Forward-Looking Statement

In this Annual Report, we have shared information and made forward-looking statements to enable investors to know our product portfolio, business logic and direction and thereby comprehend our prospects. Such and other statements – written and oral – that we may periodically make are based on our assumptions. We have tried wherever possible to identify such statements by using words such as 'anticipate', 'estimate', 'intend', 'plan', 'project' and words of similar substance in connection with any discussion of future performance. We cannot guarantee that these forward-looking statements will be realised although we believe we have been prudent in our assumptions. The achievement of results is subject to uncertainties, risks and even inaccurate assumptions. If uncertainties or known or unknown risks materialise or if underlying assumptions prove inaccurate, actual results can vary materially from those anticipated, estimated, intended, planned or projected. We undertake no obligation to publicly update any forward-looking statements, whether as a result of new information, future events or otherwise.

BRINGING SCIENCE TO EVERYDAY LIFE

At CFS, we go beyond the cold intellectual realm of science to explore, discover and innovate new ways to emotionally connect with customers everyday. We cater to the increasing demands of modern day living with high quality products for food, petfood and animal nutrition sectors as well as flavours, fragrances, dyes, pigments, biodiesel, petrochemicals, agrochemicals, pharmaceuticals, cosmetics, textile and tanning industries. Over the last three decades, we have earned customer loyalty with our knowledge, product offering and customer service.

MANAGING DIRECTOR'S MESSAGE

Dear Fellow Shareholders,

These are interesting times at CFS. Over the last few years, we have been strategically focussing on integration. Let me take you through our integration journey briefly: we started with backward integration in 2011 with CFS Europe, our Diphenol plant at Ravenna Italy. We have vertically integrated our downstream products like TBHQ, BHA, 4-TBC, Guaiacol, etc. to ensure the stability of our products, their supply, quality assurance, traceability, transparency and their provision at the most competitive price. We then started on our forward integration journey to get closer to our customers, by offering them customised solutions and opening our sales and marketing offices in markets like North, Central and South America, and in Asia.

Today, we stand on a firm footing as the integration journey is progressing. We are poised and prepared to unlock new possibilities and potential as we straddle the entire value chain – from manufacturing to marketing.

With the global population touching nearly 7.4 billion, the potential for expansion and growth is unprecedented. CFS is geared to capitalise on this huge opportunity and reach out and touch lives of people all over the world. Pet and farm animals is another market where we are poised to expand strongly in the future.

Shelf Life Solutions, we believe, is a very promising space. We are focussed to be wherever there's a need for Shelf Life Solutions, no matter how challenging the path. We expanded our Shelf Life Solution business with forward integration into antioxidant blends. We are expanding our global reach to address the pet food and animal nutrition markets in different geographies. We believe in closely working with our customers with the aim to provide easy access, enhanced timely delivery and offer cost-effectiveness through superior output of our products and services.

- We set up CFS North America, LLC, a 100% owned subsidiary of Camlin Fine Sciences Ltd., to focus on the development, manufacturing and selling of customised antioxidant blends to the food, petfood and animal feed industries
- In January 2016, we started our operations in Central

America with the launch of CFS Antioxidantes De Mexico, S.A. de C.V., a 100% subsidiary of Camlin Fine Sciences Ltd. To further strengthen our presence and reach to our customers in Central America, we acquired 65% stake in Dresen Química S.A.P.I de C.V, a leading food and feed blend company in Mexico

- One of the key highlights of this year is our partnership with Dresen, a leading blend company catering to pet food and animal nutrition industry. In addition to antioxidant products, Dresen also has many products in its portfolio which we will now be able to offer to our existing and new clients
- Our subsidiary in Brazil established in 2013-14, continues to channelise its resources and expertise in developing antioxidant blends and catering to the food, pet food and animal nutrition industries

With this, we have covered the length and breadth of American continents to serve them better,

- To strengthen our foothold in China, we are in the process of setting up a 100% subsidiary company which should commence from mid next year

With the world moving towards natural sources, we introduced a range of natural antioxidants under the brand name 'NaSure' - plant-based extracts like Rosemary extract, Green tea extract and Natural Tocopherols.

We will leverage every opportunity in the antioxidant segment by bringing in tailor-made blends with applications in fats and oils, fried snack foods, bakery, confectionery and dairy products. With the addition of the blends, the customers would not only have complete traceability from raw material to finished product, but also better control over their product basket.

We are in the process of setting up operations in European Union (EU) to focus on developing customised blends for food, petfood and animal nutrition industries.

Our Performance Chemicals division introduced new products during the year. We continue to focus on deeper market penetration by adding distribution channels in newer geographies. We will be setting up a distribution hub in China and plan to enter into other key markets like North and Latin America. Our vision is to become a major Diphenol supplier in the world and our Dahej project is underway to make this a reality. We are awaiting environmental clearance to begin execution of Dahej project. We would further build on our strength of Diphenols by expanding our portfolio with newer Hydroquinone and Catechol derivatives.

In our manufacturing facilities, we have successfully implemented process improvement measures for Hydroquinone and Catechol in Italy and in Tarapur to optimise cost and capacities. This has also given a boost to Guaiacol capacity this year.

Our Aroma Ingredients business is at a nascent stage. This year, we have introduced Evanil, a potent form of vanillin. We are also developing vanillin blends to widen the application for bakery and dairy applications.

At CFS, we have been consistently investing in augmenting our capabilities and competencies by expanding our reach and presence, building our sales teams and enhancing our innovation and research & development strength. The Company's Shelf Life Solutions Development, Testing and Applications Laboratory at its head office has begun its operations in full swing. This Centralised laboratory of CFS is equipped to provide technical expertise and support to the various CFS application laboratories located globally for developing formulations and blends to cater to the food, petfood and animal nutrition industries.

- Consolidated Gross Sales (inclusive of net sales and purchases between CFSL and its subsidiaries) for the financial year ending on 31st March, 2016 is at ₹ 50,422.83 Lacs in comparison with that of previous financial year ending on 31st March, 2015 at ₹ 57,057.68 Lacs
- Consolidated EBIDTA (before exceptional item) for the year was ₹ 9,606.71 Lacs compared to ₹ 9,289.02 Lacs of the previous year
- Consolidated PBT (before exceptional items) for the year was ₹ 5,456.57 Lacs compared to ₹ 5,247.83 Lacs of the previous year
- Consolidated Cash Accruals (before exceptional item & tax) for the 12 months period ending on 31st March, 2016 is at ₹ 7,162.00 Lacs in comparison with that of previous financial year ending on 31st March, 2015 at ₹ 6,001.70 Lacs

The Company has shown stability with respect to volumes in this financial year for the entire product

portfolio besides capturing new product segments. However, the negative impact on values due to the drop in sales prices driven by drop in crude oil prices, have effectively reduced the sales value though there has been a positive impact on material/input costs arising due to fall in chemical prices.

We continue to plough back our surplus in enhancing our capabilities, which, we are confident, will enable and ensure our future growth in the long term.

As a responsible corporate citizen, we are committed through our various interventions in aiding child education, nutrition and health-care. We continue to adhere to highest level of compliance and governance, and have always advocated fairness and transparency in our organisation. We are building our people strength, especially outside India where we currently have approximately 152 people. As we grow, we are adding a rich diversity and ensuring inclusiveness that makes us truly a global organisation.

I am convinced that CFS is poised for a sustained phase of growth. We have got all the building blocks in place.

Our passion will earn us customer satisfaction and a distinct place in the world of fine sciences as we continue bringing science to everyday life.

Thank you for your trust and faith in CFS.

