("CDR") package. However no allotment was made, since the in-principle approval for allotment was awaited from BSE Limited.

On 26th April,2016 , BSE has directed the Company to modify the "relevant date" adopted by the Company for the pricing of the CCD's and seek shareholders approval afresh.

(f) Treasury Shares

Pursuant to the Scheme of Amalgamation with ATSL in 2008, the Company owns 58,04,620 Equity Shares of itself through Gammon India Trust which was allotted the shares against the Company's holding in erstwhile ATSL in terms of the order of the Hon'ble High Court of Mumbai and Gujarat.

Summary of Material Accounting Policy Information and Other Explanatory Information to the Standalone Financial Statements for the year ended March 31, 2024

A. CORPORATE INFORMATION

Gammon India Limited is a civil engineering construction company incorporated in the year 1922. It originated as a construction business in the year 1919 founded by John C. Gammon and was taken over by its Promoter Mr. Abhijit Rajan in the year 1991.

Prominently it is one of the largest infrastructure companies in India with several multifarious civil engineering projects to its credit. Broadly, its specific segments of specialisation in infrastructure are transportation, power projects, transmission & distribution, structural designs, irrigation projects, ground engineering & water supply. Having established its leadership in construction and turnkey projects, it is also accredited with expertise in roads, flyovers and bridges. Besides its large scale of operations in the Construction and Infrastructure domain, Gammon has a dominant presence in energy business in which it operates in the hydro, nuclear and thermal power segments- having India's first second generation nuclear power plant in Kalapakkam to its credit.

Gammon's projects cover businesses and projects involving highways, public utilities, environmental engineering and marine structures. Gammon's expertise also covers the design, financing, construction and operation of modern bridges, ports, harbours, thermal & nuclear power stations, viaducts, dams, high-rise structures, chemical & fertiliser complexes and metro rail, both on a Built-Operate–Transfer (BOT) basis as well as contract execution. Gammon is also active in the Social Infrastructure sector through its operations in the realty project segment

The Financial Statements are approved for issue by the Company's Board of Directors in the meeting held on October 28, 2024.

B. USE OF JUDGEMENTS, ESTIMATES AND ASSUMPTION

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of circumstances surrounding the estimates. Changes in estimates are reflected in the financial statement in the period in which changes are made and if material, their effects are disclosed in the notes to the financial statements.

i) Taxes

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies. The management does not have any unabsorbed losses and therefore there are no judgements being made on this account.

ii) Defined benefit plans (gratuity benefits)

The cost of the defined benefit plans, compensated absences and the present value of the defined benefit obligations are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. This inter-alia include the determination of the discount rate, future salary increases, attrition rates and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

iii) Useful lives of Property, plant and Equipment

The company reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods. Presently the PPE are depreciated on the basis of the estimates of useful life carried out by the management which are disclosed as part of the material accounting policy relating to PPE and depreciation.

iv) Impairment of Property, Plant and Equipment

For property, plant and equipment and intangibles an assessment is made at each reporting date to determine whether there is an indication that the carrying amount may not be recoverable or previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Company estimates the asset's or Cash Generating Unit(CGU) recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised.

In making the estimates of recoverable amounts of Asset or CGU, the management estimates future economic benefits including projections of future profitability which are taken into consideration in evaluating the recoverable amount of Asset or CGU.

v) Impairment of Investment

For determining whether the investments in subsidiaries, joint venture and associates are impaired requires an estimate in the value in use of investments. In considering the value in use, the Directors have estimated the future cash flow, capacity utilization, operating margins and other factors of the underlying businesses / operations of the investee companies. Any subsequent changes to the cash flows due to changes in the above-mentioned factors could impact the carrying value of investments.

vi) Inventories

The Company estimates the net realisable value (NRV) of its inventories by taking into account estimated selling price, estimated cost of completion, estimated costs necessary to make the sale, obsolescence considering the past trend. Inventories are written down to NRV where such NRV is lower than their cost.

vii) Recognition and measurement of other provision

The recognition and measurement of other provisions is based on the assessment of the probability of an outflow of resources, and on past experience and circumstances known at the closing date. The actual outflow of resources at a future date may therefore, vary from the amount included in other provisions.

viii) Leases

The Company evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgement. The Company uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Company determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Company is reasonably certain to exercise that option and periods covered by an option to terminate the lease if the Company is reasonably certain not to exercise that option. In assessing whether the Company is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Company to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

C. RECENT PRONOUNCEMENTS

There has been no recent accounting pronouncements made by Ministry of Corporate Affairs relating to the Companies (Indian Accounting Standards) Rules, 2015.

D. MATERIAL ACCOUNTING POLICY INFORMATION

i) Basis of Preparation

These financial statements are prepared under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values which are disclosed in the Financial Statements, the provisions of the Companies Act, 2013 (`Act') (to the extent notified).

The classification of assets and liabilities of the Company is done into current and non-current based on the operating cycle of the business of the Company. The operating cycle of the business of the Company is less than twelve months and therefore all current and non-current classifications are done based on the status of realisability and expected settlement of the respective asset and liability within a period of twelve months from the reporting date as required by Schedule III to the Companies Act, 2013.

Accounting policies have been consistently applied except whereas newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The financial statements are presented in Indian Rupees ('INR') and all values are rounded to the nearest crore, except otherwise indicated.

ii) Revenue Recognition

The Company undertakes Engineering, Procurement and Construction business. The ongoing contracts with customers are for construction of highways, water pipeline projects construction of residential & commercial buildings, and others. The type of work in these contracts involve construction, engineering, designing, supply of materials, development of system, installation, project management, operations and maintenance etc.

Construction Activity

Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Company expects to be entitled in exchange for those goods or services

The Companies performance creates or enhances an asset that the customer controls as the asset is created or enhanced and as per the terms of the contract, the Company has an enforceable right to payment for performance completed till date. Hence the Company transfers control of a good or service over time and, therefore, satisfies a performance obligation and recognises revenue over time. The Company recognises revenue at the transaction price which is determined on the basis of agreement entered into with the customer. The Company recognises revenue for performance obligation satisfied over time only if it can reasonably measure its progress towards complete satisfaction of the performance obligation. The Company would not be able to reasonably measure its progress towards complete satisfaction of a performance obligation if it lacks reliable information that would be required to apply an appropriate method of measuring progress. In those circumstances, the Company recognises revenue only to the extent of cost incurred until it can reasonably measure outcome of the performance obligation.

Awards & Claims

- The awards are recognised as revenue as soon as the Company receives an award determining the quantum of award pursuant to arbitration or other conciliation process
- The Company has claims in respect of cost over-run arising due to client caused delays, suspension of projects, deviation in design and change in scope of work etc., which are at various stages of negotiation/discussion with the clients or under arbitration. The realisability of these claims are estimated based on contractual terms, historical experience with similar claims as well as legal opinion obtained from internal and external experts, wherever necessary. Changes in facts of the case or the legal framework may impact realisability of these claims

Measurement of performance obligation

The Company uses cost based input method for measuring progress for performance obligation satisfied over time. Under this method, the Company recognises revenue in proportion to the actual project cost incurred as against the total estimated project cost. The management reviews and revises its measure of progress periodically and are considered as change in estimates and accordingly, the effect of such changes in estimates is recognised prospectively in the period in which such changes are determined.

Contract costs

Costs related to work performed in projects are recognised on an accrual basis. Costs incurred in connection with the work performed are recognised as an expense.

Provision for future losses

Provision for future losses are recognised as soon as it becomes evident that the total costs expected to be incurred in a contract exceed the total expected revenue from that contract.

Contract balances

Contract assets

A contract asset is recognised for amount of work done but pending billing/acknowledgement by customer or amounts billed but payment is due on completion of future performance obligation, since it is conditionally receivable. The provision for Expected Credit Loss on contract assets is made on the same basis as financial assets as stated in notes to financial statement.

Trade receivables

A receivable represents the Company's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer to accounting policies of financial assets in section Financial instruments – initial recognition and subsequent measurement.

Contract liabilities

A contract liability is the obligation to transfer goods or services to a customer for which the Company has received advance payments from the customer. If a customer pays consideration before the Company transfers goods or services to the customer, a contract liability is recognised when the consideration received.

Turnover

Turnover represents work certified upto and after taking into consideration the actual cost incurred and the profit evaluated by adopting the percentage of work completion method of accounting.

Interest Income

Interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the Company estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in other income in the statement of profit and loss.

Other Revenues

All other revenues are recognized on accrual basis

iii) Joint Ventures

a) Joint Venture Contracts under Consortium are accounted as independent contracts to the extent of work completion.

b) In Joint Venture Contracts under Profit Sharing Arrangement, services rendered to Joint Ventures are accounted as income on accrual basis, profit or loss is accounted as and when determined by the Joint Venture and net investment in Joint Venture is reflected as investments or loans & advances or current liabilities.

iv) Employee benefits

All employee benefits payable wholly within twelve months rendering services are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives etc., and the expected cost of bonus, ex-gratia are recognized during the period in which the employee renders related service.

Payments to defined contribution retirement benefit plans are recognized as an expense when employees have rendered the service entitling them to the contribution.

The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method with actuarial valuations being carried out at each balance sheet date, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measure each unit separately to build up the final obligation.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit to other comprehensive income in the period in which they occur. Remeasurements are not reclassified to the statement of profit and loss in subsequent periods. Past service cost is recognized in the statement of profit and loss in the period of plan amendment.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

The Company recognizes the following changes in the net defined benefit obligation under employee benefit expenses in the statement of profit and loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements,
- Net interest expense or income.

Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognized as a liability at the present value of the defined benefit obligation at the balance sheet date.

Termination benefits

Termination benefits are recognized as an expense in the period in which they are incurred.

v) Property, plant and equipment

Property, plant and equipment are stated at cost/deemed cost net of tax/duty credit availed, less accumulated depreciation and accumulated impairment losses, if any. When significant parts of property, plant and equipment are required to be replaced at intervals, the Company derecognizes the replaced part, and recognizes the new part with its own associated useful life and it is depreciated accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in the statement of profit and loss as incurred.

Capital work-in-progress includes cost of property, plant and equipment under installation/under development as at the balance sheet date.

Property, plant and equipment are derecognised from financial statement, either on disposal or when retired from active use. Losses arising in the case of retirement of property, plant and equipment and gains or losses arising from disposal of property, plant and equipment are recognized in the statement of profit and loss in the year of occurrence.

The assets' residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

Depreciation on the property, plant and equipment is provided over the useful life of assets as specified in Schedule II to the Companies Act, 2013 or as determined by the Independent Valuer as the case maybe . Property, plant and equipment which are added / disposed off during the year, depreciation is provided on pro-rata basis with reference to the month of addition / deletion.

vi) Leases

The Company's lease asset classes primarily consist of leases for land and buildings. The Company assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether a contract conveys the right to control the use of an identified asset, the Company assesses whether: (i) the contract involves the use of an identified asset (ii) the Company has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Company has the right to direct the use of the asset.

At the date of commencement of the lease, the Company recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Company recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Company changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

vii) Intangible assets

Intangible assets are recognized when it is probable that the future economic benefits that are attributable to the assets will flow to the Company and the cost of the asset can be measured reliably.

Internally generated intangibles, excluding capitalized development costs, are not capitalized and the related expenditure is reflected in profit and loss in the period in which the expenditure is incurred.

The useful lives of intangible assets are assessed finite. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates.

Intangible assets with finite lives are amortized over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired.

Intangible Assets without finite life are tested for impairment at each Balance Sheet date and Impairment provision, if any are debited to profit and loss.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

viii) Impairment of Non-financial Assets

On annual basis the Company makes an assessment of any indicator that may lead to impairment of assets. An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. Recoverable amount is higher of an asset's fair value less cost to sell.

An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired.

The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

ix) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits with banks which are short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

x) Inventories

Material at Construction Site are valued at lower of cost and net realisable value. Costs are valued at net of Goods and service Tax wherever applicable. Stores and spares, loose tools are valued at cost except unserviceable and obsolete items that are valued at estimated realisable value thereof. Costs are determined on Weighted Average Method.

Work In Progress on construction contracts are carried at lower of assessed value of work done less bill certified and net realisable value.

Real Estate : Work In Progress on construction contracts reflects value of land, material inputs and project expenses.

Other -Scrap Material - At net realisable value

xi) Foreign currency transactions

The Company's financial statements are presented in INR, which is also the Company's functional currency.

Foreign currency transactions are recorded on initial recognition in the functional currency, using the exchange rate at the date of the transaction. At each balance sheet date, foreign currency monetary items are reported using the closing exchange rate. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of the Company's monetary items at the closing rate are recognized as income or expenses in the period in which they arise. Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items is recognized in line with the gain or loss of the item that gave rise to the translation difference.

xii) Borrowing Cost

Borrowing costs directly attributable to the acquisition or construction of qualifying assets are capitalized as a part of the cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time (generally over twelve months) to get ready for its intended use or sale.

Other borrowing costs are recognized as expenses in the period in which they are incurred.

In determining the amount of borrowing costs eligible for capitalization during a period, any income earned on the temporary investment of those borrowings is deducted from the borrowing costs incurred.

xiii) Taxes on income

Current Taxes

Tax on income for the current period is determined on the basis of estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments/ appeals.

Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are reassessed at each reporting and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or liability settled, based on the tax rates (tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside the statement of profit and loss is recognized outside the statement of profit and loss. Deferred tax items are recognized in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current income tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The break-up of major components of deferred tax assets and liabilities as at balance sheet date has been arrived at after setting off deferred tax assets and liabilities where the Company have a legally enforceable right to set-off assets against liabilities and where such assets and liabilities relate to taxes on income levied by the same governing taxation laws.

xiv) Provisions, Contingent Liabilities and Contingent Assets

Provisions

The Company recognizes a provision when: it has a present legal or constructive obligation as a result of past events; it is likely that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated. Provisions are not recognized for future operating losses. Provisions are reviewed at each balance sheet and adjusted to reflect the current best estimates.

Contingent liabilities and Contingent Assets

A contingent liability recognised in a business combination is initially measured at its fair value. Subsequently, it is measured at the higher of the amount that would be recognised in accordance with the requirements for provisions above or the amount initially recognised less, when appropriate, cumulative amortisation recognised in accordance with the requirements for revenue recognition.

A contingent assets is not recognised unless it becomes virtually certain that an inflow of economic benefits will arise. When an inflow of economic benefits is probable, contingent assets are disclosed in the financial statements. Contingent liabilities and contingent assets are reviewed at each balance sheet date.

Onerous contracts

A provision for onerous contracts is measured at the present value of the lower expected costs of terminating the contract and the expected cost of continuing with the contract. Before a provision is established, the Company recognizes impairment on the assets with the contract.

xv) Earnings Per Share

Basic earnings per share is calculated by dividing the profit from continuing operations and total profit, both attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period.

xvi) Current and non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is current when it is:

- Expected to be realized or intended to sold or consumed in normal operating cycle,
- Held primarily for the purpose of trading,

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle,
- It is held primarily for the purpose of trading,

- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. Deferred tax assets/liabilities are classified as non-current.

All other liabilities are classified as non-current.

xvii) Fair value measurement

The Company measures financial instruments such as derivatives and certain investments, at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the balance sheet on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

xviii) Financial instruments

Financial assets

I. Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortized cost.

II. Subsequent measurement

For purposes of subsequent measurement financial assets are classified in two broad categories:

- Financial assets at fair value
- Financial assets at amortized cost

Where assets are measured at fair value, gains and losses are either recognized entirely in the statement of profit and loss (i.e. fair value through profit or loss), or recognized in other comprehensive income (i.e. fair value through other comprehensive income).

A financial asset that meets the following two conditions is measured at amortized cost (net of any write down for impairment) unless the asset is designated at fair value through profit or loss under the fair value option.

- Business model test: The objective of the Company's business model is to hold the financial asset to collect the contractual cash flows (rather than to sell the instrument prior to its contractual maturity to realize its fair value changes).
- Cash flow characteristics test: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset that meets the following two conditions is measured at Fair Value through Other Comprehensive Income unless the asset is designated at fair value through profit or loss under the fair value option.

- Business model test: The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.
- Cash flow characteristics test: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Even if an instrument meets the two requirements to be measured at amortized cost or fair value through other comprehensive income, a financial asset is measured at fair value through profit or loss if doing so eliminates or significantly reduces a measurement or recognition inconsistency (sometimes referred to as an 'accounting mismatch') that would otherwise arise from measuring assets or liabilities or recognizing the gains and losses on them on different bases.

All other financial asset is measured at fair value through profit or loss.

All equity investments other than investment on subsidiary, joint venture and associates are measured at fair value in the balance sheet, with value changes recognized in the statement of profit and loss.

III. Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either:
  - (a) the Company has transferred substantially all the risks and rewards of the asset, or
  - (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

IV. Investment in associates, joint venture and subsidiaries

The Company has accounted for its investment in subsidiaries and associates, joint venture at cost.

V. Impairment of financial assets

The Company assesses impairment based on expected credit losses (ECL) model to the Financial Assets measured at amortized cost.

Expected credit losses are measured through a loss allowance at an amount equal to:

- the12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or

- full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

The Company follows 'simplified approach' for recognition of impairment loss allowance on:

- Trade receivables or contract revenue receivables; and
- All lease receivables

Under the simplified approach, the Company does not track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

The Company uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

For recognition of impairment loss on other financial assets and risk exposure, the Company determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-months ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the Company reverts to recognizing impairment loss allowance based on 12-months ECL.

For assessing increase in credit risk and impairment loss, the Company combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

Financial liabilities

I. Initial recognition and measurement

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, and derivative financial instruments.

II. Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Company that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109.Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognized in the statement of profit and loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the effective interest rate (EIR) method.

Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

Financial guarantee contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit and loss.

III. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously

IV. Derivative financial instruments

The Company enters into derivative contracts to hedge foreign currency price risk on unexecuted firm commitments and highly probable forecast transactions. Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to statement of profit and loss.

xix) Exceptional Items

When items of income and expense within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such material items are disclosed separately as exceptional items.

xx) Trade Payables

A payable is classified as a 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Company prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms stated in the contract. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the EIR method.

Less: Allowance for Credit Impairement	(239.47)	(217.24)	(11.12)	(216.64)
	-	-	-	-
Total	**503.42**	**4.35**	**360.75**	**5.83**

(a) In respect of the projects undertaken by the Company:

(i) In furtherance to the recommendation of the Dispute Resolution Board (DRB) and Arbitration Awards in the Company's favour, the Company had recognized income in the previous years the carrying value of which as at the March 31, 2024 is Rs.494.20 Crore (including CMRL award of Rs. 208.00 Crores refer note 4(a)(ii) below), which is part of Non Current Trade Receivable. The Company contends that such awards have reached finality for the determination of the amounts of such claims and are reasonably confident of recovery of such claims although the client has moved the court to set aside the awards. Considering the fact that the Company has received favorable

awards from the DRB and the Arbitration Tribunal, the management is reasonably certain that the awards will get favorable verdict from the courts.

(ii) The Company had accounted the CMRL award at an amount of Rs 532.00 Crores which included an amount of Rs 124.00 Crores which was subject matter of appeal. This was shown under contract assets in the previous year. The Company based on its internal assessment along with the opinion of the techno legal expert has concluded that the claim is not expected to realize hence this amount is reversed / written off provided in the current year resulting in the net carrying amount against CMRL award at Rs. 408.00 crores. Further, on a prudent basis has retained its share of 51% since its a Joint Venture award and has provided for the JV partner's share as expected credit loss while retaining its right to litigate for the entire award amount. The Company contends that its tenable counter claim on the JV partner arising from their abandoning the project is far in excess of their share of claim awarded.

The company has given an unfunded exposure of Rs. 50.39 Crores in form of Bank Guarantee.

(b) Expected Credit Loss

Since the Company Calculates impairment under the simplified approach the Company does not track the changes in credit risk of trade receivables the impairment amount represents lifetime expected credit loss. Hence the additional disclosures in trade receivables for changes in credit risk and credit impaired trade receivable are not disclosed

Movement in the expected credit loss allowance

Particulars	March 31, 2024		March 31, 2023

a) Unbilled Revenue

The Company had evaluated its claims in respect of on-going, completed and/or terminated contracts in the earlier periods which amounts to Rs. 30.00 crore as at March 31, 2024 with the help of an independent expert in the field of claims and arbitration who had assessed the likely amount of claims being settled in favour of the Company. The management contends that there is no change in position during the year and the same are due to them and they have a very good chance of realisation.

b) Prepaid Taxes Net of Provision

During the year the Company has made additional provision for tax for earlier years towards the non crystalisation of refunds of past several years which refunds have got adjusted against tax demands for matters in appeal which are pending disposal. The total amount provided on this account is Rs. 384.27 Crores, as short excess provision for tax which is reflected in Statement of Profit & Loss. The Contingent Liabilities is disclosed in Note no. 33 is as reflected on the Income tax website.

Note :

1 Gratuity is payable as per company's scheme as detailed in the report.

2 Actuarial gains/losses are recognized in the period of occurrence under Other Comprehensive Income (OCI). All above reported figures of OCI are gross of taxation.

3 The Company's Gratuity Fund is managed by Life Insurance Corporation of India. The plan assets under the fund are deposited under approved securities. The Company's Gratuity Liability is entirely funded except LMR employees.

4 Salary escalation & attrition rate are considered as advised by the company; they appear to be in line with the industry practice considering promotion and demand & supply of the employees.

5 Maturity Analysis of Projected Benefit Obligation is done considering future salary, attrition & death in respective year for members as mentioned above.

6 In the absence of data of experience adjustments, the same is not disclosed.

7 The Company's Leave Encashment Liability is entirely unfunded.

8 Provision as at March 31 is bifurcated into current and non current based on estimated recoupment of fund balances by the company in the near future

9 Risk Factors / Assumptions

a) Interest rate risk: A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

b) Salary Risk: The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

c) Investment Risk: The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.

d) Asset Liability Matching Risk: The plan faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk.

e) Mortality risk: Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

f) Concentration Risk: Plan is having a concentration risk as all the assets are invested with the insurance company and a default will wipe out all the assets. Although probability of this is very less as insurance companies have to follow regulatory guidelines.

