MANAGEMENT DISCUSSION AND ANALYSIS REPORT

Industry structure and developments

The new government at the centre has infused optimism in the sentiments in general. The Reserve Bank of India has managed to bring down the CPI inflation to 6% from the double digit level of inflation which persisted over the previous two years. The Union Budget has also announced initiatives to boost investment. As a result, the outlook for the GDP growth has improved. However, the unseasonal rains and hailstorms during the last month could have adverse impact on the agriculture and CPI inflation. The Reserve Bank of India, in its endeavours to boost the pace of growth, reduced repo rate twice during the year. In its recent bimonthly policy, RBI has also indicated that it will continue to be accommodative in further easing of the rates if the inflation remains within the acceptable range and transmission to lending rates. It is therefore expected that the credit growth which had declined to 9% lowest in the decade from 14% during the previous year; is likely to improve during the new financial year. Even, net-interest margins are expected to follow the similar pattern after experiencing decline by the finance sector. However the Company has discontinued its operation since long and hence there is no major impact on company.

Opportunities and Threats

As the business of the Company had been stopped since 2000, the management is not searching any opportunities to restart any operation right now. Considering the present condition of the Company there is no threats to the company.

Segment-wise or product-wise performance

At present, the Company does not have any product or provide any services.

Outlook

Company do not envisage any business in the near future.

Risks and concerns

The company does not have any operational activities and income; however the company has income from other sources viz. interest on investments which may attract interest rate risk. The Company has made diversified investment in fixed deposit to mitigate risks posed by external environment.

Internal control systems and their adequacy

The Company has appointed external independent person to carry out internal audit of the Company. The present internal control mechanism is adequate to the size of the Company.

Discussion on financial performance with respect to operational performance

The Company does not have any operational activities and hence the financial performance of the company are not in favourable state.

Material developments in Human Resources

Company has appointed KMP in compliance of the Companies Act, 2013.

INDEPENDENT AUDITORS' REPORT

TO THE MEMBERS OF GUJARAT LEASE FINANCING LIMITED

Report on the Standalone Financial Statements

We have audited the accompanying standalone financial statements of **GUJARAT LEASE FINANCING LIMITED** ("the Company"), which comprise the Balance Sheet as at 31st March, 2016, the Statement of Profit and Loss and the Cash Flow Statement for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these standalone financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder and the Order under section 143 (11) of the Act.

We conducted our audit of the standalone financial statements in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the standalone financial statements.

Basis for Qualified Opinion

Attention is invited to the Note 2.21(c) regarding non-recognition of income of Rs.1,060.94 lacs (Previous year ended 31st March, 2015: Rs.1,060.94 lacs) being interest on income-tax refunds received in earlier years and consequential short provision of tax of Rs.277.21 lacs (Previous year ended 31st March, 2015: Rs. 277.21 lacs) for the reasons stated in the note.

Had the aforesaid amount of interest on income-tax refunds been accounted for in the books of account, the accumulated losses as at 31st March, 2016 would have been Rs.16,767.55 lacs (Previous year ended 31st March, 2015: Rs. 16,752.40 lacs) as against reported figure of Rs.17,551.28 lacs (Previous year ended 31st March, 2015: Rs. 17,536.13 lacs), provision for taxation (net of advance tax) would have been converted to advance tax net of provision Rs.1.67 lacs (Previous year ended 31st March, 2015: Rs. 1.79 lacs) as against reported figure of Rs.782.06 lacs (Previous year ended 31st March, 2015: Rs. 781.94 lacs).

This matter was also qualified in our report on the standalone financial statements for the year ended 31st March, 2015.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion paragraph above, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31st March, 2016, and its loss and its cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to Note 1 to the standalone financial statements regarding preparation of the financial statements of the Company on going concern basis for the reasons stated therein. The appropriateness of this assumption of going concern is dependent upon the continued support from one of the promoter group company and the resolution of the tax dispute referred to in the said note.

Our opinion is not modified in respect of this matter.

