EXPLANATORY STATEMENT UNDER SECTION 102(1) OF THE COMPANIES ACT, 2013

ITEM NOS. 5 to 7:

The Board of Directors of the Company, at their meeting held on November 14-16, 2014 appointed Mrs. Rita Bhagwati and Mr. Farrokh Kavarana as Additional Directors and Independent Directors of the Company.

The Board of Directors of the Company, at their meeting held on February 05, 2015 appointed Dr. Shankar Acharya as an Additional Director and Independent Director of the Company.

By virtue of the provisions of Section 161 of the Companies Act, 2013 (the Act), read with Article 95 of the Articles of Association of the Company, they will hold office upto the date of the Annual General Meeting.

As per Section 149 of the Act, an Independent Director shall hold office for a term up to five consecutive years and shall not be liable to retire by rotation. In view of the same, it is proposed to appoint Mrs. Rita Bhagwati, Mr. Farrokh Kavarana and Dr. Shankar Acharya as Independent Directors of the Company to hold office for a term of five years.

All the aforesaid Independent Directors are not disqualified from being appointed as Director in terms of Section 164 of the Act and have given their consent to act as Directors.

The Company has also received declarations from them that they meet with the criteria of independence as prescribed both under sub-section (6) of Section 149 of the Act and under Clause 49 of the Listing Agreement.

The Company has received notices in writing from members along with the deposit of requisite amount under Section 160 of the Act proposing the candidatures of aforesaid Independent Directors for the office of Independent Directors of the Company.

In the opinion of the Board, all the aforesaid Independent Directors are independent of the management and fulfill the conditions for appointment as Independent Directors as specified in the Act and the Listing Agreement.

Brief resume of all the aforesaid Independent Directors, nature of their expertise in specific functional areas and other details as stipulated under Clause 49 of the Listing Agreement with the Stock Exchanges, are annexed to the Notice. The same may be treated as justification for their appointment as Independent Directors.

The Board considers that their continued association would be of immense benefit to the Company and it is desirable to continue to avail their services as Independent Directors. Accordingly, the Board of Directors commend the Resolutions set out at Item No. 5 to 7 of the accompanying Notice for the approval of the members.

Copy of the draft letter for appointment of aforesaid Independent Directors, setting out the terms and conditions, is available for inspection by members at the Registered Office of the Company.

Your Directors commend the Resolutions at Item Nos. 5 to 7 of the Notice for your approval.

All the aforesaid Independent Directors are interested, financially or otherwise, in the Resolutions as set out at Item No. 5 to 7 of the Notice with regard to their respective appointments. Their relatives may also be deemed to be interested in the Resolutions set out at Item Nos. 5 to 7 of the Notice, to the extent of their shareholding interest, if any, in the Company.

Save and except the above, none of the other Directors or Key Managerial Personnel of the Company or their relatives are, in any way, financially or otherwise, concerned or interested in the aforesaid resolutions.

ITEM NO. 8:

The Resolution at Item Nos. 8 of the Notice seek approval of the members in respect of the re-appointment of Mr. Bharat K. Sheth, Deputy Chairman & Managing Director, who was appointed at the Annual General Meeting of the Company held on July 29, 2010 on the terms as contained in the Resolution passed at the said Annual General Meeting.

The Nomination and Remuneration Committee of the Company noted that the existing term of appointment of Mr. Bharat K. Sheth, Deputy Chairman & Managing Director expires on March 31, 2015. None of the other Directors or Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested, financially or otherwise, in the aforesaid Resolutions.

ITEM NO. 11:

At the Annual General Meeting of the Company held on July 29, 2010, members of the Company had approved the payment of remuneration to the Non-Wholetime Directors of the Company, i.e. the Directors other than the Managing Director(s) and Whole time Directors of the Company, by way of commission upto one percent of the net profits of the Company. This approval was granted for a period of 5 years from the financial year 2010-2011, while the Board was authorised to fix the actual amount and the manner of payment.

The role of Non-Wholetime Directors is not only restricted to formulating strategies and providing guidance, but also monitoring of various functions like compliances, internal audit, compensation, shareholders grievances, etc. The amount of time that needs to be devoted by the Non-Wholetime Directors has increased manifold over the period of years.

In view of the same, it is proposed to continue to compensate the Non-Wholetime Directors by way of commission at a rate not exceeding one percent of the net profits of the Company for every financial year commencing from the financial year 2015-2016. The Board of Directors are required to be authorised to decide the quantum of commission payable every year within the overall limits stipulated aforesaid.

The Board of Directors have over the last 3 years paid the following commission to the Non-Wholetime Directors:

Year	Net Profit of the Company* (₹ in lakhs)	Commission paid/payable (₹ in lakhs)	% of Net Profit
2012-13	10,757	43.25	0.40
2013-14	17,860	50.45	0.28
2014-15	30,143	63.10	0.21

* As per Section 198 of Companies Act, 2013.

As per the provisions of Section 197 of the Companies Act, 2013 read with Article 93 of Articles of Association of the Company, such payment requires authorisation by the members of the Company by way of an ordinary Resolution.

Your Directors commend the Resolution at Item No. 11 of the Notice for your approval.

Following Non-Wholetime Directors of the Company namely, Mr. Berjis Desai, Mr. Cyrus J. Guzder, Mr. Vineet Nayyar, Mrs. Rita Bhagwati, Mr. Farrokh K. Kavarana and Dr. Shankar Acharya are interested, financially or otherwise, in the Resolution as set out at Item No. 11 of the Notice. Their relatives may also be deemed to be interested in the Resolution set out at Item No. 11 of the Notice, to the extent of their shareholding interest, if any, in the Company.

Save and except the above, none of the other Directors or Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested, financially or otherwise, in the aforesaid Resolution.

ITEM NO. 12:

Rule 14 of the Companies (Prospectus and Allotment of Securities) Rules, 2014 prescribed, inter alia, under Section 42 of the Companies Act, 2013 deals with private placement of securities by a company. Sub-rule (2) of the said Rule 14 states that in case of an offer or invitation to subscribe for non-convertible debentures on private placement, the company shall obtain previous approval of its shareholders by means of a special resolution only once in a year for all the offers or invitations for such debentures during the year.

In order to augment long term resources for financing, inter alia, the ongoing capital expenditure and for general corporate purposes, the Company may offer or invite subscription for secured / unsecured redeemable non-convertible debentures, in one or more series / tranches on private placement, issuable / redeemable at par.

Accordingly, consent of the members is sought for passing a Special Resolution as set out at Item No. 12 of the Notice as enabling Resolution.

This Resolution enables the Board of Directors of the Company to offer or invite subscription for non-convertible debentures, as may be required by the Company, from time to time for a year from the conclusion of this Annual General Meeting.

Your Directors commend the Resolution at Item No. 12 of the Notice for your approval.

None of the Directors or Key Managerial Personnel of the Company or their relatives are, in any way, concerned or interested, financially or otherwise, in the aforesaid Resolution.

CHAIRMAN'S STATEMENT

Dear Shareholders,

I am happy to report that the year's consolidated profit of ₹ 748.24 crores was your Company's highest since the global financial crisis of 2008. Your Board of Directors, with a view to reward the shareholders, on this improved performance, increased the rate of dividend from ₹ 9/- per share to ₹ 11/- per share. After consideration of the dividend declared, the year ended with a consolidated book value of ₹ 493/- versus ₹ 449/- at the start of the year. Your Company's consolidated balance sheet continues to be robust with a net debt equity ratio of 0.38:1. During the year, your Company added USD 267 million to the block of assets. As on March 31, 2015, the Company's outstanding order book was USD 180 million.

As you all are aware, both our core businesses are at the mercy of a host of global factors over which we have no control. These global factors, include geo-politics, trade dislocations, infrastructure efficiencies etc., to name a few, and add significant volatility to our business either for good or for bad. The question that, therefore, arises is this: how best can we build a sustainable business within this environment? In my opinion, there are 4 key areas of focus. First, it is important that the spread of capital allocation, over our different sub-sectors, be optimized to the best of our capabilities. This will often help in counter-balancing any sub-optimal return that arises from time to time in various sectors. Second is to continuously provide a high level of technical and operational efficiency that helps push us ahead of the queue with our customers. Third, we must always ensure a low cost asset base that will help the Company ride through difficult markets. Fourth, the Company's overall balance sheet should always be conservatively leveraged so that we are never forced into sub-optimal decision making and are always well positioned to build the business in challenging times.

I believe that the above factors are directly in our control and I have, therefore, requested your Company's management team to be focused on these parameters.

During the year, I am happy to inform our shareholders that we have set-up a Foundation under the name 'Great Eastern CSR Foundation' which will drive our CSR initiatives. This programme of the government has brought about a greater understanding and meaning to the pursuit of corporate profit. Even today there are a large number of under privileged people who clearly deserve a better life and it will be our earnest endeavor to reach out and help as many of these people as we can. Towards this I have communicated to our employees that profit should not be looked solely upon as return on capital but as an enabler to help these large sections of our society.

Finally, I would like to thank all my colleagues, ashore and floating and all our other stakeholders, for their valuable support to me and to the Company and request them to continue providing the same going forward.

Thank you!

With warm regards,

K M Sheth
Chairman

CORPORATE SOCIAL RESPONSIBILITY

The CSR Vision

For Great Eastern Group, CSR means responsible business policies that are ethical, equitable, environmentally conscious, gender sensitive, and sensitive towards the differently abled. At Great Eastern Group, CSR goes far beyond compliance and philanthropy. With the incorporation of the Great Eastern CSR Foundation, the Group aims to contribute significantly to the local community, both through direct funding and through volunteering of our employees.

1. Objective

Great Eastern Group's primary CSR objectives are to:

- Demonstrate commitment to the common good of all stakeholders through responsible business practices and good governance.
- Actively support a development agenda to ensure sustainable and equitable change.
- Set high standards of quality in the delivery of services in the social sector by creating robust processes and replicable models.
- Engender a sense of empathy and equity among all our employees to motivate them to give back to the society.

2. CSR Committee

The Board of Directors of the Company and Greatship (India) Limited (GIL) have constituted Committees of Directors, known as the Corporate Social Responsibility (CSR) Committees. The functions of the Committees will be as follows:

- Formulate and recommend the CSR policy
- To recommend to the Board the structure for carrying out CSR activities
- To set CSR budget for each year
- To monitor the CSR activities and report on it to the Board on a regular basis.

CSR Committee of the Company comprises of:

- Mr. Vineet Nayyar (Chairman)
- Mr. Cyrus Guzder
- Mr. Bharat K Sheth

CSR Committee of Greatship (India) Ltd. comprises of:

- Mr. Shashank Singh (Chairman)
- Mr. Mathew Cyriac
- Mr. P. R. Naware

3. Great Eastern CSR Foundation

In February 2015, the Company incorporated a wholly owned subsidiary, Great Eastern CSR Foundation to implement the Group's CSR Strategy. The Board of Directors of the Foundation consist of:

- Mr. P R Naware
- Mr. G Shivkumar
- Mr. Jayesh Trivedi
- Ms. Anjali Kumar

The Foundation's project management team consists of Mr. Unnikrishnan T.S. (Project Head) and Mr. Prabhir Correa.

4. Focus Areas

The Group's CSR efforts will be focused in the areas of:

1. Promoting education and knowledge enhancement, including but not limited to:
 - a. Establishment and management of educational and knowledge enhancement infrastructure.
 - b. Provision of financial or other assistance to the needy and/or deserving students.
 - c. Providing financial assistance to any agency involved in education, knowledge enhancement and sports.
 - d. Contribution to technology incubators located within academic institutions which are approved by the Central Government.
2. Eradicating hunger, poverty and malnutrition.
3. Promoting health care and sanitation.

5. NGO Partners

Corporate Social Responsibility (CSR) has acquired new dimensions in the recent years. Today, companies such as ours are proactively taking up this good hearted investment and giving a social value to our business endeavours.

However, in the current setting of general dissociation between Corporate India and the social sector, it is difficult to reach the right people considering the demography and diverse social problems of the country. Consequently, the Group, through the efforts of the Foundation, have identified and partnered with a number of different NGOs in the education sector. These NGOs or 'Partner Organizations' help the Company reach our target beneficiaries as they have unparalleled access and understanding of ground realities.

PRATHAM

Great Eastern Foundation has partnered with Pratham to provide monetary and skill support for two of their Learning Centres and to improve the quality of education through intervention in a part of Government School.

The **Pratham Learning Centres** are places where children from the nearby slums are provided an environment and support to learn.

The school selected by Pratham for this intervention is Dr. Bhimrao Ambedkar Vidyalaya. The selection was also based on visits by Pratham and members of the Great Eastern Shipping Foundation.

ABOUT PRATHAM

Pratham is an innovative learning organization created to improve the quality of education in India. As one of the largest non-governmental organizations in the country, Pratham focuses on high-quality, low-cost, and replicable interventions to address gaps in the education system. Established in 1995 to provide education to children in the slums of Mumbai, Pratham has grown both in scope and geographical coverage.

The mission to improve the quality of education in India and ensure that all children not only attend but also thrive in school is being accomplished by working in collaboration with the government, local communities, parents, teachers, volunteers, and civil society members. Our programmes aim to supplement rather than replace governmental efforts. They are implemented on a large scale to not only reach as many children as possible, but also to create an adoptable demonstration model for state governments.

MUKTANGAN

The Foundation has also partnered with Muktangan, an education NGO.

Muktangan has partnered with BMC to run a number of municipal schools in Mumbai, one of which will be funded by the Foundation. This partnership will go beyond just funding. Muktangan encourages involvement with the students. In order to facilitate a holistic education, GE Shipping and GIL employees are encouraged to volunteer with the students of the school (through mentorship programs, career development etc) or provide their time and expertise to build the capacity of the trainee faculty through soft skills training and general awareness workshops / sessions.

ABOUT MUKTANGAN

Muktangan is a new model of education providing quality, child-centred, inclusive English-medium schooling to thousands of underprivileged children in Mumbai.

Started in response to the challenges inherent in the Indian education system, Muktangan's community-based, low-cost, inclusive, child-centred methodology has been researched over ten years in our Teacher Education Centre and 7 English-medium Municipal schools in Mumbai.