16 Deferred Tax (Liabilities) / Assets (Net)

Particulars	March 31, 2024		March 31, 2023	
Deferred Tax Liability:				
Property, Plant and Equipment	(88.41)		(87.07)

Total		**9,929.03**		**8,997.77**

* The facilities from the lenders to SPV Companies were backed by the Company's Corporate Guarantees. Since the SPV companies could not make payment of the overdue amounts, the lenders have demanded the immediate payment of all overdue amount of loan and interest from the Company in the earlier years. The same is classified as current and disclosed as Current Liabilities and correspondingly recoverable from the SPV companies.

a) On account of the above, a number of lenders have not shared their confirmations as at the year ended March 31, 2024 (also in the previous years) and to that extent the balances are unconfirmed.

b) As at March 30, 2024, Union Bank of India has entered into assignment deed with Omkara Assets Reconstruction Company Private Limited (OARPL) and assigned its outstanding loan facilities to OARPL. The outstanding loan amount is part of credit facilities recalled by the lenders in current financial liabilities.

(A) (a) Corporate Restructuring and Other - Borrowings Notes

The Company's Corporate Debt Restructuring (CDR) package was approved by the CDR Empowered Group (EG) in its meeting held on 24th June, 2013 and communicated to the Company vide its letter of approval dated 29th June, 2013. The Company executed the Master Restructuring Agreement (MRA) with the CDR lenders on 24th September, 2013. Substantial securities have been created in favour of the CDR lenders.

Key features of the CDR agreement are as follows :

- Reschedulement of Short Term Loans & Rupee Term Loans (RTL) and NCD payable over a period of ten years.
- Repayment of Rupee Term Loans (RTL) after moratorium of 27 months from cut off date being 1st January, 2013 in structured quarterly installments commencing from April 2015.
- Conversion of various irregular / outstanding / devolved financial facilities into Working Capital Term Loan (WCTL).
- Repayment of WCTL after moratorium of 27 Months from cut off date in structured quarterly installments commencing from April 2015, subject to mandatory prepayment obligation on realization of proceeds from certain asset sale and capital infusion.

- Restructuring of existing and fresh fund based and non fund based financial facilities, subject to renewal and reassessment every year.
- Interest accrued but not paid on certain financial facilities till March 2014 is converted into Funded Interest Term Loan (FITL).
- Waiver of existing events of defaults, penal interest and charges etc. in accordance with MRA.
- Right of Recompense to CDR Lenders for the relief and sacrifice extended, subject to provisions of CDR Guidelines and MRA.
- Contribution of Rs.100 Crore in the Company by promoters, in lieu of bank sacrifice, in the form of Promoters Contribution which can be converted to equity.

Opening balance Loans and Interest	7,631.57	6,829.51
Interest accrued during the year	915.68	812.84
Changes from financing cash flows -		
(Repayment) from Long term Borrowings	-	(3.57)
Interest Paid	-	-
Other	0.07	(7.21)
Closing balance	8,547.32	7,631.57

(H) The company has not taken any fresh loan from banks and financial institutions during the year.

(I) The Company has borrowings from banks or financial institutions on the basis of security of current assets, however during the current year and in the previous year no quarterly returns or statements of current assets are filed by the company with banks or financial institutions as the entire facilities from the lenders have become Non Performing Assets in the month June’17 and the Lenders have recalled all the loans and during the year no new working capital limit was sanctioned.

(j) Registration of Charge - As at March 31, 2024, the Company has registered all charges duly with the Registrar of Companies in favour of the lenders.

Satisfaction of Charge - There are old charges disclosed as outstanding of Rs. 29,149.57 crores as at March 31, 2024 in respect of borrowings which have been restructured by the lenders long back for which fresh charge is created. The Company is unable to clear the satisfaction of old charges for lack of requisite documentation from the lenders. The matter is being followed up by the Company.

(k) Pledge of Shares

The equity shares held by the Company and / or GIL in a Subsidiary and /or Joint Venture Company of the Group are pledged with respective lenders or consortium of lenders for the individual secured loan availed by the said Subsidiary and / or Joint Venture Company from their respective lenders or consortium of lenders.

Total	**39.25**	**101.48**

Disclosure as required by Indian Accounting Standard (Ind AS) 115 - Revenue from contracts with customers

Method used to determine the contract revenue :	Input Method
Method used to determine the stage of completion of contract :	stage of completion is determined as a proportion of costs incurred upto the reporting date to the total estimated cost to complete

(a) Disaggreagtion of revenue from contracts with customers :

In the following table, revenue from contracts with customers is disaggregated by primary geographical area.

Particulars	April 2023- March 2024	April 2022 - March 2023
Primary geographical markets		
In India	37.17	101.17
Outside India	-	-
Total	**37.17**	**101.17**

(b) Contract balances

The contract assets primarily relate to the Company's rights to consideration for work completed but not billed at the reporting date. The contract assets are transferred to receivables when the rights become unconditional. This usually occurs when the Company issues an invoice to the customer. The contract liabilities primarily relate to the advance consideration received from customers for construction for which revenue is recognised over time.

Amounts due from contract customers represents the gross unbilled amount expected to be collected from customers for contract work performed till date. It is measured at cost plus profit recognised till date less progress billings and recognised losses when incurred.

Amounts due to contract customers represents the excess of progress billings over the revenue recognised (cost plus attributable profits) for the contract work performed till date.

Cost includes all expenditure related directly to specific projects and an allocation of fixed and variable overheads incurred in the Company's contract activity based on normal operating capacity.

Significant changes in contract asset and contract liabilities balances during the year are as follows:

Particulars		March 31, 2024	March 31, 2023
(i)	**Due from contract customers:**		
	At the beginning of the reporting period	31.65	31.65
	Due from contract customers impaired during the reporting period	(25.42)	-
	At the end of the reporting period	**6.23**	**31.65**
(ii)	**Due to contract customers:**		
	At the beginning of the reporting period	50.72	51.97
	Due to contract customers impaired during the reporting period	(49.36)	
	Significant change due to other reasons	(1.36)	(1.25)
	At the end of the reporting period	**-**	**50.72**

(c) Performance obligation

The Company undertakes Engineering, Procurrement and Construction business. The ongoing contracts with customers are for construction of highways, water pipeline projects, construction of residential & commercial buildings, and others. The type of work in these contracts involve construction, engineering, designing, supply of materials, development of system, installation, project management, operations & maintenance etc.

The Company evaluates whether each contract consists of a single performance obligation or multiple performance obligations. Contracts where the Company provides a significant integration service to the customer by combining all the goods and services are concluded to have a single performance obligations. Contracts with no significant integration service, and where the customer can benefit from each unit on its own, are concluded to have multiple performance obligations. In such cases consideration is allocated to each performance obligation, based on standalone selling prices. Where the Company enters into multiple contracts with the same customer, the Company evaluates whether the contract is to be combined or not by evaluating factors such as commercial objective of the contract, consideration negotiated with the customer and whether the individual contracts have single performance obligations or not.

The Company recognises contract revenue over time as the performance creates or enhances an asset controlled by the customer. For such arrangements revenue is recognised using cost based input methods. Revenue is recognised with respect to the stage of completion, which is assessed with reference to the proportion of contract costs incurred for the work performed at the balance sheet date relative to the estimated total contract costs.

Any costs incurred that do not contribute to satisfying performance obligations are excluded from the Company's input methods of revenue recognition as the amounts are not reflective of our transferring control of the system to the customer. Significant judgment is required to evaluate assumptions related to the amount of net contract revenues, including the impact of any performance incentives, liquidated damages, and other forms of variable consideration.

If estimated incremental costs on any contract, are greater than the net contract revenues, the Company recognises the entire estimated loss in the period the loss becomes known. Variations in contract work, claims, incentive payments are included in contract revenue to the extent that may have been agreed with the customer and are capable of being reliably measured.

The aggregate value of transaction price allocated to unsatisfied (or partially satisfied) Performance obligations to be performed in next year is amounting to ₹ 19.61 crores (PY amounting to 40.31 Crores)

i) During the year 2023-24, some of the lenders have levied penal interest and charges of Rs 262.91 Crores. Cumulative amount of such penal interest and charges amounts to Rs. 678.67 Crores up to March 31, 2024. The management is disputing the same and has not accepted the debit of excess penal interest and charges in its books. They have also requested the lenders to reverse the same. In the resolution plan which is approved by two lenders, this amount is likely to be reversed and the resolution plan does not consider the Company liability to pay this.

ii) On account of the company being marked as non performing assets by the lenders no interest has been debited by majority of the lenders. The company has made provision for interest on the basis of the last sanction and last revision of terms. Therefore the loan balances and finance cost are subject to confirmation and consequent reconciliation, if any.

Total	**0.26**	**0.24**

(b) During the year, the Company has evaluated its claims in respect of on-going, completed and/or terminated contracts and awards received with the help of an independent expert in the field of claims and arbitration who had assessed the likely amount of awards/claims being settled in favour of the Company. Considering the expert opinion and the exposure, the Company has provided for its exposure towards awards, claims, work done but not billed, trade receivable (net of advances) and other receivables not connected with the projects amounting to Rs. 577.44 Crores in respect of amount receivables and contract assets from the projects as follows.

Contract Assets - Rs 299.34 Crore

Trade Receivable Bad debts – Rs. 19.64 Crore

Trade receivables – Provision Rs 233.93 Crore

Managerial Remuneration Receivable Rs. 24.53 Crores

30 Exceptional Items

Particulars	April 2023 - March 2024	April 2022 - March 2023
Write back of Provision of Loan & Interest receivable	-	(100.00)
Write of Investment	-	62.09
Loans & Other Balance written Off (Net)	-	290.37
Impairment of Investments and other Exposure to Sofinter Group	114.01	400.00
Total	**114.01**	**652.46**

Notes related to Exceptional Items:

i) The Company's funded and non-funded exposure towards Franco Tosi Mecannica S.p.A (FTM) group is Rs.1300.40 crores (fully provided) including Investments and guarantees towards the acquisition loan taken by the SPV. The commissioner in charge of the Extraordinary Administration of Franco Tosi Meccanica S.p.A. had already concluded the sale of the operating business of FTM to the successful bidder and has commenced the disposal of the non-core assets (i.e. those assets which were not part of the sale of operating business), which includes 60 acres of land in Legnano, Italy. The commissioner has not started the actual disposal of the property. However the liabilities to be discharged against the surplus on disposal (net of tax) are not yet crystallised and firmed up as on date. The Commissioner of the said FTM has released summarized statement of affairs from July 2016 to December 2016 from which also the values of assets and liabilities to be discharged there against are unclear.

The management was expecting that the value of the non core assets would be sufficient to cover the exposure of the company. However there has been no progress in the matter either for the disposal of the non core assets or ascertainment of the value of the non core assets by the commissioner in charge of the Extraordinary Administration of Franco Tosi Meccanica S.p.A. Considering the elapse of time and uncertainties relating to the value of the non core assets and its disposal, the management on a prudent basis has provided for the entire exposure, notwithstanding its ongoing endeavor to recover the value of the non core assets

During the previous year there was incremental provision of Rs. 36.36 crores due to change in exposure and the same is shown in Provision for Risk & Contingencies in the statement of profit and loss, in previous year.

ii) During the Previous year one of the subsidiary Company was entered into OTS Settlement with its primary lender Axis Bank. Due to the OTS settlement One of the Subsidiary company has Written off the Loan and interest amount of the Bank for the balancing amount. Pursuant to the OTS and resulting change in management documented through tripartite agreement between the subsidiary Company, its Shareholder and Financial Investor, amounts receivable (including interest) from related parties of the majority shareholder has written off with the consent to each of such parties.

iii) During the quarter ended June 30, 2023, the Company has entered into Shareholders Agreement (SHA) between subsidiaries of the Company i.e., Gammon International BV (GIBV), Gammon Holdings (Mauritius) Ltd (GHML) and the new investor, where the investor has committed to subscribe and pay the share capital of Sofinter for a total amount of Euro 12 Million.

With this infusion, the new investor will acquire 90% stake in Sofinter at an aggregate value of Euro 12 million. Post infusion of money, the subsidiary companies, GIBV and GHML will hold a balance 10% stake in Sofinter. Gammon India Ltd (GIL) is the corporate guarantor for due performance of the subsidiaries i.e., of Gammon Holdings (Mauritius) Limited and Gammon International BV. The execution of the SHA is underway along with fulfilment of Condition Precedent. The SHA also provides for a waterfall mechanism agreed between the Parties, with a maximum exit for the Gammon Group equal to Euro 34 million at an exit at Euro 135 million.

Thus, the stake of Gammon Group in Investment in Sofinter will reduce to 10% as against total 67.5% through Gammon International BV @ 32.5% and Gammon Holdings (Mauritius) Limited@ 35%. Considering the value at which the new investor has acquired the 90% stake in Sofinter, the carrying value of the stake of Gammon group which is carried at fair value through Other Comprehensive Income (FVTOCI), has been fair valued at the proportionate fair value for their 10% stake in Sofinter.

Therefore, the Company on a prudence basis without considering the effect of waterfall mechanism, has given effect of to the excess exposure in the standalone financials statements towards loans given to SPVs for an amount of Rs 114.01 crores during year ended March 31, 2024 in addition to amount already provided as at March 31, 2023 amounting to Rs. 400 Crores.

31 Tax Expense

Particulars	April 2023 - March 2024	April 2022 - March 2023
Income tax expense in the statement of profit and loss consists of:		
Current Tax	-	-
Excess short provision for tax	384.27	-
Deferred tax	(1.34)	11.55
Income tax recognised in statement of profit or loss	**382.93**	**11.55**

The reconciliation between the provision of income tax of the Company and amounts computed by applying the Indian statutory income tax rate to profit before taxes is as follows :

A Current Tax

Particulars	April 2023 - March 2024	April 2022 - March 2023
Accounting profit before income tax for 12 months	(1,577.39)	(1,551.63)

32 Earning Per Share

Earnings Per Share (EPS) = Net Profit attributable to Shareholders / Weighted Number of Shares Outstanding

Particulars	April 2023- March 2024	April 2022 - March 2023
Net Profit attributable to the Equity Share holders	(1963.00)	(1540.08)
O/s number of Equity Shares at the end of the year	36,88,47,305	36,88,47,305
Weighted Number of Shares during the period – Basic	36,88,47,305	36,88,47,305
Weighted Number of Shares during the period – Diluted	36,95,73,105	36,95,73,105
Earning Per Share – Basic (Rs.)	(53.22)	(41.75)
Earning Per Share – Diluted (Rs.)	(53.22)	(41.75)

Reconciliation of weighted number of outstanding during the year :

Particulars	April 2023- March 2024	April 2022 - March 2023
Nominal Value of Equity Shares (Rupee Per Share)	2.00	2.00
For Basic EPS :		
Number of Equity Shares at the beginning	36,88,47,305	36,88,47,305
Add : Issue of shares	-	-
Outstanding Equity shares at the year end	36,88,47,305	36,88,47,305
Weighted Average of Equity Shares at the end	36,88,47,305	36,88,47,305
For Dilutive EPS :		
Weighted Avg no. of shares in calculating Basic EPS	36,88,47,305	36,88,47,305
Add : Shares kept in abeyance	7,25,800	7,25,800
Weighted Avg no. of shares in calculating Dilutive EPS	36,95,73,105	36,95,73,105

33 Contingent Liability

Particulars		March 31, 2024	March 31, 2023
i	Corporate Guarantees and Counter Guarantees given to Bankers towards Guarantees* given by them for Client of the Company and Company's share in the Joint Ventures and for loans to subsidiaries (net of recalled amount accounted as liabilities)	535.97	435.84
ii	Disputed Sales Tax Liability for which the Company has gone into appeal	31.04	31.04
iii	Claims against the Company not acknowledged as debts	193.81	206.74
iv	Disputed Service Tax Liability	2.24	2.24
v	In respect of Income Tax Matters of Company and its Joint Ventures (As reflected on the Income tax website)	263.43	201.23
vi	Disputed Goods & Service Tax Liability (Rs. 0.04 Lacs paid under protest shown as Tax paid under protest)	6.23	1.86
vii	Commitment towards capital contribution in subsidiary under contractual obligation	51.32	51.32
viii	Disputed stamp duty liability for assets acquired during amalgamation with erstwhile Associated Transrail Structures Limited	2.01	2.01
ix	Disputed Provident Fund (Rs. 3.73 Crores paid under protest)	2.56	2.56
x	Right to recompense in favour of CDR Lenders in accordance with the terms of MRA	504.96	504.96

xi There is a disputed demand of UCO Bank pending since 1986, of USD 436251 i.e. ₹ 3.02 Crore. Against this, UCO Bank has unilaterally adjusted the Company's Fixed Deposit of USD 30584 i.e. ₹.0.21 Crore, which adjustment has not been accepted by the Company.

xii Counter Claims in arbitration matters referred by the Company – Liability unascertainable.

xiii Penal Interest and excess interest charged by the lenders as at March 31, 2024 amounts to Rs. 678.67 Crores

xiv The Disputed Service Tax Liability disclosed above is after considering legal advice on the probability of the liability materialising being remote.

xv The Company is in the process of regularising various non- compliances under FEMA by compounding and other process. The liability on account of the said non -compliance is presently not ascertainable.

*Note: out of Above Bank Gurantee figure of Rs. 162.46 (PY Rs. 167.37) Crores are unconfirmed

34 Segment Reporting as per IND AS108 " Operating Segments"

The Company is engaged mainly in "Construction and Engineering" segment. The Company also has "Real Estate Development" as other segments. Revenue from such activities is not significant and accounts for less than 10% of the total revenue and total assets of the Company. Therefore no disclosure of separate segment reporting as required in terms of Indian Accounting Standard INDAS -108 is done in respect of this segment.

Revenue of ₹ 35.89 Crore (PY: ₹ 91.46 Crore) arising from two (PY two) major customer each contributing more than 10% of the total revenue of the Company.

35 Ind As 116 "Leases"

Contractual maturities of Lease Income on undiscounted basis -

Particulars	March 31, 2024	March 31, 2023
Less than one year	1.66	1.66
One to five years	0.69	2.35
More than five years	-	-
	2.35	**4.01**

36 Foreign & Domestic Venture

(a) The Company through its Special Purpose Investment Vehicle holds the following stakes :

- Sofinter S.p.A, Italy
- Franco Tosi Mecannica S.p.A, Italy (FTM)
- Sadelmi S.p.A, Italy

- SAE Power Line S.r.l, Italy

(b) During the quarter ended June 30, 2023, the Group has entered into Shareholders Agreement (SHA) between subsidiaries of the Company i.e., Gammon International BV (GIBV), Gammon Holdings (Mauritius) Ltd (GHML) and the new investor, where the investor has committed to subscribe and pay the share capital of Sofinter for a total amount of Euro 12 Million.

With the proposed infusion, the new investor will acquire 90% stake in Sofinter at an aggregate value of Euro 12 million. Post infusion of money, the subsidiary companies, GIBV and GHML will hold a balance 10% stake in Sofinter. Gammon India Ltd (GIL) is the corporate guarantor for due performance of the subsidiaries i.e., of Gammon Holdings (Mauritius) Limited and Gammon International BV. The execution of the SHA is underway along with fulfilment of Condition Precedent. The SHA also provides for a waterfall mechanism agreed between the Parties, with a maximum exit for the Gammon Group equal to Euro 34 million at an exit at Euro 135 million

Thus, the stake of Gammon Group in Investment in Sofinter will reduce to 10% as against total 67.5% through Gammon International BV @ 32.5% and Gammon Holdings (Mauritius) Limited@ 35%.

Considering the value at which the new investor proposes to acquire the 90% stake in Sofinter, the carrying value of the stake of Gammon group which is carried at fair value through Other Comprehensive Income (FVTOCI), has been fair valued at the proportionate fair value for their 10% stake in Sofinter.

Therefore, the Company on a prudence basis without considering the effect of waterfall mechanism, has given effect of to the excess exposure in the carrying value of investment in Sofinter (which as carried at FVTOCI) for an amount of Rs 114.01 crores during the quarter ended June 30, 2023 which is debited to Other Comprehensive Income. The group had already provided for an amount of Rs 698.00 crores in the quarter and the year ended March 31, 2023 under Other Comprehensive Income.

(c) The Company's funded and non-funded exposure towards Franco Tosi Mecannica S.p.A (FTM) group is Rs.1300.40 crores (fully provided) including Investments and guarantees towards the acquisition loan taken by the SPV. The commissioner in charge of the Extraordinary Administration of Franco Tosi Meccanica S.p.A. had already concluded the sale of the operating business of FTM to the successful bidder and has commenced the disposal of the non-core assets (i.e. those assets which were not part of the sale of operating business), which includes 60 acres of land in Legnano, Italy. The commissioner has not started the actual disposal of the property. However the liabilities to be discharged against the surplus on disposal (net of tax) are not yet crystallised and firmed up as on date. The Commissioner of the said FTM has released summarized statement of affairs from July 2016 to December 2016 from which also the values of assets and liabilities to be discharged there against are unclear.

The management was expecting that the value of the non core assets would be sufficient to cover the exposure of the company. However there has been no progress in the matter either for the disposal of the non core assets or ascertainment of the value of the non core assets by the commissioner in charge of the Extraordinary Administration of Franco Tosi Meccanica S.p.A. Considering the elapse of time and uncertainties relating to the value of the non core assets and its disposal, the management on a prudent basis has provided for the entire exposure, notwithstanding its ongoing endeavor to recover the value of the non core assets

During the Previous year there has been incremental provisioning of Rs. 36.36 crores due to change in exposure and the same has been shown in Provision for Risk & Contingencies in the statement of profit and loss.