With regards,

Ashish S. Dandekar

State of Affairs

Your Company is engaged in research, development, manufacturing, commercialising, and marketing of speciality chemicals and blends which are used in a wide array of food, feed, animal and pet nutrition and industrial products. Our business is categorised into three key verticals namely:

(i) Shelf-life Extension Solutions; (ii) Aroma Ingredients; and (iii) Performance Chemicals. We have recently added animal nutrition products to our portfolio pursuant to our recent acquisition of 65% stake in Dresen Quimica SAPI De CV, Mexico (Dresen) and going forward we expect this to complement our Shelf-life Extension Solutions portfolio. We market our products globally including in Europe, Asia Pacific, India, South and Central America and North America.

Shelf-life Extension Solutions include a range of antioxidant solutions used to increase the shelf life of oils and fats, which in turn is used in processed food products like bakery, confectionery, fried snack foods, dairy, animal feed and pet food. We also manufacture antioxidant blends ("Blending Business"), which we market under brands "Xtendra" and "NaSure".

Aroma Ingredients vertical primarily includes production of Vanillin and Ethyl Vanillin ("Vanillin Products") which are marketed under the brands "Vanesse" and "Evanil." The key raw materials used to manufacture Vanillin Products are Guaiacol and Guethol, respectively, which in turn are derived from Catechol. Vanillin Products are used to give food and beverages a flavour of vanilla, to enhance other flavours or to mask unwanted flavours and are used in food, flavour and fragrance, incense sticks, pharma and cattle feed segments.

Performance Chemicals vertical includes production of amongst others, Guaiacol, Veratrole, TBC and MEHQ, which are derivatives of either Catechol or Hydroquinone and have wide application in sectors such as food flavouring, pharmaceuticals intermediate, agrochemicals, dyes and pigments and fragrance industry.

Dresen manufactures and markets a range of animal nutrition products, antioxidants, adsorbents, acidifying agents, bactericides, binders and mould inhibitor.

Reserves

During the year under the review, the Company has transferred ₹ 130.00 Lacs to the General Reserve from the amounts available for appropriation.

Dividend

Your Directors are pleased to recommend payment of dividend at the rate of ₹ 0.45 per equity share (i.e. 45%).

The Company had transferred a sum of ₹ 0.99 Lacs during the financial year to the Investor Education and Protection Fund established by the Central Government. The said amount represents Unclaimed Dividend for the financial year 2007-2008 with the Company for a period of 7 years from the due date of payment.

MANAGEMENT DISCUSSION AND ANALYSIS:

Your Company's business comprises of three key verticals – Shelf Life Solutions, Aroma Ingredients and Performance Chemicals.

1. SHELF LIFE SOLUTIONS:

Camlin Fine Sciences Ltd. (CFS) is a leading producer and exporter of Shelf Life Solutions (SLS) viz. antioxidants TBHQ and BHA, having more than 45% of the market share. The Company is fully integrated with an assured supply of the key raw materials through its 100% subsidiary CFS Europe SpA, having its manufacturing facility in Italy.

On a global front, Financial Year (FY) 2015-16 was a challenging year for the antioxidants industry. The price of oil fell rapidly during the last 2 years, thereby causing the cost of WTI crude to fall, which did not recover until April 2016. This has resulted in drop in prices of petroleum products across different regions and has weakened the market sentiments. This has also consequently impacted the raw material prices for antioxidant market. In spite of this market volatility, the Company has maintained its market share in both TBHQ & BHA bulk business. The Company has shown stability w.r.t volumes in this financial year for the entire products portfolio besides capturing new product segments. However, the negative impact on values due to the drop in sales prices driven by drop in crude oil prices, resulted in the reduction of the sales value though there has been positive impact on material/input costs due to fall in chemical prices.

During the FY 2015-16, CFS has focused on expanding the SLS business by making large investments in building technical capabilities, widening product portfolio capacities, increasing sales and marketing teams, enhancing development and testing of products by setting up Applications laboratory. Our strategy of moving into forward integration of antioxidant blends is now under active implementation at a global level. The markets for such antioxidant blends would cater to three main end-users – human food, pet food and animal nutrition. During the year under review, CFS built a product portfolio to address each of the above markets through our expert global team. The Company's understanding of its customer has made the basket of products very relevant to the market needs.

To maintain the Company's leadership position and with severe pressure on the selling price due to competition, in the FY 2015-16, CFS focussed on process improvements in its R & D Centre at Tarapur, India to optimize cost and capabilities. Our process development lab through its experienced team has shown successful results during the year by obtaining cost reduction.

Testing and Applications Laboratory which were commissioned in early 2015 at the Company's Head Office in Mumbai, has gathered momentum. The main areas of work for FY 2015-16 included new development of antioxidant and aroma blends, evaluation trials, analysis and commercial scale feasibility of new ingredients, blends and application products, process improvements for blends, technical and sales support for the food, animal feed and petfood industry for our offices/markets in different parts of the world. The laboratory provides the customers with a unique collaborative approach for product design and development.

With the world moving towards natural products, surveys indicate preference of natural antioxidants in certain markets. CFS introduced a range of natural antioxidants under the brand name 'NaSure' - plant based extracts like Rosemary extract, Green tea extract and Natural Tocopherols.

GLOBAL OPERATIONS

CFS do Brasil Indústria, Comércio, Importação e Exportação de Aditivos Alimentícios Ltda. (CFS do Brasil)

CFS do Brasil, strategically located in Indaiatuba, near São Paulo, Brazil serves customers in Latin America. In 2015, CFS do Brasil focused on building its product portfolio, testing methods and other technical developments for the food, pet food and animal nutrition industries.

It now has a fully functional plant to serve the human and pet food industry. By first quarter of the FY 2017-18, the facility will be ready to produce for the animal nutrition industry. CFS sales team includes experts in each of these areas and are currently reaching out to these markets. The benefit of this investment made during the year, will be seen in the coming years.

For all its relevant markets and applications, the Company's products comply with Kosher and ISO 22000:2005 requirements.

CFS North America, LLC

CFS North America, LLC, (CFSNA) 100% owned subsidiary of CFS was incorporated in third quarter of FY 2015-16, which is headquartered in Urbandale, Iowa. During the year, CFSNA hired an expert team in the US including for technical, operations, sales and marketing functions. The Customer Application and Testing laboratory is under construction and will be completed in first quarter of FY 2016-17. The benefit of the large investment made in the US market will be seen from next year when CFSNA begins its operations.

CFS Antioxidantes De Mexico, S.A. de C.V.

In forth quarter of FY 2015-16, the Company started its operations in Central America with the incorporation of CFS Antioxidantes De Mexico, S.A. de C.V. (CFSM) a 100 % subsidiary of CFS. This was launched with the aim of gaining presence and reaching out to its customers in Mexico, Central America, Caribbean and Andean region.

This was further boosted with CFMS entering into a share purchase agreement to acquire 65% of Dresen Quimica S.A.P.I de C.V., ('Dresen') in Mexico. Dresen is a leading antioxidant blend Company located in Mexico, Central America, some Latin American countries with its 100% subsidiaries in Peru, Gautamala, Columbia, Dominican Republic and a branch office in Cuba. With this acquisition, CFS will get access to new markets/ customers as well as access to a portfolio of products, which are focused on animal nutrition markets. Dresen has several products other than antioxidants in its portfolio, which have a good potential in the animal nutrition area. CFS will take this product portfolio in the coming year to Brazil, North America, Europe, and Asia, to address the animal nutrition markets in those geographies.

CFS Europe S.p.A (CFSE)

CFS has also initiated the process to set-up an operation to address the EU and East European markets for Shelf Life Solutions. During the FY 2015-16, the Company hired a team of experts to address this market. The Company has initiated the process of identifying a suitable location in Italy for manufacturing antioxidant blends and other portfolio of products.

Also, CFSE has initiated the process to identify a location to house a technical applications and testing laboratory in Denmark. CFSE is expected to complete the construction of both the manufacturing facility and the laboratory by third quarter of FY 2016-17 and will begin its operations in the subsequent quarter.

