REPORT ON CORPORATE GOVERNANCE

In the fast changing business scenario, good Corporate Governance helps in achieving long term Corporate Goals of enhancing Stakeholders' value. Corporate Governance focuses on commitment to values and adhering to ethical business practices. This includes corporate structures, culture, policies and the manner in which the corporate entity deals with various stakeholders, with transparency being the key word. Accordingly, timely, adequate and accurate disclosure of information on the performance and ownership forms the cornerstone of Corporate Governance.

1. COMPANY'S PHILOSOPHY ON CODE OF CORPORATE GOVERNANCE

The Company as a part of Jaypee Group, is committed to attain highest standards of Corporate Governance. The Company's philosophy on Corporate Governance emanates from Group's commitment for the highest level of transparency and accountability towards its Shareholders, Customers, Employees, Financial Institutions & Banks and the Government while maintaining steady focus for creation of wealth for stakeholders on sustainable basis.

Every Corporate Strategy needs to be dynamic, vibrant, responsive to the changing economic scenario and flexible enough to absorb environmental and fiscal fluctuations. It must harness the inherent strengths of available human resources and materials and have the capacity to learn from success or failure and more importantly, ensure growth with human face. This has always been the guiding philosophy in the Company and will continue to be so in future.

2. BOARD OF DIRECTORS

The constitution of the Board aims at ensuring Directors' commitment to participate in the affairs of the Company with understanding and competence to deal with current and emerging business issues.

The Company's policy does not prescribe any pre-determined or specific tenure for Directors (except Whole-time Directors who are appointed for a fixed term) as this has the inherent advantage of not losing valuable contribution from the Directors who, over the years, have developed insight into the Company and its affairs.

The Board of Directors as on 31st March, 2013 comprised of 17 Directors, where the Chairman of the Board is Non-Executive and Non-Independent Director of the Company and more than half of the Board consisted of Independent Directors. Out of the total 17 Directors, 9 were independent Directors.

Management Discussion & Analysis Report

Forming part of the Report of Directors for the year ended 31st March, 2013.

Macro-economic Environment

2012-13 was a very challenging year for the Indian economy. The year witnessed turmoil as the GDP growth rate came down to 5.4%, the lowest in last 10 year. This was the result of various macro-economy factors, global economy being at the brink of a recession, financial turmoil in Eurozone and 13 consecutive rate hikes announced by the RBI. With demand and affordability getting impacted, the economic growth engine witnessed sign of a significant slowdown in infrastructure and realty sectors.

One of the major requirements for sustainable and inclusive economic growth is an extensive and efficient infrastructure network. The key to global competitiveness of the Indian economy lies in building a high class infrastructure. To accelerate the pace of infrastructure development and to reduce the infrastructure deficit, heavy investment is expected for infrastructure sector by the Government under the National Highways Development Programme (NHDP) and Public Private Partnership (PPP) Programme.

**Industry Structure and Developments Relating to Company's Lines of Business
Expressways**

Connectivity is a key component of development & it is the pillar on which

economy grows and development is witnessed. Roads formulate the path to the holistic development of the nation. Roads in India are the most preferred mode of transportation. Easy availability, adaptability to individual needs and cost savings are some of the factors working in favour of road transport.

India has the world's second largest road network, aggregating over 3.34 million kilometers (km) and carry about 65% of the freight and 85% of passenger traffic, according to National Highway Authority of India. Road transport also acts as a feeder service to railway, shipping and air traffic. In order to give impetus to the economic development of the country, the Government has embarked upon a massive National Highways Development Project (NHDP) in the country.

As India economy grew in the early part of this decade, challenges & opportunities across entire spectrum emerged and so was the case of large expressways with unique model of ribbon development along it, which modelled as developed tracks of New India.

Real estate

The real estate sector is a critical sector of our economy. It has a huge multiplier effect on the economy and therefore, is a big driver of economic growth. It is the second-largest employment-generating sector after agriculture. Growing at a rate of about 20% per annum, this sector has been contributing about 5-6%

to India's GDP. Not only does it generate a high level of direct employment, but it also stimulate the demand in over to 50 ancillary industries such as cement, steel, paint, brick, building materials, consumer durables and so on.