MASOOM

The Foundation has partnered with Masoom to work with two night schools (one in Santacruz and one in Andheri, suburbs of Mumbai) to provide quality resources and support to the students.

These children are extremely hardworking young adults who work long hours during the day and come to school to finish their education post work hours.

It is expected that through the combined efforts of the NGO and the Foundation, more than 300 children will benefit from the resources and expertise provided by Masoom. As with all our other projects, employees from GE Shipping and GIL are encouraged to give their valuable time and support to assist these schools through the CSR Employee Engagement Program.

**ABOUT MASOOM**

Masoom works with the night school students to work on the academics and provide better career opportunities to them.

The 'Night School Transformation Program' is specifically tailored to meet the needs of the night school and the individual students who are mainly school dropouts from poor socio-economic background, most of them working during the day and supporting their families. The project follows a three-pronged Model to achieve its aim:

- Educational infrastructure building and support
- Capacity building support
- Advocacy

3.2.1 FOUNDATION

Great Eastern CSR Foundation will partially fund the Mahatma Jyotiba Phule Mumbai Public School. Through this endeavour, the Foundation aims to provide quality, holistic education to more than 480 children.

In addition to funding the School, the Foundation will also be funding the 'Sustained Mastery Program'. This program is focused on spreading best practices amongst teachers across the country.

3.2.1 Foundation

3.2.1. Education Foundation (also referred to as "3.2.1" / "the Foundation") works on addressing the problem of educational inequity in India. The NGO opened their first school (The Mahatma Jyotiba Phule Mumbai Public School) in June 2012, and are currently serving over 350 students across kindergarten, grade 1 and grade 2.

TEACH FOR INDIA

Teach for India is probably one of India's best known not-for-profit education initiatives. In order to help the organization build a movement of leaders to eliminate educational inequity, Great Eastern CSR Foundation will be funding 46 fellows from Pune and Delhi.

The funds will go towards the recruitment, selection, training and placement of Fellows in under-resourced classrooms as full-time teachers for a period of two years.

ABOUT TEACH FOR INDIA

Teach for India, a project of Teach To Lead, is a nationwide movement of outstanding college graduates and young professionals who will commit two years to teach full-time in under resourced schools and who will become lifelong leaders working from within various sectors towards the pursuit of equity in education.

Today, Teach For India is in 7 cities - Mumbai, Pune, Delhi, Hyderabad, Chennai, Ahmedabad and Bengaluru. They have a total of 910 Fellows and 660 Alumni working towards eliminating educational inequity.

ASHOKA UNIVERSITY

With the inequality in education becoming increasingly apparent, GE Shipping and its subsidiaries, through the Great Eastern Foundation, is providing scholarships to 34 students from low economic backgrounds.

The Foundation understands the importance of women empowerment, especially as the country is striving to shrug off its 'third-world' status. The foundation also realises that the first cobblestone on the long path towards equality is encouraging the education of women. Consequently, more than half of the scholarships provided have been given to women.

ABOUT ASHOKA UNIVERSITY

Ashoka University is a philanthropic initiative founded by eminent scholars and visionaries to provide a liberal education on par with the best universities around the world. The multi-disciplinary courses on critical thinking and social consciousness will instill a love of learning in our students. At Ashoka, motivated educators and bright students will learn from each other and establish a vibrant community of free-thinking individuals.

THE SOCIAL IMPACT

Significant impact would not have been expected at such a nascent stage in the Group's foray into the social sector. However, through the vision of the CSR Committee(s) and a passionate follow up by the CSR team, the Foundation has already made significant headway.

3000

underprivileged students will receive quality education

46

teachers will receive the training they need to mentor a new generation of young, educated Indians.

5

schools will receive much needed funding and assistance to run efficiently

6. Employee Engagement

Through the Foundation, the Group intends to proactively facilitate social volunteering opportunities for its employees. By nurturing a dynamic employee engagement culture in the Group, employees will be exposed to different social realities. Furthermore, by including employees as a key component in all CSR projects, the Foundation aims to move beyond basic compliance and foster a real sense of 'Corporate Social Awareness' in the organization.

DIVIDEND ON EQUITY SHARES

During the year, your Directors declared and paid an interim dividend of ₹ 4/- per share, resulting in an outflow of ₹ 67.31 crores (inclusive of tax on dividend), and recommend a final dividend of ₹ 7/- per share resulting in an outflow of ₹ 127.03 crores (inclusive of tax on dividend). The dividend will be paid after the shareholders approval at the ensuing Annual General Meeting. The aggregate outflow on account of the equity dividend for the year would be ₹ 194.34 crores (inclusive of tax on dividend). This represents a payout ratio of 61.25 % (previous year 77.56%).

MANAGEMENT DISCUSSION AND ANALYSIS

In FY 14-15, the Company recorded a total income of ₹ 2012.69 crores (previous year ₹ 1780.25 crores) and earned a PBIDT of ₹ 840.93 crores (previous year ₹ 780.84 crores).

TANKER BUSINESS

MARKET TREND AND ANALYSIS

Tanker average time charter equivalent earnings over the year (\$ per day)

Source: Baltic Exchange

For the financial year, the spot earnings of the crude carriers were robust as compared to last year. The market started on a low note for the year, however, as the year progressed time charter rates went up by about 50%. The last quarter of the year was particularly strong for all classes of crude carriers as oil prices collapsed and demand for oil went up.

As the price of crude oil went down, the refining margins expanded all over the globe. This led to higher utilization and throughputs by the refineries and as a consequence better utilization of the product tanker fleet. As a result the earnings of the product tankers were healthy in the second half as compared to the first half of the financial year.

At the end of the FY15, the world tanker fleet increased by just 1.32 % to 491.71 mn dwt as against 485.31 mn dwt at the end of FY14.

COMPANY PERFORMANCE

The tanker business accounted for around 85 % of the Company's operating revenues and 94 % of the operating profits.

In FY15, Crude tankers, inclusive of 'spot' and 'period' earned an average TCY of \$21,650 /day (previous year \$16,700/day). Product carriers, inclusive of 'spot' and 'period', earned an average TCY of \$16,050/day (previous year \$14,900/day).

TANKER FLEET CHANGES

As of March 31, 2015, the tanker fleet of your Company stood at 21 tankers aggregating 1.76 mn dwt, with an average age of 10.99 years as against 22 tankers aggregating 1.79 mn with an average age of 10.52 years as on March 31, 2014.

During the year, your Company took delivery of:

- 2004 built MR tanker, 'Jag Pranam' in Q3 FY15
- 1994 built VLGC 'Jag Vishnu' in Q2 FY15

During the year, your Company sold and delivered the following tankers:

- 1996 built MR tanker 'Jag Padma' in Q1 FY15
- 1991 built GP tanker 'Jag Prachi' in Q2 FY15
- 1990 built VLGC 'Jag Vidhi' in Q4 FY15

OUTLOOK FOR THE TANKER MARKET

Global oil supply is unpredictable, but the one that affects the tanker markets somewhat – not by creating uncertainty, but by making a difference to ton-miles depending on the source of supply. For e.g: ships carrying oil from Mexico are sailing to South Korea for the first time in more than two decades as the U.S. shale boom brings bargains from around the globe, opening up dormant trades.

Meanwhile, in the US, shale oil producers are scaling down the number of rigs drilling for oil in their response to the lower oil prices. Whether this actually brings down supply significantly or only cuts costs for the marginal barrel remains to be seen. Until now, none of the large oil producing nations has announced cuts in oil production.

Countries filling up their Strategic Petroleum Reserves (SPR) with cheap oil will further push demand for tankers. In China, the government continues to fill the second stage of its SPR. China's strategic stocks were estimated in January at more than 30 days' worth of crude imports. It plans to eventually build reserves of around 600 million barrels, or about 90 days of import cover. India is not lagging behind and hopes to fill about 40 million barrels in its SPRs by the end of the 2015.

Adding to that positive story is the Middle East export refinery expansions coming on stream in 2015. The Yanbu facility on the west coast of Saudi Arabia along the Red Sea expects to serve customers globally with 400,000 barrels per day of refined oil products. This lends further credence that oil-refinery dislocation theory is still very much alive, lifting hopes higher for oil product tanker demand going forward.

The outlook for crude tanker fleet utilization and spot tanker rates is expected to remain positive in FY16 based on continued increase in long-haul tanker demand as more crude oil moves from the Atlantic to the Pacific basins.

The global tanker orderbook stands at about 72 mn dwt or 15.5 % of the fleet at the end of March 2015 as against a 10 year average of 26% of the fleet.

DRY BULK BUSINESS**MARKET TREND AND ANALYSIS**

Dry bulk average time charter equivalent earnings over the year (\$ per day)

Source: Baltic Exchange

The financial year 2015 has witnessed a steady sequential drop in earnings for the dry bulk ships except for a brief spike in Q3 FY15 which did not last long. Although the market experienced nervousness in earnings, in Q1 FY15 itself there was hope that Q3 FY15 would be much stronger owing to strong yearly seasonal factors.

The key factors that derailed the dry bulk freight market recovery were the relief of the grain port congestion in South America during the 2nd quarter, the lack of coal demand from China, the after-effect of the stockpiling ahead of the Indonesian ban on raw ore exports, disappointing Chinese growth and the continued robust fleet expansion.

At the end of the FY15, the world dry bulk fleet increased by 3.8% to 768.63 mn dwt as against 740.46 mn dwt at the end of FY14.

COMPANY PERFORMANCE

The dry bulk fleet contributed around 15% of the Company's operating revenues but just 6% of the operating profits.

In FY15, around 30% of the bulk carrier earnings were derived from the period market.

In FY15, the average TCY for dry bulk vessels, inclusive of 'spot' and 'period', was approximately \$9,860/day as compared to \$12,100/day in the previous year.

DRY BULK FLEET CHANGES

As of March 31, 2015, the dry bulk fleet of your Company stood at 8 vessels aggregating 0.51mn dwt, with an average age of 6.35 years as compared to 8 vessels aggregating 0.62 mn dwt with an average age of 8.5 years on March 31, 2014.

During the year, your company took delivery of:

- 2006 built Supramax bulk carrier 'Jag Roopa' in Q2 FY15

During the year, your Company sold and delivered:

- 1996 built Capesize bulk carrier 'Jag Arjun' in Q4 FY15

OUTLOOK FOR THE DRY BULK MARKET

The year FY16 is likely to be characterised by continuing weak demand and continuation of new ship deliveries. This will likely result in an "oversupplied" situation, which will continue to put downward pressure on freight rates. In order to get the oversupply position into balance, we will need to see increased amounts of scrapping. The early signs on this front are encouraging with about 9 mn dwt of bulk carriers being scrapped in Q4 FY15. However, this pace of scrapping needs to continue for FY16 and FY17 in order to have a tangible impact on fleet utilisation and as a result a positive impact on earnings.

The global bulk carrier order book stands at about 158.52 mn dwt or 21.4% of the fleet at the end of March 2014 as against a 10 year average of 39.9% of the fleet.

ASSET VALUES

Crude: The second hand vessel values are higher by 15-20% on y-o-y basis. The Newbuilding prices continued to be steady throughout.

LR: The vessel values have held steady over the year on the second hand as well as Newbuilding side.

MR: Values here are softer by about 15% on y-o-y basis.

Dry Bulk: The financial year has seen a steady drop in values of dry bulk ships. Y-o-Y second hand vessels have lost about 40-50% of their value and new building prices are softer by about 10%.

RISKS AND CONCERNS

Your Company has carried out a detailed exercise to identify the various risks faced by the Company, and has put in place mitigation, control and monitoring plans for each of the risks. The risks which in the opinion of the Board may threaten the existence of the Company have also been covered. Risk owners have been identified for each risk, and these risk owners will be responsible for controlling the respective risks. The efficacy of these processes will be monitored on a regular basis by Risk Committees for the different areas, and further reviewed by the Risk Management Committee consisting of the Compliance Officer and the three Whole-time Directors.

Economic risk: Shipping is a global business whose performance is closely linked to the state of the global economy. Therefore, the earnings of your Company could be impacted negatively if the global economic situation does not improve over the longer term.

Volatility: Over and above the economic risks the shipping industry is impacted by numerous short term and regional factors, like political fallouts, weather changes etc. This results in great amount of volatility in the freight market, which in turn impacts your Company's earnings.

Your Company has attempted to hedge some of the above risk by entering into time charters for part of its fleet. Your Company also believes that one of the main elements of risk management in shipping is the cost of the asset, and will endeavour to time acquisitions and sales in such a way as to reduce risk on the portfolio.

Shipboard personnel: Indian officers continue to be in great demand all over the world. Given the unfavorable tax status conferred on a seafarer sailing on Indian-flagged vessels, it is becoming increasingly difficult for your Company to source officers capable of meeting the modern day challenges of worldwide trading. This is more relevant for tanker personnel and may become a hindrance to growth.

OPEC action: If the OPEC decides to cut output, this drop in demand combined with inventories and increased new building deliveries, could negatively impact the demand for tankers.

European financial crisis: The on-going European financial crisis can further depress the already subdued demand in the Euro zone.

Chinese economy: As we have seen in the recent past, China has been the main driving factor of the shipping demand. The Chinese economy is currently experiencing headwinds in growth. If this downward shift were to prolong, this along with increased new building deliveries could have a very negative impact on shipping.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY

Your Company has instituted internal financial control systems which are adequate for the nature of its business and the size of its operations. The policies and procedures adopted by the Company ensure the orderly and efficient conduct of its business, including adherence to Company's policies, safeguarding of its assets, prevention and detection of frauds and errors, accuracy and completeness of the accounting records, and timely preparation of reliable financial information.

The systems include a range of activities such as approvals, authorizations, verifications, reconciliations, reviews of operating and financial performance, security of assets, segregation of duties, preventive and detective controls.

The systems have been well documented and communicated. They are also tested from time to time through internal as well as external audits.

The internal audit is carried out by a firm of external Chartered Accountants and covers all departments. In the beginning of the year, the scope of the internal audit exercise including the key business processes and selected risk areas to be audited are finalised in consultation with the Audit Committee. All significant audit observations and follow up actions thereon are reported to the Audit Committee.