CFS International Trading (Shanghai) Ltd.

The process of setting up of Company's 100% owned subsidiary in China to address the local market is in progress. CFS has started hiring the team in China and expects to commence the business from second quarter FY 2016-17.

II. AROMA INGREDIENTS

Vanillin and Ethyl Vanillin

The Company has gained focus on Vanillin & Ethyl Vanillin under the brand name Vanesse and Evanil respectively, with its venture into aroma segment in FY 2014. At its manufacturing plant in Ravenna, Italy, CFSE produces Catechol, the basic ingredient used to make vanillin and ethyl vanillin. As one the leading manufacturers and the only Indian manufacturer of these products from Catechol origin, CFS uses an environment friendly and clean process most trusted by the food and flavor industry. The Company makes all key ingredients in-house and has positioned itself as a quality global vanillin player.

The Company has state-of-the-art R&D facility in-house which works on technological improvement and ensures the highest standards of ingredient quality and food safety in our process offering complete traceability from Catechol to Vanillin [Vanesse]. Each batch is carefully tested by food flavourists and enables the Company to deliver customer's requirement with consistency and desired aromatic notes. Its catechol-guaiacol based vanillin is a preferred product in advanced markets of US/EU compared to that of Chinese supplier [made from toluene] due to quality or health hazard concerns.

The Company recently launched, Ethyl Vanillin, under the brand name 'Evanil' produced from Catechol-Guethol route. It is two to three times more potent than vanillin. It offers more concentrated flavor profile with added advantage to certain segments and applications.

During the year, process improvements have been initiated in Italy as well as in Tarapur, India to optimize cost and capacities. The full impact of these process

improvements in Catechol downstream products will be seen in coming years.

This year would focus on development of Vanillin and Ethyl Vanillin flavor blends for bakery applications. Application trails are on with flavor blends in bakery and dairy products.

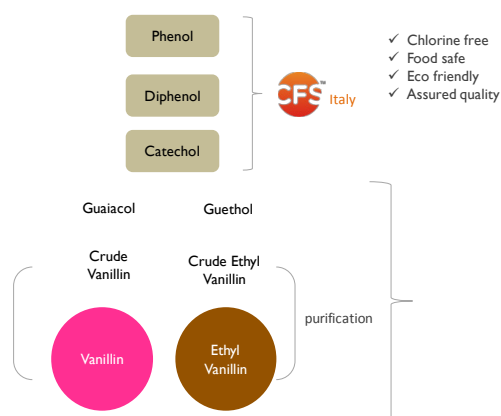

Figure 1.0: Production steps

Application related information (For Vanillin & Ethyl Vanillin) -

Segments	Application
Food and Beverages	Bakery, Biscuits, Cake, Cake Premixes, Muffin, Donuts, Pan Cake, Ice Cream, Dark Chocolate, Milk Chocolate, Confectionery (Soft-centre sweets, Fondants Candy Soft/Hard, Fudge, Marshmallow, Chewing gum etc.), Nutritional and Health Supplements Powder, Drinking Chocolate, Puddings, Custard Powder, Flavored Milk, Vanilla powder etc.
Flavor & Fragrances	Flavors, Fragrance in Personal care products, Perfumes, Attar,
Incense Sticks Segment	Masala and Scented Incense Sticks, Loban and Dhoop
Pharmaceuticals	Medicinal Syrups, Compressed Tablets, Chewable tablets, Active Pharmaceutical Ingredients [API]
Animal Nutrition	Cattle Feed

Purpose of using Vanillin & Ethyl Vanillin - Vanillin & Ethyl Vanillin products are used to give food and beverages a flavour of vanilla, to enhance other flavours or to mask or smoothen unwanted off-flavours. Usage of Vanillin & Ethyl Vanillin depends upon labelling requirements, Cost in use,

Process requirement (Solubility, Intensity, Temperature), personal taste and geographical differences.

III. PERFORMANCE CHEMICALS

The process improvement measures were initiated in CFSE to optimize cost and capacities. The full impact of these measures for Hydroquinone and Catechol production in Italy will be seen in FY 2016-17. The R&D team's constant focus is on the development of Diphenol downstream products by commercializing newly developed products, by enhancing the capacities with new and improved processes along with technological upgradations.

The Vapor phase methylation technology for converting Catechol to Guaiacol has been successfully implemented. The process is continuous, economical and environment friendly. Due to the uniqueness of the process, the Company has successfully made an application to register this process patent. The Company has doubled its Guaiacol capacity to 4000 TPA this year.

During this year, the Performance Chemicals Division has introduced new products such as 4-Methoxy Acetophenone (4-MAP) to catering to aromatics, dyes and pigment industry. The Company will focus on deeper market penetration, by adding distribution channels in newer geographies. The Company has already commissioned distribution hub in China and have plans to enter into other key markets like North and Latin America.

The Company has enhanced the capacity of Tertiary Butyl Catechol (TBC) and Hydroquinone Monomethyl Ether, used as polymerization inhibitor for the petrochemical industry. This is to serve the global customers. The Company has received product approvals and is poised to initiate its supplies to markets such as India, China, Europe and America.

Veratrole another important downstream product developed and commercialized by the Company has captured 70% market share in 2015-16. This product is an important intermediate for the pharmaceutical and agrochemical industry and well accepted in India and international market.

Asia Pacific region [APAC] leads the cosmetic industry with a market share of 35% in 2014 and is the region of focus for the cosmetics providers. 4-Methoxy Acetophenone (4-MAP) is an aromatic chemical compound and is used as a chemical intermediate in manufacturing of cosmetic additives like Avobenzene, resins & flavoring agents and in bulk pharmaceuticals

has gained momentum due to this. There are very few manufacturers of this product in the world. Production has commenced in fourth quarter FY 2016 and the product trials are being conducted. Customer approvals are under process.

New Project at SEZ Dahej, Gujarat for Hydroquinone, Catechol and Vanillin manufacturing within the SEZ set up.

The Company has purchased land admeasuring 67,507.15 sq. mts. situated at Dahej SEZ, located in Vagra Taluka of western part of Bharuch District, Gujarat. The work for setting up a plant for manufacturing Catechol/Hydroquinone/Vanillin is in progress. Due its good connectivity via road, National Highway (NH-8) and railway - both connecting to major metros like New Delhi and Mumbai makes it beneficial for gaining logistical support too.

The main driver for this expansion project is to become a major Diphenol supplier in the world, with product portfolio having a growing demand globally for HQ, Catechol and Vanillin as well as its derivative/down-stream products for expanding its Performance Chemicals portfolio.

With regards to its progress, the Company has applied for environment clearance on the project. It has appointed the Project management Consultant of international repute and the project is expected to be in commercial production from FY 2018-19 and is moving as per schedule.

RISKS AND CONCERNS:

In international markets, there are always associated risks, but also possibilities of potential gains

CFS maintains a strategic approach to risk management. Regardless of the Company's stage of growth, CFS has the ability to identify and manage risk that stands out as a vital element of success. The Company approaches it professionally and innovatively to reap its rewards and accelerate growth. The Company's expansion strategy includes expansion into various countries around the world. While the Company's effort is to limit its exposure by entering only countries where the political, social and economic environments are conducive to doing business, there can be no assurances that the respective business environments will always remain favorable. The Company is constantly reviewing the risk aspects that may impact it adversely. It is the de-risking ability of the Company which makes the difference.

The availability of key raw materials from international

sources at the right quantity and at right price is also a risk factor associated with the business of The Company. However the Company has mitigated this risk with CFS Europe SpA., which facilitates backward integration. The main raw material supplies are thus available at the right quantity and at right price. Through proper planning and with due diligence and compliance of all aspect of transfer pricing, currency impacts within transfer pricing and its monitoring on regular basis is ensured. Besides, the risk of over dependence on few overseas suppliers for key raw material and its price sensitivity has been take care with this facility.