The shortage of affordable housing space continue to be one of the biggest challenges towards ensuring equitable and inclusive economic growth. The right mix of government policies and easing of norms for land acquisition are the prerequisites to address the same. The other key challenges that the real estate industry is facing are rising manpower and material cost, shortage of labour, etc. In the year 2013-14, Indian Real estate sector will stay attractive due to strong economic fundamentals and demographic factors.

The Company continues to focus on the development of Integrated Townships and Cities alongside the Expressway to synergize the benefits of this unique revenue model.

Review of Operations

The Yamuna Expressway achieved COD on 7th August, 2012 and commenced its commercial operation during the year. Though the Concession Agreement envisaged the completion of the Expressway by April, 2013, but the project could achieve commercial operations by July, 2012, itself. The aggregate number of PCU's since 7th August, 2012 till 31st March, 2013 had been 22,53,807 with Toll Revenue of ₹ 58.77 Crores.

Your Company has also been provided the right to develop 25 million square meters of land for commercial, amusement, industrial, institutional & residential purposes etc. across five different locations along the Yamuna Expressway – one in Noida, two locations in District Gautam Budh Nagar (part of NCR) and one location in each of District Aligarh & District Agra, Uttar Pradesh. The Company has commenced development of its land parcels at Noida, Mirzapur, Distt. Gautam Budh Nagar and Agra and has sold approx. 527 lacs sq. feet of area as of 31st March, 2013 including 81 lacs sq. feet during the F.Y. 2012-13.

The Highlights of Financial Performance of the Company for the year 2012-13, are already given in the Directors' Report.

Outlook

Yamuna Expressway, the rapid transit corridor between Delhi and Agra has significantly reduced the travel time from Greater Noida to Agra bringing lot of benefits to the people in terms of good connectivity and faster transit besides providing a leg up to tourism. The expressway can be extended to 8 lanes in future and would provide direct access to the forthcoming Yamuna Economic Zone and the Aviation Hub. With India rearing to be a major economic power, the India's infrastructure sector coupled with urban development is expected to demonstrate robust growth in near future. The future outlook of the Company is bright.

Opportunities

We believe Yamuna expressway along with existing NH-2 and NH-91 will form convenient network of roads which in turn shall open up all around development in the upcoming clusters of urban conglomerates in NCR with an easy accessibility towards Mathura, Aligarh and Agra.

Besides, it is expected that enhancing the residential, commercial, recreational and other institutional development along the Yamuna expressway will effectively leverage the said opportunity to grow in the near future.

Threats

The Company's business is significantly dependent on the general economic condition, activity in this region and government policy relating to infrastructure development projects. The real estate development industry is highly fragmented. Moreover, the Company is operating in a highly competitive environment where demand and supply in the urbanized sector may influence the external business environment in which the Company operates.

It is apparent from the historical facts that all the infrastructure road projects have inherent threats from the farmers and inhabitants of the areas/villages through which the road/expressway passes. The upcoming movement and progress of the roads is affected by the farmers protest in regard to the land acquisition, compensation for land acquired and the toll charges etc. Moreover, with the growth of population and traffic, certain new problems creep up and become threat to the operation of said project. The Company is always seized of such threats and has

worked out various probable solutions to the same for timely control.

Risks and Concerns

The Company's ability to foresee and manage business risks is crucial in achieving favorable results. While management is positive about Company's long term outlook, the initial traffic on the expressway and the annual traffic growth shall need to be monitored closely with due focus on project management and delivery of its projects being undertaken on "Land for Development".

Given the huge gap between infrastructure demand and supply in a rapidly growing economy like India, all businesses relating to urban infrastructure, power, roads & water, education, health, recreation etc. would witness significant growth over a sustained period.

Segment- wise/Product-wise Performance

The Company has only one segment i.e. Yamuna Expressway Project, an integrated project which inter alia includes construction, operation and maintenance of Yamuna Expressway and right for land development of 25 million square meter along the Expressway.