(d) The accounts of a subsidiary M/s Campo Puma Oriente S.A. have not been audited since December 2012, due to certain disputes with the partner in the project. Furthermore, IDBI Bank Dubai, invoked the Stand by letter of credit provided by IDBI Mumbai in the month of October 2016. The exposure of the Company in the said subsidiary is ₹ 439.24 crores. The company had received a valuation report for $ 60 Million approximately from an independent merchant banker for its share more than 3 years ago, which the management believes is still valid. Considering the elapse of time and the resolution with partner not concluding and the increasing losses being incurred in the oil field, the company has made the entire provision against its exposure.

During the previous year there has been incremental provisioning of Rs. 0.69 crores due to change in exposure and the same has been shown as exceptional item in the statement of profit and loss.

(e) The Company through its step down subsidiary P. Van Eerd Beheersmaatschappij B.V., Netherlands (PVAN) held a 50% shareholding in Sadelmi S.p.A for Euro 7.50 Million, Italy (Sadelmi) with the remaining 50% held by Busi Impianti S.p.A, Italy since April 2008. Due to the economic conditions prevailing in different parts of the world where Sadelmi was present some of the projects under execution encountered serious contractual problems. Sadelmi therefore sought creditors' protection through a Court in Italy and simultaneously, as part of scheme, applied for transferring the remaining projects and leased all references standing in its name since inception to a new Company Busi Power S.r.l wholly held by Busi Group. The above procedure however has not yet been completed as the decision in the Court is still awaited. The delay is on account of objections raised by some creditors among other reasons. In view of the uncertainties prevailing in

Europe and the delay in the outcome of the Court process in respect of the creditors' protection sought by M/s Sadelmi in its application in connection therewith, the Company has, on prudent basis, made full provision towards its funded exposures in connection with the Investment in Sadelmi of Rs.25.72 Crore. The Company has exposure in respect of Corporate Guarantee for acquisition loan by its SPV. The Company has made provision as risks and contingencies aggregating to ₹.1.66 Crore towards the guarantees issued to the banker of its wholly owned SPV PVAN, in respect of loans taken by the said subsidiary for making investment into Sadelmi, in accordance with AS-29 Provisions, Contingent Liabilities and Contingent Assets considering the net worth and operations of the said Sadelmi.

(f) The Court of Monza in respect of one of the step down Subsidiary SAE Powerlines S.r.L. (Held through ATSL Holdings BV) has declared the bankruptcy. The company has made full provision against it's exposure in SAE .

37 Material Uncertainty Relating to Going Concern

The Company's operations have been affected in the last few years by various factors including liquidity crunch, unavailability of resources on timely basis, delays in execution of projects, delays in land acquisition, operational issues etc. The Company's overseas operations are characterized due to weak order booking, paucity of working capital and uncertain business environment. Also the Company's current liabilities exceed the current assets by Rs 10,442.54 Crore as at March 31, 2024. The facilities of the Company with the Secured lenders are presently marked as NPA since June 2017. The liquidity crunch has resulted in several winding up petitions being filed against the Company by various stakeholders for recovery of the debts which the Company has been settling as per the mutually agreed repayment terms. The liquidity crunch is affecting the Company's operation with increasing severity. The Secured lenders have recalled the various facilities, initiated recovery suits in the Debt Recovery Tribunals as well as filing a winding up petition with the National Company Law Tribunal, Mumbai bench under the Insolvency and Bankruptcy code.

The Company has been making every effort in settling the outstanding Lenders dues.

The Companies Proposal for restructuring has undergone multiple iterations with the many of the lenders approving while others not according to their approval.

The Company presently has submitted a revised proposal to the lead bankers on the strength of a prospective investor, whose restructuring proposal is under consideration by the lenders.

The Management is hopeful for a resolution in the matter for which a joint lender meeting is planned in the near future. Therefore, the management continues to believe that going concern assumption is intact albeit with uncertainty in the area of acceptance by the lenders.

The company has received various a notice from Union Bank of India (assigned to Omkara Assets Reconstruction Private Limited in the current year) and Punjab National Bank under the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act 2002, taking over the possession of the Gammon House property including the land appurtenant to it. The company has been restrained from parting with the rights over the said property. The total demand raised by this notice is Rs. 1,136.71 Cr.

The management is hopeful of obtaining approval of all the lenders to the above plan and execute documents accordingly and maintain its going concern status and to that effect is continuously engaged with the lenders for a solution.

Therefore, in the view of the management the going concern assumption of GIL is intact and these financials are prepared on a going concern basis. The above action plan of the Company for repaying the debts and servicing the same including the necessary value of the balance stake being available and realisation of the claim amounts filed by the Company, monetisation of the stake sale of investments and also the acceptance of the resolution proposal by the lenders is exposed to material uncertainties which may affect the going concern assumption.

38 Disclosure of transactions with Related Parties, as required by Indian Accounting Standard (Ind AS) - 24 "Related Party Disclosures" has been set out in a separate **Statement A.**

39 Analytical Ratios as per requirements of Schedule III are given in **Statement B.**

40 Financial Instruments

(i) The carrying value and fair value of financial instruments by categories as at March 31, 2024 and March 31, 2023 is as follows:

Particulars		Carrying Value		Fair Value	
		March 31, 2024	March 31, 2023	March 31, 2024	March 31, 2023
A	**Financial Assets**				
(i)	Amortised Cost:				
	Loans	82.96	196.65	82.96	196.65
	Others	29.04	54.66	29.04	54.66
	Trade receivables	507.77	366.58	507.77	366.58
	Cash and cash equivalents	0.00	0.00	0.00	0.00
	Equity Instrument	31.56	37.39	31.56	37.39
	Bank Balance	1.91	1.56	1.91	1.56
(ii)	FVTPL				
	Mutual Funds & Equity Instrument	0.03	0.03	0.03	0.03
(iii)	FVTOCI				
	Equity Instrument	7.29	7.28	7.29	7.28
	Total Financial Assets	**660.56**	**664.14**	**660.56**	**664.14**
B	**Financial Liabilities**				
(i)	Amortised Cost				
	Borrowings	-	-	-	-
	Trade payables	61.99	104.50	61.99	104.50
	Others	9,941.03	9,009.77	9,941.03	9,009.77
	Total Financial Liabilities	**10,003.01**	**9,114.27**	**10,003.01**	**9,114.27**

(ii) Fair Value Hierarchy

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

The following methods and assumptions were used to estimate the fair values:

Fair value of cash and short-term deposits, trade and other short-term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to the short-term maturities of these instruments.

Financial instruments with fixed and floating interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for the expected losses of these receivables.

The Company uses the following hierarchy for determining and disclosing the fair value of the financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities.

Level 2: other techniques for which all inputs which have significant effect on recorded fair value are observable, either directly or indirectly.

Level 3: techniques which use inputs that have a significant effect on recorded fair value that are not based on observable market data

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

Particulars	Fair Value measurement using				
	Date of Valuation	Quoted prices in active markets (Level 1)	Significant observable inputs (Level 2)	Significant unobservable inputs (Level 3)	Valuation Technique
Financial assets measured at fair value					
Investment in Current Investments					
Mutual Funds	March 31, 2024	0.03	-	-	Market Value of Mutual Funds
	March 31, 2023	0.03	-	-	
Equity Investments - FVTOCI					
Equity Shares	March 31, 2024	-	7.29	-	Based on Valuation considered by lenders for pledge invocation during the year 2018-19
	March 31, 2023	-	7.28	-	
Total financial assets		**0.03**	**7.29**	**-**	

(iii) Financial Risk Management Objectives And Policies

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Managing Board.

(a) Market Risk :

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

The Company manages market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommends risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures, borrowing strategies, and ensuring compliance with market risk limits and policies.

Particulars	Currency	March 31, 2024		March 31, 2023	
		Amount (FC in Crores)	Amount (Rs in Crores)	Amount (FC in Crores)	Amount (Rs in Crores)
Receivables*					
	USD - US Dollar	34.79	2,900.60	34.79	2,860.34
	EUR - Euro	7.02	633.00	7.02	628.72

Payable : As at March 31, 2024 is ₹ 1,075.20 Crore and March 31, 2023 is ₹ 1061.81 Crore

* Receivables are fully provided

Hedge Foreign currency :

Receivable :- As at March 31, 2024 is ₹ NIL and March 31, 2023 is ₹ NIL

Payable : As at March 31, 2024 is ₹ NIL and March 31, 2023 is ₹ NIL.

Foreign currency sensitivity

Sensitivity analysis is computed based on the changes in the income and expenses in foreign currency upon conversion into functional currency, due to exchange rate fluctuations between the previous reporting period and the current reporting period.

1 % increase or decrease in foreign exchange rates will have the following impact on profit before tax.

	March 31, 2024		March 31, 2023	
Increase/(decrease) in profit or loss	**1 % Increase**	**1 % decrease**	**1 % Increase**	**1 % decrease**
USD - US Dollar	20.36	(20.36)	20.08	(20.08)
EUR - Euro	4.23	(4.23)	4.20	(4.20)
AED - UAE Dirham	0.00	(0.00)	0.00	(0.00)
ETB - Ethiopian Birr	0.05	(0.05)	0.06	(0.06)

The Company's exposure in foreign currency is not material and hence the impact of any significant fluctuation in the exchange rates is not expected to have a material impact on the operating profits of the Company.

Derivative financial instruments

The Company holds derivative financial instruments such as foreign currency forward contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counterparty for these contracts is generally a bank or a financial institution. These derivative financial instruments are valued based on quoted prices for similar assets and liabilities in inactive markets or inputs that are directly or indirectly observable in the market place.

(b) Credit risk

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to ₹ 507.77 Crore and ₹ 366.58 crore as of March 31, 2024 and March 31, 2023 respectively, unbilled revenue amounting to ₹ 30.98 crore and ₹ 756.00 crore as of March 31, 2024 and March 31, 2023, respectively. To manage this, the Company monitors whether the collections are made within the contractually established deadlines. In addition to this, the Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as :

(i) Actual or expected significant adverse changes in business,

(ii) Actual or expected significant changes in the operating results of the counterparty,

(iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations,

(iv) Significant increases in credit risk on other financial instruments of the same counterparty,

(v) Significant changes in the value of the collateral supporting the obligation or in the quality of third-party guarantees or credit enhancements.

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Company. The Company categorises a loan or receivable for write off when a debtor fails to make contractual payments greater than 2 years past due. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.

(c) Interest rate risk

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Companies profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	Increase/ Decrease in basis points	Effects on Profit before tax.
March 31, 2024	Plus 100 basis point	(39.35)
	Minus 100 basis points	39.35
March 31, 2023	Plus 100 basis point	(38.60)
	Minus 100 basis points	38.60

The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment, showing a significantly higher volatility than in prior years.

(d) Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

Working Capital Position of the Company :

Particulars	March 31, 2024	March 31, 2023
Cash and Cash Equivalent	0.00	0.00
Bank Balance	1.91	1.56
Current Investments in mutual Funds and Shares	0.03	0.03
Inventory	6.61	10.97
Trade Receivable Current	4.35	5.83
Loans & Advances Current	0.05	0.11
Other Financial Assets Current	6.41	30.75
Total	**19.36**	**49.25**

Maturity profile of financial liabilities

The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments.

Particulars	Within One year	One - Five year	Total
As at March 31, 2024			
Long term Borrowing	-	-	-
Short term borrowings	-	-	-
Trade payables	58.46	3.53	61.99
Other financial liabilities	9,929.03	12.00	9,941.03
Total	**9,987.49**	**15.53**	**10,003.01**

Particulars	Within One year	One - Five year	Total
As at March 31, 2023			
Long term Borrowing	-	-	-
Short term borrowings	-	-	-
Trade payables	92.80	11.70	104.50
Other financial liabilities	8,999.09	12.00	9,011.09
Total	**9,091.89**	**23.70**	**9,115.59**

(e) Competition Risk:

The Company is operating in a highly competitive environment with various Companies wanting a pie in the project. This invariably results in bidding for projects at low margins to maintain a steady flow of the projects to enable the group to retain the projects team and to maintain sustainable operations for the Company and the SPVs. The ability of the Company to build the infrastructure at a competitive price and the ability to start the tolling operations is very important factor in mitigating the competition risk for the group.

(f) Input cost risk

Raw materials, such as bitumen, stone aggregates cement and steel, need to be supplied continuously to complete projects undertaken by the group. As mentioned in the earlier paragraph of the business risk and the competition risk the input cost is a major risk to attend to ensure that the Company is able to contain the project cost within the estimate projected to the lenders and the regulators. To mitigate this the group sub-contracts the construction of the facility at a fixed price contract to various subcontractor within and without the group.

41 Capital Management

For the purpose of the Group's capital management, capital includes issued equity capital, convertible preference shares, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Group's capital management is to maximise the shareholder value.

The Group manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Group monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The gearing ratio in the infrastructure business is generally high. The Group includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents, excluding discontinued operations.

Particulars	March 31, 2024	March 31, 2023
Gross Debt	5,168.23	5,092.90
Less:		
Cash and Cash Equivalent	0.00	0.00
Bank Balance	1.91	1.56
Marketable Securities -Liquid Mutual Funds	0.03	0.03
Net debt (A)	5,166.30	5,091.31
Total Equity (B)	(9,496.34)	(7,533.20)
Gearing ratio (A/B)	**-**	**-**

42 The information about transaction with struck off Companies (defined under section 248 of the Companies Act, 2013 or section 560 of Companies Act, 1956) has been determined to the extent such parties have been identified on the basis of the information available with the Company and the same is relied upon by the auditors.

43 In the opinion of the Board of Directors, all assets other than fixed assets and non-current investments have a value on realization in the ordinary course of business at least equal to the amount at which they are stated in the Balance Sheet.

44 Audit Trail Disclosure

The Ministry of Corporate Affairs (MCA) by the Companies (Accounts) Amendment Rules 2021 and vide notification dated 24 March 2021 has issued the "Companies (Audit and Auditors) Amendment Rules, 2021 has prescribed a new requirement for companies under the proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 inserted requiring companies, which uses accounting software for maintaining its books of account, shall use only such accounting software which has a feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of account along with the date when such changes were made and ensuring that the audit trail cannot be disabled.

The Company uses an Tally software for the purposes of its financial accounting requirements. The feature of audit trail (edit log) was not enabled at application as well as at database level for the year 2023-24.

45 Figures for the previous year have been regrouped / reinstated, wherever considered necessary.

46 The Balance sheet, Statement of Profit and loss, Cash flow statement, Statement of Changes in Equity, Statement of Material Accounting Policy Information and the other explanatory notes forms an integral part of the financial statements of the Company for the year ended March 31, 2024.

CONSOLIDATED FINANCIAL STATEMENTS

INDEPENDENT AUDITOR'S REPORT

To
The Members of
Gammon India Limited

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

We have audited the accompanying Consolidated Financial Statements of Gammon India Limited (hereinafter referred to as the "Holding Company") and its subsidiaries (The Holding Company and its Subsidiaries together referred to as "the Group"), its Associates and Jointly Controlled Entities, which comprise the Consolidated Balance Sheet as at March 31, 2024, and the Consolidated Statement of Profit and Loss (including other comprehensive income), Consolidated Statement of Changes in Equity and Consolidated Statement of Cash Flows for the year then ended, and notes to the consolidated financial statements, including a summary of Significant Accounting Policies and other explanatory information (hereinafter referred to as the "Consolidated Financial Statements").

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in Basis of Qualified Opinion paragraph, the aforesaid Consolidated Financial Statements give the information required by the Companies Act, 2013("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the consolidated state of affairs of the Company as at March 31, 2024 , consolidated loss (including other comprehensive income), consolidated changes in equity and its consolidated cash flows for the year ended on that date.

Basis for Qualified Opinion

a) We invite attention to note no. 9(a) of the financial statement, where the Company has during the year evaluated its existing claims in respect of on-going, completed and terminated contracts recognised in the earlier periods. Based on opinion of independent expert in the field of claims and arbitration who had assessed the likely number of claims being settled in favour of the Company, the Company has retained amounts of Rs. 30.00 crore as at March 31, 2024 as good and receivable.

   In respect of the above claims , due to prolonged elapse of time and non-crystallization of matter with the counterpart, we are unable to comment upon the amounts recognised, its realisation and the consequent effect on the financial statements for the year ended March 31, 2024.

b) We invite attention to note no 29 (i) of the financial statement relating to penal interest and charges of Rs 262.91 crores during the year charged by the lenders on the Holding Company's facilities. Cumulative amount of such penal interest and charges amounts to Rs. 678.67 Crores up to March 31, 2024. The same has not been debited to profit and loss account as management is disputing the same and is in discussion with the lenders for reversal of the said penal interest and charges. In the absence of conclusion of the aforesaid discussion, we are unable to state whether any provision is required to be made against such penal interest and charges which are disclosed as contingent liability in these Consolidated Financial Statements.

c) We invite attention to note no 39 of financial statements, following material Joint Ventures are not consolidated in these Consolidated Financial Statements.

   i. M/s Campo Puma Oriente S.A, Panama, a Joint Venture of the Company whose financials statement post December 31, 2019 are not available for consolidation, and the last audited financial statements was available till December 31, 2012, and the management accounts was available till December 31, 2019.

   ii. M/s Gammon OJSC Mosmetrostroy, a Joint Venture of the group. whose unaudited financial statement for past f years has been incorporated in these consolidated financial statements however the same are not audited for the last three years (Mar 2021 to Mar 2023). For the current financial year the audited or unaudited financial statements were not available and hence not consolidated.

Since the Joint Ventures mentioned above are material, the Assets, Revenue and Cash Flow represented in those financial statements are subject to audit and consequent effect, if any

d) The auditors of one subsidiary Ansaldo Caldaie Boilers India Pvt Ltd of the Company carries a qualification in their Audit Report as follows.

1. The Company had received. amounts as Share Application Money of Rs.1,663.97 lacs for further allotment of shares. which were to be issued on terms and conditions to be decided by the Board and in line with the extant regulation of the RBI. The RBI vide its letter dated August 16, 2018 has asked the Company to refund the money. The Company has replied to RBI asking them to reconsider their directive for reasons detailed in the aforesaid note (reproduced in Note 21(i) in Consolidated Financial Statements). The RBI has not responded on the matter till date. The Company has not given any effects to the RBI directive and has disclosed the same as Current Liabilities.
2. We invite attention to Note in the Financial Statements regarding accessibility of the inventory of Rs. 118.83 lacs. The Stock is in the custody of the lenders of GB Engineering Private Limited who have taken over the possession of the Company during 2019. in the absence of any confirmation from the lenders of the GB Engineering Private Limited. regarding possession of inventory, we are unable to comment upon recoverability and physical possession of the inventory.

We conducted our audit in accordance with the Standards on Auditing (SAs) specified under section 143(10) of the Companies Act, 2013. Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the Consolidated Financial Statements under the provisions of the Companies Act, 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Material Uncertainty relating to Going Concern

We draw attention to the following material uncertainty related to going concern included in the notes on the consolidated financial statements of Holding Company and subsidiary companies of the Holding Company, on matters which are relevant to our opinion on the consolidated financial statements of the Group and reproduced by us as under.

a) In respect of Holding Company

We invite attention to note no. 38 of the financials statement relating to the present financial situation of the Company detailing the Material Uncertainties Relating to Going Concern and the Going Concern assumptions. The lenders had in the previous years recalled all the loans and facilities and also the Company's current liabilities exceeds current assets by Rs 11,331.73 Crore as at March 31, 2024. The Company is finding it difficult to meet its financial obligations and the resolution plan is under consideration by lenders. The liquidity crunch is affecting the Company's operation with increasing severity. The trading in equity shares of the Company is presently suspended. Some of the creditors have filed for winding up petitions against the Company. The company has severe manpower issues and is defaulting on its statutory and regulatory obligations. The Company's resolution plan pending since a very long time is under consideration by the lenders as detailed in the aforesaid note but the final approval of all lenders and the execution of the plan and its success involves material uncertainties that may cast significant doubt about the Going Concern Assumption. Our report is not qualified on this account.

b) In respect of Subsidiaries in the following cases the auditors' have carried a paragraph relating to going concern as follows.

The Auditors of Special Purpose Financial Statements of Gammon Holdings B.V, Gammon International B.V, Pvan EERD Beheersmaatschappij B.V, ATSL Holdings B.V and Gammon Holding Mauritius Limited (GHML) in the financial statements have carried material uncertainty related to going concern references arising out of current liabilities in excess of current assets, substantial erosion of net worth and the parent company restructuring plan which are pending approval.

Emphasis of Matter

Without qualifying our opinion, we draw attention to the following matters related to Emphasis of Matter included in the audit report issued on the consolidated financial statements of Holding Company, a subsidiary company of the Holding Company, on matters which are relevant to our opinion on the consolidated financial statements of the Group, and reproduced by us as under

a) We draw attention to Note no 5(A)(i) of the Financial Statement relating to recoverability of an amount of Rs.286.20 crores as at March 31, 2024 under trade receivables in respect of contract revenue where the Company has received arbitration awards in its favour in respect of which the client has preferred an appeal for setting aside the said arbitration awards, where the Company is confident of recovery for the said awards. The recoverability is dependent upon the final outcome of the appeals & negotiations getting resolved in favour of the company.

b) We draw attention to Note no 5(A)(ii) of the Financial Statement relating to accounting effects of the CMRL award resulting in a net impact of reduction of Rs. 324.00 Crores on the profit before tax as explained in the said note.

c) We draw attention to Note no 31(b) of the Financial Statement. During the year, the Company has carried out detailed evaluation and assessment of Awards, Claims and Other exposures with the help of an independent expert in the field of claims and arbitration who had assessed the likely amount of award and claims being settled in favour of the Company. Considering the expert opinion and the long elapse of time in respect of these claims, the Company has provided for its exposure towards such awards, claims, work done but not billed, trade receivable (net of advances) along with other receivables not connected with projects amounting to Rs. 577.44 Crores (including CMRL impact discussed above) in the statement of profit and loss.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Consolidated Financial Statements of the current period. These matters were addressed in the context of our audit of the Consolidated Financial Statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Apart from what is mentioned in our paragraph titled Basis of Qualified Opinion and paragraph titled Material Uncertainty related to Going Concern along with matters described in our paragraph emphasis of matters there are no other matters described to be the key audit matters to be communicated in our report

Information Other than the Consolidated Financial Statements and Auditors' Report Thereon

The Holding Company's Management and Board of Directors are responsible for the Other Information. The Other Information comprises the information included in Annual Report excluding the Standalone and Consolidated Financial Statements and our Independent Auditors' Report thereon. We have read the Director's Report and Management Discussion and Analysis forming part of the Annual Report and found the same to be in order. However, the other contents of the Annual Report are expected to be made available to us after the date of this report.