Further, on the international currencies front, volatility of exchange rate is a matter of concern for a Company because major sales are in the form of exports worldwide besides corresponding imports in foreign currency for key raw materials. However, the risk associated with currency fluctuation has been mitigated by effective forex management policy along with judicious use of natural hedge provided by exports against its imports in view of the Company being the net exporter on the currency front. The Company still believes in adopting a very conservative and cautious forex policy to avoid any unwarranted effects of currency volatility.

As regards inflationary pressures and its impacts on the cost of manufacturing, the Company has taken suitable cost control steps at various levels of operations. The costs are being monitored regularly to ensure that they would not affect the operating margins of the Company. Correspondingly, the steps taken by the Company for process re-engineering, process improvements, yield improvements, technological up-gradation and other cost saving measures have resulted in cost optimisation. Overall, these measures have been fructified in improving the margins not only for existing core products but also for newly developed down-stream products.

Lack of clarity on future Government policies continues to be an area of major concern for the industry. The full impact of this cannot be assessed until the proposed changes are actually introduced and implemented.

INFORMATION & TECHNOLOGY:

In line with the overall growth objective and strengthening of infrastructure base, the Company had invested in Information Technology (IT) viz. SAP Enterprising Resource Planning system for leveraging its business values. Through implementation of SAP the Company has improved its operational efficiencies, inventory minimization and cost optimization not only for its Indian operations but also in its overseas manufacturing operations at Italy & Brazil.

The Company views SAP as a strategic tool to enhance

its operational efficiencies, through various functional integration.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company has adequate internal control procedures commensurate with its size and nature of business in India and also at its subsidiaries abroad. The Company has clearly laid down policies, guidelines and procedures that form a part of the internal control systems. The adequacy of Internal Control Systems, which encompasses the Company's business processes and financial reporting systems, is examined by the management as well as by its internal auditors at regular intervals. The internal auditors carry out audits at regular intervals in order to identify weaknesses and suggest improvements for better functioning. The observations and recommendations of the Internal Auditors are discussed by the Audit Committee, to ensure effective corrective action.

ANNEXURE A TO CORPORATE GOVERNANCE REPORT

NOMINATION AND REMUNERATION POLICY

INTRODUCTION

In pursuance of the Company's policy to consider human resources as its invaluable assets, to pay equitable remuneration to all Directors, key managerial personnel and employees of the Company, to harmonize the aspirations of human resources consistent with the goals of the Company and in terms of the provisions of the Companies Act, 2013 and the Listing Agreement with the stock exchanges (as amended from time to time), this policy on nomination and remuneration of Directors, Key Managerial Personnel (KMP) and Senior Management has been formulated by the Nomination and Remuneration Committee ("the Committee") and approved by the Board of Directors of the Company. The Committee plays a dual role of,

- Identifying potential candidates for becoming members of the Board and determining the composition of the Board based on the need and requirement of the Company from time to time and also identify persons to be recruited in the senior management of the Company; and
- To ensure the Companies compensation packages and other human resource practices are effective in maintaining a competent workforce and to lay down a framework in relation to remuneration of directors, KMP, senior management personnel and other employees.

OBJECTIVES

This Policy shall be in compliance with Section 178 of the Companies Act, 2013 read along with the applicable rules thereto and Clause 49 under the Listing Agreement. The key objectives of the Committee are as follows:

- a) To guide the Board in relation to appointment and removal of Directors, Key Managerial Personnel and Senior Management.
- b) To evaluate the performance of the members of the Board and provide necessary report to the Board for further evaluation
- c) To recommend to the Board on remuneration payable to the Directors and Key Managerial Personnel.
- d) Formulate the criteria for determining qualifications, positive attributes and independence of a director and recommend to the Board a policy relating to the remuneration of Directors, key managerial personnel and other employees.
- e) To provide to Directors, Key Managerial Personnel and Senior Management reward linked directly to their effort, performance, dedication and achievement relating to the Company's operations.
- f) To retain, motivate and promote talent and to ensure long term sustainability of talented persons and create competitive advantage.

APPLICABILITY

The Policy is applicable to:

- 1) Directors (Executive, Non-Executive and Independent)
- 2) Key Managerial Personnel
- 3) Senior Management Personnel

DEFINITIONS

- **"Act"** means the Companies Act, 2013 and Rules framed there under, including notifications, clarifications and guidelines issued by Ministry of Corporate Affairs from time to time.
- **"Board"** means Board of Directors of the Company.
- **"Company"** means Camlin Fine Sciences Limited.
- **"Directors"** mean Directors of the Company.
- **"Key Managerial Personnel"** means

- i. Managing Director, or Chief Executive Officer or Manager and in their absence, a Whole-time Director;
- ii. Chief Financial Officer;
- iii. Company Secretary; and
- iv. Such other officer as may be prescribed.

- **“Senior Management”** means Senior Management means the personnel of the Company who are members of its core management team excluding Board of Directors comprising all members of management one level below the Executive Directors including the Functional heads.
- **“Nomination and Remuneration Committee”** shall mean a Committee of Board of Directors of the Company, constituted in accordance with the provisions of Section 178 of the Companies Act, 2013 and the Listing Agreement.
- **“Policy or This Policy”** means, “Nomination and Remuneration Policy.”
- **“Remuneration”** means any money or its equivalent given or passed to any person for services rendered by him and includes perquisites as defined under the Income-tax Act, 1961.

Unless the context otherwise requires, words and expressions used in this policy and not defined herein but defined in the Companies Act, 2013 as may be amended from time to time shall have the meaning respectively assigned to them therein.

GUIDING PRINCIPLES

The Policy ensures that:

- Potential candidates are identified for becoming members of the Board and also to identify persons to be recruited in the senior management of the Company including KMP's;
- Determining the composition of the Board based on the need and requirement of the Company from time to time;
- To lay down criteria for appointment, removal of directors, Key Managerial Personnel and Senior Management Personnel and evaluation of their performance;
- To retain, motivate and promote talent and to ensure long term sustainability of talented managerial persons and create competitive advantage;
- The level and composition of remuneration is reasonable and sufficient to attract, retain and motivate Directors of the quality required to run the Company successfully;
- Relationship of remuneration to performance is clear and meets appropriate performance benchmarks; and
- Remuneration to Directors, Key Managerial Personnel and Senior Management involves a balance between fixed and incentive pay reflecting short and long term performance objectives appropriate to the working of the Company and its goals.

ROLE AND DUTIES OF THE COMMITTEE IN RELATION TO NOMINATION AND REMUNERATION MATTERS

INDEPENDENT AUDITOR'S REPORT

To
The Members of
Camlin Fine Sciences Limited

Report on the Standalone Financial Statements

1. We have audited the accompanying standalone financial statements of Camlin Fine Sciences Limited ("the Company"), which comprise the balance sheet as at March 31, 2016, the statements of profit and loss and the cash flow for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended). This responsibility also includes the maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of internal financial control, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these standalone financial statements based on our audit.
4. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.
5. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with

ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

6. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give true and fair view in order to design audit procedures that are appropriate in the circumstances. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by Company's Directors, as well as evaluating the overall presentation of the financial statements.
7. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the standalone financial statements.

Opinion

8. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements, give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India of the state of affairs of the Company as at March 31, 2016, and its profit and cash flows for the year ended on that date.

Emphasis of Matter

9. We draw attention to Note No. 12 of the financial statements in respect of the Company's investment of ₹ 56.01 Lacs in and loans of ₹ 160.33 Lacs given to its Subsidiary Company recoverability of which is based on successful implementation of management's future plans in respect of the subsidiary.