The Audit Committee comprises of Mr. Cyrus Guzder (Chairman), Mr. Berjis Desai, Mr. Farrokh Kavarana and Mrs. Rita Bhagwati.

CONSOLIDATED FINANCIAL STATEMENTS

The Consolidated Financial Statements have been prepared by your Company in accordance with Generally Accepted Accounting Principles in India, the Accounting Standards issued by The Institute of Chartered Accountants of India and the provisions of the Companies Act, 2013 to the extent applicable. The audited Consolidated Financial Statements together with Auditors' Report thereon form part of the Annual Report.

SUBSIDIARIES

The statement containing the salient features of the financial statements of the Company's subsidiaries for the year ended March 31, 2015 has been attached along with the financial statements of the Company.

The report on performance of the subsidiaries is as follows:

Greatship (India) Limited, Mumbai

Greatship (India) Limited (GIL), wholly owned subsidiary (WOS) of your Company and one of India's largest offshore oilfield services providers, had another year of strong financial performance. GIL recorded a profit after tax of ₹ 516.94 crores on a consolidated basis for the year ended March 31, 2015 as compared to ₹ 463.78 crores for the year ended March 31, 2014. The consolidated net worth of GIL as of March, 2015 was ₹ 3958.66 crores as compared to ₹ 3472.32 crores as of March, 2014.

During the year under review, GIL has taken delivery of a 2015 built mid-size Platform Supply Vessel - 'Greatship Prachi' and its subsidiary in Singapore has taken delivery of a 350-feet jack-up drilling rig - 'Greatdrill Chaaru'. With these additions, GIL, alongwith its subsidiaries, currently owns and operates twenty-two vessels and four jack up drilling rigs. The operating fleet of twenty two vessels comprises of five Platform Supply Vessels (PSVs), nine Anchor Handling Tug cum Supply Vessels (AHTSVs), two Multipurpose Platform Supply & Support Vessels (MPSSVs) and six ROV (Remotely Operated Vehicle) Support Vessels (ROVSVs).

GIL has the following wholly owned subsidiaries:

a) Greatship Global Holdings Ltd. (GGHL), Mauritius

The principal activity of GGHL is to invest in companies owning and operating drilling rigs and offshore vessels. GGHL is the holding company of Greatship Global Energy Services Pte. Ltd. (GGES), Singapore and Greatship Global Offshore Services Pte. Ltd. (GGOS), Singapore.

i. Greatship Global Energy Services Pte. Ltd., Singapore

The principal activity of GGES is to own, operate and charter mobile offshore drilling units. With the delivery of the jack-up drilling rig - 'Greatdrill Chaaru' from Lamprell Energy Ltd., GGES currently owns four Jack-up rigs which have been bareboat chartered to GIL. The Company's profit after tax for the current financial year amounted to USD 36.27 Mn as against the profit of USD 40.06 Mn the previous year.

ii. Greatship Global Offshore Services Pte. Ltd., Singapore

The principal activity of GGOS is to own, operate and charter offshore support vessels. GGOS owns and operates four offshore support vessels which include one Anchor Handling Tug cum Supply Vessel (AHTSV), two Multipurpose Platform Supply and Support Vessels (MPSSVs) and one ROV Support Vessel (ROVSV). The Company's profit after tax for the current financial year amounted to USD 18.75 Mn as against the profit of USD 10.32 Mn the previous year.

During the year under review, GGOS incorporated the below mentioned wholly owned subsidiary in Labuan, Malaysia on June 25, 2014.

GGOS Labuan Ltd. (GGOLL), Malaysia

GGOLL has been incorporated with a primary aim to establish closer ties, and provide offshore services, to the Malaysian market. However, it did not carry any operations during the year under review.

b) Greatship (UK) Limited (GUK), United Kingdom

The principal activity of GUK is to operate offshore support vessels. During the year under review, GUK continued to operate the two ROV Support Vessels (ROVSVs) inchartered from GIL. The Company's profit after tax for the current financial year amounted to USD 1.2 Mn as against the loss of USD 0.25 Mn in the previous year.

The Greatship (Singapore) Pte. Ltd., Singapore

The Greatship (Singapore) Pte. Ltd. is a wholly owned subsidiary of your Company. The Greatship (Singapore) Pte. Ltd. does shipping agency business for the ships owned by your Company. During the year ended March 31, 2015 there were 81 ship calls at Singapore. The company's profit after tax for the current financial year amounted to S\$ 0.15 Mn as against the profit of S\$ 0.09 Mn in the previous year.

The Great Eastern Shipping Co. London Ltd., U.K.

The Great Eastern Shipping Co. London Ltd. is a wholly owned subsidiary of your Company. It did not carry any operations during year ended March 31, 2015. The company's loss for the current financial year amounted to USD 0.04 Mn as against the loss of USD 0.03 Mn in the previous year.

The Great Eastern Chartering LLC (FZC), U.A.E.

The Great Eastern Chartering LLC (FZC), is a wholly owned subsidiary of your Company.

Chartering of ships is the main activity of this Company. Due to depressed freight markets during FY2014-15 the Company made a loss of USD 2.24 Mn. Currently, the Company has one in-chartered Suezmax tanker on 3 years charter with option to extend the charter by up to 2 additional years. The Company also has one Product Tanker on charter which is scheduled to be re-delivered to the Owners in early May 2015.

The Great Eastern Chartering (Singapore) Pte. Ltd., Singapore

The Great Eastern Chartering (Singapore) Pte. Ltd. is a wholly owned subsidiary of The Great Eastern Chartering LLC (FZC), U.A.E. The company's loss for the current financial year on account of operating expenses and futures trade amounted to USD 1.21 Mn as against the loss of USD 0.13 Mn in the previous year.

Great Eastern CSR Foundation, India

Great Eastern CSR Foundation was incorporated on February 26, 2015 as a wholly owned subsidiary of your Company under Section 8 of the Companies Act, 2013. All the CSR activities of your Company and its subsidiaries are handled by Great Eastern CSR Foundation. The first financial year of the company will close on March 31, 2016.

Details of CSR activities carried out by Great Eastern CSR Foundation are set out in the annual report on CSR activities which forms part of this Board's Report.

DEBT EQUITY RATIO

As on March 31, 2015, the Company's gross debt : equity ratio was 0.62:1 and net (of cash) debt : equity ratio was 0.04:1.

QUALITY, SAFETY, TRAINING, HEALTH & ENVIRONMENT

The focus has been on upgrading and maintaining the status of the Company's assets in best possible condition. Enhanced inspection and constant follow-up with other departments in the office to ensure that the issues pointed out during the inspections are closed out timely.

Training

The Company has placed high priority for training of their personnel both while they are on the vessels and while they are on leave. Continuous training inculcates a safety culture for the seafarers which is very essential in their profession.

The Company has also started providing soft skill training to senior staff who have higher levels of responsibility on the vessels and those being readied to take up higher responsibility to improve their interpersonal skills and communication with shipmates and subordinates for effective leadership.

The Company's Learning Management System (LMS), the platform of which has been provided by Tata Interactive Systems Ltd., has been launched. This system helps ship's staff enhance their knowledge both in mandatory and non-mandatory courses and in turn improve their level of safety and operating competency. This system enables the sea-farer to access various training modules on the LMS either on board the ship or while on leave. Competence assessment for all officers before their promotion is also being conducted through the LMS.

The Company has also introduced "Promotion Logs" for officers who are aspiring for promotion to higher ranks. The officer is required to complete all the stipulated training modules satisfactorily under the supervision of a senior officer before he/she is considered eligible for promotion to higher ranks.

The Company has also reintroduced "On Board Training" for all officers and crew of the vessel where an external specialist trainer boards the vessel and provides training to the officers and crew while the vessel is out at sea on a voyage, with special emphasis on safety.

Energy efficiency of the ships

The Company continues to follow initiatives to enhance energy efficiency of the ships. This effort would reduce the fuel burnt to carry a specific cargo for a specific distance which in turn reduces exhaust gas emission by the ship into the environment. A special department has been created in the office which closely monitors each vessel's performance and suggests methods for corrective actions when performance is seen dropping. This includes timely cleaning of ship's hull and propeller, use of high efficiency coating on the underwater portion of the ship and fitting other energy saving devices on the vessel.

IT INITIATIVES

As a primary goal of focusing on Business Solutions, IT has continuously been developing and implementing new technology solutions, enabling the business to work more efficiently and effectively.

Some highlights of the major initiatives completed in this financial year are:

- **Connectivity between ship and shore over net**

The Company has completed direct connectivity (between ship and shore by using desk phone) of 26 ships out of 29 ships, which is a very creditable coverage.

The Company has also successfully experimented with connectivity from shore to ship (over net from mobile phone) which will again reduce the communication cost further. Because of low bandwidth at ship, the Company is not able to implement the same immediately. The Company will roll out the same technology as soon as the adequate bandwidth is available in near future.

- **Cloud Initiatives**

The Company has planned to introduce cloud solutions in phased manner. As a first step, the cloud set up has been introduced for data back up and parallel experiment is going on for moving our in-house development set up to cloud.

HUMAN RESOURCES

The Company firmly believes that engaged and competent employees are critical to fulfill its business objectives and hence all the HR initiatives were aimed at creating alignment and stimulation so that employees can fulfill their potential and deliver value for the enterprise.

Learning and development continued to be a focus area. The Company held leadership development programs for senior ranks for both shore and sailing staff. Learning Planet-an e learning platform became operational during the third quarter. The platform will aid in the learning and development of floating and shore staff through e-learning methodology. The initiative will enable virtual learning and resolve logistical difficulties in providing training.

A 360 degree feedback process aimed at developing middle and senior leadership through enhanced self awareness was launched during the year.

An employee town hall was held in January 2015 which enabled close interaction of the top management with all team members. Mr. Bharat K Sheth briefed the team about the current and emerging industry scenario and his expectations from the team to achieve higher standards. The address was followed by Q&A session.

To understand the employee pulse, the Company carried out an employee engagement study. The engagement level stood at healthy 65%.

Utilizing external consulting support, the Company completed a project to map different business processes and link them and create job descriptions for 40 unique roles in various functions. This project has helped the Company to improve performance management, recruitment and training processes by defining KPIs and competency requirements for the unique jobs.

Annual performance and compensation review was concluded in the month of June 2014.

A task force was set up to analyze issues regarding acquisition and retention of sea farers as shortage of good quality talent continued to be a challenge. The Company has commenced implementing the recommended action plans.

For the year under review, there were no cases filed pursuant to the Sexual Harassment of Women at Workplace (Prevention, Prohibition and Redressal) Act, 2013.

Total number of shore employees: 198, Attrition stood at 5%

Total number of floating staff employed on permanent basis: 395

GREAT EASTERN INSTITUTE OF MARITIME STUDIES (GEIMS)

During the 9th year of operations of GEIMS, following further training facilities were added to enhance the quality of training being imparted:

- A modern ship's switchboard cum simulator containing High Voltage (6.6 KV) as well as Low Voltage (440 V) panels with simulated generators with associated distribution system, circuit breakers, alarms & controls was commissioned in February 2015. This will enable Engineer & Electrical cadets to understand as well as operate switchgear with real time parameters on current vessels, some of which are fitted with high voltage generation systems and modern electrical systems.
- The Techsim 5000 Engine Room Simulator facility was augmented to facilitate 10 cadet stations to enable a batch of 20 cadets to be trained at a time on ship's engine operation and systems.

- An 'on-line' examination system has been introduced for Engineer cadets with a view to monitor the progress of students on a regular and comprehensive basis.
- Enhancement of Internet Bandwidth from 4 mbps to 10 mbps was done.
- New Dell Sonic Wall NSA 2600 firewall for internet security was installed.
- Audio system in the Auditorium upgraded.
- Generation of online time table for classes and obtaining cadet feedback online with data retrieval activated.
- Commencement of digital library to facilitate cadets learning off hours.

During the year, 2 batches of TNOCs with a total of 120 cadets, 4 batches of GMEs with a total of 159 cadets and 2 batches of ETOs with a total of 79 cadets were trained. GEIMS has been functioning at full capacity and now GEIMS is having 10 batches with 400 students having trained 120 TNOC / 160 GME / 120 ETO. The total number of cadets trained so far is 2,512.

- (f) the directors had devised proper systems to ensure compliance with the provisions of all applicable laws and that such systems were adequate and operating effectively.

CORPORATE GOVERNANCE

Your Company has complied with all the mandatory provisions of Clause 49 of the Listing Agreement, relating to Corporate Governance. A separate section on Corporate Governance forms part of the Board's Report and the certificate from practicing Company Secretary confirming the compliance of conditions on Corporate Governance is included in the Annual Report.

VIGIL MECHANISM

The Company has established a vigil mechanism (Whistle Blower Policy) for directors and employees to report genuine concerns. The Whistle Blower Policy provides for adequate safeguards against victimisation of persons who use such mechanism and make provision for direct access to the Chairperson of the Audit Committee in appropriate or exceptional cases.

A copy of the Whistle Blower Policy is available on the website of the Company : www.greatship.com

RELATED PARTY TRANSACTIONS

The Company has formulated policy on dealing with Related Party Transactions, a copy of which is available on the website of the Company: www.greatship.com/investors.

The particulars of contracts or arrangements with related parties in Form AOC 2 is annexed herewith as "Annexure F".

All the related party transactions have been entered into by the Company in the ordinary course of business and on arm's length basis. However, following transaction, though entered into in the ordinary course of business, may not strictly be treated on arm's length basis:

Taking a vessel on charter from a wholly owned subsidiary of the Company

The Company has taken on charter a suezmax vessel 'MV Erviken' from The Great Eastern Chartering LLC (FZC), a wholly owned subsidiary of the Company (GE Sharjah), with effect from April 3, 2015 for a period of 9 months (with option to extend upto 730 days). The Company runs a fleet of 4 suezmaxes similar to the said vessel and therefore, the Company is of the view that if the vessel runs as part of its fleet, it may fetch better returns as compared to GE Sharjah, running a single vessel. The Company has taken the vessel on charter at the same rate and on the same terms on which GE Sharjah has taken the vessel on charter from its owners.

EXTRACT OF ANNUAL RETURN

The extract of the Annual Return in Form MGT 9 is enclosed herewith as "Annexure G".