Our opinion on the Consolidated Financial Statements does not cover the Other Information and we do not and will not express any form of assurance or conclusion thereon.

The Other Information has not been made available to us till the date of this report. We will read the Other Information as and when it is made available to us and if conclude that there is a material misstatement, we are required to communicate the matter with those charged with governance and take necessary steps as may be required thereafter.

Responsibilities of Management and those Charged with Governance for the Consolidated Financial Statements

The Holding Company's Management and Board of Directors are responsible for the preparation and presentation of these Consolidated Financial Statements in terms of the requirements of the Companies Act, 2013 ("the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance (including Consolidated Other Comprehensive Income) , consolidated changes in equity and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Indian Accounting Standards specified under section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the consolidated financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the Consolidated Financial Statements, the respective Management and Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the Group are also responsible for overseeing the financial reporting process of the Group.

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the Consolidated Financial Statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these Consolidated Financial Statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

1. Identify and assess the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated Financial Statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the Consolidated Financial Statements, including the disclosures, and whether the Consolidated Financial Statements represent the underlying transactions and events in a manner that achieves fair presentation.
6. Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group and its joint venture and its associates to express an opinion on the Consolidated Financial Statements. We are responsible for the direction, supervision and performance of the audit of the Consolidated Financial Statements of such entities included in the Consolidated Financial Statements of which we are the independent auditors. For the other entities included in the Consolidated Financial Statements, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion.

Materiality is the magnitude of misstatements in the Consolidated Financial Statements that, individually or in aggregate, make it probable that the economic decisions of a reasonably knowledgeable user of the Consolidated Financial Statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the Consolidated Financial Statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters

a. We did not audit the financial statements and other financial information, in respect of 9 subsidiaries, whose Ind AS financial statements reflect total assets of Rs. 290.21 crores as at March 31, 2024, total revenues of Rs. 15.10 crores, Net loss after tax of Rs 42.43 Crores and net cash inflow amounting to Rs. 0.64 crores for the year ended on that date, before giving effect to elimination of intra-group transactions as considered in the preparation of the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and associates, and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, joint ventures and associates in India, is based solely on the reports of the other auditors.

b. The statement also includes the financial results of 2 immaterial subsidiaries, which have not been reviewed by their auditors or us, whose financial statements reflect total assets of Rs. 0.03 Crores, total revenues of Rs. Nil and total net loss after tax of Rs. Nil and net cash inflow of Rs. Nil for the Year ended March 31, 2024, as considered in the statement. These financial statements are as prepared by the management of the holding company. Our conclusion is not qualified on this account.

Our opinion on the Consolidated Financial Statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matters with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section 11 of section 143 of The Companies Act, 2013, we give in the attached Annexure A statement of the matter specified in paragraphs 3 and 4 of the Order, to the extent applicable.

2. As required by Section 143(3) of the Act, we report that:

   a. We / the other auditors whose reports have relied upon except for the possible effects of the matter described in Basis of Qualified Opinion paragraph, have sought obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid consolidated financial statements.

   b. We have sought and obtained all the information and explanations, which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.

   c. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books, except for the possible effects of the matter described in the Basis of Qualified Opinion paragraph and for the matter stated in paragraph 2(j)(vi) below relating to reporting under rule 11(g) of the Companies (Audit and Auditors) Rule 2014.

   d. The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss (including Other Comprehensive Income), Consolidated Statement of Changes in Equity, and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of accounts, workings and records maintained for the purpose of preparation of the Consolidated Financial Statements.

   e. In our opinion except for the possible effects of the matter described in Basis of Qualified Opinion paragraph, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.

   f. The matters described in paragraphs under the Basis for Qualified Opinion and Material Uncertainty Relating to Going Concern paragraph, in our opinion, may have an adverse effect on the functioning of the Group.

g. With reference to maintenance of accounts and other matter therewith, reference is invited to paragraph 2(b) above on reporting under section 143(3)(b) and para 2(i)(vi) below relating to reporting under rule 11(g) of the Companies (Audit and Auditors) Rule 2014, as amended.

h. On the basis of the written representations received from the directors of the Holding Company as on March 31, 2024 taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary company, joint ventures and associates incorporated in India, The disqualification of the directors of the Group Companies incorporated in India as on March 31, 2024 from being appointed as a director in terms of Section 164 (2) of the Act are given below

   i. In the case of holding company except one all the directors are disqualified as on March 31, 2024 from being appointed as a director in terms of section 164(2) of the Act.

   ii. One director in case of Patna Water Supply Distribution Network Private Limited is disqualified.

i. With respect to the adequacy of internal financial controls with reference to Financial Statements of the Holding Company and its subsidiaries incorporated in India and the operating effectiveness of such controls, refer to our separate report in “Annexure B”. Our report expresses a modified opinion on the adequacy and operating effectiveness of the Holding Company’s internal financial controls with reference to Consolidated Financial Statements while the auditors of the subsidiaries incorporated in India have given an unmodified opinion.

j. With respect to the other matters to be included in the Auditor’s Report in accordance with the requirements of section 197(16) of the Act, as amended.

   In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Holding Company and its subsidiary companies incorporated in India, wherever applicable to its directors during the year is in accordance with the provisions of section 197 of the Act.

k. With respect to the other matters to be included in the Auditor’s Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:

   i. The Consolidated Financial Statements discloses the impact of pending litigations on the consolidated financial position of the Group, and its associate and joint venture – Refer Note 36 to the Consolidated Financial Statements.

   ii. The Group did not have any long-term contracts including derivative contracts for which there were material foreseeable losses.

   iii. The Holding Company has to transfer amount of Rs. 0.58 Crs (reported Rs. 0.54 Cr diff is of T & D) to the Investor Education and Protection Fund.

   iv. a. The management has represented that, to the best of their knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been advanced or loaned or invested (either from borrowed funds or share premium or any other sources or kind of funds) by the company to or in any other person or entity(ies), including foreign entities (“intermediaries”) with the understanding whether recorded in writing or otherwise, that the intermediary shall, whether directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (“Ultimate Beneficiaries”) or provide any guarantee, security, or the like on behalf of the Ultimate Beneficiaries.

   b. The management has represented that, to the best of its knowledge and belief, other than as disclosed in the notes to the accounts, no funds have been received by the company from any person(s) or entity(ies) including foreign entities (“Funding Parties”), with the understanding, whether recorded in writing or otherwise, that the company shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (“Ultimate Beneficiaries”) or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

   c. Based on such audit procedures considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the representations under sub-clause (iv)(a) and (iv)(b) above contain any material misstatement.

v. No dividend is declared or paid during the year by the company.

vi. Based on our examination which included test checks, the Holding Company, in respect of financial year commencing on April, 1 2023, has used Tally software for its accounting purposes, which has an audit trail (edit log) feature. However, the Holding Company has not enabled the audit trail feature in the Tally software used for financial statements both at application and at database.

As regards the Auditors of the Subsidiary Companies incorporated in India, on perusal of their report provided to us as aforesaid in the other matters paragraph, the auditors of the subsidiary companies have stated that the software used by the respective subsidiary company does not have the feature of audit trail.

As proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 is applicable from April 01, 2023, reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 on preservation of audit trail as per the statutory requirements for record retention is not applicable for the financial year ended March 31, 2024. However, in view of what is stated above the preservation of audit trail for future references will not be possible.

Annexure - B to the Auditors' Report

Report on the Internal Financial Controls with reference to Consolidated Financial Statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the Consolidated Financial Statements (Financial Statements) of the Holding Company as of and for the year ended March 31, 2024, we have audited the internal financial controls with reference to Financial Statements of **Gammon India Limited** (hereinafter referred to as 'the Holding Company') and its subsidiaries which are companies incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company, and its subsidiaries which are companies incorporated in India are responsible for establishing and maintaining internal financial controls based on the internal control with reference to Consolidated Financial Statements criteria established by the Holding Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the internal financial controls with reference to Consolidated Financial Statements of the Holding Company and its Subsidiaries which are companies incorporated in India, based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to Financial Statements was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system with reference to Financial Statements and their operating effectiveness. Our audit of internal financial controls with reference to Financial Statements included obtaining an understanding of internal financial controls with reference to Financial Statements, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained along with the audit reports of the covered entities not audited by us, is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system with reference to these consolidated Ind AS financial statements of Holding Company, its subsidiaries, associate companies and joint venture, as aforesaid.

Meaning of Internal Financial Controls with reference to Consolidated Financial Statements

A company's internal financial control with reference to Consolidated Financial Statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control with reference to Consolidated Financial Statements includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with reference to Consolidated Financial Statements.

Because of the inherent limitations of financial controls with reference to Consolidated Financial Statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to Financial Statements to future periods are subject to the risk that the internal financial control with reference to Consolidated Financial Statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

In view of what is stated in our basis of Qualified Opinion we cannot state that the Holding Company has, in all material respects, an adequate internal financial controls system with reference to these consolidated financial statements and such internal financial controls with reference to these consolidated financial statements were operating effectively as at March 31, 2024, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. However, the subsidiary companies, on the basis of the reading of the respective auditor's report of the subsidiary company, have an internal financial control with reference to the financial statements.

Basis of Qualified Opinion

According to the information and explanation given to us, the following material weaknesses has been identified in the operating effectiveness internal financial control with reference to these Consolidated Financial Statements as at March 31, 2024:

Holding Company:

a) The Company has laid down internal financial controls with reference to Consolidated Financial Statements, however, its implementation and effectiveness in certain areas are affected due to severe manpower issues affecting timely preparation of financial statements.

b) Our test of transactions revealed instances of control weaknesses which have inter-alia resulted from manpower and liquidity issues, the period-end financial reporting processes were also inadequate leading to errors in consolidation.

c) Internal Audit carried out by the Company was not adequate considering the size and operations of the Company and was required to be more extensive with timely follow up and actions to correct the issues promptly. The internal audit has also revealed weaknesses in the systems and processes.

Other Matters

a) Our aforesaid report under section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls with reference to financial statements in so far as it relates to standalone financial statements of 9 subsidiaries, which are companies incorporated in India, is based on the corresponding reports of the auditors of such companies incorporated in India.

b) We did not audit the internal financial controls system with reference to Ind AS financial statements in so far as it relates to two immaterial subsidiaries company, which is company covered under the Act, whose financial statement reflect total assets of Rs. 0.03 crore as at 31 March 2024, total revenues of Rs. Nil , net profit after tax of Rs Nil crores and net cash inflow of Rs Nil for the year ended on that date, as considered in these consolidated financial statements, whose internal financial controls system with reference to Ind AS financial statements are not audited and our report on the adequacy and operating effectiveness of internal financial controls system with reference to Ind AS financial statements is based solely on representation provided by the management.

(a) General Reserve

The General Reserve is created to comply with The Companies (Transfer of Profit and Reserve rules 1975).

(b) Securities Premium Reserve

Securities premium is used to record the premium on issue of shares or debentures. The reserve will be utilised in accordance with the provisions of the Act.

(c) Debenture Redemption Reserve

In accordance with Circular issued by Ministry of Corporate Affairs No. 04/2013 dated 11.02.2013 the Company is maintaining the Debenture Redemption Reserve to the extent of 25% of the outstanding debentures. In accordance with the Companies (Share Capital and Debenture) Rules, 2014 the Company is maintaining the Debenture Redemption Reserve to the extent of 25% of the outstanding debentures. The Company has however not set aside or earmarked liquid assets of ₹ 43.40 crores (PY: ₹ 43.40 crore) being 15% of the amount of Debenture due for redemption as at March 2022 as required by the aforesaid Circular in view of the financial crunch faced by the Company. Since the entire facility is recalled by the lenders the entire amount of Non Convertable Debenture is considered as current and 15% of earmarked fund is calculated on the entire amount.

(d) Capital Reserve

Pursuant to a Scheme of Arrangement between the company, Transrail Lighting Limited (TLL) and their respective shareholders and creditors pursuant to Sections 391 to 394 read with sections 100 to 103 of the Companies Act, 1956 for transfer of the retained Transmission and Distribution Undertaking (as defined in the scheme) of GIL and in accordance with the directions of the National Company Law Tribunal ("NCLT") the company has recorded the fair value of the consideration received from TLL by way of 725,000 Equity Shares issued by TLL as Non-Current Investments and has derecognised book values of the assets and liabilities of retained T&D Undertaking transferred to TLL. The resultant difference of Rs 11.52 crore has been credited to Capital reserve account.

(e) Promoters Contribution

The Company had pursuant to the Shareholders approval in May, 2015, received Rs.100 Cr to issue Unsecured Zero Coupon Compulsorily Convertible Debentures to the promoters against their contribution made to the Company's Corporate Debt Restructuring ("CDR") package. However no allotment was made, since the in-principle approval for allotment was awaited from BSE Ltd.

On 26th April,2016 , BSE has directed the Company to modify the "relevant date" adopted by the Company for the pricing of the CCD's and seek shareholders approval afresh.

(f) Treasury Shares

Pursuant to the Scheme of Amalgamation with ATSL in 2008, the Company owns 58,04,620 Equity Shares of itself through Gammon India Trust which was allotted the shares against the Company's holding in erstwhile ATSL in terms of the order of the Hon'ble High Court of Mumbai and Gujarat.

Summary of Material Accounting Policy Information and Other Explanatory Information to the Consolidated Financial Statements for the year ended March 31, 2024

A. CORPORATE INFORMATION

Gammon India Limited is a civil engineering construction company incorporated in the year 1922. It originated as a construction business in the year 1919 founded by John C. Gammon and was taken over by its Promoter Mr. Abhijit Rajan in the year 1991.

Prominently it is one of the largest infrastructure companies in India with several multifarious civil engineering projects to its credit. Broadly, its specific segments of specialisation in infrastructure are transportation, power projects, transmission & distribution, structural designs, irrigation projects, ground engineering & water supply. Having established its leadership in construction and turnkey projects, it is also accredited with expertise in roads, flyovers and bridges. Besides its large scale of operations in the Construction and Infrastructure domain, Gammon has a dominant presence in energy business in which it operates in the hydro, nuclear and thermal power segments- having India's first second generation nuclear power plant in Kalapakkam to its credit.

Gammon's projects cover businesses and projects involving highways, public utilities, environmental engineering and marine structures. Gammon's expertise also covers the design, financing, construction and operation of modern bridges, ports, harbours, thermal & nuclear power stations, viaducts, dams, high-rise structures, chemical & fertiliser complexes and metro rail, both on a Built-Operate–Transfer (BOT) basis as well as contract execution. Gammon is also active in the Social Infrastructure sector through its operations in the realty project segment

The Financial Statements are approved for issue by the Company's Board of Directors in the meeting held on October 28, 2024.

B. USE OF JUDGEMENTS, ESTIMATES AND ASSUMPTION

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions. These estimates, judgements and assumptions affect the application of accounting policies and the reported amounts of assets and liabilities, the disclosures of contingent assets and liabilities at the date of financial statements and reported amounts of revenues and expenses during the period. Accounting estimates could change from period to period. Actual results could differ from those estimates. Appropriate changes in estimates are made as management becomes aware of circumstances surrounding the estimates. Changes in estimates are reflected in the financial statement in the period in which changes are made and if material, their effects are disclosed in the notes to the financial statements.

i) Taxes

Deferred tax assets are recognised for unused tax losses to the extent that it is probable that taxable profit will be available against which the losses can be utilised. Significant management judgement is required to determine the amount of deferred tax assets that can be recognised, based upon the likely timing and the level of future taxable profits together with future tax planning strategies. The management does not have any unabsorbed losses and therefore there are no judgements being made on this account.

ii) Defined benefit plans (gratuity benefits)

The cost of the defined benefit plans, compensated absences and the present value of the defined benefit obligations are based on actuarial valuation using the projected unit credit method. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. This inter-alia include the determination of the discount rate, future salary increases, attrition rates and mortality rates. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

iii) Useful lives of Property, plant and Equipment

The Group reviews the useful life of property, plant and equipment at the end of each reporting period. This reassessment may result in change in depreciation expense in future periods. Presently the PPE are depreciated on the basis of the estimates of useful life carried out by the management which are disclosed as part of the material accounting policy relating to PPE and depreciation.

iv) Impairment of Property, Plant and Equipment

For property, plant and equipment and intangibles an assessment is made at each reporting date to determine whether there is an indication that the carrying amount may not be recoverable or previously recognised impairment losses no longer exist or have decreased. If such indication exists, the Group estimates the asset's or Cash Generating Unit(CGU) recoverable amount. A previously recognised impairment loss is reversed only if there has been a change in the assumptions used to determine the asset's recoverable amount since the last impairment loss was recognised.

In making the estimates of recoverable amounts of Asset or CGU, the management estimates future economic benefits including projections of future profitability which are taken into consideration in evaluating the recoverable amount of Asset or CGU.

v) Impairment of Investment

For determining whether the investments in subsidiaries, joint venture and associates are impaired requires an estimate in the value in use of investments. In considering the value in use, the Directors have estimated the future cash flow, capacity utilization, operating margins and other factors of the underlying businesses / operations of the investee companies. Any subsequent changes to the cash flows due to changes in the above-mentioned factors could impact the carrying value of investments.

vi) Inventories

The Group estimates the net realisable value (NRV) of its inventories by taking into account estimated selling price, estimated cost of completion, estimated costs necessary to make the sale, obsolescence considering the past trend. Inventories are written down to NRV where such NRV is lower than their cost.

vii) Recognition and measurement of other provision

The recognition and measurement of other provisions is based on the assessment of the probability of an outflow of resources, and on past experience and circumstances known at the closing date. The actual outflow of resources at a future date may therefore, vary from the amount included in other provisions.

viii) Leases

The Group evaluates if an arrangement qualifies to be a lease as per the requirements of Ind AS 116. Identification of a lease requires significant judgement. The Group uses significant judgement in assessing the lease term (including anticipated renewals) and the applicable discount rate. The Group determines the lease term as the non-cancellable period of a lease, together with both periods covered by an option to extend the lease if the Group is reasonably certain to exercise that option and periods covered by an option to terminate the lease if the Group is reasonably certain not to exercise that option. In assessing whether the Group is reasonably certain to exercise an option to extend a lease, or not to exercise an option to terminate a lease, it considers all relevant facts and circumstances that create an economic incentive for the Group to exercise the option to extend the lease, or not to exercise the option to terminate the lease. The discount rate is generally based on the incremental borrowing rate specific to the lease being evaluated or for a portfolio of leases with similar characteristics.

C. RECENT PRONOUNCEMENTS

There have been no recent accounting pronouncements made by Ministry of Corporate Affairs relating to the Companies (Indian Accounting Standards) Rules, 2015.

D. MATERIAL ACCOUNTING POLICY INFORMATION

i) Basis of Preparation

These financial statements are prepared under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values which are disclosed in the Financial Statements, the provisions of the Companies Act, 2013 (`Act') (to the extent notified).

The classification of assets and liabilities of the Group is done into current and non-current based on the operating cycle of the business of the Group. The operating cycle of the business of the Group is less than twelve months and therefore all current and non-current classifications are done based on the status of realisability and expected settlement of the respective asset and liability within a period of twelve months from the reporting date as required by Schedule III to the Companies Act, 2013.

Accounting policies have been consistently applied except whereas newly issued accounting standard is initially adopted or a revision to an existing accounting standard requires a change in the accounting policy hitherto in use.

The financial statements are presented in Indian Rupees ('INR') and all values are rounded to the nearest crore, except otherwise indicated.

ii) Principles of Consolidation

(a) The consolidated financial statements comprise the financial statements of the Company and its subsidiaries as at 31 March 2024. Control is achieved when the Group is exposed, or has rights, to variable returns from its involvement with the investee and has the ability to affect those returns through its power over the investee. Subsidiaries are entities controlled by the Group. Consolidation of a subsidiary begins when the Group obtains control over the subsidiary and ceases when the Group loses control of the subsidiary. Assets, liabilities, income and expenses of a

subsidiary acquired or disposed off during the year are included in the consolidated financial statements from the date the Group gains control until the date the Group ceases to control the subsidiary. Consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances. The financial statements of each of the subsidiaries, joint ventures and associates used for the purpose of consolidation are drawn up to same reporting date as that of the Company, i.e., year ended on 31 March 2024 except for the financial statements which are not consolidated due to non availability of Financial Statements.

- Associated Transrail Structures Limited., Nigeria (Share Holding -100%)
- Gammon Italy S.r.L (Share Holding -100%)
- GIPL - GIL JV (Joint Venture 5%)
- Gammon – Ojsc Mosmetrostroy – JV('GOM')- (Joint Venture 51%)
- Ansaldocaldaie-GB Engineering Private Limited.('ACGB')
- Campo Puma Oriente S.A. (Share Holding 73.76%)
- Finest Spa Italy (Share Holding 50%)

(b) Non-controlling interests in the results and equity of subsidiaries are shown separately in the consolidated statement of profit and loss, consolidated statement of changes in equity and balance sheet, respectively.

(c) Associates are all entities over which the Group has significant influence but no control or joint control. This is generally the case where the Group holds between 20% and 50% of the voting rights. Investments in associates are accounted for using the equity method of accounting, after initially being recognised at cost.

(d) "Under Ind AS 111 Joint Arrangements, investments in joint arrangements are classified as either joint operations or joint ventures. The classification depends on the contractual rights and obligations of each investor, rather than the legal structure of the joint arrangement.

- Joint operations: The Group recognises its direct right to the assets, liabilities, contingent liabilities, revenues and expenses of joint operations and its share of any jointly held or incurred assets, liabilities, revenues and expenses. These have been incorporated in the financial statements under the appropriate headings.
- Joint ventures Interests in joint ventures are accounted for using the equity method, after initially being recognised at cost in the consolidated balance sheet.