Our opinion is not modified in respect of this matter.

Report on other Legal and Regulatory Requirements

10. As required by the Companies (Auditor's Report) Order, 2016, issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act (the "Order"), and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in Annexure A, a

statement on the matters specified in the paragraphs 3 and 4 of the Order.

11. As required by section 143(3) of the Act, we report that:

- a) we have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- b) in our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books;
- c) the Balance Sheet, the Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of written representations received from the directors as on 31 March, 2016, taken on record by the Board of Directors, none of the directors is disqualified as on March 31, 2016, from being appointed as a director in terms of Section 164(2) of the Act.
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) With respect to the other matters included in the Auditor's Report in accordance with Rule 11 of the

Companies (Audit and Auditors) Rules, 2014 (as amended) in our opinion and to our best of our information and according to the explanations given to us:

- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements - Refer Note 35, to the financial statements.
- ii. The Company did not have any long term contracts including derivative contracts on which provision for material foreseeable losses was required under the applicable law or accounting standards.

ANNEXURE A TO THE AUDITOR'S REPORT REFERRED TO IN PARAGRAPH 10 OF OUR REPORT OF EVEN DATE ON THE ACCOUNTS OF MEMBERS OF CAMLIN FINE SCIENCES LIMITED FOR THE YEAR ENDED MARCH 31, 2016

- 1) i. The Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
- ii. According to the information and explanations given to us the fixed assets are physically verified by the management according to a phased programme designed to cover all the items over a period of three years which, in our opinion, is reasonable having regard to the size of the Company and the nature of its assets. The fixed assets have not been physically verified by the Company during the year and hence it is not possible to determine whether there are any discrepancies with respect to the same.
- iii. The title deeds of immovable property of the Company are held in the name of the Company.
- 2) Inventories have been physically verified by management at reasonable intervals during the year. The discrepancies noticed on such verification were immaterial and have been properly dealt with in the books of account of the Company.
- 3) The Company has granted unsecured loans to 7 companies covered in the register maintained under Section 189 of the Act which aggregated ₹ 2,836.54 Lacs at March 31, 2016.
 - i. Except for one loan aggregating ₹ 377.68 Lacs at March 31, 2016 (the terms of which are not prima facie prejudicial to the Company), the aforesaid loans have been made to its wholly-owned subsidiaries. According to the information and explanations given to us, and having regard to management's representation that the loans are given to wholly-owned subsidiaries of the Company in the interest of the Company's business, the rate of interest and other terms and conditions for such loans are not prima facie prejudicial to the interest of the Company.
 - ii. According to the information and explanations given to us, and to the best of our knowledge no schedule of repayment of principal and interest has been stipulated in respect of the loans aggregating ₹ 1,470.93 Lacs. In respect of the other loans, the same are repayable over a period of 2 years from the date on which these have been granted without any specific stipulation as to payment of interest and principal.
- iii. In respect of the loan of ₹ 377.68 Lacs (against which a provision of ₹ 160 Lacs has been made), the Company is in discussions with the borrower for the recovery of amount and has recovered some amount during the year. In respect of the other loans in view of no specific stipulation as to payment of interest and principal, we are unable to comment on the overdue amount, if any, on such loans.
- 4) In our opinion and according to the information and explanations given to us, the Company has complied with provisions of Section 185 and 186 of the Companies Act 2013, and the Rules framed thereunder in respect of loans to investments in guarantees and other security given by the Company.
- 5) As indicated in note 9 to the financial statements, the Company has, in respect of the deposits accepted by it, complied with the provisions of Sections 73-76 of the Act read with the Rules framed thereunder. According to the information and explanations given to us, the Company has not accepted deposits during the year ended March 31, 2016. According to the information and explanations given to us and to the best of our knowledge and belief, no order has been passed by the Company Law board or the Reserve Bank of India or any court or other tribunal which is to be complied with by the Company.
- 6) We have broadly reviewed the books of account maintained by the Company in respect of the products where, pursuant to the rules made by the Central Government of India, the maintenance of cost records has been prescribed under Section 148 of the Act, and are of the opinion that, prima facie, the prescribed accounts and records have been made and maintained. We have not, however, made a detailed examination of the records with a view to determine whether they are accurate or complete.
- 7) i. According to the records of the Company, the Company is generally regular in depositing with the appropriate authorities undisputed statutory dues including Provident Fund, Employees' State Insurance, Income Tax, Excise Duty, Customs Duty, Sales Tax, Service Tax, Customs Duty, Value Added Tax, and other statutory dues applicable to it.
- ii. According to the information and explanations given to us, there are no undisputed amounts

payable in respect of Provident Fund, Employees' State Insurance, Income Tax, Sales Tax, Excise Duty, Service Tax, Customs Duty and Value Added Tax that were outstanding, at the year-end for a period of more than six months from the date they became payable.

- iii. According to the information and explanations given to us and records of the Company examined by us, except sales tax and value added tax, there are no dues of Income Tax, Wealth Tax, Service Tax, Excise Duty, Custom Duty and cess which have not been deposited on account of any dispute except as indicated below:

Name of the Statute	Nature of Dues	₹ In Lacs	Period to which the amount relates	Forum
Maharashtra Value Added Tax Act, 2002	Value Added Tax	77.16	2010-2011	Deputy Commissioner Appeals
Central Sales Tax, 1956	Sales Tax	655.28	2010-2011	Deputy Commissioner Appeals

- 8) The Company has not defaulted in repayment of loans or borrowings to a financial institution, bank, Government or repayment of dues to debenture holders.
- 9) The Company has not raised money by way of initial public offer or further public offer (including debt instruments) and the term loans were applied for the purposes for which those are raised.
- 10) Based on the audit procedures performed and as per the information and explanations given to us by management, no fraud on or by the Company has been noticed or reported during the year.
- 11) Managerial remuneration paid is in accordance with the requisite approvals mandated by the provisions of

section 197 read with Schedule V to the Companies Act, 2013.

- 12) The Company, not being a Nidhi Company, the para 3(xii) of the Order is not applicable to the Company.
- 13) According to the information and explanations given to us all transactions with related parties during the year are in compliance with sections 177 and 188 of Companies Act, 2013 and the details of the same have been disclosed in the financial statements as required by the applicable accounting standards.
- 14) The Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year under review. Hence provisions of para 3(xiv) of the Order are not applicable to the Company.
- 15) According to the information and explanations given to us, the Company has not entered into non-cash transactions with directors or persons connected with him. Hence provisions of para 3(xv) are not applicable to the Company.
- 16) The Company is not required to be registered under section 45-IA of the Reserve Bank of India Act, 1934. Hence provisions of para 3(xvi) of the Order are not applicable to the Company.

Annexure B to the Independent Auditor's Report Of Even Date On The Standalone Financial Statements Of Camlin Fine Sciences Limited

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Camlin Fine Sciences Limited ("the Company") as of March 31, 2016 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness.

Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company ;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company ; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 March 2016

(Unless otherwise stated all amounts are in Indian Rupees Lacs)

1 SIGNIFICANT ACCOUNTING POLICIES

a Basis of Preparation

The financial statements of the Company have been prepared in accordance with the historical cost convention on an accrual basis of accounting in accordance with generally acceptable accounting principles in India. These financial statements have been prepared to comply in all material respects with the Accounting Standards specified under section 133 of the Companies Act, 2013 ("the Act") read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) and other relevant provisions of the Act. ("Indian GAAP")

b Use of estimates

The preparation of financial statements in accordance with Indian GAAP requires the management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements, which in management's opinion are prudent and reasonable. Actual results may differ from these estimates. Any revision to accounting is recognized prospectively in current and future periods.

c Presentation and disclosure of financial statements

The financial statements are prepared and presented in the form set out in Schedule III of the Act, so far as they are applicable thereto. All assets and liabilities have been classified as current or noncurrent as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Act. Based on the nature of products and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current/ non-current classification of assets and liabilities.