PARTICULARS OF LOANS, GUARANTEES OR INVESTMENTS

Particulars of Loans, Guarantees and Investments covered under the provisions of Section 186 of the Companies Act, 2013 are given in the notes to the financial statements.

SIGNIFICANT AND MATERIAL ORDERS PASSED BY THE REGULATORS OR COURTS

There are no significant and material orders passed by the regulators or courts or tribunals impacting the going concern status and Company's operations in future.

ENERGY CONSERVATION, TECHNOLOGY ABSORPTION**Conservation of energy and Technology absorption**

In order to contribute to and prepare for a low carbon future, your Company has been undertaking various initiatives with regard to enhancing energy efficiency in its business operations.

Energy Saving Devices

During the financial year under consideration, following Energy Saving Devices were retrofitted for reducing fuel consumption of main propulsion system:

- a) The existing propeller of Jag Lavanya was replaced with a high efficiency Kappel Tip Fin Propeller during the vessel's dry docking making it the first large commercial vessel in the world to be retrofitted with such a propeller supplied by MAN Diesel & Turbo.
- b) Jag Lyall was retrofitted with Mewis Duct, a device which improves the flow of water on to the propeller and thus its efficiency.

Total cost incurred on above two equipments was USD 1,188,500.

For a typical Bulk Carrier or Oil Tanker loss of energy through hull resistance is around 30% and this increases with growth of hull roughness due to bio-fouling. To minimize growth of bio-fouling, Company has applied superior anti-fouling coatings on Jag Lyall, Jag Amisha and Jag Aparna during their respective dry dockings during the financial year.

The additional cost incurred for application of the superior anti-fouling coating was USD 185,000.

During the financial year saving of USD 1.11 million was achieved in fuel cost from energy saving retrofits and use of superior anti-fouling hull coatings alone. This fuel saving also resulted in reduction of CO₂ emission by 7008 MT.

Sensor Based Performance Monitoring System

Your Company has installed sensor based Performance Monitoring System on 4 ships, Jag Lok, Jag Lalit, Jag Aditi and Jag Aarati, as a pilot project with a view to reduce fuel consumption and consequently green house gas emissions.

A Performance Monitoring System is an IT based system installed on board ship continuously gathering information through sensors of all relevant parameters i.e. fuel consumption rate, main engine power output, wind speed, dynamic trim etc. Thus it provides on board continuous overall ship status information through on-line processing of a complete set of relevant parameters. Availability of a prompt and continuous display of actual ship status allows shipboard staff to be constantly aware of real time vessel fuel efficiency performance and thus enable them to instantly evaluate the impact of any action they might take for improvement (such as trim variation, course deviation, engine speed etc.). The same data is transmitted to shore office through satellite communication for analysis with a view to enhance fuel efficiency.

The Performance Monitoring System hardware and software have been procured from Iceland based MARORKA ehf., a pioneer and market leader in this area of technology.

The total cost incurred is USD 412,500.

Establishment of Vessel Performance Management Cell

Considering the growing importance of conservation of energy and its impact on sustainable development your Company has established Vessel Performance Management Cell with following objectives:

- Monitoring of Fuel Efficiency Performance of vessels;
- Establishing and monitoring related Operational KPIs;
- Identification and review of suitable Energy Saving Technologies for fleet vessels;
- Enhancing Fuel Efficiency of Vessels through retrofitment of Energy Saving Devices / Operational Measures;
- Training / Awareness building on Energy Efficiency of Personnel ashore and onboard vessels.

Since then, among others, VPM Cell in co-ordination with IT Department has developed computer as well as mobile devices based tools for monitoring fuel efficiency performance of vessels with beneficial results.

Reduction of Green House Gas Emission from Ships

Carbon footprint of ships is measured in terms of Energy Efficiency Operational Indicator (EEOI) as per Guideline of International Maritime Organization MEPC.1/Circ.684. Your Company has in-house developed software for capturing the relevant data from individual ships and displaying the same in various report formats in a dashboard for analysis.

It shows CO₂ emission per tonne-mile of cargo moved by individual ships and fleet as whole over any selected given period of time. This is used to carry out trend analysis of CO₂ emission from individual ships as well as fleet as a whole.

FOREIGN EXCHANGE EARNINGS AND OUTGO

The details of Foreign Exchange Earnings and Outgo are as follows:

(₹ in lakhs)

(a)	Foreign Exchange earned on account of freight, charter hire earnings, etc.	123,385
(b)	Foreign Exchange used including operating expenses, capital repayment, down payments for acquisition of ships (net of loan), interest payment, etc.	170,106

AUDITORS

M/s. Kalyaniwalla & Mistry, the Statutory Auditors of your Company, hold office until the conclusion of the Annual General Meeting of the Company to be held in the calendar year 2017.

Necessary resolution for ratification of their appointment has been included in the Notice convening the ensuing Annual General Meeting.

SECRETARIAL AUDIT

Pursuant to the provisions of Section 204 of the Companies Act, 2013, the Company appointed M/s. Mehta & Mehta, Company Secretaries to undertake the Secretarial Audit of the Company for the financial year ended March 31, 2015.

The Secretarial Audit Report is annexed herewith as "Annexure H".

APPRECIATION

Your Directors express their sincere thanks to all customers, charterers, vendors, investors, shareholders, shipping agents, bankers, insurance companies, protection and indemnity clubs, consultants and advisors for their continued support throughout the year. Your Directors also sincerely acknowledge the significant contributions made by all the employees for their dedicated services to the Company. Your Directors look forward to their continued support.

For and on behalf of the Board of Directors

ANNEXURE 'A' TO BOARD'S REPORT

CORPORATE SOCIAL RESPONSIBILITY POLICY

1. Preamble

The Great Eastern Shipping Company Limited (Great Eastern) has always been conscious of its role as a good corporate citizen, and has hitherto striven to fulfill this role by running its business with utmost care for the environment and all the stakeholders. This includes honesty and integrity in all its dealings with customers, vendors, employees and most importantly the government. This commitment is a critical cornerstone on which the Company was built and upon which it continues to grow.

It is Great Eastern's intention to increase the scope of its Corporate Social Responsibility (CSR) activities to cover other ways to give back to society.

Great Eastern's CSR policy has been developed in consonance with Section 135, Companies Act 2013 on CSR and accordance with CSR rules notified by the Ministry of Corporate Affairs, Government of India. It shall apply to all CSR Projects/Programmes undertaken by the Company as per liberal interpretations of activities listed in Schedule VII of the Act, within the geographical limits of India alone, towards the benefit of marginalized, disadvantaged, poor and deprived sections of the community and the environment.

2. Vision Statement and Objective

For Great Eastern, CSR means responsible business policies that are ethical, equitable, environmentally conscious, gender sensitive, and sensitive towards the differently abled. This policy, which has been formulated in alignment with the vision of the company, lays down guidelines and mechanisms to be adopted by the Company in order to carry out CSR Projects/Programs.

The objectives of this policy are to –

Demonstrate commitment to the common good through responsible business practices and good governance.

Actively support the state's development agenda to ensure sustainable and equitable change.

Set high standards of quality in the delivery of services in the social sector by creating robust processes and replicable models.

Engender a sense of empathy and equity among employees of GES to motivate them to give back to the society.

The structure for identification of these causes, and the modalities of the investment in these causes, are spelled out in detail in the following sections.

3. CSR Amount

In every financial year starting 2014-15, Great Eastern will spend at least 2% of the average profits over the past three financial years on Corporate Social Responsibility (CSR) causes. The CSR spend/investment for each year will be approved by the CSR Committee and the Board will be kept informed.

In the event that the amount indicated above is not spent in its entirety in that year, the reasons thereof will be outlined in the Board's CSR report, as per Section 134 (3) (o).

In the event where the Company makes any surplus or profit from pursuing its CSR projects/programmes, these will not form part of the business profit (but will instead, be carried forward to the following year/s as part of either the CSR corpus or as a supplement to the budget).

4. Focus Area

ANNEXURE 'C' TO BOARD'S REPORT

**POLICY FOR APPOINTMENT OF DIRECTORS
AND BOARD DIVERSITY**

This policy has been recommended by the Nomination and Remuneration Committee of the Company (Committee) at its meeting held on February 05, 2015 and is applicable with effect from the said date.

Purpose

The primary objective of the Policy is to provide a framework and set standards for the appointment of high quality directors who should have the capacity and ability to lead the Company towards achieving sustainable development. The Company aims to achieve a balance of experience and skills amongst its directors.

Qualifications

The Company believes that its Board membership should comprise directors with an appropriate mix of skills, experience and personal attributes that allow the directors individually, and the Board collectively, to:

- discharge their responsibilities and duties under the law effectively and efficiently;

- understand the business of the Company and the environment in which the Company operates so as to be able to agree with management the objectives, goals and strategic direction which will maximise shareholder value; and

- assess the performance of management in meeting those objectives and goals.

The candidate for the position of Director in the Company should be a degree holder in any discipline relevant to the business of the Company for e.g., shipping, management, legal, finance, strategic planning, etc. Alternatively, the candidate should be regarded as an industry veteran or specialist in the relevant discipline.

The candidate should have considerable experience as an entrepreneur or of working at a board or senior management level in an organisation / firm of repute or government agency in India or abroad.

He should have demonstrated ability to work effectively with board of directors of a company.

Attributes

The candidate should possess excellent leadership skills. His interpersonal, communication and representational skills should be par excellence. He should have extensive team building and management skills. His personality should be influential.

He should possess high standards of ethics, personal integrity and probity.

Independence

In addition to the aforesaid criteria, the candidate for the position of Independent Director should fulfil the criteria as laid down in Section 149 of the Companies Act, 2013 and Clause 49 of the Listing Agreement with Stock Exchanges as may be amended or substituted from time to time.

Diversity

The Company considers that its diversity is a vital asset to the business. Building a diverse and inclusive culture is integral to the success of the Company. An inclusive culture helps the Company to respond to its diverse global customer base.

Ethnicity, age and gender diversity, without compromising on meritocracy, are areas of strategic focus for the composition of the Board. Achieving a balance of experience and skills amongst its Directors is also essential for leading the Company towards sustainable development.

The Committee shall give due regard for maintaining Board diversity while identifying and nominating candidates for appointment to the Board.

Appointment Process

Matching the needs of the Company and enhancing the competencies of the Board are the basis for the Committee to select a candidate for appointment to the Board. In case required, the Committee may also take help from external consultants to identify potential directors.

Recommendations of the Committee shall be placed before the Board of Directors for its consideration.

When recommending a candidate for appointment, the Committee shall assess:

- a) The appointee against criteria described as aforesaid.
- b) The skills and experience that the appointee brings with him/her and how they will add value to the Board as a whole.
- c) The extent to which the appointee is likely to contribute to the overall effectiveness of the Board.
- d) The Appointee s ability to exercise independent judgement.
- e) The time commitment required from the appointee to actively discharge his duties to the Company.
- f) Statutory provisions regarding Board composition.
- g) Cultural fit with the existing Board members and empathy to the Company s culture.

After considering the recommendations of the Committee, the decision on the appointment of the Directors shall be taken by the Board of Directors.

The appointment so made shall be subject to the approval of the shareholders.

After the Director is appointed, a formal letter of appointment shall be issued to him / her by the Company.

ANNEXURE 'D' TO BOARD'S REPORT

**REMUNERATION POLICY FOR THE DIRECTORS,
KEY MANAGERIAL PERSONNEL AND OTHER EMPLOYEES**

This policy has been recommended by the Nomination and Remuneration Committee of the Company at its meeting held on February 05, 2015 and adopted by the Board of Directors of the Company at its meeting held on February 05, 2015 pursuant to Section 178 of the Companies Act, 2013 and is applicable with effect from the said date.

The policy is divided into separate sections for executive directors, non-executive directors and employees.

The remuneration of the executive directors is recommended by the Nomination and Remuneration Committee (the Committee) and approved by the Board of Directors (the Board) and shareholders of the Company within the overall limits as may be prescribed under applicable laws.

The remuneration of the non-executive directors is approved by the Board of Directors (the Board) and shareholders of the Company within the overall limits as may be prescribed under applicable laws.

This Policy is a forward-looking document. It is hereby clarified that existing obligations of the Company under existing contracts, pension scheme, etc. which are outstanding at the time this Policy is approved shall continue to be honoured by the Company. It is the Company's policy to honour in full any pre-existing obligations that have been entered into prior to the effective date of this Policy.

Whereas, while formulating this Policy, the Company is committed to full and transparent disclosures, certain parameters such as business targets etc. have not been disclosed as the same is not in the interests of the Company.

I. EXECUTIVE DIRECTORS**Key principles**

Attracting and retaining top talent is a key objective of the Company's approach to remuneration. The Company's policy remains largely unchanged from that which it has applied for a number of years and its continuity has been a stabilizing force during the periods of turbulence. The core elements of salary, commission, benefits and pension continue to provide an effective, relatively simple, performance-based system that fits well with the nature of Company's business and strategy.

The remuneration policy for the executive directors has been consistently guided by following key principles, which represent the underlying approach of the Board and the Committee:

- a) The remuneration structure of executive directors is designed to reflect the nature of shipping business in which the Company operates. The shipping industry has long term business cycles, is capital intensive, highly regulated and has significant safety and environmental risks requiring specific entrepreneurial skills and experience, which the Company must attract and retain.
- b) A substantial proportion of executive directors' remuneration is linked to success in implementing the Company's strategy and varies with performance of the Company.
- c) There is quantitative and qualitative assessment of each executive director's performance.
- d) Total overall remuneration takes account of both the external market and company conditions to achieve a balanced and fair outcome.
- e) Ensuring that executive directors are remunerated in a way that reflects the company's long-term strategy. Consistent with this, a high proportion of executive directors' total remuneration has been, and will always be, strongly linked to the company's performance.

Flexibility, judgement and discretion

This Policy recognises that the Board and Committee shall undertake quantitative and qualitative assessments of performance in reaching its decisions. This involves the use of judgement and discretion within a framework that is approved by shareholders. The Board and Committee also need to be sufficiently flexible to take account of future changes in the industry environment and in directors remuneration practices generally.

The ability to exercise discretion, upwards or downwards, is important to ensure that a particular outcome is fair in light of the director's own performance and the Company's overall performance.