The following entities are considered in the Consolidated Financial Statements:

Sr no.	Name of Entity	Nature of Relationship	March 2024		March 2023	
			Ownership Interest	Effective Interest	Ownership Interest	Effective Interest
1.	Gammon India Limited	Parent	-	-	-	-
2.	ATSL Infrastructure Projects Limited	Subsidiary	51.00%	61.09%	51.00%	61.09%
3.	Gactel Turnkey Projects Limited. ('GACTEL') (Up to March 27, 2024)	Subsidiary	100.00%	100.00%	100.00%	100.00%
4.	Gammon International FZE ('GIFZE') (Up to March 26, 2024)	Subsidiary	100.00%	100.00%	100.00%	100.00%
5.	P.Van EerdBeheersmaatschappaji B.V. Netherlands ('PVAN')	Subsidiary	100.00%	100.00%	100.00%	100.00%
6.	Deepmala Infrastructure Private Limited ('DIPL') (Up to February 14 , 2024)	Subsidiary	51.00%	70.52%	51.00%	70.52%
7.	Gammon Retail Infrastructure Private Limited ('GRIPL')	Subsidiary	99.00%	99.00%	99.00%	99.00%
8.	Gammon Power Limited. ('GPL')	Subsidiary	90.00%	90.00%	90.00%	100.00%
9.	ATSL Holding B.V. Netherlands	Subsidiary	100.00%	100.00%	100.00%	100.00%
10.	Gammon Realty Limited. ('GRL')	Subsidiary	75.06%	75.06%	75.06%	75.06%
11.	Gammon Holdings B.V., Netherlands('GHBV')	Subsidiary	100.00%	100.00%	100.00%	100.00%
12.	Gammon International B.V., Netherlands('GIBV')	Subsidiary	100.00%	100.00%	100.00%	100.00%
13.	Metropolitan Infrahousing Private Limited ('MIPL')	Subsidiary	84.16%	84.16%	84.16%	84.16%

Sr no.	Name of Entity	Nature of Relationship	March 2024		March 2023	
			Ownership Interest	Effective Interest	Ownership Interest	Effective Interest
14.	Gammon Transmission Limited('GTL')	Subsidiary	100.00%	100.00%	100.00%	100.00%
15.	Gammon Real Estate Developers Private Limited (GRDL)	Subsidiary	100.00%	100.00%	100.00%	100.00%
16.	Ansaldocaldaie Boilers India Private Limited ('ACB')	Subsidiary	73.40%	85.37%	73.40%	85.37%
17.	Gammon Holdings (Mauritius) Limited ('GHM')	Subsidiary	100.00%	100.00%	100.00%	100.00%
18.	Patna Water Supply Distribution Network Private Limited ('PWS')	Subsidiary	73.99%	73.99%	73.99%	73.99%
19.	Gammon SEW('GSEW')	Joint Venture	90.00%	90.00%	90.00%	90.00%
20.	AJR Infra and Tolling Limited.	Associate	20.60%	20.60%	20.60%	20.60%

(e) Business combinations and goodwill

Business combinations are accounted for using the acquisition method. The cost of an acquisition is measured as the aggregate of the consideration transferred, measured at acquisition date fair value and the amount of any non-controlling interests in the acquiree. For each business combination, the Group elects whether to measure the non-controlling interests in the acquiree at fair value or at the proportionate share of the acquiree's identifiable net assets. Acquisition-related costs are expensed as incurred

Goodwill on consolidation as on the date of transition represents the excess of cost of acquisition at each point of time of making the investment in the subsidiary over the Group's share in the net worth of a subsidiary. For this purpose, the Group's share of net worth is determined on the basis of the latest financial statements, prior to the acquisition, after making necessary adjustments for material events between the date of such financial statements and the date of respective acquisition. Capital reserve on consolidation represents excess of the Group's share in the net worth of a subsidiary over the cost of acquisition at each point of time of making the investment in the subsidiary. Goodwill arising on consolidation is not amortised, however, it is tested for impairment annually. In the event of cessation of operations of a subsidiary, the unimpaired goodwill is written off fully.

iii) Summary of Material Accounting Policy Information

(a) Revenue Recognition

The Company undertakes Engineering, Procurement and Construction business. The ongoing contracts with customers are for construction of highways, water pipeline projects construction of residential & commercial buildings, and others. The type of work in these contracts involve construction, engineering, designing, supply of materials, development of system, installation, project management, operations and maintenance etc.

- **Construction Activity**

  Revenue from contracts with customers is recognised when control of the goods or services are transferred to the customer at an amount that reflects the consideration to which the Group expects to be entitled in exchange for those goods or services

  The Companies performance creates or enhances an asset that the customer controls as the asset is created or enhanced and as per the terms of the contract, the Group has an enforceable right to payment for performance completed till date. Hence the Group transfers control of a good or service over time and, therefore, satisfies a performance obligation and recognises revenue over time. The Group recognises revenue at the transaction price which is determined on the basis of agreement entered into with the customer. The Group recognises revenue for performance obligation satisfied over time only if it can reasonably measure its progress towards complete satisfaction of the performance obligation. The Group would not be able to reasonably measure its progress towards complete satisfaction of a performance obligation if it lacks reliable information that would be required to apply an appropriate method of measuring progress. In those circumstances, the Group recognises revenue only to the extent of cost incurred until it can reasonably measure outcome of the performance obligation.

- **Awards & Claims**

  The awards are recognised as revenue as soon as the Group receives an award determining the quantum of award pursuant to arbitration or other conciliation process

The Group has claims in respect of cost over-run arising due to client caused delays, suspension of projects, deviation in design and change in scope of work etc., which are at various stages of negotiation/discussion with the clients or under arbitration. The realisability of these claims are estimated based on contractual terms, historical experience with similar claims as well as legal opinion obtained from internal and external experts, wherever necessary. Changes in facts of the case or the legal framework may impact realisability of these claims

- **Measurement of performance obligation**

  The Group uses cost based input method for measuring progress for performance obligation satisfied over time. Under this method, the Group recognises revenue in proportion to the actual project cost incurred as against the total estimated project cost. The management reviews and revises its measure of progress periodically and are considered as change in estimates and accordingly, the effect of such changes in estimates is recognised prospectively in the period in which such changes are determined.

- **Contract costs**

  Costs related to work performed in projects are recognised on an accrual basis. Costs incurred in connection with the work performed are recognised as an expense.

- **Provision for future losses**

  Provision for future losses are recognised as soon as it becomes evident that the total costs expected to be incurred in a contract exceed the total expected revenue from that contract.

- **Contract assets**

  A contract asset is recognised for amount of work done but pending billing/acknowledgement by customer or amounts billed but payment is due on completion of future performance obligation, since it is conditionally receivable. The provision for Expected Credit Loss on contract assets is made on the same basis as financial assets as stated in notes to financial statement.

- **Trade receivables**

  A receivable represents the Group's right to an amount of consideration that is unconditional (i.e., only the passage of time is required before payment of the consideration is due). Refer to accounting policies of financial assets in section Financial instruments – initial recognition and subsequent measurement.

- **Contract liabilities**

  A contract liability is the obligation to transfer goods or services to a customer for which the Group has received advance payments from the customer. If a customer pays consideration before the Group transfers goods or services to the customer, a contract liability is recognised when the consideration received.

- **Turnover**

  Turnover represents work certified upto and after taking into consideration the actual cost incurred and the profit evaluated by adopting the percentage of work completion method of accounting.

- **Interest Income**

  Interest income is recorded using the effective interest rate (EIR). EIR is the rate that exactly discounts the estimated future cash payments or receipts over the expected life of the financial instrument or a shorter period, where appropriate, to the gross carrying amount of the financial asset or to the amortized cost of a financial liability. When calculating the effective interest rate, the Group estimates the expected cash flows by considering all the contractual terms of the financial instrument (for example, prepayment, extension, call and similar options) but does not consider the expected credit losses. Interest income is included in other income in the statement of profit and loss.

- **Other Revenues**

  All other revenues are recognized on accrual basis

(b) Joint Ventures

a) Joint Venture Contracts under Consortium are accounted as independent contracts to the extent of work completion.

b) In Joint Venture Contracts under Profit Sharing Arrangement, services rendered to Joint Ventures are accounted as income on accrual basis, profit or loss is accounted as and when determined by the Joint Venture and net investment in Joint Venture is reflected as investments or loans & advances or current liabilities.

(c) Employee benefits

All employee benefits payable wholly within twelve months rendering services are classified as short term employee benefits. Benefits such as salaries, wages, short-term compensated absences, performance incentives etc., and the expected cost of bonus, ex-gratia are recognized during the period in which the employee renders related service.

Payments to defined contribution retirement benefit plans are recognized as an expense when employees have rendered the service entitling them to the contribution.

The cost of providing benefits under the defined benefit plan is determined using the projected unit credit method with actuarial valuations being carried out at each balance sheet date, which recognizes each period of service as giving rise to additional unit of employee benefit entitlement and measure each unit separately to build up the final obligation.

Remeasurements, comprising of actuarial gains and losses, the effect of the asset ceiling, excluding amounts included in net interest on the net defined benefit liability and the return on plan assets (excluding amounts included in net interest on the net defined benefit liability), are recognized immediately in the balance sheet with a corresponding debit or credit to other comprehensive income in the period in which they occur. Remeasurements are not reclassified to the statement of profit and loss in subsequent periods. Past service cost is recognized in the statement of profit and loss in the period of plan amendment.

Net interest is calculated by applying the discount rate to the net defined benefit liability or asset.

The Group recognizes the following changes in the net defined benefit obligation under employee benefit expenses in the statement of profit and loss:

- Service costs comprising current service costs, past-service costs, gains and losses on curtailments and non-routine settlements,
- Net interest expense or income.

Long-term employee benefits

Compensated absences which are not expected to occur within twelve months after the end of the period in which the employee renders the related services are recognized as a liability at the present value of the defined benefit obligation at the balance sheet date.

Termination benefits

Termination benefits are recognized as an expense in the period in which they are incurred.

(d) Property, plant and equipment

Property, plant and equipment are stated at cost/deemed cost net of tax/duty credit availed, less accumulated depreciation and accumulated impairment losses, if any. When significant parts of property, plant and equipment are required to be replaced at intervals, the Group derecognizes the replaced part, and recognizes the new part with its own associated useful life and it is depreciated accordingly. Likewise, when a major inspection is performed, its cost is recognized in the carrying amount of the plant and equipment as a replacement if the recognition criteria are satisfied. All other repair and maintenance costs are recognized in the statement of profit and loss as incurred.

Capital work-in-progress includes cost of property, plant and equipment under installation/under development as at the balance sheet date.

Property, plant and equipment are derecognised from financial statement, either on disposal or when retired from active use. Losses arising in the case of retirement of property, plant and equipment and gains or losses arising from disposal of property, plant and equipment are recognized in the statement of profit and loss in the year of occurrence.

The assets' residual values, useful lives and methods of depreciation are reviewed at each financial year end and adjusted prospectively, if appropriate.

Depreciation on the property, plant and equipment is provided over the useful life of assets as specified in Schedule II to the Companies Act, 2013 or as determined by the Independent Valuer as the case maybe . Property, plant and equipment which are added / disposed off during the year, depreciation is provided on pro-rata basis with reference to the month of addition / deletion.

(e) Leases

The Group's lease asset classes primarily consist of leases for land and buildings. The Group assesses whether a contract contains a lease, at inception of a contract. A contract is, or contains, a lease if the contract conveys the right to control the use of an identified asset for a period of time in exchange for consideration. To assess whether

a contract conveys the right to control the use of an identified asset, the Group assesses whether: (i) the contract involves the use of an identified asset (ii) the Group has substantially all of the economic benefits from use of the asset through the period of the lease and (iii) the Group has the right to direct the use of the asset.

At the date of commencement of the lease, the Group recognizes a right-of-use asset ("ROU") and a corresponding lease liability for all lease arrangements in which it is a lessee, except for leases with a term of twelve months or less (short-term leases) and low value leases. For these short-term and low value leases, the Group recognizes the lease payments as an operating expense on a straight-line basis over the term of the lease.

Certain lease arrangements includes the options to extend or terminate the lease before the end of the lease term. ROU assets and lease liabilities includes these options when it is reasonably certain that they will be exercised.

The right-of-use assets are initially recognized at cost, which comprises the initial amount of the lease liability adjusted for any lease payments made at or prior to the commencement date of the lease plus any initial direct costs less any lease incentives. They are subsequently measured at cost less accumulated depreciation and impairment losses.

Right-of-use assets are depreciated from the commencement date on a straight-line basis over the shorter of the lease term and useful life of the underlying asset. Right of use assets are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the Cash Generating Unit (CGU) to which the asset belongs.

The lease liability is initially measured at amortized cost at the present value of the future lease payments. The lease payments are discounted using the interest rate implicit in the lease or, if not readily determinable, using the incremental borrowing rates in the country of domicile of these leases. Lease liabilities are remeasured with a corresponding adjustment to the related right of use asset if the Group changes its assessment if whether it will exercise an extension or a termination option.

Lease liability and ROU asset have been separately presented in the Balance Sheet and lease payments have been classified as financing cash flows.

(f) Intangible assets

Intangible assets are recognized when it is probable that the future economic benefits that are attributable to the assets will flow to the Group and the cost of the asset can be measured reliably.

Internally generated intangibles, excluding capitalized development costs, are not capitalized and the related expenditure is reflected in profit and loss in the period in which the expenditure is incurred.

The useful lives of intangible assets are assessed finite. The amortization period and the amortization method for an intangible asset with a finite useful life are reviewed at least at the end of each reporting period. Changes in the expected useful life or the expected pattern of consumption of future economic benefits embodied in the asset are considered to modify the amortization period or method, as appropriate, and are treated as changes in accounting estimates.

Intangible assets with finite lives are amortized over the useful economic life and assessed for impairment whenever there is an indication that the intangible asset may be impaired.

Intangible Assets without finite life are tested for impairment at each Balance Sheet date and Impairment provision, if any are debited to profit and loss.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognized in the statement of profit and loss when the asset is derecognized.

(g) Impairment of Non-financial Assets

On annual basis the Group makes an assessment of any indicator that may lead to impairment of assets. An asset is treated as impaired when the carrying cost of asset exceeds its recoverable value. Recoverable amount is higher of an asset's fair value less cost to sell.

An impairment loss is charged to the Statement of Profit and Loss in the year in which an asset is identified as impaired.

The impairment loss recognized in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

a) Equity investment

All equity investments in scope of Ind AS 109 are measured at fair value. Equity instruments, which are held for trading, are classified as at FVTPL. For all other equity instruments, the Group may make an irrevocable election to present in other comprehensive income subsequent changes in the fair value. The Group makes such election on an instrument-by instrument basis. The classification is made on initial recognition and is irrevocable. If the Group decides to classify an equity instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the OCI. There is no recycling of the amounts from OCI to statement of profit and loss, even on sale of investment. However, the Group may transfer the cumulative gain or loss within equity. Equity instruments included within the FVTPL category are measured at fair value with all changes recognized in the statement of profit and loss.

(h) Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and demand deposits with banks which are short-term, highly liquid investments that are readily convertible into known amounts of cash and which are subject to insignificant risk of changes in value.

(i) Inventories

- Raw materials are valued at cost, net of Goods and Service Tax, wherever applicable.
- Stores and spares, loose tools are valued at cost except unserviceable and obsolete items that are valued at estimated realisable value thereof. Costs are determined on Weighted Average method
- Material at Construction Site and Stores & Spares are valued at lower of cost and net realisable value. Costs are determined on Weighted Average Method.
- Work In Progress on construction contracts are carried at lower of assessed value of work done less bill certified and net realisable value.
- Work In Progress – Real Estate reflects value of land, material inputs and project expenses.
- Bought Out and Stock in Transit are valued at lower of cost and Net realisable value.
- Other -Scrap Material are valued at realisable value.
- Finished Unsold Properties - Unsold finished properties are valued at lower of cost (which includes all direct and indirect costs of construction of the properties including land, materials, labour and other construction overhead) and net realizable value.

(j) Foreign currency transactions

The Company's financial statements are presented in INR, which is also the Company's functional currency.

Foreign currency transactions are recorded on initial recognition in the functional currency, using the exchange rate at the date of the transaction. At each balance sheet date, foreign currency monetary items are reported using the closing exchange rate. Exchange differences that arise on settlement of monetary items or on reporting at each balance sheet date of the Company's monetary items at the closing rate are recognized as income or expenses in the period in which they arise. Non-monetary items which are carried at historical cost denominated in a foreign currency are reported using the exchange rates at the date when the fair value is determined. The gain or loss arising on translation of non-monetary items is recognized in line with the gain or loss of the item that gave rise to the translation difference.

(k) Borrowing Cost

Borrowing costs directly attributable to the acquisition or construction of qualifying assets are capitalized as a part of the cost of such asset till such time the asset is ready for its intended use or sale. A qualifying asset is an asset that necessarily requires a substantial period of time (generally over twelve months) to get ready for its intended use or sale.

Other borrowing costs are recognized as expenses in the period in which they are incurred.

In determining the amount of borrowing costs eligible for capitalization during a period, any income earned on the temporary investment of those borrowings is deducted from the borrowing costs incurred.

(l) Taxes on income

Current Taxes

Tax on income for the current period is determined on the basis of estimated taxable income and tax credits computed in accordance with the provisions of the relevant tax laws and based on the expected outcome of assessments/ appeals.

Current income tax relating to items recognized directly in equity is recognized in equity and not in the statement of profit and loss. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Deferred tax

Deferred tax is provided using the balance sheet approach on temporary differences at the reporting date between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are reassessed at each reporting and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or liability settled, based on the tax rates (tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside the statement of profit and loss is recognized outside the statement of profit and loss. Deferred tax items are recognized in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current income tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

The break-up of major components of deferred tax assets and liabilities as at balance sheet date has been arrived at after setting off deferred tax assets and liabilities where the Company have a legally enforceable right to set-off assets against liabilities and where such assets and liabilities relate to taxes on income levied by the same governing taxation laws.

(m) Provisions, Contingent Liabilities and Contingent Assets

Provisions

The Company recognizes a provision when: it has a present legal or constructive obligation as a result of past events; it is likely that an outflow of resources will be required to settle the obligation; and the amount has been reliably estimated. Provisions are not recognized for future operating losses. Provisions are reviewed at each balance sheet and adjusted to reflect the current best estimates.

Contingent liabilities and Contingent Assets

A contingent liability recognised in a business combination is initially measured at its fair value. Subsequently, it is measured at the higher of the amount that would be recognised in accordance with the requirements for provisions above or the amount initially recognised less, when appropriate, cumulative amortisation recognised in accordance with the requirements for revenue recognition.

A contingent assets is not recognised unless it becomes virtually certain that an inflow of economic benefits will arise. When an inflow of economic benefits is probable, contingent assets are disclosed in the financial statements. Contingent liabilities and contingent assets are reviewed at each balance sheet date.

Onerous contracts

A provision for onerous contracts is measured at the present value of the lower expected costs of terminating the contract and the expected cost of continuing with the contract. Before a provision is established, the Company recognizes impairment on the assets with the contract.

(n) Earnings Per Share

Basic earnings per share is calculated by dividing the profit from continuing operations and total profit, both attributable to equity shareholders of the Company by the weighted average number of equity shares outstanding during the period.

(o) Current and non-current classification

The Group presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is current when it is:

- Expected to be realized or intended to sold or consumed in normal operating cycle,
- Held primarily for the purpose of trading,

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle,
- It is held primarily for the purpose of trading,
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period. Deferred tax assets/liabilities are classified as non-current.

All other liabilities are classified as non-current.

(p) Fair value measurement

The Group measures financial instruments such as derivatives and certain investments, at fair value at each balance sheet date.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability.

The principal or the most advantageous market must be accessible by the Group.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Group uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 - Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognized in the balance sheet on a recurring basis, the Group determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

For the purpose of fair value disclosures, the Group has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

(q) Financial instruments

A. Financial assets

I. Initial recognition and measurement

All financial assets are recognized initially at fair value plus, in the case of financial assets not recorded at fair value through profit or loss, transaction costs that are attributable to the acquisition of the financial asset.

Financial assets are classified, at initial recognition, as financial assets measured at fair value or as financial assets measured at amortized cost.

II. Subsequent measurement

For purposes of subsequent measurement financial assets are classified in two broad categories:

- Financial assets at fair value
- Financial assets at amortized cost

Where assets are measured at fair value, gains and losses are either recognized entirely in the statement of profit and loss (i.e. fair value through profit or loss), or recognized in other comprehensive income (i.e. fair value through other comprehensive income).

A financial asset that meets the following two conditions is measured at amortized cost (net of any write down for impairment) unless the asset is designated at fair value through profit or loss under the fair value option.

- Business model test: The objective of the Group's business model is to hold the financial asset to collect the contractual cash flows (rather than to sell the instrument prior to its contractual maturity to realize its fair value changes).
- Cash flow characteristics test: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

A financial asset that meets the following two conditions is measured at Fair Value through Other Comprehensive Income unless the asset is designated at fair value through profit or loss under the fair value option.

- Business model test: The financial asset is held within a business model whose objective is achieved by both collecting contractual cash flows and selling financial assets.
- Cash flow characteristics test: The contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding.

Even if an instrument meets the two requirements to be measured at amortized cost or fair value through other comprehensive income, a financial asset is measured at fair value through profit or loss if doing so eliminates or significantly reduces a measurement or recognition inconsistency (sometimes referred to as an 'accounting mismatch') that would otherwise arise from measuring assets or liabilities or recognizing the gains and losses on them on different bases.

All other financial asset is measured at fair value through profit or loss.

All equity investments other than investment on subsidiary, joint venture and associates are measured at fair value in the balance sheet, with value changes recognized in the statement of profit and loss.