The accounting policies adopted in the preparation of the financial statements are consistent with those of the previous year.

d Summary of significant accounting policies

i Fixed assets

Tangible fixed assets

Fixed assets are recorded at cost of acquisition or construction and they are stated at historical cost (net of CENVAT and VAT). All direct expenses attributable to acquisition of fixed assets are capitalised. Cost includes all incidental expenses related to acquisition and installation. Borrowing costs relating to acquisition of fixed assets, which take a substantial period of time to get ready for their intended use are also included to the extent they relate to the period till such assets are ready to be put to use. When an asset is scrapped or otherwise disposed of, the cost and related depreciation are removed from the books of account and resultant profit or loss, if any is reflected in the Statement of Profit and Loss.

a Intangible assets

Intangible assets are initially measured at cost and amortised so as to reflect the pattern in which the asset's economic benefits are consumed.

Capitalised hardware/software costs of Enterprise Resource Planning (ERP) system includes design software cost, which provides significant future economic benefits over an extended period. The cost comprises licence fee, cost of system integration and initial customisation. The costs are capitalised in the year in which the relevant system is ready for the intended use. The up gradation/enhancements are also capitalised and assimilated with the initial capitalisation cost.

b Research and development cost.

Research cost are expensed as incurred. Development expenditure incurred on an individual project is

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 March 2016

recognised as an intangible assets when all of the following criteria are met:

- i It is technically feasible to complete the intangible asset so that it will be available for use or sale.
- ii There is an intention to complete the asset.
- iii There is a ability to use or sale the asset.
- iv The asset will generate future economic benefits.
- v Adequate resources are available to complete the development and to use or sale the asset.
- vi The expenditure attributable to the intangible asset during development can me measured reliably.

Following the initial recognition of the development expenditure as an asset, the cost model is applied requiring the asset to be carried at cost less any accumulated amortisation and accumulated impairment losses.

Amortisation of the asset begins when development is complete and the asset is available for use and it is amortised on straight line basis over the estimated useful life. During the period of development the asset is tested for impairment annually.

ii Impairment of assets

The carrying amount of cash generating units/assets is reviewed at Balance Sheet date to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount is estimated at the higher of net selling price and value in use. Impairment loss is recognised wherever carrying amount exceeds the recoverable amount.

iii Depreciation

Depreciation is provided as per straight-line method over the estimated useful lives of the assets prescribed under schedule II to the Companies Act 2013.

Leasehold land is depreciated over its period of lease.

Capitalised ERP hardware/software, technical knowhow and development expenditure of projects/products incurred is amortised over the estimated period of benefits, not exceeding five years.

iv Investments

Long-term investments are stated at cost. Provision, if any, is made for diminution other than temporary in the value of investments.

Current investments are stated at cost or fair value whichever is lower.

v Inventories

Inventories comprise all costs of purchase, conversion and other costs incurred in bringing the inventories to their present location and condition.

Raw materials and packing materials are valued at cost or net realizable value whichever is lower. Cost is determined on the basis of weighted average method. Finished goods produced and purchased for sale and work-in-progress are carried at cost or net realisable value whichever is lower. Excise duty is included in the value of finished goods inventory.

Stores and spares are carried at cost.

vi Foreign currency transactions

Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of transaction. Foreign currency monetary assets and liabilities are translated at year-end exchange rates. Exchange difference arising on settlement of transactions and translation of monetary items are recognised as income or expense in the year in which they arise.

In respect of forward exchange contracts the difference between the forward rate and the exchange rate at the inception of the contract is recognised as income or expense over the period of the contract.

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 March 2016

Gains or losses on cancellation / settlement of forward exchange contracts are recognised as income or expense.

vii Research and Development

Revenue expenditure on Research and Development (R&D) is included under the natural heads of expenditure.

Capital expenditure on R&D is capitalised as fixed assets. Development cost including legal expenses and/or in relation to patent/trade marks relating to the new and improved product and/or process development is recognised as an intangible asset to the extent that it is expected that such asset will generate future economical benefits.

viii Employee stock options

Measurement and disclosure of the employee share-based payment plans is done in accordance with SEBI (Share Based Employee Benefits) Regulations, 2014 and the Guidance Note on Accounting for Employee Share-based Payments, issued by ICAI. The Company measures compensation cost relating to employee stock options using the intrinsic value method. Compensation expense is amortised over the vesting period of the option on a straight line basis.

ix Employee benefits

Short term employee benefits

All short-term employee benefits such as salaries, wages, bonus, special awards and medical benefits which fall due within 12 months of the period in which the employee renders the related services which entitles him to avail such benefits are recognised on an undiscounted basis and charged to the statement of profit and loss.

Defined contribution plan

The Company has a statutory scheme of Provident Fund a defined contribution scheme and contribution of the Company is charged to the Statement of Profit and Loss as incurred. The Company has a scheme of superannuation with the LIC of India and contribution of the Company is charged to the statement of profit and loss as incurred.

Defined Benefit Plan

The Company's liability towards gratuity to its employees is provided on the basis of an actuarial valuation using the projected unit credit method. Actuarial gains and losses are recognised in full in the statement of profit and loss in the year in which they occur.

Compensated Absences

The accumulated balance of leave encashment (unfunded) is provided on actuarial basis using projected unit credit method.

x Revenue

Revenue from the sale of products is recognised when the title and the significant risks and rewards of ownership have been transferred to the buyer. No revenue is recognised if there are significant uncertainties regarding collectability of the amount due, associated costs or the possible return of goods.

Revenue in respect of overdue interest, insurance claim, export benefits, etc is recognised to the extent the Company is reasonably certain of its ultimate realisation.

xi Expenses

Expenses are accounted for on accrual basis.

xii Provisions, Contingent Liabilities and Contingent Assets.

Provisions are recognised when a present legal or constructive obligation exists and the payment is probable and can be reliably estimated.

A Contingent liability is a possible obligation that arises from past events or a present obligation that is not recognised because it is not possible that an outflow of resources will be required to settle the obligation.

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 March 2016

Contingent liabilities are disclosed by way of notes to the financial statements, after evaluation by the management of the facts and legal aspects of each matter involved.

Contingent Assets are neither recognised nor disclosed in financial statements.

xiii Income-tax

Tax expense comprises current and deferred tax.

Current tax is measured at the amount computed under the Income Tax Act, 1961. MAT credit is recognised as an asset only when, and to the extent, there is convincing evidence that the Company will pay normal income tax during the specified period and the said is created by way of credit to the statement of profit and loss and shown as MAT Credit Entitlement.

The Company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent that there is no longer convincing evidence to the effect that the Company will pay normal income tax during the specified period.

Deferred tax is recognised, subject to the consideration of prudence in respect of deferred tax assets, on timing differences, being the differences between taxable income and accounting income that originate in one period and are capable of being reversed in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted, at the reporting date.

xiv Earnings per share

Basic earnings per equity share is computed by dividing net profit by the weighted average number of equity shares outstanding for the period. Diluted earnings per equity share is computed by dividing net income by the weighted average number of equity shares outstanding adjusted for the effects of all dilutive potential equity shares.

xv Borrowing costs

Borrowing cost include exchange differences arising from foreign exchange borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs, that are attributable to the acquisition, construction or production of a qualifying asset, are capitalised as part of the cost of such asset till such time as the asset is ready for its intended use. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use. All other borrowing costs are recognised as an expense in the period in which they are incurred.

xvi Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise of cash at bank and in hand and short term investments with an original maturity of three months or less.

xvii Leases

Finance Leases, where substantially all the risks and benefits incidental to ownership of the leased item, are transferred to the Company, are accounted for as finance leases. Assets acquired under finance leases are capitalised at lower of fair value and present value of the minimum lease payments at the inception of the lease term and disclosed as leased assets.