Key considerations

A wide range of factors shall be considered when determining the remuneration for executive directors. The competitive market for top executives both within the shipping sector and broader industrial corporations provides an important context. The Company believes that it has a duty to shareholders to ensure that the Company is competitive so as to attract and retain the high calibre executives required to lead the Company.

Decisions regarding remuneration for executive directors is the responsibility of the Committee. Executive directors are not consulted directly by the Committee when making policy decisions. Although the Committee may consider feedback from various sources which provide views on a wide range of points including pay.

Elements of remuneration

Executive directors' remuneration shall be divided into following elements:

Consolidated Salary:

Consolidated Salary provides base-level fixed remuneration to reflect the scale and dynamics of the business, and to be competitive with the external market.

Consolidated Salary shall include basic salary and Company's contribution to Provident Fund, Superannuation Fund and all other allowances payable from time to time.

While determining Consolidated Salary, salary levels and total remuneration paid by companies of similar size and stature engaged in shipping, offshore and other industries globally shall be considered by the Committee.

Scale of Consolidated Salary shall be fixed for a period of 5 years and shall be reviewed every five years thereafter or such other period as may be decided from time to time.

Actual Consolidated Salary payable every year shall be reviewed annually within the broader scale as aforesaid.

Company's contribution to Provident Fund, Superannuation Fund allowances, etc. shall be as per rules of the Company and determined as per the applicable laws, if any, from time to time.

Benefits

There are certain benefits, such as car-related benefits, insurance and medical benefits, home loan etc. which are made available by the Company to its employees generally in accordance its rules / terms of employment. Executive directors are entitled to receive those benefits.

Perquisites will be valued as per the provisions of Income-tax Act.

The Company shall provide following benefits to Managing Director(s):

- (i) Transportation/conveyance facilities.
- (ii) Telecommunication facilities at residence.
- (iii) Leave encashment as per the rules of the Company.
- (iv) Reimbursement of medical expenses incurred for himself and his family.
- (v) Insurance cover as per the rules of the Company.
- (vi) Housing Loan as per the rules of the Company.
- (vii) Fees of Clubs, subject to a maximum of two clubs, excluding membership of business clubs.
- (viii) Leave travel allowance as per the rules of the Company.

The Company shall provide following benefits to other Whole-time Directors as per rules of the Company:

- (i) Transportation/conveyance facilities
- (ii) Telecommunication facilities at residence
- (iii) Leave encashment
- (iv) Reimbursement of medical expenses incurred for himself and his family
- (v) Insurance cover
- (vi) Housing Loan
- (vii) Membership fees of Clubs
- (viii) Gratuity
- (ix) Other benefits as may be applicable to their respective grades

Reimbursement:

Reimbursement of expenses incurred by the Managing Director(s) during business trips for travelling, boarding and lodging, including for their respective spouses.

Reimbursement of expenses incurred by other Whole-time Directors during business trips for travelling, boarding and lodging.

Commission

It provides a variable level of remuneration dependent on short-term performance of the individual as well as the Company vis a vis industry performance globally. The test of performance by the Company is whether it is able to increase its profits when the industry environment is favourable and whether it is able to minimise its losses when the environment is harsh. The Company believes that performance of each and every employee of the Company contributes to its overall performance and hence should be rewarded suitably. Hence, the Company follows the policy of making payment of profit based commission to its executive directors annually.

Commission is decided based on performance of executive directors as well as the Company. Where possible, the Company uses quantifiable, hard targets that can be factually measured and objectively assessed. The Company also reviews the underlying performance of the group in light of the annual plan, competitors' results, etc.

Commission may vary from time to time but shall be maximum four times of the Consolidated Salary. Executive directors with large operating responsibilities may be entitled to more commission as compared to others.

Pension

Pension recognises and appreciates the experience, expertise, advice, efforts and contribution provided and made by executive directors to the Company during their long years of service with the Company and/or its wholly owned subsidiaries, whether in their capacity as executive directors or otherwise.

The Company may provide pension (which includes providing perquisites) to its eligible executive directors upon their ceasing to hold office in the Company in recognition of their past services in accordance with a scheme formulated by the Board of Directors.

Review

Salary reviews consider both external competitiveness and internal consistency when determining if any increases should be applied. Salary increases will be generally in line with all employee increases within the Company and other companies based in India and abroad.

Salaries are compared against other shipping and offshore majors, but the Company also monitors market practice among companies of a similar size, geographic spread and business dynamic to the Company.

Salary increases are not directly linked to performance. However a base-line level of personal contribution is needed in order to be considered for a salary increase and exceptional sustained contribution may be grounds for accelerated salary increases.

Specific measures and targets may be determined each year by the Committee. The principal measures of increments / bonus will be based on value creation and may include financial measures such as operational efficiency, operating cash flow, operating profit, cost management, project delivery, etc.

II. NON-EXECUTIVE DIRECTORS

The principle which underpins the board's policy for the remuneration of NEDs is that the remuneration should be sufficient to attract, motivate and retain world-class non-executive talent. The remuneration practice should also be consistent with recognized best practice standards for NED remuneration.

Elements***Sitting fees***

The NEDs are paid sitting fees for attending meetings of the Board of Directors. It is presently ₹ 75,000 per meeting.

Commission

It provides a variable level of remuneration dependent on short-term performance of the Company, i.e. net profits every year.

Quantum of basic Commission is determined by the Board on a year to year basis.

Audit Committee Chairman is paid an additional Commission of ₹ 6 lakhs p.a. over and above the Commission payable to him as a Director. The other members of the Audit Committee are paid an additional Commission of ₹ 2.50 lakhs p.a. over and above the Commission payable as a Director.

Nomination and Remuneration Committee Chairman is paid an additional Commission of ₹ 3 lakhs p.a. over and above the Commission payable to him as a Director. The other members of the Nomination and Remuneration Committee are paid an additional Commission of ₹ 1 lakh p.a. over and above the Commission payable as a Director.

Stakeholders Relationship Committee Chairman is paid an additional Commission of ₹ 75,000 p.a. over and above the Commission payable to him as a Director. The other members of the Stakeholders Relationship Committee are paid an additional Commission of ₹ 25,000 p.a. over and above the Commission payable as a Director.

Reimbursements

All reasonable out of pocket expenses incurred by NEDs in carrying out their duties are reimbursed. Outstation directors are paid city compensatory allowance.

The Company does not provide share options or retirement benefits to NEDs.

III) KEY MANAGERIAL PERSONNEL AND OTHER SENIOR MANAGEMENT EMPLOYEES

Objectives

The objectives of remuneration/compensation policy are broadly as stated below :

1. To attract and retain best in class talent
2. Remain competitive to ensure business sustainability
3. To align employees to organizational performance.

Guiding Principles

The policy rests on the following tenets :

Notes : Considering the pattern of employment in the shipping business, the remuneration paid to members of the shipboard staff who have worked on board the Company's ships for only a short period during the year have not been considered for the purpose of calculating median remuneration.

2. The percentage increase in the median remuneration of employees in the financial year 2014-15 was 3.38%.
3. The Company had 593 permanent employees on the rolls of the Company as on March 31, 2015.
4. Relationship between average increase in remuneration of employees and Company performance:

The average increase in remuneration of employees was 9.94% during the financial year 2014-15.

As per the performance evaluation policy of the Company, remuneration payable by the Company (including variable pay) is linked to individual performance as well as performance of the Company. The performance of the Company is measured in terms of profitability, return on equity as well as financial strength, which were as follows:

(₹ in crore)			
Particulars	FY 2014-15	FY 2013-14	increase / decrease (%)
Revenue	2012.69	1780.25	13.06
EBITDA	840.93	780.84	7.69

Electronic Clearing Services for payment of dividend in case of shares held in physical form

To avoid the risk of loss/interception of dividend warrants in postal transit and/or fraudulent encashment, shareholders are requested to avail of NECS/ECS facility – where dividends are directly credited in electronic form to their respective bank accounts. This also ensures faster credit of dividend. The NECS/ECS application form can be obtained either from the Company's Share Transfer Agent's Office or the Registered Office of the Company.

Shareholders located in places where NECS/ECS facility is not available, may submit their bank details. This will enable the Company to incorporate this information on the dividend warrants and thus prevent fraudulent encashment.

Shares held in Dematerialized Form and Physical Form as on March 31, 2015**Shareholders holding shares in dematerialized form may note that:**

- Instructions regarding bank details which they wish to have incorporated on their dividend warrants must be submitted to their depository participants. As per the regulations of NSDL and CDSL, the Company is obliged to print the bank details on the dividend warrants, as furnished by these depositories to the Company.

- Instructions already given by them for shares held in physical form will not automatically be applicable to the dividend paid on shares held in electronic form.
- Instructions regarding change of address, nomination and power of attorney should be given directly to the depository participants. The Company cannot entertain any such requests directly from the shareholders.
- The Company provides NECS/ECS facility for shares held in electronic form and for reasons mentioned earlier, shareholders may wish to avail of this facility.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF THE GREAT EASTERN SHIPPING COMPANY LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying Standalone Financial Statements of **THE GREAT EASTERN SHIPPING COMPANY LIMITED** ("the Company"), which comprise the Balance Sheet as at March 31, 2015, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Standalone Financial Statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these Standalone Financial Statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on whether the Company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls.

An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Standalone Financial Statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Standalone Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2015, and its profit and its cash flows for the year ended on that date.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2015, ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Companies Act, 2013, we give in the Annexure, a statement on the matters specified in paragraphs 3 and 4 of the said Order, to the extent applicable.
2. As required by Section 143(3) of the Act, we report that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit.
 - b) In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.
 - c) The Balance Sheet, the Statement of Profit and Loss and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
 - d) In our opinion, the aforesaid Standalone Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
 - e) On the basis of the written representations received from the Directors of the Company as on March 31, 2015 and taken on record by the Board of Directors, none of the Directors of the Company are disqualified as on March 31, 2015, from being appointed as a Director in terms of Section 164 (2) of the Act.
 - f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
 - i) The Company has disclosed the impact of pending litigations on its financial position in its financial statements. Refer Note 27 to the Standalone Financial Statements.
 - ii) The Company has made provision, as required under the applicable laws or Accounting Standards for material foreseeable losses, if any, on long term contracts, including derivative contracts. Refer Notes 2(o) and 28 to the Standalone Financial Statements.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT

The Annexure referred to in paragraph 1 under 'Report on Other Legal and Regulatory Requirements' in our Independent Auditors' Report to the Members of the Company on the Standalone Financial Statements for the year ended March 31, 2015 :

1. Fixed Assets :
 - a) The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - b) The Company has a program for physical verification of fixed assets at periodic intervals. In our opinion, the period of verification is reasonable having regard to the size of the Company and the nature of its assets. The discrepancies noticed on such verification are not material and have been properly dealt with in the books of account.
2. Inventory :
 - a) The Management has conducted physical verification of inventory at reasonable intervals.
 - b) The procedures of physical verification of inventories followed by the Management are reasonable and adequate in relation to the size of the Company and the nature of its business.
 - c) The Company is maintaining proper records of inventory. The discrepancies noticed on physical verification were not material in relation to the operations of the Company and the same have been properly dealt with in the books of account.
3. During the year, the Company has not granted any loans, secured or unsecured to companies, firms or other parties covered in the register maintained under Section 189 of the Companies Act. Therefore, the provisions of sub-clause (a) and (b) of paragraph 3 (iii) of the Order are not applicable.
4. In our opinion and according to the information and explanations given to us, there is an adequate internal control system commensurate with the size of the Company and the nature of its business, for the purchases of inventory, fixed assets and for the sale of goods and services. During the course of our audit, we have not observed any continuing failure to correct major weaknesses in the internal control system.
5. In our opinion and according to the information and explanations given to us, the Company has not accepted any deposits from the public within the meaning of section 73 to 76, or any other relevant provisions of the Companies Act and the rules framed thereunder. No order has been passed by the Company Law Board, or National Company Law Tribunal, or Reserve Bank of India, or any Court, or any other Tribunal.
6. According to the information and explanations given to us, the Central Government has not prescribed maintenance of cost records under sub section (1) of Section 148 of the Companies Act, in respect of any of the activities of the Company.
7. Statutory Dues :
 - a) According to the information and explanations given to us and on the basis of the records examined by us, the Company is regular in depositing undisputed statutory dues, including dues pertaining to Shore Staff Provident Fund, Employees' State Insurance, Income-tax, Sales-tax, Wealth Tax, Service Tax, Custom Duty, Cess and any other statutory dues with the appropriate authorities. We have been informed that in respect of floating staff it is not possible to accurately ascertain the provident fund dues in view of the nature of Company's activities. The Company regularly makes ad hoc payments to the appropriate authorities and on final determination, the balance, if any, is paid. We have been informed that there are no undisputed dues which have remained outstanding as at the end of the financial year, for a period of more than six months from the date they became payable.

- b) According to the information and explanations given to us, there are no dues of Income-tax, Sales tax, Wealth tax, Service tax, Customs duty, Excise duty, Value Added Tax or Cess outstanding on account of any dispute, other than the following :

NOTES TO FINANCIAL STATEMENTS

FOR THE YEAR ENDED MARCH 31, 2015.

Note 1 : Corporate Information

The Great Eastern Shipping Company Ltd. (the Company) is a public limited company registered in India under the provisions of the Companies Act, 1913. Its shares are listed at Bombay Stock Exchange and National Stock Exchange in India and at the Luxembourg Stock Exchange. The Company is a major player in the Indian Shipping industry.

Note 2 : Significant Accounting Policies

(a) Basis of Preparation :

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis to comply in all material aspects with Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the provisions of the Companies Act, 2013.

All assets and liabilities have been classified as Current and Non-Current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of services rendered and the time between the rendering of the services and their realisation in cash and cash equivalent, the Company has ascertained its operating cycle as twelve months for the purpose of Current and Non-Current classification of assets and liabilities.

(b) Use of Estimates :

The preparation of financial statements in conformity with generally accepted accounting principles requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities as of the date of the financial statements and reported amounts of income and expenses during the period. Management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Actual result could differ from the estimates.