III. Derecognition

A financial asset (or, where applicable, a part of a financial asset or part of a group of similar financial assets) is primarily derecognized (i.e. removed from the Company's balance sheet) when:

- The rights to receive cash flows from the asset have expired, or
- The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement and either:

(a) the Company has transferred substantially all the risks and rewards of the asset, or

(b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Continuing involvement that takes the form of a guarantee over the transferred asset is measured at the lower of the original carrying amount of the asset and the maximum amount of consideration that the Company could be required to repay.

IV. Investment in associates, joint venture and subsidiaries

The Company has accounted for its investment in subsidiaries and associates, joint venture at cost.

V. Impairment of financial assets

The Group assesses impairment based on expected credit losses (ECL) model to the Financial Assets measured at amortized cost.

Expected credit losses are measured through a loss allowance at an amount equal to:

- the12-months expected credit losses (expected credit losses that result from those default events on the financial instrument that are possible within 12 months after the reporting date); or
- full lifetime expected credit losses (expected credit losses that result from all possible default events over the life of the financial instrument).

The Group follows 'simplified approach' for recognition of impairment loss allowance on:

- Trade receivables or contract revenue receivables; and
- All lease receivables

Under the simplified approach, the Group does not track changes in credit risk. Rather, it recognizes impairment loss allowance based on lifetime ECLs at each reporting date, right from its initial recognition.

The Group uses a provision matrix to determine impairment loss allowance on the portfolio of trade receivables. The provision matrix is based on its historically observed default rates over the expected life of the trade receivable and is adjusted for forward looking estimates. At every reporting date, the historical observed default rates are updated and changes in the forward-looking estimates are analysed.

For recognition of impairment loss on other financial assets and risk exposure, the Group determines that whether there has been a significant increase in the credit risk since initial recognition. If credit risk has not increased significantly, 12-months ECL is used to provide for impairment loss. However, if credit risk has increased significantly, lifetime ECL is used. If, in a subsequent period, credit quality of the instrument improves such that there is no longer a significant increase in credit risk since initial recognition, then the Group reverts to recognizing impairment loss allowance based on 12-months ECL.

For assessing increase in credit risk and impairment loss, the Group combines financial instruments on the basis of shared credit risk characteristics with the objective of facilitating an analysis that is designed to enable significant increases in credit risk to be identified on a timely basis.

B. Financial liabilities

I. Initial recognition and measurement

All financial liabilities are recognized initially at fair value and, in the case of loans and borrowings and payables, net of directly attributable transaction costs.

The Group's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts, and derivative financial instruments.

II. Subsequent measurement

The measurement of financial liabilities depends on their classification, as described below:

Financial liabilities at fair value through profit or loss

Financial liabilities at fair value through profit or loss include financial liabilities held for trading and financial liabilities designated upon initial recognition as at fair value through profit or loss.

Financial liabilities are classified as held for trading if they are incurred for the purpose of repurchasing in the near term. This category also includes derivative financial instruments entered into by the Group that are not designated as hedging instruments in hedge relationships as defined by Ind AS 109.Separated embedded derivatives are also classified as held for trading unless they are designated as effective hedging instruments.

Gains or losses on liabilities held for trading are recognized in the statement of profit and loss.

Financial liabilities designated upon initial recognition at fair value through profit or loss are designated at the initial date of recognition, and only if the criteria in Ind AS 109 are satisfied.

Loans and borrowings

After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortized cost using the effective interest rate (EIR) method.

Gains and losses are recognized in profit or loss when the liabilities are derecognized as well as through the EIR amortization process.

Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included as finance costs in the statement of profit and loss.

Financial guarantee contracts

Financial guarantee contracts issued by the Company are those contracts that require a payment to be made to reimburse the holder for a loss it incurs because the specified debtor fails to make a payment when due in accordance with the terms of a debt instrument. Financial guarantee contracts are recognized initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequently, the liability is measured at the higher of the amount of loss allowance determined as per impairment requirements of Ind AS 109 and the amount recognized less cumulative amortization.

Derecognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the statement of profit and loss.

III. Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously

IV. Derivative financial instruments

The Company enters into derivative contracts to hedge foreign currency price risk on unexecuted firm commitments and highly probable forecast transactions. Such derivative financial instruments are initially recognized at fair value on the date on which a derivative contract is entered into and are subsequently re-measured at fair value. Derivatives are carried as financial assets when the fair value is positive and as financial liabilities when the fair value is negative.

Any gains or losses arising from changes in the fair value of derivatives are taken directly to statement of profit and loss.

(r) Exceptional Items

When items of income and expense within profit or loss from ordinary activities are of such size, nature or incidence that their disclosure is relevant to explain the performance of the enterprise for the period, the nature and amount of such material items are disclosed separately as exceptional items.

(s) Trade Payables

A payable is classified as a 'trade payable' if it is in respect of the amount due on account of goods purchased or services received in the normal course of business. These amounts represent liabilities for goods and services provided to the Group prior to the end of the financial year which are unpaid. These amounts are unsecured and are usually settled as per the payment terms stated in the contract. Trade and other payables are presented as current liabilities unless payment is not due within 12 months after the reporting period. They are recognised initially at their fair value and subsequently measured at amortised cost using the EIR method.

(i) Ansaldo GB-Engineering Pvt Ltd

ACBI is having 50% stake in the Ansaldo GB-Engineering Pvt Ltd and the balance 50% is held by GB Engineering Enterprises Private Limited.

Ansaldo GB-Engineering Pvt Ltd has taken over the Assets and Liabilities of the Pudukudy division of GB Engineering situiated at SF No. 63, Pudukudy South under a Business Transfer Agreement (BTA) through a Slump Sale. As per BTA Agreement signed between the Company with GB the business has been transferred on and from May 31st 2011. The Company carries on Engineering Jobwork for various customers at its plant located at Trichy.

There is no business and future plans of Ansaldo GB-Engineering Pvt Ltd and one of the Share holder i.e., GB Engineering Enterprises P.Ltd is under liquidation process and is not in a position to support ACGB.

During the previous year the ACBI was in receipt of Possession Notice dated November 11, 2017, issued under section 13(4) of Securitisation and reconstruction of the Financial Assets and Enforcement of Security Interest Act 2002.

During the current year ACGB is declared as Non Performing Asset by the lenders. Lenders have taken over the possession in May 2019 of aforesaid Company and are trying for e - auction for recovering their dues which will be realised by disposing the Assets of the Company .

Based on present condition of the subsidiary, the Company on a prudence basis has provided for the investment in Ansaldo GB-Engineering Pvt Ltd.

(ii) M/s Campo Puma Oriente S.A. (CPO):

The accounts of a subsidiary M/s Campo Puma Oriente S.A. have not been audited since December 2012, due to certain disputes with the partner in the project. Furthermore, IDBI Bank Dubai, invoked the Stand by letter of credit provided by IDBI Mumbai in the month of October 2016. The company had received a valuation report for $ 60 Million approximately from an independent merchant banker for its share more than 3 years ago, which the management believes is still valid. The Company has already made a provision of Rs 230.41 crores against its exposure.

Under the previous IGAAP, CPO was being accounted as a subsidiary with the partner's share being accounted as minority interest. Under the IndAs, since the said Campo Puma is a jointly controlled entity, the same is accounted under equity method from the transition date.

For the purpose of local regulatory requirements the said Campo has effected changes in the financials for the year ended December 31, 2015 since it submitted unaudited number for the purpose of consolidation. The adjustments made were primarily write back of partner balances to recoup the losses in the Joint venture in the earlier years. The Management of Gammon India Limited, for the purpose of preparing financials for the purposes of consolidation have not considered such adjustments as the losses have been accounted in consolidated financial statement from the joint venture.

The partner in the Joint Venture has filed a suit against the Company in the Court of Oklahoma,USA,inter-alia,for purportedly failing to fund its share of cash calls amounting to $4.4m,due to which it has overpaid its share and is claiming reimbursement. The Company has contested this claim and furthermore has issued a Notice of Breach against the partner and the claims and counterclaims will finally be settled through a combination of court process and arbitration. The hearings are expected to commence in due course on completion of both parties respective responses. The financial statements of CPO S.A.will therefore be signed and released only after the cases are resolved.

The management however believes that there will not be material differences between the financials considered and the financial pursuant to the audit being completed of the said CPO.

* The above share in joint venture is net of advance of Rs.177.11 Cr made by the Company to the joint venture.

B Investment in Equity shares Carried at Fair value through PL

Particulars			March 31, 2024		March 31, 2023	
			Nos	Amount	Nos	Amount
1	**Investment in equity instruments -Others-India**

	Unquoted Equity Instrument					
	(Fully paid-up unless otherwise stated)					
	Gammon International FZE	AED 150000	1.00	0.17	-	-
	Less: Provision			(0.17)		-
	Total			**-**		**-**

Note:

(i) During the year GIFZE licence deregistered in Dubai, due to which it is deconsolidated from Consolidated accounts

(ii) During the year GTPL was admitted to NCLT, and the management control was lost due to the Board of Directors being super ceded. On account of the same the said GTPL is being deconsolidated and accounted on fair value thru PL. since the said GTPL was loss making and there is no expectation of any return, the same is completely provided for as per the SFS

(iii) Similarly the control over Deepmala Infrastructure Private Limited is also lost due to change in management. These investments are also accounted on fair value thru PL. Since there is no change in the operations of the said Deepmala and the investment being non material, no changes to the fair value are estimated and are carried at cost

C Investment in Equity Shares Valued carried at FVTOCI

	Transrail Lighting Limited *	10	77,954	3.07	77,954	3.07
	Gammon Engineers & Contractors Private Limited*	10	10,94,881	4.24	10,94,881	4.24
				7.31		**7.31**

Notes:

(i) Sofinter:

During the year, the Group has entered into Shareholders Agreement (SHA) between subsidiaries of the Company i.e., Gammon International BV (GIBV), Gammon Holdings (Mauritius) Ltd (GHML) and the new investor, where the investor has committed to subscribe and pay the share capital of Sofinter for a total amount of Euro 12 Million.

With the proposed infusion, the new investor will acquire 90% stake in Sofinter at an aggregate value of Euro 12 million. Post infusion of money, the subsidiary companies, GIBV and GHML will hold a balance 10% stake in Sofinter. Gammon India Ltd (GIL) is the corporate guarantor for due performance of the subsidiaries i.e., of Gammon Holdings (Mauritius) Limited and Gammon International BV. The execution of the SHA is underway along with fulfilment of Condition Precedent. The SHA also provides for a waterfall mechanism agreed between the Parties, with a maximum exit for the Gammon Group equal to Euro 34 million at an exit at Euro 135 million

Thus, the stake of Gammon Group in Investment in Sofinter will reduce to 10% as against total 67.5% through Gammon International BV @ 32.5% and Gammon Holdings (Mauritius) Limited@ 35%.

Considering the value at which the new investor proposes to acquire the 90% stake in Sofinter, the carrying value of the stake of Gammon group which is carried at fair value through Other Comprehensive Income (FVTOCI), has been fair valued at the proportionate fair value for their 10% stake in Sofinter.

Therefore, the Company on a prudence basis without considering the effect of waterfall mechanism, has given effect of to the excess exposure in the carrying value of investment in Sofinter (which as carried at FVTOCI) for an amount of Rs 114.01 crores during the quarter ended June 30, 2023 which is debited to Other Comprehensive Income. The group had already provided for an amount of Rs 698.00 crores in the quarter and the year ended March 31, 2023 under Other Comprehensive Income.

(ii) Francotosi Mecanica S.p.A (FTM)

The Board of Francotosi Mecanica S.p.A (FTM) filed on May 30th 2013 with the court of Milan (and with the Companies Registry) a “preliminary” request for admission to the procedure of pre-insolvency composition agreement with creditors and restructuring debts (“concordato preventive”), under Articles 161 Clause 6, Italian Government Publication dated 10 March 1942 No 267 – further amended in September 2012 in light of acute financial stress being faced by the Company due to several extraneous reasons. The said application was admitted by the Court on 7 June 2013 and the court soon thereafter appointed a Judicial Commissioner to evaluate the possibility of FTM continuing its operations. Thereafter .The commissioner in charge of the Extraordinary Administration of Franco Tosi Meccanica S.p.A. had already concluded the sale of the operating business of FTM to the successful bidder and has commenced the disposal of the non-core assets (i.e. those assets which were not part of the sale of operating business), which includes 60 acres of land in Legnano, Italy. The commissioner has not started the actual disposal of the property. However the liabilities to be discharged against the surplus on disposal (net of tax) are not yet crystallised and firmed up as on date. The Commissioner of the said FTM has released summarized statement of affairs from July 2016 to December 2016 from which also the values of assets and liabilities to be discharged there against are unclear.

On account of the above facts and the absence of financial statements of the said FTM, FTM functions under severe long term restrictions which impair its ability to transfer funds to its parent. Further the parent does not have any control whatsoever as the entire control lies with the commissioner and the paret does not have access to information also. The Management of the Company and the Board of FTM have no say in the matter and have no access to records which are with the Commissioner. Therefore, in accordance with INDAS 110 – Consolidated Financial Statements , in the absence of control, the said FTM is excluded from Consolidation. This was also done under the previous IGAAP as per para 11(b) of AS-21 – Consolidated Financial Statements from the period ended 30th September 2014. There is also no influence that can be exercised by the Group despite having 83.94% of the Share holding.

The investment in the equity shares has been shown as financial asset accounted on fair Value through Other Comprehensive Income (FVTOCI).

The management was expecting that the value of the non core assets would be sufficient to cover the exposure of the company. However there has been no progress in the matter either for the disposal of the non core assets or ascertainment of the value of the non core assets by the commissioner in charge of the Extraordinary Administration of Franco Tosi Meccanica S.p.A. Considering the elapse of time and uncertainties relating to the value of the non core assets and its disposal, the management on a prudent basis has provided for the entire exposure. notwithstanding its ongoing endeavour to recover the value of the non core assets.

(iii) Consequent to invocation of pledge shares, GECPL / TLL ceased to be an associate and accordingly is disclosed as Other Investment, The Holding Company has accounted the said Investment at Fair Value through Other Comprehensive Income by making the election as required by the Standards, based on valuation considered by lenders for pledge invocation during the year 2018-19 said investment was fair valued in March 2019.

Therefore these investments are carried at the value of March 2019, although the said investment is being accounted on FVTOCI.

A Holding company

(i) In furtherance to the recommendation of the Dispute Resolution Board (DRB) and Arbitration Awards in the Company's favour, the Holding Company had recognized income in the previous years the carrying value of which as at the March 31, 2024 is Rs.494.20 Crore (including CMRL award of Rs. 208.00 Crores refer note 4(a)(ii) below), which is part of Non Current Trade Receivable. The Holding Company contends that such awards have reached finality for the determination of the amounts of such claims and are reasonably confident of recovery of such claims although the client has moved the court to set aside the awards. Considering the fact that the Holding Company has received favorable awards from the DRB and the Arbitration Tribunal, the management is reasonably certain that the awards will get favorable verdict from the courts.

(ii) The Holding Company had accounted the CMRL award at an amount of Rs 532.00 Crores which included an amount of Rs 124.00 Crores which was subject matter of appeal. This was shown under contract assets in the previous year. The Company based on its internal assessment along with the opinion of the techno legal expert has concluded that the claim is not expected to realize hence this amount is reversed / written off provided in the current year resulting in the net carrying amount against CMRL award at Rs. 408.00 crores. Further, on a prudent basis has retained its share of 51% since its a Joint Venture award and has provided for the JV partner's share as expected credit loss while retaining its right to litigate for the entire award amount. The Holding Company contends that its tenable counter claim on the JV partner arising from their abandoning the project is far in excess of their share of claim awarded. The Holding company has given an unfunded exposure of Rs. 50.39 Crores in form of Bank Guarantee.

B Expected Credit Loss

Since the Company Calculates impairment under the simplified approach the Company does not track the changes in credit risk of trade receivables the impairment amount represents lifetime expected credit loss. Hence the additional disclosures in trade receivables for changes in credit risk and credit impaired trade receivable are not disclosed.

a) Unbilled Revenue:

The Holding Company had evaluated its claims in respect of on-going, completed and/or terminated contracts in the earlier periods which amounts to Rs. 30.00 crore as at March 31, 2024 with the help of an independent expert in the field of claims and arbitration who had assessed the likely amount of claims being settled in favour of the Company. The management contends that there is no change in position during the year and the same are due to them and they have a very good chance of realisation.

b) Prepaid Taxes Net of Provision

During the year the Holding Company has made additional provision for tax for earlier years towards the non crystalisation of refunds of past several years which refunds have got adjusted against tax demands for matters in appeal which are pending disposal. The total amount provided on this account is Rs. 384.27 Crores, as short excess provision for tax which is reflected in Statement of Profit & Loss. The Contingent Liabilities is disclosed in Note no. 36 is as reflected on the Income tax website.

c) Metropolitan Infrahousing Private Limited (MIPL/Metro)

Balance Land called "PART-B LAND" of 45 acres is valued as per the valuation report issued by Joint Sub Registrar, Kalyan.

Contingent laibilities: The company has received notice dated 19th March, 2012 from Tahasildar, Kalyan demanding "Unearned Income" sum of Rs. 463.68 crores on Land at Ghariwali, Thane. Company challanged the demand of Tahasildar, Kalyan in High Court, Bombay in the year 2012. Order of High Court, Bombay came in 2015 for permitting comapny to sale "PART-A LAND" and remaining "PART-B LAND" is subject to resolution of demand of "Unearned Income" of Rs. 463.68 crores raise by Tahasildar, Kalyan.

Company filed Special Leave Petition in Supreme Court in the year 2017 for sale of "PART-B LAND" on which proceeding for demand of "Unearned Income" is going on in High Court, Bombay. Supreme Court ordered in February, 2019 giving permission to the company for sale of "PART-B LAND" subject to filling of "Joint Affidevit of Undertaking" by buyer and seller stating that both will be liable jointly and severally for payment of demand of "Unearned Income" raise by Tahasildar, Kalyan, if found payable. The same "Joint Affidevit of Undertaking" is filed with Supreme Court.

The inventory (balance "PART-B LAND") is valued as per valuation report issued by the adjudicating officer in the month of December 2018. The valuation as per applicable Stamp Act is higher than adjudicating value. Management has an opinion that valuation of inventory by the adjudicating officer is already at lower than its net realisable value and therefore valuation of inventory should not affect by COVID-19.

d) Deepmala infrastructure Private Limited

The carrying value as March 31, 2023 of real estate project was backed by valuation report.

e) Ansaldocaldaie Boilers India Private Limited (ACB)

Materials and consumables amounting to Rs. 1.19 Crores as at March 31, 2024 (March 31, 2023: Rs. 1.19 Crores) are in the custody of the lenders of GB Engineering Enterprises Pvt. Ltd. There is no confirmation available from the lenders of GB Engineering that they are in custody of inventories belonging to the Company.

f) Patna Water Supply Distribution Private Limited

The Company is not having accessibility to the Inventories since all the materials and consumables as at March 31, 2024 and the same are in the custody of the Client with whome the Company is under arbitration. Also there is no confirmation available from the Client that they are having the custody of the Companies Material.

g) Holding Company

In Previous year Inventory amounting to Rs 3.63 Crore are lying at terminated sites are under dispute, access to this terminated sites is restricted to the company., which has been written off during the current year.

11 Cash and Bank Balance

A During Previous year, One of the subsidiary company, DIPL was classified as Non-Performing Asset (NPA) by Axis Bank in 2018 as Company was not able to service the repayments including the interest of the financial facility it had availed from Axis Bank. The subsidiary Company in consultation with Axis Bank and security trustees had made several efforts to restructure the debt through its existing shareholder(s) including but not limited to restructuring involving change in management of the subsidiary Company. Subsequently, Axis Bank approved an One-time Settlement (OTS) proposal received from identified financial investor in terms of the re-structuring framework prescribed by RBI. Accordingly, a tripartite agreement was entered between the subsidiary Company, its majority shareholder and the Financial Investor resulting in Change in Management of the subsidiary Company documenting various terms and conditions of the OTS.

The OTS was accepted by the Lender for a settlement amount of INR 200 crores as on 24th Jan 2023 whereby the agreed OTS amount was required to be paid in installments as agreed with the Lenders. Further, following terms and conditions were agreed as part of OTS accepted by the Lender:

a) No claim against each other in respect of the financial facilities availed by the subsidiary Company from the Lender would survive upon full payment of INR 200 crores.

b) Lender shall issue the 'No Dues' Certificate and release all charges and liens over secured assets and title documents in favour of the borrower. Lender shall satisfy the charges with Cersai/ROC/Sub-Registrar.

c) Lender shall withdraw all litigations/cases, if any, filed by it against the borrower Company.

d) Lender shall write off balances in principal and Interest amount.

e) Major Shareholder, its subsidiaries and, associates shall write-off all outstanding amounts payable by the subsidiary Company simultaneously and shall waive off all claims in respect of such amounts due to shareholder and its affiliates.

In accordance with the terms of OTS agreed by the Lender, the subsidiary Company has agreed to issue secured non-convertible Debentures (NCD) having face value of INR 10 each upto an extent of aggregate amount of INR 160 crores through private placement to the Financial Investor. The terms and conditions of the secured NCDs are documented vide Debenture Trust Deed executed on 31st March 2023.

The terms of secured NCDs are summarised as under:

(a) NCDs shall carry interest 12% per annum.

(b) NCD shall be carry redemption premium of 15% per annum to be compounded quarterly payable on redemption

(c) NCD's will be unlisted and secured by first charge on 100% of total plot of land admeasuring 14.88 acres situated at South TT nagar in Bhopal (M.P) & construction thereon and exclusive first charge by way of hypothecation on all the current assets including receivables and all bank accounts. This charge shall not include properties sold hitherto upon release of the security and title by Axis Bank.

(d) The NCD's are transferable

B Classification of all credit facilities under Current Financial Liabilities - Refer Note 20

(a) Holding Company:

The facilities from the lenders have become Non Performing Assets in the month June'17. The Lenders have recalled all the loans and therefore all the long term loan facilities of ₹ 2,643.10 crores (P.Y ₹ 2,643.01 crores) are classified as current and disclosed under Current Liabilities together with the disclosure.