Financial Performance with respect to Operational Performance

The financial performance of the Company with respect to operational performance is satisfactory ensuring the Company's commitments of servicing its debts and enhancing the value for Shareholders.

Internal control system and its adequacy

The Company has a proper and adequate system of internal controls to ensure that all assets are safeguarded and protected against loss from unauthorised use or disposition, and that the transactions are authorised, recorded and reported correctly.

Internal controls are supplemented by an extensive programme of internal audits, review by management and documented policies, guidelines and procedures. These controls are designed to ensure that financial and other records are reliable for preparing financial information and other reports, and for maintaining regular accountability of the Company's assets.

Material Developments in Human Resources/Industrial Relations

The timely availability of skilled and technical personnel is one of the key challenges. The Company maintains healthy and motivating work environment through various measures. This has helped the Company to retain and recruit skilled work force resulting into the timely completion of the projects.

As at 31st March, 2013, the Company had a total workforce of approx. 315 persons, including managers, staff and regular workers.

Corporate Social Responsibility

It is the philosophy of Company that the benefits of growth and prosperity should be continuously shared with the people among whom the Company lives. It believes that there must exist harmony between man and his environment for purpose of making a happier life. The Iconic Yamuna Expressway with 70 under passes, 76 Cart Track crossings and 183 Culverts has opened lot of opportunities for surrounding population thus accelerating the economic growth in the area. Keeping harmony with the nature, the Company has planted so far over four lac trees/saplings all along the Yamuna Expressway. Besides, the Company has taken initiative to provide education, healthcare and improvement in the sanitary and hygienic conditions of the surrounding population by itself and through 'not-for-profit trust' of the group – Jaiprakash Sewa Sansthan (JSS).

Cautionary Statement

Certain statements in the Management Discussion & Analysis Report detailing the Company's objectives, projections, estimates, expectations or predictions may be forward looking statements within the meaning of applicable securities laws and regulations. These statements being based on certain assumptions and expectation of future event, actual results could differ materially from those expressed or implied. Important factors that could make a difference to the Company's operations include economic conditions affecting domestic demand supply conditions, finished goods prices, changes in Government Regulations and Tax regime etc. The Company assumes no responsibility to publically amend, modify or revise any forward looking statements on the basis of subsequent developments, information or events.

INDEPENDENT AUDITOR'S REPORT

To the Members of

JAYPEE INFRA TECH LIMITED

Report on the Financial Statements

We have audited the accompanying financial statements of **JAYPEE INFRA TECH LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2013, the Statement of Profit and Loss, and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956 ("the Act"). This responsibility includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Company's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India:

- in the case of the Balance Sheet, of the state of affairs of the Company as at March 31, 2013;
- in the case of the Statement of Profit and Loss, of the profit for the year ended on that date; and
- in the case of the Cash Flow Statement, of the cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

- As required by the Companies (Auditor's Report) Order, 2003 ("the Order") issued by the Central Government of India in terms of sub-section (4A) of section 227 of the Act, we give in the Annexure a statement on the matters specified in paragraphs 4 and 5 of the Order.
- As required by section 227(3) of the Act, we report that:

- we have obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- in our opinion proper books of account as required by law have been kept by the Company so far as appears from our examination of those books
- the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- in our opinion, the Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement comply with the Accounting Standards referred to in sub-section (3C) of section 211 of the Companies Act, 1956;
- on the basis of written representations received from the directors as on March 31, 2013, and taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2013, from being appointed as a director in terms of clause (g) of sub-section (1) of section 274 of the Companies Act, 1956.
- Since the Central Government has not issued any notification as to the rate at which the cess is to be paid under section 441A of the Companies Act, 1956 nor has it issued any Rules under the said section, prescribing the manner in which such cess is to be paid, no cess is due and payable by the Company.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED ON MARCH 31, 2013

NOTE No. 1

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

1.1 Basis of accounting

The financial statements are prepared under historical cost convention, on accrual basis, on the principles of going concern, in accordance with the generally accepted accounting principles, the relevant accounting standards and the relevant guidance notes issued by the Institute of Chartered Accountants of India (ICAI) and the applicable provisions of the Companies Act, 1956.