(c) Tangible Fixed Assets :

Tangible fixed assets are stated at cost less accumulated depreciation and impairment, if any. Cost includes expenses related to acquisition and installation of the concerned assets, borrowing costs during construction period and excludes any duties/taxes recoverable and capital subsidy/grant received. Subsequent expenditure related to an item of fixed assets is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on maintaining fixed assets, including day to day repair and maintenance expenditure and cost of replacing parts, are charged to the Statement of Profit and Loss for the period during which such expenses are incurred. Exchange differences on repayment and year end translation of foreign currency liabilities and fair value gains or losses on qualifying cash flow hedges, that are transferred from Hedging Reserve relating to acquisition of depreciable capital assets are adjusted to the carrying cost of the assets.

(d) Intangible Fixed Assets :

Intangible fixed assets are stated at acquisition cost less accumulated amortisation and accumulated impairment losses, if any. Intangible assets are amortised on a straight line basis over the estimated useful lives.

(e) Investments :

- (i) Investments are classified into Current and Non-Current Investments.
- (ii) Investments intended to be held for a period less than twelve months or those maturing within twelve months from the Balance Sheet date are classified as 'Current Investments'. Investments which are classified as Current Investments are stated at lower of cost and net realisable value and the resultant decline, if any, is charged to the Statement of Profit and Loss.
- (iii) Investments other than Current Investments are classified as 'Non-Current Investments'. Non-Current Investments are carried at cost. Provision for diminution, if any, in the value of each Non-Current Investment is made to recognise a decline, other than of a temporary nature.

(f) Inventories :

Inventories of fuel oil are carried at lower of cost and net realisable value. Cost is ascertained on first-in-first out basis. The cost includes all costs of purchase and other costs incurred in bringing the inventories to their present location and condition.

(g) Incomplete Voyages :

Incomplete voyages represent freight received and direct operating expenses in respect of voyages which were not complete as at the Balance Sheet date. The freight received for incomplete voyages is shown under 'Income Received in Advance' and the direct operating expenses incurred for incomplete voyages are shown under 'Other Advances'.

(h) Borrowing Costs :

Borrowing costs include interest and ancillary cost incurred in connection with the arrangement of borrowings. Borrowing costs that are directly attributable to the acquisition/construction of the qualifying assets are capitalised as part of the cost of the asset, upto the date of acquisition/completion of construction. Other borrowing costs are recognised in the period in which they occur except for transaction costs which are amortised over the period of the loan.

(i) Revenue Recognition :

Income from services : Freight and demurrage earnings are recognised on completed voyage basis. Charter hire earnings are accrued on time basis except where the charter party agreements have not been renewed/finalised, in which case it is recognised on provisional basis.

Interest : Interest income is recognised on a time proportion basis taking into account the amount outstanding and the applicable interest rate.

Dividends : Dividend income is recognised when the Company's right to receive dividend is established by the Balance Sheet date.

(j) Operating Expenses :

- (i) Fleet direct operating expenses are charged to the Statement of Profit and Loss on completed voyage basis.
- (ii) Stores and spares delivered on board the ships are charged to the Statement of Profit and Loss.
- (iii) Expenses on account of general average claims/damages to ships are written off in the year in which they are incurred. Claims against the underwriters are accounted for on acceptance of average adjustment by the adjusters.

- (iv) Bunker consumption cost, which is part of direct operating expenses, is charged to the Statement of Profit and Loss on completed voyage basis. In case, the vessel is not fixed for next voyage as on the period-end date, the consumption cost is charged to the Statement of Profit and Loss as period cost from the date of previous voyage till the period-end date. If the vessel is fixed for next voyage by the period-end date, the bunker consumption cost for the period from the date of previous voyage till the period-end date is carried forward as incomplete voyage expense as per the accounting policy on "Incomplete Voyages".
- (v) Dry-dock expenditure is recognised in the Statement of Profit and Loss to the extent of material supplied and services rendered in case of non yard expenses. Yard material and service expenses are recognised in the Statement of Profit and Loss on completion of Dry-dock.

(k) Employee Benefits :

(i) Short-Term Employee Benefits :

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. Benefits such as salaries, performance incentives, etc., are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the employee renders the related service.

(ii) Post Employment Benefits :

Liability is provided for retirement benefits of Provident Fund, Superannuation, Gratuity and Leave Encashment in respect of all eligible employees and for pension benefit to Whole-time Directors of the Company.

a) Defined Contribution Plan

Employee benefits in the form of Superannuation Fund, Provident Fund and other Seamen's Welfare Contributions are considered as defined contribution plans and the contributions are charged to the Statement of Profit and Loss of the period when the contributions to the respective funds are due.

b) Defined Benefit Plan

Retirement benefits in the form of Gratuity and the Pension plan for Whole-time Directors are considered as defined benefit obligations and are provided for on the basis of actuarial valuations, using the projected unit credit method, as at the date of the Balance Sheet.

c) Other Long-Term Benefits

Long-term compensated absences are provided for on the basis of an actuarial valuation, using the projected unit credit method, as at the date of the Balance Sheet.

Actuarial gain/loss, comprising of experience adjustments and the effects of changes in actuarial assumptions is immediately recognised in the Statement of Profit and Loss.

(l) Depreciation on Fixed Assets :

- (i) Depreciation is provided on Straight Line Method basis so as to write off the original cost of the asset less its estimated residual value over the estimated useful life. The estimated useful life of the assets are as under :

Asset Type	Estimated Useful Life
Tangible Assets :	
Fleet	
- Crude Oil and Product Tankers	20 years
- Dry Bulk Carriers *	23 years
- Gas Carriers	30 years
- Speed Boats	13 years
Leasehold Land	Lease period
Ownership Flats and Buildings	60 years
Furniture & Fixtures, Office Equipment, etc.*	5 years
Computers	
- Servers and Networks	6 years
- End User Devices	3 years
Vehicles *	4 years
Mobiles *	2 years
Plant and Equipment *	10 years
Intangible Assets :	
Software	5 years

- (ii) Estimated useful life of the Fleet and Ownership Flats and Buildings is considered from the year of build. Estimated useful life in case of all other assets is considered from the date of acquisition by the Company.
- (iii) Residual value in case of Fleet is estimated initially as amount equal to product of long tonnes and estimated scrap value per long tonne based on previous ten years moving average of scrap rates. In case of other assets the residual value, being negligible has been considered as Nil.
- (iv) *For these class of assets, based on internal technical assessment and past experience, the management believes that the useful lives as given above best represent the period over which the management expects the use of the assets. Hence, the useful lives for the assets are different from the useful lives as prescribed under Part C of Schedule II of the Companies Act, 2013.

(m) Asset Impairment :

The carrying amounts of the Company's tangible and intangible assets are reviewed at each Balance Sheet date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amounts are estimated in order to determine the extent of impairment loss, if any. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. The impairment loss, if any, is recognised in the Statement of Profit and Loss in the period in which impairment takes place. Recoverable amount is higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, however subject to the increased carrying amount not exceeding the carrying amount that would have been determined (net of amortisation or depreciation) had no impairment loss been recognised for the asset in prior accounting periods.

(n) Foreign Exchange Transactions :

- (i) Transactions in foreign currency are recorded at standard exchange rates determined monthly. Non monetary items, which are measured in terms of historical costs denominated in a foreign currency are reported using the exchange rate at the date of the transaction. Monetary assets and liabilities denominated in foreign currency, remaining unsettled at the year end are translated at closing rates. The difference in translation of long term monetary assets and liabilities and realised gains and losses on foreign currency transactions relating to acquisition of depreciable capital assets are added to or deducted from the cost of the asset and depreciated over the balance life of the asset and in other cases accumulated in a Foreign Currency Monetary Item Translation Difference Account and amortised over the balance period of such long term asset/liability, but not beyond March 31, 2020, by recognition as income or expense. The difference in translation of all other monetary assets and liabilities and realised gains and losses on other foreign currency transactions are recognised in the Statement of Profit and Loss.
- (ii) Forward exchange contracts other than those entered into to hedge foreign currency risk of firm commitments or highly probable forecast transactions are translated at period end exchange rates and the resultant gains and losses as well as the gains and losses on cancellation of such contracts are recognised in the Statement of Profit and Loss, except in case of contracts relating to the acquisition of depreciable capital assets, in which case they are added or deducted from the cost of the assets. Premium or discount on such forward exchange contracts is amortised as income or expense over the life of the contract.
- (iii) Currency swaps which form an integral part of the loans are translated at closing rates and the resultant gains and losses are dealt with in the same manner as the translation differences of long term monetary assets and liabilities.

(o) Derivative Financial Instruments and Hedging :

The Company enters into derivative financial instruments to hedge foreign currency risk of firm commitments and highly probable forecast transactions, interest rate risk and bunker price risk. The method of recognising the resultant gain or loss depends on whether the derivative is designated as a hedging instrument, and if so, the nature of the item being hedged. The carrying amount of a derivative designated as a hedge is marked to market. The Company does not enter into any derivatives for trading purposes.

Cash Flow Hedge :

Commodity future contracts, forward exchange contracts entered into to hedge foreign currency risk of firm commitments or highly probable forecast transactions, forward rate options, interest rate swaps and currency swaps which do not form an integral part of the loans, that qualify as cash flow hedges, are recorded in accordance with the principles of hedge accounting enunciated in Accounting Standard (AS) 30, 'Financial Instruments : Recognition and Measurement'. The gains or losses on designated hedging instruments that qualify as effective hedges are recorded in the Hedging Reserve and are recognised in the

Statement of Profit and Loss in the same period or periods during which the hedged transaction affects the Statement of Profit and Loss or is transferred to the cost of the hedged non-monetary asset upon acquisition. Gains or losses on the ineffective hedged transactions are immediately recognised in the Statement of Profit and Loss. When a forecasted transaction is no longer expected to occur, the gains or losses that were previously recognised in the Hedging Reserve are transferred to the Statement of Profit and Loss immediately.

Fair Value Hedge :

Foreign exchange forward and option contracts outstanding at the Balance Sheet date, other than designated cash flow hedges, are stated at fair values and any gains or losses are recognised in the Statement of Profit and Loss.

(p) Taxation :

Tax expense comprises both current and deferred tax.

- (i) Provision for current income-tax is made on the basis of the assessable income under the Income-tax Act, 1961. Pursuant to the introduction of Section 115VA under the Income-tax Act, 1961, the Company has opted for computation of its income from shipping activities under the Tonnage Tax Scheme. Thus, income from the business of operating ships is assessed on the basis of the deemed Tonnage Income of the Company and no deferred tax is applicable to such income as there are no timing differences. The timing difference in respect of the non-tonnage activities of the Company are not material, in view of which provision for deferred taxation is not considered necessary.
- (ii) Deferred income-tax is recognised on timing differences, between taxable income and accounting income which originate in one period and are capable of reversal in one or more subsequent periods only in respect of the non-tonnage activities of the Company. The tax effect is calculated on the accumulated timing differences at the year end based on tax rates and laws, enacted or substantially enacted as of the Balance Sheet date.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income-tax during the specified period.

(q) Provisions and Contingent Liabilities :

Provisions are recognised in the accounts in respect of present probable obligations, the amount of which can be reliably estimated.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Company.

(r) Earnings per share :

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events, such as bonus issue, bonus element in a rights issue and shares split that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating Diluted Earnings per share, the net profit or loss for the period attributable to the equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares.

Note 28 : Hedging Contracts

The Company uses foreign exchange forward contracts, currency and interest rate swaps and options to hedge its exposure to movements in foreign exchange rates. The use of these foreign exchange forward contracts, currency and interest rate swaps and options reduces the risk or cost to the Company and the Company does not use foreign exchange forward contracts, currency and interest rate swaps and options for trading or speculation purposes.

The Company has identified certain derivative contracts entered into to hedge foreign currency risk of firm commitments and highly probable forecast transactions and interest swaps as hedged instruments that qualify as effective cash flow hedges. The mark to market gain/(loss) on such derivative contracts is recorded in the Hedging Reserve.

The Company also uses commodity futures contracts for hedging the exposure to bunker price risk.

The derivative/forward contracts mentioned under (i) Cash Flow Hedges above, having been entered into to hedge foreign currency risk of firm commitments and highly probable forecast transactions and the interest rate risk, have been designated as hedged instruments that qualify as effective cash flow hedges. The mark-to-market loss / (gain) on these foreign exchange derivative/forward contracts outstanding as on March 31, 2015, amounting to loss of ₹ 917.79 crores (Previous Year : loss of ₹ 911.44 crores) has been recorded in the Hedging Reserve.

The interest rate swaps are entered into to hedge floating quarterly and half yearly interest payments on borrowings. Fair value gains and losses on the interest rate swaps recognised in Hedging Reserve are transferred to the Statement of Profit and Loss as part of interest expense over the period of borrowings.

The currency forward and option contracts were entered into to hedge highly probable forecast transactions denominated in foreign currency. The currency forwards and options have maturity dates that coincide with the expected occurrence of these transactions. Gains and losses recognised in the Hedging Reserve prior to occurrence of these transactions are transferred to the Statement of Profit and Loss, except for forwards used to hedge highly probable forecast foreign currency purchases relating to construction of new vessels, whose gains and losses are included in the cost of the assets and recognised in the Statement of Profit and Loss over the estimated useful lives as part of depreciation expense.

The derivative contracts mentioned under (ii) Fair Value Hedges above, having been entered into to hedge foreign currency risk of firm commitments and highly probable forecast transactions, have been designated as hedged instruments that qualify as effective fair value hedges. The mark-to-market loss / (gain) on these foreign exchange derivative contracts outstanding as on March 31, 2015 amounting to loss of ₹ 0.18 crores (Previous Year : gain of ₹ 0.36 crores) has been recorded in the Statement of Profit and Loss.

AUDITOR'S REPORT

INDEPENDENT AUDITOR'S REPORT TO THE MEMBERS OF THE GREAT EASTERN SHIPPING COMPANY LIMITED

Report on the Consolidated Financial Statements

We have audited the accompanying Consolidated Financial Statements of **THE GREAT EASTERN SHIPPING COMPANY LIMITED** (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries together referred to as "the Group"), comprising of the Consolidated Balance Sheet as at March 31, 2015, the Consolidated Statement of Profit and Loss, the Consolidated Cash Flow Statement for the year then ended and a summary of the significant accounting policies and other explanatory information (hereinafter referred to as "the Consolidated Financial Statements").