On account of the above, a number of lenders have not shared their confirmations as at the year ended March 31, 2024 and to that extent the balances are unconfirmed.

Note :

Disclosure is only in respect of Indian entity to whom the provisions of INDAS 19 and the local legislature of gratuity act is applicable.

A Holding Company

1 Gratuity is payable as per company's scheme as detailed in the report.

2 Actuarial gains/losses are recognized in the period of occurrence under Other Comprehensive Income (OCI). All above reported figures of OCI are gross of taxation.

3 The Company's Gratuity Fund is managed by Life Insurance Corporation of India. The plan assets under the fund are deposited under approved securities. The Company's Gratuity Liability is entirely funded except LMR employees.

4 Salary escalation & attrition rate are considered as advised by the company; they appear to be in line with the industry practice considering promotion and demand & supply of the employees.

5 Maturity Analysis of Projected Benefit Obligation is done considering future salary, attrition & death in respective year for members as mentioned above.

6 In the absence of data of experience adjustments, the same is not disclosed.

7 Provision as at March 31 is bifurcated into current and non current based on estimated recoupment of fund balances by the company in the near future

8 The Company's Leave Encashment Liability is entirely unfunded.

9 **Risk Factors / Assumptions**

a) **Interest rate risk:** A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

b) **Salary Risk:** The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

c) **Investment Risk:** The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.

d) **Asset Liability Matching Risk:** The plan faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk.

e) **Mortality Risk:** Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

f) **Concentration Risk:** Plan is having a concentration risk as all the assets are invested with the insurance company and a default will wipe out all the assets. Although probability of this is very less as insurance companies have to follow regulatory guidelines.

B Ansaldocaldaie Boilers India Private Limited (ACB)

i) Risk Assumptions:

1 **Interest rate risk:** A fall in the discount rate which is linked to the G.Sec. Rate will increase the present value of the liability requiring higher provision. A fall in the discount rate generally increases the mark to market value of the assets depending on the duration of asset.

2 **Salary Risk:** The present value of the defined benefit plan liability is calculated by reference to the future salaries of members. As such, an increase in the salary of the members more than assumed level will increase the plan's liability.

3 **Investment Risk:** The present value of the defined benefit plan liability is calculated using a discount rate which is determined by reference to market yields at the end of the reporting period on government bonds. If the return on plan asset is below this rate, it will create a plan deficit. Currently, for the plan in India, it has a relatively balanced mix of investments in government securities, and other debt instruments.

4 **Asset Liability Matching Risk:** The plan faces the ALM risk as to the matching cash flow. Since the plan is invested in lines of Rule 101 of Income Tax Rules, 1962, this generally reduces ALM risk.

5 **Mortality Risk:** Since the benefits under the plan is not payable for life time and payable till retirement age only, plan does not have any longevity risk.

6 **Concentration Risk:** Plan is having a concentration risk as all the assets are invested with the insurance company and a default will wipe out all the assets. Although probability of this is very less as insurance companies have to follow regulatory guidelines.

ii) Other Notes:

1 Gratuity is payable as per Company's scheme.

2 Actuarial gains/losses are recognized in the period of occurrence under Other Comprehensive Income (OCI).

3 Salary escalation & attrition rate are considered as advised by the company; they appear to be in line with the industry practice considering promotion and demand & supply of the employees.

4 Maturity Analysis of Projected Benefit Obligation is done considering future salary, attrition & death in respective year for members as mentioned above.

5 Average Expected Future Service represents Estimate Term of Post - Employment Benefit Obligation.

(d) ** Rs. 0.58 Crores (PY Rs. 0.58 Crores) lying in unpaid dividend bank account are pending to be transferred to Investors Education and Protection Fund. The amount of unpaid dividend is pertaining to 725,800 equity shares which are held in abeyance. The Company as a matter of abundant precaution also declared dividend on these shares whose allotment was held in abeyance. The accumulated dividend on these shares is being kept in a separate bank account. The said dividend is unclaimed and unpaid as it pertains to shares whose allotment itself is held in “abeyance”.

(e) The above information of default is disclosed only to the extent of information available for the respective Group Companies Financial Statement.

B Holding Company

(a) The facilities from the lenders to SPV Companies were backed by the Company’s Corporate Guarantees. Since the SPV companies could not make payment of the overdue amounts, the lenders have demanded the immediate payment of all overdue amount of loan and interest from the Company in the earlier years. The same is classified as current and disclosed as Current Liabilities and correspondingly recoverable from the SPV companies.

(b) On account of the above, a number of lenders have not shared their confirmations as at the year ended March 31, 2024 (also in the previous years) and to that extent the balances are unconfirmed.

(c) As at March 30, 2024, Union Bank of India has entered into assignment deed with Omkara Assets Reconstruction Company Private Limited (OARPL) and assigned its outstanding loan facilities to OARPL. The outstanding loan amount is part of credit facilities recalled by the lenders in current financial liabilities.

(d) **Corporate Restructuring and Other - Borrowings Notes**

The Company’s Corporate Debt Restructuring (CDR) package was approved by the CDR Empowered Group (EG) in its meeting held on 24th June, 2013 and communicated to the Company vide its letter of approval dated 29th June, 2013. The Company executed the Master Restructuring Agreement (MRA) with the CDR lenders on 24th September, 2013. Substantial securities have been created in favour of the CDR lenders.

Key features of the CDR agreement are as follows :

- Reschedulement of Short Term Loans & Rupee Term Loans (RTL) and NCD payable over a period of ten years

- Repayment of Rupee Term Loans (RTL) after moratorium of 27 months from cut off date being 1st January, 2013 in structured quarterly installments commencing from April 2015.
- Conversion of various irregular / outstanding / devolved financial facilities into Working Capital Term Loan (WCTL).
- Repayment of WCTL after moratorium of 27 Months from cut off date in structured quarterly installments commencing from April 2015, subject to mandatory prepayment obligation on realization of proceeds from certain asset sale and capital infusion.
- Restructuring of existing and fresh fund based and non fund based financial facilities, subject to renewal and reassessment every year.
- Interest accrued but not paid on certain financial facilities till March 2014 is converted into Funded Interest Term Loan (FITL).
- Waiver of existing events of defaults, penal interest and charges etc. in accordance with MRA.
- Right of Recompense to CDR Lenders for the relief and sacrifice extended, subject to provisions of CDR Guidelines and MRA.
- Contribution of ₹100 Crore in the Company by promoters, in lieu of bank sacrifice, in the form of Promoters Contribution which can be converted to equity.

C Gactel Trunkey Project Limited - GTPL

(i) 2022-23: The Term Loan for GTPL is Secured by Hypothecation of Current Assets and Fixed Assets and negative Lien on 75% of land at Bhopal and construction thereon standing in the name of Deepmala Infrastructure Private Limited. - Fellow Subsidiary and Corporate Guarantee of Gammon India Limited, the Holding Company.

Base Rate+ 1.75% p.a. in first year and Base Rate+ 2.75% p.a. from 2nd year onwards.

Axis Bank has assigned the entire outstanding of Term Loan to CFM Asset Reconstruction Pvt. Ltd as per intimation letter no CFM-ARC/2022-22/Intimation letter/238 dated 6th Oct 2022

(ii) **Interest on Term Loans -**

Base Rate+ 1.75% p.a. in first year and Base Rate+ 2.75% p.a. from 2nd year onwards

Interest accrued includes ₹ 107.69 crore on account of NPA Interest accrued in the books as on March 31, 2023

One of the Subsidiary Gactel Turnkey Projects Ltd (GTPL)had availed credit facilities from Axis Bank in the year 2013 for which the Company had given Corporate Guarantee and Shortfall Undertaking for any shortfall by Gactel in meeting its obligations. The current assets of the Subsidiary was Collateral Security. Collateral Security was given by another Subsidiary Deepmala (Deepmala Infrastructure Private Limited) as a Negative Lien of its land at Bhopal and Negative Lien its entire cash flow from the Bhopal Project. Axis Bank has assigned the entire outstanding of Term Loan to CFM Asset Reconstruction Pvt. Ltd in the year October 2021

However, the loan of GTPL became an NPA on 29.02.2017 and on 06.12.2017 Axis Bank recalled the entire outstanding borrowings of Rs 152.53 Crores from GTPL. Deepmala also became an NPA in June 2018 and Axis Bank filed in NCLT against the borrower for recovery of its dues. The Company diligently worked with the common lender over prolonged period to resolve the matter and finally an OTS offer was made by Deepmala and same is accepted by Axis bank on 02.05.2019 for payment of Rs 210 crores against its borrowings of Rs 425 crores and other interest. The same was accepted by Deepmala. This OTS left Deepmala with sufficient landed assets to cover the borrowings of Gactel, in case of Gactel's failure to pay the lender. However, Deepmala has failed to honour its commitment under the OTS and Axis Bank has withdrawn the OTS offer made earlier and demanded the entire outstanding along with interest, costs and damages from it vide letter dated 23.01.2020.

D Foreign SPV's:

In earlier year, the Bankers has issued notice to the Holding Company who has guaranteed the repayments, for immediate discharge of its USD loan amount.

In view of financial difficulties of Holding Company the said amount has not been discharged, pending the same no effects has been given in the financial statements. Therefore the entire amount has been shown current liabilities

If the aforesaid liability is discharged by the Holding Company then the entire liability of the company towards Lenders will be replaced with the liability towards Holding Company.

Bank Loan balances are as per Bank advice available with the Company and no bank confirmations are available on the record

E Investment Spv's (GIBV, GHBV, PVAN, ATSL BV, GHML)

The Loan is secured by charge over DSRA A/c of the Company. The Parent Company has also pledged its entire shareholding of the Company with the Bank and also provided Corporate Guarantee.

During the earlier year Term Loan from ICICI Bank has been rescheduled by which the same are to be repaid by 1 April 2015 by sale of Investments . In case sale does not occur or the proceeds are insufficient ,the same is repayable by the parent Company in quarterly installments from 1 April 2015.The applicable interest rate is equal to 3 months LIBOR plus 275 bps for GIBV and PVAN, and 3 months LIBOR plus 250 bps for GHBV & ATSL B.V. Interest & installment is due and paid on Quarterly basis. The interest rate will increase by 100 bps for GIBV and PVAN while 125 bps for GHBV and ATSL BV, if not repaid before 30 April 2015 with retrospective effect from 1 October 2012. Provision has been made for such additional amounts by the respective SPV's.

During the earlier year Term Loan from ICICI Bank, UK PLC has been rescheduled by which the same are to be repaid by 1 April 2015 by sale of Investments. In case sale does not occur or the proceeds are insufficient ,the same is repayable by the parent Company in quarterly installments from 1 April 2015.The applicable interest rate is equal to 3 months EUROLIBOR plus 360 bps for GIBV, Interest & installment is due and paid on Quarterly basis. The interest rate will increase by 100 bps if not repaid before 30 April 2015 with retrospective effect from 1 October 2012. Provision has been made for such additional amounts by the respective SPV's.

During earlier periods ICICI bank Canada has encashed the Bank Guarantee of the parent but has not appropriated the encashment against the loan amount. However the Company has protested the non appropriation and adjusted the same in its books against the loan amount.

21 Other Current Liabilities

Particulars	March 31, 2024	March 31, 2023
Contract Liabilities	10.05	37.40
Duty & Taxes Payable	14.22	16.26
Unamortised Deferred Rent Income	0.10	0.10
Share Application Money Pending allotment (refer note (i) below)	16.64	16.64
Other Payables	1.75	12.08
Total	**42.76**	**82.48**

(i) The Subsidiary Company Ansaldocaldaie Boilers India Private Limited (ACB) had received amounts as Share Application Money of Rs. 16.64 Cr for further allotment of shares which were to be issued on terms and conditions to be decided by the Board and in line with the extant regulation of the RBI. The Reserve Bank of India had on January 29, 2014 directed the ACBI to refund the said amounts to Ansaldo Caldaie S.P.A. The company has subsequently applied to RBI vide letter dated 28th February 2014 to convert the share application money as ECB which has also been approved by the Board of Ansaldo Caldaie S.P.A. However, on June 25, 2014, RBI had turned down the ACBI's request to convert the share application money into ECB and directed to allot the share or refund the money within one year. Since, Ansaldo S.P.A was unable to increase its holding in the Company in the absence of equivalent contribution from the Holding Company, it has irrevocably waived its right to be allotted further equity shares and has also waived its right to receive a refund of the advance share application money vide its letter dated 18th May 2015 submitted to Reserve Bank of India.

The ACB has received letter from RBI dated August 16 , 2018 directing the Company to refund the excess Share Application money received from Ansaldo Caldaie s.p.A with in 15 days of receipt of the letter falling which will constitute as continuing violation and action under FEMA, 1999 will be taken including the referring to Directorate of Enforcement.

With reference to above the Company has replied to RBI stating various reasons which includes:

- No viability of the Company to generate current and future revenue.
- No sufficient networth of the Company for repayment
- Cashflow from the current projects of the Company is limited to pending dues of completed projects and towards lenders against Principal and interest.
- Gammon India Limited the holding Company is referred to NCLT and hence is unable to extend and kind of financial support.

The management is hopeful of a favourable response to its reply granting permission not to allot shares and permit non-refund of the amount. The matter is still not concluded and the RBI has sought for further clarification which is being responded by the Company.

(ii) Disclosure as Disclosure in accordance with Ind AS - 115 "Revenue Recognition Disclosures", of the Companies (Indian Accounting Standards) Rules, 2015

(The above information of Ind AS 115 is disclosed only to the extent of information available for the respective Group Companies Financial Statement.)

(a)	Method used to determine the contract revenue :	Input Method
	Method used to determine the stage of completion of contract :	stage of completion is determined as a proportion of costs incurred upto the reporting date to the total estimated cost to complete

(b) Sale of Products comprises the following:

Particulars	2023-24	2022-23
Sale of Boilers & Accessories	14.46	14.56

(c) Disaggregation of revenue from contracts with customers :

In the following table, revenue from contracts with customers is disaggregated by primary geographical area.

Particulars	March 31, 2024	March 31, 2023
Primary geographical markets		
In India	71.74	115.05
Outside India	-	-
Total	**71.74**	**115.05**

(d) Contract Balances

The contract assets primarily relate to the Company's rights to consideration for work completed but not billed at the reporting date. The contract assets are transferred to receivables when the rights become unconditional. This usually occurs when the Company issues an invoice to the customer. The contract liabilities primarily relate to the advance consideration received from customers for construction for which revenue is recognised over time.

Amounts due from contract customers represents the gross unbilled amount expected to be collected from customers for contract work performed till date. It is measured at cost plus profit recognised till date less progress billings and recognised losses when incurred.

Amounts due to contract customers represents the excess of progress billings over the revenue recognised (cost plus attributable profits) for the contract work performed till date.

Cost includes all expenditure related directly to specific projects and an allocation of fixed and variable overheads incurred in the Company's contract activity based on normal operating capacity.

Significant changes in contract asset and contract liabilities balances during the year are as follows:

Particulars		March 31, 2024	March 31, 2023
(A)	**Due from contract customers:**		
	At the beginning of the reporting period	**49.13**	**49.13**

	Reduction on account of Deconsolidation	(9.45)	-
	At the end of the reporting period	**14.26**	**49.13**
(B)	**Due to contract customers:**		
	At the beginning of the reporting period	**204.58**	**182.31**
	Progress billings made towards contracts-in-progress	-	-
	Due to contract customers impaired during the reporting period	(49.36)	-
	Reduction on account of Deconsolidation	(141.81)	-
	Significant change due to other reasons	(1.36)	22.27
	At the end of the reporting period	**12.05**	**204.58**

d) Performance obligation

The Company undertakes Engineering, Procurement and Construction business. The ongoing contracts with customers are for construction of highways, water pipeline projects, construction of residential & commercial buildings, and others. The type of work in these contracts involve construction, engineering, designing, supply of materials, development of system, installation, project management, operations & maintenance etc.

The Company evaluates whether each contract consists of a single performance obligation or multiple performance obligations. Contracts where the Company provides a significant integration service to the customer by combining all the goods and services are concluded to have a single performance obligations. Contracts with no significant integration service, and where the customer can benefit from each unit on its own, are concluded to have multiple performance obligations. In such cases consideration is allocated to each performance obligation, based on standalone selling prices. Where the Company enters into multiple contracts with the same customer, the Company evaluates whether the contract is to be combined or not by evaluating factors such as commercial objective of the contract, consideration negotiated with the customer and whether the individual contracts have single performance obligations or not.

The Company recognises contract revenue over time as the performance creates or enhances an asset controlled by the customer. For such arrangements revenue is recognised using cost based input methods. Revenue is recognised with respect to the stage of completion, which is assessed with reference to the proportion of contract costs incurred for the work performed at the balance sheet date relative to the estimated total contract costs.

Any costs incurred that do not contribute to satisfying performance obligations are excluded from the Company's input methods of revenue recognition as the amounts are not reflective of our transferring control of the system to the customer. Significant judgment is required to evaluate assumptions related to the amount of net contract revenues, including the impact of any performance incentives, liquidated damages, and other forms of variable consideration.

If estimated incremental costs on any contract, are greater than the net contract revenues, the Company recognises the entire estimated loss in the period the loss becomes known. Variations in contract work, claims, incentive payments are included in contract revenue to the extent that may have been agreed with the customer and are capable of being reliably measured.

Holding Company

The aggregate value of transaction price allocated to unsatisfied (or partially satisfied) Performance obligations to be performed in next year is amounting to ₹ 19.61 crores (PY amounting to 40.31 Crores)

Holding Company:

i) During the year 2023-24, some of the lenders have levied penal interest and charges of Rs 262.91 Crores. Cumulative amount of such penal interest and charges amounts to Rs. 678.67 Crores up to March 31, 2024. The management is disputing the same and has not accepted the debit of excess penal interest and charges in its books. They have also requested the lenders to reverse the same. In the resolution plan which is approved by two lenders, this amount is likely to be reversed and the resolution plan does not consider the Company liability to pay this.

ii) On account of the company being marked as non performing assets by the lenders no interest has been debited by majority of the lenders. The company has made provision for interest on the basis of the last sanction and last revision of terms. Therefore the loan balances and finance cost are subject to confirmation and consequent reconciliation, if any.

15 Penal Interest and excess interest charged by the lenders as at March 31, 2024 amounts to Rs. 678.67 Crores

16 The Disputed Service Tax Liability disclosed above is after considering legal advice on the probability of the liability materialising being remote.

17 Holding company is in the process of regularising various non- compliances under FEMA by compounding and other process. The liability on account of the said non -compliance is presently not ascertainable.

18 One of the Subsidiary Metropolitan Infrahousing Private Limited (MIPL) has received notice from Tahasildar the details of which are given in note no. 10(c)

19 2022-23: There are certain cases pending with RERA, Sales Tax, NCLT, High Court etc. The Subsidiary Company (DIPL) does not expect any outflow and the quantum of outflow in amount is also not ascertainable, so the Company has not made any provision nor disclose any contingent liability.

37 Segment Reporting as per IND AS108 " Operating Segments"

(a) The Group is engaged in "Construction and Engineering" and "Real Estate Development" segment.

The Group is engaged mainly in "Construction and Engineering" segment. The Group also has "Real Estate Development" as other segments. Revenue from such activities is not significant and accounts for less than 10% of the total revenue and total assets of the Company. Therefore no disclosure of separate segment reporting as required in terms of Indian Accounting Standard INDAS -108 is done in respect of this segment

(b) **Major Customers**

Holding Company (GIL):

Revenue of ₹ 35.89 Crore (PY: ₹ 91.46 Crore) arising from two (PY two) major customer each contributing more than 10% of the total revenue of the Group.

38 Material Uncertainty Relating to Going Concern

(a) Holding Company

The Company's operations have been affected in the last few years by various factors including liquidity crunch, unavailability of resources on timely basis, delays in execution of projects, delays in land acquisition, operational issues etc. The Company's overseas operations are characterized due to weak order booking, paucity of working capital and uncertain business environment. Also the Company's current liabilities exceed the current assets by Rs 11,331.73 Crore as at March 31, 2024. The facilities of the Company with the Secured lenders are presently marked as NPA since June 2017. The liquidity crunch has resulted in several winding up petitions being filed against the Company by various stakeholders for recovery of the debts which the Company has been settling as per the mutually agreed repayment terms. The liquidity crunch is affecting the Company's operation with increasing severity. The Secured lenders have recalled the various facilities, initiated recovery suits in the Debt Recovery Tribunals as well as filing a winding up petition with the National Company Law Tribunal, Mumbai bench under the Insolvency and Bankruptcy code.

The Company has been making every effort in settling the outstanding Lenders dues.

The Companies Proposal for restructuring have undergone multiple iterations with the many of the lenders approving while others not according to their approval.

The Company presently has submitted a revised proposal to the lead bankers on the strength of a prospective investor, whose restructuring proposal is under consideration by the lenders.

The Management is hopeful for a resolution in the matter for which a joint lender meeting is planned in the near future. Therefore, the management continues to believe that going concern assumption is intact albeit with uncertainty in the area of acceptance by the lenders.

The company has received various a notice from Union Bank of India (assigned to Omkara Assets Reconstruction Private Limited in the current year) and Punjab National Bank under the Securitisation and Reconstruction of Financial Assets and Enforcement of Security Interest Act 2002, taking over the possession of the Gammon House property including the land appurtenant to it. The company has been restrained from parting with the rights over the said property. The total demand raised by this notice is Rs. 1,136.71 Cr.

The management is hopeful of obtaining approval of all the lenders to the above plan and execute documents accordingly and maintain its going concern status and to that effect is continuously engaged with the lenders for a solution.

Therefore, in the view of the management the going concern assumption of GIL is intact and these financials are prepared on a going concern basis. The above action plan of the Company for repaying the debts and servicing the same including the necessary value of the balance stake being available and realisation of the claim amounts filed by the Company, monetisation of the stake sale of investments and also the acceptance of the resolution proposal by the lenders is exposed to material uncertainties which may affect the going concern assumption.