ANNEXURE A TO THE INDEPENDENT AUDITORS' REPORT

(Referred to in paragraph 1(h) under 'Report on Other Legal and Regulatory Requirements' of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **GUJARAT LEASE FINANCING LIMITED** ("the Company") as of 31st March, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ("the Guidance Note") issued by the Institute of Chartered Accountants of India and the Standards on Auditing prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, a material weakness has been identified in the Company's internal financial controls over financial reporting as at 31st March, 2016 with respect to the recognition of interest income on income-tax refunds.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial controls over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, to the best of our information and according to the explanations given to us, except for the possible effects of the material weakness described above on the achievement of the objectives of the control criteria, the Company has maintained, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

We have considered the material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the standalone financial statements of the Company for the year ended 31st March, 2016, and the material weakness has affected our opinion on the said standalone financial statements of the Company and we have issued a qualified opinion on the standalone financial statements of the Company.

NOTES FORMING PART OF STAND ALONE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2016

1) Corporate Information

The Company is a registered Non-banking finance Company ("NBFC"). However, the Company has ceased to carry on business as NBFC since 1999-2000. During the year, the Company has earned income from fixed deposits and sale of fixed asset.

During the year the Company has incurred loss amounting to Rs.15.15 lacs (2014-15: Rs.6.96 lacs). As at March 31, 2016, its negative net worth (excluding borrowing from and investments in subsidiaries) is Rs. 2,253.83 Lacs (March 31, 2015: Rs. 2,236.65 lacs) which is mainly represented by, borrowing from one of the promoter group company of Rs. 1,500 lacs (March 31, 2015: Rs. 1,500 lacs), (which as per the scheme of Compromise and arrangement (refer note 2.20) sanctioned by High Court of Gujarat in 2004 would not be repaid before repayment of all other liabilities). Further, the interest received of Rs. 1,060.94 lacs on Income tax refund of Rs.3,102.74 lacs and short provision of tax of Rs. 277.21 lacs resulting therefrom, is pending adjustment/accounting consequent to appeals filed by the Income tax Authorities against the refund order.

In view of the above, these financial statements have been prepared on going concern basis and do not include any adjustment relating to recorded amounts and the classification of asset and liabilities that might be necessary should the company be unable to continue as a going concern.

2) Significant Accounting Policies

a) Basis of preparation

The financial statements of the Company have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act"). The financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the financial statements are consistent with those followed in the previous year.

b) Use of estimates

The preparation of the financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

c) Other income

Interest income is accounted on an accrual basis. Dividend income is accounted for when the right to receive it is established.

d) Fixed Assets (Tangible)

Fixed assets are carried at cost less accumulated depreciation / amortisation and impairment losses, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use and other incidental expenses. Subsequent expenditure on fixed assets after its purchase is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

e) Depreciation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

f) Investments

Long-term investments are carried individually at cost less provision for diminution, other than temporary, in the value of such investments.

Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties.

g) Employee benefits

Employee benefits include provident fund, gratuity fund and compensated absences.

Defined contribution plans

The Company's contribution to provident fund are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

Defined benefit plans

The company has taken policy with the Life Insurance Corporation of India which covers the liability of gratuity to employees accruing under the Payment of Gratuity Act 1972. Annual premium on the basis of said policy is accounted for in the year of payment.

Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

The cost of short-term compensated absences is accounted as under:

- (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (b) in case of non-accumulating compensated absences, when the absences occur.

h) Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

i) Taxes on income

Current tax is determined on the basis of taxable income and tax credits computed for the Company in accordance with the applicable tax rates and the provisions of the Income Tax Act, 1961.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses and item relating to capital losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

j) Provisions and contingencies

A provision is recognised when the Company has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the accounting principles generally accepted in India, including the Accounting Standards prescribed under Section 133 of the Act. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditors' Responsibility

Our responsibility is to express an opinion on these consolidated financial statements based on our audit. While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.

We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our qualified audit opinion on the consolidated financial statements.

Basis for Qualified Opinion

Attention is invited to the Note 2.22-3(c) regarding non-recognition of income of Rs.1,060.94 lacs (Previous year ended 31st March, 2015: Rs.1,060.94 lacs) being interest on income-tax refunds received in earlier years and consequential short provision of tax of Rs.277.21 lacs (Previous year ended 31st March, 2015: Rs. 277.21 lacs) for the reasons stated in the note.

Had the aforesaid amount of interest on income-tax refunds been accounted for in the books of account, the accumulated losses as at 31st March, 2016 would have been Rs.16,769.96 lacs (Previous year ended 31st March, 2015: Rs. 16,750.24 lacs) as against reported figure of Rs.17,553.69 lacs (Previous year ended 31st March, 2015: Rs. 17,533.97 lacs), provision for taxation net of advance tax would have been converted to advance tax net of provision Rs.1.67 lacs (Previous year ended 31st March, 2015: Rs. 1.79 lacs) as against reported figure of Rs.782.06 lacs (Previous year ended 31st March, 2015: Rs. 781.94 lacs).