1.2 Revenue Recognition

The terms of the Concession Agreement with Yamuna Expressway Industrial Development Authority (YEA) provides for development, operation and maintenance of the six – lane access controlled expressway along with service road and associated structures etc.between Noida and Agra and development of 25 million Sq.ft. real estate at five locations along the expressway. The revenues are derived from Toll Fees of expressway and real estate sales including transfer of constructed properties & transfer of developed and undeveloped land allotted under the said Concession Agreement. These revenues are recognized as under:

The Revenue from Expressway is recognized based on Toll fee collected.

Revenue from real estate development of constructed properties is recognized on the "percentage of completion method". Total sale consideration as per the legally enforceable agreements to sell entered into is recognized as revenue based on the percentage of actual project costs incurred to total estimated project cost, subject to such actual cost incurred being 30 percent or more of the total estimated project cost. Project cost includes cost of land, estimated cost of construction and development of such properties. The estimates of the saleable area and costs are reviewed periodically and effect of any change in such estimates is recognized in the period such change is determined. Where aggregate of the payment received from customers provide insufficient evidence of their commitment to make the complete payment, revenue is recognized only to the extent of payment received.

Revenue from sale/sub-lease of undeveloped land is recognized when full consideration is received against agreement to sell/ sub-lease; all significant risks and rewards are transferred to the customer and possession is handed over.

Revenue from sale/sub-lease of developed land/plot is recognized based on the "percentage of completion method" when a firm agreement has been entered into and 30 percent or more of the consideration is received and where no significant uncertainty exists regarding the amount of the consideration that will be derived from such sales and it is not unreasonable to expect ultimate collection, and all significant risks and rewards are transferred to the customer.

The revenue in respect of projects undertaken on and after April 1, 2012 or where the revenue is being recognized for the first time after April 1, 2012 ,has been recognized in accordance with the Guidance Note on Accounting for Real Estate Transactions (Revised 2012) issued by ICAI.

The estimates of the saleable area and costs are reviewed periodically and effect of any change in such estimates is

recognized in the period such change is determined. Where aggregate of the payment received from customers provide insufficient evidence of their commitment to make the complete payment, revenue is recognized only to the extent of payment received.

1.3 Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires estimates and assumptions to be made that affect the reported amounts of assets and liabilities on the date of the financial statements and reported amount of revenues and expenses during the reporting period. Differences between actual results and estimates are recognized in the period in which the results are known/ materialise.

1.4 Fixed Assets

Fixed Assets are stated at cost of acquisition or construction inclusive of freight, erection & commissioning charges, duties and taxes and other incidental expenses related thereto.

1.5 Capital Work in Progress

The Yamuna Expressway commenced operations on 7th August 2012. Capital work-in-progress represents ongoing capital expenditure incurred in respect of the Yamuna Expressway Project and is carried at cost. Cost includes land, related acquisition expenses, construction costs, borrowing costs capitalized and other direct expenditure.

1.6 Depreciation/Amortization

- i) Depreciation on Intangible Assets (Toll Road) is provided in the manner prescribed in Serial-V of Schedule XIV to the Companies Act, 1956.
- ii) Depreciation on Assets other than in (i) above is provided on Straight Line Method as per the classification and in the manner specified in Schedule XIV to the Companies Act, 1956.

1.7 Employee Benefits

Employee Benefits are provided in the books as per AS-15 (revised) in the following manner:

- (i) Provident Fund and Pension contribution—as a percentage of salary/wages, is a Defined Contribution Scheme.
- (ii) Gratuity and Leave Encashment is a defined benefit obligation. The liability is provided for on the basis of actuarial valuation made at the end of each financial year. The actuarial valuation is made on Projected Unit Credit method.

