Section E: Principle-wise performance

Principle 1

- Does the policy relating to ethics, bribery and corruption cover only the Company? Yes/No. Does it extend to the Group/Joint Ventures/Suppliers/Contractors/NGOs/Others?**

Power Finance Corporation Ltd. (PFC) is a leading power sector public financial institution and a non-banking financial company, providing fund and non-fund based support for the development of the Indian power sector. It plays a major role in channelizing investment into the power sector and acts as a vehicle for development of this sector. Its clients include state power utilities, central power sector utilities, power departments, private power sector utilities (including independent power producers), joint sector power utilities etc. PFC has developed the Fair Practices Code (FPC) for its lending operations based on the RBI guidelines, which intends to provide assurance to all the borrowers of the Company's commitment to fair dealing and transparency in its businesses transactions.

PFC also considers Corporate Governance as an integral part of good management and is committed to act professionally, fairly and with integrity in all its dealings. In this direction, Company has an established Code of Business Conduct & Ethics for Board Members & Senior Management and an Anti-Fraud Policy.

The Code of Business Conduct and Ethics for the Board Members and Senior Management is a comprehensive code applicable to all Directors and Members of Senior Management of the Company. It is in alignment with Company's vision and values to achieve the Mission & Objectives and aims at enhancing ethical and transparent process in managing the affairs of the Company.

The Company has also adopted an Anti-Fraud policy so as to provide a system of detection and prevention of fraud in the Company. It aims to promote consistent legal and ethical organizational behavior by assigning responsibility for the development of controls and providing guidelines for reporting of fraud/suspected fraud and conduct of investigation of suspected fraudulent behavior. The scope of policy extends to reporting and investigating the fraud or suspected fraud in the Company involving employees (including contractual employees) as well as shareholders, consultants, vendors, suppliers, service providers, contractors, lenders, borrowers, outside agencies and/or any other parties having business relationship with the Company.

- How many stakeholder complaints have been received in the past financial year and what percentage was satisfactorily resolved by the management?**

Under the Anti-Fraud Policy, the Company had not received any complaint during the FY 2014-15.

The company had received 708 complaints from the shareholders of the Company during the FY 2014-15 in addition to 2 complaints pending at the beginning of the year. Out of which 709 complaints (99.86%) were resolved by March 31, 2015 leaving 1 complaint pending which is subjudice.

Further, the company had received 2398 complaints from the bondholders of the Company during the FY 2014-15 in addition to 4 complaints pending at the beginning of the year. Of these 2395 complaints (99.71%) complaints were resolved by March 31, 2015 leaving a balance of 7 complaints.

Principle 2

- 1. List up to 3 of your products or services whose design has incorporated social or environmental concerns, risks and/or opportunities.**

PFC has financial products like term loan, lease financing etc. for financing of renewable energy projects which are sustainable and environmentally benign. While sanctioning loans, PFC stipulates conditions including interalia environmental clearances.

PFC has a dedicated RE & CDM Group to focus and accelerate the development of business in the Renewable Energy Sector which includes Wind, Biomass, Small Hydro, Solar etc. The company offers special interest rates for Renewable Energy Generation Projects and considers providing financial assistance to all types of Renewable Energy Projects.

PFC has set up a wholly owned subsidiary viz. PFC Green Energy Limited to extend finance and financial services to promote green (renewable and non-conventional) sources of energy.

- 2. For each such product, provide the following details in respect of resource use (energy, water, raw material etc.) per unit of product (optional):**

Since PFC is not a Manufacturing Company and offers financial assistance to Power Sector projects only, following questions mentioned below are generally applicable to manufacturing sector.

- i. Reduction during sourcing/production/distribution achieved since the previous year throughout the value chain?**

Not Applicable.

- ii. Reduction during usage by consumers (energy, water) has been achieved since the previous year?**

Not Applicable.

- 3. Does the company have procedures in place for sustainable sourcing (including transportation)?**

Not Applicable.

- 4. Has the company taken any steps to procure goods and services from local & small producers, including communities surrounding their place of work? If yes, what steps have been taken to improve their capacity and capability of local and small vendors?**

Not Applicable.

- 5. Does the company have a mechanism to recycle products and waste? If yes what is the percentage of recycling of products and waste (separately as <5%, 5-10%, >10%). Also, provide details thereof, in about 50 words or so?**

Not Applicable

Principle 3

- 1. Please indicate the total number of employees.**

As on March 31, 2015 there were 450 employees in PFC.

- 2. Please indicate the total number of employees hired on temporary/contractual/casual basis.**

During the FY 2014-15, PFC hired 4 contractual employees for APDRP work. Further, PFC, utilizes the services of daily wagers, through a placement agency, based on requirement from time to time. Such daily wagers are not on the rolls of PFC but are on the rolls of the placement agency.

- 3. Please indicate the number of permanent women employees.**

As on March 31, 2015, there were 89 permanent women employees on the rolls of the company.

- 4. Please indicate the number of permanent employees with disabilities.**

As on March 31, 2015, there were 10 differently abled employees on the rolls of the company.

- 6. What percentage of your permanent employees is members of this recognized employee association?**

97.11% of the permanent employees are members of these recognized employee associations.