This matter was also qualified in our report on the consolidated financial statements for the year ended 31st March, 2015.

Qualified Opinion

In our opinion and to the best of our information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion paragraph above, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group as at 31st March, 2016, and their consolidated loss and their consolidated cash flows for the year ended on that date.

Emphasis of Matter

We draw attention to Note 1 to the consolidated financial statements regarding preparation of the financial statements of the Group on going concern basis for the reasons stated therein. The appropriateness of this assumption of going concern is dependent upon the continued support from one of the promoter group company and the resolution of the tax dispute referred to in the said note.

Our opinion is not modified in respect of this matter.

Other Matter

We did not audit the financial statements of three subsidiaries, whose financial statements reflect total assets of Rs.49.18 lacs as at 31st March, 2016, total revenues of Rs.7.98 lacs and net cash outflows amounting to Rs.0.56 lacs for the year ended on that date, as considered in the consolidated financial statements. These financial statements have been audited by other auditors whose reports have been furnished to us by the Management and our opinion on the consolidated financial statements, in so far as it relates to the amounts and disclosures included in respect of these subsidiaries, is based solely on the reports of the other auditors.

Our opinion on the consolidated financial statements, and our report on Other Legal and Regulatory Requirements below, is not modified in respect of the above matter with respect to our reliance on the work done and the reports of the other auditors.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR’S REPORT

(Referred to in paragraph 1 (h) under ‘Report on Other Legal and Regulatory Requirements’ of our report of even date)

Report on the Internal Financial Controls Over Financial Reporting under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of **GUJARAT LEASE FINANCING LIMITED** (hereinafter referred to as “the Holding Company”) and its subsidiary companies, as of 31st March 2016 in conjunction with our audit of the consolidated financial statements of the Holding Company for the year then ended.

Management’s Responsibility for Internal Financial Controls

The respective Board of Directors of the Holding Company and its subsidiary companies are responsible for establishing and maintaining internal financial controls based on the criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s Responsibility

Our responsibility is to express an opinion on the internal financial controls over financial reporting of the Holding Company and its subsidiary companies based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (“the Guidance Note”) issued by the Institute of Chartered Accountants of India and the Standards on Auditing, prescribed under Section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained and the audit evidence obtained by the other auditors of the subsidiary companies, in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our qualified audit opinion on the internal financial controls system over financial reporting of the aforesaid entities.

Meaning of Internal Financial Controls Over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Qualified Opinion

According to the information and explanations given to us and based on our audit, a material weakness has been identified in the Holding Company's internal financial controls over financial reporting as at 31st March, 2016 with respect to the recognition of interest income on income-tax refunds.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial controls over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, to the best of our information and according to the explanations given to us and taking into consideration the reports of the other auditors referred to in the Other Matters paragraph below, except for the possible effects of the material weakness described above on the achievement of the objectives of the control criteria, the Holding Company and its subsidiary companies, have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2016, based on the internal control over financial reporting criteria established by the respective companies considering the essential components of internal control stated in the Guidance Note issued by the Institute of Chartered Accountants of India.

We have considered the material weakness identified and reported above in determining the nature, timing, and extent of audit tests applied in our audit of the consolidated financial statements of the Company for the year ended 31st March, 2016, and the material weakness has affected our opinion on the said consolidated financial statements of the Company and we have issued a qualified opinion on the consolidated financial statements of the Company.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to the three subsidiary companies, is based on the corresponding reports of the auditors of such companies incorporated in India.

NOTES FORMEING PART OF THE CONSOLIDATED FINANCIAL STATEMENTS FOR THE YEAR ENDED 31st MARCH, 2016

1) Corporate Information

The Company and its three subsidiary companies (the 'Group') were engaged in the various spheres of financial services. However, the Group has ceased to carry out business since 1999-2000.