Management's Responsibility for the Consolidated Financial Statements

The Holding Company's Board of Directors is responsible for the preparation of these Consolidated Financial Statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act"), that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

Our responsibility is to express an opinion on these Consolidated Financial Statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the Consolidated Financial Statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the Consolidated Financial Statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated Financial Statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the Consolidated Financial Statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Holding Company has an adequate internal financial controls system over financial reporting in place and the operating effectiveness of such controls.

An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the Consolidated Financial Statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the Consolidated Financial Statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Consolidated Financial Statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at March 31, 2015, their consolidated profit and their consolidated cash flows for the year ended on that date.

Other Matters

We did not audit the financial statements/financial information of five subsidiaries whose financial statements/financial information reflect total assets of ₹ 5500.49 crores as at March 31, 2015, total revenues of ₹ 935.98 crores and net cash flows amounting to ₹ 109.75 crores for the year ended on that date, as considered in the Consolidated Financial Statements. These financial statements/financial information have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the Consolidated Financial Statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries and our report in terms of sub-sections (3) and (11) of Section 143 of the Act, in so far as it relates to the aforesaid subsidiaries, is based solely on the reports of the other auditors.

Our opinion on the Consolidated Financial Statements and our report on Other Legal and Regulatory Requirements below are not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditors.

Report on Other Legal and Regulatory Requirements

1. As required by the Companies (Auditor's Report) Order, 2015 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of Section 143 of the Act, based on the comments in the auditors' reports of the Holding Company and its subsidiary company incorporated in India, we give in the Annexure, a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
2. As required by Section 143(3) of the Act, based on our audit and on the consideration of the report of the other auditors on the separate financial statements of certain subsidiaries, as noted in the Other Matters paragraph above, we report, to the extent applicable, that:
 - a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit of the aforesaid Consolidated Financial Statements.
 - b) In our opinion, proper books of account as required by law relating to preparation of the aforesaid Consolidated Financial Statements have been kept so far as it appears from our examination of those books and the reports of the other auditors.

- c) The Consolidated Balance Sheet, the Consolidated Statement of Profit and Loss and the Consolidated Cash Flow Statement dealt with by this Report are in agreement with the relevant books of account maintained for the purpose of preparation of the Consolidated Financial Statements.
- d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the Directors of the Holding Company as on March 31, 2015, taken on record by the Board of Directors of the Holding Company and the reports of the statutory auditors of its subsidiary company incorporated in India, none of the Directors of the Group companies incorporated in India are disqualified as on March 31, 2015, from being appointed as a Director in terms of Section 164 (2) of the Act.
- f) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditor's) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us and based on the consideration of the report of the other auditors on the separate financial statements of certain subsidiaries, as noted in the Other Matters paragraph above :
 - i) The Consolidated Financial Statements disclose the impact of pending litigations on the consolidated financial position of the Group. Refer Note 30 to the Consolidated Financial Statements.
 - ii) Provision has been made in the Consolidated Financial Statements, as required under the applicable laws or Accounting Standards for material foreseeable losses, if any, on long term contracts, including derivative contracts. Refer Notes 1(q) and 31 to the Consolidated Financial Statements.
 - iii) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Holding Company and its subsidiary company incorporated in India.

ANNEXURE TO THE INDEPENDENT AUDITOR'S REPORT

The Annexure referred to in Paragraph 1 under Report on Other Legal and Regulatory Requirements in our Independent Auditors Report to the Members of the Company on the Consolidated Financial Statements for the year ended March 31, 2015 :

1. Fixed Assets :

- a) The Holding Company and its subsidiary company incorporated in India have maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- b) The Holding Company and its subsidiary company incorporated in India have a program for physical verification of fixed assets at periodic intervals. In our opinion, the period of verification is reasonable having regard to the size of the Holding Company and its subsidiary company incorporated in India and the nature of its assets. The discrepancies if any, noticed on such verification were not material and have been properly dealt with in the books of account.

2. Inventory :

- a) The Management of the Holding Company and its subsidiary company incorporated in India has conducted physical verification of inventory at reasonable intervals.
 - b) The procedures of physical verification of inventories followed by the Management of the Holding Company and its subsidiary company incorporated in India are reasonable and adequate in relation to their size and the nature of their respective businesses.
 - c) The Holding Company and its subsidiary company incorporated in India are maintaining proper records of inventory. The discrepancies noticed on physical verification were not material in relation to their operations and the same have been properly dealt with in their respective books of account.
3. The Holding Company and its subsidiary company incorporated in India have not granted any loans, secured or unsecured to companies, firms or other parties covered in the register maintained under Section 189 of the Companies Act. Therefore, the provisions of sub-clause (a) and (b) of paragraph 3 (iii) of the Order are not applicable.
 4. In our opinion and according to the information and explanations given to us, there are adequate internal control systems commensurate with the size of the Holding Company and its subsidiary company incorporated in India and the nature of their businesses, for the purchases of inventory, fixed assets and for the sale of goods and services. In our opinion and according to the information and explanations given to us, there is no continuing failure to correct major weaknesses in internal control systems.
 5. In our opinion and according to the information and explanations given to us, the Holding Company and its subsidiary company incorporated in India have not accepted any deposits from the public within the meaning of section 73 to 76, or any other relevant provisions of the Companies Act and the rules framed thereunder. No order has been passed by the Company Law Board, or National Company Law Tribunal, or Reserve Bank of India, or any Court, or any other Tribunal.
 6. According to the information and explanations given to us, the Central Government has not prescribed maintenance of cost records under sub section (1) of Section 148 of the Companies Act, in respect of any of the activities of the Holding Company or its subsidiary company incorporated in India.

7. Statutory Dues :

- a) According to the information and explanations given to us and on the basis of the records examined by us, the Holding Company and its subsidiary company incorporated in India are generally regular in depositing undisputed statutory dues, including dues pertaining to Shore Staff Provident Fund, Employees State Insurance, Income-tax, Sales-tax, Wealth Tax, Service Tax, Custom Duty, Cess and any other statutory dues with the appropriate authorities. We have been informed that in respect of floating staff it is not possible to accurately ascertain the provident fund dues in view of the nature of the Holding Company's activities. The Holding Company regularly makes ad hoc payments to the appropriate authorities and on final determination, the balance, if any, is paid. We have been informed that there are no undisputed dues which have remained outstanding as at the end of the financial year, for a period of more than six months from the date they became payable.

- b) According to the information and explanation given to us and on the basis of the records examined by us, there are no dues of Income-tax, Sales tax, Wealth tax, Service tax, Customs duty, Excise duty, Value Added Tax or Cess outstanding on account of any dispute, other than the following in respect of the Holding Company and its subsidiary company incorporated in India :

NOTES TO CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2015

Note 1 : Significant Accounting Policies

(a) Basis of Preparation :

These financial statements have been prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis to comply in all material aspects with Accounting Standards specified under Section 133 of the Companies Act, 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014 and the provisions of the Companies Act, 2013.

All assets and liabilities have been classified as Current and Non-Current as per the Company's normal operating cycle and other criteria set out in Schedule III to the Companies Act, 2013. Based on the nature of services rendered and the time between the rendering of the services and their realisation in cash and cash equivalent, the Company has ascertained its operating cycle as twelve months for the purpose of Current and Non-Current classification of assets and liabilities.

(b) Use of Estimates :

The preparation of financial statements in conformity with generally accepted accounting principles requires the management to make estimates and assumptions that affect the reported balances of assets and liabilities as of the date of the financial statements and reported amounts of income and expenses during the period. Management believes that the estimates used in the preparation of financial statements are prudent and reasonable. Actual results could differ from the estimates.

(c) Tangible Fixed Assets :

Tangible fixed assets are stated at cost less accumulated depreciation and impairment, if any. Cost includes expenses related to acquisition and installation of the concerned assets, borrowing costs during construction period and excludes any duties/taxes recoverable and capital subsidy/grant received. Subsequent expenditure related to an item of fixed assets is added to its book value only if it increases the future benefits from the existing asset beyond its previously assessed standard of performance. All other expenses on maintaining fixed assets, including day to day repair and maintenance expenditure and cost of replacing parts, are charged to the Statement of Profit and Loss for the period during which such expenses are incurred. Exchange differences on repayment and year end translation of foreign currency liabilities and fair value gains or losses on qualifying cash flow hedges that are transferred from Hedging Reserve relating to acquisition of depreciable capital asset are adjusted to the carrying cost of the assets.

(d) Intangible Fixed Assets :

Intangible fixed assets are stated at acquisition cost less accumulated amortisation and accumulated impairment losses, if any. Intangible assets are amortised on a straight line basis over the estimated useful lives.

(e) Investments :

- (i) Investments are classified into Current and Non-Current Investments.
- (ii) Investments intended to be held for a period less than twelve months or those maturing within twelve months from the Balance Sheet date are classified as 'Current Investments'. Investments which are classified as Current Investments are stated at lower of cost and net realisable value and the resultant decline, if any, is charged to the Statement of Profit and Loss.
- (iii) Investments other than Current Investments are classified as 'Non-Current Investments'. Non-Current Investments are carried at cost. Provision for diminution, if any, in the value of each Non-Current Investment is made to recognise a decline, other than of a temporary nature.

(f) Inventories :

Inventories of fuel oil on vessels and stores & spares on rigs are carried at lower of cost and net realisable value. Cost is ascertained on first-in-first out basis for fuel oil and on weighted average basis for stores & spares on rigs. The cost includes all costs of purchase and other costs incurred in bringing the inventories to their present location and condition.

(g) Incomplete Voyages :

Incomplete voyages comprise of freight received and direct operating expenses in respect of voyages which are not complete as at the Balance Sheet date. The freight received for incomplete voyages is shown under 'Income Received in Advance' and the direct operating expenses incurred for incomplete voyages are shown under 'Other Advances'.

(h) Borrowing Costs :

Borrowing costs include interest and ancillary cost incurred in connection with the arrangement of borrowings. Borrowing costs that are directly attributable to the acquisition / construction of the qualifying assets are capitalised as part of the cost of the asset, upto the date of acquisition / completion of construction. All other borrowing costs are expensed in the period they occur except for transaction costs which are amortised over the period of the loan.

(i) Revenue Recognition :

Income from services : Freight and demurrage earnings are recognised on completed voyage basis. Charter hire earnings are accrued on time basis except where the charter party agreements have not been renewed/finalised, in which case it is recognised on provisional basis.

Interest : Interest income is recognised on a time proportion basis taking into account the amount outstanding and the applicable interest rate.

Dividends : Dividend income is recognised when the Company's right to receive dividend is established by the Balance Sheet date.

(j) Operating Expenses :

- (i) Fleet direct operating expenses are charged to the Statement of Profit and Loss on completed voyage basis.
- (ii) Stores and spares delivered on board the ships are charged to the Statement of Profit and Loss. Spares on board Rigs are charged to the Statement of Profit and Loss on consumption basis.
- (iii) Expenses on account of general average claims/damages to ships are written off in the year in which they are incurred. Claims against the underwriters are accounted for on acceptance of average adjustment by the adjusters.
- (iv) Bunker consumption cost, which is part of direct operating expenses, is charged to the Statement of Profit and Loss on completed voyage basis. In case, the vessel is not fixed for next voyage as on the period-end date, the consumption cost is charged to the Statement of Profit and Loss as period cost from the date of previous voyage till the period-end date. If the vessel is fixed for next voyage by the period-end date, the bunker consumption cost for the period from the date of previous voyage till the period-end date is carried forward as incomplete voyage expense as per the accounting policy on "Incomplete Voyages".
- (v) Dry-dock expenditure is recognised in the Statement of Profit and Loss to the extent of material supplied and services rendered in case of non yard expenses. Yard material and service expenses are recognised in the Statement of Profit and Loss on completion of Dry-dock.

(k) Leases :

(i) Finance lease :

Lease of assets where the Company assumes substantially the risk and rewards of ownership are classified as finance leases. Assets held under finance leases are recognised as assets of the Company at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor (net of finance charges) is included in the Balance Sheet as a finance lease obligation. Lease payments are apportioned between finance charges and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged directly to income statement over the lease period so as to produce a constant periodic rate of interest on the remaining balance of the liability for each period.

Gain/(loss) arising from sale and finance leaseback of the vessel is determined based on fair values. Sale proceeds in excess of fair values and the excess of fair values over sale proceeds are deferred and amortised over the minimum lease terms.

(ii) Operating lease :

Lease of assets in which a significant portion of the risk and rewards of ownership are retained are classified as operating leases.

Rentals payables under operating leases are charged to Statement of Profit and Loss on a straight line basis over the term of the relevant lease.

(l) Employee Benefits :

(i) Short-Term Employee Benefits :

All employee benefits payable wholly within twelve months of rendering the service are classified as short term employee benefits. Benefits such as salaries, performance incentives, etc., are recognised as an expense at the undiscounted amount in the Statement of Profit and Loss of the year in which the employee renders the related service.

(ii) Post Employment Benefits :

Liability is provided for retirement benefits of Provident Fund, Superannuation, Gratuity and Leave Encashment in respect of all eligible employees and for pension benefit to whole time directors of the Company.

a) Defined Contribution Plan

Employee benefits in the form of Superannuation Fund, Provident Fund and other Seamen's Welfare Contributions are considered as defined contribution plans and the contributions are charged to the Statement of Profit and Loss of the period when the contributions to the respective funds are due.

b) Defined Benefit Plan

Retirement benefits in the form of Gratuity and the Pension plan for Whole-time Directors are considered as defined benefit obligations and are provided for on the basis of actuarial valuations, using the projected unit credit method, as at the date of the Balance Sheet.

c) Other Long Term Benefits

Long-term compensated absences are provided for on the basis of an actuarial valuation, using the projected unit credit method, as at the date of the Balance Sheet.

Actuarial gain/loss, comprising of experience adjustments and the effects of changes in actuarial assumptions is immediately recognised in the Statement of Profit and Loss.