- 7. Please indicate the number of complaints relating to child labour, forced labour, involuntary labour, sexual harassment in the last financial year and pending, as on the end of the financial year.**

S.No.	Category	No. of complaints filed during the financial year	No. of complaints pending as on March 31, 2015
1	Child labour /forced labour /involuntary labour	Nil	
2	Sexual harassment		
3	Discriminatory employment		

8. What percentage of your under mentioned employees were given safety & skill up-gradation training in the last year?

- Permanent Employees- 77.78%
- Permanent Women Employees 89.89%
- Casual/Temporary/Contractual Employees 100% (Contractual Employees)
- Employees with Disabilities 90%

Principle 4

1. Has the company mapped its internal and external stakeholders?

Yes

2. Out of the above, has the company identified the disadvantaged, vulnerable & marginalized stakeholders?

All reserved category employees (SC/ST/OBC/PWD & Minorities) are identified as disadvantaged, vulnerable & marginalized stakeholders. As regards external stakeholders, the Company has identified SC/ST/OBC, Women, EWS, persons with disabilities (PWD) and people living in areas where access to electricity is poor, as disadvantaged, vulnerable & marginalized stakeholders and also communities affected by calamities.

3. Are there any special initiatives taken by the company to engage with the disadvantaged, vulnerable and marginalized stakeholders?

All Govt. of India directives are followed for engagement and at various levels of career progression for these people (all reserved category employees (SC/ST/OBC/PWD & Minorities)). Various infrastructure arrangements were made for benefits of PWD persons. Meritorious awards are being given to children of these categories along with other children by giving special relaxation in percentage of marks. Separate Liaison Officers are in place to look after the welfare of the employees in the ambit of this category. It is ensured that a person of reserved category of appropriate level is nominated as member in various selection and promotion committees to look into the interest of the employees of reserved categories.

Principle 5

1. Does the policy of the company on human rights cover only the company or extend to the Group/Joint Ventures/Suppliers/Contractors/NGOs/Others?

PFC follows good management practices to ensure welfare of its employees through a process of inclusive growth & development. The Company follows an open door policy whereby the employees can access the top management thereby contributing in the management and growth of the company. Commitment of the workforce is ensured through an effective package of welfare measures which include comprehensive insurance, medical facilities and other amenities which in turn lead to a healthy workforce. PFC lays great emphasis on upgrading the skills of its Human Resource. It benchmarks its practices with the best practices being followed in the corporate world. The Company stresses on the need to continuously upgrade the competencies of its employees and equip them to keep abreast of latest developments in the sector. The Company operates in a knowledge intensive business and is committed to enhancing these skills of its employees. In order to achieve this, the Company has an annual training plan to assess the various training needs. Necessary professional skills are also imparted across all levels of employees through customized training interventions. This leads to an effective management of Human Resource thereby ensuring high level of productivity.

2. How many stakeholder complaints have been received in the past financial year and what percent was satisfactorily resolved by the management?

The details of stakeholder complaints during FY 2014-15 are given herein below:

Particulars	No. of Complaints		
	Equity Shareholders	Bonds holders	Under Anti-Fraud Policy
Pending at the beginning	2	4	Nil
Received during the Year	708	2398	Nil
Disposed off during the Year	709	2395	Nil
Lying unresolved at the end of the Year	1	7	Nil
% of Complaints resolved	99.86%	99.71%	Nil

Principle 6

1. **Does the policy related to Principle 6 cover only the company or extends to the Group/Joint Ventures / Suppliers / Contractors / NGOs / others?**

The policy is embedded in company's various policies and practices and covers the Company as a whole.

2. **Does the company have strategies/initiatives to address global environmental issues such as climate change, global warming, etc.? Y/N. If yes, please give hyperlink for webpage etc.**

PFC is a socially conscious organization and fully endorses the nine principles of Global Compact enunciated by the United Nations Organization (UNO) which encompass areas of human rights, environmental protection and labour rights. These principles of Global Compact are embedded in various organizational policies of the Company thereby facilitating their implementation in a natural way.

PFC consistently strives towards meeting the expectations of the society through proper planning and decision making that will help in achieving a real and lasting reduction of social and economic disparities as well as protecting the environment. PFC continues to support activities that aim at improving the quality of life of both present and future generations and at the same time safeguarding the capacity of the earth to support life in all its diversity.

3. **Does the company identify and assess potential environmental risks?**

Since PFC is not a Manufacturing Company and offers financial products only, the question is not applicable to the Company.

4. **Does the company have any project related to Clean Development Mechanism? If so, provide details thereof, in about 50 words or so. Also, if yes, whether any environmental compliance report is filed?**

The above question is not applicable to PFC as it is not a manufacturing company. However, considering the emerging prospects in the development and financing of renewable energy sector, Company has set up a wholly owned subsidiary exclusively for funding renewable energy sector. While there is separate subsidiary for financing of renewable energy projects, your Company still continues to fund larger renewable energy projects and has a dedicated Renewable Energy Group to focus and accelerate the development of business in the Renewable Energy Sector.

The company provides financial support to Renewable Energy Generation projects like wind farms, small hydro projects, bio-mass projects and solar projects and also energy saving projects in the form of higher exposure and special rate of interest in State and Private sectors.

During the FY 2014-15, loans amounting to ₹1,065 crore with total capacity of 346 MW were sanctioned for State and Private sectors. PFC has also disbursed around ₹607 crore during the financial year. In addition, a loan of ₹24.40 crore has also been sanctioned to APSPDCL under energy saving project for setting up of 3000 solar pumps in AP.

As on March 31, 2015, PFC has cumulatively supported a total generation capacity of 1672 MW, extending financial assistance of ₹5,265 crore and disbursed ₹3,681 crore to all kinds of renewable energy projects with an aggregate project cost of ₹11,065 crore.