The Group has incurred a loss of Rs 19.72 lacs (2014-15: loss after tax Rs. 12.00 lacs) for the financial year ended March 31, 2016. As at March 31, 2016, the Group's negative net worth is Rs. 2,206.06 lacs (March 31, 2015: Rs. 2,186.34 lacs) which is mainly represented by, borrowing from the one of the promoter group company of Rs. 1,500 lacs (March 31, 2015: Rs.1,500.00 lacs) (which borrowing as per the Scheme of Compromise and Arrangement (Refer note 2.22-2) sanctioned in 2004 by High Court of Gujarat, would not be repaid before repayment of all other liabilities). Further, the interest received of Rs. 1,060.94 lacs on Income tax refund of Rs.3,102.74 lacs and short provision of tax of Rs. 277.21 lacs resulting therefrom, is pending adjustment/accounting consequent to appeals filed by the Income tax Authorities against the refund order.

In view of the above, these financial statements have been prepared on going concern basis and do not include any adjustment relating to recorded amounts and the classification of asset and liabilities that might be necessary should the company be unable to continue as a going concern.

2) BASIS OF CONSOLIDATION AND SIGNIFICANT ACCOUNTING POLICIES

a) Basis of preparation

The consolidated financial statements of the Group have been prepared in accordance with the Generally Accepted Accounting Principles in India (Indian GAAP) to comply with the Accounting Standards specified under Section 133 of the Companies Act, 2013 and the relevant provisions of the Companies Act, 2013 ("the 2013 Act"). The consolidated financial statements have been prepared on accrual basis under the historical cost convention. The accounting policies adopted in the preparation of the consolidated financial statements are consistent with those followed in the previous year.

b) Principles of Consolidation

The consolidated financial statements relate to Gujarat Lease Financing Limited (the 'Company') and its subsidiary companies. The consolidated financial statements have been prepared on the following basis:

- i) The financial statements of the subsidiary companies used in the consolidation are drawn up to the same reporting date as that of the Company i.e., 31 March, 2016.
- ii) The financial statements of the Company and its subsidiary companies have been combined on a line-by-line basis by adding together like items of assets, liabilities, income and expenses, after eliminating intra-group balances and intra-group transactions in accordance with Accounting Standard (AS) 21, "Consolidate Financial Statements".
- iii) Following subsidiary companies have been considered in the preparation of the consolidated financial statements:

Name of the entity	Relationship	Country of Incorporation	Ownership held by	% of Holding	
				31 March, 2016	31 March, 2015
GLFL Securities Limited	Subsidiary	India	Gujarat Lease Financing Limited	100%	100%
GLFL housing Finance Limited	Subsidiary	India	Gujarat Lease Financing Limited	100%	100%
GLFL International Limited	Subsidiary	India	Gujarat Lease Financing Limited	100%	100%

- iv) The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible, in the same manner as the Company's separate financial statements.

c) Use of estimates

The preparation of the Consolidated financial statements in conformity with Indian GAAP requires the Management to make estimates and assumptions considered in the reported amounts of assets and liabilities (including contingent liabilities) and the reported income and expenses during the year. The Management believes that the estimates used in preparation of the financial statements are prudent and reasonable. Future results could differ due to these

estimates and the differences between the actual results and the estimates are recognised in the periods in which the results are known / materialise.

d) Revenue Recognition

Revenue is recognized when no significant uncertainty as to the measurability or collectability exists.

e) Other income

Interest income is accounted on an accrual basis. Dividend income is accounted for when the right to receive it is established.

f) Fixed Assets (Tangible)

Fixed assets are carried at cost less accumulated depreciation / amortisation and impairment losses, if any. The cost of fixed assets comprises its purchase price net of any trade discounts and rebates, any import duties and other taxes (other than those subsequently recoverable from the tax authorities), any directly attributable expenditure on making the asset ready for its intended use and other incidental expenses. Subsequent expenditure on fixed assets after its purchase is capitalised only if such expenditure results in an increase in the future benefits from such asset beyond its previously assessed standard of performance.

g) Depreciation

Depreciable amount for assets is the cost of an asset, or other amount substituted for cost, less its estimated residual value.

Depreciation on tangible fixed assets has been provided on the straight-line method as per the useful life prescribed in Schedule II to the Companies Act, 2013.

h) Investments

Long-term investments are carried individually at cost less provision for diminution, other than temporary, in the value of such investments.

Current investments are carried individually, at the lower of cost and fair value. Cost of investments include acquisition charges such as brokerage, fees and duties.

i) Inventories (Stock-in-trade)

Stock in Trade is valued at cost or market value whichever is lower.

j) Employee benefits

Employee benefits include provident fund, gratuity fund and compensated absences.