(m) Employee Share Based payments :

Equity settled stock options granted under the Company's Employee Stock Option (ESOP) Schemes are accounted as per the accounting treatment prescribed by SEBI (Employee Stock Option Scheme and Employee Stock Purchase Scheme) Guidelines, 1999 and the Guidance Note on Accounting for Employee Share based payments issued by ICAI. The intrinsic value of the option is recognised as employee compensation with a credit to employee stock option outstanding account. The employee compensation is charged to the Statement of Profit and Loss over the vesting period of the option.

(n) Depreciation :

- (i) Depreciation is provided on Straight Line Method basis so as to write off the original cost of the asset less its estimated residual value over the estimated useful life or at the estimated useful life as prescribed under the Schedule II to the Companies Act, 2013, whichever is lower. The basis for charging depreciation and the estimated useful life of the assets is as under:

Asset Type	Estimated Useful life
Tangible Assets :	
Fleet	
- Crude Oil and Product Tankers	20 years
- Dry Bulk Carriers*	23 years
- Gas Carriers	30 years
- Speed Boats	13 years
- Offshore Supply Vessels	20 years
Modern Rig	30 years
Leasehold Land	Lease period
Ownership Flats and Buildings	60 years
Leasehold Improvements	5 years
Furniture & Fixtures, Office Equipment, etc.*	5 years
Computers	
- Servers and Networks	6 years
- End User Devices	3 years
Vehicles*	4 years
Mobiles*	2 years
Plant & Equipment*	3 to 10 years
Intangible Assets :	
Software	5 years

- (ii) Estimated useful life of the Fleet and Ownership Flats and Buildings is considered from the year of build. Estimated useful life in case of all other assets is considered from the date of acquisition by the Company.

- (iii) Residual value in case of Fleet is estimated initially as amount equal to product of long tonnes and estimated scrap value per long tonne based on previous ten years moving average of scrap rates. In case of other assets the residual value, being negligible has been considered as Nil.
- (iv) Residual value in case of Offshore Supply Vessels is estimated on the basis of Light displacement weight (LDT) of the vessels and the prevailing average rate for steel scrap.
- (v) The residual value in case of rigs has been estimated at 5% of the cost of rig.
- (vi) *For these class of assets, based on internal technical assessment and past experience, the management believes that the useful lives as given above, best represents the period over which the management expects the use of the assets. Hence, the useful lives for the assets are different from the useful lives as prescribed under Part C of Schedule II of the Companies Act, 2013.

(o) Asset Impairment :

The carrying amounts of the Company's tangible and intangible assets are reviewed at each Balance Sheet date to determine whether there is any indication of impairment. If any such indication exists, the asset's recoverable amounts are estimated in order to determine the extent of impairment loss, if any. An impairment loss is recognised whenever the carrying amount of an asset exceeds its recoverable amount. The impairment loss, if any, is recognised in the Statement of Profit and Loss in the period in which impairment takes place. Recoverable amount is higher of an asset's net selling price and its value in use. Value in use is the present value of estimated future cash flows expected to arise from the continuing use of an asset and from its disposal at the end of its useful life.

Where an impairment loss subsequently reverses, the carrying amount of the asset is increased to the revised estimate of its recoverable amount, however subject to the increased carrying amount not exceeding the carrying amount that would have been determined (net of amortisation or depreciation) had no impairment loss been recognised for the asset in prior accounting periods.

(p) Foreign Exchange Transactions :

- (i) Transactions in foreign currency are recorded at standard exchange rates determined monthly. Non monetary items, which are measured in terms of historical costs denominated in a foreign currency are reported using the exchange rate at the date of the transaction. Monetary assets and liabilities denominated in foreign currency, remaining unsettled at the period end are translated at closing rates. The difference in translation of long term monetary assets and liabilities and realised gains and losses on foreign currency transactions relating to acquisition of depreciable capital assets are added to or deducted from the cost of the asset and depreciated over the balance life of the asset and in other cases accumulated in a Foreign Currency Monetary Item Translation Difference Account and amortised over the balance period of such long term asset/liability, but not beyond March 31, 2020, by recognition as income or expense. Exchange differences arising on a monetary item that, in substance, forms part of the Company's net investment in a non integral foreign operation are accumulated in Foreign Currency Translation Reserve until the disposal of net investment. The difference in translation of all other monetary assets and liabilities and realised gains and losses on other foreign currency transactions are recognised in the Statement of Profit and Loss.
- (ii) Forward exchange contracts other than those entered into to hedge foreign currency risk of firm commitments or highly probable forecast transactions are translated at period end exchange rates and the resultant gains and losses as well as the gains and losses on cancellation of such contracts

are recognised in the Statement of Profit and Loss, except in case of contracts relating to the acquisition of depreciable capital assets, in which case they are added to or deducted from the cost of the assets. Premium or discount on such forward exchange contracts is amortised as income or expense over the life of the contract.

- (iii) Currency swaps which form an integral part of the loans are translated at closing rates and the resultant gains and losses are dealt with in the same manner as the translation differences of long term monetary assets and liabilities.

(q) Derivative Financial Instruments and Hedging :

The Company enters into derivative financial instruments to hedge foreign currency risk of firm commitments and highly probable forecast transactions, interest rate risk and bunker price risk. The method of recognising the resultant gain or loss depends on whether the derivative is designated as a hedging instrument, and if so, the nature of the item being hedged. The carrying amount of a derivative designated as a hedge is marked to market. The Company does not enter into any derivatives for trading purposes.

Cash Flow Hedge :

Commodity future contracts, forward exchange contracts entered into to hedge foreign currency risks of firm commitments or highly probable forecast transactions, forward rate options, interest rate swaps and currency swaps which do not form an integral part of the loans, that qualify as cash flow hedges, are recorded in accordance with the principles of hedge accounting enunciated in Accounting Standard (AS) 30, 'Financial Instruments : Recognition and Measurement' as issued by the Institute of Chartered Accountants of India. The gains or losses on designated hedging instruments that qualify as effective hedges are recorded in the Hedging Reserve and are recognised in the Statement of Profit and Loss in the same period or periods during which the hedged transaction affects Statement of Profit and Loss or is transferred to the cost of the hedged non-monetary asset upon acquisition. Gains or losses on the ineffective hedge transactions are immediately recognised in the Statement of Profit and Loss. When a forecasted transaction is no longer expected to occur the gains or losses that were previously recognised in the Hedging Reserve are transferred to the Statement of Profit and Loss immediately.

Fair Value Hedge :

Foreign exchange forward and option contracts outstanding at the Balance Sheet date, other than designated cash flow hedges, are stated at fair values and any gains or losses are recognised in the Statement of Profit and Loss.

(r) Taxation :

Tax expense comprises both current and deferred tax.

- (i) Current income tax is recognised at the amount expected to be paid to the tax authorities, using the tax rates and tax laws enacted or substantially enacted as at the Balance Sheet date. Pursuant to the introduction of Section 115VA under the Income-tax Act, 1961, the Company has opted for computation of its income from shipping activities under the Tonnage Tax Scheme. Thus, income from the business of operating ships is assessed on the basis of the deemed Tonnage Income of the Company and no deferred tax is applicable to such income as there are no timing differences. Foreign tax is recognised on accrual basis in accordance with the respective laws.

- (ii) Deferred income-tax is recognised on timing differences, between taxable income and accounting income which originate in one period and are capable of reversal in one or more subsequent periods only in respect of the non-tonnage activities of the Company. The tax effect is calculated on the accumulated timing differences at the year end based on tax rates and laws, enacted or substantially enacted as of the Balance Sheet date.

Minimum Alternate Tax (MAT) credit is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income-tax during the specified period.

(s) Provisions and Contingent Liabilities :

Provisions are recognised in the accounts in respect of present probable obligations, the amount of which can be reliably estimated.

Contingent Liabilities are disclosed in respect of possible obligations that arise from past events but their existence is confirmed by the occurrence or non occurrence of one or more uncertain future events not wholly within the control of the Group.

(t) Earnings per share :

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to the equity shareholders by the weighted average number of equity shares outstanding during the period. The weighted average number of equity shares outstanding during the period is adjusted for events, such as bonus issue, bonus element in a rights issue and shares split that have changed the number of equity shares outstanding, without a corresponding change in resources. For the purpose of calculating Diluted Earnings per share, the net profit or loss for the period attributable to the equity shareholders and the weighted average number of shares outstanding during the period is adjusted for the effects of all dilutive potential equity shares

Note 2 : Basis of Consolidation

The consolidated financial statements relate to The Great Eastern Shipping Company Ltd., (GESCO) the Holding Company and its subsidiaries (collectively referred to as the Group). The consolidation of the financial statements of the Company with its subsidiaries has been prepared in accordance with the requirements of Accounting Standard (AS) 21 'Consolidated Financial Statements'. The financial statements of the parent and its subsidiaries are combined on a line by line basis and intra group balances, intra group transactions and unrealised profits or losses are fully eliminated.

In case of foreign subsidiaries, revenue items are consolidated at the average rate prevailing during the year. All assets and liabilities are converted at the rates prevailing at the end of the year. Exchange gains/(losses) arising on conversion are recognised under Foreign Currency Translation Reserve.

In the consolidated financial statements, 'Goodwill' represents the excess of the cost to the Company of its investment in the subsidiaries over its share of equity, at the respective dates on which the investments are made. Alternatively, where the share of equity as on the date of investment is in excess of cost of investment, it is recognised as 'Capital Reserve' in the consolidated financial statements.

Note 3 :

The financial statements of the subsidiaries used in the consolidation are drawn upto the same reporting date as that of the Holding Company i.e. March 31, 2015.

Note 4 :

Additional 40,608 (Previous Year 40,608) shares have also been kept in abeyance for disputed cases in consultation with the Bombay Stock Exchange.

(g) Employee Stock Option Scheme :

The employee stock options of Greatship (India) Limited (GIL) were granted under five different Employee Stock Option Schemes ('Scheme/s') to the employees of GIL, the Holding Company and the subsidiaries. ESOP 2008 - I Scheme was closed in the year 2012 with the encashment of all the options under the scheme. All the ESOPs are in respect of GIL's shares where each stock option is equivalent to one equity share.

As per the Encashment Scheme approved in the year 2012, the option grantees under all Schemes would be given an opportunity to encash all or part of their vested options (net of encashed) as on March 31, 2015. Accordingly, the Board of Directors have at their meeting held on April 27, 2015 approved the said encashment proposal. If there is no IPO by March 31, 2018, similar window would be opened to encash the remaining stock options (there would be no unvested stock options at that time),

During the year under review, no grant of stock options were made under any of the Employee Stock Option Schemes ('Scheme/s') to the employees of the GIL, the Holding Company and the subsidiaries, in line with the GIL's decision not to make any further grants under the existing Schemes. A total of 14,280 options were forfeited and 18,260 options were exercised, during the year under review on resignation of employees, making the total options outstanding as on March 31, 2015 to 811,880.

The details of the various Schemes and movements during the year under review are summarised as under :

*upon resignation of an employee, 18,260 stock options were settled by payment of cash in accordance with the Scheme.

The Employee Stock Option Schemes had been accounted on the intrinsic value method upto the year ended March 31,2015. The compensation expense amount which is the difference between the exercise price of the option and the intrinsic value of the shares was amortised over the vesting period. Pursuant to the encashment scheme for Employee Stock Options (ESOPs) introduced by GIL during the year 2012, 7,65,940 options were encashed at the fair value determined under the Scheme. Since the

encashment scheme approved in the year 2012 provided for another window to be opened to allow encashment of stock options that have vested as on March 31, 2015, the liability in respect of the outstanding options has also been measured at the fair value determined in accordance with the encashment scheme and the difference in the fair value and the exercise price is amortised over vesting period.

The cumulative amount of employee stock option expense amortised upto March 31, 2015 of ₹ 1.37 crores (Previous year ₹ 9.30 crores) is included in Long term provisions and ₹ 9.80 crores in Short term provisions (Previous year ₹ 'NIL').

Note 31 : Hedging Contracts

The Group uses foreign exchange forward contracts, currency and interest rate swaps and options to hedge its exposure to movements in foreign exchange rates. The use of these foreign exchange forward contracts, currency and interest rate swaps and options reduces the risk or cost to the Group and the Group does not use the foreign exchange forward contracts, currency and interest rate swaps and options for trading or speculation purposes.

The respective Companies of the Group have identified certain derivative contracts entered into to hedge foreign currency risk of firm commitments and highly probable forecast transactions and interest swaps as hedged instruments that qualify as effective cash flow hedges. The mark to market gain/(loss) on such derivative contracts is recorded in the Hedging Reserve.

The Group also uses commodity futures contracts for hedging the exposure to bunker price risk.

The derivative/forward contracts mentioned under (i) Cash Flow Hedges above, having been entered into to hedge foreign currency risk of firm commitments and highly probable forecast transactions and the interest rate risk, have been designated as hedge instruments that qualify as effective cash flow hedges. The mark-to-market loss / (gain) on these foreign exchange derivative/forward contracts outstanding as on March 31, 2015 amounting to loss of ₹ 926.86 crores (Previous Year : loss of ₹ 936.54 crores) has been recorded in the Hedging Reserve.

The interest rate swaps are entered into to hedge floating quarterly and half yearly interest payments on borrowings. Fair value gains and losses on the interest rate swaps recognised in Hedging Reserve are transferred to the Statement of Profit and Loss as part of interest expense over the period of borrowings.

The currency forward and option contracts were entered into to hedge highly probable forecast transactions denominated in foreign currency. The currency forwards and options have maturity dates that coincide with the expected occurrence of these transactions. Gains and losses recognised in the Hedging Reserve prior to occurrence of these transactions are transferred to the Statement of Profit and Loss, except for forwards used to hedge highly probable forecast foreign currency purchases relating to construction of new vessels / rig, whose gains and losses are included in the cost of the assets and recognised in the Statement of Profit and Loss over the estimated useful lives as part of depreciation expense.

The derivative contracts mentioned under (ii) Fair Value Hedges above, having been entered into to hedge foreign currency risk of firm commitments and highly probable forecast transactions, have been designated as hedged instruments that qualify as effective fair value hedges. The mark-to-market loss / (gain) on these foreign exchange derivative contracts outstanding as on March 31, 2015 amounting to loss of ₹ 0.18 crores (Previous Year : gain of ₹ 0.36 crores) has been recorded in the Statement of Profit and Loss.