(b) Other Group Companies

(i) Ansaldo Caldaie Boilers India Pvt Ltd

The Company is facing financial difficulties and material uncertanities relating to Operations and cashflows which is significantly impairing its ability to continue as a going concern. More specifically the company is facing the following issues:

1. The company has incurred substantial cash losses in its operations and its networth is eroded.
2. The Current liabilities of the Company is more than the Current Assets by Rs 77.68 Crores .
3. The RBI has directed the Company to refund the excess share application money received.
4. The investment in Ansaldo GB-Engineering Pvt Ltd is facing impairment issues on account of defaults to their bankers resulting in possession of properties of ACGB by lenders for auction.

The Management is hopeful of tiding over these problems with amicable resolution with lenders and RBI. During the year, the Company had negotiated with various customers for getting manufacturing and spares contracts and succeeded in getting few. The Company is also taking up the overseas opportunities with its associate companies which can give the new order to substantiate future operations of the Company.

Also, the Management is constantly persuing new opportunities in the power and oil sector and has got work/ purchase orders for Rs.15.53 Crores in hand as on March 31, 2024 and therefore is of the view that there are material uncertainties relating to going concern but is hopeful of reviving the Company.

(ii) ATSL Holding BV

As at March 31, 2024 Current liabilities exceed current assets by Euro 2.56 Crores (Rs.231.33 Crores), and the networth of the Company is fully eroded , this situation along with the financial stress the parent Company is presently facing indicates significant uncertainty which may have a significant effect on the going concern assumption of the Company and the carrying values of the assets and liabilities in these Special Purpose Financial Statements. The company is taking various steps to meet its commitments, both, short term and long term in nature. The parents' resolution plan including the dues related to overseas SPVs is pending approval of the lenders. However the going concern assumption is dependent on, the ability of the Company to meet its commitment which depends on the approval of the parent company restructuring plan which are pending approval.

(iii) Gammon Holding BV

As on 31st March, 2024, current liabilities exceed current assets by Euro 8.03 Crores (Rs. 724.02 Crores) and the networth of the Company is fully eroded , this situation along with the financial stress the parent Company is presently facing indicates significant uncertainty which may have a significant effect on the going concern assumption of the Company and the carrying values of the assets and liabilities in these Special Purpose Financial Statements.

The company is taking various steps to meet its commitments, both, short term and long term in nature. The parents' resolution plan including the dues related to overseas SPVs is pending approval of the lenders. However the going concern assumption is dependent on, the ability of the Company to meet its commitment depends upon the disposal of the Investment made in M/s Franco Tosi Meccanica S.p.A and which presently is impaired, fructification and approval of the parent company restructuring plan which are pending approval.

(iv) Gammon International BV

As on 31st March, 2024, current liabilities exceed current assets by Euro 8.84 Crores (Rs. 797.55 Crores). The Company is taking various steps to meet its commitments, both, short term and long term in nature. However the ability of the Company to meet its commitment depends upon the disposal of the Investment made in Sofinter S.p.A. This situation along with the financial stress the parent Company is presently facing indicates significant uncetainty which may have an effect on the going concern assumption and the carrying values of the assets and liabilities in these financial statements.

(v) PvanEerd Beheersmaatschappij B.V

As on 31st March, 2024, current liabilities exceed current assets by Euro 2.19 Crores (Rs. 197.59 Crores).and the networth of the Company is fully eroded , this situation along with the financial stress the parent Company is presently facing indicates significant uncertainty which may have a significant effect on the going concern assumption of the Company and the carrying values of the assets and liabilities in these Special Purpose Financial Statements.

The company is taking various steps to meet its commitments, both, short term and long term in nature. The parents' resolution plan including the dues related to overseas SPVs is pending approval of the lenders. However the going concern assumption is dependent on, the ability of the Company to meet its commitment depends upon the disposal of the Investment made in Sadelmi SPA and which presently is impaired, fructification and approval of the parent company restructuring plan which are pending approval.

(vi) Gammon Holdings Mauritius Limited

As on 31st March, 2024, current liabilities exceed current assets by USD 5.00 Crores (Rs. 417.12 Crores). This Condition indicates the existence of a material uncertainty which may cast significant doubt about the Company's ability to continue as a going concern. The financial Statements have been prepared on a going concern basis, the validity of which depends upon continued availability of debt facilities and funds being made available by the Shareholder.

39 Following material Joint Ventures are not consolidated or consolidated based on unaudited financial statement in these consolidated financial statements.

i. M/s Campo Puma Oriente S.A, Panama, a Joint Venture of the Company whose financials statement post December 31, 2019 are not available for consolidation, and the last audited financial statements was available till December 31, 2012, and the management accounts was available till December 31, 2019.

ii. M/s Gammon OJSC Mosmetrostroy, a Joint Venture of the group. whose unaudited financial statement for past three years has been incorporated in these consolidated financial statements however the same are not audited for the last three years (Mar 2021 to Mar 2023). For the current financial year the audited or unaudited financial statements were not available and hence not consolidated.

40 During the quarter ended June 30, 2023, the Group has entered into Shareholders Agreement (SHA) between subsidiaries of the Company i.e., Gammon International BV (GIBV), Gammon Holdings (Mauritius) Ltd (GHML) and the new investor, where the investor has committed to subscribe and pay the share capital of Sofinter for a total amount of Euro 12 Million.

With the proposed infusion, the new investor will acquire 90% stake in Sofinter at an aggregate value of Euro 12 million. Post infusion of money, the subsidiary companies, GIBV and GHML will hold a balance 10% stake in Sofinter. Gammon India Ltd (GIL) is the corporate guarantor for due performance of the subsidiaries i.e., of Gammon Holdings (Mauritius) Limited and Gammon International BV. The execution of the SHA is underway along with fulfilment of Condition Precedent. The SHA also provides for a waterfall mechanism agreed between the Parties, with a maximum exit for the Gammon Group equal to Euro 34 million at an exit at Euro 135 million

Thus, the stake of Gammon Group in Investment in Sofinter will reduce to 10% as against total 67.5% through Gammon International BV @ 32.5% and Gammon Holdings (Mauritius) Limited@ 35%.

Considering the value at which the new investor proposes to acquire the 90% stake in Sofinter, the carrying value of the stake of Gammon group which is carried at fair value through Other Comprehensive Income (FVTOCI), has been fair valued at the proportionate fair value for their 10% stake in Sofinter.

Therefore, the Company on a prudence basis without considering the effect of waterfall mechanism, has given effect of to the excess exposure in the carrying value of investment in Sofinter (which as carried at FVTOCI) for an amount of Rs 114.01 crores during the quarter ended June 30, 2023 which is debited to Other Comprehensive Income. The group had already provided for an amount of Rs 698.00 crores in the quarter and the year ended March 31, 2023 under Other Comprehensive Income.

41 Tripartite Agreement between Gammon India Limited, Financial Investor and the Subsidiary Company (DIPL) in terms of OTS with Lender

In the year 2022-23,

In order to give effect to the OTS with the Lender, DIPL entered into a tripartite agreement with the Financial Investor financing the OTS proposal of the Lender wherein following terms have been agreed:

1. Financial Investor shall fund the OTS through subscription of secured Non-Convertible Debenture (NCD)
2. Financial Investor shall also subscribe to Optionally Convertible Debentures for an initial amount of INR 10 Crores to augment working capital requirements of DIPL. Pursuant to the subscription of OCDs, the Financial Investor shall have right to appoint majority of the directors on Board of DIPL.
3. GRL shall transfer its shareholding in DIPL to Financial Investor at the face value.
4. Financial Investor shall be responsible to finance and complete the project as the Major Developer subject to permission from M.P. Housing Board as may be necessary in this regard.
5. GIL shall transfer its shareholding in DIPL immediately after release of the pledge upon compliance of certain conditions which includes release of Corporate Guarantee of Gammon India.

42 Disclosure of transactions with Related Parties, as required by Indian Accounting Standard (Ind AS) - 24 "Related Party Disclosures" has been set out in a separate Statement A.

43 Disclosure related to interest in other entities as required by IND AS 112

(ii) Fair Value Hierarchy

This section explains the judgments and estimates made in determining the fair values of the financial instruments that are (a) recognised and measured at fair value and (b) measured at amortised cost and for which fair values are disclosed in the financial statements. To provide an indication about the reliability of the inputs used in determining fair value, the group has classified its financial instruments into the three levels prescribed under the accounting standard. An explanation of each level follows underneath the table.

The following methods and assumptions were used to estimate the fair values:

Fair value of cash and short-term deposits, trade and other short-term receivables, trade payables, other current liabilities, short term loans from banks and other financial institutions approximate their carrying amounts largely due to the short-term maturities of these instruments.

Financial instruments with fixed and floating interest rates are evaluated by the Company based on parameters such as interest rates and individual credit worthiness of the counterparty. Based on this evaluation, allowances are taken to account for the expected losses of these receivables.

The Company uses the following hierarchy for determining and disclosing the fair value of the financial instruments by valuation technique:

Level 1: quoted (unadjusted) prices in active markets for identical assets or liabilities

Level 2: other techniques for which all inputs which have significant effect on recorded fair value are observable, either directly or indirectly

Level 3: techniques which use inputs that have a significant effect on recorded fair value that are not based on observable market data

The fair values of the financial assets and liabilities are included at the amount at which the instrument could be exchanged in a current transaction between willing parties, other than in a forced or liquidation sale.

Particulars	Date of Valuation	Fair Value measurement using			
		Quoted prices in active markets (Level 1)	Significant observable inputs (Level 2)	Significant unobservable inputs (Level 3)	Valuation Technique
Financial assets measured at fair value					
Investment in Current Investments - FVTPL					
Shares	March 31, 2024	0.04	-	-	Market Value of Shares
Equity Investments - FVTOCI					
Equity Shares	March 31, 2024	-	-	7.31	Based on Valuation considered by lenders for pledge invocation
Equity Shares	March 31, 2024	-	-	12.05	Carried at value as per agreement dated June 2023
Total financial assets		**0.04**	**-**	**19.36**	
Financial assets measured at fair value					
Investment in Current Investments -FVTPL					
Shares	March 31, 2023	0.04	-	-	Market Value of Shares
Equity Investments - FVTOCI					
Equity Shares	March 31, 2023	-	-	7.31	Based on Valuation considered by lenders for pledge invocation
Equity Shares	March 31, 2023	-	-	126.38	
Total financial assets		**0.04**	**-**	**133.69**	

In case of Investment in FTM which is carried at FVTOCI:

In the absence of data of FTM, the same cannot be fair valued and therefore the same is carried at its carrying value as per books although the said investment is being accounted on FVTOCI. Carrying value ₹ Nil as investment has been fully provided.

46 Financial Risk Management Objectives And Policies

The Company's activities expose it to a variety of financial risks: market risk, credit risk and liquidity risk. The Company's focus is to foresee the unpredictability of financial markets and seek to minimize potential adverse effects on its financial performance. The Company's financial risk management is an integral part of how to plan and execute its business strategies. The Company's financial risk management policy is set by the Managing Board.

(a) Market Risk :

Market risk is the risk of loss of future earnings, fair values or future cash flows that may result from a change in the price of a financial instrument. The value of a financial instrument may change as a result of changes in the interest rates, foreign currency exchange rates, equity prices and other market changes that affect market risk sensitive instruments. Market risk is attributable to all market risk sensitive financial instruments including investments and deposits, foreign currency receivables, payables and loans and borrowings.

The Company manages market risk through a treasury department, which evaluates and exercises independent control over the entire process of market risk management. The treasury department recommends risk management objectives and policies, which are approved by Senior Management and the Audit Committee. The activities of this department include management of cash resources, implementing hedging strategies for foreign currency exposures, borrowing strategies, and ensuring compliance with market risk limits and policies.

Unhedge Foreign currency

Particulars	Currency	March 31, 2024		March 31, 2023	
		Amount (FC in Crores)	Amount (Rs in Crores)	Amount (FC in Crores)	Amount (Rs in Crores)
Receivables					
	USD - US Dollar	34.79	2,900.60	34.79	2,860.34
	EUR - Euro	7.02	633.30	7.02	628.94
	AED - UAE Dirham	0.01	0.26	0.01	0.26
	ETB - Ethiopian Birr	4.18	6.09	4.18	6.35
Payables					
	USD - US Dollar	10.42	869.08	10.42	857.09
	EUR - Euro	2.47	223.28	2.48	221.21
	AED - UAE Dirham	-	-	-	-
	ETB - Ethiopian Birr	0.49	0.71	0.49	0.74

Receivable :- As at March 31, 2024 is ₹ 3,540.25 Crore and March 31, 2023 is ₹ 3495.89 Crore.

Payable : As at March 31, 2024 is ₹ 1,093.07 Crore and March 31, 2023 is ₹ 1079.04 Crore

The above information of Unhedge Foreign currency is disclosed only to the extent of information available for the respective Group Companies Financial Statement.

(b) Foreign currency sensitivity

Sensitivity analysis is computed based on the changes in the income and expenses in foreign currency upon conversion into functional currency, due to exchange rate fluctuations between the previous reporting period and the current reporting period.

1 % increase or decrease in foreign exchange rates will have the following impact on profit before tax.

	March 31, 2024		March 31, 2023	
Increase/(decrease) in profit or loss	**1 % Increase**	**1 % decrease**	**1 % Increase**	**1 % decrease**
USD - US Dollar	(28.91)	8.69	(20.04)	20.04
EUR - Euro	(6.33)	2.23	(4.07)	4.07
AED - UAE Dirham	(0.00)	-	(0.00)	0.00
ETB - Ethiopian Birr	(0.06)	0.01	(0.06)	0.06

The Company's exposure in foreign currency is not material and hence the impact of any significant fluctuation in the exchange rates is not expected to have a material impact on the operating profits of the Company.

Derivative financial instruments

The Company holds derivative financial instruments such as foreign currency forward contracts to mitigate the risk of changes in exchange rates on foreign currency exposures. The counterparty for these contracts is generally a bank or a financial institution. These derivative financial instruments are valued based on quoted prices for similar assets and liabilities in inactive markets or inputs that are directly or indirectly observable in the market place.

(c) Credit risk

Credit risk arises from the possibility that counter party may not be able to settle their obligations as agreed. The maximum exposure to the credit risk at the reporting date is primarily from trade receivables amounting to ₹ 541.22 Crore and ₹ 400.94 crore as of March 31, 2024 and March 31, 2023 respectively, unbilled revenue amounting to ₹ 48.97 crore and ₹ 773.93 crore as of March 31, 2024 and March 31, 2023, respectively. To manage this, the Company monitors whether the collections are made within the contractually established deadlines. In addition to this, the Company periodically assesses the financial reliability of customers, taking into account the financial condition, current economic trends, and analysis of historical bad debts and ageing of accounts receivable. Individual risk limits are set accordingly.

The Company considers the probability of default upon initial recognition of asset and whether there has been a significant increase in credit risk on an ongoing basis throughout each reporting period. To assess whether there is a significant increase in credit risk the company compares the risk of a default occurring on the asset as at the reporting date with the risk of default as at the date of initial recognition. It considers reasonable and supportive forwarding-looking information such as :

(i) Actual or expected significant adverse changes in business,

(ii) Actual or expected significant changes in the operating results of the counterparty,

(iii) Financial or economic conditions that are expected to cause a significant change to the counterparty's ability to meet its obligations,

(iv) Significant increases in credit risk on other financial instruments of the same counterparty,

(v) Significant changes in the value of the collateral supporting the obligation or in the quality of third-party guarantees or credit enhancements.

Financial assets are written off when there is no reasonable expectation of recovery, such as a debtor failing to engage in a repayment plan with the Company. The Company categorises a loan or receivable for write off when a debtor fails to make contractual payments greater than 2 years past due. Where loans or receivables have been written off, the Company continues to engage in enforcement activity to attempt to recover the receivable due. Where recoveries are made, these are recognised in profit or loss.

(d) Interest rate risk

The following table demonstrates the sensitivity to a reasonably possible change in interest rates on that portion of loans and borrowings affected. With all other variables held constant, the Companies profit before tax is affected through the impact on floating rate borrowings, as follows:

Particulars	Increase/ Decrease in basis points	Effects on Profit before tax.
March 31, 2024	Plus 100 basis point	(51.77)
	Minus 100 basis points	51.77
March 31, 2023	Plus 100 basis point	(51.47)
	Minus 100 basis points	51.47

The assumed movement in basis points for the interest rate sensitivity analysis is based on the currently observable market environment, showing a significantly higher volatility than in prior years.

(e) Liquidity risk

Liquidity risk is defined as the risk that the Company will not be able to settle or meet its obligations on time or at a reasonable price. The Company's treasury department is responsible for liquidity, funding as well as settlement management. In addition, processes and policies related to such risks are overseen by senior management. Management monitors the Company's net liquidity position through rolling forecasts on the basis of expected cash flows.

Current Assets of the Company

Particulars	March 31, 2024	March 31, 2023
Cash and Cash Equivalent	0.41	2.30
Bank Balance	4.58	4.26
Current Investments in mutual Funds and Shares	0.04	0.04
Inventory	55.56	502.99
Current Trade Receivable	32.64	31.05
Current Loans & Advances	9.90	8.37
Current Other Financial Assets	8.71	34.26
Other current assets	34.02	85.68
Total	**145.87**	**668.95**

Maturity profile of financial liabilities

The table below provides details regarding the remaining contractual maturities of financial liabilities at the reporting date based on contractual undiscounted payments.

Particulars	Within One year	> One year	Total
As at March 31, 2024			
Long term Borrowing	-	-	-
Short term borrowings	100.16	-	100.16
Trade payables	80.30	6.92	87.22
Other financial liabilities	10,934.04	-	10,934.04
Total	**11,114.50**	**6.92**	**11,121.42**
As at March 31, 2023			
Long term Borrowing	-	103.00	103.00
Short term borrowings	153.35	-	153.35
Trade payables	152.00	22.85	174.85
Other financial liabilities	9,936.91	-	9,936.91
Total	**10,242.25**	**125.85**	**10,368.10**

(f) Competition Risk:

The Group is operating in a highly competitive environment with various Companies wanting a pie in the project whether in a cash contract or a BOT Contract. This invariably results in bidding for projects at low margins to maintain a steady flow of the projects to enable the group to retain the projects team and to maintain sustainable operations for the Company and the SPVs. The ability of the Company to build the infrastructure at a competitive price and the ability to start the tolling operations is very important factor in mitigating the competition risk for the group.

(g) Input cost risk

Raw materials, such as bitumen, stone aggregates cement and steel, need to be supplied continuously to complete projects undertaken by the group. As mentioned in the earlier paragraph of the business risk and the competition risk the input cost is a major risk to attend to ensure that the Company is able to contain the project cost within the estimate projected to the lenders and the regulators To mitigate this the group sub-contracts the construction of the facility at a fixed price contract to various subcontractor within and without the group.

47 Capital Management

For the purpose of the Group's capital management, capital includes issued equity capital, convertible preference shares, share premium and all other equity reserves attributable to the equity holders of the Company. The primary objective of the Group's capital management is to maximise the shareholder value.

The Group manages its capital structure and makes adjustments in light of changes in economic conditions and the requirements of the financial covenants. To maintain or adjust the capital structure, the Group may adjust the dividend payment to shareholders, return capital to shareholders or issue new shares. The Group monitors capital using a gearing ratio, which is net debt divided by total capital plus net debt. The gearing ratio in the infrastructure business is generally high. The Group includes within net debt, interest bearing loans and borrowings, trade and other payables, less cash and cash equivalents, excluding discontinued operations.

Particulars	March 31, 2024	March 31, 2023
Gross Debt	5,177.33	5,249.53
Less:		
Cash and Cash Equivalent	0.41	2.30
Bank Balance	4.58	4.26
Marketable Securities -Liquid Mutual Funds and Equity Shares	0.04	0.04
Net debt (A)	5,172.30	5,242.93
Total Equity (B)	(10,281.38)	(8,167.84)
Gearing ratio (A/B)	**-**	**-**

48 The information about transaction with struck off Companies (defined under section 248 of the Companies Act, 2013 or section 560 of Companies Act, 1956) has been determined to the extent such parties have been identified on the basis of the information available with the Company and the same is relied upon by the auditors.

49 The Company has complied with the number of layers prescribed under clause (87) of section 2 of the Act read with Companies (Restriction on number of Layers) Rules, 2017.

50 Audit Trail

Holding Company

The Ministry of Corporate Affairs (MCA) by the Companies (Accounts) Amendment Rules 2021 and vide notification dated 24 March 2021 has issued the "Companies (Audit and Auditors) Amendment Rules, 2021 has prescribed a new requirement for companies under the proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 inserted requiring companies, which uses accounting software for maintaining its books of account, shall use only such accounting software which has a feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of account along with the date when such changes were made and ensuring that the audit trail cannot be disabled.

The Company uses an Tally software for the purposes of its financial accounting requirements. The feature of audit trail (edit log) was not enabled at application as well as at database level for the year 2023-24.

Patna Water Supply Distribution Network Pvt. Ltd. (PWS)

The Ministry of Corporate Affairs (MCA) by the Companies (Accounts) Amendment Rules 2021 and vide notification dated 24 March 2021 has issued the "Companies (Audit and Auditors) Amendment Rules, 2021 has prescribed a new requirement for companies under the proviso to Rule 3(1) of the Companies (Accounts) Rules, 2014 inserted requiring companies, which uses accounting software for maintaining its books of account, shall use only such accounting software which has a feature of recording audit trail of each and every transaction, creating an edit log of each change made in the books of account along with the date when such changes were made and ensuring that the audit trail cannot be disabled.

The Company uses a Tally ERP software for the purposes of its financial accounting requirements and the said software do not have feature of audit trail (edit log). Therefore, no audit trail is maintained by the Company.

51 The Balance sheet, Statement of Profit and loss, Cash flow statement, Statement of Changes in Equity, Statement of Material Accounting Policy Information and the other explanatory notes forms an integral part of the financial statements of the Company for the year ended March 31, 2024.

52 In the opinion of the Board of Directors, all assets other than fixed assets and non-current investments have a value on realization in the ordinary course of business at least equal to the amount at which they are stated in the Balance Sheet.