Lease payments are apportioned between finance charges and reduction of the lease liability based on the implicit rate of return. Finance charges are charged to income. Lease management fees, legal charges and other initial direct costs are capitalised.

If there is no reasonable certainty that the Company will obtain the ownership by the end of the lease item, capitalised leased assets are depreciated over the shorter of the estimated useful life of the asset or the lease term.

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased term, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

The Company has adopted intrinsic value method in accounting for employee cost on account of ESOS. The intrinsic value of the shares is based on the latest available closing market price, prior to the date of meeting of the board of directors, in which the options were granted, on the stock exchange in which the shares of the Company are listed. The difference between the intrinsic value and the exercise price is being amortised as employee compensation cost over the vesting period.

INDEPENDENT AUDITOR'S REPORT

To
The Members of
Camlin Fine Sciences Limited

Report on the Consolidated Financial Statements

1. We have audited the accompanying consolidated financial statements of Camlin Fine Sciences Limited (hereinafter referred to as "the Holding Company") and its subsidiaries (the Holding Company and its subsidiaries are hereinafter referred to as "the Group") and associates, comprising the consolidated balance sheet as at March 31, 2016, the consolidated statement of profit and loss and the consolidated cash flow statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's Responsibility for the Financial Statements

2. The Holding Company's Board of Directors is responsible for the preparation of these consolidated financial statements in terms of the requirements of the Companies Act, 2013 (hereinafter referred to as "the Act") that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group including its associates in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. The respective Board of Directors of the companies included in the Group and its associates are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Group and for preventing and detecting frauds and other irregularities; the selection and application of appropriate accounting policies; making judgements and estimates that are reasonable and prudent; and the design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

Auditor's Responsibility

3. Our responsibility is to express an opinion on these consolidated financial statements based on our audit.

While conducting the audit, we have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

4. We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the consolidated financial statements are free from material misstatement.
5. An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the consolidated financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the consolidated financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Holding Company's preparation of the consolidated financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on whether the Holding Company has an adequate internal financial controls system over financial reporting in place and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Holding Company's Board of Directors, as well as evaluating the overall presentation of the consolidated financial statements.
6. We believe that the audit evidence obtained by us and the audit evidence obtained by the other auditors in terms of their reports referred to in the Other Matters paragraph below, is sufficient and appropriate to provide a basis for our audit opinion on the consolidated financial statements.

Opinion

7. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid consolidated financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the consolidated state of affairs of the Group and its associates as at March 31, 2016, and their consolidated profit and their consolidated cash flows for the year ended on that date.

ANNEXURE A TO OUR REPORT OF EVEN DATE ON THE CONSOLIDATED FINANCIAL STATEMENTS OF CAMLIN FINE SCIENCES LIMITED

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

In conjunction with our audit of the consolidated financial statements of the Camlin Fine Sciences Limited as of March 31, 2016 and for the year then ended. We have audited the internal financial controls over financial reporting of Camlin Fine Sciences Limited (hereinafter referred to as "the Holding Company") and its two Associate Company incorporated in India, as of that date.

Management's Responsibility for Internal Financial Controls

The respective Board of Directors of the of the Holding Company are responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that operate effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 ("the Act").

Auditors' Responsibility

Our responsibility is to express an opinion on internal financial controls over financial reporting based on our audit for the Group Companies. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by the Institute of Chartered Accountants of India ("ICAI") and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and, both issued by ICAI. Those Standards

and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting of the Group Companies in India.

Meaning of Internal Financial Controls over Financial Reporting

A Company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A Company's internal financial control over financial reporting includes those policies and procedures that

- (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company ;
- (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the Company ; and
- (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the Company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Holding Company and its associate companies incorporated in India have, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2016, based on the internal control over financial reporting criteria established by the aforesaid companies considering

the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by ICAI.

Other Matters

Our aforesaid report under Section 143(3)(i) of the Act on the adequacy and operating effectiveness of the internal financial controls over financial reporting insofar as it relates to two associate Company, which is Company incorporated in India, is based on the corresponding report of the auditor of such Company incorporated in India.

- iv The difference between the proceeds from disposal of investment in a subsidiary and the carrying amount of its assets less liabilities as of date of disposal is recognised in the statement of profit and loss as profit or loss on disposal of investment in subsidiary. Similarly deemed divestiture gain or loss on de-subsidiarisation of subsidiaries is also recognized in the statement of profit and loss.
- c Use of estimates
- The preparation of financial statements in accordance with Indian GAAP requires the management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of financial statements, which in management's opinion are prudent and reasonable. Actual results may differ from these estimates. Any revision to accounting is recognized prospectively in current and future periods.
- d Presentation and disclosure of financial statements
- The financial statements are prepared and presented in the form set out in Schedule III of the Act, so far as they are applicable thereto. All assets and liabilities have been classified as current/noncurrent as per the Company's normal operating cycle and other criteria set out in the Schedule III of the Companies Act, 2013. Based on the nature of services and their realisation in cash and cash equivalents, the Company has ascertained its operating cycle as twelve months for the purpose of current/ non-current classification of assets and liabilities.
- The accounting policies adopted in the preparation of the financial statements are consistent with those of the previous year.
- e Summary of significant accounting policies
- i Fixed assets

Tangible fixed assets

Fixed assets are recorded at cost of acquisition or construction and they are stated at historical cost (net of CENVAT and VAT). All direct expenses attributable to acquisition of fixed assets are capitalised. Cost includes

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS for the year ended 31 March 2016

all incidental expenses related to acquisition and installation. Borrowing costs relating to acquisition of fixed assets, which take a substantial period of time to get ready for their intended use are also included to the extent they relate to the period till such assets are ready to be put to use. When an asset is scrapped or otherwise disposed of, the cost and related depreciation are removed from the books of account and resultant profit or loss, if any is reflected in the Statement of Profit and Loss.

Intangible assets

a Intangible assets

Intangible assets are initially measured at cost and amortised on a straight line basis so as to reflect the pattern in which the asset's economic benefits are consumed.

ERP software cost

ERP software costs of Enterprise Resource Planning (ERP) system includes design software cost, which provides significant future economic benefits over an extended period. The cost comprises licence fee, cost of system integration and initial customisation. The costs are capitalised in the year in which the relevant system is ready for the intended use. The upgradation/enhancements are also capitalised and assimilated with the initial capitalisation cost.

b Research and development cost.

Research cost are expensed as incurred. Development expenditure incurred on an individual project is recognised as an intangible assets when all of the following criteria are met:

- i it is technically feasible to complete the intangible asset so that it will be available for use or sale.
- ii There is an intention to complete the asset.
- iii There is a ability to use or sale the asset.
- iv The asset will generate future economic benefits.
- v Adequate resources are available to complete the development and to use or sale the asset.
- vi The expenditure attributable to the intangible asset during development can be measured reliably.

Following the initial recognition of the development expenditure as an asset, the cost model is applied requiring the asset to be carried at cost less any accumulated amortisation and accumulated impairment losses. Amortisation of the asset begins when development is complete and the asset is available for use and it is amortised on straight line basis over the estimated useful life. During the period of development the asset is tested for impairment annually.

ii Impairment of assets

The carrying amount of cash generating units/assets is reviewed at Balance Sheet date to determine whether there is any indication of impairment. If any such indication exists, the recoverable amount is estimated at the higher of net selling price and value in use. Impairment loss is recognised wherever carrying amount exceeds the recoverable amount.

iii Depreciation

Depreciation is provided as per straight-line method over the estimated useful lives of the assets prescribed under schedule II to the Companies Act 2013.