1.8 Inventories

Inventories are valued as under:

- i) Stores & Spares : At Weighted Average Cost.
- ii) Project under Development : As under

The stock of land and plot is valued at cost (average cost) or as revalued on conversion to stock-in-trade, as applicable. Cost shall include acquisition cost of land, internal development cost and external development charges, construction cost, material costs, cost of services etc.

1.9 Foreign Currency Transactions:

- i) Monetary assets and liabilities related to foreign currency transactions and outstanding at the close of the year are expressed in Indian Rupees at the rate of exchange prevailing on the date of Balance Sheet.
- ii) Transactions in foreign currency are recorded in the books of accounts in Indian Rupees at the rate of exchange prevailing on the date of transaction.

1.10 Lease Rentals:

- Operating Leases: Rentals are expensed with reference to lease terms.
- Finance Leases: The lower of the fair value of the assets or present value of the minimum lease rentals is capitalised as fixed assets with corresponding amount shown as lease liability. The principal component in the lease rental is adjusted against the lease liability and the interest component is charged to Statement of Profit & Loss.

1.11 Investments:

Investments are stated at cost. All investments are long term unless otherwise stated.

1.12 Miscellaneous Expenditure

Preliminary Expenses are written off in the year in which it is incurred, in terms of Accounting Standard (AS – 26).

1.13 Expenditure during Construction Period

Expenditure incurred on the project during construction is capitalized to project asset(s) on commissioning.

1.14 Earnings Per Share

Basic Earnings Per Equity Share is computed by dividing the net profit or loss after tax by the weighted average number of Equity Shares outstanding during the year. Diluted earnings per equity share is computed by dividing adjusted net profit after tax by the aggregate of weighted average number of equity shares and dilutive potential equity shares outstanding during the year.

1.15 Borrowing Costs

Borrowing costs that are attributable to the acquisition or construction of qualifying assets are capitalized as part of

the cost of such assets. A qualifying asset is one that takes substantial period of time to get ready for intended use or sale. All other borrowing costs are charged to revenue.

1.16 Taxes on Income

The company is enjoying a tax holiday for 10 (Ten) years effective F.Y.2008-09 u/s 80 IA (4) of the Income Tax Act, 1961. Provision for current tax is being made after taking into consideration benefits admissible to the company under the various provisions of the Income Tax Act, 1961.

Deferred Tax Assets and Deferred Tax Liability are computed by applying tax rates and tax laws that have been enacted or substantively enacted by the Balance Sheet Date.

1.17 Impairment of Assets

Management periodically assesses using external and internal sources whether there is an indication that assets may be impaired. Impairment occurs where the carrying value exceeds the present value of future cash flows expected to arise from the continuing use of the assets and its eventual disposal. The impairment loss to be expensed is determined as the excess of the carrying amount over the higher of the asset's net sale prices or present value as determined above.

1.18 Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a present obligation as a result of past events and it is probable that there will be an outflow of resources. Contingent Liabilities are not recognized but are disclosed in the notes. Contingent assets are neither recognized nor disclosed in the financial statements.

NOTE NO.38

The Yamuna Expressway Project is an integrated project which inter alia includes construction, operation and maintenance of Yamuna Expressway and right for land development of 25 million sq.mtrs. along the expressway. Keeping this in view, segment information is not provided since the company has only one segment.

NOTE No. 39

- (a) Provision for current taxation of ₹ 173,70,00,000/- (Previous year ₹ 319,61,00,000/-) towards Minimum Alternative Tax (MAT) as tax payable under section 115JB of Income Tax Act, 1961 has been made. The MAT paid by the company for the year is allowed to be carried forward for a period upto next ten years to be adjusted against the normal tax payable, if any, in those years.
- (b) Provision for deferred Tax has not been made as deferred tax liability arising due to the timing differences during the tax holiday period is less than the deferred tax assets as per estimation done by the company. However the provision for deferred tax assets has not been created as a matter of prudence.

NOTE No. 40

- a) All the figures have been rounded off to the nearest rupee.
- b) Previous year figures have been reworked/regrouped/rearranged wherever necessary to conform to those of current year.