Defined contribution plans

The Company's contribution to provident fund are considered as defined contribution plans and are charged as an expense based on the amount of contribution required to be made and when services are rendered by the employees.

Defined benefit plans

The Company has taken policy with the Life Insurance Corporation of India which covers the liability of gratuity to employees accruing under the Payment of Gratuity Act 1972. Annual premium on the basis of said policy is accounted for in the year of payment.

Short-term employee benefits

The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees are recognised during the year when the employees render the service. These benefits include compensated absences which are expected to occur within twelve months after the end of the period in which the employee renders the related service.

The cost of short-term compensated absences is accounted as under:

- (a) in case of accumulated compensated absences, when employees render the services that increase their entitlement of future compensated absences; and
- (b) in case of non-accumulating compensated absences, when the absences occur.

k) Earnings per share

Basic earnings per share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) by the weighted average number of equity shares outstanding during the year. Diluted earnings per

share is computed by dividing the profit / (loss) after tax (including the post-tax effect of extraordinary items, if any) as adjusted for dividend, interest and other charges to expense or income (net of any attributable taxes) relating to the dilutive potential equity shares, by the weighted average number of equity shares considered for deriving basic earnings per share and the weighted average number of equity shares which could have been issued on the conversion of all dilutive potential equity shares.

l) Taxes on income

Current tax is determined on the basis of taxable income for each of the entities in the Group in accordance with the applicable tax rates and the provisions of the Income tax Act, 1961.

Deferred tax is recognised on timing differences, being the differences between the taxable income and the accounting income that originate in one period and are capable of reversal in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantively enacted as at the reporting date. Deferred tax liabilities are recognised for all timing differences. Deferred tax assets are recognised for timing differences of items other than unabsorbed depreciation and carry forward losses only to the extent that reasonable certainty exists that sufficient future taxable income will be available against which these can be realised. However, if there are unabsorbed depreciation and carry forward of losses, deferred tax assets are recognised only if there is virtual certainty supported by convincing evidence that there will be sufficient future taxable income available to realise the assets. Deferred tax assets and liabilities are offset if such items relate to taxes on income levied by the same governing tax laws and the Company has a legally enforceable right for such set off. Deferred tax assets are reviewed at each balance sheet date for their realisability.

m) Provisions and contingencies

A provision is recognised when the Group has a present obligation as a result of past events and it is probable that an outflow of resources will be required to settle the obligation in respect of which a reliable estimate can be made. Provisions (excluding retirement benefits) are not discounted to their present value and are determined based on the best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current best estimates. Contingent liabilities are disclosed in the Notes. Contingent assets are not recognised in the financial statements.

2.22 Notes to the Consolidated Financial Statement

1. Contingent Liabilities

- (a) Uncalled/unpaid liability for partly paid-up shares amounts to Rs 66.08 lacs (As at March 31, 2015 Rs. 66.08 lacs).
- (b) Disputed income tax amounting to Rs. 277.21 lacs (As at March 31, 2015 Rs. 277.21 lacs). (Ref. Note No. 3 below)

2. Hon'ble High Court had sanctioned the scheme of compromise and arrangement between GLFL and consortium of 16 banks on 27th July, 2004 under section 391 of the Companies Act, 1956 and made the payment in the accounting year 2004-05 to banks as per High Court order. However, the final deed of Assignment of the charged assets in favour of banks is yet to be entered into.

3. Income Tax

- (a) In view of unabsorbed losses and in the absence of taxable income under the provisions of the Income Tax Act, 1961 in the current year, the Company believes that there will be no tax liability (including the tax liability u/s. 115J(B) as advised by Tax Consultant). Accordingly, no provision for income tax has been made in the accounts under review.
 - (b) The Company has unabsorbed depreciation and carry forward losses under the Income Tax Act, 1961. In the absence of virtual certainty of sufficient future taxable income, net deferred tax assets are not recognized in the accounts.

In view of opinion received from the Tax Consultants and pendency of appeals, the Company has, as a matter of prudence neither adjusted the short provision of tax of Rs. 277.21 lacs (As at March 31, 2015 Rs. 277.21 lacs) nor recognised the interest received on tax refund amounting to Rs. 1,060.94 lacs (As at March 31, 2015 Rs. 1,060.94 lacs). Necessary entries for the same shall be made on settlement of pending matters/disputes with the tax/appellate authorities.