Leasehold land is depreciated over its period of lease.

Capitalised ERP hardware/software, technical knowhow and development expenditure of projects/products incurred is amortised over the estimated period of benefits, not exceeding five years.

iv Investments

Long-term investments are stated at cost. Provision, if any, is made for diminution other than temporary in the

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS for the year ended 31 March 2016

value of investments.

Current investments are stated at cost or fair value whichever is lower.

v Inventories

Inventories comprise all costs of purchase, conversion and other costs incurred in bringing the inventories to their present location and condition.

Raw materials and packing materials are valued at cost or net realizable value whichever is lower. Cost is determined on the basis of weighted average method. Finished goods produced and purchased for sale and work-in-progress are carried at cost or net realisable value whichever is lower. Excise duty is included in the value of finished goods inventory.

Stores and spares are carried at cost.

vi Foreign currency transactions

Transactions in foreign currencies are recorded at the exchange rates prevailing on the date of transaction. Foreign currency monetary assets and liabilities are translated at year-end exchange rates. Exchange difference arising on settlement of transactions and translation of monetary items are recognised as income or expense in the year in which they arise.

In respect of forward exchange contracts the difference between the forward rate and the exchange rate at the inception of the contract is recognised as income or expense over the period of the contract.

The Company classifies all its foreign operations as either "integral foreign operations" or "non-integral foreign operations." The financial statements of an integral foreign operation are translated as if the transactions of the foreign operation have been those of the Company itself.

The assets and liabilities of a non-integral foreign operation are translated into the reporting currency at the exchange rate prevailing at the reporting date and their statement of profit and loss are translated at exchange rates prevailing at the dates of transaction or weighted average weekly rates, where such rates approximate the exchange rate at the date of transaction. The exchange differences arising on translation are accumulated in the foreign currency translation reserve. On disposal of a non-integral foreign operation, the accumulated foreign currency translation reserve relating to that foreign operation is recognized in the statement of profit and loss. When there is a change in the classification of a foreign operation, the translation procedures applicable to the revised classification are applied from the date of the change in the classification.

vii Research and Development

Revenue expenditure on Research and Development (R&D) is included under the natural heads of expenditure.

Capital expenditure on R&D is capitalised as fixed assets. Development cost including legal expenses and/or in relation to patent/trade marks relating to the new and improved product and/or process development is recognised as an intangible asset to the extent that it is expected that such asset will generate future economical benefits.

viii Employee stock options

Measurement and disclosure of the employee share-based payment plans is done in accordance with SEBI (Share Based Employee Benefits) Regulations, 2014 and the Guidance Note on Accounting for Employee Share-based Payments, issued by ICAI. The Company measures compensation cost relating to employee stock options using the intrinsic value method. Compensation expense is amortised over the vesting period of the option on a straight line basis.

ix Employee benefits

Short term employee benefits

All short-term employee benefits such as salaries, wages, bonus, special awards and medical benefits which fall due within 12 months of the period in which the employee renders the related services which entitles him to avail such benefits are recognised on an undiscounted basis and charged to the statement of profit and loss.

NOTES TO THE FINANCIAL STATEMENTS for the year ended 31 March 2016

Defined contribution plan

The Company has a statutory scheme of Provident Fund a defined contribution scheme and contribution of the Company is charged to the Statement of Profit and Loss as incurred. The Company has a scheme of superannuation with the LIC of India and contribution of the Company is charged to the statement of profit and loss as incurred.

Defined Benefit Plan

The Company's liability towards gratuity to its employees is provided on the basis of an actuarial valuation using the projected unit credit method. Actuarial gains and losses are recognised in full in the statement of profit and loss in the year in which they occur.

Compensated Absences

The accumulated balance of leave encashment (unfunded) is provided on actuarial basis using projected unit credit method.

x Revenue

Revenue from the sale of products is recognised when the title and the significant risks and rewards of ownership have been transferred to the buyer. No revenue is recognised if there are significant uncertainties regarding collectability of the amount due, associated costs or the possible return of goods.

Revenue in respect of overdue interest, insurance claim, export benefits, etc is recognised to the extent the Company is reasonably certain of its ultimate realisation.

xi Expenses

Expenses are accounted for on accrual basis.

xii Provisions, Contingent Liabilities and Contingent Assets.

Provisions are recognised when a present legal or constructive obligation exists and the payment is probable and can be reliably estimated.

A Contingent liability is a possible obligation that arises from past events or a present obligation that is not recognised because it is not possible that an outflow of resources will be required to settle the obligation. Contingent liabilities are disclosed by way of notes to the financial statements, after evaluation by the management of the facts and legal aspects of each matter involved.

Contingent Assets are neither recognised nor disclosed in financial statements.

xiii Income-tax

Tax expense comprises current and deferred tax.

Current tax is measured at the amount computed under the Income Tax Act, 1961. MAT credit is recognised as an asset only when, and to the extent, there is convincing evidence that the Company will pay normal income tax during the specified period and the said is created by way of credit to the statement of profit and loss and shown as MAT Credit Entitlement. The Company reviews the same at each Balance Sheet date and writes down the carrying amount of MAT Credit Entitlement to the extent that there is no longer convincing evidence to the effect that the Company will pay normal income tax during the specified period.

Deferred tax is recognised, subject to the consideration of prudence in respect of deferred tax assets, on timing differences, being the differences between taxable income and accounting income that originate in one period and are capable of being reversed in one or more subsequent periods. Deferred tax is measured using the tax rates and the tax laws enacted or substantially enacted, at the reporting date.

xiv Earnings per share

Basic earnings per equity share is computed by dividing net profit by the weighted average number of equity shares outstanding for the period. Diluted earnings per equity share is computed by dividing net income by the weighted average number of equity shares outstanding adjusted for the effects of all dilutive potential equity shares.

NOTES TO THE CONSOLIDATED FINANCIAL STATEMENTS for the year ended 31 March 2016

xv Borrowing costs

Borrowing cost include exchange differences arising from foreign exchange borrowings to the extent they are regarded as an adjustment to the interest cost.

Borrowing costs, that are attributable to the acquisition, construction or production of a qualifying asset, are capitalised as part of the cost of such asset till such time as the asset is ready for its intended use. A qualifying asset is an asset that necessarily requires a substantial period of time to get ready for its intended use. All other borrowing costs are recognised as an expense in the period in which they are incurred.

xvi Cash and cash equivalents

Cash and cash equivalents for the purposes of cash flow statement comprise of cash at bank and in hand and short term investments with an original maturity of three months or less.

xvii Leases

Finance Leases, where substantially all the risks and benefits incidental to ownership of the leased item, are transferred to the Company, are accounted for as finance leases. Assets acquired under finance leases are capitalised at lower of fair value and present value of the minimum lease payments at the inception of the lease term and disclosed as leased assets. Lease payments are apportioned between finance charges and reduction of the lease liability based on the implicit rate of return. Finance charges are charged to income. Lease management fees, legal charges and other initial direct costs are capitalised.

If there is no reasonable certainty that the Company will obtain the ownership by the end of the lease item, capitalised leased assets are depreciated over the shorter of the estimated useful life of the asset or the lease term.

Leases, where the lessor effectively retains substantially all the risks and benefits of ownership of the leased term, are classified as operating leases. Operating lease payments are recognized as an expense in the statement of profit and loss on a straight-line basis over the lease term.

	25% On expiry of 48 months from the date of grant					
	30% On expiry of 60 months from the date of grant					

The Company has adopted intrinsic value method in accounting for employee cost on account of ESOS. The intrinsic value of the shares is based on the latest available closing market price, prior to the date of meeting of the board of directors, in which the options were granted, on the stock exchange in which the shares of the Company are listed. The difference between the intrinsic value and the exercise price is being amortised as employee compensation cost over the vesting period.
